Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget
- Title III Immigrant Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Lynette Perez	Principal or Designee*	
Christina Valic	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Latasha Williams	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
NA	District Council 37 (DC 37) Representative (staff), if applicable	
Erica Vergara	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Eliza Negron	Member/Parent	
Julie Torre	Member/Teacher	
Samantha Seidman	Member/Staff/SLT Chairperson	
Ana Viviani	Member/Parent	
Taryn Lyon	Member/Parent	
Marisol Vega	Member/Para (UFT)	
	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

The MISSION of P.S. 19 The Curtis School is to deliver standards-driven, culturally relevant instruction that meets the needs of each of its diverse learners, so that every child develops the knowledge and skills needed to unlock their fullest potential which will ensure that have what is needed to be enrolled, enlisted or employed upon completion of 12th grade.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P.S.19 The Curtis School is located in West Brighton. We proudly serve students from our community and neighboring Port Richmond. Our student population, of approximately 450 students, is comprised of students from different countries and is made up of students and families who identify as Hispanic, African American, Caucasian, Arab, Asian and Multi-Racial. We take great pride in our diversity and inclusivity. It is this pride that collectively drives our stakeholders and partners to uplift and affirm our children as we guide them to be active within the school and community.

P.S.19 offers a variety of specialized programs to meet the needs of our diverse learners. These include Dual Language classes (target language Spanish) from PreK to grade 5, ELL enrichment classes, and specialty classrooms for students with disabilities from kindergarten through fifth grade. Our school specialty classrooms include Integrated Co-Teaching classes (ICT) in grades K-5 and self-contained bridge classes. We are also proud to serve our youngest learners in our high-quality 4K program which builds language development, confidence, and curiosity.

P.S.19 proudly serves over 100 mandated Multilingual Learners with the added support of our TESOL teacher specialists and state-certified Bilingual teacher specialists. Our teacher specialists are experts in providing strategic support and targeted intervention that supports learning while students are acquiring a second language.

Our core instructional English Language Arts program, Into Reading, is grounded in multi-strand literacy practices that showcase windows and mirrors of the world around us. To best prepare our youngest learners we have bolstered our foundational skills work. Our lower grade teachers are all trained in strong phonemic awareness routines and implementing research-based practices in phonics.

Envision Math is the core instructional program for Mathematics. This curricula provides teachers the opportunity to

tailor instruction at the onset of each lesson to accelerate the learning for each child. This program is unique because students and parents have access to visual learning strategies which can be used to preview or review as needed.

We boast a hands-on science program, certified teachers in our physical education program, and a variety of art enrichment opportunities available through partner organizations and residencies. We also leverage the power of smart technology to provide students with individualized pathways to learning that are meant to enrich or remediate based on the learner profile of the child.

To support working parents, we partner with the YMCA to provide an on-site aftercare program for students in grades K-5. Our program serves a little over 100 students each school year. During program hours students get time to do their homework and participate in a variety of enrichment activities.

Our goal, as a team, is to nurture and empower tomorrow's leaders.

Briefly summarize the key initiatives your school will implement this school year.

This year P.S. 19 will...

-provide on-going professional learning to teachers based on the science of reading by employing a teacher coach.

-establish a walk to MTSS program in grades K -5 so all students receive targeted support in their areas of need.

-utilize smart technology across classrooms to students are receiving individual learning pathways

-assign Attendance Success Champions to students whose attendance rate was below 90% in the 24-25 school year.

-provide workshops to parents on each of the above initiatives and their role in their child's success.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Math	K-5	Envision Math Print and Digital	
ELA	K-5	Into Reading & Arriba la Lectura Print and Digital	
ELA	K-2	Heggerty	
ELA	K-1	Fundations	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
41% of Kindergarten students are at or above screener benchmarks (Acadience, June 2025)	27% of our students were still struggling with Phonemic Awareness by the end of the year, which demonstrated to us that more time needs to be spent in that area.	Ensure students have strong foundational skills in phonics and phonemic awareness with an emphasis phoneme segmentation.
Only 59% of our First Grade students are at or above screener benchmarks (Acadience, June 2025)	55% of students struggled with the Oral Reading Fluency (ORF), specifically the area of Words Correct (WC).	Strengthen our Foundational Skills block, with an emphasis on reading words with suffixes, prefixes and vowel teams.
Only 54% of our Second Grade students are at or	52% of students struggled with the Oral Reading Fluency (ORF), specifically in the	Strengthen our Foundational Skills block, with an emphasis on reading

above screener benchmarks (Acadience, June 25)	area of Words Correct (WC)	multisyllabic words.
Only 22% of our students in grades 3-5 are at or above proficiency level on the MAP Reading screener.	Less than 30% of our 3-5 students scored at proficiency in the area of "Understanding Language Craft and Structure"	Ensure students learn strategies for close reading, including asking their own questions to analyze texts.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	41%	By June, 2026, literacy for All Students will improve, as measured by a 9% Increase, from 41% to 50%, of 50% of our Kindergarten students will score at or above Benchmark. on the Acadience Screener.
All Students	54%	By June, 2026, literacy for All First Grade Students will improve, as measured by a 10% Increase, from 40% to 50%, of students scoring at or above benchmark on the Acadience Screener.
All Students	22%	By June, 2026, literacy for All Students will improve, as measured by a 8% Increase, from 22% to 30%, of students scoring at levels 4 and 5 on the MAP Screener.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Refine instructional practices in phonemic awareness (Fundations and Heggerty) in Kindergarten and and implement structured phonics curriculum (Fundations) in Grade1.

Root Cause Addressed:

Improve overall phonemic awareness skills in Kindergarten.
Improve students' phonics skills when reading words with prefixes, suffixes, vowel teams and multi-syllabic words.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Establish a clear pacing for Heggerty and Fundations.
Implement an additional 10 min block to practice phonemic awareness skills in Kindergarten.
Use of decodable texts that allow students to practice these targeted skills.
Repeated exposures of reading passages to build fluency.
Provide tageted PD/coaching to teachers based on need through our Instructional Coach.

Key Strategy 2 (Optional):

Refine teaching of close reading strategies in small group instruction and during MTSS, specifically in standards R4, R5, and R6.

Root Cause Addressed:

Improve students' ability to "close read" a text, including asking their own questions to understand Text Craft and Structure.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Analyze BOY of the year screener data to form instructional groups with a focus on Understanding Language Craft and Structure.
Deliver targeted support during MTSS block starting in September.
Continue to monitor progress using MAP and HMH Module assessments.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will use MAP as a progress monitoring tool. Data will be cross-referenced with HMH module assessments to modify instructional groups.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/13/2025	11/07/2025	Understanding MAP Screener Data	
10/13/2025	11/07/2025	Lower grade data chats	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Coach to support Fundations work, Per diem subs to cover training, instructional Rounds & other means of teacher development, per-session for book club

Instructional Resources

Fundations program in K -2, creation of sound walls aligned to Fundations, morphology walls in upper grades, use of decodable books, daily phonemic awareness drills (Heggerty), books for book club

Schedule Adjustments

MTSS block, added block for grade level skills practice

Other Resources Needed

Training rate for new teachers needing program training not offered during the school day

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
There were 163 OORS reports coded under A24	Children do not have the skills to resolve conflict verbally and as a result, hit their peers.	Explicitly teach children how to express emotions and resolve conflict and provide opportunities to practice these skills.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	163	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 10% Decrease, in number of A24 infractions from 163 to 147, per the OSYD Portal.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

147

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Provide explicit opportunities aligned to PBIS to teach students how to resolve conflict instead of pushing or hitting their peers.

Root Cause Addressed:

Improve students' communication skills when interacting with peers and resolving conflict.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Implement lessons from Second Step and RethinkEd to target conflict resolution skills.
Provide opportunities for practice through role play.
Analyze month by month data from previous years.
Present data to student body as a way to encourage improvement in the data.
Set the tone assemblies connected to data
Implement Second Step Curriculum

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Data will be extracted from the various reports in the OSYD portal, including:
* Infraction Code Summary
* 3yr Level 1-5 Incident Summary

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	04/07/2026	Parent workshops to review Citywide expectations and our current data.	
09/08/2025	06/12/2026	Updates on A24 data through Class Dojo application.	
09/17/2025	09/17/2025	Principal address to overview school expectations, PBIS, support, consequences and repair the harm	
11/13/2025	11/13/2025	Set the tone assembly for parents	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

per session for parent workshops and for planning school wide lessons related to response to infractions; paid preps for teachers covering crisis periods

Instructional Resources

Second Step Curriculum and additional supplemental curriculum

Schedule Adjustments

designated time for SEL

Other Resources Needed

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Only 27% of students in Grades 2, 3, 4 and 5 are performing above the 60% percentile in the June 2025 MAP.	Students have deficiencies in number sense and fact fluency. Students struggle in applying their foundational math skills to word problems Students do not understand what the problems are asking.	Focused instruction on Number Sense and Fact Fluency. Math discourse as part of the meaning making process in Problem Solving A protocol to follow to encourage student discourse in math Intervention to fill math learning gaps

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	24%	PS 19 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students in Grades 3-5 scoring above 60% will Increase by 6% from 24% to 30%, for All Students, as measured by NWEA MAP.
All Students	14%	PS 19 will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the percentage of students in Grade 2 scoring above 60% will Increase by 20% from 14% to 34%, for All Students, as measured by NWEA MAP.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Develop a school-wide common problem solving protocol that embeds discourse.

Root Cause Addressed:

Students struggle in applying their foundational math skills to word problems

Students do not understand what the problems are asking.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Introduce Problem Solving Checklist and Protocol at the beginning of the year to teachers
Establish leads on grade level bands to model best practices.
Utilize Problem Solving Impact Team to analyze data
Initiate Problem Solving Fridays for Grades 3-5
Begin Computer Based Assessments Math in September.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/10/2025	06/05/2026	Monthly Newsletter with a focus on unit covered, vocabulary for unit and what parents can to do support.	
10/10/2025	04/03/2026	Parent Math workshops, at least 2 per grade in Fall and Spring	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Staff development from educational consultant, Per diem, paid preps for Impact Team Meetings

Instructional Resources

Success Maker, Math online testing resources,

Schedule Adjustments

Increase of math block to 90 minutes

Other Resources Needed

N/A

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Students exposure to CC&R experiences are limited (June, 2025, School Survey - Parent perception 90%; in house teacher data - did not meet school goal)	Teachers have not prioritized this as an area of focus	Provide rich CCR experiences including those related to financial literacy.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	7	By June, 2026, the Number of meaningful CC & R experiences, including financial literacy lessons, provided for All Students will Increase by 3 from 7 to 10 as measured by In house tracker.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

School wide Financial Literacy and College and Career Ready required lessons and events.

