Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
VIVIAN BUENO	*Principal or Designee	
CHRISTOPHER GREENE	*United Federation of Teachers (UFT) Chapter Leader or Designee	
WANDA JACKSON	*Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President	
ROBINSON PEREZ	District Council 37 (DC 37) Representative (staff), if applicable	
N. B. HOSSAN	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for high schools)	
N/A	Student Representative (Required for high schools)	
GRACE GARCIA	CBO Representative, if applicable	
N/A	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
T. MINORS	STAFF	
SUSAN ESCOBAR	STAFF	
NAOMI LITTLE	STAFF	
SHARON GARDENHIRE	PARENT	
MYRLINE BLACKMAN	PARENT	
SHANNON CAROLL	PARENT	
SHANISIYA OUSMAN	PARENT	
	PARENT	
	PARENT	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Engaging students and staff in SEL and Mindfulness practice to cultivate a brave space that is conducive to staff and student wellness and performance via Multi-Tiered Systems of Supports and progress monitoring in core instruction.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Public School 73X, located in Highbridge section of the Bronx, serves students
in grade 3K through grade 5. P.S. 073 is an elementary school with 286 students. The school population comprises 28%
Black, 71% Hispanic, and 1% White. The student body includes 22% English language learners and 25%
special education students. Boys account for 55% of the students enrolled and girls account for 45%. PS 73X is a Dual
Language school offering instruction in both English and Spanish. Engaging students and staff in SEL and Mindfulness strategies. PS 73 maintains a strong set of partnerships with other community organizations to enrich our programs such as SCAN-HARBOR & AIM Co-founder & Managing Partner, Awareness in Motion.

Briefly summarize the key initiatives your school will implement this school year.

The following are key initiatives at 09X073:

1. STEM Education: Implementing programs focused on science, technology and mathematics to enhance critical thinking and problem-solving skills.

2. Literacy Programs: Using HMH Into Reading to improve reading and writing skills across grade levels. Teachers provided training through literacy workshops to support small-group instruction.

3. Social Emotional Learning (SEL): Leveraging RULER SEL curriculum to promote empathy, self-awareness, and emotional regulation among students, fostering a positive school climate.

- Community Restorative Circle Practices with students and staff.

4. Inclusive Education: Implementing strategies to support diverse learners, including students with disabilities, Multilingual language learners, and those from different cultural backgrounds.

5. Health and Wellness: Promoting physical activity and healthy lifestyle choices through sports programs, nutrition education, and mental health awareness.

6. Parent and Community Engagement: Encouraging parental involvement through workshops, monthly step into classrooms, family events, and volunteer opportunities, fostering a strong partnership between the school and the community.

7. Technology Integration: Integrating technology into the curriculum to enhance learning experiences and prepare students for the digital age. (IReady, Amira)

8. Arts Education: Offering opportunities for creative expression through visual arts, music, and performing arts programs, promoting cultural appreciation and self-expression.

These initiatives aim to provide a well-rounded education and support the holistic development of all the students at P.S. 73.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Comprehension : Fiction	GRADES K - 5	HMH INTO READING	
Vocabulary Development	GRADES K - 5	HMH INTO READING	
Phonemic Awareness	GRADES K - 5	HMH INTO READING / FUNdations	
Comprehension: Non-fiction	GRADES K - 5	HMH INTO READING	
Geometry	GRADES K - 5	eNVISION MATH 2.0	
Measurement & Data	GRADES K - 5	eNVISION MATH 2.0	
Algebra & Alegbraic Thinking	GRADES K - 5	eNVISION MATH 2.0	
Numbers and Operations	GRADES K - 5	eNVISION MATH 2.0	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYS ELA Exam. 2024 48.9% Level 1 31.9% Level 2 19.1 % Levels 3 & 4 NYS ELA Exam. 2025 45.5 % Level 1 27.7 % Level 2 26.7 % Levels 3 & 4	Foundational Skill Gaps Based on our data from end of school year and BOY screeners: Data shows that the are Foundational skill gaps such as Weak phonics and decoding skills Limited fluency (slow, inaccurate reading, poor comprehension) Struggles with spelling and sentence structure, which affect writing scores	There is a need for students to engage in phonics and vocabulary building to read with fluency and make meaning of texts. Interventions for Tier 2 and 3 need to be in placed. We are now working in creation of groups and training staff and other providers with city assigned intervention programs such as SPIRE and Sounds sensible as well as other resources. Must prioritized intervention with intervention teachers and SGI. SGI has to be progress monitored more often to meet students' needs and gaps.

BOY- I-Ready Reading Assessment. September 2025 69% 2 or more grade levels below 22% 1 grade level below 9 % early on, at or above grade level MOY- I-Ready Reading Assessment. January 2026 60% 2 or more grade levels below 27% 1 grade level below 13% early on, at or above grade level	Growth: Spire Program for Tier 1 Explicit Instruction Professional development Data driven student groups Decline: Attendance Limited exposure to IReady individual student MyPath Limited Vocabulary	Implementing high-quality, data-driven instruction, fostering SEL and mental wellness, and leveraging, personalized interventions.
BOY District ELA Assessment October 2025 Grade 3 85 % Level 1 10 % Level 2 5 % Levels 3 & 4 Grade 4 91 % Level 1 5 % Level 2 4 % Levels 3 & 4 Grade 5 80 % Level 1 10 % Level 2 10 % Levels 3 & 4 School-wide (3-5) Levels 3 & 4- 9% MOY District ELA Assessment	Multi-Tiered Support Systems need to be revamped to be targeted to core instruction deficiencies to help students close learning gaps based on grade standards work .	We need to focus our efforts not only to Tier 2,and 3 but also our Tier 1 Instructional Supports/Scaffolds.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	8	09X073 by June, 2026, will have the number of students scoring at Levels 3 and 4 Increase by 32 students from 3% to 15% out of a total of 219 students, as measured by i-Ready Math results .
All Students	27.7%	By June, 2026, literacy for All Students will improve, as measured by a 7% Decrease, from 27.7% to 20.7%, of students in grades 3-5 scoring at Level 2 on the NYS ELA exam.
All Students	26.7%	By June, 2026, literacy for All Students will improve, as measured by a 7% Increase, from 26.7% to 33.7%, of students in grades 3-5 scoring at Levels 3 & 4 on the NYS ELA exam.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Strategy: Active Learning Techniques: Use group discussions, and simulations to foster engagement.

Strategy: Clear, Structured Routines: Develop predictable, daily procedures for, classroom management to help students understand expectations.

Root Cause Addressed:

Lack of Engagement and Learning Gaps and Low Achievement

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Group discussions and partner discussions
The use of instructional coaching with frequent feedback cycles improved our teachers' literacy instruction across the board. Also noted that students who participated in our afterschool program showed more growth than students who did not.

Key Strategy 2 (Optional):

Strategy: Data-Driven Instruction & Tutoring: Use assessment data to provide targeted, personalized support, such as one-on-one tutoring and, high-quality instruction.

Strategy: Formative Assessment and Feedback: Implement regular, actionable feedback to help students track their progress and foster a, growth mindset.

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on the NYC OORS 0% of our students have been suspended this school year. According to the NYC DOE OORS system, 8 incidents have been reported so far during the current reporting period.	Students experiencing stress, trauma, or frustration Students may not clearly understand school rules and difficulty managing emotions or resolving conflicts in other areas other than the classroom.	To promote respect and teach awareness and understanding of feelings through our social emotional RULER curriculum and Community Circles.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	8 incidents	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 4 Decrease, in number of incidents from 8 incidents to 4, per the Online Occurrence Reporting System (OORS) reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

NYC DOE OORS

4. or less

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

In order to reduce the number of infractions, we will use Restorative Circles, SEL practices in the classroom, partner with our CBO for ACS preventive services for families and keep building outreach events, Step Into the Classroom to foster a transparent and supportive environment.

