# 2025-2026 COMPREHENSIVE EDUCATIONAL PLAN (CEP)

**DBN**
04M112

**SCHOOL NAME**
P.S. 112 Jose Celso Barbosa

**PRINCIPAL**
Lisa Velazquez

# Comprehensive Educational Plan Outline

## Table of Contents

**Main Sections (Customized Based on School Accountability Status):**

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

**Appendices (Reflecting Additional Requirements for Specific Groups of Schools):**

F

# Section 1: Overview of Comprehensive Education Planning

## Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

**The Education Planning Process**

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

# Guidance on Conducting a Comprehensive Needs Assessment

**Directions:** Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

**1. Review Multiple Data Sources:** Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

**2. Analyze Data Trend(s) to Identify Areas of Strength and Need:** Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

**3. Identify Root Cause(s):** After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

# Section 2: School Information

## School Information

**School Name:**

Jose Celso Barbosa School

**District Borough Number (DBN):**

04M112

**Grades Served:**

3K-2

**School Address:**

535 East 119th New York, N.Y. 10035

**Phone Number:**

212-860-5868

**Fax:**

212 860 6077

**School Contact Person:**

Lisa Velazquez

**School Contact Person Email Address:**

lvelazq4@schools.nyc.gov

**Principal:**

Lisa Velazquez

**United Federation of Teachers (UFT) Chapter Leader:**

Mary Margaret Gamblin

**Parents' Association President:**

Veronica Lausell

**SLT Chairperson:**

Damaris Olivo

**Title I Parent Advisory Council Chairperson (PAC):**

The PTA is currently in the process of recruiting members  for the parent Advisory Council and the Title I representative.

**Student Representative(s) Middle /High School:**

n/a

**Student Representative(s) Middle /High School:**

n/a

**Community Based Organization (CBO) Representative:**

Union Settlement

**School-Based Students in Temporary Housing (STH) Liaison:**

Shaila Pilarte

# District Information

**Geographic District:**

04

**Superintendent:**

Kristy DeLaCruz

**Superintendent’s Office Address:**

160 East 120th Street New York, NY 10035

**Superintendent’s Email Address:**

kdelacr@schools.nyc.gov

**Phone Number:**

646 932 6829

**Fax:**

NA

# Section 3: CEP SLT/Stakeholder Signature Page

## School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

**Directions:** List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

| | | |
|---|---|---|

| SLT Member Name | Position and Constituent Group Represented | Signature |
|---|---|---|
| Lisa Velazquez | Principal or Designee* | |
| Mary Margaret Gamblin | United Federation of Teachers (UFT) Chapter Leader or Designee* | |
| Veronica Albino | Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President* | |
| Maritza Rodriguez | District Council 37 (DC 37) Representative (staff), if applicable | |
| Currently Recruiting | Title I Parent Advisory Council Chairperson (or alternate) | |
| n/a | Student Representative (Required for middle and high schools) | |
| n/a | Student Representative (Required for middle and high schools) | |
| Mauritania Romano | CBO Representative, if applicable | |
| Irma Colon | Member/Math Coach | |
| Damaris Olivo | SLT Chair | |
| Katherine Gomez | Member/Wellness and Physical Education | |
| Patricia O'Shaugnessy | Member/Parent Coordinator | |
| Nicole Bonaventura | Assistant Principal | |
| Jhoselyn Fuentes | Dual Language ICTTeacher | |
| Melissa Rodriguez | NEST Teacher | |
| Neriluc Alcantara | | |
| | | |
| | | |

# Additional Stakeholder Signature Page

**Directions:** Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

| Name | Position and Constituent Group Represented | Signature |
|---|---|---|
| Veronica Lausell | Position /PTA President | |
| Patricia Shaugnessy | Position / Parent | |
| NIcole Bonaventura | Position / Assistant Principal | |
| Rachel Lindsay | ENL Teacher | |
| Keren Keyzner | NEST Ciach | |

# Section 4: School Summary

## Accountability Status

Accountability Status: **LSI**

# School Summary

**Directions:** Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

**Provide your school's mission statement:**

We believe all children have the ability to learn. PS 112 has a fully inclusive model that brings students together from different backgrounds and abilities. High standards are set in every classroom. We customize instruction to better meet the needs of our diverse population.  The following are our Core Values:

ABC's of PS 112:
Be Accountable
Be Brave
Be Cooperative
Be Safe
#BeYourself
#BetterTogether

**Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:**

Include demographic information about your school's student population.

Public School 112, The Jose Celso Barbosa School, affectionately known as the "Sesame Street of East Harlem", has approximately 200 students in grades Pre-K 3 through second grade. There is a total of nineteen classes in the school with Dual Language, Dual Language ASD NEST, ASD NEST, and ICT classes on each grade level. In addition, we have two 12:1:1 classes.

There are 33 classroom teachers, 17 content and instructional specialists, 2 coaches and 10 service providers including a bi-lingual guidance counselor, speech, occupational and physical therapists. We have established a caring nurturing "family" environment where students feel safe and very well supported.

We believe that establishing a positive self-image is crucial in student achievement. All students participate in dance, music, and art during the school day. We celebrate success by displaying student work throughout the school in classrooms, throughout the school and at fairs.  This allows students to develop a sense of pride and reinforces that their efforts are valued.

We acknowledge that the home school partnership is an essential tool to foster learning. At PS 112 we make an effort to inspire parents to become involved in their child's education. This has resulted in a high percent of parental involvement in all school events. An example of this is the performances throughout the school year, which many parents attend to celebrate student work. We have an open door policy, where parents feel free to visit the school and meet with administration and staff to discuss their children's education. Parents attend 'Meet the Teacher Week' and Parent Teacher conferences. Monthly Parent Association Meetings are scheduled to keep parents informed

about the operation of the school and upcoming events. Our parent coordinator is available to assist parents with any concerns. There is ongoing communication between the principal and parent coordinator. The Parent Executive board and principal meet the first Friday of every month (Cafe con Lisa). We hold monthly NEST parent meetings and family Library Workshops.

We believe parents play an integral role in their children's education. All information sent home is translated into Spanish and Arabic. Translators are available for meetings if requested. It is evident throughout the building that many cultures are respected and recognized through a broad range of curricular activities. We continue to incorporate cultural diversity, identity, criticality, and joy through multiple entry points and student interest across content areas.

Parent Association meetings are held on a monthly basis to discuss school related issues. Administration is present at Parent Association meetings for question and answer sessions. Parents are also part of the School Leadership Team that consists of an equal parent/staff ratio. The school provides family literacy workshops and educates parents on how to help their children in a wide range of areas.

Technology is an integral part of our instructional day and is incorporated in all content areas. We have a Technology Specialist who provides in-class coaching cycles to assist teachers in continuing to create an online learning community with a wealth of grade appropriate websites to aid students in furthering their academic achievement. Students are also supported in the area of social emotional learning to promote strong healthy relations, self awareness and self regulation.

Character education is a priority at PS 112. Through our core values, the ABC's of PS 112, we strive to develop the empathetic mindset of our school community. Through the celebration of ALL cultures we strive to create WORLD citizens who practice acceptance, understanding and curiousity about others.

**Briefly summarize the key initiatives your school will implement this school year.**

Focus on Science of Reading
Begin implementation of HMH Reading
Heggerty Phonemic Awareness Instruction
Quality IEP Writing
Evolution and continuation of PBIS-Character Education / SEL Curriculum, Integration and Implementation
Increased focus on Data Driven Targeted Small Group Reading and HOW to teach reading to early emergent readers
Continued focus on implementation of MTSS in ELA and Math with consistency and fidelity
Continued revision of Integrated HMH Units of Study including civic awareness, financial literacy, SEL learning,
Cultivating experiences of JOY and SEL learning in line with Early Childhood Learning Experiences
Focus on including parents in the classroom experience.
Focus on health, hygiene and nutrition for parents and students.

**What are the primary digital and/or print curricula/programs used for ELA and Math:**

Indicate the content area, grade band and any adaptations made.

| Content Area (Indicate ELA and Math Only) | Grade Band | Digital and/or Print Curricula/Program | Adaptations |
|---|---|---|---|
| ELA | K-2 | HMH Units of Study in | Units of Study are in the process of being |

| | | | |
|---|---|---|---|
| | | collaboration with Living Literacy Consultant | revised in collaboration with Generation Ready Consultant, Erik Lepis, to include the Pursuits by Gholdy Mohammed, alignment to Fundations, real life-real word experience and application, field trips, social emotional learning and civic awareness. |
| Math: Investigations/Envisions | K-2 | Investigations/Terc/Envisions | Continue use of Envisions to supplement identified gaps on Investigations Math Curriculum |
| ELA: Fundations | K-2 | Fundations | Continue use of strong foundation in print concepts, phonemic awareness, phonics, and spelling to increase students fluency in reading and writing accuracy. |
| ELA: Estrellita | K-2 | Estrellita | Continue use of Spanish early literacy program designed to teach foundational reading skills to dual language learners. |
| ELA: Heggerty Phoenemic Awareness | Pre K-2 | Heggerty | Continue use of curriculum that builds students' ability to hear, identify, and manipulate sounds (phonemes) in spoken words. |
| Creative Curriculum | 3K - Pre K | | Using active learning through hands-on, project-based exploration. Actively promoting child development across all learning domains while encouraging curiosity. |

# Section 5: Priority 1 – All students learn to read well

## Priority 1 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| At the end of the 2024-2025 school year, 31% of Kindergarten students reached a benchmark in literacy as measured by F&P. (Represents a decrease from 40% EOY 2023-2024). At the end of the 2024-2025 school year, 43% of Kindergarten students reached a benchmark in literacy as measured by Acadience Reading. (Represents an increase from 36% EOY 2023-2024 | 1. In most classes teachers believe the grade level benchmarks are attainable. 2. In some classes the state standards are considered the maximum possible level a student can achieve (ceiling vs. floor). 3. In most classes, when students do reach the benchmark, they are now being challenged to go beyond. curriculum and daily lessons. 4. Approximately 3/4 of classroom teachers lack a solid understanding of how to teach reading to early emergent readers. 5. Teachers implemented new curriculum HMH for the first full year. | Kindergarten |
| | | |

| | | |
|---|---|---|
| At the end of the 2024-2025 school year, 37% of 1st Grade students reached a benchmark in literacy as measured by F&P. (Represents a decrease from 38% EOY 2023- 2024). At the end of the 2024-2025 school year,44% of 1st Grade students reached a benchmark in literacy as measured by Acadience Reading. (Represents a decrease from 45% EOY 2023-2024). | 1. In most classes teachers believe the grade level benchmarks are attainable. 2. In some classes the state standards are considered the maximum possible level a student can achieve (ceiling vs. floor). 3. In most classes, when students do reach the benchmark, they are now being challenged to go beyond. 4. Approximately 3/4 of classroom teachers lack a solid understanding of how to teach reading to early emergent readers. surrounding our school community 5. Teachers implemented new curriculum HMH for the first full year. | First Grade |
| At the end of the 2024-2025 school year, 60% of 2nd Grade students reached a benchmark in literacy as measured by F&P. (Represents an increase from 51% EOY 2023- 2024) At the end of the 2024-2025 school year, 51% of 2nd Grade students reached a benchmark in literacy as measured by Acadience Reading. (Represents a decrease from 63% EOY 2023-2024) | 1. In most classes teachers believe the grade level benchmarks are attainable. 2. In some classes the state standards are considered the maximum possible level a student can achieve (ceiling vs. floor). 3. In most classes, when students do reach the benchmark, they are now being challenged to go beyond. 4. Approximately 3/4 of classroom teachers lack a solid understanding of how to teach reading to early emergent readers. surrounding our school community. 5. Teachers implemented new curriculum HMH for the first full year. | Second Grade |

# Priority 1

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Literacy**

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

# Priority 1 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 44% | By June, 2026, the percentage of all Students in Kindergarten through Second grade reading on or above grade level, will increase 26%, from 44% to 70%, as measured by Fountas and Pinnell Benchmark Assessment. |
| All Students | the percentage of all students on or above grade level will Increase 22%, from 48% to 70%, as measured by READING ACADIENCE | By June 2026, the percentage of all students, Kindergarten through Second grade, demonstrating literacy foundational skills will increase 24%, from 46% to 70% as measured by Acadience Reading. |

# Priority 1 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Fountas & Pinnell  Benchmark Assessment

**Enter a Key Performance Indicator**

All Students reading on or above grade level will increase 26%

**Baseline:**

44

**Enter the date for the baseline data:**

October 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

44

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

57%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

70%

# Priority 1 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Acadience Reading

**Enter a Key Performance Indicator**

There will be a 24% increase from 46% to 70% of all students composite scores

**Baseline:**

46%

**Enter the date for the baseline data:**

October 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

46%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

65%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

70%

# Priority 1 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Fountas & Pinnell  Benchmark Assessment

**Enter a Key Performance Indicator**

Data-driven small group instruction will serve as the key performance indicator, measuring how effectively teachers use assessment data to tailor instruction and improve student outcomes.

**Baseline:**

**Enter the date for the baseline data:**

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 1 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Data-driven small group instruction will serve as the key performance indicator to evaluate the effectiveness of targeted teaching practices and their impact on student achievement.
Teachers will review formative data and identify patterns within their class. Teachers will create small groups based on student skill level.
Teachers will use targeted instruction that will align with the data points.
Teachers will progress monitor to check for student growth.

**Root Cause Addressed:**

Ensure that all teachers are planning and implementing rigorous and engaging phonological awareness and phonics lessons that are standard based aligned, including small group differentiated lessons using Fundations and Heggerty within Tier 1 CORE INSTRUCTION.
Ensure that all teachers are planning and implementing data driven lessons that integrate literacy skills throughout all components of balanced literacy, especially targeted small group reading, shared reading, interactive writing, and independent reading.
Ensure that all teachers are planning rigorous and engaging interactive read aloud lessons that intentionally target comprehension skills, including plot; character development; and author's message. This will be supplemented by the daily Library Morning Read Aloud which is live streamed into all classrooms.
Ensure that all teachers are progress monitoring students skills (phonological awareness, phonics development, and comprehension) frequently using varied assessments and adjusting/differentiating instruction as needed.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |

| |
|---|
| For MLLs: Ensure that all ENL and or Dual Language teachers are planning intentionally for second language literacy by developing students understanding of phonics, syntax, vocabulary through the stand alone ENL period using Estrellita, Spanish Heggerty, and specially designed instruction. This can be supplemented by multilingual resources in the school library and MyLibraryNYC membership |
| For students with IEPs: Ensure that all teachers of students with IEPs are planning intentionally for scaffolds that support students phonics development comprehension using Universal Design for Learning UDL and reflective of their individual IEP goals. |
| Word Walls will evolve into sound walls as a 2025-26 focus. Sound walls will be a focus for the 2025.26 school year. Teachers will receive professional development on the SOUND WALLS (what, why and how). The first session will be offered in July of 2025 by our Literacy Consultant, Erik Lepis. This session will be revisited and mandatory for all classroom teachers and paraprofessionals in September. |
| Monthly professional development for all grades will be calendared and ongoing throughout the academic school year. A draft literacy professional development calendar has been created nut subject to change based on the needs of teachers as identified through observations and progress monitoring of students. |
| An increase in data meetings and bi-monthly 1:1 check-ins with classroom teachers will be calendared by the Principal and Assistant Principal to discuss student progress and identify next steps.This action step will hold teachers accountable for progress monitoring and creating actionable data driven next steps grounded in individual identified student needs. |
| We have continued to revise units of study to incorporate student interest and cultural diversity into the curriculum and daily lessons. |
| Teachers have just begun to explore their implicit biases surrounding our school community. |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
|---|
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Through observation and feedback cycles, administration will progress monitor the effectiveness of teacher planning, preparation and implementation. Cycles of coaching will be determined based on area of need and/or identified next steps. Through ongoing calendared data conferences, administration will progress monitor the effectiveness of teacher planning, preparation and implementation. Cycles of coaching will be determined based on area of need. Bi-monthly data conferences will be calendared in September. Analysis of Student Work, using the Santa Cruz Protocol will be conducted after each unit of Study.  Co-teachers will analyze data for individual classrooms and gather as a grade to identify patterns, trends, and next steps as a grade for specific subgroups.

# Priority 1 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/19/2025 | 06/12/2026 | Monthly Family Literacy Workshops | Literacy Coach in Partnership with PTA and CBO Union Settlement |
| 09/26/2025 | 06/19/2026 | Library Workshops Parents have a choice of attending in person, virtually or viewing a recording at a later date. | Library and Parent Coordinator |

# Priority 1 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Living Literacy Consultant- 1x month per grade K2, Literacy Coach 5x's per week, Librarian 5x's per week and 2 evenings per month, Parent Coordinatort

### Instructional Resources

Revised HMH Units of Study, Estrellita, Fundations Teacher Guide, Heggerty Phonemic Awareness Instruction, Student Data, computers

### Schedule Adjustments

Grade Teams, school Librarian and other selected faculty, will meet one time monthly with Literacy Consultant, from October to June, to continue revision of units of study. Grade Teams will meet weekly with Literacy Coach, October December to analyze ELA data, progress and plan targeted data driven instruction/revise curriculum (daily lessons and small group instruction).

