Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

PS 109X-The Sedgwick School

District Borough Number (DBN):

09X109

Grades Served:

3K through 5th Grade

School Address:

1771 Popham Avenue Bronx, NY 10453

Phone Number:

(718) 583-8878

Fax:

718-466-5507

School Contact Person:

Josette Claudio

School Contact Person Email Address:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Josette Claudio	Principal or Designee*	
	United Federation of Teachers (UFT) Chapter Leader or Designee*	
	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Lashanna Cooper	District Council 37 (DC 37) Representative (staff), if applicable	
	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
	Member/Teacher/ UFT/ SDC Member	
	Member/Teacher/ UFT/ SDC Member	
	Member/Parent	
	Member/Parent

N/A	N/A	
N/A	N/A	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Yoli-Ann Barrett	Assistant Principal/ SDC Leader/ Equity Leader	
Josette Claudio	Principal	
Tiffanie Belton-Mitchell	School Development Team member/ Special Education Liaison	
Dinahlee Pena	School Development Team member/ ENL Liaison	
Dorine Bryan	School Development Team member/ Special Education Liaison	
Sherry Williams	School Development Team member/ Math Liaison	
Samantha Shomrony	School Development Team member	
Christopher Mateo	School Development Team member	
Jennifer Rivas	School Development Team member/ ELA Liaison	
Stephanie Romero	School Development Team member/ Dual Language Liaison	

Sylvia Hanson	Students in Temporary Housing Social Worker
Lashanna Cooper	Parent Coordinator District Council 37 (DC 37) Representative (staff)

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At PS 109, we believe that through collaborative partnerships with students, parents, and staff we will build a culture of life-long leaders who act with respect, integrity, determination, and excellence.

Our mission at PS 109 Sedgwick is to establish a climate and culture of integrity, accountability, and trust that nurtures all members within our community into empathetic life-long learners. We embrace mistakes and differences to foster a community of support and acceptance. We strive to empower with knowledge, compassion, and strength while encouraging growth through meaningful relationships.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Our school community is comprised of 441 active students, with 21% students with disabilities (SWD), 22% multilingual learners (MLL), and 27% students in temporary housing (STH). The student population includes diverse cultural backgrounds, contributing to a rich and inclusive learning environment.

Our instructional focus will continue to center around building teacher capacity in explicit instruction, to develop student knowledge and language across all grades and subjects. Within this broader focus, this year we will specifically concentrate on the Danielson Framework component 1a - Knowledge of Content and Pedagogy for newer teachers and a focus on 1e - Designing Coherent Instruction and its impact on 3c - Engaging all Students in Learning.

The main initiatives for the 2024 - 2025 school year will be grounded in the science of reading as we launch the New York Reads initiative, strengthening our assessment practices, systems, and structures, and focusing on the development and utilization of teacher leaders.

Another initiative for the 2024 - 2025 school year is to rebrand the school with a new vision and mission statement. From the this work, new core values will be established.

Briefly summarize the key initiatives your school will implement this school year.

At PS 109, the main initiatives for the 2024 - 2025 school year will be grounded in several key areas. First, we will focus on the science of reading as we launch the New York Reads initiative which aims to enhance literacy

instruction through evidence-based practices. This initiative will involve comprehensive LETRs training for teachers, the refining of teaching practices with fidelity and integrity to the curriculum, and a focus on phonics and reading comprehension strategies to improve student literacy outcomes across all grade levels.

Additionally, we will work on strengthening our assessment practices, systems, and structures. This will include professional development of more effective and consistent assessment tools, data analysis techniques, and feedback mechanisms to better track student progress and inform instructional decisions. By refining these systems, we aim to provide more targeted support to students and ensure that all learners are meeting their academic goals.

Furthermore, we will prioritize the development and utilization of teacher leaders. This will involve identifying and nurturing teachers with leadership potential, providing them with professional development opportunities, and creating pathways for them to take on more significant roles within the school. Furthermore we will be more strategically utilizing our Master and Peer CollaborativeTeachers to foster a more collaborative and supportive teaching environment that drives continuous improvement and innovation in our instructional practices.

Another initiative for the 2024 - 2025 school year is to rebrand the school with a new vision and mission statement. From the this work, new core values will be established. These core values will be the lynchpin for the culture work that we will do; they will represent the behaviors and principles we want to instill in students and staff. Once the vision, mission, and core values are established and communicated, we will develop a strategy to integrate these values into all aspects of school life, from curriculum development to student activities.

We will continue to build capacity with Responsive Classroom practices by providing more teachers with professional development

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Into Reading (HMH)	K through 5th	Digital and Print	
Eureka (Math)	K through 5th	Digital and Print	Eureka Square (4th Grade)
Creative Curriculum	3k	Digital and Print	
Creative Curriculum	Prek	Digital and Print	
Heggerty	3K - 2	Print	
Fundations	K-3	Print	
Geodes Decodable Texts	k-3	Print	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs

Class 301 scored 49%, which is 14 points below the city average. Class 303 scored 46%, 17 points below the city average. Class 305 scored 49%, 14 points below the city average. The schoolwide average for Grade 3 is 46%, 17 points below the city average. Performance was strongest in vocabulary acquisition (NY-3.L.4) with 74% of total possible points earned, nearly matching the city average. Other standards showed significant gaps: students scored 46% in NY-3.R.2 (main idea), 46% in NY-3.R.3 (character/idea development), 50% in NY-3.R.4 (language meaning), 48% in NY-3.R.5 (text structure), and 51% in NY-3.R.6 (point of view). The lowest-performing standards were NY-3.R.7 through NY-3.R.9 (integration of knowledge and ideas), ranging from 39% to 42%. In writing from sources (constructed response), students scored 59% on NY-3.R.2, but only 34–48% on standards NY-3.R.3 through NY-3.R.6. Grade 4 (2025 ELA Data): Class 206 scored 18%, 43 points below the city average of 61%. Class 401 scored 44%, 17 points below the city average. Class 405 scored 52%, 9 points below the city average. Class 506 scored 19%, 42 points below the city average. The schoolwide average for Grade 4 is 44%, 17 points below the city average. Performance was low across nearly all standards. Students scored 39% in NY-4.R.2 (main idea), 43% in NY-4.R.3 (character analysis), 47% in NY-4.R.4 (language use), 41% in NY-4.R.5 (text structure), and 44% in NY-4.R.6 (point of view). For vocabulary (NY-4.L.4), the average was 50%. Integration standards (NY-4.R.7 through NY-4.R.9) ranged from 35% to 39%. Constructed response writing was	The low proficiency rates in Grades 3–5 stem from the inconsistent implementation of rigorous, text-centered Tier 1 instruction, along with the lack of targeted, sustained Tier 2 and Tier 3 interventions. While vocabulary is a relative strength, students struggle significantly with synthesizing information and explaining ideas in writing. This reflects a schoolwide need for more intentional instruction in comprehension and constructed response writing — especially in addressing Key	There is a need for students to engage in tasks to determine central idea and theme to support their comprehension of text.

also weak, with scores between 25% and 44% across standards NY-4.R.2 through NY-4.R.9. Grade 5 (2025 ELA Data): Class 501 scored 46%, 18 points below the city average of 64%. Class 505 scored 59%, 5 points below the city average. Class 506 scored 25%, 39 points below the city average. The schoolwide average for Grade 5 is 52%, 12 points below the city average. The strongest performance was in vocabulary (NY-5.L.4) at 66%, followed by NY-5.R.3 (character development) at 59%. Students scored 58% in NY-5.R.2 (main idea), 48% in NY-5.R.4 (language meaning), 63% in NY-5.R.5 (text structure), and 49% in NY-5.R.6 (point of view). Performance dropped for NY-5.R.7 through NY-5.R.9 (integration and response to literature), with scores ranging from 44% to 46%. Constructed response standards (NY-5.R.2 through NY-5.R.9) were especially low, ranging between 38% and 46%.	Ideas, Integration of Knowledge, and Craft & Structure — supported by strategic small-group interventions.	
RELATED TO SUBGROUP-SWDs GOAL Grade 3 – Class 206: Standard NY-3.R.2 (Main Idea & Key Details): 53% Grade 3-- Class 301: Standard NY-3.R.3 (Key Ideas and Details- Describe Characters & Ideas): 59% Standard NY-3.R.5 (Craft & Structure- Parts of a text): 60% Standard NY-3.R.6 (Craft & Structure- Point of View): 62% Grade 4 – Class 206: Standard NY-4.R.7 (Integration of info- Understanding diagrams in a text: 50% Grade 4 – Class 401: Standard NY-4.R.2 (Theme or central idea): 50% Grade 4 – Class 405: Standard NY-4.R.2 (Theme or central idea): 51% Standard NY-4.R.3 (Key Ideas and Details): 49% Standard NY-4.R.5 (Craft and Structure): 53% Standard NY-4.R.9 (Integration of knowledge): 54% Grade 5 – Class 501: Standard NY-4.R.7 (Integration of knowledge and ideas): 75% Standard NY-4.R.8 (Integration of knowledge and ideas): 44% Grade 5 – Class 505: Standard NY-4.R.2 (Central idea and details): 64% Standard NY-4.R.3 (Compare and Contrast with details): 52% Standard NY-4.R.6 (Point of view): 64% Classes 206, 406, 506- percentages were lower than those of the other grade classes.	ELA underperformance in self-contained classes stems from the lack of a clear, schoolwide approach to specially designed instruction.	There is a need for students to engage in writing tasks daily, writing about what they read, and build writing stamina

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	N/A	By June 2026, the number of students in 4th and 5th grade with an EOY composite score of benchmark or above benchmark will increase by 10% from 53 students to 66 students as measured by the mCLASS DIBELS 8th Edition.
All Students	50	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 50 to 66, of percentage of students scoring at or above proficiency on the NYS ELA State Exams.
Students with Disabilities (SWD)	N/A	By June 2026, the number of all students with disabilities in Kinder through 5th grade that make average or above average growth in ORF Reading Accuracy will increase by 10% increase, from ___% to ___% as measured by the mCLASS DIBELS 8th Edition.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Instructional Coaching
Teacher Leaders focusing on unpacking HMH module standards
Data analysis to inform teaching to the standards
Using mClass to progress monitor

Root Cause Addressed:

Teachers' capacity in delivering structured and explicit instruction using the "I do, We do, You do" model will allow students sufficient application ("you do") time.

Providing teachers with Unpacked modules with standards will allow teachers to plan lessons more effectively

Teachers need more time to understand how to interpret data and make appropriate instructional decisions

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional development in unpacking a lesson to include standards and modifications for subgroups.
Cycle Instructional coaching to support in interpreting mClass progress monitoring data to support teachers in planning lessons.
The leadership team (administration, teacher leaders, and coaches) will engage in monthly walk-throughs to provide

specific and actionable feedback to teachers to improve literacy instruction
Fundations data check-ins (Unit assessments and 5-day check-in) between lower grade teams (K to 3) and teacher leaders to assist in intervention plans and pacing.
Professional development for grade level teachers in collaboration with ENL and special education teachers to engage in learning how to embed scaffolds and access for SWDs and ELLs.
Implementation of All-in platform for grades 3-5

Key Strategy 2 (Optional):

N/A

Root Cause Addressed:

N/A

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Upper grades 3 to 5
-----Reading Assessments
-----HMH Module assessments

Lower grades K to 3
-----Bi-weekly mclass progress monitoring (Targeted Tier 2 & Tier 3)
-----Fundations unit assessments and 5- day check ups

Implementation
6-week cycles with lower grade teams focusing on analyzing mclass progress monitoring data and alignment to instruction

With Teaching Lab coach, bi-weekly upper grade team meetings will focus on analyzing HMH module assessments and connections to standards.

