Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At P.S. 70, The Max, our mission is to ensure the provision of a Creative...Caring...Community. As an equitable educational organization, we will provide all of our students with the opportunities and abilities to become viable members of an innovative and wellness-centered society. Via the provision of SEL and CR-SE embedded curricula, our socially conscious scholars will take an inquiry-based stance and demonstrate social-emotional responsibility for themselves and their communities. The Max strives to strengthen the instructional core by integrating the science of reading, writing protocols, and vocabulary building into our daily lives to ensure that students learn the necessary life-long skills which will assist them in acquiring knowledge in every content.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 70 The Max (Schoenfeld) is a formally CSI designated school located in the Bronx, District 9 and houses approximately 800 students in grades 3K-5th. It is located in the Claremont neighborhood of the Bronx, nestled between the Grand Concourse and Bronx Care Hospital (formally known as Bronx Lebanon). Our neighborhood is one that is densely populated (108, 000+ p/sq mile), economically disadvantaged (median income is $29, 827), and contains a very high newly-migrant population. Our challenges stem from food insecurity, above average transient housing status, and a lack of quality health care. Throughout the aforementioned, our community is resilient, vibrant, and hungry for the necessary resources to assist in combating the additional hurdles the COVID pandemic has created. It is 09X070's hope that we will be of assistance in this matter.

At THE MAX, we facilitate teaching and learning practices that enable our scholars to grow as independent learners, think critically, and apply learning to real-world situations. As the largest elementary school in NYC district 9, we provide a holistic educational experience that is difficult to replicate in a public education setting. By incorporating a socially responsive curriculum, we promote rich student discussion while integrating innovative Arts and STEM practices. This only happens at THE MAX, where a creative, caring, community nurtures the future innovators of tomorrow.

Demographic Information: Our attendance average is currently 90%. The male to female percentage breakdown of the student population is 52% to 48% with ethnic demographics registering at 22% African American and 76% Hispanic. Our economic needs index is 94.1%: students in families eligible for HRA assistance is 88%, students in families below the federal poverty line is 39.6%, students in temporary housing 24.5%. P.S. 70 has a 27% ELL population, with proficiency levels ranging from Newcomers up to Commanding. ELL students are instructed part of their programmed day in proficiency groupings at their grade level. Additional ESL services are provided with a push in model in core content areas. The majority of ELL students identify Spanish as their native language with a smaller percentage of French, Mandingo, and Twi. Students with Disabilities comprise 23% of the student population

ranging from speech classifications to autism. Each grade level offers services/placement in the following classes: Pull out SETSS, ICT, 12:1:1 and in Kindergarten through 2nd grade we offer a text-based co-teaching model called IRead as well as a Emotionally-disabled co-teaching specialized program called Path. We are only one of a handful of schools in NYC that offers these programs and currently house the inaugural cohort of students.

Briefly summarize the key initiatives your school will implement this school year.

ELA:
*Continue to revise new curriculum Into Reading/Arriba La Lectura to ensure cohesion of tier one instructional practices for all learners.
*Integrate the Science of Reading, via skills/vocabulary blocks, to ensure students are able to access information

Math:
*Continue to revise new curriculum Envision to ensure cohesion of tier one instructional practices for all learners
*Integrate fluency blocks to ensure students are able to grasp basic mathematical concepts

Science:
* Launching Elevated Science
*Integrate project based STEM instructional practices through the incorporation of engineering and technology that include, but are not limited to: 3D printers, solar paneling, hydroponic gardening, and partnerships with Teq, Makerspace, Green Bronx Machine, Wellness in the Schools, Grow NYC, Zero Waste NYC, etc.

Social Studies:
*Integrate social (civics) studies that will extend into grade or school wide events where children will be provided an immersive experience that will bring the topics a more in-depth understanding.

SEL:
*Strengthening of SEL MTSS infrastructure that will be led by The Max Wellness Council, to provide enrichment and tier 2/3 supports to those identified by internal SEL screener

ELLS:
*Launching of an ELL academy to assist in the integration and resource developments of newly migrant students and families

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Into Reading/ Arriba la Lectura	Supports and modification for subgroups
MATH	K-5	Envision	Supports and modifications for subgroups

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

NYS ELA grade 3-5 writing rubrics and student checklists	While students are able to write an answer to a question, the strategies for responding to text using the specific citation of text based evidence to demonstrate their understanding of the question and the reading are inconsistent. Students with Disabilities need to focus on specific paragraphs and portions of the text that require the extraction of relevant evidence from the text to support and demonstrate their understanding. Students that are English Language Learners struggle with the demands of the question based on unfamiliar vocabulary within the question. Students that are English Language Learners struggle to respond to a question based on specific paragraphs and portions of the text that require the extraction of relevant evidence from the text to support and demonstrate their understanding. Build students content specific language and academic vocabulary and in literary and informational texts as evidence by qualitative and quantitative student data and trends.	Develop opportunities for students to cite evidence (two details with a text) to support claims in written responses.
I-Ready	Students are familiar with curriculum practices of teacher initated instruction, student response, teacher evaluation and feedback, however they need to be taught the strategies necessary for analysis of complex text. In particular, students struggle with discussion and dialogue, reasoning and reflections. Students with Disabilities need to be taught the strategies necessary for the activation of background knowledge, familiarity of academic vocabulary, discussion and dialogue, reasoning and reflections, and the analysis of complex text. Students that are English Language Learners need to be taught the strategies necessary for deciphering unfamiliar words, making connections and the composite of words/sentences to construct meaning.	Engage students in rigorous discourse that enables them to explore and comprehend literary and informational concepts, processes and relationships as evidence by qualitative and quantitative data

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	49.4	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 49.4 to 60, of percentage of students scoring at or above grade level proficiency on the IReady ELA diagnostic.
Students with Disabilities (SWD)	34	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 10% Increase, from 34 to 45, of percentage of students scoring at or above grade level proficiency on the IReady ELA diagnostic assessment.
English Language Learners (ELL)	25	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 10% Increase, from 25 to 35, of percentage of students scoring at or above grade level proficiency on the IReady ELA diagnostic.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Continued implementation and use of Iready
High focus on priority standards aligned assessments
progress monitoring

Root Cause Addressed:

Decoding and analyzing complex texts
Cite text evidence to support claims in written responses
Utilize prior knowledge to build robust vocabulary

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Continued professional development opportunities with be provided to all teachers both in person and virtually
Teacher teams will be meet monthly
Administrators and the ILT will engage in norming sessions to establish non-negotiable systems and structure for the ELA block across grade bands
Teacher teams will continue to infuse lesson objectives and academic vocabulary into literary and informational texts within the daily lessons to increase proficency levels of ML students

Teachers will utilize curriculum assessments and use generated data to inform tier 1 and tier 2 instruction.

Key Strategy 2 (Optional):

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	45%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 30% Increase, in positive student responses regarding levels of safety within the PBIS SEL survey from 45% to 75%, per the PBIS Rewards Application .

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Use of PBIS application for daily checkins to identify tier 1, 2, and 3 SEL interventions.

