Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

School of Creativity and Innovation

District Borough Number (DBN):

15K896

Grades Served:

3K-5

School Address:

736 48th Street, Brooklyn, NY 11220

Phone Number:

(929) 419-6049

Fax:

(929) 419-6400

School Contact Person:

Ruth Rodriguez-Rivera

School Contact Person Email Address:

rrodriguez@schools.nyc.gov

Principal:

Ruth Rodriguez-Rivera

United Federation of Teachers (UFT) Chapter Leader:

Anna Willis

Parents' Association President:

Adrianna Calixto

SLT Chairperson:

Erica Ortiz

Title I Parent Advisory Council Chairperson (PAC):

Georgina Castillo Torres

Student Representative(s) Middle /High School:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Ruth Rodriguez Rivera	*Principal or Designee	
Anna Willis	*United Federation of Teachers (UFT) Chapter Leader or Designee	
George Reyes	*Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President	
N/A	District Council 37 (DC 37) Representative (staff), if applicable	
Georgina Castillo Torres	Title I Parent Advisory Council Chairperson (or alternate)	
Maricella Ballinas	Title I Parent Advisory Council Alternate	
N/A	Student Representative (Required for high schools)	
N/A	CBO Representative, if applicable	
N/A	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
N/A	Student Representative (Required for CSI, TSI, Receivership Middle Schools)	
Jacqueline Imonode	Staff	
Katherine Angelucci	Staff	
Heidy Castillo	Staff	
Qingwen Liu	Parent	
MinQing Jiang	Parent	
Andrew Westphal	Parent	
Hua Zheng	Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At P.S. 896, students engage in learning that is authentic, significant, fun, and incorporates 21st-century skills.

Through a student-centered inquiry approach to learning, in a relationship-driven environment, we prepare children to be responsible, resilient, compassionate, and collaborative learners able to engage at the highest levels of discourse.

At P.S. 896, we integrate the content areas and provide our students with enduring understanding and a purposeful application of knowledge. Students will demonstrate future readiness, for global cultural competency and perspective.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

At the School of Creativity and Innovation (15K896) , students develop a love of learning. Students collaborate with others to make meaning and develop understanding of the world around them. Students learn by asking questions about the world around them; identifying problems and issues; brainstorming and researching solutions; creating, testing and improving solutions; and considering their audience as their ideas come into motion. Students acquire an understanding of materials, tools, and technology in relation to the outside world. By using transferable academic skills, social- emotional intelligence, technological savvy, and cultural awareness, they will demonstrate to the community how we can make an impact for a better world.

At the School of Creativity and Innovation (15K896) students learn through in-depth studies of concepts, ideas and interests which arise within the group. The work is considered an adventure. Projects may last one week or could continue throughout the school year. Throughout a project, teachers help children make decisions about the direction of study, the ways in which the group will research the topic, the representational medium that will demonstrate and showcase the topic and the selection of materials needed to represent the work. The presentation of concepts and hypotheses in multiple forms of representation -- print, art, construction, drama, music, puppetry, and shadow play -- are viewed as essential to children's understanding of experience.
Our school environment reflects a belief in the growth mindset and fosters opportunities to persevere towards goals. Students have opportunities to reflect and are afforded the opportunity to work through the process of learning, while also reaching high levels of achievement. Our team is united towards success by providing rigorous instruction and opportunities to develop grit. We work collaboratively in teams to develop a challenging curriculum that provides authentic learning experiences for the application of critical thinking skills. We work diligently along side our parents and families to model to our students the urgency for learning, a growth mindset, and working together

for a better world. Our goal is to collaboratively with all stakeholders evolve with resources and experiences. As a school community, we will rise to meet challenges and have an unrelenting love of learning.

Briefly summarize the key initiatives your school will implement this school year.

As we implement our new reading curriculum, HMH Into Reading, continue implementation of our math curriculum, Illustrative Math, and continue to strengthen practices around Emergent Curriculum/ PBL we will:

* Create opportunities for teachers to experiment with strong data practices related to Domain 3d on the Danielson Framework; highlight where these practices are already taking place and use those classrooms as labsites. Develop systems to support how teachers are collecting data throughout instruction to make adjustments, address misconceptions, pull a targeted group in need and plan for the following lesson.

* Particular focus on our most marginalized groups of students to ensure they are making progress and receiving targeted support, during tier 1 and tier 2 instruction. We will hone in on the 20 students or so who are below grade level and prioritize their academic and social-emotional success.

*Connect students to the practices we are expecting to see and develop a system of accountability for every student's academic and social-emotional success by regularly analyzing data and school policy across student
groups.

* Create opportunities to engage students in content rich opportunities that will strengthen student discourse, creative problem solving, and engage student voice, choice and agency.

*Ensure that families are a part of the learning process in meaningful and culturally relevant ways.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Math	K-5	Illustrative Math	TBD
ELA	K-5	HMH Into Reading, Writing Units of Study, Heggerty, Fundations	TBD
	TBD	TBD	TBD
TBD	TBD	TBD	TBD

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
June 24-25 End of Year NYS ELA SWD: 19%proficient ELL: 0% proficient	Teacher centered instruction. Absence of differentiation and scaffolding. Teachers are trained in a variety of small group strategies but implementing HMH as a new curriculum with selecting varied approaches based on the needs of students.	Targeted professional development on a school-wide, systematic progress monitoring approach to better support tracking and addressing individual student goals.
K-2 Acadience ELA Screeners 2024-2025 SWD: 71% are well below	Students in special classes are disproportionately performing below grade level due to a lack of systematic progress monitoring to track goal mastery.	Targeted professional development on a school-wide, systematic progress monitoring approach to better support

benchmark, 9% are below benchmark.		tracking and addressing individual student goals.
3-5 MAP Growth ELA 2024-2025 48% low, 29% low-average	Lack of systematic progress monitoring	Additional centered instruction and differentiation is needed in alignment to state standards.
Parent Survey	Parents have limited understanding of resources available.	Additional parent support in accessing new curriculum resources

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	60	By June, 2026, literacy for All Students will improve, as measured by a 5 Increase, from 60 to 65, of students performing on or above grade level in grades 3,4 & 5 on the NYS ELA on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

3-5 Map Growth Reading

Enter a Key Performance Indicator

Number of students performing on or above grade level

Baseline:

48

Enter the date for the baseline data:

October 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

48

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

50

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

55

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Acadience Reading Screener K-2

Enter a Key Performance Indicator

Number of students well below grade level

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Improve parent engagement structures such as Family Friday

Use HMH module assessment to progress monitoring the students and group the students for small group instruction

Implement a more systematic progress monitoring strategy

Root Cause Addressed:

Lack of systematic progress monitoring

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
All staff members will participate in collaborative inquiry. This work will take on multiple forms. Teachers will collaborate in grade level teams and in vertical cohort teams for special education teachers and dual language teachers.
Teachers will administer HMH module assessments, Acadience, and MAP screeners. The teams will analyze the data for trends. Teachers will unpack the goals of upcoming units for (HMH)reading, (TC) writing, and (Foundation & Heggerty) phonics. They will then consider ways to improve their instructional practice and implement targeted literacy planning for small groups.

Teachers will administer the next round of HMH module assessments, Acadience, and MAP screeners. The teams will analyze the data for trends.
Teachers will administer the last round of HMH module assessments, Acadience, and MAP screeners. The teams will then analyze the data for end of year targets.
Every class will have a class parent that will be trained on all available resources.
During monthly Family Friday teachers will support families in understanding the parent facing curriculum resources.
Teachers will participate in professional learning opportunities that will support the understanding of the Science of Reading and reading shifts.
Teachers will participate in grade level sessions to collaborate and plan.
ICT teachers will continue ICT station teaching and attend Specially Designed Instruction (SDI) training in the district.
Teachers will identify who will require tier 3 intervention and support beyond classroom structures. These students will be supported in RTI groups.
Invite district to provide periodic site visits and ongoing support to ensure sustainability.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use the following data points to inform our work:
* HMH end of module assessments
* Acadience Screeners
* MAP Screeners
* ADVANCE observation reports
Using observation data, we can help teachers set specific, measurable goals related to math instruction, fostering accountability and focused progress monitoring.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/25/2025	06/20/2026	Monthly Family Friday	School level support
10/01/2025	06/17/2026	Parent engagement workshops	School staff support
10/01/2025	06/17/2026	One on one parent meetings	School staff support

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teaching matters staff developers, grade leaders, administrative team, District professional learning opportunities

Instructional Resources

HMH Curriculum, Decodable readers, Units of study, Content rich libraries

Schedule Adjustments

Circular 6 Common Planning, Monday Professional Development, Sub teacher support for on site staff development.

Other Resources Needed

Per diem funds, OTPS, per session

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
OORS report (2024-2025) - 8 total bullying/harassment (A36 and 1 external) allegations submitted to OORS. 3 of the reports were founded.	A lack of understanding among students, staff, and parents of the definition of bullying and the differences between bullying and conflict.	Retraining of staff, workshops for parents, and SEL lessons for students.
2025 School Survey - 40% of teachers noted that students harass, bully, or intimidate students, some of the time.	A lack of understanding among students, staff, and parents of the definition of bullying and the differences between bullying and conflict.	Retraining of staff, workshops for parents, and SEL lessons for students.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	8	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 50% Decrease, in the number of bullying or harassment allegations from 8 to 4, per the OORS reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Review OORS reports for accuracy in reporting
Implementation of RULER for ongoing SEL Instruction
At-Risk Counseling for students
Retraining of staff to understand Chancellor's regulations

Root Cause Addressed:

A lack of understanding among students, staff, and parents of the definition of bullying and the differences between bullying and conflict.

SEL activities and themes to foster a safe, respectful, and inclusive environment
Implementation RULER Curriculum across the school community
Programming SEL lessons during morning meeting
Offer targeted SEL support as a result of Parent and Teacher referrals for At-Risk Counseling Cycles

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Beginning of the year meeting with staff to retrain on identifying bullying and teach the difference between bullying and conflict.

