Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Dr. Tina Moschella	Principal or Designee*	
Jenifer Pace	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Melissa Cartagena	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
Maria Garcia	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
Ana Berrios	CBO Representative, if applicable	
Daliza Cabrera	Member/Teacher	
Grace Pangbourne	Member/Teacher	
Kathleen Lopez	Member/Teacher	
	Member/PTA Secretary	
	Member/PTA Treasurer	
Maria Garcia	Member/Parent	
Maria Quindi	Member/Parent	
Vidalia Pacay	Member/Parent	
Fanny Tuala	Member/Parent	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Our mission at P.S. 86 is to create within students the abilities and self-confidence essential to the development of high academic skills by using enrichment/intervention strategies along with multi-entry points for all learners across all subject areas.

Our goal is to provide a variety of opportunities for student self-expression through multimedia production and the arts for all students to improve communication skills by building language through vocabulary development.

P.S. 86 models itself as a school community where all students will meet or exceed the standards. The parents, staff, and students will share in the process necessary to make students life-long learners and productive members of society.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

The P.S. 86K student body is 97% Hispanic or Latinx, 1% Black or African American, 0.5% Asian and 1% White. Of our 375 enrolled students, 63% are English Language Learners (ELLs) of which 70% are entering and emerging and 20% are students with an Individualized Education Plan (SWIEPs), approximately 46% are housing insecure.

Student attendance is high at 90% to date. All students receive lunch free of charge but 88% of students qualify for free lunch, and 11.26% qualify for the HRA Meal Program.

Magnet School
P.S. 86K is a Magnet School with the theme of Multimedia and Arts since 2022. This means our school receives funding from the federal government. The goal of the magnet program is to diversify our student population and make our instructional program opportunities available to students throughout the NYC. Funds from the NYC Magnet Schools Assistance Program are used towards equipment, residencies, field trips, family activities, curriculum, and enrollment.

Academics: Spec Ed, Dual Language, STEAM
P.S. 86K is made up of grades Kindergarten through 5th grade. In each grade, there is a dual language Spanish classroom where the students receive instruction in both English and Spanish on every grade. There is an ICT classroom on each grade where students have both a general education teacher and a special education teacher. Each grade also receives a minimum of 1 period a week of each of the following: Dance, Music, Physical Education, STEAM, and Social Studies.

Multimedia
P.S. 86K Bushwick Magnet Multimedia and Arts Academy includes multimedia instruction in each grade. Students progress in various multimedia skills as they move up in grades which includes Text, Audio, Video, Images, and Animation. Students learn to format text with colors, fonts, and sizes in word processing applications starting in second grade. Students learn to code and animate stories using Scratch starting in third grade. Students learn to record audio in podcasts starting in second grade. Students learn to record videos to make advertisements and commercials in first grade. Students learn to make presentations that include text features, images, and audio using presentation applications starting in fourth grade. Students learn to take pictures in Kindergarten.

Arts
Students receive Arts instruction in all grades kindergarten through 5th grade. Students receive a minimum of 1 period each week of Dance and Music. Students learn to read and write music and play various instruments of their choice including drums, violin, recorder, saxophone triangle, cymbals, and more. Students learn various types of dance styles including bachata, merengue, western and more. Students also learn to choreograph dance and use dance and stage vocabulary. We partner with visual arts programs to bring art into each grade. Studio in a School is an organization we have partnered with for over 7 years. For 10 weeks, a teaching artist works with the teachers and students to create art including collages, sculptures, paintings, and more that align with the current content and curriculum. Fourth grade has also worked with Center for Architecture to create visual models of Native American homes and villages to align with their writing and social studies curriculum.

Afterschool Riseboro
The COMPASS RiseBoro program strives to integrate literacy into all instruction with a curriculum designed by an educational specialist. COMPASS programs are free and offered 3.5 hours each day, 5 days per week including and on 13 school holidays. The K-5 program offers: homework help and tutoring, nutritional dinner provided, visual, theater, and musical arts instruction, physical activity, including nutritional programming to promote healthy living, and STEM: Science, Technology, Engineering, Math.

Residences & Clubs
P.S. 86K has many partnerships to help strengthen and support our students. Our partnerships bring diverse perspectives, innovative ideas, knowledge, and skills to our students' education. P.S. 86K works with various Residencies during the school day and after school and offers teacher led after school clubs as well. Residencies that work with the students include Studio in a School for visual arts, Center for Architecture for visual arts, Take Two Film Academy for movie making, Magic Box Production for photography, Allergic to Salad for nutrition instruction, Soccer Kids NYC for physical education and SEL, Dance Parade for dance, New York City Center for dance, Puppetry in Practice for visual arts, Yo Re Mi for physical education and music, and Inside Broadway for theater. Other after school programs include Eagle News Broadcasting, Debate, Chess, Hydroponics, ELA, Math, and ENL Academy, Orchestra, and CHAMPS Sports.

SEL (Guidance, Social Worker, Wellness committee)
We award students with positive behavior intervention (PBIS) tickets and celebrate the character trait of each month during our rewards assemblies. The social worker and guidance counselor host small group counseling sessions based on student needs. The social worker visits every classroom to provide mini lessons to meet the social emotional needs of our student population. The social worker, guidance counselor, and parent coordinator host multiple family workshops each month to provide families with information. There is a wellness council made up of various staff members who meet monthly to plan and coordinate various social emotional activities and events for staff, students, and families. The Special Events Committee consists of various staff members who plan events throughout the year to provide a fun cultural and holiday activities for students and their families.

Family Outreach & Inclusive Families
Our parent coordinator hosts several parent and family workshop series that address assorted topics, including mental health, cyberbullying, managing stress, and more. Families are invited into the school for multiple events throughout the year including PBL Showcases, Awards Assemblies, Winter and Spring Musical and Dance

Performances, Residency Showcases and Exhibitions, Family Nights, Special Events activities invite families in to work with their child as well.

Briefly summarize the key initiatives your school will implement this school year.

The key initiatives our school will implement this year include Illustrative Math along with Number Talks during math instructions. Our school will integrate multimedia skills into various subjects and project-based learning. All grades will include at least three project-based learning units which are trans-disciplinary units of study and are student-driven. Classroom teachers are going to focus on phonics and phonemic awareness with students learning to read using Fundations, Heggerty, Acadience, and iReady. All teachers are using data from formative and summative assessments to drive instruction.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Imagine IM	K-5	Print Curricula and Digital	
Into Reading	K-5	Print Curricula and Digital	
Fundations	K-2	Print Curricula	
Heggerty (ELA)	K-2	Print Curricula	
UFLI	K-2	Print and Digital Curricula	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
I-Ready reading vocabulary data shows 22% of our students are performing on or above grade level.	limited background knowledge, complex academic vocabulary	vocabulary
I-Ready reading Phonological Awareness data shows 28% of our students performing on or above grade level.	Percentage of students who are entering and emerging ELL	Phonological Awareness

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	29%	By June, 2026, literacy for All Students will improve, as measured by a 10% Increase, from 29% to 39%, of percentage of students scoring at levels 3 &4 on the NYS ELA exam results.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

RTI Pull Out & Push In Services

Root Cause Addressed:

Phonological Awareness and Vocabulary

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
All teachers and paras are trained to pull out strategic groups of students, average of 6 , to address literacy needs including phonological awareness and vocabulary from 3 to 5 weeks.
ELL's receive services by push in teachers as well as pull out RTI instruction of Fundations or SPIRE.
Strengthen instructional practices with Science of Reading Consultant. (K-3)
Include Phonics for Reading into the reading block in grades 3-5
Paras and teachers attend Fundations and Science of Reading professional development.
We adjusted the scope and sequence of Fundations and adjusted the word work for Heggerty lessons.

Science of Reading consultant will work with educators in grade K-3 on how to make data instructional decisions and build capacity of teachers in teaching reading.
Targeted literacy intervention through RTI and double dose of Heggerty and UFLI lessons

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Teacher will monitor the students progress using I-Ready My Path and teacher assigned data, Pre-Reading probe data and students performing below grade level will be assessed every 2-3 weeks with Acadience progress monitoring.
Teachers in grades 3-5 will use Phonics for Reading check data to inform instruction.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/31/2026	Parent Workshops including "How to Support Your Child"	
09/04/2025	01/31/2026	Family Read Aloud Day where families are invited into the building to read to students.	

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Classroom teachers

Instructional Resources

HMH, Fundations, Heggarty

Schedule Adjustments

N/A

Other Resources Needed

Cursive and Print Handwriting books

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 Absentee Data from ATS	Socio-economic barriers, distance and time management.	Decreasing Chronic Absenteism

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	92%	By June, 2026, physical and mental wellness for All Students will improve, as measured by a 3% Increase, in percentage of students with 90% attendance from 92% to 95%, per the ATS Attendance Report

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Students will learn healthy sleeping habits and focus on wellness.

Root Cause Addressed:

Absences due to distance and time management and Socio-economic barriers which impacts students abilities to attend school regularly.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Strengthen family engagement.
Monthly family workshops.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Attendance committee met on a weekly basis to examine attendance and lateness trends. School Council meets monthly to discuss trends.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	01/31/2026	Family workshops on a monthly basis for wellness & attendance.	

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Social Worker, Assistant Principal, Attendance Teacher, Guidance Counselor, Pupil Accounting Secretary

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
I-Ready Math Diagnostic EOY 2025	New Math program, Illustrative Mathematics, places geometry at the end of the pacing calendar and therefore the students may not have been exposed to enough geometry instruction by the date of their diagnostic exam. A need to embed multiple opportunities to geometry concepts throughout the year.	Geometry

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	22%	By June, 2026, the percentage of students on or above grade level will Increase by 3% from 22% to 25%, for All Students, as measured by I-Ready Math Diagnostic Geometry Domain Results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Revise Pacing of Illustrative Math units, Embedding Exposure to Geometry across the year, Geometry challenge for 3 weeks in January and February.

Root Cause Addressed:

Below grade level assessment of Geometry.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Grade level data meetings to address student needs in math domains including geometry.
Professional Development around using the IM curriculum to ensure students receive geometry instruction.
Use iReady data to assign grade-level Geometry lessons to students.
Plan family workshops regarding IM strategies at home and i-Ready workshops to help students practice at home.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

I-Ready diagnostics BOY, MOY, and EOY will be monitored and will determine instructional practices.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
College & Career Day grades 1-3 classroom visits, grades 4&5 assembly in the auditorium. College Awareness Day (Staff surveys on colleges attended and degrees earned)	College and Career exposure limited to one day of a college and career event. Limited access to technology and newcomers.	College and Career exposure

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	10%	By June, 2026, the Percentage of 3rd grade students being exposed to different careers will Increase by 8% from 10% to 18% as measured by College and Career Information Survey.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Clubs that provide exposure to different careers. Project based learning including exposure to different careers and pathways.

Root Cause Addressed:

College and Career exposure will not be limited to one day of a college and career event

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Students will be given surveys about what clubs they are interested in, staff is surveyed about their strengths in clubs and administration aligns clubs to grade levels and standards.
Create clubs throughout the school year offered to all students that expose students to possible careers such as, hydroponics, debate, cooking, theater, music, dance, sports, eagle news, photography, etc using data from survey.
Grade level planning to ensure PBL units will include exposure to possible careers such as, Grades K and 1 and community workers, grade 2 and business owners, grade 3 and data collection, grade 4 and entrepreneurs, grade 5 and small businesses
Teachers will have data based planning meetings.
Grade leaders will address college and career exposure about their Project Based Learning units monthly in our

Vertical Team meetings.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Create clubs throughout the school year offered to all students that expose students to possible careers such as, hydroponics, debate, cooking, theater, music, dance, sports, eagle news, photography, etc.
Grade level planning to ensure PBL units will include exposure to possible careers such as, Grades K and 1 and community workers, grade 2 and business owners, grade 3 and data collection, grade 4 and entrepreneurs, grade 5 and small businesses.
We will survey the students before and after the clubs and before and after their PBL units to assess their knowledge of possible careers.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Families are invited to exhibits for PBL units and clubs	
09/04/2025	06/26/2026	Parent participation in Career Day	

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Outside participants such as community workers sharing career infromation.

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
96% of students are	Parents' minimal understanding that as a magnet school, we are open to all NYC students. The make-up of the area and surrounding neighborhoods	Increase diversity of new enrollment

Hispanic/Latinx	are predominantly Hispanic.	students,

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	4%	Make PS 86 Bushwick Magnet Multimedia and Arts Academy more inclusive and responsive. By June, 2026, the diversity of new enrollment will Increase by 2% from 4% to 6% as measured by ATS Enrollment Report.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

The Recruitment Team will hold multiple open houses in the morning, afternoon, and virtually from October to December. The Parent Coordinator with Magnet Site Coordinator will reach out to non-zoned Pre-K and family centers in order to schedule "Open Table" information sessions.

