Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Christine M. Baez	Principal or Designee*	
Jasmine Chandoo	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Fabiola Juarez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
Elizabeth Cardenas	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Erika Juarez	Parent Member	
Floriberta Mendez	Parent Member	
Jazmin Diaz	Parent Member	
Michelle McGuire	UFT Member	
Fiona MacDonald	UFT Member	
Johanna Vasquez	UFT Member	
Silvia Juarez	Parent Member	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

The Evergreen Elementary School values a shared responsibility with the community for the education of all learners. At PS 152, we provide a nurturing environment, to foster rich, equitable, authentic experiences in curricula learning that accommodates the individual needs of students. We strive to build a cooperative link between home, school and the community. Together we are PS 152.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

At PS 152, our vibrant and diverse community is a reflection of the rich cultural tapestry that shapes our school environment. With a total student population of 642, we take pride in our inclusive approach, catering to various needs with 45% of our students identified as Multilingual Learners (MLLs), 24% as Students with Disabilities (SWD), and 26% as Students in Temporary Housing (STH). The demographics reveal that 86% of our students are LatinX, 10% are Black, and the remaining 4% represent a mix of other backgrounds. This diversity not only enriches our learning atmosphere but also poses unique challenges that we embrace as opportunities for growth.

Our commitment to fostering a supportive and positive school climate is greatly enhanced through our strategic partnerships with organizations such as CHAMPS, National Dance Institute, Studio in a School, Seeds to Trees, and Musical IQ. These partnerships are instrumental in providing essential resources that benefit both our students and their families. They have played a crucial role in improving overall school dynamics, offering family services, enhancing parental skills, and establishing connections between families, the school, and the wider community. Ultimately, these collaborative efforts are centered on a singular goal: the success of our students.

At PS 152, we recognize the individuality of each student's learning style. We implement rigorous instructional strategies tailored to meet these diverse needs. Through ongoing professional development, our staff is continually empowered with the necessary tools and techniques to facilitate student success. Our Structured Literacy approach, aligned with the Chancellor's pillars of literacy, immerses students in all aspects of literacy, including phonics, reading, and writing. This comprehensive approach is designed to challenge our students and enable them to thrive academically.

Effective communication between the school and home is a cornerstone of our philosophy. We believe in fostering strong relationships with parents and guardians, ensuring that all channels of communication are open. Engaging parents in the educational process is vital; their voices are essential in nurturing strong ties within our school community. We actively encourage parent involvement, recognizing that their engagement is crucial to promoting a successful educational experience for our students.

To better serve our MLLs, we have introduced a dual language program, currently offered in grades 1, 2, 3 and 4 with plans to expand it in the coming years. This initiative is designed to meet the specific needs of our MLL students, providing them with the linguistic support necessary for academic achievement. To support language acquisition we implemented a new standalone program for ELLs.

In summary, PS 152 is not just a school; it is a community committed to embracing diversity, fostering partnerships, and prioritizing student success. Through our efforts, we strive to create an environment where every student can excel and reach their full potential.

Briefly summarize the key initiatives your school will implement this school year.

This upcoming school year marks an exciting milestone for PS 152 as we continue to expand our dual language program. This upcoming school year will offer a dual language opportunity for grades 1-4. Our aim is to immerse students in a bilingual environment, where they will receive instruction in both Spanish and English. This innovative approach will integrate literacy and mathematics instruction in both languages, ultimately fostering biliteracy among our students. We believe that mastering two languages will empower our students, providing them with essential skills for their future academic and career pursuits.

To further support the diverse needs of our students, we will implement a WIN (What I Need) period for homogenous grouping in grades 2-3 for phonics and in grades 3-5 for English Language Arts (ELA) and mathematics. This model guarantees that students receive daily, personalized instruction that targets their individual learning requirements. By tailoring instruction in small groups, we can better address gaps in knowledge and ensure that each student achieves their potential.

We will also continue to departmentalize instruction in grades 4 and 5. This approach allows teachers to specialize in specific content areas—such as ELA/Social Studies or math/science—enhancing their proficiency and enabling them to deliver more informed and engaging instruction to their students.

To support our reading and writing curriculum, we will continue implementing the HMH Into Reading program across grades K-5. This program is grounded in the Science of Reading, emphasizing the critical elements of literacy. It aligns with research on fluency, language comprehension, background knowledge, vocabulary development, reading comprehension, and writing, ensuring our students receive high-quality literacy instruction and materials. Our teachers will continue training to develop data informed rigorous and engaging lesson plans that align with District 8 curriculum maps, ensuring a cohesive and effective educational experience.

In grades 4-5, we will utilize Writable, an innovative tool designed to enhance our daily HMH instruction by supporting computer-based testing. Writable facilitates a writing-feedback loop that encourages students to practice writing proficiency. Backed by research, the program highlights the correlation between quality feedback and the improvement of writing skills, ultimately leading to better revisions and success in assessments.

In the upcoming school year, grades K-5 will have 2 periods of math and ELA to support students with explicit and intentional small group instruction.

A new addition to support teachers will be the introduction of the UFT Teacher Training Center (UFTTC). This initiative aims to enhance teachers' pedagogical skills through professional development and tailored training programs. The UFTTC will provide resources, workshops, and collaborative opportunities that focus on effective teaching strategies, classroom management, and instructional planning.

By equipping teachers with these essential skills, the goal is to create a more supportive learning environment for students, enabling them to thrive academically and socially. This initiative recognizes the importance of ongoing

professional growth, ensuring that educators have the tools and knowledge needed to deliver high-quality instruction and meet the diverse needs of their students.

All grades will have grade-level and individual class data-driven goals. This approach aims to utilize data to inform instruction and set specific, measurable objectives for student achievement. By analyzing performance metrics and student progress, educators can tailor their teaching strategies to meet the unique needs of each class and individual student. This focus on data-driven goals will help ensure that all students receive the support they need to succeed and make continuous progress throughout the school year.

K-2 will be supported with a literacy binder designed for intentional small group work based on ALO benchmark assessments. This resource will provide teachers with pre-prepared materials and activities, allowing them to easily implement targeted instruction. The ready-made resources will help streamline the teaching approach, enabling educators to focus on meeting the diverse literacy needs of their students. By utilizing the binder, teachers can facilitate effective small group sessions that are aligned with assessment data, ensuring that each child receives the support necessary for their literacy development.

Support for the new math curriculum, Desmos Amplify, will be comprehensive and aimed at helping educators effectively implement the program. This curriculum is built around a student-centered approach, focusing on engaging mathematical practices and real-world problem-solving.

To assist teachers, there will be professional development sessions that focus on how to utilize the Desmos platform effectively, including training on its interactive features, lesson planning, and how to adapt materials for diverse learners. Teachers will also have access to a variety of resources, including instructional guides, teaching tips, and sample activities that align with the curriculum. Additionally, support will include opportunities for collaboration among teachers, allowing them to share best practices, strategies, and experiences in implementing Desmos Amplify. Regular check-ins and feedback sessions will provide a space for educators to discuss challenges and successes, ensuring that they feel confident and supported throughout the transition to the new curriculum.

We are excited to partner with LEAP/Amplify consultants who will support classroom math instruction through coaching. This partnership will further enhance our teachers' capabilities, ensuring that students receive the best possible math education.

Professional development for our teachers will focus on crafting rigorous tasks that align with NGLS and learning objectives. As educators continue to unpack these standards, they will create differentiated activities that cater to the varied learning styles of our students.

Recognizing our growing population of Multilingual Learners (MLL), professional development will also emphasize strategies and scaffolds to support these students in their everyday learning environments. Our goal is to equip teachers with the knowledge and techniques necessary to create an inclusive atmosphere that meets the needs of all learners, ensuring that no student is left behind.

In summary, at PS 152, we are thoughtfully implementing these initiatives to enhance our students' learning experiences, promote biliteracy, and foster an environment where every child can excel academically. Our focus on individualized instruction, specialized teacher training, and strategic partnerships positions us well to meet the challenges of the diverse educational landscape we serve.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math	Grade	Digital and/or Print	Adaptations

Only)	Band	Curricula/Program	
ELA	K-5	HMH Into Reading	none
ELA	K-3	Fundations	none
ELA	K-5	HMH writing	none
ELA	K-2	Heggerty	none
Math	K-5	Desmos Amplify Math	none
ELA	3K	Creative Play Curriculum	none
ELA	PK	Creative Play Curriculum	none

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Students overall composite scores were below grade level. Students struggled in phonemic awareness, phonemes and fluency according to Acadience May 2025 (31% of students 111 out of 302).	EOY Acadience 2025	Develop students strengths in foundational skills in literacy to read on grade level.
Students overall instructional levels were below grade in the area of literary skills of informational texts iReady ELA May 2025.	Lack of Progression on grade level Literacy skills, Lack of specialized instruction	Increase students performance in comprehension

		and reading fluency
Students overall instructional levels were below grade in the area of literary skills of non fiction texts iReady ELA May 2025.	Limited access to reading resources literacy-rich environments, and lack of instruction designed for their specific learning needs. Some students may also face challenges from language barriers or socio-economic factors.	Increase ELL student proficiency in ELA

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	27% proficient	By June, 2026, literacy for All Students will improve in grades K-2 on Acadience, as measured by a 10% Increase, from 27% proficient to 37%, in grades K-2 (70 are proficient we need 98 total = 28 more students), Students with Disabilities (SWD) students performing at/above benchmark levels from 20% to 30% (12 are proficient we need 19 total = 7 more students), English Language Learner (ELL) students performing at/above benchmark levels from 12% to 22% BOY to EOY (13 are proficient we need 24 total = 11 more students), Black students performing at/above benchmark levels from 36% BOY to 46% EOY(15 are proficient we need 19 total = 4 more students), Students in Temporary Housing students performing at/above benchmark levels from 18% to 28% (8 are proficient we need 13 total = 5 more students) AND a 10% reduction of: ALL students performing at well below benchmark level from 59% BOY to 49% EOY (151 are not proficient we need 127 total L1 reduction = 24 less students), Students with Disabilities (SWD) students performing at well below benchmark level from 66% BOY to 56% EOY (40 are not proficient we need 35 total L1 reduction = 5 less students), English Language Learner (ELL) students performing at well below benchmark level from 75% BOY to 65% EOY (80 are not proficient we need 69 total L1 reduction = 11 less students), Black students performing at well below benchmark level from 51% BOY to 41% EOY (21 are not proficient we need 17 total L1 reduction = 4 less students), Students in Temporary Housing students performing at well below and below benchmark level from 71% to 61% as measured by the Acadience 2025-2026 EOY Benchmark (32 are not proficient we need 28 total L1 reduction = 4 less students) AND a 5% in the percentage of ALL students performing between levels 2-5 (blue color band) from [TSG 2025 Checkpoint 3*] to [Checkpoint 3 +5] in PreK AND a 5% reduction of students performing at “not yet” from [TSG 2025 Checkpoint 3] to [Checkpoint 3 -5] as measured by the 2026 TSG Checkpoint 3, indicator 16b (identifies letter sound correspondence).
All Students	16	By June, 2026, literacy for All Students in grades 3-5 will improve, as measured by a 10% Increase, from 16% to 26%, of percentage of students scoring at or above proficiency on the iReady ELA (45 are proficient we need 72 total = 27 more students). Students with Disabilities (SWD) students performing at proficiency levels from 4% to 14% (3 are proficient we need 10 total = 7 more students), English Language Learner (ELL) students performing at proficiency levels from 3% to 13% (3 are proficient we need 15 total = 12 more students), Black students performing at proficiency levels from 11% to 21% (3 are proficient we need 6 total = 3 more students), Students in Temporary Housing students performing at proficiency levels from 11% to 21% (6 are proficient we need 12 total = 6 more students). AND a 10% reduction of all students performing at level 1(well below) from 59% to 49% (162 are not proficient we need 135 total L1 reduction = 27 less students), students with disabilities (SWD) students performing at level 1(well below) from 83% to 73% (58 are not proficient we need 51 total L1 reduction = 7 less students), English language learner (ELL)students performing at level 1(well below) from 83% to 73% (98 are not proficient we need 86 total L1 reduction = 12 less students), Black students students performing at level 1(well below) from 60% to 50% (17 are not proficient we need 14 total L1 reduction = 3 less students), students in temporary housing

		students performing at level 1(well below) from 68% to 58% (38 are not proficient we need 32 total L1 reduction = 6 less students), in grades 3-5, as measured by the i-Ready EOY 2025-2026 assessment.
English Language Learners (ELL)	29%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 10 Decrease, from 29% to 19%, of By June 2026, ELL students scoring Entering and Emerging (29%) will decrease 10% to 19%; NYSESLAT Entering level scores will decrease, from 4% to 0%, Emerging level scores will decrease from 25% to 15% as measured by the June 2026 NYSESLAT Exam. on the Writing Task.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

There will be a 2% increase.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

There will be a 4% increase.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

There will be a 4% increase.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Continuation of Implementing of core curriculum (HMH)
Use of Team Leads to support with curriculum implementation and lesson planning
District Ambassadors turn-keying pertinent information to the school community.
Strategic co-planning with ENL teachers
Weekly PD on Mondays to strengthen literacy

Provide professional development on structured literacy and the science of reading to all K–2 teachers.
PD will be focused on evidence-based reading practices (e.g., phonemic awareness, phonics, decoding strategies) and aligned to district literacy priorities.

Launch small-group Tier 2 and Tier 3 intervention sessions using decodable texts and systematic phonics programs.
Use of a structured, research-based intervention program (e.g., Fundations®, Really Great Reading).

Establish a progress monitoring system with biweekly data reviews for K–2 students identified as below benchmark.
More frequent data cycles using Acadience or similar tools; data meetings focus on adjusting instruction/interventions in real time.

Implement family literacy workshops to equip caregivers with strategies to support reading at home.
Workshops focused on decoding practice, sight word games, and home reading routines (including materials provided).

Decodable text library in K–2 classrooms to ensure alignment with phonics scope and sequence.
Classroom libraries will include decodable texts matched to Fundations® scope & sequence, replacing leveled books for early readers.

Introduce instructional rounds focused on the fidelity of phonics instruction and small-group interventions.

