Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps

and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

The Rafael Hernandez Dual Language Magnet School

District Borough Number (DBN):

09X218

Grades Served:

Kindergarten to Grade 8-Dual Language

School Address:

1220 Gerard Avenue, Bronx New York 10452

Phone Number:

718 410 7230

Fax:

718-410-8933

School Contact Person:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.
Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature

Dr. Serge Caceres	Principal or Designee*	
Kenneth Johnson	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Mabel Graciano	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Fernando De La Rosa	District Council 37 (DC 37) Representative (staff), if applicable	
Diana Lopez	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
Jamie Yellen	CBO Representative, if applicable

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Serge Caceres	Principal / Administration	
Kenneth Johnson	Teacher-UFT / Teachers	
Mabel Graciano	PA President / Parents	

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

The Rafael Hernández Dual Language Magnet School is dedicated to providing students with a purposeful education and the necessary skills to thrive in a diverse, technological, and multicultural world. Our mission is to cultivate fully bilingual and biliterate students. We aim to foster the social, emotional, physical, and intellectual growth of our students in both languages, enabling them to exceed academic standards and become compassionate, productive citizens who respect linguistic and cultural diversity. Additionally, P.S./I.S. 218 focuses on preparing students in science and mathematics, ensuring they are well-equipped for future academic and professional success.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

At PS/IS 218 we believe that all students can become not only bilingual but biliterate. We hold all students to the expectation that they will become fluent readers, writers, and speakers in both English and Spanish. Additionally, the 218 philosophy is that all students can take ownership of their learning experiences and can develop autonomy regarding their academic experience. Student choice and recognition of multiple learning styles are key components to fostering this self-awareness in our students.

The dual language program at 218 encourages and supports all students so that they can effectively develop their biliteracy skills. From the first day of Kindergarten students are immersed in two language worlds, where they study all subjects in both languages. Following the 50/50 side-by-side model gives students the opportunity to develop their academic skills in all subjects under the umbrella of two different languages. This side-by-side approach encourages consistent collaboration with classroom teachers and gives students the opportunity to develop academic and language skills simultaneously.

Over school vision is to educate students in a dual language setting through developing independence in learning. To ensure that this vision is supported, we have created several Dual Language Models in K-8: Self-Contained, 50/50 side-by-side, 60/40 and 70/30. Additionally, we hire teachers with bilingual licenses to support our school vision. And, we have an extensive Dual Language leveled Library in English and Spanish. Another schoolwide goal is to continue to improve the school culture.

Through PS/IS 218'S partnership with the Positive Learning Collaborative (PLC), school culture/climate is assessed every year through the PLC staff survey. The survey, delivered to ALL school-based staff, assesses the major school culture indicators: staff-student relations, staff-administration relations, communication, response to student discipline, and physical environment. The PLC staff survey outcome data is shared with all staff members to celebrate areas of strength and strategize upon areas of need to develop measurable, actionable steps. Staff recommendations are shared with administration and directly integrated into the school's long-term action plan. This process engages

all stakeholders in decision making as a school community.

Our school's unique culture compliments our academic program. Our current partnerships with families, community, CBO, and staff helps us advance our academic program, not only for students but for their parents and staff. These programs enrich the curricula by contributing the social, emotional and material need to deliver not only a culturally diverse curricula but also a sound and comprehensive wellness program to promote the physical and mental health of our students, parents and staff. We believe that a healthy body fosters a healthy mind. These beliefs are shared through the following programs and activities:

- Thurgood Marshall Mock Trial Program for 7th and 8th graders
- Adopt a Bodega (promoting healthy choice snacks)
- Edible School Yard
- Grow NYC
- Garden to Café
- Bronx Health Reach
- Morrisiana WIC
- WHEDco Afterschool Educational/Enrichment/Recreational
- PE and PA ACTIVITIES
- Certified PE teachers doing structured PE classes
- Rugby (Champs)
- Flag Football
- Volleyball
- Middle School Jogging
- Parent Fitness Club
- Fitness Gram
- Boks
- Developmental Basketball (in Spring)
- Tennis
- GoNoOdle
- Brain Pop
- Asphalt Green Recess Program
- TAI CHI, Move to Improve, Yoga
- HEALTH
- Standard health instructed lessons done by (Formal Education)
- Certified health teachers
- Activity Works
- NUTRITION
- Cookshop for students and parents (Foodbank of City of NY)
- Cornell University Cooperative Food Extension for students and parents(Nutrition and
- Health Education
- WHEDco Garden
- NYC Dep't of Education School Food.
- After school professional teachers' develop for science garden program.
- Vegetation (Nutritional Educational).
- Healthy Snack Policy.
- DOH DR's Session for parents and children.
- DOE policy for food/Beverages to be served at school/parent events.
- Bronze National Alliance for a Healthier Generation.
- Skedula to track students' progress and determine what areas need improvement.
- Gold Excellence in school wellness award.
- Reach Coalition – serves as national model or community empowerment to build healthy communities by forming healthier lifestyles.

- This is a Community school that is highly involved with the persons that it serves we pride in being a model school for parental involvement and supporting the community at large.
- In Progress staff food fight
- Sustainability (go green electric, recycling)
- Wrestling (character building for boys and girls)
- Healthy Fund raisers to promote good nutrition
- School Wellness Works
- School wellness committee with students, teachers administrators and parents
- Sustainability initiative
- Wellness Committee

Briefly summarize the key initiatives your school will implement this school year.

Rafael Hernández Dual Language Magnet School

The Rafael Hernández Dual Language Magnet School is dedicated to providing students with a purposeful education and the necessary skills to thrive in a diverse, technological, and multicultural world. Our mission is to cultivate fully bilingual and biliterate students. We aim to foster the social, emotional, physical, and intellectual growth of our students in both languages, enabling them to exceed academic standards and become compassionate, productive citizens who respect linguistic and cultural diversity. Additionally, P.S./I.S. 218 focuses on preparing students in science and mathematics, ensuring they are well-equipped for future academic and professional success.

Key Initiatives for the Academic Year 2024-2025

For the academic year 2024-2025, P.S./I.S. 218 is excited to implement several key initiatives designed to enhance student learning and success, particularly in the areas of close reading, AIS (Academic Intervention Services) mathematics, and student-centered instruction. These initiatives reflect our commitment to fostering deep, enduring learning and preparing students for success in a rapidly changing, information-rich world.

1. Close Reading
We are introducing a comprehensive program focused on fostering students' close reading skills. This program will involve regular, in-depth analysis of complex texts across all disciplines, aiming to improve students' reading comprehension, critical thinking, and analytical skills. Teachers will receive professional development on guiding students through multiple readings of a text, emphasizing extracting and synthesizing key information, understanding subtleties in the text, and identifying the author's intent and perspectives.

2. AIS Mathematics
A new approach to AIS Mathematics will be implemented to support struggling students. Using data-driven teaching practices, we will identify these students earlier and design personalized intervention plans. The initiative includes one-on-one tutoring, small group workshops, and online tools and resources for both in-class and at-home learning. Regular progress assessments will ensure the effectiveness of the interventions, with plans adjusted as necessary. Additionally, P.S./I.S. 218 will continue to support teachers with a highly recommended math coach three times a month.

3. Student-Centered Instruction
We will promote a shift toward student-centered instruction across all grade levels and subject areas. This approach empowers students to take ownership of their learning, encouraging active participation, collaboration, and critical thinking. Teachers will facilitate learning, offering guidance and support while giving students the opportunity to explore topics of interest, solve problems, and apply their learning in practical, real-world situations. This shift will involve significant professional development for staff, the creation of flexible and dynamic learning spaces, and the integration of technology to support and enhance student learning.

4. Diversity, Equity, and Inclusion
Recognizing the importance of social justice and equity, P.S./I.S. 218 is committed to developing programs that promote diversity and inclusivity within our student body and curriculum. These efforts will include advocacy for a diverse student body and finding opportunities to integrate DEI principles into our curriculum.

Additional Focus Areas
Various Discussion Protocols in Content Areas: Implementing structured discussion protocols to enhance student engagement and learning across different subjects.

Emphasis on Vocabulary in All Content Areas: Strengthening vocabulary instruction to support students' comprehension and expression in all academic areas.

Continuous Learning Improvement Strategies: Adopting continuous improvement strategies to ensure ongoing enhancement of teaching and learning practices.

Lighthouse Initiative: Participating in the Lighthouse Initiative to model and share best practices in education.
New Math Curriculum, Illustrative Mathematics: Introducing the Illustrative Mathematics curriculum to provide a robust and coherent math education.

These initiatives are designed to prepare our students for future academic and professional success while fostering a supportive and inclusive learning environment.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-8	Houghton Mifflin Harcourt (Into Reading & Arriva La Lectura) Teacher-Created Materials	Digital
ELA	K-2	Houghton Mifflin Harcourt -English Maravilla-Spanish Teacher-Created Materials	Digital
Mathematics	K-8	Illustrative Mathematics English/Spanish	Digital
Amplify Science	K-8	English and Spanish	Digital
Social Studies	K-8	Passport to Social Studies	Digital

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The proficiency gap remains wide. The proportion of students on/above grade level in Reading rose from 14 % (Fall 2024) to 30 % (Spring 2025), yet ˜70 % still score below grade level. Level 1 students dropped 23 pp but remain the single-largest band. (i-Ready Diagnostic Summary, June 2025)	• Some students continue to demonstrate gaps in foundational reading skills such as phonics, decoding, and fluency, which may impact their ability to access grade-level texts in the upper grades. • Opportunities exist to more consistently align Tier 1 reading instruction with the science of reading and to enhance differentiation to meet the diverse needs of all learners.	Strengthen Tier 1 literacy instruction. Adopt/fully implement an evidence-based reading framework (explicit phonics + vocabulary + comprehension) and use flexible groupings driven by i-Ready data so every student receives grade-appropriate work and targeted scaffolds.
While 54% of students met	• Tier 2 small-group interventions for	Strengthen the Tier 2 intervention

their Typical Growth targets, approximately 46% did not yet reach their expected annual gains. Stretch Growth was achieved by approximately 25% of students, highlighting continued opportunities to accelerate learning and close achievement gaps. (i-Ready Growth Monitoring & EOY Diagnostic, June 2025)	below-level readers are not yet fully optimized in frequency or consistency, with many students receiving targeted support fewer than three times per week. • There are opportunities to strengthen the use of progress-monitoring data to more consistently inform groupings and adjust instructional focus in real time.	system by establishing protected daily or alternate-day blocks for targeted small-group instruction (3–5 students), aligned to skill-specific needs identified through i-Ready diagnostics. Incorporate bi-weekly progress monitoring to inform flexible regrouping and ensure responsive, data-driven instruction.
The overall Performance Index increased by 43 points—from 55 in the fall to 98 in the spring—demonstrating significant progress in student achievement. Continued growth is needed to reach the benchmark of 150, which is aligned with achieving 50% or more of students reading at or above grade level. (School i-Ready Reading Report, Fall–Spring 2024–25)	• There is an opportunity to deepen teacher expertise in data-informed instructional planning and in delivering advanced comprehension instruction, including skills such as identifying main ideas, analyzing author's purpose, and understanding text structure. • Professional learning experiences can be further enhanced by shifting from episodic sessions to more sustained, job-embedded models that support long-term growth and instructional impact.	Prioritize sustained professional learning and instructional coaching for teachers. Implement ongoing professional development cycles focused on analyzing i-Ready data, designing targeted, standards-aligned lessons, and strengthening instruction in complex comprehension skills aligned to the NY Next Generation Learning Standards. Pair these efforts with embedded coaching to support effective classroom implementation and continuous growth.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	30%	By June, 2026, literacy for All Students will improve, as measured by a 5% Increase, from 30% to 35%, of Percentage of students scoring on or above grade level (Levels 3 and 4) in Reading on the i-Ready Spring 2025 diagnostic on the i-Ready Reading Diagnostic (Fall 2024 and Spring 2025).
Students with Disabilities (SWD)	26%	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 5% Increase, from 26% to 31%, of Percentage of students who meet or exceed their annual Typical Growth target in Reading as reported by i-Ready on the i-Ready Reading Diagnostic Growth Report (Fall 2024 to Spring 2025).
English Language Learners (ELL)	29%	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 5% Increase, from 29% to 34%, of Schoolwide i-Ready Reading Performance Index score as reported by the i-Ready Diagnostic Summary Report on the i-Ready Reading Diagnostic Performance Index (Fall 2024 to Spring 2025).

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a structured, data-informed Tier 1 and Tier 2 literacy instructional framework aligned to the Science of Reading to increase grade-level reading proficiency and close achievement gaps in Grades 3–8.

Root Cause Addressed:

Variability in the alignment of Tier 1 literacy instruction to the Science of Reading, along with limited frequency, intensity, and data-driven responsiveness in Tier 2 small-group interventions, has impacted the ability to accelerate growth for students reading below grade level. Strengthening coherence across core and targeted supports is essential to closing persistent achievement gaps.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch schoolwide professional learning cycles focused on evidence-based reading instruction (phonics, vocabulary, comprehension) and the use of i-Ready data to drive instructional decisions.
Establish and protect dedicated intervention blocks for Tier 2 small-group reading instruction in Grades 3–8, ensuring groups meet at least 3 times per week with instruction targeted to specific i-Ready skill gaps.
Integrate culturally responsive-sustaining texts into Tier 1 literacy to support engagement, background knowledge, and comprehension, especially for multilingual learners.
Integrate culturally responsive-sustaining texts into Tier 1 literacy to support engagement, background knowledge, and comprehension, especially for multilingual learners.

Partner teachers with instructional coaches or peer leaders to support the transfer of PD content into daily practice through lesson co-planning, model lessons, and real-time feedback cycles.

Key Strategy 2 (Optional):

Implement a dual-language-aligned literacy framework that intentionally integrates oral language development, vocabulary acquisition, and academic discourse in both English and Spanish. This includes embedding opportunities for structured speaking, listening, and comprehension tasks across all content areas to strengthen biliteracy and build the foundation for deep reading comprehension.

Root Cause Addressed:

As a dual language school, the development of academic language and literacy in two languages presents unique challenges. Many students require more structured and intentional opportunities to build oral language proficiency and vocabulary, which are foundational to reading comprehension. Additionally, existing instructional practices may not consistently prioritize academic discourse and purposeful language interaction across all subject areas.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Facilitate professional learning sessions focused on the integration of structured academic talk, vocabulary instruction, and oral language scaffolds in both English and Spanish.
Develop and implement schoolwide sentence stems, discussion protocols, and accountable talk routines to support student oral language and comprehension across content areas.
Include clear vocabulary teaching in daily reading and writing sessions and themed lessons, focusing on words that are similar in different languages, important academic terms, and content that reflects diverse cultures.
Design and schedule regular opportunities for students to engage in structured partner talk, small-group discussions, and oral presentations in both languages.
Collaborate in grade-level teams to review student work and language-use data (e.g., writing samples, oral responses) to inform planning and monitor language development progress.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Implementation will be monitored through regularly scheduled Instructional Leadership Team (ILT) meetings and grade-level Professional Learning Communities (PLCs), which will review progress toward literacy goals using both qualitative and quantitative evidence. Key data sources will include:

i-Ready Diagnostic and Growth Monitoring reports (fall, winter, and spring) to track shifts in proficiency levels, growth goal attainment, and performance index.

Classroom walkthroughs and observation tools focused on look-fors aligned to the Science of Reading, small-group instruction, and student oral language use in both English and Spanish.

