Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Nickia Burgess	*Principal or Designee	
Velda Cambronne	*United Federation of Teachers (UFT) Chapter Leader or Designee	
Zakiyah DeGraffe-Nicholson	*Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President	
	District Council 37 (DC 37) Representative (staff), if applicable	
Janiya Lewis	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for high schools)	
	Student Representative (Required for high schools)	
	CBO Representative, if applicable	
	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
	Student Representative (Required for CSI, TSI, Receivership Middle Schools)

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our core values are deeply rooted in a culture of CARE: collaboration, arts & inquiry-based learning, reflection, and empowerment. As a caring community of innovators and leaders, we strongly believe that: --Learning is constructed through social interaction and experience; --children develop confidence in their own voice if they have the opportunity to creatively examine new ideas from multiple perspectives and generate innovative solutions to challenging real-world problems; --the habitual practice of s elf and peer reflection, feedback, and monitoring of goals leads to improved teaching and learning; and --ownership of learning intersects at passion, strengths, and confidence.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Who We are Hugo Newman College Preparatory School – PS 180 is located at 370 West 120th Street in the heart of Harlem. We know that the education of every child begins at home and is a continued partnership between parents, educators, and the community. We are
poised and prepared to meet the needs of every child that passes through our doors. We are a collaborative community of students, teachers and parents working together to ensure that that our children meet their fullest potential. What Makes us Unique We believe in offering inclusive high-quality educational experiences forall students.

PS 180 is excited to announce its status as a Candidate School for the International Baccalaureate (IB) Primary Years Programme (PYP). This marks a significant step in our commitment to providing a world-class, inquiry-based education that nurtures curious, compassionate, and globally-minded learners. As a candidate school, PS 180 is pursuing authorization as an IB World School, a distinction recognized worldwide for academic excellence and a strong focus on developing the whole child. Through the IB framework, we aim to empower students to become active, lifelong learners who are equipped to make meaningful contributions to their communities and the world. On each grade, we have an Integrated Co-teaching (ICT) classroom model. Collaboratively, one general education teacher and one special education teacher work together in the same classroom to support and teach children with and without identified disabilities. All students benefit from this level of support. Also, we offer Spanish Dual Language (DL) as an option for families in elementary school. Both English Language Learners and native English speakers develop a positive sense of self and increased appreciation of cultures. PS 180 has long standing community based partnerships that assist us in meeting our goals. With all of our community partners, we work together to ensure that our students are healthy, academically prepared, active learners, and fully involved in contributing to their community and larger society.

We focus on the whole child through our arts programming. To promote the academic and social-emotional

development of youth, we partner with a variety of organizations to deliver enriching academic and recreational programming opportunities available throughout the school day and/or after school: PK-5th Grade: The Reading Team (after school) K-5th Grade: Police Athletic League (after school) PK & K: Ballet Hispanico (during afterschool) 3K- 2nd Grade: Museum Project through Studio in a School (during the school day) 1st- 5th Grade. CBO partnerships vary annually Additional after-school activities include: Chess, Robotics, Debate Team, Flag Football, Basketball, Cheerleading, Baseball, Track & Field, and much more. Our students are challenged in their math learning through NumberTalks to build mental math, math fluency and mental computation strategies. They also are challenged in solving real life math problems using deep, rich and rigorous "Exemplar" problems as well as Common Core aligned "Cognitive Guided Instruction" story problem types. Our students are engaged in rigorous instruction that is relevant and has real world connections. In English Language Arts (ELA), students experience. At PS 180, all curriculum across 3K-5 is student-centered, responsive, and assessment based. In middle school, we shift the ownership of discussing areas of celebration and priority areas from teachers to students at Student Led Conferences.

We foster excellence in our students so that they meet their highest potential and are prepared for the college and career of their choice. Our teachers and paraprofessionals receive ongoing professional development and on-site consultancy support from the following
outside organizations to strengthen our pedagogical practices: Southern Cross Consultancy (Mathematics) Hyrdoponics Lab and sustainability support with NYSunWorks ?(Elementary Science). Brain Power Wellness (mindfulness and wellness) Responsive Classroom. (PK-5 social-emotional learning program) Our teachers are regularly engaged in professional learning throughout the school year that supports the academic, and social-emotional needs of all of our students. Every member of our staff is engaged in Professional Learning Inquiry Cycles that foster improved teaching and student learning. We are a learning community of staff, students and parents working together to provide the best educational experience and opportunities to our each and every child.

Briefly summarize the key initiatives your school will implement this school year.

Our school's initiatives are in alignment with the Chancellor's priorities and instructional principles. PS 180 is dedicated to cultivating a culture of a healthy learner identity. We ensure that students are engaged in rigorous high quality academic experience which allow students to have voice and choice over what and how they demonstrate their learning. We are committed to providing collaborative opportunities inside and outside the classroom. By intentionally focusing on identifying and utilizing strengths that students and their families bring to the learning environment, we can build agency, community and belonging.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-8	Wit and Wisdom	Supplemented with the Up the Ladderand phonics intervention programs such as SPIRE, Wilson, and Just Words

Math	K-5	Investigations/ TERC	Supplemented with Georgia Math, CMP3, Exemplars, and NumberTalks
n/a	n/a	n/a	n/a
n/a	n/a	n/a	n/a

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iReady EOY data grades 2nd - 5th 2nd - 51% at or above benchmark 3rd - 45% at or above benchmark 4th - 48% at or above benchmark 5th - 46% at or above benchmark Average is 48% at or above for grades 2nd - 5th	struggling with time and scheduling to implement new curriculum scheduling of WIN periods with teacher rollouts implementation of ne ELA curriculum shift in unpacking IB building teacher capacity in multiple initiatives, which shifted the PD focus	data driven, dedicated, and targeted instructional time for WIN period ensuring to start earlier in the school year with WIN periods utilizing crafted transdisciplinary units of study to support critical thinking and literacy growth
Acadience EOY K - 48% at or above benchmark 1- 47% at or above benchmark 2 - 45% at or	students still need more opportunities to be exposed to nonsense words and opportunities to practice Oral Reading Fluency tasks	data driven, dedicated, and targeted instructional time for WIN period ensuring to start earlier in the school year with WIN periods

above benchmark Average is at 47% at or above for grades K - 2		
June Instructional Report		

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	37%	By June, 2026, literacy for All Students will improve, as measured by a 8% Increase, from 37% to 44%, of at or above proficiency on the iReady screener.
All Students	47%	By June 2026, literacy for all K-2 students will improve, as measured by a 5% Increase, from 47% to 52% of students at or above benchmark on the Acadience assessment .

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Ensuring targeted small group instruction
WIN periods to support reading intervention with utilization of the classroom teachers, reading interventionist, SETSS teacher, and scaffolds to support literacy skills

Root Cause Addressed:

Root cause analysis identifies that utilizing small groups and having a strategic WIN period will support the intentional practice of meeting our goals in iReady at or above benchmark and in our Acadience goals. Ensuring scheduling and teacher capacity is intentionally planned and rolled out.

We have a strong foundational literacy structure using Fundations, Heggerty and rewards. We are lacking the knowledge building and writing. The implementation of Wit & Wisdom will address this and we will have a fully structured literacy program following the science of reading.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Instructional Teams in grades 3-8 will analyze NYC ELA & Math Exam scores and screener data to determine priority standards and concepts for instructional focus.
Instructional teams in K-2 will analyze Acadience ELA & Math data and in house decoding and math interventions to determine priority standard and concepts for instructional focus.