Root Cause Addressed:

Student infractions during lunch and recess need to be reduced.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
We will hold lunch clubs to engage students in collaborative team-building exercises.
Counseling team will spearhead SEL initiatives, activities and events to engage students in building a kind learning community.
All teachers will engage their students in an SEL workshop each morning to check in on the Mood meter, learn emotional regulation through RULER curriculum and hold community circles to build a classroom community environment.
Community Circles 2x per week to support a healty community.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Mid-year we can conduct a Wellness/ Safety questionnaire to check in with all students about how they feel in our school.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2025	Monthly Step Into the Classroom Initiatives to invite parents to learn with their children .	Scan Harbor

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers, Counselors,

Instructional Resources

RULER Yale Curriclulum, Mood Meter tool , Restorative Circles , AIM student Academy and adults, Brain Breaks

Schedule Adjustments

Other Resources Needed

Monies allocated to SEL initiatives, retreats and calm corners development

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
I Ready Math results September 2025 Level 4 - 1% Level 3- 2% Level 2 - 45% Level 1 - 52% I Ready Math results January 2026 Level 4 - 3% Level 3- 7% Level 2 - 53% Level 1 - 38%	-Limited prior knowledge or skill gaps that compound over time. -Low engagement or motivation, often tied to lack of relevance or confidence -Social-emotional challenges, stress, or unmet mental-health needs -Inconsistent support at home due to work demands, resources, or unfamiliarity with school content	We will identify math groups and provide MATH support for students performing way below grade level during our small group instruction.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	3%	09X073 by June, 2026, will have the number of students scoring at Levels 3 and 4 Increase by 32 students from 3% to 15% out of a total of 219 students, as measured by i-Ready Math results .

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

1. Strong implementation fidelity of best practices:

Teachers will follow the daily lesson structure (Problem-Based Learning - Visual Learning - Guided Practice - Independent Practice). They will use topic pacing guides to maintain consistent progress across classrooms and incorporate the program's visual models and math tools (number lines, bar models, manipulatives). Teachers will consistently use Envision routines such as math discussions, quick checks and exit tickets. These practices should maintains coherence across grade levels and ensures students experience the full instructional design of the curriculum.

2. Data-Driven Instruction

Assessment data from Envision, IReady and District Screeners will guide instruction. Teachers will use topic assessments and quick checks to monitor student understanding. They will conduct weekly data meetings to discuss data. This will
allows teachers to adjust instruction quickly and address gaps before they widen.

3. Structured Math Discourse

By encouraging students to explain and justify their thinking, this will improve conceptual understanding.

Teachers will use Think–Pair–Share during problem-based lessons. They will require students to explain strategies using math vocabulary. Teachers will display multiple solution strategies and compare them. Lastly, they will encourage productive struggle rather than immediate teacher explanation. These strategies should impact the student achievement as it will support building mathematical reasoning, communication skills, and deeper conceptual understanding.

4. Targeted Intervention and Differentiation

We will provide structured support for students who struggle. Teachers will use Envision intervention resources for small group instruction. They will implement tiered support (MTSS or RTI) during math blocks and use reteach and enrichment tasks built into the program. They will also provide daily small-group instruction based on assessment

data. This should ensure that all students progress while also challenging advanced learners.

5. Consistent Math Block Structure

PS 73 will have a dedicated math time. It will include problem-based learning, guided instruction, independent practice and small-group support to reinforce previously learned skills. The impact will support student achievement as it provides sufficient time for conceptual learning, practice, and intervention.

Root Cause Addressed:

Too many students performing at Level 2

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Embed SGI during Math block

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The NYC Kids RISE Save for College Program helps families, schools, and communities work together to support children's future college and career goals.	Challenges in family incomes, college funds for college costs. New Special Education teachers untrained on staff	NYC Rise program enroll increase need to 25% and higher. IEP Implementation and Fidelity of Implementation.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
53% of population chronically absent June 2025	Parents keep students home	Reduce chronically absent rate by 20%
55% of population chronically absent January 2026	Parents keep students home	Reduce chronically absent rate by 10%

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	53%	By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 10%, from 55% to 45%, as measured by the Chronic Absenteeism Reports .

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

-Student Attendance Report Cards given every month.
-Any students with a history of chronic absenteeism will be given Attendance Mentors immediately in September to promote good attendance.

As of January 2026:
- Daily attendance checks by attendance teams.
- Home visits by attendance teacher and guidance counselors.

Root Cause Addressed:

The rate of chronic Absenteeism snowballs during the winter months.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Students divided among the Attendance Team members to be monitored.
Alignment with Scan Harbor Program to support parents with resources to ensure attendance.

Key Strategy 2 (Optional):

Root Cause Addressed:

Chronic Absenteeism rate needs to be reduced.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Constant outreach to parents and monthly communication to highlight attendance.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The Chronic Rate of Absenteeism will be our measurement tool. We will try to keep our rate below 45% to minimize interrupted instruction.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Attendance Workshops and Supportive Services	Scan Harbor

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Staff Members Supporting the initiative (guidance and attendance team)

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
IEP Review Dashboard -	Lack of qualified Special Ed teachers	IEP Development and Fidelity of Implementation
Met below 70% compliance for the majority of the schoolyear with mandates for students.	Lack of certified special education teachers and combined classes	Transition Planning and Compliance

Referral rate from 5.9% to 7.3%	Lack of AIS intervention Need to improve core instructional practices	Referral Process and Equity
Suspension Rate - 0% Educational Paras has reduced from 6.1% to 4.2%	Re-evaluating student behavior SEL practices and Restorative circles implemented An increase in mandated counseling	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	69%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve the match between IEP mandates (SESIS) and STARS by a 31 percentage point increase, from 69% to 100%, as measured by the Program Services Report ("Provision of Services").
Students with Disabilities (SWD)	7.3%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve We are trying to decrease the number of initial evaluations requested by a 3.8 percentage points Decrease, from 7.3% to 3.5%, as measured by referral data rate.
Students with Disabilities (SWD)	100% general statements	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve quality of IEP writing by a 100% change, from 100% general statements to 100% specifically written statements about SDI , as measured by IEP Reviews - Question #24 .

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Conduct monthly Professional Development sessions for Special Education teachers to improve IEP goal setting and quality writing, teaching using SDI and scaffolds appropriate for students with disabilities.

Teachers will use the Quality review questions to identify areas of need of improvement in their own IEP writing to address the quality of the creation of the IEP documents themselves.

Special Education Professional Learning Cycle to develop strategies and instructional tools.

Root Cause Addressed:

The root cause addressed by this Key Strategy is the lack of IEP quality writing. Teacher need professional development and training to improve their IEP goal setting and writing with clear indicators of strategies for the student, scaffolds needed, strengths and weaknesses.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Prepare a Professional Development Learning Plan for PS 73x.
Conduct a cycle of IEP Reviews with full team.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
AIS intervention plan to close achievement gap prior to evaluation
Afterschool program for remedial studies for students not meeting benchmarks to support with acquisition of reading and math skills

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/26/2025	06/26/2026	Special Education Parent Workshops - 3x during the year	SCAN Harbor Program

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Pedagogical staff, SBST,

Instructional Resources

Acadience Survey, Fundations,

Schedule Adjustments

In-service Professional Development

Other Resources Needed

After school program to meet benchmarks, monies allocated to buy materials

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Reading Levels	SGI/Guided Reading	One to one	During School	No
Tier 3	ALL ELL students in K-5	ENL Afterschool Program	Small Group	After School	Yes
Tier 3	Level 1 & 2 on NYS 2023 State Exam	Test Sophistication	Small Group	After School	Yes
Tier 2	Level 1 & 2 on NYS Math Exam 2023	SGI/Math	One to One	During School	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher recommendation to guidance counselors	Advisory Group	Small Group	During School	No
Tier 3	Guidance counselors recommendation during advisory group		One to One	During School	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

To be completed...

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

To be completed...