The data that will be collected and analyzed to determine progress and impact on instruction, student learning, and achievement may include the following:
-----HMH Module assessment (every 3-4 weeks)
-----MClass Screener Assessments during 3 Progress Monitoring Periods (November, February, and June)
-----MClass Screener Tier 2 & Tier 3 Progress monitoring data (on a 6-week basis except during BOY, MOY, and EOY assessments- October- May)
-----Teachers' Advance MOTP ratings during 3 Progress Monitoring Periods (November, February, and June)

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Monthly parent newsletters highlighting strategies to incorporate at home to support literacy, updates on HMH curriculum, and science of reading.	Teachers, teacher leaders, coaches, consultants, parent coordinator
09/08/2025	06/26/2026	Family Literacy Event- focused on the science of reading, strategies that can be done at home with students, parent academic empowerment	Teachers, teacher leaders, coaches, consultants, parent coordinator
09/08/2025	06/26/2026	Parent workshops supporting families in phonemic awareness, phonics, reading, writing, and oral language development	Teachers, teacher leaders, coaches, consultants, parent coordinator

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers, parent coordinator, school aides

Instructional Resources

Curriculum

Schedule Adjustments

Daily schedule adjustments will be made to accommodate Discovery Days

Other Resources Needed

Persession postings will be sent to acquire teachers to work for ELA nights.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
OSYD - June 2025 OORS Report Data A24 (33 incidents): "Engaging in intimidating and bullying behavior, including cyberbullying." Most frequent behavioral issue. This suggests a high need to address bullying—especially proactive SEL instruction and conflict resolution. A33 (7 incidents): "Making sexually suggestive comments, innuendoes, propositions, or similar behavior." A concerning trend requiring targeted instruction on appropriate boundaries and personal space. A06 (6 incidents): "Engaging in physically aggressive behavior (e.g., pushing or shoving) without intent to harm." Common lower-level physical conflict; tied to both play and frustration in shared spaces. A13 (3 incidents): "Leaving class without permission." Avoidance behavior / a lack of connection to classroom activities. A18 (3 incidents): "Using profane, obscene, vulgar, or lewd language, gestures, or behavior." Reflects lack of emotional regulation / peer	Inconsistent Tier 1 social-emotional learning (SEL) instruction and insufficiently structured transitions and unstructured times (e.g., lunch, gym, classroom	There is a need for students to develop stronger self-regulation skills and positive peer interaction strategies,

influence. 12:00 PM: Highest with 24 total incidents, including: - 9 at Level 3 (serious, disruptive behavior) - 5 at Level 4 (more dangerous behaviors) Top 5 Incident Locations Classroom (32 incidents): Majority of incidents happen in academic spaces, pointing to the need for stronger classroom management, engagement strategies, and consistent routines. Cafeteria (15 incidents): Indicates a need for structured supervision and clear expectations during unstructured times. Gymnasium (8 incidents) and Playground (6 incidents): Conflicts arise from physical play Hall (3 incidents) 2025 NYC School Survey Results: - 82% responded believe that at this school students harass, bully, or intimidate other students. This a 12 point increase from 2024 55% believe that students listen carefully when the teacher gives directions 64% believe that students follow rules in class.	downtime) have contributed to students' difficulty with self-regulation and appropriate peer interactions, leading to increased incidents of bullying, physical aggression, and disruptive behavior during the school day, impacting student learning and attendance.	particularly during transitions and unstructured times, in order to reduce incidents of conflict, bullying, and disruptive behavior.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	82%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 20% Decrease, in number of Level 2-4 incidents from 82% to 62%, per the Online Occurrence Reporting System (OORS) reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Building a Safe, Respectful, and Connected School Culture

Root Cause Addressed:

Inconsistent Tier 1 social-emotional learning (SEL) instruction and insufficiently structured transitions and unstructured times (e.g., lunch, gym, classroom downtime) have contributed to students' difficulty with self-regulation and appropriate peer interactions, leading to increased incidents of bullying, physical aggression, and disruptive behavior during the school day, impacting student learning and attendance.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Relaunch our PBIS system by defining clear schoolwide behavior expectations across all settings (hallways, cafeteria, classrooms), posting visual cues, and reinforcing positive behavior through a consistent system (for example, Hallway Hero signatures, shout-outs, and monthly recognition). Monthly PBIS committee meetings, led by Ms. Shomrony, will review implementation data, analyze trends, and adjust supports. Monitoring: student/staff surveys, OORS incident data, PBIS team agendas and meeting notes.
Teachers will participate in PD and coaching sessions on the use of reinforcing, reminding, redirecting, and envisioning teacher language aligned to the Responsive Classroom model. The Assistant Principals and teacher leaders will conduct monthly "Language Walks" to collect data and provide actionable feedback. Monitoring: Walkthrough forms, feedback logs, teacher self-reflections, and focus group input.

All classrooms will engage in weekly Harmony Academy lessons during Harmony Hour to build students' social-emotional competencies. Assistant Principals will track implementation through Harmony lesson trackers and informal classroom visits, ensuring alignment to schoolwide SEL themes. Monitoring: Lesson plan trackers, student journal samples, classroom visit notes, and teacher reflections.

Staff will participate in a monthly PD series focused on Love and Logic strategies to build relational authority, set firm but empathetic boundaries, and de-escalate conflicts effectively. Ms. Shomrony and the AP Team will co-lead these trainings and integrate follow-up coaching into weekly support sessions. Monitoring: PD attendance sheets, exit tickets, anecdotal teacher feedback, and OORs Report trends.

We will introduce the "Brain Power Friday" routine, where students are taught and practice one brain-based self-regulation strategy weekly (e.g., breathing, positive self-talk). Mr. Caraballo, our Brain Power Ambassador, will provide brief lessons and visuals to classroom teachers and lead monthly demonstrations at assemblies. Monitoring: Teacher usage logs, observation snapshots, student reflections, and climate surveys.

The school will relaunch its "Hallway Heroes" program, where classes win signatures when they use calm, safe hallway transitions. Heroes will receive monthly recognition, rewards and participate in leadership huddles with the PBIS team. Ms. Shomrony and the PBIS team will oversee implementation. Monitoring: Hero signature cards, hallway behavior observations, peer surveys, and student interviews.

A monthly anti-bullying focus will include student-created posters, class pledges, writing and art connections, and themed assemblies. These activities will be integrated into SEL instruction and special events. The PBIS team and arts teachers will coordinate implementation. Monitoring: Student work samples, event documentation, classroom observations, and pre/post perception surveys.

Students, supported by the music teachers and the student council, will collaboratively write and perform a school song that highlights our core values of partnership, respect, integrity, determination, excellence, joy, and belonging. The song will be sung at town halls and other school events to reinforce community spirit. Monitoring: Final song recording or lyrics, student engagement data, performance artifacts.

We will host two parent workshops—focused on SEL at home and Love and Logic parenting strategies—and include SEL strategies in monthly newsletters. Ms. Shomrony and the Parent Coordinator will lead outreach and facilitate the events. Monitoring: Attendance logs, family feedback forms, and samples of home-connection materials.

The Assistant Principals and attendance team will identify students whose absences are due to behavioral and social challenges. These students will be matched with mentors from the staff for regular check-ins, relationship building, and problem-solving support. Attendance and behavior data will be reviewed monthly to adjust supports. Monitoring: Attendance reports, mentor logs, intervention notes, and trend analyses comparing attendance and behavior outcomes.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. Monthly PBIS Team Meetings (Led by Ms. Shomrony)
Purpose: Monitor fidelity of PBIS implementation, review incident trends, analyze behavior data by location and time, and adjust recognition systems.

Evidence Collected:
Dojo/blue ticket distribution logs
OORS incident reports (Level 2–4, by month/location/type)
Staff PBIS participation rates
Meeting agendas and minutes

2. Responsive Classroom “Language Walks” (Led by APs)
Purpose: Observe and give feedback on teacher use of reinforcing, reminding, and redirecting language to support student regulation and reduce escalation.

Evidence Collected:
Walkthrough forms and trend trackers
Teacher self-assessments and reflections
Reduction in OORS referrals for defiance/disrespect

3. Harmony Academy Lesson Monitoring (Led by APs)
Purpose: Ensure weekly SEL lessons are taught across classrooms, aligned to developmental needs and student concerns.

Evidence Collected:
Weekly Harmony Hour lesson trackers

Student journals and written reflections
Teacher anecdotal notes
Informal classroom visit logs

4. Brain Power Implementation Checks (Led by Mr. Caraballo)
Purpose: Track how often and effectively classrooms are engaging in weekly self-regulation practices (e.g., breathing, positive self-talk).

Evidence Collected:
Teacher implementation logs
Student interviews and surveys
Assembly highlights or class videos
Behavior referral trends related to dysregulation

5. School Climate and Bullying Prevention Monitoring
Purpose: Track implementation and student engagement with anti-bullying initiatives, the Hallway Heroes program, and the school song project.

Evidence Collected:
Student-created anti-bullying materials
Hero nomination records and peer interviews
Final school song performance documentation
Student perception survey results (Fall, Winter, Spring)

6. Love and Logic PD Participation and Follow-Up
Purpose: Ensure staff are receiving and applying Love and Logic strategies consistently to build strong relational authority and limit disruptive behavior.

Evidence Collected:
PD attendance logs and exit tickets
Coaching feedback logs
OORS data for escalated behaviors
Teacher self-reports and anecdotal behavior logs

7. Cross-Analysis of Behavior and Attendance Data
Purpose: Monitor students with co-occurring behavior and attendance challenges to track progress with SEL interventions and mentorship.

Evidence Collected:
Monthly attendance reports
Targeted student intervention logs
Comparison charts of attendance + behavior trends
Family outreach records and re-engagement efforts

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

There is a need for students to engage in sustained, domain-specific instruction and practice, particularly in Measurement and Data, through consistent use of iReady and aligned classroom instruction, so they can develop the multi-step reasoning, real-world application, and data interpretation skills essential for grade-level proficiency and future readiness

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	15	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June 2026, mathematics proficiency for all students in Grades 3–5 will improve, as measured by an increase of 10%, from 15% (25 students) to 25% of students (43 students) scoring at levels 3 and 4 on the NYS Math exam.
All Students	56%	By June 2026, mathematics achievement for all students will improve, as measured by a decrease of 10%, from 56% (92 students) to 46% (79 students), of the percentage of students scoring Level 1 on the NYS Math exam.
Students with Disabilities (SWD)	15%	By June 2026, mathematics proficiency for students with disabilities in Grades 3–5 will improve, as measured by an increase of 10 percentage points, from 15% to 25% of the percentage of students scoring at levels 3 and 4 on the NYS Math exam.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Root Cause Addressed:

High staff turnover and the influx of new teachers in upper grades led to inconsistent instructional quality, pacing, and depth of content coverage, particularly in complex domains like fractions and data. Additionally, many new teachers lacked the experience and support needed to effectively differentiate instruction or provide targeted scaffolds for students with IEPs, MLs/ELLs, and those performing below grade level.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Standards-Aligned iReady Integration: Implement structured weekly iReady time focused on fractions, data, and multi-digit operations to ensure all students receive consistent, targeted practice aligned with priority standards.
Professional Learning Communities (PLCs): Establish regular PLCs where teachers analyze iReady data by domain, plan differentiated lessons, and share scaffolding strategies for MLs/ELLs, students with IEPs, and below-grade-level learners.
Instructional Coaching & Onboarding Support: Provide coaching cycles and onboarding sessions for new teachers, focusing on effective pacing, data-driven instruction, and differentiation strategies using iReady tools and resources.

Scaffolded Small Group Instruction: Support teachers in using iReady groupings and domain-specific data to deliver scaffolded, small-group lessons that reinforce conceptual understanding in fractions, data, and operations.
Monitoring & Feedback: Conduct monthly classroom walkthroughs and progress checks to monitor instructional consistency and student growth, followed by feedback sessions focused on improving lesson delivery and differentiation.
Promoting Alignment: Create a Framework Guide for all teachers regarding all math protocols and guidance so that when there is teacher turn over, new teachers learn the same practices and utilize the same protocols and frameworks promoting consistency throughout and across grades.

Key Strategy 2 (Optional):

Root Cause Addressed:

Root Cause: Instruction begins with procedural modeling rather than sense-making, due to inconsistent planning, limited use of Number Talks, and under-utilization of conceptual models and real-world contexts, hindering students' ability to develop deep mathematical understanding.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
All teachers in Grades 3–5 will implement the full NYCPS math block with fidelity, beginning with Number Talks and incorporating the 3 Reads protocol to promote student-centered problem solving and a "You Do, First" approach
Teacher teams in Grades 3–5 will engage in collaborative planning to unpack units of study and ensure alignment to grade-level standards, with a focus on embedding scaffolds for students with IEPs and ML/ELLs and promoting conceptual understanding over procedures.
ILT and coaches will facilitate professional learning sessions on designing and delivering lessons that begin with sensemaking, including the use of open-ended tasks, visual models, and discourse routines.
Teachers will participate in inter-visitations to observe and provide feedback on implementation of Number Talks, the 3 Reads protocol, and sensemaking strategies in math instruction.
School leaders will conduct regular instructional walkthroughs using a look-for tool aligned to Math Shift 1 and the full math block structure, providing timely and actionable feedback to support teacher growth.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Primary Structures to Monitor Implementation

1. Monthly Instructional Walkthroughs (Led by ILT and Admin)
Purpose: Monitor fidelity to the NYCPS math block, especially the use of Number Talks, 3 Reads, and the "You Do, First" approach.
Tool: Math Block Look-For Tool aligned to Math Shift 1.

Data/Evidence Collected:
- Teacher implementation notes (frequency and quality)
- Presence and execution of Number Talks and 3 Reads
- Lesson structure alignment (opening with sensemaking)
- Evidence of scaffolds for MLs/ELLs and students with IEPs

Impact Measured: Growth in instructional consistency and conceptual rigor.

