Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Roshelle Rowe	Principal or Designee*	
Tonya Green	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Monica Gonzalez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
Judith Mercedes	CBO Representative, if applicable

Ida Munoz	Member/Chairperson	
Joel Dionicio	Member/	
Casilda Ramirez	Member/	
Altagracia Perez	Member/	
Sonia Jimenez	Member/	
Nikita Subramanian	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

The Family School seeks to provide students with a rigorous inquiry-based learning environment, which is modeled on a nurturing home.
Our school promotes a supportive learning environment in which students, families, and family members collaboratively create an
environment in which education extends beyond the six hours of the school day. Student outcomes will include an increased ability to
achieve as learners, competitors, and contributors in our increasingly multicultural, diverse, and complex world.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 443 – The Family School is proudly located on the 09×90 George Meany Campus in the Morris Heights section of the Bronx. Our school serves students from 3K through Grade 5, providing a nurturing and rigorous inquiry-based learning environment. We aim to offer an academic experience modeled after a supportive home, where every child feels respected, valued, and celebrated for their unique cultural identity.

We believe in the power of Culturally Responsive and Sustaining Education to honor the diversity of our students and community. Our school serves as an educational gateway for many recent arrivals to the United States, and we are deeply committed to fostering life-long learners. With a focus on both academic rigor and social-emotional development, we strive to equip our students with the skills necessary to become respectful, hard-working, and collaborative citizens of the world.

The community that P.S. 443 serves is diverse and vibrant. The majority of our students come from low-income households, with 99.1% qualifying for free and reduced lunch. Our student body represents a range of ethnic backgrounds, including students from Puerto Rico, the Dominican Republic, Haiti, South Africa, Mexico, and beyond. The school's ethnic makeup is as follows: Hispanic/Latinx (72%), Black (24%), Asian (2%), Native Hawaiian/Pacific Islander (1%), and White (1%). In addition, 32% of our students receive special education services, and 34% are English Language Learners (ELLs), further emphasizing the need for inclusive, differentiated instruction that meets every student's needs.

Instructional Programs
At P.S. 443, we offer a comprehensive, research-based curriculum designed to support the academic and personal growth of all students. Our core instructional programs include:

HMH Into Reading (ELA): This literacy program provides a solid foundation in reading and writing, with specialized

scaffolds to support multilingual learners and a bi-literacy solution in both Spanish and English.

Eureka Math2: A robust math program that helps students build a deep conceptual understanding of mathematics, preparing them for success in higher education and future careers.

Amplify Science and Passport to Social Studies: These programs focus on knowledge building and collaborative discourse among students to deepen their understanding of science and social studies concepts.

All of these programs are fully aligned with the Next Generation Learning Standards and Advanced Literacy Instruction to ensure that our students are equipped with the critical skills they need.

Technology Integration
Incorporating technology into the classroom is a cornerstone of our instructional philosophy. Every classroom at P.S. 443 is equipped with Smartboards, and our curriculum is supported by a range of online platforms including Teach Hub, Google Classroom, and Amplify Science websites. We have over 800 iPads available for student use and have invested in additional technology—including 300 iPads for our K-2 students, Chromebooks, and laptops for students in grades 3-5—to support programs like i-READY, ZEARN, and AMIRA. These resources empower our teachers and students, ensuring that technology is fully integrated into the learning process.

Community Partnerships and Enrichment Programs
P.S. 443 is proud to partner with organizations that enhance our students' educational and personal development. One of our standout initiatives is the "Music in the Brain" residency program. Offered through BUILDING FOR THE ARTS NY, this program brings music literacy and keyboard instruction to our school, empowering our music educator and fostering equity in arts education. The program ensures that all students, regardless of background, have the opportunity to develop skills that benefit both their academic success and personal growth.

We also collaborate with New York Edge to provide a dynamic after-school program. This program offers students not only homework support but also a range of enrichment activities in dance, fitness, and the arts. Our students are encouraged to explore their interests and build new skills in a fun, supportive environment.

In addition to academic enrichment, P.S. 443 strongly values community engagement. We regularly participate in activities such as food, clothing, and toy drives to support local families in need. These activities teach our students the importance of citizenship and social responsibility, reinforcing the value of helping others.

Parental and Community Engagement
Our school thrives because of the strong partnerships we build with families. We recognize that parents are essential stakeholders in the educational process, and we make it a priority to communicate openly and frequently with them. Through translated letters, our school website, Google Classrooms, PBIS, and Class Dojo, we ensure that families are well-informed about school activities, updates, and their child’s progress. This continuous communication helps to foster a collaborative and supportive school community where students can succeed academically and socially.

Conclusion

P.S. 443 – The Family School stands as a beacon of support, education, and community in the Bronx. We are proud of our diverse, hardworking students and the enriching programs that help them succeed. Our commitment to high academic standards, cultural responsiveness, and community involvement ensures that we remain a school where every child can thrive.

Search

Briefly summarize the key initiatives your school will implement this school year.

Key Initiatives for the School Year:

Standards-Based Assessment & Classroom Strategy Training: Teachers will engage in training to enhance their skills in using assessments effectively and applying strategies that increase student performance.

Differentiation Training: Focused on empowering teachers to provide challenging, individualized instruction to all students, ensuring every learner's needs are met.

Mental Health Training: Teachers will receive strategies to create positive and productive learning environments that support the mental well-being of all students.

New Teacher Training Program: A comprehensive onboarding for new staff to help them understand school culture, expectations, and the core instructional programs.

Special Education Training: Focused on ensuring that all students, including those with special needs, can access the general education curriculum. Emphasis on professional collaboration across teams.

Student Teacher Placements: Partnerships with higher education institutions for student teachers to collaborate and gain real-world experience in classrooms.

Data Analysis Training: Teachers will be trained to analyze student work and identify areas where students need additional support, as well as areas of strength.

Orton-Gillingham Approach: Specialized literacy training, particularly for students with reading difficulties like dyslexia, to help them overcome challenges in reading, writing, and spelling.

Special Initiatives:

Computer Science for All: Focus on strengthening digital literacy, computational thinking, and computer science skills for every student as part of the Chancellor's vision.

CRSE POD in Math Block: Implementation of Culturally Responsive and Sustaining Education (CRSE) during math instruction to ensure all students feel valued and included.

Strengthening Classroom Discussions: Training on improving discussion protocols to make classroom conversations more focused and meaningful.

NYC Reads & NYC Solves: Initiatives aimed at enhancing reading and problem-solving skills across the school community.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
HMH into Reading (ELA)	K-5	Remote and Print	
Eureka (Math)	K-5	Remote and print	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
K-2 DIBELS 72% Students made average or above growth	Using appropriate scaffolds and opportunities to apply what they are learning as they read and write. Using appropriate scaffolds and opportunities to apply what they are learning to read increasingly difficult text fluently	Teaching the foundational skills block 45 min daily with fidelity, allowing for application in dictating sentences aligned with writing expectations and decodable text Data informed independent practice opportunities allowing students to: hear text read fluently, read text, readers theater
3-5 DIBELS 72% Students made	Using appropriate scaffolds and opportunities to apply what they are learning to read increasingly	Teaching the foundational skills block 15 min daily with fidelity, allowing for

average or above growth	difficult text fluently	application in dictating sentences aligned with writing expectations and decodable text or fluency passages as needed Data informed independent practice opportunities allowing students to: hear text read fluently, read text, readers theater
There is a need for 1e 3d Danielson Components	Teacher ELA/writing knowledge around the different components of explicit instruction. Using student data for appropriate writing scaffolds.	Teachers providing explicit instruction to students, that includes clearly articulated teaching points and differentiated instructional strategies that are responsive to students' academic needs and learning styles
38% of all students at The Family School scored at Level 1 in ELA. Among Students with Disabilities (SWD), 65% scored at Level 1, compared to 30% of general education peers.	Vocabulary acquisition and academic language gaps: NY-L.4 and NY-R.4 remain the lowest-performing standards for SWD across grades. Constructed Response (CR) performance: SWD struggle to explain theme/central idea and support claims with text evidence. MC items are stronger than CR, highlighting a gap in writing to sources. Transfer of strategies: SWD can sometimes apply scaffolds with teacher support but struggle to use them independently during assessments.	Daily vocabulary routines with visuals, morphology, and word banks for SWD Evidence-based response frames ("answer + because + evidence") in oral/written tasks Anchor charts and graphic organizers to model theme/central idea Small-group intervention in Grades 4–5 on high-frequency Level 1 standards Teacher PD on modeling, scaffolding, and gradual release

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	72%	By June, 2026, literacy for All Students K-5 will improve, as measured by a 5% Increase, from 72% to 77%, of percentage of students making average or above growth on the DIBELS.
Students with Disabilities (SWD)	16.4%	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 5% Decrease, from 16.4% to 11.5%, of percentage of students score level 1 on the NYS ELA exam.
All Students	34%	By June 2026, literacy instruction will improve for All Students, as measured by a 10% increase, from 34% to 44%, the number of teachers rated Effective or Highly Effective on Advance indicators 1e (Designing Coherent Instruction) and 3d (Using Assessment in Instruction)..

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

2026 NYS ELA Exam

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

K-2 Foundational Skills Fluency
Implementation of Explicit Instruction Framework Across Content Areas
Fidelity to Orton-Gillingham–Based Structured Literacy Program
Bridging Foundational Skills to Application in Reading and Writing
Readers Theater to Build Prosody, Confidence, and Engagement
Listening Centers for Fluent Model Exposure
Professional Learning and Collaborative Practice
Student Progress Monitoring
Data-Driven Grouping and Student Goal Setting

3-5 Oral Reading Fluency
Implementation explicit oral reading routines, including modeled fluent reading, repeated readings, echo reading, and choral reading aligned to research from Hasbrouck & Glaser.
The Neurological Impress Method (NIM) will be introduced for Tier 2 support, especially for students struggling with pacing and expression.
Daily Integration of Morphology to Support Automatic Word Recognition
Readers Theater to Build Prosody, Confidence, and Engagement
Listening Centers for Fluent Model Exposure
Professional Learning and Collaborative Practice
Student Progress Monitoring
Data-Driven Grouping and Student Goal Setting

Reducing SWD Level 1s
Explicit Vocabulary Routines: Daily morphology, visuals, and word banks to build academic language and comprehension.
Evidence-Based Response Practice: Sentence frames (“answer + because + evidence”) embedded in oral discussions and written tasks.
Theme & Central Idea Supports: Anchor charts, modeled responses, and graphic organizers for scaffolding comprehension.
Targeted Small-Group Intervention: Focused reteach on priority standards most connected to Level 1 performance.
Professional Learning and Collaborative Practice: Teacher training on modeling, scaffolding, and gradual release

routines.
Student Progress Monitoring: Frequent checks on vocabulary growth and evidence-based writing tasks.
Data-Driven Grouping and Student Goal Setting: SWD grouped strategically with clear, measurable goals tied to ELA outcomes.

Root Cause Addressed:

K-2 Inconsistent implementation of explicit instruction following the school's Orton-Gillingham aligned structured literacy program with full fidelity and a lack of application of foundational skills to authentic reading and writing tasks are limiting student growth. Specifically, students are not consistently transferring phonics skills to decodable text reading or dictation-based writing.

3-5 Inconsistent, explicit fluency instruction, and opportunities to practice fluent reading. Lack clarity on how to integrate fluency-building routines into daily instruction. Additionally, decoding difficulties persist for some students due to insufficient attention to morphology and word recognition, which impacts reading rate and accuracy.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
PD to deepen understanding of all pillars of literacy
PLC to support grade level teams in implementing instruction that is aligned with the pillars of literacy
Instructional Coaching that support teachers in implementing instruction that is aligned with the pillars of literacy
Data-Driven Instruction and Progress Monitoring
Collaborative Lesson Study Cycle

Key Strategy 2 (Optional):

Teachers will implement explicit instructional routines during writing instruction, including modeling, guided practice, and scaffolded independent application using TWR strategies.

Inconsistent, explicit vocabulary instruction and limited daily practice applying academic language. Lack of structured routines for evidence-based responses, leaving students unprepared to transfer strategies independently on assessments. Additionally, gaps in theme and central idea instruction prevent students from moving beyond recall to supported analysis in writing.

Root Cause Addressed:

Teacher observations and student writing samples indicate that instructional delivery lacks consistency in modeling, guided practice, and scaffolded support, particularly in sentence and paragraph-level writing. This inconsistency limits students' ability to internalize clear writing structures and apply them independently. Without explicit instructional routines, students, especially those with emerging literacy skills, struggle to produce well-organized, coherent writing across content areas.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional Learning on Explicit Instructional Routines in Writing
Use of Planning Tools that Require Explicit Instructional Design
Instructional Coaching Cycles with "Look-Fors"
Collaborative Lesson Study Cycle
Frequent Feedback Loops and Student Work Protocols
Collaborative data cycles (grade-team and IEP meetings) to analyze SWD progress and adjust instruction.
Daily vocabulary routines with morphology, visuals, and structured word banks in Grades 3–5.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
In the 2025 NYC School Survey, 55% of teachers and staff responded favorably to the question, "At this school students harass, bully, or intimidate other students," representing a 22-point decline from 2024. This suggests an increasing concern among staff regarding student behavior related to harassment and bullying.	Insufficient prevention and intervention programs, limited staff training, social pressures and peer influence might be contributing factors and there are insufficient staffing or support services	-Development of clear, consistent procedures for addressing bullying incidents and supporting victim, -Initiatives to promote a positive, inclusive climate through student engagement and social-emotional learning programs - Regular, targeted professional development focused on bullying prevention, restorative practices, and trauma-informed approaches.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	55%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 15% Increase, in the percentage of teachers and staff responding favorably to the statement 'At this school students harass, bully, or intimidate other students' from 55% to 70%, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Launch a School Climate & Social-Emotional Learning (SEL) Initiative

Root Cause Addressed:

Limited social-emotional skills among students
--peer influence

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Integrate SEL curriculum into daily instruction starting in the first month.
Create peer leadership programs focused on kindness and inclusion, with training at the start of the year
Organize monthly assemblies promoting respect and kindness.
Host parent workshops to support SEL and anti-bullying efforts at home.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. SEL Implementation Team:
- Form a team consisting of teachers, counselors, administrators, and student leaders responsible for overseeing the rollout of SEL program and activities.
- Meeting Frequency: Bi-weekly during the first semester to review progress, share feedback, and troubleshoot challenges.

2. Program Fidelity Checks:
- Conduct regular classroom observations and walkthroughs to assess the integration of SEL lessons and activities.
- Use a checklist to evaluate fidelity and quality of SEL instruction.

3. School Climate & SEL Data Collection:
- Administer periodic climate surveys (quarterly) to staff and students to assess perceptions of school safety, respect, and belonging.
- Gather feedback through focus groups or student interviews.

