Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Williamsburg Early Childhood Center

District Borough Number (DBN):

14K319

Grades Served:

3K through 1st Grade

School Address:

360 Keap Street

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Zenzile Dabreo-St.Hilaire	Principal or Designee*	
	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Monica Estrella	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
Claudio Tellez	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
Eboni Walker	CBO Representative, if applicable	
Ashley Ramos	Paraprofessional	
Christina Clark	Guidance Counselor	
Jennifer Lee	Parent	
Mariela Regalado	Parent	
Rakel Sanchez	Parent	
Miguel Rodriguez	Parent	
	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our mission is to cultivate confident, compassionate leaders by fostering each child's unique voice, cultural identity, and leadership skills. This is accomplished through meaningful partnerships with families and creating an inclusive community where children flourish through purposeful play, creative expression, and collaborative learning experience.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Public School 319 is an early childhood center located in the vibrant section of Williamsburg, Brooklyn serving the needs of scholars in grades 3K through First Grade. Public School 319 is a Title 1 school. At Public School 319, our vision is centered on our students. We cultivate critical thinkers and confident readers and writers who actively shape our school community and their world.

The school population comprises 2% Black, 88% Hispanic, 5% White and 4% Asian students, with a register of 39. The student body includes 28% English Language Learners, seen by our ENL teacher for push-in and pull-out programs, with the goal of increasing vocabulary, and, thus, language development. In addition, our school population comprises 20% Special Education students, receiving OT, PT and Speech, according to their individualized needs, as notated in their IEP. The average attendance rate for the school year is 89%.
For the 2025-2026 school year, Public school 319 will continue their partnership with St. Nicks Alliance. This partnership will include extracurricular activities, events, and after-school throughout the school year. This coming year, we will be collaborating on events happening during the school day. We are partnering with The Painted Cloud and WR Arts to pursue grant funding that will enhance support for our students with disabilities and english language learners while ensuring inclusive programming for all students.

Briefly summarize the key initiatives your school will implement this school year.

This coming year we will be continuing with HMH Into Reading. We will be beginning IM-Imagine Learning Math. We will continue to utilize Fundations and Heggerty.

We will be working with Amplify Science.

For assessment we will work with I-ready and Acadience digital programs.

For January 2026, we will be creating an after-school program for AIS students. This program will focus on Tier 2

and Tier 3 instruction for students.

As a school population, we will be conducting workshops once a month with parents titled "Parents as Partners" where teachers will teach parent volunteers skills and they will be turn-keyed to other families.

During PLC, 3 times annually we will be having a State of our School presentation where teachers will present their data and findings to the staff in order to foster cohesive instruction.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	Kindergarten	Into Reading, Fundations, Heggerty	smaller group instruction, flash cards, phonemic drills
ELA	First Grade	Into Reading, Fundations, Heggerty	smaller group instruction, targeted lessons based on assessments, sight word drills
Math	Kindergarten	Imagine Learning Math, I-ready	smaller group instruction, muli sensory manipulatives
Math	First Grade	Imagine Learning Math, I-ready	smaller group instruction, math tool kit

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iready and acadience results for SY 2025-26	Lack of explicit instruction in phonological awareness fundamentals	Students need targeted intervention beyond Tier 1 core instruction.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	65	By June 2026, all K and 1st grade students will meet or exceed grade-level expectations in vocabulary and informational text on growth from their BOY performance in literacy diagnostics. This will be achieved through consistent implementation of Tier 2 and Tier 3 interventions aligned to MTSS, with progress monitored quarterly. 65% proficiency on iReady, representing a 15% increase from the current 50% proficiency rate. 73% proficiency on Acadience, representing a 15% increase from the current 58% proficiency rate

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Acadience reading and I-ready

Enter a Key Performance Indicator

Nonsense word fluency (Acadience) and vocabulary and informational text (i-Ready)

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Intensive small group phonological awareness intervention targeting blending and segmenting deficits with explicit, systematic instruction.

Root Cause Addressed:

Lack of explicit instruction in phonological awareness fundamentals - students need targeted intervention beyond Tier 1 core instruction.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
1. Deliver intensive small group intervention 4-5x weekly (20-30 minutes). After data analysis, small groups will be formed by teachers and leadership.
2. Use a research-based phonological awareness intervention program (Heggerty or similar intensive program). PD will be administered to educators.
3. Implement explicit blending and segmenting instruction with immediate corrective feedback. PD will be administered to educators.
4. Use multi-sensory techniques (Elkonin boxes, sound manipulation, visual cues). PD will be administered to educators.

5. Progress monitor bi-weekly using Acadience PM. Structure to be explained to staff and monitored accordingly.
6. Targeted Professional development for Tier 2 and Tier 3 supports. PD will be administered to educators.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly or bi-weekly progress monitoring leb by leadership and teaching teams.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		Send home phonological awareness activities	
		Provide parent training on supporting PA skills. We will engage parents in adult learning opportunities to deepen their understanding of this Priority so that families can support their children at home by conducting monthly Parents -As-Partners Workshops.	
		Share progress updates and include them in MTSS meetings.	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Reading Interventionist/Specialist to provide Tier II instruction, MTSS coordinator, Classroom teacher

Instructional Resources

Tier II intervention program, Acadience PM , Multi-Sensory tools, Supplemental games

Schedule Adjustments

20-30 minute small group intervention 4-5x/week outside of core instruction Weekly assessment.

Other Resources Needed

Quiet Intervention Space

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
infohub SY 2025-26	Parents may be unaware of the available resources, including school counselors and social workers, who can provide assistance and support. Students may be unsure or uncomfortable expressing their emotional needs to an adult.	To ensure that all students know there is a trusted adult they can seek out in their school to feel safe,

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	89	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 20% Increase, in An increase in attendance from 89% to 94% as reported on the NYCPS Info Hub. Increase in attendance overall as based on infohub results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Increase and improve the implementation of SEL activities utilizing Sanford-Harmony.

Increase help with parents responding to school surveys.
Increase awareness of the survey.

Root Cause Addressed:

Proactive Communication: Schools can regularly inform parents about the roles and availability of counselors, social workers, and other support staff through newsletters, emails, websites, and school events.

Parent Workshops: Host sessions on topics such as mental health, student well-being, and accessing support services.