Root Cause Addressed:

Increase in self -identified low self esteem and social anxiety

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the June 2025 NYS Math Exam results, 15% of students performed at Level 1, 36% at Level 2, 40% at Level 3, and only 9% at Level 4. These results indicate a significant number of students struggle with multi-step word problems requiring the application of different problem-solving strategies.	Limited instructional time and insufficient opportunities for students to unpack complex, multi-step word problems. Instruction may not consistently include explicit modeling and practice with multiple strategies for solving problems.	Students need structured opportunities to engage in unpacking multi-step word problems using multiple problem-solving strategies. Teachers must intentionally prioritize this within the math block.

A lack of intentional focus on developing computational fluency within daily math instruction contributes to student underperformance.	four operations through consistent, targeted instruction during the math block. Teachers must utilize this time with fidelity to address learning gaps and support all learners.
Based on the September 2025 I-Ready Math Assessment, only 8% of students are on or above grade level in representing mathematical thinking. 45% are one grade level below, and 47% are two to three grade levels below. This reflects a need for students to connect concrete, visual, and abstract representations.	Inconsistent use of manipulatives and lack of emphasis on connecting physical models to drawings and equations during Tier 1 instruction. Teachers may not be routinely modeling or expecting students to use these tools to express mathematical thinking.	Students need frequent and structured opportunities to use manipulatives and make explicit connections to drawings and equations. Teachers must consistently model and integrate this practice into daily instruction during Tier 1 instruction.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Strengthening Instruction Through Data-Driven PLCs and Instructional Coaching

Root Cause Addressed:

Teachers require ongoing, targeted support in analyzing student data and implementing differentiated instruction to address individual learning needs and improve conceptual understanding in math.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Instructional Leadership Team will review I-Ready Math, NYS Math results, and Advance observation data to determine priority standards and communicate instructional goals to staff during the first PD session of the year.
Grade-level PLCs will meet weekly to use student data to group students, plan small group instruction, and determine scaffolds necessary for diverse learners.
Instructional Coaching cycles will be launched each quarter, focusing on co-planning and co-teaching small group lessons tailored to data-identified skill gaps.
PD sessions will include protocols such as the 3-Reads Strategy and Vertical Planning to ensure standard alignment across grades.
Leadership team walkthroughs will provide formative feedback to teachers, with a focus on small group

implementation, strategy use, and data-driven differentiation.
Each grade level will implement a dedicated weekly WIN (What I Need) period, during which students receive targeted support based on current data (e.g., I-Ready, formative checks, class assessments). Instructional groups will be flexible and adjusted regularly to ensure that all students receive appropriate intervention, practice, or enrichment aligned with their needs.

Key Strategy 2 (Optional):

Building Computational Fluency Through Intentional Use of Manipulatives and Math Discourse

Root Cause Addressed:

Students need regular opportunities to connect hands-on learning with abstract math concepts, and teachers require guidance in integrating manipulatives effectively and consistently across grade levels.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
At BOY professional development, teachers will explore how different manipulatives (e.g., base-ten blocks, number lines, arrays, fraction tiles) support grade-level standards and enhance student understanding through discourse.
The Math Instructional Coach will lead monthly modeling and coaching sessions on effectively embedding manipulatives into core instruction and small groups, emphasizing how they support conceptual understanding and fluency.
Teachers will introduce multiplication songs and chants (e.g., skip counting songs, fact fluency jingles) as part of fluency-building routines in grades 2–5. Songs will be practiced daily in class and connected to visual models like arrays and area models using manipulatives.
Weekly PLC meetings will include student work analysis focused on strategy use, accuracy, and ability to explain reasoning using visual models and manipulatives.
Classroom observations by the Instructional Leadership Team will focus on the fidelity of manipulative integration, student use of academic language, and engagement with fluency-building activities like multiplication songs.
Teachers will collect anecdotal and formative assessment data (e.g., math journals, exit slips, fluency checks) to monitor student progress and adjust small group plans accordingly.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Our monitoring approach is grounded in comprehensive, data-driven analysis and a continuous feedback loop. The Instructional Leadership Team (ILT) regularly examines instructional challenges using student performance data, tracking progress throughout the academic year. Utilizing a Multi-Tiered System of Supports (MTSS), the team recommends improvements to Tier I core instruction and identifies appropriate Tier II or III interventions based on progress monitoring results.

Classroom observation data, gathered through routine visits, provides valuable insights into instructional practices that impact student achievement. To measure student progress, we use I-Ready assessments (administered three times per year), along with unit and interim assessments. For unit (topic) assessments, we utilize All In Learning, which allows for immediate data collection and analysis to monitor both grade-level proficiency and individual student growth.

Monthly School Leadership Team (SLT) meetings, aligned with the NYC DOE recommended calendar, focus on collaborative analysis of the school's Comprehensive Education Plan (CEP) and its progress metrics. Additionally, weekly cabinet meetings and bi-weekly extended cabinet meetings review student achievement data and Advance observation results, offering targeted, actionable feedback to teachers.

This comprehensive collection and analysis of data allow us to evaluate the effectiveness of instructional strategies and their impact on student learning.

Priority 3 Family and Community Engagement

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a year-long family engagement campaign that includes workshops, multilingual information sessions, and personalized outreach (e.g., calls, texts, home visits) to educate families about the financial and college-readiness benefits of completing Building Block 1 of the NYC Kids RISE program.

Root Cause Addressed:

Lack of consistent and structured communication systems to inform families about the program's long-term value and impact on college and career readiness.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Student-Facing Activities: Host student assemblies and classroom sessions explaining the NYC Kids RISE program and the importance of early college savings. Involve students in creating flyers and announcements to promote the program.
Family Engagement: Offer monthly multilingual workshops (in-person/virtual) to explain Building Block 1 and its long-term benefits. Collaborate with community partners to build trust and increase family participation.
Staff Professional Learning: Provide beginning-of-year PD on NYC Kids RISE goals and how staff can support family outreach. Train select staff as "program ambassadors" to assist families directly.
Rollout: Fall: Kickoff at Back-to-School Night; begin workshops and student lessons. Winter: Continue outreach;

follow up with non-participating families. Spring: Celebrate completions; gather feedback for improvement.

Key Strategy 2 (Optional):

Launch an “Extracurricular Access & Awareness Initiative” that includes interest surveys, grade-level assemblies, student ambassadors, and integration of club options during advisory or elective periods—designed to encourage broader student participation and connect activities to college, career, and life readiness goals.

Root Cause Addressed:

Limited student engagement due to lack of awareness, scheduling constraints, and barriers tied to socioeconomic disadvantage.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Student-Facing Activities: Conduct an interest survey to guide club offerings. Host a daytime Club & Enrichment Fair. Integrate clubs into advisory or elective periods.
Family Engagement: Share quarterly club calendars and highlight links to college/career readiness at family events.
Staff Professional Learning: Offer PD on how extracurriculars support CCCR goals. Encourage staff to lead or support clubs aligned with student interests.
Rollout: Fall: Survey students, hold PD, launch fair. Winter–Spring: Monitor participation, promote through updates, celebrate involvement.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To monitor the implementation of the NYC Kids RISE family engagement campaign, the school will track monthly completion rates of Building Block 1 using the NYC Kids RISE portal. Additional data will include attendance at family

workshops and student-facing sessions, along with family and staff feedback surveys to assess clarity, effectiveness, and outreach impact. This combination of quantitative and qualitative data will help determine progress in building family awareness and increasing early participation in college savings.