Root Cause Addressed:

Teacher not prioritizing College and Career Readiness as part of our elementary school experience

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create a C&CR committee who will plan and oversee college and career experiences and events
School will hold a college awareness campaign.
School will hold a career awareness campaign.
Begin to implement school-wide Financial Literacy and career planning lessons

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

In house data tracker of completion of events.
Instructional coach will work social studies team to target the lessons being taught for each grade level
College and Career Ready team will plan school wide events.
School Leadership Team and Instructional Leadership team will progress monitor action plan, revising as needed.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	05/30/2026	NYC Rise Awareness Events	
10/25/2025	05/30/2026	Parent Newsletter overviewing upcoming events	
10/25/2025	05/30/2026	Recruit parents as guest speakers	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Planning time with SS leads for financial Literacy Lessons, Per Session for C& CR team to plan experiences and events

Instructional Resources

Career Sparks subscription, cost of guest speaker

Schedule Adjustments

2nd Friday of each month will be Financial Literacy Friday

Other Resources Needed

N/A

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Only 70% of families in grades 1-5 have a NYCSA	Parents do not understand the value to the tool.	Ensure parents know what NYCSA offers

Only 70% of families in grades 1-5 have a NYCSA	Activating the account is cumbersome to families	Provide support in setting up the account.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	65	PS 19 will address Priority 5: All districts and schools are more inclusive and responsive for Parents of All Students with the following SMART Goal: By June, 2026, the percentage of parents/families with NYCSA will Increase by 10 from 65 to 75 as measured by Family Access Management Report.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Promote NYSCA via Class Dojo at least once a month. Highlighting certain important information they can access from it.

Root Cause Addressed:

Educating parents on the value of the platform

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Unpack all that NYSCA has to offer
Set up a monthly plan on what will be showcased
Make and share a video on how to create a NYSCA
Train at least 3 staff members who can support set up
Send letters and do outreach to parents who have yet to set up an account.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

PC will confirm baseline data and update monthly
Teachers will get class updates three times a year to do targeted outreach as needed
PC will do follow-up as needed to identify/overcome barriers

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/17/2025	09/17/2025	NYSCA sign up event during Curriculum Night	

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Train staff to use OPW time to support parents in signing up.

Instructional Resources

Schedule Adjustments

Other Resources Needed

Incentives for classes who are 100% parents connected

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
34.3 % of all students are chronically absent; Insight, June 2025	Families do not fully understand how attendance impacts student outcomes and what constitutes Chronic Absenteeism. Therefore, - Families are taking vacation during school times. -Families keep kids home when they have appointments -Parents who have younger children will not bring older ones to school if cold out, raining or if sibling is sick.	Improve Chronic Attendance Rate for all student group
42% of Pre-K and KG students are	transition from home to school/separation anxiety	communicate the importance of attendance to

chronically absent; Insight, June 2025		the parents of our youngest learners

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	34.3%	By June, 2026, the Percentage of Chronically Absent Students for All Students will decrease by 5% , from 34.3% to 29% , as measured by the Insight Chronic Absenteeism Reports .

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Establish clear communication with families regarding attendance policy and expectations.

Root Cause Addressed:

Families do not fully understand how attendance impacts student outcomes and what constitutes Chronic Absenteeism.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Promoting school-wide attendance policy via brochures at the beginning of September 2025, bulletin board display every month starting at the beginning of October 2025.
Reviewing attendance data and sending out monthly RISA's starting at the end of September 2025, continuing at the end of each month throughout the school year.
Consistent outreach including (letters, phone calls, meetings) will persist monthly including addressing obstacles families may be facing. Outreach attempts will be ilogged.
Monthly incentives for students with excellent attendance (ex. Certificates) beginning October 2025. Creating monthly attendance trackers for students with attendance below 90% starting the beginning of October 2025.
Creating and facilitating Attendance events every 3 months to celebrate student achievement in attendance above

95% starting November 2025 (other months within the quarter include February 2026 and June 2026)

Key Strategy 2 (Optional):

Focus on parents of early grade learners about the importance of attendance and their role in our school in developing good attendance practices.

Root Cause Addressed:

Transition from home to school/separation anxiety

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Reach out to Pre-K and KG teachers for absenteeism trends in barriers they have observed the 2024-2025 school year so we can tailor more specific supports
Overview the flow of the day with parents so they understand what their child is missing when they are absent
Assign and introduce an attendance success champion for Pre-K and KG at the beginning of the year
Teachers will implement a plan for tomorrow practice (Tomorrow we will)
Set goal and share daily (working towards something special each month when target is met)

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Attendance team will meet biweekly during the 2025-2026 school year to progress monitor and analyze attendance data using Insight, identifying strengths and areas of challenge in current practices of outreach, incentives, as well barriers that families are currently experiencing.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	88%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve alignment of Present Level of Performance to support management needs in order to improve student outcomes by a 10% Decrease, from 88% to 78%, as measured by Acadience.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Improve quality of IEP writing by making sure PLOP and management needs are in alignment

Root Cause Addressed:

Lack of specificity in alignment of PLOP and management needs which is impacting quality instruction for our diverse learners

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Review IEPs with SIT
Support teachers in quality IEP writing
Cross reference management needs and monitor student progress monthly
Case study on grades K. 1, 2 SWD to refine specific strategies

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Progress monitoring data for case study students
IEP quality review checklist designed by SIT team to track our specific work

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/15/2025	11/07/2025	Parent Meeting on IEPs	
11/03/2025	12/19/2025	Parent workshop on understanding data	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

SIT Team meeting coverage, Autism training for staff, additional support

Instructional Resources

Sensory materials to meet students needs, Research based program kits (Spire)

Schedule Adjustments

designated time for SIT meetings

Other Resources Needed

N/A

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 3	2 years below grade level; MAP below 20% coupled with Acadience survey	Great Leaps	one to one	during	no
Tier 2	2 years below grade level; MAP below 20% coupled with Acadience survey	Spire	small group	during	no
Tier 2	1 year below grade level in foundational skills	Amira	one to one	during	yes
Tier 2	Grade 1 & 2 children in the lowest quartile	Sound Sensible	small group	during	no

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Teacher recommendation	SAPIS	small group	During	No
Tier 3	5 or more infractions in a month	Assigned Champion	one-to one	During	No
Tier 2	Lowest percentile of Perception Data	Empowerment Group	small group	After	No
Tier 2	Teacher recommendation	Wellness group	small group	After	No
Tier 3	6 infractions in a month	ICMP	one to one	During	No
Tier 2	STH status	At-risk couselling support	small group	During	No
Tier 2	ELL proficiency	SEL in NL	small group	Before	No
Tier 3	2 -5 infractions in a month	Check in/ Check out	one to one	During	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Parents are informed of MTSS in a variety of ways:
First is during Curriculum Night. During this even the principal goes over the use of screeners and how groups are formed based on their needs. The principal also overviews online programs they can use at home to support certain areas of needs.
Second is during data chats (more of a focus on lower grades). During this meeting parents are given access to their child's screener data, explained what it means and then provided with guidance on what they can do to support their child at home along with a general overview of what we are doing in school.
Third is via class Dojo, on going supports, resources and reminders are included in posted newsletters.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Parents are sent home a letter that let's them know their child is getting Tier 2 or Tier 3 intervention. In the letter is a date that data will be reviewed as well as the progress monitoring measure that will be used (Acadience Survey) Parents are given the option to come in for a meeting to discuss the data. Parents get an additional letter after the cycle of intervention letting them know if progress was made and next steps. Cycles last 6-8 weeks and parents will be updated half way through the cycle and at the end of the cycle to discuss progress and next steps.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Any child getting Tier 3 intervention gets a letter home regarding the assignment of Tier 3 supports and there is an in person meeting or phone call to discuss student progress, what we are trying, why we are trying it and what the parent can do at home to support. During this meeting we also get information about what parent is noticing at home and bit more history regarding overall interest, learning and family dynamics that may help us better support the child. As students are receiving intervention parents will receive an update 1/2 through the cycle and at the end of the cycle to let parents know if the support will increase, decrease or stay the same.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

47

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Attendance is a problem for our STH, so education of parents and incentives for students is a critical part of our plan of support for students. We need to get them attending school consistently in order for them to grow academically. Clothing, which includes uniforms and items that meet the varying weather patterns in our area is another priority area. We have also found that Saturday programming that has both a focus on academics with arts enrichment. For certain families emergency food, services, and 1-1 tutoring will be considered on as needed basis.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

The STH students are given a variety of resources. We supply them with school supplies, clothing, and coats if needed. We also connect family to outside resources when needed. We partner with pantries to provide healthy

food every other month for pick up. We supply laundry cards when needed.

Students also have the opportunity to participate in at risk counseling services with our Guidance Counselor. Needs are established through check ins each semester or when a teacher refers. Academic supports are offered during our before, after and in school tutoring programs.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

3 - Students in foster care all get at -risk counseling, priority for after school programming & academic support. Based on the needs of the students, additional online support programs may be provided. As this is a small subgroup, our guidance counselor is their case manager for the upcoming school year.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Assigning the guidance counselor as the case manager for this subgroup ensures students are closely monitored. As the guidance counselor is part of our CARE Team needs that arise can be addressed in a timely manner. At risk counseling is the core support for our students in foster care.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

PS 19 tends to have less than 5 children in foster care each year. Many of those students have experienced trauma and as such having at risk counseling is crucial. Additional trends have revealed that most of the students come to us with IEPs.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these

strategies help address academic and behavioral challenges?