Paper + Digital Options:
Offer both physical copies (sent home with students) and online access via QR codes and direct links.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide students with a protocol to follow during times of distress. Students will be taught during Respect For All convening throughout the school year.
Targeted PD for staff in Social Emotional Learning and Culturally Responsive Teaching. PD will be provide to all staff.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Conduct daily check-ins with students and follow up with parents during Parent Engagement sessions. All staff will check-in with students daily. Teachers will maintain and update parent engagement logs on a weekly basis while admin will audit the logs weekly.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		Parent workshops for Social Emotional Learning. These workshops will engage parents in adult learning opportunities to deepen their understanding of this Priority so that families can support their children at home.	
		Book Club around an SEL Topic that parents prefer	
		Parents join Parent University that is sponsored by NYCPS. This workshop will engage parents in adult learning opportunities to deepen their understanding of this Priority so that families can support their children at home.	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Host sessions on topics such as mental health, student well-being, and accessing support services.

Instructional Resources

Sanford Harmony, Culturally Responsive PD, book club, Strategic roadmapping for students

Schedule Adjustments

Other Resources Needed

Substitute teacher coverage for PL during the school day

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
iready and acadience results for SY 2025-26	lack of explicit instruction for both various Math and ELA concepts	Students need targeted intervention beyond Tier 1 core instruction.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	52	By June 2026, P.S. 319 will increase student achievement in foundational math and reading by implementing daily station-teaching models and AI-enhanced instructional design that promote personalized, differentiated instruction. i-Ready math scores in Numbers and Operations will increase from 52% to 72%,

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Small group SEL intervention (4-6 students).
Targeted skill instruction using evidence-based curricula.
Individual check-in/check-out system.

Root Cause Addressed:

Lack of explicit SEL skill instruction, limited coping strategies, difficulty with emotional regulation and social interactions

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
1. Screen and identify students using universal screening data.
2. Form small intervention groups (4-6 students) based on similar needs.
3. Implement 20-30 minute SEL sessions 2-3x per week for 8-12 weeks. This will occur using refreshed SEL strategies and approaches by the SEL Team.
4. Provide individual check-in/check-out support. This will occur using refreshed SEL strategies and approaches by the SEL Team.
5. Coordinate with classroom teachers for skill generalization.

6. Communicate progress with families. Communication will happen using updated parent outreach logs and monitoring of these logs by school admin.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly intervention logs, bi-weekly progress monitoring using brief assessments, monthly team meetings to review data and adjust interventions

Every 3 weeks: review behavioral data and teacher feedback.
Every 6 weeks: administer progress monitoring assessments.
Every 9 weeks: comprehensive review and intervention adjustment.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		Parent communication about SEL goals and strategies, home practice activities, family SEL workshops, connection to community mental health resources when appropriate. We will engage parents in adult learning opportunities to deepen their understanding of this Priority so that families can support their children at home with our Parents-As-Partners workshop series.	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schedule Adjustments

Dedicated intervention time 2-3x per week (20-30 minutes),

Other Resources Needed

Quiet Intervention Space (Sensory Room)

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
STEM and parent engagement	Families may not think college and career readiness is needed at such an early age during early childhood.	Students need to be exposed to financial literacy in an early childhood friendly way for them to understand.
NYC Schools		

Survey		

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	83	By June 2026, we will expand college `and career readiness programming by hosting monthly parent engagement events with enriched STEM learning opportunities, entrepreneurship education, and financial literacy. This integrated approach will result in an increase from 83% to 88% of students reporting that they have opportunities to learn about different careers to help them think about their future, as measured by the NYC School Survey.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Career Exploration, student check in, teacher planning, family engagement

Root Cause Addressed:

Lack of exposure to career and college prepareiness

Lack of exposure to financial literacy

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
By June 2026, 80% of students will be on grade level in their Acadience and IReady assessments in both reading and math to help prepare them for their future.
Career Day: By June 2026, students will be exposed to 4 different careers during our annual career day in the spring. In addition, students will dress up as what they want to be when they grow up which will expose students to even more different careers.
College Day: By June 2026, students will learn about 2 different colleges by attending a college visitation and a teacher-led presentation by the end of the 2025/2026 school year.
Field Trips: By June 2026, students will attend at least 2 field trips planned by their classroom teachers to expose children to different careers.

Kid Rise: By June 2026, there will be a 5% increase in Kids Rise accounts by educating and assisting parents in our Parents-As-Partners workshops.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Student goal check-ins, Kids Rise, NYC School Survey, school-created survey. Teachers, the SEL Team, and admin will monitor these structures throughout the school year via team convening and progress monitoring protocols.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		Parent and community member volunteers for career day. We will engage parents in adult learning opportunities to deepen their understanding of this Priority so that families can support their children at home via our Parents-As-Partners learning workshops. St, Nicks will be included in these efforts.	St. Nicks
		Family Fun on financial literacy for September. We will engage parents in adult learning opportunities to deepen their understanding of this Priority so that families can support their children at home via our Parents-As-Partners learning workshops. St, Nicks will be included in these efforts	St. Nicks

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers, School Counselor, Parents, Community Members, Parent Coordinator

Instructional Resources

Read Alouds, 529 activities

Schedule Adjustments

When field trips are scheduled, when career day is scheduled, when college day is scheduled

Other Resources Needed

posters, songs, games

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Family	Low attendance at family events and limited family	Having our parents work in tandem

engagement	involvement in school-based decision-making. Limited opportunities for meaningful engagement.	with administration and staff is essential for academic success.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	71	By June 2026, the school will increase the percentage of families reporting positive responses on the Family Engagement section of the NYC School Survey from 71% to 80%, as measured by the annual survey results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Host consistent, inclusive events that reflect family interests and cultures. These efforts will be connected to cultural teaching by pedagogical staff and the SEL Team in school-wide Respect For All lessons for students as well.