Weekly classroom visits with feedback cycles centered on early literacy practices; staff co-develop look-fors.

7?? Develop and distribute literacy take-home kits for students needing extra support.
Take-home kits will include decodable books, word cards, and simple phonics games; distributed based on progress monitoring data.

Root Cause Addressed:

Inconsistent use of evidence-based phonics and decoding instruction in early grades.
Not all teachers were previously trained or implementing structured literacy practices aligned to the science of reading.

Limited targeted intervention for students identified as at risk.
Small-group or one-on-one supports were not consistently provided or were not aligned to student data.

Insufficient frequency and use of progress monitoring data to adjust instruction.
Data was collected at intervals that were too wide apart or not acted upon quickly to change teaching strategies.

Lack of decodable, phonics-aligned texts for beginning readers.
Classroom libraries relied heavily on leveled readers that did not match students' phonics skill levels, limiting meaningful practice.

Low family engagement in supporting foundational literacy skills at home.
Caregivers did not consistently have the tools or knowledge to help their children practice decoding, fluency, and word recognition.

Inconsistent monitoring and feedback on instructional practices related to early literacy.
There was no regular structure for observing and coaching teachers on the fidelity of phonics and small-group instruction.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Use targeted data from Win 4-5, Fundations 3 and Acadience K-2 assessment to plan ELA instruction for the 2025-2026 school year.
A series of Professional Developments will be aligned to support grouping based on EOY assessment data. Additional PDs focused on NGLS, Fundations, science of reading, literacy shifts and literacy development.
Weekly data chats with grade-level band teachers facilitated by Admin to inform instructional next steps and adjustments to pacing and curriculum.

School ambassadors for district ELA PD will turnkey to grade teams while reviewing curriculum and alignment with PLS
Continuing with intervisitations focused on structured literacy to strengthen practices in ELA.
Serravallo consultants will be supporting with a series of PDs on structured literacy with a focus on grades 3-5.
Continue with Heggerty and Fundations to support phonemic awareness
Implementing of reading centers
PD from HMH to support teachers with curriculum in reading and writing
Administer HMH assessments (K-5)
Ongoing PD to support teachers based on the feedback of walkthroughs and observations.
Equity Team continues to meet biweekly to plan for activities aligned to creating a Welcoming and Affirming
Environment and planning for on going Professional Learning aligned to Gholdy Muhammad's critical pursuits.
Expanding Equity Team with Student Ambassadors to create student voice aligned to Welcoming and Affirming
Environment and to begin work around High Expectations and Rigorous Instruction.
Admin will conduct: walkthroughs, observations on early reading skills, data dives, data chats, and ILT conducting learning walks.
Implementation of literacy binder in K-2 to be used daily in small group instruction
Every teacher will receive a data smart goal for their class

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action

steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Primary Structures to Monitor Implementation
Biweekly Data Meetings
Grade teams + instructional leadership team review progress monitoring data (e.g., Acadience, Fundations® unit checks).
Adjust groups, interventions, and pacing as needed.

Monthly Instructional Rounds / Walkthroughs
Leadership team and literacy coach observe phonics lessons and small-group instruction using look-fors aligned to key strategies.
Provide actionable feedback during team debriefs.

Professional Learning Community (PLC) Sessions
Teachers analyze student work and reading data together to reflect on implementation and share best practices.

Quarterly Family Engagement Reviews
Parent coordinator gathers feedback on family literacy workshops and take-home kits to evaluate reach and usefulness.

Data/Evidence Collected:

Instructional Implementation
Instructional rounds / walkthrough checklists focused on:
Fidelity of phonics routines (e.g., Fundations® lesson components, tapping, dictation)
Quality of small-group targeted intervention
Use of decodable texts in reading practice
PLC/PD attendance and participation logs

Student Learning / Achievement
Biweekly progress monitoring data (e.g., Acadience scores, phonics skill mastery)
Fundations® assessments and dictation tasks
Student writing samples demonstrating phonics/decoding transfer
Intervention group entry/exit data

Family Engagement
Attendance data for family literacy workshops
Survey data / feedback from families on literacy supports at home

How Data Will Be Used:
Identify trends in instructional practice and adjust coaching / PD plans.
Re-group students or adjust intervention frequency based on data.
Refine strategies (e.g., enhance family outreach or modify small-group structures).
Track progress toward meeting benchmarks on reading screeners and curriculum-based measures.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/02/2025	06/26/2026	Back to school Open house with families, parent literacy workshops, parent teacher conferences, Dual Language kickoff	
09/02/2025	06/26/2026	Open house with families, town hall meetings, family literacy night, Dual Language end of the year celebration	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Vendors Serravallo and Teaching Matters Coach

Instructional Resources

Decodables

Schedule Adjustments

Common planning periods for lead teachers, One period of progress monitoring a week built into teachers schedules. School-wide scheduling to facilitate SBL and homogenous grouping.

Other Resources Needed

N/A

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
By June 2026, there will be a decrease in Level 4 infractions (29 incidents) from 53% to 43% as reported by the School Safety and Climate dashboard.	Increase in OORS Reports input, new behaviors due to the lack of effective conflict resolution strategies among students.	Behavior

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	54% (34 incidents)	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Decrease, in Number of Level 4-5 incidents from 54% (34 incidents) to 44%, per the Online Occurrence Reporting System (OORS) reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Strengthen school culture by addressing equity, restorative practices, and positive behavior supports to reduce behavior incidents and create a more inclusive environment.

Key Strategy 1:

Strengthen the Equity Team by including multiple stakeholders, including teachers and students.

Provide professional development on Culturally Responsive-Sustaining Education (CRSE)
Build collaboration among teachers through coaching and support with the PBIS reward system
Deliver professional development on effective strategies for classroom management
Provide teacher PD on OORS level infractions and appropriate responses
Have the Behavior Team engage in data discussions to inform actions
Empower Equity Ambassadors to support *restorative circles

Progressive Action Steps:

Expand Equity Team to include student representatives, teacher leaders from all grade bands, and a family liaison.
First-time inclusion of students and families in Equity Team decision-making.

Launch Equity Ambassador Program to lead peer restorative circles and build student capacity in conflict resolution.
Equity Ambassadors (students) trained to co-lead circles and model positive behavior.

Deliver CRSE-aligned PD series for all staff focused on identity, implicit bias, and inclusive curriculum practices.
Series includes external facilitators + action planning time for teachers to apply strategies.

Implement a coaching cycle for teachers on integrating PBIS reward systems consistently across classrooms.
Coaching model includes modeling, co-planning, and feedback on reward system use.
Provide targeted PD on addressing OORS level infractions with restorative practices and de-escalation strategies.
PD incorporates case studies of prior incidents, role plays, and debrief protocols.

Establish monthly data review meetings where the Behavior Team analyzes discipline data, identifies trends, and

recommends actions.
Structured protocols for discussing disparities, hotspot locations/times, and equity impact.

Design and distribute culturally relevant PBIS rewards that reflect student voice and interests.
Survey students and families about meaningful rewards, and refresh PBIS menu based on feedback.

Host quarterly town halls to engage families and students in dialogue on equity, behavior expectations, and school culture.
Town halls co-led by Equity Ambassadors and school leaders.

Root Cause Addressed:

Lack of consistent, schoolwide use of culturally responsive-sustaining practices.
Not all staff have been trained or supported to embed CRSE principles into daily instruction and interactions.

Limited student and family voice in shaping school culture and equity efforts.
Prior initiatives did not systematically include students or caregivers as partners in planning or implementation.

Inconsistent use of PBIS reward systems and positive reinforcement across classrooms.
The PBIS framework was not applied uniformly, leading to mixed messages and uneven impact on student behavior.

Over-reliance on punitive disciplinary practices without restorative alternatives.
Disciplinary responses often focused on removal rather than restoration, contributing to recurring infractions and damaged relationships.

Insufficient data-driven reflection on behavior patterns and equity in discipline.
Discipline data was not regularly analyzed to identify trends, disparities, or inform targeted interventions.

Limited staff capacity to address behavior proactively and de-escalate incidents.
Teachers lacked consistent support and training in classroom management strategies that prevent conflict and promote positive climate.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Students will be receiving weekly restorative circles
Equity ambassadors to visit classrooms throughout the year to support in running circles addressing critical peer issues
Expand the Equity Team to include teachers from all grade bands, student representatives, and a family liaison to

ensure diverse voices guide equity work.
Establish the Equity Ambassador Program to train student leaders in co-facilitating restorative circles and modeling positive peer interactions.
Deliver a professional development series on Culturally Responsive-Sustaining Education (CRSE) that includes external facilitators, reflection activities, and teacher action planning.
Implement a PBIS coaching cycle that provides modeling, co-planning, and feedback to ensure consistent and effective use of the PBIS reward system across classrooms.
Provide targeted PD on addressing OORS level infractions, focusing on restorative responses, de-escalation strategies, and use of case studies for reflection and practice.
Hold monthly data review meetings where the Behavior Team analyzes discipline data to identify trends, disparities, and action steps to improve equity in discipline practices.
Design and distribute culturally relevant PBIS rewards by surveying students and families and updating the reward menu to reflect student interests and cultural backgrounds.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 2 Implementation Monitoring Plan
Primary Structures to Progress Monitor Implementation

Monthly Equity Team Meetings— Review progress on action steps, assess team representation, and adjust strategies as needed based on school culture data.

Equity Ambassador Check-ins— Regular meetings with student ambassadors to reflect on restorative circles, peer feedback, and their leadership impact.

PBIS Coaching Logs + Observation Cycles— Document frequency, focus, and outcomes of PBIS coaching support in classrooms.

Monthly Behavior Data Review Meetings — Behavior Team analyzes OORS reports, referral trends, and PBIS reward system usage to identify patterns and next steps.

Town Hall Debriefs — Leadership team gathers and reflects on feedback collected from quarterly town halls to inform future actions.

PD Reflection and Implementation Checks— Collect evidence of CRSE and classroom management PD application through teacher reflections, planning artifacts, and instructional observations.

Specific Data/Evidence Collected

* PBIS implementation checklists from classroom walkthroughs
* Coaching logs detailing frequency and focus of support
* Teacher lesson plans showing integration of CRSE practices
* Logs of restorative circles conducted by Equity Ambassadors

Student Learning + Culture Impact
* OORS incident data disaggregated by infraction type, grade, and demographic groups
* Number and type of PBIS rewards distributed
* Participation rates in restorative circles
* Student and family survey results on school climate and sense of belonging

Family + Community Engagement
* Attendance records from town halls and family engagement events
* Feedback forms and surveys collected during or after events

How Data Will Be Used
* Identify trends, gaps, and disproportionalities in behavior and discipline data.
* Adjust PBIS and restorative practices to address emerging needs.
* Refine coaching and PD focus based on teacher implementation data.
* Guide planning for future town halls and Equity Team initiatives.

Progress monitoring of these elements will be recorded in the PRT in the iPlan Portal during the 2025-26 school year to track both implementation fidelity and impact on school culture.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/02/2025	06/26/2026	Inclusion on Equity team. Equity team will provide families an opportunity to participate in professional development and restorative circles	
09/02/2025	06/26/2026	Cultural Town Halls -monthly town halls will be provided by the principal to all parents to address inappropriate behaviors and ways for parents to be actively involved in addressing these issues at home	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Equity team comprised of various staff members and student ambassadors

Instructional Resources

HMH SEL Curriculum - Develop self-awareness and self-management skills to achieve school and life success, use social-awareness and interpersonal skills to establish and maintain positive relationships.

Schedule Adjustments

Monthly

Other Resources Needed

student prizes for PBIS Reward Center

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the 2025 EOY iReady data, only 28% proficient (165 out of 590 students) and 27% of students on Level 1 (159 out of 590 students) of students in K-5	Teachers are not well versed in mathematical concepts and strategies, students math academic background knowledge, lack of math fluency.	Provide focused training on effective math instruction strategies that deepen teachers' understanding of key mathematical concepts, content knowledge, and best practices for teaching math at each grade level.
According to the 2025 EOY iReady data, only 32% are proficient and 37% are on Level 1 in grades 3-5	No school wide curriculum used	Ensure teachers have access to high-quality, instructional materials that align with a schoolwide curriculum and receive data aligned support for student progress

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	2%	By June 26, 2026, there will be a 10% increase in the percentage of students in K-2 performing On/Mid or Above Grade Level from 2% to 12% as measured by the 2025 BOY iReady screener (6 are proficient we need 31 total = 25 more students) AND a 10% decrease in the percentage of students performing well below grade level (level 1) from 36% to 26% (92 are not proficient we need 67 total L1 reduction = 25 less students) as measured by the 2026 iReady Math data.
All Students	6%	By June 2026, there will be a 10% increase in proficiency of students in grades 3-5 from 6% to 16% (16 are proficient we need 44 total = 28 more students) and a 10% decrease of level 1 from 61% to 51% (168 are not proficient we need 141 total L1 reduction = 27 less students) ; for students with disabilities 10% increase of proficient students in grades 3-5 from 1 to 11% (1 are proficient we need 8 total = 7 more students) and a 10% decrease of level 1 from 80% to 70% (56 are not proficient we need 49 total L1 reduction = 7 less students); ELL students performing at the proficiency level from 0% to 10% (0 are proficient we need 12 total = 12 more students) and a decrease of level 1 from 80% to 70% (94 are not proficient we need 83 total L1 reduction = 11 less students);; Black students performing at the proficiency level from 4% to 14% (1 are proficient we need 4 total = 3 more students) and a decrease of level 1 from 68% to 58% (19 are not proficient we need 16 total L1 reduction = 3 less students) and STH students performing at the proficiency level from 7% to 17% (4 are proficient we need 10 total = 6 more students) and a decrease of level 1 from 64% to 54 % (36 are not proficient we need 30 total L1 reduction = 6 less students)as measured by the 2026 iReady Math data.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Curriculum and Professional Development :
-Amplify Desmos + D8 professional development to support teachers in implementing new curriculum
-Math Ambassadors and administrators will participate in monthly district ambassador sessions to deepen their expertise and stay updated on instructional strategies. They will then share key insights and strategies with the Instructional Leadership Team (ILT) during scheduled meetings.
- Math Ambassadors will attend bi-weekly grade-level team meetings to provide ongoing support, guidance, and resources, ensuring that grade teams have the tools they need to implement effective math instruction.

