Sereida Rodriguez

# Comprehensive Educational Plan Outline

## Table of Contents

**Main Sections (Customized Based on School Accountability Status):**

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

**Appendices (Reflecting Additional Requirements for Specific Groups of Schools):**

F

# Section 1: Overview of Comprehensive Education Planning

## Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

**The Education Planning Process**

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

# Guidance on Conducting a Comprehensive Needs Assessment

**Directions:** Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

**1. Review Multiple Data Sources:** Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

**2. Analyze Data Trend(s) to Identify Areas of Strength and Need:** Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

**3. Identify Root Cause(s):** After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

# Section 2: School Information

## School Information

**School Name:**

PS 84 Jose de Diego

**District Borough Number (DBN):**

# Section 3: CEP SLT/Stakeholder Signature Page

## School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

**Directions:** List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

| | | |
|---|---|---|

| SLT Member Name | Position and Constituent Group Represented | Signature |
|---|---|---|
| Sereida Rodriguez | Principal or Designee* | |
| Milagros Lopez | United Federation of Teachers (UFT) Chapter Leader or Designee* | |
| Teresa Bosque | Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President* | |
| | District Council 37 (DC 37) Representative (staff), if applicable | |
| ----- | Title I Parent Advisory Council Chairperson (or alternate) | |
| | Student Representative (Required for middle and high schools) | |
| | Student Representative (Required for middle and high schools) | |
| | CBO Representative, if applicable | |
| Tatiana Lucassi | Member/Teacher | |
| Meghan Monachello | Member/Teacher-Chairman | |
| Melody Paniagua | Member/Guidance Counselor | |
| Kyung Jeon-Miranda | Member/Parent | |
| Caliz Diaz | Member/Parent | |
| Kimberly Lopez | Member/Parent | |
| Allison Schlegel | member/Parent | |
| | | |
| | | |

# Additional Stakeholder Signature Page

**Directions:** Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

| Name | Position and Constituent Group Represented | Signature |
|---|---|---|

# Section 4: School Summary

## Accountability Status

Accountability Status: **LSI**

# School Summary

**Directions:** Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

**Provide your school's mission statement:**

Vision:
The vision of PS84 is to create positive members of society with active and creative minds, a sense of compassion for others, and influential attributes of a leader.

Mission:
Working closely with our talented community, we will foster lifelong learners by cultivating the social, emotional, physical and academic needs of each child.

**Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:**

Include demographic information about your school's student population.

P.S. 84 José de Diego serves approximately 700 students from 3K through 8th grade in the diverse and vibrant community of Williamsburg, Brooklyn. Founded in 1969 on the south side of Williamsburg and named for the celebrated Puerto Rican poet and activist, our school has deep roots in the community.

Once a school facing challenges with low enrollment, P.S. 84 has undergone a remarkable transformation into a popular and thriving neighborhood institution. This success is a testament to our strong leadership, deeply engaged parent involvement, and a commitment to a rich, forward-thinking curriculum.

Central to our identity are our innovative and inclusive programs. We are proud to host a highly sought-after ASD Nest Program, which provides a supportive, integrated learning environment for students with autism spectrum disorder. Our renowned Dual Language Program immerses students in both Spanish and English, fostering bilingualism and biliteracy from an early age. Complementing these are our dynamic STEM Program and our state-of-the-art Greenhouse, which provide all students with hands-on, inquiry-based learning opportunities that cultivate critical thinking and a passion for discovery. These key initiatives define our unique character and drive our mission to serve every student.

**Briefly summarize the key initiatives your school will implement this school year.**

This school year, our focus is on deepening instructional practices, expanding advanced academic opportunities, and strengthening support systems for all learners. Our key initiatives are:

Academic Excellence & Instructional Strategy
Advanced Math Pathways: We will introduce Regents Algebra I for qualifying 8th-grade students, offering them a

chance to earn high school credit. We'll also continue to improve student achievement in mathematics by extending our participation in the NYC Math Partnership for Equity.

Differentiated Instruction: We are implementing Station Teaching as a core instructional model in all classrooms to better meet diverse student needs. This will be supported by expanding Project-Based Learning in grades 3, 4, and 5 to foster deeper engagement.

Student Support & Enrichment
Strengthening MTSS: We will make extensive use of the Multi-Tiered System of Supports (MTSS) framework to ensure every student receives the precise academic and behavioral interventions they need to succeed.

Expanding Gifted & Talented: Our Gifted & Talented (G&T) program will now be expanded to include grade 6, offering enriched and accelerated learning opportunities for our middle schoolers.

Social-Emotional Well-being: We will enhance our SEL practices by adding the student-led Brain Power curriculum. We are also excited to open two new sensory rooms (one for elementary and one for middle school) to help students develop crucial self-regulation skills.

**What are the primary digital and/or print curricula/programs used for ELA and Math:**

Indicate the content area, grade band and any adaptations made.

| Content Area (Indicate ELA and Math Only) | Grade Band | Digital and/or Print Curricula/Program | Adaptations |
|---|---|---|---|
| ELA | K-5 | Into Reading | Arriba la lectura for Dual Language classes |
| ELA | 6-8 | Into Literature | |
| Math | K-5 | Illustrative Math | |
| Math | 6-8 | Illustrative Math | |

# Section 5: Priority 1 – All students learn to read well

## Priority 1 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| NY State English Language Arts State Assessment 2023-24, MAP Growth Baseline Assessment Fall 2024, Acadience | Absenteeism, Multilingualism, and Lack of proficiency in the following areas: Understand Language, Craft, and Structure, Vocabulary: Acquisition and Use | Analysis of diagnostic, benchmark, and short intervals of frequent assessments to assess the impact of curriculum and instruction on student learning and used to drive targeted lesson planning with differentiation for all learners. |
| NY State English | Absenteeism, | Implementation of a Multi-tiered Systems of Supports (MTSS) that |

| | | |
|---|---|---|
| Language Arts State Assessment 2023-24, MAP Growth Baseline Assessment Fall 2024, Acadience | Multilingualism, and Lack of proficiency in the following areas: Understand Language, Craft, and Structure, Vocabulary: Acquisition and Use | includes strategic Tier 2 and 3 interventions for all students who are tiered on these respective levels for strategic support beyond the tier 1 classroom instruction during Station Teaching time. |
| NY State English Language Arts State Assessment 2023-24, MAP Growth Baseline Assessment Fall 2024, Acadience | Absenteeism, Multilingualism, and Lack of proficiency in the following areas: Understand Language, Craft, and Structure, Vocabulary: Acquisition and Use | Implementation of the following practices aligned to the Science of Reading: 1) Systemic, explicit phonics instruction 2) Use of decodable texts (K-2) 3) Small group differentation based on need 4) Explicit instruction and practice in fluency 5) Use of universal screeners, secondary diagnostics, and formative assessments 6) Implementation of content rich reading curriculum that builds background knowledge and vocabulary. |

# Priority 1

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Literacy**

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

# Priority 1 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 36% | By June, 2026, literacy for All Students will improve, as measured by a 20% Increase, from 36% to 56%, of percentage of students scoring at or above proficiency on the iReady Reading Diagnostic. |
| Students with Disabilities (SWD) | 30% | By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 20% Increase, from 30% to 50%, of percentage of students scoring at or above proficiency on the iReady Reading Diagnostic . |
| English Language Learners (ELL) | 2% | By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 20% Increase, from 2% to 22%, of percentage of students scoring at or above proficiency on the iReady Reading Diagnostic. |

# Priority 1 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

iReady Reading Diagnostic

**Enter a Key Performance Indicator**

Percentage of students scoring at or above grade-level expectations on the iReady Reading Diagnostic

**Baseline:**

37%

**Enter the date for the baseline data:**

October 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

37%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

47%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

57%

# Priority 1 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

22%

# Priority 1 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Continue to Implement the Following HMH Platforms K-8:

Waggle: to provide personalized instruction based on groupings determined by MAP Growth Data and by progress monitoring to support students' foundational skills, fluency, vocabulary, reading comprehension, language conventions, and writing.

Amira: to provide 1:1 reading tutoring, oral reading fluency assessment, and dyslexia risk screening in English and Spanish.

Writable: in grades 3-8 to support students through the writing process with a research-backed tool for personalized feedback and revision.

Tier 2 and Tier 3 intervention programs: SPIRE (K-2), Phonics for Reading (3-5), REWARDS (6-8).

Station Teaching: to provide a structured small-group instructional model where teachers can differentiate more effectively, reinforce foundational literacy and writing skills, and target specific needs revealed by MAP Growth data and progress monitoring. Station teaching ensures students receive a balance of direct instruction, collaborative practice, and independent application. This approach maximizes student engagement, supports diverse learners, and strengthens the implementation of the HMH platforms and intervention programs.

**Root Cause Addressed:**

Assessment plans lacking thorough progress monitoring with actionable data to group students in tiers of support

High Percentage of Students in Tier 2 & Tier 3 of the MTSS pyramid

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Students will be administered the iReady Diagnostic: September 2025, January 2026, and May 2026; The results of the assessment are accessible to administration, families and teachers; Teachers will discuss the results of the assessments with families and provide guidance on how they can support their child at home using the iReady Family Resources. Based on the results of the diagnostic assessment, students will complete personalized lessons each week on their iReady My Path. |
| In addition to lessons programmed by HMH, teachers will provide Tier 2 and Tier 3 interventions using SPIRE (K-2), Phonics for Reading (3-5), and REWARDS (6-8). Teachers will attend professional development sessions to learn the intervention programs they will utilize. Station teaching will also be implemented as an instructional approach to allow teachers to deliver differentiated small-group instruction, reinforce foundational literacy skills, and target student needs more effectively as identified thro |
| Teachers of SWDs and ELLs will have access to the students' diagnostic results and intervention lessons and tools. Teachers will use the data to differentiate instruction in order to meet individual students' learning needs and IEP goals. Station teaching will be incorporated to provide small-group, targeted instruction that allows teachers to address specific skill gaps, provide language supports, and reinforce strategies aligned with students' individualized goals. This approach ensures that SWDs and ELLs receive more personalized, accessible, and effective instruction. |
| Professional Development will be provided by Teaching Matters & D14 Staff. In addition, professional development will include training and support for effective use of station teaching as a model to enhance small-group instruction, differentiation, and alignment with intervention programs and HMH platforms. |
| Students will be provided opportunities to engage with grade-level HMH material regardless of proficiency with the support of scaffolds and differentiation in stations. Through station teaching, teachers will organize instruction into small, targeted groups, ensuring all students—including those needing additional support—can access grade-level content while strengthening foundational skills. This structure allows for strategic use of scaffolds, peer collaboration, and direct teacher instruction to promote equity and engagement for all learners. |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action

steps will be introduced and rolled out.

| Action Steps |
| --- |
| |
| |
| |
| |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Progress Monitoring will take place on a daily, weekly, and monthly basis using the tools below:
Fundations Unit Assessments
Acadience bi-weekly progress monitoring
HMH Module Assessments (K-5)
HMH Text Selection Tests (6-8)
LETRS (K-2)

# Priority 1 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/08/2025 | 06/26/2026 | Welcome Weeks to engage families with the literacy through the content areas,a nd project-based learning | |
| 09/08/2025 | 06/26/2025 | Monthly Newsletters with ELA standards, ELA skills, and Genres covered for the month. Families will also be provided links with videos and resources on how to help their child at home | |
| 09/08/2025 | 06/26/2026 | Module HMH Family Letters that include the names of the texts being read and the skills covered for each Module | |

# Priority 1 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Classroom Teachers, AIS Teacher, SETSS Teachers

### Instructional Resources

Fundations curriculum materials, SPIRE materials and curriculum, Phonics for Reading curriculum and materials, Into Reading curriculum and materials

### Schedule Adjustments

Double Blocks with periods designated for Station Teaching

### Other Resources Needed

Chromebooks to facilitate the digital component of HMH Into Reading/Into Literature effectively

# Section 5: Priority 2 – All students are physically and emotionally safe

## Priority 2 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| Bullying prevention intervention continuing to be an area of development (NYC School Survey, 2024 & 2025) | Student Connection & Communication Student Perception on Bullying | Assessing student perception on bullying to develop ongoing responsive resources |
| Emotional and Physical Safety (NYC School Survey 2025, OORS Data for SY 24-25) | Ongoing training and development on schoolwide SEL practices | Development of Restorative Practices and Tiered Support for Streamlined Communication and Integration |
| | | |

# Priority 2

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for Physical and Emotional Safety**

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

# Priority 2 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 53 | By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Increase, in percentage of positive student responses to survey questions about personal attention, safety, and bullying prevention from 68 to 78 (Personal Attention), and 53 to 63 (Bullying Prevention), and an increase to the safety score, per the NYC School Survey results. |
| Students with Disabilities (SWD) | 34 | By June, 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a 10% Decrease, in number of Level 3-5 incidents from 34 to 24, per the Online Occurrence Reporting System (OORS) reports . |

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

NYC School Survey results, Incident Reporting Form(s), OORS

**Enter a Key Performance Indicator**

increases in the selected survey question areas: personal attention, safety, and bullying prevention

**Baseline:**

Current survey data reflects 68% for personal attention, 86% for safety, and 53% for bullying prevention

**Enter the date for the baseline data:**

June 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Assessment of YTD OORS data (Spring/Summer 2025) and data extracted from Incident Reporting Form(s) with aligned data points (Spring/Summer 2025) to inform tiered interventions

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Using OORS and Incident Reporting data to progress monitor interventions applied and assess for safety/student emotional wellbeing

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Students completion of NYC Survey should reflect 78% for Personal Attention, 86%+ for Safety, and 63% for Bullying Prevention, and noting decreases in incident reporting related and not limited to student wellbeing

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Online Occurance Reporting System (OORS)

**Enter a Key Performance Indicator**

Decrease the number of L3-5 Incidents

**Baseline:**

34%

**Enter the date for the baseline data:**

June 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

5% percentage reported decrease on OORS of L3-L5 incidents for SWD Students

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Additional 5% percentage reported decrease on OORS of L3-L5 incidents for SWD Students

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

10%+ percentage reported decrease on OORS of L3-L5 incidents for SWD Students resulting in 24 or less reported incidents

# Priority 2 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

**Enter a Key Performance Indicator**

**Baseline:**

**Enter the date for the baseline data:**

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 2 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

1. Optimizing students' schedules to provide more balance between content areas and other additional vocational opportunities (ex: electives, clubs, mindful Monday, Restorative Circles)
2. Training and building capacity within staff and stakeholders regarding tiered interventions, and SEL-targeted interventions
3. Themed Classroom Lessons optimized for student understanding and restorative interventions

**Root Cause Addressed:**

Understanding student perception on bullying to develop ongoing responsive resources and continue developing tiered interventions for a holistic learning community at 84.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Theme of the month classroom lessons facilitated by School Counselors. |
| Conducting quarterly needs assessments for both teachers and students to inform tiered interventions of supports. |
| Schoo-lwide incentive program around positive behavior. |
| |
| |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

OORS data to monitor trends and extract themes of reported incidents
Incident Reporting Forms for monitoring classroom conduct concerns
NYC School Survey results for student perception

# Priority 2 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/04/2025 | 06/26/2026 | Monthly Parent Workshops and Training at PTA Meetings | School Staff, Community Partners |
| 09/04/2025 | 06/26/2026 | Ongoing Parent Forums (ex: school tone and culture programming, parent conferences, etc.) | School Staff |
| 10/13/2025 | 05/29/2026 | Monthly Parent Welcome Week activities | School Staff<br>Classroom teachers |

# Priority 2 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

Ongoing professional development for staff to support with actualized information regarding SEL, and Safety

**Instructional Resources**

Utilization of school based resources (RULER platform with resources, lessons), Advisory Periods

**Schedule Adjustments**

N/A

**Other Resources Needed**

N/A

# Section 5: Priority 3 – All students have a high-quality academic experience

## Priority 3 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| NYS Math Assessment results (2024-2025), iReady Diagnostic (Fall 2025) | Lack of conceptual understanding and rigorous mathematical problem solving in the area of algebraic thinking and geometry, chronic absenteeism, & multilingualism | Increase teacher capacity to deliver personalized, differentiated instruction through daily station-teaching models and AI-enhanced instructional design that addresses the needs of all learners |
| NYS Math Assessment | Linguistic complexity of language in mathematical word stories | Increase teacher capacity to deliver personalized, differentiated instruction through daily station-teaching |

| | | |
|---|---|---|
| results (2024-2025), iReady Diagnostic (Fall 2025) | | models and AI-enhanced instructional design that includes targeted language scaffolds for English for English Language Learners |
| NYS Math Assessment results (2024-2025), iReady Diagnostic (Fall 2025) | Mastering basic number facts, mathematical language and complex calculations, learning differences | Increase teacher capacity to deliver personalized, differentiated instruction through daily station-teaching models and AI-enhanced instructional design that includes strategic Specially Designed Instructional strategies for Students with Disabilities |

# Priority 3

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Academics**

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

# Priority 3 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 20% | By June, 2026, the percentage of K-8 students scoring at or above grade-level proficiency in Math will Increase by 15% from 20% to 35%, for All Students, as measured by iReady Math Diagnostic results . |
| English Language Learners (ELL) | 23 | By June, 2026, the percentage of students K-8 scoring at or above level proficiency will Increase by 15% from 0% to 15%, for English Language Learners (ELL), as measured by iReady Math Diagnostic results. |
| Students with Disabilities (SWD) | 53% | By June, 2026, the percentage of K-8 students scoring at or above grade-level proficiency, will Increase by 15% from 26% to 41%, for Students with Disabilities (SWD), as measured by iReady Math Diagnostic Results. |

# Priority 3 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

iReady Math Diagnostic

**Enter a Key Performance Indicator**

Percentage of all students scoring on or above grade-level proficiency

**Baseline:**

59%

**Enter the date for the baseline data:**

Fall, 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

65%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

70%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

75%

# Priority 3 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

# Priority 3 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

All teachers in grade K-8 will engage in professional development on the Mathematics Shifts to implement key elements that foster a systemwide culture of high-quality mathematics Instruction.

