Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement
- Part D: Staff Awareness

- Part E: Parental Notification
- Part F: Monitoring

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Oliver Hazard Perry Elementary School

District Borough Number (DBN):

14K034

Grades Served:

Pre-K to 5

School Address:

131 Norman Avenue Brooklyn New York 11222

Phone Number:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Alain Beugoms	Principal or Designee*	
Teri Mascioli	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Jenneka Hernandez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Joseph McDonald	Member/Parent	
Jessica Otterman	Member/Parent	
Andrew Deutsch	Member/Parent	
Alek Pilat	Member/Parent	
Julia Kotowski	Member/Parent	
Ivette Sosa	Member/Teacher	
Wioleta Wysocka	Member/Teacher	
Angela Belfiore	Member/Teacher	
Michelle Garavaglia	Member/Teacher	
	Member/Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

PS 34 MISSION STATEMENT

At PS 34 we are committed to the academic success of every child. The school's mission is to teach a rigorous academic curriculum, complemented by a wide range of enrichment opportunities, inclusive of the arts, in a supportive and safe environment.

Our students are challenged to become lifelong learners who are well prepared for the demands of the 21st century. We believe the high expectations of today will nurture successful and productive citizens of tomorrow.

As a community of professional learners, we empower our students to grow academically by teaching them critical and analytical thinking skills in full alignment with state and national standards. Supported by and in collaboration with families and community members, we expect students to aim high by addressing the individual needs of diverse learners and by strengthening the development of a well-rounded child who is fully prepared for their educational complexities beyond elementary school.

At PS 34 we recognize and celebrate our similarities and our differences (such as gender, race, ethnicity, religion, disability status, sexual orientation, socioeconomic status, immigration status, age and other individual characteristics). We commit to working with parents, teachers, staff, and students to create a nurturing and respectful school environment where all students can bring
their whole selves into the classroom and experience a deep sense of belonging.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Built in 1867, P.S. 34 Oliver H. Perry Elementary School is a New York Historical Landmark, based in the heart of Greenpoint, Brooklyn.

The Landmarks Preservation Commission designated P.S. 34 a landmark on April 12, 1983. The school's façade has been restored and repaired. Built in 1867, after the end of the Civil War and the assassination of President Lincoln, P.S. 34 is the oldest continuously operating Elementary School in Brooklyn.

For nearly a century and a half, P.S. 34 has been a neighborhood institution in the Greenpoint section of Brooklyn. It has become a living link to Greenpoint's rich history and a symbol of the traditional concern for education expressed by the people of Brooklyn.

The PS 34 Parent Teacher Association (PTA) supports PS 34 in their effort to awaken curiosity, cultivate high education standards, celebrate successes, and encourage children to continually question and create. The PS 34 PTA's mission is to foster community by providing opportunities to come together in support of our school as well as fund-raise and gather volunteers for enrichment, community, and educational activities at PS 34. We work closely with the PS 34 Administration to ensure that all of our endorsed or supported events and enrichments are inclusive and uphold the values of our school.

The PS34 Administration and PTA stands strong in support of our children. Our purpose is to realize every child's potential by engaging and empowering families and communities to advocate for all children. The PTA core values orient our mission and inform all of our endeavors. They are as follows:

COLLABORATION
We will work in partnership with a wide array of individuals
and organizations to broaden and enhance children's learning experience.

COMMITMENT
We are dedicated to all children's educational success, health, and well-being through strong family and community engagement.

DIVERSITY
We embrace everyone regardless of: age, culture, economic status, educational background, ethnicity, mental ability, national origin, organizational position, parental status, physical ability, political philosophy, race, religion, sexual orientation and work experience.

RESPECT
We value the individual contributions of members, volunteers and partners as we work collaboratively to support our school.

ACCOUNTABILITY
All members, volunteers and partners have a shared responsibility to achieve the PTA's stated goals.

Briefly summarize the key initiatives your school will implement this school year.

P.S. 34 Schoolwide Initiative to Advance Student Proficiency and Holistic Growth by 2026

At P.S. 34, we are committed to ensuring that every child thrives academically, socially, and emotionally. As part of our district-wide vision, we have launched a multifaceted initiative aimed at significantly improving student proficiency in English Language Arts and Mathematics, while fostering a safe, inclusive, and responsive learning environment.

By June 2026, our school will implement a comprehensive multi-tiered system of support (MTSS) that strategically aligns instruction, staffing, scheduling, and fiscal resources. This system will include evidence-based Tier 2 and Tier 3 interventions and be closely monitored by our school leadership team. Our goal is to achieve a 50% reduction in students performing below grade level by the middle of the year, and an additional 50% reduction by year-end, as measured by literacy diagnostic assessments.

To support the whole child, we will embed the Responsive Classroom model into daily instruction and professional learning. Through this approach, all stakeholders will engage in social-emotional learning (SEL), mental health development, and mindfulness practices. We expect to see a measurable impact: an increase in student attendance from 93% to 95%, a drop in chronic absenteeism from 20% to 15%.

Instructionally, we will deepen student learning through personalized, differentiated instruction via daily station-teaching, AI-enhanced lesson design, and Specially Designed Instruction (SDI) for Students with Disabilities. Our multilingual learners will receive targeted scaffolds to close achievement gaps and support language acquisition.

To further prepare students for lifelong success, we will expand college and career readiness programming by leveraging community partnerships to provide access to enriched STEM learning, entrepreneurship education, and financial literacy.

Finally, our school will continue to strengthen home-school partnerships by expanding family participation in decision-making and aligning engagement activities with student learning goals. By fostering empowered, informed families, we will increase parent engagement from 94% to 99%, as captured on the NYC School Survey.

Together—with our families, staff, and community—we are building a future where all students flourish.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Pre-K For All (ELA)	Pre-K	Pre-K For All	
Building Blocks (Math)	Pre-K	Building Blocks	
ELA	K-5	Into Reading	
Math	K-2 / 3-5	Illustrative Math/ Eureka Math	
Writing	K-5	Into Reading Writer's Workshop	
Science	K-5	Amplify	
Social Studies	K-5	Passport to Social Studies	
Foundational Reading Skills	K-2	Fundations	
Civics	K-5	Civics For All	
Literacy Intervention	K-5	Spire / Rewards	
Literacy Intervention	K-5	Sound Sensible	
Math Intervention	K-5	Do the Math	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Academic Screening through iReady and Acadience Reading	Targeted Intervention Necessary	20% of students needs targeted intervention MTSS support to achieve grade level proficiency
The ILT has identified a specific learner-centered problem, "Elaborate and explaining text	The data analyzed during 2024-2025 showed that students in K-5 need additional support in providing text evidence and elaboration in writing. A comparison of the 2023 and 2024 June ELA Instructional Reports show a .14% increase year-to year in grade 3 overall performance, a .8% increase	The root cause is a lack of coherent curriculum in writing instruction and a system of evaluation and progress monitoring of student writing. In addition, students need access to full social studies and science

evidence in writing" during school year 2024-2025.	in grade 4, and a .1% when reviewing school performance.	curriculum to build background knowledge.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	91%	By June, 2026, literacy for All Students will improve, as measured by a 5% increase Increase, from 91% to 95%, of Percentage of students scoring Levels 3 & 4 on the NYS ELA Exam Results.
All Students	79%	By June, 2026, literacy for All Students will improve, as measured by a 6% Increase, from 79% to 85%, of percentage of students scoring Levels 3 & 4 on the NYS Math exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To improve student reading proficiency at P.S. 34, we are implementing a year-long action plan that prioritizes personalized, differentiated instruction through daily station-teaching, AI-enhanced lesson design, and Specially Designed Instruction (SDI) for students with disabilities. Multilingual learners will also receive targeted scaffolds to support language acquisition and close learning gaps. Teachers will engage in ongoing professional development and collaborative planning to align supports across instructional teams, while student progress will be continuously monitored through formative assessments and structured data reviews.

