Louise Antoine

Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

George Washington Carver School

District Borough Number (DBN):

16K040

Grades Served:

3-K through 5th Grade

School Address:

265 Ralph Avenue

Phone Number:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Louise Antoine	Principal or Designee*	
Tanya Burrowes	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Keisha Gayle	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Sheila Oakley	District Council 37 (DC 37) Representative (staff), if applicable	
Caitlin Warthin	Title I Parent Advisory Council Chairperson (or alternate)	
n/a	Student Representative (Required for middle and high schools)	
n/a	Student Representative (Required for middle and high schools)	
Tamara Taylor	CBO Representative, if applicable	
Samantha Philbert	Member/Parent	
Simone Small	Member/UFT	
Christine Mundell-Chang	Member/UFT	
	Member/Parent	
Stacy Borden	Member/Parent	
Ebonny Gilchrist Arthur	Member/Parent	
Sabrina Wadesworth	Member/UFT	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At Public School 40, we believe that students learning is the chief priority and all students can learn to their fullest potential. Students develop their individual talents, critical thinking, and technology skills by being actively engaged in the learning process. Continuous commitment to improvement ensures that our students are well-rounded,
self-directed, lifelong learning. By maintaining a safe and optimum learning environment, we provide the opportunity for
students to be successful. As a United Community School, we are committed to developing strong partnerships with community-based organizations that contribute to providing programs and services that complement and deepen academic instruction and further benefit our students and families. We promote high standards and expectations for our
students, staff, parents and community partners to share the responsibility for advancing the school's mission.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S.40 is a vibrant community of students. Our students speak 5 different languages and represent a diverse range of cultures! Differences are embraced and students are encouraged to share with and teach each other. We are a zoned Title I elementary school (3K-5) located in the Bedford-Stuyvesant neighborhood of Central Brooklyn, with a population of approximately 470 students. Mirroring the demographics of the community, approximately two thirds (67%) of the students attending PS 40 are Black and 22% are Latinx, with the remaining students identifying as Asian, White, or other. Approximately 90% of the students meet the Economic Need Index. Approximately 10% of the students are English language learners (ELLs) and 17% qualify for special education services.

At Public School 40, we are committed to creating a learning environment aimed at building well rounded students who are prepared with the skills required to thrive in today's world. Our students are critical thinkers, problem solvers, innovators, and collaborators. Our students have a great deal of empathy. They are great neighbors to each other and the community.

As a United Community School, we are also committed to developing strong partnerships with community-based organizations that contribute to providing programs and services that complement and deepen academic instruction and further benefit our students and families. PS40 is integrating community resources for the 2025-2026 school year to achieve this year's community school goals of (1) Decreased chronic absenteeism; (2) Measurable increase in reading readiness and reading ability for early childhood grades; (3) Access to high quality on-site health services for all students; and (4) providing food support for families experiencing food insecurity.

Health and Wellness
On-Site Dental Clinic- Through a partnership with NYU Langone, we opened an onsite dental clinic in October 2021. The clinic provides full dental services for any enrolled student in the school. With targeted enrollment strategies, we have successfully enrolled almost 200 students in services to date.

Food Security
Brighter Bites - Our partnership with Brighter Bites provides our families with fresh fruits and vegetables twice a month. We support to 200 families. Additionally, they give a nutrition education curriculum for all grades to encourage a healthy lifestyle.

Other Vital Partnerships

Cookshop for Students & Families- Cooking workshops for students and families using healthy ingredients.

Girl Scouts of America- Bi-Monthly meetings for girls to build community and complete community service projects.

New York Edge- Full service after school enrichment programming for 3K-5th grade students.

Clean Rite Center- Monthly laundry cards for families.

Symphony Space- In school dance classes for all students culminating in our Spring Dance Showcase.

Morningside Center for Teaching Social Responsibility- Teacher training and one-on-one coaching for implementing SEL practices including restorative circles into the classroom.

Helen Keller- Vision screening and free glasses for students annually.

Briefly summarize the key initiatives your school will implement this school year.

At PS 40, we are committed to implementing the following initiatives,

Zero Period Program – Through a partnership with Go Sports USA we provide a year long zero period in-line skating program. This year, the program runs twice a week from 7:15-8:15am on Mondays and Thursdays.

Literacy Support
Intensive Reading Support – Through a partnership with CUNY Reading Corps, we provide one-on-one and small group in person and virtual tutoring for our 1st and 2nd grade students.

Bringing fresh fruits and vegetables to our families weekly via Brighter Bites as part of our healthy initiative.

Implementing a shared curriculum in literacy and math based on ongoing data analysis and a continued partnership with Civics for All and CS4All

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math	Grade	Digital and/or Print	Adaptations

Only)	Band	Curricula/Program	
ELA	K-5	Into Reading	
Math	K-5	Go Math	
Science	K-5	Amplify	
Social Studies	K-5	Passport	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
ELA Students with disabilitiesOur May 2025 data shows that 80% of our students are moving at least 1 level as measured with Teacher's College Benchmark but only 60% of students with disabilities are on grade level.	Special Education and classroom/content area teachers are not co-planning for the delivery of integrated special education instruction	ELA Students with disabilities

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	60 percent	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 10 percent Increase, from 60 percent to 70 percent, of Literacy for Students with Disabilities (SWD) will improve, as measured by a 10 percent Increase, from 60 to 70 percent on the The Teachers College Benchmark.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Facilitate workshops and delivery of information to families on academic vocabulary development.

Root Cause Addressed:

Special Education and classroom/content area teachers are not co-planning for the delivery of integrated special education instruction

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teacher teams engage in inquiry cycle around research-based comprehension strategies to assist students become purposeful, active readers make sense of text.
Administrators meet with teacher teams to analyze on-going assessment results and identify which priority standards students are struggling. Identify the standards of focus for upcoming units.
Teacher teams will review ongoing mid year data to evaluate the impact of ongoing work on priority standards.
Teacher teams will review ongoing mid year data to evaluate the impact of ongoing work on priority standards and student comprehension.
Teacher teams engage in collaborations and PLs with district support around Special Education teaching and learning, implementing specific instructional strategies.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will utilize core structures including Instructional Coaching, Professional Learning Communities (PLCs), classroom walkthroughs, and data review cycles. These structures provide a systematic way to assess our strategy's fidelity. Specific data and evidence to be collected will include observation and walkthrough notes to monitor instructional practices, PLC agendas and teacher collaboration notes to track planning and reflection, and teacher feedback to evaluate professional learning effectiveness. We will analyze formative assessments, student work samples, benchmark assessments, and progress monitoring data to assess the impact on student learning. This data will be reviewed regularly to inform instructional adjustments, ensure accountability, and drive continuous improvement in student achievement.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/13/2025	06/25/2026	Facilitate workshops informing families about academic vocabulary development	NYE, PTA

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

N/A

Instructional Resources

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025 school survey results show that 98% of families feel students are supported.	Technology Issues with devices and the internet, hands-on learning experience, and issues with the classroom platform.	Social and Emotional programs

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	98%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 2% Increase, in Physical and mental wellness for All Students will improve, as measured by a 2 percent Increase from 98% to 100%, per the NYC School Survey Results.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Provide professional Learning and ongoing support for teachers in engaging with Social Emotional Learning resources.

Root Cause Addressed:

Technology Issues with devices and the internet, hands-on learning experience, and issues with the classroom platform.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Use Restorative Conferencing and Repairing the Harm circles to resolve conflict respectfully and constructively.
Collaborate with MEandMine around professional learning and support for engaging in restorative circles and positive responses to misbehaviors.
Meet with teacher teams to embed opportunities for Social Emotional learning and community building daily morning periods.
Train all staff in Community Building Restorative Practice circles and build time into master schedule for circles to happen at least 4x/week.
Engage in instructional walkthroughs within teacher teams to norm instructional strategies for positive, strength-

based environments.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To effectively monitor the implementation of key strategies and action steps, we will use structured systems such as Instructional Leadership Team meetings, Professional Learning Communities (PLCs), regular classroom walkthroughs, and data review cycles. These structures will ensure consistent monitoring of both the fidelity and impact of instructional practices. We will collect evidence such as observation notes, PLC documentation, teacher documentation, and student reports. To evaluate the impact on instruction and student learning, we will analyze formative assessments, student work, benchmark data, and progress monitoring tools. This continuous cycle of data collection, analysis, and adjustment will guide instructional decisions and ensure strategies are effectively improving student achievement.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/07/2025	06/25/2026	Share data and school goals with families in SLT and PTA Meetings. Feedback from these discussions will help adapt and revise our action plan according to student needs.	SLT, PTA

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Map assessment show 84% of students performed at or above grade level in grades 3-5 for Measurement and Data	Fundamental gaps with measurement and data.	Math content and practice with measurement and data.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	84 percent	P.S. 40 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the 6 percentage point increase will Increase by 6% from 84% to 90%, for All Students will Increase by 6 percent from 84 percent to 90 percent, for All Students, as measured by GO-Math Benchmark Results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Promote the use of evidence-based problem solving strategies that support student understanding of math content and math practices. Ensure modeling is provided when new strategies are introduced, including gradual release (e.g. I do, We do, You do). Provide students with sufficient practice with feedback in order to promote automaticity of a problem solving strategy. Provide students with opportunities inclusive of feedback to productively struggle and assess their solutions to determine if they make sense.

