Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Community Schools
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages

- Part C: Parent Communications and Engagement
- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

BRIGHTER CHOICE COMMUNITY SCHOOL

District Borough Number (DBN):

16K627

Grades Served:

3-K - 5

School Address:

280 Hart Street Brooklyn, NY 11206

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Josh Petraglia	Principal or Designee*	
Jimelle Fraser	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Jade Harris	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Grenella Jones	District Council 37 (DC 37) Representative (staff), if applicable	
Daryl Harris	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Ayanna Hinds Marshall	UFT	
Jasmin Chino	UFT	
Asha Mashariki	Parent	
Laura Mulcahy	Parent	
Jose Rivera	Parent	
Darryl Harris	Parent	
	Member/	
	Member/	
	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Name	Position and Constituent Group Represented	Signature

Stakeholder Participation

Background

The CEP must be developed in consultation with parents, school staff, and in secondary schools, students, and in accordance with §100.11 of Commissioner's Regulations and Chancellor's Regulation A-655. All schools are expected to engage stakeholder representatives (via the School Leadership Team/Community Engagement Team) at every step of CEP development. Follow the guidelines outlined in Assembling Your Team.

The School Leadership Team will engage in a five-part needs assessment before developing the CEP. Writing the plan is the last step.

Optional Pre-Activity: Envision: Exploring Your Vision, Values, and Aspirations

- Analyze: Data Variation Part 1: Identification
- Analyze: Data Variation Part 2: Share and Explore
- Analyze: Survey Data
- Listen: Student Interviews
- Envision: Reflect and Synthesize
- Writing the Plan

Meeting Dates

Use the space below to identify the meeting date(s) when each specific step(s) occurred.

Orientation for School Teams

(Required for Schools Newly Identified for the TSI Support Model)

3/5/25 Team Members Present Mr. Petraglia, Ms. Hinds-Marshall, Ms. Fraser and Mr. Rivera (Parent)

1. Analyze: Data Variation - Identification

3/20/25 Team Members Present Mr. Petraglia, Ms. Hinds-Marshall, Ms. Fraser and Mr. Rivera (Parent)

2. Analyze: Data Variation - Share and Explore

3/20/25 Team Members Present Mr. Petraglia, Ms. Hinds-Marshall, Ms. Fraser and Mr. Rivera (Parent)

3. Analyze: Survey Data

4/3/25 Mr. Petraglia, Ms. Hinds-Marshall & Ms. Fraser

4. Listen: Student Interviews

7/18/25 Mr. Petraglia, Ms. Hinds-Marshall & Ms. Fraser

5. Envision: Reflect and Synthesize

7/18/25 Mr. Petraglia, Ms. Hinds-Marshall & Ms. Fraser

6. Plan Writing and Revision

8/25 Mr. Petraglia, Ms. Hinds-Marshall & Ms. Fraser

Stakeholder Involvement Signature Page

Directions: In the table below, list the individuals involved in the development of the CEP, their relationship with the school, and the dates in which they participated. The individuals listed should include members of the School Leadership Team and, where applicable, the Community Engagement Team (for Receivership schools). The dates should match the dates identified in the Meeting Date table completed previously.

THIS PAGE MUST BE PRINTED AND SCANNED AND SUBMITTED WITH THE CEP. If the school is unable to obtain a signature from an individual, the school should write "Addendum attached" and explain why it was unable to obtain the signature of the individual. If an individual identified below has objections or concerns related to the CEP, that team member shall note "Addendum Attached" next to his or her signature and provide, in a separate document, an explanation of the specific objections or concerns.

Dates Involved (enter m/dd in the space below for each date the individual attended)

Stakeholder Name	Role	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd	m/dd

Section 4: School Summary

Accountability Status

Accountability Status: **TSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

We are committed to fostering a nurturing and inclusive environment where every child feels valued, safe and respected and is inspired to reach their full potential and achieve readiness for college and careers.

Our Core Values are Communication, Honor, Open Mindedness, Integrity, Contribution and Excellence. These values set the foundation for the work that we do every day and are embedded in our "everyday" interactions. Our mission is to provide high quality instruction that promotes critical thinking, curiosity and creativity while empowering students to develop strong social skills, make good choices and become responsible, compassionate members of our community.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Brighter Choice Community School is a PROSE elementary school located in the Bedford-Stuyvesant neighborhood of Brooklyn serving 220 children grades 3K – 5. The school's demographics are: African American:43.0%, Hispanic: 43.1%, White:8%, Asian:1% and American Indian:1%.

Brighter Choice Community School Is located in the heart of District 16 in Bedford Stuyvesant. We support students in grades 3K to grade 5. At Brighter Choice Community School, we are committed to fostering a nurturing and inclusive environment where every child feels valued, safe and respected and is inspired to reach their full potential and achieve readiness for college and careers.

Our mission is to provide high quality instruction that promotes critical thinking, curiosity and creativity while empowering students to develop strong social skills, make good choices and become responsible, compassionate members of our community. At Brighter Choice we believe students always come first and all that we do has the students' best interest in mind.

Diversity and inclusion are celebrated and honored through our school's curriculum and monthly celebrations. The totality of these vital components allows us to prepare our children for a brighter future.

We have a robust Music Arts Program where students are afforded opportunities to not only learn about music studies, but how to play an instrument. Aside from Music Arts, our school provides our students with learning experiences associated with Theater and Performing Arts.

Aside from Music and Theater Arts, we offer Food, Nutrition and Gardening Classes. Through our partnership with Edible School Yard, students are provided with educational opportunities associated with Cooking, Planting and

Healthy Eating. Edible School Yard offers our students weekly classes in both the classroom and our beautiful and vibrant exterior garden space.

At Brighter Choice Community School, we offer a rigorous curriculum designed to engage and challenge our students, including a wide variety of enrichment programs. Below is a list of some of the programs we provide at the school.

1. Dual Language Program

BCCS Offers a Dual Language Program from Grades K-5. In our Dual Language Program students are taught in both English and Spanish. The goal of this program is for students to be able to read, write, and speak in both English and Spanish. In Dual Language classes, Spanish and English are used equally.

2. Music &Theater Arts
Our school has a Music Program to enhance learning and foster creativity amongst our students. The program offers students a solid education in Music and opportunities to learn instruments such as keyboards, guitar, drums and bass. In addition to Music Studies, our school offers students opportunities to engage in learning experiences associated with art, dance, theatre and drama. through our community-based partners. Through our partnership and collaboration with our Music Department, BCCS has three major performances per year: Winter Show, Black History Show and Spring Show. These performances are a major hit in the community as they contain elaborate story lines, music production, choreographed dancing, and professional stage sound and lighting.

3. Food and Nutrition Education
Edible Schoolyard NYC helps support our students and school community through educational experiences associated with gardening, planting, cooking, hydroponics and healthy eating. Edible School Yard offers our students weekly classes in both the classroom and our luscious exterior garden. Edible School Yard also provides our families with opportunities to engage in both in person and virtual cooking classes.

4. After School Programs
At Brighter Choice we understand and prioritize the need for providing After School Care services for our families. We partner with three main organizations to provide After Care at our School. Katmint (The Aster Initiative) provides affordable after care for 3k and PreK students. NIA and New York Edge offer free after care (number of seats contingent on funding) for the K-5 student population. All of these programs offer a variety of activities, including homework help, recreational activities, and enrichment opportunities in Music, Theatre Arts, Sports and Dance.

5. Community Based Organization
As a Community School, BCCS partners with Community Based Organizations, New York Edge and NIA, to help support our students' academic and social needs. New York Edge is at the school five days a week and offers a wide variety of services such as enrichment, after school programs, academic and social emotional support and other partnerships. NIA supports our school during After School Hours and provides both enrichment and academic experiences for our students. Both programs also offer Parent Engagement Experiences throughout the school year through hosting family fun events, workshops, trainings, etc. Partnering with community organizations such as New York Edge and NIA positively impacts student achievement and enriches their school experience. These partnerships help provide positive social and academic experiences for our students and promote ultimate success.

Briefly summarize the key initiatives your school will implement this school year.

Professional Development:
Train staff on MTSS implementation and differentiated instruction
Ongoing coaching cycles for teachers in Writing
Coaching and Training on Accidence Progress Monitoring

Enhance Data-Driven Decision Making:
Regular Data Team Meetings to review screener and progress monitoring data.

Implement Schoolwide Behavior Support Program:
Post Schoolwide Behavior Expectations for specific areas in the building (Classrooms, Hallways, Cafeteria, Auditorium, etc.)
Launch School Store

School Initiatives to Promote Student Success:
Student Council
Honor Roll
Brighter Minds Honor Society

Family & Community Engagement:
Increase communication with families and provide resources to support learning at home

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH Into Reading	
Math	K-5	EnVision	
ELA	Pre-K - 2	Fundations	
Spanish Language Arts	K-5	Arriba La Lectura	

Summarize key strengths that contributed to the achievement of the previous year's annual goals.

Our school's success in achieving last year's annual goals was driven by several key strengths. A collaborative staff culture fostered strong teamwork and consistent implementation of instructional strategies learned in Professional Development. There was a consistent structure for Common Planning which provided teachers with the structure and time analyze data, collaborate on strategies and make data informed decisions for grouping. Data was used to inform After School Tutoring Groups for grades 3-5. Scheduling during the day, permitted time for Foundational Skills Practice and AIS Small Group Instruction. We increased family engagement through Monthly Celebrations where families were afforded opportunities to engage in activities in the classroom with their children. The school also had a Planning Committee consisting of teachers who planned monthly celebrations, School Spirit Days and organized school events.

Identify significant challenges or obstacles that may have negatively impacted the achievement of the previous year's annual goals.

Inconsistent Attendance
Delays in progress monitoring and data analysis slowed instructional adjustments
Enough Technology to support instruction
Adequate staffing to support at recess/lunch

Student Interviews are essential to fully understand what this past year has meant for students by providing opportunities for students to share their experiences and their hopes for school moving forward. To make sure that the student experience is at the center of the Comprehensive Education Plan:

Describe how Student Interviews informed the development of the plan.

Students expressed the need for more enrichment based activities (ex- Theater, Clubs, increased School Spirit Days, More Trips, etc.) at the school. Student input was used to inform decisions on partnerships and ideas to support students. The school is in partnership with Lindo Productions to increase more opportunities for students to engage in Theater Based Activities both during and after school. In collaboration with New York Edge, the school is in the process of creating a School Store, which will allow students to redeem Class Dojo Points for Prizes.

Evidence-Based Intervention

Every school identified for Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement, or Targeted Support and Improvement (TSI) must implement at least one evidence-based intervention (EBI) as part of its CEP. The intervention identified must meet the criteria of a Tier 1, Tier 2, or Tier 3 evidence-based intervention under ESSA. Schools should indicate all of the EBIs meeting the federal definition that will be pursued during the upcoming school year.

Directions: Respond "Yes" or "No" to indicate whether or not each EBI listed below is being implemented this year.