Root Cause Addressed:

Marketing, Pre-K Center visits, Open houses- in person and virtual.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Resource Specialists posting video clips and photos of school events on Instagram and Facebook.
Virtual /in person Open Houses facilitated by the Parent Coordinator and Magnet Site Coordinator.
Advertise in family /parent magazines.
Distribute flyers and brochures to community spaces, such as libraries and YMCA's.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

ATS Enrollment Report, Magnet Applications.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Open House events, Pre-K Centers, Open Tables	

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Insight New Vision	Temporary Housing, health, transportation	Improve attendance for students with less than 90% attendance rate.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	21%	By June, 2026, the Percentage of Chronically Absent Students who have less then 90% attendance will decrease by 1%, from 21% to 20%, as measured by the ATS Report, Portal by New Vision.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Monitor students in temporary Housing with outreach and identify transportation needs.

Root Cause Addressed:

Transportation

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Review Student Temporary Housing Report monthly
Monitor STH attendance rate
Outreach to parents and provide resources and services.

Key Strategy 2 (Optional):

Monitor update on the need for up to date immunizations to prevent decline in attendance.

Root Cause Addressed:

New incomers that are unaware of policy.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
monitor identified students and provide reminder phone calls.
Provide identified families with resources for insurance.
Provide families with information on local health care providers.

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Students are provided with interest surveys to inform teachers of learning preferences and styles.

Root Cause Addressed:

Students engagement and accessibility in order to accelerate learning.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Surveys are given to students 1 on 1.
Parent receive Parent Voice Protocol Surveys prior to IEP meetings to fill out.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

We will collect BOY, MOY and EOY I-Ready results to determine progress and impact on instruction, student learning and achievement.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Parent receive Parent Voice Protocol Surveys prior to IEP meetings to fill out.	

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Other Resources Needed

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
SPIRE: Specialized Program Individualizing Reading Excellence (Tier 2)	Struggling readers in grades 1-5 who know the foundations of letter recognition and alphabet sounds but need help with decoding, phonemic awareness, word recognition, fluency and comprehension.	Intervention	Small Group	During School Hours	No
SPIRE: Specialized Program Individualizing Reading Excellence (Tier 3)	Struggling readers in grades 1-5 who know the foundations of letter recognition and alphabet sounds but need help with decoding, phonemic awareness, word recognition, fluency and comprehension. Students are screened with an Initial Planning Assessment (IPA) and based on their performance their level is determined. Students are assessed regularly and are moved to tiered 3 intervention after 6 weeks of little or no progress.	Intervention	One-to-One	During School Hours	No
Great Leaps Digital (Tier 3)	Struggling readers in grade 4 who are performing 2-3 levels below grade level and know their alphabetic principles but need to build their fluency (phonics and sight word phrase) and comprehension skills (stories with DOK questions). Students may not be receiving any other intervention. Slossan	Intervention	One-to-One	During School Hours	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Mandated Counseling Services (Tier 2)	Students are selected for counseling services according to their IEP.	Intervention	Small Group	During the School Day	No
Mandated Counseling Services (Tier 3)	Students are selected for counseling services according to their IEP.	Intervention	One-on-One	During the School Day	No
At Risk Counseling Services (Tier 2)	Teachers and parents/guardians may reach out to the guidance counselor and Social Worker to refer students who they feel may need social/emotional support, help with building socialization skills or may be otherwise at risk.	Sanford Harmony	Small Group/One-to-one	During the School Day	No
At Risk Counseling Services (Tier 3)	Teachers and parents/guardians may reach out to the guidance counselor and Social Worker to refer students who they feel may need social/emotional support, help with building socialization skills or may be otherwise at risk. Students are counseled in a 1:1 setting as the guidance counselor deems appropriate based on the nature of their issue and their emotional state/coping skills.	Sanford Harmony	One-on-One/Small Group	During the School Day	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Parent Workshops to discuss academic topics and school supports available are conducted across the school year. Family meetings for struggling students with our PPT to discuss MTSS Supports available for these students.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Letters at the end of each 6-8 week cycles to notify parents regarding students progress. RTI providers will attend Parent Teacher Conferences. Parent outreach provided by RTI teachers as needed.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Meetings are held with the parents by the RTI provider and administration to review progress prior to referral to the PPT Team.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

182 students

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

15% of our students in Temporary Housing are chronically absent (27 of 182 students). These students are monitored by the Attendance Committee, Social Worker, Guidance Counselor. These students receive family outreach calls as well as weekly SEL sessions.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Our school offers additional resources and supports for students who are in temporary housing (whether it be a shelter or doubling up situation). We purchase school uniforms for these children and make them a priority for all after school programs (ELA, Math, ELL Academy, RiseBoro, etc.). These students are invited to go on class trips for free and do not have to pay senior dues. Social Worker and Guidance Counselor also reach out to the parents and

guardians around the holidays so they can receive food and donations collected from our food drives. In the winter, we have a coat drive that benefits these students and we also give the students gifts as part of our Secret Santa amongst the staff.

Our parent coordinator offers workshop series specifically tailored to giving these parents and guardians information on local organizations and other resources for housing assistance. For example, there are housing insecurity workshops offered by CAMBDA, a legal agency and financial stability workshops facilitated in conjunction with RiseBoro.

We ensure that all of these students are prepared for the school year, by providing a school uniform, coats, and book bag full of school supplies. In the upcoming school year, hygiene kits will be distributed to students in the upper grades who may not have regular access to these supplies.

We will also continue to invite these students to participate in all activities organized by the Special Events committee throughout the year free of charge. The master roster list that the committee uses will note which students are in temporary housing so outreach can be made to their families to inform them that their child will be exempt from all charges and encouraging them to give signed consent to participate in activities.

Teachers are aware and are sensitive to the fact that some of their students may be living in temporary housing and refer children to the guidance counselor if they notice or become aware of any concerns or changes relating to their appearance, behavior or academic performance. Our guidance counselor meets with these students, in a small group or one on one as determined necessary. Additionally, every year these students write letters to Santa around the winter holidays to ask for anything from clothing to toys/games and anything else in between. Volunteer staff participate in this Secret Santa exchange to help lift these students' spirits.

These students are a top priority and every effort is made by the staff to promote an inclusive and safe learning environment for all students.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

N/A

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

N/A

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

N/A

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

N/A

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P.S. 86 will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association, as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator and School Social Worker/Guidance Counselor to serve as a liaison between the school and families. The Parent Coordinator and School Social Worker/Guidance Counselor will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State

accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;

- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 86, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards/SEL
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents via phone, in person and online
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences, Family Night;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent; School Communication App, Doctor's notes and hand written letter to classroom teacher
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices and phone calls received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;

- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;
- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn
  wear school uniform daily

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

Analyzing Literacy Data to Inform Instruction
Data Based Math Instruction
Culturally Responsive Teaching
Knowing Your MLL Students Well
Project Based Learning
Strategies for Working with ENL Students
Math Leads/District Lead
Illustrative Math District Representative
Acadience (K-2)

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Turning 5 meetings, Kindergarten Orientation, ELL Screening, Acadience, Sanford Harmony

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated.
For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	$452,328	X	
Title I, School Improvement 1003(a)	Federal	$49, 334	X	
Title II, Part A	Federal	$45,135	X	
Title III, Part A	Federal	$24,093	X	
Title III, Immigrant	Federal	$33,434	X	
Title IV, Part A	Federal	$6,091	X	
Tax Levy (Fair Student	Local	$3,651,209	X	

Funding)				

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Tina Moschella
Assistant Principal (Where Applicable)*	Patricia Rivera
English as a New Language (ENL) Teacher*	Jenifer Pace
Teacher (if school has a bilingual program must be a bilingual teacher)*	Monica Bojaca
Parent/Guardian*	Melissa Cartegna
Teacher	
Parent Coordinator	Rebecca Cevallos
School Counselor	Stacey-Ann Zayas-Sanchez
Related-Service Provider	Jade Nguyen
Other (Name and Title)	Jane Lai (ENL Teacher)
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

6

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

0

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

222

Total number and percentage (%) of current ELLs:

62.54

Total number and percentage (%) of former ELLs:

13 / 3.66%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

191 / 86.8%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

29 / 13.2%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 / 0.0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0 / 0.0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

49 / 22.3%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	General Education	Spanish	2015	1	1	1	1	1	1								6
DLBE																	0
DLBE																	0
				total: 1	total: 1	total: 1	total: 1	total: 1	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Students in the Standalone ENL program are grouped heterogeneously by grade level classes with mixed proficiency levels. For ENL services, Entering and Emerging students are grouped together in grades K-5. Transitioning and Expanding students are grouped together, in grades K-5. All students are serviced by 2 dually-certified ENL teachers who collaborate with the Common Branch certified teachers to co-plan best practices for co-teaching and analyzing data as per CR Part 154-2 mandates.

The organizational models are as follows:
As per CR-Part 154-2, Entering and Emerging students are entitled to a minimum of 200 minutes of ENL / ELA weekly. In our school, Emerging students receive 200 minutes of pull-out (Standalone) ENL/ELA weekly. Students receive four, 50-minute periods of Standalone ENL / ELA weekly. In our school, this breaks down to 200-minutes of pull-out ENL (Standalone) ENL/ELA. Students receive four, 50-minute periods of ENL / ELA services weekly. They are serviced by 2 dually-certified ENL teachers who collaborate with the Common Branch certified teachers to co-plan best practices for co-teaching and analyzing data as per CR Part 154-2 mandates.

Integrated ENL:

Entering and Emerging students receive 200 minutes of integrated ENL or ELA instruction. Transitioning and Expanding students receive 100 minutes of integrated ENL / ELA instruction and 100 additional minutes of ENL or Core Content Area. Students scoring at the Expanding level receive 200 minutes of integrated ENL. The integrated ENL services are provided in two ways: by two dually certified teachers using an integrated model as well as in a co-teaching partnership between the dually certified teacher and the classroom teacher. The core content areas where students receive integrated ENL instruction are, ELA and writing.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

TBE: Not applicable, this program is not currently offered at our school.

Dual Language Bilingual Education (DLBE):

Dual Language Bilingual Education (DLBE) Program: The Dual Language program (grade K-5) is self-contained with English proficient students and English Language Learners heterogeneously grouped (on different proficiency levels) learning side by side in a roller coaster language model (one day Spanish is taught all day, next day English is taught all day). All subjects follow this model except for Writing, with each unit alternating English and Spanish. ie: The entire unit is taught in one language. The ELLs in the DLBE model are serviced in accordance with CR Part 154 requirements by certified bilingual teachers.

All Entering students will receive 180 minutes of stand-alone instruction and 180 minutes of integrated instruction.
All Emerging students will receive 90 minutes of stand-alone instruction, 180 minutes of integrated instruction, and 90 minutes of stand-alone or integrated instruction.
All Transitioning students will receive 90 minutes of stand-alone instruction or 90 minutes of integrated instruction and 90 minutes of integrated instruction.
All Expanding students will receive 180 minutes of integrated instruction.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

DLBE: The Dual Language Bilingual Education program (grade K-5) is self-contained with English proficient students and English Language Learners (on different proficiency levels) learning side by side in a roller coaster language model (one day Spanish is taught all day, next day English is taught all day). All subjects follow this model except for Writing, with each unit alternating English and Spanish. ie: The entire unit is taught in one language. The ELLs in the DL model are serviced in accordance with CR Part 154 requirements.

Meetings are scheduled at the beginning of the year to review class schedules and ensure the mandated number of instructional minutes is provided to ENL students based on CR - Part 154 mandates and NYSESLAT 2024 levels. Related Service Providers (Speech, OT/PT, SETSS) meet and coordinate with the ENL teachers to plan their program in an effort to avoid scheduling conflicts.

All ELLs/MLLs are receiving ENL and DL language services according to the CR Part 154-2 mandates. All services for our ELLs/MLLs are recorded in STARS Classroom and STARS Admin under the School Programming and Push In/Pull Out programming screens. Push In schedules capture the Integrated services and Pull Out reflects Standalone services. STARS Admin and STARS Classroom are checked regularly to see if any students are being flagged as not receiving services. Additionally, the ENL teachers and administrators meet regularly to discuss any compliance flags identified in the monthly ELL Data Update Report (EDUR) and adjust teacher schedules to ensure that students are receiving Integrated and Standalone services according to the state guidelines.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

In the ENL program model, home language supports allow the students to make connections between the new language and their home language via bridging and translanguaging. The instructional minutes follow the mandated instructional time as per CR Part 154-2. ELA instruction is provided through stand-alone and integrated ENL.

In the DLBE program, HLA instructional minutes are delivered during the Reading period on Spanish days using the Spanish HMH Reading program called Arriba la Lectura. The Estrellita or Paso Su Paso program is also used for basic home language literacy. ELA instructional minutes are delivered during the Reading period on English days.

