Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Pamela Pritzker-Ridley	*Principal or Designee	
Mike Nappi	*United Federation of Teachers (UFT) Chapter Leader or Designee	
Carolin Martinez	*Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
N/A	Title I Parent Advisory Council Chairperson (or alternate)

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At PS 347, a 3K-8 school, our mission is to transform the educational landscape for Deaf, CODA, Hard of Hearing and hearing children. We foster a collaborative environment where the unique identities of our students and staff converge, empowering us to enhance educational outcomes for students. Through data inquiry cycles, and a multi-modal approach to education for Deaf, CODA, Hard of Hearing and hearing children, grounded in the Science of Reading principles, we aim to inspire every student to achieve their fullest potential while embracing and celebrating the rich diversity of our community.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

According to the most recent School Quality Report, PS 347's student population is 2% Asian, 24% Black, 54% Hispanic/Latinx, and 16% White. Of our students, 31% are English Language Learners and 61% have Individualized Education Programs (IEPs). In 2024, we became officially a dual language program for ASL and English, further supporting the bilingualism that makes our community so unique.

Of course, our students are much more than data points—they are individuals with diverse strengths and stories. PS 347 is a school for Deaf and Hard of Hearing students, Children of Deaf Adults (CODAs), and children from the surrounding neighborhood.

Our school thrives on strong community-based partnerships. We regularly welcome members of the Deaf and Hard of Hearing community for collaboration and engagement.

Our elementary students experience the arts through field trips to local theaters and museums, while middle school students participate in a theater program. PS 347 also takes part in Marie Philip's ASL storytelling, poetry, and visual arts competition, as well as the De'VIA visual arts competition for Deaf and Hard of Hearing students.

We are proud to host teaching artists and partner with organizations such as Hispanico Culture Arts, Studio in a School, Kids in the Game and more.

Briefly summarize the key initiatives your school will implement this school year.

ELLs:
Continuing to foster the ASL richness of our school, we will continue to have a Language Placement Team. The purpose of the Language Placement Team is to review any students with IEPs who might have other disabilities that impact the students need for ELL services.
We have also trained the ELLs teachers on Fundations and Wit & Wisdom in efforts to align The ELLs teachers Professional Learning with the classroom teachers.

Data:
Literacy: We have two internal Peer Collaborative Teachers who are trained as Fundations coaches. Now that we have built capacity internally, we will utilize ongoing internal coaching. We also have a Peer Collaborative Teacher in Pre-K who will take the lead on Fundations in 4k and assist the elementary team with strengthening the gap between Pre-K and K.

Math: This year have a model teacher who is taking the lead in the elementary math classroom. She is assisting us with rolling out additional assessments (Bridges) and taking the lead on coordinating our intervention tutor.

Hiring:
Each new hire is expected to take a class at Sign Language Center when they agree to work at our school.

Bullying:
We will continue to use the YONDR pouches. The RULER curriculum will begin this fall as teachers have been trained on the SEL curriculum. A We continue to have a dean who will host parent and student orientations and be a liasion to families.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Wit & Wisdom	
ELA	K-3	Fundations	
ELA	K-2	Heggerty	
Math	K-5	Envisions	iReady
Math	6-8	IM	iReady
ELA	6-8	HMH	iReady

ELA	3-8	Phonics for Reading	
ELA	K-8	Fairview	(Deaf students only)

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the Spring 2025 EOY IReady and Acadience ELA benchmark assessments, Only 37% of students K-2 are reading on grade level. Based on the Spring 2025 NYS ELA Assessment for grades 3-8, 26% of our 3rd grades are proficient in reading and 39% of our 4th-8th grades are proficient in reading. The focus will be Strengthen Tier 1 ELA instruction in grades K-8.	Additional training and support to strengthen tier 1 instruction	K-2 Acadience and iReady demonstrate a stronger need for growth.
Strengthen Tier 2 ELA instruction by consistently progress monitoring school wide for WIN as only 10% of Black and Brown students are reading on grade level.	Our population is primarily Children of Deaf Adults (CoDA) and most students experience language deprivation. When the students enter our program they	Acadience data indicate a significant need for intervention and monitoring school wide. If a

	are behind. This contributes to more students needing Tier 2 instruction.	student tests out of intervention they should move levels or programs

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	40%	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 13% Increase, from 37% to 50%, of students performing on grade level for reading based on the 2026 EOY iReady and Acadience, assessments.
Black Students	10%	By June, 2026, literacy for Black Students will improve, as measured by a 10% Increase, from 10% to 20%, on the iReady, Acadience and Strategic Reading Period data.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

During the 2025–2026 academic year, the school will implement a Multi-Tiered System of Supports (MTSS) framework to ensure a systemic, data-driven approach to improving student performance and closing achievement gaps. Grounded in research-based practices, this strategy will establish a consistent structure for identifying students' academic and behavioral needs and providing tiered interventions aligned to those needs.

Through regularly scheduled data inquiry cycles, the MTSS team will analyze student performance data from multiple sources (e.g., formative assessments, i-Ready diagnostics, acadience data, attendance, and behavioral indicators). This process will allow for the early identification of struggling learners, the targeting of appropriate interventions, and the monitoring of progress over time.

This research-based strategy ensures a systemic shift toward continuous improvement by embedding data-driven decision-making within instructional planning and intervention design. By aligning strategy, action steps, monitoring, and targets, the MTSS framework builds sustainable instructional capacity, enhances collaboration across teams, and ensures equitable access to supports for all students.

The teachers will continue to participate in professional development that focuses on the implementation of the ELA curriculum with fidelity. The

Root Cause Addressed:

Continuing PD needed on differentiation and co-teaching models to strengthen tier 1 instruction. Intentionally using WIN periods with data and progress monitoring.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action

steps will be introduced and rolled out.

Action Steps
Adjust schedules for WIN periods. The WIN periods existed in the past but they are more specific with teacher leaders and the MTSS team monitoring student progress. We ended the year with a database indicating all students levels in math and ELA and indicated if they are SWDs and ENL students in addition to their levels.
Provide parent workshops on academics and strategies parents can use at home to strengthen ELA instruction. Our Community Coordinator, Social Worker and Parent Coordinator have already created ASL facing resources centered around Wit & Wisdom and scheduled workshops to ensure this is implemented this year.
Form an MTSS Team composed of administrators, teachers, intervention specialists, and counselors to guide implementation and professional learning.
Conduct monthly data inquiry cycles to analyze student performance, determine root causes of underachievement, and adjust instructional and intervention plans accordingly.
Provide ongoing professional development to teachers on evidence-based instructional and intervention practices, data analysis, and progress monitoring.
Integrate tiered supports into daily instruction to promote sustainability and build teacher capacity for differentiation and targeted intervention using the ELA curriculum resources.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine

progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

This year, the school will strengthen its Multi-Tiered System of Supports (MTSS) framework by implementing a systematic, research-based approach to intervention planning and progress monitoring. The MTSS team will utilize data inquiry cycles to review student performance, adjust interventions, and ensure that practices are implemented with fidelity across all tiers.

Action Steps:

1. Establish MTSS Team and Meeting Structures:
Form a cross-functional MTSS leadership team composed of administrators, instructional coaches, and grade-level teacher representatives. This team will meet bi-weekly to review student data, analyze intervention outcomes, and adjust supports based on progress-monitoring results.

2. Implement Data Inquiry and Progress-Monitoring Cycles:
Conduct structured data cycles every six weeks using student performance data, progress-monitoring logs, and digital data dashboards. Intervention outcomes will be reviewed to assess effectiveness and inform data-driven adjustments to instructional supports.

3. Strengthen Oversight and Accountability Systems:
Leadership and teacher teams will maintain meeting minutes, checklists, and intervention tracking forms to document implementation fidelity. Weekly coaching cycles, classroom observations, and learning walks will be used to ensure interventions are delivered consistently and aligned with Tier 1 and Tier 2 supports.

4. Build Teacher Capacity Through Reflection and Professional Learning:
Administer quarterly teacher reflection surveys to assess confidence and capacity in implementing MTSS practices. Results will guide ongoing professional development sessions focused on differentiation, intervention design, and data interpretation.

Monitoring Structures:

Leadership Oversight: The MTSS leadership team will review implementation data bi-weekly and provide feedback during coaching sessions.
Evidence of Implementation: MTSS meeting minutes, progress-monitoring logs, coaching notes, and data dashboards will serve as evidence of fidelity and progress.
Frequency of Review: Data cycles and reviews will occur every four to six weeks, with leadership check-ins weekly to monitor alignment and next steps.
Feedback Loops: Reflection surveys and coaching debriefs will inform adjustments to practices and identify further support needs.