Root Cause Addressed:

Fundamental gaps with measurement and data.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Continue to promote the use of evidence-based problem-solving strategies that support student understanding of math content and math practices.
Continue to ensure modeling is provided when new strategies are introduced, including gradual release (e.g. I do, We do, You do).
Continue to provide students with sufficient practice with feedback in order to promote automaticity of a problem solving strategy.
Continue to provide students with opportunities for feedback to productively struggle and assess their solutions to

determine if they make sense.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will utilize core structures including Instructional Coaching, Professional Learning Communities (PLCs), classroom walkthroughs, and data review cycles. These structures provide a systematic way to assess our strategy's fidelity. Specific data and evidence to be collected will include observation and walkthrough notes to monitor instructional practices, PLC agendas and teacher collaboration notes to track planning and reflection, and teacher feedback to evaluate professional learning effectiveness. We will analyze formative assessments, student work samples, benchmark assessments, and progress monitoring data to assess the impact on student learning. This data will be reviewed regularly to inform instructional adjustments, ensure accountability, and drive continuous improvement in student achievement.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

TL Fair Student funding purchased I-Ready, TL Strong School, Strong Communities to fund professional learning

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
In 2025 New York State graduation rate was 83.7%	Economic, demographic, and attendance factors contribute to students' performance, which affects their graduation rate from Middle School	Students' attendance affect proficiency graduation rate

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	91 percent	P.S. 40 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the Overall attendance increases by 3 percent for All Students from 91 percent to 94 percent for All Students will Increase by 3 percent from 91 percent to 94 percent as measured by Attendance.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Develop grade level teacher teams to review data collected during reading and writing conferences and strategy lessons, identify patterns, and plan responsive instruction. Develop a cycle of professional learning to support teachers with implementing the curriculum. Select and implement a shared, research-based structural analysis curriculum that addresses syllabication, spelling, and morphology (prefixes, roots, and suffixes). Develop a cycle of inter-visitations for teachers to observe instruction to support building academic discourse and learn best practices from one another.

Root Cause Addressed:

Economic, demographic, and attendance factors contribute to students' performance which affects their graduation rate from Middle School

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Plan for instruction that includes multiple entry points for students (e.g. multiple means of representation and expression).
Use frequent formative assessment data and progress monitoring in order to determine those students who require adaptations to the delivery of instruction.
Provide teachers with professional development on the effective, strategic use of explicit and systematic instruction as a complement to strong core instruction.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/06/2025	06/25/2026	Hold school events that explicitly connect curriculum to families, i.e. Math Night, Academic Parent Teacher Teams, etc.	School Staff
09/06/2025	11/22/2025	Share data and school goals with families in SLT meetings, PTA Meetings, and make a plan to take action.	School Staff
11/01/2025	06/25/2026	Create a family resource center stocked with books, resources, and computers for family use.	School Staff

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Classroom Teachers, CBO

Instructional Resources

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Increase in STH population, transient families	Families receiving permanent housing in other boroughs	Enrollment

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	230	P.S. 40 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the The percent of families attending at least 4 in-person events/activities will Increase by 10% from 230 to 240 will Increase by 10 percent from 230 to 240 as measured by Parent registration/enrollment reports and NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Conduct a thorough analysis of the current enrollment trends and identify the reasons for the decline in enrollment. Develop a comprehensive marketing and communication strategy to promote the school to the community. Create visually appealing website, utilizing social media platforms

Root Cause Addressed:

The school experiences fluctuating enrollment due to the transient population. This impacts consistent attendance to meetings, long term engagement and overall performance of students.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct regular targeted outreach efforts to families zoned for PS 40
Survey parents to identify community needs
Track attendance of specific events overtime to identify trends
Survey responses or feedback forms indicating event satisfaction

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Data collection of attendance records from each event will be tracked over time to identify trends and measure improvements. Surveys and feedback forms will be distributed post-events to gather parent satisfaction and suggestions.

We will host monthly meetings with the parent engagement team to review the collected data, identify barriers and develop actionable steps for outreach or format of events.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/06/2025	06/25/2026	5 School Fairs and Parent Engagement events	New York Edge, School Staff
09/06/2025	06/25/2026	Weekly tours and open houses	School Staff

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

CBO, Parent Coordinator, Teachers

Instructional Resources

flyers, banners, brochures

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
As of June 2024, 27% of students were considered chronically absent or severely chronically absent.	Transportation, housing status, low teacher and parent communication, students providing childcare for younger siblings, and language barriers that make parent engagement challenging	Tiered intervention addressing chronic absenteeism

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	27 percent	By June, 2026, the The chronically absent rate decreases by 2 percent for All Students will decrease by 2 percent, from 27 percent to 25 percent for All Students will decrease by 2 percent, from 27 percent to 25 percent, as measured by the Attendance rate.
All Students	92	By June, 2026, the year-to-date rate of attendance for all students for All Students will increase by 2, from 92 to 94, as measured by the Insight EOY Attendance Rate..

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Utilize school program and incentives.

Root Cause Addressed:

Transportation, housing status, low teacher and parent communication, students providing childcare for younger siblings, and language barriers that make parent engagement challenging

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Identify students at risk of chronic absenteeism
Enroll targeted students in attendance program, GO Sports
Monitor attendance records for students enrolled in the program.
Reach out to parents of student with low attendance rates

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Use attendance data after the first two months of school to identify students eligible for programming. Monitor attendance data for students enrolled in program.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Establishing a collaborative, data-driven communication system among all stakeholders, teachers, service providers, administrators, and families to ensure consistent understanding and execution of student goals, accommodations, and services.

Root Cause Addressed:

Special education and common branch teachers are not
Co-planning for the delivery of integrated special education instruction.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide professional development for teachers to promote inclusive classroom cultures and environments. Review all program and service recommendations with the SIT Team to ensure appropriateness.
Annual goals are developed with teams of teachers based on interim assessment of high-leverage cross-curricular skills students require for access, participation, and progress with the general education curriculum.
Assess students to determine the impact of their disability on access to, participation in, and progress with the general education curriculum.
Schedule students with disabilities first, ensuring they receive all their classes/courses based on recommended programs and services.
Establish a yearlong calendar inclusive of all IEP meeting dates and required corresponding communication.
Principal,AP and SIT team will review all Special Education Referrals

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To monitor progress in IEP implementation, it's essential to set clear, measurable goals and regularly collect data using formative assessments, progress monitoring tools, and behavioral logs. Frequent communication among teachers, service providers, and parents helps ensure that everyone is informed of the student's progress, with ongoing meetings to review and adjust strategies. Regular progress reports, visual tracking tools (like graphs or charts), and student involvement in goal reflection also play key roles. Data is analyzed to determine if instructional adjustments are necessary, and progress is documented to ensure that the IEP remains responsive to the student's evolving needs, guiding them toward goal achievement.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/06/2025	06/25/2026	Share data and school goals with families in SLT meetings and PTA Meetings, and make a plan to take action.	School Staff

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 and Tier 3	All Level 1 and 2 students in Grades 3 to 5 based on teacher assessments, evaluation and recommendations. All students who score levels 1 and 2 on teacher created assessment	Grade K to 2 Decodable Practice Reading Grade 3 to 5 New York READY focus on Reading Comprehension and i-Ready	Academic Intervention services provided by push-in teachers in a small group setting, one-on-one tutoring	ELA/AIS are provided within the regular school day 45 minute period, and during afterschool enrichment program	I-Ready- Yes
Tier 2 and Tier 3	All students in grades 3 to 5 who score of less than level 3 in Math.	Grade K to 2 Go-Math RTI Grades 3 to 5 STAMS Strategies to Achieve Mathematics Success and i-Ready, New York Ready, CAMS	Academic Intervention services provided by push-in teachers in a small group setting, one on one tutoring	Academic Intervention services provided by push-in teachers in a small group setting, one on one tutoring	I- Ready- Yes
Tier 2	All Level 2 students in Grades K to 5 based on teacher assessments, evaluations and recommendations.	Repeated reading and interactive writing	Small group, push- in and pull-out	During content periods	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 and Tier 3	Attendance risks (including tardy occurrences) Preexisting conditions Behavioral, social, or emotional concerns	Group or counseling	small group and one to one	During school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Schools typically share the essential components of MTSS (Multi-Tiered System of Supports) with families in ways that foster understanding, transparency, and collaboration. Here's how this is commonly done:

1. Individualized Communication
Parent-Teacher Conferences: Teachers explain where students fall within the MTSS tiers and what supports are in place.

Progress Reports: Families receive regular updates on interventions, progress monitoring data, and outcomes.

Intervention Meetings: If a child receives Tier 2 or Tier 3 support, meetings are often held to review plans and involve families in decision-making.

2. Collaboration and Feedback
Surveys and Input Opportunities: Schedule meetings with parents/guardians to discuss the MTSS processes, review them, and tailor supports.

3. Culturally Responsive Outreach
Multilingual Resources: Materials and meetings are often offered in multiple languages to ensure accessibility.

Community Liaisons: Staff may help bridge gaps between families and the school by explaining MTSS in digestible terms.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

See above response, specifically item 2.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

See above response, specifically item 2

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

65

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Noticeable Trends:

1. Chronic Absenteeism - Students residing in shelters or other temporary arrangements across Brooklyn often experience high absenteeism. Many shelters are located far from a student's zoned school, and families report difficulties with transportation. Missed instruction leads to academic gaps and social disconnection.

