Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
David R. Rosas	Principal	
Nicole Lorenzetti	SLT Chair	
Geronimo Salazar	UFT Chapter Leader	
Ted Recitas	Family Association President	
Darhel Mays	Parent	
Maria Gomez	Parent	
Adriana Avila	Parent	
Melanie Baez	School Psychologist	
Julie Donnadieu	Teacher	
Samatha Diaz	Interim-Acting Assistant Principal	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Castle Bridge seeks to challenge the segregation and disparities in the NYC public school system by bringing together and nurturing a diverse community of children, families, and staff. Castle Bridge develops engaged citizens who actively contribute towards social justice, recognize their intrinsic value and agency, and appreciate the role of community in navigating a complex world. We do this by constructing an anti-racist, dual-language, progressive, and inclusive educational program. These four stances meet the diverse needs of our community for a rigorous and equitable educational experience.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Castle Bridge is one of the few intentionally integrated schools in the DOE. We seek to have the widest range of students: culturally, racially, linguistically, intellectually, and in terms of ability assets and challenges. To meet the needs of our community, we have a diverse staff and seek to make it even more diverse. We have a curriculum that seeks to build the equitable opportunities our students deserve. The anti-racist, inclusive, progressive, and dual-language strands weave together to support children and families by not only honing our instructional program, but also by having a well developed social-emotional program which has come out of our work with Lesley Koplow's Emotionally Responsive Practice program at Bank Street College, as well as work to implement Restorative Practices in collaboration with the Morningside Center for Teaching of Social Responsibility. Castle Bridge connects children with nature and their own physical development by implementing Forest School in the lower grades, ice skating in the winter months, and swimming for the children's 2nd and 3rd grade years through the Asphalt Green program. Fourth and Fifth graders also have a one-night overnight each year which gets the children into the wilderness.

Briefly summarize the key initiatives your school will implement this school year.

- Our dual-language program will be strengthened through the classroom teachers' consistent use of language learning targets to support content learning targets and model oral and written language in English and Spanish to increase children's metalinguistic awareness.

- We will strengthen our children's writing in both English and Spanish as well as analyze this work with a lens on the metalinguistic awareness.

- There is evidence of effective practice in the use of assessment in instruction throughout the school. As a team, we will deepen the work to adopt highly effective practices in the use of assessment in instruction.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Math	K-5	Illustrative Mathematics	
Phonics/Word work	K-5	Aprendo Leyendo and Preventing Academic Failure (PAF)	
ELA and Spanish literacy	K-5	Expeditionary Learning 2.0	We will continue to translate components of this program to and adopt touchstone texts in Spanish to meet our dual-language program needs.
English and Spanish phonemic awareness	K-2	Heggerty	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Overall, our kids' reading proficiency reached 61% by June 2025. However, our MLLs and kids with IEPs decreased 6%-9% from Sept 2024 to June 2025 (F&P, 24-25).	Our interventions have to better support our MLLs and kids with IEPs throughout the school year as expectations rise.	We should increase our consistent tracking of children who receive interventions in order to see if their attendance plays a role in missing these or if the interventions are not the right tools.
Acadience K-2 scores increased from 23-24 to 24-25 by 13% and the 16th percentile decreased by 10% across the same time span (Acadience, 24-25).	Our youngest kids are demonstrating proficiency at a slower rate on the Acadience screener as compared to the	We have changed our phonics program to PAF in English and Aprendo Leyendo in Spanish, which has the same structure as PAF. Monitoring implementation and

	F&P MOSL and the i-Ready screener in the older grades.	tracking kids' progress will be key to seeing if the change is having its intended impact.
i-Ready ELA 3-5 scores had a higher increase in 24-25 compared to 23-24, ending in June 2025 at 56% proficiency. The 16th percentile had a higher decrease across the same time span, ending in June 2025 at 25% -- down from 43% in Sept 2024 (i-Ready, 24-25).	Our older kids are demonstrating profiency at a wider margin as compared to our younger students. Interventions are having a positive impact as well as increased proficiency in using technology to complete their work.	We will continue to have our kids use their laptops and other hardware to read, write, and mathematize. We will continue to use interventions that support our kids' growth in reading.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	61%	By June, 2026, literacy for All Students will improve, as measured by a 9% Increase, from 61% to 70%, of percentage of students scoring at or above proficiency on the F&P bencmark assessment system.
All Students	38%	By June, 2026, literacy for kids in grades 1-5 and receiving Tiers 2 and 3 interventions will show growth based on small-group interventions and assessments collected at the beginning and end of year, as measured by a 8% Decrease, from 38% to 30%, of kids one or more grade levels below as measured by the F&P benchmark assessment system.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will consistently progress monitor our interventions in our MTSS, especially with our MLLs and kids with IEPs, to ensure positive impact on our kids' reading growth. This will include using spreadsheets for teachers to track their use of Tier 3 interventions and for our paraprofessionals to track their Tier 2 interventions. We will consistently communicate with families every 8-10 weeks to share if their children have progressed, stayed the same, or regressed. We will work with the school's ILT to monitor these results in real time throughout the school year.

Root Cause Addressed:

Our interventions have to better support our MLLs and kids with IEPs throughout the school year as expectations rise.

Our youngest kids are demonstrating proficiency at a slower rate on the Acadience screener as compared to the F&P MOSL and the i-Ready screener in the older grades.

Our older kids are demonstrating profiency at a wider margin as compared to our younger students. Interventions are having a positive impact as well as increased proficiency in using technology to complete their work.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional-learning refresher on the MTSS at our school and the tools to track student progress
Principal and AP meet with co-teaching teams biweekly across all classrooms to monitor student reading

interventions and tracking.
The ILT reviews data collected -- be it intervention attendance, progress-monitoring data -- to see how our kids are growing with interventions.
Family letters are sent home in the middle and end of every 8-10 week cycle so that they understand what is being down to support their children's growth.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The paper version of Acadience will be used to progress monitor reading interventions every 10 school days. This data will be collected and analyzed by the ILT and co-teaching classroom teams.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/27/2025	11/24/2025	The assessment tools, such as the F&P benchmark assessment system, Acadience, and i-Ready, will be reviewed at Community Chats (weekly family meetings with admin) so that they understand what is being asked of kids in their reading work.	
02/23/2026	03/23/2026	The assessment tools, such as the F&P benchmark assessment system, Acadience, and i-Ready, will be reviewed at Community Chats (weekly family meetings with admin) so that they understand what is being asked of kids in their reading work.	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers, paraprofessionals

Instructional Resources

EL 2.0 modules, PAF, Aprendo Leyendo, Sound Partners reading intervention program

Schedule Adjustments

Co-teaching teams work together to allot time for reading interventions in ways that do not interrupt whole-class instrunction.

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the 2025 NYC School Survey, there was a: 5% increase in Safety from 90% in 2024 to 95% in 2025; 7% increase in favorable Classroom Behavior from 81% in 2024 to 88% in 2025; and, 9% increase in our school's Social-Emotional Learning Environment from 86% in 2024 to 95% in 2025.	Our partnershp with Bank Street's Center for Emotionally Responsive Practices afforded us an on-site coach to work with teachers new to the program. Additionally, a grant allowed us to restart our partnership with the Morningside Center for Teaching of Social Responsibility so that a group of 6 staff members were (re)trained in the use of restorative practices.	We will continue our partnerships with ERP and Morningside.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	average of 93%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 2% Increase, in percentage of positive family and staff responses to survey questions about safety, classroom behavior, and social-emotional learning environment from average of 93% to average of 95%, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Our staff will continue work with both ERP and Morningside. Our newest staff members will train with both on-site coaches.

Root Cause Addressed:

Our partnershp with Bank Street's Center for Emotionally Responsive Practices afforded us an on-site coach to work with teachers new to the program. Additionally, a grant allowed us to restart our partnership with the Morningside Center for Teaching of Social Responsibility so that a group of 6 staff members were (re)trained in the use of restorative practices.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Schedules dates for both the ERP and Morningside coaches to train with groups of staff members and visit classrooms to provide feedback.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use a mock survey focused on the three key areas -- Safety, Classroom Behavior, and Social-Emotional Learning Environment -- in January 2026 to progress monitor.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	01/30/2026	The administrative team will model the use of emotionally-responsive practices and restorative practices at Community Chats (weekly family meetings) as well as explicitly share information about using these tools with children.	Bank Street's Center for ERP Morningside Center
02/02/2026	06/26/2026	The administrative team will model the use of emotionally-responsive practices and restorative practices at Community Chats (weekly family meetings) as well as explicitly share information about using these tools with children.	Bank Street's Center for ERP Morningside Center

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administrative team, teachers, paraprofessionals, consultants

Instructional Resources

Schedule Adjustments

The use of emotionally-responsive and restorative practices are embedded into all parts of our school days.