For the Extracurricular Access & Awareness Initiative, the school will maintain monthly attendance logs for all clubs and enrichment programs, disaggregated by grade and demographic group. Student interest and engagement will be assessed through surveys conducted mid-year and end-of-year. Staff will also monitor how extracurricular themes are being integrated into advisory or academic settings. This data will help evaluate whether more students are accessing meaningful opportunities aligned with college, career, and life readiness.

Priority 4 Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
12/08/2024	06/21/2025	ESL and GED classes for parents were held on Saturdays at our school, providing opportunities for continued learning and personal growth.	
01/23/2025	01/23/2025	Family Fun Night was a lively evening filled with interactive activities for all ages, including Arts & Crafts, Food, Technology, and Game Stations. We also hosted an NYC Kids RISE table to support parents with college savings resources. It was a great night of connection, creativity, and community.	
01/27/2025	01/31/2025	During Focus on the Future Week, students engaged in activities to help them prepare for life after school. On Day 1, they explored their strengths and goals in "Finding Your Path." Day 2 focused on "Career Exploration," where students researched various professions. On Day 3, "Dress to Impress," they wore professional attire and learned about making a strong first impression. The week wrapped up with "Future Ready," featuring guest speakers who shared insights and experiences from their careers, inspiring students to think about their own futures.

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Attendance sheets, NYC School Survey, Parent	The school needs to offer parent workshops at various times giving parents multiple opportunities to attend.	Most parent workshops took place during morning hours which were not convenient for working parents.

Coordinator Action Report (PCAR)		
District 79 Adult Education attendance sheets	The school needs to collaborate with adult education to ensure parent needs are met.	The parents requested ESL/GED adult classes to further their education.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

In SY2024-25, students in grades PK-1 had an average of 5 to 10% higher chronic absenteeism than students in grades 2-5.	Our focus throughout the year has been on universal approach to interventions and incentives without giving due consideration to the needs of different grade bands.	Students in grades PK-1 have higher rates of chronic absenteeism compared to grades 2-5 in our school.

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Attendance report cards provided to all students at risk of missing their progress target.

Root Cause Addressed:

Our focus throughout the year has been on universal approach to interventions and incentives without giving due consideration to
the needs of different grade bands.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
School Leaders will identify staff to serve as members of the attendance committee and develop protocols and expectations for this committee based on the CRSE Framework . Ensure framework for parent activities is developed and planned throughout the first 3 months that are culturally responsive and aligned to parent schedules to ensure attendance.
School leaders will review 2024/2025 attendance data to develop two lists: 1-returning students who were chronically absent in 24/25. These students will be given Tier 3 supports. 2-returning students who missed between 14-17 days in 20-21. These students will be given Tier 2 supports in the first half of year.
School Leadership will work towards developing Tier 1, Tier 2 and Tier 3 supports in each grade level. Tier 3 will involve staff as mentors to connect to students and families. Tier 2 will involve communicating to the classroom teacher the potential risk for chronic absenteeism, and that daily positive reactions to student attendance are to be

provided, establishing contact early and often with the child's home, and monitoring for factors that may be likely to negatively affect the child's attendance. Student ambassadors will ensure that student input is provided in the development of these interventions. Tier 1 supports: send home attendance policy and copy of attendance report cards highlighting how much school is missed every-time a child is absent. Tier 2 supports: recognize good and improved behavior via certificates and homework passes, trips, and extra recess time. Tier 3 supports: Intensive support to families. Through specific outreach to determine root cause. For example: transportation, homelessness, hunger, etc.. Mandatory in-person meeting to review previous attendance and the impact absenteeism has on outcomes.
Host PD for school staff to illustrate the link between increasing attendance and increasing instructional time. The CRSE framework will be used as a guide. Distribute and explain School Attendance Plan and attendance policies to all staff. The principal/parent coordinator will emphasize the importance of regular school attendance in the monthly parent newsletter. Launch parent activities that are culturally responsive and aligned to parent schedules to ensure attendance practices are understood and internalized, i.e. workshops, CBO visits, classroom walks, etc.
Differentiate activities and supports to target SWDs/ELLs who are on the cusp or are chronically absent and refer students and families to additional services, followed-up by monthly check-in on the 2nd meeting of the month.
Monitor student attendance around holidays and outreach to families about the importance of scheduling vacations when school is not in session.
The Attendance Team will develop an informational sheet to be shared at Parent-Teacher Conferences for each student that identifies, followed-up by color-coded attendance sheets to inform parents of problematic attendance. Use the 4th weekly meeting a month to make decisions about STH who are chronically absent and provide targeted supports.

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	71%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Students performing 2 grades or below on the ELA I-Ready assessment by a 11% Decrease, from 71% to 60%, as measured by IReady .

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Management needs implementation norming

Root Cause Addressed:

Management Needs of students with IEPs are not implemented consistently or with fidelity

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Fall SIT meeting to look at 24/25 data, plan PD, learning walks, feedback checkpoints, and criteria for success
BOY PD with SWD team on how to analyze IEPs for high impact management needs and to identify gaps and a plan to modify IEPs.
BOY PD on UDL strategies and management need tracking and implementation.
BOY learning walks with SIT team to monitor implementation and determine success criteria.
BOY feedback conversations and next steps for individual teachers by admin and teacher leaders.
Winter SIT meeting to use BOY data to plan PD, plan learning walks, feedback checkpoints and criteria for success
MOY PD with SWD on BOY modifications for management needs implementation.
MOY learning walks with SIT team to monitor implementation and determine success criteria.
MOY feedback conversations and next steps for individual teachers by admin and teacher leaders.
Spring SIT meeting to use MOY data to plan PD, plan learning walks, feedback checkpoints and criteria for success
EOY PD with SWD on MOY modifications for management needs implementation.
EOY learning walks with SIT team to monitor implementation and determine success criteria.

EOY feedback conversations and next steps for individual teachers by admin and teacher leaders.
June SIT meeting to use EOY data to measure success and plan 25/26 CEP with next steps for improvement.

Key Strategy 2 (Optional):

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly SIT (School Implementation Team) meetings will focus on updating the status of CEP action plan activities for Section 5 High Quality Inclusive & Accessible Learning for Students with Disabilities, with successes, challenges, and next steps.

Quarterly SWD Team meetings will focus on continuous improvement cycles including analyzing student work, collaborative pedagogical practices, use of monitoring tools, and self-reflections and revisions to lesson plans and classroom instruction.

