Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P.S. 516 Sunset Park Avenues

District Borough Number (DBN):

15K516

Grades Served:

PK, K, 1, 2, 3, 4, 5

School Address:

4308 4th Avenue Brooklyn, NY 11232 & 4222 4th Avenue Brooklyn, NY 11232

Phone Number:

718-369-8330 & 718 369 8331

Fax:

718 965 7685

School Contact Person:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Jessica Knudson	Principal or Designee*	
Gabriel Radbel	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Jody Avirgan	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
Olney Edmondson	CBO Representative, if applicable	
Emily Baskin	UFT member	
Erica Lessner	UFT member	
Amber Benham	UFT member	
Emily Falanga	UFT member	
Leonard White	Parent member	
Gregg Stankewicz	Parent member	
Zaina Akbar	Parent Member	
Karina Adler	Parent member	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Mission:
Sunset Park Avenues Elementary School is dedicated to the education and development of each child as they become leaders in their academic and personal lives. Learning in an environment that emphasizes inquiry and exploration. Our children will grow to be curious about their world, think creatively and flexibly about problems and solutions. Our children will have the confidence to make things happen for themselves and their world. Our children will graduate with the ability to use language to connect to the wealth of cultures in our communities and to be advocates for themselves, their communities, and with those who cannot advocate for themselves.

Vision
At Sunset Park Avenues, our entire community strives to ensure that all students experience an education that allows for each unique individual to thrive in a global community - academically, socially, and emotionally. Learning through a curriculum based in exploration and independent practice with the support of expert teachers, our students grow to be curious about their world, think creatively and flexibly about problems and solutions, and have the confidence and resilience to make things happen for themselves and their world. Our goal is to support students as they continue to acquire critical thinking skills that drive their curiosity, questioning, and student-led discussion. We will foster an environment that allows for academic risk-taking anchored around an efforts-based, growth mindset.

We celebrate and integrate the multi-lingual and multi-cultural heritage of our students, families, and neighborhood into our classrooms, preparing our students to belong to and succeed in a global society.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 516 is a public elementary school that opened in September 2013 in Sunset Park, Brooklyn. In the 2024-2025 school year we served children in grades PK-5. In the 2025-2026 school year, P.S. 516 will enroll approximately 375 students.

Our student population in 2024-2025 was 78% Hispanic, 11% Asian, and 11% White. 46% of students are male and 54% are female. Over 35% of our students are English Language Learners and 25% are Students with Disabilities, 73% of our students have free and reduced lunch status.

Teachers work in collaboration at P.S. 516, establishing strong coherence within and across grades. We expect teachers to continually refine and grow their practice, and work closely with instructional coaches on staff, outside staff developers, and our school support network (support from the district and inter-visitations). In addition to our

academic program, we believe that children need well-rounded and holistic opportunities to close the achievement and opportunity gap. Students participate in visual arts, dance, media/library, and physical education to support the development of the whole child.

A variety of partnerships support our holistic, whole-child approach. This year we partnered with Morningside, Teaching Matters, CREA, Creative Music Programs, Inside Broadway to provide support to staff and students.

We expanded our partnership with Center for Family Life to provide a free afterschool program to 160 students and family engagement activities throughout the summer and school year. We also partnered with Center for Family Life to introduce the FAST (Families and Schools Together) program to support family and student engagement.

In order to support the social-emotional needs of our students and families, we have a full time school social worker and a guidance counselor one day a week to provide services to support students, families, and teachers in supporting children in crisis and providing at-risk counseling services as needed. We have also trained staff in Responsive Classroom and Restorative Practices to support the social emotional well being of our students.

Briefly summarize the key initiatives your school will implement this school year.

Instructional Focus 2025-2026: Creating Systems and Structures to Support PS 516 Community through 3D and thinking about Danielson 3D
Deepening Content Knowledge
Use formative assessments to identify gaps and tailor instruction.
Prioritize success criteria and rubrics to support student engagement and success, to guide students in self-assessment and track their progress.
Develop clear rubrics that outline expectations and help students understand how to achieve their goals.
Implement diagnostic assessments for targeted support.

Diversifying MTSS Supports (Tier 1, Tier 2)
Utilize assessment data to inform and diversify Tier 1 supports.
Develop data-driven approaches for tailored interventions.
Monitor progress and adjust supports as needed.
Clear small group schedules, with anchor charts and tools developed to support the individualized small group (this should be different than what you did with the whole class)

Data Diving
Analyze assessment data to identify trends and areas for improvement (Mondays and Common Planning).
Unpacking rubrics/assessment tools used for assessment at the beginning of units of study

This focus will allow us to provide targeted professional development ( )
-dual language
-data meetings
-Teaching Matters
-Foundational Literacy/Geodes
-OG training

As a school we are shifting our practices with a goal of getting the whole school trained in restorative practices to move our school towards restorative practices school wide. Our goal is not just to have staff trained but to have classrooms engaged in Restorative Justice Circles throughout they year. Additionally we will continue to grow our work with our RJAT/REC to get more staff trained in restorative practices and have school led RJ circles for all staff.

Many of our staff are trained in Responsive Classrooms and we are highlighting the alignment between Responsive Classroom and RJ work. When you think about morning meeting and circles these are both founded in indigenous practices, they ask the community to be in a circle where- everyone can see everyone and be seen. The structures include Community building/sharing/ greeting. Both have shared Rule creation.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH Into Reading & Arriba la Lectura Waggle & Writable	school based adaptations for needs of students
Math	3-5	Engage NY/Eureka, Zearn	use of IXL to support specific student needs. Use of Zearn. Pilot one unit of IM
Phonics	K-2	Fundations & Heggerty	adaptions for dual language Spanish classrooms (Estrellita, Lunita)
Math	K-2	Illustrative Math	differentiated centers
Science	K-5	Amplify	adopt full school wide

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024 MOY Screener Data- 48 % on grade level	lack of foundational skills	Build foundational skill knowledge
2024 MOY Screener Data- 19% of ENL students on grade level	lack of foundational skills	Build foundational skill knowledge
61% 3rd grade/ 60% 4th grade levels 1 & 2 on state test	Students need deep reading skills	Build close reading skills

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	46% for all students	By June, 2026, literacy for All Students will improve, as measured by a 5% Increase, from 46% for all students to 50 % for all students,demonstrating average or above average growth on the Screener Data .
English Language Learners (ELL)	38% for ENL students	By June, 2026, literacy for English Language Learners (ELL) will improve, as measured by a 7% Increase, from 38% for ENL students to 45 % for ENL students ,demonstrating average or above average growth on screeners .

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

screener data

Enter a Key Performance Indicator

growth of all students, 55%

Baseline:

MOY Data 46% of all students

Enter the date for the baseline data:

June 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

42% of all students

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Foundational Skills Knowledge in K-2 whole class

Root Cause Addressed:

Build foundational skill knowledge in teachers

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
30% of ENL students on or above grade level
Increase number of teachers with OG training
Professional Development with Teacher Matters and 516 staff to understand screener data and create actionable next steps for students based on data
Continuing SBT school wide to support foundational skill development
Use ADVANCE observations to give clear feedback and next steps for teachers to ensure they demonstrate their depth of knowledge around foundational literacy skills and create lessons that support the specific needs of all students through data aligned instruction

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Screener Data- Acadience & MAP data will allow us to monitor progress

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	06/26/2026	Offering workshops that give parents the opportunity to better understand how reading and Spanish instruction is being taught so that it can be re-enforced at home in a way that's consistent with the classroom	Parent Coordinator, PCT
10/06/2025	06/26/2026	Ensure all book events offer books in multiple languages	PTA, CFL
01/05/2026	03/31/2026	Host Pajama Jam reading event	CFL, PTA, Parent Coordinator
11/03/2025	05/22/2026	Collaborative events with SP library	Public Library

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Principal, AP. Classroom Teachers, Parent Coordinator

Instructional Resources

HMH, Fundations, Estrellita, Lunita, SPIRE, OG

Schedule Adjustments

Built in Skill Building Time into schedules, ensure foundational skills block is in all K-2 schedules

Other Resources Needed

Partnership with Teaching Matters

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School survey said 24% all adults have access to school based supports to assist in behavior de-escalation	Additional trainings needed	teacher supports
OORS Data 238 Level 1-5 Infractions	In classroom supports needed, de-escalation strategies, RJ training and ability to implement circles	resources

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	238	By June 2026, there will be a 3% decrease in Level 1-5 infractions occurring in classrooms during instructional time through the introduction of the Sensory Room as measured by the 2025-2026 OORS

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Monthly case meetings with SIS team
School wide RJ training, led by Morningside during Monday PD time
Schoolwide restorative circles once a week
Common language used schoolwide (i.e. level zero), clear expectations for behavior with set outcomes, training at beginning of year for teachers or time to workshop to create a plan that can be followed through.