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Acadience K-2 scores increased from 23-24 to 24-25 by 13% and the 16th percentile decreased by 10% across the same time span (Acadience, 24-25).	Our youngest kids are demonstrating proficiency at a slower rate on the Acadience screener as compared to the F&P MOSL and the i-Ready screener in the older grades.	We have changed our phonics program to PAF in English and Aprendo Leyendo in Spanish, which has the same structure as PAF. Monitoring implementation and tracking kids' progress will be key to seeing if the change is having its intended impact.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	38%	By June, 2026, literacy for kids in grades 1-5 and receiving Tiers 2 and 3 interventions will show growth based on small-group interventions and assessments collected at the beginning and end of year, as measured by a 8% Decrease, from 38% to 30%, of kids one or more grade levels below as measured by the F&P benchmark assessment system.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will consistently progress monitor our interventions in our MTSS, especially with our MLLs and kids with IEPs, to ensure positive impact on our kids' reading growth. This will include using spreadsheets for teachers to track their use of Tier 3 interventions and for our paraprofessionals to track their Tier 2 interventions. We will consistently communicate with families every 8-10 weeks to share if their children have progressed, stayed the same, or regressed. We will work with the school's ILT to monitor these results in real time throughout the school year.

Root Cause Addressed:

Our youngest kids are demonstrating proficiency at a slower rate on the Acadience screener as compared to the F&P MOSL and the i-Ready screener in the older grades.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Families are welcomed to speak with the principal about any topic. The principal is present at arrival and dismissal so that any family can speak with him at any time.	families are welcomed, heard, and part of how the school functions. The principal will continue to be available to all families (in English and Spanish) at different times of the school day.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	average of 93%	Castle Bridge will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of parents/families indicating that they are satisfied with the education their child is receiving will Increase by 1% from average of 93% to average of 94% as measured by NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The principal and administrative team will continue to be visible and accessible to all families throughout each school day, including at arrival and dismissal times. The weekly Community Chats will keep holding space for families to speak directly with the principal about any school-wide question or concern.

Root Cause Addressed:

Weekly parent meetings, called Community Chats, and weekly newsletters from the principal keep families informed of what is happening at the school. Families are welcomed to speak with the principal about any topic. The principal is present at arrival and dismissal so that any family can speak with him at any time.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The principal and administrative team continue meeting with families on Monday mornings at the weekly Community Chats
The principal and administrative team will continue to be visible and accessible to all familes.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Continue tracking family attendance at weekly Community Chats

Work with the SLT to track family satisfaction with communication with the principal and adminstrative team

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Weekly Community Chats will continue to hold space for any family to voice any questions or concerns about any topic that impacts the entire school	

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The 24-25 attendance rate was 94% and the chronic absenteeism rate was 13% in June 2025.	Engaging learning at the school has kids wanting to come to school daily, even if they are sick.	Continue planning engaging lessons
	The chronic absenteeism rate decreased throughout the year due to the Attendance Committee's work to reduce this percentage.	Continue to communicate and kindly hold parents accountable to bringing their kids to school day

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	13%	By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 3%, from 13% to 10%, as measured by the Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The Attendance Committee will continue to meet weekly to track chronic absenteeism rates. Individual families will continue to be contacted by classroom teachers as Tier 1 intervention, the Parent Coordinator as Tier 2 intervention, and by the Principal as Tier 3 intervention as well as receive a home visit by the Attendance Teacher. Monthly attendance reports will continue to be sent home to all families so that they can track their own children's attendance.

Root Cause Addressed:

The chronic absenteeism rate decreased throughout the year due to the Attendance Committee's work to reduce this percentage.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Attendance Committee will continue to meet weekly to track chronic absenteeism rates. Individual families will continue to be contacted by classroom teachers as Tier 1 intervention.
Individual families will continue to be contacted by the Parent Coordinator as Tier 2 intervention.
Individual families will continue to be contacted by the Principal as Tier 3 intervention as well as receive a home visit by the Attendance Teacher.

Monthly attendance reports will continue to be sent home to all families so that they can track their own children's attendance.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Through the IEP review process, as outlined the district administrator for special education, we found that sections of our IEPs could be strengthened.	Students' and families' voices were missing from PLOPs.	IEP Development and Fidelity of Implementation
		Transition Planning and Compliance

		Referral Process and Equity
		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	0%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Including students' and families' voices in PLOPs by a 50% Increase, from 0% to 50%, as measured by Review of IEPs.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

As directed by the district administrator for special education, the SBCSE and ILT will conduct reviews of specific IEPs throughout the school. We will identify areas of strength and growth.

Root Cause Addressed:

PLOPs are written with a lot of quantitative data but can lack qualitative data.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Review IEPs with the SBCSE and ILT
Review IEPs with grade-band teams
Review IEPS with co-teaching teams and co-develop the PLOP section with student's and family's voices included

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

After meeting with teams, the SBCSE and ILT will review newly update PLOP sections to ensure that student and family voices are reflected.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
11/03/2025	11/21/2025	Facilitate meetings for families whose children have IEPs to review IEP sections that have been strengthened, such as the PLOP which will have student and family voices reflected.	
03/02/2026	03/20/2026	Facilitate meetings for families whose children have IEPs to review IEP sections that have been strengthened, such as the PLOP which will have student and family voices reflected.	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Principal, administrative team, teachers

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 reading intervention	Any student whose reading level is 1 level below grade-level expectation for that time of year, according to the Fountas & Pinnell leveled-reading system.	Sound Partners (small groups with a paraprofessional) i-Ready (individual)	Small group of no more than 6 students	During and after-school	Sounds Partners: No i-Ready: Yes
Tier 3 reading intervention	Any student whose reading level is 2 or more levels below grade-level expectation for that time of year, according to the Fountas & Pinnell leveled-reading system.	Sound Partners: one-on-one intervention in phonics and phonemic awareness (individual or small group with a teacher) i-Ready	Small group of no more than 3 students	During and after-school	Sounds Partners: No i-Ready: Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 social-emotional support	Any student who demonstrates consistent difficulty socializing in a classroom as reported by the classroom teachers for at least 3 consecutive weeks AND/OR receives a T-score between 30-39 and is in the NEED descriptive range as measured by the DESSA	Friendship group	School social worker works with small groups of no more than 6 students	Lunch times	No
Tier 3 social-emotional support	Any student who demonstrates consistent difficulty socializing in a classroom as reported by the classroom teachers for at least 6 consecutive weeks AND/OR receives a T-score of 29 and/or less and is in the NEED descriptive range as measured by the DESSA	One-on-one support or smaller group	School social worker works individually or with small groups of no more than 3 students	Lunch times and pushing into the classroom	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Our school's MTSS's components will be shared with families at our weekly Community Chats and in individual meetings to better explain our system if their children are receiving interventions.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families will receive a starting point, midpoint letter and an end-of-cycle letter as their kids engage in 8-10 week cycles of interventions.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are involved in meetings with teachers and either the principal or AP when it is time to review a child's progress at the end of a Tier 3 cycle.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Total of 18 children living in temporary housing:
- 14 are doubled up
- 2 live in a shelter
- 2 live in a hotel/motel

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Families in temporary housing tend to be late to school or absent the most. The reasons have ranged from lack of proper clothing to fear of abduction by ICE. The trends have informed our work with our school's PTA to provide families in temporary housing support from other families in the form of bringing their kids to school, meeting up over the weekend to share resources, and other family-developed initiatives.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Our Parent Coordinator and Social Worker will work together to ensure that our families in temporary housing have access to food, clothing, and medical care. Our team will do this by connecting our families to community organizations and clinics that work with families in similar situations.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

0

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. The Castle Bridge School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

The Castle Bridge School will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

The Castle Bridge School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

In order to enable all students to meet state standards, we will rely on the Instructional Leadership Team (ILT) to shape the adult learning at Castle Bridge in order to meet our annual goals. With an understanding that learning impacts different people in different ways, the ongoing professional learning will be differentiated for teachers, paraprofessionals, out-of-class educators, and office team members.