Data/Evidence Collected & Used:
- Classroom Observation Data:
- Student and Staff Surveys:
- Student Reflection & Feedback:
-Behavioral Data:OORS

Use of Data to Determine Progress & Impact:
- Evaluate increases in the percentage of positive responses in climate surveys related to safety, respect, and

belonging.
- Monitor a reduction in behavioral incidents linked to bullying and disrespect.
- Assess the consistency and quality of SEL instruction through observation data.
- Use student and staff feedback to identify areas of strength and opportunities for refinement.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent Workshops and Information Sessions /Family Engangment Event	NY EDGE
08/04/2025	06/26/2026	Regular Communication and Updates	NY EDGE

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School counselors, Social workers, Teachers, School leadership team and Parent and community volunteer

Instructional Resources

Evidence-based SEL curricula and School climate survey tools and data analysis platforms (OORS)

Schedule Adjustments

Dedicated time within the school day for SEL lessons, restorative circles, and staff professional development. Also, scheduled family engagement evenings and community events outside regular school hours.

Other Resources Needed

Digital platforms for communication (school website & newsletters) Community partnerships providing workshops, materials, and support services.

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
17% of English Language Learners performed at Level 1 according to the NYS Math Test 2025. Only 50% of English Language Learners reached their typical growth target by i-Ready EOY Screener in comparison to 70% of all students and 76% of Students with Disabilities.	Language and Vocabulary gaps interfere with students accessing Numbers in Base Ten and Computational Vocabulary terms such as difference, quotient , value. Students are unable to understand math constructed response question types.	Increase access to and monitoring/assessment of math domain specific vocabulary. Integrate ENL service providers into math instruction and use vertical integration to increase academic vocabulary across all content areas.

47% of students are proficient in Next Number Fluency measure needed to build addition/subtraction fluency in Grades 1-2. Kindergarten Composite proficiency is 65%. 56% of Grade 1 students are proficient in Computation within 20 while the Grade 1 Composite proficiency is 62%. 57% of students are proficient in Computation within 100 and the Composite proficiency rate is 61%	Computational Fluency continues to lag behind overall composite score proficiency due to students unable to use a range of strategies flexibly to add and subtract. Using properties and the relationship between operations and explaining their reasoning interferes with students computational fluency which leads to gaps in their Computational Fluency scores which rely on students switching between a variety of strategies on Grade 1-2.	According to Acadience June 2025 EOY Math Screener, students lack the grade level computational fluency to establish proficiency needed beyond Grade 2.
According to i-Ready June 2025 EOY Math Screener, 72% of Grade 3 made typical or better progress, 85% of Grade 4 made typical or better progress and 38% of Grade 5 made typical or better progress.	Spiral review of minor K-2 domains of Geometry and Measurement and Data do not prepare students to engage with the i-Ready screener due to minimal exposure to rigorous math vocabulary. Tier 1 pacing aligned to Next Generational Learning Standards rather than providing equal access to all domains. In addition, Action Plan targets priority standards and domains allowing some content to be neglected throughout the year. Furthermore, Measurement, Data and Geometry all require access to content specific vocabulary that has not been embedded and reinforced consistently in all grades.	Grade 5 students do not receive strategic differentiated instruction to close instructional gaps in place value and fractionss as well as problem solving. Students in subgroups of MLLs and SWDs enter Grade 5 up to 3 years in core domains.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
English Language Learners (ELL)	17	09×443 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring at Level 1 will Decrease by 7% from 17 to 10%, for English Language Learners (ELL), as measured by NYS Math.
All Students	75	09X443 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students making typical or better progress will Increase by 5% from 75% to 80%, for All Students, as measured by Acadience Math Screener results.
All Students	65	09X443 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students at or above 100% annual typical growth will Increase by 7% from 65% to 72%, for All Students, as measured by i-Ready Math results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Vertical K-5 focus on Domain specific vocabulary throughout lesson through the use of vocabulary/language scaffolds and ongoing vocabulary assessment. Increase access to math instruction in home language through the use of family support and video modeling.

Root Cause Addressed:

Students lack access to essential math vocabulary in home language which acts as a impediment to engaging in grade level content discussions and building on basic computational skills which many students do bring.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Module Unpacking to focus on Essential Vocabulary identification and developing proven strategies to increase access to English Language Learners.
Assessment of Essential Vocabulary to track at risk students access beginning at kindergartent.
Increase visual supports including step by step sequence procedures, unit vocabulary and foundational place value and fractions in all needed languages.
Provide videos through Google Classroom for students and families on core math content beyond computation procedures.

Increase family access to math programs and events.

Key Strategy 2 (Optional):

Acadience Key Strategy
Revision to pacing will allow for computational strategies to be introduced through Tier 1 Instruction at earlier times during the school year. Then, through data collection using fluency interviews aligned to math running records, teachers will systematically identify needed computational strategies aligned to Acadience in Grades Kindergarten through Second Grade. Professional Learning Communities in K-2 will support high leverage fluency skills aligned to historic data trends.

i-Ready Key Strategy
Provide professional learning opportunities to specific teams and teachers with vertical content knowledge aligned to i-Ready domain specific data. This includes one on one coaching for new teachers to support planning and data analysis consistently from BOY. Using explicit delivery of lesson content, vocabulary and procedures, teachers will use i-Ready and New York State test question alignment to collect standards aligned data.

Root Cause Addressed:

Acadience K-2 Root Cause:
Although teachers have participated in professional development addressing computational fluency, teachers need further support in identifying computation gaps and closing computation gaps beyond the current year. The majority of students meet and exceed year end proficiency but for those students who begin with gaps in understanding, teachers struggle to balance grade level content with closing computational gaps for students far below grade level.

i-Ready G3-5 Root Cause:
Teachers new to Grade 5 (departmentalized math lead, ICT and self contained) struggled to use ongoing data and historic data to group students according to their foundational needs and provide enrichment to the Tier 1 grade 5 instruction. A teacher new to Grade 3 but with expertise in Grade 5 was less proficient at using standard vertical alignment to reach beyond to Grade 4 and scaffold at Grade 2. These classes averaged 44% growth versus the more experienced teams which led to a 90% growth.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional Learning to support teachers facilitating fluency interviews
Track Teacher use of fluency interviews and Acadience Computation measures.
Increase use of EM2 routines for systematic evidence-based fluency routines embedded in math block.

Intensive Individual Coaching with new and identified teachers in the use of data collection, analysis and lesson planning based on groups.
Intervisitation to support goal setting, conferring and test reflection to classrooms with high growth

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress Monitoring bi-weekly using identified Acadience measures in Grades K-2. In addition, we will use Individual fluency interviews ongoing to track specific high leverage skills. Using i-Ready Progress Monitoring system bi-weekly in Grades 3-5.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/05/2025	06/19/2026	Parent Association Math Minute

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to NYC Kids RISE data (2025), only 35% of eligible students at our school have active NYC Scholarship Accounts, and less than 20% of families have made contributions or engaged with	Limited family awareness of long-term college and career readiness initiatives, including NYC Kids RISE. Insufficient integration of financial literacy and post-secondary awareness in early-	Increased family awareness and participation in the NYC Kids RISE Save for College Program. School-wide integration of college, career, and financial literacy concepts into instruction and family engagement.

savings opportunities. Family engagement rates around college and career planning initiatives remain low (DOE Family Engagement Survey, 2025), highlighting a gap in awareness and participation.	grade curricula. Lack of targeted outreach and culturally responsive communication strategies to engage historically underserved families in college savings and future planning efforts.	Professional learning for staff to support future-oriented conversations and culturally relevant family outreach.
Assessment data & portfolios show that students do not consistently engage in inquiry research to demonstrate learning in varied ways.. In particular, there are few examples of culturally responsive projects that allow students to explore and reflect on the historical and contemporary contributions of diverse professionals, scholars, and entrepreneurs.	Time Management and Planning Structures Access to Culturally Responsive Examples and Resources	All students must have access to culturally responsive inquiry research projects as a core part of their learning experience. Instructional practices should explicitly connect classroom learning to the historical and contemporary contributions of professionals from a range of cultural backgrounds. School-wide structures promote, assess, and celebrate inquiry-based learning as a lever for college and career readiness.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	35%	By June, 2026, the 45% of eligible families at 09X443 will activate and engage with NYC Kids RISE Scholarship Accounts (as measured by account activation and engagement reports), and the school will implement a schoolwide college-and-career readiness campaign, including at least four family workshops and monthly classroom experiences that promote financial literacy and post-secondary awareness in grades K–5.
All Students	4 projects	By June, 2026, the Percentage of students completing for All Students will Increase by 3 from 4 projects to 6 projects as measured by Completed Inquiry Research Projects.
English Language Learners (ELL)	28% of students scored Expanding or Commanding on the Writing Domain	By June 2026, the percentage of multilingual learners scoring at the Expanding or Commanding levels on the NYSESLAT Writing domain will increase from 28% in 2025 to at least 35%, as measured by the 2026 NYSESLAT results.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Strategy: Host targeted family engagement events focused on college savings

Many families—particularly those from historically underserved communities—are unaware of the long-term benefits of early college savings or unsure how to navigate programs like NYC Kids RISE. Hosting targeted events builds trust, fosters financial empowerment, and positions the school as a partner in long-term student success.

Root Cause Addressed:

Build Family Awareness & Participation in NYC Kids RISE

While NYC Kids RISE offers a powerful opportunity to promote college and career readiness beginning in early grades, many families are unaware of the program or unsure how to navigate it. Barriers such as language, digital access, cultural mistrust, or lack of financial literacy can limit participation. This strategy aims to close that gap by building trust, access, and ownership.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Launch NYC Kids RISE orientation sessions during fall and spring family nights.
Partner with NYC Kids RISE reps to co-host multilingual workshops for families on how to activate and contribute to their child's account.

Develop a user-friendly toolkit for families with visuals, QR codes, and simple action steps (activate, contribute, track).

Key Strategy 2 (Optional):

Collaborative planning time will be given to teachers with supports such as modules that integrate the Social Justice Standards and the Five Pursuits Framework to foster identity, criticality, joy, and diversity. These modules will include suggestions for inquiry research opportunities that at times highlight the historical and contemporary contributions of diverse professionals, scholars, and entrepreneurs. Teachers will collaborate to improve upon the suggestions given. The strategy will also include related field experiences and resources to extend learning beyond the classroom and support student engagement in real-world, career-connected exploration.

Professional Development with a focus on Module planning and target vocabulary will be used to support teaching lesson planning. Coaching will support discussion to transfer spoken ideas to written response. Intervisitation to 4th grade classes with debrief focused on vocabulary and discussion. All assessments will include rigorous NYS test constructed responses and teachers will use exemplar released questions and analyze data using New York State constructed response rubric.

Root Cause Addressed:

This strategy addresses the root causes of teacher capacity, time, and access to materials by providing resources and integrated planning support. It also addresses the belief gap by modeling the value of inquiry-based learning through engaging, identity-affirming content that aligns with career readiness and supports deeper student learning.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional learning sessions focused on implementing the Social Justice Standards and Five Pursuits Framework, with emphasis on culturally responsive inquiry and research-based learning.
Grade-level collaborative planning structure
Facilitate at least two field trips per grade that reinforce inquiry topics and expose students to diverse professionals.
Collect and review student inquiry portfolios three times per year.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Create a shared OneDrive document or folder where teachers will upload photographs and brief descriptions of completed inquiry research projects.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Materials for students to complete projects, Research Materials/Texts, Field Trips

Schedule Adjustments

Field Trips aligned with modules

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
While communication with teachers about student performance has increased to 90% (up 3% from 87% in 2024, NYC School Survey 2024), there remains room for growth to reach	Despite improvements, barriers such as language differences, limited access to technology, or inconsistent outreach may still	Focus on strengthening communication strategies, addressing persistent barriers for under-engaged families,

higher engagement levels. Overall, data from NYCPS and NYSED indicate positive but still developing trends in family engagement.	hinder full engagement. School efforts to address these issues are ongoing but not yet fully realized.	and sustaining efforts to further increase family involvement in student performance discussions.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	90%	The Family School will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of parents/families responding favorably to the statement, ' Since the beginning of the school year, how often have you communicated with your child's teachers about your child's performance?' ' will Increase by 5% from 90% to 95% as measured by 2026 NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a multilingual, culturally responsive parent engagement campaign utilizing our digital platforms, school/community events, and personalized communication to increase parent-teacher communication frequency

Root Cause Addressed:

-Language barriers limiting parent engagement.
Limited awareness of communication importance and available channels.

Cultural differences affecting comfort and familiarity with school communication practices

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Develop and distribute multilingual communication materials highlighting the importance of parent-teacher contact and available communication tools.
Start a targeted outreach using text messages, phone calls, and social media to remind and encourage parents to communicate with teachers regularly.
Have virtual and in-person parent engagement sessions tailored to diverse communities, with translation and interpretation services
Provide PD for teachers on culturally responsive communication strategies and effective parent outreach.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

1. Primary Structure: Parent Engagement Dashboard

Data/Evidence Collected & Used: Track attendance and participation rates at virtual/in-person sessions; record distribution metrics of multilingual communication materials.

Purpose/Impact: To monitor the reach and engagement levels among diverse parent groups and identify gaps

2. Primary Structure: Parent and Teacher Surveys

Data/Evidence Collected & Used: Collect feedback pre- and post-implementation on perceptions of communication effectiveness, cultural responsiveness, and overall engagement.

Purpose/Impact: To assess changes in parent confidence, comfort, and perceived accessibility of communication channels.

3. Primary Structure: Communication Platform Analytics

Data/Evidence Collected & Used: Analyze engagement data from texts, calls, and social media.

Purpose/Impact: To evaluate the effectiveness of outreach methods and identify the most impactful channels.

4. Primary Structure: Teacher Professional Development Feedback

Data/Evidence Collected & Used: Teacher surveys and reflection logs on training sessions focused on culturally responsive communication strategies.

Purpose/Impact: To measure the quality and application of professional learning related to parent outreach.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Multilingual Outreach Campaigns	NY Edge
09/04/2025	06/26/2026	Parent Workshops and Forums	NY Edge
09/04/2025	06/26/2026	Flexible Engagement Opportunities	NY Edge

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School staff including parent coordinators, bilingual/ENL educators, community liaisons, and teachers will be engaged to develop and deliver multilingual communication, facilitate parent workshops, and coordinate community events. Additional support from district-level community engagement specialists may also be leveraged.

Instructional Resources

Culturally responsive curriculum, translated communication materials, digital platforms for virtual engagement, and professional development modules on culturally responsive communication and family engagement strategies.

Schedule Adjustments

Adjustments may include scheduling afternoon or evening family engagement events and allocating dedicated time during staff meetings for planning and reflection on engagement activities,

Other Resources Needed

Printing of multilingual materials, community partnership stipends, and technology tools for virtual outreach.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	40%	By June, 2026, the Chronix Absenteeism Rate for All Students will decrease by 5%, from 40% to 35%, as measured by the New Visions.
All Students	41%	By June, 2026, the Chronic Absenteeism Rate for Third Grade Students will decrease by 5%, from 41% to 36%, as measured by the New Visions Portal.
All Students	52%	By June, 2026, the Chronic Absenteeism Reports for Kindergarten Students will decrease by 10%, from 52% to 42%, as measured by the New Visions Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Engage all stakeholders: Parents, Teachers, School Counselor, Social Workers, and administration

-Parent Meeting during our Back-to-School event to discuss the importance of attendance.
-Weekly attendance meetings to disaggregate data and make outreach to parents/guardians
-Provide personal outreach during Parent Engagement Time and Parent Teacher Conferences. Teachers will use this time to discuss attendance challenges and identify barriers that school personnel can support with.

