Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Title I Program Information
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement

- Part D: Staff Awareness
- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps

and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P.S. 106 Edward E. Hale Elementary

District Borough Number (DBN):

32K106

Grades Served:

3K – 5

School Address:

1328 Putnam Ave

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.
Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature

Magaly Moncayo	Principal or Designee*	
Kinda McMillan	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Araceli Ixcot	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
Maria Boyce	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
Janine Mahon	CBO Representative, if applicable	
Leslie Martinez	Assistant Principal	
Elisabeth Silverberg	Teacher	
Efrain Morales	Teacher	
Arturo Boyce	Parent	
Ramiro Ixcot	Parent	
Charitin Gomez	Parent/	
	Parent	
	Member/	
	Member/	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Mission Statement
P.S. 106 works in collaboration with students, families, and the community to provide a nurturing environment committed to achieving excellence. We foster academic achievement by building a solid foundation of skills, knowledge, and values that empower our scholars to become well-rounded, college- and career-ready individuals equipped to thrive in an ever-changing world.

Narrative
Nestled in the heart of Brooklyn's vibrant Bushwick community, P.S. 106 is a nurturing and inclusive learning environment dedicated to academic excellence and student growth. We serve a diverse population from 3K through grade 5, ensuring that each student receives a quality education tailored to their unique strengths and needs.

Our instructional program includes integrated co-teaching (ICT) classes, dual language instruction, special education, and transitional bilingual special education, all grounded in culturally responsive teaching practices. We are proud to offer an engaging curriculum that fosters critical thinking, creativity, and resilience, preparing students to meet the challenges of a dynamic global society.

P.S. 106 enriches student learning beyond the classroom through robust visual arts and dance programs, a state-of-the-art hydroponics lab, and physical education that supports health and wellness. We also extend learning into the afternoons with after-school programs that provide academic support, social-emotional learning, and extracurricular exploration.

Our school community believes in the limitless potential of every child. With high expectations, a dedicated staff, and strong partnerships with families, P.S. 106 empowers all students to become confident learners, compassionate citizens, and future-ready leaders.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

Nurturing Scholars in the Vibrant Bushwick Community

P.S. 106K Edward Everett Hale is an elementary school nestled in the culturally vibrant Bushwick section of Brooklyn. As of June 2025, our school serves 372 students from 3K through grade 5. Our student body reflects the multicultural fabric of the neighborhood: 87% Hispanic, 7% Black, 3% White, and 1% other. We proudly serve a diverse population, with 43% of our students identified as English Language Learners and 25% as students with disabilities—demonstrating our deep commitment to equity, access, and inclusive education.

At P.S. 106K, we nurture the academic and personal growth of every scholar through a comprehensive, student-centered approach. Our instructional priorities focus on literacy, math, and social-emotional learning, ensuring that all students receive the foundational skills and support they need to thrive. The entire school community—staff, students, and families—benefits from a warm, supportive environment rooted in high expectations and mutual respect.

We are especially proud of our broad array of enrichment opportunities and meaningful partnerships that enhance the student experience. Our Performing Arts Club allows students to build confidence and explore their talents, while our dance and visual arts programs promote creativity and self-expression. In spring 2025, students brought The Jungle Book to life through our second year of participation in Disney Musicals in Schools, a milestone in our commitment to arts education. In the upcoming year, our talented performers will take the stage again with Aladdin, continuing their journey in artistic growth.

Social-emotional wellness is a cornerstone of our work. Our full-time social worker provides counseling and small group support and will expand outreach to families by partnering with local mental health agencies. In response to parent survey feedback, a series of workshops will address topics such as understanding childhood mental health, recognizing early signs, and accessing school-based supports.

Literacy remains at the heart of our mission. Our Robin Hood Library, a beacon of imagination and lifelong learning, is open to students and families alike. As we celebrate its 21st anniversary in the 2025–2026 school year, we look forward to honoring the joy of reading and our shared commitment to literacy.

P.S. 106K is uniquely positioned in our district as the only school offering Bilingual Special Education classrooms. We also foster bilingualism and biliteracy through Dual Language and Transitional Bilingual programs, reflecting our belief in the power of language as a tool for learning and connection.

Our community partnerships play a vital role in extending learning beyond the classroom. We collaborate with the Greater Ridgewood Youth Council to offer enriching after-school programming for students in grades K–5. Our partnership with Big Green Theater introduces 4th and 5th grade students to environmental education through drama, combining creative expression with a strong sense of social responsibility.

In sum, P.S. 106K is a nurturing and inclusive school community where diversity is celebrated and excellence is cultivated. Through rigorous academics, an emphasis on the arts and wellness, and robust community partnerships, we empower our students to become confident, compassionate, and future-ready citizens.

Briefly summarize the key initiatives your school will implement this school year.

Key Initiatives for the 2025–2026 School Year

This school year, P.S. 106K is committed to implementing key initiatives aimed at accelerating student learning and closing the achievement gap. Our work will center on strengthening instructional practices, enhancing teacher collaboration, and expanding enrichment opportunities to ensure every scholar thrives academically and socially.

To improve English Language Arts (ELA) instruction, we will continue implementing the HMH Reading/Writing curriculum, aligned with the science of reading. This comprehensive, research-based program supports literacy development through explicit instruction in reading comprehension, writing, vocabulary, and language skills.

In mathematics, we will continue using Illustrative Mathematics, a conceptual, problem-solving–oriented curriculum that builds deep mathematical understanding and critical thinking. Through this program, students will develop strong reasoning and communication skills in mathematics.

We will also deepen our use of assessment tools to support instruction and drive student growth. The iReady platform

will continue to serve as our adaptive diagnostic tool for ELA and math in grades K–5, providing real-time data to inform differentiated instruction. For our younger learners in grades K–2, we will maintain our use of Acadience as a universal screener in both English and Spanish to identify early literacy needs and support biliteracy development.

This year, a key area of focus will be strengthening progress monitoring systems across all grade levels. We will enhance our Multi-Tiered System of Supports (MTSS) by increasing the frequency and effectiveness of data reviews, ensuring interventions are timely and targeted. Teacher Teams will play a pivotal role in this process, meeting regularly to analyze student progress, adjust instruction, and share best practices to promote continuous improvement.

Academic intervention services will continue through small group instruction using a variety of evidence-based programs such as Fundations, Sound Partners, SPIRE, Lunitas, Estrellitas, and Escaleras. These programs offer intensive support in phonics, fluency, and comprehension, helping students build foundational literacy skills and close learning gaps.

In addition to academic supports, we are expanding our extracurricular offerings. This year, we are excited to introduce a Music course, adding to our robust arts programming, which already includes dance, visual arts, and theater. This new offering supports student creativity, self-expression, and social-emotional development, contributing to a well-rounded educational experience.