Our area of concentration is reading and our dual-language program. We want to ensure that all of our students are developing efficient and flexible reading strategies and skills in order to strengthen themselves and work in both English and Spanish. In order to reach out annual goals in reading and math, we need our students to develop or strengthen their work as readers.

We will engage in professional learning in different ways. Team meetings, including grade-level teams, will meet frequently each biweekly to discuss pertinent agenda items and to engage in discussions of our curriculum, teaching, and learning. Based on student work and trends that emerge in the classroom, the grade-level teams will make decisions about interventions and other supports for students across all of our classrooms. The principal will also meet with classroom co-teaching teams to discuss specific students and trends in their classrooms and offer coaching with a focus on reading (decoding, fluency, and/or comprehension). When the entire staff comes together for professional learning, we will use protocols and break into small groups to experience different tools to teach reading (e.g., close reading of texts, guided reading groups, and/or synthesizing across texts). By engaging in the work of reading, the staff at Castle Bridge will be better to (re)create the experience of engaging in reading in all of its dimensions with our students.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

We have one Pre-K class at Castle Bridge and find it easy for our Pre-K students to transition to the K/1 classrooms since the routines, songs, and curriculum flow from Pre-K to Kindergarten.

The transition for children from other preschool programs to Castle Bridge requires more planning. Logistically, these program share records and other student information with us. We also invite parents of preschool students from other programs in the spring so that they get a sense of the community at Castle Bridge. They are also able to meet the K/1 teachers and ask questions about the upcoming school year; they usually stay in touch over the summer to field any questions from the preschool families.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$124,474.00	X	Section 5C: Action Plan Section 6: Multi-Tiered Systems of Support (MTSS)
Title I, School Improvement 1003(a)	Federal	$0		
Title II, Part A	Federal	$0		
Title III, Part A	Federal	$12,000.00	X	Appendix 3: Title III (LEP) Application
Title III, Immigrant	Federal	$0		
Title IV, Part A	Federal	0		

Students in Temporary Housing (STH)	Federal	$30,007.00	X	Section 5C: Action Plan

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	David Rosas
Assistant Principal (Where Applicable)*	N/A
English as a New Language (ENL) Teacher*	Samantha Diaz
Teacher (if school has a bilingual program must be a bilingual teacher)*	Ana Lopez
Parent/Guardian*	Elizabeth Rusch
Teacher	Julie Donnadieu
Parent Coordinator	Crystal Williams
School Counselor	Ines Gonzalez
Related-Service Provider	Solanyi Fermin
Parent Guardian	Ted Recitas
Parent/Guardian	Cesar Martinez

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

0

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

13

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

11

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

175

Total number and percentage (%) of current ELLs:

51 (29.1%)

Total number and percentage (%) of former ELLs:

1 (0.6%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

40 (78.4%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

11 (21.6%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

28 (54.9%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	ICT	Spanish	2012	1.5	1.5	1.5	1.5	1.5	1.5								9.0
DLBE																	0
DLBE																	0
				total: 1.5	total: 1.5	total: 1.5	total: 1.5	total: 1.5	total: 1.5	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

N/A

Integrated ENL:

Since all of our current classes are part of the dual-language program in our school, bilingual-certified teachers provide integrated services to entering, emerging, transitioning, expanding and commanding/Former ELLs students in the classroom. For instructional and programming purposes, students in the same grade level travel together as a group (block and graded) with a mix of proficiency levels in one class (heterogeneous).

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

Our Dual-Language Program utilizes the roller coaster model in mixed-grade classrooms (K/1, 2/3, and 4/5), fostering an immersive bilingual learning environment. Instruction is split equally between English and Spanish, with each language being used 50% of the time. This approach creates a balanced classroom where half of the students are English proficient, while the other half are Spanish-dominant, encouraging rich, peer-driven language interactions.

The classrooms are intentionally heterogeneous, with varying proficiency levels in both English and Spanish, which promotes cooperative learning and peer support. Teachers work in close collaboration, ensuring that all students receive targeted support. Bilingual-certified teachers provide both standalone and integrated services within the classroom, ensuring that ENL (English as a New Language) students receive tailored assistance to succeed in both languages.

ENL services are provided in our DL classes by the classroom teacher in the following classrooms: Maples (K/1) Elizabeth Rusch, Mulberry (k/1) Andrea Fonseca, Oaks (k/1) Geronimo Salazar, Kapok (2/3) Samantha Diaz, Birch (2/3) Jimmy Cruz, Linden (2/3) Julie Donnadieu, Aspen (4/5) Norah Olivo and Sequoia (4/5) Ana Lopez.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

In our Dual-Language Program, we ensure that mandated instructional minutes are met by providing explicit support in ENL, ELA, and HLA through the integration of Social Studies and Science content areas. Dual-language teachers are required to incorporate English instruction daily within these content areas to address the diverse language needs of students. In addition, ELA instruction is embedded throughout the daily schedule, including time dedicated to reading, writing, and mathematics.

Because all students remain with their bilingual-certified teachers throughout the day, they consistently receive more than 360 minutes of instructional support for ELL students at the entering and emerging levels, and more than 180 minutes for ELL students at the transitioning and expanding levels, ensuring comprehensive language development and content mastery.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

All of our classes are part of the Dual-Language Program, where bilingual-certified teachers deliver both standalone and integrated services to students at all proficiency levels, including entering, emerging, transitioning, and former ELLs. These services go beyond the mandated instructional minutes outlined in CR Part 154, ensuring that each student receives comprehensive support tailored to their language needs. HLA (Higher Language Acquisition) instruction is seamlessly integrated across all content areas every day, reinforcing language development within meaningful academic contexts.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our Dual-Language Program in our school consists of self-contained classes that use the roller coaster model. Instruction is delivered 50% of the time in English and 50% in Spanish. In this model, approximately half of the students are English proficient and the other half is Spanish dominant. The classrooms are heterogeneous in proficiency levels in both English and Spanish. All teachers work collaboratively with the classroom teacher to support ENL students. Our English-proficient students and emergent bilingual learners (EBLs) are integrated for 100% of the instructional day except when our EBLs receive their ENL services.

b. In which language(s) is each core content area taught?

In our Dual-Language Program roller coaster model, students receive all content areas in both English and Spanish. Some of the instructional approaches and methodologies used to make content comprehensible and to enrich language development are visual support, cooperative learning groups, vocabulary building support, thematic approaches, The Language Experience Approach, project-based learning, and differentiated instruction. These approaches and methodologies are incorporated on a daily basis to meet the needs of English Language learners based on their language and academic needs.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

78.4%

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0%

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0%

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

0.6% of our students are former ELLs.

* Castle Bridge is a dual language school (English/Spanish) using the rollercoaster mode, 50% of our instruction is in Spanish and the other half in English; which supports ELL students.

* Culturally responsive practice: Leveraging home language practices and using translanguaging as a resource.

* Strategic pairings and groupings.

* Exploring linguistic demands of content.

* Building metalinguistic awareness.

* Planning and teaching with language objectives.

* Scaffolded tasks.

* Technology for input and output.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The 2025 at-risk indicators impacting the greatest number of ELLs are: Newcomer ELLs with less than 3 years of ELL services (78.4%), ELLs in Temporary Housing (31.4%), and ELLs not demonstrating sufficient ELP progress (39.2%).

The 2024 at-risk indicators impacting the greatest number of ELLs are: Newcomer ELLs with less than 3 years of ELL services (80%), ELLs in Temporary Housing (28%), and ELLs not demonstrating sufficient ELP progress (50%).

When examining the at-risk indicators impacting ELLs, the data from both 2024 and 2025 show consistent patterns. The most prevalent risk factor is being a Newcomer ELL with less than 3 years of service, affecting over 78% of students each year. This indicates that many ELLs are still in the critical early stages of language acquisition and adjustment, requiring targeted supports.

Another ongoing concern is the high percentage of ELLs not demonstrating sufficient English language proficiency (ELP) progress, rising to 50% in 2024 and then decreasing to 39.2% in 2025. While this drop may indicate some improvement, it still represents a substantial challenge and suggests a need to assess the effectiveness of instructional supports and language interventions.

Lastly, the percentage of ELLs in temporary housing remains significant, increasing slightly from 28% to 31.4%, which points to the intersection of language learning and housing insecurity. These overlapping vulnerabilities can intensify barriers to academic success and stability.