Root Cause Addressed:

Extended vacation during the holiday breaks and the end of the school year.

Families leaving the country for surgery.

Parents/Guardians do not want to leave home to transport their child to school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Tier 1 Strategies for Attendance Tier 1 Strategies for Attendance - Address all five core areas Tier 1 is aimed at 100% of students, parents, school staff, and community stakeholders. Tiered plans will include strategies and interventions for the 5 core areas. Monitor Data Engage Students and Families Recognize Good and Improved Attendance Provide Personalized Outreach Remove Barriers Monitor Data Attendance Teacher along with attendance team, reviews student attendance records for accuracy daily per administration. Classroom Teachers will be reminded by

attendance team to record attendance through google doc when not completed by 9:00 am for monitoring. Weekly the attendance team will request from school aide team designee the following reports, RCUA ad RISA from ATS to monitor improvement and oversee the direction of attendance initiatives. Engage Students and Families School staff (administration, teachers, guidance counselor) will reach out to parents by phone or email about the importance of attendance in the early grades. Attendance line is listed on the back of student take home folder which goes back and forth from school to home. Attendance Line is listed on school website. Parents are made aware of the attendance policy through the school handbook as well as through the school website, email blasts, robo calls through school messenger. Monthly Attendance Report Cards Letters informing parents of absences are sent home after 10 consecutive absences without a medical note. During SOTM assemblies we Recognize Good and Improved Attendance Highlight those students who have perfect attendance each quarter during school announcements to promote attendance. Students will earn an incentive award. Recognition events will occur throughout the year. These will include (but not limited to) quarterly certificates and/or shared during assemblies. After each school break offer school events, Walking Bus, Spirit Week, SIlent Disco, Roller Skate Party

Tier 2 Strategies and Interventions to Improve Attendance Tier 2 Strategies and Interventions to Improve Attendance - Address all five core areas. Tier 2 identifies students using early warning indicators to make connections with students and families at the onset of the school year or emergence of patterns of non-attendance. Early warning indicators include prior year chronic absenteeism, 3 or more absences in the first 4 weeks of enrollment, more than 10% of school days absent in any time period from the beginning of enrollment. - Chronic Absenteeism: Absent for 10% or more school days. These absences include excused, unexcused, and suspensions as days of instruction missed. Tiered plans will include strategies and interventions for the 5 core areas. Monitor Data Engage Students and Families Recognize Good and Improved Attendance Provide Personalized Outreach Remove Barriers Monitor Data Attendance team will review the non-attendance report from ATS during weekly attendance meetings. Students will be identified and teachers will be notified which of their students might be at risk. School counselor will monitor attendance with the school administrative team to help identify students that may have a need for more services. Letters informing parents of absences are sent home after 10 consecutive absences without a medical note. Engage Students and Families School counselors will reach out by phone to speak with parents of chronically absent students and identify if any support is needed for the family. If needed, parents and students will work with the School Social Worker and Guidance Counselor to develop a personalized "Student Success Plan for Attendance" to make sure the child avoids missing too many days. The School Counselor and Morris Heights Social Worker will share with the family that there is a strong correlation between good attendance and good academic performance. Recognize Good and Improved Attendance Recognize these students routinely for good and improved attendance through positive reinforcement. For example, allowing these students to have lunch with the principal or perhaps spending time with a former teacher who they have a good relationship with. Building strong bonds with staff will improve attendance. Provide Personalized Outreach Parent-Teacher conferences with support staff will be scheduled to discuss absences and challenges to identify the barriers that school personnel may be able to assist with. Remove Barriers Public agencies and community partners will be contacted to address the barriers identified through parent conferences, communication with family or other sources. Involve the school nurse when necessary to follow-up on medically related absences and train staff to recognize signs of illness. Connect families with the Morris Heights Social Worker to provide clinical support and services if needed.

Tier 3 Interventions Tier 3 Interventions - Address all five core areas. Tier 3 is the highest level of intervention and support for students that are absent 20% or more school days during the year. Continue to send letters informing parents of absences after 10 consecutive absences without a medical note. Tiered plans will include strategies and interventions for the 5 core areas. Monitor Data Engage Students and Families Recognize Good and Improved Attendance Provide Personalized Outreach Remove Barriers Monitor Data Identify students with a history of severe chronic absenteeism (missing more than 20% of a school year). PBIS - Positive Behavior Intervention System and RtI - Response to Intervention will use the attendance data to lead discussion. The data will help uncover greater issues the student or family are experiencing. Engage Students and Families Recognize Good and Improved Attendance Refer students to appropriate service agencies (social services, human resources, counseling, housing, or health services. Share data with appropriate agencies as an indicator for assisting families. Utilize best practices schools

within the District that have been successful at decreasing chronic absenteeism and increasing satisfactory attendance. If deemed necessary ACS will be contacted, as well as the schools staff continuing to provide positive and regular contact with the family. Attendance team will continue to communicate with parents at regular intervals, as well as look for resources for helping families with attendance issues. Develop and implement an agreed upon family intervention plan with fidelity and monitor the Childs progress

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Engage Students and Families Recognize Good and Improved Attendance Refer students to appropriate service agencies (social services, human resources, counseling, housing, or health services.	Parent Coordinator, Social Workers, snd STH Liaison

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
SESIS	Students awaiting proper placement. It is challenging for teachers to meet the needs of recommended services.	IEP Development and Fidelity of Implementation
N/A		Transition Planning and Compliance

N/A		Referral Process and Equity
N/A		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	20	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve By June, 2026, to reduce the number of IEPs written for male students, we will decrease in the number of Initial Referrals requests for male students by 5, from 20 to 15, as measured by SESIS. by a 5% Decrease, from 20 to 15, as measured by SESIS.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

-Provide Professional Development around SDI to all Special Education Teachers biannually

-Provide PD on the Child Study Team process for new teachers. For returning teachers, review the CST/MTSS Process with teachers to reiterate the importance of following the process with fidelity.
-Administration & Coaches will visit classrooms to monitor the implementation of the supports provided by the CST. The CST will reconvene to review and progress monitoring data and next steps as per the CST/MTSS process.

-Admin and the IEP Teacher will monitor requests for referrals to identify whether or not the requests are warranted.

Root Cause Addressed:

IEPs written to include Specially Designed Instruction
CST Process
Initial Referral Process

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Key Strategy 2 (Optional):

Root Cause Addressed:

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
ELA Tier 2 Decoding	Diagnostic assessments follow initial screening to determine specific phonics skill gaps. . Progress is monitored using UFLI-aligned assessments and DIBELS progress-monitoring tools. Student groups remain flexible and are adjusted based on ongoing data. Targeted instruction is delivered by trained classroom teachers during designated intervention blocks embedded within the school day.	UFLI	Small Group	During	No
ELA Tier 2 3-5 Fluency	Diagnostic assessments are used to identify students with fluency (rate) deficits that impact reading comprehension. Progress is monitored biweekly using DIBELS ORF. Student groups remain flexible and are adjusted based on ongoing data. Targeted instruction is delivered by trained classroom teachers during designated intervention blocks embedded within the literacy block.	Word Connections	Small Group	During	No
ELA Tier 2 K-5	Students are placed in HMH Waggle at their	Waggle provides adaptive, skills-based	One-to-One	During & After	Yes

	appropriate starting points based on diagnostic assessment data. Waggle is used to reinforce and extend Tier 1 instruction through individualized practice, scaffolded tasks, and teacher-monitored progress. Student groups remain flexible and are adjusted based on ongoing data, including Waggle performance reports and classroom assessments.	instruction that addresses all foundational components of reading: phonemic awareness, phonics, fluency, vocabulary, and comprehension.			
ELA Tier 2 3-5 Comprehension	Using diagnostic assessments, teachers identify students who read fluently but demonstrate difficulty with comprehension. These students receive targeted small-group instruction focused on building literal, inferential, and evaluative understanding of grade-level texts. Student groups remain flexible and are adjusted based on progress-monitoring data. Instruction is delivered during designated intervention blocks embedded within the literacy block.	Trained teachers provide scaffolded supports such as think-alouds, graphic organizers, explicit vocabulary instruction, and guided practice with text-dependent questions. Instruction focuses on strengthening background knowledge, and using text evidence to support understanding.	Small Group	During	No
ELA Tier 3	Use universal screener with all children at the beginning of the year Follow up with diagnostic assessments for select children. Use progress-monitoring assessments every two weeks as needed.	Spire	Small Group	During	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

In the upcoming school year we will share the essential components of the Multi-Tiered System of Supports (MTSS) with families through a variety of inclusive and accessible methods.

These include hosting family engagement events such as workshops and information nights to explain the MTSS framework and how it supports student learning and behavior.

Written communication like newsletters, brochures, and handbooks provide clear overviews, translated into multiple languages to ensure accessibility.

Digital platforms, including school websites and parent portals, offer resources and updates on student progress.

Direct communication through emails, phone calls, and progress reports keeps families informed about their child's specific interventions.

We will invite parents to participate in MTSS problem-solving teams, fostering collaboration and transparency.

Culturally responsive practices, such as translation services and community liaisons, further support effective communication and engagement with diverse families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Tier II: Targeted Supports (Some Students)

Parent notification letters with clear, supportive language
Phone calls or meetings with guidance team
Progress reports or check-in summaries every few weeks
Family feedback forms to gather input and concerns

Tier III: Intensive, Individualized Supports (Few Students)
Individualized meetings (e.g., CST,SIT, IEP meetings)
Written intervention plans with family input
Weekly or biweekly updates via phone, email, or home-school communication logs
Wraparound team meetings involving family, school, and community partners

Use clear, jargon-free language
Provide translated materials and use interpreters as needed
Offer multiple formats (print, digital, in-person)
Create a welcoming environment where families feel like partners

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are involved by attending Collaborative Planning Meetings. Families are invited to Student Support Team (SST) or Individualized Education Program (IEP) meetings. These meetings review the student's current data and progress, goals and expected outcomes.
Families can share insights about the child's behavior, needs, and strengths at home.

Review of Data and Progress Monitoring providing updates from guidance. Families are encouraged to ask questions and help interpret the data.

Families remain involved by identifying strategies that work at home. Sharing cultural or contextual factors that may affect learning
and suggesting accommodations or supports.

Ongoing Communication- maintaining consistent communication by phone calls, emails, or home-school communication logs.

Families are informed of any changes in the intervention plan and are asked for feedback.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

We have two students in hotel/motel
We have 57 student listed as doubled up
We have 18 students listed as living the shelter

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

At the start of the academic year, attendance data indicated a significant decline among students requiring district-provided transportation, primarily due to systemic delays in bus routing. In response, the school implemented a temporary intervention by distributing MetroCards to affected students and their guardians. Concurrently, school personnel engaged in advocacy efforts with transportation authorities to expedite resolution of routing issues and ensure continuity of access to educational services

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The school will use the Title 1 allocation for STH students to

• Items of clothing and shoes necessary for participation in classes
• Student fees that are necessary to participate in the general education program
• Personal school supplies such as backpacks, notebooks, and remote learning devices such as internet and/or laptop/tablet
• Food
• Medical and dental services
• Eyeglasses and hearing aids
• Extended learning time (before and after school, Saturday, summer)
• Extra-curricular activity fees
• Parental involvement

Our Parent Coordinator can support families in contacting the correct agencies for
• The acquisition of birth certificates
• Immunizations
• Outreach services

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

We currently have 3 enrolled students in foster care.

Social-Emotional Supports
1. Trauma-Informed Practices
Staff trained in trauma-sensitive approaches
Predictable routines and safe spaces
De-escalation strategies and restorative practices

2. School-Based Mental Health Services
Access to school counselors, social workers, and psychologists
Individual and group counseling
Referrals to community-based mental health providers

3. Mentoring and Relationship-Building
Trusted adult or mentor assigned to each student
Peer mentoring programs
Check-In/Check-Out systems for daily emotional support

4. Social Skills and SEL Programs
Targeted SEL instruction (e.g., Zones of Regulation, Second Step)
Small group sessions focused on self-regulation, resilience, and peer relationships

5. Crisis Intervention and Wraparound Services
Immediate support during transitions or crises (e.g., placement changes)
Coordination with child welfare agencies, therapists, and caregivers
Family engagement strategies that include foster parents and caseworkers

Academic Supports
1. Immediate Enrollment and Records Transfer to ensure there is no delays in school placement.
2.Liaison or point person to coordinate with child welfare agencies.
3. Review of IEPs or 504 Plans if applicable
4. Tutoring and Academic Interventions
- Access to in-school interventions such as afterschool programs
- Summer school or extended learning opportunities

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Data-Driven Identification:
Attendance, behavior, and academic data are reviewed monthly to flag students in foster care for additional supports.

Integrated Support Teams:
Social Emotional Team meet regularly to review student progress and adjust interventions.

Professional Development:
Staff receive ongoing training in trauma-informed practices, cultural responsiveness, and legal rights of foster youth.

Monitoring and Accountability:
The Foster Care Liaison tracks service delivery, ensures compliance with legal mandates, and advocates for student needs.

At-Risk Counseling:
Providing group or individual counseling to promote healthy emotional development.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

1. Attendance Patterns
Attendance dips often correlate with placement changes, transportation disruptions, or emotional distress.
Inconsistent school enrollment due to frequent moves between foster homes or districts.
2. Academic Achievement
Gaps in foundational skills, especially in students with multiple school transitions.
3. Behavioral and Social-Emotional Indicators
Increased referrals for behavioral incidents, often linked to trauma responses.
4. Special Education Identification
Over-identification for special education services, sometimes due to trauma-related behaviors being misinterpreted as disabilities.

Being proactive and identifying early warning systems that flag attendance drops, academic dips, or behavioral

changes can improve the services and support provided to this population.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Mentorship and Trusted Adult Connections
Regular check-ins with a counselor or social worker will provide emotional support and a sense of stability.
This will increases school connectedness, which is linked to better attendance, fewer behavioral incidents, and higher academic achievement.

Teachers integrate SEL competencies (e.g., self-awareness, responsible decision-making) into daily lessons.
Foster youth receive scaffolded support in executive functioning and self-management during transitions.
This assists students in managing academic demands and reduces frustration-related behaviors.

Crisis and Wraparound Support
Immediate access to school-based mental health services during emotional or placement crises.
Coordination with external providers ensures continuity of care.
This will prevent academic regression and behavioral escalation during periods of instability.

Family and Agency Collaboration
Regular communication with foster families and child welfare agencies.
Inclusion in MTSS, IEP, or 504 planning to ensure SEL supports are aligned across settings.
This will ensure consistency in expectations and interventions, which is critical for students navigating multiple systems.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

The school partnership with New York Edge will afford us the opportunity to provide students with the following:

A STEAM curriculum, that helps students learn to question, imagine, test, observe, collaborate, and explain their findings in all activities. These skills are crucial as children experiment and investigate issues relevant to the world around them through hands-on learning opportunities. Students may also participate in the annual STEAM Day Fair introducing students to the many and varying jobs in the related fields. The newly developed STEAM day highlights drone technology, as well as the language of coding and applications used to program and guide them. The ExpandEd program brought us a STEAM-based initiative called Design2Learn. Through a partnership with the New York Hall of Science, the program excites learners about STEAM as participants are provided hands-on exposure to careers in STEAM as well as project-based learning activities.