Our school programming prioritizes SEL, at-risk counseling provides an extra layer of support. our after-school programming which they are prioritized for also includes SEL supports.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. PS 19, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S.19 The Curtis School will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math, and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State, and Federal standards and assessments;
- sharing information about the school and parent-related programs, meetings, and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills, and cultural competency to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based on a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review, and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program, and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council;
- supporting or hosting Family events;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S.19 The Curtis School, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff, and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high-quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial, and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high-quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- attend at least 2 meetings annually to discuss my child's academic progress
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;

- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

ELA
- All grade level teachers will receive training and on-going support in the science of reading by our instructional coach
- All teachers will be trained on analyzing and responding to data trends
- Teachers & Paraprofessionals will receive specific training on supporting literacy in using targeted intervention programs
- Selected staff will work with an educational consultant based on data trends

Math
- All grade level teachers will receive ongoing support and training on analyzing and responding to data trends
- Teachers & Paraprofessionals will receive specific training on supporting developing number sense and/or developing conceptual understanding in mathematics in the upper grade classroom
- Selected staff will work with an educational consultant based on data trends

SEL
- Select staff members will receive targeted professional learning in PBIS, RULER and Second Step implementation
- Select staff members will receive training in de-escalation techniques

IEP
- Based on data review, specific teachers will attend quality IEP writing professional learning

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

PS 19 uses a variety of strategies to support the transition of students from PreK to elementary school these include: vertical team meetings for articulation, home surveys sent home over the summer, parent orientation, and meet and greet day over the summer. Teachers attend common professional learning opportunities that form the basis of our school culture which are incorporated into our preschool classrooms. Our lower grade AP reviews intervention services students received to ensure those services continue. Where possible in-house providers who served them during PreK continue with the student in Kindergarten.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	427,484	x	ELA. Math, SEL, IEP
Title I, School Improvement 1003(a)	Federal	0	x	x
Title II, Part A	Federal	10599	x	ELA & Math
Title III, Part A	Federal	14800	x	ENL
Title III, Immigrant	Federal	0	x	x
Title IV, Part A	Federal	0	x	x
Tax Levy (Fair Student	Local	4,695,503	x	Math, ELA, CA, IEP, SED

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Lynette Perez
Assistant Principal (Where Applicable)*	Cindy Cascante
English as a New Language (ENL) Teacher*	Dolly Sosa Delgado
Teacher (if school has a bilingual program must be a bilingual teacher)*	Yesenia Lorentzen
Parent/Guardian*	Erica Vergara
Teacher, ENL	Kristie Molden
Parent Coordinator	
School Counselor	
Related-Service Provider	
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

2

Number of certified ESOL teachers not currently teaching ENL:

2

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

6

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

398

Total number and percentage (%) of current ELLs:

116 (29.1%)

Total number and percentage (%) of former ELLs:

22 (5.5%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

96 (82.8%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

20 (17.2%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

46 (39.7)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	General Education	Spanish	2008-2009	1	1	1	1	1	1								6
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

We have two full time ENL teachers in our school. Their programmed assignments are in accordance to CR Part 154, which requires them to deliver the units of study through a combination of Standalone and Integrated ENL.

Student grouping at the grade level of our ELLs are as follows: Our general education, heterogenous ELL students are clustered in one class on each grade and our special ed ELLs are placed in accordance to their IEPs. The general education classes of ELLs have less than 40% English language learners (heterogeneous) in the classroom which provides them with the on-going interactions with peers whose L1 is English.

Entering and Emerging ELLs receive a combination of Standalone and Integrated ENL for a total of 360 minutes. Entering and Emerging ELLs are grouped together for Stand-alone instruction. The ENL teacher delivers the standalone minutes by supporting language across content areas. Currently, we are using the Into Reading Curriculum. Teachers have digital access to the curriculum as well as the "Tabletop MIni-lessons: English Language Development" resource that aligns with the Reading and Writing lessons.

Integrated ENL:

In the ENL classes, the mandated instructional minutes are supported by the two ENL teachers. The school schedule consists of seven 50 minute periods a day.

Emerging students receive 180 minutes of integrated instruction.
Transitioning and Expanding students receive 1 unit of Integrated ENL for a total of 180 minutes per week, with the ENL teacher pushing-in to a content area.
Commanding students will receive half a unit (90 minutes) of ENL through an Integrated model during ELA.

Our two ENL teachers support the students' home language through literature, word to word glossaries, technology, bridging strategies and writing in the home language.

Administration ensures that these mandates are being adhered to by:
* co-planning the schedule with the ENL teachers to ensure mandates are met
* Classroom observations during Integrated Periods
* Feedback to teachers.

b. Bilingual Education (If applicable)

Transitional Bilingual Education (TBE):

n/a

Dual Language Bilingual Education (DLBE):

Our dual language classrooms follow a two week cycle. On week A, students receive 3 days of English instruction and 2 days in Spanish. On week B, students receive 3 days in Spanish and 2 days in English. On week B, instruction is delivered in English for two days.
Teachers provide ENL instruction for a minimum of 4 periods a day. This includes Reading, Writing, Math and a content area of choice (either Science or Social Studies). The teachers differentiate instruction and have small ENL groups on each level according to the NYSESLAT and NYSITELL proficiencies.

ELA instruction is also incorporated into the daily schedule through reading, writing, word work and math time blocks. The time block for literacy consists of 135 minutes daily. On week A, students receive ENL instruction 3 days a week, therefore exceeding the mandated units.

Home Language is supported extensively on Spanish days, as all content areas are delivered in the target language the entire day.

We use the Into Reading Curriculum, with the Spanish counterpart (Arriba La Lectura) as well as Envision in both English and Spanish.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

At the beginning of the year, ENL teachers reference the RFSF report to begin to program students at each grade level. They propose a schedule which is reviewed by the Principal and Assistant Principal. Administrators and ENL teachers as a team ensure that all students have been scheduled for a minimum of their mandated minutes and following all the guidelines in CR-Part 154:

* Newcomer ELLS are scheduled in as potential Entering ELLs until they are formally tested. Schedule is revised as the identification process continues.
* Not scheduling more than two contiguous grades
* Ensuring there are trained pedagogues (besides the ENL teachers) to assist with the ELL Identification process in order to minimize disruptions to delivery of mandated minutes throughout the school day.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

As stated above, Home Language Arts and English Language Arts are delivered in our Dual Language program over a two-week cycle to ensure a 50/50 delivery. The Dual language teacher also schedules their mandated ENL minutes according to proficiency levels. These are delivered through small group instruction on English days.

ENL Instructional minutes are delivered through Stand-Alone and Integrated instruction. In the Stand-alone ENL class, students receive English language development instruction taught by a TESOL certified teacher in order to acquire the English language needed for success in core content areas. The students are provided with home language supports as well as appropriate scaffolds in order to achieve their goals.

In the Integrated ENL class, students receive core content area and English language development instruction, including the use of the home language as support and appropriate ELL instructional supports to enrich comprehension of the content. Additional scaffolds are provided to each student as needed. Integrated ENL classes are co-taught by a certified content area teacher and a TESOL certified teacher.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

P.S.19 follows a self-contained, 50/50 Dual Language model. As stated above, instruction is delivered in English and Spanish, on alternating days, following a 2-week cycle to ensure its fidelity. English proficient students and ELLs are integrated 100% of the instructional day.

b. In which language(s) is each core content area taught?

ELA (Reading, Writing, Phonics) and Math are taught in English and Spanish. Science is taught in English and Social Studies is taught in Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

82.8% of our ELLs are Newcomers. The level of support that they receive is twofold as they are both learning to speak a new language as well as learning to read and write in this new language.

Since the majority of our Newcomer ELLs begin in Kindergarten, that means that their “newcomer” status spans from K-2 grade, which are the grades that focus on Foundational skills. It is important that they receive explicit and rigorous instruction in phonics. FUNdations is our phonics curriculum, supporting students in grades K-2. Additionally, we have teachers and paras trained in Sound Sensible for students who may need an extra level of support with letter names and sounds.
For our newly arrived Upper Grade students, we support their foundational skills with the SPIRE program.

Newcomer ELLs in our Dual Language class also receive instruction in Spanish (Arriba la Lectura). This is a supportive model that helps students to begin making cross-linguistic connections through the use of grade-level materials. For our newcomers in ENL classes, we use Vista Get Ready Sail program as a supplemental support. Teachers embed opportunities for student discussion, with the understanding that Newcomer ELLs may be more comfortable speaking to a partner rather than sharing their ideas whole class.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

While currently, we do not have any SIFE students, we understand that our SIFE students will need emotional support as they transition to a structured school setting. As such, we incorporate emotional support while providing academic interventions. This plan would include using a member of our CARE Team doing bi-weekly check-ins with students (and their families). In addition to receiving their mandated weekly minutes as per NYS CR Part 154, our SIFE students need a solid foundation in basic math and language skills. Our SIFEs are placed in the Dual Language program, as per parent agreement, where they receive support in English and Spanish across content areas. Additionally, we allocated funding to pull our SIFE students in small groups. Our intervention is two fold: to provide basic foundational skills (letter names, letter sounds, sight words) while building conversational skills (familiarizing

them with basic phrases, questions and teaching vocabulary of day-to-day living). Classroom supports for our SIFEs include: A buddy system to serve as a guide in navigating the school and as a language model Learning materials available in their home language Culturally relevant materials We have incorporated Amira as a plan of support since it is available in English and Spanish. All our students have received devices so that they may practice these skills at home. Classroom teachers and our parent coordinator maintain frequent communication with parents to update them on progress. Our Parent Coordinator works closely with the STH liaison to ensure that messages are reaching parents. Our SIFE students are also invited to our Title III program.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

Currently, we do not have any Long Term Ells. In the event that we had students who are long-term ELLs, specifically, a student who enters Kindergarten as an ELL and has to repeat a grade, we would use the EDAT data to identify the trajectory ahead of time. The information on the EDAT can help us identify specific areas that need to be targeted. Our RTI team will begin to review EDAT data at the beginning of the year in order to identify tiers of students that need additional language and academic support.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

3.8% of our ELLs are former ELLs. This shows an increase from the previous year (1.8%).
Former ELLs receive 90 min for 2 years after they have tested out, as per CR Part 154.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

Our biggest risk level affecting 83% of our ELLs is their Newcomer status.
An added challenge is that 29% of our ELLS are students in temporary housing, which often leads to attendance and lateness issues.
Additionally, we have about 18-19% of our Upper Grade ELLs scoring levels 1 and 2 on state tests.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

Once again, our most pressing at-risk indicator for former ELLs is scoring below proficiency on state tests (ELA and Math).

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home language of our ELLs with the largest representation is Spanish with over 92%. In terms of communication we are fortunate enough to have a fully bilingual front office team and we have staff members who speak Arabic. These staff members support most communications with families. For other language we use

translation line and technology to support communication. Our main communication platform to parents, Class Dojo, has translation into the languages our parents needed. To support the fact that we value our students home languages, our classrooms have a variety of multilingual books and throughout the course of the school year we provide assemblies for children that are presented in two languages.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The largest group is our Hispanic ELLs. Of these 107 ELLs, 53% identify as "American Indian" and 33% identify as "white".
We have 9 non-Hispanic ELLs that identify as Asian (5), Black (1) and White (3).
Our classroom libraries reflect the beautiful diversity in our student body. In the past 6 years, we have carefully selected titles for our classroom libraries. Additionally, our HMH curriculum includes titles that are culturally responsive.
We currently have an RJAT team that creates and curates monthly resources to celebrate all the different cultures in our school community.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

40% of our students met ELP growth, while 60% did not.
The majority of the students who met ELP growth did so by Exiting ELL status (15 students).
This points to a trend in our data: our students may not be making enough gains on the NYSESLAT from one year to the next or, they may not show enough cumulative progress since they started school.
We did have twice as many students test out of ELL status in 2024 than 2023. This is an area of celebration for us.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

During the 2024 NYSESLAT administration, we had 15 students test out. .
56% of our ELLs are Transitioing and Expanding.
30% of our ELLs are Entering and Emerging.
When analyzing our strengths, we noted the following:
**Our current First Graders showed strengths across modalities in the 2024 NYSESLAT, as opposed to the 2023 NYSESLAT, with their biggest strength being in Reading.
**Our current Fourth Graders consistently demonstrate a strength in the Speaking modality.
When looking at our area of need, we noted the following:
**Our current First Graders struggled with the Speaking portion. This was not an area of need in the previous year.
**Overall, our students struggled in the areas of Writing and Speaking. This is consistent with the previous year.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

In looking at the ELA state test, we found that:
* 15 of our ELLs scored Level 1
* 13 of our ELLs scored Level 2
* Only 3 scored level 3.
* None scored at a level 4

In Math:
* 14 scored at Level 1
* 11 scored at Level 2
* 12 scored at Level 3
* 1 students scored at Level 4

Our Ells seem to perform better on the Math exam.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

Only 1 of our ELLs with IEP tested out in NYSESLAT 2024
The majority of our ELLs with IEP fall within the Transitioning/Expanding category.

