Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Emma Pelaez-Velazquez	*Principal or Designee	
Nicole St Clair	*United Federation of Teachers (UFT) Chapter Leader or Designee	
Keva Ashton-Rivera	*Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President	
Patrick Shaw	District Council 37 (DC 37) Representative (staff), if applicable	
Jade Ducos	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for high schools)	
N/A	Student Representative (Required for high schools)	
Sonia Atherly/Kris Greene	CBO Representative, if applicable	
N/A	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
N/A	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
Yamel Garcia	Staff	
Stephanie Codrington	Staff	
Kimberly Miller	Staff	
Justin Torres	Parent	
Taylor Harris	Parent	
	Parent	
	Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Vision Statement

P.S. 54 is committed to providing a collaborative and nurturing learning community that will inspire each child to be a lifelong learner, global citizen and critical thinker.

PS 54 Mission

To bring life to our vision, we are committed to...

1. Nurturing and developing the whole child through project-based learning and igniting a child's curiosity of learning.

2. Cultivating a learning environment that appreciates diversity, empathy, social emotional well-being and responsibility for self and others.

3. Fostering authentic partnerships between home and school where all community members feel included, safe, joyful and informed.

4. Promoting our dual language program, encouraging bilingualism, biliteracy, grade-level academic achievement and cross-cultural
competence.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

PS 54, The Magnet School for Environmental Science, Technology & Community Wellness is located in the historic neighborhood of Bedford Stuyvesant. Brooklyn's largest African-American community that dates back to the late 19th century is in Bedford Stuyvesant. However, gentrification has shifted the dynamic over the last 8 years has shifted, making our school population more diverse. We also recently experienced an influx of migrant families. Our school's make-up by race and/or ethnic background is as follows: 38% Black, 47% Hispanic, 6% White, 8% Multi-Racial and 1% Native American.

Our many strengths come from our commitment in providing a nurturing and collaborative community that will inspire our students to be lifelong learners.

Each year a variety of partners support our school by providing enriching experiences in arts and culture. We have

an ongoing relationship with Studio in School. We hope to have them join us again in the 2025-2026 school year to provide a residency in the arts. We also look forward to working with a new partner this year, Teatro Sea, which will provide dance and music residencies at PS 54. Another new partnership is OmniLearn, providing STEAM activities to our students.

Expeditionary Learning (EL), our ELA curriculum, is a flexible, integrative approach to reading, writing, speaking, and listening that encompasses best practices for teaching the science of literacy.

For the 2025-2026 school year, we will continue working with the Envision Math Curriculum offered through Pearson. It is standard aligned. It is a program where students learn by doing math, solving problems in a systematic, stream-lined approach. We will also incorporate the use Exemplars, an approach of multi-step problems as these problems allow multi entry points to differentiate instruction and provide practice opportunities to meet our students needs.

In the 2025-2026 school year, we will continue to use the Amplify curriculum. This program encourages students to take on the roles of scientists and engineers to figure out real-world wonders. Students investigate riveting questions by finding and evaluating evidence, then developing convincing arguments. In addition to Amplify, we will provide STEAM activities to support the skills and research cycle.

We will encompass humanities with the Social Studies curriculum, Passport, set forth by the city. This rich program encourages critical thinking as it is meant to prepare children for the global community. The content is standards based and gives students a solid foundation for college readiness, career, and civic life.

Our dual language program at PS 54 upholds our belief that language and cultural diversity is a resource that should be respected and valued. Our pre-K to 3 Spanish dual language program provides students the opportunity for academic achievement while allowing the students to become bilingual, biliterate, and multicultural. In a global society, dual language programs help to close the achievement gap between ELLs and native speakers of English. One of our goals is cross cultural competencies in our dual language model is a perfect vehicle for achieving this goal as it is integrates native English speakers and native speakers of another language. The dual language program integrates students who speak different languages with various racial, ethnic, and socioeconomic backgrounds.

As we embark on the 2025-2026 school year, it is our intent to process and internalize our vision and mission to truly be able to bring it to life. We will consciously look for what we need to do/ what we need to change/ what we need to shift to provide a collaborative and nurturing learning community that will inspire each child to be a lifelong learner, global citizen and critical thinker.

Within the work we will do we will keep in our subject areas, we will consider the needs of our students and consider how we will deepen our understanding to be able to: 1. maintain our use of ICT teaching models to strengthen targeted small group instruction 2. strengthen systems for collecting and analyzing formative assessments to guide instruction 3. provide students with a means to access criteria that allow them to self monitor (i.e. rubrics and check lists) and 4. develop upon the strategic reading program. We will utilize the Danielson framework, the DOK framework, and the principles of culturally relevant education to develop best practices. We will continue to become more collaborative educators to ensure that our students work in small groups effectively, focusing on alternative teaching, parallel teaching, and station teaching. Our grade teams will work with each other and our instructional leadership team to reflective on our practices, study patterns of students learning, and plan to ensure that we are differentiating to meet our students' needs.

Briefly summarize the key initiatives your school will implement this school year.

In the 2025-2026 school year, we will continue to strengthen the Strategic Reading Period as a part of our school day. The students leave their regularly assigned class to work with a group of students who are on their same literacy level to engage in a reading intervention that fits their needs. ENL students will be exposed to literacy through the Fundations curriculum. K-2 will conduct literacy interventions through small group instruction using the Fundations curriculum. Teachers in grades 3-5 will use the Phonics for Reading program as an intervention.

The Store of Love is a continuation of an initiative that started in the 2023-2024 school year. It supports migrant families, STH families, or anyone that expresses a need of pantry items or clothing. The store accepts donations from the community, organizes the materials, and welcomes families that have a need to come "shop" without fear or judgement.

In the 2025-2026, we hope to strengthen an inter-visitation program with other schools in the district who have experience working with the EL curriculum. We would also like to strengthen the system for inter-visitation between teachers at PS 54. This will take place during cross grade level meetings to develop collaboration and develop teacher leadership.

We will also continue our work with Teaching Lab and SolvED consultants to strategically support our teachers in their analysis of student work using the Atlas protocol as well as planning instruction with multiple access points for

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	3k-4K	The Creative Curriculum for Pre-K and 3K	PBL practices and center time
ELA	K to 5	Expeditionary Learning	Performance Tasks/Unit assessments/ MAP-Assessments/Acadience
Math	3K-4K	The Creative Curriculum for Pre-K and 3K	PBL practices and center time
Math	K to 5	Envision 2.0	Google Classroom/ MAP-Assessments/ Exemplar Problem Solving

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
24% of students in grades 3-5 are at or above benchmark in ELA according to Acadience	Teachers working with a new curriculum; inconsistent attendance	continued professional development for teachers; increased student daily attendance
33% of students in grades K-2 are at or above typical progress in Acadience in ELA	Teachers working with a new curriculum; inconsistent attendance	continued professional development for teachers; increased daily attendance
25% of students are at or above average progress in reading according Acadience in grades 3-5	Teachers working with a new curriculum; inconsistent attendance	continued professional development for teachers; increased daily attendance

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	33	By June, 2026, literacy for all students in grades K-2 will improve, as measured by an increase from 33 to students will perform at or above benchmark of 48 on the Acadience .