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The services the school provides to our STH families are: 1- Clothing 2- Bus services (If needed) 3- Liaison between shelter
& school. 4- Point of person for parents to meet with to discuss any concerns or issues.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 73X will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 73X, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- inform a trusted adult in school if I need help with something related to my school or home life;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

To be completed...

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Our staff professional development is created by the PD team & administrators. Our weekly professional developments are tiered based on instructional needs using our informal & formal walk-throughs to meet the needs of the staff. In addition, our professional development follow a 4 week cycle in which we focus one priority area/problem of practice. Furthermore, staff conducts inter-visitiation to see highly effective/effective practices. Staff, teachers & administers also participate in weekly teacher team meetings in which we further discuss cycle of learning, have data talks and/or conduct & discuss curriculum conversations.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

To be completed...

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal			
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Title IV, Part A	Federal			
Tax Levy (Fair Student	Local			

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	V. Bueno
Assistant Principal (Where Applicable)*	C. Monteverde
English as a New Language (ENL) Teacher*	S. Escobar
Teacher (if school has a bilingual program must be a bilingual teacher)*	P. Reyes
Parent/Guardian*	W. Jackson
Teacher	L. Goyens
Parent Coordinator	J. Pichardo
School Counselor	R. O'Doherty
Related-Service Provider	G. Silvestre
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

1

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

05

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

247

Total number and percentage (%) of current ELLs:

85 and 34.4%

Total number and percentage (%) of former ELLs:

2 and 0.8%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

82 and 96.5%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

3 and 3.5%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 and 0.0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1 and 1.2%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	DLBE	Spanish		1	1	1	1	1	1								6
TBE																	0
TBE																	0
DLBE																	0
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

We have 1 ENL teacher supporting grades K-5 to support students with ENL strategies through Language Arts. The Stand Alone ENL classes are English only. The ENL teacher follows the pull-out model.
Stand alone is serviced by an ENL service provider according to the minutes dictated by the CR Part 154. The students are pulled out in accordance with the language level time frames, 180 minutes per week.

Integrated ENL:

We have 1 ENL teacher supporting grades K-5 to support classroom teachers with ENL strategies through various co-teaching models. In addition, the ENL teacher partake on those teacher teams to further support the grade and advocate for our ELLs.. Classroom and ENL teachers are still co-planning together for effective teaching practices. For our integrated classroom teachers are sharing their online classes with the ENL provider. The ENL teacher will create a folder in the content area classroom for every class they service in order to provide scaffolds and supports.

A service provider pushes into the students' literacy program to provide small group/one:one within the classroom setting during the Literacy block. This service is provided for 180 minutes for Entering to expanding students; 90 minutes is provided for commanding students within the 2-year span.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Dual Language Bilingual Education (DLBE):

The language of instruction in the DL classes are Spanish and English, and the Stand Alone ENL classes are English only. PS 73 is a Dual Language school. All DL classes (grades K-5) receive their instruction from certified bilingual teachers. The DL program follows the Self-Contained DL model. The students and teacher remain in the same class and the teacher plans for both English and Spanish lessons. Instruction is taught in English and Spanish on alternating days and all content areas are taught in both languages. Lessons are continued from the previous day.

The NYSITELL and NYSESLAT results are used to program students and their service/ instruction. Students who are at the entering or emerging levels receive 360 minutes a week of ENL services. Students who are at the transitional or expanding levels receive 180 minutes a week. The commanding students receive 90 minutes of integrated ENL

services per week as per CR Part 154-2.4[b]: The programs follow the heterogeneous model. All the aforementioned ENL program models help ELL students to achieve English language proficiency and attain the standards established for all students for grade promotion and graduation. In order to enrich language development, teachers have been trained in scaffolding, differentiation, vocabulary development as part of the ToMs (Targets of Measurement), and the Bilingual Common Core Language Progression. Our language and instructional approaches are driven by both authentic and standardized assessments, and student profiles. This includes explicit language and content objectives within each lesson, the scaffolding of accountable talk, vocabulary and expressing those ideas in writing.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Our school has 2 programs. We have Dual Language classrooms, and Stand Alone ENL program with an Integrated /standalone model. All classes are grouped heterogeneously with mixed proficiency levels. The language of instruction in the DL classes are Spanish and English, and the Stand Alone ENL classes are English only. PS 73 is a Dual Language school. All DL classes (grades K--5) receive their instruction from certified bilingual teachers. The DL program follows the 50/50 self-contain model. In all grades K-5 a Self-Contained DL model is followed. The students and teacher remain in the same class and the teacher plans for both English and Spanish lessons. Instruction is taught in English and Spanish on alternating days and all content areas are taught in both languages. Lessons are continued from the previous day. All K-5th grade ELL students in general education, ICT, and Special Education classes receive their instruction from a certified general education or special education teacher, while their ENL instruction is delivered by an ENL certified teacher in a Push-in- integrated or Standalone-Pull-out model in order to ensure the students receive the mandated number of minutes in each program, they are tracked by their level of language acquisition. Students in the Dual Language Program receive their mandated number of minutes from their Bilingually certified classroom teachers. Within the ENL program, students are served in monolingual settings by a certified ENL teacher using a push-in or pull-out program according to necessary minutes prescribed by language levels.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

At PS 73x our ENL teacher supporting grades K-5 to support students with ENL strategies through Language Arts. The Stand Alone ENL classes are English only. The ENL teacher follows the pull-out model. Stand alone is serviced by an ENL service provider according to the minutes dictated by the CR Part 154. The students are pulled out in accordance with the language level time frames, 180 minutes per week.
The ENl teacher pushes into the students' literacy program to provide small group/one:one within the classroom setting during the Literacy block. This service is provided for 180 minutes for Entering to expanding students; 90 minutes is provided for commanding students within the 2-year span.

At PS 73x we have a self-contained dual language program, alternating language day model. In this manner, the students are taught fully in each language all subjects in one day and then the second language the next day. Lessons are not repeated to ensure curriculum is fully covered; however,adjustments are made as necessary to ensure continuity and flow in learning the topics and meeting standards. All content areas are taught in both languages and lessons are continued from the previous day. The students and teacher remain in the same class and the teacher plans for both English and Spanish lessons. Instruction is taught in English and Spanish on alternating days and all content areas are taught in both languages. Lessons are continued from the previous day.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The DL program follows the 50/50 self-contain models. The students and teacher remain in the same class and the teacher plans for both English and Spanish lessons. Instruction is taught in English and Spanish on alternating days and all content areas are taught in both languages. Lessons are continued from the previous day.

PS 73 is a Dual Language school. The language of instruction in the DL classes are Spanish and English All DL classes (grades K--5) receive their instruction from certified bilingual teachers. The DL program follows the Self-Contained DL model. The students and teacher remain in the same class and the teacher plans for both English and Spanish lessons. Instruction is taught in English and Spanish on alternating days and all content areas are taught in both languages. Lessons are continued from the previous day.

b. In which language(s) is each core content area taught?

All content areas are taught in English and Spanish, alternating day by day.
Reading, Math, Social Studies and Science are taught in both languages . (Spanish and English).

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Spring 2025-ELL data Analysis TooL (EDAT) showed that we 96.5% of our students are newcomers.
ELL students in DL classes receive ENL services by their certified bilingual teachers during their daily content area instruction. All ELLs in our DL classes receive NLA through the Two-Way Immersion Model where there is 50/50 instruction in English and Spanish in all content areas of the NYS core curriculum. ELL students in the stand alone ENL program receive their services in an integrated / standalone model by certified ENL teachers. In our school newcomers are supported with the resources as follows: -Differentiation of instruction in all areas -Tier 1, 2 and/or Tier 3 RtI as needed -Grade appropriate
instructional support materials in both languages of instruction. Here at PS 73X in English and Spanish. Ongoing communication with parents to monitor their children's progress -small group instruction in native language whenever possible. ELLs with 4 - 6 years' : Developing ELLs have the same support structures as above are provided. All of our Newcomers receive extended minutes because they are majority of them become part of the Dual Language Program. We also offer an afterschool Title III program for ENL students only to support language development.

