Jude Arthur

Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement
- Part D: Staff Awareness

- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P23Q

District Borough Number (DBN):

75Q023

Grades Served:

K-12

School Address:

48-25 37th Street

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Dr. Jude A. Arthur	Principal or Designee*	
Paulette Scott	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Delia Sanchez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Mahamanie Singh	District Council 37 (DC 37) Representative (staff), if applicable	
NA	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
NA	CBO Representative, if applicable	
Sybil Thioune	Member/Teacher	
Patrick Lindsay	Member/Teacher	
Priscella Guzman	PA Secretary	
Nazera Farooq	PA Treasurer	
Maruti Biswas	SLT Member	
Michael Kemp	SLT Member	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

The mission of P23Q is to move students back to a less restrictive environment while providing children with academic rigor, and social-emotional learning where students learn to optimize their emotional intelligence along with exposure to the arts, technology, music, and vocational/occupational learning and experiences. To this end, we have formed collaborative partnerships with various agencies that offer performances, hands-on theater, art, technology, music workshops, and vocational/occupational experiences which provide opportunities for socialization.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P23Q is a school organization with multiple sites. We have eight different sites at various locations within day treatment agencies, hospital settings, and traditional District 75 programs in DOE-owned and/or leased buildings.

The three newest sites are located within community school buildings. The sites are early childhood programs (Kindergarten to Grade five). We believe our students learn best through a multi-disciplinary approach where there is meaningful collaboration between the instructional team (teachers and paraprofessionals) and related service providers (i.e., Occupational Therapist, Physical Therapist, and Speech Teachers). This collaboration also extends to instruction, where Related Service Providers push into (where appropriate) into classrooms to support literacy and math lessons. Literacy is such a pivotal component of our early childhood sites, that libraries have been created to further support literacy development.

Our rigorous instructional program follows the Department of Education Uniform Curriculum in addition to providing academic intervention services across the grades. It is customized, inclusive, motivating, and aligned to New York State Next Generation Learning Standards. Our classes are formed primarily based on students' social-emotional needs and then instructional levels which provide a supportive environment and establish a school culture where students feel safe. All our classrooms have a wide variety of instructional materials to accommodate the individual needs of each student. Standardized high school students earn credits and can earn Regents diplomas.

Our agency affiliates include NYCCC, (Intensive Day Treatment, Queens Day Treatment, Upper School, Fox In-patient Academy), Lifeline Center for Child Development, Zucker-Hillside Psychiatric Hospital, Elmhurst Hospital, and St. Mary's Hospital for Children. Our agency programs, students must be screened by the specific agency/hospital. Any decision, from admission to discharge and class placement, must include the clinical component and is collaborative. We are considered a psycho-educational milieu.

Students who attend P23Q agency sites are admitted after all other options for school placement have been

exhausted. Our agency sites are the most restrictive placement within District 75, Citywide Programs. Students entering our program have spent much of their previous school in crisis, out of the classroom, in detention, hospitalized, or being truant. Many students have learning deficits due to the amount of time not spent in class.

Despite the high admission and discharge rate of our students at agency sites, we provide an instructional program that is challenging to them, while providing our students with the necessary medical/clinical supports to prepare them to successfully transition back to a less restrictive environment. All staff members work towards the shared goal of improving student outcomes. Our administration leads by example and nurtures the professional growth of teachers and staff.

Even though the teachers, paraprofessionals, and administration are dealing with a severely volatile student body on a daily basis in our agency programs (with psychiatrically impaired students, in the most restrictive environment the Department of Education has to offer), our teachers are committed to the success and improvement of the students in their care. The challenges that we face as a school are students' behaviors/mental illnesses that impede their academic functioning as well as socialization skills. We address these challenges through PBIS, point system behavior modification, Dialectical Behavior Therapy (DBT), and individual therapy. Dialectical Behavior Therapy or DBT is a cognitive-behavioral approach to treatment. Students are introduced to a variety of DBT skills such as mindfulness, emotion regulation, distress tolerance, and interpersonal effectiveness. The goal of DBT is to change negative thinking patterns and self-destructive behaviors into positive outcomes.

We continue to strategically use our funds to ensure upgrades relative our technology program at the Main Site, NYCCC, and Lifeline Center. Chrome books, laptops, storage carts, and Promethean Boards are some of the purchases that will bring equity in technology to our school.

Briefly summarize the key initiatives your school will implement this school year.

For the 2025/2026 academic year, our school community will continue to focus on the "Core-Four" (ELA, Math, Science, and Social Studies).

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH K-5	
MATH	K-8	Imagine K-8	
ELA	6-12	HMH Into Literature	
MATH	9-12	HMH High School Math	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Students currently enrolled in grades K-5 do not show consistent growth in skills on weekly HMH assessments	Inconsistencies when testing/ refusal	Establish consistent testing conditions/ utilize accommodations to make testing setting effective
Admin identified 0% areas of growth for pedagogues	Year 1 at Q503 did not engage in professional learning	Professional Learning Opportunities in Curriculum
Admin identified areas of growth for pedagogues	Year 2 at NYCCC, Lifeline, and Q841	Professional Learning Opportunities
Fundations	Inconsistent implementation of evidence-based literacy	Provide professional development in phonics, phonemic awareness, and

	practices in K–2.	reading differentiation.
No assessment data for Readtopia	Shortcoming of the program	Create assessment instrument and tracking

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	2%	By June 2026, 80% of students continuously enrolled in Kindergarten through fifth grade will demonstrate at least a 10% growth in skills from baseline as measured by appropriate literacy assessments.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

HMH weekly assessments, Readtopia teacher created assessments and School wide assessment Tracker

Enter a Key Performance Indicator

Students will achieve 10% growth in skills from baseline on weekly HMH assessments and school created Readtopia assessments.

Baseline:

0%

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Conducting monthly review of School wide monitoring and tracking tools.

-Support teachers' implementation of ELA curriculum during non-evaluative classroom visits (Literacy Support Visit, PLC, NEL, school-based coach)

-Support teachers with curriculum based PDs.

Root Cause Addressed:

-Students' utilization of the ELA curriculum is inconsistent or curriculum is in 2nd year of utilization at sites Q841, NYCCC and Lifeline. Q503 implemented first year beginning curriculum in October due to being a brand new site. Q365 will be a new site this year introducing new curriculum.

As a result, teachers are continuing to support skills that need development.
-Inconsistencies in evidence-based strategies to address underdeveloped ELA skills due to new curriculum and pedagogues
-Student's psychological and emotional challenges cause a lack of developed ELA skills
- Student's psychological and emotional challenges cause a challenge when testing

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
6/1/25 - 9/1/25 - Meet as a cabinet/ Work with Teaching lab/ Literacy Coach/ Brainstorm/ Plan

5/1/25 - 9/1/25 - Continue to review assessment results from current curriculum - HMH
6/1/25 - 9/1/25 - Schedule literacy coach for school year 2025-2026 for site visitations
6/1/25 - 9/1/25 - Ensure staff has access to all digital curriculum and materials
6/1/25 - 9/1/25 - Hire New teachers for 365
6/1/25 - 9/1/25 - Ensure new site 365 has tangible materials / PD's Scheduled
6/1/25 - 9/1/25 - Update and revise administrative teacher support tools to reflect teacher progress
6/1/25 - 9/1/25 - Revise and update classroom schedules to ensure appropriate ELA time.
6/1/25 -1/30/26 - Ensure new staff participates / completes HMH/ Fundations/ Heggerty/ Readtopia training
6/1/25 -1/30/26 - Ensure veteran staff participates / completes new HMH/ Fundations/ Heggerty/ Readtopia training
6/1/25 - 9/1/25 - Create student assessment tracker to reflect CEP goal progress
6/1/25 - 1/30/25 - Collaborate with District 75 Literacy Coach
6/1/25 - 1/30/26 - Create Readtopia assessments
9/1/25 - 9/15/25 - Share goal with school wide community
9/1/25 - 9/15/25 - Share tracker with K-5 Teachers
9/1/25 - 6/20/26 - Bi-weekly admin review of assessment tracker
9/1/25 - 6/15/26 - Teams meet during PLC/ common planning/ Data review weekly
9/1/25- 6/1/26 - Administration reviews progress by analyzing PLC documents bi-weekly
9/1/25- 6/1/26 - Administration reviews progress by analyzing assessment tracker biweekly
9/1/25 - 6/1/26 - Administration reviews progress thrpugh PLC visits and common planning visits biweekly
9/1/25 - 6/15/26 - Bi weekly review with data team to monitor progress
9/1/25 - 6/15/26 - Share updates with SLT monthly/ scheduled times
9/1/25 - 6/15/26 - Monthly checkins with staff regarding materials/ PD needs

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	06/26/2026	Welcome Letters for Modules. Correspondence with families via phone calls, emails, report cards, (parent engagement) Parent teacher conferences	Parent coordinator, Literacy Coach, Agency Partners
09/01/2025	06/26/2026	Literacy family engagement activities (Library support virtual and in person)	Parent coordinator, Literacy Coach, Agency Partners
09/01/2025	06/26/2026	Parent access to digital platforms	Parent coordinator, Literacy Coach, Agency Partners

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Special Education Teachers, Paraprofessionals, Literacy Coach, District Coach, School based support teams, Therapist, Doctors, Parents, Professional development facilitators

Instructional Resources

HMH, Readtopia Go, Fundations, Heggerty, IXL

Schedule Adjustments

Classes will be scheduled for Literacy Block, Common planning, Professional learning communities, Curriculum based coaching/ support

Other Resources Needed

Grade level appropriate curriculum for new site (365) and existing (Digital/ Hard copy).

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 OORS Report by Coded incidents show B34 - 62.96%, A28 - 18.52% Classroom 32.1%, School bus - 33.33%, other -14.81%	Demonstration of impaired emotional regulation, making it harder to manage frustration or anger constructively, potentially contribute to disruptive and self-destructive behaviors	Develop emotional regulation and prosocial behaviors for all students
25/26 (Baseline) PBIS System Level Tracker	Lack of structured system, inconsistencies in collaborative efforts and a supportive cohesive network	Provide a systematic and improve coordination and interconnectivity of school climate, family engagement, and agency partners to improve higher PBIS levels

2024-2025 P23Q School-wide online schoolwide created writing rubrics 75% of students scored between level 1 and Level 2 on monthly writing report	Inconsistencies in assessing the extent to which teachers effectively integrate social emotional learning into instructional practices	Provide a broad measure of teacher ability to infuse SEL through instructional practices

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	2	By June, 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a 50% Decrease, in Demonstrate improvement in self regulation, reduction in OORs incidents, percentage of students will advance by 1 PBIS level from 2 to 3, per the School-wide Writing Rubrics, PBIS Level Tracker, OORs Reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

OORs Report, Schoolwide Mega Skills Writing Tracker, Schoolwide PBIS level tracker

Enter a Key Performance Indicator

5% reduction in OORS, increase in 1 writing level, 75% of students achieve PBIS level

Baseline:

2024/2025 EOY % OORs: 2024/2025 % writing level; 2025/2026 BOY PBIS level

Enter the date for the baseline data:

June 2025; June 2025; September 2025;

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

1% reduction in 24/25 OORs; 3% increase in 24/25 EOY writing levels; 25/26 PBIS Baseline levels

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

3% reduction in 24/25 OORs; 6% increase in 25/26 BOY writing levels; 5% increase from baseline in 25/26 BOY PBIS levels

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

5% reduction in 24/25 OORs; 10% increase in 25/26 MOY writing levels; 10% increase in 25/26 MOY PBIS levels

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Access to resources and training by seeking professional development opportunities
Online training self directed courses, workshops
External in person district and school-based coaching support
Updated and revised tracking tools
Implementation of Data dashboard that captures students' progress

