Natalia Garcia

Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Dr. Natalia Garcia	*Principal or Designee	
Francesco Lentini	*United Federation of Teachers (UFT) Chapter Leader or Designee	
Lauren Balaban, Kristin Holmes, Enzo Perazic	*Parent-Teacher Association (PTA) Presidents	
Adelina Bicaj	District Council 37 (DC 37) Representative (staff), if applicable	
Master Berrios, Marina Yofffe	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for high schools)	
	Student Representative (Required for high schools)	
Justine Bishop	CBO Representative, if applicable	
	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
Sara Garfinkle	Staff	
Veronica Chan	Staff	
Elena Angelaras	Staff	
Asja Guzman	Parent	
Adam Costello	Parent	
Susan Fulwiler	Parent	
Olga Gashinsky	Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

The vision of PS 145 school's stakeholders is to support all students through building on their strengths, family and community collaboration, rigorous instruction, social-emotional development, and an inclusive environment so that every child, regardless of background, becomes a healthy and productive adult.

PS 145 is also deeply committed to the development of communication skills, specifically through the Arts. We have a full-time Dance teacher who help provide our students with a well-rounded education. We are committed to providing our students with ample opportunities to help them learn what their interests are and help them harness the skills they all have within them.

We wholeheartedly believe that multilingualism is a key ingredient in this global economy. For that reason, all of our students spend time during their day learning a second, and in some cases a third, language. Our Dual Language programs support the development of both language acquisition and cultural exposure from the age of 3 all the way through Grade 5. Additionally, our full-time Mandarin instructor teaches both language and culture to all students in Grades K - 5.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS 145 M., The Bloomingdale School is an elementary school with approximately 500 students from 3K through 5th grade. We have multiple academic programs to address the needs of a diverse population: General Education, Special Education, Spanish Dual Language Program, and Russian Dual Language Program. Special education programs and services include Integrated Co-Teaching (ICT) classes, Special Education Teacher Support Services (SETSS), special class (12:1:1), speech & language therapy, occupational therapy, physical therapy, and counseling. We also offer ENL services to ELLs and Response to Intervention (RtI) services to students who are struggling academically and academically at risk.

We use technology to help our students develop 21st century literacy skills for all students, and each of our classrooms are equipped with promethean boards. We have a strong emphasis on the arts, both performing and visual, to help develop our students' academic and social development. We are committed to providing our students with ample opportunities to help them learn what their interests are and help them harness the skills they all have within them. In addition to the core subjects, our students attend physical education, music, dance, film, and STEAM (science, technology, engineering, arts, and mathematics).

Some of our partnerships include:

*Studio in School – a national organization which teaches visual arts to hundreds of thousands of New York City children in under-served public schools. PS 145 is one of twenty-two schools in New York City.

*Wellness in the Schools (WITS) - an organization which inspires healthy eating, environmental awareness and fitness as a way of life for kids in public schools. Through meaningful public/private partnerships with school leadership, teachers, chefs, coaches, parents and kids, WITS develops and implements programs that provide healthy foods, healthy environments and opportunities for regular play to help kids learn and grow. PS 145 have partnered with WITS to make our West 105th Street Magnet Campus a healthy place for all children.

*Guggenheim Museum: Learning Through Art (LTA) - an artist residency program, that cultivates student creativity by designing sustained, process-oriented art projects that support learning across the curriculum. The program sends experienced teaching artists into New York City public schools, where they collaborate with classroom teachers to develop and facilitate art projects integrated into the school curriculum.

*Citywide Aquatics - Swim for Life - The Citywide Aquatics Swim for Life program teaches second grade students essential swimming skills to promote water safety and confidence in the pool. Through fun, supportive lessons, students develop lifelong healthy habits and improve physical fitness.

*Ballet Hispanico - Ballet Hispánico brings vibrant Latin dance and culture into elementary classrooms, inspiring creativity and confidence in young students. Their engaging workshops help children develop coordination, rhythm, and an appreciation for diverse artistic traditions.

*Chess - The chess program teaches elementary students critical thinking, problem-solving, and strategic planning skills through fun and engaging games. It also helps improve their concentration and patience while fostering a love for learning and healthy competition.

*SMILE NY - The Smile New York Outreach program, through their affiliated dentists and other dental professionals, visits kids in the school, bringing much needed dental care to kids who may not otherwise have access.

*Operation Warm - Operation Warm provides warmth, confidence, and hope through basic need programs that connect underserved children to community resources they need to thrive. Operation Warm provides jackets to our students in temporary housing (STH) and any other kids who may need a jacket.

*The Sled - We collaborate with The Sled to provide holiday gifts to our STH population.

*Blue Apron - an American ingredient-and-recipe meal kit service. It exclusively operates in the United States. The weekly boxes contain ingredients and also include suggested recipes that must be cooked by hand by the customer using the pre-ordered ingredients.

*KMart / Sears Corporation - an American big box department store chain headquartered in Hoffman Estates, Illinois, United States. We are partnering with them to provide attendance incentives.

*The Nutcracker Project - a program designed to promote individual and group artistic expression inspired by themes, choreography, and music from George Balanchine's The Nutcracker. NYCB Teaching Artists and classroom teachers engage students in interdisciplinary workshops and lessons, and all participants attend a live performance of George Balanchine’s The Nutcracker® at Lincoln Center. The curriculum focuses on active art-making, collaboration, and critical reflection through poetry and creative movement.

*YMCA – a national organization which provides our students in Grades K– 5 a free 3-hour program after the school day ends. The program includes academic, enrichment and athletic components.

*MLB - Major League Baseball is a professional baseball organization, and the oldest of the four major professional sports leagues in the United States and Canada. We have partnered with MLB since 2014 to provide our school community members, both families and staff, with incentives for excellent attendance. They also provide complimentary tickets each year for our graduating class.

*New York Cares - New York Cares is the largest volunteer network in NYC offering thousands of volunteer opportunities with nonprofits and schools in all five boroughs. At PS 145, they provide our students with Saturday morning literacy assistance and help families to assist their children at home.

*Columbia University - Musical Mentors Collaborative, a student-run organization based at Columbia, seeks to provide free musical instruction. The goal is to provide free, high-quality orchestral instruction to students who might not otherwise have access to music lessons.

ICamp - The ICamp afterschool program provides elementary students with a safe, engaging space to explore STEM activities, creativity, and teamwork. It supports academic growth while fostering curiosity and problem-solving skills beyond the classroom.

Briefly summarize the key initiatives your school will implement this school year.

At PS 145, initiatives include full implementation of the Wit and Wisdom curriculum and ongoing work toward IB certification. The school will also use WIN ('What I Need') periods to address individual student learning needs, apply DATA Wise strategies, and conduct regular progress monitoring to support student growth.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Great Minds Wit and Wisdom	
ELA	K-3	Wilson Fundations	
ELA	PK-2	Heggerty	
Math	K-5	Singapore Math	
Math	K-5	Number Talks	
Social Emotional	PK-5	Sanford Harmony	
Early Childhood	3K-PK	Creative Curriculum	
STEAM	K-2	Amplify Science	

ELA (Spanish)	K-1	Estrellita Reading Program	
Social Studies	K-5	Civic For All	
ELA	2	HMH - Arriba La Lectura	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the 2024-2025, Acadience Reading Screener 78 students in grades K-2 scored At - or Above Benchmark for grade level.	Students did not master early foundational literacy skills in lower grades	The majority of students in grades K-2 did not demonstrate proficiency in early literacy skills.
According to the 2024-2025, i-Ready Reading Screener 68 students in grades 3-5 Spring Relative Placement fell between Mid/Above/Early On for grade level.	47 ELLs in grades 3-5 scored between 1-3 levels below grade level.	The majority of ELLs in grades 3-5 are not proficient in grade level ELA skills
According to the 2024-2025, i-Ready Reading Screener 68 students in grades 3-5 Spring Relative	64 SWDs in grades 3-5 scored between 1-3	Students did not master early foundational literacy skills in lower grades

Placement fell between Mid/Above/Early On for grade level.	levels below grade level.	

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	78	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 78 to 88, of students in grades K-2 will score At or Above Benchmark level on the Acadience Reading Screener.
English Language Learners (ELL)	47	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 10% Decrease, from 47 to 37, of students scoring at mid and above level on the i-Ready Reading Screener.
Students with Disabilities (SWD)	64	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 10% Decrease, from 64 to 54, of students scoring mid or above level on the i-Ready Reading Screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Acadience Reading Screener

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Deliver explicit reading and early literacy instruction in small groups. Teacher will meet with students in WIN periods and progress monitor students learning. Data will be analyzed to provide small group instruction based upon one of the following: literacy proficiency, standard(s) mastery, or skill(s) mastery. Instructional materials during small group instruction and WIN periods will be aligned with learning strengths and needs as evidenced in the assessments listed above.

Root Cause Addressed:

Students did not master early foundational literacy skills in lower grades and these deficits follow into the upper elementary grades. As a result, we will use student the aforementioned data across grade levels to leverage small-group, differentiated instruction for all quartiles of each class.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Administer BOY assessments and code data.
Analyze student data (proficiency and standard mastery).
Group students based upon analyses.
Develop instructional materials and plans aligned with data.

Implement, review student progress, and revise as appropriate.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
ILT will update ELA curriculum maps and continue to include Fundations (K-3) and Heggerty (PK-1) lessons and incorporate Writing Revolution into content.
Small group literacy instruction will take place as follows: guided reading and strategy groups by classroom teacher, Tier 2 and 3 RtI support for high-risk students, stand-alone and integrated ENL classes by both the Dual Language and ENL teachers, sped services as aligned to SWD's IEPs.
External literacy coach will provide PD to teachers in beginning of year and coaching support throughout to address phonics and phonemic awareness instruction, encoding, decoding, and making meaning/comprehension of texts across grade levels and programs.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will collect student data using the iReady Reading assessment, Fountas and Pinnell assessments, and the Acadience Reading screener. Classroom observations and instructional rounds will assess instructional fidelity, while student work samples and teacher and student surveys will provide additional qualitative evidence of implementation. During weekly grade level data meetings will analyze this student work and guide instructional

adjustments, differentiated groupings and matrials, and support continuous improvement in student learning and achievement throughout the 2025-26 school year.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
07/01/2025	06/26/2026	Parent engagement activities (e.g., teacher workshops, PTCs) to support parents in understanding how they can help their children with ELA.	N/A
07/01/2025	06/26/2026	Parent workshops to explain what will be on the NYS ELA exam and how they can help their children prepare.	N/A

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers, ENL Teacher, SDLP & RDLP coordinators, IEP teacher, special education coordinator, parent coordinator, external literacy coach.

Instructional Resources

Wit and Wisdom, Heggerty, IXL for ELA, Learning A-Z, Epic online, teacher created materials, Writing Revolution, decodable books.

Schedule Adjustments

Common preps allow for teacher collaboration, pull out services to collaborate with classroom teachers on scheduling.

Other Resources Needed

Books that engage all students in both English and Target languages, more Fundations materials and Arriba instruction.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
24-25 OORs Incident Level and Infraction Summary, there was a total of 28 Level 4 infractions.	Lack of consistent reinforcement to promote expected values and behaviors between classroom teachers and cluster teacher.	Student behavior aligns with PS 145 Harmony Core values and behaviors conducive to learning, to improve academic outcomes.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	28	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 25% Decrease, in number of level 4 incidents from 28 to 21, per the Online Occurrence Reporting System (OORs) reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will continue to strengthen social-emotional learning (SEL) programs by implementing the school-wide SEL curriculum Sanford and Harmony and providing staff training in trauma-informed practices. Positive behavior supports and restorative practices will be enhanced through clear behavior expectations, restorative justice training, and positive reinforcement systems PBIS.

Access to mental health resources will expanding counseling services and offering wellness workshops. Additionally, we will engage families and community partners through education workshops and collaboration to provide extra support. Progress will be monitored using OORs data to ensure these actions effectively address root causes and improve student wellness.

