Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Jennifer Alexander Ade	*Principal

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature
Melissa Allman	UFTTC/ILT	
Widalys Quiles	ENL Liaison/ ILT	
Leslie Levy	Math Coach /ILT	
Joann Salvato	Literacy Coach	
Bruce DeFonce	Guidance Counselor	
Fidelina Miguel	Parent Coordinator	
Christina DelGiudice	Special Education Teacher (SIT)	
Mary Smith	Assistant Principal (ILT)	
Nitza Gonzalez	Assistant Principal (ILT)	
Erica Paolucci	Assistant Principal (ILT)	

Stakeholder Participation

Background

The CEP must be developed in consultation with parents, school staff, and in secondary schools, students, and in accordance with §100.11 of Commissioner's Regulations and Chancellor's Regulation A-655. All schools are expected to engage stakeholder representatives (via the School Leadership Team/Community Engagement Team) at every step of CEP development. Follow the guidelines outlined in Assembling Your Team.

The School Leadership Team will engage in a five-part needs assessment before developing the CEP. Writing the plan is the last step.

Optional Pre-Activity: Envision: Exploring Your Vision, Values, and Aspirations

- Analyze: Data Variation Part 1: Identification
- Analyze: Data Variation Part 2: Share and Explore
- Analyze: Survey Data
- Listen: Student Interviews
- Envision: Reflect and Synthesize
- Writing the Plan

Meeting Dates

Use the space below to identify the meeting date(s) when each specific step(s) occurred.

Orientation for School Teams

(Required for Schools Newly Identified for the TSI Support Model)

1. Analyze: Data Variation - Identification

May 09, 2024

2. Analyze: Data Variation - Share and Explore

May 16, 2024

3. Analyze: Survey Data

May 22 2024

4. Listen: Student Interviews

May 22, 2024

5. Envision: Reflect and Synthesize

June 3, 2024

6. Plan Writing and Revision

June 13, 2024

Stakeholder Involvement Signature Page

Directions: In the table below, list the individuals involved in the development of the CEP, their relationship with the school, and the dates in which they participated. The individuals listed should include members of the School Leadership Team and, where applicable, the Community Engagement Team (for Receivership schools). The dates should match the dates identified in the Meeting Date table completed previously.

THIS PAGE MUST BE PRINTED AND SCANNED AND SUBMITTED WITH THE CEP. If the school is unable to obtain a signature from an individual, the school should write "Addendum attached" and explain why it was unable to obtain the signature of the individual. If an individual identified below has objections or concerns related to the CEP, that team member shall note "Addendum Attached" next to his or her signature and provide, in a separate document, an explanation of the specific objections or concerns.

Dates Involved (enter m/dd in the space below for each date the individual attended)

Stakeholder Name	Role	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd

Section 4: School Summary

Accountability Status

Accountability Status: **ATSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

The Edgar Allan Poe Literacy Development School Community values and respects our students' culture, home language, and family traditions. As educators, parents, students, and community members, we are committed to working as partners to guide our students to become high-level readers, writers, and critical thinkers and to ensure that all students are on their way to being college and career-ready.

We believe that all children will achieve high-performance standards in a nurturing, safe, and risk-free learning environment that supports differentiated classroom instruction in a sequential rigorous curriculum, enhanced by integrating the arts and technology.

Our vision statement is, "Achieving Excellence one student at a time through Feedback, Engagement, and Discussions."

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS 46 is a nurturing community of students in grades 3K through Fifth-grade in the Fordham section of the Bronx.

We attribute our inclusive, nurturing environment to our implementation of Positive Behavioral Interventions and Supports (PBIS), which we follow with fidelity. Our school's overall year-to-date attendance is at 92%, with a Chronic Absenteeism rate of 31%. Our Student with disabilities attendance is at 91%, and the CA for SWD is 32%

A PBIS team of the Principal, Assistant Principals, Dean of School Culture, School Counselors, Instructional Coaches, and Teachers meets weekly to review all student occurrences and patterns and implement school-wide systems to maintain an affirming, nurturing environment. The team also oversees school activities such as School Spirit Week and monthly assemblies. A few changes that have come about via the team are implementing breakfast and lunch clubs, creating office discipline referral forms, Success Mentors for Check-In and Check-Out relationships, and our monthly celebrations that include celebrating the staff.

Our Response to Intervention Team (RtI) has expanded to grade RtI teams to involve all teachers in the grade and develop plans to address student academic and personal behaviors. The teams are managed by an IEP teacher and the administrators for Special Education. The team meets regularly by grade to analyze data, progress monitor, and review "What I need" (WIN) groups.

Our Guidance Counselor and Dean spearhead the School Wellness Team (SWT). We ensure that families in crisis receive support via our partnerships with Visiting Nurse Services and other community-based organizations through

our established relationships.

In supporting our school mission, our Instructional Focus states, “To improve the outcomes of our diverse student population, teachers will:
· Collaboratively examine data using trackers,
· Monitor students’ progress using End-of-Unit Assessments,
· Provide timely feedback using NYSED Rubrics
·Set Goals with continual Data Chats using school-wide assessments
to measure the impact of our curriculum on a cohesive structure of instruction.
As a result, students will communicate their next steps, work in small groups, and achieve their personal best toward future academic success.

PS 46 has strategic collaborations with a few partnerships, such as Mosholu Montefiore Community Center (MMCC), Arts Horizons, and Brain Power Wellness. Our literacy instruction incorporates the HMH Into Reading curriculum. For the 2025-2026 school year, we will collaborate with I-Ready for an I-Ready Math pilot, supplemented with Zearn Math. These curricula will support our scholars in becoming independent, proficient readers, writers, and mathematicians. We will continue to hone our instruction with the guidance of these curricula and the expansion of our coach support.

We also use the I-Ready and Lexia online platforms to increase our students’ growth in reading and math.
We partner with Arts residencies, such as Ballet Hispanico and DreamYard, to bring the joy of embracing student culture and identity through music, dance, and poetry to our classrooms for our scholars.

Briefly summarize the key initiatives your school will implement this school year.

A key initiative for this school year is the implementation of "Leader in Me." We will monitor all initiatives in order to monitor effectiveness and rates of student improvement.

We are so excited to introduce "Leader in Me" as a key initiative this year. Leader in Me is rooted in the timeless principles of The 7 Habits of Highly Effective People by Stephen Covey, and The 4 Disciplines of Execution. Leader in Me transforms classrooms by fostering a culture of school-wide leadership.

This initiative will enhance our students' independence and their continuous growth to productive citizenship.

The structure monitoring all initiatives will be supported by teacher intervisitations and the Data-Driven Instructional protocol for professional development during our PLCs, with the outline of the "See It, Name It, Do It" format.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K - 5	HMH: Into Reading	N/A
Math	K - 5	I-Ready Math	N/A
N/A	N/A	N/A	N/A

N/A	N/A	N/A	N/A

Summarize key strengths that contributed to the achievement of the previous year's annual goals.

An accomplishment that we are most proud of is our collaborative Professional Learning Community, which has been re-established with our teachers. Our teachers meet weekly as a professional learning community (PLC). During this time, we follow data-driven protocols, identifying the gaps with data and planning for reteaching.

Lead teachers have also volunteered to facilitate the PLC, giving and leading either ELA, Math, Science, RtI, SEL, or Equity for their grades. During this time, lead teachers share best practices, facilitate learning, and all teachers collaborate.

Our PLCs and team meetings have an overarching Instructional Focus, which states:
To improve the outcomes of our diverse student population, teachers will:
· Collaboratively examine data using trackers
· Monitor students' progress using End-of-Unit Assessments,
· Provide timely feedback using NYSED Rubrics
· Set Goals with continual Data Chats using school-wide assessments
to measure the impact of our curriculum for a cohesive structure of instruction.
As a result, students will communicate their next steps, work in small groups, and achieve their personal best toward future academic success.

This school year, we will emphasize the support of SWD and continue to incorporate the resources from the District ILT.

Identify significant challenges or obstacles that may have negatively impacted the achievement of the previous year's annual goals.

A challenge has been to reduce the number of "Chronically Absent" students.
It has also been a challenge to increase our parent engagement.

We address this with weekly Attendance Team meetings to track and monitor student attendance, engage families, and increase all stakeholders' awareness of their role in improving attendance.

We will also continue to celebrate student attendance efforts and achievements.

Student Interviews are essential to fully understand what this past year has meant for students by providing opportunities for students to share their experiences and their hopes for school moving forward. To make sure that the student experience is at the center of the Comprehensive Education Plan:

Describe how Student Interviews informed the development of the plan.

Student interviews were conducted in the spring 2025. Students were represented as a cross-section of the school, including gender, ethnic distribution, learning environment such as SC, ICT, Bilingual, Dual Language, etc.

Key takeaways from the student interviews reflected the following:
Students really enjoy gym. The majority of the students included gym in their comments about what they loved about school.

Students also share their want more fun activities.

Based on these student perceptions, ideas, and opinions, the team agreed to incorporate Brain Breaks activities throughout the day and after-school clubs in the development of the action plan to be responsive to the students' feedback.

Evidence-Based Intervention

Every school identified for Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement, or Targeted Support and Improvement (TSI) must implement at least one evidence-based intervention (EBI) as part of its CEP. The intervention identified must meet the criteria of a Tier 1, Tier 2, or Tier 3 evidence-based intervention under ESSA. Schools should indicate all of the EBIs meeting the federal definition that will be pursued during the upcoming school year.

Directions: Respond "Yes" or "No" to indicate whether or not each EBI listed below is being implemented this year.

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYS ELA Exam Data 2024 121 All students level 1 67 All students level 2 55 All students level 3 13 All students level 4 NYS ELA Exam Data 2025 80 All students level 1 66 All students level 2 67 All students level 3 49 All students level 4 NYS ELA Exam Data 2024 subgroup students with IEP 43 students with IEP level 1 12 students with IEP level 2 3 students with IEP level 3 0 students with IEP level 4 NYS ELA Exam Data 2024 subgroup MLLs/ELLs 61 MLL/ELL students level 1 20 MLL/ELL students level 2 6 MLL/ELL students level 3 0 MLL/ELL students level 4 I-Ready Reading Data (June 2025) 107 All students, early on, at or above 82 All students are one grade level below 114 All students 2 or more grade levels below I-Ready Reading Data (June 2025) 13 Students with IEPs early on, at or above 23 Students with IEPs are one grade level below 42	Focus on data analysis to support teachers in grades 3-5 in the development and use of progress monitoring tools to provide targeted instruction to meet the needs of all learners. Focus on the implementation of vocabulary instruction	There is a need for students in grades 3-5 to fully engage in standards based tasks focused on vocabulary acquisition and use in literary and

Students with IEPs are 2 or more grade levels below JIR. ELA June 2025 16% gap between school and city in standard 3R.7 Least significant gap in high leverage standard 4.R7 & 5R.7 Most significant gap in high leverage standard 3R7	in the daily schedule/instruction.	informational texts. Further improve the cohesiveness of progress monitoring of students in grades 3 - 5.
Acadience screening performed at End-of-Year 2024-2025 for students in grades K-2 shows: 126 students are performing well below benchmark 54 students are performing below benchmark 51 students are performing at benchmark 51 students are performing above benchmark.	Focus on the implementation and follow-up of the progress monitoring to plan targeted instruction to build fluency with foundational reading skills by teachers in grades K-2	There is a need for students in grades K-2 to strengthen their fluency with foundational reading skills such as First Sound Fluency, Phoneme Segmentation Fluency, Nonsense Word Fluency, and Oral Reading Fluency.
Advance Observations June 2025 24 teachers received a developing rating in component 3b 1 teacher received an effective rating in component 3b 8 teachers received a highly effective rating in component 3b June 2025, Advance Observations indicate a trend of Question & Discussion as an area of need for improvement. Students are passively engaged, and their discussions are limited.	Focus on discussion techniques and protocols to engage students in academic discussions and support oral language development. There is a heavy use of DOK Level 1 questions, which are mostly recall questions, and a need for Higher-Order Thinking Questions. The Gradual Release of Responsibility Model for independence and student discussions must be implemented regularly.	There is a need for students to develop their ability to effectively engage in a range of collaborative academic discussions (student to student discussion).

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	116	By June 2026, the number of students scoring at levels 3 and 4 will increase by 8%, from 43% to 55%, as measured by the NYS ELA exam.
Students with Disabilities (SWD)	39	By June 2026, literacy for Students with Disabilities (SWD) will improve as measured by a 5% decrease of SWD scoring at level 1, from 55% to 50% on the NYS ELA Exam.
All Students	45%	By June, 2026, literacy for All Students will improve, as measured by a 10% Decrease, from 45% to 35%, of the number of students performing well below benchmark on the Acadience screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Analysis and triangulation of i-Ready and Acadience data to support small group instruction.

