Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement
- Part D: Staff Awareness

- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Public School 133K

District Borough Number (DBN):

13K133

Grades Served:

Pre-K – 5

School Address:

610 Baltic Street

Phone Number:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Heather Foster Mann	Principal or Designee*	
	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Renee Lalla	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
N/A	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
Nicholas Lee-Romagnolo	Member/parent	
Veronica Vela	Member/parent	
Karisma Casilla	Member/parent	
Anthony Disanzo	Member/parent	
Catalina Pena	Member/staff	
Latoya Gamory	Member/staff	
Danielle Holmes	Member/staff	
N/A	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

PS 133 William A. Butler School is committed to developing responsible, productive, and well-rounded citizens equipped with strong critical-thinking and academic skills. We are dedicated to loving our students, valuing our teachers and educational professionals, and partnering closely with our local community to ensure every child receives an exceptional education in a safe, nurturing environment.
Our school community is built upon three foundational principles:

Throw like confetti - We celebrate each other's successes and spread joy throughout our learning community
Bring yourself - We embrace authenticity and encourage every individual to contribute their unique strengths and perspectives
You belong - We foster an inclusive environment where every student, family, and staff member feels valued and connected

Through these shared commitments, we create a dynamic learning environment where students thrive academically, socially, and emotionally, preparing them to make meaningful contributions to their communities and the world beyond.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

At P.S. 133, we are committed to nurturing responsible, caring, and compassionate individuals who respect their world and possess the wisdom to navigate difficult decisions. We achieve this through our community agreements, Brain Power Wellness mindfulness techniques, and restorative practices that guide our daily interactions.
We believe leadership emerges when individuals make conscious, thoughtful choices both personally and as community members. At P.S. 133, student voices and ideas are valued and respected, with children remaining at the heart of everything we do. This commitment defines our school's essence and culture.

Recognizing that school serves as children's most consistent environment outside their homes, we actively build bridges between families and our school community. We see each child not as a statistic, but as a unique individual who belongs to both their family and the P.S. 133 family. Our special admissions policy serves both District 13 and District 15 families, with 35% of kindergarten seats reserved for English Language Learners and students receiving free or reduced lunch. As our community continues to evolve, we have established a P.S. 133 Equity Team comprised of staff and caregivers to address issues of race, equity, and inclusion while developing ethical practices that define our inclusive community. Social-Emotional Learning: Our curriculum integrates The 4 R's, Brain Power Classroom, and Sanford Harmony programs to create a comprehensive social-emotional learning experience that supports the whole child. Through partnerships with Studio In A School and Marquis Studios, students, K-5, receive

visual art instruction from teaching artists and dance support. Student artwork is displayed throughout the school and featured in exhibitions. Additional partnerships with S'cool Music and Ballet Tech further enrich our students' educational experience.

Dual Language Program: Our DLP begins in kindergarten with French/English or Spanish/English tracks, built on the principle that students learn best when they first develop literacy in their native language before transferring these skills to the target language. We continue to strengthen oral language development and provide scaffolds that support second language acquisition.

Briefly summarize the key initiatives your school will implement this school year.

PS 133's key initiatives for the 2025-2026 school year will center around Equity. We will be grounding our initiatives in our problem of practice: How can PS 133 teachers implement student-centered instruction that effectively addresses the academic needs of Black and Brown children leading to grade-level achievement in literacy?
As we continue to build equity in our school we will focus on the following initiatives:
-creating units of study that align with CR-SE frameworks and build in the pursuits of joy and identity from Dr. Gholdy Muhammad
-creating authentic talk discussions and providing students' time and space to use their voice and take ownership of their learning.
-implementing response to intervention that support Black and Brown students and increase their reading proficiency based on grade level standards.
-implementing socio-emotional learning best practices to show students the joy of learning through explicit and consistent socio-emotional learning supports.
-learning from the experts in the building through inter-visitation and PD plans were the expert teachers in our school community are able to share their skills and knowledge so that together the PS 133 staff continues to learn and grow.
-Continue the implementation of Equity team that includes parents and staff that will address problems of equity our school community faces such as representation on the PTA, black and brown students exiting in the dual language program.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Expeditionary Learning	K - 5	Print	none
Iluustrative Math Pilot	K-2	print /digital	
Envision Math 2.0	3-5	Print/Remote	
Exemplars	K - 5	Print	
Fundations/ Phonics	K-2	Print	
Heggerty Phonics	K-2	Print	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iReady Data, Acadience Data	Limited resources, economic challenges, students' school dependence	English Language Learners
iReady Data, Acadience Data	Economic challenges, students' school dependence	Students With Disabilities
iReady Data, Acadience Data	Economic challenges, students' school dependence	Bottom one-third

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	69	By June, 2026, literacy for All Students will improve, as measured by a 4% Increase, from 69 to 73, of percentage of students on the iReady Screener results.
All Students	81	By June, 2026, literacy for All Students will improve, as measured by a 4% Increase, from 81 to 85, of percentage of students demonstrating proficiency on the NYC Acadience Screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

iReady Screener

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Translate resources for English Language Learners - language scaffolds

Root Cause Addressed:

Limited resources

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Review current iReady and Acadience to identify specific skill gaps for ELL students and students with disabilities
Plan for instruction that includes multiple entry points for students (e.g. multiple means of representation and expression).
Begin vocabulary pre-teaching routines for ELL students across all grades (ELL Language Dive),
Scaffold content and language by building on students' background knowledge through the use of visuals as a way to support knowledge building.
Formative assessment through discussion and teacher led prompts.

Key Strategy 2 (Optional):

Plan for instruction that includes multiple entry points for students with disabilities

Root Cause Addressed:

Students' school dependence

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Review current iReady and Acadience data to identify specific skill gaps for ELL students and students with disabilities
Analyze mid-year benchmark data to measure progress toward goals.
Plan for instruction that includes multiple entry points for students (e.g. multiple means of representation and expression).
Leverage individual student reading goals to facilitate students transfer and generalizations of skill and comprehension strategies.
Increase frequency/duration of interventions for students not making expected progress
Create coaching cycles focused on differentiated small group instruction.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Formal Observations: Schedule regular formal classroom observations focused on the ELA Strategies

Informal Observations: Informal instructional walkthroughs to ensure action steps are implemented, provide ongoing feedback and support. Documentation of small group instruction differentiation and evidence of scaffolding.

Student Feedback: Gather feedback from students on their experiences.

Active data monitoring of BOY, MOY and EOY Screeners.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
			N/A
			N/A

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
EOY 2025, Classroom observations	Inconsistent explicit SEL instruction	Identity
EOY 2025, classroom observations	Surface level understanding about CRSE	Belonging
EOY 2025, classroom observations	Inconsistent explicit SEL instruction	Kindness

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 20% Decrease, in number of level 3-5 incidents reported in the cafeteria and recess from 50% to 30%, per the PS 133 School Level Reporting Logs.
All Students	10	By June, 2026, we aim to increase the number of our classrooms consistently implementing restorative circles- 4R's curriculum from 10 to 20 classrooms as measured by formal and informal observations.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Spring 2026

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Formal and Informal observations

Enter a Key Performance Indicator

Increase implementation of Restorative Circles

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Professional learning around Restorative Circles, informal and formal observations, Peer coaching
Designated times on the daily schedule/Flow of the day for 4R's
Instructional walkthroughs for September and October will focus on 4R's implementation

Root Cause Addressed:

Surface level understanding about CRSE

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Train lunch monitors and playground supervisors in positive behavior support strategies.
Develop common language and expectations for cafeteria and recess behavior.
Teachers will participate in Professional Development around the curriculum 4RS.

Key Strategy 2 (Optional):

Professional learning around Restorative Circles, informal and formal observations, Peer coaching
Designated times on the daily schedule/Flow of the day for 4R's
Instructional walkthroughs for September and October will focus on 4R's implementation

Root Cause Addressed:

Inconsistent explicit SEL instruction across all classrooms

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers will engage monthly workshops to share successes, challenges, and best practices
Teachers will observe model classrooms to see 4RS best practices.
Support students with targeted SEL practices related to understanding feelings and how we can express them.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Formal Observations: Schedule regular formal classroom observations focused on the implementation of restorative circles.

Informal Observations: Informal walkthroughs to provide ongoing feedback and support.

Student Feedback: Gather feedback from students on their experiences with restorative circles.

Teacher Reflections: Periodically collect reflections from teachers participating in the program.

