Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Sharda Flores	Principal or Designee*	
Jocelyn Isaac	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Noemi Anil De Leon	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Gloria Martinez	District Council 37 (DC 37) Representative (staff), if applicable	
Bianca Melendez	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Solmarie Babilonia	SLT Chair	
Victoria Gill	UFT Member/Secretary	
Jaclyn Diamond	UFT Member	
Andreina Martinez	Parent	
Ruben Soto	Parent	
Niame Dembele	Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At The Basheer Quisim School, we are committed to providing collaborative, innovative, and critical-thinking learning opportunities in order to create equitable and diverse student-centered learning experiences for all of our learners. We believe each child to be a valued, unique individual and will continue to cultivate the genius within to ensure our students are prepared for a rapidly changing world.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

The Basheer Quisim School, PS 53 is a vibrant District 9 elementary school located in the Morris Heights neighborhood of the Bronx, serving approximately 660 students from 3K through 5th grade.

At PS 53, we are committed to the development of the whole child by fostering both academic excellence and meaningful community partnerships that enrich student learning and well-being. Our diverse student body is composed of 72% Hispanic and 22% Black students. Of our population, 92% are economically disadvantaged, and 31% are currently in temporary housing.

English Language Learners (ELLs) make up 34% of our students, with language proficiency levels ranging from Newcomer to Commanding. The majority of ELLs speak Spanish as their native language, with smaller groups speaking Mandinka, Sonnike, and Arabic. In support of multilingual learners, we launched our second Dual Language classroom this year, with the long-term goal of offering a Dual Language track from Kindergarten through 5th grade.

Students with Disabilities comprise 15% of our school population and are supported through a range of services including ICT, 12:1:1, and SETSS across all grade levels. To strengthen our inclusive practices and better meet the needs of neurodiverse learners, we proudly partnered with the ASD Horizon program this year and launched our first Kindergarten Horizon classroom—making us the second elementary school in District 9 to host this program.

PS 53 remains steadfast in its mission to provide equitable access to high-quality education and holistic supports for all students, ensuring that every child can learn, grow, and thrive.

Briefly summarize the key initiatives your school will implement this school year.

At The Basheer Quisim School, PS 53, we welcome students and families into a nurturing and inclusive environment that spans early childhood through upper elementary learning. All of our classes run a full day, from 8:00 AM to 2:20 PM, allowing for a comprehensive schedule that includes academic instruction, artistic expression, hands-on learning, and social-emotional development.

Our school is committed to broadening culturally responsive educational opportunities. We embrace innovative, research-based curricula that foster collaboration, creativity, and critical thinking. Through enrichment activities, students build camaraderie and sportsmanship, reflecting our dedication to whole-child development.

At the heart of PS 53's instructional vision is a commitment to continuous improvement and excellence in teaching and learning. Our framework is rooted in inquiry-based planning and the creation of standards-aligned, rigorous curricula across all grades. A strong emphasis is placed on small group instruction and differentiated, research-based strategies that amplify student voice, promote critical discourse, and foster innovative thought.

We are especially proud of our scholar-led organizations, clubs, councils, publications, and sports teams—all of which enrich our vibrant learning environment. No matter where a student's interests lie, there is a community of peers and educators who share their passion and support their growth. In addition to internal opportunities, we are deeply connected to our broader community through partnerships with organizations such as City Harvest, Curbside Compost, Arts for ELLs, and Wellness in the Schools (WITS).

Beyond our core day program, we offer a diverse and robust after-school program designed to extend learning and engagement through both academic support and extracurricular enrichment. Programs include Music, Arts through Notes in Motion, Street Soccer, High-Intensity Academic Tutoring, Basketball, and Saturday Academy.

To support educator development and enhance collaboration, we have implemented a normed instructional schedule from Early childhood through Grade 5, with dedicated time for literacy, science, social studies, and mathematics. Weekly embedded planning periods and Monday afternoon professional learning sessions are led by school-based content area coaches and colleagues. PS 53 also partners with several respected organizations to strengthen pedagogy and instructional delivery, including Teaching Matters (ELA & Math), Teaching Lab, Robin, PAF, and i-Ready.

Looking ahead, we are excited to launch several new initiatives this year, including the Montefiore Health Clinic, expanded sports programming, and professional development in the Science of Reading.

At The Basheer Quisim School, we are proud to cultivate a learning community where students are empowered, educators are supported, and families are valued partners in the journey of growth and discovery.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH: Into Reading	
Mathematics	K-5	Envision2	
ELA/ Mathematics	Early Childhood	Creative Curriculum	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The average rating in domains 1A: Demonstrating knowledge of content and pedagogy and 1E: Designing coherent instruction remains in the developing range with only 20% of teachers scoring effective for the 24-25 school year.	It is recognized there is a need to enhance teacher understanding and strengthen pedagogical coherence around data-informed instruction and evidence-based practices. In particular, providing continued professional development in the, development of clear and measurable instructional outcomes, design of engaging and rigorous learning experiences for students, monitoring of student learning and progress, need to provide relevant, content-rich instruction that deepens student understanding. By focusing remains building teacher capacity, promoting consistency in instructional delivery across the contents and grades to ultimately improve student achievement across all grade levels.	Professional learning around coherent lesson planning

29% of students were at or above the Acadience Spring benchmark.	The data suggest that students are experiencing challenges in several foundational areas of literacy, including phonemic awareness (specifically segmenting spoken words into individual sounds), blending letter sounds, reading fluency, and overall reading comprehension. These areas warrant targeted support and instructional focus to strengthen early literacy skills and build a strong foundation for future academic success.	Strengthening phonemic awareness, phonics in the early grades K2.
35% of students performed at or above the IREADY Spring benchmark in vocabulary acquisition and 30% of students performed at or above IREADY Spring benchmark in comprehension of informational and literary texts. Combine there are currently 32% of student performing at or above grade level in vocabulary and comprehension.	The data indicates that students are encountering difficulties in making meaningful connections with academic vocabulary while reading informational texts. This suggests a need for intentional vocabulary instruction and strategies that support deeper comprehension and application of academic language across content areas.	Strengthening vocabulary and comprehension in the upper grades 3-5.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	29%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 29% to 39%, at or above benchmark on the Acadience.
All Students	32%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 32% to 42%, at or above grade level on the IREADY Diagnostic Screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Professional Learning Communities
Data Protocols/Discussions for Data-Driven Decision-Making

Root Cause Addressed:

It is recognized there is a need to enhance teacher understanding and strengthen pedagogical coherence around data-informed instruction and evidence-based practices. In particular, providing continued professional development in the, development of clear and measurable instructional outcomes, design of engaging and rigorous learning experiences for students, monitoring of student learning and progress, need to provide relevant, content-rich instruction that deepens student understanding. By focusing remains building teacher capacity, promoting consistency in instructional delivery across the contents and grades to ultimately improve student achievement across all grade levels.

The data suggest that students are experiencing challenges in several foundational areas of literacy, including phonemic awareness (specifically segmenting spoken words into individual sounds), blending letter sounds, reading fluency, and overall reading comprehension. These areas warrant targeted support and instructional focus to strengthen early literacy skills and build a strong foundation for future academic success.

The data indicates that students are encountering difficulties in making meaningful connections with academic vocabulary while reading informational texts. This suggests a need for intentional vocabulary instruction and strategies that support deeper comprehension and application of academic language across content areas.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide professional development for all K–5 teachers on explicit, systematic phonics, vocabulary, and comprehension instruction.
Create and suggested universal lesson planning tools to ensure consistency across classrooms.
Use Acadience & IREADY data to identify students below benchmark and implement tiered interventions (small group/1:1) using programs like PAF, Enriched and Magpie
Monitor student progress within a 6 week cycle and adjust instruction accordingly.
Train Pre-K staff in phonemic awareness and early language strategies and increase access to books through community partnerships (e.g., libraries, bookmobiles).
Host quarterly literacy learning parent opportunities at all schools. Provide take-home literacy kits and tutorials for parents and translate materials into home languages to increase accessibility.
Teacher and grade teams use data from class work and unit assessments to shape planning for units of studies and individual lessons.
The bi-monthly meeting of the Instructional Leadership Team (ILT) to analyze student data to identify strengths, gaps, and areas for improvement in instruction and achievement, plan and coordinate professional development to build teacher capacity and improve instructional practices, support curriculum implementation and ensure alignment with standards.
Plan and provide professional development, in conjunction with the professional development team to support the implementation of the math curriculum as well as the promotion of best practices across grades. Professional Development will be geared to teachers of all learners including students with disabilities and English as a new language learners.
Teachers will engage in professional learning session with Teaching Matters ELA and data driven instruction to help formulate groups inclusive of students with disabilities and English as a new language learner support for our students.
Deliver Tier 2 and Tier 3 targeted interventions using i-Ready's personalized learning paths and teacher-led small groups.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress monitoring will occur in structured cycles using multiple methods to ensure consistent growth and measurable outcomes. These monitoring practices will include:

-Administrative walkthroughs and ADVANCE observations

-Informal walkthroughs by the Instructional Leadership Team (ILT)

-Six-week cycles of targeted progress checks

-Coaching cycles facilitated by school-based instructional leads

-Frequent data chats and intentional weekly grade team meetings focused on analyzing student work and planning next steps

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Empower families to support literacy at home and contribute to the goal of increasing students reading at or above grade level throughout the year	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers and Coaches will engage in parent workshops to equip parents with the resources and tools to provide additional support with students

Instructional Resources

Instructional Resources inconjuction with the curriculum, ELA protocol and various researched based approaches will be embedded into ELA learning across K-5.

Schedule Adjustments

Adjustment enhancement include block breakdown to identify direct teaching, guided and small group instruction duringN instruction.

Other Resources Needed

N/A

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
There was an overall increase in A24 reports, though several preventative measures were implemented.	Further investigation revealed that OORS reports were inaccurately coded upon entry into the OSYD platform, leading to discrepancies in how incidents were recorded and categorized.	Continued preventive training for all PS 53 staff included OSYD training for staff designated for reporting incidents on OORS
Minor altercation, disruptive learning, and verbally rude or disrespectful/unwanted behaviors, as determined by school	There is a clear need to continue the implementation of schoolwide SEL (Social-Emotional Learning) systems, including the expansion of restorative practices training to all staff members who interact with students—both inside and outside the classroom and across all	Continued need for frequent student safety assemblies that directly address high-priority areas of concern identified through school data and observations. These assemblies

safety & climate, account for 204 (46%) reported incidents on OORS.	areas of the school building. Ensuring that every adult is equipped with common language, strategies, and expectations is essential to fostering a safe, supportive, and inclusive school culture.	will reinforce expectations, build awareness, and provide students with the tools and strategies to navigate school safely and responsibly.
2025 NYC parent survey indicated that 91% of parents responded favorably to the question, My child's teachers let me know that I can make a difference in my child's learning.	The need to create conversational stems, opportunities and culture that surrounds communication of social and emotional in addition to the instructional and academic.	Continued need to communicate with parents regarding their child's social or emotional well being

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	261	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 61 Decrease, in number of level 3-5 incidents from 261 to 200, per the Online Occurrence Reporting System (OORS) reports.
All Students	96%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 4% Increase, in communicating with parents regarding their child's social emotional learning from 96% to 100%, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Professional Learning Communities/ Inter-visitation
Implementation of Researched based programs and staff support
Development of visible school wide policies and systems

Root Cause Addressed:

Further investigation revealed that OORS reports were inaccurately coded upon entry into the OSYD platform, leading to discrepancies in how incidents were recorded and categorized.

There is a clear need to continue the implementation of schoolwide SEL (Social-Emotional Learning) systems, including the expansion of restorative practices training to all staff members who interact with students—both inside and outside the classroom and across all areas of the school building. Ensuring that every adult is equipped with common language, strategies, and expectations is essential to fostering a safe, supportive, and inclusive school culture.

The need to create conversational stems, opportunities and culture that surrounds communication of social and emotional in addition to the instructional and academic.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide teachers and staff with SEL training with ROBIN & staff developers. Provide teachers with access to ROBIN curriculum and materials.