This inclusive, student-centered model allows for responsive teaching that meets learners where they are and provides the right supports at the right time. By weaving together small-group instruction, technology-driven personalization, and targeted interventions, the plan addresses key barriers to reading achievement. As a result, we anticipate measurable growth in literacy outcomes by the end of the year, particularly for historically underserved student groups.

Root Cause Addressed:

The action plan directly targets a root cause of low reading proficiency often observed in schools: the lack of differentiated, inclusive instruction that meets the diverse needs of all learners—especially multilingual students and those with disabilities.

Here’s how the plan addresses that root issue:

Root Cause:
Many students fall behind in reading because instruction is delivered at a “one-size-fits-all” pace or level, without sufficient personalization. This can leave students without the targeted practice, language scaffolds, or strategic interventions they need to access grade-level content.

How the Plan Addresses It:
Daily Station Teaching By organizing instruction into teacher-led and independent stations, students engage in small group learning that allows teachers to meet them where they are. This structure reduces whole-class pacing pressures and adapts instruction to varied reading levels.

AI-Enhanced Lesson Design Technology is used to tailor tasks and texts to individual student reading levels, language proficiency, and learning styles. This combats the root issue of generic instruction by creating personalized pathways to mastery.

Specially Designed Instruction (SDI) for Students with Disabilities Students with IEPs receive direct, targeted support embedded in the general education classroom. SDI ensures that their specific reading challenges—decoding, fluency, comprehension—are explicitly addressed.

Targeted Scaffolds for English Language Learners Multilingual learners receive structured language supports within their literacy blocks, such as sentence frames, vocabulary previewing, and home language connections. This narrows the opportunity gap caused by unmet linguistic needs.

Ongoing Data and Progress Monitoring Frequent assessments allow staff to adjust groupings, revisit skills, and refine interventions in real time—ensuring that instruction is responsive, not static.

By embedding equity-centered strategies throughout the instructional day, the plan transforms surface-level solutions into a deep, systemic response to one of the most persistent barriers to student success.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct baseline reading assessments (e.g., i-Ready, Acadience). Identify students for Tier 2, Tier 3, SDI, and ELL scaffolding through data review. Provide professional development on: Key Actions: Station-teaching best practices AI-based lesson planning platforms Culturally responsive literacy strategies Establish reading stations: Teacher-led instruction AI-supported practice Independent reading or word study Small group SDI or ELL pull-out Collaborate with SETSS and ENL teams to align instructional goals across support services.
Milestones: 100% of classrooms implementing 3–4 consistent reading stations daily. Diagnostic data shared with all instructional staff. “Look-Fors” tool developed for instructional walkthroughs.
Quarter 2: Differentiation in Action (December–February) Key Actions: Implement biweekly student progress monitoring using station data and formative assessments. Begin Tier 2/Tier 3 interventions aligned with MTSS model. Introduce guided reading within stations, focusing on decoding, fluency, and comprehension. Incorporate AI tools to adapt texts and generate personalized tasks by reading level and language proficiency. Host peer observation rounds focused on reading differentiation. Milestones: 80% of ELLs and students with IEPs receive targeted support in literacy stations. Improved student growth trajectory (50% of students below grade level show gains by midyear). Midyear PD focuses on refining groupings and interpreting data for reteaching.
Quarter 3: Deepening Rigor & Language Support (March–April) Key Actions: Embed vocabulary-rich and content-integrated texts into station planning. Use AI-generated discussion prompts to build academic language and comprehension. Expand use of SDI in general ed settings through co-planning and co-teaching. Provide parent workshops on supporting reading at home, including multilingual resources. ELLs engage in small group academic conversations tied to reading texts. Milestones: ELLs and students with disabilities show measurable gains in

vocabulary usage and reading comprehension. 70% of classrooms display evidence of academic language supports and translanguaging strategies. Interim assessments show sustained or accelerated reading growth.

Quarter 4: Culmination & Reflection (May–June) Key Actions: Administer end-of-year reading assessments. Conduct data summits to reflect on growth and plan student groupings for next year. Recognize student progress through literacy celebrations or portfolio showcases. Staff reflection: survey and debrief on station-teaching impact and AI integration. Draft revisions to the reading instruction model and summer intervention plans. Milestones: 50% additional reduction in students reading below grade level (as compared to midyear). Staff identifies effective practices for replication in the coming year. Students articulate reading goals and next steps based on their progress. Ongoing Supports Biweekly collaborative planning meetings with ENL and ICT teachers. Monthly data review protocols led by ILT. Professional learning communities (PLCs) centered on reading strategies and inclusion.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To ensure consistent implementation and improvement of key strategies outlined in our reading proficiency action plan, P.S. 34 will establish a structured progress monitoring system anchored by monthly Instructional Leadership Team (ILT) reviews, biweekly grade team meetings, and classroom instructional walkthroughs. These collaborative structures will focus on reviewing formative data, lesson design artifacts, and classroom observations to assess fidelity of implementation in station-teaching, AI-enhanced planning, and differentiated instruction. School-based coaches and team leads will use “look-for” tools to document instructional moves, grouping strategies, and use of language supports—particularly for multilingual learners and students receiving SDI.

Progress and impact will be measured through multiple data sources, including i-Ready diagnostic scores, running

records, formative comprehension checks, and ELL/IEP-specific progress monitoring tools. We will analyze data to track growth trajectories for subgroups, identify students needing intervention adjustments, and evaluate shifts in instructional practice over time. Staff will reflect on trends during data protocols and use insights to refine groupings, scaffold supports, and strengthen station objectives. By triangulating observation evidence with student growth data, we will ensure both instructional quality and learning outcomes steadily improve across the academic year.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	11/28/2025	We will host quarterly family literacy workshops that introduce parents to station-teaching strategies, home reading routines, and digital tools that mirror in-school AI-enhanced instruction. These sessions will be multilingual and scaffolded to support diverse families, including those of English Language Learners and students with disabilities.	
12/01/2025	03/31/2026	Families will also receive monthly individualized reading updates, including progress data, personalized goals, and recommended at-home strategies or texts that align with their child's current instructional level.	
04/01/2026	06/30/2026	We will establish Family Literacy Ambassadors, a peer support network in which parents collaborate with teachers to model effective literacy practices and share culturally relevant resources. Through this initiative, families will not only understand their child's learning path but become empowered co-educators, reinforcing classroom instruction in meaningful ways. By bridging home and school learning environments, this engagement strategy will contribute to measurable gains in reading achievement and help reduce learning gaps across our student population.	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

General education teachers, ENL specialists, and special education service providers to co-plan and co-teach within the station-teaching model. Instructional coach and literacy interventionist to support professional development, data analysis, and model lessons. Technology integrator or designee to guide AI-based lesson design and support teacher implementation. Paraprofessionals and teaching assistants to supervise literacy stations and provide small-group reinforcement.

Instructional Resources

Core literacy curriculum (e.g. Into Reading) with embedded differentiation supports. AI-based adaptive learning platforms such as i-Ready, Amira, Writable for individualized practice and progress tracking. Running records, formative comprehension checks, and student portfolios to inform grouping and instruction. Bilingual/multilingual classroom libraries and culturally responsive text sets to support ELLs and affirm student identities.

Schedule Adjustments

Dedicated daily literacy block with protected time for station-teaching. Biweekly common planning time for teachers to design differentiated stations and analyze data. Monthly professional learning periods built into the school calendar to support continuous growth.