The data show persistent and overlapping risk factors—particularly for newcomer status, housing instability, and limited language progress—emphasizing the need for integrated, responsive supports at both the instructional and systemic levels.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

When comparing the data to the one from the previous school year (2023-24 v. 2024-25), we can say that:
The % of Newcomer ELLs in the CSD6 has decreased by approx. 2% points (80% to 78.4%);

The % of ELLs in Temporary Housing has increased by approx. 3%; (28.0% - 31.4%)

The % of ELLs not demonstrating sufficient ELP progress has decreased by 11 points from 50% to 39.2%.

When it comes to “state test related” at-risk indicators, the % of ELLs scoring at level 1 or 2 in SY23-24 increased from 4.0% to 7.8% in ELA. (It increased 3%)

When it comes to “state test related” at-risk indicators, the % of ELLs scoring at level 1 or 2 in SY23-24 decreased from 4.0% to 3.9% in MATH. (It decreased by 0.1%)

However, this % increases by 2% when considering two consecutive school years of performance (approx. 2% in both ELA and 2% MATH).

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

At Castle Bridge School (06M513), the dominant home language among ELLs is Spanish, representing 96% of the ELL population for two consecutive years. A very small percentage of students speak Tadzhik (4%), indicating a highly Spanish-dominant ELL community.

To support communication and learning that values these home languages, the school has several structures in place:

Bilingual staff: Most staff is Spanish-speaking, allowing for more fluid, culturally responsive communication with families.

Translated materials and communication: All school notices, announcements, and family-facing materials are provided in Spanish, ensuring accessibility.

Family engagement practices: Events and meetings are held in Spanish or with interpretation, allowing families to participate fully in their child’s education.

Language equity philosophy: The school fosters a culture that views bilingualism as a strength, and encourages home language use as a bridge to academic success.

These efforts reflect a commitment to valuing and sustaining students' linguistic and cultural identities, especially given the overwhelming representation of Spanish-speaking families in the school community.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

As per information provided by families during the enrollment process, 98% of our current ELL families identify themselves as Hispanic ELLs.

Within the Hispanic ELLs, the top 3 categories in the 2024-25 Ethnicity Breakdown are: 10% Hispanic Black; 26% Hispanic White; and 58% American Indian. This is similar to the top 3 in the ethnicity breakdown in SY 2023-24 with 6.1% Hispanic Black; 24.5% Hispanic White; and 61.2% American Indian.

The top ethnicity breakdown of the Non-Hispanic ELLs in SY 2024-25 is: 100% Non-Hispanic White. This data was the same for the last two consecutive years.

At Castle Bridge 06M513, ELLS are included in planning and delivery CR-SE Inclusion by implementing a curriculum includes diverse histories and perspectives. Student voice is uplifted through storytelling and identity-based projects. Family engagement is bilingual and culturally responsive. Staff training emphasizes the intersection of language, race, and identity. These strategies ensure ELLs are seen, heard, and included in culturally sustaining ways.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

According to NYSESLAT results, the percentage of ELLs exiting ELL status using ELP Method 1, dropped from 3.6% in 2024 to 0% in 2025. This decline suggests that while some students are making progress (as seen in ELP Method 2), no students fully met the criteria to exit ELL services this year. This may indicate a need to reassess support structures, instructional strategies, or the alignment between classroom instruction and assessment expectations.

The percentage of ELLs meeting their annual English Language Proficiency (ELP) growth targets using Method 2 tripled from 7.1% in 2024 to 23.1% in 2025. This significant increase suggests that students who are meeting their annual targets are making the most measurable language development progress. It highlights the importance of targeted supports and progress monitoring in helping ELLs achieve steady, meaningful gains in English proficiency.

Although the percentage of ELL students not meeting ELP progress targets (across all three methods) decreased by 12.4%—from 89.3% in 2024 to 76.9% in 2025—the majority of ELLs in our school are still not meeting state targets. This indicates progress, but also underscores an urgent need for stronger, more targeted language development supports.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Proficiency Level Results

From 2023 to 2024, no students exited ELL status (dropping from 2.8% to 0%). Despite this, NYSESLAT performance data shows progress overall:

Transitioning-level ELLs remain the largest group (rising from 30.6% to 41.7%)
Expanding-level ELLs increased from 13.9% to 22.2%
Emerging-level ELLs decreased significantly from 41.7% to 22.2%
Entering-level ELLs rose slightly (11.1% to 13.1%), now the smallest group

While more students remain in ELL services, these shifts suggest positive movement across proficiency levels; especially growth from emerging to transitioning and expanding; indicating steady progress in English language development.

Points to Next Proficiency Level

2024 NYSESLAT results indicate that 12.5% (1) of the expanding level ELLs were between 1 to 10 points away from scoring commanding while 37.5% (3) were less than 20 points away from scoring commanding and exiting their ELL status. These are the students that are closer to reaching English proficiency and exit their ELL status. Additionally,6.6% (1) of the ELL students who scored at the transitioning level were 10 or less points away from scoring expanding.

Modalities of Strength
Based on the 2024 NYSESLAT results, 31% of the ELLs in our school scored HIGH (90% or more questions correctly) in the speaking modality. This is three times the percentage of ELLs scoring HIGH in listening (8%), more than five times the percentage of ELLs scoring HIGH in reading (6% and more than the percentage of ELLs scoring HIGH in writing (0%).

Speaking is the strongest modality for ELLs in this school, with 31% of students scoring HIGH. This suggests that students may find speaking tasks more manageable or that they have developed stronger oral communication skills.

Listening, Reading, and Writing all show much lower percentages, especially writing, which has no students scoring HIGH at all (0%). This could indicate a significant struggle in writing skills, which aligns with the general observation that writing often tends to be a more challenging modality for ELLs.

Disparity Between Modalities: The gap between speaking (31%) and the other modalities (listening, reading, writing) is substantial.
The fact that speaking is three times higher than listening, five times higher than reading, and significantly higher than writing suggests that oral proficiency is a stronger skill among the students compared to their academic literacy (reading and writing).

Modalities of Need
Not only do fewer ELLs score HIGH in writing, but there is also a significant number of students scoring LOW (15% or fewer questions answered correctly) in this modality. According to the 2024 NYSESLAT results, 0% of ELLs in our school scored HIGH in writing, highlighting a major challenge in this area. Many ELLs are struggling significantly with writing, as no students achieved 90% or more correct.

While speaking is the modality where the highest percentage of ELLs scored HIGH, it is also the second modality with the largest percentage of students scoring LOW. As per the 2024 NYSESLAT results, 28.7% of ELLs scored LOW in speaking, meaning almost a third of students answered 15% or fewer questions correctly.

In particular, grades 1 through 5 have the highest percentages of ELLs scoring LOW in speaking, indicating that these early grade levels may need additional support to improve speaking proficiency. Despite speaking being a relative strength, the gap for these grades points to an area for growth, and targeted interventions might be essential to help students strengthen both their speaking skills and overall academic performance.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

ELA

In 2024, 6% (2 students) of all ELLs—including students who scored commanding on the 2024 NYSESLAT—scored a level 1 on the ELA state test. This percentage is unchanged from 2023, when 6% (2 students) also scored at level 1.

0% of expanding or commanding-level ELLs scored proficient (levels 3 or 4) on the 2024 ELA state test—a trend consistent across the past two years.

In 2023, 13.9% (5 students) scored within the commanding range on the NYSESLAT. Of these, 3 students were within 20 points and 2 within 10 points of the commanding cutoff. In 2024, 22.2% (8 students) reached the commanding range but were more widely spread across the 60-point scale.

Despite exiting ELL status, all students in the commanding group scored at level 1 or 2 on the 2024 ELA test. Additionally, 2 transitioning-level students scored a 1, and 2 expanding-level students scored a 2, indicating that while students may be progressing in English proficiency, they still face challenges meeting grade-level standards in ELA. The data shows a gap between English proficiency and academic performance. Even as more students reach the commanding level on the NYSESLAT, many still score low on the ELA test—showing they aren't yet meeting grade-level expectations. This suggests that exiting ELL status doesn't mean students are fully ready for academic demands. Continued support is needed after ELL services end to bridge the gap between language skills and academic achievement.