### Other Resources Needed

Allocation for per session for librarian, Funding for Literacy Consultant 3x's per month September -June, funds for incentives, supplies, and food for workshops

# Section 5: Priority 2 – All students are physically and emotionally safe

## Priority 2 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| DESSA SCREENER | We are in the process of finalizing the implementation of the DESSA screener. Due to the resolution between the UFT and the Department of Education to discontinue the use of the longer version of the DESSA, the screener was not administered during the previous school year. For the current year, we have established new systems and structures to ensure that out-of-classroom teachers administer the DESSA screener. This new process is still in development and will continue to be refined as implementation progresses. | Increased access to the curriculum |
| DESSA | We are in the process of finalizing the implementation of the DESSA screener. Due | Student self |

| | | |
|---|---|---|
| SCREENER | to the resolution between the UFT and the Department of Education to discontinue the use of the longer version of the DESSA, the screener was not administered during the previous school year. For the current year, we have established new systems and structures to ensure that out-of-classroom teachers administer the DESSA screener. This new process is still in development and will continue to be refined as implementation progresses. | regulation |
| DESSA SCREENER | Inability to self regulate, inability to communicate needs, lack of early intervention services due to COVID , chronic absences and lateness. Lack of resources, including nutritious food and shelter. Cultural stigma against mental health services and neurodiversity. | Student self expression and communication |

# Priority 2

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Physical and Emotional Safety**

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

# Priority 2 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | By June, 2025, physical and mental wellness for All Students will improve, as measured by a 5% Increase, in By June, 2024, the percentage of students able to identify feelings, communicate feeling and self regulate feelings will increase by 5% from 65% to 70%, as measured by the Sanford Harmony screener. from 80% to By June, 2024, the percentage of students able to identify feelings, communicate feeling and self regulate feelings will increase by 5% from 65% to 70%, as measured by the Sanford Harmony screener., per the Sanford Harmony Screener. | By June, 2026, , the percentage of students able to identify feelings, communicate feeling and self regulate feelings will increase by 10% from 70% to 80%, as measured by the DESSA Screener. |

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

DESSA SCREENER

**Enter a Key Performance Indicator**

10% increase

**Baseline:**

70%

**Enter the date for the baseline data:**

SEPTEMBER 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

70%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

75%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

80%

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. **Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 2 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Morning Read Aloud and The Morning Miracle helping students and staff set daily affirmations and intentions. Monthly Staff curriculum days to continue the work begun with Erik Lepis work will CONTINUE to include the PURSUITS of Dr. Gholdy Muhammed, PS 112 Core Values ABC's, Bucket-fillers, Morning Miracle Affirmations. All structures will be embedded into the curriculum and practiced/highlighted throughout the school day. Use of the Peace Corner, Mindfulness Room, Meddy Teddy Calming Kit, BEE Bucks/Character Education Specials, BEE Bucks Bodega and Academic Therapy dog to support student self expression and self regulation will continue to be implemented. All transitions will begin with a feelings check in. This will help maintain consistency throughout the building.  Currently some classes practice this structure.  A need for ALL claases and specials to adopt this structure has been identified. For example, library, science, physical education and lunch. The creation of a crash room for students in crisis is a goal for the 2025-2026 school year.

**Root Cause Addressed:**

Inability to self regulate, inability to communicate needs and feelings
Students in Crisis
Chronic absences and lateness

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Morning Read Aloud starting with demonstration of feelings check in using a puppet. The Morning Miracle helping students and staff setting daily affirmations and intentions and gratitude practice. |
| |

| |
|---|
| Morning Virtual Read Aloud as school community connected to the unpacking of Miracle Morning daily affirmation. |
| Use of the Peace Corner, Mindfulness Room, Meddy Teddy Calming Kit, BEE Bucks/Character Education Specials, BEE Bucks Bodega and Academic Therapy dog to support student self expression and self regulation. |
| Monthly Staff curriculum days to continue the work begun with Erik Lepis, Living Literacy Consultant; work will include the PURSUITS of Dr. Gholdy Muhammed, PS 112 Core Values ABC's, Bucket-fillers, Morning Miracle Affirmations and STAR students. All structures will be embedded into the curriculum and practiced/highlighted throughout the school day. |
| Creation of the CRASH Room to support students in crisis. |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
|---|
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

# Priority 2 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/12/2025 | 06/26/2026 | Bi-Monthly Book Study around The Morning Miracle Families helping families set daily affirmations and intentions. | PTA, PC & School Librarian |
| 09/15/2025 | 06/26/2026 | CHILD MIND INSTITUTE workshops FOR families | CHILD MIND INSTITUTE SOCIAL WORKER |
| 09/08/2025 | 09/07/2026 | Wellness Website Page on PS 112 website | LIBRARIAN & SOLVED CONSULTANTS |

# Priority 2 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

School Librarian, PBIS/Character Cluster Teacher, SOLVED consultant, CHILD MIND INSTITUTE SOCIAL WORKER, Parent Coordinator

### Instructional Resources

ABC's Core Values of PS112M, Miracle Morning Book and Workbook by Hal Elrod, Meddy Teddy Calming Kits, Miracle Morning Coloring Books, Fidgets, Crash Mats,

### Schedule Adjustments

Per session for afternoon and evening sessions to accommodate parent schedules, flexibility in schedules for crisis intervention

### Other Resources Needed

Replenishment of items and incentives for the BEE Bucks Bodega, funds for replenishment of Miracle morning books, website management funds (SOLVED), CHILD MIND INSTITUTE FUNDS (NEW 2025)

# Section 5: Priority 3 – All students have a high-quality academic experience

## Priority 3 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| At the end of the 2024-2025 school year, 47% of all students, from Kindergarten through Second grade, reached a benchmark in Math as measured by ECAM. (Represents an increase from 45% EOY 2023- 2024). At the end of the 2024-2025 school year, 50% of all students, Kindergarten through Second, reached a benchmark in Math as measured by Acaidence Math | 1. In most classes teachers believe the grade level benchmarks are not attainable for all students. 2. In some classes the state standards are considered the maximum possible level a student can achieve (ceiling vs. floor). 3. In most classes, when students do reach the benchmark, they are now being challenged to go beyond. 4. Gaps within the investigations curriculum that did not meet grade standards. . 5. Approximately 3/4 of classroom teachers lack a solid understanding of math pedagogy and how to teach reading to early emergent readers. 6. | All students K-2 |

| | | |
|---|---|---|
| (Represents an increase from 45% EOY2023- 2024). | Teachers have begun to explore their implicit biases surrounding our school community | |
| At the end of the 2024-2025 school year, 22% of Kindergarten students reached a benchmark in math as measured by ECAM. (Represents a decrease from 26% EOY 2023-2024). At the end of the 2024-2025 school year, 58% of Kindergarten students reached a benchmark in math as measured by Acadience Math. (Represents an increase from 41% EOY 2023-2024). | 1. In most classes teachers believe the grade level benchmarks are not attainable for all students. 2. In some classes the state standards are considered the maximum possible level a student can achieve (ceiling vs. floor). 3. In most classes, when students do reach the benchmark, they are now being challenged to go beyond. 4. Gaps within the investigations curriculum that did not meet grade standards. . 5. Approximately 3/4 of classroom teachers lack a solid understanding of math pedagogy and how to teach reading to early emergent readers. 6. Teachers have begun to explore their implicit biases surrounding our school community | Kindergarten |
| At the end of the 2024-2025 school year, 47% of 1st Grade students reached a benchmark in math as measured by ECAM. (Represents a decrease from 58% EOY 2023-2024) 45% of 1st Grade students reached a benchmark in math as measured by Acadience Math. (Represents an increase from 40% EOY 2023-2024) | 1. In most classes teachers believe the grade level benchmarks are not attainable for all students. 2. In some classes the state standards are considered the maximum possible level a student can achieve (ceiling vs. floor). 3. In most classes, when students do reach the benchmark, they are now being challenged to go beyond. 4. Gaps within the investigations curriculum that did not meet grade standards. . 5. Approximately 3/4 of classroom teachers lack a solid understanding of math pedagogy and how to teach reading to early emergent readers. 6. Teachers have begun to explore their implicit biases surrounding our school community | First Grade |
| 71% of 2nd Grade students reached a benchmark in math as measured by ECAM. (Represents an increase from 53% EOY 2024) 47% of 2nd Grade students reached a benchmark in math as measured by Acadience Math. (Represents a decrease from 52% EOY 2024) | 1. In most classes teachers believe the grade level benchmarks are not attainable for all students. 2. In some classes the state standards are considered the maximum possible level a student can achieve (ceiling vs. floor). 3. In most classes, when students do reach the benchmark, they are now being challenged to go beyond. 4. Gaps within the investigations curriculum that did not meet grade standards. . 5. Approximately 3/4 of classroom teachers lack a solid understanding of math pedagogy and how to teach reading to early emergent readers. 6. Teachers have begun to explore their implicit biases surrounding our school community | Second Grade |

# Priority 3

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Academics**

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

# Priority 3 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | By June 2025, the percentage of all students on or above grade level in the area of Math, will increase 19% from 51% to 70%, as measured by ECAM Early Childhood Assessment of Mathematics). | By June 2026, the percentage of all students on or above grade level in the area of Math, will increase 23% from 47% to 70%, as measured by ECAM (Early Childhood Assessment of Mathematics) |
| All Students | 50% | By June 2026, the percentage of all students on or above grade level in the area of Math, will increase 20% from 50% to 70%, as measured by Acadience Math. |

# Priority 3 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

# Priority 3 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Targeted small group and individual instruction based on data from ECAM and Acadience assessment and end of unit curriculum assessments.

FunFastic Friday targeted Math Games and Activities to address student individual needs based on data from ECAM and Acadience Math Assessments. This will provide opportunities for families to understand the curriculum and standards and practice with their children at home.

MTSS Math interventions: Tier I, Tier II, Tier III(provided by math coach, peer collaborative teacher) 5x's a week

**Root Cause Addressed:**

Teachers belief the grade level benchmarks are not attainable. 2. In some classes the state standards are considered the maximum possible level a student can achieve (ceiling vs. floor). 3. In most classes, when students do reach the benchmark, they are now being challenged to go beyond.

Gaps in curriculum

Approximately 3/4 of classroom teachers lack a solid understanding of content

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

# Priority 3 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 10/10/2025 | 06/19/2026 | Weekly FunTastic Friday targeted Math Games and Activities, in partnership with parents and families. | PTA, Parent Coordinator, Math Coach, Teachers |
| 10/03/2025 | 06/12/2026 | Monthly Math Workshops to extend to Pre K | Math Coach and PC |

# Priority 3 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Math Coach, Peer Collaborative Teacher, MTSS Math Team, Parent Coordinator

### Instructional Resources

Envisions Supplemental Curriculum to Savaas/TERC Curriculum, data driven Math Games and activities, MyLibrary Math Games, Touch Math

### Schedule Adjustments

Peer Collaborative Teacher, FunTastic Friday Math block

### Other Resources Needed

MyLibrary Math Game Resources, Funds for incentive for workshops, food and supplies

# Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

## Priority 4 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| ECAM Counting | Gaps within the Investigations/TERC curriculum. Limited opportunities for | Awareness of and exposure to financial literacy |

| | | |
|---|---|---|
| strand | exposure and practice with coins<br>Void in literacy curriculum | |
| ECAM Counting strand | Gaps within the Investigations/TERC curriculum. Limited opportunities for exposure and practice with coins<br>Void in literacy curriculum | Integration of financial literacy into the units of study where applicab |
| ECAM Counting strand | Gaps within the Investigations/TERC curriculum. Limited opportunities for exposure and practice with coins<br>Void in literacy curriculum | Evolution of ABC's of 112 into PBIS will provide students with daily exposure to coins/dollars when receiving and exchanging BEE BUCKS, including higher demonations,and the introduction of layaway at PS112 School Store. |

# Priority 4

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for College and Career Readiness**

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

# Priority 4 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | By June 2025, the percentage of students performing on grade level within the counting strand of ECAM, will increase 10% from 60% to 70% as measured by ECAM. | By June 2026, the percentage of students performing on grade level within the counting strand of ECAM, will increase 23% from 47% to 70% as measured by ECAM. |

# Priority 4 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

# Priority 4 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Using ECAM data(Counting Strand) to identify gaps in financial literacy.

Integration of financial literacy into the units of study where applicable.

Evolution of ABC's of 112 into PBIS provides students with daily exposure to coins/dollars when receiving and exchanging BEE BUCKS, to shop, bi-weekly, at the BEE BUCK BODEGA, PS112's school store. Students are being exposed to the concepts of save, save, borrow and buy as well as shop and browse.

**Root Cause Addressed:**

Awareness of and exposure to financial literacy.

Integration of financial literacy into the units of study where applicable.

Gaps within the Investigations/TERC curriculum. Limited opportunities for exposure and practice with coins. Void of concepts in literacy curriculum.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| PS 112 will include larger denomonations of bills this year for students to swap and excahnge on shopping weeks. Students will role play banker and customer bi-weekly to exchange money in wallet to prepare for shopping. |
| |

| |
|---|
| Second Graders will be hired to manage and run the Bodega bi-weekly. This will include reorder and restocking of materials including managing inventory. |
| Layaway was introduced last year and will continue this year. |
| Using ECAM data(Counting Strand) to identify gaps in financial literacy |
| Integration of financial literacy into the units of study where applicable |
| Introductory lessons on shop vs. browse and store vs. library. |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
|---|
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

# Priority 4 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/15/2025 | | Collaboration with families for student daily exposure to coins/dollars when receiving and exchanging BEE BUCKS,during bi-weekly shopping at the BEE Bucks Bodega. | PTA, PBIS/Character Education Specialist and Identified school staff |
| 10/06/2025 | | Invitation and engagement on school trips fostering knowledge about taught concepts of financial literacy | |
| | 06/26/2026 | Parent Workshop Attendance rewarded by BEE BUCKS | |

# Priority 4 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

PBIS/Character Education specialist cluster, Family School Aide, PTA

**Instructional Resources**

updated units of study, Envisions, PS112 Core Values and PBIS/Character Education  Curriculum

**Schedule Adjustments**

scheduled bi-weekly store hours and student employee hours

**Other Resources Needed**

# Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

## Priority 5 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| over the last 6 years we have | 1. Increased amount of charter schools within the district and nearby districts. 2. After COVID many families have | Register loss |

| | | |
|---|---|---|
| lost approximately 80 students | left the state. 3. An increase in Newcomer families discharge due to relocation. | |
| average of 15% attendance at monthly PTA meetings | 1. Time meetings are held 2. Need for increased advertisement | Increased Parent Involvement |
| average of 15% attendance at monthly parent workshop | parent burnout lack of community for subgroups | Workshops to support and gain strategies: parenting workshops, academic supports, fun family engagement activities |

# Priority 5

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Focus Areas for System Responsiveness to Parents, Families and Communities**

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

# Priority 5 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| Parents of All Students | 160 | By June, 2026, the Enrollment within grades K2, will Increase will Increase by 65 from 160 to 225 as measured by Enrollment Registers and Projections. |
| Parents of All Students | All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2025, the We will build the capacity of all families as their child's primary advocate. By June 2024, the percentage of families who feel supported by school staff to make decisions about their child's programs, will increase by 9%, from 86% to 95%, as measured by NYC School Survey Results. will Increase by 10% from 75% to 85% as measured by NYC School Survey Results. | By June, 2026, we will build the capacity of all families as their child's primary advocate. The percentage of families who feel supported by school staff to make decisions about their child's programs, will increase by 2%, from 98% to 100%, as measured by NYC School Survey Results. |

# Priority 5 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. | Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/08/2025 | 09/07/2026 | Increased resources and family opportunities to engage in at home literacy activities with students, including: books, magazines, online library, virtual book clubs | School Librarian |
| 10/03/2025 | 06/12/2026 | Family First Fridays Saturday Family Literacy Days. Website Committee Partners/CBOs Leveraged (if applicable) School Librarian PTA UNION S | PTA UNION Settlement CBO |
| 09/08/2025 | 06/26/2026 | Website Committee | |

# Priority 5 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

School Librarian, Parent Coordinator, PTA Executive Board, Recruitment Team, Branding Company, SOLVED Website Partnership, Chess Instructor

### Instructional Resources

MyLibrary NYC, Literacy materials (various), Core curriculum, Data Driven Math Games, Arts materials, Chess Boards, Science materials

### Schedule Adjustments

Schedule adjustments for school librarian schedule, Schedule adjustments for literacy/math coach schedule, Friday night/ Saturday morning permits.