Beginning of the year meeting with staff to retrain on incident reporting
Parent workshops on the Citywide Discipline Code so that they are familiar with what constitutes bullying vs conflict
SEL team collaborating with teachers to support mediation and conflict resolution.
Student SEL lessons on bullying and conflict resolution
Providing restorative supports to bullying victims and perpetrators
SEL activities and themes to foster a safe, respectful, and inclusive environment
Implementation RULER Curriculum across the school community
Programming SEL lessons during morning meeting
Offer targeted SEL support as a result of Parent and Teacher referrals for At-Risk Counseling Cycles

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will progress monitor implementation of strategies:
1-review OORS occurrence reports in OSYD for A-36 infractions and patterns of behavior that are at risk of becoming bullying
2-review our RTI/SEL Tier 2 supports document to monitor students receiving at-risk counseling
3-bi-weekly meetings between the admin and SEL team to ensure we are leveraging and updating SEL supports and monitoring number of referrals for at-risk counseling
4-ongoing review of parent engagement logs to identify concerns around SEL
5-parent meetings to identify the need for renewing at-risk counseling cycles every 6-8 weeks
6-monthly consultation committee feedback towards SEL
7-development of student action plans for at risk students to track their progress and support needs.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Plan a series of parent workshops to address understanding of what bullying behavior is, common warning signs, and support services for families and students.	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers, administrative team, SEL team, parent coordinator

Instructional Resources

Sanford Harmony Curriculum, RULER program materials, SEL library

Schedule Adjustments

Weekly professional development opportunities, 60 minute professional development series, circular 6 schedule

Other Resources Needed

Professional development supports with SEL team and District Support Team.

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025-2026 Beginning of Year Acadience Math Screener demonstrate that 54% of students in K to 2 demonstrated grade level achievement. However, only 28% of ELL&SWD students in ICT and Self contained classes demonstrated grade level achievement.	Teacher-centered instruction.	Teachers need to continue to be trained in a variety of small group strategies that target skill gaps identified by data
2025-2026 Fall MAP BOY data 55% at or above 41st percentile 33% SWD at or above 41st percentile 48% MLLs at or above 41st percentile 35% SWD&ML at or above 41st percentile	ELL students and SWD students in Self-contained and ICT classes are disproportionately	Teachers need support in implementing Illustrative Math curriculum with selecting varied approaches based on the needs of students.

	performing below proficiency in Math	
2024-2025 NYS Math 69% proficient 58.5% ELLs proficient 31.4% SWD proficient	SWD"s Students in self-contained classes are disproportionately performing below grade level in math	Additional centered instruction and differentiation are needed in alignment to state standards.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	66	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students on or above grade level will Increase by 4% from 66% to 70%, for All Students, as measured by NYS Math Exam .

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Professional learning aligned to NYCPS Math Shift 3: Discourse to develop understanding
* Discourse to develop understanding
* Student centered inclusive instructions.
* High quality instructional materials to support Tier1 instructions.
* Progress monitoring on a daily basis and strategically plan for the next lesson

Root Cause Addressed:

Progress monitoring on a daily basis.
Teacher-centered instruction. Absence of appropriate differentiation and scaffolding.
teachers need support in implementing Illustrative Math curriculum with selecting varied approaches based on the needs of students
Not sufficient systemic progress monitoring to track goal mastery.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
All staff members will participate in collaborative inquiry. This work will take on multiple forms. Teachers will collaborate in grade-level teams and in vertical cohort teams for teachers in self-contained and ICT cohorts.
Teachers will administer the first round of Acadience and MAP screeners. The teams will analyze the data for trends
Teachers will triangulate data from other screeners to ensure that specific math standards are being addressed and

surface gaps that will be supported in small groups. Teachers will start progress monitoring.
Teachers will participate in Metamorphosis Professional Development
Teachers will administer mid-year Acadience and MAP screeners and compare progress and triangulate data points to ensure that specific math standards are being addressed and surface gaps that will be supported in small groups.
With district support provide periodic site visits and ongoing support to ensure sustainability for SWDs.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Acadience for K-2
Map Growth for 3-5
Illustrative Math checkpoints
Data-Driven Instruction: By analyzing observation data, our school can identify trends in teaching practices that correlate with student performance in math. This allows them to pinpoint effective instructional strategies and share best practices among teachers.
Feedback and Coaching: Our school can use the observation data to provide constructive feedback to teachers, focusing on how to enhance their math instruction. Regular check-ins based on these observations can promote continuous improvement.
Identifying At-Risk Students(focus student): By correlating observation data with student performance data, we can identify students who may be struggling in math and ensure they receive the necessary interventions or supports.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent workshop that support parent understanding of instructional practices. These will occur monthly and will align to learning that is happening in classrooms.	Metamorphosis
09/04/2025	06/26/2026	Parent workshop that provide parents with at home resources and supports	Instructional Staff

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Metamorphosis Professional Development provider, grade leaders, administrative team, District professional learning opportunities

Instructional Resources

Math manipulatives, tech upgrades

Schedule Adjustments

Circular 6 Common Planning, Monday Professional Development, Sub teacher support for on site professional learning.

Other Resources Needed

OTPS, Per Diem, Per Session

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Participation in career related activities	Intentional planning needed for career related activities	Student understanding of career possibilities.
Participation in College Day activities	Intentional planning needed for College awareness activities.	Student understanding of opportunities beyond high school

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	85%	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of students who participate in grade level college and career readiness activities for All Students will Increase by 10% from 85% to 95% as measured by college and career readiness surveys.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Student centered and inclusive opportunities
Involve our DEI team in the planning and implementation of this work.

Root Cause Addressed:

Intentional planning needed for career related activities
Intentional planning needed for College awareness activities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Staff training around college and career training competencies.
Implementation of clubs to explore interests
Teacher implementation of Community Helpers PBL units to allow students to develop understanding on careers.
Teacher incorporation of career awareness as they go through the PBL units. Considering the human resource aspect of each new topic.
Planning for College & Career Day Event

Providing personal and social skill training to assist in future career opportunities
Planning for Spirit Days that include staff members and parents sharing about their college experiences.
Participation in virtual college tours
Back to school event featuring community based organizations and city workers with information tables

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Schedule Adjustments

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Attendance at parental involvement events as demonstrated by the 2024-2025 Monthly PCAR Reports	Parent understanding of curriculum and grade level expectations	Develop opportunities for parents to engage in meaningful ways in student learning

Issues presented in parent meetings	Misunderstanding around what it means to volunteer and support the school community.	Develop understanding around how families can participate in the school community

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	85%	PS 896 School of Creativity & Innovation will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Parent participation in school events will Increase by 10% from 85% to 95% as measured by NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Student centered and inclusive opportunities for parents to support with curriculum and grade level expectations. Involve our DEI to include parent leaders and SLT members

Root Cause Addressed:

Parent understanding of curriculum and grade level expectations
Misunderstanding around what it means to volunteer and support the school community.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Develop a plan for our Back-to-School Event
During Back-to-School Event and opening day parent engagement opportunities enlist parent to sign up for online systems of communication: Class Dojo, Google Classroom, Operoo, and NYCSA
Teachers and staff will recruit parents to participate on school committees and collaborate on activities.
Staff will plan opportunities for parents to engage with the school community.
Teachers and staff will schedule parent workshops to address identified needs and supports.

Assign staff to be point people during events to support parent volunteers
Incorporating workshops and orienting families new to the school community
Incorporate class parent structures
Incorporating workshops around curriculum and grade level expectations
Follow-up with any parents that missed PTC to schedule appointments
Reminders of all school events via Class Dojo
Meet the Teacher/Curriculum Night in the Fall
Provide all parents the opportunity to volunteer during school events by rotating parents involved

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/25/2026	School Spirit Events	
09/04/2025	06/25/2026	Cultural activities and potluck lunches	
08/25/2025	08/29/2025	Back to school events	Local CBOs
10/01/2025	06/12/2026	Monthly Family Friday Events	
09/04/2025	06/25/2026	Parent Workshops	

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

School staff, parent volunteers, Class parents

Instructional Resources

Culturally relevant materials

Schedule Adjustments

Organize monthly events around our school instructional programs. Plan school wide presentations during parental engagement time.

Other Resources Needed

Supplies for Spirit/Cultural events

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on Insight data, 41% of students with IEPs are chronically absent.	Unreliable bus service, Chronic health issues due to disability,	High rates of chronic absenteeism among students with IEPS
Based on Insight data, 70% of chronically absent students are in grades PK through 2.	Extended vacations, lack of understanding the importance of attendance in early childhood skills gain	High percentage of chronic absenteeism among early childhood grades.
Based on Insight data, 35% of Hispanic/Latinx students are chronically absent.	families need help in understanding regulations for health and wellness and when non attendance is actually not expected.	High absenteeism rate among Hispanic/Latinx students

Based on Insight data, 30% of Students in Temporary Housing are chronically absent.	Transportation issues to and from school, childcare obstacles for drop off and pickup.	High absenteeism rate among STH students

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	25% of students are chronically absent	By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 5%, from 25% of students are chronically absent to 20%, as measured by the Insight Chronic Absenteeism Report.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Development of students success plans for all students identified as chronically absent.

Root Cause Addressed:

Unreliable bus service,
Chronic health issues due to disability,
Extended vacations,
lack of understanding the importance of attendance in early childhood skills gain
families need help in understanding regulations for health and wellness and when non attendance is actually not expected.
Transportation issues to and from school,
childcare obstacles for drop off and pickup.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Assign Success Mentor
Develop a plan of family communication
Develop a system of tracking chronically absent students
Monthly attendance letters sent out by attendance team

Set up a system of celebrating improved attendance

Key Strategy 2 (Optional):

Parent workshops, information sessions, and literature about attendance policies, procedures, and regulations.