Implement cozy corners, mood meters, and incentive-based systems such as Dojo Points and Griffin Bucks in every classroom to help develop structured supports that enhance students' emotional awareness, self-regulation, and positive behavior.
Refresh staff knowledge and practice with the Robin SEL Curriculum by engaging Robin staff developers to deepen implementation, enhance classroom experiences, and strengthen community connections. Prioritize and reward the daily practice of core SEL competencies such as mindfulness, kindness, and resilience—skills shown to reduce anxiety and promote a more positive, growth-oriented mindset among students.
Implement regular grade-band assemblies to foster a sense of unity and promote a positive school culture among both students and staff. These assemblies will actively engage students in discussions and activities centered on respect for all, conflict resolution, and community building, reinforcing shared values and expectations across the school.
Implement and progress monitor clear cafeteria protocols that establish expectations for student behavior, including rules for lining up, properly emptying trays, cleaning tables, and refraining from running, shouting, or throwing food.
Identify students who would benefit from SEL lunchtime incentives, such as participation in "The Lunch Bunch." This social skills group meets regularly during the lunch period and engages students in fun, structured activities aimed at promoting positive peer interactions, communication, and the development of essential social-emotional skills in a supportive setting.
Implement monthly Celebrations of Learning that go beyond showcasing student work or serving as end-of-year parties. These events should actively engage students in reflecting on their learning process—what they learned, how they learned it, questions they explored, research they conducted, and areas of both strength and challenge. The goal is to foster student voice, metacognition, and a deeper connection to their academic growth.
Progress monitor student success participating in the SEL lunchtime initiative by tracking engagement, behavior, and social-emotional growth. Based on observed progress and readiness, rotate in a second group of students to ensure broader access and continued development of social-emotional skills across the student body.
Ensure continued OSYD/OORS reporting training for the principal-designated staff responsible for entering and managing incidents on the online platform, to maintain accuracy, compliance, and timely reporting of student-related incidents.
Create more opportunities for parents to engage in meaningful communication with teachers and staff regarding their child's social and emotional well-being

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Review behavioral incident trends, assess progress on wellness initiatives, and identify students in need of targeted support by reviewing
OORS (Online Occurrence Reporting System) reports, action plans and timelines and intervention follow-ups

Provide and monitor tiered behavioral and mental health interventions (Tier 1–3) based on student needs by analyzing intervention logs (e.g., counseling sessions, check-in/check-out systems), behavior intervention plans (BIPs) and Progress monitoring tools (e.g., behavior tracking charts, SEL screeners).

Ensure school-wide programs (e.g., SEL curriculum, mindfulness practices, peer mediation, restorative circles) are implemented with fidelity by implementing program implementation checklists and classroom observation notes.

Ensure staff are trained in trauma-informed practices, de-escalation strategies, and SEL by providing specific and aligned workshops, reviewing staff feedback surveys and implementation reflections.

Gather parent perspectives on the effectiveness and frequency of communication regarding SEL by providing a school-created mini-surveys and NYC school survey results (baseline and follow-up data).

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Engage staff and families in schoolwide celebrations, townhalls and events	School level
09/04/2025	06/26/2026	Engage parents in ROBIN & ELEVATE workshops and mindful moments with staff developers	ELEVATE & ROBIN

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the IREADY data an average of 36% of our student population performed on or above grade level in grades 3-5.	The need to continually develop teacher understanding and implementation of mathematical components in the block to support students discourse, promote teacher facilitation during direct teaching and rigorous small group instruction. The use of data analysis to contour small group instruction.	Focus on strengthening mathematical concepts and standard based application in the upper grades 3-55.
Per the IREADY data, 75% of our Kindergarteners are one grade	There is a need to strengthen foundational instruction in early numeracy skills critical for grade-level proficiency in	Focus on strengthening

level below 63% of our 1st graders are one grade level below 43% of our 2nd graders are one grade level below.	grades K-2. Create opportunities for teacher training to deliver differentiated instruction based on data.	foundational mathematical skills and concepts in the early grades, K2.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	24%	By June 2026, all students in grades K-2 will improve as measured by 26% increase from 24% to 50% scoring at or above grade level on the IREADY MATH diagnostic screener
All Students	36%	By June, 2026, all students in grades 3-5 will improve, as measured by 14% increase from 36% to 50% scoring at or above grade level on the IREADY MATH Diagnostic Screener.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Professional Learning Communities
Instructional Coaching

Root Cause Addressed:

The need to continually develop teacher understanding and implementation of mathematical components in the block to support students discourse, promote teacher facilitation during direct teaching and rigorous small group instruction. The use of data analysis to contour small group instruction.

There is a need to strengthen foundational instruction in early numeracy skills critical for grade-level proficiency in grades K-2. Create opportunities for teacher training to deliver differentiated instruction based on data.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Strategically identify the blocks for the sole purpose of daily math instruction conducted to fidelity without substitution of other content area across grades.
Implement and reflect on modules, units and topics with regards to the respective mathematics standards in which students should be proficient on Grades K-5.
Utilize data to determine tailored support for all subgroups, especially students with disabilities and English as a new language learners.

Ensuring small group instruction is correlated to current lessons, based on the data gathered.
Teacher and grade teams use data from class work and unit assessments to shape planning for units of studies and individual lessons.
Disaggregate data to determine academic intervention services in addition to the support provided in the classroom on a daily basis.
Plan and provide professional development, in conjunction with the professional development team to support the implementation of the math curriculum as well as the promotion of best practices across grades. Professional Development will be geared to teachers of all learners including students with disabilities and English as a new language learners.
Teachers will engage in professional learning session with Teaching Matters Math and data driven instruction to help formulate groups inclusive of students with disabilities and English as a new language learner support for our students.
Teachers will participate in intervisitation opportunities both within our school building and across the district to broaden their perspective on effective mathematical practices and instructional strategies.
The bi-monthly meeting of the Instructional Leadership Team (ILT) to analyze student data to identify strengths, gaps, and areas for improvement in instruction and achievement, plan and coordinate professional development to build teacher capacity and improve instructional practices, support curriculum implementation and ensure alignment with standards.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Analyze student performance data, discuss instructional adjustments, and track intervention effectiveness by reviewing i-Ready diagnostic and progress monitoring reports and current interventions

Use ongoing assessments (assessment results, i-Ready growth monitoring data, teacher observations and anecdotal records) to track student growth and tailor instruction accordingly.

Build teacher capacity in research-based math instructional strategies and targeted interventions for K-2 learners by engaging in classroom walks and observations, creating learning opportunities for teachers by way of internal professional workshops and external supports such as Teaching Matters Math.

Provide ongoing coaching to teachers to support data-driven instruction and differentiation by creating coaching opportunities, teacher goal-setting and progress reports and reviewing lesson plans/join planning sessions.

Involve families in supporting math learning at home through workshops and regular communication and at school by engaging families in day to day learning.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Workshops on how to cultivate the joy of mathematical computations and mathematical literacy	Teaching Matters/ Teaching Lab
09/04/2025	06/26/2026	Blended parent town hall meetings to continue building and bridging the relationship in order to support the academic and social-emotional learning of our students.	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers and Coaches will engage in parent workshops to equip parents with the resources and tools to provide additional support with students

Instructional Resources

Instructional Resources inconjuction with the curriculum, 3 reads protocol and various researched based approaches will be embedded into math learning across K-5.

Schedule Adjustments

Adjustment enhancement include block breakdown to identify direct teaching, guided and small group instruction during math instruction.

Other Resources Needed

N/A

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Our school-based survey indicates that less than 60% of our families are fully informed and equipped to support their child's college and career planning.	Many indicators include limited access to information and lengthy, multi-step processes required to obtain necessary information. Some families may be hesitant of programs related to college savings, or may not see immediate value in participation.	Identifying the systemic and instructional barriers that preventing a strong pathway to economic security

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	56%	By June, 2026, the the number of families Completing of Building Block 1 for All Students will Increase by 14% from 56% to 70% as measured by NYC Rise Save for College Reports.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. - Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Professional Learning Communities

Root Cause Addressed:

Many indicators include limited access to information and lengthy, multi-step processes required to obtain necessary information. Some families may be hesitant about programs related to college savings, or may not see immediate value in participation.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Develop clear, multilingual communication materials (flyers, emails, texts) explaining Building Block 1, its benefits, and how to complete it.
Host informational sessions and workshops at various times (including evenings and weekends) to accommodate family schedules.
Leverage multiple communication channels (school website, newsletters, social media, robo-calls) to share reminders and progress updates.
Utilize Parent Association or parent leaders to help spread awareness and encourage participation.
Provide step-by-step guides and FAQs in multiple languages to demystify the process. Which includes offering in-

person and virtual support sessions where families can receive help completing the required steps and setting up a dedicated support personnel for real-time assistance.
Train school staff and parent coordinators on the importance of Building Block 1 and how to support families through the process. Assign school personnel to monitor family progress, follow up with non-completers, and coordinate outreach efforts.
Establish a tracking system to monitor family completion rates weekly or monthly. Share progress updates with families and staff regularly to celebrate milestones and identify areas needing extra attention
Host celebration events recognizing families and reinforcing the importance of college savings.
Create incentives such as certificates, school-wide recognition, or small rewards for families who complete Building Block 1.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly meetings with the Family Engagement Team, Data Specialist, and Grade-Level Liaisons to review updated completion rates from NYC Kids RISE Save for College reports.

Maintain and review logs of outreach (calls, emails, workshops attended) captured by Parent Coordinators, Teachers, and Family Workers.

Ensure alignment between instructional practices and family engagement, making real-time adjustments where needed to ensure inclusivity and equity of access to information.

Maintain a tracker of all workshops, information sessions, and support events held (virtual and in-person), including attendance rates and feedback.

Assess the outreach and effectiveness of programming designed to support families in completing Building Block 1.

As needed check-ins with NYC Kids RISE partnership managers to cross-reference school data and align on best practices or support needed.

Ensure data consistency and troubleshoot system-level barriers families may face in completing the Building Block.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Blended parent town hall meetings to continue building and bridging the relationship in order to support the academic and social-emotional learning of our students.	
09/04/2025	06/26/2026	Parent school tours and morning/ afternoon SLT/PA meetings to discuss various ongoings in the building.	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025 NYC parent survey indicated that 96% of parents responded favorably to the question, My child's teacher incorporates my feedback into how they support my child.	Inconsistent home school communication	Strength home school communication regarding student

		academic and social well being
2025 NYC parent survey indicated that 91% of parents responded favorably to the question, During the school year, have you attended a school meeting, school event or parent teacher conference (virtually or in person).	Need to provide families with additional direct engagement opportunites that will allow them to support learning at home.	Need for frequent parent collaborative classroom walks/ tours and workshops

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	40%	By June, 2026, the parent attendees at school events will increase by 40% from 40% to 80% as measured by Parent Attendance Reports.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Parent workshop

Root Cause Addressed:

Need for frequent parent collaborative classroom walks/ tours and workshops.
Need for parents as collaborators in their child's learning

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Use multiple communication channels (emails, texts, phone calls, newsletters, school website, social media) to announce upcoming events well in advance.
Send personalized invitations to families, highlighting the importance and benefits of participation.
Provide information in multiple languages to accommodate all families.
Schedule events at varied times, including evenings and weekends, to accommodate different family schedules.
Ensure venues are welcoming and culturally inclusive.
Offer childcare or activities for younger children during events to enable parents to attend.

Provide opportunities for students to engage in blended (in person/virtual) workshops.
Host a diverse range of events that appeal to different interests, such as academic workshops, cultural celebrations, student performances, and family fun nights.
Incorporate opportunities for parents to engage in meaningful activities with their children during events.
Engage in parent feedback to tailor future events to their interests and needs.
Establish regular communication between teachers and families about event opportunities.
Create parent committees to help plan and promote events, increasing ownership and engagement.
Recognize and celebrate parent participation through acknowledgments, certificates, or incentives.
Reach out to families who do not attend to understand barriers and encourage future participation. Adjust strategies based on data and feedback to continuously improve attendance rates.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Track implementation of strategies to boost parent attendance, review attendance data, and adjust outreach plans by reviewing meeting agendas and minutes and action plans.

Record and analyze attendance at all school events to identify trends and areas for improvement.

Monitor frequency and effectiveness of communications (calls, texts, newsletters, social media) aimed at encouraging parent participation

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Blended parent town hall meetings to continue building and bridging the relationship in order to support the academic and social-emotional learning of our students.	
09/04/2025	06/26/2026	Workshops on how to cultivate the love of learning through the various available parent resources	

Priority 5 Budget and Resources

Budget and Resources

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to Insight, 38% of our students are chronically absent	Families are choosing not to send their children to school for various reasons, including health concerns, transportation challenges, inconsistent schedules or emergencies	Students and families need daily, consistent outreach and clear access to information regarding when it is appropriate or not appropriate to send their children to school, particularly in relation to health guidelines, attendance expectations, and school schedules.
One to two workshops per month were conducted in an effort to inform and engage parents on key topics related	Families and parents need more targeted workshops that highlight the critical connection between consistent attendance and student achievement,	There is a need to plan and deliver relevant parent and family workshops on a weekly basis to strengthen home-school partnerships, increase

to student success, such as attendance, academic expectations, and available supports.	emphasizing how regular school attendance directly supports academic growth, engagement, and long-term success.	engagement, and provide consistent support on topics such as attendance, academic achievement, SEL, and available school resources.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	38%	By June 2026, the Percentage of Chronically Absent Students for All Students will decrease by 10%, from 38% to 28%, as measured by the Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Data Protocols/Discussions for Data-Driven Decision-Making

Root Cause Addressed:

Families are choosing not to send their children to school for various reasons, including health concerns, transportation challenges, inconsistent schedules or emergencies.