2. PLC Data Analysis Meetings (Biweekly)
Purpose: Analyze iReady domain-level data and formative classroom assessments to inform differentiated instruction and scaffolding.
Tool: PLC Protocols for Data Analysis and Lesson Study.
Data/Evidence Collected:
- iReady domain growth reports
- Teacher-created formative assessments
- Differentiation plans by subgroup

Impact Measured: Increases in domain-level proficiency (fractions, data, multi-digit operations); improved student access to rigorous tasks.

3. Instructional Coaching Cycles (Monthly for New Teachers; Ongoing for All)
Purpose: Support pacing, differentiation, and use of iReady tools.
Tool: Coaching Logs and Pre/Post Observation Forms.
Data/Evidence Collected:
- Observation and feedback notes
- Adjustments to planning based on coach input
- Evidence of scaffolded tasks and student-centered models

Impact Measured: Teacher self-efficacy; observable student engagement and use of strategies.

4. Progress Monitoring of iReady Usage and Outcomes (Weekly Data Reviews)
Purpose: Track student progress and instructional impact of iReady integration.
Tool: iReady Teacher Dashboard and Weekly Goal Tracker.
Data/Evidence Collected:
- Time-on-task and lesson completion reports
- Student performance trends by domain and subgroup
- Teacher notes on student misconceptions and adjustments

Impact Measured: Steady increase in targeted domain mastery; movement of Level 1 students toward Level 2 or higher.

5. Inter-Visitations with Peer Feedback (Once per Cycle)
Purpose: Build capacity and internal accountability for Number Talks, discourse routines, and conceptual instruction.
Tool: Peer Observation Feedback Form focused on Math Shift 1.
Data/Evidence Collected:
- Teacher reflections and next steps
- Peer feedback logs
- Observable instructional moves and student dialogue

Impact Measured: Growth in instructional collaboration; improved use of models and discourse.

Student Learning & Achievement Data Collected
- iReady Growth Reports (Fall, Winter, Spring)
- Interim Simulation Assessment Results
- Formative Assessments (Exit Tickets, Math Journals, Performance Tasks)
- NYS Math Exam Results (End of Year)

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/25/2026	Math Discovery Day	Edible Schoolyard
09/04/2025	06/25/2026	Family Math Nights	Edible Schoolyard

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers, parent coordinator, school aides

Instructional Resources

Curriculum

Schedule Adjustments

Daily schedule adjustments will be made to accommodate Discovery Days

Other Resources Needed

Persession postings will be sent to acquire teachers to work for Math nights.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
96% of families registered for NYC Rise	As the new families register, we must be diligent with enrolling them in the NYC Rise program	Our school must create a system for enrolling new registers in the NYC Rise program immediately.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	96%	By June, 2026, the percentage of active NYC Rise college savings accounts for all students will Increase by 4% from 96% to 100% as measured by NYC Rise Enrollment Reports.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Train main office staff on NYC RISE program requirements and intake procedures.
Hold a family meeting with all Kindergarten families during Open House in September.
Host registration sessions during festivals and Parent Teacher Conferences.

Root Cause Addressed:

As the new families register, we must be diligent with enrolling them in the NYC Rise program.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Train main office staff on NYC RISE program requirements and intake procedures.
Embed NYC RISE checklist into the student registration packet.
Assign a designated staff member to review each new registration for RISE eligibility.
Schedule biweekly check-ins with RISE liaison to review student referrals and family needs.
Send welcome letter and RISE program overview to all newly enrolled families.
Review progress monthly during SLT and/or cabinet meetings.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Biweekly check-ins will be scheduled with the RISE liaison to review student referrals and family needs, as well as assess registration packets to ensure the NYC RISE checklist is embedded.

Share progress data during monthly during SLT meetings.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		Send welcome letter and RISE program overview to all newly enrolled families.	
		Hold a family meeting with all Kindergarten families during Open House in September.	
		Host registration sessions during festivals and Parent Teacher Conferences.	
		Host registration sessions during festivals and Parent Teacher Conferences.	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Top Events by Attendance: Back to School Day (9/21/2024) – 109 attendees Discovery Day: Stress Management (3/27/2025) – 81 attendees Spring	The primary reason within the school's control contributing to low family attendance at certain events is the	There is a need for students to

Festival (4/26/2025) – 68 attendees Visiting Parents (9/4/2024) – 48 attendees District Literacy Event (3/5/2025) – 40 attendees Thanksgiving Meal Kits (11/21/2024) – 38 attendees Discovery Day (11/14/2024) – 38 attendees Discovery Day (1/9/2025) – 41 attendees Lowest Attended Events: Parent Workshop: Responding to Challenging Behaviors (2/6/2025) – 4 attendees Parent Seminar: Bullying & Conflict (2/11/2025) – 7 attendees Coffee with the Principal: What is Being Trauma Informed (3/20/2025) – 8 attendees Town Hall (10/1/2024) – 8 attendees PPO Parents (1/31/2025) – 9 attendees PPO Meeting (2/10/2025) – 12 attendees PTA General Meeting (10/16/2024) – 3 attendees	inconsistent alignment between event design and parent interests or availability. Events with a clear theme, hands-on experiences, or family-centered activities (e.g., Back to School Day, Discovery Day, Spring Festival) consistently yield high attendance, while traditional meetings, standalone workshops, and seminars are under-attended. This suggests a need to improve how events are marketed, scheduled, and designed to ensure they are engaging, convenient, and responsive to family needs and preferences.	benefit from stronger home-school partnerships by increasing family participation in school events, particularly those that support student learning, well-being, and social-emotional development.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	58	By June 2026, the number of families attending school events that support student learning, well-being, and social-emotional development will increase by at least 25 families per event, from an average of 58 families to 83 families, as measured by event sign-in sheets and participation logs collected throughout the 2025–2026 school year.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Embed Informational Sessions into High-Interest Events: The school will redesign lower-attended workshops by embedding key family learning moments (e.g., bullying prevention, academic support strategies) into larger school events like Discovery Day, Spring Festival, and Curriculum Celebrations.
Collect and Use Family Input to Guide Event Planning: The school will distribute family interest surveys and host two listening sessions (Fall and Winter) to gather feedback on topics, formats, and ideal scheduling for family events. This data will be used to plan at least three events that reflect parent interests.
Enhance Event Communication Using Multi-Channel Outreach: The school will implement a layered marketing plan for family events using Class Dojo, flyers, robocalls, and personal outreach (calls/texts) to ensure all families receive timely, accessible communication in their home language.
Implement Student-Led Parent-Teacher Conferences to Deepen Family Engagement: The school will implement student-led parent-teacher conferences in grades K–5, where students reflect on their learning, present work

samples, and share goals with their families. Teachers will support students in preparing portfolios and guiding discussions. This structure increases family involvement by centering student voice and encouraging meaningful dialogue.
Offer Flexible and Accessible Scheduling Options The school will pilot flexible scheduling for key family workshops (offered in both morning and evening sessions) and post recordings or digital resources for families unable to attend in person.
The school will host a culminating student showcase in June 2026 where students present final projects, performances, and academic growth to their families. This event will be designed to highlight student voice and achievement across subjects and will include visual displays, demonstrations, and opportunities for families to engage with student work.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The school will use a combination of event tracking tools, student artifacts, and family feedback structures to progress monitor the implementation of key strategies and assess their impact on student learning and engagement. The following structures and evidence will be used:

Event Participation Logs and Sign-In Sheets

Track attendance across all family engagement events, disaggregated by grade and event type.

Monitor trends over time to determine whether redesigned or co-planned events result in increased participation.

Family Interest Surveys and Feedback Forms

Collect and analyze pre-event interest surveys (Fall and Winter) and post-event feedback to evaluate the relevance and effectiveness of events.

Use data to adjust content, scheduling, and structure to better meet family needs.

Student Work Portfolios and Presentations

Collect student work samples and reflection artifacts from student-led conferences and year-end showcases to assess students' ability to reflect on learning and communicate academic growth.

Evaluate teacher support structures for preparing students (rubrics, conferencing templates).

Communication Logs

Monitor Class Dojo analytics, flyer distribution, robocall records, and personal outreach logs to ensure multi-channel, multilingual communication is being implemented consistently.

Compare engagement before and after shifts in communication strategy.

Meeting Notes and Agendas

Document planning team meetings for events (agenda, minutes, roles) to confirm alignment with family input and to ensure collaboration between staff and parent representatives.

Photographic and Video Documentation

Capture qualitative evidence of student and family participation (e.g., photos of student showcases, clips of student-led conferences) to reflect engagement and amplify student voice.

End-of-Year Reflection and CEP Planning Session

Convene a reflection meeting in June 2026 with the Family Engagement Team to review participation data, family feedback, and student artifacts to inform next year's CEP goals.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	multilingual family interest surveys twice a year (Fall and Winter)	Ms. Cooper PC
09/08/2025	06/26/2026	host in-person listening sessions to gather input from all caregivers	Ms. Cooper PC

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Insight. June 2025 89% is our school's year-to-date average Attendance rate	Implementation of the school's attendance plan, protocols and review of data to strengthen perfect attendance outcomes was not consistent.	There is a need for students to attend school daily and participate in class and school activities to achieve success in school and life.
Insight. June 2025 46% of students (197 out of 426 students) are chronically absent. Health-Related Causes (53.2%)- parent survey Social-Emotional &	Parents report that the primary root causes are student health and social-emotional/behavioral barriers. The high percentage of behavior-related absences suggests a need to strengthen our systems for social-emotional support, behavior	There is a need for students to receive consistent social-emotional support, targeted behavior interventions, and stronger relational connections with school staff and peers in order to reduce behavior-

Behavioral Barriers (32.7%)- parent survey	intervention, and student-teacher connection.	related absences and increase daily attendance.
Insight. June 2025 44% of students (44 out of 100) in temporary housing are chronically absent	Inconsistent or ineffective two-way communication between the school and families in temporary housing may result in missed opportunities to address barriers to attendance early and collaboratively.	There is a need for students in temporary housing to experience consistent, compassionate outreach and school-based supports that reduce barriers to attendance and make school a welcoming, safe, and engaging place to return to each day.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	46%	By June, 2026, the Percentage of Chronically Absent Student for All Students will decrease 5%, from 46% to 41%, as measured by the Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Data Analysis and Protocols

Root Cause Addressed:

Implementation of the school's attendance plan, protocols and review of data to strengthen perfect attendance outcomes was not consistent.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Over the summer, the Parent Coordinator will conduct personalized outreach to families of students identified as chronically absent. The purpose of the outreach will be to listen with empathy, identify specific challenges or barriers impacting attendance (such as transportation, childcare, housing transitions, or health concerns), and collaborate with families to develop a support plan before the start of the school year. This plan may include connecting families with school or community-based resources, adjusting arrival procedures, or setting up early relationship-building meetings with key school staff to ensure a smooth and supported transition into the new year.
The attendance team will meet monthly to review attendance data and identify students in need of support. The team will develop age-appropriate strategies to help students come to school more consistently, such as assigning morning greeters, adjusting arrival routines, and initiating family-friendly communication.
During weekly teacher team meetings, teachers will collaborate with the attendance team to share insights about students with frequent absences. Together, they will identify potential barriers such as transportation challenges,

separation anxiety, or inconsistent routines and plan supportive strategies to help families establish regular school attendance.
The attendance team will analyze attendance trends monthly and plan child-centered initiatives to boost attendance - especially on days or weeks where past data shows dips. These initiatives may include fun theme days, special classroom visitors, or whole-class rewards for consistent attendance.
Professional development for teachers and support staff will include training on how to read attendance data, use trauma-informed and family-centered approaches to support attendance, and implement strategies that foster a welcoming, predictable environment that encourages daily attendance for all students.
The school will revamp the Success Mentor program by assigning staff members throughout the building to serve as mentors for students who are chronically absent. These mentors will regularly check in with their assigned students to build strong, trusting relationships. When a student is absent, the mentor will reach out to the student and family with care. The primary goal is to serve as a consistent, supportive liaison between the school and home, helping to strengthen connection, address challenges, and encourage daily attendance
The school will develop a consistent system of attendance incentives that are grade band appropriate, joyful, and equitable. These will include: Student incentives: Monthly attendance celebrations, certificates, classroom shout-outs, or special student trips. Ongoing communication: Regular promotion of attendance incentives in newsletters, Class Dojo posts, and school signage. Parent incentives: Recognition for parents whose children meet attendance milestones (e.g., raffles, family shout-outs, small giveaways) to foster a whole-family celebration of success.