Student Behavior: Review the correlation between classroom participation in restorative circles and the number of student behavior incidences reported using the School Level Reporting logs and OORS.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/18/2025	06/04/2026	Engage parents in aspects of 4RS curriculum during coffee chat	
09/18/2025	06/04/2026	Class Parent Check in with Admin	
09/18/2025	06/04/2026	Share content-area and unit of studies for the month through newsletter and parentsquare	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers, Class parent liaisons, Parent Coordinator, Administrative team

Instructional Resources

Parent square, selected books of the month, monthly newsletters, 4rs Curriculum

Schedule Adjustments

Every Monday second period implementation of 4RS & Every 1st and 3rd Friday

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
informal observations	implementation of new curriculum	Increased student engagement
kid watching observations, instructional walkthroughs	Teachers over scaffolding, implementation of Expeditionary Learning curriculum	Increased student authentic discussion

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	10 classrooms	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the number of classrooms integrating project-based learning approaches in Expeditionary Learning Curriculum will Increase by 10 from 10 classrooms to 20 classrooms, for All Students, as measured by student artifacts and observation data.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

formal and informal observations

Enter a Key Performance Indicator

student artifacts, student work and student engagement

Baseline:

informal observations

Enter the date for the baseline data:

October 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

10 classrooms integrating arts and project based learning in Expeditionary Learning

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

15 classrooms integrating arts and project based learning in Expeditionary Learning

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

20 classrooms integrating arts and project based learning in Expeditionary Learning

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implementation of meaningful projects in addition to written work to increase engagement and push the thinking.

Support systems put in place - Conduct needs assessment, continue professional development around PBL's

Student Readiness - students are active participants and project creators.

Celebrate success with presentations for every module.

Root Cause Addressed:

Students engagement

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Review current PBL implementation, identify barriers and support and include instructional team, lead teachers, and admin to support.
Provide feedback and coaching based on observations to support continuous improvement.
Allocating planning time for grade team to collaborate on possible projects to complete.
Prepare students with the learning expectations and autonomy to increase project-based learning.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/05/2025	06/26/2026	Incorporate Eyes on Equity at SLT Meetings	
09/05/2025	06/26/2026	Continue Principal Roundtable: Parent equity team, Coffee chat around SEL and Equity	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Cornelius Minor

Instructional Resources

Book of the Month, Mentor texts

Schedule Adjustments

Longer schedule for EL Education instruction, opportunities for EL Education projects

Other Resources Needed

N/A

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
I-Ready, 2025	Linguistic complexities of the math story problems	Increased accuracy and critical thinking in problem solving
I-Ready, 2025	Lack of flexibility in mathematical thinking in operations sense in K-2 students	To increase mastery in foundational numbers and operations sense in K-2 students

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	64%	PS 133 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the number of students at or above benchmark for All Students will Increase by 4% from 64% to 69% as measured by iReady screener .

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Analyze iReady data to identify trends and gaps. Set grade-level and subgroup targets aligned to the 4% growth goal.
Train staff on using iReady data to inform instruction.
Provide PDs on differentiated instruction and targeted interventions.
Engage students in setting personal iReady growth goals. Share progress tracking tools with students and families.
Analyze current Math iReady Screener data to identify strengths and areas needing improvement.

Root Cause Addressed:

Increase the opportunities for students to demonstrate multiple means of representation in math
Increase student accountablity

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Identify in lesson plans opportunities for students to articulate in math using number talks; Introduce students to number talks protocol in discussion. Implement number talks in daily routines and practice.
Plan for instruction that includes multiple entry points- ways of solving problems, Students given choice to select their own method of problem solving- using multiple representation.
Targeted PD for teachers in math in the areas of operations Teachers engage in practice of math content in Lab sites and peer intervisitations.

Key Strategy 2 (Optional):

Implement small group instruction based on iReady diagnostics. Use iReady instructional tools and teacher-created resources.
Conduct mid-year iReady assessments. Hold data meetings to adjust instruction and interventions.
Implement targeted intervention programs for students identified as below proficiency in the iReady Screener assessments.

Root Cause Addressed:

Linguistic complexities of the math story problems

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement problem solving strategies utilizing the standards for mathematical practice.
Use formative assessments to adjust instruction and interventions in real-time.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Formal Observations: Schedule regular formal classroom observations focused on the MathStrategies
Informal Observations: Informal instructional walkthroughs to ensure action steps are implemented, provide ongoing feedback and support.

Student Feedback: Gather feedback from students on their experiences.
Active data monitoring of BOY. MOY and EOY Screeners.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/18/2025	06/04/2026	Family University: specific workshop performed by teachers to support math implementation	
09/18/2025	06/04/2026	Create a resource bank for families to access	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Assistant Principal, Math Consultant, Math Teacher Lead, Assistant Principal

Instructional Resources

Envisions Digital\, Math exemplars, iReady Digital

Schedule Adjustments

Providing additional preparation for planning math

Other Resources Needed

N/A

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June, 2025 & attendance survey	Inconsistencies in meeting agendas including equity considerations as a standard item.	Increase equity considerations into all leadership decisions.

June, 2025 & attendance survey	Professional Development gaps on equity.	Increase equity considerations into all leadership decisions.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	0	By June, 2026, members of PS 133 leadership teams (Class parents, School Leadership Teams, PTA board & Committee Chairs) will attend at least 3 equity-related events, as measured by attendance records.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. - Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Modeling equity-focused conversations
Share equity related events

Root Cause Addressed:

Professional Development gaps on equity

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create equity event calendar with virtual and in-person opportunities ensure multiple options
Develop attendance tracking system with clear definitions of qualifying events
3-2-1 reflection self reflection survey
Use CCAR agreements in leadership meeting
Eyes on Equity section of meeting agendas

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Regularly track attendance and participation of members of PS 133 leadership teams attending equity events. Such as PFLAG Workshop, Principals Roundtable Equity meeting , D13 Anti-racist Town Hall meeting and other equity events held.
Tracking the agendas to ensure there is Eyes on Equity and the 4 agreements are used in SLT and PTA meetings.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/18/2025	06/26/2026	Open invitation to Principals Equity Roundtable meetings	PTA, SLT, Equity Roundtable team
09/18/2025	06/26/2026	Equity conversation in coffee chat with Families	Administration, Equity team

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

PTA, Admin, Equity Roundtable team, SLT, PFLAG, BET-Building Equity Together

Instructional Resources

Technology access, District equity events

Schedule Adjustments

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Increase the rate of attendance for chronically absent students	Illness, transportation and family travel	ATS, insight and late book
Increase the overall attendance rate of all students	Family travel	ATS, insight and late book

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	91	By June, 2026, the students who identify as chronically absent for All Students will increase by 2%, from 91 to 93, as measured by the New Visions Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Provide outreach by attendance team

Root Cause Addressed:

Family Travel

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Classroom teachers will submit daily attendance in a timely manner, cross-checking lateness with recorded absences.
Recognize “good”/ improved attendance.

Key Strategy 2 (Optional):

Ensure families have transportation

Root Cause Addressed:

Illness and transportation

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Classroom teachers, attendance team will communicate with families in a timely manner about chronic absences and lateness.
Recognize entire class and grade levels for attendance.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

ATS Attendance Data

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/05/2025	06/26/2026	Highlight families in need of attendance support. Provide outreach by Attendance team i. e. wake-calls, visits by Family Worker	
09/05/2025	06/26/2026	Ensure families have access to bus transportation Remove all barriers	

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
		IEP Development and Fidelity of Implementation
		Transition Planning and Compliance
Number of referrals	Inconsistent application of referral protocol	Referral Process and Equity

		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50	By June, 2026, to strengthen the quality and implementation of IEPs for All Students, we will improve the referral process by a at least 3 targeted professional development sessions as measured by referral documentation reports.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Differentiated training based on staff experience level

Root Cause Addressed:

Inconsistent application of referral protocol

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct needs assessments survey to determine staff experience with referral services.
Create accompanying materials and resources for each level.
Deliver three targeted personal development sessions per experience level.
Regular team meetings to analyze referral effectiveness.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly meeting with key stalkholders (SIT team and classroom teachers)

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/18/2025	06/04/2026	Coffee Chat with families	Admin team

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

IEP teacher, SIT, all classroom teachers

Instructional Resources

RTI, referral process, continue with screeners

Schedule Adjustments

RTI, pulling students from classrooms for intervention

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Academic After-school Tier 2	Student academic performance/ needs	After school	Small group	After school	No
SETSS Tier 3	IEP mandated goals	Special Education	Small group and on-to-one	During school	Both
SPIRE Tier 3	Student academic performance/ needs	Special Education	Small group	During school	No
At Risk intervention Tier 3	Student academic performance/ needs	Morning/ during intervention\n	Small group	Before/during	Both
I-Ready Intervention	Student academic performance/ needs	Morning/ during intervention	Small group	During	Both

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Stanford Harmony	Social emotional supports/needs	Social Emotional	Whole class, small group	During	No
The 4Rs Program	Social emotional supports/needs	Social Emotional	Whole class, small group, restorative circles	During	No
Brain Power	Social emotional supports/needs	Social Emotional	Whole class, small group	During	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Schools communicate the essential components of Multi-Tiered System of Supports (MTSS) to families through multiple, accessible channels to ensure understanding and promote collaborative partnership. During curriculum night, families receive information about the high quality instructions available and different intervention strategies. Information is shared at parent-teacher conferences and family workshops.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Before any intervention begins, families are contacted to discuss their child's specific needs, the recommended intervention approach, and expected outcomes. This includes explaining the data that led to the intervention recommendation. Families will receive iReady summary reports of BOY, MOY and EOY.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families provide input on intervention approaches that align with their child's learning style, interests, and cultural background. Parents participate in decisions about how intervention strategies can be reinforced at home, ensuring consistency across environments and maximizing the intervention's effectiveness.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

12

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Trends with our STH students have shown that they encounter difficulty having access to after school opportunities. Families struggled with picking students up on time due to work constraints and/or travel time/distance. We provided after school enrichment that gave all STH families access to after school care while engaging the students in activities and events that supported their academic and social development.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

STH students meet with the School's Counselor as needed. We provide specific times to check in with students in small group sessions. We provide materials including at home libraries, devices, uniforms and school supplies. Libraries that reflect a diverse range of genres and cultures. After-school and before school opportunities are critical

for STH students and we ensure that there are no barriers to students participating in these events by providing metro cards, bussing , early drop off and late pick up. We ensure that STH students have access to our paid afterschool programs by providing scholarships through the PTA.