Root Cause Addressed:

Communication and events do not consistently reflect family language needs, schedules, or cultures.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Translate all school communication into top home languages. This connects directly with the root cause and key strategy and may increase attendee participation rates for events.
Host monthly family events based on needs and wants expressed by families via school surveys.
Use surveys and informal check-ins to gather family input on needs/interests.
Establish a Family Advisory Council. This will advise school personnel on family wants and needs as well as provide a platform to address any concerns families might have.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Track attendance via ATS & Insight online tools. The Attendance Team will meet weekly and discuss how attendance is impacting instruction, student learning, and achievement.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		Celebrating heritage months and cultural events together on a monthly basis.	St. Nicks
		Collaborating with local orgs for health, housing, food, or job support	St. Nicks
		Engage families by inviting them to classroom events such as mystery reading where they can read a popular book from their culture. Will look to host events monthly or bi-monthly.	St. Nicks

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Family liaison or parent coordinator, translators, teacher event leads, support staff for events.

Instructional Resources

Flyers, digital tools (ClassDojo), books and supplies for events.

Schedule Adjustments

Reserve monthly evening time slots for family events. Create flex time in the schedule for staff involvement and event planning.

Other Resources Needed

Culturally relevant materials, food/snacks for events, technology (sound system) , family survey tools (Google Forms, QR codes, paper surveys).

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
89% Attendance percentage rate as per New Visions Portal	illness, vacation, family issues	Students are absent
45% Chronically absent as per New Visions Portal	illness, vacation, family issues	Students are chronically absent

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	45	By June, 2026, the Chronic absenteeism for All Students will decrease by 5% decrease, from 45 to 40, as measured by the New Visions Portal.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Formulate a school Attendance Team.
Schedule weekly meetings for the Attendance Team.
Identify Data points and structures to be used/analyzed at meetings.
Devise action steps to be used once data is analyzed.
Discuss ways to celebrate attendance milestones and achievements as a school community.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Track attendance via ATS & Insight online tools. The Attendance Team will meet weekly and discuss how attendance is impacting instruction, student learning, and achievement.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		Celebrating attendance milestones and achievements in the school building together on a monthly basis. St. Nicks will be included in planning, preparation, and execution.	St. Nicks
		Engaging families in community events/outings outside of the school building on a monthly basis. St. Nicks will be included in planning, preparation, and execution.	St. Nicks

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School staff, Admin Team, Attendance teacher

Instructional Resources

Flyers, digital tools (ClassDojo), books and supplies for events.

Schedule Adjustments

Reserve monthly evening time slots for family events. Create flex time in the schedule for staff involvement and event planning.

Other Resources Needed

Food/snacks for events, technology (sound system) , family survey tools (Google Forms, QR codes, paper surveys).

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
		IEP Development and Fidelity of Implementation
		Transition Planning and Compliance
		Referral Process and Equity

		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Instructional Resources

Schedule Adjustments

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Focus Phonics	Based on i-ready and acadience data	RTI	small group instruction	afterschool	no
SPIRE	Based on Acadience Data	RTI	small group instruction	afterschool	no
Heggerty	Based on Acadience data	RTI	Small group instruction	during the school day	no

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	SEL	Satchel Plus	Small group	During School	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

1

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Providing backpacks and school supplies as needed throughout the year

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. Public School 319, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Public School 319 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (MLs/ELLs), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

Public School 319, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

P.S. 319 has a hiring committee to ensure that selection of school staff aligns to our curriculum and vision. Utilizing the Danielson Framework, Principal DaBreo-St.Hilaire will provide consistent and frequent feedback while engaging in reflective conversations with staff regarding next steps. Teachers will be participating in collaborative partnerships, which will include classroom intervisitations. Our newest educators will be teamed with a mentor to ensure high quality rigorous instruction. During Monday PL teachers will reflect on best practices as well as participate in Professional Learning to strengthen their practice.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

As a small school, we are fortunate to have an aligned curriculum spanning all grades. Our teachers are involved in all PD as much as possible. Teachers from the previous grades confer with teachers in the next grade to ensure our students have a smooth transition.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal			
Title I, School Improvement 1003(a)	Federal			
Title II, Part A	Federal			
Title III, Part A	Federal			
Title III, Immigrant	Federal			
Title IV, Part A	Federal			
Tax Levy (Fair Student	Local			

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Zenzile Dabreo-St. Hilaire
Assistant Principal (Where Applicable)*	Allen Kinard
English as a New Language (ENL) Teacher*	Nicole Mitchell
Teacher (if school has a bilingual program must be a bilingual teacher)*	Albalis Chavez, Bilingual and Sped Certifications
Parent/Guardian*	Cheryl Pena
Teacher	
Parent Coordinator	Francisco Rodriguez
School Counselor	Christina Clark
Related-Service Provider	N/A
Other (Name and Title)	N/A
Other (Name and Title)	N/A

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

1

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

1

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

49

Total number and percentage (%) of current ELLs:

12, 24 %

Total number and percentage (%) of former ELLs:

0, 0 %

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

12, 100%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

0, 0%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0, 0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0, 0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

3, 25%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish	2018-2019	1	0	0	0	0	0	0	0	0	0	0	0	0	1
DLBE																	0
DLBE																	0
				total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

PS 319 has two kindergarten (one ICT and one Dual Language) and one first grade class.

P.S.319's program provides stand-alone and integrated ENL services, in which ELLs receive push in and pullout ENL and content area instructions from a certified ENL instructor. Students who receive stand alone ENL instruction are grouped by both grade level and proficiency level. Students in Kindergarten and First grade who are at Entering and Emerging levels are grouped together twice per week by proficiency level for a total of ninety (90) minutes and by grade level twice per week for a total of ninety (90) minutes. They receive stand alone instruction four times per week for a total of 180 minutes. Students at Transitional level receive stand alone instruction with their grade level peers twice per week for a total of ninety (90) minutes.
Entering and Emerging students receive 180 minutes of stand-alone ENL instruction in ELA per week from the ENL instructor.

Reminder our school goes to 1st grade. We do not have block classes.

Integrated ENL:

Students at the Entering and Emerging levels receive 180 minutes of integrated ENL instruction in ELA. Students at the Transitioning level of English language proficiency receive 90 minutes of integrated ENL instruction in ELA and ninety minutes of stand alone instruction weekly from the ENL instructor.
Students at the Expanding level receive 180 minutes of integrated ENL instruction in ELA from the ENL instructor.