Teacher lesson plans and instructional artifacts that reflect the integration of structured academic talk, vocabulary instruction, and culturally responsive-sustaining texts.

Student work samples (e.g., oral presentations, writing tied to reading comprehension) and formative assessments evaluating vocabulary and comprehension skills.

Carefully examine coaching logs and professional learning attendance records to ensure PD alignment and implementation fidelity.

Progress will be reviewed quarterly with action steps adjusted as needed to ensure a measurable and positive impact on instruction, student learning, and achievement.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	01/31/2026	Host bilingual family literacy workshops focused on how to support reading comprehension at home in both English and Spanish, including the use of i-Ready family reports.	WHEDco, Parent Association, NYCPS FACE Team
02/02/2026	06/26/2026	Launch a “Reading at Home” campaign with monthly newsletters, read-aloud events, and take-home strategies aligned to the Science of Reading and biliteracy practices.	NYC Reads, New York Public Library, Dual Language Advocacy Network

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Literacy intervention teachers, DL reading specialists, instructional coaches, paraprofessionals, and external PD facilitators with expertise in Science of Reading and biliteracy development. Additionally, ELA and Math Coaches to provide targeted professional development and support for teachers. Additional instructional staff for after-school and Saturday academies to offer extended learning opportunities.

Instructional Resources

i-Ready Reading (Diagnostic, Growth Monitoring, Teacher Toolbox), NYC Reads curriculum (Foundational Skills for K–2, Vocabulary/Comprehension support for 3–8), bilingual leveled texts, culturally responsive-sustaining literature, sentence stems, and oral language scaffolds.

Schedule Adjustments

Designated Tier 2 intervention blocks during the school day (3–5x per week), protected PLC/ILT time for data analysis and planning, adjusted schedules to support job-embedded coaching and teacher collaborative planning.

Other Resources Needed

Translation services and family-facing literacy materials in English and Spanish; technology supports for i-Ready at home; funding for take-home reading kits and community reading nights.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Students need increased opportunities to be meaningfully engaged in classroom learning.	School Quality Guide / PLC Observations	Teachers and administrators would benefit from professional development focused on implementing high-impact engagement strategies and culturally responsive instructional practices.
Students need support in demonstrating appropriate behavior when not under direct supervision.	School Quality Guide / PLC Observations	Additional professional development is needed to strengthen the use of proactive and restorative practices that promote student self-regulation and accountability.
Students need to develop positive behavior habits that	School Quality	There is a need to build teacher capacity in establishing emotionally safe, inclusive, and supportive learning environments that foster student independence and intrinsic motivation.

extend beyond teacher presence.	Guide / PLC Observations	

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	29	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 5 Decrease, in Percentage of students identified as chronically absent (i.e., those with an attendance rate below 90%) from 29 to 24, per the Chronic Absenteeism Report (NYC DOE Attendance Reports).
Hispanic Students	31	By June, 2026, physical and mental wellness for Hispanic Students will improve, as measured by a 10 Decrease, in Number of behavioral incident reports submitted to OORS involving Hispanic students from 31 to 21, per the Online Occurrence Reporting System (OORS).
Students with Disabilities (SWD)	16	By June, 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a 6 Decrease, in Number of behavioral incident reports submitted to OORS involving Students with Disabilities from 16 to 10, per the Online Occurrence Reporting System (OORS).

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

NYC School Survey Results; Online Occurrence Reporting System (OORS)

Enter a Key Performance Indicator

Reduction in the number of OORS behavioral incidents and increased percentage of students reporting positive perceptions of classroom behavior and emotional safety

Baseline:

To be established using OORS reports and NYC School Survey data from June 2025

Enter the date for the baseline data:

June 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By the end of BOY, a 1% decrease in behavioral incidents and a 1% increase in students reporting positive classroom behavior and emotional safety

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By the end of MOY, a 2% decrease in behavioral incidents and a 2% increase in students reporting positive classroom behavior and emotional safety

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By the end of EOY, a 3% decrease in behavioral incidents and a 3% increase in students reporting positive classroom behavior and emotional safety

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

NYC School Survey Results; Online Occurrence Reporting System (OORS)

Enter a Key Performance Indicator

Increase in staff-reported practices related to personal attention, emotional support, and the development of collaborative and trusting relationships with students

Baseline:

To be established using initial NYC School Survey and OORS results from June 2025

Enter the date for the baseline data:

June 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By the end of BOY, a 1% increase in staff reporting implementation of practices that foster collaborative and trusting relationships with students, as measured by NYC School Survey and internal monitoring tools

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By the end of MOY, a 2% increase in staff reporting implementation of practices that foster collaborative and trusting relationships with students, as measured by NYC School Survey and internal monitoring tools

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By the end of EOY, a 3% increase in staff reporting implementation of practices that foster collaborative and trusting relationships with students, as measured by NYC School Survey and OORS analysis

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

NYC School Survey Results; Online Occurrence Reporting System (OORS)

Enter a Key Performance Indicator

Percentage increase in students exhibiting positive classroom behavior, as measured by survey responses and a decrease in behavior-related OORS incidents

Baseline:

To be established using NYC School Survey results and OORS data from June 2025

Enter the date for the baseline data:

June 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By the end of BOY, a 1% increase in the number of students demonstrating improved classroom behavior, as evidenced by survey feedback and initial behavior incident trends

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By the end of MOY, a 2% increase in positive student behavior, with corresponding reductions in OORS incidents and improved student perception data on classroom climate

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

By the end of EOY, a 4% increase in students exhibiting positive classroom behavior, supported by a measurable decline in OORS reports and improvement in survey measures of classroom engagement and emotional safety

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a schoolwide, culturally responsive Social-Emotional Learning (SEL) framework that integrates daily SEL instruction, mental health support, and restorative practices to promote emotional wellness and reduce absenteeism and behavioral incidents.

Root Cause Addressed:

Opportunities exist to strengthen the consistency and alignment of schoolwide behavior management systems to ensure all students experience predictable, supportive, and inclusive environments.

There is a need to expand access to student-centered mental health services and proactive wellness supports to further promote emotional well-being and remove barriers to learning.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Facilitate daily SEL lessons aligned to CASEL competencies and integrated into core instruction across all grades.
Provide ongoing professional development for all staff on SEL strategies, trauma-informed practices, and restorative circles.
Partner with the Pupil Accounting Secretary and Attendance Manager to ensure daily attendance monitoring and timely outreach for students at risk of chronic absenteeism.

Collaborate with TCIS-UFT to provide schoolwide de-escalation and conflict resolution training.
Launch a communication campaign for students and families highlighting SEL themes, school-based mental health supports, and attendance expectations.

Key Strategy 2 (Optional):

Expand access to tiered mental health supports by strengthening partnerships with external providers and creating a clear, student-friendly referral and follow-up system.

Root Cause Addressed:

There is an opportunity to enhance the availability of school-based counseling, regular emotional check-ins, and trauma-responsive supports to better meet the diverse needs of all students.

Strengthening collaboration and communication among school staff, families, and external providers will help ensure continuity of care and more effective tracking of student support plans and outcomes.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Establish and maintain partnerships with local mental health organizations to provide in-school counseling services.
Develop and implement a schoolwide referral protocol for staff to identify and connect students with emotional or mental health needs to appropriate support.
Track student progress through referral logs, support team documentation, and service utilization data.
Conduct parent workshops focused on youth mental health, available school resources, and strategies for supporting students at home.
Integrate wellness check-ins and student self-assessments into advisory and morning meeting routines.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To ensure fidelity of implementation and progress toward school wellness goals, the following monitoring structures will be used:

SEL Lesson Observations: School leaders will conduct informal walkthroughs and classroom observations to verify daily SEL integration and instructional alignment.

PD Attendance & Feedback: Staff participation in SEL, trauma-informed care, and mental health PD will be tracked and followed up with surveys to gauge relevance and impact.

Mental Health Service Tracking: The school will track referrals, counseling session frequency, and student follow-through in collaboration with internal teams and CBO partners.

Survey Data: Annual NYC School Survey results and interim school-created surveys will be analyzed to assess student and staff perceptions of safety, belonging, and emotional support.

Attendance & OORS Analysis: Ongoing review of chronic absenteeism and behavioral incident trends will inform adjustments to Tier 1 and Tier 2 wellness supports.

Family Engagement Metrics: Participation in mental health-focused family workshops and feedback forms will be collected to evaluate outreach effectiveness.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	01/30/2026	Host Monthly Family Mental Wellness Workshops: Provide parents and caregivers with resources and strategies to support their children's emotional well-being. Topics will include stress management, building resilience, and supporting students through trauma. Organize Quarterly Community Wellness Fairs: In collaboration with local mental health organizations, offer free screenings, resource booths, and educational sessions to connect families with accessible mental health supports.	Morrissania Hospital, Lincoln Hospital, ABC Partnership, and other local mental health providers
02/02/2026	06/26/2026	Launch the Parent-Teacher Mental Health Communication Initiative: Establish consistent outreach through newsletters, digital communication, and parent workshops to share tools, referrals, and wellness strategies. Emphasize the role of home-school collaboration in promoting student well-being.	DOE Counseling Services, ABC Partnerships, UFT Parent Association, and Morrisania Mental Health Unit

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Human Resources School Counselors: Provide ongoing social-emotional and mental health support for students, including individual and group counseling. SEL Program Leads: Coordinate and monitor the implementation of SEL instruction and wellness activities across grades. Mental Health Providers: Partner with local clinics and community-based organizations to offer on-site counseling and therapy services. Professional Learning Facilitators: Deliver training to staff on evidence-based SEL practices, trauma-informed care, and culturally responsive support strategies.

Instructional Resources

SEL Curriculum and Toolkits: Structured lesson plans, digital platforms, and activities aligned with CASEL competencies to guide classroom-based SEL instruction. Mental Wellness Materials: Student- and family-facing brochures, posters, and videos to increase mental health literacy and reduce stigma. Professional Development Modules: Online and in-person training focused on emotional regulation, conflict resolution, and staff wellness. Student Journals and Reflection Tools: Workbooks, prompts, and check-in templates to help students process emotions and track growth.

Schedule Adjustments

Dedicated SEL Blocks: Ensure time is built into the weekly schedule for classroom-based SEL instruction and reflection. PD Days for Staff: Allocate time for deep, ongoing learning in SEL, mental health, and restorative practices. Flexible Counseling Access: Offer availability before, during, and after school to meet students' varied needs. Family Workshop Evenings: Hold events at times convenient for working families to maximize attendance and engagement.

Other Resources Needed

Partnership Funding: Allocate funds to maintain and grow collaborations with mental health agencies and wellness service providers. Technology Tools: Leverage SEL platforms, student self-assessment tools, and secure communication apps to support virtual and in-person engagement. Evaluation Instruments: Use perception surveys, behavior logs, and attendance metrics to assess the impact of SEL initiatives. Multilingual Communications: Provide translated materials and interpretation services to ensure all families have equitable access to information and resources.

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
i-Ready Diagnostic Data, 2024–2025: Only 27% of ELL students and 28% of SWD students are proficient in Mathematics based on i-Ready End-of-Year (EOY) results.	Instructional practices are evolving to better meet the diverse linguistic and academic needs of English Language Learners (ELLs) and Students with Disabilities (SWDs). Continued professional learning is needed to strengthen the use of scaffolds, structured math discourse, and culturally responsive strategies. Enhancing the consistency and intentionality of small-group instruction and targeted interventions will further support student progress and equity in mathematics.	Increase math proficiency among ELL and SWD students through differentiated instruction, targeted interventions, and teacher professional development focused on inclusive and scaffolded math practices.

i-Ready Math Lesson Progress Data & Student Surveys, 2024–2025: A significant number of students show signs of low engagement during independent math practice, with decreased progress on online lessons and limited participation during classroom discourse.	Instructional approaches can be further enriched by shifting from predominantly worksheet-based or passive tasks toward more dynamic, student-centered learning. Increasing the use of digital tools, real-world problem-solving, and inquiry-based activities offers powerful opportunities to make mathematics more engaging and relevant. Empowering students with greater voice and choice in how they learn can significantly boost motivation, ownership, and participation.	Boost student engagement in mathematics by integrating interactive tools, real-world problem-solving, and student-centered practices that promote inquiry and active participation.
Teacher Feedback and i-Ready Standards Mastery Reports, 2024–2025: Formative assessments are underutilized, with limited tracking of student progress toward specific math standards and learning targets.	Teachers would benefit from additional support and resources to seamlessly integrate quick, standards-aligned formative assessments into daily instruction. Strengthening the consistent use of student data to inform pacing, instructional groupings, and targeted reteaching will enhance responsiveness and maximize learning outcomes for all students.	Expand the use of formative assessment practices in math instruction to drive real-time instructional decisions and provide actionable feedback that supports student growth.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
English Language Learners (ELL)	33%	P.S./I.S. 218 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of English Language Learners (ELLs) scoring at Levels 3 and 4 will Increase by 3% from 33% to 36%, for English Language Learners (ELL), as measured by i-Ready Mathematics Assessment .
All Students	34%	P.S./I.S. 218 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students actively engaged in mathematics instruction will Increase by 3% from 34% to 37%, for All Students, as measured by i-Ready Mathematics Assessment .
All Students	50%	P.S./I.S. 218 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By July, 2026, the percentage of teachers effectively using formative assessments in mathematics instruction will Increase by 20% from 50% to 70%, for All Students, as measured by classroom observations and student surveys,.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

i-Ready Mathematics Assessments

Enter a Key Performance Indicator

Percentage of ELL and SWD students scoring at Levels 3 & 4 on the i-Ready Mathematics Assessments

Baseline:

33% of ELL and SWD students are currently meeting proficiency in Mathematics as measured by i-Ready (September 2025).

Enter the date for the baseline data:

September 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

40% of ELL and SWD students will be on track to meet or exceed proficiency levels (Levels 3 & 4) based on BOY i-Ready diagnostic results.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

45% of ELL and SWD students will demonstrate growth toward proficiency on the MOY i-Ready diagnostic, indicating progress toward end-of-year goals.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

53% of ELL and SWD students will achieve proficiency (Levels 3 & 4) on the EOY i-Ready Mathematics Assessment, reflecting a 20-point growth from baseline.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Classroom Observations and Student Surveys

Enter a Key Performance Indicator

Percentage of students actively engaged in mathematics lessons

Baseline:

31% of students are currently actively engaged in mathematics lessons

Enter the date for the baseline data:

September 2024

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Increase student engagement to 35% by the end of BOY period This reflects implementation of new engagement strategies and routines in early instructional blocks.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Increase student engagement to 40% by MOY This accounts for deeper implementation of culturally responsive and interactive instructional practices.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Increase student engagement to 45% by EOY This represents sustained use of engaging math instruction, use of digital tools, and increased student voice.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Classroom Observations and Student Surveys

Enter a Key Performance Indicator

Percentage of students actively engaged in Mathematics lessons

Baseline:

31% of students are currently demonstrating active engagement in Mathematics lessons

Enter the date for the baseline data:

September 2024

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

35% of students will demonstrate active engagement in Mathematics lessons

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

38% of students will demonstrate active engagement in Mathematics lessons

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

42% of students will demonstrate active engagement in Mathematics lessons

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Strengthen math instruction by embedding culturally responsive practices, student voice, and technology-enhanced learning tasks that promote inquiry, discussion, and real-world application. Emphasize scaffolding and structured academic talk to meet the needs of English Language Learners (ELLs) and Students with Disabilities (SWDs).