Root Cause Addressed:

A review of quantitative data reveals the need to focus on data analysis to support teachers in grades 3-5 in the development and the use of progress monitoring tools to provide targeted instruction to meet the needs of all learners and to focus on the implementation of vocabulary instruction in daily schedule/instruction.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
ILT members will analyze and triangulate End-of-Year 2024-2025 data sets such as i-Ready and Acadience. The principal will assign administrative team to rollouts of the action plans and the school priorities.
Admin will group students in i-Ready by levels and subgroups for progress monitoring and tiered support.
Teachers of students with disabilities will review IEPs and begin to identify support to achieve annual goals. Teachers will identify specific ELL strategies in decoding that allow equitable access to know and apply grade-level phonics and word analysis skills. Teachers will identify specific ELL discussion strategies to support reading stamina. Refine planning and implementation of tier-levels of support based on progress monitoring ELA data
Engage Professional Learning Communities (PLCs), including ELA/grade level teacher teams, to review data collected during reading and writing conferences and strategy lessons, identify patterns, and plan responsive instruction, i.e.,

PD Into Reading Curriculum. Progress monitoring as a workshop series
The instructional coaches will support grade-level PLC team meetings to provide additional training and support in the development of high cognitive questions, explicit academic vocabulary instruction, and implementation of the Into Reading curriculum. This training and support will also address strategies for skills focused on the central idea and key details in literary and informational texts.
District, central office, and school to provide coaching to implement effective instructional strategies by grade via cycles of observing, providing feedback, co-planning, demonstrating a lesson, reflection, and co-teaching in strengthening the instruction core

Key Strategy 2 (Optional):

Professional Development for implementation of the "Into Reading" curriculum focusing on explicit instruction.

Root Cause Addressed:

Quantitative data reveals the need to focus on discussion techniques and protocols to engage students in academic discussions and support oral language development. There is a heavy use of DOK Level 1 questions which are mostly recall questions and a need for Higher-Order Thinking Questions. The Gradual Release of Responsibility Model for independence and student discussions need to be used regularly.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Types of professional learning - Mondays, data chats, coaches, consultants, ILT
ILT meets weekly to plan for the Professional Development for launching the "Into Reading" curriculum.
Professional Development for implementation of the "Into Reading" curriculum.
Unpacking the NYC Reads ELA

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

In order to progress monitor implementation of key strategies, the following data sources will be collected:
HMH Module assessments K5, Fundations Unit Assessments K2, Classroom Snapshots/Feedback, Acadience Screening Assessments, i-Ready Diagnostic and Instructional Reports, Lexia

Weekly ILT meetings will be held to analyze the above data sources and discuss next steps including targeted classroom support, coaching cycles, peer intervisitation, and/or professional learning.

Weekly grade level teacher team meetings to plan strategies to address:
Building fluency with phonemic awareness/phonics K2 using data from Heggerty Baseline screening and Progress Monitoring;

Vocabulary acquisition and writing to sources 35 in order to embed into lessons and modules using data from HMH Module assessments and Writable platform.

Monthly RTI grade team meetings where teachers review data and plan for targeted small group instruction using a variety of the above data sources.

Monthly SLT meetings where the action plan is shared and feedback from stakeholders is used to make adjustments.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	06/26/2026	Parent workshops highlighting strategies to incorporate at home to support literacy from Fundations/ HMH	n/a
09/05/2025	06/28/2026	Celebrations for i-Ready usage/ achievements (certificates, trips, etc.)	n/a

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers, admin, coaches

Instructional Resources

HMH Instructional materials, Fundations material, Heggerty materials. Technology such as i-Ready, Lexia, and Acadience progress monitoring

Schedule Adjustments

n/a

Other Resources Needed

n/a

School Improvement Grant (SIG) Expenditures

Directions: Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

Detailed Description of Activities

under professional learning

Evidence-Based Intervention Category

High quality instructional materials
Instructional coaching
On-going job-embedded professional learning

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The 2024 NYC Panorama Teacher Survey report indicates that 70% of teachers surveyed responded favorably to the question, "How many adults in this school recognize disruptive behavior as Social-Emotional Learning (SEL) opportunities." Thus resulting in an area of improvement.	The school must improve its capacity to embed appropriate social-emotional supports to build students' strengths and needs within daily classroom learning environments to improve social-emotional cognitive skills.	There is a need for students to engage in opportunities to practice and build social-emotional and cognitive skills throughout the day.

The OORS data revels a total of 156 occurrences in levels 1-4 infractions at the EOY, June 2025. 128 of those infractions involve students with disabilities. 90% of the 2024 student interviews indicated that teachers and students do not consistently use the "Star Tracker", daily behavior reporting tool.	The school's PBIS "Star Tracker", a daily behavior reporting tool has been underutilized consistently by stakeholders and students. This contributes and reflects in the OORS data with levels of infractions 1-4 spiking throughout the year with a total of 156 occurrences at the EOY, June 2025. 58 of those occurrences took place in the classroom, and 51 in the lunchroom.	Implementing The Star Tracker daily behavior report tool with fidelity is necessary for pre K to 5th graders to learn behavioral skills through instruction, modeling, rehearsing, and daily feedback will support in reducing our OORs data in levels 1-4 for all grades by 10% from 156 to 140. 128 those occurrences involved SWD therefore a 10% decrease of occurrences involving SWD from 128 to 115 by the EOY, June 2026.
Students may misidentify an incident as bullying, and upon investigation, bullying did not occur. As indicated by the 2024 NYC Panorama Teacher Survey, 32% responded favorably to the question, "At this school, students harass, bully, or intimidate other students" under the category of bullying prevention.	Inconsistent engagement of children in the identification and communication of feelings and a need to enhance the school's ongoing SEL professional learning opportunities.	Students need to learn effective communication techniques to express and de-escalate conflicts.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	128	By June 2026, the number of level 1-4 incidents for SWD will decrease by 8, from 128 to 120, as measured by OORS.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Explicit Training and Instructions for Leader In Me Program will be provided to teachers for the lessons that will empower students in the seven habits of Effective Leadership.

Root Cause Addressed:

The school must improve capacity to embed appropriate leadership skills and habits to teach students how to be proactive, and develop a growth mindset that will further support student's to regulate their emotions and take action in cultivating a win-win attitude that will lead to academic and social-emotional outcomes and success.

Inconsistent engagement of children in the identification and communication of feelings and a need to enhance the school's ongoing SEL professional learning opportunities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Through the Leader In Me Program teachers and students will learn how to foster leadership skills that will build on the mindset of Stephen Covey's 7 habits of Being proactive, Begin with the End in Mind, The Habit of Integrity and Execution, Think Win-Win, Seek First to Understand then to be Understood, Synergize, Sharpen the Saw, Find Your Voice. Learning Walks by Administration will take place to support the launch and implementation of the Leader In Me Program.
Brainpower student leaders will participate in wellness activities on emotions, expressing themselves, and exercises to facilitate with their classmates promoting BrainPower Wellness. Teachers will contact families of each of their

students at least once per month to celebrate student achievements, provide progress updates, discuss student attendance.
Teachers will contact families of each of their students at least once per month to celebrate student achievements, provide progress updates, discuss student attendance fostering a collaboration and having parents as partners in the success of our students.
Administration will track the submission of star trackers by class and student. Classes will be acknowledgment with a star class badge that will be publicly displayed. Students will also receive an individual incentive (extra gym, music, art, games) promoting and fostering positive collaborative classroom cultures.
Stakeholders and Admin will review and meet weekly and monthly to address specific interventions for students that have been identified as needing additional supports. Students who need additional support will be monitored and discussed during PBIS's weekly meeting and during the monthly crisis meetings. Mentors and Individual contracts will be designed as needed to individual students.

Key Strategy 2 (Optional):

Root Cause Addressed:

The school must improve capacity to embed appropriate social-emotional supports to individual students' strengths and needs within daily classroom learning environments. The school is to utilize the student's IEP in support.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

NYS math Exam Data 2024 112 All students level 1 96 All students level 2 59 All students level 3 20 All students level 4 NYS math Exam Data 2024 36 SWD students level 1 19 SWD students level 2 4 SWD students level 3 1 SWD students level 4 I-Ready Math Data (June 2025) Grades 3-5 105 All students, early on, at or above 99 All students are one grade level below 95 All students 2 or more grade levels below I-Ready Math Data (June 2025) Grades 3-5 12 SWD students are early on, at or above 27 SWD students are one grade level below 41 SWD students are 2 or more grade levels below JIR. Math June 2025 24% gap between school and city in standard 3.NBT.1 Least significant gap in high leverage standard 3.NF.2a & 4.MD.5a Most significant gap in high	Implementation of Mathematical routines to support student development of Mental Math capacity and development of problem	Students with disabilities need to develop and build conceptual understanding in math and engage in mental math via the 3-

leverage standard 3.NBT.1 NYS Math Exam Data 2025 42 SWD students level 1 16 SWD students level 2 11 SWD students level 3 2 SWD students level 4	solving skills and strategies was varied.	Reads Protocol and Number Talks methodologies.
June 2025, i-Ready End of Year Math Diagnostic 3 for students in grades 2-5 indicates the Operations and Algebraic Thinking Domain at 111 students in Level 1 (2 or more grade levels below) and 150 students in Level 2 (1 grade level below). The Numbers and Operations in Base 10 domain 79 students were in level 1 (2 or more grade levels below) and 146 students were in Level 2 (1 grade level below). 119 students out of 396 are performing on grade level in math overall. 122 students out of 396 are performing 2-3 grade levels below in math overall. -Ready Math Diagnostic June 2025.	Content and pedagogical knowledge do not extend to connections to possible student misconceptions from reviewing student errors.	Students need to engage in tasks related to Operations and Algebraic Thinking
June 2025 student interview responses indicated a concern about getting answers "right and correct" instead of a focus on working through. problem solving. The 2025 Computer Based Rally Simulation Short and extended responses with Domains NY-4.NBT and NY-5.NBT shows that 68% of 4th and 5th grade students did not show mastery because students were not showing and explaining their work or reasoning.	Promotion of student's engagement in productive struggle and being able to explain their reasoning was varied.	There is a need for students to show their work and reasoning with a focus on Numbers and Operations in Base 10.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	103	By June 2026, the number of students performing at proficiency (levels 3 & 4) will increase by 8%, from 37% to 45%, as measured by the NYS Math Exam.
All Students	91	By June 2026, the number of students scoring at Level 1 will decrease by 5%, from 35% to 30%, as measured by the NYS Math exam.
Students with Disabilities (SWD)	42	By June 2026, the percentage of students with disabilities scoring below proficiency will decrease by 8%, from 68% to 60%, as measured by the NYS Math Exam.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Build metacognitive strategies with mental math and numeracy skills with the 3-Reads Math Protocol that will help students with the Operations and Algebraic Thinking Domain as well as the Numbers and Operations in Base 10.

Root Cause Addressed:

Implementation of Mathematical routines to support student development of Mental Math capacity and development of problem solving skills and strategies was varied.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
During (What I Need) WIN time, teachers will work with students on developing Mathematical Fluency Skills in Numbers and Operation in Base 10 using the 3-Reads protocol
Students will independently use i-Ready Math Center Activities and the math program Zearn and will be taught to follow the 3-Reads protocol prior to answering math word problems
The Instructional Math Coach will support teachers and students in utilizing the Brace Thinking Map and other tools to improve problem solving skills. The Brace thinking map will support the 3-Reads protocol by helping the students to break a problem apart.
The Math instructional coach will support grade-level team meetings to provide additional training and support in the development of higher order thinking questions based on the Numbers and Operations in Base 10 as well as the

Operation in Algebraic Thinking Domains. This training and support will also address scaffolding strategies to develop fluency skills for our SWD population.
Bimonthly professional development for teachers and administrators analyzing and implementing the 3-Reads Math Protocol in cycles to address the Priority Power Standards.

Key Strategy 2 (Optional):

Grade level teachers in collaboration with the Instructional Math Coach will engage in bimonthly professional meetings to improve the problem-solving strategies students use such as drawing a model, using different approaches to solve problems and check the inverse to make sure the answer is correct using the 3-Reads Protocol PDSA cycles.

Root Cause Addressed:

Content and pedagogical knowledge do not extend to connections to possible student misconceptions from reviewing student errors.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Bimonthly professional development for teachers and administrators analyzing and implementing the 3-Reads Math Protocol in cycles to address the Priority Power Standards.
Teacher Math Team will meet to plan out and write word problems to be utilized in the 3-Reads Protocol and roll out to the rest of the teachers during common grade meetings.
Teacher Math Team will meet to address the power standards in Operations and Algebraic Thinking and Numbers and Operations in Base 10 and provide support to the other teachers during common grade meetings.
Teacher Teams will focus on i-Ready Standards of Mastery Assessments that focus on Operations and Algebraic Thinking and Numbers and Operations in Base 10 to address students misconceptions after carefully examining data collected in the 3-Reads Protocol Cycles.
For ICT and Self Contained a teacher model will be created in order to scaffold the mathematical process in Numbers and Operations in Base 10 and Operations and Algebraic Thinking. We will ensure that an emphasis on drawing models is added to the 3-Reads to scaffold for our SWD population.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine

progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Specific data/evidence to be collected, NYS Math Assessments, as well as checklists, walkthroughs, peer inter-visitation, i-Ready Classroom Mathematics end of unit assessments, i-Ready Diagnostic 3 times a year will be used to determine progress and impact on instruction, students learning and achievement.

Monthly grade level teacher team meetings to plan strategies to address power standards and implement 3-Reads Protocol Cycles for grades 3,4 and 5 (emphasis on looking at student work for short response questions).

i-Ready Standards of Mastery Assessments for grades 3,4 and 5 following the end of Unit Assessment and the D10 Map Schedule.

