Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

PS 4 Duke Ellington School

District Borough Number (DBN):

06M004

Grades Served:

3K-5

School Address:

500 West 160 Street New York, New York 10032

Phone Number:

(212) 928-0739

Fax:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Adam Stevens	Principal or Designee*	
Daniela Cabral	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Caroline Jose	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Segunda Nunez	District Council 37 (DC 37) Representative (staff), if applicable	
Julio Basabe	Title I Parent Advisory Council Chairperson (or alternate)	
NA	Student Representative (Required for middle and high schools)	
NA	Student Representative (Required for middle and high schools)	
John Paul Dyson	CBO Representative, if applicable	
Esther Mortimer	Member/Teacher	
Karlen Cabral	Member/Teacher	
Angel Acevedo-Berry	Member/Parent	
Suzana Williams	Member/Assistant Principal	
Griselda Sancez	Member/Parent	
Juana Alvarez	Member/Parent	
Cristina Ruiz	Member/Parent	
NA	NA	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Niurka Castro	Chair-ILT, Literacy, FACIL	
Lisnerva Nuez	ILT -Secretary, Literacy, STEM, FACIL	
Jondrea Williams	ILT-Instructional Coach	
Esther Mortimer	ILT-Special Education Representative	
Jessica Giler	ILT-Bilingual Teacher, FACIL	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Vision Statement

At Duke Ellington Elementary School, our vision is to create an enriching environment that provides students and the community with educational opportunities promoting academic, social, and emotional growth. We are committed to fostering proficiency through the teaching and encouragement of racial, ethnic, and cultural sensitivity, tolerance, and cooperation.

Mission Statement
Our mission at Duke Ellington Elementary School is to develop lifelong learners and leaders by fostering Positivity, Respect, Integrity, Determination, and Excellence (PRIDE).

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

The Duke Ellington School/P.S. 4 has been a vital part of the Washington Heights community for over 26 years. Since its inception, P.S. 4 has partnered with families and colleagues to provide personalized, integrated, and joyful learning experiences. While some collaborations have led to academic, social, and emotional progress, we believe a more consistent support system is needed for our school families.

P.S. 4's partnerships enhance both academic achievements and social-emotional development. Key arts programs include Dance Theater of Harlem, Creative Art Works, and Afro- Latin Jazz. Other significant partnerships are:

- Community League of the Heights (CLOTH-CBO)
- Columbia N.Y. Presbyterian Mental Health/CAM Classroom
- Turn 2 Foundation
- Ellington PRIDE Pantry
- Afro-Latin Jazz
- Jewels of Harlem
- Department of Health Vision Screening/Dental
- City College Interns Program
- Dance Theater of Harlem
- Behind the Book
- Evy Wright Acting Studio

We aim to provide access to our partners for supporting students and parents with adult education, wellness

classes, and the Ellington PRIDE food pantry. Notably, our partner CLOTH has sustained after-school programming for nearly twenty years.

We advocate that all partners implement the Positive Behavioral Interventions and Supports (PBIS) program to align with the school's goals for social and emotional well-being. P.S. 4's dedicated teachers and support staff are committed to collaborating with partners to support the well-being of our students.

Briefly summarize the key initiatives your school will implement this school year.

The Duke Ellington School will continue implementing the new, standards-aligned English Language Arts curriculum, Expeditionary Learning. This student-centered approach promotes autonomy and focuses on building both word recognition and reading comprehension, grounded in the Science of Reading.

Teachers will further develop targeted small-group instruction to meet the diverse needs of all students while fostering student voice and independence.

Additionally, we will strengthen language development through our ongoing partnership with Community Schools.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Creative Curriculum	3K-4K	Units of Study	Digital & Print
ELA	K-5	Expeditionary Learning - Digital & Print	Digital & Print
Math	K-5	enVision	Digital & Print
ELA	K-2	Fundations	Print
ELA	K-2	Heggerty	Print
ELA (Dual Language)	K-2	Estrellita	Print

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
54% On or above grade level as per EOY iReady Diagnostic (2025), 50.6 % student proficient as per NYS State Test (2025),	Gap in foundational skills, phonic and phonological awareness in upper grades. Inconsistencies in targeted intervention practices and the need for stronger alignment with the Science of Reading.	Improve Reading Comprehension across all grade levels-Teachers continue to work toward building student independence and stamina in reading while reinforcing foundational skills. Additional training in research based programs to provide small group intervention in classroom and pullout.

Acadience (2025)		
iReady Diagnostic (2025), High Frequency & Vocabulary	Limited exposure to rich, academic language and insufficient opportunities for structured oral language development have contributed to weak language comprehension and vocabulary acquisition. Inconsistent use of explicit vocabulary instruction and limited access to diverse, content-rich texts across subject areas have further impacted students' ability to understand and use academic language effectively.	Enhance Language Comprehension and Vocabulary Development
iReady Diagnostic (2025), Comprehension	Inconsistent opportunities for sustained, purposeful reading practice and limited emphasis on reading fluency instruction have contributed to low fluency and reading stamina. Additionally, a lack of access to appropriately leveled texts and insufficient time dedicated to independent reading have hindered students’ ability to build reading endurance and automaticity.	Increase Reading Fluency and Stamina by continuing to engage all students in standard-based tasks focused on determining central ideas or themes of a text and provide scaffolds and accessibility for ML/ELLs and students with IEPs.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	51%	By June, 2026, literacy for All Students will improve, from 51% to 61%, of students scoring at levels 3 &4 on the NYS ELA Exam results, as measured by a 10 point Increase.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Job-embedded support (Teaching Matters): Educator trains teachers on Expeditionary Learning and provides year-round coaching on explicit teaching and practices that offer students access to grade-level texts.

Use data-driven small group instruction to target comprehension and regularly monitor student progress through formative assessments.

Train teachers on intervention programs for tier 2 & 3.

Root Cause Addressed:

Gaps in foundational literacy skills, including phonics and decoding

Limited access to complex, content-rich grade level texts

Inconsistent comprehension strategy instruction

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement a rigorous, standards-aligned curriculum (e.g., Expeditionary Learning) and implement explicit instruction practices. and small group instruction.
Use i-Ready and classroom assessment data to group students and plan targeted lessons

Improving reading comprehension levels by ensuring students are reading level texts
Strengthen teaming structures and holding data meetings to review comprehension growth and adjust instruction as needed.
Provide additional training in data analysis to inform small group instruction. Constant review of subgroup data (SWDs, ENLs, Economically disadvantaged)
Administrators will hold periodic data chats with teachers to monitor whole-class goals.
Class as Lab mindset will be enacted to support these continuous improvement efforts.

Key Strategy 2 (Optional):

Increasing Reading Fluency and Stamina

Key Strategies:

Incorporate structured fluency practice into daily instruction

Build routines for sustained independent reading

Monitor fluency through regular assessments

Root Cause Addressed:

Root Cause Addressed:

Limited exposure to academic vocabulary and complex language structures

Inconsistent explicit vocabulary instruction

Lack of oral language development opportunities

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Integrate vocabulary routines (e.g., word maps, Frayer Models) into daily lessons
Schedule regular oral language activities (e.g., turn-and-talks, debates)

Curate classroom libraries with diverse, high-interest texts that expose students to academic language
Partner with Community Schools and ENL teachers for language-rich family workshops and resources

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Implementation Monitoring
To ensure the effective implementation of our key strategies and action steps, Duke Ellington School will utilize a set of structured monitoring systems that align with our instructional priorities and identified data trends. These systems will allow us to track fidelity of implementation, measure student growth, and inform instructional adjustments throughout the year.

Primary Structures for Monitoring Implementation:
Instructional Planning and Data Meetings:
Teacher teams will meet bi-weekly to review student progress using i-Ready, Heggerty, and NYS ELA assessment data. These meetings will focus on adjusting small group instruction based on student needs, aligned with our goals to improve reading comprehension, vocabulary, and fluency.

Professional Development (PD) Aligned to Key Strategies:
PD will be categorized and aligned to the school's instructional focus:

Planning and Preparation: Using the Expeditionary Learning curriculum and other resources to meet student needs

Student-Centered Instruction: Designing and refining small group lessons to address reading gaps

Data Analysis: Analyzing i-Ready, Heggerty, and state test data to drive instruction

Student Voice and Engagement: Incorporating protocols that amplify student voice and ownership of learning

Intervisitations and Peer Feedback:
Teacher teams will conduct peer classroom visits to observe best practices related to vocabulary instruction, comprehension strategies, and fluency routines. Feedback will be shared collaboratively to refine instruction.

Learning Walks with Leadership Team:
Administrators and instructional leads will conduct regular learning walks using a calibrated tool to identify strengths and areas for growth, specifically in reading comprehension, language development, and fluency.

Consultant Support and Coaching:
External consultants will provide coaching cycles with a focus on early literacy, language acquisition, and differentiated instruction. Feedback and modeling will help teachers strengthen implementation of key strategies.

Family Engagement in MTSS Monitoring:
Progress of students receiving Tier 2 and Tier 3 interventions will be shared with families through regular meetings

and progress reports, ensuring transparency and collaborative support.

Use of Advance and Observation Data:
Advance ratings and formal/informal observation feedback will be used to assess teacher effectiveness and ensure alignment to school-wide instructional goals.

Data & Evidence to Be Collected:
i-Ready Diagnostic Scores (Fall, Winter, Spring) – to track reading growth, vocabulary development, and fluency

Heggerty Assessment Data (K–2) – to monitor phonemic awareness foundational progress

NYS ELA Assessment Results – to evaluate grade-level proficiency and long-term outcomes

Formative Assessments & Student Work Samples – to assess reading comprehension, vocabulary use, and fluency during classroom instruction

Teacher Planning Artifacts & PD Logs – to verify implementation of strategies

Learning Walk and Intervisitation Feedback – to monitor instructional trends school-wide

These monitoring systems will ensure that implementation progress is reviewed consistently and adjusted responsively to meet the needs of all learners, particularly those identified through our baseline data as requiring targeted support.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	06/01/2026	ENL Adult Classes	
09/15/2025	09/01/2026	"How to help my child with reading workshops"	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

APs, Consultants, iReady, Teacher planning time

Instructional Resources

iReady, Expeditionary learning, Foundations, Heggerty

Schedule Adjustments

none

Other Resources Needed

not at this time

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
98% responded positively to questions of Trust on the 2024-2025 School as opposed to	Student need a systematic structure to voice their concerns about safety and discipline. The guidance Counselor and SAPIS need more opportunities to provide workshops and student town-halls on a more consistent basis. The guidance Counselor and SAPIS must take time to further develop relationships with all students in order to provide more opportunities for students to voice their concerns and identify methods of support in order to decrease the number of incidents occurring in common spaces such as the cafeteria, schoolyard, and auditorium	Provide consistent opportunities for student voice in relation to schoolwide safety and

75% from 2023- 2024.		disciplinary practices.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Conflict Resolution Classes in Grades K-5

Root Cause Addressed:

Students need a structured and consistent system to voice their concerns regarding safety, behavior, and school climate. Currently, there are limited opportunities for students to engage in open dialogue about these issues. The Guidance Counselor and SAPIS provider require more dedicated time and consistent platforms—such as workshops, student town halls, and classroom check-ins—to build trust and strengthen relationships with all students. Strengthening these connections will create more meaningful opportunities for students to express concerns, access support, and contribute to solutions, ultimately reducing behavioral incidents in common areas such as the cafeteria, schoolyard, and auditorium.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement Tiered SEL Support: The Guidance Counselor and SAPIS provider will deliver explicit, grade-appropriate instruction on conflict resolution, emotional regulation, and problem-solving strategies through classroom push-ins and small-group sessions.
Conduct Student Voice & Safety Check-ins: Each class will participate in quarterly student safety and climate surveys to gather feedback on how safe students feel in various school spaces (e.g., cafeteria, hallways, schoolyard). Data will inform follow-up actions.

Identify and Monitor At-Risk Students: The Guidance Counselor and SAPIS provider will use attendance data, behavioral referrals, teacher input, and SEL screeners (e.g., DESSA) to identify students in need of targeted social-emotional support.
Facilitate Targeted SEL Groups: Identified at-risk students will be grouped based on need and will participate in ongoing, structured SEL support groups led by the Guidance Counselor and SAPIS provider, focusing on relationship skills, empathy, and coping strategies.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The Online Occurrence Reporting System reports will indicate a decrease of the number of A24 incidents reported as evidence by the number of incidents reported as well as internal student surveys administered by the Guidance Counselor and SAPIS worker during Conflict Resolution classes scheduled in grades K-5.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	10/31/2026	Facilitate a virtual workshop series based on helping parents support their child's social-emotional well-being.	United Community School

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Guidance Counselor and SAPIS worker

Instructional Resources

Sanford Harmony Curriculum

Schedule Adjustments

Instructional cycle will include one period per week beginning with grades K-2 and then grades 3-5 for 6 weeks.

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
About 11% of students in all grades are high-risk according to the 2025 iReady End-of-Year Diagnostic, 34% are below level but not high risk yet.	Students struggle with multi-step word problems due to limited proficiency in reading comprehension, academic vocabulary, and mathematical reasoning. Additionally, students have underdeveloped skills in algebra and algebraic thinking, such as recognizing patterns, using variables, and writing or solving equations, which are essential for understanding and solving complex, multi-step problems.	Strengthen students' ability to solve multi-step word problems by integrating explicit instruction in problem-solving strategies, academic vocabulary, and mathematical reasoning.

About 16% of students in all grades are high-risk according to the 2025 iReady End-of-Year Diagnostic, 39% are below level but not high risk yet.	Students demonstrate limited understanding of measurement and data concepts because this unit is typically taught toward the end of the school year, when instructional time is often reduced due to testing, end-of-year activities, or attendance declines.	Ensure adequate instructional time and depth of learning for Measurement and Data by adjusting pacing guides, incorporating spiral review throughout the year, and integrating measurement concepts into earlier units and cross-curricular tasks to reinforce understanding.
About 18% of students in all grades are high-risk according to the 2025 iReady End-of-Year Diagnostic, 41% are below level but not high risk yet.	Students struggle with geometry concepts because the unit is typically placed at the end of the math curriculum, when time is compressed due to state testing, year-end events, and reduced instructional focus. As a result, geometry often receives less instructional time, fewer hands-on learning opportunities, and limited reinforcement, impacting students' conceptual understanding and skill application.	Increase instructional focus on Geometry by integrating geometric concepts earlier in the year through spiral review, hands-on activities, and cross-curricular connections, ensuring students have sufficient time and repeated exposure to build conceptual understanding and apply skills effectively.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	64	PS4 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June 2026, the percentage of students scoring at Levels 3 & 4 on the NYS Math Exam will increase from 64% to 74%, as measured by a 10 point increase on the NYS Math Exam results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Integrate explicit instruction on algebraic concepts including variables, expressions, and equations.

-Incorporate multi-step problem-solving tasks that require algebraic reasoning.

-Use math discourse and academic vocabulary development focused on algebraic language.

-Provide scaffolded supports and visual representations to build conceptual understanding.

Root Cause Addressed:

Students struggle with multi-step word problems and algebraic reasoning due to limited proficiency in reading comprehension, academic vocabulary, and underdeveloped algebraic thinking skills such as recognizing patterns, using variables, and forming equations.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Deliver targeted small group lessons on algebraic thinking during math blocks.
Implement weekly problem-solving tasks involving multi-step algebraic problems.
Conduct professional development on teaching algebraic thinking and vocabulary.