Families and parents need more targeted workshops that highlight the critical connection between consistent attendance and student achievement, emphasizing how regular school attendance directly supports academic growth, engagement, and long-term success.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Review and update the school's attendance policies and procedures, ensuring alignment with DOE guidelines and clear communication to staff and families. Conduct weekly attendance team meetings to analyze trends, identify at-risk students, implement interventions, and monitor the effectiveness of outreach strategies.
Conduct weekly attendance team meetings to analyze trends, identify at-risk students, implement interventions, and monitor the effectiveness of outreach strategies.
Daily parent outreach—through phone calls, texts, and emails—should be conducted by teachers, paraprofessionals, and school aides, in coordination with the attendance team's efforts, to ensure consistent communication, reinforce

the importance of daily attendance, and address individual student needs in real time.
Monthly attendance incentives for classes and students with highest and most improved attendance. Perfect Attendance Recognition; Continue cycle of attendance data analyses and daily outreach to increase attendance rate.
Concentrated resources and frequent check-ins for those identified as chronically absent or appear to be on the cusp of such for the two subgroups.
Continue offering incentives for students with perfect attendance; assess and provide additional support for parents and students in the two identified subgroups to improve attendance.
Reflect on attendance data to identify the most effective strategies and pinpoint areas that require improvement.
Distribute monthly independent attendance report cards to families to support ongoing communication and awareness.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monitor attendance data trends, assess implementation fidelity of strategies, and identify students needing immediate intervention by reviewing weekly attendance summaries, meeting agendas and assigned action items, intervention logs, and follow-up documentation

Maintain transparent communication with families and engage them in improving student attendance by distributing montly student attendance report cards and ilogging family communications or meetings related to attendance.

Track participation in perfect attendance incentive programs to assess motivation strategies.

Analyze trends, evaluate effectiveness of strategies, and make data-informed adjustments per insight Chronic Absenteeism/subgroup performance
and meeting notes from reflection sessions identifying successful strategies and areas for improvement.

Identify and respond to barriers affecting attendance in key subgroups by surveying families, recording support services provided (e.g., home visits, counseling, referrals) and overall feedback from parent engagement activities.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent Townhalls to share expectations and share ideas on how to monitor attendance as well as determine strategies and resources to support families in increasing attendance	
09/04/2025	06/26/2026	Attendance Assemblies where parents may participate and engage in the celebration of exemplary attendance.	

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administrators will select staff members to comprise the attendance team which will include a secretary, family worker, Students in Temporary Housing (STH) coordinators and STH social worker. Classroom teachers will serve as the Tier 1 intervention by encouraging students to attend school, making their rooms welcoming and keeping track of student attendance trends by alerting theirgrade supervisors of concerns. Tier 2 support will be managed by assistant principals who will assign mentors such as STH coordinators, guidance counselors and teachers to make connections with students as well as conduct assembly programs and implement reward systems for exemplary attendance. Tier 3 will involve individuals from the attendance team in leveraging resources to determine root cause and providing additional resources, which may include external community based organizations.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Professional Learning Communities

Root Cause Addressed:

IEP Development and Fidelity of Implementation
Transition Planning and Compliance
Referral Process and Equity

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct baseline IEP quality review using a calibrated rubric (e.g., DOE IEP Quality Review Tool) to establish clear data on strengths and gaps in alignment.
Provide targeted PD to special education teachers and service providers on writing SMART goals aligned to PLOPs to increase teacher capacity in writing clear, measurable, aligned goals.
Develop IEP exemplars and templates showing strong alignment between PLOPs, goals, and services to provide consistent models and expectations.
Implement IEP writing reviews (monthly or biweekly) with coaching and feedback to strengthen quality through direct support and peer review.
Establish a peer-review or cross-grade IEP audit system to ensure consistency to improve accountability and collective expertise.
Align student progress monitoring tools with IEP goals and ensure data is regularly reviewed to drive instruction based on real-time IEP goal data.
Track progress quarterly toward the 10% improvement target using calibrated reviews to adjust supports based on trends in quality and implementation.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Special Education Lead/Coordinator will conduct monthly reviews of randomly selected IEPs using a standardized quality assurance rubric focused on alignment between PLOPs and annual goals, measurable goal writing, appropriate services and supports.

Identify trends, recurring gaps, and provide direct feedback to case managers for targeted improvement.

Scheduled collaborative planning sessions (monthly or bi-monthly) with providers, general educators, and administrators to co-develop or revise IEPs prior to IEP meetings.

Build staff capacity to write meaningful, actionable IEPs that translate into daily instructional planning.

Instructional leadership and special education teams will conduct periodic classroom walkthroughs using an IEP Implementation Look-For Tool.

Bi-monthly meetings with data teams and case managers to review IEP data from Power BI, monitor upcoming annuals/reviews, and track individual progress.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
10/01/2025	06/26/2026	Family Empowerment Sessions Aligned to school vision for special education throughout the year.	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Pedagogical staff, SBST, IEP Teacher, SE Liaison, SE Teachers, Related Service Providers, Administration (Vendors, if applicable)

Instructional Resources

HMH Into Reading student consumables; Sounds Sensible student consumables; PAF student consumables,....

Schedule Adjustments

N/A

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tiers 2 & 3	Bottom third and/or 40th percentiles determined by triangulated data sources	*HMH small group instruction (i.e Strategy Groups, Phonics-based) *Guided Reading *PAF *(HMH) Foundational Skills * Math Centers	Small Group/One-to-One	During and After School	Raz Kids Zearn iReady Magpie
Tiers 2 & 3	Bottom third and/or 40th percentiles determined by triangulated data sources	Envision2 IReady	Small Group/One-to-One	During and After School	Curriculum based tech Tutored by Teachers

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tiers 2 & 3	Students considered to be at-risk academically, socially and emotionally.	Robin Curriculum/ Lunch Bunch Group/Month school based SEL calendars	Small group/One-to-One	During School	Yes

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Parent Orientations and Workshops: We will host workshops or orientation sessions at the start of the year or as needed, where staff explain what MTSS is, how it works, and how it benefits students.

Parent Newsletters: We will provide regular newsletters or updates to parents highlighting strategies and learning within the school that can be continued at home.

Website Resources: We will provide parents with information via the school website, where parents can view resources and understand how it's implemented at their child's grade level.

Regular Progress Reports: We will provide parents with progress reports and test data (e.g., Acadience/ IREADY).

Individualized Support Plans: We will share Individualized Learning Plans (ILPs) or intervention plans with families. Including specific goals, interventions, and expected outcomes.

Parent-Teacher Conferences: Utilize PTC conferences to allow teachers to explicitly describe how MTSS is being applied to support the child's learning, including any interventions and progress monitoring strategies.

Collaboration on Intervention Plans: When a child is identified as needing additional support (either at the Tier 2 or Tier 3 level), families will be invited to discuss the child's needs and be a part of the next steps.

Regular Communication with Interventionists: We will provide updates from the interventionists and maintain an open line of communication regarding the child's progress.

Parent Workshops on Interventions: We will provide families with opportunities to attend workshops that discuss various interventions, such as small-group instruction or social-emotional support.

Providing Resources and Training for Families
Literacy/Math Workshops for Families: Assistant Principals will provide monthly workshops and provide resources to families on how to support their child's development at home.

Resource Handouts: Schools can provide handouts or online resources outlining tips for supporting students with specific learning needs, such as a checklist of signs of struggling readers or behavior management strategies.

Translation and Interpretation Services: We will ensure all families can access information about MTSS, this includes providing translation or interpretation services for non-English-speaking families.

Regular Celebrations of Growth: We will invite families to attend class events or meetings to celebrate student progress

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Parent Orientations and Workshops: We will host workshops or orientation sessions at the start of the year or as needed, where staff explain what MTSS is, how it works, and how it benefits students.

Parent Newsletters: We will provide regular newsletters or updates to parents highlighting strategies and learning within the school that can be continued at home.

Website Resources: We will provide parents with information via the school website, where parents can view resources and understand how it's implemented at their child's grade level.

Regular Progress Reports: We will provide parents with progress reports and test data (e.g., Acadience/ IREADY).

Individualized Support Plans: We will share Individualized Learning Plans (ILPs) or intervention plans with families. Including specific goals, interventions, and expected outcomes.

Parent-Teacher Conferences: Utilize PTC conferences to allow teachers to explicitly describe how MTSS is being applied to support the child's learning, including any interventions and progress monitoring strategies.

Collaboration on Intervention Plans: When a child is identified as needing additional support (either at the Tier 2 or Tier 3 level), families will be invited to discuss the child's needs and be a part of the next steps.

Regular Communication with Interventionists: We will provide updates from the interventionists and maintain an open line of communication regarding the child's progress.

Parent Workshops on Interventions: We will provide families with opportunities to attend workshops that discuss various interventions, such as small-group instruction or social-emotional support.

Providing Resources and Training for Families
Literacy/Math Workshops for Families: Assistant Principals will provide monthly workshops and provide resources to families on how to support their child's development at home.

Resource Handouts: Schools can provide handouts or online resources outlining tips for supporting students with specific learning needs, such as a checklist of signs of struggling readers or behavior management strategies.

Translation and Interpretation Services: We will ensure all families can access information about MTSS, this includes providing translation or interpretation services for non-English-speaking families.

Regular Celebrations of Growth: We will invite families to attend class events or meetings to celebrate student progress

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parent Orientations and Workshops: We will host workshops or orientation sessions at the start of the year or as needed, where staff explain what MTSS is, how it works, and how it benefits students.
Individualized Support Plans: We will share Individualized Learning Plans (ILPs) or intervention plans with families. Including specific goals, interventions, and expected outcomes.

Parent-Teacher Conferences: Utilize PTC conferences to allow teachers to explicitly describe how MTSS is being

applied to support the child's learning, including any interventions and progress monitoring strategies.

Collaboration on Intervention Plans: When a child is identified as needing additional support (either at the Tier 2 or Tier 3 level), families will be invited to discuss the child's needs and be a part of the next steps.

Regular Communication with Interventionists: We will provide updates from the interventionists and maintain an open line of communication regarding the child's progress.

Parent Workshops on Interventions: We will provide families with opportunities to attend workshops that discuss various interventions, such as small-group instruction or social-emotional support.

Providing Resources and Training for Families
Literacy/Math Workshops for Families: Assistant Principals will provide monthly workshops and provide resources to families on how to support their child's development at home.

Resource Handouts: Schools can provide handouts or online resources outlining tips for supporting students with specific learning needs, such as a checklist of signs of struggling readers or behavior management strategies.

Translation and Interpretation Services: We will ensure all families can access information about MTSS, this includes providing translation or interpretation services for non-English-speaking families.

Regular Celebrations of Growth: We will invite families to attend class events or meetings to celebrate student progress

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

As per the RATH report dated 6/25/25:
44 Students identified as Doubled up
56 Students were identified as residing in a Shelter
No students were identified as living in a car, bus, train, park, public place or abandoned building at this time.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

The Student in Temporary Housing (STH) Team identified several trends affecting student attendance, including families moving during the school year, illnesses, and busing issues. When students move during the school year, their attendance often decreases. To address this, we can create an action plan for families when they plan on moving, including immediately putting in for busing and discussing potential changes in school placement.