Root Cause Addressed:

-Demonstration of impaired emotional regulation, potentially contribute to disruptive and self-destructive behaviors

-Competing priorities and a lack of clarity in collaborative efforts in a systematic implementation of SEL instruction

-Inconsistencies in assessing the extent to which teachers effectively integrate social emotional learning into instructional practices

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
06/30/2025- 09/30/2025 Revise and update the Monthly MEGA Skills Calendar for 25/26 SY
06/30/2025- 09/30/2025 Ensure access to aligned Schoolwide Rethink Ed Pacing calendar
06/30/2025- 09/30/2025 Revise and update Site-based PBIS level system, Progress monitoring dashboard

06/30/2025- 09/30/2025 Teachers will review the writing rubrics and expectations with students.
06/30/2025- 09/30/2025 Admin explore, secure and present PD opportunities on SEL Strategies, Mega Skills and Rethink Ed `
10/03/2025 - 01/31/2026 Conduct SEL Data days/data analysis bi-weekly to examine and review impact of interventions.
10/03/2025 - 01/31/2026 Facilitate community events to bolster capacity (staff/parents, coaching and teacher-facilitated SEL team, SEL informed training series embedded in the Mega Skills
09/30/2025 - 06/23/2026 Ongoing professional development activity to map out SEL activities, events and celebrations
09/30/2025 - 06/23/2026 Establish centralized SEL recognition and award system to encourage and address students social and emotional needs
09/30/2025 - 06/23/2026 Support participation in daily Social Emotional Learning blocks incorporated into their daily schedule
02/01/2026 - 02/28/2026 Administer MOY school climate survey to students, teachers, as well as parents, to establish SEL progress. Present MOY CEP goal progress to all stakeholders.
02/01/2026 - 06/23/2026 Ongoing weekly PLC meetings and/or Common Planning time to discuss how to infuse and enrich SEL practices in daily core instruction.
02/01/2026 - 06/23/2026 Ongoing data analysis monthly to examine and review Identify and continue tiered support for students who are categorized as at-risk on not making level.
02/01/2026 - 06/23/2026 Engage in ongoing collaborative monthly SEL conference with parents and agency partners regarding students progress and interventions.
02/01/2026 - 06/23/2026 In person support with RethinkEd support Team- site specific

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/10/2025	06/12/2026	Families will be kept apprised about student progress in order to help improve student outcomes via point sheets, weekly family outreach, progress reports and report cards	Include NYC, OPWDD, Easy Living, Mega Skills monthly Calendar, rethinkEd
09/10/2025	06/12/2026	Families will be provided P23Q Mega Skills Calendar and fliers, Rethink Ed strategies to use at home	Include NYC, OPWDD, Easy Living, Mega Skills monthly Calendar, rethinkEd
09/10/2025	06/12/2026	P23Q will supply parents with quarterly student writing progress reports	Include NYC, OPWDD, Easy Living, Mega Skills monthly Calendar, rethinkEd
09/10/2025	06/12/2026	P23Q will supply parents with materials to support utilization of digital programs	Include NYC, OPWDD, Easy Living, Mega Skills monthly Calendar, rethinkEd

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
24/25 Curriculum Based Assessments (Imagine math, IXL Math)	Student's academic, personal, psychological functioning and emotional challenges inhibit grade level competency	To improve gaps in foundational prerequisite math skills and concepts within all grade levels
2024-2025 IXL Diagnostic Assessments	Inconsistencies in student utilization of IXL at both home and in school as a result unable to pinpoint diagnostic score and skill deficits across all grade levels	Increase in targeted utilization time at school and home within all grade levels

2024-2025 IXL Diagnostic Assessments	Inconsistencies in instructional facilitation and related practices by teacher	To offer professional development opportunities to enhance instructional practice and infuse IXL in Math instruction.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	90	By June 2026, 90% of continuously enrolled K–8 students, receiving IEP-driven instruction will demonstrate improvement in their understanding of mathematical concepts, as measured by: (1) an increase of 45 points on quarterly IXL Diagnostic, and (2) earn an average of Level II on Curriculum-based assessments.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

IXL Diagnostic Assessment, Curriculum based Assessments (IM, Attainment, HMH)

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Conducting monthly review of overall student usage of IXL in school and home.
-Monthly teacher support on curriculum integration from district assigned coaches, school-based coaches, and F-status APs, professional development

Root Cause Addressed:

- Student's academic, personal, psychological functioning and emotional challenges inhibit grade level competency.
- Inconsistencies in student utilization of IXL at both home and in school as a result unable to pinpoint diagnostic score and skill deficits across all grade levels.
- Student's psychological functioning and emotional challenges hinder their ability to develop mastery of curriculum based math skills.
- Inconsistencies in student utilization of IXL at both home and in school as a result unable to pinpoint diagnostic score and skill deficits across all grade levels.
- Student's psychological functioning and emotional challenges hinder their ability to as they are introduced to a new curriculum
- Students emotional frustrations due to their sensory challenges

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
06/01/2025 - 07/26/2025 Create system to ensure IXL is infused into daily schedule (applicable tools)
06/01/2025 - 07/26/2025 Create a IXL utilization Tracker/Reviewed monthly

09/05/25 - 9/29/25 The administration team will present progress of goals monthly to SLT
06/24/25 - 09/01/25 Purchase/renewal of IXL Licenses
09/01/25 - 09/30/25 Share goal with P23Q community at staff-wide orientation and initial and ongoing professional development sessions
06/01/2025 - 07/26/2025 Create a system of progress monitoring, bi weekly tracking of diagnostic scores
09/01/25 - 09/30/25 Introduce IXL to new students and conduct refresher with returning students
09/01/25 - 09/30/25 Teachers will administer IXL Diagnostic to establish a BOY Diagnostic score to determine student's current functioning level: grade level, skills to be developed and/or work on.
09/01/25 - 09/30/25 Monthly review by Data Team, examine data relevant to CEP Goal
09/01/25 - 01/30/26 Teacher PLC engagement to review and devise focus areas/topics
09/01/25 - 06/23/26 Provide parents with strategies and technique page "Parent Toolkit" section in our monthly newsletter and parent university platforms. *Share with Parent Coordinator
09/01/25 - 06/23/26Ongoing Administrative feedback during PLC engagement
09/01/25 - 06/23/26 Teachers conduct weekly on-going real time diagnostic assessment given to students to drive instruction as In- school/home support
09/01/25 - 06/23/26 Teachers will conduct curriculum based unit assessments
09/01/25 - 06/23/26 Establish schoolwide monthly reward and recognition of students' progress- ongoing guided by the IXL recommendations monthly MEGA Skills with students monthly IXL utilization (PBIS)
09/01/25 - 06/23/26 Data team conduct bi-monthly review; Report progress and data analysis to SLT and school community during monthly staff meetings

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

-IXL Diagnostic Assessment
-Teacher IXL Monthly Progress report
-Curriculum Based Assessment Tracker

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Provide families with tools and strategies to support learning at home via parent events virtually/in person	Teachers, Agency partners, Coaches
09/08/2025	06/26/2026	Families will be kept apprised about student progress in order to help improve student outcomes via point sheets, phone calls, progress reports and report cards	Teachers, Parent coordinator, Coaches,
09/08/2025	06/26/2026	P23Q will supply parents with student logins/ passwords for IXL and curriculum based programs	Teachers, School based Teams
09/08/2025	06/26/2026	P23Q will supply parents with Curriculum Overview and progress monitoring	Teachers, School Based teams, Math Coaches

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

District Assigned Coaches, Curricular based coaches and supports, Curriculum based webinars, Professional development/trainings Facilitators, School based support, Teacher center support, Administrative Teacher support

Instructional Resources

District level professional development, Curriculum based instructional support in person/virtual, Staff professional development, Curriculum resources digital/hardcopies

Schedule Adjustments

Allocated time to attend district level professional development, common planning, Math instructional blocks, Professional Learning Communities, Faculty Meetings, School based team meetings

Other Resources Needed

IXL Data, Curriculum based data, Collection of data, analysis, evaluations, and recommendations of school based Data Team.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Data shows that all students graduating from P23Q's standardized High School Programs did not include a CDOS endorsement.	Not enough CDOS accredited courses were assigned to students	Program more Life Skills / Vocational / Other CDOS based courses for 9th through 12th graders at standardized Day Treatment programs.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50	By June 2026, 90% of continuously enrolled High School students (9th through 12th grade in IEP-driven programs) will be programmed for Vocational and/or Life Skills courses resulting in CDOS credits, leading to an eventual CDOS endorsement on their High School transcript.
Students with Disabilities (SWD)	0	By June 2026, 100% of graduating seniors from P23Q's IEP driven programs will be referred to and/or connected with a post-secondary program, school, or organization.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Maximize the human capital within our programs to deliver CDOS-centered content and curriculum.

Root Cause Addressed:

Students graduating High School without an actionable post-secondary plan.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Share goal with P23Q Community and inform community of school-wide expectations
Brainstorm with SLT and other leaders across school community
GC and Programmer identify needs based on permanent record review
Life Skills team delivers curriculum (including any recent updates/adjustments) to CDOS/Vocational teachers.
Students are programmed for Term 1 courses
Life Skills team reports to Administration any early student and pedagogical progress in curriculum
Life Skills team evaluates Term 1 results

Report cards issued for Term 1
Meeting with agency partners to discuss graduating students and plans for post-graduation
Life Skills team reports to Administration any Term 2 progress
Report cards issued for Term 2
CDOS endorsements included on graduating seniors diplomas, where appropriate
DATA TEAM: Progress monitor goal via use of STARS data

Key Strategy 2 (Optional):

Capitalize on Guidance Counselor and other staff connections with agencies, institutions, post-secondary programs, and schools to create meaningful post-secondary plans and connections for graduating seniors.

Root Cause Addressed:

Students graduating High School without an actionable post-secondary plan.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Share goal with P23Q Community and inform community of school-wide expectations
Brainstorm with SLT and other leaders across school community
Vocational Assessments (Teacher, Student, Parent interviews) completed by teachers.
Vocational, post-secondary, and trade programs identified to match with student interest
Student, Parent, and Teacher vocational interviews uploaded to SESIS by IEP Coordinator or Unit Coordinator
On-going monthly meetings/conferences with school stakeholders to discuss progress
Report Cards issued for Term 1
Progress Notes and Level 3 Voc assessments (where applicable) issued for Term 1

GC begins meeting with seniors and families individually and in groups to begin post-secondary transitioning and planning
Students will participate in virtual and/or live college and career fairs and program visits.
GC communicates with outside organizations that provide hands-on vocational training and skills to organize and schedule sessions
Meeting with agency partners to discuss graduating students and plans for post-graduation
GC meets with students to research and review scholarship possibilities and grant applications
GC will prepare and share applications for post-secondary school, education, program , or agency with students and families.
GC will assist students in completing applications for college and trade schools
Exit Summaries and Career Plans for seniors and qualifying Juniors to be complete by Transition Team/Vocational Teacher and/or through College Access for All funds
Data Team reviews relevant programming data and reports to Admin Team
DATA TEAM: Progress monitor goal via use of Transition Tracker data

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Specific Data:

STARS programming data
Post-Secondary Tracker tool

Each of these data points will be progress monitored a minimum of 1 time per month via the Data Team.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/02/2025	06/26/2026	Ongoing monthly meetings/conferences with agency partners to discuss academic progress.	Office of Mental Health (OMH)
09/05/2025	06/26/2026	Identify and arrange for CBOs to provide school/class level programming	CBOs (Ie: Harlem Magic Masters, ACCES-VR, etc)
09/05/2025	06/26/2026	Parent/Family counseling and training sessions provided by Parent Coordinator	Parent Coordinator

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Guidance Counselor, Special Education Teacher, Paraprofessionals, School Leadership Team, Transition Team Leader, Programmer, Administration

Instructional Resources

Vocational Assessments Parent, Student, and Teacher-based forms), job/skill specific vocational assessments, Summer Youth Employment resources, Life Skills curriculum

Schedule Adjustments

As needed to program CDOS aligned courses. As needed to provide vocational and occupational training to students

Other Resources Needed

Outside agencies to provide specific job and skill training - Partnerships with post-secondary agencies, programs, and institutions.

