Marisol Lockhart

# Comprehensive Educational Plan Outline

## Table of Contents

**Main Sections (Customized Based on School Accountability Status):**

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

**Appendices (Reflecting Additional Requirements for Specific Groups of Schools):**

F

# Section 1: Overview of Comprehensive Education Planning

## Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

**The Education Planning Process**

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

# Guidance on Conducting a Comprehensive Needs Assessment

**Directions:** Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

**1. Review Multiple Data Sources:** Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

**2. Analyze Data Trend(s) to Identify Areas of Strength and Need:** Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

**3. Identify Root Cause(s):** After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

# Section 2: School Information

## School Information

**School Name:**

Theodore Schoenfeld School

**District Borough Number (DBN):**

09X110

**Grades Served:**

3K - 5

**School Address:**

580 Crotona Park South Bronx, New York 10456

**Phone Number:**

(718) 861-0759

**Fax:**

(718) 861-2750

**School Contact Person:**

Sojourner Gilliam

**School Contact Person Email Address:**

718-410-7017

# Section 3: CEP SLT/Stakeholder Signature Page

## School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

**Directions:** List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

| | | |
|---|---|---|

| SLT Member Name | Position and Constituent Group Represented | Signature |
|---|---|---|
| Marisol Lockhart | *Principal or Designee | |
| Brianne Biribin | *United Federation of Teachers (UFT) Chapter Leader or Designee | |
| Zuleyka Rivera | *Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President | |
| | | |
| Maria Sermeno | Title I Parent Advisory Council Chairperson (or alternate) | |
| Drita Gjongecaj | Staff | |
| | | |
| Geanie Gutierrez | CBO Representative, if applicable | |
| | Student Representative (Required for CSI, TSI, Receivership Middle Schools) | |
| | Student Representative (Required for CSI, TSI, Receivership Middle Schools) | |
| Cecilia Garcia | Parent | |
| Shawntee Jones | Parent | |
| Adisa Ouro | Title i Parent Alternate | |
| Shameka Morris | SLT Chair | |
| | Staff | |
| Zelfa Sinclair | SLT Co Chair | |
| | Staff or Parent | |

# Additional Stakeholder Signature Page

**Directions:** Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

# Section 4: School Summary

## Accountability Status

Accountability Status: **LSI**

# School Summary

**Directions:** Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

**Provide your school's mission statement:**

Our mission is to provide an inclusive environment for all scholars to develop a growth mindset and strive to become independent learners by engaging in authentic and rigorous learning experiences. In partnership with parents and the community, scholars will become responsible citizens of the school and the world.

**Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:**

Include demographic information about your school's student population.

P.S. 110 is a school that empowers scholars. The school is located in District 9 in the Morrisania section of the Bronx. The school currently has 284 students in Grades 3K to 5. The following subgroups are included in the population: 98% Title 1 (free/reduced lunch), 28% Students with Disabilities, 23% Multilingual learners, 23% Housing insecure, 67% Latine/Hispanic, and 33% Black students.

The school's priority statement for the 2025-26 school year is: Our Instructional Leadership Team will empower teacher teams to unpack curriculum, standards, and instructional practices while providing data-driven instruction within a rigorous Multi-Tiered System of Supports (MTSS) framework. Targeted support will be delivered through intentionally designed small group instruction and evidence-based interventions, grounded in high-quality materials and driven by ongoing progress monitoring and standards mastery.

This statement was developed after the district priority statement and engaging in conversations with ILT and SLT. Our school transitioned to a community school model through the reallocation of a 21st century grant during the 2024-25 school year. This provided the school with an expanded after school program focused on arts, academics, and enrichment through partnerships with Westhab & DreamYard. In addition, the school received free dental and vision screening. Also, the school was able to launch a satellite mental health clinic through a partnership with Lincoln Hospital. P.S. 110 is also part of the Healing Centered Schools Working Group, a partnership with New Settlement and the Parent Action Committee.

As part of our school's commitment to whole-child development, we have invested in social-emotional learning (SEL) and mindfulness practices through various partnerships. Collaborations with Harmony, RULER, and Caring Adults support students in building healthy relationships and emotional regulation, while Sandy Hook Promise promotes school safety and proactive conflict resolution. The school implements the PRIDE (perseverance, respect, imagination, determination, and empowerment) framework of core values and leverages Class DOJO as a PBIS system and communication tool. Additionally, Brainpower Wellness provides staff and students with daily mindfulness strategies that enhance focus and emotional resilience. Through the community school model, partnerships with Westhab and DreamYard have enriched the school experience by expanding access to the arts and creative enrichment opportunities that support student identity and expression. We have also partnered with

Brighter Bites to provide families with fresh produce and nutrition education, reinforcing healthy habits at home and school.

To ensure high-quality instruction, we are committed to ongoing professional learning for all staff. Teaching Matters, Boldly Moving Education Ahead (BMEA), and Teaching Lab, along with other organizations such as Made Manifest and Thinking Maps, serve as cornerstone partners in delivering professional development, coaching cycles, and collaborative planning sessions. These organizations work closely with teacher teams and individual teachers to build instructional capacity, enhance curriculum planning, and implement evidence-based practices. Looking ahead to the 2025–26 school year, we will incorporate new technology-focused resources, including Magic School AI and Educate, to support lesson design, streamline tasks, and personalize learning through AI-enhanced tools. This investment reflects our goal to equip educators with innovative strategies that meet the evolving needs of today's learners. The school also expanded its early childhood dual language program in English and Spanish which will now be implemented in Grades K & 1 with two bilingual certified teachers.

Our strengthened Multi-Tiered System of Supports (MTSS) framework includes flexible programming and the strategic use of research-based academic interventions. In mathematics, students will benefit from targeted intervention programs such as Focus Math and Math & Movement, which promote conceptual understanding through hands-on, engaging instruction. For literacy, we utilize Reading Ready, Reading Go, Spire, and Bridge the Gap to address foundational skills and accelerate student progress across reading levels. Progress monitoring is embedded into instruction through the use of Acadience and i-Ready in Grades K–5, supporting Element #12: Monitor Student Performance Closely from Dr. Anita Archer's Elements of Explicit Instruction. These tools enable teachers to track student learning in real-time, adjust instruction responsively, and ensure that interventions are having the desired impact. In addition, All-In Learning will continue to be used as a comprehensive assessment platform to support data-driven decision-making and promote equitable outcomes for all learners. Lastly, the school will expand High Impact Tutoring through partnerships with CUNY Reading Partners, Throughline Learning, and Study Smart Tutors, serving our lowest performing subgroups, multilingual learners, and students in temporary housing.

**Briefly summarize the key initiatives your school will implement this school year.**

Our key initiative will be our expanded MTSS programming and tutoring with more structured progress monitoring. The school will also implement a WIN (What I Need) reading period.

**What are the primary digital and/or print curricula/programs used for ELA and Math:**

Indicate the content area, grade band and any adaptations made.

| Content Area (Indicate ELA and Math Only) | Grade Band | Digital and/or Print Curricula/Program | Adaptations |
|---|---|---|---|
| ELA | K-5 | Harcourt Into Reading (HMH) | Explicit Instruction/Discussion Protocols |
| Math | K-5 | Illustrative Math | Direct Teach/Problem Solving |
| SEL | K-5 | Harmony | RULER/Mood Meter |
| | | | |

| | | | |
|---|---|---|---|
| 3K/PK | 3K/PK | Creative Curriculum | CRSE/Pre-K Heggerty |
| Science | K-5 | Amplify Science/NY Sunworks | |
| Foundational Literacy | K-3 | Heggerty/Wilson FUNdations | |
| Social Studies | K-5 | Passport/Civics for All | Black Studies |

# Section 5: Priority 1 – All students learn to read well

## Priority 1 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| EOY 2025 iReady ELA K-5 30 students 3 or more levels below 28 students 2 grade levels below 101 students 1 grade level below 83 students early on grade level # students mid or above grade level School Created ELA Simulation 3-5 (Rally). May 2025 21% 3rd Proficiency 25% 4th Proficiency 28% 5th Proficiency | Lack of student early literacy experiences. Lack of cohesiveness in approach to teaching foundational literacy skills. Chronic absenteeism, especially in early childhood grades. Entering & emerging multilingual learners without home language proficiency. Students in temporary housing with interrupted instruction and a high rate of chronic absenteeism. Students with disabilities with a pattern of chronic absenteeism. | There is a need for students to engage in high quality explicit instruction in phonics, fluency, and reading comprehension. There is a need for a stronger MTSS system. |
| 2024 NYS ELA Exam 3-5 34% | Lack of at home and early reading practice which | Provide more |

| | | |
|---|---|---|
| students Level 1 32% students Level 2 33% students Level 3 & 4 2025 NYS ELA Exam (August) Grade 3 39% Grade 4 43% Grade 5 36% | impacts reading stamina and fluency. Many students are reading below grade level and are unable effectively use comprehension strategies | instances of sustained meaningful reading activity and thinking work.There is a need for a stronger MTSS system. |
| Acadience K-2 2025 58% of students at or above benchmark in Grade K 37% of students at or above benchmark in Grade 1 34% of students at or above benchmark in Grade 2 | Lack of prerequisite foundational skills such as alphabetic principle, phonemic awareness, and conversational language. | Consistent use of strong foundational literacy instructional resources, increased small group intervention with more frequent progress monitoring. There is a need for a stronger MTSS system. |

# Priority 1

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Literacy**

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

# Priority 1 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 39% | By June, 2026, literacy for All Students will improve, as measured by a 11% increase, from 39% to 50%, of number of students performing at levels 3&4 on the NYS ELA Exam. |
| All Students | 41% | By June, 2026, literacy for students in Grades K-2 will improve, as measured by a 19% Increase, from 41% to 60% by June 2026, as measured by Acadience ELA Screeners. |

# Priority 1 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

District Interim Assessment

**Enter a Key Performance Indicator**

students performing at levels 3&4

**Baseline:**

20%

**Enter the date for the baseline data:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 1 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

MTSS for T2/T3 students with research based interventions combined with consistent data-driven conversations during Instructional Leadership Team (ILT) and Teacher Team meetings.

**Root Cause Addressed:**

Lack of student early literacy experiences. Lack of cohesiveness in  the approach to teaching foundational literacy skills.
Lack of at home reading practice impacting reading stamina and fluency.
Many students are reading below grade level and are unable effectively use comprehension strategies.
Lack of prerequisite foundational skills such as alphabetic principle, phonemic awareness.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Expanding the delivery of research based interventions for SWD, MLL, STH and Tier 2&3 subgroups. |
| Additional intervention personnel will be provide research based interventions. |
| Continued professional learning through partnerships including Teaching Matters, Teaching Lab, High Impact Tutoring,Teaching Matters and The Office of Multilingual Learners. |
| Expansion of high dosage tutoring for MLL, STH Tier 2&3 students. |

Use of technology tools such as Magicschool AI, Amira and Iready.

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Meet to discuss screener data and identify T2/T3 students. |
| Meet as an ILT to determine the research based intervention. |
| Monitor progress in 4 to 6 week cycles. |
| |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

The ILT will review the interim data and unpack in teacher teams and during SLT.

