Is It A Good Fit For Your Child?

- Do you live in Harrisonburg City?
- Is your child entering Kindergarten or First Grade?
- Does your family speak either English or Spanish at home?
- Do you want your child to become bilingual and biliterate?
- Will you commit to stay in the Dual Language program until your child graduates?
- Are you okay with your child having challenging homework in a second language (that you may not be able to help with)?

If you answered YES to all of these questions, contact the principal of your child's school for more information!

Dual Language In Harrisonburg

Harrisonburg educators became interested in Dual Language because of research showing it is an effective way to help English Language Learners succeed academically. It is a model used around the country that has a strong track record.

The first Dual Language program in Harrisonburg began at Smithland Elementary School in the fall of 2010, and the program is now expanding to other city elementary schools as well. We add a grade each year as the children get older!

Harrisonburg City Public Schools Dual Language

What Is Dual Language?

In a Dual Language program, students learn for part of the day in their home language and for part of the day in a language that is new to them. In Harrisonburg City, our Dual Language students learn **Spanish and English.**

Program Goals

All students will develop high levels of proficiency in their first and second languages. They will be both *bilingual* (listening and speaking in both languages) and *biliterate* (reading and writing in both languages).

Academic performance for all students will be at or above grade level.

All students will demonstrate positive cross–cultural attitudes and behaviors.

HCPS: A place where learning has no limits and together we work for the success of all.