Root Cause Addressed:

The gaps between lack of consistent social-emotional support and mental health resources, combined with unclear behavior expectations and limited family and community engagement.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement the school-wide social-emotional learning (SEL) Sanford and Harmony curriculum and provide ongoing staff trainings in trauma-informed practices.
Establish clear school-wide behavior expectations aligned with core values and train staff in restorative justice to address conflicts and promote positive behavior.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use regular data collection through the Online Occurrence Reporting System (OORs) to track level 4 incidents, alongside behavioral referral trends and attendance records. Classroom observations and staff feedback will assess fidelity to SEL and restorative practices. Mental health service usage and participation in wellness workshops will be monitored to evaluate resource access. This data will be reviewed regularly in team meetings to guide instructional adjustments and ensure the strategies positively impact student behavior, learning, and overall well-being.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
07/01/2025	06/26/2026	Parent workshops teaching families about the SEL programs within the school and ways to transfer strategies in the home.	New York Presbyterian Hospital; Sanford Harmony
07/01/2025	06/26/2026	Provide various opportunities throughout the year for families to visit classrooms and come for special events.	N/A

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers, school leadership, SEL Team, guidance counselor/social worker, school aide to run PBIS store, teachers to model ZOR lessons

Instructional Resources

Sanford Harmony SEL curriculum, PBIS Rewards app, PBIS lessons and plans, ZOR lessons and plans, ZOR posters, ZOR flipbook, Mosaic curriculum.

Schedule Adjustments

Common planning embedded at least four days a week in the schedule, SEL bi-monthly team meetings in the mornings, monthly PBIS Assemblies.

Other Resources Needed

Materials to facilitate ZOR lessons, calming corner tools, resources that engage students of all interests, prizes for the PBIS store.

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
26.9% of students at PS 145M met State standards on the State English test. 7.3% of SWDs scored a 3 or 4 on the NYS ELA assessment SY 24-25.	Insufficient differentiation to meet diverse language and learning needs, limited access to targeted interventions, and gaps in foundational skills.	Students across all of our general education programs (monolingual ICT, Spanish DL, Russian DL) must be proficient in ELA and math
43.8% of students at PS 145M met State standards on the State math test. 12.5% of SWDs scored a 3 or 4 on the NYS math assessment in SY 24-25.	Language barriers, lack of culturally responsive teaching, and inadequate progress monitoring student mastery in both ELA and math to inform instructional adjustments within prescribed curricula.	Students across all of our general education programs (monolingual ICT, Spanish DL, Russian DL) must be proficient in ELA and math

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	43.8%	PS 145 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3 and 4 will Increase by 10% from 43.8% to 48%, for All Students, as measured by NYS Math Exam results.
Students with Disabilities (SWD)	12.5%	PS 145 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By July, 2026, the percentage of students scoring at Levels 3 and 4 will Increase by 10% from 12.5% to 15%, for Students with Disabilities (SWD), as measured by NYS Math Exam Results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

PS 145 will provide differentiated math instruction tailored to the needs of all students, providing specialized interventions and support services during WIN periods. Progress will be closely monitored through regular formative assessments and data analysis to inform instruction. Additionally, collaboration among general education and special education staff will be strengthened to ensure consistent support and accommodations that promote student success in math.

Root Cause Addressed:

The lack of targeted, differentiated math instruction and support tailored specifically to the unique learning needs of students.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement ongoing progress monitoring and targeted math interventions tailored to individual needs, ensuring timely adjustments to instruction.
Provide ongoing professional development for teachers on differentiated math instruction and effective strategies to support student's learning needs.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use regular data collection from formative math assessments and NYS Math Exam results to track student proficiency. Progress monitoring tools and intervention logs will document the delivery and effectiveness of targeted supports. Teacher observation and feedback will assess fidelity to differentiated instruction practices. Collaborative data review meetings will analyze this evidence to guide instructional adjustments and measure impact on student learning and achievement over time.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Special Education Coordinator, Dual Language Coordinators, Integrated Co-Teachers, Special Education Teachers, Bilingual Teachers and Administrators

Instructional Resources

Coaching, curriculum guides, differentiated instruction, scaffolding, and accommodations.

Schedule Adjustments

The Special Education Coordinator and Dual Language Coordinators will coach and provide professional development to ICT and special education teachers. The RDLP and SDLP coordinators will support teachers in the bilingual programs with bi-monthly support for teachers and ensure academic rigor across all programs. The coordinators work on their non-teaching days.

Other Resources Needed

NA

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024 NYS ELA Exam - 26.9% Scored Proficient	Insufficient differentiation to meet diverse language and learning needs, limited access to targeted interventions, and gaps in foundational skills.	Student's score proficiency on the NYS ELA Exam.
43.8% of students at this school met State standards on	Language barriers, lack of culturally responsive teaching, and inadequate progress monitoring student mastery in	Student's score proficiency on the

the State math test.	both ELA and math.	NYS Math Exam.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	26.9%	PS 145 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the proficiency level 3 and 4 for All Students will Increase by 10% from 26.9% to 28% as measured by NYS ELA Exam.
All Students	43.8%	PS 145 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the proficiency level 3 and 4 for All Students will Increase by 10% from 43.8% to 48% as measured by NYS Math Exam.

Priority 4 Progress Measures and Targets

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will ensure all students receive early literacy foundation skills in both reading and math and engaging families early. We will implement rigorous literacy and math instruction aligned with Next Generation standards, integrating social-emotional learning to develop critical thinking and collaborative skills. Additionally, the school will partner with families and community organizations to support student aspirations and plan for 'Career Day' promoting long-term success. Regular progress monitoring will guide instructional adjustments and support personalized learning.

Root Cause Addressed:

Gaps in foundational academic skills and lack of family and community engagement to support long-term goal-setting. Additionally, inequities in access to resources and opportunities regarding student's readiness for future academic success.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement rigorous, standards aligned literacy and math curriculum including embedded social-emotional learning to build strong academic readiness skills.
Maintain family and community engagement initiatives to provide career awareness activities and resources to support students' long-term college and career planning.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

In collaborative team meetings, we will evaluate the effectiveness of instruction and engagement strategies, allowing for timely adjustments to support student learning and readiness for future college and career success.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
07/01/2025	06/26/2026	Parent engagement activities (e.g., Career Day, PTCs) to support parents in understanding how they can support students with instructional strategies.	N/A
07/01/2025	06/26/2026	Parent workshops to explain what will be on the NYS ELA and Math exams and how they can support their children prepare.	N/A

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Special Education Coordinator, ICT Teachers, Classroom Teachers, Special Education Teachers, SDLP & RDLP coordinators, literacy coaches

Instructional Resources

Singapaore Math, Wit and Wisdom, Foundations, Heggerty, IXL for ELA, Learning A-Z, teacher created materials, and Writing Revolution

Schedule Adjustments

Common preps to encourage teacher collaboration, push in and pull out services to collaborate with classroom teachers on scheduling

Other Resources Needed

Math manipulatives, decodable books that engage all students, Fundations and literacy materials

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the NYC School Survey from SY 24-25, 85% of families responded favorably to the question, "Conflicts are resolved fairly at my child's school."	Limited communication between	Continue supporting families through collaborative leadership and increase

	families and teachers	parent impact on school learning decisions

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	85%	PS 145 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of parents/guardians indicating that they are satisfied with school operations regarding responding to student behavior will Increase by 5% from 85% to 95% as measured by NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Maintain ongoing communication between teachers and families regarding school polices and student behavior, including direct contact and opportunities for parent engagement workshops focusing on the implementation of curricula, resources for families to use at home to support their students academically, and comprehensive understanding of the International Baccalaureate Programme, including culminating project celebrations which reflect key learner profile indicators.

Root Cause Addressed:

Parents receive communications about their child in a timely manner via email, telephone, GoogleClassroom, and the school application when appropriate. Teachers and school staff will continue to conduct outreach to families to attend family-engagement workshops and activities to nurture the school-family partnership across domains including social-emotional and academic.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide workshops for families regarding school protocols and operations, middle school application and preparedness, and partnership with the school community.
Teachers and support staff maintain a parent contact log for family communications.
Parents will have opportunities to collaborate with each other through structured family engagement events including school-based celebrations and workshops about how to best support their students.

Parents will have opportunities to collaborate with school faculty and staff around instruction and student learning.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Ensure parents have time at PTA and SLT meetings to communicate needs and ideas. Share survey with families to share preferences and interests. Ensure implemented ideas are shared with the school community. The safety teacher will follow-up with families regarding student behavior. The coordinators will provide resources and supports for families through direct communication, regular updates, and virtual and in-person workshops.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
07/01/2025	06/26/2026	Workshops, meetings, surveys, and translation services	N/A

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Program Coordinators, Safety Teacher, Guidance Counselor, School Social Worker, Parent Coordinator, Community Coordinators, PTA, SLT, and administrators

Instructional Resources

NA

Schedule Adjustments

Safety Teacher, Guidance Counselor, and School Social Worker will conduct follow-ups with targeted families. Monthly PTA and SLT monthly alternating meetings (in-person or virtual meetings).

Other Resources Needed

NA

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
54% of students were identified as chronically absent per 24-25 NYCPS EOY	Families at PS145M are highly mobile and reside across the boroughs as many are living in temporary housing. Families having to move multiple times throughout the school year, resulting in lapses in transportation and changes in needs. This is due to lack of employment, parents have kids in multiple schools, parents struggling with mental health issues, parent struggles to get up in the morning, and difficulty with technology related to updating their address and notifying the school of changing needs related to attendance.	Increase students' school attendance and decrease chronic absenteeism.

attendance data.		

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	54%	By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 10%, from 54% to 44%, as measured by the Insight Chronic Absenteeism Report.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Personalized outreach to families by the attendance team, increase family engagement activities and support, and provide supportive resources to address ongoing challenges affecting student school attendance.

Root Cause Addressed:

Family engagement and support to overcome barriers contributing to student's chronic absenteeism.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Weekly attendance meetings - meet and review students with attendance concerns and come up with action plans for the students.
Incentives for good attendance (e.g., shouts outs each day to classes with 100% attendance, monthly awards) and attendance assemblies. A free event for each student and one parent if they had a 90% attendance rate or higher.
Messaging system to notify parents/guardians of student absent/late.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The attendance team meets weekly to analyze targeted student's attendance patterns. A team member is assigned to follow up with the family. If follow up is a challenge the district attendance teacher will support in contacting the family. For extreme cases, home visits are scheduled.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
07/01/2025	06/26/2026	Parent workshops to discuss the importance of attendance	N/A
07/01/2025	06/26/2026	Call parents and identify their needs to support them with bringing their children to school	N/A

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers, attendance team, community coordinators, attendance secretary, attendance teacher, SEL Team

Instructional Resources

Materials explaining the importance of coming to school with accompanying data

Schedule Adjustments

Parent workshops during and after school hours

Other Resources Needed

Incentives to provide to students, full set up of robocall system, and funds to pay for the MOY and EOY events for one child accompanied by one parent.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
7.3% of SWDs scored a 3 or 4 on the ELA assessment	Insufficient academic supports and behavioral interventions tailored to meet specific needs of SWDs.	IEP Development and Fidelity of Implementation

12.5% of SWDs scored a 3 or 4 on the math assessment	Academic supports and behavioral interventions were not sufficiently tailored to meet specific needs of SWDs based upon student data and learner profiles.	Transition Planning and Compliance
There were 93 accused students with IEPS included incidents reported 24-25 OORs Student Accused Report which is disproportionate to those of students who are not identified as having disabilities.	Behavioral interventions and supports were not sufficiently tailored to meet specific needs of SWDs, aligned with student data, and/or research based.	Referral Process and Equity
		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	93	By June, 2026, to support Students with Disabilities (SWD), we will decrease the amount of incidences including students with IEPs by a 50% decrease, from 93 to 46, as measured by Online Occurrence Report System.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Analyze progress data include using multiple data sources and disaggregating by student groups to identify specific needs. Examine trends over time and collaborative with SEL team to discuss root causes and inform timely instructional adjustments. Clear communication of findings with all stakeholders will ensure shared understanding and implements ongoing supports.

