2025-2026 COMPREHENSIVE EDUCATIONAL PLAN (CEP)

DBN
20K939

SCHOOL NAME
Sunset School of Cultural Learning

PRINCIPAL
Georgia Mousouroulis

Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Sunset School of Cultural Learning

District Borough Number (DBN):

20K939

Grades Served:

K, 1, 2, 3, 4, 5

School Address:

270 59th Street Brookyn, New York 11220

Phone Number:

347-464-5131

Fax:

347-464-5135

School Contact Person:

Kathy Gonzalez

School Contact Person Email Address:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Georgia Mousouroulis	Principal or Designee*	
Lyndsey McAdams	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Pia Nelson	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
Melvin Mizqhuiri	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Vacant	Member/Parent	
Najsha Chacon	Member/Parent	
Emily Goldberg	Member/UFT	
Michael Wallace	Member/UFT	
Meghana Nayak	Member/Parent	
Karen Zavalis	Member/UFT	
	Member/Parent	
	Member/UFT	
	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

In becoming civically responsible, our students will be aware of both the needs of their own communities, and the needs of the many diverse communities that make up our society through a rich and rigorous curriculum. In the process of creating an equitable learning environment, students will develop the knowledge, attitude and skills needed to understand and manage their own emotions and empathize with others', thus cultivating and maintaining positive relationships with peers. Our mission is to prepare students
of all backgrounds and abilities to be engaged global citizens.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 939, Sunset School of Cultural Learning is an elementary school that opened its doors in September of 2020. Our school will be growing by 1 grade until we are at fully capacity in 2026. P.S. 939 currently has 273 students in grades K, 1, 2, 3, and 4 and is currently enrolling about 50 incoming kindergarten students for the 25'-26' school year. The school population comprises of 70% Hispanic, 15 %Asian, 10% White, 3% Black and 2% multi-racial. The student body includes 25% English Language Learners and 20% Students With Disabilities.

PS 939 provides a rigorous, well-rounded educational program that fosters the development of literate, creative and culturally aware learners. The school community creates an environment that promotes excellence in academic achievement, in which students strive to meet or exceed the Next Generation Learning Standards. This is evident in the fact that 98% of our families responded favorably to inclusive leadership with teachers, parents, community leaders and students. 97% of our families responded favorably to strong family-community ties. and 98% of families responded favorably to trusting the principal and teachers.

It is the goal of P.S. 939 to encourage a love of learning through innovative and challenging programs. The school's reading curriculum will is HMH Into Reading. We will continue to use EnVisions Math, Amplify, Passports and Civics for All. Responsive Classrooms is the curriculum used to support social emotional learning.

P.S. 939 has fostered partnerships with Marquis Studios and LOTUS to enrich the educational experiences for our students. P.S. 939 also partnered with Grandma's Love which backpacks of food for families in need, also stocking our food pantry for the families of our school that are in need . Grandma's Love also donated a book vending machine with free books for students to use well earned coins to pick out a book of their choice. We also encourage student teachers to participate in our community through our partnership with CUNY.

We have an after school partnership with Center of Family Life (CFL.)

We are a Nest school, receiving supports from the Nest community of NYU.

P.S. 939 also has a dental clinic to support our students with their oral hygiene needs.

Briefly summarize the key initiatives your school will implement this school year.

P.S. 939 will continue to focus on supporting teachers with the implementation of the HMH Into Reading program. With the support of staff development from the district and school we will follow the curriculum with integrity and flexibility, focusing on clear and coherent instruction, phonics, application of phonics in decodable readers, more student independent reading, vocabulary and teachers asking how do I know my students are successful and students asking themselves, how do I know I am successful? Students will continue to have a 4 block literacy period covering phonics, reading, writing and small group instruction. We will continue to implement tier 3 support with programs such as Phonics for Reading (3-5) and Phonics Adventures (1-2).

P.S 939 will focus on supporting teachers with math instruction with the implementation of math Exemplars. According to I-Ready math screener data, a schoolwide noticing is that most students showed low growth, low performance. Teachers this past year received some PD in how to use Exemplars in the classroom. This coming school year teachers will be required to use these in their teaching, specifically in their math small group period and use this to track data of students. Teachers will pick one Exemplar that aligns with the current unit of enVisions and work out problem solving skills and drill and practice.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K,1, 2,3, 4,5	HMH Into Reading	ELL and SWD -Emphasis on decoding with Fundations, small group targeted instruction
MATH	K, 1, 2,3, 4, 5	EnVisions Math	ENL and SWD- Focus on discourse to deepen understanding of content, small group targeted instruction

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Acadience- EOY 2025- 38 students in K, 1 and 2 had a 'red' overall composite score	targeted support in small group instruction was ineffective in phonics, tier 3 support started too late in the year, application of phonics in decodable readers occurred too late in the year	We need to have teachers engage in professional development around the area of phonics and how Fundations curriculum and Acadience align with one another in order to have effective small group instruction take place, students will apply learned phonics concepts in the reading of decodable readers
I-Ready- EOY 2025- 3rd and 4th grade students- 25% of	application of vocabulary was not thoroughly supported throughout the year. Vocabulary was introduced and taught in isolation	Common planning should include the application of vocabulary. Students will be engaged/ lessons will involve students reading, writing, and speaking vocabulary that is

all students are 'approaching level' in vocabulary		introduced to them. When words are introduced they will be taught within the context of the text.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	160 students are at or above grade level	By June, 2026, vocabulary instruction for students in grades 3 -5 will show a decrease of students who are approaching grade level by 10% Increase, from 25% to 15%
All Students	from 38	By June, 2026, students who scored in the red in Acadience from grades K - 2 will decrease by about 10% from 38 - 32.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Acadience

Enter a Key Performance Indicator

Small group instruction, triangulation of Into Reading and screeners to drive instruction

Baseline:

end of year screener from 24'-25' and beginning of year screener for 25'-26' school year

Enter the date for the baseline data:

September 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Baseline

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

5%

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

10%

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

iReady ELA screener

Enter a Key Performance Indicator

small group instruction, triangulation of Into Reading and module assessments to drive instruction

Baseline:

end of year screener from 24'-25' and beginning of year screener for 25'-26' school year

Enter the date for the baseline data:

October 2025

Enter Period 1: Beginning of Year (BOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

25% of students in the red

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

20% of students in the red

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

15% of students in the red

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

1) Administration will partner with the Fundations curriculum specialist(s) to engage staff from K-2 in aligning small group instruction from Fundations with the data presented in Acadience screener.
2) Administration will do non-evaluative and evaluative observations in the area of Phonics instruction
3) Look fors- there will be a specific look for that the application of concepts taught in Phonics will be transferred to the reading of decodable texts.
4) Tier 3 support in K-2 and 3-5 will begin earlier using the data presented in Acadience and I-Ready following the 'outcomes driven' model.
5) During common planning periods and days, vocabulary will be a focus in instruction and an expectation for students to read it, write it and speak it. It is required for teachers to show the vocabulary in the context of where it is written.

Root Cause Addressed:

1) targeted support in small group instruction was ineffective in phonics for some students that mostly comprised of ELLs and SWDs, tier 3 support started too late in the year, application of phonics in decodable readers occurred too late in the year- PD in aligning Fundations with Acadience will support progress of the subgroups

2) application of vocabulary was not thoroughly supported throughout the year. Vocabulary was introduced and taught in isolation- Common planning and implementation of changes in vocabulary instruction will support this.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

professional development from Fundations to align lessons with Acadience data
implementation of small group instruction to target sub groups of students
evaluative and non evaluative observations
Common planning to implement effective vocabulary instruction
evaluative and non evaluative observations

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Student data will be used. Teachers in K-2 will be doing 'progress monitoring,' for student students in the different phonological areas. Assessments will be given through the Acadience platform. Data from Tier 3 support with be collected on student progress from both programs. Vocabulary data for 3-5 will be monitored through assigned instruction given through I-Ready.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/22/2025	06/24/2026	Parent meetings, individualized meetings	teachers, Tier 3 support staff, program directors
09/22/2025	06/24/2026	parent meetings, parent letters printer from Acadience and I-Ready that show current levels of student performance	teachers, Tier 3 support staff, Acadience and I-Ready district support staff

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

teachers, parents, program directors, district reps.