Instruction differ for Developing, Newcomers, and SIFE through our SGI groups and Tier 2 groups of intervention.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Spring 2025-ELL data Analysis TooL (EDAT) showed that we 1.2% of our students are SIFE. The SIFE population in our school is supported with the resources as follows: -Differentiation of instruction in all areas -Tier 1, 2 and/or Tier 3 RtI as needed -Grade appropriate
instructional support materials in both languages of instruction. Here at PS 73X in English and Spanish. Ongoing communication with parents to monitor their children's progress -small group instruction in native language whenever possible. ELLs with 4 - 6 years' Same support structures as above are provided. All of our Newcomers receive extended minutes because they are majority of them become part of the Dual Language Program. We also

offer an afterschool Title III program for ENL students only to support language development in their language acquisition .

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

The percentage of our Long-Term ELLs is 0.0%. However, when in need to support any In our school , they are supported with the resources as follows: -Differentiation of instruction in all areas -Tier 1, 2 and/or Tier 3 RtI as needed -Grade appropriate instructional support materials in both languages of instruction. Here at PS 73X in English and Spanish. Ongoing communication with parents to monitor their children's progress -small group instruction in native language whenever possible. We also offer an afterschool Title III program for ENL students only to support language development

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Our former ELLs percentage is 0.4%. Former ELLs -Former ELLs within 1- or 2-years of testing proficient on the NYSESLAT are placed in classes where a certified ENL pushes in and in this way, they receive the one period of service a week that they are entitled to. -Our testing coordinator and ENL providers keep track of former ELLs who have tested proficient in the last 2 years and those students receive the same testing accommodations as ELLs. For instruction, we still simulate our RTI protocol as well as small group instruction. Teachers will create Guided Reading/conferences during small group instruction to continue progress monitoring their progress. Using data such as the state test ELA, MATH, NYSESLAT and the different screeners such as Acadience, iREady/ School - created Data trackers, we are able to ascertain that more than half of the Former ELLs students are progressing and testing at proficient state/grade levels in most of their assessments as they move through grades.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Our newcomers are the ones that at mostly at risk as per our EDAT. One tend we noticed is that we are getting large percentage of newcomers that not proficiency in their home language. Another trend is that they are in temporary homes.
To provide academically at-risk ELLs with scaffolded, rigorous, and culturally responsive instruction, a strong Response to Intervention (RtI) model is in place. We have interventions in place that increase in duration and intensity over time. All ELLs receive strong core instruction. The rigorous standards set by the Common Core are not lowered, but rather teachers use a variety of scaffolding techniques to make content accessible to ELLs. These techniques are based on ENL methodology and include accountable talk, conferencing, TPR, visual aids, songs and chants, repetition, shared reading, whole class-teacher projects, explicit modeling, etc. Tier 2 ELLs work in small groups with their teacher to ensure that they access the material with extra time and activities. Additionally, Tier 2 ELLs are identified by the Spanish LAB-R as underdeveloped academically in their native language (i.e. SIFEs), so they work in small groups during SGI to develop native language literacy skills that can then be transferred to developing English language proficiency. Teachers can also partner with the family to ensure that work continues at home so that students overcome academic difficulties. Furthermore, HMH and Envision Math have Tier 2 and Tier 3 interventions built into the program that teachers utilize with the students. As students improve (as measured by reliable and valid assessments such as the English and Spanish TC /ENIL/
iReady/Acadience/Zern/Amira/Fundations), the extra supports are decreased or removed. Tier 2 ELLs work in small groups with their teacher to ensure that the access the material with extra time and activities. Additionally, Tier 2

ELLs are identified by the Spanish LAB-R as underdeveloped academically in their
native language (i.e. SIFEs), so they work in small groups during Extended Day to develop native language literacy skills that can then be transferred to developing English language proficiency Attendance is not the cause of theiratrisk level in most of the cases. But, the lack understanding between language barrier & cognitive delays hinders growth of language development. Most of our at-risk ELLs also have an IEP or are newcomers. All ELLs performance
is similar in all state assessments when taking them in English. Note, it might be a little higher on the state exams that students can take them in their native language.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Our newcomers are the ones that at mostly at risk as per our EDAT. One trend we noticed is that we are getting large percentage of newcomers that not proficiency in their home language. Another trend is that they are in temporary homes.
To provide academically at-risk ELLs with scaffolded, rigorous, and culturally responsive instruction, a strong Response to Intervention (RtI) model is in place. We have interventions in place that increase in duration and intensity over time. All ELLs receive strong core instruction. The rigorous standards set by the Common Core are not lowered, but rather teachers use a variety of scaffolding techniques to make content accessible to ELLs.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home languagues with large representations at PS 73X are Spanish and about 2 Bengali students. To provide academically at-risk ELLs with scaffolded, rigorous, and culturally responsive instruction, a strong Response to Intervention (RtI) model is in place. We have interventions in place that increase in duration and intensity over time. All ELLs receive strong core instruction. The rigorous standards set by the Common Core are not lowered, but rather teachers use a variety of scaffolding techniques to make content accessible to ELLs.

The translation and interpretation needs of families is met:
1. Notification of events are given in the home language and English.
2. We use the interpretation services as needed.
3. Staff members
4. Notices in English, Spanish, Bengali, or French will be posted via flyers posted in and around the school, flyers sent home.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The home langues with larges represnetations at PS 73X are Spnanish and about 2 Bengali students. To provide academically at-risk ELLs with scaffolded, rigorous, and culturally responsive instruction, a strong Response to Intervention (RtI) model is in place. We have interventions in place that increase in duration and intensity over time.

All ELLs receive strong core instruction. The rigorous standards set by the Common Core are not lowered, but rather teachers use a variety of scaffolding techniques to make content accessible to ELLs.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

ELL success is based on a variety of factors. We look at the NYSESLAT and ELA to gauge the academic success of our ELLs. Although the majority of the ELLs scored a Level 1 on the 2024 ELA state exams, it was determined by analyzing the Scale Scores that the Level 1 were high Level 1s. Also our ELL population includes student with only 1 year or than 3 less in the school system. In addition , many of them are not proficient in their home language either.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

It is about the same.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Across all programs, scaffolding, differentiation and small group instruction are used to meet the demands of the Common Core
Learning Standards. In the DL program, all ELLs receive the same academic content as those who are native English speakers. In
the DL program in the self contained model one teacher teaches both languages. We followed the model of 1 day English and 1
day Spanish. the lessons are continued from the previous day. To make sure that all content is covered, the DL teachers are given
time for weekly planning sessions in addition to the weekly grade meetings. Self-Contained model is used and teachers and
students stay in the same classroom every day. However, language alternates between Spanish and English every other day, and
lessons are continued from the previous day.
To ensure students' academic progress in the stand alone ENL program, we utilize collaborative core curriculum planning between classroom teachers, clusters and ENL support service teachers. This means that beyond explicit ESL collaboration between classroom teachers and ESL teachers during the integrated period, also taken into consideration are the language needs of ELLs for all content areas. For example, classroom teachers monitor the understanding of linguistically challenging material and use a variety of phrasing and synonyms along with visual aids to clarify meaning. During math, teachers of ELLs devote extra class time to untangling difficult word problems. In Social Studies, teachers scaffold their instruction with visual aids such as maps, atlases and illustrations to increase comprehension. These strategies include but are not limited to: sheltered instruction, conferencing, small group instruction, visual aids, songs and chants, field trips, explicit modeling, TPR, illustrated word walls, technology and personalized bilingual dictionaries. In addition, ELLs in all programs in the school work in small groups during, before, and after school that focus on literacy and academic language. Technology is also used to promote ELL achievement and progress. Finally, in all lessons the DL and ENL teachers include a content objective, aligned to the Common Core, and a language objective to make sure that ELLs are meeting the demands of the CCLS and also developing their English language proficiency. During remote instruction, Dual Language teachers will adapt directions, use visual cues to aid vocabulary comprehension, add examples and translations to support content instruction. In addition, certain TESOL strategies will be used such as TPRS, and visual media support. Classroom

and ENL teachers are still co-planning together for effective teaching practices.
In our Integrated ENL Classrooms teachers are sharing their online classes with the ENL provider. Classroom and ENL teachers are
still co-planning together for effective teaching practices.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