### Other Resources Needed

# Section 5: Attendance/Chronic Absenteeism

## Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| of students in K2 are chronically absent as measured by Insight. | Lack of awareness of the importance of K2 schooling | Increase daily student attendance |
| of students in K2 are chronically absent as measured by Insight. | Transportation | Decrease the percentage of students who are chronically absent |
| of students in K2 are chronically absent as measured by Insight | Chronic illness Transportation Lack of awareness of the importance of K2 schooling | Increase access to curriculum |

# Attendance/Chronic Absenteeism

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

**Systemwide Focus Area for Attendance/Chronic Absenteeism:** Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

# Attendance/Chronic Absenteeism SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | By June, 2025, the percentage of students who are Chronically Absent will decrease by 10%, from 44% to 34%, as measured by the Insight Chronic Absenteeism Reports. | By June, 2026, the percentage of students who are Chronically Absent will decrease by 20%, from 61% to 41%, as measured by the New Vision Portal. |

# Attendance/Chronic Absenteeism Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). # Attendance/Chronic Absenteeism Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Monthly attendance incentives
Teachers will use 55 minutes of parent engagement time to conduct parent outreach.

**Root Cause Addressed:**

Lack of awareness of the importance of K2 schooling
Transportation

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Teachers will use 55 minutes of parent engagement time to conduct parent outreach. |
| Walking School bus/Early Drop off |
| |
| |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Teachers will use 55 minutes of parent engagement time to conduct parent outreach. |
| Walking School bus/Early Drop off |
| Monthly Attendance Incentives |
| Each classroom will report patterns of chronic absenteeism in students to escalate chronic absentee student cases. Assigned staff member will conduct parent outreach. |
| Escalated cases will be referred to attendance teacher for additional outreach. |
| Principal/AP will review escalated cases and intervene as necessary. Principal/Parent/PC meeting will take place. . |
| Attendance Team will analyze attendance data on a weekly basis. |
| Increased HOT days with raffle incentives |
| VIP assemblies |
| Building Relationships with parents |
| Morning phone calls at 845 am to check in |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

# Attendance/Chronic Absenteeism Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 10/06/2025 | 06/26/2026 | Walking School Bus/Early Drop off | Manhattan Center Students Parent Coordinator PTA Executive Board Family Worker Family School Aide |
| 10/06/2025 | 06/26/2026 | Family First Fridays | Parent Coordinator PTA Executive Board |

# Attendance/Chronic Absenteeism Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Two Additional School Aides, Manhattan Center Senior students, transportation paras

### Instructional Resources

Games and activities

### Schedule Adjustments

Adjustment to school aide/para work day 730 am-330 pm

### Other Resources Needed

Per-session to support adjustment to work day for identified staff

# Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

## High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.) |
|---|---|---|
| EP Review Process Feb - June 2026 | New teacher influx /lack of understanding or knowledge of IEP writing | IEP Development and Fidelity of Implementation |
| 43% of students are on or above grade level in Reading | New teacher influx /lack of understanding or knowledge of IEP writing | Transition Planning and Compliance |

| | | |
|---|---|---|
| 43% of students are on or above grade level in Reading | New teacher influx /lack of understanding or knowledge of the SIT Team and Process | Referral Process and Equity |
| 43% of students are on or above grade level in Reading | New teacher influx /lack of understanding or knowledge of descalation techniques | Equity in School Discipline |
| | | |

# High Quality Inclusive & Accessible Learning for Students with Disabilities

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:**

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

# High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| Students with Disabilities (SWD) | By June, 2024, to strengthen the quality and implementation of IEPs for All Students with Disabilities, we will improve Alignment ofIEP's across present level of performance PLOP, goals, and recommended programs and services Increasing 10%, from 80% to 90%,as measured by the Quality IEP Rubric and IEP Review | By June, 2026, to strengthen the quality and implementation of IEPs for All Students with Disabilities, we will improve Alignment of IEP's across present level of performance PLOP, goals, and recommended programs and services Increasing 10%, from 80% to 90%,as measured by the Quality IEP Rubric and IEP Review |

# High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

IEP Quality  Rubric

**Enter a Key Performance Indicator**

IEP Review by specialty team

**Baseline:**

80%

**Enter the date for the baseline data:**

October 225

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

# High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

**Key Strategy 1 (Required):**

Through Professional Development and IEP Team collaboration, ensure program and service recommendations are appropriate for each student and provide access to the student's least restrictive environment. The present levels of performance will be aligned to the recommended services and the goals.

**Root Cause Addressed:**

Dis-alignment of IEP's across present level of performance PLOP, goals, and recommended programs and services

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Through Professional Development and IEP Team collaboration, ensure program and service recommendations are appropriate for each student and provide access to the student's least restrictive environment. The present levels of performance will be aligned to the recommended services and the goals. |
| Through work sessions unpacking the standards, teachers will develop appropriately rigorous standards-aligned annual goals. |
| Through professional development focused on characteristics of disabilities, teachers and providers will learn how to ensure "impact of disability" statements to reflect the effect of the student's disability on access, participation and progress in the general education curriculum. |
| The Special Ed Liaison will monitor compliance regarding IEP completion and related services delivered. |
| Conduct IEP meetings within specified compliance dates |
| Through ongoing professional development teachers will develop an understanding of the difference between delays due to language acquisition vs. disability. Teachers will be required |
| Monitor referrals to Special Education to ensure appropriate referrals only |
| Ensure “impact of disability” statements reflect the effect of the student's disability on access, participation and progress in the general education curriculum |

Ensure program and service recommendations are appropriate for each student and provide access to the student's least restrictive environment

Through ongoing professional development teachers will develop an understanding of the difference between delays due to language acquisition vs. disability. Teachers will be required to complete all tiers of MTSS and present data to SIT team prior to referring a student to special education

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Through Professional Development and IEP Team collaboration, ensure program and service recommendations are appropriate for each student and provide access to the student's least restrictive environment. The present levels of performance will be aligned to the recommended services and the goals.

# High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

| Start Date | End Date | Multi-tiered Supports to Engage Family & Community | Partners/CBOs Leveraged |
|---|---|---|---|
| 10/06/2025 | 06/26/2026 | Monthly office hours with Special Education Liaison for parents to ask questions related to IEPs | Special Ed Liaison, Parent Coordinator |
| | | | |

# High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.**

**Human Resources:**

Special Education Liaison

**Instructional Resources**

Quality IEP Rubric

**Schedule Adjustments**

SBO Monday PD, 60 minute sessions 2x per month

**Other Resources Needed**

# Section 6: Multi-Tiered Systems of Support (MTSS)

## Academic Support

**NYCPS Multi-Tiered Systems of Support (MTSS)** align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

**Tier 1** provides schoolwide, high-quality programming for all students, including SWDs;

**Tier 2** offers data informed small-group interventions for at-promise students; and

**Tier 3** delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

| Academic Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Reading Recovery Tier 3 | TBD | Reading Recovery | one to one | During | No |
| Reading Intervention Tier 3 | Lowest quartile | LLI | one to one | During | No |
| Reading Intervention Tier 2 | Lowest quartile | Fundations | Small Group | During | No |
| Math Intervention | Lowest quartile | TBD | Small Group | During | NO |
| SPIRE | Lowest quartile | SPIRE | one to one and small group | During | NO |

# Student Social/Emotional Support

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

| Student Social/Emotional Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Tier 2 PBIS Room | DESSA Screener | Self Regulation Strategies | one to one or small group | During | No |
| At Risk Counseling | DESSA Screener | Counseling | one to one or small group | During | No |
| At Risk Counseling/Art Therapy | DESSA Screener | Art Therapy | small group | During | No |

# Family and Community Engagement Around MTSS

**Describe how the school's essential components of MTSS are shared with families.**

PS 112 shares the essential components of MTSS (Multi-Tiered System of Supports) with families through a variety of clear, consistent, and family-friendly communication methods. These include:

Parent Workshops and Information Sessions: PS 112 holds regular workshops and meetings to explain what MTSS is, its purpose, and how it supports student success. These sessions break down the tiers of support, types of interventions, and how student progress is monitored.

Family Handbooks and Newsletters: PS 112 provides printed and digital materials—such as family handbooks, flyers, and newsletters—that outline the MTSS framework, including academic, behavioral, and social-emotional supports available at each tier.

Individual Student Meetings: When a student is receiving Tier 2 or Tier 3 interventions, schools involve families directly through student support team (SIT) or intervention meetings. These discussions include progress updates, data review, and collaborative planning.

Culturally Responsive Communication: MTSS information is shared in families' home languages, using accessible formats and interpreters when needed, to ensure equity and understanding across all communities.

Ongoing Two-Way Communication: Teachers, counselors, and interventionists maintain open lines of communication with families—via phone calls, emails, and parent-teacher conferences—fostering strong partnerships and shared responsibility for student growth.

2025-226 focus: Use of School Website and Digital Platforms: Key MTSS information will be available on the school website or parent portals, ensuring that families can access resources, updates, and contacts at any time.

**Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.**

Teachers use parent engagement weekly hours to communicate through email about student progress. Parents receive monthly emails or bi-weekly emails depending upon class size. A standardized template has been created and shared with teachers to ensure consistency and coherence in the communication all parents receive from each teacher across the school.

**Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.**

At PS 112, families play a vital role in the decision-making process regarding the progress of students receiving Tier 3 intensive intervention within a Multi-Tiered System of Supports (MTSS). Their involvement is ongoing, collaborative, and centered on ensuring the best outcomes for their child.

At the Tier 3 level, families are actively engaged in reviewing intervention data, discussing student progress, and

participating in problem-solving meetings with the MTSS team. Schools communicate regularly with families through scheduled meetings, phone calls, and written reports to share specific data on their child’s academic or behavioral progress. These meetings provide a forum for families to ask questions, share insights about their child's strengths and needs, and collaborate on next steps.

# Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

**Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.**

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

38

**After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?**

Students in Temporary Housing are supported in many ways at PS 112M. As soon as the school is made aware that the family is in temporary housing, outreach is made to assist the family in locating resources that they may need. There is a Backpack Program forall Students in Temporary Housings. These Backpacks are filled the necessary toiletries: soap, towel, toothbrush, toothpaste, comb, deodorant, socks, polo shirts, sweatpants, hoodie, jacket, and blanket. Items from out PS 112 Food Pantry are also given to those families. The Student in Temporary Housing Liaison, Secretary/Parent Coordinator and Pupil Accounting Secretary meet to discuss a plan of action for the family. Ongoing outreach, including the Guidance Counselor, Family STH School Aide, and Family Worker to the family is made while the student is in temporary housing and continues once they are in permanent housing. Appointments to the District 4 Boutique are made for parents of STH as necessary.

**Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?**

Students in Temporary Housing are supported in many ways at PS 112M. As soon as the school is made aware that the family is in temporary housing, outreach is made to assist the family in locating resources that they may need. There is a Backpack Program for all Students in Temporary Housings. These Backpacks are filled the necessary toiletries: soap, towel, toothbrush, toothpaste, comb, deodorant, socks, polo shirts, sweatpants, hoodie, jacket, and blanket. Items from out PS 112 Food Pantry are also given to those families. The Student in Temporary Housing Liaison, Secretary/Parent Coordinator and Pupil Accounting Secretary meet to discuss a plan of action for the family. Ongoing outreach, including the Guidance Counselor, Family STH School Aide, and Family Worker, to the family is made while the student is in temporary housing and continues once they are in permanent housing. Appointments to the District 4 Boutique are made for parents of STH as necessary.

The Family STH School Aide, is a new position created specifically to welcome, embrace and build relationships to provide continued support to the influx of STH families within the last two years.

# Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

**How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.**

Social-Emotional Supports
Individual Counseling with the school social worker to address trauma, anxiety, and emotional needs.

Small Group Support focused on building relationships, resilience, and coping strategies.

Check-In/Check-Out Systems for daily emotional support and consistent adult connection.

Schoolwide SEL Curriculum and community circles to foster a sense of belonging and emotional safety.

Academic Supports
Targeted Academic Intervention in reading and math through small group instruction.

Progress Monitoring to closely track academic growth and adjust support as needed.

One-on-One Support for students with IEPs, 504 Plans, or significant learning gaps.

Homework Help and After-School Programs to reinforce skills and build confidence.

**What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?**

Our school provides targeted supports for students in foster care through a dedicated STH Liaison who ensures immediate enrollment, coordinates records transfer, and connects students to counseling and academic interventions. Newly transitioning students receive social-emotional check-ins, individualized support plans, and

access to tutoring and mental health services. Through our MTSS framework, we monitor progress and adjust interventions to promote stability, engagement, and success in school.

**After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?**

Data often shows lower performance on assessments and chronic absenteeism linked to instability and lack of support. Frequent moves often lead to gaps in learning, inconsistent access to services, and difficulty forming peer or adult relationships. Many students in foster care exhibit signs of trauma, anxiety, or depression, impacting classroom behavior and engagement. Barriers such as transportation, lack of information, or unstable housing can limit participation in after-school programs or extracurriculars.

In order to improve services, we plan to establish immediate academic assessments and social-emotional check-ins during school entry or placement changes. We-also plan to offer a new cohort of TCIS training to train and refresh staff to recognize and respond to trauma-related behaviors with sensitivity and consistency. PS 112 strives to build strong, proactive relationships with foster families and child welfare agencies to coordinate supports. With the addition of Child Mind Institute last year, we provided on-site or referred services for mental health, tutoring, and enrichment activities to meet the whole child's needs.

**What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?**

With the addition of Child Mind Institute last year, we provided on-site or referred services for mental health, tutoring, and enrichment activities to meet the whole child's needs. These supports were also offered to students within the classroom (whole group) and 1:1.  Child Mind Institute also partnered with families to provide caregiver counseling services and parent workshops.

Child Mind Institute served as a mentor for our new guidance counselor. Ms. Pilarte was able to replicate services and sessions.  This structure will continue for the 2025-2026 school year.

The acquisition of our Academic  Therapy Dog, Nestlee Barbosa also plays a meaningful role in helping students in foster care transition into our school by providing emotional support, creating a sense of safety, and reducing stress during a time of major change.  Interacting with Nestlee serves as a bridge for students to begin forming positive relationships with school staff and peers. Nestlee creates a consistent, comforting presence that fosters feelings of inclusion and belonging.

# Section 7: Parent and Family Engagement Policy and School-Parent Compact

## Parent and Family Engagement Policy

**Directions:** The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

**Parent and Family Engagement Policy**

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 112, The Jose Celso Barbosa School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

## Support for Parents and Family Members of Title I Students

PS 112, The Jose Celso Barbosa School, will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

## Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

### Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand. The PS 112 website, Facebook and Instagram are additional methods of communication. Each platform is translated into parents native language to ensure accurate communication.

# School-Parent Compact (SPC)

### School-Parent Compact (SPC)

PS 112, The Jose Celso Barbosa School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

### I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

### I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

### I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

### I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

### II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

### III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

# Title I Program Information

## Part 1: Title I Program Type

**Title I Requirements and Strengthening Title I Parent Involvement:** Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

**Your school's Title I Program**

Title I SWP

# Part 2: All Title I Schools

**High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.**

Professional Development for all MLL Personnel:
(ENL and Dual Language Teachers)
Due to the complexity of our programs, our teachers must become highly effective in implementing instructional practices which meet the needs of our diverse population, while ensuring access to language experiences which promote oral language a nd literacy development in both languages through content-rich curriculum.

Professional Learning Opportunities for Teachers who service MLLs
We are engaging in the following learning opportunities this year:
Using oral language development as a vehicle to support MLLs writing development - study group led by ENL specialist.
Increasing the level of rigor and expectations of classroom teachers- study group/book club led by F Status ENL Teacher.
Intentional and explicit planning/teaching and scaffolding for the language of the specific discipline as well as for the language demands of complex texts for all educators to ensure students language and literacy progression throughout the various disciplines.- social studies a nd science, using advanced literacy and UDL as guide for planning a nd implementation. Study group comprised of all teachers.

Writing inter-woven throughout the day using a variety of engaging a nd meaningful experiences: Use of language experience charts,
digital language experience activity, interactive writing, structured writing, constructed responses, wall text support.

Professional Development for all Personnel:
(All Teachers and service providers)
To better support teachers who have not been trained to work with English Language Learners through their course work and/ or through specialized training/ professional development, a mini-course will be offered regarding understanding of the stages of second
language acquisition and differentiated instruction to support students at various stages. .
Planning for scaffolds which support writing development for all students.

Collaborative Team Teaching Planning for Service providers Provider and Classroom Teacher. Explore the fluidity of the six co-teaching models.

Gain a deeper understanding of the MTSS Model as it relates to effective instructional supports for all students
Analyze current approaches to assessment, with considerations for necessary, key adjustments;
Analyze data at the classroom and school levels to surface patterns and trends
Consider the corresponding adjustments needed to strengthen the instructional core and supplemental supports as they relate to all students.