Targets:

100% of grade-level teams will submit completed intervention tracking forms for review during each data cycle.
By midyear, 80% of teachers will report increased confidence in using MTSS protocols (as measured by reflection surveys).
By year-end, 85% of students receiving Tier 2 interventions will demonstrate measurable growth on progress-monitoring assessments.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/10/2025	06/20/2026	Provide parent workshops on academics and strategies parents can use at home to strengthen ELA instruction.	NA
09/10/2025	06/20/2026	Our Community Coordinator, Social Worker and Parent Coordinator have already created ASL facing resources centered around Wit & Wisdom and scheduled workshops to ensure this is implemented this year.	NA

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the June 2025 OORS report, we had 24 incidents of behavior codes A24. The primary times this occurred was during meal time, electives, recess and PE.	There needs to be more effective seating and monitoring during meal times as well as explicit monitoring of student behaviors during recess, electives and PE.	Structured recess time and additional support for monitoring behaviors during recess, electives and PE
Based on the June 2025 School Survey, student to teacher trust is 82%.	Staff need to continue to develop student teacher relationships that foster trust.	PD for staff members on SEL strategies

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	15	By June, 2026, physical and mental wellness for all students will improve, as measured by a 30% decrease, in reduction of A 24 incidents from 15 to 5 per the OORS reports.
Students with Disabilities (SWD)	14	By June, 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a 30% Decrease, in reduction of cafeteria incidents from 14 to 4 in A33, per the OORS reports .
All Students	82%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 8% Increase students will report an increase of teacher to student trust from 82% to 90%, per the NYC School Survey results .

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Goal 1:

By June 2026, physical and mental wellness for all students will improve, as measured by a 30% decrease in A24 incidents (from 15 to 5) per OORS reports.
Key Strategies

1. Appoint a Dean of Students to Monitor Discipline Trends

Establish a behavior monitoring system that tracks A24 incidents weekly using OORS data.
Conduct biweekly behavior review meetings with grade-level teams to identify root causes and proactive interventions.
Implement restorative practices (e.g., peace circles, conflict resolution sessions) to address issues before escalation.

2. Integrate “Kids In The Game” CBO for Structured Recess Supervision

Partner with Kids In The Game to lead structured play and SEL-based activities during recess to reduce unstructured conflicts.
Incorporate recess coaching and teamwork-based games to promote collaboration and sportsmanship.
Monitor incident data during recess to assess impact and adjust programming accordingly.

3. Counselor-Led Tiered Support Systems

Develop a Tier 2 behavior support group for students with repeated behavioral incidents.
Facilitate weekly SEL check-ins for at-risk students, emphasizing emotional regulation and coping skills.
Integrate counseling notes into the MTSS dashboard to monitor student progress.

Goal 2:

By June 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a

30% decrease in cafeteria incidents (from 14 to 4) in A33 per OORS reports.**

Key Strategies

1. Dean of Students Oversight of Cafeteria Behavior Systems

Implement a Cafeteria Positive Behavior Framework with clear expectations, visual reminders, and reward systems for positive behavior.
Assign the Dean of Students to observe cafeteria transitions and identify environmental triggers for SWD.
Coordinate with paraprofessionals and teachers to ensure consistent behavioral supports.

2. Counselor Collaboration with IEP Teams

Integrate SEL interventions into IEP goals where appropriate (self-regulation, peer interaction).
Conduct small-group counseling sessions for SWD focusing on social communication and emotional awareness.
Monitor behavioral data alongside IEP progress reports to track alignment and effectiveness.

3. “Kids In The Game” Lunchtime Engagement Support

Utilize CBO staff to lead structured lunchtime games that engage SWD students in positive peer interactions.
Provide movement and sensory-friendly activities for students needing de-escalation opportunities.
Gather feedback from SWD teachers and paraprofessionals to refine supports.

Goal 3:

By June 2026, physical and mental wellness for all students will improve, as measured by an 8% increase in student-reported teacher-to-student trust (from 82% to 90%) per the NYC School Survey.

Key Strategies

1. Counselor-Led SEL and Mental Health Supports

Deliver schoolwide SEL lessons to foster empathy and communication.

2. CBO and After-School Partnership for Extended Engagement

Conduct quarterly reviews with CBO staff to assess progress toward trust and wellness indicators.

Root Cause Addressed:

An uptick in in school suspensions and lunch detentions
Staff need to continue to develop student teacher relationships that foster trust.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Through the development of action plans for specific students, the frequency of infractions for some students will decrease.
Through behavioral expectation presentations at the beginning of the school year, students will be clear about behavioral expectations.
Parent facing workshops on behavioral needs in schools.
AP & Principal meeting with teachers for IPCs
Deliver schoolwide SEL lessons to foster empathy and communication.
Establish a behavior monitoring system that tracks A24 incidents weekly using OORS data. Conduct biweekly behavior review meetings with grade-level teams to identify root causes and proactive interventions. Implement restorative practices (e.g., peace circles, conflict resolution sessions) to address issues before escalation.
Integrate SEL interventions into IEP goals where appropriate (self-regulation, peer interaction). Conduct small-group counseling sessions for SWD focusing on social communication and emotional awareness. Monitor behavioral data alongside IEP progress reports to track alignment and effectiveness.
Utilize CBO staff to lead structured lunchtime games that engage SWD students in positive peer interactions. Provide movement and sensory-friendly activities for students needing de-escalation opportunities. Gather feedback from SWD teachers and paraprofessionals to refine supports.
Partner with Kids In The Game to lead structured play and SEL-based activities during recess to reduce unstructured conflicts. Incorporate recess coaching and teamwork-based games to promote collaboration and sportsmanship. Monitor incident data during recess to assess impact and adjust programming accordingly.
Continued PD for staff on SEL strategies.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The MTSS and PBIS teams—composed of the Dean of Students, School Counselor, Assistant Principal, and Grade-Level Leads—will meet biweekly to review student behavior, SEL data, and intervention effectiveness.
These teams will maintain progress-monitoring logs, MTSS meeting minutes, and student case tracking sheets to ensure interventions are implemented with fidelity.

2. Data Inquiry Cycles and Dashboard Reviews

The leadership team will conduct monthly data inquiry cycles using the OORS (Online Occurrence Reporting System) dashboard to track A24 and A33 incidents disaggregated by subgroup (e.g., SWD, ELL, grade level).
Data dashboards will visualize trends and be used to guide next steps, including reteaching expectations, adjusting supports, or implementing targeted SEL interventions.

3. Counseling and SEL Progress Reviews

The school counselor will maintain confidential student progress logs, reflection journals, and SEL skill checklists for students receiving Tier 2 or Tier 3 supports.
* Data from these sessions will be summarized during **monthly counseling case review meetings** to assess growth in emotional regulation, social interactions, and trust-building.

4. “Kids In The Game” CBO Collaboration Reports
CBO staff will provide weekly attendance and engagement summaries for recess and after-school programs, highlighting student participation, behavior patterns, and positive social interactions.
The Dean of Students will triangulate this data with OORS reports to determine if structured play correlates with reductions in incident frequency and intensity.

5. Teacher Reflection and Climate Surveys
Teachers will complete quarterly reflection surveys regarding student SEL growth, classroom climate, and teacher-student trust.
Results will be compared with NYC School Survey data to track progress toward the 8% increase in perceived trust.