Busing challenges also impact attendance; to help, we will apply for busing promptly when families move and provide temporary OMNY cards. Student and parent Illnesses, particularly in homes with multiple students, further contribute to decreases in absences. The STH Team plans to implement incentives, such as monthly raffles for parents and small prizes for students with improved attendance.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The Student in Temporary Housing (STH) Team will provide supportive services, including case management and referrals. The STH Team will supply families with items such as uniforms, hygiene kits, and laundry detergent. They will conduct regular check-ins with students and their families to assess their needs. Monthly family engagement events will be hosted to keep families informed about school and STH events, as well as the available supplies. Counseling services will be offered to students by the Bridging the Gap Social Worker, with parental consent. The STH Title 1 survey will be distributed to parents in September, January, and June to help determine the best ways to manage funds.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Currently, there are three students identified as children in foster care. For students in need, behavioral interventions such as Functional Behavioral Assessments (FBAs) were implemented. Additionally, some students have received individualized education interventions alongside supportive services, including speech therapy and occupational therapy. Overall, the school offers support through busing, counseling services, and regular check-ins conducted by the Guidance Counselor, the Related Services Social Worker, or the Bridging the Gap Social Worker as needed and as per consent.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

When a student is identified as a foster child, foster parents are contacted to ensure that addresses are in place and that busing is offered and provided as needed to ensure that students attend school. When it is reported that a child needs a Behavior intervention, they can be referred to the school-based support team. The School Guidance Counselor, Related Service Social worker or the Bridging the Gap Social Worker can ensure student stability and success is achieved by working collaboratively with the teachers, foster parent, foster care agency and biological parent.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Some trends that have emerged are changes in behavior and transportation needs. We can improve any behavioral concerns by providing regular check-ins with the students and maintaining contact and building relationships with

the teacher, the foster agency, parent, and foster parent to assure smooth transitions and to help identify best services and interventions needed.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Families are able to request supportive counseling as per their consent that can provide Social emotional Learning Skills. Students can learn strategies that can help them better regulate their emotions, which can help their academic and behavior needs.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 53, The Basheer Quisim School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 53, The Basheer Quisim School, will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 53, The Basheer Quisim School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

In addition to being fully certified and licensed in their assigned areas, current staff will become highly qualified through participation in on-site professional development activities, such as grade meetings, study groups and off-site trainings, including Emerging Leaders Program, Common Core Fellowship, Teacher Leadership Program and District or Department of Education workshops. Participants will then facilitate peer sessions to “turn key” the information and knowledge gleaned in teacher led teams. Additionally, in weekly double-period grade meetings led by supervisors or grade conveners, teachers engage in instructional planning and data analysis of students’ artifacts such as class work, benchmark folders and periodic assessments. Through the process of teacher teams, each individual will have ample opportunities to hone his or her inquiry skills. In addition to the menu of professional development opportunities previously mentioned, in an effort to build capacity and establish leaders at the various levels of the school, staff members are also encouraged to continue their educational pursuit as their needs dictate, such as graduate or post-graduate degrees and certification in areas of interest.
Differentiated professional development opportunities will be provided to teachers based upon the goals teachers have set at the beginning of the school year as well as the informal and formal observations conducted by school administrators. Teachers also partake in a professional learning survey that indicates the type of professional development they are interested in. The professional development team will create a calendar that entails the professional development sessions that have occurred. These professional development sessions will include on-site sessions which are not limited to the following: inter-visitations, study groups, fishbowls, coaching, peer-coaching, mentoring, etc. Off-site professional development sessions will also be offered to teachers.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

We have a longitudinal program in literary studies, Language Arts and Mathematics in Grades 3K through 5, with an emphasis on developmental appropriateness in grade content materials. These curricula are derived from the Next Generation Learning Standards. Twice per week the staff collectively engages in professional development around Next Generation Learning Standards, Charlotte Danielson Framework and the Advance Initiative. Early childhood teachers have an opportunity to familiarize themselves with the upcoming grades' academic expectations. Likewise, they also participate in weekly grade-alike meetings or teacher team meetings where they look at artifacts generated by students on their respective grades. They engage in data analysis to determine strengths and weakness as well as the adjustments deemed necessary to the instructional units. Parent workshops and meetings are facilitated to inform parents of the demands of the Next Generation Learning Standards. In tandem, the school distributes a monthly Parent Bulletin which delineates the instructional foci in the respective subject areas. To assist pre-school children who are transitioning from early childhood programs the following will be implemented: • School administrators and guidance counselors will provide orientation sessions for incoming 3K and Pre-K students. • School staff will mail a school brochure to families of incoming 3K and Pre-K students to share the school's goals for students. • School staff will provide a parent training to families of incoming 3K and Pre-K students on how they can prepare their children for school. The school website also serves as additonal resources to support our families in this transition.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$57,637	X	
Title I, School Improvement 1003(a)	Federal	$727,337	X	
Title II, Part A	Federal	$241,329	X	
Title III, Part A	Federal	$30,786	X	
Title III, Immigrant	Federal	N/A		
Title IV, Part A	Federal	$194,417	X	
Tax Levy (Fair Student	Local	$4,924,204	X	

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Sharda Flores
Assistant Principal (Where Applicable)*	Lorena Moreno
English as a New Language (ENL) Teacher*	Haley Ziminsky and Mantoula Ottaviano
Teacher (if school has a bilingual program must be a bilingual teacher)*	Wendy Rodriguez
Parent/Guardian*	E Saavedra
Teacher	Wendy Melendez
Parent Coordinator	Ericka Bravo
School Counselor	Jenny Rojas
Related-Service Provider	Suzette Espeut
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

5

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

4

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

7

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

N/A

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

N/A

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

536

Total number and percentage (%) of current ELLs:

47%

Total number and percentage (%) of former ELLs:

9%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

77%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

14%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

10%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	DL	Spanish	NA	1	1	1	1										4
TBE	TBE			0	0	0	0	1	1								2
TBE																	0
DLBE																	0
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

At PS 53, the Free-Standing English as a New Language (ENL) program emphasizes English language acquisition through instruction delivered exclusively in English. Stand-Alone ENL instruction is provided by certified ENL teachers and is designed to build students' English language skills using targeted resources, including NYSESLAT Prep and HMH curriculum materials. ENL teachers consistently integrate language objectives into all lessons and scaffold instruction to support language development at various proficiency levels.

The school employs a dual approach to ENL instruction—push-in and pull-out services—based on students' English proficiency as determined by NYSESLAT scores. Two ENL push-in teachers, Ms. Ziminsky and Ms. Ottaviano, work closely with classroom teachers to support students in a monolingual setting.

Push-in services are delivered during the ELA block to reinforce academic language in context.

Pull-out services occur during content-area instruction, ensuring that students do not miss essential ELA or math instruction.

To support instructional alignment and student progress:

ENL and classroom teachers engage in weekly data conversations during scheduled double prep periods.

ENL teachers also participate in grade-level meetings to stay informed about the pacing calendar and grade-wide instructional initiatives.

Collaborative lesson planning ensures that instruction is differentiated and tailored to meet the needs of English learners.

Each ENL teacher follows a structured schedule for push-in and pull-out services aligned with students' language proficiency levels as identified by NYSESLAT assessments.

This coordinated approach ensures that English language learners receive targeted, data-driven instruction that supports both language development and academic success.

Integrated ENL:

At PS 53, ENL and classroom teachers co-deliver instruction with the goal of simultaneously supporting students' content knowledge and English language development. Through an integrated co-teaching model, both teachers work collaboratively to:

Co-teach selected language and content objectives, (Co-teaching includes side-by-side and parallel models)

Align instruction to appropriate content and language standards,

Design whole-class and small-group learning activities,

Implement scaffolds and supports tailored to students' language needs, and

Assess both language development and content mastery collaboratively.

Integrated ENL services are delivered daily during the ELA block, ensuring that English Language Learners receive targeted support without being removed from core instruction. To facilitate effective co-teaching, the school provides weekly planning periods for ENL and classroom teachers. These sessions allow teams to coordinate instruction, analyze student data, and refine strategies to meet the needs of all learners.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

At PS 53X, the school currently implements self-contained Transitional Bilingual Education (TBE) classes for students whose native language is Spanish. This program is designed to support English language development while valuing and maintaining students' home language. Instruction is differentiated based on students' proficiency levels as measured by the NYSESLAT.

Students at the Entering and Emerging levels receive literacy, math, and science instruction in Spanish, while Social Studies is taught in English using ESL methodologies.

Students at the Transitioning and Expanding levels receive literacy and Social Studies instruction in English using ESL strategies, while math and science are taught in Spanish to continue supporting home language development.

This model will remain in place for the 2024–2025 school year and is implemented in grades 3 through 5.

As students' English proficiency increases and they are ready to transition out of the bilingual setting, parents are contacted for a formal meeting to discuss the transition process. At that point, students are moved into ENL classes, where they receive comprehensive English language instructional support.

PS 53X maintains homogeneous groupings for instructional consistency, including:

A New Arrival Class at each grade level, which uses Sheltered Instruction in English for content areas and provides science instruction in Spanish;

A Transitional Bilingual Class at each grade level, where instruction is strategically split between English and Spanish depending on the subject and student proficiency.

This structured bilingual model supports a gradual and effective transition to full English proficiency while honoring students' linguistic and cultural backgrounds.

Dual Language Bilingual Education (DLBE):

At PS 53X, the Dual Language (DL) program will continue to follow a 50/50 instructional model, with instruction alternating daily between English and Spanish. This model supports simultaneous biliteracy development, allowing students to build proficiency in both languages while accessing grade-level content.

From Kindergarten through Grade 2, Dual Language classes are self-contained and taught by Bilingual Certified teachers, who are responsible for delivering instruction in both languages on alternating days. These teachers integrate ENL strategies to support language acquisition and ensure that students receive rigorous academic instruction in both English and Spanish.

Instructional materials and resources used in the Dual Language classrooms include:

ELA in English: HMH Into Reading

HLA (Home Language Arts): Aprendiendo con la lectura

Mathematics: enVision Math in both English and Spanish

Phonological awareness and foundational skills: PFA and Heggerty

This model ensures that students are not only developing academic language proficiency in both languages but are also being supported through targeted strategies and scaffolded instruction that align with grade-level standards.

The Dual Language program at PS 53X continues to reflect a commitment to bilingualism, biliteracy, and academic excellence.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

At PS 53X, the provision of mandated ENL instructional minutes is carefully monitored and structured to align with students' NYSESLAT proficiency levels. ENL teacher schedules are created to ensure that each English Language Learner (ELL) receives the appropriate number of instructional minutes as required by New York State regulations.

The ELL Supervisor is responsible for monitoring the delivery of services to ensure that each ELL receives the correct amount of support. Additionally, classroom teachers receive student-specific lists detailing the required ENL minutes and a service schedule outlining the time and frequency of instruction.

Thanks to the collaborative culture at PS 53X, classroom teachers and service providers work together to guarantee that every student receives their mandated ENL services.

Certified ENL teachers provide instruction through both stand-alone and integrated models:

Integrated ENL Model: ENL teachers co-plan and co-teach with general education teachers, using scaffolded instructional strategies that build language proficiency while delivering grade-level content.

Stand-Alone ENL Model: ENL instruction is provided in small groups, grouped by grade and proficiency level, regardless of classroom assignment. This instruction focuses on explicit language development through academic content.

Mandated Weekly ENL Instructional Minutes:

Entering (Beginning) and Emerging (Low Intermediate) students: 360 minutes/week

Transitioning (Intermediate) and Expanding (Advanced) students: 180 minutes/week

To support high-quality instruction, ongoing professional development is provided to teachers. Training focuses on second language acquisition best practices, including effective scaffolding and differentiation techniques.

Transitional Bilingual Education (TBE) Classes
PS 53X offers Transitional Bilingual Education (TBE) classes with certified bilingual teachers. These teachers follow a schedule aligned with both the school's daily instructional flow and NYSED bilingual program guidelines.

TBE classrooms provide a combination of Home Language Arts (HLA), stand-alone ENL, and integrated ENL instruction:

Five periods of Home Language Instruction (Spanish) per week

Math instruction is delivered bilingually, with summaries provided in both English and Spanish

Science and Social Studies are taught using the Sheltered Instruction model

Sheltered Instruction uses research-based strategies to make grade-level content accessible while supporting English language development. Teachers set both academic and language objectives, ensuring that students understand the content and can express their ideas clearly in both languages. Instruction is differentiated by language proficiency, and language goals are embedded within lesson plans.

Dual Language (DL) Classes
The Dual Language Program at PS 53X follows a 50/50 model, alternating instruction daily between English and

Spanish. Teachers follow schedules that reflect the school's instructional flow and comply with state bilingual education guidelines.

Key program components include:

Subjects taught in both English and Spanish, depending on the language of the day

Instruction delivered by bilingual-certified teachers, using both ENL strategies and grade-level curriculum to support biliteracy development

Focus on developing academic proficiency in both languages while maintaining equitable access to content

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Transitional Bilingual Education (TBE) Classes
In the TBE program, PS 53X employs a certified Home Language Arts (HLA) teacher who provides literacy instruction in Spanish using the Arriba Arriba program from HMH. This curriculum supports the development of Spanish language literacy skills while reinforcing foundational reading and writing concepts that transfer to English.

Dual Language (DL) Classes
In Dual Language classrooms, the bilingual-certified classroom teacher provides HLA instruction directly. Instruction alternates daily between English and Spanish, depending on the language of the day, ensuring balanced development of bilingual literacy. All subjects, including ELA and HLA, are aligned to grade-level standards and adapted to meet students' linguistic needs.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The Two-Way Immersion (TWI) program—commonly known as a Dual Language (DL) education program—aims to develop full oral, reading, and writing proficiency in two languages for all students. This model includes both English Language Learners (ELLs) and English-proficient students, who learn academic content in both English and the partner language (Spanish) during designated times.

At PS 53X, the Dual Language program is implemented in self-contained classrooms, beginning in Kindergarten. The current Kindergarten class includes both Spanish-speaking newcomers and English-speaking students, creating an authentic language-rich environment that supports bilingualism and biliteracy development for all learners.

Key features of the DL program at PS 53X include:

Instruction that follows a "language of the week" model, alternating weekly between English and Spanish

All core subjects (ELA, Math, Science, Social Studies) taught in both languages throughout the school year

Emphasis on building students' academic content knowledge while developing bilingual, biliterate, and multicultural competencies

This program is designed to foster equity and inclusion, providing students from diverse language backgrounds with the tools to succeed academically while developing fluency in two languages.

Please refer to the sample schedule below for a detailed look at how instruction is organized across the week.

b. In which language(s) is each core content area taught?

