Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Jessica Scanlon	Principal or Designee*	
Sara Stone	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Alexandra Dickinson	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
Nicole Benitez	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
Agueda De La Cruz	Member Co-Chair /Teacher	
Rebecca O'Rourke	Member/Teacher	
Omaira Ortiz	Member/Teacher	
Sarah Welton	Member/ Co-Chair Parent	
Joselle Galis	Member/Parent	
Stevie Steel	Member/parent	
	Member/	
	Member/	
	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Xaymara Rosado	Assistant Principal /Instructional Leadership Team	
Nilla Ingravallo	Instructional Coach/Instructional Leadership Team	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our mission is to serve all levels and ages of our community's children in learning a rigorous, broad, and engaging course of study, creating students who are respectful, responsible, reflective, and ready to lead.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS 165 is a PreK - 5th grade community elementary school
We have Integrated co-teaching, Gifted and Talented, Special Education 12:1:1, and Dual Language Spanish.
School Population:
10% Multilingual Learners
19% Students with Disabilities
45% Latino
6% Asian
18% Black
22% White
60% Title 1

Our literacy curriculum includes Great Minds Wit & Wisdom, Fundations, and Heggerty.
We are a Leader in Me Lighthouse School. Through the Leader in Me Social-Emotional Program, we teach students the 8 Habits of Highly Effective People in pre-K through 5th grade and emphasize student leadership and student voice.
We partner with the NY Hall of Science and Urban Advantage programs to ensure high quality science instruction. We also partner with NYCFirst for Robotics Instruction in our weekly STEM class.
We partner with Artworks and Young Audiences NY to provide arts education residencies. We have a full ceramics program that all students in Pre- K participate in. We are one of the only Elementary Schools in NYC with a kiln.
We are a Community School and our CBO is Young Audiences NY (YANY). YANY supports our school through a Community School Director and allows for support with school wide initiatives, CEP work, and parent workshops. YANY provides a free arts enrichment after school for students.

Briefly summarize the key initiatives your school will implement this school year.

First Year as an International Baccalaureate (IB) School focused on expanding transdisciplinary learning.
Continued implementation of Wit & Wisdom literacy curriculum in K-5.
Continue to integrate Fundations phonics instruction, Heggerty phonemic awareness, and Geodes in K-2.

Continue to implement small group work and intervention as needed in classrooms.
Explicit modeling of strategies for ELA and Math.
Foundational skill building in after school programs.
NY State Assessment After School Program for grades 3-5 in order to prepare for demands of state assessment.
ELL after school for our multilingual learners.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Wit & Wisdom	
Math	Pre-K-5	Bridges Math	Exemplars & Number Talks
Phonemic Awareness & Phonics	K-2	Heggerty & Fundations	Geodes

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 Screener Data, Acadience K-2 and MAP 3-5, indicate an overall proficiency level of 59%.	The root causes are students that need to reinforce foundational skills and comprehension skills like identifying main idea.	Improving student proficiency in ELA

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	59%	By June, 2026, literacy for All Students will improve, as measured by a 2% Increase, from 59% to 61%, of Increasing the percentage of students scoring at or above proficiency in reading on the Acadience Reading K-2 and iReady Reading 3-5.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will focus on year 2 of schoolwide implementation of Wit & Wisdom Literacy Core Curriculum, which focuses on comprehension, vocabulary, fluency, and listening and speaking skills.
Foundational Skills Programs will be taught with fidelity in K-2.
We will utilize the WIN Period and MTSS Structure to support students in areas of need.
Literacy Night will serve as a way to celebrate literacy as a schoolwide community.

Root Cause Addressed:

Students need foundational literacy skills in phonics.
Supporting students who demonstrate needs in literacy. Time for reading small group instruction.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Staff will continue to receive professional development in Wit & Wisdom curriculum. Year 2 learning will build on learning from year 1. Wit & Wisdom walkthroughs in the beginning of the year will further identify areas of need for professional development.
K-2 Foundational literacy programs: Fundations & Heggerty are during a period of the day that students are more engaged and less likely to be arriving late. Fundations expectations will be shared with teachers at the beginning of the year, building on professional development during the 2024-2025 school year.
Students will create a literacy "Wildly Important Goals" (WIGS). They will note a goal and action plan as well as in their

track their progress towards their goals.
We will utilize the WIN Period and MTSS Structure to support students in areas of need. End of the year 2024-2025 reading screener data will be utilized to identify students that will benefit from further instruction in foundational skills. SPIRE placement assessment will be administered to group students. Acadience Reading will be used for progress monitoring.
SLT parents will collaborate with Student Lighthouse to plan and execute a Literacy Night event to celebrate literacy (reading, writing, speaking, and listening) with engaging activities, student leadership, and author presentations.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress Monitoring of curriculum implementation and needs for support will be done with leadership observations and walkthroughs with checklists.
BOY, MOY, and EOY reading screener data will be utilized to monitor student progress and inform next steps.
Progress monitoring of students in intervention groups will be administered and analyzed.
Students will track their WIGs utilizing screener data.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
08/27/2025	06/17/2026	Monthly Town Halls	YANY, Student Lighthouse
		Literacy Night	Student and Staff Lighthouse, SLT, PTA

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Coach, Great Minds Coach, Teachers, Intervention/IEP Teacher

Instructional Resources

SPIRE, Sounds Sensible, Acadience, Wit & Wisdom

Schedule Adjustments

Schedules are adjusted to prioritize time for small group instruction during WIN time and protect foundational skills instruction.

Other Resources Needed

Student Leadership Portfolios

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
MRA Data from Leader in Me student survey of 4th & 5th graders showed a decrease of 2% in the area of: School Belonging (78% --> 76%)	We need to make an ever greater effort for materials to be representative of our population.	Making sure students feel a sense of belonging at school and that they are valued as individuals with much to offer.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	76%	By June, 2026, physical and mental wellness for All Students will improve, as measured by an increase from 76% to 80%, in percentage of students who feel a sense of belonging as measured by the MRA Assessment from the Leader in Me SEL program.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

- Students will begin the year with an equity project that they share with the class and parents during open classroom. It highlights their culture, interests, and all aspects of what makes them an individual.
- Students will engage in at least 1 equity and inclusion lesson each month focused on the heritage being celebrated that month. The lesson may take place in the classroom, specials class, and/or during library.
- Teachers and guidance counselors will engage in check-ins with the students who indicate on survey check-ins that they don't feel connected or a strong sense of belonging
- Teachers will continue to teach Leader in Me lessons in class weekly that are focused on the 8 habits.

Root Cause Addressed:

Students feeling a greater sense of belonging.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Student Identity Project in September shared with class and families during Open Classroom
Monthly equity and inclusion lessons highlighting heritage of the month
Survey Check-Ins to monitor student well-being at BOY & MOY with data used to identify students who need additional support

Check-Ins by teachers and guidance counselors for students who need additional support
Teacher Lighthouse Team analyzing data from MRA and surveys in order to guide teachers in lesson choice during LIM lessons

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

4th & 5th Grade Survey Modeled after MRA Assessment
BOY Survey of 4th & 5th Grade Students in September/October 2025
MOY Survey of 4th & 5th Grade Students in February 2026
EOY - MRA Assessment of 4th & 5th Grade Students - Sense of Belonging May/June 2026

Instructional Leadership Team & Staff Lighthouse Team will analyze the data after each assessment.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/10/2025	06/13/2025	Monthly Open Classroom or Family Event	YANY
08/27/2025	06/19/2026	Monthly Hybrid Town Halls	YANY

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Leadership Team, Staff Lighthouse Team, Student Lighthouse Team, Guidance Counselors

Instructional Resources

Leader in Me Social Emotional Program & Leader in Me Online Resources

Schedule Adjustments

Weekly Leader in Me Period, Scheduled Student Check-Ins

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the 2024-2025 Screener Data, Acadience K-2 and MAP 3-5, indicate an overall math proficiency level of 50%.	Students may lack essential foundational skills in math, such as number sense, basic operations computation, fractions, and geometry.	Improving student proficiency in Math

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50%	PS 165M will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, school-wide Math proficiency will Increase by 2%, from 50% to 52%, as measured by Acadience Math K-2 and iReady Math 3-5 Assessments.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Bridges Math Lessons with differentiation based on students' needs.
Number Talks Instruction will be used to improve number sense and computation.
Data Driven instructional meetings will be held to analyze students' math screener data as well as math formative and summative assessments.
Guided Math with targeted games and small group instruction will be used.
Problem solving utilizing CGI and Exemplars will be used.