Root Cause Addressed:

Monitor consistent data to inform and adjust instruction and approaches, targeting student's specific learning and behavioral needs.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Collaborative meetings with stakeholders to support and provide targeted interventions.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use student data, to track academic progress and incidences. Collaborative meetings with stakeholder to review evidence alongside behavior and evaluate the impact of supports and interventions. Teacher observations and feedback will assess fidelity to student progress in the classroom.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
07/01/2025	06/26/2026	Use progress monitoring tools and engaging families through regular progress updates, including partnership with NYP.	New York Presbyterian

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

parent coordinator, community coordinators, safety teacher, PTA, SLT, and administrators

Instructional Resources

Sanford Harmony Curriculum

Schedule Adjustments

Community Coordinators and safety teacher will conduct weekly follow-ups with targeted families. Monthly PTA and SLT monthly alternating meetings (in-person or virtual meetings)

Other Resources Needed

NA

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	F&P Reading Level Scores	Double dose of Fundations	small group in classroom	during school	No
Tier 2	Heggerty Proficiency Levels	Additional phonemic awareness instruction	small group in classroom	during school	No
Tier 2	F&P and Heggerty Scores, teacher referral	IEP Teacher to provide literacy intervention - SPIRE	small group (3-5 students) in a separate location	during school	No
Tier 3	Lack of progress with Tier 2 SPIRE intervention	IEP Teacher to provide literacy intervention - SPIRE	individual or group of 2	during school	No
Tier 2	Math scores on chapter tests	math strategy lessons	small group in classroom	during school	No
Tier 2	Math scores - chapter tests, & teacher referral	Targeted math intervention	small group in a separate location	during school	No
Tier 2	iReady Reading	Targeted reading intervention	small group instruction	during school	Yes
Tier 2	iReady Math	Targeted math intervention	small group instruction	during school	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Incident reports, teacher referral, and/or parent referral	counseling	small group	during school	no
Tier 3	Parent request (may be based on teacher referral)	therapy with clinical psychologist from school based mental health clinic	individual or small group	during school	no
Tier 3	STH students	therapy with STH social worker	individual or small group	during school	no
Tier 2	teacher referral, lack of progress with core support	check in check out	one on one in morning and fternoon	during school	no

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

We share the components of MTSS with families during 'Meet the Teacher Night', weekly class newsletters, quarterly newsletters, parent workshops, during SLT and PTA meetings, communicating how the multi-tiered supports addresses academic and social-emotional needs. Families receive clear information about how students are assessed, how interventions are selected, and ways they can collaborate with staff to support their child's progress. This transparent approach fosters partnership and empowers families to be active participants in their child's learning journey.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families of students receiving Tier 2 or Tier 3 interventions receive a family letter stating their student will receive intensive academic services in small groups. Parents and guardians will receive regular updates through scheduled conferences, phone calls, and progress reports that clearly explain their child's growth and areas needing support. Additionally, staff may share specific data from assessments and intervention outcomes, ensuring families understand the impact of services and can partner effectively in supporting their child's success.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are actively involved in decision-making for students receiving Tier 3 intensive interventions through collaborative meetings where ongoing progress data is reviewed and intervention next steps are discussed. Famiiles insights and concerns are valued in tailoring supports, setting goals and determining next steps, to ensure interventions align with their child's unique needs and family context.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

There are total of 123 students in temporary housing.

Number of students in temporary housing are:

Doubled Up (with friends or relatives because they cannot find or afford housing): 29 students
Living in a shelter or transitional shelter: 82 students
Other housing arrangements: 12 students

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

After analyzing historical demographic, attendance, and achievement data for the STH population, several key trends emerge: a significant portion of students live in shelters or transitional housing, indicating ongoing housing instability; attendance challenges arise and correlate with housing disruptions; and affects academic performance are impacted by the stressors associated with temporary housing. These trends highlight the importance of providing consistent social-emotional support, tutoring, and family engagement services to address barriers both inside and outside the classroom. Tailoring resources such as therapy, bilingual counseling, and community partnerships ensures that the unique needs of STH students and their families are met, promoting stability and academic success despite housing challenges.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Our Parent Coordinator and two Community Coordinators will maintain consistent communication with families to support them with meeting their needs. They will communicate directly through WhatsApp on a regular basis and also meet with families in person. Our staff connects families with programs (e.g., tutoring, therapy, free tutoring) that will support them and facilitate academic as well as social emotional success for their children.

They collaborate with a variety of community programs such as The Sled to provide free coats to our STH population in the winter and also The Sled, which provides our STH students with gifts during the holiday season. Our STH social worker will continue to provide therapy to the monolingual and English proficient STH students, and our bilingual guidance counselor will provide support to Spanish dominant STH students.

We continue to support families who need support with job search, health and mental services, and food programs. We have secured a washer and are working to secure a dryer to install in the school for students and families to use. The school community will continue to coordinate various clothing and coat drives, STH family dinners (e.g., Thanksgiving Feast), Barber Shop days, free vision and dental services at the school, and various workshops to support families (e.g., Student Assessments, Curriculum and Instruction, and how to sign up for Summer Rising,).

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Currently, there are 3 students in foster care enrolled at the school.

To support their social-emotional development, students have access to both individual and group counseling with our school social worker and regular check-ins with the bilingual guidance counselor to ensure culturally responsive support. They also participate in small group sessions focused on building resilience, coping skills, and positive peer relationships facilitated through the Sanford Harmony SEL curriculum.

Academically, foster care students will receive targeted tutoring during WIN periods tailored to their specific learning needs. The school collaborates with foster care agencies to monitor progress and coordinate additional resources such as mentoring programs and afterschool academic support, ensuring a stable and supportive learning environment.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

For students in foster care, including those newly transitioning, targeted supports include personalized academic tutoring, social-emotional counseling, and regular monitoring by the school social worker and guidance counselor. The school works closely with foster care agencies and caregivers to coordinate services, provide smooth transitions, and address any immediate needs.

To promote stability and success, the school implements individualized support plans, offering mentoring and peer support groups, and ensures timely access to counseling and mental health resources. Ongoing communication amongst staff, families, and foster care providers helps identify challenges early and tailor interventions that foster a safe, supportive environment for these students.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Analysis of historical data for students in foster care reveals trends such as increased behavioral and emotional challenges, and lower participation in extracurricular activities. These students may also experience gaps in academic achievement, especially in reading and math, and show a greater need for social-emotional support due to trauma or instability in their home lives. Recognizing these trends helps schools tailor comprehensive interventions that address both learning and well-being.

These insights highlight the need for consistent, personalized support that addresses both academic and social-emotional needs. Strengthening wraparound services, ensuring stable school placements, and increasing collaboration with foster care agencies can help reduce disruptions. Additionally, early identification and proactive intervention can improve attendance and academic outcomes, fostering greater stability and success for foster care students.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Our school implements targeted SEL strategies for foster care students, especially in transitional grades, including small-group counseling focused on resilience and coping skills, and individualized check-ins with the social worker to address emotional needs. We also provide peer mentoring programs and social skills workshops to build positive relationships and a sense of belonging.

These strategies help students manage stress and behavioral challenges, improving focus and engagement in class. By fostering emotional regulation and self-awareness, SEL support directly contributes to better academic performance and smoother transitions during critical grade changes.

Enhancing collaboration with foster families and caseworkers ensures consistent communication and coordinated care. Offering trauma-informed training for all staff can improve understanding and responsiveness to these students' experiences. Additionally, expanding access to mentoring, tutoring, and flexible scheduling can address unique challenges, while regularly gathering student feedback helps adjust supports to fit their evolving needs.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement that will establish expectations and objectives for meaningful parent and family engagement in the school community.

PS 145, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher

Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 145 will support parents and family members of Title I students by:

• Providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;

• Providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;

• Fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;

• Providing assistance to parents in understanding City, State and Federal standards and assessments;

• Sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;

• Providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), students with disabilities, and families in temporary housing. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

• Actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;

• Engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;

• Ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;

• Support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;

• Maintain a Parent Coordinator and community coordinator to serve as a liaison between the school and families. The Parent Coordinator, with the support of the community coordinator, will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;

• Conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

• Provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;

• Host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;

• Schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;

• Translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

• Hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;

• Encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;

• Supporting or hosting Family Day events (e.g., Fathers Bring Your Child to School Day, Publishing Parties, etc.)

• Establishing a Parent Resource Center/Area or lending library; instructional materials for parents;

• Encouraging more parents to become trained school volunteers;

• Providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;

• Developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;

• Providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 145, Bloomingdale School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), implements the School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

• Using academic learning time efficiently;

• Respecting cultural, racial and ethnic differences;

• Implementing a curriculum aligned to the State Learning Standards;

• Offering high quality instruction in all content areas;

• Providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

• Conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;

• Convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;

• Arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;

• Respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;

• Providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;

• Involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;

• Providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;

• Ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:

•Ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;

• Notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;

• Arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;

• Planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:

• creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;

• Assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);

• Sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;

• Supporting parental involvement activities as requested by parents and family members;

• Ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;

• Advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

Parent/Guardian Responsibilities:

• Monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;

• Ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;

• Check and assist my child in completing homework tasks, when necessary;

• Read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);

• Set limits to the amount of time my child watches television or plays video games;

• Promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;

• Encourage my child to follow school rules and regulations and discuss this Compact with my child;

• Volunteer in my child's school or assist from my home as time permits;

• Participate, as appropriate, in the decisions relating to my child's education;

• Communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;

• Respond to surveys, feedback forms and notices when requested;

• Become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;

• Participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;

• Take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

• Share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

Student Responsibilities:

• Attend school regularly and arrive on time;

• Complete my homework and submit all assignments on time;

• Follow the school rules, embody the school's Harmony Core Values, and be responsible for my actions;

- Show respect for myself, other people and property;
- Try to resolve disagreements or conflicts peacefully;
- Always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Teachers will be provided with professional learning through the support of the literacy coached, math coach, special education coordinator, Spanish DL coordinator, Russian DL coordinator, and administrators. Coaches, coordinators, and admin will support teachers based on student data, Advance data, and survey data through observation, co-teaching, coaching, modeling, debriefs, and//or whole group PD. Teachers may seek out individualized PD offered by DOE Central and District offices, and administrators will also send staff to PDs, based on their needs. Monday PD time will be used to support staff in working towards the school's instructional focus.

The principal will attend all district principal meetings and receive support from district staff. She will attend outside PD related to the school's instructional focus.

The assistant principal will attend all district AP meetings and receive support from district staff. She will attend outside PD related to the school's instructional focus.

Paraprofessionals will observe the coaching the teachers receive, be supported by their supervising teachers, and also receive trainings specific to their roles. For example, the nurse will train health paras and the guidance counselor(s) and special education coordinator will provide trainings to behavior support paraprofessionals. Early childhood social worker and instructional coordinator will support 3K and PK paraprofessionals through coaching and individualized PD.

The school will support the professional learning of all other staff by using the Monday PD time to provide or send staff to PDs related to their areas of need and focus. Admin will collaborate with outside supervisors to support with this work, such as speech supervisors, OT supervisors, and the students services manager.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Our early childhood social worker and instructional coordinator both help teachers to support their 3K and PK students and families with the end of year transition; teachers and paraprofessionals directly support the students and families. Resources that are shared with families relate to milestones checklists, tips to prepare children for PK and kindergarten, tips to ease separation anxiety, and suggestions of how to prepare children with the transition to kindergarten. A beginning of year questionnaire will be shared with families.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$3,481	X	Section 7
Title I, School Improvement 1003(a)	Federal	N/A		
Title II, Part A	Federal	36,602	X	Section 7
Title III, Part A	Federal	21,608	X	Section 7
Title III, Immigrant				
Title IV, Part A				
Tax Levy (Fair Student	Local	3,568,284	X	Sections 1 - 7

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Dr. Natalia Garcia (Bil.)
Assistant Principal (Where Applicable)*	Lolita Wilder
English as a New Language (ENL) Teacher*	Joseph Senno
Teacher (if school has a bilingual program must be a bilingual teacher)*	Wendy Lopez (Bil.)
Parent/Guardian*	Lauren Balaban
Gen. Ed & SDLP	Veronica Chan (Bil.)
Parent Coordinator	Rania Amer (Bil.)
Guidance Counselor	Mayela Gaytan (Bil.)
Bilingual SETTS and ENL Teacher	Jorge Izquierdo (Bil.)
Gen. Ed & RDLP (Bil.)	Oksana O'Shea (Bil.)
Community Coordinator	Juan Abreu (Bil.)
Community Coordinator	Rania Ebrahim (Bil.)