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Small group instruction conducted during the 6th period SIP intervention

Root Cause Addressed:

Professional development for teachers on the EL curriculum

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional development around the EL curriculum
Use of the district curriculum pacing guides
Progress monitoring students with the use of a research based literacy program in the SIP periods

Key Strategy 2 (Optional):

Partnership with the Teaching Lab coach who will push in to support teachers during ELA instruction

Root Cause Addressed:

Professional development of teachers

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Meeting with the coach
Developing a tracking system along with the coach to measure teacher progress of curriculum implementation
Pushing into classrooms to observe and record how teachers are implementing feedback
Meeting with teachers to continue to discuss feedback and support

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress monitoring checks include the progress monitoring tool for sub groups of students in Acadience as well as the coaching tool developed by our Teaching Lab coach.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	11/01/2025	Informing families about expectations for students during the SIP period	YMCA and Grand Street
11/01/2025	02/01/2026	Informing parents how to monitor the progress of their students as well as sending home progress reports to families	YMCA and Grand Street

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
30% of our students in grades 3-5 are engaging in inappropriate physical contact with other children.	OORS reporting for the 25-26 school year	Outside factors related to the poverty, family dynamic, and/or diagnosed disability
20% of students in grades K-2 are using language that is considered hurtful, disrespectful, or offensive by others.	Teacher feedback, surveys, and observations	Outside factors related to the poverty, family dynamic, and/or diagnosed disability

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	30	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Decrease, in percentage of students who indicate feeling safe in the hallways, bathrooms, and cafeteria from 30 to 20, per the Online Occurrence Reporting System (OORS) reports.
All Students	20	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10 Increase, in Percentage of positive student responses to survey questions about personal attention/safety/bullying from 20 to 10, per the Internal teacher and student surveys..

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

OORS Reports

Enter a Key Performance Indicator

The number of OORS reports entered and the nature of the situations that occur.

Baseline:

The level of the infraction of the OORS reports entered into the system

Enter the date for the baseline data:

The B.O.Y. marking period.

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

During the beginning of the school year, establish norms, routines, meeting dates, and procedures with all SEL groups.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Conduct two surveys with staff and students about the implementation of SEL programs; screen OORS data

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Conduct two additional surveys with staff and students reflecting on the implementation of SEL programs; reflect on end of the year OORS data

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Teacher feedback, surveys (teacher and students, paras), and observations

Enter a Key Performance Indicator

The number of survey reflecting a reduction in the number of students in grades K-2 are using language that is considered hurtful, disrespectful, or offensive by others.

Baseline:

The level of 3 and 4 infractions of the OORS reports entered into the system-

Enter the date for the baseline data:

The B.O.Y. Marking period

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

During the beginning of the school year, establish norms, routines, meeting dates, and procedures with all SEL groups.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Conduct two surveys with teachers, paraprofessionals and students about the implementation of SEL programs; screen OORS data

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Conduct two additional surveys with teachers, paraprofessionals and students reflecting on the implementation of SEL programs; reflect on end of the year OORS data

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Feedback from surveys and OORS reports

Enter a Key Performance Indicator

% of OORS reports at level 3 or 4

Baseline:

September incident summer report

Enter the date for the baseline data:

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Continue to develop the SEL plan, expounding on the programs created during SY24-25

Root Cause Addressed:

Emotional factors connected to poverty, family dynamic, and/or diagnosed disability

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Plan out who is responsible for each group, group norms, routines, meeting dates, and procedures for all SEL groups including MBK, the Gems, the Darlings, lunch and learn sessions, and student council.
Set up safety meeting dates and choose which dates in the calendar we will use to review OORS data
Set up a system for morning meetings/community circle in classrooms
Establish routines around Words of Wisdom and ensure that occurs daily
Create and distribute surveys and plan which points in the year they will be completed

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Surveys are the main form of collecting qualitative data surrounding these goals. In order to ensure that students are feeling positive effects of the programs implemented, we will need to set up times in the school year where can collect survey data and analyze it with our school's Instructional Leadership Team.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	09/12/2025	Inform families about the SEL programs and surveys that will go out.	Guidance counselor, social worker, and parent coordinator
02/09/2026	02/13/2026	Ask families to complete schools surveys; CBOs can support by also asking families to complete surveys during after school dismissal.	YMCA, Grand Street, PTA, and parents

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers, guidance counselor, SEL social worker, paraprofessionals

Instructional Resources

Restorative Practices Resources

Schedule Adjustments

SEL happens in the morning.

Other Resources Needed

N/A

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Students are making slow progress according to MAP growth reports; typically, there is growth, but not enough to close gaps in understanding.	Absenteeism; lateness; teachers who are learning a new curriculum; switch to a new curriculum; influx of migrant families with varying levels of formal instruction	33% of students in grades 3 through 5 are on grade level in ELA
Students are making slow progress according to MAP growth reports; typically, there is growth, but not enough to close gaps in understanding.	Absenteeism; lateness; teachers who are learning a new curriculum; influx of migrant families with varying levels of formal instruction	40% of students in grades 3 through 5 are on grade level in Math
Large number of ENL students moved	STH students struggling with absenteeism;	35% of students

into the 1st grade class during SY 2324	students have varying levels of formal instruction	moving into grade 2 are proficient in foundational reading skills

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	33	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the RIT scores of students will reflect an increase in student's scores that reflect at or above level proficiency will Increase by 7% from 33 to 40, for All Students, as measured by MAP Growth Reports.
All Students	40	PS 54, The Detective Rafael Ramos School, will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the RIT Scores will Increase by 10% from 40 to 50, for All Students, as measured by MAP Growth Reports.
English Language Learners (ELL)	35%	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the reading composite score between 141 and 238 will Increase by 15% from 35% to 45%, for English Language Learners (ELL), as measured by Acadience reports.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Support teachers with changes in curricula shifts,

Root Cause Addressed:

Instruction improving because teachers feel more comfortable with the curricula.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Develop observation cycles for teachers to receive timely feedback on instruction
Support teachers with professional development related to the new curricula
Develop a system for inter-visitation between colleagues and to other schools
Support students with after school tutoring targeting students' needs
Assess students throughout the school year to measure growth and progress

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

MAP growth reports will be pulled several times a year to monitor student progress. Acadience reports will be pulled to monitor student progress also. Teachers will receive targeted professional development several times throughout the school year.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/30/2025	11/14/2025	Conduct assessments and plan PDs in PD Calendar	District 13 support staff, teachers, Envision and IXL PD staff
11/17/2025	06/19/2026	Conduct assessments and plan PDs in PD Calendar	District 13 support staff, teachers, Envision and IXL PD staff

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
IEP reviews show that annuals re-evals lack student voice	Time constraints on completing IEPs; a belief that it is not an essential step in elementary school	SWDs in grades 3-5 participate in transitional interviews during annuals and re-evals
Google Classroom and IXL are not used consistently across grade levels	Teachers have varying levels of comfortability using technology;	Students of all grades received access to

	students have varying levels of access to iPads/chromebooks	instructional that incorporates the use of technology
Student council expressed that students are partially aware of how they are evaluated and grouped, but do not make goals based on that criteria	Time constraints on completing IEPs; a belief that it is not an essential step in elementary school	SEL instruction around students interests and goal-setting

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	43	PS 54K will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of active NYC RISE college savings accounts for Students with Disabilities (SWD) will Increase by 30% from 43 to 56 as measured by NYC RISE enrollment reports.
All Students	90	PS 54K will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the access to digital curricular for All Students will Increase by 10% from 90 to 100 as measured by Device HUB.
All Students	50	PS 54K will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the students develop trackable SMART Goals for All Students will Increase by 30% from 50 to 80 as measured by student survey.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

In order to gauge students' comfort and proficiency in utilizing technology for educational activities, we will be conducting a comprehensive survey. This survey aims to measure students' confidence levels with various forms of technology and their ability to effectively incorporate it into their learning processes. As the school year progresses, students will have the opportunity to showcase their increasing mastery of technology through their ongoing academic work and projects.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Financial Literacy Student Workshops; assemblies; Student surveys, trips. Advertise NY Rise on all our platforms. School website; ClassDojo, Backpack flyers; email, text and phone call blasts.

Root Cause Addressed:

STH families struggled with absenteeism, making it difficult for students to start and/or complete the work. In addition to this, students inability to understand English was another factor.

