Christine Hoffman

Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement
- Part D: Staff Awareness

- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Christine Hoffman	Principal or Designee*	
Alex Reich	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Maira Balderas	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Marie Zenteno	Member/parent	
Christina Robles	Member/parent	
Leri Kurashvili	Member/Parent	
Elisa Levi	Member/Parent	
Yolanda Soloman	Member/Parent	
Andrea Fusco	Member/staff	
Leah Lee	Member/Staff	
Jaime Magi	Member/staff	
Courtney Garofalo	Member/staff	
Elaina Portobello	Member/Staff	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Danielle Gianfortune	Assistant Principal	
Christine Ruiz	Assistant Principal	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

P373R will embrace all identities, abilities and cultures and provide each member of the community with the support they need to achieve success. We will educate through a unique lens that sees all students as individuals while fostering a sense of belonging in our community. We subscribe to the belief that cultural inclusivity is essential for academic, social and emotional development for all.

P373R will support and develop school based teams, that focus on skill development ensuring all students have access to meaningful literacy based instruction across various activities and school environments.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P373R, Robert Randall School is a District 75, Special Education School serving students in Pre-K through 8th grade, located in Staten Island. 373R consists of nine sites, which provide academic, social and vocational opportunities for students with diverse needs. The school serves students in different ratios that include 6:1:1, 8:1:1, 12:1:1, integrated Pre-K and inclusion. The main campus of 373R and 373R Early Explorer Campus are standalone sites while all 7 others are co-located within District 31 schools. A team of dedicated educators are committed to ensuring that the students gain the tools they need to succeed. The students of 373R are all instructed and have access to curriculums of the highest standards that support both students who participate in NYS standardized assessment and Alternate Assessment.

373R is a collaborative community who works together within the school based community and Staten Island with key stakeholders and community partnerships, to do what is in the best interest of all individual students in order to ensure positive outcomes both academically and socially.

The following includes the partnerships that have recently developed:

Touro/ US Prep – 373R is a Teaching Academy school, preparing students (often paraprofessionals from within the organization) to become effective teachers

Columbia University- Dr Azad : Early Childhood parent/ teacher relationships study - Expanded to K-2 families across the organization

Person Centered Care Services (Main and Middle School)

Collaborative schools / Inclusion programs (P373R@P58 and P373r@861)

Broadway Jr / Shubert Theatre-Middle School (373R@IS61)

Urban Voices - Choral Program for 3-5 with a focus on literacy with song development (Main)

REPERTOIRIO Espanol- Special Projects and Education Repertoirio Espanol

SUNDOG- Movement program aligned with multicultural storytelling (K-2)

The Metropolitan Opera

Grants.... Arts, Environment (Sustainability Committee-Middle School , Garden Team -Mini building on main campus)

School Stores (Main campus & 373R@IS61MS)

Vocational/Transition (373R@IS61MS)

Teddy Atlas Foundation-across all sites

Multiple Parent Workshops and Town halls

Assemblyman Charles Falls , former student - presents at graduation ceremonies

Mindfulness Team

CRT team

SEL curriculum (Rethink)

Briefly summarize the key initiatives your school will implement this school year.

One of our main initiatives is providing professional development in specific Sensory Academic Intervention Service Programs (Sound Sensible, Spire), targeted to individual students based on data, so that teachers can implement effective instruction in decreasing the gap in all grades. This is in line with the chancellor's vision of all students reading on grade level by third grade.

In addition, we completed the first phase of the pilot HMH curriculum and will begin implementing the second phase of the HMH curriculum, which is in line with the Chancellor's NYC Reads goal, for all students at P373R locations. At the school and district levels, teachers and paraprofessionals will receive pertinent and meaningful professional development.

To ensure that all students graduate college and career ready and have a strong plan and pathway to economic security, our 373 middle school enrichment initiative will focus on expanding inclusive, real-world learning opportunities. Key programs will include our middle school student council, career day, theater productions, gardening and sustainability projects, culinary activities, student-run business experiences, as well as student participation in the annual NYC STEM Fair. These initiatives are designed to build student leadership, practical skills, and awareness of future college and career pathways, ensuring all students are equipped for long-term success.

At P373R, the social-emotional well-being of our students is always at the forefront. Our PBIS framework is a key behavioral support initiative that promotes a positive, inclusive, and structured learning environment for all students. As a District 75 school, PBIS provides a consistent, trauma-informed approach to behavioral expectations that supports our diverse learners. Through tiered interventions, visual supports, student recognition systems, and staff collaboration, PBIS helps improve student engagement, reduce behavioral incidents, and strengthen relationships between staff and students. This initiative directly supports our goal to foster a supportive environment aligned with SEL and equity-based practices.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH Into Reading	
ELA	K-2	Fundations	
ELA	K-8	ReadtopiaGo and Readtopia	AA
Mathematics	K-5	SAVAAS Math	
Mathematics	K-8	Attainment	AA
ELA	6-8	Attainment	AA
ELA	6-8	HMH Into Literature	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
MAP Growth Reading scores for K-2 students have shown limited growth.	Inconsistent implementation of a structured phonemic awareness curriculum across K-2 classrooms has led to gaps in foundational reading skills.	Implement a consistent, research-based phonemic awareness program (Heggerty) across all K-2 classrooms to address foundational reading gaps.
Early literacy subskills, particularly phonemic awareness, were identified as a consistent area of weakness in diagnostic assessments such as MAP Skills	Limited professional development and coaching support for teachers in delivering explicit phonemic awareness instruction has impacted instructional quality and student outcomes.	Provide targeted professional development and coaching for K-2 teachers to ensure high-quality, consistent delivery of phonemic awareness instruction.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	139	By June, 2026, K-2 Students with Disabilities (SWD) utilizing the Heggerty phonemic awareness program will increase their average Foundational Skills RIT score by 8 points on the MAP Growth Reading Assessment.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To support the goal of increasing K–2 students' MAP Growth Reading scores by an average of 8 RIT points by June 2026, the school will implement a comprehensive action plan focused on phonemic awareness instruction. First, all K–2 classrooms will implement the Heggerty Phonemic Awareness Program with fidelity. Teachers will deliver daily lessons, and school leaders will conduct regular walkthroughs using fidelity checklists to ensure consistency and quality of instruction.

Professional development will be a key component of the plan. In September 2025, teachers will participate in targeted training on phonemic awareness and the Heggerty routines. Ongoing support will be provided through monthly coaching sessions and in-class modeling by the Teacher Development coach. To monitor student progress, the school will administer the MAP Growth Reading assessment in Fall, Winter, and Spring. Additionally, phonics-specific tools such as the MAP Skills Checklist will be used to track foundational reading skills more closely. Grade-level teams will analyze this data regularly to inform instruction.

Students who do not meet benchmarks will receive tiered interventions, including small group or one-on-one support focused on phonics and phonemic awareness. These interventions will be scheduled and delivered by interventionists and classroom teachers. Finally, the school will engage families by hosting literacy workshops and sharing strategies for supporting phonemic awareness at home. These efforts aim to build a strong home-school connection and reinforce early literacy development beyond the classroom.

Root Cause Addressed:

To address the root cause of inconsistent and insufficient phonemic awareness instruction in K–2 classrooms, our school is implementing the Heggerty Phonemic Awareness Program with fidelity across all early grades. This structured, research-based curriculum provides daily, explicit instruction in foundational literacy skills. In addition, we are investing in targeted professional development and ongoing coaching to build teacher capacity and ensure high-quality delivery. By aligning instructional practices and providing consistent support, we aim to close early literacy gaps and improve student outcomes in reading.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers will participate in targeted professional learning sessions in September 2025 and receive ongoing coaching throughout the year to deepen their understanding of phonemic awareness and effective instructional strategies.
All K–2 teachers will deliver daily, structured phonemic awareness lessons using the Heggerty curriculum to ensure consistent, high-quality instruction for all students.
Students will be assessed using MAP Growth Reading and phonics screeners. Teachers will help students set personal reading goals and track their progress throughout the year
Based on assessment data, students who are not meeting benchmarks will receive additional small-group or one-on-one phonemic awareness support, tailored to their specific needs.
Students will participate in literacy activities that reinforce phonemic awareness at home and in school. Families will be invited to workshops and provided with take-home resources to support early reading development.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Instructional Fidelity Checks:
Weekly classroom walkthroughs using a Heggerty fidelity checklist to ensure consistent delivery of daily phonemic awareness lessons.
Coaching logs and observation notes from literacy coaches to document instructional strengths and areas for growth.

Student Assessment Data:
MAP Growth Reading assessments administered in Fall, Winter, and Spring to measure student progress toward the 8-point RIT growth goal.
Phonics screeners (e.g., DIBELS or MAP Skills Checklist) administered at least three times per year to track development in phonemic awareness skills.

Student Goal Tracking:
Teachers will support students in setting and monitoring individual reading goals based on assessment data.
Progress will be reviewed during grade-level data meetings and used to adjust instruction and interventions.

Intervention Monitoring:
Logs of small-group and one-on-one intervention sessions will be maintained to track frequency, duration, and student participation.
Progress monitoring tools will be used to assess the effectiveness of interventions and inform instructional adjustments.