The data that will be collected and analyzed to determine progress and impact on instruction, student learning, and achievement may include the following:

NYS ELA exam data
I-Ready ELA Assessment during three progress monitoring periods (Nov, Feb, and June)

SIT will follow and leverage the Leadership Calendar of activities

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/03/2025	10/31/2025	School Implementation Team will work closely with Parent Coordinator and PA to develop a shared vision for special education. In support of this shared vision, the collective group will outline a series of family empowerment workshops from September/October 2025 to June 2026	Parent Association
11/03/2025	06/26/2026	Family Empowerment Sessions Aligned to Shared Vision for Special Education.	CSD9 SWD Team

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Pedagogical staff, SBST, IEP Teacher, SE Liaison, SE Teachers, Related Service Providers, Administration (Vendors, if applicable)

Instructional Resources

HMH Into Reading student consumables; Sounds Sensible student consumables; Fundations student consumables,....

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

During Parent Association Meetings, SLT meetings, and "Live with Ledda" meetings

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Intervention teachers will form connections with families and update them periodically.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

SIT teams will invite parents for a planning meeting when tier 2 interventions haven't been successful.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

There has been data to suggest that attendance trends behind the housing secure students but we have assisted families by supplying them with basic needs (laundry cards, detergent, food, clothing) to allow them access back into the population if these were the barriers identified. Our STH services are aligned to the direct needs of our families.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The services we will provide are:

>Provide individual and group counseling

>Wellness Meets (Leaders in Training Group)
>Provide resources in the community such as medical, housing and mental health referrals
>Outreach to families daily to support with attendance
> Support students and Families as it relates to the McKinney Vento
> Assist with Crisis Intervention
> Support STH students with school supplies, academic, uniforms, devices, etc.
> Liaison between the parent and staff
> Collaborate with outside Agencies (DHS, ACS, Case-planner)
> Parent Support Group
> Provide information to school about family move in/ move out

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

>Provide individual and group counseling
>Wellness Meets (Leaders in Training Group)
>Provide resources in the community such as medical, housing and mental health referrals
> Assist with Crisis Intervention
> Liaison between the parent and staff
> Collaborate with outside Agencies (DHS, ACS, Case-planner)
> Parent Support Group

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

>Provide individual and group counseling
>Wellness Meets (Leaders in Training Group)
>Provide resources in the community such as medical, housing and mental health referrals
> Assist with Crisis Intervention
> Liaison between the parent and staff
> Collaborate with outside Agencies (DHS, ACS, Case-planner)
> Parent Support Group

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Nothing appears as consistent across the board. Foster students seem to have similar trends with All Students

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 070 Max Schoenfeld School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

The P.S. 070 Max Schoenfeld School will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;

- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or
  Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional
  learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent
  Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who
  attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator
  will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level
  curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build
  parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student
  proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about
  the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements
  under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to
  share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide
  suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and
  student progress;

- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent
  practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 070 Max Schoenfeld School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;

- providing parents with timely information regarding performance profiles and individual student assessment results for each child
  and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each
  year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:

- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking
  parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom
  activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:

- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and
  guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by
  providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school
  community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and
  the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I
  requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to
  inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family
  time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and
  responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this
  Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about
  teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title
  I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Extended Professional Development will be provided to all instructional staff, both in person and virtually, in order to ensure multiple entry points to reach all learners including SWDs and ENLs learners. Teacher teams inclusive of student input and voice will be utilized to review and adjust curricular units of study and tasks to ensure all students (including SWDs and ENLs) have access to high-quality rigorous instruction.

The Instructional Leadership Team will meet weekly to conduct action research to improve school-wide practices with a lens on teaching Advanced Literacy, phonemic awareness and mathematical competencies across content areas, Culturally Responsive-Sustaining Education tenets, and the Instructional Leadership Framework priorities.

Teacher Teams will be trained in the use of IReady Growth formative assessment data to engage in progress monitoring in order to identify students who require additional support/scaffolds, evidence-based interventions, and adaptations to the delivery of instruction.
Inclusive of student ambassadors' feedback, we will also review formative assessment data to create Evidence-Based Intervention opportunities to guide instructional choices and elevate the quality of instruction provided to all students including SWDs and ENLs subgroups and high needs, with more intentionality.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

As a 3K-5th grade school, P.S. 70 has planned collaborative cross grade meetings with the Early Childhood teaching staff and the Kindergarten teachers to better assess the class composition of the rising Kinder students. Open houses were scheduled to introduce parents to the new teaching staff and kindergarten learning objectives. Also, professional development was led to create a crosswalk between EC and K standards to ensure a seamless transition from one grade band to the next.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Our English as a New Language (ENL) includes ENL Stand Alone, Integrated, and self -contained heterogenous students with mixed proficiency levels. The language of instruction is English. Fifth grade ELL students are placed in a self- contained ENL class with a licensed ENL Teacher. Special Education and General Education students receive ELL instruction through the integrated model in ICT. The NYSITELL and NYSESLAT results are used to plan program instruction. Students who are at the Entering and Emerging levels receive 360 min of ENL instruction per week, transitioning and expanding receive 180 min of ENL instruction per week. All the aforementioned ENL program models help ELL students to achieve English language proficiency levels on the NYSESLAT, as well as the standards established for grade promotion and graduation. Ells receive the required amount of instruction in ENL based on their proficiency levels. The primary goal of this program is to amplify the literacy and cognitive/academic skills of Ells by incorporating research based ENL instructional strategies across content subject areas so that they can perform at city and state grade levels.

Integrated ENL:

Our English as a New Language (ENL) includes ENL Stand Alone, Integrated, and self -contained heterogenous students with mixed proficiency levels. The language of instruction is English. All ELL students in kindergarten, first, second, third and fourth grade classes receive integrated instruction from a licensed ENL Teacher. Students who are at the Entering and Emerging levels receive 360 min of ENL instruction per week, transitioning and expanding receive 180 min of ENL instruction per week. Fifth grade has one self -contained ENL class with certified teacher.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

We implemented Dual Language in 2016 for grades K, 1 and 2. In 2023, we extended our program to grades 3, 4 and 5. We offer one class per grade a 70/30, one way, self contained model in English and Spanish. In our DL program, students are taught literacy in English and the other academic contents in the partner language (Spanish). Our DL classes are comprised of all native Spanish speakers. The core content is taught in English based on the self contained A/B model depending on which day English or Spanish. Emergent literacy is taught at the same time , English day A, Spanish day B , and on Fridays the teacher provides reinforcement on lessons taught during the week. Students are grouped heterogeneously and are receiving integrated services through the bilingual teacher.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Organization of our staff ensures that the mandated number of instructional minutes are provided according to the proficiency levels of our ELLs. In compliance with CR Part 154, ELL students who are at entering or emerging levels, receive 360 minutes a week of ENL services. Students at the transitioning or expanding level receive 180 minutes a week, while those at the commanding level receive 90 minutes a week. In DL classes, HLA is delivered through Arriba la Lectura. The program serves all students with limited English proficiency (ELL) until they achieve proficiency in the English language. ELL students in ENL self-contained classes receive ENL services by their ENL certified teachers during their daily content area instruction. ELLs with IEPs in the Special Education Self-contained classes in grades K-5 receive ENL instruction by certified ENL or Bilingual Special Education teachers through collaborative planning for small group ENL instruction. All other ELLs in ICT and general education classes receive ENL services by ENL certified teachers through an integrated approach and/or stand- alone model. In addition, students in grades K-5 participate in our RTI, MTSS and/or After-School programs. The content area subjects of the core curriculum for all students includes as follows: Literacy, math, science, social studies, health, technology, physical education, art and the ENL program are taught 100% of the time in English.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL-ELL students in ENL self-contained classes receive ENL services by their ENL certified teachers during their daily content area instruction.