STH families struggled with absenteeism, making it challenging to connect with them to explain the program, many were not able to enroll due to deadline restrictions.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Survey students' comfort and proficiency in utilizing technology
Survey students' understanding of money and saving for their future.
Attendance check-ins with students who are chronically absent.
Have a Certified Financial Coach
At the end of the sessions, survey students' new understanding of money and saving for their future.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Multiple events throughout the school year received 5 or fewer parent attendants.	Teachers are not consistently reaching out to parents to help advertise events; parents	Parent engagement is very low.

	are not able to attend for various personal reasons.	
Family surveys demonstrated limited success forming subcommittees that supported the initiatives and the collective interests of all constituents.	Parents did not want to take on additional responsibilities for various personal reasons; some families did not feel the PTA created an inclusive and welcoming environment	PTA needs more parent involvement to support school-wide initiatives.
18% of families responded to the 024 NYC School Survey	Teachers are not consistently reaching out to parents to help advertise events; parents are not able to attend for various personal reasons.	A limited number of families provide feedback, which is needed to support decision-making on school-wide initiatives.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	5	The Detective Rafael Ramos School, will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By May, 2026, the Number of parent that attend PTA meeting. will Increase by 50% from 5 to 10 Parent to support school wide ideas and Family to be more Engage. as measured by Parent sign in sheets. Number parent that attend PTA meeting. .
Parents of All Students	20	The Detective Rafael Ramos School, will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with The Detective Rafael Ramos School, the following SMART Goal: By June, 2025, the Families that attend school events are likely to return for the next event." will Increase by 25% from 20 to 50 as measured by PTA Sign in sheet and surveys of the number of people who attend.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

June 2026

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

August 2025: The school will be sending out important information as the new school year is about to begin. This will include details on all forms of communication.

Root Cause Addressed:

Families do not attend because of time and employment issues.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Hold Parent meeting
Hold student Meeting
Request parent involvement
Request student involvement
Parent survey

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To effectively monitor the implementation of key strategies and action steps, we will employ a multi-faceted approach. This will involve utilizing ClassDojo to keep track of the number of parents viewing school-wide flyers from August 2025 to June 2026. In addition, we will gather valuable feedback through comprehensive school surveys designed to gauge parent perspectives. Furthermore, we will implement the use of sign-in sheets at various school events and meetings to closely monitor parent engagement. Lastly, we will actively measure student involvement in school activities and events to assess the impact of our strategies on their learning experience.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	06/12/2026	School dance, carnival work shops on finance literacy parents as education partners twice a month meeting for new families once a month open house school tour.	YMCA Grand Street settlement

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	87	By June, 2026, the Percentage of overall attendance for All Students will increase by 3, from 87 to 90, as measured by the New Visions Chronic Absenteeism Reports.
All Students	52	By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 22%, from 52 to 30, as measured by the New Visions Chronic Absenteeism Reports.
All Students	20	By June, 2026, the Percentage of Severely Chronically Absent Students for All Students will decrease by 10% , from 20 to 10, as measured by the New Visions Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Use data reports to isolate the number of students who have chronic absenteeism

Root Cause Addressed:

Students in temporary housing having access to resources that support them in coming to school

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement an outreach tracking document (shared among the attendance team) to monitor effort made to contact families by different team members.
Implement an outreach tracking document (shared among the attendance team) to monitor effort made to contact families by different team members.
When permitted, implement home visits to those families that we are unable to reach via phone/ emails.
Continue to use our outreach tracking document (shared among the attendance team) to monitor effort made to contact families by different team members. Implement home visits to those families that we are unable to reach via phone/ emails.

Key Strategy 2 (Optional):

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
90% of IEPs completed with	Present Levels of PLOPs aligned to goals	IEP Development and Fidelity of Implementation
70% of IEPs of students in the 5th grade reflected goals appropriate for 6th grade transition	Teachers meeting with parents to establish transitional plans for 6th	Transition Planning and Compliance

All students being referred for initials require meetings with the SBST	Scheduling presents complications because the SBST is not in the building daily	Referral Process and Equity
All students are disciplined equitably using the Chancellor's Regulations	Teachers personal biases	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	95% of IEPs completed	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Alignment of IEPs across present level of performance (PLOP), goals, and recommended programs and services by a increase of 3% Increase, from 95% of IEPs completed to 98%, as measured by SESIS reports for IEPs .
Students with Disabilities (SWD)	60%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Development of appropriate middle school goals and services by a 70% of students with disabilities Increase, from 60% to 70% of students with disabilities , as measured by SESIS Advanced Reports .

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Meeting with SBST team weekly

Root Cause Addressed:

The timelines of completion of IEPs

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Meeting with teachers around expectations of completion of IEPs
Scheduling out when IEPs are due on a calendar
Teachers meeting with SBST team on specified dates on the calendar
Checking in with IEP teachers monthly

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/01/2025	11/01/2025	Parent outreach to ensure the timelines of IEP meetings	YMCA and Grand Street Settlement
11/01/2025	02/01/2025	Parent information session on IEP mandates	YMCA and Grand Street Settlement

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
ELA	MAP assessment DRP TC Running	Guided reading Core Ready Epic Google Classroom A-Z Reading	Small Group Instruction	during school	Yes

Foundational Skills	Running Records Fundations assessments	Reading partners	1:1 tutoring	during school and after school	yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Student and family surveys, students' artifacts, classroom observation, and conferences	Counseling in Schools, Yoga, Meditation, MBK and MSK mentoring	Whole Class, Small group, 1:1	Before and During school	Yes
Tier 3	SBST/CARE Referral, Student and family survey, student artifacts	Referral to SBST, referral to CBO	Small group and one to one	During and After	Yes

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

14

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

-Free yellow bus service, full-fare metro cards for parents and families
-Psycho-social counseling
-Free uniform and supplies
-Parent workshops
-After school programming
-Access to technology

-Free school trips
-STH Coordinator support with PATH and other social services

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Provide a description of the materials purchased to support implementation of ELT.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

At Public School 54, we recognize the critical role that families play in supporting their children's academic success, and we are committed to fostering meaningful partnerships between parents, families, and the school. In compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), our Parent and Family Engagement Policy aims to strengthen communication, ensure active family participation in decision-making, and promote a welcoming, inclusive school environment. We will provide parents with regular, accessible communication about school programs, student progress, and upcoming events, ensuring all families are informed and engaged. Parents are encouraged to take part in school governance through the School Leadership Team (SLT), Parent Teacher Association (PTA), and Title I Parent Advisory Council, where they can contribute to the development and improvement of school programs. To support parents in their role, we will offer workshops and resources that build their capacity to support student learning at home. We will also work to remove barriers to engagement, offering

flexible meeting times and virtual options to ensure all families can participate. Regular feedback will be collected through surveys and focus groups to ensure our efforts meet the needs of families and contribute to the academic success of students. This policy will be reviewed and updated annually in collaboration with families and school staff, ensuring continuous improvement in our engagement strategies.

Support for Parents and Family Members of Title I Students

PS 54 is committed to providing comprehensive support for parents and family members of Title I students to ensure they are equipped with the knowledge, skills, and resources to support their child's academic success. We offer the following services and initiatives:

Workshops for Parent Social-Emotional Well-being: We will provide workshops aimed at supporting the social-emotional well-being of parents, helping them develop the skills necessary to support their children both academically and emotionally.

Training and Materials to Boost Academic Achievement: PS 54 will provide parents with materials, resources, and training sessions focused on supporting student achievement, including areas such as literacy, math, and technology use, enabling parents to reinforce learning at home.

Building Strong Home-School Partnerships: We are dedicated to fostering a caring and effective partnership between home and school. Our goal is to ensure that parents are equipped to monitor their child's academic progress and actively contribute to their child's learning journey.

Understanding Standards and Assessments: PS 54 will assist parents in understanding City, State, and Federal educational standards, as well as assessment processes, so that they can better support their children and track their progress.

Inclusive and Accessible Communication: We will share information about school programs, parent meetings, and school-related activities in a variety of formats that meet the needs of our diverse families. All communications will be provided in languages families can easily understand, using tools such as our school website, Backpack of Letters, school email, and TeachHub messaging system.

Use of Technology for Better Communication: To further support family engagement, our school website (eChalk) and communication tools such as ClassDojo will provide translation services for parents, ensuring that they have easy access to school news and updates in their preferred language.