# Priority 1 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/09/2025 | 11/28/2025 | Family engagement workshops in literacy and interventions. | School and CBO |
| 01/05/2026 | 04/30/2026 | Literacy Nights | School and SBO |
| 05/01/2026 | 06/26/2025 | Literacy Carnival | School & CBO |

# Priority 1 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Additional Interventionists, Tutors & Literacy Consultants

### Instructional Resources

Reading Reading, Reading Go, SPIRE, Sound Sensible, English 3D, Fundations, Heggerty, Arriba La Lectura, HMH, Decodable Readers

### Schedule Adjustments

Programming MTSS

### Other Resources Needed

Professional Development

# Section 5: Priority 2 – All students are physically and emotionally safe

## Priority 2 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| In the school yard during recess students engaging in shoving and pushing is in the top 5 infractions at P.S 110, as measured and reported by OORS for the 2024-2025 SY. | - Unstructured activities during recess | -Varied and structured activities during recess -Consistent circulation and supervision by staff who monitor recess |
| | | |
| | | |

# Priority 2

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Physical and Emotional Safety**

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

# Priority 2 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 16 | By June, 2026, physical and emotional wellness for All Students will improve, as measured by a 6% decrease, in number of incidents involving infraction code A24 (shoving and pushing) from 16% to 10%, per the Online Occurrence Reporting System (OORS) reports. |

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Online Occurrence Reporting System (OORS) reports

**Enter a Key Performance Indicator**

Decrease in the number of reported incidents at recess

**Baseline:**

16%

**Enter the date for the baseline data:**

6/6/25

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

0%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

5%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

10%

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 2 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

1. Enhance Structure During Recess
Action: Implement structured play zones (e.g., sports, quiet games, SEL space)
Action: Post clear visual rules/expectations for each zone
Action: Provide monthly training to recess aides and staff on game facilitation and de-escalation

2. Improve Staff Supervision Practices
Action: Develop and share a recess supervision map with assigned zones
Action: Conduct walkthroughs 2x/month to monitor supervision and student engagement
Action: Use “hot spot” data to shift adult coverage as needed

**Root Cause Addressed:**

1. Unstructured activities at recess

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Creating designated zones (e.g., active play, quiet games, SEL corner). Students are given clear options that reduce |

| |
|---|
| aimless wandering or idle time. Visual rules and expectations for each zone posted to promote shared understanding of behavior norms. Staff training on game facilitation ensures that zones are not just spaces, but actively managed environments where positive interaction is modeled and encouraged. |
| Assigning adults to specific zones with a supervision map. Walkthroughs and coverage shifts based on data. Regular monitoring and feedback loops (e.g., data checks and real-time coaching). |
| |
| |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
|---|
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

1. Enhance Structure During Recess

Action: Implement structured play zones (e.g., sports, quiet games, SEL space)
Timeline: Sept 2025
Responsible: AP / Support Staff

Action: Post clear visual rules/expectations for each zone
Timeline: Sept 2025

Responsible: AP / Support Staff

Action: Provide monthly training to recess aides and staff on game facilitation and de-escalation
Timeline: Ongoing from Sept 2025
Responsible: AP / Social Worker

2. Improve Staff Supervision Practices

Action: Develop and share a recess supervision map with assigned zones
Timeline: August 2025
Responsible: Admin Team

Action: Conduct walkthroughs 2x/month to monitor supervision and student engagement
Timeline: Oct 2025–May 2026
Responsible: Admin Team / Social Worker

Action: Use “hot spot” data to shift adult coverage as needed
Timeline: Quarterly
Responsible: Admin Team

# Priority 2 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/08/2025 | 06/26/2026 | SLT Meetings | |
| 09/08/2025 | 06/26/2026 | Parent Circles, informational events/workshops | |

# Priority 2 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Social Worker, Support Staff, AP

### Instructional Resources

Harmony, Circle 360 & Training in Restorative Practices, Possibility of a Partnering with a Vendor who specializes in recess training & activities

### Schedule Adjustments

Designating staff to a cohorts of students for recess and lunch. Structured recess activities.

### Other Resources Needed

N/A

# Section 5: Priority 3 – All students have a high-quality academic experience

## Priority 3 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| 30% of students in K-2 made 100% of growth as measured by the iReady end of year (EOY) math screener for the 2024 - 2025 SY | gaps in delivery of instruction; inquiry based program doesn't address procedural fluency in mathematics due to a lack of explicit modeling | - Student development of prerequisite skills for their grade level through direct modeling & targeted small group instruction |
| 64% of students in grades 3-5 are not proficient in math as measured by the 2025 New York State Math Assessment. | -lack of effective progress monitoring -lack of mathematics procedural fluency | - effective progress monitoring processes -develop students' math procedural fluency skills in order to engage in more conceptual understanding |

| | | |
|---|---|---|
| | | |

# Priority 3

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Academics**

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

# Priority 3 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 30% | P.S 110 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students making 100% growth will increase by 10% from 30% to 40%, for students in grade k - 2, as measured by iReady Math Screener. |
| All Students | 35% | P.S 110 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Levels 3 & 4 in grade 3 - 5 will increase by 14% from 36% to 50%, for All Students, as measured by NYS Math Exam. |

# Priority 3 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

iReady Screener

**Enter a Key Performance Indicator**

growth measure

**Baseline:**

30%

**Enter the date for the baseline data:**

6/6/25

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

3% increase to 33%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

3% increase to 36%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

4% increase to 40%

# Priority 3 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). # Priority 3 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Strengthen Foundational Math Instruction (Tier 1)
Implement Small-Group Math Instruction with Fidelity
Use i-Ready Data to Drive Small-Group Math Instruction
Provide Targeted Tier 2/Tier 3 Interventions
Mid-Year and End-of-Year Data Reviews

**Root Cause Addressed:**

Inconsistent implementation of small group instruction.
Limited use of i-Ready data to drive targeted instruction.
Insufficient foundational number sense instruction in early grades.
Gaps in Tier 2/Tier 3 intervention systems

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Core curriculum consistently implemented |
| Classroom observations show alignment to NYS standards |
| Lesson plans reflect differentiated instruction |
| Teachers use diagnostic and growth data to group students and assign lessons |

| |
|---|
| Intervention plans created for all below-level students |
| Adjustments made to instruction and intervention based on trends |

**Key Strategy 2 (Optional):**

Align Core Instruction to Standards and NYS Assessment Rigor
Strengthen Small Group & Differentiated Instruction
Data-Driven Instruction Cycles (DDI)
Increase Math Fluency Through Daily Practice

**Root Cause Addressed:**

Inconsistent alignment of instruction to grade-level standards and rigor.
Limited use of data to inform and adjust instruction.
Gaps in math fact fluency and conceptual understanding.
Inconsistent implementation of small group instruction and Tier 2 supports.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
|---|
| Lesson plans reflect grade-level standards |
| Groupings updated every 6 weeks based on data |
| Post-unit and interim assessments analyzed in PLCs |
| 10–15 minute daily fluency routines in grades 3–5 |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Key Strategy 1

Action Step: Strengthen Foundational Math Instruction (Tier 1)
Owner(s): Admin, Math Coach, Teachers
Timeline: Sept 2025 – Ongoing
Success Indicators: Core curriculum consistently implemented, Classroom observations show alignment to NYS standards

Action Step: Implement Small-Group Math Instruction with Fidelity
Owner(s): Teachers, Interventionist
Timeline: Oct 2025 – Ongoing
Success Indicators: Daily/weekly small group schedule posted and used

Action Step: Use i-Ready Data to Drive Instruction
Owner(s): Teachers, Interventionist
Timeline: Oct 2025 – Ongoing
Success Indicators: Teachers use diagnostic and growth data to group students and assign lessons

Action Step: Mid-Year and End-of-Year Data Reviews
Owner(s): Teachers, Interventionist
Timeline: Jan 2026 & June 2026
Success Indicators: Adjustments made to instruction and intervention based on trends

Key Strategy 2

Action Step: Align Core Instruction to Standards and NYS Assessment Rigor
Owner(s): Admin, Interventionist, Teachers
Timeline: Sept 2025 – Ongoing
Success Indicators: Do Nows and exit tickets mirror NYS question style

Action Step: Strengthen Small Group & Differentiated Instruction
Owner(s): Interventionist, Teachers
Timeline: Oct 2025 – May 2026
Success Indicators: Targeted skills addressed in small groups

Action Step: Data-Driven Instruction Cycles (DDI)
Owner(s): Admin, Interventionist, Teachers
Timeline: Oct 2025 – Ongoing
Success Indicators: Re-teaching plans created based on data

Action Step: Increase Math Fluency Through Daily Practice
Owner(s): Interventionist, Teachers
Timeline: Sept 2025 – May 2026
Success Indicators: Increased automaticity in math fact recall

# Priority 3 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/08/2025 | 06/26/2026 | Parent Workshops | |
| | | | |

# Priority 3 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

Consultants

**Instructional Resources**

Illustrative Math, Focused Math, iReady, Manipulatives, Consultant

**Schedule Adjustments**

Re-teach periods, Restructured Math Framework

**Other Resources Needed**

# Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

## Priority 4 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| 41% of eligible families have signed up for a Kids Rise account in the 2024 - 2025 SY | -families don't understand how to set up the Kids Rise accounts -Lack of active recruitment -Parent willingness to complete process | -Technical assistance for families to create Kids Rise accounts -Strong advertisement |
| | | |

| | | |
|---|---|---|
| | | |

# Priority 4

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for College and Career Readiness**

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

# Priority 4 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 38% | P.S 110 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of active NYC Kids RISE college savings accounts for All Students will Increase by 12% from 38% to 50% as measured by NYC Kids Rise enrollment reports. |

# Priority 4 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Active Kids Rise Save for College accounts

**Enter a Key Performance Indicator**

% of active accounts

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 4 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Host quarterly Kids RISE Family Info Nights (in-person and virtual).

**Root Cause Addressed:**

Families do not understand how to set up Kids RISE accounts
Lack of active recruitment
Limited parent willingness to complete the process

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Walk families through the enrollment process. |
| |
| |
| |
| |

**Key Strategy 2 (Optional):**

Create and distribute enrollment guide (translated into major home languages)

**Root Cause Addressed:**

Families do not understand how to set up Kids RISE accounts

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Action Step: Host quarterly Kids RISE Family Info Nights (in-person and virtual) to walk families through the enrollment process
Responsible Party: Parent Coordinator
Timeline: Oct 2025 – May 2026
Progress Monitoring: Attendance logs, post-session surveys

Action Step: Create and distribute a step-by-step enrollment guide (translated into major home languages)
Responsible Party: Parent Coordinator, Office Staff
Timeline: Sept 2025
Progress Monitoring: Distribution logs, family feedback

# Priority 4 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/08/2025 | 06/26/2026 | Kids Rise Workshops | Kids Rise |
| 09/08/2025 | 06/26/2026 | SLT Meetings | |

# Priority 4 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

Parent Coordinator (Per Session for staff)

**Instructional Resources**

Kids Rise materials

**Schedule Adjustments**

Time for Kids Rise campaign & workshops

**Other Resources Needed**

n/a

# Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

## Priority 5 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| RAPR report/ATS SY 24-25 | - Shifts in housing status - housing affordability - Student/Family relocation - Increased access to alternative educational options (i.e. homeschooling, | Current Student |

| | | |
|---|---|---|
| | charters, and private school) | Enrollment is 284 |
| | | |
| | | |

# Priority 5

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Focus Areas for System Responsiveness to Parents, Families and Communities**

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

# Priority 5 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| Parents of All Students | 250 | P.S. 110 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June of 2026, enrollment for all students will Increase by 4% from 250 to 260 as measured by ATS, RCRL (Monthly Alpha List). |

# Priority 5 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

ATS will represent the measurement tool that will be utilized by the PS 110 school community to progress monitor.

