Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Yvonne Marrero	Principal or Designee*	
Patricia Cardona Santora	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Rose Schapiro	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Kleanthie Lathourakis	Member/Staff Member	
Renee Spence	Member/Staff Member	
Debosree Saha	Member/Staff Member	
Nadeea Saeed	Member/Parent	
Myra Hellerstein	Member/Parent	
Maria-Laura Steverlynck	Member/Parent	
Jomarie Cruz	Member/Parent	
	Member/	
	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

At P.S. 222Q, we are a highly professional and dedicated staff committed to creating a school community of independent thinkers with a love of learning.

Our goal is to challenge our students in a safe and nurturing early childhood environment to meet their full academic potential as well as their social and emotional growth through continued guidance and monitoring, including varied strategies and supportive measures.

Our motto is "Inspiring Greatness, One Child At A Time..."

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S. 222Q opened its doors on September 7, 2002, and has since evolved into one of the most extraordinary places for early childhood learning in New York City. The school's design, inspired by the architecture of the Jackson Heights Historic District, blends seamlessly into the neighborhood. Our facility includes a library/media center, a multipurpose room, and an outdoor playground located on the second floor.

Our student body reflects the rich cultural diversity of Queens. P.S. 222Q currently serves approximately 192 students, of whom nearly 40% are English Language Learners (ELLs) and 9% are students with disabilities. The student demographic is composed of 70% Hispanic or Latinx, 12% Asian, 11% White, 5% Multi-Racial, and 3% Black students.

The principal and staff take great pride in the school community's strong spirit of cooperation and collaboration. This spirit enables all stakeholders to work together to meet clearly defined educational goals that benefit the entire school. Our mission is to challenge students in a culturally affirming, inclusive, and nurturing early childhood environment so they may reach their full academic potential. With equity at the center, we strive to provide each student with the resources and opportunities needed to learn and thrive—delivered through a rigorous curriculum and a dedicated team of educators and support staff. Social-emotional growth is prioritized through ongoing monitoring and individualized support.

Our professional staff maintains high expectations aligned with the New York State Next Generation Learning Standards, aiming for students to achieve academic excellence, self-confidence, and respect for others. The principal and staff are committed to building on each child's strengths, interests, and needs, in accordance with our school motto: "Inspiring Greatness, One Child at a Time..."

Strategic Partnerships and Programs
We are proud to partner with Studio in a School, Acadience Learning, Inside Broadway, and the UFT Teacher Center:

-Studio in a School supports the development of foundational art skills and 21st-century skills like communication and problem-solving.

-Acadience Learning provides assessment tools that support student progress in reading.

-Inside Broadway, through the CASA program, equips students with performance skills and confidence on stage.

-UFT Teacher Center enhances teaching practices through professional development and access to a wealth of educational resources.

Highlighted Programs
-Character Education: Our Principal's Book of the Month promotes character education in grades K–2. Schoolwide discussions emphasize reading's importance while nurturing values that foster positive behavior and community building.

-Music, Theatre, and Visual Arts: Students engage with the arts through the Blueprint for Teaching and Learning in the Arts. Music instruction uses Silver Burdett's Making Music, and Reader's Theatre is used in grades 1 and 2. Annual concerts and performances, including Festival of Folktales and a Disney musical, highlight student talent. Our First Grade Artists program, in partnership with Studio in a School, deepens both art and literacy skills.

-Physical Education: Our K–2 students follow the SPARK program, aligned with NASPE standards and integrating academic and social-emotional learning.

-Dual Language Program: Our 50/50 alternate-day Dual Language model provides instruction in both English and Spanish. English Language Learners and native English speakers collaborate, building bilingual skills while meeting high academic standards across all subjects.

-Schoolwide Enrichment Model (SEM): This research-based enrichment model offers 10-week cycles of student-driven exploration in second grade. Students work in small groups based on shared interests every Friday after school.

-Library: Our renovated media center features a Promethean board, iMacs, a color printer, and an automated circulation system. A part-time librarian helps students develop library and research skills.

School Events
We host numerous events that celebrate learning and community:

-9/11 Commemorative Assembly

-Family Fun Nights in literacy, math, and PE

-Character Hat/Halloween Day Parade

-Read Aloud/Pajama Day

-Science Fair and Earth Day Parade

-Music Concerts, Theatrical Performances, and Art Galleries

Our 9/11 Commemorative Assembly holds special meaning. Named in honor of FF Christopher A. Santora, our school honors his legacy through student poetry, songs, and read-alouds from My Son Christopher and The Day the Towers Fell, both written by his mother, Maureen Crethan Santora. Students don firefighter hats and wave American flags in a moving tribute to courage, resilience, and hope.

Briefly summarize the key initiatives your school will implement this school year.

This school year, P.S. 222Q will implement key initiatives aligned to schoolwide priorities. To strengthen early literacy, the school will enhance core instruction using Fundations and Heggerty while supporting Tier 2/3 students with SPIRE and decodable texts. Math instruction will focus on fluency, vocabulary, and problem-solving using small group instruction and success criteria. The school will improve IEP quality by embedding student voice, defining specially designed instruction, and addressing social development in the PLOP. Attendance efforts will include targeted outreach for early learners and students in temporary housing, parent workshops, and attendance incentives. Social-emotional learning will be promoted through daily community circles and Second Step lessons to build belonging and well-being.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-2	Into Reading/Arriba La Lectura	
ELA	K-2	Fundations	
ELA	K-2 DL Classes, only	Canciones y Cuentos (National Geographic)	
ELA	K-2	Heggerty	
Math	K-2	Math and You	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024–2025 Acadience Reading: 88% at/above benchmark EOY (K-2) target increase by 3%	Need for regular progress monitoring and aligned literacy practices (Sound Walls, Literacy Shifts)	Strengthen small group instruction and monitoring aligned to Literacy Shifts and Science of Reading

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	72	By June, 2026, our school will strengthen strategic small group instruction practices and the implementation of Multi-Tiered System of Support (MTSS), resulting in a 10% (from 72 to 82) increase for all students reading at or above proficiency as measured by Acadience Reading.
English Language Learners (ELL)	33	By June, 2026, our school will strengthen strategic small group instruction practices and the implementation of Multi-Tiered System of Support (MTSS), resulting in a 13% (from 33 to 46) increase for English Language Learners (ELLs) reading at or above proficiency as measured by Acadience Reading.
Students with Disabilities (SWD)	48	By June, 2026,our school will strengthen strategic small group instruction practices and the implementation of Multi-Tiered System of Support (MTSS), resulting in a 13% (from 48 to 61) increase for Students with Disabilities (SWDs) reading at or above proficiency as measured by Acadience Reading.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

61

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Launch a weekly progress monitoring cycle for RTI groups using Acadience tools, aligned with structured small-group instruction and teacher coaching. This systematic and frequent monitoring represents a shift toward real-time, responsive instruction and intervention planning that ensures every student's growth trajectory is closely tracked and acted upon.

Root Cause Addressed:

Need for regular progress monitoring and aligned literacy practices (Sound Walls, Literacy Shifts)

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Administer the Acadience Reading Screener in September, January, and May to assess students' reading proficiency and identify those at risk. Follow up with secondary screeners to gain deeper insight into student needs.
Create data-driven small groups for Tier 2 intervention using Double Dose Fundations, Sound Sensible, and SPIRE, delivered 3 times a week. Progress monitor weekly to assess improvement and adjust groupings.
Implement phonics and phonemic awareness programs (Heggerty, Kid Lips, Fundations) with fidelity, using the Fundations Tracker to guide reteaching and small group planning.
Conduct grade-level meetings every 6 weeks to analyze module assessments, build differentiated tasks using Into

Reading materials, and align instruction with Literacy Shifts and DOK levels.

Utilize multiple data sources (Acadience tracker, module assessments) to evaluate instructional impact and plan curriculum improvements for the next academic year.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

RtI/MTSS Period from 8:00-8:30 Tuesday through Thursday, 3x per week
Acadience Reading - Acadience Learning Online (ALO) - maintains benchmark data as well as progress monitoring data
Data delve sessions 1x per month

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/11/2025	09/11/2025	Host Meet the Teacher where all parents are welcomed to their child's new class and are introduced to the curriculum. Teachers will outline the major ELA skills for their grade.	
10/15/2025	05/15/2026	Grade level teams will utilize the Parent Monthly Newsletter to inform parents of the ELA units of study, key skills and standards addressed. They will also provides tips/suggestions on how to support literacy skills throughout everyday home-based activities and supplemental online resources.	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Grade leaders; members of the Instructional Leadership Team and Staff Development Committee; Parent Coordinator

Instructional Resources

Digital version of the HMH Into Reading/Arriba La Lectura! Program; intervention programs such as Sound Sensible, SPIRE, Double Dose Fundations; Acadience Learning Online grants us access to their progress monitoring materials

Schedule Adjustments

Common planning time; Chancellor's Days for Professional Development

Other Resources Needed

Print version of the HMH Into Reading/Arriba La Lectura! Program for all grade levels K-2; Acadience print materials; Secondary Screening Tools/Diagnostics Binder for every classroom teacher

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025 P.S. 222 Teacher Survey: 89% of teachers say bullying is not an issue (14% improvement since BOY)	Inadequate early communication of conflicts between school aides and teachers escalates incidents	Strengthen proactive schoolwide conflict resolution and SEL practices to prevent bullying

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	89	By June, 2026, our school will enhance the implementation of Social-Emotional Learning (SEL) assemblies and other targeted student support services to promote physical and mental wellness, resulting in a 5% increase in teachers who report that students do not engage in bullying or harassment from 89 to 94, as measured by the NYC School Survey.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Adopt and systematize monthly SEL assemblies followed by classroom debriefs to embed a consistent, schoolwide social-emotional learning focus. This strategy creates aligned messaging and routines that empower students and staff to address behavior and emotions proactively, fostering a stronger school culture.

Root Cause Addressed:

Inadequate early communication of conflicts between school aides and teachers escalates incidents

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Host monthly schoolwide SEL assemblies that address respect, empathy, and inclusion, followed by in-class debriefs to reinforce messages and gauge student understanding.
Integrate Sanford Harmony lessons during weekly advisory periods with teacher training to ensure fidelity of implementation and alignment to SEL standards.
Facilitate weekly restorative justice circles to address conflicts early, encourage student voice, and promote a respectful, inclusive learning community.
Co-create class charters with students at the start of the year, clearly outlining expectations for behavior and relationships; revisit and reflect on these regularly.

Use lunch logs to track student behavior in unstructured times. Analyze trends with the guidance counselor monthly and implement interventions as needed.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Advisory Period from 8:00-8:30 on Mondays
Activities Calendar - dates for each of our monthly assemblies has been identified in advance
Data delve session in October and June
Schedule of SEL groups alternating every 6 weeks

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/11/2025	09/11/2025	Host Meet the Teacher where all parents will learn about our SEL Program and school-wide initiatives that foster SEL growth during the school year.	
09/04/2025	06/26/2026	Families will be referred to counseling with supporting CBOs to provide mental health services such as individual and family therapy to further support their needs.	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Principal; Assistant Principal; grade level teachers; members of the Staff Development Committee; Parent Coordinator; Safety Committee; Guidance Counselor; Social Worker

Instructional Resources

digital and print versions of the Sanford Harmony Program; RULER Tools in every classroom; CharacterEducation picture book collection (Principal's Book of the Month)

Schedule Adjustments

Advisory period on Mondays

Other Resources Needed

SEL Screener

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2025 Acadience Math BOY to EOY: 81% students at benchmark; MLL/ELL below benchmark, esp. in K	MLLs/ELLs struggle with academic language in math; limited scaffolds, vocabulary support	Improve math language access and conceptual understanding for MLLs/ELLs via ENL strategies

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	72	By June, 2026, our school will strengthen the implementation of the mathematical shifts, resulting in a 10% (from 72 to 82) increase for all students scoring at or above proficiency as measured by Acadience Math.
English Language Learners (ELL)	34	By June, 2026, our school will strengthen the implementation of the mathematical shifts, resulting in a 13% (from 34 to 47) increase for English Language Learners (ELLs) scoring at or above proficiency as measured by Acadience Math.
Students with Disabilities (SWD)	60	By June, 2026, our school will strengthen the implementation of the mathematical shifts, resulting in a 13% (from 60 to 73) increase for Students with Disabilities (SWDs) scoring at or above proficiency as measured by Acadience Math.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement language-rich, ENL-aligned math instruction schoolwide using the Three-Reads Protocol, academic vocabulary scaffolds, and home language supports. This approach is a new, targeted way to address the linguistic and cognitive demands of math for MLLs/ELLs while enhancing discourse and comprehension across all student groups.