On alternating days, the instructional language of the day is English to support our ELLs and meet their mandated English service minutes. On the following day, the instructional language will be Spanish to support Home Language Arts and meet the goals of our Dual Language Bilingual Education program. The instructional language for each day is posted outside and inside the classroom so that the students are aware if it is an English day or a Spanish day of learning.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The self-contained One-Way Dual Language Bilingual Education model is implemented in grades K-5 in our school. We follow a 50/50 roller coaster model, alternating between English and Spanish every other day. All subjects follow this model except for Writing, with each unit alternating between English and Spanish (i.e., The entire unit is taught in one language).

English proficient students and ELLs are integrated 100% of the instructional day. On alternating days, the instructional language of the day is English to support our ELLs and meet their mandated English services. On the following day, the instructional language will be Spanish to support Home Language Arts and meet the goals of our Dual Language Bilingual Education program. The instructional language for each day is posted outside and inside the classroom so that the students are aware if it is an English day or a Spanish day of learning.

Our English proficient students share the same heritage language (Spanish) and are learning English and Spanish as their target languages. Students will be able to have rich experiences in both languages and they will be supported according to their needs. Scaffolding and differentiated instruction are provided depending on the students' learning needs and their different learning styles.

b. In which language(s) is each core content area taught?

Social Studies, Science, Math, and Language Arts are taught in both English and Spanish. The DLBE model is a 50/50 language model.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

The following data is based on the monthly EDUR, EDAT, and our in house ENL Tracker Spreadsheet: Newcomer ELLs: 86.8% Developing:
13.2% Long-Term: 0% SIFE: 0.0% For the 2024-2025 school year, 0 newcomer SIFEs have been identified. The Newcomer
ELLs who are in the US school system for less than one year are exempt from the NYSED ELA exam. Newcomer ELLs are students enrolled for 0-3 years in the NYC school system.
Effective services that are provided for newcomers in the general education and special education programs are the Pull-Out standalone ENL instruction; this service is explicit and targeted based on their most recent NYSITELL/NYSESLAT level and provided in small reading groups, math/reading centers, and small writing groups. Another service that is offered in the classroom to Newcomers is the intensive English language instruction during the literacy block supported by our reading and writing curriculum. During the literacy block explicit and differentiated instruction takes place.
Classroom libraries include English books as well as native language selections according to the Home Language Survey (HLIS) each year. The Estrellita program is also used for basic home language literacy. This school has a Spanish-English Dual-Language program. Students are serviced in a rollercoaster model in Kindergarten, 1st grade, 2nd grade, 3rd grade, 4th grade and 5th grade. In the Dual Language classes, students are serviced in 50% English instruction and 50% Spanish instruction, where as in the stand-alone program, parents chose ENL and these students receive 100% of their instruction in English with native language supports. The Developing ELLs have received ELL service for 4-6 years and are not exempt from the NYSED ELA exam. The following strategies are implemented for Developing ELLs in the school:
•Title III ELL After School Academy (for academic vocabulary development based in literacy)
•Using data analysis to drive instruction
• Push-In ENL instruction to support classroom curriculum with emphasis on academic vocabulary, English Language Arts, and content knowledge
• Ongoing data collection and analysis through formal/informal assessments (Into Reading HMH and Illustrative Math module assessments, iReady progress monitoring, daily/weekly conferral notes, quizzes), and Acadience assessments.
Long Term ELLs: In addition to strategies listed for developing ELLs-

•RTI/AIS intervention
• Explicit academic vocabulary instruction

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

SIFE students are given equitable access to the grade level content with various scaffold supports to allow them to actively engage in the learning process. Teachers use Culturally Responsive-Sustaining Education (CRSE) strategies to activate prior knowledge and build on their schema, as well as to motivate the students to want to learn. These students are given various visual cues (pictures, video and other media) to build background, access prior knowledge, enhance listening skills and develop academic vocabulary. Graphic organizers, sentence stems and anchor charts are used to scaffold oral language into written language. Instruction and materials are differentiated based on data analyzed during the weekly grade-level data meetings. Cognates, bilingual glossaries and native language text are also used to help newcomers understand and interact with the grade level content. For native Spanish speakers who struggle in their native language, or are non-readers, (currently in Dual Language Programs) Estrellita Spanish Phonics and Escalera programs are used for small group literacy interventions. Fundations is used in third grade to build phonemic awareness and phonics skills. Fourth and fifth grade use iReady which encompasses all five pillars of reading: phonemic awareness, phonics, fluency, vocabulary, and comprehension.

Teachers also foster a safe, inclusive and warm learning environment for all students where they feel comfortable taking risks and participating in whole/small group instructional activities. Teachers target the specific needs of the SIFE students across the content areas in small groups and in 1:1 conferring sessions. Student progress is regularly monitored and assessed with informal and formative assessments. Our classroom teachers are making cross-linguistic connections, building metalinguistic awareness, and purposefully planning for trans-languaging opportunities.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

As per our Data Dive, 0.0% of ELL students are Long-term ELLs.

Long term ELLs require a more intense, targeted instruction in small groups that is data driven. This intervention targets specific gaps that the data shows students need in order to acquire the
academic language needed to succeed in core content areas.
The Estrellita and its intervention program Escalera are also used for basic Spanish home language literacy. In addition, ongoing data collection and analysis via formal/informal assessments are used to support and group students to best support their needs. These formal and informal assessments include the HMH Into Reading end of module tests, Illustrative Math assessments, unit tests, daily/weekly conferral notes, quizzes and portfolios. Targeted instruction for each subgroup is based on student individual needs as identified from NYSESLAT/NYSITELL and iReady Math and Reading progress monitoring.

Developing ELLs:
• Title III ELL After School Academy (for academic vocabulary development based in literacy)
• ENL Integrated instruction to support classroom curriculum
• Ongoing data collection and analysis that drives instruction through formal/informal assessments (Into Reading end of module assessment, Illustrative Math assessments, End of Module published Writing, iReady progress monitoring)

Long Term ELLs:
In addition to strategies listed for Developing ELLs -
• RTI/AIS intervention
• Explicit academic vocabulary instruction • data dive into the NYSESLAT modalities integrated small-group instruction and content area.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

As per EDAT, 13 students 3.7% of the students at PS 86 are former ELLs.

In order to ensure that the various academic and linguistic needs of former English Language Learners (ELLs) are met, the New York City Public Schools (NYCPS) developed alternative pathways and methods of serving former ELLs in lieu of integrated English as a New Language (ENL) as prescribed in CR Part 154. For at least two school years following the school year in which a student has exited ELL status, the student must receive a minimum of 0.5 units of study (meaning 90 minutes per week) of integrated ENL or other services that monitor and support the student's language development and academic development. This school uses the small group pathway for servicing former ELLs as programmed in STARS. The classroom teachers are providing the services during the content instruction. These small groups are differentiated and data driven to target specific strengths and gaps to facilitate former ELLs continued ELD.

Starting in the beginning of the school year, with the assistance of our dually certified ENL teachers, the classroom teachers will analyze the modality trends within their student groupings using the NYSESLAT data. Teachers will continue through all professional learning cycles to use this data and curriculum resources, to plan instructional strategies that support the continuation of English language development.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

According to the data from Spring 2025 EDAT, 110 or 50% of our ELLs have 2 early warning at-risk indicators. 110 students or 50% are at risk indicator level 2. (That is showing an increase of 7 students, or 3.2% from 2023-2024.)

154 students, or 70% in Temporary Housing. (That is an increase of 7 students, or 3.2% from 2023-2024).

191 students, or 86.8% are New-Comers (0-3 years of ELL service).

From the Spring 2024 NYSESLAT score report, 90 students did not demonstrate sufficient ELP progress.

As the at-risk indicators increase, the number of ELLs decrease: 110, or 50% students have 2 early warning at-risk indicators. 57, or 25.9% students have 3 early warning at-risk indicators. 10, or 4.5% students have 4 early warning at-risk indicators and 10, or 4.5% students have 5 early warning at-risk indicators. It's worth noting here, that there is one student, or 0.5%, with 7 early warning at-risk indicators.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

After examining all at-risk levels of former ELLs at our school, we notice that 6 of 13 (46.2%) of our former ELLs are affected by temporary housing as an early warning at-risk indicator.

For the last school year (2023-2024), we noticed that 1 student, (7.7%) former ELLs are identified on the at-risk indicator section of the EDAT as scoring at a level 1 and 2 on the ELA New York State test.

For the last two school years (2022-2023 and 2023-2024), we noticed that 1 student, (7.7%) former ELLs are identified on the at-risk indicator section of the EDAT as scoring at a level 1 and 2 on the ELA New York State test.

For the last school year (2023-2024), we noticed that 2 students, (15.4%) former ELLs are identified on the at-risk indicator section of the EDAT as scoring at a level 1 and 2 on the Math New York State test.

For the last two school years (2022-2023 and 2023-2024), we noticed that 2 students, (15.4%) former ELLs are identified on the at-risk indicator section of the EDAT as scoring at a level 1 and 2 on the Math New York State test.

6, or 46.2% former ELLs have 0 early warning at-risk indicators.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The home languages of ELLs with the largest representation at our school is Spanish. 218 of our 222 students have identified their home language as Spanish. To support communication and learning that value these home languages, our school offers on-site translation services provided by our bilingual staff. All family communications are provided in both English and the students' home language. All parent meetings are conducted in their preferred languages as identified on the Home Language Interview Survey (HLIS) with the support of the bilingual staff or the New York City Public School Translation Unit.
Teachers offer translated information across all platforms of communication such as Google Classroom, Class Dojo and the Remind App utilizing resources such as the Office of Language Access . Announcements and all important school information is also translated in their home language. The Parent Coordinator provides support in parents' home languages to parents who struggle to complete applications and/or letters.

The classroom is student centered where the teacher provides a safe space for students to grow and learn in their native language. Anchor charts around the classroom with cognates, classroom labels that build rich vocabulary can be utilized by students. Students are offered workbooks and other resources across the content areas in their home language to support their learning in school as well as at home. In addition, teachers provide culturally responsive instruction such as mirror books that students can connect to, which encourage students to build and learn more about their culture and home language while also learning a new language.

Students are encouraged to use their home language as a bridge to English language acquisition. They can respond orally or in writing using their native language, translation tools, or resources to help them as they
transition to speakers of multiple languages. Also, teachers incorporate CR-SE (Culturally Responsive-Sustaining Education) to reflect the students' cultural background. This is done in an effort to be culturally responsive. The school communicates a clear, consistent
message to families of ELLs/MLLs that their child is learning English in addition to and not in place of their home

language.
P.S. 86 shares with our school community upon arrival that an integral part of their cultural identity is inherent in their native
language.

Quechua / Quiche: Teachers use the Office of Language Access services to communicate with the parents in their home language. Parent orientation, parent teacher conferences and other meetings are conducted with a member of the Office of Language Access.

P. S. 86K has a group of staff - Registration Committee- consisting of teachers certified in various areas, Pupil Accounting secretary, Bilingual Guidance Counselor, and the Bilingual Parent Coordinator. They are trained in culturally responsive strategies and assist with
registration and communication needs for all students including ELLs and their parents. The Parent Coordinator, the LAC (Language Access Coordinator), assures that the Office of Language Access is utilized whenever a member of the school community needs translation services in a language that our staff cannot provide.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classifications at our school show that 119 or 54.1% are American Indian or Alaskan Native, meaning a person having origins in any of the original peoples of North American or South America, including Central America. 4 or 1.8% are Black, meaning a person having origins in any of the Black racial groups of Africa. 4 or 1.8% are Multiracial, meaning a person having identified as belonging to two or more races. 4 or 1.8% are Native Hawaiian or Other Pacific Islander, meaning a person having origins in any of the original peoples of Hawaii, Guam, or other Pacific Islands. 88 or 40% are White, meaning a person having origins in any of the original people of Europe, North Africa, or the Middle East.
Teachers incorporate CR-SE (Culturally Responsive-Sustaining Education) to reflect the students' cultural background. This is done in an effort to be culturally responsive.
Planning and delivery of Culturally Responsive and Sustaining Education is provided by
creating student-centered learning environments that:
affirm racial, linguistic and cultural identities; prepare students for rigor and independent learning; develop students' abilities to connect across lines of difference; elevate historically marginalized voices; and empower students as agents of social change.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

Some trends we notice in reviewing the English Language Proficiency (ELP) growth at our school are as follows:

Of our 222 ELLs, only 124 were considered as progress-eligible students because 44 students have no NYSESLAT exam history and 59 students have a valid 2024 NYSESLAT but no previous exams so they lack sufficient data to calculate ELP progress.