Root Cause Addressed:

Students will Increase mental math computational strategies.
Practice for students with solving word problems.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Staff will continue to receive professional development in math instruction. Math walkthroughs in the beginning of the year will further identify areas of need for professional development.
Students will create a math "Wildly Important Goals" (WIGS). They will note a goal and action plan as well as in their track their progress towards their goals.
Guided Math and problem solving periods will be utilized to support students in areas of need. End of the year 2024-2025 math screener data will be utilized to identify students that will benefit from further instruction in foundational

skills. Acadience Math will be used for progress monitoring.
SLT parents will collaborate with Student Lighthouse to plan and execute a STEM Night event to celebrate science, technology, engineering, and math with engaging activities, student leadership, and math presentations.
Data Driven instructional meetings will be held to analyze students' math screener data as well as math formative and summative assessments.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress Monitoring of curriculum implementation and needs for support will be done with leadership observations and walkthroughs with checklists.
BOY, MOY, and EOY reading screener data will be utilized to monitor student progress and inform next steps.
Progress monitoring of students in intervention groups will be administered and analyzed.
Students will track their WIGs utilizing screener data.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	06/01/2026	Number Talks and Guided Math Open Classroom	Student Lighthouse
09/01/2025	06/30/2026	STEM Night	Student and Staff Lighthouse, SLT, PTA

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Coach, Math Coach, Teachers

Instructional Resources

Bridges Math Curriculum, Exemplars, Number Talks, Math Games

Schedule Adjustments

Number Talks 5 times per week; Guided Math 1-2 periods a week

Other Resources Needed

Student Leadership Portfolios

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Students dressed as their future selves, but did not fully understand the path to get to that goal	Students need to research action steps	Understanding Pathway to Future Career

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	0	PS 165 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, 100% of students will complete a "Future Me" Project.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

"Future Me" Project Completion

Enter a Key Performance Indicator

Completion of "Future Me" project by June 2026

Baseline:

BOY - Students will include in their "Myself" section of the Leadership Portfolio what their future self will be

Enter the date for the baseline data:

N/A

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Students engage in the "Myself" section activity

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Students complete a check-in to see if their future self goals have changed and modify as needed

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Students complete a "Future Me" project outlining their future career and the pathway there. They will also dress as their future self during Leadership Day.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Students will develop their "Future Me" project throughout the year as they think about what career they want to have, learn the pathway to get there, check-in and make modifications as needed, and finally present their projects during Leadership Day in June 2025 when they will also dress as their future self.

Root Cause Addressed:

Students having a clear path towards a chosen career

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Identity Project including - beginning of "Future Self" project and students monitor in their "Myself" section of their Leadership Portfolio
Exposure to different career choices and leaders during specials periods
Staff Lighthouse Team monitoring progress of the project during monthly meetings and walkthroughs
Mid-year check-in during Leadership Period in which students revisit their "Future Self" project to make modifications and add what they have learned
Leadership Day students will dress as their future self and share their project with their class and families with the key component being the explanation of the action steps to get there.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress will be monitored by the Staff and Student Lighthouse Teams (BOY, MOY, EOY)
Walkthrough and Leadership Portfolio Checks
Teachers will monitor student progress towards completion of the "Future Self" project

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/20/2025	06/19/2026	Hybrid Town Hall Monthly Meetings	PTA
09/12/2025	06/19/2026	Monthly Open Classroom or Family Event	PTA & YANY
06/12/2026	06/12/2026	Leadership Day - Future Self Presentation	All Families & YANY

Priority 4 Budget and Resources

Budget and Resources

Other Resources Needed

Teacher-Created "Future Self" Project

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Parents have been highly engaged in open classroom events but don't always have clear next steps for supporting their child	Open classroom	Make sure parents have clear strategies to support their child academically and emotionally

	focused on activities	

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	N/A	PS 165 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, 50% of all families will attend at least 2 events that provide families with academic and emotional resources as measured by attendance for family events.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will build upon our success with parent engagement during the 2024-2025 school year by enriching the parent experience to include take aways for how they can academically and emotionally support their children.
Open classroom or other family events take place each month and will include parent resources.
Attendance will be taken at events and tracked by the Parent Coordinator.

Root Cause Addressed:

Parents need more information on how to academically and emotionally support their children.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
During Welcome Back Town Hall in August - Update to Open Classroom Structure to Include Supports will be shared
Opening Day PDs for Staff - Share updated structure for Open Classroom with teachers
Grade Leaders will discuss supports during the monthly meetings
Dual Langauge Study Team will also include language resources and discuss during their monthly meeting
Special Ed team will be formed and discuss supports for IEP students that can be shared with families

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
08/27/2025	06/26/2026	Hybrid Town Hall Meetings	PTA, YANY
09/12/2025	06/26/2026	Monthly Open Classrooms & Family Events	PTA

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Other Resources Needed

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on data reported in New Visions, PS 165's chronic absenteeism is 39% for the 2024-2025 school year.	The root cause has been illness, vacations, and families not sharing discharge information for students that have moved.	Therefore, the priority need is to improve student attendance.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	The current percentage is 39%.	By June, 2026, the key performance indicator of student progress is the percentage of chronically absent students will decrease by 3% from the current percentage of 39% to 36%, as measured by the New Visions Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The key strategies will be attendance team meetings, data review, and student and family meetings.

Root Cause Addressed:

The root cause has been illness, vacations, and families not sharing discharge information for students that have moved.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
PS 165's Attendance Team will meet at the beginning of the year and review last year's attendance data, with a focus on the chronically absenteeism data. We will look at the list of our current students that were chronically absent during the 2024-2025 school year and note reasons for the absences in order to develop a plan for the student.
PS 165 Attendance Team will meet weekly to review student attendance data from New Visions and discuss attendance trends.
PS 165 Attendance Team will reach out to the families of students who are chronically absent to determine what the barrier is for coming to school. Meetings will be set up with families.
PS 165 Attendance Team will determine ways to positively reinforce attendance.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

New Visions Portal attendance monitoring tool will be used and reviewed.
Attendance team weekly meetings will have clear agendas and notes.
Attendance team outreach will utilize logs that include date of outreach, what was discussed, and next steps.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Based on 2024-2025 BIP completion data, not all BIPs have been completed.	Paras and teachers need to better understand BIP data collection and entry.	IEP Development and Fidelity of Implementation
		Transition Planning and Compliance

		Referral Process and Equity
		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	80	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Appropriate development and implementation of BIPs by a 5% Increase, from 80 to 85, as measured by BIP.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Professional Development on how to complete the BIP

Root Cause Addressed:

Paras and Teachers need to better understand BIP data collection and entry.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Guidance counselor and school psychologist monitor FBA referrals
Guidance counselor and School Psychologist monitor BIP Data and hold check-in meetings to monitor student progress.
Weekly PPT Team will discuss BIP data.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly PPT Team will meet weekly
Guidance counselor and School Psychologist monitor BIP Data and hold check-in meetings to monitor student progress.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/10/2025	06/18/2025	BIP Check-In Meetings	SBST Team

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

IEP/Intervention Teacher, PPT Team, School Psychologist, Guidance Counselor

Instructional Resources

Schedule Adjustments

Weekly PPT Meeting

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
SETTS and Special Ed Teacher Tier 2/3	Evaluation conducted by psychologist	Reading/writing/math strategies SPIRE	Small group and one to one add special ed teachers to work intervention support	During school	No
Small Group Intervention	Class assessments & MAP & Acadience Screeners	Sounds Sensible, SPIRE, & Fundations Strategies	Small group	During school	no
Afterschool intervention	Class assessments & MAP & Acadience Screeners	SPIRE & Fundations Strategies	Small groups	After school	no

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Leader In Me Tier 1	All students engage in 7 habits	Direct instruction	Whole class and one to one	During school	no
At risk counseling Tier 2	Identified behaviors or request	Counseling	one to one	during school	no
Mandated Counseling Tier 3	School evaluation sbst	counseling sessions	group/one to one	During school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Families are made aware of MTSS by their child's classroom teacher. The school psychologist, social worker, and Intervention Teacher also inform families of the MTSS process. The school guidance counselor also shares with families about counseling.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families receive updates about their child's progress in Tier 2 targeted instruction or Tier 3 intensive interventions through parent-teacher conferences and conversations with their child's classroom teacher. If the student receives this instruction from the Intervention teacher or SETSS teacher, then these teachers will communicate progress to families.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are involved in the decision making during the IEP meeting.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Total number of Students in Temporary Housing: 66 Students