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Increase parent involvement in school based family engagement activities and workshops	2024-25 parent survey response was 88% for parent involvement in school	Parent participation should be higher regardless of location, timing and accessibility.

Increase involvement and participation of all stakeholders regardless of ethnicity	2024-25 schoolwide monitoring of translation needs for IEP meetings and written copy of the document	Non English speaking families require interpretation services verbally and in writing
Increased opportunity for partnerships between parents and the school encourages strong family ties	Resources and referrals support the connection between home and school	Parent involvement increases student success and builds trust and belief in the school

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of Students with Disabilities (SWD)	An average of 15 parents attend each school-wide activity	By June 2026, P23Q parents from non-agency sites will experience stronger ties to the school community as measured by a 10% increase from the 24/25 school year at school-wide events: (1) in-person and virtual attendance forms and (2) school-created Pre/Post parent perception focusing on support.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Provide parents with information using multiple methods to encourage participation (phone calls, emails, social media networks, dojo, teach hub)
-Verify translation needs and provide translation to support parent attendance and understanding of the presented information
-Develop parent support opportunities to increase a sense of belonging to the P23 community

Root Cause Addressed:

Parent participation has been low based on school location from students homes and difficulty parking
Non English speaking families require translation but do not always respond to questionnaire about their needs prior to the workshop
Parents need more resource information to support their needs at home

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
5/15/2025-6/26/2025 Review data regarding parent participation and update tracker monthly
5/15/2025-8/14/2025 Establish BOY data from SY 2024-2025 NYC school survey data
5/15/2025-6/26/2025 Prepare parent engagement survey to assess parent engagement & translation needs

5/15/25-8/14/2025 Contact agencies about workshops for 2025-2026 (include nyc, opwdd)
5/15-8/14/2025Work with PA & PC to Plan calendar dates for workshops and events for the 2025-2026 school year
5/15/25-8/14/25 Establish site based class dojo & update emails to add additional families
5/15/25-9/1/2025 Language survey to determine parent needs and plan for Title III support working with the ENL teacher
5/15/2025-9/30/25 Parent support group development led by school social worker, AP, PC & support staff including respite care
5/15/2025-9/3/2025 Assess the need for families to sign up for their NYCSA accounts to encourage parents to understand the benefits and the information that is available
9/4/2025-9/30/2025 Send out welcome letter both written and school based communication tools (dojo, remind, written)
9/4/2025-6/26/2026 Send monthly calendar and invites to families including literacy welcome letters
9/10/25 Town Hall virtual meeting & Meet the Admin of P23
9/17/2025-6/17/2026 Ongoing Monthly Updates with SLT meetings
9/30/2025 Include NYC Behavior Has Meaning virtual parent training
10/8/25 Understanding the IEP Workshop
10/23/25 Family movie night in person
10/30/25-11/10/25 Send out parent teacher conference invites
11/5/2025 Life skills Virtual Workshop
11/13/25 Parent teacher Conference providing progress updates and reviewing IEP information
11/20/2025-11/25/25 Thanksgiving holiday family engagement in person at different sites
12/6/2025 Sensory Exploration Education & Discovery Program begins (SEED)
12/12/2025 Sensory and Feeding Workshop in person
1/10/2026-6/20/26 Saturday Academy Program Offering two cycles for families
1/23/2026 Using visuals and schedules in person workshop
2/11/2026 In person schoolwide event/ literacy & holiday themed

2/10/2026-4/30/2026 NYC School Survey-distributed and incentive provided to complete. Parents will also be invited into the building to complete using school devices
2/26/26-3/10/26 Parent teacher conference invites sent home to families
2/28/2026-3/29/2026 Title III ENL Saturday Program
3/13/2025 Parent teacher Conference providing progress updates and reviewing IEP information
3/18/2026 Evening parent engagement Paint Night
4/15/2026 Evening Physical Education MVP/ movement night
5/8/2026 In person schoolwide event/ literacy & holiday themed
6/12/2026 In person schoolwide event/ literacy & holiday themed

Key Strategy 2 (Optional):

Parent support survey after the first month of school and at the end of the year
Provide virtual and in person opportunities at different sites to provide more access based on proximity to the families home
Monthly newsletter to keep parents informed
Daily communication with families
Literacy Fridays related to the curriculum topics
IEP support to ensure understanding and the role that the parent and school play to support student growth

Root Cause Addressed:

This will make the school aware of parent needs and support
This will provide culturally responsive education and support for the families

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
9/4/25-6/26/25 Literacy Welcome letters for family
10/10/25-6/26/26 Progress reports and updates

9

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Data from the parent sign in sheets will be reviewed after each parent engagement event. We will determine the root cause for the attendance if it does not meet our expectations or show growth. At that time we can determine if there was poor communication to families, lack of understanding of translation needs or the relevance of topic or event.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
05/15/2025	06/26/2026	Work with parent coordinator and social worker to support parents to obtain resources and attend workshops	Includenyc
05/15/2025	06/26/2026	Contact Agencies for support with family information to obtain services including OPWDD	OPWDD EZ Living

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Administrative Team, Guidance Counselor, Social Worker, Teachers, Paras, Unit Coordinators

Instructional Resources

HMH, Attainment, Readtopia, Rethink

Schedule Adjustments

Time for parent outreach, PLC conversation to share additional strategies to improve home and school connection

Other Resources Needed

Community Support, Agency Support, Community Based Organizations

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Insight Data - 2019-2020: 90% attendance * (COVID-data) 2020-2021: 83% attendance 2021-2022: 83% attendance 2022-2023: 84% attendance 2023-2024: 84% attendance 2024-2025: 82% attendance	Increasingly chronic student mental health needs. Increasing student anxiety and school phobia. Increasing school avoidance.	To increase students' daily attendance rate. Increase average rate of consecutive daily attendance

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	82%	By June 2026, P23Q will reverse the consecutive years of downward trending school-wide attendance and stabilize the annual student attendance rate at 80% or higher.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

DOE Intervention strategies include: PBIS and positive reinforcements for attendance, phone calls home, letters sent home, attendance teacher visits, in-school meetings, outside-agency support

OMH Intervention strategies include: individual therapy, group therapy, dialectic behavioral therapy, family planning, intensive case mangers (aka waiver services), inter-team meetings

PBIS rewards for attendance include: Special trips, special luncheon, rewards and recognition, positive letters and calls home, positive unit affirmations, school currency.

Root Cause Addressed:

Student mental health and psychiatric functioning

Family / Community support and structure

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Share goal with P23Q community
Principal informs school community of school-wide expectations
Brainstorm with SLT and other leaders across school community

Attendance of all stakeholders at weekly attendance meetings (includes, but not limited to, Attendance Teacher, admin, guidance counselor, unit coordinators, and school aides)
Review outstanding 407s weekly
In conjunction with SLT and PLC, Attendance Team to brainstorm and implement intervention strategies to address the chronic absenteeism, at-risk, and/or school-wide attendance rate.
School-wide, teachers will continue to use the strategies developed through attendance team, PLCS, SLT, and PD's to increase student motivation regarding attendance.
Notification to parents/families of attempted interventions, mitigation techniques, and possible consequences of further poor attendance.
Rewards based on good attendance or improved attendance. Includes, but not limited to, trips, awards, PBIS clubs, megabucks, homework passes, et al.
Send Attendance teacher to families and homes to help provide intervention services and strategies for families.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly attendance meeting conducted by Attendance team (AT, UC, PC, AP, Principal)
Data Team reviews data and makes recommendations

With real-time and up-to-date attendance data tracked by Insight, our school team can review the chronic absenteeism rate, students at risk of being chronically absent, grade-band attendance trends, district- and city-wide comparisons, and YOY attendance data trens.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/03/2025	06/26/2026	SLT provides input on school attendance and makes suggestions and recommendations for intervention strategies	School Leadership Team
09/03/2025	06/26/2026	Parent/Legal Guardian counseling sessions provided by PC or GC with avoidance intervention strategies at home.	Parent Coordinator and/or Guidance Counselor
09/05/2025	06/26/2026	Independent agency or partner-provided student engagement activities with focus on attendance	Community based Organizations (such as Harlem Magic Masters)
09/03/2025	06/26/2026	Ongoing individualized and family therapy sessions targeting school-avoidant behavior, anxiety, and other related mental health concerns.	Therapeutic Agency (ie, Office of Mental Health, Lifeline Center, etc) providing therapy and counseling

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Special Education Teachers, Guidance Counselors, Social Workers, Nurse, Unit Coordinator, Assistant Principals, Principal, Parent Coordinator, Paraprofessionals, third-party agencies and organizations.

Instructional Resources

Positive Behavior Intervention and Support

Schedule Adjustments

Time for Attendance Team to meet. Time for Data team to meet. Other schedule adjustments as necessary to accommodate trips, events, clubs, etc.

Other Resources Needed

Funds for activities designed to increase attendance and decrease chronic absenteeism.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
2024/2025-2025/2026 SESIS Quarterly Report, School based IEP Checklist, Progress Monitoring Report	Inconsistencies in time and Training for new staff	IEP Development and Fidelity of Implementation
School based Checklist	Transcience in program impacting Quality and Accuracy in program services	Transition Planning and Compliance

School based Checklist, SESIS Monthly report, bi-Weekly progress monitoring report	Inadequate tracking of interventions, progress monitoring, and family engagement can lead to non-compliance	Referral Process and Equity
School based Checklist, SESIS Monthly report, bi-Weekly progress monitoring report	inconsistencies in following procedural guidelines	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	95	By June 2026, 95% of students continuously enrolled in grades K through 12 in IEP-driven units will have their IEPs due dates and Progress Monitoring fully compliant as documented in SESIS Compliance Report, Progress monitoring report , School Generated IEP Checklist.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Sesis Compliance report, Progress monitoring report, School Generated IEP Checklist

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Share Goal with P23Q community
Bi-Weekly compliance monitoring with Special Education Coordinator

Root Cause Addressed:

Inconsistencies in time and Training for new staff. Inadequate tracking of interventions, progress monitoring, and family engagement can lead to non-compliance. inconsistencies in following procedural guidelines. inconsistencies in following procedural guidelines.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
09/04/25 -9/30/25 Share IEP CEP goal with P23Q school community and SLT
09/04/25 -9/30/25 Establish BOY Baseline data from SESIS data reports, progress monitoring report
09/04/25 -1/30/26 Teachers will update IEP status on school generated tracking Sheet monthly
09/04/25 -10/30/26 Data Team: Analyze BOY results of SESIS data, schoolwide checklist, progress monitoring report and report to Admin Team and IEP Coordinator
09/04/25 - 6/26/26 Ongoing review during Weekly compliance meeting with IEP Coordinator
09/04/25 - 6/26/26 Ongoing- Monthly Annual review Calendar due dates to Teachers, Coordinators, Admins across all sites by IEP coordinator
09/04/25 - 6/26/26 Coordinators provide updated rosters/changes to IEP Coordinator - ONGOING
09/04/25 - 6/26/26 Ongoing Implementation of PD series on best practices due to address pinpointed areas of noncompliance
P23Q staff utilize common planning periods and/or PLCs –discuss findings, current practices, implicated areas for improvement

