Eva Irizarry

Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement
- Part D: Staff Awareness

- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Brooklyn Arbor Elementary School

District Borough Number (DBN):

14K414

Grades Served:

PK-5

School Address:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Eva Irizarry	Principal or Designee*	
Sheila Callahan	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Tiffany Taylor	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
N/A	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
Beth Reed	Member/UFT	
Abby Loomis	Member/UFT	
Yoauri Amparo	Member/UFT	
Leah Fink	Member/Parent	
Lizz Morhaim	Member/Parent	
Kat Blacker	Member/Parent	
Craig Garrett	Member/Parent	
N/A	Member/	
N/A	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Brooklyn Arbor is a comprehensive prekindergarten through fifth grade learning community committed to helping students thrive academically, emotionally, and socially. We are dedicated to providing a safe, nurturing and inclusive environment for every student where racial, linguistic, economic status/social class, religious, cultural, gender and other identities are affirmed. All students will receive an education that places a premium on relationships, engagement with the wider community, and scholarship.

At Brooklyn Arbor, we firmly believe that this period of exploration, discovery and practice should be met with an interdisciplinary, project-based, arts and technology infused curriculum which will encourage developing minds to forge connections, take intellectual risks, and foster strong habits and values.

Brooklyn Arbor maintains that school, at all grade levels, should be meaningful, fun-filled and responsive to each child. Our goal, in partnership with families, is to cultivate a student body full of organized, self-reliant, collaborative, resilient and flexible learners who respond to tricky personal and global issues with zest and reason, as the world that will one day be theirs will undoubtedly demand it.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

When we opened Brooklyn Arbor's doors in September 2012, we were a small K-2 school, with an enrollment of just under 200 students. Today we have more than tripled in size, as we serve pre-k through fifth grade with approximately 550 children joining us on a daily basis. We currently have 9% English Language Learners and 20% Student with Disabilities. With the highest of expectations, staff and community members founded Brooklyn Arbor to create a safe and caring environment in which all students can thrive. Our corps of educators share that vision and strive to meet the needs of every student by relying on both sound pedagogical practice and a deeply held belief that for every child, anything is possible. Teachers, families and community members work together to meet the demands of a rigorous and comprehensive curriculum by identifying learning opportunities that transcend school walls, and by seeking out ways to make each school day both meaningful and joyous. With every member of Brooklyn Arbor supporting students, each student develops the academic, social and emotional skills needed to meet the growing and dynamic demands of the academic landscape and 21st century workplace. Sure of step and resolute in purpose, Brooklyn Arbor students will use their clear and cogent thinking to make the world a better place for all.

Briefly summarize the key initiatives your school will implement this school year.

Our school will work towards full Implementation of all Literacy and Math Shifts.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH Into Reading/Arriba Lectura, Fundations, Heggerty, HMH, SPIRE	
Math	K-5	Eureka Squared	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
64% of students read on grade level based on the 2025 iReady and Acadience EOY data, which means that 36% are not reading on grade level at our school.	Possible root causes include: a. Chronic Absenteeism b. Lack of consistent Tier 2 and 3 supports c. Newly arrived students who need time to learn the language and acquire literacy skills in their second language d. Special Education evaluations or reevaluations in process that will result in more robust support	Increasing reading proficiency for the 36% of our students not currently on grade level.
70% of students in grades 3-5 read on grade level based on	Possible root causes include: a. Chronic Absenteeism b. Lack of consistent Tier 2 and 3 supports c. Newly arrived students who need time to learn the language and acquire literacy skills in their second	Increasing reading proficiency

the 2025 NYS ELA Test, which means that 30% are not reading on grade level at our school.	language d. Special Education evaluations or reevaluations in process that will result in more robust support e. Grade 4 taking the NYS assessment digitally for the first time in 2025 and needing more practice and time with this new format.	for the 30% of third through fifth graders not currently on grade level.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	60% on level	By June, 2026, proficiency in ELA will improve from 76% to 80% as measured by the NYS ELA exam.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Iready and Acadience Screeners for K-5

Enter a Key Performance Indicator

On or above grade level

Baseline:

BOY ELA Screeners

Enter the date for the baseline data:

September 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

We anticipate 57% will be on grade level or above at BOY.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

We anticipate at 60% will be on grade level or above at MOY.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

We anticipate 65% will be on grade level or above at EOY.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Provide K-4 students will differentiated, targeted small group instruction through literacy centers aligned to District 14 priorities.

Root Cause Addressed:

Students who are below grade level need explicit instruction in phonics, vocabulary and reading strategies. Using literacy centers will allow teachers to meet with small groups of students in Tiers 1, 2 and 3.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Ensure all teachers have access to curriculum materials to support literacy centers.
Ensure all teachers are able to schedule literacy centers 4x a week from grades K-4.
Ensure teachers have planning time with grade teams to plan for effective literacy centers.
Provide professional development for literacy center support throughout the year.
Conduct instructional rounds to provide feedback to teachers on literacy centers.

Key Strategy 2 (Optional):

We will use universal literacy HMH reading curriculum in all grades K-5. We will use Fundations in grades K-3 and Heggerty in Grades PK-1.

Root Cause Addressed:

The HMH curriculum includes vocabulary instruction and supports students in building background knowledge, making connections between texts and developing a deeper understanding of key reading concepts and strategies. Fundations and Heggerty provide essential phonics and phonemic awareness instruction, both of which are directly linked to strong reading achievement.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Ensure all teachers have access to all instructional materials.
Ensure grade teams have time to plan for using HMH, Fundations and Heggerty lessons.
Ensure teachers have access to digital curriculum materials.
Provide professional development for new teachers to learn about HMH, Fundations and Heggerty.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use our BOY and MOY data from iReady and Acadience to progress monitor. We will also examine data from unit modules, student work and informal assessments.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/05/2025	06/26/2026	Parent Workshops, PA meetings, Meet the Teacher Night, Class Newsletter	St. Nicks

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Class size reduction to reduce class size and hire more teachers, allowing for even more small group instruction

Instructional Resources

Curriculum materials for all new teachers.