2. Lower ELA and Math Proficiency - Assessment data consistently shows that students in temporary housing in Brooklyn perform below citywide averages in ELA and math. Our district (16) in particular reports proficiency rates 10–25 percentage points below borough-wide averages. Without consistent interventions, these students fall further behind over time.

3. High Mobility and School Transitions - Students often transfer multiple times within a single year due to moves between shelters, hotels, or doubling up with relatives. Frequent transitions disrupt academic continuity and can delay IEP services.

4. Unmet Mental Health and SEL Needs - Brooklyn students in temporary housing are disproportionately affected by trauma, anxiety, and family stressors. We see an increase in referrals to school social workers and counselors. These needs often go unmet due to understaffed support services or limited access to outside providers.

?? How These Trends Inform Support Services in Brooklyn
? 1. Boost Transportation and Attendance Interventions
Partner with Office of Pupil Transportation to provide MetroCards, yellow bus service, or alternative transport from shelters to zoned schools.

Use Attendance Teacher interventions and home visits targeted in high-need ZIP codes.

? 2. Implement Targeted Academic Support
Ensure students in shelters receive automatic eligibility for Title I-funded services (per NYCDOE policy).

Prioritize mobile-friendly learning tools (e.g., iPads with DOE internet access) for continuity between schools and housing changes.

Set up before- or after-school tutoring in schools near shelters.

? 3. Expand Trauma-Informed SEL Supports
Provide regular training in trauma-informed practices for staff in Districts 13, 14, 15, 16, 17, 18, 19, and 23.

Collaborate with NYC's School Mental Health Program, local CBOs, and NYC Well to offer counseling and crisis support.

Embed SEL programming (e.g., Second Step, RULER) with fidelity, especially in schools with high shelter counts.

? 4. Improve Data Tracking and Continuity
Use the DOE's ATS and STARS systems to flag housing status and ensure continuity in services like IEPs, ELL supports, and intervention plans.

Coordinate with shelter-based liaisons and borough field support centers to share data and maintain student records across schools.

? 5. Strengthen Family Partnerships and Rights Education
Conduct Know Your Rights sessions for parents in shelters and temporary housing, highlighting McKinney-Vento protections.

Host family engagement nights at shelter-based learning centers or local schools with interpreters and resource tables.

Build partnerships with Brooklyn-based organizations (e.g., CAMBA, Win, Brooklyn Defender Services) for wraparound services.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

1. Boost Transportation and Attendance Interventions
Partner with Office of Pupil Transportation to provide MetroCards, yellow bus service, or alternative transport from shelters to zoned schools.

Use Attendance Teacher interventions and home visits targeted in high-need ZIP codes.

2. Implement Targeted Academic Support
Ensure students in shelters receive automatic eligibility for Title I-funded services (per NYCDOE policy).

Prioritize mobile-friendly learning tools (e.g., iPads with DOE internet access) for continuity between schools and housing changes.

Set up before- or after-school tutoring in schools near shelters.

3. Expand Trauma-Informed SEL Supports
Provide regular training in trauma-informed practices for staff in Districts 13, 14, 15, 16, 17, 18, 19, and 23.

Collaborate with NYC's School Mental Health Program, local CBOs, and NYC Well to offer counseling and crisis support.

Embed SEL programming (e.g., Second Step, RULER) with fidelity, especially in schools with high shelter counts.

4. Improve Data Tracking and Continuity
Use the DOE's ATS and STARS systems to flag housing status and ensure continuity in services like IEPs, ELL supports, and intervention plans.

Coordinate with shelter-based liaisons and borough field support centers to share data and maintain student records across schools.

5. Strengthen Family Partnerships and Rights Education
Conduct Know Your Rights sessions for parents in shelters and temporary housing, highlighting McKinney-Vento protections.

Host family engagement nights at shelter-based learning centers or local schools with interpreters and resource tables.

Build partnerships with Brooklyn-based organizations (e.g., CAMBA, Win, Brooklyn Defender Services) for wraparound services.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

See response for STH

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

See response for STH

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

See response for STH

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

See response for STH

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

n/a

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

n/a

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

n/a

Provide a description of the materials purchased to support implementation of ELT.

N/A

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. PS 40's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 40K will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child’s progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 40K, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Teachers, administrators and paraprofessionals partake in weekly professional learning including the Next Generations Learning Standards and Instructional Shifts. In addition staff members participate in professional learning workshops which are conducted by all teachers. Our school developed a comprehensive professional learning plan that addresses NGLS, Danielson our instructional focus and school-wide goals. Professional learning opportunities are also differentiated based on the needs of groups of teachers and individual teachers.
Our high quality professional learning will include but not be limited to the following:

- Teachers will participate in professional learning opportunities conducted by the network team, Talent Coach, content coach, instructional lead teachers and Assistant Principal in the content areas of ELA, Math, Science and Social Studies and how Danielson can support teaching practices in content areas.
- The Principal, AP, and instructional lead teachers will attend workshops provided by the Network relating to NGLS and Danielson. They will turnkey the information and deliver workshops to teachers and paraprofessionals in the use of Depth of Knowledge, Essential questions, ongoing assessment practices to increase best practices to increase academic rigor in literacy, math, science and social studies aligned with NGLS.
- Implementation of the new Core Curriculum ReadyGen for ELA and GoMath for Math will be supported through high quality professional learning for teachers and paraprofessionals delivered by the principal, AP, instructional coach, teacher development coach, and instructional leads network team members.
- Teacher teams will be trained in how to use data effectively to develop flexible grouping, track student performance trends and plan strategies in order to monitor and revise their practices.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

P.S. 40 has a Transition Team which includes the Principal, Assistant Principal, School Counselor, IEP Teacher, and Parent Coordinator, who will work collaboratively to assist preschool children as they transition from early childhood programs to the elementary school program. Eligible students will be provided with intervention services to address academic and social/emotional needs. During the year, Pre-K teacher teams and Kindergarten teacher teams will evaluate curriculum for vertical and horizontal alignment through the lens of the Next Generations Learning Standards to ensure a seamless transition from Pre-K to kindergarten. To ensure smooth transitions, the expectation is that our Pre-K and Kindergarten teachers will engage in team meetings focusing on NGLS for Early Childhood grades. Our school embraces a Parents-As-Partners model through professional learning opportunities and parent engagement activities that increase parent involvement, build parent effectiveness, deepen their understanding of NGLS while elevating high expectations for student learning. The Pre-K to K Transition Team will act as the steering committee for this initiative by meeting regularly throughout the school year to monitor the process and suggest revisions to actions and strategies in order to ensure a smooth transition from the early childhood Pre K program to the Kindergarten elementary school program.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal			
Title I, School Improvement 1003(a)	Federal	398,360	X	Goals 1, 2,3,4
Title II, Part A	Federal	n/a		
Title III, Part A	Federal	12,000	X	ENL support
Title III, Immigrant	Federal	n/a		
Title IV, Part A	Federal	n/a		
Tax Levy (Fair Student	Local	3,208,322	X	Goals 1,2,3,4

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
New York Edge	K-5th Grade	Full service 5 day a week after school enrichment program	ELT
United Community Schools	3K-5th grade and parents	Funds Community School Director, Arabic translator, attendance initiative	Family and Community Engagement
Go Sports	Chronically Absent	Skating Program	Reduce chronically absent percentage
Brighter Bites	All Students	Nutrition Education, Food Pantry	Health and Services
NYU Dental	All Students	Dental cleaning	Health and Services

Helen Keller INTL	All Students	Check vision and supply glasses to qualified students.	Health and Services

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

At P.S.40, we are committed to creating a learning environment aimed at building well rounded students who are prepared with the skills required to thrive in today's world. A key to our school's success in the classroom is the use of partnerships to provide targeted academic and enrichment experiences that build our students confidence and support specific learning needs. As a United Community School, we use partners to support the whole child and whole family so our students are ready to learn when they arrive in the classroom. For example, partnerships provide free vision and dental services on site and parent engagement programming (yoga, salsa, stress management workshops, homework help guidance, etc).

We incorporate our partners into our leadership teams so they take ownership of student outcomes and participate in school decision making. We integrate our partners into the fabric of our school by including partners in our leadership teams including our Community School Advisory Board and SLT. Our Community School Advisory board is made up of school leadership, teachers, parents, and community partners. That group meets monthly to plan asset and needs assessment activities and regularly reviews data to make strategic decisions for how to best meet the needs of students and families. The collaborative board reviews data and makes decisions on CBO partners that align with needs and goals for student learning, parent engagement, and teacher support.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Incorporating parent voice into decision making about programs and services is an integral part of the UCS strategy at PS40. Each year, the CSD and Parent Coordinator collaborate to conduct a parent survey during the first month of school to gather data on priority areas for student learning, family supports, enrichment opportunities, and needed community resources from parents' perspective. Results are used by the UCS Advisory Board to set priorities for programming and services for the year. Throughout the school year, additional parent surveys, focus groups, and/or quick feedback opportunities are created to gather more specific feedback from parents on activities such as desired parent workshop content. At the end of the year a Community School Forum is held that centers around parent focus groups where parents are asked to give feedback on the programs and services offered that year and suggestions for how those programs and services can best meet needs in the following year.