Leadership
A critical element in the development of each student is their social-emotional growth. Our leadership program focuses on learning effective communication skills, building self-confidence, and active listening. By working collaboratively with their peers, students demonstrate a shared purpose as they use their voice, express choice, and give beyond themselves, helping them to better identify who they are as a leader. Recognizing that leadership is not something to be taught in isolation, we have begun leadership infusion into content. This program will grow and expand over the coming years as students realize that opportunities to lead are everywhere. The initial cohort of schools are identified under the program name Y-Lead. We believe that this program will evolve and grow and continue to be replicated.

Literacy
Reading information critically, writing purposefully, thinking analytically, speaking and listening, and using self-expression that creatively articulates feelings and thoughts are essential components of our approach to literacy. Children explore through engaging text and project-based activities. Participation in essay contests with renowned authors, specialized tutoring and special events such as our Poetry Slam enriches and enhances each child's literacy experience. Our literacy initiative has expanded through a partnership with ExpandEd that funds Ready Readers – a literacy program that establishes a love for literature. MSExtra provides middle school students with an opportunity to enroll in book clubs and explore timely and topical literature through independent reading and guided conversation.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Historically PS 443 has hosted its own after school and Saturday academy programs. ELT will fit in nicely with the programs that he school hosted in the past Educators will apply for ELT instruction position with specific criteria included in the posting. Expanded learning time will be offered after school, school holidays, weekends and during the summer. ELT services include additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Literacy Coach has created shared documents to be shared with all content area teachers, service providers, and ELT instruction providers. All educators will be aligned with the content, vocabulary, standards being taught.

Provide a description of the materials purchased to support implementation of ELT.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

The Family School 09×443, will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

The Family School 09×443, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

Parents/Guardians will:
- monitor my child's attendance and ensure that my child arrives at school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as extended day learning opportunities, clubs, team sports, and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by promoting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms, and notices when requested;
- become involved in the development, implementation, evaluation, and revision of the Parent and Family

Engagement Policy and this
Compact;
- participate in or request training offered by the school, district, central, and/or State Education Department to learn more about
teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g.,
Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

Students will:
- . Attend school regularly and arrive on time;
- Complete my homework and submit all assignments on time;
- Follow the school rules and be responsible for my actions;
- Show respect for myself, other people, and property;
- Try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Targeted Professional Development:

Teacher Training: Teachers receive training in evidence-based instructional programs such as IMSE, LETRS, and The Writing Revolution to enhance literacy instruction.

Explicit Instruction: Support from Teaching Lab focuses on explicit instruction techniques, providing teachers with strategies to clearly and effectively teach core content.

Instructional Coaching and Leadership Support

Coaching Team: The school employs a team of instructional coaches, including a literacy coach, math coach, and Academic Intervention teacher, who support teachers based on school-wide and individual student data.

Collaborative Teacher Leaders: Teacher leaders facilitate common planning periods and support collaborative work across grade levels, focusing on the development of strategies to enhance student performance and assessment.

Data-Driven Professional Development

School and Teacher Data: Professional development is tailored based on student and teacher data. Coaches and leaders use this data to provide targeted support to teachers and help them track progress toward goals.

Individualized Development Plans: Teachers create individualized professional development plans, reflecting on their practice and areas for growth. These plans guide attendance at external PD opportunities, with teachers responsible for turning key learnings into actionable insights for their colleagues.

Peer Learning and Collaborative Strategies

Turnkey PD: After attending external professional development, teachers lead small group sessions during the Monday PD block, sharing their new learning and best practices with staff.

Inter-Visitations & Mentoring: Teachers who are rated as "Developing" receive support through inter-visitations, coaching, and mentorship programs to enhance their skills and move up the Danielson rubric.

Support for Developing Teachers

Focused Support: Supervisors meet regularly with teachers rated as "Developing" to track progress and adjust professional development goals as needed.

Buddy Teacher Pairing: Targeted teachers are paired with Buddy Teachers, who provide peer support to help them achieve their professional learning goals.

Ongoing Reflection and Feedback

Regular Observations: Supervisors and coaches conduct regular classroom observations to gather data on teaching practices and student outcomes. This information is used to refine individual PD plans and identify areas for improvement.

Assessment Development: Instructional leaders work with teacher teams to ensure that unit plans include assessments and questions designed to regularly diagnose student learning and thinking, providing ongoing evidence of progress.

By embedding these strategies into the professional learning structure, TFS creates a robust system that empowers educators with the tools and support they need to meet state standards and foster student achievement.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Transition Plans for Preschool Children to Kindergarten
To ensure a smooth transition from preschool to kindergarten, we implement the following strategies:

Student Visits and Joint Activities

Kindergarten Visits: Starting in early April, preschool children will have the opportunity to visit kindergarten classrooms several times. These visits help familiarize students with the kindergarten environment, teachers, and routines, promoting a smoother transition.

Joint Preschool and Kindergarten Activities: Preschool and kindergarten classes collaborate on joint activities throughout the year, allowing children to interact with future classmates and teachers in a familiar setting.

Family Engagement

Open House and Orientation: We encourage families to attend an open house in the fall and a kindergarten orientation in the spring. These events provide families with valuable information about the kindergarten program and expectations.

School Visits: Families are invited to visit the school and meet their child's kindergarten teacher before the school year begins, helping both children and parents feel more comfortable.

School Supplies: Teachers provide families with a school supply list, encouraging families to shop for necessary items ahead of time to ensure students are fully prepared.

Teacher Collaboration and Communication

Joint PD and Networking: Preschool, kindergarten, and first-grade teachers participate in collaborative discussions during Monday PD time. These discussions allow teachers to share insights about student progress, teaching strategies, and common challenges, ensuring continuity between early childhood and elementary education.

Sharing of Information: Teachers regularly exchange information about each child's developmental milestones, learning needs, and strategies that work best, creating a cohesive educational experience for the child.

Support for Families

Early Intervention and Services: Families of children requiring additional support are informed about available early intervention services to ensure that students' needs are met before they enter kindergarten.

Clear Communication: Communication between preschool and kindergarten teachers, as well as with families, is prioritized to ensure everyone is aligned and that children receive the support they need as they transition.

These efforts help create a seamless and supportive transition for children entering kindergarten, fostering positive connections between families, teachers, and students

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	0	X	
Title I, School Improvement 1003(a)	Federal	0		
Title II, Part A	Federal	39,951		1,2,3 and 4
Title III, Part A	Federal	0		
Title III, Immigrant	Federal	22,146		2,3,5
Title IV, Part A	Federal	0		
Tax Levy (Fair Student	Local	3,942,646		1,2,3,4,5

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
New York Edge	All students	-Science, Technology, Engineering, Arts, Math (STEM) -Literacy-Reading information critically, writing purposefully, thinking analytically, speaking and listening, and using self-expression that creatively articulates feelings and thoughts are essential components of our approach to literacy.	Priority Statement 1 By June 2026, Increase number of students in grades kindergarten - second grade making typical or above progress as measured by Acadience.

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

The partnership between NY Edge CBO and 09X443 is built on a foundation of shared leadership and collaborative planning among school administrators, the lead CBO, and other key stakeholders. In collaboration with the School Leadership Team (SLT) and the CBO, we have established a shared leadership structure called the Family School Community Team.

This team is designed to ensure meaningful participation from students, families, and community members in all planning and decision-making processes. Together, we conduct a comprehensive needs assessment using school-level data and survey responses. This data informs our planning and allows us to identify key priorities.

Based on the results of the needs assessment, we form collaborative teams that work and learn together to implement targeted strategies. Our shared focus is on addressing the identified needs and improving student achievement. Through this partnership, we aim to build a strong, inclusive school community that drives positive outcomes for all students.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

New York Edge will collaborate with all stakeholders to implement a transformative model of family engagement that builds strong, ongoing partnerships between school and home. This model is designed to empower families as active participants in their children's education and holistic development.

Through this approach, families will be given opportunities to take on leadership roles, contribute to decision-making processes, and help shape school priorities. New York Edge will also support special events—such as Community School Forums—that foster meaningful family and community engagement, promote leadership, and strengthen the connection between the school and the broader community.

By creating inclusive spaces for dialogue, collaboration, and shared leadership, we aim to ensure that families and community members are true partners in driving positive school change.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

New York Edge will play a central role in addressing out-of-school barriers to learning by coordinating partnerships with local social and health service agencies. These partnerships will support students' regular school attendance and active engagement in learning.

New York Edge will help coordinate access to essential services such as vision screenings, mental health support, and physical health care. The organization will also identify and connect with community-based resources, forging new partnerships that align with the school's goals and meet identified needs.

In addition, New York Edge will support the school in implementing programs focused on social-emotional learning, conflict resolution, and restorative justice practices. These initiatives will promote student well-being and foster a positive school climate.

To strengthen the connection between the school day and afterschool programming, New York Edge will help build relationships and systems that link in-school learning with expanded learning time (ELT) activities. They will also assist the school in identifying and coordinating with outside providers for ELT as needed, ensuring a seamless and supportive learning environment for all students.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Our Community School, in partnership with New York Edge, is committed to improving student attendance and engagement through a data-driven, collaborative approach. New York Edge will serve as an active member of the school's Attendance Team, meeting weekly with school staff to review attendance data from DOE systems and the New Visions Data Portal.

Together, we will monitor attendance trends, identify chronically absent students, and assign personalized interventions—including Success Mentors—to provide consistent, targeted support. The team will use tools such as DOE Insight and the New Visions Data Portal to track progress, coordinate interventions, and make informed decisions.

New York Edge will assist with data collection and analysis, supporting the school in making data-driven decisions that address student and family needs. This includes facilitating and managing regular needs assessments and gathering input from teachers, staff, families, and students to better understand barriers to attendance.

High-need students will be identified through this process, and New York Edge will work closely with teachers to coordinate targeted interventions, monitor their implementation, and evaluate their impact—ensuring every student is supported in attending school regularly and achieving success.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Our Community School, in partnership with New York Edge, is committed to ensuring that all students—particularly those from special populations, including students in temporary housing, Multilingual Learners/English Language Learners (ML/ELL), and Students with Disabilities—receive differentiated, culturally responsive supports tailored to their academic and social-emotional needs.

We will begin with a summer planning session that brings together school leaders, the CBO, and other key stakeholders to assess community needs and set priorities. From this session, we will develop a comprehensive calendar that outlines monthly goals, supports, and events aligned to the needs of all members of the school community.

To ensure alignment, the CBO's mission and vision will be fully integrated with that of the school. Monthly reviews will track progress toward objectives and target outcomes, allowing for ongoing adjustments. At the end of the school year, we will conduct a full audit of the partnership to evaluate program impact and determine which initiatives to sustain or modify.

The CBO will receive a list of students in the identified special populations and create individualized support plans that address academic performance, counseling needs, and social-emotional development. Student voice will be central to this process: the CBO will administer needs assessments and surveys to gather input directly from students about their experiences, preferences, and priorities. End-of-year surveys will also capture student feedback on programming such as incentives, field trips, and enrichment activities, ensuring that future planning reflects their perspectives.

Through this structured, student-centered approach, our Community School will create an inclusive environment that meets the diverse needs of all learners.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Roshelle Rowe
Assistant Principal (Where Applicable)*	Janine Esposito
English as a New Language (ENL) Teacher*	Paulina Akonu-Atta
Teacher (if school has a bilingual program must be a bilingual teacher)*	Ida Eyzaguirre
Parent/Guardian*	
literacy Coach	Teresa Ranieri
Parent Coordinator	Jessica Rodriguez
School Counselor	
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

1

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

4

Number of teachers who hold both content area/common branch and ESOL certification:

4

Number of ESOL certified teachers with a bilingual extension:

3

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

3

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

3

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

365

Total number and percentage (%) of current ELLs:

117(32.1%)

Total number and percentage (%) of former ELLs:

20(5.5%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

103(88%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

14(12%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0(0%)

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0(0)

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

41(35%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	SPANISH	2016/2017	1	1	1	1	1									5
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

In the Family School, ELLs in the ENL program receive English language development instruction provided by a New York State certified ESOL teacher.

Stand-alone ENL services are provided by creating both homogenous and heterogenous small groups based on students' needs and strengths. Students are pulled from multiple classes within and across grades for services.

In the stand-alone small-groups, ENL teachers provide English language acquisition and English Language Arts instruction. Instructional support is provided to build vocabulary, rich academic language and background knowledge that supports core instruction in ELA and Math.

Integrated ENL:

For integrated ENL Instruction, students receive core content area instruction (English Language Arts, Social Studies, Science, and/or
Mathematics) and English language development instruction with appropriate ELL scaffolds. Instruction is provided by a certified ESOL teacher and a certified K-6 commom branches teacher.

ENL providers push into classrooms to provide language support in content classrooms. This allows students to have access to the core content as well as address their language needs.

Integrated ENL Instruction is delivered in both homogenous and heterogenous groups. These groups may include non-ELLs to serve as language models for ELLs. Collaboration with the content area teachers is key to the success of integrated ENL services. The ENL teacher plans with the content area teacher to provide differentiated language support, scaffolds and activities to build background knowledge in the core contents.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

Our Spanish Dual Language program is offered in grades PreK-4 by a certified K-6 l Common Branch Teacher with a bilingual extension. The Dual Language teacher provides home Language Arts, ENL services and content area instruction to the entire class.

At The Family School, we have a one-way immersion program with primary native Spanish speakers. We use the 60/40 Dual Language (DL) model. Students receive 60% of their instruction in English and 40% in the partner language (Spanish) . The goal is for students to develop proficiency in both languages, attain high academic achievement, and foster cultural competence.

In our 60/40 program, the content areas of mathematics and science are taught in the partner language (Spanish), while English Language Arts (ELA), social studies and certain periods of social-emotional learning are conducted in English.

Our Dual language program uses the same curriculum as the rest of the school: HMH for ELA, Eureka(Great Minds) for math, Amplify for science and Passport for social studies. Dual Language teachers provide the needed support, differentiation and scaffolds to support all students based on their needs and strengths.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The Family School P.S. 443 ensures that the mandated number of instructional minutes for English language proficiency is provided by implementing dual-language and Integrated ENL programs. We have a standalone ENL teacher who offers services tailored to students' proficiency levels, with Entering and Emerging Students receiving 180 minutes each of Standalone and Integrated ENL services, while Transitioning and Expanding Students receive 180 minutes of Integrated ENL services.

We adhere to the instructional minutes specified by New York State for each proficiency level. Additionally, we pair students based on their levels—either homogeneous or heterogeneous—to ensure they receive appropriate support.

In the event of extended remote learning ELLs/MLLs will continue to receive their mandated integrated and free Stand-alone ENL services through the use of google meet and google class

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In the ENL program the ENL teacher provides the stand-alone ENL instructional minutes as well as the integrated minutes in collaboration with the Common Branch teacher. Entering, Emerging and Transitioning ELLs receive180 minutes of Standalone instruction and 180 minutes of integrated ELA instruction. Advanced students and commanding students receive 180 and 90 minutes of integrated instruction respectively.