MATH

In both 2023 and 2024, only 0.36% (1 student) of ELLs scored a level 1 on the Math state test, including those who had reached the commanding level on the NYSESLAT. In 2023, one student at the expanding level scored a 1, and one transitioning-level student scored a 2. In 2024, the pattern reversed slightly: one transitioning-level student scored a 1, and one expanding-level student scored a 2.

This suggests that the number of ELLs performing at the lowest level in math remains low and consistent, showing no significant decline in math performance. Math performance among students at the expanding and transitioning NYSESLAT levels varies somewhat, but instances of very low achievement are uncommon. This indicates that ELLs may face fewer barriers in math than in ELA, or that supports in math are more effectively helping ELLs maintain at least basic proficiency. It also reinforces the importance of maintaining targeted support for ELLs in math, particularly as they move through different language proficiency levels.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

IEP:
In SY 2023-24, 58.3% of ELLs had an IEP. This is an increase by approx. 3 percentage points when compared to SY 2022-23 (55.5%);
33.3%, 42.8% and 14.3% of ELLs with IEP scored at the emerging, transitioning, and expanding proficiency level respectively in the 2024 NYSESLAT exam.
0% of the ELLs with IEP scored commanding in the 2024 NYSESLAT exam.

SIFE
0% of ELLs are SIFE. This is a decrease of 2.8 percentage points when compared to SY 2022-23 (2.8%); in the Spring of 23, our only SIFE student was at level entering.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

In our Dual-Language Program, mandated instructional minutes are met through providing explicit ENL, ELA, and HLA instructional support through the content areas of Social Studies and Science. Dual-language teachers are required to incorporate English instruction through the content areas on a daily basis in order to meet the language needs of students. ELA instruction is also incorporated into the daily schedule through reading, writing, and mathematics time blocks.

Since all kids are with their bilingual-certified teachers all day, they receive more than the 360 minutes for ELL students at the entering and emerging levels and more than 180 minutes for ELL students at the transitioning and expanding levels.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school's instructional design includes the assets and strengths that our kids, families, and their communities bring to Castle Bridge. We know that what our kids have learned at home and in their communities has prepared them to navigate their realities. We work with these assets and strengths -- be it language, dialects, vernaculars -- in considering how to best move forward instructionally and pedagogically.

Our ELL students are considered in the instructional design of the school in an ongoing manner. All of our classrooms are dual-language and ICT classrooms so that both teachers can provide responsive support to all students. As we look ahead at the new school year, we use our data from informal and formal assessments to determine how to best support each child's progress.

Our ELL students' proficiency levels are considered as we plan to differentiate our curricular programs. Having our students work in small groups gives us the most impact as teachers can hone in on patterns in learning throughout the classroom. For instance, our ELL students may be split into different small groups based on their specific writing needs, whether it is developing voice or using punctuation.

Core instruction includes the 4 Hallmarks of advanced literacies:
- Engaging Texts - Texts are culturally-relevant and align to our modules in both English and Spanish
- Rich Discussion - Class discussions include protocols to include all kids' perspectives and voices as well as deepening discourse
- Daily Writing - Our kids engage in writing as they respond to text-based prompts and in longer writing projects reflective of longer-term work
- High-Utility Vocabulary Words - Tiered vocabulary is introduced and used specific to the modules in our curriculum

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

The dual-language program in our school consists of the roller coaster model. Instruction is delivered 50% of the time in English and 50% in Spanish. In this model, approximately half of the students are English proficient and the other half is Spanish dominant. The classrooms are heterogeneous in proficiency levels in both English and Spanish. All teachers work collaboratively with the classroom teacher to support our ELL students in an integrated ENL model.

Our instructional approaches and methods foster our children's language development and are informed by the Next Generation Learning Standards. Both require that our ELL students engage in critical thinking and communicating their reasoning. By using developmentally-appropriate tools, our ELL students can express their thinking in multimodal ways to increase their use of language.

Our co-teaching teams are made up of general-education and special-education certified teachers. All of our teachers, except for two of them, are also bilingual-education certified. The majority of our co-teaching teams have two bilingual-certified teachers.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

All core content areas are taught in a hands-on manner, giving our EBLs access to these academic areas. Instruction includes the use of tiered content vocabulary so that our students are supported in learning and applying key-words as they engage in their work. Our technology includes the use of Chromebooks to access websites, such as i-Ready, Zearn, and Epic. Since all classrooms utilize a dual-language model, we use translanguaging as a way for our students to reach grade-level academic expectations in both languages.
We focus on our children's metalinguistic awareness so that their English-language development -- and their home language -- are accelerated. Our students who are EBLs and have an IEP work with their peers in the least-restrictive environments at our school.

b. SIFE

SIFE students are placed in the dual-language program as with all of our students. Our teachers provide small-group instruction to support the students in both their native language and second language. Before an instructional plan is incorporated, teachers assess students in order to plan for the necessary support needed. The instructional plan for SIFE students often incorporates enriching a students' native language through literacy and oral language while also providing exposure to all content areas. Teachers provide opportunities for students to work in partnerships and expose students to life experiences.

c. Newcomers

Newcomer students are in the dual-language program. Newcomer students receive instruction as do all other students. Cognates, word associations, and other language skills are taught. The dual-language program provides support to Spanish speakers. Literature in the students' native language is placed in the classrooms to help support students native language. Our teachers often place students in partnerships, confer with them individually, and help foster peer socialization and support through the use of specific social-emotional activities. Classes use morning meetings as an opportunity for children to share things about themselves in their language of choice (i.e. how they are feeling, what they enjoy, activities outside of academics that they partake in). This helps teachers foster a relationship with the newcomers and help them adjust to their new class/country.

Part of our Tier I program include the Expeditionary Learning modules. Our newcomer ELLs are exposed and introduced to relevant background knowledge according to the module's focus in the first 3-4 weeks as they begin working on the first unit. The modules call for our kids to use rich, culturally-relevant, grade-level literature to support the big ideas of the module.

d. Long Term ELLs

Our ELL students usually reach the "commanding" level on their NYSESLAT within two-three years of instruction. However, those students who require more than six years of ELL services continue to learn in our dual-language program. Our teachers use all of the above-mentioned tools and strategies in addition to developing the kids' confidence and courage to increase their competence in learning English.

This school year, we will add an additional tool to our planning by leveraging teacher teams as they analyze data of our school's long-lerm ELL performance. We will conduct a true peer comparison to determine next steps and support.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

ELL students with special needs in the dual-language program receive the support outlined in their Individualized Education Program (IEP). Al l materials are provided in English and Spanish and grouped by theme with mixed levels of reading level and complexity to allow for access for all and a shared experience with the content materials. Students are assessed regularly and placed into partnerships, strategy groups, and language or other academic needs (depending on their IEP mandates). A variety of manipulatives, visual/audio materials, graphic organizers, hands-on support, and the use of translanguaging also help to accelerate English-language development.

Given our differentiated instruction practice, all of our classes are staffed with two teachers with an additional paraprofessional to provide extra support for students with IEPs.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Our dual-language program in our school consists of the roller-coaster model. Instruction is delivered 50% of the time in English and 50% in Spanish. In this model, approximately half of the students are English proficient and the other half is Spanish dominant. The classrooms are heterogeneous in proficiency levels in both English and Spanish. All of our teachers work collaboratively to support our ELL students. Home-language support is assessed and delivered by the teachers in each classroom. The teacher teams assess our ELLs' reading levels by using the F&P Benchmark Assessment System in Spanish. Our kids then receive guided-literacy instruction in small groups throughout the school week in their home language and English as part of our dual-language program.

We do not have a TBE.

We do not have a standalone ENL program as all of the students receive ELL instruction as well as HL instruction throughout the day as part of our dual-language program.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

n/a

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

In addition to all classroom being dual-language classrooms, each class is also an ICT classroom. Two teachers co-teach throughout each school daily across all content areas. Co-teaching teams meet with the principal every other week. Grade-band teams meet with the principal on alternating week. Professional-learning sessions focus on specific practices selected from the C6 Biliteracy Framework chosen by the Instructional Leadership Team in our work with a dual-language coach from Teaching Matters. When professional learning is split into small groups, one teacher from each co-teaching partnership attends one professional-learning small group and the other co-teacher attends the other group.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our professional-learning plan for 2024-25 is based on high-leverage practices that strengthen our dual-language, ELA, and math instruction. It includes We will have in-house professional development specifically focused on English-language learning for all staff members for a minimum of fifteen percent of the required professional development hours prescribed by CR Part 154, which must be dedicated to language acquisition with a focus on best practices for co-teaching and integrating language and content instruction for all ELL students.