Root Cause Addressed:

MLLs/ELLs struggle with academic language in math; limited scaffolds, vocabulary support

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Provide Monday PD sessions led by the math lead to support teacher understanding and use of the Math Instructional Shifts, focusing on conceptual understanding and discourse.
Facilitate teacher teams in analyzing Acadience and Math & You data to determine student needs and design targeted instructional plans, especially for foundational skills.
Deliver daily Tier 2 small group instruction to support students below benchmark with a focus on critical grade-level content, fluency, and conceptual understanding.
Incorporate ENL-aligned instructional routines such as vocabulary scaffolds, visual supports, and shared reading of word problems to support MLL/ELL engagement in math.

Use Three-Reads Protocol and structured problem-solving discussions to develop comprehension, reasoning, and discourse skills, reinforcing mathematical thinking.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
May 2025 NYC Kids Rise Report: 54% of K–2 students activated BB1 (43% in K)	Low K participation due to new parent coordinator, language barriers, missed outreach opportunities	Increase BB1 account activation rates via multilingual outreach, event integration, and curriculum links

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	64	By June, 2026, the percentage of active NYC Kids Rise college savings accounts for all students will increase by 8% from 63 to 72, as measured by the NYC Kids Rise Enrollment Report.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Integrate NYC Kids RISE content into the K–2 curriculum with multilingual outreach and family engagement events tied to 529 Day and Scholarship Month. This marks a shift from passive promotion to embedded instruction and culturally responsive outreach that builds college-going identities starting in early childhood.

Root Cause Addressed:

Low K participation due to new parent coordinator, language barriers, missed outreach opportunities

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Distribute home-language flyers to families not yet enrolled in NYC Kids RISE. Engage multilingual associates to conduct in-person outreach and BB1 setup assistance.
Launch a biweekly Class Dojo campaign to promote BB1 sign-up reminders, explain benefits, and link to assistance resources for families.
Plan 529 Day events in May with pre- and post-event classroom activities tied to saving and college readiness, increasing student-family engagement.
Host a hands-on workshop in January for Scholarship Month to guide families through account activation and answer questions in a supportive setting.

Train teachers and share classroom-ready materials to embed financial literacy and college awareness in Social Studies content and daily instruction.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Financial Literacy Lessons integrated within the social studies pacing calendar
Save for College Program Report - to view NYC Scholarship Account and Building Block 1 related data
Grade level meetings with the teachers 3x a year
PTA Meetings - update for parents

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
NYC School Survey 2024 90% of parents responded favorably to the question,	Although the school communicates with families through multiple platforms, inconsistencies in frequency, personalization,	Strengthen and personalize school–family communication practices to ensure all parents

"School staff regularly communicate with me about how I can help my child learn." (a drop of 3% since 2023)	and accessibility—particularly for new and multilingual families—have led to perceptions that communication is not always clear or helpful in supporting student learning.	receive consistent, actionable information about how to support their child's learning, especially for newly enrolled and multilingual families.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	90	By June, 2026, the percentage of families indicating that school staff regularly communicate with them about how they can help their child learn will increase by 2% from 90 to 92, as measured by the NYC School Survey.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Implement a schoolwide communication framework that includes structured onboarding for new families, multilingual outreach supports, and monthly instructional updates from teachers aligned to standards. This strategy formalizes and personalizes how families are introduced to the school and kept informed, ensuring consistent messaging and access to learning-support resources.

Root Cause Addressed:

Strengthen and personalize school–family communication practices to ensure all parents receive consistent, actionable information about how to support their child's learning, especially for newly enrolled and multilingual families.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
The Assistant Principal and Parent Coordinator will host bi-monthly onboarding sessions for all newly enrolled families (with emphasis on ELLs), featuring a video on ENL programs, assessment tools (NYSESLAT/NYSITELL), and how families can support learning at home.
All teachers (classroom and cluster) will share a monthly digital or printed newsletter with families, outlining the learning focus tied to the Next Generation Standards and suggestions for home reinforcement. These will be translated where applicable.

Teachers will follow a schoolwide communication protocol during September events to ensure all families receive consistent information about curriculum, behavior expectations, attendance, and how to engage with the school's app and communication platforms.
The school will identify bilingual staff or translation tools to provide timely messaging to multilingual families. Class Dojo or the newly adopted app will include options for home language access to all key messages and reminders.
Throughout the year, the Principal and Parent Coordinator will host sessions tailored to unique groups (e.g., Dual Language families, second-grade transition families) to provide clarity on program options, address concerns, and build strong school-home connections.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024–2025 Visions Portal: 34% of students chronically absent; 3K-PreK disproportionately high	Non-compulsory grades (3K, Pre-K) drive high absenteeism; illness and travel also major contributors	Reduce chronic absenteeism, especially in 3K-PreK and Temporary Housing students

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	34	By June, 2026, the chronic absenteeism rate will decrease by 3% from 34 to 31, as measured by the New Visions Attendance Report.
All Students	91	By June, 2026, the percentage of present students will increase by 2% from 91 to 93, as measured by the New Visions Attendance Report.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Establish a targeted early outreach system for 3K–K and temporary housing families, combining health education, incentives, and personalized check-ins. This tailored attendance strategy addresses the root causes specific to your youngest and most vulnerable learners with a differentiated, supportive approach.

Root Cause Addressed:

Non-compulsory grades (3K, Pre-K) drive high absenteeism; illness and travel also major contributors

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Share attendance policies during September's Meet the Teacher Night to set expectations and explain how attendance affects academic success.
Hold bi-monthly Attendance Team meetings to review ATS and Portal reports, coordinate parent outreach, and escalate severely chronic cases for intervention.
Run parent workshops on preventing illness, promoting health routines, and minimizing learning loss due to absenteeism, with take-home guides.
Send personalized letters home three times a year to alert families of attendance concerns, with follow-up meetings for severely absent students.

Launch attendance incentives such as HERO awards, weekly shoutouts, and targeted outreach for families in early grades (3K-K) and temporary housing.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Individual School Report generated by the District Office
Visions Portal

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/02/2025	09/02/2025	Principal's Back to School Virtual Orientation for Parents - Attendance Policy will be discussed in this opening day presentation	
09/11/2025	09/11/2025	Meet the Teacher - a few slides will be dedicated to unveiling what our school's Attendance Policy is, including but not limited to parents receiving quarterly letters, invites to come in and meet with administration, a home visit when children are out for 3 consecutive days, etc.	
09/24/2025	06/17/2026	Perfect Attendance Special Assemblies - students who have perfect attendance for the month will be acknowledged and presented with a certificate at the monthly PTA Meetings on the 4th Wednesday of the month	

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Principal, Assistant Principal, Parent Coordinator, guidance counselor, social worker, attendance school aide, and pupil accounting secretary.

Instructional Resources

Harmony SEL, Ruler (Yale), Panorama for MTSS, DESSA, NYC Passport to Social Studies, Amplify Science, HMH Into Reading and Arriba La Lectura, Class Dojo, "Attendance Matters" Toolkits, HERO Platform, PBIS Rewards

Schedule Adjustments

Schedules will be programmed and adjusted as necessary to facilitate attendance team meetings, special meetings and parent attendance workshops as well as the Advisory Period on Mondays.

Other Resources Needed

Parent engagement funds and PTA support parent workshops on attendance and student well-being and health.

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
IEP Review Dashboard: 82.5 % Provision of Services %: 100%	-Programs and services are delivered in full. In the beginning of the year, and when annual reviews are held, Chapter 408 forms are emailed to all teachers and service providers to	IEP Development

Annual Goal Progress Reporting %:71%	acknowledge their responsibilities in regards to the IEP. - IEP recommendations are aligned with needs stated by the parent and needs that are highlighted in the present level of performance area.	and Fidelity of Implementation
P.S. 222 hosted a number of transition activities: Career Day, Graduation ceremonies, 5/29 Day, SEL assemblies and Carnival Day, writing publishing parties and parent training events. % of students participating: 100% % Interest Surveys - 100% of classrooms	-Student and parent voices are reflected in each IEP to an extent. -Student voice is highlighted through the use of student questionnaires. Students are asked meaningful questions about their future in order to highlight career path and transitioning needs. -Student's interests are highlighted through student questionnaires and through building rapport with students. -Parent voice is noted through meaningful questions regarding the students' interests, strengths, and their concerns regarding the child's academics, social development, and physical development.	Transition Planning and Compliance
Initial Referral Rate %:	The current referral process employs an equity lens to ensure that decisions are driven by student need—not by bias, limited access to interventions, or inconsistent implementation of support systems.	Referral Process and Equity
Suspension Rate for SWDs: 0% Suspension Recidivism: 0% Suspensions by ethnicity & Language proficiency: 0% Enrollment in Tiered Behavior Support initiatives - PBIS, Tiered Supports, Sensory Walk/Breaks given, Data-driven decision making Attendance Survey Data: 91%	-PBIS school wide systems are in place. -Communication with parents via phone	Equity in School Discipline
Only 43% of IEPs include student voice (June 2025, IEP Review Completion Report) 57% include SDI aligned to missing skills and curriculum access (June 2025, IEP Review Completion Report) 43% detail students' social development in the PLOP (June 2025, IEP Review Completion Report)	-Case managers inconsistently incorporate student voice and fail to fully articulate SDI and social development in IEPs.	Increase IEP quality and inclusivity across all components.

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	43	By June, 2026, the percentage of IEPs incorporating student voice through personal reflections and future goals will increase by 20%, from 43 to 63, as measured by IEP Review Completion Report .
Students with Disabilities (SWD)	57	By June, 2026, the percentage of IEPs specifying specially designed instruction to address skill gaps and support progress in the general education curriculum will increase by 20%, from 57 to 77, as measured by IEP Review Completion Report.
Students with Disabilities (SWD)	43	By June, 2026, the percentage of IEPs that include students' social development in the PLOP (e.g., adaptive behavior, peer/adult relationships, self-perception, and social adjustment to school and community) will increase by 20%, from 43 to 63, as measured by IEP Review Completion Report.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. 63

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Establish a robust quality assurance system to ensure all IEPs reflect student voice, clearly defined specially designed instruction, and social development. This includes regular cross-functional reviews using standardized tools, coaching for case managers, and integration of family/student input.

Root Cause Addressed:

Root Causes Addressed:

Case managers omitting student voice in IEPs.

Inconsistent adherence to completion checklist.

Explanation:
This strategy directly addresses the omission of student voice and inconsistent implementation by creating structured opportunities for review, exemplars, and coaching to model inclusive IEP development. It supports all three goals by embedding a routine that checks for student voice, specially designed instruction, and social development in the PLOP.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Conduct Monthly SIT/CST IEP Reviews: Cross-disciplinary teams will review IEPs using a standardized checklist to ensure inclusion of: a) Student voice and aspirations; b) Clearly articulated specially designed instruction (SDI); c) Comprehensive descriptions of social development in the PLOP
Use Standardized IEP Completion Checklist: Distribute and mandate use of a revised checklist to ensure consistency and alignment with all three IEP elements. Case managers will self-assess and annotate how each element is addressed.
Distribute and Analyze Family/Student Surveys: At the beginning of the year, gather parent and student insights on strengths, needs, and postsecondary goals. Incorporate into IEP drafts and track which are embedded in final versions.
Provide Case Manager Coaching and Share Exemplars: Offer real-time feedback and showcase exemplar IEPs during common planning time and PD. Focus areas rotate monthly: student voice (Sept–Nov), SDI (Dec–Feb), social

development (Mar–May).

Progress Monitor IEP Trends and Target Support: Maintain a monthly dashboard of IEP review trends to identify inconsistencies across teachers or IEP elements. Provide individual or team-based support accordingly.

Key Strategy 2 (Optional):

Strengthen staff capacity to write high-quality, inclusive IEPs through ongoing professional learning, exemplars, and peer feedback cycles. This includes targeted PD on incorporating student voice, writing SDI aligned to classroom needs, and documenting social-emotional functioning in the PLOP.

Root Cause Addressed:

Root Causes Addressed:

Lack of clarity on how to write measurable goals or identify skill gaps.

Inconsistent inclusion of social-emotional data and post-secondary transition information in Present Levels of Performance (PLOP).