Schedule Adjustments

Grade team meetings focused on data review every Tuesday. Grade team meetings focused on planning every Thursday.

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
There are a number of OORS reports connected to student to student conflict.	Students need more tools and strategies for problem-solving.	We want students to feel empowered to solve small interpersonal problems on their own.
Teachers report many students having inter-personal conflicts, especially during lunch and specials.	Students need more tools and strategies for problem-solving.	We want students to feel empowered to solve small interpersonal problems on their own.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	We anticipate less than 50% will feel proficient at BOY.	By June, 2026, there will be a 10% decrease in the number of incidents related to peer conflict as measured by OORS reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Pre and Post assessment for teachers and students

Enter a Key Performance Indicator

Identify strategies used to solve inter-personal conflict

Baseline:

We anticipate the majority of students will not be able to identify a strategy at the BOY.

Enter the date for the baseline data:

Sept. 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

25% will be able to identify a strategy for solving interpersonal conflicts.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

50% will be able to identify a strategy for solving interpersonal conflicts.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

75% will be able to identify a strategy for solving interpersonal conflicts.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

OORS Reports

Enter a Key Performance Indicator

Number of OORS reports related to student conflict

Baseline:

Amount of OORS reports in the Fall of 2025.

Enter the date for the baseline data:

Sept-Nov 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

50% of overall OORS reports related to interpersonal conflict in the Fall.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

40% of overall OORS reports related to interpersonal conflict in the Winter.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

30% of overall OORS reports related to interpersonal conflict in the Spring.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Enter a Key Performance Indicator

Baseline:

Enter the date for the baseline data:

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Classroom teachers, specialists and school counselor will use repeated interactive Modeling to teach students how to use the conflict corner and develop language and strategies for solving interpersonal conflicts.

Root Cause Addressed:

Just like academic skills, students need to be taught SEL skills and problem solving strategies. Students do not come to school knowing how to solve interpersonal conflicts, so we want to provide them with a set of tools and strategies to empower them at school and in life.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide planning time for all teachers to set up conflict corner lessons and spaces
Have our responsive classroom consultant conduct a PD session on conflict corner
Have the school counselor visit classrooms to assist with conflict corner and other problem solving tools and strategies
Host a parent workshop about problem solving strategies and the conflict corner
Continue with grade-wide Fireside Chats and have conflict corner be a topic for each grade.

Key Strategy 2 (Optional):

Root Cause Addressed:

Students not having adequate strategies to avoid and address inter-personal conflict independently.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The SEL committee will meet at the end of each cycle to monitor this goal by analyzing OORS reports and survey results.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/06/2025	06/26/2026	Parent workshops, discussions during PTC, parent flyers about conflict corner	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Class size reduction to reduce class size and hire more teachers, allowing teachers to have more capacity to coach and guide during interpersonal challenges

Instructional Resources

Professional Development with Responsive Classroom consultant, conflict corner materials

Schedule Adjustments

Planning time with grade teams on Thursday mornings; occasional PD on Wednesday mornings on this topic

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
57% of students are on grade level in math based on iReady EOY screeners, which means 43% are not on grade level.	Possible Root Causes Include: a) Students needing time to adjust to computer based testing. b) Chronic absenteeism c) New teachers still learning the curriculum and how to differentiate instruction for Tier 2 and 3 students.	We want to further support the 43% of students improve their math skills and bring them to on or above grade level.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	60%	By June, 2026, proficiency in math will improve from 70% to 75% as measured by the NYS Math exam.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Increase teacher capacity to differentiate lessons for students in Tiers 2 and 3 through small-group math instruction.

Root Cause Addressed:

Students benefit from having academic work in their zone of proximal development--when a task isn't too hard and isn't too easy. By supporting teachers to differentiate math instructions, all students can be challenged at just the right level and receive the individualized support they need to achieve more in math.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide planning time for teacher teams to differentiate math lessons and create alternate problem setsP
Professional development with Eureka Squared consultant to focus on differentiation
Parent Math workshop
Provide planning time to create resources, particularly visuals, for SWD and MLLs
Begin exploring small group math instruction in classrooms where needs are varied enough to warrant such a structure. Consider inter-visitations for teachers to see math stations in action, where applicable.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The ILT will continuously monitor this goal at monthly meetings by examining iReady data and math module assessment data for all grades.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/06/2025	06/26/2026	Parent Workshop/Math Game Night	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Class size reduction to reduce class size and hire more teachers, allowing for teachers to have more capacity for differentiation

Instructional Resources

Curriculum materials for all new teachers

Schedule Adjustments

Teachers will have PD time on Wednesday mornings and planning time on Thursday mornings in their grade teams.

Other Resources Needed

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
20% of parents indicated on the school survey that our school could do more to promote college and career readiness.	This content is not directly linked in our curricula so we are seeking to add some lessons to make up for these gaps.	We want all students to gain an age-appropriate understanding of fiscal responsibility and financial literacy preparing them for college and careers beyond.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	80%	By June, 2026, 100% of students in Grades K-5 will be exposed to financial literacy instruction as measured by 2025-26 Pacing Calendars.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Teachers will incorporate fiscal responsibility and financial literacy into 3-6 classroom lessons throughout the school year.

Root Cause Addressed:

Students currently do not have strong sense of fiscal responsibility and financial literacy and we seek to support students in developing these understandings in all grades.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide professional development and planning time to examine social studies curriculum to make connections to financial literacy
Field trip to the federal reserve for some upper grade classes
Provide professional development and planning time for teachers to share ideas and develop strategies for responding to students in the moment when money, wealth and power come up in classroom discussions.
Equity team will meet to discuss additional resources for teachers that will support them in addressing economic inequity and realities.
School will participate in a week of service in January (as in the past) and many classes will be able to make

connections to financial literacy.