All teachers will progress monitor using Acadience and or i ready throughout the year. The assessment calendar will include progress monitoring dates.
WIN intervention groups will be formed a work in 6 week Cycles. Win teacher will be responsible for administering progress monitoring to their WIN students at the end of the cycle. This data will be used to form the following WIN cycle.
Formation of Instructional Leadership Team consisting of admin, coached, SWD rep and at one grade level teacher in bands of K-2, 3-5 and 6-8 will meet monthly afterschool
Formation of grade level Impact Team that meet weekly during their professional period

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

-In conjunction with our Wit & Wisdom coach, admin team and teacher teams we will use the Wit & Wisdom implementation checklist to determine the level of implementation of the program.
-We will use the wit and wisdom module assessments to determine the progress of the instruction.
-Data analysis of all assessments will determine the impact on instruction.
-Grade level teams and cross grade teams will meet twice during W&W modules to analyze student work and develop a uniform assessment checklist for each grade/module and system to report W&W progress to parents.
-A primary structure that will be to use progress monitoring on focused areas such as oral reading fluency, nonsense
words, first sound fluency will be the bi-weekly progress monitoring tool in Acadience.
-In addition, mock assessments to prepare students for upcoming benchmarks and state exams.
-Scheduled opportunities for common planning, inquiry time, and visitations to enhance learning and improve teacher practice by fostering a culture of collaboration and continuous improvement within the school.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/26/2026	using the existing structure of Breakfast with Principal Burgess, guest speakers will present at each monthly workshop. SWD services, Social Emotional Learning and other areas of interest as indicated on parent interest survey. W&W parent resources, Fundations, and other useful literacy information will be posted by unit and module.	Harlem Children's Zone
01/27/2026	06/26/2026	using the existing structure of Breakfast with Principal Burgess, guest speakers will present at each monthly workshop. SWD services, Social Emotional Learning and other areas of interest as indicated on parent interest survey. W&W parent resources, Fundations, and other useful literacy information will be posted by unit and module.	Harlem Children's Zone

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

All ELA teachers, admin, coaches from District 3 and Wit and Wisdom, Teaching Matters, IB Coachess

Instructional Resources

consumable materials, supplies and instructional resources

Schedule Adjustments

n/a

Other Resources Needed

per session, training rate, and per diem as needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
OORS reports have decreased from 61 June 2024 to 31 June 2025	Finding outlets for students who feel they are unable to express their frustrations and/or the reason for misconduct.	Students need to learn and develop de-escalation skills when problems arise.
OORS reports have decreased from 61 June 2024 to 31 June 2025	Refinement of behavior interventions that are implemented in order to monitor student trends	Students need to be able to express their feelings to prevent problems from escalating.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	45	By June, 2026, physical and mental wellness for All Students will improve, as measured by a a decrease of Level 1-3 infractions 45 to 38, per the Online Occurrence Reporting System (OORS).

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Guidance counselors will deliver training to all staff in Community Building Restorative Practices circles and establish
a school wide system for monitoring infidelity of implementation.

Teachers will help students learn de-escalation skills and techniques to help students deescalate conflicts when they
arrive.

Root Cause Addressed:

Students, teachers and support staff will foster positive relationships that promotes an inclusive school culture. Students will learn and develop de-escalation skills when problems arise.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The guidance counselor will push into advisory and provide strategies and protocols that help students express their feelings and build trusting relationships with adults.
Develop workshops to help teachers learn de-escalation techniques that can be implemented into their classroom.
Train all staff in Community Building Restorative Practices and build time into the schedule for teachers to hold the circles once a week.

School leaders will monitor OORS data to make modifications to the safety plan, student behavior intervention pans and advisory programs.
Teachers will use restorative circles to support students' capacity to resolve conflicts.
SEL curriculum workshops to improve Social Emotional needs for students
To ensure a welcoming and affirming environment each student has one adult they can speak to in times of emotional need
In the beginning of the school year ensure to communicate the goal and action plan to community stakeholders
Provide professional development for staff members in order for them to model and have on hand strategies to support students and their social emotional skills

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We continuously review and update safety policies to align with current best practices, legal requirements, and emerging safety concerns. We invest in regular safety training for our staff, including teachers, administrative personnel, and support staff. This training covers emergency response, first aid, and safety procedures. We have monthly safety meetings to discuss safety across the school, such as arrival and dismissal

policies, use of shared space, staff protocols when entering and exiting the building etc.

The primary structure to progress monitor implementation of key strategies and action steps will the Online Occurrence Reporting System. We will look at the total number of level 1-3 incidents for BOY, MOY, EOY.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/26/2026	Monthly parent workshops, on building their child's capacity to engage in peer mediation and conflict resolution. Anti Bullying workshops for students and parents.	Parent Coordinator, Teachers, paraprofessionals, Guidance counselor, school psychologist, school social worker, Harlem Children Zone
01/27/2026	06/26/2026	Monthly parent workshops, on building their child's capacity to engage in peer mediation and conflict resolution. Anti Bullying workshops for students and parents.	Parent Coordinator, Teachers, paraprofessionals, Guidance counselor, school psychologist, school social worker, Harlem Children Zone

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

parent coordinator, teachers, guidance counselor, teachers, paraprofessionals, school psychologist, school social worker, Harlem Children Zone

Instructional Resources

instructional materials, consumable supplies

Schedule Adjustments

N/A

Other Resources Needed

per session, per diem as needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iReady 2 - 5 2nd - 37% at above benchmark 3rd - 32% at or above benchmark 4th - 33% at or above benchmark 5th - 46% at or above benchmark Average is at 37% for 2nd - 5th at or above benchmark 4% increase from 37% to 42% in June 2025	-chronic absenteeism for students -students struggled in taking the computer based assessment -intentional instruction for WIN periods -1st period will not be a Math period	Exposure for grades 2 - 5 to participate in monthly computer based instruction including to have students gain practice time with computers for assessments. work to find a CBO that can help provide an after-school intervention target/enrichment program with a Math focus increase the average percentage of students on or above benchmark
Acadience data K-2 K- 45% at or above in the Math composite	-chronic absenteeism for students -	work to find a CBO that can help provide an after-school intervention target/enrichment program

scores 1st - 44% at or above in the Math composite scores 2nd - 53% at or above in the Math composite scores Average is at 47% for K-2 at or above in the Math composite score	intentional instruction for WIN periods -1st period will not be a Math period	with a Math focus cross grade level data review increase the average percentage of students on or above benchmark
June Instructional Report		

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	13%	PS 180 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the at or above benchmark will Increase by 20% from 13% to 33%, for All Students, as measured by iReady Math screener.
All Students	47%	PS 180 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June 2026, students in grades K-2 who are at or above Math benchmark will Increase by 5% from 47% to 52%, as measured by Acadience Math assessment .

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

WIN periods focused on 1 ELA and 1 Math once a week
data driven differentiated groups targeted on focused standards
computer based testing
communication about attendance and the importance of students getting to school on time

Root Cause Addressed:

Root cause analysis identifies that the following strategies will support the targeted instruction in helping students to target struggling areas and having a pulse on the students who show a pattern of lateness and absenteeism and finding outreach support to ensure their presence in school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
All students: Participate in practice assessments aligned with the NYS math exam. Practice assessments will be given during WIN time.
Deep Data Dive into the scores for our lowest performing students. Students will be divided into targeted intervention groups.
SWDs: Staff will work with district consultants to develop an action plan for increasing rigor for math in our special education classes

WIN intervention groups will be formed in 5 week cycles. WIN teachers will be responsible for administering progress monitoring to their WIN students at the end of the cycle. The data will be used to form the groups for the following WIN cycle.
Formation of grade level Impact Team that mee weekly during their professional period.
Administrators/district/coaches will engage staff in on-going professional development focused on effective implementation of the curriculum inclusive of planning and delivering effective instruction for students with disabilities
Utilize the explicit instruction to model and guide students towards solving problems
Teachers will engage in weekly structured inquiry content/grade team meetings to unpack curriculum units, share best practices inclusive of analyzing data and co-plan lessons that are aligned to instructional expectations and incorporate instructional scaffolds that create multiple entry points to meet the needs of all learners
Provide students with an opportunity to engage in productive struggle and an increase of productive discourse during the Math lesson
Administrators will engage in weekly learning walks to monitor the implementation and impact of instructional strategies and provide teachers with actionable feedback to improve their pedagogy
The use of technological platforms/software for learning and assessment
Students engaged in tasks that require students to provide evidence to explain their thinking beyond merely using computational skills to find a solution.
Teachers encouraging students to use proven mathematical understandings, (definitions, properties, conventions, theorems, etc.),to support their reasoning.
Teachers will ask questions that require students to justify their solution and their solution pathway; ensuring that students identify symbols, quantities, and units in a clear manner.
Teachers will use I-Ready baseline assessments to create groups that would change based on data and often create a series of small-group lessons that would focus on content related to student needs
PLCs that aid teachers in looking at core instruction as an initial point of contact with their students where universal supports can be built into lessons as scaffolds, and eventually removed.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The support of teaming opportunities, common planning, inquiry time, and visitations to enhance learning and improve teacher practice by fostering a culture of collaboration and continuous improvement within the school. Systems established in the school are: Common planning time for content teams Intervisitations Inquiry Cycles Instructional Leadership Team Special Education Teacher Weekly meetings Targeted Professional Development iReady Assessments: At the beginning of each academic year, we administer diagnostic assessments to identify students' strengths and areas in need of improvement. Based on the results, we categorize students into different tiers to inform differentiated instruction and intervention practices.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/26/2026	Monthly Principal/Parent Chat Meetings Guest speakers will be used during the monthly parent meetings to inform parents about tips/topics relating to math instruction. Unit Parent Letters: Parent/Family letters will be sent home for each new unit of math instruction in each grade. These family letters will inform parents of the math topics and strategies being taught within the unit	Parent Coordinator, Harlem Children's Zone
01/27/2025	06/26/2025	Monthly Principal/Parent Chat Meetings Guest speakers will be used during the monthly parent meetings to inform parents about tips/topics relating to math instruction. Unit Parent Letters: Parent/Family letters will be sent home for each new unit of math instruction in each grade. These family letters will inform parents of the math topics and strategies being taught within the unit	Parent Coordinator, Harlem Children's Zone