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

2

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

13

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

383

Total number and percentage (%) of current ELLs:

106 / 27.6%

Total number and percentage (%) of former ELLs:

4 / 1%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

98 / 92.5%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

4 / 3.8%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0 / 0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

19 / 17.9%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish	2025-2026	1	1	1	1	1	1	0	0	0	0	0	0	0	6
DLBE	GE	Russian	2025-2026	1	1	1	1	1	1	0	0	0	0	0	0	0	6
DLBE																	0
				total: 2	total: 2	total: 2	total: 2	total: 2	total: 2	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

As per CR Part 154.2, ELLs are programmed to receive at the least their minimum amount of required instructional minutes for ENL per week via integrated and standalone ENL. Entering and emerging students will be pulled-out for stand-alone ENL for 180 minutes per week, and transitioning students will be pulled-out for 90 minutes per week. Our current ENL teachers providing these services are Joseph Senno (ENL Coordinator and Teacher) and Wendy Lopez (Teacher)

In the Stand-alone ENL model, students are grouped by language levels and grade bands. Students are grouped by ability/language level within a two grade-band range. Additionally, if students are on very different levels academically, they will not be grouped together. ELLs receive instruction in order to acquire academic English in the core content areas. Lessons are created with language objectives, with a focus on vocabulary instruction (e.g., previewing vocabulary in a story or in the content area), with visuals to support the comprehension of unfamiliar words, with phonics instruction, with phonemic awareness instruction, and with explicit instruction of grammar.

SIFE students in the Spanish and Russian Dual Language Program are provided with Stand-alone instructional minutes due to their immediate academic needs.

Students receive skilled instruction in each of the four language learning modalities. The students' listening abilities are improved by receiving guided language instruction (e.g. word study, read aloud, guided reading, listening to classmates). Students improve their reading abilities with the use of apps such as Raz-Plus, Epic Books, NEWSELA and Sora, which are online resources that offer read aloud options for ELLs.

We enhance the student's writing abilities with the use of graphic organizer, pictures, thinking maps, and sentence frames. We help them improve their speaking abilities by engaging them in class discussions where they have to ask and answer questions, retell texts, summarize, and by having collaborative conversations using anchor charts as well turning and talking to their peers.

Integrated ENL:

In the Integrated ENL model, the ENL teacher works with ELLs within a particular official class in collaboration with the classroom teacher. The ENL teacher and the classroom teacher co-teach and plan together. Students in a given class may be of varied English proficiency levels, in which case the ENL teacher will provide appropriate scaffolds for each ELL to most effectively access the content. The ENL teacher will also differentiate instruction to meet the needs of the English Language Learners within the class. Integrated ENL focuses on literacy blocks (ELA- Reading, Writing, Word Study), to most efficiently support English acquisition and access to curriculum.

In an Integrated ENL model the entering and emerging ELLs will receive 180 minutes of ENL/ELA instruction for a total of 360 minutes per week. Transitioning ELLs with receive 90 minutes of ENL/ELA instruction for a total of 180

minutes per week. Expanding ELLs will receive 180 minutes of instruction in ENL/ELA or any other core content area for a total of 180 minutes per week. Commanding students will receive 90 minutes in the form of Integrated ENL, Small group Language support or Project-based learning for former ELLs.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

We do not have a transitional bilingual program.

Dual Language Bilingual Education (DLBE):

We have a self contained classes in addition to our Spanish and a Russian Dual Language Program in grades Pre-Kindergarten to 5th grade. Both Dual Language programs follow an alternate day model.

The same group of children are with the DL teacher all year and the DL teacher teaches in English and in the home language alternating the language daily. All core subject areas are taught in English and in the home language. In our DL program, students are placed in heterogeneous groups to balance the language proficiency ratio. Strategies for teaching ELLs are embedded into the daily instruction. Lesson plans are created with a language objective as well as with differentiated activities. ENL in bilingual program is delivered with both homo and heterogeneous proficiency leveled group. Homogeneous is used to deliver small group instruction, while heterogeneous groups benefit students by having student models at the edge of Zones of Proximal Development.

In September 2024, we adjusted the model for the 2nd grade RDL class. One teacher provided instruction in English while the other provided instruction in Russian to the classes on alternating days, following a side-by-side model. The students still received an alternate day language model.

Integrated and stand-alone ENL are implemented for ELLs in the bilingual program requires further explanation (i.e. Blocked - travel as a group- or Ungraded - Services are provided within a mix group of ages- AND Heterogeneous - Mix of proficiency levels- or Homogenous - same proficiency levels).

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

At the start of the school year and then continuously throughout, the ENL teacher works with the ELL students as well as maintains all ELL records school-wide. The ENL teacher works with the classroom teachers, cluster teachers, and out-of-classroom service providers to curate a weekly schedule in which ELLs can be programmed into both Standalone and Integrated ENL settings to meet the mandated number of instructional minutes detailed in CR Part 154-2.

Throughout a school week, ELLs receive:

ENTERING ELLs: 180 minutes of stand alone, 180 minutes of integrated ENL/ELA
EMERGING ELLs: 90 minutes of stand alone, 180 minutes of integrated ENL/ELA, 90 minutes of FLEX (SA/INT)
TRANSITIONING ELLs: 90 minutes of integrated ENL/ELA, 90 minutes of FLEX (SA/INT)
EXPANDING ELLs: 180 minutes of integrated ENL/ELA)
COMMANDING - FORMER ELLs: 90 minutes (INT ENL/ELA or other approved services for former ELLs)

** SA = Stand-Alone, INT = Integrated ENL/ELA, FLEX = SA/INT **

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL instruction is delivered to students through both Integrated ENL and Standalone ENL teaching models. ELA instruction can include the ENL teacher in an Integrated setting when necessary (determined by proficiency levels), who provides ELL supports and scaffolds to help ELLs achieve mastery of the content and language objectives, while working closely with the classroom teacher in the process.

In our Dual Language classes, we follow an alternate day model so students who are ELLs receive differentiated instruction on English days. Instruction in English in the DL classes incorporates teaching strategies as well as language objectives to support ELLs and their development of the English language. HLA is delivered during morning periods (periods 1-4) on alternating days (days that correspond with HL in DL program).

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our school uses the 50/50 model for all Dual Language programs. For the school year 2025- 2026, we will have a Russian DL (PK-5) and Spanish DL program (PK-5). DL teachers will provide instruction in English 50% of the time and in the target language the remaining 50% of the time.

In all our Dual Language classes, the English proficient students (EPs) and our ELLs are placed in heterogeneous groups to balance the language proficiency ratio throughout the day. The core content area is taught in both English and the Home Language. Language of instruction is separated and alternated daily. There is a target language calendar which we follow and is uploaded onto our Google Drive. The target language calendar is shared with parents and staff in the beginning of the school year on the school app. Emergent literacy is taught in both languages simultaneously.

b. In which language(s) is each core content area taught?

The core content area is taught in both the English language with the target languages (Spanish and Russian) alternated daily.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

NUMBER OF ELL STUDENTS AT OUR SCHOOL: Newcomers (0-3 years of service) - 98 students (92.5%) Developing ELLs (4-6 years of service) - 4 students (3.8%) Long-term ELLs (7 or more years of service) - 0 students (0%) SIFE - 0 students (0%) ELLs with IEPs - 19 students (17.9%). The number of ELLs who are Newcomers in our school in Kindergarten is 15. The number of ELLs who are Newcomers in the subsequence grades are as follows, First Grade 19, Second Grade 15, Third Grade 18, Fourth Grade 20 and Fifth Grade 11. Services for Newcomers differ from those provided to Developing or Long-term ELLs. Services for Newcomers differ from those provided to Developing or Long-term ELLs. With all Newcomers, it is essential that we activate their prior knowledge in the skills we are addressing in the classroom. We use a variety of strategies in the classroom to help the Newcomers. Some of the strategies we use are classroom discussions, non-verbal cues, prior knowledge, graphic organizers, K-W-L charts, pictures, as well as picture dictionaries and glossaries. We also provide the students with a print rich environment where they can refer to charts, posters, and word walls. We incorporate read alouds to improve listening skills as well as fluency. We use total physical response to prove commands in the targeted language. We use Fundations and Heggerty to improve phonemic awareness and phonics skills with our Newcomers. English and books in the home language are provided at their level and interest. With math we incorporate the use of manipulatives, as well as charts, word walls, visuals, cognates, math vocabulary and process charts. We incorporate 4 modalities in our math lessons. For listening, we encourage ELLs to retell for comprehension. For speaking, we encourage Ells to use the content vocabulary in context. In reading, we encourage our ELLs to use the visual to help them understand. All of our Newcomers are in a dual language program, so they are receiving instruction in both English and their home language. Our ENL teacher also provides support to our ELL students and their DL teachers.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

NUMBER of ELLs that are SIFE AT OUR SCHOOL: SIFE - 0 students (0%). Various scaffolds will be used to support SIFE including visuals, charts, labeling, TPR, illustrations, diagrams, drawings, organizers, charts, and graphs. Students will work in small groups and pairs throughout the day to enable the students to use their home language

as well as English. The students will have access to bilingual glossaries, classroom libraries in English and the home language, on DBN: 03M145 School: P.S. 145, The Bloomingdale School 135 of 200 line literacy programs (Raz-Kids) and math programs (IXL) in both the home language and the target language. For low-incidence languages the teachers use Google Translate, Google Image and iTranslate.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Currently, we have a zero percentage of Long-term ELLs, identified under CR Part 154 who have received English as a new language instruction for seven (7) or more enrolled school years in our school. The ENL teacher meets with the classroom teacher during their grade/program meeting time or during PD time on the first Monday of each month to review the data from the running records as well as to discuss how Long-term ELLs are progressing/maintaining with their current level of productive (speaking/writing) and receptive (listening/reading) English abilities within the various content areas. The data and anecdotal information shared in these discussions are logged as minutes in a Word document. This data will guide the instruction for the classroom teacher and will determine if added support is needed for the Long-term ELLs. Futhermore, Long-term ELLs have online access to RazKids and SORA. Long-term ELLs are able to choose and read books on their reading level. ELLs meet with the teacher in small guided reading groups where they practice oral, reading and writing skills. They practice their reading comprehension skills and incorporate their writing skills when responding to a comprehensive question. Long term ELLs still get the support of both the classroom teacher and the ENL teacher.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

NUMBER OF FORMER ELL STUDENTS AT OUR SCHOOL: Former ELLs - 4 (1%) Various scaffolds are used to support SIFE including visuals, charts, labeling, TPR, illustrations, diagrams, drawings, organizers, charts, and graphs. Students work in small groups and pairs throughout the day to enable the students to use their home language as well as English. The students have access to bilingual glossaries, classroom libraries in English and the home language, on-line literacy programs (Raz-Kids) and math programs (IXL) in both the home language and the target language. For low-incidence languages the teachers use Google Translate, Google Image and iTranslate.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

ELLs who are newcomers had low attendance, 21 (19.8%) of ELLs scored a 1 or 2 on the NYS ELA test and 19 (17.9%) of ELLs scored a 1 or 2 on the NYS Math test. Families who received 60-day notices to reapply or move out of the shelter where they resided greatly affected school attendance. Many of our ELL families were offered to relocate out of NYS. ELLs in temporary housing often have a higher rate of absenteeism, ELLs in temporary housing as well as Newcomer ELLs may suffer some self-confidence as well as struggle to stay focused. Their lack of stability causes them to lack self-esteem. We continue to provide them with more targeted ENL support.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