7 students, or 5.6% have met progress Method 1 by exiting ELL status.
15 students, or 12.1% have met progress Method 2 by meeting annual progress target.

12 students, or 9.7% have met progress Method 3 by meeting the safe harbor cumulative growth.

A total of 34 students, or 27.4% have met overall progress.

90 students, or 72.6% have not met sufficient English Language Proficiency (ELP) progress according to the Spring 2024 NYSESLAT results.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

Looking at the results of the NYSESLAT 2024 results, the following trends can be found:

Speaking is a strength for grades 2-5.
Reading and listening is a strength in first grade.

From second grade through fifth grade students showed a continued growth in Speaking as their primary strength.

Students in grade 1 showed a need in Speaking and in Writing.
Students in grade 2 showed a highest need in Writing.
Students in grade 3 showed a need in Writing.
Students in grade 4 showed a need in Reading and in Writing
Students in grade 5 showed a need in Reading and in Writing.

Overall, the Speaking and Listening modalities seem to be the strength at P.S. 86.
Reading and Writing show the most need at P.S. 86.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

On the ELA state assessment, 1 Commanding student scored at a level 1, meaning they are below grade-level and 1 Commanding student scored at a level 3, meaning they are on grade-level ELA standards.

The Expanding students are scoring between levels 1 and 2, meaning they are below level or approaching grade-level ELA standards. All of the Emerging and Transitioning students are scoring at level 1, meaning they are below grade-level ELA standards.

On the Math state assessment, two of our Commanding students are scoring at level 2, meaning they are approaching grade-level Math standards.

More ELLs and former ELLs are scoring at level 2, 3, and 4 in Spring 2024 NYS Math assessments than in the Spring 2024 NYS ELA assessments. The majority are at the Transitioning and Expanding levels but there are a few Emerging students who are approaching grade-level on the Spring 2024 NYS Math assessment. There are 5 Emerging, 7 Transitioning, 5 Expanding, and 2 Commanding students who scored at a level 2 on the Spring 2024 NYS Math assessment.

There are 4 Transitioning and 8 Expanding students who scored at a level 3 on the Spring 2024 NYS Math assessment.

There are 1 Transitioning and 1 Expanding student who scored at a level 4 on the Spring 2024 NYS Math assessment.

Overall, students who have higher English proficiency levels on the Spring 2024 NYSESLAT showed a higher proficiency levels on the Spring 2024 NYS Math and ELA assessments.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

The trends reflected in the NYSESLAT results of ELL subgroups (ELLs with IEPs) are as follows:

0 Commanding students have an IEP.
9 Expanding students have an IEP.
14 Transitioning students have an IEP.
13 Emerging students have an IEP.
5 Entering students have an IEP.

In addition to language learning, it would be beneficial to know the number of years of service as well as the recommended special education programs and services on their IEPs. These are also students who might need targeted instruction in the area of need according to the modalities report and more targeted academic vocabulary instruction.

The trends reflected in the NYSESLAT results of ELL subgroups (SIFE) are as follows:

Currently, there are 0 SIFE students registered at our school. SIFE students are considered as newcomers with 0-3 years of service.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our curriculum is grade-level appropriate and standards-based. Teachers meet throughout the school year to analyze and adjust the unit plans to ensure the coursework meets and exceeds each standard across the content-area.

Each content-area curriculum provides standard-based assessment. Throughout the school year, teachers analyze and adjust the assessments to ensure they are rigorous and provide reliable data based on the standards.

Using the standards-based assessments for each content-area, teachers look for trends and gaps within their class and across grade levels to identify students who qualify for RTI/AIS.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

This year our school wide focus is: Engage students in authentic learning tasks that require the use of academic vocabulary and critical thinking skills to prepare students to communicate effectively and be successful in an ever-changing world.

At the grade-level, supervisors meet with the teacher teams on a weekly basis. The team uses data from grade-level data collection sheets which shows recent and on-going scores within the content areas. This team takes a closer look at what the data shows and the implications for teaching/learning/planning/instruction within the grade-level classrooms.

Additionally, the Vertical Team meets monthly to monitor cross-curriculum pacing and make adjustments for all classrooms with a focus on all sub-groups. This team takes a closer look at what the grade-level data shows and the implications for teaching/learning/planning/instruction. If adjustments are needed they are then shared to the whole staff via the minutes so that the teachers can create a plan for next steps.

The SDC (Staff Development Committee) meets monthly to discuss instruction as related to our school-wide goals.

A Staff Needs Analysis Survey is given in the spring in anticipation of planning for the next school year. Weekly Professional Development is planned utilizing the data from the Staff Needs Analysis Survey, the district-level goals and the city-wide expectations to meet the needs of all school community members.

The Instructional Cabinet is comprised of the administration. This is where data from all of the above mentioned committees is analyzed for trends. Adjustments can be made to schedules, student placement, assessments, professional development models, parent workshops or core curricula materials based on those trends.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

Dual Language:
Core content is delivered in Spanish (home language) and in English (target language). The students have grade-level reading, writing and math program materials in both languages as well as the science and social studies curriculum. The curricula we use are: HMH Into Reading for English reading instruction, Arriba for Spanish reading, Illustrative Math in English and Spanish.
Teachers also have access to the grade levels above and below for use with small instructional group work. Teachers use various scaffolded supports such as visual cues (pictures, charts, cards), videos, audio and other media. Research based practices and teacher created tools (ex. Discussion Progress) are utilized to support oral and written language development. Accountable talk stems and other tools are used to help encourage and support students of all language proficiency levels to share orally in class. Our ELLs and MLs are specifically targeted with our school-wide instructional focus: Engage students in authentic learning tasks that require the use of academic vocabulary and critical thinking skills to prepare students to communicate effectively and be successful in an ever-changing world.

Teachers foster a learning environment that is student centered, using the gradual release model (I Do, We Do, You Do) in Reading, Writing, Science and Social Studies to transfer accountability and independence to the students. The classroom mirrors the students' home language with bilingual word walls, libraries, dictionaries/glossaries and other printed materials that are available to the students for reference throughout the instructional day.

ENL:
The core content is delivered solely in the target language of English, using grade level reading, writing and math program materials. The curricula we use are: HMH Into Reading for English reading instruction, Illustrative Math, Amplify Science, Passport to Social Studies. Teachers also have access to the grade level materials above and below their grade for use with small instructional group work. These smaller groups directly target gaps in learning. Teachers use multiple strategies to help engage their ELLs. For instance, the home language is leveraged as a bridge to students understanding the content via translations, cognates, bilingual dictionaries/glossaries, authentic texts, etc. Students are also heterogeneously grouped so stronger English language speakers are paired with newcomers to offer peer support. The core content material is also available in Spanish for students to reference for independent work and at home study.
Research based practices and teacher created tools (ex. Discussion Progress) are utilized to support oral and written language development. Accountable talk stems and other tools are used to help encourage and support students of all language proficiency levels to share orally in class.
Our ELLs and MLs are specifically targeted with our school-wide instructional focus: advancing student engagement in a digital world by providing tasks that require students to use academic vocabulary and critical thinking skills for discussion and writing. This equips students with the tools they need to be successful.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

For ELLs with IEPs, core content is delivered in Spanish (home language) and in English (target language) if in a Dual Language Bilingual Education class. The students have grade level reading, writing and math program materials in both languages as well as the science and social studies curriculum. For ELLs with IEPs in Integrated Co-Teaching or self-contained Special Education classrooms, core content is delivered in English with ENL services provided as per CR Part 154 mandates.

Teachers also have access to the grade levels above and below for use with small instructional group work. These students are given various visual cues (pictures, video and other media) to build background, access prior knowledge, enhance listening skills and develop academic vocabulary. Graphic organizers, sentence stems and anchor charts are used to scaffold oral language into written language. Instruction and materials are differentiated based on data analyzed during the monthly vertical team meetings. Research based practices and teacher created tools (ex. Discussion Progress) are utilized to support oral and written language development. Accountable talk stems and other tools are used to help encourage and support students of all language proficiency levels to share orally in class. Our ELLs and MLs are specifically targeted with our school-wide instructional focus: advancing student engagement in a digital world by providing tasks that require students to use academic vocabulary and critical thinking skills for discussion and writing. This equips students with the tools they need to be successful.

All classrooms are equipped with class sets of Chromebooks, and/or tablets. For small-group center activities, students access MyOn (leveled books available in Spanish and English), iReady Math and Reading, Google Classroom for accessing assignments, daily lessons and Data from iReady, Acadience and Renaissance STARS is used to inform instructional groupings for small-group support. These technologies also allow students to use Talk-to-Text features that supports the development of their speaking and writing skills.
Each classroom has a Promethean board that allows teachers and students to interact with digital content.

b. SIFE

SIFE students are given equitable access to the grade level content with various scaffold supports to allow them to actively engage in the learning process. Teachers use Culturally Responsive-Sustaining Education (CRSE) strategies to activate prior knowledge and build on their schema, as well as to motivate the students to want to learn. These students are given various visual cues (pictures, video and other media) to build background, access prior knowledge, enhance listening skills and develop academic vocabulary. Graphic organizers, sentence stems and anchor charts are used to scaffold oral language into written language. Instruction and materials are differentiated based on data analyzed during the weekly grade-level data meetings. Cognates, bilingual glossaries and native language text are also used to help newcomers understand and interact with the grade level content. For native Spanish speakers who struggle in their native language, or are non-readers, (currently in Dual Language Bilingual Education Programs) Estrellita Spanish Phonics and Escalera programs are used for small group literacy interventions. Fundations is used in third grade to build phonemic awareness and phonics skills. Fourth and fifth grade use iReady which encompasses all five pillars of reading: phonemic awareness, phonics, fluency, vocabulary, and comprehension.

Teachers also foster a safe, inclusive and warm learning environment for all students where they feel comfortable taking risks and participating in whole/small group instructional activities. Teachers target the specific needs of the SIFE students across the content areas in small groups and in 1:1 conferring sessions. Student progress is regularly monitored and assessed with informal and formative assessments. Our classroom teachers are making cross-

linguistic connections, building metalinguistic awareness, and purposefully planning for translanguaging opportunities.

c. Newcomers

Newcomer students are grouped heterogeneously with their more English proficient peers so they are supported by their classmates. This gives them opportunities to use all their linguistic resources. These students are given various visual cues (pictures, video and other media) to build background, access prior knowledge, graphic organizers, sentence stems and anchor charts to support their oral language, listening and vocabulary development. Instruction and materials are differentiated based on data analyzed during the weekly grade-level data meetings. Total physical response (TPR), cognates and bilingual glossaries and text are also used to help newcomers understand and interact with the grade level content. For native Spanish speakers who struggle in their home language, or are non-readers, (currently in Dual Language Bilingual Education Programs) Estrellita Spanish Phonics program is used for small group literacy interventions.

Teachers use Culturally Responsive-Sustaining Education (CRSE) strategies to activate prior knowledge and build on their schema, as well as to motivate the students to want to learn. Teachers also foster a safe, inclusive and warm learning environment for all students where they feel comfortable taking risks and participating in whole/small group instruction activities. Our classroom teachers are making cross-linguistic connections, building metalinguistic awareness, and purposefully planning for translanguaging opportunities.

d. Long Term ELLs

Long term ELLs are targeted for specific small group intervention work in the classroom. Teachers monitor and assess their progress regularly and communicate with the ENL teachers and other related service providers to collaborate on strategies and other supports that could help the students' language development. Instruction and materials are differentiated based on data analyzed during the monthly vertical team meetings. Reading and language arts are a primary focus and work is done to build the foundational reading skills. These students are given various visual cues (pictures, video and other media) to build background knowledge, access prior knowledge, graphic organizers, anchor charts and accountable talk stems to support their oral language, listening and academic vocabulary and writing development. Cognates and bilingual glossaries and texts are also used to help Long Term ELLs understand and interact with the grade level content.

Teachers use Culturally Responsive-Sustaining Education (CRSE) strategies to activate prior knowledge and build on their schema, as well as to motivate the students to want to learn. Teachers also foster a safe, inclusive and warm learning environment for all students where they feel comfortable taking risks and participating in whole/small group instructional activities.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

The School Intervention Team (SIT) and the Planning and Placement Team (PPT) team meets monthly to review IEPs, evaluate placement and discuss student progress and implications for instruction. This team consists of our Principal, Assistant Principal, School Psychologist, Social Worker, Special Education Intervention Teacher, Special Education support team staff members, SETSS teacher and the guidance counselor. Classroom teachers and related

service providers are invited to attend meetings to present documentation/evidence to support student referrals.