As part of the five-year 21st CCLC grant funding for community school work, PS 40 provides 10 parent workshops each year. Parent survey results are used to determine the workshops that are offered each year.A parent survey at the start of the year helps the school identify the needs/wants of parents for workshops. Workshops offered have included content ranges from résumé-writing support, to how to help your child with homework, and to wellness workshops including cooking, salsa, and yoga. In addition to 21st CCLC parent workshops, the Parent Coordinator and CSD coordinate additional workshops through community partnerships to meet specific needs identified by parents.

Parents sit on all collaborative decision making boards including SLT and the Community School Advisory Board. Parent voice is critical in decision making and is incorporated in all planning for programs and services offered at PS40.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Social emotional learning is a priority for PS40 as we have coped with the pandemic and plan for the year next year. We understand students and families have been under an immense about of stress and have experienced trauma over the past year due to Covid19. Through AFT Innovation Grant funding we have continued a relationship with Morningside Center for Cultural Responsibility that will support a district wide training of teachers in SEL practices. Teachers will receive one on one coaching next year to implement these practices in their classrooms. We will continue to use restorative practices, as all of our staff have been trained.

Through grant funding we will also open a food pantry to support food insecurity needs. A partnership with Bedstuy Campaign Against Hunger will hopefully supplement non-perishable food with fresh food to ensure our families, particularly our STH families, have access to nutritious food.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Reducing chronic absenteeism has been a primary focus are of the PS40 Community School Work. Attendance data is regularly reviewed during attendance team meetings as well as monthly Community School Advisory Board meetings. Funding this year through United Community Schools was used to target improvements in chronic absenteeism including a 3 tiered attendance incentive program that incorporated student, parent, and class incentives for attendance. We also hired an Arabic translator to support our Arabic speaking ELL population that has been difficult to reach and has a growing rate of chronic absenteeism. We will continue to utilize grant funds to invest in an on-site translator to outreach to these families to encourage engagement and good attendance. We have piloted early morning intervention programming for our chronically absent students and saw success. We hope to continue that Early Morning Skate program next year. Regular data review during weekly and monthly meetings will continue to be critical for monitoring student progress and which students/classes should be targeted with interventions including Success Mentoring.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

A primary goal of our community school advisory board this year was to support our Arabic speaking ELL families. The surrounding BedStuy community is rapidly changing and we have seen a significant influx of Arabic speaking families, primarily from Yemen. Our Arabic speaking student population is up to 20 students to date. This has proven to be a very challenging population of families to engage and support. Many of these students speak very little English when they enroll. In addition, often only the father speaks any English and typically works during the day, so students are learning remotely with mom who is unable to support due to the language barrier. We do not currently have a staff member who speaks Arabic so through grant funding we were able to hire an onsite Arabic translator who was able to support these families. We have already planned for grant funding to retain the Arabic translator on staff next year.

We applied and won a grant the past 2 years through the DOE for enrichment programming for our ELLS and students with disabilities. We were able to run a drumming residency for these students. It is our plan to continue this programming next year.

Our STH students received various supports throughout the year. The School Counselor, who also serves as the STH Liason, monitors the needs of STH students and connects them with needed services and programming. Services include counseling, housing support, and provision of metro cards. Our Community School team also prioritizes our STH students with additional services throughout the year including provision of coats, holiday gifts, grocery store gift cards, and food support at thanksgiving. This year we also had a social work intern assigned specifically to support our STH families. She did outreach to these families and connected them to any needed services.

Through grant funding we will also open a food pantry to support food insecurity needs. A partnership with Bedstuy Campaign Against Hunger will hopefully supplement non-perishable food with fresh food to ensure our families, particularly our STH families, have access to nutritious food.

As a community school, we are always looking to target specific special populations to ensure all of our students receive the support and resources needed to achieve their best learning.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Louise Antoine
Assistant Principal (Where Applicable)*	Lavinia Brown
English as a New Language (ENL) Teacher*	Brigitte Buissereth
Teacher (if school has a bilingual program must be a bilingual teacher)*	Clara Diaz
Parent/Guardian*	Kisha Gayle
Teacher	
Parent Coordinator	
School Counselor	Sabrina Wadesworth
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

3

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

2

Number of certified ESOL teachers not currently teaching ENL:

3

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

3

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

3

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

392 students

Total number and percentage (%) of current ELLs:

10% - 47 students

Total number and percentage (%) of former ELLs:

10% - 47 students

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

4% - 18 students

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

4% - 18 students

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

2% - 9 students

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Dual-language	Spanish	2019-2020	1	1	1	1										4
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

As of the current school year 2024/25, our ENL program model will consist of two units of study per week for the entering level,
two units of studies for the emerging level, one unit of study for the transitioning level, one unit of study for the expanding
level and former ELLs must continue to receive services for an additional two years.

At P.S. 40 we have a Freestanding ESL Program with a total of 45 students receiving mandated services. The ultimate
goal of this program is that students achieve cognitive academic language proficiency skills in order to fully benefit from academic
English instruction without support.

Integrated ENL:

P.S.40 will implement Stand-Alone ENL in combination with intergrated ENL. On some days the ESL teacher will pull out a group of students all on the same grade level, but heterogeneous in their levels of English proficiency, to work in small groups on specific skills. On other occasions, the ESL teacher will push into content area classes to see how students are progressing in other content areas. This is also an excellent way for the ESL teacher and classroom teachers to collaborate and use some ESL methodologies and instruction strategies in the content area classroom. Our school ESL teacher works collaboratively with the content area teachers to support ESL students. ESL teacher and classroom teachers meet regularly to plan and to discuss student's academic strengths and weaknesses or to discuss progress they have made. Teachers also share effective strategies that they can implement with their students.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

P.S. 40 offers one DLBE class per grade level in grades Pre-K through third grade. Each DLBE has a fluent, Spanish-speaking lead teacher. The teacher alternates daily between English and Spanish instruction. Additionally, teachers

use color-coded diagrams to differentiate between English and Spanish lessons.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

In Stand-Alone ENL Model , the ESL teacher provides the mandated 360 minutes for Entering and Emerging and 180 minutes for Transitioning and Expanding Levels. Former ELLS continue to receive services for an additional two years.
Entering and Emerging level students receive 1 unit (4 periods, 180 minutes) of Stand-alone ENL services in a pull-out model with a certified ESOL teacher. They also receive 1 unit (4 periods, 180 minutes) of Integrated ENL/ELA services in a push-in model with a certified ESOL teacher and a certified Common Branch teacher co-teaching.
Transitioning level students receive half of a unit (2 periods, 90 minutes) of Stand-alone ENL services in a pull-out model with a certified ESOL teacher and half of a unit (2 periods, 90 minutes) of Integrated ENL/ELA services in a push-in model with a certified ESOL teacher and a Common Branch teacher co-teaching. When scheduling allows a Transitioning level student may receive the whole 1 unit (4 periods, 180 minutes) of Integrated ENL/ELA services in a push-in model with a certified ESOL teacher and a certified Common Branch teacher co-teaching. Expanding level students receive 1 unit (4 periods, 180 minutes) of Integrated ENL/ELA/ or other content area services in a pus h-in model with a certified ESOL teacher and a certified Common Branch teacher co-teaching. Grade 2 ELLs are able to receive 1 unit (4 periods, 180 minutes) of Integrated ENL/ELA with their dually certified TESOL and Common Branch licensed classroom teacher. Commanding level students receive half of a unit (2 periods, 180 minutes) of Integrated ENL in ELA or other content area in a push-in model with a Certified ESOL teacher and a Certified Common Branch teacher co-teaching. Commanding level students may also receive Option A: Small Group Learning in their classroom, following the guidelines for the Alternate Pathways to Support Former English Language Learners' Language Development and Academic Progress.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In Stand-Alone ENL Model , the ESL teacher provides the mandated 360 minutes for Entering and Emerging and 180 minutes for Transitioning and Expanding Levels. Former ELLS continue to receive services for an additional two years.
Entering and Emerging level students receive 1 unit (4 periods, 180 minutes) of Stand-alone ENL services in a pull-out model with a certified ESOL teacher. They also receive 1 unit (4 periods, 180 minutes) of Integrated ENL/ELA services in a push-in model with a certified ESOL teacher and a certified Common Branch teacher co-teaching.
Transitioning level students receive half of a unit (2 periods, 90 minutes) of Stand-alone ENL services in a pull-out model with a certified ESOL teacher and half of a unit (2 periods, 90 minutes) of Integrated ENL/ELA services in a push-in model with a certified ESOL teacher and a Common Branch teacher co-teaching. When scheduling allows a Transitioning level student may receive the whole 1 unit (4 periods, 180 minutes) of Integrated ENL/ELA services in a push-in model with a certified ESOL teacher and a certified Common Branch teacher co-teaching. Expanding level students receive 1 unit (4 periods, 180 minutes) of Integrated ENL/ELA/ or other content area services in a pus h-in model with a certified ESOL teacher and a certified Common Branch teacher co-teaching. Grade 2 ELLs are able to receive 1 unit (4 periods, 180 minutes) of Integrated ENL/ELA with their dually certified TESOL and Common Branch licensed classroom teacher. Commanding level students receive half of a unit (2 periods, 180 minutes) of Integrated ENL in ELA or other content area in a push-in model with a Certified ESOL teacher and a Certified Common Branch teacher co-teaching. Commanding level students may also receive Option A: Small Group Learning in their classroom, following the guidelines for the Alternate Pathways to Support Former English Language Learners' Language Development and Academic Progress.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

PS 40 implements a Two-Way Dual Language Bilingual Program. Each DLBE classes divide Spanish and English content evenly. 50% of the curriculum is taught in Spanish, and 50% of the curriculum is taught in English. Lead teachers in Dual-Language classes alternate between English and Spanish daily. Additionally, color-coded visual models are displayed throughout the classroom.

b. In which language(s) is each core content area taught?