The data seems to reflect that our ELLs with IEP are able to demonstrate proficiency across modalities. However, they are not demonstrating enough proficiency to test out.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

n/a

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

n/a

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

n/a

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and

are guided towards a successful graduation in the future?

n/a

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

We deliver literacy instruction using the DOE-approved curriculum HMH Into Reading. We are cognizant of the fact that the curriculum offers a variety of tools, resources and learning experiences that can be customized to the needs of every student.
For our Mathematics Instruction, we use the Envision curriculum. Both of these curricula are used in English and Spanish in our Dual Language classrooms
Every year, we strive to improve the delivery of our Tier 1 instruction. We do this in collaboration with our UFT Center Coach. Together, we review units, module assessments and provide the necessary modifications needed to achieve mastery towards the standards.
Our Tier 2 consists of an added layer of support in the form of small group instruction. In our Dual Language classrooms, this is how the ENL minutes are delivered.
For students who need intensive interventions, Tier 3 supports are delivered in groups of 2 or individually.
Additionally, we have a daily 30-min MTSS block school-wide.
Our ELLs also participate in our Title III Saturday Program which offers additional opportunities for enrichment, not just intervention.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The Instructional Team comprises the 3 administrators, 2 special education teachers (one lower grade, one upper grade) and 2 Dual Language teachers (one lower grade, one upper grade). The team brings to the table their knowledge of special education and second language acquisition.

At the beginning of the year, we use the EDAT to look at scores from the previous NYSESLAT to note trends in the level of language proficiency according to each grade. The ILT analyzes specific subgroups by creating report groups for our ELLS in every grade. As a matter of practice, data is triangulated and other sources taken into account (reading levels, screener results, on-demands, unit assessments). The data is used to create or modify our school's theory of action in order to strengthen the instructional core.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Core content is delivered to support language development in all of our program models using the following instructional methods.

For the upcoming school year, we will be using the Into Reading Curriculum. The program contains the following components:
* Building Language and Knowledge
* Vocabulary Instruction
* Reading
* Writing

There is a strong ELL support component in the program that includes modifications to each lesson as well as articulation videos for our students at the Emergent and Entering level.
We will be delivering Foundational Skills instruction daily through the FUNdations program (phonics) and Heggerty (phonemic awareness).

For mathematics, our instructional block is based on the productive struggle methodology enhanced with small group work that follows for language development. Specifically, students start on their own with a "Solve and Share" activity, which allows the teacher to assess the language and content needs of the students. Envision Math provides resources and materials in Spanish which are very supportive to our Emerging and Entering students. Additionally, Envision Math provides a comprehensive ELL Toolkit created by Jim Cummins. Teachers and paraprofessionals are encouraged to apply the strategies in the toolkit.

In science, we use a hands-on Inquiry-based model which starts with real-world problems, research, and investigations leading to student discovery. Teachers support our MLLs by using a variety of additional scaffolds which include content area word walls and direct vocabulary instruction using the Frayer model to ensure access. Having hands-on activities provides opportunities for rich discussions among students and because our science units are extended over time students are able to have repeated exposure and own the content.

Social studies relies heavily on a blended approach that incorporates the use of media, literature, and discussion to develop student understanding. Each of these methods leads students to research, discover, and make connections while they are learning about the world around them. Units are revisited throughout the year to ensure that content-rich and culturally relevant texts are used.

Specifically, in our ENL programming for push-in, there is an added layer of support, as teachers plan with language objectives in mind. Students receive lessons in grammar and syntax to support language acquisition.

In our Dual Language program, instruction is delivered as described above and in two languages: English and Spanish. The Into Reading Spanish counterpart is called Arriba la Lectura. Our phonics program is Estrellita.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English

language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

Our dually designated students need academic support as well as language support. Front-loading vocabulary is a strategy that we focus on during the Into Reading block. Our 12:1 classes implement daily journal prompts to provide practice in sentence structure and syntax.

Dually designated students in our ICT and 12:1 classes also receive small group instruction tailored to academic and language needs. The ENL teacher assists in implementing academic supports during integrated minutes.

Additionally, our dually designated students have access to:
Amira
Waggle
Edmentum
Writable
These programs support the core instruction in ELA and Mathematics.

b. SIFE

While we no longer have SIFE students, these are some of the supports we provided and can provide should we welcome SIFEs again.
We understand that our SIFE students will need emotional support as they transition to a structured school setting. As such, we incorporate emotional support while providing academic interventions. Our school Social Worker does bi-weekly check-ins with them (and their families).

In addition to receiving their mandated weekly minutes as per NYS CR Part 154, our SIFE students need a solid foundation in basic math and language skills.
Our intervention is two fold: to provide basic foundational skills (letter names, letter sounds, sight words) while building conversational skills (familiarizing them with basic phrases, questions and teaching vocabulary of day-to-day living).

Classroom supports for our SIFEs include:
A buddy system to serve as a guide in navigating the school and as a language model
Learning materials available in their home language
Culturally relevant materials.
All our students have received devices so that they may practice these skills at home.

Our SIFE students would also invited to our Title III program.

c. Newcomers

The ELLs in our school that are here less than three years (newcomers) receive the mandated number of minutes per week of ENL instruction based on their proficiency level and in accordance with the NYS CR 154. In order to ensure that our Newcomers have access to grade-level content, our ENL teachers use bridging strategies and cognates to begin to make the transfer of skills into a new language. The learning is supported by:

* repeated exposure

* TPR
* visual representations
* explicit vocabulary instruction
* explicit language instruction (language objectives embedded in content area lessons)
* translations (Spanish) - Google translate is used to support all other languages.
* Learning charts in both languages
* Language models (teachers and students)

Emotional support is provided by our guidance counselor and our bilingual parent coordinator and our ENL teachers, who help them adjust to the school culture.

d. Long Term ELLs

Currently, we do not have any Long Term Ells.

In the event that we had students who are long-term ELLs, specifically, a student who enters Kindergarten as an ELL and has to repeat a grade, we would use the EDAT data to identify the trajectory ahead of time. The information on the EDAT can help us identify specific areas that need to be targeted.
Our RTI team will begin to review EDAT data at the beginning of the year in order to identify tiers of students that need additional language and academic support.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

In order to support our ELLs with IEPs, the ENL teachers review students' IEPS at the beginning of the year. We look at several data points to determine individualized plans of support. For example, in grades K-2, we may look at Acadience screeners and reading comprehension assessments. Supports may take the form of additional home language support and in-class interventions.

We follow a Tier 2 approach when supporting students with IEPs. We focus on specific skills that are considered gaps in learning necessary to progress to the next level of mastery. We lean on the support of our paraprofessionals, who are all Great Leaps trained, should individual students need additional practice with a specific skill.

We understand that some of our MLLs may struggle with learning the sounds of the English alphabet, particularly a student who may have a language impairment. This year, we trained some of our upper grade teachers in Sound Sensible and SPIRE. This can be delivered through small group instruction for students who need additional support in developing phonemic awareness. We consult with speech providers for additional strategies of support.

It is equally important to ensure that alternate placement paras are well equipped to support language acquisition. Assistant Principal Cascante created a 3-part video series for paras on strategies to support language. The series explored the stages of language acquisition and strategies to support all 4 modalities.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

Dual Language
Because our DL classes receive instruction in English and Spanish, assessments in both languages are ongoing. Students' reading levels and mastery of writing standards are assessed in English and Spanish. This year, we will be using the mClass Spanish to assess foundational skills. Additionally, we use the Spanish MAP diagnostic test. Envision provides assessment materials in both languages as well.

ENL
Our ELLs who are placed in ENL, are assessed upon entry with the Spanish LAB (if they are Spanish-speaking). Our two ENL teachers are bilingual (English/Spanish) and can deliver formative assessments in both languages. For other languages (Arabic and Mandarin) ENL teachers use technology such as google translate to translate written text and speech.
This year, we began full implementation of Amira in grades K-5. Amira integrates a Benchmark assessment as well as Progress Monitoring in Spanish (and then Spanish/English as students begin to transition).

Throughout the year, teachers build on students' home language through the use of cognates and bridging strategies to support cross-linguistic connections when appropriate. We recognize that our ELLs come in with their own prior knowledge in their home language and that second language acquisition is stronger when it builds on L1.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

As a matter of practice we use common curricula across classrooms and grade levels. Lesson slides and all elements of data are accessible to all staff members. Access to these documents through shared drives, support general co-teaching and collaboration.

ENL teachers and classroom teachers are all trained on co-teaching models and depending on the needs of the students and the subject area of the push-in our ENL teachers, in collaboration with the teachers, practice the models that work best for the children and the content being taught.

To deepen the work ENL teachers are assigned to grade level teams for professional learning work, which includes grade level planning on Mondays and special curriculum training.

Dual Language teachers have some common preps to plan with their grade partners as well as time to plan the Spanish components on their own.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

We check the Professional Learning Google Sites from the Department of Multilingual Learners on an on-going basis. The PL tab offers many learning opportunities for our teachers of ELLs and our ENL teachers aligned to the Next Generation Learning Standards. We schedule our teachers for this training while hiring substitutes for the classroom. These teachers will then turnkey information to the staff at the next faculty meeting and also during a common grade meeting for each grade the following week. Our ENL team also reads and discusses the research brief: Literacy and ELLs downloaded from the DOE website and devises a plan to implement the ideas to the staff throughout the year. They are encouraged to explore the content on the DOE website such as the video series on RTI strategies for ELLs found under the "Educator Resources". Teachers will receive their required professional development hours through a combination of in-house sessions as well as off-site workshops. The in-house sessions will be held during PLC time on Mondays.

The assistant principal oversees all the programs for ELLs (ENL and Dual Language) and schedules specific workshops for ENL teachers and teachers of ELLs, focusing on explanation of the NYSITELL, NYSESLAT modalities; programs (dual-language, TBE, and ENL); modifying lessons to accommodate ELLs. The Assistant Principal attends most of these sessions as well as sessions provided by the D31 team. We are working in conjunction with the Office of MLLS to register our ENL and DL language teachers for meaningful professional development sessions.