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

All teachers, admin, district coaches

Instructional Resources

Instructional materials, consumable supplies

Schedule Adjustments

N/A

Other Resources Needed

Per Session, training rate, and per diem as needed.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Kids Save for College Fund $16,995 in college scholarships	some families are not aware of the benefits or the account being accessible to their child's future some families struggle with activating the account	providing workshops on how this account can support their child's college and career pathway
Kids Save for College Fund	helping to support families to create, activate,	having workshops on having

146 students participating 29% at Building Block completions	and view their accounts	families create, activate, and view their accounts

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	146	PS 180 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June 2026, the increase in creation of accounts for All Students will Increase by 54 accounts from 146 to 200 accounts as measured by Save for College Dashboard.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Scholarship information will be introduced during Kindergarten orientation, with ongoing reinforcement provided through school newsletters, social media, and parent-teacher meetings. Printed materials and digital guides will be distributed in both English and Spanish. In-person and virtual workshops will be hosted during the fall and winter months

Root Cause Addressed:

Root cause analysis shows that using the strategies above we can achieve the goal of creating more Kids Save for College accounts, and increase the amount of money invested in our scholars

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Introduce the scholarship program at Kindergarten orientation and back-to-school events.
Distribute printed flyers and send digital reminders explaining what the scholarship is, eligibility, and benefits.
Provide visual guides, translated materials, FAQ sheets
Host in-person or virtual workshops to walk families through the application and account creation process.
Offer staff or volunteers to assist with uploading documents and filling out forms

Laptops/tablets available during school events; screen recordings or how-to videos.
Designate a school liaison (e.g., parent coordinator, counselor) as the go-to for scholarship support.
Share contact info in every newsletter and post in school lobbies or websites.
Provide translated materials and interpreters for non-English-speaking families.
Offer help navigating the online platforms for families with limited digital literacy.
Include regular reminders in newsletters, GAMA, Bloomz, and school social media.
Track which families have created and activated accounts.
Send personal follow-ups (calls or notes home) to those who haven't completed the process.
Share testimonials from families who've used scholarship funds successfully.
Encourage parent leaders to share their positive experiences during PTA meetings or events.
Add scholarship activation as part of Kindergarten family engagement goals or Title I parent involvement plans.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Over the course of the school year, the school implemented a multi-step engagement plan to support Kindergarten families in creating, activating, and accessing their scholarship accounts. The focus was on increasing awareness, reducing access barriers, and providing hands-on support throughout the process.

Family Awareness and Education:
Scholarship information will be introduced during Kindergarten orientation, with ongoing reinforcement provided through school newsletters, social media, and parent-teacher meetings. Printed materials and digital guides will be distributed in both English and Spanish. In-person and virtual workshops will be hosted during the fall and winter months. Bilingual staff will be available to assist families with account creation and document submission. Scholarship reminders will be embedded into weekly communication channels. A designated family liaison will track the activation status and follow up with non-responsive families through personalized calls and reminder letters. Chromebooks and tablets will be made available at school events, and translated how-to materials will be created for key steps. Families with limited digital literacy will be supported individually, with interpreters present at all workshops. The school will share parent testimonials through video clips and newsletters, helping motivate families who had not yet activated their accounts. These stories highlighted will show how scholarship funds will support educational supplies, services, and enrichment activities.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/26/2026	Collaborate with organizations to develop, deliver and circulate information to assist parents and their children with college and career exploration.	Parent Coordinator, Teachers, Guidance Counselor
01/27/2026	06/26/2026	Collaborate with organizations to develop, deliver and circulate information to assist parents and their children with college and career exploration.	Parent Coordinator, Teachers, Guidance Counselor

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Teachers, Guidance Counselor

Instructional Resources

consumable materials and supplies, instructional materials

Schedule Adjustments

N/A

Other Resources Needed

per session, per diem as needed.

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYCSA account creations increased from 48% - 81%	With new families entering in Sept. 2025, we need to be very intentional with supporting our fragile families who have specific everyday	support for foster care students, STH

	needs and may not have the means to acquire it	with things such as everyday necessities
NYCSA account creations increased from 48% - 81%	With new families entering in Sept. 2025, we need to be very intentional with supporting our different cultures and languages	increase in language and translation services and utilizing social media, Gama, and Bloomz
NYCSA account creations increased from 48% - 81% On average 7-10 families would attend and this increased to on average of 33 families as of June 2025	with the changes in the school community families wanted their voices to be heard and be involved in multiple events	increase in school family events

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	81%	PS 180 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June 2026, the amount of account creations will Increase by 9% from 81% to 90% as measured by NYCSA accounts

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Plan events that cater to parents' interests and needs, such as student academic progress, parenting, college and career preparation, and student showcases.

Create NYCSA account workshops where parents can learn how to create, use, and monitor their accounts

Root Cause Addressed:

Root cause analysis identifies these strategies supporting families who may have language barriers, promote engagement in their child's learning needs, and families having access to their child's educational journey even if they move to another area and attend another NYCPS

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide incentives to parents for attendance at school wide events. Provide certificates and recognition to parents who consistently attend school wide events.
Provide flexible timing or a convenient schedule by offering multiple sessions of the same event to give parents more options to attend. Schedule events at different times, including weekends to accommodate parents/families working schedule.
Organize interactive sessions, town halls and family day events to allow parents to provide feedback, voice concerns, offer suggestions and ask questions.

Provide interest based activities that cater to parents' interests and needs, students academic progress and student showcases.
Involve parents in the planning and organization of events though parent advisory councils and PTA
providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children
sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand
providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community
providing school planners/folders/online tools for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand
Survey families based on Title I survey to indicate the best times for PA meetings, workshops, and school events
conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home
Increase number of IB open Classroom days to 4 times a year, similar to old publishing parties.
Increase Community Service Parent Engagement to 4 times a year - school improvements such as Early Childhood Playground Clean Up - paint it, gardening, book give away,
Improve RSVP QR code for parent events.
Increase Hugo Newman News links watched/BLOOMZ posts observed
Create a section of Hugo Newman news highlighting the upcoming events. Some may not be familiar with what certain events are (eg: line dancing) and something visual may peak their interests a little more
Have the introduction between teachers and new parents at the beginning of the year in person instead of on zoom. Parents may be more inclined to attend events if they are comfortable and build a relationship with staff early on in the year

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Parent surveys provide us with insights into parents' opinions, concerns, and suggestions related to their child's education and experience at our school. This feedback helps us to make informed decisions and improvements to our school community. P.S. 180 recognizes that the relationship between a school and the larger community is one of symbiotic partnership. Therefore, P.S. 180 is focused on building trusting collaborative relationships among teachers, families and community members. We work hard to recognize, respect and address families' needs and class and cultural differences. At P.S. 180 we are committed to building and sustaining a positive relationship with families through
open and effective communication, active engagement, and a genuine willingness to understand and support their needs. We prioritize regular, transparent communication to keep families informed about their child's progress, upcoming events, and any relevant school updates. Additionally, we actively seek feedback from parents and caregivers, valuing their insights and perspectives through parent surveys and parent outreach. We have a dedicated parent coordinator who provides daily outreach to further support our parents.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/26/2026	Parent Orientations PA Meetings Parent Engagement Night Parent Academic Nights Orientations Monthly family activities to help families support their children at home understand data results improve study habits	Parent Coordinator/Harlem Children's Zone

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 New Visions Data Portal of __87_% YTD in attendance	The school is working on offering students consistent, on advisory guidance, recognition, incentives, and rewards to improve attendance.	The school needs to offer students consistent, on going recognition and incentives to ensure daily attendance
2024-2025 New Visions Data Portal of _50_% students are chronically absent.	The school is working on consistently offering workshops on the impact of long term absences on student achievement to families.	Monthly professional development needs to be offered to parents to understand the long term consequences of chronic absenteeism

2024-2025 New Visions Data Portal of 76% of STH are CA	Many students who live outside the district and are in temporary housing often experience extensive travel time. It affects their willingness to come to school on a consistent basis.	Students who live in temporary housing and live outside of the district, require extensive travel time and affects absences.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	87%	By June, 2026, the increase attendance for All Students will decrease by 3%, from 87% to 90%, as measured by the New Visions Portal tool.
All Students	50%	By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 10%, from 50% to 40%, as measured by the New Visions Port tool .
Students in Temporary Housing (STH)	76%	By June, 2026, the chronic absenteeism rate (STH) for Students in Temporary Housing (STH) will decrease by 10%, from 76% to 66%, as measured by the New Visions Portal tool.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The attendance team and the Parent Coordinator will use attendance data to develop a system to provide incentives and rewards to students with 95% and above attendance and for students who have shown significant improvement in attendance rate.