Align High School and College Courses to Increase Post-Secondary Transition Outcomes

No

Community Schools

Yes

Elementary School Looping

No

Establish an Early-Warning Intervention and Monitoring System

Yes

Evidence-Based Instruction Implementation

Yes

Expanding Access to High-Quality Out-of-School-Time Programs

Yes

High Quality Instructional Materials

Yes

High Quality Tutoring

Yes

Incoming Student Induction Programs

No

Increased Learning Time

Yes

Instructional Coaching

Yes

Middle School Flexible Scheduling

No

Multi-tiered Systems of Support – Integrated (MTSS-I)

Yes

Ongoing Job-Embedded Professional Development

Yes

Principal Leadership Development

Yes

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to K-5 Acadience Reading June 2025 data, an average of 41% of students are meeting benchmark. The average % of K-2 students meeting benchmark is 61%. The average % of Grades 3-5 students meeting benchmark is 21%. The 2023-2024 School Survey, indicated the following data based on teacher responses: 26% of teachers	1. Student learning gaps from prior years. Gaps could be attributed to Covid. 2. Staff not trained in Progress Monitoring practices to identify gaps and plan interventions. 3. Inconsistencies in Common Planning and Foundational Skills Structures and Expectations in previous years, leading to delayed starts in the 2024-2025 school year. 4. School has had 3 Principals in the past three years.	There is a continued need to address Foundational Skills via Foundational Skills Period structure implemented in the 2024-2025 school year. There is a continued need to move forward with the Common Planning Structure from 2024-2025 so that staff can have time to analyze data, progress monitor, plan interventions, etc. There is a need for consistent

responded favorably to questions about Teacher-Principal Trust. 26% of teachers responded favorably to questions about Teacher-Program Coherence. 44% of teachers responded favorably to questions about the quality of Professional Development.		AIS Periods for students who need Tier 3 Support. There is a need for consistency in School Leadership so that structures can be implemented and sustained over time, trust and relationships can be built, and cohesion and a vision can be sustained.
According to iReady June 2025 Data an average of 43% of students are on Level.	1. Student learning gaps from prior years. 2. Staff not trained in Progress Monitoring practices to identify gaps and plan interventions. 3. Inconsistencies in Common Planning and Foundational Skills Structures and Expectations in previous years. 4. School has had 3 Principals in the past three years.	There is a need for student improvement in reading comprehension. There is a continued need to move forward with the Common Planning Structure from 2024-2025 so that staff can have time to analyze data, progress monitor, plan interventions, etc. There is a need for consistent AIS Periods for students who need Tier 3 Support to receive targeted Reading Instruction in addition to the Foundational Skills period. Staff require training on how to properly pace, filter and plan lessons within the HMH Units of Study. There is a need for consistency in School Leadership so that structures can be implemented and sustained over time, trust and relationships can be built, and cohesion and a vision can be sustained.
According to NYSED Data, 27% of students were proficient and met State standards on the State English Test for the 2023-2024 School Year. According to NYSED Data, 31% of Hispanic Student Subgroup were proficient and met State standards on the State English Test for the 2024-2025 School Year. In the 2023-2024 School Year, 69% of the Hispanic Subgroup in 3rd Grade scored a Level 1 on the ELA State Test. There is no data for the 4th and	1. Student learning gaps from prior years. 2. Staff not trained in Progress Monitoring practices to identify gaps and plan interventions. 3. Inconsistencies in Common Planning and Foundational Skills Structures and Expectations in previous years. 4. Some students in the subgroup may not be familiar or understand the format of the test, or manage their time effectively during the test. 5. Students in subgroup struggle with ELA skills and concepts, which in turn makes it challenging to apply knowledge during the test. 6. Students within subgroup not prepared and may not have studied effectively for the test, which in turn leads to	There is a need to improve Level 3 & 4 Proficiency in the ELA State test for All Students including our school's Hispanic Subgroup. There is a continued need for a solid and structured AIS period to support students within the Subgroup. There is a need for staff to analyze June Instructional Reports in September so they can determine which ELA standards students are struggling with. There is a need to go forward with a structure for Mock

5th Grade. In the the 2023-2024 School Year, the Hispanic Subgroup as a whole had a Performance Index Score of 66.2, was 41.5 points below the state average (107.7). According to iReady June 2025 Data an average of 28% of Hispanic Subgroup students are on Level.	poor performance. 7. School staff and school structures not consistent in analyzing June Instructional Reports so they can determine which ELA standards students are struggling with. 8. School in previous years did not have a structure leading up to the test for Mock Testing, Analyzation of scores, reteaching, etc. 9. School has had 3 Principals in the past three years.	Testing, Data Analyzation and Reteaching of skills leading up to the exam. There is a need for consistency in School Leadership so that structures can be implemented and sustained over time, trust and relationships can be built, and cohesion and a vision can be sustained.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	41%	By June, 2026, the percentage of All Students that are at or above grade level on the EOY Acadience reading screener will improve by a 10% Increase, from 41% to 51% as measured by the EOY Acadience screener data in reading.
All Students	44%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 44% to 54%, of percentage of students scoring at Levels 3 & 4 on the NYS ELA exam results.
Hispanic Students	31%	By June, 2026, the percentage of students in the Hispanic Student Subgroup scoring at Levels 3 & 4 will Increase by 10% from 31% to 41%, as measured by NYS ELA Exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Strategy
Use assessment data from screeners and classroom to identify targeted students, create groups and inform planning to allow access to students through scaffolding and differentiation. Track and monitor student progress and teacher performance and supports to ensure cohesive planning and instruction across all grades.

Root Cause Addressed:

Teachers are now building off of 2024-2025 Common Planning Structures so they can ensure use of data to form groups and inform instruction. Teachers received Acadience Training in Progress Monitoring to identify learning gaps and are now progress monitoring students once per week and using that data to support instruction during Foundational Skills Periods. Foundational Skills Period was implemented in the 2024-2025 school year and will remain in place. Students will continue to receive Phonics Based Instruction one period per day 5 days per week. This model will will start by 2nd week of September. School Principal is returning for the 2025-2026 year. As a result, the school will build on structures in place from previous year, leading towards more consistency and cohesion in the school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional learning: Teacher will receive continued Professional Learning in the following areas: Acadience, IReady, Fundations, HMH Into Reading, Phonics For Reading, SPIRE, Sounds Sensible, etc. . Some teachers will be trained to become Acadience Mentors and help support Acadience Assessment. Provide more professional learning on data

analysis and understanding to dig deeper into the data in both Acadience and Iready to gain a better understanding of specific skill areas students require support. Ensure teachers receive support and training on Acadience Progress Monitoring so teachers know how to assess and provide interventions on students' learning gaps. ILT will look at walkthrough data and trends, conduct walkthroughs and develop Professional Learning to support staff. Staff will also receive additional training in Danielson's 1e, 3b, 3c, and 3d.

Systems and structures: Professional learning plan will build off of the 2024-2025 school year. Assessment calendar will be released at the beginning of the school year. ILT will be composed and meetings will be established earlier in the school year. ILT will build off of work from prior year. ILT will look at walkthrough data and trends, conduct walkthroughs and develop Professional Learning to support staff.

Teachers will continue to build off of the Common Planning Structures put in place from the 2024-2025 school year. Teachers will participate in weekly Common Planning for collaboration and support to meet intended goals. In Common Planning teachers focus on the following areas: Curriculum Planning, Data Analysis, Interventions and Supports, etc.

ILT will engage in data analysis using protocols, identify trends and provide supports. The ILT will collect and analyze BOY data, and identify tier supports for students. The ILT in collaboration with District Coaches in ELA/Data will determine progress monitoring tools and frequency of use. The ILT will analyze progress monitoring data, engage in learning walks and use a rubric to evaluate the effectiveness of current systems, structures and instruction.

Screener Data will be used to identify targeted students for After School Tutoring.

K-5 Teachers will continue implementing a Foundational Skills Period (2nd period)where students are grouped by level to receive targeted interventions in homogeneous groups. Acadience Data will be used to determine groupings and Supports. Grades 3-5 will also contain an Enrichment Group.

ILT to conduct Learning walks of classrooms to provide feedback for improvement.

Creation of Walkthrough Protocol aligned to Danielson Components 1e, 3b, 3c and 3d and school's Instructional focus: If teachers use data to inform planning, then students will be able to have access to grade appropriate content with scaffolds and differentiation to sustain engagement as evidenced by work products and student discourse.

A Walkthrough Schedule will be implemented to increase admin coverage, calibration, teacher feedback and identification and awareness of areas where teachers need support. Walkthrough data and trends will be analyzed on a consistent basis to facilitate teacher support and follow-up coaching needed.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Primary structures to progress monitor implementation of key strategies and action steps:
Admin, ILT and Teacher Teams will analyze Screener baseline data, June Instruction Reports, NYS Test scores/analysis, formative assessment data, etc.

Admin will ensure there is time built into the schedule for teachers to meet, analyze data, form goals and plan interventions/strategies in there lessons to support student learning and monitor over time.

Data/evidence used to determine progress:
Assessment data from screeners, NYS score data, June Instructional Reports, student work samples, formative assessment data, etc.

Creation of Walkthrough Protocol aligned to Danielson Components 1e, 3b, 3c and 3d and school's Instructional focus: If teachers use data to inform planning, then students will be able to have access to grade appropriate content with scaffolds and differentiation to sustain engagement as evidenced by work products and student discourse. A Walkthrough Schedule will be implemented to increase admin coverage, calibration, teacher feedback and identification and awareness of areas where teachers need support. Walkthrough data and trends will be analyzed on a consistent basis to facilitate teacher support and follow-up coaching needed.

Admin Team will monitor feedback given to teachers in a Feedback Tracker to inform Professional Learning, Instructional Decisions, and Alignment to the School's Instructional Focus and District's Priorities.

Admin Team will monitor Common Planning Agendas to ensure teachers are following structures and guidelines for Meetings. Admin Team will monitor Progress Monitoring in Acadience in order to ensure that teacher are regularly assessing students.

Admin Team will conduct increased observations and visits to monitor teachers are following pacing, block guidance in ELA and Math, etc. Admin Team will visit Common Planning Meetings to ensure Teams are following structures and guidelines.

Admin Team to visit Foundational Skills Periods (MTSS Structure for ELA) to ensure students are receiving AIS Services and provide feedback as needed.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
06/20/2025	06/20/2025	ENL Celebration Provide ELL Families with strategies and supports to assist them in the home setting.	School Personnel CBO
06/23/2025	06/23/2025	Literacy Symposium Provide all Families with Literacy strategies and supports to assist them in the home setting and increase awareness.	School Personnel CBO
09/30/2025	06/26/2026	Academic Screeners Workshop	School Personnel District Personnel
09/30/2025	06/26/2026	Include Reading Tips in School Communication (Ex- Newsletter, Monthly Announcements, etc.)	School Personnel
09/26/2025	06/26/2026	Implement Multilingual Supports for ELL Families	School Personnel ENL Consultant
09/30/2025	06/26/2026	Promote Shared Reading at home	School Personnel CBO
09/30/2025	06/26/2026	Increase use of technology in home setting (Share Literacy Apps, Online Books, etc.)	School Personnel
11/13/2025	11/13/2025	Literacy Night Provide all Families with Literacy strategies and supports to assist them in the home setting and increase awareness.	School Personnel CBO
01/15/2026	01/15/2026	Literacy Symposium 2 Provide all Families with Literacy strategies and supports to assist them in the home setting and increase awareness.	School Personnel CBO

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

ILT, SLT, Administration, Teacher Leaders

Instructional Resources

HMH Into Reading Curriculum, iReady, Acadience, NYC Reads materials

Schedule Adjustments

Adjust scheduling and coverages to accommodate Common Planning and increased time for staff to analyze data and plan strategies. If funding permits, use Per Diem Funding to allot for coverage.

Other Resources Needed

N/A

School Improvement Grant (SIG) Expenditures

Directions: Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

Detailed Description of Activities

Students in Hispanic Subgroup will receive targeted ELA instruction during both the school day and After School Hours. Admin, ILT and Teachers will analyze data to determine groups, areas of need and targeted interventions.

District Coach or ELA Consultant will assist in the data analysis and provide strategies needed for instruction.

ILT, Admin, Coaches and Consultant will conduct classroom visits and observations and provide feedback on how to support the students within the subgroup.

Continue Professional Learning on Planning, Scaffolding and Differentiation to help teachers provide students with access to grade level materials.