Use formative assessments and i-Ready data to identify and support students struggling with algebraic concepts.

Key Strategy 2 (Optional):

- Adjust pacing guides to allocate adequate time for measurement and data units.

- Embed spiral review of measurement concepts throughout the year.

- Use hands-on activities and real-world data collection to enhance understanding.

- Integrate measurement and data tasks into cross-curricular lessons.

Root Cause Addressed:

Limited instructional time and pacing challenges result in insufficient depth of learning and reinforcement for measurement and data concepts, impacting students' mastery and retention

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Review and revise pacing calendar to ensure balanced time for measurement and data.
Plan monthly review sessions revisiting key measurement concepts.
Organize project-based learning activities involving data collection and analysis.
Monitor progress with formative assessments and adjust instruction accordingly.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Implementation Monitoring:
Beginning in October, all grades K–5 will regularly progress monitor student performance in targeted math domains, including multi-step word problems, using data from the i-Ready Math Diagnostic and other formative assessments. Specifically, grades 3–5 will focus on multi-step word problems, while K–2 will monitor foundational skills that support later problem-solving.

The Instructional Leadership Team (ILT) will convene bi-weekly to analyze this data, identify patterns and trends, and adjust pacing and instructional strategies as needed. Using a structured data protocol, the ILT will collaborate with grade-level teams to pinpoint challenges and determine targeted next steps to support students.

Progress monitoring will include:

* i-Ready diagnostic and growth data
* Formative assessment results from classroom tasks and unit assessments
* Teacher observations and feedback during data meetings

This ongoing cycle of data review and responsive planning will ensure instructional adjustments are timely and effective, leading to improved student outcomes across all grade levels.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Enrollment Data	academic learning connects to future careers, as well as a lack of consistent guidance in developing long-term goals and planning pathways that lead to college, career readiness, and economic security.	integrating structured career exploration, goal-setting, and real-world learning experiences across all grade levels.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	31	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By May, 2026, the NYC RISE college savings accounts for All Students will Decrease by 10% from 31 to 41 as measured by NYC RISE enrollment reports.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Expand College and Career Awareness Through Classroom Integration and Real-World Exposure

Host an Annual Career Fair where professionals from diverse fields visit each class/grade level to share age-appropriate presentations and engage students in interactive discussions about their careers, education paths, and skills required.

Facilitate Career Speaker Series throughout the year to provide ongoing exposure—inviting family members, community partners, and local professionals to share insights into their jobs and answer student questions.

Embed Career Connections in Instruction by integrating real-world applications into lessons, highlighting how academic skills relate to various career fields (e.g., using math in architecture, science in healthcare, or writing in journalism).

Celebrate Career Exploration Days or Spirit Weeks where students can dress up, research a profession, and present what they've learned to peers.

Leverage Digital Resources such as virtual field trips, career exploration platforms (e.g., Junior Achievement, Career Village), and videos to expose students to a wide range of professions.

Integrate SEL and Career Readiness Skills by focusing on soft skills like communication, teamwork, and problem-solving, and linking them to future workplace success.

This strategy promotes early college and career awareness, builds student engagement, and helps students see relevance in their academic work.

Let me know if you'd like help formatting this into a formal plan or aligning it with state standards!

Root Cause Addressed:

Students and families have limited access to diverse role models and professionals who can share real-world experiences and highlight the connection between education and career pathways.

Students need more structured opportunities to make meaningful connections between what they are learning in school and the variety of college and career options available to them in the future.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Plan and host an annual Career Fair featuring diverse professionals across multiple industries, with tailored presentations and hands-on activities for each grade level.
Coordinate a Career Speaker Series throughout the school year, inviting family members, alumni, and community partners to share their career journeys and answer student questions.
Integrate career-focused discussions into instruction by having teachers regularly highlight how academic skills are used in real-world professions during math, ELA, science, and social studies lessons.
Develop and distribute grade-appropriate career exploration materials (e.g., graphic organizers, reflection journals, research templates) for use in classrooms.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 School Survey data indicates that 100% of families say they have	Parent Workshops are usually held following student arrival. Many parents work and are unable to attend to receive information to contribute to building their capacity as their child's primary	Strengthen families' capacity

received support in building their capacity to become their child's advocate.	advocate. Considerations are being considered such as streaming workshops to allow working parents opportunities to participate.	as their child's primary advocate a

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Action Plan: Supporting Families in College and Career Readiness
Host Ongoing "Counselor Office Hours":
Schedule regular, flexible-time sessions (in-person and virtual) for families to meet with school counselors and ask questions about college, careers, middle/high school pathways, financial aid, and student planning.

Provide Multilingual Resources and Interpretation Services:
Ensure all college and career readiness materials, event invitations, and planning tools are available in families' home languages. Offer live interpretation during workshops and parent meetings to support inclusive engagement.

Facilitate College & Career Workshops for Families:
Organize grade-specific family workshops covering topics such as career exploration, navigating NYC high school applications, understanding report cards and transcripts, and building long-term academic plans.

Root Cause Addressed:

Families have limited access to consistent, one-on-one support and guidance on college and career planning due to scheduling conflicts or lack of communication channels.

A lack of multilingual communication and resources creates barriers for non-English-speaking families to fully engage in their child's academic and post-secondary planning process.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implement Monthly “Counselor Office Hours” Schedule recurring sessions during varied times (e.g., morning, afternoon, evening) to accommodate working families, offering both in-person and virtual options for accessibility.
Distribute Multilingual College & Career Resources Translate all materials—including event flyers, planning guides, high school application timelines, and post-secondary information—into the major languages spoken in the school community.
Offer Live Interpretation During Family Events Provide professional interpretation (in-person or virtual) during workshops, counselor meetings, and student-led conferences to ensure full participation of multilingual families.
Send Out Regular Parent Newsletters Share key college and career updates through multilingual newsletters (print, email, and SMS), highlighting upcoming events, tips, and deadlines.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Multilingual Family Needs Survey:
An in-house survey will be developed and distributed in multiple languages to gather input on parents’ needs, questions, and preferred supports related to post-secondary planning. Data from the survey will guide outreach and programming.

Individualized Family Outreach:
Starting with Grade 5 and moving down through lower grades, school counselors and support staff will conduct structured outreach to families to discuss each child's academic progress, interests, and potential middle school pathways. Records of these conversations will be documented and reviewed during ILT and counseling meetings.

Middle School Application Support:
We will monitor attendance and engagement in school-hosted middle school fairs, information sessions, and counselor-led application workshops. Parent participation rates will be tracked and used to determine where additional outreach or translation services are needed.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	06/01/2026	The PTA will host family-facing workshops and events to encourage parent participation in the Science of Reading, Social-Emotional Learning (SEL), and foundational math concepts. These activities will empower families with strategies to support learning at home and strengthen family-school partnerships.	
10/01/2025	06/01/2026	Counselor/SW will meet with each parent to help parents advocate for programs and needs

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Students are motivated to attend school daily when there are fun and engaging events happening. In an effort to create a more positive school culture, we have adopted attendance contests on a more granular level. In addition to the monthly celebrations, we are promoting and incentivizing weekly perfect attendance. And because we know that some students are challenged by different circumstances, we are targeting at risk students and offering an extra gym period or award of choice on a weekly basis.

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Attendance Committee will monitor weekly reports, organize said resource and offer support to families to prevent chronic absenteeism. The members will conduct family outreach via phone, emails, letters, and home visits. Special attention will be given to those families living in temporary housing. Comments will be recorded in a Google document based on findings of outreach. Efforts will be recorded in ATS iLog.
Monthly assemblies will be held to celebrate and present certificates to students who maintain good attendance. Name and picture of students with perfect attendance will be placed on bulletin board in the main corridor of the school. Scholars who make improvements will receive Knight Notes as per our reward system in PBIS Initiative. During Curriculum Night and Coffee with the Principal, the school community will convey to families the importance

and impact of daily attendance. Classes with the best percentage for each month will receive an ice cream/treat and a homework free night.
Attendance Committee will track and document attendance by class; facilitating anecdotals at-a-glance.
Parent workshops will be held by the Attendance teacher to discuss the importance and its effects on academic performance. Data from New Vision will be used to meet with families and address absenteeism for those students with 6 or more absence (falling to 90%) by December.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The Attendance Committee will meet weekly to review ATS and New Vision reports. The data will be used to monitor absences and track improvement of. Data from assessments and teacher anecdotals will aid in the analysis of improved attendance with achievement. Quarterly progress reports will be sent to home as a means to identify and address next steps.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Families will be provided with planners for regular written communication between teacher and the home in a format, and to the extent practicable in the languages that parents can understand.	
09/04/2025	06/26/2026	Consistent family outreach will be conducted; specifically, students with a pattern of chronic absenteeism and those who fall below within the two months of school. Attendance Team will offer support as necessary.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Root Cause Addressed:

Ensure that programs and services mandated on each student's IEP are delivered

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The special education team will review STARS and ATS reports to make sure that students are place in the appropriate setting. Administrators will check service providers' report to ensure that students are programmed and receiving appropriate services.
The Team will ensure "impact of disability" statements reflect the effect of the student's disability on access, participation and progress in the general education curriculum.
PPT team and teachers will review data every six weeks to ensure that staff members follow referral procedures.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
10/01/2025	06/19/2026	Workshops will be conducted for families on the IEP process	
10/01/2025	06/19/2026	Workshops will be given to parents on how to read the IEP	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Support of the SBST and the PTA, Educators for Student Success

Instructional Resources

Promethean Smartboard and computers with connection to the internet

Schedule Adjustments

SBST and PTA availability during school hours

Other Resources Needed

NA

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 3	Referral to SBST	SPIRE	Small Group, One on One	During School Hours	Both
Tiers 2	Acadiance, Star Reading data, IReady Reading data.	Fundations	Small Group	During School	No
Tier 2	Acadiance, Star Reading data, IReady Reading data.	iReady	Small Group	During/After School	Yes
Tier 3	Referral to SBST	Digital Great Leaps	One-to-one	During school hours	Both
Tier 2	Acadiance, iReady, STAR Reading	Heggerty	Small group and one on one	During School hours/Afterschool	No
Tier 3	Acadiance, iReady, STAR Reading	Sound Sensible	Small group and one on one	During School hours/Afterschool	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 3	Referral	NYP-Mental Health Co	One on One Family Counseling	During School and After School	Yes and in-personn
Tier 2	Brain Power Wellness	Trauma-Informed Positive Classroom Behavior Management an d Emotion Regulation	Small Group	During School	Yes
Tier 2	NYP-Turn 2 Us	Therapeutic Art Intervention	Small Group	After School and During School	Yes

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The Duke Ellington School is committed to fostering strong family-school partnerships as part of our Multi-Tiered System of Supports (MTSS). We ensure that families are informed and engaged by:

Providing Clear Communication: Families receive regular updates about MTSS practices through newsletters, family workshops, and school events. These communications explain the purpose of MTSS, the tiers of support, and how data is used to inform instruction and intervention.

Family Workshops and Information Sessions: The school hosts sessions to educate families about academic and behavioral supports, intervention strategies, and how they can support their child's learning at home.

Collaborative Meetings: Families are invited to participate in problem-solving meetings when students receive Tier 2 or Tier 3 supports. These meetings ensure that parents are active partners in planning and monitoring their child's progress.

Culturally Responsive Engagement: We strive to provide translated materials and interpretation services to ensure all families, including English Language Learners and those in temporary housing, can fully participate in the MTSS process.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families of students receiving Tier 2 (targeted) or Tier 3 (intensive) interventions are kept informed through regular and personalized communication. This includes:

Progress Reports: Families receive written updates on their child's progress at regular intervals, aligned with the intervention cycle (e.g., every 6–8 weeks). These reports include data on academic or behavioral goals, student performance, and next steps.

Parent Conferences and Meetings: Teachers and support staff hold scheduled meetings with families to review progress, discuss intervention strategies, and collaborate on support plans. For Tier 3 students, these meetings may be more frequent and include specialists.

Phone Calls and Emails: Ongoing communication through phone calls or emails ensures families are promptly informed of any significant changes, successes, or concerns.

Access to Student Plans: Families are provided with clear explanations of their child's intervention plan, including goals, strategies used, and how progress is being monitored.

Our goal is to maintain open, transparent, and supportive communication so families feel informed, involved, and empowered to support their child's growth.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

At the Duke Ellington School, families play a critical role in the decision-making process for students receiving Tier 3 intensive interventions. We ensure meaningful family involvement by:

Collaborative Problem-Solving Meetings: Families are invited to participate in regularly scheduled meetings with educators, intervention specialists, and support staff to review their child's progress, discuss data, and help shape next steps.

Shared Goal Setting: Families contribute to the development and refinement of academic or behavioral goals, ensuring interventions align with the student's needs both at school and at home.

Transparent Communication: Families receive detailed updates on intervention strategies, progress monitoring data, and any recommended changes. School staff take time to explain the data and answer questions to support full understanding.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

As of June 2024, we currently have 98 students in temporary housing according to the ATS report.

Doubled up (with friends or relatives because they cannot find or afford housing): 52

Living in a shelter or transitional shelter: 10

Temporary Housing: 4

Living in a car, bus, or train: 0

Living in a park or public place: 0

Living in an abandoned building: 0

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

After careful analysis of out STH data, we found that transportation has been a big challenge, our Students in Temporary Housing have consistently encountered. A lot of the shelters and families are are coming from Midtown

Manhattan, the Bronx, and/or Queens. Often times the families arrive and pick up students late from the school.

An additional trend he noticed is a correlation between STH students with poor attendance and basic needs not being
met such as clean uniforms and complete meals. There is a high need for hygiene kits, backpacks, uniforms, and care packages.