Root Cause Addressed:

Teacher/Adults knowledge and resources available

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Monthly case meetings with SIS team
School wide RJ training, led by Morningside during Monday PD time
Schoolwide restorative circles once a week
Common language used schoolwide (i.e. level zero), clear expectations for behavior with set outcomes, training at beginning of year for teachers or time to workshop to create a plan that can be followed through.
School wide assemblies to support RFA initiatives & RJ initiatives to support students' social emotional learning

Daily check ins with social worker & admin to review daily incident reports and create plans of action

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

OORS reporting data, monitored monthly
Daily and weekly check ins with the Social Worker
Monthly meetings with the SIS team

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	05/29/2026	SIS family counseling & workshops	CFL
10/01/2025	06/30/2025	Parent Workshops	Parent Coordinator, Social Worker

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Principal, AP, Social Worker, Guidance Counselor

Instructional Resources

RJAT/Morningside Resources

Schedule Adjustments

SEL time built into schedules

Other Resources Needed

Partnership with Morningside & OSYD to support RJAT

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Screener Data- 27% of students OOA in Acadience & MAP June 2025	Foundational Math skills- gaps in teacher content knowledge, Tier 1 core instruction inaccessible to all students, pacing issues to address all standards	MTSS, teacher content knowledge building
Screener Data- 46% of ENL students OOA in Acadience & MAP June 2025	Math skills- gaps in teacher content knowledge, Tier 1 core instruction inaccessible to all students, pacing issues to address all standards	MTSS needs teacher content knowledge building

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	57%	By June, 2026, 62% of all students, including ENL students, will demonstrate average or above average growth as measured by Math Screeners.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

School wide data meetings to look at specific math standards and follow protocols to ensure teachers have targeted supports to meet those standards

Root Cause Addressed:

Teacher content knowledge

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
School wide data meetings to look at specific math standards and follow protocols to ensure teachers have targeted supports to meet those standards
Continue work with District and pilot IM units in 3-5
Action Steps (MLLS) Integrate language objectives and oracy objectives into math lessons to support academic language development Use translanguaging strategies to support cross linguistic connections and grow metalanguage skills in the classroom (i.e., the use of sentence stems, cognate walls). Provide real world examples to support students with conceptual understanding.
Implement targeted small-group math instruction for students with IEPs based on screener data.
Implement evidence-based math interventions (fluency routines such as Number Talks and the 3 Reads strategy

during math intervention blocks throughout the school day).
Incorporate the robust use of manipulatives and visual aide supports (i.e., realia) to enhance conceptual understanding
Working with Metamorphosis to provide Professional development to teachers to support NYC Math Shifts
ADVANCE observations during math to ensure tier 1 instruction is aligned to math standards and lessons are rooted in student data leaving space for high levels of student engagement and supports for all learners to access the lesson

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monitor through Screener Data

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/01/2025	05/29/2026	Math workshops for families to support understanding of new math curriculum, math standards and how to support students at home	school based staff including PCT (peer collaborative teacher)
11/03/2025	05/29/2026	Lending library for math toys/games	school staff
09/08/2025	06/26/2026	K-2 math centers workshops for families, teach families how to play the games and reinforce math concepts at home	school based staff including PCT (peer collaborative teacher)

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Principal, AP, Math Coach,

Instructional Resources

Illustrative Mathematics, Engage NY

Schedule Adjustments

period built into the schedule for grade data meetings to follow a structured protocol to support teachers with deepening their content knowledge through unpacking standards

Other Resources Needed

Central & District based. PLs

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC Rise Data- 30%	Parent Understanding of the Program	Access to access to financial literacy curriculum for teachers & families

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	25	By June 2026, the percent of families participating in NYC Rise will increase from 32% to 41.7% as measured by NYC Rise Data.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

NYC Rise Account Activation

Root Cause Addressed:

Lack of understanding for families

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Action Item #1: Introduce Save for College program during orientations
Action Item #2: Have a spokesperson come in September
Action Item #3: Do language focused workshops in the Fall

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monitored through the NYC Rise Account Activation Reports

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	05/25/2026	Tabling during family friday and togetherness thursday. Resources shared at back to school events/nights, which are always well attended.	Parent Coordinator & Family Worker
11/03/2025	06/19/2026	Sharing of financial literacy resources with students & families	Parent Coordinator & Family Worker

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Family Worker

Instructional Resources

Financial Literacy lessons implemented in all classrooms K-5

Schedule Adjustments

Classroom schedules create space for these lesson

Other Resources Needed

NA

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
PCAR Data- 24% of families	Family Engagement needs, same families come to the majority of events,	provide families with activities at a variety of times that support all families, dig deeper into families

routinely engage in activities	some families rarely if ever come to events	wants and what would support greater family turnout

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	24	By June 2026, the percent of families participating in 516 events/workshops as measured by PCAR data will increase 6% from 24% to 30% .

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Increase in parent engagement as measured by PCAR activity reports

Root Cause Addressed:

Workshops either offered at times that aren't supportive to families, workshops not meeting the needs/wants of families, greater communication/ outreach needed

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Collaborating with the Support in Schools Program (FAST Team), inviting them to every event
Action Item - Promoting our school through Awards ceremonies for parents, update on media platforms introducing our school (video) and uploading it on Instagram, Remind and school website.
Involving community in school events (like with marketplace), having a performance for the public (dance, inside broadway, etc).
More marketing - flyers.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monitor through PCAR data review

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/19/2026	Involving community in school events (like with marketplace), having a performance for the public (dance, inside broadway, etc).	PTA &School Staff
10/06/2025	05/29/2026	Workshops with FAST/SIS	CFL

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Principal, AP, Family Worker

Instructional Resources

TBD

Schedule Adjustments

TBD

Other Resources Needed

TBD

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Chronic Absentism 24-25 - 27%	understanding of systems, outside supports needed	Chronic absences
Schoolwide Attendance Data 24-25 - 93%	Absent rate	absence rate
Schoolwide Attendance Data 24-25	understanding of systems, incentives to arrive on time	chronic lateness

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	27%	By June 2026, school wide the percent of students designated chronically absent will decrease 5% from 27 % to 22% as measured by the insight Chronic Absenteeism Rate.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Twice a month meetings to dig into student data
Parent workshops
FAST program offered to families through a partnership with CFL

Root Cause Addressed:

absences & lateness caused by lack of understanding of attendance systems
absences & lateness caused by lack of incentive to arrive on time

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Bi-weekly meetings to analyze data
Weekly phone check ins with families
Student celebrations of attendance growth
morning programming to support on time arrival
Student celebrations of attendance growth

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Every other week data meetings to analyze data and weekly running RSUA and analyzing two day absences and absence percentage growth or decrease

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	06/19/2026	Systems for attendance teacher & office to outreach to families to support with resources	NA
10/01/2025	06/19/2026	Partnership with CFL to offer workshops to a group of parents, this is an 8 week cycle that will run two sessions	CFL

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Attendance teacher & family worker working in conjunction to support students and families to increase attendance and connect families with outside resources

Instructional Resources

N/A

Schedule Adjustments

Schedules of family worker, comp time available to support families through evening outreach

Other Resources Needed

NA

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
2024 MOY Screener Data- 48 % of SPED students on grade level	Foundational skills gap	IEP Development and Fidelity of Implementation
		Transition Planning and Compliance
		Referral Process and Equity

		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	TBD	By June 2025, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve the implementation and effectiveness of specially designed instruction (SDI) to show at least 10% growth in OOA screeners, as measured by BOY to EOY growth on Acadience and MAP Growth screeners, through ongoing professional development cycles focused on SDI, evidence-based instructional practices, and updated special education compliance requirements.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

improve the implementation and effectiveness of specially designed instruction (SDI), through ongoing professional development cycles focused on SDI, evidence-based instructional practices, and updated special education compliance requirements.

Root Cause Addressed:

strengthen the quality and implementation of IEPs for Students with Disabilities (SWD),

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
ongoing professional development cycles focused on SDI, evidence-based instructional practices, and updated special education compliance requirements
we will provide targeted professional development for Integrated Co-Teaching (ICT) teams focused on implementing consistent co-planning routines, using effective co-teaching models, and applying academic, behavioral, and IEP goal data to inform instruction
Professional Development around progress monitoring tools and use of these for small group instruction
district and central professional learning (IEP writing, SDI, progress monitoring, etc.)
district & central professional learning for staff to support student needs

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress Monitor through the collection of screener data looking closely at students with disabilities (SWD)

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/08/2025	05/29/2026	Family Workshops around understanding SWDs	NYU & Parent Coordinator, SPED Coordinator
10/06/2025	05/29/2026	Workshops around at-risk services and ways families can support at home	NYU, Parent Coordinator

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Principal, AP, Centrally Funded IEP Teachers, classroom teachers, paraprofessionals, intervention teacher

Instructional Resources

Intervention Programs- OG, SPIRE, Sound Sensible

Schedule Adjustments

TBD

Other Resources Needed

TBD

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
SPIRE	Far below grade level in reading and/or lack of movement	small group intervention	small group	during the day	No
Tier 2 small groups	Far below grade level in and/or lack of movement on common screener	small group intervention	small group	during the day	No
Tier 2 support through title 3 after school	Additional support for language learners	after school	after school, small group	after school	No
Sound Sensibile	Far below grade level in reading and/or lack of movement	small group intervention	small group	during the day	No
Waggle	Bottom 16th percentile on screeners	station	small group	after school & during the day	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Classroom Behavior Plan (Tier 2)	Anecdotal notes, Teacher/Provider Observations	in class behavioral supports	Full-Class/small group, one-to-one	during school	No
At-risk counseling	Anecdotal notes, Teacher/Provider Observation, Referral from SIT	at risk counseling	one on one or small group	during school	No
Functional Behavior Assessment/Behavior Intervention Plan (Tier 3)	Anecdotal notes, Teacher/Provider Observation, Referral from SIT	in class behavioral supports	one on one	during school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Screeners are administered three times a year and parents are shared on progress of students. Students are grouped into skill building groups to meet individual needs based on data. Parents receive a letter to let them know their students' progress and for students in the bottom 16th percentile progress monitoring is done in the system and updates are shared with families.