Key Strategy 2 (Optional):

Systems for Social-Emotional Support

Root Cause Addressed:

The high percentage of behavior-related absences suggests a need to strengthen our systems for social-emotional support, behavior intervention, and student-teacher connection.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Over the summer, the Parent Coordinator will conduct personalized outreach to families of students identified as chronically absent. The purpose of the outreach will be to listen with empathy, identify specific challenges or barriers impacting attendance (such as transportation, childcare, housing transitions, or health concerns), and collaborate with families to develop a support plan before the start of the school year. This plan may include connecting families with school or community-based resources, adjusting arrival procedures, or setting up early relationship-building meetings with key school staff to ensure a smooth and supported transition into the new year.

Establish a tiered system of behavior intervention that includes classroom-level strategies, small group social skills instruction, and individualized plans for students with repeated behavior-related absences.

Ensure consistent implementation of SEL programs (e.g., PBIS structures, Harmony Academy, Harmony Hour, Responsive Classroom) across all grades, with a focus on emotional regulation, conflict resolution, and relationship-building.

Launch a student mentoring program where identified students are paired with staff members for weekly check-ins focused on attendance, emotional well-being, and goal-setting.

Monitor behavior-related absences weekly and conduct structured outreach to families of chronically absent students to identify barriers, co-develop attendance plans, and connect them to school-based or community resources.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Data will be collected and analyzed to determine progress and impact on instruction, student learning, and achievement may include the following: Attendance rate and chronic absenteeism.

Monthly Attendance Team meetings will focus on continuous improvement and focus on attendance and chronic absenteeism data analysis for all students and groups of students to determine next steps to reduce barriers to attending school daily.
Parent Coordinator and Attendance Teacher Team meetings will focus on updating the status of CEP action plan activities for Attendance/Chronic Absenteeism, with successes, challenges, and next steps.

Weekly cabinet meetings will focus on updating the status attendance and chronic absenteeism priorities with feedback, support, and next steps.
Monthly School Leadership Team (SLT) meetings will follow the NYCPS recommended calendar of SLT activities and participate in shared analysis of the school's CEP progress monitoring for this priority.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Love and Logic parent workshops	Ms. Shomrony, Ms. Cooper, Edible Schoolyard

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Professional Learning

Root Cause Addressed:

IEP Teams are not including Specially Designed Instruction due to inconsistent professional development and quality feedback on IEP development.

Teaming structures are not being used consistently and with fidelity to ensure updates on newly finalized IEPs are being appropriately programmed in STARs.

There is not a clear MTSS process that is implemented consistently and with fidelity.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
School leader will identify a School Implementation Team (SIT). The SIT will focus on proactive planning, problem-solving, and solution-driven guidance for the principal and entire school community.
SIT will develop a year-long calendar outlining important training for school staff (teachers, paraprofessionals, related service providers, school aides, leadership, etc.) Training in the following areas: Quality IEP writing, specifically around developing specially designed instruction Transition process Multi-Tiered Systems and Support, high leverage evidence based strategies to support student learning Effect of disability
SIT and School Leadership will review the Chapter 408 process and engage staff in a dynamic session (overview of Chapter 408 process, Discussion of components of IEP, and overview of manifestation of disability) prior to the first day of school.
SIT will share IEP Review Survey questions with all staff. An unpacking protocol will take place to create a normed understanding of the definition of a High Quality IEP. An emphasis will be placed on questions pertaining to specially designed instruction.
Training will be provided to staff regarding intervention strategies across Tier 1, 2, and 3. Leadership will provide feedback specific to Tiered interventions through the informal and observation cycle.

Training will be provided to staff regarding manifestation of disability. Emphasis will be placed on top 3 disability classifications for the school (Speech and Language Impairment, Autism, Learning Disability)

Key Strategy 2 (Optional):

N/A

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly (change as appropriate) SIT (School Implementation Team) meetings will focus on updating the status of CEP action plan activities for Section 5 High Quality Inclusive & Accessible Learning for Students with Disabilities, with successes, challenges, and next steps.

Weekly Teacher Team meetings will focus on continuous improvement cycles including analyzing student work, collaborative pedagogical practices, with self-reflections and revisions to lesson plans and classroom instruction.

The data that will be collected and analyzed to determine progress and impact on instruction, student learning, and achievement may include the following:

NYS ELA exam data
I-Ready ELA Assessment during three progress monitoring periods (Nov, Feb, and June)

Weekly SIT meetings will follow the NYCPS recommended team goals, as well as priorities outlined within their school's CEP:
Improve outcomes for students with IEPs
Reduce unnecessary referrals by focusing on pre-referral and preventative services
Expand inclusive opportunities in all schools
Provide Special Education instructional support as outlined on the student's IEP

SIT will follow and leverage the Leadership Calendar of activities and participate in shared analysis of the school's CEP progress monitoring for this priority.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/08/2025	10/30/2026	School Implementation Team will work closely with Parent Coordinator and PA to develop a shared vision for special education. In support of this shared vision, the collective group will outline a series of family empowerment workshops from September/October 2025 to June 2026	Parent Association
10/30/2025	06/26/2026	Family Empowerment Sessions Aligned to Shared Vision for Special Education. Example: September 2025, understanding my child's IEP and disability. October 2025, supporting my child's IEP goals at home. November 2025, understanding the difference between parent-teacher conferences and IEP meetings. December 2025, how do I support my child with transitions January 2026, understanding testing accommodations. February 2026, what community resources are available to me to support my child March 2026, self-care, caring for a child with a disability April 2026, taking a close look at the continuum of special education May 2026, preparing for a transition to another grade June 2026, celebrating my child's achievements this school year.	Quality Services for the Autistic Community CSD9 Special Education Team Scan Harbor

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Pedagogical staff, SBST, IEP Teacher, SE Liaison, SE Teachers, Related Service Providers, Administration (Vendors, if applicable)

Instructional Resources

HMH Into Reading student consumables; Sounds Sensible student consumables; Fundations student consumables,....

Schedule Adjustments

Common planning for school implementation team

Other Resources Needed

Per session for planning Resources for Family Empowerment activities

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Phonics	Students in Grades K-2 who do not meet 80% on the unit assessment	Fundations Intervention	Small group	2-3X times per week	No
Guided Literacy	Students in Grades K-2 who have been identified as needing Tier 3 support	Jumpstart	small group	2-3X times per week	No
Phonics Intervention Tier 2	Students in grades 3 - 5 who are two or more grade levels below as indicated by iReady Diagnostic Assessments	SPIRE	Small group	daily	Yes
Phonics Intervention Tier 3	Students in grades who do not show 80% mastery after six weeks of reinforcing lessons in SPIRE	SPIRE	one-on-one	daily	Yes
Math Intervention Tier 2	Students in grades K - 5 who are two or more grades below as indicated by a triangulation of the iReady Diagnostic Assessment/ MAP Assessment and SPIRE Screener	Do the Math	Small group	3 times per week	Yes
Math Intervention Tier 3	Students in grades K - 5 who have not shown progress in Tier 2 small groups	Do the Math	one-on-one	4 - 5 times per week	Yes
mCLASS small group instruction	students in k - 5 who have not shown progres in tier 1	mCLASS	smal group	3 times per week	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
CICO Tier 2	Clinical Team/Teacher	N/A	1:10 or 1:1	Daily for 6 week cycle	No
At Risk Counseling Tier 2	Clinical Team/Teacher Referral	N/A	Small Group with Counselor	1-3 X/week	N/A
Attendance Mentoring	New Visions data portal-missed 10% of the SYTD	Mentoring by the Attendance Success Mentor	One to one	Morning call, text message, phone blast...	Yes
Lunchtime Social skills training Tier 2	Clinical Team Referral	lunch pull outs	small group	1-3 x / wk as needed during school	N/A
Behavior Goal Sheets Tier 2	Clinical Team/Teacher Referral		Teacher or Service provider 1:1	1-5 X/week	N/A
Restorative Circles Tier 2	Teacher Referral	IIRP Restorative Conferencing Protocols	Small Group or 1:1	As needed	N/A
ICMP Tier 3	Clinical Team Referral	Completing an ICMP for each student	one-to-one	As needed throughout the day	N/A
Restorative Circles Tier 2/3	Teacher	IIRP Restorative Conferencing Protocols	Small Group or 1:1	As needed	N/A

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The school communicates the essential components of its Multi-Tiered System of Supports (MTSS) with families through multiple intentional channels. Families are informed when students are identified for Tier 2 or Tier 3 academic or social-emotional interventions, including the criteria used for placement, the frequency and type of support provided (e.g., small group, one-on-one, or push-in models), and whether a technology-based tool is involved. Intervention plans such as SPIRE for phonics, Do the Math for numeracy, and mCLASS for reading are discussed with parents during parent-teacher conferences, RTI meetings, and intervention progress check-ins. These meetings clarify how interventions supplement Tier 1 instruction and aim to address skill gaps.

For social-emotional supports, families are notified when services such as counseling, attendance mentoring, behavior goal sheets, or restorative circles are implemented. Parents are included in the development and review of Individualized Crisis Management Plans (ICMPs), and consent is obtained when appropriate. Communication tools such as phone calls, in-person meetings, and digital platforms (e.g., New Visions attendance notifications) are used to update families on student progress, service adjustments, and collaborative strategies for support at home.

Overall, the school ensures transparency and family partnership in the MTSS process by outlining the purpose, process, and goals of interventions in a clear and supportive manner.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families of students receiving Tier 2 targeted or Tier 3 intensive interventions are regularly updated on their child's progress through multiple communication methods. Teachers and support staff provide updates during scheduled parent-teacher conferences, RTI/MTSS progress monitoring meetings, and individualized family meetings. For Tier 3 supports, updates occur more frequently and include direct communication from intervention providers, such as interventionists, counselors, or special education staff.

Progress is shared using student work samples, progress monitoring data (e.g., mCLASS reports, i-Ready growth reports, or behavior tracking sheets), and summaries of goals met or skills still in development. For academic interventions such as SPIRE or Do the Math, families may receive specific reports outlining student progress toward mastery, frequency of services, and areas of continued focus. For social-emotional supports, such as behavior goal sheets or ICMPs, families are contacted with updates as needed to discuss behavior trends and adjustments to plans.

Communication is conducted in the family's preferred language and through the preferred mode of contact—phone calls, written notes, ClassDojo messages, or in-person meetings. Families are encouraged to collaborate with the school team by providing insight into their child's needs and participating in decisions about continued intervention or exit from services.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families play an active and essential role in the decision-making process for students receiving Tier 3 intensive interventions. When a student is identified for Tier 3 support, the school initiates a meeting with the family to review the data that led to the decision, explain the nature and frequency of the intervention, and collaborate on setting measurable goals.

Ongoing progress is discussed during regularly scheduled MTSS or RTI meetings, where families are invited to review data (e.g., progress monitoring results, observation notes, behavior logs) and provide input on their child's strengths, needs, and experiences at home. For students with Individualized Crisis Management Plans (ICMPs), families are directly involved in the development and review of the plan to ensure that home-school communication is strong and that supports are consistent.

When a student is not showing expected growth, families are included in discussions around adjustments to the intervention, including changes in strategy, intensity, or frequency. If the data indicates that a referral for special education or additional services may be warranted, that conversation happens in partnership with the family, ensuring their consent and voice are central to the process.

The school ensures all communication is accessible by using interpreters when needed and honoring family preferences for meeting formats and times. Families are viewed as critical partners in the success of Tier 3 interventions.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

99 students

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

There is an need to ensure that students have access to resources and materials.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

• Items of clothing and shoes necessary for participation in classes
• Personal school supplies such as backpacks, notebooks, and remote learning devices such as internet and/or laptop/tablet
• The acquisition of student documents
• Pantry (Food and laundry needs)
• Medical and dental services

• Eyeglasses and hearing aids
• Counseling services related to homeless issues that are impeding learning
• Outreach for support services from local agencies
• Extended learning time (before and after school, Saturday, summer)
• Extra-curricular activity fees
• Tutoring services, especially in shelters or other locations where homeless students are residing
• Parental involvement
• Transporting students in temporary housing to and from their school of origin. However, Title 1 funds will not be used to pay for transportation expenses that the State reimburses.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

N/A

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

N/A

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

N/A

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

N/A

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 109x, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 109X will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 109X, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

TBD

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

TBD

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	TBD	x	TBD

Title III, Part A	Federal	TBD	x	TBD
Title III, Immigrant	Federal	TBD	x	TBD
Title IV, Part A	Federal	TBD	x	TBD
Tax Levy (Fair Student	Local	TBD	x	TBD

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Josette Claudio
Assistant Principal (Where Applicable)*	Yoli Ann Barrett
English as a New Language (ENL) Teacher*	Dinahlee Pena
Teacher (if school has a bilingual program must be a bilingual teacher)*	Stephanie Romero
Parent/Guardian*	Vanessa Molina
Lead Teacher	Jennifer Rivas
Parent Coordinator	Lashonna Cooper
School Counselor	Jacqueline Paulino
Related-Service Provider IEP Teacher	Alonda Smalls
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

347

Total number and percentage (%) of current ELLs:

85 (24.5%)

Total number and percentage (%) of former ELLs:

11 (3.2%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

76 (89.4%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

9 (10.6%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 (0%)

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0 (0%)

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

12 (14.1%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	DL/GE	Spanish		1	1	1	1	1	1								6
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Students are serviced by ENL teachers for pull out lessons delivered in small groups. Students are grouped according to their language proficiency levels (e.g. Entering / Emerging - 360 minutes are programmed, Transitioning / Expanding - 180 minutes are programmed, Commanding - 90 minutes are programmed). With consideration of language proficiency, students can be grouped with students +/- one grade level (e.g. 3rd / 4th bridge ENL group).

