Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

PS 96 Joseph Lanzetta

District Borough Number (DBN):

04M096

Grades Served:

3K-8

School Address:

216 East 120th Street

Phone Number:

212-860-5851

Fax:

212-860-6074

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
James Konstantinakos	Principal	
Dayrin Barrios	UFT Chapter Leader	
Nadeen Martinez	Parent-PA President	
Juned Ahmed	DC 37 Member	
Shamia Reedy	UFT Member	
Jaheiry Rodriguez	Parent	
Alana Laskin	UFT Member	
Shanana Crowder	Parent	
Althara Alrubay	Parent	
Estefani Ventura	UFT Member	
Thuraya Alrubay	Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

We believe that all students have the ability to achieve high academic success. Based on this belief, our school is one in which all community members are accountable for students making the strides necessary to achieve greatness. Through teaching that relies on personalized instruction, frequent checks of student understanding, and high levels of student engagement, our school can ensure that when our students leave our school they are prepared for success in high school, in college, and in their career endeavors. We are a small learning community that recognizes the inherent struggles that face our students each day and yet we will not offer any excuses for not reaching the highest achievement levels. We will settle for nothing less than greatness for each and every student that is educated in our classrooms.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS 96 is located in East Harlem on 120 street between 2nd and 3rd Avenue. Our 3K through eighth grade classes has approximately 370 students representing an ethnically diverse population comprised of 69% Latino, 23% Black, 3% White, 2% Native American and 1% Asian.

The school is a Community School and partners with Global Kids, Inc. in the community school model. In addition, the school partners with, Union Settlement, and Harlem YMCA to provide in-school and after-school support.

As a school that understand the importance the Arts, we have partnered with Doing Art Together, Inc. DAT is a nonprofit arts education organization, that provides hands-on, arts-based curricula to students' grades 3K through 8th. Through practicing artist DAT provides workshops for students and families.

Our Go Green team is in its third year of existence and is the foundation of environmentally-friendly sustainable practices, including a recurring neighborhood clean-up partnership with the Department of Sanitation. Our Green Team and art leaders work together to utilize our Maker Space to develop projects that bring awareness to the school community regarding recycling, reuse, and climate change.

In 2016-17, PS 96 partnered with National Board for Professional Teaching Standards and the UFT as part of the NT3 grant, to develop the first National Board professional development school in New York City. This includes the development of a UFT Teacher Center staffed by a National Board mentor, who continues to support the infusion of National Board standards in all professional development as well as support a cohort of teachers who will pursue National Board certification. For the 2025-2026 school year, our National Board mentor teacher will design and implement professional learning series centered on explicit instruction in reading and mathematics informed by NYCPS reading and math shifts. The National Board mentor will also partner with leadership to facilitate teacher

learning centered on multi-tiered systems of support.

During the 2024-2025 school year, all school staff (paraprofessionals, cluster teachers, classroom teachers, guidance counselors, and providers) engaged in a district-led Therapeutic Crisis Intervention in Schools (TCIS) training that certified over 60 staff members in de-escalation and emotional regulation techniques. For the 2025-2026 school year, a teacher-led TCIS Committee will develop schoolwide systems and structures to support TCIS implementation across grades 3K-8, including recurring professional learning opportunities for staff. The TCIS committee will also generate workshops and incentivized programming for students and for families alongside the Parent Coordinator. Finally, the Office of Safety and Youth Development's Restorative Practices program will oversee two Restorative Justice Coordinators (teachers) tasked with refining referral and suspension procedures for more equitable outcomes.

Briefly summarize the key initiatives your school will implement this school year.

The 2025-2026 school year will encompass several new initiatives to improve students attendance. The initiatives will consist of an incentive program in which students in all grades can earn point towards various prizes such as field trips, out of building breakfast and lunch choices, toys and etc. Prizes will be rewarded both to individual students and to whole classes based on the grade band and timeframe within the initiative. Furthermore, school wide events such as monthly assemblies and student events will be planned throughout the school year and strategically scheduled on days that have in the past that produced poor student attendance.

In an effort to promote parent engagement for the 2025-2026 school year, PS 96 will be hosting monthly parent workshops. In September, a parent survey will be administered to all parents to identify topics for these workshops.

The 2025-2026 school year will focus the instructional core on MTSS and explicit instruction. Teachers will engage in grade-level and schoolwide professional learning designed to enhance explicit instruction techniques in both reading and mathematics. Teachers will also differentiate small group planning according to the MTSS framework and students' skill needs, which will be progress monitored through research-based instructional programs that address foundational skills in reading and mathematics.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
HMH Into Reading	K-5	HMH Into Reading	
HMH Into Literature	6-8	HMH Into Literature	
Creative Curriculum	3K & 4K	Creative Curriculum	
Math Eureka	K-8	Math Eureka	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iReady EOY Assessment	Inconsistent implementation of Heggerty	Phonological awareness
iReady EOY Assessment	Teacher Practice	Student Agency
iReady EOY Assessment	Limited opportunities to allow student to engage in academic discourse	Student Discourse

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	28%	By June, 2026, literacy for All Students will improve, as measured by a 20% Increase, from 28% to 48%, of Proficiency on the iReady EOY Assessment.
Students with Disabilities (SWD)	4%	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 10% Increase, from 4% to 14%, of Proficiency on the iReady EOY Assessment.
English Language Learners (ELL)	11%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 10% Increase, from 11% to 21%, of Proficiency on the iReady EOY Assessment.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The leadership team will collaborate with grade team leaders and instructional coaches to establish and reinforce core features of/expectations for effective Tier 1 and Tiers 2/3 MTSS intervention through both whole-school and grade-team specific professional learning opportunities.

Root Cause Addressed:

Inconsistent implementation of Tier 1 instructional programming

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Modify HMH modules within grade team meetings to better emphasize specific texts, reading standards, and key transferrable strategies that will enhance metacognition
Targeted professional learning during Monday professional learning time with a focus on the elements of explicit instruction
Teachers providing opportunities for students to engage in academic discourse throughout the school day

Key Strategy 2 (Optional):

The leadership team will progress monitor Tier 1 and Tiers 2/3 instructional implementation through the observation and feedback cycle.

Root Cause Addressed:

Inconsistent teacher practice not aligned to tenets of explicit instruction.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Improve on small group instruction for Tier I support as well as intervention through the observation and feedback cycle

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

* Data analysis of student assessments
* Data analysis of teacher performance through the observation and feedback cycle

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Parent engagement time	School staff
09/08/2025	06/26/2026	Academic-centered monthly parent workshops	YMCA and Union Settlement

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

UFT Teacher Center Coach

Instructional Resources

Intro Reading and Literature, Arriba, Fundations, Heggerty, iReady, Raz Kids, Newsela

Schedule Adjustments

Grade level common planning time

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
71% of OORS infractions for the 2024-2025 school year reflected Levels 3 and 4 infractions	Stakeholders inability to proactively prevent and/or de-escalate potential crisis situations with students	Reduction In Level 3 & 4 Infractions
15% of OORS infractions for the 2024-2025 school year reflected disruptions to the educational process	Student Engagement	Reduction in classroom disruptions
25% of OORS infractions for the 2024-2025 school year reflected intimidation/bullying behaviors	Student experience in navigating conflicts with peers	Students ability to navigate social conflicts

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	65	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 20 Decrease, in Decrease in infractions from 65 to 45, per the OORS Reports.
All Students	46	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 20 Decrease, in Decrease in level 3 & 4 infractions from 46 to 26, per the OORS Reports.
Students with Disabilities (SWD)	12	By June, 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a 7 Decrease, in Decrease in suspicions from 12 to 5, per the OORS Reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

*The teacher-led TCIS Committee will meet bi-weekly to develop and progress monitor schoolwide systems and structures related to student de-escalation and emotional regulation
*Teachers will utilize a TCIS Committee push-in request to receive supportive side-by-side coaching from a designated TCIS Committee member to support on-the-spot de-escalation and emotional regulation techniques aligned to the TCIS framework
*Teachers will utilize a child case study protocol to present qualitative and quantitative classroom data (functional behavior assessment tracking, BIP-aligned behavioral monitoring systems, anecdotals, etc.) for TCIS Committee review and support
*Students will be able to rely on a cohort of 20 trained peers to facilitate conflict resolution through the school's peer mediation program, led by twenty 5-8 grade students

Root Cause Addressed:

*Stakeholders' inability to proactively prevent and/or de-escalate potential crisis situations with students
*Student ability to navigate conflicts with their peers

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implementation of TCIS strategies
Student peer mediation group

Student conflict resolution

Key Strategy 2 (Optional):

*Teachers will increase student engagement in lessons through differentiated approaches to mini-lessons, guided practice, and independent practice
*Teaching Matters consultants will support teachers through cycles of lesson planning, side-by-side coaching, and observation to differentiate instructional approaches to increase student engagement

Root Cause Addressed:

Inconsistent student engagement within lessons and across content areas

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teaching Matters consultant coaching

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

*OORS Reports
*School surveys

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/22/2026	Parent engagement time	School Staff
09/08/2025	06/22/2026	Community School Forum	School Staff and Global Kids
09/08/2025	06/22/2026	Monthly social emotional intelligence and emotional regulation workshops	Robin Foundation

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School support staff, OYSD

Instructional Resources

TCIS staffwide training, peer mediation training, Leader in Me, Teaching Matters

Schedule Adjustments

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iReady EOY Assessment	Teaching Practice	Sense Making
iReady EOY Assessment	Teaching Practice	Academic Discourse
iReady EOY Assessment	Teaching Practice	Communication of clear Expectations and goals of lessons

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	22%	PS 96 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the Proficiency will Increase by 20% from 22% to 42%, for All Students, as measured by Ready.
Students with Disabilities (SWD)	10%	Ps 96 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the Proficiency will Increase by 10% from 10% to 20%, for Students with Disabilities (SWD), as measured by iReady.
English Language Learners (ELL)	8%	PS 96 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the Proficiency will Increase by 10% from 8% to 18%, for English Language Learners (ELL), as measured by iReady.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
STARS Admin 23-24 completion rate did not meet 100% completion by June 2024.	Lack of counseling team collaboration and support.	IPRs must be 100% completed to ensure all students have meet with a counseling team member to discuss their own college and career readiness.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	100	PS 96b will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June 2026, the IPR Completion Rate for All Students for All Students will maintain 100% compliance by mid-June 2026 measured by STARS Admin.
All Students	0	PS 96 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June 2026, the percentage of students enrolled in financial literacy for all students will Increase by 100% from 0 to 100% as measured by programming in STARS Admin.
All Students	75%	PS 96 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June 2026, the percentage of students participating in instruction aligned to college and career readiness metrics will increase by 25% from 75% to 100% as measured by Classroom Observations and iReady individualized instruction reports.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

STARS Admin programming, common planning for grade teams and for vertical alignment between grade bands

Root Cause Addressed:

College and career readiness, financial literacy learning opportunities

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Students in grades 6-8 will participate in an IPR with a member of the counseling team to discuss individual goals aligned to college and career readiness and financial literacy
Global Kids (CBO) will identify community partners and collaborate to develop and deliver monthly in-school financial literacy learning opportunities and monthly family workshops
Student will engage in instruction aligned with college and career readiness through targeted instructional units and classroom lessons

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Goals will be monitored through cycles of classroom observation and grade team meeting participation conducted by the school administration team.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/25/2026	Monthly workshops and in-school learning opportunities facilitated by community partners and Global Kids	Global Kids
05/01/2026	06/25/2026	Community School Forum	Global Kids

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School staff, Global Kids

Instructional Resources

Finical Literacy Curriculum

Schedule Adjustments

Dedicate one grade team meeting per month to collaborate with Global Kids and develop financial literacy learning opportunities

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey	Access to community resources	Family home support
NYC School Survey	Parent participation in school offered trainings	Parent Capacity

NYC School Survey	Parent outreach	Parent Involvement

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	25	<School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of parents participating in school offered trainings will Increase by 25 from 25 to 50 as measured by Parent participation.
Parents of All Students	50	PS 96 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of parents participating in school wide events will Increase by 50 from 50 to 100 as measured by Parent participation.
Parents of All Students	50	PS 96 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By May, 2026, the Percentage of parents participating in the community school forum will Increase by 100 from 50 to 150 as measured by Parent participation.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

P.S. 96 will increase two-way communication with families regarding the planning and offering of schoolwide workshops and events through digital, paper, teacher-based, and leadership-based contact.