Families are also informally letting us of the need to have tutoring and afterschool programs. We will use the STH Title I Survey to streamline the services we will offer our STH families.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

We will send all students backpacks with school supplies and a free uniform. We will provide pantry services to these families in need. We will continue to accommodate their transportation needs based on their housing situation with Metro Cards and bussing when appropriate. In addition, we will send out a needs assessment survey to determine how we can best support these families. We will also assist them with health care and mental health referrals.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS. 4 will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;

- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;

- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;

- providing assistance to parents in understanding City, State and Federal standards and assessments;

- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;

- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;

- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;

- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;

- support school-level committees that include parents who are members of the School Leadership Team, the

Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;

- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;

- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;

- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;

- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;

- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;

- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;

- supporting or hosting Family Day events;

- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;

- encouraging more parents to become trained school volunteers;

- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;

- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;

- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

At Duke Ellington Elementary - PS4, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I agree that this Compact outlines how parents, the entire school staff, and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial, and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high-quality instruction in all content areas;
- providing instruction by highly qualified teachers and, when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;

- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;

- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;

- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services to communicate with limited English-speaking parents effectively;

- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;

- arranging opportunities for parents to receive training to volunteer and participate in their child's class and to observe classroom activities;

- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;

- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);

- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;

- supporting parental involvement activities as requested by parents and family members;

- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;

- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people, and property;
- try to resolve disagreements or conflicts peacefully;

- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I School Wide Program SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

All teachers and paraprofessionals participate in ongoing Professional Learning activities within and outside the school. Our Professional Development Planning Committee and Lead Teachers help to identify schoolwide needs and to develop topics for Professional Learning. On-site Professional Learning sessions are facilitated by members of the Instructional Leadership Team (Principal, Assistant Principals, Instructional Coach, ENL Teachers, and Grade Leaders). Initiatives introduced in schoolwide sessions are often extended via Professional Planning Team (PPT) meetings, which members of the Instructional Leadership Team facilitate. Consultants include Southern Cross, iReady, Legacy Pathways, and Educators for Success.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

The majority of our Kindergarten students come from our three full-day Pre-Kindergarten classes, easing the transition from preschool to elementary school for both children and parents. Pre-Kindergarten staff participates in all Professional Learning activities, including school-wide Professional Learning Sessions and the Specialized Division of Early Childhood Professional Development. Early Childhood teachers (PreK-Grade K) often collaborate in the context of Professional Learning sessions and classroom intervisitations. The Pre-Kindergarten Professional Planning Team (PPT) meets weekly to discuss curriculum and instruction and to look at student work. Pre-K parents are members of the Parent-Teacher Association and are invited to participate in all school-wide activities. Official Pre-K records are transferred as part of the Kindergarten registration process, and Pre-K teachers provide advice about student placement and intervention services.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal			
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Title IV, Part A	Federal			
Tax Levy (Fair Student	Local			

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Adam Stevens
Assistant Principal (Where Applicable)*	Niurka Castro
English as a New Language (ENL) Teacher*	Jessica Giler
Teacher (if school has a bilingual program must be a bilingual teacher)*	Lisnerva Nuez
Parent/Guardian*	Kennia Mendez
Teacher/ Bilingual	Yolenni Maria
Parent Coordinator	Denise Nunez
School Counselor	Maggie Ramos
Related-Service Provider	Carmen Swift
Instructional Coach	Jondrea Williams
Teacher/IEP/ SETTS Provider	Esther Mortimer

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

6

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

11

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

3

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

N/A

Total number of teachers with LOTE certification providing World Language instruction:

N/A

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

N/A

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

352

Total number and percentage (%) of current ELLs:

26.4%

Total number and percentage (%) of former ELLs:

6.0%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

91.4%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

8.6%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0.0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

17.2%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Dual Language	English/ Spanish	2017-2018	1	1	.5	.5	.5	1								4.5
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 0.5	total: 0.5	total: 0.5	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

At our school, Stand-alone ENL is provided by Ms. Giler for grades K–2 and Mr. Cantu for grades 3–5. Both teachers hold ESOL certification and are qualified to deliver English as a New Language instruction. We use a Stand-Alone model for Entering and Emerging ELLs, in alignment with CR Part 154 regulations. English proficiency levels group students based on the most recent NYSITELL and NYSESLAT data to ensure targeted and differentiated instruction. Grouping is flexible and may be heterogeneous, with a mix of proficiency levels, or homogeneous, with students at the same proficiency level—depending on student needs. For instance, Ms. Giler will work with her Kindergarten group of Entering-level students, while Mr. Cantu will work with a group of 3rd and 4th grade students at the Entering and Emerging levels. Stand-Alone ENL instruction takes place in a dedicated classroom space, where students engage in thematic units that support language development across all four domains—listening, speaking, reading, and writing. This setting provides a safe, supportive environment where teachers can closely monitor progress and help students build the academic language needed to succeed in core content areas.

Integrated ENL:

Integrated ENL services at P.S. 4 are provided by Ms. Giler (grades K–2) and Mr. Cantu (grades 3–5), both of whom hold ESOL certification. The program follows an Integrated Co-Teaching (ICT) / push-in model, in which ENL teachers collaborate closely with classroom teachers to support both core content instruction and English language development.

Students are grouped by grade level (GR) and proficiency level, and may work in either heterogeneous (HET) groups —blending Entering, Emerging, Transitioning, and Expanding levels—or homogeneous groupings when needed to target specific language goals.

ENL teachers co-plan lessons with classroom teachers, establish language objectives, and provide instructional scaffolds such as visuals, word banks, graphic organizers, and sentence starters. They push into content areas—such as Literacy, Science, or Social Studies—multiple times per week to provide direct language support. Additional materials and resources are developed as needed to meet the diverse needs of ELLs and promote their success in the classroom.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

The Dual Language program at PS 4 will have one class per grade level, beginning in Kindergarten through 5th grade. The teachers assigned to each grade level are:

Kindergarten: Ms. Grullon (Birth to 6 with Bilingual Extension)
1st Grade: Ms. Benenson (Birth to 2 with Bilingual Extension)
Bridge 2nd & 3rd grade: Ms. Nuez (CB 1-6 with Bilingual Extension)
Bridge 3rd & 4th grade: Ms. Baez (CB 1-6 with Bilingual Extension)
5th Grade: Ms. D Cabral (CB 1-6 with Bilingual Extension)

The Dual Language program will follow a "rollercoaster" model for language usage. During English-dominant days, the Dual Language teachers will provide their students with homogeneous, Integrated ENL services. On the Spanish-dominant days, the Stand-Alone ENL teachers will work with Entering and Emerging ELL students in homogeneous groups, using thematic units to support their language development.
Additionally, the school's ENL teachers will collaborate with the Dual Language teachers by providing Stand-Alone ENL instruction within the Dual Language classrooms. This integrated approach ensures that all Dual Language students receive the targeted language support they need to thrive.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

At the start of the school year, the ENL Team—comprised of Ms. Jessica Giler (Grades K–2 ENL Teacher & Lead), Mr. Jose Cantu (Grades 3–5 ENL Teacher), and Ms. Niurka Castro (ENL Supervisor)—meets to begin programming services for our Multilingual Learners/English Language Learners (MLLs/ELLs). The team reviews the latest NYSITELL/NYSESLAT results, the Mandated Units of Study table, and ATS reports such as RLER, ELPC, and RQSA to ensure all students receive the required services as outlined in CR Part 154.

Using this data, students are programmed into STARS based on their proficiency levels. For example:

Entering and Emerging students receive Integrated and Stand-Alone ENL instruction, meeting a total of 360 instructional minutes each week.

Transitioning students receive 180 minutes, split between Integrated ENL/ELA and ENL in content areas.

Expanding students receive 180 minutes of Integrated ENL instruction.

Commanding students continue to receive 90 minutes of support for two years through small group work (Option A) or project-based learning (Option C).

For our Dual Language classes, ENL services are delivered through a bilingual model that supports language development in both English and Spanish. Teachers co-plan and co-teach to ensure students are meeting language and content goals across both languages while also fulfilling ENL mandates.

Monitoring is ongoing. The ENL team meets weekly to review progress and data, and monthly with Dual Language and support staff to adjust instructional plans, ensure compliance, and provide targeted support based on students' language development.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

At P.S. 4, ELA instruction happens daily and includes foundational skills, reading, writing, and small groups. ENL support is integrated during literacy time, with ESOL-certified teachers pushing into classrooms to provide targeted language help.

In Dual Language classes, students receive instruction in all subjects for both English and Spanish, with Home Language Arts taught to build literacy in Spanish and support English learning. Native language scaffolds are used during literacy and ENL lessons.

For students not in bilingual classes, language paraprofessionals and technology tools help newcomers access instruction in their home language, making learning more accessible.

This bilingual model ensures students develop literacy in both languages while receiving strong ENL support throughout the day.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

P.S. 4 implements a One-Way Dual Language Bilingual Education (DLBE) model with one class per grade, Kindergarten through 5th grade. This model uses a 50/50 simultaneous language distribution, where students receive half of their instruction in English and half in Spanish.

Classroom teachers teach all core content areas—Literacy, Math, Science, and Social Studies—in both languages. Literacy follows the Expeditionary Learning (EL) curriculum, alternating language by unit within each module (e.g., Unit 1 in English, Unit 2 in Spanish, Unit 3 in English) to maintain the 50/50 balance.

Math uses the Envision program and alternates language daily by module. Science and Social Studies instruction alternates weekly between English and Spanish.

This schedule ensures English proficient students and ELLs are fully integrated in the same classroom, learning both languages equally throughout the day.

b. In which language(s) is each core content area taught?

English and Spanish through a 50/50 model as per Dual Language calendar.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

SY 2025-26 we don't have a TBE program.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Using the latest EDAT and RLAT provided by the Division of Multilingual Learners, we know that 91.4% of our ELLs are Newcomers. For instance, we have 16 newcomers in Kindergarten, 11 in first grade, 19 in second grade, 21 in third grade, 14 in fourth grade and 4 in fifth Grade. In order to effectively address our students mandated minutes, we make sure that they get 180 minutes of Stand Alone instructional time and 180 minutes of Integrated Instructional time. In addition, in collaboration with the ENL Team, teachers deliver lessons that have a content and language target. Also, teachers provide students with scaffolding, visual support and language support. An example of scaffolding will be to chunk a text into parts and provide students with a graphic organizer to answer questions. This scaffolding can look different across language proficiency. Our lessons foster culturally relevant topics such as diversity and equity.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Our current percentage of Students with Interrupted Formal Education (SIFE) is 0%. Still, we make it a priority to differentiate instruction by providing extra time, small group support, and personalized attention based on students' individual needs. While we don't currently have any SIFE students, we believe that one meaningful way to support them — should they enroll — is by offering literacy instruction in their home language. For example, if a student enters in third grade without being able to read or write in their native language, we will provide resources and support to help them develop those foundational skills and feel confident in their learning.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We have no long term ELL's. N/A

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

6.0% of students are former ELLs. We will provide services by giving them small group instruction and/or project based learning as per CR 154 for up to two years. We believe these students will benefit from STEM projects, book clubs, and academic centers, from our Facilitating Academic Centers in Learning F.A.C.I.L Initiative. We aim to continue helping these students master reading and writing skills that will help them succeed out of a bilingual and/or ENL program.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The at-risk indicators impacting the greatest number of ELLs in PS 004 are: newcomer ELLs with less than 3 years of ELL services 91.4%,ELLs in Temporary Housing 32.3%, and ELLs not demonstrating sufficient ELP progress 24.7%. When comparing the data to the one from the previous school year, we can say: 1 the number of Newcomer ELLs in our Duke Ellington school has increased by 2.7 percentage points from 88.3% to 91.4%; and 2 The number of ELLs in Temporary Housing has decreased by 3.5 percentage points, from 35.8% to 32.3%. Additionally, ELLs not demonstrating sufficient ELP progress, has decreased by 3.6 percentage points from 28.3% to 24.7%.
It is important to note that when it comes to the performance at-risk indicators, the number of ELLs scoring at level 1 or 2 in the last school year is 12.9% in ELA and 12.9% in Math. However, this number decreases when considering two consecutive school years of performance in Math, 2.2% and decreased when considering two consecutive school years in ELA, 3.2%.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

When examining the potential challenges faced by former English Language Learners (ELLs) at our school, it's important to consider multiple at-risk factors that may affect their academic progress. A noticeable trend is the ongoing need for support in both language development and core content areas, even after students have exited ELL services.

For instance, 9.5% of Former ELLs scored at Level 1 or 2 in ELA last school year — a decrease from 18.5% in the 2023–24 school year. While this indicates improvement, it also highlights the importance of continued academic support to ensure sustained growth.

To address these challenges, our school is implementing several targeted strategies. We are supporting students through project-based learning in collaboration with our Inquiry & Research teacher, which allows them to engage deeply with content and continue developing language and critical thinking skills.

Additionally, for Former ELLs who scored Level 1 or 2 in Math, we are introducing more intensive support. Students in grades 3–5 will receive additional math instruction through our Math Lab (cluster), providing focused time to strengthen foundational skills and close achievement gaps. These small-group sessions offer differentiated

instruction tailored to individual needs.

For Former ELLs in Temporary Housing, we are also prioritizing consistent academic and social-emotional support. This includes dedicated staff check-ins, access to technology and materials, and coordination with community-based services to help students stay engaged and successful despite housing instability.

By identifying and responding to these at-risk factors early, we aim to ensure that all Former ELLs are equipped with the tools, instruction, and support needed for long-term academic success.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

For the second consecutive year, Spanish is the dominant home language among our ELL population, with 86 students. Additionally, we have individual students who speak Haitian Creole, Arabic, Bambara, Wolof, and Mandinko.

To support communication, we ensure that families receive all essential information in their preferred language, starting with the HLIS and registration materials. Our Parent Coordinator and office staff use DOE translation services and interpretation tools to maintain strong communication with multilingual families throughout the year.

Cultural and linguistic diversity is deeply valued at PS 4. Teachers incorporate culturally responsive content in their instruction, and we celebrate multiculturalism through school events, classroom discussions, and student-led activities that highlight heritage and identity.

Peer collaboration is encouraged through group projects, inquiry-based learning, and structured classroom routines like turn-and-talks and peer editing. Our Inquiry & Research program also allows students to collaborate across grade levels and explore topics together.

To promote inclusivity, we use buddy systems, classroom community-building practices, and restorative circles. ELLs and new students are often paired with peers who speak the same home language or share a similar background, helping them feel more connected and supported during their transition.

At PS 4, our goal is to create a learning environment where all students — regardless of language or background — feel valued, included, and empowered to succeed.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

According to information gathered during enrollment, 94% of our ELL families identify as Hispanic. Among these students, the 2025 ethnicity breakdown is: 42.5% Black, 20.7% White, 34.5% American Indian or Alaskan Native, and 2.3% Multiracial. Among Non-Hispanic ELLs, 66.7% identify as Black and 33.3% as White.

At P.S. 4, we affirm racial and cultural identities and promote academic success by following the Culturally Responsive and Sustaining Education (CRSE) Framework. Our classrooms emphasize student-centered learning and culturally relevant content that reflects and respects the backgrounds of our students.

To build strong school-home partnerships, teachers survey ELL families about their cultures, traditions, and talents.

This information informs lesson planning, classroom displays, and student activities that reflect our community's diversity.

As a school community, we also take intentional steps to bring families into the learning environment. Most recently, staff collectively voted to host a Multicultural Day during our May parent-teacher conferences. Families will be invited into the school to share in cultural displays, student work, performances, and traditions that celebrate our shared values and diversity.

Through these efforts, P.S. 4 fosters an inclusive environment where all students—regardless of race, ethnicity, or background—feel valued, supported, and set up for academic and social success.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Upon reviewing the English Language Proficiency ELP growth at our school, several trends have emerged.

As per NYSESLAT 2023 and 2024 results, the % of ELLs exiting their ELL status (ELP method 1) has remained almost the same at approx. 21.6%.

In addition, the % of ELLs meeting annual growth targets (ELP method 2) is currently 21.6%

Furthermore, there was an increase from 0% in 2023 to 11.8% in 2024 of ELL students meeting ELP progress by meeting safe harbor cumulative targets.

Although the number of ELL students not meeting ELP progress by any of the three methods has decreased by 11.6%, from 56.7% to 45.1%

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Proficiency Level Results

The % of students exiting their ELL status has increased by 1.6%, from 20.0% in 2023 to 21.6% in 2024. Additionally, expanding level ELLs and emerging level ELLs are the groups with the highest and the lowest representation in our school, respectively.

While the % of students scoring at the expanding (32.9% to 30.0%) and emerging level (22.4% to 16.3%) has decreased, the % of students scoring at the transitioning level (16.5% to 22.5%) and entering level (14.1% to 17.5%) has increased in our school.

Although the % of students at the expanding level is still the highest one in our school, the proportion between expanding and entering level ELLs has changed. Based on 2023 NYSESLAT results, the % of expanding level ELL students was approx. twice the % of entering level ELLs (32.9% v. 14.1%), while 2024 NYSESLAT results indicate that the % of expanding level ELLs is now approx. 2 times the % of entering level ELL (30.0% v. 17.5%).