Family Engagement Feedback:
Attendance and feedback from family literacy workshops will be collected to evaluate the reach and impact of home-school literacy partnerships.
Surveys may be used to gather input on how families are using take-home resources to support phonemic awareness at home.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	06/15/2026	Host family literacy workshops focused on phonemic awareness strategies that can be used at home.	School Parent Coordinator, Local Library
11/03/2025	06/15/2026	Share student progress updates and phonemic awareness tips via newsletters, Parent Squared, and school website.	P373R Administration, Data Coordinator, Parent Coordinator

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

K–2 Classroom Teachers, Teacher Development Coach, Parent Coordianator, P373R Administration

Instructional Resources

Heggerty Phonemic Awareness Curriculum, MAP Growth Reading Assessment, Phonics screeners, Student goal-setting tools and trackers

Schedule Adjustments

Daily dedicated time block for Heggerty instruction in K–2 classrooms, Monthly grade-level data meetings for progress monitoring during cohorts, Scheduled intervention blocks for targeted phonemic awareness support, Time allocated for professional development and coaching sessions, Family literacy events scheduled during evening or weekend hours

Other Resources Needed

Space for hosting family workshops and community events

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Point Sheet data and Crisis Intervention Support data has shown limited behavioral growth	Previous, inconsistent and dated PBIS system was completely revamped for the 2024-2025 School-Year, New to staff and students	Continue roll-out of new PBIS program with additional layer of data collection to support next steps

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	140	By June, 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a 7% increase in the number of students earning at least 90% of PBIS points per the PBIS Point Sheet Data.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To support the goal of increasing PBIS points earned to support physical and emotional safety by June of 2026, the school will implement an action plan focused on the school-created Matrix and system of earning PBIS aligned to behavioral expectations.

Professional Development is crucial in making standards and expectations consistent across the school. Teachers will participate in a workshop created by the PBIS team to better understand the PBIS program and it's expectations, and how to track data accurately. Ongoing support will be available monthly. Data is collected weekly to assess levels earned for students, and data will be reviewed in the Fall, Winter and Spring. The PBIS team will analyze this data regularly to discuss next steps.

Root Cause Addressed:

To address the root cause of students underperforming, our school is implementing and improving the school's PBIS Program SAIL, Support, Acheive, Include and Learn. This program, created in collaboration by the school's PBIS team with support from the District's PBIS Lead, provides explicit expectations for behavior across all school-environments. (Cafeteria, Arrival/Dismissal, Classroom, Hallways)

By increasing the usage of the PBIS language and allowing students accountability for behaviors with incentives to earn, we aim to improve the physical and emotional safety of all students at P373R.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Teachers will participate in Professional Development workshops and receive ongoing support in the usage of the PBIS system.
Weekly data collection of points earned, reviewe dby team members and analyzed for next steps.
Student data is assessed. PBIS Team members, in collaboration with Behavior Specialists and teachers, set individual goals for students underperforming in point earning

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly PBIS Data Review Meetings: Leadership team and classroom staff will analyze PBIS Point Sheet data to track trends and identify students needing additional support.
Wellness Check-Ins: Teachers and related service providers will conduct bi-weekly student wellness check-ins to assess emotional and behavioral progress.
Staff Collaboration Logs: Documentation of team meetings focused on wellness strategies and interventions.
PBIS Point Sheet Data: Percentage of students earning at least 90% of PBIS points, tracked monthly.
Behavioral Incident Reports: Reduction in negative behaviors as an indirect measure of improved wellness.
Attendance Records: Improved attendance as a secondary indicator of wellness.
Compare monthly PBIS data against baseline to ensure movement toward the 7% increase goal.

Analyze correlations between PBIS point achievement and student survey responses.
Review incident reports and attendance trends to confirm positive impact on overall student engagement and achievement.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/15/2026	townhalls, parent workshops, newsletters, monthly parent outreach, PC office hours	YMCA, Because We Can, NYPD Community Affairs

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

school counseling team, BRT team, Behavior Supoort teachers, Crisis intervention teachers,

Instructional Resources

rethink, professional development, PBIS newsletters, BIP monitoring

Schedule Adjustments

cohorts, PBIS monthly clubs, team meetings

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Low Mastery in Receptive Language (Domain C)	Limited Access to Communication Supports and Inconsistent Use of Evidence-Based Language Interventions	Implement Structured Teaching and Verbal Behavior (VB) methodologies across self-contained classrooms to systematically build receptive and visual performance skills.
Limited Progress in Visual Performance Skills (Domain B)	Inconsistent Use of Evidence-Based Language Interventions	

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	23%	By June, 2026, K-2 6:1:1 students will increase 5% in their ABLLS-R (Assessment of Basic Language and Learning Skills – Revised) in Domains B (Visual Performance) and C (Receptive Language).

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To support the goal of increasing student mastery in ABLLS Domains B and C by 5% by June 2026, the school will implement a multi-tiered action plan focused on structured teaching, verbal behavior strategies, data-driven instruction, and increased access to communication supports. First, the school will provide professional development for special education staff on Structured Teaching and Verbal Behavior (VB) methodologies. This training will equip educators with tools to create consistent routines, use visual supports, and apply VB techniques such as manding and tacting to build functional language skills. Classrooms will be equipped with structured work systems and individualized materials aligned with ABLLS tasks to ensure consistency and engagement.

In addition, the school will strengthen its use of data to inform instruction. Teachers and related service providers will administer baseline ABLLS-R assessments in September 2025 and monitor progress monthly. Instructional plans will be adjusted based on data trends, and progress will be shared with families during IEP meetings and conferences. This ongoing review process will ensure that instruction remains targeted and responsive to student needs.

Finally, the school will enhance access to communication supports by conducting AAC needs assessments for all students and ensuring that appropriate tools—such as core boards, PECS, and speech-generating devices—are available and used daily. Staff will receive training on AAC modeling and integration, and students will be supported in using these tools across instructional settings. Together, these strategies aim to create a language-rich environment that promotes measurable growth in receptive and expressive language skills.

Root Cause Addressed:

This action plan directly addresses the root causes identified in the needs assessment, including inconsistent implementation of evidence-based language instruction and limited access to communication supports. By training staff in Structured Teaching and Verbal Behavior strategies, the school will ensure more consistent and targeted instruction in receptive and expressive language. Additionally, increasing access to AAC tools and visual supports will help remove communication barriers and promote language development across settings. These actions are designed to create a more equitable and supportive learning environment that fosters measurable growth in ABLLS Domains B and C.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The school will offer targeted training for K-2 6:1:1 teachers and paraprofessionals on implementing Structured Teaching frameworks and Verbal Behavior strategies. This will include modeling, manding, tacting, and errorless teaching techniques to support language acquisition.
Teachers and related service providers will administer the ABLLS-R in September 2025 to establish baseline data in Domains B and C. Progress will be monitored to inform instruction and ensure students are on track to meet the 5% growth target.
Teachers will embed receptive and expressive language tasks into daily schedules using structured work systems, visual supports, and natural environment teaching. This ensures consistent practice and generalization of skills across settings.
The school will assess each student's communication needs and ensure access to appropriate AAC tools (e.g., core boards, speech-generating devices). Staff will be trained to model and reinforce AAC use throughout the school day.
Instructional teams will meet in cohorts to review ABLLS-R data, led by our Behavior Management teacher and our Data Coordinator, discuss student progress, and adjust instructional strategies as needed. These meetings will also serve as checkpoints for sharing best practices and ensuring fidelity of implementation.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly Instructional Walkthroughs:
Administrators, coaches, and coordinators will conduct monthly walkthroughs in K-2 6:1:1 classrooms using a structured observation tool. This tool will track the use of Structured Teaching elements (e.g., visual schedules, work systems) and Verbal Behavior strategies (e.g., manding, tacting, error correction). Data from these observations will be used to provide targeted feedback and coaching.

ABLLS-R Progress Monitoring:
Teachers will collect and update ABLLS-R data for Domains B and C on an ongoing basis. This data will be reviewed during cohorts to assess student growth and identify areas where instructional adjustments are needed. Progress will be measured by the percentage of students demonstrating at least a 5% increase in skill mastery.

Professional Development Feedback and Implementation Checks:
After each professional development session, staff will complete feedback forms and implementation checklists. These will be reviewed by the leadership team to assess the effectiveness of training and determine follow-up needs.

Collaborative Data Review Meetings:
Instructional teams will meet monthly to analyze ABLLS-R data, review observation and usage logs, and discuss student progress. These meetings will be used to make data-informed decisions, share best practices, and adjust instructional plans as needed.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/06/2025	06/15/2026	Host family workshops on communication strategies, including how to support receptive and expressive language at home	Behavior Management teacher, Data Coordinator, Parent Coordinator
09/15/2025	06/15/2026	Share ABLLS-R progress updates and home practice tips during IEP meetings and parent-teacher conferences	Classroom teachers

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

K-2 6:1:1 teachers, speech teachers, Behavior Management Teacher, Data coordinator, and administration

Instructional Resources

ABLLS-R Assessment Kits, AAC Devices and Visual Supports, Structured Teaching Materials, Professional Development Materials

Schedule Adjustments

Common planning time for cohort meetings, time for professional development, instructional blocks

Other Resources Needed

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Only 18% of NYC students reported participating in extracurricular or enrichment programs aligned to college or career readiness. (NYC School Survey, 2023)	Need to expand structured and inclusive opportunities for all students to engage in meaningful, real-world experiences (e.g., leadership,	Develop and implement an inclusive middle-school enrichment program to ensure 100% of students engage in at least two college/career-aligned activity per year.

	performance, career exploration).	
29% of 8th-grade students across NYC schools could identify a specific career interest or high school pathway. (Student Interviews & College Access Survey, 2023)	Limited exposure to career pathways, guest speakers, and project-based learning tied to real-world professions.	Establish a recurring Career Day, student-run businesses (e.g., snack shop, coffee, deli, school store), and partnerships with community organizations to deepen student awareness and interest.
Only 12% of NYC students with IEPs or multilingual learners were involved in student leadership or performance opportunities across NYC. (NYC STARS Report, 2022-2023)	A high percentage of students with disabilities requires specialized support to ensure equity of access to enrichment programs for diverse learners.	Create targeted outreach and support systems to ensure students with IEPs and multilingual learners are prioritized and represented in student council, theater, STEM, garden/sustainability, culinary, arts and business programs.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	61%	373R will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June 2026, the percentage of middle school students with disabilities participating in at least two college- and career-aligned enrichment activities annually will increase by 14%, from 61% to 75%, as measured by School-Based Student Participation Tracker.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To increase equitable participation in college- and career-aligned enrichment activities, 373R will implement a comprehensive and inclusive middle school enrichment program that is accessible, engaging, and aligned to real-world skills and future pathways.