Root Cause Addressed:

lack of understanding the importance of attendance in early childhood skills gain
families need help in understanding regulations for health and wellness and when non attendance is actually not expected.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent workshops addressing the importance of attendance
Monthly Attendance Letters
Attendance policies included in Parent Handbook
Flyer/Brochure on Attendance (importance, regulations, etc)

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress monitoring will be done using the following:
-Chronic Absenteeism reports in Insight
- Family outreach as documented in Ilog
- Student Success plan trackers
- ATS reports:
- RISA to review individual student attendance
- RPAL to celebrate 100% Attendance

- RPAC to monitor daily attendance percentages
- RWCL to maintain accurate attendance and ensure corrections are made monthly

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent workshops, information sessions, and literature about attendance policies, procedures, and regulations.	TBD
09/04/2025	06/26/2026	Monthly attendance letters	

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Attendance Team

Instructional Resources

Parent workshops, information sessions, and literature

Schedule Adjustments

Parental Engagement Time

Other Resources Needed

STH funds, Social Worker, and Guidance counselor support to conduct outreach and develop strategic support plans for chronically absent students.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
SESIS standard reports for June 2025	limited professional development focused on the actual writing process, inconsistent understanding of IEP components, and a lack of structured support or feedback systems.	IEP Development and Fidelity of Implementation
SESIS standard	limited professional development focused on the actual	Transition Planning and

reports for June 2025	writing process, inconsistent understanding of IEP components, and a lack of structured support or feedback systems.	Compliance
Review of submitted requests for initial evaluations and reevaluations	Lack of understanding among families about the referral/evaluation process and disability qualifications.	Referral Process and Equity
OORS data 2024-25	Lack of understanding of the Manifestation Determination Review Process	Equity in School Discipline
SESIS standard reports for June 2025	Reviewing IEP program recommendations, supports and encounter attendance.	Compliance with providing accurate delivery of services as recommended on students' IEPs.

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	81	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve strengthen the quality and implementation of IEPs for Students with Disabilities (SWD) by a 10% Increase, from 81 to 91, as measured by Program Service Report.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Using professional development to support teacher and staff in writing quality IEPs.

Root Cause Addressed:

Many teachers lack sufficient training and confidence in writing high-quality, legally compliant IEPs. As a result, IEPs may be vague, misaligned with student needs, or difficult to implement. This impacts both instructional effectiveness and student outcomes. The root cause stems from limited professional development focused on the actual writing process, inconsistent understanding of IEP components, and a lack of structured support or feedback systems.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Break down IEP writing into key focus areas (e.g., PLAAFP, measurable goals, accommodations/modifications, progress monitoring).
Facilitate Interactive Monthly PD Sessions
Provide Ongoing Coaching and Feedback
Monitor Progress and Adjust the Plan
Develop a tracking system for all Initials, Reevaluations, Triennials, and Annuals.
District will provide periodic site visits and ongoing support to ensure sustainability in addition to central PL offerings that are IEP writing focused.

Key Strategy 2 (Optional):

Through PD and staff training teacher's will learn how to implement the SDI Matrix into their instructional practices.

Root Cause Addressed:

Many teachers and staff members lack a clear, consistent understanding of how to implement Specially Designed Instruction (SDI) based on students' IEPs. While teachers may be familiar with accommodations and modifications, there is often confusion about how SDI differs and how to translate IEP goals into daily instructional practices. This gap results in inconsistent implementation of individualized supports. The introduction of the SDI matrix and targeted professional development directly address this need by providing a structured, practical tool and training to support effective, goal-aligned instruction for students with disabilities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide Staff Training on SDI and the Matrix
Facilitate Guided Matrix Completion
Gather feedback and Assess Teacher understanding
The district can provide periodic site visits and ongoing support to ensure sustainability in addition to central PL offerings that are SDI focused.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Tracking system for all Initials, Reevaluations, Triennials, and Annuals.
SESIS Reports
Progress Monitoring

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/25/2026	Parent workshops on IEP process and entitlements.	
09/04/2025	06/25/2026	Initial, Annual, and Triennial IEP meetings to discuss progress and current programmatic needs.	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

School Assessment Team, Classroom Teachers, Related Service Providers

Instructional Resources

Quality IEP checklists, SOPM

Schedule Adjustments

PD and staff training

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Targeted Small Group Instruction Tier 2	Progress monitory through Classroom assessments, Acadience data, Map data, Reading levels on Running Records, Mid and End-Writing Assessments and Performance tasks	RTI: , Double dose of Fundation, Heggerty Guided Reading with Comprehension strategies, Shared Writing, Guided Writing, Small group explicit writing instruction	Push-in, small group, one-to one tutoring	During school	No
Targeted Small Group Instruction Tier 3	Progress Monitoring through Classroom assessments, Acadience data, Map data, Reading levels on Running Records, Mid and End-Writing Assessments and Performance tasks	RTI: Double dose of Fundation, Heggerty Guided Reading with Comprehension strategies, Shared Writing, Guided Writing, Small group explicit writing instruction	Push-in, small group, one-to one tutoring	During School	No
Targeted Small Group Instruction Tier 3	Progress Monitoring through Progress Monitoring through Classroom assessments, Acadience data, MAP data, Reading levels on Running Records, Mid and End-Writing Assessments and Performance tasks	small group explicit comprehension instruction	pull out, small group, one- to one tutoring	During School	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Classroom Behavior Plan -Tier 2	SEL needs: Anecdotals, Teacher/Provider Observations	Self-Regulation of Behavior	Full-Class/small group, one-to-one	during school	Yes through Class Dojo
At-Risk Counseling-Tier 2	Anecdotals, Teacher/Provider Observation, Referral from Child Study Team, Parent requests	Self-Regulation of Behavior, Community Based Mental Health partnerships, Guidance Counselors supports	small group	during school	No
At-Risk Counseling-Tier 3	Anecdotals, Teacher/Provider Observation, Referral from Child Study Team, Parent requests	Self-Regulation of Behavior, Community Based Mental Health partnerships, Guidance Counselors supports	one to one	during school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

We use workshops to share the essential components of MTSS with families. These workshops provide an overview of the MTSS framework, including the different tiers of support, how students are identified for additional help, and how progress is monitored. During the sessions, families have opportunities to ask questions, explore intervention strategies, and learn how they can support learning at home. We also supplement these workshops with newsletters, digital communication tools, and one-on-one meetings to ensure families stay informed and involved throughout the process.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

1. Progress Monitoring Reports
These are shared every few weeks and include data from assessments that show how the child is responding to the intervention.

2. Parent Teacher Conferences or Meetings
Teacher discuss progress, review intervention goals, and make any needed adjustments with family input

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are an important part of the decision-making process for students receiving Tier 3 intensive interventions. We start by sending home RTI letters and permission slips to explain the support being offered and to get consent if needed.

We also invite families to meetings where we go over their child's progress, talk about what's working, and decide if any changes are needed. Families can share their thoughts and ask questions to help us better understand their child's needs.

Together, we make plans and set goals to give the student the best support possible.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

42

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

We have noticed attendance and lateness continues to be a struggle. We have notice that the families of our students in temporary housing require support with basic essentials and health care needs.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

We provide the following services for students in temporary housing:
Busing and/or Metro cards
STH Packages consisting of clothing, backpacks, and school supplies
Referrals and support for assistance services
Mental health services in the form of at-risk counseling and/or mental health referrals.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

We currently have 0 students in foster care.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

NA

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

NA

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

NA

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

PS 896 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

PS 896, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Our goal is to continue to multiple ways of maximizing the utilization of our school community to promote our instructional focus and school priority goals. We will continue to implement a variety of profession development models that will include:
* lab sites
* inter-visitations
* peer coaching
* mentoring
* collaborative inquiry

We will continue to engage stakeholders through our shared decision-making structures in our Instructional Leadership Team, School Leadership Team, Professional Development Committee to continue establishing a professional learning community that is about continuous life-long learning for all stakeholders.

Our long-term goal is to create a culture of collaboration and trust while monitoring implementation and progress to make intentional and data informed adjustments along the way that will result in improved student outcomes.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Strengths-based attitudes and relationship-based practices are the key components of our transition plans for our preschool children. Our work will focus on school and home collaboration throughout the school year to ensure that students are prepared to move from early childhood programs to Kindergarten and beyond.

Fall and Winter:
*Staff will engage families regarding the about the Kindergarten registration process
* Staff will prepare, and share kindergarten transition activities offered
* Staff will begin to prepare workshops that will support parents as they begin to talk to children about kindergarten.
* Collaborate with families to determine child's strengths, interests, and favorite activities. This will support them as they consider.
Kindergarten placements and school choices.
* Invite families to participate in special events or kindergarten visits for new students and their families.

Spring:
* Invite parents to participate in kindergarten classroom tours with their preschooler.
* Support families with program selection, accepting offers and completing the registration process.
* Continue to work with families to consider the strengths and needs of each child as they prepare for the kindergarten transition.
* Help families prepare to share child's records with the new school. Such as Individual Education Plan (IEP) or 504 Plan.
* Collaborate with families on a "good-bye" event or special keepsake from the early learning program.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$200,417	x	Priority 1, Priority 2, Priority 3, Priority 4, Priority 5
Title I, School Improvement 1003(a)	Federal	$12,888	x	Priority 1, Priority 2, Priority 3, Priority 4, Priority 5
Title II, Part A	Federal	0		
Title III, Part A	Federal	$13,193	x	Priority 1, Priority 3
Title III, Immigrant	Federal	0		
Title IV, Part A	Federal	0		

Tax Levy (Fair Student Funding)	Local	$2,232,760	x	Priority 1, Priority 2, Priority 3, Priority 4, Priority 5

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Ruth Rodriguez-Rivera
Assistant Principal (Where Applicable)*	Madeline Sandoval
English as a New Language (ENL) Teacher*	Yimeng Zhou
Teacher (if school has a bilingual program must be a bilingual teacher)*	Gabriella Sucuzhanay
Parent/Guardian*	Magda Navarro
Teacher	Chen Ou
Parent Coordinator	Yeidy Angelucci
School Counselor	Noreen McLaughlin
Related-Service Provider	Jacqueline Murphy
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

10

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

2

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

2

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

278

Total number and percentage (%) of current ELLs:

142, 51%

Total number and percentage (%) of former ELLs:

23, 8.3%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

116, 81.7%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

26, 18.3%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0, 0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0, 0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

52, 36.6%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	ICT	Chinese		1	1												2
DLBE	GE	Spanish and Chinese		1	1	2	2	2	1								9
DLBE	SC	Spanish		0.5	.5	0.5	0.5										2.0
				total: 2.5	total: 2.5	total: 2.5	total: 2.5	total: 2	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Dual Language Bilingual Education (DLBE) :

Stand-alone ENL services are provided by classroom teachers in two ways:
Individualized Instruction: Teachers work with students one-on-one during literacy blocks and writing sessions. The instruction is tailored to meet the specific language acquisition needs of each student, including focused activities on vocabulary, reading comprehension, and writing skills.