Root Cause Addressed:

Inconsistent parent/guardian attendance at workshops and schoolwide events due to lack of clear understanding by all school stakeholders regarding offerings needed by school families.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent Outreach via text message, email, and social media
Monthly school calendar shared digitally, on social media, and on paper
Teacher communications - digital and paper - regarding schoolwide events and workshops
Daily Parent Coordinator "office hours" for communication and support

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Patterns of parent participation. Parental feedback will be key to the impact of all events.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Clear parent outreach	Global Kids
09/04/2025	06/26/2026	Parent engagement time utilized	Global kids

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School, CBO and District staff

Instructional Resources

None

Schedule Adjustments

None

Other Resources Needed

None

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Chronic Absenteeism: Nearly 35% of NYC public school students were chronically absent in the 2023-24 school year, a significant increase from pre-pandemic levels.	Inadequate Support Systems: Limited resources for students facing homelessness or chronic absenteeism hinder their academic success	Improved Attendance Strategies: Implementing targeted interventions to reduce chronic absenteeism and engaging students in regular attendance.

Declining Academic Performance: Proficiency rates in key subjects like math and reading have decreased. For instance, only 23% of eighth-graders were proficient in math, and 29% in reading, according to the National Assessment of Educational Progress.	Teacher Burnout and Attrition: Increased workloads and challenges in attracting and retaining qualified teachers have impacted instructional quality	Developing programs to support teacher well-being and reduce burnout, ensuring a stable and effective teaching workforce
Homelessness Among Students: Over 146,000 NYCPS students lacked stable housing, marking a 23% increase from the previous year.	The city's persistent shortage of affordable housing has led to overcrowded living conditions, with nearly 1.5 million residents living in overcrowded housing. This shortage forces many families into temporary housing situations, such as shelters or "doubling up" with other families, which are counted as instances of student homelessness.	Stable and Affordable Housing Access,

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	This represents the percentage of students who were chronically absent during the 2023–24 school year (i.e., missed 10% or more of school days), based on recent NYCPS data.	By June, 2026, the Key Performance Indicator: Reduction in the Chronic Absenteeism Rate — measured as the percentage of students missing 10% or more of instructional days. What Success Looks Like: A year-over-year decrease in chronic absenteeism, especially among targeted student groups (e.g., students in temporary housing, multilingual learners). Improved average daily attendance (e.g., moving from 87% to 92%). Increased consistency in attendance for students previously identified as high-risk. A higher percentage of students attending school at least 90% of the time by the end of the school year. for All Students will decrease by A 10-point reduction is ambitious but achievable with targeted interventions such as attendance mentoring, outreach to families, improved transportation access, and trauma-informed support for students in temporary housing., from This represents the percentage of students who were chronically absent during the 2023–24 school year (i.e., missed 10% or more of school days), based on recent NYCPS data. to An increase in the number of students attending 90% or more of instructional days. A decrease in the total number of students classified as chronically absent (i.e., missing 18 or more days in a 180-day school year). Improved attendance consistency among high-risk groups (e.g., students in temporary housing, multilingual learners, or students with disabilities)., as measured by the NYC DOE ATS Reports – RNOC and RISA Reports along with New Visions Chronic Absenteeism Tracker.
All Students	Any student who is under the 33% This represents the percentage of students currently identified as chronically absent (i.e., missing 10% or more of school days) during the 2024–25 school year, based on the most recent ATS RISA Report or district data.	By June, 2026, the A decrease in the chronic absenteeism rate among the target group by at least 10 percentage points by the end of the school year. More students maintaining at least 90% attendance consistently across marking periods. Fewer students flagged as chronically absent on monthly RISA/ATS reports. Increased engagement with school through attendance interventions, home contact logs, or student success teams. for All Students will decrease by We anticipate a 10 percentage point decrease in the chronic absenteeism rate for students currently identified as chronically absent. for example any chronic absenteeism rate between the 35% to 25% ending this school year 2024-2025. , from Any student who is under the 33% This represents the percentage of students currently identified as chronically absent (i.e., missing 10% or more of school days) during the 2024–25 school year, based on the most recent ATS RISA Report or district data. to Fewer students missing 10% or more of the school year (e.g., reducing from 35% to 25%). More students attending 90% or more of instructional days. Improved attendance trends across key subgroups (e.g., students in temporary housing, students with disabilities, multilingual learners). Increased family engagement and participation in attendance interventions., as measured by the Chronic Absenteeism Reports (ATS RISA/RISO Reports) These reports from the NYC DOE's ATS system track daily attendance and identify students who are chronically absent (missing 10% or more of school days). They allow school staff to monitor trends and progress over time at both the individual and school-wide level..

All Students	As of the 2023–24 school year, chronic absenteeism remains a significant challenge in New York City public schools. Approximately 35% of students were chronically absent, meaning they missed at least 18 days of school, or 10% of the school year.This rate represents a modest improvement from the previous year's 36.2%, but it remains substantially higher than pre-pandemic levels, which were around 25%.Particularly concerning are the disparities among different student groups. For instance, 51.7% of students in temporary housing were chronically absent, highlighting the compounded challenges faced by these students.	By June, 2026, the A reduction in the chronic absenteeism rate by at least 10 percentage points by the end of the school year (e.g., from 35% to 25%). More students attending at least 90% of school days, with improved consistency across marking periods. A steady monthly decline in the number of students flagged as chronically absent in RISA reports. Improved attendance for targeted subgroups, such as students in temporary housing or with disabilities. Increased engagement with attendance interventions, such as family outreach, mentoring, or access to support services. for All Students will decrease by In order to better support our students, we'd like to understand how much of a change is anticipated for this metric. Knowing this will help us plan appropriate interventions or resources as needed.To support our students effectively, we are reviewing anticipated changes to this metric. Depending on the extent of the change, we may consider the following: Academic interventions (e.g., tutoring, small group instruction) Social-emotional support services Family outreach and communication Adjustments in scheduling or transportation support Collaboration with receiving schools (if transfer-related), from As of the 2023–24 school year, chronic absenteeism remains a significant challenge in New York City public schools. Approximately 35% of students were chronically absent, meaning they missed at least 18 days of school, or 10% of the school year.This rate represents a modest improvement from the previous year's 36.2%, but it remains substantially higher than pre-pandemic levels, which were around 25%.Particularly concerning are the disparities among different student groups. For instance, 51.7% of students in temporary housing were chronically absent, highlighting the compounded challenges faced by these students. to If the current rate is 35%, the goal is to reduce it to 25% or lower. Increase the number of students attending 90% or more of instructional days. Improve daily attendance consistency, especially for high-risk groups (e.g., students in temporary housing, multilingual learners, students with IEPs). Strengthen family-school engagement and access to supports that reduce barriers to attendance (e.g., transportation, counseling, housing services)., as measured by the New Visions Chronic Absenteeism Dashboard – for cohort tracking and real-time interventions. Insight Attendance Dashboard – for visualizing attendance trends and subgroup analysis. and of course ATS system RISA and other tools. .

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

New Visions portal, ATS RISA reports

Enter a Key Performance Indicator

The percentage of school days a student attends over a given time period (monthly, quarterly, or annually). Why It Matters: Consistent attendance is strongly correlated with academic success. Monitoring this KPI helps identify students at risk of falling behind due to chronic absenteeism. Target Goal: 95% attendance or higher Data Source: Daily attendance logs from the school's Student Information System (SIS) Use in Practice: Identify students with attendance below 90% (chronically absent) Trigger early intervention (e.g., parent outreach, attendance support plans) Evaluate impact of family relocation, shelter placement, or transportation issues on student attendance

Baseline:

Attendance rate in the first 30 days after enrollment or relocation Example Baseline: Student attended 14 out of 20 days ? 70% attendance rate 2. Academic Baseline Metric: Beginning-of-year benchmark assessments (e.g., i-Ready, NWEA MAP, teacher-created tests) Example Baseline: Reading: 2nd grade level (on i-Ready, DRA, etc.) Math: 60% on unit pre-test Report card grades from previous marking period 3. Social-Emotional or Behavioral Baseline Metric: SEL survey score, number of behavior incidents, or teacher observation checklist Example Baseline: Student rated "Needs Support" in self-regulation on DESSA Mini 3 behavioral referrals in the last month 4. Engagement Baseline Metric: Participation in class, homework completion, digital platform logins Example Baseline: Completes 50% of homework assignments Logged into Google Classroom 2 out of 5 days per week How to Set the Baseline: Choose the KPI(s) you're tracking Use recent, reliable data (from the past month, marking period, or school transfer) Record it consistently across all students or focus groups (e.g., recently relocated students)

Enter the date for the baseline data:

This date should reflect when you first began formally collecting or assessing data for the students in their new circumstances (e.g., after relocation, enrollment at a new address, or change in services).

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Focus Group: Students identified with chronic absenteeism (attendance rate below 90%) Timeframe: Start Date: September 5, 2025 End Date: November 15, 2025 (approx. 10 weeks into the school year) Baseline Attendance (as of June 10, 2025): Example: 70% average attendance over the last 30 days BOY Progress Target: Increase attendance to at least 85% by November 15, 2025

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Weekly Attendance Goal: 4 out of 5 school days (80%+) Interventions to Support Goal: Family outreach/home visits Transportation coordination Attendance incentives Counseling or case management How to Measure Progress: Weekly attendance reports Monthly progress check-ins Compare current attendance rate to baseline and BOY target. Timeframe: Start Date: September 5, 2025 End Date: November 15, 2025 (approx. 10 weeks into the school year)

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Focus Group: Students with chronic absenteeism (attendance below 90%). Supporting Details: Baseline Attendance (from BOY): ~70–75% EOY Goal: =90% attendance for the full school year Monthly Attendance Goal (Apr–Jun): 18+ days attended per month (out of ~20) Intervention Focus for EOY: Review and adjust attendance plans from earlier periods Continue family engagement and support services Implement final attendance incentives (certificates, recognition) Coordinate with shelter/housing case workers for support if needed How to Measure: Cumulative attendance rate by June 26, 2026 Compare to BOY and MOY (Mid-Year) targets to assess overall progress Identify students meeting or exceeding 90% as successfully re-engaged. Timeframe: Start Date: April 1, 2026 End Date: June 26, 2026 (end of school year)

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Measurement Tool: Chronic Absenteeism Monitoring Log (CAML) Purpose: To track, analyze, and respond to student attendance patterns for those with a history or risk of chronic absenteeism (attendance rate below 90%). Tool Components: Student Information Name Student ID Grade/Class Homeroom Teacher Attendance Data Total school days to date Days attended Attendance percentage of unexcused absences of excused absences of late arrivals/early dismissals Progress Monitoring Periods Baseline (e.g., June 10, 2025) BOY (Beginning of Year) MOY (Middle of Year) EOY (End of Year) Interventions Provided Date of parent/guardian contact Transportation assistance Counseling or social work referral Attendance contract signed Incentives or recognition programs Notes/Observations Any patterns (e.g., absences on specific days) Barriers (e.g., shelter move, illness, family issues) Student/family feedback Action Plan & Follow-Up Next check-in date Assigned staff member Adjustments to plan Data Source: School Information System (SIS) Teacher attendance logs Family outreach records Frequency of Use: Updated weekly or biweekly Reviewed at monthly student support team meetings

Enter a Key Performance Indicator

KPI: Chronic Absenteeism Rate Definition: The percentage of students who are chronically absent—defined as missing 10% or more of the total school days (excused and unexcused combined). Target Goal: Reduce chronic absenteeism rate to below 10% by the end of the school year Why It Matters: Chronic absenteeism is a strong early warning indicator for academic failure, disengagement, and dropout. This KPI helps schools identify at-risk students early and measure the success of attendance interventions. How to Track: Use attendance data from SIS (e.g., ATS, PowerSchool) Monitor monthly and cumulatively Track individual student progress alongside group trends How to Improve This KPI: Implement tiered interventions (e.g., family engagement, transportation help) Offer school incentives and recognition Partner with shelters, caseworkers, and community organizations Assign mentors or attendance buddies for chronically absent students

Baseline:

1. Attendance Baseline Metric: Attendance rate in the first 30 days after enrollment or relocation Example Baseline: Student attended 14 out of 20 days ? 70% attendance rate 2. Academic Baseline Metric: Beginning-of-year benchmark assessments (e.g., i-Ready, NWEA MAP, teacher-created tests) Example Baseline: Reading: 2nd grade level (on i-Ready, DRA, etc.) Math: 60% on unit pre-test Report card grades from previous marking period 3. Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

P.S. 96 will reduce chronic absenteeism (students missing 10% or more of school days) and improve overall student attendance to 90% or higher by targeting specific student cohorts with increased progress monitoring and communication structures.