Expand and redesign offerings to reflect diverse interests such as STEM, culinary arts, sustainability, gardening, leadership, and the arts, intentionally structured to support all students. Central to this effort is the establishment and expansion of an inclusive Student Council that provides meaningful leadership opportunities, encourages student voice, and fosters essential skills such as collaboration, decision-making, and community involvement.

The school will establish recurring Career Days and foster partnerships with community organizations. Together, these efforts will create sustained opportunities for students to explore their interests, develop transferable skills, and build a strong foundation for college and career readiness.

Root Cause Addressed:

Need to expand structured and inclusive opportunities for all students to engage in meaningful, real-world experiences (e.g., leadership, performance, career exploration). Opportunity for increased exposure to career pathways, guest speakers, and project-based learning tied to real-world professions.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch an Inclusive Enrichment Program Audit-Conduct a comprehensive review of current enrichment offerings

using participation data from the School-Based Student Participation Tracker.
Establish a recurring Career Day, student-run businesses (e.g., snack shop, coffee, deli, school store), and partnerships with community organizations to deepen student awareness and interest.
Launch and Expand an Inclusive Student Council, provide staff mentorship to support student leaders, schedule regular meetings and integrate student council activities with school initiatives.
Use the School-Based Student Participation Tracker to regularly assess student involvement, introduce a “Career Passport” for students to track learning and interests.
Establish Targeted Outreach and Support Systems (Ongoing), Assign staff to monitor participation and engage students who are underrepresented in enrichment activities.
Deliver training on Universal Design for Learning (UDL) principles, inclusive practices, and project-based learning. Support staff in designing and facilitating accessible enrichment activities.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Collation and review of data regarding student council, career days, college & career exposure events, guest speakers. Review of student participation in various enrichment opportunities utilizing the school created tracker.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	06/26/2026	Student led events, Enrichment Newsletters, Digital Updates, Community partnership development	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers, Parent Coordinator, Instructional Coach, Student Council Advisor

Instructional Resources

UDL-Aligned Curricula and Planning Tools, SEL Curriculum

Schedule Adjustments

Vocational periods

Other Resources Needed

Materials for school based businesses, technology and equipment, communication and evaluation tools

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Inconsistent parent involvement for in-person events, attendance sheets/ sign in protocols	time of day and family travel time	Offer additional virtual events, alternate locations
	travel	provide metro-cards

	lack of engagement	offer incentives

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of Students with Disabilities (SWD)	55	By June, 2026, the number of families attending in person and/or virtual family events will Increase by 10% from 55 to 75 as measured by Attendance google form .

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

attendance google form

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Parent outreach will be document through NYSCA messaging and DOE Anecdotals.
Flyers distributed in languages to meet the needs of all families.
Incentives will be offered and Metro to assist with travelling.

Root Cause Addressed:

There will be an increase in parent attendance at family events.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent Outreach
Family events planned at each site
NYSCA outreach to support messaging

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly Attendance Tracking: Collect attendance data for each site-specific event using the designated Google Form.
Family Engagement Team Meetings: Review attendance trends monthly and identify strategies to increase participation.
Outreach Documentation: Maintain logs of communication efforts (emails, phone calls, flyers) to correlate outreach with attendance changes.
Baseline vs. Current Attendance Comparison: Monitor progress toward the 10% increase (from 55 to 75 families).
Outreach Records: Frequency and type of outreach efforts to assess impact on attendance.
Feedback Surveys: Collect family feedback after events to identify barriers and motivators for participation.
Calculate monthly attendance growth and compare against baseline.
Analyze correlation between outreach efforts and attendance increases.
Use feedback data to refine strategies and ensure events meet family needs.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
limited growth in student attendance according Insight 2024-25	sickness	Parent outreach and surveys
	vacations planned during school days	Parent outreach and surveys
	school bus issues	Bussing accommodations on IEP

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	85%	By June, 2026, the Percentage of student in attendance for Students with Disabilities (SWD) will increase by 2%, from 85% to 87%, as measured by the insight data.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Attendance team
Family incentives
targeted outreach, improved attendance data routines, early warning systems, Tier 1 attendance messaging

Root Cause Addressed:

sickness/ vacation : Creation of Parent Handbook outlining attendance policies, attendance teacher home visits
bus: transportation liaisons, OPT communication.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent Handbook
Offer Student Monthly Incentives
Attendance Assemblies
Most Improved events / celebrations / awards

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly Attendance Review: Monitor SWD attendance through Insight data reports.
Monthly Leadership Team Meetings: Analyze trends, identify barriers, and adjust strategies to improve attendance.
Communication Logs: Track outreach efforts to families regarding attendance (calls, emails, letters).
Insight Attendance Data: Percentage of SWD in attendance, reviewed weekly and compared to baseline (85%).
Outreach Documentation: Records of interventions and family engagement efforts to address absenteeism.
Student Support Plans: Notes from meetings with families and related service providers for students with chronic absenteeism.
Compare monthly attendance percentages to baseline and target (87%).
Identify patterns in absenteeism and correlate with intervention efforts.
Use trend analysis to determine if strategies are effectively improving attendance and student engagement.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
SESIS Encounter Attendance 2025	Staffing shortages, Scheduling Conflicts, Access Issues	IEP Development and Fidelity of Implementation
		Transition Planning and Compliance
		Referral Process and Equity

		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	67%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Fidelity of implementation of mandates by assigned paraprofessionals, and ensure consistency of record keeping by a 13% Increase, from 67% to 80%, as measured by SESIS Encounter Attendance Reports.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Build Capacity Through Training: Ensure paraprofessionals understand IEP mandates and SESIS documentation requirements. Offer targeted assistance to paraprofessionals who struggle with documentation.

Root Cause Addressed:

Paraprofessionals lack awareness of SESIS documentation procedures and the importance of compliance, compounded by scheduling conflicts, unclear accountability systems, which can hinder timely and accurate encounter entry.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Training: Conduct SESIS documentation workshops in September–October. Provide targeted SESIS training for paraprofessionals on encounter documentation and IEP mandate compliance.
Accountability: Create a compliance dashboard and review monthly SESIS reports. Share progress with paraprofessionals during team meetings.
Scheduling: Develop a coverage plan that protects IEP service time for example-Prioritize Fridays at 1:45 after students are dismissed.
Staffing: Review caseload distribution and request additional support if needed. Adjust assignments to ensure mandates are met.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly SESIS Encounter Attendance Report Reviews
Purpose: Track fidelity of paraprofessional documentation and IEP mandate implementation.
Data/Evidence Collected:
Percentage of completed encounters vs. mandated encounters.
Timeliness of entries (within 5 school days).
Impact Measurement:
Increased compliance indicates improved implementation of IEP mandates.
Correlate with student access to mandated services.

Coaching & Feedback Logs
Purpose: Document support provided to paraprofessionals.
Data/Evidence Collected:
Number of coaching sessions completed.
Notes on improvement in documentation practices.
Impact Measurement:
Improved accuracy and timeliness of SESIS entries.
Reduction in missed mandate

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/08/2025	12/31/2025	Tier 1: Provide translated materials and interpreters for families with limited English proficiency. Host monthly parent workshops on IEP mandates, SESIS documentation, and student progress. Share resource guides for understanding special education services and rights.	
10/06/2025	06/26/2026	Tier 2: Offer small-group sessions for families of students with complex needs. Provide virtual office hours for questions about IEP implementation.	
11/03/2025	06/26/2026	Tier 3: Schedule individualized family meetings for students with significant service gaps or transition planning needs. Connect families to community-based organizations for additional support (e.g., counseling, advocacy).	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Compliance Coordinator (training, monitoring)- Assistant Principal (coaching, oversight)- Paraprofessionals (service delivery)- Bilingual Family Liaison (family engagement)

Instructional Resources

DOE SESIS Training Modules- Quick Reference Guides for documentation- Resource Guides for families (translated)

Schedule Adjustments

Time for paraprofessionals to input IEP mandate encounters- Coverage plan to reduce conflicts- Flexible scheduling for family meetings