Small Group Instruction: ELLs in the same class are grouped according to their proficiency levels, allowing the teacher to provide small group instruction that is more effective than whole-class teaching. This ensures that instruction is aligned with each student's language development stage.

English as a New Language (ENL) program:
Students in all grades K-5 who are not served in the Dual Language program receive support from the ENL teacher. Based on their language acquisition levels, students are grouped into proficiency levels for standalone services with the ENL teacher.

For K-2 ELLs:

The ENL teacher will pull out Entering and Emerging level ELLs from their classrooms during reading and morning meeting/phonics time for at least four periods (180 minutes) per week. ENL teachers will ensure that students in the same group do not exceed a 2-grade band difference.
For pull-out during reading workshop, the ENL teacher will group students based on their reading assessment data for small group instruction.
For pull-out during phonics time, the ENL teacher will group students based on their Acadience Screener results and their need for more intensive instruction on the same skills.

For 3-5 ELLs:

The ENL teacher will pull out Entering and Emerging level ELLs from their classrooms during reading time, phonics (some classes may not have a phonics period), and read-aloud sessions.
For pull-out during reading workshop, the ENL teacher will group students based on their reading assessment data and MAP ELA results for small group instruction.
For pull-out during phonics or read-aloud time, the ENL teacher will group students based on the results of MAP ELA, Bridge the Gap (Phonological Awareness), and Fundations placement tests.
ENL teachers will ensure that students in the same group do not exceed a 2-grade band difference.

Integrated ENL:

English as a New Language (ENL) program:
For integrated English as New Language (ENL) services, ENL teacher will do push-in in the classroom.

For k-2 ELLs
-ENL teacher will do push-in during reading, writing and phonics time to make sure ELLs all receive at least 4 periods(180 minutes) of service every week.

For 3-5 ELLs
-ENL teacher will do push-in during reading workshop and provide ELL scaffolds to support students as well as support teachers in implementing these strategies throughout the day. ENL teacher will provide service to those ELLs at least 4 periods (180minutes) per week.

Dual Language Bilingual Education (DLBE) program:
Integrated ENL service are provided by the classroom teachers in our DLBE program.
Lessons are designed to incorporate language development into academic subjects. While teaching science or social studies(PBL lesson), teachers include vocabulary and language structures that ELLs need to understand and engage with the content.
Teachers use strategies such as visual aids, graphic organizers, and modeling to support ELLs' understanding of complex concepts in reading and writing periods. This scaffolding helps bridge language gaps while promoting content mastery.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

NA

Dual Language Bilingual Education (DLBE):

In the school year of 2025 - 2026, we utilize an alternate week model that effectively integrates ENL services into our daily schedule.
Students alternate between a home language week and an English week. This structure allows us to focus on both language proficiencies throughout the program. During the morning meeting, all k-2 students participate in Heggerty phonics work and 3-5 students participate in phonics and grammar work. This time is designated for ENL instruction, ensuring that students receive targeted support in both their home language and English. On home language weeks, ENL instruction emphasizes vocabulary and phonics in the students' first language, reinforcing foundational skills. In English weeks, the focus shifts to developing English language skills through the same phonics framework, ensuring consistency and progression.

Stand-alone ENL services are provided by classroom teachers in two ways:
Individualized Instruction: Teachers work with students one-on-one during literacy blocks and writing sessions. The instruction is tailored to meet the specific language acquisition needs of each student, including focused activities on vocabulary, reading comprehension, and writing skills.

Small Group Instruction: ELLs in the same class are grouped according to their proficiency levels, allowing the teacher to provide small group instruction that is more effective than whole-class teaching. This ensures that instruction is aligned with each student's language development stage.

Integrated ENL service are provided by the classroom teachers in our DLBE program.
Lessons are designed to incorporate language development into academic subjects. While teaching science or social studies(PBL lesson), teachers include vocabulary and language structures that ELLs need to understand and engage with the content.
Teachers use strategies such as visual aids, graphic organizers, and modeling to support ELLs' understanding of complex concepts in reading and writing periods. This scaffolding helps bridge language gaps while promoting content mastery.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Our school creates program card for each program that allocates specific times for ENL services based on students' proficiency levels. This ensures that all ELLs receive the required amount of instructional minutes tailored to their needs. We also have a spreadsheet that listed the name of the ells, the required minutes of each type of service and their service providers. ENL teachers collaborate and plan with all classroom teachers to integrate language instruction throughout the day. This collaboration helps maximize instructional minutes and ensures that ELLs receive both integrated and standalone support.

Dual Language Bilingual Education (DLBE) program:

Grades K-2 Flow of the Day:

Week 1: Instruction in English

Social Emotional Learning (SEL): 15 minutes
Read Aloud 20 minutes (ENL)
Phonics (Heggerty&Fundations) 35 minutes (ENL)
HMH Small Group/Differentiated work/Literacy Centers 20 minutes (ENL)
HMH Into Reading: 45 minutes (ENL)
Writing: 45 minutes
Mathematics: 45 minutes
PBL 45 minutes
Enrichment/Cluster: 45minutes

Week 2: Instruction in Home Language

Phonics in English(Heggerty&Fundations) 35 minutes (ENL)
HMH small group/Differentiated work/Literacy centers in English (20 minutes) (ENL)
Social Emotional Learning/Read Aloud in Home Language: 20 minutes
Home Language Arts/Small group/centers in home language 20 minutes

HMH into reading: 45 minutes
Writing : 45 minutes
Mathematics: 45 minutes
PBL 45 minutes
Enrichment/Cluster: 45 minutes

Grades 3-5 Flow of the Day:

Week 1: Instruction in English

Social Emotional Learning (SEL): 10 minutes
Grammar: 20 minutes (ENL)
Math Routine 15 minutes
Mathematics: 45 minutes
Read aloud (20 mins) (ENL)
HMH Into Reading (ENL)
Engaging with Complex texts (35 mins)
HMH Small Groups (35 mins) (ENL)
*Vocabulary Comprehension

*Fluency
*Building Knowledge
*Guided reading
Writing/Small Group 45 minutes
PBL 45minutes
Enrichment/Cluster: 45 minutes

Week 2: Instruction in home language

Social Emotional Learning (SEL) in English: 10 minutes (ENL)
Grammar in English : 20 minutes (ENL)
Math Routine 15 minutes in English (ENL)

Read aloud (20 mins) in home language
HMH Into Reading in home language
Engaging with Complex texts (35 mins)
HMH Small Groups (35 mins)
*Vocabulary Comprehension
*Fluency
*Building Knowledge
*Guided reading
Writing in home language 45 minutes
Mathematics: 45 minutes in home language
PBL 45 minutes in home language
Enrichment/Cluster: 45 minutes in English

English as a New Language (ENL) program
For integrated English as New Language (ENL) services, ENL teacher will do push-in in the classroom.

For k-2 ELLs
-ENL teacher will do push-in during reading, writing and phonics time to make sure ELLs all receive at least 4 periods(180 minutes) of service every week.

For 3-5 ELLs
-ENL teacher will do push-in during reading workshop and provide ELL scaffolds to support students as well as support teachers in implementing these strategies throughout the day. ENL teacher will provide service to those ELLs at least 4 periods (180minutes) per week.

Students in all grades K-5 who are not served in the Dual Language program receive support from the ENL teacher. Based on their language acquisition levels, students are grouped into proficiency levels for standalone services with the ENL teacher.

For K-2 ELLs:

The ENL teacher will pull out Entering and Emerging level ELLs from their classrooms during reading and morning meeting/phonics time for at least four periods (180 minutes) per week. ENL teachers will ensure that students in the same group do not exceed a 2-grade band difference.
For pull-out during reading workshop, the ENL teacher will group students based on their reading assessment data for small group instruction.
For pull-out during phonics time, the ENL teacher will group students based on their Acadience Screener results and their need for more intensive instruction on the same skills.

For 3-5 ELLs:

The ENL teacher will pull out Entering and Emerging level ELLs from their classrooms during reading time, phonics (some classes may not have a phonics period), and read-aloud sessions.
For pull-out during reading workshop, the ENL teacher will group students based on their reading assessment data and MAP ELA results for small group instruction.
For pull-out during phonics or read-aloud time, the ENL teacher will group students based on the results of MAP ELA, Bridge the Gap (Phonological Awareness), and Fundations placement tests.
ENL teachers will ensure that students in the same group do not exceed a 2-grade band difference.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL:
Our school ENL teachers will do push-in and pull out with students based on their English Language Proficiency Level.

For k-2 ELLs
-ENL teacher will pull out Entering and Emerging level ELLs from their classrooms during reading and morning meeting/phonics time at least 4 periods(180 minutes) per week.
-For pull out during reading workshop, ENL teacher will group the students based on their reading assessment results for small group instruction.
-For pull out during phonics time, ENL teacher will group the students based on their Acadience Screener results.
-ENL teacher will do push-in during reading, writing and phonics time to make sure ELLs all receive at least 4 periods(180 minutes) of service every week.

For 3-5 ELLs
-ENL teacher will pull out Entering and Emerging level ELLs from their classrooms during reading workshops, phonics(some classes may not have phonics period) and read aloud.
-For pull out during reading workshop, ENL teacher will group the students based on their reading assessment results and MAP ELA results for small group instruction.
-For pull out during phonics or read-aloud time, ENL teacher will group the students based on the results of MAP ELA, Bridge the gap(Phonological awareness) and Fundations placement tests.
-ENL teacher will do push-in during reading workshop and provide ELL scaffolds to support students as well as support teachers in implementing these strategies throughout the day. ENL teacher will provide service to those ELLs at least 4 periods (180minutes) per week.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our school implements the self-contained model. This model is designed to provide a balanced and comprehensive approach to language instruction for both English proficient students and ELLs. Students switch between languages on a weekly basis. One week will focus entirely on English, and the next week will focus on the partner language(Chinese or Spanish). This model allows students to fully immerse themselves in each language for a week, fostering deeper understanding and language acquisition. It also helps to maintain a balance between the two languages over the course of the school year. Both English proficient students and ELLs work together, promoting peer support and interaction, which enhances language learning for all students.