09/04/25 - 6/26/26 Oversight, monitoring, analyzation, and review of ongoing SESIS data by Data Team to ensure compliance and meeting of goals.
09/04/25 - 6/26/26 Ongoing - Coordinate with D75 Office of IEPs for district support, teacher center

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Review of compliance dates
Periodic assessment (WEB ABLLS data, BOY, MOY, EOY screeners)
CEP goal data
Diagnostic assessment, screening assessment

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Translation and interpretation service	Office of Translation Services, IEP Team
09/04/2025	06/26/2026	Verbal and written communication during the development of the IEP	IEP team
09/04/2025	06/26/2026	Parent training and counseling	Parent Coordinator School based teams
		Ongoing Parent informational sessions;Parent Coordinator outreach	Parent Coordinator School based teams, Agency partners

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Teachers, Related Services Therapists, Parent Coordinator, Admin Team, IEP Coordinator, Special Education Coordinator, Counselor, Agency therapists

Instructional Resources

IEP guide, District Level PD, Monthly parent newsletters

Schedule Adjustments

Time scheduled for parent IEP meetings offering both virtual and in person meeting, Time for staff to attend external PD, Weekly PD, Weekly PLC

Other Resources Needed

Data team collection, analysis, and recommendations, SESIS

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
ELA - Tier 2 and Tier 3 intervention	NYSELAT test results for students in grades K-8 Fundations and Heggerty for students in K-2 IXL Diagnostic K-12 HMH K-5 Readtopia Regents results Classroom-level portfolio review Progress Notes/Report Card indicated	Based on needs of students: repeated readings, interactive writings, practice essays, vocabulary practice. Regents test prep books. Computer based tutorial programs. Academic Intervention Services (small group or 1:1)	Small group/one-to-one instruction. Extra help sessions. After school program.	During school After school	Yes
Math - Tier 2 and tier 3 Interventions	NYS MATH Test results for students in grades 3-8 Imagine Math Assessment grades 2-5 Attainment Assessment K-2 Acadience Assessments IXL Diagnostic results Regents results Classroom level portfolio review Progress Notes/Report Card indicated	Based on needs of students: Computer based tutorial programs. Peer to peer. Manipulatives, calculator training. Academic Intervention Services (small group or 1:1)	Small group/one to one instruction. Extra help sessions. After school program.	During school After school	Yes
Science - Tier 2 and Tier 3 interventions	Teacher assessments Regents Classroom level portfolio review	Based on needs of students: Computer based tutorial programs. Peer to peer. Science vocabulary prep books. Barrons practice regents books.	Small group/one to one instruction. Extra help sessions. After school program	During school After school	Yes

At-Risk services - Tier 3 intervention	Parent request and/or clinical request	One on one meeting.	One on one meeting.	During school After school	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
At-Risk services - Tier 3 intervention	Parent request and/or clinical request	One on one meeting.	One on one meeting.	During school After school	No
Tier 2 Intervention	Level 1 PBIS behavior	Positive Behavior and Intervention Support	Small group session Whole unit sessions	During school After School	No
Tier 2 Intervention	Programmatic	Group Dialectic Behavioral Therapy	Small group sessions	During school	No
Tier 3 Intervention	Programmatic	Individual Dialectic Behavioral Therapy	One on one sessions	During school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Parent workshop & training (in person and virtual)
Parent Coordinator contact (in person and virtual)
Backpack flyers
Phone calls to families
Parent engagement time for teachers and paras to contact families
Class dojo and remind app
Emails

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Progress reports
Parent teacher conference
Weekly parent outreach
Daily and weekly PBIS behavior sheet

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parent meetings to discuss interventions and supports that will benefit the student
Parent counseling and training (in person and virtual)
Provide written and verbal reports

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Based on STH report, 2024-2025, the percentage of students in Temporary Housing is between 4-6%. This is a slight increase of 10% in the student count from 2023-2024 to 2024-2025 SY, to approximately 45%.

Number of students in temporary housing who are:

Doubled up (with friends or relatives because they cannot find or afford housing): (20)
Living in a shelter or transitional shelter: (24)
Living in a hotel/motel: (s)
Living in a car, bus, or train: (s)
Living in a park or public place: (s)
Living in an abandoned building (s)

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

The data trends reflect a slight shift in the progression of students from 23/24 SY through 24/25 SY. The supports and services remain consistently increasing or decreasing between a 2% to 4% point range.

The following are support and services plan for students in temporary housing for the 2025–2026 school year:

Academic Support and Reading Intervention Services
Implement school-wide curriculum-based reading interventions focusing on phonics, phonemic awareness, fluency, and comprehension.
Mathematics Instruction that will utilize the identified math curriculum with additional use of IXL for targeted instruction during and after school.
Academic Intervention Programs AIS) to provide academic support during the school day and through after-school programs to address learning gap.

Conduct therapeutic outreach to students and families to identify therapeutic needs and connect them with appropriate services.
Ensure students have access to in-school services, remote learning resources, educational materials, and supports.
Ensure accessibility to college readiness programs, counseling, and support services accessible to all students in temporary housing.
Extend referrals to external services and provide families with information and referrals to external services based on identified needs.

Identify and provide necessary training and resources for school-based staff to effectively support students in temporary housing.
Explore and secure funding opportunities and additional resources to support program implementation.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The following will be areas of support for students in temporary housing for the SY 2025-2026

Academic Support
Provide reading intervention services using IXL and HMH with a focus on literacy i.e. phonics, phonemic awareness, fluency and comprehension to address literacy deficits.
Reinforcement of key mathematical skills through increased implementation of IXL targeted instruction during and after school opportunities to address students math deficits.
Support Implementation - Academic Intervention during the school day and after school programs to ensure there is no gap in the learning process.

Student & Family Engagement
Conduct outreach with students and families to address any therapeutic concerns and connection with appropriate services.
Develop in-house opportunities and ensure students have access to services within school, remote learning resources, materials and educational supports.
Provide college readiness programs, supports, and counseling to all students in temporary housing to be adequately prepared before transitioning into post-secondary opportunities.
Provide referrals and access to outside services and additional supports based on family needs.

Staff & Resource Development
Explore and access different funding and resources to ensure continuity of the supports.
Provide training and resources to school based staff to appropriately work with students.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Clinical and therapeutic supports (social workers, counselors, agency based therapists and clinicians)
Behavior Intervention Plan (BIP)
Crisis Intervention Support (TCIS trained staff-mental health therapist, school based Dean, school based behavior support system)
Parent Coordinator
PBIS (team planning and dissemination of information across all sites)
Academic Intervention Supports (AIS, IEP accommodations, Saturday programs, evening programs)
Credit recovery and Regents prep
Transportation support (rideshare)

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Team meetings (collaborative planning session with all agencies involved with the student)
Foster care networking with liaisons
Advocates coordinating meeting
Intensive Case Manager (ICM)
Weekly attendance meetings
Social worker provides external resources and services

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support

provided to this population?

We use it to increase and monitor school attendance
Abbreviated schedules are used to support students with emotional challenges (school avoidance)
Weekly attendance meeting to support students
Social worker provides external resources and services for targeted students

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Team meetings (collaborative planning session with all agencies involved with the student)
Foster care networking with liaisons
Advocates coordinating meeting
Intensive Case Manager (ICM)
Weekly attendance meetings
Social worker provides external resources and services

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between consistent parent engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P23Q, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged and empowered to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P23Q will support parents and family members of Title I students by:
- Providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology.
- Providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children
- Fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress using NYCSA and teacher communication
- Providing assistance to parents in understanding City, State and Federal standards and assessments during workshops
- Sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand
- Providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents, and other members of the school community
- Provide translation support for IEP meetings, workshops and school translated documents
- Connect families to external services and supports that will provide resources and in home support

Providing extended day programs on Saturday for instruction

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- Actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact.
- Engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills.
- Ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact.
- Support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills.
- Maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is

welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.

- Conduct parent monthly workshops with topics that may include: parenting skills including behavior and ADL skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home.
- Provide opportunities for parents to help them understand the accountability system (i.e., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report).
- Host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA.
- Schedule additional parent meetings (i.e., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program) and other initiatives of the Chancellor and allow parents to provide suggestions.
- Translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- Hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year.
- Encouraging meaningful parent participation on School Leadership Teams, Parent Association or Parent-Teacher Association) and Title I Parent Advisory Council.
- Supporting or hosting Family Day events/workshops both in person and virtual
- Creating a virtual Parent Resource Center/Area or lending library; instructional materials for parents.
- Encouraging more parents to become members of of the P23Q Community.
- Providing written and verbal progress reports that are scheduled and distributed to keep parents informed of their children's progress.
- Developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress.
- Daily/ Weekly written communication between teacher and the home in a format (digital or written), and to the extent practicable in the languages that parents can understand.
- Communicate D75 workshops, events and available resources
- Utilize digital platforms/ email to communicate and notify parents of events, upcoming activities, workshops and important school information
- Support parents with NYC school account information.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P23Q, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this School-Parent Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve state standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- Using academic instruction time efficiently. Literacy blocks are programmed to support instruction
- Respecting cultural, racial and ethnic differences with culturally responsive education
- Implementing a curriculum aligned to the State Learning Standards.
- Offering high quality instruction in all content areas.
- Providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA).
- Supporting families/ students with social emotional supports

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- Conducting parent-teacher conferences during which the individual child's achievement will be discussed as well as how this Compact is related.
- Convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved.

  Saturday Famiy Engagement with students and families
- Arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting.
- Respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education.
- Providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand.
- Involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact.
- Providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information.
- Ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year.
- Supplying parents with student assessment information and account details to support home connection with academics.

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:

- Ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents.
- Notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member.
- Arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities.
- Planning activities for parents during the school year, e.g., Parent-Teacher Conferences; workshop, family day, wellness workshops.
- Communicate D75 workshops, events and available resources via email and sent home with students.

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:

- Creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians.
- Assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend).
- Sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community.
- Supporting parental involvement activities as requested by parents and family members.
- Ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy.
- Advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs.

II. Parent/Guardian Responsibilities

- Monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent.
- Ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age.
- Check and assist my child in completing homework tasks.
- Read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes).
- Set limits to the amount of time my child watches television or plays video games.
- Promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time.
- Encourage my child to follow school rules and regulations and discuss this compact with my child.
- Volunteer in my child's school or assist from my home as time permits.
- Participate, as appropriate, in the decisions relating to my child's education.
- Communicate with my child's teacher about educational needs and stay informed about their education by prompting reading, and responding to all notices received from the school or district.
- Respond to surveys, feedback forms and notices when requested.
- Become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this compact.

- Participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching, and learning strategies whenever possible;
- Take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams.
- Share responsibility for the improved academic achievement of my child.
  Complete tasks on instructional apps such as IXL

III. Student Responsibilities

- Attend school regularly and arrive on time.
- Complete homework and submit all assignments on time.
- Follow the school rules and be responsible for my actions.
- Participate positively in school-wide behavior program.
- Show respect for myself, other people and property.
- Try to resolve disagreements or conflicts peacefully.
- Always try my best to learn.
- Participate in school wide curricular programs

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Dr. Jude A. Arthur
Assistant Principal (Where Applicable)*	Melissa Tart
English as a New Language (ENL) Teacher*	Jurizz Tabanera
Teacher (if school has a bilingual program must be a bilingual teacher)*	Danery Arias
Parent/Guardian*	Gloria Marin
Teacher	Yvette Vernon
Parent Coordinator	Mahamanie Singh
School Counselor	Sara Romanello
Related-Service Provider	Youie Min
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

2

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

2

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

1

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

460

Total number and percentage (%) of current ELLs:

93 20.2%

Total number and percentage (%) of former ELLs:

6 1.3%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

75 80.6%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

7 7.5%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

11 11.8%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1 1.1%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

87 93.5%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Special Class	Spanish	2024	0	1	0	0	0	0	0	0	0	0	0	0	0	1
DLBE	Special Class	Spanish	2025	0	0	2	0	0	0		0	0	0	0	0	0	2
DLBE																	0
				total: 0	total: 1	total: 2	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Students are grouped in special classes (6:1:1, 8:1:1, 12:1:1). Stand-alone ENL instruction takes place in small, heterogeneous groups. The ENL teacher pulls students out of their special classes to a separate location to provide stand-alone instruction for students at the Entering and Emerging levels.