Other Resources Needed

Additional paraprofessional staffing if caseloads remain high

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 ELA Additional time spent doing AIS	Below Grade level	Sound Sensible	Small group	During school day	Yes
Tier 3 ELA Additional time spent doing AIS	Far Below grade level	SPIRE and SMILE	Small Group or 1:1	During school day	Yes
Tier 2 Math Additional time spent doing AIS	Below Grade Level	SAVAAS Reteach	Small Group	During school day	Yes
Tier 3 Math Additional time spent doing AIS	Far Below grade level	Do The Math	Small Group or 1:1	During school day	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students with group counseling mandates	PBIS and Rethink Curriculum	Small group	During the school day	Yes
Tier 3	Students with individual counseling mandates	PBIS and Rethink Curriculum, Behavior Intervention Plans and parent training	1:1 Instruction	During the school day	Yes

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

15

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Purchase of technology including devices and accessories needed to ensure a sense of belonging to the school community with family access to school based academic and social emotional learning.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS373R, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS373R will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology, making them active partners in their child's education
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand; utilizing our Parent Coordinator and messaging blasts to inform families of upcoming meetings and events
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support

services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS373R, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Christine Hoffman
Assistant Principal (Where Applicable)*	Danielle Gianfortune
English as a New Language (ENL) Teacher*	Meghan Sank
Teacher (if school has a bilingual program must be a bilingual teacher)*	Anny Velez
Parent/Guardian*	Maira Martinez-Balderias
English as a New Language (ENL)	Brunilda Salkurti
Parent Coordinator	Julia Lupino
Testing Coordinator	Jamie Magi
Teacher/Special Education	Wing Man Cheng
IEP Coordinator	Jennifer Welch
English as a New Language (ENL)	Krystal Pietrosante

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

3

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

1

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

733

Total number and percentage (%) of current ELLs:

133 (18.14%)

Total number and percentage (%) of former ELLs:

1 (0.14%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

104 (77.6%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

20 (14.9%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

10 (7.5%)

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

134 (100%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	One-Way DLBE	Spanish	2024/2025		0.5	0.5											1.0
DLBE																	0
DLBE																	0
				total: 0	total: 0.5	total: 0.5	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

As per CR Part 154, the stand alone model refers to grouping students in a separate location from their non ELL classmates with the ENL teacher. Stand alone instruction works towards developing English language skills so that students can succeed in core content courses in a smaller setting. This allows for students to master reading, writing, speaking, and listening skills in a small setting so that they can generalize skills to their larger classroom setting. At PS373R, ELL students are grouped heterogeneously together by three consecutive grade levels and IEP ratio. Grouping of ELL students varies on class size and student need.

Integrated ENL:

Integrated ENL is instruction to build English language skills through content area instruction. It is delivered by a certified ENL teacher and a certified content area teacher (i.e., English language arts, math, science, or social studies). Both methods of integrated ENL instruction include content area subject matter and English language development using ENL strategies."

ENL teachers work in collaboration with the classroom teacher to provide ELL students with content area instruction along with the rest of the class. The content area teacher provides the content while the ELL teachers provide scaffold support to the ELLs along with modifications, accommodations, visuals, and strategies to help them access skills during content lessons. All ELL students are grouped heterogeneously together by three consecutive grade levels and special education classification. Grouping of ELL students varies on class size and student needs. P.S. 373 ENL teachers co-teach and provide stand alone instruction.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Currently, P.S. 373R only features an ENL and DLBE program.

Dual Language Bilingual Education (DLBE):

DLBE programs are designed to continue developing students' home languages, as well as English language skills, throughout schooling. P373R's DLBE program will include Spanish ELL students only, who will focus on improving thier reading, writing, speaking, and listening skills in English and Spanish. This class will be taught by a certified Spanish bilingual teacher who also holds certifications in special education, common branch, and ENL. At PS373R, ELL students are grouped heterogeneously together by three consecutive grade levels and IEP ratio. Grouping of ELL students varies on class size and student need. English and Spanish will be used equally when teaching all core

subjects including literacy, math, social studies, and science.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Our ELLs participate in un-graded 6:1:1, 8:1:1, 12:1:1 classes and Inclusion classes across our nine sites. Additionally P373R has a 12:1:1 k-2 DLBE bilingual Spanish program. Given the number of students (ranging from ages 5-14 and grades K-8, and in 3 different ratios), sites, and the bilingual and ENL teachers at P373R, it is not possible to fulfill all required instructional units per CR Part 154. However, the ENL teachers maximize the number of instructional units at students' grade and proficiency levels that they are able to provide through stand-alone instruction, integrated instruction, and efficient scheduling. To ensure that students receive these units, ENL teachers travel to multiple sites and co-teach with classroom teachers. Students receive both Integrated and Stand Alone ENL instruction, as provided by our NYS certified ENL teachers as well as bilingual instruction provided by our certified Spanish bilingual teacher.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Students receive both Integrated and Stand Alone ENL instruction, as provided by our NYS certified ENL teachers. They also are provided bilingual instruction in Spanish provided by a certified bilingual teacher. ELA instruction is provided by NYS certified special education classroom teachers.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

P373R has a One-Way Dual Language Bilingual Education Program. It includes 12 students whose home language is Spanish, one bilingual teacher, a paraprofessional, and one-to-one paraprofessionals when necessary. English proficient students and ELLs are integrated during lunch and recess on a consistent basis, which is 12% of the day. They are also integrated during special events and celebrations.

b. In which language(s) is each core content area taught?

ELLs are taught all core subjects in English and Spanish equally.

ELA will be taught in English and HLA will be taught in Spanish . Other content area subjects (math , science and social studies) will be taught in English and Spanish equally.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

Currently, P.S. 373R only features the ENL Program and DLBE program.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

77.6% of English Language Learners (ELLs) at school 373R are newcomers. Newcomers are typically at the Entering/Emerging level. To support them, ENL instructors use various techniques, including the Language Experience Approach (LEA), and Balanced Literacy. They also focus on introducing new vocabulary and providing audio, visual, and native language support. When necessary, translation in the students' home language is offered to aid comprehension. Additionally, Newcomers work on improving their reading skills through ENL strategies integrated into literacy lessons in the classroom and during the Title III Saturday program.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

PS373R currently does not have SIFE students.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Within school 373R, 7.5% of English Language Learners (ELLs) are classified as Long-Term ELLs. These students have received ELL services for seven or more years. The ENL (English as a New Language) instructors focus on developing strong academic language skills in reading and writing, while content area courses integrate both content and literacy learning. Long-Term ELLs participate in advanced academic tasks, collaborate with peers, and are encouraged to join the Title III Saturday program. The goal is to prepare them for college and career readiness, with exit criteria based on NYSESLAT performance. Developing ELLs, receiving services for four to six years, also benefit from scaffolded instruction across subjects.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Currently, one student (0.14% of P373R's student population) is identified as a former English Language Learner (ELL). Students are designated as former ELLs upon achieving a Commanding level on the NYSESLAT assessment, or by attaining an Expanding level on the NYSESLAT combined with a Level 3 or 4 on the NYS ELA and Math state assessments, demonstrating both English language proficiency and grade-level academic achievement.

Following this designation, students receive 90 minutes of Integrated ENL Academic Intervention Services for a period of two years to support a successful transition. ENL teachers will continue to monitor student progress closely and maintain regular communication with the student, their family, and classroom teachers to ensure ongoing academic and language development.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

P373R students face compounded challenges stemming from both language acquisition delays and disability-related learning barriers, often resulting in slower academic progress, communication difficulties, and increased risk of social or behavioral concerns. While ENL programming provides essential language support, many students require additional individualized interventions, including assistive technology and multidisciplinary collaboration.

Current data show that 92% of ELLs are not fully programmed in STARS with a certified ENL teacher, and nearly half (46.3%) did not demonstrate sufficient ELP progress on the 2024 NYSESLAT. The majority of ELLs present with multiple risk factors: 44% have two, 45.5% have three, and 3% have four. High concentrations of newcomers (77.6%) and long-term ELLs further compound these risks. These trends highlight the urgent need for targeted, systematic supports to improve academic, social, and language outcomes.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

P373R has one former ELL. The main risk factors for this student revolve around academic performance and learning gaps that may have developed during the time spent in the ELL program. There may still be academic gaps in areas such as reading comprehension, writing, and vocabulary acquisition, particularly in more complex subject areas that demand higher-level language skills. As the student progresses, the challenge is often catching up with peers who may have had more consistent academic instruction in English. Despite being in an inclusion setting, there may be difficulties in fully accessing grade-level content without ongoing support for academic language development, particularly in subjects like ELA (English Language Arts) or history, which require both content knowledge and advanced language skills. Additionally, while the student may be fluent in conversational English, they might still require targeted interventions to fully bridge the gap in academic language. Former ELL Risk Factors: 1 former ELL was not being served in STARS for ENL.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

At PS373R, the majority of English Language Learners (ELLs) have home languages that include Spanish (74), Chinese (37), Russian (6), and Urdu (4). To foster effective communication, the school identifies staff members at

each co-located site annually, who are fluent in languages other than English. These staff members willingly engage with parents in their home language when needed. Throughout the school year, PS373R hosts events such as meet and-greets, family gatherings, and workshops to strengthen relationships between staff and families. Additionally, each co-located site has staff available to communicate with most families orally or in writing in their home languages. In cases where staff members are unavailable, the translation services are contacted to provide support.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

At PS 373R, the racial and ethnic classifications of ELLs are diverse, with 1.6% identified as American Indian or Alaskan Native non-Hispanic, 71.4% Asian non-Hispanic, 27% White non-Hispanic, 18.3% American Indian or Alaskan Native Hispanic, 11.3% Asian Hispanic, 4.2% Black Hispanic, 2.8% Multiracial Hispanic, 1.4% Native Hawaiian or Other Pacific Islander, and 62% White Hispanic. To support this diversity, staff have been trained in Culturally Responsive and Sustaining Education (CRSE) practices. ELLs are actively included in learning opportunities, while teachers and staff collaborate to incorporate community and cultural events into classroom lessons. Students are also encouraged to ask meaningful questions about themselves, their communities, and society, fostering connections between in-school learning and the world beyond the classroom.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