Dual Language Class flow of the day

Grades K-2 Flow of the Day:

Week 1: Instruction in English

Social Emotional Learning (SEL): 15 minutes
Read Aloud 20 minutes
Phonics (Heggerty&Fundations) 35 minutes
HMH Small Group/Differentiated work/Literacy Centers 20 minutes
HMH Into Reading: 45 minutes
Writing: 45 minutes
Mathematics: 45 minutes
PBL 45 minutes
Enrichment/Cluster: 45minutes

Week 2: Instruction in Home Language

Phonics in English(Heggerty&Fundations) 35 minutes
HMH small group/Differentiated work/Literacy centers in English (20 minutes)
Social Emotional Learning/Read Aloud in Home Language: 20 minutes
Home Language Arts/Small group/centers in home language 20 minutes

HMH into reading: 45 minutes
Writing : 45 minutes
Mathematics: 45 minutes
PBL 45 minutes
Enrichment/Cluster: 45 minutes

Grades 3-5 Flow of the Day:

Week 1: Instruction in English

Social Emotional Learning (SEL): 10 minutes
Grammar: 20 minutes
Math Routine 15 minutes
Mathematics: 45 minutes
Read aloud (20 mins)
HMH Into Reading

Engaging with Complex texts (35 mins)
HMH Small Groups (35 mins)
*Vocabulary Comprehension
*Fluency
*Building Knowledge
*Guided reading
Writing/Small Group 45 minutes
PBL 45minutes
Enrichment/Cluster: 45 minutes

Week 2: Instruction in home language

Social Emotional Learning (SEL) in English: 10 minutes
Grammar in English : 20 minutes
Math Routine 15 minutes in English

Read aloud (20 mins) in home language
HMH Into Reading in home language
Engaging with Complex texts (35 mins)
HMH Small Groups (35 mins)
*Vocabulary Comprehension
*Fluency
*Building Knowledge
*Guided reading
Writing in home language 45 minutes
Mathematics: 45 minutes in home language
PBL 45 minutes in home language
Enrichment/Cluster: 45 minutes in English

By systematically planning instructional minutes, integrating ENL strategies, and monitoring student progress, the school's Dual Language Alternate Week Model effectively meets the CR Part 154 ENL minutes requirements. This structured approach ensures that all ELLs receive the necessary language support to thrive academically.

b. In which language(s) is each core content area taught?

Math: English and home language
Phonics: English and home language
Reading and writing: English and home language
STEM: English
PBL: English and home language

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

NA

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

At The School of Creativity and Innovation, we use the workshop model, which is data-driven, to teach all content areas. A component of the workshop model is the differentiated instruction provided within small group instruction, strategy lessons, as well as one on one conferences. 84.3% of our ELL students are Newcomers. All BOY data such as Acadience Screeners, Running Records, and MAP assessment data in literacy levels is compiled so that we are able to meet them where they are in order to guide and drive instruction.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

We don't have any students with Inconsistent/Interrupted Formal Education at this moment. But we have come up a plan to differentiate effective instruction for SIFE.

Curriculum Adaptation
Differentiated Instruction: We will use tiered lessons that cater to varying levels of language proficiency and educational backgrounds.
Culturally Relevant Materials: We will incorporate resources that reflect diverse cultures and experiences to engage students.

Language Development
ENL Support: we will provide targeted ENL instruction focused on both social and academic language skills.
Bilingual Resources: we will utilize bilingual books and resources to support literacy development in both English and the students' home languages.

Academic Support
Mentorship Programs: we will pair those students with peer mentors who can provide guidance and support.

Monitoring and Evaluation
We will regularly assess students' academic progress and language development using formative assessments.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We have 0 Long- Term ELLs at this moment, but our school has come up with a plan to help long-term ELLs and those who are at risk of becoming long-term ELLs(developing ELLs). Developing ELLs benefit from strong scaffolding techniques, such as visuals, gestures, and explicit teaching of language functions. They may focus primarily on social language, with explicit instruction on academic language still necessary. They often require formative assessments to gauge their language acquisition and understanding. While long-Term ELLs require differentiated instruction that challenges them academically. This includes advanced scaffolding strategies that promote critical thinking, discussions, and collaborative learning, allowing them to engage with complex texts and ideas. need targeted support in understanding and using academic language across subjects. This involves explicit teaching of discipline-specific vocabulary and comprehension strategies. They often need assessments that evaluate their academic progress and understanding in relation to grade-level expectations.
School response plan for Long term ELLs
1. Identification and Assessment
Early Identification: Use standardized assessments to identify students at risk of becoming long term ELLs as early as possible. Pay close attention to students who have been an ELL for 4 or 5 years (developing ELLs) or have not made any progress on NYSESLAT for 2-3 years.
Ongoing Evaluation: Conduct regular assessments to monitor language proficiency and academic progress.
2. Curriculum Design and Instructional Strategies
Differentiated Instruction: Implement tiered instructional strategies that cater to varying language proficiency levels and learning needs.
Culturally Relevant Curriculum: Integrate culturally relevant materials and themes to engage long term ELLs and reflect their experiences.
3. Language Development Focus
Integrated Language Instruction: Embed language development within content area instruction, ensuring students are practicing academic language in context.
Targeted Vocabulary Instruction: Provide explicit instruction in academic vocabulary and language structures relevant to core subjects.
4. Academic Support Services
Small Group Instruction: Create small group settings for targeted support in language and content areas.
TITLE III after school program: Prioritize to enroll those potential long term ELLs and long term ELLs to participate in the TITLE III program.
5. Social-Emotional
Counseling: Offer social-emotional support through counseling services to help students navigate challenges. Long term ELLs may experience frustration or disengagement due to prolonged challenges with academic language so building a supportive classroom environment that fosters resilience and motivation is essential.
6. Professional Development for teachers
Training Workshops: Provide professional development on best practices for teaching long term ELLs, focusing on language acquisition strategies and cultural responsiveness.
Collaboration and Planning: Encourage collaborative planning sessions among teachers to share effective strategiesand resources for long term ELLs
7. Family and Community Engagement
Parent Workshops: Organize workshops for families to understand the educational system and support their children's learning at home
Multilingual Communication: Ensure that all communication with families is available in their preferred languages to promote involvement and understanding.

8. Monitoring and Accountability
Data Tracking: Maintain detailed records of long term ELLs' progress in language acquisition and academic performance to inform instruction and interventions.
Regular Review Meetings: Hold regular meetings among teachers and support staff(school RTI team& ENL team) to review long term ELLs progress and adjust strategies as needed.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

8.4% are formerELLS. These students receive ENL service in the content area. Students continue to receive scaffolding and language acquisition support and accommodations in test.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

We have 49 ELLs (30.8%) who did not demonstrate sufficient English Language Proficiency (ELP) progress on the Spring 2024 NYSESLAT. Most of these students are considered newcomers and fall into the at-risk indicator level 2. We also notice that those who did not perform well on the NYSESLAT or did not demonstrate sufficient English Language Proficiency progress on the NYSESLAT also struggled in the state tests.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Among all 24 former ELLs, 21 of them have risk indicator 0 and 3 of them have risk indicator 1 due to temporary housing and test score in ELA last year. We will close monitor those potentially at-risk students and provide support as needed.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Chinese and Spanish. Our school has several staff members who speak Chinese to support students and families with translation and technology support. We also have parent workshops to help those parents support their children at home. The next largest representation at our school is Spanish and we have a large number of Spanish speaking staff as well. For both, we have office staff that support with families in need of basic support, a bilingual school psychologist and a bilingual Parent Coordinator and School Secretary. We implement the translation unit for meetings when necessary and ensure that all documents and communications sent to families are translated into the appropriate home language. Our school also have big celebrations of Hispanic Heritage Month and Lunar New Year to shine a spotlight on the unique voices and experiences of Hispanic/Latino Americans and Asians and recognize their history, journeys, and achievements.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

Currently we have 78 ELLs whose home language is Chinese, 65 whose home language is Spanish, 4 Russian, 2 Urdu, 2 Polish, 1 Albanian, 2 Arabic, 1 Bengali, 1 German, 1 Haitian Creole. Classroom teachers of ELLs use backwards design to plan units and craft all lessons. In
addition, teachers provide flexible one-to-one and small group instruction for identified students during designated weekly small group time. Teachers focus on elements of balanced literacy (phonics, guided reading, interactive writing, interactive read aloud, and word study during this time in order to provide access to academic content areas and accelerate English language development.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

By reviewing English Language Proficiency growth at our school, we notice that 36.4% of the ELLs met ELP sufficient progress by exiting ELL status, meeting annual progress target and meeting safe harbor cumulative growth. The majority of them met ELP sufficient progress by meeting annual progress target. There were also fewer students test out comparing to the data from last year. 63.6% of the ELLs did not meet ELP sufficient progress.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

NYSESLAT 2025 scores are slightly higher across all modalities compared to NYSESLAT 2024. Listening and Reading partshow the most consistent gains. Writing remains the lowest scoring category in both years, though it improved in 2025.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Students' performance on the NYSESLAT were aligned with their performance on the state test.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Most of the ELLs with IEPs scored at Emerging and Transitioning level on 2024 NYSESLAT. At The School of Creativity and Innovation, we use curricular, instructional, and scheduling flexibility to enable ELLs and SWDs to achieve their IEP goals in the following ways. Teachers make modifications and adjustments to the curriculum constantly to ensure that ourELL population has access and entry to the content. Teams of teachers work closely to ensure curriculum and pedagogy are consistent and coherent across classrooms so that all students experience effective instruction aligned to our school's philosophy of teaching and learning regardless of teacher or classroom.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