6. Learning Walks and Observation Cycles
The Dean of Students and Counselor will conduct weekly learning walks and cafeteria/recess observations using a standardized checklist that assesses student engagement, peer interactions, and adherence to behavior expectations.
Observation notes will be reviewed in leadership meetings to identify professional learning needs or systemic barriers.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/06/2025	06/25/2026	SEL Information Sessions for Parents	TBD

TBD

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the EOY 2025 IReady Math benchmark, 58% of students in grades K-2 are below grade level on algebraic thinking. 23% of students in grade 3 are proficient in math and 34% of students in grades 4-8 are proficient in math based on the NYS 2025 Math Assesment .	Strengthening Tier 1 instructional practices (co-teaching, less reliance on the videos). Not enough intentional reflection on data practices and intervention	Tier 1 Math Instruction needs to be strengthened in grades K-8 in order for students to be able to demonstrate mastery of the Math standards. Tier 2 Math interventions need to be strengthened for all students performing below grade level.
Students with disabilities are underperforming by 87% for grade level mathematics.	Curriculum, Strengthening Tier 1 practices, refining	Tier 1 Math Instruction needs to be strengthened in grades K-8 in order for students to be able to demonstrate

	intervention and differentiation strategies as indicated through Advance observations.	mastery of the Math standards.Tier 2 Math interventions need to be strengthened for all students performing below grade level across all grades

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	57%	02M347 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students in grade 3-8 scoring at or above grade level will Increase by 3% from 57% to 60%, for All Students, as measured by NY State math exam results .
All Students	42%	02M347 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students in K-2 scoring at or above grade level in Algebraic Thinking will Increase by 10% from 42% to 52%, for All Students, as measured by K-2 IReady Math Results.
Students with Disabilities (SWD)	84%	02M347 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring below grade level will Decrease by 10% from 84% to 74%, for Students with Disabilities (SWD), as measured by NYS Math exams and the IReady EOY Math Assessment.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Key Strategies to Address Math Achievement Goals

1. Strengthen Tier 1 Math Instruction (Grades K–8)

Implement standards-based core instruction aligned to the Next Generation Math Standards with an emphasis on algebraic thinking, problem-solving, and conceptual understanding.
Embed co-teaching models (parallel and station teaching) in inclusion settings to ensure students with disabilities access grade-level content with appropriate scaffolds.
Reduce reliance on video-based instruction by providing teachers with professional learning on explicit instruction, modeling, and guided practice in mathematics.
Use lesson internalization protocols to ensure teachers unpack standards, identify success criteria, and plan targeted questions that build mathematical reasoning.
Implement “Math Talks” 2–3 times per week to promote mathematical discourse and reasoning among students.

2. Strengthen Tier 2 Math Interventions and Differentiation

Establish targeted intervention blocks (WIN/RTI periods) using i-Ready resources to address foundational skill gaps for students below grade level.

Utilize formative data cycles every 4–6 weeks to identify students requiring Tier 2 support and to monitor the progress of intervention groups.
Train interventionists and co-teachers in diagnostic data analysis and differentiated small-group instruction using manipulatives and visual models.
Implement fidelity checks (lesson plan reviews, coaching cycles, and learning walks) to ensure interventions are implemented consistently and effectively.

3. Build Teacher Capacity Through Professional Learning

Monthly professional development on *MTSS-aligned math instruction,data-driven planning, and scaffolding strategies for SWDs and ELLs.
Instructional coaching cycles will focus on lesson modeling, co-observation, and feedback targeting questioning,

pacing, and differentiation.
Leverage Advance observation data to refine lesson design and promote reflective practice among teachers.
Establish grade-band PLCs (K–2, 3–5, 6–8) focused on analyzing student work, reviewing math misconceptions, and planning interventions collaboratively.

4. Strengthen Data-Driven Decision-Making

Implement bi-monthly data inquiry cycles where teachers analyze i-Ready and NYS interim assessment data to adjust instruction.
Develop classroom data walls to visualize student progress and foster accountability.
Use progress monitoring tools (i-Ready Growth Monitoring, teacher-created exit tickets, and formative quizzes) to adjust instruction and groupings dynamically.
Review SWD subgroup data monthly to ensure targeted supports are closing achievement gaps.

5. Provide Targeted Supports for Students with Disabilities (SWDs)

Co-develop Individualized Math Learning Plans with specific strategies aligned to students' IEP goals.
Increase push-in and co-teaching opportunities to ensure SWDs receive Tier 1 instruction with scaffolded supports.
Integrate manipulatives and visual representations into instruction to support conceptual understanding.
Partner with the school's MTSS and IEP teams to track progress on math benchmarks and adapt interventions accordingly.

6. Increase Family and Community Engagement in Mathematics

Host quarterly Family Math Nights to build parents' confidence in supporting math learning at home.
Send home monthly math newsletters and at-home practice resources aligned with current units.
Collaborate with CBO partners to provide after-school math enrichment programs for students performing below grade level.

7. Monitoring and Accountability Structures

Leadership Team and MTSS Team meetings (bi-weekly) to review progress-monitoring data, intervention logs, and i-Ready reports.
Principal and AP walkthroughs focusing on Tier 1 math instruction and small-group practices.
Quarterly data reviews with grade teams to track progress toward SMART goals and identify professional learning needs.
Use Advance and i-Ready Growth data as evidence of instructional effectiveness and impact.

Root Cause Addressed:

Strengthening Tier 1 instructional practices (co-teaching, less reliance on the videos). Not enough intentional reflection on data practices and intervention, Curriculum, Strengthening Tier 1 practices, refining intervention and differentiation strategies as indicated through Advance observations.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Embed co-teaching models (parallel and station teaching) in inclusion settings to ensure students with disabilities access grade-level content with appropriate scaffolds.
Use lesson internalization protocols to ensure teachers unpack standards, identify success criteria, and plan targeted questions that build mathematical reasoning.
Monthly professional development on *MTSS-aligned math instruction,data-driven planning, and scaffolding strategies for SWDs and ELLs. Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Expand our elective offerings for middle school students.	Due to the size of the middle school we will partner will the high school and additional CBOs to offer additional electives	Diversify our offerings to enhance rigor
Increase the number of students who take the SHSAT exam by 10	Small class sizes contributed to the low number of students taking the SHSHAT	Recruit for middle school to expand the

%		population.
Continue to develop the vertically aligned Deaf history and ASL curriculums	No Deaf history class in the past, inconsistent ASL class offerings	Continue to unit plan and develop curriculums

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	10%	PS 347 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, 20% of students will take the SHSHAT exam an increase from 10% of students who took it this year.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

1) Build awareness & urgency

Host short, repeated info sessions for grades 6–8 (daytime classes + evening family sessions). Include: what the SHSAT is, timeline, how to register, and how offers work.
Provide myth-busting one-pagers (English + the top home languages + ASL video) that explain: it's free, no GPA cutoff to test, accommodations are available, and students can list multiple schools.
Use multiple channels: texts, robocalls, flyers, school website, social posts, student ambassadors plugging the test during homeroom/advocacy.

2) Remove practical barriers (make it *easy* to say "yes")

Run "Registration Stations" at lunch and after school where counselors help students register on the spot.
Offer transportation support: metro cards, coordinated travel groups, and test-day chaperones.
Pre-collect and submit accommodation requests for students with IEP/504s; assign one staff lead to shepherd approvals.
For Students in Temporary Housing: designate a point person to coordinate test-day logistics, wake-up calls, and meet-up locations; provide a simple "What to bring/where to go" card.

3) Create a preparation pipeline (confidence drives sign-ups)

Low-lift Tier 1: weekly 30–40 min "SHSAT bell-ringer" problems in ELA/math classes for all grade 8 (and spring grade 7).
Tier 2: 6–8-week small-group after-school bootcamp focused on high-yield skills (reading stamina, paired passages, editing, grid-in math).
Two full-length practice exams (baseline + growth) with personalized score reports and next-step recommendations sent to families.
Share quick strategy videos (captioned + ASL) and a simple study calendar. Provide test-taking accommodations practice (e.g., using extended time) so it's familiar.

4) Normalize participation with positive culture

Publicly set a school goal (e.g., “85% of eligible 8th graders sit for the SHSAT”) and post weekly progress.
Recruit alumni/older students who tested to speak in advisory: “Why I took it,” “What I wish I knew.”
*Create “Take the Test” cohort circles—students sign a pledge, get a checklist, attend two prep sessions, and travel together on test day.

5) Family-centered outreach (multilingual & accessible)

Send a 3-touch sequence: (1) save-the-date text, (2) registration link + how-to video, (3) test-day logistics text reminder.
Offer office hours (virtual + in-person) and one “Bring a caregiver” registration night with interpreters and ASL support.
Include SHSAT info in IEP/504 meetings, STH case conferences, and newcomer orientations.

6) Partnerships that scale

Partner with a local CBO/library for space, practice tests, or volunteer tutors.
Ask community groups/faith-based orgs to host weekend “Study & Sign-up” events.
Tap teachers for two targeted Saturday academies (ELA focus; math focus) using released-style items.

7) Data, goals, and accountability

Build a roster with flags: eligibility, registration status, accommodations status, STH, ELL, SWD.
Track weekly: % registered, % attended at least one prep session, practice-test completion, and % who sit on test day—by subgroup (ED, ELL, SWD, STH).
Assign owners: Counselor (registration), SPED lead (accommodations), Family liaison (communications), AP (prep program + data).
Review progress every Friday; send a Monday dashboard to staff.