Root Cause Addressed:

While progress has been made, instructional strategies are still evolving to fully meet the diverse linguistic, cultural, and academic needs of English Language Learners (ELLs) and Students with Disabilities (SWDs). There is an opportunity to strengthen instruction by more consistently embedding student-centered tasks, structured mathematical discourse, and culturally relevant, real-world applications that deepen engagement and accessibility for all learners.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide professional learning on structured math talk, visual scaffolds, and culturally responsive instruction tailored to ELLs and SWDs.
Launch a schoolwide initiative for project-based math learning that integrates real-world problems and student collaboration.
Incorporate digital math tools (e.g., virtual manipulatives, learning games, Desmos) into weekly lessons to boost engagement and access.

Conduct monthly learning walks focused on student engagement and discourse during math instruction; debrief findings with grade teams.
Offer weekly small-group planning sessions with instructional coaches to co-plan high-leverage lessons and differentiation strategies.

Key Strategy 2 (Optional):

Strengthen the use of formative assessment practices in mathematics by training teachers to implement real-time checks for understanding, use data to inform instruction, and differentiate support for English Language Learners (ELLs) and Students with Disabilities (SWDs).

Root Cause Addressed:

Inconsistent implementation of formative assessment practices and limited real-time data collection hinder teachers' ability to make timely instructional adjustments to meet the diverse linguistic and academic needs of students. To effectively tailor instruction, educators require enhanced access to tools, dedicated time for data analysis, and sustained professional learning on embedding standards-aligned formative checks that inform instructional next steps and promote equitable student growth.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Facilitate job-embedded professional learning focused on implementing formative assessment strategies, including exit tickets, think-alouds, and real-time student response tools.
Provide coaching cycles and model lessons that incorporate structured math talk, scaffolds for ELLs and SWDs, and culturally responsive mathematical tasks.
Develop grade-level data protocols for analyzing formative assessment results to adjust small-group instruction, pacing, and reteaching needs in weekly planning meetings.
Develop grade-level data protocols for analyzing formative assessment results to adjust small-group instruction, pacing, and reteaching needs in weekly planning meetings.
Launch peer observation opportunities where teachers share and reflect on effective practices in using formative assessments and differentiated grouping strategies.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To monitor the implementation of Priority 3 strategies and action steps, the school will use the following structures and evidence sources:

Instructional Walkthroughs: Conduct biweekly walkthroughs with a focus on the use of formative assessment strategies and student engagement in mathematics.

Teacher Coaching Logs: Document teacher participation in coaching sessions, modeling, and implementation of feedback cycles.

Planning Meeting Artifacts: Review student grouping plans, reteaching plans, and pacing adjustments discussed during collaborative team meetings.

Formative Data Reports: Collect and analyze formative assessment results (from i-Ready, teacher-created assessments, and digital platforms) to monitor student progress and instructional responsiveness.

Student Work Samples: Examine samples from diverse student groups (ELLs, SWDs) to determine alignment to grade-level standards and evidence of scaffolded supports.

Teacher Surveys and Reflections: Gather feedback on the usefulness of professional learning and instructional tools provided to support differentiated, data-informed instruction.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	01/30/2026	Parent Workshops on Formative Assessments & Family Math Nights Host interactive workshops to build parent understanding of formative assessments and how they can reinforce learning at home. Launch Family Math Nights each quarter to engage students and families in hands-on math activities that build confidence, promote discussion, and strengthen real-life connections to math. These events will also serve as platforms to share school progress data in accessible formats.	WHEDco, Educational Consultants, Local Community Centers (for space, volunteers, and outreach support)
02/02/2026	06/26/2026	Ongoing Parent Communication & Conferences Distribute monthly newsletters featuring practical strategies and online tools parents can use to support their child's math learning. Schedule regular parent-teacher conferences with a focus on sharing formative assessment data and setting personalized goals. Include interpreters and translated materials to ensure accessibility for multilingual families.	Local Non-Profit Organizations, WHEDco, School Parent Association, DOE Translation & Interpretation Unit

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Professional Development Facilitators: Engage specialists to provide targeted training in formative assessment practices and student engagement strategies. Instructional Coaches: Provide in-class support and coaching to teachers on embedding formative assessment checks and increasing student voice. Community Liaisons: Coordinate partnerships with families and community organizations to enhance academic engagement at home and school.

Instructional Resources

Formative Assessment Tools: Procure high-quality digital and print resources for formative assessment, such as online assessment platforms, interactive clickers, and feedback tools. Differentiated Learning Materials: Provide visual aids, manipulatives, and culturally responsive instructional materials to support math engagement for ELLs and SWDs. Family Workshop Kits: Distribute take-home math kits and resources for use during Family Math Nights and workshops, encouraging at-home learning.

Schedule Adjustments

Dedicated Time for Professional Learning: Build structured time into the school calendar for ongoing training on data-driven instruction and formative practices. Instructional Planning Blocks: Create weekly collaborative planning time for teachers to analyze student data and co-design lessons aligned to student needs. Flexible Family Engagement Time: Offer evening or weekend sessions to ensure all families can participate in workshops, math nights, and conferences.

Other Resources Needed

Funding for Educational Partnerships: Allocate funding to sustain partnerships with local educational consultants, family engagement providers, and nonprofit learning hubs. Technology Enhancements: Invest in classroom technology upgrades to support real-time data collection, interactive learning, and student engagement tools. Parent Communication Platforms: Use schoolwide digital platforms (e.g., ClassDojo, TalkingPoints, newsletters) to strengthen family-school partnerships and share strategies to support math learning at home.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Increase College and Career Readiness	Data Source & Year: 2023–2024 Student Graduation Data. Trend: Only 50% of students	Limited Access and Preparation: Students have minimal exposure to college visits, dual enrollment programs, and internships. Inadequate Counseling Support: Often overburdened, guidance counselors struggle to offer consistent college and career planning. Curriculum Misalignment:

	are graduating with indicators of college and career readiness.	Instruction may not fully prepare students with the skills and competencies necessary for post-secondary success.
Enhance Career Pathway Programs	Data Source & Year: 2023–2024 Career Pathway Enrollment Data. Trend: Only 30% of students are enrolled in career pathway programs.	Program Gaps and Awareness: Limited offerings in CTE or industry-aligned pathways reduce options for students. Families and students are not consistently informed about available programs and benefits. Resource Limitations: Funding and staffing constraints affect the development and sustainability of robust pathway options.
Improve Student Engagement in Post-Secondary Planning	Data Source & Year: 2023–2024 Student Engagement Surveys. Trend: Only 40% of students report being actively engaged in post-secondary planning.	Lack of Motivation and Exposure: Students may not see the relevance of post-secondary planning without regular exposure to real-world experiences. Information Gaps: Students and families need clearer, earlier access to information about financial aid, scholarships, career clusters, and college timelines. Family Engagement Challenges: Limited family participation in planning events or workshops impacts student follow-through.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50	P.S./I.S. 218 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Percentage of students graduating with college and career readiness indicators for All Students will Increase by 20 from 50 to 70 as measured by Graduation Tracker, Scholarship Reports, College Acceptance Rates, Career Pathway Enrollment Data.
All Students	30	P.S./I.S. 218 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Percentage of students enrolled in career pathway programs. Success is defined as an increase in enrollment indicating expanded access and awareness of post-secondary pathways. for All Students will Increase by 20 from 30 to 50 as measured by Career Pathway Enrollment Reports.
All Students	40	P.S./I.S. 218 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Percentage of students actively engaged in post-secondary planning activities as reported through Student Engagement Surveys. for All Students will Increase by 15 from 40 to 55 as measured by Student Engagement Surveys.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Graduation Tracker, Scholarship Reports, College Acceptance Rates, Career Pathway Enrollment Data

Enter a Key Performance Indicator

Percentage of students graduating with college and career readiness indicators.

Baseline:

50%

Enter the date for the baseline data:

2024-2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

55% of students will be on track to meet college and career readiness indicators, as measured by preliminary graduation and pathway engagement tracking.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

60% of students will show evidence of progress toward meeting college and career readiness indicators through updated transcript reviews, scholarship applications, and post-secondary planning milestones.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

70% of students will graduate with college and career readiness indicators, as reflected in final graduation rates, college acceptances, scholarship awards, and career pathway enrollment.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Career Pathway Enrollment Data

Enter a Key Performance Indicator

Percentage of students enrolled in career pathway programs

Baseline:

30%

Enter the date for the baseline data:

September 2024

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

35% enrollment rate

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

40% enrollment rate

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

50% enrollment rate

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Student Engagement Surveys

Enter a Key Performance Indicator

Percentage of students actively engaged in post-secondary planning activities.

Baseline:

45% engagement rate

Enter the date for the baseline data:

September 2024

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

45% engagement rate

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

50% engagement rate

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

55% engagement rate

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Launch a comprehensive Career Pathways Awareness and Engagement Initiative to ensure students and families are well-informed about college and career options. This includes expanding access to industry-aligned programs, mentorship opportunities, and post-secondary planning resources tailored to student interests and strengths.

Root Cause Addressed:

There is a lack of exposure to diverse, industry-aligned career pathway programs and limited structured opportunities to support post-secondary planning. Limited resources, guidance, and culturally responsive outreach consistently fail to inform or engage families and students in the planning process.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Host Career Pathway Exploration Events: Organize career fairs, college visits, and guest speaker panels throughout the year to expose students to a wide range of professions and post-secondary options.
Develop and Distribute Multilingual Resources: Create and share brochures, digital presentations, and family toolkits that clearly outline available career pathways, benefits, and next steps.
Implement Student Post-Secondary Planning Portfolios: Introduce digital or paper-based planning portfolios where students set goals, track milestones, and reflect on their interests and progress.
Launch After-School and Summer Career Clubs: Provide structured programming that allows students to explore careers through project-based learning, job shadowing, and mentorship connections.

Provide Professional Development for Staff: Offer training for counselors and teachers on how to integrate career readiness instruction, promote equitable access to opportunities, and support students and families through the transition to high school, college, or technical programs.

Key Strategy 2 (Optional):

Launch a schoolwide post-secondary readiness initiative that integrates advisory sessions, goal-setting protocols, and individual student action plans to build college and career awareness and increase student engagement in future planning.

Root Cause Addressed:

There is a need for more robust motivational structures and personalized supports to help students meaningfully connect with the importance of post-secondary planning. Many students currently lack consistent guidance, structured advisory systems, and access to tools that empower them to envision, set, and pursue goals for life beyond high school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch an Advisory Program: Implement a structured advisory period where students meet regularly with staff to set post-secondary goals, reflect on progress, and build awareness of college, career, and vocational options.
Facilitate Student Vision Boards and Goal-Setting Activities: Schedule classroom-based and advisory activities that help students articulate their dreams and connect them to actionable steps for their futures.
Implement Individual Student Planning Conferences: Conduct one-on-one meetings between students, families, and guidance counselors to develop individualized post-secondary plans and provide tailored support.
Host Career Inspiration Days: Organize motivational events featuring alumni, professionals, and trade representatives who can share real-world experiences and inspire students to explore various career pathways.
Provide Staff Professional Development: Train teachers and support staff in using culturally responsive, motivational advising techniques and career exploration tools that resonate with diverse student populations.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Leadership Review Cycles: Conduct bi-monthly implementation review meetings with the school leadership team to track the rollout and fidelity of action steps. Use these sessions to identify barriers, celebrate successes, and adjust plans as needed.

Student Engagement Metrics: Collect and analyze participation data from post-secondary planning activities such as workshops, advisory sessions, career fairs, and one-on-one counseling. Track trends across grade levels and student groups.

Stakeholder Surveys and Feedback Tools: Distribute structured feedback forms to students, families, and staff to evaluate the relevance, clarity, and impact of career readiness activities. Include both quantitative ratings and open-ended reflections.

Classroom & Counseling Observations: Use observation protocols and evaluation rubrics to document how teachers and counselors integrate post-secondary planning into advisory, SEL, and instructional time.

Progress Dashboards: Develop a visual progress-monitoring dashboard to display key performance indicators (e.g., % of students with individualized post-secondary plans, % participation in events) and share updates during SLT and parent association meetings.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	01/30/2026	Host career fairs and post-secondary planning nights to provide students and families with information on college, career pathways, scholarships, and technical education opportunities. Materials will be bilingual, and events will include panel discussions with industry professionals.	Local colleges, WHEDCo, NYC College Access Consortium, local industry partners
02/02/2026	06/26/2026	Facilitate parent workshops on supporting children with post-secondary planning, including FAFSA, application timelines, resume writing, interview prep, and career exploration. Provide translated guides and live support where possible.	College financial aid representatives, school counselors, parent coordinators, and the NYC College & Career Planning Taskforce

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

To support post-secondary readiness and planning, the following human resources will be leveraged: College and career counselors to provide guidance on pathways and graduation planning. Financial aid advisors to support FAFSA completion and scholarship access. Community liaison officers to coordinate with families and external partners. Workshop facilitators and career coaches to run post-secondary planning sessions and events.

Instructional Resources

To build college and career readiness skills: Invest in career planning software (e.g., Naviance, Xello) and virtual platforms. Provide printed and digital college application guides and toolkits. Offer access to financial aid databases and scholarship search engines. Use interactive platforms for virtual college tours and career exploration.

Schedule Adjustments

To ensure meaningful implementation time: Allocate protected time during advisory periods or electives for post-secondary planning lessons. Adjust after-school programming to include college/career readiness events and workshops. Set calendar blocks for family engagement activities such as college nights and FAFSA support.

Other Resources Needed

To expand access and visibility of programming: Secure funding for transportation to college visits and industry partner sites. Provide promotional and translated materials to inform families about events and planning processes. Use school communication tools (e.g., newsletters, apps, social media) to increase engagement in post-secondary initiatives. Partner with organizations like WHEDco and College Access Consortium to enhance programming reach.

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Data Source & Year: 2024–2025 Family Engagement Survey Data Trend: Only	Strengthening efforts to inform all parents about school events and programs can increase awareness and boost participation. Flexible Engagement Options: Offering various times and formats for events can help accommodate diverse family schedules and commitments. Enhance	Improve Family Engagement in School Activities

37% of parents actively participate in school events and activities.	Communication Channels: Expanding and improving two-way communication between home and school will foster stronger family-school partnerships.	
Data Source & Year: 2024–2025 Student and Parent Surveys Trend: Only 44% of students and parents feel that the school adequately addresses cultural diversity.	Expand Professional Learning: Provide educators with ongoing support and training to strengthen cultural responsiveness and inclusive practices. Enhance Curriculum Inclusivity: Enrich the curriculum to authentically reflect diverse cultures, voices, and lived experiences. Increase Cultural Representation: Intentionally integrate diverse perspectives and identities into school materials, programs, and events to celebrate and affirm all students.	Enhance Inclusivity and Cultural Responsiveness
Data Source & Year: 2024–2025 Enrollment Data Trend: Enrollment in NYC public schools has decreased by 13% over the past three years.	Build Family Confidence: Strengthen messaging around the high-quality instruction, programs, and outcomes offered by public schools to increase trust and pride in the school community. Elevate Outreach Efforts: Expand strategic marketing and communication initiatives to highlight school achievements, innovative programs, and student successes. Position Public Schools as a First Choice: Emphasize the unique advantages of public education while remaining responsive to family needs in a competitive educational landscape.	Increase Enrollment in NYC Public Schools

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	37	P.S./I.S. 218 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of parents/families actively participating in at least three school events or programs during the academic year will Increase by 15 from 37 to 52 as measured by Parent Involvement Surveys and Parent Coordinator Activity Reports (PCAR).
Parents of All Students	48%	P.S./I.S. 218 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of students and parents who indicate on school surveys that the school adequately addresses and supports cultural diversity and inclusivity. will Increase by 7% from 48% to 55% as measured by Student and Parent Survey Reports (2024–2025 NYC School Survey Results).
Parents of All Students	44%	P.S./I.S. 218 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of families enrolling their children in NYC public schools, as reflected in official enrollment records from NYC Public Schools. will Increase by 5% from 44% to 49% as measured by NYC Public Schools Enrollment Data Reports.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Strengthen family-school partnerships by conducting regular parent-teacher conferences and leveraging digital communication platforms to enhance engagement, transparency, and trust between families and school staff.