Explanation:
This strategy addresses the technical and conceptual gaps that result in IEPs lacking clarity, depth, and relevance. It supports development in all three areas—specialized instruction, student social development, and voice—by building shared language, knowledge, and expectations for high-quality IEP writing.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

IEP SETSS Teacher Calendar of SIT and CST Meetings
Checklist generated after every IEP Review outlining next steps
Creation of rubric to ascertain quality and quantity of student voice for clear expectations

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
10/01/2025	04/30/2026	Parent Workshops on the IEP Referral Process, i.e. What is an IEP and why does my child need one?; The Annual Review Process; The Importance of Communication and Its Role in Student Success; Empowering Parents through Advocacy	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Results on Acadience Reading Assessments	Intervention Program, i.e. Double Dose Fundations, Sounds Sensible or Spire	small group	During school	No
Tier 3	Results on the Acadience Reading Assessments correlated to TC Running Records	Great Leaps Reading Program	one-to-one	During school	No
Tier 2	Results on the Acadience Math Assessments correlated to the Pre-Requisites Skills Inventory	Do the Math Program	small group	During school	No

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Anecdotal Records from Teachers	Behavior Contract; Check In/ Check Out System; Break Passes;	one-to-one	During school	No
Tier 3	Anecdotal Records from Teachers	Individualized Behavior Plan; Counseling	one-on-one	During school	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

The essential components of MTSS are shared with families during Curriculum Night, through parent workshops, and during parent-teacher conferences. Informational flyers and visual guides explaining the tiers of support, intervention blocks, and data-driven instruction are also translated and distributed. The Parent Handbook outlines how MTSS functions within our school, highlighting the importance of academic, behavioral, and social-emotional supports.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Families are provided regular progress updates through monthly check-ins with classroom teachers and interventionists. These updates are shared via phone calls, translated written summaries, or virtual meetings. Progress monitoring data such as Acadience scores and anecdotal notes are discussed, and families are offered strategies to reinforce learning at home.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are invited to MTSS team meetings when Tier 3 interventions are initiated or reviewed. During these meetings, school staff review the data, intervention goals, and student response. Parents can ask questions, share observations, and participate in decisions regarding next steps. Translation services are always available.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

Doubled up: 33

Living in a shelter or transitional shelter: 8

Living in a hotel/motel: s

Living in a car, bus, or train: 0

Living in a park or public place: 0

Living in an abandoned building: 0

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Students residing in shelters tend to have more frequent absences due to school bus scheduling inconsistencies. These students often show slower academic progress compared to peers. This trend has guided the school to focus more heavily on coordination with shelter liaisons and bus services, while also increasing access to tutoring and attendance incentives.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Services for STH students include participation in after-school academic enrichment programs in reading and math. Title I funds are also used to provide school supplies, uniforms, and basic needs to reduce barriers to learning. These services were selected based on feedback from the STH Title I Survey, which helped identify the most urgent needs for academic and logistical support.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Currently, there are 2 students in foster care enrolled. These students are closely monitored by the school social worker and guidance counselor who provide weekly check-ins. Academically, they receive targeted small-group instruction in literacy and math and have access to SEL programming through Second Step and PBIS.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Newly enrolled or transitioning foster care students are assigned a point person (guidance counselor or social worker) to support their onboarding. An individualized support plan is created, and interventions such as mentorship, SEL groups, and academic tutoring are implemented immediately. Collaboration with the foster care agency ensures timely information sharing.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

Students in foster care often exhibit high mobility and attendance disruptions, leading to inconsistent academic growth. As a result, the school is prioritizing continuity of instruction and relationships through flexible scheduling, frequent communication with caregivers, and academic catch-up sessions.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Students in foster care participate in weekly SEL lessons that focus on emotional regulation, problem-solving, and building resilience. The school also facilitates lunch bunch groups and peer mentoring to support social integration. These strategies reduce behavior incidents and increase classroom engagement, supporting both academic and social success.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P.S. 222Q - FF Christopher A. Santora School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 222Q - FF Christopher A. Santora School will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 222Q - FF Christopher A. Santora School, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Presently, all of our teachers are highly qualified. Our strategies and activities for high quality professional learning for teachers, administrators, staff and paraprofessionals to enable all to meet state standards include the following:

Job-Embedded Models
- Peer Coaching, Mentoring
- Action Research
- Collaboration Around Student Work
- Reflective Practice
- Personal Learning Plan

Outside Knowledge Models
- Subject Matter Projects
- Network Conferences
- Webinars
- Professional Book Study

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Our transition plan used to assist preschool children from early childhood programs to the elementary school program includes the following activities:
- Invite parents and their children to a "Sneak Peek" to visit the school a nd the classroom to meet with the teacher the year prior to starting school
- Encourage parents to read with their children at night
- Mail out the “Ready for School!” poster during the summer so that parents can help prepare their child for starting school by having them conduct a daily activity beginning 14 days before school starts
- Send out First Day Letter written by teachers
- Schedule a Meet the Teacher Evening Conference / Open House in early September
- Introduce Psychologist, Guidance Counselor and Social Worker to parents

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I SWP	Federal	$107,044	X	Priority 1, 2, 3, 4, 5 and IEP
Title I SWP Carry Over	Federal	$8,831	X	Priority 1, 2, 3, 4, 5 and IEP
Title IIA Supplemental	Federal	$28,958	X	Priority 1, 2, 3, 4, 5 and IEP
Title III LEP	Federal	$12,193	X	Priority 1, 3, 4, 5 and IEP
Title I SWP STH	Federal	$35,974	X	Priority 1, 3, 4, 5 and IEP
Title I Parent	Federal	$1,070	X	Priority 1, 2, 3, 4, 5 and IEP
Tax Levy Fair Student Funding	Local	$1,639,450	X	Priority 1, 2, 3, 4, 5 and IEP

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Yvonne Marrero
Assistant Principal (Where Applicable)*	Rossana Awais
English as a New Language (ENL) Teacher*	Kleanthie Lathourakis
Teacher (if school has a bilingual program must be a bilingual teacher)*	Lisette Rojas
Parent/Guardian*	Andrea Sanchez
Teacher	
Parent Coordinator	
School Counselor	
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

5

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

1

Number of certified ESOL teachers not currently teaching ENL:

1

Number of teachers who hold both content area/common branch and ESOL certification:

6

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

3

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

158

Total number and percentage (%) of current ELLs:

57 current ELLs (36.1%)

Total number and percentage (%) of former ELLs:

14 former ELLs (8.9%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

57 Newcomers with 0-3 years of service (100.0%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

0 Developing with 4-6 years of service (0.0%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 Long-Term ELLs with 7 or more years of service (0.0%)

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0 ELLs who are SIFE (0.0%)

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

8 ELLs with IEPs (14.0%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	GE	Spanish	2002	1	1	1											3
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Stand-alone ENL:
At P.S. 222Q, English as a New Language (ENL) services are designed to support the academic and linguistic needs of our Multilingual Learners (MLLs)/English Language Learners (ELLs) across all proficiency levels.

Stand-Alone ENL Instruction
Stand-alone ENL instruction is provided to all Entering and Emerging level students. These students receive 180 minutes of targeted language instruction per week in a separate location, grouped by grade level. ENL teachers deliver instruction focused on developing foundational English language skills to ensure students can access and succeed in core academic content areas. Students within each grade who require stand-alone ENL are scheduled in the same homeroom class to facilitate efficient grouping.

Integrated ENL Instruction
Integrated ENL instruction is delivered within the general education classroom by dually certified teachers. In our First and Second Grade Integrated Co-Teaching (ICT) classrooms, students receive instruction from a Common Branch/ESL-certified teacher and a Special Education teacher. These teams implement co-teaching and parallel teaching models, including small group instruction and Literacy Centers, to support differentiated learning and English language development.

All current MLLs/ELLs receive 180 minutes per week of integrated ENL instruction embedded within content area teaching. Former MLLs/ELLs who have achieved Commanding proficiency on the NYSESLAT within the past two years receive 90 minutes per week of integrated ENL support or other approved services. These may include individualized academic support, formative assessments, and targeted instruction to promote continued language development and academic success.

Integrated ENL:

Our ELL students are heterogeneously grouped by grade level. For integrated ENL, Entering and Emerging ELLs receive 180 minutes of instruction by the classroom ENL teacher, who is also a certified content area teacher. Transitioning ELLs receive 180 minutes of integrated ENL instruction in ELA and other core content areas. Expanding ELLs receive 180 minutes of integrated ENL instruction in ELA. Commanding ELLs receive 90 minutes of integrated ENL instruction within the ELA content area. Integrated ENL classes are taught by a teacher dually certified in both the content area and ENL. The teacher ensures that language arts and content-area instruction are taught in English using specific ENL instructional strategies. Content area instruction integrates English language development and may include use of the home language as support, along with appropriate scaffolds to enhance comprehension.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

Not applicable.

Dual Language Bilingual Education (DLBE):

Students are heterogeneously grouped in our Dual Language program and receive content area instruction in both English and Spanish. ENL/ELA and Home Language Arts components are in place to develop skills across all four modalities. Our school uses the alternating day model, in which the language of instruction alternates daily to ensure language equity and consistency.

Differentiated instruction and scaffolding strategies are used to ensure access to rigorous, standards-aligned instruction. These strategies include visuals, graphic organizers, thinking maps, and schoolwide vocabulary protocols during group activities. Student groups are designed to support language development in both languages while building bilingualism, biliteracy, biculturalism, and social-emotional literacy through high-quality, inclusive curricula.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

P.S. 222Q ensures the mandated number of instructional minutes is provided according to each student's proficiency level, as outlined in CR Part 154-2. The principal creates the teachers' program schedules, incorporating both Stand-Alone and Integrated ENL services during Literacy Centers or Guided Reading periods.

Cluster teachers support during Literacy Centers, allowing ENL-certified classroom teachers to provide small group instruction. Mandated service by proficiency level is as follows:

Entering MLLs/ELLs: 2 units/week (360 minutes)

1 unit (180 minutes) Stand-Alone ENL

1 unit (180 minutes) Integrated ENL in ELA

Emerging MLLs/ELLs: 2 units/week (360 minutes)

0.5 unit (90 minutes) Stand-Alone ENL

1 unit (180 minutes) Integrated ENL in ELA

0.5 unit (90 minutes) Stand-Alone or Integrated ENL in a core content area

Transitioning MLLs/ELLs: 1 unit/week (180 minutes)

0.5 unit (90 minutes) Integrated ENL in ELA

0.5 unit (90 minutes) Stand-Alone or Integrated ENL in a core content area

Expanding MLLs/ELLs: 1 unit/week (180 minutes)

1 unit (180 minutes) Integrated ENL in ELA or another core content area

Commanding (Former ELLs): 0.5 unit/week (90 minutes) for two years

Integrated ENL in ELA or another content area, or other approved Former ELL services

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Instructional minutes are explicitly noted on the program cards of the teachers responsible for ENL and Dual Language classes. In our Dual Language Bilingual program, Home Language Arts is delivered on alternating days (2 days one week, 3 days the next) to ensure language equity and consistency.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

We implement a self-contained Dual Language model across all grades. Instruction is equally divided—50% in English and 50% in Spanish—across all content areas, integrating English-proficient students and ELLs throughout the school day

b. In which language(s) is each core content area taught?

Each core content area is taught equally in both English and Spanish (50/50 model).

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

Not applicable.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Newcomers:
100% of our ELL population (57 students) are newcomers, having entered the U.S. school system within the last three years.

Instructional Approach:
For newcomers, instruction is scaffolded with visual supports, home-language connections, targeted vocabulary development, and explicit modeling. Teachers use Total Physical Response (TPR), sentence frames, and bilingual resources (like Arriba la Lectura) to ensure accessibility and language development. This contrasts with instruction for Developing or Long-Term ELLs, who receive instruction focused more on academic discourse, writing structure, and higher-order comprehension skills.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0% of ELLs are identified as Students with Interrupted/Inconsistent Formal Education (SIFE).

Instructional Differentiation:
If SIFE students were enrolled, they would receive targeted foundational literacy and numeracy instruction, one-on-one and small group support, and trauma-informed care to address both academic and social-emotional needs.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0% of students are classified as Long-Term ELLs.

However, were such students present, effective instruction would include increased opportunities for extended academic discussion, writing across content areas, and individualized progress monitoring to address persistent language gaps.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

14 students are identified as former ELLs.