The ENL teachers are consulted by the School Intervention Team (SIT) and the Planning and Placement Team (PPT) when ELL students are being discussed. The school meets the diverse needs of ELLs with IEPs by making sure that all students are taught with high standards and that rigor is maintained using ENL strategies. All ELLs with IEPs are serviced by ENL/Bilingual certified teachers. Teachers meet for planning and articulation during the weekly common articulation preps and monthly vertical inquiry team meetings. All ELLs with IEPs receive curricula materials aligned to CCLS/ Next Generation Standards for the grade levels. ENL strategies and methodologies are implemented to guide the instruction.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

At registration, all parents are interviewed using the home language identification survey (HLIS) to determine the predominant language used at home. Each student is interviewed using the New York State informal language interview for grades K-1 and 2-5 in both English and the home language. In addition, a school-level formal language screener is administered in English. If the child demonstrates the need for English language support, they are administered with the Spanish LAB to collect data about their home language literacy. During the initial weeks of school, the students with a home language of Spanish are assessed using Renaissance STARS in the Dual Language Bilingual Education classroom. The information is used to enhance instruction or create intervention during the Home Language Arts period.
With consistent assessments in the DLBE Program for in all content areas, teachers are able to compare the data in both Spanish and English to analyze how students are progressing in both languages. The DLBE Program has a classroom setting that includes classroom libraries that has books in both English and home language (in person and online), word walls and cognate anchor charts if applicable.

Students in the DLBE Program have Home Language Arts in their schedule. Programs such as Estrellita and Escalera in Spanish assess how our students are doing in their native language. Core content materials and bilingual glossaries are also available in Spanish for in class, independent use, and home study. Students also have the opportunity to read books in both languages in accessible bilingual libraries and the online programs, MyOn and Sora.

In the ENL program, Home Language is supported with the use of bilingual libraries, bilingual glossaries, cognates, visuals, peer support/grouping, translations, audio visuals and other translation media. Our classroom teachers are making cross-linguistic connections, building metalinguistic awareness, and purposefully planning for trans-languaging opportunities.

TBE N/A

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual

Education teacher partnerships, etc.).

Co-teaching and collaboration among teachers is supported within all ELL program models using weekly common-planning preparation periods.
Teachers review unit plans and upcoming lessons, incorporating specific instructional strategies that support all learners.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The school-based social worker and the SAPIS Counselor create and implement SEL activities for the students. The school-based Wellness Committee meets monthly to create activities for the school community to meet their academic and social-emotional needs. At PS 86 the goal of this program is to help us identify practical methods for reducing relational conflicts in the classroom and other learning environments while building students' confidence, relationship, and academic success.

We begin the school year with a deep dive into the previous year's NYSESLAT data to determine / analyze the strengths and the needs of improvement for MLs and ELLs. Our PD plan is designed by the Staff Development Committee with a focus to address the wide range of needs of instructional strategies and language acquisition supports for ML/ELL students.

The academic professional development theme is engaging all MLs and ELLs in rigorous instruction and discussion. Each PD cycle is six weeks and allows for action-research. The topics include using the data modality analysis to drive small group instruction and strategies to use for the acquisition for the academic vocabulary.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

A professional development plan is mapped out for all subgroups of teachers by the School Development Committee (SDC), with the following considerations: district initiatives, staff needs, student data, curriculum consultants, and assessments. The plan facilitates teacher needs, interests and mandates. Additionally, there are weekly PDs facilitated by school staff along with monthly workshops offered by the DML, M/ESA, and the District ELL Compliance and Performance Specialist that meet many professional learning goals.
A minimum of fifteen percent (15%) of the 100 required professional development hours for all teachers who hold a professional license prescribed by CR Part 80 will be dedicated to language acquisition, including a focus on best practices for co-teaching strategies and integrating language and content instruction for English language learners.
For all bilingual and English as a New Language teachers who hold a professional license, a minimum of fifty percent (50%) of the required professional development hours will be dedicated to language acquisition in alignment with core content area instruction, including a focus on best practices for coteaching strategies and integrating language and content instruction for English language learners.

Some topics include:
- Understanding Multilingual Learners
- Getting to know our ELLs / MLs
- Planning with ELLs and MLs in Mind
- Using Strategies that Promote Language Learning
- Strategies for Promoting Discussion for All Learners
- NYSESLAT Data Dive
- Supporting Biliteracy Programs with Assessment, Instruction, and Data for Student Success
- Scarborough's Rope: Literacy Knowledge
- Elicit vs Build Background Knowledge
- Strategies to Enhance Reading Skills in Grades 4-12 Interventions,
Rumors Routine
- Syntax & Syntactic Awareness, Semantics & Semantic Awareness, Pragmatics & Pragmatic Awareness
- Cross-Linguistic Awareness, and Activities that Support Translanguaging

Additionally, Dual Language Bilingual Education teachers attend the on-going PD offered by the District M/ESA, UFT and NYCPS ENL service providers attend the monthly ML/ELL Instructional Taskforce offered by the District M/ESA.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Screening assessments that are being used to guide instructional planning for all students are: iReady Math and Reading, Acadience (K-2), and Pre-Reading Probes (optional). The screeners also guide our small group intervention since we are able to identify students who are 'at risk'.

We use the STARS Renaissance assessment alongside the home language identification process to determine Native Language strengths and gaps for our students. On-going monitoring of the child's home language growth is assessed in Dual Language Bilingual Education classrooms with units in alternating languages.

Teachers have monthly vertical team meetings where data is analyzed to identify trends and plan for future instruction.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Focus Group for Targeted Intervention (K-5/ All targeted students, including ELLs, English)
ELA and Math Academy (3-5 / All students, including ELLS, English)
ELL Afterschool Program (Entering, Emerging, Transitioning and Expanding level students, 1-5/English)
Learning Centers using HMH materials - gaps in vocabulary, comprehension, phonics, independent reading strategies (K - 5/ All students, including ELLs, English and Spanish)
i-Ready (Teacher assigned lessons based on instructional groupings and based on diagnostic results in Reading and Math)(K - 5/ All students, including ELLs, English)
- S.P.I.R.E (Specialized Program, Individualizing Reading Excellence) (3-5/ ELLs receiving intervention, English)

Additionally, the Vertical Team meets monthly to monitor cross-curriculum pacing and make adjustments for all classrooms with a focus on all sub-groups. The team analyzes grade-level data looking at implications for teaching/learning/planning/instruction.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and

MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS) in the following ways:

Step 1: Universally Screen
Students are periodically screened using the following tools:
- iReady (ELA, Math)
- Acadience
- Pre-Reading Probe (optional)
- STARS Renaissance

The results of these assessments are discussed at our monthly vertical meetings as well as within admin and RTI/AIS service providers. Based on the analysis of the data, instruction is altered to meet the needs of the students who may fall into Tier I, Tier II or Tier III intervention. Teachers discuss if instruction is targeted to, and scaffolded appropriately for the students' level of English proficiency and learning needs. The students' cultural and linguistic backgrounds are taken into consideration when planning instruction to support language development, content learning, and knowledge building.

Step 2: Identify and Analyze the Strengths and Needs

Now that the data has been analyzed, classroom teachers identify the specific skills these Tier I students need to work on to meet grade-level benchmarks. Support staff and admin identify the specific skills Tier II and Tier III students need to work on to close the gaps. Teacher teams must compare, to the best of their ability, an ML/ELL to other MLs/ELLs with similar language proficiency; exposure to English (i.e., number of years) at the same age; experiential background (i.e., time in the United States); language of service (ENL or bilingual education); and culture so that they are taking the students' cultural and linguistic profiles into consideration.

Step 3: Plan and Implement Supports

All staff focus on asking themselves: "What do I need to specifically do within my instruction to support these students?"

Step 4: Monitor Progress and Evaluate Outcomes

This step emphasizes the importance of looking at assessments and data with a focus on the practice of test-teach-retest. This method allows teachers to focus on how a student genuinely responds to intervention. The important questions to ask here are:
- Is what we are doing working?
- What next steps should we take to support this group of students?
- Is the student in need of more intensive instruction?
- Can the student return to a lower tier?
- Is a referral for special education warranted (with enough evidence)?

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

The formative assessments that we use to inform and drive instruction are:
-Questioning/discussions and checklists (English and Spanish),
-End of lesson summaries, surveys and assessments (including exit tickets)
-End of unit tests in math (Illustrative Math/ English and Spanish)
-End of module assessments in Reading and Writing (Into Reading and Into Writing Program/English and Spanish).
- iReady and Acadience

These assessments are administered more frequently so that data analysis is ongoing, and instructional adjustments can be immediately implemented. One teacher on each grade-level meet monthly with the Vertical team to analyze data and discuss effective future instruction based on the needs throughout the school year. Small groups can be created by classroom teachers for enrichment or reteach opportunities.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ML/ ELL students in the DLBE program are evaluated in Spanish and English throughout the year. Home language proficiency assessment is captured initially using the NYS home language interview and the school created informal language assessment, and the SLAB (Spanish Language Assessment Battery) during the admission process for all students. STARS Renaissance assesses their native language proficiency.

Illustrative Math is available in both English and Spanish. Math and Reading unit/ module assessments are alternated between languages. Estrellita assesses Spanish phonemic awareness in the lower grades and beginning levels of Spanish acquisition. Into Writing is taught in English and Spanish so the students are assessed in Spanish at the end of alternating units. Teachers' ongoing daily observations and conferring notes are also tools used in evaluating home language proficiency throughout the year.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

The summative assessments that we use to evaluate the effectiveness of ELL programs are NYSESLAT, ELA state assessments, and Math state assessments. These assessments highlight potential areas of strengths and need, and provide information on student achievement levels across modalities and language proficiency levels. Annual English Language Proficiency progress target is determined by student performance on NYSESLAT and it is utilized to collect information and evaluate our instructional and curricular decisions. Examination schedules, assessments, instructional planning and groupings can then be appropriately scheduled to improve student outcomes and achievement. NYSESLAT results provide important data about student progress across the four language modalities and also growth within or across language proficiency levels.

With the analysis of the data in NYSESLAT 2024, the following trends were noted:

Speaking is a strength for grades 2-5.
Reading and listening is a strength in first grade.

From second grade through fifth grade students showed a continued growth in Speaking as their primary strength.

Students in grade 1 showed a need in Speaking and in Writing.
Students in grade 2 showed a highest need in Writing.
Students in grade 3 showed a need in Writing.
Students in grade 4 showed a need in Reading and in Writing
Students in grade 5 showed a need in Reading and in Writing.

Overall, the Speaking and Listening modalities seem to be the strength at P.S. 86.
Reading and Writing show the most need at P.S. 86.

Based on the identified trends, grade-level teachers meet to plan for interventions based on their students' strengths and areas of need.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

All teachers with ENL and/or Bilingual certification are trained in the administration and scoring of NYSESLAT. The testing schedule is planned around the core content instruction. Additionally, the ENL services are scheduled for earlier or later in the day so that students do not miss their mandated services. Substitute teachers are hired during the NYSESLAT testing period to ensure that instruction is continuous throughout this very extended testing period.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

N/A

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Upon registration, parents and students are interviewed by our registration team, which consists of trained, licensed teachers, using the HLIS (Home Language Identification Survey), to identify their home language and their preferred language for written and oral communication from the school. The students are then given an informal and a formal interview to determine their eligibility for NYSITELL.
The orientations are scheduled according to the parents' availability and are conducted in-person at our school by the ENL teachers along with the bilingual social workers. The orientations are completed within the mandated ten school days for general education students and twenty school days for students with IEP. The same team facilitates the orientations throughout the year. Agenda and sign-in sheets are kept in the ENL compliance binder which is kept in the ENL office.
Our school has an interpretation team which is made of members or staff who speak a language other than English. In the event that there is a low-incident language, the NYCPS Interpretation Unit is called.

