Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Andre Barrett	Principal or Designee*	
Iris Droz	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Jasmine Cortez	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
Deborah Lerotholi	District Council 37 (DC 37) Representative (staff), if applicable	
Latchmin Hardial	Title I Parent Advisory Council Chairperson (or alternate)	
N/A	Student Representative (Required for middle and high schools)	
N/A	Student Representative (Required for middle and high schools)	
N/A	CBO Representative, if applicable	
Ana Popoteur	Member/Parent	
Latchmin Singh	Member/Parent	
Carmen Castillo	Member/Teacher	
Ana Perez-Trigueno	Member/Teacher	
Lauren Jimenez	Member/Teacher	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

"At P.S. 7, Home of the Mighty Eagles, our mission is to ensure every student achieves grade-level proficiency in reading, writing, and mathematics. We accomplish this by fostering a safe and nurturing environment where students feel socially and emotionally secure. Our dedicated staff discover and build upon student strengths, crafting individualized learning plans and deploying skilled instruction that empowers students to engage in challenging academic discourse, ask thoughtful questions, and support their ideas with evidence. We champion student voice and diverse talents through creative expression and the performing arts, ensuring every Eagle is kind, brave, and extraordinary."

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

At P.S. 7, we foster a diverse and inclusive learning community where students from various cultural backgrounds work together to enhance their learning experience. Our Spanish Dual Language program equips students with bilingualism, which has been shown to increase cognitive ability, academic achievement, and multicultural appreciation.

Our school motto, "Be Kind, Be Brave, Be Extraordinary!" is embodied by our mascot, Elliot the Eagle, who represents strength, power, pride, and the ability to soar to great heights. Our Positive Behavioral Interventions and Supports (PBIS) program is built around this motto, with social and behavior supports in place to improve outcomes for all students.

Aligned with NYS Next Generation Standards, our rigorous curriculum includes Eureka Squared Math, Wit and Wisdom ELA, Amplify Science, as well as our digital platform Edmentum, which we use to meet students where they are and create individual pathways to help with their development. We integrate visual arts into our ELA program, and through grants, we offer additional music and dance classes.

Collaboration between schools and the community is crucial to our students' success. That's why we partner with organizations like Cypress Hills Local Development Corporation, Midori & Friends, READ Alliance, and the American Debate League, The YMCA, The Black Knights Chess program to provide after-school programs, chess, swimming, the arts, summer camps, college tours, martial arts, step, and early literacy initiatives.

At P.S. 7, we are committed to providing an equitable, quality education for all our scholars.

Briefly summarize the key initiatives your school will implement this school year.

Some of the key initiatives that we will be implementing in the school this year:
1. We will be introducing the UFT Teacher Center position to our school community this year. We hope that the staff member that fills the position will be providing critical support and resources for our teachers and support staff in the areas of literacy and other instructional components. It will help continue the growth we have achieved this past year in both our reading and math outcomes for our students.
2. We will also be introducing the AIS coordinator position to our school community this year. We hope to continue to build on our supports for our students in Tier 2 and 3 groups with a staff member that will be dedicated to oversee that work and support classroom teachers with their small groups.
3. Starting our Eagle Dance Team from the beginning of the year. We will be establishing Eagle dance from the beginning of the year so that we will be ready to put on performances throughout the year.
4. This year we will be starting our Eagle Theater Company. The plan is to put on a live play by the end of the year for students by students.
5. Starting the Eagle Reads Initiative. Re-establishing independent reading during our instructional day by encouraging students to read books on their grade level with intentionality. Phase I.
6. We have also purchased Eureka Squared which we hope will help us improve student understanding of mathematic core principles through the introduction of manipulatives and a slightly different approach to math instruction than the original Eureka program.
7. The re-introduction of the Math Coach position. The position is necessary to provide teachers with targeted small group supports in the classroom.
8. In continuing with our College and Careers initiatives, partnering with Empowering Youth Towards Excellence Inc, to scheduling college visits for our students in the upper grades as well as their families. EYTE will also be providing workshops throughout the year to families to educate them on the college process as well as providing resources around the college experience.
9. We will be incorporating SPIRE, Heggerty, Phonics for Reading, GEODES, Words their Way to provide targeted support to help move our Tier 2 & 3 students.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	Wit & Wisdom	
Math	K-5	Eureka Squared Math	
ELA	K-3	Fundations	
ELA & MATH	K - 5	EDMENTUM	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
In 2024-2025 NYS ELA TEST GR 3 students scored 55% of the possible points, GR 4 students scored 47% of the possible points, and GR 5 students scored 59% of the possible points on standard R2. Current student population score 54% of the possible points. SPRING 2025 ELA MAP: 37% of GR3, 36% of GR 4; 35% of GR 5 scored 41% or higher on the 2024-25 NWEA MAP Assessment	Curriculum tasks do not provide the opportunity for all students to grapple with the work and productively struggle.	Teachers will need to explicitly model with gradual release of targeted scaffolds.
In 2024-2025 NYS ELA TEST GR 3 students scored 55% of the possible points, GR 4	Lack of additional MTSS support and	Students were unable to use text specific evidence to support a claim in writing a

students scored 47% of the possible points, and GR 5 students scored 59% of the possible points on standard R2. Current student population score 54% of the possible points. SPRING 2025 ELA MAP: 37% of GR3, 36% of GR 4; 35% of GR 5 scored 41% or higher on the 2024-25 NWEA MAP Assessment	staff services	constructed response. Difficulty decoding words Spending too much mental energy decoding words to comprehend what they are reading Difficulty in retelling what was read in a meaningful and sequential manner Difficulty distinguishing between significant information and minor or irrelevant details.
2024-25 Acadience Data-Tier 3 : 57% of K-2 students scored below 40% 57% of Kindergarten students scored 40% or below. 59% of First Grade students scored 40% or below. 56% of Second Grade students scored 40% or below. 68% of Third Grade students scored 40% or below.	Gaps in implementation & pacing of FUNdations with consistency across grades K-3. Some inconsistency in remediation & reteach for students who did not meet 80% mastery at each benchmark.	K-3 made incremental progress but not overall progress

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	20	By June, 2026, literacy for All Students will improve, as measured by a 6% Increase, from 44 to 50 percent of students meeting state standards or scoring above state standards on the NYS ELA exam results on the NYS ELA.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

MAP READING Assessment Grades 3-5

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Unpack standard R2 in instruction and provide strategic professional development on how to explicitly instruct students to identify the theme or central idea of text and explain how it is supported by key details.
Key strategies:
* Explicit instruction
* Providing scaffolding
* Establish an environment where students are encouraged to read and constantly challenged through more difficult yet individually targeted texts. * Ensure that all teachers are developing rigorous writing tasks that emphasize the ability to identify evidence and details that supports the main idea or concept.

Root Cause Addressed:

Students need more time to grapple with the work.

Lack of additional MTSS support and staff services.

Gaps in implementation & pacing of Fundations with consistency across grades K -2. Some inconsistency in remediation & reteach for students who did not meet 80% mastery at each benchmark.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
K-5 Staff will engage in monthly professional development opportunities that focus on unpacking standard R2 and providing explicit instruction, high leverage practices; metacognition and modeling, with actionable feedback to all

students to achieve grade level standard mastery (alignment to productive struggle framework)
Standard based texts being utilized during skill periods. In class, students will engage in (W.I.N.) small group research based (Just Words, Sound Sensible, S.P.I.R.E, etc..) instruction, provided by classroom teacher with AIS/MTSS support teacher and blended literacy via Edmentum that will target their specific needs while grappling with complex texts in alignment to standard R2. Data will be progress monitored weekly via the digital platforms by teachers (administration over see) so they may intervene where students are struggling.
Utilizing technology platform (Edmentum) to drill down information standards.
Utilizing Heggerty (K-2) and Fundations (K-3), and WIN (K-5) to customize based on data.
Using Standards Mastery Assignments to Progress Monitor.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Professional development plan will be updated weekly to include cycles of learning aligned to the R2 standard development that include surveys from feedback, data from walkthroughs, Advance observations and coach logs for actionable in class next steps. Google classroom to house curriculum maps and pacing calendars that administration will progress monitor when assessments take place in order to collect the student work generated that will identify the impact of instruction in order to make strategic leadership moves. Data protocol templates will be collected after each teacher team to identify trends and patterns in practice that are leading towards standards

mastery. Data Tracker for each class will hold all in-class core assessments (summative/formative), district Study Island , MAP, and Acadience data to monitor student achievement and tier subgroups to provide additional support and enrichment.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/22/2025	09/22/2025	Open House/Meet the Teacher	All Classroom and Cluster Teachers; Parent Coordinator; Literacy Coach (K-5) AIS Coordinator
09/01/2025	06/26/2026	Provide at least one workshop (in person or virtually) per month for families to empower them on how to support their children in Standard R2 development. Workshops will be provided by the literacy coach, parent coordinator, AIS Coordinator, SETTS providers. They will share their knowledge of how to support all learners (SWD, ELL, and Level 1,2,3, and 4's)	Administration, Literacy Coaches (K-2 and 3-5), Teachers in Grades K-5, AIS Coordinator, SETTS providers, Parent Coordinator

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, K-5 Literacy Coach, Special Education AIS Coordinator, SETTS provider,ENL providers, Teachers, Paraprofessionals

Instructional Resources

Wit and Wisdom Curriculum, Small Group Literacy Instruction, FUNdations, Edmentum, SOR programs (Phonics of Reading, Spire, Sound Sensible, Just Words)

Schedule Adjustments

30 minutes for FUNdations; 30-45 minutes of small group push in/pull out literacy/phonics instruction; 90 minutes of core curriculum, Independent reading time

Other Resources Needed

Title 1 Funding, Title 3 Funding, Fair Student Funding, Contract for Excellence Funding

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
We recorded a total of 18 (level 2 infractions) 11 (Level 3 infractions) and 11 (Level 4) infractions as per our 2024-2025 OORS data. Hourly OORS infractions occurring the most (19) during the 5th and 6th lunch periods.	We have not maintained fidelity to our SEL program (Harmony) due to lack of scheduling opportunities for PD. Teachers were unable to execute lessons that would target getting to know each other and implement conflict resolution skills/techniques. Students are also in need of additional coping skills they can engage in when facing conflict.	Reduce the number of elevated infractions on OORS (levels 2 ,3 and 4)

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	40	By June, 2026, physical and mental wellness for All Students will improve, as measured by a decrease by 6% Decrease, in number of Level 2-4 incidents from 40 to 34, per the Online Occurrence Reporting System (OORS) reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Continue to meet with the PBIS team in September to roll out our PBIS kick off in September.

Begin Implementation of Harmony SEL program in classrooms that will provide students with de-escalation techniques they cam use throughout the day.

Progress monitoring students that achieve incentive benchmarks as part of PBIS plan.

Creating monthly art/beautification projects for students to engage 3 times a year that align to SEL.

PBIS parent workshops will be held 3 times a year . Workshops will be coordinated by our Parent Coordinator, Guidance Counselor, Dean, Social Worker and School Psychologist.

Root Cause Addressed:

We did not fully implement our SEL program this year due to a lack of PD opportunities for our staff. Some teachers began to implement the program with limited time and resources allotted. Daily schedule did not provide enough time for teachers to lead 15 minute lessons/activities as designated in teacher's manuals.

PBIS incentives were earned by students but teacher buy in was not 100% as teachers did not provide students with class rewards in a timely manner.

More time was needed to meet and plan with PBIS team so that effective and timely communication can be given such as shout outs, newsletters, EAGLE MEDIA SQUAD announcements, rtc.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action

steps will be introduced and rolled out.

Action Steps
Continue to provide Tier 1 De-escalation strategies PD with DOE Crisis Mobile Partners, which will strengthen our TIER 1 plan that includes PBIS. **This PD wil be provided 3 times a year as indicated on our Year long PD plan (Fall, Winter and Spring). Monday PD will be utilized. Our Guidance Counselor will also provide in classroom coaching for teachers who based on incidents reports require additional support.
In September our PBIS team will kick off with our PBIS incentives during grade wide assemblies with students/teachers. Our Kick off celebration will be conducted by our PBIS team/DEAN . Emphasis will be placed on creating a positive school climate and providing additional supports and interventions for students at risk.
We will continue to use our progress monitoring spreadsheet to track and shout out classes when they meet the benchmark. Teachers and staff will easily recognize positive behaviors by distributing points. Classroom celebrations will occur throughout the year to celebrate positive behavior.
All school aides will engage in de-escalation training with the Guidance Counselor. Focus will be given on how to engage with students using restorative practices to be implemented during the lunch periods.
Teachers can begin to use SEL strategies found in Harmony Program throughout the day in both classrooms and prep periods to build a culture of community.
Review OORS data at monthly safety team meetings.
Begin a PARENT ACADEMY INSTITUTE where there will be designated open office hours where parents can come and discuss parenting issues they are having at home. This initiative will be led by our Parent Coordinator, Guidance Counselor, Social Worker, SWD staff, and School Psychologist. Dean will support this initiative. All meetings will be translated and parents can have an open forum space to discuss issues, gain resources, role play scenarios and learn from each other positive restorative strategies.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will monitor our OORS data monthly during safety team meetings to track the number of incidents occurring and make informed decisions (based on data) to plan next steps.

PBIS team will create teacher/student surveys to assess students beliefs on self regulation, school mindset and learning strategies that will result in a decrease in infractions levels 2-4 on OORS.