There are no students currently at the Commanding level of English language proficiency.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

We do not have a TBE program

Dual Language Bilingual Education (DLBE):

Our school has a dual language program and will be using the model of teaching specific days in Spanish, and specific days in English. Students at the Entering and Emerging levels of English proficiency receive stand-alone

ENL instruction of 180 minutes per week and 180 minutes per week of integrated ENL instruction in ELA.
There are no students at the Transitional level in the Dual Language Bilingual Education class.
Students at the expanding level of English proficiency receive 180 minutes of integrated ENL in ELA with the ENL instructor.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

When an eligible student first enters a NYC public school, they are administered the New York State Identification Test for English Language Learners (NYSITELL). The NYSITEL ,the RLAT and student work are utilized to keep track of Ells proficiency levels and newly arrived eligible Ells throughout the year.

To ensure the mandated number of instructional minutes are provided, students are scheduled according to their NYSESLAT / NYSITELL scores recorded on the RLAT report. Programming was completed by Principal Zenzile Dabreo and the certified ENL teacher.

Entering and emerging ELLs receive one unit of ENL stand alone services in ELA and one unit of integrated ENL in ELA

Transitioning ELLs receive 1 unit of ENL service per week: .5 unit of study is in integrated ENL during ELA and the other .5 unit of study is in stand-alone ENL.

Expanding ELLS receive 1 unit of study in integrated ENL during ELA.

There are currently no ELLs at the commanding level of English proficiency at P.S. 319.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In the ENL program model, entering and emerging students receive 180 minutes of stand-alone ENL instruction per week from the ENL instructor. They also receive 180 minutes of integrated ENL in ELA. Students at the transitional level of English proficiency. receive .5 unit of integrated ENL instruction in ELA with the ENL instructor and .5 unit of stand alone ENL instruction from the ENL instructor. Expanding level students receive 180 minutes of integrated ENL service in ELA .

In the DLBE program, instruction is delivered through the Two-way model. Students receive 50 % of their instruction in English and 50 % of their instruction in Spanish by the certified dual language teacher on alternate days. On Spanish instructional days, home language instruction is delivered in all core content, including ELA, Math, Science and Social Studies. On English instructional days, English instruction is delivered in all core content, including ELA, Math, Science and Social Studies. All students receiving DLBE instruction are in the Kindergarten DLBE class.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

PS 319 uses the Two-way Dual Language model on a six-day cycle. Instruction in delivered alternately in English and Spanish. During the English days, English is taught 100% of the day (directions are given in Spanish for those that do not understand). During the Spanish days, approximately 80% is taught in Spanish and 20% English (directions need to be explained in English for those not fluent in Spanish). On days when Spanish is taught, English proficient students and ELL students are integrated for 100 % of the instructional day. On days when English is being taught, ELL students at the entering and emerging levels receive ENL stand-alone services in ELA and integrated ENL in ELA and Science content areas. Students at the Transitional level of language proficiency in the DBLE program receive .5 unit of integrated ENL in ELA and Science and .5 unit of stand alone ENL instruction with the ENL teacher. Students at the Expanding level receive180 minutes of integrated ENL in ELA and Science content areas.

b. In which language(s) is each core content area taught?

The core content is taught in both languages. Since PS 319 works on a 6 day cycle, instructional days alternate between English and Spanish. If a student is having difficulty, the dual language teacher will provide direction in the child's native language.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

There are currently twelve (12) English Language Learners (ELLs) at P.S. 319, which is equivalent to 32.4 percent of the school population. There are currently no former ELLs. There are twenty-five (25) students that are not, nor were ever ELLs.
Of the total ELL population, two (2) students are ELLs with IEPs; which is equivalent to 16.7 percent of the ELL population.
All of the ELL students in PS 319 are newcomers, therefore it is 100% newcomers. PS 319 has kindergarten and 1st grade classes so all ELL students are classified as newcomers.
We do not have Developing or Long-Term ELLs or SIFE students because all ELLs are newcomers.

(Students who are developing should be reevaluated and adjustments made based on data
collected after the reevaluation. Data should be collected from Beginning of Year assessments, Acadience, iReady, Heggerty and Fundations. The data should then be used to drive instruction in reading and writing, specifically vocabulary
development, content specific and academic language.)

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0% of ELLs are students with inconsistent/interrupted formal education. Our school is an early childhood center with students in 3K, Pre-K , Kindergarten and 1st grade.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0% are long term ELLs. Our school is an early childhood center which houses 3K, PK, K and 1. We do not have long terms ELLS.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

According to the scores of the 2024 NYSESLAT, one student scored at the Commanding level, however, the student is now enrolled at a different school, therefore, the percentage of former ELLs at P.S. 319 is 0%.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

The most concerning at-risk level at P.S. 319 is newcomer ELLs. There are 12 newcomer ELLs who have had no more than two years of ELL service. As they are in the early grades, the goal is to continue monitoring their progress and provide targeted and consistent instruction to them, specifically in building vocabulary, reading comprehension and writing. Stand-alone instruction is provided in a small group setting to facilitate strengthening of these core skills. Additionally, building a strong school/home connection with their families will help ensure success at school. Families have been provided with teacher created materials/activities to support student learning at home. ELLs are provided with additional supports to encourage them. Such supports include a daily check in, providing scaffolds to be utilized at home in support of challenging subject areas and additional emotional support from staff, specifically teachers and counselors. P.S 319's staff ensures that ELLs feel welcome at school each day.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

There are currently no former ELLs at the school.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Spanish is the home language with the largest representation at PS 319. Most of the staff speaks Spanish. including the parent coordinator, paraprofessionals and school aides. All communication with the Spanish speaking only parents, can be conducted without miscommunication. In the dual language classroom, the instructor is bilingual in both English and Spanish. In the ICT classroom, there is one English speaking teacher and one Spanish speaking teacher.