Mandated Instruction:
These students continue to receive at least 90 minutes per week of integrated ENL support as required by CR Part 154. Support is embedded in ELA and content instruction, with explicit vocabulary instruction, strategic scaffolding, and formative assessments.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

A majority of our ELLs face one or more compounding risk factors that can adversely affect academic progress. Specifically, 59.6% (34 students) are impacted by one risk factor, 35.1% (20 students) by two, and 5.3% (3 students) by three concurrent risk factors. These include newcomer status, living in temporary housing (38.6%), being overaged (3.5%), and not meeting sufficient progress on the Spring 2024 NYSESLAT (3.5%).

Trend:
The data reveals that multifactor risk is prevalent among our ELL population, particularly for those balancing newcomer adjustment with housing instability. While most students demonstrate risk from a single factor, over one-third are affected by multiple, compounding challenges. These intersecting vulnerabilities can hinder both academic development and language acquisition. In response, the school provides Tier 2 interventions during the “zero block” RTI period, using Sounds Sensible and SPIRE for literacy and Do the Math for numeracy support. Early screening through Acadience helps to identify students most in need of targeted instruction, while integrated social-emotional supports aim to reduce barriers to learning.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

While former ELLs are generally considered at lower academic risk, a subset continues to face challenges with mastering grade-level expectations, especially when required to express ideas clearly and independently across content areas. Additionally, 7.1% of former ELLs live in temporary housing, which can contribute to inconsistent access to learning supports and impact academic progress.

Trend:
As academic content becomes more demanding, some former ELLs experience difficulty with language-heavy tasks and sustaining performance across disciplines. These students benefit from continued, targeted support such as small-group instruction, scaffolded tasks, and explicit teaching of academic language. Regular progress monitoring and access to stable learning environments remain critical to ensuring their continued growth and success.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

Spanish is the predominant home language at P.S. 222Q, spoken by approximately 78% of our ELLs. This is followed by Bengali (11%), Gujarati (5%), French (2%), Nepali (2%), and Wolof (2%).

Supports:
To ensure effective communication and culturally responsive instruction, all school communications are translated into families' preferred languages. Spanish-speaking bilingual ENL teachers support both instruction and family engagement. Family orientations and annual individual meetings are conducted in Spanish, and interpretation is available in other home languages as needed. Instructional resources such as Arriba La Lectura and Math & You in Spanish are used in our Dual Language classrooms to support biliteracy development. Additionally, we are fortunate to have Bengali, Gujarati, and French-speaking staff members who provide linguistic and cultural support for students and families, fostering an inclusive and supportive school community.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The majority of ELLs at PS 222Q identify as Hispanic/Latino.

Culturally Responsive Education:
The school integrates CR-SE by embedding Latinx literature, celebrating Hispanic Heritage Month, and using instructional strategies that validate students' identities and languages. Multilingual materials and culturally inclusive texts are used in ELA and social studies.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Out of 57 ELLs at P.S. 222Q:

11 students (68.8%) met sufficient progress on the NYSESLAT

3 students (18.8%) met Safe Harbor

2 students (12.5%) did not meet sufficient progress

Trends:
The majority of students made strong gains in English Language Proficiency, with nearly 70% meeting their ELP targets. Students who met Safe Harbor represent those making acceptable progress based on alternate growth criteria. The small group that did not meet sufficient progress consists mostly of students at the Entering and Emerging proficiency levels, indicating the need for continued intensive scaffolds, structured oral language development, and explicit vocabulary instruction. These results demonstrate the effectiveness of integrated ENL and small-group instruction, while highlighting the need for increased support in productive modalities like Speaking and Writing for newcomers and students with lower initial proficiency.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

In analyzing NYSESLAT results by grade level, distinct modality trends emerge. In first grade, students show the strongest performance in reading and listening, with writing and speaking emerging as relative areas of growth. This suggests that students are developing receptive language skills more rapidly than productive ones. In contrast, second-grade students demonstrated strength in listening and speaking, followed by reading. This indicates a developmental progression in oral language fluency and comprehension, as well as growing confidence in verbal expression.

These patterns highlight the importance of continuing to build expressive language through structured speaking and writing opportunities, while maintaining support for receptive language development through read-alouds, listening tasks, and guided reading. Differentiated instruction that targets both input and output skills remains essential to ensuring balanced language proficiency across all modalities.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

While NYSESLAT shows gains in language proficiency, former ELLs perform stronger on state ELA and Math assessments than current ELLs.
Correlation: Commanding-level students are better equipped to handle test language. Continued support during transition years is critical.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

While no SIFE students were identified at our school, a review of NYSESLAT results among ELLs with IEPs shows that 1 student is at the Emerging level, 2 are Transitioning, and 1 is Expanding. In contrast, ELLs without an IEP are more widely distributed, with 7 at Entering, 2 at Emerging, 3 at Transitioning, 10 at Expanding, and 11 at Commanding. This indicates that ELLs with IEPs tend to cluster in the mid-range proficiency levels and are making steady but measured progress.

The data suggests that with the right instructional supports, including co-teaching models and scaffolded ENL instruction, ELLs with IEPs are progressing toward proficiency. However, their trajectory may be slower due to the dual challenge of language acquisition and meeting individualized learning needs. Continued collaboration between ENL and special education teachers, along with data-driven interventions, will be essential in accelerating their growth.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

As a Pre-K–2 school, PS 222Q does not serve grades 9–12, so this section is not applicable.

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

As a Pre-K–2 school, PS 222Q does not serve grades 9–12, so this section is not applicable.

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

As a Pre-K–2 school, PS 222Q does not serve grades 9–12, so this section is not applicable.

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

As a Pre-K–2 school, PS 222Q does not serve grades 9–12, so this section is not applicable.

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

P.S. 222Q provides ELLs with a high-quality academic experience by integrating the Hallmarks of Advanced Literacies into all content areas. Lessons are aligned with the Next Generation Learning Standards and designed to engage students in meaningful, culturally responsive learning experiences. Teachers use rigorous, grade-level materials and differentiate instruction through small-group support, scaffolded strategies, and multimodal resources. Instruction emphasizes oral language development, academic vocabulary, and opportunities for collaborative discussion and extended writing, ensuring all ELLs access deeper learning across content areas.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Our Instructional Leadership Team (Principal, AP, UFT Chapter Leader, ENL and Bilingual teacher leaders, a special education teacher, and Social Worker) ensures access through program design, protected scheduling, data-based placement and ongoing instructional support across our two models: ENL and Dual Language Bilingual Education (DLBE).

Common structures across both models

Placement & scheduling: All new students are NYSITELL-screened; program/level (Entering–Commanding) informs services. The ILT builds the master schedule to protect core instruction while delivering mandated ENL minutes and DLBE language-allocation time. Tiered supports run in our dedicated ZERO Period (intervention block) so students aren't pulled from core.

Planning expectations: Lesson plans include content and language objectives, explicit vocabulary, and CR-SE aligned scaffolds (visuals, sentence frames, modeled writing, linguistic supports).

Progress monitoring: We use NYSESLAT domains, classroom assessments, and biweekly intervention data to adjust groups and supports. ILT reviews data monthly and provides feedback/coaching.

Family access: Notices, conferences, and key documents are provided in families' home languages; interpreters are arranged as needed.

ENL (English as a New Language)

Service delivery: Combination of Stand-Alone ENL (explicit English language development by proficiency level) and Integrated ENL (ENL teacher push-in/co-teach during core ELA/Content).

Access to core: In Integrated ENL, the ENL teacher co-plans and co-teaches to maintain full participation in Into Reading/Math & You/Amplify/Passport with targeted scaffolds (e.g., language frames for discussion/writing, visuals/graphic organizers, preview/review).

Additional support: Entering/Emerging students receive an additional daily ESL period (pull-out) focused on foundational language and content access; placement and grouping are revisited biweekly.

DLBE (Dual Language Bilingual Education)

Model & allocation: Instruction follows our Language Allocation Plan, ensuring that grade-level standards are taught in both English and Spanish across the week.

Access to core: Spanish-medium ELA uses Arriba La Lectura and Aprendo Leyendo (Tier 1 and Tier 2 in DL), with parallel pacing to English-medium units so students access the same content and assessments in the program language. Teachers plan bridges for cross-linguistic transfer (vocabulary, morphology, writing genres).

Interventions: Within DLBE, targeted Tier 2 supports occur during ZERO Period in the language of instruction (e.g., Aprendo Leyendo for foundational Spanish literacy) so students do not miss core.

ILT monitoring & support

Look-fors & walkthroughs: ILT conducts short cycles with look-fors tied to language objectives, opportunities for productive talk, explicit vocabulary/grammar, and writing with feedback in both ENL and DLBE settings.

Coaching & PD: The ENL/Bilingual leads facilitate co-planning, model lessons, and quick coaching cycles; adjustments (grouping, time, materials) are documented and revisited at monthly ILT meetings.

Result: Regardless of program (ENL or DLBE), ML/ELLs receive full access to standards-aligned core curriculum in the program language, with explicit language instruction, protected time, and data-driven interventions that do not supplant core learning.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

At P.S. 222Q, we implement a shared, inclusive, and standards-aligned curriculum across all content areas and grades. Teachers engage in collaborative curriculum planning to adapt unit plans and ensure they meet the needs of all learners. These adaptations create multiple entry points so that all students—including Multilingual Learners (MLs)/ELLs—can access rigorous academic content.

To support instruction, we incorporate a range of texts and materials, including:

Printed texts

Digital texts such as blogs, videos, and podcasts

Visual texts, including pictures, maps, diagrams, infographics, and sculptures

Realia and object-based icons

All texts are selected to reflect a variety of perspectives, cultures, abilities, and identities, ensuring a culturally responsive and sustaining approach to teaching and learning.

ENL Program
In our ENL program, instruction is grounded in research-based practices that support both language and literacy development. Recognizing that language and literacy learning are interrelated developmental and cognitive processes, we emphasize instruction that integrates the four modalities: listening, speaking, reading, and writing. Before planning learning experiences, teachers assess students' English proficiency as well as their content knowledge using both formal and informal assessments.

Instructional strategies used during content area instruction include:

Activating and building background knowledge

Explicit modeling of strategies using richly illustrated texts

Vocabulary development using gestures, visuals, and Total Physical Response (TPR), along with tools such as the Frayer Model and Marzano strategies

Teaching morphological awareness (prefixes, suffixes, root words), and reinforcing meaning through interactive word walls

Use of graphic organizers, rubrics, and anchor charts

Repetition, restatement, paraphrasing, and summarizing to aid comprehension

Clear, concise directions and illustrated task flow charts

Structured peer collaboration (e.g., turn-and-talk, think-pair-share)

Re-teaching through strategy groups and guided practice

Sharing of learning strategies during mid-workshop interruptions and student reflection

Dual Language (DL) Program
For Spanish-speaking students, home language supports are utilized to increase access to grade-level content. Texts may be provided in Spanish as scaffolds to support understanding of grade-level tasks. Cognates are also explicitly taught to reinforce cross-linguistic connections in content areas.

Our Dual Language program integrates MLs/ELLs with English-proficient students, allowing both groups to serve as language models for one another. Students develop academic language in both English and Spanish while acquiring content area knowledge. The program follows a “roller coaster model” in Grades K–2, in which instruction alternates daily between English and Spanish, ensuring equal exposure to both languages. Therefore, content areas are addressed in both languages on alternating days.

We use a variety of curriculum-aligned materials across programs:

HMH Into Reading (English) and Arriba La Lectura (Spanish) serve as our core literacy programs and are aligned to the Next Generation Learning Standards. These programs embed content area topics—such as science and social studies—within the literacy framework.

HMH Into Reading includes explicit English Language Development lessons.

Arriba La Lectura is a transadapted Spanish curriculum that mirrors the rigor and scope of the English version.

Amplify Science, Passport to Social Studies, and Math & You provide additional bilingual resources to support content instruction in both languages.