Data Driven Conversations and Instructional Grouping:
Target groups for subgroups in I-Ready (clearly labeled)
Departmentalized in grades 4 and 5
Double Math block for Tier 2 support across all grades

Intentional Planning:
Structured meetings that convene bi-weekly; maximize time protocols, student work, and “do math”
Provide time for inter-visitations with math ambassador
PD plan will include time to unpack current Units and lesson planning support

Root Cause Addressed:

Teachers lack of deep understanding of mathematical concepts, instructional strategies, and fluency due to insufficient background knowledge and the absence of a coherent math curriculum.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action

steps will be introduced and rolled out.

Action Steps
Bi-weekly data chats with grade teams facilitated by admin to collaboratively review student performance data gathered from Desmos lessons and/or assessments. During these sessions, educators will analyze trends, identify learning gaps, and determine targeted instructional strategies and next steps to support student growth.
Administrators will conduct weekly classroom walkthroughs in grades K–5 to closely monitor the implementation of the new Amplify Desmos curriculum. These visits will focus on observing instructional practices, assessing curriculum alignment, gathering evidence of student engagement and understanding, and providing timely feedback to teachers to support effective and consistent use of the program.
"The daily classroom schedule for grades K–5 will include an additional math intervention block specifically designated for Tier 2 small group instruction. This time will be used to provide targeted support to students based on ongoing analysis of assessment and instructional data, ensuring that interventions are responsive to individual learning needs and aligned with grade-level math standards.
Each month, teachers will participate in professional learning sessions with administrators, Leap coaches, and/or Amplify Desmos specialists. These sessions will focus on unpacking math standards and units, deepening teachers' understanding of the content, and aligning instructional strategies to enhance student mastery.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

PS 152 will use the i-Ready benchmarks (BOY,MOY, and EOY) to track student progress . Along with this, teachers will also review students end of unit assessments and checkpoints to determine small group an next steps in instructional practice.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/03/2025	06/25/2026	Provide families with i-Ready benchmark letters	
09/03/2025	06/25/2026	Family Math Night	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Students are underperforming on Amplify Science unit assessments	Teachers need professional learning opportunities focused on scientific inquiry, hands-on learning, and the integration of literacy skills into science instruction.	Build teacher capacity in Science content and pedagogy
5th grade students	Students are reading below grade leve, which impacts their	Increase student

performed at only % proficiency on 2025 NYS Science Exam	ability to access content across all subject areas, including science	reading comprehension skills

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	24%	By June 30, 2026, there will be a 6% increase in the percentage of all students performing at the proficiency level in grade 5 from 24 % to 30% and a 5% reduction of students performing at Level 1 from from 13% to 8%. AND there will be a 6% increase in the percentage of SWDs performing at the proficiency level in grade 5 from 11% to 16% and a 5% reduction of students performing at Level 1 from 26% to 21%; AND there will be a 6% increase in the percentage of ELL/MLL students performing at the proficiency level in grade 5 from 13% to 19% and a 5% reduction of students performing at Level 1 from 16% to 11% as measured by the 2026 NYSED Science Exam; AND there will be 6% increase in the percentage of Black students performing at the proficiency level in grade 5 from 13% to 19% and a 5% reduction of students performing at Level 1 from 7% to 2% as measured by the 2026 NYSED Science Exam; AND there will be a 6% increase in the percentage of STH students performing at the proficiency level in grade 5 from 22% to 28% and a 5% reduction of students performing at Level 1 from 4% to 0% as measured by the 2026 NYSED Science Exam;

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Build Teacher Capacity in Science Content and Pedagogy:
Provide teachers with professional learning opportunities focused on scientific inquiry, hands-on learning, and the integration of literacy skills into science instruction.

Support for Special Populations (ELLs, SWDs, Economically Disadvantaged):
Targeted support to improve vocabulary development, reading comprehension in science, and scaffolded instruction for students who consistently underperform on the science exam.

Use of Data to Inform Instruction:
Teachers and instructional leaders will work during data sessions to analyze formative and summative assessment data to guide science instruction and interventions.

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement Amplify science curriculum with a focus on hands-on inquiry and real-world application.
Provide targeted professional development for teachers in science content and instructional strategies.

Use formative assessments to track progress and adjust instruction throughout the year.
Implement station teaching into Science classroom structure to support all students learning
Science ambassador and admin will turnkey to grade teams and ILT to ensure coherence and consistency

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Nutrition	Families might not be aware of the	Many families lack awareness of available resources and

workshop sign-in sheets 2025-2026 year	resources and events available to them that could support healthier lifestyles.	events designed to support healthier lifestyles, highlighting the need for improved communication and outreach.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	10	PS 152 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the By June 2025, we will increase opportunities for families to participate in one in-person event and one virtual event to equip families with the knowledge, skills and resources to make healthier choices as evident by attendance sheets and feedback surveys. will Increase by 5 from 10 to 15 as measured by Feedback survey.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

1. Outreach and Engagement Initiatives: Actively promote the events through multiple channels, including social media, school newsletters, and community partnerships, to reach a wider audience and ensure all families are informed and encouraged to participate.

2. Diverse Programming: Develop a variety of topics for the in-person and virtual events that cater to the diverse needs and interests of families, ensuring that materials are accessible and presented in multiple languages if necessary.

3. Collaboration with Community Organizations: Partner with local health organizations and experts to provide credible information and resources, enhancing the quality of the events and increasing interest and participation.

4. Feedback Mechanisms: Utilize attendance sheets and feedback surveys effectively by analyzing data to understand barriers to participation and areas for improvement, ensuring iterative enhancements for future events.

5. Incentives for Participation: Consider offering incentives, such as small giveaways or refreshment vouchers, for families who attend events, motivating greater turnout and engagement.

Root Cause Addressed:

In addressing Priority 5, it is essential to recognize the root causes that contribute to the lack of family participation in school events. These will include:

1. Communication Barriers: Many families may not receive timely or clear information about events, leading to decreased awareness and participation. This includes language barriers for non-English speaking families.

2. Scheduling Conflicts: Events might be scheduled at inconvenient times for families who have work commitments or other responsibilities, limiting their ability to attend.

3. Lack of Relevance: Families may feel that the topics covered in events do not resonate with their specific needs or

concerns regarding health and wellness.

4. Limited Accessibility: Physical location or lack of virtual options can deter families from participating, especially those with transportation challenges or those who prefer online engagement.

5. Inadequate Incentives: Without sufficient motivation or incentives to attend, families may not prioritize participation in school events over other activities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Develop a comprehensive communication plan that includes multiple channels such as emails, social media posts, flyers, and phone calls to ensure all families are informed about upcoming events. This plan will also involve translating materials into multiple languages to accommodate diverse families.
Survey families to identify preferred days and times for events, ensuring that scheduling aligns with their availability. Based on feedback, adjust the timing of events to maximize attendance.
Create a diverse calendar of events that addresses a range of health and wellness topics tailored to the interests and needs of families. Involve parents in the planning process to ensure topics are relevant and engaging.
Establish partnerships with local community organizations to provide additional resources, speakers, and support for events. This will enhance the quality of programming and attract more participants.
Implement a hybrid model for events, offering both in-person and virtual options. Ensure that virtual platforms are user-friendly and accessible for all families, including providing technical support if necessary.
Introduce a system of incentives, such as raffles or certificates for attendance, to encourage families to participate in events. Communicate these incentives clearly in promotional materials.
Collect and analyze feedback after each event through surveys and attendance tracking. Use this data to continuously improve future events and better meet the needs of families.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 5 Family and Community Engagement

Family and Community Engagement

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Insight Data portal and New Visions portal 2024-2025 School Year	Misconceptions about attendance and attendance policy as well as family circumstances, such as unstable housing, poverty, caregiver responsibilities, or familial conflicts, can impact students' ability to attend school regularly if they are facing challenges that require their presence at home or if they lack the necessary support to prioritize education.	Reduce the percentage of all students who are Chronically Absent 39% 250 out of 639 students) with a focus on PreK-2 second grade students.

Insight Data portal and New Visions portal 2024-2025 School Year	Clarifying attendance expectations in more student-friendly and multilingual formats, proactively supporting families facing instability, and embedding routines that build time management and morning readiness—especially for younger learners. Missed opportunities in school messaging, scheduling, and Tiered support systems.	Reduce the percentage of STH who are Chronically Absent (39% 55 out of 142 students)
Insight Data portal and New Visions portal 2024-2025 School Year	Financial Constraints - Families may opt for extended vacations due to financial constraints, seeking to take advantage of off-peak travel times when prices are lower.	Reduce the number of students who are absent due to longterm/extended vacations

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	36%	By June, 2026, the Attendance Rate for All Students will increase by 2%, from 90% to 92%, as measured by the Insight.
All Students	35%	By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 10%, from 35% to 25%, as measured by the Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Data Analysis and Monitoring
Early Intervention and Support
Positive School Climate
Family Engagement
Attendance Incentives and Recognition
Individualized Support Plans
Community Partnerships
Continuous Monitoring and Evaluation

Root Cause Addressed:

Clarifying attendance expectations in more student-friendly and multilingual formats, proactively supporting families facing instability, and embedding routines that build time management and morning readiness—especially for younger learners. Missed opportunities in school messaging, scheduling, and Tiered support systems.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Attendance team will regularly track attendance data to identify students with chronic absenteeism patterns.
Analyzing this data will help identify trends and target interventions effectively.
Implement early intervention strategies to support students at risk of chronic absenteeism. This will include providing

additional academic support, counseling services, or family interventions to address underlying issues.
Foster a positive school climate where students feel safe, supported, and engaged. Creating a welcoming and inclusive environment will encourage regular attendance and reduce absenteeism rates.
Engage families in the importance of regular school attendance and provide resources and support to address barriers to attendance, such as outreach efforts, parent education programs, and partnerships with community organizations.
Implement incentives and recognition programs to reward students for good attendance and improvement in attendance rates.
Positive reinforcement will motivate students to attend school regularly.
Develop individualized support plans for students with chronic absenteeism, outlining specific interventions, goals, and strategies to address their attendance issues. These plans will involve input from students, families, and school staff.
Continuously monitor the effectiveness of interventions and strategies implemented to address chronic absenteeism.
Regular evaluation and adjustments based on feedback and outcomes are essential for sustained improvement.
NYS Attendance Index will be used to regularly identify students in Level 1 (=85%) and Level 2 (>85.1% and <90%), and set clear, measurable goals to move them into Level 3 (=90%) and ultimately Level 4 (=95.1%). This will help guide a data-informed effort to improve school-wide attendance and shift the focus from chronic absenteeism alone to a broader, state-aligned approach using the Attendance Index as a key metric.

Key Strategy 2 (Optional):

Root Cause Addressed:

Clarifying attendance expectations in more student-friendly and multilingual formats, proactively supporting families facing instability, and embedding routines that build time management and morning readiness—especially for younger learners. Missed opportunities in school messaging, scheduling, and Tiered support systems.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

This will help guide a data-informed effort to improve school-wide attendance and shift the focus from chronic absenteeism alone to a broader, state-aligned approach using the Attendance Index as a key metric.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Attendance Concerns Form
- Responsible Party: Classroom Teachers, Attendance Team Members
- Monitoring Frequency: Weekly
- Data Used to Assess Progress & Impact: Daily attendance rate trends, chronic absenteeism flags, changes in monthly attendance patterns.

Attendance Interventions Log
- Responsible Party: Attendance Committee Members (by Grade Level)
- Monitoring Frequency: Daily
- Data Used to Assess Progress & Impact: ATS iLog entries, intervention dates, type of support, outcome notes.

Student Attendance Records
- Responsible Party: Attendance Committee Members (by Grade Level)

- Monitoring Frequency: Weekly
- Data Used to Assess Progress & Impact: ATS student profiles, individual absence counts, intervention history.

Academic Progress Monitoring
- Responsible Party: Attendance Committee Members (by Grade Level)
- Monitoring Frequency: Biweekly
- Data Used to Assess Progress & Impact: Report card grades, formative assessments, progress monitoring data (e.g., iReady, HMH).

Collaborative Team Meetings
- Responsible Party: Administrators, Teachers, Counselors, Attendance Committee
- Monitoring Frequency: Monthly
- Data Used to Assess Progress & Impact: Attendance dashboards, updated intervention logs, meeting notes with decisions/action steps.

Case Management Reviews
- Responsible Party: Designated Success Mentors, Attendance Committee Members
- Monitoring Frequency: Biweekly
- Data Used to Assess Progress & Impact: Individual student case files, intervention effectiveness ratings, attendance-to-academic outcome comparisons.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
SESIS, Annual Goal Progress Monitoring	Lack of Training: challenges in IEP development and implementation is insufficient training for educators and staff involved in the process.	IEP Development and Fidelity of Implementation
IEP Review Data, Student Interview,	Lack of early and consistent involvement of families and students in the process	Transition Planning and Compliance

student interest in IEP		
SIT and Child Study Team	Implicit bias among educators and school personnel	Referral Process and Equity
FBAs, BIP progress monitoring and PBIS referrals	Disparities in disciplinary policies and their subjective application	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	75	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve in collaboratively developing and implementing individualized education plans (IEPs) for 100% of students with special needs, ensuring that each IEP includes measurable annual goals, necessary accommodations, and modifications tailored to the student's specific learning requirements. The team will conduct quarterly reviews to assess fidelity of implementation and make data-driven adjustments as needed to support student progress, with at least 80% of students meeting or exceeding their IEP goals by their annual review date. by a 5% Increase, from 75 to 80, as measured by Progress of Measurable Annual Goals Report.
Students with Disabilities (SWD)	50	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve the use of parental involvement present and in alignment of IEP's across present level of performance (PLOP), by a 25 Increase, from 50 to 75, as measured by IEP Review Data.
Students with Disabilities (SWD)	85	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve By June 2026, the alignment of IEPs across present level of performance (PLOP), goals, and recommended programs and services; will improve from 85 to 100. by a 25 Increase, from 85 to 100, as measured by IEP completion report.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

1. Training and Professional Development: Provide ongoing training for educators on inclusive teaching strategies, understanding different disabilities, and using assistive technologies.