Integrated ENL:

Integrated ENL instruction is provided by a certified ENL teacher who co-teaches with a special education teacher. Students are placed in special classes based on their age range and the student-to-staff ratio recommendation on their IEP (6:1:1, 8:1:1, 12:1:1). The itinerant ENL teacher travels between classrooms to provide integrated ENL during ELA when possible, or any other core content area.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

We have two one-way DLBE classes. All the students in the class are Spanish-speaking ELLs, some of whom have a bilingual special education recommendation on their IEP. Both classes have a student-to-staff ratio of 8:1:1. Proficiency levels are heterogeneous, however the majority of the students are at the Entering and Emerging levels. A special education teacher with a bilingual extension provides all core content instruction in both English and Spanish, as well as ENL. Integrated and stand-alone ENL are both built into the literacy block of the schedule.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The ENL teacher and the Dual Language Bilingual Education (DLBE) teacher collaborate with a District 75 Coach to review weekly schedules and ensure compliance with CR Part 154. The school strategically groups students to maximize group sizes and use instructional time effectively. As P23Q continues to grow and the number of registered ELLs increases, for the 2025-26 school year we have hired an additional ENL teacher and an additional BSE teacher, showing our commitment to provide ELLs with the services and support needed for them to succeed.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In monolingual classes, special education teachers provides English Language Arts (ELA) instruction. Integrated ENL is provided by the special education teacher and the ENL teacher collaboratively, and stand-alone ENL is provided by the ENL teacher.

In our DLBE classes, the bilingual special education teacher provides ELA, ENL and HLA daily as part of the three-period literacy block.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our DLBE program is a one-way program--all the students in the class are Spanish-speaking ELLs, although at various levels of proficiency. The majority of the day is spent with each other as the classes are 8:1:1 special classes. However, during breakfast, lunch, recess and dismissal, students are integrated with non-ELLs.

b. In which language(s) is each core content area taught?

English and Spanish

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

At P23Q, we ensure ELLs receive the mandated instructional minutes per CR Part 154, based on their proficiency level and program model. Our ENL and Dual Language Bilingual Education (DLBE) programs meet or exceed requirements, tailoring instruction to each student's language level, IEP classification, and learning environment.

Newcomers (80.6%) receive intensive small-group instruction in foundational English, while developing (7.5%) and long-term ELLs (11.8%) receive targeted support to strengthen academic language. In our 8:1:1 DLBE class, instruction is delivered 50% in Spanish and 50% in English to support both content and language growth.

ENL teachers and classroom staff collaborate to plan and track instructional time in alignment with students' IEPs. We utilize scaffolded lessons, multisensory tools, assistive technology, PECS, and AAC devices to ensure equitable access to language instruction for all English Language Learners (ELLs).

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

At P23Q, we support 1.1% of ELLs identified as SIFE with personalized instruction that meets their academic and social-emotional needs. We assess literacy and math skills upon entry and provide intensive, paced instruction using visuals, hands-on activities, and real-world connections. Language support emphasizes fundamental concepts, vocabulary, and routines, while peer modeling and social-emotional learning (SEL) strategies help students adjust. All services align with IEPs and English proficiency levels.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

At P23Q, we tailor our instruction for 11.8% Long-Term English Language Learners (ELLs) differently than for Developing ELLs. Long-Term ELLs, who often have conversational fluency, need focused support in reading comprehension, writing, and academic vocabulary. Their instruction emphasizes academic language, higher-order thinking, and addressing specific language gaps.

In contrast, developing English language learners (ELLs) receive foundational English instruction to build fluency and everyday language skills. Long-term English Language Learners (ELLs) engage in enriched tasks, such as structured writing and text analysis, benefiting from strategies like sentence frames and collaborative discussions to enhance their academic English skills. All instruction is customized to align with students' Individualized Education Program (IEP) goals and language levels.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

At P23Q, we continue to support the 1.3% of students who are former English Language Learners (ELLs) by providing them with small-group instruction and engaging them in project-based learning. Additionally, the ENL teachers continue to collaborate with their special education teachers to monitor their progress and provide additional support if/when needed.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

At P23Q, 97.8% of English Language Learners (ELLs) are not fully enrolled in English as a New Language (ENL) services within the STARS system. Newcomers (0-3 Years of ELL Service) at 80.6%. Overaged and Under Credited ELLs (HS only) at 15.1%, and Two Years in High School with Less than 20 Credits at 6.5%. This is largely due to the unique complexities of the District 75 model, including multi-site operations and a limited number of itinerant ENL staff. These factors present ongoing challenges in scheduling and delivering ENL services consistently across all sites.

In response, we have hired an additional ENL teacher and opened a second DLBE class, hopefully allowing for more students to receive their mandated number of minutes. Additionally, classroom teachers play a vital role in supporting ELLs by incorporating vocabulary development, visual aids, and scaffolded strategies into daily instruction. Through close collaboration with ENL staff, they help reinforce language skills, ensuring students continue progressing in their English language development, even when formal ENL instruction is not always available as intended.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

At P23Q, data reveal that 33.3% of former English Language Learners (ELLs) were not accurately categorized for English Language Proficiency (ENL) services in STARS. Additionally, 33.3% scored at Level 1 or 2 on recent state assessments, while another 33.3% have demonstrated persistent low performance over the past two years, indicating continued academic difficulties. Currently, 16.7% of our students are in temporary housing, a factor that can disrupt their educational consistency.

To better support our former English Language Learners (ELLs), we are working to improve the accuracy of language service tracking and ensure continued academic support beyond their exit from English Language Learner (ELL) programs. We build strong partnerships with community organizations that help students with housing challenges. We provide targeted instruction, personalized learning, and regular progress assessments to support all learners and ensure academic growth.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

At our school, the most prevalent home languages spoken by English Language Learners (ELLs) are Spanish, followed by Chinese (in any dialect), Bangla, Arabic, and Russian. To facilitate communication and learning, we employ bilingual staff and paraprofessionals, utilize interpreters, and access Department of Education (DOE) translation services, ensuring that families have language accessibility.

English as a New Language (ENL) instruction is seamlessly integrated into classroom activities to support both language development and academic achievement. We offer multicultural and multilingual resources that reflect and celebrate the diverse cultural and linguistic backgrounds of our students.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classifications of English Language Learners (ELLs) at our school represent a rich tapestry of diversity, including Latinx, Asian (primarily Chinese and Bangladeshi), Middle Eastern, and Eastern European backgrounds. We implement Culturally Responsive and Sustaining Education (CR-SE) by weaving students' cultures, languages, and lived experiences into our curriculum planning and instructional strategies.

ELLs are supported through inclusive classroom practices, the use of multilingual and culturally relevant materials, and active collaboration with families and community members. Our instructional approach emphasizes student voice, affirms identities, and cultivates a learning environment where diversity is recognized as a valuable asset.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient

progress?

A review of English Language Proficiency (ELP) growth data for the Spring 2024 NYSESLAT reveals that 72.7% of students did not make sufficient progress, while 18.2% met the progress required to exit ELL status, 9% met their annual progress targets, and 0% meet the Safe Harbor cumulative growth benchmark. It should be noted, however, that this represents a small portion of the ELLs in P23Q, as 50 of our 93 ELLs did not have a NYSESLAT history due to the fact that they were in kindergarten.

As P23Q continues to grow, these data trends will be monitored to identify areas of need to strengthen language development support across instructional settings. We will increase push-in ENL support within core content areas, embed language objectives into daily instruction, and utilize formative assessments, such as Amira and Acadience, to actively monitor student progress.

We provide targeted professional development in scaffolding strategies and culturally responsive instruction to equip teachers with the tools to support English Language Learners (ELLs) more effectively. We also prioritize small-group instruction and extended learning opportunities for students performing below benchmarks to accelerate language acquisition and ensure all students meet their ELP goals.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

An analysis of NYSESLAT results shows that English Language Learners (ELLs) consistently demonstrate strong performance in the speaking domain across all grade levels, supporting their overall language development and classroom engagement. However, students in grades 9–12 continue to face challenges in listening, reading, and speaking, particularly with comprehending complex texts, following detailed instructions, and expressing ideas clearly using academic language.

To address these needs, the school is implementing a targeted writing program focused on essay structure, grammar, vocabulary development, and genre-specific writing. Students will receive scaffolded instruction, personalized feedback, and opportunities for peer review to strengthen their writing fluency and confidence. These supports aim to develop students into more proficient writers and effective communicators—critical skills for success on the NYSESLAT, other content-area assessments, and postsecondary goals.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Students' NYSESLAT levels closely reflect their performance on state assessments. In ELA, the Transitioning student scored 50% at Level 1, indicating literacy challenges, while the Emerging and Commanding students scored 100% at Levels 1 and 2. In Math, performance was uniformly strong: the Transitioning student scored 100% at Level 1, both Emerging students 100% at Level 2, and the Commanding student 100% at Level 3. This shows stronger achievement in Math than ELA and suggests that higher NYSESLAT levels align with meeting or exceeding expectations across subjects, while Transitioning students need focused literacy support.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Analysis of NYSESLAT results in the April 2025 EDAT shows that most tested students were in elementary grades, where ELLs with IEPs and the small subgroup of SIFE students demonstrate stronger performance in listening and speaking than in reading and writing.

These students often remain at the Emerging or Transitioning levels, reflecting slower language acquisition tied to cognitive disabilities (for ELLs with IEPs) and limited prior schooling (for SIFE). Writing is a persistent challenge due to difficulties with organization, grammar, and academic vocabulary.

To address these gaps, the school is implementing a targeted writing program with scaffolded lessons, peer review, and individualized feedback. Strengthening literacy skills at the foundational level is essential not only for NYSESLAT growth but also for long-term success on ELA, Math, and Regents assessments.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

Five (5) students are on tract towards graduation.

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

Seven (7) of our students from 9th grade have post-secondary plans in SESIS.

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

To ensure that English Language Learners (ELLs) at risk of not graduating within four years succeed, we adopt a transparent and multifaceted approach. We implement intensive English Language Development (ELD) programs, provide targeted academic support, and create individualized learning plans tailored to each student's needs.

Our strategy encompasses culturally responsive instruction, mentoring, counseling, and initiatives promoting college and career readiness. We prioritize progress monitoring, data-driven interventions, and strong family and community engagement to keep students on track for success.

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

To support students at risk of not graduating in four years, we implement individualized academic plans, targeted instruction, and extended learning opportunities like tutoring and summer programs. Our mentoring and counseling enhance engagement and address social-emotional needs, while college and career readiness initiatives provide real-world relevance. We actively monitor data for timely interventions and strengthen family and community partnerships to keep students focused on their graduation goals.

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At P23Q, we provide English Language Learners (ELLs) with a high-quality academic experience rooted in research-based practices, including HMH resources aligned with the Science of Reading. Instruction is scaffolded to break down complex concepts while building both language and content knowledge.

We use multisensory strategies—visual, auditory, and kinesthetic—to engage learners and support retention. Literacy development follows a logical progression, helping students connect and apply their learning. Tailored supports and ongoing teacher training ensure instruction meets diverse needs. Our goal is to create an inclusive and rigorous environment where English Language Learners (ELLs) thrive academically and linguistically.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our school's leadership team ensures that English Language Learners (ELLs) have full access to core instruction by working closely with curriculum coordinators and instructional coaches to align teaching with state standards and the needs of ELLs. They review materials to identify language demands and support necessary adaptations using culturally responsive resources, differentiated instruction, and multimodal strategies that build reading, writing, speaking, and listening skills.