Other Resources Needed

Family engagement calendar featuring literacy workshops and individualized student reading reports. Community partnerships with literacy-focused nonprofits or universities for resources, volunteers, or mentorship opportunities. Translation and interpretation services to ensure full family access to reading-related communications and events.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025 NYC Learning Environment Survey - Teacher Survey - Quality Professional	Professional development at the school is not strategically aligned with teachers' instructional needs, grade-level priorities, or opportunities for personalized growth, resulting in limited engagement and inconsistent	This root cause suggests that without meaningful, relevant, and differentiated professional development structures in place, staff may not view ongoing learning as impactful to their practice—thus lowering their perception that the school fully supports their continued growth. Addressing this would involve building more responsive PD systems that prioritize voice, collaboration, and actionable next steps. Let me know if you'd like help pairing this with data or tying it into a Comprehensive Education Plan goal.

Development - 76%	participation in ongoing learning.	

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	77%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 5% Increase, in physical and mental wellness for All Students will improve in practices related to Peer Support for Academic Work from 77% to 82%, per the NYC School Survey results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To improve physical and mental wellness at P.S. 34 and boost the rate of Peer Support for Academic Work from 77% to 79% by June 2025, the school will implement a year-long, tiered plan that integrates wellness and collaborative learning across the school day. At the Tier 1 level, all students will participate in weekly SEL-infused morning meetings, classroom routines that promote academic collaboration, and celebrations of peer support milestones. Schoolwide initiatives like a Peer Buddy Program and monthly Wellness Wednesdays will foster a positive and inclusive academic culture. Teachers will receive professional development to embed peer-based learning into daily instruction, creating classrooms where students routinely help one another thrive.

For students needing more targeted support, the plan includes Tier 2 and Tier 3 interventions such as academic peer tutoring, small group skill-building in social-emotional strategies, and individualized goal-setting through Check-In/Check-Out systems with trusted adults. Student voice will be elevated through focus groups and the formation of a student ambassador team to shape peer learning experiences. Progress will be tracked using attendance data, classroom walkthroughs, SEL screeners, and student survey responses—including the NYC School Survey. By embedding academic and social wellness into the fabric of the school, P.S. 34 aims to cultivate a culture where every student feels supported by, and responsible for, their peers.

Root Cause Addressed:

The action plan addresses a key root cause: students lack consistent, structured opportunities to collaborate meaningfully with peers on academic tasks, limiting both their sense of connection and their motivation to engage with learning. Without intentional scaffolds that promote collaboration—such as peer tutoring, student-led academic circles, and SEL routines—students may not view peer support as a viable or valuable part of their academic experience.

By embedding collaborative structures throughout the school day and aligning them with social-emotional skill-

building, the plan confronts this gap directly—aiming to cultivate a school culture where academic peer support is expected, visible, and celebrated. This approach supports not only student achievement but overall wellness and belonging.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Action Plan Aligned to CEP & MTSS Tier 1 (Universal Supports for All Students) Advisory & Morning Meetings: Embed weekly SEL themes tied to collaboration, empathy, and encouragement in academic tasks. Classroom Structures: Integrate structured group tasks and peer editing opportunities during core content blocks to normalize academic peer support. Peer Recognition: Celebrate examples of collaborative success during schoolwide assemblies, newsletters, and classroom shout-outs.
Tier 2 (Targeted Interventions for Identified Students/Groups) Peer Tutoring Pods: Launch targeted tutoring sessions before or after school, prioritizing students in need of academic and relational connection. Small Group Skill-Building: Use SEL block time for targeted social coaching around collaboration, self-advocacy, and giving/receiving academic feedback.
Tier 3 (Intensive Supports as Needed) Check-In/Check-Out Systems with trusted adults to promote academic motivation, confidence, and peer connection for students needing more intensive wraparound support. Individual SEL Counseling Goals may incorporate peer engagement or group participation metrics for students with social anxiety or isolation patterns.
Progress Monitoring & Key Indicators Instructional Practice: Lesson plans and walkthroughs showing peer-supported tasks (e.g., partner reading, problem-solving stations) Student Perception: Baseline and follow-up student wellness and peer support surveys; NYC School Survey Peer Support measure Engagement Metrics: Attendance, chronic absenteeism, and participation in peer-led sessions or circles Reflection & Voice: Student focus groups and ambassador feedback on climate and connection
Coordination of Student Council in instructional planning for SY 24-25
Student Wellness Committee to develop initiatives for greater student input. SEL competencies can include recognizing one's own emotions and their effect on behavior. Self-management: Regulating one's emotions, thoughts, and behaviors; managing stress, setting goals, and staying motivated. Responsible decision-making: Making constructive decisions in social situations based on ethics, safety, and social norms. Relationship skills: Developing positive relationships with diverse groups and individuals; communicating clearly and cooperating with others. Social awareness: Empathizing and understanding the views of others, including those of other cultures or backgrounds.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The action plan to improve student wellness and peer academic support at P.S. 34 is grounded in clear structures for implementation monitoring that allow the school to track both instructional fidelity and student outcomes. Primary monitoring structures include monthly Instructional Leadership Team (ILT) reviews, classroom walkthroughs using "look-for" tools, and biweekly team meetings that focus on collaborative learning routines and student engagement in peer support activities. These structures create regular checkpoints to assess the extent to which strategies—such as peer tutoring, SEL-infused advisory, and student-led academic groups—are being implemented schoolwide.

Progress and impact will be gauged using a blend of qualitative and quantitative data, such as student attendance records, SEL screeners, and NYC School Survey responses, particularly focusing on the Peer Support for Academic Work indicator. In addition, the school will collect student and teacher reflection surveys, focus group feedback, and observation data that highlight evidence of increased collaboration and supportive peer behaviors. This multi-source evidence base will allow the leadership team to adjust strategies midyear, reinforce effective practices, and ensure the action steps translate into measurable improvements in student well-being and achievement.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	06/26/2026	Academic Collaboration Nights Host quarterly Family Peer Learning Evenings where students and families engage in academic games, partner reading, or problem-solving challenges together. These events will model effective collaboration, promote family bonding over academics, and highlight the value of peer-to-peer support in learning environments.	
09/01/2025	06/26/2026	Peer Support Spotlights in Newsletters Launch a recurring "Peer Shout-Outs" feature in the school's family newsletter or digital platforms. Families will see stories and photos celebrating how students support one another's learning—from tutoring moments to teamwork in class projects—reinforcing a school culture that values academic empathy.	
07/01/2025	06/26/2026	Home-School Academic Partnership Resources Provide families with monthly "Collaboration-at-Home" tip sheets, available in multiple languages, with ideas on how to encourage positive peer habits at home—such as organizing group study playdates, discussing the importance of helping classmates, and celebrating acts of academic kindness.	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Guidance counselor to coordinate peer buddy and ambassador programs Instructional Leadership Team to monitor implementation Student ambassadors and Family Literacy Ambassadors to co-design and model practices | | Instructional Resources | - SEL curriculum (e.g., Second Step, RULER, or equivalent)

Instructional Resources

Student ambassadors and Family Literacy Ambassadors to co-design and model practices | | Instructional Resources | - SEL curriculum (e.g., Second Step, RULER, or equivalent)

Schedule Adjustments

Student and staff wellness surveys and NYC School Survey results for feedback analysis | | Family Engagement Supports | - Translated materials for collaboration-at-home strategies - Funding for evening events (e.g., Peer Learning Nights) - PTA and Title I support for family-led workshops and outreach | | Schedule Adjustments | - Weekly SEL advisory or morning meeting block

Other Resources Needed

After-school or lunchtime sessions for peer tutoring and academic circles | | Anticipated Resource Needs | - Funds to expand SEL materials and culturally responsive group texts - Training for staff on peer-based academic structures and trauma-informed peer support - Possible partnership with a community-based organization for wellness programming

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:

1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.