At PS 73x, all curriculum, activities and communication are available in both languages to be totally inclusions. Curriculum has been vetted to give total access to teaching and learning materials in both English and Spanish.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Across all programs, scaffolding, differentiation and small group instruction are used to meet the demands of the Common Core
Learning Standards. In the DL program, all ELLs receive the same academic content as those who are native English speakers. In
the DL program in the self contained model one teacher teaches both languages. We followed the model of 1 day English and 1
day Spanish. the lessons are continued from the previous day. To make sure that all content is covered, the DL teachers are given
time for weekly planning sessions in addition to the weekly grade meetings. Self-Contained model is used and teachers and
students stay in the same classroom every day. However, language alternates between Spanish and English every other day, and
lessons are continued from the previous day.
To ensure students' academic progress in the stand alone ENL program, we utilize collaborative core curriculum planning between classroom teachers, clusters and ENL support service teachers. This means that beyond explicit ESL collaboration between classroom teachers and ESL teachers during the integrated period, also taken into consideration are the language needs of ELLs for all content areas. For example, classroom teachers monitor the understanding of linguistically challenging material and use a variety of phrasing and synonyms along with visual aids to clarify meaning. During math, teachers of ELLs devote extra class time to untangling difficult word problems. In Social Studies, teachers scaffold their instruction with visual aids such as maps, atlases and illustrations to increase comprehension. These strategies include but are not limited to: sheltered instruction, conferencing, small group instruction, visual aids, songs and chants, field trips, explicit modeling, TPR, illustrated word walls, technology and personalized bilingual dictionaries. In addition, ELLs in all programs in the school work in small groups during, before, and after school that focus on literacy and academic language. In addition, certain TESOL strategies will be used such as TPRS, and visual media support. Classroom and ENL teachers are still co-planning together for effective teaching practices.
In our Integrated ENL Classrooms teachers are sharing their online classes with the ENL provider. Classroom and ENL teachers are
still co-planning together for effective teaching practices.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

This analysis of the different sources of data allows us to focus and scaffold throughout the day's lessons to make language and content accessible to all ELLs, including those ones with IEPs: We include native language instruction, small group instruction, explicit vocabulary instruction, graphic organizers, visual aids on word charts and word walls. In addition, during small group instruction, our teachers will utilize I-Ready, Zern, Amira, Foundations, HMH intervention resources, LETERS program, Aprendo Leyendo (Spanish Intervention Program) and teacher created assessments to track student progress. This data will be used to create our small group instruction and to guide our AIS groups. We utilize, ReadWorks, IReady, CommonLit, Envision Math, PBS Kids. In addition, instructional application such as FlipGrid, PearDeck, Kami, Quizlit, & Google World during Remote learning days and or as individual assignments.

b. SIFE

The SIFE population in our school is supported with the resources as follows: -Differentiation of instruction in all areas -Tier 1, 2 and/or Tier 3 RtI as needed -Grade appropriate instructional support materials -Ongoing communication with parents to monitor their children's progress -Small group instruction in native language whenever possible. We use Imagine learning, (in both languages). We also use Amira, Zern, HMH Weekly Practice Bundles, HMH interactive videos, and National Geographic Students will utilize, HMH resources, ReadWorks, IReady, CommonLit, Envision Math, PBS Kids. In addition, instructional application such as FlipGrid, PearDeck, Kami, Quizlit, & Google World.

c. Newcomers

Newcomers When a new student is registered in our school, we facilitate the transition with the resources as follows: -A "buddy system" in which we identify a similar student in his/her class who will assist during the day. -A parent interview and a student interview -Students are encouraged to participate in after school programs -Home and school communication in the native language -Differentiated instruction in all areas as needed -Required participation in afterschool/Saturday programs which they receive small group instruction -Provide students access to bilingual dictionaries and glossaries -Tier 1, 2 and/or Tier 3 RtI as needed.

d. Long Term ELLs

Long-term ELLs An analysis on the NYSESLAT, ELA, and Math assessments suggest that their problem is in reading and writing. Our action plan for this group involves: -Monitoring the students progress in all content areas to differentiate instruction and accelerate their English language development and cognitive/academic skills. -Participation in the school's literacy after-school programs -Ongoing communication with parents to monitor their children's progress -Tier 1, 2, and/or 3 RtI as needed

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

ESL instruction for all ELLs as required under CR Part 154 5 360 minutes per week 180 minutes per week and attain English proficiency within the least restrictive environment? PS 73 provides ESL services as per CR Part 154 to its special education students. The latter are in ICT, Special Education Self-contained, and general education classes in grades K-5 he school's plan for ELL-SWDs in least restrictive environments includes all of the above mentioned instructional strategies and materials. Our plan also includes: -collaboration between the classroom and ENL teachers and service providers -consistent scheduling of ENL teachers push-in services to optimize planning, goal setting, and monitoring -Monitoring newcomers and/or SIFE students for possible special needs status -Ensure that teachers of students with IEPs are familiar with the students' specific needs and that all services are provided as per IEP mandates -Ongoing communication with parents to monitor their children's progress.Teachers will also utllize, live instruction, Teachers will also utilize,, pre-recorded videos such as YouTube videos, audio books, and translated resources. Teachers will create on going Guided Reading/conferences small groups instruction.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Assessments are given in both languages to assess comprehension & mastery. ELLs in the DL program in K-2 are assessed in Spanish using Fundations, Acadience, iReady, and HMH unit assessments. In addition, all units end with a product in both Spanish and English, which is evaluated using agreed upon, research-based rubrics. Throughout the year, ELLs in the DL classes are assessed in all subjects through these mid-unit and end of unit assessments. Our ELLS will be evaluated using an online programs like iReady and District based Assessments as well as the NYSESLAT in the Spring.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Across all programs, scaffolding, differentiation and small group instruction are used to meet the demands of the Common Core
Learning Standards. In the DL program, all ELLs receive the same academic content as those who are native English speakers. In
the DL program in the self contained model one teacher teaches both languages. We followed the model of 1 day English and 1
day Spanish. the lessons are continued from the previous day. To make sure that all content is covered, the DL teachers are given
time for weekly planning sessions in addition to the weekly grade meetings. Self-Contained model is used and teachers and
students stay in the same classroom every day. However, language alternates between Spanish and English every other day, and
lessons are continued from the previous day.