Root Cause Addressed:

Understanding and addressing the root causes of chronic absenteeism is essential for sustainable improvement. The most common root causes at P.S. 96 include housing instability and access to resources.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch an Attendance Awareness Campaign Student-Facing Activities: Kick off with school-wide assemblies and classroom visits to reinforce the importance of daily attendance. Post visual trackers and positive attendance messaging in hallways and classrooms. Staff Learning: Provide PD on the impact of chronic absenteeism and staff's role in early identification and support. Share DOE attendance expectations and engagement strategies. Rollout: Launch in September. School leaders introduce the campaign during the first week, followed by teacher implementation in classrooms. Revisit monthly.
Identify Chronically Absent Students Early and Monitor Weekly Student-Facing Activities: Assign each student a mentor or staff member for weekly attendance check-ins. Use individual goal-setting tools and progress trackers. Staff Learning: Train staff on using the SIS/attendance dashboard to identify patterns and monitor red flags. Review

root cause analysis techniques. Rollout: Begin by the end of September. Data team creates initial list and assigns mentors. Monitor and update biweekly.
Strengthen Family Engagement and Communication Student-Facing Activities: Students participate in goal-setting meetings with families and staff. Home visits offered if communication barriers exist. Staff Learning: Provide PD on culturally responsive family engagement and effective communication strategies for high-need families. Rollout: Letters home and phone calls begin within the first 30 days of chronic absenteeism. Monthly outreach logs maintained.
Implement Tiered Interventions and Support Plans Student-Facing Activities: Develop individual attendance success plans for Tier 2/3 students. Connect students to in-school supports like counseling, SEL groups, or breakfast programs. Staff Learning: School support staff (counselors, APs, social workers) receive training on tiered supports and intervention documentation. Rollout: Tiered supports begin in October for identified students, with monthly progress checks. Review plans each marking period.
Celebrate and Incentivize Attendance Gains Student-Facing Activities: Monthly attendance celebrations, certificates, raffles, or recognition boards. Include “Most Improved” awards for fairness. Staff Learning: Share best practices during staff meetings on how teachers can encourage daily attendance in their classrooms. Rollout: First incentives start at the end of October. Monthly celebration calendar shared with families and staff

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Implementation Monitoring
To ensure fidelity of implementation and continuous improvement, the following structures and tools will be used to progress monitor key strategies and action steps throughout the year.

Primary Monitoring Structures:
Structure Purpose
Weekly Attendance Team Meetings Review student attendance data, adjust interventions, assign follow-ups
Monthly Progress Reviews Assess student-level and schoolwide trends in attendance and engagement
Admin Walkthroughs & Classroom Check-ins Ensure attendance messaging and incentives are visible and active
Staff Collaboration/PD Reflection Logs Monitor understanding and application of strategies across staff
PRT (iPlan Portal) Progress Reporting Track and report formal implementation status during each checkpoint

Key Data & Evidence Collected:
Area Data/Evidence Used Purpose
Student Attendance Rates Daily/weekly SIS attendance reports Identify progress toward 90%+ goal and flag at-risk students
Intervention Tracking Logs Records of outreach, check-ins, attendance plans, and supports Monitor implementation of tiered supports and student response
Incentive Participation Student participation in recognition programs Gauge student engagement with attendance initiatives
Family Communication Logs Phone call logs, home visits, meeting notes Measure consistency and impact of family engagement efforts
Staff PD Participation & Feedback Attendance sheets, surveys, reflections Evaluate staff capacity building and its effect on implementation fidelity

Progress Monitoring Focus Areas:
Implementation Fidelity
Are strategies being carried out as planned (e.g., weekly check-ins, goal-setting, communication)?

Student Impact
Are chronically absent students showing improvement in attendance and engagement?

Instructional Impact
Are increased student attendance and engagement positively influencing classroom participation and achievement?

Responsiveness to Data
Are adjustments being made based on ongoing data and student needs?

Note:
Implementation Progress Checks will be completed in the Progress Reporting Tool (PRT) within the iPlan Portal throughout the 2025–26 school year.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/09/2024	06/26/2025	Regular phone calls, text messages, and home visits for students with attendance concerns	All families, especially high-priority cases
09/09/2024	06/26/2025	Scheduled conferences with families to create individualized success plans and identify barriers	ELL families and non-English speakers

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Human Resources Resource Use Attendance Team (Admin, Counselor, Social Worker) Weekly data reviews, outreach coordination, intervention planning Family Workers / Parent Coordinators Primary contact for parent outreach, scheduling meetings, and translation services Shelter/DOE Liaison and Support with documentation, transportation coordination, and connecting with caseworkers Bilingual Support Staff Translation of letters, workshop support, and engagement of multilingual families

Instructional Resources

Monitor implementation and document intervention progress Attendance Incentive Materials Certificates, rewards, recognition boards, raffles for student motivation SEL Curriculum (e.g., Second Step, DESSA) Support for students with anxiety, trauma, or social-emotional barriers to attendance Google Forms/Docs for Tracking Family communication logs, attendance check-ins, student success plans

Schedule Adjustments

Adjustment Purpose Dedicated Attendance Review Time Weekly team meeting during common prep or designated period Morning Check-Ins or Attendance Clubs Time built in for students with chronic absence to connect with mentors or counselors Workshop Slots in Family Engagement Nights Allow for attendance-related sessions during existing school events

Other Resources Needed

4. Community & DOE Partnerships Partner Support Provided CBOs and Nonprofits Afterschool programs, incentives, transportation help, case management Health Clinics / Mental Health Services Address chronic illness or mental health-related absences Local Transportation Programs MetroCards, busing eligibility, DOE transportation department support

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
SESIS	Teacher Engagement	IEP Development and Fidelity of Implementation
SESIS	External Stake Holder Collaboration	Transition Planning and Compliance
SESIS	Teacher Engagement	Referral Process and Equity

OORS	Teacher Engagement	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	75	By May, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve the collection of student work in order to determine if the student is meeting the student's goals on their IEP. This will serve not only to progress monitor student work but to inform teacher/provider practice. Progress monitoring of goals will increase overall from 75% to 100% as measured by the IEP Review.
Students with Disabilities (SWD)	38	By May, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve plan for, collect, and elevate student voice to inform the IEP and pedagogy by a 37% increase, from 38% to 75%, as measured by SESIS.
All Students	38	By May, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve the writing of IEP goals so that all goals are specific to individual needs of the student as identified in the PLOP by a 37% increase from 38% to 75%.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Special education leads will collaborate with school leadership and classroom teachers to establish and uphold clear guidelines for IEP writing reinforced through teacher learning opportunities.

Root Cause Addressed:

* Teacher engagement
* External stakeholder collaboration

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional learning for teachers and service providers
School Implemntation Team monthly IEP review
Schoolwide incentives that emphasize strength-based, growth-mindset oriented student rewards

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

School Implementation Team will review IEPs on a monthly basis. The SIT will review IEPs on a monthly basis and collaborate with special education leads to provide 1:1 IEP writing support, grade-team IEP writing progress monitoring/feedback at weekly grade team meetings, and schoolwide professional learning sessions as needed.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/25/2026	IEP Meeting	SBST
09/04/2025	06/26/2026	Parent Collaboration	Special education, Service provider & IEP Teacher

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

School based support team. District Office Special Education point person, Special Education teachers

Instructional Resources

Great Leaps, Rewards, Spire

Schedule Adjustments

Grade Level Common Planning Time

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 3	IReady Diagnostics and Lesson progression	iReady My Path	One on one	During the school day	Yes
Tier 3	Formative assessments	Great Leaps (Reading fluency)	One on One	During the school day	No
Tier 2	iReady Diagnostic, San Diego Quick	Rewards (Reading intervention)	Small group	During the school day	No
Tier 2	Formative assessments	Targeted guided reading (Leveled Literacy Intervention)	Small group	During the school day	No
Tier 2	IReady Diagnostics	SPIRE (Phonics)	Small Group	During the school day	No
Tier 2	iReady Diagnostic, San Diego Quick	Phonics for Reading (Phonics)	Small Group	During the school day	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Staff referral	Peer Mediation (Student voice and leadership)	Small group	During the school day	No
Tier 3	Staff referral	Student/Staff Mediation (Building relationships)	One on One	During the school day	No
Tier 2	Leadership Team Referral	Advisory Groups (Student voice)	Small group	During the school day	No
Tier 3	Student Support Team referrals	Individualized Student Support Plans (Targeted support)	One on One	During the school day	No
Tier 2	Staff refferal	At risk counseling (Emotional support)	One on one	During the school day	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

* Weekly parent engagement time
* Community school forum
* Parent/Teacher Conferences

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

* Monthly student specific progress reports
* Parent engagement time communicates

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Through teacher/parent conversations regarding student student progress and needs.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

87

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Student data indicates that students in temporary housing experience chronic absenteeism and underperform in reading and math assessments. Based on this data, we will implement early academic interventions, including support from literacy specialists and targeted tutoring. Additionally, we will offer after-school and weekend learning opportunities to extend support beyond the regular school day. Staff will also utilize formative assessments to identify learning gaps early and adjust instruction to meet students' individual needs.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The school will provide instructional, emotional, and financial support to all students living in temporary housing. Instructional services will include tutoring offered before and after school. Social-emotional support will be provided

to students and their families through partnerships with NY Foundling and designated school staff. Additionally, using Title I funds and support from Global Kids, the school will cover the cost of school supplies and fees for school-related activities.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

* Mandated and at risk consulting
* Before and after school intervention and enrichment programs

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

A designated staff member will serve as the primary point of contact for each student in foster care, coordinating with teachers, counselors, caregivers, and child welfare workers to monitor both academic and emotional progress. This role ensures continuity and advocacy across systems by facilitating regular communication and maintaining consistent support. Each student will receive a personalized support plan that may include tutoring, counseling, or social-emotional learning (SEL) interventions, enabling early identification and response to gaps caused by trauma or school disruptions. Students in foster care will be prioritized for school-based mental health services, including individual or group counseling, with referrals to community providers when more intensive support is needed. Weekly check-ins will be conducted with a trauma-informed counselor, teacher, or mentor to provide ongoing emotional and academic support.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Student data indicates that students in temporary housing experience chronic absenteeism and underperform in reading and math assessments. Based on this data, we will implement early academic interventions, including support from literacy specialists and targeted tutoring. Additionally, we will offer after-school and weekend learning

opportunities to extend support beyond the regular school day. Staff will also utilize formative assessments to identify learning gaps early and adjust instruction to meet students' individual needs.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

The school will implement a range of strategies to support students in foster care, ensuring continuity of care and effective communication between child welfare agencies and school staff. A designated staff member will be responsible for coordinating services and advocating for each student’s needs, helping to reduce absenteeism and disengagement. Tiered social-emotional learning (SEL) interventions will be provided through small group sessions focused on emotional regulation, trauma resilience, and relationship-building. To strengthen these supports, the school will offer ongoing professional development for staff in trauma-informed practices, implicit bias, and culturally responsive teaching. Additionally, school counselors and support staff will conduct regular one-on-one check-ins to monitor each student’s emotional well-being and academic progress. Together, these strategies will create a comprehensive support system that empowers students in foster care to navigate transitions, build resilience, and stay on track both academically and behaviorally.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

PS 96 currently houses several community-based organizations, including Union Settlement, YMCA, and Global Kids, that support with the extended learning time. Extended learning time is focused on literacy, social-emotional development, critical thinking development, social justice, leadership, STEM and the arts. All three CBOs will provide after school programming. Global Kids will provide residencies, push-ins, oversee clubs and other student leadership opportunities, overnight opportunities, and community engagement opportunities.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Each CBO will hire an in-house teacher to support them during ELT instruction.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

The role of the in-house teacher hired by the CBOs will be to make sure that the instruction during after school aligns with the instruction during the regular school day.

Provide a description of the materials purchased to support implementation of ELT.

Curriculum and student materials

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 96 in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Ps 96 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 96, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

* ELA Curriculum Into Reading and Literature ongoing professional development
* Mathematics job embedded coaching
* SEL Curriculum Leader in Me training

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

* Vertical Grade Team Meetings
* Parent Workshops
* Aligned curriculum in phonics and phonological awareness
* Early Childhood professional development

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	411,210	x	School Consultants and training. STH support
Title I, School Improvement 1003(a)	Federal	0	x	n/a
Title II, Part A	Federal	10,214	x	Teacher improvement
Title III, Part A	Federal	18,080	x	ENL morning tutoring program
Title III, Immigrant	Federal	0	x	n/a
Title IV, Part A	Federal	0	x	n/a

Tax Levy (Fair Student Funding)	Local	4,134,168	x	

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
Global Kids	Students in grade 3K-8	Lead CBO: in-school and after school programming, attendance, parent engagement, health and wellness, general support	All goals pertaining to Community Schools.
YMCA	Students in grades K-5	Provides after school programming	ELT, Attendance, Special Populations, Family Empowerment.
Union Settlement	Students in grade 6-8	Provides after school programming	ELT, Attendance, Special Populations, Family Empowerment.
NY Foundling	Referred students	Provides individual and family counseling, crisis intervention, etc.	ELT, Attendance, Special Populations, Family

			Empowerment.