2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?

3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Analysis of multiple data sources, including the 2023–2024 NYC School Quality Snapshot and NYSED School Report Card data, revealed that while overall student performance is steady, achievement gaps persist among Students with Disabilities and English Language Learners, particularly in literacy and mathematics. Formative assessment data from iReady and teacher-created benchmarks show variability in student progress, suggesting inconsistent access to differentiated instruction. Additionally, classroom walkthroughs and teacher feedback (collected during Spring 2024 Instructional	Inconsistent implementation of station-teaching across classrooms, particularly around differentiation, planning time, and access to instructional tools Limited professional development on Specially Designed Instruction (SDI) and scaffolding for Multilingual Learners,	Expand and systematize daily station-teaching models that include clear roles, strategic grouping, and embedded supports for diverse learners Strengthen teacher capacity through targeted coaching, co-planning opportunities, and professional development focused on SDI, language scaffolds, and AI-supported

Rounds) highlight that while small group instruction is occurring, it lacks consistency in strategic grouping and scaffolded support—indicating an opportunity to strengthen daily implementation of station-teaching and personalized learning practices.	resulting in varied educator confidence and capacity Lack of integration of instructional technology or AI tools that could support personalization, especially in lower and upper elementary grades	instructional design Integrate adaptive learning platforms and data tools to help teachers tailor instruction, monitor progress, and deliver real-time intervention

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	Two times per week	Oliver H. Perry Public School 34 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the Total number of instructional sessions aligned to station-teaching models will Increase by 1 extra station teaching session in ELA or Math from Two times per week to Three times per week, for All Students, as measured by increasing teacher capacity to deliver personalized, differentiated instruction through daily station-teaching models and AI-enhanced instructional design.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Digital Access for All Students	Student use of digital resources in K-2 have been limited	Curriculum resources aligning to digital expectations

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50%	Oliver H. Perry Public School 34 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Increase by 10% for All Students will Increase by 10% from 50% to 60% as measured by The Percentage of active NYC Rise college savings accounts for All Students .

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To advance Priority 4 and ensure all students graduate with a strong plan for economic security, P.S. 34 will implement a comprehensive two-year action plan focused on increasing participation in the NYC Kids RISE Save for College Program. By June 2026, the school aims to increase the percentage of students with active NYC Kids RISE accounts from 50% to 60%. This initiative will be embedded within a broader framework of college and career readiness, with early financial literacy education serving as a foundation for long-term goal-setting and academic motivation. Core strategies will include classroom-based lessons on savings and future planning, targeted outreach during parent-teacher conferences and family engagement events, and regular progress monitoring by the leadership team.

To ensure equitable access, P.S. 34 will partner with local community-based organizations and utilize multilingual materials to engage families from diverse backgrounds. Staff will receive professional learning on integrating career awareness and financial literacy into instruction, while designated staff members will track account activation data, identify barriers, and coordinate family supports. Key milestones such as college and career week, classroom “Dream Board” projects, and grade-wide financial literacy workshops will reinforce messaging around early planning and postsecondary success. By connecting college savings to a larger narrative of empowerment and choice, this action plan supports the school’s mission to prepare every student for a bright, economically secure future.

Root Cause Addressed:

The action plan addresses a critical root cause: a lack of early exposure, outreach, and culturally responsive engagement around financial literacy and college savings, particularly among families in historically underserved communities. Many families may be unaware of the NYC Kids RISE Save for College Program, uncertain about the steps to activate their accounts, or unclear on how early financial planning ties into long-term educational and economic outcomes.

By embedding college savings into schoolwide family engagement, curriculum, and community partnership structures, the plan aims to dismantle these barriers. It reframes financial planning as an accessible, empowering process beginning in elementary school—while honoring the diverse languages, experiences, and aspirations of P.S. 34’s families. Through consistent outreach and integrated instruction, the school builds trust and capacity, ensuring more students start their academic journeys with a concrete pathway to economic security.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Embed age-appropriate financial literacy lessons into existing classroom curricula and advisory periods. Activities may include "Dream College" projects, savings simulations, or goal-setting journals that help students understand the purpose of saving early for college. Teachers will receive professional development on connecting these concepts to NYC Kids RISE and fostering student-led conversations at home.
Host a series of family engagement events such as “College Savings 101” workshops and tabling during parent-teacher conferences to help families activate and manage their NYC Kids RISE accounts. Materials will be translated and culturally responsive, and staff will offer 1:1 support to eliminate technological and informational barriers.
Assign a school-based NYC Kids RISE liaison to monitor account activation data monthly, identify participation gaps (by grade or demographic), and coordinate responsive outreach. Regular updates will be shared with staff and the leadership team to adjust strategies and ensure consistent momentum toward the 10% increase goal.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 4 Family and Community Engagement

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Digital Communication Usage: While platforms like Parent Square and Operoo are used, not all staff consistently activate	Many families are unaware of their right to receive translated documents or	Technology Barriers: Some families lack access to or familiarity with digital platforms used for school

translation features or tailor messages to family language preferences.	interpretation, especially during critical meetings	communication, especially newer immigrant families.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

P.S. 34 will adopt a multi-tiered strategy to improve attendance by enhancing early outreach, leveraging real-time data, and fostering a culture where daily attendance is celebrated and supported. At the universal level (Tier 1), the school will launch a schoolwide attendance awareness campaign—including classroom attendance trackers, monthly recognition ceremonies, and messaging that connects regular attendance to academic success. Teachers and staff will embed daily "soft start" routines and inclusive morning meetings that foster belonging, helping students feel emotionally safe and motivated to attend.

At the targeted and intensive levels (Tiers 2 and 3), the school will identify students with attendance below 90% through the Early Warning Indicator System and assign them to check-in/check-out mentors or small group attendance interventions. Families of these students will receive personalized outreach, including home calls, multilingual attendance action plans, and invitations to attend Attendance Problem-Solving Team (APST) meetings. Additional supports may include mental health check-ins, transportation support referrals, and attendance goal-setting conferences. Attendance data will be reviewed biweekly at team meetings and shared monthly with families.

Root Cause Addressed:

The strategy aims to address the root cause that some students and families lack a consistent understanding of the importance of daily attendance, as well as timely, culturally responsive supports when barriers arise. In many cases, chronic absenteeism stems not from a lack of motivation, but from unresolved challenges such as transportation issues, health concerns, or disengagement due to weak school-home connections. Additionally, inconsistent systems for recognizing positive attendance and intervening early can allow absentee patterns to deepen over time. By implementing a tiered plan that promotes belonging, celebrates attendance, and connects families to tailored resources, P.S. 34 targets this underlying disconnect—creating a more proactive, inclusive approach to ensure every student is present, supported, and ready to learn.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement Biweekly Attendance Data Reviews - Establish a routine where grade-level teams and the Attendance Team analyze student attendance data every two weeks using the DOE's Early Warning Indicators. This will allow for timely identification of students whose attendance is declining and enable immediate intervention planning tailored to the student's and family's needs.
Launch a Schoolwide Attendance Recognition Program - Create a positive reinforcement system to celebrate strong attendance, such as monthly classroom shout-outs, attendance "stars of the week," and quarterly raffles or certificates. This fosters student motivation and school pride while reinforcing the value of daily attendance as a shared expectation.
Strengthen Family Partnerships Through Personalized Outreach - Assign family liaisons or attendance mentors to conduct outreach—including phone calls, translated letters, and home visits—for students approaching chronic absenteeism. Support will focus on problem-solving barriers (e.g., transportation, health appointments) and developing shared, culturally responsive attendance action plans with families.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine

progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To ensure the effective implementation of our attendance improvement strategy at P.S. 34, the school will rely on a robust system of progress monitoring anchored by biweekly Attendance Team meetings, monthly Instructional Leadership Team (ILT) reviews, and grade-level data chats. These structures will serve as key checkpoints to assess the rollout of core strategies—including the schoolwide recognition program, personalized family outreach, and Check-In/Check-Out supports—by analyzing attendance trends, identifying students nearing chronic absentee thresholds, and evaluating staff engagement with tiered interventions. The use of real-time attendance dashboards and Early Warning Indicators will enable teams to swiftly identify patterns and adjust supports as needed.