P.S. 40 offers one DLBE class in each grade from Pre-K through third grade. These classes are taught in English and Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

At P.S. 40, teachers have received professional development focused on differentiated instruction, including what it looks like in practice. As a result, instruction is routinely differentiated to meet the diverse needs of English Language Learners (ELLs) and all students, due to the wide range of proficiency levels often present within a single classroom.

Scaffolding and differentiation are essential to ensuring academic success for every student. This requires intentional planning and the ability to provide a variety of materials at varying levels to address individual learning needs. Students with Interrupted Formal Education (SIFE) are recommended for Academic Intervention Services (AIS), and our instructional program for SIFE students includes targeted materials and curricula designed to strengthen literacy, mathematics, and technology skills.

Instructional plans for SIFE students incorporate context-embedded materials, the use of manipulatives, and accelerated one-on-one instruction focused on English language development. For newcomer ELLs, we offer an accelerated learning program that emphasizes literacy, English language development, intensive ENL instruction, and content area learning.

Our dedicated staff supports newcomers by helping them build on prior knowledge and transition smoothly into their new cultural and academic environment. We also utilize bilingual books, native language materials, and translations as needed. Within our ENL programs, newcomers receive foundational instruction in basic literacy skills, including phonics, decoding, vocabulary development, and targeted reading and writing instruction.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

N/A

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Our target group consists of developing English Language Learners (ELLs) who have been receiving services for four to six years. To support their continued growth, our school provides targeted interventions focused on academic language and vocabulary development. Instruction is scaffolded and thoughtfully integrates technology to enhance students' reading and writing skills. The use of technology in the classroom not only supports skill development but also increases student motivation and provides accessible entry points to academic content.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Two percent of our students are former English Language Learners (ELLs). Students who achieve proficiency on the NYSESLAT continue to receive support for an additional two years in ENL, ELA, and content area instruction. During this monitoring period, they also remain eligible for testing accommodations. To further support their academic success, former ELLs are encouraged to participate in extended day programs and other academic intervention services offered by the school. Additionally, the ESL teacher closely monitors their progress reports to ensure a smooth and successful transition to full mainstream instruction.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Our at-risk indicators for English Language Learners (ELLs) typically include limited growth on the NYSESLAT, identification as potential Long-Term ELLs, scoring a Level 1 or 2 on the State ELA or Math assessments, and ELLs or Former ELLs (FELLs) currently living in temporary housing.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Our at-risk data indicates that ELLs typically exhibit one or more of the following indicators: minimal growth on the NYSESLAT, identification as potential Long-Term ELLs, scoring a Level 1 or 2 on the State ELA or Math assessments, or being ELLs/FELLs residing in temporary housing.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Home languages included Spanish and Arabic.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

According to our data, the majority of English Language Learners (ELLs) at our school identify as Asian and do not identify as Hispanic. Our school is committed to ensuring that all students—ELLs and non-ELLs alike—engage with both mirrors and windows in their learning experiences. To support this, we carefully select texts that reflect our students' diverse cultural backgrounds (mirrors) and expose them to different cultures and perspectives (windows). We continue to embed culturally responsive education throughout our curriculum and foster student-centered learning environments that affirm and celebrate students' cultural identities.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

N/A

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

N/A

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

N/A

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

N/A

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At our elementary school, we are committed to providing English Language Learners (ELLs) with a high-quality academic experience that promotes deep and meaningful learning. Instruction is intentionally scaffolded to meet students where they are while pushing them toward grade-level expectations. Our teachers integrate language development into all content areas, ensuring that ELLs acquire both academic vocabulary and conceptual understanding simultaneously.

We use research-based instructional strategies, such as sheltered instruction, small-group guided reading, and project-based learning, to engage ELLs in rigorous, standards-aligned content. Technology is also leveraged to provide personalized learning pathways, allowing students to access content in multiple modes and at their own pace.

In addition, we foster a culturally responsive environment that validates students' backgrounds and encourages them to bring their lived experiences into the classroom. ELLs are supported not only through dedicated ENL instruction but also through collaboration between classroom teachers and ESL specialists to co-plan and co-teach lessons.

Ongoing progress monitoring ensures that instruction is data-driven and responsive to individual student needs. With a focus on both academic growth and language acquisition, our goal is to equip every ELL with the tools, confidence, and support needed to thrive in school and beyond.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

All identified, newcomer ELLs are given the NYSITELL within the first ten days of enrollment and are then placed in the appropriate ENL group based on their grade and proficiency level. Standalone services would include a focus on reading and phonics through a program such as Fundations. Currently, the Newcomer ELLs enrolled for 0-3 years, make up 86% of the ELL population in our school. The Developing ELLs enrolled for 4-6 years, make up the other 14% of our ELLs. P.S. 40 offers continuing transitional support for al l MLLs/ELLs reaching proficiency on the

NYSESLAT. At present, P.S. 40 does not have any SIFE students. If a SIFE student were enrolled in the future, that student would be placed in the appropriate ENL group based on his/her proficiency level and grade level. The student's needs would be discuss ed and our PPC team would provide the appropriate interventions to ensure the SIFE students' success.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Instructional materials are aligned with the Next Generation Learning Standards a nd are age and grade level appropriate. We implement the works hop model and we receive professional development on various instructional strategies that ca n be uti l ized across content area classrooms. Scaffolding a nd differentiated instruction is one of the most us eful ways to help students access difficult content. Our staff als o uti l izes the ELL website (OELL) for tools, res ources, a nd professional development opportunities that ca n assist them in s erving the s pecific needs of their ENL students. We make s ure that the goals on the IEP are being met across the day through the us e of col la borative pla nning between the ENL teacher a nd the IEP teachers. The ENL teachers have access to the IEP through SESIS, as wel l as identification of goals through the us e of encounter attenda nce for their initial date of s ervice. SWDs a nd ELLs are in the forefront of our pla nning. Through co-pla nning, we are a ble to s hare our differentiations to benefit al l students.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

n/a

b. SIFE

At present, P.S. 40 does not have any SIFE students. If a SIFE student were enrolled in the future, that student would be placed in the appropriate ENL group based on his/her proficiency level and grade level. The student's needs would be discussed and our PPC team would provide the appropriate interventions to ensure the SIFE students' success.

c. Newcomers

All identified, newcomer ELLs are given the NYSITELL within the first ten days of enrollment and are then placed in the
appropriate ENL group based on their grade and proficiency level. Standalone services would include a focus on reading and phonics through a program such as Fundations.

d. Long Term ELLs

Currently, P.S.40 does not have any long-term ELLs in the ENL Program. If a long-term ELL student were enrolled in the future, teachers would review TC Benchmarks, iReady Assessment reports and State test scores to better understand the needs of the student and drive instruction. The student would then receive differentiated instruction to help the student meet Next Generation Learning Standards.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Teachers are reminded to consider giving ELL's a nd SWD's extended time by 50% to complete tasks. Teachers keep themselves fully informed of their students' rea ding levels a nd interests s o that they may guide their instruction to compliment their students' needs a nd strengths. ENL a nd ELA instruction us e the balanced literacy model as well as Inquiry to provide the necessary language development to meet the needs of the individual students.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

At P.S.40, we only use the ENL model. Native language support is available in all classrooms through native language literature

as well as content materials. P.S. 40 also facilitates the use of technology by the presence of laptops in the classroom. The ESL

teacher is bilingual in French and conversant in Spanish and provides support to classroom teachers in the student's native language

as needed. ELLs are afforded easy access to dictionaries/thesaurus/picture and bilingual dictionaries.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

N/A

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

All teachers including common branch, special education, subject area, related services participate in in-house and out of school

professional development sessions. Teachers participate in professional development in the area of supporting ELLS by attending

ENL workshops outside of the building. P.S. 40 will plan professional development opportunities to target the needs of teachers of MLLs/ELLs. Staff Development plans for teachers wi l l include a review of new ENL Standards, a review of the “The Blueprint for English Language Learner/ Multilingual Learner Success," a review of "Effective Instruction for ELLs using a n RtI Approach" and a review of the school’s Language Allocation Policy. Staff Development will also include the different stages of language acquisition and ENL teaching strategies to help teachers develop academic language through content. There is one fully certified ENL teacher at PS 40. She receives Professional Development emails from the Division of English Language Learners and Student Support. Professional Development works hops are chosen with discretion to the importance of the works hop. The ENL teacher is sent to any ELL Professional Development works hops given by the senior ELL CPS.