Key Strategy 2 (Optional):

Root Cause Addressed:

Students are currently not taught financial literacy lessons.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Grade Teams and ILT will monitor this goal closely at their regularly meetings.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/06/2025	06/23/2025	Parent-facing flyers and information, PA meeting discussions	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Class size reduction funds to reduce class size and hire more teachers, helping all students have more opportunities for dialogue with teachers about these important topics

Instructional Resources

Passport to Social Studies Curriculum; Civics4All Curriculum; NYC Kids Rise Resources

Schedule Adjustments

Teachers will have continued planning time on Thursday mornings and PD time on Wednesday.

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
6% of parents indicated on the school survey that our school could do more to promote family engagement	Parents indicated that some family engagement activities were not intentionally linked to student learning.	We want all families to be engaged to student learning.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	94	By June 2026, 100% of families will be invited to take part in at least two family engagement events linked to student learning as measured by an internal tracking document.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

We will get parents more involved in content area learning (math, science and social studies) via increased events, at the classroom, grade and school level. We will bring parents into the learning in new and innovative ways.

Root Cause Addressed:

Families who feel disconnected to their child's learning or want to know more about what their child is struggling with/excelling at.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
There will be a calendar of events
School staff will brainstorm events
School will makea plan for staffing after school events

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
We ended the 2024-25 school year with 93% attendance, which is below our projected attendance rate of 94%.	Increased extended travel, illness and other challenges.	Targeting chronic absenteeism

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	93%	By June, 2026, the percentage of students in attendance will increase by 1%, from 93% to 94%, as measured by the Insight Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Ramp up the efforts of our Attendance Team by scheduling more frequent face to face meetings with the families of those who are chronically absent.

Root Cause Addressed:

Families who do not check voicemail, answer calls or check emails.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
At each fifth absence, scheduled an in person meeting with the parent of a chronically absent student.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Insight Reports

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/25/2026	Increased face to face meetings.	

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Misalignment of Progress Monitoring	Various progress monitoring tools	IEP Development and Fidelity of Implementation
		Transition Planning and Compliance
Increase in parent referrals	misconceptions regarding	Referral Process and Equity

	intervention services	
		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	87%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Alignment of Progress Monitoring Tools and systems to increase the percentage of Progress Reports by an 8% Increase, from 87% to 95%, as measured by Measuring Annual Progress Report.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/15/2025	09/19/2025	Parent Open House	School Staff

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Acadience and I-Ready	Literacy Centers	small group	During the school day	No.
Tier 2	LETRs	SPIRE/OG	small group	During the school day	No.
Tier 2	End of Unit Math Module Assessments, I-Ready Diagnostic	Math Tutoring	Small Group	During the school day and during extended day.	No.
Tier 3	I-Ready and Acadience; LETRS	OG	One-to-one	Extended Day	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2/Tier 3	Parent/Teacher/Admin Referral	At-risk Counseling	1:1 and small group counseling	As needed, during the school day.	No.
Tier 2/Tier 3	IEP Mandate	Mandated Counseling	1:1 and small group counseling	As per IEP	No.

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Families meet with staff members to discuss intervention progress and the different tiers of instruction.
Regular progress reports are shared with families (end of module assessments, benchmarks 3x/year).
Counseling progress reports are also shared with families at regular intervals.
Acadience progress monitoring data is shared with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

-Acadience progress monitoring reports
-IEP Progress monitoring reports
-End of module assessment scores
-Regular updates on intervention progress

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families receive regular reports about a student's progress through intervention tiers and their need for more or less intensive intervention. Families are invited to meet with classroom teachers and intervention teachers to discuss student progress towards goals.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Doubled up: 17
Shelter: 5

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

-In some cases, STH students are performing below grade level.
-In come cases, STH students are chronically absent.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

We plan to provide our Students in Temporary Housing with a host of supports. We hope to partner with a tutoring program to provide individualized support to students in grades 2-5 throughout the school year. In addition, we will provide Orton-Gillingham and SPIRE Interventions to our K-5 students during the extended day. We also plan to purchase essential supplies and materials as needed.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. Brooklyn Arbor in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

Brooklyn Arbor will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State

accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- maintain regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

Brooklyn Arbor, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Eva Irizarry
Assistant Principal (Where Applicable)*	Sara Yerry
English as a New Language (ENL) Teacher*	Alexis Dixon
Teacher (if school has a bilingual program must be a bilingual teacher)*	Abigail Loomis
Parent/Guardian*	Diana Peralta
Teacher	Yokasta Evans-Lora
Parent Coordinator	Maria Molina
School Counselor	Yoauri Amparo
Bilingual Speech Provider	Alex Barreno
Parent Coordinator	Maria Molina
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

1

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

1

Number of ESOL certified teachers with a bilingual extension:

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

522

Total number and percentage (%) of current ELLs:

34/6.5%

Total number and percentage (%) of former ELLs:

11/2.1%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

24/70.6%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

10/29.4%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0/0.0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0/0.0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

13/38.2%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Spanish Dual Language	Spanish		1	1	1	1	1									5
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

All ELLs, including the students in our dual language program, receive stand-alone ENL from our ENL teacher. Students in stand-alone English as New Language (ENL) are placed in heterogenous proficiency groups (entering and emerging) based on their grade level bands i.e. K-1, 2-3, and 4-5. Required stand alone minutes (180 per week) are delivered in a pullout setting with our ENL teacher.

Integrated ENL:

The ELL teacher partners with classroom teachers to lesson plan and scaffold instruction for small groups of ELLs in heterogeneous or mixed proficiency groups. Former ELLs are also placed in our ELL focused classrooms on each grade level so they can join the small group integrated ELL instruction when applicable. They also receive support from their classroom teachers in stations and small group work.

Our entering and emerging students in grades K-5 receive 180 integrated ENL minutes in ELA from our ENL teacher who pushes into . Our transitioning and expanding students in grades K-5 also get 180 minutes of integrated ENL in ELA as due to our heterogeneous grouping.

Our commanding students in grades K-5 get 90 minutes of small group instruction per week provided by their homeroom teacher or classroom teacher as detailed in the Alternative Pathways.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

We have one dual language class per grade for grades K-4. The dual language program is Spanish-English immersion. We follow an alternating full-day models of instruction. ELLs of mixed proficiency levels are grouped together along with Spanish Language Learners on their particular grade band.