8) Test-day operations plan

Distribute individualized test-day cards (site, time, what to bring, travel route).
Organize meet-up hubs near transit; provide breakfast/snacks.

Root Cause Addressed:

Increase the number of Students taking the SHSAT

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Host short, repeated info sessions for grades 6–8 (daytime classes + evening family sessions). Include: what the SHSAT is, timeline, how to register, and how offers work.

Provide myth-busting one-pagers (English + the top home languages + ASL video) that explain: it's free, no GPA cutoff to test, accommodations are available, and students can list multiple schools.
Run "Registration Stations" at lunch and after school where counselors help students register on the spot. Offer transportation support: metro cards, coordinated travel groups, and test-day chaperones.
Pre-collect and submit accommodation requests for students with IEP/504s; assign one staff lead to shepherd approvals. Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

(monitor weekly)

* Registration rate (overall & by subgroup)
* Prep participation rate (=4 sessions)
* Practice-test completion rate
* Sit rate on test day (goal: =85% of eligible 8th graders)
* Accommodation approval rate (goal: 100% of eligible students)

* STH sit rate (tracked separately to ensure equity)

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/06/2025	06/25/2026	Distribute individualized test-day cards (site, time, what to bring, travel route). Organize meet-up hubs near transit; provide breakfast/snacks	TBD
09/06/2025	06/25/2026	Partner with a local CBO/library for space, practice tests, or volunteer tutors. Ask community groups/faith-based orgs to host weekend “Study & Sign-up” events. Tap teachers for two targeted Saturday academies (ELA focus; math focus) using released-style items.	TBD

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Local School Staff/ CBO

Other Resources Needed

TBD

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the June 2025 school survey, more family facing resources need to be provided in ASL	Not enough ASL fluent staff	Parent newsletter and website in ASL

Based on the June 2025 school enrollment data and parent feedback, we need to Increase our offerings of hygiene supplies, clothing & healthy food in the pantry	We have 19 students in temporary housing & a significant number of low income families	Continue to build the school's CBO relationships so we can provide necessary resources when requested as well as healthy shelf stable food able to be cooked on a hot plate or in a microwave.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of Economically Disadvantaged (ED) Students	3	02M347 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of Economically Disadvantaged (ED) Students with the following SMART Goal: By June, 2026, we will increase the number of families engaging with the school will Increase by 7 from 3 to At least 10 parents will attend every coffee with the Principal meeting as measured by Parent Coordinator Activity Reports.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

1. Build Inclusive Communication Systems

Parent newsletter and website in ASL: Create accessible digital newsletters and school website updates using short ASL videos with captions to share school announcements, family resources, and upcoming events.
Parent communication workshops: Host monthly sessions (in-person and virtual) that teach families how to access digital tools, translation services, and the school's website in their preferred language.

2. Strengthen Family Engagement and Outreach**

"Coffee with the Principal" engagement campaign:

Promote sessions using flyers, social media posts, and phone calls translated or interpreted in ASL and other home languages.
Incorporate family voice segments during each session (e.g., "Family Spotlight" or "Parent Voice Corner") to increase inclusivity and two-way communication.
Flexible engagement formats: Offer both in-person and virtual attendance options for all meetings to accommodate families with transportation or scheduling barriers.

3. Address Economic and Food Security Needs

Healthy Shelf-Stable Food Initiative:

Partner with local food banks and organizations such as City Harvest or the Food Bank for NYC to distribute shelf-stable, microwaveable, or hot plate–ready meals for families in temporary housing.
Include nutritional and easy-cooking guides in both written English and ASL video format.
Family Resource Hub: Develop a "Community Corner" in the school lobby or online platform listing nearby shelters, meal programs, and free clothing/food distribution events.

Monthly Family Wellness Nights:Offer family-friendly events combining nutrition education, ASL support, and community resources.

4. Community and Partnership Development

Collaborate with Local Agencies: Build partnerships with CBOs specializing in serving families in temporary housing (e.g., Coalition for the Homeless, Catholic Charities) and ASL communities (e.g., NYC Deaf Advocacy organizations). Community Showcase Events: Highlight student performances and projects with ASL interpretation to foster pride and community involvement.

Root Cause Addressed:

Not enough ASL fluent staff, We have 19 students in temporary housing & a significant number of low income families

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create accessible digital newsletters and school website updates using short ASL videos with captions to share school announcements, family resources, and upcoming events.
Coffee with the Principal" engagement campaign: Promote sessions using flyers, social media posts, and phone calls translated or interpreted in ASL and other home languages. Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Strengthen Systems for Monitoring and Feedback

Parent Coordinator Tracking Logs: Maintain consistent documentation of outreach, attendance, and engagement trends.
Monthly Data Review:Leadership and MTSS teams will analyze engagement data (attendance, call logs, surveys) to determine progress and adjust outreach strategies.
Family Feedback Surveys: Distribute brief ASL-interpreted video surveys after each event to measure satisfaction and barriers to participation.

Priority 5 Family and Community Engagement

Family and Community Engagement

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Continue to enhance attendance systems and structures in collaboration with families	Busing, family vacations/needs mid year	Continue to send home attendance letters and hold parent action meetings.
Maintaining 90% or above for the school year	Busing & PreK vacations	Provide metro cards to families, continue to send home attendance letters and hold parent action meetings.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	90%	By June, 2026, the attendance rate for All Students will increase by 3%, from 90% to 93%, as measured by the Absenteeism report.

Attendance/Chronic Absenteeism Progress Measures and Targets

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

1. Strengthen Attendance Communication Systems

Continue to send home attendance letters regularly to notify families of student absences and emphasize the importance of daily attendance.
Ensure letters are translated into families' home language and distributed both digitally and in print for accessibility.
Utilize automated messages, phone calls, and text alerts to inform families of daily absences.

2. Enhance Family Engagement and Collaboration

Hold monthly parent action meetings focused on improving attendance, addressing barriers such as transportation or illness, and recognizing families with improved attendance.

3. Provide Targeted Supports to Reduce Barriers

Offer MetroCards or transportation assistance to families with identified travel barriers to ensure students can attend school consistently.
Collaborate with community-based organizations to connect families with housing, food, or healthcare support when chronic absenteeism is linked to external challenges.

4. Implement Data-Driven Attendance Monitoring

Enhance attendance systems and structures by using a centralized dashboard to track student absences, lateness, and patterns across grade levels.
Conduct monthly attendance team meetings to review data, identify students at risk for chronic absenteeism, and assign follow-up actions.
Share progress with staff and families during monthly meetings to promote transparency and accountability.

5. Recognize and Celebrate Improvement

Develop a schoolwide recognition program (e.g., "Attendance Stars" or "Classroom of the Month") to celebrate

students and classes with improved attendance.
Highlight success stories in newsletters, assemblies, and bulletin boards to motivate continuous improvement.

Root Cause Addressed:

Busing, family vacations/needs mid year
Busing & PreK vacations

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Data Source:** NYCPS ATS/DOE Special Education Programs Data (2025)	communication with parents of students with chronic absenteeism. Transportation challenges or health-related absences will continue to be proactively addressed through	IEP Development

Attendance Rate:90% compared to **93.9% citywide IEP Compliance:100% across indicators (02M347), aligned with or exceeding city averages (98–99%)	early intervention or wraparound supports. use of attendance data for early identification** and intervention (e.g., delayed response to patterns of partial-day absences). We need to continue to develop our targeted attendance incentives or behavior supports linked to IEP goals for attendance and engagement.	and Fidelity of Implementation
Including students in transition planning	Historically there was no IEP coordinator, however, now there is one who can assist in facilitating the support.	Transition Planning and Compliance
Referrals supported by data	Historically no data to support new placements	Referral Process and Equity
Refinement of counseling goals	More specific SMART goals	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	96	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we seek to strengthen the alignment of IEPs across goals, and recommended services; improve timeliness of IEP completion and documentation; and ensure fidelity of implementation through consistent service delivery, progress monitoring, and collaborative family engagement. This will be measure by a 4% Increase, from 96 to 100, as measured by the Linkage Report.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

1. Strengthen IEP Quality and Alignment

Conduct quarterly internal IEP audits to ensure clear alignment between Present Levels of Performance (PLOP), annual goals, and recommended programs/services.
Implement a peer review protocol where case managers and related service providers review each other's IEPs for clarity, alignment, and compliance before submission.
Use DOE IEP Quality Rubrics to calibrate expectations across staff and improve consistency in goal writing.