Leadership promotes integrated language development across all subjects and supports teacher collaboration through planning time, access to assessment materials, and targeted professional development. They also prioritize resource allocation, ongoing instructional support, and strong family and community engagement. Through these efforts, the leadership team ensures that English Language Learners (ELLs) receive equitable, rigorous instruction that supports their academic growth and language development.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

In monolingual classes, core content is delivered in English with scaffolded lessons, visual supports, explicit vocabulary instruction, and small-group learning to integrate language development with academic content and meet the Next Generation Learning Standards (NGLS). In co-taught settings, ENL and special education teachers provide differentiated instruction and consistent language support, guided by formative and summative assessments.

In Dual Language Bilingual Education (DLBE), instruction occurs in English and Spanish to promote bilingualism and biliteracy. Using HMH Arriba, students develop Spanish foundational literacy through phonics, guided reading, and structured writing. Lessons incorporate targeted vocabulary, and aligned language objectives to ensure rigorous content learning while meeting the Next Generation Learning Standards in both languages.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

ENL teachers employ a range of instructional strategies and materials to support ELLs, including those with IEPs, in accessing grade-level content and accelerating English language development. These include visuals, graphic organizers, and explicit teaching of language structures, vocabulary, and academic language functions.

Curriculum and instruction are adapted to meet individual needs through accommodations and modifications outlined in Individualized Education Programs (IEPs). Teachers incorporate adaptive technology, language learning apps, and educational games to engage students and reinforce learning. Differentiated approaches ensure that all English Language Learners (ELLs) receive the targeted support necessary for academic and language success.

b. SIFE

Teachers provide intentional instruction that supports literacy growth, academic development, and English language acquisition. To aid comprehension, they incorporate culturally relevant resources along with visual supports and graphic organizers.

Additionally, technology tools and extended learning opportunities are employed to address gaps caused by interrupted schooling and to expedite progress toward achieving grade-level standards.

c. Newcomers

To support newcomers, our special education and English as a New Language (ENL) teachers create inclusive classrooms that provide access to grade-level content while promoting English language development. Strategies such as Total Physical Response (TPR), visuals, graphic organizers, and hands-on, real-world activities help build understanding and engagement. Teachers model language, offer guided practice, and encourage the use of new vocabulary in meaningful contexts.

Content is adapted using simplified language, condensed texts, and visual supports to meet students' language needs. We also integrate technology, including digital platforms with translation tools, text-to-speech features, interactive activities, and language learning apps designed to support newcomers' progress.

d. Long Term ELLs

To support long-term English Language Learners (ELLs) in both language acquisition and mastery of grade-level content, educators embed targeted language instruction within core curricula. They break down complex assignments, incorporate visual resources, modify texts for clarity, and offer scaffolds such as sentence frames to promote comprehension and effective communication. Culturally relevant materials and student backgrounds are incorporated to enhance engagement and relevance. Technology tools—including digital platforms, language apps, and personalized learning resources—help reinforce content and language skills. Flexible grouping, peer collaboration, and targeted supports further ensure that long-term English language learners (ELLs) receive meaningful instruction aligned with their needs and goals.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Our school is dedicated to supporting ELLs with IEPs by providing individualized instruction that addresses both their academic and language development needs. Special education and English as a New Language (ENL) teachers collaborate to design tailored programs using varied instructional strategies that are aligned with each student's strengths and challenges. Materials and activities are adapted to promote success within the least restrictive environment.

We offer ongoing professional development for staff to effectively meet diverse learner needs and actively involve families to foster partnership and inclusion. Student progress is regularly monitored to ensure appropriate supports are in place for achieving IEP goals and English proficiency.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

At P23Q, we assess home language across all program models (DLBE and ENL) through a comprehensive approach. In Dual Language (DLBE) and Transitional Bilingual (TBE) programs, students' home language is supported and assessed in different ways. Teachers use tools from the HMH ¡Arriba la Lectura! program—like unit checkpoints and tasks in Spanish—as well as their own assessments, such as speaking activities, writing samples, and classroom observations. In the English as a New Language (ENL) program, English is the main focus, but teachers may still use the student's home language informally to help them understand lessons and show what they know.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

For grades 6–12, we offer Spanish and French as language electives designed to support multilingual learners (MLs) and English language learners (ELLs). MLs/ELLs can now earn up to 2 credits toward fulfilling the New York City (NYC) Languages Other Than English (LOTE) requirement. All high school students are expected to complete these 2 LOTE credits unless they are exempt through their Individualized Education Program (IEP).

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

At our school, special education and ENL teachers work closely together through a co-teaching model. They meet twice a week—Tuesdays for Professional Learning Community (PLC) meetings to review data and strategies, and Thursdays for Common Planning to align lessons and support all students, including English Language Learners (ELLs). Besides these meetings, teachers collaborate informally throughout the day in conversations and emails.

Open communication helps teachers track student progress, share successful strategies, solve problems, and adjust teaching to meet the needs of all ELL program models.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our school is committed to providing ongoing in-house PDs by the ENL teacher which is data-driven professional development to address the academic and social-emotional needs of multilingual learners (MLs) and English language learners (ELLs). All staff, ranging from administrators and teachers to support personnel, participate in targeted training that emphasizes co-teaching, the integration of language with content, and the use of effective strategies for multilingual students (MLs) and English language learners (ELLs). These sessions are thoughtfully designed based on student data, feedback, and classroom observations to ensure their relevance and effectiveness.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

To meet the CTLE ELL-specific requirements outlined in CR Part 154, our school has established a comprehensive professional development plan provided by the District for all certified staff. We assess faculty needs through surveys, data analysis, and stakeholder feedback to inform our goal-setting process. This allows us to ensure that 15% of the total CTLE hours for certified staff—and 50% for ENL/bilingual teachers—are dedicated to topics pertinent to English Language Learners (ELL).

Our professional learning initiatives focus on strategies for co-teaching, culturally responsive instruction, language development, and data-driven practices. We routinely evaluate the effectiveness of our training on both student outcomes and classroom instruction to ensure compliance with certification renewal requirements and to promote the success of ELL students.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

To guide instructional planning for ELLs, our school uses a variety of screening assessments that target both language development and academic skills:

Amira - Assesses phonological processing, letter and alphabet knowledge, word reading, and oral fluency; Supports early literacy and foundational reading skills

IXL - Offers individualized screening and practice in ELA; Targets specific skill gaps and can be used at home for additional support

NWEA MAP Growth - Identifies areas of academic growth and need in reading; Provides actionable data for targeted instruction and intervention

Acadience Reading - Diagnoses foundational reading deficits; Monitors progress in early literacy development

Web ABLLS-R (Assessment of Basic Language and Learning Skills – Revised) - Identifies gaps in language, academic, self-help, and motor skills; Supports instructional planning for ELLs with more complex or specialized needs

These assessments help ensure that instruction is personalized and responsive to the diverse needs of all English Language Learners (ELLs).

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

We provide targeted intervention programs for English Language Learners (ELLs) across ELA, Math, and other core subjects, tailored to specific subgroups.

Foundational language and communication skills, including support for English Language Learners (ELLs) with autism, are addressed using Web ABLLS-R and Amira for phonological and reading skills. Reading interventions are guided by Acadience, NYSITELL, NYSESLAT, and Spanish Lab assessments to monitor language proficiency and progress.

Math support includes personalized practice through IXL Math, supplemented with visual aids and manipulatives to enhance learning and understanding. We also utilize NWEA MAP Growth assessments to identify skill gaps and tailor instruction.

Social stories and visual schedules provide additional support for comprehension and engagement. Intervention services are primarily delivered in English, with language supports as needed.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school utilizes a data-driven approach within a Multi-Tiered System of Supports (MTSS) to effectively guide instruction for English Language Learners (ELLs). We systematically collect and analyze language proficiency assessments, academic performance data, and progress monitoring results to identify student needs and tailor interventions accordingly. Collaborative efforts among educators ensure timely adjustments to instruction based on the insights gained from this data. Guided by the Instructional Leadership Tool and the MTSS Guide for Multilingual Learners (MLs) and ELLs, we implement tiered supports that foster both language development and academic achievement across all grade levels.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

- IXL comprehensive K-12 curriculum, individualized guidance, and real-time analytics
- Fountas & Pinnell early literacy for grades K-3rd
- Open Court Reading program grades K-5th
- NYC Performance Tasks
- GoMath grades K-8th

- SANDI and FAST
- Teacher-created assessments, quizzes, exams, checklists, student portfolios
- Exit ticket
- Running record
- Amira
-Web ABLLS
-Acadience
-HMH

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Our school is committed to equitable evaluation of multilingual learners (MLs) and English Language Learners (ELLs) in their home languages through a culturally responsive approach. We assess language skills in both English and students' home languages using tests, interviews, and evaluations conducted by trained bilingual staff, ensuring materials are culturally relevant and engaging.

Accommodations outlined in Individualized Education Programs (IEPs) and English Language Development (ELD) plans—such as extended time and bilingual dictionaries—are provided to ensure fair access to assessment. Assessment materials and communications are also translated for clarity and accessibility.

We continuously monitor assessment data to inform instruction and refine practices, promoting equity and effectiveness throughout the year.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

At P23Q, we use a range of summative assessments to evaluate the effectiveness of our programs for Multilingual Learners (MLs) and English Language Learners (ELLs), including:

State and local standardized exams (e.g., NYSESLAT, ELA, Math, Regents)

Curriculum-based assessments (e.g., Into Literature, GoMath, IXL, Amira)

Teacher-created assessments (e.g., end-of-unit tests, final projects, portfolios)

Diagnostic tools (e.g., Web ABLLS)

We analyze assessment data using tools such as the ELL Data Analysis Tool to effectively monitor student growth in academic content and English language proficiency. The insights gained from this analysis drive our instructional design, dictate necessary curriculum adjustments, and shape targeted interventions, including after-school credit recovery programs. This data-driven approach guarantees that our instructional practices are precisely aligned with the evolving needs of our English Language Learners (ELLs).

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our NYSESLAT administration plan ensures that all English Language Learners (ELLs) and former ELLs are tested annually while continuing to receive required instruction. Certified English as a New Language (ENL) teachers, trained in NYSESLAT procedures, administer and score the assessments following state guidelines.

We implement a flexible testing schedule to accommodate the diverse needs of our students, including those requiring special accommodations, and maintain clear communication with families. Given the frequent admissions and discharges across our sites, we regularly review ATS admission and discharge reports and consult SESIS for testing accommodations to ensure no student is overlooked.

This systematic approach enables us to track all eligible students, streamline the testing process, and provide continuous mandated instruction and support throughout the testing period.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

P23Q is committed to ensuring that both current and former English Language Learners (ELLs) receive appropriate accommodations during state assessments, including the Specialized High School Admissions Test (SHSAT) when applicable. P23Q's Testing Coordinator ensures to identify students requiring accommodations through careful review of their academic and language proficiency data.

Collaboration between ENL and Special Education staff ensures that accommodations are tailored to meet the unique needs of ELLs, including those with disabilities. Additionally, we recognize that former ELLs transitioning out of language support programs may still need accommodations based on their ongoing language proficiency. The effectiveness of provided accommodations is regularly monitored and adjusted to support student success.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Our school provides an ELL Program Orientation for families of newly identified English Language Learners (ELLs), in line with CR Part 154. We inform families about the three ELL program models: English as a New Language (ENL), Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE), outlining their goals, requirements, and contributions to language and academic development.