All teachers in grades K-8 will engage students in the 5 Practices for Orchestrating Productive Discussions model to create a discourse-rich Math classroom that is accessible to all students.

All teachers in grades 6-8 will be supported by a Teaching Matters Coach using the implementation reflection tool in Illustrative Math to identify goals for improvement, with an emphasis on SWD and ENL students.

**Root Cause Addressed:**

Increase teacher capacity to deliver personalized, differentiated instruction through daily station-teaching models and AI-enhanced instructional design that addresses the needs of all learners.

Increase teacher capacity to deliver personalized, differentiated instruction through daily station-teaching models and AI-enhanced instructional design that includes targeted language scaffolds for English for English Language Learners.

Increase teacher capacity to deliver personalized, differentiated instruction through daily station-teaching models and AI-enhanced instructional design that includes strategic Specially Designed Instructional strategies for Students with Disabilities

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Teachers will tailor small group and individual instruction to meet the diverse learning needs of all students, utilizing intervention tools and resources provided by Illustrative Math. Instructional activities will target prerequisite skills that build toward mastery of priority standards. |
| To support effective implementation of the Illustrative Math curriculum, teachers will participate in professional development focused on integrating mathematical content, instructional routines, and scaffolding strategies. These sessions will align with the Department of Education's Mathematical Shifts—emphasizing focus on priority standards, coherence across grade levels, and a balance of conceptual understanding, procedural skill and fluency, and application. |
| Teachers will hold conferences with students to review their iReady Diagnostic results and support them in setting individualized learning goals. Assessment data will be used to differentiate instruction, with targeted strategies to meet the specific needs of Students with Disabilities (SWDs) and English as a New Language (ENL) learners, ensuring all students make progress toward their goals. |
| Teachers will deliver targeted instruction using the 5 Practices for Orchestrating Productive Mathematics Discussions—Anticipating, Monitoring, Selecting, Sequencing, and Connecting—to deepen students' understanding of key mathematical concepts. Instruction will focus on counting patterns within addition and subtraction, multi-digit computation, fractions, decimals, and the presentation and interpretation of data using line plots and bar graphs |
| Teachers will engage families in discussions about the results of the iReady Diagnostic, providing clear explanations and actionable insights. They will also guide families on how to interpret and effectively utilize the iReady Diagnostic Family Report to support student learning at home. |
| All K–5 teachers will continue to receive support from Generation Ready Consultant Latoya Massey to ensure the implementation of best practices in mathematics instruction. Teachers in grades 6–8 will be supported by a Teaching Matters Coach, who will guide them in using the Illustrative Math Implementation Reflection Tool to identify instructional goals and areas for improvement |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Bi-weekly Data Chats: School administrators will schedule bi-weekly planning sessions for teachers to engage in focused data discussions using Illustrative Math checkpoints and unit assessments. These data chats will allow teachers to analyze student performance trends, identify misconceptions, and adjust instruction accordingly.

Teachers in grades K–8 will engage in ongoing collaboration with Math consultants and instructional coaches. These sessions will emphasize the analysis of student work to ensure alignment with instructional goals and to promote the consistent application of best practices in mathematics teaching.

School administrators will work to build internal coherence across grade levels, with targeted focus on algebraic thinking, geometry, and measurement and data. This vertical alignment will support a cohesive progression of mathematical understanding from grade to grade and help identify instructional gaps.

The effectiveness of small-group instruction and interventions will be regularly evaluated through walkthroughs, student work samples, formative assessment data, and teacher reflection. Emphasis will be placed on how these strategies are supporting Students with Disabilities (SWDs), English as a New Language (ENL) students, and those performing below grade level.

Progress will be monitored using multiple data sources, including: Illustrative Math checkpoint and unit test results, student work samples and performance tasks, observation notes from instructional rounds and classroom walkthroughs, teacher feedback and implementation reflection tools, and interim and summative assessment results.

# Priority 3 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/04/2025 | 06/26/2026 | Family Math Workshops & Math Nights to help parents and guardians understand the mathematics curriculum, key grade-level concepts, and how to support learning at home. | Generation Ready Math Consultant |
| 09/04/2025 | 06/26/2026 | iReady Diagnostic Family Report Conferences to review students' iReady Diagnostic results, explain the Family Report, and collaborate on setting individualized learning goals. | |
| | | | |

# Priority 3 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Human Resources**

ASD Nest Coach, consultants, coaches, district math specialists

**Instructional Resources**

Updated math curricula, Tier III math intervention programs

**Schedule Adjustments**

Double blocks of mathematics

**Other Resources Needed**

# Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

## Priority 4 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| Graduation Rates: District 14, which includes 14K084, reported an 88% four-year graduation rate in 2023-24 While this is above the citywide average, disparities persist in readiness for postsecondary success. | Limited Access to Rigorous Coursework: Students lack consistent exposure to advanced coursework such as Algebra I in middle school, AP | Expand College and Career Readiness Programming: Implement structured college and career exploration beginning in middle grades. Integrate project-based learning and |

| | | |
|---|---|---|
| | classes, or dual enrollment opportunities. | performance assessments to demonstrate readiness. |
| College Readiness: Statewide data shows that only 41% of 8th graders were proficient in math, with even lower rates for Black (31%) and Latinx (32%) students These gaps are reflected in local performance trends. | Inconsistent Career Exploration: There is a lack of structured career education and exposure to postsecondary pathways, especially in earlier grades. | Increase Access to Rigorous Instruction: Ensure equitable access to advanced coursework and enrichment opportunities. Provide targeted academic support for students below proficiency in ELA and math. |
| Performance Gaps: Students with disabilities, English Language Learners (ELLs), and economically disadvantaged students show lower proficiency in ELA and math, which are key indicators of college and career readiness | Instructional Gaps: Curriculum and instruction may not be sufficiently aligned to college and career readiness standards, particularly for multilingual learners and students with disabilities. | Strengthen Advisement and Planning Systems: Develop individualized postsecondary plans for all students by grade 8. |

# Priority 4

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for College and Career Readiness**

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

# Priority 4 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| All Students | 150 | P.S. 84 Jose De Diego will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, all Middle School students will participate in at least two (2) structured High School, College and/or career exploration activities annually. Middle School participation will Increase by 20% from 150 to 177 students as measured by Participation Logs, Student Survey Data, and the STARS College and Career Tracker (IPR) . |
| All Students | 14 students registered for exam and 2 admissions | P.S. 84 Jose De Diego will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By May, 2026, an increase of 8th Grade students registered for SHSAT Preparation Courses, and passing scores for will infer a 79% increase in prep registration from 14 students registered for exam and 2 admissions, to 25 students registered for exam and 4 admissions as measured by MySchools, Specialized High School Admissions Test (SHSAT) Scores/Admissions, Preparation Course Enrollment and Completion. |

# Priority 4 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Student feedback, participation logs, survey results

**Enter a Key Performance Indicator**

Participation and engagement in lessons/activities

**Baseline:**

Individual Progress Review Completion, One on One Advising Completion, Post Secondary Plan Completion, Course Enrollment Rates, Course Pass Rates,

**Enter the date for the baseline data:**

September 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 4 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

SHSAT Registration and SHSAT Prep Coursework

**Enter a Key Performance Indicator**

SHSAT Prep Enrollment, Participation/Engagement, SHSAT Registration

**Baseline:**

Individual Progress Review Completion, One on One Advising Completion, Post Secondary Plan Completion, Course Enrollment Rates, Course Pass Rates,

**Enter the date for the baseline data:**

September 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 4 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

# Priority 4 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Parent/Family Engagement - Communicating pathways, sharing resources regarding post secondary planning and college/career exploration to engage and provide support for the High School Application and beyond.
Developing key partnerships that expose Middle School students to various post secondary pathways (i.e. High School Tours, College Tours, Enrichment Programs, etc.)

**Root Cause Addressed:**

Inconsistent Career Exploration: Lacking  structured career education and exposure to postsecondary pathways, especially in earlier grades.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Parent Workshops/Forums - Annual forums that provide awareness and strategies for High School Applications, and post secondary exploration regarding college and career based programs for students |
| Monthly classroom based lessons/activities for students to engage intentionally in the exploration process |
| Quarterly trips that support students with High School, College, Career Programs |
| |
| |

**Key Strategy 2 (Optional):**

SHSAT Preparation Courses beginning earlier in the school year to provide children with more awareness, and support addressing instructional gaps regarding the Specialized High Schools and the exam for admissions.

**Root Cause Addressed:**

Instructional Gaps: Curriculum and instruction may not be sufficiently aligned to college and career readiness standards, particularly for multilingual learners and students with disabilities.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Teacher planning for structure and differentiation for SHSAT Preparation Courses |
| Resources provided for both students and families for exam preparation and registration |
| Classroom based lessons/activities informing various High School pathways |
| |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

STARS - Completion of IPR Data that include post secondary planning, and career exploration notes
MySchools - Monitoring of registration and admissions based materials
Ongoing review with the utilization of participation/completion logs and student survey data

# Priority 4 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 10/01/2025 | 12/03/2025 | Parent Workshops/Forums regarding Admissions Process. and Post Secondary Planning | School Based Staff (Counseling, Parent Coordinator) |
| 10/01/2025 | 06/01/2026 | Ongoing communication (email, Bloomz, Google Classroom) regarding exposure and awareness opportunities | School Based Staff |

# Priority 4 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Teacher and School Counselor Planning for Intervention, Support, and Exposure

### Instructional Resources

Access to most actualized information and resources regarding admissions

### Schedule Adjustments

Schedule adjustments made to support students attending out-of-school opportunities (school tours, etc.)

### Other Resources Needed

Potentially exploring budgets to plan for trips to colleges

# Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

## Priority 5 Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| 72% of families feel supported in making decisions about future schools/programs (Panorama 2025) | Limited targeted programming to support families in navigating school options. | Strengthen family capacity to advocate for their child's education. |
| | | |

| | | |
|---|---|---|
| | | |

# Priority 5

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Focus Areas for System Responsiveness to Parents, Families and Communities**

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

# Priority 5 SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| Parents of All Students | 72 | <School Name> will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of families who feel supported in making decisions about future schools/programs will Increase by 13% from 72 to 85 as measured by NYC School Survey Results. |

# Priority 5 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

NYC School Survey

**Enter a Key Performance Indicator**

% of families who feel supported in school/program decisions

**Baseline:**

72%

**Enter the date for the baseline data:**

June 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

72%

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

80%

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

85%

# Priority 5 Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

Kindergarten, Middle School, High School Application & Transition Workshop Attendance Logs.  Workshop timelines will align with centrally determined application periods

**Enter a Key Performance Indicator**

# of families attending a new series of focused transition workshops for applications to Kindergarten, Middle School and High School to educate and support families through required application processes.

**Baseline:**

0

**Enter the date for the baseline data:**

June 2025

**Enter Period 1: Beginning of Year (BOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

0

**Enter Period 2: Middle Of Year (MOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

60

**Enter Period 3: End of Year (EOY) Progress Target:**

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

90

# Priority 5 Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Launch a new Family Empowerment Series focused on school transitions which will serve to support families to make informed decisions while applying to articulate their students to kindergarten, middle school, and high school. These workshops will focus on educating families on the wide array of high-quality public school options available while also supporting families in making the most programmatically appropriate school selections to support the educational needs of their students.

**Root Cause Addressed:**

Limited existing targeted programming for families to support informed decision-making regarding school choice during application processes

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Develop and deliver monthly workshops on middle school & high school options, IEP transitions, and high school readiness. |
| Partner with guidance counselors and community organizations to co-facilitate sessions. |
| Provide interpretation and translated materials in Spanish and other home languages. |
| Train staff on culturally responsive communication and family engagement. |

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Structures:
- Monthly review of workshop attendance and feedback
- Quarterly family focus groups
- Biannual survey pulse checks

- Evidence:
- Attendance logs, translated materials, family feedback forms, survey data

# Priority 5 Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/08/2025 | 06/26/2026 | Monthly family workshops, multilingual newsletters, family leadership team meetings | Y, Grand Street Settlement, El Puente, CEC 14 |
| | | | |

# Priority 5 Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

### Human Resources

Parent Coordinator, Guidance Counselor, Translation Services

### Instructional Resources

Workshop materials, digital communication tools (e.g., Bloomz)

### Schedule Adjustments

Evening and weekend sessions for working families

### Other Resources Needed

Stipends for family leaders, interpretation equipment

# Section 5: Attendance/Chronic Absenteeism

## Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs |
|---|---|---|
| Chronic absenteeism rate 2024-2025, Insight Beta, Data Hub, Portal by New Vision, from 33% to 23% | Housing concerns, transportation concerns, health concerns, lack of family support | Providing tailored support to students from low-income families, ENLs, SWDs, STH, and newcomers |
| Chronic absenteeism rate 2024-2025, Insight Beta, Portal by New Vision, from 38% to 28% | Housing concerns, transportation concerns, health concerns, lack of family support | Providing tailored support to Students with Disabilities |
| Chronic absenteeism rate 2024-2025, Insight Beta, Portal by New Vision,from | Housing concerns, transportation concerns, health | Providing tailored support to ENL students |

| | | |
|---|---|---|
| 56% to 46% | concerns, lack of family support | |

# Attendance/Chronic Absenteeism

**Directions:** After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

**Systemwide Focus Area for Attendance/Chronic Absenteeism:** Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

# Attendance/Chronic Absenteeism SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| English Language Learners (ELL) | 56% | By June, 2026, the Percentage of Chronically Absent Students for English Language Learners (ELL) will decrease by 10%, from 56% to 46%, as measured by the New Visions and Insight Chronic Absenteeism Reports. |
| Students with Disabilities (SWD) | 38% | By June, 2026, the Percentage of Chronically Absent Students for Students with Disabilities (SWD) will decrease by 10%, from 38% to 28%, as measured by the New Visions and Insight Chronic Absenteeism Reports . |
| All Students | 33% | By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 10%, from 33% to 23%, as measured by the New Visions and Insight Chronic Absenteeism Reports. |

# Attendance/Chronic Absenteeism Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). # Attendance/Chronic Absenteeism Action Plan

**Directions:** Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

**Key Strategy 1 (Required):**

Implement a tiered attendance intervention system that focuses on early identification, relationship-building, and personalized support for ALL at-risk students and their families.