To ensure students' academic progress in the stand alone ENL program, we utilize collaborative core curriculum planning between classroom teachers, clusters and ENL support service teachers. This means that beyond explicit ESL collaboration between classroom teachers and ESL teachers during the integrated period, also taken into consideration are the language needs of ELLs for all content areas. For example, classroom teachers monitor the understanding of linguistically challenging material and use a variety of phrasing and synonyms along with visual aids to clarify meaning. During math, teachers of ELLs devote extra class time to untangling difficult word problems. In Social Studies, teachers scaffold their instruction with visual aids such as maps, atlases and illustrations to increase comprehension. These strategies include but are not limited to: sheltered instruction, conferencing, small group instruction, visual aids, songs and chants, field trips, explicit modeling, TPR, illustrated word walls, technology and personalized bilingual dictionaries. In addition, ELLs in all programs in the school work in small groups during, before, and after school that focus on literacy and academic language. Technology is also used to promote ELL achievement and progress. Finally, in all lessons the DL and ENL teachers include a content objective, aligned to the Common Core, and a language objective to make sure that ELLs are meeting the demands of the CCLS and also developing their English language proficiency. During remote instruction, Dual Language teachers will adapt directions, use visual cues to aid vocabulary comprehension, add examples and translations to support content instruction. In addition, certain TESOL strategies will be used such as TPRS, and visual media support. Classroom and ENL teachers are still co-planning together for effective teaching practices.
In our Integrated ENL Classrooms teachers are sharing their online classes with the ENL provider. Classroom and ENL teachers are
still co-planning together for effective teaching practices.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The teachers' professional development plan includes participation in professional conferences and workshops offered through the NYCDOE Office of English Language Learners (OELL). These professional training opportunities address effective ways of stimulating literacy, math and content area language development in the second language of both English and Spanish dominant students. As a result, English speakers will develop English language competency in speaking, listening, reading and writing without compromising academic performance by their involvement in a DL program. Likewise, the ELLs will develop high levels of speaking, listening, reading and writing ability in their native language without foregoing its development as they accelerate their English language development. The parent coordinator and the bilingual guidance counselor provide all parents and students the necessary information about middle schools' requirements and placement. These staff members help ELL students make the proper school choice as they transition from elementary to middle school. In audition, the ELLs in 5th grade that are moving to a middle school the following year participate in the 5th Grade Academy. Six weeks prior to graduation, classroom teachers become content specialists and classes move from teacher to teacher throughout the day in the way they would in a middle school. In this way, ELLs experience a new schedule in an environment in which they feel comfortable. 4. On staff development days, a bilingual teacher, ENL teacher, members of RBE-RN, and the NYCDOE OELL provide numerous ELL workshops and over professional development. All classroom teachers receive instructional support in ESL methodology. Attendance is taken and records are kept in the teachers' files.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders]

and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Teachers will utilize our PD days to dive deeper in ENL strategies. As well, we created Teacher Team specifically for DL teachers.
The teachers' professional development plan includes participation in professional conferences and workshops offered through the NYCDOE Office of English Language Learners (OELL). These professional training opportunities address effective ways of stimulating literacy, math and content area language development in the second language of both English and Spanish dominant students. As a result, English speakers will develop English language competency in speaking, listening, reading and writing without compromising academic performance by their involvement in a DL program. Likewise, the ELLs will develop high levels of speaking, listening, reading and writing ability in their native language without foregoing its development as they accelerate their English language development. 3. The parent coordinator and the bilingual guidance counselor provide all parents and students the necessary information about middle schools' requirements and placement. These staff members help ELL students make the proper school choice as they transition from elementary to middle school. In audition, the ELLs in 5th grade that are moving to a middle school the following year participate in the 5th Grade Academy. Six weeks prior to graduation, classroom teachers become content specialists and classes move from teacher to teacher throughout the day in the way they would in a middle school. In this way, ELLs experience a new schedule in an environment in which they feel comfortable. 4. On staff development days, the bilingual coordinator and/or ESL teacher, members of RBE-RN, and the NYCDOE OELL provide numerous ELL workshops and over professional development. All classroom teachers receive instructional support in ESL methodology. Attendance is taken and records are kept in the teachers' files.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Screening assessment tools are used to assess early literacy skills including the NYSITELL, Acadience, iReady, BOY /MOY/EOY district assessments . In addition, we used Fundations program and Amira for emerging readers. Using the data collected from all these sources, teachers are able to create an academic profile for ELLs and analyze their strengths and weaknesses. Our formal and informal data shows that our ELLs struggle with reading and writing more than listening and speaking. Analysis also shows that those ELLs who come with high literacy skills in their native language, they are able to achieve the English language much faster than those ELLs who do not have a solid literacy foundation in their native language. This analysis allows us to focus and scaffold throughout the day's lessons to make language and content accessible to all ELLs, including: native language instruction, small group instruction, explicit vocabulary instruction, graphic organizers, visual aids on word charts and word walls.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

All ELL's and former ELL's continue to receive instruction through ELA via team teaching approach. Each classroom has an assigned time to chat with the ENL/ELA teacher on a daily basis. This to ensure differentiated instruction to meet individual needs. For our blended instruction, we will utilize the following resources.
i-Ready in both areas Math and ELA, Zern in math, Amira in ELA , Acadience and foundations to supports teachers to differentiate learning in our classrooms so each of our students can make progress faster.

HMH resources such as goole decks and interactive videos, Rigby Library, Decodable books, to ensure our students learn a routine, watch videos, and read to from multiple books to support their interest and independent reading levels. HMH Rigby Library, and or HMH Decodable books- Ensures that all children have access to an abundance of books that celebrate their cultures and languages. They have a combination of print and digital books.
i-Ready Online Instruction and Amira meets students where they are to provide appropriate support. For English Learners, this means that many students will receive direct instruction around foundational literacy skills, such as phonics and word recognition.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

To provide academically at-risk ELLs with scaffold, rigorous, and culturally responsive instruction, a strong Response to Intervention (RtI) model is in place. We have interventions in place that increase in duration and intensity over time. All ELLs receive strong core instruction. The rigorous standards set by the Next Generation Learning standards are not lowered, but rather teachers use a variety of scaffolding techniques to make content accessible to ELLs. These techniques are based on ENL methodology and include: accountable talk, conferencing, TPR, visual aids, songs and chants, repetition, shared reading, whole class-teacher projects, explicit modeling, etc. Tier 2 ELLs work in small groups with their teacher to ensure that they access the material with extra time and activities. Additionally, Tier 2 ELLs are identified by the Spanish LAB-R as underdeveloped academically in their native language (i.e. SIFEs), so they work in small groups during Extended Day to develop native language literacy skills that can then be transferred to developing English language proficiency. Teachers can also partner with the family to ensure that work continues at home so that students overcome academic difficulties. Furthermore, HMH and Envisions Math have Tier 2 and Tier 3 interventions built into the program that teachers utilize with the students. In addition, we have the support of the following online intervention programs. Zern for math and Amira/i-Ready for ELA to further support any students needs utilizing RTI support.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

1. We use ongoing assessments and collections of student work to effectively to plan for instruction and professional development.

Formal assessment tools are used to assess early literacy skills including the NYSITELL, NYSESLAT, Acadience in English . We used arriba la lectura end of unit assessments for Spanish. In addition, we used Fundations Intervention Placement Inventory for emerging readers, students' math and writing portfolios and District assessments as well.

Informal assessments include conference logs, intervention programs data such as Zern and Amira , and reading and writing folders, among others. Using the data collected from all these sources, teachers are able to create an academic profile for ELLs and analyze their strengths and weaknesses. Our formal and informal data shows that our ELLs struggle with reading and writing more than listening and speaking. Analysis also shows that those ELLs who come with high literacy skills in their native language, they are able to achieve the English language much faster than those ELLs who do not have a solid literacy foundation in their native language. This analysis allows us to focus and scaffold throughout the day's lessons to make language and content accessible to all ELLs, including: native language instruction, small group instruction, explicit vocabulary instruction, graphic organizers, visual aids on word charts and word walls.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELLs in the DL program in K-2 are assessed in Spanish using Aprendo Leyendo and Spanish OG. ELLs K-5 are assessed with the Spanish TCRWP. In addition, all units end in a product in both Spanish and English, which is evaluated using agreed upon, research-based rubrics. Throughout the year, ELLs in the DL classes are assessed in all subjects through these mid-unit and end of unit assessments. In addition, our ELLS will be evaluated using student work samples from all subject areas.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