In summary, P.S. 106K's key initiatives for 2025–2026 are designed to accelerate academic growth through rigorous instruction, data-informed practices, targeted interventions, and expanded enrichment opportunities. Through intentional collaboration, progress monitoring, and a commitment to equity, we will continue to nurture every scholar's potential and close the achievement gap.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	K-5	HMH Into Reading	Print and Digital
ELA	K-5	Arriba La Lectura	Print and Digital
Math	K-5	Illustrative Math	Print and Digital
Literacy	K-2	Fundations/Heggerty	Print and Digital
Literacy ENL	K-5	Estrellita/Lunitas/Escaleras	Print (English and Spanish versions)

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to iReady End-of-Year (EOY) Reading Diagnostic data from Spring 2025, a significant number of students across grades K–5 are performing below grade level in the domain of reading fluency. The data indicates a clear need for improved fluency rates to support overall reading comprehension and literacy development.	Foundational phonics and decoding skills have not been fully developed for many students, particularly in the early grades. Gaps in these foundational skills contribute to limited automaticity and hinder students' ability to read fluently and confidently.	Students need targeted instruction and intervention to improve reading fluency. This includes a structured focus on phonics, decoding, and opportunities for independent as well as guided oral reading practice to build automaticity and support comprehension.

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	33%	By June, 2026, literacy for All Students will improve, as measured by a 11% Increase, from 24% to 35%, of Students performing at grade level on the EOY 2026 iReady.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

iReady and Acadience

Enter a Key Performance Indicator

Percentage of students performing at or above grade level in reading

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

To address foundational reading gaps and improve fluency, P.S. 106K will implement a comprehensive progress monitoring system aligned to the science of reading. This system will include:

Weekly fluency checks for students identified as below grade level, using small group planning tool and program-based tools.

Biweekly data reviews by teacher teams to identify students' progress and adjust small-group instruction accordingly.

Targeted small-group instruction using research-based interventions including Fundations, Sound Partners, SPIRE, Estrellitas, and Escaleras, tailored to student needs.

Professional learning focused on phonics, fluency, and progress monitoring protocols to build teacher capacity and consistency.

Increased parent engagement through workshops focused on supporting reading fluency at home in both English and Spanish.

This strategy will be monitored using iReady assessment data, Acadience, fluency screeners, and student work samples. Instruction will be adjusted in real time to ensure students are meeting key reading benchmarks throughout the year.

Root Cause Addressed:

Many students have not developed strong foundational phonics and decoding skills, limiting their ability to read fluently and comprehend grade-level text. Contributing factors include inconsistent use of structured phonics programs, limited targeted intervention time, and a lack of consistent progress monitoring practices schoolwide.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
September 2025 - Launch professional learning sessions on foundational reading, phonics, and fluency instruction, including the use of intervention programs. Responsible Parties: Principal, APs, Literacy Coach Expected Outcomes: Teachers are equipped with strategies and tools aligned with the science of reading.
September 2025 - Identify students in need of fluency support using baseline iReady and Acadience data. Form intervention groups. Responsible Parties: Teachers, Intervention Team Expected Outcomes: Targeted groups are formed with instructional plans based on student need.
October 2025 - Begin weekly fluency checks using grade-level passages and program-based assessments (Fundations, SPIRE, etc.). Real-time data is collected to track student progress.
October 2025 and ongoing - Conduct biweekly Teacher Team meetings to review fluency data and adjust small-group instruction. Expected Outcomes: Instruction is responsive and differentiated to student needs.
November 2025 - Host parent workshops (English/Spanish) on supporting fluency at home. Share strategies and materials. Expected Outcomes: Increased family engagement in literacy development at home.
December 2025 - Mid-cycle review of progress monitoring practices and student performance. Adjust intervention groups and pacing. Expected Outcomes: Intervention remains targeted and effective for all students.
January–March 2026 - Continue cycle of weekly fluency checks, data reviews, and instructional adjustments. Expected Outcomes: Students demonstrate growth on interim assessments.
March 2026 - Conduct MOY iReady diagnostic and analyze data for fluency gains. Share findings with staff and families. Expected Outcomes: Data-driven decisions continue to guide instruction.
April–May 2026 - Provide targeted support and reteaching for students not yet meeting benchmarks. Expected Outcomes: Students make gains in fluency and comprehension.
June 2026 - Administer EOY iReady and Acadience assessments. Celebrate progress. Analyze trends to inform next year's planning. Expected Outcomes - Final data reflects increased student achievement in reading fluency.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

To ensure effective implementation of our Priority 1 strategies and actions, P.S. 106K will use a multi-tiered monitoring structure that includes regular data collection, team collaboration, and leadership oversight. The following primary structures will be used to monitor progress:

1. Weekly Fluency Checks
Teachers will conduct weekly fluency assessments using grade-appropriate passages or tools embedded within intervention programs (e.g., Fundations, CORE Phonics, SPIRE, Estrellitas).

Purpose: To track individual student progress and adjust instruction in real time.

Evidence: Fluency checklists, running records, program-based assessments.

2. Biweekly Teacher Team Meetings
Teacher teams will meet every two weeks to review fluency data, discuss instructional strategies, and revise intervention plans.

Purpose: To ensure instruction is responsive to student needs and aligned to reading goals.

Evidence: Meeting agendas/minutes, student progress trackers, adjusted group rosters.

3. iReady Diagnostic Assessments (BOY, MOY, EOY)
iReady will be administered three times per year to measure students' overall reading proficiency.

Purpose: To evaluate student growth toward the SMART goal.

Evidence: iReady class and school-level reports, growth data by domain and subgroup.

4. Acadience Reading Screener (Grades K–2) will be used as a universal screener to monitor foundational skills in English.
Purpose: To identify early reading needs and measure growth in foundational literacy.

5.Renaissance Reading Screener (Grades K-5) will be used as a universal screener to monitor foundational skills in Spanish.
Purpose: To identify early reading needs and measure growth in foundational literacy.

Evidence: Composite scores, progress monitoring reports.

5. Instructional Walkthroughs and Observations
Instructional leaders will conduct regular classroom visits to monitor fidelity of phonics, fluency, and small-group instruction.

Purpose: To provide feedback and ensure consistent implementation of best practices.

Evidence: Walkthrough tools, feedback forms, coaching notes.

6. Family Engagement Tracking
Participation in reading workshops and at-home reading support will be monitored.

Purpose: To measure family involvement in supporting reading fluency and reinforce home-school connections.

Evidence: Workshop attendance logs, parent surveys, take-home reading logs.

Through these structures, we will monitor both the implementation fidelity of instructional strategies and the impact on student learning outcomes. Data will be used to inform professional learning, revise interventions, and ensure all students are on track to meet end-of-year reading targets.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/25/2026	Bilingual Literacy Workshops (English/Spanish): Quarterly workshops will help families understand reading development, how to support fluency at home, and how to use tools such as reading logs and fluency trackers. Sessions will include take-home materials and modeled strategies.	Teachers, Parent Coordinator, CBO
09/08/2025	06/25/2026	Parent Progress Updates and Conferences: Teachers will share specific reading data with families at scheduled conferences and progress check-ins. iReady and Acadience reports will be explained in accessible language, with suggestions for how families can support continued growth.	Teachers, Parent Coordinator, CBO
09/08/2025	06/25/2026	Communication via Class Dojo & Take-Home Folders: Teachers will share reading tips, goals, and strategies regularly. Fluency logs and reading reflections will be used to encourage at-home practice and family involvement.	Teachers, Parent Coordinator, CBO
09/08/2025	06/25/2026	Robin Hood Library Family Events: Monthly family events at our school library will promote reading as a joyful, community-based activity. These events will include guest readers, book giveaways, and read-aloud sessions.	Teachers, Parent Coordinator, CBO

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Administration, Coaches, Teachers, Parent Coordinator, CBO