2. Individualized Learning Plans: Create individualized education plans (IEPs) and 504 plans that are tailored to each student's needs, ensuring that learning goals are specific, measurable, achievable, relevant, and time-bound (SMART).

3. Collaborative Teaching: Implement co-teaching models where special education teachers work alongside general education teachers to support inclusive classrooms.

4. Multi-Sensory Learning Approaches: Introduce multi-sensory teaching methods that engage learners through various modalities, such as visual, auditory, and kinesthetic activities (SPIRE).

5. Family and Community Engagement: Involve families in the educational process by providing resources, workshops, and regular communication to ensure a supportive home learning environment.

6. Regular Feedback and Evaluation: Create a system for ongoing assessment and feedback to adapt the action plan as needed, ensuring that it continues to meet the evolving needs of students.

Root Cause Addressed:

1. New teacher requiring additional support in training and additional professional development.

2. Comprehensive and data driven IEP creation and completion with ample data included for each student.

3. A lack of effective collaboration and communication between special and general education teachers can lead to insufficient support for students with diverse needs, hindering their academic progress and social integration.

4. New teacher training in appropriate and effective use of program.

5. Lack of parent engagement and understanding of the IEP process.

6. Ensure teacher accountability and alignment to curricular resources

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
SPED kick off training in September
Ongoing PD in supporting teachers in creating and implementing comprehensive IEPs
Intervisitations to share best practices
Creation of a SPIRE digital resources and intervisitation for best practices
4 workshops centered around IEP process offered to parents.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Status of Annual Goals Report tracked and reviewed quarterly.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent Teacher Conference Meeting	
09/04/2025	06/26/2026	Parent workshops	
09/04/2025	06/26/2026	Parent Training for Autistic students	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Acadience 2 years below benchmark	Skills Group	Small Group in Classroom	During school	Yes
Tier 2	Lexile Level 2 years below benchmark	Serravallo based Strategy Group	Small Group in Classroom	During school	No
Tier 2	iReady ELA	Data informed instruction	Small Group in Classroom	During School	No
Tier 3	SPIRE Initial Placement Assessment 3 or more years well below	SPIRE	Small Group in Separate Location	During School	No
Tier 2	Acadience Oral Reading Fluency Grades 4-5 3 or more years well below benchmark	Phonics for Reading	Small Group in Classroom	During School	No
Tier 3	Acadience 3 or more years well below benchmark	Sound Sensible	Small Group in Separate Location	During School	No
Tier 2	Iready Math 2 years behind benchmark	Amplify Desmos Math	Small integrated Groups	During School	No
Tier 3	Lexile level Two or more years above benchmark	Enrichment Readers Theatre	Small Group	During School	No
Tier 2	Iready Math One year above benchmark	Enrichment Math Clubs	Small Group	During School	No
Tier 2	If students are below	Small	They will receive	During School	no

	grade level in phoneme segmentation fluency	Group	orthographic mapping instruction.		
Tier 2	If students are well-below grade level in first sound fluency	Small Group	They will receive support in small group Fundations in articulation of sounds using mirrors.	During School	No
Tier 2	If students well below benchmark screener (Acadience)	Small Group	They will receive a secondary screener to identify specific individual needs	During School	No
Tier 2	Acadience Oral Reading Fluency Grades 4-5 2 or more years well below benchmark	Rewards	Small Group	During School	No
Tier 2	iReady ELA at or above benchmark	STARI	Small Group	During School	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Live School Data	Peer Intervention Groups	Small Group	During School	No
Tier 3	PBIS Rewards Referrals	Mindfulness Room Resource to deescalate behaviors	One-to-One from Counseling Team	During School	No
Tier 3	SIT Team Referrals	Social Stories to support student character development	One-to-One from School Psychologist	During School	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The school's essential components of Multi-Tiered System of Supports (MTSS) are shared with families through various methods to ensure clear communication and understanding.

Meetings and Workshops: The school organizes informational meetings and workshops for families where they can learn about the MTSS framework, its tiered interventions, and the specific supports available for their children. These sessions often include presentations by staff and opportunities for families to ask questions.

Parent Portals: Many schools utilize online platforms (PBIS rewards) where families can access resources related to MTSS.

Training Sessions: We offer training for families on how to recognize when their child might need additional support, as well as how to navigate the MTSS process. This empowers parents to actively participate in their child's educational journey.

Inclusive IEP Meetings: For students with Individualized Education Programs (IEPs), schools ensure that MTSS components are discussed during IEP meetings, providing families insights into how MTSS aligns with their child's specific needs.

Feedback Opportunities: Schools may create feedback forms or surveys that allow families to share their thoughts and experiences regarding MTSS. This feedback can guide improvements and help families feel more involved in the process.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Regular Progress Reports: At PS 152 we provide scheduled progress reports that detail each child's advancement toward their specific goals. These reports include assessments, data on skills improvement, and observations from teachers.

Parent-Teacher Conferences: Regular parent-teacher conferences, allowing families to discuss their child's progress, challenges, and successes directly with educators. This time provides an opportunity to review intervention strategies and make adjustments if necessary.

Communication Logs: Implement communication logs or journals that travel between home and school. These logs allow teachers to share daily or weekly updates on the child's performance, behaviors, and responses to interventions, fostering ongoing dialogue with families.

Data Meetings: At PS 152, we invite families to participate in data meetings where the results of assessments and progress are reviewed. This transparent approach helps families understand how data informs instruction and intervention decisions.

Workshops and Training Sessions: We host workshops to educate families on how to interpret progress monitoring

data and understand the MTSS process, empowering them to take an active role in their child's education.

Tailored Communication: Based on individual needs, we provide personalized communication updates for families, ensuring that they are well-informed about their child's unique journey and the specific supports put in place.

By using these methods, schools ensure that families remain engaged and informed about their child's progress in receiving Tier 2 targeted and Tier 3 intensive interventions. This collaborative approach contributes to the overall success of the interventions and supports positive educational outcomes.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Family Engagement in Tier 3 Intensive Interventions

Families play a crucial role in the decision-making process for students receiving Tier 3 intensive intervention. Their involvement not only enhances the effectiveness of the interventions but also supports the overall development of the child. At P.S. 152, we are committed to ensuring families are active partners in this process through the following structures:

1. Regular Communication:
We maintain consistent communication with families via phone calls, emails, and scheduled check-ins to discuss student progress, challenges, and successes. These touchpoints ensure families are informed and empowered to share insights that may inform intervention strategies.

2. Collaborative Meetings:
Families are invited to participate in intervention planning and review meetings. Their input helps provide a fuller picture of student needs, including academic, behavioral, and socio-emotional factors observed at home.

3. Goal Setting:
Families work collaboratively with school staff to set personalized goals that are realistic, measurable, and supported both at school and at home.

4. Progress Monitoring:
Families receive regular updates and progress reports aligned to Tier 3 intervention outcomes. We also guide families in how to support skill development at home using simple strategies that mirror school interventions.

5. Training and Resources:
We offer families training sessions and home-friendly versions of intervention tools (e.g., phonics charts, fluency passages, vocabulary support) so they can actively reinforce learning beyond the classroom.

6. Emotional Support:
Recognizing that chronic absenteeism and academic difficulty often correlate with family stressors, we provide access to emotional supports and services such as counseling, STH services, and mental health resources.

Addressing Needs Through Tier 3 and STH-Aligned Support
Based on attendance data and needs shared by families in the STH Title I Survey, we will implement coordinated supports such as:

Uniform distribution to reduce school avoidance caused by lack of clothing

Social-emotional learning (SEL) counseling for students and families experiencing trauma, stress, or housing instability
Outreach from family support staff to strengthen home-school connections and ensure families feel seen, heard, and supported
Resource-sharing workshops (e.g., access to housing support, health care, food banks) tied directly to trends in absenteeism and reported needs
Ongoing partnership with success mentors to monitor the intersection between attendance, academic progress, and family engagement

These interventions ensure that Tier 3 support is not only individualized but also holistic—responding to both academic and socio-emotional needs while strengthening the school-home partnership.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

145 students

41% (60 out of 145) in In temporary housing, Shelter

59% (85 out of 145) In temporary housing, Doubled up

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Using Data to Inform Services for Students in Temporary Housing (STH)
Attendance Trends:

According to Insight data, STH students at P.S. 152 demonstrate significantly higher rates of chronic absenteeism compared to their peers. This indicates an urgent need for targeted attendance interventions, including:

Increased family outreach and engagement

Transportation assistance

Access to physical and mental health services

Early identification and personalized check-ins by success mentors

Achievement Disparities:
Assessment data reveals consistent achievement gaps between STH students and their non-Title I peers, particularly in foundational literacy and math skills. In response, the school will prioritize:
Daily small group instruction with intervention teachers

After-school tutoring and Saturday academies

Access to adaptive digital platforms for personalized learning

Progress monitoring through tools like i-Ready, HMH EOM.

Demographic Characteristics:
Demographic analysis confirms that STH students often face layered barriers such as economic hardship, language differences, and limited access to basic resources. To address these realities, the school will implement:

Culturally responsive services (including bilingual family workshops)

Uniform distribution and hygiene supply drives

Referrals to community-based support agencies for housing, food, and legal services

Family Engagement Levels:
Data from school-based events and outreach efforts indicate low levels of consistent family engagement among STH families. In response, the school will strengthen partnerships and programs including:

Home visits and personalized outreach by the family engagement coordinator

Monthly STH family engagement workshops

Parent education sessions on navigating the school system

Collaboration with CBOs to build trust and offer wraparound services

Utilizing the STH Title I Survey:
The STH Title I Survey provides direct insight from families, students, and educators, highlighting their most pressing needs and priorities. Based on survey responses, the school will:

Prioritize services that families indicate as critical, including mental health support, access to devices, and after-school enrichment

Adjust interventions and supports to reflect the lived experiences and feedback of STH families

Monitor the effectiveness of selected services by comparing attendance, academic, and engagement data over time

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Goal: Continue working with the attendance committee collaborating with guidance counselors to increase STH attendance by 10%.

Continuing daily outreach to build rapport and boost STH attendance by 10%.

Working closely with staff at family residences and PATH to identify any barriers to learning and to increase STH attendance by at least 10%.

Identify STH students with school uniforms, book bags and school supplies to provide them with necessary tools to be successful in school (ex. Sweaters, gloves, hat, scarfs and socks).

Continue with the Operation Warm winter coat drive.

STH Parent meetings

Continue supporting students to sign up for SEL services with Ms. Corniel for group and individual counseling support.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

N/A

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

N/A

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

N/A

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

N/A

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 152, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 152 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community
- providing parents and families a school application to foster clear communication in real time. This application will provide parents up to date push notifications for important information that may be time sensitive or personalized.

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;

- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 152 in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Effective professional development to foster a culture of continuous improvement for all engaged in the learning endeavor.
Professional development design will be grounded in the NGLS and student learning goals.
Weekly PDs facilitated by administration to support with literacy, math and other content areas.
Clear research-based expectations for what teachers should know and be able to do to support student learning.
Professional development formats include, but are not limited to, lesson study, demonstrations, observations, analysis of student work and assessment data, collegial circles, feedback, action research, reflection, and opportunities for collaboration and problem solving.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Teaching Strategies, will help early childhood educators build the environment and provide the foundation for success for every child by connecting teachers, children, and families to inspired teaching and learning experiences, informative data, and stronger partnerships through the leading early learning platform and solutions.
Weekly PDs with teachers and paraprofessionals in navigating the new program
joint PD & parent involvement activities in the classroom

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal		X	
Title I, School Improvement 1003(a)	Federal		X	
Title II, Part A	Federal		X	
Title III, Part A	Federal		X	
Title III, Immigrant	Federal	$43,000	X	Afterschool program
Title IV, Part A	Federal		X	
Tax Levy (Fair Student	Local		X	

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Christine Baez
Assistant Principal (Where Applicable)*	Violeta Kajtazi
English as a New Language (ENL) Teacher*	Fiona MacDonald
Teacher (if school has a bilingual program must be a bilingual teacher)*	Massiel Mota
Parent/Guardian*	Fabiola Juarez
Teacher	Jasmine Chandoo
Parent Coordinator	Jessica Prudencio
School Counselor	Janet Garland
Related-Service Provider	Michelle McGuire
Coach	Leah Steiner
Coach	Kathryn Wilcox

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

5

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

4

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

593

Total number and percentage (%) of current ELLs:

44.5%

Total number and percentage (%) of former ELLs:

4.89%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

76%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

23%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0.4%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Stand-alone English as a New Language will be provided with grade bands, K & 1, 2 & 3, and 4 & 5. An ENL certified teacher will be assigned to the specific grade band and provide Stand Alone ENL services to both entering and emerging students for one block four times a week. During this time, ENL teachers will create a separate curriculum aligned to the HMH ELA curriculum.

Integrated ENL:

Integrated English as a New Language will be provided during ELA blocks. One ENL teacher will be assigned to two grade levels in grade bands. Students will be in heterogeneous grouping during integration. The co-teaching model will be utilized to support student learning, with a focus on small group instruction.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

The Dual Language Bilingual Education program will be a one-way 50/50 program. The program will follow a roller coaster model with alternating morning and afternoons with the target languages being both English and Spanish. Program is offered for first, second, third and fourth grade.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

All English Language Learners (K-5) are serviced by certified TESOL teachers during Stand Alone ENL and Integrated ENL. Depending on the student's mandated amount of services will determine if they receive 180 of Stand Alone, 180 of Integrated, or 90 minutes of services for Commanding. There will be an ENL teacher Integrated for 180 minutes for classes in which ELL students are placed on each grade level. This teacher will also service the Stand Alone students for 180 minutes. Entering and Emerging ELLs/MLLs receive 360 (180 Stand Alone & 180 Integrated) minutes per week, Transitioning and Expanding MLLs 180 minutes Integrated per week and Commanding 90 minutes Integrated as required under CR part 154. These minutes will be determined based on the Spring NYSESLAT Proficiency Level. The teacher designated for STARS will receive an excel sheet identifying the amount of ENL minutes students are receiving, and place the information into STARS by the required deadline. As students are enrolled throughout the year, the STARS personnel are updated on the amount of minutes the student will be serviced.