To ensure effective communication, we offer interpretation and translation services, as well as provide materials in multiple languages. Families receive notifications in their preferred language via emails, letters, and phone calls, and orientations are scheduled at flexible times to accommodate cultural and religious observances.

During the session, we discuss the Next Generation Learning Standards, required assessments, and school expectations for English Language Learners (ELLs), emphasizing the importance of both the English as a New Language (ENL) and Dual Language Bilingual Education (DLBE) programs.

We maintain documentation, including sign-in sheets and follow-up communications, and check in with families afterward to address any questions and offer ongoing support.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Our school organizes annual individual meetings with families of English Language Learners (ELLs), distinct from the ELL orientation and parent-teacher conferences, as mandated by CR Part 154. These meetings are centered on program goals, students' English language development, assessment results, and academic needs.

Families receive invitations in their preferred language, accompanied by the meeting agenda. Translation and interpretation services are provided as necessary. During the meeting, we review the student's English proficiency, discuss test results, and identify areas requiring support.

All meetings are documented, including attendance and communication records, and we actively seek parent feedback to enhance the process. These meetings are crucial to our commitment to fostering the language and academic growth of ELLs.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Our school ensures all families receive important communications—such as notices, newsletters, and forms—in their preferred language. We identify this language during enrollment through the Home Language Identification Survey and blue cards, and use professional translation services or bilingual staff to provide accurate translations.

Families can communicate with us in their preferred language via email, phone, or in-person meetings. We offer interpretation support, Pocket talks Interpretation System, and have staff available to assist. We regularly check in and gather feedback to improve language access.

Our goal is to ensure families stay informed and feel comfortable communicating with us, regardless of the language they speak.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our school supports and empowers Multilingual Learner (ML)/English Language Learner (ELL) families through collaborative, culturally responsive activities. We assess community needs through surveys, meetings, and direct feedback from families, staff, and community partners.

Based on these insights, we offer workshops on navigating the school system, supporting learning at home, and advocating for students. We also host events such as orientation nights, Multicultural Day, and holiday celebrations to foster community and cultural pride.

We connect families through peer support networks and mentorship opportunities, and we continuously gather feedback to improve our outreach and ensure families feel informed, welcomed, and empowered.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

P23Q actively informs multilingual (ML) and English Language Learner (ELL) families about leadership opportunities, including the Parent Association (PA), School Leadership Team (SLT), and Community Education Council (CEC), through multilingual outreach and school events.

We utilize culturally relevant materials and collaborate with community organizations to promote engagement, providing follow-up support to families interested in participating. These initiatives empower ML/ELL families to take an active role in school leadership and decision-making.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

At P23Q, we maintain culturally and linguistically responsive partnerships to meet the diverse needs of our school community. We collaborate with community-based organizations to offer language classes, immigration support, mental health services, tutoring, and after-school programs for ML/ELL students.

P23Q partners with language access providers to support communication with families who do not speak English. We collaborate with parent advisory groups and professional development organizations to enhance cultural competence among our staff. Partnerships with local businesses and colleges further support career exploration and college readiness.

Below is a list of CBOs our school partners:
Acces-VR- (NYS Education Department Adult Career and Continuing Education Services-Vocational Rehabilitation)
Queens TCAC - Queens Transition and College Access Center, Division of Inclusive and Accessible Learning (DIAL)
The Child Center of NY, Job Net Youth Vocational Program
Include NYC
Nassau Boces
Adolescent Skills Center
NYCDOE District 79
CUNY- City of New York University
CIDNY - Center For Independence of the Disabled
Harlem Magic Masters
Ajna Dance Company
Cipher Group
Scaramouches Latino Puppet Theater
A Total Jump-bounce houses
LGBT Network
ACS-Safety First Unit, NYC Administration for Children's Services
ACS -Preventative Services Unit, NYC Administration for Children's Services
ACS- Developmental Disabilities Unit, Office of Child and Family Health, NYC Administration for Children's Services

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

P23Q is committed to providing high-quality, equitable support for all English Language Learners (ELLs), including new, current, and former students. Upon enrollment, families complete the Home Language Identification Survey (HLIS), and eligible students are assessed using the NYSITELL to determine their English language proficiency and to determine the appropriate program placement.

For the 2025–2026 school year, approximately 98% of eligible English Language Learners (ELLs) will receive English as a New Language (ENL) instruction from certified teachers, tailored to their proficiency levels. We offer both stand-alone and integrated models, ensuring collaboration between ENL and classroom teachers. Former English Language Learners (ELLs) are monitored for two years after exiting the program, with support provided as needed. P23Q also values strong partnerships with families. We conduct multilingual orientations to explain ELL services and offer family workshops throughout the year, focusing on language development and academic support.

We make communication accessible with DOE translation services, trained interpreters, and bilingual staff. We actively seek feedback from families through surveys and discussions. By maintaining high educational standards while fostering inclusion and collaboration, P23Q ensures every Multilingual Learner (ML) receives the support they need to thrive academically and socially.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Principal
Assistant Principals
Unit Coordinators
ENL Teachers
Dual Language Bilingual Education Teachers
Pupil Secretary

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

At P23Q, we maintain a proactive, year-round system to ensure ELL identification never interrupts mandated ENL or bilingual instruction. Unit Coordinators, Bilingual Teachers, the Pupil Secretary, and Assistant Principals are trained to conduct intake and administer the HLIS, while Unit Coordinators and trained classroom teachers can also administer the NYSITELL. A posted schedule ensures staff availability at all times. Current ELLs receive uninterrupted instruction, and former ELLs are monitored for two years to support ongoing success.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Nerona	Lilly-Warner	Special Ed Assistant Principal 12 Month	02/13/2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school,Part III of the Home Language Identification Survey (HLIS)

If Other was selected, describe the resource here:

N/A

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	6	1.02%	6	1.02%	3	3

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Enrollment and Registration forms (ie Emergency contact form, Immunization)	OLA's Language Translation service DOE Messaging service Class Dojo texting services Remind texting services If preferred language is outside of OLA's scope of services or capacity, P23Q will use trusted translation tools outside OLA, seek professional language support from the community, and follow up with families to ensure clear communication.
Home Language Identification Survey (HLIS)	HLIS Translated forms OLA's Language Translation service DOE Messaging service Class Dojo texting services Remind texting services If preferred language is outside of OLA's scope of services or capacity, P23Q will use trusted translation tools outside OLA, seek professional language support from the community, and follow up with families to ensure clear communication.
Individualized Education Program documents	OLA's Language Translation service DOE Messaging service
Parent Workshop flyers	OLA's Language Translation service DOE Messaging service Class Dojo texting services Remind texting services Hard copy documentation If preferred language is outside of OLA's scope of services or capacity, P23Q will use trusted translation tools outside OLA, seek professional language support from the community, and follow up with families to ensure clear communication.
Fieldtrip	OLA's Language Translation service DOE Messaging service Class Dojo texting services Remind

permission forms	texting services Hard copy documentation If preferred language is outside of OLA's scope of services or capacity, P23Q will use trusted translation tools outside OLA, seek professional language support from the community, and follow up with families to ensure clear communication.
After-school Programs (ie Saturday Academy) permission forms	OLA's Language Translation service DOE Messaging service Class Dojo texting services Remind texting services Hard copy documentation If preferred language is outside of OLA's scope of services or capacity, P23Q will use trusted translation tools outside OLA, seek professional language support from the community, and follow up with families to ensure clear communication.
Monthly Newsletters	OLA's Language Translation service DOE Messaging service Class Dojo texting services Remind texting services Hard copy documentation If preferred language is outside of OLA's scope of services or capacity, P23Q will use trusted translation tools outside OLA or seek professional language support from the community.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Our school makes it a priority to communicate clearly and quickly with families who speak languages other than English, especially during emergencies. We use school messaging apps and automated robo-calls with translation features to send alerts by text, phone, and email in each family's preferred language. In urgent situations like lockdowns, medical emergencies, or attendance issues—these tools help us get important information to families right away.

We also use over-the-phone interpretation services and rely on our bilingual staff to provide immediate support when parents call or need to speak with school personnel. This ensures families can ask questions, share concerns, or get guidance in their preferred language without any delays. Parents are always welcome to reach out, and our staff connects them quickly with interpreters for clear communication.

To make sure all families can fully participate in school life, we proactively translate key documents, forms, and notices so everyone has access to important information.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

To ensure all staff complete the required NYCPS Language Access Training on WeLearnNYC, our school will use a tracking system managed by the principal or designee, with clear deadlines and reminders via email and staff meetings. Administrators will monitor progress and follow up as needed.

Staff will review the Best Practices for Translation and Interpretation during meetings and professional development, with digital copies shared via email and stored in a shared drive.

The Galaxy-designated Language Access Coordinator (LAC) will lead language access efforts, sharing updates through email, newsletters, and meetings, maintaining accessible resources, and providing staff support as needed.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

We provide the Language Access for NYC Public Schools Families brochure, visible posted signage along with translated materials such as parent letters, DOE messaging service, Class Dojo, enrollment consultation, family conferences, and other important events.

Our services are also promoted at parent engagement events, such as PTA meetings and international family nights, where interpreters are present. Additionally, we utilize messaging applications such as Remind to deliver multilingual updates about language access services, ensuring that all families are aware of their rights and the support available to them.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

To ensure ongoing input from parents about our language assistance services, our school will implement several methods in addition to OLA's Translation & Interpretation Feedback Survey.

These include, multilingual parent focus groups, surveys in multiple languages, anonymous feedback boxes at school events, informal check-ins by bilingual staff, and discussions through parent advisory councils.

We'll also use digital communication channels, such as our website and apps, to gather feedback in families' preferred languages. Additionally, the Home Language Identification Survey completed at enrollment helps us identify language needs early. Together, these strategies support continuous improvement and ensure all families have a voice.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

To improve our language assistance services, our school responded to feedback—especially from OLA's Translation & Interpretation Feedback Survey—by streamlining interpreter request processes, training staff on accessing language support, and increasing bilingual staff presence at events. In the upcoming year, we'll expand the use of multilingual platforms like ClassDojo and Remind, offer staff training on cultural responsiveness, and launch a mid-year survey to assess service effectiveness. These efforts reflect our ongoing commitment to clear, inclusive communication with all families.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

NOT conceptually consolidated (must complete part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Total number of ELLs to be served in this program:

38

Grades to be served in this program. Select all that apply.

,1,2,3,4,5,K

Total number of teachers in this program:

4

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

2

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

2

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

P23Q will implement a Saturday Academy funded by Title III ELL for the 2025–2026 school year, providing direct, targeted instruction to English Language Learners (ELLs) by P23Q teachers. The program will take place over four consecutive Saturdays, from 9:00 a.m. to 1:00 p.m., with each session lasting four hours.

Two certified English as a New Language (ENL) teachers and two content-area teachers will lead instruction using a team-teaching model that emphasizes English language development through literacy, writing, academic vocabulary, verbal communication, and content integration. The program will also embrace multiculturalism by incorporating culturally responsive materials and activities that reflect students' diverse backgrounds and experiences.

Students will be organized into four (4) instructional groups (two 12:1:1, one 8:1:1, one 6:1:1) Classes may be flexibly grouped to reflect a mix of proficiency levels (low, mid, high), depending on enrollment and student needs, to support differentiated instruction and peer interaction. Instruction will incorporate scaffolding strategies, visuals, guided practice, and hands-on academic activities tailored to each group.

A school-based administrator or instructional coach will supervise the program, funded through Title III ELL. This academy will enhance language acquisition, promote verbal expression, and support academic growth through intentional, culturally responsive, data-informed instruction delivered by school-based educators.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The ELL Data Analysis Tool for P23Q Spring 2025 highlights key trends pointing to the need for targeted instructional support. Notably, 80.6% of ELLs are newcomers with 0–3 years of ELL services, indicating that the majority of students are still in the early stages of English language acquisition. ABLLS assessment data, which evaluates language, learning, and functional skills for students with autism and related disabilities, further revealed significant challenges in both language development and academic content comprehension.