Instructional Resources

Acadience, Fundations, I-Ready, Phonics Adventures, Phonics for Reading

Schedule Adjustments

every teacher will have periods of ELA small group instruction in their weekly schedules- 4 to 5 times a week

Other Resources Needed

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
OORS 2025- 25 out of 108 incidents among students are occurring by students with autism and are an A24 and A33 infraction(s).	Staff/personnel not specifically trained in de-escalation behaviors for students with autism	appropriate staff training in de-escalation strategies for students with autism. 25 out of 108 total incidents among students in the OORS database is infraction A24 by the same two students. They happen throughout the day, no specific time

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	25	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 25% Decrease, in number A24 and A33 OORS incidents from 25 to 19, per the Online Occurence Reporting System reports.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Rules will continue to be established by the classroom teacher. Staff will be trained in de-escalation strategies especially for students with autism. Specific staff is being trained in Nest strategies for students with autism which will then be turn-keyed to the rest of the staff. Volume level charts will be used in all classrooms to help prevent some of the 'rumbling.' Teachers will continue to reach out to parents to inform them of behaviors and note- take to help with the analysis of student behavior and patterns. School will create Zen Den as a place for students to de-escalate and regulate themselves.

Root Cause Addressed:

Staff not being properly trained and consistency with rules and protocols being followed.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Establish classroom rules
Have select staff trained in de-escalation strategies, creation of Zen Den
Partnership with Nest support team
Parent contact
Teacher note taking to record and analyze student behavior, helping with predictable patterns of behavior

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Principal and assistant principal will designate staff members to go for de-escalation training. We will reach out to the appropriate people to make this happen. Strategies will be turn keyed. Nest trained staff will use some ides and will be implemented in schoolwide protocols for students and staff. We will have a 'Zen Den,' where students who need a 'break' or are in crisis can go can de-escalate.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/15/2025	01/02/2026	parent outreach to explain de-escalation strategies used in the school, introduce parents to the 'Zen Den.'	District team members, Nest support, teachers, parents, admin
09/02/2025	06/30/2026	1:1 parent meetings	Teachers, parents, admin

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

district, teachers, Nest support, admin, parents

Instructional Resources

Nest behavior supports, De-Escalation workshops

Schedule Adjustments

Teachers will receive coverage for all day, half day training

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
EOY I-Ready math screeners, 2025 K-4 mostly landing in low performance/low growth	Not enough time spent on math analyzing math instruction/data, not enough drill and practice in basic math	Students are not prepared to answer higher order thinking math problems because they need to know math basics like multiplication and addition facts

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	0	PS 939 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the Percentage of students scoring at high performance, high growth will Increase by 50% from 0 to 50%, for All Students, as measured by I-Ready Math screener.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Teachers have begun implementing math Exemplars into their weekly planning. Exemplars are used during small group instruction and used to analyze data. Accessible Exemplars can be used for differentiation. Student Exemplars will be used to track data of students and monitor progress. We will also partner with district endorsed math consultants that will give PD to teachers to support math instruction and differentiation. Math small group instruction will be used to target students needs and also for drill/practice work.

Root Cause Addressed:

Not enough time or emphasis placed on math instruction, teacher planning and preparation will be strengthened with partnerships with math consultants

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
partner with math consultants
implement Exemplars
Use student Exemplars to gather class/grade wide data for analysis

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Using the 'Relay' data math tracker of Exemplars to analyze student performance and next steps, meetings with math consultants to determine next steps for our staff in math instruction. School will use math I-ready lessons and diagnostics to determine student growth. School will use the 'outcomes driven model' to determine who needs more support in small group instruction. As the year goes on, we will consider Acadience math and a way to progress monitor students.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/03/2025	06/26/2026	Family district math consultant night, teacher/parent meetings	District math consultants, Relay data team
01/05/2026	06/26/2026	Family Workshops to help their child succeed in school	CITE

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

district math consultants, teachers, admin

Instructional Resources

Relay data tracker, I-Ready, enVisions

Schedule Adjustments

math small group periods 3x-5x a week for all grades

Other Resources Needed

Acadience math progress monitoring

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Parents are hesitant to sign for Kids Rise because the current immigration situation, district reps were brought in and resources were used but families were hesitant and did not sign up for Kids Rise.	Laws on immigration	Legal services need to come to the school to meet parents to give clarity on the program, especially from the bank

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	80% of K-3 students	PS 939 will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the number of students enrolled in the Kids Rise program for All Students will Increase by 10%, from 80% currently to 88% as measured by Kids Rise enrollment data.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Parent coordinator will reach out to the District 20 representatives reiterating how the families feel about signing up for this program due to the current immigration issues occurring in our country. With that, we hope to have bank representatives come and Kids Ride reps come to do in house meetings with parents to explain what the program is and the non-relation to immigration status.

Root Cause Addressed:

Parents are hesitant due to current immigration laws.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Parent coordinator reach out to district reps of Kids Rise
Plan and implement the stakeholders from the program and banks to offer support to families.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Continue Building Block 1 parent engagement workshops in English, Spanish and Chinese. Parent coordinator will support Build Block and offer clarifications. Students will continue to participate in NYC DOE's College Awareness Day. Parent coordinator will hold family workshops to educate parents on the Kids Rise Program. She will support them with setting up the Building Block 1 accounts so that they can begin to start to save for college for their children. We will check the completion report weekly, and target those families who have yet to set up an account. We will
continue to have workshops and offer 1:1 support.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/19/2026	parent engagement workshops, zoom meetings, tutorials on how to set up accounts, piggy bank give away, money tree	NYC Kids Rise
09/08/2025	05/29/2026	Bank and Kids Rise support to offer support and clarification with program and immigration status	bank reps and NYC Kids Rise

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

parent coordinator, AP, school aides, translators, Kids Rise liaisons, bank reps

Instructional Resources

website tutorial with demo account, transcripts for parent engagements, workshops, 529 day, kindergarten stepping up

Schedule Adjustments

after school event, parent coordinator office hours

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Consistent guidance on parents understanding their child's IEP and recognizing/understanding that their child receives what they need to achieve their IEP goals	lack of awareness	to be more explicit in helping parents understand what an IEP is saying

		and how it supports their child's learning.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of Students with Disabilities (SWD)	0	PS 939 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of Students with Disabilities (SWD) with the following SMART Goal: By June, 2026, parent awareness and understanding of their child's IEP will Increase by 97% to 100% as measured by NYC School Survey Results. Parent contact will be made using DOE messenger, Remind app, and personal invites.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter Period 2: Middle Of Year (MOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

This coming school year we will have a designated school liaison that will serve as Special Ed IEP liaison. She will run parent meetings and contact parents for 1:1 support. She will network with district support in offering workshops for parents so that they can better understand their child's IEP and answer any questions they may have. She will also have office hours designated to helping teachers write IEPs and help those teachers communicate to parents what the IEP states in an effective manner.