# Part 4: Schoolwide Program (SWP)

**Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).**

Joint PD, Shared Expectations, Town Halls, Kindergarten Orientation,  sharing of records (articulation sheets), classroom visits, inter-visitation, and learning walks, access to 3K-Pre-K Social Worker and Instructional Coaches

# Part 5: "Conceptual" Consolidation of Funds in SWP Schools

**Directions:** All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

| Program Name | Fund Source (i.e. Federal, State or Local) | Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts) | Column A Verify with an (X) | Column B Section/Priority Reference(s) |
|---|---|---|---|---|
| Title I, Part A (Basic) | Federal | 34477 | x | MTSS, Title 3 After-school Program, Reading Recovery |
| Title I, School Improvement 1003(a) | Federal | 10000 | x | ASD, MLL, SEL |
| Title II, Part A | Federal | 4000 | x | Reduced Class Size of 12 or less to create small group intervention |
| Title III, Part A | Federal | 3600 | x | MLL, Title III afterschool program |
| Title III, Immigrant | Federal | 1200 | x | MLL, Title III afterschool program |
| Title IV, Part A | Federal | 5182 | x | SEL/PBIS LEAD |

| | | | | |
|---|---|---|---|---|
| Tax Levy (Fair Student Funding) | Local | 68000 | x | ASD, MLL, SEL |

# Explanation/Background

**1. Explanation/Background:**

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

**Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

# Submission Assurances

## Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

# Language Allocation Policy Outline

## Language Allocation Policy Outline

**2025-26 Language Allocation Policy (LAP)**

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents.  When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

# Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

# A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

**Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.**

| Member Title | Name |
|---|---|
| Principal* | Lisa Velazquez |
| Assistant Principal (Where Applicable)* | Nicole Bonaventura |
| English as a New Language (ENL) Teacher* | Rachel Lindsay |
| Teacher (if school has a bilingual program must be a bilingual teacher)* | Jaqueline Cinto Lozano |
| Parent/Guardian* | Jessica Prieto |
| Teacher | Yadria Rivas |
| Parent Coordinator | Patricia O'Shaughnessey |
| School Counselor | Shaila Pilarte |
| Related-Service Provider | Susan Morelli |
| Other (Name and Title) | |
| Other (Name and Title) | |

# B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

# 1. English to Speakers of Other Languages (ESOL) Certified Teacher

**Number of ESOL certified teachers currently teaching ENL:**

**Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:**

**Number of certified ESOL teachers not currently teaching ENL:**

**Number of teachers who hold both content area/common branch and ESOL certification:**

**Number of ESOL certified teachers with a bilingual extension:**

# 2. Certified Teachers with a Bilingual Extension

**Number of certified teachers with a bilingual extension currently teaching in a bilingual program:**

**Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:**

**Number of teachers certified to teach students with disabilities that also have a bilingual extension:**

# 3. Language Other than English (LOTE)/World Language Certified Teachers:

**Total number of teachers with LOTE certification:**

**Total number of teachers with LOTE certification providing World Language instruction:**

**Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:**

# C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

**Total number of students (excluding pre-K):**

174

**Total number and percentage (%) of current ELLs:**

63 (36.2%)

**Total number and percentage (%) of former ELLs:**

1 (0.6%)

**Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):**

63 (100%)

**Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):**

0

**Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):**

0

**Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):**

0

**Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):**

11 (17.5%)

# Part II: Bilingual Programs

**Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?**

Yes

**Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.**
**Please include the total number of classrooms for each bilingual program in the last column.**

| | Program Type | Language | School Yr Opened | k | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Totals |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| TBE | N/A | | | | | | | | | | | | | | | | 0 |
| TBE | N/A | | | | | | | | | | | | | | | | 0 |
| TBE | N/A | | | | | | | | | | | | | | | | 0 |
| DLBE | ICT | Spanish | | | | 1 | | | | | | | | | | | 1 |
| DLBE | ASD | Spanish | | 1 | 1 | 1 | | | | | | | | | | | 3 |
| DLBE | GE | Spanish | | 1 | 1 | | | | | | | | | | | | 2 |
| | | | | total: 2 | total: 2 | total: 2 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | |

# Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

**a. English as a New Language (ENL)**
**Stand-alone ENL:**

PS 112 offers an integrated and stand-alone ENL model based on student proficiency level and time allotments as per CR Part 154. Currently, our ENL coordinator/teacher, Rachel Lindsay, provides both a stand-alone and integrated model in grades Kindergarten through Second Grade both in the child's classroom as well as a separate location for more focused language acquisition tasks.

Stand-Alone Model

As per CR Part 154.2 our ELLs are heterogeneously grouped using NYSESLAT level data and homogeneously grouped by grade. Stand-alone ENL instruction for:

Entering and Emerging students are provided for a total of 180 minutes (broken down into four 45 minute periods) per week.

Transitioning level students who benefit from additional instruction in the development of English language skills are administered least 90 minutes of instruction (broken down into two 45 minute periods) per week.

Students who receive stand-alone ENL instruction, convene in the ENL classroom where they receive their ENL services through literacy instruction addressing all four language acquisition modalities (listening, speaking, reading, and writing). All instruction encompasses the rigorous language standards set forth in the Common Core, as well as the New Language Arts Progressions.

**Integrated ENL:**

Integrated Model

As per CR Part 154.2 ELLs are provided with Integrated ENL instruction, grouped by grade, in the content areas of science and/or social studies in keeping with their mandated minutes of instruction. ENL instruction is administered in two classes per grade, with delivery from the ENL teacher, Ms Lindsay, as well as the common branch licensed teacher (various instructors). The ENL teacher pushes into those designated classrooms, working collaboratively with the teacher, designing lessons which meet the needs of the students in terms of language and content objectives. Groups of ELLs in the classrooms who receive Integrated ENL instruction were intentionally programmed for class placement which would allow for optimal delivery of services. In addition, planning time is allotted for at least 2 common branches teachers with ENL provider once a week in order to support lesson planning and collaboration.

Entering and Emerging students are provided a total of 180 minutes (broken down into four 45 minute periods) per week.

Transitioning level students are administered 90 minutes of instruction (broken down into two 45 minute periods) per week.

Expanding level students are provided with 180 minutes of Integrated services (broken down into four 45 minute periods) per week.

Commanding level students are provided with 90 minutes of integrated services (broken down into two 45 minute periods) per week.

Students who receive Integrated ENL instruction, receive their ENL services through science and/or social studies instruction addressing all four language acquisition modalities (listening, speaking, reading, and writing). Currently, we are implementing best practices according to Advanced Literacy. All instruction encompass the rigorous language standards set forth in the Common Core, the NYCDOE Science Scope & Sequence/Next Generation Learning Science Standards, NYCDOE Social Studies Scope & Sequence, as well as the New Language Arts Progressions. This allows for best practices with regard to the delivery of appropriate and differentiated ENL strategies so as to ensure students are able to access the Next Generation Learning Standards-aligned curriculum. When ever possible, the students' Home Language is also used to ensure transference.

**b. Bilingual Education (If applicable)**

**Transitional Bilingual Education (TBE):**

TBE- not applicable

**Dual Language Bilingual Education (DLBE):**

PS 112 offers three Dual Language Program Models:

Dual Language ICT, (grades k-2)
Dual Language ASD NEST ICT, (grades k-2)
and Dual Language General Education. (grade k and 2)

All dual language models offer 50/50 Spanish, English instruction within a five day roller-coaster model. As a result students receive 675 minutes of instruction in both Spanish and English language (inclusive of reading, writing, math, social studies, and science).

As per CR Part 154, all dual language programs offer ELL students integrated and stand-alone ENL instruction based on student proficiency level and mandated time allotments, thus supporting the diverse linguistic needs of all ELLs while also providing and exceeding the mandated minutes expected for English language instruction. Students also receive Home Language Instruction in literacy as per the requirements.

Stand-Alone Model

As per CR Part 154.2 our ELLs are heterogeneously grouped by NYSESLAT level and homogeneously grouped by grade. Stand-alone ENL instruction for:

Entering and Emerging students are provided instruction for a total of 180 minutes (broken down into four 45 minute periods) per week.

Transitioning level students who benefit from additional instruction in the development of English language skills are administered least 90 minutes of instruction (broken down into two 45 minute periods) per week.

Students who receive stand-alone ENL instruction, are provided this instruction inside their classrooms, by the bilingually-certified pedagogue, through literacy instruction which addresses all four language acquisition modalities (listening, speaking, reading, and writing). All instruction encompasses the rigorous language standards set forth in the Common Core, as well as the New Language Arts Progressions.

**2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?**

PS 112 ensures the mandated number of instructional minutes for all ELLs  is adhered to by:

In the Freestanding ENL Program:

The ENL teacher/coordinator, uses the guidelines from CR Part 154 and students' NYSESLAT levels to program her class schedule and student schedules accordingly.

The ENL teacher/ coordinator meets with classrooms teachers to coordinate the students' stand-alone and integrated service mandates.

All schedules are programmed in STARS Classroom.

The ENL coordinator and Principal review monthly reports from Manhattan BCO to ensure that all students' minutes are accounted for.

For the Dual Language Program,

The classroom teachers use guidelines from CR Part 154 and students' NYSESLAT levels to program their class schedule and student schedules accordingly.

Teachers program the Integrated ENL and the standalone periods in their schedules.

Teachers create an individual class recording sheet identifying their ELLs' proficiency and required minutes for services.

Teachers provide the schedules to Administration who ensure all mandated minutes are accounted for.

All students are programmed in STARS . Administration ensures that all mandated minutes are explicitly accounted for and that these are integrated within content area instruction as well as English language skills.

ENL coordinator and Principal review monthly reports from Manhattan BCO to ensure that all students' mandated minutes are accounted for.

Delivery of instructional Minutes

Freestanding ENL Program:

ENL: Integrated ENL within the content area is co-taught by the ENL teacher and common branches-licensed teacher in either Science or Social Studies. In grade K: Social Studies, Grade 1: Social Studies, Grade 2: Science. All content is taught with the integration of all four modalities (Listening, speaking, reading, and writing) and through an inquiry-based, interactive approach. Explicit language goals are planned for and included within each task.

Entering & Emerging level students are provided with 180 minutes of Integrated services (broken down into four 45 minute periods) per week.

Transitioning level students are provided with 90 minutes of Integrated services (broken down into two 45 minute periods) per week.

Expanding level students are provided with 90 minutes of Integrated services (broken down into two 45 minute periods) per week.

Commanding level students are provided with 90 minutes of integrated services (broken down into two 45 minute periods) per week.

ELA:

PS 112 has a minimum 120 minutes literacy block, which is inclusive or all components of balanced literacy. The classroom teachers provide this for all students, inclusive of ELLs.

An Integrated ENL/ELA component is provided by the ENL teacher for 90-180 minutes of rigorous English language instruction through the intentional planning of tasks which support English oral language as well as literacy progression. Additional support is provided in phonics using Words their Way and Reach into Phonics programs.

Entering and Emergent students receive 1 unit as part of the Integrated ENL- provided for a total of 180 minutes (broken down into four 45 minute periods) per week.

Transitional students receive 90 minutes (.5 unit) as part of integrated ENL/ (broken down into two 45 minute periods) per week
Expanding students receive 90 minutes of ELA (.5 unit) within their integrated ENL, broken down into two 45 minute periods) per week.

HLA:

Home Language Arts instruction is provided by the ENL teacher as an instructional support. At PS 112 we implement HLA using a variety of tools:

We have a robust library of Home Language materials available to our students based on their Home Language (where available; still searching for materials in Wolof and Sonike). We are expanding these libraries continually, including materials coming in to serve our Arabic-speaking and Mandarin Chinese-speaking populations.

We also use technology to support Home Language instruction via programs such as Barrio Sesamo (Sesame Street's Spanish language version of its programming), interpersonal communication instruction based on multilingual interview clips, activities implementing translation technology, educational YouTube videos which highlight academic vocabulary in the students' Home Language.

Phrases, sentence structures, and student-created excerpts in ELLs' Home Languages are posted and celebrated in the ENL classroom as well as on bulletin boards, giving ELLs the opportunity to demonstrate their multilingualism and share their culture with their peers.

Dual Language Program

ENL: Integrated ENL within the content taught in all subject areas:

Math, Science, and Social Studies

Math two forty five minute periods

Science three forty five minute periods (2 delivered by Bilingual certified teacher)
Social Studies one forty five minute period

All levels receive 1.5 units of integrated ENL within the content/ ENL period.

ELA:

PS 112 has a minimum 120 minutes literacy block, which is inclusive or all components of balanced literacy. The literacy block is delivered in alternating languages- Spanish or English- as part of the roller coaster model.The classroom teachers provides this for all students inclusive of ELLs.
Dual Language classes have five, forty five minute ELA periods (1.5 units).
Integrated ENL/ ELA component provides 225 minutes of rigorous English language instruction through the intentional planning of tasks that support English oral language and literacy progression. Additional support is provided in phonics using Reach into Phonics.?

HLA:

PS 112 has a minimum 120 minutes literacy block, which is inclusive or all components of balanced literacy. The literacy block is delivered in alternating languages- Spanish or English- as part of the roller coaster model.The classroom teachers provides this for all students inclusive of ELLs.

Dual Language classes have five, forty five minute HLA periods (1.5 units).

HLA component provides 225 minutes of rigorous English language instruction through the intentional planning of tasks that supports Spanish oral language and literacy progression. Additional support is provided in phonics using Estrellita, and literacy using Adelante Program.

### 3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Instructional minutes for ELA, ENL, and HLA are determined for each student based on their most recent NYSESLAT levels. Once the mandated minutes for each program are assessed via the Units of Study tables, the information is entered into STARS, mandates shared with classroom teachers and instructional groups formed.

Home Language Arts programming is delivered in our Dual Language classrooms by the Bilingually Certified teacher. ELLs are and programmed for HLA groups according to their NYSESLAT level which determines how many units of study ELLs receive per week. In our Stand-Alone ENL setting, student learning is supported through access to HL libraries which have texts representing all languages spoken at our school.

**4. For schools with Dual Language Bilingual Education (DLBE) programs:**

**a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.**

In both programs offered at PS 112 (Stand Alone ENL and Dual Language), teachers plan intentionally for content, literacy, and language objectives using a variety of curricula, resources, and data. All curricula is aligned to the NYS Next Generation Standards, NYCDOE Science Scope and Sequence and Next Generation Learning Science Standards, NYCDOE Social Studies Scope and Sequence, and NYS New Language Arts Progressions (NLAP) and Home Language Arts Progressions (HLAP).

Literacy Content/ Curriculum:

In Dual Language Classrooms, we teach literacy instruction for 120 minutes in the language of the day.

Phonics: We teach phonics instruction in the child's language of dominance in kindergarten (small groups) as well as guided reading- sequential literacy. For English Instruction we use Fundations, and for Spanish Instruction we use Estrellita. Word Study

Phonics: In grades 1-2 we deliver simultaneous literacy with the exception of students who need intervention in their language of dominance (alternate days/ roller coaster model 50/50), and therefore receive explicit phonics instruction in their language of dominance, as determined by battery of assessments in both languages. For English Instruction we use Fundations, and for Spanish Instruction we use Palabras a su Paso Word Study (HLA) and Estrellita Word Study for intervention. Language objectives are planned for all multilingual learners.

Reading: In all grades we deliver explicit reading instruction using the comprehensive framework , balanced literacy model, through simultaneous literacy in both languages (alternate days/ roller coaster model 50/50). We teach reading lessons through the Teachers College Reading Writing Project (TCRWP). We also plan for shared reading lessons using various resources. For Spanish, we also purchased Adelante Program to support with shared reading lessons and guided reading lessons. We plan intentionally for English lessons using scaffolds and supports.

Guided Reading/ Small group reading: In kindergarten, and for intervention throughout the grades, we use language of dominance to support reading development. We use Leveled Literacy Intervention (LLI) , Fountas and Pinell Guided Reading program, Reach, English Language Learner Texts Sets/ Sun Dance (all English) and Adelante (Spanish), as well as other resources.

Writing : In all grades we deliver explicit writing instruction using the comprehensive framework , balanced literacy model, through simultaneous literacy. We teach writing lessons through the Teachers College Reading Writing Project (TCRWP). We also plan for shared writing and interactive writing lessons using various resources. We plan intentionally for English lessons using scaffolds and supports. Writing Units of studies are conducted in alternating languages (Spanish/ English -4 Units in Spanish and 4 Units in English).
Scaffolds provided aligned with the work from "Scaffolding Language, Scaffolding Learning" (Pauline Gibbons) and "Differentiating for English Language Learners" (Fairbairn and Jones)

Literacy through Content Area: Based on the work from Lesaux and Harris, Cultivating knowledge Building Language, teachers designed inter-disciplinary lessons using the four hallmarks for Advanced Literacy. Teachers explicitly plan for all four modalities within content area- social studies or science (Using Next Generation Learning Standards, NYCDOE Scope and Sequence, and Next Generation Learning Science Standards).

In ENL standalone and Integrated Programs: , For students in these classrooms we teach literacy instruction for 120 minutes in English, with ENL teacher providing explicit scaffolds and supports as per the school-wide literacy programs.

Phonics: ENL teacher supplements using Words their Way for Stand Alone ENL.

Reading: ENL teacher supplements using Reach into Phonics, English Language Learners Text Sets, online resources such as NatGeo

Panorama, and other resources which support ENL development.

Math Curriculum: Investigation and Context for Learning with scaffolds provided to support ENL progression and HL Support (Spanish).
In Dual Language Programs we abide to the alternate day, roller coaster 50/50 model.