Instructional Resources

HMH, Sound Partners, Fundations, Hegerty, Spire, Estrellita

Schedule Adjustments

N/A

Other Resources Needed

N/A

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Based on 2024–2025 data collected through the Online Occurrence Reporting System (OORS) and intake forms from the school guidance counselor and social worker, there has been an increase in student behavioral incidents related to emotional dysregulation, including physical aggression, elopement, and in-class disruptions. Many of these incidents involve students with IEPs who are identified as being in emotional or behavioral crisis.	Staff lack the necessary training and tools to proactively address and de-escalate crisis situations, particularly when supporting students with autism and other disabilities. Additionally, sensory supports and preventative structures are inconsistently implemented across classrooms and common areas.	Provide targeted professional development on de-escalation strategies, trauma-informed practices, and supporting students on the autism spectrum. Expand implementation of sensory supports and structured calming areas (e.g., sensory corners, regulation routines) to proactively meet student needs.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	3%	By June 2026, all students will demonstrate increased emotional regulation and safety, as evidenced by a 2% reduction in behavior-related OORS incidents involving students with IEPs, and increased use of classroom and schoolwide self-regulation strategies, supported by staff participation in targeted professional development on de-escalation, trauma-informed practices, and supporting students on the autism spectrum.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter Period 3: End of Year (EOY) Progress Target:

Reminder: Actual results will be entered in the Progress Reporting Tool (PRT).

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

P.S. 106K will implement a schoolwide system for supporting emotional regulation and crisis prevention through professional development and structured sensory supports. This includes training all staff in de-escalation strategies, trauma-informed practices, and approaches for supporting students on the autism spectrum. In tandem, we will establish and enhance sensory spaces in all classrooms and key common areas, and embed daily regulation routines to proactively meet students' social-emotional needs.

The strategy will be supported by consistent monitoring of behavioral data, staff reflection tools, and student feedback. School leaders will provide coaching and walkthroughs to ensure fidelity and offer real-time support. This dual focus on building staff capacity and creating safe, responsive environments will directly address student behavior trends and foster a culture of safety and support.

Root Cause Addressed:

The school has experienced an increase in behavior-related incidents involving students with IEPs, many of whom are in emotional or behavioral crisis. A primary root cause is the lack of staff training in crisis prevention and de-escalation, as well as inconsistent access to structured sensory supports and emotional regulation strategies throughout the school.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
September 2025 - Provide baseline PD to all instructional and support staff on trauma-informed care, de-escalation techniques, and supporting students on the autism spectrum. Expected Outcome - Staff gain foundational knowledge to

respond to student crises effectively.
September 2025 - Conduct a schoolwide walkthrough to inventory existing sensory supports (cozy corners, fidgets, visuals, etc.) and identify gaps. Expected Outcomes: School has a clear understanding of current sensory needs and resources.
October 2025 - Set up or enhance calming areas/sensory spaces in every classroom using feedback and inventory findings. Expected Outcomes - All special classrooms are equipped with accessible self-regulation tools.
October 2025 and ongoing - Implement daily regulation routines (e.g., morning emotional check-ins, brain breaks, mindfulness activities). Expected Outcomes: Students develop daily habits that support emotional awareness and regulation.
November 2025 - Facilitate advanced PD sessions focused on recognizing sensory needs, identifying early signs of crisis, and co-regulation techniques. Expected Outcomes - Staff deepen their skillset and confidence in proactive behavior support.
December 2025 - Launch student-facing SEL lessons or activities tied to Zones of Regulation or equivalent framework. Expected Outcomes - Students gain language and tools to identify and manage emotions.
January 2026 - Host family workshop(s) on supporting children's social-emotional needs at home (bilingual sessions available). Expected Outcomes - Families are engaged as partners in supporting emotional regulation.
January–May 2026 - Continue PD cycles, coaching, and peer sharing on behavior support and sensory strategies. Expected Outcomes - Staff refine practices through collaboration and reflection.
February & April 2026 - Review classroom incident logs, and SEL survey results to assess impact. Adjust interventions as needed. Expected Outcomes - School tracks measurable improvements and makes data-informed decisions.
June 2026 - Celebrate growth in emotional safety (e.g., reduced incidents, student progress). Use findings to plan next steps. Final data informs planning for SY 2026–2027 and celebrates success.
October 2025 - June 2026: Review monthly OORS reports with the Safety Team to identify trends. Meet with the Crisis Team to inform of trends and develop an action plan.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be

introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

P.S. 106K will use multiple structures to monitor the implementation and impact of our emotional safety strategy. These structures will help ensure consistent follow-through on professional learning, classroom-based supports, and schoolwide systems:

Professional Development Tracking:
Attendance and participation will be logged for all PD sessions related to trauma-informed practices, de-escalation strategies, and autism awareness. Staff feedback and post-PD reflections will be collected to assess understanding and readiness to implement.

Behavioral Incident Data (OORS):
Behavior-related OORS reports will be reviewed monthly by the Safety and Crisis Intervention team to monitor trends in crisis incidents. Data will be disaggregated by subgroup (e.g., students with IEPs) to evaluate progress toward the SMART goal of a 15% reduction.

Classroom Walkthroughs and Sensory Support Inventory:
School leaders and support staff will conduct structured walkthroughs to observe the use of calming areas, sensory tools, and SEL routines. A beginning- and mid-year sensory inventory will be used to ensure equitable access to regulation supports across classrooms.

Teacher Implementation Logs and Reflections:
Teachers will submit implementation logs and/or complete monthly reflection forms highlighting the SEL strategies and sensory routines they are using, what's working, and what support they need.

Student Voice and Feedback:
SEL student surveys (or adapted classroom reflections) will be administered at mid-year and end-of-year to gather insight into students' perceptions of emotional safety and the usefulness of calming tools and routines.

Family Engagement Measures:
Attendance and feedback from SEL-related family workshops will be collected to assess engagement and inform planning. Communication logs will track how strategies are reinforced at home.

Together, these data points will provide a well-rounded view of both implementation fidelity and student outcomes, enabling the leadership team to provide timely support, make adjustments, and ensure all students are learning in a physically and emotionally safe environment.

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	12/15/2025	Host a bilingual parent workshop on supporting students with emotional regulation at home. Topics will include trauma awareness, recognizing early signs of distress, and building calming routines using tools like the Zones of Regulation.	School Social Worker, Mental Health Community Agency, Parent Coordinator
01/15/2026	05/31/2026	Provide ongoing family-friendly resources (handouts, videos, checklists) to reinforce SEL strategies introduced in school. Materials will be shared via Class Dojo, in take-home folders, and during monthly Robin Hood Library family events.	Robin Hood Foundation (Library), Parent Coordinator, Social Worker

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to iReady End-of-Year (EOY) Math Diagnostic data from Spring 2025, a significant number of students across grades K–5 are performing below grade level in the domain of Number operations. The data indicate a clear need for improved number sense, number relationships, patterns and how numbers work	Students have not had consistent access to standards-aligned, real-world problem-solving opportunities that reinforce their understanding of number and operations. As a result, gaps in foundational number sense and number relationships persist, limiting their ability to apply mathematical concepts with accuracy, fluency, and	There is a need to improve students' ability to apply mathematical skills, particularly in the number and operations domain. Students require more intentional, scaffolded and structured opportunities to engage with algebraic reasoning and number concepts in real-world and problem-solving contexts. Additionally, many students need targeted support in developing strong number sense and understanding number relationships, which are foundational for success in both the number and operations domain and algebraic thinking.

and connecting numbers to problem solving contexts.	confidence across grade-level tasks.	