Once NYSITELL testing determines entitlement for services, those
parents are invited to an orientation where the ELL program options are discussed and parents choose among the options of ENL (English as a New Language), DLBE (Dual Language Bilingual Education), and the TBE (Transitional Bilingual Education). All of the programs are thoroughly explained to the parents using the New York State orientation video in their native language. During the orientation, parents are also informed about the Next Generation Learning Standards, assessments, and school expectations for English Language Learners. Parents are

made aware of their options to transfer to other New York City Public School districts with the program of their choice if the program is not offered at our school.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Starting in November, and throughout the school year, Annual Individual Meetings are scheduled and conducted in person and/or virtually depending on the parents' availability and choice. As aligned with CR Part 154-2, Annual Individual Meetings (above and beyond the regularly scheduled parent-teacher conferences) are held to discuss students' progress towards language proficiency, goals of the specific program they chose for their child, language proficiency assessment results, and language development needs in all content areas. Parent concerns and/or questions are answered during this meeting. Agendas and sign-in sheets are kept in the ENL office. This meeting is facilitated by the service provider and an interpreter, if necessary.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

To ensure families receive all school communications and documents in the language they best understand, the information is given in both English and the parents' preferred language. This preferred language is collected from the initial registration process using the Home Language Identification Survey (HLIS) and the RAPL Report in ATS. All information will be shared with families via school-wide communication app (Remind), class/teacher communication apps (Remind App, Class Dojo), phone blasts, and Google Classroom in English and the parents' preferred language. Families are able to respond or initiate communications through the apps as well as in-person and over the phone with bilingual staff. The bilingual parent coordinator is available to respond or assist parents.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Many cultural activities are offered with the goal of getting more parents involved in the school community. In September, the parent coordinator gives a survey at the first Parent Association Meeting where she collects individual needs and interest topics for year-long workshops. There is a monthly newsletter, created by the bilingual parent coordinator. This helps to keep parents informed about the many activities and trips that are happening at school. The monthly PA meetings are kept one morning and one afternoon and attended by staff.
There are also workshop series offered by the parent coordinator in partnership with various community organizations.
Additionally, there are weekly series workshops facilitated by the guidance counselor, social worker, teachers, and the parent coordinator, offered by various community based organizations that address topics like housing, healthcare, parenting, navigating the technology needed for online learning, immigration, educational and personal care, and mental health concerns.
P.S. 86 is committed to fostering culturally and linguistically responsive partnerships that cater to the diverse needs of the school community. It is recognized that a significant portion of our population comprises immigrant families, and P.S. 86 strives to provide them with the necessary support and resources in their preferred languages during bi-monthly family workshops.

Here are some of the partnerships that have been established and have presented to our families:
- Advocates for Children of New York: Advocates for Children of New York provides educational rights support for immigrant families. This partnership ensures that all students, regardless of their immigration status, have access to quality education and receive the necessary support and accommodations.
- NYPCC (New York Psychotherapy and Counseling Center): NYPCC provides wellness programs and promotes community and family bonding. Through their expertise in mental health services, they offer valuable support to parents and help create a nurturing environment for our school community.
- NYC Kids Rise: This partnership with NYC Kids Rise focuses on educating parents about saving for college. This collaboration empowers families to plan for their children's future and provides valuable information about available resources and financial aid opportunities.
- FDNY (New York City Fire Department): The FDNY conducts fire safety workshops. These workshops help educate parents and children about fire prevention, emergency preparedness, and home safety practices to ensure the well-being of our school community.

- Department of Traffic: The collaboration with the Department of Traffic aims to provide safety education to parents and students. This partnership promotes safe transportation practices and raises awareness about traffic rules and safety. Free Booster Chairs were provided to all families in attendance to promote safe transportation practices.
- NY Immigration Coalition: NY Immigration Coalition empowers immigrant parents by educating them about their rights. This collaboration equips parents with knowledge and resources to navigate legal processes and advocate for their families effectively.

By establishing these culturally and linguistically responsive partnerships, P.S. 86 aims to create an inclusive and supportive educational environment that meets the diverse needs of the school community.

The Dual Language Bilingual Education classes host a monthly cultural festival where parents get to experience foods, stories and other cultural experiences along with students and staff.
Family Night and Curriculum Night are also hosted by the school to provide engaging activities for students and their parents, as well as providing an outline of classroom expectations and routines and grade-level academic content for the year.
It is our belief that if the home and school work together, student achievement can improve. An invitation will be sent in the home
language to the parents of all students in grades K-5 to participate in the 2025-2026 workshops. Translations will be provided via the Office of Language Access for low incidence languages. Additionally, we also use our translation team at school which is made up of staff members. All meeting information will be shared with families via school-wide communication app (Remind), class/teacher communication apps (Remind App, Class Dojo), phone blasts and Google Classroom in English and the parents' preferred language.

Records such as agendas, sign in sheets and handouts will be maintained in the parent coordinator's office. Additionally, the monthly school newsletter, published in both English and Spanish, will include information about the various workshops offered. Workshops alternate between morning and evening sessions. They are facilitated by the parent coordinator, the school social worker and various community based organizations. Parents will be taught how to explore community resources and access these resources.

These parent sessions occur weekly: Helping parents to open and access NYC Schools account, Building Bonds Between Schools and Families. We will also involve parents in the SEL activities created and presented by the DOE assigned social worker. The first series of workshops for parents begin in October with Strategies to Help Students Practice Self-Confidence, Fostering Growth Mindset in Kids, and Holiday Blues.

The goal here is to help parents see the connection between the school, the community, and students' learning/achievement. These community-based resources are free to all.
Meetings will be conducted in English but translations will be available in Spanish, Arabic and Bengali. Spanish and Arabic translations will be provided by staff.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

P.S.86 ensures families of MLs/ELLs are aware and informed of family leadership opportunities through the Remind app, PA meetings, the parents' bulletin board. Additionally, when a parent representative attends district-based parent workshops, the agendas, notes, flyers are copied and distributed to parents.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

To support the needs of our school community, the following culturally and linguistically responsive partnerships are available to our school community:

Advocates for Children of New York: Advocates for Children of New York provides educational rights support for immigrant families. This partnership ensures that all students, regardless of their immigration status, have access to quality education and receive the necessary support and accommodations.

NY Immigration Coalition: NY Immigration Coalition empowers immigrant parents by educating them about their rights. This collaboration equips parents with knowledge and resources to navigate legal processes and advocate for their families effectively.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

N/A

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

The identification/registration team includes staff with different roles and titles. There are four certified teachers, and the bilingual guidance counselor who are interpreters.

4 ENL- certified teachers
1 bilingual RTI teacher
1 retired ENL - certified teacher

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

The pupil accounting secretary is the first stop for parents, this is where Step 1, determining the students' enrollment status occurs. This is where new enrollment or prior enrollment is determined. For new enrollment, the PAS (Pupil Accounting Secretary) informs the registration team of a new enrollment using the registration team schedule. This is where Step 2 begins: One of the trained teachers on the registration team will conduct the parent interview for the HLIS, requesting translation / interpretation services if necessary. The student's informal and formal interviews are administered by the same staff. The designation of language code is then decided upon viewing the documents and updated in the student BIOU screen in ATS by the certified ENL teachers on the team. For Step 3, if a student is deemed eligible to be tested with NYSITELL, then a certified teacher administers the test. Within 10 school days of ELL determination, parents and guardians are informed of the results of the NYSITELL, ELL status, and their rights to review the determination. NYCDOE standard parent notification letters in the parents' preferred language are sent home in students' backpacks. Parents either receive the entitlement letter or the non-entitlement letter after the NYSITELL. If the student is entitled to English as a New Language services, then a bilingual certified teacher administers the Spanish LAB, (if that is the language necessary). After the LAB is administered, schools have 30 days after initial enrollment to determine SIFE status in order to complete Step 6. Step 7 includes mandated Parent

orientation in the parents' and guardian's preferred language and program placement. Parents and guardians are informed of the three instructional models available in New York City regardless of whether the preferred model is currently offered in the school. Once the students' programs are determined based on the previous steps, schools send parent/guardian a placement in the parents' preferred language indicating the program in which their child has been placed. Copies of all mandated documentation are kept in the students' cumulative folder as well as the ENL compliance binder. In addition to the placement letter, programming all ELLs for the minimum amount of minutes as required by CR Part 154-2, will be entered into STARS Admin. The ENL Teachers complete ELPC and BNDC in ATS with updated information about screening and placement, etc. within the 10 days for ELPC and 30 days for BNDC. Students can then be programmed for mandated services accordingly. This intake/registration process happens year-round and it follows the 8 +2 mandated steps of the ELL Identification process from the Policy and Reference Guide for ML/ELL.

Students with IEPs follow the same identification process except they are further screened by the Language Proficiency Team (LPT) to determine whether their needs are language-based, disability-based, or both as part of Step 3.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Rebecca	Cevallos	Parent Coordinator - Annual		Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	1	0.22%	2	0.44%	1	1
ENGLISH	66	14.69%	69	15.1%	14	14
QUECHUA	4	0.86%	3	0.66%	0	0
SPANISH	390	84.23%	383	83.81%	13	13

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Parent Flyers	Parent flyers are sent to the written translation team the month prior to being disseminated to be translated into parents' preferred language. Once completed, they are given to the school aides to copy and distribute to the students.
IEP	Finalized IEPs are translated via a Google Form request to the Office of Language Access that takes 6-8 weeks. It is then automatically uploaded to SESIS once it is translated. Parents are provided a copy of the translated version in their preferred language.
Monthly Newsletters	Monthly Newsletters are sent to the written translation team the month prior to being disseminated to be translated into parents' preferred language. Once completed, they are given to the school aides to copy and distribute to the students.
School Calendars	School Calendars are sent to the written translation team the month prior to being disseminated to be translated into parents' preferred language. Once completed, they are given to the school aides to copy and distribute to the students.
Parent Notification Letters	Parent notification letters are sent to the written translation team as needed to be translated into parents' preferred language. Once completed, copies are made and given to individual students.
School-Wide Phone Messages	The Remind App platform has a two-way translation feature. The messages can be automatically translated into 90 languages. Parents can select their home language for messaging on Remind.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Teacher Conferences	School-based oral interpreters are assigned to the staff members who require interpretation services. Interpreters are rotated as needed and are paid per-session for after workday hours.
Mandated CR Part154 Parent Meetings	School-based interpreters are assigned to the staff members who require interpretation services for mandated parent meetings. Interpreters are rotated as needed.
Parent Workshops	The parent coordinator, the bilingual social worker, or the bilingual guidance counselor provide interpretation services during these workshops.
SLT	A school-based interpreter attends all School Leadership Team meetings and provides ongoing interpretation throughout the meeting for all members.
Parent Engagement	School-based oral interpreters are assigned to the staff members who require interpretation services. Interpreters are rotated as needed.
Parent Association Meeting	A school-based interpreter attends all Parent Association meetings and provides on-going interpretation throughout the meeting for all members.
Parent Orientation	School-based interpreters are assigned to the staff members who require interpretation services for mandated parent orientation. Interpreters are rotated as needed.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Our school-based translation / interpretation team connects with the parents who prefer to speak a language other than English. In addition, our parent coordinator utilizes telephone communication as well as the Remind App to notify the parents of any school-wide emergencies.

Depending on the student-specific emergency, the attendance team, our school bilingual guidance counselor, and

the bilingual social worker will contact the parents in their preferred language. In the event of a specific student emergency, and we do not have a staff member who speaks the parents' preferred language, the Office of Language Access will be contacted. For parents who need sign language, we contact the Office of Sign Language Interpreting Services, who will provide support in English, American Sign Language.

Should a parent have an emergency and need to contact the school, they are advised, during orientation and registration to contact our school's Language Access Coordinator. The parents can also contact the school and the main office and they will be directed to an interpreter. Parents also have the option to contact the Office of Language Access or visit schools.nyc.gov/ for additional language access support. For parents who need sign language, we contact the Office of Sign Language Interpreting Services, who will provide support in English, American Sign Language. Should the parents choose to visit the school, the bilingual safety agent will direct them to the appropriate interpreter, depending on the emergency.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

During Chancellor's Conference Days in September, time is set aside for the LAC to inform staff members about the school-based translation teams, the Translation Unit, and the procedures available as per Chancellor's Regulation A663 for ensuring that Limited English Speaking parents are provided with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. At this time, they are given the phone numbers to the translation unit and the current members of the school-based translation team should they need their assistance during the school day.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

During the first Parent Association meeting of the school year, the parent coordinator will share Chancellor's Regulation A-663 that informs the parents of their right to receive information in their preferred language. The translated signage is displayed around the school and it informs the parents of their rights to receive information in their preferred language. It also provides the phone numbers to the Translation and Interpretation Services. During the first week of school, classroom teachers will use messaging apps like ClassDojo or the Remind App that will translate messages into parents' preferred language. Additionally, during the month of September, various events are held where school staffs share how parents can access translation / interpretation services in their preferred language.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

During the first week of school in September, the Language Access Parent Survey offered by the Office of Language Access is
distributed to parents in their preferred language via Google Forms or a paper copy as needed. The Language Access Coordinator will review the survey results highlighting the trends. In addition, for incoming students, the Home Language Survey (HLIS) and the Parent Choice meeting (if applicable) will be used to inform staff regarding the language assistance services they wish to receive in their preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

In order to improve our language assistance services, our school has added a parents' preferred language survey to gather language preferences for parents and guardians for each upcoming school year. Prior to each school-based community event, a flyer is sent home encouraging families to reach out to update, if needed, any language preferences so that they feel included in the upcoming event.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

108

Grades to be served in this program. Select all that apply.

,5,4,3,2,1

Total number of teachers in this program:

9

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

7

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

4

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

Our school will be offering four programs utilizing Title III funding: The ENL Academy Program (TR) and The ENL Academy Program (EX), the Letters Club Program and the SEL in Soccer Program.