All students at P373R are Students with Disabilities (SWDs) and have Individualized Education Plans (IEPs). As a result, ELLs with IEPs do not represent a subgroup but rather the entire school community. The majority of our students participate in alternate assessments, making the NYSESLAT an inappropriate measure of their English Language Proficiency (ELP). Within the most recent reporting period, 1 student demonstrated ELP progress by exiting ELL status, 9 students met their annual targets, and 62 students did not demonstrate sufficient progress.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

At P373R 104 ELL students took the 2024 NYSESLAT. Out of those 104 students 67 are at the entering level, 31 are at the emerging level, and 6 are at the transitioning level. The data patterns for the NYSESLAT administered in the Spring 2024 reveal that most of our students are either in the Entering (Beginner) or Emerging (Low Intermediate) level. Most students scored highest in the Listening portion of the exam, followed by Speaking (where applicable), Reading, and Writing. Most students responded best when sections provided visual support of a task.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Unfortunately, for our students, of whom the majority are below grade level, the standardized grade level exams of NYSESLAT, ELA and Mathematics do not provide us valid information on our students' performance. Most students show difficulty in reading comprehension sections throughout all state assessments. Most of our students demonstrate lower scores in the reading sections of the state exams. Therefore, PS373R plans to focus more on foundational skills and ensure that the students receive the prerequisite skills needed to read and comprehend. In

spring of 2024 two standardized assessment ELLs took the ELA state test. One performed at level 3 and one performed at level 1. 4 standardized assessment ELLs took the math state test. One performed at level 3, one performed at level 2, and two performed at level one.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

PS373R currently does not have SIFE students.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

NA

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

NA

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

NA

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

NA

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

The Instructional Leadership Team (ILT) focuses on Advanced Literacies, specifically vocabulary development. When developing school-wide goals, we considered ELLs as a separate group. Our objective was to enhance speaking and listening skills, measured through Speaking and Listening Standards Checklists. This year, our focus is on understanding every student well. The data reveals that many diverse communities are not adequately represented or are simply categorized as 'other.' The team aims to create surveys and other strategies to deepen our understanding of students' cultures and strengthen staff awareness of individual identities. To bridge the gap between home and school for ELL students, PS373R will adopt the following practices: 1) Create an instructional climate that embraces all students' languages, 2) Encourage students to incorporate their home languages into instruction, 3) Foster collaboration among ELLs from similar backgrounds to enhance progress, 4) Expand the school's cultural repertoire by exposing students to subtitled movies, expanding bilingual book libraries, providing online materials in students' languages, and 5) Teach songs in different languages. Additionally, we will continue organizing cultural fairs and diversity celebrations involving students and their families. We also aim to recruit families to educate the school community about their cultures. Culturally responsive pedagogy will be integrated into every school-based team.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional Leadership Team, ILT, focuses on the Advanced Literacies and specifically vocabulary development. In developing school wide goals with the team, we considered ELLs as a separate group. Our goal was to increase speaking and listening skills and was measured by Speaking and Listening Standards Checklists.

This year, our focus is on knowing every student well. The data indicates there are many diverse communities who are not represented in the data, or are simply categorized as "other". The team seeks to create surveys and other strategies of getting to know the students' cultures more deeply and for staff to have a stronger understanding of who they are as individuals.

P373R implements specific curriculum for each subject area. P373Rs ELA curriculum includes HMH, Readtopia,

Fundations, Sound Sensible. The Math curriculum includes GoMath and Envision Math. The Social Studies curriculum includes Passport. The Science curriculum includes Amplify.

To bridge the gap between home and school for ELL students, PS373R will adopt the following practices: 1) Create an instructional climate that embraces all students' languages, 2) Encourage students to bring their home languages into instruction, 3) Encourage ELLs from the same background to collaborate with each other to improve progress, 4) Expand the school's cultural repertoire by exposing students to subtitled movies, expanding libraries of bilingual books, providing materials in students languages through the Internet and 5) Teaching songs in different languages.

Additionally, we will continue to provide cultural fairs and diversity celebrations, both with students and their families, as well as recruit families to teach the school community about their cultures. We intend on including culturally responsive pedagogy in every school-based team.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

PS373R has a freestanding ENL program. Therefore, during CR Part 154 mandated integrated ENL minutes, the ENL teachers integrate during ELA instruction. The ELA content is enriched by implementing scaffolding techniques to enhance students' writing schema and other performance tasks. Some scaffolding techniques include, but are not limited too, modeling, bridging, and schema building. Differentiated instruction and grouping are provided during ELA. ELL students who score below grade level receive increased instruction in skill areas using ENL methodology, which includes the Language Experience Approach and the Balanced Literacy concept. All intervention programs are conducted in English. These interventions may include: modeling, gestural, verbal and partial physical (light touch on shoulder/arm) prompts to focus on tasks, positive praise and recognition, visual and hands-on supports for learning, parent training two times per year to address ongoing concerns, movement breaks during the day to help focus during sitting down activities, visuals and/or objects, visual class schedule, visual class rules, broken down and simplified directions, small group work, sentence starters, quiet space, limited distractions, extra time, on-task focusing prompts, cooperative learning, counseling, guidance, and/or other after-school programs. During stand-alone sessions, instructional methodologies and strategies used with ELL students include Total Physical Response (TPR), Language Experience Approach (LEA), and Cooperative Learning. Adapted materials are developed to help ELL students access the content learned in the classroom and Next Generation Learning Standards.

PS373R is currently HAS a 12:1:1 Spanish DLBE bilingual program, which will include students from kindergarten through 2nd grade. Additional students at P373R who are mandated to receive bilingual services are placed in monolingual classes and provided an Alternate Placement Paraprofessional in their language to support their home language while learning English. Therefore, students will receive the CR Part 154 mandated ENL units of study and the services of an Alternate Placement Paraprofessional who speaks the student's home language and English. The DLBE bilingual Spanish program will use HMH ¡Arriba la Lectura! (Spanish version) and HMH Into Reading (English version) curriculum to teach HLA and ELA.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

PS373R is a District 75 school, therefore, all of the students are ELLs with IEPs. At P373R teachers of ELLs with IEPs use the following instructional strategies and grade-level materials (including technology): modeling, gestural, verbal and partial physical (light touch on shoulder/arm) prompts to focus on tasks, positive praise and recognition, visual and hands-on supports for learning, parent training 2 times per year to address ongoing concerns, movement breaks during the day to help focus during sitting down activities, visuals and/or objects, visual class schedule, visual class rules, broken down and simplified directions, small group work, sentence starters, quiet space, limited distractions, extra time, on-task focusing prompts, cooperative learning, using a stand-alone and Integrated model for duration of 50 minutes per session. We have inclusion programs to maximize time spent with typically developing peers. Bilingual students in our monolingual programs are provided with an alternate placement paraprofessional who speaks their language. Alternate placement paraprofessionals assess students' literacy levels in their home languages and provide informal academic support in both their home languages and English. We follow the Next Generation Standards and incorporate ENL research-based strategies for Standardized Assessment students. PS373R employs assessments and programs to enhance ELLs' foundational reading skills, including Sounds Sensible, Fundations, and Spire. Classrooms are equipped with Smart Boards, iPads, and a library that supports special needs students in ENL instruction through literature in English and their home languages. Certified ENL teachers collaborate with classroom teachers and counselors, assisting them with ENL strategies and techniques. Additionally, we utilize the Teacher's Resource Center, which offers books and materials in students' home languages. Interactive methodologies and strategies include field trips, small group activities, role-playing, games, and Think/Pair/Share. We also use graphic organizers such as t-charts, webs, maps, flow charts, and Venn diagrams. Visual aids like videos, captioning, labeling, and modeling enhance learning. To improve auditory skills, we incorporate various forms of music, audio tapes, and chants to aid in memorizing challenging content.

b. SIFE

PS373R currently does not have any SIFE students.

c. Newcomers

At 373R ENL teachers use the following instructional strategies for Newcomers: provide newcomers instruction through the Language Experience Approach, Balanced Literacy enriched with scaffolding techniques such as modeling, bridging, contextualization and schema building in class. Translation will be provided when necessary in order for students to make comprehension of tasks. Students will also work towards increasing reading, writing, listening, and speaking skills through infusing ENL strategies into Literacy lessons in the classroom and in the Title III Saturday program.

d. Long Term ELLs

At 373R ENL teachers use the following instructional strategies for Long Term ELLs: ENL teacher continues to monitor progress in reading, writing, speaking, and listening skills in English through using the NYSESLAT data and other assessment data utilized by the classroom teachers and related service providers, provide instruction that develops a strong foundation in academic language in English and content area courses that focus simultaneously on content and literacy learning across content areas, give various opportunities to participate in advanced academic tasks and interactions so that they develop the skills they need to be vibrant members of a school's learning community and be on a path to college and career readiness, group activities are planned to encourage collaboration and peer interactions in the classroom, scaffolding techniques and ENL strategies are implemented into literacy lessons that will guide them to college and career readiness.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

373R is District 75 school, therefore, all of the students have IEPs. The Main location primarily follows the same Learning Standards based curriculum as the general education population. The co-located sites have flexible programming with the same standards-based curriculum so that all of the ELL students interact with the general education population. In order to ensure that all of the programming is used to maximize time spent, all teachers receive a common prep-period and/or weekly remote meetings via Google Meet to collaborate on strategies and activities which may better enable ELL students to accomplish IEP goals and become more proficient in speaking, reading, writing and listening in English in the least restrictive environment. We have inclusion programs to maximize time spent with non-disabled peers.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

PS373R iDLBE K-2 Spanish Bilingual class for the 2024-2025 school year. We USE Estrellita as the home language assessment.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

PS373R currently does not provide language electives.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

P373R has a free standing ENL program. Additionally P373R has a Spanish DLBE bilingual program. According to the ELL Reference Guide, Integrated ENL is instruction to build English language skills through content area instruction. It is delivered by a certified ENL teacher and a certified content area teacher (i.e., English language arts, math, science, or social studies). Both methods of integrated ENL instruction include content area subject matter and English language development using ENL strategies."