Science and Social Studies: Inquiry-based units which integrate literacy and the NYCDOE Scope and Sequence for Science, Next Generation Learning Science Standards, Amplify Science Program (just purchased 2019), NYCDOE Scope and Sequence for Social Studies are used.

-Integration of academic collaborative conversations using the work from Stanford University, "Constructive Classroom Conversations:
-Mastering the Language of the Common Core State Standards in all classrooms.

We meet in dual language vertical teams inclusive of ENL coordinator, study groups, and professional learning communities to create lessons which support the diverse linguistic needs for our students. As such, we continue to engage in best practices in order to plan intentionally for highly-effective lessons, deliver them, and share results as exemplars to our colleagues.

Analyze Conversation Analysis Tool from Stanford NovaEd online course, to assess student to student conversations.

We use Universal English Language Development Speaking Rubrics to assess for oral language development.

Teacher teams meet and analyze student transcripts and videos using these rubrics along with the above data and resources to intentionally target language outcomes.

Teacher teams also analyze the complexity of texts using the resources from Nonie Lesaux and Aida Walqui to analyze and plan for the language demands.

The following instructional strategies are used: (from but not limited to):

Study group: from Ruth Sweeney's text: Connecting Content and Academic Language for ELLs and Struggling Students, and Gibbons text: Scaffolding Language, Scaffolding Learning, teachers plan intentionally for comprehensible, language), "Differentiating for English Language Learners" (Fairbairn and Jones), and Cultivating knowledge Building Language, teachers designed inter-disciplinary lessons using the four hallmarks for Advanced Literacy (Lesaux and Harris).

To support background knowledge and vocabulary, we use an inquiry-based approach to learning (thematic / interdisciplinary), where students are immersed in hands-on experiences through virutal field trips, media, visual aids, and frontloading of vocabulary. We also use graphic organizers such as concept maps and semantic maps to support the oral language development and academic language.

Technology is woven into the curriculum as a means to differentiate and support all learners in all four modalities.

Sentence frames and sentence starters (differentiated for various proficiency levels) are provided to support students engaging in academic discourse. Explicit teaching of Tier 2 words throughout the school allows for the development of academic vocabulary for all students.

We also address syntax and vocabulary intentionally within our shared reading texts (which are aligned to standard 10 and are representative of various content areas/informational texts) which allow for students to dissect and interpret a familiar text for multiple opportunities.

**b. In which language(s) is each core content area taught?**

English and Spanish using the Rollercoaster Model

**5. For schools with Transitional Bilingual Education (TBE) programs:**

**a. Which core content areas are taught bilingually?**

n/a

# Part IV: Data Analysis

## Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

**1. What is the composition of the ELL subgroups at your school?**
**What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?**

As we are a K-2 school, 100% of our ELLs are considered Newcomers. We have also been registering many ELLs who are new to the city and the country as they have recently immigrated to the US and found a home at our school. We have been diligent about creating supportive environments, supplying resources and developing level-appropriate instruction for these new additions to our community.

**What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?**

As a K-2 school, we do not have SIFE students.

**What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?**

As a K-2 school, we do not have Long-Term ELLs.

**What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?**

We have1 Former ELL at 0.6% of our total ELL population. We always ensure Former ELLs are granted their entitlement to 2 years of additional, transitional supports via 90 minutes of ENL instruction per week. This can take the form of small group instruction, project-based learning, or Integrated ENL through ELA / Core Content areas.

**2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?**

Noticeable as-risk factors for our ELLs include 57% are currently residing in temporary housing. In addition, 10% of our ELLs did not demonstrate sufficient ELP progress per the Spring 2025 NYSESLAT.

**3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?**

N/A

**4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?**

As of Spring 2025, our top languages for communication include 58 Spanish speakers, 2 Arabic, 2 Chinese, and one Fulani speaker. We endeavor to always send communications home in the parents' preferred language where available. We ensure all classrooms with ELLs have a rich home language library. We celebrate all holidays and observances that our ELLs have a connection with and incorporate their languages into signage, banners, songs, etc.

**5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?**

We extend celebrations, cultural observances, performances, shows, assemblies & community-wide actions to incorporate all cultures & languages represented by students, family and community at PS 112. Our music teacher Mr. Eric includes all languages spoken by ELLs at PS 112 into the school song each year; changing the lyrics as our community tapestry changes from year to year. We have school-wide celebrations such as our Annual Multicultural Festival, culture-based performances presented by the music & dance department, Dual Language department parades and dress-up parties, Hispanic Heritage spirit week with a focus on heroes, traditions, foods, dress, sports, and culture, among others.

All languages and cultures are respected and celebrated at PS 112 as part of our PBIS system which focuses on mutual respect and accountability.

**6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?**

About 90% of our ELLs demonstrated sufficient ELP at our school while around 10% did not. We noticed that most of the deficiencies could be seen in the reading and writing modalities. Therefore, we have set up RtI groups to include those ELLs in order to ensure they are receiving all interventions and supports and will see even more improvement in our ELP growth in future.

**7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?**

Overall, we noticed a strengths in listening & speaking modalities while the reading and writing modalities show significant room for improvement. As a team, the ENL & DL departments met to debrief after administration of the NYSESLAT concluded. We discussed the areas that we felt we could improve on as educators and planned collaboratively for future test administrations. Some of these collaborations included sharing various tools, strategies, and plans for teaching the students the most optimal methods for answering writing questions such as Short Constructed Responses and Extended Constructed Responses. We also shared our observations for the reading modality of the NYSESLAT and came to a consensus that stamina was the main culprit for our students test fatigue. We reviewed each other's strategies for reading multiple passages and answering questions based on those passages; all strategies and ideas were shared collaboratively on our school Drive.

**8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?**

N/A (as a K-2 school, the NYSESLAT is our only state assessment)

**9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?**

The NYSESLAT results indicate that we have ELLs with IEPs across all EL levels. However, there is a much wider gap between ELLs (not in a subgroup & the majority) and our ELLs with IEPs at the newcomer level (subgroup in the minority); this may be due to the fact that the majority of our newcomers are new to the city and may not have had the opportunity to be evaluated yet for additional services yet.

**10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:**
**a. How many ELLs are on-track towards graduation?**

N/A

**b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?**

N/A

**c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?**

N/A

**d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?**

N/A

# Part V: ML/ELL Instruction

## Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

## Tier 1 Core Instruction

**1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?**

Teacher teams will target decoding skills and strategies, as per their ongoing data (Data analysis) and plan for these literacy skills collectively throughout the balanced literacy components (inclusive of centers and shared reading) throughout each unit of study through small group and individual targeted instruction. Teachers will progress monitor for phonological awareness, and phonics development, and adjust instruction for Tier 1 - Core instruction and intervention, using ACADIENCE, Fundations, informal observations and individual student goals. Use data to differentiate Fundations, word work lessons and center activities through small group instruction and Heggerty phonemic awareness instruction. Identify and Target individual students reading behaviors and plan for these behaviors through the use of individual student goals, student bookmarks, targeted small group reading, and independent reading conferences. Teachers will progress monitor for accuracy, automaticity, and comprehension using informal running records, conference notes and individual student reading goals. Through observation and feedback cycles, administration will progress monitor the effectiveness of teacher planning, preparation and implementation. Through ongoing data conferences, administration will progress monitor the effectiveness of teacher planning, preparation and implementation.

**2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?**

PS 112 features a dedicated team of grade-level teachers, specialists, and curriculum coordinators who meet weekly on grade-levels to collaborate and ensure consistency and alignment. We use scaffolding strategies like visuals, sentence frames, and graphic organizers to ensure ELL access to curriculum. We employ flexible grouping to target support based on language proficiency, integrate culturally responsive teaching to connect learning with students' backgrounds,  and explicitly teach academic vocabulary using word walls, sound walls, vocabulary journals, and interactive activities.

We daily implement focused vocabulary instruction, use contextualized learning, or teaching vocabulary through meaningful content, encourage use of new words in speaking and writing, and utilize technology tools like digital flashcards and vocabulary apps.

Teachers at PS 112 scaffold writing tasks to gradually increase complexity, provide models of good writing and mentor texts, use writing as a way to deepen understanding of content and language and offer opportunities for revision and feedback, including peer review.

**3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.**

PS 112 offers an integrated and stand-alone ENL model based on student proficiency level and time allotments as per CR Part 154. Currently, our ENL coordinator/teacher provides both a stand-alone and integrated model in grades Kindergarten through Second.

Stand-Alone Model

As per CR Part 154.2 our ELLs are heterogeneously grouped by NYSESLAT level and homogeneously grouped by grade. Stand-alone ENL instruction for:

Entering and Emerging students are provided for a total of 180 minutes (broken down into four 45 minute periods) per week.

Transitioning level students who benefit from additional instruction in the development of English language skills are administered least 90 minutes of instruction (broken down into two 45 minute periods) per week.

Students who receive stand-alone ENL instruction, convene in the ENL classroom where they receive their ENL services through literacy instruction addressing all four language acquisition modalities (listening, speaking, reading, and writing). Al l instruction encompasses the rigorous language standards set forth in the Common Core, as well as the New Language Arts Progressions.
Integrated Model

As per CR Part 154.2 ELLs are provided with Integrated ENL instruction, grouped by grade, in the content areas of science and/or social studies in keeping with their mandated minutes of instruction. ENL instruction is administered in two classes per grade, with delivery from the ENL teacher as well as the common branch licensed teacher.

The ENL teacher pushes into those designated classrooms, working collaboratively with the teacher, designing lessons which meet the needs of the students in terms of language and content objectives. Groups of ELLs in the classrooms who receive Integrated ENL instruction were intentionally programmed for class placement which would al low for optimal delivery of services. In addition, planning time is allotted for at least 2 common branches teachers with ENL provider once a week in order to support less on planning and
collaboration.

Entering and Emerging students are provided a total of 180 minutes (broken down into four 45 minute periods) per week.

Transitioning level students are administered 90 minutes of instruction (broken down into two 45 minute periods) per week.

Expanding level students are provided with 180 minutes of Integrated services (broken down into four 45 minute periods) per week.

Commanding level students are provided with 90 minutes of integrated services (broken down into two 45 minute

periods) per week.

Students who receive Integrated ENL instruction, receive their ENL services through science and/or social studies instruction addressing all four language acquisition modalities (listening, speaking, reading, and writing). Currently, we are implementing best practices according to Advanced Literacy. Al l instruction encompass the rigorous language standards s et forth in the Common Core, the NYCDOE Science Scope & Sequence/Next Generation Learning Science Standards, NYCDOE Social Studies Scope & Sequence, as well as the New Language Arts Progressions. This allows for best practices with regard to the delivery of appropriate and differentiated ENL strategies so as to ensure students are able to access the Next Generation Learning Standards-aligned curriculum. Whenever possible, the students' Home Language is also used to ensure transference.

PS 112 offers three Dual Language Program Models:
Dual Language ICT, (grades k-2)
Dual Language ASD NEST ICT, (grades k-2)
and Dual Language General Education. (grade k and 2)

Al l dual language models offer 50/50 Spanish, English instruction within a five day roller-coaster model. As a result students receive 675 minutes of instruction in both Spanish and English language (inclusive of reading, writing, math, social studies, and science).

As per CR Part 154, al l dual language programs offer ELL students integrated and stand-alone ENL instruction based on student proficiency level and mandated time allotments, thus supporting the diverse linguistic needs of all ELLs while also providing and exceeding the mandated minutes expected for English language instruction. Students also receive Home Language Instruction in literacy as per the requirements.

Stand-Alone Model

As per CR Part 154.2 our ELLs are heterogeneously grouped by NYSESLAT level and homogeneously grouped by grade. Stand-alone ENL instruction for:

Entering and Emerging students are provided instruction for a total of 180 minutes (broken down into four 45 minute periods) per week.
Transitioning level students who benefit from additional instruction in the development of English language skills are administered least 90 minutes of instruction (broken down into two 45 minute periods) per week.

Students who receive stand-alone ENL instruction, are provided this instruction inside their classrooms, by the bilingually certified pedagogue, through literacy instruction which addresses all four language acquisition modalities (listening, speaking, reading, and writing). All instruction encompasses the rigorous language standards s et forth in the Common Core, as well as the New Language Arts Progressions.

Integrated Model
As per CR Part 154.2 ELLs are provided with Integrated ENL instruction. Students are heterogeneously grouped by NYSESLAT level and homogeneously grouped by
grade.

All ELLs receive a weekly minimum of 495 minutes of integrated services exceeding the minimum 180 mandated minutes of services.
All content and literacy instruction in English is delivered using ENL methodologies and all instruction is differentiated to support the
linguistic and literacy diversity in the classrooms.

Al l k-2 students receive literacy instruction and content instruction in the new language a nd the home language.

Classrooms are comprised of heterogeneously mixed ELLs and Non ELLs as peer language models are essential for the oral language development of all students.

In the ICT classrooms, instruction occurs in s elf-contained classrooms provided by two certified a nd highly qualified teachers. Teachers plan for content and language objectives (the latter reflecting differentiation based on level of language proficiency and literacy data). In the general education classrooms, instruction is provided by bilingual certified teachers.

Integrated ENL instruction is intentionally planned for and implemented throughout the following content areas: Science, Social Studies, Mathematics, and Literacy, using appropriate scaffolds which support students' diverse linguistic proficiency levels. Instruction addresses all four language acquisition modalities (listening, speaking, reading, and writing). We implement best practices learned from Advanced Literacy. All instruction encompasses the rigorous language standards set forth in the Common Core, the NYCDOE Science Scope & Sequence/ Next Generation Learning Science Standards, NYCDOE Social Studies Scope & Sequence, as well as the New Language Arts Progressions. This allows for best practices with regard to the delivery of appropriate and differentiated

**4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.**

**a. ELLs with IEPs**

To provide MLs/ELLs access to grade-level academic content and accelerate their English language development, teachers use a combination of targeted instructional strategies, materials, and technology such as Sora, BookFlix, TumbleBooks, NoveList K-8 Plus, Brainfuse, HelpNow, Explora Elementary, Kids Info Bits, Pixton, ScienceFlix, World Book Online Reference Center, BrainPop, and Britannica Escolar. Through our subscription to MyLibraryNYC, we also have access to Wonderbooks made by Findaway. Read-Alongs include a built-in audio reader, speaker, and headphone jack; students can push a button and listen to the story while they read; especially accessible for our Newcomers. Some titles also features large print texts. Some of the free services we use regularly are Internet Archive (archive.org), Unite for Literacy (uniteforliteracy.com), and hardware such as tablets and desktop computers.

**b. SIFE**

n/a

**c. Newcomers**

For our Newcomers, who are potentially the majority of our students, we provide differentiated instruction. Teachers intentional y plan for literacy, content, and language objectives.

In grades 1-2, teachers are provided with their students' NYSESLAT levels, along with their previous years literacy levels (In DL classes, provided in
HLA a nd ENL), during the first week of school to assist in differentiation.

In grade K, teachers are provided with the levels from NYSITELL as soon as scores are generated and disclosed.

Entering, Emergent, Transitioning, a nd Expanding students are provided with daily explicit language instruction in heterogeneous a nd homogeneous grouping through s hared rea ding a nd inquiry-based tasks which support the students' targeted
linguistic needs. This is in addition to integrated ENL instruction.

Teachers differentiate by planning for language demands based on analysis of text complexity a nd student needs for al l ELLs. ELLs who are in the Expanding a nd Commanding language proficiency stages, are also provided with targeted integrated ENL instruction based on literacy, a nd linguistic data throughout the content areas a nd literacy block.

Data is collected, analyzed, a nd reviewed to ensure students are progressing in language areas as well as content. Teachers provide
small group support, parallel teaching support, a nd individual support (scaffolds) as needed.

In addition, targeted language instruction is provided as part of our after school Title III program, as students are immersed in rigorous inquiry-based/ science units of studies which focus on academic language development.

### d. Long Term ELLs

As a 3K-2 school, PS 112 only has students receiving services for 4 years or longer in the event that the ELL student is held over. Therefore, long term ELLs (which require seven years of ELL service) would also not appear in our school.

### 5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

At P.S. 112 all stakeholders contribute to the academic and social emotional growth of every student. Our Integrated Co-Taught, Self-Contained classes and related services allow all ELL/SWDs to receive the support needed to obtain access to the general education curriculum in their least-restrictive environment. Our classroom teachers use Specially designed instructional strategies to meet individual student needs. IEP goals are consistently progress monitored through analyzing student work and data-based decisions are made to differentiate and modify the delivery of instruction.

### 6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

The following assessments are used to evaluate ELLs in their home language development:

Fountas a nd Pinnell Benchmark in Spanish,

Estrellita Assessments (Baseline a nd Formative)

Words their Way (Paso a Paso) in Spanish

Exemplars in Mathematics in Spanish a nd English,

TCRWP Literacy Continuum to assess writing samples in Spanish

Customized teacher-created assessments

Conversation Analysis Tool (CAT) in Spanish as well to assess academic discourse.