DLBE- In DL classes, HLA is delivered through Arriba la Lectura and ENL minutes through Into Reading during ELA.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

We offer one class per grade a 70/30, one way, self contained model in English/Spanish.

The ELLs are integrated all day and receive instruction in English and Spanish with an A/B model.

b. In which language(s) is each core content area taught?

In our DL program students are taught literacy in English and the other academic contents (Math, Science, Social Studies) in the partner language (Spanish).

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

85% of our ELL population are newcomers. Newcomers need intensive language support alongside content instruction, while Developing and Long-Term ELLs may require more targeted support for specific academic language skills and content-area learning. Therefore, our school has integrated for our Newcomers explicit instruction in vocabulary, grammar, and sentence structures, often using strategies like sentence frames and word walls. ELL teachers are connecting new information to students' prior experiences and using their native language as a bridge. On the hand, developing ELLs are focusing on specific vocabulary, grammar, and discourse patterns used in academic contexts.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

4.4% of our ELL population are SIFE. We differentiate effective instruction for SIFE by tailoring instruction to their current skill levels, providing targeted support, and fostering a welcoming and supportive learning environment. This is done by providing extra support in targeted small groups or individually utilizing bilingual support and resources to bridge language gaps and facilitate language acquisition.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We have 0% Long Term ELL population. If a student in this subgroup were to be registered, we would provide the necessary academic instruction that targets the development of academic language and advanced literacy skills to access grade-level content with AIS teachers

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

3.2% of our students are former ELLs. We provided mandated instruction to former ELLs through project based activities. Students' progress is monitored by our ENL teacher.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The trends noticed after examining all at-risk levels affecting our Ells are that 85% of our ELLs are newcomers with 49.1% in temporary housing, with 33.6% not demonstrating sufficient ELP progress in 2024 NYSESLAT.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The trends noticed after examining all at-risk levels affecting our Former Ells are that 31.8% are in temporary housing, 22.7% scored level 1 or 2 in ELA and 13.6% scored level 1 or 2 in Math.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The largest representation of home languages in our school are Spanish with 211 ELLs, followed by Fulani with 3 ELLs and, Sukuma with 3 ELLs. We currently have staff members who speak Spanish and French. Our school provides translation services through the NYC translation system. We also have students utilize translation programs and celebrate culture awareness day.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classifications of ELLs in our school are as follow: 11.5% are American Indian or Alaskan Native, .9% are Asian, 76..1% are Black, .4% are multiracial, .9% are Native Hawaiian and 10.2% are White. We include our ELLs in the planning and delivering of CR-SE by valuing their diverse cultural and linguistic backgrounds, connecting their experiences to learning, and fostering a sense of belonging. This is achieved through inclusive policies where we make the student council voice their opinions, culturally relevant pedagogy by making sure our curriculum is culturally responsive, and ongoing professional development for our educators.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

It was noticed that 67.9% of the ELLs did not meet ELP growth, 14.3% met annual progress target, were as 8.9% met progress by exiting and 8.9% met safe harbor cumulative growth.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

When looking at the 2024 results of the NYSESLAT we noticed that our modalities of strength were speaking and listening. Out of 106, third to fifth graders 52 ELLs scored high. The same occured in 2023. In 2023, wiriting was a modality of need and when analzying the data in 2024, writing continues to be a need with the majority off the ELLs anaswering 15% of the questions correctly.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

When analyzing the NYSESLAT data the majority of our ELLs are transitioning and expanding and scored level 1 on the ELA assessment. and scored 2 and 3 on the Math assessment.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Out of the 26 ELLs with IEPs 12 are emerging and 5 transitioning reflect significant limitations in both social and academic English contexts. supports in place to help them develop their language skills and access grade-level content Our SIFE students scored Entering on the NYSESLAT. Providing intensive foundational literacy and socio-emotional support within a welcoming, age-appropriate environment is being implemented to help support these students.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

All English Language Learners receive the same academic content with HMH and EnVision as those who are native English speakers. To ensure our students' academic progress in the ENL programs, we utilize collaborative core curriculum planning between ELA, Math and other content area classroom teachers, as well as clusters and ENL support service teachers. Teachers have common planning preps built into their schedules. This means that beyond explicit ENL collaboration between teachers, we also take into consideration the language needs of ELLs by providing scaffolds according to their proficiency levels to support their learning, All this leads to high-quality academic experience that leads to deeper learning.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our ILT meets weekly to discuss instructional goals and analyze data. We consistently discuss the needs of our sub groups and design instruction to meet these needs. Our ENL students are in need of intense vocabulary instruction, student to student discussion techniques and writing skills. All of our lessons pulled from our literacy program Into Reading/ Arriba la Lectura have built in ENL support and include differentiated delivery to meet their needs. Articulation with ENL teachers helps us to identify student trends and stay focused on next steps.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

All English Language Learners receive the same academic content as those who are native English speakers. To ensure our students' academic progress in the ENL programs, we utilize collaborative core curriculum planning between ELA, Math and other content area classroom teachers, as well as clusters and ENL support service teachers. This means that beyond explicit ENL collaboration between teachers, we also take into consideration the language needs of ELLs. For example, content area teachers monitor the understanding of linguistically challenging material and use a variety of phrasing and synonyms along with visual aids such as maps, atlas, illustrations and the

technology piece of AMIRA to increase comprehension. Our i-ready and Zearn technology piece in Math, ensures every child has their own account and can log in to complete work. Teachers have an account as well, to assess students' performance in Math. The four computer labs , the iPad rolling cart, white boards and individual student chromebooks are also used to address the ELLs learning styles.