ENL professional development is scheduled and delivered by the ENL teachers and Assistant Principal delivering pertinent information about the ELLs and ENL methodologies to incorporate into the classroom. Our ELL paraprofessionals also participate in these workshops. Our bilingual parent coordinator attends workshops and does outreach in order to better serve the parents in our community.
Additionally, our teachers have a common prep at least once a week and our ENL teachers have a common prep with each grade they support once a week. Twice a month each grade meets for inquiry meetings to analyze student work, look for trends, and develop lessons to implement for student improvement using specific strategies for our ELLs. Election Day (November) and Chancellor's day provide further time to explore these topics through professional development.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

As per the new CR Part 154.2, 15% of professional development hours (about 5.25 hours) for all teachers will be dedicated to language acquisition, best practices for co-teaching strategies, and integrating language and content instruction for ELLs. All dual language and ENL teachers will receive 50% of their professional development hours (about 17.5 hours) on these focus areas as well.

PD will be delivered through a combination of in-house and off-site workshops. In-house PD will take place during Monday PD time.
The assistant principal will keep a log to ensure that all teachers meet the required amount of hours. Records will be kept through agendas and attendance sheets that will be stored in the binder of critical documents. Once a month, a period is dedicated for our teachers to analyze data, predict trends, turnkey information, and RTI for ELLs, always focusing on improving student achievement for our ELLs. When a new teacher is employed or transferred from another school, PS 19 arranges to have the teacher attend at least one outside venue for an ENL workshop and provides in-house professional development to meet the requirements. The teacher maintains a record of his/her hours of ENL training and a certificate of professional development is placed in the teacher's file, located in the main

office in a locked file cabinet. In September, notification is sent to all staff reminding them of the requirements of the ENL training and a list of available professional development opportunities that are offered.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

We are currently using Acadience as a screener in grades K-2 and as a progress monitoring tool in grades 3-5 (ORF). Additionally, we are using MAP Growth in ELA and Math. Our Dual Language Students also take the Spanish MAP in ELA and mClass Spanish.
Teachers in grades K-2 meet to triangulate data using Acadience, MAP and other diagnostic assessments (Amira ARM scores, Comprehensive Phonics Survey). Subgroups are created by analyzing data to inform our MTSS groups. We have a daily 30-min MTSS block.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Our first implementation of support consists of Tier I instruction in the classroom with the teacher who adjusts lessons implemented during the day and delivers supplemental lessons in small strategy grouping to the ELLs based on the specific skills needed. The teacher develops different key domains of literacy to support competencies in reading, writing, listening, and speaking. Additionally, the teacher presents instruction that makes direct connections to the ELLs' values and culture.

Our ELLs who still struggle after receiving Tier 1 interventions targeting specific skills and competencies may still need more support. As we proceed to Tier 2 intervention, our ENL team reviews the evidence-based data and the instruction delivered in the classroom. Some of our intervention programs include:
Amira (available in English and Spanish)
Heggerty
FUNdations Tier 2
Sound Sensible
SPIRE
Imagine Learning (available in English and home language)
Lalilo
First in Math
IXL

When an ELL student is going to be evaluated for special education services (Tier 3), the decision is made by the RTI team during a thorough analysis of the student's abilities after the above-mentioned interventions have been implemented. We are mindful and try to distinguish between a learning disability and language acquisition. We have bilingual psychologists and ENL teachers on our team to assist in this distinction.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

In alignment with our District's vision, we have implemented a daily MTSS block. In grades K-2, MTSS focuses on Foundational Skills, in alignment with the Chancellor's priorities. After careful analysis of our Acadience screener, students in grades K-2 receive targeted instruction focused on strengthening phonics and phonemic awareness.
During the MTSS block, students may receive:
A double dose of Heggerty
Sound Sensible
Intervention in phonics using Fundations Tier 2, with a multi-sensory approach
phoneme/grapheme mapping
Amira (based on the Science of Reading) to support decoding skills and fluency

Tier 3 interventions are delivered 4-5x per week for 30 min.
In the event that a student is referred to RTI and requires a more intensive Tier 3 intervention, we have a team of paraprofessionals that deliver Great Leaps on an individual basis.
In Grades 3-5, the focus is also on ELA during MTSS, with a focus on standards mastery for Reading and Writing.

During Math and other content areas, teachers pull small groups depending on the Tier of intervention.

Progress Monitoring happens frequently (Acadience, Amira) to ensure that groups are based on the most recent data.Progress monitoring sheets are shared with the admin, teachers, and the RTI team during the required check-ins.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

PS19 uses:
BOY and EOY Performance task to assess Writing Standards.
MAP Growth ELA for Grades 1-5
Acadience Screener for K-2 (BOY, MOY, EOY), with Acadience Survey and Progress Monitoring
MAP Growth Math for all grades
Estrellita (for Dual Language classes)
End of Module assessments (Into Reading)

These assessment tools allow us to track our students from year to year. Starting in Kindergarten with print readiness, alphabet sound/recognition, and phonemic awareness skills we are able to get a picture of the "whole child". Foundational skills in lower grades are assessed using Acadience and Fundations Unit Assessments for English and Estrellita for Spanish. The results from these assessments are used to tailor instruction.
In our Dual Language classrooms, these assessments are administered in both languages.
In grades 3-5 ongoing formative assessments are conducted through exit slips, quizzes, and individual conferences.

When a student appears to be stagnant or not advancing, the teacher, along with the ENL provider presents student artifacts to colleagues during an Impact Team meeting. Through the use of protocols, teachers discuss student work and suggest different techniques and strategies that may support the ELL student's progress. The teacher then implements suggestions and reports the outcomes to the team after a four to six-week intervention plan.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

PS 19 ENL teachers administer the NYSITELL within the first 10 days of registration. If a student speaks Spanish, the ENL teacher administers the Spanish LAB. Our ENL teachers also speak Spanish which ensures understanding of the Spanish LAB. The assessment is recorded and processed which determines the level of native language proficiency of the student.
Our dual-language ELLs are evaluated in their native language as follows: K, 1st, and 2nd use Estrellita throughout the entire year to assess letter sounds and decoding skills. All students (ELLs in dual language) are administered running records from the Fountas and Pinnell Benchmark Assessment in Spanish three times a year to determine their reading level and comprehension in Spanish. Students in grades 3-5 will take the Spanish MAP to monitor growth in Spanish. ELLs that are not in dual language and are in a monolingual class with ENL support receive support in their native language through the ENL provider. The ENL teacher provides texts in their native language and if the child only speaks Spanish, the child, if able, writes in their native language.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

Currently, we lean on the results of the NYSESLAT to monitor student progress over time in the four modalities. We analyze the FURBY in order to pinpoint specific areas of strength and weaknesses per modality.

For students in grades 3-5, we also look at the ELA and Math state assessments. The district has been supporting us in test sophistication strategies that teachers deliver prior to state testing.

Additionally, we use the NYCPT to assess informational writing skills development. During Impact Teams, we analyze student data and make instructional decisions to support the standards addressed.

Data collected is used to establish student goals and develop action steps to support student learning. Goals are accessible to all teachers who support the students so that we are all working to support student progress. Additionally, during push in periods teacher access conference notes so that progress is monitored. Teachers make adjustments and add supports to each unit based on students needs and goals.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the

assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

During the testing period, the first step in the administration plan is to assign a testing coordinator. Currently, the testing coordinator is an Assistant Principal. The test coordinator AP ensures that schedules are finalized and disseminated and that all proctors are trained to administer the NYSESLAT. We then use ATS report RLER to identify all students eligible for testing. Once we have identified all test takers and drafted out a schedule, we notify parents of the testing dates as well as provide an overview of the administration. ATS RAPL report is used to cross-reference preferred languages for family communication.
During the assessment window, we make every attempt to avoid interruption of ENL services to mandated students. We train a team of pedagogues to assist in the test administration so that the load does not fall exclusively on the ENL teachers. The team includes:
* Dual Language First Grade Teacher
* Literacy Coach with TESOL license
* IEP teacher
* DL 2nd grade teacher
* DL 3rd grade teacher
* 5th grade Dual Language Teacher

Storing of materials is adhered to as per state regulations. Testing materials are opened immediately before the test is given. The testing coordinator ensures that all test security protocols are followed.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

n/a

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Parents are sent the entitlement letter, along with the time and date to come in to the school for the program orientation. As a matter of practice, we also follow up with a phone call to confirm that the letter and date have been received.
On the day of the orientation, there is an agenda as well as a sign in sheet. The video is offered in the parents' preferred language. For parents who speak low incidence languages, they are seated in different groups with headphones and ipads. Every parent has the opportunity to watch the video in their preferred language.
Once the video concludes, we once again give an overview to the parents. For parents who don't speak English or Spanish, we use the pocket talk (or human translator). We ask questions about the video to ensure that parents understand. This also allows us to make the session a little more interactive so that parents are comfortable with the ENL teachers. We give parents the opportunity to ask questions. We then hand out the parent survey. When delivering the orientation to a whole group, we go question by question, stopping if needed to allow parents to ask clarifying questions.
At the end of the orientation, we collect all the parent selection forms to ensure that we are not missing any of them. For parents that do not show up to the orientation, we follow up with a phone call and the parent is invited to participate in the orientation individually. Once again, the interpretation unit, pocket talk or a human translator (if available) is used to ensure that the parent is receiving the information in their preferred language.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

For students in the ENL program, these meetings are conducted by ENL teachers throughout the year. The Dual Language teachers conduct the meetings for the students in the Dual Language program.

We use a GoogleSheet to keep track of the date of the meeting. This documents is periodically reviewed by admin to make sure we are on track to meet with all parents in a timely manner based on the needs of our students. Our ENL and DL teachers are bilingual in English and Spanish. For all other languages, teachers use the translation and interpretation unit.

During these meetings, ENL teachers explain the results of the NYSESLAT so that parents can understand the language acquisition goals for their child. They also discuss their current progress and the ways in which the parent can support at home. The teachers stress the importance of maintaining and fostering the home language at home.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Based on the data collected from Home Language Surveys and reports generated by ATS, the school works to ensure all parents receive documents and information in the language that they best understand.

In the beginning of the school year, classroom teachers are given a copy of RAPL list for their class so information can be verified during Meet the Teacher night and general parent engagement time when teachers speak with parents. This allows us to have the most accurate information.