NA

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

NA

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

NA

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

NA

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

The school's leadership team considers Multilingual Learners (MLs) and English Language Learners (ELLs) in the school's
instructional design by incorporating strategies and approaches that support their unique language needs and promote their
academic success. Our MLs and ELLs needs are at the core of our work as the majority of our students are represented by this
designation. We consider student language acquisition levels as we plan for access. Culturally responsive instruction: The
leadership team ensures that instructional materials, resources, and teaching practices reflect the cultural backgrounds and
experiences of MLs/ELLs. This approach helps create a supportive and inclusive learning environment that values and respects their
diverse identities. Differentiated instruction: The instructional design takes into account the varying proficiency levels and language
needs of MLs/ELLs. Teachers are provided with strategies and resources to differentiate instruction, adapting content,
assignments, and assessments to make them accessible and meaningful for MLs/ELLs at different language proficiency levels.
Language development support: The leadership team encourages the integration of language development strategies across
subject areas to help MLs/ELLs acquire English language skills while engaging with academic content. This includes providing
explicit language instruction, vocabulary support, and opportunities for language practice and production. Collaborative planning
and professional development: The leadership team promotes collaborative planning among teachers, PD providers, and content area educators to design instruction that meets the needs of MLs/ELLs. They facilitate professional development opportunities that
focus on effective instructional strategies for MLs/ELLs, such as scaffolding techniques, and language assessment practices. Monitoring and assessment: The leadership team establishes systems to monitor the progress of

MLs/ELLs and assess their
language development. Regular data analysis and progress monitoring help identify areas of improvement and inform instructional
decisions to better meet the needs of MLs/ELLs. By considering MLs/ELLs in the instructional design process, the school's
leadership team aims to create an inclusive and supportive learning environment where MLs/ELLs can thrive academically, develop
their language skills, and achieve success alongside their peers. This year, we will also add more Bilingual certified teachers to our
staff to further our instructional design.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our school's leadership team ensures ELLs access core instruction through:

Aligning curriculum with language proficiency levels.
Providing professional development on ELL instruction.
Facilitating collaborative planning among teachers.
Equitably allocating resources for language support.
Monitoring ELL progress and offering targeted support.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Our school implements Illustrative Math, HMH, Fundations, and Heggerty at it's core. The curricula are all aligned with the Next Generation Learning Standards.

Instruction is delivered by the classroom teachers and is supported with push-in/pull-out ENL services as is appropriate.

Our school uses a collaborative model to support the delivery of instruction. Students in the Dual program receive instruction in both languages: either Spanish and English or Chinese and English.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers use HMH curriculum, Heggerty, Fundations, Illustrative math for core instruction. These materials are modified to provide access to students. We also use a variety of instructional strategies and grade-level materials, including technology, to provide access to grade-level academic content areas and accelerate English language development.

Sentence frames and starters: These prompts provide sentence structures or vocabulary cues to help MLs/ELLs

express their thoughts and ideas.

Partner Talk: we utilize the partner talk strategy to support access to grade-level academic content areas and accelerate English language development.

Guided practice: Teachers provide step-by-step support and guidance during activities or assignments, gradually reducing support as MLs/ELLs become more proficient.

b. SIFE

School Response Plan for SIFE:

1. Identification and assessment
We will use screening Tools like home language survey, individual interview at the beginning and if the student is eligible to take the NYSITELL, school ENL teacher will administer the NYSITELL. Once the student has been identified as an ELL and the student is grade 3 and above, School ENL teacher will administer SIFE Oral Interview Questionnaire to potential SIFE. If the results of the SIFE Oral Interview Questionnaire indicate the student is a potential SIFE, then the school ENL teacher will administer the MLS (Multilingual Literacy Sife Screener) to gather more information on educational history, language proficiency, and any barriers to learning.

2. Curriculum Adaptation
Differentiated Instruction: we will use tiered lessons that cater to varying levels of language proficiency and educational backgrounds.
Culturally Relevant Materials: we will incorporate resources that reflect diverse cultures and experiences to engage students.

3. Language Development
ENL Support: Provide targeted ENL instruction focused on both social and academic language skills.
Bilingual Resources: Utilize bilingual books and resources to support literacy development in both English and the students' home languages.

4. Academic Support
Mentorship Programs: Pair SIFE with peer mentors who can provide guidance and support.

5. Social-Emotional Support
Counseling Services: Ensure access to school counselors trained to address the unique challenges faced by SIFE.
Community Building Activities: Organize activities that promote inclusion and help SIFE feel connected to the school community.

6. Professional Development for teachers
School will provide ongoing professional development for teachers on the needs of SIFE and effective instructional strategies.

7. Family Engagement
Information Sessions: we will hold meetings for families to explain school resources and support systems available for their children.
Translation Services: we will ensure all communications are available in the families' home languages to promote understanding and involvement.

8. Monitoring and Evaluation
We will regularly assess SIFE's academic progress and language development using formative assessments.

c. Newcomers

For ELLs who have recently arrived in the U.S., they will face the challenge of learning a new language in addition to adjusting to an unfamiliar cultural setting and school system. Our school will help English language learners (ELLs) succeed by making them feel welcome in the classroom. We also use Visual aids and gestures real-life examples to support understanding. Incorporate visuals, pictures, and gestures into lessons to make content more accessible. We also encourage them to work with native English-speaking peers as language buddies, fostering language practice and social interaction.

d. Long Term ELLs

School Response Plan for Long Term ELLs:

1. Identification and Assessment
Early Identification: Use standardized assessments to identify students at risk of becoming long term ELLs as early as possible. Pay close attention to students who have been an ELL for 4 or 5 years or have not made any progress on NYSESLAT for 2-3 years.
Ongoing Evaluation: Conduct regular assessments to monitor language proficiency and academic progress.

2. Curriculum Design and Instructional Strategies
Differentiated Instruction: Implement tiered instructional strategies that cater to varying language proficiency levels and learning needs.
Culturally Relevant Curriculum: Integrate culturally relevant materials and themes to engage long term ELLs and reflect their experiences.

3. Language Development Focus
Integrated Language Instruction: Embed language development within content area instruction, ensuring students are practicing academic language in context.
Targeted Vocabulary Instruction: Provide explicit instruction in academic vocabulary and language structures relevant to core subjects.

4. Academic Support Services
Small Group Instruction: Create small group settings for targeted support in language and content areas.
TITLE III after school program: Prioritize to enroll those potential long term ELLs and long term ELLs to participate in the TITLE III program.

5. Social-Emotional and Cultural Support
Counseling: Offer social-emotional support through counseling services to help students navigate challenges.

6. Professional Development for teachers
Training Workshops: Provide professional development on best practices for teaching long term ELLs, focusing on language acquisition strategies and cultural responsiveness.
Collaboration and Planning: Encourage collaborative planning sessions among teachers to share effective strategies and resources for long term ELLs

7. Family and Community Engagement

Parent Workshops: Organize workshops for families to understand the educational system and support their children's learning at home
Multilingual Communication: Ensure that all communication with families is available in their preferred languages to promote involvement and understanding.

8. Monitoring and Accountability
Data Tracking: Maintain detailed records of long term ELLs' progress in language acquisition and academic performance to inform instruction and interventions.
Regular Review Meetings: Hold regular meetings among teachers and support staff(school RTI team& ENL team) to review long term ELLs progress and adjust strategies as needed.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

At The School of Creativity and Innovation, we use curricular, instructional, and scheduling flexibility to enable ELL-SWDs to achieve their IEP goals in the following ways.

Teachers make modifications and adjustments to the curriculum constantly to ensure that our ELL population has access and entry to the content. Teams of teachers work closely to ensure curriculum and pedagogy are consistent and coherent across classrooms so that all students experience effective instruction aligned to our school's philosophy of teaching and learning regardless of teacher or classroom.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

DLBE: At The School of Creativity and Innovation, we practice a dual-language model. In the dual-language classes, the home language is supported and delivered in the content areas of Math, Science, and Social Studies. Our students have evaluated and assessed multiple times throughout the school year in their home language in the content areas of Math, Science, and Social Studies.

ENL: Teachers regularly observe and document students' language use in both English and their home language during classroom activities. This informal assessment provides insights into their language skills and needs.

DLBE places significant emphasis on proficiency in both home language and English to promote bilingualism, while ENL prioritizes English language development but still acknowledges the importance of understanding a student's linguistic background.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

DLBE Teacher Partnerships:

Pairing DLBE teachers to collaborate effectively in co-teaching environments, fostering the exchange of best practices, linguistic support, and cultural insights. Encouraging regular meetings between DLBE partners to plan lessons, discuss student progress, and adapt instructional strategies to meet the needs of diverse learners.

Grade-Level Common Plannings:
Implementing regular grade-level team meetings where DLBE teachers can collaborate with their peers teaching the same grade level.
Using these meetings to align curriculum, share resources, and develop coherent instructional units that integrate language development and content learning for ELLs.

Mentor and Mentee Partnerships:
Establishing mentorship programs where experienced DLBE teachers/ENL teachers/Special education teachers serve as mentors to support new or less experienced teachers. Providing opportunities for mentor-mentee partnerships to engage in co-planning, classroom observations, and reflective discussions to enhance teaching practices and promote professional growth.

Professional Development Workshops:
Our school offers a lot of professional development workshops focused on effective co-teaching strategies, language acquisition theories, cultural responsiveness, and differentiated instruction for ELLs.
Providing ongoing training sessions to equip teachers with the skills and knowledge needed to collaborate successfully within DLBE settings.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

All teachers participate in the support provided by FSC staff. They are invited to attend FSC PD opportunities and study groups. In addition, the teacher participates in teacher teams and professional development session at the school.

We spend a great deal of time reviewing data and utilizing the information we gather to guide instruction. We work with staff developers from HMHand ERM and Illustrative Math to help train our staff in best practices.

Our school implements Sanford Harmony in daily instruction to ensure that we meet students' social emotional needs for all learners.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

All teachers participate in the support provided by Teaching Matters and Metamorphisis. They are also encouraged to take advantage of professional learning opportunities offered through the NYC DOE and other sources. School administrators share the District 15 Professional Learning Schedule with the entire staff in weekly school updates. The school ENL coordinator attends the district ENL work group bi-monthly and provides updates to other teachers during the following Monday's professional development session.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We use Acadience screener for k-2 students and Map Growth for 3 and above. We use the data to plan for our small group lessons.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

As an RTI team and school community we will reflect upon and refine our practices to strengthen strong culturally responsive core instruction (Tier 1), and the use of varied assessments, including universal screeners, are critical in accelerating learning for each student academically, and social emotionally. To complement other forms of assessment in our school, we have administered universal screeners in ELA and Math and will continue to do so up to three times (Fall, Winter, Spring) to the entire student population, including ELLs and SWDs. Its purpose is to identify students' strengths, as well as determine who presents a risk of not meeting important instructional outcomes. Once a screener identifies who is at risk, identified students receive a further assessment to diagnose specific areas of need. Interventions to match those needs are put in place, and the effectiveness of these interventions is then measured cyclically by suitable progress monitoring tools.