When co-teaching both ENL teachers work in collaboration with the classroom teacher to provide ELL students with content area instruction along with the rest of the class. The content area teacher provides the content while the ELL teachers provide scaffold support to the ELLs along with modifications, accommodations, visuals, and strategies to help them access skills during content lessons.

ENL teachers, bilingual teachers, as well as content teachers continuously work together during the year during common planning times as well as our PD time on Fridays from 1:45-2:50 when students are not present. ENL and bilingual teachers consult with the District 75 ELL coaches and director regarding issues of compliance and instruction. School-based professional development activities include workshops that address the instruction of ELLs (e.g. language acquisition, co-teaching strategies, next generation standards connections). The out of classroom staff such as the IEP teacher, testing coordinators, and site supervisors provide additional supports to teachers and paraprofessionals.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

All ELL personnel are given opportunities to attend professional developments throughout the school year. Offered at the district level, classroom teachers, speech teachers, and guidance counselors are encouraged to attend ENL Methodology courses, which brings awareness of the needs of ELLs, the regulations safeguarding their education, and the methodologies and strategies which should be used to foster language/communication acquisition. In addition, there are opportunities for both classroom teachers and ENL instructors to participate in a collaborative team teaching training, which introduces a team teaching model for the success of the ELLs with disabilities. Other ENL professional development opportunities are provided for all UFT members in the UFT headquarters, which introduces incorporating ENL strategies into the classroom. All ELL personnel also have opportunities to participate in other ENL professional developments through iTeachNYC bulletin and Division of Multilingual Learners (DML) website. DML also includes after school professional development program courses of ELLs, which include, introducing ELLs, incorporating Next Generation Learning Standards., teaching ELLs using technology, etc. Free webinars, which all ELL personnel could view at any time, include incorporating ENL and technology, Next Generation Learning Standards. Standards, and ENL strategies into the classroom. ENL instructors are scheduled to attend professional developments throughout the year which include ELL compliance, Language access training, and ELL strategies for ELLs with disabilities through the district office.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

In P373R ,professional development opportunities are also provided by P373R on Friday afternoons for 50 minutes during and Election Day and Chancellor's Conference Day through UFT and District 75 headquarters. Certificates are provided if taken at the District 75 department training. ENL professional developments that are offered in and out of the organization can be accessed on www.District75PD.org and DML. In addition, classroom teachers are given a common prep period for opportunities to receive professional development. Webinars using WETEACHNYC.org is available for all teachers throughout the year. Each professional development will include an agenda, sign in sheet, and a handout that highlights important information for teachers to refer to and implement into their instructional practice when necessary. All professional development documents will be stored in the ELL Folder of Critical Documents.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

The screening assessments the Language Proficiency Team uses and analyzes to guide instruction are: Fountas and Pinnell, SANDI/FAST, ABLLS-R, FAST, Map Growth, Acadience, and teacher made materials. The data from these assessments are used to address the needs of the students. If students are not preforming to their standards, teachers will create lessons to improve in such areas.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

At PS 373R, targeted interventions are implemented to support ELLs in English Language Arts, Math, and other core content areas. ENL teachers collaborate with classroom teachers to provide both push-in and pull-out instruction, embedding language scaffolds into daily lessons across subjects. Students benefit from small-group and individualized instruction that focuses on foundational literacy skills, such as phonics, decoding, and fluency, while also building academic language through vocabulary, grammar, and structured sentence practice. In reading, evidence-based programs and leveled literacy supports accelerate literacy development, while in math, instruction emphasizes explicit vocabulary teaching, the use of visuals and manipulatives, and sentence frames to strengthen problem-solving and conceptual understanding. Assistive technology tools, including translation software, text-to-speech, and graphic organizers, further reinforce comprehension and access to content. Progress is continuously monitored through assessments of reading, writing, math, and language proficiency, allowing teachers to adjust instruction and ensure that interventions remain responsive to individual student needs.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

At PS 373R, we use a Multi-Tiered System of Supports (MTSS) to guide instruction for ELLs with severe special needs by relying on consistent data-based decision making. A collaborative leadership team that includes ENL educators, special educators, and related service providers regularly reviews academic, social emotional, and language data to set goals, monitor progress, and coordinate supports. Universal screeners, diagnostic assessments, and state summative exams are administered with IEP accommodations and, when possible, in students' home languages, while progress monitoring occurs weekly or biweekly for students receiving Tier 2 and Tier 3 interventions. At Tier 1, core instruction is designed to be linguistically accessible, culturally responsive, and inclusive of students' strengths, while higher tiers provide more intensive small group or one on one supports

targeting literacy, math, and language development. All interventions are evidence based and implemented with fidelity, with instructional adjustments guided by data reviews. Families and community partners are actively engaged in the process, ensuring that support strategies address the whole child and strengthen connections between school and home.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

PS373R uses SANDI, First Author and Fountas & Pinnell, ABBLS-R, Fast, Map Growth and teacher made assessments to assess the literacy skills of each student. Letter recognition, sound, comprehension and decoding skills determines the ELA skill level of each ELL. Students' instruction will be drawn from this information as well as the Foundational Skills as listed in Next Generation Learning Standards. The data suggests that the early childhood students need more practice in letter recognition and phonemic awareness. As the older students need more practice in answering evidence-based questions that determines students' comprehension of informational passages.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

To ensure that ELLs are appropriately evaluated in their home languages, bilingual guidance counselors and bilingual school psychologists conduct triennials and re evaluations in the student's home language.

Additionally, ELLs in our bilingual program will be assessed in their home language, Spanish, as well as English when appropriate. ELLs in our monolingual programs will be assessed in English only.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

To evaluate the effectiveness of our ML/ELL programs, we utilize a range of summative assessments, including the New York State English as a Second Language Achievement Test (NYSESLAT), which measures English language proficiency growth across the four domains of listening, speaking, reading, and writing, and the ELA and Math State Exams (Grades 3–8), which provide data on academic performance in comparison to peers and highlight gaps in content knowledge and language acquisition. Together, these summative assessments allow us to monitor longitudinal progress, identify trends in student achievement, and evaluate the overall effectiveness of instructional supports for ELLs.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the

assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The ENL instructors as well as site coordinators, other NYSESLAT trained pedagogues, and the testing coordinator assist in scheduling and preparing to administer and score the NYSESLAT. Prior to testing, the ENL instructors create a schedule that will allow time to administer the NYSESLAT so as not to negatively impact the ongoing provision of mandated services to ELL students.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

P373R students all receive special education instruction and therefore all have an IEP. Every students testing accommodations are listed on the IEP which is a legal document that all teachers sign showing they have read and understood.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

As per the ELL Policy and Reference Guide, part of the ELL identification process includes an ELL Program Orientation meeting. Schools must notify parents/guardians of their child's eligibility for ELL services and provide information and program selection through parent orientations in the parent's/guardian's preferred language. P373R offers an orientation to parents, including translation services, regarding the three ELL models: English as a New Language, Dual Language Bilingual Education, and Transitional Bilingual Education. Currently, P373R provides both an English as a New Language program and a Dual Language Bilingual Education program for Spanish-speaking students. During the orientation, parents learn about program details, curriculum, teaching resources, assessments, and standards. Additionally, P373R communicates which programs they do and do not provide, along with contact information for parents interested in exploring other programs outside of P373R.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

In accordance with the ELL Policy and Reference Guide, schools are required to meet individually with the parents or guardians of English Language Learners (ELLs) at least once per academic year to review and discuss each

student's progress.