Intervention support is also provided to STH students. We ensure that they have the materials for both at home and in school use.
An adult is assigned to ensure attendance is monitored to all students and STH students are carefully monitored by the school's attendance team.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

We currently have six students who are enrolled under "In foster care" status.
Out of the six students four of the students currently hold IEPs
Those students receive individual and group counseling 1 to 2 times week depending upon their IEP mandate
For students that do not have an IEP they receive intervention counseling. They are seen once a week within a group setting.
They are grouped by their social emotional needs (i.e. social skills, coping, anxiety, academic support, etc.)
All students receive a weekly check-in for attendance.

Check-in consists of a phone call home to the guardian to provide support and to determine if other supports are needed.
If needed wake up calls are provided to insure that students attend school everyday on time
Weekly check-ins are done with classroom teachers to see progression of students work and as well as any areas that they need additional academic support students are enrolled in weekly after school academic support throughout the school year.
All Foster care involved Students are enrolled in Enrichment after school throughout the school year
Students are provide with additional materials (ie. notebooks, pencils, blankets, water bottles, and toiletries

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

All guardians of foster care students meet with the school parent coordinator and school secretary to verify contact information and establish a primary point of contact for any school-related concerns or questions.

Additionally, guardians have meetings with the counseling staff to discuss any existing concerns and to determine

any additional supports that may be needed.

A clear line of communication is also established with the foster care social worker or agency, with monthly updates provided or more frequently as needed.

To ensure consistent support, all services—including counseling, academic support, and attendance—are carefully documented within the school. This in-house system tracks each student's participation in day school counseling, after-school academic support, and enrichment activities, ensuring that the needs of our foster care students are met and maintained.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Emerging trends for our foster care students have highlighted significant challenges, particularly related to consistent school attendance. Many of our students face instability in housing and transportation, which directly impacts their ability to attend school regularly. This inconsistency in attendance often leads to academic struggles, as students miss crucial lessons and assignments.

However, once stable housing and reliable transportation are in place, students tend to thrive academically. With fewer obstacles to overcome, they are better able to focus on their studies and engage in the learning process.

Guardians have frequently shared that getting their children to school is a major challenge, especially when factoring in additional appointments related to foster care. These insights suggest that creating a more efficient system for arranging and accessing transportation could significantly improve student attendance. A streamlined process that reduces wait times for establishing transportation would help alleviate one of the key barriers these students face.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Students in foster care with IEPs and without IEPs receive ongoing counseling as they transition into middle school. To ensure a smooth transition, the counseling staff meets regularly with middle school educators to share strategies and provide any necessary updates regarding each student's needs.

Families are offered one-on-one meetings to discuss middle school options and determine the best fit for each student as they progress to the next grade level. Additionally, families are provided with counseling referrals to maintain support during the summer months when school is not in session.

As part of their transition, students are given a toolkit of coping strategies they have developed and practiced over time. These strategies help students regulate their emotions, stay focused on learning, and build their confidence. They also foster resilience by supporting problem-solving skills and enabling students to make healthier decisions as they move into middle school.

School wide all students engage in restorative practices/circles that create opportunities for the students to learn coping skills, social skills, and community.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. Public School 133K in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Public School 133K will support parents and family members of Title I students by:
•providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
•providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
•fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
•providing assistance to parents in understanding City, State and Federal standards and assessments;
•sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
•providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
•actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
•engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
•ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
•support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
•maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
•conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

•provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
•host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
•schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
•translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

Public School 133K will further encourage school-level parent and family engagement by:
•hosting educational family events/activities during Parent-Teacher Conferences virtually and throughout the school year; i.e. Coffee Chats, Parents as Learning Partners,
ensuring that meetings are translated
•encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
•supporting or hosting Family Day events;
•establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
•encouraging more parents to become trained school volunteers; be active class parents, serves as a liaison between teacher and families
•providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
•developing and distributing a monthly classroom and school newsletter or web publication designed to keep parents informed about school activities and student progress;
•providing regular written communication between /teacher and the home through Parent Square application and email, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

Public School 133K, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:
•using academic learning time efficiently;
•respecting cultural, racial and ethnic differences;
•implementing a curriculum aligned to the State Learning Standards;
•offering high quality instruction in all content areas;
•providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:
•conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
•convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
•arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
•respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
•providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
•involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
•providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
•ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
•ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
•notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
•arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
•planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
•creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
assisting families with remote learning , and connecting to devices, supporting with google classroom
•assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
•sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
•supporting parental involvement activities as requested by parents and family members;
•ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
•advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

•monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
•ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
•check and assist my child in completing homework tasks, when necessary;
•read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
•set limits to the amount of time my child watches television or plays video games;
•promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
•encourage my child to follow school rules and regulations and discuss this Compact with my child;
•volunteer in my child's school or assist from my home as time permits;
•participate, as appropriate, in the decisions relating to my child's education;
•communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
•respond to surveys, feedback forms and notices when requested;
•become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
•participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;

•take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
•share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

•attend school regularly and arrive on time;
•complete my homework and submit all assignments on time;
•follow the school rules and be responsible for my actions;
•show respect for myself, other people and property;
•try to resolve disagreements or conflicts peacefully;
•always try my best to learn.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Heather Foster-Mann
Assistant Principal (Where Applicable)*	Deanne McGhie
English as a New Language (ENL) Teacher*	Marie-Laure Dubois
Teacher (if school has a bilingual program must be a bilingual teacher)*	
Parent/Guardian*	Tabby Cardoza
Teacher	
Parent Coordinator	
School Counselor	
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

1

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

10

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

551

Total number and percentage (%) of current ELLs:

36 and 6.5%

Total number and percentage (%) of former ELLs:

14 and 2.5 %

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

32 and 88.9%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

4 and 11.1%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1 and 2.8%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

10 and 27.8%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Dual language	French	2010	1	1	1	1	1	0.5								5.5
DLBE	Dual Language	Spanish	2005	2	2	1	1	1	1								8
DLBE																	0
				total: 3	total: 3	total: 2	total: 2	total: 2	total: 1.5	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Ps 133 will serve our ELLs in 2025-26 according to their 2025 NYSESLAT level of English language proficiency. During the 2025-26 school year we will serve children from our monolingual and dual language classes, of which are ICT (Co-Team Teaching) classes, Self-Contained class, Kindergarten Spanish Self Contained Dual Language classes, first grade through 3rd grade French self contained Dual Language, and first grade through fifth grade Spanish Self Contained Dual Language class.

The ENL program at PS 133 is a freestanding pull out/push in program. The students receive all instruction in English with language support. Three hundred sixty (360) minutes total of ENL instruction is provided to all Entering and Emerging level students; 180 minutes are ENL and 180 of the minutes are integrated with ELA. Transitioning-level and expanding-level students receive 180 minutes per week of ENL instruction, broken down by 90 minutes of standalone ENL and 90 minutes of integrated ENL minutes. Expanding level ENL students receive 180 minutes of integrated ENL services as per the CR Part 154. For students that score at the commanding level receive 90 minutes of integrated ENL support.

Our ENL freestanding program incorporates content area learning using ENL methodology. Guided Reading, Shared Reading, Independent Reading, Shared Writing, Independent Writing and Word Study are used to make content areas comprehensible, with hands-on activities to assist the English Language Learner. All lessons for ELLs are aligned with New York City, State, and Common Core Learning Standards.

Integrated ENL:

To provide students with support in areas of assessments there is continuous reinforcement of English Language Arts and Mathematics skills. There is an emphasis on all four modalities in our integrated English as a New Language classes, which are: reading, writing, speaking and listening. Classroom teachers use various graphic organizers, such as semantic webs, bubble maps, Venn diagrams, K-W-L charts which help the students with their reading comprehension and with the writing process. The Balanced Literacy Approach and Workshop Model are consistently used in lessons. The ENL teacher uses the whole language approach, scaffolding, intensive vocabulary instruction, Total Physical Response (TPR), and the Cooperative Learning and Cognitive Academic Language Learning Approach (CALLA). The leveled fiction and non-fiction libraries available to all students, reflecting various genre and themes.