Doubled up (with friends or relatives because they cannot find or afford housing): 37
Living in a shelter or transitional shelter: 26 Students
Other Housing Arrangement: 3 Students
Permanent Housing: 374 Students

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

The number of new arrival students increased over the last two years and additional MLL supports have been needed. Families have needed more support with clothing, toiletries, and food goods.
The Title 1 Survey identifies needs for students.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

They will be part of Smiles dental check up
Students will receive after-school foundational skill development
3-5th grade test prep afterschool.
Vision services will be provided along with free glasses for students who need them.
School supplies are purchased to support instruction.
Books purchased through Title 1 funding for students
Parent workshops held by classroom teachers to educate parents on our curriculum

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

2 Students both in kindergarten
ICT classroom - have the support of two teachers
Teachers have regular contact with foster parents and give updates on progress
Check-ins as needed with teachers and guidance

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

At Risk Counseling with Social Worker or Guidance Counselor
Referrals to ABC Mental Health Clinic if warranted
Frequent Teacher Check-Ins with students and foster parents

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Encourage the families to sign up for after school programs including YMCA & YANY
Ensure they are included in academic school Foundations & Test Prep programs
Reach out to foster families to see if they need additional supports or supplies for the students
Invite them to school events and open classroom to engage

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Check-ins with guidance counselors or social worker
Classroom SEL lessons through Leader in Me Program - Learning the 8 habits of highly effective people

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Enrichment and academic support after school classes could be provided if we receive these funds. K-5th grade will receive after-school foundational skill development.
3rd-5th grade students can participate in test prep after school twice a week during certain periods of the school year.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

A posting would be put out with the licensing requirement listed then hired for afterschool teaching.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

We utilize data to determine if student needs support in math or ELA.
We determine if there is a need for comprehension, phonics, and/or fluency.
We determine if they need foundational math skills and provide number talks instructional to increase math fluency and mental math skills.

Provide a description of the materials purchased to support implementation of ELT.

Sounds Sensible and SPIRE reading intervention programs are utilized.
Do the Math and Number Talks are utilized for math intervention.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 165 Robert E. Simon, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 165 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community
- provide food, clothing, toiletries and other items as needed by families.

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support

services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- Send home instructional materials for parents;
- providing verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a grade specific school newsletters designed to keep parents informed about school activities and student progress;
- providing school folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 165M, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement school-wide events as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 -45 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Professional Learning:

Pd by PS 165 Instructional coach
Great Minds Wit & Wisdom Staff Development
Number Talks Math Staff Development
TREP Certified teachers
Move to Improve certified Teachers
District coach professional development
Leader in Me Coaching & Development

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Records are shared with new teachers during articulation meetings
Students in pre-k are engaged in the bridges curriculum for continuity in learning pre- and k teachers attend pds around the 7 habits or social emotional program.
Students in Pre-K have leadership portfolios to track their progress.
Parents and families are invited to "Welcome to Kindergarten" events

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	embedded in line below	x	All Priorities
Title I, School Improvement 1003(a)	Federal	223,919	x	All Priorities
Title II, Part A	Federal	77,726	x	All Priorities
Title III, Part A	Federal	12,366	x	All Priorities
Title III, Immigrant	Federal	n/a	x	All Priorities
Title IV, Part A	Federal	8,013	x	All Priorities
Tax Levy (Fair Student	Local	2,251,341.00	x	All Priorities

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Young Audiences of NY	pre-k-5th	After school acquisition of partnerships	ARTS
YMCA	k-5	Afterschool	Arts and Literacy

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

YANY provides art based programming to our students during afterschool.
The community director supports with vision testing facilitation and connects us to parent workshops and supports recess by facilitating the partnership with Super Soccer Stars recess program that organizes structured play and incorporates SEL strategies.
they also support CEP related initiatives by collaborating on Literacy Night, STEM Night, and Leadership Day which is part of requirements for the Leader In Me grant. (our SEL program)
Bring in partnerships such as Ballet Hispanico and robotics .
All these initiatives support our proficiency goals in the CEP.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

We welcome parents through orientations held prior to the first day of school.
Meet and greet teachers and curriculum night is also scheduled..
There is a PTA and parents also are on School Leadership Team.

Our parents engage in school based education workshops that educate parents on our curriculum,
They engage in workshops through Title 1 funds and through the use of Community school funds.
Such as engaging in the Raising Race Conscious Children workshop which is an equity focused learning for parents that incorporates literacy using culturally responsive books.

Parents engage in monthly Town Halls where administration presents school information around health and safety ,program information, curriculum based information, and school events.
There is also a Q/A portion for parents. These are moderated by PTA parents.

PTA sub-committees help fund raise to and collaborate on programming such as Science experiments and classes through NY Hall of Science and computer Science for all.
Parents attend Parent Teacher conferences.
Open Classrooms were built in monthly for parents to visit classrooms once a month and engage in activities.
SLT has parents on the team that support our CEP goals.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Our wellness committee had healthy food tastings and created recipes for students and parents to try in order to develop healthy habits.
They also advocated for ae decrease in chocolate milk and successfully had this changed to once a week in the cafeteria menu.
Parents, Teachers and Administration have participated in the Leader In me training to support the 7 Habits learning which supports our students socially and emotionally.Teachers teach a direct lesson each week about the habits. They have leadership boards in classrooms as leadership is the focus of the program.
Emotional bank accounts are established for students to praisse and recognize each others strengths and accomplishmens.
these habits practiced at home support the ideals of being proactive, Put First things First, , Think with The end in Mind, think win-win, seek to first understand then to be understood, Synergize, and Sharpen the Saw
Learning the Habits:
Focus and act on what they can control and influence, instead of what you can't.
Define clear measures of success and a plan to achieve them.
Prioritize and achieve their most important goals,
Collaborate more effectively by building high-trust relationships.
developing a deep understanding of others needs and perspectives.
Develop innovative solutions that leverage diversity
Increase motivation, energy, and work/life balance by making time for renewing activities.

Empowers families, students ,and our staff with knowledge, skills, and tools to confront issues, work as a team, increase accountability, and raise the bar on what they can achieve.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

By June 2025, 100% of students enrolled in after school will participate in a minimum of 30 hours of expanded learning time programs that will improve their attendance during the school day and support ELA & Math benchmarks as measured by attendance records and program surveys. Through electives, student voice and choice will be the driving force to ensuring programs are inclusive to their needs and expectations.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Students will be celebrated and encouraged to maintain excellent attendance through monthly rewards and daily class perfect attendance shoutouts. Students who have shown a decreased level of engagement will receive individualistic support to reconnect to the school community by way of attendance calls. Family workshops will be given for students who have historically been chronically absent at the beginning of the school year to prevent repeating the previous school year cycle. Families will be given the necessary tools and support to feel that the school and CBO are deeply interested that their child is successful.

We will offer parents free programming throughout the year to incentivize their participation in the school community, creating a sense of belongingness that will trickle down to their child. In addition, we will award parents who have children with the most improvement in attendance from the previous year to this year with a special celebration in the middle of the year and the end of the year at the community forum.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Jessica Scanlon
Assistant Principal (Where Applicable)*	Xaymara Rosado
English as a New Language (ENL) Teacher*	Michelle Rivera
Teacher (if school has a bilingual program must be a bilingual teacher)*	Agueda De La Cruz
Parent/Guardian*	Roberta Rosario
Teacher	Naomi Martinez
Parent Coordinator	Maye Minaya
School Counselor	Leah Bursky
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

1

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

6

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

407

Total number and percentage (%) of current ELLs:

41: 10%

Total number and percentage (%) of former ELLs:

11: 3%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

34: 8%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

7: 2%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

6

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE			2025-2026														0
TBE																	0
TBE																	0
DLBE																	0
DLBE																	0
DLBE	GE	Spanish	2025-2026	20	21	22	24	26	24								137
				total: 20	total: 21	total: 22	total: 24	total: 26	total: 24	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

ENL is delivered through an ENL-only and integrated model. In the ENL-only model, ELLs receive instruction to develop English language skills in order to succeed in core content courses. For the ENL-only model, the grade levels do not exceed 2 contiguous grades unless it is a self-contained Special Education class.

In both models, we aim to group the students homogeneously. If the groups are heterogeneous, the students are usually no more than one proficiency level apart.

Speaking is modeled by teachers and then elicited from students. The goal is to enrich students' language development and vocabulary. In small groups and students have opportunities to orally respond or ask questions. We want the students to talk as much as possible.

Students improve their Listening skills during minilessons and turn and talk partnerships.