Entering and Emerging students in Dual Language classrooms receive Stand Alone instruction from the ENL teacher.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The ENL teacher programs each ELL in the ENL program for stand-alone and integrated ENL instruction according to their language proficiency level in order to ensure that the mandated number of instructional minutes is provided. Sara Yerry, the Assistant Principal responsible for the Dual Language program, updates the Bilingual Tracker to reflect the current students in the Dual Language Program. Home Language Arts minutes are provided by the classroom teacher in our Dual Language classes. Students in stand-alone ENL do not receive HLA minutes. We ensure that the mandated number of instructional minutes is provided by carefully tracking the proficiency level and required minutes of each ELL.

In our dual language classes, half of the instruction is imparted in Spanish for students of all proficiency levels. We follow an alternating full-day immersion model.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In the ENL and Dual Language program, ENL minutes are delivered in grade bands, i.e. 2-3 and 4-5 by the ENL teacher in heterogenous groups of Entering and Emerging students.

In the ENL program, English Language Arts minutes are delivered in grade level classrooms by the ENL teacher in homogeneous or heterogeneous groups depending on the composition of ELLs. In the Dual Language program, English Arts minutes are delivered by the classroom teacher in small instructional groups. Groups may be homogeneous or heterogeneous depending on the composition of ELLs.

Home Language Arts instructional minutes are not delivered in the ENL program, however in the Dual Language Program, Spanish speaking students receive HLA instruction from their classroom teacher.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

We have a self-contained Dual Language model. English proficient students and ELLs are integrated for the entire instructional day. We follow an alternating full-day immersion model. Across a span of two weeks, students will receive instruction in Spanish for five days and instruction in English for five days.

b. In which language(s) is each core content area taught?

Each core content area is taught in both languages, English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

71.4 percent of our ELLs are newcomers.
Our newcomers benefit from both pull-out and push-in instruction targeted to meet their instructional needs.
Our ENL teacher utilizes Fundations to teach newcomers beginning literacy skills in English. The majority of our newcomer ELLs are also in our Spanish/English dual language program which affords them the opportunity to receive native language instruction 50% of the time.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

We do not currently have any SIFE students.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We do not have any long term ELLs (7 or more years of service).

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

We have 11 ELLs who are former ELLs (2.1%). Former ELLs . Former ELLs get two years of testing accommodations on NYS assessments and a minimum of 90 minutes per week of individualized learning support in small groups provided by their classroom teachers.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Our at-risk indicators highlight the fact that 54.3 percent of our ELLS did not demonstrate sufficient ELP progress on the Spring 2024 NYSESLAT exam. Additionally, 23 percent of our ELLS scored a level 1 or 2 on the ELA and math exams.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The at-risk levels for former ELLs indicate that 2 (18 percent) scored a level 1 or 2 on the ELA exam. The same is not true for performance on the math exam for these two students. This indicates that additional language support is needed for these two former ELLs in order to ensure success on future ELA exams.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Spanish is the home language with the largest representation at our school (33 students). Our parent coordinator, security guard, secretary and two assistant principals speak Spanish. Additionally we have a robust Spanish English dual language program in grades K-4 to support Spanish speaking students and their families.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

56% of our ELLS are Hispanic, 22% are black.
We work hard to embed CRSE into our practices at Brooklyn Arbor. We have month-long heritage celebrations for Hispanic Heritage Month and Black History Month. We work to ensure that students have access to diverse texts, experience performances and guests. We have a robust Equity Team that dedicates itself to infusing CRSE into our daily work.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

10 students made sufficient progress. 19 (65.5 percent) did not.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Speaking is the strongest modality across all grades. Writing is the weakest modality across all grades.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Only 1 ELLs scored a level 3 on the ELA exam.
Four ELLs scored a level 3 on the Math exam.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

NYSESLAT performance for ELLs with IEPs shows that there are 4 at the emerging level at 5 at the expanding level. It is important to target these two pockets of students with both in-school and after-school ENL instruction tailored to their specific needs.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A.

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

All of our ELLs have access to high-quality Tier 1 core instruction including HMH Into Reading, Fundations, SPIRE, Eureka2 Math, and Amplify Science. The majority of our ELLs are in dual language classrooms in our school and benefit from instruction in their home language (Spanish).

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our school's leadership team thoughtfully selected core instructional programs that have supports for ELLs built in. We utilize HMH Into Reading and Arriba la lectura for literacy because they incorporate a host of features that support ELLs including small group routines (guided reading, targeted skill practice and targeted language development), foundational Skills Lessons, tabletop English language development minilessons, leveled and decodable readers, literacy centers, iRead interactive learning tools, scaffolds and strategies for ELLs highlighted in lesson plans, at-home learning resources in both English and Spanish, engaging read-aloud texts, and anchor charts with visuals.

Our school's leadership team made a shift from Eureka math to Eureka2 math due to the fact that Eureka2 offers Spanish teacher's guides and Spanish student workbooks. In addition, the updated version includes re-designed student-facing materials that offer better readibility and remove barriers to mathematical access.

Likewise, Amplify science is available in Spanish and gives students access to hands-on science activities that build scientific background knowledge.

It is a priority for our school to have evidence-based, culturally and linguistically aligned, shared and inclusive curricula.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the

Next Generation Learning Standards.

The goal of all of our program models is to foster language development across the modalities while meeting the demands of the Next Generation Learning Standards.

Stand Alone ENL
Core content is delivered for reading and writing workshop using a balanced literacy approach that includes a reading and writing mini-lesson followed by independent practice and small group work targeted to the needs of groups of students. Small group work includes guided reading, shared reading, shared writing, and interactive writing. Phonics is taught using Fundations. Social studies and science content is integrated into the literacy work to strengthen content specific knowledge and vocabulary.

Integrated ENL
Core content is delivered for reading and writing workshop using a balanced literacy approach that includes a reading and writing mini-lesson followed by independent practice and small group work targeted to the needs of groups of students. Small group work includes guided reading, shared reading, shared writing, and interactive writing. The ENL teacher pulls ELLs to scaffold instruction for different proficiency levels.