Our current populations' language needs have 96% of our parents' preferred languages as English or Spanish. As such, and as a matter of practice, all written notices and messages are sent home in both English and Spanish and our office is always staffed with bilingual Spanish/English personnel.
Currently, we also use ClassDojo. This app allows parents to type a message to teachers or admin in any language and the app will translate it. Inversely, if a teacher taps the message in English, the app is able to translate the message into high incidence languages. We go to great lengths to ensure that every parent is connected. Our Pupil Accounting Secretary helps them download the app and connect immediately upon registration. Our Parent Coordinator also provides in-person support for parents to connect to the app.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Our dual-language classes (pre-k through 5) offer parental workshops for parents of English proficient students to support the learning of the target language and for parents of Spanish speaking students to support the learning of English and in some areas the native language. Additionally, our bilingual parent coordinator offers a variety of workshops customized to the needs of our community. These workshops include topics such as how to access student information on the computer and our website, medical and health insurance information; fire safety; community-based support organizations. During Parent/Teacher conferences, all teachers are provided with an interpreter to accommodate the parent's native language. PS 19 also hosts an information session on testing for ELA, Math, Science, NYSESLAT, for parents and the support they can give for student achievement in both English and Spanish.

Our parent meetings are always delivered in two languages. This includes our yearly Townhall and parent orientations. As a result of the pandemic, PS19 has capitalized on virtual sessions (as necessary, and to accommodate working parents) on a variety of topics (ELA curriculum, literacy supports, etc). The sessions are delivered in English and Spanish and always include a Q&A with translators available during this time.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

ELL parents are invited to be part of the Parent/Teachers Association, which has bilingual officers and interpreters available. Additionally, we have parents of ELLs on our School Leadership Team and they get the opportunity to voice their concerns and opinions to the administration. We also conduct a Parent Survey during Parent-Teacher conferences so PS 19 can get feedback on issues concerning our parents. PS19 uses ClassDojo as a communication tool and admins are accessible daily to address concerns and questions.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Our partnerships include:

* Sundog Theatre - offers several residencies throughout the year. Residencies have a heavy focus on teaching Tier 2 vocabulary depending on the topic covered (geometry, theater, etc).
* Scaramouches Puppet Show - offers culturally relevant and bilingual puppet shows
* Maritime Museum - this fields trip offers the tours in English and Spanish for grades 4 & 5
* NYPD Community officers for activities during and after school
*Arts4All - offers several visual arts residencies throughout the school year for our grade 4 classrooms. Emphasis on vocabulary development and expression.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

PS19 is now implementing a walk-to MTSS model in all grades. Teachers engage in data analysis through bimonthly Impact Team meetings. In our lower grades, we look at the Acadience screener data and in grades 3-5, we look at MAP. Every effort is made to group students according to area of need. We also take into consideration their level of language proficiency. Students who are at the Entering and Emergent level, are seen by the ENL teacher during MTSS.
As part of the MTSS framework, students are progress-monitored every 2 weeks depending on their level of proficiency. This allows us to group our ELLs appropriately in order to ensure that they receive language support as well as content area support.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

ENL teachers, Literacy Coach and Special Education Teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

There are 8 major steps in the ELL identification process. We currently have 4 members in our ELL Identification Tem to ensure that ENL services are not interrupted. The student accounting secretary is given a schedule with the availability of the team members.

STEP 1: The pedagogue doing the intake will determine if the enrolling student was in a NYS public school within the past 2 years.

STEP 2: The Home Identification Language Surveys are administered in the parents' preferred language by any member of our ELL Identification team. The licensed pedagogue conducts the informal oral interview in the parents' home language if their home language is Spanish. If a parent speaks another language such as Urdu, Haitian Creole, or others, an interpreter is requested through the Translation and Interpretation Unit to support both the pedagogue and the parent during the interview process. Presently, we have a paraprofessional who speaks Arabic on staff who is available for interpretation. The pedagogue will administer the HLIS which includes an in-depth interview with the student and parent to determine the student's home language. When appropriate, student work is analyzed. The home language is determined based on a combination of the interviews with both parent and student and the responses to the questions on HLIS. If the student's home language is English the ELL identification process terminates.

STEP 3: Once the pedagogue collects the HLIS from parents and determines that a language other than English is

spoken at the child's home, an in-depth interview is conducted with the child in both English and the home language to determine whether the child is eligible to take the New York State Identification Test for English Language Learners (NYSITELL). It is also at this point that the pedagogue would review the child's IEP, if applicable. NYSITELL eligibility for students with IEPs are determined with the support and guidance of the Language Proficiency Team (LPT), which includes members of the School Assessment Team as well as an administrator, the ENL teacher and the parent. Should the parent speak a language other than English or Spanish, an interpreter or translator will be invited to assist. The LPT will then determine whether the child is eligible to take the NYSITELL.

The NYSITELL is administered to eligible students and answer documents are scanned into ATS by the ENL provider within 10 school days of enrollment. For eligible students with an IEP, answer documents are scanned into ATS by the ENL provider within 20 school days of enrollment. Furthermore, both parents of entitlement and non entitlement students are informed of NYSITELL results and ELL status within 5 days of ELL determination.

STEP 4: If the student scores above Commanding, parents are given the non-Entitlement letter. If the student tests below Commanding, parents are sent the Entitlement letter within 5 days of determination. Once eligibility is determined, the ENL teachers schedule the parent orientation to determine their choice of placement. Parent selection is entered in the ELPC screen in ATS.
The student is then placed in the program of their choice within 10 days (20 days if student has an IEP).
Letters are sent home in parents' preferred language.

Step 5: For all students whose HLIS indicate Spanish as a home language and who are newly identified as ELLs based on NYSITELL results, the Spanish LAB will also be administered and scanned into ATS by the ENL provider during the same 10 day window. Although the results of the Spanish LAB are not considered in determining ELL status, they do inform instructional and planning decisions in order to provide the student with the best support.

STEP 6: We will identify students who are SIFE

STEP 7: After parents complete the parent orientation meeting, we will provide parents with the Parent Agreement and Program Placement so they can indicate their ELL program choice.

STEP 8: We will then ensure that student is placed in the program of their choice.

We have created a schedule for the secretary to use during registration. The schedule shows availability of all the team members and ensures that they are rotated so that we don't rely heavily on the ENL pedagogues and avoid interrupting their scheduling.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Lynette Perez

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Lee	Virella	Parent Coordinator - Annual	02/13/2025	y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Part III of the Home Language Identification Survey (HLIS),Student Emergency Contact cards,Other (Please specify in the next question)

If Other was selected, describe the resource here:

Upon occasion, based on staff interaction with families, we sometimes discover a preferred language that is not what it listed in the system.

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	9	1.44%	9	1.44%	2	2
BENGALI (BANGLA IN BANGLADESH)	1	0.16%	1	0.16%	0	0
CHINESE ANY	7	1.12%	7	1.12%	0	0
FRENCH	1	0.16%	1	0.16%	0	0
ENGLISH	276	44.16%	279	44.64%	10	10
SLOVAK	1	0.16%	0	0.00%	0	0

SPANISH	328	52.48%	326	52.16%	10	10
(AMERICAN) SIGN LANGUAGE	2	0.32%	2	0.32%	10	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
School Handbook	Family Handbook is available in two languages (English & Spanish). Other languages can be facilitated by DOE translation services and/or contracted vendor.
Citywide Behavioral Expectations	We rely on NYCPS translated documents which are readily available via InfoHub.
Citywide School Calendar	We rely on NYCPS translated documents which are readily available via InfoHub.
IEP	We rely on NYCPS translated documents which are readily available via InfoHub.
Title I, SLT & PTA Information	We have developed brochures and pamphlets with relevant information in two of our most predominant languages our community communicates (English & Spanish) We also rely on NYCPS translated documents which are readily available via InfoHub.
Attendance Policy	We have developed brochures and pamphlets with relevant information in two of our most predominant languages our community communicates (English & Spanish) We also rely on NYCPS translated documents which are readily available via InfoHub.
Parent Events/Meetings	We have developed brochures and pamphlets with relevant information in two of our most predominant languages our community communicates (English & Spanish).

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Teacher Conferences	We arrange for interpreters to be on site. This could be a staff member or DOE approved contracted vendor (Geneva Worldwide)
Parent Workshops	We arrange for interpreters to be on site. This could be a staff member or DOE approved contracted vendor (Geneva Worldwide)
IEP Meetings	We arrange for interpreters. This could be a staff member or DOE approved contracted vendor (Geneva Worldwide)
Family Assemblies	We arrange for interpreters to be on site. This could be a staff member or DOE approved contracted vendor (Geneva Worldwide)
Graduation & Stepping-Up Ceremonies	We arrange for interpreters to be on site. This could be a staff member or DOE approved contracted vendor (Geneva Worldwide)
Title I, SLT & PTA Meetings	We arrange for interpreters to be on site. This could be a staff member or DOE approved contracted vendor (Geneva Worldwide)

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Our school leverages the power of technology to ensure parents get the messages they need in their preferred language. In the event of a school wide emergency we use school messenger phone blasts in both English and Spanish. Messages in these two languages reach all but 9 of our families in their preferred language. We also use Class Dojo which is a text messaging system that allows parents to choose their language of preference and that service includes translations of these text messages into languages of their choice. This service allows us to successfully meet our parents' needs. Letters sent home are written by in-house staff members for English & Spanish. We translate these letters into Arabic and Chinese using google translate. (B) a student-specific emergency (i.e. student attendance, nurse/hospital visit, etc.).

In regards to student specific events we leverage in-house personnel who are fluent in the parent's preferred language to make the calls when possible. This meets the needs of all but 4 families. For the remaining four families and in the event someone fluent in their parents home language is not available to use the language translation unit.

We also have one family, where one parent requires ASL, and when communicating with her we use written communication and text messaging.

Our office staff include individuals who are fluent in English and Spanish. This means almost all of our families are able to communicate their needs immediately. For the remaining 9 families, we have Arabic speaking personnel on staff who we are able to quickly cover to meet those parents' needs and we call back using the translation unit for our Chinese speaking families. Additionally, most of our parents use ClassDojo text messaging to communicate with Administration and our Parent Coordinator in the event of an emergency. Those messages appear as pop-ups on our phones which we can translate into English in order to respond to our parents' needs. In extreme cases, where we cannot meet the language need, we harness the power of the language line to support with translation

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Each September, as part of our Professional Learning, staff members are reminded of Chancellor's Regulation A-663 which requires us to ensure parents are provided with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. In addition, on our first Chancellor's day time will be allocated for staff to view the required training.

Staff are also given a brief overview of how to use the interpretation line and how to make a request from the office of the need for interpretation for specific meetings, and how documents can be translated including which types of documents need to go through T & I unit, Staff are also provided with a copy of the RAPL for their class so they know parents preferred language of communication.

Following that meeting all staff members are emailed links to Chancellor's Regulation A-663, the Language access handbook, instructions on how to access over the phone translations, and of the protocol to be used when needing documents interpreted which include the use of T & I unit.

Before each Parent Teacher Conference, staff are reminded of how to request translation support and to remind them of the need to ensure effective, accessible communications between themselves and families.