The rationale for offering the ENL Academy Program (TR and EX) is that small group instruction will help to strengthen targeted areas as seen in the analysis of the ongoing data collected by teachers, Spring 2025 NYSESLAT, EDAT, the 2025 ELA and on-going i-Ready data. The main goal is academic language development. The school wide focus for the 2025-26 school year is: Advancing student engagement in a digital world by providing tasks that require students to use academic vocabulary and critical thinking skills for discussion and writing in a blended environment in order to prepare students with the tools they need to be successful. Based on the last state assessment data and teachers' formative data from the 2025-26 school year, a large percentage of our ELLs struggle with reading and writing. We want to enrich their reading and writing by tapping into prior knowledge while increasing their ability to analyze and comprehend academic vocabulary in context.

All Expanding ELLs in Grades 1-5 are invited to attend the ENL Academy Program (EX). The program will be offered to a total of 61 students in grades 1-5. The students will be divided into 5 small groups by grade levels. The Title III program will service 13 first graders, 13 second graders, 15 third graders, 7 fourth graders, and 13 fifth graders. This program will be held on Wednesdays from 2:20 - 4:00 pm for 7 weeks and will be taught by 5 ESL/Bilingual certified teachers. We would like to decrease the number of students who are scoring at Expanding level for multiple years without achieving proficiency. With this in mind, instruction will target academic language growth focusing on nonfiction and academic vocabulary.

The ENL Academy Program (EX) will be held on 7 Wednesdays, with the tentative dates being February 18, 2026-April 22, 2026. The language of instruction will be English with scaffolds and interventions in Spanish as needed. Home language supports will be provided in the following ways: Encourage the use of Bilingual dictionaries/glossaries, offering translations and summaries in home language, modeling the use of trans-language techniques and scaffolding with cognates.

All Transitioning ELLs in Grades 1-5 are invited to attend the ENL Academy Program (TR). The program will be offered to a total of 49 students in grades 1-5. The students will be divided into 5 small groups by grade levels. The Title III program will service 8 first graders, 8 second graders, 14 third graders, 12 fourth graders, and 7 fifth graders. This program will be held on Wednesdays from 2:20 - 4:00 pm for 11 weeks and will be taught by 5 ESL/Bilingual certified teachers. We would like to decrease the number of students who are scoring at Expanding level for multiple years without achieving proficiency. With this in mind, instruction will target academic language growth focusing on nonfiction and academic vocabulary.

The ENL Academy Program (TR) will be held on Wednesdays, with the tentative dates being November 26, 2025 - February 11, 2026 from 2:20 - 4:00 pm for 10 weeks, exclusive of Thanksgiving Recess and Winter Break. The language of instruction will be English with scaffolds and interventions in Spanish as needed. Home language supports will be provided in the following ways: Encourage the use of Bilingual dictionaries/glossaries, offering translations and summaries in home language, modeling the use of trans-language techniques and scaffolding with

cognates.

The materials for ENL Academy Program (TR and EX)) are supplemental and are not used during daily instruction. Materials are at cost to Title III but no more than 20% of the Title III LEP funding. Materials will be kept with the Title III teachers in their classrooms. The materials to be used will be Measuring Up Getting Ready for NYSESLAT published by Perfection Learning. NYSESLAT shifts are Common Core Aligned and are based on the New Language Arts Progressions of the Bilingual Common Core Initiative. With this in mind, Measuring Up Getting Ready for NYSESLAT by Perfection Learning includes questions on broad-based themes which are global in focus and questions that integrate the modalities of listening, reading and writing. The speaking section contains items with grade-appropriate content that require a greater use of academic language. Success of this Academy will be measured in multiple ways:
1. Data Analysis and the ELL Data Analysis Tool (EDAT)
2. Teacher ongoing observations and formative assessments
3. Students' results on NYSESLAT from Spring 2025
The supervisor of this program will not be at cost to the Title III LEP funds.

The rationale for offering the Letters Club Program is that small group instruction will help to prepare and strengthen targeted areas as seen in the analysis of the ongoing data collected by teachers: student interview at in-take, NYSITELL, LAB-R, the Spring 2025 NYSESLAT, EDAT, the 2025 ELA, on-going Acadience and i-Ready data. The main goal is beginning language development with a focus on academic vocabulary. The school wide focus for the 2025-26 school year is: Advancing student engagement in a digital world by providing tasks that require students to use academic vocabulary and critical thinking skills for discussion and writing in a blended environment in order to prepare students with the tools they need to be successful. Based on the data above and teachers' formative data from the 2025-26 school year, a large percentage of our ELLs at this level struggle with listening, speaking, and early reading and writing foundations. We want to build upon these modalities by tapping into prior knowledge while increasing their ability to apply the foundational skills acquired in the Lunchbox Program to their daily learning.

The Letters Club Program (Grades K-1, EN/EM) will be held on Tuesdays, with the tentative dates being November 18, 2025 - December 23, 2025 from 2:20 - 3:45, exclusive of Thanksgiving Recess. The Title III program will service 33 Kindergarten students and 17 first graders. This program will be be taught by 4 ESL/Bilingual certified teachers. We would like to increase the number of students who score out of Entering / Emerging level on the NYSESLAT. With this in mind, instruction will target academic language growth focusing on phonemic awareness and phonics. The language of instruction will be English with scaffolds and interventions in Spanish as needed. Home language supports will be provided in the following ways: Encourage the use of bilingual songs, offering translations in home language, modeling the use of trans-language techniques and scaffolding with cognates. The materials are supplemental and are not used during daily instruction. The materials to be used will be Spire, UFLI, or HMH supplementary materials.

The materials for Letters Club Program (Grades K-1, EN/EM) are supplemental and are not used during daily instruction. Materials are not at cost to Title III. Materials will be kept with the Title III teachers in their classrooms or within TeachHub and Google Drive. NYSESLAT shifts are Common Core Aligned and are based on the New Language Arts Progressions of the Bilingual Common Core Initiative. With this in mind, each session will include language based activities that will support and build upon all four modalities with grade appropriate content that will develop a bridge of language comprehension and word recognition.

Success of the Letters Club Program (Grades K-1, EN/EM) will be measured in multiple ways:
1. Acadience and iReady Data (BOY, MOY)
2. Teacher ongoing observations and formative assessments
3. Students' results on NYSESLAT from Spring 2026
The supervisor of this program will not be at cost to the Title III LEP funds.

The rationale for SEL in Soccer is based on the Early Warnings for ELLs (at-risk indicators) on the Spring 2025 EDAT.

This data showed that 86.8 % of our population are newcomers, and 70 % of our population are ELLs living in temporary housing. This supports the rationale that our newcomer ELL students would benefit from social-emotional learning bridged with cultural aspects of soccer to support their transition to New York City. The program will be offered to a total of 50 newcomer students at Entering and Emerging levels of English Language Proficiency in grades 3-5. The students will be divided into 2 groups of 20-25 students by grade level bands (Ex: 3-4, 4-5). This program will begin on March 19, 2026 and be held on ten Thursdays from 2:20 - 4:00 pm and ending on June 18, 2026, exclusive of Spring Vacation and Parent Teacher Conferences. There will be 4 teachers in total, each group will be taught by 1 Common Branch teacher and 1 ENL / Bilingual Certified teacher. With this in mind, SEL instruction will target: Self awareness, self management, responsible decision making, relationship skills, and social awareness. We want to build community based on the students' cultural similarities, immigration experiences, and interests by tapping into and building upon students' prior knowledge while increasing their ability to empathize and understand social-emotional topics. The language of instruction will be English with scaffolds and interventions in Spanish as needed. Home language supports will be provided in the following ways: Encourage the use of Bilingual dictionaries/glossaries, offering translations and summaries in home language, modeling the use of trans-language techniques and scaffolding with cognates. The SEL in Soccer Program materials, soccer equipment, will be provided by contract with Soccer Kids NYC. That company will provide services and materials at cost to Title III. Materials and services are at cost to Title III but no more than 20% of the Title III LEP funding.
Purchase materials will be distributed to students and will only be used during the supplemental program, and not during the instructional day.

The SEL in Soccer Program breakdown is as follows:
2:20 - 3:00 PM - Snack and SEL Instruction with language support
3:00- 4:00 PM - Soccer drills and scrimmage with language support and utilizing the SEL topic of the week / review previous week's SEL topic
It will be supervised by a school-based administrator, at no-cost to Title III funds.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

The rationale for offering the ENL Academy Program (TR and EX) is that small group instruction will help to strengthen targeted areas as seen in the analysis of the ongoing data collected by teachers, Spring 2025 NYSESLAT, EDAT, the 2025 ELA and on-going i-Ready data. The main goal is academic language development. The school wide focus for the 2025-26 school year is: Advancing student engagement in a digital world by providing tasks that require students to use academic vocabulary and critical thinking skills for discussion and writing in a blended environment in order to prepare students with the tools they need to be successful. Based on the last state assessment data and teachers' formative data from the 2025-26 school year, a large percentage of our ELLs struggle with reading and writing. We want to enrich their reading and writing by tapping into prior knowledge while increasing their ability to analyze and comprehend academic vocabulary in context.

The rationale for offering the Letters Club Program is that small group instruction will help to prepare and strengthen targeted areas as seen in the analysis of the ongoing data collected by teachers: student interview at in-take, NYSITELL, LAB-R, the Spring 2025 NYSESLAT, EDAT, the 2025 ELA, on-going Acadience and i-Ready data. The main goal is beginning language development with a focus on academic vocabulary. The school wide focus for the 2025-26 school year is: Advancing student engagement in a digital world by providing tasks that require students to use academic vocabulary and critical thinking skills for discussion and writing in a blended environment in order to

prepare students with the tools they need to be successful. Based on the data above and teachers' formative data from the 2025-26 school year, a large percentage of our ELLs at this level struggle with listening, speaking, and early reading and writing foundations. We want to build upon these modalities by tapping into prior knowledge while increasing their ability to apply the foundational skills acquired in the Lunchbox Program to their daily learning.

The rationale for SEL in Soccer is based on the Early Warnings for ELLs (at-risk indicators) on the Spring 2025 EDAT. This data showed that 86.8 % of our population are newcomers, and 70 % of our population are ELLs living in temporary housing. This supports the rationale that our newcomer ELL students would benefit from social-emotional learning bridged with cultural aspects of soccer to support their transition to New York City. The program will be offered to a total of 50 newcomer students at Entering and Emerging levels of English Language Proficiency in grades 3-5. The students will be divided into 2 groups of 20-23 students by grade level bands (Ex: 3-4, 4-5). This program will begin on March 19, 2026 and be held on ten Thursdays from 2:20 - 4:00 pm and ending on June 11, 2026, exclusive of Spring Vacation and Parent Teacher Conferences.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

All Expanding ELLs in Grades 1-5 are invited to attend the ENL Academy Program (EX). The program will be offered to a total of 61 students in grades 1-5. The students will be divided into 5 small groups by grade levels. The Title III program will service 13 first graders, 13 second graders, 15 third graders, 7 fourth graders, and 13 fifth graders.

All Transitioning ELLs in Grades 1-5 are invited to attend the ENL Academy Program (TR). The program will be offered to a total of 50 students in grades 1-5.

All Entering and Emerging ELLs in Grades K-1 are invited to attend the Letters Club Program. The program will be offered to a total of 50 students in grades K-1.

The SEL in Soccer program will be offered to a total of 50 newcomer students at Entering and Emerging levels of English Language Proficiency in grades 3-5. The students will be divided into 2 groups of 20-25 students by grade level bands (Ex: 3-4, 4-5).

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The ENL Academy Program (EX) will be held on Wednesdays, with the tentative dates being February 25, 2025-April 29, 2026 from 2:20 - 4:00 pm for 7 weeks, exclusive of Spring Vacation and Parent Teacher Conferences.

The ENL Academy Program (TR) will be held on Wednesdays with the tentative dates being December 3, 2025 - February 11, 2026 from 2:20 - 4:00 pm for 10 weeks, exclusive of Thanksgiving Recess and Winter Break.

The Letters Club Program (Grades K-1, EN/EM) will be held on Tuesdays with the tentative dates being November 25, 2025 to December 23, 202 from 2:20 - 3:45 pm for 5 weeks, exclusive of Thanksgiving Recess.

The SEL in Soccer program (Grades 3-5, EN/EM) will be held on Thursdays from 2:20 - 4:00 pm with the tentative dates being March 19, 2026 - June 11, 2026, exclusive of Spring Vacation and Parent Teacher Conferences.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be English with scaffolds and interventions in Spanish as needed. Home language supports will be provided in the following ways: Encourage the use of Bilingual dictionaries/glossaries, offering translations and summaries in home language, modeling the use of trans-language techniques and scaffolding with cognates.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

The ENL Academy Program (Grades 1-5, TR and EX) will be taught by 5 ESL/Bilingual certified teachers.