Monthly parent workshops provided by the attendance team will be offered to explain the impact/correlation between
achievement and attendance. These workshops will help create positive relationships and provide support for parents
of students who are chronically absent. Referrals for students and families that may need additional support.

Root Cause Addressed:

Root cause analysis shows that the strategies will support with student consistency, on going advisory guidance, recognition, incentives, and rewards to improve attendance.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The attendance team will review school level attendance and chronic absence data weekly to conduct outreach to parents every week to targeted students who are in jeopardy of being chronically absent.
The school will provide professional development to parents and staff to communicate the correlation between high achievement and student attendance. Teachers will also differentiate activities and supports to target chronically

absent students.
Provide reliable and accessible transportation options for students in temporary housing who may have a difficulty getting to school.
After each quarter, the Attendance Team will review the Insight Chronic Absenteeism Report to track and monitor students' attendance to measure progress, determine support plans and make adjustments to desired outcomes.
Extracurricular activities will be offered to students that cater to different attendance in order to encourage students to attend school regularly.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

At P.S. 180 we are committed to building and sustaining a positive relationship with families through open and effective communication, active engagement, and a genuine willingness to understand and support their needs. We prioritize regular, transparent communication to keep families informed about their child's progress, upcoming events, and any relevant school updates. Additionally, we actively seek feedback from parents and caregivers, valuing their insights and perspectives through parent surveys and parent outreach. We have a dedicated parent coordinator who provides daily outreach to further support our parents. We monitor, evaluate, and revise management and operational systems weekly through the use of trackers. Attendance is recorded daily by the family worker or parent coordinator. The primary structure to progress monitor implementation of key strategies and action steps will be in Insight
Chronic Absenteeism Report. We will monitor students' attendance to determine students who are chronically absent or in jeopardy of being chronically absent through consistent attendance meetings and our attendance policy.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Monthly emails and meetings to plan ahead of the upcoming annual reviews and what will be due next month
Utilizing the professional period to write IEPs

Root Cause Addressed:

Root cause analysis identifies that ensuring that the SPED team meets consistently will support the focus of timely teacher reports, analysis of BIP implementation measures, and progress monitoring targets being updated, which in turn will support meeting the goal

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Special Education Liaison and Psychologist will conduct monthly guided IEP Reviews with special education staff.
Student Implementation Team will conduct reviews and provide support for improved goal writing. Administrators will change the schedule to provide time for the team to write quality IEP goals.
Student Implementation Team will conduct reviews and provide support for writing quality impact of disability statements
IEP teams will look at individual student needs, Wit and Wisdom curriculum, and IREADY assessments to ensure that SWD are given appropriate goals, services and programs.
SIT will monitor and support transition planning with student and parent input for individual students. Administrators will ensure that their are opportunities for addressing level vocational assessments
SIT will monitor SESIS Status of Annual Review Report weekly and provide support to IEP case managers. They will provide assistance in completing required paperwork and scheduled meetings.
SIT will monitor SESIS Status of Annual Review Report weekly and provide support to IEP case managers. They will provide assistance in completing required paperwork and scheduled meetings.
Administrators will provide professional development to staff on required AIS and the referral process

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Over the current monitoring period, the Special Education Department has actively implemented strategies to ensure compliance with mandated timelines for annual reviews, while also strengthening collaborative practices among special education and general education staff.

Timely Annual Reviews:
All IEP annual reviews will be tracked using an internal scheduling system, with periodic audits conducted bi-weekly to flag upcoming due dates.

Teacher Feedback Integration:
To ensure the IEPs are responsive and relevant, general and special education teachers will complete structured feedback forms prior to each annual review.

Supporting Student Goals:
Progress monitoring tools will be refined to align more directly with IEP goals. Special education staff will conduct

quarterly reviews of student progress, ensuring that supports remain aligned with students' evolving academic and behavioral needs.
Next Steps:

Continue training staff on high-quality goal writing and data collection.
Increase family engagement during the goal development process to ensure greater alignment with student needs.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	01/26/2026	Monthly parent workshops on the IEP process, special education services, and processes.	Parent Coordinator, SPED liaisons
01/27/2026	06/26/2026	Monthly parent workshops on the IEP process, special education services, and processes.	Parent Coordinator, SPED liaisons

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special Education Teachers, School Psychologist, SLT

Instructional Resources

instructional materials from Central, D3 Special Education Liaison meetings

Schedule Adjustments

coverages, as needed

Other Resources Needed

per session, coverages as needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Academic Support Tier 2	Formative Class assessment data, Running Records, Quarterly IReady diagnostics	Wilson, Fundations	Small group instruction	During the school day	No
Academic Support Tier 2	Formative Class assessment data, Running Records, Quarterly IReady diagnostics	I-READY	Small group instruction	During the school day	Yes
Academic Support Tier 3	Bottom Third	I-READY	One to one instruction	During the school day	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Social Emotional Support Tier 2	Teacher recommendations/ anecdotal behavior reports, removals, suspensions	At Risk counseling	Small Group	During the school day	No
Social Emotional Support Tier 3	Guidance Counselor recommendations/anecdotal behavior reports, removals, suspensions	Mandated counseling	One-to-one individual counseling	During the school day	
N/A	N/A	N/A	N/A	N/A	N/A

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

53

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The school may provide resources and services, as needed, from the following allowable expenditures:

1. Items of clothing and shoes necessary for participation in classes
2. Student fees that are necessary to participate in the general education program
3. Personal school supplies such as backpacks, notebooks, and remote learning devices such as internet and/or laptop/tablet

4. The acquisition of birth certificates
5. Immunizations
6. Food
7. Medical and dental services
8. Eyeglasses and hearing aids
9. Counseling services related to homeless issues that are impeding learning
10. Outreach services
11. Extended learning time (before and after school, Saturday, summer)
12. Extra-curricular activity fees
13. Tutoring services, especially in shelters or other locations where homeless students are residing
14. Parental involvement
15. Transporting students in temporary housing to and from their school of origin.
16. Enrollment

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS/IS 180 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support

services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, NYC School Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS/IS 180 in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- inform a trusted adult in school if I need help with something related to my school or home life;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I School wide Program

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

the school provides year long professional development opportunities in ELA, math, science, social studies and Social Emotional Learning. Teachers attend professional development sessions - provided by the District or outside vendors. Special education and ENL workshops are also provided in school personnel and district personnel. The school provides differentiated PD for new teachers and consultants provide additional PD on aligning curriculum to the Next Generation Standards.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

PreK teachers work collaboratively with kindergarten teachers throughout the year to share curriculum and developmentally appropriate practices. Professional development activities permit teachers to be trained together while having opportunities to discuss curricula and the connections to the students needs, reviewing students' progress, include early interventions.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal		X	ELA, math, CA, SEF
Title I, School Improvement 1003(a)	Federal		X	ELA, math, CA, SEF
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Title IV, Part A	Federal			
Tax Levy (Fair Student	Local		X	ELA, math, CA, SEF

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Nickia Burgess
Assistant Principal (Where Applicable)*	Kristen Marren
English as a New Language (ENL) Teacher*	Kelly Shenoda
Teacher (if school has a bilingual program must be a bilingual teacher)*	Mildred Peguero
Parent/Guardian*	Iman Nagi
Teacher	Halley Curtis
Parent Coordinator	Miriam Opa
School Counselor	Stephanie McGarry
Related-Service Provider	Chris Paladino
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

3

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

1

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

291

Total number and percentage (%) of current ELLs:

54, 18.6%

Total number and percentage (%) of former ELLs:

7, 2.4%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

47, 87.0%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

3, 5.6%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

4, 7.4%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

3, 5.6%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

7, 13.0%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish	2013		1	1											2
DLBE																	0
DLBE																	0
				total: 0	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Stand-alone study is conducted by a certified ESOL teacher in a separate classroom. These groups are determined by language proficiency and grade level. Stand-alone groups are homogeneous by proficiency level. No group contains students from more than two contiguous grade levels. Entering level ELLs receive 180 minutes per week of stand-alone instruction. Emerging students receive 90 minutes per week of stand alone instruction.