Integrated ENL:

ENL and classroom teachers collaborate to plan lessons using HMH: Into Reading, Geodes: Decodable Texts, and Fundations. ENL teachers push into the classroom and students are grouped heterogeneously by proficiency level.

Example Integrated ENL Lesson:
Mini Lesson (15 minutes) - Explicit teaching of a skill or strategy
Guided Practice (10 minutes) - Teacher models and student practice
Independent or Partner Work (15 minutes) - Check for understanding and formative assessment
Share aloud (5 minutes) - Including findings, reflections, and next steps

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

Our Dual Language program uses the one way model. One bilingual teacher teaches in English and Spanish. Content subjects are taught in English and Spanish alternating days utilizing 50 / 50. For example, if ELA is taught in Spanish for one day, Math is taught in English that same day. Then the following day ELA is taught in English and Math in Spanish. Appropriate differentiation and scaffolds are provided for students in the respective languages.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Mandated number of instructional minutes are provided according to CR Part 154. Entering and Emerging ELLs receive 360 minutes (8 periods), Transitioning and Expanding ELLs receive 180 minutes (4 periods) and Commanding and former ELLs receive 90 minutes (2 periods). ELLs in the ENL program receive a mixture of push in and pull out services from TESOL certified teachers. ELLs in Dual Language receive their instructional minutes from their bilingual licensed Dual Language teacher. Both classroom teachers and the ENL provider create schedules to ensure all students are receiving the mandated instructional minutes. Schedules are available to all staff and included in the school's shared drive.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

N/A

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our Dual Language program uses the one way model. One bilingual teacher teaches in English and Spanish. English proficient students and ELLs are integrated 100% of the instructional day. Content subjects are taught in English and Spanish alternating days utilizing 50 / 50. For example, if ELA is taught in Spanish for one day, Math is taught in English that same day. Then the following day ELA is taught in English and Math in Spanish. Appropriate differentiation and scaffolds are provided for students in the respective languages.

The one way model uses HMH: Into Reading / Arriba la Lectura and Eureka Math in both English and Spanish for all grades. K - 3 uses Heggerty (English) and Estrellita (Spanish) for phonemic awareness in both languages. Aprendo Leyendo (Spanish) has been incorporated as well in small group instruction.

b. In which language(s) is each core content area taught?

All core content areas are taught in both English and Spanish, alternating on a daily basis.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

76 students, or 89.4% of ELLs, are Newcomers who primarily speak Spanish. Other languages spoken by ELLs include: Arabic, Fulani, French, and Italian. 9 students, or 10.6% of ELLs are Developing and 0 students, or 0% are Long-Term. Instruction is differentiated based on educational background, native language proficiency, and English language level. The approaches used for each group differ based on these factors.

Newcomers (0-3 years of service):

- Focus: Intensive support in basic language acquisition and social-emotional development
- Instructional Approach: Newcomers require substantial language scaffolds and supports to help them develop foundational literacy and oral language skills. Such instruction involves explicit modeling of language use, appropriate visuals, multilingual resources (e.g. relevant translations, use of cognates), and substantial vocabulary development
For example, we utilize the Spanish Phonics Program Estrellita for students who cannot read in their native language and pair it with HMH Arriba la Lectura texts, along with the English version of the same text
- Social-Emotional Support: Since Newcomers face challenges in adapting to a new environment, our school prioritizes SEL programs like Dream Yards, extracurricular activities such as basketball and choir, and afterschool programs such as SCAN to create a welcoming community
- Instructional Modifications: Newcomers are often partnered heterogeneously with students more familiar with the school environment and receive push-in and pull-out support from ENL teachers according to their language proficiency. Instruction is geared towards promoting access to grade level curriculum while building literacy in English

Developing ELLs (4-6 years of service):

- Focus: Continued support in academic language acquisition and content area instruction
- Instructional Approach: For Developing ELLs, instruction shifts toward a more content-focused approach, integrating language learning with rigorous academic instruction. This group still benefits from supports, such as sentence starters, word banks, and visuals Developing ELLs are expected to engage more deeply in academic

discussions and heterogenous collaboration in the classroom.
- Instructional Modifications: Lessons include language goals that align with the development of more complex linguistic skills, such composing expanded and complex sentences, substantial participation in group discussions, and use of academic language across content areas. Developing ELLs continue to receive ENL support according to their English language proficiency.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

N/A

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

N/A

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

11 students, or 3.2% of ELLs, are former ELLs. Former ELLs are supported even after testing into the Commanding proficiency level. Students are provided with mandated ENL services of 90 minutes (or 2 periods a week) of integrated ENL services as outlined in CR Part 154 and ensure the classroom teacher continues to implement ELL strategies during whole and small group instruction with ELLs.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

According to the Spring 2025 ELL Data Analysis Tool (EDAT), the largest percentage of at risk factor include Newcomers at 89.4% of ELLs. The second group with the highest at risk levels are ELLs in temporary housing which is at 47.1%, followed by ELLs Who Did Not Demonstrate Sufficient ELP Progress (Spring 2024 NYSESLAT) at 24.7%. This is followed by Math: ELLs Who Scored Level 1 or 2 Last School Year at 20% and ELA: ELLs Who Sored Level 1 or 2 Last School Year at 15.3%.

Our school has had an increase of Newcomers from 85.3% to 89.4% (+4.1%), an increase of ELLs in temporary housing from 46.3% to 47.1% (+0.8%), a decrease of ELLs Who Did Not Demonstrate Sufficient ELP Progress (Spring 2023 and Spring 2024 NYSESLAT) from 45.3% to 24.7% (-20.6%), an increase in Math: ELLs Who Scored Level 1 or 2 the previous school year from 17.9% to 20% (+2.1%), and a decrease in ELA: ELLs Who Sored Level 1 or 2 the previous school year from 17.9% to 15.3% (-2.6%).

Based on the data above, one of the most substantial shifts have been the decrease of ELLs Who Did Not Demonstrate Sufficient ELP Progress and decrease in ELA: ELLs Who Sored Level 1 or 2 the previous school years. This informs us that instruction and collective efforts have positively influenced student academic outcomes. On the other hand, challenges for our school continues to be an increase number of Newcomers, who of course needs additional supports in both academia and social-emotional learning, and an increase number of ELLs in temporary

housing.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

According to the Spring 2025 ELL Data Analysis Tool (EDAT), the largest percentages of at risk factors for former ELLs include 27.3% in temporary housing (an increase from 8.3% in the previous school year) and 18.2% in Math: Former ELLs Who Scored Level 1 or 2 Last School Year (a decrease from 41.7% in the previous school year). It is evident that temporary housing continues to be a biggest at risk factor and obstacle.

This is a substantial improvement given that in Spring 2024, former ELLs dealt with at-risk factors such ELA: Former ELLs Who Scored Level 1 or 2 Last School Year (25%), ELA: Former ELLs Who Scored Level 1 or 2 in SY 2021-22 and 2022-23 (8.3%), Math: Former ELLs Who Scored Level 1 or 2 in SY 2021-22 and 2022-23 (25%). All of these categories are thankfully at 0% according to the Spring 2025 EDAT.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

81 ELLs (95.3%) have a home language of Spanish, 1 (1.1%) have a home language of Arabic, 1 (1.1%) have a home language of Fulani, 1 (1.1%) have a home language of French, and 1 (1.1%) have a home language of Italian. The majority of our school staff is bilingual in English and Spanish. All school correspondences are sent home in both English and the students' home language. Translators and interpreters are available when families enter the school building. There are also signs in both English and Spanish when entering the school building.

There are culinary workshops through our Edible Schoolyard Program which also have a translator and interpreter present. School Discovery Days, where parents visit classrooms and engage with their children in activities, also have a translator and interpreter present if the classroom teacher does not speak the families' home language. Families are invited to seasonal celebrations including, but not limited to: Mother's Day celebrations, Father's Day celebrations, Thanksgiving festival, Winter festival, and other seasonal festivities. We also currently offer weekly English classes for participating families, building literacy and strengthening community.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

37.6% of ELLs (32 students) identify as Black, 32.9% (28 students) identify as American Indian or Alaskan Native, 20% of ELLs (17 students) identify as White, 4.7% of ELLs (4 students) identify as Native Hawaiian or Other Pacific Islander, and 3.2% of ELLs (4 students) identify as multiracial. The majority of ELLs are ethnically Dominican.

Teachers have been trained on Sanford Harmony, a program which promotes social emotional development. This program builds on establishing strong school and classroom communities where students can share their feelings, thoughts, and ideas. In addition, all classrooms are provided with diverse, multicultural literary works. These works have characters and circumstances in which our students can identify with. Our reading curriculum HMH: Into Reading and Arriba la Lectura in Spanish also provide stories from diverse countries, cultures, and perspectives.

Furthermore, ELLs actively participate in varying after school programs. ELLs are encouraged to attend the ENL after

school program where they can further develop their language skills. Newcomers are encouraged to write in their native language when needed and translanguaging is encouraged. Other after school programs include: Dream Yards (providing weekly trips around the city and classes in the arts), School Choir (including the planning of performances throughout the school year), and basketball team.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

According to the Spring 2025 ELL Data Analysis Tool (EDAT) and based on Spring 2024 NYSESLAT performance, 18.6% of ELLs (8 students) met progress by exiting ELL status, 27.9% (12 students) met annual progress target, 4.7% (2 students) met safe harbor cumulative growth, and 48.8% (21 students) did not meet progress. Collectively, Spring 2024 NYSESLAT performance showed that 51.2% of ELLs (22/43 total ELLs) met ELP progress while Spring 2023 NYSESLAT performance showed that only 12.2% of ELLs (6/49 total ELLs) met ELP progress. The data shows that students have been steadily improving and meeting ELP growth at our school as reflected on Spring 2024 NYSESLAT data.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Based on Spring 2024 NYSESLAT data and when looking at each modality, our students ranked (from highest to lowest) in Speaking, Reading, Listening, and Writing. This means that overall, areas of strength are in Speaking and Reading and areas of growth are in Listening and Writing. As we reflect on the results, there are clear patterns in modalities and their scores. The highest need is in Writing as this is the modality that requires core literacy, mastering vocabulary, grammar, sentence structure, and comprehension skills at once. Furthermore, the Listening session (and the second highest need area) of the test also requires students to understand oral language without visual support. This session may also include unfamiliar vocabulary for students it is only played once. On the other hand, Speaking and Reading are areas of strengths. Speaking includes visuals and is the modality ELLs primarily develop first, while Reading also includes both texts and visuals and ask students to answer multiple choice questions based on the passage (which they are free to refer back to in an untimed manner during the test).

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

16 students took the ELA state test: 9 students (3 Emerging, 4 Transitioning, 2 Expanding) scored a Level 1, 4 students (4 Expanding) scored a Level 2, 2 students (2 Commanding) scored a Level 3, and 1 student (1 Commanding) scored a Level 4.

20 students took the Math state test: 10 students (2 Entering, 3 Emerging, 3 Transitioning, 2 Expanding) scored a Level 1, 9 students (1 Entering, 1 Emerging, 1 Transitioning, 4 Expanding, 2 Commanding) scored a Level 2, and 1 student (1 Commanding) scored a Level 3. No students scored a Level 4.