**Enter a Key Performance Indicator**

The number of students enrolled will represent a key performance indicator

**Baseline:**

250

**Enter the date for the baseline data:**

September, 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 5 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

PS 110 will leverage the support of the parent coordinator, parent association, and organizational partnerships to enhance community outreach. Additionally, various strategies such as Enrollment Fairs, social media post, website, and flyers will be utilized to attract families and increase community awareness.

**Root Cause Addressed:**

There are several competing factors that contribute to the root causes surrounding the school community's current enrollment rate. There has been increased interest in alternative academic options and a greater need for an extended day to accommodate parents with various scheduling obligations. PS 110 will continue to engage community members and families to increase awareness of community school status to support enrollment gains.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Redesign & redistribute enrollment flyers; advertise to local businesses, temporary housing facilities, and day care centers |
| Utilize PS 110 school social media platforms to promote open enrollment |
| Increase school tours and opportunities to connect with the stakeholders during community events (i.e. Carnival, Caregiver circles, etc.) |
| Enrollment Committee |

**Key Strategy 2 (Optional):**

N/A

**Root Cause Addressed:**

N/A

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

PS 110 will continue to utilize enhanced enrollment approaches/strategies to meet its identified targets. Resources such as our parent association, community partnerships, and parent coordinator will organize and promote enrollment events. Feedback in the form of surveys will also be generated through forums to gain insight regarding community perspectives and needs.

# Priority 5 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/04/2025 | 06/26/2026 | enrollment campaign, fairs in partnership with parents, and an enrollment committee to support progress monitoring efforts. | SLT, parent association, |
| | | | |

# Priority 5 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

N/A

### Instructional Resources

MTSS intervention programs have been introduced to appeal to prospective students and families.

### Schedule Adjustments

PS 110 is committed to structuring additional allotted time to discuss enrollment and highlight community gains and opportunities.

### Other Resources Needed

Funding to leverage enhanced outreach efforts within the community.

# Section 5: Attendance/Chronic Absenteeism

## Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| Insight. June 2025 57% of students have 90.1% attendance or higher | Implementation of the school's attendance plan, protocols and review of data to strengthen perfect attendance outcomes was not consistent. | There is a need for students to attend school daily and participate in class and school activities in order to achieve success in school and life. |
| Insight June 2025 43% of students are chronically absent | The collection and use of data to identify patterns of absences for chronically absent students was not consistent | There is a need for students to receive appropriate support to remove barriers to regular attendance. |
| Insight. June 2025 64% of students in | The timely identification of specific students that required mentoring and/or | There is a need for students to be mentored and/or counseled to promote |

| | | |
|---|---|---|
| temporary housing are chronically absent | counseling to reduce barriers to daily attendance was not consistent. | daily engagement in the school community |

# Attendance/Chronic Absenteeism

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

**Systemwide Focus Area for Attendance/Chronic Absenteeism:** Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

# Attendance/Chronic Absenteeism SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 57% | By June, 2026, the students with 90.1% attendance or higher will increase by 8%, from 57% to 65%, as measured by the Insight . |
| All Students | 47% | By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 7%, from 47% to 40%, as measured by the Insight Chronic Absenteeism Reports. |

# Attendance/Chronic Absenteeism Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

# Attendance/Chronic Absenteeism Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

As part of our comprehensive educational plan to support student achievement, social-emotional development, and a positive school culture, we are implementing a multi-tiered Attendance Action Plan to increase the percentage of students attending school at a rate of 90.1% or better.

Goal:
To increase the number of students attending school at or above 90.1% by promoting a culture of consistency, recognition, and celebration around strong attendance.

Tier 1: Schoolwide Engagement and Incentives
1. Monthly Attendance Raffles

All students with 90.1%+ attendance for the month are entered into a raffle for fun prizes (e.g., school swag, books, gift cards, homework passes).

Winners are announced during morning announcements or assemblies.

2. Quarterly Attendance Assemblies

Celebrate students with 90.1%+ attendance each quarter.

Recognize classes with the highest attendance rates.

Include performances, shout-outs, and guest speakers to reinforce the importance of daily attendance.

3. Class Competitions & Visual Displays

Grade-level or class-based competitions with a reward (e.g., pizza party, extra recess, class trophy).

“Attendance Tracker” bulletin boards posted publicly to encourage transparency and positive peer motivation.

Tier 2: Targeted Student Support

4. Personalized Incentives for At-Risk Students

Identify students trending below 90.1% attendance.

Assign staff mentors to check in and track progress.

Offer short-term incentives for improved attendance (e.g., “5 Days Straight” challenge with a prize).

5. Family Outreach and Communication

Use regular robocalls, texts, and parent newsletters to highlight attendance data and importance.

Host monthly “Attendance Matters” info sessions for families with children at risk.

Tier 3: Recognition and School Culture
6. End-of-Year Celebration

Host a schoolwide recognition event for students who maintained 90.1%+ attendance for the full year.

Provide certificates, medals, or small tokens of achievement.

7. Attendance Honor Roll

Publish a quarterly “Attendance Honor Roll” in school newsletters and on bulletin boards.

8. Principal’s Attendance Club

Students maintaining 95%+ attendance are invited to join a club that meets quarterly for a special lunch or activity with the principal.

Monitoring and Evaluation:

Attendance data will be reviewed bi-weekly by the attendance team.

Student lists will be updated monthly for raffle eligibility and interventions.

Progress will be measured quarterly and adjustments made based on trends.

This action plan is designed to build strong attendance habits, reinforce student responsibility, and ensure that every child is supported in meeting their academic potential through consistent school engagement.

**Root Cause Addressed:**

Chronic absenteeism, factors affecting 90.1% or better attendance, barriers for parents to get their children to school

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Attendance Team will roll out the action plan through an assembly and parent meeting. |
| Attendance Team will meet weekly to review data and discuss next steps. |
| |
| |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Meet weekly as an attendance team. |
| Monitor reports weekly. |
| Follow up with parents of chronically absent students. |
| Issue attendance report cards. |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine**

**progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

The progress will be monitored weekly at attendance team meetings and celebrated monthly.

# Attendance/Chronic Absenteeism Family and Community Engagement

# Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

## High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.) |
|---|---|---|
| IEP Review Dashboard. June 2025 IEPs 88% of IEP reviews had specific statements about specialized designed instruction. | Lack of research based interventions. Special ed teachers require more professional development in aligning evidenced based interventions to the impact of students disabilities. | IEP Development and Fidelity of Implementation |

| | | |
|---|---|---|
| Program Services Report. June 2025 85% student with IEPs whose program matches the services mandated per their IEP | Shortage of qualified Special Education teacher's ability to address the needs of the influx of students with varied disabilities. | Transition Planning and Compliance |
| Power BI Referral rate 7% initial rate reveals 12% | Inconsistent implementation of research based intervention and progress monitoring | Referral Process and Equity |
| OORS data | Lack of awareness of manifestation of the disability. | Equity in School Discipline |
| | | |

# High Quality Inclusive & Accessible Learning for Students with Disabilities

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:**

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

# High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| Students with Disabilities (SWD) | 88% | By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve the alignment of student IEP's with specialized designed instruction to impact students disabilities by a 5% Increase, from 88% to 92%, as measured by a structured progress monitoring tool that includes student check-ins at least once every marking period (or every 4 weeks). |

# High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). # High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

**Key Strategy 1 (Required):**

1.Professional Learning

2. Use Data-Driven Decision Making
Collect and analyze data from assessments, observations, and student work.
Adjust instruction based on student performance trends.
Use formative assessments to guide daily instructional decisions.

3. Differentiate Instruction
Modify content, process, product, or learning environment based on student needs.
Incorporate visuals, manipulatives, and technology to support diverse learners.
Provide multiple means of representation, engagement, and expression (UDL framework).

4. Collaborate with Specialists
Work closely with special education teachers, speech therapists, and occupational therapists.
Co-plan and co-teach when possible to integrate SDI into general education settings.
Share strategies and insights to ensure consistency across environments.1.

**Root Cause Addressed:**

lack of fidelity and consistency

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

# High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

| Start Date | End Date | Multi-tiered Supports to Engage Family & Community | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/15/2025 | 05/30/2026 | Parent Workshops | |
| | | | |

# High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.**

**Human Resources:**

**Other Resources Needed**

district support

# Section 6: Multi-Tiered Systems of Support (MTSS)

## Academic Support

**NYCPS Multi-Tiered Systems of Support (MTSS)** align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

**Tier 1** provides schoolwide, high-quality programming for all students, including SWDs;

**Tier 2** offers data informed small-group interventions for at-promise students; and

**Tier 3** delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

| Academic Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Tier 3 | Acadience | Sounds Sensible | small group | during school hours | No |
| Tier 2 and 3 | Acadience | Reading Ready or Reading Go | small group and tutoring | during school hours | No |
| Tier 2 | iReady/ Acadience | Spire | small group | during school hours | No |
| Tier 2 | iReady/ Acadience | iReady | one to one | during school hours | Yes |
| Tier 3 | Acadience | Amira | one to one | during school hours | Yes |
| Tier 2 | iReady/ All-in/NYS Math Diagnostic Tests | Focused Math | small group | during school hours | Yes |
| Tier 2 | Special Education Placement/NYS ELA/iReady | Wilson Just Words | small group | during school hours | No |
| Tier 2 | Acadience | Wilson FUNdations | small group | during school hours | No |
| Tier 2 | Acadience | Heggerty | small group | during school hours | No |
|  | i |  |  |  |  |
|  |  |  |  |  | No |

# Student Social/Emotional Support

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

| Student Social/Emotional Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Tier 2 | OORS | Restorative Circle | small group | During school hours | No |
| Tier 3 | OORS/Individual | Crisis Management Plan | one-to-one | During school hours | No |
| Tier 2 | OORS | Proactive Counseling | one-to-one | During school hours | No |
| Tier 2 | OORS | Peer Mediation | small group | During school hours | No |
| Tier 2 | Grades K to 5 | Sanford Harmony/YALE RULER | whole group | During school hours | No |

# Family and Community Engagement Around MTSS

**Describe how the school's essential components of MTSS are shared with families.**

PS 110 composed a MTSS protocol which is placed in the parent orientation manual. In addition, educators utilize afterschool enrichment time to engage with parents regarding the MTSS process and its connection to learning. Progress reports in English and/or the parents' preferred language are sent home detailing their child's performance on benchmark assessments throughout the year, Tier 1 and Tier 2 support structures being implemented in the school, and those services the child is recommended to receive. Details include the frequency and duration of the intervention service. Services are also explained and progress is shared during Parent Teacher Conferences held in November.

**Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.**

After a designated period, students perform on assessments to evaluate academic progress made after receiving Tier 2 and 3 intervention. Each student's performance on followup assessments along with a recommendation for the student to continue, discontinue, or change the intervention being received, are sent to parents in a letter in the parents' preferred language of communication. All students with an IEP in Grades 3 to 5 will receive a research-based literacy & math intervention.

**Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.**

Parent of students receiving Tier 3 intervention will receive a letter detailing the recommended intervention as well as telephone contact by the parent coordinator, Ms. Rondon. Parents will be asked to express any questions they have and to give their consent for participation in the intervention.

# Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

**Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.**

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

PS 110 Housing Status Review summary (dated 6/16/25) indicates a total number of 64 students in temporary housing. The breakdown of number of students in temporary housing are as follows:

-Doubled up: 12
-Living in a shelter: 51
-Living in a hotel/motel: 1

**After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?**

The historical analysis of demographic, attendance, and achievement data for the STH population at PS 110 highlights that students in temporary housing face significant barriers that hinder consistent attendance and academic success. These trends inform a comprehensive approach that prioritizes academic support, mental health services, and increases in family and school community engagement. For example, 64% of STH students at PS 110 are chronically absent. STH students transition frequently which impacts academic access, relationships, and consistent academic engagement. Acknowledging these trends, highlight opportunities to close gaps in student proficiency rates and identify effective approaches that function to increase student achievement. PS 110 plans to leverage existing partnerships to increase access to resources such as tutoring, behavioral health, and within the school community.

**Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?**

PS 110 has been very intentional in its efforts to target the needs of students in temporary housing. Our school community has historically provided school supplies, uniforms, and ensured access to transportation. During SY 24–25, PS 110 embraced the Every Child and Family Is Known Initiative within District 9. The initiative specifically identifies Caring Adults within the school community to mentor students in temporary housing. Currently, there are approximately 8 Caring Adults (each trained in trauma-informed practices) at PS 110. Caring Adults provide comprehensive support to the STH population by building strong, positive relationships with students and their caregivers to identify specific needs, increase attendance, proficiency rates, and overall student engagement. In addition to the mentoring component, the initiative leverages opportunities for professional development to strengthen the skillsets and practices of Caring Adults. These aspects of the initiative function to enhance school climate and culture and underscores the importance of an equitable and inclusive learning environment. The community's response has been overwhelmingly positive, and PS 110 plans to continue leveraging key aspects of this framework to enhance support for students in temporary housing.

Additionally, PS 110 has expanded its community-based partnerships to bolster support for students in temporary housing. Programs such as Brighter Bites increases access to healthy produce and nutritional information to augment health consciousness and reduce food insecurity. PS 110 will utilize the STH Title I Survey to inform our decision-making and future planning.

# Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

**How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.**

PS 110 currently has only one scholar in foster care placement. Our school leverages both social-emotional and academic resources to boost student engagement and performance. For example, our partnership with the Lincoln Hospital Mental Health Consortium offers behavioral health services to students and families impacted by trauma. Additionally, our afterschool program partnerships through Westhab and Dream Yard provides students with academic support, enrichment activities, and a safe environment that fosters leadership skills. PS 110 also maintain a dedicated mindfulness room where both students and stakeholders can decompress, reflect, and manage heightened challenges that might impede learning. Moreover, foster care students participate in daily classroom circles designed to foster enthusiasm, motivation, and self-esteem, essential components in preparing them for academic rigor.

**What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?**

Students impacted by trauma respond well to learning environments that offer predictability and structure. PS 110 utilizes trauma-informed instructional approaches and Therapeutic Crisis Intervention strategies to engage scholars impacted by trauma and complex personal circumstances. Students in foster care placement engage in Sanford Harmony SEL lessons in their assigned classrooms and are incentivized through Classroom Dojo, spirit week activities, and student recognition/achievement events. These opportunities uplift prosocial skills development and avenues to provide direct feedback to promote self- management, self- awareness, and social awareness within the school community. This structured approach provides students with the opportunity to build relationships and learn about healthy emotional expression in an empathetic learning environment. Our partnership with Sandy Hook Promise, Healing Centered Schools, and Effective School Solutions will expand these efforts and create pathways to increase professional development and caregiver engagement opportunities.

**After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?**

The PS 110 school community intentionally supports students in foster care through the use of targeted SEL interventions and resources. PS 110 utilizes the Sanford Harmony SEL curriculum and Yale Ruler framework which functions to develop the 5-core social emotional competencies and prosocial skills of our scholars. Through these tools, our community can promote safe and empathetic learning environments that foster confidence, enhance stakeholder relationships, and positive engagement that is rooted in the PS 110 PRIDE affirmations. The PS 110 PRIDE affirmations are designed to motivate scholars and foster increased sense of community and belonging. At-risk counseling, lunch reflection, and classroom community circles are examples of resources that PS 110 will continue to utilize to increase belonging and inclusivity.

**What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?**

PS 110 recognizes that students in foster care (especially those in transitional grades like kinderarten and 5th grade), face unique challenges that impact their academic performance and esteem. PS 110 remains committed to adopting and effectively utilizing targeted social-emotional supports that focus on enhanced academic and behavioral interventions for specialized student subgroups such as students in foster care placement. In an effort to consistently support students who experience the impact of permanency-related circumstances, PS 110 will leverage both social-emotional and academic resources to boost student engagement and performance. For example, our partnership with the Lincoln Hospital Mental Health Consortium offers behavioral health services to students and families impacted by trauma.

# Section 7: Parent and Family Engagement Policy and School-Parent Compact

## Parent and Family Engagement Policy

**Directions:** The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

**Parent and Family Engagement Policy**

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 110, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association, and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

### Support for Parents and Family Members of Title I Students

P.S. 110 will support parents and family members of Title I students by:
- providing materials, supplies, and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

### Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (MLL/ELL), and Students with Disabilities (SWD). The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

### Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association, and Title I Parent Advisory Council;
- supporting or hosting family events to include parent circles and workshops
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become partners in the school community
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school supplies, uniforms, and resources to enhance communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.
- developing a parent handbook that outlines school policies

# School-Parent Compact (SPC)

### School-Parent Compact (SPC)

P.S. 110, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve grade level performance as measured by assessments.

### I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, ethnic, and racial diversity and incorporating students' identities into the curriculum as per the NYS Culturally Responsive-Sustaining Framework
- implementing a curriculum aligned to the Next Generation Learning Standards;
- offering high quality instruction in all content areas aligned with the school's instructional focus ;
- recruiting, developing, and retaining highly qualified teachers

### I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times as well as virtual meetings
- providing language access by translating documents and utilizing interpretation services in order to ensure equitable participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to provide feedback to enhance the instructional programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

### I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to partner with teachers in classrooms and attend school events and providing parents with a parent handbook
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

### I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their rights within the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

### II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school with the school uniform and well rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day;
- set limits to the amount of time my child utilizes the cell phone, watches television, or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school's academic and behavioral expectations and policies; read and acknowledge receipt of the parent handbook
- participate in meetings to support my child's education and promote positive behaviors
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or New York State Education Department to learn more about teaching and learning strategies whenever possible;

- participate in the school's Parent Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child in partnership with teachers, staff, and school leadership;

### III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my assignments and homework on time and to the best of my ability;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.
- exhibit core values of P.R.I.D.E. (perseverance, respect,

# Title I Program Information

## Part 1: Title I Program Type

**Title I Requirements and Strengthening Title I Parent Involvement:** Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

**Your school's Title I Program**

Title I SWP

# Part 2: All Title I Schools

**High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.**

Strategies and activities:
Priorities 1-5
Partnership with organizations to support professional development, tutoring, and mental health services
SEL and Restorative Circles and a comprehensive curriculum
Special Education flexible programming
Restructured MTSS Framework
High Dosage Tutoring
All-In Learning assessment system
Decodable texts and materials
Research based interventions
Instructional technology & programs
Staff and parent activities to promote literacy and collaboration

# Part 4: Schoolwide Program (SWP)

**Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).**

Strategies and activities:
Creative Curriculum
Partnership with the Office of Early Childhood Education
Parent involvement activities & workshops
Open houses
Parent orientations
Grants

# Part 5: “Conceptual” Consolidation of Funds in SWP Schools

**Directions:** All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

| Program Name | Fund Source (i.e. Federal, State or Local) | Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts) | Column A Verify with an (X) | Column B Section/Priority Reference(s) |
|---|---|---|---|---|
| Title I, Part A (Basic) | Federal | N/A | X | N/A |
| Title I, School Improvement 1003(a) | Federal | N/A | X | N/A |
| Title II, Part A | Federal | N/A | X | N/A |
| Title III, Part A | Federal | N/A | X | N/A |

# Explanation/Background

**1. Explanation/Background:**

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

**Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

# Submission Assurances

## Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

# Language Allocation Policy Outline

## Language Allocation Policy Outline

**2025-26 Language Allocation Policy (LAP)**

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents.  When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

# Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

# A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

**Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.**

| Member Title | Name |
|---|---|
| Principal* | Marisol Lockhart |
| Assistant Principal (Where Applicable)* | Drita Djongecaj |
| English as a New Language (ENL) Teacher* | David Mackler |
| Teacher (if school has a bilingual program must be a bilingual teacher)* | Caroline Bautista |
| Parent/Guardian* | Zuleyka Rivera |
| | |
| Parent Coordinator | |
| School Counselor | |
| Related-Service Provider | |
| Other (Name and Title) | |
| Other (Name and Title) | |

# B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

# 1. English to Speakers of Other Languages (ESOL) Certified Teacher

**Number of ESOL certified teachers currently teaching ENL:**

1

**Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:**

1

**Number of certified ESOL teachers not currently teaching ENL:**

0

**Number of teachers who hold both content area/common branch and ESOL certification:**

1

**Number of ESOL certified teachers with a bilingual extension:**

0

# 2. Certified Teachers with a Bilingual Extension

**Number of certified teachers with a bilingual extension currently teaching in a bilingual program:**

Ms. Bautista

**Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:**

0

**Number of teachers certified to teach students with disabilities that also have a bilingual extension:**

0

# 3. Language Other than English (LOTE)/World Language Certified Teachers:

**Total number of teachers with LOTE certification:**

0

**Total number of teachers with LOTE certification providing World Language instruction:**

0

**Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:**

0

# C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

**Total number of students (excluding pre-K):**

228

**Total number and percentage (%) of current ELLs:**

63; 28%

**Total number and percentage (%) of former ELLs:**

5; 2%

**Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):**

52; 23% of school;  83% of ELLs

**Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):**

10; 4% of school; 16% of ELLs

**Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):**

0

**Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):**

0

**Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):**

11; 5% of school; 17% of ELLs

# Part II: Bilingual Programs

**Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?**

Yes

**Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.**
**Please include the total number of classrooms for each bilingual program in the last column.**

| | Program Type | Language | School Yr Opened | k | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Totals |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| TBE | | | | | | | | | | | | | | | | | 0 |
| TBE | | | | | | | | | | | | | | | | | 0 |
| TBE | | | | | | | | | | | | | | | | | 0 |
| DLBE | | Spanish | 2024 | 1 | | | | | | | | | | | | | 1 |
| DLBE | | | | | | | | | | | | | | | | | 0 |
| DLBE | | | | | | | | | | | | | | | | | 0 |
| | | | | total: 1 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | total: 0 | |

# Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

**a. English as a New Language (ENL)**
**Stand-alone ENL:**

Students are grouped by grade level and receive 180 minutes of instruction in each group. Students engage in literacy routines introduced in Foundational Literacy workshops led by Dr. Cardenas-Hagan, which reinforce instruction being received in Fundations and Heggerty programs in grades K - 2. Students use these routines to reinforce concepts learned during their literacy block using the HMH Into Reading curriculum. Students also follow the curriculum and pacing of the HMH 3D English program. A licensed ENL teacher delivers instruction using a research-based intervention. Various sources of student data, including the previous years' NYSESLAT results, is analyzed to inform planning of groups and strategies. Students are assessed via Acadience or iReady in 4 to 6 week cycles.

---
Students Groups correspond with NYSESLAT grade band levels, so there is a Kindergarten, and 3rd/4th grade group. Students engage in literacy routines introduced in Foundational Literacy workshops led by Dr. Cardenas-Hagan, which reinforce instruction being received in Fundations and Heggerty programs in grades K - 2. Students also receive instruction using texts from Fountas and Pinell, decodable readers, and resources from the Imagine Learning Language and Literacy program. Resources from the HMH Into Reading are also utilized to support students' classroom ELA instruction within those programs in grades K - 5. Students also complete Imagine Learning tutorial activities online, which provides a baseline, mid year, and end of year diagnostic assessment. A licensed ENL teacher delivers instruction using a research-based intervention. Various sources of student data, including the previous years' NYSESLAT results, is analyzed to inform planning of groups and strategies. Students are assessed via Acadience or iReady in 4 to 6 week cycles.