Through these integrated instructional models and thoughtfully selected materials, we ensure that all MLs/ELLs have equitable access to grade-level content while accelerating their English language development.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Teachers of MLs/ELLs with IEPs use a range of scaffolded instructional strategies and grade-level materials to support access to academic content and accelerate English language development. These include:

Activating prior knowledge related to the topic

Building background knowledge using visuals and real-world connections

Explicit modeling of strategies through mini-lessons and visual texts

Teaching new vocabulary through Total Physical Response (TPR), gestures, images, and models (e.g., Marzano, Frayer Model)

Emphasizing morphological awareness (prefixes, suffixes, root words), supported by interactive word walls with visuals and definitions

Using graphic organizers, anchor charts, and rubrics to aid comprehension and structure tasks

Repetition, paraphrasing, and restating to reinforce understanding

Providing concise verbal instructions and visual task charts

Structuring opportunities for guided and peer practice through turn-and-talk and think-pair-share activities

Re-teaching in small, targeted strategy groups

Celebrating strategy use through mid-workshop interruptions and share sessions

These approaches are aligned to both IEP goals and language development needs, ensuring access in the least restrictive environment.

b. SIFE

As a Pre-K–2 school, we do not currently serve SIFE students. However, should SIFE students enroll, our plan would include a structured, research-based foundational skills program emphasizing phonemic awareness and phonics through a multisensory approach. Instruction would be delivered using thematic big books, picture cards, music, games, and rhymes.

Students would receive targeted small group instruction through Tier 2 and Tier 3 supports. Intervention programs would include Sounds Sensible, SPIRE, HMH Into Reading, and digital tools. Classroom libraries would be equipped with multicultural leveled texts to foster engagement and language growth. Our approach would emphasize rapid literacy acceleration with native language supports when appropriate.

c. Newcomers

At P.S. 222Q, 100% of our English Language Learners (57 students) are considered newcomers, having entered the U.S. school system within the past three years. All newcomer ELLs receive robust instruction from certified ENL teachers along with targeted small-group support in reading, math, and English to close learning gaps and build academic confidence. Students also have access to extended learning opportunities through our morning program and after-school program. Instruction is data-driven, personalized, and designed to accelerate language acquisition while ensuring all students meet grade-level expectations across content areas.

As of Spring 2024, the English proficiency levels of our newcomer students are as follows:

Commanding: 29.7%

Expanding: 29.7%

Transitioning: 13.5%

Emerging: 8.1%

Entering: 18.9%

These results indicate strong early language acquisition among our newcomers, with nearly 60% of students already reaching Expanding or Commanding levels of proficiency. This suggests that the supports and instructional models in place—such as integrated and stand-alone ENL, differentiated small group instruction, and extended learning time—are effectively accelerating English language development. Moving forward, our focus will include sustaining the progress of students at higher proficiency levels while continuing to provide intensive supports for Entering and Emerging learners. Social-emotional support remains central to helping students navigate the transition to a new educational environment and thrive both linguistically and academically.

d. Long Term ELLs

Not applicable.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

At P.S. 222Q, we ensure that ELLs with IEPs are supported in achieving their IEP goals and in attaining English language proficiency within the least restrictive environment through inclusive instructional practices. Our ICT classrooms in Kindergarten and Grades 1 and 2 are co-taught by a dually certified Common Branch/ENL teacher and a Special Education teacher, providing both content and language instruction alongside individualized support based on IEP mandates.

Students at the Entering and Emerging levels of English proficiency receive additional support from a certified ENL teacher, who provides stand-alone and integrated services. These services are coordinated with the classroom teachers to ensure that language development is embedded across content areas and aligned with students' academic and social-emotional goals.

Instruction is scaffolded using research-based ENL strategies, including visual supports, sentence stems, graphic organizers, modeled instruction, and guided practice. Teachers collaborate closely to differentiate instruction and ensure accommodations are implemented consistently. All efforts prioritize full participation in general education settings, fostering access to both language-rich and academically rigorous instruction for our ELLs with IEPs.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In the Dual Language program, the home language is assessed through Into Reading Spanish assessments, which are administered at the end of each reading unit to monitor comprehension and literacy skill development in alignment with the curriculum.

Beginning next school year, we will discontinue the use of Fountas and Pinnell's Sistema de Evaluación de la Lectura and implement Acadience Reading in Spanish. This transition reflects our commitment to aligning with the Science of Reading and ensuring that all literacy instruction and assessment are grounded in research-based practices that support the language development and academic success of our bilingual learners.

How we assess home language by program model

DLBE (Dual Language Bilingual Education) – Spanish/English

Universal screening & PM (Spanish): Acadience Reading (Spanish) beginning 2025–26; biweekly PM for Tier 2.

Curriculum-embedded checks (Spanish): Into Reading Spanish unit assessments; Spanish writing rubrics; oral-language checklists.

Use: Placement, grouping, and monitoring in the Spanish strand so students access grade-level core in both languages.

TBE (Transitional Bilingual Education)

If Spanish: Same tools as DLBE (Spanish Acadience + curriculum assessments), plus L1 content checks aligned to units.

If languages other than Spanish: Use parallel/translated assessments where available, oral-language inventories via interpreter, short L1 writing/reading samples, and bilingual rubrics to gauge baseline and growth.

Use: Inform L1/L2 allocation, scaffolded access to core, and exit criteria.

ENL (English as a New Language)

Baseline L1 profile for all newcomers: Home Language Questionnaire + family interview, prior records.

If Spanish: brief Spanish Acadience or equivalent quick L1 literacy checks (print, phonemic awareness, decoding, oral retell).

Other languages: Interpreter-supported oral interview/retell, short L1 writing sample, and teacher checklist to document transferable skills.

Use: Tailor Integrated/Stand-Alone ENL scaffolds, group for ZERO Period interventions, and track cross-linguistic transfer—while English remains the language of instruction in ENL.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

Not applicable. P.S. 222Q is a Pre-K–2 school and does not offer electives or participate in the Seal of Biliteracy program.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

At P.S. 222Q, co-teaching and collaboration are supported through structured common planning periods, regularly scheduled grade team meetings, and inquiry cycles. ENL and Dual Language teachers engage in co-planning with general education teachers to align instruction and differentiate based on students' language development needs. Instructional strategies are shared and refined during team meetings and turnkey professional learning sessions.

The Assistant Principal and the ELA/MLLs Lead facilitate ongoing professional development focused on effective co-teaching models, such as station teaching and parallel teaching. Teachers collaboratively analyze formative assessment data to group students strategically and plan targeted instructional supports across core content areas, including ELA, math, science, and social studies. This collaborative approach ensures that instruction is language-rich, data-driven, and responsive to the needs of all Multilingual Learners.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

All personnel—including teachers, paraprofessionals, and our Parent Coordinator—who work with ELLs are offered opportunities to participate in workshops and professional development through the Office of Multilingual Learners. Our district support team regularly provides professional development sessions focused on enhancing language proficiency and promoting academic success for all ELLs.

In addition, all teachers have received workshops on the Science of Reading, which supports the implementation of our reading programs, HMH Into Reading and Arriba La Lectura. Our teachers have consistently implemented the Hallmarks of Advanced Literacies—including a variety of texts, talk and discussion, extended writing, vocabulary, and schoolwide protocols—since their introduction prior to the pandemic. The Science of Reading emphasizes that instruction must engage all four modalities (reading, writing, speaking, and listening), promote analytical thinking through tasks and questioning, and create classroom conditions that foster student conversations.

Over the past few years, we have received professional development from a Generation Ready consultant focused on the Science of Reading, including strategies such as the "I Do, We Do, You Do" gradual release model, establishing success criteria, small group instruction, the use of decodable texts, and data-driven grouping for instruction. Additionally, our ELA/MLLs Lead turnkeys all district-led PD. This past year's focus has included transitioning from Word Walls to Sound Walls, implementing Explicit Instruction, using the Fundations Language Tracer, developing language objectives across core content areas, and embedding writing across the curriculum.

To support the social-emotional needs of students, including MLs/ELLs, our social worker and guidance counselor have turnkeyed district-led PD. Topics have included Chancellor's Regulations A-750, A-831, and A-832, Suicide Prevention, an Introduction to PBIS, and the DESSA Screener.

Agendas and sign-in sheets are used to document staff participation and ensure all educators meet the minimum number of required ELL training hours. A record of each staff member's PD sessions is maintained in a binder. In addition, ENL and Dual Language teachers turnkey what they've learned during district sessions and grade-level conferences. During inquiry cycles, teachers explore instructional practices that improve access to content and support the academic growth of all learners. This work is aligned with the Danielson Framework and the Next Generation Standards-aligned curriculum.

Teachers of ELLs are also encouraged to attend workshops offered by the Fordham RBERN (Regional Bilingual Education Resource Network) and the UFT Teacher Centers. These are often led by researchers in bilingual education and second language acquisition. Topics include math instruction, close reading, early literacy, and creative writing for bilingual and English language learners. Teachers are also encouraged to attend the NYSABE (New York State Association for Bilingual Education) conference each spring. These opportunities provide educators with effective instructional strategies, current research, and ways to integrate technology into their classrooms to better support ELLs.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Our school is a Pre-K to 2 school; therefore, transitioning for us means preparing our students for third grade. Our staff is trained to promote both the academic and personal behaviors necessary for student success. We are committed to developing the learning habits and skills that support academic readiness. These include non-cognitive and socio-emotional competencies that foster resilience and long-term academic persistence.

We are fortunate to have a dedicated group of teachers and a bilingual guidance counselor. At the start of each school year, all teachers complete a professional development needs survey. During our opening Faculty Conference, we review the CEP goals and identify the types of professional development that will support their

attainment. This year, all teachers are expected to engage in cycles of learning driven by student data. These cycles include a review of current research—particularly that aligned to the Science of Reading—so that teachers remain informed and instructional practices remain evidence-based.

Through inter-visitations, teachers explore and apply best practices that promote student engagement, ensuring instruction is both rigorous and accessible to all learners. As teachers collaborate in grade-level teams, each will receive at least six sessions (15% of the total required CTLE hours) in ELL-specific professional development. Bilingual and ENL teachers will receive 20 sessions (50% of their total CTLE hours), which includes both in-house and external professional development opportunities. Agendas and sign-in sheets are documented and maintained in our PD Binder.

Sample professional learning activities include:

Examining effective, research-based writing strategies to support ELLs

Ongoing professional learning on technology integration

Planning and creating word work activities using cognates to build vocabulary

Best practices for language acquisition and integrating language into content areas

Co-teaching strategies and collaborative planning

Scheduled class inter-visitations followed by reflective discussions on instructional practices targeting ELLs

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

At the beginning of the year, we administer the Acadience Reading and Math screening assessments. The data collected informs our initial RTI groups, guided reading groups, and small groups in math. We also use Acadience Progress Monitoring Assessments on a monthly basis to collect data for our RTI groups.

For DLBE, we assess Spanish literacy with Acadience Reading (Spanish) at BOY/MOY/EOY, and conduct biweekly progress monitoring for students receiving Tier 2 support. We also use curriculum-embedded measures from Into Reading Spanish/Aprendo Leyendo—unit comprehension checks, decodable reading/fluency probes, Spanish writing rubrics, and oral-language checklists—to inform grouping and track growth.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

In regard to our intervention services, we have created a dedicated 30-minute "Zero Block" three times per week to allow classroom teachers in Grades K–2 to implement an RtI program for their Tier 2 students. During this block, cluster teachers push into the kindergarten classrooms, enabling the classroom teacher to work with a targeted small group while the rest of the class engages in close reading activities. First and second grade students who are not part of the RtI program participate in literacy centers that reinforce foundational reading and writing skills.

The programs used in RtI ELA include Sounds Sensible in Kindergarten and Grade 1, and SPIRE in Grade 2. Following the RtI ELA block, students transition to RtI Math. For math intervention, classroom teachers utilize Do The Math by Marilyn Burns, published by Heinemann. All programs are delivered in English.

Additionally, all classroom teachers implement daily literacy centers to address specific needs in reading and writing for ELLs in Grades K–2, as identified through assessments such as Acadience Reading (which measures phonological awareness, phonics, high-frequency word recognition, vocabulary, and comprehension of both literary and informational texts), the Spring NYSESLAT, and Acadience Math.

In mathematics, social studies, and science, lesson activities are differentiated by language proficiency and academic ability, while maintaining consistent learning goals for all students. The native language is used primarily in Dual Language classes as a scaffold for intervention, along with visual aids, TPR (Total Physical Response) activities, and Spanish cognates to support content area learning in both languages.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

P.S. 222Q uses a data-informed MTSS framework to guide instruction for ELLs. Data sources include NYSESLAT results, Acadience assessments, running records, classroom performance, and teacher-created assessments. These data are reviewed in grade team meetings and ILT sessions to identify student needs, form RTI groups, and target interventions. Tier 1 instruction is adjusted to incorporate scaffolds and language supports, while Tier 2 and Tier 3 interventions are assigned for students needing more intensive support. ENL and general education teachers collaborate to review progress and modify instruction based on monthly monitoring tools.