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	37%	P.S.106k will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the on and above grade level in Numbers and Operations will Increase by 13% from 37% to 50%, for All Students, as measured by Iready Math.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Provide targeted professional development to equip teachers with instructional strategies that emphasize student application of mathematical concepts. PD opportunities will focus on techniques to foster critical thinking, real-world problem-solving, and hands-on activities that encourage students to apply and deepen their understanding of math skills in various contexts.

Establish consistent structures for teacher collaboration that focus on designing lessons with clearly defined application tasks, emphasizing integration of math concepts across disciplines and real-life problem solving scenarios regular opportunities for teachers to collaborate on lesson planning, focusing on integrating math concepts.

Create structured math centers and tasks where students regularly engage in purposeful, hands on activities , games and projects that allow students to engage in hands-on activities, games, and projects that reinforce and extend mathematical understanding through real world application.

Implement ongoing formative assessment routines to monitor student ability to apply math concepts, using this data to adjust instruction and provide targeted, skill specific interventions that support deeper learning standards.

Root Cause Addressed:

Students require more structured opportunities to apply mathematical concepts and skills in meaningful contexts to strengthen learning transfer

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Professional learning cycles focused on data-driven instructional strategies that promote the development of project-based math tasks and real-world problem solving applications
Regular collaborative planning sessions for teachers to share strategies, resources, and best practices related to math instruction. Using student work analysis during the collaborative sessions to assess how well students are applying mathematical concepts. Collaborative teams will adjust tasks and support based on trends in understanding.
Implementation of Math application centers across all grades with structured standards-aligned activities that require students to apply concepts through games, models, and collaborative problem solving
Progress monitoring: regularly review and analyze student performance data to assess progress in the application of math skills.

Key Strategy 2 (Optional):

Teacher Team Meetings
Weekly Teacher teams meetings with teachers and instructional leaders will be held to analyze assessment results, analyze student work,
identify student progress trends, and adjust instructional strategies based on data-driven insights. During these meetings, teams will review student work protocol, formative and summative assessment data, including iReady results and classroom
observations, to ensure that instruction remains aligned with student needs, particularly in the application of mathematical skills.

Student Progress Reviews
Monthly reviews of student progress will monitor the effectiveness of interventions and support systems. Teachers will discuss individual and group performance, ensuring that students needing targeted support receive timely intervention. These reviews will include discussions on lesson pacing and the amount of time allocated for students to engage in application tasks. Tracking the time students spend with practice problems and synthesis activities will help address potential root causes if limited application time is found to impact progress.

Collaborative Planning and Professional Development Cycles
Collaborative planning sessions will be held regularly, where teachers can refine and align instructional practices. Professional development cycles focused on the application of mathematical concepts will be monitored by collecting feedback from teachers and assessing student work samples to evaluate the impact on instruction

Checklist for Student Application and Productive Struggle
A checklist will be used during classroom observations and student work assessments to document students' engagement in applying math concepts and demonstrating productive struggle. Collected data from these observations will be reviewed quarterly to measure student growth in critical thinking and problem-solving abilities.

Quarterly Progress Monitoring Meetings
Quarterly progress monitoring meetings will allow instructional leaders to review data collected through the checklist, formative assessments, and student progress reviews. These meetings will provide an opportunity to adjust professional development focus areas, instructional strategies, and the pacing of lessons or units based on student needs, ensuring all students have adequate time to engage deeply with math concepts.

Data/Evidence Collected:

iReady assessment data (BOY, MOY, EOY)
Observations from classroom walkthroughs using a checklist for productive struggle and application of math concepts
Student work samples and formative assessment results.
Feedback from professional development sessions and collaborative p

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Families will receive Individual Student Pathway Reports to keep them informed about their child's progress in targeted math areas. These reports will provide insights into specific skills and concepts their child is mastering, along with areas needing additional support.	Teachers, Administration, Parent Coordinator
09/08/2025	06/26/2026	Host a family night where parents can learn how to support everyday math fluency and number sense/relationships at home.	Teachers, Administration, Parent Coordinator
09/08/2025	06/26/2026	Distribute a newsletter that includes simple Explanation of math procedures and related at-home activities based on the current unit	Teachers, Administration, Parent Coordinator
09/08/2025	06/26/2026	Partner with CBO to showcase or sponsor events on how math is used in the professional world and in daily life	

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Teachers, Staff, District 32 Math Leads,CBO

Instructional Resources

Illustrative Math Curriculum, ILC, i-Ready

Schedule Adjustments

Teachers have a minimum of 3 common preps, Horizontal and Vertical common preps, inter-visitation periods, Data chats built into programming

Other Resources Needed

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the 2024 NYCPS Panorama Parent Survey, 21% of families expressed dissatisfaction with the support provided to prepare their child for college, career, and post-secondary success.	Insufficient Early Exposure to College and Career Pathways: Many elementary students lack consistent opportunities to explore and engage with diverse college and career options, resulting in limited awareness and future planning.	Enhancing College and Career Awareness for Elementary School Students.

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
All Students	0%	By June 2026, the percentage of students who can correctly identify at least five different colleges and five different careers they are interested in pursuing will increase to 80%, as measured by the College and Career Awareness Student Survey.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Conduct a needs assessment to evaluate students' current awareness of college and career pathways.

Root Cause Addressed:

Limited exposure among elementary students to diverse college and career opportunities, resulting in a lack of awareness and long-term planning.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Develop a transition plan for fifth-grade students by organizing scheduled visits to a variety of middle schools and local college campuses, providing early exposure to academic pathways and easing the transition to secondary education.
Expand student participation in the RISE financial literacy program by promoting its relevance to college and career readiness, integrating it into classroom activities, and collaborating with families to encourage engagement.
Facilitate SEL discussion groups focused on building student awareness of career-related interests, incorporating guided conversations, reflection activities, and guest speakers to deepen understanding and engagement.
Expand the annual College and Career Day Fair to include all students in grades K–5, ensuring age-appropriate activities and exposure to a diverse range of careers and educational pathways.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Implementation Monitoring
To advance college and career readiness among elementary students, our school will implement the following monitoring systems to assess progress on key strategies and action steps. These systems will utilize data and evidence to evaluate the impact on instruction, student learning, and overall student achievement.

College and Career Awareness Needs Assessment
At the beginning of the school year, a needs assessment will be administered to determine baseline levels of student awareness regarding college and career pathways. The findings will guide initial planning and establish benchmarks to monitor growth throughout the year.

Social-Emotional Learning (SEL) Discussion Groups
Ongoing SEL discussion groups will be held in grades K–5 to explore students' career interests and aspirations. These sessions will incorporate voices from the broader school community to expose students to a variety of professions. Monthly reviews of participation rates, discussion outcomes, and anecdotal feedback will inform adjustments and next steps.

Mid-Year (MOY) College and Career Survey
A mid-year administration of the College and Career Awareness Survey will be used to gauge students' evolving understanding of post-secondary options. Results will inform the design and refinement of instructional activities and engagement strategies for the remainder of the year.