Integrated ENL:

ELLs are grouped together in one class at each grade level and travel together as a group. Integrated study is conducted by the ENL teacher and classroom teacher in the grade level classroom. Entering students receive 180 minutes of integrated study in the ELA classroom. Emerging students receive 270 minutes of integrated study in the ELA classroom. Transitioning and Expanding students are instructed for 180 minutes per week in the ELA classroom. Commanding students receive 90 minutes per week of integrated ENL in the ELA classroom.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Dual Language Bilingual Education (DLBE):

Our Dual Language program is for the target language Spanish. Currently there is one Dual Language class per grade level in first and second grade. Students remain with the same classroom teacher for the year and instruction is divided into 60% English and 40% Spanish across the week. Classroom teachers in the DLBE have bilingual extensions on their certifications and provide instruction in both languages. Within the classroom, a variety of grouping strategies ensure that students meet the minutes requirements outlined in CR Part 154. A certified ESOL teacher supports reaching full compliance by including the DLBE students in 180 minutes or 90 minutes of stand alone instruction, according to the proficiency level of the student. Within the classroom, the teacher with a bilingual extension strategically uses homogenous groupings to offer targeted English language stand alone support for earlier proficiency levels when needed to access English language content. At other times, students within the classroom are grouped heterogeneously according to proficiency level to encourage the full participation of all students in the dual language classroom community.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

ENL instruction for entering students is comprised of 180 minutes of stand-alone study and 180 minutes of integrated study in the ELA classroom. Emerging students receive 90 minutes a week of stand-alone ENL a nd 270 minutes of integrated study in the ELA classroom. Transitioning and Expanding students are instructed for 180 minutes per week in the ELA classroom. Commanding students receive 90 minutes per week of integrated ENL in the ELA classroom.

Scheduling is managed primarily by the school's certified ESOL teachers, Kelly Shenoda and Halley Curtis. When both NYSESLAT (or NYSITELL) scores and official classes are available, the ESOL teachers build a schedule of stand alone and integrated periods of instruction that meets the guidelines specified in 1a. Upon completion of these schedules, they are submitted to the principal, Nickia Burgess, for approval. Our technology specialist, programs the instructional minutes into STARS using the final schedules submitted by the ESOL teachers.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Stand-alone ENL minutes are administered in a separate classroom with targeted focus on vocabulary and grammar development appropriate for the language level of the student group. All ENL students attend regular ELA programming with their grade level and have integrated support from an ENL teacher in the ELA classroom for a portion of their regular ELA class. Home language materials are used where appropriate in the integrated ENL/ELA classroom to support the development of background knowledge or to provide opportunities to engage in grade level appropriate critical thinking activities. Bilingual glossaries provided as part of the Wit and Wisdom ELA curriculum support the acquisition of unit specific vocabulary.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

English proficient students and ELLs are integrated a majority of the time, with 180 minutes or 90 minutes of stand alone English instruction per week offered by a certified ESOL teacher for students at lower proficiency levels (minutes designated according to CR Part 154). Within the DLBE classroom, three full days a week are instructed in English and two full days per week are instructed in Spanish. On Spanish instruction days, ELLs and English proficient students are integrated for HLA as well as for content area classes (science, math), which are fully instructed in Spanish.

b. In which language(s) is each core content area taught?

Core content areas are instructed in the classroom language for the day, which is English on Monday/Wednesday/Friday, and Spanish on Tuesday/Thursday. The Wit and Wisdom literacy curriculum is used for both ELA instruction on English days (with integrated ENL support for ELLs), and then used in Spanish for HLA on Spanish days. Other core content curricula are also taught in alternating languages on alternating days.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Newcomers make up 87% of the overall ELL population. Effective instruction for Newcomers involves providing targeted vocabulary and grammar development at the beginner level during the 180 minutes of Stand-alone ENL services. Additionally, Newcomers receive supports such as writing scaffolds, language glossaries and additional academic vocabulary instruction in their core content area classes, some of which is directly supported by an ENL teacher during the 180 minutes of Integrated ENL. Developing and Long-Term MLLs receive instruction with greater focus on developing academic vocabulary and language skills, including lessons in morphology, complex sentence composition and Tier III vocabulary. This instruction occurs primarily in core content classes through an integrated model, with the ENL teacher teaching alongside the content area teacher.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

ENL students with a SIFE designation make up 5.6% of our overall MLL population. SIFE receive additional language development support in the form of reading and phonetics intervention class (using the Orton-Gillingham based REWARDS program) where appropriate. ENL teachers also provide additional support in the development of academic habits, such as organizational practices, annotation strategies, or study habits, during both Integrated and Stand-Alone ENL minutes. Additional writing and language scaffolds are used in content area classes as needed to support SIFE in expressing their ideas and contributing to classroom discussion.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Long-Term ELLs make up 7.4% of the overall ELL population. Some of the Long-Term ELLs are also students with IEPs. To this end, effective services are designed, taking into consideration the students' annual IEP goals. In addition, NYSESLAT scores from previous years are examined to determine which modality or modalities are

impeding these students from acquiring a Commanding level of English. Services are designed to address specific areas for improvement.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

There are currently 7 former ELLs, comprising 2.4% of our overall population. These students are serviced by an ESOL certified instructor in tandem with an ELA or Content Area instructor through the integrated model for 90 minutes per week.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

By percentage, our top at risk indicators are Newcomers (87%), ELLs in Temporary Housing (42.6%), Ells Who Did Not Demonstrate Sufficient ELP Progress on the Spring 2024 NYSESLAT (31.5%), and Math: ELLs Who Scored Level 1 or 2 Last School Year (25.9%). Considering the surge in asylum seekers into New York City over the past few years, there is considerable overlap in the Newcomer and Temporary Housing populations. Over 83.3% of our ELL population has at least two at-risk factors, with 29.6% having three or more. Given the trends in our at-risk data, we see consistent school attendance as a major key for ELLs to be able to show consistent growth. To this end, we maintain close family contact and follow up after consecutive absences to build consistency in attendance.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

By percentage, out top risk indicators for Former ELLs are ELA: Former ELLs Who Scored Level 1 or 2 Last School Year (3 students, 42.9%), Math: Former ELLs Who Scored Level 1 or 2 Last School Year (3 students, 42.9%), ELA: Former ELLs Who Scored Level 1 or 2 in SY 2022-23 and 2023-24 (2 students, 28.6%), and Math Former ELLs Who Scored Level 1 or 2 in SY 2022-23 and 2023-24 (2 students, 28.6%). This data suggests that formal testing remains challenging for a number of our Former ELLs, and some are struggling to show growth on state exams year over year.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Spanish is the largest home language represented in our school, with 42 ELL students reporting Spanish was the primary language in their home. Arabic-speaking students represent our second largest population, with 9 students reporting Arabic as their home language. Spanish speaking students and families are supported by a number of Spanish-speaking staff members, including one of our ESOL certified teachers. All school communications to parents are translated into the preferred language of communication notated on the Home Language Survey, an effort overseen by our Parent Coordinator. All members of our school community, including monolingual teachers, make use of the DOE translation services so that they can call and communicate effectively with all parents, inclusive of all home languages.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Of our ELL population, 42 students (77.8%) self identify as Hispanic. Within that population, 11 (26.2%) identify as American Indian or Alaskan Native, 3 (7.1%) identify as Asian, 5 (11.9%) identify as Black, 3 (7.1%) identify as Native Hawaiian or Other Pacific Islander, and 20 (47.6%) identify as White. Of our Non-Hispanic population, which is constituted of 12 students, 1 (8.3%) identifies as American Indian or Alaskan Native, 2 (16.7%) identify as Asian, 4 (33.3%) identify as Black, and 5 (41.7%) identify as White. The active Equity and Access team at our school coordinates learning and deliberation experiences across the academic year to highlight the contributions of diverse individuals, and students participate in a number of projects and presentations to contribute to these celebrations. Where appropriate, students are invited to express themselves creatively in either their Home Language or English, and all contributions are held up as models for participation. Additionally, the ENL team works to ensure that ELLs have equal access to extracurricular opportunities at our school, such as the school play, by developing programs targeted to ELLs to promote their involvement with the broader school community.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Of our 25 students who were progress eligible, eight students (32%) made sufficient progress and 17 students (68%) did not meet progress goals. Less than half of our current population was progress eligible, as we have a high percentage of Newcomers with no previous NYSESLAT score. Of our ENL students who made sufficient progress, the majority did so by meeting the annual progres target. We have significant growth opportunities in ensuring that our Developing ELL population meets annual progress targets.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

An examination of the 2024 NYSESLAT data reveals that the primary area of strength for our students is Speaking. A range from 15% to 75% of students per grade level scoring in the “strength” range on Speaking (with the exception of 6th and 7th grade, with a total of seven students tested and none scoring in the “strength” range on any modality). In the second grade, two students scored in the strength range in the Listening modality and one in the Reading, with an additional student in third grade scoring in the “strength” range in Reading.

Conversely, in the 1st, 3rd, 4th, 6th, and 8th grade levels, the Speaking modality is also flagged in the “need” range for between 20% and 100% of test takers. Additionally, between 20% and 100% of test takers in the same grade bands scored in the “need” range in the Writing modality. In the 3rd and 8th grades, one student scored in the “need” range in Listening per grade, and one student in 8th grade also scored in the “need” range in Reading.