Parental Involvement and School Quality

At PS 54, we believe that when parents and families are actively engaged, student success soars. Our Parent and Family Engagement Policy is designed to empower all parents, including those of Multilingual Learners/English Language Learners (ML/ELL) and students with disabilities, with the tools, support, and opportunities they need to be active participants in their child's education. We are committed to continuously improving this policy based on feedback from families, and we will conduct an annual evaluation with Title I parents to assess its effectiveness. The feedback from surveys and evaluations will be used to design more effective strategies to meet the needs of our parents and to strengthen the Title I program.

To ensure that all families are meaningfully involved and that their voices are heard, PS 54 will implement the following initiatives to increase and improve parent engagement:

Involve Parents in the Planning and Evaluation Process: Actively engage parents and family members in the ongoing planning, review, and evaluation of the Title I program, as outlined in our School Comprehensive Education Plan (CEP). This will ensure that parents not only stay informed but also have a voice in the development of key educational strategies that impact their child's academic success.

Title I Funding Engagement: Facilitate direct involvement of parents in discussions about the Title I 1% set-aside funds. These funds, allocated specifically for parent and family engagement activities, will be used to support literacy programs, parenting workshops, and other initiatives that promote family involvement in student achievement.

Maximize the Use of Title I Funds for Engagement Activities: Ensure that the Title I funds are used effectively to implement activities and programs as described in the Parent and Family Engagement Policy and School-Parent Compact. This will include interactive workshops, family literacy initiatives, and other educational resources designed to help parents better support their children.

Empower Parents through Leadership: Invite parents to become active members of the School Leadership Team, Parent Association (PA), Parent-Teacher Association (PTA), and the Title I Parent Advisory Council. These groups will provide ongoing technical support, leadership development, and training, helping parents build the skills they need to actively participate in school decision-making processes and support their child's educational journey.

Provide a Dedicated Parent Coordinator: The Parent Coordinator will continue to serve as a key liaison between the school and families, ensuring that parents receive timely and relevant information. The coordinator will organize monthly workshops based on the evolving needs of our families and track all family engagement activities to ensure that every parent has the support and opportunity to participate.

Offer Dynamic Workshops for Parents: PS 54 will host workshops on a wide range of topics to help parents support their children both academically and emotionally. These workshops will focus on essential skills, including parenting strategies, understanding curriculum and assessments, supporting literacy development, accessing community resources, and building digital literacy. These workshops will be flexible, engaging, and designed to meet the needs of diverse families.

Increase Parent Understanding of Accountability Systems: PS 54 will provide parents with detailed, user-friendly information about student proficiency levels, the Annual School Report Card, and other accountability measures. This will enable parents to better understand their child's progress and take an active role in school improvement efforts.

Host the Annual Title I Parent Meeting: We will continue to host the Annual Title I Parent Meeting each year to inform parents about the Title I-funded programs available to their children, explain their rights to be involved, and outline the requirements under Title I, Part A, Section 1116 of ESSA. This meeting will also serve as a platform for parents to ask questions, share feedback, and engage in meaningful discussions.

Provide Flexible Parent Engagement Opportunities: To ensure all parents have an opportunity to participate, PS 54 will offer additional flexible parent discussions, including online meetings and virtual events scheduled at various times. These sessions will give parents the chance to discuss school programs, share suggestions, and stay up-to-date on important initiatives from the Chancellor's office.

Provide Translation and Interpretation Services: Recognizing the diversity of our school community, PS 54 will ensure that all key school documents are translated into the languages spoken by our families. We will also provide interpretation services during meetings and workshops, ensuring full accessibility for all parents.

Utilize Technology for Enhanced Communication: PS 54 will leverage our school website, Backpack of Letters, TeachHub messaging system, and ClassDojo to keep parents informed. These platforms will offer real-time updates,

translations, and direct communication with school staff to facilitate stronger connections between the school and families. Parents will be able to access important information in their preferred language, making communication more effective and accessible.

Encouraging School-Level Parental Involvement

fostering a strong partnership with parents and families to ensure that every child has the support they need to succeed. Our school will host and encourage a variety of activities designed to create a vibrant, engaged school community. These initiatives will not only strengthen the connection between home and school but also empower parents to be active partners in their child's education.

The school will further encourage school-level parent and family engagement by:

Educational Family Events/Activities:

Host family-friendly events such as literacy nights, STEM nights, and interactive workshops during Parent-Teacher Conferences and throughout the year. These events will promote learning and increase family engagement by providing parents with the tools to support their children's academic success at home.

Weekend Parent Workshops:

In response to the diverse schedules of our parent community, PS 54 will host more weekend workshops designed to engage parents who may not be able to attend during the week. These workshops will cover a variety of topics, such as parenting strategies, academic support tools, community resources, and building social-emotional skills, ensuring parents have access to the information they need to support their child's education. Parents will also have the chance to share ideas and connect with community partners, enhancing their ability to provide comprehensive support at home and within the community.

Meaningful Parent Participation in Leadership:

Actively encourage parents to take on leadership roles in school decision-making by joining the School Leadership Team, Parent Association (PA), Parent-Teacher Association (PTA), and the Title I Parent Advisory Council. These groups will give parents a platform to help shape school policies and provide valuable input on educational practices and initiatives.

Family Day Events:

Organize Family Day events to bring together school and community members. These events will include fun, hands-on activities that promote family bonding, emotional well-being, and social interaction. They will also serve as a reminder that the school is a welcoming space for all families.

Parent Volunteer Opportunities:

Provide parents with various opportunities to become trained school volunteers. Volunteers will be encouraged to assist in classrooms, organize events, and support other school initiatives. Volunteering offers parents a chance to directly engage with the school community and contribute to their child’s educational experience.

School Newsletter /Online Publication:

Develop and distribute a monthly school newsletter or web publication to keep families informed about important

school events, activities, student achievements, and opportunities for parent involvement. The newsletter will be distributed in multiple languages to ensure that all families have access to the information. This will also have news from the PTA.

Leveraging Technology for Communication:

Use ClassDojo, TeachHub, and other digital platforms to send real-time updates and schedule virtual parent-teacher conferences. These platforms will allow for increased accessibility and flexibility, ensuring that parents can stay connected with the school even if they can't attend in person.

Flexible Virtual Parent Engagement:

In addition to in-person meetings, we will offer virtual meetings and online workshops at various times to accommodate different family schedules. This flexibility will ensure that all parents can participate in school activities, parent-teacher conferences, and other important events.

Culturally Relevant and Inclusive Events:

Ensure that all school events and materials are culturally relevant and inclusive, offering multilingual resources and creating opportunities for families to share their traditions, values, and experiences. We will work to make every event welcoming and accessible to all members of our school community.

Annual Parent Feedback Sessions:

Host annual parent feedback sessions where parents can share their thoughts, ideas, and suggestions for improving the school’s programs and engagement efforts. This feedback will help guide the continuous improvement of school-parent partnerships and ensure that the school’s initiatives meet the evolving needs of our community.

Opportunity to Meet with Administration:

PS 54 will provide parents with opportunities to meet directly with school administration to address concerns, voice support, and discuss matters impacting the school community. These meetings will be scheduled regularly, ensuring that parents have an accessible platform to engage with the administration. During these meetings, the school will also share important updates on school initiatives, upcoming events, and any issues requiring collective attention. This transparent dialogue will ensure that parents are informed and actively involved in shaping the school’s direction.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 54, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial, and ethnic sexual oranation differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- Provide instruction by highly qualified teachers and technology

Ongoing Professional Development for Teachers
Provide continuous training for teachers to stay current with best practices, new technologies, and strategies for working with diverse learners. Support collaboration and knowledge-sharing among staff.

Data-Driven Instruction
Regularly assess student performance and use data to inform instructional decisions. Adjust teaching strategies based on formative and summative assessments to meet individual student needs.