Writing skills are developed by students' engaging in mini-lessons, shared writing, drafting their own writing, pieces. receiving feedback from teachers, meeting in small groups. They revise and edit their work with checklists and rubrics. to assess their writing

All Ells and Former ELLs have access to the ENL Teacher's and the classroom teachers' libraries. The ELLs also have online Reading access RAZ kids. Students choose among thousands of books that correlate to their reading levels. Students read the books or listen to the books being read. Students also meet with teachers in scheduled small groups to practice reading strategies and to discuss elements of the books for comprehension. Phonics instruction and shared reading are implemented for those students who are in need of it.

Stand alone is conducted in the ENL room by Ms. Michelle Rivera
Groups are taught in a heterogeneous model and graded (kinder, first grade, 2/3 group , and a 4/5 group)

A total of 53 students receive instruction from an ESOL certified teacher.

Integrated ENL:

In integrated ENL, ELLs receive core content area instruction (ELA, math, science, or social studies) and English language development instruction from either a dually certified teacher or from a certified ENL teacher. The ENL teacher stays in the classroom with the classroom teachers if its a push in .
She works with ELLs during content instruction in collaboration with classroom teachers to provide language acquisition and vocabulary support while retaining content instruction time.
The ENL teacher and classroom teachers plan together in order to run the lessons smoothly.

Student learning is maximized.

ENL is delivered through a stand alone and integrated model from either a dually-certified teacher or an ESL-certified teacher.
Groups are taught in a heterogeneous model and graded (kinder, first grade, 2/3 group , and a 4/5 group) They are mixed proficiency.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

Our Dual Language Bilingual Education program follows a 50/50 model. The Dual Language Program at PS 165 strives to develop bilingual and biliterate students by providing them with a balanced, hands-on curriculum in both Spanish and English.

The highly qualified dual language team at PS 165 plans together in order to ensure that students meet high academic, language, and social goals.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The ENL Teacher, Ms. RIvera, works with our ELLs in the monolingual and dual language classes. She maintains records of our ELLs school-wide. She and the certified bilingual classroom teachers serve all the ELLs according to their levels of ENL. The Dual Language classroom teachers know their ELLs' proficiency status. HLA is provided 50 percent of the time. HLA in standalone its provided through google translate as needed and Microsoft translator to provide access to newcomers.

Groups are taught in a heterogeneous model and graded (kinder, first grade, 2/3 group , and a 4/5 group)
They are mixed proficiency.

As per 154.2, ELLs are entitled to either 180 or 360 minutes of ENL per week.
ELLs who score Entering or Emerging are entitled to 2 units of ENL study per week.
ELLs who score Transitioning or Expanding receive 1 unit of ENL study per week.
Former ELLs who scored Commanding continue to receive services for two more years.
They receive .5 unit (90 minutes) of ENL study per week.

ENL, ELA, and HLA instructional minutes will be delivered in each program model according to the CR Part 154-2 ENL
Units of Study and Staffing Requirements:
Entering ELLs will receive 1 unit of study in ENL and 1 unit of study in ENL-ELA per week.
Emerging ELLs will receive 2 units of study per week. .5 unit of study in ENL, and .5 unit of study can be Integrated ENL or ENL-only class per week. 1 unit in ELL/ELA per week.
Transitioning ELLs will receive .5 unit of study in Integrated ENL and .5 unit of study in Integrated ENL or ENL-only class per week.
Expanding ELLs will receive 1 unit of study in Integrated ENL class per week.
Former ELLs will receive .5 unit of study in Integrated ENL per week or other approved Former ELL services for two additional years.
STARS classroom is used to log in service by ENL and class teacher based on each ELL's mandate.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Our dual language model is self-contained, follows a 50/50 model.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our dual language model is self-contained, follows a 50/50 model.

The English proficient students and ELLs are integrated 100% of the day.

b. In which language(s) is each core content area taught?

Each core content area is taught in English and Spanish to meet the language needs of all students.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

The percentage of our Newcomers (0-3 years) is 8%. Effective instruction for Newcomers differs from that provided for Developing (4-6 years) or Long-term ELLs (7 or more years). For Spanish-speaking Newcomers in our Dual Language program, they receive instruction in their home language. In ENL, Newcomers receive explicit instruction in phonics and decoding. Once the newcomers have learned the skills to decode, they are then able to read more difficult grade-level materials. Newcomers practice listening to their new language, and are provided many opportunities to practice speaking in English.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0% , N/A

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0%

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Former ELLs account for 3% of our ELL population. Our school provides mandated instruction to Former ELLs with a minimum of 90 minutes per week of integrated ENL.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The at-risk indicators that might adversely affect ELLs at our school are:

-The students scored 1 or 2 on the ELA

-The students scored 1 or 2 on the State Math exam

-The students reside in Temporary Student Housing

-The students did not demonstrate sufficient ELP progress

-The students are Newcomers (0-3 years of ENL service).

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The trend we notice about the at-risk indicators for Former ELLs at our school are:

- ENL Layer 1 (are they being served)

- ENL compliance 5 Layers (minutes served, served Push-in vs Pull-out, etc.)

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home language with the largest representation in our school is Spanish. We have had a strong Spanish Dual Language program for over 30 years. This program shows we value what our community has wanted for their children. Many of our staff and teachers are proficient in Spanish. Our Parent Coordinator is bilingual in English and Spanish. All notices go home in both languages. Classroom teachers use Class Dojo to communicate messages to families. The app translates information between English and Spanish (and other languages that parents prefer). This enables families and teachers to communicate easily.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classifications of ELLs at our school as of 04/16/2025 are:

- 8 non-Hispanic ELLs (Asian, Black, and White) and 32 Hispanic ELLs (American Indian or Alaskan Native, Black, Multiracial, or White).

- All Current and Former ELLs are included in our planning and delivery of the CR-SE. We ensure that our lessons are student-centered and affirm racial, linguistic, and cultural identities. Students are prepared for rigor and independent learning; they are able to connect across lines of difference.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Out of 21 Progress-Eligible students:

- 11 met ELP Sufficient Progress.
- There were 10 students who did not meet ELP Sufficient Progress.

The trend is the majority of students (6 of the 11) met ELP Sufficient Progress by exiting ELL status.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

- More ELLs who took the NYSESLAT in 2024 scored “high” in Speaking than in the other modalities of Reading, Writing, and Listening.

- There were 14 ELLs who scored “high” in Speaking (meaning they answered 90% or more questions correctly).

- The second highest scoring modality was Writing, as there were 8 ELLs who scored “high.”

- There were 7 ELLs who scored “high” in Listening, and there were 2 ELLs who scored “high” in Reading.

- Inversely, the highest need for ELLs who took the NYSESLAT in 2024 was Writing, as there were 9 students who scored “low” in that modality.

- These ELLs were spread evenly among grades 1-5, and not concentrated in a specific grade.

8. What is the relationship between students’ performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

- English Language Learners who were higher-level ELLs also scored higher on the ELA and state Math exam. For example, three Expanding ELLs scored a 2 on the ELA, with the last Expanding ELL scoring a 1. The three other lower-level ELLs (Transitioning, Emerging, and Entering) scored 1 on the ELA.

- As for the state Math exam, the two Commanding (Former) ELLs scored a 3. The four Expanding ELLs scored a 3 or 2. The two Transitioning ELLs scored a 2 or 1. The four Emerging ELLs scored a 2 or 1. The two Entering ELLs scored a 1.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

While our school does not currently serve any SIFE students, we do have six English Language Learners (ELLs) with IEPs. A few notable trends have emerged from their NYSESLAT performance:

- High Proportion of Newcomers: Five out of six ELLs with IEPs are newcomers. This indicates that most students in this subgroup are still in the early stages of English language acquisition, which may contribute to lower NYSESLAT proficiency scores.
- Potential Long-Term ELL Risk: Four of the six students are flagged as potential long-term ELLs. This suggests they may be struggling to make expected gains in language proficiency over time.
- Academic Underperformance in Upper Grades: Two students in upper grades scored a Level 1 or 2 in both ELA and Math. This reflects not only language challenges but also broader academic difficulties, possibly compounded by their IEP-related learning needs.

Factors Impacting These Results:

Several interrelated factors are likely influencing the performance of ELLs with IEPs:
- Compounded Learning Needs: These students face dual challenges—language acquisition and special education needs. This can significantly slow academic and linguistic progress.
- Newcomer Adjustment Period: As newcomers, most of these students may still be adjusting to the U.S. school system, academic expectations, and cultural environment, which affects test performance.
- Lack of Differentiated Supports: Standard interventions may not be fully tailored to address both language development and disability-related supports, leading to limited progress on assessments like the NYSESLAT.