With ELL students in every classroom, we ensure that all of our teachers participate in professional development that is relevant to ELL students.

We will continue to work with our coach from Teaching Matters on the shifts in reading instruction. We are also focusing on the shifts in math instruction internally.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

As mentioned above, we meet the fifteen percent requirement of the required professional development hours prescribed by CR Part 154. All dual-language teachers receive a minimum of fifty percent of their required professional development hours dedicated to language acquisition in alignment with core-content area instruction, including a focus on best practices for co-teaching strategies and integrating language and content instruction for ELL students.

Teachers are encouraged to attend ELL-related professional-development opportunities throughout the school year. Each co-teaching partnership has the opportunity to attend one professional development a month (pre-scheduled with the principal's approval to ensure there is appropriate coverage). Information on the district offerings, RBERN, Bank Street Language Series, and other ELL-specific professional development is dispersed to all staff members via email. Each teacher receives a CTLE/attendance certificate or a meeting agenda sheet that is placed in their file by the payroll secretary in the office.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Castle Bridge is using Fountas and Pinnell Benchmark Systems in both English and Spanish in the K/5 classrooms as well as Acadience in English in grades K-2. The reading assessment for grades 3-5 and math assessment for grades K-2 are administered through i-Ready; the language can be changed to Spanish for children whose home language is Spanish.

Our benchmark assessments help us determine the children's independent and instructional reading levels and determine the lessons for guided reading.

In the K-1 classes, Estrellitas is used to assess the early literacy skills in Spanish for our ELL students. These tools help teachers develop an appropriate instructional program for each student.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

We provide intervention for ELLs in ELA, Math, and other content areas throughout the day as needed.
Classroom teachers work with students in small, differentiated groups in both languages. Teacher partnerships are formed to address the individual needs of targeted students. Both academic and language needs are addressed and supported through a variety of lessons and activities.
Teachers and additional related-service providers provide English and Spanish intervention for students who need additional support in ELA, Mathematics, and all the content areas. Some of the strategies students work on are decoding, comprehension, critical thinking, and expressive language. The intervention provided to students helps develop language acquisition. Students work on grammar/writing, organization, and word-attack skills.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

We use the F&P benchmark reading assessment system, Acadience, and i-Ready as assessments in our school's MTSS. Our ELLs levels and data from the aforementioned assessments guides us determining responsive instruction for our ELLs.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

We are using the Fountas and Pinnell Benchmark System to formatively assess reading progress in K-5. Additionally, the K/1 classes use Estrellitas to formatively assess our students' Spanish. We will also the Acadience and i-Ready academic screeners to give us more information about a child's learning. Finally, teachers create a multitude of formative assessments that yield plenty of information about a child's learning progress.

All of these assessments give us data that is then used to inform and drive instruction, curriculum, and learning at Castle Bridge.
Teachers meet in grade-level teams to discuss student work, trends that manifest across student learning, and reflections on the curriculum being used. Our teams then discuss any revisions to our curriculum and/or interventions that need to be put in place to support our students. For instance, a specific unit may be challenging for our students in math and so a daily math routine will be put into action to support our students' skill or strategy practice.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Since we use a dual-language model at our school, our ELL students are appropriately evaluated in their home languages throughout the year to monitor their home languages. Our Spanish-speaking students receive assessments in Spanish as they engage with grade-level content. Our teachers use both English and Spanish to note what understandings our students are developing reading, writing, math, science, and social studies. For instance, our students will produce writing pieces in both languages and participate in writing conferences with their teachers that focus on their strengths and areas of growth in the language used at that time.

Upon registration, our kids' home languages are assessed by using the Kindergarten Questionnaire for our youngest kids. The rest of our kids are assessed using the ELL Identification Process, which includes the Home Language Identification Survey.

Additionally, our dual-language program allows for consistent progress monitoring in both English and Spanish by analyzing student work, reviewing formative assessments (i.e., quizzes), and summative assessment (i.e., unit assessments) in both languages.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The success of the programs implemented at Castle Bridge for our ELL students is evaluated through an analysis of the NYSESLAT and periodic review of students' reading levels using Fountas and Pinnell Benchmark System, Acadience, and i-Ready.

Spanish summative assessments include unit assessments gleaned from the Expeditionary Learning modules for ELA and Eureka Math.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our NYSESLAT administration plan will be executed by the following individuals:

David R. Rosas, Principal
Antonia Bendezu, Bil/SPED teacher
Samantha Diaz, Bil/SPED teacher
Ana Lopez, Bilingual teacher

Our ELL students and former ELL students will continue to receive mandated services during the testing period through our dual-language program in all classrooms.

Members of our school community are notified of the NYSESLAT administration period through communication from the principal and testing coordinator. A weekly email is sent out to both families and staff, summarizing important school events.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

In co-teaching team meeting with the principal, we determine what accommodations our ELLs will receive for state exams. We consider their NYSESLAT level, reading data, and the teachers' observations about how our ELLs best work daily in their classrooms.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

During the registration process, after administering the HLIS and conducting a student interview, families are provided with a device to view the NYS video that explains the various ELL program models in their preferred language. A certified teacher is present to answer any questions, explain the benefits of each program, and guide families through the information.

In addition, the teacher reviews the families' rights and explains the state assessments that students will be required to take annually. Following this, the Parent Survey and Program Agreement form are administered. Attendance is also recorded at this time to ensure accurate documentation.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Annual Meetings are conducted throughout the year. Teachers use the allocated parent engagement time to schedule meetings with parents of ELLs and communicate students' language progress. NYSESLAT results are

reviewed during this meeting, with an emphasis on the growth achieved in each of the language modalities (speaking, listening, reading, and writing). Attendance is taken.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

We use the School Messenger app to send all emails to our families -- each family receives messages in their home language. In addition to email, families receive texts in their home language as well. All families have the principal's cell number and can communicate with him in English and Spanish, the two prevalent languages at Castle Bridge. In sum, all communication is sent home in English and Spanish.

The weekly Community Chats, a meeting for families facilitated by the principal and Parent Coordinator, take place in English and Spanish as well.

The Language Translation and Interpretation Office is contacted for languages other then English and Spanish.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our school fosters empowerment for families of ELLs. We review the NYC School Survey data before the school year begins to know how to focus our efforts. The principal is present at arrival 3 times per week and at dismissal each day to communicate with all families. Spanish-speaking families do not need a translator since they can speak with the principal directly.

With the increase of newcomers and kids living in temporary housing, our school's Family Association helped in setting up our Community Fridge, Community Pantry, and Community Closet. Families who need food and/or clothes can visit our commiunity area in our small cafeteria at any time to shop and take what they need.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our newly elected School Leadership Team members and Family Association executive board include parent of ELL kids. The principal, Parent Coordinator, and teacher encourage Spanish-speaking parents to participate in these roles through conversations. The executive board of the Family Association also encourages Spanish-speaking parents to take on leadership roles to bring their perspectives to important conversations.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We work with a number of CBOs that support the needs of our school community. These include:
- NY Presyterian's School-Based Mental Health Program

- Scribble Arts
- Brotherhood Sister Sol
- Senator Jackson's office
- Council Member Carmen De La Rosa's office

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

We use the steps outlined in our ELL Identification Process at registration and thereafter. The LAP team, which includes teacher across grade bands, and the principal are involved in the ELL identification process.