There are 4 identified Former ELLs. Twenty-Five percent (1 student) of Former ELLs scored a 1 or 2 on the NYS ELA test and fifty percent (2 students) of ELLs scored a 1 or 2 on the NYS Math test. Twenty-five percent (1 student) of Former ELLs live in temporary housing.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home language of ELLs with the largest representation in our school are Spanish and Russian. We have a Spanish and a Russian Dual Language coordinator who communicates with the parents of the students in the DL program. Our school translates all meetings in both Spanish and Russian languages and ensures all written communication is in the home language of the student. All school events have staff present for translation. We also have some ELLs who speak other languages that are not Spanish or Russian such as Ukrainian and French. We have a diverse staff who speak a different language which allows us to communicate with our ELLs and their parents (Spanish, Russian, Cantonese, Arabic, Mandarin, Albanian, and Korean). During Parent Teacher Conferences, PTA meeting or when a parent comes into the school office for registration or paperwork, a staff member that speaks their language will attend to them. ELL students in the school are also introduced to the staff member that speaks their home language. If a staff member does not speak the parent's home language, we use the Linguistic International Over the Phone Interpretation Services for Schools. We also use translation and interpretation funds to translate written documents, such as IEPs, when needed.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classification of our ELLs in our school are as follows: - Of our Non-Hispanic ELLs, we have 7 (17.5%) who are Asians, 5 (12.5%) who are Blacks, and 28 (70%) who are White. - Of our Hispanic ELLs, we have 20 (30.3%) who are American Indian or Alaskan Native, 0 (0%) who are Asian, 21 (31.8%) who are Black, 2 (3%) who are Multiracial, 1 (1.5%) who are Native Hawaiian or other Pacific Islander and 22 (33.3%) who are white. Our Culturally Responsive and Sustaining Education includes a classroom that is welcoming and inclusive of the children's culture. Our ELLs are provided with instruction that encourages them to think critically and take responsibility for their own learning as well as to know that mistakes are allowed and welcomed. The ELLs are provided with an inclusive curriculum. We have a monthly read aloud of our Book of the Month that provides ELLs with multi-cultural narratives that they can relate to. We also have our Mosaic Curriculum that includes diverse and culturally responsive books. Our Social Studies curriculum includes lessons on the histories and experiences of our ELLs. Our Social Emotional lessons include opportunities for ELLs to share their perspectives on issues occurring the community, discuss implicit biases and build strong relationship with their peers. We purchase books that represent a variety of cultures so our ELLs can see themselves in the characters and relate to the stories. This will also improve their ability to process new information and think critically.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

The trends reflected in reviewing the English Language Proficiency (ELP) growth for ELLs are as follows: - The total of progress eligible students are 45. Of the 45 students there are 3 (6.7%) of the students met progress by exiting ELL status, 4 (8.9%) of the students met annual progress target, 0 (0%) of the students met safe harbor cumulative

growth, and 38 (84.4%) of the students progress was not met. There were 32 (43%) of the students who were administered a valid 2024 NYSELAT with no prior exams.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The results of the NYSESLAT for ELLs show of the 77 students there are 24 (31.2%) Entering ELLs on proficiency level, 22 (28.6%) Emerging ELLs on proficiency level, 17 (22.1%) Transitioning ELLs on proficiency level, 11 (14.3%) Expanding ELLs on proficiency level, and 3 (3.9%) Former ELLs on proficiency level.

In grade 1, there were 16 students who were administered the NYSELAT and the following is the amount of students who answered 90% or more of the questions correctly in each modality: 1 (.06%) in reading and 1 (.06%) in writing. In grade 2, there were 14 students who were administered NYSELAT and the following is the amount of students who answered 90% or more of the questions correctly in each modality: 2 (14%) in listening and 2 (14%) in speaking. In grade 3, there were 15 students who were administered the NYSELAT and the following is the amount of students who answered 90% or more of the questions correctly in each modality: 1 (.06%) in reading, 1 (.06%) in listening, and 4 (27%) in speaking. In grade 4, there were 22 students who were administered the NYSELAT and the following is the amount of students who answered 90% or more of the questions correctly in each modality: 2 (.09%) in reading, 2 (.09%) in writing, 1 (.05%) in listening, and 1 (.05%) in speaking. In grade 5, there were 10 students who were administered the NYSELAT and the following is the amount of students who answered 90% or more of the questions correctly in each modality: 1 (.01%) in writing and 1 (.01%) in listening.

In grade 1, there were 16 students who were administered the NYSELAT and the following is the amount of students who answered less than 15% of the questions correctly in each modality: 1 (.06%) in reading, 5 (31%) in writing, 1 (.06%) in listening and 13 (81%) in speaking. In grade 2, there were 14 students who were administered the NYSELAT and the following is the amount of students who answered less than 15% of the questions correctly in each modality: 7 (50%) in writing and 3 (21%) in speaking. In grade 3, there were 15 students who were administered the NYSELAT and the following is the amount of students who answered less than 15% of the questions correctly in each modality: 7 (47%) in writing, 1 (.06%) in listening, and 6 (4%) in speaking. In grade 4, there were 22 students who were administered the NYSELAT and the following is the amount of students who answered less than 15% of the questions correctly in each modality: 1 (.05%) in reading, 6 (27%) in writing, 2 (.09%) in listening, and 4 (18%) in speaking. In grade 5, there were 10 students who were administered the NYSELAT and the following is the amount of students who answered less than 15% of the questions correctly in each modality: 3 (3%) in writing and 4 (4%) in speaking.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The relationship between student's performance on the NYSESLAT compared to the ELA and Math assessments are as follows:

2024 ELA Assessment Grades 3-8

Comparing the proficiency levels to the scores on the ELA assessments, 16 students scored level 1 on the ELA assessment with 2 students at the Entering, 8 students at the Emerging ELL proficiency level, and 6 students at the Transitioning ELL proficiency Levels. There were 2 students who scored level 2 on the ELA assessment with 2 students at the Expanding ELL proficiency level. There were 3 students scored level 3 on the ELA assessment with 3 students on the Commanding ELL proficiency level.

2024 Math Assessment Grades 3-8

Comparing the proficiency levels to the scores on the Math assessment, 11 students scored level 1 on the Math assessment with 3 students at the Entering ELL proficiency level, 5 students at the Emerging ELL proficiency level, and 3 students at the Transitioning ELL proficiency Level. There were 8 students scored level 2 on the Math assessment with 3 students at the Entering ELL proficiency level, 1 student at the Emerging proficiency level, 3 students at the Transitioning ELL proficiency level, and 1 student at the Commanding ELL proficiency level. There were 9 students scored level 3 on the Math assessment with 2 students on the Emerging ELL proficiency level, 4 students on the Transitioning proficiency level, 2 student on the Expanding proficiency level and 1 student on the Commanding ELL proficiency level; There were 3 student scored level 4 on the Math assessment with 1 at the Emergent ELL proficiency level, 1 students on the Expanding ELL proficiency level and 1 student at the Commanding ELL proficiency level.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

The trends reflected in the results of the NYSESLAT for ELLs with IEPs are as follows: - Of 15 students flagged with an IEP there are 5 Entering ELLs, 2 Emerging ELLs, 5 Transitioning ELLs, 2 Expanding ELLs, and 1 Commanding ELL. Of 62 students not flagged with IEP, there were 19 Entering ELL, 20 Emerging ELLs, 12 Transitioning ELLs and 9 Expanding ELLs and 2 Commanding ELLs. ELLs with IEPs have a hard time either moving up in proficiency level or testing Commanding. Since a number of issues can cause problems with language, reading and attention (including dyslexia, auditory processing disorders and ADHD) and other learning and thinking differences can cause issues with math, problems with movement and speaking and trouble with social skills, an ELL with and IEP can struggle with their academic progress.

Currently there were 0 students identifed as SIFE at all proficiency levels

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

NA

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

NA

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

NA

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

NA

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Teachers create an environment that is inclusive and responsive fostering students to feel safe and build confidence in their language development. To support learning development for ELL students teachers implement instructional strategies that support the diverse needs of all students in our programs. Teachers plan differentiated instruction including visual supports, hands-on materials, and scaffold curriculum. We use a co-teaching model for students to receive instruction in supports in both English and the target language. To ensure learning is meaningful and connect to students cultural background teachers incorporate materials and experiences relative to students life experience. All students engage in project based learning experiences where they are able to interact with classmates and peers within their grade during physical education, STEAM, dance, music, Technology clusters.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Each grade and program in our school is represented on the Instructional Leadership Team (ILT) at our school. Each teacher member of the Instructional Leadership Team meets weekly with their grade and program to track the progress of the students. The teachers in each of the grade levels and programs discuss and plan the mapping for each grade curriculum as well as how the curriculum will be differentiated for students with IEPs as well as for ELL students. The curriculum maps provide a space for teachers to share and include modification for diverse learners such as our ELLs, Students with Disabilities, our RtI and enrichment that can be used in their lessons.

The Instructional Leadership Team has bi-monthly check-ins to track the progress of all the students. The ILT ensures that all services required by our MLs/ELLs are provided. The ILT creates a map for all content area for each grade and program and includes differentiated activities that target the MLs/ELL's as well as the materials that are necessary. Within the maps, activities are incorporated in all the language modalities (listening, speaking, reading, and writing.)

The ILT maps out the curriculum four times a year. Throughout the year, the ILT meets to change and or add updates to the maps for our ELLs.

Teachers conduct assessments of students in reading and in math throughout the year. Based on these outcomes, teachers provide targeted small group work to help students learn concepts and the develop skills.

Our ELL students are provided with targeted intervention in ELA and math and within small groups in the classrooms as well as in after school. Our ELLs participate in the after school AREA (Academic Recovery Enrichment After-school) Program as well as our after-school ELL program.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

ELL students in the ICT classes are grouped together and at times are pulled out by the ENL teacher. ELLs in the Dual Language class receive their minutes with the bilingual teacher.

The Dual Language Program delivers all core content area instruction in English and in the targeted language (Spanish or Russian.) The DL programs follow an alternate day model where the core content areas are taught in English one day and is alternated with the target language the next day.

The structural approaches used in the classroom to foster language development are direct and indirect instruction as well as experiential, independent and interactive activities. The classroom activities include cooperative learning task, hands-on learning activities, scaffolding, big and small group instruction, turn and talk activities, self-assessment, thematic instruction, the use of graphs, charts, visual aids and word walls. The students are provided with multiple resources on the same topic and on various reading levels that build academic language and knowledge. There is a pre- and post-discussion of the text where the vocabulary is discussed and taught. Students have access to a variety of texts related to their cultures, interests, and language.

Stand-alone sessions, which are in English, support the students' English language development in small group sessions, based on data collected (e.g., NYS ELA scores, NYSESLAT scores, F&P Scores, TC writing scores). Lessons are individualized to meet the needs of each student and work on skills needed to meet the Next Gen Learning Standards. Students work in small groups with the ENL teacher to develop their oral, listening, reading and writing skills. Students in stand-alone instruction in Kindergarten and First grade will receive instruction toward improving English phonological awareness as well as their phonic skills with the use of Fundations and Heggerty.

The students are grouped together based on their proficiency level on the NYSITELL or NYSESLAT. The ENL teacher works with the classroom teacher to provide the students with appropriate scaffolding for understanding new words through context clues and reinforce the reading strategies taught in the students’ class.

For integrated ENL services, the ENL teacher coordinates the activities with the classroom teacher. The classroom teacher teaches the mini-lesson and the ENL teacher follows up during the guided practice portion of the lesson by scaffolding as well as reinforcing the concepts by providing clarification, reinforcing new vocabulary and supporting with charts and visuals.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

We currently have 15 (19%) of ELLs with IEPs. Teachers of MLs use the same grade level curricular materials that are used by the rest of the students to ensure that learning is context based and can generalize into the classroom. Curricula materials will include Wit and Wisdom reading, small group instruction, decodable books, Singapore Math, Fundations, and Heggerty. They are supplemented with ELL strategies such as visuals, pre-teaching vocabulary, verbal scaffolding, teaching of cognates, and explicit vocabulary instruction. In addition to curricula materials, intervention materials based on student need are used to ensure that ELLs have the foundational skills that the rest of the class may already have. Some intervention materials include Fundations, SPIRE, Wilson, Learning A-Z and IXL math.

Teachers of ELLs with IEPs will ensure instruction also supports them to achieve their IEP goals. Extra support is provided to an ELL with an IEP in both the after-school program AREA (Academic Recovery Enrichment After-school) and ELL program. A Dual Language teacher as well as the ENL teacher will work with the ELL students during the afterschool program and will ensure that ENL scaffolding strategies are used to assist the students as well as in their native language of when necessary. ELLs have the opportunity to work in small groups
to improve on their listening and speaking, reading, and writing skills. Some resources the ELLs may have to improve their literacy skills are apps such as Raz-kids, Mobymax, and Starfall as well as they are able to access guided reading books on their levels.