2. Ensure Timeliness and Compliance
Create a schoolwide IEP tracking dashboard in SESIS or Excel to monitor upcoming due dates, meeting completion, and pending service authorizations.
Establish a monthly compliance meeting led by the Special Education Coordinator and Principal to review timelines, identify delays, and assign follow-up actions.
Automate SESIS alerts and calendar reminders to notify staff of upcoming IEP and triennial review deadlines.

. Increase Fidelity of Implementation

Conduct classroom walkthroughs and service delivery observations to confirm that accommodations, modifications, and related services are being implemented as written.
Require monthly service delivery logs from providers and compare them against IEP service mandates for accountability.
Integrate IEP implementation fidelity checks into teacher and provider evaluations and feedback cycles.

4. Strengthen Progress Monitoring and Data Use

Train teachers and service providers to use data collection tools (e.g., goal tracking sheets, behavior data forms) aligned to IEP goals.
Review student progress toward IEP goals bi-weekly in team meetings, adjusting instructional strategies or interventions as needed.
Incorporate IEP progress data into RTI/MTSS meetings to align academic and behavioral supports.

5. Enhance Family and Team Collaboration

Implement pre-IEP conferences with families to gather input and clarify student strengths and needs before the IEP meeting.
Offer family workshops on understanding IEPs, services, and progress reports to increase transparency and engagement.
Ensure all multidisciplinary team members (teachers, related service providers, counselors) contribute to the IEP process and documentation in SESIS.

6. Build Staff Capacity Through Professional Development

Provide ongoing PD on writing high-quality, measurable goals and documenting progress in SESIS.

Facilitate case manager coaching sessions with the Special Education Coordinator to support compliance and best practices.
Include IEP development and fidelity topics in new staff onboarding and annual compliance training.

Root Cause Addressed:

The root cause being addressed is the inconsistent alignment, documentation, and monitoring of IEPs, which leads to minor gaps in compliance and fidelity of implementation.
While the school maintains strong IEP completion rates (96.4%), review of internal data and service logs suggests that:

1. IEP Quality and Alignment Gaps – Some IEPs do not fully align students' Present Levels of Performance (PLOP) with measurable annual goals and recommended services, resulting in variability in instructional targeting.
2. Progress Monitoring and Data Use – There is **inconsistent documentation of progress toward IEP goals and limited use of student performance data to adjust instruction or services.
3. Staff Capacity and Oversight – Variability in staff understanding of IEP compliance standards and limited time for collaborative review contributes to minor errors or delays in documentation.
4. Service Delivery Fidelity – Occasional discrepancies between mandated and delivered services indicate a need for **stronger systems of monitoring and accountability**.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct quarterly internal IEP audits to ensure alignment between student needs, present levels of performance, and service mandates. Providing targeted professional development for case managers, related service providers, and teachers on writing measurable, standards-based goals and documenting progress in SESIS.
Implement a monthly review system to monitor timely completion of IEP meetings and service delivery logs.
Engaging families in pre-IEP conferences to ensure shared understanding of goals, supports, and progress monitoring.
Review IEP implementation data during student support meetings to address gaps in service delivery immediately.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress will be monitored through consistent SESIS data reviews, quarterly IEP quality audits, and systematic progress monitoring of IEP goals. Evidence will include compliance reports, service logs, and documented instructional adjustments based on student progress data. The impact will be measured by improved alignment, timeliness, and full fidelity of IEP implementation, resulting in increased student access to appropriate instruction and supports

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/06/2025	06/12/2026	Provide wraparound supports(counseling, related services, and transition planning) through collaboration between teachers, service providers, and family liaisons.	TBD
09/06/2025	06/12/2026	Host quarterly family workshops on IEP understanding, progress monitoring, and post-secondary transition planning.	TBD

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	IREADY DATA	Targeted Small Groups and MY PATH online	Small Group Rotations	During	Yes
Tier 3	Data Based Individualization (DBI)	Small Group targeted instruction	Small group or 1:1	After and During	No
Tier 2	Progress Monitoring and Unit assessments	Fundations, Heggerty, Stari and Fairview	Double Dose Fundations, Small group	Strategic Reading Period	No
Tier 2 and 3	i-Ready data, test data	Math Lab, Double Dose Math for MS math	2 math teachers will deliver math instruction. One will focus on Tier 1, the other teachers will focus on Tier 2 & 3	School Day	i-Ready small group
K-5 IM Math resources for Tier 2	Progress monitoring, i-Ready data, unit assessments	In classroom	Station teaching, IEP Teacher, SETTS Teacher	School Day	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Struggling to manage emotions	At-risk Counseling	1:1 or group	During the school day	No
Tier 3	Chronic Concerns - OORS, safety meetings	Home Visit, Outside Referral Agency	1:1	At home, additional support	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The school's MTSS components are shared with families through clear communication channels, multilingual materials, family education workshops, and regular progress updates that emphasize shared accountability and culturally responsive engagement. These structures ensure that families understand, contribute to, and actively support the tiered system of academic and behavioral interventions that promote student success.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

The school's MTSS components are shared with families through clear communication channels, multilingual materials, family education workshops, and regular progress updates that emphasize shared accountability and culturally responsive engagement. These structures ensure that families understand, contribute to, and actively support the tiered system of academic and behavioral interventions that promote student success.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are integral partners in Tier 3 decision-making through active participation in problem-solving meetings, co-development of individualized intervention plans, regular data-informed reviews, and ongoing communication. This shared decision-making model ensures that interventions are not only responsive to student needs but also aligned with family perspectives, values, and cultural contexts.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

24

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Due to the ongoing need for pantry items, we received a donation of school backpacks with school supplies. We have also purchased Thanksgiving meals for our backpack families this year.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Backpack Buddies - weekly food distribution
Food Pantry
Clothing/Hygiene Pantry
Technology (iPads)

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

NA

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

NA

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

NA

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

NA

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

We provide after school programs for the following:
-Hispanico Dance
-Broadway Jr
-Manhattan Youth After School

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Our teachers apply for per session opportunities.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

We provide Strategic Reading Period 5x a week for grades 3-5 and 3x a week for grades 6-8 built into the schedule.

Provide a description of the materials purchased to support implementation of ELT.

Local school resources are utilized for ELT

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 347 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 347, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

PS 347 has instructional coaches working with grades Pre-K-8 on the administering of assessments, collecting data and reflecting on student work. We have K-5 Wit & Wisdom coaching for ELA, NYC Solves coaching from New Visions, Dual Language office support regarding the dual language program, Pre-K coaches for the classroom environments and Community Schools all supporting our programs. Peer Collaborative Teachers are currently being trained to become Wilson coaches.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

The pre-K coordinator works with the families to identify the next steps in transition for their students. The school includes Pre-K-2 in PD and learning. Records are shared between pre-k teachers and the pre-k coordinator. The pre-k coordinator goes into classrooms to support as needed. Pre-K coordinator and Special Ed liason work together for student intakes and to review the IEP

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$7040	X	Wilson Curriculum & Staff Developer
Title I, School Improvement 1003(a)	Federal	$18500	X	Staff Developer
Title II, Part A	Federal	$16,600	X	K-5 Math coaching
Title III, Part A	Federal	15,000	X	Pre K PD
Title III, Immigrant	Federal	$11,500	X	Sign Language Center- ASL classes for staff
Title IV, Part A	Federal	$6,249	X	Curriculum Associates (i-Ready)

Tax Levy (Fair Student Funding)	Local	$1258	X	Parent Involvement
Title 1, Part A	Federal	$3,000	X	SIT team

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
NY Foundling	Deaf Families	Provide workshops to parents	Increase parental involvement in the school. Provide holistic support to families outside of school
PFLAG	Parents, Students and Staff	Inclusion of all students	Reduce the number of A24 OORS reports
SmartStart Education	K-5 students	Math intervention services	Provide Tier 3 math intervention to small groups of students to improve their math scores
Kids in the Game	K-8 students	Lunch Time Activities	Reduce the number and frequency of OORS reports

All Black Errythang	6-8	Provide push in arts and social justice lessons in social studies	Include student voices to be more reflective of the student population
Hispanico Dance	K-5	Provides dance classes during PE class	Include student voices to be more reflective of the student population

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

Through the hiring of a community coordinator we have been able to strengthen our partnerships. We began to have NY Foundling in the school regularly and started a partnership with PFLAG to address bullying in the school. Through Community School funding we have been able to add additional support throughout the school day through Kids in the Game during lunch, Hispanico Dance during PE and Smart Start Education to provide Tier 3 math interventions to students.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