BOY, MOY and EOY i-Ready Math Diagnostics for grades K-5 and End of Unit Assessments for all the grades K-5.

3 times a year ILT meetings will address the results of the i-Ready Diagnostic.

Monthly SLT meetings Priority 3 will be shared with all constituents.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Provide workshops for parents in order for the parents to support students in Numbers and Operations in Base. 10	N/A
09/04/2025	06/26/2026	Celebrations for i-Ready usage in Math achievements (certificates, trips, etc.)	N/A

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers, admin, coaches

Instructional Resources

NA

Schedule Adjustments

NA

Other Resources Needed

NA

School Improvement Grant (SIG) Expenditures

Directions: Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

Detailed Description of Activities

-teachers, coaches, and admin will collaborate to unpack new math curriculum: I-Ready Classroom mathematics. During this time, the focus will be on alignment to priority standards with an emphasis on numbers and operations in base ten and operations and algebraic thinking.
-coaches will provide shoulder to shoulder support to teachers throughout the year in the implementation of the action plan
-professional learning will include a mastery standards focus as well as the I-Ready Classroom mathematics curriculum.

Evidence-Based Intervention Category

High quality instructional materials
Instructional coaching
On-going job-embedded professional learning

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
As of June 2025, NYSED Career Plan Completion Data reveled 81% of students completed their NYSED Career Plan As of June 2025, NYSED Career Plan Completion Data reveled 88% of students with disabilities completed their NYSED Career Plan	The school implemented one college awareness day, one career day, and engaged in activities during civics for all week.	Students need to complete NYSED Career Plans to have opportunities to express what they want to do in the future.

As of June 2025, teacher's Informal observation data shows that teachers have utilized some strategies from culturally responsive-sustaining education (CRSE) professional learning sessions but did not include professional learning strategies on College, Career, and Civic Readiness (CCCR).	Teachers have not had consistent sustained professional development opportunities, specifically focused on CCCR's connection to SEL but none on CCCR.	Students need career plan guidance with units of study that embed the NYSED career plan using SEL.
As of June 2025, all students engaged in one school-created student interest survey. June 2025 Advance data shows that "Student Engagement" has room to improve.	The school created survey tools to gauge students' interests but not in a systematic way.	Students need opportunities to collaborate and discuss with their peers what their interests are. Student's interests must be gauged with survey tools to systemically at least 3 times per year.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	81%	By June, 2026, the students who develop a NYSED career plan for All Students will Increase by 10% from 81% to 91% as measured by NYSED Career Plans.
Students with Disabilities (SWD)	88%	By June, 2026, the IEP students who develop a NYSED career plan for Students with Disabilities (SWD) will Increase by 7% from 88% to 95% as measured by NYSED Career Plans.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

- Questioning students around interests via student survey tools more systemically (at least 3 times per year) to gauge
students' interests.

- Collaborative learning opportunities about diverse careers for all students beyond the annual Career Day.

Root Cause Addressed:

The school will utilize specific school-wide inventories to determine students' interests.

Develop specific CCCR smart goals.

- The school implemented one college awareness day, one career day, and engaged in activities during civics for all week.

- Teachers have not had consistent sustained professional development opportunities, specifically focused on CCCR's connection to SEL but none on CCCR.

-The school created survey tools to gauge students' interests but not in a systematic way.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The administrative team will plan for the introduction of the CCCR initiative related to the CEP goal and NYSED career plan. The school will submit the English version of the NYSED Career Plans to the NYC DOE Translation Unit for translation into languages that are spoken at the school.
Through multiple forums, such as SLT, ILT, PA, Town Halls, school websites, etc., school leaders, in partnership with DBN: 10X046 School: P.S. 046 Edgar Allan Poe 79 of 212 school wellness, will schedule, publicize, and conduct information sessions about the CCCR initiative related to CEPs and NYSED Career Plans. The school wellness team will develop a survey tool to be administered at least five times a year to gauge students' interests more systematically. ILT, with multiple stakeholders, will research and prepare a list of ten books related to diverse careers. Teacher teams with the support of the Admin and coaches, will review the NYSED career plans to create a curricula pacing calendar to launch a more prevalent career readiness path that includes the students' interests. Outreach to our families, local businesses, and political leaders to develop a 20242025 calendar of guest speakers in support of exposure to possible careers with special attention to diverse, culturally relevant aspects.
Monthly professional development to strengthen practice, embedding SEL competencies, with special attention to careers. Topic 1: (SELF-AWARENESS)A student's realistic understanding of their strengths and limitations and consistent desire for self-improvement. Teacher teams will continue to refine the college and career plan collaboratively by creating lessons to support individualized portfolios with scaffolds for MLL and SWD. Create a structure for semi-monthly K-5 advisory sessions connected to SEL to deepen students' understanding of how their interests correlate to a possible career choice. Provide career awareness activities in-house (or virtually) with guest speakers. Through a brief presentation (typically 20 - 30 minutes), students learn about the speaker's career path, occupation, and industry.
Monthly professional development to strengthen practice, embedding SEL competencies, with special attention to careers Topic 2:(OPTIMISTIC THINKING) A student's attitude of confidence, hopefulness, and positive thinking regarding themselves and their past, present, and future life situations. Enhance all constituents' voices by offering authentic opportunities for feedback, ideas, and perspectives regarding student advisory club schedules and program design. The school wellness team will review the student interest surveys and make adjustments before administering the students' interests assessment.
Monthly professional development to strengthen practice, embedding SEL competencies, with special attention to careers Topic 3: (GOAL-DIRECTED BEHAVIOR) A student's initiation of, and persistence in completing tasks of varying difficulty. Use data from the student interest survey to make adjustments to NYSED Career Plan before the launch of the first unit. Provide career awareness activities in-house (or virtually) with guest speakers. Through a brief presentation (typically 20 - 30 minutes) students learn about the speaker's career path, occupation, and industry.
Monthly professional development to strengthen practice, embedding SEL competencies, with special attention to careers Topic 4: (DECISION MAKING) A student's approach to problem-solving that involves learning from others and from their own previous experiences, using their values to guide action, and accepting responsibility for their decisions. Teachers and guidance counselors will begin to meet with students and families to provide them with the opportunity to respond to part 1 of the NYSED Career Plan (K-1st grades: “something I like to do at school”; 2nd-3rd grades: “something I like to do”; 4th-5th grades: “My interests: personal interests (things I like to do) and school

interests (subjects I enjoy).” Enhance the voices of all constituents by providing authentic opportunities to share their ideas and perspectives regarding student advisory clubs.

Monthly professional development to strengthen practice, embedding SEL competencies, with special attention to careers Topic 5:(RELATIONSHIP SKILLS) A student's consistent performance of socially acceptable actions that promote and maintain positive connections with others. Teachers and guidance counselors will continue to meet with students and families to provide them with the opportunity to respond to part 2 of the NYSED Career Plan (K-1st grades: “something I like to do with my family”; 2nd 3rd grades: “something I need to learn to do better”; 4th-5th grades: “Things I am good at.” Student interviews will be conducted related to the CCCR activities that have occurred by the end of February to influence possible revisions to ongoing CCCR action plan activities/strategies.

Monthly professional development to strengthen practice, embedding SEL competencies, with special attention to careers Topic 6: (PERSONAL RESPONSIBILITY) A student's tendency to be careful and reliable in their actions and in contributing to group efforts. Teachers and guidance counselors will continue to meet with students and families to DBN: 10X046 School: P.S. 046 Edgar Allan Poe 80 of 212 provide them with the opportunity to respond to part 3 of the NYSED Career Plan (K-1st grades “What I want to be when I grow up”; 2nd- 3rd grades: “a job or work I have learned about”; 4th-5th grades: “Things I don't like to do.” Provide career awareness activities in-house (or virtually) with guest speakers. Through a brief presentation (typically 20 - 30 minutes) students learn about the speaker's career path, occupation, and industry.

Monthly professional development to strengthen practice, embedding SEL competencies, with special attention to careers Topic 7: (SOCIAL AWARENESS) A student's capacity to interact with others in a way that shows respect for their ideas and behaviors. Teachers and guidance counselors will meet with students and families to provide them with the opportunity to respond to part 4 of the NYSED Career Plan (2nd-3rd grades: “What I want to be when I grow up”; 4th-5th grades: “Things I need to get better at doing.” The school wellness team will conduct student interviews related to the CCCR activities that have occurred by the end of April to influence possible revisions to ongoing CCCR action plan activities/strategies. Provide career awareness activities in-house (or virtually) with guest speakers. Through a brief presentation (typically 20 - 30 minutes), students learn about the speaker's career path, occupation, and industry.

Monthly professional development to strengthen practice, embedding SEL competencies, with special attention to careers Topic 8: (SELF-MANAGEMENT) A student's success in controlling their emotions and behaviors to complete a task or succeed in new or challenging situations. Teachers and guidance counselors will meet with students and families to provide them with the opportunity to respond to part 5 of the NYSED Career Plan: 4th-5th grades: “School, Work or Community Activities: School, work or community activities and projects I have completed that might help me in a future career and “Careers of interest: I know about the following kinds of work: Skills needed for this work: Education needed for this work.” Student interviews will be conducted related to the CCCR activities to inform the development of the 2024-2025 CEP related to Priority 4-CCCR ILT will collaborate with SLT to analyze the successes and challenges of the CCCR action plans to inform the development of the 2025- 2026 CEP related to Priority 4CCCR.

Teachers and guidance counselors will meet with students and families to allow them to respond to part 6 of the NYSED Career Plan: 4th-5th grades: “How do I get there?” Goals and Next Steps: I have developed the following goals for myself; As a result, I am going to:...; Check off the goals reached.” June 2025 students' Fair Share will focus on self-knowledge, educational and occupational exploration, and career planning to showcase the impact of a college and career readiness curriculum.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

-The PBIS Team will collaborate to review data around this action plan and create timelines and incentives to review around the goal during the assemblies.
-Sample student survey responses
- Pictures of students' civics projects
- Sample work from students Leadership Portfolios
- Sample of students' individualized NYSED Career Plan.

All student work and data will be shared with the SLT on a monthly basis.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Families will be kept abreast of the Career Plans during Parent Teacher Conferences	
09/04/2025	06/26/2026	Parents will receive information about the Leader in Me program through Dojo.	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
As of June 2025, the PCAR system data reflects 16 parent workshops/events. 2 of the 16 workshops/events addressed topics or relevance specific to SPED families.	Strengthen systems and structures to engage and include families of SWD as partners in their	Parents and families of SWD need more opportunities to participate in workshops/events tailored to their students' needs. They also need more

	student's learning, school events, and authentic decision-making processes.	resources and opportunities to partner with the school and have authentic opportunities to take part in the decision-making process.
As of Spring 2025, the NYC School Survey Panorama (2025-26) results reflect 88% of parents who agree or with relevent family/parent involvement in school questions, such as, "This school creates opportunities for parents to be involved in school activities and their child's learning."	Strengthen systems and structures for Parent/Family inclusion and engagement to partner with parents for students' learning.	Parents and families need to feel included as partners in their children's school community.
As of Spring 2025, the NYC School Survey Panorama (2025-26) results reflect 89% of parents who agree or with relevent family/parent involvement in school questions, such as, "School staff regularly communicate with me about how I can help my child learn."	Strengthen its systems and structures to engage families in school-wide activities, events, and authentic decision-making processes.	Parents and families need opportunities to participate in school-wide activities and events, and have a say in school-wide decision-making.
The June 2025 Shared Framework Dashboard indicates the -- of new cases were referred to SE this year as initial cases, surpassing the distict's and city's average.	Strengthen approach to building parent understanding of RtI support so that fewer cases are referred to Special Education has been inconsistent.	Parents need to build their understanding of RtI supports and options before a referral for Special Education.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of Students with Disabilities (SWD)	0	By June, 2026, the number of school events that are tailored to meet the needs of families of SWD will Increase by 6 from 2 to 8 as measured by the PCAR System.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The school will increase communication with parents with the use of Class Dojo and Parent Communication Logs.

The school will collaboration with parents with the use of surveys and involvement in school events and desicaion making.

The school will collaborate with families of SWD to provide resources, events, and workshops tailored to their needs.

Root Cause Addressed:

Strengthen its systems and structures to engage families in school-wide activities, events, and authentic decision-making processes.

Strengthen systems and structures to engage and include families of SWD as partners in their student's learning, school events, and authentic decision-making processes.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The school will administer parent interest surveys at least 2 times per year, results will be analysed and shared with stakeholders to determine possible parent/family activities to be implemented throughout the year to support families helping their children succeed in school and beyond.

Survey parents of SWD to ascertain how the school can be more inclusive, improve parent engagement, and support the needs of their students.
A calendar of Parent Worshops and school events will be created and disseminated that connects parents' interests, building on schools offerings and activities, The results of parent surveys will be used to support planning of workshops and family events, tailoring them to include the needs of students with disabilities, such as toileting, ASD, RtI, IEPs, positive behavior strategies, and life skills.
The parent coordinator will invite guest speakers monthly to engage parents on topics of interest including special education.
School leaders will provide ongoing opportunities to engage all stakeholders, elevating their voices and input related to all aspects of the school (various forums, such as SLT meetings, Town Halls, team meetings, parent interviews, surveys, and questionnaires.
The parent coordinator will leverage messaging apps such as DOJO to notify parents of upcoming meetings and family activities.
Parents will be invited to culminating activities with Arts residents, end-of-year celebrations, and graduations. The parent coordinator will also utilize this time for parent outreach.
Parents will be encouraged to participate in classroom trips, celebrations, class read-alouds, and other learning activities.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine

progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The PBIS Team will create parent surveys that are reviewed during the meeting to ensure parent voice and collaborate on how best to garner input.