Next Steps for Support:
- Provide targeted, differentiated instruction that integrates both language and IEP goals.
- Implement progress monitoring tools specific to dually-identified ELLs.
- Ensure collaborative planning between ESL and special education teachers to align supports.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and

are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

- Students are engaged in reading text in various levels to support comprehension at the students level.

- They are taught various genres and the text features that align.

- Students are exposed to real world experiences of the the content through field trips in NYC that enrich vocabulary/language and tie into the curriculum.

- Instruction is provided in Math through hands on learning such as math games that include multiplication and decimals ,etc. They work with strategies that support number fluency and learn to create visual number models to express mathematical thinking.

-Students engage in turn and talks with partners to develop oral skills across content.-

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

- Data is reviewed inclusive of time in the United States, attendance, and historical data, such as Nyseslat scores, classroom running records and Bridges math assessments to determine areas of need .

- Supports are provided to students such as Small group work in the classroom and afterschool programming- Foundations of Literacy and Math and Afterschool Test prep for upper grade students.

- Students are also invited to attend Enrichment After-schools through our community schools partnership YANY at PS 165 and the partnership with YMCA to bolster socialization and communication/language skills.

- We also offered culturally relevant afterschool programming for both Spanish dominant who are asylum seekers in NYC, which are enrolled in our Dual Language

- We connect families to social workers and guidance counselor and to school based support team if RTI and or evaluation is recommended or requested.

- ESL Teacher utilizes the Nyseslat rubrics with student to make them aware of assessment criteria and use teaching methods such.
Ells are included in all aspects of academic and social participation in our school.

- Students are given content based strategies to support their growth in fluency and decoding especially within independent work.

- ESL teacher has attended District Trainings, including the ENL Fellow Program of D3, where they shared and discussed best practices.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

At our school, core content is delivered through two primary instructional models for English Language Learners (ELLs): the **Spanish "Dual Language Program" and the "English as a New Language (ENL) Program". Both models are designed to foster language development while ensuring rigorous instruction aligned with the "Next Generation Learning Standards (NGLS)."

1. Spanish Dual Language Program

Language of Instruction:
In the Spanish Dual Language program, instruction alternates between **Spanish and English on a daily basis**. Teachers switch the language of instruction every other day, ensuring balanced exposure and development in both languages.

Instructional Approach & Methods:

- Language Arts is taught using the "Wit and Wisdom" curriculum. Teachers alternate the language of instruction by thematic arc, providing students with in-depth, content-rich instruction in both languages.

- Lessons are designed to develop biliteracy, academic vocabulary, and oral language proficiency in both English and Spanish.

- Dual Language teachers incorporate a wide range of supports such as visuals, pictorial charts, graphic organizers, realia, read-alouds, and role-playing to scaffold instruction.

- Teachers adapt instruction to address students' diverse learning styles (tactile, kinesthetic, visual, auditory), ensuring that all students can access the content meaningfully.

- Students receive content-based language instruction to support fluency, comprehension, decoding, and vocabulary development in both languages.

2. English as a New Language (ENL) Program

Language of Instruction:

- The ENL teacher delivers instruction in English, using ESL methodologies and supports that align with and reinforce classroom content.

Instructional Approach & Methods:

- The ENL teacher collaborates closely with classroom teachers to align language instruction with grade-level core content, including Language Arts, Math, Science, and Social Studies.

- ESL strategies include direct instruction of vocabulary and grammar, use of sentence frames, repetition, modeling, visual supports, and connections to students' prior knowledge.

- Teachers adjust the linguistic complexity of lessons by modifying speech rate and tone, and by simplifying language without reducing academic rigor.

- iPads and other technology tool are used to support native language access, comprehension, and content engagement.

Common Instructional Supports Across Both Models

Technology Integration:

- Interactive Smartboards are used to deliver multimodal instruction. Tools like Google Images, Google Earth, and Go Noodle are incorporated to enhance engagement and content understanding.

- Daily Brain Breaks help support focus and build listening, speaking, and gross motor skills through music and movement.

Literacy Materials and Phonics:

- Our school uses a variety of literacy materials including leveled libraries in English and Spanish, Fundations, Heggerty , and Estrellita (for K-2) to support phonics, phonemic awareness, and early literacy development.

Math Instruction:

- We use the Bridges math curriculum, which emphasizes conceptual understanding, skill fluency, and problem-solving.

- Instruction is supported with hands-on manipulatives (e.g., fraction strips, 3-D shapes, clocks, cubes, calculators) and mental math strategies such as Number Talks to build language and reasoning in mathematics.

Science and Social Studies:

- Instruction in these subjects includes hands-on learning tools like maps, globes, scales, beakers, and magnifying glasses.

- Field trips are planned as culminating experiences to reinforce academic content and connect learning to real-world contexts.

Alignment to the Next Generation Learning Standards (NGLS):

All instruction, regardless of language or program model, is grounded in the expectations of the NGLS. Teachers ensure that lessons are:

- Rigorous and standards-based, building on students' academic knowledge and language simultaneously.

- Culturally and linguistically responsive, leveraging students' backgrounds to enhance comprehension and engagement.

- Focused on developing critical thinking, academic discourse, and cross-disciplinary skills through content-rich, language-intensive tasks.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers of Multilingual Learners (MLs)/English Language Learners (ELLs) use a combination of research-based instructional strategies, grade-level content materials, and technology tools to ensure equitable access to academic content while accelerating English language development. Instruction is aligned to the Next Generation Learning Standards (NGLS) and tailored to meet the diverse needs of ELL subgroups, including ELLs with IEPs.

English Language Arts (ELA):
Curriculum: Wit and Wisdom, leveled readers, Fundations (K–2), Heggerty (K–2), and Estrellita (for Spanish-speaking ELLs).

Strategies:

- Direct instruction of vocabulary and grammar embedded in reading and writing tasks.

- Scaffolding tools such as graphic organizers, sentence frames, and anchor charts.

- Realia, read-alouds, and guided reading help build background knowledge and comprehension.

- Content-based instruction integrates language goals with literacy instruction.

Mathematics:
Curriculum: Bridges in Mathematics.

Strategies:

- Math manipulatives (e.g., fraction strips, cubes, clocks) support conceptual understanding.

- Number Talks develop math language and mental math skills.

- Visual supports and translated materials where appropriate.

- Small group differentiated instruction provides targeted support.

Science and Social Studies:
Materials: Hands-on tools such as maps, globes, magnifying glasses, and graphic organizers.

Strategies:

- Experiential learning through labs, field trips, and projects.

- Use of visuals, videos, and real-world objects to build academic language and content knowledge.

- Collaborative group work encourages oral language development and academic discourse.

Technology Integration
- Interactive Promethean Boards support multimodal instruction, displaying visuals, instructions, and anchor charts.

- iPads and Chromebooks are used for digital literacy programs, translation apps, and interactive practice (e.g., Imagine Learning, BrainPOP ESL).

- Google Earth and Google Images enrich content lessons in Science and Social Studies.

- GoNoodle provides engaging brain breaks that support listening and oral language skills.

ELLs with IEPs: Targeted Supports
For ELLs with IEPs, instruction is individualized and designed to support both language and learning goals:

- Collaborative planning between ENL and Special Education teachers ensures instruction addresses both linguistic and cognitive needs.

- Use of multi-sensory strategies (tactile, visual, auditory) to reinforce key concepts.

- Modified texts, visual cues, and guided reading supports for access to grade-level material.

- Speech-to-text tools, graphic organizers, and chunked instructions support processing and expression.

- Progress monitoring through formative assessments helps guide instruction and accommodations.

- Small group and 1:1 instruction reinforce foundational literacy and language skills.

Acceleration of English Language Development
Across all subjects, language development is accelerated through:

- Opportunities for structured academic talk in pairs and small groups.

- Culturally responsive materials that build on students' home languages and experiences.

- Ongoing assessment to adjust instruction based on language proficiency levels.

b. SIFE

SIFE: Students who are considered Students With Interrupted Formal Education (SIFE) come to school with many challenges. The children have had interruptions with their formal education and therefore come to an English language school system academically behind in comparison with their peers. For these children, the transfer of the first language (L1) to the second language (L2) is challenging because their knowledge and skills in L1 are at least two years behind their peers. For these students, intense instruction in L1 has to be provided before L2. If we have students who are SIFE, their teachers will collaborate with lower-grade teachers to learn primary-grade strategies and borrow primary-grade resources and books that can be used in small groups with SIFE. This way, instruction can be differentiated with the use of picture books, realia, visuals, graphic organizers, word walls , and home language support. As students make progress and catch up to their peers, they have access to and engage with grade level content their peers are studying. Scaffolding would still be in use to help the SIFE students make continued gains in content-area subjects through the content based small group work as well as through afterschool programming. Currently there no Sife students.

c. Newcomers

Newcomers: ELLs who have been in an English-language school system for fewer than three years receive the mandated number of minutes that they are entitled to for ENL services. Instruction is tailored to the needs of the ELLs, whether it is for phonics, fluency, or reading for comprehension.