Root Cause Addressed:

Opportunity to Strengthen Outreach: There is a need to expand outreach and marketing efforts to more effectively highlight the unique strengths, academic offerings, and community partnerships within NYC public schools.

Perceptions of Quality: Some families may not yet be fully aware of the high-quality instruction, diverse programs, and student supports available in NYC public schools, which can influence comparisons with private or charter options.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Host monthly family engagement workshops. Provide opportunities for families to participate in hands-on sessions about student learning, school updates, and available resources to support their child's success.
Launch a Bilingual Digital Engagement Platform Introduce tools such as ClassDojo, TalkingPoints, or Remind to send timely updates, celebrate student success, and ensure two-way communication in families' preferred languages.
Establish Quarterly Parent-Teacher Conferences Organize conferences that highlight student progress, offer personalized learning insights, and strengthen the academic partnership between home and school.
Distribute a Family-Focused Newsletter Each Quarter Share updates featuring student achievements, upcoming school events, key initiatives, and tips for supporting learning at home.

Provide Professional Learning for Staff Facilitate workshops for teachers on culturally responsive family engagement strategies and how to build stronger, trust-based relationships with families.

Key Strategy 2 (Optional):

Develop a tiered family engagement framework that differentiates support based on family needs and levels of involvement. Incorporate culturally responsive approaches, language accessibility, and trauma-informed practices to foster equitable partnerships between families and schools.

Root Cause Addressed:

Limited culturally responsive structures and inconsistent outreach efforts have resulted in low family participation in school events and limited trust between schools and marginalized communities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Establish a Family Needs Assessment Survey (Fall 2025) to gather input on preferred communication methods, event times, and support services.
Partner with community-based organizations (CBOs) to co-host culturally relevant family nights, offering child care, interpreters, and food to increase attendance.
Launch a Family Advocate Program where select staff or trusted parents are trained to serve as liaisons between home and school.
Host virtual and in-person “Parent Academy” sessions on key topics like literacy support, navigating IEPs, digital learning tools, and college/career readiness.
Develop a feedback loop via short family surveys or exit slips after events to continuously improve offerings and responsiveness.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress will be monitored through participation data (attendance at workshops, survey responses, digital platform usage), feedback surveys, and qualitative observations.

Data Collection Tools: Attendance logs from family workshops, ClassDojo/TalkingPoints communication analytics, survey data (Google Forms or Panorama), and staff meeting notes.

Accountability Structures: Monthly review by Family Engagement Team; quarterly presentations to SLT and parent coordinators; end-of-year summary report.

Adjustments will be made based on participation trends and feedback to ensure equity and sustained family-school partnerships.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	01/30/2026	Host monthly parent engagement workshops covering topics such as student academic support, college readiness, and navigating the school system. Establish a parent advisory committee that meets quarterly to provide feedback and suggest improvements on school initiatives.	Local community centers ParentTeacher Associations (PTAs) WHEDCo, ABCs
02/02/2026	06/26/2026	Organize bi-annual family fun nights to build a stronger school community and encourage parent participation. Implement a volunteer program for parents to support classroom activities and school events.	Local non-profit organizations Volunteer service organizations District

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Expand staffing by assigning additional school counselors and social workers to provide targeted family outreach and social-emotional support aligned with family engagement goals. Designate Parent Coordinators and Engagement Specialists to plan, lead, and evaluate family workshops, cultural events, and engagement initiatives. Leverage bilingual personnel to ensure equitable access for multilingual families.

Instructional Resources

Integrate culturally responsive and trauma-informed instructional materials that reflect the school community's diversity and foster inclusive, student-centered learning. Utilize digital platforms (e.g., Zoom, ClassDojo, TalkingPoints) to facilitate virtual family engagement opportunities, interactive learning modules, and multilingual communication channels.

Schedule Adjustments

Build flexibility into the school calendar to host parent-teacher conferences beyond standard school hours, accommodating working families. Designate one evening per month for structured family engagement, such as "Family Learning Nights," town halls, and student showcases, to increase parent visibility and shared accountability in school progress.

Other Resources Needed

Secure Title I and community-based funding to support engagement events, including stipends for presenters, materials for hands-on workshops, translation services, and refreshments to promote welcoming environments. Establish formal partnerships with local CBOs, health providers, and cultural organizations to co-host family learning series, provide wraparound services, and extend the school's reach into the broader community.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Data Source & Year: 2024–2025 Attendance Data Trend: Chronic absenteeism is notably higher among Kindergarten students, with rates exceeding 30%.	Expanding early intervention programs presents an opportunity to strengthen consistent attendance habits in early childhood. Increasing family awareness about the value of daily attendance, along with providing support for economic and childcare-related challenges, can further enhance student engagement and readiness	Reduce chronic absenteeism rates among students in Kindergarten and early grades.
Data Source & Year: 2024–2025 Attendance Data by Ethnicity Trend: Black and Hispanic students have chronic absenteeism rates	Socioeconomic inequities and housing instability disproportionately impact Black and Hispanic families. Cultural disconnects and a lack of targeted outreach limit trust and engagement.	Address the high absenteeism rates among

significantly higher than their peers, at 25% and 22%, respectively.		Black and Hispanic students.
Data Source & Year: 2024–2025 Special Programs Attendance Data Trend: Students with IEPs and ELLs exhibit chronic absenteeism rates of 28% and 26%, respectively.	Students with IEPs and ELLs lack tailored attendance interventions and culturally and linguistically relevant support. Communication challenges and resource limitations hinder consistent school engagement.	Improve attendance rates for students with IEPs and ELLs.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	30.6%	By June, 2026, the Percentage of Chronically Absent Kindergarten Students. Success means a significant reduction in the percentage of all students who are chronically absent (i.e., absent 10% or more of school days). for All Students will decrease by 10.6%, from 30.6% to 20%, as measured by the New Visions Chronic Absenteeism Reports, Insight Chronic Absenteeism Reports.
Hispanic Students	25% for Black students and 22% for Hispanic students	By June, 2026, the Percentage of Chronically Absent Students" Success looks like a measurable reduction in the chronic absenteeism rates among Black and Hispanic students from their baseline rates. for Hispanic Students will decrease by Hispanic students: 5% reduction, from 25% for Black students and 22% for Hispanic students to Reduce chronic absenteeism among Black students to 19% and among Hispanic students to 17%, as measured by the Chronic Absenteeism Reports," "New Visions Chronic Absenteeism Reports," or "Insight Chronic Absenteeism Reports.
Students with Disabilities (SWD)	28%	By June, 2026, the Percentage of chronically absent students with IEPs and ELLs — success is defined as a measurable and sustained decrease in chronic absenteeism among these student groups. for Students with Disabilities (SWD) will decrease by 6%, from 28% to 22%, as measured by the 2024–2025 Sub-Groups Attendance Data.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

By the end of the year, reduce chronic absenteeism among students with IEPs to 18% and ELLs to 16%

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement targeted, culturally and linguistically responsive attendance interventions for students with IEPs and ELLs, while strengthening home-school communication and support systems.

Root Cause Addressed:

Students with IEPs and ELLs benefit from increased access to tailored attendance supports and culturally and linguistically responsive engagement strategies. Strengthening communication systems and expanding access to targeted services can enhance consistent school participation and foster deeper family-school partnerships.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch an Attendance Intervention Team (AIT): Create a team including the IEP Coordinator, ELL coordinator, guidance counselor, and family liaison to meet bi-weekly and track student-level attendance data for IEP/ELL populations.
Provide Professional Development: Train teachers, paraprofessionals, and parent coordinators on culturally responsive family engagement strategies and how to address barriers to attendance specific to multilingual learners and students with disabilities.
Implement Multilingual Attendance Communication: Send attendance alerts, newsletters, and resource guides home in families' preferred languages, with clear guidance on how to access support services.
Offer Wraparound Supports: Collaborate with community-based organizations to offer onsite services such as mental health counseling, housing assistance referrals, and support groups tailored for IEP and ELL families.

Create Personalized Attendance Plans: Develop individual attendance improvement plans for chronically absent students with IEPs/ELLs that include specific goals, weekly check-ins, incentives, and accountability steps.

Key Strategy 2 (Optional):

Implement inclusive attendance intervention systems tailored to meet the needs of students with IEPs and ELLs, with a focus on culturally responsive practices and multilingual family engagement.

Root Cause Addressed:

Students with IEPs and ELLs benefit from more tailored supports that consider linguistic diversity, individualized learning needs, and family-school communication. Barriers such as language, limited resources, and culturally mismatched outreach efforts can be addressed through intentional, inclusive intervention planning.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Develop and launch a multilingual attendance outreach plan that includes translated materials and outreach by bilingual staff or community liaisons to improve communication with families of ELLs and students with IEPs.
Host monthly family support workshops focused on understanding IEP/ELL services, the importance of attendance, and available school and community supports.
Create an Attendance Success Team inclusive of ENL teachers, special educators, and parent coordinators to review data weekly and design personalized outreach and support plans for chronically absent students.
Implement morning check-ins and incentives for targeted students to increase their sense of belonging and motivation to attend school consistently.
Provide professional learning for staff on trauma-informed attendance practices and strategies for engaging linguistically and culturally diverse families.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The Attendance Team will meet biweekly to review attendance data from New Visions Chronic Absenteeism Reports and Insight Reports. The team will track progress toward targeted goals by monitoring rates of chronic absenteeism disaggregated by grade level, race/ethnicity, ELL, and IEP status. Specific indicators include reductions in chronic absenteeism percentages at BOY, MOY, and EOY checkpoints. Data will be analyzed to determine the effectiveness of implemented strategies, such as multilingual outreach, incentive programs, and family engagement sessions. Adjustments will be made based on trends and student-level case reviews. We will log and monitor attendance improvement plans in ATS/Campus and share them with school leadership on a monthly basis.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	01/30/2026	Host monthly multilingual attendance awareness sessions for families of chronically absent students, focusing on the importance of consistent attendance and available supports. Provide interpretation services and childcare.	WHEDco, Community Board 4, Parent Coordinators, Immigrant Family Services
02/02/2026	06/26/2026	Launch "Attendance Hero" Family Celebration Events for families of students who improve attendance. Include student recognitions, family raffles, and community resources.	Bronx Borough Partnership, Local faith-based groups, District 9 Attendance OfficeBronx Borough Partnership, Local faith-based groups, District 9 Attendance Office

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School Counselors: To provide early intervention and consistent support for students with attendance concerns. Parent Coordinator: To lead monthly family workshops and maintain communication with parents. Bilingual Support Staff: To assist in translating materials and improving engagement with non-English-speaking families. Community Liaison: To coordinate with local organizations and connect families with available services. Social Worker: To support families navigating economic hardships and social barriers impacting attendance.

Instructional Resources

Bilingual materials such as pamphlets, flyers, and digital newsletters to increase awareness about the importance of regular attendance. Culturally responsive curriculum materials to improve engagement and foster inclusive classroom practices across diverse student populations.

Schedule Adjustments

Offer parent workshops and family engagement events at flexible times (mornings, evenings, and weekends) to accommodate varying family schedules. Establish quarterly staff check-ins to analyze attendance trends, review action plan implementation, and refine support strategies.

Other Resources Needed

Partnerships with local organizations (e.g., food pantries, shelters, mental health clinics) to provide wraparound services for families. Incentive programs to recognize students and families demonstrating improved attendance. Transportation support for families with logistical barriers getting students to school regularly.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Data Source & Year: 2024–2025 School Year Assessment Data Trend: Reading proficiency levels for students with IEPs are significantly lower than their general	Limited availability of specialized reading interventions designed to meet the unique needs of students with IEPs. Insufficient access to evidence-based professional development focused on effective reading	IEP Development and Fidelity of Implementation

education peers, with only 20% meeting grade-level expectations compared to 60% of general education students.	strategies for diverse learners. Gaps in the provision and integration of assistive technologies and targeted literacy support resources hinder instructional impact.	
Data Source & Year: 2024–2025 School Year Assessment Data Trend: Math proficiency for students with IEPs is significantly lower than that of their general education peers, with only 18% meeting grade-level expectations, compared to 55% of their peers.	Limited access to differentiated and personalized math instruction tailored to the needs of students with disabilities. Professional development on the effective application of adaptive tools and evidence-based instructional strategies to support diverse math learners is inadequate.	Transition Planning and Compliance
Data Source & Year: 2024–2025 School Year Behavioral Data Trend: Students with IEPs have higher behavioral incidents and lower engagement in school compared to general education peers.	Limited implementation of social-emotional learning (SEL) programs specifically designed to meet the unique needs of students with disabilities. Insufficient collaboration between special education staff and counseling teams to provide integrated support. Few inclusive extracurricular and enrichment opportunities that promote engagement and belonging for all learners.	Referral Process and Equity
		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	Baseline data to be determined based on available 2023–2024 behavioral and engagement records.	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve We aim to improve the quality and execution of IEPs by incorporating comprehensive social-emotional learning (SEL) supports. The goal is to foster inclusive school experiences, reduce behavioral incidents, and increase student engagement. This will be achieved through tailored SEL programs, stronger collaboration between special education staff and mental health professionals, and expansion of inclusive extracurricular and peer mentorship opportunities. by a Behavioral incidents reduced by 25% Student engagement increased by 30% Increase, from Baseline data to be determined based on available 2023–2024 behavioral and engagement records. to 25% reduction in behavioral incidents 30% increase in student engagement, as measured by School Year-End Assessment Scores, Student Engagement Surveys, Behavioral Data Logs, and Progress Monitoring Tools Specific to SEL Programs.
Students with Disabilities (SWD)	18%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve We aim to improve the quality of math instruction for students with IEPs by increasing access to differentiated and personalized instruction, enhancing the use of adaptive learning tools, and providing targeted professional development for teachers. This goal aligns with improving transition planning and compliance through more effective instructional practices tailored to student needs. by a 15% Increase, from 18% to 33%, as measured by School Year-End Assessment Scores and Progress Monitoring Tools Specific to Math Interventions.

Reduce the rate of behavioral incidents by 25% from the baseline. Increase student engagement by 30% from the baseline.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Implement targeted social-emotional learning (SEL) programs and inclusive student support systems tailored to the needs of students with IEPs. This includes peer mentorship opportunities, inclusive extracurricular activities, and structured SEL instruction aligned with CASEL competencies.

Root Cause Addressed:

Limited availability of social-emotional learning (SEL) programs specifically designed to address the diverse needs of students with disabilities. Infrequent collaboration between special education and counseling teams hinders the alignment of supports. Additionally, students with IEPs have reduced access to inclusive, peer-integrated activities that foster a strong sense of belonging, emotional well-being, and active school engagement.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch a tiered SEL curriculum in both ICT and self-contained classrooms to address diverse emotional and behavioral needs of students with IEPs.
Establish peer mentorship and inclusive club programs (e.g., lunch bunch, leadership circles) that pair general education students with students with IEPs to increase social integration.
Provide monthly professional development for teachers, counselors, and paraprofessionals focused on trauma-informed care, inclusive practices, and restorative approaches for students with disabilities.
Facilitate bi-monthly collaboration sessions between special education teachers, counselors, and related service providers to align interventions and SEL strategies.
Utilize behavior and engagement data to monitor progress and identify students who may need additional SEL or counseling support.