At PS 53X, all subjects are taught in Spanish and English in the Dual Language class. Students will receive English and Spanish on alternate days of the week.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

The Transitional Bilingual Education (TBE) Program at PS 53X is designed to support English Language Learners by building academic content knowledge in both English and Spanish, with the ultimate goal of transitioning students to English-only instruction as they gain proficiency.

Instruction within the program is differentiated based on students' language proficiency levels, as measured by the NYSESLAT (New York State English as a Second Language Achievement Test):

Entering (Beginning) and Emerging (Low Intermediate) Students:
Receive literacy, math, and science instruction in Spanish to ensure comprehension and access to academic content.
Social Studies is taught in English using ESL methodologies, helping students begin to develop academic language in English while still supported in their native language.

Transitioning (Intermediate) and Expanding (Advanced) Students:
Receive literacy and Social Studies instruction in English, incorporating scaffolded ESL strategies to build English proficiency across content areas.
Math and science continue to be taught in Spanish, supporting continued development of home language literacy and reinforcing complex academic concepts in a familiar language.

This approach ensures that students receive rigorous academic instruction while progressing toward full English proficiency. By maintaining Spanish instruction in key content areas, the program also promotes biliteracy and values the students' cultural and linguistic backgrounds.

The curriculum used will be HMH for English and Arriba Arriba for Spanish.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

About 28% of our ELL population are newcomers.
The instructional approach according to the years of services change from developing basic communication skills to developing the quality of the oral and written language. We continue to expand their vocabulary and sentence structures.

For the Newcomers, there are more intensive learning strategies implemented during instruction and school day. Some of the strategies we may use to bridge the learning gap and develop the language acquisition are "Translanguaging," visual aids, creating bilingual glossaries and teaching survival vocabulary such as bathroom, nurse and water. We also make sure that there are clear expectations with consistent routines to create a predictable environment where students feel secure and welcomed. To ensure that newcomers are offered quality support instruction, teachers use a variety of scaffolds. Some of the scaffolds used for newcomers are paragraph frames with fill in the blank containing picture word banks, pre-teach vocabulary and opportunity to connect to their home language.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Sife percentage is 0%

Our SIFE students are supported by PS 53 instructional framework and Tier III interventions and from outsider instructional supports , such Teacher to Teachers.

In the event SIFE students should be enrolled in our school the following will be implemented:
Tteachers would incorporate accelerated learning strategies—focusing on key concepts and essential standards to close gaps without remediation. Lessons would spiral skills across content areas and emphasize real-world, project-based learning to make instruction meaningful and relevant. Teachers would also use formative assessments to

monitor progress and adjust instruction in real time.

The guidance counselor, social worker, and ENL team would provide individualized social-emotional support to ensure that the student feels safe, included, and confident in their new environment. The school would foster peer mentorship opportunities, pairing the SIFE student with a bilingual peer or "student ambassador" to assist with school routines and community integration.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We do not have Long Term ELLs.

In the event LTELLs students should be enrolled in our school the following will be implemented:

Teachers will incorporate high-interest, age-appropriate texts that connect to students' cultural and personal experiences to increase engagement.

Teachers will emphasize writing across genres, including argument, narrative, and informational texts, with scaffolds such as sentence frames, mentor texts, and writing conferences.

Teachers will use academic conversation protocols (e.g., "agree/disagree" stems, accountable talk structures) to strengthen oral fluency and critical thinking.

Teachers will provide explicit instruction in grammar, syntax, and Tier 2 and Tier 3 vocabulary to support mastery of academic discourse.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

The percentage of students that are former ELLs are 9%

Former ELL continue receiving MLL support for two years after they exit the Bilingual or the MLL programs. Students continue having the choice of selecting to complete their classwork in Spanish or English. After the two years, instruction shifts to 100% in English.

P.S. 53 services students in Bilingual programs by the continuation of ELA and Math instruction in both English and Spanish to promote biliteracy. In regard to students in the MLLs program, students receive 45 minutes a week of instruction in small groups or push in settings. Teachers implement lessons using scaffolds such as sentence frames, sentence starters, bilingual glossaries and teacher/peer modeling for different activities such as writing assignments and projects. Many of our former ELLs are in the school "Griffan Gab" podcast that promotes speaking skills so that they may have continued support on their journey of language acquisition.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

There are a variety of factors that influence our ELLs that are at risk. Some challenges are socioeconomic and the struggle of acclimating to a new way of life living in a new country. We have some students that have family

members that are living in their home country that they miss and can affect their motivation to learn and adapt. Another challenge for some students is learning the English language when they do not have a foundation in their own home language.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

After examining at the students' performance, we identified the following trends:

1- Their language skills in their first language are very low.
2- At time attendance is an issue
3- Adjusting to the American culture plays a relevant role
4- Support at home to complete school work is minimal
5-Limited academic support due to mandates being lowered to 45 minutes while some students may need the extra support

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The largest home language representation of our ELLs is Spanish. We have both Transitional Bilingual and Dual Languages programs to promote biliteracy. The bilingual programs use a Spanish home language program called Arriba La Lectura for literacy. Grades K-2 use Aprendo Leyendo as an intervention to support foundational literacy skills in Spanish. Students in Bilingual classes receive math instruction in Spanish.

Our parent coordinator is bilingual and we have bilingual office staff. We make sure to send flyers and notices in both Spanish and English. Often times, we also post flyers on our social media platforms in French and Arabic, which are the next largest representation of home languages. We also have a Bilingual support staff team which contains Spanish speaking service providers and evaluators for special education services. P.S. 53 also has a MLLs Team which contain ENL providers and a Home Language Arts provider and Bilingual Coach that supports the ELLs in different capacities.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

One of the ways we promote CR-SE in our classrooms is building diverse classroom libraries that reflect our students identities. We also have culturally relevant programs throughout the school year to educate the children on various cultures that are part of our community. Some of our programming is a Bilingual puppet show, contracting a minority based program called LEAP! and Lunar New Year presentation.

Our literacy curriculum supports diverse instruction through the chosen text. Building relationships and promoting student voice is a priority in our school community. One example is when the MLLs Team supported the ELLs from the P.S. 53 community to enter a district wide writing competition about a woman in their community they admire. Also one of the ENL providers produces and supervises an ELL podcast that amplifies the student voices of ELLs.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Many students move up one level each year. Many students score the highest transitioning from K-1 (multiple moving from entering to transitioning or even expanding). A few transitioning and expanding ELLS get stuck in the program and struggle to reach the commanding level. Students often struggle with the writing section and have a difficult time expanding on their narrative writing.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Trends for writing: Many students struggled with narrative writing because they are used to using RAAD (Restate Answer Answer Detail) strategies, especially on the testing grades. The bilingual teachers, especially the second and third grade dual language/bilingual teachers, have great writing strategies that their students use, such as memorizing introductory sentences and repetitive phrases that might be helpful, “I like——”

Trends for speaking: Some students are scoring low out of shyness, some students are scoring low because they can’t elaborate when given a speaking prompt. Some students are just concise when they speak. They have a deeper understanding but don’t know how to express it.

Trends for listening: Students scored very low on listening practice tests and struggled on this portion of the NYSESLAT as well, but not as much as other portions. Students don’t often get opportunities to practice listening skills in upper grades. This skill is a skill that falls off as learners begin to read independently.

Trends for reading: Students who are stronger in reading were able to complete these sections; students who are not at grade level struggled. Students were able to cross-reference strategies they used for the ELA exam in this area, which helped even struggling readers see more success.

8. What is the relationship between students’ performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

One of the trends that we observe is that some students are able to score a passing grade on the NY State ELA exam but are not changing proficiency levels on the NYSESLAT exam. Another trend in our school community is that several of our students have scored a 3 or 4 on the NY State Math Exam even if they do not receive a passing score for the NY State ELA exam or may be on a lower level of the language proficiency level.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Students with IEPS who are English dominant struggle to get out of the program due to struggling with reading and writing. Some ELLs even decrease over time if they do not place out. IEP accommodations are often irrelevant when it comes to NYSESLAT administration, and students are still left struggling within areas of their diagnoses.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At PS 53, instruction is driven by data. In September, we reviewed the Language Progress Report and the student's performing data in the screeners and NYS exams, grades 4 and 5. We identified our MLL students' weaknesses and strengths. According to the instructional pacing calendar, we craft learning and language targets that meet their needs. The MLL instructor meets with the classroom teacher(s) to discuss the MLL progress month by month. Each lesson teaches the four language modalities. Sentence frames guide students in expressing their thoughts properly.

NYSESLAT data is used to identify proficiency levels (Entering, Emerging, Transitioning, Expanding, Commanding) for each student, analyze sub-scores in the four modalities to determine individual strengths and areas in need of targeted support, group students flexibly based on language proficiency and academic needs and set language goals using the NYSESLAT Performance Level Descriptors (PLDs), which are then aligned to classroom tasks, unit plans, and WIDA Can Do Descriptors or NYSED's Next Generation Learning Standards.

Teachers determine sentence frames by aligning them with both the students' NYSESLAT proficiency levels and the academic language demands of the lesson. Teachers use scaffolds like visuals, word banks, and anchor charts that model the academic language used in speaking and writing.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school's Instructional Leadership Team (ILT) carefully considers how students learn and what materials and methods will help individuals achieve their academic goals most effectively. ILT ensures MLs/ELLs are afforded equal access to all school programs- curricular and extracurricular. The school offers a variety of programs and assemblies for students throughout the year. We have an art club, spelling bee, College/ University trips, soccer and basketball, Science, and Debate teams, ELLs are encouraged to go on
field trips, movie nights and any social/academic extracurricular activities. The school also has an ENL after school program to provide academic and language support and/or enrichment.

To ensure the development and maintenance of an effective school environment for MLs, the school's leadership

team reviews the quality of the learning environment for the school as a whole and within individual classrooms. This review process aims to ensure that teaching and learning activities are well–structured, culturally and linguistically engaging, and allow students to be active (rather than passive) participants in their acquisition of the English language and academic content (Gay, 2000). The school administration conducts monthly learning walks to assess the school's overall practices, and then the information is disaggregated, according to the subgroups. At that moment, the team analyzes the students' and teachers' performance. In addition, the school's leadership team review screening and progress monitoring data for ELLs, along with any resulting instructional modifications, to ensure that the instructional supports used in the ENL programs is benefiting the students. During these sessions, the school leadership holds MLL students to the school high standards, but understand that:
1- ELLs have similar barriers to typical children and all of the challenges related to learning a new language.
2-They do not fully understand the language of instruction and their friends' language, and their needs are possibly misunderstood.
3- ELL can get confused when the first language sounds are similar to English sounds but used in different contexts.
4—The wide range of variability in language mastery can create challenges in the teaching and learning process. Learning English involves more than vocabulary and grammar.
Currently, the instructional focus for the ENL classes is the students' lexical development. Students have a minimal vocabulary. We are analyzing different methodologies and strategies to determine the best way to support our ELL to enhance their vocabulary.

At PS 53 we use different ELLs instructional methodologies during core instruction. Below we explain some of the strategies that teachers use at PS 53:
Planning
During the planning phase, teachers craft their I can statement which define the language learning target
Identify ways to scaffold the content and the resources for the lesson
According to the data, groups are identified with a task designed at the students' zone of proximal development and language performance.
Vocabulary
*Each TBE and DL classes have a content walls. Teachers introduce, review and push the use of the vocabulary of the unit. Classroom teachers promote the cognates
Visual
*Use graphic organizers and anchor charts: Teachers use those resources to support learning and guide students on how to complete the tasks.
*Language Structures
Sentence starters to hook the reader and language frames to guide students on how to craft and present their thoughts
Resources
*Students have personalized resources, such ADD, RDW, mini anchor charts, and exemplar poster, to complete their task.
* Check for understanding
In grades 3, 4 and 5 teachers use the All in Learning clickers, so students can answer a question to assess their understanding.
K-2 teachers use open end questions and groups present their work to share out.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

The goal of our ENL program is to foster full English proficiency in a supportive classroom environment to the demands of the Next Generation Learning Standards. Both the ELA and ENL teachers that work with ourELL in the ENL program are fully certified. In order to help students to progress, we utilize the following practices:
•Collaborative planning between ENL and ELA teachers for each unit.
•Scaffolding is an essential part of instructional delivery, and it includes modeling, bridging, schema building, contextualization, text representation, and metaphor.
•Assisting students during work periods, conferencing with students, informal assessments, and running records.
•Additional small group AIS sessions for each grade prior to all state assessments to focus on literacy and academic language. Beyond explicit ENL, collaboration between teachers means that there is a consideration for the language needs of ELLs. Some aspects of this policy include: •Content area teachers monitor the understanding of linguistically challenging material and use a variety of phrasings and synonyms to clarify meaning.
•Math teachers devote extra class time to untangling difficult word problems and require students to explain the problems they work on verbally.
•Social Studies teachers scaffold their instruction with visual aids such as maps, atlases, and illustrations to increase comprehension.
Differentiation occurs through curriculum content, the learning process, the end product, and the environment. Differentiation must occur forELL subgroups as well. Lessons are scaffolded in depth and complexity allowing students to understand and apply knowledge in ways that make sense to them.