**Integrated ENL:**

A licensed ENL teacher delivers instruction in collaboration with the classroom teacher of ELLs in each of their classrooms during a portion of their Literacy block for a total of 180 minutes. Lessons are planned by both the classroom and ENL teachers, and then presented in by both the classroom teachers and ENL teacher. The classroom teacher delivers content instruction while the ENL teacher delivers language instruction based on a language objective. Students of all proficiency levels remain in their classrooms for these lessons, and work in heterogeneously grouped partnerships, while also completing tasks with scaffolds that are geared toward their proficiency levels. Scaffolds include the use of modified texts and translated materials aimed at supporting instruction with the HMH Into Reading curriculum. Students also have access to bilingual picture dictionaries and ipads with translation tools to assist in comprehension and participation.

**b. Bilingual Education (If applicable)**

**Transitional Bilingual Education (TBE):**

NA

**Dual Language Bilingual Education (DLBE):**

A Dual Language class in Grades K and 1 is offered. Native Spanish speaking students at varying English proficiency levels comprise of half of each of these classes with the other half being made up of Native English speaking students. Classes are taught in English 50 percent of the time and the native language Spanish the other 50 percent. An ENL teacher provides students at the Entering and Emerging proficiency level 180 minutes of Stand Alone ENL for a total of 180 minutes per week.

**2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?**

A schedule is made by the ELL coordinator that ensures every ELL student in a monolingual class is taught by one of the ENL teachers for 360 minutes (if an entering or emerging student), or 180 minutes (if an intermediate or expanding level student) per week; and that ELLs at the Entering and Emerging proficiency level of Dual Language classes are met by an ENL teacher for 180 minutes per week. It is also ensured that former ELLs receive the appropriate small group instruction one of the ENL teachers or the classroom teacher for 90 minutes. These instructional blocks are entered into the STARS Classroom system by an assigned data specialist, and coded as stand alone ENL or integrated ELA instruction.

**3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?**

ENL is presented as stand alone group instruction conducted in Room 108 by an ENL teacher. It is presented to students in grades K - 4 to students scoring at the Entering and Emerging proficiency levels. Students engage in literacy routines introduced in Foundational Literacy workshops led by Dr. Cardenas-Hagan, which reinforce instruction being received in Fundations and Heggerty programs in grades K - 2. Students in Stand Alone ENL groups also receive instruction using scaffolded texts from the HMH Into Reading program. .

ELA is presented with an integrated instructional model, conducted by the Classroom ELA teacher and co-taught with the ENL teacher in grades K - 5. Instruction is centered around units of study in the HMH Into Reading program. Students work in heterogeneously grouped partnerships, while also completing tasks with scaffolds that are geared toward their proficiency levels. Scaffolds include the use of modified texts and translated materials aimed at supporting instruction with the HMH Into Reading curriculum. Explicit vocabulary instruction is provided throughout each unit of study with the use of visuals to support newcomer students' comprehension.

Grade 1 and 2 students in Dual Language classes receive 360 minutes of Home Language instruction per week by a bilingual certified teacher using the HMH Arriba! program.

**4. For schools with Dual Language Bilingual Education (DLBE) programs:**

**a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.**

A two way Dual Language model is implemented. Students receive instruction in English for 50 percent of a week and in Spanish for 50 percent of the week. English proficient and ELL students are integrated throughout the day in a classroom with a Bilingual certified teacher. They work in heterogenous groups to support each other's learning through scaffolded discussion and collaboration.

**b. In which language(s) is each core content area taught?**

ELA
Science
Social studies
Math

**5. For schools with Transitional Bilingual Education (TBE) programs:**

**a. Which core content areas are taught bilingually?**

NA

# Part IV: Data Analysis

## Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

**1. What is the composition of the ELL subgroups at your school?**
**What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?**

93.8 percent of the ELLs at PS 110 are considered Newcomers.

Newcomer ELLs need strong support in vocabulary-building and intensive visual scaffolds. Emphasis is placed on developing verbal communication skills that Developing and Long-Term ELLs likely already possess. Newcomer students also face the potential problem of lacking foundational literacy experiences. Foundational literacy skills will be taught, including those that focus on phonics, phonemic awareness. This will be done with techniques from Dr. Elsa Cardena-Hagan's training on Foundational Literacy techniques, which draws on students' knowledge of their home language to support learning of English.

**What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?**

SIFE 0 percent

In the case that SIFE students are enrolled, they are immediately assessed with the MLS (Multilingual Literacy screener) in their native language. After needs of the student are determined, a culturally responsive curriculum is taught, using resources from NYSED's SIFE curriculum, with added emphasis on developing foundational literacy skills. A carefully planned system of support is put into effect involving several school community members who will address both academic and social emotional needs. Greater emphasis is placed on the student's participation in Stand Alone ENL instructional periods.

**What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?**

0 long-term ELLs

**What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?**

2% of the students at PS 110 are former ELLs:

Former ELLs receive small group instruction from the classroom teacher. Their scores on reading and writing assessments are analyzed throughout the year in order to group these students strategically to receive support in the skills they show a need for practice in mastering.

**2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?**

The largest At-Risk factor facing ELLs at PS 110 is Newcomer ELL status. It affects 93.8% of the ELLs at PS 110. The next largest factor is ELLs in Temporary Housing, which affects 23.4% of the ELLs at PS 110. 23.4% of the ELLs at PS 110 face the at-risk factor of not making sufficient English Language Proficiency on the previous year's NYSESLAT.

Most students only face 1 At-Risk factor. The number of students who experience 2 At-Risk factors and so on decrease. The fact that students are Newcomers means they potentially need a great amount of support in accessing vocabulary basic literacy skills. This calls for a strengthening of the school's MTSS systems and use of interventions to address the needs of Newcomer students in order to develop sufficient reading and writing skills to make academic progress.

**3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?**

40% of the former ELLs at PS 110 live in temporary housing.
Additionally, 40% of the former ELLs at PS 110 scored a level 1 or 2 on the NY State math Exam.
20% of the former ELLs at PS 110 scored a level 1 or 2 on the NY State ELA exam.

**4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values**

**these home languages?**

The vast majority of ELLs in PS 110 have a home language of Spanish. In order to support their progress, we have Dual Language classes established in kindergarten and 1st grade, with a plan to expand the classes into the 2nd grade in the following year. These classes are taught by Bilingual certified General education teachers. There is a bilingual parent coordinator who assists the ELL coordinators in meeting new families and administering the home language survey. Foundational literacy instructional techniques, as presented by Dr. Elsa Cardenas-Hagan, are utilized to show students that their home language knowledge is valued. Parent letters and class newsletters are printed in both English and Spanish.

The next most common languages spoken at home are French (1.78%), Arabic (.59%), Hausa (.30%), and Twi (.60%). School personnel and pedagogues use computer software, such as Microsoft Translate and Grammarly to provide students and families with live translations at meetings, workshops (families) and content instruction (students). Bilingual paras are hired to support newcomer ELLs who mostly understand these less common areas to help students to understand content and participate. Students who have achieved higher ELL proficiency levels including Commanding are partnered with newcomer ELLs who speak the same language to create opportunities to participate and provide support.

**5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?**

ELLs enrolled at PS 110 have been identified by their parents as Alaskan Native or American Indian, Black, multiracial, Native Hawaiian or Pacific Islander, and white. 67% of Hispanic ELLs in the school identify as Black. ELLs are included in the planning and delivery of CR-SE by the inclusion subject matter that represents these racial and ethnic classifications proportionately and literature written by authors that identify with the same classifications.

**6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?**

As many ELLs at PS 110 are newcomers and had not taken a NYSESLAT prior to 2024, only 40% of the school's ELLs could be included in a measure of making ELP growth. Of those 25 students, 10 (40%) made sufficient ELP progress. 15 students (60%) did not. This is an increase in ELLs making ELP growth from the previous year. As more of the newcomer students continue into their next year of learning, it is expected that the percent of ELLs making ELP progress will increase. In most cases, ELLs that did not make sufficient ELP growth are at the expanding level. They need strengthened core instruction in reading comprehension and writing skills, as well as small group instruction targeting the domain they need the most work on. This is determined by analyzing the FURBY NYSESLAT results analysis report introduced by the RBERN. Students who did not make growth will also need explicit vocabulary instruction.

**7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?**

The majority of students (34%) scored at the Emerging proficiency level. This consists of students who were first year ELLs taking the NYSESLAT test for the first time who were Entering level students based on the results of the NYSITEL exam they took when they enrolled. As students gain experience in expressing themselves verbally and working with academic texts, their proficiency levels are expected to increase as they develop their speaking and listening skills.

In 2024, the number of ELLs who took the NYSESLAT test increased dramatically from 2023. The modality of speaking has become a strength among more students in 2024. Reading has also become a modality of strength among a greater number of students in grades 1 - 4 in 2024 compared to 2023.

The number of students for whom Writing is a weakness increased in the 2024. This has occurred among Grade 1 students who were newcomers at the Entering proficiency level.

**8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?**

6 ELLs took the New York State ELA exam. Other students in grades 3 - 5 were first year students who were exempt or declined to take the ELA exam. 14 ELLs too the New York State Math exam.  An ELL at the Commanding English proficiency level scored at a level 3 on the NY State ELA exam. ELLs at the Expanding level scored at a level 3 on the NY State Math exam. Students at Entering, Emerging, and Transitioning English proficiency levels did not meet the standards if the NY State ELA and Math exams. There is a need to strengthen students' English proficiency and quickly build on their test sophistication strategies in order to help them perform well on these assessments.

**9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?**

A majority of ELLs scoring at the Entering level on the NYSESLAT have IEPs. This shows a need to plan strategically for service providers to ELLs with IEPs to have the capacity to include native language supports and strong visual scaffolding in their instruction.

**10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:**
**a. How many ELLs are on-track towards graduation?**

NA

**b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?**

NA

**c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?**

NA

**d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?**

NA

# Part V: ML/ELL Instruction

## Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

## Tier 1 Core Instruction

**1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?**

The school's instructional leadership team meets weekly to analyze the performance of multilingual learners on diagnostic, benchmark, formative, and summative assessments. Item analysis of standards and questions that students struggle with is carried out to identify areas where enhanced instruction is needed. The ILT then cross references this data with NYSESLAT data to analyze trends and instructional strengths and weaknesses to determine areas of professional development to improve the core instructional practices for ELLs is needed. The ILT refers to the 4 Hallmarks of Advanced Literacies and evaluates instructional practices across the school to review and revise pedagogical approaches to ensure that multilingual learners are provided access to strong core instruction and grade-level texts while receiving the strategies and interventions to support their language needs. Strategies to support MLs/ELLs are also embedded into all curricular units of study. There are also regular meetings of the school's Professional Development Committee and weekly grade level meetings, attended by team members consisting of administration members, classroom teachers, and the ENL teacher to measure ELL student progress compared to peers and recommend adjustments to instruction and units of study.  An increased focus on reading intervention with staff members positioned to provide this support to ELLs has been established. A supplemental curriculum created by HMH, English 3D, is being implemented with a strong focus on providing access to ELLs at the Entering and Emerging proficiency levels.