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

The Community School Team (CST) & School Leadership Team (SLT) will be combined during the 2025-2026 school year. The CST/SLT will consist of school leadership, Community School Director (CSD), Community Based Organization (CBO) leadership, parents, teachers, and students. All CST/SLT members will meet monthly in order to understand and implement school goals, visions, etc. Additionally, the CSD will meet regularly with various stakeholders to support attendance, compliance pieces, professional developments, school-wide events, and any other initiative deemed as high-priority by school leadership. If a particular need cannot be met by any of the established school partners, then the CSD will coordinate additional partnerships and/or utilize resources provided by the Office of Community Schools (OCS). There will be consistent bi-weekly meetings between school leadership and the CSD to receive updates on all things pertaining to the community school strategy.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

The CSD and lead CBO will collaborate with the Parent Coordinator (PC) and Parent Association (PA) in order to best support parent initiatives and streamline communication with families. The staff will also participate in consistent weekly family engagement time in order to increase communication with families. The primary goal in all communications should be to stress the importance of attendance and increasing parent's understanding of what is going on in their child's classroom. The secondary goal in all communications should be to get parents participation in all the activities taking place at the school. This includes activities such as English/career readiness classes and our Community School Forum. In support of that secondary goal, the PC will distribute calendars and display a poster of upcoming events once a month.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

PS 96 offers programs and interventions through various partners. Our mental health partner is the NY Foundling, which performs crisis interventions for students that are referred to their program and provides various mental health resources/workshops upon request. PS 96 also proudly utilizes Therapeutic Crisis Intervention in Schools (TCIS) techniques and the Yale RULER program, both evidence-based approaches to social and emotional learning and regulation. Our SEL partners are Franklin Covey which provides our school with a Leader in Me curriculum & PBIS Rewards. The Leader in Me curriculum is designed to complement our RULER strategy by introducing 7 healthy habits that can support the growth of students and staff alike. Additional wellness projects include the Food Bank (food pantry), The Brown Foundation (fresh fruits and vegetable distribution), NYC Department of Health (health bucks), and the Boriken Health Center (school-based clinic). For more information, please visit the mental health plan that will be completed and attached.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

At PS 96, our Every Student, Every Day initiative is grounded in a schoolwide commitment to reducing chronic absenteeism through a multi-tiered, data-driven approach. This effort will be spearheaded by school leadership and the Community School Director (CSD), in collaboration with our Community-Based Organization (CBO) partner, Global Kids. Together, we will hold weekly attendance team meetings to analyze trends using DOE data systems, New Visions tools, and the Insight platform. These meetings will focus on identifying students who are chronically absent and above, especially within predetermined subgroups outlined in our Community School annual goals, including students in temporary housing, English Language Learners, and students with disabilities. Beginning in September 2025, Success Mentors will be matched with chronically absent students to provide consistent, individualized support. Using a multi-tiered system of interventions, PS 96 will implement both schoolwide strategies and targeted supports—including check-ins, home visits, and referrals—to address each student's specific needs. Through close collaboration with Global Kids and other community partners, families will have access to wraparound services such as counseling, workshops, and basic needs support. Regular communication in families' home languages will ensure they are aware of available resources. Attendance data from New Visions and Insight will be reviewed weekly to monitor progress, adjust strategies, and ensure that all students are supported in getting to school every day. Monthly 3K-8 perfect attendance incentives will be organized by Global Kids, and bi-monthly on-time attendance incentives will be held for K-5 students.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

In addition to the attendance-specific goals for each of the aforementioned subgroups, a Global Kids staff member will sit on the School Crisis/Climate Team. The CBOs will participate in school equity initiatives and will contribute to attaining the goals set forth for special populations. Furthermore, Global Kids will continue to use culturally responsive pedagogy and alternative lenses to their residencies, push-ins, after-school programming, as well as any programs or interventions they might lead.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	James Konstanktinakos
Assistant Principal (Where Applicable)*	Dr. Mallory Locke, David Ledesma
English as a New Language (ENL) Teacher*	Bernice Garcia, Christine Johnson, Soultana Nikas
Teacher (if school has a bilingual program must be a bilingual teacher)*	Natia Oller
Parent/Guardian*	Nadine Martinez
Secretary	Janet Cruz
Parent Coordinator	Arlette Martinez
School Counselor(s)	Yvonne Gonzalez, Emilio Alvarez, Cesarena Javier
Attendance Teacher	Jackie Espinal
Speech	Carolyn Paskoff, Emma Fisher
Occupational Therapy	Nadkarni Gitanjali

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

3

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

2

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

2

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

2

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

350

Total number and percentage (%) of current ELLs:

42.29%

Total number and percentage (%) of former ELLs:

2%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

141, 94%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

6, 4%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

3, 2%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

30, 20%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

12, 8%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE				1	1												2
TBE																	0
TBE																	0
DLBE	GE	Spanish		1	1	1	1	1	1	1							7
DLBE																	0
DLBE																	0
				total: 2	total: 2	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

As per CR Part 154, all students who have scored at an Entering or Emerging level on the NYSESLAT or NYSITELL will receive 180 minutes of instruction in a Stand-Alone ENL setting. Students are grouped in Stand Alone instruction based on their proficiency level and grade level. These groups are grouped heterogeneous/mixed proficiency levels. Stand Alone groups include no more than two continuous grades.

Students receive English language development instruction taught by a New York State certified ESOL teachers in order to acquire the English language needed for success in core content areas (English Language Arts, Social Studies, Science, and/or Mathematics).

Bernice Garcia (grades 7-8), Christine Johnson (grades 4,5,6), and Soultana Nikas (grades K, 1, 2, 3) provide standalone services in rooms 304 and 307.

Integrated ENL:

As per CR Part 154, all ENL students who have scored at the Entering, Emerging, Transitional, and Expanding levels on the NYSITELL or NYSESLAT, receive ENL/ELA instruction for 180 minutes in a week and are grouped based on grade level. ENL students receive development instruction which includes home language supports and appropriate ELL scaffolds carried out by a combination of ESOL and content certified teachers or dually certified teachers.

Students receive core content area areas (English Language Arts, Social Studies, Science, and/or Mathematics) and English language development instruction including home language supports and appropriate ELL scaffolds.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

ELL students in grades K-6, whose home language is Spanish, are offered Dual Language instruction in English and Spanish. Students in the dual language program receive 180 minutes of ENL/ELA instruction, as well as Home Language Arts and bilingual support in other content area subjects. These students receive instructions on Monday, Wednesdays full English days- Tuesdays and Thursdays full-Spanish days and on Fridays students receive English instructions in the mornings and Spanish instructions in the afternoon. ELLs at the entering and emerging level in a

Dual Language program also receive 180 minutes of Stand Alone instruction. Former ELL students also receive 90 minutes of ENL/ELA instruction for two years after testing out of the NYSESLAT.

Based on their NYSITELL or NYSESLAT scores students are grouped by their level. Instruction is designed to develop foundational English language, reading, and writing skills through centers targeted to different student literacy needs. Students develop oral English and as readers and writers through whole class mini-lessons, small group instruction, and daily independent practice.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The school ensures that the mandated number of instructional minutes are provided according to the students' English language proficiency level through monthly reviews of the RELC report on ATS to assure that all ELLs and Former ELLs are being provided with the correct minutes of instruction. These monthly reviews ensure the following:

- Entering and Emerging ELLs receive 180 instructional minutes of Stand Alone ENL instruction
- Entering, Emerging, Transitional, and Expanding ELLs receive 180 instructional minutes of integrated ELA/ENL instruction
- Commanding and Former ELLs receive 90 minutes of integrated ELA/ENL instruction

The ELL coordinator of the school updates all programming on STARS Classroom so that it may reflect the entitled minutes as per CR154.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

The school ensures that ENL instructional minutes are divided between pull-out and push-in instructions. Entering and Emerging students receive a total of 360 minutes per week. These minutes are divided in half, 180 minutes for push-in instructional services and 180 minutes push-out instructional services. Entering, Emerging, Transitional, and Expanding ELLs receive 180 instructional minutes of integrated ELA/ENL instruction, push-in. Commanding and Former ELLs receive 90 minutes of integrated ELA/ENL instruction, push-in/pull-out.
During the push-in services the ENL teacher works together with the ELA teacher to plan using the ELA curriculum HMH. During pull-out services, the ENL teacher uses Phonics for Reading, Bridges, English 3D, Fundations and S.P.I.R.E to deliver instruction.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

All dual language classrooms in grades K-6 follow the Two-Way Dual Language model, self-contained where 50% of the instructional time is taught in Spanish and 50% of the instructional time is taught in English. The language used each day is as follows, Monday, Wednesdays full English days- Tuesdays and Thursdays full-Spanish days and on Fridays students receive English instructions in the mornings and Spanish instructions in the afternoon. In this model, English proficient and ELL students are integrated in all contents in two languages and supported with all necessary scaffolds and differentiation of the new language.

b. In which language(s) is each core content area taught?

English and Spanish are used to teach all core content areas.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Newcomers: 94%

Developing ELLs: 4%

Long-term ELLs: 2%

ELL Students with Disabilities: 8%

Students with Interrupted/Inconsistent Formal Education: 20%

Former ELLs: .1.7%

The percentage of ELLs who are Newcomers is 94%.
Effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs by different instructional strategies provided inside the classrooms.

Examples are:

1. Language Proficiency Starting Point
Newcomers: Often at the beginner or pre-emergent stage of English. They may not yet be familiar with the English alphabet, classroom routines, or school culture.

Developing ELLs: Have acquired basic conversational English and are building academic language.

Long-Term ELLs: May have oral fluency, but still struggle with academic language, especially in reading and writing.

Instructional Implication:

Newcomers need foundational English instruction, survival vocabulary, and scaffolded exposure to content in a highly visual and supportive environment.

Developing ELLs benefit from content-based language instruction with continued scaffolds to deepen academic vocabulary and syntax.

Long-Term ELLs require targeted support to close academic language gaps, often in reading comprehension, writing, and higher-order thinking.

2. Instructional Focus
Newcomers:

Focus on basic interpersonal communication skills (BICS).

Explicit instruction in phonics, syntax, and survival English.

Cultural orientation and classroom norms.

Developing ELLs:

Focus shifts to academic language and content comprehension.

Emphasis on reading strategies, vocabulary development, and sentence-level writing.

Long-Term ELLs:

Need rigorous academic content integrated with language objectives.

Focus on academic writing, complex texts, and language structures.

3. Scaffolding & Support
Newcomers: Require maximum scaffolding, such as visuals, gestures, translated materials, sentence frames, peer supports, and L1 support when possible.

Developing ELLs: Still need scaffolds, but can handle more complex tasks with modeling and guided practice.

Long-Term ELLs: Benefit from explicit language instruction, feedback on language use, and targeted interventions for academic literacy.

4. Cultural & Emotional Considerations
Newcomers: May be experiencing culture shock, trauma, or interrupted schooling. Need emotional and social support, routines, and a welcoming environment.

Developing/Long-Term ELLs: Often more socially integrated, but may still face identity, motivation, or confidence issues related to language.

5. Use of Native Language (L1)
Newcomers: Encouraged to use L1 as a bridge to develop understanding and transfer literacy skills.

Developing/Long-Term ELLs: May still benefit from L1 strategically, but instruction increasingly relies on English-only academic development.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

The percentage of ELLs Students with Inconsistent/Interrupted Formal Education (SIFE) is 20%.