Evidence-Based Intervention Category

1. Use Multi-Tiered System of Supports (MTSS) in classrooms and other interventions.
2. Provide Coaching and Job embedded Professional Learning to support teachers with the following: instructional strategies, giving feedback on observations, assistance with analyzing data and curriculum planning.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to OORs data over 50% of incidents involving student behavior is occurring in areas such as the cafeteria and school yard. Over 40% of these incidents are happening during the times of student lunch and recess.	Issues with staff attendance to cover recess. Lack of structured activities for students to engage in. In previous years there were no school wide expectations for behavior.	There is a need for increased supervision at recess. Decrease amount of student behaviors occurring during student recess and lunch. Students need to be aware of behavior expectations.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	46%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 15% Decrease, in number of Level 3 and 4 incidents occurring at lunch and/or recess from 46% to 31%, per the Online Occurrence Reporting System (OORS) reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Continue with split recess plans for both grades K-2 and 3-5 Lunch and Recess. Incorporate creative scheduling to allow for increased supervision at lunch and recess. Train supervisory staff in behavior management and how to respond to student behaviors. Create expected behaviors for cafeteria and recess and teach them to students in the beginning of the school year and post visual reminders. Provide structured games or activities for students to engage in. Incorporate increased use of recognition for positive behavior and implement rewards or incentives for students who are following expectations consistently. Develop lunch and recess monitor representatives for each grade band. The lunch and recess monitors will help model appropriate and positive behaviors. Continue to monitor data and adjust plans as needed. Collaborate with CBO (New York Edge) on supervision support for recess/lunch and a School-Wide Behavior Program and implementation of School Store. Collaborate with Mental Health Continuum On Site Therapist to develop and implement support plans for students.

Root Cause Addressed:

Students will learn behavioral expectations and tools to advocate for themselves and make better choices in their social interactions at lunch and recess. School will reinforce positive behaviors and provide incentives and rewards for students who are following the expected behaviors and expectations of the school. There will be increased staff supporting and supervising recess.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Creating awareness across grade bands by having in class presentations, school wide celebrations that focus on positive social interactions (ex- Anti-Bullying, Kindness Day, Inclusive School's Week, etc.)

Admin, counselors, teachers and support staff will view data in incident reports and OORS, identify target students and make informed decisions on supports aligned to their needs. Support plans will be put in place and monitored over time. Support plans will be communicated with parents and all staff who work with students.
Brainstorm list of expected behaviors with key stakeholders
Professional Learning sessions for supervising staff
By partnering with the Mental Health Continuum, students who require supports will receive on site counseling and/or behavior supports.
Develop Lunch and Recess Monitor system
Increase use of structured lunch and recess activities
All tables in cafeteria are to be labeled with a diagram
Display rules and expectations
Brainstorm ways school will reinforce positive behaviors
Obtain incentives and rewards for students
Targeted and adapted plans for Students in need of Tier 2 and Tier 3 Supports.
Restorative and Mediative Practices in place after incidents
Develop School Wide Rules and Expectations for Classroom, Lunch/Recess, Hallways, etc.
Implement Brighter Minds Honor Society

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Observations of Recess and Lunch duty to ensure systems and structures are in place
Consistent Monitoring of OORs Data

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/30/2025	06/26/2026	Parent Communication and Awareness	New York Edge and Mental Health Continuum
09/30/2025	06/26/2026	Involvement Opportunities: Volunteer Program, Recess Committee.	
09/18/2025	09/18/2025	Welcome to The Classroom Event	New York Edge

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Social Worker, Guidance Counselor, Partnership with Mental Health Continuum, School Administration

Instructional Resources

Social Emotional Resources

Schedule Adjustments

Creative scheduling to ensure additional coverage consisting of adult monitors at recess.

Other Resources Needed

Tangible Incentives, games, etc.

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to iReady June 2025 Data an average of 31% of students are on Level. The 2023-2024 School Survey, indicated the following data based on teacher responses: 26% of teachers responded favorably to questions about Teacher-Principal Trust. 26% of	1. Student learning gaps from prior years. 2. Staff not trained in Progress Monitoring practices to identify gaps and plan interventions in Math. 3. Inconsistencies in Common Planning Structures and Expectations in previous years (prior to 2024-2025 School Year). 4. Staff not pacing lessons appropriately in Envisions and were behind in skills. 5. School has had 3 Principals in the past three years.	There is a need for student improvement in Mathematics. There is a need to go forward with a structure for Mock Testing, Data Analyzation and Reteaching of skills leading up to the exam. There is a need for staff to pace lessons appropriately, conduct audits of standards and filter out post test standards so they can focus on the standards and skills necessary for

teachers responded favorably to questions about Teacher-Program Coherence. 44% of teachers responded favorably to questions about the quality of Professional Development.		the state test. Pacing and Planning requires monitoring. There is a need for consistency in School Leadership so that structures can be implemented and sustained over time, trust and relationships can be built, and cohesion and a vision can be sustained.
According to NYSED Data, 22% of students were proficient and met State standards on the State Math Test. According to NYSED Data, 31% of Hispanic Student Subgroup were proficient and met State standards on the State Math Test for the 2024-2025 School Year. In the 2023-2024 School Year, the percent of students in the Hispanic Subgroup who scored a Level 1 on the State Math Test is as follows: 3rd Grade: 62% 4th Grade: 54% 5th Grade: 71% Avg Level Score for Grades 3-5 is 62% In the the 2023-2024 School Year, the Hispanic Subgroup as a whole had a Performance Index Score of 50, was 67.7 points below the state average (117.7).	1. Student learning gaps from prior years. Gaps could be attributed to Covid. 2. Staff not trained in Progress Monitoring practices to identify gaps and plan interventions in Math. 3. Inconsistencies in Common Planning Structures and Expectations in previous years (prior to 2024-2025 School Year). 4. Staff not pacing lessons appropriately in Envisions and were behind in skills. 5. Some students in the subgroup may not be familiar or understand the format of the test, or manage their time effectively during the test. 5. Students in subgroup struggle with Math skills and concepts, which in turn makes it challenging to apply knowledge during the test. 6. Students within subgroup not prepared and may not have studied effectively for the test, which in turn leads to poor performance. 7. School staff and school structures not consistent in analyzing June Instructional Reports so they can determine which Math standards students are struggling with. 8. School in previous years did not have a structure leading up to the test for Mock Testing, Analyzation of scores, reteaching, etc. 9. School has had 3 Principals in the past three years.	There is a need to improve Level 3 & 4 Proficiency in the Math State test for All Students including our school's Hispanic Subgroup. There is a need for staff to analyze June Instructional Reports in September so they can determine which Math standards students are struggling with. There is a need to go forward with a structure for Mock Testing, Data Analyzation and Reteaching of skills leading up to the exam. There is a need for staff to pace lessons appropriately, conduct audits of standards and filter out post test standards so they can focus on the standards and skills necessary for the state test. Pacing and Planning requires monitoring. There is a need for consistency in School Leadership so that structures can be implemented and sustained over time, trust and relationships can be built, and cohesion and a vision can be sustained.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	38%	By June, 2026, the percentage of students scoring at Levels 3 & 4 will Increase by 10% from 38% to 48%, for All Students, as measured by NYS Math Exam results.
Hispanic Students	31%	By June, 2026, the percentage of students in the Hispanic Student Subgroup scoring at Levels 3 & 4 will Increase by 10% from 31% to 41%, as measured by NYS Math Exam results.
All Students	30%	By June, 2026, the percentage of students scoring at or above grade-level proficiency will Increase by 10% from 30% to 40%, for All Students, as measured by i-Ready Math results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Strategy
Use assessment data from screeners and other data sources (June Instructional Reports, Mock Tests, etc.) to identify targeted students, create groups and inform planning to allow access through scaffolding and differentiation. Track and monitor student progress and teacher performance and supports to ensure cohesive planning and instruction across all grades.

Root Cause Addressed:

Teachers are now building off of 2024-2025 Common Planning Structures and using data to form groups and inform instruction. Admin and ILT will closely monitor and support to ensure lessons are paced appropriately. School will implement Mock Testing and Test Sophistication periods much earlier in the year to ensure students have enough access. School Principal is returning for the 2025-2026 year. As a result, the school will build on structures in place from previous year, leading towards more consistency and cohesion in the school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Systems and structures: Professional learning plan will build off of the 2024-2025 school year. Assessment calendar will be released at the beginning of the school year. ILT will be composed and meetings will be established earlier in the school year. ILT will build off of work from prior year.
Teachers will continue to build off of the Common Planning Structures put in place from the 2024-2025 school year. Teachers will participate in weekly Common Planning for collaboration and support to meet intended goals. In

Common Planning teachers focus on the following areas: Curriculum Planning, Data Analysis, Interventions and Supports, Reflective Practices, etc.
ILT – engage in data analysis and identifying trends, use protocols. The ILT will collect and analyze BOY data, and identify target students for tier support. The ILT in collaboration with District Coaches will determine progress monitoring tools and frequency of use. The ILT will analyze progress monitoring data, engage in learning walks using a rubric to evaluate the effectiveness of current systems and structures, and instruction.
Screener Data will be used to identify targeted students for After School Tutoring.
ILT Learning walks of existing structures to provide feedback for improvement.
Math Pacing Guides created
Rally Testing and Measure Up used to support Testing Instruction
Creation of Walkthrough Protocol aligned to Danielson Components 1e, 3b, 3c and 3d and school's Instructional focus: If teachers use data to inform planning, then students will be able to have access to grade appropriate content with scaffolds and differentiation to sustain engagement as evidenced by work products and student discourse.
A Walkthrough Schedule will be implemented to increase admin coverage, calibration, teacher feedback and identification and awareness of areas where teachers need support. Walkthrough data and trends will be analyzed on a consistent basis to facilitate teacher support and follow-up coaching needed.
Build off of Professional Learning Calendar and continue with priority areas:1e, 3b, 3c and 3d.
Ensure teachers are using "On the Spot" Data Trackers to monitor student progress in their goals.
Ensure 3-5 Teachers are using Snapshot Assessments taken from the release questions from the NY State Math Exam. so they have a better understanding as to where there students were at as far as their learning in the standards.
Collaborate with District Coach on Professional Learning Plan and Goals

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action

steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Primary structures to progress monitor implementation of key strategies and action steps:
Admin, ILT and Teacher Teams will analyze Screener baseline data, June Instruction Reports, NYS Test scores/analysis, formative assessment data, etc.

Admin will ensure there is time built into the schedule for teachers to meet, analyze data, form goals and plan interventions/strategies in there lessons to support student learning and monitor over time.

Data/evidence used to determine progress:
Assessment data from screeners, NYS score data, June Instructional Reports, student work samples, formative assessment data, etc.

Creation of Walkthrough Protocol aligned to Danielson Components 1e, 3b, 3c and 3d and school's Instructional focus: If teachers use data to inform planning, then students will be able to have access to grade appropriate content with scaffolds and differentiation to sustain engagement as evidenced by work products and student discourse. A Walkthrough Schedule will be implemented to increase admin coverage, calibration, teacher feedback and identification and awareness of areas where teachers need support. Walkthrough data and trends will be analyzed on a consistent basis to facilitate teacher support and follow-up coaching needed.

Admin Team will monitor feedback given to teachers in a Feedback Tracker to inform Professional Learning, Instructional Decisions, and Alignment to the School's Instructional Focus and District's Priorities.

Admin Team will monitor Common Planning Agendas to ensure teachers are following structures and guidelines for Meetings. Admin Team will monitor Progress Monitoring in Acadience in order to ensure that teacher are regularly assessing students.