We use NYSITELL/NYSESLAT domain data, Acadience (English & Spanish), and classroom evidence to adjust core instruction—co-planning Integrated ENL push-ins with clear content + language objectives, targeted vocabulary, and cross-linguistic bridges in DLBE so students access grade-level standards in both languages. To strengthen core, we implemented Into Reading/Arriba La Lectura with Aprendo Leyendo (DLBE), added Spanish Acadience for screening/PM, and standardized CR-SE scaffolds (sentence frames, visuals/graphic organizers, modeled writing) across classrooms.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

In regards to the formative assessment used to inform and drive instruction, the school uses TCRWP/TC Running records to assess the early literacy skills of our ELLs. Teacher created assessments such as end of unit/chapter tests, exit slips, and mid-unit quizzes are also implemented across all content areas to inform and drive instruction. For the upcoming school year, we will transition from TCRWP Running Records to NYC Performance Tasks to further align with the Science of Reading.

Teachers embed frequent formative checks—Acadience progress probes (English/Spanish), exit tickets aligned to content + language objectives, oral retells/partner-talk rubrics, running records/decodable fluency checks, math whiteboard problems, and conferring notes—to monitor conceptual understanding and language growth in real time. ILT/grade teams use this evidence to adjust next-day core instruction (reteach/extend concepts, refine vocabulary targets and sentence frames, add morphology/syntax mini-lessons, regroup students) and to choose supports such as Integrated ENL push-in, DLBE bridges/Aprendo Leyendo, or ZERO Period Tier 2, ensuring standards access in both languages.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

In order for students to succeed in acquiring any language, we must ensure there is a transfer of skills from their native language to English. Prior to beginning any new unit of study, our ENL teachers build students' background knowledge. With this foundation, we are able to scaffold learning and introduce students to hands-on, real-life experiences.

One example of leveraging native language skills is that, since the majority of our students are of Hispanic heritage,

we use their home language as an instructional support. Academically, we highlight the similarities between Spanish and English. Cognates—words with similar pronunciations, spellings, and meanings in both languages (e.g., la música/music, las ciencias/science, el papel/paper)—are intentionally used to support language development.

We take neighborhood walks and engage students in conversations about the rich ethnic culture that surrounds them. In our Dual Language (DL) classes, instruction is delivered equally in both Spanish and English, using a "roller coaster" model—alternating days of instruction in each language to ensure language equity and consistency. In ENL classes, instruction is delivered in English, but teachers and paraprofessionals use students' native language to support comprehension and task completion when needed.

The HMH Into Reading Biliteracy Program and Arriba La Lectura are implemented in all DL classes (K–2), offering language-aligned instruction in both English and Spanish. In mathematics, we use the Math & You program, which is also available in both English and Spanish, to provide rigorous content instruction in students' home language when appropriate.

In the DL program, students are assessed using the Sistema de Evaluación de la Lectura to determine their independent reading levels. Arriba La Lectura provides Spanish-language assessments that align with the reading skills taught in each unit of study. Additionally, newly admitted Spanish-speaking students are administered the Spanish LAB to determine their native language literacy level. For the upcoming school year, we will transition to the Spanish version of Acadience to further align our literacy practices with the Science of Reading.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

To identify baseline, progress, and areas of need, we administer NYSESLAT annually as the statewide summative for language proficiency and program effectiveness. In addition, we use Acadience Reading EOY (English and Spanish) as a summative indicator available immediately in June; the ILT analyzes at/above-benchmark rates and Red/Yellow/Green movement by ML/ELL level to refine core instruction (content + language objectives), set BOY targets, and pre-plan DLBE/ENL placements and ZERO Period Tier 2 groupings for the fall.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our NYSESLAT administration plan begins with the use of ATS reports, such as RLER, to identify our ELL students in grades K–2. We organize lists of eligible students for ENL services by grade and proficiency levels. The Assistant Principal creates a schedule of testing days within the allotted testing window for all eligible K–2 students. We begin by administering the Speaking modality to all eligible students, scheduling Kindergarten separately due to the higher number of students requiring testing. First and second grade students are tested on the same day. The ELA/MLLs Lead and the Assistant Principal work together to administer the Speaking modality to all K–2 students in order to minimize disruptions to classroom instructional routines.

Our K–2 Dual Language and ENL classroom teachers collaborate to facilitate the testing process for all eligible

students within their grade. The Assistant Principal and the ELA/MLLs Lead create the testing schedule within the allotted window for the other three modalities. Teachers administer the Listening, Reading, and Writing modalities across three consecutive days, as per the NYSESLAT administration policy for Kindergarten and Grades 1–2.

The Writing Scoring Committee is comprised of four Dual Language teachers, two ENL teachers, the ELA/MLLs Lead, and the Assistant Principal. The Assistant Principal schedules and facilitates training and scoring sessions during morning and afternoon common planning time. In addition, Writing Scoring Committee members work after school with the Assistant Principal to complete the scoring process for Grades K–2. This scheduling approach limits disruptions to the regular instructional program for all MLLs/ELLs by reducing reliance on substitute teachers.

During the NYSESLAT testing period, all ELL students continue to receive their mandated instructional minutes as per CR Part 154. The Assistant Principal schedules the three sessions for Listening, Reading, and Writing in Kindergarten, and similarly for Grades 1–2, during first period across three consecutive days. After testing, classroom teachers resume their regular instructional programs and continue delivering the required ENL services based on students' proficiency levels. Former ELLs continue receiving supports through small group instruction, targeted academic interventions, visuals, models, charts, and explicit vocabulary instruction.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

P.S. 222Q ensures that all current and former ELLs receive testing accommodations as outlined in CR Part 154. The Testing Coordinator reviews ATS and IEP data to determine eligibility. Accommodations include extended time, separate locations, translated directions, and bilingual glossaries. Staff are trained annually on administering accommodations. The Assistant Principal oversees the implementation of accommodations, ensuring they are documented and applied consistently across all applicable state assessments, including the NYSESLAT and early literacy screeners.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

We conduct an ELL Program Orientation to inform parents/guardians of newly identified ELLs about the available ELL program options, including program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education (DLBE), Transitional Bilingual Education (TBE), and English as a New Language (ENL). This orientation is provided regardless of whether the school currently offers a bilingual program. It includes a high-quality overview of the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Upon ELL identification, we conduct an ELL Program Orientation. During this meeting, we explain the different ELL service models (ENL, TBE, and DLBE) and show the NYSED informational video, which is available in nine languages. The orientation meeting is conducted by a trained pedagogue.

How we document ELL Parent Orientation & ensure language access

Evidence we maintain: Dated agenda and slide deck; multilingual invites/notices sent to families; sign-in/attendance (with preferred language noted); copy of the NYSED orientation video link shared; Program Comparison handout (ENL/TBE/DLBE) in the home language; completed Parent Program Selection/Placement forms (signed/dated); and outreach logs (calls/texts/emails) for families who could not attend, including follow-up 1:1 orientations. For virtual sessions, we retain the meeting recording/chat export and attendance report. All artifacts are filed in a secure school drive by date/cohort.

Translation/interpretation supports: We pre-identify family language needs from the Home Language Questionnaire and request interpreters (in-person/virtual) through the district's translation services; we also provide on-demand phone interpretation during and after sessions. All core materials (invites, slides/handouts, program selection forms, rights & responsibilities) are translated; bilingual staff help facilitate Q&A. We offer multiple session times (day/evening/virtual), provide headsets or language channels when available, and guarantee follow-up 1:1 orientations with an interpreter for any family unable to attend a group session.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

The Annual Individual Meeting is distinct from the mandated orientation or scheduled parent-teacher conferences. We meet individually with each family to discuss the goals of their child's language acquisition program (e.g., DL or ENL), language development progress, language proficiency assessment results, and academic language needs across content areas. We maintain attendance sheets, sign-in sheets, and copies of outreach letters for documentation. Interpretation and translation services are provided as needed in the family's preferred language. These meetings are typically conducted virtually.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

When families complete the Home Language Identification Survey (HLIS), they indicate their preferred language for oral and written communication. This information is entered into ATS, and we run the RAPA report to ensure ongoing communication aligns with family preferences. Families may respond to or initiate communication in languages other than English by speaking with our Parent Coordinator, who uses interpretation services as needed to address concerns and questions.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We support families by maintaining a library in the Parent Room with resources in multiple languages focused on parenting and second language acquisition. Additionally, our school social worker surveys families at the beginning of the school year to identify their needs and provide targeted resources.

How we develop activities to empower families of MLs/ELLs"

Co-design from family voice: Each September our social worker and Parent Coordinator run a multilingual needs survey + listening sessions (with interpreters). We use these results to set a family learning calendar and topics by grade band and language group.

ELL Family Academies (monthly): Bilingual workshops on how to support reading at home (e.g., Aprendo Leyendo routines, decodables), content vocabulary, and NYCSA/tech clinics so families can access grades, attendance, and messages. Childcare and translation provided.

Data & Goal-Setting Nights (2×/year): Teachers review NYSITELL/NYSESLAT and Acadience in family-friendly terms, co-create at-home goals, and send home Try-It cards (sentence frames, read-aloud prompts, math talk).

Rights & Program Choice: Multilingual sessions on ENL, TBE, and DLBE options, with interpreters and translated forms so families can make informed decisions.

Peer Leadership & Communication: We recruit bilingual “Family Ambassadors” to welcome newcomers, host Café y Conversación drop-ins, and maintain language-specific WhatsApp/text groups for reminders and quick Q&A.

Partnerships: We coordinate with CBOs to offer adult ESL/Spanish literacy classes and connect families to community services.

Measure & refine: We track attendance, language access provided, follow-up coaching requests, and changes in student engagement/progress to adjust topics and supports each cycle.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Information from the Parent Teacher Association (PTA) is sent via email in both English and Spanish. We actively advertise meetings for the PTA, SLT, and CEC to ensure families of MLs/ELLs are aware of and can participate in school-level and district-level decision-making opportunities that may directly impact their children.

How we decide which activities to offer:

Multilingual needs assessment (Sept/Jan/May): Parent Coordinator + Social Worker run short surveys and listening circles (with interpreters) to surface priorities by grade and language group.

Data-informed topics: We triangulate NYSITELL/NYSESLAT domains, Acadience trends, attendance and behavior notes to pick family workshops (e.g., foundational reading, vocabulary, routines).

Engagement analytics: We track NYCSA log-ins, open rates for emails/texts, and event attendance by language to identify gaps and target outreach/support.

Feedback loops: Every session ends with a 3-question exit slip (in families' languages) on usefulness, barriers, and next topics; results drive the following month's agenda.

Advisory input: PTA, SLT, and a small ELL Family Advisory (bilingual ambassadors) meet quarterly to propose/pressure-test activities and timing.

Barrier checks: We adjust for childcare, interpretation, transportation, and virtual options based on what families report.

Community partners: We coordinate with CBOs (adult ESL, immigration/legal aid, health) when survey data show needs beyond academics.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We connect families to adult ESOL, citizenship, and immigration supports through Queens Public Library (Jackson Heights/Elmhurst/Corona branches; ESOL & We Speak NYC), LaGuardia Community College Adult & Continuing Ed (ESOL/HSE), Make the Road New York and New Immigrant Community Empowerment (NICE) (Spanish), Chhaya CDC and South Asian Council for Social Services (SACSS) (Bengali/Hindi/Urdu/Nepali), Asian Americans for Equality (AAFE) (Mandarin/Cantonese), Catholic Migration Services and CUNY Citizenship Now! (legal/citizenship, and NYC MOIA's ActionNYC network (free immigration legal help). We co-host info sessions, share multilingual flyers, and our Parent Coordinator coordinates sign-ups and interpretation so families can participate fully.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

At P.S. 222Q, we are deeply committed to providing a culturally responsive, academically rigorous, and linguistically affirming environment for our Multilingual Learners/English Language Learners (MLs/ELLs). As an early childhood school serving grades Pre-K through 2, our goal is to ensure our students build a strong foundation in both academic content and language development.

Our ENL and Dual Language programs are designed with equity at the core. All instructional staff—including general education teachers, special education teachers, and cluster staff—receive ongoing professional development aligned with the Science of Reading and best practices in language acquisition. Our ELA/MLLs Lead supports staff through turnkey training and coaching cycles that promote the use of sound walls, language objectives, small group instruction, and embedded vocabulary work across the content areas.