The ENL Teacher has a Newcomers Group. The students range from New Arrivals to those who have been in an English-language school system for one or two years. Students receive instruction starting with mastery of the names and sounds of the letters of the alphabet, high-frequency words, and word families. Newcomers have great dependence on supports and structures to advance their academic language skills. Visuals, Decodable books and direct phonic instruction, Fundations intervention word wall sentence starters, graphic organizers, and home language support are used throughout every lesson.

As Newcomers make progress and catch up to their peers, they have access to and engage with grade level content their peers are studying. The ENL teacher meets with the classroom teachers to co-plan the lessons of the unit. Turn and talk is used to increase oral language practice. Activities can be modified based on the students' needs. Front-loading of key vocabulary words, we utilize Flocabulary online program, we also given access to epic digital books and home language support are provided for the students to engage and understand the material. These are examples are some ways that Newcomers have access to and engage with grade level content as they make continued gains in content-area subjects.

d. Long Term ELLs

Long-term ELLs (7+ years) would continue to receive the mandated number of minutes to which they are entitled. They would have access to and engage with grade level content by participating in strategy groups. The ENL teacher and classroom teachers would help students develop literacy skills based on their needs.
Differentiated instruction would include activities that focus on vocabulary, fluency, and comprehension. Students would benefit from continued use of graphic organizers, word lists, sentence frames, and individualized resource charts.
The student are given higher level books to read and comprehend.
They work on higher level math problems and read articles daily that become more challenging in vocabulary and concepts as we progress through the year and complete reading logs.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

We are aware that each child comes to our school with his or her individual strengths and needs. The diverse needs of ELL-SWDs within the least restrictive environment are met with continual consultation among classroom teachers and specialists who provide ENL, Speech, SETSS, Occupational Therapy, Audiology, Physical Therapy, and Counseling services. We have provided flexible scheduling for students. An example of this is a child who sits in a self-contained special ed class but studies Math in an ICT class setting because those lessons are a better challenge for him. This accommodation is an example of how a child achieves his IEP goals.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

We offer the Dual Language and ENL program models. Home language support is delivered through a 50/50 model in our Dual Language programs in grades K-5. All teachers in our Dual Language program are bilingually certified and can provide home language support for the ELLs as needed.

The ENL Teacher and monolingual classroom teachers provide home language support to ELLs. Teachers have a variety of resources to support our students' home language needs. They speak and teach in the home language. They have classroom libraries with books in multiple languages. For low-incidence languages the teachers use Google Translate, iTranslate, and Google images. Materials such as the texts, Sentence Starters, essential vocabulary words, and instructions will be provided in English and in the students' home languages.

Bilingual glossaries from the website of the New York State Ed Department / The University of the State of New York are available in Spanish, Arabic, Chinese, Korean, or Haitian. For students in grades 3-5, these glossaries are available for ELA, Math, Science, and Social Studies. Glossaries have been provided for our ELLs, who use them for classwork and homework. These glossaries can also be used as part of their testing accommodations for the State Math and Science Tests. The ENL Teacher also has children's and adults' dictionaries in Croatian, French, Farsi, Spanish, Chinese, Polish, Portuguese, and Russian to use with students to provide home language support.

For home language assessment, the overwhelming majority of ELLs at our school come from Spanish-speaking families. If the students are entitled for testing based on the Home Language Information Survey (HLIS), the NYSITELL is the first assessment administered. If the child does not pass and is therefore an ELL for the year, then the Spanish LAB is administered if Spanish is the home language. Teacher assess are administered to assess progress in the home language during the year.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Professional development through a dual Language study group for our Dual Language teachers co facilitated by our Bilingual/Bi-literate Assistant Principal.

ICT teachers work with our Instructional coach in grade level meetings to support with learning goals.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The school's overall, annual professional learning plan ensures that all staff incorporates learning specifically related to the academic and social emotional needs of MLLs/ELLs.

We are a 7 Habits School. All staff members participate in workshops throughout the year to learn how to incorporate these habits into our own lives and then how to facilitate the lessons with students. All year the students learn how to incorporate the 7 Habits: Be Proactive, Begin with the End in Mind, Put First Things First, Think Win-Win, Seek First to Understand Then to be Understood, Synergize, and Sharpen the Saw. Students learn how to put into practice these 7 habits into their academic and personal lives.

We address the NYSED's Culturally Responsive and Education Framework by following the 4 principles: Welcoming and Affirming Environment, High Expectations and Rigorous Instruction, Inclusive Curriculum and Assessment, and Ongoing Professional Learning. Children are the most important asset of our school. We welcome them and their families into our school community. We provide a
culturally responsive education by incorporating diverse books into read-alouds / lessons. Titles include Hot Day on Abbott Avenue, Be Amazing: A History of Pride, and Wonder.

They participate in Identity project collaborations based on the Gholdy Mohammed work.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Our school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154.2 entails having teachers attend PD workshops that are offered. Every Monday, teachers have PD from 2:30-3:40. Teachers also attend PD workshops offered by the UFT, B/CO, and the Division of Multilingual Learners. They attend numerous workshops offered by Teachers College. A minimum of 15% of the required PD hours for all teachers must be dedicated to language acquisition. For ENL teachers, a minimum of 50% of the required PD must be about language acquisition in alignment with core content instruction.

The Division of Multilingual Learners has offered a variety of PD workshops that teachers can attend. A minimum of 15% of the required PD hours for all teachers must be focused on language acquisition. For bilingual and ENL teachers, at least 50% of the required PD hours will be focused on language acquisition and how it aligns with core content area instruction. For both groups of teachers, there will be a focus on best practices for co-teaching

strategies and integrating language and content instruction.

At our school we have Grade Teams. There is a Grade Team Leader for each grade. Teachers meet weekly as a grade to plan together, examine student data and student work, and specify next steps for teaching. The principal has monthly meetings with teachers in which they study student data, review student work, and discuss the next steps for all students, including ELLs.
?We attend professional development every Monday 2:30-3:40. All staff members participate.

An example of the PD that all teachers attended on a Monday was a showcase from teachers. They shared how they differentiated their lessons for students, some of whom are ELLs. One teacher showed how she taught a Math game to her third-graders. When it was time to play, not all of the kids were ready for the full game. The teacher taught us how she differentiated the game for four different groups. This way, even her Newcomers were able to access the game and play. Teachers discussed how different groups of ELLs can acquire and use language while playing the game.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Acadience and MAP screeners are administered and results are used to create groups for the afterschool programs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Teachers will meet twice a week with the struggling students in-person to provide intensive small-group instruction for reading, writing, math, and other core content areas. Teachers will note the interventions used, progress made, and next steps. The languages of instruction are English and Spanish, depending on the student and program.

We have a Special Education Teacher Support Services (SETSS) provider who works with children who have special needs, some of whom are ELLs. She provides small-group intensive instruction in ELA, Math, Science, and Social Studies. The language of instruction is English.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

We use data to guide instruction for our ELLs within a Multi-Tiered System of Supports (MTSS). The preventative framework of the MTSS helps us focus on the interconnected relationships between academics, social emotional learning, and behavior. We continue to strengthen our core instruction while affirming our ELLs' identities. We take into consideration our ELLs' cultural and linguistic backgrounds when planning instruction to support language development, content learning, and knowledge building. For example, our selections of read-aloud books and class library books often reflect the range of backgrounds of our students.

We use data of our students' racial/ethnic backgrounds to enhance instruction. The PS 165 Equity Team (comprised of teachers) plans monthly Heritage Monthly celebrations and lessons. For example, June is Celebrating Pride and Caribbean Heritage Month. Our gym teacher teaches lessons about Caribbean Heritage in sports. Our school librarian reads This Day in June to our K-2 students and Pride: The Story of Harvey Milk and the Rainbow Flag to students in grades 3-5. Our lessons are stronger when they are culturally and linguistically appropriate for all our students, including our ELLs.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The formative assessments or curriculum-embedded assessments that we use are Map and Acadience, Wit and Wisdom assessments and Bridges Math assessments.