Heggerty Phonemic Awareness Curriculum
Heggerty Phonological Awareness program
Heggerty Bridge the Gap
TCRWP
SPIRES

FUNdations
Estrellita

Illustrative Math

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and

MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

The School of Creativity and Innovation uses data to guide instruction forELLs within the RTI framework in the following way. Primary reading data is collected and reviewed in September, November, January, March, and June in all grade levels. Independent reading levels are assessed on a monthly basis. Following the collection of student performance data, gradelevel teams of teachers, the AIS teacher, and ESL teacher determine the highest priority students based on benchmark expectations set by Teacher's College. The team of teachers works together to create small groups fora cycle of RTI and establish instructional plans for the six-week cycle. In addition, classroom teachers provide flexible one-to-one and small group instruction for identified students during designated weekly small group time. Teachers focus on elements of balanced literacy (phonics, guided reading, interactive writing, interactive read-aloud, and word study during this time.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The School of Creativity and Innovation currently uses the following formative assessments to guide instructional planning for our ELLs:
Acadience
TCRWP Running Records
TCRWP Concepts of Print
TCRWP Letter Identification
TCRWP High-Frequency Word
HMH module assessment
Illustrative Math checkpoint

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Because we practice the dual language model, our students are evaluated and assessed multiple times throughout the school year in their home language in the content areas of Math, Science a and Social Studies.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We currently use NYSESLAT to evaluate the effectiveness of our ML/ELL programs.
We use the NYSESLAT modality analysis to understand where our current ELLs are in English language acquisition. We will closely look at modalities of strength and modalities of need for each grade level. ENL teacher will then

adjust their schedules to focus more on areas of need in that grade level.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Staffs administer the test:
Yimeng Zhou, ENL coordinator
Jacqueline Imonode, ENL teacher
Chen Ou, Bilingual Teacher
Elva Feng, BIlingual Teacher
Gabriela Sucuzhanay, Bilingual Teacher
Jenny Huang, Bilingual Teacher
Erica Ortiz, Bilingual Teacher
Rose Aubourg, ICT classroom teacher
Ashlee Cooper, ICT classroom teacher
Lisbeth Santo, Bilingual Teacher

Staffs score the test:
Yimeng Zhou, ENL coordinator/ENL teacher
Chen Ou, Bilingual Teacher
Gabriela Sucuzhanay, Bilingual Teacher
Jenny Huang, Bilingual Teacher
Ashlee Cooper, ICT classroom teacher
Lisbeth Santo, Bilingual Teacher
Kerry Calamari, ICT classroom teacher

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our school has a spreadsheet listing all the students with accommodations, including testing accommodations in students' IEPs and ELL accommodations. All school staff are required to check the spreadsheet before administering any assessment. Additionally, it's a living document, and any updates will be noted on the spreadsheet.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Communication Outreach: We will provide information about the ELL orientation meeting in multiple languages, utilizing translation services and bilingual staff to ensure accessibility. Notices will be distributed along with ELL entitlement letters and through ClassDojo and Operoo.

Scheduled ELL Orientation at Different Times and Days: We will schedule ELL parent orientation at various times and on different days to accommodate families' schedules.

Translation: We have staff members who speak Spanish, Chinese, and Haitian Creole to assist with translation. For other languages, we will use the DOE over-the-phone interpretation service. We will explain the programs that we currently have in school.

Personal Outreach: Our staff will conduct personal outreach to families who may have difficulty attending meetings. We will send the ELL parent orientation video through ClassDojo and provide the parent program agreement form to take home.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

We will start conducting annual individual meetings for ELL parents in October. Classroom teachers will meet with the parents of ELL students in the bilingual programs, and the ENL teacher will support these meetings as needed. The ENL teacher will also meet with the parents of the students they serve, classroom teachers will support as needed.

During the meetings, teachers will discuss each student's language development progress, language development needs, an introduction to the NYSESLAT, and how to prepare for the NYSESLAT.

Our school maintains a spreadsheet that lists all ELLs by class. Teachers will document the date and time of each meeting, noting whether it is in person or virtual. They will also record the discussion points and collect any questions or concerns from parents. School ENL teachers will then reach out to these families to help address their questions.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

We utilize ClassDojo and Operoo as primary platforms to reach out to parents, providing information about upcoming opportunities for family involvement and leadership roles. Additionally, we have a dedicated parent coordinator who is fluent in Spanish and a school secretary who speaks Mandarin, facilitating effective communication with families who speak diverse languages. We also have many school aides who speak different languages to further support communication. For other languages, we use DOE document translation and over-the-phone interpretation services to ensure that all families' needs are met.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our school is committed to developing activities that empower families of multilingual learners (MLs) and English Language Learners (ELLs). We conduct a school parent survey to gather insights about families' needs and challenges. We analyze survey results to create targeted workshops and activities that align with families' interests, such as academic support and navigating the school system. We host cultural celebrations and heritage events that honor the diversity of our community, provide opportunities for intercultural exchange, and celebrate the strengths of MLs/ELLs families. We encourage families to take leadership roles within the school like SLT and PTA, promoting active involvement in their children's education. We also continuously collect feedback and ensure they meet families' needs.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our school takes proactive measures to ensure that families of MLs/ELLs are aware of family leadership opportunities such as Parent Association (PA), School Leadership Team (SLT), etc. We utilize ClassDojo as a primary platform to reach out to parents, providing information about upcoming opportunities for family involvement and leadership roles. Additionally, we have a dedicated parent coordinator who is fluent in Spanish and a school secretary who speaks Mandarin, facilitating effective communication with diverse language-speaking families.

Moreover, we actively recruit school aides from among our parents, ensuring representation from various cultural and linguistic backgrounds. These school aides play a vital role in helping us maintain connections with other parents, disseminating information about leadership opportunities, and encouraging involvement in school initiatives. By leveraging these communication channels and personnel resources, we strive to empower families of MLs/ELLs to participate in leadership roles and contribute to the educational community.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We engage with professional development providers who specialize in culturally and linguistically responsive teaching strategies. These providers can offer workshops, training sessions, and coaching to support teachers in developing their skills and knowledge in serving
diverse student populations effectively. We also foster partnerships with parents and families by creating welcoming and inclusive environments. Establish family outreach programs, cultural celebrations(Hispanic Heritage month, Lunar New Year), and workshops to involve families in their children's education and provide opportunities for sharing diverse cultural experiences.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

NA

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

ELL identification team member:
Assistant Principal 1
ENL coordinator 1
ENL teacher 1
Chinese Dual Language Class teacher 1
Spanish Dual Language Class teacher 1
Bilingual Speech Language Pathologist 1
Occupational Therapist 1
Pupil Accounting Secretary 1
Parent Coordinator 1
School Guidance Counselor 1

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Beginning in June, ELL identification team will create an action plan for registration based on the ELL policy handbook.

Step 1: Determine Student's Enrollment Status
• School pupil accounting secretary will create a registration plan and share with the ELL identification team. The plan will indicate the time of the registration, parents preferred language to speak with the school staff and if the student has IEP as well as student enrollment status so the team members can take appropriate next step.
• School pupil accounting secretary and the school ENL teacher or one of the bilingual teachers will present for the

registration. If we couldn't find any staff member who speaks the parent's preferred language, we will use over-the-phone translation service.

Step 2: Qualified Personnel Administers the Home Language Identification Survey (HLIS)
• School ENL teachers will administer the Home Language Identification Survey and if both of the teachers are not available, one of the two bilingual teachers will show up at the registration instead. Both of the bilingual teachers are bilingual licensed and trained.
• School pupil accounting secretary will input the home language code and mark the HLIS flag on ATS.

Step 3: Determine NYSITELL Eligibility and Administer NYSITELL to Eligible Students
• School LPT team will be convened to determine NYSITELL eligibility of students with IEPs amd take appropriate next step and update on ATS.
• School ENL teachers will administer NYSITELL to eligible students.
• ENL coordinator will scan NYSITELL answer sheet to ATS.

Step 4: Send Parent Notifications in Preferred Language
• ENL teachers will generate the parent notification letters to notify parents the result of NYSITELL, ELL status and their right to seek review of this determination and the orientation date and time within five school days of ELL determination.

Step 5: Administer the Spanish LAB
• ENL teacher who speaks Spanish will administer the Spanish Lab to eligible students during the 10 school day testing window or 20 school days for students with IEPs.

Step 6: Identification of Students with Interrupted/Inconsistent Formal Education
• ENL teachers will collaborate with the classroom teachers as well as school guidance counselors to complete the SIFE identification process. ENL teachers will indicate on ATS the result of the identification process.

Step 7: Parent Agreement and Program Placement
• ENL teachers will hold parent orientations in the parents'/guardians' preferred language to inform them of those program options.
• Parent coordinator will translate if needed.
• ENL teachers will send out the ELL parent survey&program agreement form and indicate program selection on ATS.
• School secretary and parent coordinator will collaborate to make sure the students transfer to the parents' chosen program.
• ENL teachers will generate and send home the placement letters.

Step 8: Student is Placed in ELL Program
• Assistant Principal will be in charge of programming all ELLs for the minimum number of minutes of ENL service on STARS.

Step 9: Re-Identification of ELL Status (only used as necessary)
• If the school receive a written request of re-identification, assistant principal along with the ENL department will complete the re-identification process within 10 school days of receipt of written notice and 20 school days for students with IEPs.
• Assistant principal, guidance counselor, ENL teachers will review all documents related to the initial or reentry identification process. They will review the student's work in English and the home language.
• ENL teachers will administer the NYSITELL if the initial decision was the student should not be administered the NYSITELL.
• Parent coordinator will reach out to family to invite them for a meeting with the assistant principal, guidance counselor and ENL teachers.