To measure impact, the school will collect and review a variety of data, including YTD attendance percentages, individual student attendance profiles, and participation metrics for intervention-based strategies like mentoring and family conferences. Additionally, qualitative evidence—such as student and family feedback from surveys and focus groups—will be used to evaluate shifts in school climate, student motivation, and perceptions of belonging. These insights will guide ongoing decision-making and ensure the action plan fosters both improved attendance and strengthened engagement across the school community.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	06/26/2026	Designated staff or attendance mentors will make personalized outreach calls to families of students with emerging attendance concerns. These conversations will be empathetic and solution-focused, leading to in-person or virtual attendance conferences where families collaborate with school staff to develop shared action plans. Resources such as translation services, transportation support, or access to community agencies will be offered as needed.	
07/01/2025	06/26/2026	Host quarterly family workshops that focus on building positive routines, understanding how attendance impacts learning, and celebrating the school's "Attendance Stars." These events—complete with student showcases or wellness-themed raffles—will foster a culture of partnership and underscore the message that consistent attendance supports student success and well-being.	

Attendance/Chronic Absenteeism Budget and Resources

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Use formative assessments and IEP goals to track student progress and adjust instruction accordingly.

Hold quarterly data reviews to evaluate the effectiveness of interventions and services.

Share progress with families through regular updates, conferences, and accessible communication platforms.

Root Cause Addressed:

General and special educators often operate in silos, leading to inconsistent instructional alignment and service delivery. Limited co-planning time and unclear co-teaching roles reduce instructional effectiveness.

To address this root cause, schools must build integrated systems of support, foster collaborative ownership, and prioritize instructional equity—not just procedural compliance.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Establish a Cross-Functional Special Education Leadership Team - Build shared accountability and streamline collaboration across instructional, compliance, and operational domains. Include administrators, special educators, general educators, related service providers, and family liaisons. Meet biweekly to review IEP compliance, instructional alignment, and student progress. Use data to identify gaps, assign follow-up actions, and monitor implementation.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Special Based Support Team (SBST)
Meets biweekly to review implementation of instructional strategies, compliance, and student progress.

Uses shared dashboards to track service delivery, IEP goal progress, and instructional alignment.

2. Instructional Walkthroughs & Learning Rounds
Conducted monthly by administrators and coaches with a focus on inclusive practices and UDL.

Includes feedback cycles and trend analysis to inform PD and coaching.

3. IEP Compliance & Service Delivery Audits
Monthly audits of IEPs, service logs, and progress reports.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Monthly workshops on IEPs, UDL, and home strategies; multilingual resources; virtual and in-person options	
09/04/2025	06/26/2026	Small-group sessions on behavior supports, transition planning, or assistive tech; facilitated by SPED staff	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Special Education Teachers Deliver IEP-aligned instruction, accommodations, and modifications. General Education Teachers Collaborate in co-teaching models and implement inclusive practices. Paraprofessionals / Teaching Assistants Provide direct support, behavior management, and instructional reinforcement. Related Service Providers Speech-Language Pathologists Occupational Therapists Physical Therapists Counselors / Social Workers Deliver mandated services and contribute to holistic student development.

Instructional Resources

Multisensory Instructional Tools Manipulatives, visual aids, graphic organizers, and tactile learning kits.

Schedule Adjustments

Weekly co-planning blocks for general and special educators in ICT or push-in settings. Dedicated time for related service providers to collaborate with teachers on integrating therapy goals into instruction. IEP review sessions scheduled monthly to align instruction with student goals.

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Spire (Tier 3)	Spire Assessments	Literacy Intervention Program	Small group or one-on-one	During school day	No
Acadience Progress Monitoring			small group or individual	during school day	No
Rigby Leveled Reading Program	Into Reading Benchmark Assessments	Tier 1	Small group	during school day	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
The Contentment Foundation	SEL Surveys	School-wide Wellness Program		During school day	No
PBIS	Referrals	Crisis Intervention	Small groups or one-on-one	During school day	No
Restorative Practice	Referrals	Crisis Intervention	Small group or one-on-one	During school day	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

2

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

[School Name] will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

[School Name], in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Alain Beugoms
Assistant Principal (Where Applicable)*	Jeanne Marshall
English as a New Language (ENL) Teacher*	Aleksandra Pietrusiewicz
Teacher (if school has a bilingual program must be a bilingual teacher)*	Wioleta Wysocka
Parent/Guardian*	Jenneka Hernandez
Teacher	Emilia Chrobak
Parent Coordinator	Deise Kowalski
School Counselor	Sade Moore
Related-Service Provider	Senaida Gjokaj
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

4

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

3

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

3

Number of ESOL certified teachers with a bilingual extension:

3

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

3

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

435

Total number and percentage (%) of current ELLs:

9

Total number and percentage (%) of former ELLs:

5

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

5

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Polish	2015	1	0	1	1	0	0								3
DLBE																	0
DLBE																	0
				total: 1	total: 0	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Our freestanding ENL Program is implemented in both pull-out and push-in models.

The pull-out groups are homogeneous and contain students from the continuous grade level. In the push-in model, the ENL teacher delivers the service in heterogenous groups in the student's classrooms. Our ELL students are programmed in STARS and services as described by CR 154.

Instructional time allocations for ENL instruction is listed below.

Level	Total # minutes, ENL	Minimum # min in standalone ENL	Minimum # min integrated ENL
Beginner/Entering	360	180	180 integrated ENL/ELA
Low Intermediate/Emerging	360	90	180 integrated ENL/ELA
Intermediate/Transitioning	180	0	90 integrated ENL/ELA
Advanced/Expanding	180	0	180 integrated ENL/ELA or other content area
Proficient/Commanding	90	0	90 integrated ENL/ELA or other content area

Integrated ENL:

N/A

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

Dual Language Bilingual Education (DLBE):

PS 34 offers a stand alone Polish Dual Language program in grades K, 3, and 4. Grades 1, 3 and 4 receive one period of day in Polish language instruction as a world language model. Currently, instruction is delivered in both a self-contained model and co-teaching model. In our self-contained model, instruction is with one ENL bilingual Polish teacher who provides instruction in both languages English and Polish at separate times. In our co-teaching model, a ENL Bilingual Polish teacher is programmed for daily Polish language instruction aligned to a specified content area. They plan in collaboration with an English language teacher to allow for dual language instruction.

Our Dual Language program is designed in the half-day variant of the 70:30 model in grades K through 3. Class

composition in our dual language classes include native Polish speakers, non-Polish speakers, and ELLs/Former ELLs.

In grades 1, 4 and 5, dual language instruction is delivered either through a stand alone and/or co-teaching model. Students in dual language may receive Polish content area instruction from a Polish language teacher working alongside a general education teacher.

Students learn the target language through content areas as well as through literacy. The primary language acquisition goal of the program is the development of grade-level-appropriate bilingual and biliterate academic skills in both English and Polish. We provide all students in this class with the academically rigorous curriculum in both languages to enable the students to meet or succeed Next Generation Learning Standards.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

We cross-referenced NYSITELL and NYSESLAT scores and ENL program schedules to ensure that mandated minutes are provided to all ELL students by proficiency level.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our DL Polish instructional Program is delivered in a self-contained (K, 3 and 4) and co-teaching (1, 2, and 5) model. In the self-contained model, there is one teacher who provides instruction in both English and Polish at separate times. Our DL Program is designed in the Half-Day variant of the 70:30 model.