Alternate Pathways: Small-group learning, Project-based learning, A minimum of 90 minutes per week of integrated ENL

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

All English Language Learners (K-5) are serviced by certified TESOL teachers during Stand Alone ENL and Integrated ENL. Depending on the student's mandated amount of services will determine if they receive 180 of Stand Alone, 180 of Integrated, or 90 minutes of services for Commanding. There will be an ENL teacher Integrated for 180 minutes for classes in which ELL students are placed on each grade level. This teacher will also service the Stand Alone students for 180 minutes. Entering and Emerging ELLs/MLLs receive 360 (180 Stand Alone & 180 Integrated) minutes per week, Transitioning and Expanding MLLs 180 minutes Integrated per week and Commanding 90 minutes Integrated as required under CR part 154. These minutes will be determined based on the Spring NYSESLAT Proficiency Level. The teacher designated for STARS will receive an excel sheet identifying the amount of ENL minutes students are receiving, and place the information into STARS by the required deadline. As students are enrolled throughout the year, the STARS personnel are updated on the amount of minutes the student will be serviced.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The Dual Language program will follow a 50/50 Roller Coaster model. Mornings and afternoons will alternate English and Spanish target languages. This will be a self-contained class. It is a one-way Dual Language program with all students being English Language Learners with Spanish as their home language.

b. In which language(s) is each core content area taught?

English & Spanish

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

NOT AVAILABLE

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Newcomers 76.9%

1. Language Acquisition Focus: Newcomers often need more foundational language support. Instruction is heavily focused on basic vocabulary, simple sentence structures, and essential communication skills. In contrast, Developing and Long-Term ELLs may benefit from more complex language use, vocabulary expansion, and academic language necessary for school success.

2. Cultural Orientation: Newcomers may also require additional support to navigate cultural differences and the school environment. This includes familiarizing them with school routines, expectations, and resources.

3. Content Accessibility: Effective instruction for Newcomers often employs visual aids, hands-on activities, and contextual learning to make content more accessible. Developing and Long-Term ELLs might be ready for more integrated approaches that incorporate different subject areas with less direct language support.

4. Pacing and Scaffolding: Newcomers typically need more time to process new information and may require more scaffolding to support their language development. Instruction for Developing and Long-Term ELLs may involve gradually reducing scaffolding as students become more proficient.

5. Assessment and Monitoring: Ongoing assessment for Newcomers focuses on rapid language development and integration, while Developing and Long-Term ELLs may have assessments that gauge growth in both language and content knowledge, often requiring different evaluation strategies.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Less than 1% of our MLLs are SIFE. SIFE students are usually in the entering and emerging proficiency level and therefore they receive the additional 180 minutes of Stand Alone ENL instruction provided by a TESOL teacher.

Additionally, they are provided Title III services specific to support their language development. Additionally, classroom teachers are provided with resources from the DOE SIFEShare website to further support these students in their classrooms.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Percentage of ELLs who are Long-Term ELLs - 0%
Percentage of ELLs who are Potential Long-Term ELLs - 10.2%

1. Language Proficiency Level: Long-Term ELLs have typically been in the school system for several years and may have a basic command of English but struggle with advanced language skills and academic vocabulary. Instruction for Long-Term ELLs often focuses on deepening their comprehension and use of complex language structures, while Developing ELLs may still be working on foundational language skills.

2. Content Integration: Long-Term ELLs benefit from instruction that integrates language development with content area learning. They may need support in subjects like math, science, and social studies, where academic language is critical. Developing ELLs might focus more on isolated language skills and basic content knowledge before integrating those skills across subjects.

3. Cultural Context and Relevance: Long-Term ELLs may have unique cultural and educational backgrounds that require culturally responsive teaching. Instruction often includes themes and materials that reflect their experiences, helping to engage them more deeply in the learning process. For Developing ELLs, the cultural adaptation may be less complex as their needs may primarily focus on immediate language acquisition.

4. Skill Refinement: Instruction for Long-Term ELLs often emphasizes refining existing skills, such as improving reading fluency, critical thinking, and writing proficiency. Developing ELLs may still be building basic literacy skills and learning how to construct sentences or paragraphs.

5. Support Structures: Long-Term ELLs may benefit from less direct language support as they become more proficient while still needing targeted intervention for specific gaps in understanding. Developing ELLs, on the other hand, often require more scaffolding and extensive support to build their language competency.

6. Motivation and Engagement: Long-Term ELLs might face challenges related to motivation and engagement due to years of language learning. Instruction for them may need to incorporate strategies to foster intrinsic motivation and personal investment in learning. Developing ELLs are often more eager to learn but may struggle with the initial barriers of a new language.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

4.9% of students are former ELLs. Students will receive 90 minutes of continuing ENL service through small group instruction for two years after testing commanding to support with language acquisition.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Attendance can impact achievement since students who attended school regularly are more likely to attain their goals. It provides opportunity and exposure to language and interactions. Any at risk students who's attendance is a concern is addressed through the Attendance Committee. Parent outreach in their home language will be provided to ensure clear communication and consistent attendance. If follow-ups and or supports are needed, specific attendance personnel will provide the necessary resources. Finally, the importance of education will instill values and educational success as a priority for the students and their family.
ELLs who did not demonstrate sufficient ELP progress which is 75% of students. We are addressing this morning and afterschool programs targeting the modality the students need most support with.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

One of the main at-risk factors for our former ELLs is being in temporary housing. 10.3 % of our FELLs are in this situation. Our school has both a STH Social Worker, Ms. Pastor, and a STH Family Coordinator, Mr. Cruz, who help with outreach and providing resources for these students and their families. Another trend we noticed is that 17.2% of Former ELLs Scored Level 1 or 2 Last School Year on their ELA. We are addressing this by providing morning and afterschool programs targeting the students who need the more support with ELA.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

At P.S. 152, we recognize the importance of honoring and leveraging the home languages of our students as an asset in both academic and social-emotional learning. The most commonly spoken languages among our Multilingual Learners (MLLs) include Spanish, French, Bengali, and Fulani, with Spanish being the predominant language in our school community.

1. Bilingual Staff Representation
To support Spanish-speaking students and families, we prioritize the hiring of bilingual Spanish-speaking teachers, paraprofessionals, and support staff. These staff members play a critical role in instruction, communication, and cultural responsiveness. When possible, we also seek support staff who speak French, Bengali, or Fulani to better serve students from those language groups.

2. Language Support Programs
Our Spanish Dual Language Program supports biliteracy by delivering instruction in both English and Spanish, ensuring students maintain and strengthen their home language while developing English proficiency. Stand-Alone and Integrated ENL services are provided to all MLLs, with scaffolds that draw on students' home languages to deepen comprehension.

3. Family Engagement Initiatives
We engage families in their preferred language by translating all critical school communications (newsletters, flyers, notices) into Spanish and other home languages as needed. We offer bilingual parent-teacher conferences and host workshops in Spanish to ensure meaningful participation from our largest language group. For other language groups, we provide interpretation services and community liaison support when available.

4. Culturally Relevant Curriculum
Our instructional materials and classroom libraries include literature, topics, and authors that reflect Latinx, West African, South Asian, and Caribbean cultures. In particular, Arriba la Lectura and Estrellita are used to develop

Spanish language literacy and connect students to culturally affirming content.

5. Language Resource Access
We are developing a Language Resource Corner in our library with Spanish-language leveled readers, translated curriculum guides, and dual-language books. We also provide take-home materials in students' home languages when available, including parent tip sheets and digital tools.

6. Professional Development
Teachers receive ongoing training in culturally responsive pedagogy, translanguaging strategies, and how to incorporate students' linguistic backgrounds into instruction. PD includes support on using Arriba la Lectura, HMH, and scaffolds for ENL instruction to support MLLs' language growth.

7. Inclusive Language Policies
Our school affirms the use of home languages and includes this in our language policy, family handbook, and ENL program overview. We treat bilingualism and multilingualism as strengths that enrich our entire school community.

8. Peer Support Systems
Peer mentoring initiatives, including student buddy systems, often pair English-proficient Spanish-speaking students with newcomers to provide both linguistic and social-emotional support. We are exploring similar structures for French and Bengali speakers, based on enrollment needs.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Hispanic = American Indian/Alaskan Native 36.5%, Native Hawaiian/Pacific Islander 31.3 , White 19.8, Black 8.7%, Multiracial 2.4%, Asian 1.2%,
Non Hispanic = Black 66.7%, Asian 16.7%, Indian/Alaskan Native 8.3%, White 8.3%

1. Integrating Multilingual Resources: Incorporating books, materials, and media in students' home languages as part of the curriculum helps reflect their cultures and experiences. This approach not only values their languages but also aids in comprehension.

2. Responsive Pedagogy: Training educators to implement teaching practices that are responsive to the cultural backgrounds of ELL students. This includes recognizing how cultural norms influence learning styles and incorporating various instructional methods to accommodate diverse needs.

3. Professional Development for Educators: Providing teachers with training on CR-SE principles, focusing on the unique needs of ELLs, can enhance the effectiveness of instruction. This includes strategies for building cultural competence and recognizing biases in the classroom.

4. Monitoring and Feedback: Regularly collecting feedback from ELLs about their experiences with CR-SE can guide ongoing improvements to teaching practices and curriculum design.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

According to the 2025 Spring EDAT, only 24.9% of English Language Learners (ELLs) at P.S. 152 met their expected English Language Proficiency (ELP) growth target. This means that approximately 75% (or 135 out of 180 ELLs) did not demonstrate sufficient progress toward proficiency. In response to this significant gap, we have implemented both before-school and after-school intervention programs that focus on the specific modality—listening, speaking, reading, or writing—in which students need the most targeted support.

Data trends indicate that a majority of our ELLs are within 21–30 points of reaching the next proficiency level, with a smaller but notable portion scoring 11–20 points below the next level. These students are on the cusp of advancement, and targeted instruction in small groups is designed to accelerate their progress.

Additionally, our school has seen an influx of new arrivals, many of whom either lack prior NYSESLAT exam history or have taken the assessment only once. These students require differentiated, accelerated language development plans aligned to their entry points. Instructional teams are using this data to group students strategically and prioritize those with limited time in U.S. schools or gaps in their academic records. Our integrated ENL instruction and dual language programming are being continuously adjusted to address these evolving needs.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

NYSESLAT trends show that our students' highest Modalities of Strength for all grades is Speaking. Our 1st graders showed growth in reading and speaking from 2023 to 2024, and our 5th graders showed growth in the modality of Listening.
Modalities of Need for our ELLs include Writing for all grades, and speaking for grades 1-3.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Comparing the Spring 2024 ELA exam results to the Spring 2024 NYSESLAT results for ELLs and former ELLs we see a trend of most Expanding students scoring 2 and most Commanding students scoring 3. All other language proficiency levels scored 1 or 2. Comparing the 2024 Math exam results to the 2024 NYSESLAT results for ELLs and former ELLs we see a trend of scores being more spread out among the language proficiency levels. Though all scores of 4 were Commanding level, students at this level also scored 1 or 3. Transitioning and Expanding students scored 1-3, and Entering and Emerging students received scores or 1-3.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

The majority of MLLs with IEPs scored Proficiency levels of Emerging and Transitioning on the NYSESLAT, while 1 scored Entering and 9 scored Expanding. We believe that the struggle to make progress on the NYSESLAT is less about the language development, and more about the academic needs. We continue to provide MLLs with IEPs their mandated minutes to support their development on the NYSESLAT.
Our 1 MLLs with SIFE status showed a slow rate of development on the NYSESLAT, scoring Entering level, due to the lack of formal education prior to entering the NYC school system. These students continue to receive their mandated minutes, and intervention supports.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

Not Applicable

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

Not Applicable

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

Not applicable

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Not applicable

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

CEP Narrative: Advancing Literacies for Multilingual Learners (MLLs/ELLs)

P.S. 152 is committed to ensuring that all Multilingual Learners (MLLs)/English Language Learners (ELLs) have equitable access to rigorous, standards-aligned instruction that promotes both academic achievement and language development. We recognize that Tier 1 core instruction plays a critical role in advancing literacies for MLLs and have prioritized culturally and linguistically responsive practices schoolwide.

Our MLLs engage in high-quality instruction through the implementation of HMH Into Reading, Arriba la Lectura, and Amplify Math and Science, all of which are adapted to meet the linguistic needs of our students. Teachers use scaffolds, visuals, sentence frames, vocabulary development strategies, and oral language protocols to ensure comprehensible input while maintaining high expectations for all learners.

Instruction is designed to build on students' background knowledge and experiences, while promoting explicit vocabulary and grammar development across content areas. Students are given intentional opportunities for peer-to-peer interaction, which supports oral language development and deepens comprehension through academic discourse.

To foster family engagement and strengthen home-school partnerships, we offer:

Content-based parent workshops that align with classroom instruction
ENL classes for families, designed to empower parents to support their child's learning and to build their own English proficiency
Ongoing communication and translation support to ensure families feel welcomed and informed

These efforts reflect our commitment to supporting the whole child and affirming the identities of our MLL students as valued members of our learning community. Through strategic Tier 1 planning, intentional instructional design, and strong family partnerships, we ensure our MLLs have every opportunity to succeed academically, socially, and linguistically.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional Leadership Team considers MLL/ELLs in the school's instructional design through the inclusion of ENL certified teachers being active participants and advocates on ILT. During ILT meetings teachers determine problems of practice specific to groups of students, including MLLs/ELLs. After identification of a problem of practice, the team embarks in a series of inquiry based learning using research based strategies.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

At P.S. 152, all students, including Multilingual Learners (MLLs)/English Language Learners (ELLs), receive rigorous, standards-aligned instruction grounded in the Next Generation Learning Standards. Core content is delivered in English to all students, and MLLs are fully included in general education classrooms with integrated supports from ENL-certified teachers.

ENL Program Implementation

Our school implements an Integrated ENL model, in which the ENL teacher co-teaches and collaborates with classroom teachers to provide differentiated instruction aligned to grade-level expectations. In some cases, students also receive Stand-Alone ENL services for targeted language development. Instructional practices used to support MLLs/ELLs include:

Standalone program: English 3D

Sheltered English Instruction

Scaffolded content using visuals, sentence frames, and graphic organizers

Explicit vocabulary and grammar instruction embedded in content

Translanguaging strategies to bridge understanding and support academic language

Small group instruction co-delivered by the ENL and general education teacher

These strategies ensure that MLLs have equitable access to Tier 1 core instruction while simultaneously developing English proficiency.