• ENL teachers will conduct and review the result of Acadience screener/MAP test results as well as Running Record result to determine the students' abilities in listening, speaking, reading and writing in English. They will also consult with the IEP team if the student has a disability or is suspected of having a disability that may impact the ability to speak, read, write, or listen in English.
• The team will notify the school principal their decision and the principal will determine to change the ELL status or not.
• School secretary will update the screen on ATS.
• ENL teachers will send out parent letters in their preferred language.
• School will notify Superintendent if the decision is to change ELL status and the team will then take appropriate next steps.

Step 10: Review of Re-Identification of ELL Status Reversal (only used as necessary)
• The principal will review the Re-identification Process decision to ensure that the student's academic progress has not been adversely affected by the determination. The principal's recommendation can be to provide additional services or to reverse the ELL status back to its originally determined status.
ENL teachers will remind school principal.ENL teachers will make sure that schools maintain a school-level ELL folder of critical documents. School secretary and ENL teachers will make sure to file the critical ELL documents in students' cumulative folders. School secretary will also maintain another copy of critical ELL documents.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Ruth Rodriguez-Rivera

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Madeline	Sandoval	Assistant Principal 12 Month		
Jasmine	Soljour	School Secretary	12/05/2024	
Yimeng	Zhou	Teacher - Regular Grades - ESL		

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

Once the information is gathered from Part III of the Home Language Identification Survey (HLIS), Automate The System (ATS) reports, Student Emergency Contact cards, Surveys conducted by your school, the school staff organizes supports based on language of preference. This supports in preparing resources, making copies, determining phone calls and outreach assignments.

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ALBANIAN	2	0.51%	2	0.52%		
ARABIC	3	0.76%	3	0.77%		
CHINESE ANY	130	33.08%	73	18.81%		
CANTONESE	0	0.00%	4	1.03%		
HAITIAN CREOLE	1	0.25%	1	0.26%		

HINDI	1	0.25%	1	0.26%		
MAM	0	0.00%	2	0.52%		
MANDARIN	2	0.51%	51	13.14%		
ENGLISH	137	34.86%	135	34.79%		
RUSSIAN	9	2.29%	9	2.32%		
SPANISH	108	27.48%	107	27.58%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
IEP	DOE Office of Language Access using the online request form.
Monthly calendars and flyers	Internal staff supports with translation into preferred languages for our school community
Parent letters	DOE links to translated versions
Newsletters	Internal staff supports with translation into preferred languages for our school community

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

PTC	Use internal staff supports and translation unit number to support parent conversations with staff
Parent engagement meetings	Use internal staff supports and translation unit number to support parent conversations with staff.
IEP meetings	Use internal staff supports and translation unit number to support parent conversations with staff.
Parent workshops	Use internal staff supports and workshop provider support to facilitate parent participation

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

(A) a school-wide emergency (i.e. lockdown, fire, etc..)
We use our NYC Public Schools accounts, Class DOJO, and our school website to communicate emergencies. Each of these platfroms included translation support.

(B) a student-specific emergency (i.e. student attendance, nurse/hospital visit, etc..).
Internal staff supports with translation when communication with parents on these smaller scale emergencies.

(C) If a parent has an emergency and needs to contact the school
Parents are advised to call the main office and support staff facilitates translation. Parents also have the option to send messages via class dojo.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

All staff are trained on Chancellor's Regulation A-663 expectations at the beginning of the school year. Additionally, we outline expectations and translation protocols in our employee policy handbook. Staff is provided with the access to the translation unit, the office of language access, Google drive and internal translation options.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

We use provided NYCDOE signage in public spaces such as school lobby, main office and public assembly spaces. All parents are provided with resources in their preferred language. We use Pocket talk devices for PTA meetings and other parent engagement events.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

We monitor progress through the communication with our parent coordinator, monthly coffee with the principal, parent engagement meetings with teachers, progress meetings with ENL team.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

At this time our staff represents 95% of the languages spoken at our school. As such, language services are provided consistently and intentionally to families. However, for low incidence languages or for the languages that direct translation is not available we have instituted the use of handheld translation devices such as pocket talk. Staff signs out a device as needed. Devices are located in the main office.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

90

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

6

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our school-level data demonstrates that students need content area vocabulary support and enhanced opportunities for English language acquisition to allow for students to make appropriate gains.
*Will help students develop early literacy in English as their new language.
* Will also focus on English content area vocabulary support.
* Will help students develop their oral language in English.

This program will be delivered as an in-person after school program. We will group students into 6 groups for 3 hours a week. After school program will start from 2:45 to 4:15 every Wednesday and Thursday. Groups will have varied grade levels but will be similar in language acquisition needs. The program will be supervised at cost by: Madeline Sandoval, Assistant Principal. Regular work hours 7:00am-2:45pm. Supervision will be at cost from 2:45 pm- 4:15 pm.

All resources, planning, data collection, student attendance, professional development agendas, parent workshop agendas will be organized and made available on our school Google Drive to allow for efficient collaboration.

Progress will be monitored and documented on Google drive using excel sheets.

Instruction will take place in flexible groupings that will be determined based on student language data so that we are able to meet students where they are in the area of language acquisition. Students will be grouped in a 15 students to 1 teacher ratio. No more than 20% of the total allocation will be used to purchase materials.

The instructional materials and resources will be consumable in nature to allow for access to students. This materials are supplementary and will not be the materials currently used during the school day. As such they will be at cost to the Title III program.
The program will run from the second week in January 2025, to the second week in May 2025.
1/8/2025 2:45 pm- 4:15 pm to 5/8/2025 2:45pm to 4:15pm.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

According to our NYSESLAT data, students would benefit from additional support in English language acquisition. Offering an after-school program will allow for us to extend the school day to provide this support outside of the regular classroom. This differentiation is aimed at providing supplemental support.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

1-5 ELL students will attend.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

See above.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

English

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

6 ESL/Dual Language certified teachers.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Consumable workbooks,
decodable text books
guided reading books
heggerty bridge the gap
The above materials we are purchasing at cost to Title III are for the exclusive use of the MLL students in the program, and will not be used during the regular school day.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

school's plan for implementation/maintain records: See above
Parents will be notified via permission letters three weeks prior to the start of the program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

We have teachers who are new to Title III LEP Program so we will utilize some of the funds to train and prepare materials for teachers who will deliver instruction and services to our targeted student population in the Title III Program. Teachers in this study group will be paid per session for participation, as such the study group will be at cost to the Title III allocation. All teachers in the study group will be working with ELLs in the TITLE III LEP after-school program. We will train our teachers on how to present information and concepts in a comprehensive and accessible manner demonstrating how knowledge is contextualized and applied across the different levels of English language acquisition. The contents of the training sessions will enhance our teachers' ability to use curriculum learning standards, instructional strategies and assessment that will assist them in meeting the special academic needs of our ENL students. This will result in targeted language gains for our ENL students.

The study group will be conducted by Ms. Zhou and Ms. Imonode, ENL teachers and supervised by Ms. Sandoval, Assistant Principal. 6 Teachers in the study group will be paid per session for participating in 6 study group sessions. These sessions will occur after school every Wednesday from 2:45-3:45 pm over the course of 6 weeks commencing the week of November 5th, 2025. The dates of the trainings are 11/6/2025, 11/13/2025, 11/20/2025, 12/4/2025, 12/11/2025, 12/18/2025. All agendas and attendance to professional development sessions will be organized into our Title III Google Drive. The study group will be supervised at cost by: Madeline Sandoval, Assistant Principal. Regular work hours 7:00am-2:45pm. Supervision will be at cost from 2:45 pm- 3:45 pm.

Professional development topics will include:
- How to use differentiation and MLs methodologies to support English language acquisition
- How to use language to communicate effectively, locate information, follow a process, describe a situation, analyze problem solution and evaluate results.
-How to use graphic organizers to make abstract concepts concrete, use visual maps to interpret experience which serves as the foundation for more complex learning tasks.
-How to provide differentiated instructional bridges by adapting materials, using varying approaches and activities based upon the needs and language proficiency of MLs.
- How to teach Core curriculum to MLs.

- How to use technology to support ELLs in the classroom.

These professional development activities that are at cost to title III will not exceed 10% of the allotment.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

see above

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

see above

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

see above

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

see above

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

see above

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

see above

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

A lot of parents have reached out to their child's teachers, expressing their concerns of not knowing how to help their kids at home as they speak very little English. We recognize that encouraging greater involvement at school from all students' families is an important strategy for addressing the achievement gap between high-literacy and low-literacy families. It is a fact that when schools support parent involvement at home and school, students make greater progress. For these reasons, we will allocate funds to provide family literacy, parent outreach and training activities to help parents become more active participants in their children's education. These resources will be at cost to the Title III allocation. Multilingual books including decodable books and library books with translation) and refreshment for the parent workshops will be purchased with the LEP funds.

Based on the community needs we are offering parents strategies on supporting their children's social and academic language acquisition. Below is a tentative list of dates and topics for a series of parent workshops run by our school's ENL Team in a both virtual and in-person format:
*3/12/25 2:30 pm - 4:30 pm: But What If I Don't Know English? How Can I Help My Child? (2 Sessions)
* 3/19/25 2:30 pm - 4:30 pm: Tips for Reading with Your Children (2 Sessions)
* 3/ 26/25 2:30 pm - 4:30 pm: Simple Ways to Encourage Learning--Fun Learning Activities (2 Sessions)
The provider of the above workshops will be our school ENL teachers. Teachers will be paid per session. School will send out letters to parents as well as messages on ClassDojo. ENL teachers and parent coordinator will provide Spanish and Chinese translation. If any other language is needed, we will use over-the-phone translation service.

We will also communicate via our Class Dojo and Operoo apps. All documentation related to these services will be organized in our Title III Google Drive folders.

No more than 10% of the total allocation will be used for parental engagement.
Two ENL teachers will be paid per session for conducting 6 sessions of parent workshop.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Please see above

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Please see above

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Please see above

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Please see above

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**

- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Please see above

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Please see above

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