Key Strategy 2 (Optional):

Establish integrated SEL frameworks that align special education and counseling services to support the emotional well-being of students with disabilities. Expand inclusive, peer-based programs such as restorative circles, buddy

systems, and mentorship opportunities to foster school connectedness.

Root Cause Addressed:

There is a need for more targeted SEL programming designed specifically for students with disabilities, along with stronger collaboration between special education and counseling teams. Without these structures in place, students with disabilities have fewer opportunities to engage in inclusive, peer-supported experiences that foster a sense of belonging and promote consistent participation in school life.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Co-design SEL lesson plans that incorporate the unique social-emotional needs of students with IEPs, in collaboration with special education staff, social workers, and guidance counselors.
Launch a peer mentoring program pairing general education and special education students to build inclusive school relationships and improve engagement.
Provide monthly joint professional learning sessions for special educators and counseling staff on trauma-informed practices, de-escalation techniques, and inclusive SEL tools.
Pilot inclusive extracurricular clubs that center on shared interests (e.g., music, robotics, art) with both SWDs and general education peers participating.
Introduce restorative practices such as daily check-ins, conflict resolution circles, and SEL morning meetings within ICT and self-contained classrooms.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The school will use a multi-tiered system to monitor implementation progress, consisting of monthly IEP review meetings, collaborative planning sessions between special education and counseling teams, and quarterly data reviews. Evidence collected will include attendance records, behavior incident logs, student engagement surveys, and progress monitoring data from SEL tools and academic assessments.

Administrators, instructional coaches, and special education leads will analyze data trends to determine the fidelity of implementation and its impact on student outcomes. Family feedback will also be solicited during parent workshops

and through ongoing communication efforts. Adjustments to strategies will be made as needed based on ongoing reflection and outcome data, ensuring alignment with school-wide equity and inclusion goals.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/08/2025	01/30/2026	Host quarterly bilingual IEP family forums to explain supports and services for students with disabilities. Include interpreters and translated materials to ensure accessibility. Sessions will focus on academic interventions, behavioral strategies, and SEL supports aligned to IEP goals. Provide families with clear points of contact and follow-up documentation to support engagement.	Parent Coordinator, Bilingual Support Services, Committee on Special Education (CSE), Local CBOs (e.g., WHEDCo, BronxWorks)
02/02/2026	06/26/2026	Implement monthly case review updates for families of students with disabilities, including progress on IEP goals and transition planning. Ensure updates are shared in families' preferred language. Provide opportunities for parents to collaborate with IEP teams during pre-scheduled conferences.	Special Education Team, School Counselors, Family Welcome Centers, Parent Advocacy Organizations

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs. Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Increase the number of certified special education teachers to lower the student-to-teacher ratio and provide more individualized instruction. Hire additional paraprofessionals to deliver one-on-one support to students with IEPs. Employ school psychologists to conduct assessments and provide counseling services. Add speech and language pathologists to address communication barriers. Allocate time and funding for professional development focused on evidence-based practices in inclusive education, adaptive technologies, trauma-informed care, and collaboration between general and special education staff.

Instructional Resources

Invest in adaptive learning technologies that personalize instruction in reading and math based on IEP goals. Adopt specialized, evidence-based curricula tailored to the learning profiles of students with disabilities. Provide assistive technology tools such as communication boards, audiobooks, speech-to-text software, and tablets to enhance access and engagement. Supply SEL curricula designed specifically for students with IEPs to foster emotional regulation and social connection. Acquire differentiated instructional materials including manipulatives, visual aids, and accessible texts.

Schedule Adjustments

Create flexible scheduling options to allow for pull-out and push-in support services, extended learning time, and small-group instruction blocks. Provide structured planning time for teachers and service providers to align instruction with IEP goals and assess student progress. Build in regular time for family-teacher communication regarding academic and behavioral milestones.

Other Resources Needed

Establish family support services, including workshops, one-on-one IEP consultations, and resource navigation sessions, to build parent capacity and strengthen home-school partnerships. Partner with CBOs to provide

wraparound services such as mental health counseling, transition planning, and access to social services. Expand professional development to include coaching on inclusion models and equity-driven instructional strategies. Provide transportation supports where necessary to ensure consistent attendance and participation.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students below grade level in ELA	HMH	Small Group	During the school day	yes
Tier 2	Students below grade level in Mathematics	Eureka/Engage NY Math Program	Small Group	During the school day.	Yes
Tier 3	Students below grade level in ELA	i-Ready	Small Group	During the school day.	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 3	Attendance	Home outreach with family	One-to-one	during school hours	Yes
Tier 3	stress, isolation, depression	BrainPower	one-to-one & in group	during school hours	No
Tier 3	coping skills	TCIS-Circles	in group	during school hours	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

P.S./I.S. 218 Rafael Hernandez Dual Language Magnet School shares the essential components of MTSS with families through a multi-tiered communication approachThis programis includes quarterly parent workshops, bilingual newsletters, and grade-level town halls that explain the purpose, structure, and benefits of MTSS. During these events, families learn how academic, behavioral, and social-emotional interventions are provided across Tiers 1, 2, and 3. The school also shares the MTSS framework during IEP meetings, family-teacher conferences, and onboarding sessions for new families to ensure consistent understanding and partnership in student support. Culturally responsive strategies and translation services are used to ensure inclusivity and access for all caregivers.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families of students receiving Tier 2 or Tier 3 interventions receive personalized updates through bi-weekly progress monitoring reports, one-on-one check-ins with interventionists, and monthly parent meetings. Reports include data on academic gains, behavior goals, and attendance, and are available in the family's preferred language. Communication occurs through multiple channels, including phone calls, emails, ClassDojo, and in-person or virtual conferences. Case managers and counselors work collaboratively with families to review the effectiveness of interventions and adjust supports as needed. Additionally, families are provided with strategies to reinforce targeted skills at home and are encouraged to participate in goal-setting and progress review meetings actively.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families play a critical role in the Tier 3 decision-making process at P.S./I.S. 218. They are invited to participate in initial intervention planning meetings where assessment results, student strengths, and areas of need are discussed collaboratively. Families are engaged in setting individual goals and identifying culturally and linguistically relevant strategies that can be reinforced at home. Progress review meetings occur monthly, during which updated data is shared, and next steps are co-developed. Interpreters are provided as needed to ensure clear communication. Families also have access to support staff—including interventionists, counselors, and case managers—to ask questions, provide insights, and advocate for necessary adjustments to the intervention plan. This inclusive, family-centered approach ensures that Tier 3 supports are both effective and responsive to student and family needs.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Number of students in temporary housing who are: 126

Living in a shelter or transitional shelter

Living in a hotel/motel

Living with friends or relatives because they cannot find or afford housing

Living in a car, bus, or train

Living in a park or public place

Living in an abandoned building

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Increase in the number of students living in shelters and transitional housing.

High rates of absenteeism among students in temporary housing.

Greater need for social-emotional support due to instability and stress.

Informing Services:

Use data from the STH Title I Survey to identify the most pressing needs.

Collaborate with community partners to provide targeted support.

Informing Services:

Use data from the STH Title I Survey to identify the most pressing needs: This includes identifying which students require immediate housing assistance, mental health support, and academic interventions.

Collaborate with community partners to provide targeted support: Work with local shelters, housing organizations, and mental health providers to offer comprehensive services to STH students and their families.

Develop and implement strategies to address absenteeism: Create tailored attendance interventions for STH students, including transportation assistance, flexible scheduling, and personalized support plans.

Enhance social-emotional learning (SEL) programs: Integrate additional SEL activities and resources specifically designed to support STH students' unique needs.

Provide training for staff on the challenges faced by STH students: Ensure that teachers and school staff are equipped to recognize and address the specific needs of students in temporary housing.

Increase parent and family engagement: Organize workshops and informational sessions to support families in understanding and accessing available resources.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

PS/IS 218 provides our students in temporary housing with services to best meet their social-emotional and educational needs, as per McKinney-Vento. Some of the supportive services provided to our Students in Temporary Housing are:

Individual Counseling and Group Counseling:
How Selected: Identified as a crucial need through surveys and assessments indicating high levels of stress and emotional instability among STH students.

Assistance with Transportation (School Busing/Metro Cards):
How Selected: Addressed transportation barriers identified by attendance data, showing high absenteeism rates due to lack of reliable transportation.

Provide Uniforms and/or School Supplies:
How Selected: Based on feedback from families and students highlighting the financial burden of acquiring necessary school items.

Conduct Home Visits and Outreach to Families:
How Selected: Recognized as a means to build trust and provide direct support based on recommendations from

social workers and community liaisons.

Refer Families to Appropriate Outside Services to Best Meet Their Needs:
How Selected: Ensures comprehensive support through partnerships with local agencies, addressing needs that the school cannot meet alone.

Follow-up with Families Regarding Interventions and Assist Should Additional Services Be Needed:
How Selected: Implemented to ensure ongoing support and effectiveness of interventions through continuous monitoring and feedback.

School Initiatives:

Engage STH Liaison to Provide Guidance and Updates.
Organize Holiday Events for STH Families.
Collaborate with Social Work Schools for Additional Support Through Internship Programs.

Partner with Other Agencies, Such as the Floating Hospital & NYC Dept. of Mental Health and Hygiene, to Provide Services and Workshops for Our Students and Their Families:
How Selected: Collaboration with specialized agencies was chosen to leverage their expertise and resources for more comprehensive support.

Update and Maintain a List of Local Food Pantries:
How Selected: Identified as a necessity based on feedback from families experiencing food insecurity.

School Participation in NYC Initiatives, Such as Operation Warm and Secrete Snowflakes, to Provide Some Holiday Joy to Our STH Families:
How Selected: These initiatives were chosen to offer additional emotional support and create a sense of community and belonging during the holiday season.

PS/IS 218 School STH Liaison Attends Regularly Meetings Held by the STH Office for Guidance and Updates Regarding Our STH Student Population:
How Selected: Ensures that the school stays informed and aligned with the latest best practices and support strategies for STH students.

Create Partnerships with Social Work Schools to Provide Additional Support to Our School Community Through Their Internship Programs:
How Selected: Leveraged to increase the availability of trained professionals and expand the range of services offered to students.
We also have a Social Worker, Community Coordinator, and school aide who monitor and support STH population daily.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Identified Needs and Strategic Response for Students in Temporary Housing (STH)
Current Challenges:

A growing number of students reside in shelters and transitional housing.

Chronic absenteeism rates are significantly higher among STH students.

Students face increased social-emotional stress due to housing instability, trauma, and uncertainty.

Data-Informed Services and Strategic Actions:

Utilize STH Title I Survey Data:

Leverage data from the STH Title I Survey to identify students' most urgent needs—such as immediate housing support, access to mental health services, and targeted academic interventions.

Strengthen Community Partnerships:

Collaborate with local shelters, housing agencies, mental health providers, and community-based organizations to deliver wraparound services that holistically address the needs of students and their families.

Implement Attendance Support Strategies:

Design and apply customized attendance interventions for STH students, including:

Transportation assistance (e.g., MetroCards, busing solutions)

Flexible arrival times or scheduling

Personalized outreach and follow-up from attendance teams and social workers

Enhance Social-Emotional Learning (SEL) Supports:

Integrate trauma-informed SEL programs and restorative practices tailored for students experiencing housing instability.

Offer small-group SEL sessions that foster trust, resilience, and peer connection.

Staff Capacity Building:

Provide professional learning for school staff to build awareness, empathy, and skills to support students in temporary housing.

Training topics include trauma-informed practices, cultural responsiveness, and navigating DOE housing support systems.

Increase Family Engagement and Support:

Host workshops, support groups, and resource fairs specifically for families in temporary housing.

Offer multilingual informational sessions to help families navigate available educational, housing, and mental health resources.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

P.S./I.S. 218 provides comprehensive and responsive support to ensure stability, continuity, and success for students in foster care, including those newly entering the system. Key supports include:

Foster Care Point Person: A dedicated staff member serves as the liaison to support students in foster care, facilitating communication between the school, foster agencies, and families. This ensures that transitions are smooth and that all stakeholders are aligned on the student's needs.

Immediate Needs Assessment: Upon notification of a student entering foster care, school staff conduct an initial needs assessment to identify social-emotional, academic, and logistical supports needed.

Academic Support and Monitoring: Students in foster care receive targeted academic interventions, including tutoring, check-ins with guidance counselors, and coordination with teachers to ensure continuity of instruction. Progress is regularly monitored and shared with caseworkers and caregivers.

Social-Emotional Learning (SEL): The school integrates trauma-informed SEL programming, small group counseling, and one-on-one sessions to address trauma, anxiety, and social adjustment. Counselors also assist with behavior and emotional regulation.

Attendance and Transportation Support: The school offers flexible attendance interventions and assists with transportation coordination when needed, ensuring consistent attendance.

Family and Agency Engagement: Staff collaborate with foster care agencies, caseworkers, and caregivers to review

IEPs, set academic and behavioral goals, and maintain consistent communication. Family engagement includes regular phone updates, virtual meetings, and participation in student support planning.

Transition Planning: For students changing placements, the school ensures immediate record transfers, continuity of services, and emotional support during transitions.

Staff Training: Ongoing professional learning equips teachers and staff with tools to recognize trauma-related behaviors and foster supportive learning environments for students in foster care.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Analysis of historical data reveals that students in foster care at P.S./I.S. 218 experience consistently lower attendance rates, higher mobility, and lower academic achievement compared to their peers. These students often face disruptions in schooling due to changes in placement, lack of stable adult support, and unaddressed trauma. Additionally, discipline records show that these students receive more behavior referrals, which are often related to difficulties in managing their emotions due to instability and past trauma.

These insights have informed the need for more targeted and trauma-responsive interventions. To address these trends, the school is:

Expanding SEL Programming: Implementing trauma-informed SEL curricula and therapeutic supports that are culturally and developmentally appropriate for students in foster care.

Enhancing Academic Continuity: Ensuring prompt records transfer, early academic assessments upon enrollment, and personalized instructional plans to prevent learning loss during transitions.

Prioritizing Attendance Interventions: Providing transportation assistance, home outreach, and case management support to address chronic absenteeism.

Increasing Interagency Collaboration: Working closely with ACS, foster care agencies, and caseworkers to share data, plan wraparound services, and ensure consistency in support across settings.

Training Staff: Offering professional development in trauma-informed care, positive behavior supports, and the legal rights of students in foster care.

Strengthening Communication with Caregivers: Establishing regular progress updates and offering caregiver workshops to support student engagement and academic planning.

These data-driven strategies aim to create a more stable, supportive, and equitable learning environment for students in foster care, improving both short-term success and long-term outcomes.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these

strategies help address academic and behavioral challenges?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

P.S./I.S. 218 implements a comprehensive, multi-tiered SEL strategy to support students in foster care, especially those in transitional grades (K, 5, and 8), who are most vulnerable to academic and social disruption. The following targeted interventions are in place:

Individualized Counseling Support: School counselors and social workers provide weekly one-on-one check-ins with students in foster care to support emotional regulation, build resilience, and foster trusting adult relationships.

Targeted Group SEL Sessions: Students in transitional grades are enrolled in small SEL groups focusing on coping strategies, conflict resolution, peer relationship-building, and identity affirmation. These sessions are facilitated using trauma-informed curricula such as Second Step and RULER.