**Root Cause Addressed:**

Chronic absenteeism, housing concerns, transportation concerns, health concerns, and lack of family support

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Review and analyze New Visions and Insight Chronic Absenteeism Reports weekly to identify at-risk students. Disaggregate data by grade level, special populations (ELL, SPED), demographics, and attendance trends. Create a watch list of students approaching or exceeding the 10% absence threshold. |
| Launch an attendance awareness campaign (assemblies, newsletters, posters). Celebrate good attendance monthly with class and student recognitions. Clearly communicate attendance goals and policies to families. Involve counselors, social workers, or community agencies for students with persistent absenteeism. Implement Success Mentors or check-in/check-out systems for high-need cases. Consider home visits where appropriate. |
| Host family workshops addressing attendance importance and available supports. Build partnerships with local health |

providers, shelters, or transportation services to address root causes (health, housing, transit). Translate communication and support in families' home languages.

Use monthly attendance data reviews to assess progress toward the 10% reduction goal. Adjust interventions based on trends and feedback. Report progress to staff, leadership, and families transparently.

**Key Strategy 2 (Optional):**

**Root Cause Addressed:**

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

The Attendance Team, which consists of Administrators, Guidance Counselors, Social Workers, Data Specialists, The Attendance Teacher, and grade-level or teacher representatives, will lead, monitor, and adjust attendance interventions; meet biweekly

The Attendance Team will meet weekly to review trends, flag at-risk students, monitor intervention outcomes, and assign next steps using the New Visions & Insight Chronic Absenteeism Dashboards

Monthly School Leadership Team (SLT) Check-ins to review overall progress toward the 10% reduction goal and to discuss systemic issues impacting attendance and coordinate cross-functional responses.

For Tier 2 and Tier 3 students, track interventions through case management logs (e.g., home visits, mentor meetings, parent outreach). Maintain documentation in a centralized digital system on Google Drive

# Attendance/Chronic Absenteeism Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

| Start Date | End Date | Strategies to Support Family & Community Engagement | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/06/2025 | 06/26/2026 | The school will implement daily “Wake-up” calls for students/families who are chronically absent | Attendance Team |
| 09/06/2025 | 06/26/2026 | The school will send letters to families of students who are at risk of becoming chronically absent | Attendance Team |
| 11/15/2025 | 06/26/2026 | The school will be implementing in-person and virtual parent meetings about attendance goals | The Attendance Team and the Parent Coordinator |

# Attendance/Chronic Absenteeism Budget and Resources

# Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

## High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

**Priority Needs and Root Causes**

**Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:**

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

| 1. Data Trend(s) (Cite Data Source & Year) | 2. Root Cause(s) | 3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.) |
|---|---|---|
| Annual Goal Progress Reporting% Provision of Services % Encounter Attendance for Related Service Providers and Paras % IEP Review Dashboard | Alignment of student needs and recommended programs Meaningful progress towards goals necessary for grade level achievement | IEP Development and Fidelity of Implementation |
| | | |

| | | |
|---|---|---|
| % of students participating in transition activities, interest surveys, IEP's reflecting parent and student voice | Align Career Development and Occupational Studies for grades K-8 Reflect the strengths, interests, and needs of the over-age population | Transition Planning and Compliance |
| Initial Referral Rate % Enrollment in intervention programs by grade, ethnicity, language proficiency | Limited access to interventions, fidelity of implementation of support systems | Referral Process and Equity |
| Suspension Rate for SWD's Suspensions by ethnicity & language proficiency Attendance Panorama Student Perception Survey | Fidelity of implementation of multi-tiered systems for behavior support Fidelity of implementation of FBA/BIPs | Equity in School Discipline |
| | | |

# High Quality Inclusive & Accessible Learning for Students with Disabilities

**Directions:** After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

**Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:**

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

# High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

| Target Population | Baseline Data | SMART Goal |
|---|---|---|
| Students with Disabilities (SWD) | 75% | By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve the validity of annual IEP goal completion through increasing IEP goal progress monitoring, by a 25% Increase, from 75% to 100%, as measured by IEP Management Dashboard Power B.I.- Reporting Progress of Annual Goals Data. |
| Students with Disabilities (SWD) | 40% | By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve collaboration on goal writing between providers to appropriately condense the number of SMART goals on an IEP, by a 20% Decrease, from 40% to 20%, as measured by IEP Management Dashboard Power B.I.- Reporting Progress of Annual Goals Data. |

# High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

**Directions:** It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

**Enter a Measurement Tool:**

# High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

**Key Strategy 1 (Required):**

Promote Equity by Strengthening Pre-Referral Interventions: Ensure that all students receive appropriate, research/evidence-based pre-referral supports and interventions—implemented with fidelity—prior to initiating special education referrals, with a focus on reducing disproportionality and improving equitable access to services.

**Root Cause Addressed:**

Strengthen Tier 3 supports and interventions schoolwide.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Enhance training for educators and school teams on the use of multi-tiered systems of support (MTSS), tier 3 interventions, and data-driven decision-making prior to referral. |
| Develop or refine a standardized pre-referral protocol, ensuring it includes: clear timelines for intervention implementation, progress monitoring tools, family engagement and input, documentation of student response to interventions |
| Develop and implement a family-facing communication strategy by December 2025 that includes multilingual materials and informational sessions to ensure parents/guardians understand the special education referral process, including the role of pre-referral interventions and supports available to their child. |
| |
| |

**Key Strategy 2 (Optional):**

Provide ongoing access to transition and postsecondary professional learning for all staff. Ensure students with disabilities are included in any and all transition & postsecondary structures, including career awareness and exploration activities, career fairs, college counseling, college fairs, and work based learning activities.

**Root Cause Addressed:**

Strengthen staff capacity to engage in transition planning activities through professional learning. Transition Plans do not current reflect student and family voice or priorities for post-secondary life.

**Action Steps:**

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

| Action Steps |
| --- |
| Ensure key staff attend transition professional learning and turnkey important takeaways with school teams |
| Ensure school staff discuss high school graduation options, and the impact of those options on postsecondary outcomes, with students and families to ensure that students' course of study helps prepare them for the appropriate graduation option they want to pursue. |
| Include students with disabilities in school-wide initiatives focused on career exploration and planning for higher education or life after high school. |
| |
| |

**Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.**

**Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.**

Monthly review of this data with the SIT/RTI Team:

Annual Goal Progress Reporting%
Provision of Services %
Encounter Attendance for Related Service Providers and Paras %
IEP Review Dashboard
% of students participating in transition activities, interest surveys, IEP's reflecting parent and student voice
Initial Referral Rate %
Enrollment in intervention programs by grade, ethnicity, language proficiency

# High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

**Family and Community Engagement**

**Directions:** Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

| Start Date | End Date | Multi-tiered Supports to Engage Family & Community | Partners/CBOs Leveraged |
|---|---|---|---|
| 09/05/2025 | 06/26/2026 | Family Information Sessions to ensure parents understand the special education referral process and intervention and supports available | |
| | | | |

# High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

**Budget and Resources**

**Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.**

**Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.**

**Human Resources:**

Special Education Liaison, ENL Provider, RS providers, SIT/RTI Team

**Instructional Resources**

Academic (specialized instruction/core and supplementary curriculum, tiered intervention programs- specialized reading interventions -SPIRE/Phonics for Reading/Wilson/Rewards,

**Schedule Adjustments**

Departmental common planning time, classroom intervisitation peer support and modeling, Cross functional assessment reviews/ data-talks/lesson studies

**Other Resources Needed**

# Section 6: Multi-Tiered Systems of Support (MTSS)

## Academic Support

**NYCPS Multi-Tiered Systems of Support (MTSS)** align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

**Tier 1** provides schoolwide, high-quality programming for all students, including SWDs;

**Tier 2** offers data informed small-group interventions for at-promise students; and

**Tier 3** delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

| Academic Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Tier 2 | 2024 State Test Results ELA & Math Data from Map Growth | Stations, Guided Reading, Learning, Sounds Sensible (K-2) REWARDS(3-8), Phonics for Reading (3-8), IM Digital Assessments | Small Group 1-6 | During | No |
| Tier 3 | 2024 State Test Results ELA & Math Data from Map Growth | Phonics for Reading | Small Group 1-4 | During | No |
| Tier 3 | 2024 State Test Results ELA & Math Data from Map Growth | Illustrative Math Digital Assessments | Small Group 1-4 | During | Yes |

# Student Social/Emotional Support

**Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.**

| Student Social/Emotional Support Indicate Tier 2 or 3 | Criteria for Determining Service | Program Type or Strategy | Service Delivery Model (Small group, one-to-one, tutoring, etc.) | When is Service Provided? (Before, during or after school) | Technology-Based Tool (Indicate Yes or No) |
|---|---|---|---|---|---|
| Tier 2 | LIM Measurable Results Assessment Data OORS Data | Restorative Practices (Circles, Restorative Conferencing) | Small Group | During | No |
| Tier 3 | LIM Measurable Results Assessment Data OORS Data | Individual Counseling | Individual | During | No |
| Tier 2 | SESIS Provider & School Based Surveys | Group Counseling (Targeted by needs or by IEP) | Small Group | During | No |

# Family and Community Engagement Around MTSS

**Describe how the school's essential components of MTSS are shared with families.**

We communicate the essential components of MTSS to families in the following ways:

Regular Communication: Families receive information about MTSS through newsletters, parent workshops, and updates during parent-teacher conferences. These communications explain the three-tiered model—Tier 1 (universal supports), Tier 2 (targeted small-group interventions), and Tier 3 (individualized intensive supports)—in clear, accessible language.

Initial and Ongoing Meetings: When students are identified for Tier 2 or Tier 3 supports, families are invited to meetings to review data and discuss intervention plans. These meetings are collaborative and ensure families understand how decisions are made using academic and behavioral data (e.g., progress monitoring, classroom performance, state assessments).

Culturally Responsive-Sustaining Communication: All MTSS communications are culturally and linguistically responsive. We incorporate interpreters and translated materials to meet the needs of our diverse families. We also ensure that interventions reflect students' cultural identities and lived experiences, which helps families feel connected and included in the support process.

Workshops and Training: We offer workshops that explain academic interventions (such as literacy and math supports), Positive Behavioral Interventions and Supports (PBIS), and strategies families can use at home. We also provide specific guidance for families of students in temporary housing or foster care to ensure equitable access and support.

Supportive Environment Framework (SEF): Families are informed about social-emotional and behavioral supports through the SEF, which includes evidence-based Tier 2 and Tier 3 interventions. We ensure that families are aware of the school's efforts to support students' wellness, including mental health and trauma-informed care.

Collaboration and Feedback: We regularly seek family input through surveys, focus groups, and family leadership councils. Their feedback helps refine our MTSS practices and ensures the system remains responsive to the needs of our school community.

**Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.**

Families of students receiving Tier 2 or Tier 3 interventions are regularly updated on their child's progress through progress monitoring reports, phone calls, and scheduled check-in meetings. These updates include data on academic or behavioral goals, the specific interventions being used, and how the student is responding.

Teachers and support staff meet with families at regular intervals—typically every 6–8 weeks—to review progress, discuss any needed adjustments to interventions, and collaborate on strategies to support learning at home. All communication is culturally responsive and provided in the family's preferred language to ensure full understanding and partnership.

**Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.**

Families are actively involved in the decision-making process for students receiving Tier 3 intensive interventions. School staff meet with families to review student data, discuss progress, and determine next steps, such as continuing, adjusting, or intensifying interventions. These meetings prioritize collaboration, ensuring families' insights, concerns, and observations are valued and incorporated into planning.

All decisions are made transparently, with communication provided in the family's preferred language and in a culturally responsive manner. This partnership ensures that interventions align with both the student's needs and the family's perspective.

# Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

**Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.**

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

There are 83 students currently in Temporary Housing.

**After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?**

After reviewing attendance trends, it is evident that students came to school consistently when their needs were being met, such as with uniforms, personal care items, and academic enrichment programs.
The needs of the students continue to be assessed by classroom teachers, service providers (if applicable), and parents via the STH Title 1 Survey. The child's social, emotional, and economic needs are assessed via conversations, surveys, service applications, and attendance inquiries with parents and students. This data helps us to develop Tier 1 (universal) programs and supports for all STH students (ongoing). Tier 2, for targeted groups of STH students who are experiencing higher needs. Tier 3 for STH students in crisis and in need of immediate help; same-day support.

**Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?**

The STH team will:

~work on data collection and analysis;
~assign STH members to grade bands in order to provide more individualized approaches to chronic absenteeism;
~assign students in temporary housing to a mentor who will provide guidance and assistance with any school related concerns;
~create individualized intervention strategies for students based on the tiers of intervention; and
~conduct monthly check-ins with families.

Based on academic data, IEP mandates, and attendance data, supports can include but will not be limited to, access to after-school academic enrichment programs, assistance with academic supplies and uniforms, etc. Based on the assessment of the data items, students and parents will be contacted and surveyed privately.  In collaboration with the family, designated school staff will work to create a service plan for the family, using resources provided by STH funds.

# Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

**How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.**

Current Enrollment:
As of September 8, 2025, our school has [insert number] students identified as being in foster care.

Social-Emotional and Academic Supports:

To support the unique needs of these students—many of whom face challenges related to trauma, instability, and school transitions—our school provides a range of targeted services:

Social-Emotional Supports:

Dedicated Counseling and Mental Health Services: Students have access to school counselors and social workers trained in trauma-informed care. One-on-one and small group counseling sessions focus on emotional regulation, resilience-building, and navigating change.

Check-In/Check-Out Systems: Each student is paired with a consistent, trusted adult for daily or weekly check-ins to ensure emotional stability and connection to school.

Restorative Practices and SEL Programming: Foster care students are prioritized for Tier 2 and Tier 3 SEL interventions, such as restorative circles, mindfulness practices, and conflict resolution supports.

Transition and Crisis Support: For newly placed students or those experiencing disruptions, our team works to ensure a smooth transition through orientation, peer buddies, and immediate emotional check-ins.

Academic Supports:

Immediate Enrollment and Records Transfer: In accordance with Education Law §3244, students are enrolled without delay—even if documentation is incomplete—and academic records are requested immediately to minimize

disruption.

Priority Access to Academic Interventions: Through our MTSS framework, foster care students are fast-tracked for academic assessments and provided with Tier 2 or Tier 3 interventions, including small-group instruction and tutoring.

Support for School of Origin Continuity: We collaborate with the DOE Foster Care POC and external agencies to assess best interest determinations, ensure students can remain in their school of origin when appropriate, and coordinate transportation.

Technology and Resource Access: Students are provided with necessary learning materials (e.g., devices, supplies) to ensure they are fully equipped to participate in learning, whether in school or during placement changes.

**What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?**

Our school provides targeted, trauma-informed supports to ensure students in foster care—especially those newly entering the system—receive the interventions needed to promote stability and success.

Key supports include:

Immediate Needs Assessment & Intake: Upon enrollment or identification, students in foster care receive an intake meeting to assess academic, social-emotional, and logistical needs (e.g., transportation, school supplies, counseling).

Priority Access to Tiered Interventions: Through our MTSS framework, these students are prioritized for Tier 2 and Tier 3 supports, including counseling, mentoring, and academic interventions tailored to their needs.

Consistent Check-Ins with a Trusted Adult: Each student is paired with a counselor, social worker, or staff mentor who conducts regular check-ins to provide emotional support and monitor academic and behavioral progress.

Collaboration with Foster Care Agencies and Caregivers: We maintain open communication with caseworkers and caregivers to align school-based supports with external services and ensure consistency during transitions.

Stability Support During Transitions: For students experiencing school changes, we coordinate transition planning that includes records transfer, classroom acclimation, and peer support where possible.