Additionally, translanguaging is utilized by the ENL teacher in both stand alone and integrated ENL instruction. Class dojo, which provides opportunities for language translations is used as a school wide tool to communicate with parents. If necessary, the Language and Translation Interpretation Unit will also be used to communicate with families. Bilingual books (read - alouds) are read in Spanish/English in the dual language classroom. Additionally, the ENL teacher provides resources, including access to bilingual books in the ENL google classroom and ENL newsletters.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic compositions in our school are predominantly Hispanic, representing Puerto Rico, Mexico, Dominican Republic, and Nicaragua. We have a small population of African American and an even smaller population of Germanand Asian. The remainder are Caucasian American. At the start of the school year, all families are given a family survey. This will allow the classroom teacher to get
to know the students and their families better (welcoming and affirming environment: principle number 1).
Principle 2- high expectation and rigorous instruction- students are introduced to student leadership opportunities by have class election for the president(s) in the class and school leadership committee. All students are chosen by their peers. Additionally, utilizing Bloom's taxonomy, our students, in the academic setting, are given higher order questions in every subject area (HOTS).
Principle 3- inclusive curriculum and assessment-using the parameters of the school requirements, we do provide our students to lead instruction during small group work. We work to challenge students within their individual learning styles and scaffold the lessons accordingly.
Principle 4- ongoing professional learning. PS 319 provides professional development opportunities for our teachers to learn to develop a critically conscious lens toward instruction, curriculum, assessment history, culture and institutions
(CR-SE).

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

P.S. 319 is an early childhood center that admits students from 3K to 1st grade. Students are administered the NYSITELL in Kindergarten, and graduate by the end of 1st grade, therefore there is not sufficient data to analyze trends in the English Language Proficiency growth. However, analysis of student data garnered from school year 2023-2024 shows that one former student met ELP sufficient progress. That student, currently a second-grader is now enrolled at a different school. On the contrary, two former students, also second graders, currently enrolled at a different school did not meet ELP progress.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The results of the 2024 NYSESLAT revealed that students did not perform as well in writing as they did in reading. In writing, their scores ranged from zero (0) to 14, while their reading scores ranged from eight (8) to eighteen (18). It also showed that students performed better in listening than speaking. Their listening scores ranged from thirteen (13) to seventeen (17), whereas their speaking scores ranged from zero (0) to nineteen (19). Based on the trends I noticed, the key focus in instruction will be reading and writing.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

PS 319 is an early childhood center with classes ranging from 3K to 1st grade. Students do not sit for other state assessments, therefore the relationship between students' performance on the NYSESLAT and other state assessments cannot be determined.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

With regard to ELL students with IEPs, currently there is one ELL student with an IEP. who sat for the NYSESLAT. The student had lower writing and reading scores; however, the student tested at the emerging level of language proficiency on the NYSESLAT. Based on the IEP, the NYSESLAT results were impacted due to the student's disability. However, the student had the second highest speaking score when compared to all ELL students.
There are no SIFE students at P.S. 319, therefore a trend cannot be determined.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

P.S. 319 provides ELLs with a high-quality academic experience that leads to deeper learning by first leaning in and focusing on building rapport and trust with them, ensuring they feel safe and encouraging them through positive feedback and next steps directions. ELLS are held to the same rigorous standards as non-ELL students. They are supported through targeted Instruction and scaffolding, based on their English language proficiency, and, when applicable, their IEP goals. Examples of scaffolds utilized are: Total Physical Response, realia, translanguaging, image support, graphic organizers, front loading vocabulary, sentence stems and frames. To improve oral language development, think-aloudss, followed by turn and talk provide Ells opportunities to practice and develop their oral language proficiency. Fidelity to the curricular and utilization of Bloom's Taxonomy in developing higher order questions help to ensure teachers are creating a rigorous academic climate in the core content subjects.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The three principles of our Instructional Leadership Framework guide our work in support of ELLs at our school. Firstly; strengthen core instruction, secondly; know every student well and lastly; shared and inclusive curriculum. PS 319 believes that all our students can be successful. Teachers and teacher teams collaborate to design and deliver rigorous instructional plans that strengthens core instruction. The small setting of our school allows us to build rapport and develop trust with our ELLs, which leads to academic success in the classroom. The ILT team analyzes English language learners academic data to determine their strengths and areas in need of improvement. This information is used in tandem with teachers' recommendations to develop an instructional design that is beneficial to English language learners and provides a roadmap for them to improve academically and socially. P.S. 319 utilizes HMH Into Reading's structured literacy lessons to target areas of weakness, including vocabulary, high frequency words, reading and writing. To strengthen this work, Marzano's vocabulary graphic organizer, Frayer's differentiated graphic organizers, FUN HUB (Fundations extension) and Heggerty are utilized.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the

Next Generation Learning Standards.

Content is delivered in the Bilingual Dual Language Education class via the two-way model. The language of instruction alternates between Spanish and English, with directions given in both languages to ensure students understand and are able to complete the specific tasks. The language objectives are aligned to the Next Generation Learning Standards and to English language proficiency standards, which are essential for students' understanding of what they will learn and the language they will use to explain the concepts they are learning. Students are provided with opportunities to develop oral language through turn and talks and discussions. The HMH curriculum currently in use at P.S. 319 allows for instruction in both Spanish and English by providing books in both languages. Students are given opportunities to practice reading and writing in Spanish through these resources.
Content is delivered similarly in the ENL stand alone, integrated ENL, and ICT classes. For additional student support, teachers utilize visual aids, proximity to adults, accountable talk sentence stems and sentence frames to guide students comprehension of core content. Teacher created resources are utilized to help drive instruction in both languages. Additionally, the Fundations and Heggerty reading programs are being used to aid with phonics and word work to builds vocabulary and work knowledge.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers of MLs/ELLs provide access to grade level academic content by creating language rich classrooms that encourage and empower MLs/ELLs to confidently demonstrate their content knowledge. Teachers use objectives to relay to students the content they will be studying and the vocabulary necessary to demonstrate mastery of said content. Front loading vocabulary and connecting content to students' lived experiences and cultures showcase the background knowledge they possess. This background knowledge provides a pathway for them to access the content being taught. Conversely, the gaps in background knowledge are also showcased, and in so doing, provide opportunities for teachers to tackle those gaps in order for students to access the content being taught. Grade appropriate scaffolds are used to propel ELL students with IEPs language development, with the goal of ensuring they become adept in all modalities. Some of the scaffolds used are: sentence stems, images, graphic organizers, realia, Total Physical Response (TPR), visualizing and acting out scenarios. These scaffolds help to foster vocabulary development, content knowledge and clarification of content while providing strategies students can imitate and implement autonomously. ELLs with IEPs benefit tremendously from such strategies. Additionally, teachers of MLs/ELLs use small group instruction to assist ELLs with IEPs in practicing and applying skills learned in content classes. Furthermore, teachers support MLs/ELLs by creating various stations where students interact with texts, learn vocabulary words ands integrate newly learned vocabulary words in their writing.
Computers and iPads are provided for students to access such programs as iReady and Sora which allows them to practice and apply learned skills. Classroom libraries are filled with English and Spanish books for them to read both at school and at home.