I. School Responsibilities: Supporting Home-School Relationships

The school is committed to supporting home-school relationships and improving communication by:

Conducting Parent-Teacher Conferences: Each semester, we will hold parent-teacher conferences to discuss individual student progress, achievements, and how this Compact relates to their learning journey. We will also offer resources and strategies for parents to support their child's development at home.

Hosting an Annual Title I Parent Meeting: Every year, we will convene a Title I Parent Meeting to inform parents and family members of students participating in the Title I program about the school's Title I status, funded programs, and their rights to be involved in their child's educational experience.

Providing Flexible Meeting Times: We will arrange additional meetings at various times (e.g., mornings, evenings) to accommodate families with diverse schedules. If necessary and funds are available, we will provide transportation and/or child care for parents who may have difficulty attending regular meetings.

Ensuring Accessibility for Limited English Proficient Families: We will respect the rights of families with limited

English proficiency by providing translated documents, interpretation services, and support to ensure all families can fully participate in their child's education.

Communicating in Parent-Friendly Formats: Information regarding school programs, events, and activities will be shared with parents in a format and language that they can easily understand. Additionally, we will offer interpretation services where needed to ensure clarity and understanding.

Involving Parents in the Planning and Review Process: Parents will be engaged in the planning, evaluation, and improvement of Title I programs, the Parent and Family Engagement Policy, and this Compact. Feedback and suggestions from parents will be incorporated into our ongoing efforts to enhance school-family partnerships.

Providing Timely Updates on Student Progress: Parents will receive timely, clear information about their child's academic performance, including performance profiles, individual student assessment results, and other key school-related information that can inform decisions at home.

Ensuring Distribution and Discussion of Key Documents: Each year, the Parent and Family Engagement Policy and School-Parent Compact will be distributed and thoroughly discussed with parents to ensure mutual understanding and alignment between home and school.

Creating Parent Workshops and Educational Resources: We will offer workshops and resources that focus on how parents can support their child's academic success, including tips for homework, study skills, and fostering social-emotional development. These sessions will be available in both in-person and online formats to ensure broad accessibility.

Implementing Regular Communication Touchpoints: Beyond parent-teacher conferences, we will establish more frequent check-ins (e.g., monthly newsletters, emails, or phone calls) to update parents on student progress, upcoming events, and important school developments. This consistent communication will help parents feel more connected and informed.

Establishing a Parent Advisory Group: A Parent Advisory Group will be formed to meet regularly with school leadership, providing an opportunity for parents to voice their concerns, offer suggestions, and collaborate on strategies to further enhance family engagement and school improvement.

Expanding Community Engagement Events: We will increase the number of school-hosted community events, such as family nights, cultural celebrations, and volunteer opportunities, to create a stronger sense of community and build stronger partnerships between parents, staff, and local organizations. Will host weekend events and partner with local CBO Delkalb library to support and host event.

Surveying Parents for Feedback, we will survey parents to gather feedback about school programs, communication practices, and the effectiveness of our family engagement initiatives. This data will inform improvements and help ensure that we continue to meet the evolving needs of our families.

Strengthening Mental Health and Wellness Support for Families: We will provide resources for parents on supporting their child's mental health and emotional well-being. This may include access to counseling services, stress management workshops, and providing tools for building resilience at home.

I. School Responsibilities: Providing Parents Reasonable Access to Staff

The school is dedicated to providing parents with reasonable access to staff and fostering open communication between families and the school community.

II. Provide parents reasonable access to staff by:
Ensuring Interpretation Services for Limited English-Speaking Parents/ ASL Parents We will ensure that staff have access to interpretation services to effectively communicate with parents who speak limited English, or need to sign ensuring all families can fully engage with school activities and discussions regarding their child's education.

Notifying Parents of Appointment Procedures: We will clearly communicate to parents the process for arranging appointments with their child's teacher or other school staff. This will include clear instructions on how to schedule meetings, including available times and how to request specific support, ensuring parents can easily reach out when needed.

Planning Parent Activities Throughout the School Year: The school will organize a variety of events and activities designed to engage parents and foster a strong school community. These will include Parent-Teacher Conferences, Book Bag Giveaways, Pumpkin Patch visits, Character Parades, Book Fairs, and other family-friendly events aimed at building relationships and involving parents in their child's learning experience.

Providing Support through the School Parent Coordinator: The school Parent Coordinator will be available to answer questions, address concerns, and provide support to families. The coordinator will serve as a resource to help navigate school policies and programs, ensuring families have the information they need to stay involved.

Offering Extended Office Hours for Working Parents: To accommodate parents with work schedules, the school will offer extended office hours or virtual meeting options with staff members. This will allow parents who may be unable to attend during traditional hours to connect with teachers or other school personnel, ensuring they have the support they need.

Collaborating with the PTA (Parent-Teacher Association): The PTA will play a key role in supporting the school's commitment to accessible communication. They will help organize and promote parent engagement activities, assist with translating materials and communication, and act as a liaison between families and staff. The PTA will also help facilitate parent participation in meetings, events, and workshops, ensuring that all families are involved and informed.

Involving the School Leadership Team (SLT): The SLT will work closely with the school's staff and the PTA to create an inclusive environment where parents feel welcome and encouraged to participate. The SLT will support the planning of parent activities, review feedback from families, and assist with the coordination of meetings and communication to ensure parents are informed and engaged in their child's education. Additionally, the SLT will help oversee the effectiveness of parent outreach efforts and make adjustments as needed.

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described

in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for 10-15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child

III. Student Responsibilities

- always try my best to learn.
- ask teachers questions when I do not understand something.
- to the best of their abilities will complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions
- respect and cooperate with other students and adults.
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- Share what I have learned with my parents.
- give parents/guardians all notices/information received from the school.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Teachers at P.S. 54 will attend workshops offered every Monday for 1hour which will run in different cycles. The calendar for Monday PDs and Friday Cross Grade Level meetings will be determined and established in advance with set objectives that will be communicated in advance to teacher with a static agenda that leverages the amount of time provided in each meeting.

Teachers also participate in development workshops provided by the district. Teachers are encouraged to participate in per session opportunities to work with the Equity Fellows, attend town halls, and participate to district-wide meetings.

Additionally teachers enroll in professional development opportunities of their choice through the Brooklyn North Field Support Center, All teachers, including dual and the ENL teacher are encouraged to enroll in professional development opportunities that target the needs of students. These PDs support teachers in delivering common core aligned instruction by providing them with vocabulary and context strategies, assessment strategies, accessibility strategies and data analysis.

Access to remote learning has also provided teachers with the opportunity to attend virtual professional development sessions offered by the Department of Education or District 13

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

To assist the transition of pre-school children Early childhood in the elementary school program we:
1. Professional development has been offered to all Pre-K for the summer of 2025 on the new curriculum and Gold assessment.
2. Early childhood teachers are provided with joint literacy professional learning sessions.
3. Teachers provide parents with end of the year workshops on what to expect in kindergarten. Topic covered include:
   A. Modeling how to practice kindergarten skills.
   B. Setting clear bedtime and morning routines.
   C. Reasons to start phasing out nap time.
   D. How to make following directions fun.
   E. How to speak and asking their child what feeling.
4. At the end of the year (May and June) teachers start to hold conversations with the students on what will happen in kindergarten
5. PreK students are taken to the cafeteria so they can experience "lunch" as kindergarten students
6. Families are provided with early intervention services

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$140,868	X	Staffing, Per Session, Supplies, and Curriculum, Afterschool, Professional Development, Per Diem.
Title I, School Improvement 1003(a)	Federal	$4,763	X	Staff Afterschool Supplies
Title II, Part A	Federal	$32,781.00	X	Staff, Afterschool, and Supplies
Title III, Part A	Federal	N/A	X	N/A

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
YMCA	K-5	After school program	Support families with after school care
Grand Street Settlement	3K-5	Before and After school program	Support students to build social emotional skills
Brooklyn Public Library	3K-5	Supplmental literacy instruction	Support instruction through access to books
Studio in a School	K-5	Art instruction connected to curricula	Support teachers by providing art instruction that connects to curricula

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

YMCA: The relationship with the YMCA provides support for the majority of families at PS who need access to after school care. The program offers support with completion of homework, team building exercises, STEAM activities, physical activities, field trips, and snacks. The YMCA program coordinator meets quarterly to ensure that PS 54 school goals are supported in after school.