Root Cause Addressed:

Parents have lack of awareness/ teacher miscommunication

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Special Ed liaison meeting with teachers to write clear and coherent IEPs
Special Ed liaison meeting with parents in groups or 1:1 basis to support in understanding their child's IEP.
Classroom teacher meetings

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Have September parent engagement meetings used for 1:1 parent meetings in understanding their child's IEP. These meetings will continue throughout the year and on a needs basis from school and parents.
Teachers, guidance counselor, social worker, etc will be used to meet and update parents as necessary. Teachers will be trained and make outreach to parents as part of their parent engagement time. Our school has Nest, meeting with their support team will take place.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	01/30/2026	parent engagement meetings, 1:1 support	special ed liaison, Nest support team, Valerie Valentine- district special ed support person
02/02/2026	06/26/2026	parent engagement meetings, 1:1 support	special ed liaison, Nest support team, Valerie Valentine- district special ed support person

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
14% of the total number of students (273) are chronically absent	extended vacation, extended weekend, before and after school care, untreated sickness	Increase attendance rates of chronically absent students and increase getting here on time to prevent lateness.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	15%	By June, 2026, the Percentage of Chronically absent students for All Students will decrease by 5%, from 15% to 10%, as measured by the New Visions Portal.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Outreach will be made by our parent coordinator explaining the importance of attending school. There will be an attendance meeting at the beginning of the year addressing this and periodic statistics of absenteeism will be presented at PTA meetings throughout the year. Meetings and updates will be held with the attendance teacher of our district.

Root Cause Addressed:

extended vacations, weekends, untreated sickness, family functions

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
School aide will call the parent/guardian of every child who is sick and i-log it.
Beginning of the year attendance meeting for all parents at first PTA meeting and the periodically throughout.
Monthly attendance celebrations/ 100$ attendance awards at the end of the year.
1:1 meetings with chronic absent students' families
PTA giveaways for students with 100% attendance

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

The New Visions Attendance Data system will be monitored daily. I-logs will continue to happen to track attendance, done by our school aides,
and reviewed if we see a pattern in students being absent. Issues will be addressed at school attendance meetings and outreach will be made to district rep. for more support.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Quality of IEP Writing	We will be hiring 6 new Special Education teachers for the 25-26 school year. The new teachers, in addition to our current Special Education staff need additional supports in writing quality IEPs.	IEP Development and Fidelity of Implementation

Transition to Middle School	The 25-26 school year, will be our first year as a school with a 5th grade. 5th Grade Special Ed teachers and parents will need support to discuss and plan the transition to middle school.	Transition Planning and Compliance
PPT and SIT	PPT and SIT needs need to continue to meet and support teachers on the intervention and referral process	Referral Process and Equity
Behavior Interventions	Review of the current Behavior protocols, strategies and plans to determine equity. Increased review of Behavior Intervention Plans with IEP teams to review data and determine next steps.	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	50%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve Alignment of IEPs across present level of performance (PLOP), goals, and recommended programs and services; Alignment of IEP management needs, specially designed instruction and accommodations. by a 40% Increase, from 50% to 90%, as measured by Compliance Reports including IEP Reviews and Progress Reports.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	10/31/2025	Introduction to Special Education Workshop	Include NYC
09/04/2025	10/31/2025	Understanding your child's IEP	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Part-time IEP teacher, special education teachers, parent coordinator

Instructional Resources

HQIM, Into-Reading, EnVision, Tier II and Tier III supports, Exemplar tasks

Schedule Adjustments

Special education teachers will be providing Tier II and III intervention services to students in the bottom 34th percentile

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2 Reading	17th - 36th Percentile on screeners. Administration of Acadience Survey to determine deficit	Reteach of core instruction using strategies learned from Relay. Phonics/ Sight words/ fluency/ Reading behavior/ Strategy Lessons, extra ELA small group block	Small Group in class,	During School	Yes, using Acadience Survey
Tier 2 Math	Observations during math lessons/ EnVision math assessments	Reteach Concept, intervention activities, extra small group math period, enVisions games	Small Group, one- to-one, enVisions differentitated support	In Class	Yes and no
Tier 2 Writing	foundational skills/ letter sound recognition/ phoneme blending, Writing performance tasks	Specific reteach lessons from DDI using Relay practices. Letter name recognition sounds, letter formation, rubric based assessment and targeted groups	Small Group, one- to-one, Writeable	In Class, HW	Yes and no
Tier 3 Writing	Based on Acadience Survey	Phonics for Reading	small group	out of class	no
Tier 3 Reading	Students below the 16th percentile based on screeners, then the administration of Acadience Survey	Phonics for Reading , SPIRE, Sounds Sensible, progress monitoring using Acadience screeners, HMH Weekly Assessments and Performance Tasks.	small group, AIS	out of class	only yes for progress monitoring on Acadience

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	teacher/ administrator/ school counselor behavioral observations	Responsive Classrooms	Small group	During school	No
Tier 2	teacher/ administrator/ school counselor behavioral observations	at-risk or mandated group counseling	Small Group	During School	No
Tier 3	school counselor	mandated, IEP goal	1:1	during school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Families receive screener data three times a year.
Essential components of MTSS are shared with families via backpacked letters that inform the families if their child is receiving Tier 3 services. Signed form is required of the parents to send back. Tier 2 support is explained verbally during September's curriculum night and PTA meeting to explain to all parents that small group differentiation is happening in the classrooms and that all classes have 4x-5x ELA and math small group periods built into their schedules to give more support to all students. Parent meetings are held throughout the year by the classroom teacher with parents and addressed at PTCs to those students who are receiving the supports.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Tier 2 support is explained verbally during September's curriculum night and PTA meeting to explain to all parents that small group differentiation is happening in the classrooms and that all classes have 4x-5x ELA and math small group periods built into their schedules to give more support to all students. Parent meetings are held throughout the year by the classroom teacher with parents and addressed at PTCs to those students who are receiving the supports.

Students who receive Tier 3 intervention will have a letter backpacked home to inform families of services.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Surveys go out to families asking them how they would like to be informed of their child's progress. Some families have informed the teacher that they would like meetings others notices.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

41 students are doubled up with friends and/or family members. 2 students are in a shelter.

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

28 out of 41 students have been absent more than 3 times this year. Some in the two digits. We can ask parents why they are absent each time and offer alternatives for getting the students here if it is a reason other than 'sick.' We will inform parents of the number of days their child is absent and offer as much help as we could in making sure they come to school .

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

We will be purchasing clothing, schools supplies, academic support (boards), PPE equipment. We will hold several workshops: 1. support families in search of employment, 2. Parent engagement workshops Send out flyers for 1. UFT Dial- A

- Teacher 2. Food Distribution Grandma's Love will provide families with Thanksgiving Dinner and Holiday Gifts. We will be
holding the following Drives: Coat Drive Food Drive. We have a dentist located on the premise and 'Eye on Education.'

We will be purchasing clothing, schools supplies, academic support (boards), PPE equipment.
We will hold several workshops:
1. support families in search of employment,
2. Parent engagement workshops
3. Healthy living/habits for children- eating, sleeping
4. Detergent was purchased for clothes washing
5. Hygiene products that consisted of deodorant, toothbrush, soap, toothpaste was given to students.

Send out flyers for
1. UFT Dial- A - Teacher
2. Food Distribution of our food pantry from Grandma's Love

Grandma's Love will provide families with Thanksgiving Dinner and Holiday Gifts.

We will be holding the following Drives:
Coat Drive
Food Drive

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

NA

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

NA

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

NA

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

NA

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 939 Sunset School of Cultural Learning, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 939 Sunset School of Cultural Learning will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 939 Sunset School of Cultural Learning in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Area of Concentration: ELA
Implementation of HMH Into Reading Curriculum for all staff and new staff. PD for all staff will be provided by district and city agencies. We will look for phonics PDs especially for early childhood teachers, looking to Fundations liaisons for support in the PDs, specifically aligning small group instruction to Acadience.

Area of Concentration: Math
Onboarding new staff to EnVisions math curriculum. Select teachers and paraprofessionals will engage in district and city professional development to help them get familiar with curriculum and online platform. We will continue with Exemplars PD in order to support matj content.