b. SIFE

This is not applicable because PS 319 is an early childhood center focused on 3K through 1st grade instruction.

c. Newcomers

All of our ELLs are newcomers in kindergarten and 1st grade. They are held to the same standard as the general population of students, with material being scaffolded as needed. Through both homogenous and heterogeneous groupings, students build foundational skills in core content areas. Games such as Alphabet Bingo and Word Bingo, digraph and letter sorting are used to accelerate vocabulary development and reading skills.
Fundation extended lessons, Heggerty's reading program and iReady are used as forms of Response to Intervention, meant to bridge the gaps in their academic knowledge and language proficiency. In the classrooms, teachers introduce newcomer students to the use of sentence stems, images, content specific graphic organizers, realia and Total Physical Response (TPR) to engage and support them in their English language learning through academic content journey. Students are given computers to access a variety of educational websites, notably starfall, PBS kids, and Sora. Additionally, students have the option of attending after school to further build and accelerate both expressive and receptive language.

d. Long Term ELLs

PS 319 does not have any long term ELLs; all ELLs are newcomers.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Our ELL students with IEP's are in ICT classrooms with two teachers: a General Education teacher and a Special Education teacher. Our Special Education teacher is bilingual and provides extra support in both languages. Both teachers collaborate on recommendations for the students' goals and confer weekly on the progress and challenges they notice. The ENL teacher also provides additional non-mandated support to ELL students with IEPs. RTI is offered during after school to help struggling students.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Each classroom has a Spanish speaking teacher who is able to converse and provide support to the Spanish speaking ELLs. Students in the Dual Language Bilingual Education class are assessed monthly using Estrellita: a program that monitors their progress in Spanish. Additionally, students home language is assessed using iReady Spanish. In the ENL program, students are assessed in their home language, based on teacher observation. If students are unable to express themselves in their home language, their parent(s)/ families are informed and encouraged to make a conscious effort to communicate with them in their home language.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual

Education teacher partnerships, etc.).

At P.S. 319, all classrooms are co-teaching spaces. Teachers collaborate and plan lessons based on the curriculum and the needs of their students, including ELL students. Additionally, teachers meet weekly to conduct grade level planning, whether they are in the Dual Language Bilingual Education program, English as a New Language program or Integrated Co-Teaching class.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

P.S. 319's annual professional learning plan will ensure that all staff incorporate learning specifically related to the academic and social emotional needs of MLs/ELLs by conducting professional development specific to English language learners. All teachers and paraprofessionals will be given opportunities to attend webinars emphasizing topics related to English language learners. Such topics include: academic language development. co-teaching-strategies, vocabulary strategies and strategies for building comprehension in content areas. Each week, Principal Dabreo-St.Hilaire sends out a newsletter to staff, which includes articles geared towards teaching English language learners. In addition, the ENL teacher will provide professional development focused on researched based strategies for supporting English language learners in the classrooms, including using cognates, gestures and visual cues in the classrooms.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Principal Zenzile Dabreo -St. Hilaire provides staff opportunities for professional development for ELL students. Staff has the opportunity to attend outside professional development to meet their mandated CTLE hours. ENL and Bilingual teachers attend District 14's professional learning offered by community school district 14 services administrator. Additionally, they have the option to attend classes offered by CTLE approved providers to meet their required 50 percent CTLE hours in areas that address the needs of ELLS.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

P.S. 319 uses Acadience and iReady three times a year for benchmark assessments. We gather data and look for trends within the ELL population. The data collected from the assessments are used to guide instructional planning for ELL students.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

For ELLs in ELA, P.S. 319 conducts reading intervention using HMH, Fundations and the Heggerty programs.
For ELLs in Math, P.S. 319 conducts math intervention using Illustrative Math and teacher created materials.
For other core content areas, including Science and Social Studies, teachers conduct intervention through teacher created materials and content curriculum materials, such as Amplify Science and Passport to Social Studies.
Students work individually and in small groups with their teachers.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

P.S 319 uses data to guide instruction for ELLs within a Multi-Tiered System of Supports by providing academic and social-emotional support and intervention for struggling/at risk students. Based on data collected through Acadience, iReady and Fundations, tier 2 and 3 academic support, in the form of Response to Intervention, is provided in small groups during the school day and after school. Teachers look at the trends and create goals based on the trends. To inform next steps and best practices, we use Fundations, Heggerty, HMH, Illustrative Math and teacher created materials. Students are supported in small group instruction and station teaching,
Social-emotional support is provided through Sanford Harmony during the school day.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The formative assessments used to inform and drive instruction at PS 319 are: NYC Performance Tasks, NYSESLAT, Estrellita, Iready, and teacher-created assessments. Teachers look at beginning of year student data, hone in on areas of need and create assessments tailored to address the gaps they notice. Assessments such as sight word assessments, exit tickets and comprehension quizzes help to bridge the gaps and strengthen student skill and knowledge. HMH end-of-module tests, Illustrative Math end of unit assessments and Fundations unit checks and unit tests are also used to inform and drive instruction. Teachers look at students' areas of need, and provide additional practice in those areas.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Kindergarten students who are MLs/ELLs are appropriately evaluated in their home language at the beginning of the school year using the Spanish Lab. Throughout the rest of the year, in the bilingual dual language classroom, the bilingual teacher evaluates students use of their home language during the days Spanish is being taught. The programs, Estrellitas and iReady math (given in Spanish), are utilized to evaluate MLs/ELLs in their home language. Also, most classrooms have a proficient Spanish-speaking teacher who encourages translanguaging in the classroom. If students are unable to use their home language to respond to a task, the teachers hold a meeting with the parent(s) or guardian(s) to discuss continual use of the home language outside of school. These teachers evaluate the students during the year. Except for the bilingual dual language classroom, most ELLs are unable to read in their home language, as they are Kindergarten or First grade students, therefore home language evaluation mostly cover speaking and listening in Spanish.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

