Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P.S. 170

District Borough Number (DBN):

09X170

Grades Served:

3K - 3rd Grade

School Address:

1598 Townsend Avenue

Phone Number:

718-583-0662

Fax:

718-583-0685

School Contact Person:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Sonia Acevedo Suarez	*Principal or Designee	
Shannon Archambeau	*United Federation of Teachers (UFT) Chapter Leader or Designee	
Janete DaSilva	*Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President	
Katherine Valdez	District Council 37 (DC 37) Representative (staff), if applicable	
Rosidalia Ramírez	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for high schools)	
	Student Representative (Required for high schools)	
	CBO Representative, if applicable	
	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
Mayelin Mateo	UFT Paraprofessional	
Beatriz Sosa	Parent	
Julia Jenkins	Parent	
Danelia Moncion Gonzalez	Parent	
Lisette Seminario	Teacher	
	Staff or Parent	
	Staff or Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our misson is to impart to our students a set of values, which will help them become critically thinking, conscientious citizens with the will to learn and the confidence to use their voice. We will achieve this by creating strong partnerships between staff, parents, students, and community members to create a learning environment where all children can reach their full potential academically, emotionally, socially, and physically.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Public School 170, The Esteban Vicente Early Childhood School, is a 3K to third grade school with approximately 167 students- 77% Latinx, 16% Black, 1.4% White, 1.4% Asian, 3.5% Native American, and 1% Multiracial. 28% of our students are Multilingual Learners and 26% are Students with Disabilities. The school consists of one 3-K class, one Pre-K class, four dual language classes, two Special Classes (bridge K,/1, 2/3), and four ICT classes. There are 15 teachers, all of whom are tenured and have 8 or more years of experience. PS 170 is a caring and nurturing school, where students and families feel safe and supported as they begin their school experience.

Public School 170 functions on the belief that we are a community of lifelong learners. We are dedicated to providing our school community with an educational environment that nurtures the whole child.

We commit ourselves to the development of a program of academic excellence, which challenges and develops the student as an independent thinker and instills a love for learning and advocacy.

We strive to promote a rigorous learning environment, whereby each child reaches his/her potential and fosters their unique talents. Our curriculum embraces the understanding that an effective education must be founded on secure mastery of basic skills, taught not only in isolation but also in an interdisciplinary, integrated manner.

We will provide an environment which embraces and honors our individual and cultural diversities. Public School 170 will provide opportunities for children to become productive and responsible citizens of the 21st Century.

Early Childhood-
Our 3K and Pre-K students are welcomed into the school with scaffolded supports. Parents are invited to attend an orientation which establishes a partnership with families. At this meeting the families are given strategies to help bolster student independence and comfort with joining the school environment. Incoming kindergartners are provided with an orientation that includes expectations for the coming school year and resources they can use over the summer to help prepare their children for the transition from pre-k/home to school. Our Pre-K students visit a kindergarten class and engage in a Q&A with current kindergarten students to get a glimpse of the kindergarten

experience.

SEL and PBIS-
The fostering of a culture of community and joy has long been a focus of PS 170's work as an Early Childhood school. We generate an excitement for school and love of learning through a combination of PBIS, and culture and community-building events. We follow the C.A.R.E. model to engender students' sense of collaboration and responsibility as they begin their growth as good humans. Students who exhibit positive social behaviors earn tickets that they can redeem for rewards and experiences. We have recently added the use of the Sandy Hook Promise "Start with Hello" and Say Something curriculum. These lessons and activities work in tandem with our other SEL instruction in helping students to feel accepted and combat social isolation. We hold school-wide pep rallies and other fun events (such as Holiday Story-times, Respect-for-All events, ABC countdown to summer) and family events like painting classes, a "Someone Special" dance, movie night, and parent-child arts workshops. We believe that all of this work helps our students and families to feel a sense of community and support that impacts directly on their academic and social-emotional well-being.

Instructional Focus- The focus of improvement in our instructional practice for this year will be on strengthening our work in foundational literacy skills. An emphasis will be placed on early secondary screening, small group intervention, and the use of structured literacy practices to support student success.

The Arts-
The Arts are a vital component of students' educational experience at PS 170. Through both the work of highly-qualified school-based arts teacher and our partnership with Marquis Studios, we are able to provide every student with access to music, dance, and visual arts instruction. All of our students' arts experience is comprised of both skills-based instruction and a connection to the discipline's cultural background and vocabulary. Instruction across all disciplines is aligned with or surpasses benchmarks outlined in the NYCDOE Blueprint for Teaching and Learning in the Arts. Students have the opportunity to showcase their skills and learning in multiple performances throughout the year, as well as in our school-based Visual Art Fair each Spring. In a typical year, classes also visit cultural institutions (ie. the Metropolitan Museum of Art, and the Bronx Museum of Art) to contextualize their learning in the greatest cultural city in the world. It is our goal that our students continue to find success and grow both as performers and artists, pursuing the arts well after they leave our school as artists, advocates, or appreciators.

Parent Engagement-
We acknowledge the home school partnership as an essential tool to foster learning . At PS 170 we make an effort to inspire parents to become active participants in their child's education. We conduct an annual parent survey to gain families' input on what they want to see for their students and our school throughout the year. The majority of the feedback typically focuses on continuation of fun family events and opportunities to learn more about their child's curriculum and academic experience. In response to this, we hold monthly family events which include a paint night, Bingo Night, a Someone Special dance and holiday storytimes. Classroom teachers also offer workshops on how to support students with academic learning at home, as well as specialized workshops for families of our sub-populations (our MLLs and SWDs). Parents receive individual, targeted invitations to these workshops. For our Parent Association meetings, we have continued in the virtual model but also added in monthly "Coffee with the Parent Coordinator and Administration" sessions in person which have helped us to deepen our relationships with families and offer them supports around social emotional learning, savings and banking, and civic issues in the community.

Parent Executive Board meetings are held on a monthly basis to discuss school related issues. Parents are also part of the School Leadership Team that consists of an equal parent/staff ratio. Parents attend a Town Hall meeting where they are informed of safety procedures and protocols. To meet the needs of our community, all information sent home is translated into the students/parents' home language and interpreters are available for meetings.

Student Voice and Choice-
Our students, despite what many might see as limitations of their age, are encouraged to exercise their voice at PS 170. We have a Student Council that meets monthly and has generated several culture-building activities including spirit days and charity fundraising events. Our senior student council members also worked on a Participatory Budgeting proposal through which they navigated the civic process for use of this funding and eventually purchased new outdoor recess equipment for the whole-school use. Students are surveyed with regard to their learning and social preferences as well. As an offshoot of this work, we also have an after-school Soapbox Club in which students work to develop leadership and public speaking skills and learn to use their voice to make a difference. They then create a service project based on one of the student speeches which, in the past, have included a community-building event for parents to get to know each other, a social justice neighborhood march, and the creation of a website students can use as a resource for accessing information on people of color who have made a great impact in the world.

Briefly summarize the key initiatives your school will implement this school year.

In the 2025-2026 school year our school will be adding third grade classes for the first time.

Teacher teams will work in data cycles, analyzing assessment results and using this data to support their instruction and groupings in both ELA and Math. This work will also be bolstered by early administration of a secondary screener (PAWRD) for our highest-need students and early small group interventions to support moving these students with attention to their specific needs.

Teachers and paraprofessionals will receive professional development in explicit instruction in an effort to improve student outcomes in foundational literacy and math skills.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA and Math	3-K & Pre-K	Creative Curriculum	Center activities based on student needs
ELA	K-2	HMH, Arriba La	Printed work packets and resources, EPIC, RazKids, shared

		Lectura	google docs and slide shows, revisions made to curriculum and additional texts to align with HILLS framework
ELA (Phonemic Awareness)	K-2	Heggerty English and Spanish	n/a
Math	K-2	EnVision	Printed work packet, resources, math workbook and manipulatives, shared google docs and slide shows., take home math manipulative kits
ELA (Phonics)	K-2	Fundations, Aprendo Leyendo	Printed decodables and start right readers

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Acadience Reading. June 2025. K-2 all students 48% well below benchmark 16% below benchmark 16% at benchmark 20% above benchmark 68% proficiency NYC Performance Task. June 2025	Kindergarten: vowel pairs not part of curriculum but assessed in Acadience All grades: minimal opportunities to practice fluency inherent in the curriculum Small group intervention started very late in the year in pull-out program	- Kindergarten embed vowel pairs in second half of year instruction - All grades embed more opportunities for explicit teaching of fluency skills - Start use of decodable texts early in the school year -administer PAWRD and begin targeted intervention early in the school year
Acadience Reading. June 2025. K-2 students with IEPs 66% well below benchmark	Lack of fidelity in implementation of Heggerty for students with IEPs in special classes Small group	- Special classes implement Heggerty - Start use of decodable texts early in the school year -administer PAWRD and begin

18% below benchmark 9% at benchmark 7% above benchmark	intervention started very late in the year in pull-out program	targeted intervention early in the school year
Acadience Reading. June 2025. K-2 ML/ELL 61% well below benchmark 21% below benchmark 7% at benchmark 11% above benchmark	Previous Dual Language program was 50/50 English and Spanish Minimal opportunities to practice fluency inherent in the curriculum	- Program Dual Language classes on a sliding scale (K: 70/30, 1: 60/40, 2 & 3: 50/50) - Embed more opportunities for explicit teaching of fluency skills - Start use of decodable texts early in the school year - administer PAWRD and begin targeted intervention early in the school year

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	36	By June, 2026, literacy for All Students will improve, as measured by a 14% Increase, from 36% to 50% of students scoring at or above grade-level benchmark on the Acadience Reading screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Acadience Reading screener (Reading Composite)

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Administer PAWRD (secondary screener) to students scoring 16% and below on BOY screener early to inform decisions on interventions and groupings early.

Root Cause Addressed:

Small group intervention started very late in the year in pull-out program.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Administer BOY Acadience screener in September and analyze student data during teacher team meetings
Administer PAWRD to students scoring 16% and below in early October
Use teacher team meeting times to analyze data (specifically naming individual student needs), identify trends and group students for small-group intervention supports. Teachers will then also identify specific strategies to address the needs of these students.
Classroom teachers and Special Education teachers begin intervention lessons with small groups using FUNdations and PAF
All students complete Acadience progress monitoring tasks monthly and teacher teams meet to analyze this and small intervention groups' data

Key Strategy 2 (Optional):

Examine and make revisions to curriculum to support alignment with fluency and foundational skills needs

Root Cause Addressed:

Kindergarten: vowel pairs not part of curriculum but assessed in Acadience
All grades: minimal opportunities to practice fluency inherent in the curriculum
Lack of fidelity in implementation of Heggerty for students with IEPs in special classes

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Special classes schedule Heggerty in their program, starting in September
Grade team leaders support special class teachers with implementation of Heggerty as needed
Kindergarten grade team examine pacing calendar for FUNdations to add instruction in vowel pairs and suffixes -ed and -s in the second half of the school year
All classes begin use of decodable texts and FUNdations passages in September
Professional Learning for teachers on explicit teaching of fluency skills (PL session facilitated by Teaching Lab, intervisitations)

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

- Acadience Reading monthly progress monitoring assessments in lowest-performing components
- PAF and FUNdations unit assessments
- Teacher unit plans and pacing calendars reflect appropriate revisions to curriculum

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
06/11/2025	06/18/2025	3K/ PK and Kindergarten Orientations

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, Parent Coordinator, Classroom Teachers, Teaching lab coach

Instructional Resources

Heggerty, Fundations, PAF

Schedule Adjustments

Monday- Friday 45 min Fundations block, 10 minutes Heggerty

Other Resources Needed

n/a

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
58.4% proficiency in Decision-Making of students requiring Tier 2/3 SEL supports on SEL Screener	- Inconsistent understanding of good and bad choices	explicit teaching and discussion of appropriate decision-making skills

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	58%	By June, 2026, physical and mental wellness for students requiring additional SEL support will improve, as measured by a 10% Increase in proficiency in decision-making skills from 58% to 68%, per the DESSA-based Social-Emotional Screener.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement regular, explicit instruction and guided discussions on decision-making skills within the classroom and counseling sessions. Lessons will focus on helping students recognize choices, understand consequences, weigh options, and practice problem-solving in real-life scenarios. Teachers and counselors will use evidence-based SEL curricula and the DESSA framework to tailor activities that build students' self-awareness, responsible decision-making, and emotional regulation. Opportunities for reflection, role-playing, and peer collaboration will be integrated to reinforce these skills consistently throughout the year.