Dual Language
Core content is delivered for reading and writing workshop using a balanced literacy approach that includes a reading and writing mini-lesson followed by independent practice and small group work targeted to the needs of groups of students. Small group work includes guided reading, shared reading, shared writing, and interactive writing. Phonics is taught using Fundations on English days and Arriba la lectura phonics on Spanish days. Math is taught following a workshop model as well. Following the mini-lesson, students have the opportunity for independent practice and small group instruction. Math incorporates the use of visuals and manipulatives in order to support content and language development.

Teachers will ensure that ELLs will meet the demands of the Next Generation Learning Standards by paying particular attention to the Language Strand, which includes a contiuum with a progression of language skills that need to be developed over time. Additionally, teachers will embed home language supports and be provided with opportunities to demonstrate skills in their home or primary language to indicate mastery of the concepts in the standards.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Instructional Strategies
*Pre-teaching vocabulary
*Pre-reading of texts
*Small group phonics instruction
*Small group guided reading
*Sentence frames
*Anchor charts with visuals
*Graphic organizers
*Visual word walls

Grade-Level Materials:

*HMH Into-Reading/Arriba la lectura
*Fundations in grades K-2
*Eureka2 math (in Spanish and English for Dual Language classes).
*Amplify Science (in Spanish and English for Dual Language classes).
*Passport to Social Studies (In Spanish and English for Dual Language classes).
*Voyager Passport
*Decodable readers (HMH Start Right Readers, Geodes)

Technology: I-ready, Zearn, Brainpop, Amira.

b. SIFE

We do not have any official SIFE students.

SIFE students engage with grade level content via instruction in their home language. Most of our ELLs come from Spanish-speaking backgrounds and can be serviced by our Dual Language Program. If a student speaks a home language other than Spanish, we would utilize translation tools to ensure that core content is accesible.

c. Newcomers

Newcomer ELLs are given access to grade level content during daily content area instruction in all subject areas. They are given access to grade level content during daily content area instruction in all subject areas. They engage in differentiated small group work following whole-class minilessons.

d. Long Term ELLs

Long term ELLs are given access to grade level content during daily content area instruction in all subject areas. They are given access to grade level content during daily content area instruction in all subject areas. They engage in differentiated small group work following whole-class minilessons.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Our school strives to place ELLs with IEPs in the least restrictive environment while they work to achieve their IEP goals and attain English language proficiency. Our ENL teacher integrates ELLs with IEPs and ELLs without IEPs into pull-out instructional groups. ELLs with IEPs benefit from use of the Fundations and SPIRE phonics curricula in their classrooms. Our school ensures that the writing of the IEPs, especially for ELLs, includes very explicit support strategies that are individualized for each student (includes assessment data, management needs, specially designed instruction, etc.)

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In our DL program, home language is assessed using Spanish F&P running records and Arriba la lectura unit assessments. We also administer Estrellita assessments which assess letter-sound knowledge and decoding ability.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

At our school we have an ENL teacher who provides integrated and stand-alone ENL services to ELLs who are not members of our dual language program. For ELLs who are members of our dual language program, they receive mandated instructional minutes by their classroom teachers.

Our dual language team meets once monthly to collaborate on vertical planning as well as to discuss the individual needs of English Language Learners serviced in dual language classoroms. Our ENL teacher is invited to these meetings to provide additional expertise and guidance.

Our ENL teacher rotates through weekly grade-team planning meetings in order to collaborate with classroom teachers in the classrooms where she is providing integrated ENL services.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our annual professional learning plan ensures that all staff (administrators, teachers and non-pedagogical staff) incorporate learning specifically related to the academic and social emotional needs of MLs/ELLs.

Some topics included:

1) A new vision for Small Group Instruction/Overview, including for ML/ELLs:
Teacher-led Small Group instruction
Collaborative Groups/Centers
Independent Practice

2)Shift 2 & 3: Deep Dive Into Independent Reading and Decodable Texts, including for ML/ELLs.
Shift 3: Deep Dive Into Teacher Led Small Groups using Decodable Texts, including for ML/ELLs.
Shift 5: Assessing Readers for Report Cards, including for ML/ELLs.

3) Planning and Preparation for Collaborative Groups/Centers in Literacy (Shift 3):
-Sharing of best practices, including for ML/ELLs
-Make and Take Workshop
-Amira Presentation

4) Small Group Instruction in Math, including for ML/ELLs
Differentiated Math Tasks for all learners, including ML/ELLs
Word Problem Strategies, including ML/ELLs

5) Professional Book Club: Session 1: Unearthing Joy: A Guide to Culturally and Historically Responsive Curriculum and Instruction by Gholdy Muhammad
Session 2: Unearthing Joy: A Guide to Culturally and Historically Responsive Curriculum and Instruction by Gholdy Muhammad
Session 3: Unearthing Joy: A Guide to Culturally and Historically Responsive Curriculum and Instruction by Gholdy Muhammad
Session 4: Unearthing Joy: A Guide to Culturally and Historically Responsive Curriculum and Instruction by Gholdy Muhammad

6) Supporting our ELL/MLL during Literacy Centers

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Our school PD team plans schoolwide PD that is ELL-specific for all teachers (15%) as per CR Part 154.2 and ELL-specific (50%) for ENL/bilingual teachers. Bilingual/ENL teachers also had opportunities to attend the NYS TESOL conference and various District 14 and NYCDOE ELL-related PD. We continually seek out opportunities for our bilingual and ENL teachers to receive high quality ELL PD.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We use the Acadience screener for ELLs in grades K-2
We use the iReady literacy in grades 3-5.
We use iReady math in grades K-5.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

For ELA, our targeted intervention programs include Double Dose Fundations, SPIRE and one on one instruction using the Orton Gillingham approach. For math, we offer small group guided math instruction after-school as well as small group instruction at the classroom level.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