In the DL program, a certified bilingual common branch teacher provides the required instructional minutes for ENL, ELA and 180 minutes of HLA

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The Family School implements a 60/40 Dual Language (DL) model where students receive 60% of their instruction in English language and 40% in Spanish . ELLs and English proficient students are integrated 100% of the instructional day.

b. In which language(s) is each core content area taught?

In our Dual Language Program, the content areas of mathematics and science are taught in the Spanish , while English Language Arts (ELA) and certain periods of social Studies are conducted in English.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

n/a

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

80.0% of our ELL population are newcomers with three or less years of service.

Newcomer ELLs in the ENL and Dual Language programs are provided with small group support in addition to the content area lessons with the GE teacher and ENL provider. This small group instruction targets building background knowledge, language comprehension and developing academic vocabulary. With our newcomers, we have a strong focus on basic language skills, visual and contextual support, more explicit instructional strategies and frequent progress monitoring. Newcomers also benefit from our print rich classrooms environment. Classroom items are labeled in English and Spanish where applicable. Anchor charts, sentence stems and sentence starters support students with development of Cognitive Academic Language Proficiency. Teachers also leverage technology to meet newcomers' academic needs with programs such as iReady and Waggle.

Instruction for newcomers is more foundational and supportive, while the instruction for our developing and long-term ELLS emphasize skill refinement and content integration.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

We currently have 0.0% Students with Inconsistent/Interrupted Formal Education. However, In the event that we have Students with Inconsistent/Interrupted Formal Education, they will be provided with data-driven Small group instruction within Tier 1 to provide targeted support. This will ensure that their needs are met at their specific learning level.

Students will also be provided with Academic Intervention Services (AIS) in addition to ELL Services to target and address their individual needs.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0% of ELLs are long-term ELLs. In the event that we have long term ELLs, Tier I instruction will addresses their more complex academic language needs, including vocabulary, grammar, and critical thinking skills. On the other hand, instruction for Developing ELLs focuses on building foundational English skills and ensuring access to the core curriculum through scaffolding and explicit language teaching.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

5.5% of our students are Former ELLs. Former ELLS receive two additional years of ELL transitional Services. During this time F-ELLs are supported through inquiry-based projects and performance tasks. Former ELLs are also provided appropriate scaffolds to help them meet expectations.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

AT RISK LEVELS FOR ELLS

Newcomers with 0-3 Years of L Service: 103 students (88%)

Potential Long-Term ELLs (5-6 Years of L Service): 8 students (6.8%)

ELLs Scoring Level 1 or 2 on ELA last school year: 9 students (7.7%)

ELLs Scoring Level 1 or 2 on Math last school year: 5 students (4.3%)

ELLs in Temporary Housing: 31 students (26.5%)

ELLs Who Did Not Demonstrating Sufficient ELP Progress: 39 students (33.3%):

Trends Observed:
There is a dominance of Newcomer ELLs indicating a significant need for foundational language support.

The presence of potential long-term ELLs (6.8%) suggests that some students may not be progressing as expected, pointing to potential systemic issues in language instruction or other barriers.

The percentages of ELLs scoring 1 or 2 on last years ELA (7.7%) and math (4.3%) highlight the need for targeted academic interventions for those students.

26.5% of ELLs in temporary housing indicates socioeconomic challenges that may affect their educational outcomes and overall stability.

33.3% of ELLs not demonstrating sufficient ELP progress on the 2024 NYSESLAT. This indicates that a significant number of students are not making the expected progress in English Language Proficiency (ELP), which can hinder their overall academic success. There is a need for improved monitoring and support strategies for language acquisition.

0.9% of ELLs show no risk indicators, 42.7% have one risk indicator, 44.4% have two risk indicators, 9% have three risk indicators and 5% have four risk indicators. A significant portion of students 56.4% have two or more at risk indicators. This indicates that many students are facing multiple challenges, which could compound their difficulties in achieving academic success.

The data suggest a pressing need for targeted interventions to support ELLs, particularly newcomers and those showing low academic performance or insufficient progress in language acquisition. Addressing the socioeconomic factors affecting students in temporary housing and providing tailored support for long-term ELLs will be crucial in improving outcomes for this population.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

AT RISK LEVELS FOR FORMER ELLS

Level 1 or 2 ELA Score Last school year:
25.0% scored level one or two on the New York State ELA exam, highlighting a significant issue with literacy that may hinder academic progress.

Level 1 or 2 Math Scores last school year:
1% scored level one or two on the New York State math exam, suggesting that math performance is less impacted than ELA.

Level 1 or 2 ELA Scores for 2022-23 and 2023-24 school year:
1% scored level one or two on the New York State ELA exam

Level 1 or 2 MATH Scores for 2022-23 and 2023-24 school year:
1% scored level one or two on the New York State math exam,

Temporary Housing:
15% are in temporary housing, which can affect stability and academic performance due to associated challenges.

Trends:
60% of former ELLs (the largest group) show no risk indicators, suggesting a significant portion is performing adequately without additional challenges.
25% (five students) have one risk indicator and 15%(three students) have two risk indicators indicating a moderate level of concern .

Overall, while there is a strong portion of Former ELLs performing well, the significant percentages of those with low ELA scores and those in temporary housing indicate areas where interventions are needed to support the success of former ELLs in your school.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

92.3% of ELLs have Spanish as a home Language, 2.5% have French, 1.7% have Arabic, 0.8% have Bengali, 0.8% Fante, 0.8% have Soninke, and 0.8% have Haitian Creole.

The largest population of ELLs have Spanish as their home language. An adequate number of faculty and staff are fluent in Spanish making communication with majority of family seamless. School documents and notices are translated into Spanish and other languages to support communication with both students and families. The translation and Interpretation Unit is used to support communication with families as well.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

92% of ELLs are Hispanic and 8% are Non-Hispanic.
43.6% of ELLs identify as white, 18.8% NAtive Hawaiian or PAcific Islander, 17% American indian or Alaskan Native, 16.6% black, 2.6%Multiracial and 1.7% are Asian

At the Family School, all students including ELLs'racial and cultural backgrounds are considered when selecting a curriculum, designing thematic units, class activities, class libraries and school wide events.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Based on the 2024 NYSESLAT
19.7% Ells met Progress by exiting ELL Status
15.2% ELLs Met Annual Progress Target
6.1% ELLs Met Safe Harbor Cumulative Growth
59.1% ELLs did not meet progress

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Based on the 2024 NYSESLAT, students performed at high levels on the Speaking and listening modalities across all grades. First grade ELLs also perfomed well in the reading modality.

On the other hand, students performed at lower levels on the Writing Modalities across grades.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The results for ELLs who took the NYSESLAT and ELA or Math as as follows

ELA (13 students)
Level 3 - 2 commanding ELLs
Level 2 - 5 expanding and 2 commanding ELLs
Level 1 - 1 transitioning and 3 expanding ELLs

Commanding - 50% level 3, 50% level 2
Expanding - 62% level 2, 48% level 1
Transitioning 100% level 1

MATH (18 students)
Level 4 - 2 commanding ELLs and 1 Expanding ELL
Level 3 - 2 commanding ELLs and 8 expanding ELLs
Level 2 - 1 expanding, 1 transitioning and 1 entering ELLs
Level 1 - 2 emerging ELLs

Commanding - 50% level 4, 30% level 3
Expanding - 10% level 4, 80% level 3 and 10% level 2
Transitioning 100% level 1
Emerging - 100% level 1
Entering - 100 level 2

and NYSESLAT result shows that 90% of our Expanding students perform at level 3 and 4 on the Math test while 62% performed at level 2 on the ELA test.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

34% of ELLs who took the 2024 NYSESLAT are students with IEPs and 0% are SIFE
3% of Ells with IEP's are commanding, 28% are expanding, 34% are transitioning, 28% are emerging and 7% are entering

90% of ELLs with IEP are emerging, transitioning and expanding. While only 3% scored at the commanding level. This indicates that the ELLs with IEP's individual needs must being addressed through their IEP's to bridge the academic gap.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Teachers tailor instruction to the diverse language proficiency levels of ELLs, using visual aids, scaffolding strategies, and simplified but rigorous academic language. This ensures ELLs access grade-level content while developing language skills. Collaborative learning structures are prioritized. ELLs work in pairs or small groups to practice language socially, develop content understanding, and deepen critical thinking through academic discourse. Instruction is rooted in culturally responsive and sustaining practices. Teachers incorporate students' cultural backgrounds into lessons, allowing ELLs to see themselves in the curriculum and build personal connections to content.

Our literacy program is grounded in the Science of Reading (SOR). In grades K–2, students receive 45 minutes of structured literacy instruction daily from teachers certified with 30-hour Orton-Gillingham classroom training. This explicit instruction supports foundational reading skills critical to deeper learning. ELA Tier 2 support is provided using UFLI (University of Florida Literacy Institute), ensuring targeted phonics intervention based on student data. In grades 3–5, diagnostic assessments identify decoding and fluency gaps, and students receive appropriate Tier 2 instruction.

The core curriculum, HMH Into Reading, provides multilingual scaffolds, including interactive vocabulary lessons and listening centers in English and Spanish. All instruction is planned with ELLs in mind, integrating English language development strategies across content areas to promote deep understanding and language growth.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The leadership team ensures ELLs have full access to core instruction by adopting a schoolwide structured literacy approach grounded in the Science of Reading (SOR).

- In grades 3–5, leadership ensures diagnostic tools are used to identify decoding and fluency gaps. ELLs receive scaffolded instruction to access grade-level texts, with supports including listening centers and interactive vocabulary tools on the HMH Ed platform.
- The core curriculum, HMH Into Reading, Waggle, and Writable, includes embedded English Language

Development (ELD) scaffolds. Leadership prioritizes these programs to ensure curriculum alignment and accessibility for ELLs.

- School leaders provide professional development focused on effective ELL instructional practices, including differentiation, academic language development, structured supports for oral and written language, and culturally responsive teaching.
- ENL and bilingual program models are monitored to ensure ELLs receive appropriate services aligned with language proficiency levels. Push-in and pull-out ENL models are supported logistically and instructionally.
- Leaders provides collaborative planning time where teachers review data, design scaffolded lessons, and integrate language development goals with content instruction.
- The school promotes an inclusive, affirming environment by encouraging curriculum materials and teaching practices that reflect students' cultural and linguistic identities.
- Family engagement is actively supported through translated communication, interpretation services, and outreach events that build partnerships with multilingual families.

Through systems-level planning, ongoing capacity building, and data-driven instructional supports, the leadership team ensures ELLs have equitable access to rigorous core curriculum across all content areas.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

To meet the demands of the Next Generation Learning Standards, students are provided with multiple sources of information to build background knowledge and deepen conceptual understanding through learner-centered instruction.

In all content areas, strategies for working with ELLs are utilized, including:

Graphic organizers, visuals, and vocabulary introduction

Small group instruction with the teacher (including instruction in the native language in Dual Language settings)

Visual/audio/kinesthetic scaffolds and tiered assignments

Hands-on activities and learning centers that support thematic exploration and reinforce core concepts

Native language materials are prevalent throughout the school—in classroom libraries, DL classrooms, general education classrooms, and during ENL instruction. Home language materials are also available in the school library.

Social Studies

In the Dual Language (DL) program, Social Studies is taught in the native language (Spanish).

Students express understanding through oral and written products in Spanish.

Materials in English are also made available at differentiated levels to support biliteracy.

Mathematics

In Dual Language classrooms, math is taught in both English and Spanish.

Assessments are provided in both languages to allow students to demonstrate content knowledge effectively.

Previews and reviews of math instruction are delivered in Spanish, and students engage in mathematical discussions in both languages to strengthen academic language development and reasoning skills.

Science

- Science instruction is primarily delivered in English.
- In DL classrooms, students receive a preview and review in Spanish to support access.
- Vocabulary instruction is emphasized to ensure students are prepared for inquiry-based and hands-on investigations.

English Language Arts / Literacy Development

o Hands-on activities and learning centers that support thematic exploration and reinforce core concepts

- Native language materials are prevalent throughout the school—in classroom libraries, DL classrooms, general education classrooms, and during ENL instruction. Home language materials are also available in the school library.

Social Studies

- In the Dual Language (DL) program, Social Studies is taught in the native language (Spanish).
- Students express understanding through oral and written products in Spanish.
- Materials in English are also made available at differentiated levels to support biliteracy.

Mathematics

- In Dual Language classrooms, math is taught in both English and Spanish.
- Assessments are provided in both languages to allow students to demonstrate content knowledge effectively.
- Previews and reviews of math instruction are delivered in Spanish, and students engage in mathematical discussions in both languages to strengthen academic language development and reasoning skills.

Science

- Science instruction is primarily delivered in English.
- In DL classrooms, students receive a preview and review in Spanish to support access.
- Vocabulary instruction is emphasized to ensure students are prepared for inquiry-based and hands-on investigations.

English Language Arts / Literacy Development

- English Language Arts instruction is delivered in English across all instructional settings, including within Dual Language classrooms. All instruction is aligned with the Science of Reading (SOR) and the latest research on structured literacy practices.
- Instruction intentionally targets all essential strands of literacy: phonemic awareness, phonics, fluency, vocabulary, language comprehension, and writing.
- HMH Into Reading: Core ELA curriculum for grades K–5, featuring embedded English Language Development scaffolds such as leveled readers, vocabulary routines, anchor charts, and audio supports in both English and Spanish.
- Structured Literacy Block (K–2): Students receive a daily 45-minute structured literacy block taught by teachers certified in the 30-hour Orton-Gillingham classroom-based training. Instruction is explicit, cumulative, multisensory, and data-driven to ensure mastery of foundational reading and spelling skills.
- Fluency Focus (3–5): Fluency instruction integrates morphology, scaffolded practice, and explicit routines to close decoding gaps and support comprehension of complex texts.
- UFLI (University of Florida Literacy Institute): Tier 2 phonics intervention used in grades K–2, providing targeted, systematic instruction in decoding, encoding, and word recognition.
- In grades 3–5, diagnostic assessments are used to identify specific gaps in decoding, fluency, and vocabulary that require Tier 2 intervention. Students receive scaffolded support to access complex, grade-level texts and build fluency, stamina, and comprehension.
- Vocabulary is explicitly taught using visual supports and is consistently connected to students lived experiences. Interactive vocabulary practice is embedded within the HMH Ed platform.
- Vocabulary and comprehension are strengthened across all grade levels through intentional read-alouds, close reading routines, academic discussions, and engagement with culturally and linguistically responsive texts that reflect students' diverse backgrounds.
- Writing instruction is taught daily by teachers trained in the Hochman Method through The Writing Revolution. This explicit and systematic approach provides direct instruction in sentence construction, academic language, and paragraph development, enabling ELLs to express complex ideas clearly and fluently.
- Students demonstrate their learning through multiple modalities, including inquiry-based research projects that integrate content knowledge, language development, and critical thinking—not solely through traditional assessments.
- HMH Waggle: Adaptive digital platform offering personalized ELA practice in vocabulary, fluency, and comprehension. Includes multilingual learner scaffolds, cognate support, and Spanish-language lessons.
- Writable: Supports daily writing practice with embedded sentence stems, differentiated tasks, Lexiled readings, and rubrics available in both English and Spanish to accommodate multilingual learners.
- For students in Dual Language settings who require Spanish-language literacy development, Arriba la Lectura is used to reinforce foundational skills and support bilingualism in alignment with English instruction.