10. Describe your school’s professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

As of the current school year 2024-2025, the ENL teacher will continue to attend ELL specific professional development hosted by

the DOE and the Field Support Center and will continue to keep information on record.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We are currently using Acadience and MAP growth as screener to guide instructional planning.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Targeted interventions for ELLs in ELA a nd math are planned in clos e consultation with al l teachers, including Academic Intervention providers a nd SETSS teacher involved in teaching ENL students. Content area picture dictionaries are used during small group instruction to address specific needs of each ELL to help them understand the concepts. The scaffolds applied to assist students are appropriate to their level of proficiency in the specific content area. In order to provide maximum possible support to ELLs, the ENL teacher pushes-into classes when ELA strategies, math, social studies a nd/or science are being taught. Based on the observation a nd the performance of ELL in the class work a nd periodic in-class assessment results, the students are provided extra help in the areas where they need remediation, whether it's lack of understanding of academic language or their limited understanding of particular concepts in content
areas.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school utilizes a comprehensive, data-driven approach within the Multi-Tiered System of Supports (MTSS) to ensure that English Language Learners (ELLs), also known as Multilingual Learners (MLs), receive equitable, targeted, and linguistically appropriate instruction. We follow the principles outlined in the Instructional Leadership Tool for MLs/ELLs and the MTSS Guide for MLs and ELLs to drive this process across all grade levels.

Tier I: Core Instruction and Universal Supports
Data Use:

We use universal screeners, such as i-Ready, NWEA MAP, or STAR Reading/Math, alongside language proficiency assessments (e.g., WIDA ACCESS or state-specific tests) to monitor student progress and inform instruction.

Classroom-based formative assessments and student work samples are regularly analyzed with a language lens to

ensure grade-level content is accessible.

Instructional Response:

Teachers integrate language development objectives with content objectives.

Differentiated instruction, scaffolded tasks, and culturally responsive strategies are embedded into Tier I lessons.

Co-teaching models (e.g., ESL and content teachers) are implemented to support ELLs in mainstream classrooms.

Tier II: Targeted Supports
Data Use:

ELLs not meeting benchmarks are identified through data team meetings (which include ESL specialists) using multiple data points: growth trends, classroom performance, and English language proficiency.

Specific skill deficits are identified (e.g., vocabulary, syntax, decoding), disaggregated from language acquisition challenges.

Instructional Response:

ELLs receive small-group, targeted interventions that focus on both academic and language needs (e.g., structured literacy programs with embedded oral language practice).

Interventions are delivered by trained staff with expertise in second language acquisition.

Progress is monitored every 2–3 weeks using curriculum-based measures sensitive to ELL development.

Tier III: Intensive Supports
Data Use:

Comprehensive data reviews are conducted, including historical academic data, WIDA can-do descriptors, family input, and classroom observations.

The team rules out language acquisition as the sole cause of academic difficulty before intensifying interventions.

Instructional Response:

Individualized instruction plans are created, integrating both academic remediation and intensive English language development.

Interventions are culturally and linguistically responsive, often involving 1:1 instruction.

Students are supported through wraparound services (e.g., counseling, family engagement) if needed.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

TCRWP, NYC performance tasks in writing and teacher created assessments.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

To ensure that ML/ELL students achieve the highest academic standards, the focus will be on improving Literacy and Math. Content area instruction will be taught using Scaffolding Strategies. Six main types of scaffolding techniques include: modeling, bridging, contextualization, schema building, text representation, and metacognition. Instruction in the ENL program is in English to promote language acquisition. The instructional approaches and methods used to make content comprehensible to enrich language development are hands-on activities, modeling, role playing, storytelling, music, repetition, visual aids, Total Physical Response and Choral speaking. The ENL teacher uses the National Geographic Reach Program specifically written for MLLs/ELLs to teach language through literature that is Science or Social Studies content bas ed. The ELL students in P.S. 133 spend the entire day in an all-English content area instructional
classroom. The students' Home Language is used to facilitate instruction whenever needed or possible.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We use Teachers Col lege Literacy Ass essment benchmark. We have s een that there is a trend with our students rea ding below benchmark that they need expl icit instruction in decoding a nd encoding. We have decided to implement I-Rea dy a nd Rea dy Gen Phonics as interventions for this group, in a ddition to a multi-modal ity rea ding program for struggl ing rea ders.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The ENL teacher administers the NYSESLAT mirroring the same testing conditions as the other state tests. The ENL teacher will administer the Speaking components of the NYSELAT during the time frame set by the DOE. The other parts of the exam will be given within the time frame given: One day for Theme 1, another day for Theme 2, and the last day for Theme 3. The ENL teacher receives a memo from the school administrator reminding her of the NYSESLAT exam and informing her of any program changes due to testing.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

N/A

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

The school provides several curriculum nights where parents can obtain both general and specific information regarding their ELL students. The answer to question two includes in-person meetings, phone calls, monthly newsletters, and specific letters to parents. Information is kept in the parent-outreach log and the ENL compliance binder.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Our administrators provide workshops to inform parents about the Common Core State Standards and Test Prep. In addition, parents are invited to Parent Orientation, Curriculum Nights and Parent-Teacher Conferences. The ENL teacher and the parent coordinator hold meetings with parents of newly admitted ELLs to describe services, distribute the program preference surveys and introduce themselves to the parents with whom they maintain frequent contact. During Parent-Teacher conferences, the ENL teacher invites parents of ELLs to meet with them as well as classroom teachers to discuss ways to improve language development for newcomers and how to help ELLs acquire academic la nguage in content areas. Guidance Counselor, ENL teacher and the parent coordinator are

regularly available to consult and support with the parents of ELLs for middle school transition. We offer parent workshops, middle school visitations and assista nce in fi l l ing out the choice forms to faci l itate smooth transitioning for ourgraduating fifth gra ders.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Our school is committed to ensuring that all families, including those who speak languages other than English, receive clear and timely communication in the language they best understand. We follow the NYC DOE guidelines to provide translated documents—such as report cards, notices, newsletters, and permission slips—in families' preferred languages. We use the DOE's translation and interpretation services to ensure accuracy and consistency across all communications.

To support two-way communication, families are encouraged to reach out to the school in their home language. We offer access to interpreters during parent-teacher conferences, IEP meetings, and school events, either in-person or via phone interpretation services. Additionally, our bilingual staff members and ENL team are available to assist families in navigating school systems and advocating for their children.

We also use communication platforms like Class Dojo and Remind, that allow for real-time translation, enabling teachers and families to exchange messages in their preferred languages. This ensures that language is never a barrier to engagement, and that all families feel informed, respected, and empowered to participate fully in their child's education.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our school is dedicated to fostering family empowerment for Multilingual Learners (MLs)/English Language Learners (ELLs) by creating inclusive, culturally responsive opportunities for engagement and support. We recognize that families are essential partners in student success, and we strive to create welcoming spaces where they feel valued, heard, and equipped to support their children's learning.

To determine the needs of our community, we gather input through surveys, family meetings, and one-on-one conversations—often in the family's home language. We also collaborate with our parent coordinator, ENL teachers, and bilingual staff to maintain open lines of communication and identify areas where families may need additional support or resources.

We offer targeted activities such as:

Multilingual family workshops on literacy strategies, homework help, and navigating the school system

Parent information sessions on ELL services, the NYSESLAT, and student progress

Cultural heritage nights and multilingual read-aloud events to celebrate students' backgrounds and foster community

We also ensure that all events and materials are provided in families' preferred languages and offer interpretation

services to encourage full participation. Through these efforts, we aim to build trusting relationships, empower families as advocates, and strengthen the home-school connection for our ML/ELL community.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Our school is committed to ensuring that families of Multilingual Learners (MLs)/English Language Learners (ELLs) are aware of and have access to leadership opportunities such as the Parent Association (PA), School Leadership Team (SLT), and Community Education Council (CEC). We actively promote these opportunities through multiple, accessible channels to ensure all families feel welcomed and empowered to participate.

All announcements and invitations related to leadership roles are translated into families' preferred languages and shared through various platforms, including printed flyers, emails, text messages, and school communication apps. During family orientations, curriculum nights, and ENL parent meetings, we also provide verbal overviews of these leadership groups and encourage participation, with interpreters available to support communication.

Our Parent Coordinator and ENL team play an essential role in personally reaching out to ML/ELL families, explaining the importance of these leadership opportunities, and offering support throughout the application or nomination process. We also work to ensure that meeting times are flexible and interpretation is available, so that language and scheduling are not barriers to involvement.

By making leadership opportunities visible, accessible, and inclusive, we aim to increase family voice and ensure that ML/ELL families are meaningfully represented in decisions that shape our school community.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our school actively builds culturally and linguistically responsive partnerships to support the diverse needs of our multilingual and multicultural school community. These partnerships are designed to enhance academic support, family engagement, and cultural affirmation for our students and their families.

We collaborate with multiple community-based organizations to provide free bilingual workshops, translation services, and culturally relevant resources for families. These sessions often focus on literacy development, navigating the school system, and supporting children at home.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

At P.S. 40, we take thoughtful steps to ensure that newly enrolled English Language Learners (ELLs) and their families feel welcomed and supported as they begin their journey in our ENL program.

To help ease the transition at the start of the school year, we prioritize creating a welcoming environment. Before students arrive, classrooms—including the ENL room—are prepared with clearly labeled objects and visually supportive materials to help ELLs navigate their new learning spaces. The goal is to make the environment both inviting and accessible.