Assistant Principals will ensure that all 100% of families are linked to their student's class on Class DOJO.

The Parent Coordinator will monitor parent attendance at workshops and celebrations using the PCAR system.

Parent communication logs will be monitored monthly by Assistant Principals and teachers to ensure all teachers are communicating with parents.

SLT will meet monthly to review PCAR and NYC Survey data and provide feedback to make adjustments to the action plan where necessary.

The specific data that will be collected and analyzed by the above teams are as follows:
PCAR reports (ATS)
NYC School Survey data
Shared Path Dashboard data
Parent survey feedback data
SLT feedback

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/02/2026	Administer interest surveys to families.	N/A
09/04/2025	01/02/2025	Host monthly parent workshops, including topics of interest to parents. At least one literacy and math event to engage parents in the curriculum. Incorporate workshops that are tailored to parents of SWD	N/A
02/01/2026	06/26/2026	Host parent workshops that build understanding of RtI supports and referrals to special education.	N/A
02/01/2026	06/26/2026	Conduct professional development around stregthening the RtI process for teachers.	N/A

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Coaches, Parent Coordinator, Assistant Principals

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Insight. June 2025 73% of students have 90.1% attendance or higher. The June 2025 attendance data review in the New Visions portal and Insight Beta indicates the school's average for Chronically Absent All Students at 27%. The average chronic absenteeism rate for Students with Disabilities (SWD's) is 27%, and Multi-Language (ML) Learners have a chronic absenteeism rate of 26%. Students are both categorized as SWD's and MLs have a chronic absenteeism rate of 24%.	Inconsistent communication to students and families on meaning and ramifications of chronic absenteeism.	Students and families need to develop the habit of daily routines and understand the importance of school attendance.
Insight. June 2025 33% of students in temporary housing are chronically absent. According to the New Visions Portal housing report from June 2025, 26 students reside in shelters. 58% of those residing in shelters	Targeted support to students in	Many students in temporary housing need peer

are chronically absent. Approximately, 91 students are doubled up status, of these 91 students, 25% are chronically absent. 3 students reside in a hotel/ motel, 33% of which are chronically absent.	temporary housing to decrease their rate of chronic absenteeism varied.	relationships and other bonds to the school community.
Insight. June 2025 27% of students with disabilities are chronically absent. Our June 2025 attendance data review in Insight Beta indicates a pattern of absence before and after the holidays. Many students leave the country before a scheduled holiday and take an extended vacation during school days.	Targeted support to students with disabilities to decrease their rate of chronic absenteeism varied.	Students with disabilities and families need to develop an understanding of what it means to be chronically absent and the academic implications their child could face.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	73%	By June, 2026, the percentage of students achieving a 90.1% or higher YTD attendance for All Students will increase by 3%, from 73% to 76%, as measured by the Insight Beta report.
Students with Disabilities (SWD)	27%	By June, 2026, the number of students with disabilities who are chronically absent will decrease by 3%, from 27% to 24%, as measured by the Insight Beta report..

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Setting attendance goals that are monitored at weekly Attendance Team Meetings.
Targeting SWD students in Tier 2 & Tier 3 with Attendance with student mentoring and daily check-ins.

Root Cause Addressed:

Inconsistent communication to students and families on meaning and ramifications of chronic absenteeism.

Targeted support to students in temporary housing to decrease their rate of chronic absenteeism varied.

Targeted support to students with disabilities to decrease their rate of chronic absenteeism varied.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create a calendar of weekly attendance team meetings to be held every Wednesday with key stakeholders that are representative of our school community. During weekly meetings review subgroups attendance status (i,e. SWD's, Insecure Housing, etc.). Discuss and monitor the effectiveness of Tiered interventions.
Support families with at-home resources such as school at-a-glance calendar that outlines the days school is closed and more importantly the days students must be in with the families.
Send reminder fliers, attendance letters, and make phone calls when necessary to encourage daily attendance.

Provide teachers with an attendance outreach protocol to ensure excessive absences are monitored and addressed at the onset of the school year. This includes training on New Visions Portal.
Home visits conducted by the Attendance Teacher, Guidance Counselors, and Family Workers to the home of students identified as severely and chronically absent, to improve attendance. Share with parents the data on chronic absenteeism and the impact it makes on the scholar.
The attendance committee will create posters to display throughout the school emphasizing the importance of regular school attendance as a community which will be updated monthly. Fliers will include daily routines to make consistent attendance possible, such as setting an alarm and getting a good night's rest.
Staff will call the home for at-risk and chronically absent students to encourage parents not to extend the holidays and to convey the message that attendance equals success.
The Principal will emphasize the importance of regular school attendance in the monthly student assemblies, weekly dojo announcements, and monthly parent meetings.
Provide support to STH students and families in their connectedness to school with the help of the Attendance Teacher (AT) and through mentorship.

Key Strategy 2 (Optional):

Explicit teaching of healthy habits that impact attendance status through mentorship programs.

Root Cause Addressed:

School support for SWDs and STH students and families in their connectedness to school. Specifically the school will use SDI to ensure that SWDs feel successful while at school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
School leaders will work toward developing supports for chronically absent students, this will involve idenitifying staff who are willing to serve as mentors for students and developing expectations for the role of mentor.
Assign mentors to STH students with attendance issues. Create bonds of inclusivity and connectedness to the school.
Parent coordinator will conduct parental workshops on school's expectations related to attendance. Also, workshops for all parents on the impact of attending school regularly.

Training for mentors on the PBIS approach of "Check-in/ Check-out," will be provided for connectedness and daily routines. Daily check-ins from mentor to mentee will take place to encourage regular attendance.

Mentors will share any information about barriers to school attendance with the attendance committee. The team will then outreach to parents to communicate any assistance that may be needed.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The primary structure to monitor the progress of implementing the critical strategies will be at the weekly attendance meetings, and these strategies will be written into the rolling agenda and checked weekly.

We will collect data from the New Visions Portal and Insight Beta.

We will track the patterns of attendance by Tier 1: At Risk Students and Tier 3: Chronically and Severely Chronically Absent Students.

We will also use ATS to monitor students with patterns of absences, ilog support and interventions and identify 407s that needed additional supports.

Also students at the cusp of becoming Chronically Absent, to avoid this happening, will get an extra close monitoring and parent communication through our Attendance HEROs initiative to keep them in good standing with their attendance.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/05/2025	01/02/2026	Parent workshops, and at least 5 attendance events focused on attendance improvements.	N/A
01/05/2026	06/26/2026	Monthly parent attendance letters highlighting attendance status and strategies for improved attendance.	N/A

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Attendance Family Worker

Instructional Resources

N/A

Schedule Adjustments

N/A

N/A

School Improvement Grant (SIG) Expenditures

Directions: Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

Detailed Description of Activities

We will continue our attendance monitoring activities with weekly meetings to check the pattern of absences for all students.
We will distribute monthly calendars with events that will get the students excited about coming to school.
We will assign mentors for daily check-ins and check-outs.

Evidence-Based Intervention Category

We will continue with our evidence-based strategies to improve attendance. Such as building strong relationships with staff mentors who target our students at risk for poor attendance. We will engage families to address any needs that may be barriers to good attendance, such as health or clothing.

We will continue to cultivate a welcoming environment by celebrating students with their names at the front door and motivating others to also want to get on that list.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
50% of IEPs Reviewed had Strong Alignment across PLOP, Annual Goals, and Recommended Programs and Services	Collaboration and training to advance the quality of IEPs reviewed varied.	IEP Development

according to IEP Review Dashboard, Question 64, SY 2024-2025.		and Fidelity of Implementation
97% Fully Receiving Program according to the 6/4/25 Program Services Report.	Mismatch from students in 1st Grade 12:1+1 class entering 2nd grade 12:1 class; pending assignments for Bilingual SETSS and Bilingual program recommendations.	Transition Planning and Compliance
4.1% (25 students) Initial Referrals made during SY2024-2025 according to the 6/9/25 Shared Path Framework Dashboard.	MTSS instructional practices varied.	Referral Process and Equity
3 Removals for Students with IEPs, and 0 Removals for General Education students according to the Suspension Report/OORS Data for SY2024-2025. Behavioral inconsistencies, Restorative practices inconsistencies	Equity in School Discipline
N/A	N/A	N/A

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	50%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will increase the number of IEPs reviewed that have Strong Alignment by a 30% increase, from 50% to 80%, as measured by Question #64, which asks, "Is there alignment of the PLOP, the Annual Goals, and the Recommended Programs and services?" on the IEP Review Dashboard.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Regular MTSS goal-setting and progress-monitoring.
Families will be engaged throughout the RtI process to support the reduction of referrals.
Families will become knowledgeable on the RtI process and how these supports are a precursor to any referral for services.

Root Cause Addressed:

MTSS instructional practices.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
WIN intervention daily period in all classes, following core instruction periods, to provide quality Tier II and Tier III Instruction, using explicit instruction in small groups
Regular professional time on a monthly basis to review and update progress on MTSS goals and to set new goals
Regular review of data during grade-level meetings
All staff trained in Acadience Benchmarking, Acadience Survey, and Acadience progress monitoring
All staff trained in an evidence-based reading intervention program: SPIRE, Orton-Gillingham (OG), Phonics for Reading, Sounds Sensible
Learning Walks by Administration to monitor that MTSS is implemented with fidelity and to ensure that progress is being monitored timely.

Key Strategy 2 (Optional):

Teachers receive training on a regular basis on IEP alignment.
Teachers receive training on developing IEP's for students requiring behavior supports.
Teachers receive training on developing IEP's for English Language Learners.

Root Cause Addressed:

IEP Development practices

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Planned professional time on a monthly basis to train teachers in IEP Alignment.
IEP Coordinator Office Hours on a weekly basis.
Review of IEPs during biweekly SIT meetings.
ENL coaching on aligning Annual IEP goals.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Bimonthly SIT Meetings to review grade-level MTSS data.
Additional structures for progress monitoring and data collection will be held at a monthly grade RtI meeting focused on teacher collaboration and reviewing student data to brainstorm strategies and next steps.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parents will be involved throughout the RtI process.	N/A
09/04/2025	06/26/2026	Parents will be invited to meetings regarding RtI supports before a referral.	N/A

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

ILT Team, SIT Team, Classroom Teachers

Instructional Resources

Evidenced-based Intervention Programs: SPIRE, Orton-Gillingham (OG), Phonics for Reading, Sounds Sensible

Schedule Adjustments

N/A

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
2	Acadience scoring at least one year below benchmark.	Guided Reading Jan Richardson Model	Small group	During	No
3	Acadience scoring at least two years below grade level.	Sound Sensible & Spire Interventions	One to one	During	NO
2	i-Ready Assessment	i-Ready	Small Group	After School	yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	OORS and teacher referral	SEL	Small Group	During	NO
Tier 3	BIP & FBA	Counseling	1 to 3 students	During	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

MTSS components are shared with the families in the beginning of the school year during the back to school night. They are also shared on the school's Dojo platform. After the BOY assessments all parents of students needing an extra intervention are notified of the intervention plan with a letter and phone call home. The school-family partnership plan is sure to communicate student literacy learning and progress throughout during the parent engagement periods.

Our teachers share the student's universal screener scores after each administration of the assessment and next steps when applicable.
If an additional diagnostic assessment is needed, then the student will receive the Acadience Survey for the implementation of an intervention plan.

Students will receive their intervention or their enrichment lesson during a What I Need (WIN) period.
Many resources are shared with families to help their child's learning at home. These resources may include a decodable text or self guided work. We also offer the families many online platforms such as I-Ready and myLexia where families can support their child's progress at home.
Besides the 3 yearly schoolwide assessments that are shared with the families, students with an intervention plan will receive weekly or biweekly progress monitoring, that is also shared with the families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Students receiving Tier 2 or Tier 3 intensive interventions, once identified after the administration of the Acadience Survey, are monitored closely. These students will have an intervention tracker and will receive weekly or biweekly progress monitoring, This progress monitoring is shared with the families.

Some of the interventions that the students may receive are:
Sound Sensible
Double Dose Fundations
Spire
Orton Gillingham
Great Leaps
These interventions are selected based on the results of the Acadience Survey and what the student needs.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parents are integral to the Intervention process. They may give the teacher insight and also are aware of the duration of the intervention. Parent are involved during the decision making regarding the progress of students receiving Tier 3 intensive interventions by reviewing the Progress Monitoring with the teacher, ensuring that the student is practicing at home, and giving the teacher insight to the students work habits at home. Our regular

communication about the students' progress reinforces the partnership between the school and home to support the student's continued efforts in their intensive intervention plan

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

130

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Historically, our STH students do not have more absences then the larger student body.
Flyers were sent home to ask families, how can we as a school support them.
Parents have requested items such as laundry detergent, school supplies, and uniforms.
These supplies have been provided will be distributed on an ongoing basis.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Our students in Temporary Housing receive additional services such as a "Success Mentor" to help build their school connectedness and relationships.