**2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?**

ELL students are grouped strategically throughout the school day. During Stand Alone classes, students at the Entering and Emerging level of proficiency work in a group with an ENL teacher to focus on learning vocabulary and oral expression skills. As a result of screeners, ELL students who show a need for fundamental literacy skills are placed into RTI small groups and are assigned tutors and interventionists to build their capacity to interact with grade level texts.  Newcomer ELL students are provided with Ipads and are shown how to use translation software to enable them to participate in lessons and draw on their knowledge of their home language as a resource. ELL

students are also paired with partners who have a greater proficiency in English and share a common language during ELA and Math classes.  Literacy periods in each grade level are planned around the HMH Into Reading Curriculum. This ensures cohesion as familiarity with routines is built within students as they progress from one grade level to the next. Supplemental resources to provide explicit vocabulary instruction in addition to texts at a variety of levels and technology that allows students to listen to texts aloud are utilized in order to give access to all learners. Students in Kindergarten and Grade 1 Dual Language classes are taught using a combination of HMH Into Reading and Arriba Lectura to strengthen both the students' English and Native Spanish literacy skills.

**3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.**

In the integrated model, a classroom teacher and ENL teacher collaborate to deliver instruction aligned to NGLS standard based content and language objectives. A significant portion of ELA and math instructional blocks are dedicated to student discussions, and opportunities for students to lead discussions. Multilingual learners at every proficiency level are expected to meet the same grade-level standards as their peers and are provided appropriate strategies to support their language acquisition needs. The NYS scaffolding guides for 3-8 ELA and Math standards are utilized in addition to strategic interventions tailored to language proficiency levels. In the Stand Alone model of instruction, the teacher of ML/ELLs groups students according to proficiency level and academic screener data to deliver targeted instruction. The teacher monitors the progress of this group every four weeks to determine instructional moves and changes to the groupings. During both Stand Alone and Integrated ENL periods, questions and protocols to encourage student discourse are incorporated into lessons with sentence frames and sentence starters provided to assist students in expressing ideas.

In Dual Language classes, content area instruction

**4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development?  Include core content area and language materials with consideration to specific ELL subgroups.**
**a. ELLs with IEPs**

Teachers of MLs/ELLs with IEPs are provided access to digital and print curriculum in ELA, Math, Science, and Social Studies, which is shared with students.  ELLs are also provided online access to digital libraries such as Epic Reading and SORA. These libraries allow students to read texts multiple times and adjust the mode of presentation to cater to modalities of strength that ELLs with IEPs have, such as the ability to listen to the text aloud. Curriculum is reinforced with high quality texts from online resources such as Readworks and Commonlit, which include multi-leveled texts and texts translated into students' home languages.  Additionally students readdecodable readers from within the HMH Into Reading curriculum. Students have access to laptops and Ipads to enable varied formats of response using transcription and video creation software. Teachers also use Microsoft Translate along with students in order to have their presentations translated into Students' native language. Students also make routine use of the tutorial software programs Iready and Zearn to practice skills that they show a need for additional support with.

Teahers use Iready resources to develop small group lessons geared toward ELLs that need additional practice with particular literacy and math skills.

**b. SIFE**

NA

**c. Newcomers**

Newcomer Ells are assigned accounts on Imagine Learning tutorial software. This program addresses vocabulary learning, phonics, and reading comprehension. It includes native language support, which is a large asset to newcomer students. Students also work with scaffolded materials during content learning, receive instruction using visuals and translated versions of texts. Students are assigned ipads for use at home and in school. Students are shown software that enables them to translate texts and live speaking presentations of their teacher. It also enables them to respond to complex questions in their native language.  Students also engage in the English 3D curriculum during Stand Alone ENL lessons.

**d. Long Term ELLs**

NA

**5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?**

Language proficiency team and school implementation team meetings are conducted regularly during which teachers of ELLs/MLs, school leaders, classroom teachers, and other members of the school community discuss student progress and interventions and implement a four to six-week action plan to enable ELLs with IEPs to achieve their IEP goals attain English language proficiency within the least restrictive environment. Prior to initial referrals to special education, these teams engage in strategic planning to develop a MTSS plan and analyze the language proficiency level of the multilingual learner to ensure appropriate strategies are implemented. This plan is also discussed and reviewed with families. During all IEP meetings, the least restrictive environment consideration checklist is utilized to determine if the student would benefit from a flexible program. The teacher of MLs/ELLs also participates in IEP meetings of ELLs with IEPs. School scheduling of integrated and stand alone instruction for MLs/ELLs/ELLs with IEPs is strategically and collaboratively devised to minimize disruptions and ensure access to the grade-level curriculum

**6. How is home language assessed in each program model (DLBE, TBE, and ENL)?**

Students' home language is assessed at the point of entering the school for ENL students. For Spanish speaking students, the Spanish LAB assessment is used. This helps to determine the literacy experiences students have had. In Kindergarten and Grade 1, Spanish language skills are assessed using reading assessments in the Arriba Lectura program.

**7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?**

NA

**8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).**

Integrated ENL periods are scheduled so that the ENL teacher can best work together with classroom teachers to support ELL students in each class. Two ENL teachers are scheduled to work with classes in grades K - 5. A lower grades ENL teacher works with classes in grades k - 2; an upper grade ENL teacher works with classes in grades 3 - 5. The ENL teachers work with classes that have ELLs during ELA, Writing, and Guided Reading periods. During these ELA and writing periods, the classroom teacher presents a standard-based literacy objective and the ENL teacher presents a language objective to help students carry out the learning objective effectively. The teachers then carry out instruction based on co-planning, which takes place at least once a month during a designated planning period. During guided reading periods, the ENL teacher works with 1 - 2 small groups alongside the ELA teacher based on assessment data. The ENL teachers plan together with the bilingual certified Dual Language teachers to analyze student work, share strategies to address student needs, and plan for students to participate in ENL teachers' small intervention groups to ensure progress where needed.

**9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.**

Professional development will occur on a weekly basis. Aspects of planning for accommodating to the social emotional needs of ELLs, as well as planning for the inclusion of families in school activities, and the successful instruction of ELLs is presented to administrators, teachers, and support staff accordingly. This includes training on orientation for new ELLs, familiarity with the tenets of CR 154, testing procedures and best practices to support language acquisition, and the importance of using native language knowledge as a resource. Knowledge is turnkeyed by the ENL Teacher to all key staff, based on strategies and data learned from attending monthly District ELL Liaison Meetings and attendance of workshops held by the RBERN. Workshops on technology are included to show how it can be used to support ELLs' learning. This includes the introduction of AI planning resources and

training on using translation resources.

**10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).**

ENL teachers and Dual Language teachers will  develop strategies for effectively promoting language acquisition, different models of co-teaching, and combining language and content instruction by attending  ELL Liaison meetings, and workshops provided by the R-Bern and the Division of Multi Language learners.  All teachers are provided with opportunities to attend courses on effective instruction for ELLs during student non-attendance days for a total of 15% or approximately 6 hours of professional development time during the school year.

# Assessment

## SCREENERS

**11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?**

Acadience will continue to be implemented as a means of determining student progress and need for intervention in English language arts for all students in Kindergarten through 2nd grade. Students in grades 3 - 5 will also be assessed using Acadience. Students will complete IREADY benchmark assessments in both Reading and Math.

**12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.**

All ELLs in grades K - 5 use Iready to help target intervention of ELLs in ELA and Math. Imagine Learning is also utilized with newcomer students and those at the Entering and Emerging proficiency level. Iready is provided in English for ELA lessons and Spanish or another native language, if available, in Math for those students who are at the Entering and Emerging proficiency level or are classified as newcomers and prefer native language instruction. Imagine Learning intervention lessons are presented in both English and the native language for Entering, Emerging and all newcomer students who demonstrate that this would support their learning.  In grades K - 2, students receive support for reading if periodic assessments indicate a need for Tier 2 instructional support. Students that receive this support include Developing ELLs at each proficiency level.

**13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.**

Students are assessed every 4 weeks. Students that need Tier III support work with reading tutors for a designated period of time. They are assessed at the end of this time. Results are analyzed by grade level teams. It is then determined whether the student should continue receiving the same intervention or can increase or decrease the level of intervention received. Results are communicated to students' families.

## FORMATIVE

**14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?**

Instruction is driven by gathering data throughout the school year from the following formative assessment sources: lesson performance, end of unit tests in the mathematics program Illustrative Math, as well as unit and weekly assessments in the HMH Into Reading and Escritura Lectura programs. Students also complete Exit Slips at the end of the lesson to give students a chance to demonstrate understanding in written English or home language. This informs the school how well students have mastered content and whether or not to plan for review in future units of study. These informal assessments are referred to while also keeping students' performance on the most recent NY State ELA, Math, and NYSESLAT tests in mind.

-- Iready Reading and Math Assessments in Spanish are administered at the beginning, middle, and end of the year to continually assess students' proficiency in their home language.  Acadience, Iready assessments and

**15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?**

All newly admitted students to the school are administered the HLIS assessment and interviewed by a trained pedagogue to determine the students' home language. The Spanish LAB is administered to identified English language learners whose home language is Spanish. Materials are translated by the NYCDOE Translation Unit, when possible, and an independent translation service provider in the case of low incidence languages, to provide content assessments to ELLs when necessary. Students read translated versions of core texts in the students' home language and are granted opportunities to write and answer questions orally in the home language about these texts. Translated versions of state assessments (Math, Science) are provided when permissible. Student proficiency in reading in Spanish is also evaluated and supported through the use of translated electronic lessons and assessments in Iready. Home language literacy skills are also evaluated using assessments in the Arriba Lectura program.

# SUMMATIVE

**16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).**

Using the EDAT, students' performance on the NY State Math and ELA assessments are analyzed across subgroups of our ELL population, including Newcomer ELLs, Developing Ells, and ELLs with IEPs. We also look at the performance on these exams across groups of students at each English proficiency level, as determined by their performance on the most recent NYSESLAT Exam. Trends in performance are analyzed to determine if students in any of these groups need intervention or strengthened instructional development in the areas of Math or ELA.

**17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.**

The NYSESLAT is administered to students during the testing window scheduled for May of the school year. The ENL teacher, Mr. Mackler carries out the L/R/W portions of the test to groups of students organized by grade bands, as well as the speaking portion of the test Student responses on the speaking test are recorded and scored by a member of the NYSESLAT scoring team. A team of teachers is also trained to carry out and score the speaking portion of the test and administer it to individual students starting at the beginning of the testing window, as needed. IEP and ICT teachers are trained to score the writing section of the test. The ENL teacher does not score the test. Additionally, teachers who participate in scoring do not score the tests of their students. Training sessions to review scoring procedures and introduce new teachers to the practice are held 2 weeks before the commencement of scoring.

**18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?**

The testing coordinator, David Mackler, in collaboration with AP Drita Gjongecaj, reviews testing accommodations documented in SESIS of all ELLs and former ELLs in conjunction with the classroom teachers, ENL teacher and School Based support team. Testing cohorts are then formed to group students together to ensure that each student's testing accommodations are met. ATS reports are run to ensure that first year ELLs who are exempt from the ELA are not tested. Appropriate accommodations are programmed into the NEXTERA testing system, reviewed with classroom teachers and all test administrators orally and communicated in advance of exams via a memo that is distributed.