**After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?**

After analyzing historical demographic, attendance, and achievement data, several key trends have emerged among students in foster care:

Increased Chronic Absenteeism: Students in foster care show higher rates of chronic absenteeism, often due to placement changes, transportation challenges, or emotional distress tied to instability.

Lower Academic Performance: Many students in foster care perform below grade level in ELA and Math, especially during transitional grades, where disruptions are more common.

Higher Behavioral Referrals: There is a greater incidence of behavioral referrals linked to trauma-related responses and unmet social-emotional needs.

These insights inform our school's approach by emphasizing:

Proactive Identification and Outreach: We closely monitor attendance and academic data to provide early, targeted intervention.

Increased SEL and Mental Health Supports: SEL programming and counseling are prioritized to address trauma, build resilience, and support emotional regulation.

Strengthened Cross-System Collaboration: We coordinate with foster care agencies, caseworkers, and caregivers to ensure continuity of services and stability during transitions.

**What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?**

Our school implements specific strategies to support students in foster care, with particular attention to those in transitional grades (e.g., 5th, 8th, and 9th), recognizing their increased risk for school instability and social-emotional challenges.

We provide:

Dedicated Counseling and Check-Ins: School counselors and social workers conduct regular one-on-one and small-group SEL sessions focused on transitions, resilience, and coping strategies. These sessions help build trust, emotional regulation, and a sense of belonging.

Priority Access to Tier 2 & Tier 3 SEL Supports: Students in foster care are proactively identified for targeted supports through the Supportive Environment Framework. Interventions include trauma-informed practices, restorative circles, and behavior support plans when needed.

Transition Planning & Mentorship: We pair students with a staff mentor or peer support group to help them navigate academic expectations, social changes, and new environments during grade transitions.

Family and Agency Collaboration: We coordinate closely with foster care agencies and caregivers to align supports, ensure communication, and address academic or behavioral challenges collaboratively.

# Section 7: Parent and Family Engagement Policy and School-Parent Compact

## Parent and Family Engagement Policy

**Directions:** The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

**Parent and Family Engagement Policy**

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 84K, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

## Support for Parents and Family Members of Title I Students

P.S. 084 Jose De Diego will support parents and family members of Title I students by:  providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology; providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children; fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress; providing assistance to parents in understanding City, State and Federal standards and assessments; sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand; providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community.

## Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;

- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

### Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events (Welcome Weeks);
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing a grade specific monthly newsletter with information regarding units of study, Leader in Me Habit of the Month and upcoming events.

Four dual-language parent/family workshops
Updating our school website with relevant school information
Developing a series of workshops for understanding the MAP and Acadience data and tools for supporting students at home ex. beginning with a workshop series of the five building blocks of reading for parents of students in grades K-2
Provide attendance workshops for families on attendance protocols, policy, and procedure

# School-Parent Compact (SPC)

### School-Parent Compact (SPC)

P.S. 084 Jose De Diego, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

### I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

### I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

### I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences; Welcome Weeks; Music Showcases/Concerts; International Night; Science Exploritorium; Artstravaganza; Grade-level residencies (e.g., Circus Arts, Ballroom Dancing, Community Word Project, etc...)

### I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

A class liaison will be appointed at the beginning of each year and will act as a point-of-contact for families

### II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;

- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

### III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

# Title I Program Information

## Part 1: Title I Program Type

**Title I Requirements and Strengthening Title I Parent Involvement:** Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

**Your school's Title I Program**

Title I SWP

# Part 2: All Title I Schools

**High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.**

At P.S. 084 Jose De Diego, professional learning is designed to build educator capacity in alignment with NYC DOE's Instructional Leadership Framework, District 14's equity and inclusion goals, and our school's instructional focus on rigorous, culturally responsive teaching and student agency. Our professional development plan supports all staff—teachers, administrators, paraprofessionals, and support personnel—in delivering high-quality instruction that enables all students to meet and exceed New York State standards.

Professional learning is embedded in our Multi-Tiered System of Supports (MTSS+) framework and focuses on both academic and social-emotional domains. Key areas of focus include:

Social Emotional Learning (SEL) and Restorative Practices to foster safe, inclusive, and supportive learning environments.
Differentiated Instruction and Academic Interventions to meet the diverse needs of students, including multilingual learners (MLLs), students with disabilities (SWDs), and students in temporary housing (STH).
Data-driven progress monitoring to inform instructional decisions and ensure equitable access to rigorous content.
The following professional learning topics and sessions are included in our plan:

Restorative Justice Circles for K–8 Educators: Building community and addressing conflict through dialogue, aligned with NYC DOE's SEL and school climate initiatives.
Paving the Road to Systemically Monitoring Student Progress: Training on using iReady, Acadience, and formative assessments to drive instruction and tiered supports.
Scaffolding Strategies for Multilingual Learners (MLLs): Aligned with the NYC Blueprint for ELLs, focusing on oral language development, vocabulary acquisition, and culturally responsive pedagogy.
Implementing Scaffolded Oral Language Strategies through Station Learning: Enhancing engagement and differentiation through small-group instruction.
Creating Meaningful and Impactful Tasks to Support Struggling Learners: Designing tasks that are accessible, standards-aligned, and promote critical thinking.
Professional development is delivered through:

Weekly collaborative planning sessions
Instructional coaching from consultants
Support from District 14 ELA and Math Implementation Specialists
Monthly data chats and instructional rounds
This professional learning plan is responsive to student data and teacher feedback, and it reflects our commitment to continuous improvement, equity, and excellence in teaching and learning.

# Part 4: Schoolwide Program (SWP)

**Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).**

To support a smooth and successful transition from preschool to elementary school, we implement a comprehensive plan that includes family engagement, instructional alignment, and targeted supports through our MTSS+ framework. Our goal is to ensure that every child enters kindergarten feeling welcomed, supported, and ready to learn.

We offer school tours and “Meet & Greet” events where preschool students and their families can explore the school environment, meet staff, and learn about our instructional programs. During these visits, students tour classrooms, the playground, and the cafeteria, where they practice routines such as assembling lunch trays and navigating the lunch line with support from staff.

Preschool teachers complete articulation forms that detail each child’s strengths, areas for growth, interests, and support needs. These forms are shared with kindergarten teachers to ensure continuity of care and instruction. In addition, early intervention services are coordinated for students who require additional support, and families are connected with relevant resources.

Our instructional focus—centered on rigorous, culturally responsive teaching and fostering student agency—is introduced early through aligned curriculum planning. Each June, elementary teachers collaborate to review instructional units and student data, making adjustments to better meet the needs of incoming students.

Through our MTSS+ framework, we provide layered academic and social-emotional supports tailored to individual student needs. This includes universal strategies for all students, targeted small group interventions, and intensive individualized supports when necessary. Our MTSS+ approach ensures that students transitioning from preschool receive the right level of support from day one.

Family involvement is a key component of our transition plan. We host workshops and orientation sessions to help families understand school expectations, instructional priorities, and available supports. This partnership between school and home strengthens the foundation for student success.

# Part 5: "Conceptual" Consolidation of Funds in SWP Schools

**Directions:** All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

| Program Name | Fund Source (i.e. Federal, State or Local) | Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts) | Column A Verify with an (X) | Column B Section/Priority Reference(s) |
|---|---|---|---|---|
| Title I, Part A (Basic) | Federal | xx | x | x |
| Title I, School Improvement 1003(a) | Federal | 528,589 | x | 5,6,7 |
| Title II, Part A | Federal | 18,956 | X | 5,6 |
| Title III, Part A | Federal | 12,193 | x | 5,6 |
| Title III, Immigrant | Federal | xx | x | x |
| Title IV, Part A | Federal | xx | x | x |
| Tax Levy (Fair Student | Local | 4,192,328 | X | 5,6 |

| | | | | |
|---|---|---|---|---|
| Funding) | | | | |

# Explanation/Background

**1. Explanation/Background:**

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

**Title II, Part A:** Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

# Submission Assurances

## Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

# Language Allocation Policy Outline

## Language Allocation Policy Outline

**2025-26 Language Allocation Policy (LAP)**

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents.  When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

# Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

# A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

**Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.**

| Member Title | Name |
|---|---|
| Principal* | Sereida Rodriguez |
| Assistant Principal (Where Applicable)* | Monique Hernandez |
| English as a New Language (ENL) Teacher* | Valentina Djokic |
| Teacher (if school has a bilingual program must be a bilingual teacher)* | Awilda Peguero |
| Parent/Guardian* | Teresa Bosque |
| Teacher | Alison Chan |
| Parent Coordinator | Dinayomi Fernandez |
| School Counselor | Angelica Irizarry |
| Related-Service Provider | Jennifer Martinez |
| Teacher | Terezia Chlebovcova |
| NA | NA |

# B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

# 1. English to Speakers of Other Languages (ESOL) Certified Teacher

**Number of ESOL certified teachers currently teaching ENL:**

5

**Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:**

0

**Number of certified ESOL teachers not currently teaching ENL:**

2

**Number of teachers who hold both content area/common branch and ESOL certification:**

2

**Number of ESOL certified teachers with a bilingual extension:**

1

# 2. Certified Teachers with a Bilingual Extension

**Number of certified teachers with a bilingual extension currently teaching in a bilingual program:**

11

**Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:**

1

**Number of teachers certified to teach students with disabilities that also have a bilingual extension:**

1

# 3. Language Other than English (LOTE)/World Language Certified Teachers:

**Total number of teachers with LOTE certification:**

0

**Total number of teachers with LOTE certification providing World Language instruction:**

0

**Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:**

0

# C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

**Total number of students (excluding pre-K):**

564

**Total number and percentage (%) of current ELLs:**

74 - 13.1%

**Total number and percentage (%) of former ELLs:**

21 - 3.7%

**Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):**

59 - 79.7%

**Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):**

13 - 17.6%

**Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):**

2 - 2.7%

**Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):**

19 - 25.7%

**Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):**

15 - 20.3%

# Part II: Bilingual Programs

**Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?**

Yes

**Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.**
**Please include the total number of classrooms for each bilingual program in the last column.**

| | Program Type | Language | School Yr Opened | k | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 | Totals |
|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|---|
| TBE | | | | | | | | | | | | | | | | | 0 |
| TBE | | | | | | | | | | | | | | | | | 0 |
| TBE | | | | | | | | | | | | | | | | | 0 |
| DLBE | DL General Education | Spanish | 2008 | 2 | 2 | 2 | 1 | 1 | 1 | 1 | 1 | 1 | 0 | 0 | 0 | | 12 |
| DLBE | | | | | | | | | | | | | | | | | 0 |
| DLBE | | | | | | | | | | | | | | | | | 0 |
| | | | | total: 2 | total: 2 | total: 2 | total: 1 | total: 1 | total: 1 | total: 1 | total: 1 | total: 1 | total: 0 | total: 0 | total: 0 | total: 0 | |

# Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

**a. English as a New Language (ENL)**
**Stand-alone ENL:**

Stand-alone ENL instruction is provided in ungraded heterogeneous groups.

Two consecutive grade bands of students at the entering proficiency level and emerging proficiency level are grouped together for Stand-Alone ENL instruction.

Students receive 1 unit of study in ENL instruction, or four 45-min. periods, equaling 180 minutes a week.

During Stand-Alone ENL instruction, teachers focus on helping students strengthen their language and literacy skills in English in order to be successful in all other content areas. Services are provided by certified ENL K-12 teachers.

**Integrated ENL:**

Integrated ENL instruction is provided to heterogeneous groups of students within their own classroom/homeroom.

Students at the entering and emerging levels receive 1 unit (four 45-min periods/180 minutes ) of ENL/ELA integrated instruction.

At the transitioning and expanding levels, students receive 1 unit (four 45-min periods/180 minutes) of integrated ENL/ELA instruction.

At the commanding level, students receive .5 unit (two 45-min periods/90 minutes) of integrated ENL/ELA instruction.

Former ELL students receive .5 unit (two 45-min periods/90 minutes) of integrated ENL/ELA instruction for two years.

A common branch teacher and an ESOL teacher co-teach to provide instruction. The common branch teacher provides content instruction and the ESOL teacher provides language scaffolds based on the language objectives and content objectives of the lesson and unit of study.

**b. Bilingual Education (If applicable)**
**Transitional Bilingual Education (TBE):**

Not Applicable

**Dual Language Bilingual Education (DLBE):**

Dual Language instruction is provided to heterogeneous groups of students in both English and Spanish. We follow a 50/50 model of instruction.

ENL students receive their instruction based on the mandates of CR Part 154.

Students at the entering and emerging proficiency levels receive an additional 180 minutes of Stand-Alone ENL instruction with ENL teachers, and 180 minutes of ENL/ELA instruction with DL/bilingual teachers.

Transitioning and expanding students students receive 1 unit of study or 180 minutes per week in ENL/ELA instruction with DL /bilingual teachers.

Commanding level students receive .5 unit of study or 90 min per week in ENL/ELA instruction with DL/bilingual teachers.

Dual Language teachers provide Home Language Arts instruction in Spanish to students 50% of the time in all content areas.

**2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?**

DUAL LANGUAGE - see above

The information below pertains to our monolingual English classes

All students receive their mandated number of instructional minutes based on their English language proficiency.

ENL teachers provide 2 units (360 minutes) of instruction to entering and emerging level ELLs per week. One unit of study is provided through Stand-Alone ENL instruction to entering and emerging level students for 180 minutes. In addition, a unit of study is provided through Integrated ENL/ELA instruction to entering and emerging level students for 180 minutes.

ENL teachers provide one unit of study/180 minutes of instruction to transitioning level ELLs per week. This unit of study is provided through Integrated ENL/ELA instruction.

ENL teachers provide one unit of study/180 minutes of instruction to expanding level ELLs per week. This unit of study is provided through Integrated ENL/ELA instruction.

Former ELLs at the commanding level receive half a unit of instruction/90 minutes in integrated ENL/ELA per week for additional two years.

ENL teachers do the programming of current and former ELLs in STARS in the beginning of the school year. ENL teachers use the RLAT (NYSESLAT Scores) and RLCB (NYSITELL Scan Report) reports for our ELLs' proficiency levels and then program the students according to the CR-Part 154-2 ENL Units of Study and Staffing Requirements.

Each time a new student is registered, the identification process is followed by ENL teachers to determine the eligibility for testing and subsequently ENL/DL services. After checking the above-mentioned reports, if a student is identified as an ELL, the student is programmed in STARS by ENL teachers.

**3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?**

ENL program
ENL certified teachers provide mandated Stand-Alone ENL instruction to Emerging and Entering students. Students receive 1 unit of study in ENL instruction, or four 45-min. periods, equaling 180 minutes a week.

Integrated ELA instruction is provided through the co-teaching model. An ENL certified teacher and a General Education certified teacher provide ELA instruction to Entering, Emerging, Transitioning, Expanding and Commanding students.

Students at the entering and emerging levels receive 1 unit (four 45-min periods/180 minutes ) of ENL/ELA integrated instruction. At the transitioning and expanding levels, students receive 1 unit (four 45-min periods/180 minutes) of integrated ENL/ELA instruction. At the commanding level, students receive .5 unit (two 45-min periods/90 minutes) of integrated ENL/ELA instruction.

DLBE program
ENL certified teachers provide mandated stand-alone ENL instruction to Emerging and Entering students. Integrated ELA instruction is provided by a certified bilingual teacher to Entering, Emerging, Transitioning, Expanding and

Commanding students. Home Language Arts instructional minutes are provided by a certified bilingual teacher.

Students at the entering and emerging levels receive an additional 180 minutes of Stand-Alone ENL instruction with ENL teachers, and 180 minutes of ENL/ELA instruction with DL/bilingual teachers.
Transitioning and expanding students receive 1 unit of study or 180 minutes per week in ENL/ELA instruction with DL /bilingual teachers. Commanding level students receive .5 unit of study or 90 min per week in ENL/ELA instruction with DL/bilingual teachers.

**4. For schools with Dual Language Bilingual Education (DLBE) programs:**

**a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.**

DLBE classes follow a two-way model on alternating days which is a balanced combination of English proficient students and ELLs.