Admin Team will conduct increased observations and visits to monitor teachers are following pacing, block guidance in ELA and Math, etc. Admin Team will visit Common Planning Meetings to ensure Teams are following structures and guidelines.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/23/2025	10/23/2025	Math Night	School Personnel New York Edge
09/18/2025	09/18/2025	Academic and Iready Screeners Workshop	School Personnel District Personnel
09/30/2025	06/26/2026	Create Take-Home Math Kits	School Personnel
09/30/2025	06/26/2026	Include Math Tips in School Communication (Ex-Newsletter, Monthly Announcements, etc.)	School Personnel
09/30/2025	06/26/2026	Implement Multilingual Supports for ELL Families	School Personnel ENL Consultant
09/30/2025	06/26/2026	Increase use of technology in home setting (Share Math Apps, Online Math Sites, etc.)	School Personnel

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

ILT, SLT, Administration, Teacher Leaders

Instructional Resources

Envisions, iReady, Acadience, Measure Up Test Prep

Schedule Adjustments

Adjust scheduling and coverages to accommodate Common Planning and increased time for staff to analyze data and plan strategies. Adjust scheduling and coverages to accommodate Common Planning and increased time for staff to analyze data and plan strategies. If funding permits, use Per Diem Funding to allot for coverage.

Other Resources Needed

N/A

School Improvement Grant (SIG) Expenditures

Directions: Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

Detailed Description of Activities

Students in Hispanic Subgroup will receive targeted Math instruction during both the school day and After School Hours. Admin, ILT and Teachers will analyze data to determine groups, areas of need and targeted interventions.

District Coach or Math Consultant will assist in the data analysis and provide strategies needed for instruction.

ILT, Admin, Coaches and Consultant will conduct classroom visits and observations and provide feedback on how to support the students within the subgroup.

Continue professional learning on Scaffolding and Differentiation to help teachers provide students with access to grade level materials.

Evidence-Based Intervention Category

1. Use Multi-Tiered System of Supports (MTSS) in classrooms and other interventions.
2. Provide Coaching and Job embedded Professional Learning to support teachers with the following: instructional strategies, giving feedback on observations, assistance with analyzing data and curriculum planning.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
School Survey 2024 2024 School Survey: 81% of Parents responded favorably to the question: The School helps me to prepare my child for College, Career and Success in and After School" 2024 School Survey: 68% of Parents responded favorably to the question: The School provides resources to me and my child to prepare my child for College, Career and Success in and After School" 2025 School	School held many parent engagement events associated with the	There is a priority need for the school to create awareness and expectations of college and career readiness for both students and parents.

Survey: 90% of Parents responded favorably to the question: The School helps me to prepare my child for College, Career and Success in and After School" 2025 School Survey: 77% of Parents responded favorably to the question: The School provides resources to me and my child to prepare my child for College, Career and Success in and After School"	topic, however, school needs to improve in emphasizing awareness and resources provided.	There is a priority need to create increased opportunities for students to engage in activities that promote success and exposure to college/career skills outside of the classroom.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	90%	By June, 2026, the Families Positive Response % rates to question "The School helps me to prepare my child for College, Career and Success in and After School" for All Students will Increase by 5% from 90% to 95% as measured by School Survey .
All Students	77%	By June, 2026, the Percentage of Positive Response Rates to the question "The School provides resources to me and my child to prepare my child for College, Career and Success in and After School" for All Students will Increase by 10% from 77% to 87% as measured by School Survey .

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Identify & Research Different Paths associated with College and Career Readiness at the Elementary Level. Create and communicate expectations for both parents and students for College and Career Readiness and Success. Develop systems at the school that promote Success and future career skills. For example, this year the school will implement three new key student success structures to highlight this area:
1. Student Government
2. Honor Roll
3. Brighter Minds Honor Society
4. Increase family participation in NYC Saves

Root Cause Addressed:

Establish school protocols/systems for communicate with students and parents/guardians in regards to College and Career Readiness

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Survey student interests, likes, dislikes and support them in setting goals focused on college and career
Establish field trips connected to career and college readiness
Provide opportunities for career exposure in the school (Ex-Plan Career Day)

Plan trips for 4th and 5th grade students to visit D16 Middle Schools
Parent trainings/workshops focused on college and career readiness, application process for middle school.etc.
Work with Edible School Yard to help students develop career ready skills in gardening and/or cooking.
Continue work of Student Green Team and provide continued exposure to careers and education in sustainabilty
Continue partnership with Lindo Productions and increase exposure to career and education in Performance and Theatre Arts
Bolster Music Program and increase number of instrument choices available to students. Expand Music Program to allow for more individualized lessons and opportunities to take instruments home for practice.
Implement Brighter Minds Honor Society Initiative for grades 3-5 (Ex-Students given opportunities to engage in Service in School Community).
Develop Honor Roll for grades 3-5
Increase recognition of Success (ex- Brighter Minds Awards)
Implement Student Government
Parent Coordinator to facilitate Save For College Training for Parents and conduct outreach and follow up

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Primary structures to progress monitor implementation of key strategies and action steps:
Admin, Counseling Team, Teacher Teams will analyze baseline data, survey responses, etc.
Admin will ensure there is time built into the schedule for teachers plan lessons and/or trips to support college and career readiness exposure.
Data/evidence used to determine progress:
Student work samples, responses on surveys
Monitor NYC Kids Rise Building Block 1 account activation

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/30/2025	06/26/2026	College and Career Workshops	School Personnel
09/30/2025	06/26/2026	Money Matters	School Personnel
10/01/2025	06/26/2026	MBSK	School Personnel

positively to survey question "Building Families' Capacity as their Child's Primary Advocate".	programs would be best for their child in the following school-year. Generic Academic Strategies and Tips go out in our Newsletter and/or are posted on platforms, however, they are not tailored to specific students' needs.	interventions would be best for their child the following year. There is a need for parents to have more time to discuss their child's progress with teachers.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	42%	By June, 2026, the positive response rate will increase by 20% from 42% to 62% as measured by NYC School Survey response to "Building Families' Capacity as their Child's Primary Advocate".
Parents of All Students	87%	By June, 2026, the percentage of parents/families indicating that the school helps them understand what grade level schoolwork looks like will increase by 4% from 87% to 91% as measured by NYC School Survey Results.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Collaborate with Parent Coordinator to organize NYC Reads Ambassador training for parents/parent leaders (Ex-SLT, Title 1, TSI Team, etc.). Build on Literacy Symposium, Literacy Night and Math Night provide on the site training for parents who want to learn interventions in ELA and Math. Offer additional time for Parents to meet with teachers to discuss their child's progress, learning goals and which interventions and/or programs will help them moving forward. Parent Coordinator to collaborate with Key Stakeholders (PTA, CBOs, Staff) on aligning Parent Engagement Efforts to both the District and School's Goals and Priorities.

Root Cause Addressed:

Parents will have more opportunities to discuss their child's progress with teachers and/or interventions and programs that would be best for their child the following year.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Enlist parents in NYC Reads Ambassador training
Offer more parent trainings centered on leadership, advocacy, grade level standards and academic rigor
Offer flexible meeting times

Enhance Literacy Symposium, Literacy Night and Math Night so that parents receive training on specific interventions to help their children.
Partner with CBO to develop parent leaders in the school.
Issue Progress Reports two times per year
Plan a Kindergarten Orientation in the Spring for Pre K Families

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Primary structures to progress monitor implementation of key strategies and action steps:
Admin, Counseling Team, CBO, Teacher Teams will analyze baseline data, survey responses, etc.
School will issue Internal Surveys to gauge parent responses

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/30/2025	06/26/2026	Monthly Parent Celebrations	
09/30/2025	06/30/2026	Parent Trainings and Workshops	
11/13/2025	11/13/2025	Literacy Night	
01/15/2026	01/15/2026	Literacy Symposium	
10/23/2025	10/23/2025	Math Night	
09/13/2025	09/13/2025	Back to School Blast	

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Guidance Counselor, CBO, Planning Committee, School Administrators

Instructional Resources

Title 1 Set Aside Funding

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
52% Students are Chronically Absent (New Visions)	Difficulties in creating a plan and/or holding support meetings with families of Chronically Absent students. School has six scheduled Professional Learning sessions throughout the school year. Attendance on half days days are significantly lower. Students moved further away from the school. There were delays in arranging and securing transportation which impacted the students' attendance.	Need to roll out and communicate Attendance Policy at the start of the school year.
Attendance	The school did not have a consistent Pupil Accounting Secretary from September	Enhance family

rate for 2024-2025 school year was 87% (New Visions)	to January. As a result, students initially were not being correctly inputted in ATS which threw off class lists and caused discrepancies in Teach Hub Attendance. Some teachers did not have initial access to Teach Hub and collected attendance manually. Students who were supposed to be discharged remained on registers longer than what they should have. A new Attendance Team Facilitator started in the middle of September. This put the school behind in their policies, procedures, etc.	engagement and communication. Needs for more incentives and awards for positive attendance.
50% of ML Students are Chronically Absent (New Visions)	Difficulties in creating a plan and/or holding support meetings with families. Some of the students moved further away from the school. There were delays in arranging and securing transportation which impacted the students' attendance.	Establish early communication with parents and offer supports from outside services.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	52%	By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 22%, from 52% to 30%, as measured by the New Visions Chronic Absenteeism Reports.
All Students	87%	By June, 2026, the Overall Attendance Rate for All Students will increase by 5%, from 87% to 92%, as measured by the Attendance Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Monitor attendance data to inform planning for incentives, parent outreach and supports. Attendance Team will use a Tiered Approach to identify target students and interventions. Intensive monitoring of students who are at risk of Chronic Absenteeism. Continuing with the Success Mentoring of at risk students.

Root Cause Addressed:

School will communicate parents of the Attendance Policy at the start of the school year. The school is planning to build off of incentives and awards already put in place by last year's Attendance Team.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Hold Attendance meetings with parents as per school's attendance policy.
Ensure consistency in sending letters and communication to parents and adhering to the school's attendance threshold as per the Attendance Policy.
Create an Honor Roll/Brighter Choice Honor Society for Grades 3-5. 92% attendance rate being one of the criteria for participation.
Ensure consistent enrichment opportunities at the school. Ex- Continue partnership with Lindo Productions.
Ensure Attendance Team is following a tiered system to identify at risk students.

Create School Store as incentive for positive behaviors and attendance
Leverage Partners Katmint, NIA, New York Edge and Edible School Yard to implement enrichment opportunities for students both during the school day and after school.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monitoring of New Visions Data and positive impact of incentives, awards, etc. on attendance rate of at risk students.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

School Improvement Grant (SIG) Expenditures

Directions: Indicate how SIG funding will be leveraged in support of the key strategies outlined in this Priority. Be sure to include a detailed description of each activity and the evidence-based intervention category to which it belongs.

Detailed Description of Activities

Allocate funds for awards, certificates, and events celebrating improved attendance. Allocate funds for staff to conduct supportive home visits for chronically absent students.