PS 319 is an early childhood center, therefore, with the exception of English language learners, who sit the NYSESLAT, students do not sit standardized tests. Analysis of NYSESLAT scores available in the ELL Data Analysis Tool (EDAT) are used to evaluate the effectiveness of the ML/ELL programs. Student data on the four (4) modalities of English language are used to determine areas of weakness and strength. During both integrated ENL and stand alone ENL, instruction is designed to target areas of weakness, utilizing small groups and station teaching. Performance scores on the NYSESLAT alert teachers to areas of the curriculum that need to be retaught, addressed through differentiation, additional strategies or explicitly targeted. Areas of weakness, like writing, can be addressed through teaching vocabulary, sentence stems and sentence frames. This work will then be transferred to students' writing. Utilizing "quick writes" also helps ELLs in improving their writing skills.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

P.S. 319's NYSESLAT administration plan is as follows:
Nicole Mitchell- ENL teacher will administer the listening, reading and writing sections of the NYSESLAT.

Ms. Sarah George, Mrs. Albalis Chavez and Ms. Rocio Aguilar will transcribes the listening, reading and speaking sections of the NYSESLAT.

Ms. Nicole Mitchell will administer the speaking strand of the NYSESLAT, with Mrs. Sarah George, Mrs. Albalis Chavez and Ms. Rocio Aguilar scoring the speaking section of the NYSESLAT.

Ms. Albalis Chavez and Mrs. Sarah George will score the writing section of the NYSESLAT for 1st grade students
Ms. Rocio Aguilar and Mrs. Sarah George will score the writing section of the NYSESLAT for Kindergarten students.

During NYSESLAT, students will continue to receive their mandated ENL minutes from the ENL teacher.

The NYSESLAT teacher team is comprised of:

Sarah George: 3K teacher
Albalis Chavez: Dual Language teacher
Rocio Aguilar: Special Education teacher
Nicole Mitchell: ENL teacher

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

P.S 319 is an early childhood center, therefore, students do not sit for most state assessments, however, with regard to the NYSESLAT, current ELL students receive accommodations based on their IEP recommendations. All teachers and proctors are made aware of and adhere to each ELL student's accommodations.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At the beginning and throughout the school year, upon identifying students as Ells, the ENL teacher notifies parents and guardians in their preferred home language of the results of the NYSITELL. They are then invited to an in person Parent Orientation conducted by the ENL teacher, and attended either by the principal, the school counselor or the parent coordinator. Attendance is recorded on an attendance sheet and parents are given an agenda of the topics to be discussed. Parent orientation attendance is kept in the ENL teacher's folder of Critical Documents.
During the orientation, parents engage in learning about the program goals and requirements for the three ML/ELL program models available in NYC. The parent orientation video is presented in the parents home language. which is predominantly Spanish at PS 319. During the orientation, parents are informed of the Next Generation Learning Standards, the assessments that will be administered to students and the school expectations for MLs/ELLs. Parents are given an opportunity to ask questions to facilitate their decision on program choice. Translation services may be provided by the parent coordinator, the dual language teacher or the dual language paraprofessional, if necessary. Then, parents are given an "ELL Parent Survey and Program Agreement" to complete, informing them of the available programs and options. Once parents have completed the "ELL Parent Survey and Program Agreement" parents receive a written letter informing them of their child's placement into the Dual Language Bilingual Program or the English as a New Language program.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Annual meeting are scheduled at a convenient time with the parents or guardians of ELL students at least once a year. The purpose of these meetings is to discuss the goals of the program, their child's language development progress, English language proficiency assessment results, and language development needs in all content areas. Meetings are conducted in person by the ENL teacher who maintains a record of the attendance. An agenda of the aforementioned topics to be discussed is provided to the parents. Parents are provided interpretation/translation services by the dual language teacher, another bilingual teacher or the parent coordinator. New York State Education Department's Parent's Guide to the Next Generation Learning Standards and the Parents' Bill of Rights for New York State English Language Learners/Multilingual Learners are offered to the parents for their review.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Teachers are allotted time for Parent Engagement. All ELL parents are invited to have in-person, virtual, or phone conferences to discuss their child's academic and language proficiency progress, among other topics. Interpretation services are available through the Office of Language Access's Over- the -Phone Interpretations, provided by the Department of Education; as well as by staff. Documents are furnished to parents in the home language indicated on their home language surveys. Families respond or initiate communication during morning drop-off of students, afternoon pickup of students, placing phone calls, utilizing class dojo, through email or in person meetings or meetings held via zoom. Spanish speaking staff translate for parents to facilitate communication.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

P.S 319 develops activities that foster empowerment for families of MLs/ELLs through school outreaches and conversations centered around addressing the needs of families. During parent engagement and at other times, families are asked about their concerns and encouraged to address such concerns with teachers and counselors. Also, families are supported and empowered through school-wide activities such as the distribution of family metro cards and cool culture cards.
Parents are encouraged to assist their children in recognizing the importance of their native language by continuing to speak, read and listen to their native language at home. They are encouraged to watch videos that support content development in their home language and programs that support their engagement and learning of content. With regard to instruction, teachers provide links/access of materials and/or instruction in the student and families native language when available. This can be crucial in helping families to understand what their child/children are learning in school and help build our school community.

PS 319 determines the needs of our school community through various outreaches and surveys. Surveys are given to parents and guardians with the option of choosing the topic of their interest. Workshops are then conducted based on the parents response and interests to the surveys. Some of the surveys that have been conducted are an attendance workshop, (focused on the importance of a child's attendance at school), transition team workshop, (focused on informing parents of what transitioning their first grader to second grade at a different school entails) and safety workshops (focused on keeping their children safe both at school and elsewhere.)