Points to Next Proficiency Level

2024 NYSESLAT results indicate that 3.4% (7) of the expanding level ELLs were between 1 to 10 points away from scoring commanding while 2.1% (11) were less than 20 points away from scoring commanding and exiting their ELL status. These are the students that are closer to reaching English proficiency and exit their ELL status.

Additionally, 2.25% (8) of the ELL students who scored at the transitioning level were 10 or less points away from scoring expanding.

Modalities of Strength
Based on the 2024 NYSESLAT results, 31% of the ELLs in our school scored HIGH (90% or more questions correctly) in the speaking modality. This is two times the % of ELLs scoring HIGH in listening (18%), and more than 2.5 times the % of ELLs scoring HIGH in reading (12.5%) and more than 2.5 the % of ELLs scoring HIGH in writing (12.5%).

Although writing and reading continues to be the area where fewer ELLs can answer 90% or more of the questions accurately, more than 10% of ELLs in grades 4 in the school were able to score HIGH in this modality.

Overall, based on "modalities of strength" data, grades 2, 3 and 4 have the highest percentages of ELL students answering 90% or more of the questions correctly across modalities. Contrarily, grades 1 and 5 have the lowest percentage of ELLs scoring HIGH across modalities.

Modalities of Need

A trend we've observed in the Writing modality is that a significant number of our ELLs are scoring LOW (answering 15% or fewer questions correctly). According to the 2024 NYSESLAT results, 24% of ELLs in our school scored LOW in Writing. This indicates that nearly one in four ELLs are facing serious challenges with writing.

Although speaking is the modality with the largest % of ELLs scoring HIGH, it is also a modality with the largest % of ELLs scoring LOW. As per 2024 NYSESLAT results, 25% of ELLs answered 15% or less questions in this modality correctly. Grades 1, and 4 have the largest numbers of ELLs scoring LOW in the speaking modality.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

ELA
0.05% of Grades 3-5 ELLs, including those who scored commanding on the 2024 NYSESLAT, scored a 1 or 2 in the 2024 ELA state test (1 student of 18). This is 0.02 percentage points lower than the % of ELLs who scored a 1 or 2 in the 2023 ELA state test (.05%) (only one student of 14).

The 28% Grades 3-5 ELLs, including those who scored commanding on the 2024 NYSESLAT, scored a 3 or 4 in the 2024 ELA state test (5). This is 27.9 percentage points higher than the % of ELLs who scored a 3 in the 2023 ELA state test (.09%) (only one student).

28% of expanding and commanding level ELLs, scored proficient (level 3 and 4) in the 2024 ELA state test. This is 27.91% more than the % of expanding and commanding level ELLs who scored proficient in the 2023 ELA state test (.09%)

For 2024 83% of ELL students who received commanding also received a level 3 or 4 in the ELA state test (5 out of 6 students). This means that the majority of these students have exited their ELL status and are now considered English proficient, they do meet grade level standards in reading and writing.

Math

0.07% (2 of 27) of the ELL students who took the 2024 MATH state test, including those who scored commanding on the 2024 NYSESLAT, scored a 1 or 2 in this test. This is approx.07 percentage points more than the % of ELLs who scored a 1 or 2 in the 2023 MATH state test (0 of 2).

More ELL students scored proficient (levels 3 or 4) in the 2024 MATH state test, going from .09% in 2023 to 22% 2024. This means that almost 15% of ELLs across all proficiency levels, including those who scored commanding in the 2024 NYSESLAT, are performing on grade level.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

As of 2025 we no longer have any SIFE students. In addition, another trend that we notice is that 15 of our ELLs have an IEP and 6 of these are Expanding and one is commanding. One initiative is that as a team, we would take a look at each student IEP and make a plan for each student to reach their goals. Also, we would look at each NYSESLAT modality and provide students with small group instruction. Last but not least, we will communicate with the students parents or legal guardian of our noticings and instructional plan. Additionally we discuss that students receive all testing accommodations necessary to grant them the best path to success on state testing.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At our school, we ensure that English Language Learners (ELLs) receive a high-quality academic experience that fosters deep learning through several key initiatives:

- School Teams - Once a week, each grade-level team meets and uses a Data Analysis Protocol to examine student work. These meetings focus on discussing effective practices to support students' challenges in the classroom. During the data analysis sessions, teachers collaboratively review student assignments, assessments, and other work samples to identify areas where students are struggling. The team then brainstorms instructional strategies, differentiation techniques, and targeted interventions to address the identified student needs. This structured, data-driven approach allows teachers to proactively problem-solve and adapt their teaching to better meet the diverse learning needs of all students.

- Differentiated Instruction: Tailoring teaching methods to accommodate various language proficiency levels and learning styles among ELLs.

- Language Support Services: Offering specialized English language support programs such as Saturday Academy and ELL Afterschool Academy and resources to enhance language acquisition and academic success.

- Culturally Relevant Curriculum: Integrating culturally diverse materials and perspectives into the curriculum to make learning more engaging and relevant for ELLs by utilizing authentic texts in the alternative dominant language of Spanish to supplement the EL curriculum.

- Collaborative Learning: Encouraging collaborative activities and projects that promote language development, critical thinking, and social integration.

- Professional Development: Providing ongoing training and support for teachers to effectively meet the needs of ELLs and implement best practices in language instruction.

By implementing these strategies, we aim to create a supportive and enriching academic environment that empowers ELLs to achieve deeper learning outcomes and succeed academically.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional Leadership Team considered multiple data sources to better align the planning and preparation instructional model for the MLs/ELLs population in our school. For the 2025-26 school year, the school will implement a school-wide focus on Rich Discussion protocols. Teachers will be trained on and utilize various discussion protocols from the EL Education framework to develop stronger collaboration and facilitate more meaningful, text-based discussions in their classrooms. These protocols are designed to engage all students, promote accountable talk, and deepen comprehension through the exchange of ideas. By adopting a consistent, school-wide approach to Rich Discussions, the school aims to elevate the quality of classroom discourse and empower students to become more active, confident, and articulate participants in their learning. Another part of our school-wide focus is building students' writing stamina and deepening their proficiency in writing to sources across all content areas and grade level. We hope to accomplish this by including more writing opportunities when using EL and with support from the writing lab (cluster).

One of the items in our ILT meetings is to analyze our students' data. Another item is to discuss the progress of students that are receiving Tier 2 and Tier 3 intervention. Also, during these meetings, teachers will share best practices and design specific language objectives that will support their different ELL subgroups. In addition, the ENL teachers will work closely with the students that need additional language support such as Entering and Emerging students. Furthermore, at both grade team and ILT sessions we examine the importance of using culturally responsive teaching practices to help our ELLs/MLs succeed. We use students' cultural experiences in daily instruction and at grade team meetings we ask colleagues to practice embracing native language and students' families as assets.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

In our school, Core Content is thoughtfully delivered across Dual Language classrooms, and English as a New Language (ENL) instruction, employing a variety of instructional approaches to maximize student learning outcomes. Envision, Passport for Social Studies and Amplify our Social Studies, Math, Social Studies and Science curriculum is available in both English and Spanish. Additionally, EL has been supplemented by teachers with authentic Spanish texts. The general education and the ENL teacher plan as co-teachers to deliver effective lessons and support MLLs.

- Instructional Approach: All lessons are meticulously crafted to incorporate explicit instruction, emphasizing both content and language objectives to ensure a comprehensive learning experience for students.

- Scaffolding for Success: Teachers adeptly scaffold instruction to provide Multilingual/English Language Learners (ML/ELLs) with comprehensible input, enabling them to effectively engage with tasks at their individual proficiency levels.

- Language Dives Strategies: empowers students to understand, analyze and use academic sentences, setting up foundational knowledge for a unit and giving students context to what they are learning.

- Cognate Utilization: Leveraging cognates to assist Spanish-speaking students in grasping English concepts and deriving meaning from academic content.

- Vocabulary Integration: Embedding vocabulary within content to expedite language development among ELL students.

- Language Support Tools: Equipping students with sentence starters and other language structures to facilitate writing tasks and enhance language proficiency.

- Language Development Techniques: the use of word banks, sentence starters, pair to pair conversation, group work etc. all assist students in using English to engage with their classmates and learning.

- Listening Comprehension Emphasis: Prioritizing listening comprehension through activities like read-alouds, iReady sessions, and online resources tailored for ELLs to bolster language acquisition.

- Differentiated Instruction: Tailoring instruction to cater to diverse student subgroups by utilizing tools like iReady for personalized learning paths and literacy resources tailored to individual needs.

- Instructional Strategies: Employing a range of pedagogical approaches such as close reading, cooperative learning, hands-on activities, project-based learning, scaffolding, small group instruction, self-assessment, and thematic teaching to support ML/ELLs' language and academic growth effectively.

By integrating these comprehensive strategies and techniques, we strive to create a dynamic learning environment that nurtures language development and academic success for all students, particularly Multilingual/English Language Learners.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

The following instructional strategies and grade-level materials, including technology, PS4 teachers of MLs/ELLs use to provide access to academic content areas and accelerate English language development can be different for MLs/ELLs subgroups. However, we like to have consistency among grades and it is a priority for our students to be exposed and engaged with grade level content by following the New Generation Standards. Then, teachers prepare their lessons with a content and language objectives. Also, these lesson plans build on students background knowledge, it has target vocabulary opportunities and is designed for students to have ample opportunities to have peer interactions. Also, these lessons use home language as a resource.

For English Language Learners with Individualized Education Programs (IEPs), it is imperative for teachers to have a thorough understanding of their IEPs to provide appropriate support. Modifications to lesson plans are made as needed to accommodate their unique requirements, which may include:

- Extended Time: Offering additional time for task completion to support learning at an individualized pace.

- Language and Syntax Support: Providing targeted assistance with language comprehension and syntax to enhance understanding.

- Manipulatives Usage: Incorporating manipulatives to facilitate hands-on learning and reinforce concepts effectively.

- Integration of Technology Tools: Leveraging technology tools to promote interactive learning experiences and cater to diverse learning needs.

ELLs with IEPs - It's important for teachers that are servicing these students to be familiar with their IEPs. Hence, the team will make any modifications to lesson plans in order to ensure support. For instance, we will give them additional time if necessary for all tasks, provide language and syntax support and use manipulatives as necessary.

b. SIFE

N/A

c. Newcomers

We ensure all Newcomers have access to and engage with grade level content by giving them Tier 1 instruction using the curriculum for the grade such as EL. In addition, we encourage our teachers to use high quality instructional strategies that promotes language acquisition along with content knowledge such as:

1. Explicit Vocabulary Instruction
2. Explicit Content & Language Objectives
3. Use of data to drive instruction & grouping (use of true peer analysis is also used when forming groups)

In addition, our teachers create an environment of inclusion, to learn about newcomer background, and culture, Utilizing high-quality instructional strategies that promote language acquisition along with content knowledge. We will ensure that these students are getting their mandated minutes of stand alone time and integrated instruction. In addition, they will be invited to participate in After School and Saturday Academy.

d. Long Term ELLs

Even though we don't have Long Term ELLs, our plan will be to ensure all Long term ELLs have access to and engage with grade level content by giving them access to Tier 1 instruction and making sure they are provided with a content and language objective for their lessons. However, if it's necessary we will monitor their progress by giving them Tier 2 and Tier 3 intervention. Our goal is to be consistent and we will evaluate the success of the supports and interventions imparted to long term ELLs so that additional or more intensive interventions may be applied if needed.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

It's important to know exactly what each student needs in order to reach their IEP goals while also attaining English proficiency. The team meets to discuss the best practices for supporting each individual student. For example, to support this subgroup of students, our team collaborates closely with the SEETs teacher, speech therapist, and any other providers working with the student to ensure that we are consistently using best practices to support their learning. Students may receive pre-teaching of difficult concepts through multiple modalities. In addition, we

incorporate visual supports, differentiated tasks, hands-on activities, and the use of their home language as part of the flexible strategies we consider for students with IEPs.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

The home language assessment starts with the ELL Identification process, by interviewing the student in their home language. Eventually, we used the Spanish Lab to asess students. In addition,l a running record might be used if necessary by the interviewer. Our Dual Language program and TBE program support students' home language which in this case is Spanish by encouraging teachers to provide culturally and linguistically lessons that promote diversity. In addition, students are learning both languages simultaneously and receiving support at the same time. During Spanish days in our Dual Language, K-2 teachers use Estrellita to help students become readers and have different centers for different levels that promote language acquisition. Also, teachers assign Spanish lessons in i-Ready that help students with their skills. Our 3-5 teachers during Spanish days use the NLA curriculum and continue supporting our students in their home language. Moreover, the Dual Language program can assess their students' reading levels in Spanish by using Fountas & Pinnell.

Our ENL teachers use glossaries, National Geographic curriculum, and always touch base with students' home language to support their instruction. The lessons of our ENL teachers are design thinking in our students' linguistic and cultural backgrounds.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Facilitating Co-Teaching and Collaboration for ELL Program Models:

At our school, we have established robust systems and structures to support co-teaching and foster collaboration among teachers across various ELL program models. These initiatives aim to enhance instructional delivery, promote student learning outcomes, and create a cohesive learning environment for all students, particularly English Language Learners (ELLs).

Integrated Co-Teaching:
Collaborative Planning: Teachers engage in regular collaborative planning sessions to align instructional goals, strategies, and assessments for integrated co-teaching classrooms.

Shared Responsibilities: Co-teachers work together to differentiate instruction, provide individualized support, and create inclusive learning experiences that cater to diverse student needs.

Professional Development: Ongoing professional development opportunities are provided to enhance co-teachers' collaboration skills, content knowledge, and instructional practices.

Dual Language Bilingual Education Teacher Partnerships:
Team Collaboration: Dual Language teachers collaborate closely to ensure balanced language instruction, cultural responsiveness, and academic rigor within the bilingual program.

Language Integration: Teachers work together to integrate language and content seamlessly, fostering bilingualism and biliteracy development among students.

Cultural Competence: Emphasis is placed on promoting cultural competence and understanding within teacher partnerships to create an inclusive and supportive learning environment.

Collaborative Structures Across ELL Program Models:
Professional Learning Communities (PLCs): Teachers participate in PLCs to share best practices, analyze student data, and collaboratively problem-solve to meet the needs of ELLs across program models.

Cross-Program Collaboration: Opportunities for cross-program collaboration are provided to facilitate knowledge-sharing, resource sharing, and mutual support among teachers from different ELL program models.

Data-Driven Decision-Making: Teachers engage in data analysis and reflection sessions to inform instructional decisions, interventions, and support strategies for ELLs across all program models.