These findings underscore the need for structured language interventions, differentiated instruction, and supports tailored to students' learning profiles. Additionally, NYSITELL results showed wide variation in proficiency levels across grade bands, highlighting the importance of grouping students by language level and providing scaffolded instruction to meet their evolving needs.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

We will offer the program to 38 English Language Learners (ELLs) in grades K–5 through our Title III ELL-funded Saturday Academy. Students will be grouped into four instructional classes based on their mandated instructional ratios: two 12:1:1 groups, one 8:1:1, and one 6:1:1.

The program will include a range of ELL subgroups, with a particular focus on Newcomers (students with 0–3 years of service) and Developing ELLs. Students will also represent a range of English proficiency levels, including Entering, Emerging, Transitioning, and Expanding. Instructions will be delivered using a team-teaching model, with ENL and content-area teachers co-planning and co-teaching to provide integrated, scaffolded language instruction tailored to each group’s linguistic and academic profile.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Our program will run on Saturdays in January-February 2026. We will host 4 4-hour instructional sessions from 9:00am - 1:00pm.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The educational instruction will be conducted in English, enriched by the dedicated support of multilingual paraprofessionals. These professionals will provide native language scaffolding tailored to address the unique requirements and contextual nuances of each learner, ensuring a comprehensive understanding and the development of effective communication skills.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

2 TESOL teachers, 2 content area teachers, 9 paraprofessionals (one para for each instructional group, plus five paras to serve as a 1:1 for students with that mandate). One administrator will supervise the program.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Six (6) iPads
Art supplies (see budget for itemized breakdown)

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent**

engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.

Our school has a clear process for notifying families and managing records for Title III ELL-funded programs. Parents and guardians receive information through multilingual flyers in students' backpacks, digital communications via ClassDojo, and translations in their preferred languages. We also collect signed permission slips before student participation.

To maintain compliance, we keep records of parent notifications, attendance logs, and teacher certifications. We document parent engagement activities, track professional development related to ELL instruction, and manage all Title III expenditures in line with fiscal guidelines. Designated staff are trained in documentation and confidentiality procedures to ensure the secure handling of all program data.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Our Title III ELL professional development plan is designed to strengthen teacher capacity and improve outcomes for English Language Learners through focused, high-impact training. Sessions will align with Title III goals and cover topics such as language acquisition, culturally responsive teaching, differentiated ELA strategies, and data literacy. Helping teachers collect, interpret, and apply data to support English Language Learner (ELL) growth, including students with Individualized Education Programs (IEPs) and those with interrupted education. We will also provide guidance on building partnerships with families, improving communication, and promoting family involvement in the learning process.

Each session will be thoroughly documented, including attendance, goals, and participant feedback to assess effectiveness. All activities will adhere to Title III funding guidelines, ensuring vendor and per-session expenses remain within approved limits.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The professional development workshops are designed to enhance educators' proficiency in teaching language skills and providing support for English Language Learners. An analysis of student performance data has revealed disparities in academic achievement between English Language Learner (ELL) students and their peers. This highlights the noticeable gap in language proficiency and academic language skills among English Language

Learner (ELL) students, which impacts their overall educational success.

Feedback from teachers will help us understand their challenges and the specific needs related to language acquisition strategies for ELL students. Additionally, quantitative analysis of standardized test scores, language proficiency assessments such as NYSESLAT, and classroom assessments will allow us to identify areas for improvement.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All staff in the instructional program will receive professional development designed to enhance support for English Language Learner (ELL) students. The training focuses on after-school strategies tailored to ELL needs, providing language support, and fostering cultural sensitivity. Additionally, sessions will address improving differentiated instruction through collaborative discussions on best practices.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Four (4) Professional Development sessions will take place between Jan.-Feb. 2026. These sessions will take place from 8:15am-9:00am, Saturdays

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Session 1:
This includes training sessions about the specific needs of ELL students, language support, and cultural sensitivity. We will also use this session to introduce participating staff.

Session 2: Language Workshop Professional Development
The goal of the Language Professional Development is to equip teachers with the skills and resources necessary to support language development and acquisition among English Language Learner (ELL) students and to enhance teachers' use of differentiated instruction strategies in English Language Arts (ELA) for ELL students.

Session 3: Using Data to Support ELLs
Teachers will learn to analyze assessment data to monitor ELL progress, set language goals, and adjust instruction. The session will also cover how to document growth and communicate it with families.

Session 4: ELL methodologies
Non-ENL teachers will share their expertise from the classroom, and the ENL teachers will equip them with methodologies for working with their students moving forward.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Four teachers will lead PD sessions for all participating staff.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Our school will maintain clear and organized records of all professional development activities supported by Title III ELL funds, ensuring alignment with program goals and the effective use of resources for English Language Learners (ELLs). Before each session, we outline its purpose and connection to Title III objectives. We document how these sessions enhance instructional practices and improve outcomes for English Language Learner (ELL) students.

Attendance is carefully tracked, including the date, time, location, topics, and goals of each session. We collect participant feedback to assess the relevance and impact of the training. All records, digital and physical, are securely stored, including attendance sheets, agendas, materials, and feedback forms.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Our school's parent engagement activities actively empower families by providing them with vital tools and knowledge to effectively support their children's unique needs and ensure their success. To help English Language Learner (ELL) families feel welcomed and informed, we will begin with a family orientation to introduce the ENL program, explain available services, and outline how language instruction supports academic success. Families will receive resources on effective strategies for language acquisition, literacy development at home, and how to support children who use core vocabulary in speech.

In response to parent feedback, we will host four (4) remote afternoon workshops focused on key areas: understanding the ENL program and instructional supports, promoting social-emotional wellness for multilingual learners, and strengthening early literacy and communication at home. These sessions will offer practical guidance, provide bilingual materials, and create opportunities for families to engage with staff. Parents will also be invited to participate in select activities with their children, reinforcing the partnership between home and school.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

We gather feedback through interviews, focus groups, and surveys with parents to understand their views on the ENL program, address any concerns they may have, and gather suggestions for improvement. We also analyze

open-ended responses from surveys and feedback forms to gain a deeper understanding of the effectiveness of the orientation night in meeting information needs and addressing parental concerns.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

We will host four (4) parental engagement sessions. These will take place remotely from 5:00-6:00 pm on Mondays during February- March 2026.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

ELL Orientation and Welcome Night:
We will also share an introduction to the Title III Saturday Academy, including what families can expect and how the program supports language development.

ELA Workshop: Literacy
We will provide an overview of the ELA curriculum at District 75, explaining literacy goals, benchmarks, and strategies for parents to support their children's reading and writing skills. We will also discuss differentiated instruction for diverse learning needs and strategies for parents to support this at home.

Language Workshop (Speech) – Understanding Speech and Language Development:
We will present an overview of the services provided by Speech-Language Pathology in District 75 schools and how SLPs support students' communication skills. Topics will include typical speech and language milestones, common challenges students face, techniques used in speech therapy, and how parents can reinforce these skills at home. We will also introduce the use of AAC devices to support communication for students who are non-verbal or minimally verbal.

Social-Emotional Learning (SEL) Family Workshop:
This session will focus on the social-emotional development of English Language Learners, with an emphasis on helping students feel safe, confident, and connected in school. Families will learn how Social-Emotional Learning (SEL) is integrated into classroom routines and how they can support their child’s emotional well-being at home. Strategies will include managing transitions, promoting self-regulation, and encouraging positive peer interactions. The workshop will also provide resources to help families navigate challenges related to language and cultural adjustment.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Each family engagement activity will be led by six Teachers, three multilingual Ed Paraprofessionals, one Guidance Counselor, and one Administrator.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Families are informed about upcoming activities with detailed information, including the date, time, location, and purpose of each event. We utilize multiple communication channels, including emails, school calendar notifications, the Remind messaging app, ENL monthly newsletters, and flyers sent home with students or mailed to ensure that all families are informed. We also make phone calls to communicate and clarify any questions directly. Information is posted on our school's website for parents who regularly check for updates.

We translate all notifications and event materials into parents' preferred languages to help them understand and participate in activities. This includes providing translation services for languages commonly spoken by our English Language Learner (ELL) families. Bilingual staff, community volunteers, or professional translation services are available to assist with translations. In addition, we provide interpretation services for family engagement events to help school staff and families who prefer to communicate in languages other than English, ensuring that all parents/guardians can fully participate in discussions, workshops, and interactive sessions without language barriers.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

We emphasize the importance of documenting all family engagement activities and notifications to families at P23Q. This helps ensure the school follows the rules and communicates effectively with parents and guardians. We use attendance sheets, evaluation forms, and photographs (with consent) to track participation levels.

All notifications sent are also documented, including the date, method of communication, recipients, and message content. All event agendas and sign-in sheets are carefully maintained in the shared Google folder and the ENL (English as a New Language) binder to ensure transparency and easy reference. Additionally, we keep thorough documentation, including evidence of parental awareness of the supplemental program, dated and translated letters sent to parents, the Title III ELL program description aligning with the narrative in the approved plan, updated parent letters reflecting the current school year that reference the Title III program, and any needs assessment surveys developed by the school for parents and families.

We collect feedback from families to evaluate the effectiveness of engagement activities and communications, which helps us improve. Staff involved in family engagement activities receive training to enhance their communication and engagement skills.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Allocation Amount ($):

20,000.00

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Direct Instruction	$12,087.68	4 Teachers x 4 sessions x 4 hrs/session $73.07 = $4,676.48 1 Administration x 4 sessions x 4 hrs/session $75.57 = $1,209.12 9 Educational Paraprofessionals x 4 sessions x 4 hrs/session $43.07 = $6,202.08 Sub-total = $12,087.68
Professional Developments	$2,266.44	4 Teachers x 4 sessions x .75 hr x $73.07 = $876.84 1 Administrator x 4 sessions x .75 hr x $75.57 = $226.71 9 Educational Paraprofessionals x 4 sessions x .75 hr x $43.07 = $1,162.89 Sub-total = $2,266.44
Family Engagement	$1,774.51	2 Teachers x 4 sessions x 1 hr x $73.07 = $584.56 4 Teachers x 1 session x 1 hr $73.07 = $292.28 1 Administrator x 4 sessions x 1 hr x $75.57 = $302.28 3 Ed Para x 4 sessions x 1 hr x $43.07 = $516.84 1 Counselor x 1 session x 1 hr x $78.55 = $78.55 Sub total = $1,774.51
OTPS	3871.37	iPad - $390.80 x 6 = $2,344.80 Card stock - $22.30 x 4 = $89.20 Scanner: Brother DS640 Compact Mobile Document Scanner - $118.97 Crayola Washable Marker and Large Crayon Classroom Pack - $43.73 School Smart Canvas Book Tote Bag - $8.94 x 36 = $321.84 Fabric marker - $5.74 x 11 = $63.14 Canvas 9×12 pack of 36 - $44.99 x 3 = $134.97 Acrylic paint pack of 6 - $28.4 x 12 = $340.80 Royal Big Kids Choice Flat Brush and Apron Pack - $89.51 Scotch Thermal Laminating Pouch - $48.89 x 2 = $97.78 Dot markers with shimmer - $16.48 x 5 = $82.48 Mad Mattr Sensory Dough - Set of 5 colors - $68.94 Gel Pens waterbased - $6.53 TOPS Poly Zip Envelope, Letter Size - $12.26 x 3 = $36.78 Pendaflex Glow Twisted 3-Tab File Folder - $3.19 x 10 = $31.90

TOTAL	20,000