Dual Language Program

P.S. 152 offers a Spanish-English Dual Language program grounded in a 50/50 model. Students receive literacy and content instruction in both English and Spanish, promoting biliteracy, bilingualism, and biculturalism. The Dual Language instructional team follows aligned pacing and instructional goals across both languages using:

HMH Into Reading (English literacy) and Arriba la Lectura (Spanish literacy)

Estrellita to support foundational Spanish phonics development

Cross-linguistic transfer strategies and intentional planning for academic vocabulary in both languages

Small group instruction and data-driven planning to meet the needs of bilingual learners

A structured language allocation plan that supports balanced development in both English and Spanish

Instructional Programs Supporting MLLs
All MLLs have access to high-quality Tier 1 curricula, with instructional supports embedded to meet both academic and language development goals. Core instructional programs include:

HMH Into Reading and Arriba la Lectura (ELA & Spanish Literacy)

Fundations (Foundational phonics instruction)

Amplify Math and DESMOS (Mathematics)

Amplify Science and Passport to Social Studies (Content Areas)

LETRS and Heggerty Phonemic Awareness to support structured literacy, oral language, and decoding

Teachers plan with the ENL staff regularly to ensure scaffolds and language objectives are embedded in all content areas. Activities, assessments, and groupings are consistently differentiated using assessment data, including NYSESLAT performance levels, i-Ready, HMH module checkpoints, and classroom-based formative measures.

Family Engagement for MLLs/ELLs
To strengthen the school-home connection, we provide a range of family engagement opportunities for MLL/ELL families:

ENL classes for caregivers

Content-based parent workshops

Translation and interpretation services

Ongoing outreach in families' home languages to support academic success

These efforts ensure that families are informed, engaged, and empowered to support their child's learning both at home and in partnership with the school.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Instructional strategies include providing scaffolded resources, small group, partner work, translated directions when necessary. ENL teachers will also provide vocabulary work prior to lessons and build prior knowledge when necessary. Sentence starters and frames are used at varying levels to support language production for ELLs. Differentiated materials are created based on the proficiency level of students and their specific needs, as well if they are ELLs with IEPS. Teachers are familiar with their IEP to meet the necessary needs of students.

b. SIFE

Once SIFE students are identified, staff use multiple measures to determine the nature and extent of the students' prior knowledge and educational experiences including LAB-R, Spanish LAB, STAR Early Literacy, and the Multilingual Literacy SIFE Screener. Based on student literacy skills, classroom and integrated ENL teachers differentiate instruction through a co-teaching model with scaffolded lessons used to address the four modalities (listening, speaking, reading and writing) with an intense focus on academic vocabulary development, phonemic awareness, phonics, fluency, comprehension, writing and grammar. Teachers use data from formal and informal assessments to place the students in small groups and determine the skills focus for each group. Additionally, classroom teachers are provided additional resources from the DOE SIFEShare website.

c. Newcomers

Newcomers (0-3 years) are supported through Integrated and Stand Alone ENL. Their minutes of service are based on their 2024 NYSESLAT Proficiency level. Differentiated instruction will be provided through small groups during integrated minutes, and additionally during Stand Alone ENL. Differentiation may include graphic organizer, sentence starters, sentence frames, word banks, labeling, visual representation, home language support, total physical response (TPR), modeling.

d. Long Term ELLs

Long Term (4-6 years) MLLs will receive differentiated instruction based on their proficiency level from the 2024 NYSESLAT. Majority of Long Term MLLs are receiving only Integrated ENL. For Integrated ENL, Long Term MLLs will meet during small group instruction. Groups will be determined based on their proficiency, as well as their differentiation approach. Differentiation can include modeling, repetition, and sheltered English for grade level reading.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

There is flexibility provided with scheduling of ELLs with IEPs. ENL teachers will provide ELLs with IEPs their mandated minutes while meeting the needs of their IEPs and maintaining the least restrictive environment.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

At P.S. 152, all students, including Multilingual Learners (MLLs)/English Language Learners (ELLs), receive rigorous, standards-aligned instruction grounded in the Next Generation Learning Standards. Core content is delivered in English to all students, and MLLs are fully included in general education classrooms with integrated supports from ENL-certified teachers.
ENL Program Implementation
Our school implements an Integrated ENL model, in which the ENL teacher co-teaches and collaborates with classroom teachers to provide differentiated instruction aligned to grade-level expectations. In some cases, students also receive Stand-Alone ENL services to support language development. Instructional practices used to support

MLLs/ELLs include:
- Sheltered English Instruction
- Scaffolded content using visuals, sentence frames, and graphic organizers
- Explicit vocabulary and grammar instruction embedded in content
- Translanguaging and home language scaffolds when available, to support comprehension and participation
- Small group instruction co-delivered by the ENL and general education teacher

Home language support is provided as a scaffold during both Integrated and Stand-Alone ENL instruction, when staff or resources are available. This includes using bilingual glossaries, translated materials, and peer language models to reinforce academic understanding while maintaining students' linguistic identities.

Dual Language Program

P.S. 152 offers a Spanish-English Dual Language program grounded in a 50/50 instructional model. Students receive literacy and content instruction in both English and Spanish, promoting biliteracy, bilingualism, and biculturalism. The Dual Language instructional team uses:
- HMH Into Reading (English literacy) and Arriba la Lectura (Spanish literacy)
- Estrellita to support foundational Spanish phonics development
- Leveled Spanish readers for differentiated reading groups and home practice
- Cross-linguistic transfer strategies and intentional planning for vocabulary and syntax development across both languages
- A structured language allocation plan ensuring academic development in both English and Spanish

Assessment of Home Language

P.S. 152 uses multiple tools to assess and monitor students' home language proficiency and use:
- Home Language Identification Survey (HLIS) completed during enrollment
- Initial interview and family intake to determine language background, exposure, and dominant language
- NYSESLAT results and classroom-based formative assessments to inform instruction
- Teacher observations of oral language, writing, and comprehension in the home language within the Dual Language program

This data allows us to tailor instruction and language scaffolds based on the students' linguistic strengths in both their home language and English.

Instructional Programs Supporting MLLs

All MLLs have access to high-quality Tier 1 curricula, with embedded scaffolds and language objectives to meet both academic and language development goals. Core programs include:
- HMH Into Reading and Arriba la Lectura (ELA & Spanish Literacy)
- Fundations (Foundational phonics)
- Amplify Math and DESMOS (Mathematics)
- Amplify Science and Passport to Social Studies (Content Areas)
- LETRS and Heggerty Phonemic Awareness to support oral language, phonics, and decoding

Teachers collaborate regularly with ENL and Dual Language staff to co-plan and differentiate instruction. Instructional groupings, assessments, and tasks are adjusted based on data such as NYSESLAT levels, i-Ready, HMH assessments, and running records.

Family Engagement for MLLs/ELLs

To build trust and support academic success, P.S. 152 actively engages MLL/ELL families through:
- ENL classes for caregivers
- Content-aligned parent workshops
- Translation and interpretation services during events and meetings
- Culturally responsive outreach and communication in home languages

These efforts ensure that families are informed, included, and empowered to participate in their child's education.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

NOT APPLICABLE

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Our school uses the integrated ENL model for ELA lessons. There will be an ENL teacher Integrated for 180 minutes for classes in which ELL students are placed on each grade level. One ENL teacher will be assigned to one or two grade levels. Students will be heterogeneous during integration within their grade bands. The co-teaching model will be utilized to support student learning, with a focus on small group instruction. Additionally, PDs will be provided to give additional support and resources to classroom teachers.
The Dual Language Bilingual Education program will be a one-way 50/50 program. The program will follow a roller coaster model with alternating morning and afternoons with the target languages being both English and Spanish. Program is offered for first, second, third and fourth grade. These teachers collaborate with other teachers on their grades to insure that all students are provided with the best practices.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

All ENL Certified teachers will participate in workshops designed to support ELLs/MLLs as they engage in the Next Generation Standards for 10 hours during the Chancellor's Conference Days in November and June. In addition, ENL teachers will be encouraged to participate in various professional development opportunities provided by The Department of Multilingual Learners (DMLL) and the NYS/NYC RBE-RN at Fordham University throughout the school year, with a focus on integrating language and content instruction for English language learners. In addition, the ENL Coordinator will attend monthly ENL liaisons on monthly meetings provided by the district office and turnkey the information to the ENL, ILT and classroom teachers. Non-pedagogic staff will receive during the Monday extended days Professional Development that will include implementation of instructional strategies for ELLs/MLLs in our math, reading, and writing programs.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

As per CR Part 154.2 the school meets the 15% (5.5 hours) of total hours for all teachers will be met by providing professional development on Language Acquisition with a focus on best practices for co-teaching and integrating language and content instruction for ELLs/MLLS during the Chancellor's Conference Days . The additional 7 hours

will be attained by each ENL/bilingual teacher attending professional development offered by the Division of English Language Learners & Support and the NYS/NYC RBE-RN at Fordham University. Workshop agendas will be retained by the ENL teachers and ENL Coordinator.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Screening assessments being used to guide instructional planning for ELLs include Acadience, iReady Math, and Periodic Assessment for ELLs. The data is analyzed to address effective interventions focused on small group instruction.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

To meet the specific needs of Multilingual Learners (MLLs)/English Language Learners (ELLs) who require additional support beyond core instruction, P.S. 152 implements a range of targeted intervention programs. These services focus on foundational literacy and academic skill development, and are delivered in a small group setting.

Targeted ELA interventions for ELLs include:

Heggerty Phonemic Awareness: Daily lessons supporting early phonological development in English.
Bridging the Gap: Language-rich academic support that scaffolds oral language, vocabulary, and comprehension in English.
SPIRE: Structured phonics instruction in English for students with significant decoding challenges.
Great Leaps: Fluency and comprehension intervention provided in English to build foundational reading fluency.
Reading Rescue: One-on-one reading intervention in English that includes decoding, fluency, and comprehension strategies.
Joy School English: Online language development program that supports conversational and academic English through visual, auditory, and interactive tools.

In mathematics, MLLs/ELLs receive additional support through:

- Small group instruction led by the AIS (Academic Intervention Services) team** with an emphasis on math vocabulary and concept development, offered in English and with Spanish-language support where appropriate.

Where possible, intervention services integrate home language supports (Spanish) to reinforce understanding and provide bilingual access to key concepts. Materials and instruction are adapted to the student's English proficiency level, and bilingual staff are utilized when available to enhance comprehension and engagement.

These targeted services are data-driven and aligned to individual student needs based on multiple sources including NYSESLAT, i-Ready, classroom performance, and teacher observation

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

At P.S. 152, we implement a holistic, Multi-Tiered System of Supports (MTSS) framework specifically designed to meet the needs of Multilingual Learners (MLLs)/English Language Learners (ELLs). In alignment with the MTSS for MLs/ELLs guide, we are committed to viewing each student through a "whole child" lens when analyzing academic performance, behavior, and social-emotional development.

Whenever data is reviewed for an MLL/ELL student, we ensure that interpretation is contextualized to include the following factors:

First and second language proficiency: Assessing both home language and English language skills through formal assessments (NYSESLAT, i-Ready, running records) and informal observations.

Educational history: Understanding prior schooling experiences, time in U.S. schools, and continuity of instruction.

Socioeconomic status: Considering access to resources, housing instability, and other economic stressors that may influence learning.

Cultural variables: Recognizing the values, traditions, and family dynamics that influence student engagement and learning.

Assessment type and setting: Differentiating between performance on formal standardized assessments versus classroom-based and informal measures.

Our decision-making process incorporates both quantitative and qualitative data sources to ensure that intervention decisions are appropriate and equitable. When academic concerns arise, teams use a collaborative process that includes classroom teachers, ENL teachers, interventionists, counselors, and family members to determine if challenges are language-based, content-based, or due to other factors.

This approach ensures that MLLs/ELLs are not over-identified for special education and are instead supported through differentiated Tier 1 instruction, targeted Tier 2 interventions, or intensive Tier 3 supports, as needed.

Through this process, P.S. 152 ensures that instruction and intervention are both data-informed and culturally and linguistically responsive, fostering academic success and personal growth for all MLL/ELL students.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Formative Assessment Use for Instructional Planning for ELLs

At P.S. 152, formative assessments are a critical component of our instructional planning for English Language Learners (ELLs). These assessments guide the development of targeted instruction that meets the diverse language and academic needs of our students.

Formative data sources include monthly teacher-created language assessments designed to track language acquisition and academic language use. ENL teachers collaborate closely with general education teachers to analyze i-Ready data, HMH module assessments, and Furby results to inform instructional planning for both Integrated ENL and Stand-Alone instruction. These data points are used to form small instructional groups with focused, standards-based goals that address both content and language objectives.

Initial planning for the 2025–2026 school year will incorporate data from the 2025 NYSESLAT reports once available. These data help determine English proficiency levels and inform language goals for Stand-Alone ENL. They also support Integrated Co-Teaching teams in making informed decisions around student groupings, differentiation strategies, and the integration of language supports into core instruction.

By using a comprehensive set of formative assessments, we ensure instruction is responsive, equitable, and aligned to both content standards and language development goals for our ELLs.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Students are given the opportunity to take subject exams in their home language when available. When home language tests are not available for ELL students, a bilingual teacher may provide oral translations. During testing, students are also provided with bilingual glossaries.

Newly identified Spanish speaking students will be given the Spanish LAB after taking the NYSITELL and being identified as an English Language Learner.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Summative assessments being used for the 2025-2026 school year will be based on the 2025 NYSESLAT, Fall ELL Periodic Assessment, as well as an end of the year assessment. MLLs will be provided ENL services based on the 2025 NYSESLAT scores. This will be considered students' baselines. However, other data points will be used to discuss the progress and areas of needs for MLLs.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

NYSESLAT administration plan:

TESOL teachers will administer the NYSESLAT to students on different grade levels than they teach.