For students new to the school, the ENL teacher uses Total Physical Response (TPR) strategies to help them understand and communicate basic needs through movement and visual cues. This allows students to begin functioning more confidently in the classroom setting.

In addition, the ENL teacher pushes into classrooms early in the school year to introduce herself and build relationships with new ELLs. She provides individualized or small-group support directly within the general education classroom, helping students acclimate both socially and academically.

Collaboration is key to our approach. Administrators, classroom teachers, and the ENL teacher work together to share strategies and best practices for welcoming and supporting ELLs. This team-based effort ensures that each student receives the care, attention, and resources they need to thrive in their new school environment.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

At our school, a Language Proficiency Team (LPT) is formed for all students entering New York State public schools with an IEP to determine whether the student has language acquisition needs and should take the NYSITELL assessment. Based on the results, the school will determine the student's ELL status.

Within 10 school days of enrollment, the school conducts a parent orientation, sends out a parent survey, and provides families with either an ELL entitlement or non-entitlement letter. The entitlement letter, which includes notification of the student's ELL status, must be sent within 5 school days of determination. This letter informs parents of their right to appeal the ELL identification within 45 calendar days of enrollment.

If a student is identified as an ELL, placement in an appropriate ELL program must occur within 10 school days. However, parents retain the right to request a re-identification process or appeal the ELL status within the 45-day window.

All parent communications regarding ELL status—including entitlement letters, surveys, and notifications—are kept in the student's cumulative folder for record-keeping and compliance purposes.

In addition to regular parent-teacher conferences and meetings, our school provides annual and individual meetings specifically to discuss the academic progress and language development of ELL students. This ensures families remain fully informed and actively engaged in their child's education.

Key staff involved in this process include:

Ms. Buisereth – ENL Teacher

Ms. Wadesworth – Guidance Counselor

Ms. Dimaren – Parent Coordinator

Ms. Freckleton – Classroom Teacher

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Louise Antoine

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Madeline	Dimaren Garden	Parent Coordinator - Annual	02/26/2025	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	14	2.64%	14	2.65%		
BENGALI (BANGLA IN BANGLADESH)	1	0.19%	1	0.19%		
FRENCH	2	0.38%	2	0.38%		
FULANI	2	0.38%	3	0.57%		
ENGLISH	452	85.28%	449	85.04%		
RUSSIAN	2	0.38%	2	0.38%		
SPANISH	57	10.75%	57	10.80%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Outreach	AI translator
Parent Newsletter	AI translator
School Calendar	AI translator

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

PTA	In person translator

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Translator tool for written communication

In person translator for verbal communication

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Our school is committed to upholding equitable communication with all families, including those with limited English proficiency. To ensure compliance with NYCPS Language Access mandates, we have a structured plan to support all staff in completing the required training and understanding key protocols.

1. Completion of Required Asynchronous Language Access Training
Monitoring & Accountability:

Our school's administration team will generate a staff training completion report from the WeLearnNYC platform on a biweekly basis.

Completion of the "Language Access Training for School-Based Staff" will be required by a set deadline communicated clearly at the start of the school year.

Staff who have not completed the training will receive personalized reminders, and their names will be included in check-ins during grade team, department, or staff meetings.

Built-In Time for Completion:

Time will be allocated during professional development days or designated weekly staff meeting blocks to support completion of the training for those needing extra support or time.

New Staff:

The LAC and school administration will include training completion as part of the onboarding checklist for all newly hired staff.

2. Familiarity with Language Access Best Practices
Distribution and Review:

All staff will receive digital and printed copies of the NYCPS documents:

Best Practices for When to Provide Translation of Critical Written Communications to Parents

Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents

The LAC will lead a brief walkthrough and discussion of these resources during a staff meeting early in the school year.

Ongoing Support:

Reminders and updates about translation and interpretation procedures will be embedded into monthly newsletters, grade team meetings, and parent engagement planning sessions.

Staff will also receive a quick-reference Language Access Toolkit (digital and/or printed) including:

Language Access contact information

Step-by-step guides for requesting translation/interpretation

Lists of documents requiring mandatory translation

3. Role of the Galaxy-Designated Language Access Coordinator (LAC)
The LAC will:

Serve as the central point of contact for all language access needs and questions.

Maintain a Language Access Resource Hub on the school's internal shared drive or Google Classroom, updated regularly with NYCPS memos, training materials, and templates.

Disseminate all new resources and policy updates from NYCPS Central using multiple channels:

School-wide emails

Briefings at staff meetings

Updates posted in staff common areas or digital bulletins

Provide refresher trainings or mini-PD sessions mid-year, especially in advance of parent-teacher conferences or report card distributions.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

1. Translated Signage
Multilingual Welcome Signage is prominently displayed at the school entrance, main office, and family-facing service areas.

Signs include information on:

How to request an interpreter

Availability of translation for school communications

Contact information for the Language Access Coordinator (LAC)

Signage is available in the top 9 NYC DOE languages, and additional languages can be added based on our community's needs.

2. Brochures, Flyers, and Letters
At the start of the school year and during enrollment, families receive a language assistance flyer (translated into their preferred language) explaining:

Their right to interpretation and translation

How to request services

Key school contacts for language access

Additional multilingual flyers are distributed throughout the year during events such as:

Parent-teacher conferences

Curriculum nights

Testing information sessions

3. Parent Engagement Events Highlighting Language Assistance Services
During PTA meetings, Family Orientation, and International Families' Night, our LAC or a designated staff member provides a brief overview of:

Available interpretation and translation services

How the school supports communication in families' home languages

Tools like NYCPS Translation & Interpretation Unit and school-based bilingual staff

Events are promoted and conducted with live interpretation services as needed to ensure accessibility and model language equity practices.

4. Messaging Applications and Digital Communication
We use messaging platforms such as TalkingPoints, ClassDojo, Remind, and/or Operoo that support automatic translation into families' preferred languages.

Important school-wide messages (e.g., safety updates, attendance policies, report card schedules) are sent via translated robocalls, texts, or emails using SchoolMessenger or similar tools.

The school website includes a "Language Access" section with downloadable translated documents and instructions for requesting interpretation.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

1. Multilingual Family Feedback Forms
We will distribute short, translated feedback forms (paper and digital) at key touchpoints throughout the year, including:

Parent-teacher conferences

Curriculum nights

Registration and enrollment events

These forms will ask questions such as:

"Did you receive interpretation services when needed?"

"Was written information provided in your preferred language?"

"What could we improve to better support your communication needs?"

2. Focus Groups and Listening Sessions
The school will host language-specific parent focus groups or listening sessions facilitated by bilingual staff or interpreters.

These sessions will provide families a safe, supportive space to share their experiences, challenges, and recommendations regarding translation and interpretation services.

Notes and themes from these discussions will be shared with the LAC and administration to inform improvements.

3. Parent Coordinator Outreach and Follow-Up
The Parent Coordinator will conduct periodic 1:1 outreach calls or in-person check-ins with families of ELLs/MLs to:

Ask about recent communication experiences

Identify gaps in language support

Offer support in navigating available services

Feedback is logged and shared regularly with the LAC and leadership team.

4. Annual Family Survey Addendum
We will develop a school-specific addendum to the DOE Annual Family Survey, focused on language access.

This will include a few translated questions to assess how effectively the school is meeting families' language needs.

Results will be disaggregated by language group and reviewed during School Leadership Team (SLT) meetings.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We currently support all language assistance services needed for our population, including Spanish and Arabic. We will continue to support language assistance services for our incoming students.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