We use data to guide instruction for ELLs within a MTSS. We have a master school data tracker that lists all students performing below level on academic screeners, including our ELLs. It also includes levels of NYSESLAT performance
We use this data to determine who will recieve Tier II targeted supports and interventions in small groups and to determine who will receive Tier III individualized intensive support or intervention with a specialist in a group of 1-3 students. Tier III services are provided before or after school or via pull-out during the instructional day.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

To assess early literacy skills of our ELLs we use Fundations (a phonological/phonemic awareness, phonics and spelling program), and Estrellita assessments in both Spanish and English. These tools test a variety of skills including: decoding, comprehension, sight word recognition, spelling, sound-symbol relationship, reading with fluency and writing. We also use Estrellita assessments in grades K-1.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

MLs/ELLs in our dual language program are assessed in letter/sound knowledge in Spanish and are monitored throughout the year using Estrellita assessments. We also have a subscription to Imagine Learning in Spanish and are exploring using of IDEL (Spanish DIBELs) for our Spanish speaking MLs.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The NYSESLAT and the ELA provide us with data that informs instructional design. We analyze this ELL subgroup data in order to determine next instructional steps.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our ENL teacher, Alexis Dixon, oversees the administration of the NYSESLAT. Our ENL teacher administers the Speaking. Listening, Reading and Writing sections of the test. When administering the Speaking section to students the ENL teacher directly services, the answers are recorded and scored by one of the assistant principals.

Alexis Dixon (ENL teacher, administers exam)
Sara Yerry (Assistant Principal, speaking scorer)
Cristina Albarran (Assistant Principal, speaking scorer)
Abby Loomis (classroom teacher, scorer)
Sheila Callahan (classroom teacher, scorer)
Rebecca Stevens (classroom teacher, scorer)

ELLs and former ELLs continue to receive mandated services during the testing period due to the support of our dual language teachers who are able to provide mandated services while our ENL teacher oversees exam administration.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our testing coordinator runs the RLAT report each year in order to determine which students need accomodations for state assessments.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

If a student is eligible for ELL services, our ENL teacher will invite the parent/guardian to a parent orientation to explain the different ELL service models offered at our school and elsewhere within the district. After the parent orientation, parents complete the program agreement form. On this form they select the ELL program option they would like their child to receive. This form and the orientation is provided in the parent's preferred language.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Every year, we hold an annual meeting to inform parents of English Language Learners about their academic and language progress in school. This is an opportunity for parents to meet with teachers and other school staff including guidance counselors to discuss their child's progress as well as the services that the school provides. During these meetings, we tell parents about their child's language development progress, their performance across the subject areas and their score on the NYSESLAT. Parents are informed and reminded of their rights as parents of English Language Learners. Attendance at these meetings is logged.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

We use Operoo as our primary communication platform. Operoo allows all messages sent by school staff to be received by parents in the language of their choice. Parents can reply in the language of their choice and the responses are translated into English when necessary. In addition, all key school documents (family calendar, family handbook, monthly newsletters, memos from the principal) are translated into Spanish. Parents also have access to faculty's e-mail addresses so that they can send messages to staff, which can be translated as well. Some teachers utilize Google Voice accounts that can receive voicemails from families in any language and translated.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We work with our bilingual parent coordinator to determine what our parent's needs and interests are. Our parent coordinator makes an extraordinary effort to get to know each family, particularly the families of MLs/ELLs and to ensure that families of MLs and ELLs feel welcomed and included in all school events. Each year, we celebrate Hispanic Heritage Month and Dominican Independence Day so that our families can see their cultures and traditions honored within the school. Families are invited to our classrooms for Family Fridays and are encouraged to present/do activities with the students in their home language.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Families are made aware of leadership opportunities such as PA meetings, SLT membership and CEC membership via translated memos that are sent home using our school's primary communication application, Operoo.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We are partnered with St. Nick's Alliance. St. Nick's runs an after-school program that is attended by many ELL students. The director and staff of St. Nick's work closely to build partnerships with families. St. Nick's Alliance also has a department of affordable housing and workforce development and can help families with these services.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Alexis Dixon - ENL Teacher/Coordinator
Sara Yerry - Assistant Principal (Dual Language)
Cristina Albarran - Assistant Principal (SPED)
Eva Irizarry - Principal

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

A schedule is kept in the office showing when the members of the ELL Identification team are available. This helps us to avoid any interruption to the provision of mandated ENL and bilingual instruction to current, former and potential ELLs.

When new students register, our pupil secretary is responsible for determining whether or not they are new to the NYPS system or have been out of the system for 2 years or more. If that is the case, outreach will be made to one of the members on the ELL Identification team. That member will conduct the Home Language Interview Survey with both the guardian and student.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Eva Irizarry

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Alexis	Dixon	Teacher - Regular Grades	01/31/2024	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Student Emergency Contact cards,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Part III of the Home Language Identification Survey (HLIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
CHINESE ANY	2	0.28%	1	0.14%		
JAPANESE	1	0.14%	1	0.14%		
MANDARIN	0	0.00%	1	0.14%		
ENGLISH	627	86.72%	626	86.58%		
SPANISH	93	12.86%	94	13.00%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

NOT conceptually consolidated (must complete part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

34

Grades to be served in this program. Select all that apply.

,3,4,5,2,1

Total number of teachers in this program:

2

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

2

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our supplemental instructional program will be divided into two cohorts for Fall/Winter and Winter/Spring. The Fall/Winter cohort will focus on supporting our population of Entering and Emerging ELLs that are in need of writing intervention. Our Winter/Spring cohort will focus on supporting our ELLS in grades 1-5 that are emergent readers and writers (Transitioning, Expanding and Commanding on the NYSESLAT).

Our Fall/Winter cohort will have 20 students total, 10 students grades 1-2 and 10 students grades 3-5.

The Fall/Winter cohort will engage in literacy work that incorporates shared reading, close reading, scaffolded reciprocal teaching, scaffolded retelling and reading responses. The goal of the program is to build reading comprehension in English while working on developing student's expressive and receptive language skills. Scaffolds may include chunking parts of the text, use of graphic organizers to build background knowledge or to provoke thought and pre-teaching vocabulary. Students will use Lexia English Language Development and Heggerty Decodable library books.