Root Cause Addressed:

Limited understanding among students of how to make positive, responsible decisions due to gaps in explicit SEL instruction.
Inconsistent or insufficient opportunities for students to practice decision-making in safe, supportive environments.
Lack of targeted support for students requiring additional SEL guidance to develop critical social-emotional competencies

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
When setting classroom rules and expectations with students in first days of school, create class good/ bad decision chart as a class to be posted as a reference.
SEL lessons throughout the year on decision-making skills

Teachers complete Beginning, Middle and End of year SEL screener to track student progress in decision making
SEL team meets after administration of assessment to analyze data and plan interventions
Classroom teachers and SEL Team implement interventions throughout the year (check in/ out, at-risk group counseling, desk reminders)
PBIS Kickoff event focus on application of decision making skills
Students receive tickets toward earning of prizes for exercising good decision-making skills throughout the year

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

- BOY, MOY, and EOY SEL Screener
- shared document to capture cycles of data analysis
- intervention plan spreadsheet

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Acadience Math. June 2025. K-2 all students 35% well below benchmark 15% below benchmark 16% at benchmark 34% above benchmark 72% proficiency NYC Performance Task. June 2025	-Kindergarten EnVision curriculum does not include numbers past 20, students also struggle to identify two digit numbers out of order - first and second grade students lack fluency to 100	Students develop automaticity in facts to 100.
ELL student writing proficiency in English, PS 170 In-House Writing Benchmark June 2025 (via All-In) K- 57% met or mastered 1- 82% met or mastered 2- 61% met or mastered Overall- 65% met or mastered	-inconsistent staffing in K DL class -low-level vocabulary in writing -lack of use of expanded sentences in writing	More consistent planning for dual language team Intervisitations for 1st and K DL teachers to see

		protocols and practices in 2nd grade

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50%	PS 170X will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students at or above grade-level benchmark will Increase by 5% from 50% to 55%, for All Students, as measured by Acadience Math Screener.
English Language Learners (ELL)	30%	PS 170 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students proficient (scoring 70% and above) will Increase by 20% from 30% to 50%, for English Language Learners (ELL), as measured by PS 170 English In-House Benchmark Writing Task.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

examine and revise EnVision curriculum and pacing calendar

Root Cause Addressed:

-Kindergarten EnVision curriculum does not include numbers past 20, students also struggle to identify two digit numbers out of order
- first and second grade students lack fluency to 100

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Kindergarten teacher team revise curriculum to embed numbers 20 to 100 in in-class activities and homework
All grades embed number talks in daily lesson plans
Weekly Acadience computation progress monitoring activities (grades 1 &2)
Teacher teams meet weekly to plan number talks, analyze student data and plan interventions

Key Strategy 2 (Optional):

Improve quality of vocabulary and writing instruction for ELL students in English

Root Cause Addressed:

-low-level vocabulary in writing
-lack of use of expanded sentences in writing

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Administration will schedule intervisitations for 1st and K DL teachers to see protocols and practices in 2nd grade
Teachers will use connecting words in Social Objectives to foster students use of expanded sentences
Dual Language staff will be regularly scheduled for common planning sessions
Dual Language team will analyze English writing samples to determine next steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Acadience Math Benchmark and Progress Monitoring
EnVision unit assessments
Teacher lesson plans
English In-House writing benchmarks (BOY, MOY, EOY)
End of Unit writing pieces

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, Parent Coordinator, Classroom Teachers, Dual Language Teacher, ENL Coordinator

Instructional Resources

Envision math, Number Talks, HMH Grammar lessons, Writing Units

Schedule Adjustments

Daily math block 45 minutes, Number Talks embedded in math block, Daily 45 minute writing block, scheduling dual language planning time

Other Resources Needed

n/a

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
77% of eligible families have completed Building Block 1 of NYC Kids Rise (June 2025)	- lack of family and student understanding of financial impact of higher education - discomfort with process of completing online registration	Financial literacy education for students and families

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	77%	PS 170X will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of NYC RISE Building Block 1 completion for All Students will Increase by 13% from 77% to 90% as measured by NYC RISE enrollment reports.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Provide clear, accessible guidance and support for families to complete the NYC RISE Building Block 1 enrollment documents. This will include hosting family workshops and one-on-one assistance sessions led by the Parent Coordinator, where parents can receive step-by-step help with forms, understand the importance of the program, and get answers to their questions. The school will also distribute easy-to-understand materials (in multiple languages as needed) and offer reminders through calls, texts, and newsletters to ensure timely completion. Collaboration with teachers and staff will help identify families who need extra support to complete the process.

Root Cause Addressed:

- Families may be unfamiliar with the enrollment process or the importance of completing these documents.
- Parents might face barriers such as language difficulties, limited time, or uncertainty about how to navigate the paperwork.
- Without direct support, families may delay or not complete the necessary steps, which can hinder their child's progress toward college and career readiness pathways.
- By providing clear guidance, personalized assistance, and multiple communication channels, this strategy removes those barriers and promotes timely completion of the enrollment process.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Parent Coordinator will conduct targeted outreach to families who have not completed NYC RISE Building Block 1 enrollment by making personalized phone calls, scheduling home visits if needed, and offering tailored support to

address barriers and assist with document completion, ensuring every family receives the help they need to complete the process.
Host family workshops twice a year(in-person and virtual) led by the Parent Coordinator to guide parents through the NYC RISE Building Block 1 enrollment process, including completing all required documents. Provide bilingual support and materials to ensure accessibility for all families.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Parent Coordinator will track and document:
- Dates and attendance of family workshops (including language supports).
- Records of phone calls, text reminders, and newsletters sent to families.
- Family feedback collected after workshops and outreach sessions.

Monthly review of NYC RISE Building Block 1 completion rates to monitor progress toward the goal of 90%.

Correlate workshop attendance and outreach contacts with completion data to assess effectiveness.

Use data to identify families needing additional support and adjust outreach strategies accordingly.

Share progress updates during monthly Attendance or Enrollment Team meetings to guide ongoing efforts.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Coffee with PC and Principal Meetings	parents/PA Board

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Staff

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
58% of students' families attended student support workshops (Parent	- time conflicts with work and family obligations - parents	Scheduling workshops at a variety of times to meet families' needs Targeted

Workshop attendance sheets 9/24-6/25)	forgetting when workshops are scheduled	outreach to families with reminders of workshops

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	58%	PS 170X will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of students' families attending student support workshops will Increase by 12% from 58% to 70% as measured by Family Workshop attendance sheets.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Targeted communication with families about upcoming workshops

Root Cause Addressed:

parents forgetting when workshops are scheduled

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Flyers and invites shared via instagram, email, class dojo, and backpack 1 week prior to event
Monthly calendar of events distributed at end of previous month throughout year
PC call/ text families to whom events pertain 3 and 1 days prior to event

Key Strategy 2 (Optional):

Revise scheduling of student support workshops for families

Root Cause Addressed:

- time conflicts with work and family obligations

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Summer planning of year-long events, scheduling some for after-school, some during the school day, and some in the evening
Survey families at BOY on time preference for events and topics of interest
Examine attendance sheet data midyear and revise schedule as necessary

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

- track attendance via workshop attendance sheets
- Family Surveys

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/29/2025	10/03/2025	Family Welcome Survey	
06/01/2025	06/30/2025	Planning with SEL/ Family Engagement team to calendar events for year	
02/09/2026	02/13/2026	Planning with SEL/ Family Engagement team to analyze attendance data	
09/04/2025	06/26/2026	Distribution of monthly calendars and flyers for events with follow-up calls and texts by PC	

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, Parent Coordinator, Social Worker, School Counselor, Classroom Teachers, ENL Coordinator, Speech Teacher, Occupational Therapist

Instructional Resources

ELA/Math Core Curriculum, Sandy Hook Curriculum

Schedule Adjustments

Monthly Parent Workshops during the day, after school and/or evening

Other Resources Needed

n/a

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
22% of students Chronically Absent (Insight: October 2025)	- families going on vacations during school year - lack of understanding of symptoms of illness that require students to stay home	Families' need support understanding the impact of attendance on student academic performance
21% of students with IEPs Chronically Absent (Insight: October 2025)	- families going on vacations during school year - lack of understanding of symptoms of illness that require students to stay home	Families' need support understanding the understanding the impact of attendance on student academic performance

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	22%	By June, 2026, the Chronic Absenteeism Rate of students with IEPs for Students with Disabilities (SWD) will increase by 4%, from 22% to 18%, as measured by the Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Lack of Family Understanding About Attendance Impact

How the Plan Addresses It:

Family education campaign led by the Parent Coordinator (flyers, workshops, and social media) explains what chronic absenteeism means and why every day counts.

Workshops use simple data visuals and relatable examples.

Recognition programs reinforce the message that attendance is valued.

Root Cause Addressed:

Lack of Family Awareness and Understanding of Attendance Impact
Families may not understand that:

Missing just a few days a month adds up to weeks of lost instruction.

Both excused and unexcused absences contribute to chronic absenteeism.

Regular attendance builds academic skills, social connections, and long-term habits for success.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Weekly attendance team meetings to address attendance concerns for students with IEPs
Beginning of year attendance meeting (addressing attendance policies including bringing students to school late or picking up early in the event of a medical appointment, policies on illness and attendance, and school year calendar)- targeted invitations to families in need of support
Bi-monthly attendance report cards
Personalized phone calls to families of students with IEPs when absent to remind them about brining them in late versus being absent for an appointment or rough morning
Monthly celebrations for students with perfect attendance
Send out one pager on when to keep your child home due to illness in multiple languages

Key Strategy 2 (Optional):

Home Routines and Scheduling Challenges

How the Plan Addresses It:

Workshops and newsletters provide practical tips on routines, sleep, and organization.

Monthly check-ins help families set and maintain morning routines.

Encouragement of scheduling appointments after school hours when possible.

Root Cause Addressed:

Families may struggle with inconsistent morning or bedtime routines, difficulty getting children to school on time, or scheduling appointments during school hours.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create and Distribute Family-Friendly Attendance Materials
Hold an “Every Day Counts” Family Workshop

Integrate Attendance Education into School Communications
Share Personalized Attendance Data with Families
Celebrate and Recognize Good or Improved Attendance

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

For Root Cause 1: Lack of Family Understanding About Attendance Impact

The Parent Coordinator will maintain logs of all family outreach efforts, including attendance at workshops, distribution of flyers, and engagement through newsletters and social media.

The Attendance Team will meet monthly to review attendance data trends, noting changes in chronic absenteeism following family education activities.

Family and student check-ins will be conducted by the Parent Coordinator and teachers to discuss attendance patterns, clarify misconceptions about excused versus unexcused absences, and gather feedback on the effectiveness of communication efforts.

Family surveys will be used to measure changes in parent understanding of attendance expectations and their perceived importance of daily attendance.

Documentation of recognition events (attendance shout-outs, certificates, and newsletters) will be collected as evidence of continued messaging that reinforces attendance as a school priority.

Monthly attendance reports and comparisons of chronic absenteeism rates will be analyzed to determine if the education campaign is contributing to measurable improvement in student attendance and engagement.

For Root Cause 2: Weak Home Routines and Scheduling Challenges

The Parent Coordinator and Attendance Team will conduct ongoing check-ins with students and families identified as having inconsistent attendance to offer personalized support and problem-solving strategies.

Logs from these family and student contacts will be reviewed monthly to track participation and note improvements in daily attendance or punctuality.

Workshop participation data, including sign-in sheets and feedback forms, will be collected to determine family involvement in sessions focused on building strong morning and bedtime routines.

Pre- and post-surveys will measure changes in family confidence and consistency in maintaining effective routines that support timely attendance.

Teacher input will be gathered on student readiness to learn, organization, and engagement as indicators of how improved home routines translate to classroom outcomes.

Attendance data will be reviewed each month to identify trends in tardiness, daily presence, and reduction in chronic absenteeism across targeted students.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent coordinator call families to inquire about students absences. ILogs are entered to record interactions

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Increase clarity of expectations around referral criteria, goal development, and progress monitoring responsibilities for teachers, and provide targeted professional guidance to support the creation of appropriate, measurable IEP goals aligned to student needs and grade-level standards.

Root Cause Addressed:

Lack of clarity around referral criteria for identifying students who may need special education support.
Unclear expectations about teacher roles and responsibilities in progress monitoring for students with IEPs.
Insufficient guidance or training for teachers on how to write appropriate, measurable IEP goals aligned to student needs.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Creation of consistent tracking system for progress monitoring IEP goals
Creation of shared IEP calendar to be managed by Special Ed staff and admin throughout the school year
PL for staff on shared expectations for PM policies
Creation of pre-referral form to determine whether or not a student meets criteria for an evaluation

Key Strategy 2 (Optional):

Offer targeted professional learning sessions combined with intervisitation opportunities for Special Education teachers to observe each other's classrooms, share best practices, and collaboratively improve instructional strategies, progress monitoring, and goal-setting skills.

Root Cause Addressed:

-inconsistent access to grade level curriculum to support students meeting grade level goals
- lack of fidelity of implementation of curriculum for students with IEPs in special classes

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Special Education teacher team meet at beginning of year to review HMH Module Pacing Guidance K-5 for SWD document
Schedule intervisitations for special class teachers to meet with and observe colleagues at other schools with similar programs
Special Education teacher team meet regularly to look at student work and identify scaffolds and strategies to support student access to grade-level content, even in a bridge class

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

School-created tracking sheet of IEP academic goal progress monitoring
Intervisitation schedule
Teacher lesson plans
Pre-referral data from form

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/09/2025	09/09/2025	In-person and virtual "Meet the Teacher"	
10/01/2025	05/29/2026	Bi-monthly Family Curriculum and SWD Family Workshops with targeted outreach in advance to support attendance	
09/04/2025	06/26/2026	Annual & Triennial IEP meetings	
11/06/2025	11/06/2025	Parent-Teacher Conferences	
03/05/2026	03/05/2026	Parent-Teacher Conferences	
05/07/2026	05/07/2026	Parent-Teacher Conferences	
06/11/2025	06/11/2025	Kindergarten Orientation	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Administration, Special Education Teachers, Speech Teacher, Occupational Therapist, School Counselor

Instructional Resources

Heggerty, HMH Into Reading, Fundations, HMH Pacing for Special Classes

Schedule Adjustments

Core Subjects taught daily for 45 minutes; ELA Reading, Phonics, Writing, Math block

Other Resources Needed

District Team to help coordinator school initervisitation

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 Small Group Instruction in the classroom	Acadience / PAWRD	Tier 2	Small Group	During School Day	No
RTI Tier 2 Pull out	Acadience/ PAWRD	Tier 2	Small Group	During School Day	No
Title III program	NYSESLAT Proficiency Level	Tier 2	Small Group	After School	No
Zearn Math	Student Diagnostic	Tier 3	One to One	During School Day	Yes
Waggle ELA	Acadience/PAWRD	Tier 3	One to One	During the School Day	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
PBIS rewards system	Teacher recommendation based on anecdotal records	Tier 2	small group	during school	N
Check in, check out	Teacher recommendation based on anecdotal records, FBA, and DESSA	Tier 2/ 3	one-to-one	during school	N
Restorative Circles	Teacher recommendation based on anecdotal records and DESSA	Tier 2/3	small group	during school	N
TCIS	FBA, BIP, Crisis Intervention	Tier 3	one-to-one	during school	N
Social Skills and Conflict Resolution Instruction	Teacher recommendation based on anecdotal records, FBA, DESSA	Tier 2/ 3	small group	during school	N
At-risk counseling	Teacher recommendation. parent outreach, DESSA	Tier 2.3	small group and one to one	during school	N
Mentoring	Teacher recommendation. parent outreach, DESSA	Tier 2.3	small group and one to one	during school	N

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Academic:

Parents are informed of tiered supports at Meet the Teacher events at the beginning of the school year and dive deeper into these programs during targeted family workshops for families of MLLs, Students with Disabilities, and Grade-Specific workshops for families.