By establishing these systems and structures for supporting co-teaching and collaboration among teachers, we aim to cultivate a collaborative culture, promote effective instructional practices, and ensure the success of all ELLs in our school community.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our Professional Learning Plan for the upcoming school year will include different topics such as the understanding of the Next Generation Standards, Language Progressions and how to support the academic and social needs of our MLs/ELLs. First, we will ask staff to complete a survey in order for them to let us know what topics they want for Professional Development. For instance, one of our cycles of Professional development will be focused on analyzing the most recent NYSESLAT and ELA Test Data and as a team develop a plan to help our different subgroups. This current school year we have noticed that teachers need support with linguistic scaffolding, strategies to incorporate all language modalities in their lesson and providing language support. Moreover, our literacy coach is always supporting our teachers by going to visit during their instructional time and then they turnkey to us about the resources and additional support our teachers need. Other professional learning topics will include the use of translanguaging, co-teaching strategies, the use of academic centers such as F.A.C.I.L. In addition, we have partnered with consultants from Teaching Matters to provide professional learning focused on strengthening content instruction for English Learners when using the EL curriculum. This year, a new Writing Lab (cluster) has been established to support all students in developing and publishing grade-level writing pieces.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders]

and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

To meet the mandated Continuing Teacher and Leader Education ELL specific hours as per CR Part 154 our ENL teachers will attend the district level professional development sessions in order to learn about the policies and best practices. Then, our team will turn key with our teachers that are servicing our MLs/ELLs students to give them support. For instance, they will provide resources that support language development in the classroom. Also, we will provide teachers and paras with tier 2 and tier 3 support intervention. In addition, we have created a cycle pd that will help our bilingual teachers and teachers servicing ELLs with their practices. During these meetings we will have different ELL focus items such as review of data using different protocols such as the True Peer Comparison protocol. In addition, teachers will have professional development focused on the Strengthening of Culturally Relevant Teaching Practices.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

ELLs are screened on the same early reading indicators as native English language speakers, including phonological awareness, letter recognition, and word and text reading. Screening methods used to better guide our instructional practice for our ELLs are iREADY reading and math, and Acadience for grades K-2. We use the data to actively monitor our ELLs' progress and to plan our lessons to provide students with small group instruction and/or Tier 2 and 3 intervention.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

The targeted interventions for ELLs is ongoing progress monitoring, and effective classroom instruction. In addition, using the students' data, teachers create literacy centers to cover areas where the kids might need help such as phonological awareness, phonics, reading fluency, vocabulary, and comprehension. For Math, teachers are giving different tools and strategies that can support their math instruction such as the use of visual contexts and manipulatives to help with language barriers while building conceptual understanding in mathematics. These tools can also help students develop problem-solving skills without requiring direct instruction. In addition, our administration analyzes data from previous tests to invite students to attend the after school program. Our goal is to group students according to their language proficiency and give them support in the modality that they need the most. Also, we plan to have a Saturday Academy to help our Entering and Emerging students to acquire language skills. There will also be an after-school program to help the Transitional and Expanding students to acquire the necessary language skills to show progress in English. For 2025-2026, we have added a Math Lab and Writing Lab (cluster) where both teachers are certified with a bilingual extension in Spanish.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Utilizing Data-Driven Practices to Inform Instruction for ELLs in a Multi-Tiered System of Supports (MTSS):
At our school, we implement a comprehensive approach to data analysis and instructional decision-making within a Multi-Tiered System of Supports (MTSS) to cater to the diverse needs of English Language Learners (ELLs) across all grades. By leveraging the Instructional Leadership Tool for MLs and ELLs and the MTSS Guide for MLs and ELLs, we have developed a structured plan to guide the development and implementation of strategies tailored to support the academic growth and linguistic development of ELLs.

Data-Informed Instructional Practices:
Data Collection: Teachers systematically collect and analyze various forms of data, including formative assessments, language proficiency assessments, and standardized test scores, to gain insights into students' academic progress and language development.

Progress Monitoring: Regular progress monitoring assessments are conducted to track student growth, identify areas of need, and adjust instruction accordingly within the MTSS framework.

Tiered Interventions: Based on data analysis, students are placed in appropriate tiers of support within the MTSS model, with targeted interventions and differentiated instruction to address their specific learning needs.

Instructional Leadership and Collaboration:
Leadership Team Involvement: Instructional leaders provide guidance and support to teachers in utilizing data effectively to inform instructional practices for ELLs.

Professional Development: Ongoing professional development opportunities are offered to enhance educators' data analysis skills, instructional strategies, and cultural competence in serving ELLs within the MTSS framework.

Collaborative Problem-Solving: Teachers engage in collaborative problem-solving sessions to analyze data, share best practices, and develop targeted interventions to support ELLs at different tiers of instruction.

Implementation of MTSS for ELLs:
Differentiated Support: ELLs receive differentiated support based on their individual needs, language proficiency levels, and academic goals within the MTSS structure.

Family Engagement: Efforts are made to involve families in the data analysis process, ensuring a collaborative approach to supporting ELLs' academic success.

Continuous Improvement: Through regular data review meetings and reflective practices, our school ensures continuous improvement in instructional strategies, interventions, and support systems for ELLs within the MTSS framework.

By integrating data-driven practices, instructional leadership, and the MTSS framework, we are committed to providing targeted support, fostering academic growth, and promoting language development for all English Language Learners in our school community.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The formative assessments that are used to inform and drive instruction in literacy are Acadience & Fundations for K-2, and emergent ELLs in upper grades. In addition, we will continue using iReady Reading for K-5th, reading assessments and writing pieces from each Literacy Unit that measures the new Generation Standards. In mathematics we use Envision unit tests, performance assessments and iReady Math. The purpose of these assessments is to help us plan for our students and group them according to the latest data.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

For 2025-2026 SY our goal is to ensure that MLLs/ELLs are appropriately evaluated in their home languages throughout the year. For instance, our ELL Identification Team will assess incoming students with an interview & assessment in their home language. Then, teachers will administer a running record in their native language using Fountas & Pinell at least three times per year. In addition, students will have the opportunity to publish their written pieces in their home language following our Dual Language model. Students also complete the I-Ready diagnostic in Reading three times per year. This gives the teacher an indication of what grade level they are in the following categories: phonological awareness, phonics, vocabulary, and reading comprehension in fiction and non-fiction texts. Moreover, teachers servicing MLs/ELLs will pay attention to students' classwork, presentations and language development. On the other hand, for math, students in Dual Language or that preferred Spanish, will have the choice to complete all unit exams in their home language. This prepares that student for the Math State Test where they are given an option. Students also take the I-Ready Math diagnostic assessments three times per year in Spanish if needed.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The summative assessments that are used to evaluate the effectiveness of our ML/ELL programs are NYSITELL , NYSESLAT and for upper grades we take into consideration the scores of the ELA Test. Then, as a team, we examine this data using the ELL Data Analysis Tool. We take in consideration the proficiency of students in each language modality in order to form groups that are fair for each student. For instance, for next school year we would like to focus on our students that keep scoring Transitioning and Expanding. It's important that as a team we compare our students with a True Peer Analysis in order to provide effective instruction and plan accordingly for our small groups as well as whole group instruction.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT administration plan is carried out by the ELL Leadership Team and scheduled with the support of our test coordinator and assistant principal in charge of the ELL department. We will follow the testing calendar by the DOE in order to ensure that we test effectively in the test window. Moreover, we will use the most recent data from the RLAT report to administer the test to eligible students. In addition, we will consider the students with IEPs in order to provide them with any testing accommodations that they may need.

We will notify parents by sending letters reminding them about the test. In addition, we will host professional development for teachers to notify of our testing schedule and procedures for the NYSESLAT.

Then, when we have finished our testing for all sessions, our team integrated by the ENL teachers, bilingual teachers, and a Special Education teacher will score the test following the Scoring Guide and guidelines from the

DOE. Last but not least, we will ensure that all ELLs, and former ELLs continue to receive mandated services during the testing period in order to follow the laws of CR-Part 154. For instance, we will utilize some of the budget to hire subs for the testing period.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Ensuring Adequate Accommodations for Current and Former ELLs in State Assessments:

At our school, we prioritize the provision of necessary accommodations for both current and former English Language Learners (ELLs) to support their success in state assessments. Our approach is designed to ensure that all students, regardless of language proficiency, have equitable opportunities to demonstrate their knowledge and skills on standardized assessments.

Accommodation Strategies for State Assessments:
Individualized Accommodations: Current and former ELLs are provided with individualized accommodations based on their unique needs and language proficiency levels during state assessments.

Extended Time: Additional time is offered to ELLs to complete assessments, allowing them to process information, comprehend questions, and provide accurate responses effectively.

Language Supports: Language supports such as bilingual word-to-word dictionaries, translated test directions, or interpreter services are provided to assist ELLs in understanding assessment content.

Small Group Testing: ELLs may be offered the option of small group testing to reduce anxiety, provide a supportive environment, and enhance their focus during assessments.

Accommodations for State Assessments:
SHSAT Accommodations Request: For ELLs preparing to take the state exams, accommodations can be requested through the designated process to ensure fair and equal access to the exam.

Language Assistance: ELLs may receive language assistance accommodations, such as extended time, bilingual glossaries, or language support tools, to facilitate their understanding and performance on state assessments.

Accommodation Planning: Collaboration between educators, administrators, and families is essential to plan and implement appropriate accommodations for ELLs taking the ELA and Math State Exams, ensuring their needs are effectively addressed.

Supportive Environment and Advocacy:
Educator Awareness: Teachers and staff are trained to be aware of the unique needs of ELLs during assessments and advocate for necessary accommodations to promote a supportive testing environment.

Family Engagement: Families of ELLs are informed about available accommodations, encouraged to participate in the accommodation planning process, and supported in advocating for their child's needs during assessments.

Continuous Evaluation: The effectiveness of accommodations for ELLs in state assessments, is continuously evaluated and adjusted based on feedback, student performance data, and best practices in assessment accommodation.

By implementing these accommodation strategies, fostering a supportive testing environment, and promoting

advocacy for ELLs, our school aims to ensure that current and former English Language Learners have equitable opportunities to demonstrate their abilities and achieve success in state assessments.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Our ELL Identification Team includes ENL teachers Ms. Jessica Giler and Mr. Jose Cantu, librarian Lisnerva Nuez (bilingual licensed), and assistant principal Niurka Castro, who oversees the ML/ELL Department. The team has completed professional development from District 6 on administering the Home Language Identification Survey (HLIS).

The HLIS is administered at student registration by the secretary or parent coordinator who contacts an available ELL team member. Parent interviews are conducted in the parent's preferred language, and student questionnaires are given in English and the home language. The team completes and signs the HLIS form, assigns the language code, and ensures it is entered into ATS.

Based on this information, the team decides if the student requires the NYSITELL assessment or should be coded as English proficient (Code A). For students with IEPs, the LAP team is notified to follow appropriate protocols. After NYSITELL testing, the ENL team sends entitlement letters inviting parents to program orientation.

Parent Orientations are coordinated by Ms. Jessica Giler and Mr. Jose Cantu and take place within the first ten days of school. To ensure attendance, the ELL team collaborates with school leadership to set schedules, sends formal letters, follows up with phone calls, emails, and robocalls as reminders.

Language access is ensured by assessing home languages from the HLIS and using translation services and Google

Translate as needed for communication.

During orientation, parents receive information about program options, their rights, assessments, academic standards, and ways the school and family can collaborate to support their child.

Attendance records for orientations are maintained in partnership with the parent coordinator and attendance team, using ATS, ILOG, and other digital platforms to document participation.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

In September, the school will review the Spring 2025 NYSESLAT data, 2025 ELA State Test results, and any other relevant assessment data to measure student progress. The ENL and Dual Language teachers will then schedule meetings with parents during the designated Parent Engagement time to discuss their child's latest test results, such as the NYSESLAT.

During these meetings, teachers will provide families with detailed information about their child's academic progress and language development across content areas. They will also share specific goals and resources to support the child's continued growth. Translation services will be offered as needed to ensure all families can fully participate in these discussions.

The school will maintain a log to record attendance and any additional notes from these individual parent meetings. If necessary, the school will allocate per session time for teachers to catch up on any Annual Individual Meetings that were not completed, recognizing the importance of regularly updating parents on their child's language progress.

This proactive, transparent approach to family engagement and progress monitoring will empower parents to be active partners in their child's educational journey.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

To ensure effective communication with families in languages other than English, our school leverages a combination of tools and strategies, including the DOE Messenger Application (APP), PS004 App, and Class Dojo, along with sending letters in parents' home languages.

Facilitating Communication in Families' Home Languages:

- DOE Messenger App and PS004 App through SOLVED: These applications allow families to access school information, receive updates, and communicate with educators in their preferred language, ensuring language barriers are minimized. Push notifications are also available to send quick updates to parents.
- Class Dojo: Through Class Dojo, teachers can engage with parents in real-time, share classroom updates, and communicate important information in multiple languages to cater to diverse linguistic needs.
- Letters in Home Languages: School communications and documents are translated into parents' home languages, ensuring families receive essential information in a language they best understand.

Enabling Two-Way Communication in Multiple Languages:

- Language Options for Responses: Families are provided with options to respond or initiate communications in languages other than English through the DOE App, PS004 App, and Class Dojo, allowing for seamless two-way communication.
- Language Support Services: Language support services, such as interpreter services, multilingual staff, or translation tools, are available to assist families in communicating effectively with school personnel in their preferred language.
- Parent Engagement Workshops: Workshops and training sessions are organized to educate families on how to navigate the communication platforms in their home languages, empowering them to initiate and engage in conversations with school staff confidently.
- Coffee with the Principal sessions at our school provide a direct and informal avenue for parents to engage with the principal in a relaxed setting. During these sessions, parents have the opportunity to ask questions, share feedback, and discuss any concerns they may have in a comfortable environment over a cup of coffee. The principal uses this platform to communicate important updates, initiatives, and school information directly to parents in an interactive manner.

By utilizing the DOE App, PS004 App, Class Dojo, and sending communications in parents' home languages, our school ensures that families not only receive all school communications in a language they understand but also have the resources and support to respond or initiate communications in languages other than English. This approach promotes meaningful engagement, fosters strong partnerships between families and educators, and enhances communication accessibility for all members of our school community.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Based on actionable feedback from parent engagement weekly meetings, monthly coffee with the Principal, ELL and parent orientation, school created surveys, we develop activities that foster empowerment for our English Language Learners and their families.

To support families of multilingual/English language learners (MLs/ELLs), our school implements a range of initiatives such as:
Parent-Teacher Association (PTA): the PTA creates a sense of community and provide opportunities for parents to engage with the school. For example, the PTA hosts teacher appreciation lunches, as well as school spirit bolsters like Valentine's Day love grams and Test Prep positivity rallies.

- Pantry: Pantry provides food and hygiene essentials for students and temporary housing and anyone else who needs assistance. Families can receive items such as laundry detergent, toothbrushes, feminine hygiene products, canned and dry goods, juice, milk and frozen protein. This pantry with essential items can support families facing economic challenges and foster a sense of belonging within the school community. Parent volunteers from the PTA also assist in distribution of pantry items.
* Community school director applied and received Mother Cabrini grant- addition to pantry, extra funding for families to receive additional foods
- Creative art works: in school visual art programs K-2, 4-5 (classes that were not receiving art cluster programming), had bilingual teacher that spoke to bilingual classes in Spanish (220,420,520)
- Brain power wellness: 3-5, student leadership social emotional learning program (curriculum geared for upper elementary), instructors all bilingual
- Dance theater of Harlem: breaking down barriers after school dance program- 3-5 (curriculum geared for upper elementary) (support with translation for instructors)
- Leave it better foundation: outside gardening program, learned about composting, pre-k afterschool, in school-k01, 481 (self-contained class good for sensory)
-Brighter Bites: Comes 2x a month to provide fresh produce to families in our school community. (3 year contract with PS. 004)
- Citizenship Fair: Hosting a citizenship fair which provides resources and information for families navigating the citizenship process, promoting inclusivity and support.
- ESL Classes for Adults at Night: Offering ESL classes for adults at night empowers parents to improve their English skills, enhancing communication with the school and in the community as well as assisting their scholars.
-Events like Trips with Parents: Organizing events such as trips with parents can strengthen family-school partnerships by creating shared experiences and promoting collaboration. For example, the school organized trips to Legoland for two consecutive years, including families of English Language Learners (ELLs) living in temporary housing or shelters, fostering inclusion and building community among diverse family groups.
-Uniform/ Supplies: Students in temporary housing are provided with uniforms and book bags with supplies so that they are best prepared and ready to learn.
- Coat Drive: The school also provides winter coats for students who need them.