Google classroom to house PBIS tracking sheets, survey results, PBIS celebrations, etc.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/12/2025	09/12/2025	During Meet the Teacher Night Admin/PBIS team will review PBIS plan with families.	Parents/PBIS team/Staff
10/10/2025	06/01/2026	Parent Open HOURS will be held every month for parents to come in and discuss parenting issues they may be having. This meeting will be coordinated by our Guidance counselor, Parent Coordinator, School Psychologist, Social Worker.	Parent Coordinator, Admin team, Dean, Guidance Counselor, School Psychologist

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers, paras, school aides, SEL Harmony Consultants, PBIS team, Guidance Counselor, Parent Coordinator, Dean, Social Worker, School Psychologist

Instructional Resources

Harmony Program, surveys, resources on Google Classroom, PBIS plan, PBIS APP

Schedule Adjustments

Dean and Guidance Counselor available during lunch periods, PBIS incentives scheduled during the instructional day, SEL instruction daily, parent workshops scheduled after morning drop off.

Other Resources Needed

n/a

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Using MAP data from Spring 2024-2025, only 44% of students in grades 3-5 scored proficient in Number & Operations, which focuses on understanding and working with numbers, including place value, fractions, decimals, and operations (addition, subtraction, multiplication, division).	Need to build concrete and conceptual understanding utilizing CRA (Concrete-Representational-Abstract) framework. By using concrete materials and visual representations before introducing abstract algorithms, teachers can help students develop a deeper and more meaningful understanding of fractions and their operations, which in turn leads to greater success in upper elementary mathematics.	Build conceptual understanding of Numbers and Operations, specifically fractions while strengthening practices in

		using the CRA framework.
Using MAP data from Spring 2024-2025, only 44% of students in grades 3-5 scored proficient in Number & Operations, which focuses on understanding and working with numbers, including place value, fractions, decimals, and operations (addition, subtraction, multiplication, division). K-2 MAP Spring 2025 data 45% of students tested in Tier 3 (below 20%)	Lack of additional MTSS support and staff services.	K-2 made incremental progress but not overall progress.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	43	<School Name> will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students scoring Level 3 & 4 will Increase by 6% from 43 to 49%, for All Students, as measured by NYS Math Assessment results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Unpack standard NF in instruction and provide strategic professional development on how to utilize the CRA framework and identify within Eureka Math Squared lessons.
Key strategies:
Concrete-Representational:
Representing fractions with manipulatives to support visualizing abstract concepts;
Developing Part-Whole Relationships;
Addressing Misconceptions;
Understanding Equivalent Fractions;
Developing Number Sense
Transitioning to Abstract:
Pictorial Representations;
Symbolic Notation

Professional Development Plan for Teachers (Grades 3–5)
Phase 1: Building Content Knowledge
-Workshop: “Deep Dive into NGLS for Fractions and Decimals”
-Analyze progression across grades.
-Unpack standards and common misconceptions.
-Collaborative Study: Use resources like Teaching Student-Centered Mathematics or NCTM resources.

Root Cause Addressed:

Math WIN period in grades 3-5 alternated bi monthly and did not provide ample time for students to work in small groups.

Students worked, in preparing for the NYS Math Test, in the abstract, focusing on formulas, when a foundation of

concrete math is/was needed.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
During PL do a deep dive into a lesson using the lesson study protocol to see where concrete learning is evident. Teachers can highlight sections in the lesson plan and if there are no concrete learning opportunities with supplement with possible scaffolds and supports (manipulative and visuals).
Specific time will be given, once a week, to utilize CGI problem solving, which will focus on work with fractions in word problems.
During PL's, do Make-and Takes in order to create anchor charts that will support student learning and align with Next Gen Standards.
Create a resource folder (Google Drive) for each grade to house exemplars, representations, and CGI problems.
Identify students' misconceptions and gaps in understanding by utilizing diagnostic assessments, such as exit ticket, mid module assessments, study island tests. Focus: Conceptual understanding (e.g., part-whole relationship, equivalence) and procedural skills (e.g., converting decimals/fractions).
Targeted Small Group Instruction during WIN Period -Group students by specific needs (e.g., equivalence, operations, decimal-place value). -Instructional Practices: Use of number lines, visual models (area models, tape diagrams). Hands-on manipulatives (fraction circles, base-10 blocks). Explicit vocabulary instruction. Example Student Work:
. Formative Assessments & Feedback Loops - Bi-weekly check-ins with standards mastery assignments and conferencing. - Use rubrics focused on NGLS-aligned skills and student reasoning. - Encourage student self-assessment and goal setting using Edmentum goal setting resources
Pedagogy & Practices - Coaching Cycles: Model lessons, co-teaching, and observations. Focus Topics: -Math talk routines & questioning strategies. -Using manipulatives and visual models effectively. -CGI protocols with job embedded feedback
Data-Driven Instruction During PL Meetings focus on: -Reviewing student work. -Discussing intervention strategies. -Modify pacing/instruction based on data. - Creating Google Folder Shared Resources: Anchor charts, exemplar student work, mini-assessment banks.
Staff will engage in Eureka Math Squared Webinars for ongoing learning and professional development.
Math Staff Developer will attend District Math Lead meetings and turnkey information and best practices as well as attending UFT Teacher Center PLC's.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Professional development plan will be updated weekly to include cycles of learning aligned to the OA standard development that include surveys from feedback, data from walkthroughs,

Advance observations and coach logs for actionable in class next steps. Google classroom to house curriculum maps and pacing calendars that administration will progress monitor when assessments take place in order to collect the student work generated that will identify the impact of instruction in order to make strategic leadership moves.

Data protocol templates will be collected after each teacher team to identify trends and patterns in practice that are leading towards standards mastery.

Data Tracker for each class will hold all in-class core assessments (summative/formative), district Study Island, , and MAP to monitor student achievement and tier subgroups to provide additional support/enrichment.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	05/18/2026	Ongoing parent workshops for key understandings and learnings of the upcoming modules	
09/15/2025	05/18/2026	Module Parent Newsletters from Eureka Math Squared and Partner Practice sheets to go home daily to review concepts taught	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, Math Coach, teachers, SETTS provider, ENL providers, paras

Instructional Resources

Eureka Squared, Edmentum

Schedule Adjustments

40 minutes weekly for Edmentum, 90 minute math block (30 minutes within for WIN)

Other Resources Needed

n/a

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
5% of families with students in Kindergarten last year opened up a college saving account - 2024 - 25 - ATS	There were not enough informational opportunities provided to families to give them a better understanding of what the college saving opportunity would mean to their children.	Families are not financially planning for college

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	5%	<School Name> will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the percentage of active NYC RISE college savings accounts for All Students will Increase by 7% from 5% to 12% as measured by STARS.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

MEET WITH FAMILIES TO INFORM THEM ABOUT COLLEGE SAVINGS ACCOUNT
PARTNER WITH KEY VENDORS TO MOBILIZE VISITS AND PROVIDE INFORMATION ABOUT COLLEGES AND FINANCIAL SERVICES
PARTNER WITH DISTRICT H.S. PRINCIPALS TO PROVIDE FAMILIES WITH INFORMATION ABOUT PIPELINE H.S. TO COLLEGE INFORMATIONALS FOR FAMILIES.
SCHEDULE COLLEGE VISITS FOR SENIORS AND THEIR FAMILIES

Root Cause Addressed:

STUDENTS need ACCESS AND EXPOSURE TO COLLEGE
FAMILIES need to be BETTER INFORMED

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
INFORMATIONAL ABOUT THE COLLEGE SAVINGS PLAN WILL BE HELD IN FEBRUARY 2026, AND APRIL 2026.
COLLEGE VISITS AND INFORMATIONALS WILL BE HELD THREE TIMES DURING THE YEAR FOR OUR 5TH GRADERS AND THEIR FAMILIES.
IN THE SPRING OF 2026, WE WILL HAVE OUR COLLEGE HOMECOMING WEEK CELEBRATING COLLEGES THROUGHOUT OUR BUILDING AND BRINGING COLLEGE STUDENTS TO SPEAK TO STUDENTS AND FAMILIES. WE WILL KICKOFF WITH A STROLL EXHIBITION CELEBRATING GREEK LETTER ORGANIZATIONS OF COLOR

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will collect attendance forms of the meetings and attendance to the college trips. We will be taking pictures and videos of our events through our Eagle Media Team and interviews from our Eagle Media podcast.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/22/2025	06/15/2026	College Savings informational	Parent Coordinator / Chase Bank/CARE
11/17/2025	06/15/2026	College Visits (3)	CARE/ SCHOOL STAFF
11/17/2026	03/16/2026	College Workshop for Parents Informational (2)	CARE/ SCHOOL STAFF
10/27/2025	10/31/2025	College Homecoming Week	Parent Coordinator/School Staff/Phi Beta Sigma/EYTE/

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent coordinator, teachers, CARE staff members, Phi Beta Sigma, District Staff, Chase Bank Staff

Instructional Resources

Bank Savings for college information

Schedule Adjustments

included in events calendar the dates of meeting and college visits, College Homecoming Week and our Greek Stepshow in the Fall.

Other Resources Needed

N/A

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey (2024-2025: Family	-Lack of access to instructional resources and at home strategies for supporting academic skills in literacy and math. -Insufficient staff training	Deepen and expand parent

response rate dropped from 97% to 95%, reflecting a 2% decline.	on how to support family-teacher collaboration through home learning. - Work schedules barriers preventing working parents/caregivers from participating in traditional family engagements events.	capacity-building efforts to support learning at home.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	95 %	PS 007 Abraham Lincoln Elementary School will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the Percentage of families who feel confident in supporting their child's learning at home (as measure by parents responses to "I know how to support my child's learning outside of school" on the NYC School Survey will Increase by 3% from 95 % to 98% as measured by 2026 NYC School Survey, workshop attendance logs, exit tickets, parent feedback forms/surveys.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

1. Launch Multilingual "Family Learning Series" to model at home literacy/math strategies.

2. Build teacher capacity to co-plan home learning activities with all parents (especially for ELLs)

3. Implement a family liaison team, including bilingual staff, to increase trust and access.

Root Cause Addressed:

. Inaccessible workshop structures

. Language barriers

.Staff- family disconnect on instructional support

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Develop and launch monthly Family Learning Series in English and Spanish by September/October 2025 (Parent coordinator, Admin, Teachers)
Design and distribute bilingual home learning toolkits (math games, sight word cards) by October-November 2025 (Teachers, ELL coordinator)

Recruit/appoint Family Engagement Ambassadors from within the school community by September/October 2025 (Principal, Parent Coordinator)
Collect feedback after each workshop to iterate and improve formats (Ongoing) Family Team, Parent Coordinator, AP

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

. Monthly tracking of family attendance/ participation in events

.Surveys and exit slips from workshop sessions

.Family engagement reflections (triangulated by staff observations and parent voice)

.Ongoing equity team review

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/11/2025	05/23/2026	Host "Saturday Strategy Sessions" for working families (in person and Zoom hybrid options)	School Staff
10/06/2025	05/18/2026	Partner with local public library/ School library and CBOs to host literacy nights	School Staff, Librarian, CBOs
11/03/2025	06/18/2026	Implement a quarterly Family Cafe where parents co-design learning supports	School staff

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator, Bilingual Teachers, Community Liaisons

Instructional Resources

Bilingual Home Learning Toolkits, Digital Family Portal, Take home Books

Schedule Adjustments

Evening and weekend sessions

Other Resources Needed

Title I Parent Involvement Funds, potential grant from NYC Family and Community Engagement Grant, Library partnership, CBO partnerships.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to Insights DOE data tool we had 26% of our students identified as chronic absent for the 2024-2025, Out of the chronic absent students - 34% SWD, 19% ENL and 34% STH	extended vacations around holiday breaks, bussing issues for STH/SWD, new comer Ell's need support with immunizations and prior poor attendance patterns	Reduce the number of chronically absent students by supporting families with resources and supports to make positive choices pertaining to school attendance.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	26 %	By June, 2026, the Chronic Absenteeism Rate for All Students will decrease by 6% decrease, from 26 % to 20%, as measured by the Insight Chronic Absenteeism Reports.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Teacher/Staff outreach for student attendance

All staff will work together to create a culture in which we purposefully develop relationships with students and communicate the importance of coming to school daily. Knowing every child well including subgroups with focus on our STH population.

Root Cause Addressed:

Teacher/Staff outreach for student attendance is crucial because it helps create a positive school environment, promotes academic success, and addresses potential barriers to learning and development. By actively engaging with students and families, teachers/staff can foster a sense of belonging, build relationships, and support students in overcoming challenges that may be impacting their attendance. By knowing and understanding potential barriers to negative school attendance we can turn the patterns around.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Attendance team will update family contact information, as a whole school effort, meet with school's STH Liaison and update Housing Questionnaire, review and update school attendance policies based on data uncovered from outreach phone calls, parent surveys and teacher input to support common reason students miss at our school is addressed in your policies,
Pd provided on the importance of taking accurate attendance and real Feedback from attendance phone calls will be

shared in order to support teachers following up during office. Information captured will support P.D. in order to address concerns and provide appropriate outreach for parents and students.
Transparent system of data collection on Google Docs will be created and utilized to share attendance concerns and highlights. Teacher will document on their 55 minute parent outreach logs outreach and resutls.
Attendance team will utilize the teachers and paraprofessionals to create a Tier II/Tier III support plan. Paraprofessionals, Dean and Guidance Counselor will become Success Mentors. They will make daily outreach and provide ongoing positive supports to create positive attendance trends for students identified as chronically absent based on student level ATS reports
Update Success Mentors to include new students (focus on STH, ENI, SWD)who may have meet chronic absent indicators. ENL, SWD, STH and ACS groups maintain focusof meeting targets and discuss at every attendance team meeting. School celebrations for those making gains towards progress monitoring goals and improved attendance patterns
Weekly Attendance meetings will focus on securing our school's chronic absence data to review our school's data for patterns, Identify individuals and groups of students who are missing 10% of their days on a roll, use data, both quantitative and qualitative to provide additional supports for chronically absent students, set goals and monitor progress.
Transparent system of data collection on Google Docs will be created and utilized to share attendance concerns and highlights. Teacher will document on their 55 minute parent outreach logs outreach and resutls.
Transportation Specialist and Guidance Counselor will continually monitor attendance for those taking bus to ensure on-time arrival and daily pick-up.
Guidance Counselor and Social Worker will conduct parent presentations regarding the importance of attendance in the languages spoken by our families three times a year (October/December/April)

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Weekly Attendance Team meetings will be held. Meetings will be data based utilizing protocols to focus on identifying students who have missed 2 or more days of school so that we may progress monitor CEP goals, updating ESSA report. Progress check data will be continously pulled from the New Visions Portal /ATS and Insights DOE tool to make informed decisions.

Utilization of key attendance documents to analyze trends and patterns. and identify sub groups in order to design a clear
school-wide attendance policy to be shared with the entire school community.

Documents will be shared via emails, grade meetings, professional development workshops, parent workshops and posted on our 007k.org website to support a shared vision.

Attendance Team will utilize a system of wake up calls, parent contracts, newsletters for attendance to share ways to create healthy attendance habits, monthly celebrations of 100% attendance for students and classes that are 95% and
above,

Incentives and certificates, plus small group informal Restorative Conferencing.

Updating of blue cards to maintain contact as well as utilizing multiple avenues of parent contact (email, facebook, twitter, etc.).

Focus on ENL, SWD, STH and ACS students as part of progress monitoring systems.

Attendance teacher and Family Worker will make daily outreach to all absent students and record notes in ilog.

Weekly meetings will follow established protocols reviewing sub-group data at each meeting to ensure an increase in days present.

Success Mentors will be assigned to support STH students and At Risk/Chronic Absentee to deter from becoming chronic

Attendance/Chronic Absenteeism Family and Community Engagement

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
57% of students' IEPs not fully monitored bi weekly (SESIS, September 2025)	Insufficient Professional development, Staffing for Occupational therapy and Speech therapy	IEP Development and Fidelity of Implementation
	Lack of Teaching training and inconsistent IEP progress monitoring	Transition Planning and Compliance

	Inconsistent transition planning processes and insufficient training	Referral Process and Equity
	Disparities in referral rates for services, potential bias in the referral process	Equity in School Discipline
	Disproportionate discipline for students of color and students with disabilities	Implement restorative practices and bias training for all staff to promote equity in discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	57%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Progress monitoring goals being entered on time by a 30% Increase, from 57% to 87%, as measured by SESIS Status of Annual Review Report.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Ensure ongoing professional development on how to progress monitor goals and ensure students' success as goal met all case managers of IEP.
Standardized goal tracking template

Routine scheduling example: Integrated short, scheduled blocks (

Training and Support

Accountability with Support

Root Cause Addressed:

Strengthening staff capacity to enter in a timely manner progress monitoring goals and using data gathered from criteria section. of their measurable annual goals in SESIS to gear instruction.
Lack of time
Unclear expectations or accountability
Lack of training confidence
Inadaquit systems or tools
Belief it's not useful

Please elaborate on action plan strategies that will support achieving your goal. Who, what, where, when, how

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Professional development
Regular progress monitoring
Goal tracking (Teachers will track student's progress 3 times a year using a checklist, rubrics, studen
Routine Scheduling: Allocating periods of time around report cards periods for teachers to complete SESIS Progress Monitoring Reports.

Monthly review by the School Implementation Team of the status of the Annual Review Report
Generate a year long PD Calendar to support staff with ongoing progress monitoring tools and support.
The Principal's designee/s for Special Educational to turn key Professioanl learning from district /other

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress Checks in the IPlan Portal
Progress checks in SESIS of the Status Annual Review Reports

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/22/2025	09/22/2025	Professional Development (how to read IEP's and goals)	SIT
11/17/2025	11/17/2025	Professional Development (How to read Progress monitoring sheets) Tools and support at home	SIT
01/17/2025	01/17/2025	Professional Development (How to read Progress monitoring sheets) Tools and support at home	SIT
06/13/2025	06/13/2025	Professional Development (How to read Progress monitoring sheets) Tools and support at home	SIT

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Teachers, administrators, IEP Teachers, guidance counselor, school pyschologist, social worker, parent coordinator

Instructional Resources

Wit & Wisdom, Eureka Math Squared,

Schedule Adjustments

Flexible Scheduling for students with LRE

Other Resources Needed

Sensory Materials, SEL materials

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 - Literacy	6 months - 1 year below grade level	Fundations Double Dose, HEGGERTY, Geodes, SPIRE, Sound Sensible, Just Words, iReady	Small Group (3-5)	During and After School	Yes - Edmentum/Iready
Tier 2 - Math	6 months - 1 year below grade level as indicated on	edmentum	Small Group (3-5)	During and After School	Yes
Grade Specific Pull out /Push-in Program	MAP/Acadience	SPIRE,Sound, Sensible, FUNdations	Small Group (3-5)	During school	NO

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Survey, Teacher recommendation, Parent need	Collaborative Academic,Social, Emotional Learning(Harmony)	Small group, one to one	During school	No
Tier 3	Teacher/Parent Recommendation	At risk group	Small group. one to one	During the day 2-3 periods a week)	No
Tier 2	Student Request/Teacher Recommendation	GEMS	Small group	Once a week during school	NO

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The essential components of MTSS are shared with families during our initial meetings during our first informational meeting in September as well as during workshops given by our service providers through out the year by both our literacy coach and our AIS Coordinator. We will also be providing workshops to families on Saturdays around MTSS so that families will have information on how to better support their children around MTSS.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families receive updates on the progress of their children who receive Tier 2 and 3 targeted interventions during parent teacher conferences, monthly reports generated by our new AIS coordinator, as well as check ins by the classroom teacher.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families have the opportunities to have one on one discussions with the classroom teachers during OPW time when their needs to be discussions around progress of their child receiving Tier 3 intervention as well as desgnated times to meet based on teh monthly progress reports generated by the AIS coordinator.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

There are 57 students in temporary housing.

42 doubled up
15 in a shelter or transitional shelter

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

From the current 53 students identified as STH:
6 are also SWD
34 are ELL's based on NYSESLAT there are : 15 level 1, 13 level 2, 2 level 3 and 4 level 4
Out of those that took the State ELA test in 2023-2024 there was: 6 level 1, 2 level 2 and 1 level 3
Out of those that took the State Math test in 2023-2024 there was: 7 level 1, 4 level 2 and 2 level 3
In the 2023-2024 17 % of the 53 students were labeled as Chronic Absent

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

1. SHT Social Worker to support students.
2. Support attendance with a success mentor.
3. Connect students with specific resources.
   *Food
   *Technology
   *Health
   *Social Emotional well being
   *Blended Learning resources
4. Ensure free transportation
5. Staff Workshop - The Impact of Unstable Living
6. Parent Workshops
   *Community Resources
   *Educational Support and Resources
7. Provide essential needs as needed (clothing, food)
8. Provide school supplies as needed
9. Creating a welcoming and inclusive community by providing the school staff with professional development to support the ongoing needs of the diverse community.
10. Parent Coordinator will reach out to the community resources (food bank, community centers, job fairs, etc..) to link individuals with necessary supports.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

We have 5 students in foster care. Each student is provided with a success mentor that checks in with them daily. Each student has been designated for targeted instructional support regardless tier level to make sure they are guaranteed maximum success.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

The students are pulled for small group counseling and targeted tiered support. The EMST (Eagle Mentor Support Team) meets once a month to discuss the status of each child in foster care and review how their supports are going and what changes in support are neded to guarantee that the students needs are met.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Attendance is a concern for this demographic of student. We need to provide more supports for the foster families to help them get the students into school more consistently and figure out what the issues are as to why they are having difficulties with maintaining better attendance.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these

strategies help address academic and behavioral challenges?

We have provided and will continue to provide Saturday Family SEL workshops for both students and parents to cultivate student interest in coming to school such as particpating in martial arts, stepping, dance team, cooking and the arts. For families providing workshops for supports in childcare, cooking with their children, college and career, free medical supports, and other resources to help students and families have a more well rounded social and emotional experience at school and that would encourage them to want to come to school more on a regular basis.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 7, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S.7 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P. S. 7, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

Creating opportunities for parents to participate in school activities with their child through our Family Saturday SEL Cookshops with Allergic to Salad where they will be learning to create healthy meal options with their children in a fun setting.

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;

- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Areas of concentration -
Content (ELA, Math, Science, Social Studies, Technology), Culturally Responsive, Social Emotional, Data (to inform instruction and individual needs of students.

Stategies-
1. Develop a Professional Development Team
2. Assign an AP to lead PD Team
3. Develop a PD plan
4. Staff Developers provide group PLC and individual professional learning and coaching
5. Consultants with specific expertise in areas will work with staff and families
6. Provide PD that leads staff to gain and refine knowledge of content and pedagogy
7. Provide differentiated PD based on teacher interest and needs (identified by teacher, student data, or supervisor)
8. Provide PD that will impact both teacher effectiveness and student learning

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

1. Orientation for parents and incoming students presented. Neighborhood daycare centers are invited. 2. 3K and Pre-K joint PD through Protraxx. 3. IEP services provided by school service providers if schedule allows.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$8,962,100	x	ELA, Math
Title I, School Improvement 1003(a)	Federal	$8,962,100	x	PD Activities Staff Developers Consultants
Title II, Part A	Federal	$94,273	X	PD Activities Staff Consultants
Title III, Part A	Federal	$20,893	X	Staff Instructional Programs Technology Textbooks
Title III, Immigrant	Federal		X	Staff Parental Support Resources
Tax Levy	Local	$4,776,106	X	Staff Textbooks

(Fair Student Funding)				Materials Instructional Programs technology

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Andre Barrett
Assistant Principal (Where Applicable)*	Wendy Abrego
English as a New Language (ENL) Teacher*	Elaine Vasquez
Teacher (if school has a bilingual program must be a bilingual teacher)*	Ana Perez
Parent/Guardian*	Yasmin Cortez
Teacher	Ariel Pani
Parent Coordinator	Ana Perez
School Counselor	Deborah Rocha
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

3

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

3

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

3

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

6

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

564

Total number and percentage (%) of current ELLs:

209 and 34.8%

Total number and percentage (%) of former ELLs:

18 and 8.6%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

182 and 87%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

26 and 13%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

4 and 1.9%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

36 and 17.2%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish	2018	1	1	1	1	2	1								7
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 2	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Stand-alone ENL: ML/ELL students in our monolingual classes are provided Stand-alone ENL units of study for 180 instructional minutes from a licensed ENL provider as a pull-out model. Instruction is focused on English language acquisition. Teachers select targeted instruction based on the instruction taking place in the classroom during content area instruction. Stand alone instruction is for students in grades K-5 based on their NYSESLAT/NYSITELL scores (Entering and Emergent).

Bilingual Education:
For the MLs/ELLs in our Dual Language programs, students are heterogeneously grouped in DL classes using the one-way DL model with a licensed bilingual teacher for grades K through 5. Stand-alone units of study are blocked into their weekly schedules for 180 instructional minutes using the rollercoaster model for Spanish/English instruction.

Integrated ENL:

All ML/ELL students in monolingual classes with a Common Branch teacher, receive integrated ENL units of study by an licensed ENL teacher using the Push-in model. These classes are heterogeneously grouped by grade. ENL teachers push into monolingual classes four times per week, totaling 180 minutes of integrated instruction, which is co-planned with the classroom teacher. For ML/ELL SWD students in ICT and self-contained Special Education classes, the integrated instruction minutes are implemented using the Pull-out model, where students are grouped homogeneously in two continuous grades. All MLs/ELLs receive their Integrated ENL units of study from a certified ESOL/Common Branch classroom teacher, incorporating ENL methodologies throughout the scheduled day to ensure that the needs of all the students are being met. MLs/ELLs receive 360 minutes of instruction per week in equal daily allotments from a licensed ENL teacher, which includes 180 minutes of Stand-Alone English and 180 minutes of Integrated instruction. Commanding MLs/ELLs also receive 90 minutes of ENL instruction per week in small group setting. Students receive integrated ENL instruction in English Language Arts.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

For our MLs/ELLs in our Dual Language programs, students are heterogeneously grouped in DL classes using the self-contained DL model with a licensed bilingual teacher for grades K through 5 SLA and Stand-alone ENL units of study are blocked into their weekly schedules for 180 instructional minutes using the rollercoaster model for Spanish/English instruction. Weekly schedules also include Integrated ENL units of study during ELA/Math/Science/Social Studies periods, totaling 180 minutes of ENL Instructions, including 180 minutes for HLA (Spanish).

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

Teachers' schedules in ENL monolingual classes contain allotted periods of time during their literacy block specifically dedicated to 180 minutes of Stand-Alone ENL instruction per week, and 180 minutes of Integrated instruction (Math/Science/Social Studies). Program schedules for two licensed ENL teachers are designed to push in for 45-minute periods a day, four times per week, equaling 180 minutes for Integrated ENL instruction, and pull out for 45-minute periods, four times per week for Stand-Alone instruction. This ensures that each student is receiving the mandated amount of required minutes of instruction in both Stand-Alone and integrated instruction.

Dual Language SLA and Stand-alone ENL units of study are blocked into their weekly schedules for 180 instructional minutes using the rollercoaster model for Spanish/English instruction. Weekly schedules also include Integrated ENL units of study during ELA/Math/Science/Social Studies periods, equalling 180 minutes of ENL Instruction, including 180 minutes for HLA (Spanish).

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL- All students are programmed for a 90 minute block using our Core Curriculum program for ELA (Wit and Wisdom) in grades K-5 and Fundations (30 minutes) in grades K-2. These programs are focused on providing students with grade level texts and instruction in building both word study and reading comprehension. All instruction is provided in English.

DL-All students are programmed for a 90 minute block using our Core Curriculum program for ELA (Wit and Wisdom) in grades K-5 and Fundations (30 minutes) in grades K-2. Students in grades K-2 also receive instruction using Estrellitas In Spanish. These programs are focused on providing students with grade level texts and instruction in building both word study and reading comprehension. All instruction is provided in English and Spanish

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our Dual Language program uses the One-way DL model with a licensed bilingual teacher for grades K through 5. Our DL program is a Spanish/English language program, with 70% of instruction in English, and 30% in Spanish. Students are heterogeneously grouped to include all levels of English proficiency based on the NYSITELL and NYSESLAT. Our DL classes use the rollercoaster model for Spanish/English instruction, with a 10-day/2 week schedule.

ENL units of study are blocked into their weekly schedules for 360 instructional minutes. Stand-alone ENL instruction is scheduled during a word-study/phonics periods equaling 180 minutes per week, and Integrated instruction is scheduled during during ELA/Math/Science/Social Studies periods per week, equaling 180 minutes.

b. In which language(s) is each core content area taught?

b. In our DL classes, core content areas, such as ELA/Math/Science/Social Studies are taught 70% of the time in English, and 30% of the time in Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

88.4 percent of ELLs at our school are Newcomers. Newcomers who have been in U.S. schools less than three years are targeted for ENL instruction provided by highly qualified ENL teachers who will provide accelerated and explicit teaching of the academic language in all content areas during and after school. Students are grouped based on their levels of proficiency, where technology, visuals, TPR, and differentiated/graphic organizers are used as scaffolds. ML/ELL students who have received 4 to 6 years of ENL services will be invited to participate in our extended day and Saturday Academy where they will receive instruction by a licensed ENL teacher who will utilize resources specifically designed for MLs/ELLs.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

1.9 percent of our ELLs are SIFE. Our ENL Team is comprised of our ENL and DL teachers, forming a vertical team, where teachers share strategies across the grades. Teachers use these strategies to assist in creating scaffolds (anchor charts that will support our ML/ELL SIFE students with grade level content in grades 3, 4 and 5.) Our Special Education teachers and ENL teachers also work together in planning for content, since both populations have similar needs. SIFE students use Exact Path an online program for ELA and Math aligned to the NWEA MAP assessment to provide differentiated instructional each individual level. Students also read independently daily in grades 3-5 using the RAZ kids online program.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We do not currently have any Long-Term ELLs enrolled in our school. Long-term MLs/ELLs will be closely monitored by the AIS and ENL team to make certain academic progress is occurring. NYSESLAT in collaboration with the

ELA,Math, and Science assessments will be analyzed by the team, and a suitable educational plan will be created for long-term ELLs.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

3 percent of our students are former ELLs. For our students are former ELLs. Former ELLs will continue to receive the same testing accommodations for MLs/ELLs for two years after testing proficient. Former ELLs will receive 90 minutes of ENL instruction, and continue
to be invited to participate in our extended day and Saturday Academy.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

After examining the at-risk levels for ELLs at our school, we noticed that the majority of our students are at-risk level 1 (87%), many with fewer than 1 year of ELL services. The recent influx of ELL enrollment at our school would explain this trend.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

We currently have 5 former ELLs who scored at level 1 or 2 on the 2024-25 ELA and 1 former ELL who scored at level 1 or 2 on the 2024-25 Math. At this time, no trends have been noticed.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Spanish is the language with the largest representation at our school (96.%). We have a translation team of at least 10 staff members that are bilingual and are able to translate throughout the day for both parents and students. All literature is sent home electronically and in paper form in both languages. We also utilize the e-messenger tool tomake phone calls in English and Spanish. These phone calls are
automated. Our Parent's page on our school website has a google translate feature that allows parents to select the language of their choice to access special announcements, events, parent information, surveys etc. Budget allocations are also made to purchase bilingual dictionaries, children's literature in Spanish, workbooks in Spanish, software that translates into many languages, reading instructional materials for Spanish phonics instruction, and math instruction. Our main office has at least 3 staff members that speak Spanish and greet parents in their first language and are able to assist them with registration, technical support with devices and any other concerns or questions they might have. Our school offers a Dual Language program in Spanish for grades K-5. In 2018 we began with our kindergarten class and every year since that we have added a grade. This year we will have dual language classes in grades K-5. Utilizing RCPL data based on information of our MLL/ELL population, we provide written translation of school letters, homework sheets, and notices to meet the language needs of our parents. The number of home languages have been tabulated and are adjusted throughout the school year to reflect our MLL/ELL population. Parent Language Access brochures and welcome signs, provided by the DOE OLA, are available at the security desk in the main entrance so that parents can initiate communication and indicate a need for interpretation.

For low incidence languages, not included on the Language Access brochure, ListenTech R-16 Interpretation Kit is available to aid in language detection and Over-the-Phone Interpretation is then utilized to ensure accurate interpretation. All teachers invite parents to their Class Dojos, which allow parents to write messages in their home language, with instant translation to English and vice versa. The sign-in sheets documenting parent attendance at the additional opportunities for family engagement sessions are systematically compiled and maintained in the school's designated ENL (English as a New Language) program binder.

Our Eureka Math program contains an English and Spanish language component that is available online for all students across grades. Many of the materials are produced in both English and the native language, Spanish, for our DL classes. Textbook and online resources are also available in both English and Spanish to support MLs/ELLs in DL and monolingual classes, as well as the use of bilingual glossaries and native language libraries available in each Free-standing and DL class. In DL classes students use the core curriculum to complete End of Module responses and Focus Question tasks in English and Spanish. Instructional resources such as rubrics and checklists are provided in English and Spanish for students to use as they assess their work.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

95.7% of ELLs are classified as Hispanic, and 4.3% are classified as Non-Hispanic. Racial classifications are identified as the following:

American Indian or Alaskan Native: 23.6%
Asian: 0.5%
Black: 15.1%
Multiracial:1.5%
Native Hawaiian or Other Pacific Islander: 2%
White: 57.3%

Our Culturally Responsive and Sustaining Education plan is focused on creating student centered learning environments that will affirm
all students racial, linguistic and cultural identities. This will be done by selecting literature of historical figures that have made a positive impact in the world, books that are written in many languages to allow all language learners access to text, and books that highlight cultural aspects and related to student ethnicities. We will also include opportunities for students to engage and prepare for rigor and independent learning by developing students' abilities to connect across lines of difference through the selection of the grade level text they will encounter in each Wit and Wisdom module. ELL students will have opportunities to engage in project based learning that incorporates 21st century skills and tools based on literature. Students will express views on texts through padlets, fligrids, jamboards and google slides. These projects will provide students with choice and opportunities for student leadership as they can select their mode of presentation.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Based on 102 Progress-Eligible Students, 39 students met ELP sufficient progress and 63 students did not meet ELP sufficient progress.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Of the students who scored lowest on the 2025 NYSESLAT, writing and speaking are the two modalities with the lowest performance. Students who scored high on the 2025 NYSESLAT were consistent in exhibiting strength in speaking and listening. The reading modality does not appear to be an area of greatest strength, nor lowest performance. The highest number of students who scored high on the NYSESLAT were in the fourth and fifth grade. The trends noted in these subgroups is that the largest subgroups of students are designated as transitioning and expanding students. Student attendance is one of the factors impacting student achievement. Many students are taken to school by an older sibling and are often late to school and are missing minutes everyday of instruction in phonics instruction. Students are also absent throughout the yearas parents leave the country for vacations, family events, family emergencies and this results in students receiving inconsistent instruction. Many students are also 2 years or more behind in reading levels are identified by Fountas and Pinell reading levels. Some teachers in grades 3-5 do not possess the skills on how to teach early literacy skills and more professional development for teachers is needed.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Of the 40 ELL students who took the ELA assessment, 6 students scored at the Commanding level of the NYSESLAT. 3 of the Commanding-level students scored a Level 3 on the ELA, 2 at Level 2, and 1 at Level 1 of the ELA. 16 students who scored at Levels 1 and 2 of the ELA also scored at the Expanding level of the NYSESLAT. Of the remaining students who scored at the Transitioning level of the NYSESLAT, most received a Level 1 on the ELA.

Of the 55 ELL students who took the Math assessment, 1 student scored at Level 4, 12 students scored at Level 3, 20 scored at Level 2, and 22 student scored a Level 1. 6 of the 55 ELLs scored Commanding on the NYSESLAT, 17 ELLs scored at the Expanding Level, 13 scored Transitioning, 14 scored at the Emerging Level, and the remaining 5 scored Entering level.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Of the 27 ELL students with IEPs who were administered the NYSESLAT, the highest number of ELL students (11) scored at the Transitioning level. Several of the ELL students in this subgroup have testing accommodations. 3 SIFE students were tested, 2 scored at the Emerging level, and 2 at the Entering level. Attendance and lack of literacy skills in the home language can be attributed to these results.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:

a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

1. All of the core materials/learning tasks in Wit and Wisdom and Eureka are standards based. Students complete grade level tasks in reading, writing and math aligned to listening, speaking, reading and writing.
2. Teachers use targeted and purposeful scaffolds using the home language to engage and extend students thinking and understanding. Students are provided with translated novels, cognates are introduced in all subject areas, Frayer model is used to introduce vocabulary, and visual representations are used for math such as thinking maps.
3. The curriculum engages students to interact with content area ideas using analytical practices. Lessons are designed to help students make connections. Text collections in Wit and Wisdom are aligned to social studies and science content. Concrete and visual models are utilized to make the concepts more apparent and accessible.
4. Lessons engage students to ask and answer open-ended questions in English or the home language, about content area ideas that they have generated themselves. Students also use think-pair-share to orally rehearse responses.
5. Teachers plan appropriately using the module and lesson study protocol (Wit and Wisdom) and the honing in the lesson (Eureka) to anticipate areas of challenge and customize lessons to provide ample time and activities for students to meet the learning goals for each lesson and thus module goals.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The SLT considers ML/ELL's in the school instructional design in the following ways:

1. All of the core materials/learning tasks in Wit and Wisdom and Eureka are standards based. Students complete grade level tasks in reading, writing and math aligned to listening, speaking, reading and writing.
2. Teachers use targeted and purposeful scaffolds using the home language to engage and extend students thinking and understanding. Students are provided with translated novels, cognates are introduced in all subject areas, Frayer model is used to introduce vocabulary, and visual representations are used for math such as thinking maps.
3. The curriculum engages students to interact with content area ideas using analytical practices. Lessons are designed to help students make connections. Text collections in Wit and Wisdom are aligned to social studies and science content. Concrete and visual models are utilized to make the concepts more apparent and accessible.

4. Lessons engage students to ask and answer open-ended questions in English or the home language, about content area ideas that they have generated themselves. Students also use think-pair-share to orally rehearse responses.
5. Teachers plan appropriately using the module and lesson study protocol (Wit and Wisdom) and the honing in the lesson (Eureka) to anticipate areas of challenge and customize lessons to provide ample time and activities for students to meet the learning goals for each lesson and thus module goals.

The ILT team meets with the ELA and Math leads to forecast possible barriers to learning and make adjustments, modifications and look for ways to scaffold within the lesson, be flexible with dates and make revisions to the Math and ELA pacing guides.

In addition, our ENL Teacher Team, comprised of ENL and DL teachers, as well their supervising Assistant Principal, Ms. Abrego, will meet after school, during Monday PD times each month, to share best practices, develop instructional strategies, conduct inquiries, analyze data, and work on action projects.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

In our Dual Language classes, based on the data and language acquisition of the child, parallel instruction (English and Spanish) is implemented in order to ensure quality instruction is received in their dominant language in all content areas. In our ENL classes instruction is only delivered in English. In both Dual language and ENL classes our Wit & Wisdom literacy program aligns to the Next Generation Learning Standards, as well as the NYC Science and Social Studies Scope and Sequence. In the guided reading portion of the school day, teachers utilize informational and literary texts. Thinking maps are also used throughout content area subjects to develop vocabulary. The Eureka math program contains a Spanish component, and various tools, such as math boards and videos have written instructions in both English and Spanish to be used in our Dual language classrooms. Spanish glossaries are also included within the program to provide native language support in our Dual Language classrooms.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.
a. ELLs with IEPs

Our ENL and DL teachers use various online platforms to scaffold instruction such as videos for front-loading information, translation resources, and text representation. Teachers scaffold instruction for ELLs using visual aides, interactive smart board activities such as nearpod/peardeck, bilingual glossaries, TPR activities, word walls, and peer tutoring. The Eureka math program provides workbooks in Spanish.

* For students in grades K-5, Fundations, Just Words, or Wilson Reading System is used, depending on their reading level.
In both Literacy and math students in grades K-5 use the Exact Path online tool that includes an online diagnostic tool, assignments based on their academic needs, and progress monitoring.

b. SIFE

Our ENL Team is comprised of our ENL and DL teachers, forming a vertical team, where teachers share strategies across the grades. Teachers use these strategies to assist in creating scaffolds (anchor charts that will support our ML/ELL SIFE students with grade level content in grades 3, 4 and 5.) Our Special Education teachers and ENL teachers also work together in planning for content, since both populations have similar needs. SIFE students use Exact Path an online program for ELA and Math aligned to the NWEA MAP assessment to provide differentiated instructional each individual level. Students also read independently daily in grades 3-5 using the RAZ kids online program.

c. Newcomers

Our Literacy program contains ELL considerations and supports imbedded in the module lessons. DL and ENL teachers also support the native language with translated materials. The Eureka Math program provides workbooks, textbooks, manipulatives, and various math materials in both English and Spanish.

*In Grades K-5 thinking maps are used in both literacy and math to explore now vocabulary and explore topics. All anchor charts includes visuals, cognates and are charted in the appropriate color of the language (red/blue). Students are in small groups for guided reading and guided math instruction. Students use the Imagine math online tool to deepen their learning in math.

d. Long Term ELLs

We currently do not have any long-term ELLs enrolled in our school. Long-term ELLs will be closely monitored by the AIS and ENL team to make certain academic progress is occurring. NYSESLAT in collaboration with the ELA, Math, and Science assessments will be analyzed by the team, and a suitable educational plan will be created for long-term ELLs. The information from the data will drive the instruction in class, AIS group, after- school, Saturday Academy and morning intervention programs.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

ELL's with special needs will be identified by IEP's. The IEP will be analyzed carefully by the ENL push-in teacher, classroom teacher and the AIS teacher on SESIS to ensure their educational needs are being met. They will also have an Ell pull out teacher and an alternate placement paraprofessional. Our push-in program ENL teachers who work with SWD's create interdisciplinary lessons in collaboration with our self contained classroom teachers. Literacy and Math modules pacing calendars are also shared with push-in ENL teachers.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Our Eureka math program contains an English and Spanish language component that is available online for all students across grades. Many of the materials are produced in both English and the native language, Spanish, for our DL classes. Textbook and online resources are also available in both English and Spanish to support MLs/ELLs in DL and monolingual classes, as well as the use of bilingual glossaries and native language libraries available in each Free-standing and DL class.

In DL classes students use the core curriculum to complete End of Module responses and Focus Question tasks in English and Spanish. Instructional resources such as rubrics and checklists are provided in English and Spanish for students to use as they assess their work.

In each program model home language is assessed using the resources and supports included in the D!9 core curriculum programs such as FQT's, mid mods, and end of module assessment. We also integrate the instructional routines strategies as well to assess students such as socratic seminars, turn and talks, gallery walks, jigsaws, and give one-get one-move on tasks.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Co- teaching teams meet weekly during common planning times to collaborate and plan instruction with appropriate scaffolds and entry points. Teacher teams also meet during Monday PD times to create pacing guides and modules that includes opportunities for differentiated instruction. Teachers are scheduled as needed to work as a vertical team to discuss data trends and noticing.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

ENL/Dual language teacher professional development will be made available to all ML/ELL staff. Teachers, paraprofessionals, guidance counselor, special education teachers, school psychologist, OPT and speech staff, secretaries and our parent coordinator will be afforded opportunities to discuss latest research, best practices, materials, standards, instructional strategies and alignment to core curriculum and the application of ENL best practices. The philosophy of ML/ELL, for grades 3-5, is best articulated in the "CALLA" approach (Cognitive Academic Language Learning Approach). This approach focuses on academic and linguistic development of the target language and is used during the school day, extended day and Saturday Academies.This approach will be assigned to support ML/ELL student and staff needs including: professional development, best approach methodology, data analysis, social and emotional learning, comprehensive needs assessment, parental involvement, compliance and instructional issues, preparation for the NYSESLAT and program design. ENL in-service courses are being offered to all teachers of immigrant students to support the teacher in meeting the instructional and social emotional needs of all ML/ELLs. Study groups conducted by the AP and coaches will support the teaching of ML's/ELLs in the English Language and Dual Language classrooms. Our guidance counselor participates in curriculum team and grade meetings, which provides her with information that will in turn allow her to assist families and ML/ELL students as they transition from DL to monolingual classes. NL/Dual Language teacher professional development will be made available to all ML/ELL staff. Teachers, Para professionals, Guidance Counselor, Special Education Teachers, School Psychologist, OPT and Speech staff, secretaries and our parent coordinator will be afforded opportunities to discuss latest research, best practices, materials, standards, instructional strategies and

alignment to core curriculum and the application of the ENL prototype.

All ENL and DL classrooms will be provided with highly motivating leveled classroom libraries. ENL in-service courses are being offered to all teachers of immigrant students to support the teacher in meeting the instructional needs of all MLs/ELLs. Study groups conducted by the principal/assistant principal, and coaches will support the teaching of MLs/ELLs in the English Language classroom. Our guidance counselor participates in curriculum team and grade meetings, which provides her with information that will in-turn allow her to assist families and ML/ELL students as they transition from ENL to monolingual classes.

Our fourth-grade Dual Language (DL) and English as a New Language (ENL) teachers will continue their participation in the LUCES series, with a focused emphasis on developing students' academic language skills in both speaking and writing. As part of this initiative, teachers will begin implementing the CALS (Content and Academic Language Support) lessons within their ELA instruction.

Professional development is coordinated by a curriculum team (the principal, assistant principal, coaches, AIS coordinators, parent coordinator, and UFT chapter leader) who work together to combine ideas on effective planning for teachers, on different ways to assess learning, on developing curricula and instructional materials, and refine school-based practices and update the professional development plans. On one level they work with staff to strengthen their knowledge based in literacy, mathematics and other content areas. The
second level focuses on effective practices in the delivery of instruction. Most professional development will be delivered in the teacher's classroom during common preps. These sessions will also used as an opportunity to turn-key current ENL policies by attendees of district meetings.

Our Guidance Counselor, Ms. Rocha, conducts the fol lowing professional development work hops for parents and teachers;
Respect for All, PBIS, Hygiene, College and Career Readiness, Positive Parenting, and School Policies. At Parent workshops, parents are given numerous websites and outside resources which offer translation series. In addition, our school guidance counselor assist MLs/ELLs by conducting classroom presentations on what to expect in middle school, getting familiarized with school policies and academic expectations/requirements.

In addition, our ENL Team, comprised of ENL and DL teachers, as well their supervising Assistant Principal, Ms. Abrego, will meet after school, during Monday PD times each month, to share best practices, develop instructional strategies, conduct inquiries, analyze data, and work on action projects.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Targeted differentiated professional development will be delivered each month during our Monday professional development sessions. These sessions will be utilized to significantly increase the capacity of the teaching cadre to support the ELA curriculum, English Language acquisition and student learning.

Professional development will take place through, but not be limited to: weekly scheduled articulated professional development; Coaches performing the above described roles; teacher scheduled inter-visitation, administrative walkthroughs and observations, District Specialist professional development sessions and teacher support activities, Instructional Support Specialist support activities, study groups, etc. Teachers will learn from al l of the

mentioned activities expanding their knowledge base, capacity and educational toolboxes. Learning styles and differentiated instruction will l be addressed in classrooms as teachers become more comfortable with varied methods of delivery of instruction. Teachers will differentiate instruction by providing instruction targeted to the deficit skills of each child. Professional development is coordinated by a curriculum team.

Professional development plans for the 2025-2026 school year include orientation for all teachers on the Bilingual Common Core Language Progressions, NYSESLAT Testing and evaluation of results. We will also have focused training in ENL methodologies for all staff members servicing MLL/ELL students.
Some topics to be covered are:
· ESL methodologies – The Inductive Approach, Grammar - Translation Approach, Direct Method, Shades of Meaning approach, Cognitive Approach, Situational Approach, Comprehension-based Approach and Total Physical Response,
CALLA, New Language Arts Progressions/Home Language Arts Progressions
· Best practices for instructing MLL/ELL students through the Great Minds Programs
· Differentiated Instruction in the Content Area-Math, Science ,SS, Technology using 21 st century tools such as Flipgrip, Jamboards, Padlets, to provide technology Assisted Instruction in the ENL/Dual Language Classrooms

Professional development sessions in ENL will be held for teachers during common planning periods:
-TBA Monthly meetings are offered to ENL teachers by our Learning Support Organization, in which the latest advances for MLs/ELLs are introduced. The ENL teachers turnkey all new information to the staff. Those responsible for providing the training are:
· Administration (principal and assistant principals)
· Literacy and Math Coaches
· ENL teachers
· In-house AIS Providers
· LSO Specialists including the ELL Program Specialist and Math, Science, Technology, Humanities Content Specialists.
In addition, we ensure that al l teachers receive their 7.5 hours or 10 hours for special education teachers of strategies in teaching MLs/ELLs. They are scheduled to attend various professional development training and works hops that will fulfill this requirement. Sign-in Sheets and Agendas of all PD's and workshops held indicate the dates and times of each session, and are kept on file by our ENL Coordinator. Sessions are conducted by grade, school-wide; and include webcasts, book studies, professional literature, outside consultants, and school visits. In conjunction with our staff development, our Principal, Assistant Principals and School Counselor all receive professional development from the district regarding MLs/ELLs.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We use the NWEA MAP screening assessment. It measures achievement in growth in K-5 math, reading, language usage, and science. Map and Acadience assesses students fluency, language usage, vocabulary skills and comprehension. It provides teachers with accurate , and actionable evidence to help target instruction for each student or groups of students regardless of how far below or above they are from their grade level. It also connects to the largest set of instructional content providers, giving educators flexibility in curriculum choices.
Teachers use all data sources to plan for small group instruction, morning and afterschool programs, one on one tutoring, afterschool enrichment opportunities, and scaffolds to be used when planning explicit instruction.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

The Eureka Math program provides workbooks, textbooks, manipulatives, and various math materials in both English and Spanish. These materials are used across the grades in all ENL classes and are available online.

Newcomers who enter with an interrupted/inconsistent formal education of at least 2 years will work with a pull-out teacher who will provide small group instruction three times a week using explicit teaching of academic language. They will use the Wilson Reading System or Fundations program to support them in a small group setting. SIFE students in grades 4-5 will also receive content area instruction in their native language during the extended school day with a certified bilingual teacher.

Newcomers who have been in US schools less than 2 years are also targeted to receive explicit instruction in reading using Fundation (English) and Estrellitas (Spanish) for a minimum of three periods a week. Students will also receive explicit instruction in math daily as part of their Individual learning path where teachers will create activities focused on CRA (concrete, representational, abstract) methodologies for teaching mathematics. Math instruction will take place in the students home language.

ML/ELL students who have received 4-6 years of ENL services will be invited to participate in our extended day program where they will receive instruction by a licensed ENL teacher who will use resources such as Fundations, Wilson, Just Words, and in-house materials/resources tailored to their needs. Instruction will be delivered in English.

As per district guidelines all students will use Edmentum online resource to engage with grade level standards based tasks in ELA and Math. Students will have access to short but complex reading passages and standards based multiple choice questions to assess progress and mastery on selected standards. All students are also assigned an individual learning path on Exact Path to support and strengthen skills based on MAP data.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Based on various assessments, both formal and informal, including observations, we use the data to analyze trends and commonalities to create small groups based on areas of need, also to create intervention periods. For Tier 1 we utilize the Great Minds Assessment and Remediation Guides per grade two provide additional scaffolds for students. For tier 2, we use the Fundations phonics program double dose, SPIRE program, Sounds Sensible program, the Just Words program and the Phonics for Reading program. For Tier 3 students, students would use the same programs but would receive support in a group of no more than 3 students.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The formative assessments that we use to guide and inform instruction are:

1. Mid-year Eureka math assessments provides data on how well students are grasping the content throughout the unit to inform changes in activities and centers.

2. Exit tickets in Eureka math are given daily to analyze what students know and can do in order to drive instruction for the following lesson/day.

3. Chapter tests in Science.

4. Fundations/Heggerty daily check-ins.

5. Wit and Wisdom check for understanding tasks that are administered daily to evaluate progress made towards a learning goal.

6. Wit and Wisdom focusing question tasks that occur every 8-12 lessons and ask students to synthesize knowledge and skills gained in one section of each module.

7. Wit and Wisdom New Read assessments that are administered twice in each module and ask students to apply literacy skills to a new text.

Teachers also meet with service providers to use the data collected to co-plan instruction with classroom teachers.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Our literacy program, Wit & Wisdom contains Tasks and assessments that are translated by our teachers, where students are allowed to respond in their native language. Our Eureka Math program contains a instruction component that is available for all students across grades. All of the materials are produced in both English and the native language, Spanish, for our DL classes. Textbook and online resources are also available in both English and

Spanish to support ELLs in DL and ENL self-contained classes, as well as the use of bilingual glossaries and native language libraries available in each Free-standing and DL class. Math exit tickets are provided in Spanish. Teachers also create their own google slides where key concepts are translated in the home language as well cognates. Students are given math workbooks in their home language and engage in academic discourse in both English and Spanish.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The summative assessments that are being used to evaluate the effectiveness of our ML/ELL programs are:

1. End of Module Eureka Math Assessments

2. Wit and Wisdom End of Module Assessments

3. End of year ELA and Math School based assessments

4. NYSESLAT

5. NYSITELL

6. NYS ELA and Math tests

7. Fundations Benchmarks

8. Acadience (K-2)

9. MAP (Growth) K-2 Math, 3-5 ELA/MATH

We have put structures in place to inform instructional design and curricular decisions. These structures are:
1. AIS providers deliver instruction using a push-in model to provide guided reading and a doble dose of Fundations. AIS teacher also provides instruction remotely when necessary.

2. WIN Block activities are planned in ELA and Math using data from informal assessments to close gaps as they are formed. Students are assigned with online resources such as Priority Focus lessons on Edmentum and assignments on Edmentum Learning Paths for work on their level.

3.Both grade teams and the ILT meet to review summative data to revise pacing guides such as identifying lessons that should take more than one day, prepare materials for spiral review, create AIS packets and support materials and assign coached AIS students to work with them for a 6-8 week cycle.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the

assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

-MLs/ELLs who are eligible for the NYSESLAT are identified using the RLER from ATS by our Testing Coordinator.
-An information session is planned to inform families of the NYSESLAT. The NYSESLAT Parent Guide is distributed to parents in their preferred language, which is identified using the RAPL. The session is conducted by our ENL Coordinator, with translations provided by our Parent Coordinator.
-A testing schedule is made based on grade bands, IEP and 504 accommodations, SWD age, and accommodation. The amount of proctors required are then determined, and a testing memo is created. Available space to be used for testing is also determined.
-The testing and ENL coordinators, ENL teachers, DL teachers and all available out-of-classroom teachers assist in the administration of the test. All proctors and scorers are trained by the Testing Coordinator. Scoring of the NYSESLAT will take place after school by trained staff members as a per session activity.
-All testing materials are secured in a locked closet in the ENL Coordinator's office.
- Per session is provided for a scoring team to stay after school to score NYSESLAT assessment so continuity of instruction can remain.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

We meet with the ENL team and the Gen Ed teachers to ensure that proper accommodations are given. For example bilingual dictionaries are used throughout the year to ensure they are comfortable with the tools.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

1. The identification team consists of the ENL Coordinator, ENL teachers, and other available licensed and trained pedagogues, with the
assistance of the Pupil Accounting Secretary and Parent Coordinator.
2. This process is completed for each student within 10 days of enrollment, 20 days for students entering with an IEP by our ENL Coordinator at the beginning of the year, and in on ongoing basis. Enrollment status of each newly admitted student is determined. The parent completes the Home Language Identification Survey in their preferred language in person with a licensed pedagogue. The in-depth interview is conducted in the parent's preferred language for students whose home language is not English. The HLIS is reviewed by a licensed pedagogue, and the home language of the student is determined. NYSITELL eligibility is determined. The HL code is entered in the BIOU screen of ATS, and a copy of the HLIS is placed in the student's cumulative record. If the newly enrolled student is entering with an IEP, the Language Proficiency Team (LPT) meets with the student's parent. Then the LTP recommends eligibility to the principal, who obtains final approval from the superintendent. The student is administered the NYSITELL, if eligible. Parent notification letters are sent to the parent in the parent's preferred language. Parent is notified of their child's ML/ELL status. If the student is identified as an ML/ELL and the student's home language is Spanish, the student is administered the Spanish LAB. SIFE status is determined. If the student is an ML/ELL, the parent is invited to the in-person parent orientation meeting, where staff interpreters are made available, as well as access to the language line. Virtual Google meetings are offered to parents who are unable to attend in person, and the translated caption feature is used. The parent orientation meeting provides parents with an explanation of each ELL program models offered in NYC; the parent video describing the three programs is shown in

parent's preferred language. Parent completes the Program Placement Agreement Form. The ML/ELL student is placed in the ELL program that the parent selected. This is indicated in the ELPC screen of ATS. If the ELL program that the parent selected is not available, the parent is offered a transfer to a school with that program. If the ELL remains in the school, the ELL is placed in English as a new language and our school keeps track of parent choice so that when minimum thresholds are met, we can open the ELL program of choice. Parents are notified that they have 45 days to appeal the ML/ELL status of their child (ELL Re-identification Process). If so, the principal reviews the decision of any student whose ML/ELL status was changed because of the ELL Re-identification Process within 6 to 12 months. Copies of notification letters are placed in students' cumulative files.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Teachers created a schedule where each family was given a time to meet on Google meet to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. These meetings were held on April and May 2026. All meetings were held with translators. In addition teachers met daily with parents during parent
outreach times using the REMIND app, making phone calls and through Google meets.
Teacher log parents attendance in a sign sheet shared with administration.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:

a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

All school communications and documents are translated by selected staff members. Our Language Access Coordinator (LAC) shares the parents preferred written and spoken language with teachers to ensure that parents receive all communications in their preferred language as stated on the LTI plan. Translators are available to all parents with human translators and pocket translator devices. A translator is also made available at all parent workshops.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

These are a few specific activities that foster empowerment for families of MLs/ELLs: 1. We have a Parent Academy that offers at least 2 monthly parent workshops in Spanish/English to support parents with literacy and math needs. Sessions are led by teachers who unpack future learning modules in reading and math for parents. Parents receive tools are resources to support students before a new
module begins. Parents completed surveys to provide us with feedback for future planning. 2. Parent Check-ins- Administrators hosted monthly check ins for blended and fully remote students to support them in theiracademic, social and emotional needs. Translators were available. 3. Curriculum FairsCurriculum fairs were held throughout the year by ELA and Math Leads on each grade. Each session focused on introducing parents to resources, study habits, end of year expectations, current module explorations, and tips for parent involvement.

We will distribute Parent Surveys at our Open House, Parent-Teacher Conferences, Parent Learning Opportunities, and email. We use the information from the surveys to generate a Parental Involvement Plan, which includes parent workshops with availability based on feedback from the parents. We have created a school list of translators available and during parent-teacher conferences have assigned 2 translators to each grade. We have also added the Google translate feature to our parent page thus allowing all parents access to important information. We are using Google forms to send information via email and Google classroom. Our results indicated that after implementing the items discussed above, parents were made aware of happenings in the school as they had more accessibility with content in their language of preference. We had an increase in the number of parents visiting our school and website as indicated by surveys and the number of parents downloading the app to receive notifications on our school website.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Parent Calendars are sent home in all languages with dates and times of all family leadership opportunities. During Open House Nights our Parent Coordinator will be available to speak to parents about joining the PTA and joining the SLT team.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

***We have a partnership with Allergic to Salad who works with students in teaching them healthy recipes (they prepare them with the students in the classroom) that are common in all cultures as well as our CBO Cypress Hills celebrates diversity each month with a culture focus and that includes celebrations and assemblies. Lastly, our students enjoy world music concerts presented by Midori and friends to all of our grades that focus on celebrating diversity through music.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

1. The identification team consists of the ENL Coordinator, ENL teachers, and other available licensed and trained pedagogues such as coaches, staff developers, dean, and AIS teachers.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Our school has an ELL Identification folder that is housed in the main office which contains copies of the mandated interview questionairre, along with the schedules of licensed pedagogues who have been trained in the ELL identification process. The pupil accounting secretary refers to this folder to locate any available pedagogue to assist with the identification process during registration throughout the year. Once an available pedagogue is contacted, they conduct the mandated interview with the parent and child while completing the HLIS.Following registration and the completion of the HLIS, the home language code is entered into ATS, and the ENL Coordinator carries out the remaining steps of the identification process regarding the NYSITELL, Spanish LAB testing, distribution of notification letters, as well as the parent orientation meeting during assigned coordinator periods within 10 days of enrollment. NYSITELL and Spanish LAB answer documents are scanned into ATS, and the parent choice is entered into the ELPC screen. All notification letters and NYSITELL results are placed into the students cumulative records.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Elaine	Vasquez	Teacher - Bilingual	11/06/2024	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	4	0.49%	4	0.49%	0	0
BENGALI (BANGLA IN BANGLADESH)	2	0.25%	2	0.25%	0	0
CHINESE ANY	5	0.62%	6	0.74%	0	0
FRENCH	4	0.49%	4	0.50%	0	0
HAITIAN CREOLE	3	0.37%	3	0.37%	1	1
ENGLISH	265	32.6%	264	32.47%	All	All

SPANISH	530	65.19%	530	65.19%	27	27

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Teacher Conference Note	NYCPS info hub, translated by a bilingual staff member
Report Cards	NYCPS info Hub
Principal Letters Home	Pupil accounting secretary and contacting the LT&I unit
Parent Workshop Notices	Our pupil accounting secretary translates documents daily, as needed or contacts the LT&I unit. Emessenger will also be used to notify parents in their preferred language via phone calls and texts. Translated flyers are placed on the school website under the parent's place tab. Using Google translate feature right on the website parents can have information translated in their preferred language
Special Events/Flyers	Our pupil accounting secretary translates documents daily, as needed or contacts the LT&I unit. Emessenger will also be used to notify parents in their preferred language via phone calls and texts. Translated flyers are placed on the school website under the parent's place tab. Using Google translate feature right on the website parents can have information in their preferred language
School Newsletter	Pupil accounting secretary translated documents daily, and contacting the LT&I unit. E-Messenger will also be used to notify parents in their preferred language via phone calls and texts.

Safety	Our pupil account secretary translates documents daily, as needed, or contacts the LT&I unit. E-messenger will also be used to notify parents in their preferred language via phone calls and texts.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Teacher Conferences	Teachers contact a bilingual staff member from a scheduled list, use a DOE vendor, or language line solutions.
IEP meetings	Teachers contact a bilingual staff member from a scheduled list, use a DOE vendor, or language line solutions.
PTA meetings	Our parent coordinator is a bilingual Spanish speaker, we use a school interpreter from a scheduled list, contacts the DOE vendors Geneva (On-site, Virtual) and Language Line Solutions (over-the-phone line).
Promotion in Doubt Meetings	Teachers contact a bilingual staff member from a scheduled list, use a DOE vendor, or language line solutions.
Parent Workshops	A bilingual staff member from a scheduled list will be present, use a DOE vendor, or language line solutions.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

We will adhere to the NYC General Response Protocols. We will utilize information on Blue Emergency Contact forms to contact parents in their preferred language via a school list of interpreters, classroom teachers and e-messenger phone outreach in preferred languages, & NYCDOE phone messaging app. In a student specific emergency the school nurse will also use a translation service.

If a parent has an emergency and needs to contact the school, our office staff is fully bilingual and parents can

contact them directly in their preferred language. If this is not possible, a staff member listed as a translator will contact the parent directly. If a translator is not available we can communicate with parents in their preferred language by acccessing the over-the-phone interpretation service.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

LAC will send an e-mail to all staff members in the beginning of the year to ensure awareness of Chancellor's Regulation A-663. Turn-key training for the entire school staff will be provided on how to utilize the Language Translation Line. At this training, we also share a list of available translators/interpreters in our school, as well as accessing forms on the Info Hub, and procedures for having documents translated via the T&I Unit. Additionally all staff members will complete the 30 minute asynchronous WELearn training during a Monday PD. Staff will share their completion with Payroll Secretary.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

All parents are provided with the Parents' Bill of Rights at our school's Open House and PTA meetings. All brochures and language guides provided by the T&I Unit are made available in the main office and security desk. In addition, all translated posters, notices and signage are displayed at the main entranceof our school building. In addition, all important messages to the families will. be sent via messenger through a phone blast.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

We will distribute Parent Surveys at our Open House, Parent-Teacher Conferences, Parent Learning Opportunities, and email. We use the information from the surveys to generate a Parental Involvement Plan, which includes parent workshops with availability based on feedback from the parents.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

We have created a school list of translators available and during parent-teacher conferences have assigned 2 translators to each grade. We have also added the Google translate feature to our parent page thus allowing all parents access to important information. We are using Google forms to send information via email and Google classroom.
Our results indicated that after implementing the items discussed above, parents were made aware of happenings in the school as they had more accessibility with content in their language of preference. We had an increase in the number of parents visiting our school and website as indicated by surveys and the number of parents downloading the app to receive notifications on our school website

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School,After School,Saturday Academy

Total number of ELLs to be served in this program:

100

Grades to be served in this program. Select all that apply.

,2,3,4,5

Total number of teachers in this program:

6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

6

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Group #1 Math After School Instructional Program *Afternoon Program: There will be 2 groups with 2 teachers certified in ENL.

1. Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs: Students will be engaged in fluency practice, using the Read, Draw, Write strategy to solve word problems, and review of content related to standards data analysis as evident in MAP data. Students will review math concepts, skills and problem solving related to multiplication and division of whole numbers and fractions. Students will gain a deeper understanding of procedural skills and fluency, apply mathematical knowledge to real life situations, and learn strategies for problem solving. Students will end each session playing math games and program will end in a gallery walk of CGI problems they solved.

2. How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program: Students will be grouped by CRA level (concrete, representational, and abstract) level, based on data from Eureka math mid mod and end of mod data, and I ready data. We will select 5 - 6 students from 3rd grade, 5-6 students in 4th grade, and 5-6 students in 5th grade will receive instruction. Students will meet on Tuesdays, Wednesdays and Thursdays from 2:20-3:20 p.m.

3. How instruction will be delivered- Instruction will be delivered using the WIN small groups/rotations model.

4. How the program will be supervised and whether this will be at cost to Title III ELL: Program will be supervised by our Assistant Principal Ms. Abrego and per session will be given to teachers. * Program will be supervised by a teacher in charge session at a cost to Title III. Teacher work hours will be 8:00-2:20 p.m. regular hours and per session from 2:20-3:20 p.m/ three times a week.

Group #2 CCSS Reading and Writing After School Program *Afternoon Program: There will be one group with a bilingual certified teacher.

1.Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs: Students will receive additional support in strengthening their reading and writing skills through close reading activities, activities aligned to ELA shifts, citing evidence based details when writing, and using the Just Words program to strengthen their reading skills both in phonics and comprehension.
Students will receive instruction to deepen their reading and writing. Explicit phonics instruction will be a focus. Students will meet on Tuesdays, Wednesdays and Thursdays from 2:20-3:20 p.m.

2. How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program: 15 students will be selected to participate in this program based on MAP reading data and Ready data in grades 3, 4 and 5. Students will also be grouped by Language Proficiency level.

3.How instruction will be delivered: Instruction will be delivered using the WIN small groups/rotations model.

4. How the program will be supervised and whether this will be at cost to Title III ELL: Program will be supervised by our Assistant Principal Ms. Abrego and per session will be given to teachers. * Program will be supervised by the assistant principal for per session at a cost to Title III. Teacher work hours will be 8:00-2:20 p.m. regular hours and per session from 2:20-3:20 p.m/ three times a week.

Group # 3: Newly Arrived Students. This will be a morning program. There will be one group with an ENL or Bilingual certified teacher.

1.Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs: Students will receive additional support in strengthening their speaking skills by supporting students develop linguistic survival skills and start adapting to the new culture while maintaining their identity. Students will get to know each other, meet members of the school community and engage in discussions through social stories related to school (example how to get lunch in the cafeteria). Students will also share their stories through art and read alouds. Students will meet on Tuesdays, Wednesdays and Thursdays from 7:00-8:00 a.m.

2. How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program: 15 students will be selected to participate in this program based on time in US school (less than 6 months) and by Language Proficiency level. Students will be selected from grades 1-5.

3.How instruction will be delivered: Instruction will be delivered using the explicit instruction model and small groups.

4. How the program will be supervised and whether this will be at cost to Title III ELL: Program will be supervised by our Assistant Principal Ms. Abrego and per session will be given to teachers. * Program will be supervised by the assistant principal for per session at no cost to Title III. Ms. Abrego's work hours will be 7:00-3:00 regular hours.

Group #4- Our Saturday Family program will take place on Saturdays. There will be two groups and two teachers holding an ENL license or bilingual certification will provide instruction.

1.Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs: Students will receive additional support in strengthening their speaking skills by engaging in activities with their families focused on their academic, physical and emotional needs. Each Saturday (5 sessions in total) will be focused on a theme "How to be healthy physically, mentally, emotionally, and socially". Students and their families will engage in activities focused on Zumba, building a home library, how to deal with stress, etc.)

2. How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program: 15 students will be selected to participate in this program based on teacher recommendation, newcomer status, and ELL proficiency level.

3.How instruction will be delivered: Instruction will be delivered using the explicit instruction model and small groups.

4. How the program will be supervised and whether this will be at cost to Title III ELL: Program will be supervised by a teacher in charge per session will be given to teachers and assistant principal. Teacher work hours are from 8:00-2:20 p.m. and persesssion will be provided from 9:00-12:00 p.m for 5 Saturdays.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Subgroup #1 Math After School Instructional Program
Based on NYS Math Data and also in class Eureka Assessments is it necessary to offer our Newly Arrived/Entering/ Emerging students with an after school Math Intervention class. Students will be s elected based on NYS Math scores (Level 1), End of year Interim tests and Eureka Math module tests from current year. We will look at the grade level standards and those standards related to previous grades to see at what level the students are performing in alignment to knowledge of topics and fluency. Teachers will create learning opportunities based on the CRA (concrete, representational, and abstract) approach to learning math.

Subgroup #2 CCSS Reading and Writing After School Program
Based on NYSESLAT proficiency levels students that are Emerging, Transitioning, Expanding Intermediate and Commanding in 3rd 4th
and 5th grade and need additional support in strengthening their reading and writing skills through close reading activities, activities aligned to ELA shifts, citing evidence based details when writing, will be selected to participate in this program. Teachers will design opportunities for explicit instruction in teaching the writing traits students need the most support in.

Subgroup # 3: Newly Arrived Students
At PS 7 we have a diverse student population. Approximately 33% of our students are English as a New Language Learners and that number rises every month. In grades 3-5 we have approximately 42 ELL's that have been in the United States for less than two years. As students begin to enter third grade and continue to fifth grade we are finding that they are not confident in trying out the English language in social settings such as the lunchroom and recess. They are self confident about what their peers might say . Many of these students they revert to speaking only in their native language even though their auditory language is flourishing. These students face many challenges that are specific only to Newly Arrived students.

Group #4- Saturday Family Program
At PS 7 we have a diverse student population. Approximately 38%of our students are English as a New Language Learners and that number rises every month. In grades 3-5 we have approximately 53 ELL's that have been in the United States for less than two years. As students begin to enter third grade and continue to fifth grade we are finding that they are not confident in trying out the English language in social settings such as the lunchroom and recess. They are self confident about what their peers might say . Many of these students they revert to speaking only in their native language even though their auditory language is flourishing. These students face many challenges that are specific only to Newly Arrived students. In the classroom teachers are maintaining fidelity to the New Language Progression Standards but at the same time a specific time needs to be set aside to develop language for basic needs such as
parts of the body, places in my community, school life, etc. These are the foundational skills that will let them become acclimated in their new classroom and new country.
The parents of these students need support as well in learning key words and phrases that are necessary in supporting their children. For example, many parents have stated to school community members that they cannot support their children academically because they don't s peak English. This program would provide them with tools

to assist with homework, oral language, building comprehension, etc. It is for these reasons stated above that we would like to create a Saturday Program targeted for students and their parents.
Subgroups and grade levels of students to be served.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Subgroup #1 Math After School Instructional Program
There will be 18 students that participate in total from grades 3-5 (6 students from third grade, 6 students from fourth grade, and 6 students from fifth grade. The teacher to provide instruction will have Bilingual certification. The program will run for 35 sessions. Each session will be one hour for a Toal of 35 hours. The program will take place on Wednesdays and Thursdays. Program will be intended for Entering, Emerging, or transitional Ells.

Subgroup #2 CCSS Reading and Writing After School Program
There will be 18 students that participate in total from grades 3-5 (6 students from third grade, 6 students from fourth grade, and 6 students from fifth grade. The teachers to provide instruction will have Bilingual certification. The program will run for 35 sessions. Each session will be one hour for a Toal of 35 hours. The program will take place on Tuesdays, Wednesdays and Thursdays. Program will be intended for Entering, Emerging, or transitional Ells.

Subgroup # 3: Newly Arrived Students
There will be 18 students that participate in total from grades3-5 (6 students from third grade, 6 students from fourth grade, and 6 students from fifth grade. The teachers to provide instruction will have Bilingual certification. The program will run for 35 sessions. Each session will be one hour for a Total of 35 hours. The program will take place on Tuesdays, Wednesdays and Thursdays. Program will be intended for Newly Arrived students.

Saturday Program:
There will be 20 students from grades K-5 in the program 10 K-2 students and 10 3-5 students. The teacher to provide instruction will have Bilingual certification. The program will run for five Saturdays. Each session will be 3 hours long. Program is open to all ELL students.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Group #1 Math After School Instructional Program
The program will begin on November 11, 2025 and end on May 7, 2026. The program will run for 35 sessions. Each session will be one hour (2:20-3:20 p.m.)for a total of 35 hours. The program will take place on Tuesdays, Wednesdays and Thursdays.

Group #2 CCSS Reading and Writing After School Program
The program will begin on November 11, 2025 and end on May 7, 2026. program will run for 35 sessions. Each session will be one hour (2:20-3:20 p.m) for a Total of 35 hours. The program will take place on Tuesdays, Wednesdays and Thursdays.

Group # 3: Newly Arrived Students
The program will begin on November 11, 2025 and end on March 12, 2026. The program will run for 20 sessions. Each session will be one hour for a Toal of 20 hours. The program will take place on Tuesdays, Wednesdays and Thursdays from 7:00-8:00 a.m.

Group 4 Saturday Family Program:
The program will run for five Saturdays. Each session will be 3 hours long. The sessions will be held on December 6, 2025, December 13, 2025, and December 20, 2025, January 10, 2026, and January 17, 2026. The times will be from 9:00-12:00 p.m.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Subgroup #1 Math After School Instructional Program- Program will be delivered in English and Spanish translation will be available as needed.

Subgroup #2 CCSS Reading and Writing After School Program-Program will be delivered in English and Spanish translation will be available as needed.

Subgroup # 3: Newly Arrived Students- Program will be delivered in English and Spanish translation will be available as needed.

Saturday Program-Program will be delivered in English and Spanish translation will be available as needed.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Group #1 Math After School Instructional Program- 3 ESL licensed teachers will teach this group.
Group #2 CCSS Reading and Writing After School Program- 3 teachers that will provide instruction will be Bilingual certified.
Group #3 Newly Arrived morning program-2 teacher that will provide instruction will be Bilingual certified.
Group #4. Saturday Family Program- 2 Teachers that will provide instruction will be ESL or Bilingual certified.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

group #1 Math After School Instructional Program-
Materials that need to be purchased are :
-Math workbooks by grade
- student composition notebooks
-5 I-pads to be used for screening assessment. These I-pads wil be stored in room 206 on the second floor. These items will be purchased using Title III funding.
*Funding to purchase these materials will not exceed 20% of the allocation, and that the materials and equipment will be used exclusively by the MLL students in the Title III program, and not during the regular school day.

group #2 CCSS Reading and Writing After School Program
Materials that need to be purchased are:
- Just Words program, Spire program, Sounds Sensible
- Laptops computer to access screening assessments. Laptops will be stored in room 206 on the third floor. Title III funding will be used to purchase materials
*Funding to purchase these materials will not exceed 20% of the allocation, and that the materials and equipment will be used exclusively by the MLL students in the Title III program, and not during the regular school day.

group # 3: Newly Arrived Students
Teachers will prepare necessary handouts and visuals. Students will use technology to explore each weekly unit as well as big books and non-fiction books from classroom libraries. Art materials will be purchased and students will create a digital memoir on line. Title III funding will be used to purchase. *Funding to purchase these materials will not exceed 20% of the allocation, and that the materials and equipment will be used exclusively by the MLL students in the Title III program, and not during the regular school day.

group #4 Saturday Program-
Teachers will prepare necessary handouts and visuals. Teachers will design activities and lessons based on physical activities, Socratic seminars, art activities and movement activities such as ZUMBA.. There will be no cost associated with these materials.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Attendance logs will be completed by the teachers for each session and will be maintained by Ms. Abrego, Assistant Principal.

Parent letters will be sent home by our Parent Coordinator to the families informing them of the program and all the details. Letters will be translated.

Daily phone calls will be done by our Parent Coordinator reminding parents to send students to each session.

All students that maintain at least 95% percent attendance rate will be entered in a raffle at the final meeting as an incentive.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

ENL Bilingual teacher professional development will be made available to all ELL staff. Teachers will be afforded opportunities to discuss latest research, best practices, materials, standards, instructional strategies and alignment to the NGLS Standards , ELA Shifts, and the application of ENL methodologies.

The philosophy of ELL Instruction for grades 3, 4, 5 is best articulated in the CALLA approach (Cognitive Academic Language Learning Approach). This approach focuses on academic and linguistic development of the target language and is used during the school day, after school, and push in a nd pull out programs.

Best approaches will be assigned to support the ELL student and staff needs including professional development, best approaches methodology, data analysis with goal setting, comprehensive needs, intervisitations, questioning and discussion techniques, incorporating thinking maps, informal and formal assessment, parental involvement, compliance issues, preparation for the NYSESLAT, nd program design. Study groups conducted by administrators ,consultants,and ENL coordinator will support the teaching of ELLs in the English Language classrooms.

Professional development is coordinated by the Professional Development Team consisting of teachers, principal , assistant principals and UFT chapter leader who will collaborate on combining ideas on effective planning for teachers, on different ways to assess students, promote discussion, and engage students.

Time Frame for Professional Development:

Professional Development will take place on Mondays during the 45 minutes at the end of the school day, consultant in class coaching and feedback sessions, and meeting as the ENL Team once a month. Monthly ENL Team 45 minutes sessions will be facilitated by Assistant Principals, Instructional leaders, ENL teachers and will focus on implementation of new research based ENL strategies.
. Each session will be facilitated by the Assistant Principal, Instructional Leaders, ENL teachers and will focus on implementation of new research based ENL strategies.

The following is a tentative schedule of PD that will be provided at a cost to Title 3 ELL funds. *Per session will be provided for teachers and assistant principal.
September 2025- Creating a 21st century classroom environment that promotes language acquisition. This PD will be facilitated by our ENL Coordinator.
October 2025- Teaching with Data in mind - Facilitated by our ENL Coordinator.
November 2025- What is Action Research Theory - Facilitated by our Assistant Principal.
December 2025- Action Research Work, Cycle #1 - Facilitated by our Assistant Principal.
January 2026 Action Research Presentations - Facilitated by our Assistant Principal.
February 206- Examining the NYSESLAT and planning centers - Facilitated by our ENL Coordinator.
March 2026- Begin Cycle #2 of Action Research- Facilitated by our Assistant Principal.
Apri l 2026- Action Research, Looking at Student Work - Facilitated by our Assistant Principal.
May 2026- Presentation of Action Research - Facilitated by our Assistant Principal.
June 2026- Celebrating the work by analyzing ACADIENCE/MAP Growth data.

All PD agendas and sign in sheets will be collected and housed by our ENL Coordinator. All teachers will have an opportunity to turn key
and receive PD as part of the Professional Development plan for 2025-2026..

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

ENL Bilingual teacher professional development will be made available to all ELL staff. Teachers will be afforded opportunities to discuss latest research, best practices, materials, standards, instructional strategies and alignment to Common Core State Standards , ELA Shifts, and the application of ENL methodologies.

The philosophy of ELL Instruction for grades K-5 is best articulated in the CALLA approach (Cognitive Academic Language Learning Approach). This approach focuses on academic and linguistic development of the target language and is used during the school day, after school, and push in and pull out programs.

Best approaches will be assigned to support the ELL student and staff needs including professional development, best approaches methodology, data analysis with goal setting, comprehensive needs, intervisitations, questioning and discussion techniques, incorporating thinking maps, informal and formal assessment, parental involvement, compliance issues, preparation for the NYSESLAT, and program design. Study groups conducted by administrators ,consultants,and ENL coordinator will support the teaching of ELLs in the English Language classrooms.

Qualitative and quantitative data sources used to justify professional development will be walkthrough notes, Advance observation ratings, Acadience and Map data, Edmentum standards mastery assignment data. .

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

ENL Bilingual teacher professional development will be made available to all ELL staff. Teachers will be afforded opportunities to discuss latest research, best practices, materials, standards, instructional strategies and alignment to NGLS Standards , ELA Shifts, and the application of ENL methodologies.

Teachers working in the Title 3 ELL program will receive professional development during Monday PD times and also during additional common planning opportunities scheduled on a monthly basis.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The following is a tentative schedule:
September22, 2025- Creating a 21st century classroom environment that promotes language acquisition. This PD will be facilitated by our ENL Coordinator. This will be one session for 1 hour.
October 13, 2025- Teaching with Data in mind - Facilitated by our ENL Coordinator. This will be one session for 1 hour.
November 17,2025- What is Action Research Theory - Facilitated by our Assistant Principal. This will be one session for 1 hour.
December 8, 2025- Action Research Work, Cycle #1 - Facilitated by our Assistant Principal. 2-3 sessions for one hour each.
January 12, 2026- Action Research Presentations - Facilitated by our Assistant Principal. 2-3 sessions for one hour each.
February 9, 2026- Examining the NYSESLAT and planning centers - Facilitated by our ENL Coordinator.(purchase materials to create centers.) This will be one session for 1 hour.
March 9, 2026- Begin Cycle #2 of Action Research- Facilitated by our Assistant Principal. This will be one session for 1 hour.
Apri l 13, 2026- Action Research, Looking at Student Work - Facilitated by our Assistant Principal. This will be one session for 1 hour.
May 11, 2026- Presentation of Action Research - Facilitated by our Assistant Principal. This will be 2 sessions for

one hour each.
June 2026- Planning for success - Assistant Principal. This will be one session for 1 hour.l
All teachers will participate in PD as there are no Title 3 programs being delivered at this time.
As a school implementing Wit and Wisdom Reading and Writing program ENL teachers will meet with our Literacy coaches for PD sessions during the year. No more than 10% of the total allocation will be used and other funds will be used to cover the PD expense.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

These are the topics to be discussed:
1. Creating a 21st century classroom environment that promotes language acquisition
2.Teaching with Data in mind
3.What is Action Research Theory
4.Action Research Work, Cycle #1
5.Action Research Presentations
6.Examining the NYSESLAT and planning centers
7.Begin Cycle #2 of Action Research-
8.Action Research, Looking at Student Work
9.Presentation of Action Research
10. Planning for success

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

All Professional Development will be provided by the following:
Wendy Abrego-Assistant Principal
Elaine Vasquez- ENL Coordinator
Drita Ramsammy- Dual Language Coordinator

Danielle Krulik- Literacy Coach
Jennifer Foley- Math Coach

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All documentation will be kept in a shared folder maintained by Wendy Abrego, Assistant Principal.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

The parents of ELL students need support as well in learning key words and phrases that are necessary in supporting their children. For example, many parents have stated to school community members that they cannot support their children academically because they don't s peak English. This program would provide them with tools to assist with homework, oral language, building comprehension, etc. It is for these reasons stated above that we would l like to create a Saturday Program targeted for students and their parents.
All written communications being sent home in English will be translated. Parent calendars will be sent home every month and telephone messaging system will place reminder phone cal ls to parents. Interpreters will facilitate communication with parents in native language through translation ear phones.
Parent workshops will be available during the school day. Parent workshops will be facilitated by Staff Developers, ESL teachers, Content Specialists, and Administration. Each workshop is scheduled for 30 minutes. At the beginning of each month Parent Calendars will be sent home informing parents of future workshop topics.
All of the parent workshops will be free of cost of any Title 3 Funding.
Some of the monthly workshops we have planned are :
September 2025- Pre K books and breakfast at 8:15 am in the library
October 2025 Very Important Parent Academy Workshop presented by CBO. One session for one hour.
November 2025 Science of Reading Part 1 with literacy coach.. One session for one hour.
February 2026- Understanding NY State Exams- presented by Gr. 3-5 Lit Coach & Math Coach. One session for one hour.
March 2026- Science of Reading Part 2- presented by literacy coach. One hour one session.
April 2026- Math Parent Workshop- Part 1- presented by Math coach. One session for one hour.
May 2026- Science of Reading Part 3- presented by literacy coach. One hour one session.
June 2026- Math Parent Workshop Part 2:Strategies at Home. Presented by our Math coach. One hour per session.

Newly Arrived Program:
Schedule and Duration This program will run for four Saturdays. The dates will be forthcoming. Each Saturday the parents will arrive at 9:00 a.m. and leave at 12:00 p.m. with their children. Parents will meet from 9:00- 10:30 a.m. to learn specific strategies to support their
children and from 10:30-12:00 p.m. students and parents will come together to share out and practice what they learned. This program wil begin on December 6, 2025, December 13, 2025 and end on December 20, 2025.
Our parents that are invited to participate in the newly arrived program will attend the 4 sessions below.
Topics to be provided:

1. Session 1: Parents will be introduced to our program "Community Alive" and will be introduced to 4 areas that will be visited on each Saturday that supports language development, provides authentic opportunities for language acquisition and expands the life experiences and knowledge of our ELL students. Parents will also be introduced to the College roadmap for ELL's.
2. Session 2: Parents will visit a neighboring college (York College)
3. Session 3: Parents will visit the Arlington Library
4. Session 4: Parents will showcase their experiences and will assist to design a parent workshop for our December Parent Calendar

**This component will have a cost to the Title III LEP funds as a small refreshment will be provided at the beginning of each of the three sessions. A total $150 dollars will be spent to buy light refreshments for the parents that attend the session. Persession will also be provided to teachers and supervisor.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The parents of ELL students need support as well in learning key words and phrases that are necessary in supporting their children. For example, many parents have stated to school community members that they cannot support their children academically because they don't s peak English. This program would provide them with tools to assist with homework, oral language, building comprehension, etc. It is for these reasons stated above that we would I like to create a Saturday Program targeted for students and their parents.

Parent surveys will be created and data will be used to plan future parent workshop opportunities.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

As per our Parent Calendar there will be a parent learning opportunity one day a month at 8:30 a.m. . These workshops will be 30 minutes in duration.

Our parents that participate in our Saturday program will attend three sessions on Saturday for 3 hours a day.

Please see specific dates, number of sessions, and days in family engagement summary.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Some of the monthly workshops we have planned are :
September 2025- Pre K books and breakfast at 8:15 am in the library
October 2025 Very Important Parent Academy Workshop presented by CBO. One session for one hour.
November 2025 Science of Reading Part 1 with literacy coach.. One session for one hour.
February 2026- Understanding NY State Exams- presented by Gr. 3-5 Lit Coach & Math Coach. One session for one hour.
March 2026- Science of Reading Part 2- presented by literacy coach. One hour one session.
April 2026- Math Parent Workshop- Part 1- presented by Math coach. One session for one hour.
May 2026- Science of Reading Part 3- presented by literacy coach. One hour one session.
June 2026- Math Parent Workshop Part 2:Strategies at Home. Presented by our Math coach. One hour per session.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Ana Perez-Parent Coordinator
Elaine Vasquez- ENL Coordinator
Wendy Abrego-Assistant Principal
Drita Ramsammy- DL Coordinator

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be sent home a letter of invitation in both English and their native language inviting them to participate in this program.
Parent workshops will also be placed on our monthly parent calendar.

Translation at parent events will be provided by the Parent Coordinator.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All documentation will be maintained in a shared folder housed by Ms. Abrego, Assistant Principal.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

n/a

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
n/a	n/a	n/a

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School,Before School

Grades to be served in this program. Select all that apply.

,2,3,4,5,1,K

Total number of teachers in this program:

6

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

These programs will take place after school (2:20-3:30 p.m) during our Reading Rockstars program in grades K-5.

The after school program we will be using are (K-2)Sound Sensible, Spire , (3-5). Just words, Spire, and Phonics for Reading. In order to provide this instruvtion to our students we need 3 things: reasearch based intervention programs, technology and teachers. The reasearch based program will target explicit reading instruction in 3 reading pillars: phonemioc, awareness, phonics and comprehension. Students will be assigned to 6 small groups of 6 students each. Each group will receive instruction from one licensed Bilingual or ENL/Common Branch teacher using a teacher led small group model as indicated by the scripted lesson plan for each program focused on explicit instruction.

The program will be supervised by AP Abrego at no cost to the school.
.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Based on the 2025 NWEA BOY ELA MAP scores and Acadience BOY scores in K-2 , it is evident that a majority of our Multilanguage Learners and Immigrant students are not meeting grade level expectations in reading. Students are not entering the grade with strong foundational skills in reading as outlined by both Acadience and MAP universal screeners. Many students are tier 3 students and have been tier 3 students for more than 2 benchmark windows.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

A total of 36 students will be included in this program.
6- Kindergarten Tier 3 students
6-First grade students
6-Second Grade students
6-Third grade students
6-Fourth grade students
6-Fifth grade students
The subgroups of students will be SIFE, NEWCOMER and Immigrant Students who are 2-4 years behind in grade level for reading .

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

All programs will aim to begin in December 9, 2025 and end on May 14, 2026
.
There will be at least 40 sessions taking place every Tuesday, Wednesday and Thursday.

Sessions will take place from 2:20-3:20 p.m.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

All programs will be delivered to students in English. Where applicable Spanish (home language) cognates will be highlighted for students.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

Program will have 6 Bilingual or ENL or Common Branch certified teachers.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

We will utilize funding to purchase intervention programs , Spire, Sound Sensible, Just Words, and Pjonics for reading that include student packs. These funds will be at a cost to the Title 3 program. We will not exceed 20% of our allocation for materials and thse are for the sole use of the immigrant students who are participating in the program.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Our program supervisor will compile and maintain evidence of student rosters, attendance, and program calendar sessions. Teachers will be responsible for taking attendance for each session.

Plan for Implementation:
1. Program teachers with meet with Literacy Coach to analyze screener data, Acadience, Map, Fundations data to select students for program.
2. Program teachers will identify students that are at least 2 years behind current grade level in reading as part of the MTSS plan.
3. Program teachers will deliver small group instruction using intervention program resources.
4. Parent coordinator will collaborate with AP to contact families and inform them of pick up times and attendance requirements of the program.
5. Teachers and Literacy coach will update administration of student progress periodically (Acadience Progress Monitoring).

Our Assistant Principal, Wendy Abrego will supervise the program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Teachers in grades 3-5 do not have ample time in their schedule to teach explicit phonics instruction to students who are early readers in English. However in each classroom there are students who are immigrants and need decoding, blending and segmenting skills that are usually taught in the primary grades (K and 1st grade).
Teachers in grades K-5 will receive training , and paid per session for each PD session.
Three sesions for PD will be provided:
Session 1- Overview of the goal and objectives of the program: December 2025
Session 2- Overview of the best practices and exploring materials and resources: January 2026
Session 3-Data Dive: April 2026
Each session will be an hour in duration. PD will be provided by our Literacy Coach and AP
PD will be provided at a cost to the program but will not exceed 10% of the total allocation.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

Based on the 2025 NWEA BOY ELA MAP scores and Acadience BOY scores in K-2 , it is evident that a majority of our Multilanguage Learners and Immigrant students are not meeting grade level expectations in reading. Students are not entering the grade with strong foundational skills in reading as outlined by both Acadience and MAP universal screeners. Many students are tier 3 students and have been tier 3 students for more than 2 benchmark windows.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

The teachers who will receive PD are the ENL or Bilingual, or Common Branch teachers who will be providing instruction for the Reading Rockstars afterschool program.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

3 PD sessions will be held on Friday afternoons for one hour from 2:20-3:20 p.m. Sessions will take place the first Friday of each month scheduled:
Session 1- Overview of the goal and objectives of the program: December 2025
Session 2- Overview of the best practices and exploring materials and resources: January 2026
Session 3-Data Dive: April 2026

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Session 1- Overview of the goal and objectives of the program: December 2025
Session 2- Overview of the best practices and exploring materials and resources: January 2026
Session 3-Data Dive: April 2026

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Ms. Eichler- Literacy Coach and Ms. Abrego- AP

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

Participating teachers will sign and submit per session time sheets for each PD session, will be maintained by the provider. Our coach will create and provide any and all power points , google slides and handouts for all PD sessions.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Monthly parent meetings will be targeted in introducing content connections for parents aligned to the Core Curriculum (Wit and Wisdom and Fundations). Teachers will facilitate a parent workshop each month based on phonics alignment. Teachers will present families with acivities and tools they can use at home to help students with literacy goals.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Classroom teachers will reflect on data from Fundations benchmarks, acadience and wit and wisdom focus question tasks to plan family engagement activities.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and

- Time and duration of sessions.

All parent engagement activities will take place during the first Monday of the month December 2025, January 2026, February 2026, March 2026 and April 2026 from 3:20-4:20 p.m.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

1. Explain how Edmentum can support students at home with individual skills.
2. Explain Fun hub tools parents can use at home.
3. Engage families in a "Make and Take " of literacy games and activities students can use at home
4. Provide supplemental books from our school library families can borrow to read with their children at home.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Every parent workshop will be delivered by Ms. Diaz, first grade teacher, and Ms. Castillo, kindergarten teacher.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Families will be notified by flyers sent home with students, flyers posted on our school website, phone calls made by our messenger phone system, and texts delivered by the NYC DOE messaging feature.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All documentation will be collected and maintained by our Assistant Principal Wendy Abrego.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