Differentiating effective instruction for Students with Interrupted Formal Education (SIFE) involves providing targeted support that addresses both their academic gaps and language development needs. This includes using visuals, hands-on activities, and real-life connections to make content accessible, while scaffolding instruction with clear routines, simplified language, and bilingual resources when possible. Instruction is paced thoughtfully, with frequent checks for understanding, and emphasizes building foundational literacy and numeracy skills alongside social-emotional support to help students feel confident and engaged in their learning.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Long-Term ELL's - 2%

Effective instruction for Long-Term English Language Learners (LTELLs) differs from that for Developing ELLs by focusing more on advancing academic language, critical thinking, and closing specific linguistic gaps that persist despite years in the system. LTELLs often speak English fluently in social settings but struggle with complex vocabulary, grammar, and writing needed for academic success. Instruction for LTELLs should emphasize explicit teaching of academic discourse, extended writing, and grammar in context. In contrast, Developing ELLs typically need foundational language support, such as basic vocabulary, sentence structure, and comprehension skills, often through visual aids and scaffolded instruction.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Former ELL's - 0.9%

At our school, we adhere to the New York State Education Department's regulations by offering former ELLs a minimum of 90 minutes per week of Integrated English as a New Language (ENL) instruction for at least two years following their exit from ELL status. This instruction is designed to support their continued language development and academic progress. Additionally, we monitor their performance to ensure they receive appropriate accommodations on state assessments for up to two years post-exit. Our approach includes small-group learning, project-based activities, and collaboration between ENL and content area teachers to reinforce language skills within academic contexts. This comprehensive support ensures that former ELLs maintain and enhance their English proficiency as they transition into mainstream education.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

At PS 96, examining the various at-risk levels affecting our English Language Learners (ELLs) reveals significant challenges that may impact their academic success. A substantial 82.7% of ELLs are in temporary housing, which can lead to instability, limited access to learning resources, and inconsistent attendance. Additionally, 20% of our ELL population are Students with Interrupted Formal Education (SIFE), many of whom need foundational academic and language support. Data also shows that 17.3% of ELLs did not demonstrate sufficient progress in English

language proficiency, indicating the need for more targeted and differentiated instruction. Academically, while only 4% of ELLs scored Level 1 or 2 in ELA, a higher percentage—29.3%—scored Level 1 or 2 in Math, highlighting math as a more significant area of concern. These trends suggest that housing instability, interrupted education, and uneven academic support are key factors impacting ELL achievement at PS 96, and they underscore the importance of a holistic, trauma-informed, and data-driven approach to instruction and intervention.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

At our school, a close examination of the at-risk levels affecting former English Language Learners (ELLs) reveals several concerning trends that may hinder their continued academic success. Notably, 66.7% of former ELLs are living in temporary housing, which can lead to instability, inconsistent attendance, and limited access to academic support outside of school. Additionally, 50% of former ELLs scored at Level 1 or 2 on both the ELA and Math state assessments last school year, suggesting that many are still struggling to meet grade-level expectations despite having exited ENL services. These patterns highlight the need for continued academic and socio-emotional support for former ELLs, including targeted interventions, progress monitoring, and collaboration between ENL and content area teachers to help bridge persistent learning gaps.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Spanish - 139
French - 3
Urdu - 3
Portuguese - 2
Russian - 2
Arabic - 1

At our school, the home languages of English Language Learners (ELLs) with the largest representation include Spanish (139 students), followed by French and Urdu (3 each), Portuguese and Russian (2 each), and Arabic (1 student). To support communication and learning in a way that values these home languages, our school has several structures in place. We have bilingual staff members and a parent coordinator who are fluent in Spanish to assist with translation and outreach, ensuring that families receive important information in their home language. Additionally, we utilize interpretation services through the DOE for less commonly spoken languages, including French, Urdu, Arabic, Portuguese, and Russian. Instructionally, we incorporate culturally responsive teaching practices and provide multilingual classroom libraries and visual supports to affirm students' linguistic backgrounds. Our school also encourages the use of students' home languages as a bridge to learning English, recognizing the importance of maintaining and valuing bilingualism as a strength.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

At our school, the racial and ethnic classifications of English Language Learners (ELLs) reflect a rich and diverse student population. Among our ELLs, there are 42 American Indian or Alaskan Native students, 1 Asian student, 6 Black Non-Hispanic students, 27 Black Hispanic students, 3 Non-Hispanic Multi-Racial students, 3 Hispanic Multi-Racial students, 6 Hispanic Native Hawaiian or Other Pacific Islander students, 3 White Non-Hispanic students, and

59 White Hispanic students.
This diversity is actively reflected in our planning and delivery of Culturally Responsive and Sustaining Education (CR-SE). ELLs are included through instructional practices that affirm their cultural identities, incorporate multilingual literature, and draw on students' backgrounds as assets in the classroom. Teachers intentionally select materials and design lessons that reflect students' cultures, histories, and lived experiences, while also creating opportunities for students to share their voices and perspectives. Additionally, family engagement events and classroom activities are designed to celebrate cultural diversity and promote inclusion, ensuring ELLs feel valued and empowered in their learning environments.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

8.3% Met Progress by Exiting ELL Status
16.7% Met annul progress target
2.8% Met Safe Harbor Cumulative Growth
72.2%. Progress Not Met

When reviewing English Language Proficiency (ELP) growth at our school, several concerning trends emerge. Only 16.7% of ELLs met their annual ELP progress target, and an additional 2.8% met Safe Harbor cumulative growth, meaning that just 19.5% of students demonstrated sufficient progress in developing their English proficiency. In contrast, a significant 72.2% of ELLs did not meet the expected progress, indicating that the majority of our English learners are struggling to advance at the pace required. This trend suggests a need for more intentional and differentiated instructional practices, increased language support services, and strategic use of data to identify and address gaps in language development. Additionally, ongoing professional learning for staff and stronger home-school partnerships may help boost student outcomes in future years.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

2024 NYSESLAT Proficiency Levels

Former ELLs - 3.5%
Expanding - 14%
Transitioning - 7%
Emerging - 32.6%
Entering - 43%

Looking at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), a clear trend emerges showing that a large portion of our ELLs remain at the early stages of language development. Specifically, 43% of students are at the Entering level and 32.6% at the Emerging level, indicating that over 75% of our ELLs are still developing foundational English skills. Only 14% are at the Expanding level and 7% at the Transitioning level, with a very small percentage (3.5%) exiting ENL services and becoming Former ELLs. These results suggest that while some progress is being made, the majority of students require ongoing, targeted support across all modalities—listening, speaking, reading, and writing. Instruction must be intentionally differentiated to meet students at their language proficiency level and accelerate growth, especially in academic language needed for content mastery.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

An analysis of student performance on the NYSESLAT in relation to other state assessments, such as the ELA and Math assessments, reveals a strong correlation between English language proficiency and academic achievement. Students at the Entering and Emerging levels of the NYSESLAT are overwhelmingly concentrated in Level 1 and Level 2 performance on both the ELA and Math assessments, indicating that limited English proficiency significantly impacts their ability to demonstrate mastery of grade-level content. For example, in ELA, all students at the Entering and Emerging levels scored at Level 1, while in Math, 16 Entering-level and 7 Emerging-level students also scored at Level 1. Conversely, students at the Expanding and Commanding levels tend to perform slightly better, with a few achieving Level 2 or Level 3 on the Math assessment and a small number moving beyond Level 1 in ELA. This pattern highlights the importance of language development as a foundation for academic success. It suggests that to improve outcomes on content-area assessments, schools must provide integrated instruction that supports both language acquisition and content knowledge, particularly for students at the lower proficiency levels.

ELA Assessment -

Level 1
Entering Level - 4 students
Emerging Level - 9 Students
Transitioning Level - 3 Students
Expanding Level - 3 Students
Commanding Level - 1 Student

Level 2
Expanding Level - 1 student
Commanding Level -1 Student

Math Assessment -

Level 1
Entering Level - 16students
Emerging Level - 7 Students
Transitioning Level - 1 Students
Expanding Level - 3 Students
Commaning Level - 2 Students

Level 2
Entering Level - 1 Students
Emerging Level - 7 Students
Transitioning Level -2 Students
Expanding Level - 2 students
Commanding Level - 2 Students

Level 3
Emerging Level - 2 Students
Expanding Level - 1 Student
Commanding Level - 1 Student
Commanding Level -1 Student

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

IEP Flag
Emerging - 1 Student
Transitioning - 2 students
Expanding - 5 Students
Commanding - 1 Student

SIFE
Entering - 9 Students
Emerging - 4 Students

The NYSESLAT results for ELL subgroups at our school show clear trends that reflect the unique challenges faced by ELLs with IEPs and Students with Interrupted Formal Education (SIFE). Among ELLs with IEPs, the majority are performing at higher proficiency levels—5 students at Expanding, 2 at Transitioning, and 1 at Commanding—with only 1 student at the Emerging level, suggesting that with the right support, ELLs with IEPs can make substantial language progress. In contrast, SIFE students are primarily concentrated at the lower proficiency levels, with 9 students at Entering and 4 at Emerging, highlighting significant language and academic gaps. These results suggest that while ELLs with IEPs may benefit from consistent, individualized instruction and support structures, SIFE students often face deeper foundational challenges due to limited prior schooling, possible trauma, and gaps in both literacy and content knowledge. This disparity emphasizes the need for targeted, intensive language and academic interventions for SIFE students, as well as continued collaboration among ENL, special education, and general education teams to ensure both subgroups receive the comprehensive support they need.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

To provide English Language Learners with a high-quality academic experience that leads to deeper learning, our school implements a comprehensive approach that integrates effective instructional practices, targeted support services, and a culturally responsive environment.
The school effectively incorporated NYC Reads and the Literacy Shifts to enhance the academic experience for English Language Learners (ELLs) in several key ways.

Firstly, the integration of NYC Reads emphasized the importance of a structured literacy program that aligns with New York City's literacy goals. This approach ensured that ELLs had access to a rich variety of texts that reflect their cultural backgrounds, which not only promotes engagement but also fosters a sense of belonging.

Additionally, the Literacy Shifts focus on developing critical reading skills, comprehension, and writing proficiency. The school adopted instructional strategies that included collaborative learning and differentiated instruction, allowing ELLs to work alongside peers and receive tailored support based on their language proficiency levels. This helped to build their confidence while enhancing their academic language skills.

Moreover, professional development for teachers was prioritized, equipping them with effective techniques to support ELLs in the classroom. Educators learned to incorporate visual aids, interactive activities, and real-world connections to make content more accessible.

Finally, family engagement initiatives encouraged ELLs' families to participate in their children's education, creating a supportive community that reinforces learning both at school and home.

Through these comprehensive strategies, the school successfully provided ELLs with a high-quality academic experience that nurtures their linguistic and cognitive development.

1. Rigorous and Relevant Curriculum:
Standards-Aligned Instruction: Our school ensures that our ELLs have access to grade-level content and are held to high academic standards. The lessons are designed to be challenging and aligned with state and national standards.
Culturally Relevant Materials: The use of materials and resources which reflects the diverse cultural backgrounds of

ELL students, making learning more engaging and meaningful.

2. Differentiated Instruction
Tailored Teaching Approaches: In our school we differentiate instruction based on students' language proficiency levels and individual learning needs. This includes using small group instruction, individualized learning plans, and adaptive learning technologies.
Flexible Grouping: Teachers also group students strategically for different activities, allowing for peer learning and targeted support.

3. Professional Development for Educators
Ongoing Training: Provide teachers with continuous professional development on effective strategies for teaching ELLs, including culturally responsive teaching, differentiation, and formative assessment techniques.
Collaborative Planning: Encourage collaboration between ESL specialists and content-area teachers to plan and deliver integrated lessons that support both language development and content mastery.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school's Instructional Leadership Team (ILT) actively considers ML/ELLs in the school's instructional design. Since ELLs are about 42.6% of the student population, the ILT consistently works to include ELL professional learning opportunities, as well as keep specific ELL needs in mind when selecting Academic Intervention and curricular materials for the school. The ENL and Bilingual teachers are part of the Instructional Leadership Team in order to present ELL-specific research, data, considerations and offer support to strengthen the instructional core.

In the 2023-2024 school year, the Instructional Leadership Team has actively worked to introduce the CRSE framework to staff members through whole staff professional learning, as well as coach grade teams with grade-specific feedback. The CRSE framework provides ELL with more access to the content, as well as allow teachers to learn and understand students more through activities that center around the theme of identity and joy. During the 2024-2025 school year, the ILT also focused on utilizing technology and online teaching platforms to meet the diverse needs of ELLs. Teachers have been able to imbed new strategies and practices in their instruction to further support the ELLs in their classroom.

The PS 96 Dual Language Team (K-6) meet bi-weekly to share reading and writing strategies based on The Bilingual Common Core Initiative Progressions. These progressions are designed to help all teachers plan instruction and develop appropriate expectations for ENL students at different levels of language and literacy levels. The development of academic language rests on content area texts. Teachers target grade appropriate text and develop strategies to provide multiple points of entry for their students.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Language Arts:
Language Arts is delivered in English in an ENL program and in Spanish and English in a DL program. In order to support ELLs, some of the instructional approaches used include standards and thematic-based units that are culturally responsive and layers a wide variety of different texts (i.e. articles, stories, videos, visuals, photos, websites, art, etc). This provides students with many different resources to develop an understanding of vocabulary and ideas that can be transferred into speaking or writing. Teachers consistently use the Read/Talk/Write/Talk methods to allow students to express their ideas and understandings in English with the support of sentence starters. Students also have access to sorting activities, glossaries with visuals and graphic organizers to support

comprehension and expression. Also, one of the school wide initiative is academic vocabulary. In doing so, every classroom has a word wall. The word wall is presented in both English and Spanish. Word walls have pictures as well. This initiative has fostered academic discourse, diversity in language and guidance in reading and writing.

Math
Math is delivered in English in an ENL program and in English and Spanish for a DL program. It also uses a culturally responsive approach to teaching standards-based units. Students also have access to many visuals and models to support comprehension. Teachers provide many opportunities to foster language development like "Number Talks" and "Think/Pair/Share" to support development of receptive and expressive language in the home and new language.