This comprehensive literacy approach ensures that all students, including English Language Learners, receive

equitable access to rigorous, research-based instruction that supports both academic achievement and language development.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers use all components of our structured literacy program—outlined in Question 3—with targeted accommodations to ensure that ELLs with IEPs can access grade-level academic content and develop English language proficiency. Instruction is aligned to both the Science of Reading and students' IEP goals, with collaboration between ENL teachers, special educators, and related service providers.

- Instruction is explicit, multisensory, and scaffolded to address individual learning needs identified through both language proficiency and special education evaluations.
- Students receive small-group instruction in foundational literacy using UFLI and Orton-Gillingham-based methods, which support decoding, encoding, and fluency through structured routines.
- Materials from HMH Into Reading, Writable, and Waggle are used with built-in supports such as visual cues, sentence starters, audio features, and Spanish-language scaffolds where appropriate.
- Writable offers embedded feedback, leveled texts, and Spanish-language rubrics to ensure access and reduce cognitive overload during writing tasks.
- Teachers provide linguistic accommodations such as simplified directions, frequent checks for understanding, and graphic organizers aligned to both content and language goals.
- Regular data review and progress monitoring help refine instruction and ensure that both academic and language needs are being met in tandem.

This integrated approach ensures that ELLs with IEPs receive high-quality, accessible instruction grounded in evidence-based literacy practices and aligned with both language development and special education requirements.

b. SIFE

All SIFE students have access to the core structured literacy instruction outlined. Additionally instruction is scaffolded and intentionally designed to accelerate both English language development and content knowledge while addressing interrupted schooling and limited literacy skills in any language.

- Teachers prioritize foundational skill development through explicit, systematic phonics instruction using UFLI and Orton-Gillingham-based routines that support decoding, encoding, and reading fluency.
- Multisensory methods and visual supports are used consistently to reinforce print concepts, vocabulary, and oral language development.
- Waggle provide scaffolded, adaptive digital instruction in phonics, fluency, and vocabulary, while Writable supports wiring instruction with audio support in both English and Spanish to aid access.
- Teachers implement preview-review routines in English and, when applicable, in the home language to help bridge content gaps and activate prior knowledge.
- Instruction integrates frequent opportunities for oral language development and structured academic talk, supported by visuals, sentence frames, and peer interaction.
- Students receive small-group support and targeted intervention to accelerate acquisition of foundational literacy skills and build confidence as readers and writers.
- Social-emotional learning and trauma-informed practices are embedded to build trust, establish routines, and create safe, supportive environments for learning.

This approach ensures that SIFE students gain foundational literacy, build academic language, and develop the confidence and stamina needed to access grade-level content and thrive in a supportive classroom community.

c. Newcomers

- All newcomers participate in the core instruction which emphasizes structured literacy and academic language development.
- Instruction is scaffolded using visuals, gestures, sentence frames, bilingual glossaries, and culturally responsive materials to make content accessible.
- Vocabulary instruction is explicit and reinforced through repetition, multisensory strategies, and connections to students' lived experiences.
- Teachers use preview-review routines and home language supports when appropriate to build background knowledge and support comprehension.
- Programs like Waggle and Writable, include adaptive features, Spanish audio/text supports, and ELD scaffolds that support early literacy and academic content learning.
- Instruction emphasizes oral language development through structured conversations, partner talk, and collaborative group work to help students build confidence and practice English in authentic contexts.
- Social-emotional support and culturally sustaining practices are integrated to help newcomers feel welcomed, seen, and valued as they transition into a new learning environment.
- K-2 After-school academic support is available and tailored to reinforce literacy skills, build vocabulary, and support completion of reading and writing tasks in a smaller group setting.

This multi-layered approach supports both rapid language acquisition and access to grade-level content while honoring the unique needs of newcomer students.

d. Long Term ELLs

Long-Term ELLs (LTELLs) require targeted language instruction that addresses persistent gaps in academic vocabulary, writing, and oral language development while maintaining high expectations for grade-level content mastery.

- LTELLs participate in daily core ELA instruction aligned to the Science of Reading, which includes explicit instruction in morphology, syntax, academic vocabulary, and structured writing.
- Teachers scaffold complex texts using pre-teaching of vocabulary, graphic organizers, close reading routines, and opportunities for discussion to deepen comprehension.
- Writing instruction through The Writing Revolution provides sentence-level practice and structured paragraph development, helping LTELLs organize their thinking and communicate ideas clearly across content areas.
- Vocabulary instruction is intentional and connected to grade-level topics, with multiple exposures to high-leverage academic words.
- ELD scaffolds in Waggle, and Writable support academic language development through adaptive practice, Spanish translations, and embedded feedback.
- Instructional strategies include peer collaboration, oral rehearsal, and discourse routines that allow LTELLs to build oral fluency and confidence in academic speaking.
- Teachers monitor progress through formative assessment and adjust instruction based on individual language development goals.
- Culturally responsive texts and writing prompts are used to validate identity and build engagement, encouraging LTELLs to draw on personal experiences and linguistic strengths.
- K-2 After-school academic support is available and tailored to reinforce literacy skills, build vocabulary, and support completion of reading and writing tasks in a smaller group setting.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Our core curriculum provides embedded scaffolds and supports for ELLs with IEPs across self-contained, ICT, and Dual Language classrooms. Instruction is adapted through strategic modifications to materials, group size, pacing, and methods of delivery. ENL teachers provide a combination of push-in and pull-out services based on individual student needs to help ELLs meet both their language development and IEP goals.

Teachers are supported in scaffolding and modifying curriculum and instruction in alignment with students' IEP goals. This includes the use of graphic organizers, sentence frames, visual aids, and leveled texts to provide meaningful access to content. Many of our students who are dually identified as ELLs and Students with Disabilities (SWDs) receive SETSS(Special Education Teacher Support Services), ensuring individualized instruction within the least restrictive environment.
All instruction is grounded in the Science of Reading. In grades K–2, students—including ELLs with IEPs—participate in a daily 45-minute structured literacy block taught by Orton-Gillingham certified teachers. This explicit, systematic, multisensory instruction helps ensure foundational reading and spelling skills are taught effectively. For students needing additional support, UFLI is used as a Tier 2 phonics intervention aligned to decoding and encoding needs. Vocabulary development is explicitly taught during literacy lessons and reinforced through content area instruction, with frequent use of visuals, realia, and cognates to build language comprehension. ELLs with IEPs benefit from small group instruction where academic language is modeled, practiced, and applied in context.

Technology tools such as HMH Waggle and Writable provide adaptive practice, immediate feedback, and multilingual scaffolds that reinforce ELA skills while supporting IEP goals. These tools offer accommodations such as audio support, Spanish-language features, and differentiated assignments to promote access and independence. Finally, school leaders support implementation by building flexibility into teacher schedules and program models so that integrated interventions and planning can occur regularly within classrooms. This inclusive, data-informed model ensures that ELLs with IEPs receive the individualized, high-quality instruction needed.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Home language assessment is a critical component of our instructional planning, especially in the Dual Language Bilingual Education (DLBE) and Transitional Bilingual Education (TBE) models. The following tools and strategies are used to assess Spanish language proficiency across content areas:

- Initial Screening: All newly admitted students with Spanish indicated as a home language are administered the Spanish Lab to gather baseline information about oral language, literacy, and content knowledge in Spanish.
- IDEL (Indicadores Dinámicos del Éxito en la Lectura): This Spanish-language screener is used to assess foundational literacy skills for K-5 students. It helps determine early decoding, fluency, and phonological awareness development in the home language.
- Writing: Writing samples and assignments may be completed in Spanish to assess students' grammar, sentence construction, spelling, and written expression. These are analyzed to determine strengths and areas of growth in academic language use in the home language.
- Reading: Informal reading assessments, such as teacher-student conferences, oral reading fluency checks, and comprehension questions, are used to assess decoding and meaning-making in Spanish. These assessments help determine placement in small groups and identify specific instructional needs.
- Math: In DLBE settings, math assessments are provided in both English and Spanish. This ensures that students' content knowledge is accurately measured without language being a barrier.
- Content Areas: Students are encouraged and permitted to demonstrate their understanding in Spanish—whether through oral presentations, writing, or collaborative group tasks—particularly in DLBE settings. This supports equitable access and allows for a full expression of content mastery.

These assessments inform instruction by identifying students' linguistic strengths and guiding targeted support in both Spanish and English. They also ensure that students are receiving instruction in their zone of proximal development across both languages.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

n/a

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

At The Family School, co-teaching and collaboration are foundational to the success of all ELL program models, including Integrated Co-Teaching (ICT), Dual Language Bilingual Education (DLBE), and stand-alone or push-in ENL services. The following systems and structures ensure effective instructional partnerships that support multilingual learners:

- Common Planning Time: The leadership team intentionally schedules regular common planning time for ENL, general education, and bilingual teachers to collaborate. This time is used to co-plan lessons, align content and language objectives, incorporate scaffolds for ELLs, and ensure instruction is culturally and linguistically responsive.
- Collaborative Professional Development: Teachers participate together in ongoing professional learning focused on evidence-based practices for ELLs, including differentiated instruction, second language acquisition, structured literacy, and effective co-teaching models (e.g., parallel teaching, station teaching, and team teaching).
- Ongoing Feedback and Reflection: Instructional partnerships are supported through structured opportunities for joint reflection. ENL and content teachers engage in regular dialogue to review student data, adjust instruction based on student needs, and evaluate the success of language-integrated content lessons.
- Cultural and Linguistic Responsiveness: Teacher teams work collaboratively to center students' cultural and linguistic assets in instructional planning. Culturally responsive texts, multilingual anchor charts, and home language integration are planned jointly to affirm students' identities and deepen comprehension.
- Assessment and Progress Monitoring: Teachers co-develop and analyze formative and summative assessments in both English and Spanish where applicable. This allows them to measure progress toward content mastery and English language proficiency while identifying students who need targeted interventions.

These collaborative systems ensure instructional alignment across classrooms and promote high expectations, equitable access, and effective language development for all multilingual learners.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our professional learning plan is intentionally designed to ensure that all members of our school community—including administrators, teachers, ENL providers, paraprofessionals, and non-pedagogical staff—develop the knowledge and skills necessary to support the academic achievement and social-emotional well-being of Multilingual Learners (MLs)/English Language Learners (ELLs). The plan incorporates a layered, yearlong approach aligned to school-wide priorities and differentiated by role.

1. Foundational Learning for All Staff
At the start of the year, all staff participate in foundational learning sessions focused on:
- Principles of second language acquisition
- The Culturally Responsive-Sustaining Education (CRSE) Framework
- Asset-based mindsets and practices for supporting MLs/ELLs

Non-pedagogical staff (e.g., office staff, safety agents, paraprofessionals, school aides) receive role-specific training on:
- Inclusive communication strategies
- Language access protocols
- Welcoming and affirming interactions with MLs and their families

All staff are guided to create linguistically inclusive environments through visuals, signage, and culturally affirming routines that reflect students' identities.

2. Instructional Focus for Pedagogical Staff
Professional learning for teachers and ENL providers focuses on the integration of language and content instruction, with key emphasis on:
- Scaffolding academic content using visuals, sentence frames, and language objectives
- Structured oral language development through accountable talk and protocols
- Explicit vocabulary instruction grounded in content learning

Co-teaching teams (e.g., ICT and ENL) participate in learning cycles on:
- Shared planning and delivery models
- Role clarity and collaboration
- Differentiation strategies aligned to NYSESLAT performance levels

Teachers are trained to use language proficiency data to inform grouping, plan supports, and track growth. They also receive tools to align academic tasks with NYSESLAT modality indicators and Can-Do Descriptors.
3. Ongoing Embedded Professional Learning
Weekly Monday sessions regularly embed strategies for supporting MLs/ELLs across content areas. These include:
- Modeling scaffolded lessons
- Designing language objectives
- Planning for structured student interaction

Monthly PLCs provide space for:
- Collaborative instructional planning
- Student work analysis through a language lens
- Cross-grade reflection on ML progress

Targeted coaching supports both classroom teachers and ENL staff in:
- Lesson design
- Scaffolding academic language
- Creating language-rich environments

Staff also access curated resources, model lessons, and planning tools via a shared digital hub.
4. Administrator Capacity Building
School leaders participate in professional learning designed to:
- Observe and provide feedback on instruction for MLs
- Ensure ENL service delivery and CR Part 154 compliance
- Support co-teaching teams and language development scheduling
- Review ML academic and SEL data through an equity lens

Leadership teams meet regularly to review implementation, ensure curriculum alignment, and plan family engagement strategies that honor linguistic and cultural diversity.
5. Social-Emotional and Cultural Responsiveness
SEL professional development explicitly addresses the experiences of immigrant and multilingual students, with emphasis on:
- Trauma-informed care

- Identity-affirming instruction
- Language-sensitive SEL routines

Teachers are supported in integrating SEL and language development through:

- Read-alouds and morning meetings
- Writing for reflection and connection
- Community-building structures that affirm students' voices

School aides and paraprofessionals participate in Asphalt Green training to support inclusive play, and all aides are involved in ongoing PBIS training to reinforce positive behavior systems that meet the needs of all students, including MLs.

Monitoring and Adjustment

Professional learning effectiveness is monitored quarterly through:

- Instructional walkthroughs
- ML student performance data
- Staff feedback surveys

Adjustments are made in response to student outcomes, staff needs, and emerging policy. ENL providers and instructional coaches engage in collaborative review meetings to identify implementation gaps and inform the next phase of professional development.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Annual Professional Learning Plan for Supporting MLs/ELLs

Our professional learning plan is intentionally designed to ensure that all members of our school community—including administrators, teachers, ENL providers, paraprofessionals, and non-pedagogical staff—develop the knowledge and skills necessary to support the academic growth and social-emotional well-being of Multilingual Learners (MLs)/English Language Learners (ELLs). The plan incorporates a layered, yearlong approach aligned to school-wide goals and differentiated by role.

Key Features of the Plan

1. Meeting CTLE Requirements for ELL-Specific Hours (CR Part 154)

In accordance with CR Part 154, our school is committed to ensuring that:

All certified staff (teachers, school leaders, and Level III teaching assistants) meet the requirement that 15% of their CTLE hours are specific to English Language Learners.

Bilingual and ENL teachers meet the requirement that 50% of their CTLE hours are ELL-specific.

The Family School meets the required 50% ELL-specific PD for ENL and bilingual teachers through an expansive professional development plan that extends to all teachers of ELLs. Our certified ENL and bilingual educators regularly attend district and network-sponsored professional learning sessions. The strategies and best practices learned during these sessions are then turnkeyed to the full instructional staff, ensuring that all teachers—regardless of grade level or content area—receive consistent and high-leverage ELL-specific support.