Peer Mentoring Programs: Foster care students are paired with trained peer mentors to support social inclusion and reduce isolation. This is especially critical during grade-level transitions where peer connection can buffer anxiety and promote positive behavior.

Staff Training on Trauma-Informed Practices: Teachers and support staff receive professional development in trauma-sensitive instructional approaches and de-escalation strategies, improving classroom climate and reducing behavioral referrals.

Behavioral and Academic Monitoring Teams: School-based support teams (including counselors, special education staff, and administrators) review SEL and academic progress for students in foster care every 4–6 weeks, using data to refine support plans and coordinate interventions.

Family and Agency Collaboration: Regular communication is maintained with foster families and care agencies to ensure consistency across home and school environments and to reinforce SEL goals collaboratively.

These strategies help address academic challenges by improving student self-awareness, motivation, and classroom engagement. Simultaneously, they reduce behavioral disruptions by equipping students with tools to manage emotions and navigate interpersonal relationships, promoting overall school stability and success.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. (09X218) P.S./I.S. 218 RAFAEL HERNANDEZ DUAL LANGUAGE MAGNET SCHOOL, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

(09X218) P.S./I.S. 218 RAFAEL HERNANDEZ DUAL LANGUAGE MAGNET SCHOOL will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;

- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

(09X218) P.S./I.S. 218 RAFAEL HERNANDEZ DUAL LANGUAGE MAGNET SCHOOL, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Our school provide a variety of highly effective professional development to our teachers, staff and parents. For example, we train all of our staff in how to de-escalate behavior; to to engage themselves and students in restorative circles; and in using technology to teach and communicate with each other and parents. Additionally, we hire content specialists to provide highly effective professional development in Literacy and numeracy.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

We do not have Preschool children. Our students start in Kindergarten in our Dual language program.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated. For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	TBD	x	TBD
Title I, School Improvement 1003(a)	$1,064,789	Funds are being used for Parent Involvement, STH program and School Materials for Students	x	TBD
Title II, Part A	$55,804	Funds are being split in Teacher Salary	x	TBD
Title III, Part A	Federal	N/A	x	TBD
Title III, Immigrant	Federal	N/A	x	TBD
Title IV, Part A	Federal	N/A	x	TBD
Tax Levy (Fair Student	$6,249,124	Funds are being used for Staff Salary, Before & after School Programs, Teacher Coverage, OTPS Supplies,	x	TBD

Funding)		Equipment, Textbooks, Software, Curriculum Development and Educational Consultant		

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Sergio Cáceres
Assistant Principal (Where Applicable)*	Tiffany Carlo
English as a New Language (ENL) Teacher*	Luisa Arias
Teacher (if school has a bilingual program must be a bilingual teacher)*	Susan Mateo
Parent/Guardian*	
ENL Teacher	Tracey Igwe
Parent Coordinator	Zeneth Becerra
School Counselor	Marcos Funes- Flores
Related-Service Provider	Mary Seminario
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

39

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

11

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

1

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

1

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

801

Total number and percentage (%) of current ELLs:

209

Total number and percentage (%) of former ELLs:

5.09%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

152, 72%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

37, 17%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

20, 9.5%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

2, .009%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

55, 26%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Dual	English/Spanish		2	2	2	3	3	3	3	3	3			24		48
DLBE	Dual ICT	English/Spanish		2	2	2	1	1	1	1	1	1			12		24
DLBE																	0
				total: 4	total: 4	total: 4	total: 4	total: 4	total: 4	total: 4	total: 4	total: 4	total: 0	total: 0	total: 36	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

We offer Stand-alone ENL as per CR Part 154.2 at our school for MLLs who are classified as entering and emerging. These students receive Standalone services from an English as a New Language teacher. Entering students receive 180 minutes and emerging students receive 90 minutes. MLLs are grouped by grade and proficiency level.

Integrated ENL:

Integrated ENL minutes are provided in the classroom. Lessons are co-taught with an ENL certified teacher and general education teacher. Generally ELA is co-taught; the ENL teacher modifies the lesson for our MLLs, providing supports and scaffolds for the lessons. Lessons include vocabulary development, speaking and listening opportunities with given text or lesson focus. Teachers create targeted access points to support reading comprehension.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Dual Language Bilingual Education (DLBE):

At P.S./I.S. 218 our Dual Language model utilizes a 50/50 model in grades K-2. Grades 3-5 is a 60/40 model and grades 6-8 have a 70/30 model. In all program models, students are grouped heterogeneously. Students receive the number of mandated minutes by a bilingual certified teacher during English days. Grades 6-8 within the Dual Language model receive service minutes by an ENL teacher.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Our staff is mostly composed of educators who are fluent in both English and Spanish and hold a common branch license and/or bilingual extension. Our staff is strategically placed according to their license area and expertise. In our K-5 Dual Language program, teachers who possess a valid certificate or are working towards a bilingual extension are placed in either a self-contained or side-by-side setting. In both settings, instruction is delivered in English and Spanish. In grades 6-8, teachers who hold a content area certification with a bilingual extension teach in both English and/or Spanish. Teachers who possess a content area license teach in English.

According to CR Part 154.2 (K-8) ENL Units of Study and Staffing Requirements, students in grades K-8, considered entering based on the results of the NYSESLAT receive a total 360 minutes of ENL per week. They receive 1 unit (180 minutes) of stand alone ENL with a certified ESOL teacher, and 1 unit (180 minutes) of integrated ENL/ELA with a Bilingual Certified teacher in a side-by-side (K-2) or self-contained model (3-5), or in a co-teaching setting with a certified ESOL teacher and Common Branch teacher (K-5) or a ESOL teacher and Content Area certified teacher in grades 6-8.

Students considered emerging based on the NYSESLAT receive a total of ENL for 360 minutes a week. Emerging students in grades K-8 receive standalone ENL with a certified ESOL teacher for .5 unit (90 minutes) a week. They receive 270 minutes of integrated ENL/ELA with a Bilingual Certified teacher in a side-by- side (K-2) or self-contained model (3-5) or in a co-teaching setting with a certified ESOL teacher and Common Branch(K-5) or Content Area certified teacher (6-8).

Students who are transitioning or expanding based on the NYSESLAT receive a total of 180 minutes a week (1 unit). These students receive all their services through integrated ENL/ELA from a Bilingual Certified teacher in a side-by-side (K-2) or self-contained model (3-5) or in a co-teaching setting with a certified ESOL teacher and Common Branch (K-5)/Content Area certified teacher (6-8).

Lastly, students who are commanding based on the NYSESLAT receive 90 minutes (.5 units) of integrated ENL/ELA from a Bilingual Certified teacher in a side-by side model (grades 1-2) or self-contained (grades 3-5) or in a co-teaching setting with a certified ESOL teacher and Common Branch (1-5)/Content Area certified teacher (6-8).

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In grades K-2, teachers hold a common branch license with a bilingual extension. These teachers deliver integrated ENL/ELA for all students. One of the teachers in the side-by-side model is the Spanish teacher who delivers HLA instructional minutes. As the classes switch from Spanish to English every other day, this ensures students receive all HLA, ELA and ENL instructional minutes.
In the departmentalized model in grades 3-5, the teacher holds a common branch license with a bilingual extension. This teacher delivers all ENL, ELA and HLA minutes. HLA instructional minutes are delivered through social studies, science and math.
Grades K-5 also receive HLA supports in Spanish during enrichment periods throughout the week.
HLA for 6th- 8th grade is delivered through the content area in social studies, science and math by a content area teacher with a bilingual extension. Middle school students receive in addition HLA instruction in Spanish by a certified Home Language Arts teacher.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

In the side-by-side model (K-2) students alternate between two classrooms every other day, one teacher delivers instruction in English and the other in Spanish (NLA). The lessons are continued the next day in the target language. The teacher who possesses a bilingual extension will deliver the instruction in English and/or in Spanish depending on the programming. HLA is provided on the Spanish days by the Spanish teacher throughout the entire day. Stand alone ENL minutes is provided by a n ESOL teacher for emerging/entering level and integrated ENL/ELA is provided by the bilingual certified teacher or co-taught by a n ESOL teacher and common branch certified teacher . The ENL teacher works collaboratively with the classroom teacher to plan accordingly, meet student needs and provide the minutes according to their proficiency levels.
In the side-by-side model in grades K-2, teachers hold a common branch license with a bilingual extension. These teachers deliver integrated ENL/ELA for all students. Emerging and entering students receive their additional 90 or 180 minutes in a pull-out stand-alone ENL setting with a n ESOL teacher. One of the teachers in the side-by-side model is the Spanish teacher who delivers HLA instructional minutes. As the classes switch from Spanish to English every other day, this ensures students receive all HLA, ELA and ENL instructional minutes.

In the departmentalized model in grades 3-5, the teacher hold a common branch license with a bilingual extension. This teacher delivers all ENL, ELA and HLA minutes. HLA instructional minutes are delivered through social studies, science and math. Emerging and entering students also receive their standalone ENL minutes (90 or 180) with a n ESOL teacher.
6th-8th grade students receive standalone ENL minutes by an ESOL teacher and integrated ENL/ELA by a n ESOL teacher and a n ELA certified teacher. The program model and minutes are determined by the level of proficiency. HLA for 6th- 8th grade is delivered through the content area in social studies, science and math by a content area teacher with a bilingual extension.

b. In which language(s) is each core content area taught?

Core content areas are taught in both English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Currently we have 72% of our Newcomers ELL's compared to 9.5% of our Long-Term ELL's. Our goal throughout the years has been to have our ELLs excel and exit the program before reaching secondary school. Our Newcomers receive various supports which allows them to make gains in language proficiency and academics. Currently, our entering and emerging ELLs receive services from an ENL provider focusing on social, emotional and tier 1 instruction. We also use the program "Lexia English" which specifically supports our entering and emerging ELLs with acquiring academic language proficiencies. Our Long Term ELLs receive tiered academic instruction based on their learning needs. We have AIS supports from certified bilingual and special education teachers, currently using the program Rewards, Spire and Phonics for Reading.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

The percentage of ELLs that are SIFE, we have 0.009% (2 students).
Instruction for our SIFE population includes foundational literacy skills targeting phonemic awareness and phonics, incorporating the use of students home language which is Spanish.
SIFE students receive additional supports during the school day and after school.
Differentiation in the form of decodable materials or native language materials in Spanish.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Currently we have 20 Long term ELLs which is 9.5% compared to our 17% of our Developing ELLs. All or Most core material/learning tasks are standard aligned and at grade level. Scaffolds, language objectives, word banks, discussion routines are embed during the lessons targeting specifically the needs of our student population.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Our school provides mandated instruction for our 20 former ELLs through the alternative pathways model. The ENL teacher and the content area teachers mainly in ELA, collaborate together to effectively plan out the learning goals. 09X218 School: P.S./I.S. 218 Rafael Hernandez Dual Language Magnet School 189 of 209
for our students. Targeted instruction within the classroom including small group, collaborative peer group group in heterogenous groupings. Given the flexibility in programming our former ELLs will receive 90 minutes during integrated ELA.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The majority of students with at-risk indicators are our Newcomers 151, 72%, with 78 students having at least 1 indicator. Our newcomers have at risk indicators in majority range from 1-4, 8 of our students have 6-8 indicators. Total ELLs on the EDUR have 0
indicators, and 78 have 1. 13 students have 2, 6 have 3, 8 have 4, 7 have 5, 23 students have 6 at risk indicators and 6 have 7 indicators. Compared to 2023-2024, our at risk indicators have declined. Our second highest at risk indicator (5-7) is for ELLS that scored on the ELA a level 1 or 2 last year (69) approximately 33%, a 10% decline compared to previous year. ELL's with 2-4 at risk indicators that had a 1or 2 on ELA total of 11. Students with at risk indicators who scored 1 or 2 on the ELA and Math for two consecutive years were 62 students 29%. Unfortunately, 20% (42) our ELLs at risk factors did not demonstrate sufficient ELP progress during the Spring 2024 NYSESLAT.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Out of our 41 former 2 ELLs are at risk at indicator 5. Most 29% (12) have 2 indicators, following with
21% at 0 indicators. Most of our former ELLs (27) highest percentage indicator was
scoring 2-4 the ELA and Math State exams at 65% last year 2023-2024 and 40.5% during the 2022-23 school year. The trend for our former ELLs are consistent with our current ELL population, tend to perform mostly at levels 2 in State Assessments.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The largest home language representation at our school is Spanish. We have 202 ELLs with Spanish as their home language. We have three ELL students whose home language is (2)Bengali, (2) Arabic, (1) French and one Bambara. Communications from the school via phone, text, emails, letters to parents are sent out in English and Spanish. The platform SchoolStatus! also provides staff with ongoing open communication with parents preferred language. Parents who need the Bengali, Arabic, French or Bambara translations will receive the information in their native language.
Our school secretary reaches out to the Interpretation Unit if needed for such translations. When communicating with these parents most times have an understanding of the English Language, if not we seek support from colleagues and the Interpretation Unit. Ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Of the ELLs identified as Hispanic, the majority identified as White (72) followed by American Indian/Native (63), then Multiracial (8). Of non-Hispanic ELLs, the majority identify as American Indian Native (2). In
our Dual Language School Model we are committed to respecting and learning about and sharing students' cultures and communities. On going professional support and learning on diversity, equity and inclusion reflected in our school moral and teaching.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

According to the Language Proficiency Data, our ELL's progress was not met. Data shows, 152 ELLs of our current ELL's (72.2%) did not meet ELP sufficient progress. However, 46% did met ELP progress (97). ELL's did meet progress and exited the program a total number of 41 students (18%) by testing out of the NYSESLAT. A little over our ELL's did meet the annual progress target by 11% (23), yet
did exit the program and meet sufficient gains in goal criteria 2.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The Writing modality has the most students needs as per the 2024 NYSESLAT. According to the EDAT, our 3-4 graders struggled the most in the writing component of the NYSESLAT. In grades 5
through 8 students preformed better than in the elementary grades. The Listening component seems to be the most dominant modality for our ELLS in 2024, with few students in need.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The majority of ELLs who took the 2024 ELA and Math exams received 1 or 2. Students who scored a 1or 2 on ELA/Math
proficiency level on the NYSESLAT were expanding (73), (17) transitioning. Only 3 current ELL's s scored a 3 and 1 a 4 on the ELA.
On the State ELA exam ELLs scored higher than the Math. 4 students scored a level 3 on the math transitioning and expanding levels. A level 1 on the Math State Exam we had a total of 45 students, 11 scored a level 2, students proficiency levels transitioning and expanding.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

ELLs with IEPs do make progress, most IEP ELLs score at Expanding levels and remain at that level. Most of our IEP students require speech and language services. Speech and language delays can hinder their abilities to comprehend oral language and understanding. This impacts NYSESLAT scores especially in reading and writing.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:

a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our schools utilizes various academic strategies to engage our students in the learning process. For example, our classes from kindergarten to grade 8 have incorporated discussion protocols into our daily lesson plans. Encouraging students to communicate orally helps develop both their receptive and productive skills. By providing a structure for discussions, we are able to leverage their basic oral communication in service of their reading and writing skills. The ideas generated during discussion with peers activates their prior knowledge and helps learners to make connections between their personal experiences and the new content that they are learning. Additionally, the sentence frames used in discussion support students when they are required to integrate academic vocabulary into their responses. The frames also support students who struggle with generating complete responses to questions, especially those that require details, evidence, and explanation.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our school's Instructional Leadership Team conducts inquiry work based on the Advance Literacy and Next Generation Standards. Our team plans and collaborates to enhance core instruction and curricula. The inquiry work done supports a culture of academic risk-taking based on effective core instruction. Our focus is the use of content-specific vocabulary, providing students with rigorous and engaging tasks, developing academic vocabulary through conversations, and individualizing the instruction in service of the language competencies that they will need to succeed. Teachers focus on creating multimodal tasks that utilize evidence based strategies, which are observed and modified by a team of teachers to ensure that they will result in improved learning outcomes for students.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Core Content is delivered through the use of the Next Generation Standards, and the curriculum is supplemented by teacher- created materials and resources. Throughout the grades, teachers are trained to prepare materials tailored to

student needs and learning styles and promote language development through differentiated activities. Teachers use the language progressions to vary content, language and supports that are aligned with the standards. In grades K-8, HMH units have been revised in response to the Dual Language instructional model, in alignment with new standards and language development instruction. Teachers also employ the Arriba Lectura! curriculum to meet the language demands of the learning standards.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

To provide access to grade level academic content areas and accelerate English language development, students are provided with specially designed and differentiated instruction. The use of read alouds, peer sharing and accountable talk in the classroom through structured discussion protocols promote language development and classroom engagement. Electronic devices are accessible for our struggling readers which applications that read text aloud, offer images, translations, dictionaries and interactive questions/quizzes to stimulate comprehension. Instruction is also supported with digital platforms such as IXL, Scootpad, and iReady, which tailor lessons to the developmental level of students based on periodic assessments. Instructors have the discretion to modify these lessons based on classroom assessments and observations. Teachers in grades K-8 also make use of centers, or stations to provide accelerate English language development. These stations focus on any gaps in student learning that may impede on their ability to access grade level material.
Additionally, teachers use strategies such as Thinking Maps and intervention programs to support students that are struggling in literacy and math. These literacy interventions include: Rewards, Spire, Phonics for Reading, and Collaborative Strategic Reading.

b. SIFE

The instructional plan in place for SIFE students is to offer one-on-one services, small group instruction, as well as, helping them adapt to the school and classroom environments.