Evidence-Based Intervention Category

Use Multi-Tiered System of Supports (MTSS) to monitor data and inform planning for at risk students.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
SESIS, IEP Reviews 2025 & Screener Data As per 2025 EOY Acadience Reading 6% of SWD are on Level As per 2025 EOY IReady	Present Levels of Performance Page Information needs to be more specific in regards to student performance in both class and Academic	IEP Development

Reading 0% of SWD are on Level As per 2025 EOY IReady Math 3% of SWD are on Level	Screeners and align to Annual Goals. Staff need expectations for IEP writing.	and Fidelity of Implementation
SESIS and IEP Reviews 2025	Although school exposes students with disabilities to possible career options and provides enriching opportunities, the school has not surveyed students to determine their interests, hobbies, etc. to guide goals and exposure to future pathways.	Transition Planning and Compliance
2024-2025 Screener and Behavioral Data	School needs to define the referral process for staff and parents to determine eligibility for services, including, least and more restrictive settings. The staff need to be trained on collecting ABC data for behavioral related situations.	Referral Process and Equity
OORS, Incident Reports, etc.	Although School makes decisions on School Discipline based on the Discipline Code, the school needs to train staff in understanding the MDR process and behavioral supports such ABC Data collection and the FBA process.	Equity in School Discipline
OORS, Incident Reports, etc.	Educators may unintentionally interpret behaviors leading to disproportionate referrals or harsher consequences for certain student groups.	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	0%	By June 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), the school will ensure 100% of IEPs contain student voice based on student interest surveys as measured by IEP Reviews.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher Data, Acadience and Iready Data, Formative Assessments, students performing one grade below grade level	HMH, i-Ready, EnVision 2.0, Fundations (Grades K-2) Phonics for Reading Grades 3-5	Small groups	During school hours, After School Program	Smartboard Devices
Tier 3	Teacher Data, Acadience and Iready Data, Formative Assessments, students performing 2 or more grades below level	HMH, i-Ready, EnVision 2.0, Fundations (Grades K-2) Phonics for Reading Grades 3-5 Sounds Sensible SPIRE Grades 3-5	Small group and/or one-to-one	During school hours, After School Program	Smartboard Devices

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher Data, Anecdotals,Observations, etc.	Community Circle	By Grade Group LG/UG	During school hours	No
Tier 3	Teacher Data, Anecdotals,Observations, etc.	Restorative Justice Practices, Breaks, Counselor referral, Behavior Contract, BIP	Small group and/or one-to-one	During school hours	Go Noodle, Sensory Tools, BrainPop, Nearpod
Tier 2	Teacher Data, Anecdotals,Observations, etc.	C.H.O.I.C.E Program/ Intensive Social Skills Training	Group Setting	During School hours	No
Tier 2	Teacher Data, Anecdotals,Observations, etc.	Mentoring Program/MSBK / Success Mentor	Student pair, Staff members	During school hours	No
Tier 2	Teacher Data, Anecdotals,Observations, etc.	Mindfulness and Relaxation Workshop	One to one/ Group	During School hours	No
Tier 3	Teacher Data, Anecdotals,Observations, etc.	Individual Counseling/ Trauma Informed Therapy	One-to-one	During School Hours	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

MTSS Process is shared via Parent Workshops. Parents receive notification that their child has been selected for AIS Services at the school.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Teacher Communication
Progress Reports
Meetings

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Parents receive progress on students' performance. Parents have opportunities to provide input

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

BCCS currently has 38 STH

Double Up-11
Shelter-17
Foster Care-2
Transition to Permanent Housing-8

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

This year there has been a slight decrease in STH families. These needs of students are varied, however, they are critical to their well-being and academic success. Some of the most pressing requirements include access to resource fairs within the school (SNAP, housing, food stamp, and taxes), food, transportation such as metro cards, hygiene bags, tutoring services, and laundry cards particularly for summer use.

Food Security: Many families in temporary housing struggle with food insecurity. Providing regular and reliable access to nutritious food is essential to support the health and academic performance of students. Programs that offer meals, snacks, and food pantries are crucial. Currently we are partnered with Stop & Shop and Campaign

Against Hunger.

Transportation: Reliable transportation is another significant need. Metro cards can enable students to attend school regularly and participate in after-school programs. This also helps parents access employment opportunities, attend school meetings, and seek essential services.

Hygiene Bags: Access to basic hygiene products can be a challenge for families in temporary housing. Providing hygiene bags containing items like soap, toothpaste, and other personal care products can help maintain the dignity and health of students and their families.

Tutoring Services: Academic support through tutoring is essential for students who may be falling behind due to the instability of their living situations. Offering personalized tutoring can help bridge the educational gaps and provide these students with the skills and confidence they need to succeed.

Laundry Cards: Although we have a laundry room in house, during the summer months, the school is closed for construction and not open to families. Clean clothing is a basic necessity that can be difficult to maintain in temporary housing situations. Providing laundry cards, especially for summer use when students are more active and clothes need more frequent washing, can help students feel more comfortable and confident.

To address these needs effectively, I plan to utilize Title I funds, which are specifically designated to help schools with high numbers or high percentages of children from low-income families. These funds will be allocated in a manner that aligns with the identified needs of our students and families in temporary housing.

Allocation of Title I Funds:
1. Food Programs: A portion of the funds will be dedicated to partnerships with local food banks and meal programs to ensure students have access to nutritious food. Additionally, utilizing funding from Stop & Shop to support with monthly pantry.
2. Transportation Support: Although we receive monthly 30 day metro cards, sometimes supply is not enough for all families that are in need and having additional funds will be used to provide metro cards to families, ensuring students can get to school and parents can access necessary services.
3. Hygiene Kits: We will allocate funds to create and distribute hygiene bags regularly to families, ensuring they have essential personal care items.
4. Tutoring Services: Title I funds will support after-school tutoring programs, including hiring qualified tutors and providing necessary materials.
5. Laundry Assistance: We will use funds to purchase laundry cards for families, particularly during the summer months, to help maintain clean clothing.

By strategically using Title I funds to address these aligned needs, we aim to create a more supportive and stable environment for students and families in temporary housing, ultimately promoting better educational outcomes and overall well-being.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

To support students and families in temporary housing (STH), we have developed a comprehensive range of services aimed at addressing their unique needs and promoting their overall well-being and academic success. These services include:

Counseling Services: We will offer 30-minute counseling sessions to provide emotional and psychological support

to students. These sessions will help students cope with the challenges of their living situations, manage stress, and develop healthy coping strategies.

Transportation Support: Recognizing the importance of reliable transportation, we will provide metro cards to ensure that students can attend school consistently and participate in after-school activities. This support extends to parents as well, enabling them to access essential services and employment opportunities.

Pantry Room Services: To address food insecurity, we will continue to provide families access to pantry room laundry services and stocked with nutritious food items and essential household supplies. Families can access these resources regularly, ensuring they have the necessary provisions for daily life.

Parent and Student Engagement Workshops: We will conduct workshops aimed at enhancing the engagement and involvement of parents and students. These workshops will cover a range of topics, including academic support, health and wellness, and community resources, fostering stronger family-school partnerships.

Enrollment Support and Academic Supplies: We will assist families with the enrollment process, ensuring that students can seamlessly transition into new schools. Additionally, we will provide academic supplies such as backpacks, notebooks, and other essential materials to support students' educational needs.

Community Resource Exploration: To help families navigate available resources, we will offer support in exploring and accessing community services. This includes connecting families with local organizations that provide housing assistance, healthcare, employment opportunities, and more.

By offering these comprehensive services, we aim to create a stable and supportive environment for students and families in temporary housing. Our goal is to ensure that they have the necessary resources and support to thrive both academically and personally.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

2 students

The School provides social-emotional and academic supports to ensure that students in foster care thrive both personally and academically. We prioritize access to mental health counseling through school-based social workers via Mental Health Continuum and partnerships with community agencies. Individual and group counseling sessions help students process trauma, build resilience, and develop coping strategies. In addition, through our partnership with New York Edge, we are able to pair students with Success Mentors who offer emotional and academic support.

Social-emotional learning (SEL) is embedded into classroom instruction to teach skills such as self-awareness, emotional regulation, empathy, etc. Restorative practices, including restorative circles and mediation, create safe spaces for students to express themselves and resolve conflicts in a constructive and positive manner. For students experiencing sudden placement changes or family disruptions, crisis intervention and wraparound services are available to maintain stability and continuity.

Academically, students in foster care receive support that address gaps. Targeted tutoring and academic interventions are offered both during and after school, along with access to online learning platforms for supplemental instruction. To ensure equitable access, the school provides technology resources such as devices and internet connectivity for students in temporary housing or foster care. Caregivers are engaged through workshops and multilingual communication to strengthen their ability to support academic success.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary

interventions to promote stability and success?

The School provides social-emotional and academic supports to ensure that students in foster care thrive both personally and academically. We prioritize access to mental health counseling through school-based social workers via Mental Health Continuum and partnerships with community agencies. Individual and group counseling sessions help students process trauma, build resilience, and develop coping strategies. In addition, through our partnership with New York Edge, we are able to pair students with Success Mentors who offer emotional and academic support.

Social-emotional learning (SEL) is integrated into classroom instruction to teach skills such as self-awareness, emotional regulation, empathy, etc. Restorative practices such as restorative circles and mediations, create safe spaces for students to express themselves and resolve conflicts in a constructive and positive manner. For students experiencing sudden placement changes or family disruptions, crisis intervention and wraparound services are available to maintain stability and continuity.

Academically, students in foster care receive support that address gaps. Targeted tutoring and academic interventions are offered both during and after school, along with access to online learning platforms for supplemental instruction. To ensure equitable access, the school provides technology resources such as devices and internet connectivity for students in temporary housing or foster care. Caregivers are engaged through workshops and multilingual communication to strengthen their ability to support academic success.

To monitor progress and ensure interventions are effective, the school conducts regular data reviews and communicates with foster care agencies and community partners to address barriers such as transportation, family challenges, etc.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

After analyzing historical demographic, attendance, and achievement data for students in foster care, several trends have emerged.

These students often experience higher rates of chronic absenteeism as a result of placement changes, transportation challenges, and emotional stress. Academic performance data reveals that students in foster care are more likely to have gaps in learning. Social-emotional indicators also suggest elevated levels of trauma-related behaviors and a greater need for counseling and mental health supports.

To address attendance challenges, the schools can assign a Success Mentor, provide transportation assistance, and strengthen communication with foster care agencies. Academic gaps can be supported through AIS and after school tutoring, while access to counseling can support emotional stability. Lastly partnerships with community organizations can provide wraparound services for continued supports.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Social-emotional learning (SEL) is integrated into classroom instruction to teach skills such as self-awareness, emotional regulation, empathy, etc. Restorative practices such as restorative circles and mediations, create safe spaces for students to express themselves and resolve conflicts in a constructive and positive manner. For students experiencing sudden placement changes or family disruptions, crisis intervention and wraparound services are available to maintain stability and continuity.

These strategies help address challenges as students learn to express themselves and resolve conflicts in a constructive and positive manner. These supports provide students with necessary skills to thrive both academically and socially by creating awareness and self regulation practices and strategies.

Expanded Learning Time (ELT) Support

The ELT program aligns with Multi-Tiered Systems of Support (MTSS) and will be offered to all eligible students who are considered at-risk of not meeting state standards. Note: Receivership schools must commit to 200 student contact hours of ELT.

Describe how your school will utilize ELT to offer opportunities for enrichment and additional learning before, during, after school, on weekends and/or during the summer to actively address the unique learning needs and interests of all types of students, especially those who may benefit from approaches and experiences not offered in the traditional classroom setting.

The school provides balanced curricular and enrichment opportunities and allows time for personalized learning. The school partners with CBOs to foster social and emotional learning opportunities for students and allowing them explore their interests in a safe, supportive, and welcoming environment. The school offers tutoring, homework help and enrichments in sports, music, theater arts, etc.

Describe how your school will meet the requirement of ensuring that ELT instruction is delivered under the supervision of a teacher who is NYS certified in that content area.

We will work coordinate with CBO's (New York Edge & NIA) to ensure that ELT instruction is delivered under the supervision of a teacher who is NYS certified. Tutoring and music instruction is provided by licensed teachers.

Describe how your school will meet the requirement of ensuring the alignment of ELT instruction with core academic subject area instruction offered during the regular school day.

Teachers are providing targeted support in ELA and Math. Curriculum and Intervention Materials used during after school are also utilized during the day.

Provide a description of the materials purchased to support implementation of ELT.

Materials purchased are aligned with evidence based practices in ELA and Math.
Ex- Intervention Kits, Readers, Test Prep Materials (ex-Measure Up), Constructed Response Writing Materials, Devices, Tablets, Headphones, Instruments, Art Materials, etc.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research consistently demonstrates a strong positive correlation between effective parental engagement and student achievement. The purpose of this policy is to establish clear expectations and objectives for meaningful parent and family engagement within the school community. In compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), the school is responsible for creating and implementing a Parent and Family Engagement Policy that strengthens the partnership between families and the school to support student success. This policy is designed to keep parents informed and actively involved in planning and decision-making related to their children's education. Parents are encouraged to participate as valued members of the school community through involvement in the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council, as well as by serving as trained volunteers.