Other Content Areas:
Other content areas, like Science and Social Studies, are delivered in English in an ENL program and in English/Spanish in a dual language program. Students are exposed to a variety of different texts that support comprehension of vocabulary, topics and/or ideas. Students are provided with translated materials and glossaries that are rich with visuals. Other content teachers also implement ELL specific strategies and scaffolds to support their ELLs like Read/Talk/Write/Talk, sorting activities, graphic organizers, etc.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Some instructional strategies teachers of MLs/ELLs use to provide access to academic content areas and accelerate English language development are, the use of iPads during lesson plans, books/workbooks/handouts translated in their home language, and pairing students with students who speak their home language and English.

Some grade-level materials K-2, 3-5, 6-8 are: iReady, Reading A-Z, Khan Academy, ReadWorks, Newsela, EPIC Reading.

Technology- Individual iPads for students.

b. SIFE

In order for SIFE students to have access and engage with grade level content, instruction is differentiated for SIFE students by focusing on early literacy skills such as identifying letters and sounds. SIFE students are provided with many rich images and videos to support comprehension of the content. They are also supported in writing with the use of cloze sentences and writing simple sentences with repeated patterns. Home language is used throughout all of their instruction to support comprehension. Students are also engaged in discussions with peers of the same home language to further support the understanding of content and/or skills.

c. Newcomers

In order to provide Newcomer students with access to grade level content, students receive differentiated instruction by using texts and videos in their home language. Newcomer ELLs receive a lot of visual support to

understand content as well as sorting activities that help support their reading comprehension and writing. Other activities also include cloze sentences, graphic organizers used to sort pre-identified ideas and language, word banks and sentence stems to support writing. Students are also engaged in discussions with peers of the same home language to further support the understanding of content and/or skills.

d. Long Term ELLs

In order to provide Long Term ELL students with access to grade level content, they will receive differentiated instruction based on their performance on their previous NYSESLAT. In writing, many long term ELLs receive support in their complexity in writing (i.e. using expanded and complex sentences), quality of language (i.e. using tier 2 and 3 words) and degree of response (i.e. selecting a variety of details that best support and strengthen their ideas in writing). Different graphic organizers and sentence starters are used to help organize ideas that are then transformed into quality writing. Targeted instruction is also used in reading, listening and speaking using data from their NYSESLAT and other ELL baseline and periodic assessments.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Our school uses curricular, instructional and scheduling flexibility that best fits the strengths and needs of ELLs with disabilities. The ENL teacher, SPED teacher and service providers use common prep time and grade meetings to analyze data and student work to refine and adjust the curriculum and instructional strategies that we use to support the student.
Teachers then adjust the schedule in order to provide students with small group instruction that targets their needs. The SPED teacher, service providers and ENL teacher also review the students' IEP goals and the linguistic demands that are required to meet those goals. Once those linguistic demands are identified, the SPED and ENL teachers can refine the curriculum to include activities that target those linguistic demands, and thus, the students' IEP goals.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

All students in DL and ENL programs are initially assessed in their home language using the Multilingual Screener in Reading comprehension, vocabulary and mathematics. Writing samples in their home language are also collected by the ENL as data to analyze.

Students in DL are also assessed in their home language through the use of the Spanish Language Arts Assessment, which is skills and standards-based. Students are assessed at the beginning and end of the school year in order to track progress and support the transfer of Spanish literacy skills into English literacy skills.

Other home language assessments in a DL program include unit exams, writing samples, math assessments, and daily exit slips in the home language.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

At this time the school is not offering, any language electives. However, when the new World Languages Standards and requirements are enacted in the Fall of 2025, we will revise.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Co-teaching is a service modality that enhances supporting learning diversity in the classrooms. There are several models of this service modality. There are six models proposed by Cook and Friend (2017), which we are trying out in our school.

1. One teaching, one observing

With this model, the two practitioners decide in advance which specific types of information are to be collected during the instruction period and which system will be used to collect the information. After the classroom session, the practitioner acting as the teacher and the one acting as the observer jointly analyze the data collected to understand what happened during the class, and they discuss what will have to be changed in the future if a change seems appropriate.

2. One teaching, one assisting

With this model, one teacher is in charge of teaching while the other one circulates in the classroom to monitor the student's progress and to help them if needed. Over time, the two teachers share the roles and responsibilities of working with the students.

3. Station teaching

With this model, the practitioners divide the content and the number of students into different stations. There can also be stations where students work independently. Each practitioner then teaches the content for the group at a specific station and repeats the same material for each remaining group, after the groups have rotated between the stations. This model allows for separate planning and different teaching styles.

4. Parallel teaching

With this model, the classroom group is divided into two, and both practitioners teach the same material simultaneously to one-half of the classroom group.

5. Alternative teaching

With this co-teaching model, one practitioner takes charge of the larger group while the other works with a smaller group with a specific pedagogical goal in mind, such as pre-teaching, re-teaching, enrichment, or assessment. This model, therefore, provides intensified support in the classroom.

6. Team teaching (complementary or otherwise)

The best-known model, but also the most difficult one to implement, is one in which the practitioners share the planning and teaching responsibilities while playing an equally active role in classroom management. The two practitioners are then actively engaged in delivering core instruction.

The preferred co-teaching model at the school is the Team Teaching model. In this approach, both the English as a New Language (ENL) teachers and content area teachers share responsibility for planning, delivering instruction, and assessing student learning.

In this model, teachers work closely together to design integrated lessons that align with both language and content standards. They often alternate leading the instruction, which allows for diverse teaching styles and perspectives. This collaborative effort creates a supportive environment where English Language Learners (ELLs) can engage deeply with the content while developing their language skills.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The School Administrators and Instructional Leadership Team (including the ENL teachers) collaborate on creating an overall, annual professional learning plan each school year. The team creates a plan for whole-staff professional learning on academic and social emotional needs of ELLs, as well as professional learning opportunities for dual language teachers.

The ILT and School Administrators survey all staff members (including teachers, counselors, and SBO personnel) on the types of ELL-specific needs they'd like to learn more about. The team also used data from assessments (including NYSESLAT, SLA, ELL Baseline Assessments and NYS ELA and Math) to determine other resources and support that can be utilized for professional learning.

The ILT then collaborates to lead the PD for whole staff and/or specific grade teams. Teachers use common prep times and Monday professional learning times for PD. The ILT will also routinely meet to monitor the progress and impact professional learning cycles have on student learning.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

As per CR 154.2, all teachers receive 15% of total professional development hours spent engaging in ELL specific PD. ENL and bilingual teachers receive 50% of their professional development hours in ELL-specific instruction. The ENL teachers are part of the professional development committee that plan professional learning opportunities for the school year. Based on student data, new educational trends and teacher performance, the ELL coordinator will plan PD opportunities for the whole staff and for bilingual/ENL teachers. The professional development team creates a calendar that assures all teachers receive at least one professional development opportunity per month in ELL-specific instruction. Some of the professional development that the staff has participated include Understanding NYSESLAT data and Proficiency Levels, Writing Strategies for ELLs and Supporting ELLs through CRSE.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

All newly arrived ML/ELL students who are at the EN and EM level do not get screened in English until 5 months of ELA instruction.

The screening assessment used to guide instructional planning for our ELLs are:

- Multilingual Literacy SIFE screener (Reading & Math)
- iReady Diagnostics (Reading & Math)
- NYS Identification Test for English Language Learners (NYSITELL)
- Acadience

We use data from screeners to address interventions by analyzing the students' specific strengths and needs. This information is used by the Response to Intervention Team, which includes the ENL teachers, to group them with a small group program that address their learning needs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

All ELLs are given a baseline assessment once at the beginning of the year and another in January in order to assess their fluency in all four modalities. This data is used to provide ELLs with targeted interventions in English, while also meeting the standards in other content areas.

ELA: Using ELL baseline assessment data and formative assessments, teachers will provide the appropriate targeted interventions. Teachers collaborate to identify the standards ELLs need more support to master, as well as the linguistic demands of those standards to create a tailored intervention that is provided in small groups. Teachers engage in cycles of inquiry in order to specifically target skills and refine the curriculum to meet the needs of students. For students who need support in decoding and reading fluency in grades 3-8, teachers support students using the REWARDS Intermediate and secondary program. This program increases student fluency, vocabulary knowledge, and comprehension skills. For students who need support in writing in grades 5-8, the REWARDS writing program is used to sharpen word choice, refine sentences, and edit paragraphs.

Math: Content and ENL teachers collaborate to identify the areas of strength and need of ELL students. For Newcomer or SIFE students, teachers use the Bridges SIFE Project curriculum to help students adjust to the new language and literacy involved in Math. Teachers then use formative assessments to create targeted instruction and monitor progress using cycles of inquiry.

Other Content Areas: Other content area teachers also collaborate with the ENL teacher to leverage the ELL students' strongest modalities and skills in English to improve their areas of need. Teachers analyze the linguistic demands necessary to meet the standards in their content and target those skills in their intervention strategies. Teachers continue to monitor and adjust as necessary.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

ELL students fall into Tier 2 or 3 and require additional support to develop their language proficiency and academic skills. To meet the needs of these students, our school uses data collected to guide instruction. The data collected come collected are from standardized tests, formative assessments, informal assessments and teacher observations. These data are analyzed to identify patterns of strengths and weaknesses and to develop appropriate interventions for each student.

Once the students are identified, teachers provide targeted interventions and monitor student progress to ensure that they are making growing. Professional development is offered to teachers to help them develop instructional strategies that are effective for ELL students. Teachers learn how to use data to inform their practice, differentiate instruction to meet the needs of diverse learners, and provide appropriate scaffolding for ELL students. Professional development also helps teachers to develop cultural competency and an understanding of the needs of ELL students.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

All teachers in grades K through 8 use formative assessments from HMH Into Reading (K-6), and Into Literature (6-8) to guide instructional planning for ELLs. These assessments are used to help guide teachers in supporting students with targeted instruction. Also, teachers in grades K-8 use exit tickets, End of the Unit assessments, and quizzes are used to inform and drive instruction. Based on data collected from formative assessments, teachers make adjustments to units and add additional teacher-created assessments that assess mastery on specific skills in standards.

HMH's Reporting Suite provides a standards-aligned view of student achievement across benchmark and in-program assessments. These assessments give teachers a more comprehensive view of student achievement to drive differentiation. HMH offers a suite of assessments that measures student achievement across whole-class, small-group, and independent practice.

Types of Assessments and Screeners:
- Benchmark Assessment
- Dyslexia Screening and Reading Fluency Assessment
- Writing Assessment
- Core Curriculum Assessment
- Personalized Supplemental Assessment

In dual language classes in grades K-6, teachers will also use Arriba la Lectura. This new curriculum provides a comprehensive support for teachers and a measured path to growth in reading, writing, and communication for students in Spanish.

In grades 1-5, teachers use Duolingo which allows learners to discover patterns on their own without needing to focus on language rules. This approach, called "implicit learning," is ideal for developing a strong foundational knowledge of a language and its rules.

In grades K through 3, teachers use Fundations to help ELLs by teaching the skills and strategies they need to be successful in learning to read and write in English.

In grades K through 3, teachers use The Heggerty Phonemic Awareness Curriculum where each level provides up to 35 weeks of daily lessons, focusing on eight phonemic awareness skills, along with two additional activities to develop letter and sound recognition, and language awareness. Lessons are designed for a classroom setting, and only take 8-12 minutes.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Teachers evaluate ELLs in their home language in a number of ways including daily journaling in their home language and providing a library of books in their home language. Teachers evaluate their speaking and listening fluency by asking them a variety of questions about content in their home language (i.e. videos, books, magazines, etc) and evaluate the students' response. If teachers speak the home language of the student, teachers can also assess the student's home language in all modalities and provide feedback using a model response. For teachers who do not speak the model language of the student, teachers provide feedback and model the response in English.

In the Dual Language Bilingual Education (DLBE) program using Arriba La Lectura, formative assessments play a crucial role in monitoring student progress and informing instruction. Here are some key types of formative assessments utilized:

Observational Assessments: Teachers regularly observe students during reading and writing activities to assess their engagement, comprehension, and language use. These observations help identify individual strengths and areas needing support.

Anecdotal Records: Educators keep detailed notes on student interactions, participation in discussions, and responses during lessons. This qualitative data provides insight into each student's progress and language development.

Reading Logs and Journals: Students maintain reading logs where they reflect on texts they've read, summarizing key points and expressing personal reactions. These logs help teachers gauge comprehension and critical thinking skills.

Performance Tasks: Students are given specific tasks related to the content, such as creating presentations or participating in group discussions. These tasks allow teachers to assess students' ability to apply their knowledge in practical contexts.

Interactive Assessments: Tools like think-pair-share or small group discussions are used to assess students' understanding in real time. Teachers can ask targeted questions to prompt deeper thinking and language use.

Exit Tickets: At the end of lessons, students complete short prompts that reflect what they learned or questions they

still have. This quick assessment helps teachers identify learning gaps and adjust future lessons accordingly.

Quizzes and Check-ins: Short quizzes or informal check-ins during lessons help assess students' retention of material and language skills, allowing for immediate feedback and support.