We have created a zero block three times a week, allowing classroom teachers to deliver targeted RtI intervention in both ELA and math. Materials such as Sounds Sensible, SPIRE, and Do the Math are used during these sessions. In 2025–2026, we will transition to using Acadience Reading in Spanish to further align with the Science of Reading in our Dual Language program.

All 57 of our current MLs/ELLs are considered newcomers, and we have tailored academic and social-emotional supports accordingly. We also maintain strong family partnerships by ensuring consistent communication in families' preferred languages, hosting virtual and in-person meetings, and connecting families to community-based resources.

Our school believes that multilingualism is an asset. Through intentional programming, strategic planning, and a deeply caring staff, we aim to empower every child to succeed academically, socially, and linguistically.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Rossana Awais – Assistant Principal

Kleanthie Lathourakis – ENL Teacher

Jennifer Lopez – ENL Teacher

Monique Rodriguez – ENL Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Year-Round Identification of MLs/ELLs (including students with IEPs)

Overview & Proactive Planning
We align to the NYC DOE Policy & Reference Guide to ensure there is no interruption in mandated ENL/bilingual services for current, former, or newly identified MLs/ELLs. At registration (and throughout the year for mid-year entrants), the Home Language Identification Survey (HLIS) is collected and flagged by the Main Office; the Assistant Principal (AP) coordinates next steps.

Identification Process & Roles

Main Office: Ensures the HLIS is completed at registration and shared with the AP/ENL team.

Assistant Principal (AP): Reviews HLIS, verifies NYSITELL eligibility, coordinates the timeline (within 10 school days

of enrollment), and monitors documentation.

ENL Teachers (e.g., Ms. Lathourakis, Ms. Lopez, Ms. Rodriguez):

Conduct the Parent/Guardian & Student Interview (see below) in the family's preferred language (with interpreter if needed).

Administer the NYSITELL (when indicated) and record results in ATS.

IEP Considerations: For students with IEPs, the AP, ENL teacher, special educator and related service providers review the IEP to ensure that both disability-related needs and language acquisition needs are addressed in programming per CR Part 154.

Parent/Guardian and Student Interview for NYSITELL Eligibility (Required Step)

When HLIS responses indicate a language other than English, a trained pedagogue (ENL/bilingual staff) conducts a structured interview with the parent/guardian and student in the home language (using an interpreter if needed) to confirm language history, prior schooling, literacy in the home language, English exposure, and any factors (e.g., disability) that might affect testing. The interview is documented, stored with the HLIS, and used to determine whether the student should proceed to NYSITELL and which program model(s) to offer (ENL, TBE, DLBE).

Language Proficiency Team (LPT) Process

If identification is complex—for example, a student with a significant disability, conflicting records, or unclear language history—the LPT convenes.
Composition: AP (chair), ENL teacher, bilingual teacher (when applicable), special education teacher and/or school psychologist, and the parent/guardian (with interpreter as needed).
What the LPT reviews: HLIS, the Parent / Student Interview notes, prior academic records, IEP/related reports, and classroom observations.
Decisions & documentation: The LPT determines whether to administer NYSITELL (and under what testing conditions), confirms or rules out ELL identification with written rationale, recommends the appropriate program model and services, and ensures entries/forms are completed in ATS and the student record. The team reconvenes if new evidence emerges.

Ongoing Mandated Services & Scheduling

Current ELLs receive ENL or bilingual services according to proficiency level and program model.

Former ELLs receive 90 minutes/week of support for two years post-exit.

Program cards/schedules reflect minutes and are monitored by the AP.

ZERO Period (intervention block) and strategic staffing minimize loss of core instruction during screening or service delivery.

Documentation & Family Communication

We maintain: HLIS, Parent Interview form, LPT minutes/decision forms (when applicable), NYSITELL results/ATS entries, Parent Orientation evidence (agenda, sign-in, multilingual materials), and the Parent Program Selection form. Interpreters and translated materials are provided at all steps to ensure families can meaningfully participate.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Yvonne Marrero

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Elena Cunneely

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Yvonne	Marrero	Principal - Elementary	02/05/2025	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Student Emergency Contact cards,New York City Schools Account (NYCSA) Student Profile,Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
BENGALI (BANGLA IN BANGLADESH)	10	3.41%	10	3.44%	2	
FRENCH	5	1.72	4	1.38	1	
GUJARATI	1	0.34	1	0.35	2	
HINDI	2	0.69	2	.069	2	
NEPALI	2	0.69	2	0.69	0	
ENGLISH	173	59.45	170	58.82	35	

SPANISH	97	33.33	99	34.26	19	
WOLOF	1	0.34	1	0.35	0	

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Monthly Newsletters	Spanish-speaking staff member will be translating.
Grading Policy	Spanish-speaking staff member will be translating.
Parent Flyers	Spanish-speaking staff member will be translating.
Parent Handbook	Spanish-speaking staff member will be translating.
Letters	Spanish-speaking staff member will be translating.
IEPs	Psychologist will translate.
Consent Forms	Spanish-speaking staff member will be translating.
Report Card Comments and Progress Reports	Spanish-speaking staff member will be translating.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.

Parent-Teacher Conferences (PTCs)	Interpreters are requested in advance through the DOE Language Access Request system. Bilingual staff and contracted interpreters are scheduled to support in-person and virtual meetings.
Parent Workshops	Bilingual staff members provide live interpretation or pre-recorded voiceovers. Materials are distributed in families' preferred languages as indicated in ATS.
Individualized Education Program (IEP) Meetings	A certified interpreter is scheduled via the DOE's interpretation services. Parents are contacted in advance to confirm language needs.
Annual ENL Program Individual Meetings	Conducted virtually with bilingual staff or DOE interpretation services. Invitations include translated materials, and interpretation is confirmed prior to scheduling.
Family Orientation (ELL Program Orientation)	NYSED videos are used in parents' home languages. A trained bilingual pedagogue conducts the session, with additional support from staff fluent in Spanish, Bengali, Gujarati, or French as needed.
School Leadership Team (SLT) and Parent Association (PA) Meetings	Agenda and minutes are translated in advance. Interpretation is provided live by bilingual staff or DOE-contracted interpreters when requested.
Back-to-School Night	Bilingual teachers and staff provide live interpretation for classroom presentations. General sessions include translated slide decks and interpreters stationed at key areas. Materials are distributed in families' preferred languages.
Kindergarten and Pre-K Orientation Sessions	Interpreters are requested ahead of time via the DOE Language Access Request system. Bilingual staff support breakout sessions, and all handouts are translated into the top home languages represented in the school community.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In the event of an emergency—such as a lockdown, fire, urgent student attendance issue, or a nurse/hospital visit—our school will use the DOE Messaging System to ensure prompt and clear communication with parents in their preferred language. This platform includes pre-approved translated templates, ensuring all communication is uniform, accurate, and culturally appropriate.

Parents will receive a text message to the phone number listed in ATS, which is the contact number they provided during registration. The DOE Messaging System supports simultaneous translation based on each parent's language preference, allowing for quick and accessible updates.

Additionally, we will use Class Dojo, which also offers automatic translation features, allowing teachers and staff to communicate directly with families in over 35 languages. These platforms ensure that language is never a barrier to critical information during an emergency.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

To ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC platform, our school will schedule time during the first professional development day on September 3, 2025 to introduce the training and provide dedicated time for completion. For any staff unable to complete the training on that date, we will allocate time during a Monday 60-minute PD block in September.

During this session, we will also review the Best Practices for When to Provide Translation of Critical Written Communications to Parents and the Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents, ensuring that all staff understand their responsibilities when engaging with multilingual families.

Our Galaxy-designated Language Access Coordinator (LAC) will be responsible for:

Monitoring completion of the WeLearnNYC training.

Disseminating future language access resources and updates via email and during staff meetings.

Posting guidance and reference materials (e.g., language access protocols, request procedures) in a shared drive accessible to all staff.

Collaborating with administration to ensure school-wide compliance with language access policies throughout the year.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Our school informs parents about available language assistance services through multiple accessible formats in their preferred language:

Translated signage is prominently displayed in the main office and at key school entry points, indicating that free interpretation and translation services are available upon request.

We distribute the "Language Access for NYC Public Schools Families" brochure at the start of the school year and at all major parent events. This brochure is available in multiple languages and outlines parents' rights to language assistance.

During parent engagement events such as PTA meetings, curriculum night, and international family events, we highlight language access services and how parents can request interpretation or translated documents.

We send out translated flyers, letters, and school-wide announcements regularly to ensure families are aware of how to communicate with the school in their preferred language.

Additionally, we use Class Dojo and the DOE Messaging System, both of which provide real-time translation, so that families consistently receive updates in the language they understand best.

These systems work together to ensure that language is never a barrier to family engagement or student success.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

In addition to the OLA's Translation & Interpretation Feedback Survey, our school will gather feedback from parents regarding language assistance services through the following methods:

Parent Surveys distributed at key points in the year (e.g., during report card conferences and parent workshops), available in multiple languages, with specific questions about the clarity, accessibility, and usefulness of translated materials and interpretation services.

Verbal feedback collected by our Parent Coordinator, who regularly engages with families and documents concerns or suggestions related to language services.

A suggestion box placed in the main office with translated prompts, inviting families to anonymously share feedback about their experiences with school communication and language support.

Follow-up phone calls or meetings—conducted in the parent's preferred language—to check in with newly enrolled families or those receiving ongoing ENL services, ensuring they feel informed and supported.

All feedback will be reviewed by school leadership and the Galaxy-designated Language Access Coordinator (LAC) to identify trends and make continuous improvements to our communication practices.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our school has taken several steps to improve language assistance services based on feedback and observed needs. In previous years, families shared that while information was often available in their preferred language, it was not always timely or accessible through the communication methods they preferred.

Improvements implemented include:

Using the DOE Messaging System for mass communications, which provides simultaneous translation in families' preferred languages.

Expanding our use of Class Dojo, which allows real-time communication between teachers and families with

automatic translation features.

Ensuring all critical documents—such as IEPs, grading policies, handbooks, and school-wide announcements—are translated prior to distribution.

Hosting bilingual parent workshops and ensuring that interpreters are present at all major meetings, such as PTA, SLT, and Title I events.

Plans for further improvement in 2025–2026:

The Language Access Coordinator (LAC) will host a short language services overview during the first PTA meeting and during Back-to-School Night to raise awareness.

We will train all staff on the NYCPS Language Access Policy using WeLearnNYC during the first PD day and during Monday PD blocks, so they better understand when and how to provide language assistance.

We will introduce a quarterly feedback survey specifically about language access, translated into our families' home languages, and follow up on any identified gaps in service.

To better serve our Bengali- and Gujarati-speaking families, we are working to identify and utilize bilingual staff for more consistent outreach in these languages.

These efforts aim to build a more inclusive, accessible, and responsive communication structure for our multilingual families.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

57

Grades to be served in this program. Select all that apply.

,K,1,2

Total number of teachers in this program:

4

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

P.S. 222 Title III Program provides English Language Learners (ELLs) with supplemental instruction in an After School ENL Program which will service ELLs in kindergarten, and grades 1 and 2 who score at the Entering, Emerging, Transitioning and Expanding levels on the NYSESLAT. Our school implements a Dual Language Program and a free standing ENL program.

The After School ENL classes will meet for a total of 42 sessions on Wednesdays and Thursdays, beginning on October 17, 2025 and ending on April 16, 2026 from 2:30 pm to 4:00 PM (1.50 hours). The Kindergarten After School ENL Program will service 30 ELL students; the First Grade After School ENL Program will service 18 ELL students; the Second Grade After School ENL Program will service 9 ELL students. The Kindergarten group will consist of 5 Entering Level student, 4 Emerging Level students, 14 Transitioning Level students and 7 Expanding Level student. The First Grade group will consist of 2 Entering Level students, 3 Emerging Level students, 5 Transitioning Level students and 8 Expanding Level students. The Second Grade group will consist of 1 Entering Level students, 2 Emerging Level students, 2 Transitioning Level students and 4 Expanding Level students.

The four Title III teachers will collaboratively plan lessons for the After School Title III Program at no cost to the program. These teachers are appropriately certified in ESL or bilingual Spanish. Outlined below is a list of the materials we will use in the program. These consist of supplemental materials and are distinct from those used for daily instruction.

• Language Program: Building Language Proficiency by Teacher Created Materials is a highly differentiated and rich English language development resource which is anchored by a dynamic, level-appropriate text set that provides rigorous instruction in the four language domains: listening, speaking, reading, and writing. This program covers a variety of genres, subjects, and high-interest topics with the 30-piece themed and leveled text set in print and digital formats.