Support for Parents and Family Members of Title I Students

Brighter Choice Community School will support parents and family members of Title I students by:

- Providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology.
- Providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children.
- Fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress
- Support parents in understanding City, State and Federal standards and assessments
- Sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand
- Providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community
- Hosting events such as Literacy and Math Night and Literacy Symposium to give parents increased awareness of important skills and to provide resources to support at home
- Releasing progress reports on student performance

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:

- Actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact
- Engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills
- Ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact
- Support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills
- Maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide or coordinate parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school

environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.

- Conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home
- Provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report
- Host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA
- Schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions
- Translate all critical school documents and provide interpretation during meetings and events as needed

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- Hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year
- Encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council
- Supporting or hosting Family Day events; school hosts monthly parent events
- Encouraging more parents to become trained school volunteers
- Providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress
- Developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress
- Providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand

School-Parent Compact (SPC)

School-Parent Compact (SPC)

Brighter Choice Community School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the partnership between the school and families in support of student achievement. This Compact outlines how parents, school staff, and students will share responsibility for improving academic performance and describes the ways in which a strong school-parent relationship will be developed to ensure that all children meet State Standards on assessments.

I. School Responsibilities: High Quality Curriculuml. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- Using academic learning time efficiently
- Respecting cultural, racial and ethnic differences
- Implementing a curriculum aligned to the State Learning Standards
- Offering high quality instruction in all content areas
- Providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA)

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- Conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related
- Convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved
- Arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting
- Respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education
- Providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand
- Involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact
- Providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information
- Ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:

- Ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents
- Notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member
- Arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities
- Planning activities for parents during the school year, e.g., Parent-Teacher Conferences

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:

- Creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians
- Assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend)
- Sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community
- Supporting parental involvement activities as requested by parents and family members
- Ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy
- Advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs

II. Parent/Guardian Responsibilities

- Monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent
- Ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- Check and assist my child in completing homework tasks, when necessary
- Read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes)
- Set limits to the amount of time my child watches television or plays video games
- Promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time
- Encourage my child to follow school rules and regulations and discuss this Compact with my child
- Volunteer in my child's school or assist from my home as time permits
- Participate, as appropriate, in the decisions relating to my child's education
- Communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district
- Respond to surveys, feedback forms and notices when requested
- Become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact
- Participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible
- Take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams

- Share responsibility for the improved academic achievement of my child

III. Student Responsibilities

- Attend school regularly and arrive on time
- Complete my homework and submit all assignments on time
- Follow the school rules and be responsible for my actions
- Show respect for myself, other people and property
- Try to resolve disagreements or conflicts peacefully
- Always try my best to learn

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Professional Learning in Domains 1e, 3b, 3c, 3d
Professional Learning in Acadience Progress Monitoring
S.P.I.R.E
Phonics for Reading
REWARDS
Multilingual Instruction

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Early Childhood staff participate in PL with the K-5 staff and specialists including, for the 25-26 school year (Literacy, Math, etc.) All school events and services are inclusive of our Early Childhood Program.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I SWP	Federal	$160,292	X	NA
Title I, School Improvement 1003(a)	Federal	$32,550	X	NA
Title II, Part A	Federal	NA	X	NA
Title III, Part A	Federal	NA	X	NA
Title III, Immigrant	Federal	NA	X	NA
Title IV, Part A	Federal	NA	X	NA
Tax Levy (Fair Student Funding)	Local	$1,458,134	X	NA
Title 1, Parent	Federal	$1504	X	NA

Engagement				
Title 1, Parent Engagement Carry Over	Federal	$99	X	NA
Title 1 STH	Federal	$39,845		

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single “pool” of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word “pool” is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Community Schools

Community School Partners

NYC Community Schools are committed to advancing equity by organizing resources and sharing leadership with community partners to support the whole child. Each Community School is different and reflects the strengths and needs of its students, families, and local community. The most successful Community Schools share common features, which are integrated into the fabric of the school and drive student learning. These features are Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Embedded throughout the work is a focus on incorporating anti-racist practices and differentiating supports, including attendance supports, for special populations. Since all school operations and actions are in service of improving the academic and non-academic achievement of its students, the annual schoolwide goals should be informed by the students, their achievement, and the opportunities provided to them. The school should develop these goals after a realistic and comprehensive analysis of its data, paying specific attention to the achievement of its subgroups and disproportionality.

Directions: Identify the partnerships with Community-Based Organizations (CBOs) that will support the achievement of annual goals through implementation of the Community School Core Features: Collaborative Leadership and Practice, Family and Community Engagement, Expanded Learning Time (ELT), and Wellness and Integrated Supports. Identify the target student population(s), provide a summary of the scope of the services and indicate the Priority or section(s) of the plan.

CBO Partners	Target Population	Scope of Service	Priority/section(s) and Annual Goal
NIA	All Students	After School	Priority One -- All Students will Read Well
NY Edge	All Students	Before, During, and After School	Priority One -- All Students will Read Well

Implementation of Community School Core Features & Components

Collaborative Leadership and Practice: Describe how the CBO will share leadership and engage in collaborative planning with the Community School to achieve the school's annual goals.

The Community-Based Organization (CBO) New York Edge will share leadership and engage in collaborative planning with the Community School through a structured and ongoing partnership. This collaboration will include regular joint meetings with Key Stakeholders including Admin, The School Leadership Team (SLT), PTA, Parent Coordinator, etc. to align priorities and ensure that all initiatives support both the school and District's priorities and annual goals. New York Edge Staff will actively participate in data review sessions, strategic planning discussions, and decision-making processes related to academic achievement, family engagement, and student well-being. Together, New York Edge and school leadership will co-develop action plans, integrate expanded learning opportunities, and coordinate on services such as mental health, social supports, and enrichment programs. By maintaining open communication and shared accountability, both New York Edge and BCCS will create a unified approach that leverages resources to strengthen student outcomes and build a supportive school environment.

Family and Community Engagement: Describe how your Community School will develop authentic school-family partnerships, and create the conditions for families and community members to participate in decision-making, hold leadership roles that drive school change, and serve as partners in students' holistic development.

Our School will develop authentic school-family partnerships by creating a culture of trust, transparency, and shared responsibility. Families and community members will be invited to participate in decision-making through representation on the School Leadership Team (SLT), PTA and other advisory committees, ensuring their voices shape policies, programs, and resource allocation. In addition to providing leadership opportunities through these channels, the school will provide family workshops aimed at empowering parents and caregivers to take active roles in driving school improvement initiatives.

To foster meaningful engagement for families, the school will provide multilingual communication, flexible meeting times (ex-days, nights, weekends, etc.) and childcare during events. The goal is for families to collaborate with staff and community partners to co-develop enrichment programs, wellness initiatives, and academic supports that address students' holistic development, including academics and social-emotional growth. By integrating family input and expertise into planning and implementation, we will create a shared leadership model that strengthens the school community and ensures every student thrives.

Implementation of Community School Core Features & Components

Wellness and Integrated Supports: Describe how your Community School will address out-of-school barriers to learning through partnerships with social and health service agencies and providers to help students attend school regularly and engage in learning through the provision of programs such as social emotional learning, conflict resolution training, and restorative justice.

Our School will address out-of-school barriers to learning by leveraging strong partnerships with social and health service agencies to provide wraparound supports that ensure students can attend school regularly and fully engage in learning. Through these partnerships, students will have access to mental health counseling via the Mental Health Continuum, medical care, and other social services that address challenges such as housing, instability, food insecurity, and emotional well-being.

In addition to these supports, the school will implement programs that promote positive school culture and student resilience, including social-emotional learning (SEL), conflict resolution training, and restorative justice practices. These initiatives will help students develop essential skills for managing emotions and resolving disputes in a positive and constructive manner which in turn will create a safe and supportive environment conducive to learning. By integrating these services and programs into the school community, we aim to remove barriers that hinder academic success and foster holistic development for all students.

Every Student, Every Day: Describe how your Community School will work with CBO partners to meet weekly and use data from DOE systems and New Visions for Public Schools to monitor trends in attendance, assign personalized interventions–including Success Mentors–to chronically absent students, and draw on community resources for support with removing barriers to attendance.

For support, you may access strategies here.

Our Community School will work closely with CBO partners through weekly Attendance meetings focused on data-driven decision-making. Using attendance data from DOE systems and New Visions for Public Schools, the team will monitor trends, identify patterns of chronic absenteeism, and develop targeted strategies to improve student attendance using a Tiered Approach (MTSS). Personalized interventions will be assigned to students who are chronically absent, including pairing them with New York Edge Success Mentors who provide consistent support and encouragement.

In addition, the school and CBO will leverage community resources to address barriers that prevent regular attendance, such as housing instability, travel hardships, or other family challenges. By integrating wraparound services and maintaining open communication with families, we will create a support system that promotes consistent attendance and student engagement.

Special Populations: Describe how your Community School will work with your partners to ensure students receive differentiated and culturally responsive supports. Describe how your Community School's systems and structures will be optimized to work for all students, including students in

temporary housing, Multilingual Learner/English Language Learner (ML/ELL), and Students with Disabilities.

Our School will work closely with CBO partners to ensure students receive differentiated and culturally responsive supports that reflect their individual needs and experiences. Together, we will collaborate on ideas that integrate students' cultural backgrounds, languages, and identities into instruction, enrichment activities, and family engagement initiatives. Professional development for staff will emphasize culturally responsive practices and equity-driven strategies to ensure inclusivity across all classrooms and programs.

In order to optimize systems and structures for all students, we will establish clear protocols and supports for priority populations, including students in temporary housing, MLLs/ELLs and Students with Disabilities. This includes multilingual communication, individualized learning plans, and wraparound services that address academic, social-emotional, and health needs. Regular data reviews and collaborative planning sessions with CBO partners will allow us to collectively monitor progress, identify gaps, and adjust interventions to ensure equitable access and success for every student.

Expanded Learning Time (ELT)

Describe how your Community School will offer opportunities for enrichment through after-school, weekend, and summer programs, as well as additional instruction, individualized academic support, and enrichment activities that emphasize real-world learning and community problem solving.

Refer to the Multi-Tiered Systems of Support (MTSS) section of the CEP for the ELT program description indicating how the school's ELT program is offered to all eligible students considered to be at-risk of not meeting state standards.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Josh Petraglia
Assistant Principal (Where Applicable)*	N/A
English as a New Language (ENL) Teacher*	N/A
Teacher (if school has a bilingual program must be a bilingual teacher)*	Franshesca Chaterpaul
Parent/Guardian*	Jose Rivera
Teacher	Iris Nunez
EL Consultant	Christine Vitale
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

6

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

2

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

5

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

158

Total number and percentage (%) of current ELLs:

27 Students (17%)

Total number and percentage (%) of former ELLs:

2 Students (1%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

7 (26%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

7 (26%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

6 Student (22%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	MGC	Spanish	2016	1	1	1	1	1	1								6
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

As per Units of Study in CR Part 154, all Entering and Emerging ELLs in the ENL program must receive stand-alone ENL. Students will receive 360 minutes per week, five periods a week by a certified ESOL teacher. Students will be groups by K-1, 2-3, 4-5 grade bands. Students receive integrated and stand alone ENL services

Transition and Expanding level students will be mixed into heterogeneous groups. Transitioning and Expanding students receive 180 minutes of ENL services per week, within the Dual Language classrooms. Students who are ELLs and are not in the dual language program receive their entitled integrated and stand-alone services.