Home Language Assessment

Home Language Support

Free Standing ENL:

ENL coordinator/ teacher provides home language support to students as needed during content a nd literacy lessons, as our ENL provider is fluent in Mandarin Chinese, French, German, and some (receptive) Spanish.

Connections to languages- phonology and or pragmatics are explicitly made for students to support comprehension and mastery of
skills in new language.

Texts written in various languages- Spanish, French, and Mandarin- are available in the ENL Teacher's library, are made accessible to students.

Dictionaries and glossaries in various languages are available for student use in HLA

Member of DL team will provide assistance with assessing in HLA (Spanish) and provide results to ENL teacher as well as classroom teacher.

Dual Language Programs

There is a 50/50 language allocation, therefore students are provided with ELA,HLA, and ENL instruction throughout the day.

We use a roller-coaster model and content is taught in both languages.

Assessments such as F&P in Spanish, Estrellita Formative Assessments, Pas o a Pas o Formative Assessments, measure literacy / phonemic development in the home language (Spanish). Home Language Assessments (Performance Task)

Teacher-created formative assessments measure language development in all four modalities, and the results are analyzed to determine next instructional steps to support language and content development.

Oracy in both languages is measured using the Conversational Analysis Tool (CAT Tool).

Spanish literacy is measured through teachers created tasks a nd Universal Rea ding and Writing Rubric NYCDOE modified for HLA

**7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?**

n/a

**8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).**

At PS 112, we recognize that effective instruction for English Language Learners (ELLs) is best supported through collaborative practices among educators. To ensure equitable access to rigorous content and language development, we have established systems that facilitate intentional co-planning and co-teaching between TESOL-certified teachers, bilingual teachers, and general education/content area teachers. These systems are integrated into both our ENL and Bilingual Education program models.

Our English as a New Language (ENL) program prioritizes integrated co-teaching (ICT) and push-in models where ENL teachers work alongside classroom and content-area teachers. Collaboration is embedded in the school schedule and supported through grade-level team meetings, weekly planning meetings provide a space for ENL and general education teachers to co-develop lessons that align with both content and language standards. ENL teachers contribute language objectives and scaffolds tailored to ELLs' proficiency levels.

In our vertical articulation meetings across grade levels, we review language development progress, identify trends, and align instructional strategies, ensuring continuity of support as ELLs transition between grades. Teachers utilize shared planning templates and common protocols to ensure lessons integrate academic language development within core content instruction.

In our PLCs, ENL teachers participate by focusing on language acquisition, culturally responsive pedagogy, and inclusive practices, which help build shared expertise among all staff.

In our Dual Language program, bilingual teachers collaborate closely with their grade-level and content-area counterparts to ensure alignment across languages and content areas. DL teacher pairs meet weekly to plan for content and language instruction in both program languages. These meetings focus on language allocation and cross-linguistic connections.

Bilingual teachers participate fully in grade-level planning meetings to coordinate content instruction, align assessments, and ensure language supports are embedded throughout the curriculum. Our DL teachers also engage in backward design planning that incorporates state standards, language proficiency targets, and culturally sustaining practices. Language allocation is clearly defined per subject area and unit.

The school schedule includes designated common planning periods to support intentional co-planning among bilingual and monolingual teachers, ensuring both language development and academic rigor.

**9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.**

Professional Development for all ELL Personnel:
(ENL a nd Dual Language Teachers)

Due to the complexity of our programs, our teachers must become highly effective in implementing instructional

practices which meet the needs of our diverse population, while ensuring access to language experiences which promote oral language a nd literacy development in both languages through content-rich curriculum.

Professional Learning Opportunities for Teachers who service ELLs

We are engaging in the following learning opportunities this year:

Using oral language development as a vehicle to support ELLs writing development - study group led by ENL specialist.

Intentional planning a nd scaffolding for the language of the specific discipline as well as for the language demands of complex texts,
for all educators to ensure students language a nd literacy progression throughout the various disciplines.- social studies and science using advanced literacy as guide for planning a nd implementation. Study group comprised of all ENL and Bilingual Teachers.

Writing inter-woven throughout the day using a variety of engaging a nd meaningful experiences: Use of language experience charts,
digital language experience activity, interactive writing, structured writing, constructed res ponses, wall text support.

Using case studies and current research teacher teams analyze students work in both languages to create a nd implement
instructional plans which support a nd promote literacy development in both languages - Professional Learning Community
(led by model teacher a nd open to all bilingual classroom teachers).

Explicitly unpacking and planning for second language development through writing - A teacher-led study group.

Professional Development for all Personnel:
(Al l Teachers and service providers)

To better support teachers who have not been trained to work with English Language Learners through their course work a nd/ or through specialized training/ professional development, a mini-course will be offered regarding understanding of the stages of second
language acquisition and differentiated instruction to support students at various stages. .

Planning for scaffolds which support writing development for ELLs.
Collaborative team Teaching Planning for ENL Provider a nd Classroom Teacher.

Professional Development for Specialized Personnel:

(Reading Teachers a nd SIT Committee Members)

Response to Intervention (RtI) for ELLs : This supports school-wide implementation of RtI structure that is responsive to the linguistic a nd cultural needs of all students, particularly English Language Learners (ELLs). Based on the webinars a nd institutes delivered by Harvard School of Education in collaboration with the NYCDOE Office of English Language Learners from 2012-2014, a nd under the guidance of our previous assistant principal who was trained and presented the RtI for ELLs Institutes city-wide during 2013-2014, our school will continue to offer a PLC that has the same outcomes as these original institutes, where teams will:

Gain a deeper understanding of the RtI model as it relates to effective instructional supports for ELLs;

Analyze current approaches to assessment, with considerations for necessary, key adjustments;

Analyze data at the classroom and school levels to surface patterns a nd trends; and
Consider the corresponding adjustments needed to strengthen the instructional core and supplemental supports as they relate to ELLs in their school.

**10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).**

The following professional development time slots have been s et for professional development requirements as per CR Part 154.2. Al l of these professional development opportunities are included in our school-wide PD Plan 2020-2021 a nd have team members assigned for facilitation. Agendas and attendance are generated a nd provided to administration, inclusive of next steps a nd resources requested.
Resources inclusive of outside works hops, texts, and consultants are provided as needed a nd as possible.

ALL Teachers: 15%

Monthly Staff Meetings - (5 sessions of 1 hour over the course of the school year a nd one 1/2 hour weekly common grade planning
session monthly ) for stages of second language acquisition a nd differentiated instruction to support students at various stages.
In addition, teachers will use multiple-modality data in order to form a holistic profile of their ELLs in order to better design scaffolds which will support them in all instructional next steps; inclusive of oral academic language, written language aligned to the academic discourse, and reading within varied genres.

The above two sessions comprise 40% of the pd time.

One common period one time a month for 30 minute blocks): Collaborative team Teaching Planning for ENL Provider a nd Classroom Teacher

ELL Personnel Work embedded:

ENL a nd Bilingual Teachers during DL Vertical Team bi-weekly meetings: (30 minutes long) oral language development as a vehicle to
support

ELLs reading and writing development.

ENL and Bilingual Teachers during DL Vertical Team bi-weekly meetings: (30 minutes long) Intentional planning and scaffolding for the
language of the specific discipline as well as for the language demands of complex texts

ENL and Bilingual Teachers during DL Vertical Team bi-weekly meetings: (30 minutes long) Transference of literacy skills -from HLA to ENL through case studies (viewing of assessments/ data in both languages to look for patterns and trends and adjust instruction accordingly). In addition, participants will unpack complex texts and create appropriate scaffolds using student data and research in order to ensure all students have access to varied, instructional grade level texts in English.

All above exceed 50% of all PD time

These efforts will ensure that all ENL and or Bilingual teachers are planning intentionally for second language literacy by developing
students' understanding of phonics, syntax, and vocabulary through the stand alone ENL period.

# Assessment

# SCREENERS

**11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?**

At PS 112, we use a variety of universal screening tools to monitor academic progress and inform targeted instruction for ELLs, aligned with their grade level and English proficiency levels such as Acadience Reading to monitor early literacy skills including phonemic awareness, decoding, and fluency. We administer running records (Teacher's College) and F&P Benchmarks (in both English and Spanish where applicable) to determine reading levels and guide small group instruction. NYSITELL and NYSESLAT results are used to identify and monitor English language proficiency growth.

**12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.**

The following structures ensure that data is administered a nd analyzed in a timely manner s o that interventions be generated, implemented, and progress monitored systematically, by teachers teams and administration:

Data teams generate data reports inclusive of all data, three times per year. Al l literacy data (in both languages) is included and
desegregated by subgroups (ELL proficiency, IEP status, a nd gender).
Data Teams convene three times per year, review data reports, a nd inform interventions needed to strengthen Tier 1 instruction as per patters and trends. This data team is comprised of reading specialists with a wide variety of expertise (working with students who are MMLs and students who have IEPs).

Teacher Teams meet with Administration for assessment conferences and identify ELLs who require further interventions. Data is used to target Tier 2 literacy and/ or language support using RtI Model. We ensure to have representation from BIL Special Ed Specialists, ENL Specialist, classroom teachers, Bilingual Specialists, and the Reading Teacher.

Teacher teams provide a six week intervention plan with a minimum frequency of three thirty period time slots once a week using
appropriate instructional materials. Progress monitoring is conducted on a weekly basis for targeted skill. Plan is created, and interactions are recorded (student individual RtI Plan).

Administration monitors RtI plan.

**13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.**

At [School Name], we are committed to using a data-driven Multi-Tiered System of Supports (MTSS) to ensure that all Multilingual Learners (MLs)/English Language Learners (ELLs) in grades K–2 receive equitable, linguistically responsive, and targeted instruction. Our approach is grounded in the principles outlined in the Instructional Leadership Tool for MLs/ELLs and the MTSS Guide for MLs/ELLs, emphasizing early identification, culturally and linguistically relevant instruction, and proactive intervention.

Tier I focuses on high-quality core instruction with differentiation. Data is sourced from Acadience Reading for phonemic awareness, decoding, and fluency, Running Records/F&P Benchmarks at a rate of 3 times per year, previous years' NYSESLAT scores and K Screeners.

Teachers of ELLs at PS 112 use classroom formative assessments and observations to determine next steps. Teachers use language proficiency data such as NYSESLAT breakdowns by modality to differentiate core instruction in literacy.

Language and content objectives are integrated into daily lessons. Instructional materials are scaffolded with visuals, sentence frames, word banks, and native language supports when applicable. Classroom teachers and ENL/DL teachers co-plan during weekly common planning time to ensure lessons are accessible and rich in language.

At PS 112, culturally responsive practices are embedded in instruction to affirm students' home languages and experiences. Tier II instruction focuses on targeted small group instruction based on data aggregated from Acadience progress monitoring, Running Records (ongoing), NYSESLAT speaking and writing domain scores and teacher team input and checklists. Instructional actions include identification of students requiring targeted support to receive small group instruction during intervention blocks or guided reading.

Groups are formed based on specific language and literacy needs, such as vocabulary development, oral language, or phonics skills. Instruction may be delivered by ENL, DL, or intervention teachers, using research-based interventions such as Leveled Literacy Intervention (LLI), Heggerty Phonemic Awareness, and Esperanza. Progress is monitored every 2–3 weeks to ensure students are making gains, and groups are adjusted accordingly.

Tier III focuses on intensive individualized support for ELLs. Data is sourced from diagnostic data showing persistent skill gaps, in-depth running record analysis, teacher referral and intervention logs, and NYSESLAT performance trends across multiple years.

ELLs who demonstrate limited progress despite Tier II supports are referred for Tier III intervention. Interventions are more intensive, frequent (4–5 times per week), and delivered in smaller groups or 1:1 settings. At PS 112, we use SPIRE (Structured Literacy).

Instruction is linguistically appropriate, with native language supports when possible. ENL, bilingual, and intervention staff collaborate to ensure that supports do not replace, but supplement, core instruction. Family engagement is prioritized to build home-school connections and share progress updates.

Across all tiers, our school implements regular data inquiry cycles (aligned with the Instructional Leadership Tool) to monitor the progress of MLs/ELLs. Grade-level data meetings are held at multiple times throughout the year. Teachers, ENL staff, and instructional coaches analyze student data to identify patterns, revise groupings, and adjust instruction.

Student progress monitoring logs are used by intervention teachers to track growth and inform decision-making. Throughout the MTSS process, we maintain a focus on linguistic equity and cultural responsiveness, ensuring that ELLs are not over-referred to intervention without first addressing language access, instructional materials reflect students' cultural identities and home languages, family input is included in intervention planning, especially for newcomer students, and student strengths (e.g., oral language, native literacy) are recognized and leveraged in all tiers of instruction.

By integrating a robust system of screening, progress monitoring, and differentiated instruction within our MTSS framework, we ensure that all our ELLs receive the support they need to thrive academically and linguistically. Our team remains committed to ongoing reflection, collaboration, and culturally responsive practice as we meet the diverse needs of our early learners.

# FORMATIVE

**14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?**

In Reading, we use several assessments to measure code and meaning skills. We desegregate the data into subgroups to measure:
overall student progress,

ELL progress, and progress for ELLs with IEPs. In addition, we also measure Spanish literacy growth for all students in our Dual Language Program.

For students

In Dual Language, we compare literacy development in both the New language and the Home language, to support transference of
literacy skills, a nd for
intervention instructional decisions.

The following formative reading assessments are used:
Fountas and Pinnell Assessments (as both formative a nd summative end of year) to determine student progress, implications for whole group instruction, small group instruction, and intervention.

Fountas and Pinnell Reading High Frequency Words
For our students in Dual Language Programs, we also use the Fountas and Pinnell Assessments in Spanish, "Sistema de Observacion".
DIBELS- The Dynamic Indicators of Basic Early Literacy Skills - for acquisition of early literacy skills

The following curriculum embedded reading assessments are used for al l students and are additionally reviewed to measure ENL
literacy progress:

Fundations end of unit assessments

Words their Way Inventory - for ELLs in Standalone ENL by ENL teacher

Estrellita Assessments for grade k in Spanish and intervention for grade 1

Palabras a su Paso (Words their Way) Inventory for grade 1 a nd 2 in Spanish

HLA Spanish Assessment (Performance Task)

In Writing, we use TCRWP Writing Development Rubric to assess students end-line unit assessments for all students. Students in the Free Standing ENL program as well as those in the Dual Language Setting are additionally assessed using teacher-created Constructed
Response tasks which are then measured by the Universal English Language Development Writing Rubric four times per year. These tasks are aligned to the tasks in the NYSESLAT writing section. We also use the HLA Spanish Assessment Baseline and Endline to assess growth in writing constructed responses in the Spanish language.

We also measure for oral language development for our ENLs using two tools that assess for academic discourse through conversations and individual academic language. The following formative assessments are used:

Conversation Analysis Tool (CAT) developed by Stanford University
Grade-wide teacher created tasks using the Universal English Language Development Speaking Rubric

**15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?**

The following assessments are used to evaluate ELLs in their home language development:

Fountas and Pinnell Benchmark in Spanish,

Estrellita Assessments (Baseline a nd Formative)

Words their Way (Paso a Paso) in Spanish

Exemplars in Mathematics in Spanish and English,

TCRWP Literacy Continuum to assess writing samples in Spanish

Customized teacher-created assessments

Conversation Analysis Tool (CAT) in Spanish as well to assess academic discourse.

Home Language Assessment

# SUMMATIVE

**16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).**

The following summative assessments are being used to identify baselines, progress, a nd areas of need for our ENL students:

Universal Screener for code based skills: DIBELS grades k-2:

First Sound Fluency
Phoneme Segmentation
Nonsense Word Fluency
Oral Reading Fluency
Administered three times a year
ELL Benchmark Micro-Assessments Bundle for English Language Arts

For students in dual language, these are provided in both languages (Spanish and English) to support transference, determine language of dominance, and language for intervention as needed.

Baseline, end-of-year assessments, a nd MOSL choice assessments are administered and analyzed three times per year:

Fountas a nd Pinnell Assessments (as both formative and summative end of year) to determine student progress, implications for whole group instruction, small group instruction, and intervention (for code a nd meaning based skills).

For our students in Dual Language Programs, we also use the Fountas and Pinnell Assessments in Spanish: "Sistema de Observacion" (for code and meaning based skills).

When using the ELL Benchmark Mircro-Assessments twice annually, we measure student language acquisition progress as well as provide students with a n opportunity to become familiar with NYSESLAT testing formats a nd protocols.

Home Language Assessments in Spanish are administered two times a year (which measure code and meaning based skills as well as written performance).

Fountas and Pinnell Reading High Frequency Words (for code based skills) are administered three times per year.

**17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.**

Our ENL Coordinator, Rachel Lindsay orchestrates the NYSESLAT Administration period at PS 112. We initiate the testing season through meetings and communication with Admin, Dual Language teachers, parents and support staff while referencing the NYSESLAT School Administrator's Manual. Once all interested parties have been consulted & informed of the dates and times for testing, administration begins.