We use the RLAT report from ATS to determine our returning ELLs and transfers ELLs NYSESLAT levels. For those kids who scored below the commanding level, the school sends the Continuation of Services letter to the families. For those who score at the commanding level or expanding level and proficient on the NYS ELA exam, the school sends the Exit letter within 5 days of the first day of school. The principal and Parent Coordinator manage these letters.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The ELL Identification Process, year-round, includes eight mandated steps for all students enrolling in grades K-5 including:
• the administration of the Home Language Identification Survey (HLIS) by qualified personnel
• a mandated documented individual interview with the student and parent to determine the student's home language, including a review of the student's abilities and/or work samples
• determination of eligibility to take the New York State Identification Test for English Language Learners (NYSITELL)
• For incoming students with an IEP, this includes convening respective Language Proficiency Teams (LPTs) and completion of the NYSITELL determination form
• the administration of the NYSITELL to eligible students, and
• the administration of the Spanish Language Assessment Battery (Spanish LAB) to newly identified ELLs whose home language is Spanish
• Parent notification and parent orientation in their preferred language

- Placement into an ELL program, which is dual language at our school

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

David R. Rosas

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
David	Rosas	Assistant Principal 12 Month		
Ana	Lopez	Teacher - Regular Grades		
David	Rosas	Teacher		
Crystal	Williams	Parent Coordinator - Annual		

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ENGLISH	199	71.58%	196	70.76%	43	43
SPANISH	79	28.42%	81	29.24%	34	36

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Castle Bridge Family Handbook	Staff members translate, revise, and edit as from English to Spanish
Castle Bridge After-School Family Handbook	Staff members translate, revise, and edit as from English to Spanish
IEPs	Translated by Central
Parent flyers	Staff members translate, revise, and edit as from English to Spanish
Family Weekly Word	Principal writes his weekly newsletter to families in both languages

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent	How do you plan to offer interpretation services? Please outline the procedures

workshops, PTCs)	and resources in place to ensure timely access to interpretation for parents.
New Family Orientation	Principal facilitates in both languages and translates for any presenters who only speak English
Weekly Community Chat (family meeting with the principal)	Principal facilitates in both languages and translates for any presenters who only speak English
Back-to-School Night	Teachers facilitate in both languages
Family Conferences	Teachers facilitate in both languages

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

- We use the DOE Messenger app and translate to Spanish so that all families receive communication in their home language, in an emergency and at other times.

- Our staff in the office is bilingual and can speak with a parent in their home language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

The staff will use the Other Professional Work time to complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform to become familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. The Galaxy-designated LAC will disseminate future language access resources and updates to all staff members at professional-learning meetings and

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

The school will inform parents about available language assistance services in their home language by using:
- Translated signage
- Flyers and letters shared with parents
- Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)
- Messaging applications
- Language Access for NYC Public Schools Families brochure

We will also include this information in the school's Family Handbooks for 2025-2026.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

I will gather feedback from parents regarding the language assistance services they receive in their home language through our weekly Community Chats (family meetings), by having our school's Parent Coordinator available daily at arrival and dismissal, and through the PTA's leadership team who meets with me weekly on Friday. Teachers will also share any feedback that they receive from families.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

The school has consistently communicated verbally and in written form in both English and Spanish. We take feedback from families and internally assess what other updates we can make.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

39

Grades to be served in this program. Select all that apply.

,2,3,4,5

Total number of teachers in this program:

2

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

2

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

As a dual-language school, we celebrate children's native language and understand the need for English-language acquisition and
development. Our Title III after-school program will focus on both English and Spanish in order to maintain and improve academic
native language as well as academic English language.

Our program will target our ELL students and former ELL students in grades 2-5 who have not yet met the commanding level on the NYSESLAT and other ELL students who need additional support in Spanish academic language skills based on in-class assessments. The program will meet on Wednesdays and Thursdays beginning in January 2026 and ending on May 2026. It will run from 3:30 pm-5:30 pm for 40 sessions. Two bilingual-certified teachers will administer the program. Children will rotate through two learning sessions (30 min each): one session will focus on Music and Storytelling and the other session will focus on Physical Education, Movement, and Health. All purchased materials will be solely for the Title III After-School Supplemental program for its duration.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Spr 24 NYSESLAT: 21% scored entering, 21% emerging, 38% transitioning, 19% expanding, 0% commanding
- transitioning is the highest group across 3 years

Spr 23 NYSESLAT
- 4% of kids met progress by exiting ELL status
- 7% met annual progress target
- 0% met the safe harbor target
- 89% did not make ELP progress

Spr 22 NYSESLAT
- 21% of kids met progress by exiting ELL status
- 0% met annual progress target
- 0% met safe harbor targets
- 79% did not make ELP progress

An immediate noticing is that there was 10% growth in our ELLs not meeting ELP growth from 79% to 89%. As

mentioned above, this requires intervention and progress monitoring throughout the school year by our team.

Spr 23 NYSESLAT: 11.1% scored entering, 41.7% emerging, 30.6% transitioning, 13.9% expanding, 2.8% commanding/tested out
- transitioning and emerging have been the highest groups across 2 years
- 2 s's scored less than 10 points from the commanding level to test out
- 14 emergent s's who are less than 10 pts to reaching transitioning

Modality
- 2.7% of ELLs who took the NYSESLAT scored highly (answered 90% or more of the questions correctly) in reading, listening, and speaking
- 5.5% of ELLs who tool the NYSESLAT scored highly in writing
- Spr 22: 12.5% of kids scored high in speaking (drops to 2.7%); 0% scored high in writing (increased to 5.5%)
- areas of need (scored low >15% of q's answered correctly): NYSESLAT 23 - 5.5% scored low in rdg; 22% low in writing; 8% low in listening; 17% low in speaking
- comparison: NYSESLAT 22 - writing 12.5% low (increased by 10% in 23); 6.2% in speaking (incr by 11%);

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

All ELL kids in grades 2-5 in the 25-26 school year will be served in two groups: children at the entering and emerging proficiency levels (16 students) and children at the transitioning and expanding proficiency levels (23 students).

Newcomers ELLS registration rate increased from 74.1% (Spr 23) to 80% (Spr 24)

ELLs in STH increased from 14.8% (Spr 23) to 28% (Spr 24)

ELLS who did not make ELP progress increased from 35.2% (Spr 22 NYSESLAT) to 50% (Spr 2023 NYSESLAT)

As can be seen above, at-risk levels increased in three areas that affect our ELL kids. From Spr 23 to Spr 24, we enrolled more newcomer kids who were also identified as kids living in temporary housing. Both of these percentages increased.

An increase that requires intervention is the percentage of ELLs who have not made ELP. Upon analysis, we noticed that we had ELLs remain at the same level; a few of our kids regressed to an a earlier level as well.

Newcomers: 80%

The instruction provided to Newcomers differs from that provided to developing and long-term ELLs since there is a

focus on ensuring the child can speak and listen in any language. Once that is established, instruction in English begins to build the child's speaking and listening in English.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

As a dual-language school, we celebrate children's native language and understand the need for English-language acquisition and
development. Our Title III after-school program will focus on both English and Spanish in order to maintain and improve academic
native language as well as academic English language.

Our program will target our ELL students and former ELL students in grades 2-5 who have not yet met the commanding level on the NYSESLAT and other ELL students who need additional support in Spanish academic language skills based on in-class assessments. The program will meet on Wednesdays and Thursdays beginning in January 2026 and ending on May 2026. It will run from 3:30 pm-5:30 pm for 40 sessions. Two bilingual-certified teachers will administer the program. Children will rotate through two learning sessions (30 min each): one session will focus on Music and Storytelling and the other session will focus on Physical Education, Movement, and Health. All purchased materials will be solely for the Title III After-School Supplemental program for its duration.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

As a dual-language school, we celebrate children's native language and understand the need for English-language acquisition and
development. Our Title III after-school program will focus on both English and Spanish in order to maintain and improve academic
native language as well as academic English language.

Our program will target our ELL students and former ELL students in grades 2-5 who have not yet met the commanding level on the NYSESLAT and other ELL students who need additional support in Spanish academic language skills based on in-class assessments. The program will meet on Wednesdays and Thursdays beginning in January 2026 and ending on May 2026. It will run from 3:30 pm-5:30 pm for 40 sessions. Two bilingual-certified teachers will administer the program. Children will rotate through two learning sessions (30 min each): one session will focus on Music and Storytelling and the other session will focus on Physical Education, Movement, and Health. All purchased materials will be solely for the Title III After-School Supplemental program for its duration.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Two teachers who are both bilingual-certified and special-education certified.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Music: Bilingual songs used by our Music teacher throughout the school year
Storytelling: Bilingual read-alouds
Physical education, movement, and health: We will purchase read-alouds related to health as well as use physical-education and movement activities

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Attendance is taken weekly and stored in the Main Office

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The professional development program has been created to deepen attention to the structures and systems needed to support Spanish and English literacy and oral language development, particularly in our dual-language school setting. Our Title III Program teachers will receive support covering specific strategies for small-group instruction to be focused on developing academic language skills in both Spanish and English. Turnkey workshops will then be offered to the general staff to build capacity and develop best practices school-wide.
The teachers are continuing to learn and implement the Spalding Phonics approach with particular attention to how this complements Estrellitas. ELL-specific topics covered include but are not limited to: Linguistic Phonics; Multi-Sensory Phonics; Guided Literacy; Second Language Acquisition; Language and Music.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The data that is used to create the goals of the program include scores from NYSITELL, NYSESLAT modalities, ELP progress, ELA assessment & Screener data, and LAB screeners. The patterns that we noted in the past center around our kids' challenges with writing. Although our kids tend to succeed when expressing themselves verbally, their writing tends to be an area of growth for them.