In Kindergarten, and grades 1, 2, 3, 4, 5 and 6, Dual Language instruction is delivered through a self-contained model. English proficient students and ELLs are integrated 100% of the instructional day, except for entering and emerging students during their mandated Stand-Alone ENL instructional periods totaling 1 unit (180 minutes) per week.

In grades 7 and 8, Dual Language instruction is delivered through a self-contained model in Social Studies, Science and HLA two to three days a week. English proficient students and ELLs are integrated 100% of the instructional day, except for entering and emerging students during their mandated Stand-Alone ENL instructional periods totaling 1 unit (180 minutes) per week.

**b. In which language(s) is each core content area taught?**

Core content area instruction (Math, Literacy, Social Studies, Science) in our Dual Language Program is taught equally in English and Spanish (50% English and 50% Spanish) in grades K-5.
In grade 6, ELA and Math are taught in Spanish, and in grades 7 and 8, Social Studies, Science and HLA are taught in Spanish. Dual Language instruction is delivered through a self-contained model.

**5. For schools with Transitional Bilingual Education (TBE) programs:**

**a. Which core content areas are taught bilingually?**

Not Applicable

# Part IV: Data Analysis

## Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

**1. What is the composition of the ELL subgroups at your school?**
**What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?**

A total of 79.7 % of our ELLs are Newcomers.

Instruction for newcomers differs from instruction provided to Developing ELLs and Long-Term ELLs because it focuses on language acquisition, conversation, vocabulary building and thematic instruction while providing scaffolds and adequate proficiency-level materials.

Newcomers also receive additional scaffolded support via small group differentiated instruction.

Students use Amira to build vocabulary and comprehension in Reading.

Newcomers are also provided with the opportunity to attend after-school programs.

**What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?**

A total of 25.7% of our ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE).

The differentiated instructions for our SIFE include small homogeneous groupings in Fundations and Heggerty in grades K-5. We implemented Strategic Reading Periods (SRP) in grades 6-8 based on the student's current reading levels.

SIFE in grades K-8 also use Map Growth and to build foundational skills in Math in English and their home language, as well as Map Growth and Amira to build vocabulary and comprehension in Reading.

Students are also provided with the opportunity to attend after-school programs.

**What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?**

A total of 2.7% of our ELLs are Long-Term ELLs.

Long-Term ELLs receive individualized support via small group instruction in all core content areas. Support is provided by the general education teacher/content teacher as well as the ENL teacher. Students use Amira to build vocabulary and comprehension in Reading.

Long-Term ELLs are also provided with the opportunity to attend after-school programs.

**What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?**

A total of 3.7% of our ELL population are former ELLs.

Our former ELLs/MLLs are provided 90 minutes of integrated ENL/ELA/Math instruction weekly.

Students are provided with the opportunity to attend after-school programs.

**2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?**

The majority of our at-risk ELLs are Newcomers who are SIFE and students in temporary housing (55.4%).

Our at-risk ELLs receive individualized support via small-group instruction provided by classroom and ENL teachers.

Students are provided with the opportunity to attend after-school programs.

**3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?**

The trends we notice are as follows: 61.9% of our former ELLs scored Levels 1 or 2 in ELA last year; 57.1% of our former ELLs scored Levels 1 or 2 in Math last year.

**4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?**

A total of 87% (65 students) of our ELLs Home Language is Spanish. The remaining ELLs Home Languages are Arabic, Bengali, Japanese, Haitian Creole, Thai, Urdu and ASL.

Students are able to use Map Growth in Math and Spanish and Amira in Spanish.

In content areas, students are provided student books in their L1.

In writing, students have access to technology - text-to-speech, dictation tools on Chromebooks and iPads, google translate and speaking to writing support

In all content areas, students are provided picture dictionaries and bilingual glossaries.

The majority of PS84 staff is bilingual (Spanish, Haitian Creole, Slovakian, Polish, Serbian, Italian, French and Hebrew) and therefore are able to support communication and learning.

Our Dual Language Coordinator and our ENL teachers, who speak Spanish, among other languages, support new parents during orientations and workshops. If a parent speaks a language other than Spanish, staff that speak the language are made available for translation or a request is submitted for translation (Office of Language Access). During the orientations, videos, forms and all information are provided in parents' preferred language.

Both translation and interpretation services are provided throughout the year during all parent orientations and meetings. The services are provided by a bilingual/multilingual staff member(s), the DOE's over-the-phone translation services, or an alternative translation/interpretation service .

**5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?**

A total of 66 (89%) of our MLLs identify as Hispanic, and 8 (11%) identify as non-Hispanic (white and Asian).

We implement the NYU CRSE Scorecard and DEI (diversity, equity and inclusion) framework to include our ELLs in planning and delivery of CR-SE.

**6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?**

We noticed that 30.8% of eligible ELLs met ELP sufficient progress either by exiting the ELL status or by meeting the annual progress target. A total of 69.2% of eligible ELLs did not meet ELP sufficient progress.

**7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?**

The NYSESLAT results reflect that the great majority of our ELLs reach listening and speaking English language proficiency before achieving reading and writing proficiency. In other words, the modalities of strengths across all grades are speaking and listening, except for newcomers.

The modalities of needs are reading and writing across all grades, including speaking for newcomers.

The  NYSESLAT results reflect that 5 of our ELLs were 1-10 points away from exiting ELL status.

In addition, 7 of our ELLs were 1-10 points away from reaching the expanding level of proficiency.

**8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?**

The relationship between students' performance on the NYSESLAT and the ELA assessment is that eighteen of our entering, emerging, transitioning, expanding and commanding ENL students who took the ELA state assessment scored 1, seven ELLs scored 2, and four ELLs scored 3.

However, on the math state assessment, nineteen entering, emerging, transitioning, expanding and commanding students scored 2 or higher being that they were able to take the math assessment in their home language.

**9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?**

The NYSESLAT results reflect that the modalities of need for our ELLs who are SIFE are writing and speaking. As for our ELLs with IEPs, the modality of strength is speaking, while they need support in listening, reading and/or writing, depending on their IEPS.

In our school we have RTI. SBS and NEST teams that make sure each and every student with an IEP, including our ELLs, are provided with the support and accommodations they need.

Although their progress toward English proficiency is often slower and they are less likely to exit ELL status within the typical timeframe, we noticed that the gap has been narrowing due to combined effort of all our teachers and supporting staff.

Regarding the SIFE students, they remain at the entering or emerging levels for multiple years. While progress is often evident, it may take longer due to gaps in literacy and prior schooling. Many SIFE students have experienced trauma, displacement, or instability that affect their ability to focus and learn.

The NYSESLAT trends among ELLs with IEPs and SIFE highlight the need for differentiated, trauma-informed, and culturally responsive instruction, as well as improved collaboration between ENL, general, and special education teachers. Interventions that blend intensive language support with attention to cognitive and emotional needs are essential to improving outcomes for these subgroups.

**10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:**
**a. How many ELLs are on-track towards graduation?**

N/A

**b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?**

N/A

**c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?**

N/A

**d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?**

N/A

# Part V: ML/ELL Instruction

## Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

## Tier 1 Core Instruction

**1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?**

Our school provides high-quality, culturally and linguistically responsive Tier 1 core instruction that supports social-emotional learning. Instruction incorporates a variety of texts that feature big ideas, rich content, and multiple perspectives. Teachers plan station learning where students can discuss and build language and knowledge and study high-utility vocabulary to master language. PS 84 uses rigorous curricula in ELA - Into Reading and Into Lit and Arriba la Lecture, to ensure our students obtain high-quality reading instruction. Also, PS84 uses Illustrative Math, a curriculum which is fully aligned to the focus, rigor, and coherence of the standards. This program helps students develop a deep understanding of mathematical concepts, build fluency with procedures, and solve mathematical problems that reflect their experiences.

**2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?**

Our school's Instructional Leadership Team considers ELLs in the school's instructional design by implementing the following priorities - strengthening core curricula, knowing students well and using culturally responsive and inclusive curricula. The texts that our ELLs interact with represent various abilities and cultural, racial and ethnic groups to ensure culturally responsive orientation to teaching and learning.
In addition, the leadership team includes ENL and/or bilingual educators to provide insight into ENL/DL population--their strengths and needs--so that the team can make informed decisions.

**3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.**

Our ENL and DL programming include ENL services which are provided using the integrated and Stand-Alone instructional models. As part of our Integrated model, students are grouped by grade and heterogeneous proficiency levels. In our Stand-Alone model, newcomers are grouped together. In the ENL program, the instruction is delivered in the English language, with the home language support. In the DL program, the instruction is delivered in English

(50%)  and Spanish (50%) in the side-by-side or self-contained models.

Our ENL Stand-Alone program focuses on language acquisition and provides small group instruction with multiple supports and opportunities for entering and emerging ELLs to develop language skills, including speaking, listening, reading and writing. The Integrated ENL program focuses on making content area and language instruction accessible to students by employing sheltered English content instruction as well as scaffolding techniques. In addition to these supports, ELLs also receive extra attention through after-school programs and additional academic intervention. All instruction is provided through the Workshop Model. The teachers model skills, students practice the skills with their teachers and then students work independently to demonstrate mastery. Supports are individualized and provided as needed.

**4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development?  Include core content area and language materials with consideration to specific ELL subgroups.**

**a. ELLs with IEPs**

ELLs with IEPs receive home language support, scaffolded instruction, visual supports, small group instruction/station learning in all content areas, in writing students have access to technology (text-to-speech and dictation tools on chromebooks and iPads), writing/speaking supports; accountable talk stems, sentence starters, graphic organizers, picture dictionaries, bilingual glossaries, personal word walls, AIS and RTI. English Language Learners with IEPs use Map Growth to build foundational skills in Math in English and their home language, as well as Map Growth and Amira to build vocabulary and comprehension in Reading.

P.S. 84 uses curricula aligned to the Science of Reading: Fundations, Heggerty, Into Reading/ Into Lit, Phonics for Reading, S.P.I.R.E. and Reading Recovery. All provide access to academic content and vocabulary and accelerate English Language development. Instructional strategies include explicit instruction of phonics and phonemic awareness, shared reading,  independent reading, and shared and independent writing. The use of oral language is incorporated to discuss texts as well as ideas in writing.

**b. SIFE**

Students with interrupted formal education (SIFE) require special attention for them to succeed in our educational system. We adjust our instructional approaches used to reach SIFE pupils depending on factors such as native language and the level of native language literacy skills. Besides after-school programs and additional academic intervention, our plan to service these students includes teaching grade-level content as well as the numerous skills that SIFE students are often lacking. Therefore language classes will be structured in order to address both past content objectives and current content objectives. For example, SIFE in third grade may need instruction to develop literacy skills that their peers received in earlier grades. Additionally, SIFE will receive the opportunity to practice these skills. SIFE students will also be grouped with peers to provide motivation, support, and language acquisition opportunities.

P.S. 84 uses curricula aligned to the Science of Reading: Fundations, Heggerty, Into Reading/ Into Lit, Phonics for Reading, S.P.I.R.E. and Reading Recovery. All provide access to academic content and vocabulary and accelerate

English Language development. Instructional strategies include explicit instruction of phonics and phonemic awareness, shared reading,  independent reading, and shared and independent writing. The use of oral language is incorporated to discuss texts as well as ideas in writing. Students with interrupted formal education use Map Growth to build foundational skills in Math in English and their home language, as well as Map Growth and Amira to build vocabulary and comprehension in Reading.

Home language support, scaffolding instruction, visual supports, small group instruction in all content areas, in writing students have access to technology (text-to-speech and dictation tools on Chromebooks, iPads), writing/speaking support; accountable talk stems, sentence starters, graphic organizers, picture dictionaries, bilingual glossaries, personal word walls, AIS and RTI.

### c. Newcomers

Newcomers are provided with the language skills they need to function successfully in their new country, community, and school. As is the situation with SIFE students, newcomers will also be placed with English speaking peers in an age-appropriate environment in order to present them with language acquisition opportunities and extrinsic motivation as well as support from their peers. Since many newcomers arrive with little to no English in any of the four language skill areas and often with little to no literacy skills in their native language, our newcomers will receive ENL services that are intended to provide both content area and second language instruction with the intent of developing both Basic Interpersonal Communication Skills (BICS) and Cognitive Academic Language Proficiency (CALP). Literacy and language development will take place through student participation in the reading and writing workshops in their classrooms as well as more specialized instruction from their ENL teacher. ENL teachers will work to make content area and language instruction accessible to students by employing sheltered English content instruction as well as scaffolding techniques. In addition to these supports newcomers will also receive extra attention through after-school programs and additional academic intervention.
We use Fundations, Haggerty Science of Reading, S.P.I.R.E. and Reading Recovery to provide access to academic content and vocabulary and to accelerate English Language development. Instructional strategies include explicit instruction of phonics and phonemic awareness, shared reading,  independent reading, and shared and independent writing. The use of oral language is incorporated to discuss texts as well as ideas in writing.
Also, newcomers use Map Growth to build foundational skills in Math in English and their home language, as well as Map Growth and Amira to build vocabulary and comprehension in Reading.

### d. Long Term ELLs

We service long term ELLs under the belief that each student progresses at his or her own rate through the language acquisition process. Furthermore, we believe any group of learners will be made up of students who are at different stages in their language acquisition and cognitive development. Following the natural order of language acquisition presented by theorists many students will develop BICS first and CALP second. Accordingly, our primary focus for long term ELLs will be to develop CALP so that students can achieve mastery of reading, writing, speaking and listening skills for application in academic content areas. In order to provide them with the extra instruction necessary for success, long term ELLs will also receive instruction in after-school programs and in some cases individualized intervention plans.

We use Fundations, Haggerty, S.P.I.R.E., Science of Reading, and Reading Recovery to provide access to academic content and vocabulary and to accelerate English Language development. Instructional strategies include explicit instruction of phonics and phonemic awareness, shared reading,  independent reading, and shared and independent writing. The use of oral language is incorporated to discuss texts as well as ideas in writing.

Also, long term ELLs use Map Growth to build foundational skills in Math in English and their home language, as well as Map Growth and Amira to build vocabulary and comprehension in Reading.

**5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?**

We use curricular, instructional and scheduling flexibility to enable diverse ELLs with IEPs to achieve their IEP goals and attain English proficiency within the least restrictive environment. We have ICT classes in grades K-8 in order to accommodate students with IEPs and to keep them in the least restrictive environment. Additionally, we also provide regular academic intervention support to struggling ELLs.

**6. How is home language assessed in each program model (DLBE, TBE, and ENL)?**

All Native Spanish speakers who qualify for services in the Dual Language or ENL Program are assessed in their native language using Arriba la lectura and the HLA. Spanish reading levels are also assessed throughout the year.

In our DL program, the instruction is delivered in English (50%) and Spanish (50%).

In the Dual Language program, native language support is delivered in a variety of ways. The following strategies and programs are used to support native language instruction:

• total physical response
• visual prompts
• realia
• repetition
• leveled libraries
• guided reading
• authentic literature in the native language
• small group instruction
• Estrellitas program for phonetic support
• Descubre literacy program online activities
*Arriba
*Fonetica

**7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?**

We offer World Language elective classes to our ELLs. Students receive Spanish instruction in grades 6 - 8 to prepare them to take the LOTE exam prior to graduating from 8th grade.

**8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).**

Systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models include common prep periods on each grade level, in-school professional learning sessions, grade meetings, school wide case conferencing, district level Sustainability Institute for teacher collaboration.