The Parent Coordinator, Community Coordinator and Social Worker will be hosting workshops for families in our community room where workshops, coffee with the principal and pantry are all located.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Through the hiring of an experienced Dean we are restructing our school wide behavioral incentives. We also are working with PFLAG and NY Foundling who provide workshops to staff, students and families with topics such as "online bullying", "discrimination with housing", etc.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Bi-weekly meetings with the Dean, Community Coordinator, social worker and guidance counselor to refine our practices and target needs more closely.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

We have a pantry that provides 2x a week food to our families. We now have regular bi-monthly workshops for families on various topics based on parent need and feedback.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Pamela Pritzker-Ridley
Assistant Principal (Where Applicable)*	Alayna Foy
English as a New Language (ENL) Teacher*	Laura Gerkis
Teacher (if school has a bilingual program must be a bilingual teacher)*	Samantha Pitta
Parent/Guardian*	Stacey Haynes
Teacher	
Parent Coordinator	Danny Biland
School Counselor	
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

0

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

130

Total number and percentage (%) of current ELLs:

19%

Total number and percentage (%) of former ELLs:

6.9

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

68.6

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

8.6

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

22.9

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

82.9

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	K	ASL	2024	15					17								32
TBE	1	ASL	2025	10													10
TBE																	0
DLBE																	0
DLBE																	0
DLBE																	0
				total: 25	total: 0	total: 0	total: 0	total: 0	total: 17	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

The ENL teachers pull out Entering and Emerging students with similar reading proficiency levels during content areas. ENL teachers support content areas through a language lens to to target student goals as it applies to word knowledge, language structure, discourse, and writing.
Student culture is integral to supporting home language and English. Student's home language and English is emphasized through pictures and print that feature both, as applicable. Teachers plan with core content teachers to build connections to grade level content, vocabulary, language structures, prior to it being taught in the classroom.

Integrated ENL:

The ENL teachers push into ELA or SS classes for Transitioning and Expanding students. ENL instruction is delivered through a push-in model, considering grade and proficiency level, and based on the guidelines outlined in NYSED CR 154.2 chart for ENL units of study and staffing requirements. Laura and Michelle co-plan with classroom teachers to integrate their ENL work into the lessons. Teachers come ready with planned strategies and adapted lessons that address possible misunderstandings so that students have full access to the language and concepts to fully engage in the learning.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

We became formally recognized as a dual language program in 2024. In 2025 we will have 3 dual language ICT classrooms, with one Deaf and one hearing teacher. In 2025, K,1 and 5 will all be dual language classrooms.

Dual Language Bilingual Education (DLBE):

Teachers will push into dual language classes and/or have access to an ASL interpreter. The school offers ASL classes to elementary and middle school students. The school also offers free ASL classes to staff and a membership to Language1st.org to promote ASL usage in the school.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

PS 347 follows state mandates for servicing ELLs with the designated number of minutes for ENL and ELA instruction. We have made it a priority to schedule ENL pull out and push in to align with core ELA and core content areas The certified ESL teachers provide ENL stand-alone ENL support for entering and emerging students. The ENL certified teachers push in to collaborate and co-teach with classes where there are transitioning and expanding students. Support is scheduled according to the state-mandated number of minutes for each proficiency level. In addition, we are providing state-mandated transitional support for students who tested out of the NYSELSAT within the past 2 years. Beginner and entering students receive 360 ENL minutes, 180 standalone and 180 integrated; Intermediate/emerging receive 360 minutes, 90 minutes standalone and 180 integrated plus flexible 90 minutes either standalone or integrated; intermediate/transitioning receive 180 minutes, 90 minutes integrated and another 90 minutes either standalone or integrated; advanced/expanding receive 180 integrated. Proficient/commanding students receive 90 minutes of integrated ENL. Integrated ENL is in ELA or another content area, support during writing workshop, reading workshop, or social studies. For standalone, the ESL teacher coordinates with the mainstream classroom and specialty subject area teachers to support content alignment. Home Language Arts instructions is not delivered.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ESL teachers pull students out of the classroom to a separate ENL room during content areas for Stand Alone and conduct small group targeted lessons. ESL teachers push into ELA classrooms to work with students during the integrated sessions.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Students in K,1 & 5 each have 2 periods or 1.5 hours a day in ELA entirely in ASL.

b. In which language(s) is each core content area taught?

ASL & English

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

English

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Newcomers: 24
Developing ELLS: 3
Long-term ELLS: 8

Most of our ELL students have a home language of ASL (23 students), the other home language represented is Spanish (12 students)

Our ENL teachers use the NYSESLAT results from the past two years to form preliminary areas of focus for each student, and continuously monitor growth using formative assessments to adjust target goals in each modality for each student.

One of our Peer Collaborative Teachers who recently completed administrative training with a focus on ELLs students. The PCT will use language strategies learn to focus her coaching with content teachers thus provided more targeted support.

We have noticed that a major area of growth across the school is in writing and have focused our instruction to support school wide growth in that area.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

We have no SIFE students

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Currently, 22.9% of our students are Long-Term English Language Learners (ELLs). We have enhanced our literacy interventions within the MTSS framework to provide more focused support at Tier 2 and Tier 3 levels. These improvements, along with targeted ELL strategies led by our Peer Collaborative Teacher, are designed to better support the needs of our Long-Term ELLs.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

6.9% of students are former ELLS. We have enhanced our literacy interventions within the MTSS framework to provide more focused support at Tier 2 and Tier 3 levels. Progress monitoring at more regular intervals schoolwide through the MTSS and Instructional Leadership Team will further support the former ELLs students.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Many of the ELLs scored a 1 or 2 on the math and ELA state exams.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Many of the former ELLs scored a 1 or 2 on the math and ELA state exams.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The majority of ELLs students have ASL as a home language. To provide support to educators in more effectively communicating with students, the school provides ASL classes.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

45.7% are white.
7.7% are multiracial (2/3 are Hispanic ELLS, 1/7 Non-Hispanic ELLs)
76.9% of our Black population are Non-Hispanic ELLS and 11.5% of our Black population are Hispanic ELLS
15.4% of our ELL population are Non-Hispanic Asian
15.4% of our Hispanic ELLs are American Indian or Alaskan Native
Currently there is no plan for students to be included in planning.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our ENL teachers regularly attend the District PDs for ELLs throughout the year to impact their practice.
The school programs all our integrated and Stand Alone sessions during ELA or SS core classes to support all of our ELLS in accessing and high interest content.
We focus on providing ELLS the opportunity to engage in rich dialogue with peers while focusing on building academic language and language structure, first by listening and speaking and then writing. We infuse the rich cultures of our ELLS to make connections and build bridges of understanding.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Classroom teachers and ELL teachers share lesson plans and plan units of study together. They analyze data (formative and summative) and scaffold the learning to support our English Language Learners in accessing grade level content. ELL teachers are provided coaching and Professional Development around the ELA curriculum and and foundational literacy.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Each ELL lesson is tailored to meet the individual needs of the students. Direct, small-group, and differentiated ELL instruction is implemented for emergent through commanding ELLs in the classroom (integrated) and during Stand Alone. Differentiated instruction and scaffolding is at the base of each lesson. The gradual release model empowers students to feel confident in speaking and writing in English.
The ENL programming is given priority when scheduling integrated and stand alone sessions to ensure that ENL instruction aligns with core ELA and core Social Studies.
The classroom teachers and the ELL teachers work together to determine the students' areas of strength and use them to address areas of growth. We use grade level/high interest content to align ELL standards with NGLS to build

knowledge and language. Teachers work together to adapt materials/lessons to each ELL's needs by looking at student writing through the lens of language, often using both the ENL rubrics and Content rubrics to ensure that we are addressing both areas. Teachers intentionally use a student's culture to make connections that are meaningful to them. Discussion is a major emphasis in classes and our ELL learners are often paired/grouped with native speakers and/or more proficient readers and speakers of English. Our goal is to empower our ELL students as they gain proficiency in English and the ability to access core grade-level/high interest content independently.

.