SEL:

Parents of all students are informed of tiered Social-Emotional supports during orientation and Meet the Teacher events. Our SEL team (comprised of our school counselor, social worker, parent coordinator and administration) also facilitate workshops for families with more specifics on Tier 2 and 3 supports for students in need and to offer connections of how they can support their mental and emotianol health and happiness at home.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Academic:

Families of students receiving Tier 2 and 3 interventions receive updates on their children's academic progress through bi-weekly profile sheets throughout the school year, as well as at parent-teacher conferences, IEP meetings, and Promotion in Doubt meetings.

SEL:
Families are notified of any Tier 2 or 3 supports recommended for their children after classroom teachers complete the DESSA screener in October. They must consent to their students receiving these supports and receive updates on their child's progress in this area at parent-teacher conference time.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parents are required to sign a document indicating their permission for their children to participate in any pull-out Tier 2 and 3 services during and after school time. This includes academic support as well as at-risk counseling.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Currently we have 29 students in temporary housing. 22 students are doubled up, 3 students are in shelters, and 4 students are living in a hotel.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

The demographics of our STH population are proportionate to that of our non-STH students. There is a wide range of academic performance level and attendance percentage among STH students. Therefore, to target support, we have reached out to families to ask what their specific needs are and, in response to this, provided a food pantry, toiletries and personal hygiene, school uniforms and summer clothing, and laundry and cleaning supplies.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Using the STH Allocations, the school provides school supplies, hygiene kits, uniforms, and backpacks to students. We have a partnership with Mighty Milers which provides sneakers and athletic wear. Through our partnership with Agatha House the school provides food for families in need and supplements this with additional food items purchased with STH allocations.

During Parent Association Meeting and individual meeting with parents, the school provides resources and links to community agencies where families can find support in housing, health care, food stamps, and immigration support.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

We currently have 1 student in foster care who happens to also be a student with an IEP. She receives social-emotional support via the schoolwide PBIS system and Tier 1 SEL curriculum as well as check-ins with the family and agency. She receives speech therapy and is in an ICT program in accordance with her IEP reccommendations.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After an initial SEL screener is completed, and data is reviewed, at-risk counseling is available to students in need in the foster care system, provided by counseling staff trained in best practices for supporting their specific population. Resources are also available to support the families outside the school and shared as need arises. The school maintains communication with the supporting agency to insure consistency. Students may be selected to participate in clubs and teams in the school during and after the school day as well. Students in foster care are also supported to apply for Summer Rising programs.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

At the current time, we only have one student in foster care. Historically, attendance has been excellent and we have maintained good communication with the agencies and families as well. We have been fortunate to have excellent foster families who have supported our students academically in making gains throughout their educational experience at our school.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

As a 3K-2nd grade school who will be adding a grade per year, we have not experienced much transition in grades for these students. The Pre-k students visit a kindergarten class prior to moving up to prepare them for the next grade level experience. The school supports the families with trying to maintain their attendance in our school to increase their stability in their school life even when their home life may be unstable. Individual at-risk counseling is made available to these students either based on the SEL screener or foster family request. Students also check in and out with a mentor staff member daily.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 170, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 170 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology; bi-monthly parent curriculum workshops as well as workshops for sub-populations MLLs and SWD.
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children; parent surveys, monthly Coffee with PC and Administration to foster of their understanding of the grade level expectations.
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress; bi-weekly profile sheets are sent home to inform parents of students progress, teachers make themselves available to address parents concerns and provide information on student progress. Coffee with PC and Administration,
- providing assistance to parents in understanding City, State and Federal standards and assessments; in-person meet the teacher week, 3-K, Pre-K, and kindergarten orientation, NYSESLAT workshop provided by the ENL Coordinator. monthly Coffee with PC and Administration, CEP progress monitoring dat is reviewed with the SLT to make improvement in instruction
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand; all parent communication is translated in the three major languages of the school community, information is shared through a variety of modalities including; email, Dojo, parent monthly foamily calendar, Instagram, and backpacked to families.
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community; during career and college week, parents present to the school community on various career paths. We build relationships with families during various events throughout the year including, bingo night, movie night, pumpkin painting and turkey trot. Administration and Parent Coordinator gather actionable feedback and turn key to staff.

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and

strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 170, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

PS 170 will provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA)

I. School Responsibilities: Supporting Home-School Relationships

PS 170 will support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year

I. School Responsibilities: Providing Parents Reasonable Access to Staff

PS 170 will provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences and workshops

I. School Responsibilities: Providing General Support to Parents

PS 170 will provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members (in response to school-created survey)
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs

II. Parent/Guardian Responsibilities

As a parent of a student at PS 170, I understand and agree that I will
- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by promptly reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to

learn more about teaching and learning strategies whenever possible;

- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child

III. Student Responsibilities

As a PS 170 Superstar, I will

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Administration will work with Teaching Lab to schedule professional development for teachers teams in the implementation of Fundations and HMH Into Reading. Teachers will receive individualized support based on walk throughs conducted by the Teaching Lab coach and administration. Teaching Lab will provide 13 days of bi weekly support. During these sessions the coach will provide individualized support as well as plan mini- pd sessions using data from walk throughs.

Administration will schedule intervisitations to view promising practices in Fundations, strategies for SWDs and MLLs.
A professional learning survey was conducted in June,. The results will be used to plan professional development to meet the needs of staff.

The ILT team will conduct walk throughs with a common tool during ELA, and math instruction focusing in priority area data will be used to plan professional development sessions.
Special Education and MLL teacher will look at IEP goals and NYSESLAT proficiency levels to plan instruction.
Teachers will create individual professional goals with an action plan. Administration will seek appropriate personnel to provide professional development in the corresponding areas. Consultant will provide staff with differentiated support.
Special Educations, ELA, Math, and MLL Liaisons will attend monthly professional learning sessions provided by the district.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

To assist pre-school student's transition into kindergarten, we provide kindergarten orientation workshops for parents. The session is available both in person and virtually. Curriculum, policies, and expectations of the school are shared at the session. Parents are made aware of what their children should know by the time they enter kindergarten as well as activities they can do to prepare their children for school. Our Pre-K class visits a kindergarten classroom where children share how Kindergarten is different than Pre-K.

In order to ease the transition of preschool students from local daycares into community schools, we schedule Pre K students from Mid-Bronx Daycare to visit our school. At this time students are given a tour of our school. Students join our kindergarten classes and our students give them a tour of the classroom and read a story to them. There is also time for questions and answers.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	194,080	x	Priority 1, 2, 3
Title I, School Improvement 1003(a)	Federal	n/a		n/a
Title II, Part A	Federal	25,425	x	Priority 1, 2, 3
Title III, Part A	Federal	12,000	X	Priority 1, 2, 3
Title III, Immigrant	Federal	n/a		n/a
Title IV, Part A	Federal	n/a		n/a
Tax Levy (Fair Student	Local	1,649,780	x	Priority 1, 2, 3, 4, 5

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Sonia Acevedo Suarez
Assistant Principal (Where Applicable)*	Amanda Sloan
English as a New Language (ENL) Teacher*	Lisette Seminario
Teacher (if school has a bilingual program must be a bilingual teacher)*	Maura Castillo
Parent/Guardian*	Janete Da Silva
Teacher	Shannon Mathis
Parent Coordinator	Gladys Gomez
School Counselor	Loanny Saldivar
Related-Service Provider- Speech Teacher	Sandra Moy
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

2

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

2

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

113

Total number and percentage (%) of current ELLs:

37%

Total number and percentage (%) of former ELLs:

0%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

41; 100%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

1, 2.4%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

9; 22%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	One way dual language	Spanish	2022	1	1	1											3
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Research has demonstrated that effective academic programs for English Language Learners (ELLs) can help close achievement gaps. Our goal is to support students in developing advanced literacy through our educational programs: HMH curriculum, Fundations, and PAF. By doing so, we aim to equip them for success in today's knowledge-based society. We plan to achieve this by strengthening the instructional core and addressing the achievement gap between our multilingual/ELL students and their monolingual peers. We will foster advanced literacy through engaging texts, rich discussions, daily writing, and a focus on high-utility vocabulary.

At PS 170X, each classroom utilizes the HMH/Into Reading curriculum alongside the Fundations program for phonics instruction in English. We also strive to provide support in students' native languages whenever possible. In our English as a New Language (ENL) classes, students receive focused instruction in English language development, which is supplemented by assistance in their home or primary languages and the use of effective English Language Learner (ELL) instructional strategies to enhance comprehension using the PAF reading program.

The PAF reading program incorporates listening, speaking, reading, and writing modalities to build essential everyday communication skills (Basic Interpersonal Communicative Skills - BICS), while also emphasizing academic language skills (Cognitive Academic Language Proficiency - CALP). Additionally, we implement the SIOP (Sheltered Instruction Observation Protocol) framework to provide both language and academic support.

Student grouping is determined based on grade level, NYSESLAT scores, and Individualized Education Program (IEP) goals for those with special education needs. Our ELL students undergo both formative and summative assessments, and we regularly monitor their progress to identify their strengths, needs, and next steps.

Our dually certified ENL teacher provides services to all kindergarten, first, and second-grade students who require ENL support. Students are grouped according to their proficiency levels and receive the mandated number of instructional minutes as outlined in CR Part 154.

ENL students receive the required instructional minutes based on CR Part 154, including 180 minutes in integrated or stand-alone ENL for students at advanced or transitioning levels, and 360 minutes for those at emerging or entering levels. Our ENL teacher collaborates continuously with classroom teachers to meet the needs of all multilingual/ELL students.

Integrated ENL:

Research indicates that effective academic programs for English Language Learners (ELLs) can help bridge achievement gaps. Our primary objective is to assist students in developing advanced literacies through the HMH curriculum and Fundations programs, ultimately equipping them for success in today's knowledge-based society.

This will be accomplished by enhancing the instructional core and narrowing the achievement gap between our ML/ELLs and their monolingual peers. We aim to foster advanced literacies through the four hallmarks and integrate them into our daily instruction through engaging text, discussion, vocabulary development and daily writing.

At PS 170x, we use the HMH/Into Reading curriculum to deliver English instruction, supplemented with support in the students' native language when feasible. In Integrated ENL classes, students receive instruction in core content areas and English language development, with additional support in their home or primary language, as well as appropriate ELL instructional aids to improve comprehension. The curriculum covers the four modalities of listening, speaking, reading, and writing in both content areas and English language development instruction. It emphasizes the development of foundational skills for everyday communication (BICS) while also stressing the acquisition of academic language skills (CALP). Furthermore, we implement the SIOP framework to provide language and academic support. The grouping of our ELLs is based on grade level, NYSESLAT scores, and IEP goals. Formative and summative assessments are conducted for our ELL students, and their progress is regularly monitored to identify and address any concerns, strengths, needs, and next steps.

Our dually certified ENL teacher serves all kindergarten, first, and second-grade students who are mandated to receive ENL services. Students are grouped according to their proficiency level and receive the required number of minutes as per CR Part 154.

Our ENL students receive the prescribed number of minutes per CR Part 154, which includes 180 minutes in integrated/stand-alone ENL for students at an advanced or transitioning level and 360 minutes in integrated/stand-alone ENL for students at an emerging or entering level. Our ENL teacher works closely with classroom teachers to cater to the needs of all ML/ELL students.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

For the 2025-2026 school year, we will not have a transitional bilingual program. We only have a K-3 dual language program.

Dual Language Bilingual Education (DLBE):

PS 170x offers a two way dual language program for kindergarten and one-way dual language for first and second grade. It is a self-contained program for students in kindergarten through second grade. In our kindergarten dual language class, instruction is divided into 50% Spanish and 50% English. For the first-grade dual language class, the ratio adjusts to 60% Spanish and 40% English. In second and third grades, the balance is equal at 50% Spanish and 50% English. The primary focus of our program is to help students develop academic skills and literacy in both languages using the Houghton Mifflin Harcourt/Arriba la Lectura curriculums, Fundations, and Aprendo Leyendo. Our goal is for students to achieve advanced literacy in both languages, enhancing their communication skills.

We use the Sheltered Instruction Observation Protocol (SIOP) framework to provide language and academic support in both the students' home language and the new language. Our bilingual teachers collaborate with monolingual and special education teachers, along with support staff, to promote academic achievement across all subjects. We utilize best practices, including visuals, easy-to-understand definitions, videos, and graphic organizers, to facilitate comprehension and learning.

Students are assessed using various methods, including the Measures of Student Learning (MOSL), phonics and word work assessments, Acadience assessments, Acadience progress monitoring, as well as baseline, midline, and endline writing evaluations, alongside Envision curriculum unit math tests. These assessments monitor student progress and growth, allowing teachers to adapt lesson plans to meet individual needs and set specific goals for each student.