ELL success is based on a variety of factors. We look at the NYSESLAT and ELA or Acadience to gauge the academic success of our ELLs. Although the majority of the ELLs scored a Level 1s on the 2024 ELA state exams, it was determined by analyzing the Scale Scores that the Level 1 were high Level 1. Also our ELL population includes student with only 1 year or less in the school system and they are not proficient in their Native Language as well.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our ENL Teacher, Susan Escobar along side Mr. Monteverde, AP will create a detailed scheduled & Memo to support the testing window. Mrs. Escobar along with our Dual Language teachers - Ms. Taylor, Ms. Reyes, Ms. L Sepulveda, Ms. Reynoso, Ms. E. sepulveda and Ms. Zelasco will administer the NYSESLAT to their respective students. During the scoring window, Ms. Escobar will the lead grader while Ms. Reynoso, Ms. Goyens, & Mr. Monteverde will support her in scoring & transcribing the exam. The ELL students will continue to receive their mandated services during testng time.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our ENL Teacher along side with Testing coordinator Mr. Monteverde will arrange proper testing accommodations for state assessments.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At PS 73X, ELL Program Orientation is conducted within a few days after the Home Language Identification Survey completed at registration and the results of an individual interview, identifies the child as an ELL The goal of this orientation is to inform our families of the following: ML/ELL Parent Orientation Check -list Offer learning standards, assessments, and school expectations for ELL students

ELL Program goals and requirements for all three Bilingual models; TBE, DLBE, ENL Parent Orientation done in language or mode of communication that the parent or guardian best understands; interpreter if needed Session Agenda Show the Parent Orientation Video from the infohub in preferred language Attendance Records- We can have the Parent Orientation Virtually if the parent/guardian cannot come in (keep a log) Provide ELL Parent Survey & Program Agreement Form; form must be returned within 5 days, if not student is placed in the default option and letter must be sent Home Language Identification Survey and Parent Notification Letters

Parent involvement in our school is a key component of our yearly planning. School orientations are provided for parents of newly
registered ELLs by the Parent and the ENL Teacher to provide them with information about the DL and Stand Alone ENL programs at
PS 73. Parents are informed of program descriptions, instructional requirements, and school expectations through an orientation meeting. During this meeting we provide our families with meeting key members on our staff such as ENL Teacher, Parent Coordinator, Guidance counselors and Social Workers. We show them a video in the parents

preferred language, parent guides and other literature in the parents' home languages. As required under CR Part 154, parents of newly enrolled ELLs are also invited in the fall and spring semesters to Parent-Teacher conferences to discuss student performance. Information. during this meeting parents are giving the ELL Parent Survey and Program selection to be completed. Shared information with parents of ELLs includes: the Language Allocation Policy; the NYSESLAT, ELA, Math and the Science state tests; testing exemptions, modifications and accommodations for ELLs; and the grade promotional policy. All meetings are translated for parents in Spanish and other languages when a translator is available. Recognizing that the parents of ELL students face their own challenges in transitioning and adapting to a new culture and school system coupled with their own need to build confidence and capacity to support their children in school, we constantly build on our parent involvement activities. Parents are invited to participate in monthly PTA meetings and workshops.
Other parental activities include holiday celebrations, school assemblies, and graduation ceremonies. Parental needs are evaluated through formal interviews and informal conversations during parent teacher conferences, workshops, school events, and PTA meetings. Staff and the administration make every effort possible to answer any questions and concerns that parents may have. Parents provide valuable information about their children, their background, strengths and weaknesses, behavior and academic work as well as their socio-economic situation. We work closely with them, for instance, when we have to make referrals for different services based on the students' needs. We understand that parents are essential members of our school community, parental involvement activities always address their needs. We work closely with them to monitor student academic progress and ELL students' development of English language proficiency. During instruction, we created Parent workshop to help further understand their knowledge of technological skills and devices. For our annual parent meetings we will schedule Google Meet appointments as well as individual meets either in person or on -line.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

As you may already know, we are mandated as per CR PART 154 to provide ELL parents with an annual and individual meeting to
discuss child's progress in addition to already existing meetings (Parent Teacher Conferences) but instead we provided our newly
enrolled families with weekly or by-weekly individual meetings via emails, phone calls, and or in person. We created tracking log to progress monitor our meetings. We welcome parents during our terrific Tuesdays and any class field trips. In addition, we host a series of parent workshops on various academic and parenting topics.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At Ps 73X we contact vendors that are Bilingual. For example we provided a series oArt classes geared towards art instruction and enrichment in Spanish teaching students and parents how to artistically capture their culture. We also translated all our flayers, letters, blast family text messages via phone, twitter, and so on. All these different form of communication with our families are in both languages English and Spanish. Families have been make aware of the different tools and information desk to call if need of other languages.
translations.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

•We have by-weekly check-in with the families by either calling, setting up google meet or just inviting them to meet with us on Terrific
Tuesdays.. Mr. Gonzales, The guidance counselor, Ms. Escobar, ENL Teacher, Ms. Zea, S.T.H , Social worker. As you may already know, we
are mandated as per CR PART 154 to provide ELL parents with an annual and individual meeting to discuss child's progress in addition to
already existing meetings (Parent Teacher Conferences) but instead we provided our newly enrolled families with weekly or by-weekly
individual meetings. We keep a log of these meetings for compliance purposes. We have Welcome breakfasts for all our new families.
Yoga/Mindfullness on going sessions to promote mental health.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

At PS73x, we ensure that all our families are aware of family leadership opportunities such as the Parent Association, SLT and community Council via our school calendar that is send out on a monthly basis to all our families in both languages English and Spanish. In this calendar we add our monthly events and other important information such as Care Bear Assembly, Care Bear Assembly, Parents Workshops, PTA Meetings, EC9 Meetings in person, Care-Bears-giving Classroom
Celebrations, Step Into The Classroom invites, etc. We also send out reminder via the Remind: School Communication Application.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We contact bilingual vendors for example for Art classes geared towards art instruction and enrichment in Spanish teaching students how to artistically capture their culture. Bilingual parents were given the opportunity to attend NYSABE to explore bilingualism in education.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

• We have by-weekly check-in with the families by either calling or setting up google meets. Mr. Gonzales, The guidance
counselor, Ms. Escobar, ENL Teacher, Ms. Zea, school Social Worker and Mr. Pichardo, Parent Coordinator . • As you may already know, we are mandated as per CR PART 154 to provide ELL parents with an annual and individual meeting to discuss child's progress in addition to already existing meetings (Parent Teacher Conferences) but instead we provided our newly enrolled families with weekly or by-weekly individual meetings. • We keep a log of these meetings for
compliance purposes.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Vivian Bueno

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Jose	Pichardo	Parent Coordinator - Annual	02/05/2025	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
FRENCH	1	0.27%	1	0.27%		
ENGLISH	188	51.09%	185	50.27%		
RUSSIAN	2	0.54%	2	0.54%		
SPANISH	177	48.10%	180	48.91%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

50

Grades to be served in this program. Select all that apply.

,3,4,5

Total number of teachers in this program:

5

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

5

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our goal is to improve student performance in core subject areas for ELLs and support their language development of all subgroups. In order to better support our students and ensure they progress along the new language continuum, we will continue to departmentalize instruction during the core instructional day, providing them with integrated ENL support and supplement core instruction during our ENL after-school Academy to meet varied linguistic and academic needs of our ELL in the 2025-2026 school year . This will ensure that our ELL students are progressing on the NYSESLAT and perform well on city and state level assessments.

Data sources used to justify the need for the program are the State ELA exam 2025, Acadience BOY, the iReady BOY and the D9 screener BOY.
Acadience: Grade K-2 breakdown shows us that all ML/ELLs are as follows.
K - we tested 5 students. 60% at or above benchmark.
Grade 1- we tested 8 students. 13% at or above benchmark.
Grade 2 - we tested 8 students .13% at or above benchmark.