Taken as a whole, this data indicates that our students need more focus moving forward on generative language strategies (Speaking, Writing) and are currently more proficient with receptive language strategies (Listening, Reading). The fact that Speaking shows in both a “strength” and “needs” range for several grade bands suggests that as some of our students move out of Newcomer status, more informal spoken language is easier for them to produce than the more academic language required in the Reading and Writing modalities.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

On the ELA assessment, we had one ELL with a score of "Commanding" on the NYSESLAT score at a level of 3 or higher. On the state Math assessment, two students achieved a score of 3, one who scored "Commanding" on the NYSESLAT and another who scored "Emerging." The majority of students tested in ELA scored a 1 on the state assessment (5 students, or 62.5%) from across the Emerging, Transitioning, and Expanding proficiency levels. In Math, 50% of students tested (8 students) scored a 1 on the state assessment. These students scored across proficiency levels on the NYSESLAT, from Entering up to Expanding. Thirty seven point five percent of students scored a 2 on the state Math assessment, from the Emerging, Transitioning and Expanding levels on the NYSESLAT. Since Math is offered to students in either their home language or in English, the data suggests that many students do not have Home Language academic skills on grade level.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Students designated SIFE scored in the Entering and Emerging range on the NYSESLAT. Students with IEPs scored across the proficiency range, with one student Entering, one Emerging, two Transitioning, and two Expanding. SIFE struggle to meet expected progress goals within a school year as these students may not have transferable literacy skills from their home language. With some students, ENL programming includes basic phonics and letter formation lessons, even in the upper elementary grades. With this additional learning load, NYSESLAT scores may not be reflective of how much progress they make in a year since the level at end of year is still below grade level. Many of our students with IEPs do make progress as a result of a tiered support system, and we have students with IEPs across the proficiency levels.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:

a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

When creating instructional plans, our ENL and content area teachers define both content area and language acquisition goals for each lesson and unit. In order for ELLs to have access to the appropriate content level at all language levels, students at times access content information in their Home Language using translation on devices or other assistive services. At other points, when language acquisition goals are at the forefront, ELLs work with supports for vocabulary, reading comprehension and writing to appropriately access lessons in English. These language supports include but are not limited to direct vocabulary instruction, morphology lessons, fluency exercises, comprehension strategies such as annotation and context clues, and frames for written and spoken responses. With a combination of Home Language use for content access and targeted supports for language development, ELLs are able to fully participate in appropriate grade level content, think and respond critically in conjunction with their peers, and acquire increasingly more academic English. Our two tiered approach to defining both content and language objectives ensures that ELLs are fully integrated into the academic life of each classroom.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

ELLs are grouped into one class by grade level so that an ESOL certified teacher can effectively meet instructional minutes requirements through an integrated co-teaching model in content area classrooms. Spanish-speaking ELLs in grades Pre-K to 2nd are offered the
opportunity to enroll in the Dual Language program. Teachers are trained in using QTEL strategies to design lessons with built-in ELL supports.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Content is delivered in the Stand-Alone ENL classroom for Newcomers through the Ready, Set, Go! Newcomers curriculum, which provides support in basic language acquisition. Additionally, ENL teachers work with classroom teachers to differentiate our school-wide curricula to meet the needs of ELLs in their content area classrooms. The following curricula are used in our school: Wit and Wisdom for Literacy (K-8), TERC Investigations (K-5) and Illustrative Mathematics (6-8), Social Studies (Houghton Mifflin (K-5) and Civics for Al l (6-8), Science (Amplify Science). Our dual language program us es Spanish versions of he same programs. Language development is fostered according to the principles established in the World-Class Instructional Design and Assessment (WIDA) framework as well as the QTEL (Quality Teaching of English Learners (QTEL) approach.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

ELLs with IEPs are enabled to achieve their IEP goals as well as attain English language proficiency instructed through the integrated model. The ENL teachers as well as SETTS teachers work closely with classroom teachers to help plan lessons and small groups, which address the individual needs of each student. In addition, all students are grouped for interventional instruction at each grade level according to needs as determined by language level, IEPs and periodic assessments.

b. SIFE

Once a student is identified as a SIFE, they are supported through home language instruction, explicit instruction in literacy skills, and scaffolded support from a n ENL instructor. If native language instruction is not available, a SIFE is supported through scaffolded instruction and technological support.

c. Newcomers

Newcomers receive 180 minutes of Stand-Alone ENL class with an ESOL certified teacher who guides students through basic language acquisition using the Ready, Set, Go! Newcomer curriculum. Additionally, Newcomer students are supported through Home Language instructional supports, which are gradually phased-out, as well as scaffolded instruction from an ENL instructor. If native language instruction is not available, a newcomer is supported through scaffolded instruction and technological support.

d. Long Term ELLs

Long Term ELLs are supported through scaffolded instruction with a focus on the modality(ies) of difficulty. They are also targeted to take part in our school 's Title III after-school program for extra support.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

ELLs with IEPs are enabled to achieve their IEP goals as well as attain English language proficiency instructed through the integrated model. The ENL teachers as well as SETTS teachers work closely with classroom teachers to help plan lessons and small groups, which address the individual needs of each student. In addition, all students are grouped for interventional instruction at each grade level according to needs as determined by language level, IEPs and periodic assessments.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In the ENL and DL programs home language support is assessed through the Spanish Lab-R and SLA. Support is delivered by bilingual teachers in both programs.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Our ENL teachers work with our content area teachers primarily through an integrated co-teaching model. Planning and instructional development for co-teaching is supported through common planning time during the school day and staff development time allotments. Our ENL teachers also lead staff-wide PDs to turnkey planning and instructional strategies for ELLs to the staff during professional development minutes. We recognize that all students, not just ELLs, benefit from direct academic language instruction, and prioritize language objectives for all students through the co-teaching model.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our lead ENL teacher will take part in professional development cohort meetings with other ENL teachers from the district. She will meet regularly with classroom teachers of ELLs during Monday's built-in professional development time after school. Our Dual Language teachers will continue to receive professional development through sessions offered by the DOE. Dual Language teachers will also meet regularly for cross-grade ELL planning. All staff will be provided with professional development opportunities outlining ways to provide ELLS with equal access to academic content.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154

(15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

In accordance with CR Part 154, 15% of all teacher professional development and 50% of dual language/ENL teacher development is geared toward language acquisition. This includes a focus on best practices for co-teaching strategies and integrating language and content instruction for English Language Learners.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

MLLs in our elementary school are screened through Fundations by Wilson (English), Maravillas (Spanish), DRA in English and Spanish, and iReady. Based on the results, small intervention groups are created.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

ELL students who are determined to be at risk in ELA, Math or other core content areas are targeted through ourTitle III after-school program. Any student who is a long-term ELL, whose language level is Entering or Emerging, or who has not shown adequate progress on the NYSESLAT from the previous school year is targeted for this program. When possible, instructional support is given in the native language. During the school day, ELL students at risk in ELA or Math are given daily targeted, small-group instruction and work in weekly
intervention groups. In addition, ELLs who are not making sufficient progress in ELA are instructed one on one using the Great Leaps Digital program three times weekly as well as the REWARDS program in small groups three times weekly.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

All students in our school benefit from the integrated co-teaching support and language objective development delivered in Tier I content area classrooms. Using a combination of NYSESLAT scores, state testing scores, screeners, and informal observation, ELLs who may require additional support beyond Tier I are identified. Some of these students are grouped by language level or specific needs into smaller Tier II classes, which may provide targeted language instruction or skill enrichment during a set number of periods each week. ELLs who display difficulty with grade-level literacy are also screened using the REWARDS reading program screeners for potential placement in a Tier III small group reading intervention program for students who are more than three grade levels below in reading skills. All students are assessed on an ongoing basis for progress to determine the efficacy of these Tier II and Tier III interventions for moving students toward grade level skills.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Assessments used to inform and drive instruction include the Raz-Plus ELL Periodic Assessment, DRA in English and Spanish (when applicable), TCRWP quick-writes, the ECAM (early grades) and teacher-created Math Unit tests.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

We use DRAs in Spanish and English, utilize in-house staff as well as the DOE's Department of Translation and Interpretation to create assessments that appropriately evaluate ELLs in their home language.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The NYSESLAT, ELA, and Math exams are used to evaluate the effectiveness of our ELL programs. These summative assessments are used to design our Dual Language, ENL and Title III programing. They are also taken into account when making any curricular decisions for the upcoming school year.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our NYSESLAT administration plan is that the Speaking section will be administered and scored simultaneously by our speech teachers Diane Gherlone and Laura Spiegel. The Listening, Reading, and Writing sections will be administered by Alon Adika and Kelly Shenoda, our ENL instructors. ESOL certified substitute teachers will provide the mandated services during the testing period.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

The testing coordinator works with the ENL teachers to ensure that orders are placed where appropriate for state exams in students' Home Languages where available. When a student's Home Language is not available, the testing coordinator secures translation services through a DOE provider. ELLs are tested in a smaller, separate testing environment.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

When new students enrolled in our program over the course of the past year, we hosted new parent orientation meetings on Wednesday mornings just after school drop off. We sent flyers with students in their Home Languages, and followed up with parents over the phone in the Home Language to ensure that each family could attend an orientation. Through these methods, we had very high attendance rates at these meetings. Parents watched the informational video and had time to ask questions through an interpreter where necessary. Bilingual teachers assisted parents in filling out their forms, fully describing all program models. Where no teacher was available to communicate in a parent's Home Language, we used DOE interpretation services to fully explain all facets of the programs in the Home Language. Parents had a chance to connect with each other, tour the school, and learn about our programs during these orientations.