.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Some strategies that teachers can use to provide access to academic content areas are the following:
-Backward planning with the end in mind and intentionally scaffolding each lesson to support growth towards mastery
-Having narrow, explicit, and clear learning goals for each lesson with formative and summative assessment
-Introducing clear criteria to the student at the beginning of each lesson and planning time for self assessment and reflection at the end
-Access to the content (videos, books, stories, worksheets) in both their native language and English.
-Identify key vocabulary, phrases, concepts prior to exposing students to the content to build background knowledge and access.
-Use leveled texts in English and their native language.
-Have students respond in their native language, then in English, and intentionally plan lessons to scaffold their English proficiency through the use sentence starters, transition words, grammar, etc. as they work towards mastery.
-Repeated information (written and oral) as new concepts are introduced
-Turn and Talks and planned opportunity for students to discuss orally and share ideas before writing
-Language student (analyzing a paragraph for students to identify sentence structures, transition words, organization)
-KWL charts
-Intentional Planning: The ELL teacher works with the classroom teacher to identify content and language objectives for each lesson. The ELL teachers identifies the language objectives to address the success of each ELL student to access content and provide the scaffolds for that student to complete a task through the lens of language.
-Connect content to ELLs' background knowledge. Teachers need to take into consideration ELL students' personal, cultural, and experiences to make connections between what they know and what they will learn.
-Make lessons auditory, visual, and kinesthetic. Visual representations should be used to introduce new concepts and vocabulary. Graphs, maps, photographs, drawings, and charts should be incorporated into the lessons. Story maps and graphic organizers should be used to scaffold learning.
-Planned formative and summative assessments throughout a lesson

b. SIFE

We do not currently have a SIFE student. Using the NYSTITELL, we can target language needs and in collaboration with the general education teacher, parents, and ELL TEAM, work to scaffold and support content area learning in a way that provides SIFE students with access to grade-level learning. Such scaffolds could include visual dictionaries, afterschool support, dual language videos, books that represent their cultures, and supplemental support for the social and emotional needs that are fundamental to academic learning.

c. Newcomers

A critical element is to provide opportunity for a Newcomer to engage in grade level content/inquiry that are age appropriate.

Newcomer students engage in hands on activities (drawing, building), videos in both languages (captioned or spoken or signed) and the opportunity to express their understanding in their native language first as they build knowledge of key vocabulary, phrases, etc, in English.
Emphasis is on oral language development, with extensive structured opportunities for speaking and listening. Reading and writing is integrated as students develop vocabulary and basic language structures.

It is extremely important to make connections to the Newcomers cultural backgrounds and integrate both languages in the teaching and learning. Teachers listen to students learn about them to create concrete connections in their instruction. Teachers must celebrate the student's heritage and experience as they build connections between the cultures through language.

d. Long Term ELLs

Long-term ELLS at 347 struggle with incorporating Tier 3 vocabulary, transitions, and complex structures into their writing.

Intentional Planning must include clear narrow and explicit learning goals for each lesson, criteria for what students will learn and be able to do by the end of each lesson, and a coherent plan that allows for intentional teaching, group work (discussion), independent practice, a planned share, and the opportunity for students to self and peer assess their progress towards mastery.

Jig sawing activities, having students write the rubrics in their own words, turn and talks, wait time, intentional grouping, building background knowledge or key vocabulary prior to the lesson, assigning notebook word walls, analyzing exemplary paragraphs to identify structures, key words, etc., having students teach structural lessons, etc..

Activities must be authentic. Teachers must use high interest material to teach language through relevant grade level content. Strategies include creating a task based on content that is important to them or high interest and aligned with instructional goals. Through think-pair-share, brainstorming, checking work with a partner, peer editing, modeling, videos, guest speakers, presentations and demonstrations, interest centers and cooperative learning assignments, and rubrics to self assess and set their own goals, we empower our long-term ELLS with the gradual release models so that they can become confident in themselves and in their language as they move towards high school.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

The ELL teacher integrates a student's IEP goals, suggested strategies, emotional and social supports, time on task, breaks, etc., as they plan/scaffold their daily lessons to ensure that children successfully engage and have access to the content and language as students work towards mastery.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Our programs are currently TBE and we do not yet have a DLBE. We are currently working with a consultant to develop a more robust ASL language curriculum and assessment portion to enhance our ability to assess families.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

We do not currently offer this option to grades 6-8.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Most of our classrooms are ICT and teachers schedules include common planning time. Teachers are also encouraged to utilized shared documents so all teachers can contribute to the lesson plans before they are taught.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

We partnered with a consultant to provide Professional Learning around assessments and co-teaching models. This year we had coaching with Wit and Wisdom which included deep dives into the ELL/MLL resources.

Last year, we partnered with a vendor to provide PDs for our staff in understanding language acquisition specifically for Deaf/HOH students.

In previous years we scheduled monthly PDs through CITE.
Monthly School wide PDs to support all ELLS to include: Teaching models for ELL instruction, (Models for how ELL teachers and classroom teachers co-teach), ELL strategies for instruction, room environments to support learning, how to build background, choosing appropriate content, building classroom libraries for ELLS, social emotional learning for ELLS, integrating home language into your instruction, etc, lesson planning.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

The ELL teachers receive fifty percent of their professional learning related to ELL-specific content through participation in professional learning organized by either the Manhattan Borough Office or by the Division of Multilingual Learners, or through outside organizations.

The building professional development calendar identifies planned PDs throughout the year (as described above) to meet the requirements above.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We use iREADY, Acadience and intervention programs such as SPIRE/REWARDS etc. End of unit assessments and iReady assessments are used to study growth throughout the year.

State test results for children in grades 3-8 are also reviewed to identify areas for support. NYSESLAT is used to identify school wide trends, instructional goals, and targeted goals for individual and groups of students.
Students tend to be stronger in listening and speaking and delayed in reading and writing. The same results were seen with formal and informal ELA assessments and State Test results.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

The school data team use the assessments above to identify programs for groups of students. Teachers are trained in selected programs such as Fundations, Stari, and other programs and are assigned to teach groups of student 45 minutes each day (K-5) and/or 3 times a week (6-8).
Progress is reviewed mid year to adjust groups based on progress.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

The school data team use the assessments above to identify programs for groups of students. Teachers are trained in selected programs such as Fundations, Stari, and other programs and are assigned to teach groups of student 45 minutes each day (K-5) and/or 3 times a week (6-8).
The ELL team analyzes the data using the ELL rubrics and identifies school wide goals , trends, areas of strength and weakness in teaching and student learning.
The Admin then reviews the professional development plan to support instruction and learning (intervisitations, walk throughs, planning school wide or grade specific PDs, Inquiry groups, etc).

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Wit ad Wisdom tasks are used regularly to assess ELL progress.
ELL teachers use the ELL rubrics to analyze progress towards mastery for each ELL student to drive instruction during integrated and SA sessions. ELL teachers also use student weekly work product for assigned tasks that they analyze to identify next steps and seek support to identify specific teaching strategies to support gaps.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

This is an area of growth for us as a school.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The NYSESLAT, ELA, and Math assessments are used to evaluate the effectiveness of our program for ELLs. Summative test results are used to realign ELL instruction in Integrated and Standalone ENL so as to provide more support in areas of greater need, such as in reading and writing.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

For NYSESLAT administration, the Assistant Principal runs an RLER report for NYSESLAT eligible students. The Assistant Principal also cross references that with ELL IEPs and creates the testing schedule/accommodations.

The schedule is shared with the whole school.

Students are scheduled for all three sessions and staff is assigned.

Additional staff are trained to administer the NYSESLAT.
Students receive mandated instruction unless they are testing and rejoin once testing is completed.

The AP/Testing Coordinator attends the norming session and the Principal offers per session to qualifying teachers

for scoring. The AP turnkeys the norming PD, and teachers are assigned to score the specific number of questions allowed according to the guidelines ensuring that we are in compliance.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Student IEPs are used to schedule all assessments. ELL students who are in the country less than a year were exempt from ELA.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

When new families are enrolled in our school, an ELLs teacher provides information for families about all three programs available to then throughout the NYCDOE and explains which program we offer here at PS347.