55

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

5

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

1

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

4

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our Title III program consist of an Afterschool Program and parental involvement initiatives. Identified students in grades K-5 who have scored at the Entering, Emerging, Transitioning, Expanding and Commanding levels on the NYSESLAT, NYSITELL . The program will consist of afterschool two hour sessions (3:00pm to 5:00pm) Tuesday, Wednesday and Thursday of additional targeted instruction. Students will be divided into subgroups determined by their reading and writing level on the NYSITELL or NYSESLAT, TC Independent Reading Level, and their grade level. Data analysis shows students need more support in Reading and Writing. The Supervisor, at no cost to program, will make sure Attendance will be taken on a class list paper or in Google drive and kept on record of students who attended each class. All records will be maintained in the Title III Folder located in the Principal's office. Instruction will be provided to support, supplement and enrich the core curriculum that is part of the regular school day. The proposed program will include instruction in ELA, Math and content area subjects. Instruction will be provided by a certified ENL teacher and four other NYC licensed common branch teachers who will provide extra support in ELA, Math and the content area subjects. The ENL teacher and the four common branch teachers will collaborate lesson plans and co teach during the push in period for 30 minutes. There will be four mixed classes of ELLs divided by grade level, by students' proficiency level and performance. The groups are as following: 1- K and 1st grade with 5-10 students, 1- 2nd grade group with 5-10 students, 2- 3rd grade group with 5-10 students, 3- 5th grade group with 5-12 students. The program will start March 1 and end April 30th. Parents will be notified in February about the start of the program via notices sent home in their preferred language. Classroom assessments and observations will be used to monitor students progress. The program will be in-person. Home language support will be provided by using bilingual texts and glossaries. We will use Arriba La Lectura as our text. The materials will be at no cost.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Our Title III Program consists of Afterschool Program initiatives for grades K-5 who have been identified as ENL students. The purpose is to increase English language proficiency and academic achievement, as well as to develop confidence in the use of English. The rationale for the program is based on the proficiency levels of ENL students on the NYSESLAT, NYSITELL, and NYS ELA/Math assessments, showing the need for additional support. Students will receive targeted small-group instruction in ELA and Math, with qualitative and quantitative evidence drawn from assessment scores, progress monitoring, teacher input, and student work to justify the need for this program.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The Title III ELL-funded program will serve a total of 55 ENL students in grades K–5 who have been identified through the NYSITELL and NYSESLAT assessments. The groups are as follows: 12 in grade K, 15 in grade 1, 7 in grade 2, 10 in grade 3, 6 in grade 4, and 5 in grade 5. These students represent subgroups at the Entering and Emerging proficiency levels, demonstrating the need for additional targeted language and academic support.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will run from November through May, totaling 30 weeks. Sessions will be held twice a week (Tuesday, Thursday) for 90 minutes each, @3pm to 4:30pm. Instruction will be provided by licensed teachers who will work in small groups with identified ENL students.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Instruction will be provided in English by licensed teachers in small groups. The ENL teacher will support students in English Language Arts and Math, using both grade-level and ENL-level texts. Resources such as iReady, Phonics for Reading, and English Language Learner texts will be used to ensure appropriate scaffolds. Home language support will be provided as needed through strategic use of bilingual resources and teacher support to help students make connections between their home language and English.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Instruction will be provided by two licensed teachers: one certified ENL teacher and four certified classroom or content-area teachers. The ENL teacher will support students in English Language Arts and Math, while the classroom teacher will provide targeted academic support. Both teachers hold appropriate state licensure and will work with students in small groups to address language and content needs.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The program will utilize Amplify, iReady, Phonics for Reading, and English Language Learner resources as the primary supplemental materials. These resources are published by their respective vendors (Amplify Education, Curriculum Associates for iReady, and Literacy) and will be stored in the ENL resource room for teacher and student use. Materials purchased with Title III ELL funds will follow all guidelines and will not exceed 20% of the total allocation. These materials are designed to provide scaffolds for language development, differentiated texts at appropriate proficiency levels, and interactive supports that allow ENL students to access grade-level content while building English proficiency.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Parents and guardians will be notified about the program in writing and through personal outreach in their preferred languages before the program's start in October. Notices will include details about the schedule, grade levels, and expectations for student participation. Implementation will begin in November and run through May, with students attending two after-school sessions per week, each lasting 90 minutes. The ENL teacher and program supervisor will maintain records and will include evidence of parent notifications, student attendance, lesson plans, and samples of student work. Progress monitoring data, teacher feedback, and assessment results will also be collected to track student growth and program impact. Purchase orders and invoices will be kept on file to document the use

of Title III ELL funds. All documents will be stored in a binder in the principal's office.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

As part of our Title III Program, teachers providing instruction will participate in Professional Development remote sessions via Google Meet with a certified ENL teacher to discuss instructional objectives for students and outline activities for each teaching session. This will involve a thorough review and analysis of data and student work, including writing samples, classroom assessments, and item analysis of formal evaluations, TCRWP Assessment Pro, Teacher's College Independent Reading Levels, State Assessments in ELA, Math, and Science, NYSITELL, and NYSESLAT. Based on observation of data, classroom teachers need more support in working with ELL's. In addition, teachers will meet in study groups with the ENL teacher, Ms. Buissereth, for 30 minutes weekly to review proven strategies and techniques for improving learning for ELLs and to read and discuss professional articles. Teachers will participate in study groups reviewing articles and videos on supporting ELLs, including, but not limited to, topics such as The RtI Guide for Teachers of ELLs and The Blueprint for English. Language learners' Success, Mathematics Problem-Solving Strategies for ELLs, Text Complexity and English Language Learners- Building vocabulary, etc. Through these rich, collaborative discussions and data analysis, teachers will positively impact their ELLs' progress. Agendas and attendance sheets for these PD Sessions will be maintained for our records. These PD topics will also be incorporated into school staff PD sessions throughout the school year. In addition, teachers will meet in study groups with the ENL teacher for 30 minutes weekly to review proven strategies and techniques for improving learning for ELLs and to read and discuss professional articles. PD will be provided by the admin team, central and district staff. These sessions are scheduled throughout the school year, starting on September 23, 2025, to June 2, 2026, on Mondays @ 3:30 pm. This component will be at no cost to the Title III program.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**

- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Teachers providing instruction will participate in Professional Development remote sessions via Zoom, focused on supporting ELLs.

For each activity, include Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development.

The sessions will include reviewing articles and videos about supporting ELLs, including, but not limited to, topics such as SIOP, Sheltered Instruction, ENL strategies, NYSESLAT, and NYS Bilingual Progressions.

Data sources (e.g., teacher responses from school surveys, in-house teacher surveys, and teacher observation data) were used to justify the professional development.

Teacher discussion and reflections will be productive to share best practices, address challenges, and highlight successes to enhance teachers' knowledge of supporting ELLs

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Teachers who are providing instruction will receive professional development on Mondays, 5 times over the year ending in June.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

September 16- June 2026
5 sessions
Mondays 3:30 pm-4:00pm

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Teachers will participate in study groups reviewing articles and videos on supporting ELLs, including, but not limited to, The RtI Guide for Teachers of ELLs and The Blueprint for English. Language learners' Success, Mathematics Problem-Solving Strategies for ELLs, Text Complexity and English Language Learners- Building vocabulary, etc. Through these rich, collaborative discussions and data analysis, teachers will positively impact their ELLs' progress. Agendas and attendance sheets for these PD Sessions will be maintained for our records. These PD topics will also be incorporated into school staff PD sessions throughout the school year.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

In addition, teachers will meet in study groups with the ENL teacher for 30 minutes weekly to review proven strategies and techniques for improving learning for ELLs and to read and discuss professional articles. PD will be provided by the admin team, central, and district staff. teachers providing instruction will participate in Professional Development remote sessions via Google Meet with a certified ENL teacher to discuss instructional objectives for students and outline activities for each teaching session. This will involve a thorough review and analysis of data and student work, including writing samples, classroom assessments, and item analysis of formal evaluations, TCRWP Assessment Pro, Teacher's College Independent Reading Levels, State Assessments in ELA, Math, and Science, NYSITELL, and NYSESLAT.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Agendas and attendance sheets for these PD Sessions will be maintained for our records. These PD topics will also be incorporated into school staff PD sessions throughout the school year.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

As a school, this SY 2025-2026, the administration, classroom teachers, the ENL teacher, and the Parent Coordinator work together to ensure that parents are welcomed, informed, and involved in their children's education. To further include parents of ELLs and communicate effectively with them. Parents' needs are discussed at monthly meetings, including PTA, Chat and Chew, parent surveys, and the School Leadership Team. As part of the Title III Program, there will be three one-hour virtual Parent Workshops via Zoom for parents given by the ENL teacher, Ms. Buissereth, and a common branch teacher to review Grade level Standards in ELA and Math, understanding what is expected of their children on NYS assessments, and what they can do to help their child at home. These sessions will take place on Tuesdays at 5 pm in March, April, and May. Two teachers will be paid at a per-session rate for the three workshops provided to parents. All materials, agendas, attendance sheets, and parent invitations will be kept in the Title III binder located in the principal's office. Parents will receive communication in their preferred language, and translation will be available during parent workshops using MS translator and the school's staff. No more than 10% of the total allocation will be used for parental engagement.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

As a school, this SY 2025-2026, the administration, classroom teachers, the ENL teacher, and the Parent Coordinator work together to ensure that parents are welcomed, informed, and involved in their children's education. To further include parents of ELLs and communicate effectively with them. Parents' needs are discussed at monthly meetings, including PTA, Chat and Chew, parent surveys, and the School Leadership Team.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

As part of the Title III Program, there will be three one-hour virtual Parent Workshops via Zoom for parents given by the ENL teacher, Ms. Buissereth, and a common branch teacher to review Grade level Standards in ELA and Math, understanding what is expected of their children on NYS assessments, and what they can do to help their child at home. These sessions will take place on Tuesdays at 5 pm in March, April, and May.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

As part of the Title III Program, there will be three one-hour virtual Parent Workshops via Zoom for parents given by the ENL teacher, Ms. Buissereth, and a common branch teacher to review Grade level Standards in ELA and Math, understanding what is expected of their children on NYS assessments, and what they can do to help their child at home. These sessions will take place on Tuesdays at 5 pm in March, April, and May.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

As part of the Title III Program, there will be three one-hour virtual Parent Workshops via Zoom for parents given by the ENL teacher, Ms. Buissereth, and a common branch teacher to review Grade level Standards in ELA and Math, understanding what is expected of their children on NYS assessments, and what they can do to help their child at home. These sessions will take place on Tuesdays at 5 pm in March, April, and May.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**

- **How interpretation supports will be provided at events.**

Parents will receive communication in their preferred language, and translation will be available during parent workshops using MS translator and the school's staff. No more than 10% of the total allocation will be used for parental engagement.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All materials, agendas, attendance sheets, and parent invitations will be kept in the Title III binder located in the principal's office.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