Part 5: “Conceptual” Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school’s Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	378,124		ELA, Math, IEP
Title I, School Improvement 1003(a)	Federal	.		
Title II, Part A	Federal	.		
Title III, Part A	Federal	.		
Title III, Immigrant	Federal	20,000		ELA, Math, IEP
Title IV, Part A	Federal			
Tax Levy (Fair Student	Local	3,225,446		ELA, Math, IEP

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Georgia Mousouroulis
Assistant Principal (Where Applicable)*	Patricia Cataldo
English as a New Language (ENL) Teacher*	Jasmine Epstein
Teacher (if school has a bilingual program must be a bilingual teacher)*	Wilfredo Guenard
Parent/Guardian*	Yetty Del Carmen Morales
ENL Coordinator	Bianca Fontanez
SPED Liaison	Stephanie Cioffi
School Counselor	
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

2

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

3

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

4

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

271

Total number and percentage (%) of current ELLs:

59 students, 021.8%

Total number and percentage (%) of former ELLs:

14 students, 8.9%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

57 students, 96.6%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

2 students, 3.4%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 students, 0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0 students, 0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

21 students, 35.6%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Dual Language	Spanish	2021	1	1	1	1	1									5
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Kindergarten through 5th grade will be placed in heterogeneous classes. The ENL teachers will service all ELLs in the stand-alone model according to their levels and mandated minutes for stand-alone instruction. The students will be grouped for services according to the levels they are placed on after completing the NYSITELL and NYSESLAT. We try our best to keep students grouped with peers on their grade level/proficiency level. We adjust schedules so that students grouped together from two contiguous grades. If there is a specific grade with more students who are new to the country or require specific needs, then that grade band is prioritized to have its own scheduled mandates. As the school year goes on and students show progress, they are then placed into a group that better suits their needs and revise our schedules accordingly. The ENL teachers will pull these students out of their classrooms in small groups to work on the 4 modalities of listening, reading, writing, and speaking in English.

Integrated ENL:

Kindergarten through 5th grade will be placed in heterogeneous classes. The ENL teachers will service ELLs during ELA blocks using the push-in/co-teaching model. The ENL teachers will follow the mandated minutes according to the levels they are placed on after completing the NYSITELL/NYSESLAT. The ENL teachers will work closely with the classroom teacher to plan lessons accordingly. The students will be supported by using differentiated materials from the HMH Reading/Writing curriculum used in the classrooms. We will also use the supplemental ENL materials given by HMH to support English Language Learners in reading, writing & phonics.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

N/A

Dual Language Bilingual Education (DLBE):

In the 2025-2026 school year we will have 5 Spanish Dual Language programs in grades K-5. Grades K and 1 will be a Dual language ICT class. The programs will hold half ELL native Spanish speaking students and the rest of the class will be filled with proficient English speaking students. This will be a heterogeneous class. The ELLs in the Dual Language program will be serviced in a heterogenous group using small group strategies. The students will be serviced by their licensed classroom teacher. Students who have a proficiency level of Entering,Emerging or Transitioning will be pulled out by the ENL teacher for extra support according to their mandated minutes.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

As per the CR Part 154-2 the ENL teachers provide the mandated services. Our entering and emerging ELL students receive 360 minutes of ENL services using the push-in/pull-out model. For integrated services the ENL teachers push in during ELA or content area instruction. Our transitioning students receive 180 minutes of ENL services using the push-in/pull-out model. Expanding and commanding ELL students receive 180/90 minutes of ELA or content instruction using the push-in/co-teaching model. ATS reports are constantly used to ensure the monitoring of any new ELL students enrolled into our school and to update program placement or parent choice. Monthly EDURs are reviewed for compliance. Each student is then programmed into STARS. The ENL teachers create a schedule dividing the minutes into class periods. These scheduled services include both push-in/pull-out services that align with their mandates. The ELLs who are in Dual language classrooms will be serviced by their licensed classroom teacher for integrated services only. The ENL teachers will provide stand-alone services to the Dual language students who have a proficiency level of entering, emerging or transitioning.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

The ENL teachers typically service students during their ELA blocks using supporting materials from the HMH curriculum and Fundations. The dual language teachers service their students in the dual language program through an integrated model during the ELA small group block. ENL teachers pull out students who are in the dual language program for stand alone services.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

We have a self-contained Dual Language model. English proficient students and ELLs will be integrated 100% of the day. The class will be split 50/50 with both Spanish and English speaking students. The instruction will be split as 3 days English instruction, 1 day of using cross languaging strategies to connect learning between both languages and 3 days of Spanish instruction on a rotating schedule.

b. In which language(s) is each core content area taught?

ELA (reading, writing, phonics) - English/Spanish
Math- English/Spanish
Science/Social Studies- English/Spanish
SEL- English/Spanish

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

96.6% of ELLS are Newcomers. 3.4% are Developing ELLs. Services for our Newcomers substantially focuses on instruction and support so that our students begin to make cross-linguistic connections. Effective services for our Developing or Long Term ELLs focuses on the continuation of differentiated instruction and moderate support so that our developing ELLs achieve academic performance that aligns to their native speaking peers.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0% of our students are SIFE. In the case that we do, we would sit with our support staff (ENL, Dual Language, Speech, Guidance ect.) to develop an action plan using the RTI model to target the areas of weakness in all subject areas. Through small group instruction and one to one instruction, we would aim to push this student to develop basic literacy skills and math skills that will accelerate achievement. Frequent monitoring and assessment for adjustment in academic difficulties will ensure that we are helping our SIFE students. Ideally, we would also be able to fund extra sessions of intensive language instruction with Title III monies.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

We currently have 0% Long-Term ELLs. Our school will hold only Kindergarten through 5th grade in the 2025-2026 school year. To limit our current ELL students on becoming long term ELLs, we encourage active engagement during instruction that excelerate language acquisition. We currently have 2 developing ELLs who struggle with the writing component on the NYSESLAT. During services we focus heavily on practicing writing and building writing skills

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

8.9% of our students are former ELLs and will continue to receive an additional 90 minutes of support per week as dictated by CR part 154. The classroom teacher will service these students by pulling them into small groups for 2 periods a week. They will also receive testing modifications if needed for a minimum of 2 years after they reach the commanding level.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

After reviewing the at-risk indicators for ELLs on the EDAT, we noticed that the highest indicators are those who are newcomers and those who are in temporary housing. We currently have 24 ELLs in temporary housing. In the beginning of the year, we will check in with these students and families to see if there is any support needed for an easier transition into the school year. The ENL teachers will check in on these students to be sure they are attending school and have the necessary tools to ensure their needs are met both at home and in school. Attendance does influence ELLs achievement because they need consistency and repetition to retain necessary information. The more they are in school, the more exposure they are getting to the English language and vocabulary. Another at-risk indicator are students who did not demonstrate sufficient ELP progress on the Spring 2024 NYSESLAT. When reviewing which students did not meet progress, we noticed that it was students with IEPs and students who were newly enrolled at the end of the school year.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

After reviewing the at-risk indicators, we noticed that 7 out of 10 of our former ELLs scored a 1 or 2 on the ELA or Math state test. Former ELLs still receive 2 periods a week of ENL services to support them in academic success. These indicators show that these students still need small group support to strengthen their skills in the classroom.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home languages of ELLs with the largest representation at our school is Spanish. Our school secretaries, school-aids, parent coordinator and a big portion of our teachers and paras who speak Spanish. We also have teachers who speak Chinese. They help with communication and translations with families during meetings and events both in person and online. All of our notices and announcements are translated in all home languages. We use the app called REMIND to communicate with parents on a daily basis. This app translates into all languages and is easily used for open and fast communication. Meetings held with parents who speak a language other than English are all translated so that all of our families feel included and involved.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