ENL (English as a New Language) teachers are responsible for scheduling and conducting these individual meetings with the families they serve.
Meetings may be held:
In person
Virtually via platforms such as Google Meet or Zoom
By phone, depending on what is most convenient and accessible for the family.
A qualified interpreter or translator will be present when necessary to ensure clear and effective communication.
Discussion Topics Include:

Student progress toward individual language acquisition goals
Identified strengths and areas for growth
Curriculum and assessment tools used
Progress on language development and any additional language needs
Parent concerns, feedback, and suggestions for enhancing their child's program
Documentation: ENL teachers will maintain a detailed record of each meeting using an Excel spreadsheet. This log will include:

Date of the meeting
Mode of communication
Summary of topics discussed
Any follow-up actions or notes

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

P373R does a survey every year to learn which languages other than English our staff can read and/or write. P373R keeps this list on hand so that it is well known which staff can help parents initiate and communicate in languages other than English. P373R also utilizes the translation line as well as technology such as the TalkingPoints app and Lingualinx.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

P373R employs surveys, formal and informal conversations with parents and families to assess their needs. Teachers maintain ongoing communication with families through journals, email, and phone calls. Additionally, P373R organizes monthly cultural themes to foster family engagement opportunities throughout the year. Some of the engagement events include inviting families to create heart art with students, hosting self-love socials for parents, showcasing a women's history march, encouraging parents to stay after the Spring Show for crafts, displaying a women's history project, celebrating the end of Ramadan with a sweet tooth event, inviting parents to create henna hand collages inspired by their family's spring traditions, and organizing a 'Donuts with Dads' event.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

P373R sends whole school memos to parents regarding all family leadership opportunities. Parents whose home language is other than English receive these memos in their home language when necessary.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

P373R celebrates our school's cultural diversity by hosting monthly cultural events that highlight specific cultures and backgrounds, including Lunar New Year, Black History Month, Arab-American Heritage Month, and Asian/Pacific American Heritage Month. Students, staff, and families all participate in these events. Throughout the year, we've partnered with various organizations. For instance, Sundog collaborates with P373R students to teach different types of dance. Additionally, Person Centered Care Services (PCCS) and the Teddy Atlas Foundation celebrate various winter holidays with our students. They organize arts and crafts activities and involve students in holiday traditions. Teddy Atlas also provides motivational talks to our older students from disadvantaged areas. P373R also hosts family events, such as Lunar New Year celebrations with cultural food, parades, site-wide trips, art projects, student-led assemblies honoring famous black leaders, and explorations of Arab heritage through traditional desserts and Henna Hands.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The titles of the members of our identification team are: the ENL teachers, bilingual teacher, Assistant Principal, out of classroom pedagogues (IEP coordinator, testing coordinator, coaches), and certified teachers trained by the district ML/ELL district 75 Office.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The certified ENL teachers and or trained pedagogues are responsible for the intake and identification of ELLs year round. As per CP Part 154, All parents or guardians must complete the Home Language Identification Survey (HLIS) for any child that is enrolling for the first time to the DOE. This is also done within 20 days of enrollment for any student that has been out of our system for two or more years. The HLIS will be completed during the time of registration by the parent or guardian and either the certified ENL teacher or the trained pedagogue. If HLIS indicates that there is predominantly another language other than English spoken in the home then, a Language Proficiency Team (LPT) will be convened. The LPT includes the ENL teacher,
Assistant Principal, Compliance Coordinator, Testing Coordinator and Counselor and the parents of the student. The team will decide if the child is in need of NYSITELL (New York State Identification Test for English Language Learners) administration in order to be identified as a ELL. Students who are determined Spanish speaking and who do not test out of the NYSITELL are provided administration of the Spanish LAB.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Christine Hoffman

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Danielle	Gianfortune	Special Ed Assistant Principal 12 Month	02/26/2025	Y
Jaime	Magi	Teacher - Special Ed Line 3101	10/30/2024	Y
Jennifer	Welch	Special Education Coordinator	2025-2026 SY	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ALBANIAN	3	0.42%	3	0.43%		
ARABIC	2	0.28%	3	0.43%		
BENGALI (BANGLA IN BANGLADESH)	1	0.14%	1	0.14%		
CHINESE ANY	52	7.36%	34	4.82%		
CANTONESE	0	0.00%	6	0.85%		
FRENCH	1	0.14%	1	0.14%		

MANDARIN	1	0.14%	16	2.27%		
ENGLISH	556	78.64%	547	77.59%		
POLISH	2	0.28%	2	0.28%		
RUSSIAN	2	0.28%	2	0.28%		
SPANISH	83	11.74%	83	11.77%		
(AMERICAN) SIGN LANGUAGE	0	0.00%	1	0.14%		
URDU	3	0.42%	5	0.71%		
VIETNAMESE	1	0.14%	1	0.14%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Sesis Documents	P373R will use Office of Language Access (OLA)
School event flyers	P373R will use internal staff to translate or Lingualinx
Written Prior Notices	SESIS has PWN translated
Welcome Letters	P373R will use internal staff to translate or Lingualinx
PTA meeting notices	P373R will use internal staff to translate or Lingualinx

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

IEP Meetings	P373R uses over the phone interpretation or internal staff from the school who speak the language
Parent Teacher Conferences	P373R uses over the phone interpretation or internal staff from the school who speak the language
Parent Counseling and Training	P373R uses internal staff from the school who speak the language to interpret. If virtual closed captioning in preferred language will be provided.
Town Halls and special meetings	P373R uses internal staff from the school who speak the language to interpret. If virtual closed captioning in preferred language will be provided.
504 Meetings	P373R uses internal staff from the school who speak the language to interpret

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

P373R notifies all parents in the event of an emergency at school. For parents of students who speak a language other than English, notifications will be provided via a phone call from a staff member fluent in their preferred language, or through an interpretation service over the phone. Additionally, parents will receive updates via text messages and emails, either written by someone fluent in their language or with the assistance of AI Translate. Communication will also be supported through student home-to-school journals, with staff writing in the parents' language or using AI Translate as needed.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

At the beginning of the school year, the Language Access Coordinator (LAC) will hold a meeting to review language access protocols. All school staff will receive electronic copies of Chancellor's Regulation A-663 and will be given the opportunity to explore its contents. Staff may also meet with the LAC to request additional resources or to ask questions and express concerns. During the school's designated professional time on Fridays from 1:45 PM to 2:50 PM, ENL teachers and the IEP teacher will provide staff with information about available language access resources. Additionally, the Assistant Principal will share details about the WeLearn training and will monitor staff participation by collecting confirmation emails upon training completion.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Multilingual signage is displayed at the main entrance of the school building and at each office in the co-located sites to ensure accessibility for all families. Welcome posters in families' preferred languages are prominently posted at the entrance, and Language ID Guides are available at the security desk, main office, and PTA meeting room. During orientation, parents are informed of their right to receive information in their preferred language and are provided with the Language Access for NYC Public Schools Families brochure. Staff, including school safety agents, are equipped with interpretation service info cards to assist in communication. An internal memo is sent to all staff reminding them of their responsibilities in communicating with Limited English Proficient (LEP) families and the resources available for translation and interpretation.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Parent surveys and questionnaires are distributed electronically or mailed home to gather feedback and identify family needs related to school services. Informal conversations between teachers and limited-English-proficient (LEP) parents are held in person, over the phone, or via Google Meet to further understand and address family concerns. P373 uses E-Chalk to share school updates and important news with families. For those unable to visit the school building, multiple communication options are available—including email, parent-teacher communication apps, phone calls, and Google Meet—so families can stay connected and provide input on their needs and preferences

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

At the beginning of the school year, ENL teachers at P373R connect with the families of all students receiving ENL services, as well as with school staff, to assess language needs and implement appropriate support strategies. To maintain ongoing communication, ENL teachers also hold weekly office hours for families. Both parents of English Language Learners (ELLs) and school staff at P373R consistently express the importance of developing students' communication and social skills. In response, P373R utilizes targeted assessments, curriculum, and programs specifically designed to support the development of these essential skills.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Total number of ELLs to be served in this program:

40

Grades to be served in this program. Select all that apply.

,3,4,5,6,7,8

Total number of teachers in this program:

4

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The Title III program, "Sensory Exploration: Bridging Communication and Learning," will run for seven Saturday sessions from November 2025 through March 2026. Each student session will last three hours, from 9:30 A.M. to 12:30 P.M. Designed for English Language Learners (ELLs) in District 75, this program specifically targets students in grades 3–5 and 6–8, including both developing and long-term ELLs. Through a variety of sensory-based projects and physically engaging activities, the program aims to enhance communication skills, foster social interaction, and support academic language development in a supportive and interactive learning environment.

During the program, students will participate in hands-on sensory activities such as creating sensory bottles, making slime, and exploring a variety of textured foods they can touch, smell, and taste. These experiences are carefully designed to support expressive and receptive language use, introduce new vocabulary, and encourage collaborative dialogue in a meaningful context. In addition, Title III funds will be used to secure the services of "Because We Can Sports," a Staten Island-based athletic organization, to lead seven instructional sessions aligned with the overall program schedule. These sessions will incorporate movement, sports equipment, and group play to promote physical exercise, mental wellness, and healthy habits. Physical engagement not only contributes to students' sensory development but also reinforces teamwork, motivation, and positive social behaviors. This allocation is reflected in the program budget: Because We Can Sports which will do 7 sessions x $250 = $1,750.

Throughout the program, students will work collaboratively through Joint Action Routines (JARs), which require following multi-step directions, turn-taking, and asking and answering questions with peers. After each session, students will co-create a project-based book to document the activity, supporting language comprehension, vocabulary development, and sentence construction. These books will also serve as tools for shared reading, enabling students to engage in both oral and written expression through guided reflection on their experiences.

Students will be grouped according to their Individualized Education Program (IEP) classifications and grade levels to ensure developmentally appropriate and tailored instruction. The program will serve four distinct groups: one middle school 12:1:1 group (12 students, one teacher, one paraprofessional), one middle school 8:1:1 group (8 students, one teacher, one paraprofessional), one elementary school 12:1:1 group (12 students, one teacher, one paraprofessional), and one elementary school 8:1:1 group (8 students, one teacher, one paraprofessional). Additional language support staff, including home language assistance, will be available as needed to support individualized student needs. Oversight and coordination will be provided by a Title III-funded staff member, who will ensure the program's fidelity, support instructional staff, and monitor the achievement of all outlined goals and objectives.