During Writing Workshop, it is acceptable for students to write in their native language. This encourages the students to apply the new skills and techniques in their writing without the fear of the new language. Students are encouraged to use their native language skills to assist them in learning English.

Our ENL program is structure to create as many heterogeneous groups as possible. Students are programmed by

grade and age appropriate groups; in some cases students are programmed by language level to ensure all students receive the support they need. When the ENL teacher analyzes the periodic assessments she shares the results with classroom teachers. The classroom teachers share the results of the Acadience and I-Ready screeners and EL assessments with the ENL teacher on an on going basis as well. This ensures that the students are continually placed in correct groups and progressing in a timely fashion.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

TBE - N/A

Dual Language Bilingual Education (DLBE):

For students that score at the commanding level receive 90 minutes of integrated ENL support. The ENL instruction is provided by the dual language (DLP) teacher in classrooms that are self contained DLP classes. Our Entering and emerging students receive 360 minutes per week of ENL instruction and support and our transitioning and expanding ELLs, they receive 180 minutes of ENL support and instruction per week.
Our ENL teacher, Ms. Dubois will support our ELL on English days and works closely with the teacher who is on an English day, following the dual language model. The grouping is done based on what we know about the students in order to best support them we use academic benchmarks and teacher created informal and formal assessments to ensure the student it getting the support he/she needs.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

All ELLs at PS 133 will be programmed to receive the specified amount of stand-alone ENL and/or integrated ENL minutes based on the level they scored on the NYSESLAT from 2024. ENL program: three hundred sixty (360) minutes total of ENL instruction is provided to all Entering level students; with 180 minutes of standalone ENL instruction. Providing those students with and additional 180 minutes of integrated ENL/ELA in their classrooms. For grades that are spread across many different classrooms, our ENL teacher pushes in with these students into one classroom, since all classes follow the same curriculum. For our emerging leveled students, three hundred sixty (360) minutes total of ENL instruction is provided to Emerging level students; with 90 minutes of standalone ENL instruction. Expanding level ENL students receive 180 minutes of integrated ENL services as per the CR Part 154. The instructional day for our DLP students are 50/50. (50% in English and 50% in Spanish or French) in our lower grades, K-2. In grades 3-5 the language changes every other day and one day is full English and the next is full Spanish or French.

For students that score at the commanding level receive 90 minutes of integrated ENL support through project-based learning and ENL classroom push in supports. Dual Language: In this model, content is taught in both languages throughout the day. Teachers support our ELLs by scaffolding the content on English days. ELLs in our DLP also get support in their classroom in individual support and small group instruction.

The minutes are followed as per part 154. Dual Language class lessons are taught in French and Spanish on French days or Spanish days, and content area is taught in English on English days. The number of minutes for Native Language Arts instruction are adhered to 50/50 model. These various models are programmed into STARS and our ENL teacher works closely with administration to ensure all students receive the mandated minutes.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Instruction is designed so that both languages can be used to teach each content-area. This work is done by our DLP team and coaches to. support instruction to include both languages. The yearly goals and overall curriculum for each DLP class in every grade includes both
languages daily in all of our DLP classes. Literacy instruction in both languages happens in each class, equally. The oral and written work that has been designed for students is in both languages as well. The instructional days for our DLP students are 50/50. (50% in English and 50% in Spanish or French) in our lowergrades, K-2. In grades 3-5 the language changes every other day and one day is full English and the next is full Spanish or French. Teachers will teach the academic vocabulary, skills, and knowledge of each content area in both languages, and students are given opportunities to interact with the subject authentically in each language, using a variety of tools including (but not limited to) read alouds, visual aids, grouping, classroom artifacts (e.g. charts) and formative assessment. Students complete homework that has been designed to include both languages. Assessment of skills may take place in either language, as a result.
In dual language classes, emergent literacy is first taught sequentially with students being assessed and given small group instruction in their home language at first. After students reach grade level mastery in their home language based on their running record and writing production, students will begin to be assessed and given increased language instruction in their second language. While emergent literacy is taught sequential students are exposed to literacy in both languages from the onset. Literacy instruction occurs in both languages throughout the year and students are given support with visuals as well as a bilingual buddy to assist in their understanding of literacy in their second language. By exposing students to literacy consistently across both languages, students are able to to transfer their literacy skills. Literacy is taught in both languages simultaneously. Children are exposed to both languages at the same time, but are only assessed in their native language, until they reach proficiency. Then they are transitioned to L2. In the meanwhile, they are exposed to L2 through morning routines, read alouds, visual cues,

bilingual word walls, language partners and translanguaging. Transition to L2 usually begins in First grade and continues in the uppergrades. The instructional days for our DLP students are 50/50. (50% in English and 50% in Spanish or French) in our lower grades, K-2. In grades 3-5 the language changes every other day and one day is full English and the next is full Spanish or French. Allcore content areas are taught bilingually, with the exception of Math. Math is only taught In English for grades K-5; therefore student's home language is integrated into instruction everyday in our DLP.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

According to Part 154-2, English As a New Language Units of Study and Staffing requirements, three hundred sixty (360) minutes total of ENL instruction is provided to all Entering and Emerging level students; 180 minutes are ENL and 180 of the minutes a re integrated with ELA. Transitioning-level and expanding- level students receive 180 minutes per week of ENL instruction, broken down by 90 minutes of stand alone ENL and 90 minutes of integrated ENL minutes.
Expanding level ENL students receive 180 minutes of integrated ENL services as per the CR Part 154. For students that score at the commanding level receive 90 minutes of integrated ENL support.

The ENL instruction is provided by the dual language teacher in classrooms that are self contained DLP classes. For ELL who are in the DLP and part of the the side-by-side model, our ENL teacher, Ms. Dubois will support the ELL on English days and works closely with the teacher who is on the English side of the side-by-side model. The grouping is done based on what we know about the students in order to best support them we use academic benchmarks and teacher created informal and formal assessments to ensure the student is getting the support he/she needs.

b. In which language(s) is each core content area taught?

The core content areas that are taught bilingually are: science, social studies, reading, and writing.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

PS 133 has 32 Newcomers (0-3 Years of Service), which is 88.9% of our ELLs population. We differentiate our lessons for our ELLs, our newcomers are given more time than other ELLs and we will work with one-on-one during the extra time given to them. We have provided space for our newcomers to get them extra support for fundations support. At Ps 133 we will hold parent orientations for parents/families to meet the parent coordinator, teachers, nurses, and other staff that will be working with their child, as a student and newcomer. At the meeting we will inform the family (through translation as needed) of exception, supports at our school and in our school district, and parents will complete the ELL survey and agreement paperwork. All newcomer families will be given contact information for our ELL teachers and coordinators and their classroom teacher contact via parent square, email, and school phone number.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

We had 1 SIFE, which was 2.8% of our ENL population in 2024-2025 but she is moving to middle school. So in 2025-2026 we currently have 0 SIFE students enrolled.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We have 0 Long-term ELLs(7 or More Years of Service) 0.0%

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

At Ps 133 we have 8 Former ELLs, those who have tested Out in May 2024, which is 8 1.5% of our ENL population. We will recheck how many more have tested out when the scores come out for May 2025 NYSESLAT. All our students who have scored at a commanding level in May 2024 and May 2025 on the NYSESLAT are provided with small group ENL services and they all receive those supports. They continue to receive those supports for two years after scoring at commanding. For two consecutive years they will have ELL test modifications.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

At PS 133 we have 9 ELLs who are at risk who live in temporary housing.
The trends we are seeing is that we have 3 ELLs who scored a 1 or 2 in Math Last School Year.
As for the NYSESLAT trends we will that focus needs to be put on writing for all levels of ELLs. Our students become proficient in listening and speaking by about year two of being an ELL, some even by the end of year one. In our DLP reading and writing are not taught in English until second grade. Students learn to read and write in their native language first, French or Spanish. Then they learn to read and write in English; therefore students in grades K-2 are unable to fully complete the NYSESLAT reading and writing sections ,the DLP is designed that way that hey do not learn basic reading and writing of two languages at the same time. Oral language is taught at the same time, which is why our students who are ELLS score much higher in listening and speaking in grades K-2 than reading and writing.
Many of our at-risk ELLs are not reading at grade level and they struggle with fluency. We also notice that our ELLS are not meeting the standard at Math due to lack of exposure in the early childhood stage to numbers and basic math foundation. We notice a trend that many of our ELLs who are risk take more time to become fluent in speaking in English. We have 13 ELLs who did not demonstrate sufficient ELP progress (Spring 2024 NYSESLAT). Our highest percentage of indicators for at-risk ELLs are our newcomers.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

We notice that the at-risk former ELLs at our school are made up of both inside and outside factors. Outside factors include that we have 4 Former ELLs in Temporary Housing, access to healthcare and parents working long hours.
The at-risk levels that might adversely affect former ELLs at our school are:
Math: Former ELLs Who Scored Level 1 or 2
Last School Year, 16.7%
Former ELLs in Temporary Housing, 8.3%