Prior to differentiating instruction, ENL coordinators determine proficiency in students' home language using LAB-R. This information helps teachers determine if and in what ways the students' home language can be leveraged to support their English language development.
In addition, instructors incorporate culturally relevant materials to activate students' prior knowledge. Teachers also create opportunities to develop pragmatic knowledge (turn-taking, classroom behavioral norms) for students with minimal formal education.

c. Newcomers

Newcomers receive support through several structures such as: balanced literacy, where they receive small group instruction during guided reading; language development and foundations program with a focus on vocabulary; and ENL/ELA integrated services. In grades 3-8, students are paired with another student who speaks in their native language to help them acclimate to the school and classroom environment. In sixth through eight grades, students who have been in a US school for less than three years are paired with a peer liaison and supported by the ENL teacher in developing their language skills through the standalone ENL program and with in- class support through the integrated ENL/ELA program.
In addition to our daily plan for newcomers, after school and Saturday programs are provided for continuous support.

The 3rd - 5th grade and 6th-8th grade newcomers are placed in heterogeneous groups after school and the Saturday program for K- 2nd grade is designed for entering and emerging students. By incorporating different content areas, they are taught to achieve proficiency in the four modalities.

d. Long Term ELLs

Our Long-Term ELLs, receive small group instructional supports. The expanding level ELLs need targeted instruction in reading comprehension and writing skills. The goal is for our LTELLs to exit out of the program by providing AIS, after school support, and a Saturday Program.
These small groups focus on close reading skills and writing development. Students consider passages or "chunks" of text before developing questions about the process/purpose of the events in a text. Students also use stations to correct challenges with sentence structure and use limited conjunctions to assist them in expanding their sentences.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

The goal in our school is to ensure that all our students achieve academically, especially that our ELL-SWDs achieve their IEP goals and attain English proficiency in the least restrictive environment. In order to fulfill this goal, our school has formed a School Implementation Team (SIT) whose members obtain a variety of specialties and experiences. The main role of the team at the beginning of the school year is to review student IEPs as well as their assessment data with the goal of creating a flexible program with specific strategies for each student that provides the student access to the general education curriculum in the least restrictive environment. Most of our students' schedules vary between services in a week such as ICT (integrated collaborative teaching), as well as SETTS (special education teacher support services). Once students are flexibly programmed, they are progress monitored every 6 to 8 weeks to evaluate the effectiveness of the instruction and adapt based on the needs of the student. It is also a school-wide practice that all general education and special education teachers meet within their grades to discuss curriculum and instruction in order to ensure that all students have access to the general education curriculum. Teachers also plan effective instruction by designing lessons which incorporate the principles of Universal Design for Learning (UDL) as well as differentiated instruction and tasks. The ENL teachers in the building are also a vital resource for both the general and special education teachers by providing instructional strategies they can use to support ELL-SWDs.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In both Dual Language and ENL programs, home language support is assessed through Diagnostic Reading Assessment 2 (DRA 2) in Spanish as well as teacher- created assessments. For students in kindergarten, the Heggerty curriculum is used to assist and develop their literacy in Spanish. Students in kindergarten through fifth grade also use the assessments in the Aprendo Leyendo program to determine students' home language proficiency.

Based on the data, a HLA teacher provides explicit language instruction to the whole class. In addition, HLA support is provided through the content areas. The dual language model in grades kindergarten through second grade is 50-50 side by side, therefore, students receive content area instruction in their home language every other day.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

The language elective offered for our MLs/ELLs other than English is Spanish. As a Dual language school, content other than English Language Arts is taught in Spanish. By the time our 8th grade students graduate from our K-8 school, they will have received Dual Language Diploma.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

English as a New Language (ENL) teacher meet with content area teachers at least once a week, independent of professional learning time on extended workdays. During these meetings, teachers analyze data and discuss instructional strategies. ENL and content area instructors collaborate to plan instruction and to schedule/conduct intervisitations, particularly when a new strategy or activity will be modeled. The members of the ENL team are also members of the Instructional Leadership Team and Lighthouse Collaborative, which consists of a groups of educators (Special Education, ENL, content area teachers with bilingual certifications) that share best practices for improving literacy rates internally and among participating students in New York City.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The programmed annual professional learning plan ensures that all staff, administrators, teachers and non-pedagogical staff incorporates learning related to the academic and social emotional needs of MLs by contributing to culturally responsive practices. These practices include tailoring lessons around community heritage, and basing texts or relevant content for curriculum planning and student-centered instruction.

Since the majority of the student population is of Hispanic descent, the main spoken language other than English is Spanish. The school provides a Dual Language program for instruction in English and Spanish and connects directly to the school community. Pedagogical staff will monitor language growth and identify target language needs from the student population. The ENL teachers, as members of the school's Instructional Leadership Team collaborate with a diverse group of educators to focus on best practices for special populations in our school, including multilingual learners.

Information about specific classes will be shared with pedagogical staff regarding placement (from NYSESLAT and other assessments) to better understand student needs. Professional learning opportunities will be offered to advance, enhance, and develop instructional skills regarding MLs. We will continue to address our students' socio-emotional needs through our partnership trainings offered at the UFT's Positive Learning Collaborative such as restorative justice circles and Therapeutic Crisis Intervention for Schools (TCIS).

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching

service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

In order to meet the professional development requirements as per CR Part 154.2, our assistant principals share professional developments offered by Fordham RBERN (Regional Bilingual Education Resource Network) to all teachers. After participating at the professional developments, teachers keep records of their agendas and are required to provide a professional development feedback form that is kept in the main office with the principal secretary, Marti Flores. Teachers who participate in off-site professional development turn-key information to their colleagues during weekly grade and/or content area team meetings and/or professional development on Mondays. Our ENL teachers participate in various professional learning sessions focused on academic language and practices that will aide in the learning of our ELLs. Teachers have and will continue to share new practices learned with other teachers in the school.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

To guide our instructional planning for our ELLs we use Acadience (K-2) ELA, MAP Growth (grades 3-8) data to address student needs and plan interventions. The data provides us with instructional reading skills that need to be addressed. After we collect/analyzed the data we group our students in differentiated/ small reading groups and provide them with guided reading interventions. The MAP Growth analysis data helps in targeting specific domains and skills the students did not master in relation to the Next Generation standards. We also utilize the NYSESLAT data to determine the modalities that our ELLs by grade level scored low on to include in mini lessons or small group interventions. We also use the assessments from the HMH curriculum to inform our daily practices.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

All of our ELLs receive support through several intervention programs, such as, small group intervention, after school programs, Saturday academies, and IXL. AIS is offered for literacy in both English and Spanish for ELLs in grades K-5. After school programs are offered for science, social studies, English language arts, and math. ELLs of all levels are invited to participate. IXL, iReady, and Scootpad are computer-based programs utilized in grades K-8 in English for literacy and math. Teachers use Scootpad to create specially designed "learning paths" which identify gaps in foundational or prerequisite skills. Teachers use this data to provide direct instruction (generally in small groups) in conjunction with the program's practice as remediation. IXL includes skill practice in Spanish, which aids newcomer students in their acquisition of content area knowledge, strengthens their HL proficiency and includes opportunities to integrate the target language.

Our SWDs-ELLs receive support and services from our service providers; they use GoalBook which gives strategic interventions using the UDL framework.

For the Spanish component we use the program Aprendo Leyendo that helps us to understand and analyzed the data to better target the Spanish skills that need to be addressed.

As a support to ELLs who have achieved proficiency, teachers provide in-class support through differentiated instruction to ensure that students are meeting/exceeding grade level standards.

The RTI/MTSS team provides teachers supports in developing Tier 1 action plans which are targeted specifically for the needs of the student. Teachers are also being trained in Orton-Gillingham and a variety of web-based intervention programs are being used such as SPIRE, SOUND Sensible, REWARDS, Phonics for Reading, PAF (K-2), RAZ KIDS ELL-Edition, Head Sprout, and Measuring Up Live.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school uses data from MAP Growth testing to determine the type of support that each students requires. Student instructional groups are established based on the results of the MAP Growth test, which is used as a diagnostic at the outset of the school year. Based on additional assessments (teacher-created, or specific assessments such as the San Diego Quick to determine word recognition skills), students are placed into intensive support groups the utilize specific strategies to be implemented before additional assessments are administered.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The tools our school uses to assess the early Literacy skills of our ELLs are DRA in English and Spanish, teacher created assessments such as the District 9 baseline, midline and endline, Map Growth for grades 3-8 (literacy and math), and the Early Reading Matters literacy benchmark tracker in English and Spanish. Based on the English assessments for grades K-2, we notice many of our ELLs need explicit phonics instruction and language development skills. As a result of this data analysis, we have included a phonics period and Guided Literacy period to address these concerns. Also, teachers throughout the primary grades are infusing Orton Gillingham into the phonics/language development instruction. In grades K-8, our teachers have the support and receive professional development by literacy coaches, focusing on instruction, grouping, data, and strategies. In addition, an early literacy consultant comes in to supporting early language and literacy. All students in grades K-8 use an adaptive diagnostic individualized instructional program in Reading and Math, teachers can monitor students progress and use the data to provide individual and small group instruction.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

To ensure that ELLs are appropriately evaluated in their native language throughout the year, ELLs in grades 3-8 in the Dual Language Program are evaluated in Spanish with informal and formal assessments. The informal assessments include teacher created tests, such as ELA and content area unit tests, teacher classroom observations and assignments, and periodic writing tasks. Grades 3-5 also uses the curriculum Arriba la Lectura/ Spanish component of the HMH curriculum to address the needs of the students in Reading and Writing. ELLs in grades K-2 are evaluated formally in their home language through baseline, midline and endline assessments. In grades K-2, students are given a pre-assessment and post-assessment for each lesson and unit for math. For writing, students are assessed during the year with a baseline, midline and endline assessment as well as a teacher created version in Spanish. Science and Social Studies are assessed with teacher created assessments for end of unit. Additionally, the curriculum used to provide home language instruction (Aprendo Leyendo) includes activities and tasks that are used to evaluate students in their language development.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The success of our program is measured using a few different sources. Currently, we are meeting AYP for ELLs. Also, we use the EDAT, which helps us further analyze our data and trends. In addition, our school uses state, city and teacher- created assessments to evaluate ELLs in different subjects, languages and modalities. The NYSESLAT is analyzed by the ENL team and school administration, so that a plan for improvement is made and any supports needed for students or staff can be provided.
End of unit tests and task-based assessments are also used to evaluate the program, as they offer timely information regarding our students' interaction with curriculum.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

During the NYSESLAT administration period, a calendar is created for administration dates which includes the students names, class and pedagogue that will be administering the exam. Our two ENL teachers, with the help of other bilingual certified out of classroom teachers administer the exams. In grades K-5, most students receive mandated services by their teacher, students that are entering or emerging continue to receive ENL instruction by one of our ENL teacher. During NYSESLAT administration, emerging and entering students are grouped by grade to provide flexibility in scheduling. For the upcoming school year, 6-8 grade ELLs will be tested 3 consecutive days, and will continue to receive mandated services by our ENL teachers. By testing them consecutively this will minimize testing times and will aide in supporting our students in receiving the services they need. The NYSESLAT is scored by a team of our three ENL teachers, and bilingual common branch teachers. Scoring is conducted during after school hours and on a Saturday to ensure continuity of instruction.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our ENL team communicates the needs of our MLL population with administrators for each grade band, as well as other stakeholders, such as the IEP teacher and Testing Coordinator. This regular communication ensures that our students receive accommodations for the New York State Regents Examination, given that there are no limitations on time for the NYS ELA or NYS Math exam. For our ELL-SWD population, our ENL team makes arrangements with the Testing Coordinator to support students who make have exams read to them or need other accommodations.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Within the first two weeks of school parents/guardians are provided with an orientation. This orientation provides an overview of grade expectations and standards that need to be met across all content areas. Parents are encouraged and welcomed to discuss progress and any concerns that they may have about their child. The goal in our school is to ensure that all our students achieve academically, especially that our ELL-SWDs achieve their IEP goals and attain English proficiency in the least restrictive environment. During the orientation, we explain the process that led to students being identified as an English language learner. Parents watch the New York State Bilingual Program Video from the NYC DOE website. Usually most parents who attend are Spanish speakers, the video is played in Spanish. For those parents who prefer English we have a separate table with a the video in English or preferred language. At the end of the meeting parents fill out the program selection form.

Topics discuss in our Agenda:

- Introduction to Bilingual Programs
- New York State Bilingual Program Videos
- Explanation of Our Dual Language Program Model
- ENL Services
- Identification process for English Language Learners (ELLs)
- School Expectations for ELLs
- Next Generation Learning Standards
- Assessments

- Program goals and requirements for Bilingual Education and English as a New Language
- Handouts/ Resources/ Questions and Answers

Parents who are not able to attend the orientation, outreach is conducted by the ENL teacher and Parent Coordinator. We offer the orientation via zoom if needed, by a phone call and or schedule a one to one meeting.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Teachers utilize parent engagement time to discuss students academic progress throughout the school year. Attendance record is kept for those meetings conducted. Parents are able to come in person or meet with the teacher via phone call or video call. For the upcoming school year, we will utilize a checklist tracker for our ELLs. This checklist will provide parents with a progress report including language proficiency gains and language development needs in content areas. This checklist/rubric will be parent friendly, translated in English and Spanish. For those parents who may need a different language we will translate ourselves using online Google translation. This rubric/progress report will be sent out during the Spring semester.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Communications from the school via phone, text, emails, letters to parents are sent out in English and Spanish. The platform SchoolStatus! also provides staff with ongoing open communication with parents preferred language. Parents who need the Bengali, Arabic or Bambara translations will receive the information in their native language. Our school secretary reaches out to the Interpretation Unit if needed for such translations. When communicating with these parents most times have an understanding of the English Language, if not we seek support from colleagues and the Interpretation Unit. Ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

The parent coordinator is to serve as facilitator for parents and the school community. Assistance is also provided to parents to locate information and services related to immigration, free or low-cost legal services and assist with referrals for students of concern. The parent coordinator communicates with parents in person, by phone or in writing. The parent coordinator provides services in Spanish and English; if another language other than English or Spanish is required, proper translation is provided by the translation and interpretation unit.