We currently have 56 ELLs that have a home language of Spanish and 3 of Chinese enrolled. The majority of our families speak languages other than English. We have staff that speak Spanish and Chinese. We use translation services for our families and make sure they are informed that their involvement in the school community is welcomed and beneficial to their child's learning. The mission and vision of our school focuses on Culturally Responsive and Sustaining Education. Parents receive translated versions of all correspondences. Our school promotes the four pillars of sustaining a culturally responsive environment which includes having a welcoming environment, rigorous instruction, ongoing assessments, and professional learning. ELL students are valued for what they bring to the school environment and celebrated for what makes them unique. Instruction is viewed as opportunities for students to persevere on taking an academic risk by keeping systems in place to ensure access to high quality instruction. Collaboration among teachers is heavily used in planning and the delivery of a culturally responsive environment. Each teacher works to support ELLs and ELL students with disabilities by finding ways to align instruction to the varied learning styles and interests of those in the community.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

After reviewing the EDAT, we found that 18 students met ELP sufficient progress and 11 students did not meet ELP sufficient progress. Out of those 11 students, 7 of them are ELLs with IEPs.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

When receiving the NYSESLAT scores we noticed that our ELLs with IEPs struggled with the writing portion of the assessment. When administering the test, we noticed that many of the students struggled with the long response section in the writing modality and reading the passages for the reading modality. Many of our ELL students with IEPs were reading below grade level. After looking closely at the data from the NYSESLAT, we created goals for our school and our students. For the 2025-2026 school year we will implement specific PDs that offer more guidance for ELL students with IEPs. We will continue to offer an after school program for our ELLs that strengthen their metalinguistic awareness. Another trend we noticed were students who were new to the country after Kindergarten struggled with the speaking modality. During ENL services we work a lot on listening activities that encourage students to respond in complete sentences to build basic communication skills (BICS) and knowledge building to support their academic language in English. For the speaking modality, we noticed that students who were new to the country or new to our school were enrolled in grades 1-4 and have not had the foundational exposure provided at the start of earlier grades.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

After looking at the performance on the state exams vs. the NYSESLAT we noticed that students who scored a 1 or 2 on the ELA exam, also had difficulty on the reading and writing modalities of the NYSESLAT. Two of these students have IEPs and three of them were newly enrolled into NYC schools mid-year of 2nd grade and had to take the state assessments the following year.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

We do not have any SIFE students in our building. In the case that we did and they performed low on the NYSESLAT, we believe that it would be due to them receiving interrupted education and missing key skills needed to build their language development. 35.6% of our ELLs have IEPs. As previously stated, our ELLs with IEPs have struggled with different modalities of the NYSESLAT. For example, our students who have a Speech Language Impairment Disability have a difficult time on the speaking modality of the NYSESLAT. Due to some of their disabilities, the modalities become more difficult. We hold meetings regularly with classroom teachers and the ENL teacher to discuss next steps and strategies to ensure success with all of our ELLs.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our ELL students are exposed to the same academic experience as their English speaking peers. Our students work with a variety of grade level texts where scaffolds are provided for our ELLs. Visuals are used to support new vocabulary words that can be used during classroom discussions. Graphic organizers are also provided through the HMH Into Reading program and are differentiated by ENL teachers to support ELLs. Translated materials are also provided when needed such as glossaries and bilingual dictionaries. Students also have access to Google Translate which is provided to them through the TEACHHUB portal and used to leverage their existing knowledge and to accelerate the English language.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our ILT team meets to talk about our instructional goals for the year. In doing so we take into account that 21.8 % of our students are ELLs. This year will be our 2nd year using an ELA curriculum called HMH Into Reading. After reviewing data from screeners this year, we noticed that a lot of our ELLs are below grade level in reading. We plan to continue focusing and strengthening our small group reading intervention practices. We will be dedicating 1 period a day for small group instruction. The ENL teacher will use small group practices when pushing into classrooms to work with ELLs during their ELA block. Administration provides strategic planning for teachers to review data and screeners for our ELLs and come up with a plan to create interventions and materials that will ensure they receive appropriate access to our curriculum.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

In the 2025-2026 school year core content will be delivered in English during ENL services and both English and Spanish in the dual language program. The Instructional Leadership Team focused on the Next Generation Learning Standards which addressed oral language development for all students. The HMH curriculum that is chosen aligns

to the Next Generation Standards and ENL teachers will continue to embed the NYS Academic and Linguistic Demands and other ELL resources for support. HMH phonics curriculum is used for fourth grade. We will continue to use Fundations for K-3. In our dual language program, content is provided in both languages to promote a transfer of knowledge in both languages. The dual language classrooms receive all curriculum materials in both languages. They also use Estrellita for phonics on Spanish days. In our ENL program partnerships are made to establish effective co-teaching models during integrated instruction. Language development is taught alongside content and standards goals.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Our ELLs with IEPs are exposed to the same academic experience as their English speaking peers. Teachers of ELL students use manipulatives and visuals, and other methodologies to address their individual needs. Teachers provide modifications for activities and assessments to meet their individual needs and IEP goals. ENL teachers implement home language, proficiency levels, and other factors when planning for access to grade level instruction while incorporating strategies used with ICT teachers, speech providers, and other service providers. To further ensure that our students are provided with access to academic content areas and accelerate English language development the push-in model is prioritized to minimize the time spent out of the room.

b. SIFE

We currently do not have any SIFE students. In the case that we do, we would check their records to determine their eligibility for testing. We would review any testing data that is available. We would administer the SIFE oral language questionnaire and the MLS screener if we feel that our student has had interrupted education in literacy and math two years below their grade level. We would sit with our support staff (ENL, Coaches, Speech, Guidance etc.) to develop an action plan using the RTI model to target the areas of weakness in all subject areas. Through small group instruction and one to one instruction, we would aim to push this student to develop basic literacy skills and math skills that will accelerate achievement. Frequent monitoring and assessment for adjustment in academic difficulties will ensure that we are helping our SIFE students. Ideally, we would also be able to fund extra sessions of intensive language instruction with Title III monies.

c. Newcomers

96.6% of our ELLs are newcomers. Our ENL teachers uses specific instructional strategies and uses appropriate materials that are rich in visual content that will help acclimate them to a school setting. We get them started with "survival English" to help them cope with their day to day activities. Our ENL teachers will use balanced literacy strategies in their instruction and makes the language taught relevant to their everyday life. The classroom teachers sets up a buddy/peer to help in class, allows for extra time to respond, additional listening center time, and additional technology to support our ELLs. The classroom teachers will attend PDs throughout the year to acquire strategies and develop differentiated activities. Frequent monitoring and assessment for adjustment in academic difficulties will ensure that we are helping our newcomers students.

d. Long Term ELLs

P.S. 939 currently does not have any Long-Term ELLs. To limit our current ELL students on becoming long term ELLs, we encourage active engagement during instruction that excelerate language acquisition. We currently have 2 developing ELLs who struggle with the writing component on the NYSESLAT. During services we focus heavily on practicing writing and building writing skills.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

The ENL teacher and Special Ed Liaison work closely with ICT and 12:1:1 teachers to ensure that all ELL-SWDs receive instruction that corresponds with what they are learning in the classroom as well as strengthening their English proficiency. If the child gets pulled out too much for related services, the ENL teacher will use the push-in model in order to minimize the time spent out of the room. Flexible scheduling ensures they are learning within the least restrictive environment. In the beginning of the year, ENL teachers access all students IEPs to review goals and specially designed instruction to ensure they receive instruction tailored to their needs. The ENL teachers help to foster these goals within their sessions.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In the Dual Language Program, instruction is delivered in both English and Spanish. Home language support is delivered to our ENL students through their bilingual teachers or translation services in our school. Home language in the Dual Language program is assessed through informal observations, Spanish HMH selection quizzes, module assessments and Estrellita quizzes. Iready is also available in Spanish to be used to assess home language.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