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

AT PS 133 our ELLs Home Languages other than English are:

0K 1 2 3 4 5 6 7 8 9 10 11 12 Total

Spanish
K: 8 1st: 5 2nd: 3 3rd: 6 4th: 3 5th: total: 26

French
K: 1 1st: 3 2nd:1 Total: 5

Arabic
1st: 1 total: 1

Hebrew
1st: 1 total: 1

Japanese
2nd: 1 total: 1

Portuguese
K:1 total: 1

Russian 1 1

In DLP classes, the home languages for our ELL students are predominantly French and Spanish. Their teachers speak the home
language and are able to communicate with families in the home language. Important resources and communications are
generally translated or offered in translation. Parent-teacher meetings may happen in both languages, due to the support of our bilingual
staff.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethical classification of ELLs are Arabic, French, and Hispanic. ELLS are being included in the planning and delivery of CRSE by ensuring student representation in curriculum materials, we provide a welcoming and affirming environment with access to home language, teacher training in anti-racism, teacher training in strategies to support language development and varying perspectives. In addition, teachers utilize the passport to social studies curriculum which provides a culturally and linguistically responsive protocols that scaffolds and supports ELLs. As a school we: identify the expectations, of the lesson, consider lesson content of ELLS strategies and needs, assess knowledge building, and take next instructional steps. According to the Race and Ethnicity by grade level chart in our Spring 2025 ELL data analysis tool we have 12 ELLs who identify as being white 6 ELLs identify as being multi race an 10 ELLs identify as being black, 2 identify as Asian.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

As we reviewed the ELP growth at our school we noticed that 41.4 % Met Progress by Exiting ELL Status. 3 students Met Annual Progress Target, which is 10.3%, and 14 did not meet the progress, which is 48.3%.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

When we look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT) we realize focus needs to be put on writing for all levels of ELLs, according to our NYSESLAT data. Our students become
proficient in listening and speaking by about year two of being an ELL, some even by the end of year one.
In our DLP reading and writing are not taught in English until second grade. Students learn to read and write first in their native language, French or Spanish. So we know that is why our first and second graders don't score well on the reading and writing in English on the NYSESLAT. Students in grades K-2 are unable to complete the NYSESLAT reading and writing sections, the Dual language program is designed that way that they do not learn basic reading and
writing of two languages at the same time in the early grades. Oral language is taught at the same time, which is why our students
who are ELLs score much higher in listening and speaking in grades K-2 than in reading and writing.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The relationship between students' performance on the NYSESLAT 2024 (most recent as of now) and other state assessments is the need to see improvement with writing. This observation will drive our planning for this school year, 2025-2026 for our ELLS.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Based on the NYSESLAT 2023 (2024 date is not released yet) data, two long term ELLs who scored at entering are also Sp Ed students in a 12-1-1 setting. Our ELL teacher works closing with the SP ED teacher of these long term ELLS to support them with their IEP goals and classroom work.
This is the second year we have had SIFE students, they took the NYSESLAT in May 2024. The NYSITELL data from 2023, for our SIFE students, shows us they need support in all English domains, writing, listening, speaking, and reading.
We will see the progress in the Fall of 2024 data from the NYSESLAT.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

In our school, at Ps 133 we provide scaffold for our ELLs so they all have access to classroom content. Our teachers preview the text or topic and identify vocabulary or topics that might be new for our ELLs. Our teachers write these words and phrases on the board and have students write them in their notebooks or on index cards. Our ELLs all have vocabulary notebooks that they use in their classroom. We often use visuals, acting, translation or synonyms to relay the meaning of the word to the students. We also partner out students up with a bilingual student in the classroom. We put effort into ensuring academic language is introduced and then reinforced. Our ELL teacher pre-teaches academic vocabulary to support our ELLs. We know that it is important to create assessments that measure knowledge in a meaningful way and that work is starting to get done with the new EL curriculum. As of now, the pre-assessments in the Expeditionary Learning (EL) curriculum are not accessible to our entering and emerging students. They will not understand any of it. We are working to look at the overall ask of the assessments and adding supports to then provide a pre-assessment so that our ELLs have access to and provides them a chance to show what they know about the topic.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional Team is focused on ensuring ML/ELLs needs are addressed as part of Tier 1 instruction/curriculum as well as during push-in/pull out ENL and DLP programs. Collaborative teams (eg. DLP Team) work to develop shared definitions of high quality instruction and supports through professional development (PD) sessions, learning walks (LW), peer observations, and lesson study groups on both vertical and horizontal teams.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Early childhood:
Students receive instruction (Spanish/French DLP) daily for half of the day as per 50/50 model. Content is delivered

through song/poem, read alouds, phonemic instruction, and reading/writing thematic instruction. Thematic units allow for direct vocabulary instruction as well. The use of visuals, media, and peer support foster language development of both monolingual and bilingual students. Visuals. audio/media support is also provided to families to continue supporting L2 acquisition at home.

Childhood : Students receive core content in French (French DLP) or Spanish (Spanish DLP) twice a week (Tuesday and Thursday). Self-contained is a program model where one teacher works with one set of students, and instructs them in all content areas. Side-by-side is a program model where two teachers share two sets of students, and one teacher teaches in the language while the other teacher teaches in English. Each program model receives a total of 90 days in English and 90 Days in the language. Teachers must instruct and stay in the language of instruction. Teachers use visual support such as bilingual charts, papers to help students acquire both social and academic languages. To foster language development, Students are grouped heterogeneously, bilingual learners and English language learners are together for both English and French/Spanish instruction.

Teachers integrate science and social studies and literacy units about a variety of topics as indicated in the curriculum plan. Students have a designated Science teacher, one for upper grades 3-5 and one for lower grades K-2 and they both teach science in English to all students. Students are taught content-specific vocabulary lessons. Vocabulary is reviewed orally. Math is taught in English only in our DLP.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Our ELL program modifications for ELLs with IEPs effectively integrates technology through the usage of ipads to provide visual literacy. We know that pictures can be read and that meaning is communicated through the process of reading images. This modification empowered my students by providing them access to the content area lessons. Our visual learners were both receptive and productive using their ipads in content area classes.
We have one non verbal ELL with an IEP and he uses an Augmentative and Alternative Communication device, which he carries to all of his classes.
We build scaffolds into all the content area grade level work ensure our students have access to the material. For example, the topics of Social studies and science are shared with our ELL teacher and she provides pre-unit vocabulary support through oral and picture lessons.
Our ELL teacher is part of the IEP meetings for our ELLs with IEPs in order to ensure the IEP goals are incorporated into the ELL lessons.

b. SIFE

Our school has two SIFE students. We have created a double period fundations course for these students to provide them with phonics and fundatation work to give them the tools they need to access material to help them grow in reading, writing, speaking, and listening.
They are grouped with two other students who are not listed as SIFE, but are very low and those four students will continue in that double phonics/fundations course in the 2023-2024 school year.
We saw data from last school year to show two of our students had progressed two reading levels and were using the 100 word fundation words in writing and speaking.
One of our SIFE did not progress with her word list, she is still struggling to read aloud the 25 sight word list. She has

not yet learned to read or write in her home language, Spanish. She is not transferring L1 knowledge to L2, she is learning to read and write in both English and Spanish currently in her bilingual class. For her we created a listening component that provides her an additional 40 minutes per day of listening to stories one level up from her current English reading level, which will expose her to the 50 word list's pronunciation.

c. Newcomers

Newcomers with less than three years will receiving extra support and time. These students will be exposed to oral English and practice using oral English, they will work on phonemic awareness, and activities using TPR (Total Physical Response).

Our newcomers are given academic support in their native language as much as possible. As it looks now, all of our newcomers are Spanish speakers and they are in DLP classes. Our Russian and Arabic speaking students are not newcomers. Listening to text for reading and listening comprehension, picture dictionaries, use of internet website such as Starfall.com and reading A-Z are things used to support our newcomers, which are ways we differentiate instruction for each of the ELLs in our school.

d. Long Term ELLs

Based on the current NYSESLAT 2024 data, students in the program for 4 to 6 years will be using the CALLA methods to help them in the content areas and prepare them for the state exams that a re given and increase their scores. Students that are long term ELLs will work as the others and also using the Language Experience Approach and students will academically and linguistically improve on their assessments.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

We determine our school's curricular, instructional and scheduling flexibility to enable ELL-SWDS by looking at each child's IEP and working closely with the child's teacher. All children with special needs are served according to goals set forth in the IEP. Depending on the child's particular needs, he or she may be assigned to part-time special education in the resource room or speech class, or full -time placement i n a self-contained special education cl ass. The ENL Teacher articulates with the SETSS, Speech and Special Education teachers, as well as other classroom teachers to set and adjust the instructional program.
Data from the students' performance on the NYSESLAT is used to determine skills that need strengthening. Special needs children are included in mainstream groups for ENL service. A number of students who receive Resource Room or Speech services continue to be served as ELLs in Dual Language (DL) classes.
Such students:

- are targeted for inclusion in academic in intervention groups four times a week
- are included i n Title III ENL Extended Day program 4 hours a week for 9 weeks
- are included in Extended Day programs for Reading and Math
- develop skills using Wilson program, where needed
- use REWARD Reading program materials in Speech/Language Instruction/Intervention Program

PS 133 provides Speech-Language services to children who have been diagnosed as having communication deficits in their first language and English.
The Speech-Language Teacher/Therapist, along with the Speech Supervisor is sensitive to the cultural and linguistic differences that affect the identification, assessment, treatment and management of communication

disorders/differences of our students.
The mono-lingual therapists at PS 133 have had approximately 21 hours of training in multicultural issues and second language acquisition.
Students identified as dominant in their first language are provided service from a certified bilingual speech-language pathologist.
Small group and individual therapy is provided to students who a re i n the Dual Language Program as well as those in monolingual classes from Kindergarten to 5th grade.