Families of ML/ELL students are empowered because meeting fundamental needs creates a conducive learning environment for academic success. The community school director Oliver Grullon, also has gotten various programming in PS. 004 such as Creative Art works to fill in gaps within day to day programming

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

The Parent Coordinator ensures that parents are always aware of family leadership opportunities, by sending out flyers, robo-calls, monthly calendars, weekly reminders etc. Currently there are no parents of ELLs on the SLT. The parent coordinator is diligent in her parent outreach at the conclusion of every academic year when PA representation is turning over. She promotes the importance of the Parent Association to the school community and

advocates for parents to run for positions on the PA council. School leadership and the parent coordinator send out mailers/emails and robo-calls to promote parents to volunteer in our school community. This includes cafeteria duty and chaperoning school trips.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

To enhance cultural and linguistic responsiveness and support the needs of the school community, partnerships with organizations such as DANCE, Behind the Book, Small Bites, ART and Community League of the Heights (CLOTH) can be incredibly beneficial:

- Creative art works: in school visual art programs K-2, 4-5 (classes that were not receiving art cluster programming), had bilingual teacher that spoke to bilingual classes in Spanish (220,420,520)
- Brain Power wellness: 3-5, student leadership social emotional learning program (curriculum geared for upper elementary), instructors all bilingual
- Dance theater of Harlem: breaking down barriers after school dance program- 3-5 (curriculum geared for upper elementary) (support with translation for instructors)
- Leave it better foundation: outside gardening program, learned about composting, pre-k afterschool, in school-k01, 481 (self-contained class good for sensory)
-Behind the Book: Partnering with Behind the Book provides opportunities for students to engage with diverse literature and authors, promoting literacy and cultural understanding. For example, author Chelsea Clinton came to speak to the students regarding her book “She Persisted” inspiring students to utilize language and share how persistence connects us all.
- Small Bites: Working with Small Bites offer nutrition education that respects different cultural dietary practices, promoting healthy eating habits among students and families. This also gives students life skills in regards to preparing food for themselves that is healthy, promoting health wealth.
- Community League of the Heights (CLOTH): Collaborating with CLOTH provides access to community resources, social services, and cultural events that support the diverse needs of families in the school community.
- New York Care: Collaborating with New York Care provides volunteer opportunities for students, families, and staff to participate in community service projects that address local needs, promote empathy, and strengthen connections within the broader community. For example, students were able to engage in art projects such as painting and creating large literary character cutouts.
-Adult Learning Program- English Second as a Language (ESL) Classes: Hosting ESL classes at PS. 004 provides families with the opportunity to learn English at their own pace.

By fostering these partnerships, the school creates a more culturally responsive and inclusive environment that meets the unique needs of its diverse student body and promotes respect for different languages, cultures, and backgrounds.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

At The Duke Ellington School, our mission revolves around fostering collaboration with families and educational partners to offer exceptional support for our multilingual/English language learner (ML/ELL) students through tailored programming, effective instruction, and dedicated advocacy.

Our educators engage in continuous professional development to enhance their teaching practices and regularly reflect on their pedagogical approaches. Additionally, our school leadership is committed to cultivating a professional learning community where expertise is shared through various means, such as:

- Delivering presentations and workshops for both faculty and parents to promote understanding and collaboration.
- Providing observation, coaching, and mentoring opportunities for individual teachers to enhance instructional strategies.
- Modeling effective teaching methods and lessons for colleagues to encourage best practices.
- Encouraging grade-level or subject-area teachers to observe English language classes to gain insights into language acquisition and support strategies.

By prioritizing ongoing professional growth, collaboration, and tailored support initiatives, The Duke Ellington School creates a nurturing and inclusive environment that empowers ML/ELL students to thrive academically and reach their full potential.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Our ELL Identification Team is composed by Ms. Giler our ELL Lead, our Licensed Pedagogues Mr. Cantu, Ms. Nuez; our parent coordinator Denise Nunez, our pupil accounting secretary Ms. Reyes and our programmer Ms. Castro. If interpreters are needed for other languages other than Spanish we call the DOE translation and interpretation services line and google translate.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our Identification Team has attended professional development offered by District 6 in order to effectively administer the home language survey (HLIS). Our members are the ELL lead, licensed pedagogues, parent coordinator and programmer. Our ELL identification team is activated every time we have a parent ready to register their child, either the secretary or parent coordinator will call any available ELL member to administer the HLIS and student questionnaires. The parent interview is administered in parents' preferred language and the student questionnaire in English and home language. During this process our qualified team completes the HLIS by signing the form and giving the language code that later will be entered in ATS by the secretary. Also, after this interview , our team makes the judgment if the student needs to take the NYSITELL or if we will use code A in the ELLO screen on ATS. If it is determined that a student needs to take the NYSITELL assessment, our ENL team (J.Giler & J. Cantu) will use one of the periods allocated for MLs/ELLs compliance to administer the NYSITELL, as well as the Spanish Lab (if applicable) and SIFE (Students with Interrupted/Inconsistent Formal Education) Identification for students in grades 3-5. Once the assessments are complete, our team will notify the parents by sending the Entitlement Letter in their home language.

Next, we invite the parents to attend an ELL Orientation meeting. During this meeting, we inform parents about the available ELL program options and they watch an orientation video. The parents also complete the Parent Survey

and Agreement Form at this time. Our team then notifies the programmer, Ms. Castro, to ensure the parent's program choice is entered into the ELPC screen. Finally, our team sends the Placement Letter to the parents, confirming their child's ELL program enrollment.

When this has been finalized, all original documents will be placed in the Cumulative Folders , we will also communicate to parents of our decisions by sending mandated letters and finally a copy of these documents will be placed in the ELL binder.

In addition, we will ensure that we follow protocols for students with an IEP, and if this is the case, our LPT team will be notified.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Adam Stevens

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Niurka	Castro	Assistant Principal 10 Month		
Adam	Stevens	Principal - Elementary		

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	10	2.27%	10	2.36%		
BOSNIAN	1	0.23%	1	0.24%		
FRENCH	1	0.23%	1	0.24%		
HAITIAN CREOLE	2	0.45%	2	0.47%		
ENGLISH	173	39.32%	167	39.39%		
PORTUGUESE	2	0.45%	2	0.47%		

RUSSIAN	1	0.23%	1	0.24%		
SPANISH	249	56.59%	239	56.37%		
WOLOF	1	0.23%	1	0.24%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Monthly School Calendar	The school will ensure parents are given documents in their preferred language. The ENL Team, Parent Coordinator, and certified bilingual teachers are able to translate all documents. Some documents are readily available in Creole, French, and Arabic. However, when necessary, we will contact the Office of Language Access for additional support with languages not covered by our staff.
Parent Letters	The school will ensure parents are given documents in their preferred language. The ENL Team, Parent Coordinator, and certified bilingual teachers are able to translate all documents. Some documents are readily available in Russian, Creole, French, and Arabic. However, when necessary, we will contact the Office of Language Access for additional support with languages not covered by our staff.
Flyers for Family Events (Parent Engagement)	The school will ensure parents are given documents in their preferred language. The ENL Team, Parent Coordinator, and certified bilingual teachers are able to translate all documents. Some documents are readily available in Russian, Creole, French, and Arabic. However, when necessary, we will contact the Office of Language Access for additional support with languages not covered by our staff.
DOE Information/Letters	The school will ensure parents are given documents in their preferred language. The ENL Team, Parent Coordinator, and certified bilingual teachers are able to translate all documents. Some documents are readily available in Russian, Creole, French, and Arabic. However, when necessary, we will contact the Office of Language Access for additional support with languages not covered by our staff.
IEPs	The school will ensure parents are given documents in their preferred language. The ENL Team, Parent Coordinator, and certified bilingual teachers are able to translate all documents.

	Some documents are readily available in Russian, Creole, French, and Arabic. However, when necessary, we will contact the Office of Language Access for additional support with languages not covered by our staff. Additionally, we use the OLA Translation Request Form for translation services.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Teacher/Student Lead Conferences (K5)	This will take place in November and March. Most of our teachers are bilingual and speak English and Spanish. Teachers who only speak English will be assigned in-house translators (i.e. paraprofessionals, cluster teachers, service providers, etc.). If requested by families that speak languages other than Spanish (i.e., Arabic), we will use the over-the-phone services provided by the Office of Language Access (929) 552-7103
Coffee with the Principal	This monthly meeting will be held in English and Spanish. If requested by families that speak languages other than Spanish (i.e., Arabic), we will use the over-the-phone services provided by the Office of Language Access (929) 552-7103.
Open Night	For Open Night, we will provide interpretation services through a combination of in-person interpreters, bilingual staff, and remote interpretation (via phone or video). Families can request services in advance, and a multilingual welcome desk will help direct them on the night. Key materials will be translated, and we'll ensure interpreters are available where needed to support clear communication for all families.
ELL Orientation	For ELL Orientation, interpretation services will be available through in-person interpreters, bilingual staff, and remote options if needed. Families can request their preferred language in advance, and a check-in desk will assist with interpreter access. All key materials will be translated,
IEP Meeting	These meetings will be held in English and Spanish. If requested by families that speak languages other than Spanish (i.e., Arabic), we will use the over-the-phone services provided by the Office of Language Access (929) 552-7103

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In order to ensure effective communication with parents who speak a language other than English during an emergency or in the case where they need to contact the school in an emergency, PS. 004 would rely on a combination of resources and processes that prioritize accessibility, clarity, and timeliness. Below is a description of the resources and processes that will be implemented:

Bilingual Staff Members: Bilingual or multilingual staff members who can communicate with non-English-speaking parents. These staff members would be trained to handle emergency communications in their language. (Spanish, Creole)

Language Line Services: For languages not commonly spoken within the school community, PS.004 has access to Department of Educations professional translation services called DOE's language access (translation and interpretation). These services allow school staff to instantly communicate with parents in their preferred language during an emergency.

Printed Notices: In the event of an emergency that requires written communication (e.g., a notice about a nurse/hospital visit or a school closure), the school would provide translated versions of emergency forms, flyers, or instructions in the most commonly spoken languages by their student population.

School App and Class Dojo: The school's app and class dojo can offer multilingual support, where parents can select their preferred language. Emergency alerts can be displayed in multiple languages on the school's online platforms.

Cultural Competency and Language Training: Teachers, administrative staff, and school safety personnel will be trained to understand the specific communication needs of non-English-speaking families.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

A-663 establishes the procedures for ensuring that Limited English Speaking parents are provided with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. At the beginning of the school year, all staff will be granted access to the Duke Ellington School Google Drive, which includes explanatory memos from our LAC (Niurka Castro), training videos from the NYCDOE Language Access Office. Teachers will also receive hard copies of this information in the Language Access folder created by our LAC. Additionally, our LAC and ENL Leadership Team will provide a language access professional development session for all staff at the beginning of the school year.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

During the registration process and parent orientation, we will inform families of their right to receive all information in their preferred language. A list of language preferences will be made available to all staff members who communicate with parents or legal guardians. Additionally, we will share this information on our PS4 app, Facebook page, Instagram in Spanish, English, and Arabic—the most commonly spoken home languages in our community. Communication through platforms like Google Classroom or any other tools used by teachers, students, and parents will also be provided in multiple languages. Meetings with all Multilingual Learner (ML)/ELL families will be conducted in the parents' preferred language. Furthermore, all Association Meetings and district-provided information will be delivered in a bilingual format.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Based on the 2024-2025 academic school year, reporting from our parents and families commonly occurs at least four times per year during our parent-teacher conferences and informal teacher assessments from the school. More importantly, feedback is given formally with our end-of-year surveys. We value involving parents and families in the learning process by providing them with more frequent feedback about their child's learning progress and strategies they may use to assist their child's academics. Feedback is also gathered from parent workshops and connection to the Parent Coordinator.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We plan to impart an improvement plan for some results: *Our attendance data as written in our CEP. *Based on lower than-expected enrollment numbers, school leadership revised and reshaped the marketing process of enrollment to enhance our translation platform, so more parents are reached.

Additionally, we are receiving lots of newly arrived families from a variety of countries, therefore it is essential we revisit our language allocation policies and procedures, thus aligning our communication with the languages our families speak.

In all, our school places great value on creating a culture that welcomes actionable feedback. We strive to maintain a focus on making adjustments and improvements whenever needed, especially when dealing with the diversity among our ELL scholars and respective families.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Saturday Academy

Total number of ELLs to be served in this program:

79 students for both programs, After School and Saturday Academy

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

5 teachers for After School and 3 teachers for Saturday Academy

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

8

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

5

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

We aim to support our ML/ELL students in small groups during extended school hours programming, including After School and Saturday Academy.

The After School Academy will serve ML/ELL students in grades K–5.

The Saturday Academy will focus on ML/ELL students in grades 3–5, based on NYSESLAT, NYS ELA, and Math data.

Activities will be designed to engage all language modalities, providing students with varied opportunities to practice and develop their language skills. Additionally, teachers working with these groups will be bilingual certified and experienced in using best practices and strategies to support ELL learners.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

For the 2025-2026 school year, the rationale for executing the funds provided to the ELL population at P.S. 4 is to continue to provide effective supplemental targeted instruction using different platforms (academic, social/emotional wellness, performance arts, and technology) to support our ML/ELL scholars with academic, social and emotional support. This will be determined based on student needs and through extended day learning in After School and Saturday Academies.

The % of students exiting their ELL status has increased by 1.6%, from 20.0% in 2023 to 21.6% in 2024. Additionally, expanding level ELLs and emerging level ELLs are the groups with the highest and the lowest representation in our school, respectively.

While the % of students scoring at the expanding (32.9% to 30.0%) and emerging level (22.4% to 16.3%) has decreased, the % of students scoring at the transitioning level (16.5% to 22.5%) and entering level (14.1% to 17.5%) has increased in our school.

Although the % of students at the expanding level is still the highest one in our school, the proportion between expanding and entering level ELLs has changed. Based on 2023 NYSESLAT results, the % of expanding level ELL students was approx. twice the % of entering level ELLs (32.9% v. 14.1%), while 2024 NYSESLAT results indicate

that the % of expanding level ELLs is now approx. 2 times the % of entering level ELL (30.0% v. 17.5%).

Points to Next Proficiency Level

2024 NYSESLAT results indicate that 3.4% (7) of the expanding level ELLs were between 1 to 10 points away from scoring commanding while 2.1% (11) were less than 20 points away from scoring commanding and exiting their ELL status. These are the students that are closer to reaching English proficiency and exit their ELL status.

Additionally, 2.25% (8) of the ELL students who scored at the transitioning level were 10 or less points away from scoring expanding.

Modalities of Strength
Based on the 2024 NYSESLAT results, 31% of the ELLs in our school scored HIGH (90% or more questions correctly) in the speaking modality. This is two times the % of ELLs scoring HIGH in listening (18%), and more than 2.5 times the % of ELLs scoring HIGH in reading (12.5%) and more than 2.5 the % of ELLs scoring HIGH in writing (12.5%).

Although writing and reading continues to be the area where fewer ELLs can answer 90% or more of the questions accurately, more than 10% of ELLs in grades 4 in the school were able to score HIGH in this modality.