In order to ensure all students continue to receive instruction during NYSESLAT administration, stand-alone groups are consolidated to ensure enough time in the school day to meet with those groups. DL instruction continues as usual with one of the two teachers administering Speaking session tests to their students while a proctor (usually Rachel Lindsay) scores.

We commence with the Speaking sessions, which are conducted on a per-student basis (one-by-one). A teacher - either ENL or DL depending on the student - administers the test while a teacher who is not responsible for the ELL's instruction, scores.

Once testing for the other modalities (Listening, Reading & Writing) begins. Meetings are held with Admin and the DL team. We share the testing dates and times with Admin, Teachers & Support Staff so that all ELLs receive NYSESLAT administration concurrently. For DL classrooms, non-ELLs are escorted from the testing area so that only testing ELLs are left in the testing room. One teacher as well as one proctor stays for the exam while the other teacher escorts the non-ELLs to a non-testing area of the school. School support staff stay with the non-ELLs while instructors stay with the testing students once the exam begins.

We then cross-check for absent students and a Make-Up testing schedule is created. Make-up testing commences immediately after all three testing sessions have been completed.

Once all four modalities of language acquisition via all four (including Speaking) test sessions have been administered to all ELLs, a Scoring Team is created. First interest is gauged via google forms and scorers are selected based on retention rights and experience. The scoring team is then trained via turnkey training with Rachel Lindsay. Once the entire team has received training in all 3 grades in on all 3 rubrics, scoring begins.

While scoring, teachers know that they are able to score NO MORE THAN a third of each individual ELL student tests. A system to track this is put in place and explained to The Scoring Team. Rachel Lindsay uses spreadsheets and other organizational tools to ensure that scoring requirements are followed to the letter.

**18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?**

n/a

# Part VI: Family Partnership

## Family Partnership

**Required Meetings Under CR Part 154**

**Describe your schools' plan to ensure families of ELLs are provided with the required meetings** specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

**a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.**

Our ENL Coordinator, Rachel Lindsay organizes the ENL Parent Orientations which occur within the first 10 days of school. We offer multiple sessions to accommodate working parents and various times throughout the school day. The ENL Coordinator notifies parents of the orientations by sending home the NYCDOE-generated Entitlement Letter. Additionally, Ms. Lindsay contacts parents directly by phone and email, using interpreters where necessary.

All materials are available in the parents' preferred languages. Interpreters are either hired or provided by the school staff to attend the orientations to ensure that all parents are receiving the information in their preferred language. The informational video provided by the Department of Education is shown in all preferred languages.

Parents are informed on the types of programs available in NYC schools, as well as a breakdown of their design and expectations for day-to-day instruction. Parents are then informed of the programs available at their current school, as well as any other schools which might have programs of interest that may be unavailable at their child's current school. They are also guided through the process of starting a transfer, should the parents want to move their child to a school with their preferred ENL program.

Parents are given the opportunity to ask questions, express concerns and discuss the merits of each program offered before making their selection. They are free to take the brochures, video links, materials, & paperwork home to discuss further with family members before making their selection, but those who are ready to decide at the orientation are free to complete the Parent Survey and Program Selection form with pedagogues and interpreters as

support at the orientation itself.

Following the orientation, the ENL Coordinator enters the times, dates, sign-in sheets, Survey & Selection forms, programs chosen & ELPC indicators into an ENL Compliance spreadsheet, which offers an at-a-glance overview of all compliance pieces which have been completed or are still missing.

Then the ENL Coordinator enters the information into ATS on the ELPC screen to log parent preferences or to indicate program defaults.

**b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.**

The ENL Coordinator, Ms. Lindsay, has a designated compliance period set aside for weekly in-person meetings, calls, email communication or virtually-hosted information sessions with the goal of keeping parents informed on a regular basis so they might track their child's progress throughout the year, rather than solely at Parent Teacher Conferences. This time is used for communicating anything pertinent at that time with regard to their child; this could include test scores, behavioral fluctuations & causes for concern, progress made in challenging modalities, accomplishments & goals met, as well as any other information that will foster a partnership between educator and parent.

# Family Engagement

**2. Beyond the mandated meetings and orientations, describe how your school:**
**a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?**

Parents' preferred language information is gathered and recorded during intake & enrollment. At the beginning of the year, parents are invited to an open house at which they receive Language Access information and are encouraged to use the variety of language resources available through the DOE.

All written documents are sent home in parents preferred languages, whether they are the pre-translated documents available on InfoHub or we will use Translation & Interpretation funds to translate school-based documents. For in-person interpretation, we use qualified school-based personnel where available, or hire interpreters via the language access department. We provide ASL interpreters at all school-based celebrations or assemblies when hearing impaired families are enrolled at our school.

Our school website has a translation function included at the top so families are able to translate the entire site into almost any world language.

**b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.**

**c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)**

**3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?**

# Part VII: Additional Information

## Additional Information

**Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.**

# Part VIII: ELL Identification Attestation and Principal Certification

## Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

**1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.**

**2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:**

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

# Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

**Principal Name:**

Lisa Velazquez

# Part IX: LAP Assurances

## LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

# LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

**Office of Language Access (OLA) Contact:**

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

**Designation of a LAC**
**Name of person designated and trained as the LAC.**
**At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.**

**We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.**

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

| First Name | Last Name | Title | Date attended OLA Language Access Coordinator Professional Learning Opportunity | Confirmed (Y/N) |
|---|---|---|---|---|
| Rachel | Lindsay | Teacher - Regular Grades | 02/13/2025 | Y |

# Part B: Parents' Preferred Languages

## Parents' Preferred Languages

Language identification and assessment of parent population.

**1. Check the resources your school staff uses to identify parents' preferred languages:**

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

**If Other was selected, describe the resource here:**

**2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".**

| Language (Description within RCPL) | Written Preferred Count | Written Preferred Percentage | Oral Preferred Count | Oral Preferred Percentage | No. of Staff to Help with Written Translation | No. of Staff to Help with Oral Interpretation |
|---|---|---|---|---|---|---|
| ARABIC | 1 | 0.56 | 1 | 0.56 | 0 | 1 |
| FRENCH | 1 | 0.56 | 1 | 0.56 | 2 | 2 |
| FULANI | 1 | 0.48% | 1 | 0.50% | | 0 |
| ENGLISH | 124 | 63.13 | 115 | 57.79% | | |
| SPANISH | 77 | 37.20% | 78 | 39.20% | | 5 |

# Part C: Parent Communications and Engagement

## Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

**1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.**

| Document Type (e.g. parent flyers, IEPs, etc.) | How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents. |
|---|---|
| New ELL Entitlement & Orientation Letter | We utilize the NYCPS InfoHub template(s) for covered languages. Requests are made through Lingualinx (Translation Interpretation vendor) for languages not covered. |
| Placement Letter | We utilize the NYCPS InfoHub template(s) for covered languages. Requests are made through Lingualinx (Translation Interpretation vendor) for languages not covered. |
| Parent Survey & Selection Form | We utilize the NYCPS InfoHub template(s) for covered languages. Requests are made through Lingualinx (Translation Interpretation vendor) for languages not covered. |
| Parent Teacher Conference Notices | We utilize the NYCPS InfoHub template(s) for covered languages. Requests are made through Lingualinx (Translation Interpretation vendor) for languages not covered. |
| School Closings | We utilize the NYCPS InfoHub template(s) for covered languages. Requests are made through Lingualinx (Translation Interpretation vendor) for languages not covered. |
| Event Announcements (graduation, festivals, etc) | We utilize the NYCPS InfoHub template(s) for covered languages. Requests are made through Lingualinx (Translation Interpretation vendor) for languages not covered. |
| Instant Messenger - Alerts | All Instant Messenger alerts are automatically translated into represented languages |
| | |

**2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.**

| Meeting Type (e.g. parent workshops, PTCs) | How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents. |
|---|---|
| In-Person Performances & Events (graduation, talent shows) | Each Fall, we contact OLA to set up in-person interpreters for events held throughout the school year. |
| ENL Orientation | We utilize bilingual staff for orientation as well as hiring OLA interpreters for languages not represented by our staff. We use the ELL Parent Orientation videos (found on InfoHub) for all preferred languages (if multiple languages are represented at orientation, we provide the video on iPads equipped with headphones). |
| Open House & Family Night | We utilize OLA interpreters for on-site services during Open Houses & Family Nights |
| | |
| | |
| | |
| | |
| | |

**3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.**

During a school wide emergency our school will send out an automated phone call via phone messenger which provides information in parents' preferred languages. For individual student emergencies we will utilize our bilingual staff and over-the-phone interpretation services to contact parents in their preferred language. If a parent who prefers a language other than English contacts the school, we will identify who the parent is and their preferred language. We will then contact the over-the-phone interpretation vendor for support.

# Part D: Staff Awareness

## Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

**1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.**

The Language Access Coordinator will hold a meeting at the beginning of the school year. They will ensure staff members are aware of Chancellors Regulation A-663 and the resources available to our school through staff meetings, faculty conferences, and memos.

# Part E: Parental Notification

## Parental Notification

Provision of notice to parents on the available language assistance services.

**1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:**

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

The multilingual welcome poster and other multilingual signage are displayed in the main entrance of the school building and the main office. Parents are notified of their right to receive information in their preferred language via orientation, curriculum night, and utilizing an over-the-phone interpreter. Additionally, we distribute the Language Access for NYC Public Schools Families brochure to all new families, while also keeping copies available at all times in the Main Office.

# Part F: Monitoring

## Monitoring

Methods for soliciting and implementing feedback on language assistance services.

**1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.**

A parent survey is sent to parents who prefer a language other than English, in their preferred language, regarding language the translation and interpretation services we provided throughout the year. Our PTA and SLT meet frequently to gather feedback regarding language services among other family partnership needs.

**2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.**

To further improve our communication with our parents who prefer a language other than English we will expand our interpretation services to cover additional languages at parent workshops.

# Title III Outline

**Title III Supplemental Program for ELLs for SY 2025-26**

## REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

**Note:** The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

# Part A: School Information

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

# Part B: Direct Instruction Supplemental Program Information

**The direct instruction component of the program will consist of (select all that apply):**

,After School

**Total number of ELLs to be served in this program:**

50

**Grades to be served in this program. Select all that apply.**

,1,K,2

**Total number of teachers in this program:**

8

**Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):**

8

**Number of content area teachers (i.e., teachers that have common branch/content area licenses only):**

0

## Title III ELL Summary

**Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:**

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Rationale

Research shows that comprehensive oral language development directly correlates to highly developed reading comprehension skills. Therefore, the Title III Program at PS112 focuses on the development of students' oral language - specifically academic discourse- to support overall reading comprehension. Given our very diverse population with various needs (37.1% of our student population is comprised of ELLs, many of whom have IEPs and are being serviced for language and processing delays), the focus of the supplemental instruction is to build our student's academic literacy, fluency and fluidity in spoken academic English, through integrated content instruction. Our data, as well as the demands of academic language (as per the current NYS Common Core Learning Standards) provide a strong rationale for providing supplemental instruction in English oral language and literacy development through the intentional planning and implementation of academic language and concepts development (working across all language domains as opposed to focusing only on one domain).

Our current data supports the prioritization of these pedagogical strategies, as outlined below:

According to NYSESLAT results,

2nd grade data - At PS 112, most gains were achieved in the Speaking modality in both our Dual Language program as well as our Stand Alone ENL program. In our Stand Alone ENL program, the Writing modality was the area that showed least amount of progress. In both programs, the Reading modality showed very small positive changes, suggesting a potential area for growth.

1st grade data - First graders were observed to have the same strengths in the speaking & listening domains and similar deficits in writing as the second graders. Within our general education ELL population, we saw increases in expressive language and slight decreases in receptive language. Therefore, we must strengthen the correlation between listening, speaking, reading, and writing through connected learning activities, while using language models for all students.

The Title III program at PS 112 is designed to provide intensive targeted academic language cultivation within our English Language Learner groups through sequenced, tailored instruction that provides students with guided practice, corrective feedback, and multi-sensory approaches to ensure student access to the language of the content and multiple opportunities for application (both receptive and expressive) across all four language domains.

About the Program

All students will be engaged in a 10 session supplemental science based inter-disciplinary unit about Animal Diversity and Animals as Living Organisms as per the NYCDOE Science Scope and Sequence using the Cengage program titled Panorama.

The goal of this program is to Increase academic language discourse through an inquiry science based learning

approach – with a focus on the alignment of content and language objectives that support student access of information and application of learning. Planning for language will include (but not be limited to): vocabulary, syntax, and semantics. The teachers will provide targeted and sequenced language instruction to support the development of:

Generative vocabulary
Discourse (explanation using appropriate syntax, word choice, and varied sentence complexity)
Constructed written responses with attention played to structure and sentence complexity
With support from teachers, students will research an animal that is either a mammal, amphibian, or reptile, develop a set of data, and then transfer the data into a group presentation using technology/ various digital tools. The final presentation will be delivered orally where students speaking / presentation of the content will be assessed with Universal English Language Learners Development Rubric. The written response will be used as a final assessment.

The program will be comprised of three project stages, which will address all four ENL modalities (speaking, listening, reading, and writing). These stages are:

Stage one:  Learning / researching using e-books, videos, texts, and experts to gather information; cross check; and synthesize new information learned. Discussing new learning with partners through the lens of learning about animals (habit, diet, behavior and description).

Stage two:  Developing and organizing informational writing related to their research subject.

Stage three: Creating oral presentations using technology to inform their listeners on their research.

Technology is being used as a vehicle to access complex content, build background knowledge, and express information is various ways. As an example, use of "building background videos" with focused questions support building of background knowledge prior to reading a more complex text about the topic. For the informational writing component, students will have access to information on their subject through various media; videos, articles, images, predictive texts, etc. and will be able to use what they've learned to inform their original writing pieces. In addition, writing tools such a graphic organizers are being used to organize their information cohesively.

This program will explicitly teach / front load vocabulary and syntax as part as per the science unit, for the first fifteen minutes of each session, and be closely monitored throughout the sessions. In addition, all students will be engaged in targeted collaborative conversations to ensure application of the language being explicitly taught. Teachers will assess and differentiate as per the data collected.

The program we will be using is especially useful in a school year when a guarantee for in-person learning is tenuous. The program (Panorama, through Cengage & National Geographic) resources, activities, and texts are all available online making it very easy to transition between remote and in-person learning, should that need arise.

Subgroup and grade levels of students to be served

This program will be offered to a wide variety of ELLs such as newcomer groups, expanding/advanced level ELL groups as well as heterogeneously grouped ELLs on all grade levels, using the ELL Data Analysis Tool (EDAT) as a guide. We will continue to have our students move proficiency levels as per the NYSELSLAT, while also increasing the number of students who reach  proficiency or commanding level in English.

We will also provide additional supports (within the program) for our ELLs who are at risk of becoming long-term ELLs as they have been receiving services for three years. Since we are a K-2 school, these same students are usually hold-overs as well. In addition, as we have a significant number of ELLs with IEPs (16.9% per our April EDAT), so we would also be servicing our ELLs with disabilities, using both their IEP goals as well as data to make instructional decisions that will support their language and literacy development in English.

Students will be serviced in groups no larger than five students, for a total of eight groups. Kindergarten through Second grade students will be grouped according to their NYSELSAT scores as well as their F&P Reading (English) Assessments and Writing Data to provide more targeted instruction. The ENL teacher/coordinator will team with the bilingually-certified teachers working with the at risk students to ensure that they are provided with additional language support in a smaller group setting. A bilingual special education teacher and a bilingual education teacher will be assigned to work with students with IEPS that require more targeted instruction.

Schedule and duration

This is a four week after-school program that meets one hour and 30 minutes twice a week, commencing on May 3, 2023 and ending May 25, 2023 on Wednesdays and Thursdays from 3:00 p.m.-4:30 p.m.

Additionally, there will be two sessions exclusively for teachers, dedicated solely to the purpose of professional development. These sessions will be held prior to the commencement of the student program; April 25-26 of 2023 . In these sessions, teachers will collaborate to design differentiated instructional goals to meet the needs of each student, based on findings as a result of rigorous data analysis.

Language of Instruction

Instruction for this program will primarily occur in English, with some native language supports as needed. As an example, looking at cognates that cross over in English and Spanish will be used as a scaffold in understanding the academic language and concepts. For emergent and entering ELLs , concepts will be introduced in native language as necessary to support concept development.

Number and types of teachers

There will be a total of eight teachers and one administrator:
8 certified bilingual teachers
1 certified TESOL teacher
The supervisor is the only one on site at the time of the program at no cost to Title 3

Types of materials

Universal English Language Development Rubrics (Speaking and Writing)
Constructed Responses in Writing as a baseline and end-line
Speaking assessment aligned to the NYSESLAT speaking tasks which measure students' academic language (same measures as NYSESLAT)
National Geographic online magazine (Panorama)
National Geographic Science Inquiry Contents Literacy Units -1 set per group
Desktop computer software, iPads, and Smartboards

# Rationale for Title III ELL Funded Programs

**Describe the rationale for each Title III ELL funded program. For each program, include:**

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Rationale

Research shows that comprehensive oral language development directly correlates to highly developed reading comprehension skills. Therefore, the Title III Program at PS112 focuses on the development of students' oral language - specifically academic discourse- to support overall reading comprehension. Given our very diverse population with various needs (37.1% of our student population is comprised of ELLs, and of these, approximately 16.9% of them have IEPs and are being serviced for language and processing delays), the focus of the supplemental instruction is to build our student's academic literacy through integrated content instruction. Our data, as well as the demands of academic language (as per the current NEXT GENERATION Learning Standards) provide a strong rationale for providing supplemental instruction in English oral language and literacy development through the intentional planning and implementation of academic language and concepts development (working across all language domains as opposed to focusing only on one domain).