The Letters Club Program (Grades K-1, EN/EM) will be taught by 4 ESL / Bilingual certified teachers.

The SEL in Soccer Program (Grades 3-5, EN/EM) will be taught by 4 teachers. Each group will be taught by 1 Common Branch teacher and 1 ENL / Bilingual Certified teacher.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

The materials for ENL Academy Program (TR and EX) are supplemental and are not used during daily instruction. Materials are at cost to Title III but no more than 20% of the Title III LEP funding. Materials will be kept with the Title III teachers in their classrooms. The materials to be used will be Measuring Up Getting Ready for NYSESLAT published by Perfection Learning. NYSESLAT shifts are Common Core Aligned and are based on the New Language Arts Progressions of the Bilingual Common Core Initiative.

The materials for Letters Club Program are supplemental and are not used during daily instruction. Materials are not at cost to Title III. Materials will be kept with the Title III teachers in their classrooms or within TeachHub and Google Drive. The materials to be used will be HMH aligned, Read Works, Reading A-Z. NYSESLAT shifts are Common Core Aligned and are based on the New Language Arts Progressions of the Bilingual Common Core Initiative.

The SEL in Soccer Program materials, soccer equipment, will be provided by contract with Soccer Kids NYC. That company will provide services and materials at cost to Title III. Materials and services are at cost to Title III but no more than 20% of the Title III LEP funding.
Purchase materials will be distributed to students and will only be used during the supplemental program, and not during the instructional day.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

For the ENL Academy Program, (TR and EX), parent notification for each program will be sent home in parent's preferred language in January. Attendance will be recorded within spreadsheets stored in Google Drive for each session by each group teacher. All mandated records (blue cards, walker permission slips, program permission slips) will be scanned and stored in the Google Drive, and linked to the attendance sheets.

For the Letters Club Program, parent notification for each program will be sent home in parent's preferred language in late October. Attendance will be recorded within spreadsheets stored in Google Drive for each session by each group teacher. All mandated records (blue cards, walker permission slips, program permission slips) will be scanned and stored in the Google Drive, and linked to the attendance sheets.

For the SEL in Soccer Program parent notification for each program will be sent home in parent's preferred language in February. Attendance will be recorded within spreadsheets stored in Google Drive for each session by each group teacher. All mandated records (blue cards, walker permission slips, program permission slips) will be scanned and stored in the Google Drive, and linked to the attendance sheets.

Prior to the start of each program, teachers will meet to discuss the safety precautions needed for a successful program. The lessons and materials will be previewed and prepared. Scheduling and dismissal procedures will be

reviewed.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

The teachers who teach the Title III ENL Academy program will receive 4 one-hour professional development sessions.
The topics are as follows:

ENL Academy Program:

December - Understanding and Getting to know our Multilingual Learners with NYSESLAT Data Dive
January- look at materials, best practices, discuss safety procedures
March - Planning with our ELLs and MLs in Mind and Using Strategies that Promote Language Learning and Discussion for All Learners
April - Reflection and Planning for September 2026

The teachers who teach the Title III SEL in Soccer program will receive 2 one-hour professional development sessions.
The topics are as follows:

SEL in Soccer Program:

February - Understanding the need for SEL and the topics to be addressed
March - review SEL materials, best practices, discuss safety procedures for soccer

All professional development sessions will be at cost to Title III ELL funds and it will not exceed the 10% of the total allocation.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

ENL Academy Program

The academic professional development theme at P.S. 86 is engaging all MLs and ELLs in rigorous instruction and discussion techniques. Using the ELL Data Analysis Tool (EDAT) and 2025 NYSESLAT modality report, small groups will be created where instruction and strategies will be planned for the acquisition of academic vocabulary that facilitates discussion. The rationale is that 48% of our ELL students scored at the Transitioning and Expanding level on the 2025 NYSESLAT. Therefore, the ENL afterschool program will focus on advancing academic language skills (through vocabulary) for students who have yet to meet the linguistic demands necessary to demonstrate independence in English language proficiency within all four NYSESLAT modalities. Teachers need additional professional learning in providing targeted instruction to move students from one proficiency level to the next.

SEL in Soccer Program

The rationale for SEL in Soccer is based on the Early Warnings for ELLs (at-risk indicators) on the Spring 2025 EDAT. This data showed that 86.8 % of our population are newcomers, and 70 % of our population are ELLs living in temporary housing. Additionally, staff observations on student behavior, trends noticed in the mandated monthly safety reports, as well as topics discussed during Student Council minutes, reflect that teachers need more professional learning in supporting students' social-emotional needs. This is supports the rationale that our newcomer ELL students would benefit from social-emotional learning bridged with cultural aspects of soccer to support their transition to New York City. Based on the parents' conversations during initial registration and orientation, we decided the SEL in Soccer Program will best meet the needs of our newcomers who are scoring at the Entering and Emerging levels on the NYSESLAT.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers: Common Branch, ENL and DLBE teachers, who will be teaching the Title III After School programs will receive ongoing professional development. The teachers who teach the Title III After School programs will be trained in the topics below for a total of 6 one -hour sessions. (ENL Academy Program: 4 one-hour sessions, SEL in Soccer Program: 2 one-hour sessions)

ENL Academy Program:

December - Understanding and Getting to know our Multilingual Learners with NYSESLAT Data Dive
January- look at materials, best practices, discuss safety procedures
March - Planning with our ELLs and MLs in Mind and Using Strategies that Promote Language Learning and

Discussion for All Learners
April - Reflection and Planning for September 2026

SEL in Soccer Program:

February - Understanding the need for SEL and the topics to be addressed
March - review SEL materials, best practices, discuss safety procedures for soccer

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

All school based PD sessions will be held for 60 minutes on Mondays from 2:20 - 3:20 PM at cost to the Title III program.
All teachers, and all staff responsible for delivery of instruction and services to ELLs within the ENL Academy Program and Title III SEL in Soccer Program teachers will be attending the following professional development sessions:

ENL Academy Program: 4 Professional Development sessions for 60 minutes each

Monday, December 15, 2025 - Understanding and Getting to know our Multilingual Learners with NYSESLAT Data Dive
Monday, January 12, 2026 - look at materials, best practices, discuss safety procedures
Monday, March 9, 2026 - Planning with our ELLs and MLs in Mind and Using Strategies that Promote Language Learning and Discussion for All Learners
Monday, April 6, 2026 - Reflection and Planning for September 2026

SEL in Soccer Program: 2 Professional Development Sessions for 60 minutes each

Tuesday, February 9, 2026- Understanding the need for SEL and the topics to be addressed
Tuesday, March 16, 2026 - review SEL materials, best practices, discuss safety procedures for soccer

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

ENL Academy Program:

December - Understanding and Getting to know our Multilingual Learners with NYSESLAT Data Dive
January- look at materials, best practices, discuss safety procedures
March - Planning with our ELLs and MLs in Mind and Using Strategies that Promote Language Learning and Discussion for All Learners
April - Reflection and Planning for September 2026

SEL in Soccer Program:

February - Understanding the need for SEL and the topics to be addressed
March - review SEL materials, best practices, discuss safety procedures for soccer

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Jenifer Pace and Jane Lai, our certified ENL Teachers will facilitate all of the professional development sessions for both Common Branch and ENL / Bilingual Teachers.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All documentation regarding Professional Development, including agendas and attendance sheets will be maintained in the ENL binder in the ENL office.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Although there is a vibrant parent association, multiple Magnet hosted events throughout the school year, weekly workshops facilitated by the guidance counselor, Stacey-Ann Zayas, teachers, and the parent coordinator, Rebecca Cevallos. and many cultural activities that are offered with the goal of getting more parents involved in the school community, none of these events utilize Title III funds.

It is our belief that if the home and school work together, student achievement can improve. An invitation will be sent in the home
language to the parents of all students in grades K-5 to participate in the 2025-2026 workshops. Translations will be provided via the Office of Language Access for low incidence languages. Additionally, we also use our translation team at school which is made up of staff members. All meeting information will be shared with families via class/teacher communication apps (Class Dojo) and Google Classroom in English and the parents' preferred language. None of these meetings will be at cost to Title III.

Records such as agendas, sign in sheets and handouts will be maintained in the parent coordinator's office. Additionally, the monthly school newsletter, published in both English and Spanish, will include information about the various workshops offered. Workshops alternate between morning and evening sessions. They are facilitated by our parent coordinator, Rebecca Cevallos, school guidance counselor, Stacy-Ann Zayas and various community based organizations. Parents will be taught how to access and explore community resources. These parent sessions occur weekly: Helping parents to open and access NYC Schools account, Building Bonds Between Schools and Families. We will also involve parents in the SEL activities created and presented by our school social worker. The first series of workshops for parents begin in October with Strategies to Help Students Practice Self-Confidence, Fostering Growth Mindset in Kids, and Holiday Blues.

The goal here is to help parents see the connection between the school, the community, and students' learning/achievement. These community-based resources are free to all.

Meetings will be conducted in English but translations will be available in Spanish and Arabic. Spanish and Arabic translations will be provided by staff and the Translation and Interpretation Unit, if needed.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

In September, the parent coordinator gives a survey at the first Parent Association Meeting where she collects individual needs and interest topics for year-long workshops. In addition, the Magnet team request parent feedback at the end of each event to learn about parents' satisfaction and future interest.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

For events that are scheduled and hosted by the Magnet Team and the Parent Coordinator, schedules, attendance sheets, and all related documentation will be kept in their offices and Google Drive.

The only family engagement activity that utilizes Title III funds is the SEL in Soccer Program. At the final session of the SEL in Soccer Program on Thursday, May 28, 2026, parents will be invited to join their children in the library from 2:20 - 3:00 PM for a gallery walk of their SEL projects. Parents and students will enjoy refreshments and watch a photo montage of their children playing soccer throughout the sessions. The refreshments will be at cost to Title III funds. From 3:00 - 4:00 PM, parents will go to the gym with their children to participate in soccer drills and scrimmage with teachers and coaches. Dismissal will follow.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Parents will join their children during the final session of SEL in Soccer Program to where their children will share their SEL projects, their experiences, and videos of them participation throughout the program. Additionally, parents will be able to participate with their children, teachers and coaches in soccer drills and a quick scrimmage. A parent survey will follow to learn about their satisfaction and future interest in the program.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Although the following programs do not utilize Title III funds, our school has many partnerships with community based organizations. Here are some of the partnerships that have been established and continue to present for families:

- Advocates for Children of New York: Advocates for Children of New York provides educational rights support for immigrant families. This partnership ensures that all students, regardless of their immigration status, have access to quality education and receive the necessary support and accommodations.
- NYPCC (New York Psychotherapy and Counseling Center): NYPCC provides wellness programs and promotes community and family bonding. Through their expertise in mental health services, they offer valuable support to parents and help create a nurturing environment for our school community.
- NYC Kids Rise: This partnership with NYC Kids Rise focuses on educating parents about saving for college. This collaboration empowers families to plan for their children's future and provides valuable information about available resources and financial aid opportunities.
- FDNY (New York City Fire Department): The FDNY conducts fire safety workshops. These workshops help educate parents and children about fire prevention, emergency preparedness, and home safety practices to ensure the well-being of our school community.
- Department of Traffic: The collaboration with the Department of Traffic aims to provide safety education to parents and students. This partnership promotes safe transportation practices and raises awareness about traffic rules and safety. Free Booster Chairs were provided to all families in attendance to promote safe transportation practices.
- NY Immigration Coalition: NY Immigration Coalition empowers immigrant parents by educating them about their rights. This collaboration equips parents with knowledge and resources to navigate legal processes and advocate for their families effectively.

By establishing these culturally and linguistically responsive partnerships, P.S. 86 aims to create an inclusive and supportive educational environment that meets the diverse needs of the school community.

Soccer Kids NYC is a kid-focused program that inspires children to discover the joy of soccer in a supportive, inclusive, and challenging environment. They use a unique methodology that focuses on developing the players' physical, psychosocial, technical, and tactical aspects of the game. This program utilizes Title III funds.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

To ensure families receive all school communications and documents in the language they best understand, the information is given in both English and the parents' preferred language. This preferred language is collected from the initial registration process using the Home Language Identification Survey (HLIS) and the RAPL Report in ATS. All information will be shared with families in English and the parents' preferred language via school-wide and class/teacher communication apps (Class Dojo), and Google Classroom. Families are able to respond or initiate

communications through the apps as well as in-person and over the phone with bilingual staff. The bilingual school staff is available to respond or assist parents during school events. For languages where we do not have a staff who is bilingual, the Office of Language Access is contacted.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All documentation of Title III family engagement activities and notifications to families will be scanned and stored in the Google Drive within the Title III folder and in the ENL office. All school-wide documentation of family engagement activities and notifications to families will be stored in the Google Drive and in the main office.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Allocation Amount ($):