Overall, based on “modalities of strength” data, grades 2, 3 and 4 have the highest percentages of ELL students answering 90% or more of the questions correctly across modalities. Contrarily, grades 1 and 5 have the lowest percentage of ELLs scoring HIGH across modalities.

Modalities of Need

A trend we’ve observed in the Writing modality is that a significant number of our ELLs are scoring LOW (answering 15% or fewer questions correctly). According to the 2024 NYSESLAT results, 24% of ELLs in our school scored LOW in Writing. This indicates that nearly one in four ELLs are facing serious challenges with writing.

Although speaking is the modality with the largest % of ELLs scoring HIGH, it is also a modality with the largest % of ELLs scoring LOW. As per 2024 NYSESLAT results, 25% of ELLs answered 15% or less questions in this modality correctly. Grades 1, and 4 have the largest numbers of ELLs scoring LOW in the speaking modality.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

ML/ELL students will be invited to participate in the program through letters sent in both English and Spanish, which will be collected and maintained on file. Class rosters will be prepared to ensure accurate attendance tracking. At the end of the program, a progress report detailing each student’s improvement in reading levels will be sent home.

Based on the 2025 NYSESLAT, NYSITELL, and April 2025 EDAT data, we have a total of 79 ELL students distributed

as follows:

* Kindergarten: 16
* Grade 1: 11
* Grade 2: 14
* Grade 3: 11
* Grade 4: 15
* Grade 5: 12

Students will be grouped according to ELL subgroups and proficiency levels based on this data.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Our After School Academy will run from November through May. Students will participate in targeted instruction on Wednesdays and Thursdays from 2:30 PM to 5:00 PM, receiving approximately 50 hours of direct ENL instruction.

Our Saturday Academy will also run from November through May. Each Saturday, students will engage in targeted instruction for three hours, with a total of 18 sessions from 9:00 AM to 12:00 PM. Students will receive a total of 54 hours of direct instruction in both ENL and Math.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The primary language of instruction will be English, with ENL support provided as needed.

We will also use resources in Spanish, Arabic, and French when appropriate to support student learning.

After School Academy:

Subject: ENL

Language of Instruction: English (for ELA)

Saturday Academy:

Subjects: ELA & Math

Language of Instruction: English (for both ELA and Math) with ENL supports

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

One certified bilingual/TESOL teacher per grade.

Kindergarten - 1

Grade 1 - 1

Grade 2 - 1

Grade 3 - 1

Grade 4 - 1

Grade 5 - 1

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Our leadership team will use Fundations to support foundational skills, NYSESLAT test preparation materials, and the Expeditionary Learning curriculum to enhance instruction.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**

- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

The Duke Ellington School community of parents has been actively encouraged by school staff to share ideas during the initial orientation, parent-teacher conferences, and through weekly parent outreach sessions for the 2025–2026 school year. School leaders and teachers have invited parents to consider ways to support our multilingual learners both after school and through the Saturday Academy programs, focusing on advancing academic, social, and emotional growth.

Based on these ongoing conversations, we will develop a formal written invitation to encourage scholars to participate in the supplemental programming. Parents will also be invited to a formal Q\&A session where school leaders and teachers will present data-driven strategies and resources designed to support the ELL community within the after-school and Saturday Academy programs. This engagement is central to strengthening the home-school partnership at P.S. 4 in support of our ELL students.

Participation in both after-school and Saturday Academy programs will be tracked through daily attendance, which will be stored on a digital platform and shared with key stakeholders, including school leadership, the ELL teacher teams, and the parent community.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

At P.S. 4, teachers will receive ongoing professional development led by the Multilingual Learner Leadership Team (MLL Leadership Team). This training aims to support instruction, keep staff updated on the latest EDAT and EDUR data trends, and address common challenges faced in working with Multilingual Learners (MLLs).

Recognizing our large MLL population, all staff—including teachers, cluster teachers, and paraprofessionals—have been trained in ENL-specific strategies, resources, and instructional techniques. Teachers working directly with MLLs receive comprehensive training on curricula, with a focus on ENL methodologies and the use of data to differentiate instruction effectively.

Each grade level has designated lead teachers who facilitate communication between administration and staff. These leads conduct bi-weekly grade planning sessions and share updates during Instructional Leadership Team (ILT) meetings.

With support from the District and our ENL Leadership Team, we aim to enhance faculty expertise in differentiating instruction within ENL methodologies. We seek additional support from Central/District staff to deepen teachers' understanding of the stages of language acquisition and appropriate instructional practices for each level. A key component of this professional development is training teachers to implement the SIOP Model, incorporating specific language and content objectives into their lesson planning.

Professional development sessions will be held once a month on Mondays from 2:30 PM to 3:20 PM. This training will be funded through Title III ELL funds, with vendor costs carefully managed to comply with the 20% OTPS limit.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

With the support of Central/District staff and our ELL Leadership Team, we aim to engage all faculty in enhancing their instructional practices by using differentiation within ENL methodologies. We seek Central/District support specifically for Title III teachers working with MLLs to deepen their understanding of the different stages of language acquisition and the skills students can demonstrate at each level.

Based on recent data trends:

* In the 2025-2026 school year, many of our ELL students were just a few points away from advancing to the next proficiency level. For example, out of 85 testable ELLs, 14 students missed the Expanding level by 1-10 points, 18 students missed Transition by 1-10 points, and 25 students missed Commanding by 1-10 points. This means nearly 29% of Expanding ELLs were very close to testing out of the NYSESLAT and becoming Former ELLs. Similar trends were observed across other proficiency levels.

Given this data, one of our professional development priorities is to train teachers to use the SIOP Model to effectively incorporate specific language and content objectives in their lesson planning. This training will also enhance our "Teaching Test Sophistication" platform, focusing on the writing component of the NYSESLAT exam, to help close the gap and improve student test scores by 1-10 points.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers working in the Title III ELL program will receive ongoing professional development aimed at enhancing their skills in supporting English Language Learners (ELLs). This training will focus on effective strategies for teaching English across all modalities—listening, speaking, reading, and writing—along with culturally responsive teaching practices.

Teachers will engage in workshops, collaborative planning sessions, and training on the latest ENL and ELA standards to ensure they have the knowledge and tools necessary to support immigrant students effectively. Additionally, they will receive guidance on using formative assessments to monitor student progress and adjust instruction as needed, ensuring that all students receive the targeted support required for success.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**

- **Days of sessions, and**
- **Time and duration of sessions.**

The **ELL Leadership Team**, consisting of the dual language classroom teachers and two ENL instructors, will conduct professional development sessions for the school once a month on Mondays from **2:30 p.m. to 3:20 p.m.** throughout the academic year. If for any reason the team is unable to meet on a Monday, we will ensure that an alternative day is scheduled to cover the planned agenda and maintain continuity in the professional development program.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

We look to engage all faculty to enhance the scope of their instructive practice by using differentiation in their ENL methodology teaching.

Further topics to be covered and reinforced are:

-True Peer Comparisson

-Language Objectives

-SIOP

-Differentiation

-Incorporating all language modalities into lesson plans

-Scaffolding

-Culturally Responsive Teaching

- Analyzing student work

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

With support from our ML/ELL Central Office and insights gained through district-led professional development, along with guidance from our ENL/ELL Leadership Team, we aim to engage all faculty in enhancing their instructional practices by incorporating differentiation into their ENL teaching methods. We also seek assistance from Central/District staff to help Title III teachers better understand the stages of language acquisition and the specific skills and needs of students at each level.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

The Duke Ellington School community of parents has been encouraged to share ideas during orientation and parent-teacher conferences for the 2025-2026 school year. School leaders and teachers have asked parents to consider ways to support our multilingual learners through both after-school and Saturday Academy programs, focusing on advancing academic, social, and emotional growth.

Following these meetings, we will send formal written invitations to scholars to join the supplemental programming. Parents will also be invited to a formal Q\&A session where school leaders and teachers will present data-driven strategies and resources to support the ELL community within the after-school and Saturday Academy programs. This engagement is essential for strengthening the home-school partnership at P.S. 4 in support of our ELL students.

Attendance for both after-school and Saturday Academy programs will be tracked daily, recorded on a digital platform, and shared with school leadership, ELL teacher teams, and parents.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The 2025-2026 MLL After School/Saturday Academy will have scheduled monthly dates where the Parent coordinator will invite the scholar's parents to work with their respective children in the auditorium and or respective classroom setting and help foster a stronger connection to the valuable meaning of language and culture. This will give the students written work a powerful voice with supplemental enriching activities like the culminating "Evening of the Arts Showcase" that will not only warrant academic achievement in core academic areas but will have a resounding positive effect on the personal lives of our culturally diverse MLL scholars and their families. The MLL Academy Supervisor will work alongside with the parent coordinator and PTA president. The parent coordinator will facilitate activities that include;

Monthly parent-teacher meetings. Accompanied by pastries and coffee-Families may feel more comfortable in a group, and it can be an efficient option -- you provide the key information once, and then can have brief conversations with individual parents.

Parents will engage with students by reading aloud as the single most important activity that parents can do with their children to ensure their future success.
Parent coordinator will engage parents with professional development using Readers Theater World Myths/Jazz Power Initiative curricula establishing the important role of parents as with expanding on the Saturday Academy enrichment by extending lessons into the home and involving more interaction by reading the stories aloud and acting them out using voice inflection and gestures is an exciting way for children to express themselves and improve their reading skills at the same time. It is something families can do together (instead of watching T.V.)
The MLL Supervisor will support the Parent Coordinator and the President of the Parent Teacher Association

- Number of parents expected to participate is 30
- Total number of 1-hour sessions-8
- These classes will be given on weekdays from 230-345pm/Saturdays from 9-12pm and with an option of Virtual for working parents from 3:00 to 4:00

Parents will be notified in writing through mail in English and Spanish. Also letters sent home in scholars backpacks and messages will be sent in all respective languages via robocalls.
Posters will be visible at all main entrances and parent's corner in the school. This part of our program will command

an allocation of 1, 456.00

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Parents have been encouraged to share ideas during their first orientation and parent teacher conference meetings for the 2025-2026 school year. School leaders and teachers asked parents to think about how to support our Multilingual learners both after school and on Saturday Academy programming to advance academic, social and emotional support. After our ELL Team meetings and based on the parent engagement feedback, we have identified that we must improve the gap of social emotional understanding within the ELL school community.

Sometimes as educators, we only focus on the academic (English Proficiency Acquisition) needs of our English Language Learners but fail to recognize the urgency of enabling our young ELL scholars to not only understand but also attain social and emotional fluency.
Therefore, our SAPIS counselor works closely with the ELL Team of teachers in developing and harnessing social emotional wellness/lessons in the classrooms.

Based on meetings, we will construct a formal written invitation to ask scholars to join the supplemental programming. Parents will also be invited to a formal Q/A session where the school leaders and teachers will share data-based strategies and resources that will be used to support the ELL community in the after school and Saturday Academy programs. This type of engagement is central for the P.S.4 school to strengthen our home-school partnership on behalf of ELL students. Both after-school and Saturday Academy engagement will be tracked by daily attendance, which will be saved on a digital platform then disseminated to the school leadership, ELL Teacher Teams and parents.

By welcoming our parents' perspectives, this serves as an opportunity for all of us to reevaluate our approach to fostering family engagement and inclusive practices in our classrooms. Based on parent engagement meeting feedback from our ELL Team of teachers, parents asked for more social and emotional wellness lessons to engage scholar's focus and mindset in the daily classroom.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**

- **Time and duration of sessions.**

Monthly parent-teacher meetings. Accompanied by pastries and coffee-Families may feel more comfortable in a group, and it can be an efficient option -- you provide the key information once, and then can have brief conversations with individual parents.

Also one Saturday a month The Saturday Academy Arts partnership with Jazz Power Initiative will invite parents to participate with their respective children.

- Number of parents expected to participate is 30
- Total number of 1-hour sessions-8
- These classes will be given on weekdays from 230-345pm/Saturdays from 9-12pm and with an option of Virtual for working parents from 3:00 to 4:00

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Saturday Academy supervisor, teachers and the Parent coordinator will engage parents with professional development using Jazz Power artist study, Readers Theater World Myths/Jazz Power Initiative curricula establishing the important role of parents as with expanding on the Saturday Academy enrichment by extending lessons into the home and involving more interaction by reading the stories aloud and acting them out using voice inflection and gestures is an exciting way for children to express themselves and improve their reading skills at the same time.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Activity: Coffee with the Principal
Provider(s):

Dr. Stevens, Principal

Ms. Denise Nunez, Parent Coordinator

Activity: Perfect Attendance Recognition Events
Provider(s):

Ms. Denise Nunez, Parent Coordinator

Ms. Castro, ELL Academy Supervisor

Grade-Level ELL Teachers

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified in writing through mail in English and Spanish. Also letters sent home in scholars backpacks and messages will be sent in all respective languages. Attendance will be recorded and tracked daily by the ELL teacher team using digital platforms such as ATS and iLOG. This information will be shared with school administration for further analysis. In collaboration with our Parent Coordinator, all attendance and record-keeping will be maintained through these digital systems. via robocalls. In addition, we will use platforms such as ClassDojo and Google Classroom to keep parents inform of any new activities.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

P.S. 4 will maintain thorough documentation of all family engagement activities and communications. This includes saving agendas, attendance sheets, sign-in forms, handouts, and presentation materials from each session. Documentation will be collected and stored digitally in a shared drive accessible to the ELL Leadership Team and school administration.

In addition, copies of all family notifications—including letters sent home in students' backpacks, robocall scripts, emails, and flyers posted in the building—will be archived. All notifications will be translated into the home languages of our families, and communication logs will be maintained to track when and how families were contacted.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem		
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)		
Travel		
Other		
TOTAL		

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

4

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

Building on our current Title III ELL plan, our goal is to provide targeted support for immigrant students by organizing small group interventions during extended school hours programming, which includes both after-school sessions and Saturday school. These additional learning opportunities are designed to reinforce and enhance the skills that immigrant students need to succeed academically and socially in their new learning environment.

To extend the Title III ELL plan, Title III Immigrant funds will support the development and implementation of an Immigrant After School Academy focusing specifically on immigrant students in grades K–5. By offering these extended programs, we aim to create a supportive and engaging environment where students can receive focused attention outside of regular school hours.

The Immigrant Enrichment Program will be organized based on formative and summative data collected by both classroom teachers and ENL (English as a New Language) specialists. This data will guide instructional decisions to ensure that students are grouped according to their specific needs and proficiency levels, allowing for differentiated instruction tailored to each student's strengths and areas for growth.

To ensure maximum engagement and effective learning, the program will include a variety of activities that incorporate all language modalities—listening, speaking, reading, and writing. These activities will provide students with multiple opportunities to practice and develop their language skills in a dynamic and interactive way. Furthermore, the teachers leading these small group sessions will be bilingual certified educators experienced in implementing best practices, research-based strategies, and culturally responsive teaching methods. By fostering an inclusive, culturally relevant environment, we will help immigrant students feel more confident, supported, and empowered in their language learning journey.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Revised & Condensed Version
Building on our current Title III ELL plan, we aim to provide targeted support for immigrant students, many of whom are newcomers still developing English proficiency. Through after-school intervention groups, we will strengthen students' language skills across all modalities—listening, speaking, reading, and writing—offering a well-rounded and supportive learning experience.

Data-Driven Need:
Formative and summative assessments, including iReady and Acadience, indicate that immigrant students continue to face challenges in vocabulary, comprehension, and writing fluency. These findings highlight the need for ongoing, focused interventions that build foundational skills and promote academic success. Instruction will be continuously adjusted based on student progress data.