In the Dual language model core content like ELA is delivered in English with supports in place during small group instruction. Math, Science and Social Studies are delivered in the native laguage, Spanish. Various ENL strategies and scaffolds, like illustrations, visual aids, charts, etc. are in place to support delivery.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

All SWDs receive the same academic content as those who are native English speakers to ensure our students academic progress. The four computer labs , the iPad rolling cart, white boards and individual student chromebooks are also used to address the ELLs learning style. We provide support by implementing the frayer model to introduce and teach vocabulary. We also provide students with graphic organizers and sentence starters to accelerate English language development.

b. SIFE

SIFE students are identified once the oral questionnaire and writing screener is administered. SIFE students are grouped in classes. Instruction is taught through thematic units and various materials are available such as Stair Step books. SIFE students receive Tier 1 instruction with the classroom teacher. They are then assigned to a small group where extra supports, like visuals, graphic organizers, word banks etc., are provided.

c. Newcomers

While our newcomers are exposed to the same academic content as the other students on their grade level, they are often grouped in DL classrooms and paired up with higher performing ELLs so that they may interact daily and learn from one another. They are also a priority when it comes to after school programs and AIS/MTSS services. Classrooms with newcomers are often provided with an additional teacher or para to provide additional in classroom support.

d. Long Term ELLs

N/A

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Our ILT team meets to analyze and plan a service delivery model that ensures access to least restrictive environment and English language development. Our ILT consists of members with knowledge and expertise in general education, special education and ENL. Our ILT conducts IEP reviews to guide professional development, and consults with content area coaches to ensure curriculum and instructional planning that provides access to various types of learners, including SWDs. We have three ENL teachers who provide an integrated and stand alone ENL model to students with IEPs requiring ENL services. Many students range from entering to emerging requiring 2 units/ or 360 minutes of service. Currently, we have 33 students with IEPs requiring ENL services. Teachers of Special Education meet regularly with content area teachers to ensure curricular and instructional alignment with grade level standards. Through specially designed instruction, teachers modify and individualized daily lessons to meet the needs of their students.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

The DL languages classes deliver home language support on the day that they are schedules to teach in the native language through Imagine Lectura, Imagine Español and Arriba la Lectura. ENL students receive support services. The home language is assessed with teacher created unit exams, running records and, math assessments in their home language. ALL DL classes have leveled Spanish libraries in their classrooms.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

The DLBE teachers meet every two weeks to collaborate, plan and share best practices. They have conduct inter classroom visitations.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

ENL scaffolding strategies, mindfulness, Next generation learning standards and CR-SE are amongst the annual professional learning opportunities that will be offered to all staff to ensure that all staff incorporates learning specifically related to academic and social emotional needs of our MLs/ ELLs.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154

(15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Our certified ENL teachers provide professional development for our teachers. We also have a partnership with Fordham university (R-BERN). A consultant works with our ENL teachers on analyzing data and moving targeted groups of students. In addition, our BCO staff developers provide many virtual P.D. opportunities throughout the year. All classroom teachers receive instructional support in ENL methodology. Attendance is taken and records are kept in the main office.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We use writing baselines,Acadience (K-2), iReady (3-5) and Fountas and Pinnell. We use the data to form grouping and to differentiate instruction within the classroom. After we have identified students for additional support, we set up AIS, afterschool programs and 360 minutes/2 units of integrated ENL services for our entering and emerging ELLs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Targeted interventions are used such as MTSS, Brain Pop, Science hands on, Native language in all Bilingual/ENL classes. All Instructional Leads and cluster teachers provide MTSS services for students four days a week with a specific focus on holdovers and Level 1s in ELA and/or Math. Targeted intervention programs for all ELLs at PS 70 in Math, ELA and other areas are as follows: SETTS, ENL, Extended day Literacy and Math after-school, MTSS, Speech and Language and Guidance counseling. The language of instruction and or services is English and/ or Spanish as needed. We conduct IEP evaluations and parent meetings in both English and Spanish for our students with special needs. Both the ENL teacher and classroom teachers provide intervention in the classroom. All teachers constantly monitor students' understanding of the content material and differentiate the instruction to develop the students' English language proficiency in the four modalities: listening, speaking, reading and writing. For example, They guide students to read, write, listen and ask questions, think and use academic language to express themselves and scaffold their learning. Students engage in a variety of meaningful tasks, that are designed according to the students' needs and preferences. Literacy and Math instruction is provided through ENL methodology in alignment with the NYS learning Standards for English Language Learners and New Generation Standards.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

We use the acadience, i-ready and NYSESLAT data to guide instruction for ELLs within a MTSS. After analyzing data goals are created for TIER 2 & 3.
In tier 2 we change of words when explaining directions for consistency, use of short sentences to explain concepts and give more time on certain steps in the process of gradual release. Tier 3 interventions are provided but at a more personal level.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

We look at the NYSESLAT scores to determine when groups of children have made progress. We also use the RFSF report, EDAT to breakdown populations and individualize specific data according to proficiency levels, modality scores, etc. as well teacher created assessments, and Fountas and Pinnell to inform and drive instruction. We monitor our ELLs in each modality to see how they are progressing throughout the year using unit assessments, teacher created check for understandings, and exit tickets We meet as a team to analyze data and discuss next steps for all our students.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Our DLBE classes use a variety of assessments such as unit test in content areas, ELA, social studies, science and math. Pedagogue speak the native language, teachers meet as a cohort to discuss, plan, and develop assessments in the native language. We also offer running records in Spanish.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We look at NYSESLAT scores to determine when groups of children have made progress. We also use the RFSF report, EDAT tool and NYSESLAT to break down populations and individualize specific data according to proficiency level, modality scores etc. We do this with other assessments such as Acadience, i-ready, Fountas and Pinnell, and unit tests. We monitor our ELLs in each modality to see how they are progressing throughout the year. We meet as a team to analyze data and discuss next steps for all our students. We also utilize our resources to provide professional development for our teachers on the curriculum.

Once the summative data through the RFSF report, EDAT, NYSESLAT, ELPC and BNDC has been gathered, we set up our after school, AIS, MTSS, Saturday program and 360 min. integrated ENL services for our entering and emerging students.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Teachers are provided with NYSESLAT preparation materials, which are used to prepare our ELLs for the exam during school and after-school hours. Our ELL coordinator, Ms. Melendez, attends all NYSESLAT trainings and then

conducts PDs to turn key. All our ENL and Bilingual teachers will administer and score the assessment. The assessment will be scored during after-school hours by trained pedagogies. During the administration of the NYSESLAT, all former and current ELLs will continue to receive mandated services by our certified teachers.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

We ensure that current and former ELLs receive necessary accommodations for state assessment by running ATS report and annotating the accommodations neccesary for each student.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

The school provides an orientation session to inform parents of the options available, program goals and requirements for all program models. Parents are offered two sessions, a morning and evening. Sessions are in person and through zoom. In this meeting, parents can view the parent orientation video and complete and paperwork. A presentation is presented and hand-outs are given to the parents to provide information on the Next Generation Standards and the school. The meeting conducted in Spanish and if translation is needed we contact the language access support. Attendance records, agenda and copies of invitations are kept in the ENL coordinators office.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Annual individual meetings are conducted through out the school year. If parents do not physically attend, teachers contact them by phone, emails or virtually. Teachers keep a log of when and how was the parent contact and what information was provided. Copies of all documentation is kept in ENL coordinator's office.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

We ensure families receive all school communications and documentations in English/ Spanish. If parents need to respond or initiate communication in other languages, we contact language access support.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

SLT and PA sends out surveys to determine the needs of our community. PTA, SLT with the collaboration on the parent coordinator develop activities through out the year that foster empowerment for our families. Such activities include but are limited to citizenship classes, cooking classes, ELA, Math, NYSESLAT workshops.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Parents are notified by letters, Class dojo and school website of opportunities to be part of PA, SLT and other parental involvement opportunities.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We have partnered with the Citizenship project, and they provide our parents with immigration supports. We will also provide ENL classes to parents on Saturdays with District 79 as well as parenting classes with The Puerto Rican Family Institute.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