They also receive support with uniforms and school supplies.

Our Parent Coordinator also engages the families with community support and connecting to bussing.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

PS 46 has 2 students in Foster Care.
The students participate in weekly Social Emotional Lesson around the Leader in Me Curriculum, PBIS, and Ruler.
The students also participate in monthly assembly programs for SEL support.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. (10X046) P.S. 046 EDGAR ALLAN POE, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

(10X046) P.S. 046 EDGAR ALLAN POE will support parents and family members of Title I students by:

- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math, and use of technology; and SEL Awareness incorporated with Physical Activities.
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- assisting parents in understanding City, State, and Federal standards and assessments;
- sharing information about school and parent-related programs, meetings, and other activities in a format and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills, and cultural competency to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review, and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program, and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;

Having a series of parent workshops on SEL and Physical Health to promote growth mindsets, social awareness, and relationship skills.
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 46, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this School-Parent Compact outlines how parents, the entire school staff, and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high-quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial, and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high-quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings, and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive, and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration, and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives at school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as extended day learning opportunities, clubs, team sports, and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by promptly reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms, and notices when requested;
- become involved in the development, implementation, evaluation, and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

The Principal is part of the District 10's cohort of principals and meets monthly to transform school leaders practice by collaboratively problem solving, analyzing data, and being kept abreast of the latest resources to improve student achievement and for continuous school improvement.

The PS 46 coaches attend monthly meetings facilitated by outside support and UFT Teacher's Center. The coaches turnkey that information to the teachers and staff.

The assistant principals conduct monthly meetings with teachers on Danielson’s Rubric and other pertinent information for staff improvement and growth. The administration staff observes teachers, gives feedback, and supports improvement with resources.

Teachers also participate in coaching sessions with HMH Into Reading, Thinking Maps, and I-Ready Math coaches. Teachers and Paraprofessionals attend weekly Professional Learning Community (PLC) sessions. These sessions are facilitated by outside consultants, our PS46 coaches, and other PS46 teachers. They will review pertinent information regarding their individual department and grade.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

PS 46 is excited to have a Preschool program with the expansion of 3K and PreK. Families are invited to tour our school and become familiar with the building. The Parent Coordinator, Assistant Principal, and the Parent's Association president will host a "Getting to Know Preschool" workshop for all incoming families in August. The workshop will review a few introductory items, mainly where and how to get support, how to help your child at home, and a welcome to PS 46. The parents also receive school supplies for their children and a list of summer reading for their preschoolers. The curriculum we will use is the Explorations for 3's. This curriculum teaches Our Community, Our Environment, & Our Actions and follows the prescribed outlined by the "Head Start Early Learning Outcomes Framework" (ELOF). To understand and meet the needs of all children, our teaching teams will complete developmental summary reports three times per school year, in the fall, winter, and spring, using the "Authentic Assessment Tool." To gauge the students' social-emotional stage and well-being and to see if there is a need for further early intervention, all students will be assessed with the Ages and Stages Question Third Edition within the first 45 days of school. Parents will be informed before and after all assessments. Parents are expected to bring their children into the 3K classroom, where they can interact and receive information daily.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	125,968	X	Priority 1 & 3
Title I, School Improvement 1003(a)	Federal	N/A	X	Priority CA
Title II, Part A	Federal	117,057	X	Priority QIEP
Title III, Part A	Federal	25,393	X	Priority 1 & 3
Title III, Immigrant	Federal	N/A	X	Priority 2
Title IV, Part A	Federal	101,211	X	Priority 2
Tax Levy (Fair Student	Local	5,183,826	X	Priority 1, 4, 5, 6

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Jennifer Alexander-Ade
Assistant Principal (Where Applicable)*	Nitza Gonzalez
English as a New Language (ENL) Teacher*	Erin Famolaro
Teacher (if school has a bilingual program must be a bilingual teacher)*	Widalys Quiles
Parent/Guardian*	
Teacher	
Parent Coordinator	Fidelina Miguel
School Counselor	Miriam Ayala
Related-Service Provider (Speech)	Vianneida Espinal
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

3

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

3

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

15

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

5

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

5

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

n/a

Total number of teachers with LOTE certification providing World Language instruction:

n/a

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

n/a

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

590

Total number and percentage (%) of current ELLs:

221, 37.4%

Total number and percentage (%) of former ELLs:

30, 5.1%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

189, 85.5%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

32, 14.5%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0, 0.0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1, 0.5%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

61, 27.6%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	GE	Spanish		1	1	1	1	1	1								6
TBE	SC	Spanish		.5	.5	.5	.5	.5	.5								3.0
TBE																	0
DLBE	GE	Spanish		1	1	1	1	1	1								6
DLBE																	0
DLBE																	0
				total: 2.5	total: 2.5	total: 2.5	total: 2.5	total: 2.5	total: 2.5	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Our certified ENL providers service students from various home language backgrounds. A dually certified teacher teaches the ENL Stand Alone class, and students of mixed proficiency are a heterogeneous group. Students in the stand-alone ENL are grouped by proficiency levels and, in some instances, within two grade bands in order to develop their English language skills.
The instruction is in English in the stand -alone class using the resources from our ELA curriculum, "Into Reading." Other resources are the program myLexia English and NYSESLAT practice workbooks.

Entering Students: 180 mins. minimum of ENL instruction required per week
Emerging Students: 180 mins. minimum of ENL instruction required per week (fusing flexibility allowed)
Transitioning Students: 90 mins. minimum of ENL instruction required per week

Home language is used to support learners during stand-alone ENL when possible.
Mandated stand-alone units are programmed in STARS according to each student's proficiency level.

Integrated ENL:

Integrated ENL is taught by certified ENL teachers, one in grades K-2 and another provider for grades 3-5. The ENL-certified providers co-teaches with the common branch classroom teachers. The integrated instruction component of the ENL program is taught by a dually certified teacher.

Entering Students: 180 mins. minimum of ENL instruction required per week
Emerging Students: 180 mins. minimum of ENL instruction required per week
Transitioning Students: 90 mins. minimum of ENL instruction required per week
Expanding Students: 180 mins. minimum of ENL/ELA/or Other Content instruction required per week
Commanding Students and Former ELLs will continue to receive at least 90 minutes of service per week for two years after exiting ELL status.

The instruction is in English in the integrated class using the resources from our Into Reading and i-Ready Math curriculums and ENL best practices. Other resources are the program myLexia English and NYSESLAT practice workbooks.

Home language is used to support learners during integrated ENL when possible.

Mandated integrated units are programmed in STARS according to each student's proficiency level.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

Students in the Transitional Bilingual Education in grades K, 1, 2, 3, 4, and 5 are instructed in both English and Spanish by certified bilingual teachers. Students are grouped heterogeneously by proficiency level. Language allocation in the TBE meet state mandates as per CR PART 154. Teachers deliver integrated ELA with ENL to meet instructional requirements. All students in the TBE classes are ELLs who share the same home language A unit of HLA is taught in TBE using Arriba La Lectura. A minimum of two content area is taught in Spanish.

Both whole group and small groups are used to deliver integrated ENL/ELA instruction and stand-alone.

Entering Students: 180 minutes of integrated ENL/ELA instruction and 180 minutes of stand-alone totaling to the minimum of 360 minutes required per week
Emerging Students: 180 minutes of integrated ENL/ELA instruction and 180 minutes of stand-alone totaling to the minimum of 360 minutes required per week
Transitioning Students: 180 minutes of integrated ENL/ELA instruction required per week
Expanding Students: 180 minutes of integrated ENL/ELA instruction required per week

All Levels: 180 minutes minimum of Home Language Arts required per week.

Dual Language Bilingual Education (DLBE):

Students in Dual Language Bilingual Education programs receive instruction in both English and Spanish by certified bilingual teachers. Teachers deliver integrated ELA with ENL to meet state mandates as per CR Part 154. A unit of HLA is taught in DL classes using Arriba La Lectura. Students are mixed heterogeneously by proficiency, with many having already obtained commanding on the NYSESLAT assessment. The make up of students in the DLBE classes are about 60% EPs and 40% current ELLs. As students enter upper grades 3, 4, and 5th they generally reach commanding.

Both whole group and small groups are used to deliver integrated ENL/ELA instruction and stand-alone.

Entering Students: 180 minutes of integrated ENL/ELA instruction and 180 minutes of stand-alone totaling to the minimum of 360 minutes required per week
Emerging Students: 180 minutes of integrated ENL/ELA instruction and 180 minutes of stand-alone totaling to the minimum of 360 minutes required per week
Transitioning Students: 180 minutes of integrated ENL/ELA instruction required per week
Expanding Students: 180 minutes of integrated ENL/ELA instruction required per week

Instruction across all content areas is expected to be 50% in target language and 50% in English
All Levels: 180 mins. minimum of Home Language Arts required per week.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The bilingual classroom teacher is assisted by the Bilingual Staff Developer to ensure that a program is created that explicitly delivers the mandated instructional time in compliance with CR 154. Entering and emerging level students receive 360 minutes per week - one unit of ENL and the second unit in ENL/ELA. Students at the transitioning and expanding levels receive 180 minutes weekly, and commanding students continue to receive services (90 minutes weekly) for an additional two years.

The ENL teachers' programs are monitored by the principal to ensure that the mandated hours are received by each student.

Literacy instruction in DLBE classrooms alternates from home language to the English language the allocation of language arts instruction in DLBE classes, we are moving towards the 50% ELA and 50% HLA. Home language instruction is implemented with instruction in the content areas.

STARS programming is done according to the proficiency levels of all ML/ELL identified students.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Instructional minutes are delivered in both TBE and DLA to meet state mandates as per CR PART 154. Teachers deliver a unit/180 minutes of integrated ELA weekly and a unit of HLA to meet instructional requirements. A unit of HLA is taught using Arriba Le Lectura. Teachers in both TBE and DLBE deliver a unit of Stand Alone ENL to students at the entering and emerging levels of language proficiency. Students at the transitioning level and above receive ENL integrated with ELA.

Instructional minutes are delivered in the ENL program to meet state mandates as per CR PART 154. ENL providers deliver a weekly unit of integrated ELA along with classroom teachers. A unit of Stand Alone ENL is delivered weekly to students at the entering and emerging levels by the ENL providers.

Former ELLs in the 3 programs will continue to receive at least 90 minutes of service per week for two years after exiting ELL status.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Literacy instruction in our self-contained DLBE classrooms alternates from home language to English. The allocation of language arts instruction in DLBE classes is moving towards 50% ELA and 50% HLA home language instruction is implemented with instruction in the content areas.

In our 7-period day, we work to implement English language instruction for 3 full periods, target language instruction (Spanish) for 3 full periods, and 1 period for lunch to achieve the 50/50 balance of the model. All ELL students are programmed into STARS according to CR Part 154 Regulations. STARS is updated on a regular basis for newly admitted and discharged students. The EDUR is reviewed to help ensure our programming is being entered correctly.

Instruction across all content areas is expected to be 50% in the target language and 50% in English
All Levels: 180 mins. minimum of Home Language Arts required per week.

b. In which language(s) is each core content area taught?

Core content area are taught in English and Spanish. As follows:
TBE - EN & EM: A minimum of two core content area to be taught in students home language (ex. Math, Science and/or Social Studies)
TR & EX: A minimum of one core content area to be taught in students home language (ex. Math, Science and/or Social Studies)
DLA - In the dual language program, the goal is that all content areas be taught in both English and Spanish 50:50. We are moving towards that model in a"Roller Coaster" program design. We are currently alternating the content area in Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

Content areas that are taught bilingually include science, social studies, and math. Depending on the levels of proficiency, a minimum of two content areas are taught in Spanish. As students acquire English and progress towards expanding the instructional use of English increases.
Programming requirements for TBE:
EN & EM: A minimum of two core content areas to be taught in students home language (ex. Math, Science and/or Social Studies)
TR & EX: A minimum of one core content area to be taught in students home language (ex. Math, Science and/or Social Studies)

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

The percentage of Newcomers (0 to 3 years) is 85.5% (189 students). Effective instruction for Newcomers is comprised of supported practices such as building Basic Comprehension and Communicative Language in English (BCCLE), peer support system, links to familiarity. Effective teaching strategies include the use of visual supports, Picture Word Inductive Model (PWIM), total physical response, Dr. K. Kinsella's cloze reading, as well as providing oral, reading, writing, and listening language development opportunities. Opportunities include using prereading strategies that are rich in visuals, text previews, parallel texts, patterned writing, peer interactions, inviting students to share about their cultural backgrounds with classmates. Use of manipulatives in math. Based on the proficiency levels newcomers are also provided with 360 minutes of ELL services that include both integrated and stand alone. Newcomers range in language proficiency depending on the number of years in the program therefore additional supports such as AIS small groups, 1 to 1 instruction as needed, ELL Academy After-School program based on language proficiency level is offered to students from grades 2 to 5.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

The percentage of ELLs that are SIFE is 0.5% (1 student). Classroom teachers engage in supported practices such as Building Basic Comprehension and Communicate Language in English providing instruction geared towards foundational skills to build reading and writing. SIFE students are entitled to 360 minutes of ELL services that include both integrated and stand alone. Counseling is available to SIFE students provided by our bilingual guidance counselor.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Based on the Spring EDAT 2025, there are no long-term ELLs, however 6.8% (15 students) are potential long-term ELLs (4-6 years of service). Instruction for potential long-term ELLs include building their use of tier 2 and tier 3 vocabulary, as well as offering language frames, to further support writing skills. Text and assignments are adapted to make grade-level material accessible. The classroom teacher and bilingual staff developer will continue to closely monitor the progress of developing ELLs that are at the 5 years of service to ensure that the student receive the support he/she needs. They are also invited to the ELL Academy After School program.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

As per the Spring EDAT 2025, 5.1%, 30 students are former ELLs who have either tested proficient on the NYSESLAT or have met the exit criteria as per CR Part 154 within the previous two school years. A half unit of study (90 minutes weekly) of integrated ENL in ELA, Math, Science, and/ or Social studies for two years after testing out is provided to former ELLs.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

After analyzing all the at-risk levels from the Spring 2025 EDAT, trends that were noticed are ELLs Who Did Not Demonstrate Sufficient ELP Progress Spring 2024 NYSESLAT (33.0%, 73 students), ELLs in Temporary Housing (27.6%, 61 students), ELLs Who Scored Level 1 or 2 Last School Year on the NYS math exam and ELLs who scored a 1 or 2 on the ELA from last school year (19.9%, 44 students).