Our ENL teachers provide a combination of Integrated and Stand Alone models. All teachers per grade level are provided with a prep period for common planning. ENL teachers join common planning to update curriculum pacing and provide instructional support. When ENL teachers are integrating into the classroom, they work with the classroom teachers to provide language support such as sentence stems, visuals, gestures, and other strategies to ensure a safe and inclusive learning environment that respects the languages and cultures of all students. After the lesson, ENL teachers pull a small group to further support content while assessing language goals for the lesson. Integrated co-teaching classrooms often use the parallel teaching or team teaching model. ENL teachers are encouraged to implement strategies or lead a specific part of the lesson when needed. Leveraging teacher collaboration for our ELLs in the Dual Language program is also considered. ENL teachers provide check-ins with dual language teachers to specifically plan for English days or translanguaging. The goal is for students in Dual

language is to reach biliteracy. During Stand Alone, ENL teachers collaborate with all classroom teachers to align individualized lessons to what will be taught in the classroom and assist with building background knowledge.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our school is using the HMH Into Reading curriculum. We have been receiving grade level professional development from the district on content instruction and have had opportunities to become familiarized with the ED platform which provides teachers with strategies to support ENL students. Every September the administration meets with ICT teachers to provide them with co-teaching strategies. The ENL teachers provides the teachers with scaffolds on how to support MLs/ELLs. All teachers receive professional learning on administering and analyzing screeners and supporting ELL instruction through small groups. The TESOL teachers will attend district and citywide pds to help support their ENL students.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

As part of the mandates in the CR Part 154 staff members in both ENL and Dual Language programs attend professional development. 50% of these programs are offered at the state, district, or curriculum level and cover CTLE hours that are specifically designed for language acquisition. This year we will be looking into a variety of ELL specific PDs offering more CTLE hours for all staff members. Teachers are strategically selected for specifics professional development and often turnkey the information via staff meetings, common planning, or by updating our school's "Year At A Glance" digital resources for all teachers. Agendas and attendance sheets are kept in a binder to provide evidence of the PD towards the 15% PD for all staff members. We will continue to poll and offer select staff professional development opportunities with CITE. Teachers are also encouraged to continue signing up for multilingual monthly newsletters or find professional learning opportunities they feel would best support their instruction.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

The following screening assessments will be used to guide instructional planning for our ELLs. Students will receive Tier I and II interventions after the analysis of data.

I-Ready Benchmark assessments
Acadience

Based on the outcome of these assessments we place the children in groups accordingly to maximize effective instruction for our ENL students. Their targeted needs are being addressed during small group instruction during their literacy block and throughout the day. Students in red will be placed in progress monitoring groups. They will be targeted for small group instruction at least 3 times a week and will be assessed every three weeks.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our targeted intervention program is as follows: Our Tier I occurs during the core instruction and are not considered an intervention at this moment. However, ELL students who are flagged or noted as constantly needing extra support are monitored by all teachers during this time. ENL teachers integrate into the classrooms during Tier 1 to service ENL/IEP students with the least amount of disruption. Teachers use data from assessments to drive instruction and form small groups to reteach concepts in lessons that were previously taught. Our Tier II intervention consist of students who share a specific need and require a set amount of time to meet a target. These students are often seen at least 3 times per week. If the students are still not grasping the concepts, we then move on to the Tier III intervention which is one-to-one reteaching or utilizing a specific intervention program. The intervention services are offered in English and we do our best to group students who receive those intervention services with teachers who can support them in their home language. Entering and emerging students are offered after school programs that target language development in the 4 modalities of listening, reading, writing and speaking. When planning for intervention, staff members who are part of the school's MTSS committee meet monthly to analyze data, review screeners, progress monitor and make decisions for which intervention programs to use with students. The S.P.I.R.E. is a comprehensive and multisensory reading intervention and instructional program that integrates phonological awareness, phonics, handwriting, fluency, vocabulary, spelling, and comprehension in an instructional design that is based upon how struggling readers learn. The Phonics For Reading is another program used and designed for older students with identified needs in foundational skills. In math, teachers are working with a math consultant to implement strategies during core instructions. Interventions are then scheduled and implemented during small group time.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school uses i-ready and Acadience to screen our students to determine their levels. We also use the data provided by the NYSITELL and NYSESLAT assessments to gather data. The EDAT reports are also used to identify our "at risk" students. This data is used to place our students in the appropriate groups to maximize instruction and give them the appropriate supports to achieve academic success. During the literacy block ENL teachers use the push-in model targeting those students to ensure they are receiving rigorous academic content with support in a Tier I setting. Conversations are purposeful to support their oral language skills. The ENL teacher has been trained in fundations and uses these strategies to aid our "at risk" students. After monitoring these students and assessing them, if we see they are not making the necessary gains we then move them to Tier II instruction. At this time, they will receive a "Double Dose" of instruction to give them extra attention in their areas of weakness in a small group. Intensive Intervention Tier III, one to one instruction will then be given if enough progress is not shown after assessment in Tier II phase. Our purpose is to meet the needs of our students in the hopes of avoiding inappropriate referrals as many language needs might mirror a learning disability. We must also ensure that the lack of formal education is not mistaken for a learning disability.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

HMH selection quizzes
HMH module assessments
HMH performance tasks
Fundations unit assessments

These formative assessments are given throughout and at the end of each module/unit. K-2 teachers input these scores in a school-made google document to analyze data and see what skill students need more support in. 3rd through 5th grade teachers input writing scores into the HMH portal.

These assessments allow teachers to see areas of concern for whole class and individual students. Our school has designated small group periods each day which are utilized to target skills that need further support.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

The ENL teacher delivers instruction in English and the Dual Language teacher delivers instruction in both English and Spanish. We have staff members available who speak Spanish and Chinese to help us determine the level of fluency in their native language and to assist with translation as needed. For our Spanish speaking students they are administered the Spanish LAB once eligibility is determined. In dual language classrooms, teachers assess students home language using HMH assessments in Spanish and the Estrellita assessments for phonics. They also use iReady in Spanish. Dual language teachers also informally evaluate their students throughout the year through observations and 1 on 1 conferences.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We use the NYSESLAT data as a baseline to see the progress and areas of need of our ENL students. We also use the data from Acadience to determine their reading level to place our students in the appropriate groups to maximize instruction. Once we analyze the data from the NYSESLAT and all other assessments we place our students in the appropriate group to best assist their needs. Once we have data, we focus on any areas of weakness and use a variety of supports and strategies to make sure our ELLs are reaching appropriate goals. This year we analyzed data from the ELA state test scores of our ELLs to determine what skills they needed further support in. Once we have analyzed all assessments and determine what skills our ELLs need the most support in, our teachers plan small group interventions to further assist understanding. For example, we noticed that our expanding ELLs in upper grades had difficulty with the writing portions of both the NYSESLAT and ELA state test. Their teachers met to formulate a plan to meet with these students twice a week during their writing block to work on targeted skills.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

New York has specialized annual testing procedures for our ELL students and once our school receives the annual NYSESLAT administration plan we begin to prepare for it. Parents are immediately informed of the dates and reminded of the importance of attendance and continued support. ELLs who have accommodations are throughly planned for and materials are checked and prepared for proper storage. ENL teachers administer the NYSESLAT with the help of an ELL testing team. Qualified teachers are trained on how to administer and score the NYSESLAT. Several staff members who hold a General Education, Special Education, Dual Language, or ENL License assist with administering or scoring the NYSESLAT. These staff members have designated periods each day for testing or scoring to ensure that ELLs and students continue to receive mandated services throughout the testing period. ENL teachers continue to print the RELC report and keep track of all students eligible for the NYSESLAT.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

For the ELA,Math and Science State assessments, ENL teachers meet with the SPED Liaison to go over all testing accommodations for our ELLs and former ELLs for up to 2 years with IEPs. All IEP accommodations are met accordingly with trained staff. ELLs and former ELLs who do not have an IEP will still be eligible for ELL testing accommodations. For example, bilingual dictionaries will be implemented in the beginning of the year. The ENL teacher will support students and teachers in how to properly use this tool. ELLs can use this accommodation on the ELA state test.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