Our professional development calendar is intentionally mapped to ensure sufficient ELL-focused opportunities throughout the year, and our school maintains comprehensive documentation of all sessions, including agendas and sign-in sheets, which are stored in the main office to support accountability and compliance monitoring.

2. Foundational Learning for All Staff
At the start of the school year, all staff engage in foundational sessions on language acquisition, the Culturally Responsive-Sustaining Education Framework, and strategies to affirm the assets of multilingual learners.

Non-pedagogical staff—including secretaries, aides, and school safety—receive tailored PD on inclusive communication and how to access the Translation and Interpretation Unit, ensuring equitable access and respectful engagement with ML families.

3. Instructional Focus for Pedagogical Staff
Integrated Language and Content Instruction: Teachers participate in learning cycles focused on embedding scaffolds, academic language development, and structured student discourse in core content instruction.

Co-Teaching Models: ENL and general education teachers are supported in implementing collaborative planning protocols and co-instructional practices that align with Part 154 expectations.

Data-Informed Practice: Teachers analyze NYSESLAT data, and incorporate formative assessment to support multilingual learners at varying levels of proficiency.

Our school-wide PD plan integrates ENL providers, classroom teachers, and paraprofessionals in all learning sessions to ensure collaboration and consistency in support of MLs.

4. Embedded Weekly Professional Learning
Our Monday professional learning series includes regular sessions focused on ELL-specific instruction, such as scaffolding strategies, differentiation, cultural responsiveness, and integrating language objectives into lesson planning.

Monthly PLCs provide space for shared planning, student work analysis, and collaborative development of language-rich instruction.

5. Administrator and School-Wide Capacity Building
School leaders receive ongoing training in evaluating ENL practices, ensuring program compliance, and creating inclusive school structures for MLs.

Leadership teams conduct equity audits, review service models, and ensure ML student needs are reflected in schoolwide planning and scheduling.

6. Social-Emotional and Cultural Responsiveness
SEL professional learning is designed to address the specific social-emotional needs of multilingual learners, including identity-affirming routines, trauma-sensitive practices, and culturally responsive communication.

School aides participate in Asphalt Green training to support inclusive play and SEL during recess and receive PBIS PD to contribute to positive behavior supports for all students, including MLs.

Monitoring and Documentation
The school maintains detailed records of all professional development—including agendas, attendance sheets, and CTLE certificates—in the main office. These records are reviewed periodically to ensure alignment with CTLE and CR Part 154 mandates. Adjustments to the PD plan are made quarterly based on walkthrough data, student outcomes, staff feedback, and compliance review findings.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

The Family School uses Dibels for ELA (k-5) and Acadience for math (K-2) and iReady for grades 3-5 Math as schoolwide screeners at the beginning, middle and end of the year as well as for progress monitoring in Math and ELA. The screeners allow us to identify students who exhibit risk on one or more academic indicators and indicate where additional diagnostic tests are needed.
Our RTI team meets weekly to discuss interventions for ELLs and monolingual students. Information from all assessments, including the universal screener and additional diagnostic test are used to inform this discussion. The ENL team meets to discuss noticings amongst the grades and students we work with in order to address interventions when deemed necessary.
Grade teams meet weekly during common planning time to strengthen core instruction and plan using our shared curriculum. At this time small group plans are created to meet the identified needs of each student. Information gained from the screener and further diagnostic assessments provides a starting point from which to design instruction and intervention for students, including ELLs. Our ENL provider supports this planning by either attending the meetings or collaborating with the literacy coach facilitating the meetings.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our SIFE, Newcomers, long term ELL's and SWDs are offered different intervention programs and are part of the schools RTI. ELLs in tier II in ELA receive intervention through Waggle and i-ready while Dreambox Math is used as the Math intervention for ELLs in Tier II.

For Tier III intervention, students receive AIS services. Ais services are provided in English and Spanish when needed

ELLs-SWD are placed in an ICT class where they are provided with two teachers. They are also integrated with general education students that serve as appropriate models in both language and in the content areas. Teachers work in small groups with these targeted students.

ELLs-SWD are also part of our after school and ELL Saturday Academy programs. These programs have been formed for at risk students or students with high needs to ensure progression through small group instruction. ELLs with disabilities are eligible to receive intervention through SETTS in literacy and math.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

In our school, data plays a crucial role in guiding instruction for English Language Learners within a Multi-Tiered System of Supports. This systematic approach helps ensure that all students, especially those who are multilingual, receive the appropriate level of support based on their individual needs. Here's how we utilize data within this framework:

Data Collection and Analysis:
1. Initial Assessments:
- ELLs are assessed using tools such as the NYESTEL, Acadience, iReady, and Dibels at the beginning of the academic year. This data helps establish baseline language and academic proficiency levels.

2. Formative Assessments:
- Teachers regularly collect data through module assessments, Action Plan quizzes, classwork, progress monitoring assessments and observations to monitor students' understanding and progress in both language and content areas. This continuous assessment informs instructional adjustments.

3. Summative Assessment:
- Standardized tests (e.g., NYSESLAT) are analyzed to identify trends in ELL performance, which can reveal areas needing targeted intervention or support.

4. Program-Specific Data:
- Programs like i-Ready, Waggle, and Dreambox provide detailed analytics on student performance, helping educators identify specific skills where students may be struggling and need additional support.

Data-Driven Decision Making:
1. Tiered Interventions:
- Based on data analysis, students are assigned to appropriate tiers of support within the MTSS framework:

2. Progress Monitoring:
- Regular progress monitoring is conducted to evaluate the effectiveness of interventions. Data from progress monitoring tools informs whether students should remain in their current tier, receive a different intervention, or potentially exit support.

By systematically using data within the MTSS framework, our school effectively supports ELLs at all grade levels.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Math:
All students will participate in ACADIENCE AND I-ready testing (BOY, MOY, EOY)
All students will be assessed through our school-wide interim based on NYS test released questions and structure (multiple choice, constructed response).

All students will be assessed through performance based module assessments for each Eureka module.
All math fluency standards will be orally assessed and tracked by checklist in grades K-3 in students' home language.

ELA:
All students will participate in Dibels testing (BOY, MOY, EOY)
All students will be assessed through our school-wide interim
Programs like i-Ready and Waggle provide detailed analytics on student performance, helping educators identify specific skills where students may be struggling and need additional support.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELA/NLA:
The Spanish Lab is administered to new admits with Spanish as a home language. Writing: Writing assignments are allowed to be done in Spanish to see students' skills in their native language. Reading: Informal assessments/conferences are done early on to determine their comfort level in reading (ability to decode and comprehend). F&P assessments are also used to progress monitor DL students.

Math:
All Math MAP tests are available in Spanish
All School-wide interims are available in Spanish and French as on demand
School-wide data is organized by students who are designated as ELLs and school leaders specifically receive reporting to highlight these groups

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

NYSESLAT grades K-5
NYS ELA and Math Test grades 3-5

For all tests, we will use the New Visions portal to collect data on ELLs and look for measures of student growth by students across multiple years rather than the summative data of their level.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Before the NYSESLAT administration window, all ELLs are identified and parents notified of the upcoming test.
An administrative schedule is created to make provision for staff training and testing schedule to unsure minimal

disruptions in service.
Teachers/ Proctors are identified and trained using the NYSESLAT speaking training materials and administration guides.

During the testing window, the Speaking section of the test is administered and scored individually. The Listening, Reading and Writing Sections are then administered during the designated administration window.

After tests are administered, a NYSESLAT scoring team is created and trained using the provided scoring training materials. Teachers then score the writing section. we ensure that teachers do not test or score their students test. After scoring, answer documents are scanned to ATS. All testing material are then accounted for, packed and shipped back to Metritech.

Our NYSESLAT administration team consist of an Assistant principal for supervision and 1 ENL teacher for administration and scoring.

During the NYSESLAT administration period, we ensure that ELLs continue to receive the mandated ELL service with as minimal interruption in service as possible.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

The school ensures that current and former ELLs receive necessary accommodations for state assessments by ensuring that the school maintains up-to-date records of students' English language proficiency levels, including whether they are current or former ELLs.

1. Reviewing Needs: Prior to state assessments, the school's leadership team, along with teachers and assessment coordinators, reviews the status of ELLs, including identifying those who may need accommodations due to their language proficiency.

2. Ensuring Appropriate Accommodations:
Accommodations are provided to ensure that ELLs can access the content of assessments fairly without being penalized for limited English proficiency. Schools typically take the following actions:

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At the beginning of the school year, Parents of newly identified ELLs are invited to our ELL parent Orientation. This meeting provides parents with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting. Students are placed in the ELL program that the parent selected. If the ELL program that the parent selected is not available, the parent is offered a transfer to a school with that program in accordance with DOE transfer policies. If the ELL remains in the school, the ELL is placed in English as a new language.

Late and mid year registrants identified as ELLs would have missed the beginning of year orientations. Parents of new ELLs will receive individual orientation meetings as needed and follow the same procedure as the beginning of the school year.

To facilitate attendance to parent orientations, parents are invited when they register, school messenger is used and flyers are sent home to specific parent. all communications are translated into different languages to address our school's language needs.

Agenda and sign in sheets for ELL parent orientation is kept in the main office.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

During parent engagement sessions, Annual Individual meetings are planned with parents to discuss ELL students' progress. These are done with the ENL/Bilingual Support Teacher who, in conjunction with the classroom teacher can speak to the students' goals, language development progress, language proficiency assessment results and language development needs in all content areas. Interpreters and translators will be provided on the basis of need as often as possible. Teachers keep records of one-on-one meetings and phone conversations with parent in logs. Agenda and sign-in sheets of meeting are also kept on file.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

We work diligently to ensure parental involvement and access in our school. We offer a series of parent workshops, presented by ourENL/bilingual teachers and parent coordinatoras well as community members to focus on student and parent support. These sessions focus on areas such as: Looking Towards the Future: How to Support Your Child in Middle School, High School and Beyond with the Common Core, ENL Literacy Support for Parents and Students and Life Skills. We provided refreshments and sent personalized invitations home to parents of ELLs. We encourage and welcome parents to spend time in their child's classroom to get to know the curriculum and routine. All workshops are planned and organized in accordance with state standards and parents are informed of the importance of the standards as they work to help their children succeed. Agendas and sign-in sheets forall parent involvement activities are kept on file in the main office. At the family school we try our best to provide translation services during all parent activities through the use of on site staff translators and the translation and interpretation unit.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

The Family school is able to determine the needs of our school community to foster empowerment through surveys, feedback from parent workshops, parent communication with teachcers and social worker.

Information from these sources inform our family activites/workshops.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Family leadership opportunities are advertised through fliers, posters and through the school messenger. All communications are translated into different languages that reflect our school community.This ensures that our ML/ELL families can participate as well.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Some of the many Culturally and linguistically responsive partnerships that we currently have to support the needs of our school community are:

Success in Motion - Arts-based workshops conducted for Parents/caregivers or for caregivers and students together

Elevate Education - educative and informational parent workshops such as behavioral management

Catalyst Creations - culturally themed culinary experience/workshops, ESL Classes, Financial literacy workshops

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

NA

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

In the family School, The ELL Identification team comprises of Ms. Paulina Akonu-Atta (ENL Provider), Ms. Ida Eyzaguirre (Bilingual Special Ed Teacher)

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

In accordance with New York State's Commissioners Regulations Part 154, as outlined and implemented in the New York City's ELL
Policy and Reference Guide, the following ELL identification procedures and activities are adhered to and staff are trained on the following:

The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).

First, the enrollment status of each newly admitted student is determined. If the student has been in NYS public schools within past 2 years, our school contacts previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.

If the Student has not been enrolled in NYS public school within the past 2 years, The home language of the student is determined by a trained and licensed pedagogue. The parent is assisted to complete the Home Language Identification Survey in the parent's preferred language. Translation services are provided by a bilingual staff member or the DOE's over-the-phone translation services. If the student has a home language other than English, The student is then interviewed in both English and Home Language to determine NYSITELL Eligibility.

The Student is administered the NYSITELL, if eligible by a trained pedagogue. On the other hand, If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

Parent notification letters are sent to the parent in the parent's preferred language to inform parents of their child's ELL status and results of the NYSITELL.

If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish LAB. Student with interrupted/inconsistent formal education (SIFE) status is determined using New York State's resources available on NYSED's
website: http://www.nysed.gov/bilingual-ed/schools/students-interruptedinconsistent-formal-education-sife.

If student is an ELL, the parent is invited to the ELL parent orientation meeting. This meeting provides parents with an explanation of
each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

ELL is placed in the ELL program that the parent selected. If the ELL program that the parent selected is not available, the parent is offered a transfer to a school with that program in accordance with DOE transfer policies. If the ELL remains in the school, the ELL is
placed in English as a new language and our school keeps track of parent choice so that when minimum thresholds are met, we can open the ELL program of choice.

Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process). If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Reidentification Process within 6 to 12 months.

Current ELLs and Former ELLs continue to receive the mandated ELLs instructional minutes provided by a licensed ENL or Bilingual Teacher.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
PAULINA	AKONU-ATTA	ENL teacher	9/30/2025	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
BENGALI (BANGLA IN BANGLADESH)	5	1.08%	5	1.12%	0	1
GUYANESE CREOLE (GUYANESE/ENGLISH-BASED)	1	0.22%	0	0.00%	0	0
FRENCH	8	1.74%	6	1.34%	0	0
HAUSA (HAOUSSA)	1	0.22%	1	0.22%	0	0
ENGLISH	251	54.45%	246	55.03%	20	20
SPANISH	193	41.87%	187	41.83%	8	8

SONINKE	2	0.43%	2	0.45%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
REPORT CARDS	Report cards are translated into parents prefered language as indicated in the NYCPS account system. Staff members are also available to translate documents when needed.
PROGRESS REPORTS	Progress reports translated into parents prefered language as indicated in the NYCPS account system. Staff members are also available to translate documents when needed.
NEWSLETTERS	Staff members are available to translate documents when needed. The translation and interpretation unit is contacted when needed as well.
PARENT FLYERS	Staff members are available to translate documents when needed. The translation and interpretation unit is contacted when needed as well.
NOTICE OF SCHOOL CLOSINGS	Staff members are available to translate documents when needed. The translation and interpretation unit is contacted when needed as well.
IEP'S	Staff members are available to translate documents when needed. The translation and interpretation unit is contacted when needed as well.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those

meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
PARENT ORIENTATION	Staff members are available interpretation when needed. The translation and interpretation unit is contacted when needed as well.
OPEN SCHOOL NIGHT	Staff members are available interpretation when needed. The translation and interpretation unit is contacted when needed as well.
PARENT TEACHER CONFERENCES	Staff members are available interpretation when needed. The translation and interpretation unit is contacted when needed as well.
PARENT WORKSHOPS	Staff members are available interpretation when needed. The translation and interpretation unit is contacted when needed as well.
PARENT ENGAGEMENT SESSIONS	Staff members are available interpretation when needed. The translation and interpretation unit is contacted when needed as well.
IEP MEETINGS	Staff members are available interpretation when needed. The translation and interpretation unit is contacted when needed as well.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the event of an emergency, messages are sent to parents through the school messenger and classdojo. Parents are able to translate messages into their language of preference. Teachers also make phone calls and utilize the Translation and Interpretation Unit as needed.