In the co-teaching model in grades 1, 2 & 5, a Polish language co-teacher supports instruction in a 80:20 model (1 period of Polish language instruction a day).

Disclaimer: Due to the impact of school budget deficits, the language allocation for dual language in modified side-by-side model in grades 1, 2 and 5 may be subject to changes and reduction of Polish language instruction.

b. In which language(s) is each core content area taught?

English and Polish

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Newcomers are 46% of ELLs. There are 0% Students with Inconsistent/Interrupted Formal Education (SIFE). In order to acclimate
newcomers, they are given a tour of the school and introduced to the staff by the ENL or DL teacher. They are paired up with an adult
or peer who speaks their home language. They are able to utilize the home language partnership during their lunchtime. Also, the
ENL or DL teacher uses words from students' home language, if it differs from their own. This is done in order to build a relationship
with the student. All decisions are based on the individual needs of the student. Finally, the student is introduced to the school
routines.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

There are 0% Long - Term ELLs therefore services for that group are not offered.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Former Ells are 55% of all the students. FormerELL are engaged in different projects in cooperation with the classroom teachers where they receive instruction from their primary teacher. Lessons are designed to support all students language development where they are exposed to high utility vocabulary, given opportunities for discussion and engage in multiple means of expression in all academic areas.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

The NYSESLAT offered in spring 2022 shows the following results. 55% of our English Language Learners who took the test , tested out, 31% scored on Expanding level, and 14% on Transitioning level. A review of the NYSITELL and NYSESLAT test
results identifies ELLs at every grade level. The NYSITELL results show that more than half of the ELL students reach the expanding
level demonstrating relatively strong listening and speaking skills. About 70% of the students assessed with the NYSITELL scored at the commanding level. Upon reviewing the NYSESLAT (Spring 2022) test results for our ELL students in grades K-5,
certain patterns were observed for second language acquisition. The language acquisition appears in the following order of mastery:
listening and speaking competency is attained first, followed by reading, lastly writing. Looking at the individual scores of our
entering level ELLs it was evident across all grade levels that the scores for listening and speaking were consistently higher as compared
to the other two modalities. At the transitioning level, our ELL students showed most improvement in reading and writing with the
writing score being slightly lower than the reading score. This was clearly evident among students in grades 1 through 5. Our
expanding level students continued to show improvement across all four modalities. Although there are improvements in all
modalities, writing scores are very low for many of the expanding level students.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Spring 2022 - ELLs and FELLs: ELA assessment -grades 3&4: level 4 - 6%, level 3 - 56%, level 2- 32%, level 1 - 6%; Math assessment - grades 3&4: level 4 - 50%, level 3 - 33%, level 2 - 17%, level 1 - 0%; Science assessment - grade 4: level 4 - 50%,
Level 3 - 50%. NYSESLAT assessment - grades 3&4: CM-25%, EX-75% In the upper grades students tend to receive higher scores
in ELA, Math and Science and move to Expanding or Commanding level. Students who scored on level 3 or 4 tested out of ENL.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The at-risk levels of ELLs have shown very little level progress over time. However, they have shown progress within individual modalities. In some cases, where there is very little progress, there are other factors that have been investigated involving other barriers to learning. Some students have been evaluated to determine if they need additional support in speech and language development. Students who have made progress do not have any issues with chronic absenteeism. However, there are some students who of shown a correlation between chronic absenteeism and lack of progress

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The majority of ELLs in the school are of Polish heritage. However, we have students who also speak other languages like for example Arabic, Spanish, or Japanese. Culturally Responsive and Sustaining Instruction is designed to allow
students to be exposed to literature and contexts that are reflective of their own culture in addition to other cultures. This is through a
windows and mirrors approach to instruction. Also, instruction is student centered, allowing students to share their thinking in various
ways. Students are able to develop language skills through discussion with peers and teachers.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The majority of ELLs in the school are of Polish heritage. However, we have students who also speak other languages like for example Arabic, Spanish, or Japanese. Culturally Responsive and Sustaining Instruction is designed to allow
students to be exposed to literature and contexts that are reflective of their own culture in addition to other cultures. This is through a
windows and mirrors approach to instruction. Also, instruction is student centered, allowing students to share their thinking in various
ways. Students are able to develop language skills through discussion with peers and teachers.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

The trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs show that students with IEP have speech and language development needs. There are students who have a history with speech delays in their home language
and have displayed challenges with the learning and development with acquiring the new language.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

n/a

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

n/a

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

The entire staff engages in professional learning and instructional planning to best serve the ELL population of the school. Our Polish Dual Language program serves ELLs whose first language is Polish through a 70/30 model in grade K-3 and 80/20 in grades 4-5. Academic content is modified to align with literacy units of study and students engage in dual language instruction in literacy, science and social studies. Writing is the instructional goal for the school with a particular emphasis on best practices for ELLs.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional leadership Team is comprised of teachers that represent a variety of perspectives. There are general education teachers, special education teachers, dual language teachers, all from upper and lower grades. These teachers bring a lens that will address the needs of the subgroups that exist in the school. The dual language teacher offers a perspective of language development in two languages. When making instructional and curricula decisions, MLs/ELLs in addition to all students, are considered through the lens of the 4 Hallmarks of Advanced Literacy: 1. work with a variety of text that feature big ideas, rich content and multiple perspectives 2. Talk/discuss to build language and knowledge 3. Use extended writing as a platform to build language and knowledge 4. Study a small set of high utility vocabulary to master language and knowledge.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

The core content delivered is designed with a Culturally Responsive and Sustaining Framework in addition to the 4 Hallmarks for Advanced Literacy. In ELA, teachers will use Into Reading's Reading and Writing program. Wilson's Fundations program will be used to develop foundational skills. There is time reserved for Building knowledge and language through vocabulary, foundational skills, Reading Workshop and Writing Workshop. The structure is as follows: Vocabulary instruction includes: vocabulary strategy, high utility vocabulary lessons, and cumulative

vocabulary lessons Weekly Foundational skills instruction includes: high frequency words, phonological awareness, phonics, fluency, spelling lessons Weekly Reading Workshop instruction includes: read aloud and shared reading mini-lessons, reader's vocabulary notes and response to text activities Writing Workshop instruction includes: exploration of writing genres, connections between reading and writing, independent writing, process-based writing, peer feedback and conferences and grammar mini-lessons In Math, teachers will use Illustrative Mathematics' math program. This program was created with a Culturally Responsive lens. It allows students to experience a warm-up, activity and a synthesis of the that activity, a lesson synthesis and a cool down where the student has time to process what they have learned. There are also many opportunities for students to engage through discussion and written expression. Finally, there are opportunities for teachers to address student conception of math ideas.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Our teacher's utilize the academic screener data from Acadience Dibels to target instructional focus areas in reading for ML/ELLs. We also utilize digital tools such as iReady and Fountas and Pinnel Literacy Intervention programs to track student progress in BOY, MOY, and EOY assessments.

b. SIFE

SIFE are assessed by ENL teacher to determine academic placement. All core curriculum, Reading, Writing and Mathematics includes language development support for all grade level content. Teachers will use language support appropriately for the student based on their need. The student will be paired with a person who speaks home language to help support student.
ENL teacher works closely with classroom teacher to ensure that the language standards are aligned with grade level content and development of all language modalities for push-in support.