Students identified for Saturday Academy or before or after school programs, this is shared with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Students who are identified for Tier 2 targeted or Tier 3 interventions will either receive letters or phone calls about the interventions

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

If the Tier 3 interventions are provided through after school or Saturday Academy then parents have choice in their children attending. Parents are involved in the process of at-risk services for students.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

67

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

As a STH team we created a flyer/one pager to explain housing status
This will be given to the students that are registering at the time of registration

Needs of families vary, but additional after school supports, including connections with CFL.

Ensuring students have tech is a goal, ensuring all STH students have iPads accessible.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Outreach to families about specific needs
STH Liasion will attend Annual McKinney-Vento Act Training
We will use the data from regular Attendance Meetings to inform needs and supports of students and families and provide regular outreach to families students who were at risk of be chronic and students were chronically absent.
STH Liaison and with the support of the Parent Coordinator and Social Worker to reach families to identify the needs of the students.
After assessing the needs funds will be used to order supplies for our students. Some examples are below:
Clothing (uniforms),
Hygiene kits
Blankets
Headset with microphone for remote work

Communication to parents will be done through flyers and posters for families.

STH Liasion, Social Worker, parent coordinator and administration will conduct ongoing meetings to assess the needs of the STH students and families.

We will also communicate with our CBO, Center for Family Life, to coordinate additional needs for families.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 516 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association)
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 516, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

-Social justice professional development (including workshop with teachers and modeling in classrooms)
-AIS
-Professional development for SEL
-Social emotional supports for students

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

-Parent involvement activities such as story gathering to support families
-Aligned curriculum based on needs revealed on social emotional screener
-Developmental screenings
-Pre-k social worker

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	292,601	x	ELA, Math, SEL
Title I, School Improvement 1003(a)	Federal	0		
Title II, Part A	Federal	0		
Title III, Part A	Federal	16,929	x	ELA, Math, SEL
Title III, Immigrant	Federal	0		
Title IV, Part A	Federal	0		
Tax Levy (Fair Student	Local	3,634,632	x	ELA, Math, SEL

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Jessica Knudson
Assistant Principal (Where Applicable)*	Natalie Francisco
English as a New Language (ENL) Teacher*	Lan Thanh Nguyen
Teacher (if school has a bilingual program must be a bilingual teacher)*	Ervin Abreu
Parent/Guardian*	
Teacher	
Parent Coordinator	Gabriel Rodriguez
School Counselor	
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

Lan Thanh Nguyen, Nazareth Chavez, Ervin Abreu, Mai Mai Lam

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

Lan Thanh Nguyen, Nazareth Chavez

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

Ervin Abreu, Mai Mai Lam

Number of ESOL certified teachers with a bilingual extension:

Ervin Abreu, Nazareth Chavez

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

10

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

2

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

293

Total number and percentage (%) of current ELLs:

115 and 39.59% of current ELLs

Total number and percentage (%) of former ELLs:

20 former ELLs and 2.95%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

77 and 67%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

20 and 17.4%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

29 and 25.2%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Dual Language	Spanish	2014	2	2	1	2	1	2								10
DLBE																	0
DLBE																	0
				total: 2	total: 2	total: 1	total: 2	total: 1	total: 2	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

ENL students will be serviced by 4 ENL providers and 2 teachers will self service in their classrooms.

Each teacher will provide the necessary stand-alone and integrated minutes per CR Part 154 depending on each child's NYSESLAT/NYSITELL Level. Stand-alone minutes will take place in the designated ENL room for each building.

All students in our ENL program receive 180 minutes of integrated language support, provided by 1 of the 4 ENL providers. Students are grouped by grade for Stand-Alone instruction. Entering and emerging students are prioritized for 180 stand alone instruction minutes. Class size for stand-alone groups varies per grade, however, teachers usually schedule a range of 5-10 students per group depending on ELL totals. Academic and language needs for students in each group are determined through NYSESLAT scores, academic screeners (MAP/Acadiance), and informal teacher assessments.

Stand-Alone instruction is prioritized in the dual classrooms through small group work and the strategic use of our skill building time, a designated 25 minutes 4 days a week where students are broken up into groups based on specific needs. ELLs in Dual Lang. classrooms receive an additional 80 minutes of small group support, intended to support entering and emerging ELLs in DLB. Students in the dual program are specifically grouped thinking about language needs, this is in addition to the minutes provided by the bilingual classroom teacher to meet 180 minutes per week.

Integrated ENL:

ENL teachers will co-teach with classroom teachers on each grade level for integrated ENL minutes. To ensure that ELLs receive high quality teaching, ENL and classroom teachers co-plan during alternating, common prep periods to analyze reading and language proficiency data. Ss are then grouped in both homogenous and flexible groups depending on curriculum unit and lesson plan needs. Additionally, student academic and language needs are considered when creating student groups. This year, we are using the HMH Into-Reading curriculum. We use HMH center work time as the highest leverage for co-teaching during integrated ENL minutes and we rely on the station teaching model to ensure that multiple students are being given the highest level of support.

Mandated minutes of service provided are aligned to current CR Part 154 mandates.

Former ELLs receive ENL instruction through Integrated ENL during literacy blocks; either reading or writing.

All Ells will receive instruction in Tier 1 in Fundations, with additional language curricula as necessary, Additionally we use HMH and vocabulary instruction to support our ELLS.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

We have a dual language program where if there is only one section on a grade, we follow an alternating day model.

In the lower grades (K-2), when there are two sections on a grade, we follow a side by side model.

In the upper grades (3-5), when there are two sections on a grade, we follow an alternating day, and sometimes unit/module by unit/module model to increase accommodate academic language growth with fidelity.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

ELLs in grades K-2, are regular progress monitored using HMH assessments, Acadience progress monitoring, and where applicable, TIER III intervention assessments. ELLs in grades 3-5, are regular progress monitored using HMH assessments, and where appllicable, TIER III intervention assessments. For the dual language programs we follow a 50/50 model; with 50% of the instruction taught in English and 50% of instruction taught in the target language (Spanish). Dually certified instructors provide both ELA and HLA instructional minutes as per the "language of the day/period/unit/module."

In the ENL program, ENL teachers co-plan and co-teach with classroom teachers to provide integrated ENL supports during integrated ENL minutes. For stand-alone ENL minutes, students are serviced in small groups by the ENL teacher in designated classrooms for ENL instruction (and sometimes in small groups within the classroom when that enhances overall instruction).

We use student proficiency levels to determine groups and number of minutes per week. For example, a student with the entering proficiency level will receive one unit of study in ENL stand-alone and one unit of study in ENL/ELA integrated in the classroom per week.

Within small groupings (for both integrated and stand-alone minutes), ENL teachers ensure that mandated minutes of ENL service align with current CR Part 154 unit of study mandates.

ENL and DLBE instructional minutes are provided according to the language proficiency levels as mandated by current CR Part 154 mandates.

We use EDAT reports, screener data (Acadience & MAP) and in class assessments (FUNdations, HMH) to guide our decisions.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

See above for delivery of ENL minutes per CR Part 154 in ENL and DL models.

In the ENL program, ELA minutes are delivered by ENL teachers co-planning and co-teaching with classroom teachers to provide integrated ENL supports during integrated ENL minutes. Though amplification of and imbedding supports for the HMH curriculum, English Language Learners (ELLs) receive high quality English instruction.

Where possible, in the ENL program, HLA minutes are delivered via small group when the co-teacher has access to the student's native language to amplify content and/or make tasks comprehensible.

In the DL program, ELA minutes are delivered by certified bilingual classroom teachers that provide amplification of and imbed supports for the HMH curriculum to provide ELLs with high quality English instruction.

In the DL program, HLA minutes are delivered by certified bilingual classroom teachers that provide instruction to students in the native language (L1) to amplify content and further bilingualism and biliteracy.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

For the dual language programs we follow a 50/50 model; with 50% of the instruction taught in English and 50% of instruction taught in the target language (Spanish). Dually certified instructors provide both ELA and HLA instructional minutes as per the "language of the day/period/unit/module."

We use student proficiency levels to determine groups and number of minutes per week. For example, a student with the entering proficiency level will receive one unit of study in ENL stand-alone and one unit of study in ENL/ELA integrated in the classroom per week.