Financial Literacy and RISE Program Engagement
To promote financial literacy as part of early college readiness, students will participate in community-based financial literacy events. Participation in the RISE program will be tracked, and post-event feedback will be analyzed to measure

students' understanding of financial planning for college.

Expanded College and Career Day Fair
The annual College and Career Day Fair will be broadened to include all K–5 students during the 2025–2026 school year. Students will engage in hands-on activities and interact with professionals across various fields. Attendance data and student feedback will be used to assess the event's effectiveness in promoting early college and career awareness.

Fifth-Grade Transition Plan
A formal transition plan will be developed for fifth-grade students, including organized visits to local college campuses and middle schools. Data from student surveys and reflection forms will be used to evaluate the effectiveness of these experiences in fostering college interest and planning.

End-of-Year (EOY) College and Career Survey
At the close of the school year, the College and Career Awareness Survey will be re-administered to measure growth since the beginning of the year. Results will be analyzed alongside baseline data to assess the overall impact of college and career readiness initiatives and identify priorities for future programming.

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	06/26/2026	College and Career Day Students will explore diverse career pathways, post-secondary education options, and the fundamentals of financial planning for college. The event will feature guest speakers from a variety of professional backgrounds—including parents and community members—who will share their personal career journeys and insights. This exposure will help students make connections between their current learning and future aspirations, while fostering early awareness of the skills and education needed for various professions.	GRYC/Community outreach/Parents/
10/01/2025	06/26/2026	Take-Home Career Exploration Kits Families will receive career exploration kits designed to support at-home engagement in college and career readiness. Each kit will include age-appropriate activities, worksheets, and informational resources that encourage students and their caregivers to explore various career paths together. These materials aim to foster meaningful conversations about future goals, build awareness of different professions, and strengthen the home-school connection around college and career planning.	Teachers/Parent Coordinator
10/01/2025	06/26/2026	Family Financial Literacy Sessions: Partner with a local bank or financial advisor to hold family workshops focused on saving for college, basic budgeting, and financial literacy activities that both parents and children can understand.	Teachers/Parent Coordinator
10/01/2025	06/26/2026	“Dream Big/Time Travel” Family Vision Board Activity Families work together to create vision boards representing students' goals and dreams for the future. This collaborative activity will help families discuss aspirations and start conversations about career and college pathways.	Teachers/Staff
10/01/2025		“Ask Me About My Job” Homework Activity Students will complete a take-home interview assignment in which they speak with a family member or family friend about their job. Through guided questions, students will learn about daily responsibilities, required skills, and the educational pathway for that career. Students will then share their findings with the class, providing peer-to-peer exposure to a range of professions and helping to spark curiosity and deeper interest in career exploration.	Teachers, Staff, Family Members

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

CBO in-kind, Parent Coordinator, Librarian, Guidance Counselor and Social Worker.

Instructional Resources

Virtual College Visitations, Junior High School visits, Kids Rise

Schedule Adjustments

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
According to the Panorama Education NYC Public Schools Survey from Spring 2024, the area with the lowest score (90%) was Parent Involvement in Schools. Survey results indicate that 10% of responding parents feel	Limited familiarity with the NYC Public Schools system. Many immigrant families may lack understanding of the American education system and need	Increase opportunities for meaningful parent involvement and engagement at P.S. 106, with a focus on helping families better understand and navigate

there is a need for more opportunities to engage with the school	guidance on how to advocate effectively for their children within it.	the NYC Public Schools system to support student success.

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of All Students	90%	By June 2026, the percentage of P.S. 106 parents who are familiar with the NYC Public Schools system and feel empowered to advocate for their children will increase by 5 percentage points, from 90% to 95%, as measured by the NYC School Survey.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Create informed targeted educational activities to teach parents about the NYCPS's Parents Bill of Rights.

Monthly Parent Workshops on Navigating NYCPS: We will host workshops focused on helping parents understand key aspects of the NYC Public Schools system. Topics will include understanding the curriculum, student support services, standardized testing, the middle school application process and available resources. These workshops will offer guidance on how parents can advocate effectively for their children.

Bilingual Family Liaisons and Translated Resources: Parent Coordinator, bilingual staff and/or parent volunteers will be assigned as family liaisons to provide direct support to families with limited English proficiency. Ensure that all communications, resources, and events are available in multiple languages, tailored to the needs of the school community.

Parent Advisory Council and PTA - Establish a Parent Advisory Council and PTA to involve parents in school planning and decision-making. This council will provide insights into family needs and ensure parent perspectives are integrated into school initiatives, fostering a culture of inclusivity and responsiveness.

Root Cause Addressed:

Many of our Immigrant families might be unfamiliar with the American education system and how to navigate it and how to advocate for their student.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create a "Parent Needs and Interest" Survey.

Schedule three times throughout the year when we will conduct the Parent Needs and Interests Survey.
Coordinate with the SLT and Instructional Team members to analyze the results and create informed targeted educational activities.
Align the informed targeted educational activities with the NYCPS's Parent Bill of Rights.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Due to many of our immigrant families being unfamiliar with the American education system and how to navigate it and how to advocate for their student, our school will create informed targeted educational activities to teach parents about the NYCPS's Parents Bill of Rights.

Our school will create a "Parent Needs and Interest" Survey. The administration of this survey will be scheduled three times throughout the year. SLT and Instructional Team members will coordinate to analyze the results and create informed targeted educational activities. These activities will be aligned with the components of the NYCPS's Parent Bill of Rights.

Priority 5 Family and Community Engagement

Family and Community Engagement

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Early Identification and Monitoring System:
Utilize the Insight, ATS Attendance Reports and New Vision tool to consistently monitor attendance data and identify students at risk of chronic absenteeism early in the school year. Implement a tracking system to flag students approaching at-risk status and initiate timely, targeted interventions.

Root Cause Addressed:

Parents have a limited understanding of how chronic absenteeism affects student learning and long-term academic success.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Starting in the 2025–2026 school year, host informational workshops for families to highlight the importance of regular attendance and its impact on student success. Offer practical strategies to support consistent attendance and address common barriers that may prevent students from attending school regularly.
Establish consistent communication with families of at-risk students through phone calls, text messages, Class Dojo, or home visits. Address specific attendance barriers and connect families with appropriate resources and support services as needed.
Hold monthly meetings with school leadership, teachers, and support staff to review attendance data and assess the effectiveness of current interventions. Use data trends to inform and adjust strategies as needed for improved outcomes.

Starting in the 2025–2026 school year, students will be empowered to develop positive habits for academic success through peer mentorship opportunities. By modeling exemplary attendance, participating in student council, and engaging in volunteer activities. Student leaders will inspire their peers and foster a culture of responsibility, leadership, and consistent school engagement.

For each at-risk student, create a personalized attendance improvement plan that includes clear goals and actionable strategies. Collaborate with families through scheduled meetings to review the plan and establish regular check-ins to monitor progress and make necessary adjustments.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Attendance Data Monitoring and Evaluation Tools:

Monthly Chronic and At-Risk Reports (Insight/New Visions Tool): Monitor chronic and at-risk absenteeism rates to assess progress toward reducing overall absenteeism.

ATS Attendance-Specific Reports: Use ATS-generated reports to gain detailed insights into daily and monthly attendance trends.

Incentive Program Participation Data: Track and analyze student engagement in attendance incentive initiatives, such as monthly recognition events.