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Williamsburg Early Childhood Center makes sure that ELL families are aware of family leadership opportunities via letter, email, and direct communication. Kappa V allows for the opportunity for families to partake in planning and decision-making aspects of their child's education and academic experience. Parents are invited to actively

participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We have secured a partnership with St.Nicks Alliance for an after-school program. We are also going to be partnering with Sachel Pulse this school year. Satchel Pulse is a social emotional program that works to empower educators, learners, and parents with the best tools and services they need on their journey through education. This company strives to provide solutions that make a difference in the lives of students and teachers.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Meetings are held at various points in the year to keep parents abreast of their child's progress. The staff makes translators available, disseminate materials and notifications in the home languages of the parents/guardians, and provide information about needed support services.
In addition, teachers communicate with parents of ELLs regularly during parent engagement and at other times during the school year. Teachers support ELLs by sharing academic and social-emotional strategies and ideas with their parents. This work is intentional as it is meant to build on the academic and social emotional work completed at school each day. The home-school partnership is collaborative between parents and teachers with the goal of ensuring academic success of the English language learners.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The titles of the members of the identification team are:
ENL teacher
Dual Language teacher
Parent Coordinator and Paraprofessional (support staff that help to create smoother systems and structures for the ELL identification process, specifically with home language survey translation/interpretation.)

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Once a child registers as a new student to NYS public schools, the Home Language Identification Survey (HLIS) is completed during an in-person meeting with the student's parent or guardian, the student and a pedagogue on the ELL identification team. The HLIS is printed and completed in the parent or guardian's preferred language.
If the student's home language is not English, an interview is conducted with the student to determine their home language. If a Spanish speaking interpreter is needed, the parent coordinator or paraprofessional assists with interpretation. If a student speaks a language other than English or Spanish, an interpreter is contacted to interpret for the parent via telephone.
The answers of the HLIS and the student interview will determine if the student should be administered the NYSITELL. If a student has an IEP, the Language Proficiency Team convenes to determine if the student is eligible to sit the
NYSITELL. If the student is eligible to sit the NYSITELL, it will be administered during the first ten (10) days of of the student's
enrollment or the first twenty (20) days of enrollment if the student has an IEP and the LPT team determines the student is eligible to sit the NYSITELL. Upon completion of the NYSITELL, if the student is determined to be an ELL, an ELL entitlement letter is sent home to the parent/guardian within five (5) days, however, if the student is not an

ELL, a non-entitlement letter is sent
home to the parent/ guardian within five (5) days. Letters are sent home by the ENL teacher.
If the student is an ELL, and his/her native language is Spanish, the Spanish Lab is then administered.
Parents are then notified of a parent orientation meeting where they are informed of the three (3) ELL program models (Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language), the Next Generation Learning Standards, assessments that will be administered to students and the school's expectations for ELLs.
At the orientation meeting, parents are provided with the ELL Parent Survey and Program Agreement. Parents indicate their choice of ELL program for their child which is then captured on the ELPC screen in ATS.
Copies of the HLIS, student interview, entitlement /non-entitlement letter, parent survey and program agreement are placed in the student's cumulative folder.
Finally, ELLs are programmed in the ELL program for the minimum number of ENL minutes. Students placed in the Dual Language Bilingual Program are programmed in the bilingual class. Both ENL and dual language programming are then entered into STARS.
Implementation of the ELL identification process is overseen by the ENL teacher and the bilingual parent coordinator.
To ensure that ELLs and former ELLs continue to receive mandated instruction, P.S. 319 routinely conducts HLIS during the early morning and after school hours. Parents and guardians have been accommodating to the ENL team in ensuring the HLIS is completed. In addition, the ELL teacher has made use of preps to administer the NYSITELL

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Nicole	Mitchell	Teacher - Regular Grades - ESL	02/13/2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

N/A

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
CHAM	0	0.00%	1	1.33%	0	0
ENGLISH	56	70.89%	52	69.33%	2	2
SPANISH	23	29.11%	22	29.33%	2	2

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Monthly newsletters	The bilingual teacher translates the newsletters to be sent to parents.
School trips permission slips	The bilingual parent coordinator translates the permission slips, forwards them to the classroom teacher, who then sends them home to parents.
PTA agenda	The bilingual parent coordinator translates the PTA agenda, forwards them to the classroom teacher, who then sends them home to parents.
Monthly calendars / Notices	The bilingual parent coordinator translates the monthly calendars and notices, forwards them to the classroom teacher, who then sends them home to parents.
Parent emails	Both the bilingual parent coordinator or classroom teacher communicate in Spanish via email.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent teacher conferences	Bilingual Spanish speaking teachers, the parent coordinator and paraprofessionals provide interpretation services for parents during parent teacher conferences. The parent coordinator and paraprofessionals are notified in advance of the need and log into zoom meetings or sit in on the meeting with parents and teachers.
ELL parent meetings	Bilingual Spanish speaking teachers, or paraprofessionals provide interpretation services for parents during the ELL meetings. They are given advance notice and sit in on the in-person meeting with the ELL coordinator.
Parent coordinator workshops	The bilingual Spanish speaking parent coordinator provides interpretation services for parents during parent coordinator workshops.
PTA meetings	Bilingual Spanish speaking teachers, or paraprofessionals provide interpretation services for parents during the PTA meetings.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

At PS 319, the dominant language spoken by families is Spanish. There are many bilingual Spanish speaking staff members who are able to communicate with parents during an emergency, whether it be a lockdown, fire, student attendance or any other type of emergency.
Additionally our school uses Class Dojo, which is able to translate into numerous languages. Staff will call/message the parent regarding their child. If the parent(s) speak another language other than Spanish, we will contact the DOE translation line, to communicate with the parent(s). As a last resort, google translate will be used to communicate with the parent of a child who speaks a language other than Spanish or English.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

The principal provides every staff member with a handout of the Chancellor's Regulations at at the beginning of the school year. The school LAC then discusses this with all personnel. Additionally, staff will be reminded to complete training on the WELearn platform and to forward their training completion emails to the principal.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Multilingual signage informing parents of available language assistance is posted at the main entrance of the school building.
Brochures, flyers, parent letters, and other notices are provided in Spanish and English, as it is the language most spoken by the families of our school. Additionally, upon registration, parents are informed that they will receive all information in their language of choice.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

A parent survey is sent to parents whose preference is a language other than English. This survey, given in the parent(s) preferred language is given to gather information on the language assistance services they received during the school year.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Parents are pleased that we provide translation and interpretation services to them, as most of our school staff speaks Spanish, the dominant language spoken by our families. If necessary, we will provide information in other languages to ensure that our families receive information in their preferred language.