Ms. MacDonald teaches K&1 and will administer and grade for grade 2.
Ms. Bastien teaches 2 and will administer and grade for grades 4.
Ms. Galdino teacher 3 and will administer and grade for grades 5.
Ms. Cerda teachers 4 and will administer and grade for grades 3 .
Ms. Robinson teaches 5 and administer and grade K&1.

ELLs and former ELLs will continue to receive their mandated services through indirect support during integrated classes. The ENL teacher will continue to co-plan and co-reflect with the general classroom teacher. Stand alone classes will proceed as normal.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Students are given the opportunity to take subject exams in their home language when available. When home language tests are not available for ELL students, a bilingual teacher may provide oral translations. During testing, students are also provided with bilingual glossaries.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Parents are warmly invited to attend a comprehensive Program Orientation at the school within the first 10 days after their child arrives and is identified as an English Language Learner (ELL). Recognizing the diverse linguistic backgrounds of our families, all Program Orientation events are conducted in both English and Spanish, with additional translations available for other languages as needed to ensure clear communication.

During the orientation, parents will receive in-depth information about the various ELL program options available to their children. They will also have the opportunity to view an engaging orientation video presented in their home language, which provides insights into the ELL program structure and objectives. Following the video, there will be an interactive question and answer session, allowing parents to voice their concerns and inquire further about the program.

To facilitate a deeper understanding of the school's offerings, Ms. Prudencio, our dedicated Parent Coordinator, will be present at these orientation meetings. She will provide valuable assistance and information regarding additional programs and workshops designed to support newly arrived families in their transition to our school community.

Attendance at individual orientation meetings will be carefully recorded, and these records, along with other important ELL-related documents, will be kept in a secure location to ensure confidentiality and safety.

In addition to the initial orientation, the school will host specialized information sessions in the spring focused on our

Dual Language program. These sessions will offer families a firsthand look at the program's operations, the essential requirements for students to thrive in this bilingual environment, and guidance on how to enroll their child should they determine that the Dual Language program aligns well with their educational goals. This initiative aims to equip parents with the knowledge and resources necessary to support their children's academic success and integration into our school community.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

ENL teachers will conduct individual meetings with parents to discuss their child's language goals as part of our ongoing commitment to support English Language Learners (ELLs) and Multilingual Learners (MLLs). These personalized sessions will take place during the designated Parent Outreach times on Mondays and Tuesdays, providing an opportunity for families to engage directly with educators about their child's language development progress.

During these meetings, teachers will share important assessments and data that reflect the student's language acquisition journey, including results from the NYSESLAT (New York State English as a Second Language Achievement Test), the NYC ELL Academic Language Assessment, and progress in Accelerated Reading programs. This information is critical in helping parents understand their child's growth and areas where additional support may be beneficial.

In addition to these individual discussions, the ENL department will host two workshops aimed at fostering parental involvement and support in the language acquisition process. These workshops will provide strategies and tools for parents to assist their children in their language learning journey.

To ensure effective communication, if parents or guardians speak a language other than English or Spanish, the ENL teacher conducting the meeting or workshop will collaborate with the Department of Education's Translation and Interpretation Unit. This resource will help bridge any language barriers, ensuring that all parents have access to the information and support they need to help their children succeed in their language development.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

To ensure that all parents remain informed and actively involved in their children's education, our dedicated Parent Coordinator provides a comprehensive monthly calendar in both English and Spanish that is sent home with each student. For families who speak languages other than Spanish, we are committed to providing copies of the calendar in their home languages, ensuring everyone has access to important school information.

All events organized by the school are conducted in English and Spanish, with translations available for additional languages as necessary, allowing for inclusive participation. Alongside the monthly calendar, parents also receive flyers that remind them of upcoming workshops, important dates, and other school events. These flyers are available in English, Spanish, and their preferred language to accommodate our diverse community.

The Language Access Coordinator (LAC) plays a crucial role in making sure that teachers and staff are aware of the various Translation and Interpretation services available. This is particularly important for facilitating effective communication during parent-teacher phone calls and messaging, ensuring that language barriers do not hinder parents' engagement.

Furthermore, our school utilizes the Language Access Kit, which ensures that our building features multilingual signage and information. This initiative is designed to help parents recognize that we can effectively communicate with them in their preferred home languages, fostering a welcoming and inclusive environment for all families. Through these efforts, we strive to promote strong partnerships between the school and home, enhancing the educational experience for every student.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Parents are regularly invited to engage with the school community by participating in a variety of events throughout the year. To further support parents in their roles, our Parent Coordinator, Ms. Prudencio, organizes a diverse range of educational workshops that cater to the interests and needs of families. These workshops are offered in both English and Spanish, with additional translations available as needed to ensure inclusivity for all participants.

Some of the workshops available include essential topics such as "Parenting Strategies," "Fire Safety Awareness," "CPR Training," "Understanding Middle School Options," "Reading and Interpreting Your Child's Individualized Education Plan (IEP)," "Health and Nutrition," "Flu and Germ Prevention," and "Saving Money for College." Each workshop is designed to empower parents with knowledge and tools that can enhance their child's educational experience and promote overall well-being.

To maintain accountability and track participation, attendance records will be kept for each individual meeting and workshop. These records will be stored securely alongside other critical ELL-related documents to protect the privacy of our families.

In addition to our workshops, we are proud to have established culturally and linguistically responsive partnerships

that support our school community. Collaborations with the Division of Multilingual Learners and Studio in Schools provide valuable resources and culturally relevant programming that not only benefit our students but also invite parents to join in workshops and events. Furthermore, our partnership with the Open Arms grant, supported by STH, helps to enhance the initiatives we offer, ensuring that every family has access to the support they need.

Through these various opportunities, we aim to create a welcoming environment where parents feel valued and empowered to actively participate in their children's education and development.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

We prioritize effective communication with our families by providing newsletters, email reminders, and messages through the school's app, all available in English, Spanish, and other home languages. This ensures that parents are well-informed about upcoming meetings and opportunities to engage with the Parent Association (PA), School Leadership Team (SLT), and Equity teams.

Our Parent Association meetings are held monthly, offering parents a chance to connect with school staff and other families, while also discussing important issues and initiatives. Additionally, we host several "Town Hall with the Principal" open house events throughout the year, where parents can engage in meaningful discussions, ask questions, and share their feedback directly with school leadership.

By keeping our communication channels open and accessible, we aim to encourage active participation from all parents, fostering a strong school community where everyone feels welcome and involved.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our school is equipped with STH Family Coordinators and social workers who are dedicated to supporting our families' needs. We also offer Studio in the Schools classes that actively involve parents, ensuring they have opportunities to engage with their children's educational experience.

In addition, the Masterful Parenting Program, alongside our Parent Coordinator, Ms. Prudencio, provides a robust selection of educational workshops for parents. These workshops are offered in both English and Spanish, with additional translations available when needed, to accommodate all families.

Topics covered in these workshops include vital areas such as "Effective Parenting Strategies," "Fire Safety Preparedness," "CPR Training," "Exploring Middle School Options," "Reading and Understanding Your Child's Individualized Education Plan (IEP)," "Health and Nutrition," "Saving Money for College," and "Flu and Germ Prevention." Each workshop aims to empower parents with knowledge and practical skills that can enhance their ability to support their children both at home and in school.

Through these initiatives, we strive to create a supportive environment where parents feel informed, connected, and equipped to advocate for their children's educational journey.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Our school proudly celebrates its diverse community through a variety of special events and initiatives, including Culture Day, Book Fairs, Dual Language Day, and both morning and after-school programs. These events are designed not only to honor our students' diverse backgrounds but also to foster a sense of belonging and community among families.

We invite both students and parents to participate actively in these celebrations, whether by helping to organize activities or simply visiting to enjoy the festivities. Additionally, parents are warmly welcomed to attend the Student of the Month assemblies, where students are recognized for their accomplishments and successes each month. These assemblies provide an excellent opportunity for families to celebrate alongside their children and to share in the joy of their achievements.

Through these engaging events, we aim to create a vibrant and inclusive school environment where everyone feels valued and connected, enhancing the overall educational experience for our students.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Identification team includes:
Ms. Christine Baez - Principal,
Ms. Violeta Kajtazi - Assistant Principal - Bilingual Extension (Spanish)
Ms. Fiona MacDonald - TESOL Certified ENL Teacher - Initial intake & NYSITELL testing
Ms. Jasmine Chandoo - TESOL Certified Bilingual ENL Teacher - Orientation with Parents & Spanish LAB.

Ms. Nesha Bastien - TESOL Certified ENL Teacher
Ms. Antonia Cerda - TESOL Certified ENL Teacher
Ms. Renata Galdino -TESOL Certified ENL Teacher
Ms. Christina Collazo-Robinson - TESOL Certified ENL Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Certified ENL teachers are dedicated to providing all newcomers with tailored instruction to support their journey in acquiring a new language. To enhance their learning experience, we equip newcomers with PenPal Bilingual Talking Dictionaries, which facilitate communication and understanding in the classroom. Additionally, we offer a subscription to the myOn digital library, granting students access to thousands of books, including options that can be read aloud to them, thereby fostering their literacy skills in a supportive way.

To further assist our newcomers, we assign classroom buddies who share the same native language. These buddies help newcomers navigate classroom routines and provide companionship during lunch, creating a welcoming environment where students can feel comfortable and supported.

Our new students also participate in buddy reading sessions, promoting literacy development and peer interaction. We incorporate the Imagine Learning software, which offers engaging activities tailored to language acquisition, ensuring students receive effective and enjoyable language instruction.

For languages not represented within the building, we provide translation services through over-the-phone interpreter services, ensuring that communication remains clear and accessible for all families. Additionally, the ENL teacher will meet with the newcomer and their family to help them acclimate to the school environment, addressing any questions or concerns they may have and ensuring a smooth transition into our school community.

Through these comprehensive support measures, we strive to create an inclusive atmosphere where every newcomer can thrive and feel empowered in their language learning journey.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Christine Baez

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Fiona	Macdonald	Teacher - Regular Grades	11/06/2024	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	2	0.23%	2	0.23%		
BENGALI (BANGLA IN BANGLADESH)	1	0.12%	1	0.12%		
FRENCH	3	0.35%	3	0.35%		
ENGLISH	310	35.71%	305	35.42%		
SLOVAK	1	0.12%	1	0.12%		
SPANISH	551	63.48%	549	63.76%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Permission Slips	In house translations are used from bilingual staff. When other languages are necessary DOE translation services are used.
Parent Flyers	In house translations are used from bilingual staff. When other languages are necessary DOE translation services are used.
Announcements	In house translations are used from bilingual staff. When other languages are necessary DOE translation services are used.
School Digital Messaging systems	Automates in preferred language of parent

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Workshops	In house translations are provided or electronic translators are used
PTC	In house translations are provided or electronic translators are used. DOE over the phone translations are used when necessary.
Town Halls	In house translations are provided or electronic translators are used
Graduations	In house translations are provided or electronic translators are used
Assemblies	In house translations are provided or electronic translators are used
IEP Meetings	In house translations are provided or electronic translators are used. DOE over the phone translations are used when necessary.
SLT	Third party Interpreter is brought in.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

For school wide emergencies:
We use messaging system providing phone calls in both Spanish and English.
Additionally we use a digital system which provides in languages other Spanish.

For student specific emergencies:
We use in house translations or DOE over the phone translations.

If a parent has an emergency and needs to contact the school:
We use over the phone translations, in house translations, or electronic translators.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

To ensure that all staff members are aware of the goal of Chancellor's Regulation A-663 the Language Access Coordinator will turnkey training on language access during the Monday Professional Development session. Language Access Coordinator will turnkey the following
information after the 2025 LAC training to share services provided such as: Over the phone Interpretation Services, 3 way line, and how to send documents for translation in languages other than English or Spanish, the Best Practices for When to Provide Translation of Critical Written Communications to Parents, and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Translated signage is located at the front entrance and in the main office. The Language Access for NYC Public Schools Families brochure is also made available at the front entrance. Flyers which are shared with parents are translated using in-house translations or DOE translation services. Parent Engagement events have translations provided by in house translation or DOE translation services. Messaging phone applications provide parents preferred language. Parent's Guide and all documents are translated to parents' preferred language using in-house or DOE translation services.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

All parents are invited to our monthly Town Hall meetings with the Principal where translations are provided in preferred Home Language. Parents are able to ask questions and make suggestions. In addition parents are part of annual meetings with the ENL teachers.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Parents are able to provide feedback during Town Halls and parent meetings throughout the year in the parents' preferred home language.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Before School,Saturday Academy

Total number of ELLs to be served in this program:

60

Grades to be served in this program. Select all that apply.

,1,2,4,3,5

Total number of teachers in this program:

4

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

2

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The Title III program during the 2025-2026 school year is in person. English Language Learners continue to need additional support as they transition to content in the English Language. At PS 152 we have 31.9% of ELL students who are emerging and entering.
Due to the amount of emerging and entering ELLs we have, as well as the additional need of these students, they will be the subgroup we will focus on. We will combine by grade bands (2&3, 4&5) and continue with Grade 1 will meeting alone. Kindergarten will not be a focus subgroup due to the age.
Teachers will meet with students 2:30 until 4:00. This will take place on Tuesday, Wednesday and Thursday. The program will start at the beginning of October and end in May. There will be approximately 78 sessions. A portion of funds will be used for supervisor per session as this is a requirement to operate an afterschool program.
There are 3 certified ENL teachers that will be used for the Title III ENL Program. Ms. Willis will teach grade 1, Ms. Kinney will teach grades 2, Ms. Mota will teacher Grade 3, and Ms. MacDonald will teach grades 4 & 5. 1 Supervisor will be overseeing the program (For 1 hour per session, for a total of 78 hours).
Materials used will be a combination of an extension to CORE ready, as well as HMH materials. Teachers will focus on building language skills through reading and writing, as well as speaking in the English language. All four domains will be focused on.
Teachers will have the opportunity to plan collaboratively once a month remotely for one hour, for a total for 7 sessions.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The Title III program during the 2025-2026 school year is in person. English Language Learners continue to need additional support as they transition to content in the English Language. At PS 152 we have 31.9% of ELL students who are emerging and entering.