Grand Street Settlement: The program is supported by funding through the Century 21 grant. A program coordinator supports collaborates with PS 54 to develop programs during and after the school day. The programs are designed by staff to meet the individual needs of students. Activities generally support students learn how to resolve conflict, communicate effectively, control impulses, and positively contribute to PS 54's overall school culture. The after school program also includes helping with homework, but the staff designs lessons that center on building social emotional skills connected the CASEL framework.

Brooklyn Public Library: In the 2024-2025 school year, PS 54 will expand upon the foundational relationship built during the previous school year. The goal is to have all students visit the public library with the teachers taking students monthly to check books in and out of the library. They are also welcome to come and research topics related to project-based learning.

Studio in a School: This CBO has a long-standing relationship with PS 54 implementing art instruction. The teachers attend planning meetings bi-annually to work with Studio in a School staff to plan art projects that align to curricula. The teachers are in the classroom to work alongside to CBO providers to implement instruction.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Multiple events throughout the year are planned to invite families into PS 54 to showcase the work that students are doing in all programs. The Grand Street Settlement hosts a program on Saturdays which frequently hosts events outside the school where families are invited to attend.

YMCA hosts family events at the branch, further building relationships between the families, the CBO, and the school. YMCA also hosts shows in the auditorium several times throughout the year to welcome families in to see the students perform.

The Brooklyn Public Library joins informational sessions and hosts tables at fairs hosted by PS 54 throughout the school year.

Studio in a School showcases an art gallery at the end of each quarter to display the work that students create.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

The school guidance counselor and social emotional social worker host 2 events during the school year. At the beginning of the school year, the Back to School kickoff brings CBOs from the surrounding area that offer everything from mental health services to financial services for families. In April, another session is set up for families of children with disabilities to offer support with understand goals and programs in IEPs as well as information from CBOs in the are that offer solutions to learning and disability needs that students and families may struggle with.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

All of the CBO partners have program coordinators that meet daily or weekly with their staff to ensure that program requirements are being met. Each program coordinator meets with admin weekly to ensure there is a connection between PS 54 school activities and before and after school programs. All administrators from the CBO and PS 54 also meet quarterly as a team to ensure there is overall alignment of goals. The Grand Street Settlement also meets quarterly with the Century 21 grant compliance officer and the office of community schools to ensure the requirements of the grant are being upheld by all stakeholders.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Each year, program coordinators meet at the onset of the school year to develop a year-long plan that includes access points for SWDs and MLLs. Each CBO has guiding document that program coordinators are required to revisit with check points throughout the school year. Meetings are designed to review the program requirements and ensure that all access point are being adhered to by staff.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Emma Velazquez
Assistant Principal (Where Applicable)*	Emma St. Romain
English as a New Language (ENL) Teacher*	Nicole St. Clair
Teacher (if school has a bilingual program must be a bilingual teacher)*	Nelly Fuentes
Parent/Guardian*	
English as a New Language Teacher	Hendrika- Celebi
Dual Language Teacher	Yamel Garcia
Dual Language Teacher	Emma Peralta

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

2

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

143

Total number and percentage (%) of current ELLs:

41 (28.7%)

Total number and percentage (%) of former ELLs:

2 (1.4%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

40 (97.6%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

1 (2.4%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 (0%)

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0 (0%)

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

6 (14.6%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	Dual Language	Spanish		1	1												2
TBE																	0
TBE																	0
DLBE																	0
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

In addition to integrated instruction, we provide 180 hours a week of stand alone ENL instruction to MLL/ELL students at the entering and emerging proficiency levels. Stand-Alone ENL classes consist of small groups. Entering and emerging students are taught together and classes may consist of one up to two consecutive grade levels.

The ENL teachers plans with classroom teachers in order to align instruction to student needs and to students' classroom curriculum. The ENL teachers designs lessons which cover core content but also address students' language needs. For example, when the fifth grade students study about human rights, their ENL teachers teach entering and emerging level fifth grade students vocabulary about human rights in her stand alone class. They utilize guided reading, read-alouds, audio texts, videos, visuals, sentence starters, templates, modeling, language dives, experiential learning, explicit instruction of vocabulary and language structures, and role playing in their lessons. For each unit and lesson, Essential Teir 2 vocabulary words are taught that relate to the unit of study, and language structures that relate to the unit of study are also taught.

Students are encouraged to translate for each other, as translation has been shown to be a powerful learning experience for language learners (Cummins 2012). The teacher also provides translations through her own knowledge of the children's home language and Google and Microsoft Translating tools. Students are encouraged to read and write in both English and their home language.

During the school's strategic Reading Period, an ENL teacher administers Wilson's Fundations program to students when they are struggling with foundational literacy issued. ENL teachers also incorporate the Fundations program into their stand-alone lessons for grades K-2 which aligns with their classroom learning.

Integrated ENL:

Instruction in the Integrated ENL and content area classes is taught by a certified ENL teacher, and the students' general education teachers, and in ICT classes, the SPED teacher. MLL/ELL students at the entering, emerging, transitioning and expanding levels receive 180 minutes of integrated ENL /content area instruction a week. Commanding level students receive 90 minutes of integrated instruction for two years after passing the NYSITELL . Integrated ENL /content area classes are taught within a general education class. Integrated ENL/ content area classes consist of non-ELLs and MLLs/ELLs at varying proficiency levels.

Within the class, students may be grouped heterogeneously or homogeneously based on proficiency, depending on the activity. MLL/ELL students are sometimes grouped with other MLL/ELL students in order to target their particular needs. For example, when a class is studying about character traits, some ELL students may lack some vocabulary for describing characters, so we may group them together and explicitly teach the vocabulary for describing character traits. In other cases, MLL/ELL students are grouped with non-ELLs, either because their needs overlap or in order to scaffold the learning of the MLL/ELL students through communication with non-ELL students. For

example, when participating in group debates, an ELL student may be grouped with more proficient students who can help them express their ideas in English. MLL/ELL students will also have skills and knowledge that Non-ELL students can learn from.

In order to administer integrated instruction, the ENL teacher plans with the classroom teacher. She brings supports which address ELL students' language needs for a particular subject, unit, and lesson. She then may teach a parallel mini lesson to ELL students and other students whose needs overlap. A parallel mini lesson will address both the content area learning objective and the ELL students' language needs. Alternatively, she may deliver instruction through conferences during the independent study section of the class. The ENL teacher may provide illustrated vocabulary lists targeting at students' proficiency levels, translated vocabulary lists, texts in students' home language, sentence starters, graphic organizers, templates, supportive visuals, videos, modeling and/or language dives to aid students in mastering their content and language objectives. The vast majority of the time ENL push in during ELA instruction. In rare instances when scheduling conflicts make it impossible to push into a class for four periods of integrated ELA instruction, and ENL teachers, might push in during sciente or social studies.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

There is no Transitional Bilingual Education Program at PS 54.