These formative assessments are integral to the Arriba La Lectura program, providing continuous feedback that informs instruction and supports the language and literacy development of all students in a dual-language setting.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

For all students in grades K-8, the iReady assessment is used to evaluate students in reading and mathematics. The iReady data is used to evaluate students' phonological awareness, phonics, high frequency words, vocabulary, and comprehension in literature and informational texts. The iReady diagnostic provides teachers with a grade level placement in each of these domains. The diagnostic is administered four times throughout the school year to monitor growth.

For all ELLs in grades K-8, the ELL Baseline assessment is used to assess their proficiencies in all 4 modalities. ENL, general education and content teachers can then refine and adjust their lessons in order to support the students needs.

Teachers use data from iReady diagnostics, ELL baseline assessments, NYS ELA/Math exams and the NYSESLAT to evaluate the effectiveness of ELL programs in monthly teacher team meetings. Teachers, administrators and coaches use grade level meetings to analyze student work and assessments. Teachers create six-week Action Plans to address students' needs and how they will address them during whole-class instruction and/or small group instruction or interventions. These team meetings are also used to help teachers identify which areas they need support in--for example specific writing scaffolds for ELLs. Teachers and administrators are able to plan professional learning support teachers need to help enhance their 6 week action plans.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The following is PS 96's NYSESLAT Administration Plan:

At first, we identify the staff members who are responsible for the coordination and administration of the NYSESLAT exam. The Principal, Assistant Principal, Elementary ENL Teacher, Middle School ENL Teacher, and IEP Coordinator are those members. The two ENL Teachers use the ATS RLER to view and check student eligibility and identify the eligible students.

The NYSESLAT is administered in-person only, which means families need to be informed. When the students are identified, the coordinators need to determine if families of remote-only students want their child/children to participate. The ENL teachers sent a translated letter and phone call at home informing the parents.

The administration of the NYSESLAT was broken up into multiple days to minimize fatigue for our ENLs. If a student needed to test two sessions per day, school administrators had to approve. All test books were placed in a secure, locked facility before and after the exam was administered. The NYSED requires that the L/R/W sessions be administered in sequence (Session 1, 2, 3). During the testing window, ENL teachers are required to provide services to all ENL students. The ENL teachers provided asynchronous work, or independent work for their students, attended morning grade meetings with classroom teachers with updates, and daily check-ins with the students in the classroom.

The ENL teachers provided a turnkey training in the beginning of June for scoring the Writing components of the NYSESLAT exam. A power point presentation was presented to the staff, along with the rubrics, K-8 Writing training sets and samples.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

MLLs/ELLs may receive the following testing accommodations on New York State and New York City assessments:

Flexible setting (1:1 or small group; separate location)
Bilingual glossary: direct word translations, not definitions
Test form: use of English and alternate language test forms at the same time
Oral translation: only available for New York State tests that do not have alternate language forms
Flexible response format: written responses in native language, if using alternate language test forms or receiving oral translations

MLLs/ELLs may not receive testing accommodations for the New York State English as a Second Language Achievement Test (NYSELAT) unless they have an IEP or a 504 Plan.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

In the beginning of the school year, our school invites parents/guardians to a parent orientation and collect parent option forms. After we collect the ELL Parent Survey and Program Agreement we record the program preference in ATS after ATS roll over.

When our school receives the NYSESLAT scores for the 2023-2024 school year, letters are sent to parents/guardians in their preferred language in the beginning of the school year but no later than the first two weeks of the school year in which the student is no longer entitled or the student that continues to be entitled.

Scheduling Meetings for Parent Attendance
To ensure high parent attendance at meetings, the school employs several strategies:

Flexible Timing: Meetings are scheduled at various times, including evenings and weekends, to accommodate different work schedules.
Multiple Notifications: Parents receive reminders through various channels, such as phone calls, text messages, emails, and flyers sent home with students.
Community Engagement: The school collaborates with local organizations to promote events and encourage attendance.
Ensuring Language Access for Families with HLOTE

To provide language access for families who have a Home Language Other Than English (HLOTE), the school:

Provides Interpretation Services: Professional interpreters are available during meetings and orientations to facilitate communication.
Translates Materials: Key documents and materials are translated into the families' home languages, ensuring they can fully understand the information shared.
Bilingual Staff: The school employs bilingual staff members who can assist in communicating with families directly.
Information Communicated During Orientation
During orientations, the following information is typically shared:

ELL Program Options: An overview of the various English Language Learner programs available, including Dual Language, ESL, and Transitional Bilingual Education.
ELL Transfer Procedures: Information on how students can transfer between different ELL programs based on their needs and progress.
ELL Assessments: Details about the assessments used to evaluate students' language proficiency and progress, such as WIDA assessments.
Academic Standards: An outline of the academic standards that guide instruction and expectations for student learning, as well as resources available for families.
Record Keeping System
The school maintains evidence of orientations and parent engagement through:

Attendance Logs: Signed attendance sheets from meetings and orientations that track participation.
Documentation of Materials: Copies of handouts, presentations, and translated materials distributed during meetings.
Follow-up Surveys: Surveys collected after orientations to gather feedback and document attendance.
Digital Records: An electronic database where meeting details, participant information, and follow-up actions are logged for easy access and reporting.
These systems ensure accountability and continuous improvement in engaging families and supporting ELL students.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Our school individually meets with the parents or guardians of English language learners at least once a year as required by CR Part 154 to discuss the goals of the ELL program, their child's language development progress, their English language proficiency assessment results, and language development needs in all content areas.
This meeting is in addition to parent-teacher conferences, initial parent orientations, quarterly progress meetings, or other scheduled meetings provided for parents or guardians. This meeting is held by the assigned grade-level provider: Soultana Nikas (grades K, 1, 2, 3), Christine Johnson (grades 4, 5, 6) or Bernice Garcia (grades 7 and 8).

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Ensuring that families can respond or initiate communications in languages other than English is crucial for fostering inclusive and effective communication between schools and families.
Here are several strategies and practices schools can implement to support this:

1. Bilingual Staff and Translators
Bilingual Office Staff: In the main office we have staff who can assist families in their home languages.

2. Multilingual Communication Platforms
Translation Apps and Tools: Parents and educators use translation apps and tools like Google Translate for quick translations of emails and messages.

3. Written Communications
Translated Documents: In our school we ensure all written communications, such as newsletters, announcements, and report cards, are translated into the languages spoken by the families.
Dual-Language Forms: The school provides school forms and documents in a dual-language format, with English on one side and the translated language on the other, making it easier for families to understand and respond.

4. Interpreters for Meetings and Events
In-Person Interpreters: Our school provides interpreters for parent-teacher conferences, school meetings, and events. Teachers schedule these services in advance to ensure availability, and if there is an emergency meeting there is a staff member available for translation.

5. Multilingual Phone Lines
Phone Interpretation Services: Use phone interpretation services like LanguageLine Solutions to provide real-time interpretation during phone calls.

6. Bilingual Liaisons and Cultural Brokers
Parent Liaisons: Employ parent liaisons or cultural brokers who speak the home languages of the families. These liaisons can facilitate communication, help families navigate the school system, and provide cultural context.
Community Partnerships: Partner with community organizations that serve linguistic minority groups to provide additional support and resources for families.

7. Technology and Digital Tools
Communication Apps: Teachers use communication apps like DOE Messaging, Remind or ClassDojo that support multiple languages, allowing teachers and parents to communicate effectively.
Automated Translation : Teachers utilize software that automatically translates messages into the family's preferred language, ensuring timely and accurate communication.

By implementing these strategies, our school can ensure that families are not only receiving all communications in the language they best understand but are also able to respond and initiate communication effectively, fostering a more inclusive and supportive school environment.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

In order to develop activities that foster empowerment for families of Multilingual Learners (MLs)/English Language Learners (ELLs), our school follows an approach to understand the needs of our community and create responsive and effective programs.

Determining the Needs of our Community:

Surveys and Questionnaires
Parent Surveys: Our school distributes surveys to parents in multiple languages to gather information about their needs, preferences, and challenges. Some of the questions might cover topics such as communication preferences, educational support needs, and areas where they feel they need more information or resources.
Student Surveys: Teachers collect feedback from students about their learning experiences and the type of support they need at home.

Community Meetings
Community Meetings: Our school holds regular community meetings to provide a forum for parents and families to voice their concerns and suggestions. We have these meetings to build trust and gather qualitative data. We also ensure that interpreters are available to facilitate communication.

Collaboration with Community Organizations
Our school partners with local community organizations such as Healthy Smiles, Global Kids, YMCA, Union Settelment, Food Bank, and Vision Screening, that serve immigrant and multilingual communities. These organizations can provide valuable insights into the needs and preferences of the families they work with.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our MLs/ELLs are aware of family leadership opportunities through Instagram, our school website, newsletters, calendar, and DOE messaging- emails and text-messaging. The Parent Association holds monthly meetings to discuss school environment, new events, concerns and monthly check-points alongside with planning.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

The YMCA- after school program-free after-school program that focuses on learning enhancement, health and recreation, and building competence and confidence in children.

Global Kids- Community Partnership- Helps us as a Title 1 schools that often struggle with poor attendance. Global Kids (GK) the lead school community partner empowers students on how to become leaders in the community and provides opportunities for students to make a difference through discussion and action on global and local issues.
Food Bank- provides us with a pantry and fresh produce that is offered to parents on Tuesdays and Thursdays.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

In addition to the data and trends outlined in our Language Allocation Policy (LAP), our school implements a range of supports to meet the diverse needs of our Multilingual Learners (MLs)/English Language Learners (ELLs). We differentiate curriculum using tools such as HMH by chunking texts, providing glossaries, bolding key vocabulary, and offering sentence starters to make academic content more accessible to ENL students. These strategies ensure that language is not a barrier to understanding grade-level material.

Additionally, we utilize iPads as a vital resource to help newcomer students communicate, access translation tools, and complete classwork. These devices support real-time language translation, voice-to-text features, and educational apps that promote vocabulary development and comprehension. Our ENL and content-area teachers collaborate closely through co-teaching models and small-group instruction, while families are engaged through multilingual communication and interpretation services. These combined efforts reflect our commitment to providing equitable, culturally responsive education that supports both language acquisition and academic success.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

ENL Teachers: Christine Johnson, Soultana Nikas, and Bernice Garcia
Dual Language Teachers: Maria Mendez, Josefina Bahamondes, Natia Duran, Karla Perez, Estefani Ventura, Aliris Perez, Olivia Hernandez, Victoria Rodriguez

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

There is a schedule in the main office that identifies ENL teacher availability at certain times of the school day to be called upon to conduct the identification process for newly enrolled students. ENL teachers (Soultana Nikas, Christine Johnson, and Bernice Garcia) administer HLIS, conduct student interview, determine NYSITELL eligibility, provide the entitlement letter. ENL teachers work in conjunction with the attendance teacher, Jacqueline Espinal, and parent coordinator, Arlette Martinez, to determine SIFE status, provide a parent orientation, and administer the parent survey and agreement form. All data is presented to school leadership to determine placement.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

James Konstantinakos

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Arlette	Martinez Medran	Parent Coordinator - Annual	2024-2025	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	5	1.15%	5	1.16%	2	2
BENGALI (BANGLA IN BANGLADESH)	3	0.69%	3	0.69%	1	1
FRENCH	5	1.15%	5	1.16%	0	0
MANDINKA (AKA MANDINGO)	1	0.23%	1	0.23%	0	0
MOSSI (MOORE/MORE)	0	0.00%	1	0.23%	0	0

ENGLISH	196	45.06%	193	44.68%	75	75
PORTUGUESE	3	0.69%	3	0.69%	0	0
RUSSIAN	4	0.92%	4	0.93%	0	0
SPANISH	212	48.74%	211	48.84%	21	21
URDU	6	1.38%	6	1.39%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
School-Wide Informational Family Letters	The parent coordinator translates the correspondences prior to distribution
School Calendars	The parent coordinator translates the correspondences prior to distribution
Report Card/Progress Reports	Central offices provide translated versions
Central Documents	Central offices provide translated versions

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g.	How do you plan to offer interpretation services? Please outline the procedures and

parent workshops, PTCs)	resources in place to ensure timely access to interpretation for parents.
Parent-Teacher Conferences	DOE Translation Services
IEP Meetings	In staff personnel will be used to interpret
Parent Association meetings	In staff personnel will be used to interpret

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

All school wide communications are translated and provided to our limited English proficient families in the native language. This includes verbal and written communications.

All school wide communications are translated and provided to our limited English proficient families in the native language. This includes verbal and written communications.

The parent can contact the school and a staff members will be used to translate for the parent.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

To ensure all staff complete the required NYCPS Language Access Training on WeLearnNYC, our school will set a clear deadline, send reminders, and track completion using the platform. Best Practices for Translation and Interpretation will be reviewed during staff meetings, with digital and printed copies made easily accessible.