Parents are also able to call the school directly to speak with someone in the preferred language. the School messenger, Classdojo and My Schools account are other channels of communication with parents in their preferred language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Staff Members are provided with copies of Chancellors regulation A-633 at the beginning of the year and trained by the LAC on how to access and use the translation and interpretation unit. A list of staff members available for translation is posted in the main office and also provided to staff.

The Principal and LAC will also share best practices at the begining of the school year. Staff will also participate in language access training on the iLearn NYC platform.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

The NYC multilingual posters are displayed in vantage points in the school building. Parents are also notified during orientation of the language services available in the school.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

The Family school uses the following methods to gather feedback from parents regarding the language assistance services they receive in their preferred language:

-Parent surveys will be taken during parent - teacher conferences and other parent engagement sessions
-Informal conversations with school staff,

Feedback from these surveys and conversations will inform the school on the changes needed on our translation and interpretation plan.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

The Family school uses the feedback from parents survey and conversations to inform our Language Access Plan.

Changes are made when needed to the schools Language Access Plan. to reflect our parents preferred language of written and oral communication.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

45

Grades to be served in this program. Select all that apply.

,K,1,2

Total number of teachers in this program:

3

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

3

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The Title III program will take place after school
Teachers will engage students in whole group and small group targeted instruction.
There will be one teachers providing direct instruction to up to 15 students in each group
This program will be supervised by an Assistant Principal at no cost to Title III ELL funds.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Based on the 2025 NYSESLAT, 74.0% of our ELL population are newcomers with three or less years of service.

The ENL After-School program targets Newcomer and Developing ELLS. The program will help English Language Learners attain English proficiency while meeting State academic achievement standards. The program is aimed at strengthening the four modalities in order to increase the number of students reaching ELL proficiency and help them to attain academic success.

The ENL After-School program, in collaboration with the classroom teachers, will provide additional instruction and activities with the following goals:
-To substantially strengthen the reading, writing, listening and speaking skills of the emerging to transitioning level ELL students;
-To raise the percentage of ELLS who Met Annual Progress Target 15.2% to 20%;
-To promote more participation in content area classrooms and improved performance of ELLs;
-To develop ELL students' higher order thinking skills using work model approaches that engage ELL students in critical thinking and Principles of Learning;
-To empower ELL students to become accountable for their learning.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The Title III afterschool program, will be used to serve newcomer ELLs in kindergarten through second grade There will be 3 groups of 15 Newcomer Ells for each grade(K-2).

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will take place from October 13, 2025 to April 13, 2026. It will be on Tuesdays and Wednesdays from 2:30-4:30pm. There will be a total of 40 sessions

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction for the Program will be English with Home language support when needed.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

1 certified ESL teachers, 2 certified bilingual teachers will work with a total of 45 students from grades K to 2 with class sizes not to exceeding 15.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

We will be using Continental press - Teams for ELLs and continental Press - Finish Line for ELLs at no cost to the Title III program

Afterschool materials will be stored in the classrooms being used for the program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parents of students invited to participate in the Title III program will receive permission slips. They will also receive information on the purpose and time of the program. School messenger will also be used whenever parents need to be notified of program changes.

All records for the Title III Afterschool program including attendance, professional development and purchases will be kept in the Afterschool binder located in the main office or the supervising AP's office.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The professional development provided under our Title III ELL program is integrated into the school's overall professional development plan outlined in the Local Assistance Plan (LAP). Two ENL/Bilingual teachers will participate in three district-offered workshops throughout the year, focusing on ELLs and Academic Conversations. These workshops aim to enhance teachers' ability to build academic vocabulary aligned with the Citywide Instructional Expectations, thereby supporting improved student work and teacher efficacy for ELLs. The participating teachers will then share their learnings through turn-key sessions with ESL and bilingual colleagues, fostering a collaborative professional learning environment. Additionally, teachers will engage in professional development activities centered on analyzing NYSESLAT data and selecting appropriate instructional materials to inform targeted small group instruction. All these activities will be provided at no cost to the program

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The rationale for our professional development activities is grounded in data analysis demonstrating specific needs within our ELL student population. Quantitative data from NYSESLAT assessments reveal areas where students struggle most, particularly in academic vocabulary, writing and language proficiency. Qualitative data from in-house teacher surveys and classroom observations indicate a need for targeted instructional strategies to support ELLs in developing academic language and effectively engaging in academic conversations. Trends show that teachers require ongoing support to implement best practices for ELLs, which will ultimately lead to higher academic

achievement. By addressing these identified needs through sustained professional development, we aim to strengthen teacher capacity, improve instructional practices, and enhance student outcomes aligned with the goals of Title III.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers directly involved in the Title III ELL program, including ENL and bilingual educators, will participate in ongoing professional development activities throughout the year. These teachers will receive training focused on supporting language development, analyzing assessment data, selecting appropriate instructional materials, and implementing effective strategies for ELLs. The professional development will be ongoing, with multiple sessions scheduled to ensure continuous growth and implementation of best practices. Additionally, teachers will be encouraged to share their learning via turn-key sessions to foster a school-wide culture of collaboration and professional growth tailored specifically to meet the needs of our ELL students.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The professional development activities will be scheduled from September through June, with activities occurring monthly. There will be a total of three district workshops, each lasting one day, held in at the district's discretion. These workshops will be scheduled on full professional development days, from 8:30 a.m. to 2:50 p.m., providing a total of three full-day sessions. The NYSESLAT data analysis and instructional materials sessions will be integrated into regular professional development days, with each session lasting approximately two hours, scheduled during after-school hours from 2:30 p.m. to 4:30 p.m., three times throughout the year

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Effective strategies for supporting language development and academic conversations among ELLs.

Building academic vocabulary aligned with citywide instructional expectations.

Analyzing NYSESLAT assessment data to inform targeted small group instruction.

Selecting and utilizing appropriate instructional materials to meet the needs of ELL students.

Best practices for collaboration and turn-key sharing among ESL and bilingual teachers to promote continuous improvement in instruction.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Maria Guerrero, Senior Inst Prgm Mgmt Epec, ELL/Bil
English Language Learners

Jannet Franco, ML/ELL CPS
Office of Field Support

Pauline Atta, ENL Coordinator

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All documentation related to professional development activities, including agendas, sign-in sheets, and activity evaluations, will be maintained in the school's Title III binder stored in the Main Office. Attendance sheets will be collected at each session to verify participation. Additionally, summaries of professional development activities and participant feedback will be logged to track ongoing professional learning. Activities supported by Title III ELL funds, such as the district workshops, will be clearly identified, and related documentation will be retained for accountability purposes.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Families will participate in Info session to explain the rational and importance of the Afterschool program.

In addition, we will have family celebrations where parents will be invitated to engage in literary activities with their children in the classroom.

These activities will be at a cost to the Title III program

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Families will participate in Info session to explain the rational and importance of the Afterschool program. In addition, we will have family celebrations where parents will be invitated to engage in literary activities with their children in the classroom.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Title III Afterschool Info Session
Topic: Q & A about Title III ELL program
Provider: ELL/Bilingual Teachers
1 session
September 30, 2025
2:30 to 3:00pm

Afterschool celebration
Topic: celebrating our students
Provider: ELL/Bilingual Teachers
2 sessions
December18, 2025 & March 19, 2026

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Title III Afterschool Info Session
Topic: Q & A about Title III ELL program
Provider: ELL/Bilingual Teachers
1 session
September 30, 2025
2:30 to 3:00pm

Afterschool celebration
Topic: celebrating our students
Provider: ELL/Bilingual Teachers
2 sessions
December18, 2025 & March 19, 2026

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Title III Afterschool Info Session
Topic: Q & A about Title III ELL program
Provider: ELL/Bilingual Teachers
1 session
September 30, 2024
2:30 to 3:00pm

Afterschool celebration
Topic: celebrating our students
Provider: ELL/Bilingual Teachers
2 sessions
December18, 2024 & March 19, 2025

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents are notified via letters sent home with children in their home/school communication folders. The letters are translated into several languages for the diverse populations represented in our school. Additionally, fliers are posted around the school, notifying parents of workshops. Lastly, the parent coordinator, classroom teacher and/or ESL teacher reaches out to parents to notify them in person and on the phone via School Messenger.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Documentation of family engagement activities and notifications to families will be kept in the afterschool binder in the main office.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

$5948

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem		
Purchased services -High quality staff and curriculum development contracts.		
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.		
Educational Software (Object Code 199)		
Other		
TOTAL		

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School

Grades to be served in this program. Select all that apply.

,2,3,4,5

Total number of teachers in this program:

2

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

This program will take place before school.

The Immigrant fund Before School program, in collaboration with the classroom teachers, will provide additional instruction and activities with the following goals:
-To substantially strengthen the reading, writing, listening and speaking skills of immigrant students;
-To raise the percentage of immigrant MLL students reaching English proficiency to 20%;
-To promote more participation in content area classrooms and improved performance of immigrant MLLs;
-To develop Immigrant MLL students' higher order thinking skills using work model approaches that engage immigrant students in critical thinking.

-To empower immigrant students to become accountable for their learning.

There will be 30 students in this program. Two groups of 15 students each.

Group 1 are Immigrant ELLs in grades 3, 4 and 5 who are Expanding level on the NYSESLAT

Group 2 are newcomer immigrant ELLs in grades 2, 3, 4 and 5 who are Entering level on the NYSESLAT .

Instruction will be delivered through small groups with targeted skills to address student needs.

The program will be supervised by the Assistant Principal.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Based on the 2025 NYSESLAT and NYSITELL, 6% are Commanding, 35% are expanding, 23% are transitioning, 11% are emerging and 25% are Entering.

We noticed that most developing ELLs are expanding students and who have been at the expanding level for 2 or more years.
We also notice that the second largest subgroup of ELLs are Newcomers who are mostly entering.

This data informed the formation of the two groups in the program.
Group 1 are developing immigrant ELLs in grades 3, 4 and 5 who are Expanding level on the NYSESLAT. This Group will focus on building academic language and the writing section of the NYSESLAT.
Group 2 are newcomer immigrant ELLs in grades 3, 4 and 5 who are Entering level on the NYSESLAT. This Group will focus of building basic English skills in reading, listening, speaking and writing as well as vocabulary.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

There will be 30 students in this program. Two groups of 15 students each.

Group 1 are developing ELLs in grades 3, 4 and 5 who are Expanding level on the NYSESLAT

Group 2 are newcomer ELLs in grades 3, 4 and 5 who are Entering level on the NYSESLAT .

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The program Starts on January 12, 2025 and ends May 2, 2025
It will be held Monday through Friday from 7:15am to 8:00am
There will be 50 sessions for the program

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of Instruction will be English with Native Language support(Spanish)

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

There are two teachers in the program.
A certified ENL teacher and a certified Bilingual Special Education teacher

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Materials used in the programs are:

TEAM Toolkits: Teaching ELs for Academic Language Mastery
Measuring Up for English Language Learners
French Word to Word Subject Vocabulary Bilingual Dictionary
French English Bilingual Visual Dictionary
Spanish English Bilingual Visual Dictionary

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Records of students served in this program will be placed in the ELL binder for critical documents.

The program will be supervised by the Assistant Principal in charge of ELL services.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

The professional development that we will provide for the Immigrant program is part of the school's professional development plan as outlined in the LAP. Two ENL/ Bilingual Teachers will also attend monthly workshops throughout the year offered by District 9. These workshops will focus on ELLs and Academic conversations. These workshops will place emphasis on building academic vocabulary in support of the Citywide Instructional Expectations with a goal of strengthening student work and teacher practice for ELLs. Participants will turnkey to other ENL/Bilingual colleagues to support the Title III Immigrant program.

These workshops will place emphasis :

- on building academic vocabulary in support of the Citywide Instructional Expectations with a goal of strengthening student work and teacher practice for ELLs.
- using the Hallmark of Advanced Literacies (indicators in instruction and curriculum) to engage students in rich discussions
- developing deeper understanding of the Language Arts Progressions as resources for scaffolding and differentiating instruction
- engaging in using the Linguistic progressions for writing language objectives for MLL/ELLs

These workshops will be at no cost to the program

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:
- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

The professional development that we will provide for Immigrant Program is part of the school's professional development plan as outlined in the LAP.
Two ENL/ Bilingual Teachers will attend monthly workshops throughout the year offered by District 9 MLL/ELL services.

Participants will turnkey to other ESL/Bilingual colleagues to support the Immigrant program.

These workshops will be at no cost to the program

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

The following Teacher will attend District 9 MLL monthly workshops

January -Paulina Akonu-Atta

February - Ida Munoz

March - Paulina Akonu-Atta

Schedule and Duration

For each Title III Immigrant professional development activity, include:
- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Date to be determined

These sessions are held from 8:30am to 2:30pm

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

These workshops will place emphasis :

- on building academic vocabulary in support of the Citywide Instructional Expectations with a goal of strengthening student work and teacher practice for ELLs.
- using the Hallmark of Advanced Literacies (indicators in instruction and curriculum) to engage students in rich discussions
- developing deeper understanding of the Language Arts Progressions as resources for scaffolding and differentiating instruction
- engaging in using the Linguistic progressions for writing language objectives for MLL/ELLs

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

These workshops be provided / facilitated by the District 9 MLL/ELL services Administrators and team.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Documents and resources from these workshops will be kept in the main office

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

At P.S. 443X The Family School we believe that the most effective forms of parent involvement are those which engage parents in working directly with their children on learning activitiesin school and at home. We also celebrate the different cultures in our school and promote cultural awareness and appreciation. We try to make every opportunity a learning experience not only for the students but also for their parents/guardians.

For the 2025-26 academic school year, the immigrant program will engage parents in how to help their children at home as well as celebrating the students academic achievements .

Documentation for these parent engagement programs will be kept in the Main office.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

At P.S. 443X-The Family School, we believe in the importance of the school-home connection. Parent involvement and engagement is essential in building the school-home connection. As a result our Family engagements activities reflect the results of our Annual Parent Survey and feedback received from other parent engagement events. 63% of parents requested assisance with thier childs homework.

Immigrant families will be invited to a workshop on resources for homework help. This will equip them to better support their children at home.

Immigrant families will also join their children in celebratiing their accomplishments and hard work. During this time, students will share their work and we will have refreshments for both parents and students.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Resources for home work help - February 10, 2026 sat 2:20 - 3:30pm
Annual Family Celebration - March 16, 2026 at 2:20-3:30pm

These Parent Engagement events will come at a cost to Title III Immigrant program

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Resources for home work help
Annual Family Celebration

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Resources for home work help
Provider - Paulina Akonu-Atta (ENL TEacher) & Ida Munoz (BIlingual Sped Teacher)

Annual Family Celebration
Provider - Paulina Akonu-Atta (ENL TEacher) & Ida Munoz (BIlingual Sped Teacher)

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and

- How interpretation supports will be provided at events.

Families are notifies through Flyers, Classdojo messages, school messenger and letter home.

Notices are translated into several languages for the diverse populations represented in our school.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Documentation for All Family engagement activites are kept in the main office at the desk of the parent cordinator

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

$5948

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