Each teacher will serve as the lead instructor for their assigned group and will ensure that lessons are accessible, appropriately scaffolded, and linguistically responsive. The instructional team will include six paraprofessionals, several of whom are fluent in languages aligned to students' IEPs. An administrator will oversee overall program implementation, ensuring fidelity to the program model and alignment with stated goals.

An integral component of the program will be the inclusion of a school guidance counselor. The counselor will support students' social-emotional development through individual and group check-ins at the beginning and end of each session. They will play a vital role in helping students navigate peer relationships, build self-awareness, and

develop emotional regulation strategies. The counselor will also collaborate closely with instructional staff to embed social-emotional learning (SEL) into both project- and sports-based activities, reinforcing concepts such as empathy, cooperation, and resilience. Additionally, the counselor will provide individualized support to students experiencing emotional or behavioral challenges and may work with families to extend SEL strategies into the home environment. Their involvement ensures that the program addresses the holistic development of each student, academically, socially, and emotionally.

This sensory-based Title III initiative is thoughtfully designed to increase student engagement, develop meaningful communication skills, and create equitable, accessible language learning opportunities for ELLs with disabilities. By integrating hands-on, sensory-rich activities with physical engagement and guided reflection, the program fosters language acquisition, confidence, and collaboration in a dynamic, inclusive, and nurturing environment.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The 373R Title III program is designed to address the specific needs of English Language Learners (ELLs), particularly in the areas of reading and writing, which have been identified as the most challenging modalities for these students. As demonstrated by the Spring 2024 NYSESLAT, Sand/Fast, and NYSAA scores, ELL students consistently struggle with academic language acquisition, particularly in the areas of reading comprehension and written expression. As a result, targeted support in these critical areas is essential for their academic growth and success.

Quantitative data from the Spring 2024 and Spring 2025 NYSESLAT assessment shows a significant number of ELL students performing below the proficiency threshold, particularly in the reading and writing components of the exam. Specifically, 93% of ELL students scored at Level 1 (beginning) and Level 2 (intermediate), indicating that they need intensive support to improve their academic language skills. Additionally, the Sand/Fast and NYSAA data further emphasize the challenges these students face in demonstrating grade-level reading and writing proficiency.

Qualitative data, including teacher observations and formative assessments, indicate that students often face significant challenges in understanding complex texts, formulating written responses, and engaging in academic discussions. Teachers report that these students struggle with basic vocabulary acquisition, constructing simple sentences, and organizing their thoughts coherently in writing. These difficulties are further compounded by limited communication abilities, which hinder their participation in both individual and group activities. As a result, these students often require additional support to process language, express their ideas, and make meaningful connections to the content being taught, which further emphasizes the need for specialized, targeted instructional strategies.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The Title III ELL-funded program will serve a total of 40 English Language Learners (ELLs) in grades 3–5 and 6–8. The participating students include both developing and long-term ELLs, with a significant number identified at the Entering and Emerging proficiency levels. Instruction will be organized into four groups to align with students' academic and support needs: 12 middle school students in a 12:1:1 setting, 8 middle school students in an 8:1:1 setting, 12 elementary school students in a 12:1:1 setting, and 8 elementary school students in an 8:1:1 setting.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will run for 7 sessions on Saturdays, from November 7, 2025 through March 2026. Each session will run for 3 hours from 9:30 A.M. - 12:30 P.M.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The primary language of instruction will be English. However, the home languages of our Title III ELL students, Spanish, Chinese, Russian, Arabic, Urdu, Polish, Turkish, and Albanian, will be supported through the assistance of bilingual teachers and paraprofessionals.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

The program will be led by four ESOL certified teachers. These teachers will be supported by six classroom paraprofessionals, several of whom are fluent in additional languages, as required by students' IEPs.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Title III funds will be used to secure the services of Because We Can Sports for seven instructional sessions at a rate of $250 per session, for a total cost of $1,750. Sports equipment for these sessions will be provided by the vendor and the school at no cost to the Title III program.

The Title III ELL-funded program will also utilize a variety of materials to support sensory-based learning activities. These materials will include items such as bottles, measuring cups, flour, glue, food coloring, art supplies, and a range of textured foods. All supplemental materials will be sourced from educational and sensory suppliers and purchased through the DOE shop, using Title III ELL funds. The total cost of these materials will remain within the 20% cap of the overall Title III allocation, as required.

In addition, MetroCards will be purchased for four families who have expressed a need for public transportation assistance to attend the full seven sessions of the program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parents and guardians will be informed about the Title III program through the distribution of flyers, which will be sent home initially and then on a weekly basis. These flyers will be provided in both English and each student's preferred home language. In addition to the flyers, the Parent Coordinator will engage in outreach efforts and send follow-up emails to ensure families are fully informed and supported.

A binder containing all essential Title III-related documentation will be maintained at the school. The Assistant Principal will be responsible for overseeing this documentation, ensuring its accuracy, completeness, and ongoing compliance with program requirements.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The program's teachers will lead all seven professional development sessions for the supervising administrator and classroom paraprofessionals. These sessions will focus on best practices for instructing English Language Learners (ELLs) with special needs. Staff will benefit from exploring a range of instructional strategies, including prompting, student engagement techniques, writing support, and the integration of technology, to better support student learning.

The professional development series will include the following sessions:

Session 1: Enhancing staff knowledge of effective prompting strategies.

Session 2: Exploring methods to increase student engagement.

Session 3: Integrating technology into literacy instruction through interactive activities.

Session 4: Scaffolding instruction to meet diverse learner needs.

Session 5: Incorporating multisensory learning techniques into daily instruction.

Session 6: Building on students' background knowledge and home languages to support language development.

Session 7: Reviewing and reflecting on the successes and challenges of the Title III program.

These sessions are designed to equip staff with practical tools and strategies to enhance instruction, increase student access to content, and promote academic success.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The professional development provided in the Title III program is designed to address the unique needs of students with severe special needs, where individualized approaches are crucial due to the wide range of abilities and challenges, including communication, sensory processing, and attention. Data from staff needs assessments, surveys, and informal/formal conversations, as well as teacher observation data, indicate a strong need for targeted strategies in these areas. In classrooms, instruction often relies on prompting techniques such as least-to-most prompting and errorless learning, along with the use of visual cues, gestures, and augmentative communication devices to support non-verbal or minimally verbal students. Additionally, teachers struggle to maintain student engagement, and use methods like interactive activities, task variation, and reinforcement systems such as token economies. The integration of technology, such as speech-to-text apps and multisensory learning tools, has also been identified as essential to support literacy development.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The teachers will conduct all professional development sessions for the supervising administrator, guidance counselor and paraprofessionals.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The seven PD sessions will take place on Saturdays (from 9:00 am to 9:30 am) from November 2025 through March 2026. There will be one in the beginning of each session.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Session 1: Enhancing staff knowledge of effective prompting strategies.

Session 2: Exploring methods to increase student engagement.

Session 3: Integrating technology into literacy instruction through interactive activities.

Session 4: Scaffolding instruction to meet diverse learner needs.

Session 5: Incorporating multisensory learning techniques into daily instruction.

Session 6: Building on students' background knowledge and home languages to support language development.

Session 7: Reviewing and reflecting on the successes and challenges of the Title III program.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

The four teachers facilitating the program.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

P373R keeps all documentation organized in a binder at the school. The AP will monitor all Title III related paperwork.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The eight parent engagement sessions will take place on selected Wednesday evenings from November 2025 through March 2026 from 3:30pm-5:30pm (the sessions will be remote).

Session 1: Understanding your child's IEP
Session 2: Building Routines and Independence Through Daily Life Skills
Session 3: Sensory Integration Ideas for Home
Session 4: Supporting Communication at Home (Even Without Speaking English)
Session 5:Understanding the Functions of Behavior and Strategies to Improve Adaptive Behavior
Session 6: Curriculum used in your child's classroom.
Session 7: Technology/programs to support the home and school connection and AAC devices.
Session 8: Navigating Community Resources

The following individuals will provide different sessions of the parental engagement:
ENL teacher and Administrator

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

P.S. 373R conducted parent surveys to identify areas of interest related to their children's education. Based on the results, the school will offer eight targeted parental engagement sessions designed to support families in understanding key aspects of their child's development and learning. These sessions will focus on topics such as

the IEP process, behavior and communication strategies, sensory needs, school curriculum, educational technology, and resources that promote independence at home and in school.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The eight parent engagement sessions will take place on selected Wednesday evenings from November 2025 through March 2026 from 3:30pm-5:30pm (remote). There will be 2 parent engagement sessions each month from November to March for a total of 8.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Session 1: Understanding your child's IEP
Session 2: Building Routines and Independence Through Daily Life Skills
Session 3: Sensory Integration Ideas for Home
Session 4: Supporting Communication at Home (Even Without Speaking English)
Session 5:Understanding the Functions of Behavior and Strategies to Improve Adaptive Behavior
Session 6: Curriculum used in your child's classroom.
Session 7: Technology/programs to support the home and school connection and AAC devices.
Session 8: Navigating Community Resources

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The following individuals will provide different sessions of the parental engagement:
ENL Teacher and Administrator

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parent will receive information about the parental engagement sessions via email, student backpacks and telephone calls in English and their preferred home languages. We will utilize technology such as the Remind app and Talking Points app to assist with translation and interpretation.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

School will maintain communication of Title III family engagement activities and notifications to families in a Title III binder. The AP will monitor all Title III related paperwork.