Integrated ENL:

The students that are not being serviced in the Dual Language program will be receiving integrated ENL services by a certified ENL teacher to meet mandated minutes (180 Minutes) and units of study. One common-branch and ESOL certified teacher, will provide integrated ENL in a separate setting during this 2025-26 school year. Students will be in heterogeneous groupings during small group instruction.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

Students in the Dual Language program are in homogeneous groups during independent work and small group time according to their Acadience and class assessment performance. At times, they are in heterogeneous grouping.

Phonics instruction is done in both English and Spanish depending on the language allocation of the day, English or Spanish day. The bilingual certified teacher will be providing the ENL instructional minutes within the DLBE program. In accordance with the CR Part 154, the bilingual teacher can provide stand-alone ENL and integrated services programmed in their schedule. Based on classroom observation, screeners and assessment data, students will be groups in homogeneous or heterogeneous groupings for small group instruction. 1 unit of study, 180 minutes, for all proficiency levels will be integrated during the English Language Arts Period. All students will participate in reading intervention programs (Phonics for Reading or SPIRE) one period of the day. Entering and Transitioning level

students will be receiving stand-alone ENL services by an ESOL certified teacher in addition to the integrated instruction by the bilingual certified teacher in the DLBE program. Emerging students receive 180 minutes of Stand Alone Instruction per week provided by the their Dual Language Teacher.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Scheduling is very crucial. It has to be done in collaboration with other ELL service providers. The ENL teacher collaborates with these service providers such as Speech teacher, OT/PT, AIS teacher, guidance & counseling provider, and SETSS to make sure that schedule is arranged to avoid conflict with ENL class. This is done to ensure that mandated number of minutes per week, are provided. Entering and Emerging ELLs are provided 2 units of study per week (360 minutes) of ENL instruction and 1 unit of study per week (180 minutes) ENL instruction for Transitioning and Expanding English Language Learners (ELLs). Those ELLs who exited out of NYSESLAT are still included in the schedule of services provided as they will continue to be provided with 90 minutes/week of ENL instruction for two years even if they achieve commanding level of proficiency.Programming will be done by the school programmer, Assistant Principal Nunes. Based on the monthly EDUR report we will ensure that all students have been programmed accordingly on ATS and the Bilingual Tracker, for all students in the Dual Language Bilingual Program and ensure their ENL minutes of stand-alone or integrated are accounted for.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

For grades K-3 students in dual language programs are receiving instruction in English Language Arts and Spanish Language Arts (HLA) . Lessons are developed according to grade-level standards. ENL, ELA and HLA are delivered within the Bilingual classroom. Teacher will use sheltered instruction and language supports and scaffolds within the lessons in order to learn the target language through content. The instructional minutes of 180 minutes will be comprised of phonics, reading comprehension and writing instruction.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Self-Contained model is implemented following a roller coaster model. 50% of the week will be allocated to English instruction and the remaining 50% is for Spanish instruction. A switch of language is done during 4th period or after lunch. Week A- Morning instruction is in English, Spanish instruction in the afternoons. Week B- Morning instruction in Spanish and Afternoons in English. Both English proficient students and ELLs are integrated throughout the entire day for all subjects. As much as possible, we will maintain a balance of 50/50 English-Language learners and English-proficient students integrated in the classroom. The ultimate goal is towards biliteracy and bilingualism in both English and Spanish.

b. In which language(s) is each core content area taught?

In the lower grades, core contents are taught in both languages. In the upper grades (3-5) math and social studies and science are taught in English.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

n/a

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

90% - Newcomers
10% - Developing
0% - Long-term

Newcomer intervention heavily focuses on acquisition of Basic Interpersonal Communication Skills (BICS) and basic survival phrases (i.e. Where is the bathroom? My address is... etc.) We translate grade-level material into their home language for extra support. For developing students, the academic interventions focus more on text complexity. Extensive preparation in writing is also done in the ENL setting. We translate grade-level material into their home language for extra support.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0% - SIFE

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0% - Long-term ELLs

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

0.6% - Former ELLs

Former ELLs will receive 90 minutes of integrated ENL for 2 years after testing out and testing accommodations.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

According to our EDAT tool, the largest at-risk indicator is that 90% of the ELL population fall into the Newcomer category.

Another moderate at-risk indicator is that 40% of ELLs are in temporary housing.

These would indicate a need for more targeted support for the aforementioned categories.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

According to our EDAT tool, our former ELL population has the most former ELLs falling into the risk factors of scoring a level 1 or 2 on previous year's state ELA and Math exams. This indicates that a more targeted approach is needed to address the gaps in these subjects.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home language of ELLs with the largest representation at our school is Spanish. Our school has included Spanish speaking staff members to assist with outreach and translations. Our school is also working on translated informational media for parents. The school sends out communication in both English and Spanish and uses Spanish Interpreters for Meetings and Workshops.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

In our schools, our ELLs are comprised of the following racial and ethnic classifications: Hispanic-American Indian/Alaskan Native, Hispanic-Black, Hispanic-Native Hawaiian/Pacific Islander, Hispanic-White, and Non-Hispanic-Black. Our school has developed a CRSE team to support and include our MLs/ELL students in planning and the delivery for the 2025-2026 school year by vertically aligning our curriculum maps for K-5. Our vertically aligned curriculum maps will ensure that our students are being supported and represented through CRSE books, texts, activities, lessons, and unit plans. Our planning is intentional to recognize our students' diversities and to ensure that they are being represented across our content area.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient

progress?

According to the summary of Spring 2024 NYSESLAT and ELP results: 6 students (54.5%) made sufficient progress in English Language Proficiency, while 5 students (45.5%) did not make sufficient growth.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

When looking at the NYSESLAT results, we can clearly see that our students overall strongest modality is speaking, with grade 5 showing a strong grasp on writing according to the 2024 results.

The weakest modality is writing across all grades shown. This aligns with the fact that our largest population of ELLs are newcomes within the 0-3 years of language development.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The general trend found between the NYSESLAT and ELA/Math state exams are that they follow a moderate correlation. Students that performing at lower proficiency levels of reading/writing are also those who perform lower on ELA/Math.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

According to the 2024 NYSELSAT results in EDAT, majority of the ELLs with IEP designations fall within Emerging-Expanding proficiency levels. We believe that the results of this subgroup is impacted by the majority of ELLs being newcomers with 0-3 years of language development.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Following a Roller Coaster model, students will receive instruction in both English and Spanish 50% of the time. Math, English Language Arts and Science will be taught in English. Social Studies and Spanish Language Arts will be taught in Spanish.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The School leadership team includes ENL/Bilingual certified educators to provide their expertise and knowledge of ELL students. The leadership team evaluates the school's vision and mission to include ELL students and emphasize the goal of bilingualism and biliteracy.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

The school's ENL and Dual language program are designed to develop both the social and academic development of ELLs. Basic interpersonal communication and English language skills of ELLs are developed through Cooperative Learning approach either in pair and/or small group. During integrated instruction, the ENL teacher sits and works with the group of ELLs to reinforce the lesson using ENL methodologies. Teachers use articulation forms/congruence sheets to reinforce and align language in both literacy and Math instruction that fosters academic language development to help students meet the demands of the Next Generation Learning Standards. The ENL teacher delivers 100% English in providing differentiated instruction using TPR, hands-on activities and Language Experience Approach- i.e. exposing students to speaking and listening activities during the read alouds and othder language based activities. The ENL teacher uses sheltered instruction- i.e. using English language instruction in teaching the content area topics, making them more comprehensible to students with limited vocabularies. This includes using visuals, demonstrations and collaborative learning activities for the ELLs.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Brighter Choice Community School sets schedules for grade meetings to design lessons that address the needs of ELLs/SWDs. They are provided focused instruction in phonics and small group instruction reading and writing. Aside from the services stipulated in the IEP, a licensed Special Education Teacher provides SETSS to these students. Language drills in oral or written forms, listening activities and test prep lessons are provided. During the Literacy Block, the IEP teacher performs small group instruction with designated ELLs/SWDS and the lowest one-third of the school population while the classroom teacher provides instruction with the regular class. In addition to the 360 or 180 mandated number of minutes provided by the ENL teacher, the SETSS provider provides 60 minute academic instruction twice a week. The program targets these identified ELLs/SWDs and provided instruction in the ICT class according to their IEP.

b. SIFE

The school will utilize ATS reports to determine translation and interpretation needs. Families will be receiving printed flyers in their home language. The bilingual staff in their child's classroom as well as the parent coordinator will inform them of the activities through Class Dojo, GAMA, School Messenger, phone calls, school calendar and emails. The notifications will be translated in the families native language. The school will also make use of the translation and interpretation service contracted by the NYCDOE. An electronic copy of these notifications will be kept on file. Bilingual staff will be available at all events to provide translation to any families in need. Staff will also be trained in the use of Google Translate if a language need arises for a family which can not be covered by our bilingual staff members.

c. Newcomers

Newcomers will receive sheltered instruction through the SIOP method. The SIOP method "consists of instructional strategies that cover eight aspects of lesson design and delivery: lesson preparation, building background, comprehensible input, strategies, interaction, practice and application, lesson delivery, and review and assessment." As students engage in sheltered instruction we will use translanguaging practices in order for students to access their home language and make linguistic transfers to support second language development.

d. Long Term ELLs

Former ELLs will continue to receive instructional support in the classroom from certified bilingual teacher.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

Brighter Choice Community School sets for grade meetings to design lessons that address the needs of ELLs/SWDs They are provided focused instruction in phonics and small group reading and writing. Aside from the services stipulated in the IEP, the school IEP teacher provides SETSS to these students. Language drills in oral or written

forms, listening activities and test prep are also provided. During the Literacy Block, the IEP teacher performs small group instruction with designated ELLs/SWDs and the lowest one-third of the school population while the classroom teacher provides instruction with the regular class. In addition to the 360 or 180 mandated number of minutes provided by the ENL teacher, the SETSS provider provides 60 minute academic instruction twice a week.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

The ENL Program provides a nurturing environment to all ELLs to meet their needs. Home language is assessed with the Spanish LAB (Language Assessment Battery) at the beginning of the year to determine home language proficiency and identify the language needs for instruction. The ENL teacher ensures that the classroom has names of items labeled in English and Spanish. The ELLs are allowed to use their native language with their teachers and peers in both academic and social setting so they could express themselves in their transition to developing English proficiency. Newcomers are supported through class buddies who are proficient in both English and Spanish. ENL classrooms have a bilingual library. ELLs are encouraged to borrow bilingual books to take home to read with the parents. They could access to bilingual dictionary, bilingual books and instructional charts to read and use while they are in the the ENL classroom. Letters and communication sent home are translated in Spanish. In the Dual Language program, home language is formally and informally assessed during instruction and through Estrellita, Arriba Lectura and EnVisions program assessments.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Dual Language Bilingual Education teacher partnerships will be strengthened through common planning time and continuous professional development.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

To meet the required professional development of teachers as per CR Part 154.1 a nd 154.2 adopted regulation, school provides professional development to all teachers and administrators that specifically addresses the needs of English Language Learners. Teachers are given the opportunity to attend PDs provided by the Office of Multilingual Language Learners. BCCS also provides school-based PDs that address the Next Generation Learning Standards, Curriculum, Danielson's Framework, data-driven instruction and best practices. The school ensures that 15% of PD hours are provided to classroom teachers and 50% for Bilingual Education and ENL teachers receive PD hours that are specific to the needs of ELLs, co-teaching strategies, and integrating language and content instruction for ELLs.