Newcomers ELLS registration rate increased from 74.1% (Spr 23) to 80% (Spr 24)

ELLs in STH increased from 14.8% (Spr 23) to 28% (Spr 24)

ELLS who did not make ELP progress increased from 35.2% (Spr 22 NYSESLAT) to 50% (Spr 2023 NYSESLAT)

As can be seen above, at-risk levels increased in three areas that affect our ELL kids. From Spr 23 to Spr 24, we enrolled more newcomer kids who were also identified as kids living in temporary housing. Both of these percentages increased.

An increase that requires intervention is the percentage of ELLs who have not made ELP. Upon analysis, we noticed that we had ELLs remain at the same level; a few of our kids regressed to an a earlier level as well.

Spr 23 NYSESLAT
- 4% of kids met progress by exiting ELL status
- 7% met annual progress target
- 0% met the safe harbor target
- 89% did not make ELP progress

Spr 22 NYSESLAT
- 21% of kids met progress by exiting ELL status
- 0% met annual progress target
- 0% met safe harbor targets
- 79% did not make ELP progress

An immediate noticing is that there was 10% growth in our ELLs not meeting ELP growth from 79% to 89%. As mentioned above, this requires intervention and progress monitoring throughout the school year by our team.

Spr 23 NYSESLAT: 11.1% scored entering, 41.7% emerging, 30.6% transitioning, 13.9% expanding, 2.8% commanding/tested out
- transitioning and emerging have been the highest groups across 2 years
- 2 s's scored less than 10 points from the commanding level to test out
- 14 emergent s's who are less than 10 pts to reaching transitioning

Modality
- 2.7% of ELLs who took the NYSESLAT scored highly (answered 90% or more of the questions correctly) in reading, listening, and speaking
- 5.5% of ELLs who tool the NYSESLAT scored highly in writing
- Spr 22: 12.5% of kids scored high in speaking (drops to 2.7%); 0% scored high in writing (increased to 5.5%)
- areas of need (scored low >15% of q's answered correctly): NYSESLAT 23 - 5.5% scored low in rdg; 22% low in writing; 8% low in listening; 17% low in speaking
- comparison: NYSESLAT 22 - writing 12.5% low (increased by 10% in 23); 6.2% in speaking (incr by 11%);

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

2 bilingual-certified teachers working in the EBL after-school program

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Sept-June
Wednesdays
33 sessions
7:40am-8:40am

(Each PD involves DL content)

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The professional development program has been created to deepen attention to the structures and systems needed to support Spanish and English literacy and oral language development, particularly in our dual-language school setting. Our Title III Program teachers will receive support covering specific strategies for small-group instruction to be focused on developing academic language skills in both Spanish and English. Turnkey workshops will then be offered to the general staff to build capacity and develop best practices school-wide.
The teachers are continuing to learn and implement the Spalding Phonics approach with particular attention to how this complements Estrellitas. ELL-specific topics covered include but are not limited to: Linguistic Phonics; Multi-Sensory Phonics; Guided Reading; Second Language Acquisition; Language and Music.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

We will engage in text-analysis protocols as we engage with readings, videos, and other experiences, to distill big ideas and practices to infuse into our work at Castle Bridge. The readings, videos, and other experiences will include intervisitations with other schools, leaning on our MLL/ELL folks in the district office, and learning from our own colleagues who have successfully worked with EBLs in their careers.

David R. Rosas, Principal
Cristy Cuellar-Lezcano, Teaching Matters Coach

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Attendance is taken and stored in the Principal's Office.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Our parent-engagement program was created in order to increase parent understanding of how they can support their children's academic growth in literacy and oral language. Based on information gathered by teachers during parent interviews and family conferences, it was determined that a series of literacy workshops would be of most interest and help to our families.

Our Parent Coordinator and Principal will meet with families during the school day and after school to listen to our families and share advice on ways to support our EBLs' literacy development. The Principal and Assistant Principal will join to speak with families who have specific situations or questions that need more attention. These check-ins happened daily in the first six weeks of school and continue to take place as needed.

Depending on families' interest, our Title III teachers will work with parents of EBLs to develop strategies they can use to impact higher achievement in their children's learning, either in Spanish or English, as well as enhance the parents' knowledge of both languages and content being studied in class. When needed, our teachers will translate and interpret for our parents. Topics will include: Reading With and To Your Child; Playing Phonics and Word Games with your child; Using Songs at Home; and Family Story Telling. Our families are notified in the emailed school newsletter as well as through phone communication in their preferred language of communication.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

98% (49/50) of ELL families identify as Latinx

61.2% identify as American Indian (increase from 45.1%)

24.5% identify as White Latinx

8.2% identify as Multiracial

6.1% identify as Black Latinx

1 ELL family identifies as non-Hispanic White

Spr 23 NYSESLAT
- 4% of kids met progress by exiting ELL status
- 7% met annual progress target
- 0% met the safe harbor target
- 89% did not make ELP progress

Spr 22 NYSESLAT
- 21% of kids met progress by exiting ELL status
- 0% met annual progress target
- 0% met safe harbor targets
- 79% did not make ELP progress

An immediate noticing is that there was 10% growth in our ELLs not meeting ELP growth from 79% to 89%. As mentioned above, this requires intervention and progress monitoring throughout the school year by our team.

Spr 23 NYSESLAT: 11.1% scored entering, 41.7% emerging, 30.6% transitioning, 13.9% expanding, 2.8% commanding/tested out
- transitioning and emerging have been the highest groups across 2 years
- 2 s's scored less than 10 points from the commanding level to test out
- 14 emergent s's who are less than 10 pts to reaching transitioning

Modality
- 2.7% of ELLs who took the NYSESLAT scored highly (answered 90% or more of the questions correctly) in reading, listening, and speaking
- 5.5% of ELLs who tool the NYSESLAT scored highly in writing
- Spr 22: 12.5% of kids scored high in speaking (drops to 2.7%); 0% scored high in writing (increased to 5.5%)
- areas of need (scored low >15% of q's answered correctly): NYSESLAT 23 - 5.5% scored low in rdg; 22% low in writing; 8% low in listening; 17% low in speaking
- comparison: NYSESLAT 22 - writing 12.5% low (increased by 10% in 23); 6.2% in speaking (incr by 11%);

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Administrators meet with parents as needed. Title III teachers will meet with families at 5:30 pm on a Wednesday for 30 minutes monthly between February 2026 and May 2026.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Our parent-engagement program was created in order to increase parent understanding of how they can support their children's academic growth in literacy and oral language. Based on information gathered by teachers during parent interviews and family conferences, it was determined that a series of literacy workshops would be of most interest and help to our families.

Our Parent Coordinator and Principal will meet with families during the school day and after school to listen to our families and share advice on ways to support our EBLs' literacy development. The Principal and Assistant Principal will join to speak with families who have specific situations or questions that need more attention. These check-ins happened daily in the first six weeks of school and continue to take place as needed.

Depending on families' interest, our Title III teachers will work with parents of EBLs to develop strategies they can use to impact higher achievement in their children's learning, either in Spanish or English, as well as enhance the parents' knowledge of both languages and content being studied in class. When needed, our teachers will translate and interpret for our parents. Topics will include: Reading With and To Your Child; Playing Phonics and Word Games with your child; Using Songs at Home; and Family Story Telling. Our families are notified in the emailed school newsletter as well as through phone communication in their preferred language of communication.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Castle-Bridge administrators and Title III teachers

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Schools are required to continue to follow Chancellor's Regulation A-663 for the provision of translation and interpretation.

We notify our parents of events through our family listserv, paper copies of flyers in backpacks, and via text using the DOE's Messaging app.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Attendance is taken and stored in the Main Office

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Allocation Amount ($):

$12,000

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	8700	Per-session pay for 2 teachers across 75 sessions each
Purchased services -High quality staff and curriculum development contracts.	0	
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.	3000	
Educational Software (Object Code 199)	300	
Travel	0	
Other	0	
TOTAL	12000