For our English Language Learner (ELL) students, we provide the mandated instructional minutes as per CR Part 154. This includes 180 minutes of integrated or stand-alone English as a New Language (ENL) instruction for students at advanced or transitioning levels, and 360 minutes for students at emerging or entering levels. This also includes the 180 minutes of HLA per week, 180 minutes of phonics using Aprendo Leyendo and 1 or two more bilingual content area subject depending on the ratio of L1 and Le depending on the grade.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Our bilingual students receive instruction in both their home language and English, tailored to their proficiency levels as outlined in CR Part 154-2. Depending on their English proficiency, students may receive up to 360 minutes of English as a New Language (ENL) instruction each week. This consists of 180 minutes dedicated to ENL and 180 minutes focused on English Language Arts. This also includes the 180 minutes of HLA per week, 180 minutes of phonics using Aprendo Leyendo and 1 or two more bilingual content area subject depending on the ratio of L1 and L2 depending on the grade.

Every September, teachers collaborate with the ELL Coordinator to develop effective schedules that will fulfill the mandated minutes in L1 and L2. These plans are then reviewed by the principal to ensure compliance with the required instructional minutes. Additionally, all relevant teachers and the principal receive copies of the NYSESLAT/NYSITELL results and the students' proficiency levels in September to assist in instructional planning and observation.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Our bilingual students receive instruction in both their home language and English, tailored to their proficiency levels as outlined in CR Part 154-2. Depending on their English proficiency, students may receive up to 360 minutes of English as a New Language (ENL) instruction each week, which includes 180 minutes dedicated to ENL and 180 minutes focused on English Language Arts. Additionally, 180 minutes of HLA per week, 180 minutes of Aprendo Leyendo program and 1 or two more bilingual content area subjects depending on the ratio of L1 and L2 per grade.

Every September, teachers collaborate with the ELL Coordinator to develop the classroom schedules for the year . These schedules are reviewed by the principal to ensure compliance with the required instructional minutes. In September, all relevant teachers and the principal receive copies of the NYSESLAT/NYSITELL results and proficiency levels. This information is essential for guiding instructional planning and observation.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

DL Program Model:

For the 2025-2026 school year, we will offer a 70/30 kindergarten model, a 60/40 first grade model, and a 50/50 second and third grade model.

b. In which language(s) is each core content area taught?

All core content areas are taught in both languages (English and Spanish).

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

At PS 170x we have 97.5% newcomer Ells and 2.5% developing Ells. Currently, none of our students have experienced inconsistent or interrupted formal education. Furthermore, we do not currently provide services Long-term English Language Learners.

For our newcomer English Language Learners (ELLs), scaffolding is crucial. We utilize visuals, gestures, Total Physical Response (TPR), and realia to enhance comprehension. Teacher modeling is essential, as we demonstrate sentence structures. It is also important to familiarize students with routines and provide repetition and explicit instruction in phonemic awareness and phonics. Additionally, we encourage peer interactions to promote social engagement and language development.

For our developing ELLs, we model more complex vocabulary and sentence structures across different subject areas. We use graphic organizers and sentence frames to support language acquisition. Furthermore, we place greater emphasis on decoding, fluency, and comprehension.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0% of our English Language Learners (ELLs) are students with inconsistent or interrupted formal education. Supporting SIFE students effectively means meeting them with understanding, high expectations, and tailored support to help them thrive. It's how you adapt your content, language, and encouragement to make learning welcoming and meaningful for every student. We would use the SIFE Oral Interview Questionnaire to get to know each student's background, educational history, and literacy practices. We also would use the MLS and the SIFE Writing Screener, which includes both reading comprehension and vocabulary, to learn how best to help them succeed.

If a SIFE student enrolled, instruction would be thoughtfully adapted to meet their unique needs. This would include individualized assessment and planning using the aforementioned tools to deeply understand their educational

background and literacy levels. Language and content would be modified by simplifying vocabulary and sentence structure while maintaining academic rigor, supported with scaffolds such as visuals and graphic organizers. Instruction would prioritize foundational literacy skills, focusing on reading comprehension, vocabulary, and oral language development tailored to the student's current abilities. Teachers would build on the student's prior knowledge and experiences to make learning culturally relevant and engaging. Instruction would include flexible pacing and repetition to build fluency and confidence, alongside explicit teaching of academic language to bridge gaps. Finally, social-emotional support would be integral, fostering a welcoming and patient classroom environment that recognizes the challenges SIFE students face and encourages peer collaboration.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0% of our ELLs are Long-Term ELLs. When Long-Term ELLs enroll, instruction must focus on developing advanced academic language and closing content knowledge gaps. Unlike newcomers, long term ELLs often struggle with academic writing, complex vocabulary, and sustained reading despite years in U.S. schools.

Effective instruction includes explicit language teaching embedded in grade-level content, targeted writing support, and frequent opportunities for structured academic discussion. The goal is to accelerate both language development and academic achievement while fostering student confidence and participation.

If a Long-Term ELL enrolled, instruction would be tailored to address their specific needs by emphasizing advanced academic language, including complex vocabulary and sophisticated sentence structures across content areas. Teachers would embed explicit language instruction within grade-level lessons to teach language functions in meaningful contexts. Targeted supports such as graphic organizers, sentence starters, and writing frames would help scaffold academic writing. Classrooms would provide regular, structured academic discussions to build oral fluency and deepen conceptual understanding. Instruction would also focus on identifying and addressing any gaps in content knowledge using differentiated resources. A supportive classroom environment would encourage student confidence and participation, with ongoing formative assessments guiding instruction and providing timely feedback.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

14% of our ELLs are former ELLs. Former ELLs receive a half unit (90 minutes) of ENL or services that monitor and support the student's language development and academic progress.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

When observing early risk warnings for ELLs, 21% of our ELLs did not demonstrate sufficient English Language Proficiency (ELP) progress. Additionally, 10 students, representing 23.8% of our ELL population, are experiencing temporary housing situations.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

14 % of our ELL students are former ELLs. Even after reclassification as proficient, many former ELLs struggle with advanced academic writing. Usually their writing has limited tier 2 and tier 3 vocabulary, grammar and syntax errors and difficulty organizing their writing.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

We take steps to support communication and learning for our English Language Learners (ELL), particularly for those who speak Spanish and other languages. Our staff includes many bilingual Spanish speakers and a few French-speaking staff members who can assist French-speaking parents when necessary. Additionally, we have a bilingual ELL coordinator, a bilingual Parent Coordinator, and a bilingual school secretary to meet the translation needs of parents. All letters, emails, and social media communications to parents are translated into Spanish and French. When needed, we also collaborate with agencies and the Translation Interpretation Unit for interpretation in other languages.

Our staff includes:
- 20 Spanish-speaking staff members
- 2 French-speaking staff members

Environmental Support:

In our bilingual classrooms, we provide environmental print in both Spanish and English, in addition to a variety of books in both languages. This creates a warm and nurturing environment for our students and their families. Our goal is to foster a student-centered atmosphere that emphasizes empathy and respect for diverse cultures and differences.

Throughout the year, we celebrate our ELL students' heritage through music, art, and international events. Teachers incorporate multicultural read-alouds and utilize resources that represent diverse perspectives, which are part of the Houghton Mifflin Harcourt literacy curriculum. Additionally, we employ instructional strategies that cater to different learning styles, allowing students to choose how they present their projects.

We continue to implement the Sanford Harmony program, which encourages students to appreciate each other's similarities and differences. This program also supports students in managing their emotions by practicing empathy and overcoming anxiety. Teachers across all grades are receiving professional development in culturally responsive pedagogies.

We utilize students' home languages to enhance instruction whenever possible, including the use of Google Translate. Furthermore, we provide translation services for family engagement activities to ensure all families can participate.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

At PS 170x, we aim to create student-centered environments that prioritize empathy for others while appreciating and respecting different cultures and differences. We celebrate our ELL students' heritage through music, art, international month, and various celebrations throughout the year. Our teachers utilize multicultural books for read-aloud sessions to help students make connections across cultures and gain insights from diverse perspectives. Furthermore, our instructional strategies are tailored to different learning styles, and students are given the freedom to choose how they present their projects. We also implement the Sanford Harmony program to foster an environment where students can appreciate each other's similarities and differences and learn to manage their emotions by practicing empathy and overcoming anxiety. Teachers across all grade levels have undergone professional development in the area of culturally responsive pedagogies.

The breakdown of the racial and ethnic classifications of ELLs at our school is as follows:
Hispanic Students:
- American Indian or Alaskan Native: 24 ELLs; 58.5%
- Asian: 0 ELLs; 0%
- Black: 4 ELLs; 9.8%
- Multiracial: 3 ELLs; 7.3%
- Native Hawaiian or other Pacific Islander: 2 ELLs; 5.3%
- White: 10 ELLs; 24.4%
Total: 42 ELLs
Non-Hispanic students:
- Black: 1 ELL; 100%
Total: 1 ELL

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

ELL students can demonstrate their English Language Proficiency (ELP) growth by meeting any of the following criteria: scoring at a proficient level on the NYSESLAT, achieving the annual ELP progress target between the two most recent NYSESLAT exams, or meeting the cumulative progress criteria between their most recent and initial NYSESLAT English proficiency levels.

Currently, there are 41 ELLs in our school. Among them, 15 students have less than a year in the school system. Due to this, we have insufficient data to calculate ELP progress for these students. Furthermore, there are 16 ELLs who have had fewer than two NYSESLAT exams, so we do not have enough data to calculate their ELP progress for these students. Finally, there are 10 second-grade students who have taken two NYSESLAT exams. However, 5 of them have remained at the same proficiency level and 5 students have moved up by one level.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Data for 2025 NYSESLAT :

Proficiency levels:
Former ELLs : 6 Students, 14%
Expanding 23 students, 58%
Transitioning 6 students, 14%
Emerging 6 students, 14%

Entering 0 students, 0%

The majority of our students (58%) are at the expanding level. No students are at the entering level which indicates that all students have at least foundational English proficiency. 14% have exited ELL status , showing progress toward full proficiency.

Students have done much better in the listening portion of the NYSESLAT. Given that 72% of our ELLs are expanding and proficient it could indicate that the listening comprehension is well developed. Speaking and reading tend to lag behind because of the academic vocabulary demands. Writing is typically the most challenging modality for our ELLs. Even though 14% of our students are former ELLs, it is still a small number. These students might still need a lot of support with grammar, organization, and academic language usage (tier 2 and tier 3 vocabulary) in their writing.

Overall, the data shows that our ELLs have language growth. We will continue to focus on academic vocabulary development, especially in speaking, reading and writing that will help move our students from expanding to former ELL level status in next year's NYSESLAT assessment.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

PS 170x is an early childhood school, and the only state exam our English Language Learners (ELLs) take is the NYSESLAT.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

At PS 170x, we have 10 English Language Learners (ELLs) with Individualized Education Programs (IEPs), which constitutes 21% of our ELL population. Our ELLs with IEPs tend to score lower on the NYSESLAT assessment, particularly in the reading and writing portions. However, these students generally perform better in the listening and speaking sections of the NYSESLAT.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:

a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At Ps 170x, we strive to provide English Language Learners (ELLs) with a high-quality academic experience that fosters deep learning. Research indicates that effective academic programs for ELLs can help eliminate achievement gaps by providing comprehensive support systems. Our goal is for our students to develop advanced literacy skills that will set them up for success in today's society. To achieve this, we are focusing on strengthening the instructional core. We aim to foster advanced literacies through the four hallmarks and integrate them into our daily instruction to narrow the achievement gap between our multilingual/ELLs and their monolingual peers.
We use the HMH/Arriba la lectura curriculum, which is science and social studies-based, to offer students the opportunity to broaden their thinking and acquire new knowledge.

Our approach prioritizes core academic skills and content expertise, phonemic awareness, phonics, comprehension, language, and vocabulary. We also emphasize critical thinking and problem-solving skills, as well as creating a sense of belonging and inclusivity for all learners. Our goal is to develop the ability to transfer learning and apply it to new and complex situations, fostering discussion using the protocol - "I agree, disagree, want to add on."

To facilitate this, we introduce content, language, and social objectives at the beginning of each lesson and provide front-loading vocabulary to allow teachers to explicitly teach academic language. Teachers utilize graphic organizers, visuals, sentence starters, and rubrics that align with content area standards and match the student's language ability in both their new language and home language. In dual language classes, instruction is differentiated in the home language, utilizing Home Language Arts progressions to scaffold content and academic language instruction.

During the beginning of the school year teacher teams closely examine school data, identify trends, and ensure that we are incorporating rigorous and inclusive instruction, along with Sheltered Instruction Observation Protocol (SIOP) strategies, to make content comprehensible for all ELLs.

Teachers also differentiate instruction by content, process, product, ability, and proficiency level, offering students choices to select unit projects based on their learning style. We are also exploring activities with various entry points to ensure that all students have access to learning and choice. Finally, the principal evaluates the implementation of professional development through teacher observations and lesson plans.

Our ELL teachers have also been trained on structured literacy with Dr. Cardenas and teachers implement strategies that suppor learning with vocabulary and phonics.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

At PS 170x, we believe that high-quality instruction should be available to all our students through various means. Our Instructional Leadership Team (ILT) supports our teachers in planning, organizing, and implementing the school's priority focus. Our ILT members include the Principal, grade leaders, ELL coordinator, and Special Ed coordinator, who represent our diverse student populations.

This year, the focus of our instructional improvement will continue to be on student discussion and the development of oral language skills. We will emphasize the use of social objectives, discussion protocols, and student-generated questioning to encourage rich and organic conversations in academic and non-academic contexts.