Within small groupings (for both integrated and stand-alone minutes), ENL teachers ensure that mandated minutes of ENL service align with current CR Part 154 unit of study mandates.

ENL and DLBE instructional minutes are provided according to the language proficiency levels as mandated by current CR Part 154 mandates.

We use EDAT reports, screener data and in class assessments to guide our decisions.

b. In which language(s) is each core content area taught?

Regardless of specific planning per grade and content demand, both the L1 and L2 are prioritized at having an equal 50% of instructional implementation.

When considering grade level and academic demand, content is taught in both languages but the method of language delivery may vary. For example, lower and middle grades may follow a two week/10 day cycle that alternates between the two languages to best facilitate language and content learning, or upper grades may alternate languages by whole modules/units. Ultimately, each language is still given 50% of teaching time when considering the entire school year.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Total ELLs: 134 (43.93%)
Total FELLs: 9 (2.95%)
Total Newcomer ELLs: 107 (80.5%)
Total Developing ELLs: 50 (18.9%)
Total Long-term ELLs: 13 (9.8%)

Effective instruction for Newcomer English Language Learners (ELLs) differs significantly from instruction designed for Developing or Long-Term ELLs, primarily in focus, pacing, and support systems.

ENL Teachers incorporate culturally responsive practices to support students' transition into a new academic and social environment. Instruction for Newcomers emphasizes comprehensible input, explicit vocabulary instruction, use of visuals and realia, and opportunities for meaningful interaction in English. Newcomers who have recently arrived in the United States and are at the beginning stages of English language development, need a highly scaffolded, sheltered instructional environment that includes intentional focus on survival language, social-emotional support for acculturation, and foundational literacy skills. This also includes Fundations, HMH, and Oracy,

On the other hand, Developing and Long-Term ELLs frequently have varied levels of academic English proficiency and higher social language abilities. For these students, the focus of instruction is on developing academic vocabulary, content-specific literacy across all subjects, and increasingly complex language structures. Finding and filling in academic language gaps that might have gone unnoticed in previous grades is crucial, especially for Long-Term ELLs. This includes focused assistance in reading comprehension, writing, and grammar that is frequently included into grade-level curricula.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Total SIFE: 2 (1.42%)

Effective instruction for SIFE students starts with thorough diagnostic assessments to identify gaps in foundational literacy and numeracy as well as primary language strengths that can be used for learning. SIFE students need highly differentiated and holistic instruction that addresses both their academic and social-emotional needs.

Strategies like visual supports, manipulatives, sentence frames, graphic organizers, and hands-on learning are crucial to making content understandable and accessible. Differentiation for SIFE includes integrating English language development with foundational skills instruction, frequently through a sheltered or co-teaching model. Instruction is paced appropriately to accommodate both the acquisition of English and the need to build or rebuild core academic skills.

In order to support academic risk-taking and engagement, teachers must establish safe, trauma-informed learning environments that validate students' cultural backgrounds and experiences. Additionally, instruction for SIFE students frequently involves cross-disciplinary collaboration, including partnerships with guidance counselors, social workers, and family liaisons. This wraparound support ensures that students are not only making academic progress but are also adjusting socially and emotionally to the school environment. In general, effective instruction for SIFE is individualized, supportive, and flexible—focused on accelerating learning while honoring the unique pathways that brought students to the classroom.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

This question does not apply to us because Long-Term ELLs are 7 plus year of instruction and we're a 6 year school.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Our school provides mandated support to Former ELLs by offering at least one unit of Integrated ENL instruction, typically through co-teaching or push-in support in core content areas. Teachers differentiate instruction and embed language supports such as vocabulary development, reading strategies, and structured writing tasks to ensure continued academic success. Former ELLs are closely monitored for two years through regular assessments and teacher collaboration, with additional supports provided as needed to ensure they stay on track with their peers.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

	#Ells
1.	37 (27.8%)
2.	50 (37.6%)
3.	28 (21.1%)
4.	6 (4.5%)
5.	1 (.8%)
6.	9 (6.8%)
7.	2 (1.5%)

Newcomers: 107 (80.5%)
ELA: ELLs who scored Level 1 or 2
ELLs in temporary housing: 57 (42.9%)
ELLs who did not demonstrate sufficient ELP Progress (Spring 2024 NYSESLAT):57 (42.9%)

Given the trend that 42.9% of our ELLs in temporary housing did not demonstrate sufficient English Language Proficiency (ELP) progress, our school is taking a multi-modal, supportive approach to address their needs and act as a protective factor. We provide targeted small-group ENL instruction with increased scaffolds, use of visuals, and differentiated materials to meet students where they are. Our school ensures that students in temporary housing have access to devices, Wi-Fi, and multilingual tech support for remote or blended learning. Social-emotional supports, such as counseling and mentoring, are available to build trust and resilience. We also maintain close communication with families through translated materials and outreach efforts, ensuring they are connected to both academic and community resources. These combined supports aim to create a stable, nurturing environment that helps mitigate the challenges of housing insecurity and promote language development and academic success.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

ELA: Former ELLs who scored Level 1 or 2 last school year: 1 (11.1%)
Math: Former ELLs who scored Level 1 or 2 last school year: 4 (44.4%)
Former ELLs in temporary housing: 1 (11.1%)

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Our school values the Spanish home language as a vital asset to student learning and identity. To support this, we have bilingual staff, including ENL and Dual Language teachers, who provide instruction and communication in both English and Spanish. We offer a Dual Language program that promotes biliteracy and academic achievement in both languages. School-wide communication—including newsletters, parent letters, and robocalls—is consistently provided in Spanish. Additionally, we host workshops and family engagement events in Spanish to ensure families are informed and involved. Collaborative planning time allows teachers to incorporate culturally responsive practices that honor and integrate students' Spanish language and heritage into the curriculum.

For families who speak Arabic, Chinese, Japanese, and Russian, our school provide translated communication through the DOE's Translation and Interpretation Unit, including letters, notices, and robocalls in families' home languages. We also ensure that interpreters are available for parent-teacher conferences, IEP meetings, and family workshops. Multilingual staff members and cultural liaisons help bridge communication and foster trust with families from diverse linguistic backgrounds. Additionally, we host culturally inclusive events and workshops to engage families, celebrate their heritage, and provide resources that support their children's academic success in a welcoming, accessible environment.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

American Indian or Alaskan Native: 55 (41.4%)
Asian: 6 (4.5%)
Black: 8 (6%)
Multiracial: 6 (4.5%)
White: 58 (53.6%)

ELLs are actively included in the planning and delivery of Culturally Responsive and Sustaining Education (CRSE) through instructional practices that affirm their identities, languages, and lived experiences, ELLs actively participate in the planning and delivery of Culturally Responsive and Sustaining Education (CRSE). Teachers incorporate students' cultural backgrounds into lesson planning through the use of multilingual texts, culturally relevant content, and opportunities for students to share their stories and perspectives. Staff members engage in professional learning on CRSE and work together to make sure that curriculum and instruction are inclusive and responsive to the diverse cultural and linguistic backgrounds of ELLs.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

ELP scores are currently unavailable for SY 2024-2025. Of the 129 ELLs tested on the NYSESLAT last year, our school notices the following trends:
-2 students made negative growth
-39 students remained at the same proficiency level
-36 students went up 1 proficiency level
-8 students went up 2 or more proficiency levels
-31 students took their first NYSESLAT
-15 students tested out of ELL services/receiving a commanding score

One trend is that there were 17 emerging students that remained at the same level, these are entering and emerging ELLs primarily in the upper grades.
Another trend is PS 516 reduced the number of ELLs. that remained at expanding proficiency levels for 2 plus years. Only 15 ELLs remained expanding in SY 2024-2025 after being expanding 2023-2024

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Somethings that stands is that PS516 tested out more ELL then we have in previous years. Another trend is, there are a handful of students whose scores in Listening were very low, indicating a need more phoneme awareness and dictation activities. A final trend is that writing remains the modality of concern for most ELLs.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

By definition, ELLs are students who need additional supports to access grade level instructions. Our ELLs who testing at grade level also tested out of continuing receiving NYSESLAT services. The majority of our ELLs continue to test at Levels 1 and 2 in ELA and Math.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

PS516 currently does not have any SIFE students. Our ELLs with IEPs are evenly divided between students who moved 1 proficiency level (12 students and students who made no or negative progress 14 ELLs) Approximately half of the students that made no or negative progress are students with an IEP for special class. At PS516 we believe that for this population in particular, learning disabilities are adversely impacting language acquisition.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

PS 516 ensures that ELLs are provided with a high-quality academic experience that leads to deeper learning by implementing a Multi-Tiered System of Supports (MTSS) that includes culturally and linguistically responsive instruction on three levels (Tier I, II, and III).