# Part VI: Family Partnership

## Family Partnership

**Required Meetings Under CR Part 154**

**Describe your schools' plan to ensure families of ELLs are provided with the required meetings** specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

**a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.**

To inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

During the first 2 weeks of school, the ENL teacher works closely with the school secretary to administer the HLIS to new admits. Eligible students are administered the NYSITEL at this time. An orientation is held for parents of new ELL students in person on the afternoon of Tuesday, September 9 during designated parent engagement time. Additional orientation meetings are scheduled for the evening of September 11 virtually during designated evening parent teacher conference times. Additional in person and virtual orientation meetings are scheduled as needed during Tuesday parent engagement times and, when possible, at the time of enrollment of new students who are potential ELLs. These orientation meetings are carried out by one of the ENL teachers or a pedagogue who is trained to administer the HLIS. At orientation meetings, the orientation video from the NY State department of education is shown in the parents' preferred language. The meeting is conducted by an ENL teacher together with the bilingual Parent Coordinator Ms. Rondon. During these meetings, after the video is viewed, all 3 program options offered in NYC schools are reviewed, using the Parent Choice form as a guide. A pamphlet from NYSED on the Next Generation Learning Standards is shared. Parents are asked to indicate their preference for their child by

completing the Program Selection form.

**b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.**

Meetings are scheduled to take place between one of the ENL teachers and the parent of each ELL in grades K - 5. Ells in Dual Language classes participate in this meeting with the Dual Language kindergarten and First grade teachers respectively. These meetings will take place throughout the school year, starting in October and running through May, during mandated parent engagement blocks of time on Tuesday afternoons. Students who have taken the previous year's NYSELSAT test will review their performance on the exam during the meeting. Students who have taken two or more NYSESLAT tests will review the progress they have made during the meeting. During each meeting, the teacher will also review the students' most recently achieved English proficiency level and how near they were to achieving at the next proficiency level in each language domain. Finally, next steps to be taken at home and school in order for the student to make positive growth in the current school year will be discussed. With new admits, the teacher will discuss with the parent attendance and homework expectations, assessments that will take place throughout the school year, and well as resources available to the student. Meetings will take place in person, virtually using communication software, or by phone. Bilingual teachers will speak with the parent in English or the native language. The ENL teacher will meet the parent with the assistance of the Parent Coordinator or another bilingual staff member. Records for all such meetings will be stored in a binder.

# Family Engagement

**2. Beyond the mandated meetings and orientations, describe how your school:**
**a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?**

When the HLIS is administered to new students' parents, the parent indicates a preferred language of communication, both spoken and written. All documents are translated into parents' preferred language of communication based on the surveys. Parents are made aware of a bilingual Spanish speaking parent coordinator's contact information and office hours so that they can initiate contact with the school via this staff member. For parents' preferred spoken language of communication is different from Spanish, NYC Department of Education sponsored over-the-phone translation service information is provided so that the parent can contact the school using this number. The school also uses Class Dojo for online communication with parents. All communications through this App are automatically translated into the parent's preferred language.

**b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.**

Parents are empowered by having materials translated into their preferred language of communication, as indicated in the HLIS, for written communication. Parents are also consulted with in the preferred spoken language of communication by bilingual staff and teachers, guidance counselors, or members of administration. This allows them to make the most knowledgeable, informed decisions about their child's education. Parents of ELLs are invited to take leadership roles in the school. They are encouraged to complete surveys in their preferred language about their satisfaction with programs and their feelings about decisions to be made in the school about curriculum and extracurricular activities; the results of these surveys guides the school in determining the types of activities and programs of support that parents need. Parent Community Circles and Chats with the principal are held monthly in the school library. They are invited to be active members of the PTA and participate in extracurricular activities. Parents are invited to make presentations to classes that call on their diverse cultures and skills, present during Career Day, and also participate in adult ENL classes offered before and after school.

**c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)**

Written information is sent in English, Spanish, and translated to additional home languages and sent at least 2 weeks in advance to inform parents of PA, SLT and CEC opportunities and meetings. Notices are also emailed in the parents' preferred language and posted to Class Dojo, which automatically translates content to parents' preferred language of communication.

**3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?**

The school has partnerships with several organizations that have culturally and linguistically responsive practices. These include Teaching Matters, the Positive Learning Collaborative, Dreamyard, and the Morrisania Library. Additionally, the school is collaborating with

Fresh Food - Compost

# Part VII: Additional Information

## Additional Information

**Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.**

# Part VIII: ELL Identification Attestation and Principal Certification

## Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

**1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.**

The members of the ELL Identification team are as follows:

Drita Gjongecaj (Assistant Principal), David Mackler (ENL Teacher), Christina Ramirez (Dual Language, 1st grade Teacher), Ms. Ferandez (2nd Grade ENL Teacher)

**2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:**

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

As per NYSED guidance, schools must complete the ELL identification process for all newly enrolled and reentry students as per the timelines listed below. Therefore, based on the 2025-26 School Year Calendar:
• Students who enroll during summer 2025 and the first day of school (September 5) must be ELLs are identified and placed into an ELL program by September 18, 2025. If an incoming student has an Individualized Education Program (IEP), NYSITELL eligibility must be determined by a Language Proficiency Team (LPT) and ELL identification/placement into a program must be completed by October 2, 2025.
• All students who enroll after the first day of school, must be identified and placed within the standard 10 school days of enrollment (or 20 school days for incoming students with IEPs).
The ELL identification process includes:
• In-person administration of the Home Language Identification Survey (HLIS) by qualified personnel (licensed and trained pedagogue) which includes a mandated interview with the student and parent to determine the student's home language.
• If a student has an IEP, the Language Proficiency Team (LPT) should determine NYSITELL

eligibility and complete the NYSITELL determination form.
• Administration of the NYSITELL to eligible students.
• Sending parents/guardians notifications of the NYSITELL results and entitlement/non-entitlement of services in their preferred language.
• Administration of the Spanish Language Assessment Battery (Spanish LAB) to newly identified ELLs whose home language is Spanish.
• Parent orientation and completion of the ELL Parent Survey and Program Agreement form. Parent orientations may take place virtually.
• Place the student into an ELL program based on NYSITELL results.

# Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

**Principal Name:**

Marisol Lockhart

# Part IX: LAP Assurances

## LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

# LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

**Office of Language Access (OLA) Contact:**

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

**Designation of a LAC**
**Name of person designated and trained as the LAC.**
**At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.**

**We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.**

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

| First Name | Last Name | Title | Date attended OLA Language Access Coordinator Professional Learning Opportunity | Confirmed (Y/N) |
|---|---|---|---|---|
| Drita | Gjongecaj | Assistant Principal | 2/26/2025 | Y |
| David | Mackler | Teacher - Regular Grades | 02/26/2025 | Y |

# Part B: Parents' Preferred Languages

## Parents' Preferred Languages

Language identification and assessment of parent population.

**1. Check the resources your school staff uses to identify parents' preferred languages:**

,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards

**If Other was selected, describe the resource here:**

**2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".**

| Language (Description within RCPL) | Written Preferred Count | Written Preferred Percentage | Oral Preferred Count | Oral Preferred Percentage | No. of Staff to Help with Written Translation | No. of Staff to Help with Oral Interpretation |
|---|---|---|---|---|---|---|
| ARABIC | 2 | 0.59% | 2 | 0.60% | 1 | 1 |
| FRENCH | 6 | 1.78% | 6 | 1.79% | 0 | 0 |
| HAUSA (HAOUSSA) | 1 | 0.30% | 1 | 0.30% | 0 | 0 |
| ENGLISH | 207 | 61.24% | 205 | 61.01% | 56 | 56 |
| SPANISH | 120 | 35.50% | 120 | 35.71% | 13 | 13 |
| TWI | 2 | 0.59% | 2 | 0.60% | 0 | 0 |

# Part C: Parent Communications and Engagement

## Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

**1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.**

| Document Type (e.g. parent flyers, IEPs, etc.) | How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents. |
|---|---|
| School Calendars | Parent Coordinator translates documents to Spanish. The Office of Language Access services are utilized for other languages. |
| Parent Newsletters | Parent Coordinator translates documents to Spanish. The Office of Language Access services are utilized for other languages. |
| School Flyers | Parent Coordinator translates documents to Spanish. The Office of Language Access services are utilized for other languages. |
| School Website & Email | Parent Coordinator translates documents to Spanish. The Office of Language Access services are utilized for other languages. |
| IEP Meetings | The Office of Language Access services are utilized. |
| | |
| | |
| | |

**2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.**

| | |
|---|---|

| Meeting Type (e.g. parent workshops, PTCs) | How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents. |
|---|---|
| Parent Teacher Conferences | Parent Coordinator and paraprofessionals provide interpretation; The Office of Language Access services are requested or services are ordered from the agency Geneva Worldwide and used for foreign languages other than Spanish. |
| Parent Workshops | Parent Coordinator; The Office of Language Access services are requested or services are ordered from the agency Made Manifst and used for languages other than Spanish. |
| Family NIght | Parent Coordinator and paraprofessionals provide interpretation; The Office of Language Access services are requested or services are ordered from the agency Made Manifest and used for foreign languages other than Spanish. |
| Ongoing Parent Meetings and Progress Monitoring | Parent Coordinator and paraprofessionals provide interpretation; The Office of Language Access services are requested or services are ordered from the agencies Worldly and Made Manifest, and used for foreign languages other than Spanish. |
| | |
| | |
| | |
| | |

**3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.**

During an emergency, the bilingual Parent Coordinator and bilingual office staff (school aides, pupil personnel secretary) contact families whose preferred language of communication is Spanish. The Office of Language Access services are requested and used to reach parents whose preferred language is neither English or Spanish. Over the phone interpretation is utilized to provide direct, live communication to parents whose preferred language is neither English or Spanish.

When a parent needs to contact the school in the case of an emergency, parents whose preferred language of communication is Spanish are put in direct contact with the bilingual Spanish speaking Parent Coordinator or bilingual Spanish speaking Parent Pupil Personnel Secretary. In the case that neither of them is available, bilingual Spanish speaking school aides are called upon to respond to the parent, after which bilingual Spanish speaking paraprofessionals are called upon.

In the case of parents whose preferred language of communication is neither English or Spanish contacting the school regarding an emergency, The Office of Language Access is contacted and services are requested by a

trained staff member to receive and respond to the parent. Over the phone interpretation is also utilized to receive and respond to parents' communication.

# Part D: Staff Awareness

## Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

**1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.**

Time for completing the NYCPS Language Access Training will be provided during a Monday afternoon dedicated to mandated staff Professional Development. During an additional Monday afternoon staff Professional Development period, the LAC will present a workshop on Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communication with Parents.

# Part E: Parental Notification

## Parental Notification

Provision of notice to parents on the available language assistance services.

**1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:**

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Parents whose preferred language of communication is other than English are provided with a copy of the Bill of Parent Rights and Responsibilities, which includes their rights regarding translation and interpretation services translated into their home languages. To inform parents of available language services, a sign is posted in the main office indicating all languages available for translation services. Posters are displayed in the lobby and outside the Parent Coordinator's office outlining the rights parents have to translation services and our procedures for doing so. Language identification guides are present in each classroom, as well as the ENL Teachers' rooms, with greetings in over 100 languages for parents to choose from in order to request assistance. The brochure 'Parents' Guide to Language Access' is also accessible in each classroom and the ENL Teachers' rooms, and includes translations into 10 different languages.

# Part F: Monitoring

## Monitoring

Methods for soliciting and implementing feedback on language assistance services.

**1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.**

Surveys are distributed to parents in September and June asking them to rate their level of satisfaction with translation services in the school as well as make recommendations for services that they would like to see improved. Parents are also asked informally, at the time of enrollment, by the bilingual Spanish speaking Parent Coordinator for their feedback and areas they would like to see improvements in. The information gathered from surveys and conversations with parents are shared with the principal and an action plan of steps to take toward improving the level of inclusion of all parents is put into place.