c. Newcomers

Newcomers are assessed by ENL teacher to determine academic placement. All core curriculum, Reading, Writing and Mathematics includes language development support for all grade level content. Teachers will use language support appropriately for the student based on their need.
ENL teacher works closely with classroom teacher to ensure that the language standards are aligned with grade level content and development of all language modalities for push-in support.

d. Long Term ELLs

N/A

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Students are supported in the classroom with small flexible grouping. In ELA students are able to receive vocabulary, foundational skills in small groups. Reading and writing small group instruction is provided by the classroom teacher and ENL teacher with a push in model. In mathematics, students have opportunities to receive small group instruction.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

he Dual Language Program, teachers deliver instruction in English and Polish using a 50/50 model. Students are able to learn in their home language of Polish 50% of the school day and are assessed in all subjects with a balance of questions in both home language and English. Polish assessments are aligned with English assessments.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The annual professional learning plan allows for all staff to participate in two different social emotional programs, the Contentment Foundation and Leader In Me. There is a committee who are in charge of disseminating and training the staff on how to utilize the programs in the school community. There are specialist from both organizations who meet with the committee members on a monthly basis.
The professional learning plan also includes learning for the ENL teacher and Dual Language teachers from the collaboration of Brooklyn North and District 14 Professional Learning series.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

In order to meet the CTLE ELL professional learning mandate, the ENL teacher and Dual Language teachers will receive professional learning from the Brooklyn North Borough Office. The ENL Instructional Lead will offer a series ENL and Dual Language teachers from the district. These professional learning opportunities offers CTLE hours. Teachers will also attend additional professional learning sessions being offered.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

The screening assessments used to guide instructional planning for ELLs are the following:
DIBELS - Literacy Universal Screening

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

For K-5 a reading intervention program called S.P.I.R.E is used to support all students including ELLs in reading. This intervention program is meant for small group instruction. This intervention program is specifically used for our Special Education population and ELLs who have IEPs.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The formative assessments used to inform and drive instruction are the following:

Literacy- DIBELS, Fountas and Pinnell, Writing assessments from Into Reading curriculum
Mathematics- Unit assessments from curriculum
Social Studies- Teacher created teacher assessments
Science- Unit assessments from curriculum

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

MLs/ELLs are appropriately evaluated in their home language if they are in need based on interviews, formative and summative assessments. Once it is determined that the student must be interviewed in their home language, a teacher or staff as translator will administer the assessment in student's home language. If there are no staff members who speak the language, we will seek support through DOE translator services.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The summative assessments used to evaluate effectiveness of ML/ELL program are NYSESLAT, ELA and Math State Exam. The data from the summative assessments are analyzed together to determine the students ELL level. If student test at a level 3 or 4 on the ELA exam, and they test at Expanding on the NYSESLAT, further analysis will be done to inform the placement of the student. Also, this data determines the support students need in each modality. Based on strengths and challenges in reading, writing, listening and speaking, students will receive support in that area from both classroom teacher and ENL teacher.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

NYSESLAT preparation follows Principal's checklist. Teachers with TESOL and Bilingual Certification administer the test. First, the students who need to take a test are identified. Next, parents of students at school and remote students are informed. Teachers who will give the test are trained in administering all components of the test. Speaking part of the test is provided within the time limit. Following, the schedule of the test is prepared, teachers that will give the test and location. Remote students receive the NYSESLAT during the separate times. We follow guidance regarding students with the IEP. After the test, make-up test is provided. When all tests are given, a group of teachers is trained in scoring. They score all the tests and transcribe the tests for students from grades K - 2. Next, answer sheets are scanned. Finally, the testing material is packed and returned.
Teachers with TESOL and Bilingual Certification.
Substitute teachers provide mandated services to ELLs and former ELLs during the testing period.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

There are many opportunities for family empowerment in the school. Here are a list of the annual events the school offers: Virtual Polish Bilingual Day · Dual Language Curriculum Showcase · Cultural Celebrations: Holidays Around the World · Painting with the artist, Ana
Soto, - Celebrating Asian –Pacific cultures · Celebrating multicultural holidays; inviting to watch the movie together; painting the masks (Mexican- Polish activities and customs) · Many different parent workshops Individual meeting with the ELL parents during: · Teacher/parent meetings (days when teachers had time designated to meet with parents to discuss different students' progress, or answer any questions)

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Parents are sent letters to report student performance level on the NYSESLAT. The letters are sent vial mail and Parent Square and Operoo. If parents have questions, they are able to receive and appointment to discuss the results further. If translation services are needed, a designated staff member who speaks the same language provide translation when necessary. Translation services can also be provided by the DOE if necessary.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our school will make limited-English Proficient families aware of their right to receive information in their preferred language by having the Parent's Guide to Language Access accessible in the main office at all times. Our Parent Coordinator, Deise Kowalski, ensures that all communication that is disseminated to families is available in both English and Spanish, which are the two predominant languages among our families. All parent engagement events including PTA meetings and other school wide events have translators available for families who need it.

In the event of a school-wide emergency such as a lockdown or a fire a message is sent out using Operoo, which is a platform for digital forms, payments and communications. Operoo translates all documents and communications into several languages for parents making it easy for them to communicate with the school in case of an emergency.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

All upcoming meetings and workshops held by PTA, SLT, and CEC are communicated to families in multiple languages (including Polish language translations).

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We currently have a longstanding partnership with St. Nick's Alliance School Settlement that operates an after school program with particular emphasis on supporting parent engagement across language areas.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Rationale for Bilingual Adjustment

PS 34 has had declining enrollment in the Polish Dual Language program (PDLP). For two consecutive years, the PDLP enrolled under 18 students in Kindergarten. The program does not reflect a 50/50 model in terms of student representation. Native English-speaking families interested in PDLP have declined in Kindergarten enrollment to <4 students.

Between 2015-2020, the program attracted ENL students whose native language is Polish. For SY 23-24, the numbers of Polish-speaking ENL students are:

Kindergarten – 3 ENL

Grade 1 – 4 ENL

Grade 2 – 2 ENL

Grade 3 – 1 ENL

Grade 4 – 1 ENL

Grade 5 – 1 ENL

This steep decline in ENL students precipitates the need for an adjustment in dual language programming.

In addition, the community of Greenpoint, Brooklyn has seen a demographic shift with fewer Polish families residing in the community. Furthermore, the program was the only Polish Dual Language Program in NYC, attracting enrollment from Queens.

For school year 2023-2024, the current enrollment of PDLP students are as follows:

Kindergarten – 17

Grade 1 – 26

Grade 2 – 20

Grade 3 – 15

Grade 4 – 15 (combined with general education students)

Grade 5 – 19

There was a need to consolidate the 4th grade DLP with general education students. Class consolidation is unavoidable due to insufficient funding to support under-enrolled DLP classes.

Lastly, PS 34 lost Title 1 funding for SY 23-24. The school was partially held harmless with the addition of School Supplemental Support funding, however, for SY 24-25 PS 34 will see a budget reduction of 220K – forcing the school to consolidate under-enrolled classes.

Description of Future Service

For school year 24-25, PS 34 will need to consolidate DLP classes with general education classes in grade 4 & 5. PS 34 will be able to maintain its incoming Kindergarten K-3 program.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Dr. Jeanne Marshall, Assistant Principal
Aleksandra Pietrusiewicz, ESL Teacher
Erin Shaw, Special Education Teacher
Wioleta Wysocka, Dual Language Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Proactive Planning to Prevent Instructional Disruption
Oliver H. Perry Public School ensures that the ELL identification process is seamlessly integrated into enrollment procedures to avoid any disruption to mandated ENL or bilingual instruction. Key strategies include:

Immediate administration of the Home Language Identification Survey (HLIS) upon registration.

Prompt scheduling of the NYSITELL (New York State Identification Test for English Language Learners) within 10 school days of enrollment—or 20 days for students with IEPs.