Upon further analysis, it is evident that the performance of ELLs remain concerning in both the ELA and Math state tests. This indicates that the majority of our ELLs are still struggling to reach proficiency in these subjects most likely due to language and access. It is important that teachers continue to collaborate in order to support the challenges our ELLs face. Looking forward, both school administration, service providers, and teachers will share best practices and develop targeted instructional strategies to meet the specific needs of our ELLs.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

14.1% of ELLs (12 students) have IEPs: 3 Emerging, 4 Transitioning, 3 Expanding, 2 Commanding. ELLs with disabilities are closely monitored by our LPT. If the committee determines that additional support services are required, a referral process is initiated. In the meantime, the student receives at risk services from our IEP teacher and ENL provider(s). Teachers collaborate to ensure cohesive instructional approaches are in place. Furthermore, teachers from both our ENL and Dual Language departments have participated in research-based professional development on Structured Literacy led by Bilingual Speech Language Pathologist and a Certified Academic Language Therapist, Dr. Cardenas-Hagan. Learned practices apply to both ELLs and students with IEPs. Teachers and school administrators who attended professional development have ensured to disseminate information to classroom teachers of ELLs with disability through internal team collaborations.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our school provides ELLs with a high-quality academic experience through our core curriculum for ELA, HMH: Into Reading, and Eureka Math. Student facing materials are accessible to ELLs in both English and Spanish. Additionally, we ensure materials are available at grade level. In grades K-2, the following phonics programs are used: Fundations, Heggerty, and Geodes. Aprendo Leyendo is implemented with our ELL newcomers in need of Spanish foundational skills. In ELA, assessments are given in the form of weekly, mid-module, and end of module assessments. In math, assessments are given in the form of daily exit tickets, mid-module, and end of module assessments.

Additionally, we are constantly evaluating the success of our ELLs in order to make instructional decisions and increase acquisition of language learning and performance. Professional learning teams, school administration, and teachers meet to analyze results from the NYSESLAT, ELA state tests, Math state test, and ELL Data Analysis Tool to determine areas of focus for our ELL programs. Using the data from these assessments, our programs are modified and additional support is provided to ELLs in the form of ENL services and small group instruction. Teachers plan instruction that includes necessary scaffolds to ensure student progress. The members of our staff have multiple opportunities (e.g. OPW - other professional work time) to discuss progress and areas of concern including strategies that were successful and those that were not. We use rubrics, exit tickets, and observational techniques to get a clearer picture of students' strengths and needs.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school leadership team ensures that each grade is provided with grade level core instruction curriculum. Dual Language classes are provided with materials in both English and Spanish for ELA and math. Newcomer students in General Education classes are also provided with curriculum materials in both English and Spanish. Materials are ordered early in the school year to ensure all of our students, including ELLs, have access to core instruction and curriculum. ENL teachers collaborate with classroom teachers to ensure that all lessons are scaffolded and supported with relevant ELL strategies.

• Culturally responsive instruction
• Planning time for ENL and Classroom teachers
• Use of scaffolds to support grade level work
• Use of protocols to encourage ML/ELL participation
• Use of ML/ELL data to inform instruction

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Dual Language: Reading, Writing, Math, and Social Studies instruction are delivered in alternating English and Spanish. Instruction is delivered by one teacher using the rollercoaster model. 50 percent in Spanish and 50 percent in English. The Modules from Into Reading are taught in both languages. Alternating the use of language instruction on a daily basis. Explicit vocabulary acquisition routines are common practice across the instructional week with words and terms rooted in the topical context of study. Reading discussions are held in both languages for our Newcomer ELLs. Phonics instruction is taught in English and Spanish. Eureka Math is also taught in both English and Spanish alternating language used on a daily basis. Lessons are planned using a language objective and scaffolds such as graphic organizers, cognates, sentence starters, word banks visuals and educational videos.

In our monolingual and self contained classes the content area is delivered in English, along with a certified ENL teacher that supports instruction by integrating ENL methodologies to ensure that the content is comprehensible to ELL students and that instruction is aligned to Next Generation Learning Standards.

The students' home language is used to facilitate comprehension. Since some of our ELLs cannot read we incorporate shared reading and shared writing into our lessons, along with realia, visuals, academic videos and content vocabulary words in both English and Spanish. Teacher establishes prior knowledge of topic before reading. Explicit vocabulary acquisition routines and the use of Spanish cognates are common practice across the instructional week with words and terms rooted in the topical context of study. Students practice fluency with specific routines from Structured Literacy by Dr. Cardenas. In grades K - 3 students receive phonics instruction in English using the Fundations curriculum for each grade, In grades 4 - 5 students in need of phonics support receive phonics intervention. Such instruction and intervention teaches the concepts found in Structured Literacy: phonology, morphology, syntax, semantics, and pragmatics.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

We provide instruction through multiple points of access to core content. Grade level materials are provided by HMH: Into Reading, which has embedded supports for ELLs including scaffolding questions and activities as well as small group lessons. Our core curriculum is a knowledge building curriculum with rich visual and high interest texts that facilitate the development of language learner's acquisition of the English language. Explicit vocabulary routines are also a core component of the instructional practices of the program. Students can also use the computer audio feature in My Pal. Interactive and authentic learning opportunities are provided for our students through class discussions and projects. Students develop academic content knowledge by studying relevant ideas. They develop academic vocabulary knowledge by studying a set of words thoroughly throughout each module. The Eureka Math curriculum is used in both English and Spanish. Students have access to Zearn Math which support Eureka math

lessons in both language and include printable work as well.

Furthermore, teachers from both our ENL and Dual Language departments have participated in research-based professional development on Structured Literacy led by Bilingual Speech Language Pathologist and a Certified Academic Language Therapist, Dr. Cardenas-Hagan. Learned practices apply to both ELLs and students with IEPs. Teachers and school administrators who attended professional development have ensured to disseminate information to classroom teachers of ELLs with disability through internal team collaborations. F

b. SIFE

N/A

c. Newcomers

Newcomers are provided with access to and engage with grade level curriculum through a variety of scaffolds. Students receive phonics instruction (with support access to grade level texts over time), instruction in home language in our Dual Language program, explicit vocabulary instruction, sentence starters for speaking and writing, model texts, text sets, graphic organizers, anchor charts with pictures and examples, visuals, shared writing, shared reading, guided reading, personal word wall, increased wait time, seating close to speaker to develop phonemic awareness, homogeneous and heterogeneous small group instruction, oral rehearsal, visuals and pair work (heterogeneous language buddy), student advocates who speaks the same home language and can support the student with translation to English (Entering, early Emerging only for large group discussions).
Furthermore, teachers from both our ENL and Dual Language departments have participated in research-based professional development on Structured Literacy led by Bilingual Speech Language Pathologist and a Certified Academic Language Therapist, Dr. Cardenas-Hagan.

d. Long Term ELLs

N/A

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

All Special Education teachers, ENL providers and related service providers (Speech and Occupational Therapists, etc.) collaborate extensively to create instructional plans that meet the needs of each student. Curricular flexibility includes providing phonics instruction to students as needed in the upper grades, using text sets to build students knowledge and vocabulary of a topic, incorporating more guided practice and small group instruction. Instructional flexibility is used through targeted instruction based on students needs and IEP goals. All teachers work together to reduce redundancies and monitor student progress towards their goals. All teachers and service providers collaborate to create a schedule that to the extent possible will be the most supportive of each student. This could include measures such as making sure the student is not pulled out of the same core content area everyday, pulled out of the content area they need the most support in, and pushing in for ENL support instead of pulling a student out of their classroom for an additional 4 - 8 periods a week.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Home language is assessed in each program model (in the case of our school, ENL and Dual Language) utilizing the mClass assessment platform. mClass assessments are available in both English and Spanish and provide us with data on select measures and overall composite score of the language. Scores include both literacy skills and comprehension which allow for an all-encompassing view of students' skills in both English and their home language.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

ENL Teachers collaborate with classroom teachers during circular 6 Common Planning periods. Teachers also meet during OPW on Tuesdays from 2:40pm to 3:20pm. In addition, both lower and upper grade Dual Language teams have a Vertical Planning period embedded into their schedules lead by our Dual Language coordinator.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our school uses a social and emotional curriculum called the Sanford Harmony Program. This program features a variety of culturally responsive read aloud, including texts that our ML/ELL students can see themselves in. Additionally, all staff will be trained in restorative circles (tiers 1, 2, and 3).
Teachers receive professional learning in Math using the 3 reads. This helps ML/ELL students understand the language used in word problems. Teachers receive professional learning on how to use M Class resources to provide support to our ML/ELL students in both English and Spanish. Teachers also receive training in HMH Reading. Teachers are taught how to use the resources to support out ML/ELL students.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

ENL and Dual Language teachers may be released to attend Division of Multilingual Learners professional development, MLL / ELL Liaison monthly meetings, District and Borough Office professional development

opportunities, New York City Bilingual Education Resources Network (RBERN), etc. as coverage and scheduling allows.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

ELLs are screened using mClass (in both English and Spanish) and iReady (in both English and Spanish). Through mClass data, we are able to make decisions around Tier 2 and Tier 3 instruction and progress monitoring necessary for ELLs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Targeted intervention programs for ELLs in ELA, Math, and content areas are provided to the different ELL subgroups. Integration of the
four hallmarks of advanced literacies is part of our range of targeted interventions. Small group instruction is delivered using Fundations, Spire, Reading Rescue, Heggerty, Geodes: Decodable Texts and Jumpstart. These programs focus on acquiring the foundational skills as well as comprehension necessary for academic success. Newcomers who need additional home language support receive Spanish instruction using Aprendo Leyendo. Next school year, all teachers will make the shift to Aprendo Leyendo. In K - 5, mClass Tier 2 and Tier 3 intervention groups are identified and progress monitoring is done appropriate to student needs. mClass is available in both English and Spanish and used to inform instruction. for math, small group instruction is provided to students utilizing Do The Math materials.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school uses a variety of data to inform our instruction for ELLs. We use mClass (e.g. benchmark asessments and progress monitoring), Iready, weekly HMH Assessments, Mid and End of Module Eureka Math Assessments, Aprendo Leyendo assessments, ELa state test results, Math state test results, NYSESLAT performance, and teacher-made formative assessments. We analyze the data both at the classroom and school level to observe trends and patterns across student population. We then consider the adjustments needed to strengthen the instructional core and supplemental supports, as they relate to ELLs. We implement Tier 3 RTI Model where Tier 1 instruction is provided by the classroom teacher and meets the majority of students' needs implementing scaffolds and differentiation as needed. Tier 2 consists of targeted intervention and instructional support for a smaller subset of students. Our AIS staff pulls out students to provide these services. Additionally, we also have our paraprofessionals who work with identified students and provide intervention for students with varied linguistic and academic needs.

Furthermore, our IEP teacher provides Tier 2 services to students based on assessment data. Tier 3 is individualized, specialized instruction for students with persistent difficulties. Our Tier 3 is usually delivered by our Special Education Specialists who provide at-risk students with more intensive support and intervention. We have also developed an intervention program for newly arrived students where they receive targeted support in their home language and work on core literacy skills. This support allows them to receive supplemental instruction in crucial foundational skills. In addition, we have identified students based on the data systems mentioned above who require assistance in accessing grade-appropriate curricula. These students receive instruction in a small group after school in our ENL after school program utilizing strategies rooted in Structured Literacy.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Formative assessments that are used to inform and drive instruction, this includes HMH: Into Reading Weekly Assessments, and Module Assessments, iSpire Concept Assessments, Fundations 5 Day Check Ins, Do The Math Weekly Assessments, Eureka Mid and End of Module, and teacher-made formative assessments.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

MLs / ELLs in our 1 - 5 Dual Language program will take assessments in Spanish including in ¡Arriba la Lectura! Math assessments are given in Spanish and English for each unit. Kindergarten students will take the Aprendo Leyendo assessments (as we are moving from Estrellita to Aprendo Leyendo for Spanish instruction).

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The primary summative assessment used to evaluate the effectiveness of our ML/ELL programs is the NYSESLAT. Student performance on the NYSESLAT is cross referenced with the ELA and Math State Test and MAP Growth data to identify patterns and trends. Teachers who teach ML/ELLs review NYSESLAT data, specifically looking at student scores in each modality to identify student strengths and area(s) of growth to target for the academic year. Teachers also review how students have scored on the NYSESLAT in past years to identify which students are progressing and which students may need more focused support to progress to the next language proficiency level. This data then informs how students are grouped for small group instruction and what the focus of the small group will be.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The NYSESLAT will be administered according to the NYSESLAT School Administrator's Manual. Staff that administer and score the assessment will be licensed pedagogues, such as Dual Language, TESOL, Special Education or General Education teachers. ELLs will continue to receive mandated services from Dual Language and ENL teachers during testing periods.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Accommodations for testing are tracked using the RLAT, ELL levels, home language information as well as any applicable testing accommodations that may be on an IEP or 504. Accommodations are checked prior to any state exam to ensure students are receiving proper accommodations.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

ELL Parent Orientations are delivered in both English and Spanish. Parents are invited to attend the meeting which is offered in person or via Google Meet. All school correspondences are sent in the family's home language preference. The parents or guardians are shown the program video in both English and Spanish. At the end of the program video, a Q& A session isa held to answer any questions or concerns the parents or guardians may have. It is explained to parents that if they wish to have their child in a TBE class, they can, however our school does not currently offer this program. The ELL program orientation is given by our ENL department.