NYS ELA 2025-
In grades 3-5, we have 0% proficiency. 1 student in grade 3, 15 students in grade 4, and 4 in grade 5 at below proficiency.
iReady BOY Screener- Data shows that we have 0% students on grade level.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Our performance data on the state ELA exam , Acadience, and the iReady screener shows that our ENL population in grades K-5 are mostly performing at Levels 1 and 2 and far below grade levels.. Additionally, the NYSESLAT 2025 /NYSITELL data shows that our ENL population in grades K through 5 shows that we have about half of our ELLs performing at the Entering or Emerging levels. We have 72 ELLs and 28 are Entering. That is 2.57%. There are 17 at the Emerging level. That's 4.23%. This group needs to work on all modalities: They need to work on their academic language skills in both languages, based on our HMH Arriba La Lectura end of unit assessments, teacher informal observations, and students' work in Spanish along with using a variety of literacy strategies. Therefore, teachers are focusing on academic vocabulary development, reading comprehension strategies, discussion and

writing skills during instruction. Teachers will use Aprendo Leyendo , an intervention program to teach, targeted reading groups to provide strategy lessons to support students' language and literacy development in Spanish.

PS 73X has planned a comprehensive after-school ENL Academy for language instruction to support our ELLs' varied linguistic and academic needs. The primary goal of this program is to amplify the literacy, and cognitive/academic language skills of all ELLs by incorporating recognized and research-based ENL instructional strategies across core content subject areas, These ENL strategies will include, but are not limited to: scaffolding, TPR (Total Physical Response), song and chants, graphic organizers, (i.e. tables, story maps), modeling and retelling, sequencing, and PAF approach to teaching early literacy skills . ELL students will also receive supplemental instructional support through the use of IREADY/Amira and teacher assigned materials in google classroom. These technology programs are used particularly with our newcomer (entering-emerging language levels)

Data sources used to justify the need for the program are the State ELA exam 2025, Acadience BOY, the iReady BOY and the D9 screener BOY.
Acadience: Grade K-2 breakdown shows us that all ML/ELLs are as follows.
K - we tested 5 students. 60% at or above benchmark.
Grade 1- we tested 8 students. 13% at or above benchmark.
Grade 2 - we tested 8 students .13% at or above benchmark.

NYS ELA 2025-
In grades 3-5, we have 0% proficiency. 1 student in grade 3, 15 students in grade 4, and 4 in grade 5 at below proficiency.
iReady BOY Screener- Data shows that we have 0% students on grade level.

Furthermore, we are also taking into account the following diagnostics: Really Great Reading to assess our K-2 students and ROAR for our 3-5 students. These assessments showed that our ENL population in grades K-5 are mostly performing at Levels 1. Many are 2 or more below grade levels.

Additionally, the NYSESLAT 2025 /NYSITELL data shows that our ENL population in grades K through 5 shows that we have about more than half about 45% of our ELLs are performing at the Entering or Emerging language proficiency levels. We have about 61 (26.75%) ELLs and 6 (2.63%) former ELLs. 15 students are at the Emerging level. That is 22% of our students. 16 students are at the Emerging level. That is 23%. This group needs to work on all modalities: They need to work on their academic language skills in both languages, based on our HMH Arriba La Lectura end of unit assessments, teacher informal observations, and students' work in Spanish along with using a variety of literacy strategies.

We are continuing to support our TR/EX students as well. we have about 30 students within these levels. That is about 45% of our students. We are proud to announce that we have 6 students we reach CM this las Spring in either the NYSESLAT or level 3 in ELA. They are receiving support as well to continue strengthening their literacy skills.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The program will commence November 12, 2025 and go through May 2025. We have invited all ML/ELLs in grades 3-5. There about 50 students that are eligible to participate in the after school program.

We will focus is on both newcomers and developing subgroups. We will use the SGI model where we group students according to their language levels, we will create 2 subgroups: (Newcomers & Developing). While one group is working with the teacher, the other will be using an online program or teacher Assigned material in Google Classroom. Each group will be with the teacher for 30 minutes . There will be time to meet as a whole group too to practice NYSESLAT literacy skills. We will serve grades 3-5 only.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The ELL Academy will be from 2:25- 4:00pm , 3 days a week (Wednesday - Friday from 2:25 -4:00) . There will be about 30 instructional sessions. We aim to start the program in November 12, 2025 through May 2026.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction is English. We will utilize NYSESLAT practice materials to support the English part. We will use PAF program to support the early reading skills. (Phonics)

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

There will be 5 ENL/Bilingual teachers as service providers. Each teacher will be assigned to a grade and be responsible to design lessons
that integrate ELA/NYSESLAT best practices. The teachers will also use supplemental technology instruction using I-READY and Amira. One supervisor will be assigned to monitor teachers' instruction and support teacher development and help with providing instructional resources to enhance learning. The teachers assigned to be instructors in the ELL Academy Bilingual /ENL certification , as well as many years of experience working with ELLs.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Teachers will differentiate instruction to meet the needs of ELLs using various resources including but limited to NYSESLAT, NYSITELL, Amira, and I-Ready, NYSESLAT preparation resources designed by NYC RBE-RN, and a variety of traditional and contemporary literature from PAF, book bins, and a variety of books for classrooms in English . We will progress monitor students with the PAF assessments, iReady, ROAR (administered 3 times throughout the school year), teacher generated assessments, teacher conference notes, and progress monitoring data from I-READY and other assessments. The I-READY and ROAR technology program and data will be especially informative because this technology differentiates (diagnostics) for all students and targets specific weaknesses as well as strengths. These identified in the diagnostic assessment and formative assessment data. Attendance and student's progress assessment documents will be kept on file, in the school's Title III LEP Binder and Google Docs folder.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Attendance and student's progress assessment documents will be kept on file, in the school's Title III LEP Binder as well as a Google Doc Folder.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional development for teachers of ELLs focuses on support teachers in effectively planning for differentiated language proficiencies and strategically using data to inform small group instruction. Our instructional focus centers around progress monitoring both formative and diagnostic data to provide accurate actionable feedback. There will be ongoing articulation between classroom teachers and Title II Academy teachers to provide continuous support to ELL students in achieving English language proficiency, so they can attain the same standards established for all students across the grades. This communication plan helps to inform Academy instruction for each grade level aligned with the core curriculum.
We aiming to have at least 1 professional development session. To plan and organize our groups based on data (NYSESLAT, i-ready , and ROAR. Also to review Arrival and dismissals protocols. Overview of programs that will be utilized such as PAF and NYSESLAT Practice materials. The ENL teacher will facilitate this session.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

In order to improve teaching and learning in the core subject areas for ELLs, a series of monthly workshops will be designed to address teachers 'instructional needs for professional development. Using the Danielson Framework,

administrators will observe differentiated instruction for ELLs in a variety of settings. This positive effect for our ELLs will be long lasting and measurable through performance on standardized testing as well as teacher developed assessments.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

**Teachers to receive training: All teachers of MLL & Immigrant students.
Schedule and Duration: We will schedule a meeting at the beginning of the program and one towards the mid-session.
Name of provider: Fordham RBERN and /or PAF consultant.

All our documents will be maintain in a file cabinet in room 409, ENL Room and a digital in Google docs.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Parents & children will be invited to attend various parent workshops.
Names of Providers:
1. School Based : Some of the Activities will include but not limited to Technology base programs, platforms, content based, test and other culturally based themes.
2. Field Trips (TBD)
How parents will be notified:
Notices in English, Spanish, will be posted via flyers posted in and around the school, flyers sent home, reminders will be send out via the reminder application.
At school meetings held during the school day, bilingual staff are designated by the principal to attend and translate orally or in writing.
If meeting is after or before regular school hours, bilingual staff will be encouraged to attend and translate. Per session payment will be offered for these activities. Ms. Escobar, ENL teacher will keep the records in the binder including agendas, attendance sheets and invitations in a file cabinet in room 409 as well as a Google Doc folder.

3. District and City Activities

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Parent involvement motivates children to learn, leading to higher grades. The level of involvement is crucial in producing a high impact on the student's performance.

We use Parent Survey responses, in-house parent surveys, PTA/PA request, etc. these are some of the data sources used to plan activities for parents of ELLs. In addition to the ones the city or D9 suggestions.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Parent workshops will be held monthly, virtually & in person from December to May. Every last Tuesday of the month per 1 hour.