**9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.**

The professional development plan for all personnel at the school is designed to support the implementation of the NYS Next Generation Learning Standards and CRSE.
Professional development designed to support the NGLS begins with guidance in designing units in Math and English Language Arts aligned to the standards. All teachers, including ENL teachers, dual language teachers, and teachers of students with disabilities receive guidance from our school 's team of instructional specialists. Planning sessions are held during PD time on Mondays.
Units are designed using the 2024-2025 CEP with ENL teachers as well as classroom teachers to allow for collaborative planning that will promote more effective planning for push-in periods. Additionally, professional development is tied to the language of the Danielson Framework for teaching. This area of professional development at PS 84 focuses on the topics of planning and preparation, managing classroom procedures, classroom environment, instruction, social-emotional learning and professional responsibilities. Specifically, topics include questioning and discussion techniques, creating lessons with multiple access points for all learners, and aligning lesson procedures with lesson objectives.
Our lead teachers, along with administration facilitate this work. Administrators observe teachers and provide focused feedback on instruction and all other domains of teaching. Through this process of observation and feedback, teachers and administrators agree on areas of focus. Based on the individual needs of a teacher, they can choose from a menu of professional development activities. For example, teachers visit the classrooms of colleagues and debrief with the instructional support specialist using language from the Danielson Framework. This process is ongoing throughout the year.
Members of the school community attend monthly ELL Working Group sessions with our District Leads and turnkey to the rest of the staff during common planning time.
Staff members also receive training for Map Growth, Amira, Into Literature and Arriba La Lectura to support them with using digital resources with their students. Our professional development plan for new teachers includes a mentoring component. New teachers, including teachers of ELLs/MLLs receive support from a n assigned mentor. Mentees receive at least two hours per week of time with their mentor. Mentors guide new teachers in all the domains of the Danielson Framework.
15% of all PDs offered to the entire teaching staff will include the ENL methodology.
Throughout the year, P.S. 84 will offer PD opportunities to address the needs of ELL students: * Brain Research - Keeping ELLs in Mind * Instructional Strategies: Differentiation Strategies * Intervention Protocol * Unpacking the Standards * Differentiation in the Classroom * Websites and Interactive White Boards.

**10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154**

**(15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).**

Professional development which is specifically targeted towards ENL personnel and Bilingual teachers is offered in our school as well as out of the building. Within our building, administration and instructional support specialists provide staff with PD on language acquisition, strategy reading groups, constructivist math problem solving methods, exemplars and the components of the Science of Reading.
This support is provided as described in question number 1 of this section. Outside of our building, teachers attend meetings provided by our District Leads. These sessions demonstrate specific strategies for adapting instruction to increase student engagement and increase academic talk. New teachers are also trained in Visual Thinking Strategies (VTS) as a method to increase authentic opportunities for the use of oral academic language. 50% of all PD offered to ENL teachers and bilingual teachers is ENL-related.

Our school meets the required 15%/50% ELL-specific professional development for all teachers as per CR Part 154.2. by all teachers attending ENL-related PDs and workshops provided by state-approved providers, such as Division of Multilingual Learners and District 14 Professional Learning Opportunities.

# Assessment

# SCREENERS

**11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?**

We use HMH performance suite, (WAGGLE and AMIRA) , Map Growth, Acadience, NYSESLAT results, and Multilingual literacy SIFE (MLS), to provide and adjust instruction and provide additional support based on individual student needs. We use these assessments to guide ELLs instructions in the classrooms.

**12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.**

Targeted intervention for ELLs in ELA and Math and other content areas is provided by classroom teachers, and supported by the ENL teachers. Targeted intervention is carried out based on our school's RTI plan.

Tier I intervention for ELLs in ELA, Math, Social Studies, and Science takes place in the classroom, either with the classroom teacher or the ENL teacher. Within the classroom, there is a Toolkit for ELLs/MLLs specifically which includes aides and supports that will help ELLs/MLLs complete a task within any content area (picture dictionaries, content based word walls, exemplars, alphabet charts, sight words, blends chart, etc.).

Tier II intervention takes place in small groups in the classroom and is reinforced in after-school programs (ENL after-school and ELA / Math after-school programs). Planning and communication between the ENL teacher and classroom teacher is mandatory.

Tier III intervention is delivered in a pull-out setting if it is deemed necessary. The language of instruction in these interventions is English.

Our school's RTI plan is constructed to address the needs of learners from all sub-groups (SIFE, Newcomers, ELLs with Special Needs).

Specific interventions used throughout the school depending on the grade are MapGrowth in English and Spanish, Waggle and Amira in English and Spanish, S.P.I.R.E., Reading Recovery, Orton Gillingham, Wilson, and Fundations.

**13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.**

Tier I RTI is provided by classroom teachers, and supported by the ENL teachers. If a student does not make adequate progress, grade teams use weekly case conferencing in addition to the school's RTI committee to discuss next steps to support the student.
Those steps include Tier II and Tier III instruction which is provided by specialized out-of-classroom teachers.
*see above

# FORMATIVE

**14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?**

We use data from HLA, Acadiance, MapGrowth, Amira and assessments from Into Reading, Into Literature and Illustrative Math to adjust instruction and provide additional support based on individual student needs. The data is used to inform and drive instructions.

**15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?**

We use HLA, Passport to Social Studies, Amplify Science, Amira, MapGrowth Math to evaluate our ELLs' home language throughout the year.

# SUMMATIVE

**16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).**

We use NYSITELL, NYSESLAT, ELA, Science, Algebra regents, and Math state tests to evaluate the effectiveness of our ELL programs. We gather baseline data, monitor progress, and identify areas of need to inform our instruction. Once the summative data has been gathered, it is disaggregated, analyzed and used to place students in appropriate programs and classes with the support and resources they need.

**17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.**

Our NYSESLAT administration plan includes scheduling the test by grade bands, training the proctors and scorers - certified ENL and bilingual teachers, administering, training and scoring it in accordance with the NYS testing guidelines.  All ELLs, including former ELLs, continue to receive mandated services during the testing period by certified bilingual/ENL teachers.

**18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?**

All ELLs, current and former, receive bilingual glossaries for all state assessments, including the Specialized High School Admissions Test (SHSAT). They also receive a translated version of all the state assessments other than ELA. If a translated version of the state test is not available, the school hires interpreters for all the state assessments. For all timed state tests, all ELLs, current and former, receive time and a half. Also both current and former ELLs with IEPs receive testing accommodation as per their IEPs.

# Part VI: Family Partnership

## Family Partnership

**Required Meetings Under CR Part 154**

**Describe your schools' plan to ensure families of ELLs are provided with the required meetings** specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

**a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.**

ELL Program Orientations are provided to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program. We also provide high-quality orientations on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Parents/guardians of newly identified ELLs are invited to in-person ELL Parent Orientations where they receive information about all ELL program options including the program goals and requirements for all three ML/ELL program models: DLBE, TBE and ENL.
Parents are informed about program options that are not currently offered at our school and they are provided with a list of schools that do offer those programs within the school district. Our ENL Department keeps track of ELLs that are interested in a program not being offered in our school. If the families are interested in a program not currently offered, and they do not want to transfer to another school, the school keeps the list and will open a class with this program should there be enough students.

Our Dual Language Coordinator and our ENL teachers, who speak Spanish, support new parents during orientations and workshops. If a parent speaks a language other than Spanish, staff that speak the language are made available for translation or a request is submitted for translation (Office of Language Access). During the orientations, videos, forms and all information are provided in parents' preferred language.

In short, both translation and interpretation services are provided throughout the year during all parent orientations and meetings. The services are provided by a bilingual/multilingual staff member(s), the DOE's over-the-phone translation services, or an alternative translation/interpretation service .

Agendas and attendance sheets are kept among other ENL/DL documentation.

**b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.**

Teachers provide individual meetings with parents of ELLs to discuss goals of the program, language development progress, language proficiency assessments results, and language development needs in all content areas. Parents schedule an appointment in person or virtually with the ENL teacher during parent-engagement time.

Our ENL and DL teachers speak Spanish and therefore are able to communicate with the Spanish-speaking parents of ELLs during the annual individual meetings. If a parent speaks a language other than Spanish, staff that speak the language are made available for translation or a request is submitted for translation (Office of Language Access). In other words, interpretation (in person or over the phone) and translation (written: notes, forms, etc.) services are provided as needed, in the parents' preferred language.

Meeting attendance is taken on paper form or by downloading the ZOOM report from the meeting. Agendas and attendance sheets are kept on file among other ENL/DL documentation.

# Family Engagement

**2. Beyond the mandated meetings and orientations, describe how your school:**
**a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?**

Our school ensures families receive all school communication and documents in their preferred language - verbally/in person, in writing and through Bloomz. Also, we inform parents that they can use our Bloomz App for translation.

We provide translated letters, forms, notifications and information in both English and parents' preferred language.

Parents can come to school, call, or reply by email in their preferred language and they always have the support of the parent coordinator or dual language coordinator to aid them with their questions.
Translation and interpretation services are provided when needed or requested by the parent.
The ATS RAPL report states the parents' preferred oral and written language.

**b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.**

Our school provides a number of activities, workshops, events, conferences and meetings throughout the year:

Once a month, all parents are invited into the building to participate in a themed activity in their child's classroom on Marvelous Mondays, Terrific Tuesdays, Wonderful Wednesdays, Thrilling Thursdays, and Fabulous Fridays.

Parent NYS Next Generation Learning Standards Workshops - Facilitated by the Parent Coordinator - this series of classes introduces parents to the language and expectations of the NYS Next Generation Learning Standards.

School-based Showcases like the Artstravaganza, Exploratorium, Winter and Spring Musical performances, the PS 84 Annual Musical, International Night, Family Movie Nights, Spring Block Party

Monthly PTA Meeting

Monthly PTA newsletters are written in both Spanish and English

School Leadership Team Meetings, School Safety Committee Meetings

Annual ELL/MLL parent conference offered by the NYCDOE

Our school determines the needs of our community through outreach and inquiry by teachers, our Parent Coordinator, our Dual Language Coordinator, and our Assistant Principals. All school personnel are encouraged to

inform our Parent Coordinator when family needs are brought to our attention.

### c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Families of MLs/ELLs are made aware of family leadership opportunities, such as Parent Association (PA), School Leadership Team (SLT) and Community Education Council (CEC) via virtual and in-person PTA meetings with the administration and staff.

Also, once a month, when all parents are invited into the building to participate in a themed activity in their child's classroom on Marvelous Mondays, Terrific Tuesdays, Wonderful Wednesdays, Thrilling Thursdays, and Fabulous Fridays, they have the opportunity to meet with the administration and the SLT, PTA and CEC members/designees to receive information about the leadership opportunities, voice their concerns, provide suggestions and exchange ideas.

Families of MLs/ELLs receive all school correspondence and documents in their preferred language through Bloomz. They also receive translated letters in both English and their preferred language.

### 3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We partner with our PS 84 PTA to provide our families in need with laundromat cards, laundry essentials, clothing, food, and supplies.

We also partner with Cool Culture which offers museum passes, family workshops and cultural events.

Our partner, El Puente, a community human rights institution, hosts meetings for our families and provides immigration services, and resources for medical insurance, transportation, and counseling.

Council members, Jennifer Gutierrez and Lincoln Restler, with their team assist with resources for our families, medical legal assistance and food and clothing drives.

The CEC - Community and City-wide Education Councils assist our families with resources and services.

# Part VII: Additional Information

## Additional Information

**Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.**

N/A

# Part VIII: ELL Identification Attestation and Principal Certification

## Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

**1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.**

The members of our ELL identification team are:

Valentina Djokic, ENL Teacher
Terezia Chlebovcova, ENL Teacher
Alison Chan, ENL Teacher
Awilda Peguero, Bilingual Teacher
Monique Hernandez, Assistant Principal
Sereida Rodriguez, Principal

**2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:**

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The entire ELL identification process is completed by a certified ENL teacher within 10 days of registration. If the student has an IEP, the process will be completed by a certified ENL teacher within 20 days of registration.

The structures and processes in place for the intake and identification of ELLs are:

1. Home Language Identification Survey / Interview
Home Language Identification Survey is completed by the parent/guardian of all students during registration in their preferred language. The completion of the form is supervised by one of our three certified ENL teachers on a rotating basis in order to identify the student's home language and eligibility for the NYSITELL. If needed, the interpretation services are provided by a bilingual/multilingual staff member, the DOE's over-the-phone translation services, or an alternative interpretation/translation service.
The ENL teacher will then conduct an in-depth interview at the student's grade level to further determine eligibility

for the NYSITELL. The interview with parents and students includes reviewing documents, prior assessments and academic experience. If the student has an IEP, the school's Language Proficiency Team will meet to determine NYSITELL eligibility. The school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

2. NYSITELL
The NYS Identification Test for English Language Learners is administered to eligible students based on Home Language Identification Survey and interview. The NYSITELL is administered by one of our three ENL teachers based on a rotating schedule. The results of this assessment will determine if the student is an ELL and entitled to support and services to learn English.

3. Parent Notification Letters
All parents of students who take the NYSITELL must receive an entitlement letter if their child scores below the commanding level. If a student scores at the commanding level, the parent must receive a non-entitlement letter. These letters must be sent to parents in the parent's preferred language within 5 days of ELL determination.

4. Parent Orientation Meetings
Parent Orientation Meetings are held for the parents of students who score below the commanding level on the NYSITELL. This parent meeting is facilitated by one of our three ENL teachers on a rotating schedule. During the meeting, parents will be informed of their instructional options of an ENL or DL program. Parent orientation meeting provides parents with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting. Parents fill out Parent Survey and Program Selection in their preferred language.
Students will then be placed in the program selected by their parents (within 10 days of registration ). The selection must be entered in the ELPC screen in ATS. Students with IEPs will be placed in the selected program within 20 days of registration.
If the ELL program that the parent selected is not available, the parent is offered a transfer to a school with that program in accordance with DOE transfer policies. If the ELL remains in the school, the ELL is placed in English as a New Language Program and our school keeps track of parent choice so that when minimum thresholds are met, we can open the ELL program of choice.

5. ELL Re-identification Process
Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process). If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.

6. Spanish Lab
The Spanish LAB is administered to any students who did not pass the NYSITELL and have indicated a Home Language of Spanish.

7. SIFE Status
A student will be interviewed to determine SIFE eligibility if they are performing 2 years below grade level or they had inconsistent schooling prior to entering the DOE. Student with interrupted/inconsistent formal education (SIFE) status is determined using New York State's resources available on NYSED's website (oral interview questionnaire, the writing screener and the MLS (multilingual literacy SIFE screener)): http://www.nysed.gov/bilingual-ed/schools/students-interruptedinconsistent-formal-education-sife.

8. Transfers
If a student has been in NYS public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.

9. Reentries
If a student has been outside of NYS public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

10. Record-keeping
Copies of letters and parent notifications regarding ELL identification, as well as a copy of the initial interview, and SIFE screening are kept in the students' cumulative files.

# Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

**Principal Name:**

Sereida Rodriguez-Guerra

# Part IX: LAP Assurances

## LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

# LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

**Office of Language Access (OLA) Contact:**

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

**Designation of a LAC**
**Name of person designated and trained as the LAC.**
**At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.**

**We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.**

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

| First Name | Last Name | Title | Date attended OLA Language Access Coordinator Professional Learning Opportunity | Confirmed (Y/N) |
|---|---|---|---|---|
| Dinayomi | Fernandez | Parent Coordinator - Annual | 05/28/2025 | Y |
| Monique | Hernandez | Assistant Principal 10 Month | 10/24/2023 | |
| Shakira | Maldonado | School Secretary | | |
| Awilda | Peguero | Teacher - Regular Grades | | |

# Part B: Parents' Preferred Languages

## Parents' Preferred Languages

Language identification and assessment of parent population.