Parent Workshop Attendance and Feedback: Collect and evaluate attendance and feedback from parent workshops to measure family engagement and identify areas for improvement.

Data Analysis and Parent Engagement Tracking:

New Visions Reports Analysis: Review quarterly data to monitor reductions in chronic absenteeism and the number of at-risk students. Identify trends to evaluate the effectiveness of current attendance strategies and adjust as needed.

Parent Engagement Records: Track the frequency and nature of communication with families of at-risk students, documenting the support resources provided and any observed improvements in student attendance.

Attendance Monitoring and Engagement Activities:

Monthly Attendance Team Meetings: The attendance team will convene monthly to analyze data from New Visions and ATS reports, identify trends, and make necessary adjustments to the action plan. These meetings will also include reviews of attendance improvement plans and family engagement efforts.

Parent Survey Analysis for Workshop Planning: Review parent survey results to pinpoint areas of interest and identify where additional support is needed. Use these insights to develop targeted workshops addressing specific attendance barriers.

Monthly Incentive Program Review: Assess the impact of attendance incentives by comparing attendance data before and after recognition events. Adjust the incentive program as needed based on data and participant feedback.

Progress Reporting and Annual Review:

Quarterly Progress Updates to Leadership: Deliver regular updates to school leadership on attendance trends, program effectiveness, and progress toward the SMART goal. Include recommendations for any necessary adjustments to the action plan.

Annual Review of Strategies and Outcomes: Conduct a comprehensive year-end analysis of all data sources to evaluate the impact of implemented strategies on absenteeism rates and provide informed recommendations for the upcoming school year.

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Monthly Attendance Awareness Workshops for Families: Host workshops that emphasize the importance of regular attendance, the effects of chronic absenteeism on academic progress, and practical strategies to support consistent attendance at home. Topics will include establishing effective morning routines, addressing transportation challenges, and understanding attendance policies. Sessions will be offered in multiple languages to ensure accessibility and inclusivity for all families.	District 32 Attendance Lead, Attendance teacher, attendance family worker.
09/04/2025	06/26/2026	Parent-Teacher Attendance Partnership Meetings: Schedule one-on-one meetings between parents and teachers or the attendance coordinator for students identified as at risk of chronic absenteeism. During these meetings, discuss specific attendance barriers, set clear attendance goals, and collaboratively develop action plans. Provide resources and referrals as needed to support student attendance.	District 32 Attendance Lead, Attendance teacher, attendance family worker.
09/04/2025	06/26/2026	Attendance Incentive Program with Family Participation: Engage families in attendance incentive initiatives by inviting them to assemblies and recognition events where students with improved or perfect attendance are celebrated.	District 32 Attendance Lead, Attendance team, attendance family worker.
09/04/2025	06/26/2026	Attendance Teacher Home Visits for Chronically Absent Students.Conduct home visits for students with persistent absenteeism to better understand barriers that families may be facing. School counselors, social workers, or attendance officers will work with families to identify and address obstacles to consistent attendance.	District 32 Attendance Lead, Attendance team, attendance family worker.

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

District Attendance Lead, Attendance Family Worker, Parent Coordinator, Social Worker, Guidance Counselor, Teacher, STH liaison

Instructional Resources

ATS, GAMA data, Attendance Works resources.

Schedule Adjustments

Schedule District Attendance Lead for parent workshops.

Other Resources Needed

N/A

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
According to SESIS, SY 2025 IEP Progress Report data, there is not a significant improvement of students reaching their IEP goals.	Lack of a school- wide tracking system to measure the impact special education intervention services are having regarding student progress towards their individualized goals.	IEP Development and Fidelity of Implementation

		Transition Planning and Compliance
		Referral Process and Equity
		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	30	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), we will improve student progress towards meeting their IEP goals by a 50% Increase, from 30 to 60, as measured by IEP Progress Report (SESIS); Shared Path Framework Dashboard & IEP Review Data.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Educators will share student work samples and/or data visuals (charts, graphs) to show growth toward IEP goals and explain instructional strategies being used which are supporting students to attain their goals and designing instructional next steps to make adjustments as needed.

Root Cause Addressed:

Lack of a school- wide tracking system to measure the impact special education intervention services are having regarding student progress towards their individualized goals.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Begin the year with professional development on how to implement monthly progress monitoring for IEP goals.
Professional development will be provided on a monthly basis to support special education teachers in designing tailored lesson plans so that differentiated, tiered instruction and interventions will meet the specific needs of their students.
On the spot, hands- on coaching will be provided to support delivery of instruction methods so scaffolds meet the specific needs of students.
Vertical Teacher Teams will engage in inter- class visitations and share best practices to develop their own pedagogy.
Interim Teacher Check-in's will be conducted by administration November 2025 March 2026 June 2026

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/08/2025	06/26/2026	Facilitate parent discussion groups and/or workshops to build understanding of their child's IEP goals. Including strategies for reinforcing these goals at home, Families will be provided with support and guidance to strengthen home-school partnerships to increase student success in meeting goals.	Parent Coordinator, Related Service department, Social Worker, Guidance Counselor, Special Education Coordinator

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs. Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

Parent Coordinator, Related Service department, Social Worker, Guidance Counselor, Special Education Coordinator

Instructional Resources

Hmh resources, ILC , Fundations, Teacher created Resources

Schedule Adjustments

IEP review sessions, IEP meetings, parent info sessions and workshops, PPT meetings, SIT meetings, special education department meetings.

Other Resources Needed

OPWDD

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Bilingual AIS	Tier 2/3 Reading Supports	Reading	small groups	During	Yes
Sound Partners	Tier 3 Reading Supports	Reading	one-to-one.	During & After	Yes
SPIRE	Tier 3 Reading Supports	Reading	one-to-one, small group	During	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
SAPIS	Tier 2 Referral based- Grades 1-5.	Life Skills	small group, one-to-one.	During	No
Guidance Counselor	Tier 2/3 Referral-based. Grades K-5.	Counseling	small group and 1 to 1	During	No
Social Worker	Tier 2/3 Referral-based. Grades K-5.	Counseling/Crisis/Life Skills	Small group, 1 to 1.	During	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Back-to-school nights, Town Hall meetings, parent conferences, and school community orientation events include brief MTSS overviews to explain what MTSS looks like at PS106. Our tiers of support address academic skills, behavior skills, social emotional skills and are inclusive of processes like universal screenings and progress monitoring.

Families receive clear written materials, in multiple languages as needed detailing their rights.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Quarterly Progress Reports for tiered interventions to keep families informed about their child's progress in targeted areas of attendance, behavior, social engagement, literacy and math.

Parent Referral Letters are provided before students receive At- Risk services academic and social emotional interventions.

In- person, phone call and email communications with individual families regarding all Tier 3 supports are provided by Attendance Family Worker DeJesus, Guidance Councelor Golombeck, Social Worker Soto, Special Education Coordinator Chevalier and the Assistant Principal's.

Preventive measures in the way of Attendance Intervention Action Plans are provided by Attendance Family Worker DeJesus, Parent Coordinator Diaz and District Attendance Teacher Jean.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Families are collaborated with identify to supports that will address the specific barriers and/ or challenges to their student.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

66

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

Analysis of attendance and achievement data indicates that many students are performing well below grade level on the NYS ELA and Math assessments, as well as on universal and secondary screeners in these subjects. A notable trend shows a correlation between absenteeism during RTI in-class supports and AIS pull-out services, both of which are designed to help close learning gaps.