Tier I is core instruction where ELLs work with a variety of texts that feature big ideas, rich content, and multiple perspectives through the HMH, Fundations, and Arriba la Lecture ELA curriculum and through Math Talks and Engage/Illustrative Math (IM) in Mathematics. Additionally, during core instruction ELLs are provided access to building knowledge through scaffolded class discussion/participation, are allowed opportunities for extended/differentiated writing as a platform to continue to build language and knowledge, and are given small sets of high-utility vocabulary to further master language and content knowledge. Support in implementing these points of MTSS for ELLs is provided to classroom teachers via co-planning time with ENL providers and planned PD cycles aimed at supporting ELLs throughout the school year.

For SY 2025-2026 the school will continue with SBT (Skill Building Time). This time is an opportunity for ELLs to receive researched based interventions designed to meet their modality needs. This work complements ENL instruction and insures ELLs have sufficient time to learn grade level skills while remediating critical foundational gaps.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

PS 516's leadership team consists of specific liaisons that serve MLLs:
•an instructional coach that is a former Dual Language teacher with a bilingual teaching certification
•a current ENL teacher/ELL Coordinator
•Special Education liaison

These professionals support and advocate for language learners, thus ensuring that MLLs are at the forefront of discussions and instructional design planning. With a seasoned and critical lens, instruction is tailored to not only

language learners but all learners from a universal design perspective.

The school leadership team has done extensive work to identify research based practices and curricula that address the needs of striving learners, including ELLs. The team will continue to refine this work to ensure teachers have necessary resources and professional developments to ensure ELLS Have access to core instruction.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

ENL PROGRAM:
•Teachers use English to provide instruction, while offering a variety of available materials in the HL that students can borrow and utilize in the classroom and with families at home
•A variety of language learning methods are used during instruction - including but not limited to; TPR, natural language approach, culturally responsive instruction fostered through a growing CR-SE framework
•All language modalities are integrated into authentic use of English: speaking, listening, reading, and writing
•Use of hands-on activities and realia
•Incorporation of digital tools to grow digital literacy

DUAL LANGUAGE PROGRAM:
•Teachers use English and Spanish in our Dual Language program. Pending student enrollment per grade level, some classes use a side by side model with two teachers, and some classes use a rollercoaster model with one classroom teacher
•A variety of language learning methods are used during instruction - including but not limited to; TPR, natural language approach, culturally responsive instruction fostered through a growing CRSE framework
•Close working relationship with all families
•Language skills via modalities (speaking, listening, reading, and writing) are incorporated across the curriculum and content areas
•Access to HL and Target Language in all core content areas
•Incorporation of digital tools to grow digital literacy

Literacy
•use of embedded ELL components in HMH curriculum and/or translated components (Arriba la Lectura)
•small groups meet daily, with focused and repeated learning targets, as necessary
•use of iPads and smart boards
∗K-2 uses Fundations, Estrilita, Heggerty and Lunita to enure critical foundational skills, including accuracy and fluency are at grade level for all students including ELLs

Math
•translated resources of EngageNY curriculum, as necessary
•use of hands-on manipulatives to solidify numeric concepts
•use of iPads and smart boards
*transitioning to a Math curriculum that uses a constructivist approach and with all resources available in English and Spanish
*emphasis on fluency and numeracy bench marks to ensure all students, including ELLs, have critical foundation MATH skills.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

As 10% of PS 516 comprises students with IEPs in our ELL population (SWELLs), there is a plan in place for this classification of learners.

In all subject areas, our teachers work in collaboration with Special Ed. teachers on grade-level teams and with 12:1 classroom teachers to know individual students well and then plan to modify instruction as necessary. Both flexible grouping and conferencing are used to meet students in their zone of proximal development.

Specific information about SWELLs as well as home language supports throughout our bilingual program will be taken in consideration when planning for instruction to respond to their needs. Our ENL providers will work closely with the teachers, as well as provide specific supports to SWELLs through 180 minutes of stand-alone supports and 180 minutes of push-in services. When necessary, ENL teachers also support Dual Language staff to provide high and focused support for SWELLs.

Additionally, we plan on using both formative and summative data to tailor instruction to meet the needs of language learners on a case by case basis. Data will include but is not limited to: NYSESLAT, STARS, MAP, etc. Furthermore, we will continue our work around Multi-Tiered Support Systems (MTSS) that will highlight how to leverage the assets of needs for ELLs during all instructional periods of the day. Teachers prioritized specially designed instruction as an opportunity to teach autonomy and independence while accessing grade level skills.

b. SIFE

Though our current SIFE numbers are 0% of our ELLs, we ensure that a plan is in place for this classification of learners.

In all subject areas, our teachers work in collaboration on grade-level teams to know individual students well and then plan to modify instruction as necessary. Both flexible grouping and conferencing are used to meet students in their zone of proximal development.

Specific information about SIFE students will be taken into consideration when planning for instruction to respond to their needs. Our use of a push-in model for both intervention and ENL providers on each grade levels allows us to remain highly flexible and responsive to the needs of all students. Our ENL providers work closely with classroom teachers and provide specific supports for SIFE students.

Furthermore, when possible, ENL providers create small groups specifically for SIFE students to create a safe space for these learners that often have differing needs from their peers. In these groups, ENL providers work with both monolingual and dual language classroom ELLs to provide intensive English via instruction with a heightened focus on Social-Emotional Learning and Trauma-Informed teaching.

c. Newcomers

As 57% of PS 516 comprises Newcomers in our ELL population, there is a plan in place for this classification of learners.

In all subject areas, our teachers work in collaboration on grade-level teams to know individual students well and then plan to modify instruction as necessary. Both flexible grouping and conferencing are used to meet students in their zone of proximal development.

Specific information about Newcomers as well as home language supports throughout our bilingual program will be taken in consideration when planning for instruction to respond to their needs. Our ENL providers will work closely with the classroom teacher as well as provide specific supports to Newcomers through 180 minutes of stand-alone supports and 180 minutes of push-in services. When necessary, ENL teachers also support Dual Language staff to provide high and focused support for Newcomers.

Additionally, we plan on using both formative and summative data to tailor instruction to meet the needs of language learners on a case by case basis. Data will include but is not limited to: NYSESLAT, STARS, MAP, etc. Furthermore, we will continue our work around Multi-Tiered Support Systems (MTSS) that will highlight how to leverage the assets of needs for ELLs during all instructional periods of the day.

Oracy work is prioritized with new comers in classrooms to equip tools they need to participate effectively in classroom discussions, presentations, and other collaborative activities.

d. Long Term ELLs

Though our current Long-Term ELL (L-TELLs) numbers are 0% of our ELLs, we ensure that a plan is in place for this classification of learners.

In all subject areas, our teachers work in collaboration on grade-level teams to know individual students well and then plan to modify instruction as necessary. Both flexible grouping and conferencing are used to meet students in their zone of proximal development.

Specific information about L-TELLs students will be taken into consideration when planning for instruction to respond to their needs. Our use of a push-in model for both intervention and ENL providers on each grade levels allows us to remain highly flexible and responsive to the needs of all students. Our ENL providers work closely with classroom teachers and provide specific supports for SIFE students.

In the event that a student is held-over and is classified as a L-TELLs, ENL providers will work closely with classroom teachers (in ENL and DL programs) to create a more individualized program of support to ensure the student has opportunity to make reasonable language gains.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

ELLs who are also students with disabilities (SWELLs) receive accommodations that apply to both their ELL and SWD classifications, as appropriate and according to CR-154 and their IEP.

Our SWELLs are currently served through either SETSS, ICT, or 12:1 classroom models. They participate with the ENL teachers for both stand-alone and integrated ENL programming as per CR-154. All teachers of ELLs, Non-ELLs, SWDs, and non-SWDs follow a standards-based, Next Generation Learning Standards aligned curriculum in Literacy, Mathematics, and Content areas.

Our teachers work in collaboration to plan for, and further refine, units of study and lessons that incorporate both

content and language objectives, in addition to pedagogical techniques that support language access and development (comprehensible input, TPR, SIOP lesson planning, translanguaging, visual and gestural supports, and cueing). Technology, including interactive whiteboards and iPads, is used as part of the regular instructional program for all ELL students.

For ELLs with IEPs, the students SDI is discussed and prioritize as opportunity to support language acquisition.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In our ENL program, students experience instruction in English. When appropriate, we use the student's native language to support their growth. For example, reinforcing and/or previewing specific content and vocabulary in the HL. In the event of receiving a Newcomer to PS 516, we utilized the MLS state testing to help evaluate a child's academic and linguistic abilities in their HL to provide data and insights as to how to best support them via the HL when possible.

Students in our Spanish Dual Language program follow a 50/50 model for instruction, in which they spend half the time experiencing instruction in the home language and the other half of the time experiencing instruction in the target language; English/Spanish. Teachers maintain fidelity to the language of the day in both models utilized in our school. Assessments throughout the year are given in both English and Spanish to allow for proper data analysis of how each student in progressing in each language. The data is then used to inform/amplify teaching practices.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

In ENL and DL programs, our teachers work in collaboration on grade-level and vertical teams to get to know individual students well and to deepen content knowledge across the grades and areas of content.

The data, observations, and learning gleaned from cross-team and cross-grade meetings are then used to inform and modify instruction as necessary. ENL teachers participate in integrated co-teaching in monolingual classrooms and DL teachers implement adaptations during their regular classroom lessons.