Our Winter/Spring cohort will focus on supporting our ELLS in grades 1-5 that are transitioning and expanding ELLs. There will be 20 different students in this group, 10 in 1-2 and 10 in 3-5. Each teacher will teach a grade band group for each cohort. Teacher A will teach 1-2 and Teacher B will teach 3-5. Students will use Lexia English Language Development Skill Builders to complete writing tasks and speaking routines focused on oral presentation skills. In addition to opinion writing prompts in preparation for the NYSESLAT.

The cost to Title III is 2 teachers x 1 hour x 65 sessions x$73.07 = $9499.10

The program will be supervised by an assistant principal who also oversees other afterschool programs during this time. Supervision will be at cost to Title III.
The official AP work hours are 7:45am-3:30pm.
1 hour (3:30-4:30pm) X 1 AP X 65 sessions - $4912.05

Schedule and Duration:
The program will run 10/7/25 through 6/2/2026.
There is a total of 65 sessions. The program is in session on Tuesdays and Thursdays from 2:55pm-3:55pm.

Attendance records will be maintained electronically by the teachers and notifications will be translated in the parents' home languages by the assistant principal. Progress will be monitored via Acadience and iReady.

We will use $3,897 (OTPS) on Lexia English subscriptions and Heggerty decodable books for use during instruction.

Parents will be notified about the Title III LEP program via Title III LEP parent letters.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

We currently have 24 English Language Learners that are considered newcomers. Among that group, we have identified their expressive and receptive language skills so that they can better navigate their classroom environments. We have 7 Entering ELLs and 5 emerging ELLs as identified by the Spring 2025 EDAT. This is excluding our current 5th grade students that will be matriculating to middle school in the Fall.

Our Winter/Spring cohort will focus on supporting our ELLS in grades 1-5 that are emergent readers and writers because 2024 NYSESLAT data showed that we have a total of 9 Transitioning ELLS and 6 Expanding ELLs who would benefit from additional targeted after-school support.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The Fall/Winter cohort will focus on supporting our newcomer population of Entering and Emerging ELLs. Our Winter/Spring cohort will focus on supporting our ELLS in grades 1-5 that are emergent readers and writers (Transitioning and Expanding).

We have 24 newcomers (0-3 years of service), 10 developing ELLs (4-6 years of service), zero long term ELLs and zero SIFE students in the Title III supplemental program.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Schedule and Duration:

The program will run 10/07/25 through 6/3/2026 on Tuesdays and Thursdays with a total of 65 sessions.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Translanguaging will be used in both cohorts, with a focus on supporting English and Spanish language instruction. Support will be provided in any additional home language depending on the composition of the group.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Two teachers certified in Dual Language/TESOL will support each cohort of students.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

We will buy Lexia English subscriptions for participants in the Title III program. Lexia English is aligned with the NYSESLAT and NYS Scope and Sequence. The cost to Title III for the subscriptions is $2400. [$120 per license X 20 = $2,400]

With the remaining OTPS funds ($1,497) to buy Heggerty Decodable books. Heggerty Decodables Classroom Set $499 x 3 = $1,497 (cost to title III $1,497).

OTPS -notebooks, folders, markers for exclusive use of the afterschool program $372.15

The materials will only be used during Title III ELL program and not during the instructional day. All materials will be stored in the ENL teacher's classroom.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

The permission slips of all students that attend the Title III program are saved in a binder for record keeping purposes. Our Assisstant Principal Sara Yerry will supervise the implementation of the Title III program in coordination with our ENL Coordinator, Alexis Dixon.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Preparing for the NYSESLAT
Professional Development Rationale: In order to best support student performance on the NYSESLAT exam, it is critical that classroom teachers understand the design and content of the test. Our ENL teacher will review the 2024-2025 school year NYSESLAT scores then provide teachers with an overview of the exam along with suggestions for incorporating activities into their daily classroom routines that will help to support student achievement on the Spring 2026 exam.

Date: March 5, 2026, March 12, 2026
Time: 1 hour, 3-4 pm
Name of Provider: Alexis Dixon
Qualifications: ENL certified teacher
Audience: 8 classroom teachers who work with ELLs during the instructional day including those who teach the TItle III program.
Teacher per session will be at cost to Title III ELL funds, but will not exceed 10% of the total allocation.
Cost: 9 teachers (including provider) X 2 hours X 73.07 = $1315.26 ($1219.30 will be at cost to Title III ELL funds and the remaining amount will be paid with other funds.)

Lexia ENL PD
Date: Fall 2025 and Winter 2026
Time: 2 one hour sessions (To be scheduled)
Name of provider: Lexia
Audience: Title III teachers (2)
This is included in the cost of the Lexia student subscriptions.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

After reviewing 2023-2024 NYSESLAT data our current ELLs showed high proficiency across all grade levels in the Speaking modality, however many still show high needs in Writing. Therefore, it is our hope that small group writing intervention geared towards English Language Learners will result in growth within the Writing modality. We also know that we need to leverage student's home language knowledge and feel that teachers need more training around the proper use of translanguaging.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers that provide direct instruction to English Language Learners will receive professional development including those that service students in the Title III ELL program.

Ms. Dixon will receive ongoing PD related to the Title III ELL Program via our partnership with the Lexia program. The cost of the Lexia subscrption includes two PD sessions.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

See above.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

See above.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

See above.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Our school keeps an ongoing calendar detailing every professional development that is provided in the building along with labels regarding which subgroups within the school they are geared towards. Any ELL related professional development provided using Title III ELL funds will be annotated in that document. Agendas and attendance sheets are linked to this master calendar.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Dual Language Parent Meeting
Rationale: Parents of students in our dual language program need guidance in supporting their children's academic growth in two languages. Our dual language parent meetings help parents to better understand the dual language curriculum and language development. Additionally, parents are provided with lists of at-home resources to use to further support learning.
Date: November 2025
Name of Provider: S. Yerry
Audience: Parents of students in our K-4 dual language classes.