Dual Language Bilingual Education (DLBE):

Instruction for MLLs/ELLs in the DL program is delivered by dual language teachers. The students of the same grade in the DL program are grouped as one heterogeneous class. Instruction for all students in the dual language program takes place based on the 50/50 model English/Spanish in literacy and other content areas. The whole class travels together as a group, and MLLs/ELLs and non ELLS work in heterogeneous groups within the same grade.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

MLLs/ELLs at each proficiency level receive the mandated number of minutes according the CR Part 154. The ENL coordinator who is one of the ENL teachers, Nicole St. Clair, generates the RLAT report in ATS, which gives the levels of proficiency of each MLL/ELL student according to their scores in the NYSESLAT the previous spring, or in the case of newly registered MLLs/ELLs, their scores on the NYSITELL. Based on the MLLs'/ELLs' levels of proficiency, a schedule is prepared for each MLL/ELL in which the number of mandated minutes of instruction is met. MLLs/ELLs at the Entering and Emerging levels receive 180 minutes of stand-alone ENL instruction in addition to 180 minutes of integrated instruction, making for a total of 360 minutes of instruction. MLL/ELL students at the entering, emerging, transitioning and expanding levels receive 180 minutes of integrated ENL /content area instruction. Commanding level MLLs/ELLs receive 90 minutes of integrated ENL /content area instruction or small group instruction from their classroom teacher. All entering and emerging level MLLs/ELLs in the Freestanding ENL/ ENL receive stand-alone ENL/ELA instruction and are offered support in the home language. Students in the DL program receive 50% of the instruction in English and 50% in their home language.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL minutes are administered through the ENL teachers, or through their Bilingual or TESOL certified classroom teacher. Stand alone ENL minutes are administer by the ENL teachers by pulling small groups of students from the class, and by the dual language or TESOL certified classroom teachers in small groups either in pull-out sessions or in small groups within the dual language or general education classroom. Integrated ENL minutes are administered by TESOL or bilingual certified teachers within students' main classroom.

ELA is administered during the ELA block which will be taught through the EL curriculum starting this year. Foundational Reading and Writing skills are taught from grades K-2 during a Wilson Fundations block, and for grades 3-5 to students who need it, during a strategic Reading Period. ELA is taught by the students' general education teacher, and during integrated instruction co-taught with the ENL teacher if the classroom is not certified in either TESOL or bilingual education.

Home Language Arts are mostly taught in the Dual Language program during the Spanish Language blocks, continuing with the same curricula as used in the English Language blocks. Instruction is delivered by the dual language teacher.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

PS 54 uses a self contained Dual Language model. English proficient and ELL students are integrated in all instruction except when stand-alone ENL is being taught to entering and emerging ELLs for 180 minutes a week.

Instruction for MLLs/ELLs in the DL program is delivered in a self contained classroom by dual language teachers. The students of the same grade in the DL program are grouped as one heterogeneous class.

Instruction for all students in the dual language program takes place based on the 50/50 model English/Spanish in literacy and other content areas. The whole class travels together as a group, and MLLs/ELLs and non ELLS work in heterogeneous groups within the same grade.

b. In which language(s) is each core content area taught?

Core content is taught 50% in English and 50% in Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

There is no Transitional Bilingual Program at PS 54.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

97.6 of our ELL students are Newcomers. Newcomer MLLs/ELLs are provided with differentiated instruction. The type of
instruction depends on their level of English proficiency. They are given books at their reading level, as well as targeted support
to understand grade level texts. They are all given integrated ENL and content area instruction within the classroom, where they are grouped with students who can serve as models for their language development. We use modeling, visuals, graphic organizers and sentence starters to scaffold Newcomers' instruction. Entering and Emerging level students are also given standalone ENL instruction which targets their specific language and academic needs. Newcomers may be adjusting to a new
culture as well as a new language. Therefore, Newcomers share and celebrate about their diverse cultures with each other and other fellow students. They compare their home languages with English, and their home cultures with US culture. We work to
find successful after school programs for enrollment of Newcomers.

2.4% of our ELL students are developing.
MLLs/ELLs. Developing MLLs/ELLs are targeted with the following interventions:
•Small group and differentiated instruction in the classroom.
•Monitoring the progress of students in all content areas to differentiate instruction for literacy needs.
•AIS support, in addition to ENL, during the day to enrich their language and academic skills.
•At PS 54, most of our developing MLLs/ELLs fall into either the expanding or transitioning categories of proficiency. We provide them with integrated ENL and content area instruction. We work with them in small groups that include students who
can serve as models for their language needs. We also provide teacher made models, graphic organizers, sentence starters,vocabulary tools, and
visuals to support the instruction of developing MLL/ELL students. They are also given targeted support to aid in their understanding of grade level texts. We work to teach them the advanced grade-level vocabulary and structures necessary to be fully proficient so that they do not become long term ELLs.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

No students have currently been identified as SIFE. When we identify students as SIFE we will give them targeted instruction in foundational literacy skills in English, and when possible, in their home language. We will also provide audio materials to support their content-area learning while they develop their literacy skills. We use a dictation site so that they are able to record their thoughts if they can not do so by writing them down themselves.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We currently have no long term ELLs.

Long terms MLLs/ELLsare MLLs/ELLs who have been unable to achieve English proficiency on the NYSESLAT after their 6th year of MLL/ELL services.
Our action plan for this group involves:
•Monitoring the progress of students in all
content areas to differentiate instruction for literacy needs.
•AIS support, in addition to ENL, during the day to enrich their language and academic skills.
Long term MLLs/ELLs would be provided with integrated ENL and content area instruction. They would be provided small group instruction with students who could serve as models for their language needs. They would be giveninstruction to support the development of academic vocabulary and language structures, as well as comprehension strategies for difficult
academic texts. They would also be given outlines and templates to support the organization of academic writing

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

We have two former MLL/ELL students at our school. (5.4 % of ELL students). Former ELLs are either provided with 90 minutes per week of integrated ENL in ELA or other content areas, or small group instruction from their classroom teacher for the first two years after they reach Commanding level on the NYSESLAT. Former ELL students already have a high level of proficiency, but they may still need some support with strategies to understand high level, complex texts. They may need support with high level vocabulary and structures, so they may still need some explicit language and vocabulary instruction.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The largest at-risk factor for ELL students are our school is Newcomer status. 97.6% of ELL students are Newcomers. The second highest at-risk factor for ELL students at our school is ELLs in temporary housing. The third largest at-risk factor for our school is students who did not make sufficient progress on the NYSESLAT (The other at-risk factors that affect ELL students at our school have to do ELA and math state tests, but since most of our ELL students arrived last year, many of them were exempt from the ELA test, and many opted out of the math test. Therefore, we do not have many students who have demonstrated that they have this at-risk factor. 1 ELL student (2.4%) scored a 1 or a two on the ELA test last year, also 1 ELL student (2.4%) scored a 1 or a two on the ELA test in 2023 and 2024. 1 ELL student (2.4%) scored a 1 or a two on the math test last year, also 1 ELL student (2.4%) scored a 1 or a two on the math test in 2023 and 2024.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

We have 1 former ELL (50%) in temporary housing. Our former ELLs do not have any other at-risk factors.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Other than English, by far the most common home language in our school is Spanish. We have 34 Spanish speaking ELL students. We also have 3 Arabic speakers, 3 Bambara speakers and 1 Urdu Speaker.
In our Spanish dual language program, Spanish home speakers are taught in their home Language during the Spanish blocks. For all MLLs we provide texts in their home Language whenever possible. These texts are easier to find in languages which are more commonly spoken in the US such as Spanish, than less common languages, such a as Bambara. We also translate some texts, directions, and key vocabulary for all MLLs, using bilingual staff and translating devices such as Google Translate and Microsoft Translator. During discussions, students are sometimes grouped with students that speak the same language so they can answer questions in English. Students are also asked to translate for each other during discussions.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

62% of ELL students at our school are are hispanic and American Indian or Alaskan Native, 12.5% are Asian, 12.5% are black and 1.2% are white. We celebrate and explore all of the cultures represented at our school. Many of ELL students are from Latin America and we have a school-wide Hsipanic Heritage assembly every October with performances by every class. We also have an annual multicultural celebration in which we celebrate the different cultures represented at our school and around the world, in some years this is mostly through music and dance, we have also held a multicultural gallery walk during our multicultural celebration. However, we do not only celebrate our students' cultures during these special events but on a daily basis. Students are provided texts whenever possible that reflect their home culture, and they are invited to share about their culture through writing or during class discussions.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

6 students did not meet targets for ELP sufficuent progress. 2 student met progress by exiting EL status. 1 student met annual progress target. Because so many new students arrived in the 2023/24 school Year, of ELLs with a 2024 NYSESLAT Proficiency level, 22 took the NYSESLAT for the first time.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Of the students who took the NYSESLAT in 2024 the largest number of student scored entering (15). The second largest group scored emerging (7). I believe this is because we had so many new arrivals that year. The next largest group of students scored expanding (4), then transition (3). We also had 2 students score commanding.