Both flexible grouping and conferencing are used to meet students in their zone of proximal development as it pertains to teacher load and student needs.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

As our Instructional Leadership and Development Team (ILDT) includes multiple MLL advocates, professional learning at our school utilizes much of the human capital and expertise available to us in-house.

Throughout the school year, coaches and ENL staff provide series of Professional Development (PD) for all staff that is tailored toward enhancing teaching and learning for ELLs. In the upcoming school year we will continue to focus on growing staff understanding and abilities in Tier 1 teaching of the MTSS, best practices for teaching ELLs, and understand the NYSESLAT .

The school had partnered with Teaching Matters, Illustrious Mathematics and Edwards to provide staff with training and professional development that will enhance our Dual Language and ENL programs, for both learners and pedagogues.

By the end of this school year, from both outside partnerships and in-house experts, 15% of whole-school PD hours will be in devotion to educating and building enhanced pedagogical practices for PS 516's ELLs.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

At PS 516, our instructional focus for the school year is rooted in developing best practices in language development.

Throughout the school year, coaches and ENL staff provide series of Professional Development (PD) for ENL & DL staff that is tailored toward enhancing teaching and learning for ELLs. In the upcoming school year we will continue to focus on growing staff understanding and abilities in Tier 1 teaching of the MTSS.

The school had partnered with Teaching Matters, Illustrious Mathematics and Edwards to provide staff with training and professional development that will enhance our Dual Language and ENL programs, for both learners and pedagogues.

By the end of the school year, from both outside partnerships and in-house experts, 15% of whole-school PD hours will be in devotion to educating and building enhanced pedagogical practices for PS 516's ELLs.

Our bilingual education & ENL teachers will receive additional ELL-specific professional development.

DOE Offerings:
Teachers are encouraged to participate and pursue additional professional development opportunities offered through the DOE, including sessions and series offered by the NYC DOE Division of Multilingual Learners.

In-House Professional Development & Summer PD:
New teachers participate in summer training course that addresses language acquisition concepts and are facilitated by our ENL and bilingual teachers. Conference days, including Election Day and the June Chancellor's Conference Day, are dedicated to professional development sessions connecting to our instructional focus of language development. Staff explores comprehensible input and integrated co-teaching models during these day-long professional development sessions.

Bilingual and ENL Teachers:
Our bilingual and ENL teacher teams participate in vertical planning throughout the year to engage in specific professional development relating to language acquisition, content-area instruction, and best practices for co-teaching.

By the end of the school year, from both outside partnerships and in-house experts, ENL/Bilingual teachers will be encouraged to meet 50% ELL-specific PD requirements through attendance and participation in ELL-specific PD.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Classes K-2
•Acadience Reading Assessment
•Acadience Math Assessment

Classes 3-5
•MAP Reading Assessment
•MAP Math Assessment

Where applicable, Acadience assessments will be administered in Spanish.

We track progress and success of each ELL student by examining their formal (including common screeners) and informal assessments, conferring notes, state/citywide test results, and/or meeting if ELLs are making AYP. We then analyze and evaluate whether or not our programs or interventions have been successful for our ELLs. If data reveals that our programs or interventions need adjustment, pertinent members of staff meet as a team to reflect and review what components did not work and then make necessary shifts.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

In grades K-5, PS 516 creates rigorous and evidence based core instruction aligned to the Into Reading & Arriba la Lectura programs for ELA, and aligned to Eureka (Engage NY) and IM for Math. We then target small groups or individuals that need extra attention via the MTSS model as necessary.

Activities and/or experiences in the classrooms further enhance language learning in the dual language classrooms. These supports are provided in both English and Spanish.

Classroom teachers in conjunction with ENL teachers, SETSS teachers, and instructional coaches implement intensive, individualized instruction outside of the classroom to support core instruction. When applicable, co-planned small group instruction happens during integrated classroom time as well.

Across grades, small group needs may vary depending on the homogeneity or heterogeneity of the grouping. For example, students may be grouped together because they are Newcomers, whereas those students would have very different needs from a small group of ELLs that haves IEPs or a mixed-classification of ELLs.

(add in 25 mins. intervention SBT)

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Given the performance of ELLs on screener evaluation, PS 516 ensures that ELLs are provided with a high-quality academic experience that leads to deeper learning by implementing a Multi-Tiered System of Supports (MTSS) on three levels (Tier I, II, and III) as evidenced by screener data.

Tier I is core instruction where ELLs work with a variety of texts that feature big ideas, rich content, and multiple perspectives through the HMH, Fundations, and Arriba la Lecture ELA curriculum and through Math Talks and Engage/Illustrative Math (IM) in Mathematics. Additionally, during core instruction ELLs are provided access to building knowledge through scaffolded class discussion/participation, are allowed opportunities for extended/differentiated writing as a platform to continue to build language and knowledge, and are given small sets of high-utility vocabulary to further master language and content knowledge. Support in implementing these points of MTSS for ELLs is provided to classroom teachers via co-planning time with ENL providers and planned PD cycles aimed at supporting ELLs throughout the school year.

Should data analysis and observation allude that an ELL needs Tier II and/or Tier III instruction, each MTSS Tier upholds these same expectations in a manner that aligns with the specific guidelines for the more structured/focused upper Tier.

This school year, we will additionally be implementing a school wide daily "RTI period" where ELLs will be ensured to get specific and targeted teaching based on the needs they evidence on screener data - in ELA and/or Mathematics.

We will continue a daily RTI period.

In SY 2025-2026 will continue it's RTI period.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Depending on the grade, formative assessments can take a variety of shapes at PS 516.

The following show (but are not limited to) formative assessments used:
•completion of graphic organizers
•peer feedback evaluations
•self evaluations
•gallery walk of student work
•whiteboards and journals to share responses and show thinking
•various inquiry models (i.e. four corners)

•hand signals

In addition to the common screeners our teachers administer Letter Identification, Letter-Sound Knowledge, Concepts of Print, and Sight Word assessments. We also use the Into Reading & Arriba la Lectura unit assessments to inform & drive instruction. We track progress and success of each ELL student by examining their formal (including common screeners) and informal assessments, conferring notes, state/citywide test results, and/or meeting if ELLs are making AYP. We then analyze and evaluate whether or not our programs or interventions have been successful for our ELLs. If data reveals that our programs or interventions need adjustment, pertinent members of staff meet as a team to reflect and review what components did not work and then make necessary shifts.

For ELLs, it is critically important that teachers are monitoring grade level mastery as well as any skills student need more time to master, formative assessments for oracy and writing work in particular support teachers to make critical decisions and next steps or ELLs.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Students in our dual language program receive assessments in both English & Spanish, all MLLs/ELLs are give the option to take all formal state assessments that measure a skill other than English language in their home language. For students in our ENL classes, our bilingual (ENL) staff will provide translation and assessment support for students in their native language as applicable.

In the event of receiving a Newcomer to PS 516, we utilized the MLS state testing to help evaluate a child's academic and linguistic abilities in their HL to provide data and insights as to how to best support them via the HL when possible.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Classes K-2
•NYSESLAT disaggregated scores

Classes 3-5
•NYSESLAT disaggregated scores
•ELA State test
•Math State test

We track progress and success of each ELL by examining their formal and informal assessments, conferring notes, state or citywide test results, and determining if they have met AYP. This allows us to determine necessary changes that may need to happen in programming, instruction, and teacher development.

As an ILDT and a Language Allocation Policy (LAP) team, data is reviewed to determine what areas of change will allow the highest leverage for student growth.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

In order to provide the least amount of disruption to mandated services during the testing period, we will utilize all bilingual & TESOL licensed staff to support with administration of the exam. In the upcoming school year, when ELL numbers demand, we will also have classroom teachers help with NYSESLAT administration to ensure that the least amount of classroom time is utilized for testing administration.

ENL teachers, SETTS providers, instructional coaches, and general teachers may support with scoring, as needed.

By utilizing a large swath of classroom teachers to help administer testing, every effort is made to complete testing efficiently and quickly to ensure the mandatory ENL academic units per CR-154 incur the least amount of interruption as possible.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our ENL coordinator and ENL team work as a part of our testing team to ensure accommodations are provided on all state tests, classroom tests and screeners. A document is shared with all staff multiple times a year with who receives accommodations and when.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Within the first ten days of the start of the school year, the ENL team ensures that all parents of ELL Kindergarteners and Newcomers are provided with an in-person ELL Program Orientation outlining the ENL and DL programs available in our school, and the TBE and the other DL programs available throughout the district/city that are also an option for families. The NYSED parent orientation video is displayed in each family's HL to further explain programming and parent rights. During this meeting, parents are able to confirm which program the select their child to participate in.

Throughout the school year when any other Newcomers enter PS 516 this same process occurs within ten school days of the ELLs registration.

Parent Orientation meetings are conducted by trained pedagogues and state standards/assessments/school expectations for ELLs are shared. Additionally information is shared about the following:
-family next generation standards and how the ELL instruction
-opportunities to continue your child's learning at home
-enrichment opportunities for ELLS at PS516 and local communities
-local resources available for immigrants and language learners
-grading policies are aligned to these standards.