There is no additional information to report.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Silkia Melendez- Assistant Principal
Albanelia Delorbe- ENL Teacher
Amalfi Abreu- Bilingual Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our registration office has a schedule of availability for the above mentioned pedagogues. They are called to come conduct the identification process as needed and within their availability. Parents are invited to the parent orientation where the NYS video is played and paper work is signed. If a student has an IEP, the LPT is called to evaluate the case. Once that's conducted we continue with the process. Once the ELL identification process is conducted the ELL Coordinator ensures all ELLs and former ELLs continue receiving mandated instruction. This process is in place throughout the school year.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Brenda	Colon	Parent Coordinator - Annual	12/05/2024	
Alexandra	Nunez	School Secretary	02/13/2025	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARAUCANIAN	0	0.00%	1	0.12%		
AFRIKAANS	1	0.12%	1	0.12%		
BENGALI (BANGLA IN BANGLADESH)	8	0.47%	5	1.04%

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Monthly calendars New letters Letters from the Principal	staff member (BIL Coordinator)
Entitlement Letters	DOE Translation unit (ENL distribution letters)
Family/ Sta. Events	staff member(BIL Coordinator)

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

IEP Mettings	staff members on site, Language Access Interpretation line and cell phones Over the phone interpretation
Back to school Night	BIL Coordinator
Parental Engagement Tuesdays	BIL Coordinator

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Language Access (Translation Interpretation Unit) through phone calls.

On-Site interpretation, school personnel.

Big Word for translating documents.

Over the phone interpretation Services.

Class Dojo for Parents Communication

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

All staff members will sign out for A-663on September 2020. Professional Development will be conducted to all staff members on translation and interpretation services at the beginning of the school year and prior to parent teacher conferences.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Welcome Sing in different language.

NYC Public School Guidebook.

Parents guide to language access.

Messaging Phone application.

We will have documents translate in the language that our parents student speak.

Also the parent's Bill of Rights and Language Access guides are available to parents request. Language ID guide is on the School Safety Desk and there is one placed in the Main Office.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

School Parents Survey is given out the first week of school to gather feedback. At registration a parent's survey is completed. Stating parents' preference language written and oral. The school has access to the Language Translation Department in the event a parent request another language other than Spanish, French, and Arabic. Lac distributes parent surveys the first week in September with additional information on the monthly calendar. Our parents' preference language is Spanish.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Based on our feedback, parents request all documentation and flyers translated in their own language such as Spanish, French, and Arabic. We will acquire interpreters within our school who speak those languages. We will also have documentation translated in the language our parent speak.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our goal is to provide our ELL population with the necessary language background experience while also strengthening the foundational reading, writing, listening and speaking skills. We service students in grades K-5. Our projected program will begin in October 2025 and will last until the end of May 2026 on Tuesdays, Wednesdays and Thursdays from 2:40-4:30pm for approximately 64 sessions. The program will be conducted by certified ENL/Bilingual teachers.

An ELL Spring Break Academy will be in person, for our Emerging and Commanding students in grades 3-5. This program will be conducted by 4 ENL/Bilingual teachers for 3 days from 8:30-12:30pm. Supervisor will be paid per session to oversee this program, it will be the only operational activity in the building.

The language of instruction for both programs is English with native language support for all students. The flow of the day consist of taking a practice ELA or Math test (if in a testing grade). Read aloud answers/findings, short response essays aligned with a rubric and finally sharing responses and strategies. ENL methodologies are infused into this program. Some age and level appropriate instructional materials will be used to support this program are Continental Reading for Comprehension, Getting Ready for NYSESLAT and Beyond, Starfall and content area materials such as Fountas and Pinnell leveled readers, (no cost) internet and newspaper articles, I-ready, document based questions, visuals, realia, total physical response activities(no cost) as well as hands on approaches to support content and academic vocabulary will be used to support our ELL population. Reading for Comprehension, Getting Ready for the NYSESLAT, Smart Start, and reading NY NGLS workbooks are at a cost and purchased through the school with Title III funds. These materials are supplemental and distinct from that which will be used for regular instruction. Starfall and Brain Pop are at no cost to the school, teachers purchase these resources in collaboration with other teachers on their own. Our rational for these programs is based on the premise that language acquisition is acquired for all our ELL students. The ENL teachers utilize ENL instructional strategies to deliver small group instruction. Scaffolding is an essential part of the instructional delivery. ENL strategies include but are not limited to TPR, songs, repetition, graphic organizers, modeling, charts, interactive read, read aloud, retelling, thematic units, language experience approach, technology through the use of SMART boards as well as accountable talk. Both Into Reading/Arriba La Lectura and Envision/Mi Vision curriculums support differentiated instruction in targeting ELL students. Based on our performance data on our ELL population needs to work on their academic language skills along with the writing component from the NYSESLAT. The remaining balance of the allocation will be used to purchase materials for both Title III program activities.

Attendance and student's progress assessment documentation will be monitored and kept on file.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**

- **Data sources used to justify the need for the program**

Our rational for these programs is based on the premise that language acquisition is acquired for all our ELL students. The ENL teachers utilize ENL instructional strategies to deliver small group instruction. Scaffolding is an essential part of the instructional delivery. ENL strategies include but are not limited to TPR, songs, repetition, graphic organizers, modeling, charts, interactive read, read aloud, retelling, thematic units, language experience approach, technology through the use of SMART boards as well as accountable talk. Both the Into Reading and Envision Math curriculum support differentiated instruction in targeting ELL students. Based on our performance data on our ELL population needs to work on their academic language skills along with the writing component from the NYSESLAT. The remaining balance of the allocation will be used to purchase materials for both Title III program activities.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The total number of ELLs will be 226. The afterschool program will service students in grades K-5

The ELL Spring Break Academy will be offered in person, for our Emerging and Commanding students in grades 3-5.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Our projected program will begin in October 2025 and will last until the end of May 2026 on Tuesdays, Wednesdays and Thursdays from 2:40-4:30pm for approximately 64 sessions.

The ELL Spring Break Academy for 3 days from 8:30-12:30pm

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be English with Bilingual teachers who will be able to provide Native language supports.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

The afterschool program will have six ENL/Bilingual teachers.

The ELL Spring Academy program will be conducted by 4 ENL/Bilingual teachers

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Some age and level appropriate instructional materials will be used to support this program are Continental Reading for Comprehension, Getting Ready for NYSESLAT and Beyond, Starfall, I-ready and content area materials such as Fountas and Pinnell leveled readers, (no cost) internet and newspaper articles, document based questions, visuals, realia, total physical response activities(no cost) as well as hands on approaches to support content and academic vocabulary will be used to support our ELL population. Reading for Comprehension, Getting Ready for the NYSESLAT, Smart Start, and reading NY CCLS/NGLS workbooks are at a cost and purchased through the school with Title III funds. These materials are supplemental and distinct from that which will be used for regular instruction. Starfall and Brain Pop are at no cost to the school, teachers purchase these resources in collaboration with other teachers on their own

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent**

engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.