The classroom teacher assesses the student's written work to help them improve their grammar skills and sentence structure through the prompted PBAs writings and mini lessons from the Writing Revolution. This will help the students improve their writing skills and gain proficiency in the writing modality.

b. SIFE

We currently have 0 (0%) SIFE students. In the case we have SIFE students, they are exposed to the grade level content and then provided with individualized, small group instruction to provide them the support they need to access the grade level content. SIFE students are also provided with additional intervention services through AIS and RtI. SIFE students are provided with a lot of scaffolding which may include visuals, videos, and charts. Some intervention materials used to help the SIFE ELLs include Fundations, SPIRE, Wilson, Learning A-Z and IXL math. In literacy, focused is placed on the ELLs improving their decoding, fluency and comprehension skills. In math, focus is placed on developing their foundational math concepts, mathematical fluency, computation as well as in developing their problem-solving skills and algebraic skills.

c. Newcomers

Our school currently has 98 newcomers (92.5%). The teachers utilize a multitude of strategies to ensure our newcomers have access to the curriculum. The ELL students use the same curriculum as the rest of the children. Teachers will plan lessons and provide differentiation to the lesson for our newcomers. Some of the strategies that the teachers and the ENL teacher uses to deliver instruction are visual aids, charts, total physical response and modeling. Other strategies include the use of videos, turn and talk and peer to peer activities. ENL teachers and the classroom teachers meet to plan curriculum and lessons to ensure all students have access to content. Teachers will use Fundations and Heggerty to teach phonemic awareness as well as phonic skills. Teachers focus on building phonemic awareness, vocabulary as well as decoding in reading.

In math, focus is placed on developing their foundational math concepts, mathematical fluency, computation as well

as in developing their problem-solving skills and algebraic skills.

d. Long Term ELLs

Teachers (gen-ed in partnership with ENL co-teachers) utilize a multitude of strategies to ensure access and culturally responsive orientation. Some examples of strategies that are used to deliver instruction are charts, visual aids, small group instruction, think- pair-share activities and jig-saw activities.

ENL teachers and General Education teachers all meet to plan curriculum and lessons to ensure all students have access to content. Modifications are made to provide differentiated activities for the Long-Term ELLs.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

In order for our ELL-SWDs to achieve their IEP goals and attain English proficiency, our classroom teachers provide input to help create curriculum maps for each grade level. In the maps, we provide differentiated instructional activities that the teachers can incorporate into their lessons and increase our ELLs English proficiency as well as reach our ELL-SWDs' IEP goals. The curricular maps are uploaded onto Google Drive where every staff member has access.

Classroom teachers, ENL teacher as well as the Speech and Language teachers reads all IEPs of ELL-SWDs. The classroom teacher, the ENL teacher and the other related services providers plan to ensure lessons and activities fit the ELL's individual needs in an effort to attain English proficiency as well as to reach their IEP goals.

In addition, the ENL teacher has received training in the Wilson intervention system. The classroom teacher will use Fundations and Heggerty to teach phonemic awareness as well as phonic skills. Teachers focus on building phonemic awareness, vocabulary as well as decoding in reading.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Dual language teachers will continue to follow the 50/50 alternate day model. Instruction will continue to with instruction in English 50% of the time and the target language 50% of the time. Instruction will be supported in-person.

In the dual language program, teachers use the following to assess student's home language - Fountas and Pinnell Reading assessments, Heggerty Phonemic Assessments in the targeted language, I-Ready Reading and Math assessments in targeted language and Wit & Wisdom FQT's and/or End of Module assessments.

Bilingual certified teachers in the DL program will support the ELLs in the class and the ENL teacher will support the students in the integrated class and home language support will be given as needed in order to support core content instruction.

ELL's have various resources in the class to support the home language. There are classroom libraries with books in

English and the home language. ELLs have access to bilingual glossaries and dictionaries. All written correspondence to family is in both English and the home language.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

The Spanish Dual Language Coordinator (SDLP) and the Russian Dual Language Coordinator (RDLP) meets weekly with bilingual teachers in the dual language programs to support teachers with implementation of curriculum and resources to support ELL students. Teachers in all programs collaborate in grade level teams to discuss curriculum implementation, analyze student data, identify trends across grades, and provide appropriate supports and resources to address students learning needs and development. ELL students in the ICT classes are grouped together and at times are pulled out by the ENL teacher. The students are grouped together based on their proficiency level on the NYSITELL or NYSESLAT. The ENL teacher works closely with the classroom teacher to provide the students with appropriate scaffolding for understanding new words through context clues and reinforce the reading strategies taught in the students' class. For integrated ENL services, the ENL teacher coordinates the activities with the classroom teacher. The classroom teacher teaches the mini-lesson and the ENL teacher follows up during the guided practice portion of the lesson by scaffolding as well as reinforcing the concepts by providing clarification, reinforcing new vocabulary and supporting with charts and visuals.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Administration and teachers receive yearly training in a range of topic including Fountas and Pinnell, Sandford Harmony and Singapore Math PD. Tentative dates for when PD are offered and mapped out over the summer. Attendance to PDs are kept through saving Zoom chats and hard copy of sign in sheets. PDs are also uploaded onto our Google Drive for reference.

The Fountas and Pinnell training provides teacher training on administrating and assessing reading skills such as fluency and comprehension especially those of MLs/ELL.

Administration and teachers are also trained yearly in the socio-emotional curriculum of Sanford Harmony. Sanford Harmony trains educators how to create opportunities for students to develop awareness and self-regulation, increase empathy and critical thinking, practice effective communication, and to work collaboratively to solve problems. Teachers engage all students, MLs/ELLs, to orally communicate their needs and feeling.

Math professional development is provided to teachers. During the professional development, teachers explore a variety of strategies for strengthening their math assessments of ML/ELLs.

Teachers are trained in improving MLs/ELLs' content area conversations.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Administration, Dual Language Coordinators, SpED Coordinator, ENL teacher as well as the ILT team, meet and discuss what professional development the teachers will need to help support our ML/ELL's. Tentative dates are mapped out over the summer. The team counts the available Mondays and professional development days available to provide PD and determines how many will need to be used to ensure that 15% of hours for all certified faculty addresses ELL topics and 50% of the hours for bilingual education/ENL teachers are ELL-specific. The school keeps a record of all PDs offered, the dates, times, and staff who attended.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

All ELLs are assessed in the beginning of year in all core areas. Fountas and Pinnell is used to formally assess the early literacy skills of student in Kindergarten to 5th grade. The Heggerty Assessment is also used to formally assess the phonemic awareness skills of our PK-1 students, ELLs included. In DL classes, teacher assess the students in the home language as well. This school year, all K-2 students will be administered the Acadience reading universal screener, and all students in grades 3-5 will take the I-Ready Reading Assessment.

The data helps to determine the students' reading fluency and reading comprehension. This information allows teachers to better plan lessons and activities that will meet students' individualized needs. Wit and Wisdom is used to help plan instructional lessons in both reading and writing. In addition, teachers are continuously assessing students during guided reading lessons, writing lessons and Fundations (word study) instruction.

For writing, ELLs are assessed using Wit and Wisdom FQTs and EOMs writing responses. They are assessed for each unit of study in the Wit and Wisdom. The data allows for the ELLs to be grouped according to their areas of need whether its content and development, organization, grammar and conventions. The Writing Revolution is used to help the students improve their writing skills.

ELLs are frequently assessed with teacher created assessments to determine their levels and their growth.

Teachers meet with the students one on one to assess them in Fountas and Pinnell as well as with Heggerty, Acadience and I-Ready reading.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Teachers meet weekly to look at students' data from ELA and Math. They teach in small and differentiated reading, writing and math groups daily to address the student's needs. Teachers meet weekly in grade meetings to plan instruction. Our literacy coaches meets with teachers to support the planning of reading lessons and to also provides individualized coaching.

ELLs who are struggling in either ELA and Math or both are selected for a six-week cycle of Academic Intervention Services. Students are pulled out in small groups to address their area of need. After the six-week cycle is finished, students are assessed, and then it is determined whether they need to continue receiving services or if the services are to be discontinued because the intervention is no longer needed. Supports are provided within the classroom based on areas of need as shown by summative assessment data. For example, the teacher may provide a double

dose of Fundations or addition small group time to review vocabulary.

Some targeted intervention programs for ELLs in ELA, Math and other content areas include small group instruction, Heggerty, Wilson, Fundations, push -in and pull-out instruction by the ENL teacher, the use visuals, graphs and charts, the use of iXL for Math and Language Arts and Raz-kids for reading during English day. On the targeted language day, some of the similar strategies are used. Small group instruction is provided in the targeted language as well as the use of the same apps for math and reading, visuals, graphs and charts in the targeted language.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Teachers meet on a weekly basis within grade level teams. They view their student data from the ELA and Math state exam, the NYSESLAT exam as well as the formative and summative test given in math, Wit and Wisdom FQTs and EOMs for writing, and reading scores from Fountas and Pinnell assessments. The data is looked at and in cycles of six weeks, specific areas of need are targeted to further guided instruction. The ENL teacher collaborates with the classroom teachers in order to address the areas of need. If more intervention in the area of need is needed by the student after six weeks of instruction, then the student is provided with RtI in that area, in either ELA or Math. RtI framework: If a student is academically behind and not progressing at an appropriate rate given strong Tier 1 instruction, the teacher fills out a referral form to the PPT and the child is discussed. Based on the presented data (assessment results, strengths, weaknesses, interventions tried, etc.) the child may be recommended for small group RtI in ELA and/or math. PPT/RtI meetings are conducted and RtI services are provided. PPT/RtI meeting are held weekly. Tier II RtI support provides integrated or pull-out services for students 2-4 times a week in groups of 3-5 students. Tier III support provides pull out services for students in groups of 2-3 for 3-4 times a week. Some interventions used are Recipe for Reaching, SPIRE, Wilson, Heggerty, Fundations, math RtI lessons, and lively letters. Before the school refers a student for a special education evaluation, at least 6 weeks of RtI is provided first.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The formative assessments that we use in literacy are Wit and Wisdom assessments. ELLs from Kindergarten to 5th grade are assessed in reading with Fountas and Pinnell at least three times a year. K-2 students take the Acadience reading and grades 3-5 students take the I-Ready Reading and grades K-5 will take the I-Ready math assessments 3 times a year, which are the universal screeners. The screeners are administered 3 times a year.

ELLs writing skills are assessed throughout the school year using Wit and Wisdom. For each of the unit of studies their will be a written response, ELLs are administered Wit and Wisdom FQTs and EOMs for Assessment.

The data provided by these assessments are used throughout the school year during the grade data meetings and ILT meetings to guide classroom instruction. The data gathered from the assessments are used to target the four modalities reading, writing, listening and speaking as well as target the skills in phonics, fluency, vocabulary and comprehension that our ELL's are struggling with.

Teacher created assessments such as exit slips and short constructive response questions are also used to assess

and guide instruction for our ELLs.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELLs in the DL program are evaluated at least three times a year in their home language.

ELLs are assessed in literacy in their targeted language formally and informally throughout the school year. Fountas and Pinnell is used to formally assess the students reading in their home language.

ELL's writing abilities in their home language are assessed throughout the year in the different units or writing using Wit and Wisdom.

ELL's math skills are also assessed in their home language. The Envision math curriculum is used to supplement the Singapore math curriculum which allows us to assess ELL's math skills in their targeted language.