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Trends noticed: Former ELLs in Temporary Housing (33.3%,10 students), ELA: Former ELLs Who Scored Level 1 or 2 Last School Year and Math: Former ELLs Who Scored Level 1 or 2 Last School Year both risk faster with the same percentage of 23.3% 7 students.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Based on the Spring EDAT 2025, 204 students have a home language of Spanish. Most students with a home language of Spanish are programmed in TBE or DLBE and students receive instruction in their home language. Teachers encourage students to use their home language in speaking and writing. Classroom libraries include diverse titles including Spanish. Core curriculum and assessment materials are available in Spanish. Family communication is available in multiple languages including Spanish.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Based on Spring 2025 EDAT, racial and ethnic classifications of ELLs includes Hispanic (65.5%, 133 students), Asian (0.5%, 1 student), Black (11.%, 23 students), Multiracial (3%, 6 students), Native Hawaiian or Other Pacific Islander (2%, 4 students) and White (17.7%, 36 students). Diverse classroom libraries represent our students' race and ethnicity. Mentor texts selected for use with the use of core curriculum are culturally diverse. SEL is provided through our Leader in Me curriculum. Through class discussions, students are encouraged to share their thoughts and feelings. Classes collaborate to create a classroom charter. Incorporating the Arts (Dance, Drumming, Poetry Slam, and Ballet Hispanico) as well as educational trips enrich students' experiences. School staff is provided with CR-SE training by non-profit organizations such as Youth Communication.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

The Spring 2025 EDAT shows 60.3%, 73 students did not meet ELP progress, 19.0%, 23 students met annual progress, and 15.7%, 19 students met progress by exiting ELL status.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

After looking at the NYSESLAT 2024(most recent available) results indicate that the speaking modality is an area of overall strength. However, the modality of need school-wide is writing. In particular grades 2, 3, and 4 showed the greatest need in writing, correlating with the number of years of service. Based on the Spring 2025 EDAT, there were 36 newcomers in second grade. 40 newcomers in third grade and 17 newcomers in fourth grade.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

According to the Spring 2025 EDAT, students who scored a level 1 on the ELA 2024 range from entering (3 students), emerging (12 students), transitioning (9 students), expanding (12 students) to commanding (3 students) in language proficiency on the NYSESLAT 2024. Students who scored a level 2 ELA 2024 are at the expanding (6 students) and at the commanding level (1 student). Students who scored a level 3 on the ELA 2024 are at the commanding level (6 students). Highlighting the need to focus more strengthening academic vocabulary instruction and comprehension and writing

All language proficiency levels are represented by students that scored a level 1 on the Math 2024 exam. Students that scored a level 2 on the Math 2024 range from emerging (1 student), expanding (10 students), to commanding level (4 students). Students that scored a level 3 on the Math 2024 range from transitioning (4 students), expanding (3 students) to commanding level (3 students). Students that scored a level 4 on the Math were at the transitioning level (1 student) and commanding level (2 students) Math is offered in Spanish which correlates with the level 2 and 3 scores.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

As per the Spring 2025 EDAT, out of the total of 49 ELLs with IEPS, 8 are entering, 21 emerging, 10 transitioning, 9 expanding and 1 commanding. Accessing the text and writing is impacting their scores. Vocabulary and sentence variety are areas that need to be further developed to meet the expectations outlined in the Targets of Measure (TOMs).

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

n/a

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

n/a

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

n/a

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

n/a

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

ELL students' language needs are considered when planning and delivering core instruction to ensure they are provided with the highest quality instruction that promotes equitable practices. ELLs home language is supported throughout the TBE, DLBE, and ENL programs. Teachers are provided with language proficiency information that assists them in planning high-quality instruction in all content areas. We align the NYSESLAT writing rubric with the Into Reading (HMH) rubric to ensure teachers and students meet the expectations of the NYSESLAT. These practices support deeper learning for ELL students.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

A process we engage in as a team is to ensure that our curriculum materials are culturally and linguistically relevant to ELLs/MLLs, and we select supplemental materials that reflect the culture, traditions, and language(s) of ELLs/MLLs.

In order to foster positive academic outcomes, contribute to the engagement growth of our ELLs and meet the demands of the Next Generation Learning Standards, students are exposed to grade-level, meaningful and language-rich contexts.

Also, ILT ensures teachers are leveraging student home languages to deepen content area knowledge and teach academic language in the context of the text as a way to ensure that ELLs/MLLs can access the content and ideas in the text. Part of professional learning is for all teachers to participate in PL opportunities that address culturally sensitive ways in which to select and add to the curriculum so that it validates the ELLs/MLLs' identities and interests.

The school's instructional focus for the ELLs is to monitor our student's progress and provide timely feedback including PDSA cycles targeting writing based on the NYSESLAT rubric.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Content areas are delivered in each program model in various ways according to the program. In the ENL classes content is delivered in English only with scaffolds and the use of strategies to foster English language development. In the Dual Language Bilingual Education classes content is delivered in Spanish and Literacy is delivered in English for a 50/50 split of both languages daily. In the TBE classes content area of the curriculum is delivered in Spanish for 35 minutes with 10 minutes of ENL support. The goal of Content Area instruction in the TBE model is to transfer the knowledge acquired in their native language to English, as the students become more English Proficient. In order to meet the demands of the Next Generation Learning Standards students receive grade level work in content areas while developing English proficiency.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

To accelerate English language development teachers use myLexia, Lexia English for ELLs. Scaffolds, visuals, writing resources, and language frames are provided by ENL service providers and classroom teachers. In addition all teachers including special education teachers will use the four step process of identifying language demands for writing.

b. SIFE

The classroom teachers have all been notified of any SIFE students in their classrooms. We will continue to use a guided reading teacher whose schedule has been divided between general guided reading groups and guided reading/writing groups for SIFE students to service students with interruption of formal education. We will also continue to use myLexia, Lexia English, Raz-Kids, a differentiated program that uses technology on the students' reading level. These students will also meet with a guidance counselor to help them adapt to their environment.

c. Newcomers

ELLs students that have received 0-3 years of service will be placed in their appropriate program based on the NYSETILL or NYSESLAT scores. Their scores will be analyzed, and instruction that supports their individual needs will be delivered. Additional supports such as AIS small groups, 1 to 1 instruction as needed, ELL Academy After-School program, and integrated Supports with "Estrellita," a home language program for beginners, will be provided to applicable students. In addition, Arriba la lectura (the Spanish version of our ELA curriculum, Into Reading) will be used.

d. Long Term ELLs

Students' progress will be closely monitored by the classroom teacher, bilingual staff developer, and guidance to ensure that the student receives the support he/she needs. In addition to small intervention groups focusing on

writing tasks aligned to the NYSESLAT rubric.

Measuring up NYSESLAT materials are to be used to provide support to this subgroup.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

At PS46, we use curricular, instructional, and scheduling flexibility to meet the diverse needs of ELLs with IEPS within the least restrictive environment by creating a school schedule that at times allows our students with IEPs to be mainstreamed for Gym, Music, or Art classes

The teachers of students with IEPS have also been provided a weekly common prep for PD where they learn techniques for working with the SWD population. In addition, ENL providers collaborate and co-teach with both teachers (common branch and special education certified) in ICT classes.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In the Bilingual Education program, each classroom is enriched with bilingual libraries. Students are exposed to literature surrounding various cultures and traditions. Teachers use red ink for all charts to differentiate the Spanish language. Teachers in TBE programs use the color red (Spanish) to separate language use around the classroom. This separation of languages allow students to refer to the charts when working independently. The flow of the day or daily schedule clearly defines the subject, objective, and language of instruction. In the English New Language program, students have access to bilingual glossaries, dictionaries and buddy systems. There are bilingual paraprofessionals to support students in Bilingual Special Education classrooms. In addition both programs rely on the use of Language Function strategies to make content comprehensible for ELL students. Students also utilize Lexia English, myOn and Raz-kids to read text in their home language.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Monthly PLCs with the ELL department support collaboration among teachers.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Through the UFT Teacher Center, professional institutes will be provided to selected staff members, including assistant principals, guidance counselors, the parent coordinator, and teachers of ELLs. In November, December, and March. In addition, a spring and summer institute will be offered to additional staff members that teach ELLs. In September our bilingual staff developer will attend the NYC Regional Bilingual Education Resource Network (NYC-RBERN) Turning the NYSESLAT 2025 insights into Instructional Impact. In June, teachers of ELLs, the Parent Coordinator, Bilingual Guidance Counselors, and Assistant Principals will be invited to attend a citywide conference for ELLs. This session will focus on zeroing in on academic language. Teacher Center will also be providing these workshops.

Our Bilingual/ESL Coach will be facilitating the grade 3-5 sessions. Teacher Center Coach/Liaison and Literacy Staff Developer attend ongoing Professional Development for the Estrellita Program and other PD offered by HMH, NYC-BERN, NYSED Regional Office of Special Education, District's Team, and UFT Teachers' Center, and turnkey the information to teachers of ELL students.

Agendas and sign-in sheets will be maintained on file.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

The language allocation policy will be a big part of our professional development for the ELL personnel at our school. We will also continue to work closely with our District Team to provide professional development in Jose P. and other pertinent information to our staff. All of the TBE, DLBE, and ENL teachers will receive professional development from the District Team and with a resource specialist from the NYC-RBRN

We will continue to inform our teachers of professional development opportunities outside of our school offered by the NYC-RBERN and others. A year-long calendar has been developed by the coaches and the Staff Developer to implement monthly PD for all ELL personnel. Items included differentiated instruction, Vocabulary Building tier2 and tier 3, and Shared Reading Protocols.

Our area of focus with regard to academics, SEL, and language acquisition is to improve these areas through Engagement, Feedback, and discussions.

Agendas and sign-in sheets will be maintained on file.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We use screeners as appropriate for ELL/MLLs in order to assess student areas of need and trends in reading abilities.

Acadience for grades K-2 and i-ready for grades 2-5.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Intervention services offered are guided reading, AIS, and after-school programs some students are also targeted through the inquiry cycle population study by the grade level Professional Learning Community.

Targeted interventions in Math, Social Studies, and Science is specifically in small groups with assessments to monitor progress and identify any gaps. Teachers also provide social-emotional support by engaging students with mindfulness activities and addressing emotions by having students check in with the Mood Meter.

All grade levels use the Mood Meter; differences by grade would be seen in the vocabulary words used to describe their feelings on the Mood Meter.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

School teams including ILT and common grades are provided with a structured process and tools during regular scheduled time to analyze student data using the see it, name it and do it protocol. Creating action plans and progress monitor students in needs of supports.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

At PS46, we use Acadience, Into Reading (HMH), and I-Ready to assess and monitor progress of literacy skills as well as I-Ready online instructional lessons for both reading and math. Into Reading has also been purchased in Spanish (Arriba La Lectura, ALL) to assess student's development in their home language. Into Reading assesses the literacy skills in Reading Comprehension, fluency, and decoding of the ELLs in English and the ALL assesses the students' skills in Spanish. The baseline results of 2023 Reading Assessment in the DLBE, TBE, and ENL programs show that in the DLBE and ENL classes there are a number of students who are below or approaching standards as opposed to the TBE classes where 85% of the students are below level. The Into Reading Module assessments will be administered after the completion of every module to all students. HLA assessment will be administered 2 times a year for our students in the bilingual classes. This year the plan is to administer the IReady Diagnostic assessment 3 times, in 12-week cycles for Grades 2-5, and Acadience for Grades K-2.