Our school has weekly communications with staff and the LAC will utilize this means of communication to disseminate future language access resources and updates to all staff members.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Each year we rely on the materials/tools provided to us in the Language Access Kit to ensure we remain current and our parents are informed of their rights to receive information in their preferred language. This toolkit provides us with the Welcome Poster, Parents' Bill of Rights, Parents' Guide to Language Access, and Language ID Guide at the security desk and main office. These critical documents are disseminated, posted and shared by our Language Access Coordinator as required. Additionally, during the registration process parents are informed of their rights and given the Parent's Guide to Language Access which includes the I-Speak card. Additionally, they are connected on our messaging site and shown how to use it (which includes the translation features). Finally, our parent coordinator always reminds parents of their right to be communicated in the language of their preference several times throughout the school year, about two weeks before parent teacher conferences.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Our school has moved to end of year surveys to gather feedback from parents regarding the language assistance services and getting information they need in their preferred language. Our survey also asks for suggestions on what we can do better.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Our school has a plan in place to cover staff member who speak less frequent languages to serve parents who walk in. We also have pocket talks readily available to support translation when needed.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Total number of ELLs to be served in this program:

90

Grades to be served in this program. Select all that apply.

,3,4,2,1,5

Total number of teachers in this program:

6

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

3

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

3

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

The program will take place on Saturdays from 8:00-11:30am.

There will be two cycles of learning for the program (Fall & Winter - extended).
Students will be clustered for cycle 1 by grade level, mixed proficiency to enhance students speaking skills. There will be a lower grade, middle and upper grade section with up to 20 kids in each section.

For the extended cycle the sections will once again be divided into 3 groups, according to but this time data based according to specific area of need, coupled with proficiency level. For example one group will be more focused on writing skills for entering & emergent skills and the another on transitioning skills in writing.

In both cycles, each group will visit 3 stations in 50 min increments, using a station rotation type of model:
ENL
Content (Science, Stem)
Movement (PE, Dance, which will include a 30 min activity with a 15 prompt to answer)

For example, Upper grade will visit:
Group A: ENL - STEM - PE
Group B: STEM - PE - ENL
Group C: PE- ENL - STEM

Teachers will be given 30 minutes of common planning time per week, at the start of the day, to ensure kids data-based needs are being met.

Program will supervised by an Assistant Principal who is knowledgeable in ELL supports and who will give real time feedback to teachers in order to improve student outcomes.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Our current data based on EDUR for May 2024 shows our ELL population is comprised of 115 ELLs
- 26 are Entering students
- 26 are Emergent students

- 28 are Transitioning students
- 35 are Expanding students
- 22 are Commanding

According to our EDAT data, Writing and Speaking are areas of need for our ELLs, it is our lowest area of performance.
Our MAP screen data has our ELLs, as a school collectively performing at the 26th percentile in achievement, which is a 19% increase from last year.

We would like to offer a Saturday Program with a focus on Writing and Vocabulary development while supporting the other 3 modalities (Listening, Speaking and Reading) through movement and a content area. We believe this work will develop the skills needed to improve student outcome in both of the measured areas.

Our ELLs in grades 1-5 will be invited to our Saturday Program. We will follow a triad rotation model in which students will spend about 50 minutes in each station.

The following areas will be targeted:
* Content knowledge
* Vocabulary instruction/Usage
* Complexity of Language (sentence structure in written and oral form)
* Elaboration of ideas (in writing)

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

The program will serve approximately 75-90 students. We expect about 35 in the lower grade (1-2) group and about 45 in the upper grade group (3-5). Students will be grouped by proficiency level as much as possible, as our ELLs fall into all 4 proficiency levels. All of them are Newcomer ELLs.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program will take place on Saturdays from 8:00-11:30am.

We will run an extended cycles as follows:
(10/25, 11/1, 11/8, 11/15, 11/22, 12/6, 12/13, 12/20)

There will be two sections: A lower grade and an upper grade section.
Each section will be divided into 3 groups, according to proficiency level. Each group will visit 3 stations in 50 min increments:
ENL
Content (Science, Stem)
Movement (PE, Dance, which will include a 30 min activity with a 15 prompt to answer)

For example, Upper grade will visit:
Group A: ENL - STEM - PE
Group B: STEM - PE - ENL
Group C: PE- ENL - STEM

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be in English.
In order to support home language, students are allowed to translanguage during instruction (not teachers).
Teachers will embed ENL strategies, such as:
* use of cognates
* sentence stems
* TPR
* use of technology (ipads, translators)
* visuals/realia

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

The Saturday Program will run with 6 teachers: 3 ENL teachers (or certified bilingual), 1 PE teachers, 2 content area teachers.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Types of materials:
* NYSESLAT Writing questions and rubrics.
Students will engage in reading and discussing passages prior to drafting their responses. Teachers will provide formative feedback at several stages of writing in alignment with the rubric. We want to ensure that students understand the grade expectation for their writing pieces.
* NYSESLAT Speaking Rubric
When planning for this program, teachers will use the Speaking rubric to highlight areas of strength and need.
* PE equipment
Students will engage in dance or movement activities for 30 minutes, followed by a 15 min prompt to discuss the activity (Speaking & Listening)
* STEM/Science materials
Students will engage in hands-on projects that include multi-sensory materials (examples are: creating slime, coding, creating electrical circuits).

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Recruitment starts the 2nd week of school. A flyer, in parents' preferred languages is sent home to announce the program and invite students. We also send an interest form (as a Google Form) to start to plan the number of students in each group.
Assistant Principal will maintain a binder which includes this plan, attendance records, permission slips and a running list of resources used for the program. Photos from classes will be added to support work done.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional development is on-going throughout the year at PS19 and we believe that all teachers are teachers of ELLs. In order to ensure that ELLs are developing their English proficiency, instruction of ELLs through our HMH Into Reading curriculum is designed and delivered in a manner so that all students can meet the language demands of the Next Generation Learning Standards. The following plan will ensure that teachers are equipped with strategies for second language acquisition and familiar with the co-teaching models that will move our ELLs forward.
As per the new CR Part 154.2, 15% of professional development hours (about 5.25 hours) for all teachers will be dedicated to language acquisition, best practices for co-teaching strategies and integrating language and content instruction for ELLs. All dual language and ENL teachers will receive 50% of their professional development hours (about 17.5 hours) on these focus areas as well.

We are currently awaiting the offerings set out by the D31 office so we can plan our Professional Learning opportunities for teachers of ELLs.

.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

We used the Insight tool to analyze the performance of our English Language Learners in Foundational Skills K-2.
In Kindergarten, 34% of students overall scored Well Below Benchmark. 40% of English Language Learners scored Well Below. Many of our Kindergarten ELLs are Entering ELLs.
In First grade, 35% of students overall scored Well Below Benchmark; 48% of ELLS scored Well Below. The gap was bigger in First Grade.
In Second Grade, 34% of students scored Well Below; 65% of ELLs scored well below. By Second Grade, the gap is even bigger.
In looking at this data, we can see that there is a continued need for explicit Phonics Instruction. Our Kindergarten and First grade delivered the FUNdations this program. The Second grade team has been trained and will deliver the program beginning in September 2026.

We looked at the MAP screener to determine overall performance of our ELLs in Grades 3-5. We noted the following:
* In Third Grade, 29% of students overall scored below the 20th percentile in Reading. 50% of ELLs scored below the 20th percentile.
* In Fourth Grade, 45% of students overall scored below the 20th percentile. 85% of ELLs scored below the 20th percentile.
* In Fifth Grade, 27% of students overall scored below 20th percentile, 80% of ELLs scored below the 20th percentile.
This data indicates that our Upper Grade ELLs are struggling with concepts in the HMH curriculum.

When triangulating this preliminary data with the June Instructional report, we can see that our ELLs in Dual Language settings perform slightly better even though they are at lower proficiency levels.
Overall, our ELLs in grades 3, 4 and 5 struggle with the constructed response questions.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

ENL teachers - 2
DL teachers - 5

All General Education teachers of ELLs

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

All teachers will get:

PD session will take place during Election Day and Monday PLCs starting in October (possible dates: 10/13, 10/20, 10/27, 11/3).

We are currently awaiting the offerings set out by the D31 office so we can plan our Professional Learning opportunities for teachers of ELLs.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

We are hoping the following topics will be included:
* The ELL Identification process
* Characteristics of language acquisition
* Co-teaching models and strategies
* strategies specific to Dual Language (bridging)

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Name of provider:
Dolly Sosa Delgado, ENL teacher
Kristien Molden, ENL teacher
Cindy Cascante, Assistant Principal

District Team; offerings from Central

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

AP will maintain a digital folder on Google Drive which includes agendas, OP-175, postings, agendas and teacher surveys.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Family Engagement for our ELL programs takes on a variety of forms:

First, we have design and deliver specific workshops that relate to language acquistion process and NYSESLAT. (Cost Title III)
Second, we have classroom engagement activities where parents learn alongside of their child during what we call Fabulous Fridays. (No cost to Title III)
Third, we work with our parent coordinator to survey interest in the type of engagement activities our ELL parents want and we work to bring in an outside organization, as appropriate to deliver. (may be a cost to Title III)

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

In order to ensure a welcoming and affirming environment for all our families, PS19 will be hosting a series of workshops aimed at empowering parents. We will hold a minimum of 3 workshops during the school year that will help parents understand what is expected and how they can support their child with meeting these expectations. The workshops are aimed at helping parents understand the the process of language acquisition and how their children are progressing.

The offerings will be put out to parents at the beginning of the school year so that parents have choice in what they want to be a part of. They will also have the option to make requests so that we can tailor based on their interest/needs. Workshops will be held the 2nd Tuesday in October, January and March.