**1. Check the resources your school staff uses to identify parents' preferred languages:**

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

**If Other was selected, describe the resource here:**

**2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".**

| Language (Description within RCPL) | Written Preferred Count | Written Preferred Percentage | Oral Preferred Count | Oral Preferred Percentage | No. of Staff to Help with Written Translation | No. of Staff to Help with Oral Interpretation |
|---|---|---|---|---|---|---|
| ARABIC | 4 | 0.48% | 4 | 0.49% | 0 | 0 |
| BENGALI (BANGLA IN BANGLADESH) | 1 | 0.12% | 1 | 0.12% | 0 | 0 |
| JAPANESE | 2 | 0.24% | 3 | 0.36% | 0 | 1 |
| KOREAN | 1 | 0.12% | 1 | 0.12% | 0 | 0 |
| ENGLISH | 688 | 83.39% | 683 | 82.99% | 120 | 120 |
| PORTUGUESE | 1 | 0.12% | 1 | 0.12% | 0 | 0 |

| | | | | | | |
|---|---|---|---|---|---|---|
| RUSSIAN | 0 | 0.00% | 1 | 0.12% | 0 | 0 |
| SPANISH | 127 | 15.39% | 126 | 15.31% | 57 | 57 |
| (AMERICAN) SIGN LANGUAGE | 0 | 0.00% | 2 | 0.24% | 0 | 0 |
| THAI | 1 | 0.12% | 1 | 0.12% | 0 | 0 |

# Part C: Parent Communications and Engagement

## Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

**1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.**

| Document Type (e.g. parent flyers, IEPs, etc.) | How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents. |
|---|---|
| Monthly Newsletters | Translated by classroom teachers |
| Flyers | Parent Coordinator will translate to Spanish.Document translation for languages other English/Spanish will be submitted to OLA. |
| IEP | Translated centrally by Office of Language Access |
| Report Cards | Classroom teachers enter comments accordingly (Spanish/English) Translation for languages other than English/Spanish will be submitted to OLA |
| Family Letter | Parent Coordinator will translate to Spanish. Document translation for languages other English/Spanish will be submitted to OLA. |
| Announcements | School App (BLOOMZ) will translate. Thus far translation via BLOOMZ has been successful. |
| | |
| | |

**2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.**

| | |
|---|---|

| Meeting Type (e.g. parent workshops, PTCs) | How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents. |
|---|---|
| Parent Teacher Conference | Parent Coordinator, and additional staff interpret for parents that have signed up as needing interpretation services, OPI will also be used. |
| PTA Meetings | Dual Language Coordinator or Parent Coordinator will interpret to Spanish. For languages not supported by staff, interpretation services will be requested. |
| Workshops | Parent Coordinator, Dual Language Coordinator and/or other staff will interpret. For languages not supported by staff, interpretation services will be requested. |
| | |
| | |
| | |
| | |
| | |

**3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.**

During any emergencies all staff can use the BLOOMZ App to communicate. (BLOOMZ translates to over 90 languages in real time)

The use of DOE Messaging can also be used to deliver quick translated messages to parents.

The nurse uses the OPI number to contact parents in their preferred language during any medical situations.

# Part D: Staff Awareness

## Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

**1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.**

During our opening staff conferences in September our LAC will make school staff aware of the available language access resources to staff including the procedures and resources outlined on the Translation and Interpretation Unit website.

Administration and LAC will assign the NYCPS Language Access Training for School-based Staff via Google classroom.
Future language resources will be sent to staff via Google Classroom and/or email.

# Part E: Parental Notification

## Parental Notification

Provision of notice to parents on the available language assistance services.

**1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:**

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Our school posts translated signage in the Main Office, in a highly visible location. The posters provided by the Office of Language Access provide parents with instructions on where and how to obtain interpretation services.
Our ENL teacher and classroom teachers make families aware of their right to receive information in their preferred languages.
At parent engagement events (PTA meetings, school tours, parents night, etc.) staff is available to assist with interpretation.
BLOOMZ, our messaging application automatically translates all messages to the language of choice that parents select when they download the platform.
The Parent's Guide to Language Access and the DOE's Hello! website are shared with parents in September.

# Part F: Monitoring

## Monitoring

Methods for soliciting and implementing feedback on language assistance services.

**1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.**

During parent meetings, phone calls, or texts from our ENL teachers will ask parents for feedback regarding the language services they receive. They will inquire about their preferences, as well as their need for equal access to school documents in the language of their choice.
The Parent Coordinator will also assist in the above named endeavors. Parent surveys may also be used to inquire about our machine based translation, OPI interpretation, staff interpretation to ensure language access.

**2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.**

We have ensured that every document we send out to parents is formatted in a way that our BLOOMZ App can translate to the parents desired language. (EX; uploading original document in English, and Spanish, then Copy/Paste entire text into the App for translation.
Parent feedback regarding Bloomz, has been positive. We will continue to monitor via survey.

# Title III Outline

**Title III Supplemental Program for ELLs for SY 2025-26**

## REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

**Note:** The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

# Part A: School Information

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

# Part B: Direct Instruction Supplemental Program Information

**The direct instruction component of the program will consist of (select all that apply):**

,After School

**Total number of ELLs to be served in this program:**

70

**Grades to be served in this program. Select all that apply.**

,3,4,5,6,7,8,2

**Total number of teachers in this program:**

7

**Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):**

3

**Number of content area teachers (i.e., teachers that have common branch/content area licenses only):**

4

## Title III ELL Summary

**Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:**

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

We will have an ENL after-school program funded with Title III funds.
This program will be separated into 2 semesters and will provide supplemental instruction to our English Language Learners (ELLs) in grades 2-8 and will be offered to ELLs/MLLs in both ENL and Dual Language Programs.

During first semester (fall), we will service three groups led by three certified ENL teachers. We are aiming to enroll ELLs who are at entering and emerging levels of English proficiency.
In this program we will focus on English language acquisition.

The fall component of the program will consist of 3 groups and will begin on October 7, 2025, and end on December 18, 2025.
The after-school program will be held on Tuesdays and Thursdays from 2:45 PM to 4:00 PM.

Group 1 will consist of students in grades 3-4. There will be ten to twelve students in group 1.
Group 2 will consist of students in grades 5-6. There will be ten to twelve students in group 2.
Group 3 will consist of students in grades 7-8. There will be ten to twelve students in group 3.

The spring component will provide additional instruction in English Language Arts and Mathematics and support student academic achievement. In English Language Arts, the focus will be on reading and writing modalities. Teachers will focus on these areas by teaching a reading skills-based curriculum as well as writing instruction as a response to reading. The writing focus will include instruction in organization, transitional and linking words, as well as supporting claims using evidence. In the content area of mathematics, students will focus on developing computational fluency as well as problem-solving strategies. There will also be a large focus on the language required to explain mathematical thinking for constructed response questions.

This component will service four groups of ELLs with a focus on content and language. ELA and Math instruction will be provided to each of the four groups. Two ENL teachers will push in for half of the instructional time in each group. Each ENL teacher will be working with two groups. The spring semester will be open to all MLLs at all levels of English proficiency.

The spring component of the program will begin on January 6, 2026, and end on March 26, 2026. Each session will take place on Tuesdays and Thursdays from 2:45 PM to 4:00 PM.

Group 1 will consist of ten to twelve ELL students in grade 2. The content area teacher will focus on ELA and Math instruction. The ENL teacher will provide the language support for half of the instructional time.

Group 2 will consist of ten to twelve ELL students in grades 3 and 4. The content area teacher will focus on ELA and Math instruction. The ENL teacher will provide the language support for half of the instructional time.

Group 3 will consist of ten to twelve ELL students in grades 5 and 6. The content area teacher will focus on ELA and Math instruction. The ENL teacher will provide the language support for half of the instructional time.

Group 4 will consist of ten to twelve ELL students in grades 7 and 8. The content area teacher will focus on ELA and Math instruction. The ENL teacher will provide the language support for half of the instructional time.

The supervision of the program will be maintained at no cost to Title III Funds. Attendance will be taken daily by teachers and submitted to the supervisor. All documents including purchase orders, Title III letters, and postings will be stored in a Title III binder in the main office.

# Rationale for Title III ELL Funded Programs

**Describe the rationale for each Title III ELL funded program. For each program, include:**

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The rationale for this after-school program is to provide supplemental instruction to our English Language Learners (ELLs) in grades 2-8. This program will be offered to ELLs/MLLs in both ENL and Dual Language Programs.

Based on the 2024 NYSESLAT exam, 38% of our ELLs/MLLs scored at the entering and emerging levels of proficiency. Therefore, in the fall semester, we will focus on building English language acquisition by developing and strengthening students' language skills in all four modalities - listening, speaking, reading and writing.

Based on the 2024 ELA exam, 43% of our ELLs/MLLs scored at levels 1 or 2. Regarding the 2024 Math exam, 60% of our ELLs/MLLs scored at levels 1 or 2. For this reason, in the spring semester, we will focus on building literacy and numeracy skills.

# Students and Grade Levels to be Served

**For each Title III ELL funded program, describe the students that will be served. Include:**

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Our after-school program will be separated into 2 semesters and will provide supplemental instruction to our English Language Learners (ELLs) in grades 2-8 and will be offered to ELLs/MLLs in both ENL and Dual Language Programs.

During the fall semester, we are aiming to enroll MLLs in grades 3-8 who are at entering and emerging levels of English proficiency. In this program we will focus on English language acquisition.

The spring semester will provide additional instruction in English Language Arts and Mathematics to ELLs/MLLs of all proficiency levels in grades 2-8. In this program we will focus on building literacy and numeracy skills.

# Schedule and Duration

**For each Title III ELL funded program, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The Title III fall component of after school will take place twice a week for 9 weeks on Tuesdays and Thursdays, from 2:45 PM - 4:00 PM, starting on October 7, 2025, and ending on December 18, 2025. There will be a total of 18 sessions.

The Title III spring component of after school will take place twice a week for 10.5 weeks on Tuesdays and Thursdays from 2:45 PM - 4:00 PM, starting on January 6, 2026 and ending on March 26, 2026. There will be a total of 21 sessions.

# Language of Instruction

**For each Title III ELL funded program, include language of instruction and how home language support is provided.**

The language of instruction will be English.

The following home language support will be provided to English Language Learners during the program: ELA and Math L1/English dictionaries and glossaries,  L1 Math textbooks and tasks, and L1 translations of core texts.

# Number and Types of Certified Teachers

**For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):**

The instruction in the fall semester will be provided by three ENL/Bilingual teachers, and the instruction in the spring semester will be provided by two ENL/Bilingual teachers and four content area teachers.

# Types of Materials

**For each Title III ELL funded program, include:**

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The materials for the instruction will be supplemental and distinct from those used for daily instruction.

We will use 'Ready, Set, Go!', 'Language Power' and 'Texts for Close Reading' by Benchmark Education Company that will be purchased at cost to the Title III ELL Funds (which will NOT exceed 20% of the allocated funds).

The purchased materials will be stored in the materials closet in the ENL classroom / Rm 348 at PS84.

# Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

An Assistant Principal will supervise the program at no cost to Title III funds. She will maintain agendas and attendance sheets in a file in google drive.
The Assistant Principal will also monitor and document students' progress. She will ensure that all the notifications and letters to parents are provided in English and the parents' preferred language(s).

# Part C: Professional Development

## Professional Development Summary

**Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:**

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Title III professional development will be offered to all Title III Program teachers from October, 2025 through March, 2026.

The teachers will attend 1-hour monthly sessions on language learning, language objectives and teaching vocabulary to entering and emerging level ELLs/MLLs.

Title III teachers will also work on lessons that will have both linguistic and communicative components essential for the language acquisition of our ELLs/MLLs. The PD sessions and workshops will take place once a month on Mondays, during the professional learning hour.

This component will be at no cost to Title III funds.

These PD sessions will positively impact the progress of ELLs/MLLs, as they are based on the essential needs of our ELLs/MLLs (language acquisition, vocabulary building, and focus on all 4 modalities), as well as on the needs of our teachers who have ELLs/MLLs in their classrooms - vocabulary building - Tier I, II and III, and stages of language acquisition and how ELLs/MLLs acquire the language, both native and the English language.

The PD sessions will greatly improve the instruction provided to ELLs/MLLs in their classrooms, as teachers will implement the scaffolding techniques and support that will lead to more progressive learning of our ELLs/MLLs, and eventually, their greater independence in the classroom.

Title III professional development will be offered to Title III teachers in the two after-school ENL programs:
- the fall semester ENL Entering / Emerging Program
- the spring semester ENL All Proficiency Levels Program

The PD sessions and workshops will take place once a month, on Mondays - 10/27/25, 11/17/25, 12/15/25, 1/12/26, 2/23/26, 3/16/26 and 3/30/26 from 3:20 p.m. - 4:20 p.m.

Below is the schedule  of topics to be covered during the PD sessions:
1. Bridges to Academic Success Curriculum  ELLs/MLLs in 6-8
2. Writing Effective Language Objectives for ELLs/MLLs in K-3
3. Writing Effective Language Objectives for ELLs/MLLs in 4-8
4. Teaching Vocabulary to Emergent ELLs/MLLs in K-8
5. Scaffolding Strategies for ELLs/MLLs 3-5
6. Scaffolding Strategies for ELLs/MLLs 6-8
7. QTEL: Building the Base for ELLs/MLLs 6-8

Our content area and ENL/Bilingual teachers - Y. Bueno, K. Ramirez, A. Peguero, L. Turner, T. Chlebovcova, V. Djokic, and A. Chan - will each provide one professional development (PD) session.

# Rationale for Professional Development

**Describe the rationale for the professional development to be provided. For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

These PD sessions will positively impact the progress of ELLs/MLLs, as they are based on the essential needs of our ELLs/MLLs (language acquisition, vocabulary building, and focus on all 4 modalities), as well as on the needs of our teachers who have ELLs/MLLs in their classrooms (vocabulary building - Tier I, II and III).

Based on the 2024 NYSESLAT exam, 38% of our ELLs/MLLs scored at the entering and emerging levels of proficiency. Therefore, in this PD cycle we will focus on how to build English language acquisition by developing and strengthening studets' language skills in all four modalities - listening, speaking, reading and writing.

Based on the 2024 ELA exam, 43% of our ELLs/MLLs scored at levels 1 or 2. Regarding the 2024 Math exam, 60% of our ELLs/MLLs scored at levels 1 or 2. For this reason, in these PD sessions, we will focus on how to build literacy and numeracy skills.

In addition to the data above, our school conducted in-house teacher surveys that showed the need for the mentioned PDs.

Also, teacher observations data indicated the need to cover these topics during the PD/PL time.

The PD sessions will greatly improve the instruction provided to ELLs/MLLs in their classrooms, as teachers will implement the scaffolding techniques and support that will lead to more progressive learning of our ELLs/MLLs, and eventually, their greater independence in the classroom.

# Teachers to Receive Professional Development

**Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.**

Title III professional development will be offered to Title III teachers in the two after-school ENL programs -- the fall semester - ENL Entering / Emerging Program and the the spring semester - ENL All Proficiency Levels Program.

Title III professional development will be offered to all Title III teachers in the two after-school ENL programs - 4 content area teachers and 3 ENL/Bilingual teachers.

# Schedule and Duration

**For each Title III ELL professional development activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

***See above

# Topics to be covered

**For each Title III ELL professional development activity, include topics to be covered.**

1. Bridges to Academic Success Curriculum  ELLs/MLLs in 6-8
2. Writing Effective Language Objectives for ELLs/MLLs in K-3
3. Writing Effective Language Objectives for ELLs/MLLs in 4-8
4. Teaching Vocabulary to Emergent ELLs/MLLs in K-8
5. Scaffolding Strategies for ELLs/MLLs 3-5
6. Scaffolding Strategies for ELLs/MLLs 6-8
7. QTEL: Building the Base for ELLs/MLLs 6-8

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).**

Our content area and ENL/Bilingual teachers - Y. Bueno, K. Ramirez, A. Peguero, L. Turner, T. Chlebovcova, V. Djokic, and A. Chan - will each provide one professional development (PD) session.

Therefore, each teacher will present one of the seven PD sessions, and receive six of the seven PD sessions.

# Maintaining Records

**Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.**

An Assistant Principal will maintain the PDs agendas and attendance sheets in a file in google drive.

# Part D: Family Engagement Activities

## Family Engagement Summary

**Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.**
**Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.**

Our Parent Coordinator, Dinayomi Fernandez, will provide parent engagement activities. She will be supported by our ENL/Bilingual teachers, Valentina Djokic, Terezia Chlebovcova, Alison Chan and Awilda Peguero. The activities will be based on the needs and feedback from the parents of ELLs/MLLs.

We will be conducting bimonthly parent workshops in English and Spanish beginning in November, 2025 and ending in May, 2026.