Students that are at-risk levels in reading are administered additional assessments in order to provide small group instruction that allows for flexible grouping as they progress. Students in 3 to 5 will log onto I-Ready for reading and math lessons that are at their current level of instruction. Students in K-5 will log onto Lexia English, myON, and ST Math. Teachers including ENL teachers review I-Ready data and determine what domains students are struggling with to make any needed changes to their lessons and co- teaching in order to provide necessary feedback to support the success of our students. I-Ready Tiered Student Intervention will be implemented for aLL students in grades 3, 4, and 5 with the support of our partner Curriculum Associates through the utilization of the IReady digital tools.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

The ELL students are appropriately evaluated in their home language with formative assessments created by the teachers. The teachers also maintain conference logs and student portfolios. The teachers also administer the assessments in Spanish, which is the ALL. The transitional bilingual and dual language programs both have guided reading materials in the home language and leveled libraries in the home language as well. Math, Science, and Social Studies materials are also available in Spanish.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We participate in the NYC ELL Periodic interim assessments.

Students are also administered the I-Ready Diagnostics in the BOY, for both reading and math. By reviewing end-of-year diagnostics for reading, we are able to identify common domains of needs (at tier 3 risk) K-2: Data identifies Phonological Awareness, Vocabulary, and Comprehension of Information Text. Grades 2-5: Phonics, Vocabulary, and Comprehension of Information Text. Teachers are able to target these domains in small reading groups that are flexible throughout the year to address reading needs.

The data points used to assess the effectiveness are the Into Reading assessments and the I-Ready Diagnostics.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

NYSESLAT administration and the scoring team consist of the bilingual staff developer and teachers that are bilingually certified and teaches that are TESOL certified. ELLs and former ELLs will continue to receive mandated services during testing.

The NYSESLAT Plan is to administer and score the exam by a team of teachers headed by the ENL Coordinator/Staff Developer.

Students are prepared for the exam with the NYSESLAT practice exams along with instruction from the ENL teachers.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

For state assessments the testing coordinators ensures that all students received their required accommodations by routinely reviewing IEPs and identifying students that are exempt due to length of time in the country.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

As per CR Part 154, parents and guardians of eligible ELLs are immediately invited to ELL Parent Orientation Meetings within the 10 day time frame. The orientation meetings are scheduled by the bilingual staff developer, a trained pedagogue. Interpretation support is offered by accessing interpretation services. During the orientation meeting the NYSED's parent orientation video is viewed. The different ELL program service models are explained in depth in order for parents and guardians to make an informed decision. Additionally, school expectations, state standards and assessments are shared. Parents are invited to complete the ELL Parent Survey and Program Agreement during the orientation meeting.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

The CR Part 154 annual individual meeting to discuss goals, assessments, and language development progress and needs across content areas, are scheduled during weekly Parent Engagement time allotted. Teachers also schedule parents to come in during their prep periods to facilitate participation. If need be, interpretations are provided by

support staff in Spanish or via the over the phone interpretations services. These meetings are documented with logs in the school wide Sharepoint.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

We believe in supporting our parents as partners in educational program of their children. All school-related information is available in the language spoken by the families in our school community. Translation and Interpretation is provided by support staff in Spanish for other languages the over the phone interpretation services are utilized. Parent preferred language of communication is shared with teachers to ensure interpretation are utilized if need be during Parent Teacher Conferences and for other progress meetings. Class dojo is also used to send messages in which parents can select their prefer language. Parents are encouraged to use Class dojo to communicate with classroom teachers as well as during parent engagement time in-person, over the phone, and online appointments are available.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Assemblies, shows, math bingo night and literacy night are held throughout the year for students and their families. Each assembly and/or show is organized by grade level supervisor and teachers. Parents are invited to monthly PA meetings to discuss how the school may further meet the needs of their children. Our parent coordinator, is actively involved in providing parents of ELLs with appropriate information and services. She helps ensure that parents of ELLs are contributing members of the education community. Saturday Parent ENL Classes are provided by ENL teacher and library media specialist throughout the school year. Parent interests are determined through surveys and discussions during PA meetings.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Family leadership opportunities such as Parent Association, School Leadership Team are announced via printed and electronic media in English and Spanish and parent preferred languages.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We currently have Ballet Hispanico and Arts Horizons for our culturally linguistic partnership.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

NA

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The identification team consists of two ENL certified providers, bilingual certified staff developer and our bilingual certified technology teacher that are trained in the ELL identification process.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

During registration staff determines the student's enrollment status whether student is re-entering NYC school if so, the number of years is determined in order to establish if student needs to go through the identification process. If student is enrolled in a NYS public school for less than 2 years, then the previous school is contacted to obtain HLIS, ELL status, prior service, parent option and recent test scores. If the student is entering as a new student to NYS public schools or returning after more than 2 years, then the ELL identification process commences. Our bilingual staff developer who also serves as the ELL liaison for the district, interviews in person the student and parent/guardian for the HLIS. She explains the process to the parent/guardian. Based on the interview and review of prior academic documents, bilingual staff developer determines whether student is eligible for the NYSITELL If the bilingual staff developer is not available then one of our ENL teachers will complete the HLIS process. Potential ELLs are programmed in STARS and upon completion of the process, STARS is updated. If the newly enrolled student has an IEP, the school's Language Proficiency Team (LPT) recommends ELL eligibility to the principal, who obtains final approval from the superintendent. Spanish-speaking newly enrolled ELLs are also administered the Spanish Lab-R. SIFE status must be determine within 30 school days using the MLS that is administered to students in grades 3, 4 and 5. SIFE status is entered into the BNDC screen. In addition to administering the NYSITELL the bilingual staff developer ensures parent receive the ELL notification letters including for former ELL students entitled to two additional years of 90 minutes of integrated ENL, participate in the newly enrolled ELL parent orientation to select ELL program for their child and updates STARS and ATS screens within the required time-frame of 10 school days and 20 school days for incoming students with an individualized education program. Original ELL documents are

maintained in the students' cumulative records. If parents request a re-identification process then the steps outlined in the Policy and Reference Guide are followed including student classwork review and the use of RQSA on ATS followed by the superintendent review. Between 6 to 12 months from superintendent's notification, the re-identification process decision is reviewed to ensure student's academic progress has not been affected by the determination.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Jennifer Alexander Ade

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Ricardo Rivera

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Fidelina	Miguel	Parent Coordinator - Annual	11/06/2024	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards,Surveys conducted by your school,Part III of the Home Language Identification Survey (HLIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	0	0.00%	4	0.49%	0	0
BENGALI (BANGLA IN BANGLADESH)	3	0.36%	1	0.12%	0	0
FRENCH	5	0.61%	4	0.49%	1	1
FULANI	3	0.36%	3	0.36%	0	1
HAUSA (HAOUSSA)	1	0.12%	1	0.12%	0	0
MANDINKA	2	0.24%	2	0.24%	0	0

(AKA MANDINGO)						
ENGLISH	369	44.73%	364	44.28%	40	50
SLOVAK	1	0.12%	1	0.12%	0	0
SPANISH	441	53.45%	442	53.77%	10	15

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Back to school calendar	Google translator and staff verification
Parent Flyers	Google translator and staff verification
IEPs	DOE Translator Resources

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

Parent Monthly Workshops	Staff and DOE interpretation services, School purchased translator devices for simultaneous translations in Spanish.
Parent Teacher Meetings	Staff and DOE interpretation services, School purchased translator devices for simultaneous translations in Spanish.
SLT Monthly Meetings	The school will purchase translation devices for simultaneous Spanish translations.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

To ensure parents who speak a language other than English are informed of a school wide emergency we will utilize our bilingual staff members and phone messenger system as well as the school Classdojo's application to communicate with parents. Additionally we will use the over-the phone interpretation vendor to help including when parents who speak other language than English contacts our school.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

During the Welcome Back meeting, staff members will become aware of Chancellor's Regulations A-663 and familiar with the Best Practices. Our Principal will notify staff members of the required asynchronous NYCSPS Language Access Training and expect confirmation of completion emails to be submitted to Assistant Principals. Staff members will further be informed via the weekly staff newsletter.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Limited English-proficient families will be informed of their rights to receive information in their preferred language via translated signage posted as they enter the building. We will also send home flyers and the "Parent Guide to Language Access" interpretation services brochures. The parent coordinator will also express this availability during the monthly meetings.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

We will gather feedback from families via in-house school surveys using Google Forms that can be translated into any language of their choosing.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our school has improved language assistance services by providing interpretation services at every parent meeting either as requested by parents.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

90

Grades to be served in this program. Select all that apply.

,3,4,5,2,1,K

Total number of teachers in this program:

7

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

7

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The goals of the ENL Academy are to help students acquire a level of proficiency in English; to provide differentiated instruction to all students in order to meet their English language acquisition needs and to encourage students to have a positive outlook on their abilities to learn a new language.

We will also strive to provide specialized instruction so that students may acquire a level of proficiency on their NYSESLAT exam, and help them demonstrate academic progress in Mathematics and English Language Arts by using different teaching strategies and tools as a guide to transfer skills from the home language into their new language.

The ENL Academy meets on Wednesdays, and Thursdays from 2:40 - 4:40 PM and will serve students in Grades K - 5 in English for a total of 4 . The students invited and attending the program are currently at the beginning of Transitioning stages of English development. There are 6 classrooms with licensed teachers in either Bilingual and TESOL licensed program coordinator. The 4 hours of programming will be divided into 3 hours of ELA, 1 hour of Math/Technology. Students in Grades K to 1 will begin the program on January 13th.

This Title-III funded program will begin on October 21st and will run through May 21st
The language of instruction for all students will be in English. The curricula used to foster the English language modalities of speaking, listening, reading, and writing are Lexia English for ELLs and I-Ready. We will also use the Measuring Up for English Language Learners: NYSESLAT practice books.

For ENL Academy, ELLs are grouped by grade (2-5). We focus on ELLs leveled Emerging-Expanding, looking very closely at ELLs who need support in the writing modality on the NYSESLAT. Each group has a maximum of 15 students, in order for students to receive as much close teacher intervention/interaction as possible. There is one teacher per group. This year we have a total of 7 teachers (2 second grades, 1 3rd-5th) a technology teacher. Students spend a period of time during the afterschool hours in the computer lab building typing skills. There is one teacher (TESOL licensed) who serves as program coordinator and supports program staff. There is a total of 68 students in the program.

As a supplement to the Math block, each group is using i-Ready interventions to target skills in need, focusing on power standards.
The ENL Academy consists of students in grades K - 5. Each grade has 1 class, for a total of 6 classes for a total of 6 teachers and one bilingual certified computer teacher to serve all classes. The average number of students per class is 15. There are 6 classroom teachers employed for this part of the program. 6 of the teachers retain a NYS Bilingual Certification in Spanish, and 1 the program coordinator that retains an ESL certification

After school will run for 47 sessions with 7 teachers for 2 hours each session.

Attendance will be kept on file

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The goals of the ENL Academy are to help students acquire a level of proficiency in English; to provide differentiated instruction to all students in order to meet their English language acquisition needs and to encourage students to have a positive outlook on their abilities to learn a new language.

Based on the NYSESLAT 2025 the modality of writing is an area of focus demonstrated by 53 ELLs from grades to 2 to 5. According to the Spring EDAT 2025, there are no long-term ELLs, however 6.8% (15 students) are potential long-term ELLs (4-6 years of service). Instruction for potential long-term ELLs include building their use of tier 2 and tier 3 vocabulary, as well as offering language frames, to further support writing skills.

We will also strive to provide specialized instruction so that students may acquire a level of proficiency on their NYSESLAT exam, and help them demonstrate academic progress in Mathematics and English Language Arts by using different teaching strategies and tools as a guide to transfer skills from the home language into their new language.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The ENL Academy meets on Wednesdays and Thursdays from 2:40 - 4:40 PM and will serve students in Grades K - 5 in English for a total of 4 hours per week. The students invited and attending the program are currently at the Entering through Transitioning stages of English development including newcomers, developing and potential long-term MLLs. There are 6 classrooms with licensed teachers in Bilingual and program coordinator with a TESOL.

Total number of ELLs served from grades 2 to 5 is 68 students. In January K and first graders will be invited to the program.

The four hours of programming will be divided into 3 hours ELA and 1 hour Math/Tech, while incorporating i-Ready, Lexia, Lexia English.

Attendance and rosters will be kept on file.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will begin on October 21st and will run through May 21st, for 47 sessions or until funding permits. The ENL Academy meets Wednesdays and Thursdays from 2:40 to 4:40.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction for all students will be in English. Home language support will be provided through glossaries, graphic organizers, and digital resources.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

The ENL Academy consists of students in grades K - 5. Each grade has 1 class, for a total of 6 classes. The average number of students per class is 15. There are 6 classroom teachers employed for this part of program and one bilingual certified computer teacher for a total of 7 teachers including the program coordinator. Six of the teachers retain a NYS Bilingual Certification in Spanish, and 1 teacher serving as program coordinator retains an ESL certification.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The curricula used to foster the English language modalities of speaking, listening, reading, and writing are Lexia English for ELLs, which is at no additional cost to Title III funding, during the ELA block, and i-Ready for Math & ELA. We will also use the NYSESLAT Measuring Up practice books. Only the second grade Measuring Up test prep texts needed to be purchased since we had enough for grades 3 to 5 from previous years.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Documentation kept on file includes:

Copies of dated, translated letters sent to parents that include the description of the Title III ENL program with dates.
Attendance of each session for each class the program has taken place,
Student rosters including levels of proficiency and teacher assigned,
Timesheets for each teacher serving the Title III ENL program for each pay period matching the dates and times of the program,
Copies of Teacher Certification,
Record of each activity that has taken place (attendance sheets for professional development,
events including teachers that attended, dates, times, duration of session, PD session powerpoint,
All purchase orders and invoices to date

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional Development will consist of unpacking the NYSESLAT with the Staff Developer. Teachers will all be given their list of ELL students and what stage of English proficiency they are currently in. Our staff developer will provide for them the actual gap analysis for targeted instruction. Professional Development will be at no cost to Title III funding.