**2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.**

Parent surveys and feedback from Parent Association Meetings have shown that translated verbal communication via school messenger or  by text message is fast and easy to access. The school will make efforts to recruit staff members with the capacity to translate in languages other than English and Spanish.

# Title III Outline

**Title III Supplemental Program for ELLs for SY 2025-26**

**REQUIREMENTS**

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

**Note:** The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

# Part A: School Information

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

# Part B: Direct Instruction Supplemental Program Information

**The direct instruction component of the program will consist of (select all that apply):**

,After School

**Total number of ELLs to be served in this program:**

15

**Grades to be served in this program. Select all that apply.**

,2,3,4,5,1,K

**Total number of teachers in this program:**

1

**Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):**

1

**Number of content area teachers (i.e., teachers that have common branch/content area licenses only):**

0

# Title III ELL Summary

**Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:**

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The goal of this plan is to address the At-Risk indicator of not making growth on the NYSESLAT exam, as evidenced in the results of the most recent NYSESLAT exam shown in the EDAT. The program will commence in October of 2025 and continue through June of 2026. It will consist of 1 group taught by an ENL teacher. The groups will meet on Thursdays, for 2 hours from 2:30 p.m. to 4:44 p.m. Instruction will be carried out in English with native language support in Spanish when possible. Teachers will utilize materials from the core curriculum and approved intervention programs.

Each class will consist of approximately 15 MLLs at the Entering or Emerging level.

Instruction will be carried out by the ENL teacher who will include a content objective and language objective for each lesson. Students in the classes will also utilize Ipads and translation software to enable the use of their native language as a support when needed.

The program will be supervised by the Assistant Principal, Ms. Gjongecaj.

This program will be funded using Title III funding.

The schedule will run from October to June as follows:
Thursdays, from 2:30 - 4:45 PM on the following dates:

10/16, 10/23, 10/22, 10/30, 11/6,

11/13, 11/27, 12/4, 12/11, 12/18

1/8, 1/15, 1/22, 1/29, 2/5, 2/12, 2/26

3/5, 3/12, 3/19, 3/26, 4/9, 4/16, 4/23, 4/30, 5/7, 5/14, 5/21, 5/28, 6/4, 6/11

# Rationale for Title III ELL Funded Programs

**Describe the rationale for each Title III ELL funded program. For each program, include:**

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The majority of our ELL population are in the subgroup newcomer ELLs, which includes students in their first and second years of schooling in the United States. This group has grown in the previous school years. Students within this category may experience the most pronounced needs in developing English language literacy skills in order to be on grade level. Analysis of screeners and performance on the most recent NYSESLAT exam has shown challenges with decoding and reading comprehension skills across the grades amongst newcomer ELLs. Our afterschool program aims to help students catch up to being on grade level by exposing them to additional fundamental reading instruction to complement that which is received during the regular school day, and challenging comprehension work. Students will also receive support in mathematics with an emphasis on developing strong familiarity with key vocabulary terms.

# Students and Grade Levels to be Served

**For each Title III ELL funded program, describe the students that will be served. Include:**

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The group will consist primarily of Entering/Emerging MLLs in grades K - 5, at the Entering and Emerging levels. There are

# Schedule and Duration

**For each Title III ELL funded program, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The schedule will run from October to June pending budget and personnel availability.  The program is scheduled to run on  Thursdays, from 2:30 - 4:45 PM, for a total of 31 weeks. Dates for the program are listed below:

10/16, 10/23, 10/22, 10/30, 11/6,

11/13, 11/27, 12/4, 12/11, 12/18

1/8, 1/15, 1/22, 1/29, 2/5, 2/12, 2/26

3/5, 3/12, 3/19, 3/26, 4/9, 4/16, 4/23, 4/30, 5/7, 5/14, 5/21, 5/28, 6/4, 6/11

# Language of Instruction

**For each Title III ELL funded program, include language of instruction and how home language support is provided.**

Students will be instructed in English, with MLL strategies and visual scaffolds. Microsoft Translate will be used as needed to support home language.

# Number and Types of Certified Teachers

**For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):**

1 TESOL certified teacher

# Types of Materials

**For each Title III ELL funded program, include:**

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials will include materials from HMH Into Reading , in addition to  electronic books available through the Epic and SORA websites, as well as decodable readers.

# Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Students will each have a notebook and folder in which significant work samples are gathered. Attendance will be taken for each session and maintained in a binder for each group.

# Part C: Professional Development

## Professional Development Summary

**Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:**

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional development sessions will be held for teachers in grades K - 5 to address the Next Generation Learning Standards, CRSE and the Social Emotional Development for newcomer ELLs, scaffolding content for ELLs through understanding the different English proficiency levels and understanding of how to plan based on ELL performance data. The hallmarks of Advanced Literacy and fostering academic vocabulary instruction across all content areas will also be focused on in professional learning activities. Additionally, the participating title III teacher will meet once a month for 1 hour to collaboratively plan for instruction of ELLs across all grade levels, K – 5.
Teachers will also be provided with training on Reading Ready intervention routines, as they can best be carried out with newcomer ELLs and Foundational Literacy practices, as introduced by Dr. Elena Cardenas-Hagan. Training will also be provided to Kindergarten and Grade 1 Dual Language teachers on successful program implementation.

-Technology Integration for English Learners Instruction - Using digital platforms to support language development – December 2025
-Building Academic Language in Two Languages - January 2026
-Scaffolding Strategies That Work for ELLs – Part I - January 2026
-Scaffolding Strategies That Work for ELLs – Part II - February 2026

## Rationale for Professional Development

**Describe the rationale for the professional development to be provided. For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

According to the Spring EDAT report, 15 ELLs did not make sufficient ELP progress.  According to the Acadience Data Report, 16 ELLs had a Lexile Reading score in the 15th or lower percentile. To better prepare teachers to scaffold instruction for ELLs to help the meet the linguistic and academic demands necessary to show growth, professional development sessions for instruction with ELLs has been planned. Professional development includes training on supporting MLLs with Translation Tools.

# Teachers to Receive Professional Development

**Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.**

Teachers in grades K - 5 will receive training. More specific strategy sessions will be aimed at teachers in grades K - 5 who directly teach ELL and former ELL students. The ENL teachers will receive additional training (a total of 60 percent of the year's professional development) in research-based strategies for working with ELLs. Dual Language Kindergarten and First Grade teachers will attend training sessions on best implementation practices and will have weekly planning sessions with consultants from Teaching Matters and --.

# Schedule and Duration

**For each Title III ELL professional development activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Sessions to address strategies for scaffolding instruction for ELLs will take place on Mondays during Mandated professional development periods from 4:00 - 5:00, once every two months, for a total of 2 sessions, on the following days pending availability of participants:

Monday 10/6
Monday 12/15

# Topics to be covered

**For each Title III ELL professional development activity, include topics to be covered.**

The outline of professional development topics for all pedagogical staff is as follows:

Scaffolding for ELLs with sentence starters and sentence frames
Supporting MLLs with Translation Tools
Vocabulary Instruction for ELLs

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).**

Professional learning will be provided by the ENL teacher Mr. Mackler, Made Manifest, Teaching Matters, and other providers at the principal's discretion.

# Maintaining Records

**Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.**

Records will be maintained by teachers signing attendance sign in sheets, which will be maintained in a Professional Development binder.

# Part D: Family Engagement Activities

## Family Engagement Summary

**Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.**
**Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.**

At PS 110, there is a strong belief that parent involvement is a crucial part of student achievement. By approaching students' learning as community matter that concerns school staff, educators, and families alike, we aim to make parents stakeholders in the academic performance of all children in the school. To ensure that this happens, we plan to hold monthly workshops that are geared toward parents of ELL students, which will engage parents in language acquisition strategies that will foster their children's ability to achieve academically.

5 Workshops are scheduled to take place on the last Tuesday of each month when the calendar allows, for 1 hour from 10:00 - 11:00 AM. They are planned to take place as follows, with dates, topics, and providers below. All sessions will be presented in English and Spanish, and in cases where a participating parent speaks a language other than English or Spanish, translation services will be provided by the parent coordinator Ms. Rondon.

November 18: Overview of Next Generation Standards Across Different Grades (Mr. Mackler, ENL Teacher, Ms. Rondon, Parent Coordinator)

January 27 Exploring Online Resources (Harcourt Digital Version, Epic, Duolingo, Sora, etc.) to Increase Support at Home (Mr. Mackler, ENL Teacher, Ms. Rondon, Parent Coordinator)

March 31 Overview of the NYSESLAT Assessment and Ways to Prepare Students at Home (Mr. Mackler, ENL Teacher; Ms. Rondon, Parent Coordinator)

April 28 Language Development In Connection With Math Standards (Mr. Mackler, ENL Teacher; Ms. Rondon, Parent Coordinator)

May 26 Fostering Students' Writing Development At Home (Mr. Mackler, ENL Teacher; Ms. Rondon, Parent Coordinator)

Parents will be notified electronically via emails, messages through Class Dojo, and posts to Google Classroom, as addition to fliers being sent home. Fliers will be translated into each family's preferred language of written communication, as needed.

The agendas, invitations and agendas will be stored in a Title III binder in a section labeled Parent Engagement and managed by the ENL teacher, Mr. Mackler.

These PD sessions will be held at no cost to the Title III program.

# Rationale for Family Engagement Activities

**Describe the rationale for the family engagement activities to be provided: For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

At PS 110, there is a strong belief that parent involvement is a crucial part of student achievement. By approaching students' learning as community matter that concerns school staff, educators, and families alike, we aim to make parents stakeholders in the academic performance of all children in the school. To ensure that this happens, we plan to hold monthly workshops that are geared toward parents of ELL students, which will engage parents in language acquisition strategies that will foster their children's ability to achieve academically.

# Schedule and Duration

**For each Title III ELL family engagement activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

5 Workshops are scheduled to take place on the third Tuesday of each month when the calendar allows, for 1 hour from 10:00 - 11:00 AM. They are planned to take place as follows, with dates, topics, and providers below. All sessions will be presented in English and Spanish, and in cases where a participating parent speaks a language other than English or Spanish, translation services will be provided by the bilingual school staff.

The dates are as follows:

10/15/24

11/19/24

12/17/24

1/21/25

3/18/25

# Topics to be Covered

**For each Title III ELL family engagement activity, include topics to be covered.**

Overview of Next Generation Standards Across Different Grades

Exploring Online Resources (SORA, Epic, Duolingo, Imagine Learning, Iready) to Increase Support at Home

Supporting Students' Writing Development At Home

Language Development In Connection With Math Standards

Overview of the NYSESLAT Assessment and Ways to Prepare Students at Home

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).**

Activities will be carried out by the ENL teacher Mr. Mackler, the centrally funded interventionist, Ms. Sinclair, and the Bilingual Education Teacher, Ms. Ramirez.

# Family Notification of Activities and Translation and Interpretation Supports:

**Describe:**

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**

- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified electronically via emails, Messinger, Parent Involvement hours on Tuesdays, school website, messages through Class Dojo, and posts to Google Classroom, in addition to fliers being sent home. Parents will be called by the Parent Coordinator in English and Spanish. Fliers will be translated into each family's preferred language of written communication, as needed.

# Maintaining Records

**Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.**

Documentation is maintained in binders and Google Drive folders.

# Part E: Budget

**FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY.** Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

**Allocation Amount ($):**

20,000.00

| Budget Category | Budgeted Amount | Explanation of expenditures in this category as it relates to the program narrative for this title. |
|---|---|---|
| Professional salaries (schools must account for fringe benefits):-Per session -Per diem | | |