Program Focus:
To extend the Title III ELL plan, Title III Immigrant funds will support small-group sessions emphasizing vocabulary development, reading comprehension, sentence structure, and writing fluency. Instruction will align with the NYSESLAT rubric to ensure clear language proficiency goals and measurable growth.

Teacher Expertise:
All after-school instructors are bilingual certified and trained in culturally responsive practices, enabling them to meet the linguistic and cultural needs of immigrant students. By fostering an inclusive environment, these educators will help students build confidence and achieve greater language proficiency aligned with state standards.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

ELL Data Update Report (October 2025)
EDUR Classification for Immigrant Students as ELLs

As of the most recent ELL Data Update (October 2025), we currently have 79 ELLs and 23 Former ELLs. All immigrant students have been classified as ELLs following the NYSITELL assessment. The distribution of ELL students by grade is as follows:

Grade K – 17 students
Grade 1 – 11 students
Grade 2 – 13 students
Grade 3 – 11 students
Grade 4 – 15 students
Grade 5 – 12 students
ELLs by Proficiency Level:

Entering – 25 students
Emerging – 15 students
Transitioning – 16 students
Expanding – 23 students
Commanding – 23 students

Support Plan Based on Proficiency Levels:
Entering/Emerging Students:
These students will receive targeted support focused on building vocabulary and literacy. Instruction will center around enhancing listening skills and language acquisition through thematic units.

Transitioning Students:
These students will focus on developing Tier II & Tier III vocabulary, which will help them in both reading and writing. Emphasis will be placed on strengthening their foundational skills.

Expanding Students:
Support will center on enhancing comprehension strategies and fostering higher-order thinking skills. Teachers will work with students to develop complex sentence structures during small group interventions.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,

- Days of the week the program will be offered, and
- Time and duration of sessions.

Our After School Academy for immigrant students will run from November to May, with sessions held on Tuesdays, Wednesdays and Thursdays from 2:30 PM to 4:30 PM, providing a total of approximately 50 hours of targeted, direct instruction. The program will focus on developing students' skills in Listening, Speaking, Reading, and Writing to support language acquisition, improve academic performance, and prepare them for the NYSESLAT and other applicable standardized tests. Instruction will be aligned with both ENL (English as a New Language) and ELA (English Language Arts) standards to ensure students meet academic expectations across subjects. In addition to language development, lessons will be culturally responsive, addressing the emotional and social adaptation needs of immigrant students by fostering a supportive and inclusive environment. Teachers will use strategies that respect and incorporate students' cultural backgrounds to create a safe and engaging space for learning. This comprehensive approach will ensure that students not only improve their academic language skills but also build confidence and resilience as they adjust to their new educational environment.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction for all Title III Immigrant funded program will be English with ENL support and home language such as Spanish as needed. Other home languages are French, Haitian Creole, Wolof & Mandika.

After School Academy & Saturday Academy:
Subjects- ENL & ELA
Language of Instruction - English

To support our immigrant scholars we will use Google Translate, Duolingo App & effective ENL practices to help support English instruction.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

One certified bilingual/TESOL teacher per grade. (Depending on availability)

Kindergarten - 1

Grade 1 - 1

Grade 2 - 1

Grade 3 - 1

Grade 4 - 1

Grade 5 - 1

Types of Materials

For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

For the **Title III Immigrant-funded programs**, we will use a variety of high-quality materials to support both language development and academic achievement. These resources include:

* **iReady Reading**: Provides personalized instruction in reading, targeting comprehension, vocabulary, and fluency. Detailed progress data allows teachers to identify areas for growth and tailor instruction to students' needs.

* **Fundations**: A structured phonics and literacy program designed to strengthen foundational reading and writing skills, particularly for students in the early stages of English acquisition.

* **NYSESLAT test preparation materials**: Specifically designed to help students prepare for the **New York State English as a Second Language Achievement Test (NYSESLAT)**. These resources address all language modalities—listening, speaking, reading, and writing—and mirror the test format.

* **Close reading activities**: Engage students with complex texts to enhance comprehension, critical thinking, and reading for meaning across genres.

* **Additional resources**: Supplemental digital platforms, language apps, leveled readers, and visual aids that support vocabulary and language development in context.

All materials are aligned with **ENL and ELA standards** and carefully selected to meet the needs of **immigrant students**. **Title III Immigrant funding will cover these costs**, ensuring access to high-quality instructional resources that promote language acquisition and academic success.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional**

development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.

Maintaining Records of Students Served in the Program:

Our school will maintain detailed records of students served in this program through a shared Google Drive. This drive will serve as a centralized location where attendance will be regularly monitored, and records of student participation will be kept up-to-date. Teachers will input attendance data for each session, ensuring that we track the number of hours each student participates in the after-school program. Additionally, the Google Drive will house all lesson plans, resources, and materials used during the program, making it easily accessible for both monitoring and evaluation purposes. This will allow us to ensure that all students are receiving the support they need and allow for seamless communication between staff.

The following staff members will be responsible for administering and monitoring the program:

Program Coordinator (Ms. Castro): Ms. Castro will oversee the overall execution of the program, ensuring that it aligns with school goals and Title III guidelines. She will be responsible for coordinating the program and ensuring the delivery of high-quality instruction.

ENL Lead (Ms. Giler): Ms. Giler will monitor the program in collaboration with Ms. Castro, providing leadership in implementing ENL instruction and ensuring that all instructional strategies align with the needs of the immigrant and ELL students.

Afterschool Teachers: They will be responsible of recording the attendance. In addition, they will be responsible for providing targeted English language instruction during the after-school sessions. They will work closely with students to assess progress and adjust instruction accordingly.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

For the 2025–26 school year, our goal is to provide educators with meaningful professional development that can be directly applied to their instruction.

Building on our current Title III ELL plan, and to extend support for immigrant students, all staff—including teachers, cluster teachers, and paraprofessionals—will continue receiving training in Culturally Responsive Teaching to address the diversity of our Duke Ellington community and the needs of newly arrived immigrant students.

Teachers working directly with immigrant students will receive targeted training on the use of multiple curricula, with a focus on effective instructional methodologies and using student data to differentiate instruction. Lead teachers have been designated in each grade to facilitate communication between administration and staff. These lead teachers conduct two grade-level planning sessions per week and provide updates during ILT meetings to ensure that instructional strategies and student needs are consistently addressed.

Through these professional development efforts, Title III Immigrant funds will support educators in delivering high-quality, data-informed, and culturally responsive instruction that meets the unique needs of immigrant students.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Professional development focused on culturally responsive planning will help students engage meaningfully in the curriculum. Inclusive teaching practices support both teachers and students in understanding different perspectives, appreciating individual strengths, and building empathy. Since 65% (70) of our immigrant students are newcomers, it is essential that teachers incorporate students' identities and cultural backgrounds into instruction. Culturally responsive teaching also encourages educators to reflect on how their own identities and experiences influence their attitudes and teaching practices. At Duke Ellington, immigrant students come from diverse countries, including Mexico, Ecuador, Haiti, Senegal, and the Dominican Republic, among others.

Engaging in professional development with our Duke Ellington staff ensures that culturally responsive teaching strategies are applied school-wide, not only in Dual-Language classrooms, since many immigrant students receive ENL services within general education settings. Strategies and best practices learned during professional development can also be reinforced during intervention periods, including after-school or Saturday sessions.

By building on our current Title III ELL plan, Title III Immigrant funds will support teachers in implementing a culturally responsive curriculum that meets the academic, linguistic, and social-emotional needs of our immigrant students.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

Given that a significant portion of our students are immigrant students who are also ELLs, all staff—including teachers, cluster teachers, and paraprofessionals—receive ongoing training in effective instructional methodologies and culturally responsive teaching.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

There will be 2-3 hour long sessions for the whole staff and 3 additional sessions for the teachers who are teaching the subgroup mentioned above. These additional sessions will support planning to target the students in each afterschool.

In addition to SEL lessons and SAPPIS work, these sessions and strategies are designed to promote students' overall well-being, supporting both their social-emotional growth and academic success.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

1. Family and Student Support

To ensure that immigrant students thrive academically and socially, staff will be trained to connect families with essential supports. This includes:

School Supplies: Providing necessary materials to support students' learning at school and at home.

Pantry Access: Offering food resources for families in need to help reduce barriers to learning.

Clothing and Jackets: Ensuring students have appropriate clothing for weather conditions, supporting comfort and focus.

Additional Family Resources: Connecting families to community programs and services to address broader needs, promoting stability and engagement.

2. Culturally Responsive Teaching

Training will focus on strategies to integrate students' cultural backgrounds into classroom instruction, promoting inclusivity, engagement, and respect for diversity.

3. Language Dives

Staff will engage in activities that deepen academic language instruction, targeting listening, speaking, reading, and writing skills in ways that are responsive to immigrant students' needs.

4. Curriculum Modifications for Immigrant Students

Educators will learn to adapt lessons to meet both academic and social-emotional needs, including:

Integrating SEL strategies to support students' well-being.

Using differentiated approaches to address language development.

Implementing practices that foster a positive and supportive classroom environment for immigrant students.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

In-house professional learning with Ms. Castro, Ms. Giler, and Ms. Maria.

Coffee with the Principal: Hosting regular informal meetings to engage parents, discuss school initiatives, and provide guidance on supporting their children's academic and social-emotional growth.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

-Staff sign-in sheets for attendance

-Slides presentation for every session

-Staff Exit Tickets as evidence of engagement

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

For the **2025–26 Title III Immigrant program**, we offer a range of **family engagement activities and supports** to meet the academic, social, and emotional needs of immigrant students and their families. These activities include:

* **Monthly "Coffee with the Principal" sessions** – Parents can learn important information about the school, ask questions, and discuss topics related to their children's education.
* **Parent Workshops** – Focused on language acquisition, supporting academic growth at home, and navigating school resources.
* **Community Pantry** – Monthly access to food assistance for families in need.
* **Brighter Bites Program** – Providing fresh fruits and vegetables to families to promote health and nutrition.
* **Coat Drive & School Supplies** – Ensuring students have adequate clothing for the weather and necessary learning materials.
* **Uniform Support** – Helping families access required school uniforms.
* **Partnerships with Mental Health Clinics & SEL Support** – Offering counseling and social-emotional resources to support students' well-being.
* **Family Field Trips** – Educational outings designed for both students and their families to engage with the community and enhance learning experiences.

All activities are designed to **strengthen partnerships between the school and immigrant families**, supporting holistic student success. Parents are notified through multiple channels, including **mail in English and their home language, letters sent home in scholars' backpacks, and messages via DOE Messaging** in all respective languages. **All associated costs for these activities are covered by Title III Immigrant funds.**

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and

- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

A parent survey was conducted and the topics below were the highest ranked by parents. Access to resources within the community is a big concern for the parents/caretakers of our immigrant student population. Some of our immigrant students are residing in temporary housing and require assistance in obtaining support for their families and navigating the school system. In addition, not speaking the English language creates a barrier for our immigrant families. 65% (70) of our ELLS are immigrant students and 88% are newcomers, it is essential that we listen to the needs of our immigrant families.

amily Engagement Activities and Supports Include:

Coffee with the Principal: Monthly sessions where parents can learn about school initiatives, ask questions, and discuss topics relevant to their children's education.

Parent Workshops: Covering language acquisition, academic support at home, state and NYSESLAT tests, after-school programs, middle school transitions, and adult ENL classes.

Community Pantry: Monthly access to food for families in need.

Brighter Bites Program: Providing fresh fruits and vegetables to promote health and nutrition.

Coat Drive & School Supplies: Ensuring students have adequate clothing and learning materials.

Uniform Support: Assisting families in accessing required school uniforms.

Mental Health Partnerships & SEL Support: Counseling and social-emotional learning resources to promote student well-being.

Family Field Trips: Educational outings designed for both students and their families to engage in learning and community activities.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

We will host **Monthly Coffee with the Principal** meetings, complete with pastries and coffee, to create a welcoming and informal environment for families. These sessions will provide a platform to share important school information with the entire group while also allowing for brief one-on-one conversations with individual parents.

Additionally, once a month, the **Immigrant Academy**, in partnership with the **PTA**, will invite parents to participate in events designed to engage them in their children's education and strengthen family-school

connections.

* **Expected parent participation:** 30 parents per session
* **Total number of sessions:** 8 one-hour sessions
* **Schedule:** Weekdays, each lasting approximately one hour

These activities aim to **empower immigrant families** with the tools, knowledge, and resources needed to support their children's academic and social-emotional success.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Topics to be Covered in Title III Immigrant Family Engagement Activities

Each family engagement activity will address topics identified as priorities by our immigrant families, ensuring that parents are informed and equipped to support their children's academic and social-emotional success. Topics include:

* **State Tests:** Providing guidance on state assessments, testing schedules, and strategies to support students at home.
* **After-School Programs:** Information on available after-school interventions, enrichment opportunities, and ways families can support participation.
* **NYSESLAT Preparation:** Helping parents understand the NYSESLAT test, its purpose, and ways to reinforce language development at home.
* **Emotional Support:** Strategies and resources to support students' social-emotional well-being, including counseling and SEL programs.
* **Social Support:** Promoting peer connections and community engagement for students and families.
* **Pantry Access:** Informing families about monthly pantry distributions and other basic needs resources.
* **Support for Families:** Guidance on accessing community resources, school supplies, clothing, uniform assistance, adult ENL classes, and partnerships with local mental health clinics.

These topics will be integrated into **Monthly Coffee with the Principal sessions, Immigrant Academy events, and parent workshops**, ensuring families receive consistent, practical, and culturally responsive support throughout the school year.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Monthly Coffee with the Principal

Principal Dr. Stevens– Oversees the sessions, presents key information, and engages families in discussions.

Parent Coordinator, Denise Nunez – Supports logistics, communication, and follow-up with parents.

PTA Representatives – Assist with planning, refreshments, and parent outreach.

Immigrant Academy Family Events / Parent Workshops

Immigrant Academy Lead, Mirtha Javier: Facilitates educational workshops and provides guidance on academic and language support.

ENL Specialists, Ms. Castro & Ms. Giler – Supports families with language acquisition strategies and NYSESLAT guidance.

Social Worker / SEL Coordinator [Ms. Ramos & Ms. M Jimenez] – Provides resources for social-emotional support and family well-being.

Community-Based Partners – Such as mental health clinics or local nonprofits assisting with pantry, clothing, or other family supports.

These providers will collaborate to ensure that all activities are culturally responsive, informative, and accessible, giving immigrant families the tools and resources needed to support their children's success.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will be notified in writing through mail in English and their home language, including Spanish, Creole, French, and Mandika. In addition, letters will be sent home in students' backpacks, and messages will be delivered in all respective languages via DOE Messaging. To further keep families informed, we will also use digital platforms such as ClassDojo and Google Classroom to share updates on new activities, events, and resources available to immigrant families.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Our school will maintain thorough documentation of all Title III Immigrant family engagement activities to ensure accountability and continuous improvement. The secretary, ENL Lead, and Parent Coordinator will be responsible for collecting and organizing all records. Documentation will include:

Sign-in sheets with agendas for each session

Presentation slides or handouts used during workshops and meetings

Notes or summaries of discussion points and follow-up items

Records of notifications sent to families, including mailings, backpack letters, DOE messages, and digital platform communications

These records will be securely stored and reviewed regularly to monitor participation, track engagement trends, and inform future programming for immigrant families.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):