Staff will also receive PD on planning instruction for the ELLs. This PD will be facilitated by the ELL Liaison.

PD for the Bilingual/ENL teachers will be conducted as follows:

September October 2025: Unpacking the NYSESLAT with ELL Liaison and ENL Provider
October 2025 at 2:40 PM: Incorporating Academic Vocabulary within Language Objectives: Facilitated by ELL Liaison and ENL Provider
November 2025: at 2:40 PM: Analysis of Mock NYSESLAT Writing 1 data and Teaching Implications: Facilitated by ELL Liaison and ENL Provider.
January 2025 at 2:40 PM: Developing Stronger Writers - Revisiting Student Friendly NYSESLAT Writing Rubric: Facilitated by ELL Liaison and ENL Provider.
February 2025: at 2:40 PM: Mid-Check in with Academic Vocabulary Facilitated by ELL Liaison and ENL Provider.
March 2026: at 2:40 PM: Math Focus for ELLs: Facilitated by Math Consultant
April 2026: at 2:40 PM: Listening and Speaking Modality Facilitated by ELL Liaison and ENL Provider.
May 2026: at 2:40 PM: Looking at Authentic Assessments for ELLs: Facilitated by Coaches.
June 2026: at 2:40 PM: ENL & Home Language Objectives: Facilitated by Coaches.

Agendas and Attendance will be kept on file.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Knowing our ENL students well and understanding the necessary next steps for student success:

Professional Development will consist of unpacking the NYSESLAT with the ENL Liasion. Teachers will all be given their list of ELL students and what stage of English proficiency they are currently in. Our staff developer will provide for them the actual gap analysis for targeted instruction. Staff will also receive PD on planning instruction for the ELLs. This PD will be facilitated by the ELL Liaison. Professional Development will be at no cost to Title III.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

The initial PD of data analysis will be for the classroom teachers of the TBE/ENL/& DL classes.

For the other PD's October through June will be for all teachers because we believe all teachers are teachers of ELL students.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

September October 2025: Unpacking the NYSESLAT with ELL Liaison and ENL Provider
October 2025 at 2:40 PM: Incorporating Academic Vocabulary within Language Objectives: Facilitated by ELL Liaison and ENL Provider
November 2025: at 2:40 PM: Analysis of Mock NYSESLAT Writing 1 data and Teaching Implications: Facilitated by ELL Liaison and ENL Provider.
January 2026 at 2:40 PM: Developing Stronger Writers - Revisiting Student Friendly NYSESLAT Writing Rubric: Facilitated by ELL Liaison and ENL Provider.
February 2026: at 2:40 PM: Mid-Check in with Academic Vocabulary: Facilitated by ELL Liaison and ENL Provider.
March 2026: at 2:40 PM: Math Focus for ELLs: Facilitated by Math Consultant
April 2026: at 2:40 PM: Listening and Speaking Modality Facilitated by ELL Liaison and ENL Provider.

May 2026: at 2:40 PM: Looking at Authentic Assessments for ELLs: Facilitated by Coaches.
June 2026: at 2:40 PM: ENL & Home Language Objectives: Facilitated by Coaches.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The topics are part of a cohesive series to support ENL instruction:

Unpacking the NYSESLAT with ELL Liaison
Review NYC ELL/MLL Academic Language Assessment and NYSESLAT Facilitated by ELL Liaison.
Math Focus for ELLs: Facilitated by (Math Coach).
Academic Vocabulary: Facilitated by coaches.
Math Focus for ELLs: Facilitated by Math Consultant).
Using Language and Content Objectives: Facilitated by Coaches.
Looking at Authentic Assessments for ELLs: Facilitated by Coaches.
ENL & Home Language Objectives: Facilitated by Coaches.

Professional Development will be at no cost to Title III.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Our staff Coaches and other Educational Consultants.
Professional Development will be at no cost to Title III.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Although professional development will be at no cost to Title III funding, our team will maintain records of each topic that will take place in the form of attendance sheets and presentations.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The parents are full partners in the education of their children at P.S. 46. The Parent Coordinator works closely with the Parents Association in coordinating, planning, and providing all parent literacy classes, parenting workshops, and parent volunteer workshops.
Parents will also be invited to participate in a parent institute on Saturdays for 19 sessions to enrich and expand their participation in their children's education via ENL classes, literacy classes, trips, and art projects.

This institute will help bridge the culture of the home and school. Parents will be included in parent workshops to support their children's language acquisition as it is developed through the various programs. The program that is scheduled to begin this year along with our parent workshops is Conversational English Program that was very successful in the past, and we look forward to the sessions this year. These Services will be provided by a certified ENL teacher, the Library Media Specialist, and a paraprofessional. The parent classes will be held in the school library from 8:30 AM to 12:30 PM.

The librarian is at no additional costs to Title III and is covered by the Robin Hood Funds for Library Services.
The ENL Teacher is also at no cost to Title III.

Parents will be invited via backpack letters and invitations sent through our schoolwide Class Dojo system.

The schedule for the 19 parent workshops is as follows:

November 15th
December 6th, 13th, & 20st
January 10th, 17th, 24th, 31st
February 7st, 14th
March 7th, 14th, 21th, 28th
April 4th, 11th
May 2nd, 9th, & 23trd

All 19 workshops will be conducted by our school ENL Teacher, along with our Librarian on Saturdays from 8:30 AM to 12:30 PM in the library. The title of all of the workshops is "ENL Lessons Conversational English". Parents will be engaged in cooperative learning groups to practice, role-play, and conduct hands-on activities. The goal is to

provide the parents with tools to enhance their conversational English and English language proficiency and to provide informative workshops of their interest. Lessons will be taught using modalities such as listening, speaking, reading, and writing.

Agendas and Attendance will be kept on file. Family engagement will be at no cost to Title III.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The parents are full partners in the education of their children at P.S. 46. The Parent Coordinator works closely with the Parents Association in coordinating, planning, and providing all parent literacy classes, parenting workshops, and parent volunteer workshops.
Parents will also be invited to participate in a parent institute on Saturdays for 19 sessions to enrich and expand their participation in their children's education via ENL classes, literacy classes, trips, and art projects. This institute will help bridge the culture of the home and school.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The schedule for the19 parent workshops is as follows:

November 15th
December 6th, 13th, & 20st
January 10th, 17th, 24th, 31st
February 7st, 14th
March 7th, 14th, 21th, 28th
April 4th, 11th
May 2nd, 9th, & 23trd

All 19 workshops will be conducted by our school ENL teacher on Saturdays from 8:30 AM to 12:30 PM in the library

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

All 19 workshops will be conducted by our school ENL teacher on Saturdays from 8:30 AM to 12:30 PM in the library. The title of all of the workshops is "ENL Lessons Conversational English". Parents will be engaged in cooperative learning groups to practice, role-play, and conduct hands-on activities. The goal is to provide the parents with tools to enhance their conversational English and English language proficiency and to provide informative workshops of their interest. Lessons will be taught using modalities such as listening, speaking, reading, and writing Translation and interpretation will be made available during parent activities where possible.

Agendas and attendance will be kept on file.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

ENL Teacher

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be invited via backpack letters and invitations sent through our schoolwide Class Dojo system in their preferred language.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Record of each activity that has taken place include agenda, attendance sheets of parent activities, invitations, translations, evidence

of interpretation, powerpoints will be kept on file.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

n/a

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	n/a	n/a

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Saturday Academy

Grades to be served in this program. Select all that apply.

,1,2,3,4,5

Total number of teachers in this program:

7

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The Direct Instruction Supplemental program that will be utilized is the myOn Libraries to improve teaching and learning in the Social Studies core subject area. MyOn Libraries has resources for customized project based learning. The students will learn about immigration of diverse immigrant and ethnic groups to North America with a focus on the Latino immigrant. During the after school sessions students are grouped by grades 2, 3, 4, and 5. Saturday program will focus on first grade groups and an additional second grade group. Teachers will provide direct instruction to accompany the use of the myOn Libraries.
Programs are supervised by an assistant principal.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

As per RPOB report 113 students out of 131 of our current immigrant students are from Spanish speaking countries or have a home language of Spanish the program will focus on the Latino immigrant.

Subgroups: Immigrant students in grades 1-5 will be the targeted subgroups.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Total number of students served in the after school program is 60 students, from grades 2, 3, 4 and 5 including both newcomers and developing MLLs The Saturday program will serve 20 students in grades 1 and 2 and subgroups include newcomers and developing MLLs.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Schedule and Duration: Immigrant students in Grades 2-5 will meet on Wednesdays and Thursdays for 120 minutes (2:00 pm - 5:00 pm) by 4 teachers for a total of 8 sessions. The sessions will begin on April 15th, for immigrant students in Grades 1 & 2 will meet on Saturdays for 120 minutes (9:30 - 11:30 am) with 3 teachers. The Saturday sessions will be April 25, May 2, 9, and 16th 2026.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

English is the language of instruction with home language supports where possible. Home language is supported through glossaries, graphic organizers, and digital resources.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

Seven teachers in total will support the Title III Immigrant funded program. Five teachers have their bilingual extension and two hold TESOL certification.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Materials include use of computers/I-pads for log onto myOn Libraries, poster boards, card stock for bookmarks, markers, and pens. Materials will be at no cost to Title III immigrant funding.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

As required, we will maintain parent letters/flyers informing families informing them of the supplemental program including via ClassDojo. School will also keep on file: program student rosters, proficiency levels, attendance sheets, per session timesheets and time cards. An assistant principal will administer and monitor the program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

118 of our immigrant students are in the Bilingual, Dual Language, and ENL classrooms; therefore, the 2 Dual Language Classroom teachers, 2 Bilingual Classroom Teachers, and 4 ENL teachers will participate in Professional Development of the myOn Libraries system.
The study sessions have been scheduled for 3 PD meetings that will meet on March 24th, March 31st, and May 5th, from 2:40 – 3:40 PM.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

118 of our immigrant students are in the Bilingual, Dual Language and ENL classrooms, therefore the 2 Dual Language Classroom teachers and 3 Bilingual Classroom Teachers and 2 ENL teachers will participate in PD.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

All 7 teachers working in the the Title III immigrant program will receive ongoing professional development to help support their students' projects.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The study sessions have been scheduled for 3 PD meetings that will meet on March 26th, March 27th, and May 7th, from 2:40 – 3:40 PM.
Professional development will be at no cost to Title III Immigrant funding.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

The topics to be covered are as follows:

- Understanding the myOn System components and functionality
- Creating an Assigning Projects
- Finding texts to support the teaching and learning of the Immigrant Story
- Utilizing key functionality of myOn to address diverse learners needs

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

The provider of the PD will be our ENL Service provider with the support of Kimberly Hamburg, the Library Media Specialist.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Agenda and attendance will be kept on file.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Family engagement will consist of 4 sessions held on Saturdays to include the parents that attend the Parent ENL classes. Topics include how to utilize myOn to support your children, getting to know the NYPL resources and preparing for Summer reading.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

About 90% of our parents that attend ENL classes on Saturday are Spanish speaking and are new to the Bronx community and most recently moved to the United States and their children are newcomers. The ENL Saturday parent class provider also speaks Spanish fluently. Parents will be able to get an understanding of myOn. Also to made aware of the NYPL resources and programs available for the family.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

There are a total of 4 sessions scheduled for the following Saturdays.
Session 1: Saturday, February 7th, 2026 (9:00 AM to 10:00 AM)
Session 2: Saturday, March 7th, 2026 (10:30 AM - 12:30 PM)
Session 3: Saturday, May 9th, 2026 (10:30 AM - 12:30 PM)
Session 4: Saturday, June 13th, 2026 (10:30 AM - 12:30 PM)

Parent/family activities will be at no cost to Title III Immigrant funding.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Session 1: myOn Family Literacy
Rationale: Overview of myon Resources for parents of immigrant students to support children at home
Session 2: myOn Family Literacy
Rationale: To introduce additional parents of immigrant students to the online myOn Family Literacy resource
Session 3: Walking trip to the NYPL
Rationale: To introduce parents of immigrant students to the local New York Public library. Acquiring Library Cards, Summer Reading Resources and other NYPL Resources
Session 4: Summer Reading

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Session 1:Cleofis Sarete, ENL Teacher
Session 2:Cleofis Sarete, ENL Teacher
Session 3: Cleofis Sarete, ENL Teacher and partnership with NYPL
Session 4: Tessa Hamilton of NYPL

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Invitation sent home back-packed and upload to ClassDojo, in addition phone calls will also be made by the parent coordinator to manage a confirmation list of 40 parents.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Record of each activity that has taken place include agenda, attendance sheets of parent activities, invitations, translations, evidence
of interpretation, powerpoints will be maintained on file.