The families are invited to Coffee with the Principal where the NGLS, assessments, and the school expectations for our ELL learners is explained. During Coffee with the Principal meetings throughout the year, there is regular updates around academics.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Twice a year, the AP and ELL teachers meet with parents.
1. BOY to review NYSESLAT and to share goals and strategies to support their children in school and at home.
2. MOY to share progress to date and identify weaknesses, strengths and next steps.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Our Parent Coordinator send weekly communication to families in English, ASL and Spanish.
We use translation line to communicate with our families and DOE resources to get all letters, flyers, etc translated into Spanish.
Our Parent Coordinator and Community Coordinator create ASL videos to be sent to the school wide community.
One of our Community Assistants is a native Spanish speaker and assists with delivering information in Spanish.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We provide regular workshops to families in person and online. The workshops are provided in ASL, English and in Spanish to ensure all families are included in the information.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

At Orientation, we welcome each family to become an active member in our SLT and PTA as well as send the link to SLT meetings so that they can attend to know what is going on.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We have many partnerships with the DEAF/HOH community.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

The SLT voted on a schoolwide Language Policy this year, which we implemented to ensure access to ASL. We are intentionally hiring ASL fluent users to enhance the language access throughout the day. The PTA provided teachers with ASL resources from Teachers Pay Teachers to enhance their classroom environment. The school also provided teachers with a membership to languagefirst.org which has Deaf/HOH resources to be used in the classroom.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Darren Fudenske, Teacher of the Deaf
Laura Gerkis, ELL teacher
Latoya Banks, Teacher of the Deaf
Pam Pritzker-Ridley, Principal
Sam Pitta, Special Ed Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

When a parent wishes to register their child at our school, the Parent Coordinator schedules a meeting after first coordinating with the ELLS team to ensure they are available to administer the Home Language Survey (HLS). During this meeting, the ELLS teacher engages with the family to gather additional information about the student's need for ELL services and their home language background. If the student qualifies as an ELL, the teacher uses that information to adjust their schedule accordingly, while the student is being entered into the ATS system.

In cases where a Deaf student is enrolling and it's unclear whether they should be classified as an ELL, the Language Allocation Team meets on Tuesdays during OPW to review and determine the appropriate classification.

The Principal and Assistant Principal regularly review monthly ELL compliance data to ensure proper instruction and adherence to regulations.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Pamela Pritzker-Ridley

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Zavier	Sabio	Community Coordinator Annual	02/26/2025	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ENGLISH	198	83.90%	130	55.08%	3	3
RUSSIAN	1	0.42%	1	0.42%	0	0
SLOVAK	0	0.00%	2	0.85%	0	0
SPANISH	32	13.56%	30	12.71%	2	2
(AMERICAN) SIGN LANGUAGE	5	2.12%	73	30.93%	4	4

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Event Flyers	Our Community Coordinator, Parent Coordinator and Community Associate all work together to provide the fliers in ASL, English and in Spanish
Weekly Parent Newsletter	Our Community Coordinator, Parent Coordinator and Community Associate all work together to provide the information in ASL, English and in Spanish
Website information	Our Community Coordinator, Parent Coordinator and Community Associate all work together to provide the information in ASL, English and in Spanish. Written in English and Spanish, video provided in ASL
IEPS	The notices print in English and in Spanish and the Parent Coordinator is Deaf and able to assist in ASL as needed.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Coffee with the Principal	The Principal speaks both ASL and English. The Parent Coordinator and Community Coordinator are both Deaf and use ASL to deliver information. An ASL interpreter is provided from OSLIS. The Community Assistant or Guidance Counselor step into liasion with any Spanish speaking families or we use Language Line
Parent Workshops	This year we provided workshops between the Elementary school and the high school. We had Spanish speaking language

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

We have a team of people (Community titles) who speak ASL, Spanish and English. Those staff members disseminate information to families in ASL, Spanish and English. They complete the required trainings during office hours. We continue to develop ASL videos to add to our website for the purposes of updating content.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

We provide ASL and Spanish interpretation for parent workshops and fliers that are sent home. For any PTA meetings, there are ASL interpreters.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Most of our families use American Sign Language and have expressed in PTA meetings, SLT meetings and Coffee with the Principal meetings that they prefer direct communication in ASL.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We have updated our website and platform to be more visual so we can include more ASL videos. Staff members will be working for per session this summer to translate Wit & Wisdom content into ASL to further enhance instruction and language access.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

42

Grades to be served in this program. Select all that apply.

,1,2,3,4,5,6,7,8,K

Total number of teachers in this program:

4-6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

1-2

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

4-6

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The following program will take place after school during the 2023-2024 school year over the course of 20 instructional weeks.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Our ELLS come from diverse cultures that are wonderful to read and learn about. Our program will provide opportunity to build on thei prior knowledge and cultural experiences and celebrate what they bring to the world. It will connect who they are to content and Language Goals. Throughout this program, ENL teachers and content teachers will provide our students the opportunity to engage in reading, writing, research, discussion and community building to support vocabulary, discourse and provide the opportunity to engage students in building confidence in presenting and sharing information to peers and adults. The end celebration will enable them to present their learning to families and engage families in ways to bring the learning home.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

All subgroups in grades K-8 will be invited to participate. Participation is dependent on parent ability to pick up their children after the program ends or provide permission to self-dismiss.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

After school commencing on or around the week of September 15th and end the week of December 23rd. Teachers will examine student work and analyze diagnostic data to target future instruction for the program. The Program will commence again in January and continue through June. The hours will be Wednesdays and Thursdays from 3:25-4:25 (excluding holidays).

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

English

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

2 ENL Certified Teacher and up to 4 content teachers.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Leveled Readers
Maps
Markers
Chart Paper
Social Studies Themed Leveled Readers
Art supplies targeted for student presentations

Presentation Boards (Trifolds)
Computers
Ingredients to make cultural foods
Atlases
Globes
Smartboards

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Library Trips
Virtual UN Trip
Virtual country trips
Hands on Learning

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The PD program will support teachers in successful implementation and encourage reflective practice.
ENL teachers will be be attending onging PD throughout the year to strengthen their practice and to support core content in ENL instruction.
Engaging ELL Learners
Building our Cultural Proficiency
Collaborative Inquiry Protocol
Voacabulary Acquisition strategies
What an ELL classroom should look like, Feel Like, and Sound like
Differentiation in the ENL classroom
Possible PDs based on areas idennntified based on data
Building Discourse in an ENL classroom
Research based programs: Fundations, Spire, Phonics for Reading, Stari
Cultural Equity in an ENL classroom
Planning ENL instruction to support NGLS
Analyzing student work using Language Rubrics to target growth and next steps

Teachers will also engage in collaborative Inquiry throughout the program in 6-8 week cycles

PDs will be supported by D2 offerings, PDs led by the AP

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

PS 347 believes that all of our teachers are life-long learners who continuously reflect and review our practice to better serve our students.
Student data reveals that our largest area for growth is reading and writing.
A goal for all of our students is to build vocabulary, foundational reading, and discourse to grow our writing
We can only know where we are going if we know where we are.
Teachers will engage in Collaborative Inquiry using Data (student work product) to continuously reflect on practice and refine goals.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers in the program

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Session 1: Week 1

Session 2: Week 3

Session 3: Week 6

Session 4: Week 8

Continuous throughout the program

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Session 1: Week 1
Analyzing student writing, reading, and ENL goals to identify student strengths and areas of growth and individual/group goals for the program
Session 2: Week 3
Monitor progress towards goals using student work product/Brainstorm-research strategies
Session 3: Week 6
PRovide review of strategies that were implemented/Prepare student feedback and parent reports for students and parents to continue the work at home
Session 4: Week 8
Use data to reflect on the successes of the program and identify areas for improvement

Continuous throughout the program

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

AP leads book discussion Using Data to Improve Learning for All A Collaborative Inquiry Approach
Jigsaw reading
Alternate facilitator roles
Collaborative problem solving
If necessary, researching ELL Strategies

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Three sessions from September to January and three sessions from late January to June with a culminating Cultural Celebration event.

Topics:
How to support your children at home (Bring the Power of Language Home)
Integrating ENL Strategies in every day activities
Supporting writing at home on the word level, sentence level, and discourse level
Analyzing student growth and next steps

Cultural Sharing: Parents will be invited to join an afterschool session with teachers and students to support sharing of stories to create a community of learning and a partnership with families

Provider: While teachers are teaching the students, the AP can run the workshops with the Parent Coordinator Parents will be notified in their home language, Monthly meetings with the Principal, Notifications home, and phonecalls.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Our ELL students are a reflection of our diverse parent population. Therefore, we want to engage parents in a ways that is meaningful to them, their cultures, and celebrates who are they are. The culminating project is for students to present their research about cultures to all parents and make it accessible to parents. Interpreters will be available in

all languages.
This also creates the opportunity for all students and parents to see how all the languages and cultures are similar and this build community.

Parents also need ways to support language in the home and become our ENL partners.
These workshops will be conducted by teachers, Assistant Principal, and community partners.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Provided to parents once a month over the course of the program:

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Goals for the program
Extended learning activities
Bridging the Gap between school and home
Word Games
Classroom Libraries
Resources in the community

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Teachers in the program

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Email in all languages
Videos
Flyers
Text alerts

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

20,000

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	225,000	Salary and afterschool invite only tutoring
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)	$9,452	i-Ready materials
Travel		
Other		
TOTAL	20,000