Teacher-created assessments such as exit slips are used to guide instructional planning for ELLs. The data that we have gathered about our ELLs' early literacy skills highlight the need for continued instruction in phonics, reading for fluency, and reading for comprehension.

Our students use Heggerty and Fundations K-2. Gathering, reviewing, and studying our collective data allow administrators and teachers to plan instruction with horizontal and vertical alignment.

Students were given access to Raz Kids and Epic books, charts, and reading strategy bookmarks.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

The majority of our ELLs come from Spanish-speaking families. If the students are entitled for testing based on the Home Language Information Survey (HLIS), the NYSITELL is the first assessment administered and an interview with the family in their preferred language.
If the child does not pass and is therefore an ELL for the year, then the Spanish LAB is administered if Spanish is the home language. Class tests are given to assess progress during the year. In dual language classes, the K-5
The DRA is administered an assessment used to evaluate proficiency in the home language throughout the year.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We also use Acadience and Map in K-5 in Math. We use the data to create plans that support students in small groups.Teachers are required to teach in small groups in guided reading and Math daily.

The NYSESLAT is administered to ELLs to show progress in ENL in the four modalities of Listening, Speaking, Reading, and Writing. The NYSESLAT was administered in Spring 2022-23.

Teachers have been given a target group comprised of ELLs and SWDs. They create an action plan for their students based on the data they have reviewed.

We also study data to guide instruction. At the beginning of each school year, the ENL teacher provides classroom teachers with ATS printouts of their students' NYSESLAT subs-cores. The breakdown of the 4 sub-scores (Listening, Reading, Writing, and Speaking) shows the children's strengths and weaknesses. The data provides

teachers with knowledge of what to address as they work with their ELLs. The teachers and the ENL teacher collaborate and co-plan next steps..

We conduct number talks to support with number fluency. A short lesson (in addition to the Math periods) in which different strategies are taught to solve math problems. In grade 3, for example, a lesson can be about how to make landmark or friendly numbers to solve two-digit addition problems. For our ELLs, it is beneficial to learn numerous strategies they can apply independently in their work to help them succeed. They also use hands-on manipulatives to give concrete methods of learning the abstract concepts.

Teachers confer with students and provide feedback in order to build independence.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Schedules dates and time of the subtests to ensure that all ELL's are tested in the 4 modalities.
They are group according to grade bands.
The ENL teacher and selected classroom teachers (all licensed pedagogues) administer the NYSESLAT. For each ELL, the NYSESLAT is scored by at least 3 certified teachers of our school, none of whom work with that student during the year.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

The ENL Teacher provides a list of her “Roster of Current and Former ELLs” to our Test Coordinators and school administrators. The Roster is updated periodically, specifically when ELLs have discharged or been admitted to our school. The Special Ed Teacher provides a list of students who have IEPs. Strong communication among the ENL Teacher, Special Ed Teacher, Test Coordinator, and school administrators ensures that our Current and Former ELLs receive necessary accommodations for state assessments.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Parents of newly enrolled ELLs are required to attend an ELL Program Orientation. The ENL Teacher schedules the orientation via phone calls in the parents' preferred languages. The Parent Coordinator interprets the meetings with Spanish-speaking parents and the ENL Teacher. For low-incidence languages, we use Language Line, the free NYCDOE over-the phone interpretation service. Parents watch the Parent Orientation video that is currently available in 10 languages. There is also text of the video narration in 9 other languages. We discuss the three ML/ELL program models: Transition Bilingual Education, Dual Language Bilingual Education, and English as a New Language (regardless of whether our school currently has either type of bilingual education). We provide a high-quality orientation on learning standards; we discuss assessments; we talk about school expectations for ELLs. The ENL Teacher answers all parents' questions. After parents are informed of all three program models, they complete a Parent Survey and Agreement Form in their preferred language. If the survey is not available in their preferred language, the Language Line interpreter helps the ENL Teacher and the parents to communicate with each other. Attendance is taken via sign-in sheets. Attendance records are stored in the ENL room. It is imperative that parents are knowledgeable about the different programs so they can make an informed decision about their children's education.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

The ENL Teacher conducts an Annual Individual Meeting with parents of ELLs. This is the mandated meeting that is separate from the ELL Program Orientation and DOE-scheduled parent-teacher conferences. The ENL Teacher schedules Annual Individual Meetings via phone calls or emails to parents. At the meetings, the children's social and academic progress is discussed. Parents are informed of the goals of the program, their children's language proficiency assessment results, and language development needs in all content areas. We discuss strategies that parents can use to support their children at home. The ENL Teacher answers all parents' questions. Attendance is taken via sign-in sheets if the meetings are in-person; the ENL Teacher keeps an attendance record for remote meetings. Attendance records are kept in the ENL room.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Families receive all school communications and documents in their preferred languages. Many of our parents prefer Spanish. Documents are translated into Spanish in-house. For low-incidence languages, we can use OLA The Office of Language Access to translate documents. Teachers communicate with parents via Dojo and Remind, which automatically translates messages between teachers and parents. This way, parents can easily communicate with their children's teachers.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

All our students, including ELLs, are integral to our school community. ELLs and their parents are included in every activity. We want all parents to be engaged in their children's learning and success. Monthly Town Hall meetings are conducted in English and Spanish. This is a wonderful opportunity for parents to learn about what is happening in the school and a great way for them to contribute questions and suggestions to improve our school. We offer after school programs specifically for ELLs. We conduct PTA meetings in English and Spanish in which all parents are invited to attend and contribute ideas. Parent Surveys are distributed to ensure that their needs are addressed. We want all parents to be empowered in their school community.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

During monthly Town Hall/PTA meetings, parents are informed of family leadership opportunities.These meetings are conducted in parents' preferred languages.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We have a partnership with Young Audiences Arts program through a 21st century grant that provides cultural dance ,Spanish and the arts robotics, comic book creation.All support multi content work with our students.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

n/a

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

PS 165
MLL / ELL Identification Team

Registration Intake:
Ms. Minaya (Parent Coordinator)
Ms. Hidalgo (Family Worker)
Ms. Valle (Community Coordinator)

Interview with Student and Family:
Ms. Chan (ENL Teacher)
Ms. Rosado (AP)

Data Entry into ATS:
Ms. Minaya (Parent Coordinator)
Ms. Valle (Community Coordinator)

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

We have an MLL/ELL Identification Team made up of teachers, administrators, and staff members who provide identification of ELLs year-round. Registration Intake is done by the Parent Coordinator, Family Worker, or Community Coordinator. Interviews with the Student and Family are conducted by the ENL Teacher or Assistant Principal. Data Entry into ATS is completed by the Parent Coordinator or Community Coordinator. The team rotates so there is minimal interruption to the provision of mandated ENL / bilingual instruction.

To ensure that ELLs and Former ELLs continue to receive mandated instruction, the ENL Teacher meets with administrators monthly to review the EDAT / EDUR data. Teaching schedules can be adjusted to comply with mandated instruction.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Jessica Scanlon

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Michelle	Rivera	Teacher - Regular Grades		
		Teacher - Regular Grades		

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	3	0.50%	3	0.51%	0	0
BOSNIAN	2	0.34%	2	0.34%	0	0
CHINESE ANY	3	0.50%	4	0.68%	0	0
FULANI	1	0.17%	0	0.00%	0	0
GERMAN	4	0.67%	4	0.68%	0	0
HAITIAN CREOLE	1	0.17%	1	0.17%	0	0

INDONESIAN (AKA BAHASA)	6	1.01%	6	1.03%	0	0
JAPANESE	2	0.34%	2	0.34%	0	0
ENGLISH	465	78.15%	457	78.25%	30	30
PORTUGUESE	3	0.50%	3	0.51%	0	0
SLOVAK	1	0.17%	1	0.17%	0	0
SPANISH	104	17.48%	101	17.29%	10	10

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Events Flyers	We will utilized Canva, Google Translate, Parent Coordinator
IEPs	Google NYC Public School's IEP Translation, Office of Language Access
School Calendar	Parent Coordinator, Google Translate, Canva
Save the Dates	Google Translate, Parent Coordinator, Canva
School Letters	Google Translate, Parent Coordinator
Supply Lists	Google Translate

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

Hybrid Town Hall	Translation from Parent Coordinator
Hybrid PTA Meeting	Translation from Parent Coordinator or PTA Board Member
Parent Teacher Conferences	Parent Coordinator, Bilingual Teacher, over the phone translation system
Curriculum Night	Bilingual Teacher, Parent coordinator
IEP's Meeting	Over the phone Translation system, Parent Coordinator, Bilingual Teacher

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

(A) a school-wide emergency (i.e. lockdown, fire, etc..): Translated phone blast Translated email blast school text messages
system

(B) a student-specific emergency (i.e. student attendance, nurse/hospital visit, etc..).: Google translate, parent coordinator Bilingual Teacher over the phone translation system translation device.