Our current data supports the prioritization of these pedagogical strategies, as outlined below:

According to NYSESLAT results,

2nd grade data - At PS 112, most gains were achieved in the Speaking modality in both our Dual Language program as well as our Stand Alone ENL program. In our Stand Alone ENL program, the Writing modality was the area that showed least amount of progress. In both programs, the Reading modality showed incremental positive changes, suggesting a potential area for growth.

1st grade data - When comparing NYSESLAT data with NYSITELL data, we observed similar patterns in areas of strength (the Speaking modality) and areas for improvement (the Writing and Reading modalities). We must strengthen the correlation between listening, speaking, reading, and writing through connected learning activities, while using language models for all students.

Therefore, the Title III program at PS 112 is designed to provide intensive targeted academic language cultivation within our English Language Learner groups through sequenced, tailored instruction that provides students with guided practice, corrective feedback, and multiple media forms to ensure student access to the language of the content and multiple opportunities for application (both receptive and expressive) across all four language domains.

About the Program

All students will be engaged in a 10 session supplemental science based inter-disciplinary unit about Animal Diversity and Animals as Living Organisms as per the NYCDOE Science Scope and Sequence .

The goal of this program is to Increase academic language discourse through an inquiry science based learning approach – with a focus on the alignment of content and language objectives that support student access of information and application of learning. Planning for language will include (but not be limited to): vocabulary, syntax, and semantics. The teachers will provide targeted and sequenced language instruction to support the development of:

Generative vocabulary
Discourse (explanation using appropriate syntax, word choice, and varied sentence complexity)
Constructed written responses with attention played to structure and sentence complexity
With support from teachers, students will research an animal that is either a mammal, amphibian, or reptile, develop a set of data, and then transform the data into a group presentation using technology/ various digital tools. The final presentation will be delivered orally where students speaking / presentation of the content will be assessed with Universal English Language Learners Development Rubric. The written response will be used as a final assessment.

The program will be comprised of three project stages, which will address all four ENL modalities (speaking, listening, reading, and writing). These stages are:

Stage one: Learning / researching using e-books, videos, texts, and experts to gather information; cross check; and synthesize new information learned. Discussing new learning with partners.

Stage two: Developing and organizing informational writing related to their research subject.

Stage three: Creating oral presentations using technology to inform their listeners on their research.

Technology is being used as a vehicle to access complex content, build background knowledge, and express information is various ways. As an example, use of videos with focused questions support building of background knowledge prior to reading a more complex text about the topic. For the informational writing component, students will have access to information on their subject through various media; videos, articles, images, etc. and will be able to use what they've learned to inform their original writing pieces. In addition, writing tools such a graphic organizers are being used to organize their information cohesively.

This program will explicitly teach & front-load vocabulary and syntax as part as per the science unit, for the first fifteen minutes of each session, and be closely monitored throughout the sessions. In addition, all students will be engaged in targeted collaborative conversations to ensure application of the language being explicitly taught. Teachers will assess and differentiate as per the data collected.

The program we use is especially helpful in a time when a guarantee for in-person learning is tenuous. The program (Panorama, through National Geographic) resources, activities, and texts are all available online making it very easy to transition between remote and in-person learning, should the need to pivot arise.

Subgroup and grade levels of students to be served

This program will be offered to ELLs across all grade & proficiency levels. Using the ELL Data Analysis Tool (EDAT) as a guide, we will be servicing all ELLs in all stages - Entering , Emergent, Transitional, Expanding, and Commanding (some in commanding who will benefit from additional support)- as we have significant numbers in each stage as opposed to just in certain stages only,. Therefore, we will continue to have our students move proficiency levels as per the NYSELSLAT, while also increasing the number of students who reach proficiency or commanding level in English.

We will also provide additional supports (within the program) for our ELLs who are at risk of becoming long term ELLs as they have been receiving services for over three years. Since we are a K-2 school, these same students are usually hold-overs as well. In addition, as we have a significant number of ELLs with IEPs, 16.9%, we would also be servicing our ELLs with disabilities, using both their IEP goals as well as data to make instructional decisions that will support their language and literacy development in English.

Students will be serviced in groups no larger than five students, for a total of eight groups. Kindergarten through Second grade students will be mixed homogeneously or heterogeneously according to their NYSELSAT scores as well as their F&P Reading (English) Assessments and Writing Data– to provide more targeted instruction. The ENL teacher will team with the teacher working with the at risk students to ensure that they are provided with additional language support in a smaller group setting (total 2 out of the 4 groups). A bilingual special education teacher and a bilingual education teacher will be assigned to work with students with IEPS that require more targeted instruction.

Schedule and duration

This is a four week after-school program that meets one hour and 30 minutes twice a week, commencing on May 3, 2023 and ending May 25, 2023 on Wednesdays and Thursdays from 3:00 p.m.-4:30 p.m.

Additionally, there will be two sessions exclusively for teachers, dedicated solely to the purpose of professional development. These sessions will be held prior to the commencement of the student program; April 25-26 of 2023 . In these sessions, teachers will collaborate to design differentiated instructional goals to meet the needs of each student, based on findings as a result of rigorous data analysis.

Language of Instruction

Instruction for this program will primarily occur in English, with some native language supports as needed. As an example, looking at cognates that cross over in English and Spanish will be used as a scaffold in understanding the academic language and concepts. For emergent and entering ELLs , concepts will be introduced in native language as necessary to support concept development.

Number and types of teachers

There will be a total of eight teachers and one administrator:
8 certified bilingual teachers
1 certified TESOL teacher
The supervisor is the only one on site at the time of the program at no cost to Title 3

Types of materials

Universal English Language Development Rubrics (Speaking and Writing)
Constructed Responses in Writing as a baseline and end-line
Speaking assessment aligned to the NYSESLAT speaking tasks which measure students' academic language (same measures as NYSESLAT)
National Geographic online magazine (Panorama)
National Geographic Science Inquiry Contents Literacy Units -1 set per group
Desktop computer software, iPads, and Smartboards

# Students and Grade Levels to be Served

**For each Title III ELL funded program, describe the students that will be served. Include:**

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

K-2 newcomers and ELLs across all other subgroups

# Schedule and Duration

**For each Title III ELL funded program, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Two sessions per week, 90 minutes each, 4 weeks

# Language of Instruction

**For each Title III ELL funded program, include language of instruction and how home language support is provided.**

English

# Number and Types of Certified Teachers

**For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):**

8 certified bilingual teachers
1 TESOL-certified ENL teacher

# Types of Materials

**For each Title III ELL funded program, include:**

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Types of materials

Universal English Language Development Rubrics (Speaking and Writing)
Constructed Responses in Writing as a baseline and end-line
Speaking assessment aligned to the NYSESLAT speaking tasks which measure students' academic language (same measures as NYSESLAT)
National Geographic  online magazine (Panorama)
National Geographic Science Inquiry Contents Literacy Units  -1 set per group
Desktop computer software, iPads, and Smartboards

# Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program,  record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parents/guardians of identified ELL students will be invited in writing to participate in the Title III. Notification letters will include information about the student's English proficiency level, the nature and purpose of the program, the method of instruction, and how the program will meet the student's educational needs.

All communications will be provided in the family's preferred language to ensure meaningful access. Translation and interpretation services will be provided should parents wish to discuss the purpose and expectations of the program further.

Identified ELL students will begin receiving Title III services immediately following notification and parent consent. ELL specialists will deliver targeted language support integrated with grade-level content instruction. Progress monitoring will occur throughout the program and results shared with parents.

The school will maintain thorough and organized documentation to ensure compliance with Title III ELL program requirements. All records will be stored securely in both electronic and hard-copy formats and will be accessible to authorized staff. Copies of parent notification letters in families' preferred languages and Student attendance records will be kept on file.

# Part C: Professional Development

## Professional Development Summary

**Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:**

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Due to the diverse ELL population we service, and the significant amount of students with language delays in their home language, it is imperative that our teaching practices demonstrate an effective use of researched based practices/ strategies to support oral language development and second language acquisition.

Our Title III program requests that teachers plan for Science concepts in the students' new language (English) as well as for the academic language required to engage in discourse and presentation. Therefore, our professional development for this program supports the intentional planning for content and language objectives as well as for oral and written language assessment and discourse.

Our bilingual and ENL teachers will all be provided professional development. We will provide two professional development sessions (90 minutes in duration) :

Planning scaffolded instruction using best research practices and the Bilingual Common Core Progressions (New Language) will occur as part of the second and fourth sessions to best use the data from above.
Intentionally planning for academic language using the work from collaborative conversations from Stanford University (Kenji Hakuta), and Cultivating Knowledge and Building Language will occur.

Data analysis using NYSESLAT rubric for speaking and writing (to support targeted instruction) . We will have one baseline, and one end-line. Midline Review of student writing work and oral language production to adjust instruction.

Teachers will integrate language and content objectives to the curriculum using recommended strategies for teaching of academic vocabulary and content to ELLs. In addition teachers will also focus on using various technological tools to make the curriculum accessible to ELLs.

Professional development will be provided by the ENL Coordinator in collaboration with our ASD NEST Coach who have a professional history and extensive knowledge of supporting ELLs.

# Rationale for Professional Development

**Describe the rationale for the professional development to be provided. For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Due to the diverse ELL population we service, and the significant amount of students with language delays in their home language,  it is imperative that our teaching practices demonstrate an effective use of researched based practices/ strategies to support oral language development and second language acquisition.

Our Title III program requests that teachers plan for Science concepts in the students' new language (English) as well as for the academic language required to engage in discourse and presentation. Therefore, our professional development for this program supports the intentional planning for content and language objectives as well as for oral and written language assessment and discourse.

Our bilingual and ENL teachers will all be provided professional development. We will provide two professional development sessions (90 minutes each in duration) :

Planning scaffolded instruction using best research practices and the Bilingual Common Core Progressions (New Language) will occur as part of the second and fourth sessions to best use the data from above.
Intentionally planning for academic language  using the work from collaborative conversations from Stanford University (Kenji Hakuta),  and Cultivating Knowledge and Building Language will occur.
Data analysis using NYSESLAT rubric for speaking and writing (to support targeted instruction) . We will have one baseline, and one end-line. Midline Review of student writing work and oral language production to adjust instruction.

Teachers will integrate language and content objectives to the curriculum using recommended strategies for teaching of academic vocabulary and content to ELLs. In addition teachers will also focus on using various technological tools to make the curriculum accessible to ELLs.

Professional development will be provided by the ENL Coordinator in collaboration with our ASD NEST Coach who have a professional history and extensive knowledge of supporting ELLs.

# Teachers to Receive Professional Development

**Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.**

All Title 3 teachers servicing students within the Title 3 program will meet for mulitiple sessions prior to beginning instruction. In these sessions, the Title III team will engage in an overview of the purpose and structure of the program. We will then divide into specialized groups to focus on various levels, content areas, and proficiency levels. Teams will develop a curriculum based on the needs of our ELL groups (modality strengths, proficiency

levels, engagement & interest categories). These subgroup teams will meet regularly to supplement and adjust instruction as needed. The whole group will meet halfway through program delivery to assess progress and again at the end of the program to debrief and plan for the following year.

# Schedule and Duration

**For each Title III ELL professional development activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

*Two 90 minute planning sessions prior to beginning instruction (3/10-3/11/25)
*One midway 90 minute meeting to assess progress & adjust expectations 3/25/25)
*One final 90 minute meeting after closing of program to debrief and plan for the following years' instruction (4/15/25)

# Topics to be covered

**For each Title III ELL professional development activity, include topics to be covered.**

Planning scaffolded instruction using best research practices and the Bilingual Common Core Progressions (New Language)
Intentionally planning for academic language  using the work from collaborative conversations from Stanford University (Kenji Hakuta),  and Cultivating Knowledge and Building Language will occur.

Data analysis using NYSESLAT rubric for speaking and writing (to support targeted instruction) . We will have one baseline, and one end-line. Midline Review of student writing work and oral language production to adjust instruction.

Support in planning  language and content objectives to the curriculum using recommended strategies for teaching of academic vocabulary and content to ELLs. In addition teachers will also focus on using various technological tools to make the curriculum accessible to ELLs.

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).**

Rachel Lindsay, ENL Coordinator

# Maintaining Records

**Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.**

We keep all sign-in sheets, agendas and slide decks on file (both digital & paper copies when available) in the ENL Compliance Binder as well as in the ENL office.

# Part D: Family Engagement Activities

## Family Engagement Summary

**Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.**
**Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.**

Many of our parents ask for ways of supporting their children at home, and express feeling challenged by new and unfamiliar content and technology, as well as a language that they may not be fluent in. Many already revert to their phones and Ipads as a means of supporting their children with reading. Therefore, we will address unfamiliar science academic content and language with affordable tools that they have access to such as Smartphones and iPads (from school, which have already been sent home).

The parents will be invited to attend five interactive workshops of 1.5 hours each, where they will work with the ENL teacher and a bilingual teacher in learning how to support their students in accessing complex text and content through the use of technology, while also building their content knowledge and resources about the unit of study.

In these PDs:

Families will learn how to use ebooks, iPads, and videos to acquire information about a topic. The ENL teacher along with librarian will teach parents how to navigate the library to attain resources to support the students inclusive of online resources and trip to public library. This will support building background knowledge as well as location of various resources.

Families will gain an understanding of the demands of academic language / content throughout the stages of language acquisition. Parents will be immersed in tasks that students are expected to engage in so that they are clear about the expectations of these tasks, the demands of these tasks, and resources that assist with these tasks. The ENL teacher and ASD Nest Coach will lead this session. These will occur in the classroom setting (or remotely should that need arise).

Families will navigate various technological apps that support background knowledge, concept development, and academic language development. This will be led by bilingual special-ed teacher and technology lead teacher.

Families will engage in ENL Strategies which support students' independence of written tasks and assignments led by bilingual teacher and ENL provider.

Our Parent Coordinator will create fliers to invite families to these sessions. ENL Title III teachers will send reminders home prior to events.

All workshops will have translations provided by our bilingual staff and/ or translation unit.

# Rationale for Family Engagement Activities

**Describe the rationale for the family engagement activities to be provided: For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Many of our parents ask for ways of supporting their children at home, and express feeling challenged by new and unfamiliar content and technology, as well as a language that they may not be fluent in. Many already revert to their phones and Ipads as a means of supporting their children with reading. Therefore, we will address unfamiliar science academic content and language  with affordable tools that they have access to such as Smartphones and iPads (from school, which have already been sent home).

The parents will be invited to attend five  interactive workshops of 1.5  hours each, where they will work with the ENL teacher and a bilingual teacher in learning how to support their students in accessing complex text and content through the use of technology, while also building their content knowledge and resources about the unit of study.

# Schedule and Duration

**For each Title III ELL family engagement activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Bi-monthly
5 Saturdays
10:00 am-11:30 am

# Topics to be Covered

**For each Title III ELL family engagement activity, include topics to be covered.**

Second Language acquisition
Proficiency LEVELS
STRATEGIES to support students within each level of language proficiency

Families will gain an understanding of the demands of academic language / content throughout the stages of language acquisition. Parents will be immersed in tasks that students are expected to engage in so that they are clear about the expectations of these tasks, the demands of these tasks, and resources that assist with these tasks. The ENL teacher and ASD NEST Coach will lead this session. These will occur in the classroom setting (or remotely should that need arise).

Families will navigate various technological apps that support background knowledge, concept development, and academic language development. This will be led by bilingual special-ed teacher and technology lead teacher.

Families will engage in ENL Strategies which support students' independence of written tasks and assignments led by bilingual teacher and ENL provider.

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).**

Rachel Lindsay
Yadira Rivas
Jaqueline Cinto-Lozano

# Family Notification of Activities and Translation and Interpretation Supports:

**Describe:**

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Email
Flyers
Instagram
PS 112 website

# Maintaining Records

**Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.**

# Part E: Budget

**FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY.** Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

**This school is (select one):**

**Allocation Amount ($):**

| Budget Category | Budgeted Amount | Explanation of expenditures in this category as it relates to the program narrative for this title. |
|---|---|---|
| Professional salaries (schools must account for fringe benefits):-Per session -Per diem | a | a |
| Purchased services -High quality staff and curriculum development contracts. | a | a |
| Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed. | a | a |
| Educational Software (Object Code 199) | a | a |
| Travel | a | a |
| Other | a | a |
| TOTAL | a | a |