To address these trends, targeted support will be provided to families of Students in Temporary Housing (STH) to improve attendance and reduce lateness. Services will include Counseling Social Services and referrals to in-house Community-Based Organizations (CBOs) to support family stability and engagement.

Additional support for STH families will include access to an in-house pantry, distribution of school uniforms, school supplies, and winter attire. McKinney-Vento funding will be utilized to provide financial assistance where needed, ensuring these students have the resources to fully participate in their education.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Counseling
Social Services
In-house CBO referral
In-house Pantry
Uniform, school supplies and winter attire distribution.
Distribution of McKinney Vento

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

Three student are enrolled in our school who are in foster care.

Social Worker Soto provides At- risk counseling for the student to develop healthy transitional coping skills and emotional communication skills.
Catholic Charities Family Worker provides information and supports the referral process for community based organizations.
Greater Ridgewood Youth Council program provides afterschool services.
When needed, tiered intervention services are provided for Literacy and Math.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

PS106 provides a range of targeted supports to ensure students in foster care, especially those newly transitioning, receive the necessary interventions to foster stability, emotional well-being, and academic success.

Individualized Support Plans

Behavioral and Emotional Support
Many foster students experience trauma and instability. Our school provides tailored behavioral interventions, including positive reinforcement, social skills training, and specific emotional coping strategies.

Dedicated Support Staff
School Counselor and Social Worker
Regular access to school counselors helps children process their emotions, particularly when experiencing difficult transitions. Counseling services help students cope with trauma, manage stress, and develop coping skills to succeed

in school.

Consistency in School Placement
We understand the importance of stability in a child's education. Therefore, our school works closely with local foster care agencies to minimize school transfers when children are placed in new homes, helping to ensure continuity in their educational journey.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

There is not significant data regarding numbers of students in foster care.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Social-Emotional Learning (SEL) Curriculum: The school implements SEL programs that teach children how to manage their emotions, build positive relationships, and develop resilience—skills that are crucial for foster students.

Section 7: Parent and Family Engagement Policy and School–Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Parent and Family Engagement Policy Overview
Educational research consistently shows a strong positive correlation between effective parental engagement and student achievement. The primary goal of this policy is to establish clear expectations and objectives for fostering meaningful parent and family involvement within the school community.

In alignment with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), PS106K is committed to developing and implementing a Parent and Family Engagement Policy that strengthens the partnership between home and school to support student success. This policy aims to keep families well-informed and actively engaged in the planning and decision-making processes that impact their children's education.

Parents are encouraged to participate actively in the School Leadership Team, Parent Association (or Parent-Teacher Association), and the Title I Parent Advisory Council. They are welcomed as valued members of the school community and supported as trained volunteers contributing to a collaborative and inclusive educational environment.

Support for Parents and Family Members of Title I Students

Supporting Parents and Families of Title I Students at P.S. 106

P.S. 106 is committed to supporting the parents and families of Title I students through a variety of meaningful strategies designed to enhance student achievement and strengthen the home-school connection. These efforts include:

1) Providing materials and training to help parents support their children's academic progress in areas such as literacy, math, and the use of technology.
2) Equipping parents with the information and skills necessary to participate effectively in planning and decision-making related to their children's education.
3) Promoting a caring and effective home-school partnership that enables parents to support and monitor their child's academic progress
4) Assisting parents in understanding City, State, and Federal academic standards and assessments.
5) Sharing information about school programs, parent-focused events, and other activities in formats and languages that are accessible and easy to understand.

Offering professional learning opportunities for school staff—developed in collaboration with parents—to enhance outreach efforts, improve communication skills, and strengthen cultural competency, fostering deeper connections with all members of the school community.

Parental Involvement and School Quality

P.S. 106 Title I Parent and Family Engagement Policy:

The Parent and Family Engagement Policy at P.S. 106 has been developed based on a thoughtful assessment of the diverse needs of all parents and guardians—including those of Multilingual Learners/English Language Learners (ML/ELL) and students with disabilities. With meaningful input from families, the school community will conduct an annual evaluation of the policy's content and effectiveness, specifically in collaboration with Title I parents, to enhance the academic quality of the school. Feedback gathered through surveys and evaluations will be used to refine strategies that more effectively support families and strengthen the school's Title I program. This data will be documented and maintained by the school.

In the development of the Title I Parent and Family Engagement Policy, parents of Title I students, members of the Parent Association (or Parent-Teacher Association), and the School Leadership Team were consulted and encouraged to seek additional input from the broader parent community.

To increase family engagement and promote school improvement, P.S. 106 is committed to the following:

1) Inclusive Planning and Evaluation: Actively involve parents and families in the planning, review, and evaluation of the Title I program as outlined in the School Comprehensive Education Plan (SCEP), including implementation of the Parent and Family Engagement Policy and the School-Parent Compact.
2) Input on Title I Set-Aside Funds: Engage families in decisions regarding the use of the required 1% Title I set-aside funds designated to support parent and family engagement activities, such as family literacy programs and parenting workshops.
3) Strategic Use of Title I Funds: Ensure that funds allocated for parent and family engagement are used to support activities and strategies detailed in this policy and the School-Parent Compact.
4) Support for Parent Leadership: Maintain and support school-level committees that include parent representatives from the School Leadership Team, Parent Association (or PTA), and the Title I Parent Advisory Council. This includes providing technical assistance and ongoing training, especially in leadership development.

5) Parent Coordinator Support: Maintain a Parent Coordinator (or designated staff member) who will serve as a key liaison between the school and families. The Parent Coordinator will organize workshops aligned with identified parent needs, foster a welcoming school environment, and keep a monthly log of family engagement events to be reported to the central office.

Educational Workshops for Parents: Offer workshops on a variety of topics including parenting skills, understanding curriculum and assessments, building literacy at home, accessing support services, and developing technology skills to assist children academically.

Accountability Education: Provide families with opportunities to understand the educational accountability system, including ESSA requirements, student proficiency levels, the Annual School Report Card, School Quality Report, Quality Review Report, and the Learning Environment Survey Report.

Annual Title I Parent Meeting: Host the required Annual Title I Parent Meeting each school year to inform parents of the Title I program, their rights, and the requirements for parent and family engagement under Title I, Part A, Section 1116 of ESSA.

Flexible Scheduling for Parent Meetings: Schedule additional meetings—such as quarterly updates—at flexible times (morning and evening) to accommodate parent availability and share updates on school initiatives, while also providing opportunities for parent feedback.

Language Accessibility: Translate all critical school documents and provide interpretation services during meetings and events to ensure accessibility for all families.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:

- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P.S. 106, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA).

I. School Responsibilities: Supporting Home-School Relationships

Strengthening Home-School Relationships and Communication

To support strong home-school partnerships and enhance communication with families, P.S. 106 is committed to the following actions:

Parent-Teacher Conferences: Conduct parent-teacher conferences each semester to discuss individual student achievement and explain how the School-Parent Compact supports academic success.

Annual Title I Parent Meeting: Host an Annual Title I Parent Meeting to inform families of the school's Title I status, funded programs, and their rights to be involved in their child's education.