- Written reports are prepared incorporating information about the students' cultural and linguistic influences.
- Therapy i s provided for simultaneous language l earners, using current research and best practices i n the treatment / management of articulation, phonological, language disorders/delays, including various delivery models and options for intervention.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

ELLs are evaluated in reading Expeditionary Learning (EL) reading assessments in English, in Spanish, and in French.
For our native Spanish and French speaking students they are evaluated in their home language by their DLP teacher. This is the case for all students.
The native language assessments are given will be given in the classroom setting for all our French and Spanish speaking students.
For students whose native language is other than French or Spanish we a re looking for ways and tools to assess their home language, comments welcome.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Collaboration between content area teacher and our ENL teacher occurs at our school. The teachers, DLP, ENL, and GE teachers are part of grade team meetings to ensure our ENL teacher creates scaffolds to support our ELLs to have access to the content in the classroom. During the collaboration we go over the plans and include vocabulary lessons, sentence frames, and picture dictionaries supports for our ELLs. Our dual langauge teachers meet for vertical planning during June planning each year and on PDs on Mondays.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Professional development/teacher team meetings are built into the daily schedule. Additional SEL supports for ML/ELL students are addressed during after-school program taught by certified ENL/language teachers. Grade teams also look at aggregated sub-group data an a part of weekly planning to ensure that needs of MLs/ELLs are being addressed. Our annual professional learning plan ensures that all staff incorporates learning to the academic needs of ML/ELLs by providing scaffolds and supports during PDs. Our new EL curriculum does have supports for ELLs, focusing on language dives and targeted vocabulary studies. Our two ENL teachers attend PDs and support grade team planning on a continuous basic.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Our school's plan to meet the mandated CTLE ELL hours is done through live and virtual PD events from September 2025 -June 2026 from district staff, which are approved providers. These sessions provides ELL specific professional development.
Our two ENL teachers attend district 13 monthly meetings and turn keys the information to our staff.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Early childhood:
We use EL reading assessment and Estrellita phonics program to guide instructional planning for our ELL students. We use the data noted from our formal and informal assessments to gauge the level of student language comprehension. This allows teachers to better view what to teach and how to support our ELL students in small guided groups.

The screening assessment we plan to use for 2025-2026 is Acadience.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Interventions include small group lessons and strategy lessons in the classroom, bilingual instruction and bilingual materials when possible and appropriate, bilingual classroom artifacts (including charts and, in some cases, assessments)
“Language Buddies” to help each other with the L1/L2. The program we use is the Raz kids phonics and reading program.

Math and content instruction can be given in native language (French or Spanish) when possible, including sending home materials in native language for family to support.

Programs provided to a l l English Language Learners (In English) are:
- Physical Education, Science, Music, Spanish (Kindergarten and First Grade)
- Studio-In-The-School Junior Great Books
- Computer Enrichment
- Enrichment Club Fridays
- Cookshop For Kids

-Play works
-Creative Stages (Third Grade).
- Saturday Academy
- After School
- University Settlement Programs
- Conflict•Conflict Resolution
- AIS

- Speech
- Guidance Counseling
- SETTS
- Learning Buddies Spanish

Math interventions:
Performance Mathematics Morning Math Games
Math Exemplars
Performance Based Tasks

Science interventions:
Science in the content area Blended option-Harcourt and Foss Performance Tasks ELA interventions:
Fountas and Pinnell Evaluation System/ Running Records
Guided Reading Guided Writing
Daily independent reading/writing

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

After analyzing the screeners, ELLS are grouped according to their foundational literacy skill identified.
Small group instruction is designed based on need. Teachers incorporate preview, review methods as well as front loading academic vocabulary. Scaffolds are designed to support students in their English language development.
Lessons are planned for students to make connections to their prior knowledge and identities.
Curriculum is modified to incorporate the 5 pursuits of Dr. Gholdy Mohammed centering identity and joy .

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Formative assessment from the EL curriculum for reading and writing will be used in our school for the 2024-2025 school year.
The students read and write in both languages (English and Spanish).

Word Study- I assign ten Sight Words every week (ten in English and ten in Spanish). I use the same sight words (meaning: casa-house). I address vocabulary this way as well. It helps the kids understand what they are saying or reading.

Parts of Speech/Grammar-If I do pronouns one week I create two charts, one in English and one in Spanish. English days I used the English chart and Spanish days I used the Spanish chart(Pronouns/Pronombres).

Poetry Notebook- we read poems to address word study as well. Same poem in English and Spanish.

French

First Grade Kindergarten- Emergent Literacy:
-Acadience Screeners for “Anglophones”/L1=English until they transition/are proficient in L1
-GB/Chenelier (Running Records) in French for “Francophones”/L1 in French until they transition/are proficient enough to read in the 2nd language
Expeditionary Learning (EL) Reading/Writing Lessons but students write in their native language
Letter/Sound & Sight Word Assessments in French

-Teacher created oral language continuum in French
-Borel-Maisonny gestes/phonocomptines for phonics

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELLs are evaluated in reading through running records in English, in Spanish, and in French. For our native Spanish and French speaking students they are evaluated evaluated in their home language by their DLP teacher. This is the case for all students. The MLS tool from NYSED is another way we evaluate our students with home languages other than French and Spanish. It is used for students other than those who might be SIFE.

The native language assessments are given in classes for all our French and Spanish speaking students.
For students whose native language is other than French or Spanish we are looking for ways and tools to assess their home language, comments and supports are welcome.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We use the NYSESLAT, NY state 3rd-5th grade ELA and 3rd-5th grade Math exams to evaluate the effectiveness of our ML/ELL programs.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our NYSESLAT administration plan inlcudes our ENL teachers, Jes Kruse-Cerutti and Marie Dubois and our assistant principal Deanne McGhie and our coach, Sherene Wright. The NYSESLAT writing, reading, and listening is given in small groups within the testing band over a three week period. The last four days are scheduled for make ups. The writing, reading, and listening tests are administered by our ENL teacher, Jes Kruse-Cerutti.
The speaking test is given individually by our ENL teacher, Jes Kruse-Cerutti, and scored by our assistant principal, Deanne McGhie and Sherene Wright.
The scorable writing sections of the tests are scored in house by our teachers, Julie Katz, our 3rd grade GE teacher,

Ms. Quintero, our special education teacher, Gladys Munafo, 4th grade DLP teacher, Jose Brunard, 4th DLP French teacher. Teachers do not score their own students tests.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our school ensures current ELLs receive necessary accommodations for state assessments by providing bilingual glossaries, sending letters home in families preferred language, so the child and family are informed about the assessment coming up.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At PS 133 our ELL Program Orientation is designed to inform parents/guardians of newly identified ELLs of NYC DOE ELL program options for their child. During the orientation we go over the program goals and requirement for all three ML/ELL models. We clearly inform our families that we have ENL program, DLP Spanish, and DLP French. We inform families of neighboring schools that have additional DLP and transitional bilingual programs, if that is the program choice of the family.
Our school schedules the parent orientations in person and on zoom, these times and links are sent home to families on the welcome letters that are backpacked home for all new ELLs. Our two ENL teachers, facilitate the meeting and take note of the attendance. We go through the slides and also send the links directly to the families after the meetings, both in person and zoom.