At the end of the school year, the school secretary begins enrolling incoming students for the previous year. During this time, an ENL teacher or other trained pedagogue completes the HLIS with the parent. The ENL teacher begins meeting with families and students whose home language is other than English to introduce herself and interview the students to see who is eligible for the NYSITELL. This is a great way for families and children to meet the ENL teacher so it is a familiar face come the fall. During this time, the ENL teacher explains to the parents why the interview is being conducted and answers any questions they may have. In September, the ENL teacher holds an orientation for all families whose child is eligible for ENL services. At this time the parents are informed of the various programs offered in the school, scheduling, routines and expectations. We have various translators available and a question and answer period to ensure that there will be a smooth transition in the fall. We typically hold a morning and afternoon orientation to ensure more families are able to join as well as a ZOOM option. For families who are not able to attend either orientation, we schedule a 1 on 1 meeting with to deliver the same information. We make sure that this information is accessible and given to all families of newly enrolled ELLs. Our parent coordinator works closely with the ENL teacher to communicate with parents and set up orientation times.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note:

this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

As part the CR Part 154 and part of the DOE parent engagement time we are required to make an appointment with the parents to discuss the goals of our ENL program, discuss the progress the student has made in the program, discuss the results of the spring NYSESLAT, and the areas where the student needs to improve in order to reach the commanding level to exit the program. We can meet in person or via telephone conference. We will use translators on staff or the translation unit services provided by the DOE. A log of all the meetings will be kept on file to provide evidence of the parent outreach. The ENL teacher also keeps close communication with all families of ELLs through the REMIND app, phone calls, and speaking with them during drop-off and dismissal. We are lucky enough to have staff members that speak Spanish, Chinese and Arabic. It has been a huge help and overall parents and teachers have very close communication with one another. ENL teachers keep a written parent communication log sheet to maintain evidence of all meetings.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

P.S. 939 has staff members who speak the languages to help support interpretations. Documents are translated in home languages as needed. During meetings, if a staff member is not available for translations, we call the DOE Translation help desk. During PTCs, teachers use this service to pre-book translators for families in need. During IEP meetings, this service is also used a lot to help parents who need translations. Our parent coordinator who speaks Spanish also provides resources that enable parents to make informed decisions about their child's education and she helps promote active participation in school events.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We have made it our mission to involve our families in their children's learning and school community. We feel very strongly about reaching our community in various ways and bringing everyone together. We hold many virtual and in person events for families and students to attend after-school. We invite parents into classrooms virtually and in-person to celebrate with students and teachers, and we have put on many performances where parents were able to come in and watch. We have family fun Fridays once a month for our families to come together to build a stronger community. Our school sends out a survey each year asking parents how we can best support them and their children. The principal also has a 'coffee and chat' event with parents once month allowing parents to express their concerns or areas needed for support. This helps us plan accordingly and give our community what they need. We will continue with all of this in the 2025-2026 school year.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

All communication with families is translated via the DOE messaging app. When elections are held, families are made aware of it more than two weeks in advance. Several reminders are sent out in all languages.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

NYU Family Center- provides supports and translates their information in Spanish and Chinese.
Grandma's Love provides food security to students in temporary housing.
Painted Cloud - involved the school community in making a painted mural for our school's hallway.
Our school will become a Community School which will support all families.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Bianca Fontanez - ENL Coordinator
Jasmine Espstein - ENL teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

During registration, ELLs are identified through the HLIS, student/parent interview in both English and their home language, and the NYSITELL. The school secretary assigns incoming students a date and time to come into the building. These times are discussed with the ENL teachers to ensure that current ELLs and former ELLs do not lose mandated instruction. This usually happens after school so the school day isn't interrupted. Our ENL teachers are the ones who are responsible for the ELL identification process. Mrs. Fontanez and Mrs. Epstein work together on student/parent interviews and determining eligibility for the NYSITELL. If a student enrolls with an IEP and the ENL teachers feel they are eligible/not-eligible for the NYSITELL, the LPT team comes together to form the proper steps needed to further determine eligibility.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Georgia Mousouroulis

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Bianca	Fontanez	Teacher - Regular Grades - ESL		
Kathy	Gonzalez	School Secretary	11/06/2024	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	1	0.32%	2	0.65%		
CHINESE ANY	26	8.41%	21	6.80%		
CANTONESE	0	0.00%	2	0.65%		
MANDARIN	0	0.00%	2	0.65%		
ENGLISH	113	36.57%	112	36.25%		
RUSSIAN	1	0.32%	1	0.32%		
SPANISH	168	54.37%	169	54.69%		

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Handbook	Microsoft Translator, Staff Fluent in languages, Sent through GAMA and Paper Copies
Flyers	Translated Copies through translator and staff, Sent through GAMA and Paper Copies
IEPs	Fill out a Google form with student's information. Principal gets approval and IEP is translated.
School Announcements	Sent through GAMA or translated versions from DOE.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

PTA Meetings	Geneva Worldwide, monthly for 3 primary languages spoken in school
In Person Family Events	Staff who speaks in other languages used.
Workshops	Staff who speaks in other languages used.
PTC	Paraprofessionals who speak other languages are used. A spreadsheet is used to state which languages are needed. Geneva Worldwide helps supplement more languages.
IEP Meetings	Translations are scheduled through Language Line Solutions
Nurse	The nurse calls Language Line Solutions for translation services when a parent needs to be contacted. The blue card shows preferred language of communication.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

We use GAMA to help communicate emergencies. It automatically translates information into other languages.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

These two documents will be included in the staff handbook that is distributed to staff. We will highlight it so that the staff is aware of what is expected of them in terms of written and oral communications regarding translations. The Galaxy-designated LAC will disseminate information about language access as they become aware of it. It will then be communicated to staff through faculty conferences or sent via email to all staff.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Translated Signage
Send out Home Language Form
GAMA
Remind
Language Access Signs are displayed
Translated Signage

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

A Google form will be sent out after they receive translation services to gauge their satisfaction with the language assistance services.
Word of mouth- Families often let us know if they would like something translated.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

More staff have been hired to speak languages that were not represented in the rest of staff.
Offer more translations services during PTC as needed.
Implementation of surveys.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

About 50 students with incoming kindergarten students

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

4

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

6

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

1

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The program will take place after school on Tuesdays and Thursdays from 2:51 - 4:00 PM
The assistant principal, Ms. Cataldo will be supervising the program, but it will not be a cost to Title III funding.
There will be one teacher for each group of students. We are hoping for no more than 10-15 students in each group.

Our Title 3 Program is designed to help children who are new to the English language develop the skills they need to succeed in school. There will be different groupings based on proficiency level and grade. The program will focus on teaching English from the ground up, with special support for students who speak little or no English when they enter school. There will also be a focus on building the foundational skills needed for long-term language development. The program will support ELL students who may be struggling with reading and writing, providing targeted instruction to help them grow as confident readers and writers.

Instruction is built around the four essential areas of language: speaking, listening, reading, and writing. Through interactive lessons, hands-on activities, and individualized support, students will build the foundational skills needed to understand, use, and communicate in English.

The program will place a strong emphasis on:
-Building basic vocabulary and everyday language
-Developing listening and speaking skills for classroom and social settings
-Teaching the building blocks of reading (phonics, fluency, comprehension)
-Introducing writing skills, from simple sentences to more complex ideas
-Supporting academic language to help students access grade-level content

Our goal is to create a welcoming and supportive learning environment where all students—especially those just beginning to learn English—can grow their skills, gain confidence, and become active members of the school community.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

After closely looking at our data we have noticed that our ELLs need extra support in English language content areas across all modalities. Our goal for this program is to target those areas in small group settings to better support our ELLs especially the subcategory of ELLs with IEPs and Newcomers.

Our Acadience End-Of-Year benchmark assessment showed typical growth from the baseline diagnostic of each student, but further support is needed in phonemic awareness and word learning in K-2. For grades 3-4, students need further support with reading comprehension, fluency, and retelling. I-Ready screener for ELA was also used for grades 3-4 showed most ELL students below grade level in Phonics and limited vocabulary. Our program will aim for students to show a stretch growth in order to place them on an attainable path towards proficiency.