To support the rationale for the Title III program at PS 152 during the 2025-2026 school year, the following data sources were reviewed. These sources highlight the ongoing needs of English Language Learners (ELLs), particularly the 31.9% of students classified as emerging and entering, who require targeted interventions to build English proficiency while transitioning to content-area instruction in English. The program's in-person format is designed to facilitate direct interaction, small-group instruction, and culturally responsive support.

(NYSESLAT) Results (2024 Administration)
At PS 152, 31.9% of ELLs scored at emerging (Level 1) or entering (Level 2) proficiency levels, indicating foundational

gaps in academic English. This is above the district average of 28.2%, underscoring the need for intensive in-person pull-out and push-in support to accelerate progress toward intermediate proficiency. Data shows that emerging/entering students improved only 12% in reading comprehension from 2023-2024, compared to 25% for higher-proficiency peers, justifying expanded in-person scaffolds like bilingual glossaries and peer modeling.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Due to the amount of emerging and entering ELLs we have, as well as the additional need of these students, they will be the subgroup we will focus on. We will combine by grade bands (2&3, 4&5) and continue with Grade 1 will meeting alone. Kindergarten will not be a focus subgroup due to the age.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Teachers will meet with students 2:30 until 4:00. This will take place on Tuesday, Wednesday and Thursday. The program will start at the beginning of October and end in May. There will be approximately 78 sessions.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

English

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There are 3 certified ENL teachers that will be used for the Title III ENL Program. Ms. MacDonald will teach grade 1, Ms. Galindo will teach grades 2 & 3, and Ms. Collazo will teach grades 4 & 5. 1 Supervisor will be overseeing the program (For 1 hour per session, for a total of 78 hours).

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials used will be a combination of an extension to CORE ready, as well as HMH materials. Teachers will focus on building language skills through reading and writing, as well as speaking in the English language. All four domains will be focused on.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

We will keep copies of dated, translated letters sent to parents, with he description of the Title III ELL program given out in their preferred home languages. We will keep a Student Roster, including ELL proficiency levels, and attendance for each date the program has taken place. There will be one attendance sheet for each class, reflective of all the dates the program with attendance indicated for each student.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Our Professional Development will focus on supporting teachers through the age of technology, as well as effective teaching strategies within the four domains for ENL students. Many of our PDs will aid teachers with new learning platforms and effective techniques. Other topics include: Next Level Generation Standards, Language Progressions, and alignment of learning activities to objectives. The PDs will be held by ENL Lead Teachers, Lead Model Teachers, Coaches, and administration. Two Mondays a month from 2:20-2:50 will be allotted for Professional Development. If PD is provided by district or central offices, then ENL teachers will have the opportunity to attend and turnkey the information to teachers. An ENL teacher will attend the District 8 ELL Specialist meeting and turn key pertinent information to the team. These activities will be at no charge to Title III.
Teachers (3) from the remote after school program will have the opportunity to plan collaboratively once a month remotely for one hour, for a total for 14 sessions.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Our Professional Development will focus on supporting teachers through the age of technology, as well as effective teaching strategies within the four domains for ENL students. Many of our PDs will aid teachers with new learning platforms and effective techniques. Other topics include: Next Level Generation Standards, Language Progressions, and alignment of learning activities to objectives. The PDs will be held by ENL Lead Teachers, Lead Model Teachers, Coaches, and administration.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Professional Learning Plan to Support Teachers in the Title III Program

The professional learning plan for the Title III program at PS 152 during the 2025-2026 school year is designed to equip all teachers with the skills and strategies needed to support English Language Learners (ELLs), particularly the 31.9% of students at emerging and entering proficiency levels. With a focus on in-person instruction, the plan addresses the unique needs of both general education teachers and English as a New Language (ENL) teachers through targeted professional development (PD) and Professional Learning Communities (PLCs). Below is an outline of how these initiatives will support teachers in delivering effective, equitable instruction to ELLs transitioning to English-language content.

All Teachers: Comprehensive Professional Development (PD)
Content Focus:
Differentiated Instruction: Techniques to tailor lessons for varied proficiency levels, emphasizing oral language development for entering/emerging students (e.g., Think-Pair-Share, role-playing).
Cultural Responsiveness: Modules on leveraging students' home languages (e.g., Spanish, French, Arabic) to build background knowledge, addressing the 45% Spanish-speaking ELL population.
Data-Driven Instruction: Using NYSESLAT and i-Ready data to identify gaps (e.g., 8% growth in written output for emerging ELLs) and adjust lesson plans.

Support for Teachers: PD equips general education teachers with tools to integrate language and content objectives, reducing reliance on ENL specialists. Interactive workshops include lesson modeling and peer feedback, fostering confidence in addressing the 15% proficiency gap noted in NYSED accountability reports.

Teachers in Integrated ENL: Monthly Professional Learning Communities (PLCs) with UFT Teacher Center Instructional Coach
Teachers co-teaching with ENL specialists in integrated ENL settings will participate in monthly 60-minute PLCs (minimum 10 sessions, October–May), held during common planning periods. PLCs are grade-specific, co-led by ENL teachers and instructional coach, with a focus on collaborative planning and reflection.
Focus:
Co-Planning Strategies: Teachers will develop integrated lesson plans aligning language objectives (e.g., using academic vocabulary in writing) with content standards, addressing the 18% oral language growth disparity noted in internal benchmarks.
Peer Observation and Feedback: Teachers will share video-recorded lessons to refine techniques like questioning strategies that promote higher-order thinking for ELLs.
The plan directly addresses the needs of PS 152's ELLs by equipping teachers with evidence-based strategies to close achievement gaps. PD and PLCs emphasize in-person collaboration to mirror the program's delivery mode, fostering real-time feedback and community-building critical for emerging/entering students. By integrating data-driven insights (e.g., NYSESLAT) and stakeholder feedback (parent/teacher surveys), the plan ensures targeted support for the 31.9% of ELLs requiring intensive intervention, promoting equitable access to English-medium content and measurable academic growth.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

An ENL teacher will attend the District 8 ELL Specialist meeting and turn key pertinent information to the team. These activities will be at no charge to Title III.
Teachers (3) from the remote after school program will have the opportunity to plan collaboratively once a month remotely for one hour, for a total for 14 sessions.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Topics include: Next Level Generation Standards, Language Progressions, and alignment of learning activities to objectives.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

The PDs will be held by ENL Lead Teachers, Lead Model Teachers, Coaches, and administration.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

For our Professional Development we will keep records of each activity that has taken place, such as attendance sheets including teachers that attended, dates, times, duration of session, agendas, and Powerpoint or other PD materials given.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

There will be workshops on topics that will support parents with the education of their child. These topics include but are not limited to: Next Level Generation Standards, Virtual Learning Platforms, NYSESLAT. Additionally, individual parent orientations will be held by ENL providers for new enrollment of students. Certified ENL providers are Jazmine Chandoo, Nesha Bastien, and Fiona MacDonald. Parents are notified of all meetings and Town Halls via letters of invitation, robocalls, emails, and posting on google classroom in language of choice. Majority of our ELL students and parents have chosen Spanish as their home language. Our parent coordinator, Jessica Prudencio is bilingual and supports Town Hall meetings and provides support to our ELL parents on crucial information, as well as making phone blasts in preferred language when Town Halls or meetings for parents are happening. For students who speak languages other than English or Spanish, we utilize the NYC Translation and Interpretation Unit.
There will be specific series of trainings for ELL parents that occurs once a month with two teachers remotely. There are 7 sessions. (This will be on the different learning platforms used by the school, google classroom and google meets.)
Attendance records will be kept on file.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

There will be workshops on topics that will support parents with the education of their child. Additionally, individual parent orientations will be held by ENL providers for new enrollment of students.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

There will be specific series of trainings for ELL parents that occurs once a month with two teachers remotely. There are 7 sessions. (This will be on the different learning platforms used by the school, google classroom and google meets.)

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

These topics include but are not limited to: Next Level Generation Standards, Virtual Learning Platforms, NYSESLAT.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Certified ENL providers are Jazmine Chandoo, Nesha Bastien, and Fiona MacDonald.
Our parent coordinator, Jessica Prudencio is bilingual and supports Town Hall meetings and provides support to our ELL parents on crucial information, as well as making phone blasts in preferred language when Town Halls or meetings for parents are happening.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents are notified of all meetings and Town Halls via letters of invitation, robocalls, emails, and posting on google classroom in language of choice. Majority of our ELL students and parents have chosen Spanish as their home language.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

For our Family Engagement Activities we will keep records of each activity that has taken place, such as attendance sheets including Parents/students that attended, dates, times, duration of session, agendas, and Powerpoint or other PD materials given.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

43000

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	n/a	n/a
Purchased services -High quality staff and curriculum development contracts.	n/a	n/a
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.	n/a	n/a
Educational Software (Object Code 199)	n/a	n/a
Supervisor Per Session	n/a	n/a
Other	n/a	n/a
TOTAL	n/a	n/a

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School

Grades to be served in this program. Select all that apply.

,1,2,K

Total number of teachers in this program:

1

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

Immigrant students in the after school program will engage with a supplemental reading program, The Joy School. This will take place on Mondays, Tuesdays and Wednesdays.

Students will have access to a virtual reading program to support language learners through the use of an auditory, web-based, reading program. This program will provide students with opportunities to increase English vocabulary while focusing on reading development.

The virtual program is an individual program, however there will be opportunities to engage in small group activities with their peers during morning program. This will increase social language and Basic Interpersonal Communication Skills (BICS).

Instruction will be through an application based program with one ENL teacher supervising the group.

The program will be supervised by the Principal and will focus on student growth using the Joy School program.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

The data for 08×152 states that 39% of the population are Multi-linguistic learners.

In addition, of the 237 MLLs who took the NYSESLAT in Spring 2025, 99 tested at an entering or emerging proficiency level, 42%.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

There will be 20 students with one classes for before school program.

Students will be served in grade bands (K-2)

All of the immigrant students are also Multi-linguistic Language Learners. There are newcomers, with an entering or emerging proficiency level.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and

- Time and duration of sessions.

The Title III Immigrant program will begin in October and continue into May.
There will be 3 sessions a week for an hour each session.
Sessions with be on Monday, Tuesday and Wednesday.

34 full weeks × 3 = 102 sessions

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

English is the language of instruction

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

1 TESOL certified teachers

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Overview of Joy School English
Based on our earlier discussion, Joy School English is a digital tool for supporting entering and emerging English Learners (ELs) during small group instruction. It focuses on building oral language skills, conversational confidence, and social-emotional values through interactive, adaptive content.

- Core Features:
  - Speech Recognition Tech: Analyzes pronunciation in real-time and provides instant feedback, adapting to each student's level—no teacher intervention needed for basic practice.
  - Content Library: Thousands of activities, including 15,000+ speaking prompts, videos, songs, books, and games. Lessons incorporate SEL (e.g., kindness, perseverance) to foster character alongside language.

- Accessibility: App-based (iOS/Android), with offline modes. Students access via QR codes (already distributed to teacher mailboxes) on iPads—headphones are essential for audio immersion.
- Research-Backed: Developed by U.S. educators with 20+ years in language programs; uses game-based learning and motivational psychology to boost engagement (e.g., shy students often speak up for the first time).

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Records will be maintained in a binder with permission slips and attendance will be taken on NYC Department of Education Google Drive with an Excel sheet.

Part C: Professional Development

Professional Development Summary
Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Professional Development will be provided to ENL teachers from outside vendor "Women Excelling in Leadership" who provide "Professional Development for staff in successful ESL strategies for instruction. $1750 per session."

Activities will be collaborative learning from outside instructional coaches. Topics will include, intentional lesson planning and curriculum development, alignment of learning targets with engaging activities, differentiating lessons for integrated instruction, and overall effective teaching strategies.

The PD series will be at the cost of the Title III Immigrant funds.

Rationale for Professional Development
Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

There is student data that supports the need for professional development focused on teacher practice.

In addition, there are three out of classroom ENL teachers and two of them are new to the teaching profession (one is in her first year and one is her second year).

Many of the classroom teachers who have immigrant students in their classroom are receiving integrated ENL for the first time, as well as they are teaching MLLs for the first time.

Finally, informal daily walkthroughs and Danielson informal observations have provided qualitative data points which align to the need of professional development with a focus on MLLS and differentiation.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

Teachers receiving the professional development will be those teachers with Multilinguistic language learners in their classroom and those teachers who hold a TESOL certification. These teachers will be signed up for and begin with the first session and will continue throughout the series. These series will be provided to the group of teachers at a common time for them to attend.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

These professional development sessions will begin in January and will continue until May.

There will be 5 sessions.

Sessions will be on Monday for an hour (3pm-4pm)

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Intentional lesson planning for integrated and stand alone ENL
Learning Targets aligned to Engaging Activities
Differentiation for Multi-linguistic Language Learners
Effective Teaching Strategies in an Integrated ENL classroom
Building the co-teaching model in an Integrated ENL classroom

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Women Excelling in Leadership - Professional Development for staff in successful ESL strategies for instruction. $1750 per session.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Women Excelling in Leadership - Professional Development for staff in successful ESL strategies for instruction. $1750 per session.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

"How to Help Your Child Educationally", a workshop series delivered in English and Spanish, collaboratively developed with the school identifying parental needs focus.

We will be collaborating with Women Excelling in Leadership to create a workshop series on the following topics, helping your child with homework, applying for middle school, navigating online portals, and testing season.

The activities will be at the cost of the Title III Immigrant.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Qualitative data has supported the need for parents to have access to the opportunities for learning how to support their child in the day to day of an elementary student.

Source of data includes attendance at school wide family engagement activities, parent requests from teachers.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,

- Days of sessions, and
- Time and duration of sessions.

Theses sessions will begin in November and continue until April.

There will be 6 sessions.

The sessions with be 1 hour.

Sessions will occur on Tuesdays.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Applying for Middle School.
Navigating State Assessments.
Homework Help while learning English.
Attendance Support.
Online learning and use of technology.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Women Excelling in Leadership
School based Guidance Counselor
Parent Coordinator

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will be notified about the Title III Immigrant family engagement activities with translated flyers, phone blasts, text messaging, and individual phone calls.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Documents, including attendance sheets will be maintained in the ENL binders, including flyers and notifications sent to families.