At PS 133 we provide the option for new families to attend a live orientation with translation or if they prefer, an evening zoom orientation which are held year round, whenever new families register with us. We provide a high-quality orientation section on the Next Generation Learning Standards, assessments here at PS 133, and our school expectations for all of our students, focusing on the supports we have in place for our English Language Learners to meet the school expectations. Our school maintains evidence of this required parent orientation through keeping copies of the letters send home with the information and orientation attendance sheets.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

In our school parents are encouraged to visit and spend time in their child's classroom. At the beginning of the school year, all our
parents are invited to attend Parent sessions, which are welcoming them to the school and to their child's classroom. Parents are
encouraged to attend writing celebrations and assemblies, and to work with the class on "First Fridays". Parents also have coffee chats
with the principal on these First Fridays, in person events.
Parent Communication is done through channels such as IG, FB, Parent Square, and Whats App groups
informed of activities taking place in the school via P.S. 133 PTA Email.
The ENL teacher and Parent Coordinator help parents with all issues. Families are given the opportunity to attend classes which will teach them how to assist their child with school work, test preparation and more throughout the school year. Translations will be available as needed.
The parents needs are also met by teachers who are in constant contact with them. Our school plans to ensure all families of ELLs are provided with an annual individual meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. These meetings are planned to be in the building on Monday afternoons for an in-person meeting, but if families can not do that, they log in over zoom. These individual meetings will take place in the Spring 2025.
Language development needs in all content areas is discussed during annual individual meetings with parents of ELLs. Our school maintains evidence of this through keeping copies of the attendance sheets.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At PS 133 we ensure families of MLs/ELLs are aware of family leadership opportunities through parent square messages and on the parent square app parents can choose whatever language they prefer to receive the communication. We also send translated handouts home in children's backpacks.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

At Ps 133 we have created numerous activities that foster empowerment for families of MLs/ELLs.
1. Parents are given the opportunity to attend workshops that inform them about Test Prep, choosing Middle schools, and promotional policies.
2Through the NYS school account parents can track their child's progress. Our parents are very involved in our school community through volunteering with the Parent-Teacher Association. The PTA and the School Leadership team meet once a month.
During these meetings all parents are invited to attend, including parents of ELLs .
3. Parents are given a needs assessment at the beginning of the school year. This will help to know what our parents want to know, how they can support the school and what expectations they have of our school.
4. Parents at PS 133 have volunteered and do participate in various activities sponsored by the
school such as Class Parents (liaisons between teacher and families), Home-Coming in the Fall, World Culture Night in the Spring, Bake Sales, Annual Social, , Parents as Reading partners, Parents as math partners,
 5. Our Studio in the School program is a program that fosters families creating art together. Our artist in residence, leads these sessions and all students participate and families are invited in once a month to learn in the studio with our resident.
Our PTA has a Cultural Diversity Committee and they plan cultural events throughout the year. In October they plan around
Hispanic Heritage Month. Students make projects to share to the classroom about their cultural background.

All of our activities are for all of the students at Ps 133, we provide extra outreach to our ELL families to ensure they feel included and get the information in their preferred language.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

At PS 133 we ensure families of MLs/ELLs are aware of family leadership opportunities through parent square messages and on the parent square app parents can choose whatever language they prefer to receive the communication.
We also send translated handouts in children's backpacks. Our PTA communicates to our PS 133 families in the family's preferred language, to ensure all leadership opportunities are communicated to all families. All PTA

meetings provide Spanish and Arabic translation, live, for participating families. At this time those are the languages that our families need. We will continue to provide necessary translation as the need arises.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our school has partnered with Studio in the school, which is a program for teachers, students, administrators, and caregivers. Studio
believes that training, supporting, and collaborating with those who help shape young people's lives is a key component of making art
an indispensable part of education. This partnership provides space for our ELLs to explore art and express themselves regardless of
their English level. We chose this linguistically responsive partnership for our ELLs to also support social emotional support. Especially
our newcomers who are refugees, they need space to express themselves without a language barrier. The art work is hung all over the
school and we have seen our ELLs grow tremendously through this partnership. We have a language partnership with our PTA. We have
parent volunteers teach English to our families who are learning English right at drop off, we hope to see this partnership again in
2025-2026.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Jessica Kruse-Cerutti - ENL teacher and coordinator
Marie-Laure Dubois - ENL teacher and French bilingual teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

We follow the 10 steps on Pages 22-41 of the policy guide.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Ahmed	Dickerson	Parent Coordinator - Annual		
Marie-Laure	Dubois	Teacher - Regular Grades - ENL		

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),New York City Schools Account (NYCSA) Student Profile

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	4	0.57%	4	0.57%		
FRENCH	4	0.57%	4	0.57%		
HAITIAN CREOLE	1	0.14%	1	0.14%		
ENGLISH	643	91.47%	632	90.54%		
RUSSIAN	1	0.14%	1	0.14%		
SPANISH	50	7.11%	56	8.02%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Monthly class newsletters	In school teacher translators for Spanish and French and outside providers for Arabic and Russian (at this time those are the four languages our families have as preferred languages)
PTA information	In school teacher translators for Spanish and French and outside providers for Arabic and Russian (at this time those are the four languages our families have as preferred languages)
Monthly school news (video from principal)	online it is English, but options to translate to family's native language
IEP	In school teacher translators for Spanish and French (oral) and outside providers for Arabic and Russian oral (at this time those are the four languages our families have as preferred languages). All IEPs are translated to family's preferred language by outside providers

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
ELL welcome orientation	In school teacher translators for Spanish and French and outside providers for Arabic and Russian (at this time those are the four languages our families have as preferred languages)
Live family events	In school teacher translators for Spanish and French and outside providers for Arabic and Russian (at this time those are the four languages our families have as preferred languages)
parent first Friday flyers	In school teacher translators for Spanish and French and outside providers for Arabic and Russian (at this time those are the four languages our families have as preferred languages)

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Our school will make limited-English proficient parents aware of their right to receive information in their preferred language by orally providing them with this right at registration. All of our procedures such as: lockdowns and fire drills are sent home over parent square, which is translated into family's preferred language. So all our families are aware of it. If a parent needs to contact the school in an emergency we have French and Spanish speakers on staff. For other languages we use phone translation. For attendance, nurse, and hospital emergency information we have French and Spanish speakers on staff. For other languages we use phone translation.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

All staff members will receive a A-663 via email to review and discuss in grade team meetings, live and virtually. Our school's designated LAC will turnkey and make school staff aware of the available language access resources via emails and during staff wide meetings.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Our school will make limited-English Proficient parents aware of their right to receive information in their preferred language by orally providing them with this right at registration. If needed we will use oral over-the-phone transition. We will use
our bilingual teachers to explain parent rights in Spanish or French. If another language is preferred, and we do not have a staff
member on site, we will call for oral translation so ALL of our limited-English Proficient parents are aware of their rights. We
know that this include any: translated signage, which is translated and hung in our school. We have explained and included our
plan for the brochures/flyers/letters shared with parents to insure all our parents have access to the material sent home in their
preferred language. All of our parent engagement events like PTA meetings, conferences, cultural night, we have translators to
ensure our parents get the information. All of our parents are provided with this website at registration and send reminders of it
during the school year: https://www.schools.nyc.gov/school-life/school-environment/hello in order to help support all our
families to receive everything they need in their preferred language.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Our school plans to gather feedback from our limited-English-proficient parents, in the parents' language, on the language services they receive. We plan to send this out over a google doc survey to our families in the 2025-2026 school year on parent square three times a year. We also plan to print this document and backpack it home with out students. This is separate from the end of year parent survey. Our ENL coordinator will also assist with this to ensure our families have received and completed the survey to ensure they have the information in the family's preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We plan to use this information to grow our language translation program in our school in 2025-2026. Our LAC and ENL coordinator will work together and read the data and feedback and improve language services necessary, so ALL our families have access to information in our school.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

25

Grades to be served in this program. Select all that apply.

,1,2,3,4,5

Total number of teachers in this program:

4

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

In conjunction with our school-wide goal to engage students in rigorous writing tasks aligned to the state standards, our school is implementing four different programs to support our ELLS in our Title III ELL program for ELLs.

1. Digital storytelling, this program will support selected students in the area of literacy. This is an English program and our students will create a digital story using iMovie. Students will use elements of the writing process (planning, drafting, revising, editing, and publishing) to compose text. Students will write literary texts to express their ideas and feelings about real or imagined people, events, and ideas. Students will use their stories to then create a digital story, this will include music, voice overs, images, and oral language practice. A certified teacher will be teaching the digital story telling course, in this course our students create a story board using triboards and then create an imovie with the storyboard.

2. Literacy Through Fundations. This course will offer targeted instruction and practice with letters, reading, and oral language development. This course will provide skills needed to assist our targeted student to be able to read and write on grade level. Materials are at cost. A certified teachers will be teaching the Literacy through foundations course, our students do A-Z reading, headsprout, and words their way books.

3. Literacy through visual arts. Our third course is taught by A Classroom teacher the course is Literacy through visual arts. In this course students create puppets and make visual stories to orally tell in English.

4. Coding will be taught by classroom teacher. They will teach this coding after school program to our ELLs for one cycles.

We used the informal assessment data to tailor and design instruction to our ELLs in our Title III ELL program for ELLs. We know that inclusive curriculum means that units purposefully reflect the lives, backgrounds, interests, and context of our students. This is what we used to create the program for our specific students enrolled.
Based on what we know about accelerating learning for every student, we use a culturally responsive curriculum that supports our before and after school program. All four of our programs, the iMovie, coding, visual arts, and fundations programs are used to create outcomes that matter in the 21st century. The supervision is at no cost to the Title III ELL program.

Our teachers apply advanced literacy instruction into the programs by placing the data at the core of the literacy work. We also use a shared curriculum to support the programs and each other. Specifically the indicators in the hallmark three, using vocabulary words and concepts are required of students, is a major part of these programs.