In addition, the three instructional models, Dual language, Transitional Bilingual and ENL, at PS 53X, teachers:

1- Determine SEL, content and language learning target for each lesson. Teachers write a content objective for every lesson in language that ELLs can understand. At the end of the lesson, students should be asked if the objective was met. Classroom teachers also need to set language objectives for the ELLs for each lesson. A language objective specifically outlines the language that ELLs will need in order to meet the content objective. For example, if your content objective is for ELLs to provide examples of solids, liquids, and gas, the language objective could be to write simple sentences about the stages of matter.

2- Connect content to ELLs' background knowledge. Teachers consider the schema that ELLs bring to the classroom and to link instruction to the students' personal, cultural, and world experiences. They also identify what their students do not know. They must understand how the cultures of their ELLs impact learning in the classroom.

3- Make lessons auditory, visual, and kinesthetic. Use visual representations to introduce new concepts and vocabulary. Find graphs, maps, photographs, drawings, and charts. Create story maps and graphic organizers to teach ELLs how to organize information. ELLs will benefit from hands-on activities. Have them learn by doing.

4- Use cooperative learning strategies. Lecture-style teaching excludes ELLs from the learning in a classroom. ENL students need to work in small groups to develop their academic vocabulary and real reasons to discuss key concepts. ELLs benefit from cooperative learning structures. Give students a job in a group, and monitor that they are participating.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.
a. ELLs with IEPs

At PS 53, we believe that for ELLs with IEPs to achieve their IEP goals and attain English Language proficiency within the least restrictive environment effort. Therefore, our instruction is a collaborative effort between the special education and ENL teacher to ensure that the child receives instruction that addresses language support and the prescribed IEP. We focus on what students can achieve rather than what they cannot. Teachers also highlight objectives and structure activities clearly, reduce potential distractions and time lessons effectively. The special education teacher and ENL teacher along with any other teacher or teacher's
aid associated with the student, track progress. During the annual IEP meeting, teachers will discuss goals with parents and reevaluate student progress.

We ensure the ENL instruction follows the six pillars to teach ENLs

Know your learners: Bilingual teachers know their students' language skills, critical thinking and mathematical abilities. In order to deliver lessons at the students' zone of proximal development, the content lesson is anchored on a language target, as well. By doing that, students have access to the language skills required to understand the presented content.

Create conditions for language learning: The students should have access to language frames, cognates and word walls.

Design high-quality lessons for language development: Each lesson is anchored on a language structure. Students need to understand those structures to process the new content.

Adapt lesson delivery as needed: The teacher scaffolds the content so no student is left behind. During the review phase of the lesson, she unpacks possible misconceptions and corrects them.

Monitor and assess student language development: During the lesson and on assessments, the teacher gathers data about the master areas and identifies need areas. The teacher then organizes the class in groups to tackle those academic and language issues.

The ENL instruction for students with IEP is the push in and/or pull out services. The ENL teachers ensures she provides the most suitable ENL service to her students. Since the instruction is in a small group, the strategies have been selected according to the the students' language modalities and style and the content is delivered at the students' zone of proximal development. Power point and questions have been designed with the students' cognitive and language proficiencies in mind.

b. SIFE

Our SIFE population is below 1%. We have supportive environments that respond to the student's immediate social, cultural, and linguistic needs. The standards and the curriculum is adapted so that the child learns critical material in a way that is effective, accessible, and age-appropriate while providing intensive literacy/language instruction. Additionally, academic intervention services are an extension of the regular school program. To meet the student's needs, the ENL and bilingual teachers make an individualized student needs assessment, creates an AIS plan for the student to focus on the literacy and math component, grade appropriate instructional support materials, and differentiate instruction in all areas. In addition, staff will receive professional development on SIFE students and strategies that benefit the SIFE within the classroom instruction.

c. Newcomers

ENL teachers collaborate with content area teachers, utilize language - learning goals, to ensure that the instruction has appropriate ENL strategies, including scaffolding text, translations (if needed), sentence frames, technology integration, and vocabulary taught explicitly, all while building positive relationships and cultural connections. In addition, when new student registers in our school, we provide the following resources to facilitate the transition: -Buddy system identifying a similar student in his/her class that will assist during the day -Encourage newcomer to participate in After School activities. To meet the student's needs, the ENL and bilingual teachers make an individualized student needs assessment, creates an AIS plan for the student to focus on the literacy and math component, grade appropriate instructional support materials, and differentiate instruction in all areas.

d. Long Term ELLs

At PS 53X, there is not long term ELL students.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

The teachers follow the school Instructional Framework. Tasks are designed according to the content/skill being taught congruently with the students' cognitive abilities and language proficiency. Therefore, the tasks are at the students' zone of proximal development. Teachers design artifacts to support their students. The lessons are conducted using interactive whiteboards. Each floor has a computer chart with a wireless printer for the students to use. The IEP teacher meets with the ENL/Bilingual teacher to discuss the child's IEP and identify possible moves to support the child to meet the language demands to understand the concept being unpacked.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

At PS 53X, home language is assessed upon entering for Spanish speaking students using the Spanish Lab. For speakers of other languages during orientation, parents are asked about literacy and schooling in native language. The bilingual classes use the home language to develop comprehensible input, foster social interactions, and express ideas. To develop comprehensible input, students build context by viewing resources in their home language that are related to the topic being discussed.; learn new vocabulary using translation, when it is needed and reading texts and annotate in their first language, when it is needed when they are reading. Students use their home language to foster social interaction by thinking metacognitively. Students reflect on their learning with others students. They work collaboratively with their peers, solving problems. Students also learn to communicate their opinionsby forming and supporting them using their first language. Students learn to express their ideas by brainstorming and drafting in their first language. They learn the grammatical rules. Finally, they develop their thinking skills by processing new information in their first language and learn how to construct meaning .
In addition, parents are encouraged to speak
the native language at home. The ENL department offered a series of workshops tailored to native language activities to do at
home. Native language is supported by the ENL teachers and any support staff at school. ENL
teachers translate directions into the student's home language as needed for home language delivery. In addition, in the narrative writing unit at the beginning
of the year, students are encouraged to tell their narratives in their home language if they choose. Home language (listening and

speaking) is assessed informally with Spanish speaking students throughout the year. We are working on having more home
language supports in the school.

Teachers use a variety of informal assessments to evaluate how students draw upon their home language to make meaning and access academic content. These include:

Oral language observations: Teachers note when and how students use their home language during peer interactions, small-group discussions, or while seeking clarification.

Reading and writing samples: Students may be invited to write, label, or respond in their home language to demonstrate understanding of content when appropriate. This provides teachers with insight into conceptual knowledge, even if English proficiency is still developing.

Student conferences and interviews: Teachers engage in short, conversational check-ins to better understand students' comfort with using English and their home language across different settings.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

At PS 53 the program of the school day provides common planning time, so teachers can meet to discuss students' progress and plan lessons together. MLL teachers meet with classroom teachers to assess the progress of students throughout the school year. There are data conversations based on student performance on the NYSESLAT practice tests.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Teachers receive Professional Development at no cost to the Title III program. Our teachers who support our ELL's have a year of professional development plan. The professional development sessions include online professional development with Stanford University. Teachers also participate in professional development opportunities offered by the NYCDOE. In addition, coaches from Teaching Matters work with the bilingual teachers in ELA and Math. Teachers will engage in at least one session per month during the course of the school year. Teachers are involved in data-driven sessions to identify trends and engage in discussions on how to provide support to those students and what instructional techniques can be used to promote students' performance.
Each session is the outcome of a data-driven conversation. The following outlines the professional development the ENL and bilingual wi ll participate: 1- E-Classes Teachers are invited to participate on e-class es at Sta nford University and NYU. 2- Data Team Meetings Teachers meet in gra de al ike data team meetings to discuss their

students' strengths a nd weakness es. They als o discuss possible strategies to enha nce their students' aca demic performa nce a nd la nguage development. 3- Outside the School PD Sessions Cluster's ESL works hops, OEL works hops a nd NYU PD development. BETAC works hops a nd a ny other professional development opportunities provided by the Department of Education. 4- The Impact of Professional Development - Professional Development wi l l impact the progress of ELL's evidenced by the improvement of expressive la nguage, increas e us e of complex voca bulary when s peaking a nd a n improvement in the rate of oral rea ding fluency. 5- Maintaining Records - Parents wi l l receive a letter regarding the ELL's Aca demic Program - Teachers wi l l s ubmit a monthly attenda nce log to s upervis ors - Supervis ors wi l l compi le agendas of professional development s essions that teachers have participated in

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

On Mondays, the teachers are immersed in Professional Development sessions. Some sessions are for all teachers and others are disaggregated. The Assistant Principal in charged of Professional Development keeps the agendas and attendance sheets. Teachers are also involved in weekly 90 minutes professional development sessions.
The Bilingual/ENL teachers also participate in on line sessions and the Fordham RBE-RN classes. Teachers discuss each sessions and determine the possible implementation of the learned ELL teaching strategies.

CTLE hours will be provided at various times throughout the year.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

At PS 53X, we have HMH and EnVisions unit test that will be administered at the middle and ending of each unit. Teachers have a data matrix. During the grade meeting, they discuss the outcome and identify common trends in their grade and then they identify trends for the different subgroups. Based on the data, teachers craft corrective instructional plans and lessons and identify strategic point to review the concepts/skills students had difficulty mastering.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

ENLs present difficulty on developing academic writing pieces. This school year teachers will continue using checklist, conferencing and modeling how to write academic pieces. The TAG writing will be us ed on Tuesdays and Thursdays to engage on analyzing their peers' writing and offering ideas to improve the ideas. This promote the peer feedback making the students' voice heard and the teacher just offers guidance. On grades 3-5, teachers will ADD strategy to support their students for the NYS ELA exam and NYSRESLAT.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

At PS 53, the schedule has built in a double prep to engage teachers in data conversation. Based on the data, an action plan is crafted, and the pacing vendor is modified. The AP conducts data meetings to discuss the student's progress and action plan to support the students and the teacher.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

At PS 53X, ELLs' formative assessments are used to:
1- Improve student achievement in content areas, as well as student acquisition of English
2- Provides evidence of the learning while instruction is underway
3- Provide personalized learning experience
4- Compares students' ongoing progress to possible trajectories
5- Identify the most productive next steps in instruction
To inform, monitor and drive instruction, we design an assessment calendar organized the short, medium and long assessment cycles. For the short term assessment, we use the school's unit tests as formative assessmnets. For the medium assessments, we assess periodic snapshot of student learning.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

At PS 53X, we use performance-based assessments to assess ELLs' in their native languaget through oral reports, presentations, demonstrations, written assignments, and portfolios. These assessments can include both processes (e.g., several drafts of a writing sample) and products (e.g., team projects). These authentic assessments allow teachers to track the ongoing progress of their students regularly and often. By using informal assessments, teachers can target students' specific problem areas, adapt instruction, and intervene earlier rather than later.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Summative assessment aims to evaluate student learning and academic achievement at the end of a term, year or semester by comparing it against a universal standard or school benchmark. Summative assessments often have a high point value, take place under controlled conditions, and therefore have more visibility. By analyzing the EDA, it was determined that 63% of the ELLs are at the transitioning oand expanding levels, while 20% is at the entering and emerging levels. Therefore, our ELLs are almost at the exiting point. The other 17% of the ELLs exited the Bilingual/ENL program. The NYSESLAT scores also indicate that our students need to enhance their writing skills. This matter is reflected in their performance in the NYS ELA exam because only 59% of the ELLs perform at level 2, 3 and 4 in the NYS ELA exam. Careful analysis should be done to the students at the transitioning level because 62% scored at level 1. In The NYS Math exam, 53% of the ELLs scored at levels 2 and 3.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT is organized in a three continuous days of assessment. Parents are invoited to a townhall meeting to be informed about the NYSESLATadministration, its purpose and schedule. The ENL Coordinator developed the testing schedule and organized students' accordingly. After being tested, the students return to their regular schedules. The ELLs' families receive reminder calls, so the students can be present and rested to take the NYSESLAT exam.

The scoring of the NYSESLAT is done after school hours. The bilingual and ENL teachers are trained and scored under the supervision of the ENL coordinator.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

N/A

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Parents of newly enrolled ELLs and their children have the option of a virtual meeting/tour or invited to tour of the school
individually or in small groups. Families receive the Parent Handbook before the beginning of the school year, in order to acclimate
themselves to our school community. PS 53 parents are invited to Back to School Night in the middle of September, where teachers
and parents meet either remotely or in person. Parents learn about the curriculum activities and expectations for the yearand
ways in which they can help their child at home in reading and math. New ELLs who enroll throughout the school year are invited
to participate in the Newcomers group. They will receive daily ENL support through explicit instruction, scaffolds and differentiation. They will also invited to participate in the afterschool and Saturday Title III program.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

PS 53 provides annual individual meetings with parents of ELLs to discuss goals for the year, their child's language development progress and their assessment results according to the NYSESLAT taken in the Spring. The meetings are held during Tuesdays' family time between the hours of 2:30 and 3:00 pm, after-school or scheduled appointments. Parent letters are distributed in English and Spanish in the beginning of the school year notifying parents of their child's entitlement or non-entitlement in receiving ELL services or if their child reached a commanding level on the NYSESLAT. Translation services of all documents are provided in the parent's preferred language.