Following each orientation, documentation for the orientation (including family notification letters, invitation flyers, and parent sign-in attendance) is kept on file by the ESOL certified teachers, as well as a copy of the program selection form.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Individual meetings are set near the beginning of each academic year after the results of the previous year's NYSESLAT become available. An ENL teacher meets with parents in the Home Language (using translation services where necessary) to review the results and progress of the previous year and engage parents around the process of goal-setting for the new academic year. In subsequent mandated parent teacher conferences or parent engagement time, the ENL teacher tracks progress with parents against the goals set at the beginning of the academic year by reviewing formative assessment results and classroom data.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

All flyers and announcements related to school events and services are translated into the various home languages represented in our community using a mix of DOE translation services, bilingual teacher and parent volunteer services, and technological assistance. These announcements are distributed on paper and through the school app. The ENL staff also maintains close contact with parents of ELLs, using text in home language to follow up and ensure that parents have understood and seen needed announcements. All texts are translated by bilingual teachers or technological assistance. Families are comfortable to respond in their home language, and the ENL teachers translate responses where necessary. All in person meetings engage the services of a DOE translator so that parents are fully informed and comfortable to communicate in their preferred language.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

The parent coordinator and ENL teachers maintain close contact with the families of ELLs by phone and text so that we are aware of any needs, especially those that might interfere with a child's ability to fully participate in the school setting, such as housing needs or clothing and supply needs. Parents of ELLs receive specific follow up from the ENL teachers regarding school events so that they feel welcome and are more likely to attend, and the ENL teachers pay attention to greeting and forming in person relationships with families at these events whenever possible. As a school community, we are also particularly sensitive to events that might typically exclude a Newcomer population and develop initiatives so that all students feel empowered to participate in all events. For example, for our school play this year, Newcomers were invited to join a stage crew training program, a less performance oriented position that still offered full access to school play participation. Families of the ELLs attended the play performance and were part of this major event in our school life.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

All contacts and announcements from the Parent Association are translated into the home languages of our school community, and translation services are offered at meetings. In this way, all ELL families feel welcome to participate. Announcements about the SLT and CEC are made at these meetings, and through translation, are accessible to all parents. The ENL teachers also encourage involved ELL families to take on formal leadership roles in our school community.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our school has elective partnerships with Ballet Hispanico as well as hip hop and ballroom dance programs that allow students to engage in culturally varied arts. These programs offer opportunities for our families to come into the school for performances and culminating celebrations, inviting parent engagement in the school community.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Our school has formed an equity committee comprised of a cross-section of staff members. This group has focused on promoting projects and events, which enhance our community and curriculum by providing opportunities for students to celebrate their unique identities. For example, we have an annual celebration called "YGH" Day, which stands for "Young, Gifted, and Harlem." Students are invited to perform or display artwork. Families are invited to a Saturday celebration.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The members of our ELL identification team are Kelly Shenoda (ESOL certified teacher), Halley Curtis (ESOL certified teacher), and Maryum Opa (Parent Coordinator).

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our school expects to enroll ELLs on an ongoing basis throughout the school year. All newly enrolled students are screed according to the process defined below by an ESOL certified teacher working on their prep so that regular instruction is not interrupted for existing students. We have a distributed model of evaluation that allows for most students to be fully screened within three days of enrollment, with each ENL teacher taking a branch of the process, from Home Language Interview, to NYSITELL, to LAB-R where applicable. We follow up with students and families through the orientation meeting to inform them of the results of any screeners and relevant program placement, and students begin their ENL program within a week of enrollment. Please see the process described below for a detailed outline of our ELL identification process which remains consistent throughout the year.

1. The ELL Identification process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs). A team of certified ENL and bilingual teachers uses a planned-out schedule to make sure that someone is available.
2. Enrollment status of each newly admitted student is determined.
   a. If student has been in NYS public school within the past 2 years, our school contacts previous school to obtain ELL status, relevant assessment scores and proficiency level. *When a newly enrolled, current ELL enters our school, our admissions secretary immediately corresponds with our ENL teacher, parent coordinator, school counselor, and administration by email. The ENL teacher then contacts the ELL's previous school to get a copy of the student's Home Language Survey and look up any NYSITELL and NYSESLAT results. In addition, the ENL teacher will

meet with the student's classroom teacher to discuss the student's needs and specific strategies to accommodate the ELL at their current language level. Our parent coordinator reaches out to the student's family to determine translation and interpretation needs for the parents or guardians. Lastly, entering and emerging students are assigned a classroom buddy who is proficient in their home language. If no other student speaks the home language, the students is provided with and trained on technology to aid in translation.

b. If the student has been outside of NYS public schools for more than 2 years, our school administers the ELL identification process as part of re-entry.

3. The home language of the student is determined by a trained and licensed pedagogue.

a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

4. An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in her/her home language.

5. Eligibility for NYSITELL is determined.

a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

6. Student is administered the NYSITELL, if eligible.

7. Parent notification letters are sent to the parents in the parent's preferred language.

a. Parent is notified of their child's ELL status and results of the NYSITELL.

8. If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish LAB.

9. Students with interrupted/inconsistent formal education (SIFE) status determined using New York State's resources available on NYSED's website.

10. If a student is an ELL, parent is invited to the parent orientation meeting.

a. Parent orientation meeting provides parents with an explanation of each ELL program model offered in NYC; the parent video describing these programs is presented in the parent's preferred language; parents are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

11. ELL is placed in the ELL program that the parents selected.

a. If the ELL program that the parents selected is not available the parent is offered a transfer to a school with that program in accordance with DOE transfer policies.

b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent choices so that when minimum thresholds are met, we can open the ELL program of choice.

12. Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Reidentification Process)

13. If the ELL Reidentification Process is implemented for any student, the principal reviews the decision of the student whose ELL status was changed because of the ELL Reidentification Process within 6-12 months.

14. Copies of letters and parent notifications regarding ELL identification are kept in the students' cumulative files.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Kelly	Shenoda	Teacher - Regular Grades	05/29/2025	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	15	3.47%	13	3.02%	0	0
FRENCH	1	0.23%	3	0.70%	3	3
ENGLISH	350	81.02%	349	81.16%	n/a	n/a
SPANISH	63	14.58%	62	14.42%	3	11
SONINKE	1	0.23%	1	0.23%	0	0
WOLOF	2	0.46%	2	0.47%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
PTC Flyer	We will use the NYCPS InfoHub templates for all available languages and submit a request to the translation vendor for other applicable languages.
PTA Event Flyers	We will use in-house staff for all available languages and submit a request to the Office of Language Access for other applicable languages.
Newsletters	We will use in-house staff for all available languages and submit a request to the Office of Language Access for other applicable languages.
IEPs	We will use in-house staff for all available languages and submit a request to the Office of Language Access for other applicable languages.
School Closings	We will use the NYCPS InfoHub templates for all available languages and submit a request to the translation vendor for other applicable languages.
Standardized Testing Information	We will use the NYCPS InfoHub templates for all available languages and submit a request to the translation vendor for other applicable languages.
Enrollment and Registration Forms	We will use the NYCPS InfoHub templates for all available languages and submit a request to the translation vendor for other applicable languages.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Back to School Night	We will use in-house staff for all available languages and submit a request to the NYCPS interpretation vendor for other applicable languages.
PTA Events	We will use in-house staff for all available languages and submit a request to the NYCPS interpretation vendor for other applicable languages.
PTC	We will use in-house staff for all available languages and contact over-the-phone interpretation services for all other applicable languages.
IEP Meetings	We will use in-house staff for all available languages and contact over-the-phone interpretation services for all other applicable languages.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In a school-wide emergency we will use an automated over-the-phone service, which automatically translates the message into the parent's' preferred home languages. If a parent contacts the school in an emergency we will identify who that parent is, determine their preferred language, and use over-the-phone interpretation services to call them back and communicate with them.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Our designated LAC will speak at our first staff meeting of the year to present all of the goals and resources available to meet compliance. In addition, information regarding translation and interpretation is included in our Staff Handbook and will be posted periodically in our Principal's weekly newsletter to staff.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

All available translated signage will be posted in applicable locations in the school (ie. entrance lobby, main office, bathrooms, nurse's office). We will use an automated phone messaging application, which automaticallly translates schoolwide messages into the preferred home language. In addition, each classroom teacher will use the Bloomz application for parent communication. Bloomz will automatically translate any message into the parent's preferred language.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Parents will be able to fill out the parent survey on language access through the NYCPS Office of Language Access anytime they receive language services. At the end of the year, we will give parents the opportunity to fill out a language access survey specific to our
school.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We have implemented the feedback to provide more access to over-the-phone interpretation services, especially during parent-teacher conferences. In the next year we plan to submit more documents to the translation unit so that all parent-facing information is available in all applicable languages.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

28

Grades to be served in this program. Select all that apply.