An additional workshop, overviewing the NYSESLAT will take place on April

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Workshops will be held on
October 10th - Understanding your Child's NYSESLAT score.
March 14th - Getting Ready for NYSESLAT
April 9th - In collaboration with RBERN - How to Help Your Child Succeed in School

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Topics to be covered:

*Parent workshop in the Fall to distribute NYSESLAT scores and help parents interpret the scores
*Parent workshop in early Spring "Getting Ready for the NYSESLAT"
* How to Help your Child Succeed in School (Evening virtual workshop)

During our Fabulous Friday Event (last Friday of every month), ENL teachers will run separate workshops for parents of ELLs.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Name of provider
Dolly Sosa Delgado, ENL teachers
Lee Virella, Parent Coordinator

Cindy Cascante, Assistant Principal
Clotilde Santana, NYU RBERN
Marina Vinitskaya, NYU RBERN

If an outside provider is needed, we will lean on the expertise of CITE or CPET.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

How parents will be notified of these activities:
Parents will be notified by Class Dojo, via a bilingual flyer. All our flyers are translated into the parents' preferred language.
Additionally, phone blasts will go out as well as a backpacked letter inviting them to the program.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

AP will create and maintain a binder with sign ins and agenda as appropriate. If session designed in house for our parents a copy of presentation will be included in the binder.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):

24690

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional salaries (schools must account for fringe benefits):-Per session -Per diem	$14814	Saturday program salaries (Extended Cycle of Learning Fall & Spring)
Purchased services -High quality staff and curriculum development contracts.	$2469	Teacher Professional Development (per diem)
Supplies and materials -must be supplemental -additional curricula, instructional materials -must be clearly listed.	$4938	Soar (Vista Learning) books as supplemental materials; supplies for kids at home
Educational Software (Object Code 199)	$2469	Parent preferred programs to use at home
Travel		
Other		
TOTAL	$24690	

Title III Immigrant Outline

Title III Application for Immigrant Funding

REQUIREMENTS

Title III, Part A - Immigrant Funds can be used for activities that provide enhanced instructional opportunities for immigrant students, which include:

- Identification and acquisition of curricular materials, educational software and technologies to be used in the program.
- Family literacy, parent outreach and training activities designed to assist parents in becoming active participants in the education of their children and understand their rights and the benefits of multilingualism.
- Support for personnel, including teacher aides, parent coordinators, and school counselors who have been specifically trained, or are being trained, to provide services to immigrant students and families.
- Provision of tutorials, mentoring, and academic or career counseling for immigrant students, as well as engagement in pre-college and work-based learning experiences.
- Basic instructional services directly attributable to the aforementioned school districts, including costs for additional classroom supplies, transportation costs, or other costs directly attributable to such services.
- Other instructional services that are designed to assist immigrant students to achieve in elementary schools and secondary schools in the United States, such as programs of introduction to the educational system and civics education.
- School activities, coordinated with community-based organizations, institutions of higher education, private sector entities, or other entities with expertise in working with immigrants, to assist families of immigrant students by offering comprehensive community services.

Funding follows similar guidelines for Title III funds established by the Office of Multilingual Learners (OML) and can only be used to provide **supplementary services** to immigrant students, who may or may not be English Language Learners (ELLs).

Please note: Immigrant students are not necessarily English Language Learners (ELLs), and ELLs may or may not be immigrants. For the purpose of this funding, immigrant students are defined as individuals who were not born in any U.S. state (this includes the District of Columbia and the Commonwealth of Puerto Rico); and have not been attending one or more schools in any one or more states for more than three full, academic years (the months need not be consecutive).

Priority areas for the use of Title III, Part A - Immigrant Funds are as follows:

- Extended day programming (e.g., before school, after school, Saturday program) to provide targeted, small-group instruction, credit recovery support, and postsecondary preparation.
- Implementing strong student supports to increase graduation rates.
- Community-based and school-based programming (e.g., before school, after school, Saturday program) to strengthen partnerships between immigrant families and schools.
- Developing new and/or enhancing existing programs for newcomers (meeting criteria defined above).
- Supplementing the opening or growth of Transitional Bilingual Education programs and/or Dual Language Bilingual Education programs serving immigrant students.
- Professional learning on meeting the needs of immigrant students, creating a welcoming and inclusive school environment, and effective instructional practices.

For more information on Title III requirements, refer to NYSED's guidance on allowable and unallowable expenditures for Title III. For specific allocation amounts per school, see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist.

DIRECTIONS

Please complete the application below. Schools must use the funds to support their immigrant students by developing a plan that has each of the following components:

- Direct instruction, supplemental program for immigrant students,
- Professional development that bolsters the instructional practice of teachers of immigrant students, and
- Family engagement activities that support families of immigrant students.

Completed applications must be submitted in iPlan for review and approval. Please refer to the respective School Allocation Memo. Schools are not permitted to use funds until they submit a plan and receive notification of its approval.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Before School

Grades to be served in this program. Select all that apply.

,2,3,4

Total number of teachers in this program:

3

Provide a summary of each program funded under Title III immigrant for SY 25-26:

For each program, describe:

- When the program takes place (i.e., after school, before school, Saturday academy).
- Activities the students will engage in and how these activities will enhance instructional opportunities for immigrant students (including ELLs).
- How students will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program.
- How instruction will be delivered (e.g., team teaching, parallel teaching, etc.).
- How the program will be supervised and whether this is at cost to Title III Immigrant. **Please note:** If supervision will be funded using Title III Immigrant funds, you must include the supervisor's regular workday hours and the hours the supervisor will get paid per session.

The program will take place over the course of 6 weeks on Tuesdays through Thursdays, with Monday as a planning day for teachers.

Students enrolled in the program will engage in clubs similar to SEM clusters. This structure will give them the opportunity to practice all 4 modalities in a high-interest topic.

We have invited our immigrant students in grades 2, 3 and 4. They will be grouped by proficiency level (2 groups of 2/3 band and 1 group of 4th graders).

Students will partake in ENL content rich SEM clusters where they will collaborate to produce a final product.

The program will be supervised by AP Cascante who is already on premises starting at 7:00am. No further funding will be needed to cover the program supervisor.

Rationale for Title III Immigrant Funded Programs

Describe the rationale for each Title III Immigrant funded program:

For each program, include:

- Qualitative and quantitative data analysis that support the need for program, and
- Data sources used to justify the need for the program

When planning this program, we looked at our immigrant students (ELLs and never ELLs) that have been in the country for less than three years. We understand that recent arrivals often struggle with acclimating to a new country, new culture and new language. We hope that this program will offer academic, language and social support for our newest students. As many of these students are enrolled in our Dual Language program we see a strong need to bring them together to focus on, learn and practice English together in an environment where they can all take chances with the language routinely.

Students and Grade Levels to be Served

For each Title III Immigrant funded program, describe the students that will be served:

Include:

- Total number of students for each program,
- Grade levels for students in program, and
- If ELLs are also included in these programs, (e.g., Newcomer).

The outreach for the program is anticipated to reach.

7 - Second Grade
6- Third Grade
7 - Fourth Grade

All of these students have Immigrant status.

Schedule and Duration

For each Title III Immigrant funded program, include:

- Start and end dates/months,
- Total number of sessions,
- Days of the week the program will be offered, and
- Time and duration of sessions.

The program will run from January 5th to February 12th.

The specific dates of the program are:

Planning days (Mondays): 1/5, 1/12, 1/26, 2/2 and 2/9

Program dates (Tuesday-Thursday): 1/6, 1/7, 1/8, 1/13, 1/14, 1/15, 1/20, 1/21, 1/22, 1/27, 1/28, 1/29, 2/3, 2/4, 2/5, 2/10, 2/11 and 2/12

Program will run from 7:14am - 8:04am (Duration: 50min).

Language of Instruction

For each Title III Immigrant funded program, include language of instruction and how home language support is provided:

The Saturday Program language of instruction will be in English.

Number and Types of Certified Teachers
For each Title III Immigrant funded program, include number and type(s) of certified teachers.

The program will include up to 3 teachers (ENL, Sped).

Types of Materials
For each Title III Immigrant funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III Immigrant funds. Please note: If materials are purchased using Title III Immigrant funds, they cannot exceed 20% of the total allocation.**

The program OTPS related funds will go towards the purchasing basic materials such as paper, pencils, crayons, notebooks and folders. We will also purchase any additional materials once the SEM clusters are finalized.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III Immigrant funded program, including evidence of parent notification in their preferred languages, student attendance records, teachers that support the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III Immigrant FAQ.**

Parents will be notified about the program, int heir preferred language, the week of December 1st. They will also be added to a ClassDojo classroom to keep them informed of any updates.

Principal and the AP in charge of overseeing the program will monitor the record keeping and quality of instruction of the program.
Records will be maintained in digital form (Google Drive folder) to the greatest extent possible. This includes permission slips, attendance records, and purchase orders for materials.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III Immigrant program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III Immigrant funds. Please note: If PD will be funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Please make sure to describe:

- Professional development to be provided
- Activities that teachers will engage with by topic
- Whether the professional development provided will be at cost to Title III Immigrant funds

Returning teachers directly relating to the program have been trained in the past. Assistant Principal supervising the program will give an overview of the program, along with goals and objectives.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

For each activity include:

- Qualitative and quantitative data analysis that support the need for the professional development
- Data sources used to justify the professional development

NYSESLAT scores for this group of students revealed the following:
About half of the students invited are in the Entering and Emerging range.
The other half fall into the Transitioning and Expanding range.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III Immigrant program will receive ongoing professional development related to the Title III Immigrant program.

2 sped teachers assigned to the program will receive the following professional development:
- Overview of School Enrichment model
- Book Enrichment Clusters by Renzulli will be made available.
- Teachers will submit a proposal and will receive feedback prior to implementation.

Schedule and Duration

For each Title III Immigrant professional development activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Overview to be given prior to start of the program (January 5th).

Topics to be Covered

For each Title III Immigrant professional development activity, include topics to be covered.

Overview
Planning template
Ideas for clusters
Ideas for final products.

Name(s) and Title(s) of Provider(s)

For **each** Title III Immigrant professional development activity, include name(s) and title(s)of provider(s).

AP in charge.

Maintaining Records

Describe your school's plan for maintaining of all professional development (e.g., agendas, attendance sheets) provided as part of your Title III Immigrant plan; please specify which activities were funded by Title III Immigrant funds.

Including your school's plan for maintaining documentation of professional development provided using Title III Immigrant funds.

All agendas, communications and planning tools will be preserved on Google Drive in a folder Titled "Title III Immigrant Program 25-26"

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III Immigrant program. Describe the activities that families of immigrant students (including ELLs) will engage with by topic. Please make sure to include whether the activities will be funded by Title III Immigrant funds. Please note: If family engagement activities will be at funded by Title III Immigrant funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

AP in charge will deliver an info-session, in English and Spanish, to overview the program.

Parent Coordinator will facilitate a virtual session designed to inform families of their educational rights, regardless of immigration status, and provide key resources to promote language access and post-secondary opportunities.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided:

For each activity, include:

- Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and
- Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request) used to justify the need for activities.

The number of newly arrived immigrant to our school over the last 12 months make this session necessary.

Schedule and Duration

For each Title III Immigrant family engagement activity, include:

- Start and end dates/months,
- Total number of sessions,
- Days of sessions, and
- Time and duration of sessions.

Program Overview session will take place on Monday, December 8th. This will be a 10-15 min session with 10min for Q&A

"Know Your Rights" session date TBD. (will be updated in iplan)

Topics to be Covered

For each Title III Immigrant family engagement activity, include topics to be covered.

*SEM clusters
* Know Your Rights

Name(s) and Title(s) of Provider(s)

For each Title III Immigrant family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Cindy Cascante, Assistant Principal
Lee Virella, Parent Coordinator

Family Notification of Activities and Translation and Interpretation Supports

Describe:

- How families will be notified of Title III Immigrant family engagement activities (e.g., phone calls, emails),
- How notification of activities will be translated into parent/guardians' preferred language, and
- How interpretation supports will be provided at events.

Families will be notified via printed letter and Dojo message.
Notifications will be translated using Google Translate.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All documentation will be saved to folder in Google Drive named "Title III Immigration 25-26"