The Spanish LAB-R is administered to Spanish speaking ELLs after the NYSITELL administration.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We use various Summative and baseline assessments to evaluate the progress of our ELLs. Some of the assessments used are:

- Acadience reading for Grades K-2
- I-Ready Reading for Grades 3-5
- I-Ready math for Grades K-5
- NYSESLAT
-Beginning, Middle and End of Year Singapore Unit assessment in Math for Grades K -5
-Overall work and portfolio review.
-Administration reviews AYP to see if we have met our goals.
-Fountas and Pinnell (K-5)
-Heggerty (PK-1)

The results of the assessments are discussed during grade and program meeting to plan for instruction and to inform the ILT of any changes or updates that need to be made to each grade curriculum map.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the

assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our ENL teacher plans for the administration of the NYSESLAT. The NYSESLAT is administered during the school day and is coordinated with the classroom teachers to ensure that the exam takes place as programmed. The ENL teacher trains the DL teachers to administer the test. The ENL teacher scores the test for the ELLs in the DL program while the DL teachers score the ELLs the ENL teacher works with. Testing accommodations are provided to students who have them on their IEPs and makeups are administered during the makeup period.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

The Special Education Coordinator ensures all students including ELL students with an IEP or 504 Plan receive mandated testing accommodations for all state assessments including ELA, Math, and Science. Accommodations may include extended time, frequent breaks, small group, scribe, assessments in the targeted language, and test read aloud to students. Teachers administering the test receive professional development which includes implementation of mandated testing accommodations aligned with state guidelines.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Families are invited to attend various school activities such as: Publishing Parties, Math Gallery Walks, Studio in a School arts activity, Winter Spectacular, Chorus and Instrumental performance, Spring Concert and WITS cooking workshops. There are also monthly SLT and PTA meetings they are invited to. Translation services are available at all events. Parents participate in the regular distribution of food through the food program. Parents needing help with Pre-Kindergarten and Kindergarten registration are guided by our Parent Coordinator and the Community Coordinator. School and Administration host a thank-you breakfast for the parents as well as for grandparents. Administration has frequent meetings to engage the parents and hear their suggestions on various school related topics. Parents are encourage to participate in the school PTA and SLT. The number of members in the SLT was raised in order to allow for more parents to participate. The parents receive a monthly calendar the Parent Coordinator creates with the dates of all school activities they can participate and these school activities are also uploaded onto the school app where the parents can view them in their home language . All parent materials are translated. The parents of new arrival receive translated communication via text on Whats App from the Community Coordinator. Information that is communicated during this orientation includes an overview of the IB Programme of study and structure of the Spanish and Russian Dual Language programs, including models, ENL program options, assessments, language and content area standards as available through the office of MLL.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

In the beginning of each school year, parents are invited to attend a meeting where they can meet the staff that works with their child and in their program. The parents are provided with a presentation/slideshow of what the goals and expectation of the program and grade are. Every Tuesday, during the parent engagement time, parents are encouraged to meet with their child's teacher to discuss their child's language proficiency and developmental needs. Teachers share google forms or google calendar appointments for parents to sign up. They also reach out to parents by phone if an extended period of time has passed and a meeting hasn't taken place. Parents are asked if they need a translator, and one is provided by the school. If there is no staff member in the school who speaks the parents' language, then the school will use the over the phone translation services. All staff keep a log of parent contact, which includes phone calls and meetings.

The goals of the programs (ENL and Dual Language Programs) highlight biliteracy and bilingualism as well as cultural competency and inclusivity. Teachers will also highlight the student data to indicate students' proficiency development in both the home and target languages across all four modalities: Reading, Writing, Listening, and Speaking.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Translation services in both Spanish and Russian are available at all events. All parent materials are translated in both Spanish and Russian languages. The parents of new arrival receive translated communication via text on Whats App from the Community Coordinators. This information is derived from family home language interviews and questionnnaires upon initial registration to NYCPS and ATS reports for students who have been or are already registered prior to matriculating to PS 145.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

The SLT and PTA work together to conduct a needs assessment regarding family needs and interest. Families were interviewed to identify what supports and resources were needed to meet the needs of students and their families. The community coordinators work closely with new arrivals and families that are in shelters. The community coordinators touch base with families on a weekly basis to maintain contact and ensure appropriate resources are made available. We have Parent University that provides workshops for parents addressing mental health, education, employment, social emotional care, and navigating living in New York City. The PTA host events for the parents and families to connect families together in a supportive environment.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Communications via email, PS 145 School APP and backpacked mail regarding parent leadership and support opportunities are sent out to families in the following languages - English, Spanish and Russian. Parents are encouraged to participate on the school PTA and SLT. The number of members in the SLT was raised in order to allow for more parents to participate. We currently have a parent from our school community on the CEC board.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

All our students including our ELLs benefit from all our partnerships. We have partnered with the following organizations: Studio in a School serves our student by integrating the visual arts and bringing drawing, painting, sculpturing and printmaking into the classroom. Wellness in the School (WITS lab) teaches our students health living. They are able to participate in Cooking Labs. WITS LAB provide our students with nutrition education and provides the families with healthy produce. Dance Theater of Harlem provides our students with the opportunity to demonstrate their diversity as well as to foster teamwork, community building and leadership. Major League Baseball provides the students and families an opportunity to attend a baseball game. Columbia University Saturday Musical Mentors provides the students with one-on-one music instruction. Chess Club provides the

students with the opportunity to learn to play chess at any level. Stellar Soccer provides the students with learning soccer in a stress-free environment. The Friends of Bloomingdale Park and Playground Gardening Committee helps prepare the garden for the summer and spring.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

NA

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The members of the identification team are the school secretary, the ENL Coordinator (J. Senno), the DL Coordinators (V. Chan, O. O'Shea), the Parent Coordinator (R. Amer) and the Community Coordinators (J. Abreu and R. Ebrahim).

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The school secretary (S. Imerukaj) and the attendance secretary (T. Kukaj) both create folders which houses the information necessary to conduct interviews and that information is then used to update information in ATS. The ENL teacher provides an in-depth interview with the parent and the student to assess their language needs. Translation is provided to the parent to support with the interview and answering the HLIS - if a staff member does not speak the language, then the over the phone translation services will be utilized. The completed HLIS is saved in the student's cumulative folder, as well as in the ENL coordinator folder with all pertaining registration/identification documents. The ENL teacher administers the NYSITELL if the home language is other than English. Once the child is determined to be an ELL, the classroom teacher is notified, and the child's information is shared with the classroom teacher. The ENL teacher then meets with the parents to inform the parents of the results. During this orientation, the ENL teacher also informs parents of the language programs available at the school, the language programs available in the city and provides a list of schools with the different language programs. After NYSITELL is administered staff administer the Spanish LAB to necessary students, and interview students for SIFE status according to intake information. The parent can decide at that moment, and up to 45 days later, if they wish to stay in the school's language program or participate in a different program at another school.

We will you ensure current ELLs and former ELLs already on our register will continue to receive their mandated

units of study from their ENL/bilingual-certified teachers while also helping newly-enrolled students go through the ELL identification process by maintaining the ELL ID schedule in the coordinator's office.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Dr. Natalia Garcia

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Joseph	Senno	Teacher - Regular Grades - ESL	12/05/2024	Y
Veronica	Chan	Teacher- Regular Grades	2025-2026	Y
Olga	O'Shea	Teacher- Regular Grades	2025-2026	Y
Wendy	Lopez	Teacher- Regular Grades - ENL	2025-2026	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards,New York City Schools Account (NYCSA) Student Profile,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
CHINESE ANY	1	0.20%	1	0.21%	3	3
GEORGIAN	1	0.20%	1	0.21%	0	0
ENGLISH	355	72.30%	348	72.05%	20	20
RUSSIAN	41	8.35%	42	8.70%	6	6
SPANISH	92	18.74%	90	18.63%	8	8
UKRAINIAN	1	0.20%	1	0.21%	6	6

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Home Language Identification Survey (HLIS)	Translated versions are available through NYCED.ORG's InfoHub portal. They are printed and kept on file for easy access when needed by school staff.
Entitlement / Non Entitlement Letter post NYSITELL	Translated versions are available through NYCED.ORG's InfoHub portal. They are printed and kept on file for easy access when needed by school staff.
ELL Parent Survey and Program Agreement	Translated versions are available through NYCED.ORG's InfoHub portal. They are printed and kept on file for easy access when needed by school staff
Placement Letter / Default Program Placement Letter	Translated versions are available through NYCED.ORG's InfoHub portal. They are printed and kept on file for easy access when needed by school staff.
Continued Entitlement post NYSESLAT / Non Entitlement Letters	Translated versions are available through NYCED.ORG's InfoHub portal. They are printed and kept on file for easy access when needed by school staff.

Class Newsletters	Dual Language Teachers translates their own newsletters. Parent Coordinator supports monolingual teachers if interpretations are needed. DOE Interpretation services will be used to translate into other languages.
Informative Notices	Many staff are bilingual and support with interpretations to Russian and Spanish, and DOE Interpretation services are initiated when necessary. Notifications are sent electronically and are automatically translated to the parent's preferred language in the school app as long as that setting was selected by the parent.
School Calendar	Many staff are bilingual and support with interpretations to Russian and Spanish, and DOE Interpretation services are initiated when necessary.
App notifications	The app has a built in feature that translates messages into a parent's preferred language.
NYSESLAT Student Score Report	Translated versions are available through NYSED.GOV

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Student Registration	Forms are available in various language formats. Staff who speak the parent's preferred language of communication will be alerted and interpretation services will be initiated if staff are not accessible.
ELL Parent Orientation and Survey Meeting	Forms are available in various language formats. Staff who speak the parent's preferred language of communication will be alerted and interpretation services will be initiated if staff are not accessible.
Parent Teacher Conferences	Staff who speak the parent's preferred language of communication will be alerted and interpretation services will be initiated if staff are not accessible.
Parent Engagement Night	Staff who speak the parent's preferred language of communication will be alerted and interpretation services will be initiated if staff are not accessible.
Family Engagement Afternoons	Staff who speak the parent's preferred language of communication will be alerted and interpretation services will be initiated if staff are not accessible.
School Shows	The MC of the show introduces performances in English, Spanish, and Russian.
Curricular Events and Award	The MC of the show introduces performances in English, Spanish, and Russian.

Assemblies	

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

We use the NYCPS Messenger system along with our school app intends to notify families of events both small and large in scale that occur within our community. In the event of a school-wide emergency, such news would be readily available through the app and would be accessible in multiple languages. Families are guided through how to download the school app on their smart device of choice during registration. We also have speakers of English, Spanish, Russian, Chinese, Korean, Arabic, Albanian, Hebrew, and Ukranian on our staff. For large events, we have hired translators. For other languages, staff has will use the over the phone DOE interpretation services. We plan to start using a robo call system that can translate calls into parents' preferred languages.

We have speakers of English, Spanish, Russian, Chinese, Korean, Arabic, Albanian, Hebrew, and Ukranian on our staff to support with student specific emergencies (i.e. student attendance, nurse/hospital visit, etc). For other languages, staff has will use the over the phone DOE interpretation services.

Parents can contact the school by phone and/or email in the event of an emergency.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

During faculty conferences, staff member will be made aware of the Chancellor's regulations and the resources we have made available to assist them to meet compliance. It is also in the staff handbook.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

The Language Allocation Policy (LAP) team distributes multilingual flyers and posters to the Language Access Coordinator (LAC). The LAC then posts these flyers and posters in visible areas throughout the school building. The school app also sends notifications in preferred languages of communication to families who have the app downloaded on their smart device. Such parent engagement events as Parent Teacher Conferences, family engagement afternoons, and other school functions also serve as opportunities to inform families of such rights. Staff members are reminded of interpretation and translation services for parents throughout the school year.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

We follow up with parents about any concerns they may have within Parent Teacher Conferences, family engagement time, and another other conferences both formal and informal that parent-facing staff may have with families.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We have had a small number of instances whereby parents have requested to change their preferred language of communication for oral and written correspondence from our school. These requests were relayed to the Pupil Secretary, who updated the preferences in ATS.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Saturday Academy

Total number of ELLs to be served in this program:

After School Academy - 45 ELL Students in Grades K-5; Saturday Academy - 30 ELL Students in Grades K-5

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

After School Program: 5 bilingual certified teachers. Saturday Academy: 3 bilingual certified teachers.

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

After School Program: 5 bilingual certified teachers. Saturday Academy: 3 bilingual certified teachers.

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

After School Program: 5 bilingual certified teachers. Saturday Academy: 3 bilingual certified teachers.

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Given the importance of providing consistent, coherent, high quality and rigorous instruction to our English language learners, we will create an After-school and Saturday Enrichment Academy. Based on current data, this program will provide students with supplemental instruction in ENL/ELA/Math. Additionally, this program will focus on increasing academic English development and achievement in core content areas, of Reading, Writing and Math. This will be accomplished specifically through the development of concept formation, content area academic vocabulary, improving math skills (both in computation and problem) as well as in argumentative writing. The language of instruction will be English. Based on the results of our most recent NYSESLAT data, most of our ELLs need to improve in the areas of writing and speaking in order to become more proficient and move up to the next language proficiency level. Of the 77 ELLs who took the NYSESLAT in 2024 :

The proficiency level for our ELLs was the following:
Entering - 24
Emerging - 22
Transitioning - 17
Expanding - 11
Former ELLs - 3

There is a total of 106 ELLs. There are 15 ELLs in Kindergarten, 19 ELLs in 1st grade, 15 ELLs in 2nd grade, 18 ELLs in 3rd grade, 25 ELLs in 4th grade, and 14 ELLs in 5th grade. The majority of our ELLs have less than one year in our school and country.