In addition to the parents are invited to the end of the year meetings, we are in the process of creating an entry and exit progress report. The link is below
https://docs.google.com/document/d/1IsMFVGIe0v8ouSqTXjoCzo5jXmNLiGiKyK7d8RbwIrE/edit?usp=sharing

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At PS 53, all documents and meetings are translated. The language poster is around the school, so parents can point to the language they speak. During parent teacher night and school events, specific personnel is assigned to support a grade and/or class. If the needs arise, the office of translation is contacted.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

At PS 53, we provide a unique opportunity for all of our students. Teachers are provided with on-going differentiated professional development opportunities around technology, digital resources and ways to enhance units of
study to best meet the needs of our students. As a school community we focus on equity and excellence by striving to support
each child. Our units of study provide ELLs with different entry points and access to the content through the use of hands on
activities which include art, science and exploration. For example in our PBL unit of study 5th grade students have an
opportunity to learn about Natural Disasters and create rescue packages and make pre-recorded Public Service Announcements. 4th grade students engage in a math PBL where they learn about budgeting and event planning. Students are
allocated a budget in which they have to plan and organize an event an individual and present the plan.

In addition, the ENL and bilingual teachers meet and determine their students' needs. Parents' meeting to provide support in the identified areas are crafted and conducted.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Information about the meetings is available in different languages. Parents are always encouraged and welcomed to participate in a variety of leadership meetings. Activities needed by your school community are determined two-fold by survey and input from SLT.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We collaborate with FACE to strengthen our outreach to families through workshops, interpretation services, and multilingual communication. This ensures families receive important school information in their preferred home languages and feel empowered to participate meaningfully in their children's education.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

MLL Supervisor: Dr Moreno
Sp Ed Supervisor: Cr Carruthers
MLL Teacher: Ms Ziminsky (k-2) Ms Ottaviano (3-5)
HL Teacher: Coach Rodrigues

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our school adheres to the NYC DOE Policy & Reference Guide for ELLs. We ensure a seamless transitions for newly identified students and avoids interrupting mandated ENL or bilingual instruction for current, former, and potential ELLs. Depending on the grade, Ms. Ziminsky or Ms Ottaviano, is informed by the main office that a new student has arrived.
The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs) If student has been in NYS public schools within past 2 years, our school contacts previous school to obtain ELL status relevant assessment scores, and proficiency level. If student has been outside of NYS public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry. The home language of the student is determined by a trained and licensed pedagogue.
The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service. An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience.
An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language. Eligibility for the NYSITELL is determined and administered. Parent is notified of their child's ELL status and results of the NYSITELL. If the student is identified as an ELL and the student's home language is

Spanish, the student is administered the Spanish LAB. Student with interrupted/inconsistent formal education (SIFE) status is determined using New York State's resources available on NYSED's website:http://www.nysed.gov/bilingual-ed/schools/students-interruptedinconsistent-formal-education-sife

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Sharda Flores

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Lorena	Moreno	Assistant Principal 12 Month		

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
AFRIKAANS	8	0.98%	5	0.62%		
ARABIC	8	0.98%	8	0.99%		
BAMBARA	1	0.12%	1	0.12%		
FRENCH	6	0.74%	7	0.86%		
MANDINKA (AKA MANDINGO)	1	0.12%	0	0.00%		
MOSSI (MOORE/MORE)	0	0.00%	1	0.12%		

ENGLISH	433	53.06%	427	52.59%		
SLOVAK	0	0.00%	1	0.12%		
SPANISH	359	44.00%	361	44.46%		
WOLOF	0	0.00%	1	0.12%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Flyers/letters/calendars	They are translated in house and some are sent to the office of translation and interpreetation
iep meetings	

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

PTC	In house translators and the Office of Translation & Interpretation
IEP	Office of Translation & Interpretation
ool events	In house translators

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

To ensure all staff members complete the required asynchronous NYCPS Language Access Training on WeLearnNYC and are familiar with the Best Practices for Translation and Interpretation, the school can implement the following strategies:
1. Mandatory Training & Tracking:
Designated Training: Ensure that all staff members are mandated to complete the NYCPS Language Access Training available on the WeLearnNYC platform.
Utilize WeLearnNYC: Leverage the features of WeLearnNYC, as an online learning portal for the DOE community, to track staff completion of the training module.
Skills & Training Matrix: Consider using a staff training records tracker, like a skills and training matrix, to monitor who has completed the training and who needs to do so.
2. Familiarization with Best Practices:
Integration with Training: Ensure the WeLearnNYC training explicitly includes modules on the Best Practices for Providing Translation of Critical Written Communications and Best Practices for Providing Interpretation for Critical Oral Communications.
Disseminate Resources: Actively share the best practices documents and information on language access resources (like the InfoHub, the Office of Language Access, and available vendors) with all staff members.
Regular Review: Implement regular reviews or refreshers on these best practices, potentially during staff meetings or professional development sessions.
Cultural Awareness Training: Consider conducting cultural awareness training alongside the language access training to improve workplace effectiveness and communication.
3. Promote Understanding and Application:
Emphasis on Chancellor's Regulation A-663: Highlight the requirements of Chancellor's Regulation A-663, which mandates language services for parents, and how the training helps staff comply with these requirements.
Clear Guidance on When to Provide Services: The training and related materials should clarify when translation of critical written communications is necessary (e.g., related to enrollment, academic standards, health, safety, discipline, and legal matters) and when interpretation for critical oral communications is required (e.g., meetings with parents about their child's education).
Utilize Plain Language: Reinforce the importance of using plain language in all communication, written or oral, to ensure understanding by all families, regardless of language proficiency.
Encourage Professional Translation & Interpretation: Emphasize the importance of utilizing professional translators

and interpreters, avoiding reliance on students or untrained staff for facilitating communication.
Seek Feedback: Encourage staff to seek feedback from parents about the quality and effectiveness of language assistance services provided and use this feedback for continuous improvement.
4. Leadership and Accountability:
Language Access Coordinator: Ensure a designated Language Access Coordinator (LAC) is actively working to ensure compliance with language access requirements and is involved in training efforts.
Annual Reporting: The school should maintain records of staff who have completed the training and provide regular reports to the LAC or relevant authority.
By implementing these steps, the school can create a system to ensure that all staff members are properly trained and equipped to provide effective language access services to parents, fostering inclusive and equitable communication within the school community.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

A school can inform parents about available language assistance services in their preferred language through a variety of strategies to ensure effective communication and engagement.
Here are some ways a school might do this:
1. Translated Signage:
Welcome Signs: Displaying "Welcome" signs in multiple languages prominently throughout the school building and entrances creates an immediate welcoming environment and visually demonstrates the school's commitment to inclusivity and language access.
Directional Signs: Translating essential directional signage (e.g., Office, Library, Restrooms) can help parents navigate the school building more easily.
2. Brochures, Flyers, or Letters:
Language Access Information: Create brochures, flyers, or letters specifically outlining the available language assistance services, including translation and interpretation options.
Key Documents: Ensure vital documents like report cards, enrollment forms, permission slips, and school handbooks are translated into the languages spoken by the parent community.
"I Speak" Cards: Provide parents with "I Speak" cards translated into different languages, which they can use to quickly communicate their preferred language and request assistance when interacting with school staff.
3. Parent Engagement Events:
Bilingual Parent Nights: Hold dedicated events, such as bilingual parent nights, that focus on informing parents about their rights to language assistance and demonstrating how they can access these services.
PTA Meetings: During PTA meetings and other parent engagement events, highlight the availability of language assistance services and provide interpreters or translated materials as needed.
Back-to-School Events: Organize special back-to-school events for families with limited English proficiency (LEP), where staff can meet with them and provide information about language assistance resources.
4. Messaging Applications:
Translation Apps: Utilize communication apps that can translate messages between teachers and parents in various

languages, such as Talking Points, which allows parents to receive messages as text messages without needing to download the app.
Group Messaging: Establish group chats using popular messaging applications like WhatsApp for faster and more informal communication with families, translating messages as necessary.
Parent Portals: If the school has a parent portal, ensure it has features for multilingual communication and provides information about accessing language assistance services.
5. Other Strategies:
Language Identification: Schools should proactively identify families who may need language assistance, such as through home language surveys.
Bilingual Staff/Liaisons: Have bilingual staff members or family liaisons available to assist with communication and provide cultural insights.
District Hotlines: Inform parents about any district-level translation hotlines available.
Online Resources: Make information about language access services available on the school's website and provide links to relevant resources, such as those offered by the Office of Language Access.
By implementing a comprehensive approach involving these strategies, schools can effectively inform parents about available language assistance services and ensure that all families feel welcome and included in their child's education.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

180 students

Grades to be served in this program. Select all that apply.

,2,3,4,5,1,K

Total number of teachers in this program:

6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

6

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

N/A

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

At P.S. 53X, we work diligently to ensure that our students are critical thinkers and self-regulated learners. Based on the English as a new language (ENL) data, students are engaged in various learning opportunities, aimed at enhancing their language acquisition process and academic performance. The following are some of the extended day opportunities which are available to our ENLs here at P.S. 53X. First, there will two ENL classes, for our newly arrived students, deployed in a bridge, first through second grades and third through fifth grade format, where the students will receive extra support in the early foundational skills of English. The emphasis will be on phonics and phonological skills. There will a third-fifth grade mathematic class to prepare the kids for the NYS Math exam in Spanish. Each bilingual/ENL teacher will emphasize the four mathematical operations and strategies to solve word problems. The language of instruction is Spanish. The instructional material will be the Envision Program. Also, word problems are taken from the Engage NY website. ENL students who have completed a year of schooling in the USA will receive ENL instruction to enhance their English language acquisition process. The teachers emphasize the four language modalities by having students speak, listen, read and write about text analysis. The bilingual/ENL teachers emphasize the language structure used in the text, as well as the message embedded in the text. The materials of the academy are crafted by the teachers with the guidance of the school instructional team and supervisor. Passages are selected based on the students' cognitive abilities and language development stage.

After-school ENL classes encompasses Grades 1 and 5. There are seven classes for ENL students. This class meets on Wednesdays and Thursdays from 2:30 p.m. through 4:30 p.m. for two hours per day. This program will have sixty four sessions. There is a maximum of fifteen students in each class taught by a bilingual/ENL teacher. The bilingual/ENL teacher emphasizes the four language modalities by having students speak, listen, read and write about text structure. The bilingual/ENL teacher emphasizes the language structure used in the text, as well as the message embedded in the text. The instructional materials of the academy are crafted by the teacher with the guidance of the school's instructional team. Passages are selected based on the students' cognitive abilities and language development stage. The materials will be designed by the teachers with the guidance of the school administration. Both programs will have a strong emphasis on visuals and phonics.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

At P.S. 53X, we work diligently to ensure that our students are critical thinkers and self-regulated learners. Based on the English as a new language (ENL) data, students are engaged in various learning opportunities, aimed at enhancing their language acquisition process and academic performance. To ensure their active participation, the academies are before and/or after school. Parents are invited to an orientation session and invited to progress

meetings. The academy focuses on the language acquisition, so the four language modalities are equally emphasized. Based on the students performance on mid post-assessment scores, including classroom teacher observation and benchmark date, students will be grouped and materials are designed according to their needs and performance.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Grades: 1, 2, 3, 4 and 5

Subgroups: ENL students and newly arrived ENL

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The 2nd-5th grade academies will meet on Wednesdays and Thursdays from 2:30 pm to 4:30 pm. There will be a total of 64 sessions. There are seven classes. Each class has at least fifteen students.

The newly arrived students are deployed in a bridge, first to second and third through fifth grade format, where they receive extra support in ENL. There will be a total of 64 sessions . There will meet on Wednesdays and Thursdays from 2:30 pm to 4:30 pm. There will be a total of64 sessions.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The ENL academies will be taught in English

The newly arrived class will be taught in Spanish.

ELA & MATH after-school will be supported in both English and Spanish.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Six teachers who have Bilingual extensions and/or ENL licenses

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The instructional materials are selected according to the students' performance and needs. A single common benchmark will be the iReady and Acadiance for the students who are two grades behind in their reading abilities. Main supplemental materials from iReady Curriculum Associates and HMH Education Company.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Families of students will be informed about the programs via ClassDojo, flyers and school website. PS 53 will maintain record of the school's Title III fund by obtaining signatures via attendance, sign-in sheets or electronic attendance logs for all before- and after-school academies funded by Title III. We will also keep hard copies of all parent notification letters regarding ENL program placement, progress, and rights under Title III, translated into families' home languages as indicated in the Home Language Identification Survey (HLIS).