The largest number of students' area of strength was speaking (4). 2 students' are of strength was listening 1 students' are of strength was reading. No students' area of strength was writing.

The largest number of students with need in a modality was writing (21), but almost as many students' greatest had need in speaking
(20). 1 student had need in reading and one in listening.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

1 student who took the NYSESLAT also took the ELA test. He scored a 1.

3 studentw ho took the NYSESLAT also took the Math exam. 2 scored a 1 and 1 scored a 3.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Of the students with IEPs 1 scored entering, 2 scored emerging, 1 scored transitioning, 1 scored expanding, and 1 scored commanding.

We had no students designated as SIFE.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

NA

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

NA

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

NA

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

NA

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

We provide our ELLs with rigorous instruction by teaching to the same rigorous, cognitively demanding curriculum that all of our students use, EL for ELA, Envisions Math, Amplify Science, and Passport to Social Studies. These curricula ask students to wrestle with, and find solutions for real world problems. We make instruction accessible through supports catered to students' proficiency levels and their specific strengths and needs. Students at entering, emerging, and sometimes transitioning proficiency levels are provided with translations of texts and materials in their home langauge so that they can access the curricula. They are able to discuss new concepts in their home language with peers that speak that language when possible. All ELL students are given vocabulary instruction and support, instruction related to language structures, and supports such as sentence starters, modelling peer modeling, visuals, and conferencing. Students are assigned to a strategic reading period group based on reading and writing assessments, so that they are in a group that both supports and challenges them. Similarly, they are given support in the math strategic instructional period that relates directly to their neeeds.

The administration and staff work together during grade team meetings and Instructional Leadership Team meetings to develop instructional approaches and support teachers of ELL students based on their needs. We use school-wide data and formative assessments to determine what the students' needs are.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

PS 54's Instructional Leadership Team (ILT) meets monthly to discuss curricula and how to plan and adapt the materials
for ENL and dual language instruction. They use school-wide data and formative assessments to determine what the students' needs are. During grade team meetings members of the ILT help teachers of ELL students to assess their students' needs based on formative assessments and design instruction that meets their needs.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Instruction in the Freestanding ENL/ ENL only program is delivered in integrated ENL and content area classes taught by a certified ENL teacher, the students' general education teachers, and in ICT classes, the SPED teacher. In addition, students at entering and emerging proficiency levels are administered stand-alone instruction in ENL, taught by Ms. St. Clair and Ms. Hendrika, the ENL teachers.

MLL/ELL students at the entering, emerging, transitioning and expanding levels receive 180 minutes of integrated ENL /content area instruction a week, whenever possible, during ELA. Commanding level students receive 90 minutes of integrated instruction for two years after passing the NYSITELL or small group work with their classroom teacher. Integrated ENL /content area classes are taught within a general education class. Integrated ENL/ content area classes will consist of non-ELLs and MLLs/ELLs at varying proficiency levels. Within the class, students may be grouped in heterogeneous or homogeneous groups based on proficiency, depending on the activity. MLL/ELL students are sometimes grouped with other MLL/ELL students in order to target their particular needs. In other cases, MLL/ELL students are grouped with non-ELLs, either because their needs overlap or in order to scaffold the learning of the MLL/ELL students through communication with non-ELL students. MLL/ELL students will also have skills and knowledge that Non-ELL students can learn from. One of the ENL teachers runs a strategic reading group made of ELL students and non-ELL students in the upper grades who are struggling with foundational reading skills. She uses the Fundations curriculum.

In addition to integrated instruction, we provide 180 hours a week of stand alone ENL instruction to MLL/ELL students at the entering and emerging proficiency levels. Stand-Alone ENL classes consist of small groups. Entering and emerging students are taught together and classes may consist of one grade level, or in cases when needs overlap, two consecutive grade levels. Stand -alone lessons focus on language and incorporate language and themes from students' content area classes, including EL, and Fundations.

Instruction for MLLs/ELLs in the DL program is delivered by dual language teachers. The students of the same grade in the DL program are grouped as one heterogeneous class. Instruction for all students in the dual language program takes place based on the 50/50 model English/Spanish in literacy and other content areas. The whole class travels together as a group, and MLLs/ELLs and non-ELLS work in heterogeneous groups within the same grade. Students in the dual language classroom are taught in their home language using EL Spanish language materials, Lists, Raz-Kids in Spanish, sight words, syllable frames, visuals, and audio texts. All content areas are taught in both languages by dual language teachers. We utilize small group instruction to target students' strengths and needs. Dual language classes utilize the same curricula as non-dual-language classes, EL for ELA, Envisions for Math, Amplify for science, and Passport to Social Studies. When translations are provided these are utilized during Spanish periods. Otherwise teachers prepare their own translations of curricula.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

All MLLs/ELLs with IEPs are held to the same high expectations established in the Next Generation Standards, MLLs/ELLs are given the same learning opportunities and the same quality instructional materials the non ELL students use. The instructional materials that are used are appropriate for teaching ENL and are sensitive to the language and culture and academic development of the students. We teach to the Next Generation ELA Standards.

We integrate and scaffold skills and strategies covered in the EL ELA program which includes:

An array of materials, both print and non-print, on a variety of levels, are used. Classrooms have genre based libraries, content based libraries (baskets for math, and units of study within science and social studies), and computer based programs such as IXL that allow for differentiated instruction. All students are provided with an assortment of texts at their level in English, so they can choose the books that interest them. Students also use books on Get Epic. We use Wilson's Fundations with readers who need support with foundational literacy skills as well as Phonics for Readers. The Language Arts curriculum the school uses is EL Education. This curriculum provides scaffold suggestions for students with an IEP and/or ELL learners.

In addition, we ensure that MLL/ELL students have access to reading material in their home language, so that they can access content in their home language, and so that they can maintain their home language literacy. The school owns an extensive library of Spanish language books. We provide more Spanish or French language texts through Get Epic. This includes Spanish language consumables provided for students with Spanish language literacy and/or whose parents would be enabled to help their child through the use of Spanish materials.

MLLs/ELLs with IEPs are provided with manipulatives, visuals, and videos related to key mathematical concepts in order to enhance their understanding. MLLs/ELLs are provided with picture dictionaries for use in the content areas , and if literate in their native language, with word-to-word glossaries. They also use on-line translation such as Google translate.

Students are engaged in hands-on scientific exploration in classrooms and with a STEM cluster teacher. All students, including MLLs/ELLs IEPs use the Amplify Science curriculum. Students use the New York City Passport to Social Studies Curriculum which makes extensive use of visuals. Additional materials for Social Studies include trade books, primary source documents and word to word glossaries for students literate in their native languages. Students have access to non-fiction texts in their classroom.

b. SIFE

SIFE students are students with interrupted, little, or no formal education who are at least two academic years behind their age group.

When new students enter the school from another country, we assess whether to initiate the SIFE identification process by using the Home Language Identification Survey (HILS). The HLIS asks how many years the student had been in school previously, for how many hours a day, and whether the student had any prolonged absences. When a student comes from another country, even if they are not identified for SIFE evaluation at enrollment, we still continue to monitor their academic performance throughout their first year. If students are identified as in need of SIFE evaluation through the HLS or if their classroom performance indicates that their academic knowledge is several years behind grade level, we initiate the SIFE identification process. The SIFE identification process includes the NYSED Oral Interview Questionnaire, the NYSED Multilingual Literacy SIFE Screener (MLS) and the Writing Screener.
Once a student is identified as SIFE we provide academic intervention services as an extension of the regular school program by using both push in and pull out services which engage the following practices.
•Making an individualized student needs assessment