Information is shared with families about how ELL instructions supplements the work in the classroom to ensure all

students have access to high quality grade level instruction.

Records are kept in the ELL critical files about the orientation as well as in student cumulative folders.

Logs of attendance are maintained and resources are archived to share with future families

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Every parent of an ELL at PS 516 is invited to make an appointment with ENL/DL staff throughout the year to discuss their child's language development progress. ENL team works with parents to ensure that a time is secured that will be viable for the parent's schedule. This school year, PS 516 will ensure to maintain evidence of these required meetings with other critical ENL paperwork.

Information shared at Annual Individual Meetings include (but are not limited to):
•goals of ENL/DL programs
•language development progress
•language proficiency assessment results
•language development needs across content areas

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Per the preferred language selected on the HLIS, PS 516 works to ensure that the HL is utilized for communication and documents to families. In the event of a low-incidence language, AI translation is used for documentation with the notation that the item was translated via AI and/or the NYC DOE translation hotline is used.

These same modes of communication are utilized by families of low-inference language when they need to communicate with the school first. When a parent enters the PS 516 main office, they are greeting by signage that indicates we can and will access someone who can translate to ensure that their needs are met. Additionally, many classroom teachers use digital platforms like Google Classroom, Remind, Class Dojo (etc.) where parents have immediate access to translation in the event that a teacher must be contacted.

Our language access coordinators- Samantha Nguyen and Gabriela Rodriguez - ensures everyone in the main office has the tools needed to support parent communication in any language. Ensures families have access to teachers that speak their home language or translators that can help families to communicate their needs.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

PS 516 determines the needs of our school community via two-way communication with families in both PTA and SLT. Again, all communication is translated for families in order to empower families with access in their HL. Additionally, we partner with the Center for Family Life (CFL) CBO as an after school program, also providing parents with multiple entry points for information and language access to school ongoings.

From these various areas, our school has gleaned information to inform the development of a Racial Equity Committee that amplifies parent voice to allow for community input in both academic and school ongoings.

i.e. graduations, monthly celebrations, field trips, shaping curriculum, and so on.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

See above, 2a.

All items are translated in print or in person to allow all families access to knowledge about family leadership opportunities at PS 516.

Additionally, our PTA is multilingual and provides immediate access to the Spanish speakers of the school community.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

At this time we participate in culturally and linguistically responsive partnerships with:

•Teaching Matters
*Early Reading matters
•Morningside Restorative Justice
*Respect for All

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Lan Thanh Nguyen - ENL coordinator
Nazareth Chavez - ENL teacher
Jessica Knudson. - Principal

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Newly Enrolled ELLs:
Students arriving at the school from outside the state or country are first welcomed. Next, after the in-person completion of the HLIS, students and parents participate in an informal interview with a trained pedagogue to determine if a child should be screened for ENL services. Based on the results of the NYSITELL a qualifying student will be placed into a DL or ENL setting per the parents preference.

If a student arrives from a NYS/NYC school, they are first welcomed. Nextly, the ELL Coordinator or an administrator determines if the child has previously been qualified as an ELL and is placed in the appropriately tracked program - DL or ENL services.

This process, in its various stages, is supported by a multitude of staff members, including the ELL Coordinator, ENL teacher, administration, school secretary, and/or parent coordinator.

Students are welcomed by our student ambassadors, as well as teachers designated as part of the "Newcomer Welcoming Committee." These community members ensure that students are aware of how the school operates and how to navigate it effectively.

These students are invited to participate in the Title III program as well as other enrichment programs offered by the school. Bilingual, ENL, and content area teachers support these programs.

Current ELLs:
All current ELLs are serviced in full, per CR-154, by a licensed ENL or Bilingual teacher.

These students are invited to participate in the Title III program as well as other enrichment programs offered by the school. Bilingual, ENL, and content area teachers support these programs.

These students also receive additional support as needed during integrated minutes and during testing as outlined by CR-154.

The ELL Identification Process is completed by an ENL Teacher, for each student within 10 school days of enrollment (20 school days for students entering with IEPs).

Enrollment status of each newly admitted student is determined.

The home language of the student is determined by a trained and licensed pedagogue and kept in the cumulative folder.

An interview with parents and students in English and the home language is conducted by a trained and licensed pedagogue . This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.

Eligibility for the NYSITELL is determined and, if eligible, students are administered the NYSITELL.

Notification letters are sent to the parent/guardian, by a trained and licensed pedagogue, in their preferred language and parents are notified of their child's ELL status and results of the NYSITELL.

If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).

Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.

If a student is a newly identified ELL, the parent is invited to the parent orientation meeting and the ELL is placed in the ELL program that the parent selected after attending the orientation.

Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Notification letters are sent to the parent/guardian in their preferred language

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Jessica Knudson

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Gabriela	Rodriguez	Parent Coordinator	2025	Y
Lan Thanh	Nguyen	ENL teacher	2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	12	1.78%	12	1.79%		
CHINESE ANY	11	1.63%	4	0.6%		
MANDARIN	0	0.00%	7	1.05%		
ENGLISH	292	43.32%	289	43.01%		
RUSSIAN	1	0.15%	1	0.15%		
SPANISH	358	53.12%	359	53.42%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
parent flyers	in house translation and google translate
all messenger communications	GAMA
parent handbook	submit to translation unit
IEPS	submit to translation unit
school calendars	Use DOE translated guidance, translation unit
September PTC	in house translation & POs to book translators
Nov PTC	in house translation & POs to book translators
March PTC	in house translation & POs to book translators

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

May PTC	in house translation & POs to book translators
SLT meetings	POs to book translators
PTA meetings	translation headsets with translators

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

GAMA, robocalls, in-house staff if necessary
DOE translation line or in-house staff
Call the school and we get someone who can translate or call back with translation line or use phone translation

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

To ensure that Limited English Speaking parents at PS 516 are provided with a meaningful opportunity to participate in and have access to programs and services critical to their child's education, our school's LAC turkeys and makes school staff aware of the available language access resources for all families by:

- sharing pertinent information and resources with staff via email
- posting all pertinent language translation information and options available to families throughout the school's entry, main office, and common school areas

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Limited-English Proficient parents aware of their right to receive information in their preferred language via:

- Translated signage throughout the school and main office
- Translated brochures/flyers/letters shared with parents
- Translated parent engagement events via in-house staff and/or DOE translation hotline; this includes, but is not limited to - PTA meetings, school performances and celebrations

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

PS 516 offers parents open and two-way communication, where parents may contact school staff via email, telephone, or in person visits to provide feedback on the services they receive and/or need. Any way that a parent contacts the school, we ensure that language translation services are available - translation hotline, in-house staff, google translate, etc.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

As our school continues to be a predominantly Spanish speaking community, we continue to consider feedback from families how it is important to center that majority language. Given this feedback, we continue to add members to our PS 516 community that can serve the greater language population, while also keeping in mind the needs of families who speak lower inference languages in our community.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

40

Grades to be served in this program. Select all that apply.

,4,5,3

Total number of teachers in this program:

6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

2

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Title III Plan: 2025-2026

Approximately 40 English Language Learners (ELLs) will be offered the opportunity to participate in after-school services designed to increase their English language proficiency through a teacher-curated "Gaming Tournament." Select ELLs will learn gaming basics that connect to 3rd, 4th and/or 5th grade classroom content that will enhance:

•Social-Emotional Skills - play enhances a child's ability to interact with others, regulate emotions, and cope with stress
•Conceptual Understandings - play helps children plan, organize, and show gains in math, social studies, ELA, and other content areas
•Language Skills - play elevates language skills in real-time with complete authenticity

Based on the results of the DESSA screening, many of our ELLs showed low competency in optimistic thinking, relationship skills, self-awareness, self-management, and goal-directed behavior. It is evident that small group work and social interactions, along with promotion of teamwork, is necessary to enhance the social-emotional wellness of our ELLs. When SEL is enhanced and fortified, language and then academic learning has a strong foundation to flourish. Additionally, when ELLs show growth on the NYSESLAT, in part small group work during both integrated and stand-alone minutes can be credited. The small group work that will be provided during Title III programming with further enhance that growth and language development. Furthermore, the selection to participate in the "Gaming Tournament" for Title III programming is an opportunity to strengthen school-family ties, as the final culminating tournament and project are shared with families via an invite to participate in gaming with their children and school staff. This showcases what SEL children have gained, what new depths of language students have learned, and what content children have acquired via the creation of their own games.

The program will run for 7 weeks, on Tuesdays and Wednesdays, from 2:40 pm until 4:10 pm, for a total of 14 sessions. The program will commence in October 2025 and complete in March 2025.

There will be 4 ENL/Bilingual certified teachers and 2 content area teachers. During the program, there will be only one after school program with six teachers facilitating stations. With 30-40 students in the program, students will be broken up into groups of 6-8 and each group will rotate between each of the six teachers in intervals of 15 minutes to ensure that each child is taught by each pedagogue and receives the specific language instruction at each station.