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Teachers receive professional development from Teaching Matters for ENL and Math pedagogical practices. Our teachers who support our ENL's have a year of professional development plan. The professional development sessions include online and in person coaching sessions from Teaching Matters. Teachers also participate in professional development opportunities offered by the NYCDOE. Teachers will engage in at least one session per month during the course of the school year. Teachers are involved in data driven sessions to identify trends and engage in discussions on how to provide support to those students and what instructional techniques can be used to promote students' performance. Each session is the outcome of a data-driven conversation. The following outlines the workshops and professional development in which the ESL and bilingual teachers will participate: 1) E-Classes: Teachers are invited to participate on e-classes at Stanford University. From October to December, they will participate on an e-class on how to develop their ENL academic language. Teachers register for multiple professional development sessions offered by the NYCDOE once a month; (2) Data Team Meetings: Teachers meet in grade alike data team meetings to discuss their students' strengths and weaknesses. They also discuss possible strategies to enhance their students' academic performance and language development; (3) Off-site PD Sessions such as OEL workshops, NYU PD development, BETAC workshops and any other professional development opportunities provided by the Department of Education; (4) Professional Development will impact the progress of ENL's, evidenced by the improvement of expressive language, increase use of complex vocabulary when speaking and an improvement in the rate of oral reading fluency; (5) Maintaining Records: Parents will receive a letter regarding the ENL's academic program. Teachers will submit a monthly attendance log to supervisors. Supervisors will compile agendas of professional development sessions in which teachers have participated.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Teachers receive professional development at no cost to the Title III program. Our teachers who support our ENL's have a year of professional development plan. The professional development sessions include online professional development with Stanford University. Teachers also participate in professional development opportunities offered by the NYCDOE.
Enhanced Instructional Practices.

The impact this will have on teacher practice include:
Teachers deepen their understanding of language development stages and acquire strategies to integrate the four language modalities—listening, speaking, reading, and writing, into daily instruction.

Through PD aligned with Stanford's and NYCDOE's best practices, teachers learn to apply research-based approaches such as sheltered instruction (SIOP), translanguaging strategies, and formative assessment techniques. This leads to more intentional differentiation and more equitable access to rigorous, grade-level content for ELLs.

Teachers will gain skills to design interactive, student-centered lessons that encourage oral language development and collaborative learning. This helps ELLs build confidence in using English in academic and social contexts, directly improving their participation and communication skills.

Having a shared learning community will allow educators to align strategies, discuss student progress, and maintain consistency in supporting ELLs' linguistic and academic development schoolwide.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The teachers receive training at no cost for the title III program. They are trained during the Mondays and ENL training sessions.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Teachers receive professional development at no cost to the Title III program every other Monday that school is in session from 3:00pm- 4:00pm.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Teachers receive professional development at no cost to the Title III program.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Teachers receive professional development at no cost to the Title III program. Pd will be provided by various providers.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

PS 53 will maintain documentation of the professional development by utilizing agendas and signing sheets.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The parent program, which supports the parents of English Language Learners, entails the teaching of English as a New Language (ENL) to our parents. The program is held three times per week for three hours on each day. The personnel, who were selected to facilitate the ENL parent classes, understand the cultural background and/or native languages of the parents. The parents not only acquire the English language, but they become assimilated to our society which is one of their expressed needs. This class has a technological component to enhance the parents' English Language and computer skills. This is provided outside the school.
Town Hall meetings are also held to inform parents of the curricula which students are learning and expected to demonstrate proficiency on the state's standardized exams. The parents are also invited to a variety of workshops to learn how to help their children at home. There is a strong parent involvement in our school leadership team (SLT). The parents serve as liaisons between other parents and the school. They share ideas generated from the wider parent community during the monthly SLT meetings. Such collaboration allows us as a school community to evaluate the needs of our parents and to create programs aligned with their expressed needs. The school has a monthly calendar for parents, which outlines the activities of the month. Additionally, there is a monthly parent newsletter, which highlights the instructional foci for each grade and shares resources that parents may use to provide support to their children at home. Monthly calendars are translated and sent home to parents. During parent workshops, members of staff are deployed to assist with translation. We provide at least one academic workshop for parents of ENL's to engage in throughout the course of the year. All records of attendance and agendas are maintained by the supervisor.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

At PS 53, we ensure our parents receive caring intervention to learn English and adjust to the American society.. Our parent program entails the teaching of English as a New Language (ENL) to our parents. The program is held three times per week for three hours on each day. The personnel, who were selected to facilitate the ENL parent classes, understand the cultural background and/or native languages of the parents. The parents not only acquire the English language, but they become assimilated to our society which is one of their expressed needs. There are parent sessions in which we guide our parents how to help their child(ren) at home. They receive guidance on the school activities and instructional foci. They also receive materials to support their child(ren) at home. Our parent program builds a bridge between home and school.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Tuesdays at 2:20 to 3:20 pm. and Tuesdays, Wednesdays and Thursdays from 9:00 am to 11:00 am.

From November to June.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

An ENL focus on the four language modalities, but a greater emphasis is placed on the spoken language about daily interactions and school matters.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Ms. Catala will support families via SCAN Harbor programming
Ms. Hall will support families via different school events with various partnerships.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

There are flyers and townhalls about the matter. It is also advertised on the monthly calendars and newsletters. Translation will be provided on the fliers and during workshops.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

PS 53 will maintain documentation of family engagement activities via attendance sheets and agendas.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Grades to be served in this program. Select all that apply.

,1,2,3,4,5

Total number of teachers in this program:

7

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

At P.S. 53X, we work diligently to ensure that our students are critical thinkers and self-regulated learners. Based on the English as a new language (ENL) data, Immigrant students are engaged in various learning opportunities, aimed at enhancing their language acquisition process and academic performance. The following are some of the extended day opportunities which are available to our ENLs here at P.S. 53X. First, there will two ENL classes, for our newly arrived Immigrant students, deployed in a bridge, first through second grades and third through fifth grade format, where the students will receive extra support in the early foundational skills of English. The emphasis will be on phonics and phonological skills. There will a third-fifth grade mathematic class to prepare the kids for the NYS Math exam in Spanish. Each bilingual/ENL teacher will emphasize the four mathematical operations and strategies to solve word problems. The language of instruction is Spanish. The instructional material will be the Envision Program. Also, word problems are taken from the Engage NY website. Immigrant students who have

completed a year of schooling in the USA will receive ENL instruction to enhance their English language acquisition process. The teachers emphasize the four language modalities by having students speak, listen, read and write about text analysis. The bilingual/ENL teachers emphasize the language structure used in the text, as well as the message embedded in the text. The materials of the academy are crafted by the teachers with the guidance of the school instructional team and supervisor. Passages are selected based on the students' cognitive abilities and language development stage.

Saturday-school ENL classes encompasses Grades 3 and 5. There are seven classes for ENL and Immigrant students. This class will meet on Saturdays from 9 am. to 12 p.m. for 3 hours per session. This program will have sixty four sessions. There is a maximum of fifteen students in each class taught by a bilingual/ENL teacher. The bilingual/ENL teacher emphasizes the four language modalities by having students speak, listen, read and write about text structure. The bilingual/ENL teacher emphasizes the language structure used in the text, as well as the message embedded in the text. The instructional materials of the academy are crafted by the teacher with the guidance of the school's instructional team. Passages are selected based on the students' cognitive abilities and language development stage. The materials will be designed by the teachers with the guidance of the school administration. Both programs will have a strong emphasis on visuals and phonics.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

The Supplemental Title III Program will focus on language development and improving students' performance in ELA and Math exam scores. Our goal is to ensure ENL's will advance one proficiency level in the NYSESLAT ensuring they meet their annual ELP progress target thus meeting and increasing the percentage of ELL students that meet the safe harbor goal progress. In addition, of making progress towards grade level in Math and ELA (levels 3 and 4). For this reason, we will used the EDAT to identify and target our students accordingly through our supplemental program.

According to our NYSESLAT scores, students performed the lowest on the speaking and writing section. The ELA and Math exams indicated that the majority of our ENLs performed at level 2 and level 1. Therefore, the ENL's foundational ELA and math skills are below grade level. To provide instruction at the students' zone of proximal development, the newest ENL students will focus on phonics and phonemic awareness, so they can start reading inEnglish. They will receive mathematical instruction in Spanish, so the language of instruction does not interfere with the learning process. ENL students who have two or more year of services need the ELA academy to enhance their reading comprehension skills and learn testing strategies for the ELA exam. The math academy will be in English, unless the student is performing at the entering level. The after school program is crafted according to the students' language skills and academic readiness.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

At P.S. 53X, we work diligently to ensure that our students are critical thinkers and self-regulated learners. Based on the English as a new language (ENL) data, students are engaged in various learning opportunities, aimed at enhancing their language acquisition process and academic performance. To ensure their active participation, the academies are before and/or after school. Parents are invited to an orientation session and invited to progress meetings. The academy focuses on the language acquisition, so the four language modalities are equally emphasized. Based on the students performance, they are grouped and materials are designed according to their needs and performance.

The program will take place on Saturdays from 8:30 am to 12:30 pm. It will be 12 session. 4 hours per session.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The Immigrant Saturday academy will start on January 11 and end on May 25, 2025. There will a total of 12 sessions. The ENL academy takes place on Saturday from 8:30 to 12:30 pm for grades 3, 4 and 5.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

ELA academies will be in English
Math Newly arrived Academy will be in Spanish
Math ENL academy English

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

The teachers working in the academies have the ENL or bilingual licenses.

Types of Materials

For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Materials and resources will be bought using title III funds. Teachers will also select and/or craft instructional materials according to their students' needs and readiness.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

How your school will maintain records of students served in this program
Attendance Google forms will be completed and submitted daily. Class work will be kept in folders. Assessment will be tracked on excel sheets and maintain in the data file. Teachers will analyze their students' class work and assessment to provide instruction at the students' zone of proximal development.

The invitation letters will be sent in November. Parents will be invited to an opening session on December 2, 2023. The instructional materials will be distributed by November 27, 2023. Teachers will receive their students' data, so teachers can craft their lessons. Assessments will be conducted at the starting, middle and end of the program. Data conversations will be conducted to provide suitable services to our students.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Teachers will receive professional development at no cost to the Title III program. Our teachers who support our ENLs will have virtual and in person professional development sessions. The virtual professional development include NYU and Stanford University learning opportunities. Teachers will also participate in professional development opportunities offered by the NYCDOE and those crafted for the program. Teachers will engage in at least one session per month during the course of the program. Teachers will be involved in data driven sessions to identify trends and engage in discussion on how to provide support to those students and what instructional techniques can be used to promote students' performance.

+ ENL strategies will be utilzed for support in comprehension in ELA.
+ How to select cultural responsive, high interest leveled texts for our ENLs.
+ The Art of Reading and the ENL students' instructional strategies.
+ NYSESLAT-Additional experiences/test practices in the four modalities: *Speaking: Graphic information *Listening:
+ Picture/sentence comprehension: dialogue & academic content
+ Reading: Picture identification with simple question; short passages for comprehension
+ Writing: Descriptive paragraphs, fact-based essays The language of instruction will be in English and Spanish will be use to
facilitate learning.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Based on the students' readiness, an introductory session will be conducted. Teachers will receive their students' data and materials to support the students. Methods of instruction and flow of the sessions will be discussed and the expected instructional format will be unpacked.
ELIZABETH GRONLUND Bilingual Instructional Coach Office of Multilingual Learners will provide educator support during various sessions to discuss different strategies to educated ENL students. These sessions will prepare teachersforn selecting materials and crafting lessons strategically oriented to ensure students' academic progress.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

Teachers will be invited to in person sessions at the starting of the program. After the introductory sessions, all the other sessions will be virtual. Topics will be selected according to the needs. Consultants from the publishing companies will be invited to provide professional services about their programs. The envision consultant will be on-site SY 24-25.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

SY 24-25
Five sessions will be organized. All of these sessions will take place on Monday PD sessions.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

To be determined according to the students' needs

Selecting cultural responsive text materials for a selected ENL group.
HMH components dedicated to ENL students.
Envision site to select material for a selected ENL group

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Program outline and expectations Dr Moreno
ELIZABETH GRONLUND Bilingual Instructional Coach Office of Multilingual Learners
Envison will be Dr. Farley

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The family engagement activities are at no cost of the Title III program. As the program evolves more sessions will be crafted. For now we have the test sophistication session for parents and the outline of the ENL program.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Outline of the program will be provided so parents understand how important is for their kids to be in attendance and be aware of the expectations of the program.
Test sophistication sessions will guide parents how to help their kids at home.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Sessions will be between 30 to 45 minutes.
Tuesdays during parent engagement session.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)