(C) If a parent has an emergency and needs to contact the school: Parent coordinator email parent coordinator cellphone main office
telephone.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Language Access Training Compliance and Dissemination Plan:

To ensure full compliance with the NYCPS Language Access Training requirements and promote equitable communication with all families, our school will implement the following plan:

1. Completion of Asynchronous Training:

- Staff Notification & Monitoring: All staff members will be notified of the required asynchronous NYCPS Language Access Training for School-based Staff via email and during staff meetings. A clear deadline for completion will be communicated.

- Tracking Completion: The Principal and the Galaxy-designated Language Access Coordinator (LAC) will collaborate to track staff completion through the WeLearnNYC platform. Weekly reminders will be sent to staff who have not yet completed the training.

2. Familiarity with Best Practices for Language Access:

- Staff Development Sessions: The LAC will facilitate a brief overview of the Best Practices for Translation and Interpretation during a scheduled professional development session or staff meeting. Staff will receive digital and printed copies of these documents.

3. Dissemination of Future Resources and Updates:

- The LAC will serve as the point of contact for all language access communications from NYCPS.
- Email Updates: New resources, guidelines, or policy changes will be shared with staff promptly via email.
- PD Integration: Significant updates will be incorporated into ongoing professional development sessions to ensure clarity and promote application.
- Resource Repository: A shared folder (e.g., on Google Drive or Microsoft Teams) will house all relevant documents, resources, and updates related to language access for easy staff access.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

We hand out parent's guide to language access to families
Translated Emails
Translated phone blast
Town Halls meeting
Curriculum Night meetings
Parent Teacher Conferences
Translated signage at school

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Parent coordinator and ESL or Classroom teacher will first use the Language Hotline to determine their needs and then use the pocket talk in person to assist with the communication.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Ongoing Professional Development: The LAC will provide quarterly refreshers on language access policies and share updates from the NYCPS Language Access Office with all staff.

Increased Family Outreach: We will conduct a multilingual family feedback survey mid-year to identify further gaps and ensure services meet community needs.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

22

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

5

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

5

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

5

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Program Title: Multilingual After-School Program
Schedule: The program will take place after school during the 2025–2026 school year.

Program Description and Instructional Goals:

Our school will offer a "Multilingual After-School" program led by certified dual language teachers. The program is designed to provide targeted support in foundational English Language Arts (ELA) skills while reinforcing academic language development. The instructional focus will align with New York State English as a Second Language Achievement Test (NYSESLAT) preparation to ensure that ELL students are equipped with the language skills necessary to demonstrate growth in speaking, listening, reading, and writing.

Through engaging, culturally responsive literacy activities, students will enhance their academic English proficiency while drawing upon their home language and cultural knowledge. This supports both Title III goals and the bilingual vision of our school.

Instructional Grouping and Student Participation:
Students will be grouped by grade level to support developmentally appropriate instruction:

Group 1: Grades K–2 (approx. 20 ELLs)
Group 2: Grades 3–5 (approx. 20 ELLs)

Total number of groups: 2
Total number of participating ELLs: Approximately 40

Instructional Delivery Method:
Instruction will be delivered in small-group format, with one teacher per group. Teachers will tailor lessons to students' English proficiency levels using a variety of scaffolds and supports aligned with the NYSESLAT Performance Levels.

Program Supervision:
The after-school program will be supervised by Assistant Principal Rosado.

Regular work hours:7:30 a.m. – 3:30 p.m.
After-school supervision hours (per session): 22 hours total
Funding: AP Rosado's supervision time will be funded using Title III ELL funds.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

PS 165 has 41 ELL's.

___ are Newcomers and __ are in the developing stage.

The Multilingual Learners Afterschool Program provides additional ENL support to Entering and Emerging levels ELL students
in grades K-5.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Instructional Grouping and Student Participation:

Students will be grouped by grade level to support developmentally appropriate instruction:

Group 1: Grades K–2 (approx. 20 ELLs)
Group 2: Grades 3–5 (approx. 20 ELLs)

Total number of groups: 2
Total number of participating ELLs: Approximately 40

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The Multilingual Learners Afterschool Program will consist of 22 sessions meeting on Wednesdays and Thursdays from 2:30pm to 3:30pm from November 2025 to May 2026.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The Multilingual Learners Afterschool Program instruction will take place in English with Spanish supports.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

The Multilingual Learners Afterschool Programs will be taught by certified bilingual teachers;
there are 6 teachers.

Dual Language Teachers:

Naomi Garcia
Agueda De La Cruz
Yesenia Barahona
Merici Rodriguez
Esmerlin Valerio
Devon Ferrer

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The Multilingual Learners Afterschool Program - Each session consists of English conversation stems, English NYSESLAT based short passages utilizing sentence prompts.

Visuals of vocabulary word to build content knowledge.

Raz Kids

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

N/A

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please see individual boxes below for answers to the above castegories.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Teachers needed an orientation as to the instructional expectations to meet the needs of our students for example vocabulary instruction.
Dual language teacher leader has requested on behalf of the dual language team to engage in a series of PD supporting ENL students in language acquisition and high quality instruction

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Dual Language Teachers:
Ms. Naomi Garcia
Ms. Agueda De La Cruz
Yesenia Barahona
Merici Rodriguez
Esmerlin Valerio
Devon Ferrer

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

December 2025 - February 2025
14 sessions

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Planning for instruction
programming
Instructional expectations
Best practices to support new arrivals/ELL's

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Xaymara Rosado
Nilla Ingravallo

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

As part of our Title III ELL program, our school will host a parent workshop titled "How to Support Your Child with Literacy and Language Development" to strengthen family-school partnerships and enhance language development support for English Language Learners outside the classroom.

Goal:
To equip families with effective strategies to support their children's English language acquisition and academic achievement, while promoting bilingualism and home language maintenance.

Description:

This workshop is designed for parents and guardians of English Language Learners. It will provide families with practical strategies to support their child's reading, writing, and oral language skills at home. Key topics include:

- Promoting literacy in both English and the home language

- Reading aloud strategies and book selection

- Building academic vocabulary through daily routines

- Supporting writing and speaking through conversations

- Understanding literacy milestones and language development stages

The workshop will be led by our ENL team and will include take-home materials in families' home languages. Interpreters will be available as needed to ensure accessibility and meaningful participation.

Funding:

This activity will be funded by Title III ELL funds, including costs for workshop materials, translation/interpretation services, and light refreshments.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

PS 165 has 55 ELL's.
50 are Newcomers and 5 are in the developing stage.
Parent workshop held by Bilingual teachers on strategies and programs they can use at home to improve language acquisition.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

1 Event- October 2025

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Title: "How to Support Your Child with Literacy and Language Development"

Description:

This workshop is designed for parents and guardians of English Language Learners. It will provide families with practical strategies to support their child's reading, writing, and oral language skills at home. Key topics include:

- Promoting literacy in both English and the home language

- Reading aloud strategies and book selection

- Building academic vocabulary through daily routines

- Supporting writing and speaking through conversations

- Understanding literacy milestones and language development stages

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Dual Language Teachers and ENL teacher

Ms. Naomi Martinez
Ms. Agueda De La Cruz
Yesenia Barahona
Merici Rodriguez
Esmerlin Valerio
Devon Ferrer
Michelle Rivera (ENL teacher)

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Families will be notified of Title ELL family engagement activities via phone calls to parents and emails. A bilingual flyer will be send home to promote the workshop. Teachers will also share and promote the event via Class Dojo. The workshop will be presented in both English and Spanish, and interpretation for other languages will be available.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Our parent coordinator will keep records of agenda and attendance sheet, as well as the flyer sent home to promote the event.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

20,000

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	12,000	Multi Lingual (MLL) After School and Dual Language Study Group
Purchased services - High quality staff and curriculum development contracts.	2,000	N/A
Supplies and materials - must be supplemental - additional curricula, instructional materials - must be clearly listed.	4,000	We plan to use Title III funds to purchase supplemental supplies and instructional materials that align with and enhance implementation, such as the "Aprendo Leyendo" curriculum fro grades K-2, or similar. These materials will be used with English Language Learners (ELLs) and are supplemental to the core curriculum provided by the district.
Educational Software (Object Code 199)	N/a	N/A
Parent Engagement	2,000	N/A
Other	N/A	N/A
TOTAL	N/a	N/A