Computer Literacy Workshop
Rationale: This series of workshops will provide parents with an overview of free websites and programs that support English language acquisition, literacy and math. Parents will be taught basic computer navigation skills and be given time to explore a list of educational websites that can be accessed via home computer, smart phone or tablet. Many parents of ELLs and F-ELLs have expressed a desire to learn more about how to access educational websites. Some of the sites we will teach parents how to access and use are: Epic, Sora, Rockalingua, BrainPop ELL and Lexia.
Audience: Parents of MLLs
Name of Provider: Dual Language teacher
Date: December 2025

NYSESLAT Parent Workshop
Audience: Parents of ELLs
Rationale: Parents of ELLs need to be informed about the structure and dates of the NYSESLAT exam.
Date: March 2026
Audience: Parents of MLLs
Provider: Alexis Dixon, ENL teacher

Support Spanish Literacy Development at Home
Rationale: Spanish speaking parents have expressed interest in supporting native language literacy skills at home via word work and read aloud activities. This workshop will review how to incorporate Spanish read-alouds, phonics and writing activities in the home.
Date: January 2026

Audience: Spanish speaking parents of MLLs
Provider: N. Sabino, Dual Language teacher

Parents will be notified of these activities via Operoo flyers translated to home language and via flyers backpacked in the home languages of the students. Attendance records will be maintained via sign-in sheets at each meeting. Agendas will be kept on file in the ENL room. Teacher per session will be paid by

Parents will be notified about the Title III LEP program via Title III LEP parent letters.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Dual Language Parent Meeting
Rationale: Parents of students in our dual language program need guidance in supporting their children's academic growth in two languages. Our dual language parent meetings help parents to better understand the dual language curriculum and language development. Additionally, parents are provided with lists of at-home resources to use to further support learning.
Date: September 2025
Name of Provider: S. Yerry
Audience: Parents of students in our K-4 dual language classes.

Computer Literacy Workshop
Rationale: This series of workshops will provide parents with an overview of free websites and programs that support English language acquisition, literacy and math. Parents will be taught basic computer navigation skills and be given time to explore a list of educational websites that can be accessed via home computer, smart phone or tablet. Many parents of ELLs and F-ELLs have expressed a desire to learn more about how to access educational websites. Some of the sites we will teach parents how to access and use are: XtraMath, Epic, Sora, Rockalingua, BrainPop ELL and Lexia.
Audience: Parents of MLLs
Name of Provider: Dual Language teacher
Date: December 2025

NYSESLAT Parent Workshop
Audience: Parents of ELLs NYSESLAT Information Session
Rationale: Parents of ELLs need to be informed about the structure and dates of the NYSESLAT exam.
Date: March 2026
Audience: Parents of MLLs
Provider: Alexis Dixon, ENL teacher

Support Spanish Literacy Development at Home
Rationale: Spanish speaking parents have expressed interest in supporting native language literacy skills at home via word work and read aloud activities. This workshop will review how to incorporate Spanish read-alouds, phonics

and writing activities in the home.
Date: January 2025
Audience: Spanish speaking parents of MLLs
Provider: N. Sabino , Dual Language teacher

These activities were planned using data obtained from in-house parent surveys.
Parents will be notified of these activities via Operoo flyers translated to home language and via flyers backpacked in the home languages of the students. Attendance records will be maintained via sign-in sheets at each meeting. Agendas will be kept on file in the ENL room. None of these activities are at cost to Title III.

Parents will be notified about the Title III LEP program via Title III LEP parent letters.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Dual Language Parent Meeting
Rationale: Parents of students in our dual language program need guidance in supporting their children's academic growth in two languages. Our dual language parent meetings help parents to better understand the dual language curriculum and language development. Additionally, parents are provided with lists of at-home resources to use to further support learning.
Date: November 2025, 1 session, 1 hour, 3-4pm
Name of Provider: S. Yerry,
Audience: Parents of students in our K-4 dual language classes.

Computer Literacy Workshop
Rationale: This series of workshops will provide parents with an overview of free websites and programs that support English language acquisition, literacy and math. Parents will be taught basic computer navigation skills and be given time to explore a list of educational websites that can be accessed via home computer, smart phone or tablet. Many parents of ELLs and F-ELLs have expressed a desire to learn more about how to access educational websites. Some of the sites we will teach parents how to access and use are: XtraMath, Epic, Sora, Rockalingua, BrainPop ELL and Lexia.

Parents will be notified about the Title III LEP program via Title III LEP parent letters.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

See above.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Dual Language Parent Meeting
Name of Provider: S. Yerry, AP + certified dual language teacher

Computer Literacy Workshop
Name of Provider: Dual Language teacher

NYSESLAT Parent Workshop
Provider: Alexis Dixon, ENL teacher

Support Spanish Literacy Development at Home
Provider: N. Sabino , Dual Language teacher

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

All notifications to families are saved in Operoo, the online platform that we use for parent communication. All family engagement activities have a sign in sheet so that we can document attendance. Interpretation at events will be provided by bilingual staff members.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All notifications to families are saved in Operoo, the online platform that we use for parent communication. All family engagement activities have a sign in sheet so that we can document attendance.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Allocation Amount ($):

$20,000

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	15726.41	The cost to Title III is 2 teachers X 1 hours X $73.07 X 65 sessions = $9499.10 1 AP X 1 hour X 65 sessions X $75.57 = $4912.05 The total cost to Title III for Professional Development is: 9 teachers (including provider) X 2 hours X 73.07 = $1315.26
Purchased services -High quality staff and curriculum development contracts.	0.00	
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.	1869.15	Heggerty Decodables Classroom Set $499 x3 = $1497 ShopDOE Consumables - total of $372.15 (see below for detailed breakdown) $107.05 writing utensils $33.44 notebooks $153.53 dry erase materials $21.00 clipboards $57.13 storage materials
Educational Software (Object Code 199)	2,400	Lexia English software $120 per license X 20 = $2400
Travel	0	
TOTAL	19995.56