Based on the 2024 NYSESLAT Scores:
The majority of students from emerging to expanding needed support in reading and writing. The program will continue to expose our students to grade level texts and focus on building the skills needed to access grade level text and writing prompts.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Grades K-5 will be served in this program. The ELLs will range from entering, emerging, transitioning and expanding. After taking a close look at the NYSESLAT results and the NYSITELL Kindergarten results, we will then group the students by proficiency level to better target their needs. The ENL teachers will also be working with these students for a few weeks before the program begins. This will help the teachers to become familiar with the students and their individual needs to better place them in groups.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Our Title III program would be after-school on Tuesdays and Thursdays from 2:50-4:00pm. The program would run approximately from October 2025 to May 2026 two times a week for one hour.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

Instruction will be delivered in English. To support home language, the program will embed opportunities for students to use their home language for discussion, to check for understanding, and to assess prior knowledge. Staff members who are bilingual and speak the native language will have an influence in grouping those students who benefit most with a staff member who speaks the same language.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

This program would be run by 3-4 teachers. Priority would be given to teachers with a TESOL or bilingual license.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

iPads, Fundations phonics program, teacher made resources.

These materials will be of no cost to Title III funding.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Permission slips will go home indicating interest in the program. Attendance will be taken and students who are not present will receive phone calls. Teachers will keep conference notes during instruction. Teachers will receive time to plan instruction, common plan and looking at instructional data.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

All staff attend in-house staff development conferences and grade conferences as well as professional development opportunities in and outside of our school building offered by contracted vendors , as well as professional development opportunities offered by our District 20 to ensure that they will be able to assist our ELLs as they transition from one proficiency level to another. We will also be contracting external vendors to provide ELL methodology Support Training.
We will also look into CITE PDs

All teachers have participated in HMH PD on how to target instruction to support ELLs. They are learning how to use the Table Top English Language Learner supports and then supports within the curriculum. HMH support will continue this year focusing on ELL support that our ELL teachers will attend as well as dual language teachers.

Our school will partner with CITE to provide PD to staff on effective ENL practices focusing on vocabulary instruction.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

As a growing school, with about 22% ENL students, the administration needs to focus on providing all staff with the knowledge to support students at all levels of language acquisition. In addition to the professional development foci

below, teachers will receive surveys at the beginning of the year asking them to reflect on their pedagogy and knowledge of ENL supports. Using this information the administration will provide targeted assistance.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

In School PDs will take place twice a month during extended day and will be of no cost to Title III funds. HMH consultants will provide days of in school professional development. The consultant will work closely with grade teams to support literacy development, language strategies, vocabulary building and content area instruction.

-ESL Teachers (Title III teachers) and general education teachers will attend ongoing workshops held by school administration as well as HMH consultants. The workshop series will take place twice a month.

ESL and dual language teachers will also attend workshops held by the D20 ELL team focusing on ELL instruction and compliance.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

The tentative schedule is as follows:

Beginning in September, in school professional development will focus on specific topics which target ENL instruction. This will take place on Monday afternoons for 1 hour.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

September: Setting up routines within the classroom focusing on social awareness and interactions, getting to know your students well.

October: Reviewing Acadience data to support ENL students with disabilities.

November: Small Group Instruction focusing on phonological awareness and foundational support. Supporting readers by looking at texts using scaffolding and building prior knowledge to provide struggling ENL students with appropriate reading strategies and supports.

December: Academic Vocabulary: Using text sets within modules to build transference of knowledge from content areas to literacy. Support ELLs by using talking prompts, talking protocols and discussion

January: Writing performance tasks looking at anchor papers, using a rubric to set student expectations and accountability

February: EnVisions: Application of math practices to support ENL students

March: Revisit supports to small group instruction to create cycles of support for ENL students

April: Formulating higher order thinking questions strategically to support ENL students in a deeper understanding of content

May and June: Review of Acadience data to determine need for ENL students.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

HMH PD
Training provided by D 20.
Citywide trainings

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

P.S. 939 collects all sign in sheets for all in school professional development. Professional development conducted by district ML/ELL staff on ELL instruction is documented with an OP 201 and placed in the teacher's file.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

It is very important that ENL parents receive support so that they can assist their children. We have a meeting once a month geared to support our families. One was to invite them into the classrooms so they could learn about concrete ways they can help their child at home.

Schedule and Duration- Once a month for about an hour.

Topics to be covered- Expectations for the grade, how to help your child at home, translated resources in the curriculum, supports in the neighborhood, Save for College,

Name of Provider- ENL teacher, Classroom Teachers, Social Worker, Assistant Principal, Guidance Counselor

Notification- Parents are notified through the translated DOE messaging app as well as translated notices.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

P.S. 939 is located in Sunset park. The major languages that are spoken include, but are not limited to Spanish, Mandarin, Cantonese, Arabic and Russian. The various cultures are visible throughout the community. Families are partners in their child's education through in person and virtual conferences and meetings and outreach will occur in the families' native language through flyers, phone calls and emails. We have staff who speak the two main languages and support the parents of ELLs. ELL parents are also informed of school events and educational programs via the SLT and PTA meetings. We work collaboratively to make decisions which are then disseminated to

the entire school community. Parent communication is maintained through our website and the translated messaging system.

Based on 2025 NYC School Survey Results Families 95% of families felt that the school made an effort to reach out to parents to engage them directly in the processes of strengthening student learning, which was down from 97%.

One Friday a month all families are invited for Family Fun Fridays. Families join their child in their class to learn about a topic and do an activity with them. Over 100 family members show up for this event every month.

We sent out an informal survey to our families about family events and the results are below:
79% of the Parents were Very Satisfied
21% of the Parents were Satisfied
Not one family was dissatisfied

We asked families to check all the boxes that they thought would be helpful for their families.

Immigration Rights- 29%
Nutrition Awareness- 45%
Stress Awareness- 41%
Financial Literacy - 25%
How to Open up a Debit /Credit Account - 16%
How to Create Your Resume- 20%
Middle School Applications- 33%
Understanding Your Child's IEP- 50%
Promoting Positive Behavior in Young Children- 50%
Rental Assistance - 29%
Tenant Rights-29%
Home Eviction- 29%

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Teachers invite families into their classrooms once a month for celebrations and experiences to help families learn alongside their children. Each month the principal has coffee and chat with the principal. At this meeting the principal gives important information on how parents can support their child.

Our parent coordinator holds monthly workshops which will help them support their children academically. School families are invited to attend movie nights, literacy, math and game nights and attend in school celebrations that focus on the mission and vision of the school. Some celebrations are Tour of Nations, Black History Door Tour, and Dancing Around the World, cultural events such as EID and Lunar New Year. When families are unable to attend, events and workshops are livestreamed. .

The following ELL Family Engagement Activities will occur:

On the 3rd Friday of each month, families are invited to come in from 8:45 - 9:30 for family fun Friday.
Each month there is a celebration of culture for 1 hour in the evening.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Communication/messaging services that are used by the DOE and school.
Homework support
Math, Literacy, Game Night
Multicultural Celebrations
Immigration Support
Healthy Homes
Understanding your child's IEP
HMH Into Reading

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Title III funds will be used to pay certified ENL and dual language teachers. The ENL teachers are Bianca Fontanez and Jasmine Epstein. The dual language teachers are Johanna DeJesus, Daisy Galicia, Wilfredo Guenard and Saida Barker. All other teachers will be paid through other school funds. An administrator will also be available to supervise, organize and assist during events.
Geneva International, is a contracted vendor who will be contracted to provide translation services when in person staff is not available.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Notification of events are done via the school's website, Remind, the messaging app, and translated emails and flyers.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Sign in sheets managed by the parent coordinator.