An agenda will be created with the date time and location of ELL parent orientation. This will be provided in the parents home language. We will have a sign in sheet showing the parents that attended the orientation. For the parents that did not attend, ENL teacher will reach out by telephone. If there is no contact, the ENL teacher will attempt to see parent at student pick up or send home another letter asking what would be a good time to meet. All attempted correspondence will be documented and placed in the compliance binder.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Families are informed during traditional Parent Teacher conference times. ENL department collaborate with classroom teachers (both Dual Language, General Education, and Special Education teachers of ELLs) about data, language development progress, assessment results, and academic needs of ELLs in order to disseminate such information to parents or guardians. In addition to classroom teachers, ENL providers also intentionally contact parents or guardians of ELLs during PTC time and periodically throughout the school year as needed.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

School Event Flyers (festivals, celebrations): Flyers promoting festivals, celebrations, or school information sessions will be translated by designated bilingual office staff. Translations will be reviewed and completed in advance to ensure all families receive the information in a timely and accessible manner.

Parent Engagement Flyers (announcements, PTC notices): Flyers detailing school announcements, parent teacher conferences, or information sessions will be translated by designated bilingual office staff. This ensures all families are aware of engagement opportunities.

Individualized Education Plans (IEPs): When a parent requests translation of an IEP, the School-Based Support Team (SBST) will be contacted by either the classroom teacher or IEP teacher. A member of the SBST will submit the IEP to the Office of Language Access for translation using this link: tinyurl.com/OLA-IEPtranslations. The translation process may take 3-4 weeks.

Permission Slips (trips, media release): Bilingual office staff will translate permission slips to ensure parents can make informed decisions and provide consent in a timely manner.

Report Cards: When monolingual teachers are not able to translate their student report cards, dual language teachers or ENL teachers will support in translating report cards prior to distribution.

Families are able to respond or initiate communications in language other than English, as mentioned above there are bilingual staff on-site and over-the-phone translation available to all families.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Parent Teacher Conferences: When classroom teachers are not able to translate for parents, dual language teachers or ENL teachers will assist and collaborate with monolingual teachers. In the case of non-Spanish speaking parents or guardians, over-the-phone translation provided by the DOE will be used.

English Language Learner (ELL) Parent Choice Workshop: This workshop is ran by both ENL teachers. Both ENL teachers are bilingual and offer live interpretation during the workshop. In the case of non-Spanish speaking parents or guardians, over-the-phone translation provided by the DOE will be used.

Individualized Education Plan (IEP) Meetings: If a staff present at the IEP meeting is not able to provide interpretation, over-the-phone translation provided by the DOE will be used.

Family Workshops and Parent Engagement Events: Designated bilingual school staff are in attendance to provide live interpretation during workshops and engagement events. In the case of non-Spanish speaking parents or guardians, all materials are printed and provided in anticipation with preferred language of choice.

School Community Events (Spring Festival, Winter Festival, etc.).: Bilingual staff are present and available to provide interpretation for all parents and guardians in the duration of school community events such as Spring Festival, Winter Festival, etc.

Families are able to create bonds with the school community through the events mentioned above, and connect with other families and school staff who share similar experiences and / or cultural backgrounds.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

All parents informed of family leadership opportunities. All school correspondences and communications are disseminated in families' language of choice as identified on Home Language surveys conducted when a student is enrolled and at the beginning of the school year.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

N/A

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Our school participates in monthly ML / ELL liaison meetings and District Office professional development opportunities. ENL teachers turnkey to our teachers on best practices for ELLs. This year marked our second year participating in the Structured Literacy series led by Dr. Cardenas-Hagan. Our principal selected the Assistant Principal, upper grade ENL teacher, and 2nd grade Dual Language teacher to attend the 2024-2025 cohort. Principal Claudio attended alongside the lower grade ENL teacher and Kindergarten Dual Language teacher in the 2023-2024 cohort. Common planning periods, DL vertical planning periods, and OPW time was used to train teachers on implementing learned strategies into Fundations, Heggerty, Geodes: Decodable Texts, and HMH: Into Reading lessons. 2024-2025 data has shown improvements in ELL literacy skills and there will be a continuation of assessing and data analysis that will further inform ELL instruction moving into the 2025-2026 school year.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Herson Pleitez - Testing Coordinator
Jennifer Rivas - Kindergarten Teacher
Rolando Caraballo - General Education Teacher
Stephanie Romero - Dual Language Teacher
Yoli-Ann Barrett - Assistant Principal
Doreen Mullins - Secretary

A team of teachers were trained on how to administer the Home Language Identification Survey (HLIS): the ENL teacher, two ICT teachers, the testing coordinator, and the Assistant Principal. When a student arrives from a non-NYCDOE school, or is a new student to the country, the HLIS is administered. We establish a rapport with the parent to get accurate information on the student. After interviewing parents, the child is then interviewed using the sample questions provided by the DOE. Once the interview is completed, the pedagogue determines the home language and completes the survey. The teacher fills in the language code for English only or the specific language code for the appropriate language. After this, the teacher determines the eligibility for NYSITELL testing which will occur within 10 days. If the student has an IEP, an LPT meeting will occur with a window of 20 days to complete the process to determine if the child is eligible or not eligible to take the NYSITELL.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Activities in our school for newly enrolled and current ELLs include Literacy Fairs, ENL After School Program, parent workshops led by collaborating staff, and other school programs such as LEAP, SCAN, Dream Yard, School Choir and the basketball team. Titles of school staff

involved include our administration team, office staff, school counselor, parent coordinator, teachers, and paraprofessionals.

Steps for ELL Identification: The school secretary and office staff have schedules of all the teachers on the ELL identification team. They will contact teachers that are available to complete the HLIS and interview the student in a time efficient manner.

Ensuring ELLs and former ELLs receive mandated instruction: Mandated number of instructional minutes are provided according to CR Part 154. Entering and Emerging ELLs receive 360 minutes (8 periods), Transitioning and Expanding ELLs receive 180 minutes (4 periods) and Commanding and former ELLs receive 90 minutes (2 periods). ELLs in the ENL program receive a mixture of push in and pull out services from TESOL certified teachers. ELLs in Dual Language receive their instructional minutes from their bilingual licensed Dual Language teacher. Both classroom teachers and the ENL provider create schedules to ensure all students are receiving the mandated instructional minutes. Schedules are available to all staff and included in the school's shared drive.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Josette Claudio

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Yoli Ann	Barrett	Assistant Principal 10 Month	06/22/2022	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

N/A

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
FRENCH	2	0.05%	2	0.05%	1	1
FULANI	1	0.02%	1	0.02%	0	0
ARABIC	1	0.02%	1	0.02%	0	0
ITALIAN	1	0.02%	1	0.02%	0	0
SPANISH	153	44.3%	153	44.3%	20	20
ENGLISH	186	53.9%	186	53.9%	ALL	ALL
CHINESE	1	0.02%	1	0.02%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
School Event Flyers (festivals, celebrations)	Flyers promoting festivals, celebrations, or school information sessions will be translated by designated bilingual office staff. Translations will be reviewed and completed in advance to ensure all families receive the information in a timely and accessible manner.
Parent Engagement Flyers (announcements, PTC notices)	Flyers detailing school announcements, parent teacher conferences, or information sessions will be translated by designated bilingual office staff. This ensures all families are aware of engagement opportunities.
Individualized Education Plans (IEPs)	When a parent requests translation of an IEP, the School-Based Support Team (SBST) will be contacted by either the classroom teacher or IEP teacher. A member of the SBST will submit the IEP to the Office of Language Access for translation using this link: tinyurl.com/OLA-IEPtranslations. The translation process may take 3-4 weeks.
Permission Slips (trips, media release)	Bilingual office staff will translate permission slips to ensure parents can make informed decisions and provide consent in a timely manner.
Report Cards	When monolingual teachers are not able to translate their student report cards, dual language teachers or ENL teachers will support in translating report cards prior to distribution.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Teacher Conferences	When classroom teachers are not able to translate for parents, dual language teachers or ENL teachers will assist and collaborate with monolingual teachers. In the case of non-Spanish speaking parents or guardians, over-the-phone translation provided by the DOE will be used.
English Language Learner (ELL) Parent Choice Workshop	This workshop is ran by both ENL teachers. Both ENL teachers are bilingual and offer live interpretation during the workshop. In the case of non-Spanish speaking parents or guardians, over-the-phone translation provided by the DOE will be used.
Individualized Educaton Plan (IEP) Meetings	If a staff present at the IEP meeting is not able to provide interpretation, over-the-phone translation provided by the DOE will be used.
Family Workshops and Parent Engagement Events	Designated bilingual school staff are in attendance to provide live interpretation during workshops and engagement events. In the case of non-Spanish speaking parents or guardians, all materials are printed and provided in anticipation with preferred language of choice.
School Community Events (Spring Festival, Winter Festival, etc.).	Bilingual staff are present and available to provide interpretation for all parents and guardians in the duration of school community events such as Spring Festival, Winter Festival, etc.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the event of an emergency, our school has systems in place to ensure that parents who speak a language other than English are contacted in a timely fashion. First, our school utilizes Class Dojo and so teachers can use this platform (that also includes in-app translations) to communicate with parents. In addition, bilingual office staff are assigned in case of emergencies and will reach out to parents via phone call and leave a voicemail if appropriate. In other cases, where a parent cannot be contacted via Class Dojo, phone call, or voicemail, hard copy parent notices will be sent home in both English and the preferred language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Our Galaxy-designated LAC is Assistant Principal Yoli-Ann Barrett. The LAC will review and distribute the Best Practices for Translation and Interpretation during staff meetings and through the shared school drive. To keep staff informed and up-to-date, the LAC will also distribute all future language access resources and updates via staff communications and a professional development session within the first month of the school year. Our school will ensure that all staff complete the required asynchronous NYCPS Language Access Training on WeLearnNYC by sending a communication, providing instructions and track completion via staff surveys. Reminders will be sent regularly, and supervisors will follow up with staff as needed.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

School Event Flyers (festivals, celebrations): Flyers promoting festivals, celebrations, or school information sessions will be translated by designated bilingual office staff. Translations will be reviewed and completed in advance to ensure all families receive the information in a timely and accessible manner.

Parent Engagement Flyers (announcements, PTC notices): Flyers detailing school announcements, parent teacher conferences, or information sessions will be translated by designated bilingual office staff. This ensures all families are aware of engagement opportunities.

Individualized Education Plans (IEPs): When a parent requests translation of an IEP, the School-Based Support Team (SBST) will be contacted by either the classroom teacher or IEP teacher. A member of the SBST will submit the IEP to the Office of Language Access for translation using this link: tinyurl.com/OLA-IEPtranslations. The translation process may take 3-4 weeks.

Permission Slips (trips, media release): Bilingual office staff will translate permission slips to ensure parents can make informed decisions and provide consent in a timely manner.

Report Cards: When monolingual teachers are not able to translate their student report cards, dual language teachers or ENL teachers will support in translating report cards prior to distribution.

Families are able to receive, respond, and initiate communications in their preferred language, as mentioned above there are bilingual staff on-site and over-the-phone translation available to all families.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

In addition to OLA's Translation & Interpretation Feedback Survey, our school gathers feedback through parent surveys which are sent to families who have a language other than English in their preferred language. There is also outreach done by our parent coordinator and bilingual office staff throughout the school year. These methods ensure ongoing, culturally responsive communication about the quality and accessibility of language services provided by the school.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

The aforementioned surveys are utilized and reviewed to further improve our translation and interpretation services. As we receive students and families who speak languages other than English and Spanish, we plan to expand our interpretations services to include these languages as needed in order to better our reach to parents and families. We will also continue the use of over-the-phone translation services.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

37

Grades to be served in this program. Select all that apply.

,2,3,4,5

Total number of teachers in this program:

3

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

3

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

P.S. 109 will continue its ongoing commitment to strengthen the academic proficiency of our English language learners through our in-person Title III after school program which will take place on Wednesdays and Thursdays from 2:40pm to 4:10pm, 3 hours per week. Our ELL students will reap great academic benefits from the instruction provided by our certified English as a New Language teachers and certified bilingual instructors who will be leading the program.

We will be using Language Power for Grades 2-5. Each teacher will attend professional development on how to implement this curriculum in our after school program. The activities will depend on students' language proficiency. Students will be grouped by grade band and proficiency level. There will be a total of 43 students. The groups are as follows:

2nd/3rd grade band (Entering / Emerging): 15 students
3rd/4th grade band (Transitioning/Expanding): 10 students
4th/5th grade band (Entering / Emerging): 12 students

For our 2nd/3rd grade band (Entering / Emerging) group the focus will be on activities centered around comprehending oral and written language, using simple sentences, and learning stock expressions to express immediate needs. We will work on questioning using academic vocabulary and complete activities to further understand English sentence structures. Students will use trans language as needed. Students will read texts that focus on a variety of high interest topics with diverse text types and genres including fiction and non fiction with the integration of the four language domains.