The topics to be covered are as follows:

-Navigating Digital Platforms, such as Google Classroom
-Priority Learning Standards
-Supporting students in Math
-Supporting students in ELA
-Supporting students in HLA
-Supporting students in Science and Social Studies
-Study habits during summer months

The providers for these workshops will be our parent coordinator, Dinayomi Fernandez and our ENL/Bilingual teachers Terezia Chlebovcova, Valentina Djokic, Awilda Peguero and Alison Chan.

The workshops will be listed in our monthly calendar, posted on BLOOMZ Communication App, listed in the PTA weekly newsletters and announced via phone blast.

Ms. Fernandez will ensure that all the notifications and letters for the parents are provided in English and the parents' preferred language(s). She will maintain agendas and attendance sheets in our google drive.

Ms. Fernandez will provide the parent engagement activities at no cost to Title III funds. ENL/Bilingual teachers Terezia Chlebovcova, Valentina Djokic, Awilda Peguero and Allison Chan will provide the parent engagement activities at no cost to Title III funds.

# Rationale for Family Engagement Activities

**Describe the rationale for the family engagement activities to be provided: For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Our Parent Coordinator, Dinayomi Fernandez, will provide parent engagement activities. She will be supported by our ENL/Bilingual teachers, Terezia Chlebovcova, Valentina Djokic, Alison Chan and Awilda Peguero. The activities will be based on the needs and feedback from the parents of ELLs/MLLs.

The rationale for the family engagement activities is to provide support to families of our English Language Learners (ELLs).

Based on the 2024 ELA exam, 43% of our ELLs/MLLs scored at levels 1 or 2. Regarding the 2024 Math exam, 60% of our ELLs/MLLs scored at levels 1 or 2. Therefore, the activities will focus on providing families with information, understanding and support with skills that need to be developed in each grade in ELA, math, social studies and science.

# Schedule and Duration

**For each Title III ELL family engagement activity, include:**

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

We will be conducting seven parent workshops in English and Spanish on Mondays, from 2:40-3:20 p.m., beginning in November, 2025 and ending in May, 2026.

The schedule of topics to be covered are as follows:

-Navigating Digital Platforms, such as Google Classroom on 11/24/25
-Priority Learning Standards on 12/08/25

-Supporting students in Math on 01/26/26
-Supporting students in ELA on 02/09/26
-Supporting students in HLA on 03/09/26
-Supporting students in Science and Social Studies 04/13/26
-Study habits during summer months 05/18/26

# Topics to be Covered

**For each Title III ELL family engagement activity, include topics to be covered.**

The topics to be covered are:

-Navigating Digital Platforms, such as Google Classroom
-Priority Learning Standards
-Supporting students in Math
-Supporting students in ELA
-Supporting students in HLA
-Supporting students in Science and Social Studies
-Study habits during summer months

# Name(s) and Title(s) of Provider(s)

**For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).**

The providers for these workshops will be our parent coordinator, Dinayomi Fernandez and our ENL/Bilingual teachers Valentina Djokic, Terezia Chlebovcova, Awilda Peguero and Alison Chan.

# Family Notification of Activities and Translation and Interpretation Supports:

**Describe:**

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

The workshops will be listed in our monthly calendar, posted on BLOOMZ Communication App, listed in the PTA weekly newsletters and announced via phone blast.

Ms. Fernandez will ensure that all the notifications and letters for the parents are provided in English and the parents' preferred language(s).

Both translation and interpretation services are provided throughout the year during all parent orientations, meetings and family engagement activities.

The services are provided by a bilingual/multilingual staff member(s), the DOE's interpretation services - in-person, over-the-phone or virtually, document translation services and/or alternative translation/interpretation services.

# Maintaining Records

**Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.**

Ms. Fernandez will ensure that all the notifications and letters for the parents are provided in English and the parents' preferred language(s). She will maintain agendas and attendance sheets in our google drive.

# Part E: Budget

**FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY.** Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

**Allocation Amount ($):**

| Budget Category | Budgeted Amount | Explanation of expenditures in this category as it relates to the program narrative for this title. |

# Title III Immigrant Outline

## Title III Application for Immigrant Funding

### REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

**Please note:** Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

**DIRECTIONS**

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

# Part A: School Information

**This school is (select one):**

Conceptually consolidated (skip Part E of this document)

# Part B: Direct Instruction Supplemental Program Information

**The direct instruction component of the program will consist of (select all that apply):**

,After School

**Grades to be served in this program. Select all that apply.**

,3,4,6,7,5,8,2

**Total number of teachers in this program:**

3

**Provide a summary of each program funded under Title III immigrant for SY 25-26:**

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The program will take place after school, 2 days per week, from January 7, 2026 through April 1, 2026. Sessions will run from 2:45-4:15 PM on Wednesdays and Thursdays.

Students will participate in:
Academic vocabulary instruction using grade-level texts
Small group reading and comprehension support
Oral language routines (turn-and-talks, retells, collaborative discussions)
Scaffolded writing aligned to class content
Culturally responsive activities that support social-emotional adjustment

These activities will enhance instructional opportunities by providing immigrants students with additional time and supports to build English proficiency, access grade-level content, and strengthen the skills needed for classroom success.

Students will be grouped by grade band and English proficiency level:
Group 1 Grades 2–3 8–12 students (newcomers and developing ELLs)
Group 2 Grades 4–5 8–12 students (varied proficiency levels)
Group 3 Grades 6–8 8–12 students (newcomers and ELLs)

Total Students Served: approx. 24–36 immigrant students, including ELLs.

Instruction will be delivered by certified ENL/Bilingual teachers through:
Small-group instruction
Teacher-led mini-lessons
Collaborative learning structures
Individualized feedback

All instruction is supplemental and does not replace mandated ENL services.

The program will be supervised by a school administrator.

Supervision will not be funded with Title III Immigrant funds.

Supervisor responsibilities include attendance monitoring, instructional oversight, compliance, and communication with families.

# Rationale for Title III Immigrant Funded Programs

**Describe the rationale for each Title III Immigrant funded program:**

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

The school has experienced an increase in newly arrived immigrant students across grades 2–8.

Data indicates the following needs:
Many immigrant students scored at Entering or Emerging levels on initial assessments or NYSESLAT.
Teacher observations and classroom assessments show gaps in academic vocabulary, reading comprehension, and oral-language confidence.
Immigrant students demonstrate limited familiarity with U.S. school routines and require additional social-emotional and linguistic support.

Data sources used:
NYSESLAT results
Initial diagnostic assessments
Benchmark Assessments
Classroom reading assessments

Attendance and behavior data
Student work samples
Home language surveys and family intake questionnaires

These data sets confirm the need for supplemental language development time beyond the school day.

# Students and Grade Levels to be Served

**For each Title III Immigrant funded program, describe the students that will be served:**

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Total number of students: approx. 24–36 immigrant students

Grade levels: Grades 2–8

ELLs included:
Yes, the program includes newcomers, developing ELLs, and SIFE students.

All participants meet the federal definition of immigrant students.

**Schedule and Duration**

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

Start Date: January 7, 2026

End Date: April 1, 2026

Total Number of Sessions: approx. 23

Days of the Week: 2 days weekly (Wednesday, Thursday)

Session Duration: 90 minutes per session

Time: After-school hours (2:45-4:15 PM)

# Language of Instruction

**For each Title III Immigrant funded program, include language of instruction and how home language support is provided:**

Primary Language of Instruction: English

Home Language Support:
Visual supports
Bilingual glossaries
Strategic use of peer support
Translated family communication as needed
Culturally responsive materials

**Number and Types of Certified Teachers**
**For each Title III Immigrant funded program, include number and type(s) of certified teachers.**

One certified teacher per group licensed in ENL or Bilingual Education, or

**Types of Materials**
**For each Title III Immigrant funded program, include:**

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The program may use existing school materials, such as:
Decodable texts
Grade Level Text
Vocabulary cards
Graphic organizers
Whiteboards
Anchor charts

No new materials will be purchased using Title III Immigrant funds at this time.

Materials will be stored in the ENL classrooms (room 202 and room 348).

# Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Parents will be notified in writing in their preferred language using translated letters.

Notices will include schedule, eligibility, goals of the program, and attendance expectations.

The school will maintain records that include:
Copies of parent notification letters (in preferred language)
Student enrollment lists
Daily attendance logs
Per-session teacher timesheets
Program schedule
Instructional plans and student work samples

All records will be stored int the main office in accordance with Title III Immigrant regulations and available for monitoring upon request.

# Part C: Professional Development

**Professional Development Summary**

**Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:**

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

The school will provide targeted professional development to strengthen teacher capacity in supporting immigrant students in grades 2–8 participating in the Title III Immigrant after-school program.

The focus of PD will include:
Effective instructional strategies for newcomer students
Scaffolding oral language development
Small-group intervention planning aligned to data
Culturally responsive practices that affirm multilingual learners

PD, teachers will:
Analyze student data to plan Tier 2 interventions
Practice modeling oral language routines to support newcomer engagement
Develop lesson components that integrate vocabulary, language structures, music, and movement
Review resources for supporting immigrant students' social–emotional needs and school acclimation
Reflect collaboratively on challenges and best practices from the after-school sessions

This PD will not be funded with Title III Immigrant funds. Teachers will receive support through internal school-based PD, and in-house ENL lead supports.

**Rationale for Professional Development**

**Describe the rationale for the professional development to be provided. For each activity, include:**

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Professional development is needed to ensure that teachers working with immigrant students are equipped with effective strategies for language development, literacy acceleration, and newcomer integration.

Qualitative and quantitative data supporting PD needs include:
NYSITELL and NYSESLAT results showing that a significant percentage of newcomer students are at Entering and Emerging levels, indicating foundational language needs.
Classroom observation trends (Danielson 3b, 3c) showing that teachers benefit from support in scaffolding oral language, modeling academic tasks, and planning differentiated small-group instruction.

After-school program attendance and engagement patterns from prior years showing that immigrant students benefit most from highly structured, language-rich activities.

These data sources indicate the need for PD that focuses on newcomer supports, language acquisition strategies, and structured academic interventions.

**Teachers to Receive Professional Development**

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

All teachers working in the Title III Immigrant after-school program, including ENL, classroom, and intervention teachers will participate in ongoing PD.

Teachers  will receive:
Monthly in-house PD on newcomer supports
Coaching from the ENL lead teachers
Collaborative planning opportunities to review student data and develop aligned lessons

**Schedule and Duration**

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Professional development activities will take place:
Monthly, from December 2025 to April 2026
During existing school PD blocks (Mondays 3:10–4:12)
Each PD session will run 60 minutes

Additional coaching cycles will occur biweekly during the school day (not funded by Title III Immigrant)

Topics to be Covered include:
Newcomer oral language strategies (visual supports, sentence frames, structured speaking routines)
Building vocabulary and background knowledge for immigrant students
Data-informed planning for Tier 1 & 2 interventions
Creating culturally responsive learning environments
Supporting immigrant student social–emotional adjustment
Professional development will be provided by:
ENL Lead Teachers – Newcomer instructional strategies
ENL Lead Teachers – Data-driven instruction, small-group planning
Assistant Principal – Academic scaffolds and program oversight
Classroom Teachers – Peer-led share-outs and collaborative planning

No Title III Immigrant funds will be used for PD providers.

The school will maintain complete documentation of all PD provided as part of the Title III Immigrant plan, including:
Agendas and sign-in sheets for each PD session

All records will be maintained for compliance and audit purposes.

**Topics to be Covered**

For each Title III Immigrant professional development activity, include topics to be covered.

PD topics will include:
Newcomer oral language strategies (visual supports, sentence frames, structured speaking routines)
Building vocabulary and background knowledge for immigrant students
Data-informed planning for Tier 1 & 2 interventions
Creating culturally responsive learning environments
Supporting immigrant student social–emotional adjustment

**Name(s) and Title(s) of Provider(s)**

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Professional development will be provided by:
ENL Lead Teachers – Newcomer instructional strategies
ENL Lead Teachers – Data-driven instruction, small-group planning
Assistant Principal – Academic scaffolds and program oversight
Classroom Teachers – Peer-led share-outs and collaborative planning

No Title III Immigrant funds will be used for PD providers.

**Maintaining Records**

**Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.**

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

The school will maintain complete documentation of all PD provided as part of the Title III Immigrant plan, including:
Agendas and sign-in sheets for each PD session
Collaborative planning notes
Copies of all materials used in PD

All records will be maintained for compliance and audit purposes.

# Part D: Family Engagement Activities

**Family Engagement Summary**

**Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.**

The school will provide two family engagement workshops designed to support the families of immigrant students in grades 2–8. These workshops will strengthen families' understanding of the U.S. school system, provide tools for supporting language development at home, and connect families with community resources.

Family engagement activities will include:
Workshops that guide families in supporting English language development, reading at home, and navigating digital tools used in school.
A "Welcome to the U.S. School System" session, helping families understand grading, assessments, promotion policies, and available school supports for multilingual learners.
A community resource fair with partners who support newcomer families (housing, legal services, after-school supports, health services).

No Title III Immigrant funds will be used for family engagement activities.

The school will use existing parent engagement time and internal staffing to run these events.

# Rationale for Family Engagement Activities

**Describe the rationale for the family engagement activities to be provided:**

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Family engagement workshops are designed to meet the needs of newly arrived immigrant families who may experience challenges navigating school expectations, supporting language development at home, or accessing community resources.

Qualitative and quantitative data supporting the need include:
DOE/School-Based Parent Surveys showing that newcomer parents request more guidance on reading at home, ENL services, and communication with teachers.
Intake data from ENL teams indicating high numbers of families new to the country within the last 12 months.
Interpreter/translation requests that signal challenges in engaging with school information and processes.

These data sets emphasize the importance of workshops that help families support their children socially, linguistically, and academically.

### Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The school will implement two family engagement sessions during the 2025–2026 school year:

Family Engagement Activity 1: Welcome & School Navigation Workshop
Date: December 2025
Duration: 90 minutes
Day: Weekday (based on family availability survey)
Format: In-person workshop

Family Engagement Activity 2: Literacy at Home for Newcomers
Date: February 2026
Duration: 90 minutes
Day: Weekday (based on family availability survey)
Format: In-person workshop

Both workshops will be scheduled to maximize attendance and will not use Title III Immigrant funding.

### Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Workshop 1: Welcome & School Navigation
Understanding ENL services and your child's language development pathway
School procedures, grading, promotion, assessments
Accessing translation and interpretation at school
Overview of counseling, social work, and newcomer supports
Community resources for immigrant families

Workshop 2: Literacy and Language Development at Home
Strategies for building vocabulary and oral language at home
Reading routines that support newcomers (regardless of language)

How to access school digital platforms (HMH, Google Classroom)
Strategies for supporting homework and after-school learning

# Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Family engagement activities will be provided by:
ENL Lead Teachers – workshop facilitator
Assistant Principal – co-facilitator, school navigation presentation
Guidance Counselor / Social Worker – community resources & supports
Parent Coordinator – technology and communication supports

No vendors or external providers will be funded with Title III Immigrant funds.

**Family Notification of Activities and Translation and Interpretation Supports**

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Families will be notified of upcoming Title III Immigrant engagement activities through:
School messenger phone calls and BLOOMZ messages
Emails and paper flyers sent home in students' folders
Posting on the school website

All notifications will be translated into families' preferred languages using:
DOE Translation & Interpretation Unit
In-house bilingual staff
Parent Coordinator language supports

At the workshops, interpretation will be provided through:
Live bilingual staff interpreters
Translated handouts and visual supports

**Maintaining Records**

**Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.**

The school will maintain complete documentation for all family engagement activities, including:
Agendas and presentation slides
Sign-in sheets
Copies of all family notifications (in multiple languages)
Handouts and resources provided to families

Records will be stored in a Title III Immigrant binder and on a shared digital drive for audit and compliance review.

# Part E: Budget

**FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY.** Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

**This school is (select one):**

Conceptually consolidated (skip part E Budget below)

**Allocation Amount ($):**

| Budget Category | Budgeted Amount | Explanation of expenditures in this category as it relates to the program narrative for this title. |