The grouping is done by family choice and by grade band. Students will have a choice for one of the programs on the permission slips we send home. Families pick in order of preference and based on family choice we make the groups to keep grade bands 1st-2nd, 3rd-5th together and we keep each group under 10 students.

We are running these programs in three cycles (except coding, that is only being run for one cycles).

Direct Instruction: 3 teachers working 13 sessions per cycle.
cycle one: 3 teachers X 13 sessions X $73.07 per session rate X 2 hours= 5,696.6
$
cycle two: 3 teachers X 13 sessions X $73.07 per session rate X 1 hours = $2,693.34 cycle three: 3 teachers X 13 sessions X$73.07 per session rate X 2 hours =$2,693.34 + cycle three 1 teacher x 6 sessions x 73.07 per session rate x 1 hour = $414.36 (coding class)

The total number of sessions for each cycle will be a total of 13 sessions.
All of our ELLs are invited to attend all three session; therefore providing them with a total of 39 sessions at 60 minutes per session.
This program will serve 25 of our ELLs.
The permission slips were translated in French, Spanish, Russian, and Arabic, and backpacked home.
These courses will be taught in English with support of the students native languages when needed.

Materials are at cost, no more than 20% will be allocated for materials for our title III program. The total we will use for materials from our title 3 budget is: $939.54, + $1480 for software licenses = $2419.54

The materials that will be purchased with the Title III ELL funds will be used for our four programs. The materials will only be used for this program and will be stored in the ENL classroom room 413.
Listed on our budget sheet, we will purchase:
puppets and paint:
Child craft On the Farm Hand-Painted Play Animals puppets - Assorted Animals - Set of 15 $163.83 SET 1 $163.83

trifold boards:
Trifold boards, black and white Set of 115 $127.94 SET 1 $127.94

The only kid in mars reading story element pack:
The Only Kid on Mars - (Includes: 1 copy of 1 Content Area Card, 1 copy of 1 Tea $46.20 KIT 1 $46.20

words their way books:
Words Their Way Classroom: Letter Name Volume 2, Word Study Notebook c2019 $6.40 Each 10 $64.00
Words Their Way Classroom: Syllables and Affixes Volume 2, Word Study Notebook c $6.40 Each 10 $64.00
Words Their Way Classroom: Within Word Pattern, Word Study Notebook and 1-year a $12.80 Set 10 $128.00
Words Their Way Classroom: Emergent-Early Letter Name, Word Study Notebook + 1-y $12.80 Set 10 $128.00
Words Their Way Classroom: Letter Name Volume 1, Word Study Notebook c2019 $6.40 Each 10 $64.00
white boards - 72.10

Consumable: $81.47 sponges, tape, glue, markers, crayons, pencils

We are using $1381 for 9 license bundle for A-Z Raz Plus with the ELL license, foundations, and headsprout and $99 for Pixton subscription

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The focus of our Title III ELL was informed by the 2024 NYSESLAT data, which told us that our newcomers need support in writing and reading, which will be the focus in our Literacy through visual arts, Literacy Through Fundations, and our Digital storytelling title III programs. Our coding program was chosen from our MOSL screeners, our coding program will promote higher order thinking to help our students create questions through creative work. Our developing ELL scored high in speaking and listening and also need support with reading and writing, which is why our focus is on those two domains in our title III program.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The grade level for the ELLs in this program are grades 1-5. The targeted ELL subgroups will be our newcomers (0-3 years of service) and developing ELLs (4-6 years of service).

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Two days a week for 90 minutes each day
This program will begin on Tuesday, January 14, 2025 and end on March 4, 2025 for cycle one.

For cycle two: March 5, 2025- April 23, 2025.

For cycle three: April 29, 2025- June 10, 2025

For coding class: April 29, 2025- May 14, 2025 (six sessions)

Total number of sessions is 39 sessions.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

These courses will be taught in English with support of the students native languages when needed through multilingual picture dictionaries and our bilingual teachers.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

See above

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

See above

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Records will be maintained by the title III ELL teachers who run the program. The program teachers will conduct formal and informal observations and assessments of student work and progress and determine next steps based on those observations and assessments. Parents will be notified via information letters in family's preferred language and sent home via backpacks. We will follow up with families via parent square and in person at dismissal to ensure all families are informed about our title III ELL program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Our ENL teacher, Marie-Laure Dubois will attend the Effective Instruction for students with disabilities, webinar, through West Ed presented by Margaret Baker.
Ms. Dubois attends monthly ENL coordinator meetings with Lisa Weis October 2025-June 2026.

Professional development/teacher team meetings are built into the daily schedule. Additional SEL support for ML/ELL students are addressed during after-school programs taught by certified ENL/language teachers. Grade teams also look at aggregated sub-group data as a part of weekly planning to ensure that needs of MLs/ELLs are being addressed.

Our ENL teacher and title III teachers will be provided with resources from Bridges SIFE project. It is training on the Bridges sheltered curriculum for SIFE with Developing Literacy (SDL). The focus is for SDL learners who have home language literacy at a third-grade level or lower. It is a prerecorded 6-session interactive course on Developing Responsive Classroom Communities for SIFE and Newcomer Learners. The cohort for 2025-2026 have not opened yet, but the videos from the previous cohort are all available to our teachers. The hope is to join the project in September 2025. (https://bridges-sifeproject.com/)

The patterns/trends identified in our assessment data shows us our students need support with reading and writing to get on grade level. Our teacher observation data clearly shows that students in our title 3 program move up in reading, writing, and speaking skills in the English Language. Our final showcase of title 3 projects is evidence of the progress our ELLs make in title 3 after school program. This is the evidence we use to justify the rationale for the Title III plan for teachers continuing our title 3 plan with our ELLs.
Our teachers are happy with the PD plan, we know this from our school Survey Teacher responses and also on our Monday PDs we do informal in-house teacher surveys and we know that what is learned during PDs is positively impacting our ELLs.

The total number of estimated PD sessions will be 10.

This is at no cost to Title III ELL. funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

See above

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Professional development/teacher team meetings are built into the daily schedule. Additional SEL support for ML/ELL students are addressed during after-school programs taught by certified ENL/language teachers. Grade teams also look at aggregated sub-group data as a part of weekly planning to ensure that needs of MLs/ELLs are being addressed.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Grade level preparation periods
Some PD Mondays Beginning December 2024-February 2025
Online learning
The learning takes from from 2:30-3:30

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Strategies to support ELLS
Translanguage supports in DLP
Developing Responsive Classroom Communities for SIFE and Newcomer Learners
Bridges sheltered curriculum for SIFE with Developing Literacy

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

ENL teacher- Ms. Dubois
DLP teachers- Ms. Pena

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

At Ps 133 our school will maintain document of professional development:
Strategies to support ELLS
Translanguage supports in DLP
Developing Responsive Classroom Communities for SIFE and Newcomer Learners
Bridges sheltered curriculum for SIFE with Developing Literacy

The agendas and sign in sheets will be saved with our ENL teacher, Ms. Dubois i in the title 3 folder.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Our PTA has a Cultural Diversity Committee and they plan cultural events throughout the year. In October they plan around Hispanic Heritage Month. Students make projects to share to the classroom about their cultural background. One night in May or June of 2025, there is a cultures around the world school party with different countries represented with music, dance, food, and typical dresses. During different holiday seasons, the committee creates activities around those holidays. For example, one year the committee held an event to celebrate Ramadan

Monthly newsletters are sent to families on each grade level. There is a school-wide system to communicate with families (ParentSquare). Families give phone numbers each year that teachers also use to reach out in native language (Spanish/French) when appropriate.

Coffee Chat- Theme based Parent meetings- i.e, Language Development in the Continuum

Parent/Family Buddies pair English & Native/Non-Native L2 speakers

Poems/Videos/Voice Clips for Spanish/French to help nonnative speakers/families

This is at no cost.

Flyers went home to all ENL families in their home language to inform them of current topics asked them to respond to include additional topics they would like covered at these sessions. our school will use phone translation services during these meetings, if needed.

These sessions for designed and based on parent choice. The choices were collected and dates set to support parents with what they needed.

Our school will host ENL classes for PS 133 parents two evening a week from 4:00-5:00 on Tuesdays and Thursdays for 17 sessions. One teacher will teach the classes. Classes started January 7, 2025-March 4, 2025. The total cost will be $1242.1.9. It is for 1 teacher x $73.07 x 17 sessions for a total of $1242.1.9

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

see above

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

See above

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Technology accessibility
Grade promotion criteria in NYC
Monitoring and supporting your child's process at home
Translation supports
Parent rights in NYC public schools
Legal representation and the immigration rights project
Adult English classes available in Brooklyn
Health care in NYC

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Ms. Dubois- ENL teacher
3 Dual Language Teachers

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

We will notify parents of Title III through parent notification letters that we will backpack home.
calling parents
parent square outreach
invitations from children

All in parents' preferred languages

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

At Ps 133 our school will maintain documents of our familly engagement activities.

The flyers, agendas, and sign in sheets will be saved with our ENL teacher, Ms. Dubois in the title 3 folder.