For our 3rd/4th grade band (Transitioning / Expanding) group the focus will be on comprehending oral and written language in different content areas. Students will learn a variety of vocabulary and achieve conversational proficiency as well as answer open and closed ended questions. Activities will include reading fiction and non fiction texts. Students will participate in group projects and oral presentations to further their language skills and capabilities. Activities will include all four language domains, including speaking and listening to generate collaborative discussions and written content.

For our 4th/5th grade band (Entering / Emerging) group the focus will be on activities centered around comprehending oral and written language, using simple sentences, and learning stock expressions to express immediate needs. We will work on questioning using academic vocabulary and complete activities to further understand English sentence structures. Students will use trans language as needed. Students will read texts that focus on a variety of high interest topics with diverse text types and genres including fiction and non fiction with the integration of the four language domains.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

A close analysis of data reveals that some of ELL students are struggling with academic reading, writing, listening, and speaking. The lack of academic reading, writing, listening, and speaking skills hinders our Entering and Emerging students progress in other content areas such as math and science. Therefore, it is imperative that these areas are targeted specifically. The focus of our Title III this school year will be literacy.

Students identified in the EDAT data as at risk with three or more factors will be given high priority in the participation of the after school program. Some of these specific factors are the fall and winter iReady Diagnostic data, ELA and Math test scores of 1 and 2, and ELL students who experienced regression of one or two proficiency levels and/or no progress on the NYSESLAT. In addition to the EDAT data, we will be using the 2024 NYSESLAT scores to make determinations. Teacher formative and summative assessments will also be utilized to determine focus areas and student grouping.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Approximately 38 ELLs will be invited to the after school program. Students will be grouped according to grade band and level of proficiency. Explicit language instruction will develop reading concepts, build academic language, and promote written and oral language skills. Students will receive grade appropriate instruction with scaffolds tailored to their language level. Teachers in the after school program will use the SIOP model, forming a language objective directly connected to the content objective of the lesson. Each teacher will be working with one group to provide three hour of instruction a week tailored to the language and skill needs of their students.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will run from December 2024 through May 2025. The program will take place on Wednesdays and Thursdays from 2:40pm to 4:10pm for a total of 3 hours per week.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Language of instruction will be delivered in English, however all three certified TESOL/Bilingual teachers speak Spanish and will incorporate the home language when needed. Students will also be encouraged to use translanguaging as needed.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

3 participating ENL and bilingual teachers will participate in the Title III after school program.
2 TESOL Certified
1 Bilingually Certified

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials have been purchased from Language Power, which includes 8 units of study: Animals, Our Planet, Community and Transportation, My Body, The United States, Plants, Weather and Cultures of the World. Each unit include includes a set of books, student guided practice book, and program technology. In addition, there is an assessment guide with rubrics for speaking, listening and writing. The assessments will be given at the completion of each unit of study to track student progress.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

N/A

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The professional development will be provided by outside vendor. He will train teachers on how to plan and implement Language Power by TCM.
Scaffolding Literacy Instruction of our MLL students.
How to use resources from this curriculum.
Teaching Thematically
Building Background and Vocabulary
Posing Essential and Guiding Questions
Integrating the Four Language Domains in a Lesson
Producing Language Output
How to use digital resources
Program Scope and Sequence

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

According to our EDAT, NYSESLAT data 38 of our ELL students did not make sufficient progress.
The materials that will be used are new to our ENL and Bilingual teachers therefore professional development is a

necessity in order to ensure lessons and assessments are used in an effective manner. Training our teachers is essential in providing our teachers with the best and most effective pedagogy. Teachers will be trained to use the data from the unit assessments in order to plan and drive instruction.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Dual Language and ENL Teachers will receive training.

Ms. I Congrains
Ms. L. Delgado
Ms. Burgos
Ms. Ramales
Ms. Romero
Ms. Marte
Ms. Lucero
Ms Urena
Ms. Young

They will receive training on Mondays and Tuesdays. Teachers will receive training in Aprendo Leyendo. This program supports our ELL students in their native language.
Teachers will receive training in Writing Revolution training. These trainings will provide support to our ELLs in Writing.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The meetings will be provided monthly by the ENL team.
These meetings will provide our teachers with the opportunity to develop effective language strategies that will assist them in meeting the special academic needs of our ELL students with no extra cost to the Title III program.

November through May
6 Sessions
Mondays 2:40 - 3:40

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Professional Learning Topics:

Overview of Next Generation Learning Standards (NGLS) - November - 1st session (1 hour)
How Lessons are Aligned to the Standards

Data study of students Unit Assessments Language Power Unit 1- December - 2nd session (1 hour)
Planning Next Steps (Weekly Planning - Ongoing)

Professional Development on How to Teach ELLs Writing for the NYSESLAT - January - 3rd session (1 hour)
Narrative Writing

Data study of student Unit Assessments Language Power Units 2 and 3 - February - 4th session (1 hour)

Professional Development on How to Administer Mock NYSESLAT - March - 5th session (1 hour)

The teachers will meet virtually once a month for one hour to plan collaboratively for a total of 6 sessions. Original records of the professional staff development sessions (agendas and attendance sheets) will be maintained in the main office and copies are filed in the Title III Binder in Room 205.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Leonor Delgado, ENL Teacher
Stephanie Romero DL Coordinator
Leah Young DL Teacher

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Agendas will be created and staff attendance will be taken. Documentation will be maintained in the after school Title III binder along with all other documentation.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

P.S. 109 recognizes that encouraging greater involvement at school from all students' families may be an important strategy for addressing the achievement gap between high-literacy and low-literacy families. It is a fact that when schools support parent involvement at home and schools, students make greater progress. For these reasons, as in previous years, P.S. 109 will allocate funds to provide family literacy instructions, parent outreach and training activities to help parents become more active participants in their children's education.

Based on the community needs, we are offering the parents of our ELL students the tools and strategies needed to support their children social and academic language acquisition. Below is a list of topics for a series of parent workshops run by the ENL Team and Parent Coordinator Lashonna Cooper.
Tentative parent workshops topics:

JANUARY - 1 SESSION - 1 HOUR LONG
Identifying Cognates to build Parents Vocabulary
Using Multicultural Rhymes for Oral Development

FEBRUARY - 1 SESSION - 1 HOUR LONG
Topic NYSESLAT Help your child prepare for NYSESLAT

MARCH - 1 SESSION - 1 HOUR LONG
Simple Ways to Encourage Learning
Help Your Child Understand What She/He Reads

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

P.S. 109 recognizes that encouraging greater involvement at school from all students' families may be an important strategy for addressing the achievement gap between high-literacy and low-literacy families. It is a fact that when schools support parent involvement at home and schools, students make greater progress. For these reasons, as in previous years, P.S. 109 will allocate funds to provide family literacy instructions, parent outreach and training activities to help parents become more active participants in their children's education.

Based on the community needs, we are offering the parents of our ELL students the tools and strategies needed to support their childs social and academic language acquisition. Below is a list of topics for a series of parent workshops run by the ENL Team and Parent Coordinator Lashonna Cooper.

Parents will learn the strategies teachers use in Responsive Classroom Workshops, these strategies help support student behavior in the classroom it supports students socail and academic goals.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

JANUARY - 1 SESSION - 1 HOUR LONG Tuesdays 2:40 - 3:20
Identifying Cognates to build Parents Vocabulary
Using Multicultural Rhymes for Oral Development

FEBRUARY - 2 SESSION - 1 HOUR LONG Tuesdays 3:20-4:20
Topic NYSESLAT Help your child prepare for
NYSESLAT

MARCH - SESSION - 3 HOUR LONG Tuesdays 3:20-4:20
Simple Ways to Encourage Learning
Help Your Child Understand What She/He Reads

10 percent of Title III funds will be used for parent engagement.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Parents will be invited to participate in our Saturday academy. Students will be learning about different countries around the world and their culture. Parents will be invited to be guest speakers. The school will have a multi-cultural celebration and all parents will be invited.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Leonor Delgado, ENL Teacher
Ianina Congrains, ENL Teacher

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified through email invitations, flyer invitations, Class Dojo. Translations are made by bilingual office staff in the parents preferred language. Workshop activities will be given by the ENL department in Spanish and English.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Each family will receive written and email notification in both English and Spanish, through fliers and Class Dojo. We will keep an attendance log attached to the Parent Workshop agenda which will be written in Spanish and English.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

20,000

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Grades to be served in this program. Select all that apply.

,1,2,3,4,5,K

Total number of teachers in this program:

4

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The program will take place on Saturdays. January 11th through May 15th 2026. Immigrant students will be studying different countries. They will use non fiction books, media, and videos to learn about countries. They will discuss countries geography, music, art, celebrations and language. Students will read, discuss, create art, and write.
The students will be grouped by grade bands. K and 1st, 2nd and 3rd, 4th and 5th. The instruction will be delivered by direct teaching and small groups. The Principal and Assistant Principal will rotate to supervise the program and they will get paid per session.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

MClass, NYSESLAT, and Fundations data show many of these students are performing way below grade level in reading and writing.
This program is designed to be an enrichment for students to engage with each other and share their own ideas and thoughts. This topic and unit of study reinforces social studies content vocabulary. Students will learn to research and write a non fiction expository text through story telling and and descriptive writing. We also looked at the number of immigrant students we have in ATS.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Immigrant students and ELL students will be serviced in groups of 14.
Grades K through 5th.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

January 11th through May 15th
14 Session
Saturday Academy
9:00 am to 12:00 pm
3 hours

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction will be mostly in English because we do have French immigrant students. However, whenever possible home language support will be used.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

4 certified teachers

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

We are looking to use Great Minds, Just Right Reader and Century 21 Ed.
We will use technology to support to our work.
Materials will be stored in the classrooms.
Materials will be purchased using 20% Title III Immigrant Funds.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Parents will receive a letter and phone call about the program asking if students will be available to participate on Saturday mornings.
Call sheets will be logged as well as correspondence sent home.

Students attendance will be manually recorded and kept in folders for the teachers.
There will be agendas and parent sign in sheets at all parent engagements.
Purchase orders will be saved in a folder.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Professional development will be provided to teachers in December.
Teachers will be provided professional development on Writing Revolution methodology on how to write an expository text through story telling, using descriptive language and idioms.
This will be at cost to Title III Immigrant Funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

MClass Data, Fundations Data, Math Eureka Mid Module and end of Module Data.

NYSESLAT Writing, Reading, Speaking and Listening Data.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

Teachers will be trained in the use of Writing Revolution. Books will be bought and teachers will receive training. Teachers will also be trained in Language Power. A program designed to develop speaking, listening, reading and writing skills.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Start date January and end date will be May on Saturday Mornings 9:00 am to 12:00 pm 3 hours with a 20 minute break.
January 11th, 24th, and 31st
Feb 7th and 28th
March 7th, 14th, 21, 28th
April 18th and 25th
May 2nd , 9th and 15th
Total of 14 sessions

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

We will be focusing on using Power Language and Revolutionary Writing for professional development using Title III Immigrant Funds.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

All of our Immigrant Saturday Program agendas and attendance will be kept in our 2025-2026 Binder.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

A Multi Cultural Fair Celebration will be our culminating activity. As part of the program students will be studying different countries around the world.
Parents will be invited to this multi cultural celebration. Students will share with their parents what they have learned from the country they studied. Parents will be invited as guest speakers to share their immigration journey with parents willing to voluntary for a few Saturdays during our program sessions.
We will have refreshments and snacks for parents during the celebration, cost will be covered by Title III Immigrant Funds.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Immigrant students will be practicing their reading, speaking, listening and writing skills using the topic about different cultures. In order to create a more cohesive parent school connection, parents will be invited to share stories and pictures of their country of origin.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and

- Time and duration of sessions.

January 11th to May 15th
14 Sessions
Saturday Program
9:00 am to 12 pm 3 hours with a 20 minute snack break
January 11,24,31
February 7th and 28th
March 7th, 14th, 21st and 28th
April 18th and 25th
May 2nd, 9th and 15th

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Immigrant students will study different countries around the world. They will compare how these countries are similar and different to their own country of origin. Students will study the culture of country of choice. They will learn the geography, holidays, foods and language used in countries studied. Families will be invited to share their heritage and culture with the students. They can create collages and dioramas that represents their home country with the students.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

We are not using vendors for family engagement activity.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parents will receive notice on Class Dojo in both in English, Spanish and French.
Teachers will be available to speak in both English and Spanish. We will use google translate for the French speaking families.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Agendas and sign in sheets will be available for parents to sign. We will keep copies in our 2025-26 ELL Binder.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