Provisional instructional support using ENL strategies while awaiting test results, ensuring no lapse in services for potential ELLs.

Maintenance of a rolling intake calendar and designated testing personnel to accommodate mid-year entrants.

Roles and Responsibilities
The school follows a clearly defined protocol:

Parent Coordinator or School ELL Team: Administers the HLIS and flags potential ELLs.

ENL Coordinator/Compliance Designee: Oversees the identification process, coordinates interviews, and ensures timely NYSITELL administration.

Qualified ENL/Bilingual Staff: Conducts the Individual Interview in English and the student's home language.

Language Proficiency Team (LPT): For students with IEPs, the LPT determines whether the student should take the NYSITELL and with what accommodations, per CR Part 154-3.

Principal: Ensures compliance, monitors timelines, and communicates with families and district leadership as needed.

Identification Plan for Students with IEPs
For incoming students with an IEP:

The LPT convenes to review the IEP and determine if the student has second language acquisition needs.

If so, the student takes the NYSITELL with appropriate accommodations.

If not, the LPT must document its rationale, and the principal notifies the superintendent and family of the decision.

Ensuring Mandated Instruction for ELLs and Former ELLs
Identified ELLs are placed in ENL or bilingual programs within 10 days of enrollment.

Former ELLs are monitored for two years and continue to receive support as needed.

The school's Language Allocation Policy outlines how instruction is delivered across content areas and ensures compliance with CR Part 154.

Progress monitoring through NYSESLAT and classroom assessments ensures students receive appropriate scaffolds and services.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Deise	Kowalski	Parent Coordinator - Annual	02/13/2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
CZECH	1	0.21%	1	0.21%		
HEBREW	2	0.42%	2	0.42%		
JAPANESE	2	0.42%	2	0.42%		
ENGLISH	426	90.25%	424	90.02%		
POLISH	30	6.36%	32	6.79%		
SPANISH	11	2.33%	10	2.12%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Handbook	Digital Translation with editing by on-staff translators
PTA Communication	PTA Communication Volunteers
School Communication Letters	Staff-assigned translators
IEP	IEP Translative Services

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

Parent Teacher Conferences	Staff Translators
Open Door	Staff Translators
Progress Meetings	Staff Translators

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Apps are used to contact parents. Parent Square is used to communicate with families in English. Parents have the option to translate the posts and messages as needed. Operoo is used to communicate to families in English with the option to translate as needed.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Training Completion & Accountability
The Principal and AP of Operations will issue a formal directive to all staff outlining the mandatory completion of the NYCPS Language Access Training by a specified deadline.

Staff will be provided with:

Step-by-step instructions for accessing the training on We Learn NYC

A completion deadline aligned with NYCPS expectations

A Google Form or internal tracker to confirm completion and submit certificates

Completion will be monitored by the Galaxy-designated Language Access Coordinator (LAC), who will report progress to the administration weekly until 100% compliance is achieved.

2. Best Practices Dissemination
The LAC will lead a brief professional learning session during a staff meeting to review:

Best Practices for Translation of Critical Written Communications

Best Practices for Interpretation of Critical Oral Communications

Materials will be uploaded to the school's shared drive and referenced in the staff handbook and family engagement protocols.

Staff will receive scenario-based guidance to help determine when translation or interpretation is required, including multilingual family outreach templates.

Ongoing Communication & Resource Sharing
3. LAC Role in Sustained Implementation

The Galaxy-designated LAC will:

Serve as the point person for all language access inquiries and support

Disseminate future updates, resources, and DOE guidance via email, staff meetings, and the school's internal communication platform

Maintain a Language Access Resource Hub on the school's shared drive with updated documents, translated templates, and DOE memos

Collaborate with the Family Engagement Coordinator to ensure translated materials are available for school-wide events, IEP meetings, and parent conferences

Monitoring & Evaluation
The administration will review training completion data monthly and include language access compliance in school-wide walkthroughs and family engagement audits.

Feedback from staff and families will be collected via surveys to assess clarity, accessibility, and effectiveness of communication practices.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Family Communication & Language Assistance Awareness
LTI Plan Component: Informing Families About Language Access Services School: Oliver H. Perry Public School 34
District: New York City Public Schools

Ensure that all families are aware of their right to receive language assistance services in their preferred language and know how to access these services at PS 34.

Multilingual Communication Strategy
1. Translated Signage
Prominently display multilingual signage at key entry points (main office, auditorium, cafeteria, and parent resource center) stating:

"Language assistance is available—ask us!"

Translated into the top 9 NYC DOE languages and any additional languages represented in the school community.

Include visual icons and QR codes linking to the Language Access for NYC Public Schools Families brochure.

2. Printed Materials
Distribute translated brochures, flyers, and letters during:

Back-to-school night

Parent-teacher conferences

Registration and orientation events

Materials will include:

The official Language Access for NYC Public Schools Families brochure

A school-specific flyer explaining how to request interpretation or translation services

Contact information for the school's Language Access Coordinator (LAC)

3. Parent Engagement Events
Host multilingual parent engagement events that highlight language access services:

International Families Night with interpreters present

PTA meetings with live interpretation and translated agendas

Workshops on navigating NYCPS systems (e.g., NYC Schools Account, IEP meetings) with language support

Provide opportunities for families to meet the LAC and learn how to request services.

4. Messaging Applications
Use Parent Square and Operoo to send messages in families' preferred languages.

Ensure that all staff using messaging apps are trained to activate auto-translation features and verify accuracy.

Include periodic reminders about language access rights and how to request services.

Ongoing Outreach & Monitoring
5. Language Preference Verification
During registration and annual updates, verify each family's preferred language for communication.

Maintain an updated language preference list to guide translation and interpretation needs.

6. Feedback & Improvement

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Parent Feedback on Language Assistance Services
LTI Plan Component: Gathering Feedback from Families School: Oliver H. Perry Public School 34 District: New York City Public Schools

Establish multiple, inclusive methods for collecting meaningful feedback from families about the quality, accessibility, and responsiveness of language assistance services provided in their preferred language.

Feedback Collection Strategy
1. Multilingual School-Based Surveys
Develop and distribute school-specific surveys in families' preferred languages at key points during the year:

Fall: After initial registration and orientation

Winter: Mid-year check-in

Spring: End-of-year reflection

Surveys will include questions about:

Ease of accessing interpretation or translation

Responsiveness of staff to language needs

Satisfaction with written and oral communication

Surveys will be distributed via:

Paper copies sent home

Digital forms via messaging apps (e.g., TalkingPoints, ClassDojo)

QR codes on flyers and signage

2. Focus Groups & Listening Sessions

Host multilingual parent focus groups once per semester facilitated by the LAC and Family Engagement Coordinator.

Sessions will be held in languages most spoken by families (e.g., Spanish, Chinese, Bengali) with interpreters present.

Topics will include:

Experiences with school communication

Suggestions for improving access

Cultural considerations in outreach

3. One-on-One Outreach
The Parent Coordinator and LAC will conduct targeted phone calls or in-person check-ins with families who:

Have requested interpretation services

Have students with IEPs or multilingual needs

Notes from these conversations will be anonymized and shared with school leadership for continuous improvement.

4. Feedback Box & Digital Suggestion Form
Install a multilingual feedback box in the main office with translated prompts inviting comments about communication and language support.

Launch a digital suggestion form accessible via the school website and messaging apps, available in multiple languages.

Data Review & Action
Feedback will be reviewed quarterly by the Language Access Team, including the LAC, Parent Coordinator, and AP of Operations.

Trends and concerns will be shared with staff during professional development and used to refine practices.

Positive feedback will be highlighted in newsletters and family events to reinforce trust and transparency.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.