Our ELLs need additional support in developing literacy and academic content vocabulary in order to reach proficiency in the Writing and Speaking sections of the NYSESLAT. In addition, based on 2024 ELA and Math test data, there is need for academic support for ELLs in opinion based writing and math. In the ELA, the students need to learn how to write an opinion-based piece and to be able to respond to reading. In math, the students need to improve on their procedural writing to explain the steps they have taken.

The After School Academy will serve 25 ELLs in Grades K through 2 and 20 ELLs in grades 3 to 5, who are English Language Learners. The language of instruction will be English. Two ENL/bilingual teachers will provide the instructional component. The teachers will address the needs of ELLS at different entry points with emphasis on the reading, writing and speaking skills in need of improvement. Lessons will include both a language and content component to ensure comprehension. Teachers will utilize a variety of ENL techniques and materials. The After School ELL Academy will be for a 26-week period where grade Kindergarten to 5th grade will attend on Monday through Thursdays (2:40pm-4:30pm).

The Saturday ELL Math Academy will serve 45 ELLs in Grades 3 through 5, who are English Language Learners. The language of instruction will be English. Three ENL/bilingual teachers will provide the instructional component. The teachers will address the needs of ELLS at different entry points with emphasis on the math skills and content vocabulary in need of improvement. Lessons will include both a language and content component to ensure comprehension of the word problems. Teachers will utilize a variety of ENL techniques and materials. The Saturday

Academy will be for a 17-week period where grades three to five will attend on Saturdays for 3-hour session from 9-12:00.

In the After-school Academy Instruction will be delivered in whole and small group sessions, for grades K-2 as well as for grades 3-5 by one bilingual teachers or one ENL teacher. Materials to be used to help our ELLs will be Raz-Plus ELL Edition, iXL, Moby Max, ELLII.com and Logic of English Phonic and Fluency Program.

In the Saturday Academy for grades 3-5, instruction will be delivered by three bilingual teachers or two bilingual teacher and one ENL teacher in whole and small group sessions. The Saturday Academy will help our ELLs improve their math as well as their language and vocabulary skills. Material they use will be chrome books, promethean boards, IxL and math workbooks (Next Generation New York Math).

Teachers will consistently look at student work to monitor and assess student progress, inform instruction, and design differentiation. Teachers will employ pedagogical best practices to engage students in meaningful learning opportunities. Technology will continue to be integrated into all instructional sessions.

The five teachers will have two full days of planning during the summer in order to prepare for the programs.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Given the importance of providing consistent, coherent, high quality and rigorous instruction to our English language learners, we will create an After-school and Saturday Enrichment Academy. Based on current data, this program will provide students with supplemental instruction in ENL/ELA/Math. Additionally, this program will focus on increasing academic English development and achievement in core content areas, of Reading, Writing and Math. Based on the results of our most recent NYSESLAT data, most of our ELLs need to improve in the areas of speaking and writing in order to become more proficient and move up to the next language proficiency level.

Our ELLs remain at the following levels:

Entering (24), Emerging (22), Transitioning (17), Expanding (11) levels and Commanding (3).

There is a total of 106 ELLs. There are 15 ELLs in Kindergarten, 19 ELLs in 1st grade, 15 ELLs in 2nd grade, 18 ELLs in 3rd grade, 25 ELLs in 4th grade, and 14 ELLs in 5th grade. The majority of our ELLs have less than one year in our school and country.

Our ELLs need additional support in developing literacy and academic content vocabulary in order to reach proficiency in the Speaking and Writing sections of the NYSESLAT and in the New York State Math Exam.

In addition, based on 2024 ELA and Math test data, there is need for academic support for ELLs in writing and math. In the ELA, the students need to learn how to write an opinion-based piece and respond to reading. In math, the students need to improve on their procedural writing to explain the steps they have taken.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The After School ELL Academy will serve students in Grades K through 5, who are English Language Learners. The Saturday Academy will serve students in Grades 3 through 5, who are English Language Learners. Newcomers (0-3 years of service); Developing ELLs (4-6 years of service); and Long-Term ELLs (more than 6 years of service).

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The After School ELL Academy will be for a 26-week period where grade Kindergarten to 2nd grade will attend on Mondays and Tuesday for two (1) hour sessions (2:45pm-3:45pm) and grade 3rd to 5th will attend Wednesday and Thursdays for two (1) hour session (2:45pm-3:45pm) as well.

The Saturday Academy will be for a 17-week period where grades three to five will attend on Saturdays for 3 hour session from 9 - 12:00.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction in both programs and subjects will be English.

After School: Subjects - ELA & MATH; Language of Instruction - English for ELA and English for Math

Saturday Academy: Subjects- ELA & MATH; Language of Instruction - English for ELA and English for Math.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Two ENL/bilingual teachers will provide the instructional component for the ELL After School academy and 3 ENL/bilingual teachers will provide the instructional component for the Saturday Math Academy.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials to be used to help our ELLs in the ELL After School Academy improve in their reading and writing as well as their language and vocabulary skills in grades Kindergarten through Second Grades will be Learning A-Z, iXL, Moby Max, ELLII.com and Logic of English Phonic and Fluency Program. Material they use in the Saturday Math Academy will be IXL and math workbooks (Next Generation New York Math).

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

The programs will posted on the PS 145 School App and flyers regarding the programs will be sent home in both English and home languages. There will be a record of student daily attendance logged by teachers. There will be a parent sign sheet for all family activities and kept by the parent coordinator. The Assistant Principal will keep a log (sign sheet) of teacher attendance at professional development.

Our business manager, school secretary and fiscal manager will keep record of purchase orders and invoices.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The majority of ELL students are below grade level and will need direct, small group instruction in the areas of decoding, encoding as well as in building fluency and comprehension. They will also need to improve in their speaking and writing skills. All teachers need to know how to use the various ELL strategies available to them in order to support the students in these areas.

Title III teachers will participate in Monthly In-School Professional Development sessions. The ENL teacher along with the support of the two Dual Language Coordinators will facilitate a series of workshops to teachers of ELLs. Topics will be:

Wit and Wisdom Scaffolds and Differentiated Strategies for ELLs , October 2024, 2:35 -3:35PM

Literacy Readiness for ELLs, November 2024, 2:35 -3:35PM

Singapore Math Instructional Strategies for ELLs; January 2025, 2:35 -3:35PM

Strengthening Academic Conversations of ELLs; February 2025, 2:35 -3:35PM

All teachers of ELLs will participate in the following Professional Developments. Title III Professional Development will be no cost.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

According to teacher observations, Fountas and Pinnell reading assessment, Acadience Reading and I-Ready Reading and Math assessments our students, especially our ELLs struggle with the literacy skills of decoding and comprehension as well as the English skills of speaking, listening, reading and writing. All teachers need to know how to use a variety of instructional strategies to support ELL students.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

PD sessions are designed for all teaching staff, including teachers participating in the Title III program. Teachers will receive professional development during our Monday PD scheduled meetings. The dual language coordinators will also facilitate meetings for bilingual teachers to support ELLs in the classroom. Dual Language coordinators will schedule meetings with bilingual teachers two times per month.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The Professional Development will take place during Four Mondays for 1 hour each:

Wit and Wisdom Scaffolds and Differentiated Strategies for ELLs , October 2024, 2:35 -3:35PM

Literacy Readiness for ELLs, November 2024, 2:35 -3:35PM

Singapore Math Instructional Strategies for ELLs; January 2025, 2:35 -3:35PM

Strengthening Academic Conversations of ELLs; February 2025, 2:35 -3:35PM

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Wit and Wisdom Scaffolds and Differentiated Strategies for ELLs - ELL strategies and supports for reading, writing and math. Literacy Readiness for ELLs - focusing on phonics and word study instruction tailored for ELLs. Singapore Math Instructional Strategies for ELLs - mathematical strategies and resources teachers can use for ELL students building on math skills. Strengthening Academic Conversations of ELLs - deepening students knowledge and skills through student-to-student interactions and project based learning.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Our ENL teachers Joseph Senno and Wendy Lopez along with the support of our Spanish Dual Language Coordinator Veronica Chan and the Russian Dual Language Coordinator Oksana O'Shea will provide the teachers with the professional development.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Record of each activity that has taken place including the following information - attendance sheets for professional development events including teachers that attended, dates, times, duration of session. A digital copy of the Powerpoint and other PD materials will be kept on the school's Google Drive.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

In an effort to engage parents and guardians of ELL students we offer Grade Level Family Nights. Parent/Guardians are welcomed to come together and meet with families across families. During this time activities are planned for parents and students to engage across grade level programs. The parent coordinator and two community coordinators also use this time to support families with NYCSA accounts, NYCDOE student emails, school surveys, etc.

Family Nights are scheduled the following dates:

September 2025; 5-7 PM (3K Families)
September 2025; 5-7 PM (PK Families)
October 2025; 5-7 PM (K Families)
October 2025; 5-7 PM (Gr. 1 Families)
November 2025; 5-7 PM (Gr. 2 Families)
November 2025; 5-7 PM (Gr. 3 Families)
January 2026; 5-7 PM (Gr. 4 Families)
January 2026; 5-7 PM (Gr. 5 Families)

Family Literacy Week - parents are encouraged to visit their child's classroom and share a read aloud book in the Target Language (Spanish/Russian); January 2026

The Safety Coordinator will meet with parents for a workshop on Cyber Safety; March 2026

All communication will be translated as necessary. Information will be communicated as follows: Backpacked home with students, via email, by school app notifications, by the Whats App and it can also be found in the school newsletters, PTA News and website, as well as Parent Coordinator correspondences.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Parents are our partners and are needed to support the language growth of our ELLs. They must know what is happening in the classroom as well as the resources they have available, how to access them, and how to use them to most effectively support their children. Parent engagement activities are based on parent needs/interests requested by the PTA and use of Parent Survey responses.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

In an effort to engage parents and guardians of ELL students we offer Grade Level Family Nights. Parent/Guardians are welcomed to come together and meet with families across families. During this time activities are planned for parents and students to engage across grade level programs. The parent coordinator and two community coordinators also use this time to support families with NYCSA accounts, NYCDOE student emails, school surveys, etc.

Family Nights are scheduled the following dates:

September 2025; 5-7 PM (3K Families)
September 2025; 5-7 PM (PK Families)
October 2025; 5-7 PM (K Families)
October 2025; 5-7 PM (Gr. 1 Families)
November 2025; 5-7 PM (Gr. 2 Families)
November 2025; 5-7 PM (Gr. 3 Families)
January 2026; 5-7 PM (Gr. 4 Families)
January 2026; 5-7 PM (Gr. 5 Families)

Family Literacy Week - parents are encouraged to visit their child's classroom and share a read aloud book in the Target Language (Spanish/Russian); January 2026; AM Sessions 9:00-10;00 AM and PM Sessions 1:00 - 2:00 PM.

The Safety Coordinator will meet with parents for a workshop on Cyber Safety; March 2026

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Topics to be covered include the following:

1. Setting up NYCSA accounts

2. Accessing NYCDOE Student Emails

3. Family School Surveys

4. Literacy in School

5. Cyber Safety

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The Parent Coordinator Rania Amer and both Community Coordinators - Juan Abreu and Rania Ebrahim will facilitate family engagement activities. The ENL teachers Joseph Senno and Wendy Lopez along with the Dual Language Coordinators Veronica Chan, Spanish Dual Language Coordinator and Oksana O'Shea, Russian Dual Language Coordinator will support family engagement planning and activities.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

All information will be communicated as follows: Backpacked home with students, via email, by school app notifications, via Whats Up app, school newsletters, PTA News and website, as well as Parent Coordinator correspondences. All communication and documents are sent out to families and translated in both Spanish and Russian languages. We have Spanish and Russian speaking teachers that are able to translate during PTA meetings, Parent-Teacher conferences, and at school events.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Record of each activity that has taken place including attendance sheets, invitations, translations, evidence of interpretation, power points will be secured.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip part E Budget below)