To further enhance effective instruction, the DL and ENL teachers share with classroom teachers various ENL instructional and scaffolding strategies learned in their PDs.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

In order for teachers to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification as per CR Part 154, Brighter Choice ENL and Dual Language teachers will attend New York R-Bern at Fordham University series Workshops that are specifically tailored for Bilingual Education programs. There will be professional development series aimed on instruction practices provided by Bilingual/TESOL Education coaches from Brooklyn North Borough Support Office.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Acadience, Acadience Progress Monitoring, iReady Reading, iReady Math, Into Reading weekly and unit assessments, Envision assessments.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

The ENL Program provides a nurturing environment to all ELLs to meet their needs. Home language is assessed with the SpanishLAB (Language Assessment Battery) at the beginning of the year to determine home language proficiency and identify the language needs for instruction. The ENL teacher ensures that the classroom has names of items labeled in both English and Spanish. The ELLs are allowed to use their native language with teachers and peers in both academic and social settings o they could express themselves in their transition to developing English proficiency. Newcomers are supported through class buddies who are proficient in both English and Spanish. ENL classrooms have bilingual libraries. ELLs are encouraged to borrow bilingual books to take home to read with their parents. Students have access to bilingual dictionaries, bilingual books and instructional charts to read and use while they are in the the English Language Arts classroom. Letters and communication sent home are translated in Spanish.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

The school analyzes Data (Acadience, Iready, Edmentum, etc.) to inform grouping and interventions. For example, ELLs in need of Tier 3 supports receive targeted instruction in either Phonics For Reading, SPIRE or Sounds Sensible.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Throughout the school year, Brighter Choice Community School (BCCS) uses different types of assessments from K-5. Classroom teachers assess student learning using the following: ELA/Math end-of-unit assessments, classroom monitoring, student work samples, checklists, etc. Students are also assessed 3 times per year in Acadience, IReady and Edmentum. Teachers progress monitor student learning in Acadience. For beginning ELLs, the NYSITELL is used to determine the English proficiency level that will drive the teacher's language instruction.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Knowing that a child speaks a language other than English based on the HLIS form, he/she will be appropriately evaluated in the native language. Newly admitted ELLs who speak Spanish are tested with New York State Identification Test for English Language learners (NYSITELL) and Spanish LAB.

Those ELLs in the testing grades who are in the system for a year and will take the statewide tests are provided with test materials in their native language for Math, Science and Social Studies tests. The school sets aside funds to pay for an eligible bilingual individual who does the translation if necessary and orders/purchases materials that are in students' native languages.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Towards the end of the school year all ELLs take the New York State English as a Second Language Achievement Test (NYSESLAT) to measure their progress and determine their level of English proficiency in all the modalities of speaking, listening, reading and writing. They also take the NY State ELA, Math and Science test that will determine their literacy, science and math performance levels. The classroom teachers use both ELA and Math Data to determine what skills the students need support in and to inform instructional decisions for the following year.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

The MLL Coordinator will administer all sessions of the NYSESLAT for students K-5. The students will be grouped by grade band and the Bilingual teachers will administer the Speaking portion of the exam to a different grade. Scoring will be done by the Dual Language teacher team in grades K-5. All ELLs and Former ELLs will continue to receive their mandated services during this testing time by their classroom teacher.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

A bilingual glossary will be provided for state exams, and eligible students will be given the option to take the Math or Ccience exam in their preferred language (either their home language or English). For students with an IEP, their testing accommodations will be adhered to, in accordance with their IEP.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

As per CR Part 154, ELL families will be provided with an ELL Program Orientation to inform parents/guardians of newly identified ELLs and program goals and requirements of the different MLL Program models available in the district: English as a New Language and Dual Language Bilingual Education. This orientation will inform the families of the programming available at the school-level and will inform families of the Next Generation Learning Standards, assessments and school expectations.

The MLL coordinator conducts the ELL program orientation in the beginning of the school year and throughout the year for newly identified ELLs. Families will have the option of in-person or virtual orientations. Attendance will be taken and tracked. Translations and/or interpretations are provided by a staff member or outside vendor. Parents/guardians of newly identified ELLs are informed of the three ELL program options, including the program goals and requirements. Parents will be shown videos from NY State Website during the orientation.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

An annual individual meeting will be held with families of ELL Studentsc by the Bilingual Teacher or ENL teacher to discuss the student's language development progress, and language development across the content areas. The teacher will inform the parent/guardian of their child's strengths, areas of growth and goals for the upcoming school year. The MLL coordinator conducts the ELL program orientation in the beginning of the school year and throughout the year for newly identified ELLs. Families will have the option of in-person or virtual orientations. Attendance will be taken and tracked. Translations and/or interpretations are provided by a staff member or outside vendor. Parents/guardians of newly identified ELLs are informed of the three ELL program options, including the program goals and requirements. Parents will be shown videos from NY State Website during the orientation. An annual meeting will be conducted by the Bilingual classroom teacher and they will keep records of this meeting in the student data folders. Parents receive invitations to these meetings. Agendas are used to guide the meetings with families.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Families receive all school communications and documents via school communication platforms. All communication is translated in the families' native language. School Platforms allow parents to communicate via messenger with staff as well. Information is translated for both the parent/guardian and staff. Our school provides in-person, virtual, and/or over-the-phone interpretations for languages other than English. Identified staff of Languages other than English will help with interpretations. In addition, the school uses Over-the-Phone Interpretation Services.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

As a community school, MLs/ELLs families are welcome to use the laundry services and pantry at no cost. Throughout the school year, there will be socialization activities along with informational workshops around important and relevant topics. A survey will be given to families to determine the topics that will be covered during the family workshops. Both social and informative activities will center around topics such as schooling, instruction, and services provided by community networks and community-based organizations. These activities will foster a sense of empowerment for MLL families as they receive information that is current, relevant and informative.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Ensuring family voice is greatly important at Brighter Choice. During registration, all parents will have the opportunity to meet with the parent coordinator and other school officials. Families will also receive correspondence to join the various leadership opportunities such as the Parent/Teacher Association, School Leadership Team and Community Education Council. Information about opportunities for volunteering, voting and joining teams are translated in the parents' native language.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

The school has a partnership with New York Edge as part of their Community Schools designation. Through New York Edge we are able to provide families with a range of supports and experiences such as workshops, social events, and student performances. As part of the School's Hispanic Heritage Month Celebration, parents were afforded opportunities to engage in classrooms in cultural based activities and celebrations. Through our partnership with Lindo Productions, students performed for families in a Bilingual Play. Through other partnerships, Dual Language Classes and families have attended bilingual plays at Teatro SEA (A Latino Children's Theater in New York City).

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The titles of the members of our ELL identification team are as follows:

Principal
Teacher
Parent/Guardian
ENL Consult

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs). Enrollment status of each newly admitted student is determined. If a student has been in NYS public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and proficiency level. If a student has been outside of NYS public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry. The home language of the student is determined by a trained and licensed pedagogue. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service. An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.

Eligibility for the NYSITELL is determined. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the

superintendent. Student is administered the NYSITELL, if eligible. Parent notification letters are sent to the parent in the parent's preferred language. Parents are notified of their child's ELL status and results of the NYSITELL. If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish LAB. Student with interrupted/inconsistent formal education (SIFE) status is determined using New York State's resources available on NYSED's website:
http://www.nysed.gov/bilingual-ed/schools/students-interruptedinconsistent-formal-education-sife .

If a student is an ELL, the parent is invited to the parent orientation meeting. The parent orientation meeting provides parents with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting. The student is placed in the ELL program that the parent selected. If the ELL program that the parent selected is not available, the parent is offered a transfer to a school with that program in accordance with DOE transfer policies. If the ELL remains in the school, the ELL is placed in English as a new language and our school keeps track of parent choice so that when minimum thresholds are met, we can open the ELL program of choice. Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).

If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months. Copies of letters and parent notifications regarding ELL identification are kept in the students' cumulative files

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Josh Petraglia

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Franshesca	Chaterpaul	Teacher - Bilingual		Y
Iris	Nunez	Teacher - Regular Grades - ESL	12/05/2024	Y
Deittra	Wilder	Parent Coordinator - Annual		Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	1	0.38%	1	0.38%	0	0
FRENCH	2	0.77%	2	0.77%	1	1
ENGLISH	225	86.21%	224	85.82%	5	5
SPANISH	33	12.64%	33	12.64%	5	5
(AMERICAN) SIGN LANGUAGE	0	0.00%	1	0.38%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Report Card	DOE translated versions; Office of Language Access
School Conduct Policy	DOE translated versions; Office of Language Access
All Teacher/School Related Documents	Google translate, Class Dojo, Parents Square, translations of documents provided by Office of Language Access
IEPs	Office of Language Access

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

Kindergarten Orientation	Canvas HLIS to determine language needs of parents, secure staff members for interpretation, translated video via Flip Grid and verbal translations using PocketTalks/ Google Translate
Back-To-School Night	Canvas bilingual staff, language line, Pocket Talk and Google Translate
IEP Meeting	Canvas bilingual staff, language line, Pocket Talk and Google Translate
Parent-Teacher Conference	Canvas bilingual staff, language line, Pocket Talk and Google Translate
ENL Parent Meetings	Canvas bilingual staff, language line, Pocket Talk, and Google Translate
Parent Workshops	Canvas bilingual staff, language line, Pocket Talk and Google Translate

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the event of a school emergency, the following procedures will be implemented to ensure clear communication with all families:

Communication Platforms
1. Calls will be made using the contact details listed on students' emergency blue cards.
2. The school utilizes School Messenger (GAMA) and Class Dojo to send alerts and updates.
3.Messenger services automatically translate robo-calls into four high-incidence languages.
4. Class Dojo provides real-time translation for messages and school event notifications.

Oral Interpretation
1, All faculty have been trained to use the Language Line for over-the-phone interpretation when immediate oral translation is required.
2. For student-specific incidents, staff will first attempt to use bilingual personnel; if unavailable, the Language Line will be used.

Parent-Initiated Communication

In an emergency, parents may contact the school by:

1. Sending a message via Class Dojo, which will automatically translate their message.
2. Calling the school and requesting translation. A trained staff member will then use the Language Line or a school based interpreter to ensure accurate communication.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

At the start of each school year, the ENL Department, in collaboration with LAC Coordinators, will present Chancellor's Regulation A-663 and share all available resources for translation and interpretation during a staff meeting. This session will include information on how to address any questions about how to access and utilize these resources effectively.

Additionally, the school will allocate time during professional learning sessions for staff to complete the required NYCPS Language Access Training for School-Based Staff asynchronously via the WeLearnNYC platform.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

In accordance with Chancellor's Regulations, every family is asked to provide their written and oral language preference upon enrollment. This information is recorded on the student's emergency blue card and in ATS. If interpretation services are needed, the school will make every effort to provide the requested language using all available channels.

ENL teachers and the Parent Coordinator collaborate with the Pupil Accounting Secretary to monitor translation and interpretation needs through ATS reports and blue card data. The school is committed to determining families' needs for these services within 30 days of enrollment.

Families have the right to receive critical information regarding their child's education, including matters of health, safety, discipline, and eligibility for Special Education, ELL, or other academic programs in a language they understand. To support this, ENL teachers and the Parent Coordinator will attend periodic DOE trainings on translation and interpretation services.

Parents whose primary language is not English will receive notifications of their rights and instructions on how to access translation and interpretation services in the appropriate covered languages.
The school will:

Post signage in all covered languages at the Main Entrance indicating where written notifications can be obtained.
Provide language ID cards at the Security Desk and in the main office.
Inform parents about the DOE website detailing their rights and how to access services.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

To gather feedback from parents on the quality and availability of language access services, we use the NYC School Survey, which includes questions about communication with school staff, administration, etc. In response to parent concerns, we have implemented virtual platforms across all grades to ensure translations are readily available. We also submit translation requests promptly so that families receive all handouts in their preferred language. Additionally, we will create parent surveys to collect more targeted feedback. These surveys will help us identify areas for improvement and determine how we can further support our families.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

After reviewing feedback from both parents and staff, we have identified that parents have a greater need for oral translation rather than written materials. In response, our Language Access Team will create a series of instructional videos in the languages most needed at our school and upload them to Platforms (Ex - Website, Google Classroom, etc.). We believe this will help parents feel more connected to our school community and better supported in accessing important information.