Our Galaxy-designated Language Access Coordinator (LAC) will monitor training completion, share updates and new resources during monthly staff meetings, and keep materials organized in a shared digital folder. This ensures all staff stay informed and equipped to support our multilingual families.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

All parents whose primary language is other than English, will receive a copy of the Bill of Rights and Responsibilities which includes their rights regarding translation and interpretation services. In the main school lobby a sign will be posted of the most prominent languages indicating the availability of translation and interpretation services. Since our school has more than 10% of our parents whose primary is other than English, we will obtain, post and provide 30 of 35 such forms in accordance with the translation and interpretation unit. Parent notification will be provided to all parents informing them of the Department of Education's website as it pertains to the translation and interpretation services available and how to access this website. All documents can be found at the Translation and Interpretation Unit's intranet site.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

The school will gather information from the parent survey. Parents will be asked to fill out a parent survey to evaluate the quality and availability of translation services. Parents will be asked to fill out the survey after each parent meeting. The survey will be distributed to the parents by the ESL teacher. It will be translated into the parents' preferred language. The data will be collected and placed into a binder and kept in the ESL room. The ESL teacher will evaluate the res pons e of the surveys in order to make a determination of the translation service that was provided to the parents.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

After analyzing the results from the parent surveys, the School Leadership Team will reflect on the current protocols and procedures and make any necessary modifications.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Before School

Total number of ELLs to be served in this program:

45

Grades to be served in this program. Select all that apply.

,5,7,6,8

Total number of teachers in this program:

3

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

3

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

PS 96 has a total of 429 students in grades 3K through 8th grade; of that number, 127 students (30%) are identified ELLs , including those who are identified as Commanding (former Multi-Lingual Learners) and ELLs entitled to transitional English as a New Language (ENL) services. The school has a Dual Language (DL) program spanning grades 4K to Grade 6. Students in grades K-8 receive ENL services. Although there is a strong need to have academic intervention services for many of our ELL students, the Title III supplementary program will be used to provide our elementary and middle school students with additional support after school and/or on Saturdays.

Specific Data: According to EDAT data, there are 40 MLL/ELL students in grades 5-8, who are in need of intervention after school. They speak 4 different languages: 1) Spanish, 30 students (78%); 2) Arabic, 6 students (13%) 3) French, 3 students (7%) and 4) Wolof, 1 student (2%). Of these, 32 students (71%) are classified as "at risk" at level 3 and above. Of the 45 students, 27 students (60%) are classified at the "at-risk" category 5 and above. Al l of the students (100%) score lowest on the NYSESLAT i n the writing modality. Of the 45 total MLL/ELL grade 5-8 students, 32 students took the ELA. All attained either a 1 or a 2 score on that exam. Those who received a score of 1 were 27 of the 32 students (84%), and those who received a score of 2 comprised the remaining 5 students (16%). None attained a score of 3 or 4. Students range in age between 10 and 14 years old. Twelve (27%) have diverse, identified special needs. Fourteen out of the 45 total MLL/ELLs (31%) a re Long Term ELLs (LTELLs). Seven of the 40 students (27%) are Developing MLL/ELLs. The remaining nineteen (42%) are Newcomers.

Based on the above data, the teachers targeted for the program a re two who speak Spanish and one who is multilingual. After training,
the ENL/Bilingual teachers will be able to adapt lessons provided by the program, according to the program's systematic approach. These lessons will be explicit, scaffolded, rigorous, and engaging. Differentiation will include grouping for instruction so that students may work at their own pace and level of ability, and address specific areas with teacher support, peer support, or independently.

Title III After School Program - School Day Connection
The ENL teacher and the ELA teacher who provide instruction to the students during the school day, will communicate with each other regarding information on student progress from the Title III after-school program, so that they can a l so track the progress of the students. By examining data from the NYSESLAT, the NYS ELA assessment, the Rewards program assessment tools, combined with data from writing rubrics for both writing craft and English language development, as well as writing conference notes, teachers working with the students during the school day will be able to harness the support and enhance it's effectiveness for the students.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The NYSESLAT, NYS ELA, and iReady assessments, indicate that our ENL students in grades 3-8 need extra instructional support across all areas, however, the need is greatest in writing. Based on this observation, we have selected using the Rewards Literacy Intervention program, which will be purchased with Title III program funding. The Rewards Literacy Intervention program targets students in grades 4-12, and specifies support to MLL/ELLs. It includes an assessment program for screening, progress monitoring and assessing outcomes. There is also comprehensive professional development for training and supporting teachers using the program. Title III funds will be used to fund this professional development for teachers working in the Title III program only. This program i s implemented systematically, and provides for explicit instruction that addresses academic language, including vocabulary, sentence length and content area specific, discursive aspects. It i s described as capable of producing long-term growth during a short period of time. It is designed as a gradual-release of responsibility model, which matches the approach taken to literacy i n PS/MS 96 for writing instruction. The program will be offered on two afternoons a week, on Wednesdays and Thursdays, for two hours each afternoon or on Saturdays for 3 hours. Instruction will be provided by two ENL teachers and 1 additional, bilingual-certified, service provider. Based on the academic and language proficiency needs of the students, they will be strategically placed in small groups.

Specific Data: According to the EDAT data, we have 380 active students. Out of the 380 students, we currently have 114, (30%) ELLs, 17 students (4.5%) are former ELLs (2 years), 9 students (2.4%) are known as Ever ELLs and 240 students (63.2%) Never ELLs. We currently have 101 students (88.6%) who are newcomers- 0-3 years of service, 7 students (6.1%) are developing ELLs 4-6 years of service, and 6 students (5.3%) are long-term ELLs (7 or more years of service.) We currently have 111 students in grades K-8 whose home language is Spanish, 3 students in grades 1, 6 and 7 have a home language identified as Arabic. ELLs with a 2022 NYSESLAT Proficiency level currently active is 26. ELLs without a 2022 NYSESLAT Proficiency Level 88 (No NYSESLAT History/ No 2022 NYSESLAT- Valid Previous Exams.) The 2022 NYSESLAT Proficiency Level are as follows, former ELLs 5 students (16.1%), Expanding 11 students (35.5%), Transitioning 9 students (29%), Emerging 4 students (12.9%) and entering 2 students (6.5%)

Based on the above data, the teachers targeted for the program a re two who speak Spanish and one who is multilingual. After training,
the ENL/Bilingual teachers will be able to adapt lessons provided by the program, according to the program's systematic approach. These lessons will be explicit, scaffolded, rigorous, and engaging. Differentiation will include grouping for instruction so that students may work at their own pace and level of ability, and address specific areas with teacher support, peer support, or independently.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

ENL and ELA teachers will provide specific writing instruction to the new coming MLL/ELL students in grades 3-8 that responds to the needs identified after school, as well as those identified by assessment protocols during the day.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Title II After School Program - School Day Connection
The ENL teacher and the ELA teacher who provide instruction to the students during the school day, will communicate with each other regarding information on student progress from the Title III after-school program, so that they can a l so track the progress of the students. By examining data from the NYSESLAT, the NYS ELA assessment, the Rewards program assessment tools, combined with data from writing rubrics for both writing craft and English language development, as well as writing conference notes, teachers working with the students during the school day will be able to harness the support and enhance it's effectiveness for the students. Working with the ENL students in grades 5-8, the ENL and ELA teachers will provide specific writing instruction to the MLL/ELL students, that responds to the needs identified after school, as well as those identified by assessment protocols during the day.

Title III Program Description: At school dismissal, 2:20pm, students will report to the school cafeteria and be provided with refreshments from another school funding source. Bilingual-certified and ENL-certified Teachers will pick student groups up at 2:30pm, to take them to their classrooms for lessons. Writing lessons will be provided in 20 to 30-minute segments, as per the program design. On a given afternoon, there is potential to provide 3-4 lessons. Students will be dismissed at 4:30. Given the potential for 3-4 lessons each afternoon, the program will need to be implemented for 12-14 weeks in order to complete the 75 total lessons offered by the program, therefore the program is planned to be implemented for 15 weeks. The additional week will account for the possibility for cancellations due to inevitable circumstances, such as inclement weather.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

English

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

(3) Certified ENL Teachers

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

(3) Class Rewards Kits and teacher manuals.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Daily student attendance records are kept by each individual ENL teacher and provided directly to the principal at the end of the school day. The principal will store attendance records.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

N/A

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Professional development will be provided for the Rewards Literacy Intervention program with a focus on the ELL students' writing development to the following teachers: Two ENL and one DL teacher. Teachers will learn about the program design, about development of writing in a new language, about academic language, and how the program it implemented and assessed. The effectiveness, rationale and need for adjustment to the professional development plan will be based off classroom observations and teacher feedback.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

ENL teachers working the program.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The teachers working in the program will meet weekly to review and plan the week's activities and lessons during a 40 minute block time, Fridays 1st period, that will be imbedded in their regular schedule. They will also collaborate on assessing and tracking the students' learning, communicating with the students' parents, and in providing a report of progress and next steps to the teachers who provide instruction to these students during the day.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Professional development for the ENL and DL teachers will be ongoing. Scheduled will be a series of trainings provided by the program, with online supplemental support, as well as links within professional learning scheduled during the regular, contractual professional development on Mondays and Tuesdays. The ESOL and DL certified teachers will focus on methods of developing language for academic writing across disciplines. The duration of each session will be 45 minutes. The goal is to support teachers to apply their learning about methods to provide instruction in academic writing to middle school aged students, to implement the Title III program with fidelity, to ensure student growth.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

In-house staff as well as Central and District office personnel.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All documentation will be held in school systems and Google drives.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Parent engagement will be provided by the ENL or DL teachers. It will be ongoing throughout the duration of the Title III program and take place after school. The parent sessions will be 45 minutes in duration. These sessions will take place after the 5th, 10th and 15th week of the program. They will begin after a Thursday session is finished for the day. Parent engagement will be provided by the ENL or DL teachers. It will be ongoing throughout the duration of the Title III program and take place after school. The parent sessions will be 45 minutes in duration. These sessions will take place after the 5th, 10th and 15th week of the program. They will begin after a Thursday session is finished for the day.

Parent notices will be sent home informing families of the days and times of the workshops in the languages of the families. When collecting responses about intent to attend the workshops, language data will also be included to plan for translation needs. Topics that will be covered will be 1) What can I do to help my child improve his or her writing in English? In this workshop, the teacher will explain how they are using the program to develop academic writing abilities so that parents will be able to visualize what happens in the intervention program and support the instruction at home. The teacher will also make suggestions about how parents can converse with their children about their child's writing progress and activities, to develop a supportive dialogue and monitoring system at home, to support and encourage their children in this learning. 2) What assessments will my child be required to take this year, and what are their purposes? In this workshop, the teacher will list and describe the different assessments MLL/ELLs take, when they take them, and what their purposes are. They will provide information about accommodations provided to the MLL/ELL students and for what reasons. 3) How can I support my child to show progress in English? This workshop will focus on study habits parents can instill /reinforce in their children, with an emphasis on preparation for high school and college. It will also focus on community and internet based resources that parents and students can access to enrich their current educational program.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**

- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The activities will focus on study habits parents can instill /reinforce in their children, with an emphasis on preparation for high school and college. It will also focus on community and internet based resources that parents and students can access to enrich their current educational program. Paretn surveys will be used to identify other areas of needs for parents.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Parent engagement will be provided by the ENL or DL teachers. It will be ongoing throughout the duration of the Title III program and take place after school. The parent sessions will be 45 minutes in duration. These sessions will take place after the 5th, 10th and 15th week of the program. They will begin after a Thursday session is finished for the day.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Topics that will be covered will be 1) What can I do to help my child improve his or her writing in English? In this workshop, the teacher will explain how they are using the program to develop academic writing abilities so that parents will be able to visualize what happens in the intervention program and support the instruction at home. The teacher will also make suggestions about how parents can converse with their children about their child's writing progress and activities, to develop a supportive dialogue and monitoring system at home, to support and encourage their children in this learning. 2) What assessments will my child be required to take this year, and what are their purposes? In this workshop, the teacher will list and describe the different assessments MLL/ELLs take, when they take them, and what their purposes are.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The providers will be school based ENL and DL teachers.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parent notices will be sent home informing families of the days and times of the workshops in the languages of the families. When collecting responses about intent to attend the workshops, language data will also be included to plan for translation needs. Email and text messages blast will be sent out as well.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All pertinent documentation will be held in a designated google drive folder.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

N/A

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	21,587.00	Salaries for teachers working the after school Title III program
Purchased services -High quality staff and curriculum development contracts.	2,149.00	Staff Professional Development
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.	4,299.00	Materials for the Title III after school program
Educational Software (Object Code 199)		
Travel		
Other	2149.00	parent Involvement
TOTAL	30,184.00