We aim to enhance teacher capacity in data literacy and assessment using tools such as Acadience, student surveys, progress monitoring, writing samples, and pre and post-assessments in math units. This will help differentiate instruction in reading, writing, and math, leading to improved student performance in ELA and math at the end of year MOSL assessments. Our students receive daily phonics instruction through Fundations and Heggerty phonics programs. Furthermore, the ILT uses an interim progress-monitoring tool to assess students' progress continuously, enabling immediate instructional adjustments by classroom teachers.

To strengthen core instruction, our teachers collaborate across content areas to promote oral language skills by creating opportunities for student engagement, peer feedback, and challenging each other's thinking.

We believe that students should be active participants in the learning process. To support our students, we employ the Sheltered Instruction Observation Protocol (SIOP) framework, which utilizes various strategies to make content accessible for all learners, including SWDs and ELLs. This framework explicitly teaches and reinforces academic language through content, language, and social objectives. We provide opportunities for students to engage in activities with multiple entry points, ensuring accessibility for all students. Teachers also offer students choices, allowing them to select a unit project based on their learning style. Additionally, we have incorporated interaction strategies from SIOP, such as inner-outer circle, carousel, and four corners, into our curriculum to engage students with content, teachers, and peers. We have also implemented a discussion protocol in all classrooms to promote academic language.

To support our ELLs, we employ various instructional strategies:
- Connecting content to ELLs' background knowledge
- Providing comprehensible input
- Using visuals and graphic organizers
- Front-loading vocabulary
- Providing word banks and sentence frames/starters
- Using video resources, virtual tours, and encouraging home language use if possible
- Using Google Translate

Our classroom technology includes:
- Amira and Zearn
- Raz-kids and EPIC for independent reading in the classroom and at home
- Splashlearn
- ABCya
- Starfall

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

ENL:
The PAF program is taught in English, with additional support in students' native language when available. It covers listening, speaking, reading, and writing. The program focuses on both basic communication skills for everyday situations (BICS) and academic language acquisition (CALP), prioritizing increased academic language proficiency to bridge the gap between ELLs and monolingual students. The Sheltered Instruction Observation Protocol framework is used to provide language and academic support. Text-based discussions are used to help students acquire the academic language necessary to meet the Next Generation standards.

Various supports and instructional strategies are used to scaffold instruction for ELLs. These include connecting content to students' background knowledge, providing comprehensible input, utilizing visuals, graphic organizers, decoding strategy resources, front-loading vocabulary, word banks, word walls (including sound word walls), sentence frames/starters, video resources/virtual tours, recording and posting videos on features of academic language/modeling, encouraging home language use when possible, and using Google Translate.
ELL grouping is based on grade level, NYSESLAT proficiency levels, and IEP goals. Students receive the required number of minutes as per CR Part 154. Formative and summative assessments are used to assess ELL students. Progress monitoring is systematically undertaken to monitor and address concerns, strengths, needs, and next steps. The ENL teacher, who has dual certification, serves all kindergarten, first, and second-grade students who are mandated to receive ENL services in the monolingual setting and works in collaboration with classroom teachers to meet the needs of all ELL students.

Dual Language program:
In our dual language program, core content areas are taught equally in both English and Spanish, with instruction split 50/50 between the two languages. Grade teams, including bilingual teachers, review the elements of CR-SE criteria/5 pursuits. Teachers thoroughly examine the curriculum to ensure these pursuits are in place, identify areas for improvement, and determine which concepts, content, and skills need further development.

Content, language, and social objectives are introduced at the beginning of each lesson, along with front-loading vocabulary to enable teachers to explicitly teach academic language. Teachers also use graphic organizers, visuals, sentence starters, and rubrics that target the content area standards and match the students' language ability in both the new and home languages. Dual language classes also differentiate instruction in the home language. Home Language Arts progressions are used to scaffold content and academic language instruction.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.
a. ELLs with IEPs

We believe that students should actively participate in the learning process. To assist our students, we use the Sheltered Instruction Observation Protocol (SIOP) framework. This framework employs various strategies to ensure that content is understandable for all learners, including SWDs and ELLs. We explicitly teach and reinforce academic language through content, language, and social objectives. We provide diverse entry points for activities so that all students can access learning. Students have the opportunity to choose a unit project based on their learning style. We incorporate interaction strategies such as inner-outer circle, carousel, and four corners into our curriculum to

engage students with the content, teacher, and peers. We use a discussion protocol in all classrooms to support academic language. We also use instructional strategies to support our ELLs, such as connecting content to their background knowledge, providing comprehensible input, using visuals, employing graphic organizers, front-loading vocabulary, providing word banks, using sentence frames/starters, sharing video resources/virtual tours, recording and posting videos on features of academic language/modeling, encouraging home language use, and utilizing Google Translate.

In our classrooms, we use the following technology:
- Amira and Zearn for coding (Computer Science 4All)
- Raz- kids and EPIC for independent reading in the classroom and at home
- Splashlearn
- ABCya
- Starfall

b. SIFE

At this time we do not service any SIFE students.

c. Newcomers

In our school, which caters to students from Pre-kindergarten to second grade, all of our students are newcomers to the school. Teachers make adjustments to their lessons to meet the needs of the students, and the students work in small groups during different learning activities. These groups may be formed based on the students' proficiency level, reading level, specific skills, interests, or learning style. Bilingual teachers work together in planning sessions to modify the curriculum for students who are learning English as a new language. Teachers who work with English Language Learners (ELLs), whether they are bilingual, monolingual, or special education teachers, have received additional training in differentiated instruction, critical thinking, questioning techniques, and strategies for developing vocabulary. Teachers differentiate instruction based on content, process, product, ability, and proficiency level, providing students with choices and allowing them to select unit projects based on their learning style. We are also exploring various activities with different entry points to ensure that all students have access to learning and the freedom to choose. The principal evaluates the implementation of professional development through teacher observations and review of lesson plans.

d. Long Term ELLs

At this time we do not service any long-term ELLs.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

To provide support for our English Language Learners (ELLs) with Individualized Education Programs (IEPs) in achieving their goals and gaining English language proficiency, we promote extensive collaboration among ENL/bilingual teachers, special education teachers, regular education teachers, and service providers. We also offer support to parents and caregivers to ensure their active participation in their child’s education through family engagement sessions. Our aim is to implement the most inclusive environment possible. Teachers use best practices and various approaches to make instruction understandable.

Below is a list of supports and instructional strategies used to scaffold instruction for our ELLs, including those with IEPs:

- Student-friendly content, language, and social objectives
- Connecting content to ELLs' background knowledge
- Providing comprehensible input for ELLs
- Visuals and songs
- Graphic organizers
- Decoding strategy resources
- Front-loading vocabulary
- Providing word banks
- Sentence frames/starters
- Video resources/virtual tours
- Recording and posting videos on features of academic language/modeling
- Encouraging home language use when possible

The school's speech teacher, school counselor, and social worker are bilingual certified. Additionally, we have a physical therapist who provides mandated services to our ELL students. Parents of ELLs with special needs receive relevant information in their home language from the School-Based Support Team. The special education coordinator receives professional development and disseminates all information to special education, bilingual/ENL teachers, and general education teachers.

All general education teachers, as well as special education teachers, have been trained in using SESIS. Furthermore, they have received training on the Next Generation Standards to write IEP goals. They have also undergone training in writing specific and detailed Present Levels of Performance, as well as participating in implicit bias and restorative circle training.

Special education teachers input all information directly into SESIS during initial, annual, and triennial reviews. All general education teachers and special education teachers attend IEP meetings. All IEP meetings are scheduled during the general education teacher's preparation period. This frees the general education and special ed teachers to attend IEP meetings with the related service providers. Our SWD coordinator prepares a spreadsheet for all teachers to know when all IEPs are due.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

English Language Learners at P.S. 170 are evaluated in both their native language and English using writing baselines, midlines, and endlines assessments. These assessments are conducted in Spanish and English. For the 2025-2026 academic year, we will also utilize assessments from the Aprendo Leyendo curriculum to evaluate our dual language students in Spanish. Additionally, math baselines, midlines, and endlines assessments are administered in the student's home language, and the data is input into the same online tracking system to monitor and measure students' development and progress during their three years at P.S. 170.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

In the 2025-2026 school year, our kindergarten, first-grade and second grade dual-language classes will be self-contained and taught by bilingual teachers. Additionally, we have a dually certified bilingual/ENL (English as a New Language) teacher who serves our monolingual students. At the beginning of the year, the bilingual team meets to establish a shared vision and goals for the year. Even though there are three different classes, teachers share best practices and reflect on lessons, as well as address behavioral issues.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

We use every opportunity to provide professional development to teachers in implementing ENL strategies to improve instruction, enhance learning, and develop an awareness of the Next Generation Learning Standards. The structure to support collaborative learning in our school are the instructional leadership team (ILT). teacher rounds, common grade planning, differentiated professional learning in the science of reading with Teaching Lab and we also get support from a literacy collaborative coach. City-wide professional development days and planning days are utilized for training. Common grade preps are also used to analyze student work, analyze data, and make instructional decisions; this is done by instructional leaders and teachers.

In September, teachers receive a copy of students' NYSESLAT proficiency levels and identify trends with the support of the ELL Coordinator. During planning sessions with the principal and grade leaders, strategies are shared by our bilingual teachers within the four modalities. Teachers use this data and strategies to address the needs of individual students. The ELL and Special education coordinators attend professional development provided by DOE/DELLS. Also, to implement our Language Allocation Policy, we provide professional development to monolingual, special education, and bilingual teachers, speech therapist, physical therapist, secretary, and parent coordinator. Teachers attended virtual planning sessions for our thrid grade. We focused on creating a pacing guide for the third grade teachers that include content, language and social objectives for reading and writing.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

We use every opportunity to provide teachers with professional development in developing strategies to improve instruction and enhance learning. When given the appropriate tools teachers can meet the academic needs of their students providing them with a high-quality education. Professional learning is ongoing. Professional learning in math and literacy is scheduled throughout the school year. A record is kept of teachers who participate in PD opportunities from CTLE issuing institutions. During the 2025-2026 year, teachers will continue to use the Edweb professional community website along with other professional platforms to meet CTLE ELL-specific hours for certification. The principal and our district point person also sends emails that include flyers informing teachers of

PD opportunities. We use every opportunity to provide teachers with professional development in developing strategies to improve instruction and enhance learning. When given the appropriate tools, teachers can meet the academic needs of their students, providing them with a high-quality education. Professional learning is ongoing. Professional learning in math and literacy is scheduled throughout the school year. A record is kept of teachers who participate in PD opportunities from CTLE issuing institutions. During the 2025-2026 year, teachers will continue to use the Edweb professional community website along with other professional platforms to meet CTLE ELL-specific hours for certification. The principal and our district point person also send emails that include flyers informing teachers of PD opportunities. This section should address PD opportunities from CTLE issuing institutions. Internal administration, teacher coaches, and school staffed PLCs do not qualify.

School leadership and teachers will actively seek out professional learning opportunities offered by the district, central office, and recognized professional organizations to continuously enhance instructional practices and better meet the diverse academic needs of our students.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

For the 2025-2026 school year at PS 170x, we will continue using Acadience as our screening assessment tool. This resource will help us make informed decisions to promote reading success and identify trends in areas such as phonemic awareness, segmenting and blending, reading comprehension, and fluency. Additionally, we will monitor the progress of students who are performing at the 16th percentile or lower. The data collected will assist us in identifying students who may require Tier 1, Tier 2, and Tier 3 interventions and progress monitoring.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

We offer Tier 1 interventions in all subject areas and for all English Language Learner (ELL) subgroups. After analyzing data from screeners, writing baseline/midline/endline math assessments, teachers use differentiation within the core instruction. Some examples of these supports include sentence frames/starters, graphic organizers, visual aids/videos, front-loading vocabulary, manipulatives, Total Physical Response (TPR), and technology. These supports aim to meet the needs of students. All these strategies/supports are provided in both English and bilingual classes, taught in both English and Spanish. Teachers create intervention plans outlining strengths, needs, and next steps, and a copy is given to both parents and the principal. Tier 2 and 3 interventions involve small group or one-on-one support, which provides additional practice opportunities based on the core curriculum. Furthermore, we are planning to introduce a home language after-school program and an English as a New Language (ENL) after-school program for our ELL and bilingual students for the 2025-2026 school year.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Research has shown that effective academic programs for English Language Learners (ELLs) can help close achievement gaps. Our goal is to help students develop advanced literacy using the HMH curriculum program, which will in turn make them successful in today's knowledge-based society. We plan to achieve this by strengthening the instructional core and closing the achievement gap between our ML/ELLs and their monolingual peers. This will be done by fostering advanced literacy through the four hallmarks and implementing them in our

daily instruction.

For our K-2 ELL students at PS170, we conduct assessments such as Acadiance, MOSL, math baselines, midlines, endlines, and NYSESLAT to track student progress, plan instruction, and set individual goals based on students' strengths and areas for improvement. We also create customized engaging activities to meet students' needs in both English and their home language, using their home language to enhance their learning. Based on the data collected, we offer an after-school program that provides support in English as a New Language (ENL) and in students' home languages to meet the needs of our ELLs.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

We want all of our students, including ELLs, to become critical thinkers, good communicators, good collaborators, and problem solvers. Using data in instructional decisions can lead to improved student performance. The more information we have about our students, the clearer picture we have of their achievements, and can identify their needs and next steps. Using formative and curriculum-embedded assessment data, teachers have been able to make students more active in acquiring knowledge and skills. ELL students at PS 170x are assessed through a Spanish word work assessment in (bilingual classes), MOSL, Fountas, and Pinnell (English and Spanish in bilingual classes), baseline/midline/ endline writing tasks, math writing tasks, guided reading/anecdotes, and discussion protocols. These formative assessments monitor student progress, track yearly growth, and are used to identify individual goals. After analyzing assessments- of students' strengths and needs, their next steps are identified and activities are planned to meet the needs of our English Language Learners in English and in their home language to scaffold their learning. The results of these assessments are used to plan Tier 1, Tier 2, and Tier 3 instruction and also identify the students who would benefit from the ELL after-school programs. Our data has also led teachers to adjust the pacing for their classes or scaffold for those students who struggle by using the SIOP framework. Teachers have been able to create opportunities for collaborative learning and interaction by using discussion protocols and visuals.