The involvement of parents in our school is strong. Parents participate in numerous ways which include English classes, Nutrition workshops (Cornell University), Support Groups (Title 1), Immigration forums and Zumba. English Instruction: this year English class instruction is provided to our ELL parents. These classes are offered on Monday, Wednesday, Friday and Saturdays from 9:00 to 12 p.m.

Support Group: Parents congregate and discuss various topics ranging from: student peer pressure, family conflicts understanding curriculum, problem solving strategies, bullying and social emotional awareness. We are very much committed to supporting and helping to meet the needs of our Latino Community. This support group meets every Tuesday in the evening.

ENL and Special Education teams collaborate and facilitate an event for the parents and their children once a year. Included in this event for grades k-8 are educational games, art projects, sports, food and raffles. This opportunity allows for the school and home to bond over child focused activities.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Parents participate in the governance of the school via the SLT. The school's website provides information for parents regarding grade level curriculum, announcements, samples of and/or the schedule. Parents can email each teacher individually or the school via School Status in their preferred language. Parents also support the instructional programs in the school by fund raising and partnering in the development of classroom projects, trips and picture day. We have

a Parent Teacher Association and each year we hold elections for the PTA. The Parents' Association meets monthly in the morning, including the Principal and support staff. Simultaneous translations are done through in English/Spanish.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our school provides families and the community with outgoing supports beyond academics. Our partnerships with different organizations provide families and students with the resources needed. Currently working with Sylvia Center, they teach and provide cooking classes for both students and families. On going supports from New York Psychotherapy and Counseling Center. Social emotional supports given by interns pursuing social work to our students from Columbia University, Fordham University, NYU and Hunter College. Throughout the year we work closely with Agatha House Foundation Mobile Food Pantry, providing families with meals especially during the holidays. Our school also networks with The Floating Hospital and ABC Clinic, providing adequate health benefits and information.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

The school has taken steps to strengthen collaboration in service of improving outcomes for all students, and particularly those with diverse needs by developing an Instructional Leadership Team. This team engages in inquiry based learning cycles that focus on the learning strategies that are most favorable to MLLs. Members, including our ENL team, analyze data to identify trends, before testing a specific change idea with a class, or group of students. Teacher then report their findings and discuss ways to improve the change idea (a research-based strategy that has been reviewed by all members), before adopting it with another group of students. The team then schedules intervisitations so that members of all levels of experience and expertise, are able to observe the implementation of this change. The team meetings to discuss the results of these visits and reviews assessment data to determine the success of the strategy.

One area of focus for this team was the development of a system for providing vocabulary instruction which utilized content clues (to improve metacognitive skills) and targeted questions (assessing and advancing) to help students explain how they made determinations on the meetings of unfamiliar words and what steps they could take to help them navigate texts that included unknown terms.

The school will continue this work as it has resulted in improvements in instructional design, teacher collaboration, vertical alignment, and outcomes for students.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

ENL Teacher
Special Education Teacher
Speech and Language Teacher
General Education/Bilingual Extension

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our identification team includes our two ENL teachers, school pupil secretary and the parent coordinator. Newly enrolled students are scheduled to come into register by the parent coordinator (Intake Schedule). When the parent comes in with the
student, an ENL teacher conducts the interview questions to determine the students language proficiency. If the parent needs an interpreter in a language other than Spanish, the parent coordinator contacts the translation unit to have an interpreter on the day of the registration. The ENL teacher, reviews the Home Language Survey completed by the parent along with the parent to confirm the child's home language. After confirming the child's home language, the home language survey is completed and the ENL teacher provides the home language code. The ENL teacher makes copies of the interview questions and home language survey and the pupil secretary keeps the original. For those students who have an IEP and home language is other than English or it is determined that the child is not English dominant, a meeting with the Language Proficiency Team is scheduled. The team which includes a related service provider, IEP bilingual certified teacher and ENL teacher will meet with the parent. After a determination is made, the team submits it to the Principal. During non-enrollment days, we follow the same protocol, an ENL teacher conducts the interview, reviews the home language survey with the parent and submits the completed documents to the pupil secretary. The ENL department keeps a copy of the home language survey and interview.

Our identification team includes our three ENL teachers, school pupil secretary and the parent coordinator. The parent coordinator and pupil secretary has the ENL team schedule, she is able to set up interview during noninstructional times. Parents will fill out the necessary documentation for registration while a member of the ENL is able to conduct the interview and complete the Home Language Survey with the parent.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.
We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they

attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Luisa	Arias	Teacher - Regular Grades - ESL		
Zeneth	Becerra	Parent Coordinator - Annual		
Marta	Flores	School Secretary	02/05/2025	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
BENGALI (BANGLA IN BANGLADESH)	4	0.44%	4	0.45%		
BAMBARA	2	0.22%	2	0.23%		
FRENCH	0	0.00%	1	0.11%		
ENGLISH	264	29.27%	245	27.65%		
SPANISH	630	69.84%	632	71.33%		
SONINKE	1	0.11%	1	0.11%		
SERI	1	0.11%	1	0.11%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Saturday Academy

Total number of ELLs to be served in this program:

222

Grades to be served in this program. Select all that apply.

,1,2,3,4,5,6,7,8

Total number of teachers in this program:

8

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

8

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**
- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**

- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our ENL after school program will focus on strategic instruction for our ELLs. We will be working closely with students who have regressed on the NYSESLAT or have not achieved proficiency. This year, our main focus will be to strengthen biliteracy through direct and small group instruction. The focus of the groups is to improve students' fluency in reading, writing, speaking and listening through content areas. We will work towards filling the gasps by providing interactive and guided practice during instruction. We will build on students understanding of letter/sound relationships, vocabulary, and the rules that govern the English language. For the primary grades (k-3), will target lowest performing students. Grades 4-8 will build and master English proficiency skills. Guided practice will focus on literature, informational passages and guided thinking prompts. Students will have mastery of standards and English language proficiency in listening, reading, writing and speaking. Teachers will have the opportunity to differentiate instruction through use of current NYSESLAT levels.

Schedule and duration:
We will offer our ENL after school program Wednesday and Thursdays in English. The program will run from 2:30 pm to 4:00 pm. The program will run for 12 weeks, total of 36 sessions.

Certified teachers:
1 TESOL
6 Common Branch teachers with a Bilingual Extension

Materials:
Guided Literacy and Phonics Instruction: Teacher created materials
Leveled Reading Text
Interactive Read Alouds
EPIC
NEWSELA
Measuring Up Foundations/ Reading Comprehension (supplemental program)
Measuring Up for English Language Learners (Preparing Students for the NYSESLAT)

Saturday Program
Certified teachers:
1TESOL
1 Common Branch teachers with a Bilingual Extension
Grades 6-8
8:30 a.m.-12:30 p.m.
Starting January 2026 - May 2026

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**

- **Data sources used to justify the need for the program**

Our ENL after school program will focus on strategic instruction for our ELLs. We will be working closely with students who have
regressed on the NYSESLAT or have not met proficiency. This year our main focus will be to strengthen biliteracy skills through direct
instruction and small groups. The focus of the groups is to improve students' fluency in reading, writing, speaking and listening through
content areas. We will work towards filling the gasps by providing interactive and guided practice during instruction. We will build on
students understanding of phonics, vocabulary, and grammar. For the primary grades 1-3, will target lowest performing students. Grades
4-8, will build and master English proficiency levels. Guided practice that will focus on literature, informational passages and guided
thinking prompts. Students will have mastery of standards and English language proficiency in listening, reading, writing and speaking.
Teachers will have the opportunity to differentiate instruction and use NYSESLAT levels.
Guided
Literacy and Phonics Instruction: Teacher created materials Leveled Reading Text Interactive Read Alouds, EPIC, Measuring Up
Foundations/ Reading Comprehension (supplemental program), Measuring Up for English Language Learners (Preparing Students for the
NYSESLAT)

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Our school serves 222 ELLs in grades K through 8 that demonstrate varying levels of English language proficiency. These levels range from newcomers at the elementary and middle school levels, developing ELLs, long- term language learners, and ELLs with IEPs. The targeted ELL subgroups that will be participating are ELLs and ELLs with IEPs; Newcomers (90-100) and Developing ELLs (50-60).

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The After School ENL Academy program will run for 12 weeks, total of 36 sessions. We will offer our ENL after school program on Wednesday and Thursdays in English. The program will run from 2:30 pm to 4:00 pm.

Saturday ENL Academy Program will run from January through May 2026. Language of instruction in English. Program time from 8:30 a.m. to 12:30 p.m.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction is English with some Spanish Support mainly in the early elementary grades. After school program will be conducted in English with Spanish language supports, lessons directed and teaching in all four modalities, listening, reading, speaking and writing.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

1 TESOL 6 Common Branch teachers with a Bilingual Extension Weekly Academy
1 TESOL 1 Common Branch teacher with a Bilingual Extension for our Saturday Academy

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Teacher created materials Leveled Reading Text Interactive Read Alouds EPIC NEWSELA Measuring Up Foundations/ Reading Comprehension (supplemental program) Measuring Up for English Language Learners (Preparing Students for the
NYSESLAT)
Novel Studies books including "Eleven", "Hacker" and "Alone", range of Lexile levels for grades 6-8.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Teachers will engage in inquiry as a professional learning community, focused on improving students fluency skills in reading, writing, speaking and listening through the content areas. Teachers will plan accordingly to maximize the use of the
supplemental programs used and any additional resources needed. Teachers will discuss and analyze data collected during
instructional time. Opportunities will be given to review student progress to guide and differentiate instruction.
NYSESLAT
preparation materials will be reviewed creating language objectives aligned to targeted instruction. Meeting amongst bilingual teachers and ENL teachers will take place bi-weekly for one 30 minutes of planning and preparation, facilitated by the ENL
team.
ENL teacher will maintain records of attendance during the program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Teachers will engage in inquiry as a professional learning community, focused on improving students fluency skills in reading, writing, speaking and listening through the content areas. Teachers will plan accordingly to maximize the use of the supplemental programs used and any additional resources needed. Teachers will discuss and analyze data collected during instructional time. Opportunities will be given to review student progress to guide and differentiate instruction. NYSESLAT preparation materials will be reviewed creating language objectives aligned to targeted instruction. Meeting amongst bilingual teachers and ENL teachers will take place bi-weekly for 30 minutes of planning and preparation, facilitated by the ENL team.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Our ENL after school program will focus on strategic instruction for our ELLs. We will be working closely with students who have
regressed on the NYSESLAT or have not met proficiency. This year our main focus will be to strengthen biliteracy skills through direct
instruction and small groups. The focus of the groups is to improve students' fluency in reading, writing, speaking and listening through
content areas. We will work towards filling the gasps by providing interactive and guided practice during instruction. We will build on
students understanding of phonics, vocabulary, and grammar. For the primary grades 1-3, will target lowest

performing students. Grades
4-8, will build and master English proficiency levels. Guided practice that will focus on literature, informational passages and guided
thinking prompts. Students will have mastery of standards and English language proficiency in listening, reading, writing and speaking.
Teachers will have the opportunity to differentiate instruction and use NYSESLAT levels.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Teachers will engage in inquiry as a professional learning community, focused on improving students fluency skills in reading, writing, speaking and listening through the content areas. Teachers will plan accordingly to maximize the use of the
supplemental programs used and any additional resources needed. Teachers will discuss and analyze data collected during
instructional time. Opportunities will be given to review student progress to guide and differentiate instruction. NYSESLAT
preparation materials will be reviewed creating language objectives aligned to targeted instruction. Meeting amongst bilingual teachers and ENL teachers will take place bi-weekly for one hour of planning and preparation, facilitated by the ENL
team.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

We will offer our ENL after school program Tuesdays, Wednesday and Thursdays in English. The program will run from 2:30 pm to 4:30 pm. The program will run for 15 weeks, total of 45 sessions.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

PD will focus on Building on the strengths all students possess to realize their potential;
Simultaneously develop conceptual, analytic, and language practices in deep and accelerated ways;
Use research-based tools and processes to design high-challenge, high-support instruction incorporating well-

scaffolded lessons that provide multiple entry points for the diversity of English language learners;
Structure quality interactions that promote language development, problem solving, and collaboration; and
Develop students' metacognitive and metalinguistic knowledge to support the development of academic literacies

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

ENL Teachers will be proving most of the Professional Development sessions; additionally, our school has a Literacy Coach from Fordham University who works very closely with teachers and provide PDs during such times as needed.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Documentation will be kept in a binder along with agenda and sign in sheets for the professional development and planning sessions.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

At our school we have an open door policy with parents, and understand the importance of parental involvement. Administrators, teachers work closely with the parent coordinator to empower parents by providing them with the necessary tools and resources for their child to succeed. This year our parent engagement activities will be in person. We will have workshops for parents such as "Navigating through the Google Classroom", "Navigating through SchoolStatus and "NYSESLAT PREP". Teachers will facilitate workshops for parents "unwrapping the curriculum", so parents can have a better understanding of the standards and expectations. These activities are offered in both English and Spanish. Our parent coordinator creates the flyers/letters of these activities and are sent home with the students to the parents. These activities are offered in person and are expected to be held for an hour. Our parent coordinator works closely with outside organizations that offer ESL classes for parents and other resources that will help them and their children succeed.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

At our school we have an open door policy with parents, and understand the importance of parental involvement. Administrators, teachers work closely with the parent coordinator to empower parents by providing them with the necessary
tools and resources for their child to succeed. The PTA conducts monthly meetings informing parents of upcoming activities, etc. During the SLT meetings parents also share any special request or concerns they may have in regard to school policies and academics.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Parent Engagement activities will be in person. Calendar of activities/events one session during the fall during the month of October and one in the Spring usually in April prior to NYSESLAT testing. Sessions should be programmed for an hour.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

We will have workshops for parents such as "Navigating through the Google Classroom", "Navigating through SchoolStatus. Teachers will facilitate workshops for parents "unwrapping the curriculum", "NYSESLAT PREP" so parents
can have a better understanding of the standards and expectations. These activities are offered in both English and Spanish.
Our parent coordinator creates the flyers/letters of these activities and are sent home with the students to the parents. These
activities are offered in person and are expected to be held for an hour. Our parent coordinator works closely
with outside organizations that offer ESL classes for parents and other resources that will help them and their children succeed.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Teachers will be proving Professional Development for Families/Parents. These engagement activities conducted by our centrally funded IEP teacher, Speech providers and ENL teacher. Activities are foundational skills, reading strategies, home language supports, technology and math.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**

- **How interpretation supports will be provided at events.**

Families/Parents will be notified via flyers sent home, posts on school website. The school will send out documents in English and Spanish. If interpretation is needed, we will contact the Language Interpretation Unit to further assist. We also have devices that translate instantly and available at the Parent Coordinators office and ENL office.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Parent coordinator, ENL team will keep pertaining information in a binder including agendas, parent outreach notices and sign in sheets.