Program supervision is at no cost to the Title III program.

Attendance records will be maintained through a shared google sheet and parents will receive translated program notifications in the correlating home language.

Language progress will be monitored by all staff during each station rotation as they informally assess student language use based on the language skill they focus on each week. Additionally, student performance during the

final "gaming" session will reveal how students have progressed in their language growth throughout the duration of the program. Finally, growth on NYSESLAT scores (in each modality) will be monitored to track the effectiveness of Title III program efforts, along with student achievement.

No more than 20% of the allocated budget will be used on materials, supplies, and other necessary items to run this program.

Materials at cost to Title III LEP funds will include (but are not limited to);

•structured language stems and SEL tools
•board games
•materials for creating an original board game - heavy cardstock, trifold boards, cardboard boxes, math manipulatives that serve as "gaming pieces," paints, permanent markers, etc.
•fiction and nonfiction texts pertaining to gaming, boardgames, mysteries, etc.
•Unearthing Joy: A Guide to Culturally and Historically Responsive Teaching by Dr. Gholdy Muhammad
•Culturally and Linguistically Responsive Teaching and Learning – Classroom Practices for Student Success, Grades K-12 (2nd Edition) by Sharroky Hollie
•Rethinking Bilingual Education by Elizabeth Barbian, Grace Cornell Gonzales, et al.
•The Translanguaging Classroom: Leveraging Student Bilingualism for Learning by Ofelia Garcia

Note: materials purchased with Title III LEP funds will not be used during the instructional day.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Approximately 40 ELLs will be offered the opportunity to participate in afterschool services to increase English language proficiency through a teacher curated "Gaming Tournament". Select ELLs will learn gaming basics that connect to 3rd, 4th and/or 5th grade classroom content that will enhance:

•Social-Emotional Skills - play enhances a child's ability to interact with others, regulate emotions, and cope with stress
•Conceptual Understandings - play helps children plan, organize, and show gains in math, social studies, ELA, and other content areas
•Language Skills - play elevates language skills in real-time with complete authenticity

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

•ELLs
•FELLs
•SWELLs

Grades 3, 4 and 5

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

See above.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

English

HL is supported via bilingual providers in the program and language techniques are interwoven in all aspects and planning of the program.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

4 ESOL/Bilingual teachers
2 content area teachers

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**

- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

See above.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Staff will have a roster and take attendance during each session through a google form, these will be kept on file electronically.
Parents will be notified through flyers sent home and direct phone calls to seek permission for participation in the program. This outreach will happen in December and January.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Title III Plan: 2025-2026

Throughout the school year, Monday PD times will allow for teacher trainings around best practices for language learners. These Monday PDs are held throughout the school year on various Mondays from 2:40 - 3:20. Specifically, teachers will be provided information and tools to support newcomers and language learners across the various stages of their development.

Professional Development may also include hosting presenters from RBERN and other outside language facilities to deepen ENL/Bilingual teacher knowledge on best practices for growing and developing multilingual learners.

Whole school PD activities are at no cost to the Title III LEP funds but are focused on the professional development of teachers working with ELL students.

Participating ENL/Bilingual and content area educators providing instruction to ELLs in the Title III program will be participating in PD via book clubs that choose one text pertaining to teaching language learners.

6 pedagogues will meet for four 1-hour sessions, after school, in the Spring from 2:40 - 3:40, to discuss a chosen text, text will be chosen by the participants to support their pedagogy for ELLS. Each session will cover two chapters from the text and each session will be facilitated using "The Circle Way." Each teacher in this group of 6 pedagogues will facilitation a session; there will be no outside provider during these sessions. Learnings from text will then be implemented into each pedagogues' teaching of MLLs during the Title III program and during their greater teaching pedagogy. These staff members will receive per session pay for participating outside of school hours.

For PD sessions from outside providers and in-house sessions (which is at no cost to Title III LEP funds), attendance of staff will be tracked with either a hard-copy sign-in sheet, or a digital sign-in on Google sheets. In house book clubs will also use Google suite to catch notes for learnings and items to follow up with for future planning.

NOTE: book clubs may also use resources and texts previously purchased by/donated to our school

No more than 10% of Title III LEP funding will be allocated to professional development.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Teachers will be provided information and tools to support newcomers and language learners across the various stages of their development.

For PD sessions from outside providers and in-house sessions, attendance of staff will be tracked with either a hard-copy sign-in sheet, or a digital sign-in on Google sheets. In house book clubs will also use Google suite to catch notes for learnings and items to follow up with for future planning.

NOTE: book clubs may also use resources and texts previously purchased by/donated to our school

No more than 10% of Title III LEP funding will be allocated to professional development.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Whole school PD activities are at no cost to the Title III LEP funds but are focused on the professional development of teachers working with ELL students.

ESOL/Bilingual and content area staff that are participating in Title III program will participate in book clubs per Title III LEP funds.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**

- **Time and duration of sessions.**

Throughout the school year, Monday PD times will allow for teacher trainings around best practices for language learners. Specifically, teachers will be provided information and tools to support newcomers and language learners across the various stages of their development.

Professional Development may also include hosting presenters from RBERN and other outside language facilities to deepen ENL/Bilingual teacher knowledge on best practices for growing and developing multilingual learners.

Whole school PD activities are at no cost to the Title III LEP funds but are focused on the professional development of teachers working with ELL students.

Participating ENL/Bilingual and content area educators providing instruction to ELLs in the Title III program may opt into PD via book clubs that chooses one text pertaining to teaching language learners.

6 pedagogues will meet for four 1-hour sessions, after school between November 2024 - January 2025 to discuss the text Teaching Fiercely by Kass Minor. Each session will cover two chapters from the text and each session will be facilitated using "The Circle Way." Learnings from text will then be implemented into each pedagogues' teaching of MLLs during the Title III program and during their greater teaching pedagogy. These staff members will receive per session pay for participating during outside of school hours.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Whole School PD Topics:
-culturally responsive teaching
-including language learning targets in each lesson
-understanding language development through NYSESLAT levels of proficiency

Book Clubs:
-Unpacking Pedagogy
-Group Work
-Journaling
-Teacher Agency
-The Inner Child
-Deep Purpose
-Community Issues

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

If possible, Professional Development (PD) may include hosting presenters from RBERN.

In school experts, such as ELL Coordinator and Dual Language Coach, will also facilitate PD.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All PD and TIII planning are archived digitally in NYC DOE Google drive.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Title III Plan: 2025-2026

During the school year, parents of children participating in the Title III program will be offered a series of workshops focused on supporting the linguistic development of their children via gaming and technology that is available to Title III participants.

Session topics may include but are not limited to;
•Basic iPad and MacBook skills
•Using Google Suite
•Ensuring internet access
•Digital story telling
•Using the home language during game play to enhance target language
•How gaming as a family supports academic success
•And so on

These workshops will be advertised through flyers and posted on the school calendar. Attendance will be maintained digitally via google sheets.

Should ENL/Bilingual staff offer parent workshops outside of school hours, they will be paid for planning and implementation of these sessions using Title III funding. Teachers paid per session to conduct a parent engagement activities will ensure that families of Title III LEP program participants are the main participants of workshops.

Based on previous years' workshop attendance history, 10-20 parents will be in attendance for each workshop.

Tentative schedule for parent workshops:
November 2025
December 2025
January 2026
February 2026
March 2025
May 2026

The delivery of workshops will be at no cost to Title III LEP funds. However, funds will be used to support parents as outlined below.

We expect to service the parents of Title III students (15-20 parents) and we will purchase items for takeaway packages:
•food and beverages (for limited in-person meetings)
•materials to support tech use and digital story telling, i.e texts

The cost will not exceed 10% of the Title III budget allocation for parental engagement activities.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

During the school year, parents of children participating in the Title III program will be offered a series of workshops focused on supporting the linguistic development of their children via gaming and technology that is available to Title III participants.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Parent workshops will occur during the school day in Wednesday mornings or on the days of Family Friday, during the 2025-2026 school year. In-person and virtual attendance will be an option.

Tentative schedule for parent workshops:
November 2025
December 2025
January 2026
February 2026
March 2026
May 2026

Workshops will be at no cost to Title III LEP funds.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Session topics may include but are not limited to;
•Basic iPad and MacBook skills
•Using Google Suite
•Ensuring internet access
•Digital story telling
•Using the home language during game play to enhance target language
•How gaming as a family supports academic success
•And so on

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Workshops will be lead by Samantha Nguyen, ELL Coordinator, Nazareth Chavez, ENL Teacher and Lily Grande, Dual Language Coach. Additional Title III staff may support with workshop presentations.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Workshops and the Title III LEP program will be advertised to families through multilingual flyers and will be posted on the school calendar for school year 2025-2026. Parents will also receive letters, in the appropriate home language, notifying them of their child's opportunity to participate in the Title III program.

In the event that a family language cannot be translated by school/staff protocol, families will be contacted via the translation hotline to make them aware of the programs available to them and their children.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All TIII documents are archived digitally in NYC DOE Google drive.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

24,690

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