All this data is used to adjust Tier 1 instruction and plan lessons. It gives teachers a way to understand student needs, group students based on strengths and needs, and adjust lesson plans to ensure that students meet their academic goals. It also shows students needing Tier 2 and Tier 3 interventions. These assessments also help our teachers and administration evaluate programs and target professional development.

At the end of the year, the bilingual team meets and discusses the progress that our ELLs have made throughout the year. We analyze the academic growth and possible holdovers and evidence of what has been done for the students. We discuss the academic/social-emotional aspects and any other concerns teachers might have about students.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Our English language learners in bilingual settings are assessed in their home language as well as in their new language. For the 2025-2026 year students will be assessed with the Aprendo Leyendo placement assessment and end of unit assessments, Writing baseline/midline/endlines are given in both Spanish and English. These assessments are analyzed in both languages. Math assessments are also given in Spanish or English depending on the students' NYSESLAT proficiency level. The results of these assessments are used to identify schoolwide trends, create school goals, conduct observations, provide professional development, plan instruction, and purchase materials. At the end of the year, the bilingual team meets and discusses the progress that our ELLs have made throughout the year. We analyze the academic growth and possible holdovers and evidence of what has been done for the students. We discuss the academic/social-emotional aspects and any other concerns teachers might have about the students.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Establishing rigorous monitoring systems allows us to monitor ELLs' progress over time, determine when students are not making appropriate progress, and provide additional support to enable ELLs to reach English proficiency and gain grade-level content knowledge. We evaluate the success of our ELL programs through data analysis. The NYSESLAT results help us identify trends and the progress that our ELLs are making from kindergarten to second grade. We identify students that stay on the same proficiency level for two consecutive years and teachers discuss strategies that they can use with these students. We also identify students who digress in proficiency levels. We look at other assessments as well to see any trends. This data tells us who will need additional support in either the home language or English.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

NYSESLAT Administration Plan:

First, the principal will identify the NYSESLAT coordinator. The NYSESLAT coordinator attends administration and scoring training. After the training, the coordinator will identify eligible students to take the NYSESLAT by printing the ATS RLER and RLAT and reviewing testing accommodations, if any, for IEP students. Families will be informed via email, and a copy of the DOE's NYSESLAT for families and the parent guide in the parents' preferred language will be sent.

The NYSESLAT coordinator creates a Google document for teachers who are administering the NYSESLAT to fill out when each session is given to students and the date when the sessions are completed. This is a way of tracking absent students and in need of make-up dates. All of the administration of the NYSESLAT will be broken into multiple days.

The NYSESLAT coordinator will watch NYSED training for speaking and listening and will turnkey training for teachers who score the speaking and writing portions of the NYSESLAT. When NYSESLAT writing exemplars are

sent to the school, teachers will practice scoring before scoring our student's writing booklets.

The following are the names of the NYSESLAT writing scoring team:
- Paula Ramirez, Special Ed Teacher
- Lisette Seminario, ENL Teacher (NYSESLAT coordinator)
- Shannon Mathis, Special Ed Liaison
- Erica LeRea, Teacher
- Paula Ramirez, Special Ed/SETTS teacher

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our English Language Learners (ELLs) receive the necessary accommodations for the NYSESLAT by accessing SESIS to find each student's testing accommodations.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

PS 170x hosts kindergarten orientation meetings for new parents of English Language Learners (ELLs) and non-ELLs, both virtually and in person. During the ELL parents' meetings, an explanation of the three ELL programs offered in NYC is provided. Additionally, a video in the parents' preferred language describing the programs is shown. Parents are encouraged to ask questions, and translation/interpretation services are available. If the preferred ELL program is unavailable, parents are offered a transfer to a school with that program.

Once a program is selected, parents complete a parent agreement form. It is encouraged for students to stay in the same program throughout the year. Students receive their mandated minutes based on their NYSITELL English proficiency level.

Parents receive a welcome kit including school information, a coupon for uniform purchase, a school calendar, and an academic supplies list. Welcome kits for students enrolling throughout the year are also available for other grades, all in English and Spanish. Monthly school calendars with activities involving all students and staff are sent to students and parents.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

The ENL teacher reaches out to the parents of English Language Learners (ELLs) throughout the academic year to discuss their child's language development progress, needs, and required support. These meetings, for the 2025-2026 school year, will be conducted either in person or by telephone. Translation and interpretation services will be provided as necessary.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Language translation and interpretation data are collected through preference language forms, home language surveys, student emergency contact cards, and interviews with parents and children. We have a bilingual ELL coordinator, Parent Coordinator, and school secretary available to address the translation needs of parents. Every letter is translated into Spanish and French. When necessary, we reach out to agencies and the Translation Interpretation Unit for interpretation in other languages.

During registration, parents are given a home language form (HLS) in their preferred language and other forms, including blue cards. One of our bilingual teachers, who holds a bilingual and TESOL license, conducts an informal interview with the child and parent to determine the child's home language. A bilingual staff member provides interpretation services, Department of Education's over-the-phone interpretation services, or an alternative high-quality interpretation service if needed.

Parent notification letters are sent to parents in the parent's preferred language, and parents are also notified of their child's ELL status. We also send in-house parent surveys at the beginning and end of the year. One of the questions on the survey is about the parents' preferred language, and the survey is translated into the parents' preferred language.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

At PS 170x, we hold monthly Parent Association meetings to keep parents informed of school events. During these meetings, time is allocated for questions and concerns. We also conduct surveys at the beginning and end of the year to understand the needs and concerns of our parents. Based on the survey results and feedback from various meetings, including Town Hall Meetings, School Leadership Team Meetings, and Language Allocation Policy Team Meetings, we schedule activities and invite guest speakers.

During parent association and orientation meetings, we inform parents about the free translation and interpretation services available in Spanish, provided by our school staff. For parents who speak languages other than Spanish, we have a list of agencies that offer translation services. We also let parents know that our Parent Coordinator and Language Access Coordinator are bilingual.

Our Parent Coordinator maintains strong relationships with parents and proactively addresses their interests and concerns. They also collaborate with community-based organizations to provide workshops and services to our ELL (English Language Learner) parents.

We send out in-house parent surveys at the beginning and end of the year, which include questions about parents' preferred languages. We make sure to translate the survey into the parents' preferred language.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

At PS 170x, we hold monthly Parent Association meetings to keep parents informed about school events. We allocate time for questions and concerns during these meetings. We conduct surveys at the beginning and end of the year to assess parents' needs and concerns, and we schedule activities and invite guest speakers based on the survey results and feedback from various meetings, such as the parent meetings, Town Hall Meetings, School Leadership Team Meetings, and Language Allocation Policy Team Meetings.

During our parent association and parent orientation meetings, we inform parents that we offer free translation and interpretation services in Spanish through our school staff. We also have a list of agencies to provide translation for languages other than Spanish if needed. Our Parent Coordinator and Language Access Coordinator are both bilingual. The Parent Coordinator maintains successful relationships with parents and is proactive in addressing their interests and concerns. Additionally, the Parent Coordinator collaborates with community-based organizations to offer workshops and other services to our ELL (English Language Learner) parents.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Partnerships between the family, the school, and the community are crucial for helping students thrive. We work with Marquis Studios, a multi-disciplinary arts education nonprofit that brings the arts into New York City public schools. Throughout the year, we have music and art residencies. Our music and art residents are bilingual. The students' arts experience includes both skills-based instruction and a connection to the discipline's cultural background and vocabulary. The instruction across all disciplines aligns with or exceeds benchmarks outlined in the NYCDOE Blueprint for Teaching and Learning in the Arts. Students have the chance to showcase their skills and learning in multiple music and dance performances throughout the year, as well as in our school-based Arts Festival each Spring. In a typical year, classes also visit cultural institutions such as the Metropolitan Museum of Art and the Bronx Museum of Art to contextualize the learning in the diverse cultural city. Our goal is for our students to continue finding success and growing as performers and artists, pursuing the arts well after they leave our school as artists, advocates, or appreciators.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

At PS 170, we prioritize student engagement and student choice. Our Student Council meets twice a month to organize activities such as spirit days and charity fundraising events. The council also conducts student learning walks to gather feedback on various aspects of the school, and we regularly survey students about their learning and social preferences. Additionally, we have an after-school Soapbox Club where students develop leadership and public speaking skills and work on service projects based on student speeches.

The arts are an essential part of our students' educational experience. Through our partnership with Marquis Studios and our dedicated arts staff, students have access to music, dance, and visual arts instruction. Our goal is to provide a well-rounded arts education that aligns with NYCDOE standards and allows students to showcase their talents at various performances and events throughout the year.

To promote a positive and supportive school culture, we incorporate PBIS and organize community-building events. Our focus is on fostering a sense of collaboration and responsibility among students, rewarding positive social behaviors, and hosting school-wide events and family activities. We believe that creating a strong sense of community directly impacts our students' academic and social-emotional well-being.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The identification team consists of the following members:

- Amanda Sloan: Assistant Principal
- Lisette Seminario: Bilingual Teacher
- Maura Castillo- Bilingual Teacher
- Paula Ramirez- Special Ed teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Please take note of the following process for identifying English Language Learners (ELLs) in accordance with the NYC Department of Education (DOE) Policy and Reference Guide for Multilingual Learners/English Language Learners (MLs/ELLs):

1. Upon registration, parents receive a Home Language Survey (HLS) in their preferred language. They complete the survey, and translation services are available if needed. A trained educator conducts an interview with parents and students in both English and the home language to review documents, prior assessments, and academic experience. Eligible students take the New York State Identification Test for English Language Learners (NYSITELL). Once eligibility is determined, the home language code is entered on the form and into the ATS system. The ELL identification process is completed within 10 school days of enrollment (20 days for students with Individualized Education Programs, IEPs). Parent notification letters are sent in the parent's preferred language, and parents are informed of their child's ELL status.

2. If a student has been enrolled in New York State public schools within the past two years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level. For students who have been outside of New York State public schools for more than two years, our school administers the ELL identification process as part of reentry.
3. If a newly enrolled student has an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent. Parent letters are sent home with the superintendent's final decision. Students are administered the NYSITELL if eligible.
4. For students identified as ELLs with Spanish as their home language, the Spanish Language Assessment B is given to them

PS 170x holds orientation meetings for parents of new English Language Learners (ELLs) and non-ELLs, both virtually and in person. During the ELL parents' meetings, the three ELL programs offered in NYC are explained and the ELL parent video in the parents' preferred language describing the programs is provided. Parents are encouraged to ask questions, and translation/interpretation services are available. If the chosen ELL program is not available, parents are offered a transfer to a school with that program. Once a program is selected, parents complete a parent agreement form. It is recommended for students to stay in the same program throughout the year. Students receive their mandated minutes based on their NYSITELL English proficiency level.
The breakdown of minutes is as follows:
- Entering ENL students: 1 unit of stand-alone ENL and 1 unit of integrated ENL/ELA
- Emerging ENL students: 1 unit of stand-alone ENL and 1 unit of integrated ENL
- Transitioning ENL students: 0.5 units in ENL and 0.5 units in integrated ENL
- Expanding: 1 unit of integrated ENL/ELA/Content Area
- Commanding: 0.5 units of integrated ENL
* 1 unit of study equals 180 minutes.

Parents receive a welcome kit including school information, a coupon for uniform purchase, a school calendar, and an academic supplies list. Welcome kits for students enrolling throughout the year are also available for other grades, all in English and Spanish. The registration team includes the parent coordinator, ENL teacher, secretary, and principal. Additionally, a monthly school calendar with activities involving all students and staff is sent to students and parents.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Sonia Acevedo Suarez

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Lisette	Seminario	Teacher - Bilingual	5/21/2025	y
Gladys	Gomez	Parent Coordinator		y
Yines	Baez	Secretary		y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school,Other (Please specify in the next question)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
BENGALI (BANGLA IN BANGLADESH)	1	0.72%	1	0.75%	0	0
FRENCH	1	0.72%	1	0.75%	1	1
ENGLISH	59	42.75%	57	42.86%	3	3
SPANISH	77	55.80%	74	55.64%	4	4

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Letters/Correspondence/ Flyers	We have in-house staff members who translate correspondence. All parent letters are translated into Spanish. If needed, we reach out to the translation and interpretation unit. These letters are translated throughout the school year.
Report Cards	Comments in report cards for bilingual classes are written in Spanish. Teachers also give a translated version of report cards. We get the translated versions from the DOE website. We distribute them in November and in March.
Bi- weekly Profile Sheets	Teachers fill out bi-weekly profile sheets to inform parents of their child's progress. Bilingual classes have their profile sheets in Spanish.
IEPs	IEPs are translated upon request of the parent. They are sent to the translation and Interpretation Unit at no cost to parents and happens throughout the year. The translation and interpretation unit is also used to send requests for IEP translations.
Multilingual parent letters	We utilize the Board of Education website to attain translated forms in various languages.
Formal Ceremonies such as graduation, community nights, and other school events	We have in-house staff members who translate. We obtain the services of the Translation Interpretation Unit and other agencies for interpretation in other languages other than Spanish or French if needed.
Monthly Calendars	Our school monthly calendars are emailed and given to students in the school's top three preferred languages which are English, Spanish and French.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent workshops/Parent Engagement	Staff is available to assist parents with interpretation in Spanish. We have a list of agencies that translate for parents who speak languages other than Spanish.
Parent Teacher Conferences	Staff is available to assist parents with interpretation in Spanish. We have a list of agencies that translate for parents who speak languages other than Spanish. This happens virtually or held via telephone.
Parent Contact	In-house staff interpreters are provided to parents for interpretation. We have a list of agencies that translate for parents who speak languages other than Spanish. These contacts are held via telephone, virtually, or in person.
Hold over meetings	In-house staff interpreters are provided to parents for interpretation. We have a list of agencies that translate for parents who speak languages other than Spanish. These meetings are held virtually or in person.
IEP meetings	In-house staff interpreters are provided to parents for interpretation. We have a list of agencies that translate for parents who speak languages other than Spanish. These meetings are held virtually or in person.
Parent Association Meetings	In-house staff interpreters are provided to parents for interpretation. We have a list of agencies that translate for parents who speak languages other than Spanish. These meetings are held virtually or in person.
Parent Orientation Meetings	In-house staff interpreters are provided to parents for interpretation. We have a list of agencies that translate for parents who speak languages other than Spanish. These meetings are held virtually or in person.
Performances	In-house staff interpreters are provided to parents for interpretation. We have a list of agencies that translate for parents who speak languages other than Spanish.
ELL parent Meetings	Staff is available to assist parents with interpretation in Spanish. We have a list of agencies that translate for parents who speak languages other than Spanish.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance,

nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

We ensure that the blue emergency cards include the preferred language of each parent. In case of an emergency, we keep the RAPL report on file to facilitate parent contact. Additionally, we maintain a Google document for each class that contains students' NYCSA emails, parent names, phone numbers, parent emails, and their preferred languages. Both office staff and classroom teachers have access to these documents in the event of a school-wide emergency.

Our staff members who speak Spanish and French will reach out to parents who have indicated those languages as their preferences. We also maintain a list of agencies that can provide translation services for parents who speak languages other than Spanish or French.

If a parent has an emergency and needs to contact the school, there are office staff members available who speak Spanish, as well as a teacher who speaks French. Our automated communication system operates in both English and Spanish. Additionally, we have resources for translating for parents who speak languages beyond Spanish or French.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

During October, our Language access coordinator turnkeys the information that must be followed on policies and procedures on language access, which includes utilizing the "I speak" cards, scheduling in person interpretation, and utilizing written translation and over-the-phone translation. Procedures are then followed accordingly. An email is sent to all staff with links to language access resources. All teachers are provided with their student's information, which includes the preferred contact language via a google document.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

At the beginning of the year, our Language Access Coordinator ensures that a Multilingual Welcome Poster is displayed prominently for parents entering the building. This serves as a reminder that our school can provide assistance in their preferred language. Parents receive a copy of the Parent's Guide to Language Access brochure at the start of the year and when they register their children throughout the school year. Additionally, our school features a resource board with important information, including the Parent Guide to Language Access.

During PTA meetings, the Language Access Coordinator informs parents of their right to receive information in their preferred language. Many of our staff members are bilingual and can act as translators and interpreters. We also collaborate with the Language Interpretation Unit and other agencies to provide interpreters for languages not spoken by our staff.

The Language Interpretation Unit is notified, and a translator is scheduled for all initial, annual, and tri-annual reviews for parents of students with disabilities (SWDs) to attend IEP meetings via phone conference or in person, if required. Throughout the registration process, documents are provided to parents in their preferred language. During parent-teacher conferences, explanations of report cards are provided in parents' preferred languages, including Spanish and French, using resources from the Translation and Interpretation Unit's website.

At the beginning and end of the year, parents complete an in-house survey that helps our school evaluate the quality of the language and interpretation services offered. This survey is translated into Spanish and French. If parents request translations in other languages, we send those requests to the Translation and Interpretation Unit.

The Language Access Coordinator is responsible for ensuring compliance with language access procedures and sharing information about translation services and updates with administrative staff and team members through meetings, memorandums, and brochures. Teachers receive their students' information, including the preferred contact language. We arrange professional development sessions to ensure that all teachers are well-versed in

utilizing the available translation and interpretation services. This includes the use of "I Speak" cards, scheduling in-person interpretation, and utilizing written and over-the-phone translation services, which are then implemented accordingly.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Our school will use the following methods to gather feedback from parents with limited English proficiency about the language services they receive, ensuring the feedback is collected in their native language:

- Conducting in-house parent surveys at both the beginning and end of the year, with specific questions focused on language access.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We review the latest ATS reports, which indicate that parents language. For the upcoming school year, our school will update the class spreadsheets to include parents' preferred languages. A Google spreadsheet will be sent to each classroom teacher, detailing the preferred languages of parents, so teachers can better communicate with them.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

20

Grades to be served in this program. Select all that apply.

,1,2,3

Total number of teachers in this program:

3

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

3

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our school is dedicated to narrowing the achievement gap between English Language Learner (ELL) students and non-ELL students by offering comprehensive support during the school day and in after school. Our K-2 ELL students undergo various assessments to track their progress and identify individual goals, with a focus on providing support in both English and their home language. For the 2024-2025 school year we will expand our school to third grade. To further support our ELL students, we will offer an English as a New Language (ENL), home language and ELA Support after-school programs with the following details:

Programs: ENL, Home Language and ELA support After School Programs
Start and End Date: October 2025 to May 2026
Total Number of Sessions: 52 sessions over 25 weeks
Time of Operation: 2:20 pm-3:45 pm on Wednesdays and Thursdays
Number of Teachers: 2 bilingually certified teacher and 1 bilingual/TESOL certified teachers
Materials: Title III funds will be used to support program activities

ENL Program:
The ENL program is designed for first and second-grade ENL and dual language students at different proficiency levels. The program focuses on enhancing English language development through the use of SIOP strategies, a research-based model of sheltered instruction. The ENL After School Program will be conducted in English and the PAF reading program will be used, including home language support when necessary, and will run twice a week from October 2025 to May 2026, with one bilingual/TESOL-certified teacher leading the program.

Home Language Program:
Research has shown the benefits of maintaining proficiency in students' home languages, and our Home Language Program aims to provide support in students' home language. The program will be conducted in Spanish, and the Aprendo Leyendo program will be used to provide instruction in phonemic awareness, phonics, fluency and comprehension. Like the ENL program, the Home Language Program will run twice a week from October 2025 to May 2026, with one bilingual certified teacher leading the program. Attendance records will be maintained for both programs.

ELA Support for ELLs:

Ps 170x is expanding to third grade for the 2025-2026 school year. The ELA Support for ELLs program will support our third grade ELLs in understanding the ELA test. Specific strategies will be taught that will help ELLs feel more confident with the test format.
Will focus on specific ELA skills, such as reading comprehension, vocabulary, and sentence structure. Will simulate test conditions to help students practice working within time limits and using the strategies they've learned.

Attendance records will be maintained for all programs.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Research indicates that English Language Learner (ELL) students are not performing as well as their non-ELL peers across all socioeconomic levels. To address this achievement gap, our school is dedicated to providing comprehensive support for ELLs during the school day and after school. Our goal is to meet the linguistic, cultural, emotional, and academic needs of students who are learning English as a new language.

Using both qualitative and quantitative data can help teachers identify students' weaknesses through one type of information and their strengths through the other. This integration ensures a comprehensive understanding of how to better support our students. Teacher teams, along with the principal, meet to discuss trends observed in student assessments, including phonics and writing baselines.

For our K-2 ELL students at PS170, we conduct assessments such as Acadiance, Measures of Student Learning (MOSL), and math baselines, midlines, and endlines, as well as the New York State English as a Second Language Achievement Test (NYSESLAT). These assessments help us track student progress, plan instruction, and set individual goals based on each student's strengths and areas for improvement. We also create customized, engaging activities to meet students' needs in both English and their home language, leveraging their home language to enhance their learning. Based on the data collected, we offer an after-school program that provides support in English as a New Language (ENL) and in students' home languages to meet the needs of our ELLs.

Our school will be expanding to include third grade starting in the 2025-2026 school year. We will conduct various assessments, including Acadiance, MOSL, math baselines, midlines, endlines, and NYSESLAT for our third graders. These assessments will also help us track student progress, plan instruction, and set individual goals based on each student's strengths and areas for improvement.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

English as a New Language (ENL) Program:

The ENL program is designed for first and second-grade bilingual and ENL students to improve their English language skills. It caters to students at the entering, emerging, and transition levels of English proficiency. The curriculum is enriched with SIOP (Sheltered Instruction Observation Protocol) strategies to support English Language Learners (ELLs) in acquiring academic knowledge while developing English proficiency. The program also emphasizes grammar, language structure, and quality of speech. The ENL After School Program is scheduled to run from October 2025 to May 2026, with classes held twice a week. While the primary language of instruction is English, home language support is available as needed. One bilingual-certified teacher will lead the program. The

projected number of ELLs for this program is 10 students. The student attendance records and a copy of the program will be kept in a binder in the office.

Home Language Program:

Research suggests that a strong foundation in a student's home language positively impacts their overall academic success. The program aims to support Spanish literacy development through phonemic awareness, phonics, and vocabulary development. In addition, the program focuses on grammar and sentence structure. The Home Language program is scheduled to run from October 2025 to May 2026, with classes held twice a week and instruction delivered in Spanish. The curriculum is designed to benefit ELLs who may not have a solid foundation in their home language. One bilingual certified teacher will facilitate the Home Language program. The projected number of ELLs for this program is 10 students. The student attendance records and a copy of the program will be kept in a binder in the office.

ELA Support for ELLs:

The ELA support for ELLs is designed to support our third grade ELLs for the ELA test. This program will support our third grade ELLs in understanding the ELA test. Specific strategies will be taught that will help ELLs feel more confident with the test format. The projected number of ELLs for this program is 10 students.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Below is the program schedule for the ENL, Home Language and ELA support for ELLs Programs:

- Start and End Date for both programs: October 2025 - May 2026
- Total number of sessions for both programs: 52 sessions over 25 weeks
- Time of Operation for both programs: 2:20 pm - 3:45 pm on Wednesdays and Thursdays

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Afterschool programs:

Subjects: ENL and ELA : The language of instruction is English.

Subject : HLA : The language of instruction is Spanish.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

For our HLA After-school program, one bilingual teacher will teach this program.

For our ENL program, one dually certified teacher will teach this program.

For our ELA program, one bilingual teacher will lead the program.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Home Language:

Aprendo Leyendo is a reading program aimed at helping children improve their reading skills, including precision, automaticity, and fluency, to enhance reading comprehension. It focuses on developing Spanish literacy through phonemic awareness, phonics, and building vocabulary.

Materials that will be used in the HLA program:

Aprendo Leyendo Teacher Handbook (Manual para el Maestro) — published by Intelexia (the developer/publisher of Aprendo Leyendo)

Decodable Chapter Books (Spanish readers) — part of the core AL program, published by Intelexia

Skills Books (Spanish) — companion books with phonemic, decoding, vocabulary, comprehension activities, also by Intelexia

ENL:

Teachers use SIOP strategies to further explore the PAF reading program. Focus will be on vocabulary development, phonics, comprehenion strategies using decodable text. It will also entail a focus on grammar and language structure, highlighting language complexity, quality, and mechanics.

Materials that will be used in the ENL program:

PAF Teacher Handbook — published by PAF / EPS Learning (or the PAF program's publishing arm)

Decodable Chapter Books (English) — PAF Reading Series readers (Levels 1-184) published by PAF / EPS Learning

Skills Books (PAF) — companion student workbooks containing phonemic awareness, decoding/spelling, vocabulary, comprehension practice

ELA support of third grade ELLs:

Teacher will use ELA practice tests found in the NYSED website.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

At the beginning of the school year, after teachers have conducted initial assessments and received their results, the bilingual team, along with the principal, will hold a meeting to identify students who could benefit from the after-school programs for ELLs. Once we identify these students, we will send letters to their parents requesting permission for their participation. These letters will include detailed information about the program, such as start dates, operating days, and hours. After we collect all the consent letters, we will prepare attendance forms for each month, and the completed attendance records will be submitted to the school secretary.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

We make use of every opportunity to provide professional development to our teachers. By doing so, we ensure that they are well-prepared to implement English as a New Language (ENL) strategies that enhance instruction, improve learning, and raise awareness of the Next Generation Learning Standards. City-wide professional development days will be used for teachers to engage in various professional learning opportunities aimed at enriching their content knowledge and pedagogical skills. Teachers will participate in professional learning sessions focusing on the Science of Reading with NYC Reads. These professional development sessions will help teachers critically assess the school's curriculum, enabling our English Language Learners (ELLs) to work independently and collaboratively with peers and adults to create texts and develop their oral-written language and reading-writing connections.

During common planning sessions, teachers analyze student work and data to make instructional decisions. In the fall, teachers received a copy of the NYSESLAT scores and identified students' needs and proficiency levels. In planning sessions with grade leaders, bilingual and ENL teachers share strategies within the four modalities. Teachers use this data and strategies to address the needs of individual students. Principal keeps a record of each professional development session in her office, including attendance, agendas, and schedules for filing.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Using both qualitative and quantitative data can help teachers identify students' weaknesses through one type of data and their strengths through the other. This integration ensures a more comprehensive understanding of how to better support students. Teacher teams, along with the principal, gather to discuss trends observed in student assessments, such as phonics and writing baselines. The administration then recruits appropriate personnel to provide professional development in the relevant areas. A professional learning interest survey was sent to teachers at the end of the 2025 school year to support them for the upcoming school year. Consultants will offer differentiated support to the staff as well.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers and support staff at the school participate in professional development opportunities. Throughout the year, teachers engage in various professional learning sessions covering topics such as data analysis and data platforms, writing analysis across grade levels, using NYSESLAT data in the classroom, understanding special education rules and regulations, the Connected Arts Network, and the Fundations phonics curriculum.

Teachers involved in the Title III ELL program receive professional development through monthly MLL/ELL Liaison meetings and ongoing training from Teaching Lab. Teaching Lab visits occur every other week, with professional development focused on one grade level at a time, specifically on Fundations. Additionally, dual language teachers will receive professional development for the Aprendo Leyendo program.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Professional Development 2025-2026 Year (For all teachers and support staff)

Duration: Every Monday - 2:20 pm -3:20 pm
Total number of sessions: 35 sessions

Teaching Lab visits:

Teaching Lab visits will be every other week (PD will be one grade at a time, focus will be Fundations).
Total Number of sessions: 17 sessions

ELL PL throughout the year

Dual language teachers will continue to receive virtual PDs during the 2025-2026 school year for the Aprendo Leyendo program.

Total number of sessions: 4 virtual sessions

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

-HMH curriculum planning/ reflections/revisions/audit
-Acadience Assessment (ELA)
-Culturally responsive education- book study and implementing the 5 pursuits in our curriculum
-Fundations Phonics program on-going training
-Science of Reading
-Teacher Rounds
-Aprendiendo leyendo (Reading program for ELLs in Spanish)

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

-Collaborative Coach
-Teaching Lab (The Science of Reading)
-ILT team
-Grade leaders
- School counselor/social worker
-Consultants
-District 9 MLL Support Staff

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

At the beginning of the year, the administration creates a Google document that outlines all professional development activities for the year. As the year progresses, new professional development sessions are added to this live document. The document is shared with all staff. For each professional development session, sign-in sheets are signed and then filed by administration.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

As educational leaders, we have a unique opportunity to create a supportive culture within our school community. In this regard, family engagement plays a crucial role in the success of English Language Learners (ELL). Engaged ELL parents bring valuable dedication and insight about their children to the school community and can be important partners in supporting their success. At PS 170, we prioritize the home-school partnership as an essential tool for fostering learning and communicate this belief to our parent body. We make a great effort to encourage parents to actively participate in their child's education, resulting in a high level of parental involvement in school events.

For the 2025-2026 school year, we will maintain our open-door policy, allowing parents to visit the school and meet with the administration and staff to discuss their children's education. Additionally, parents are encouraged to attend Parent-Teacher Conferences, Monthly Parent Association Meetings, and Town Hall Meetings, all scheduled to keep parents informed about school operations and upcoming events. We have a bilingual parent coordinator available to assist parents with any concerns, and there is ongoing communication between the principal and the parent coordinator.

To keep parents informed about students' progress, we send home bi-weekly profile sheets that provide information on students' goals and academic performance in reading, writing, math, completion of homework, and social skills. For bilingual classes, profile sheets have been translated into Spanish. We will continue to involve ELL parents in their children's education by offering bi-monthly ELL workshops as well as hosting bi-monthly meetings for our parents. We also maintain a binder in the office that includes attendance records, meeting agendas, resources, and invitations in the parents' preferred languages.

SEL AND FAMILY EVENTS (Will revise September 2025)

Monthly "Coffee with the PC/ Administration, first Tuesday of every month

September:
Meet the Teacher meetings- in the mornings with Classroom Teachers
Meet the Teacher 4:30-7:30 (contractual): same meeting as AM but for parents who can't make it in person
Welcome back first day of school- student welcoming committee
Back to school carnival
PA meeting TBD

Grandparents' Day-"Grandparents' Show and Tell" in class, bring in a photo of you and your grandparent and talk about things you do with them
PBIS Kickoff
Start with Hello Week :
Mon: Make Someone Smile Monday
Tues: PBIS Kickoff
Weds: Welcome Wednesday (all wear green for Start with Hello)
Thurs: Talk About it Thursday (in the lunchroom, students use conversation starter cards, K is led by prompts from lunchroom staff)
Fri: Feel the School Spirit Friday (wear PS 170 shirt, give out)
Safety Town Hall

October:
School Custodian Day-
Coffee with the PC/ Admin-
Sandy Hook Promise Trainings for students
Attendance Meetings (Chronic & at Risk)
Hispanic Heritage month - person of the day slides
Indigenous Peoples Day- read alouds and class activity
Halloween- Trick or Treating/ parties in class
Pumpkin painting/ Halloween stories & songs (in-person)
Breast Cancer Fundraiser Fridays throughout October- wear pink and bring $
PA meeting
Picture Day

November:
Student Council campaigning
Coffee with the PC/ Admin-
Parent-Teacher Conferences (12:20-2:20 & 4:30-7:30)
October perfect attendance awards at lunch
Election Day - read alouds and Student Council candidate speeches
STUDENT COUNCIL ELECTIONS
Turkey scavenger huntx
Veterans' Day cards to thank a veteran
Hybrid ELL Support Group Meeting (at
dropoff they can come in and have breakfast and
then meeting 8:30-9:30)
Agatha House food distribution TBD
Turkey raffle pickup & Turkey Trot
Class Thanksgiving celebrations
Pajama Day
:Family Literacy Event
Smile NY Dental Clinic

December:
Santa
Coffee with the PC/ Admin-
Music Shows AM & PM
Holiday cocoa & storytimes (virtual) 6:30PM
PA meeting

Holiday Spirit Week
Santa

Gingerbread House craft
Hybrid SEL Parent Meeting
Day of Remembrance for Sandy Hook tragedy, handprints “You are....” compliment tree
Agatha House

January:
MLK Day of service
Coffee with the PC/ Admin- (T): Setting goals, Kids Rise curriculum, guest speaker from a local bank- college savings
Giving Tuesday Read aloud “The Giving Tree”, cards to Fundacion la Nana
Winter Bingo
Hybrid ELL Support Group Meeting
PA Meeting
College & Career Week
Virtual college tours, teachers talk about college experience
In-person presenters (assembly for whole school) 9-11AM
Virtual visits 9-11AM
Write about what they want to be when they grow up
Dress up like something you want to be when you grow up, classroom presentations of the writing from Thursday in costume
COCOA DAY 1/2
Winter Games 1/16

February:
START PARENT ENGLISH CLASSES
Cricut Workshop
Coffee with the PC/ Admin-
Black History Month- person of the day slides
100th day
Lunar New Year- read aloud and class activity-
Respect for all week
Respect for Diversity- wear something from your culture (Also visit Lunar New Year)
Anti-Bullying- wear blue, posters
Kindness day- wear pink or red, compliment someone
Valentines Day- parties in the classroom
LGBTQ+- wear rainbow colors
No One Eats Alone Day- bring a snack to share with a friend (lunch mixer)
Someone Special Dance (in person), 5:00-7:00 PM
Counselors Week
Hybrid SEL Parent Meeting
PA Meeting
Animal Shows 3K and PK
Museum trips

March:
Coffee with the PC/ Admin-

PTC:
Womens' History Month- person of the day slides
St Patrick's Day observed, read alouds and videos-
Social Workers' Day
Science Education Day
PA Meeting
Say Something Week
Civics Week events-
T: poster contest
W: superhero writing
TH: voter registration drive
F: PB vote
Vision Zero:
SEL Day-
Easter Egg Hunt 2:30-4:30

April:
Coffee with the PC/ Admin and ticket lotto-
International Celebrations
Paraprofessionals Day - office and do a lunch
Eid read-aloud and activity in the classroom
secretaries day
AP Week
Hybrid SEL Parent Meeting
PA Meeting
4:30-6PM Paint & Sip
Fire Safety Show in classrooms
No school X
211 Zoo X
216/217 zoo X
principal visit
Earth Day- wear green X
wear sunglasses (eclipse)
Day of the Military Child

May:
Coffee with the PC/ Admin- 5/14: Darline and SEL X
Mothers' Day Tea 2:30-3:30
AAPI Month- person of the day slides
Movie night (in person)
principals day- lunch X
Hybrid ELL Support Group Meeting
School Nurse's Day
PA Meeting
Graduation Photos
ABC Countdown *starts
Kindness rocks- SAVE club
PTC
CRF Fundraiser coin collection throughout the month
Agatha House food distribution TBD
Parent curriculum workshop-
Magic Masters

Parent Workshops for music IQ
Adding writing to HMH
Teaching guides and pal should be here
Still not using writing from HMH

June:
Art Fair
Coffee with the PC/ Admin x
2nd Gr Central Park trip x
PD day
Clerical Day
PA Elections
K Central Park trip
Rainbow Race
Hector Show 2
Dental
Fathers' Day- Donuts with Dad X
No school
Juneteenth- read-alouds and activity in the classroom
Graduation
1 awards
3K & PK ceremonies
6/26 last day

No Title III funds will be used for family engagement activities.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

School leaders have a unique opportunity to establish a culture of success within their school community. Like all students, family engagement is crucial for the success of English Language Learners (ELL). Engaged ELL parents bring invaluable dedication and wisdom to the school community and can play a vital role in supporting their children's success. At PS 170, we recognize the importance of the home/school partnership as an essential tool for fostering learning and we communicate this belief to our parent body. We actively encourage parents to participate in their child's education, resulting in a high level of parental involvement in school events. We provide monthly calendars to keep parents informed about family and school-wide events.

At the start of the year, parents are given a survey to provide the administration with insight into what they are interested in learning regarding their child's education. After reviewing the survey responses, the administration selects workshops that would work best for the entire school community, including ELL parents. Parent coordinators, school counselor, social worker, and administration seek out consultants who can address the topics

of interest to our parents, and a monthly schedule is created. Sign-in sheets are collected and filed in the office. The administration then recruits appropriate personnel to provide family engagement activities in the relevant areas.

No Title III funds will be used for family engagement activities.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

PARENT/ FAMILY EVENTS 2025-2026v (Will revise Spetemer 2025)

SEL AND FAMILY EVENTS FOR 2025-2026

Monthly "Coffee with the PC/ Administration, first Tuesday of every month

September:
Meet the Teacher meetings- in the mornings with Classroom Teachers
Meet the Teacher 4:30-7:30 (contractual): same meeting as AM but for parents who couldn;t make it in person

W: superhero writing X
TH: voter registration drive X
F: PB vote X
Vision Zero: 3/14, 3/15 X
SEL Day- 3/8 X
3/26- Easter Egg Hunt 2:30-4:30, $5/person (gets admission to egg hunt and a photo with the Easter Bunny) X
3/20- SAVE club lemonade stand X
3/1- 211 trip X
3/19 Solano Bday
3/27 Donald Bday

April:
Coffee with the PC/ Admin and ticket lotto-
International Celebrations
Paraprofessionals Day office and do a lunch
Eid read-aloud and activity in the classroom
secretaries day (observed- actual day is
AP Week
Hybrid SEL Parent Meeting
National Youth Violence Prevention Week cookies and conversation for kids and/or families, wear orange
PA Meeting
4:30-6PM Paint & Sip
Fire Safety Show in classrooms
No school
Earth Day- wear green Day of the Military Child

May:
Flowers- plant a seed "April showers bring May flowers"
Coffee with the PC/ Admin-:
Mothers' Day Tea 2:30-3:30
AAPI Month- person of the day slides
Movie night (in person) , 5PM-7PM
principals day- lunch X
Hybrid ELL Support Group Meeting
School Nurse's Day - card and flowers
PA Meeting 5/20
Graduation Photos
ABC Countdown
Kindness rocks- SAVE club

PTC
CRF Fundraiser coin collection throughout the month
Agatha House food distribution TBD
Parent curriculum workshop- Gibbons, Web, Maor (expectations for next school year)
Magic Masters

Parent Workshops for music IQ
5/22 PK, K, Gr 2 parent workshop

Adding writing to HMH
Teaching guides and pal should be here
Still not using writing from HMH
Heggerty and FUNdations decodable texts
Grammar and know it show it only digital for gr 1 &2 (unless we want to purchase hard copies)
Amira no longer will be free, need to look at waggle
Writeable available on core (gr 3-12 only)
Leveled books need to be removed from classrooms to classroom libraries
Completely remove levels A-C because predictable text
Geodes not part of core curriculum

June:
Art Fair
Coffee with the PC/ Admin x
2nd Gr Central Park trip x
PD day x
Clerical Day x
PA Elections
K Central Park trip
Rainbow Race
Hector Show 2

2:30-3:30 Fathers' Day- Donuts with Dad
Juneteenth- read-alouds and activity in the classroom
Graduation
1 awards
3K & PK ceremonies

No Title III funds will be used for family engagement activities.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Topics covered for the 2025-2026 year during PTA meetings:

-class websites/ technology- navigating through school website/ other websites like Razkids, EPIC, ClassDojo
-profile sheets
- HMH Reading program
- Social-Emotional - PBIS- CARE
-Meet and greet the school counselor and social worker
-virtual storytimes
-dance/music performances
-nutrition
-programs and resources for parents through the NY Public Library
- SNAP and WIC information
-health insurance coverage
-immigration service information
Bi-monthly ELL parent workshops

No Title III funds will be used for family engagement activities.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

In-house staff/teachers, outside providers

Outside Providers:
-Hunger-Free America
-Metroplus
-NY Public Library
- Immigration service provider
-Pediatric Doctor
-Common Threads

-Consultants

No Title III funds will be used for family engagement activities.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified via emails, flyers, and school letters. (All notifications are in English, Spanish and French. The translation and Interpretation Unit will be used for speakers of other languages.

No Title III funds will be used for family engagement activities.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

At the start of the year, the administration creates a Google document outlining all parent workshop activities for the year. As the year progresses, new parent workshops sessions are added to this live document. The document is shared with all staff and parents via monthly calendars and social media posts. For each parent workshop session, sign-in sheets are signed by parents and then filed by the administration.

No Title III funds will be used for family engagement activities.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

20,000