• Read, Reason and Write, a program by Continental Press designed to improve student performance in a number of key reading skills. Each book contains high-interest reading selections related to a given theme. These selections form the base for a range of reading comprehension and writing activities, including graphic organizers to help students sort out their thoughts. The reading selections found within the student books are organized in ascending readability levels, starting slightly below and building to a high on-grade level. This approach uses rigorous text to "stretch" students' reading comprehension, as is required by state standards based on Next Generation Standards. Additionally, the books come in multiple themes per grade level with a balance of fiction and non-fiction passages in order to motivate readers. Furthermore, each book contains two review lessons that require students to think a bout several selections at one time-synthesize, generalize, and conceptualize. Application of this type of higher-level thinking skill is a fundamental part of today's standards and the Common Core.

• Reading for Comprehension series, a program by Continental Press, includes 46 high-interest, non-fiction articles with questions that reinforce key reading and writing skills. This series also addresses the reading skills of vocabulary, main idea and details, sequence, cause and effect, and inferences and conclusions. Students answer open-ended questions pertaining to narrative text, descriptive text, persuasive text, and expository text.

• Vocabulary Links for English Language Development by Continental Press, reinforces knowledge of grade-level content words in science a nd social studies. Motivating activities and reviews repeatedly expose students to target words and address current academic standards.

• Practice Exercises in Basic English by Continental Press, is designed for struggling learners and ELLs who need extra support in basic grammar, usage, and word study skills. Student attendance will be taken at the start of each session. Students who are absent will be marked "A", and those who are present will receive a checkmark. Parent notifications, including registration, confirmation and cancellations, will be written in English and Spanish. Student work will be maintained in individual student folders by the classroom teacher. Parents will receive a progress report every other month. Teachers of these classes will communicate with their students' parents on a need-to-know basis during the parent engagement time on Tuesday afternoon.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

P.S. 222 Title III Program provides English Language Learners (ELLs) with supplemental instruction in an After School ENL Program which will service ELLs in kindergarten, and grades 1 and 2 who score at the Entering, Emerging, Transitioning and Expanding levels on the NYSESLAT. Our school implements a Dual Language Program and a free standing ENL program.

ELLs comprise about 35 percent of our overall student population and continue to grow at a rapid rate. The purpose of our After School ENL Program is to help ensure ELLs, including immigrant children, attain English proficiency and develop high levels of academic achievement and assist teachers in developing and enhancing their capacity to provide effective instructional programs.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The Kindergarten After School ENL Program will service 30 ELL students; the First Grade After School ENL Program will service 18 ELL students; the Second Grade After School ENL Program will service 9 ELL students. The Kindergarten group will consist of 5 Entering Level student, 4 Emerging Level students, 14 Transitioning Level students and 7 Expanding Level student. The First Grade group will consist of 2 Entering Level students, 3 Emerging Level students, 5 Transitioning Level students and 8 Expanding Level students. The Second Grade group will consist of 1 Entering Level students, 2 Emerging Level students, 2 Transitioning Level students and 4 Expanding Level

students. All students served will be newcomer ELLs.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The After School ENL classes will meet for a total of 42 sessions on Wednesdays and Thursdays, beginning on October 17, 2025 and ending on April 16, 2026 from 2:45 pm to 4:00 PM (1.30 hours).

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction is English. However, the teachers in the program do speak Spanish and should a student benefit from simultaneous translation, the teachers will provide that scaffold to aid in understanding and completion of tasks.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Four appropriately certified teachers in the areas of ESL or bilingual Spanish will be hired for the program.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**

- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Outlined below is a list of the materials we will use in the program. These consist of supplemental materials and are distinct from those used for daily instruction.

• Language Program: Building Language Proficiency by Teacher Created Materials is a highly differentiated and rich English language development resource which is anchored by a dynamic, level-appropriate text set that provides rigorous instruction in the four language domains: listening, speaking, reading, and writing. This program covers a variety of genres, subjects, and high-interest topics with the 30-piece themed and leveled text set in print and digital formats.

• Read, Reason and Write, a program by Continental Press designed to improve student performance in a number of key rea ding skills. Each book contains high-interest reading selections related to a given theme. These selections form the base for a range of reading comprehension and writing activities, including graphic organizers to help students sort out their thoughts. The reading selections found within the student books are organized in ascending readability levels, starting slightly below and building to a high on-grade level. This approach uses rigorous text to "stretch" students' rea ding comprehension, as is required by state standards based on Next Generation Standards. Additionally, the books come in multiple themes per grade level with a balance of fiction and non-fiction passages in order to motivate readers. Furthermore, each book contains two review lessons that require students to think a bout several selections at one time-synthesize, generalize, and conceptualize. Application of this type of higher-level thinking skill is a fundamental part of today's standards and the Common Core.

• Reading for Comprehension series, a program by Continental Press, includes 46 high-interest, non-fiction articles with questions that reinforce key reading and writing skills. This series also addresses the reading skills of vocabulary, main idea and details, sequence, cause and effect, and inferences and conclusions. Students answer open-ended questions pertaining to narrative text, descriptive text, persuasive text, and expository text.

• Vocabulary Links for English Language Development by Continental Press, reinforces knowledge of grade-level content words in science a nd social studies. Motivating activities and reviews repeatedly expose students to target words and address current academic standards.

• Practice Exercises in Basic English by Continental Press, is designed for struggling learners and ELLs who need extra support in basic grammar, usage, and word study skills. Student attendance will be taken at the start of each session. Students who are absent will be marked "A", and those who are present will receive a checkmark. Parent notifications, including registration, confirmation and cancellations, will be written in English and Spanish. Student work will be maintained in individual student folders by the classroom teacher. Parents will receive a progress report every other month. Teachers of these classes will communicate with their students' parents on a need-to-know basis during the parent engagement time on Tuesday afternoon.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent**

engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.

We have a binder in the Principal's Office where we maintain hard copies of all notifications sent to parents. Attendance in this program is maintained in Google Docs. Progress is monitored on a monthly basis with the Assistant Principal reviewing the contents of the binder and ensuring documents are filed and up-to-date.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional development will be coordinated by the SDC (Staff Development Committee) which includes the following staff members: Principal, Assistant Principal, IEP SETSS Teacher, UFT Chapter Leader, Grade Leaders for K, 1 a nd 2 at no cost to the Title III Program. This component will provide teachers with scaffolding and differentiated instruction strategies for teaching ELLs. Sessions will be facilitated by the Assistant Principal. Professional development will take place in six one-hour sessions after school, and teachers will be paid per session. Facilitators will provide staff development at no cost to the program.

These six one-hour professional development sessions in the months of October through March will target the following due to the selection of new materials this school year, new teachers that have joined the program, and alignment with this year's school 's instructional focus of student voice as a way to leverage listening to and acting on student preferences, interests, and perspectives to help students feel invested in their own learning so that they can ignite passions that will increase their persistence.

Familiarization and Implementation of Instructional Materials
Differentiation Strategies and Pacing Calendars
Integration of Advanced Literacies
Integrating Technology to Enhance Learning
Instructional Planning for Differentiated Tasks and Assessments

We firmly believe that our professional development will positively impact the progress of ELLs due to the fact that the materials chosen are researched-based and reinforce the concepts and skills that are taught throughout the day. There will be a sign-in sheet for every planning session as well as a written agenda and a recording of the minutes of each session. The information will be monitored by the Assistant Principal and maintained in the Assistant Principal 's Office.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

This year's school 's instructional focus is supporting student comprehension with high-leverage strategies such as close reading with questioning, re-reading with a focus question, stop and jot and envisioning. This will result in students diving deeper into a text and analyzing, interpreting and inferring using a variety of literacy skills. Data sources includes district-level data and the need to address student understanding of main idea and supporting details, as well as our very own inquiry work. All of these strategies will support our students growth across the four modalities.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

Training is for the teachers participating in the ESL After School Program.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Familiarization and Implementation of Instructional Materials - October 2025
Differentiation Strategies and Pacing Calendars - November 2025
Integration of Advanced Literacies - December 2025
Integrating Technology to Enhance Learning - January 2026
Instructional Planning for Differentiated Tasks and Assessments - November 2025, February 2026

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Topics to be covered include close reading and comprehension strategies, protocols and practices for vocabulary development, integrating graphic organizers and thinking maps to scaffold and support student writing, thematic planning and integrating SEL and CRSE within our literacy work.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Rossana Awais, Assistant Principal, and Kleanthie Lathourakis, Second Grade ESL Teacher will be preparing and facilitating the sessions.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

Agendas and sign in sheets as well as handouts and packets will be maintained in a file cabinet in the main office by our Assistant Principal.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

We will offer a number of parent workshops, both during the day and after hours, to help support parents and extend the home-school connection. These workshops will be provided by the Parent Coordinator, the Social Worker and the Assistant Principal. The offerings were informed by a parent survey conducted at the end of last year. An analysis of survey results indicated that parents need support understanding the homework and their children's interim progress reports. It also indicated that they welcome opportunities to contribute to meaningful activities in school such as Career Day, and learn more about school goals and our instructional focus for the year. Notices are translated to Spanish and backpacked . A monthly Parent Calendar is distributed listing all of our events and gatherings. Additionally, the website includes posts which parents can access at any time through the world wide web. Records and sign-in
sheets are maintained in the Principal 's Office and in the Parent Coordinator's files.

Thursday, September 18, 2025 (9:00 - 10:00 AM - 1 hour): Title of Workshop: Helping with Homework - Introduce parents to the various curricular programs that we have in school. Explicitly model how they are to work with the children at home in reading and math through an interactive activity. Rationale: Parents are always intrigued about how to help their children at home with the homework. They state that reading and math are taught differently from when they first went to school; therefore, this will help them support their children at home.

Thursday, October 23, 2025 (9:00 - 10:00 AM - 1 hour): Title of Workshop: Internal Progress Reports - Present our school 's progress reports which parents will receive in early October, January and May. These are in addition to the report cards that are distributed in November, March and June. Rationale: Communicating with parents about their children's performance in school will lead to greater parental involvement and higher academic achievement in the students.

Thursday, November 20, 2025; Thursday, February 12, 2026; and Thursday, March 19, 2026 (9:00 - 10:00 AM): Standards-aligned Teaching and Learning Series - Raise parents' awareness of the literacy curriculum our school is implementing this year as well as our instructional focus, i.e. Into Reading/Arriba La Lectura and student voice. Rationale: Parents will acquire strategies on how to select high-quality and culturally responsive books and engage their children in evidence-based thinking, talking and writing.

Thursday, April 16, 2026 (9:00 - 11:00 AM - 2 hours): Career Day - Coordinate a Career Day where parents volunteer to come and speak to the students about their careers. Their presentation will include the types of subjects one would need to master in school. Rationale: Increase parent participation and student achievement through this

partnership as parents share information about their own careers and skills.

Activities will be at no cost to Title III LEP funds.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

We will offer a number of parent workshops, both during the day and after hours, to help support parents and extend the home-school connection. The offerings were informed by a parent survey conducted at the end of last year. An analysis of survey results indicated that parents need support understanding the homework and their children's interim progress reports. It also indicated that they welcome opportunities to contribute to meaningful activities in school such as Career Day, and learn more about school goals and our instructional focus for the year.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Thursday, September 18, 2025 (9:00 - 10:00 AM - 1 hour): Title of Workshop: Helping with Homework

Thursday, October 23, 2025 (9:00 - 10:00 AM - 1 hour): Title of Workshop: Internal Progress Reports

Thursday, November 20, 2025; Thursday, February 12, 2026; and Thursday, March 19, 2026 (9:00 - 10:00 AM): Standards-aligned Teaching and Learning Series

Thursday, April 16, 2026 (9:00 - 11:00 AM - 2 hours): Career Day

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Topics to be covered include skills to know to help their children with homework, understanding the interim progress reports that are distributed in November, March and June, understanding school goals and instructional focus and an invitation to Career Day so that parents share their professional journey to increase parent participation and student achievement.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Workshops will be provided by the Parent Coordinator, the Social Worker and the Assistant Principal.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Parents will be notified of these activities in a number of way. First and foremost, flyers and notices will be sent in English and Spanish. Second, a monthly Parent Calendar is distributed listing all of our events and gatherings. Thirdly, our school website includes posts and the actual parents which parents can access at any time through online. Finally, parents will be informed via email through our listserv.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Invitations to parents, agendas and sign in sheets will be maintained in a binder in the Principal's Office.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

20,000