Announcements of the programs will be sent through Class Dojo and flyers with information will be set home to parents.

All records for the Title III program including teacher certifications, parent notifications, invoices, attendance and student's progress assessment documentation will be monitored and kept on file.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

We will purchase MyOn, I-Ready and Rosetta Stone for our ELLs. Monthly professional development will be implemented to provide our teachers with training and additional support. We also send our Assistant Principal/ELL Coordinator (Ms. Melendez) or ENL teacher (Ms. Delorbe) to the monthly Borough Field Support Center meeting for ENL training, SIOP training and academic strategies for English Language Learners. Our ELL Coordinator turnkeys information presented at the monthly Bronx Field Support Center meeting during our PD sessions. We also have Elsie Berardinelli from RBERN/Fordham University provide professional development and support pertaining to data for our ENL, and Dual Language teachers.

Rational for ongoing professional development PS 70 has a substantial ELL population alignment with the blueprint for the education on ELL's the school is conducting ongoing PD to insure that all teachers learn strategies for ELL education. The school ELL Coordinator attends monthly Bronx Borough meetings and turnkey this PD at the school. Teachers attend RBERN PD activities on such topics as Co-teaching, SIFE, Special education for ELL students. CR Part 154, QTEL, literacy instruction for ELLs. The school has purchased the services of Smart Star Education who will provide targeted and ongoing professional development to staff members in ELL education. The professional development is being provided to bolster the skills of all teachers who work with ELL students. There are 4 teachers working in the Title III program. These 4 teachers participate in all PD activities targeted for ELLs as described above. Other staff members participate in PD activities for ELLs and therefore are able to apply appropriate skills in their classrooms.

PDs will be conducted on a rotating schedule. Each session is from 2:50pm-3:50pm and include such topics as Co-teaching, scaffolding strategies, Smart Star, RBERN turnkey sessions, SIOP Model, Building academic vocabulary, MTSS, Fundations, cultural competency, data driven small groups, google classroom, google meets, Flipgrid and other virtual learning resources. Additional topics that will be covered will include NGLS for all staff members.

Smart Star Education is funded by the program all other professional development activities occur at no cost to the program. The school's PD program provides all teachers with explicit strategies for instructing ELLs. All teachers will continue to be trained in understanding the levels of proficiency of each of their students. All teachers will apply this understanding to the differentiation of instructional strategies in their classroom. The school has developed a

plan to implement an effective co-teaching model in which both classroom and ENL teachers share their expertise to effect the progress of ELLs. Additionally, support staff such as school counselors, social workers, school psychologist will be included in all training activities related to the ELL population. This will positively impact outcomes of ELLs as well. All records of professional development activities are maintained in the main office. This include all agendas and attendance sheets of participants.

All activities will be at no cost to Title III.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All records including agendas and attendance sheets will be monitored and kept on file.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

PS 70 is providing an increased amount of parent meetings. Our Parent Coordinator, Brenda Colon and PA president provide meetings and workshops for our parents. Parents are notified via parent newsletters, calendars, letters home, class dojo, Live with Ledda and verbal reminders from our staff.

Parent needs are based on formal and informal conversations. They are also based on our yearly parent survey. A need for our parents is to have an English as a Second language Program with The Puerto Rican Family Institute. We plan to create an immigration discussion/workshop as well. This will provide our parents with the necessary skills to improve the communication between school and home as well as provide support for parents seeking citizenship. Our goal is to have parents feel comfortable enough to participate throughout the year in decision making and other activities that will support their child's learning such as school trips, celebrations, classroom helpers, etc.

Parental engagement activities will focus on the provision of Citizenship/Civics instruction for our Immigrant population that will assist in providing guidance towards naturalization. In conjunction with The Citizenship Project, PS 70 will provide:

- 12 x 2-hour lessons (total 24 hours), plus optional field trip to N-YHS
- class will meet for 4 hours a week for 6 weeks; this can be 4 hours once a week or 2 hours twice a week during the day, evening, or weekend
- class prepares for naturalization civics test and covers all 100 questions using reproductions of objects, paintings, and documents from our museum collections.

Parents will be notified of this opportunity through multiple modalities, Class Dojo, flyers, mass emails, surveys, and Parent Workshops.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**

- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Parent needs are based on formal and informal conversations. They are also based on our yearly parent survey. A need for our parents is to have an English as a Second language Program. We plan to have an ESL Saturday class with The Puerto Rican Family Institute. We plan to create an immigration discussion/workshop as well. This will provide our parents with the necessary skills to improve the communication between school and home as well as provide support for parents seeking citizenship. Our goal is to have parents feel comfortable enough to participate throughout the year in decision making and other activities that will support their child's learning such as school trips, celebrations, classroom helpers, etc.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

To provide additional support for our immigrant students in reading, writing, listening and speaking as well as cultural sensitivity. We will have an instructional class on each grade. They will meet 3 days over the Spring break for two hours each day. The language of instruction will be English. Our teachers will be ENL or bilingual certified. We will be using Finish line materials as well as a variety of online platforms. There will be an Administrator in the building supervising instruction.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

When looking at the results of the 153 students who took the NYSESLAT in 2025, we had a decrease in emerging students and an increase in transitioning and expanding in comparison to 2024. Our ELLs are at the emerging (21.5%), transitioning (27.2%) and expanding (26%) levels . When analyzing the modalities, the trend noticed is that our ELLs tend to score high in reading and speaking and low in writing and listening.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

We will have a total of 124 students from Kindergarten to 5th grade We will provide service to all ELL proficiency levels.
K- 17 students
1- 21 students
2- 23 students
3- 19 students
4- 15 students
5- 29 students

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

They will meet 3 days over the Spring break for two hours each day from 8:30am-12:30pm

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction will be English.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

6 ENL or bilingual certified teachers

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

We will be using Finish line materials as well as a variety of online platforms.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Records of students will be kept in the main office and Assistant Principal Melendez will have copies. Ms. Melendez, AP and ELL Coordinator will administer and monitor the program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

All teachers instructing our Immigrant populations will be provided with Professional Development. We will utilize our Fordham consultant from R-BERN and an outside agency by the name of Learner Centered Initiative. We will program asynchronous professional learning sessions that will train the staff in best instructional ENL strategies. These opportunities will take place virtually after school in a series of four workshops. Topics to be covered will include Cultural Awareness, Equity, Classroom and Instructional Strategies, and Social Emotional Learning.

We will also send our ENL coordinator to in person PD that will be facilitated by our R-BERN consultant and which will then be turn keyed to the rest of the ENL staff.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

The topics that were identified were chosen after an analysis of our NYSESLAT data as well as a deep dive into the areas of development within the components of Advance. The areas of Discussion and Questioning as well as Coherent planning were highlighted within the PDs that will be offered.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

Our 6 Bilingual and 3 ENL teachers will be included to receive the professional development. We will program asynchronous professional learning sessions that will train the staff in best instructional ENL strategies and in person with our ELL Coordinator a through a cycle of support.

Schedule and Duration

For each Title III Immigrant professional development activity, include:
