Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature

Michele Hall	Parent	
Shirley Luo	Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

The mission of Public School 200 is to provide every child with an education which will enable them to reach their fullest potential and thus become a productive member of the global community.
Recognizing the fact that children as digital age learners have individual learning styles, we will become leaders in developing strong academic programs with innovative approaches. Together with effective leadership, a dedicated teaching staff and a supportive parent community, we will prepare our children to live and succeed in a technologically advanced society.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

The Benson School is a multi-cultural elementary school with an enrollment of 1,212 students from Pre-Kindergarten through Grade Five. Culturally diverse, we have students with home languages, including, but not limited to Urdu, Spanish, Russian, Mandarin, Arabic, Bengali, Cantonese and Uzbek. The school population is comprised of 37.6% Asian, 1.4% Black, 19.6% Latino, 39.3% White, and 1.7% Multi-racial students. The student body includes 33.6% English Language Learners and 14.4% Special Education students. The current average attendance rate for the 2024-2025 school year is 92%. P.S. 200 provides music and violin programs, K-5 Gifted and Talented classes, a Dual Language program, in Russian, and an after-school basketball sports program. We have partnered with many organizations which have provided opportunities for student playwriting and performances, such as, K-5 Carnegie Hall Link Up and Annual Music Café, while R.U.L.E.R and Puppetry in Practice provides meaningful social-emotional learning activities to all our students. Our educational partnerships include collaborating with facilitators from Orton Gillingham, HMH, CITE, Envision/Savvas and the UFT Teachers Center. Our students participate in many districtwide events, programs and contests throughout the year, including, but not limited to STEAM, Civics for All/Soapbox, Math Games; Science Showdown, Climate Action, and Relay for Life.

Briefly summarize the key initiatives your school will implement this school year.

Having implemented a new curriculum in ELA and Mathematics during the 2022-2023 school year, we will continue to engage our staff in professional development to support our students' academic growth in those subjects. For students who need additional support, we will utilize SPIRE and Imagine Learning, web-based programs. P.S. 200 has initiated many vital programs and intends to extend these as well as district-wide events throughout the 2025-2026 school year. These programs include STEAM; Civics for All/Soapbox, an enrichment program promoting student voice and community engagement; Math Games; and Science Showdown which engages students in critical thinking and problem-solving activities. For foundational skills, students in grades kindergarten through 2 will receive small group instruction based on data-informed specific needs during "Learn to Read" periods. We utilize

online programs, such as, Imagine Learning to improve language acquisition for ENL students and i-Ready to build learning paths for every student in both math and literacy.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	PreK-5	HMH Into Reading - Digital and Print	Orton Gillingham, SPIRE
Math	Prek-5	Envisions	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The 2024-2025 End of Year (EOY) Acadience data indicate that 53.4% of our K-2 students scored at or above proficiency, an increase from the Beginning of the Year (BOY) Assessment where 51.3% of students in K-2 scored at or above proficiency. However, there was a slight decrease from the MOY where 54.7% of students scored at or above benchmark. Data from the 2023-2024 Acadience results indicate that there was a decrease in proficiency from the BOY (54.3%) and MOY (53.9%) by the EOY (53.3%). One noticeable trend for the past 2 years is a decrease in the percentage of students at or above benchmark on the EOY assessment when compared to the BOY/MOY assessments. This may be due to ELLs participating in the EOY assessment who were exempt from the BOY and MOY assessments. Acadience data also suggest that 66% of all ELLs tested in grades K-2 ranked 16% or below the national percentage ranking. Moreover,	• One-on-one teacher data meetings and student work analysis have not been scheduled on a consistent	Improve reading skills in grades K through 2 by focusing on: Phonological Awareness, Phonics, Fluency, Comprehension, and Vocabulary

historical trends show that each year monitored, BOY results tend to be lower than the previous year's June EOY. For example, EOY 2023-2024 data show the 53.3% of students were at or above proficiency, while BOY 2024-2025 data show that 51.3% were at or above proficiency.	basis • Lack of building student background knowledge to make connections within text	
As per the 2024-2025 End of Year (EOY) data, 51.1% of our 3-5 students scored at or above proficiency, an increase of 5.2% from the 2023-2024 EOY i-Ready Assessment. I-Ready data also indicate that 91% of all ELLs tested in grades 3-5 ranked 16% or below nationally. According to the 2024-2025 ELA State Assessment, 59.6% of students scored at or above proficiency level, showing a substantial increase of 11.0% from the 2023-2024 State Assessment. P.S. 200's 2023-2024 NYS Report Card's Accountability of the Status for Core Subject Performance Index Level designated a Level 3 for all but one subgroup. Data from the 2023-2024 NY State Report Card's English Language Proficiency matrix suggest that we are serving and progressing our ELLs appropriately as all, but one, subgroup earned either a Level 3 or 4 in this category. Moreover, according to the 2023-2024 School Quality Snapshot, P.S. 200 received a rating of "Good" in Overall Rating for Instruction and Performance and 99% of our former fifth graders achieved a pass rate in their sixth-grade classes in Math, English, Social Studies and Science. Moreover, historical trends show that each year monitored, BOY results tend to be lower than the previous year's June EOY. For example, EOY 2023-2024 i-Ready Reading data show the 45.9% of students were at or above proficiency, while BOY 2024-2025 data show that 32.4% were at or above proficiency. Comparison results between 24-25 EOY and 25-26 BOY results were similar.	• One-on-one teacher data meetings and student work analysis have not been scheduled on a consistent basis • Lack of building student background knowledge to make connections within text	Improve proficiency in ELA in grades 3- 5

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	50%	By June 2026, there will be a 4% increase, from 50% to 54% for all students in grades K-2 scoring at or above benchmark as measured by the 2026 End of Year (EOY) Acadience Reading Assessment.
All Students	30%	By June 2026, there will be a 20% increase, from 30% to 50% of all students in grades 3-5 scoring at or above proficiency as measured by the Spring 2026 i-Ready Reading Assessment.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The lateral grade teacher teams will plan and review data two times a month to determine next steps in small group instruction.

Root Cause Addressed:

One-on-one teacher data meeting incorporating student data analysis have not been scheduled on a consistent basis

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide personalized Orton Gillingham/CSAS professional learning to all teachers in grades K-3. This will strengthen our ability to support phonemic awareness and grammar instruction in the lower grades.
Teacher teams will meet weekly to review progress monitoring on Acadience and develop center based activities and intervention plans for their small group instruction.
Scheduling of HMH coach to support ENL staff in planning instruction based on the data of the students including ENL SWD and MLL.
Teacher teams will be created and scheduled to meet weekly to analyze and plan for small group instruction based on HMH weekly assessments/writing responses.

Key Strategy 2 (Optional):

Provide additional professional learning sessions addressing how to build student background knowledge

Root Cause Addressed:

Lack of building student background knowledge to make connections within text

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Utilization of the Imagine Learning, Orton-Gillingham and SPIRE programs by service providers and select teachers
Provide Into Reading support provided by UFT Teacher Center Literacy coach trained in HMH Into Reading to create personalized professional development for all teachers in grades K-5. This will strengthen our ability to support reading comprehension and standards-based instruction and provide access to grade level texts for all students.
The vertical team will turnkey professional development to their grade teams via monthly meetings and have opportunities to plan for model lessons that will be facilitated by the designated HMH literacy coach
Pending funding, an Early Morning Program incorporating small group instruction will be scheduled 2 times per week for Tier 2 students in grades 3-5
Pending funding, a before school academy will be available for Tier 2 and Tier 3 students in grades K-2 in need of additional support in ELA
Ensure robust Tier 1 instruction is in place, including differentiated instruction for ELL students, to address common learning gaps and strengthen progress monitoring to determine further interventions to lessen referrals
Orton-Gillingham/CSAS specialist will provide: continued support in multi-sensory approach for teachers of grades K-2 and training for new staff members;

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

By early December 2025:

- 4 Vertical Team meetings: analyze data trends HMH, i-Ready, Acadience and NYS ELA Assessment
- 6 Lateral Team meetings: analyze class data and targeted students' progress
- Monthly one-on-one teacher data meetings to analyze and monitor student progress
- 2 meetings per grade level: data analysis of assessments, i.e., HMH Module Assessments/Performance Tasks
- 2 Professional Development sessions by UFT Teacher Center Coach: HMH module planning/data-based small group instruction
- Administration of BOY Acadience assessment and BOY i-Ready assessment
- UFT Teachers Center Coach will support new teachers with implementation of HMH curriculum
- Orton-Gillingham/CSAS specialist will provide: PD on morphology for teachers in grades 3-5; continued support in multi-sensory approach for teachers of grades K-2; and/or training for new staff members
- Planning and scheduling before-school academy, focusing on Tier 2 and Tier 3 students' needs, pending funding

From December 2025 to mid-March 2026:

- 4 Vertical Team meetings: analyze data trends HMH, i-Ready and Acadience
- 6 Lateral Team meetings: analyze class data and targeted students' progress
- Monthly one-on-one teacher data meetings to analyze and monitor student progress
- 2 Lateral Team meetings: planning and implementation of HMH
- 2 Professional Development sessions by UFT Teacher Center Coach: HMH module planning/data-based small group instruction
- 2 Lateral Team meetings: data analysis of MOY Acadience assessment and MOY i-Ready assessment
- Administration of MOY Acadience assessment and MOY i-Ready assessment
- UFT Teachers Center Coach – model lessons
- Orton-Gillingham/CSAS specialist will provide continued support in multi-sensory approach for teachers of grades K-2; and/or training for new staff members
- 1 Administrative meeting: review before school attendance and reorganization, if necessary
- Hold 3 MTSS meetings to discuss student progress and reorganize AIS groups

From mid-March 2026 to June 2026:

- 4 Vertical Team meetings: analyze data trends HMH, i-Ready and Acadience
- Monthly teacher data meetings to analyze and monitor student progress
- 3 Lateral Team meetings: planning and implementation of HMH
- 2 Lateral Team meetings: data analysis of MOY Acadience assessment and MOY i-Ready assessment
- Administration of EOY Acadience assessment and EOY i-Ready assessment
- UFT Teachers Center Coach – model lessons
- Orton-Gillingham/CSAS specialist will provide continued support in multi-sensory approach for teachers of grades K-2; and/or training for new staff members
- 1 Administrative meeting: review before school attendance and reorganization, if necessary
- Hold 1 to 2 MTSS meetings to discuss student progress and reorganize AIS groups

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/30/2025	05/29/2026	Family workshops focusing on relationship between attendance and academic progress	
09/30/2025	05/29/2026	Family workshops will be offered throughout the year focusing on how to support their child/children academically through literacy-based workshops provided by the literacy support team	
09/30/2025	05/29/2026	Family workshops to support learning the English language through CITE so parents can engage in literacy instruction	CITE
09/30/2025	05/29/2026	Families will have access to Into Reading portal which includes family engagement resources and sending home family letters to introduce the module	
09/30/2025	05/29/2026	Address families' needs and concerns as determined by responses received through SLT parent-created surveys	
09/30/2025	05/29/2026	Schedule a Curriculum Night to present an overview of Into Reading and its resources to students' families. Questions regarding the implementation of the program will be addressed	
09/30/2025	05/29/2026	Family participation in the program provided by the Art for Early Learners Grant	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Principal, Assistant Principals, Parent Coordinator, Data Specialist; Reading Coach, Parent Coordinator; Classroom Teachers; ENL teachers; Technology Teacher

Instructional Resources

HMH Into Reading; SPIRE; Orton Gillingham

Schedule Adjustments

N/A

Other Resources Needed

HMH Coach, CSAS Coach

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
As per the 2025 NYC DOE Survey results, P.S. 200 received 100% favorable responses under the Safety topic. This is an increase of 5% from the 2024 School Survey results. Favorable responses itemized in the Social-Emotional topic have been increasing, yearly from 78% in 2023 to 80% in 2024, and 85% in 2025.	• Increased opportunities for student voice • Teachers need more training in the RULER approach to support Social-Emotional regulation strategies • Students need more explicit instruction on strategies to manage their emotions • School must establish more support networks to help students develop mindfulness skills	Ensure students are socially and emotionally supported by teachers

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	85%	By June 2026, there will be an increase of 3%, from 85% to 88%, on average, of favorable responses to all items included in the Social-Emotional topic as measured by the NYC School Survey, resulting in improved Safety and Restorative Approaches to Behavior.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Incorporate the R.U.L.E.R. approach and provide professional development to the staff for implementation

Root Cause Addressed:

Teachers need more training in the RULER approach to support Social-Emotional regulation strategies

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide opportunities for students to utilize the Student Lounge facilitated by an adult
Schedule SEL assemblies for all students
Utilization of the multi-sensory room by our physical and occupational therapist and Guidance Counselors. This room is equipped with a climbing wall, tunnels, and other equipment that serve to deescalate students and provides support for students in need
Schedule programming with Because We Can Sports to incorporate recess activities for community building
The Student Council will provide more opportunities for student voice to be incorporated into planning for school events

Frequent monitoring of OORs report to note increases or decreases in Level 3 infractions

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

By early December 2025:

- Create an SEL Team to meet weekly: OORs Report analysis
- 1 school-wide SEL assembly
- Student Council survey re environment of school
- Analysis of results of mock survey to staff members
- Schedule and implement Because We Can Sports
- School Counselors will provide in class presentations promoting positive school relations to each class on the grade
- Connect Family Fun Nights to our schoolwide SEL Focus monthly

From December 2025 to mid-March 2026:

- Weekly SEL Team meetings will be held to develop activities that foster a positive school culture
- 1 school-wide SEL assembly
- 3 School Spirit events Analysis of results of mock survey to staff members
- Analysis of results of BOY mock survey to staff members
- In class support by school counselors based on OORS data
- Recognition of students who personify selected character traits
- Created a "Shout-Out Board" to recognize positive character traits
- Schedule monthly Fun Days

- Distribute NYC School Survey to staff

From mid-March 2026 to June 2026:

- Continue weekly SEL Team meetings to develop activities that foster a positive school culture
- 1 school-wide SEL assembly
- 3 School Spirit events
- Schedule and implement Because We Can Sports
- In class support by school counselors based on OORS data
- Connect Family Fun Nights to our schoolwide SEL Focus monthly
- Continue utilizing the "Shout-Out Board" which recognizes positive character traits
- Continue scheduling monthly Fun Days

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	05/29/2026	Weekly Family Days scheduling 1 grade per week focusing on SEL activities	
10/01/2025	05/29/2026	Two puppetry residencies serving 1st and 2nd grade classes (10 classes, 5 classes per grade)	Puppetry in Practice
10/01/2025	05/29/2026	Family ESL Classes	CITE will provide Weekly ESL Sessions to parents. The program is set up weekly sessions

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to data from the 2025 Spring (EOY) i-Ready Math assessment, 48.4% of all students scored at or above proficiency level. This was a substantial increase from the BOY result of 16.8% and a slight increase from the EOY results from 2023 and 2024 with 47% of students scoring on or above proficiency for both years. Moreover, every subgroup showed positive gains in proficiency levels from BOY to MOY and 27.0% of students in grades K-5 met Annual Typical Growth. There was also an improvement in the breakdown of students scoring at or above proficiency in all domains. P.S. 200's 2023-2024 NYS Report Card Accountability of the Status for Core Subject Performance Index Level designated a Level 3 for all students and all subgroups except Hispanics. In addition, data from the 2025 New York State Math Assessment indicate an	• Need for stronger data analysis on effectively utilizing i-Ready data for differentiation • Teachers need to model more often for	• Provide ongoing professional development in high-impact math instructional strategies, including conceptual understanding,

increase in the percentage of students in grades 3 to 5 achieving on or above proficiency, from 64.7% in 2024 to 65.6% in 2025. In addition, historical trends show that each year monitored, Fall i-Ready Math results tend to be lower than the previous year's Spring results. For example,Spring 2023-2024 data show the 47% of students were at or above proficiency, while BOY 2024-2025 data show that 17% were at or above proficiency. Similarily, Spring 2024-2025 results indicate that 48.4% scored at or above proficiency while17% scored at or above proficiency on the Fall 2025 Assessment.	conceptual understanding and clarity in delivering lessons	problem-solving, and mathematical reasoning. • Empower teachers to effectively use i-Ready data to inform instructional decisions, differentiate learning experiences, and provide targeted small-group and individual interventions.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	17%	By June 2026, there will be a 33% increase, from 17% to 50%, for all students in grades K-5 achieving on or above proficiency in Mathematics as measured by the 2026 Spring i-Ready Mathematics assessment.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

P.S. 200 will provide support from an Envision coach to create personalized professional development for all teachers in grades K-5. This will strengthen our ability to support mathematical practices and standards-based instruction.

Root Cause Addressed:

Teachers need to model more often for conceptual understanding and clarity in delivering lessons.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Careful monitoring of student performance on the i-Ready assessment and Envision chapter assessment data
The lateral teacher team will meet weekly to plan and analyze data on Chapter assessments, to assiss stuent progress and discuss areas of need
Pending funding, an Early Morning Program incorporating small group instruction will be scheduled 2 times per week for Tier 2 students in grades K-5.
Conduct monthly grade-level data team meetings specifically for math, focusing on i-Ready reports (Growth, Diagnostic, Domain), identifying student strengths/weaknesses, and planning differentiated instruction, for instance, supporting ELL students with scaffolded support for language acquisition, provide fluency practice especially for students with IEPs, and utilize manipulatives during independent work

Provide professional development on effectively using i-Ready diagnostic reports to pinpoint specific skill deficits and create individualized learning pathways for students

Key Strategy 2 (Optional):

Lab sites on each grade will be identified and lateral teams will meet monthly to plan for math instruction for inter visitation. The lateral team will turnkey professional development to their grade teams via monthly meetings and have opportunities for intervisitation facilitated by the designated math envision coach.

Root Cause Addressed:

Need for stronger data analysis on effectively utilizing i-Ready data for differentiation

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Careful monitoring of student performance on the i-Ready assessment and Envision chapter assessment data
The lateral teacher team will meet weekly to plan and analyze data on Chapter assessments, to assess student progress and discuss areas of need
Special Education teachers will collaborate to co-plan and co-teach math lessons, focusing on scaffolds and accommodations/modifications. Utilize specific i-Ready resources for ELLs/SWDs
Conduct a vertical review of the K-5 math curriculum to ensure smooth transitions between grades, identify potential gaps or redundancies, and reinforce prerequisite skills

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

By early December 2025:

- 4 Vertical Team meetings: analyze data trends i-Ready Math assessments and NYS Math Assessment
- 2 Lateral Team meetings: analyze class data and targeted students' progress

- 2 Professional Development sessions facilitated by Envisions Coach
- Administration of BOY i-Ready Math Assessment

From December 2025 to mid-March 2026:
- 4 Vertical Team meetings: analyze data trends i-Ready Math assessments
- 2 Lateral Team meetings: analyze class data and targeted students
- 2 Lateral Team meetings: data analysis of BOY i-Ready Math assessment
- 2 Professional Development sessions facilitated by an Envisions coach re planning
- Administration of MOY i-Ready Math Assessment
- 1 Administrative meeting: review before school attendance and reorganization, if necessary

From mid-March 2026 to June 2026:
- 4 Vertical Team meetings: analyze data trends i-Ready Math assessments
- 2 Lateral Team meetings: analyze class data and targeted students
- 3 Lateral Team meetings: model lesson plans
- 2 Lateral Team meetings: data analysis of MOY i-Ready Math assessment
- Administration of EOY i-Ready Math Assessment
- 1 Administrative meeting: review before school attendance and reorganization, if necessary
- Incorporate a mathematical fluency intervention system for grades K-2

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/22/2025	05/29/2026	Family workshops will be offered throughout the year focusing on how support their child/children academically. Parents will receive screener reports and academic resources for their child.	N/A
09/22/2025	05/29/2026	Family workshops to support adult English language acquisition	Mathew J. Zagami

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Building Fact Fluency kits

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Since the NYC DOE initiative NYC Kids Rise Save for College Program was introduced four years ago, we have 425 families enrolled.	• Lack of awareness of the program, for staff members and families alike • Some families are unaware that saving for a college education at an early age promotes a child's interest in applying for higher education in the future	Provide families with the opportunity to participate in the NYC DOE initiative: NYC Kids RISE Save for College Program

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	425	By June 2026, there will be an increase of 75, from 425 to 500, in the number of students enrolled in the NYC Kids RISE Save for College Program.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The Building Block 1 Demo Video describing the Save for College Program School found in the School Toolkit will be emailed at the beginning of the school year to all new and non-participating families

Root Cause Addressed:

Lack of awareness of the program, for staff members and families alike

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent Coordinator will attend professional learning sessions scheduled through Save for College program throughout the year
Principal will provide access to the Save for College Program Report to the Parent Coordinator
Parent Coordinator will notify eligible families about events and workshops provided by NYC Kids RISE via eChalk notification and flyers
Parent Coordinator will assist families 1:1 in the enrollment process, if needed
A Save for College team will be established comprised of the Parent Coordinator, Guidance Counselors, and administrators

A newly assigned cluster teacher will provide Financial Literacy lessons to students in all grades
Distribute the Celebrate 529 Activity Booklet and display a poster celebrating the event
Parent Coordinator will mention the program at all school events and when family members stop by the main office for school business

Key Strategy 2 (Optional):

Support for families 1:1 with Parent Coordinator

Root Cause Addressed:

Some families are unaware that saving for a college education at an early age promotes a child's interest in applying for higher education in the future

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent Coordinator will attend professional learning sessions scheduled through Save for College program throughout the year
Principal will provide access to the Save for College Program Report to the Parent Coordinator
Parent Coordinator will notify eligible families about events and workshops provided by NYC Kids RISE via eChalk notification and flyers
Parent Coordinator will assist families 1:1 in the enrollment process, if needed
A Save for College team will be established comprised of the Parent Coordinator, Guidance Counselors, and administrators
A newly assigned cluster teacher will provide Financial Literacy lessons to students in all grades
Distribute the Celebrate 529 Activity Booklet and display a poster celebrating the event
Parent Coordinator will mention the program at all school events and when family members stop by the main office for school business

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

By early December 2025:

- Parent coordinator will attend professional learning sessions as provided by NYC Kids RISE organization
- Parent coordinator will notify eligible families about the opportunity
- Parent coordinator will email Building Block Demo 1 video to eligible families
- Parent coordinator will work with families in enrollment process, as requested
- Beginning October, parent coordinator will review the Save for College Program Report monthly
- A Financial Literacy program will be implemented within the school day
- The Financial Literacy Cluster will provide lessons to students across the grades

From December 2025 to mid-March 2026:

- Parent coordinator will attend professional learning sessions as provided by NYC Kids RISE organization
- Parent coordinator will notify eligible families about the opportunity
- Parent coordinator will email Building Block Demo 1 video to families of new admits
- Parent coordinator will work with families in enrollment process, as requested
- Parent coordinator will review the Save for College Program Report monthly
- The Financial Literacy Cluster will provide lessons to students across the grades

From mid-March 2026 to June 2026:

- Parent coordinator will attend professional learning sessions as provided by NYC Kids RISE organization
- Parent coordinator will notify eligible families about the opportunity
- Parent coordinator will email Building Block Demo 1 video to families of new admits
- Parent coordinator will work with families in enrollment process, as requested
- Parent coordinator will review the Save for College Program Report monthly
- The Financial Literacy Cluster will continue visiting classrooms
- Parent Coordinator will prepare and distribute Celebrate 529 Activity Booklets to all students and display a poster describing the event

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	05/29/2026	Families will receive the Building Block Demo 1 video via email	
09/15/2025	05/29/2026	Notifications and flyers will be distributed regarding the program	
09/15/2025	05/29/2026	Assistance in enrolling in the program, if requested	
09/15/2025		Family workshops around financial literacy will be conducted	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Principal, K-4 Assistant Principals, Parent Coordinator; Cluster Teacher

Instructional Resources

Schedule Adjustments

N/A

Other Resources Needed

Posters, copies of Celebrate 529 activity booklets

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
As per the 2025 NYC School Survey results, there were 94% favorable responses from parents on all items regarding Outreach to Parents (this school makes an effort to reach out to parents to engage them directly in the process of engagement to better involve	Need for more diverse	The school needs to leverage

them in supporting their children to achieve academic goals in strengthening student learning). This was a 3% increase from the 2023 survey and a 1% increase from the 2024 survey. Moreover, we received 98% favorable responses, on average, for Inclusive Leadership (leaders at this school nurture individual agency and build collective capacity from teachers, parents, school community leaders and students around a common vision of reform), a 7% increase from the 2023 School Survey results and a 2% increase from the 2024 survey. On average, P.S. 200 scored 90% favorable responses in the Parent Involvement in School Framework (this school creates opportunities for parents to be involved in school activities and their child's learning), a 5% increase from the previous year.	methods in inviting parents to events, i.e., callouts, emails, flyers, Operoo, etc.	family engagement to better involve them in supporting their children to achieve academic goals.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	90%	By June 2026, there will be an increase of 3%, from 90% to 93%, on average, of favorable responses to all items included in the Parent Involvement topic as measured by the 2026 NYC School Survey.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Determine interests of parents and provide opportunities for inclusiveness based on parent feedback

Root Cause Addressed:

Need for more diverse methods in inviting parents to events, i.e., callouts, emails, flyers, Operoo, etc.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Notification of school events, such as, game night, art show, and family Friday, etc., through callouts , flyers, and notifications through Operoo translated in all home languages
Invite families to a series of parent workshops in ELA, with translators available, to share expectations for Into Reading and Orton-Gillingham and invite the families visit the classroom to observe literacy instruction in action and engage in activities to support their child
Invite families to a series of parent workshops in Mathematics, with translators available, to share expectations for the Envision math program and have families visit the classroom to observe math instruction in action and engage in fluency activities to support their child

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

By December 2025:

- 2 parent engagement/workshops: Into Reading and Orton-Gillingham expectations and benchmarks
- 2 parent engagement/workshops: expectations for Envision Math
- 1 parent in-class visit
- 1 parent workshop to review Acadience/i-Ready data
- 2 ESL parent workshops
- School created survey: to determine additional interests
- A mock NYC School Survey will be distributed to families and responses will be analyzed for future planning

From early December 2025 to mid-March 2026:

- 1 parent engagement/workshop: Into Reading
- 1 parent in-class visit
- 1 parent engagement/workshop on Envision Math
- 1 parent workshop to review Acadience/i-Ready data
- 2 ESL parent workshops
- Host 2 school related events
- School created survey: determine additional interests
- Distribution of NYC School Survey to parents

From mid-March 2026 to June 2026:

- 1 parent engagement/workshop: Into Reading
- 1 parent in-class visit
- Provide Acadience and i-Ready final reports
- 1 parent engagement/workshop on Envision Math
- 2 ESL parent workshops
- Host 1 school related event

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
As per the School Quality Snapshot, our student attendance rate has been a consistent 91% (2023-2024, 2022-2023 and 2021-2022). According to Insight Tool data, collected on May 14, 2025, 27% of all students are chronically absent with an attendance rate of 93%. Moreover, Kindergarten and Grade 1 consistently show the highest rates of chronic absenteeism.	• Families, particularly those new to the school system, may not fully grasp the long-term impact of early absences on academic and social development • Lack of student awareness of the impact school has on their future	Decrease in chronic absenteeism rate

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	27%	By June 2026, there will be a decrease of 2%, from 27% to 25%, of Chronic Absenteeism for all students as measured by June 2026 Insight Tools report.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Develop and implement attendance protocols to communicate to families

Root Cause Addressed:

Families, particularly those new to the school system, may not fully grasp the long-term impact of absences on academic and social development

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Assign staff members to reach out to the families of students who were chronically absent according to RAMO report and provide check ins to ensure that the students are coming to school daily
Create dedicated attendance team meetings, early warning systems for students at risk of chronic absenteeism, and ongoing professional development for staff on attendance best practices
Ensure all attendance communications (calls, letters, website information) are translated into the primary languages of our ELL families
Implement an "early warning system" that flags students approaching chronic absenteeism thresholds, triggering immediate outreach
Add a focus to the attendance team to monitor students with attendance rates between 80% and 89% (consistently

present) to ensure they maintain 85%, but preferably over 90%, and above attendance, for the remainder of the school year

Key Strategy 2 (Optional):

Develop and implement specific attendance initiatives

Root Cause Addressed:

Lack of student awareness of the impact school has on their future

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Student council will plan for school spirit days and incentives for attendance improvements
Assembly programs to acknowledge students with 100% attendance and most- improved attendance
Callouts each morning highlighting classes with 100% attendance the day before
Student Council will plan for school spirit days and incentives for attendance improvements

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

By December 2025:

- 1 Parent Workshop: importance of attendance
- Staff members assigned to reach out to families who were chronically absent in 24-25 school year
- Staff members assigned to reach out to families whose child is “at risk”
- Monthly “Fun Fridays” by Student Council
- Attendance Team: bi-monthly meetings
- Monthly School Spirit Days created by Student Council
- Daily announcement of classes with 100% attendance each day and “SHOUT OUTS” and from staff and students during morning announcements planned by Student Council

From early December 2025 to mid-March 2026:

- 1 Parent Workshop: new admits and importance of attendance
- Monthly reach out to families whose child is “at risk”
- Monthly “Fun Fridays” by Student Council
- Monthly data analysis
- Monthly School Spirit Days created by Student Council
- Daily announcement of classes with 100% attendance each day and “SHOUT OUTS” and from staff and students during morning announcements planned by Student Council

From mid-March 2026 to June 2026:

- 1 Parent Workshop: new admits and importance of attendance
- Monthly reach out to families whose child is “at risk”
- Monthly “Fun Fridays” by Student Council
- Monthly data analysis
- Monthly School Spirit Days created by Student Council
- Daily announcement of classes with 100% attendance each day and “SHOUT OUTS” and from staff and students during morning announcements planned by Student Council

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	109	By June 2026, to strengthen the quality and implementation of IEPs for all students with disabilities, we will strengthen the alignment of IEPs by clarifying the effect of student needs on involvement and progress in the general education curriculum by an increase of 36 highly effective IEPs, from 109 to 145, as measured by IEP Reviews.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Increase the number of SIT/Special Education Team reviews

Root Cause Addressed:

Goals are not grade-level standard based causing a discrepancy between skills taught/learned and skills assessed. 10.8% of students with disabilities were on or above proficiency levels based on June 2025 EOY ready math assessment.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
SIT facilitators will review all IEPs to ensure that the following sections are properly aligned relating to the Present Level of Performance (P.L.O.P.): Evaluation Results, Academic Achievement, Functional Performance and Learning Characteristics, and Students Needs Relating to Special Factors
Teacher teams will develop IEP goals specifically describing the instruction on skills, concepts, and/or strategies that directly connect with the stated student's needs
IEP Review/progress monitoring data/special education professional development sessions
All Special Education teachers will meet weekly as a Special Education Study Group where they will be discussing and analyzing trends on our schoolwide IEPs.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

By December 2025:
• 1 SIT team meeting will be held to discuss new admits and determine if they require a revised/amended service plan as well as to review the quality of IEPs
• IEP teacher will review the Program Services Report (Linkage) and Spec. Ed. Mandate Report on a weekly basis and will meet with all Spec. Ed. teachers and service providers every 3 school weeks to review if students are properly serviced
• Special Education/ENL meetings scheduled weekly to determine what support is needed for ELL students to help them succeed
• Examine the Annual Review List on an ongoing basis
• 10 Sessions with the Special Education Study Group

From early December 2025 to mid-March 2026:
• 1 SIT team meeting will be held to discuss new admits and determine if they require a revised/amended service plan as well as to review the quality of IEPs
• IEP teacher will review the Program Services Report (Linkage) and Spec. Ed. Mandate Report on a weekly basis and will meet with all Spec. Ed. teachers and service providers every 3 school weeks to review if students are properly serviced
• Special Education/ENL meetings scheduled weekly to determine what support is needed for ELL students to help them succeed
•Examine the Annual Review List on an ongoing basis
• 8 Sessions with the Special Education Study Group

From mid-March 2026 to June 2026:
• 2 SIT team meetings will be held to discuss new admits and determine if they require a revised/amended service plan as well as to review the quality of IEPs
• IEP teacher will review the Program Services Report (Linkage) and Spec. Ed. Mandate Report on a weekly basis and will meet with all Spec. Ed. teachers and service providers every 3 school weeks to review if students are properly serviced
• Special Education/ENL meetings scheduled weekly to determine what support is needed for ELL students to help them succeed
• Examine the Annual Review List on an ongoing basis
• 10 Sessions with the Special Education Study Group

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/29/2025	05/29/2026	Parent Workshops	Staff Based

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Administration, IEP teacher, PPT Team

Instructional Resources

i-Ready, HMH unit plans, Acadience and Orton Gillingham progress monitoring, District 20 support from math PLC and ILT PLC's

Schedule Adjustments

N/A

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students identified as below benchmark on June 2025 EOY screeners (Acadience, i-Ready Reading)	Small group targeted skill instruction	Small group (8 to 10)	During School	No
Tier 3	Lack of progress in tier 2	SPIRE/ Phonics for reading	3 to 1; 2 to 1 or 1 to 1 small group	During School	No
Tiers 2 and 3	ELL/SWD/Students identified as below grade level on the EOY screeners and state test scores	SPIRE/ Phonics for Reading pending funding	Small group	Before/after school programs	No
Tiers 2 and 3	Students identified as below benchmark on June 2025 EOY screeners (i-Ready Math)	Building Fact Fluency	Small group/one-to one	Before/during/after school	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Parent request or referral from staff with consent from parents	Counseling	Small Groups	During school	No
Tier 3	OORS, FBA, ICMP	SEL/RULER Approach	small group or one-to-one.	During school	No
Tier 3	OORS, FBA, ICMP	SEL/RULER Approach/Guidance	One-to-one	During school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Parents are notified by letter in their home language that their child will receive MTSS with a description of services provided. October/November will begin the intervention cycle.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Parents will receive updates via parent-teacher conferences/meetings/and phone conversations, Report Card distribution and messages through Operoo.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Through parent-teacher conferences and meetings in November, March and June.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

89 students

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

4 of our 89 students in temporary housing reside in a shelter. The demographic breakdown is: 27 Asian, 1 Black, 39 Hispanic, and 20 White. In addition, 45 are English Language Learners and 13 are students with disabilities. According to available data as of November 2025, our Sth students have an 90.1% average attendance rate with 31 students designated as chronically absent during the 2024-2025 school year.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Clothing and supplies are purchased and distributed to the families. During the holidays, food baskets and gifts are offered. Lower grade students will be receiving additional progress monitoring in Acadience with small group

instruction during the Learn to Read program. All sth students will be offered the opportunity to attend before-school sessions, depending on funding. Additionally, after school opportunities will be extended to the families.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

As of June 18, 2025 data, there are 0 students in foster care enrolled at P.S. 200.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

N/A

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

N/A

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

N/A

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. The Benson School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Some of the planned family engagement activities include the following with input from our family surveys and feedback: Family fun nights, family classroom visits, PTA meetings include school highlights and supports with translations.

Support for Parents and Family Members of Title I Students

The Benson School, will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed

needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;

- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

The Benson School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year; and providing parent workshops to support their child's learning in reading foundational skills and mathematics;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members (i.e. ESL classes requested by parents);
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

providing workshops for families to help their child succeed in school, behavioral strategies, bullying prevention and preventing summer slide.

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;

- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

All teachers are highly qualified with NYS certification in their teaching licenses. Teachers, para professionals, administration and staff participate in professional development with on site staff developers, coach support, specialty groups and workshops provided during the day and on Monday during PD time. Some of the PDs that our staff members participate in are Envision, Into Reading, Orton Gillingham, SPIRE, Sound Sensible, SRSD, ILT turnkeys, Civics for All, Special Education Study Group, Assistive Technology PD and ABA Assessment and Skill Based Workshop.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

We outreach to pre-k students and their families in the Spring to welcome them to our school. Classroom tours are available to all incoming Kindergarten students by our Parent Coordinator. Parents are all invited to a Kindergarten Orientation, where they meet their child's teacher and review Kindergarten procedures. Parents are given the opportunity to ask questions during this orientation. Letters are mailed to our new incoming Kindergarten families in July or August to welcome them to our school.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$1,340,600	x	Priorities 1-5; Chronic Absenteeism; Quality IEPs
Title I, School Improvement 1003(a)	Federal	0	x	
Title II, Part A	Federal	0	x	
Title III, Part A	Federal	$36,880	x	Priorities 1-5; Chronic Absenteeism; Quality IEPs
Title III, Immigrant	Federal	TBD	x	Priorities 1-5; Chronic Absenteeism; Quality IEPs

Title IV, Part A	Federal	0	x	Priorities 1-5; Chronic Absenteeism; Quality IEPs
Tax Levy (Fair Student Funding)	Local	$10,073,358	x	Priorities 1-5; Chronic Absenteeism; Quality IEPs

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Danielle Nola
Assistant Principal (Where Applicable)*	Carol Ferrantino
English as a New Language (ENL) Teacher*	Katherine Lameras
Teacher (if school has a bilingual program must be a bilingual teacher)*	Christine Perez
Parent/Guardian*	Iveta Sparberga
Teacher	Anthoula Drossos/5th Grade
Parent Coordinator	Lucy Lamothe
School Counselor	Patricia Giraffa
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

7

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

7

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

4

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

4

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

1194

Total number and percentage (%) of current ELLs:

409 (34.3%)

Total number and percentage (%) of former ELLs:

123 (10.3%) are former ELLs

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

374 (91.4%) are Newcomers

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

35 (8.6%) are Developing ELLs

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 (0%) are Long-Term ELLs

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1 (0.2%) is a Student with inconsistent/Interrupted Formal Education (SIFE)

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

81 (19.8%) are ELLs with an Individualized Education Plan (IEP)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	DL	Russian	2004	1	1	1	1	1	1								6
DLBE	0																0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

At P.S. 200, ELLs/MLLs are grouped heterogeneously by proficiency level and with the non-ELLs/MLLs in grades K-5. There are designated ENL classes on each grade where all ELLS and non-ELLs are placed. ELLs/MLLs with IEPs are placed in the appropriate classes such as self-contained and ICT. Stand-Alone English as a New Language (ENL) is delivered by a certified ENL teacher. The ENL teachers use the pull-out model for all ELLs/MLLs that scored at the Entering and Emerging level. These students receive 180 minutes of stand-alone instruction. ELLs/MLLs receive their stand-alone minutes with their own grade. At P.S. 200 ENL teachers use the Orton-Gillingham approach to reading during stand alone ENL. This is a multisensory approach, particularly the use of auditory, visual and kinesthetic channels. Students are learning language by ear(listening), mouth (speaking), eyes (seeing), and hands (writing). ELLs/MLLS receive instruction based on language in all curricula areas. Teachers utilize language supports to build comprehension incorporating vocabulary to enhance background knowledge.

Integrated ENL:

Our school uses Collaborative teaching to provide the mandated 180 integrated minutes as per CR Part 154. ENL teachers co-teach with the classroom teachers of the designated ML/ELL classes. We use several different models with our Co-Teaching method.:
(1) One Group: One lead teacher and one teacher “teaching on purpose”,
(2) One Group: Two teachers teach same content,
(3) One Group: One teaches, one assesses,
(4) Two Groups: Two teachers teach same content,
(5) Two Groups: One teacher preteaches, one teacher teaches alternative information, and
(6) Station Teaching: Two teachers monitor and teach.

At our school MLLs/ELLs students are grouped heterogeneously (EN/EM/TR/EX) and are placed in designated classes on each grade, according to the NYSITELL and/or NYSESLAT proficiency levels. After MLLs/ELLs are placed in classes, native English speakers and commanding students are then placed in these classes to encourage language learning from peers. All ELLs/MLLS (EN/EM/TR/EX) students are programmed for 180 integrated minutes.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

Our Dual Language program is a partial emergent program, or 50/50 program. The teachers teach fifty percent of the day in English and fifty percent of the day in Russian. In all of our DL classes English Proficient (EP) students and MLLs/ELLs are integrated 100% of the day and all content area subjects are taught together. In our DL program all grades use the self-contained model, where the classroom teacher provides both English and Russian instruction as well as the ENL mandated services. Heterogeneous grouping during Russian and English portions of the day provides students with opportunities to assist and learn from one another and allow second language acquisition to occur naturally. In our DL program, ELLs are heterogeneously grouped according to the NYSESLAT/NYSITELL results.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

At the beginning of the school year, the ENL Coordinator and the administration meet to ensure that all ELLs are receiving their mandated number of instructional minutes in all of our program models. We use the RLAT and the RLER to make sure all of our ELLs are in the appropriate classes. In each program model (DL and ENL) entering and emerging students are programmed for 180 integrated ENL/ELA minutes and 180 stand-alone ENL minutes. Transitioning/Expanding students are programmed for 180 integrated ENL/ELA minutes. Some of our Commanding students are programmed for 90 integrated ENL/ELA minutes or such services approved by the CR Part-154. The Testing Coordinator/ ENL Coordinator work collaboratively with administration to develop a testing schedule to ensure that all MLLs/ELLs and former ELLs receive the appropriate time on all statewide exams.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In our ENL program, students receive 180 minutes of integrated ENL minutes by an ENL teacher and Common Branch teacher during ELA instruction. ENL teachers co-teach with the classroom teachers of the designated ML/ELL classes. We use several different models with our Co-Teaching method:
(1) One Group: One lead teacher and one teacher "teaching on purpose",
(2) One Group: Two teachers teach same content,
(3) One Group: One teaches, one assesses,
(4) Two Groups: Two teachers teach same content,
(5) Two Groups: One teacher preteaches, one teacher teaches alternative information, and
(6) Station Teaching: Two teachers monitor and teach.

In our Dual Language program, ELL students receive integrated ENL minutes during ELA by their certified Dual Language teacher.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our Dual Language program is a partial emergent program, or 50/50 program. The teachers teach fifty percent of the day in English and fifty percent of the day in Russian. In all of our DL classes English Proficient (EP) students and MLLs/ELLs are integrated 100% of the day and all content area subjects are taught together. We use monolingual lessons using the Rollercoaster model fostering knowledge across language, where Russian and English instruction alternate between morning and afternoon each day. In our DL program, all grades use the self-contained model, where the classroom teacher provides both English and Russian instruction as well as the ENL mandated services. In our DL program emergent literacy is taught simultaneously in both languages. Native Russian and English speaking children have the opportunity to develop their listening, speaking, reading and writing skills in both languages. Heterogeneous grouping during Russian and English portions of the day provides students with opportunities to assist and learn from one another and allow second language acquisition to occur naturally. Our DL program will continue to be an additive bilingual program meaning that all students learn a second language without compromising their first language. In our DL program ELLs are heterogeneously grouped according to the NYSESLAT/NYSITELL results.

b. In which language(s) is each core content area taught?

Math, Social Studies and Science are taught in both English and Russian in our Dual Language program.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

At our school, we have 374 students that are newcomers, which is 91.4% of our ELL population. Newcomers receive explicit instruction in vocabulary and phonics so they prepared with the skills necessary for decoding and comprehending English. We are sensitive to newcomers' emotional needs in adapting a new culture so we pair our newcomers with students that share a common home language when possible. Our teachers use TPR (Total Physical Response) in our programs. This pairing of movement with language is associated with effective learning. For newcomers, our school gives these students special attention , whenever possible. Our Developing ELLs require more help in reading and writing based on NYSESLAT scores. Teachers do not need to pair these students up with another student that speaks their language. These students require specific feedback working on methods to correct their mistakes. These students receive grade level instruction that focuses on building higher order reading and writing skills. Developing MLLs benefit when teachers build on prior knowledge and experience. Teachers use assessments, informal conversations, previous teacher's conversations to build awareness and design instruction that leads to increased academic success. Developing ELLs also participate in our RTI Tier groups, after-school and morning programs.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

We have 1 SIFE student at this time, which is 0.2% of our ELL population. We differentiate instruction through effective strategies. Some strategies we will be utilizing for teaching SIFE students are: activating prior knowledge, providing a print rich environment, engaging students in hands-on learning so students are physically involved, limiting new vocabulary, providing frequent checks for communication, forming cooperative groups, and building native language content and literacy instruction in order to build on English. Many SIFE have limited literacy skills, and may not be able to read and write in their home language. These students will benefit from integrated language instruction into all subject areas.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We have no Long-term ELLs at this time. However, if we have students that become long-term ELLs, we will strongly urge all to attend our extracurricular programs. Long-term ELLs are often ELLs with learning disabilities. We may have to provide special education supports, services, accommodations and specially designed instruction to meet the specific instructional needs MLLs/ELLs with disabilities. All teachers of ELLs/MLLs use grade level content along with scaffolds to help meet the needs of all students.
For long term ELLs without disabilities we would provide supports and scaffolds during instruction as well as offer additional academic support during the before and/or after school program. Family engagement to provide at home supports to enhance learning aligned to their goals.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Former ELLs make 5.4% or our population. The RTI team, instructional team and ENL teachers monitor progress of our former ELLs to meet each student's needs. As required by state, these students receive extended time when taking tests. These students receive 90 minutes of integrated ENL instruction by an ENL teacher or an approved program as per part CR Part 154.

Our school is providing mandated instruction to former ELLs by including small group instruction to support the former ELLs and meet their needs.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Analyzing the EDAT at-risk levels for the 2022-2023, 2023-2024 and the 2024-2025 school years, one noticeable trend is that a large percentage of our ELLs are newcomers. Specifically, our data indicate that we serviced 89.4% newcomers in 2022-2023, 88.1% in 2023-2024 and 91.4% in 2024-2025.

Moreover, 3.4% of our ELLS in 2024-2025 are potential long-term ELLs, a slight decrease of 0.3% from the previous year. Data from EDAT also indicate that 14.2% of our ELLs scored either a Level 1 or Level 2 on the 2023-2024 NYS ELA Assessment, an increase from the previous school year where 4.6% scored either Level 1 or 2. In addition, 12.2% of ELLs scored either a Level 1 or Level 2 on the 2023-2024
NYS Math Assessment, a 7.1% increase from the previous year. Data show that we had an increase of students in temporary housing, 12.0% for the 2024-2025 school year as compared to10.2% in 2023-2024. There was also an increase in the percentage of students who did not demonstrate sufficient ELP Progress (Spring 2024 NYSESLAT) - 31.3% in 2024 compared to 24.8% 2023 NYSESLAT.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

After examining all at-risk levels for former ELLs, the trends for the 2024 school year were similar to the 2023 at-risk levels with increases noticed in the percentage of students scoring below proficiency. In 2022-2023, 10.6% of our former ELLs scored either Level 1 or 2 on the NYS ELA Assessment while17.9% scored below proficiency on the

2023-2024 NYS ELA Assessment. On the 2024 NYS Math Assessment, 4.9% of our former ELLs scored either a Level 1 or 2 while 1.6%
scored at the same levels during the previous 2 school year. In 2024, 4.9% of our former ELLs were in temporary housing which is similar to the 2023 EDAT data of 2.4%

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Currently, Spanish, Russian, Uzbek, Urdu and Arabic make up a large portion of home languages spoken at home with Spanish and Russian being the predominant home languages. Since ELLs with the home language of Russian comprises a large portion of our student population, we have a Russian Dual Language program in grades K-5. Our school has 12 Russian speaking teachers, 3 Russian speaking paras and 1 Russian speaking social worker that supports the needs of our large Russian population.

There has been a growth in the number of our Spanish speaking population among our early grade levels with 68 of our students in grades K-2 as compared to 35 in grades 3-5. The number of students speaking languages other than Spanish are similar between the two age categories.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classifications of ELLs at P.S. 200 are:
-Non-Hispanic ELLs: 143 Asian students, 1 Black, 6 Multiracial and 155 White
-Hispanic ELLs: 71 American Indian/Alaskan Native, 5 Multiracial, 3 Native Hawaiian/Other Pacific Islander and 25 White.
-Total Ethnicity Breakdown: 71 American Indian/Alaskan Native, 143 Asian, 1 Black, 11 Multiracial, 3 Native Hawaiian/Other Pacific Islander and 180 White

ELLs are included in planning and delivery of CR-SE.

Welcoming and Affirming Environment: The RULER approach to support students in their social emotional learning as well as to learn about our students through a student inventory or a student survey. At the beginning of the year teachers provide students with an inventory to find out more about the each student's likes and dislikes, thoughts and viewpoints. After analysis of the survey, we plan events and school activities based on our students' interests.

High expectations and rigorous instruction Students will have access to rich content in curriculum as well as project based learning activities and hands on learning. Students will be asked to make real world connections and deepen their knowledge incorporating vocabulary and building background knowledge as well as considering essential questions for each unit of earning.

Inclusive curriculum and assessment: Our school also uses a curriculum that multi-cultural in our curriculum so that all students feel represented. Students will have opportunities to do research and inquiry based on the modules and units of study. ENL supports and strategies i will be included within lesson planning, i.e., sentence frames, visual supports, home language connections.

Ongoing professional learning: PL will be ongoing throughout the year with our HMH coach and our UFT coach to

support the needs of all ELL learners. Monthly planning sessions will allow for staff to review data and plan for small group instruction.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

After reviewing the Spring 2024 NYSELAT Result Overview: English Language Proficiency Growth, 27.0% of our ELLs met progress by
exiting ELL status, a slight decrease from the previous year. However, there was an increase in the percentage of students who met annual progress target - 16.0% in 2024 as compared to 15.2% the previous year. Conversely 3.0% met safe Harbor in 2024 while 5.4% met Safe Harbor the year before. A total of 128 out of 237, or 54%, students did not meet ELP sufficient progress.

Further analysis of EDAT indicate the following % of students needed between 1-10 points to achieve the next level of proficiency on the 2024 NYSESLAT, that is movement from Entering to Emerging, Emerging to Transitioning, etc.:
Entering to Emerging: 6/14 or 42.8%
Emerging to Transitioning: 14/46 or 30.4%
Transitioning to Expanding: 28/83 or 33.7%
Expanding to becoming Former: 27/131 or 20.6%

Had at least half of our 75/274 students earned up to 10 points more on NYSESLAT, approximately, 14% more ELLS may have achieved sufficient progress bringing our total of 54% not making sufficient progress down to 40%.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

The grades that showed strengths for each modality on the NYSESLAT 2024 assessment are as follows:
Reading - Grade 1
Writing - Grade 1
Listening - Grade 5
Speaking - Grades 3 and 5

Reviewing the same cohort of students from 2023 to 2024, data show that 2023 Grade 2 students strengthened their speaking proficiency from Grade 2 to Grade 3, 2023 Grade 3 students strengthened their speaking proficiency from Grade 3 to Grade 4, and 2023 Grade 4 students strengthened their speaking proficiency from Grade 4 to Grade 5.

The grades that showed areas of needs for each modality on the NYSESLAT 2024 assessment are as follows:
Reading - minimal in grades 3 and 4
Writing - Grade 2
Listening - none
Speaking - Grade 1

Reviewing the same cohort of students from 2023 to 2024, data show 2023 Grade 1 students more in writing proficiency from Grade 1 to Grade 2, 2023 Grade 2 students struggled more in writing proficiency from Grade 2 to Grade 3, 2023 Grade 3 students struggled more in reading from Grade 3 to Grade 4, and 2023 Grade 4 students remained constant in all modalities from Grade 4 to Grade 5.

The modalities that need the more reinforcement in all grades are writing and, although there was some progress in this modality from the previous year, speaking.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

The majority of our ELLS scored either a level 1 or 2 on the 2024 ELA State Assessment with a significant number of Emerging, Transitioning, and Expanding students scoring Level 1. No Emerging or Transitioning students scored a level 2. However, 27 of our Expanding and Commanding students scored at that level. Students scoring at or above proficiency show that 9, or 39.1% of our Commanding students scored at either Level 3 or 4, the only ELL subgroup to attain either of those levels.

Of the 99 ELL students who took the 2024 NYS Math State Assessment, 17.1% of our students scored Level 1. Those comprising Level 1 consisted of Emerging, Transitioning and Expanding students. The percentage of students who scored at Level 2 is 34,3% made up of students in every ELL level with the majority of students designated as Transitioning and Expanding. The majority of our Expanding and Commanding students scored at Level 3 with 42.2% of our total ELL population scoring at that level. Of the 6 ELL students who scored Level 4, students were either Expanding or Commanding.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

There were no SIFE ELL students assessed on the 2024 NYSESLAT.

Of the 31 current 4th and 5th grade students with IEPs, 11 or 35.4% scored either a Level 1 or 2 on both the ELA and Math State Assessment. Moreover, of the 91 students with IEPs, 41 or 45.0%, did not meet sufficient progress on the 2024 NYSESLAT Assessment. This is in contrast to the 87 out of 441, or 19.7%, of ELLs without IEPs who did not meet sufficient progress on the same assessment.

We believe that these results are impacted by the lack of background knowledge and comprehension skills indicating the need for additional language acquisition instruction including foundational skills, morphology and vocabulary instruction to support comprehension.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At PS 200, all ELLs receive a high-quality academic experience by building on the strengths of all students to enhance their potential. Our school uses research based tools and processes to design high-challenge, high support instruction incorporating well scaffolded lessons that provide multiple entry points for the diversity of English language learners. Teachers also structure quality interactions that promote language development, problem solving and collaboration. Teachers working directly with HMH coach to create small groups for instruction positively impacts the results for these subgroups. Teachers provide instruction on vocabulary development/language acquisition skills needed and build background knowledge to enhance our newcomers access to the curriculum.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our school's Instructional Leadership Team always considers MLs/ELLs in the school's instructional design. There is a a designated ENL teacher on the team to ensure that the needs and supports of our MLs/ELLs are considered when designing the schools instructional policies. The school's instructional design offers supports, accommodations, a variety of resources and multiple entry points for MLs/ELLs. The team designs instruction to provide opportunities for students to use background knowledge and connection to the curriculum and individual identity through accountable talk, mood meters, reading and writing assignments. Our instructional team progress monitors ELLs using Acadience, I-Ready, and Orton Gillingham assessments. The instructional team meets bi-monthly and completes monthly non-evaluative instructional rounds to selected classrooms to identify the instruction that students are receiving and to ensure that teaching and learning are organized, structured and culturally engaging for ELLs/MLLs. This team meets after instruction to discuss what they observed and to make any recommendations to improve instruction.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Our school uses Collaborative Team Teaching along with other co-teaching models, depending on the content and students needs to deliver core content instruction in our ENL program. The ENL teacher and the classroom teacher work together to create a dynamic classroom providing multiple opportunities for presenting information. ENL teacher and the classroom teacher work collaboratively to amplify instruction for ELLs. Effective collaboration benefits both students and teachers. In our ENL program, all core content is delivered in English using specific instructional approaches and methods to make content comprehensible and meet the demands of the Next Generation Learning Standards (NGLS). All teachers of MLLs/ELLs use multimedia, realia, demonstrations, manipulatives, visual directions, modeling and pictures to make content more comprehensible. In our DL program, core content is delivered in both English and Russian. In our DL program all grades use the self-contained model, where the classroom teacher provides both English and Russian instruction as well as the ENL mandated services. In our DL program emergent literacy is taught simultaneously in both languages. Native Russian and English speaking children have the opportunity to develop their listening, speaking, reading and writing skills in both languages.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

At PS 200, all students, including students with IEPs, have access to grade level materials. Teachers of ELLs with IEPs scaffold grade level instruction using graphic organizers, visuals, charts, videos etc. All students have a personal device for use at school and at home. Our school utilizes the Imagine Learning program, Starfall, Abcya, Raz Kids and Brainpop. These programs offer native language support in some of the common languages of our students. All of these programs are on our Symbaloo homepage so its easy to navigate for students and parents. All students use I-READY in both reading and math and are provided with a personalized learning to target areas of deficiency. For science, we use Amplify for all grades. We will continue using the Envisions Math program for all grades. Our school uses the Passport program for Social Studies. All of these programs are Next Generation Aligned and include ELL supports and provide opportunities for ELLs to access grade level content. This includes ELLs with IEPs. All classrooms are equipped with new Promethean Boards that can be used to show videos, pictures, etc.to help students understand grade level materials.

b. SIFE

At PS 200, we have 1 SIFE student. This student has access to all of our grade level curriculums across content areas. This student receives 360 minutes of mandated Stand alone and Integrated ENL services. The ENL teacher provides intensive literacy and language instruction in the major components of reading (Phonemic awareness, phonics, fluency, vocabulary and comprehension. This student receives academic intervention services in both reading and math. This student attended all of our after school and Saturday programs. Our school provides a supportive environment that responds to the needs of SIFE students. We use bilingual staff members to support the student's native language we also use a peer buddy system to assist students with daily routines.

c. Newcomers

PS 200's newcomers receive the required minutes of ENL instruction based on their proficiency levels. These students will be invited to our Title III Saturday Academy and our Title III afterschool. Newcomers receive explicit instruction in vocabulary and phonics so they are prepared with the skills necessary for decoding and

comprehending English. We are sensitive to our newcomers' emotional needs in adapting to a new culture so we pair our entering level students with a student who shares a common home language when possible. If necessary, adaptations that are used are simplified language for clarity, adding visuals/ scaffolds, examples and translations to google forms, slides etc.

d. Long Term ELLs

Teachers use data gathered from assessments to guide instruction for our long term ELLs. Long term ELLs are strongly urged to attend all of our extra curricular programs. Teachers will create activities that require students to use language within two or more of the four modalities. This strategy helps reinforce the concepts being emphasized. Practice in one modality often helps improve competence in other modalities.

After students reach the commanding level on the NYSESLAT they are afforded two years of transitional assistance. The RTI Team, Instructional Team and ENL coordinator monitor their progress to meet each child's needs. These students receive 90 minutes of integrated ENL instruction by an ENL teacher or approved program as per CR Part 154.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

At PS 200 our curriculum is modified to meet the needs of ELLs with IEPs. During mandated ENL classes teachers focus on skills in reading and writing that will enable students to meet standards and their IEP goals. Our ENL teachers provide the appropriate mandated integrated minutes using a variety of co-teaching models. If students require standalone minutes, the ENL teacher provides mandated services. ELLs with IEPs are provided with targeted instruction to meet their learning needs. These students receive small group instruction to help them build reading comprehension skills and are given opportunities to develop their English literacy skills. All special education teachers meet weekly with their supervisors to plan, look at data, discuss new strategies, review IEPs, etc. These meetings provide teachers with support to help meet the needs of their students.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Students who are in our Dual Language program are evaluated with teacher created formative assessments in their native language. Our school uses the envisions math program which has a Russian component and grades 3-5 are assessed in math using these home language assessments. Our Dual Language program uses Russian books for support at home in the student's home language. We do not assess home language in our ENL program, however we have bilingual books and bilingual dictionaries to support our students. We utilize staff members who speak the languages of our students to help translate for our students that need the support. We will nclude interview questions that focus on identifying the students' proficiency in their home language as well as other screener questions to assess their ELA skills in their home language.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

At PS 200, each grade has a common planning prep. All ENL teachers meet weekly with ELA instructional lead team to plan and review data. When possible classroom teachers can meet with their co ENL teacher to plan and collaborate. In our Dual Language program, dual language teachers have a common period once a week to meet and review data to plan for instruction. ELA weekly team meetings are held with ENL teachers to promote collaboration. ENL teachers are assigned to a specific grade and meet with their teams during common planning as well as during Monday professional development sessions. Additional time is also provided through meetings with the HMH coach and/or literacy coach to collaborate and plan for small group instruction.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

ALL ENL teachers and teachers of ELLs participate in ENL professional development provided by RBERN, OLM and Brooklyn South Support Team. These workshops provide opportunities for teachers to participate in trainings related to the academic and social emotional needs of MLs/ELLs. The ENL teacher that attend these meetings, turnkeys these PDs to their corresponding grade.

The learning for the district monthly meetings for the ELL point person will be shared and turn keyed to the full staff. Time will be provided for ELL teachers to unpack curriculum with co teachers/grade teams to plan for supports and scaffolds that provide ELL students access to engage in core instruction.

Professional learning for teachers including ENL support staff and admin will be provided by the HMH coach during monthly meetings. The coach will model and plan using best practices for ENL supports and small group instruction in order to provide access to all levels of students. Teacher teams will also learn about the various co-teaching strategies that can best meet the needs of their students during the integrated learning periods.

RULER professional leaning will be provided for all staff to include during SEL periods to support students in recognizing and regulating their own emotions as well as to be utilized by making connections to literacy instruction. Monthly themes and activity calendars provide students the opportunity to grow socially within their learning community.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

The administration, classroom teachers and ENL teachers make sure that all teachers have the appropriate mandated training. Our school has ongoing training with the Orton & Gillingham trained specialist to provide

necessary phonics training to teachers of grades K-5. The ENL teachers will attend the training from HMH coach; to review data to inform instruction that will meet the needs of their ENL students. The ENL also staff receives training during professional development time. The training sessions assist teachers throughout the building in scaffolding and differentiating grade level work for their ELLs. We intend for all staff members to be able to incorporate ELL strategies into their teaching. Teachers keep copies of the recorded PD time as well as the payroll secretary.

Our UFT instructional coach will be offering PD for the staff that will provide CTLE hours. The additional school level, district, UFT, and ELL liaison meetings make up the 50% of total hours for our ENL teachers. We will also provide the staff with opportunities to attend outside professional development that are CTLE accredited.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We use Acadience to assess phonics in grades K-2 and utilize the data to guide planning for our ELLs. This assessment gives teachers and service providers an in depth look at the students understanding of letter recognition, letter sound recognition, phoneme segmenting, oral reading fluency, and comprehension. We have structured Learn to read (LTR) periods based on the data from acadience to meet the needs of groups of students as well as progress monitoring to determine impact. With this data, teachers are more aware of students' strengths and weaknesses and be able to plan instruction and small groups accordingly.

We use I-READY for grades 3-5 for ELA. This data is utilized the data to guide small group instruction and planning for our ELLs. We use I-READY in math for all grades (K-5). The results are analyzed to determine the specific needs for each student to be addressed during small group instruction.

Data also informs the placement of students in the before and after school programs.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

PS 200 offers a variety of targeted intervention programs in order to meet the needs of MLL/ELLs in ELA and other content areas. All of our reading and writing units on every grade are content area based. ENL instruction is incorporated into Social Studies, Science, Reading and writing thus combining content area instruction and language learning. Our Social Studies and Science cluster teachers use hands on learning and ENL techniques to introduce new concepts to MLLs/ELLs. Our school uses Amplify Science and Civics for All for Social Studies. Amplify science blends hands-on investigations, literacy rich activities and interactive digital tools to empower students to think, read, write and argue like real scientists and engineers. Our Civics for All Social Studies program includes units of study as well as a variety of documents, trade books as part of the classroom to support rigorous instruction and student inquiry. Our school uses Envisions for our math program. This program supports MLLs/ELLs by incorporating hands on activities, use of manipulatives and Promethean Board technology. Our school utilizes our RTI teams in both ELA and Math. RTI is a process which includes the provision of systematic, research based instruction interventions to struggling learners. All students in RTI receive research-based reading and math instruction provided by a highly qualified teacher. The instruction is differentiated within the classroom to meet a broad range of students' needs. We offer Tier 1, Tier 2 and Tier 3 intervention services. Our Tier 1 program is either a mix of whole class or small group, research based instruction to address the students specific need based on classroom observations and universal screeners. Our Tier 2 program in addition to Tier 1, get extra support based on the universal screener. Students who require additional support in Tier 2 receive Orton & Gillinghm instruction for 8

weeks at least 2 times a week. Our Tier 3 program meets a minimum of 4 times per week for 4 weeks. Tier 3 get intensive support from a special education teacher who is trained in Orton & Gillingham as well as Lindamood Bell programs (LIPS, Seeing Stars)At times our school groups students who share a common language together to allow students to access content by interacting with each other at varying levels of language proficiencies. Students struggling in Russian in our Dual Language Program receive instruction that is differentiated and these students take part in small group instruction using specific strategies to target areas in need. Our school has many home language resources in many of our classrooms and our school library. We also use many online reading programs that offer books in multiple languages.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school's RTI team uses data from the Orton & Gillingham assessments, I-Ready, Acadience, Into Reading selection quizzes, end of module tests performance tasks, analyzing data and Math chapter tests to drive instruction. Our school uses the data gathered to guide instruction to meet the individual needs of the students. Intervention strategies, as well as scaffolding supports can be determined from the data collected and analyzed. Our school uses results from the Orton & Gillingham assessments, unit tests, and writing assessments to determine each student's area of strength and weakness. After analyzing the data, the RTI team determines the main area of concern and interventions are designed to target those areas. We use ongoing progress monitoring to determine which skills are developing and which ones are a specific concern . In grades K-2, students are grouped homogeneously (LTR periods) for phonics based on the baseline screeners in Acadience. Throughout the year RTI teachers progress monitor these students and groups are adjusted based on students needs.

For MTSS, small group instruction based on their needs tier 2 provide additional explicit instruction, double dose OG, tier 3 using small group outside of core for instruction with a program SPIRE/Sound Sensible with ongoing monitoring of progress using the Tier 3 assessments

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Our school uses a variety of formative assessments to inform and drive instruction. Our new reading curriculum, Into Reading, aligned to the Science of Reading, provides us with selection quizzes, end of module assessments, performance tasks and writing assessments within each module. This allows teachers to determine the level of comprehension for each student and identify strategies to scaffold and support their access to the grade level text.

For foundational reading we also Orton Gillingham pre assessments, progress monitoring and end of year assessments which include coding sheets, quizzes, and spelling tests. and are used for assessing and planning for our MLL/ELLs. These assessments provide data on foundational skills, reading fluency, comprehension of texts, use of vocabulary skills in determining multiple meaning of words and use of vocabulary in different contexts.

Our school uses Envision topic tests, Beginning of the Year and End of the Year Assessments, as well as, teacher created math quizzes to inform and drive instruction.Our school will use continue to use the I-Ready diagnostic tests to drive instruction for MLLs/ELLs.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

Students who are in our Dual Language program are evaluated with teacher created formative assessments in their native language. Our school uses the enVsions math program which has a Russian component and grades 3-5 will be assessed in math using these home language assessments.

Our ENL students have access to their home language for assessment in Math and Literacy including glossaries, ready access to language,

ENL intake process using the home language along with English.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Our school uses the data from the NYSESLAT and NYSITELL along with the RFSF and EDAT Tool to make decisions for our MLLs/ELLs programs. Students that perform at the Entering/Emerging levels are placed in classes along with native English speakers and/or Commanding students, and an ENL teacher provides the mandated integrated ENL minutes along with standalone minutes to meet the needs of the students. Our Transitioning and Expanding students are also put into classes with native English speakers and Commanding students and all mandated ENL minutes are provided. ELLs who show deficiencies in listening/speaking receive instruction focusing on oral language, vocabulary, and speaking for communication using Basic Interpersonal Communication Skills (BICS). Through the use of appropriate big books, modeling, TPR, visuals, trips and much more children acquire oral language. Data results for students who are deficient in reading/writing receive more advanced instruction focusing on comprehension and Cognitive Academic Language Proficiency (CALP). Instruction at this level includes reading and writing, editing, grammar, inferencing, and drawing conclusions, academic and analytical conversations.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

After the initial NYSITELL testing has concluded and the NYSESLAT scores are reviewed, teachers meet with the administration and present a roster of all eligible ELLs. Certified ENL providers will administer and score the NYSESLAT assessment. The testing coordinator and the ENL coordinator use these rosters and other ATS reports for example the RLER to ensure that all eligible students are administered all sections of the NYSESLAT. The testing coordinator, the ENL coordinator and the principal create a schedule for administering the four components of the NYSESLAT. The principal assigns a sufficient number of staff and adjusts the school's schedule as necessary to ensure all NYSESLAT modalities are administered . The ENL coordinator and the Testing coordinator meet right before the exam to review list of all ELLs and to pack all envelopes for all modalities of the NYSESLAT. On the front of every envelope there is a list of students taking exam. Teachers write any absentees on the front of envelope. After the exam is over the ENL coordinator and the testing coordinator make an envelope for make-up exams. Make-up exams are given everyday within the testing window until all make-ups are complete.

Our plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period is to schedule around instructional windows as well as enlist additional certified staff to support the ongoing instruction.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

The testing coordinator reviews all mandated accommodations to ensure the proper supports are in place.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At the beginning of each year, our school provides an ELL Program Orientation to inform parents/guardians of newly identified ELLs of all ELL programs options. At this meeting our school shows the Parent orientation video in the languages of our parents. We have bilingual staff members available at these meetings to help parents with interpreting so they fully understand all options. Administration, ENL teachers, and Dual Language teachers are available to answer all questions parents may have. At this meeting, Next Generation Learning Standards, assessments and school's expectations for ELLs are all discussed. Parents of students that come throughout the year will get an individualized meeting. Attendance is taken at this meeting and is scanned and put in the ELL google drive.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Our school uses designated parent engagement time to provide individual meetings with families of ELLs to discuss goals of the program, language development progress, language proficiency assessments results, and language development needs in all content areas. Teachers communicate through in person meetings, conference calls or a

google meet. We use members of our staff that speak the home language of our parents or we utilize the over-the-phone interpretation services to assist with these meetings. The meetings are documented using a google form.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

At PS 200, all registration forms are in multiple languages. We use Operoo that translates forms in all languages and any other forms that go home in English have a statement in 9 most common languages that says "if you need this document translated please come to the main office." Parents that need help communicating in their language call our school and ask for translator or they come into the main office and ask for translation. If we do not have staff that speaks the specific language we use the over-the-translation service. All of our PTA meetings, state exam meetings, and any other parent meetings have bilingual staff members that translate the meetings in the preferred language of our parents.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our school surveys the parents of our school to see what their needs are. Many of our parents are interested in English classes. Our school provides ENL classes to parents of our MLLs/ELLs. Parents come for the hour and half session to learn English so they can support their child's English language learning. Our school also hosts many workshops to help our middle school application process, understanding IEPs, helping with the summer slide, homework routines etc.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

At PS 200, all our scheduled meetings are on the school website and a school messenger is sent to all the families to notify parents when SLT, PTA and CEC meetings are. These meetings are also posted on a bulletin board in the main vestibule.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our school partners with Puppetry in Practice. Puppetry in Practice is committed to using the arts as a lens through which students experience, learn from and appreciate the world's rich history of ideas, cultures and imagination. Puppetry in Practice brings the worlds great stories bridge cultures and help young people become aware of their creative selves, the contributions of others and their connections to a global community.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

All of our certified ENL teachers, Christine Perez, Rosa Montemarano, Wei Lan Deng, Ana Fernandez, Katherine Lameras, Angellica Kalliangas, Jessica McCarthy , and our IEP teacher, Alexandra Ikonomou are on the identification team.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

ENL schedules are shared with the general office and are used to identify the available periods for each ENL teacher. When a new student registers in our school, the pupil accounting secretary reviews the schedule of our ENL teachers and summons an available member of the identification team to conduct the intake and identification of ELLs during their non-instructional period. A pedagogue administers the HLIS with the parent/guardian present and conducts the oral interview with the student. Based on the responses on HLIS and the oral interview, it is then determined if the student is eligible to take the NYSITELL. This procedure ensures that the identification process does not interrupt the provision of mandated ENL and/or bilingual instruction.

All certified ENL teachers, Christine Perez, Wei Lan Deng, Ana Fernandez, Katherine Lameras, Rosa Montemarano, Angellica Kalliangas, and Jessica McCarthy, as well as our IEP teacher, Alexandra Ikonomou are members of the identification team. The ENL team members are responsible for each step of the ELL identification process.

PS 200's plan for ensuring ELLs and former ELLS will continue to receive mandated instruction incorporates identifying these students and determining which ENL teacher will service them. The ENL teachers create a schedule for the days and times they instruct each student.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Lucy	Lamothe	Parent Coordinator - Annual	02/27/2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Surveys conducted by your school,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ALBANIAN	13	0.59%	13	0.59%	2	2
ARABIC	81	3.66%	87	3.93%	3	3
BURMESE	0	0.00%	1	0.05%	0	0
CHINESE ANY	159	7.18%	130	5.88%	14	14
CANTONESE	1	0.05%	23	1.04%	14	14
GEORGIAN	15	0.68%	15	0.68%	0	0
HUNGARIAN	1	0.05%	1	0.05%	0	0

KOREAN	2	0.09%	2	0.09%	0	0
MANDARIN	1	0.05%	8	0.36%	2	2
ENGLISH	1008	45.53%	971	43.92%	0	0
POLISH	3	0.14%	3	0.14%	0	1

TURKISH	5	0.23%	5	0.23%	0	0
TADZHIK (AKA TAJIK)	18	0.81%	19	0.86%	0	0
URDU	85	3.84%	97	4.39%	2	2
UKRAINIAN	12	0.54%	13	0.59%	1	1
UZBEK	180	8.13%	190	8.59%	1	1
VIETNAMESE	1	0.05%	2	0.09%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Registration Forms	Our school uses Operoo, a digital platform, that translates all registration forms to their native language
Emergency Contact Card	Parents use Operoo to complete forms using the language they are comfortable with
ELL Entitlement/Non Entitlement Forms	DOE intranet templates
NYSESLAT notifications	Our school uses the DOE T&I unit and bilingual staff to write notification letters
Parent Flyers	Bilingual staff members create flyers for the ENL parents in every home language.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g.	How do you plan to offer interpretation services? Please outline the procedures and

parent workshops, PTCs)	resources in place to ensure timely access to interpretation for parents.
Parent Orientation/Workshops	Our school uses Bilingual staff
PTA meetings	Our school uses Bilingual staff or the closed caption tool can also be used if translators aren't available
Parent Teacher conferences	Our school uses Bilingual staff and over-the phone interpretation services

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

At PS 200, we use many of our bilingual staff members to communicate to families that do not speak English. In the event of an emergency, we use school messenger and Operoo as effective ways to relay information to parents.

During a student-specific emergency, PS 200 uses either the over-the-phone translation service or bilingual staff members to translate.

When a parent needs to contact the school in an emergency, they call the school and we connect with the over-the-phone translation line, or we transfer the call to a bilingual staff, if available, member who speaks the language of the parent.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

In the beginning of each school year our LAC provides professional development to all staff members on the Chancellor's Regulations A-663. The LAC also provides staff members with all the information for the over-the-phone interpretation services, the translation services and all the documents that we have translated in various languages. WeLearn training will be shared with the staff. A staff survey will be created to track the completion process.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

At PS 200, our LAC ensures that each year all mandated notification requirements are translated in the preferred languages or our parents. This includes Bill of Parent's Rights and Responsibilities and the Parent's Guide to Language Access. Our LAC, along with the safety team, will ensure that our safety plan contains procedures for ensuring that parents in need of language access services are not prevented from reaching the administrative offices solely due to language barriers. All parent engagement events are sent home in preferred languages of our parents. We also add a tear off on the bottom of all flyers, letters, etc. that informs parents, in their native language, that they can come to the school to obtain a translation of the document. Parents also utilize Operoo, a communication tool, to get notifications about
school events, important messages etc. in their native language. The multilingual welcome poster and other multilingual signage are displayed in the main entrance of the school building near the safety agent.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Surveys in multi-languages will be distributed to our parents/guardians throughout the year. These surveys will be analyzed to assess the quality of language assistance services we provide.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our school implements Operoo which automatically translates messages into the home language based on the parents' home language form. In order to improve for the next school year, we plan to provide per session funding for staff fluent in languages other than English to engage with families during events/meeting.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School,After School

Total number of ELLs to be served in this program:

250

Grades to be served in this program. Select all that apply.

,3,4,5,K,1,2

Total number of teachers in this program:

9

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

6

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

3

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our school purchased a subscription to the Imagine Learning and Literacy program. This personalized learning program accelerates both language and literacy skills development side by side. Direct, explicit and systematic instruction and practice ensure students learn critical skills in four language domains. Personalized learning pathways adapt automatically to maximize engagement and progress, accelerating to match a cognitive leap or adjusting when students need extra scaffolding and support.

There will be two programs for the students. The morning program will focus on K-2 ELLs. This program will take place before school on Tuesdays, Wednesdays and Thursdays. ELLs at all levels will be invited to this Title III program. ELLs will be grouped by grade. We will invite 25 to 40 ELLs per grade, approximately 120 students. A certified teacher will instruct each group of ELLs. Teachers will support students on Imagine Learning based on their needs.

The after-school program will focus on grades 3-5 ELLs. This program will take place after school on either Tuesdays and Wednesdays or Wednesdays and Thursdays. ELLs at transitioning and expanding levels will be invited to this Title III program. The students will be grouped by grade. We will invite 25 to 40 ELLs per grade, approximately 120 students. A certified teacher will instruct each group of ELLs. Teachers will assist students on Imagine Learning and reading comprehension.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Data from the BOY i-Ready Reading, BOY i-Ready Math, and 2025 New York State ELA and Math Assessments indicate that most of our transitioning and expanding ELL students in grades 3-5 scored below proficiency grade level in each of these assessments. Specifically, 98% of the 116 transitioning and expanding students in grades 3-5 assessed in i-Ready Reading and 97% of the 119 students assessed in i-Ready Math scored below proficiency. In addition, 100% of the 50 transitioning and expanding ELL students in grades 4 and 5 assessed in the NYS ELA and 60% of the 58 students tested in the NYS Math assessments scored below proficiency.

Moreover, data from the BOY Acadience assessment show that 73% of the 166 K-2 ELLs tested performed below proficiency levels. Of the 215 K-2 ELLs who were assessed on the BOY i-Ready Math, 99% performed below proficiency.

As stated in prior responses, the data from the NYSESLAT show evidence that most students struggled in the

reading modality as well as on-going formative assessments given by the ENL teacher. The Imagine Learning and Literacy program will engage students in all grades in a targeted and unique learning experience as they will have their own learning path tailored to the results of the program diagnostic assessment that will support English proficiency and academic achievement.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

All entering and emerging ELL students in grades K-2 will be invited to the morning program. Funding permitting, we will also invite entering and emerging ELLs in grades 3 to 5. Transitioning and expanding ELLs in grades 3-5 will be invited to participate in the after-school program.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The Title III program will have two programs. The morning program will take place every Tuesday, Wednesday and Thursday from 7:10am -7:55 am and span over 6-8 weeks beginning in February. The after-school program will take place on either Tuesdays and Wednesdays or Wednesdays and Thursdays from 2:30 to 4:00 pm and also span over 6-8 weeks beginning in February.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be in English for our Title III program with native language support for students that need it.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Six certified ENL teachers will provide instruction for our Title III program.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Our school will use chrome books, iPads and headphones, and the Imagining Learning subscription funded by the Title III allocation.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

We will monitor all ELLs served in our Title III program with attendance record keeping and a spreadsheet reflecting gains made. A parent letter with a tear-off will be sent home with all the information on the program. With attendance being monitored, those students who are not attending will receive a phone call home and, depending on the result of the conversation, will either attend regularly or be replaced with a student on the waiting list.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Imagine Learning partners with our school to ensure educators implement classroom solutions with fidelity, learn how best to support all students and provide strategies to engage learners. The program will come with 3 sessions of professional development. The first session will be Best Practices to Lead with Success. This session will prepare leaders with everything needed to jump-start and lead to a successful implementation. Facilitators will help our school develop a successful plan and map out milestones for a rollout to educators. They will show our teachers how to identify key data indicators to monitor in the first 30 days of implementation and map out action steps to ensure all educators are up and running with success.

The next PD session will guide teachers in establishing a data culture that emphasizes collaboration while cultivating a growth mindset and relational trust. It will consist of craft action plans to adopt a data-driven instructional model, develop data teams and model data usage and dialogue while using data to drive student achievement.

The last PD will prepare our teachers to facilitate data teams and establish protocols to foster data-driven dialogue. Staff will engage in hands on exploration with reports and develop action plans to promote data-driven decision making to support instructional planning.

The Imagine learning program was created to support ELL instruction utilizing the individualized learning path as well as the students home language to build the students English proficiency.

Pending funding, Literacy consultant from HMH will provide 4-6 Professional Learning sessions implementing supports for ENL students within the Core Curriculum including appropriate scaffolding and other structures to gain access to grade level standards.

This program will be funded through the Title III allocations.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Professional Development is extremely important to our Imagine Learning program. The trends for the ELL students show that they have been performing below proficiency in reading comprehension according to the EDAT data. Teacher observations identified the same trends and also the need to build vocabulary and language acquisition skills for these students.

Teacher observation data indicates that 13% of teachers are developing in domain 3b (Using Questioning and Discussion Techniques) and 20% in domain 3C (Engaging Students in Learning) indicating a need for professional learning surrounding use of data to drive instruction.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

ENL teachers working the Title III program will receive professional development. Facilitators from Imagine Learning will work with staff members throughout the program for personalized instruction and custom solutions for our educators and students. HMH coach will meet with ENL providers to plan appropriate scaffolding for small group instruction.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Teachers will receive professional development from Imagine Learning during each cycle to assist staff in navigating the program. The time and duration are to be determined.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

After planning for professional development, the sessions will include the following:
~program structure and navigation
~promoting language development
~analyzing data
~progress monitoring
~differentiating instruction
~personalized learning paths for student success
~scaffolding around HMH curriculum

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Imagine Learning and the HMH coach will provide the professional development for our staff.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All professional development will be documented via google forms along with agenda and desired outcomes.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Parent engagement is an important component for student success. Students whose parents stay involved in school have better attendance and behavior, get higher grades, demonstrate enhanced social skills and adapt well to school. Parental involvement also securely sets these students up to develop a lifelong love of learning. Imagine Learning will provide a parent workshop on the software students will be using in the Title III program. This workshop will provide parents with information, tools and activities they can use with their child. Parents will be notified by email, google classroom and flyers in their child's folder.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

The 2024-2025 NYC School Survey results show that 86% of our ELL families responded favorably, on average, to Parent Involvement items while 92% of our non-ELL families responded favorably to the same items. On the other hand, 95% of our ELL families responded favorably to the Outreach items as opposed to 93% of our non-ELL families. Also, 98% of our ELL families responded, on average, favorably to items under the Inclusive Leadership domain, 1% more than our non-ELL families.

Parent engagement is an important component for student success. Students whose parents stay involved in school have better attendance and behavior, get higher grades, demonstrate improved social skills and adapt well to school. Parental involvement also securely sets these students up to develop a lifelong love of learning. Since less than 90% of our ELL families responded favorably on items reflecting Parent Involvement, we believe there is a need for activities to be offered to our families.

After the inception of the program, a parent survey will be administered to determine parent needs to support their child with the Imagine Learning program as well as sharing the data and progress of their individual child. A parent/family survey is conducted via google forms to determine family needs.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The parent workshops will be held either virtually or in person. Approximately an hour session in January and March. Pending availability, dates to be determined.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Imagine Learning will provide parents with information on the program, guidance on navigating the student dashboard and providing extension activities that relate to the lessons in the program.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Imagine Learning will provide the parent workshop.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**

- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified via letters, emails, and school website.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Documentation will be shared and collected via google forms including attendance, agendas, desired outcomes for the sessions and parent feedback.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Grades to be served in this program. Select all that apply.

,3,4,5

Total number of teachers in this program:

12

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

This program will take place on Saturday mornings for a total of seven 3-hour sessions. There will be 12 classes comprised of students from grades 3 to 5 with approximately 7-9 students in each class for a total of 100 participating students. The students will be grouped by grade with the invitation going to immigrants who are entering, emerging, transitioning and expanding ELLs, commanding students, and those not requiring ELL services. Each session will be divided into 4 sections with time set aside for Imagine Learning activities, Writable instruction (reinforcing comprehension skills through writing) both of which are aligned with the standards needed for the New York State test. To reinforce SEL and vocabulary development, the students will also engage in visual arts/theater art activities with a resident artist from Puppetry in Practice and cooperative sports activities facilitated by 2 athletes from Because We Can Sports The academic portion of the program will focus on developing students reading, writing, listening and speaking skills; the arts portion, provided by Puppetry in Practice, our art partner for over 5

years, will stress SEL, cultural diversity and language development; and, the various cooperative games and exercises will be facilitated by Because We Can Sports, a sports organization. There will be a culminating activity with parents as guests during the last session.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

Data from the beginning of the year assessments and last year's NYSESLAT scores will be used to group the students according to their needs.
Data from the BOY i-Ready Reading assessment indicate that overall, 3.4% of our ELL students in grade 3, 1.6% of our ELL students in grade 4 and 0% of our ELL students in grade 5 are proficient. Historically, our ELLs students, many of whom are immigrants, are outperformed by our non-ELL students on the NYS ELA assessments.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

Approximately 100 immigrant students in grades 3 to 5 will participate in the Saturday academy program. We will initially invite 71 students designated as entering, emerging, transitioning, expanding and commanding ELLs as well as 29 immigrant students who do not require ELL services.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The Saturday Academy will start in December 2025 and end in January 2026 for a total of 7 sessions. Each session will be 3 hours with 3 hours for direct instruction of students and 1 hour for teacher planning. Each session will take place from 9:00 am to 12:00 pm.

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The language of instruction for all portions of the program, Imagine Learning, Writable, Sports, Puppetry in Practice and Because We Can will be English. The Imagine Learning program translates into 15 additional languages as needed.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

12 certified teachers will provide instruction.

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

Our school purchased an annual subscription and support for an unlimited number of students. All students will have access to this software even if they are not participating in the Title III Saturday Academy. Funds will be allocated for materials utilized in Writable, the resident artists from Puppetry in Practice and sports program facilitators from sports program and per session staff. Included in the cost of Puppetry in Practice are art supplies needed for the visual arts portion of the program.
Please note that Immigrant Funding will support 6 in-house staff members, the resident artist from Puppetry in Practice and 2 facilitators from the sports company, Shootin School. The additional staff members will be provided funding from other sources.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Records will be maintained by classroom teachers, the ENL specialist and the data specialist. 100 students will be invited to this program. Our principal and assistant principals will administer and monitor the program.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Professional development is important to our Title III Immigrant program. Teachers participating in our Title III Immigrant program will be required to attend professional development to plan for the program. There will be two professional developments. The initial PD will demonstrate to teachers how to use the program, navigate the tools and teacher dashboard, adjust how to use the program to meet goals, track student growth and deliver interventions. Teachers will track student progress and engagement to determine its effectiveness.
The second professional development will incorporate teacher feedback to see how teachers are using the teacher tools, or if anything needs to be tweaked with the individual student program. Imagine Learning and Writable are an extension of our Title III LEP funding and is not funded by the Title III Immigrant allocation.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

In order to maintain a high quality of instruction, professional development is offered to our teachers. Many teachers within the building work with children in the immigrant population.

Justification for ongoing professional development was ascertained through analysis of our NYS ELA and i-Ready Reading assessments data. The overarching goal in our school is grade level reading. Data from the 2024-2025 NYS ELA assessment indicate that of the 35 immigrant students currently in grades 4 and 5 who were eligible to be tested last year 82.6% of them scored either Level 1 or 2. Moreover, of the 97 current 3-5 graders tested in the BOY i-Ready Reading, 87 or 89.6% scored below proficiency with 62.0% of those students scoring 3 or more grade levels below. Our professional development is directed towards improving our students' academic performance in reading, writing, listening and speaking.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

Teachers working in the Title III Immigrant Program will attend the professional development as well as other staff members.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

The initial professional development for Imagine Learning was in March of 2023. There will be additional professional development session during December of 2025 and/or January 2026.

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

The initial professional development will demonstrate how to use the program, navigate the tools and teacher dashboard, adjust how to use the program to meet goals, track student growth and deliver interventions. The second professional development will comprise of teacher feedback and determine if the staff is using the tools or if anything needs to be adjusted with an individual student program.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

Imagine Learning will provide the sessions for Professional Development.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

An attendance sheet will be distributed to participating staff members to record those in attendance. A brief survey for feedback will also be completed by participating teachers.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Parent engagement is vital component for student success. Imagine Learning will offer a parent workshop on the software students will be using in the Title III program. This workshop will provide parents with the information, tools and activities they can utilize with their child.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

Studies show that students whose parents are involved in school activities have better attendance and behavior, achieve higher grades, demonstrate strong social skills and adapt easier to school when compared to those students whose parents are not involved. Parental involvement helps develop a lifelong love of learning for each student. Many data sources are used to plan activities for parents of immigrants and ELLs. Our school uses feedback from the Parent Survey, information gleaned from PTA meetings, and input from teachers on topics of interest and need for our parents.

Many parents express interest in helping their students at home. Parents will be invited to attend family workshops where they can learn about our different web-based subscriptions and how to access them.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,

- Days of sessions, and
- Time and duration of sessions.

Three parent workshops will be held in December and January for approximately 30 minute sessions concurrently with the program.

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

Topics to be covered will include information about the program, guidance on navigating the student dashboard and extension activities that relate to the lessons in the program.

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

The Puppetry in Practice and Shootin School organizations will provide parent engagement opportunities including showcasing and/or participating in the visual arts and sports activities. During the last session, parents will be invited to join their child to engage in the arts sharing and participating in various sports related activities.

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Parent will be notified of these learning opportunities via email, letters, and flyers. Language translation services will be made available .

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

If the workshops are virtual, a quick accounting of participating parents/guardians will be taken. If the workshops are scheduled in person, an attendance form will be provided as well as a brief survey to obtain parental feedback.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III Immigrant budget matches your Title III Immigrant plan as described in Parts B, C, and D above.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

$14,978

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