,3,5,4,K,1,2

Total number of teachers in this program:

2

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

3

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

2

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our current population of ELLs is approximately 40 students spread out from grades K-5. These students come from a variety of language
backgrounds. According to the 2024 NYSESLAT scores (NYSITELL for those arriving after the NYSESLAT administration) these students fall at the following language levels: 21 are Entering, 2 are Emerging, 10 are Transitioning, 2 are
Expanding, and 2 are Commanding

After reviewing the most recent NYSESLAT and NYSITELL scores, we have determined that Reading and Writing are the two
modalities, which ELL students in our school need to improve in order to achieve English Language Proficiency. Following our school 's
current focus on building culturally relevant practices we will work with "The Pulsera Project" (www.pulseraproject.org) to learn about
Central American cultures. The curriculum will incorporate reading and writing activities with high-interest, complex texts, informative
videos, and writing assignments to analyze and inform. Minimal home language support in Spanish will be provided by the instructors.
Support in other languages will be available through Google translate. The program will culminate with a fundraiser selling bracelets to
support the Central American artists who make them. Students will be grouped into grades K-2, and 3-5 in our after school program.
Each group will have no more than 10 students per group. Small Groups will be scheduled after-school on Wednesdays & Thursdays and
2:30-4:00PM. Groups will meet in Spring 2026. Classes will be team taught by our ELL teachers and 1-2 classroom teachers (also Bilingual
certified). Since our ELL population is spread out across so many grade levels, all 3 teachers will share a classroom, breaking into small
groups when needed to meet the needs of students at all grade levels.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

After reviewing the most recent NYSESLAT a nd NYSITELL scores, we have determined that Reading and Writing are the two modalities,
which ELL students in our school need to improve in order to achieve English Language Proficiency. Following our school 's current focus on
increasing culturally relevant practices we will work with "The Pulsera Project" (www.pulseraproject.org) to learn about Central American
cultures. The curriculum will incorporate reading and writing activities with high-interest, complex texts, informative videos, and writing
assignments to analyze and inform. Minimal home language support in Spanish will be provided by the instructors. Support in other
languages will be available through Google translate. The program will culminate with a fundraiser selling bracelets to support the Central
American artists who make them.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Our current population of ELLs is approximately 40 students spread out from grades K-5. These students come from a variety of language
backgrounds. According to the 2024 NYSESLAT scores (NYSITELL for Kindergarten students and those arriving after the NYSESLAT
administration) these students fall at the following language levels: 21 are Entering, 2 are Emerging, 5 are Transitioning, 10 are
Expanding, and 2 are Commanding. Since our ELL population is spread out across so many grade levels, all 3 teachers will share a classroom, breaking into small groups when needed to meet the needs of students at all grade levels. We will have the option of breaking into separate classrooms when necessary as well. Subgroup support will be provided to students identified as Promotion in Doubt.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Small Groups will be scheduled after-school on Wednesdays & Thursdays and 2:30-4:00PM. Groups will meet in Spring 2026 for a duration

of 12 weeks.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Instruction will be in English excluding the instructional videos from The Pulsera Project, which will be shown in Spanish with subtitles in
English. Home language support in Spanish will be provided by the instructors as needed. Support in other languages will be available
through Google translate.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Classes will be team taught by our ELL teachers and 1-2 classroom teachers (also Bilingual certified)

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

While most resources will be pulled from www.pulseraproject.org, teachers will also need various classroom supplies including, but not
limited to pencils, paper, markers, colored pencils, paints, canvases, poster paper, beads, and string. Teachers will also use a class set of
the book "The Most Beautiful Place in the World" by Ann Cameron and copies of read alouds such as "Juanita" by Lola Walter, "Elena's
Story" by Nancy Shaw, "Luca's Bridge" by Mariana LLanos, and "Pacho Nacho" by Sylvia Lopez.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parents will be notified in their preferred home language one month before the program start date. We will maintain a digital folder with copies of parent notifications, student attendance records, teacher certifications, sign-in sheets for parent engagement activities, professional development activities, purchase orders, and invoices.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

In an effort to promote equitable teaching and learning for our multilingual learners, in the coming school year we will
be will form a study group around readings from books such as "Adding English" by Elizabeth Coelho and "Teaching Academic Vocabulary" by Camille Blachowicz, Peter Fisher, Donna Ogle, and Susan Watts Taffe.

Through these professional readings the teachers in the study group hope to better serve our ELLs a nd former ELLS by focusing on instruction that best supports language acquisition. Specifically, we will be building activities and routines around our new literacy curriculum "Wit and Wisdom." Teachers will be given the opportunity to collaborate and apply these strategies to the new units and lesson plans.

The study group will be offered after-school as a per-session opportunity. Title III funds will be used to pay for the per-session as well as the books we will be studying.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

We have studied our school's annual EDAT and noticed that many of our MLLs are stagnating at the Transitioning and Expanding levels.

In examining student writing samples and assessments from students at these levels, we have realized that academic vocabulary is an area of deficit. These students have acquired a near-native level of social English, but fail to progress in the academic setting. By building academic vocabulary, we hope to give these students the ability to succeed in progressing through the language levels. As we implement a new schoolwide literacy curriculum in "Wit and Wisdom" we want to ensure that we are building in practices of promoting academic vocabulary acquisition.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Training will be offered to all classroom teachers, ENL instructors, as well as any other staff members who are interested. In addition to the study group meetings, these teachers will be offered opportunities to attend MLL targeted PD sessions offered by RBERN and NYCPS as they arise.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Study group members will be given time to meet on Tuesdays after school for 8, hour-long sessions spread out across the school year. Members will meet on the following dates. October 7th, November 11th, December 2nd, January 6th, Feburary 3rd, March 3rd, April 14th, and May 5th.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Teachers will read excerpts from "Adding English" and "Teaching Academic Vocabulary". Through these professional readings the teachers in the study group hope to better serve our ELLs a nd former ELLS by focusing on building academic vocabulary. Teachers will be given the opportunity to collaborate and apply these strategies to the current units and lesson plans.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Sessions will be led by our ENL instructors Kelly Shenoda, Halley Curtis, and Alon Adika. We will collaborate to create activities that facilitate the understanding of the text and apply the strategies to current unit and lesson plans.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

We will create a sign in sheet for each study group session and have a google doc where we keep our agendas and meeting notes.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Parents of our MLLs will be invited to join any of our Cultural Awareness field trips throughout the year including to Museo del Barrio, Mexican, Peruvian, Cuban Restaurants, dance and music performances throughout the city. They will also be a part of our YGH celebration in June. Our MLL Coordinator will hold a workshop in November with support from our school guidance counselor to help parents of MLLs navigate the middle school application process. It is important for MLL parents to receive this information in their native language so that they are aware of all of the middle school options available for their children, including those specializing in MLL services. Necessary translators will be hired through the NYCDOE Translation and Interpretation Unit.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

We provide a parent survery at the beginning of the year each year. This survey has shown that parents of Multilingual learners tend to participate less in their children's academic life because they feel intimidated or unprepared to help.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**

- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Our MLL Coordinator will hold two workshops on November 6th and from 3-4 pm with support from our school guidance counselor to help parents of MLLs navigate the Middle School application process.

Parents of our MLLs will be invited to join any of our Cultural Awareness field trips (virtual and in person) throughout the year including to Museo del Barrio, Mexican, Peruvian, Cuban Restaurants, dance and music performances throughout the city.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Middle School options available for their children, including those specializing in MLL services, various culturally relevant topics.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

School leaders including our guidance counselor Stephanie McGarry and ENL instructors Kelly Shenoda, Alon Adika, and Halley Curtis. Necessary translators will be hired through the NYCDOE Translation a nd Interpretation Unit.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Announcements will be made through Bloomz, our school's chosen communication app. In addition, permission slips for trips and other notices will also be sent home in children's backpacks.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

We will prepare and keep a sign-in sheet for all family engagement activities.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