Flexible Meeting Options: Arrange additional meetings at flexible times (e.g., morning or evening) to accommodate family schedules. When possible and based on available funding, provide support such as transportation or child care for parents who may otherwise be unable to attend.

Language Accessibility: Ensure that families with limited English proficiency receive translated documents and interpretation services to support their full participation in their child's education.

Clear Communication: Provide information about school programs, meetings, and activities in a clear, accessible format and, whenever practicable, in the home languages of families.

Parent Involvement in Planning: Involve parents in the review, evaluation, and ongoing improvement of Title I programs, the Parent and Family Engagement Policy, and the School-Parent Compact.

Timely Academic Information: Share timely information with parents, including performance profiles, individual student assessment results, and other relevant school data.

Annual Distribution and Review: Distribute the Parent and Family Engagement Policy and the School-Parent Compact each year and ensure both are reviewed and discussed with families.

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Fostering Strong Home-School Partnerships at P.S. 106

At P.S. 106, we highly value open, respectful, and effective communication between families and school staff. We are committed to building a collaborative partnership that supports the academic achievement and overall well-being of every student. To ensure parents have meaningful access to school resources and opportunities for involvement, we will implement the following strategies:

1. Facilitate Effective Communication with Limited English Proficient Parents
Recognizing the importance of clear communication for all families, we will ensure that staff have access to interpretation and translation services. This will enable seamless, respectful, and meaningful interactions with parents and guardians who speak languages other than English.

2. Inform Parents of Appointment Procedures
Parents will receive clear guidance on how to schedule appointments with their child's teacher or other school staff. These procedures are designed to make communication easy and efficient, ensuring that meetings are purposeful and productive.

3. Provide Training Opportunities for Parent Involvement
We recognize and appreciate the contributions of parent volunteers. To support effective participation, we will offer training sessions for parents interested in volunteering in classrooms or observing instructional activities. These opportunities will empower families to take an active role in their child's education.

4. Plan Engaging Activities for Parents Throughout the School Year
To nurture a strong school-home connection, we will organize a range of activities throughout the academic year. These may include Parent-Teacher Conferences, open house events, family workshops, and informational sessions—all designed to keep parents informed, involved, and engaged in their child's learning journey.

By promoting reasonable access to school staff, offering practical training, and providing engaging activities, P.S. 106 is dedicated to creating a welcoming and inclusive environment for all families. Through these efforts, we aim to build a shared commitment to student success—developing confident, capable, and well-rounded learners who thrive both academically and emotionally.

I. School Responsibilities: Providing General Support to Parents

P.S. 106: Strengthening the Home-School Partnership

At P.S. 106, we are committed to fostering a strong, collaborative partnership with parents and guardians to support the academic success and overall well-being of our students. As part of our commitment, we provide a range of initiatives and resources to ensure that families feel welcomed, informed, and empowered in their role as active participants in their child's education. Our responsibilities to parents include the following:

Creating a Safe, Supportive, and Inclusive Learning Community
We strive to maintain a school environment where all students feel safe, supported, and valued. We welcome and respect the voices of parents and guardians, encouraging open communication and collaboration between families, educators, and students to promote a positive, inclusive school culture.

Helping Parents Understand Academic Standards and Assessments
We recognize the vital role parents play in supporting their child's academic journey. To help families better understand academic standards and assessments, we offer professional learning opportunities—scheduled at times convenient for most parents—that provide guidance on monitoring student progress and engaging meaningfully in learning at home.

Promoting Effective Communication and Collaboration
Through workshops, seminars, and ongoing communication, we share best practices for effective collaboration between home and school. These efforts equip parents with the tools to build strong relationships with teachers and staff, encouraging continuous engagement in their child's education.

Encouraging and Supporting Parental Involvement
We value the contributions of parents and actively support their involvement in school events, committees, and decision-making processes. Whether through volunteering, participating in leadership teams, or attending school functions, families are encouraged to play an active role in shaping a supportive learning environment.

Utilizing Title I Funds for Family Engagement
We responsibly allocate Title I funds to support parent and family engagement activities outlined in our School-Parent Compact and Parent and Family Engagement Policy. These resources help strengthen our outreach and enhance the quality of programs that connect families to the school.

Informing Parents of Their Right to File Complaints
In accordance with Title I requirements under the Every Student Succeeds Act (ESSA), we ensure that parents are aware of their right to file complaints under the Department of Education's General Complaint Procedures. We provide clear guidance and support for families who may have questions or concerns regarding their child's education.

At P.S. 106, we are dedicated to building a collaborative and inclusive school community where every parent, guardian, and staff member plays a vital role in our students' academic and personal development. Through mutual trust, open dialogue, and shared responsibility, we aim to empower all students to reach their fullest potential and succeed in their educational journey.

II. Parent/Guardian Responsibilities

At P.S. 106, we recognize the critical role that parents and guardians play in their child's education. We value the partnership between school and home and encourage parents/guardians to actively engage in their child's academic journey. By assuming the following responsibilities, parents/guardians contribute to creating a supportive and enriching learning environment for their children:

Monitor Attendance and Punctuality:
Parents/guardians will monitor their child's attendance and ensure that their child arrives at school on time. If their child is absent, they will follow the appropriate procedures to inform the school.

Foster Healthy Sleep Habits:
Parents/guardians will ensure that their child gets enough rest by setting a bedtime schedule based on the child's age

and individual needs, ensuring they come to school well-rested and ready to learn.

Support Homework Completion:
Parents/guardians will check and assist their child in completing homework tasks when necessary, providing guidance and support to reinforce learning.

Encourage Daily Reading and Discussion:
Parents/guardians will read to their child or engage in discussions about the child's reading for at least 15 minutes each day, promoting a love for reading and language development.

Set Limits on Screen Time:
Parents/guardians will set limits on the amount of time their child spends watching television or playing video games, encouraging a healthy balance between academic responsibilities and leisure activities.

Encourage Positive Extracurricular Engagement:
Parents/guardians will support their child's participation in extracurricular activities, such as extended day learning opportunities, clubs, team sports, or quality family time, promoting holistic development.

Promote Respect for School Rules:
Parents/guardians will encourage their child to follow school rules and regulations, discussing the importance of adhering to the school's Compact and Code of Conduct.

Volunteer and Engage in School Activities:
Parents/guardians will volunteer in their child's school or assist from home as time permits, actively participating in school events and activities.

Participate in Educational Decision-Making:
Parents/guardians will participate in decisions relating to their child's education, engaging with teachers and school staff to discuss educational needs and progress.

Stay Informed and Engaged:
Parents/guardians will stay informed about their child's education by regularly reading and responding to all notices from the school or district. They will respond to surveys and feedback forms when requested.

Engage in Policy Development:
Parents/guardians will become involved in the development, implementation, evaluation, and revision of the Parent and Family Engagement Policy and this Compact.

Seek Educational Training:
Parents/guardians will participate in training opportunities offered by the school, district, central, or State Education Department to learn more about teaching and learning strategies when possible.

Participate in Parent Associations:
Parents/guardians will actively take part in the school's Parent Association or Parent-Teacher Association and serve on advisory groups as appropriate, contributing to the school's overall improvement.

Share Responsibility for Academic Achievement:
Parents/guardians will share the responsibility for their child's academic achievement, working in partnership with educators to support their child's learning and growth.

By embracing these responsibilities, parents/guardians play an integral role in their child's educational success. The collaboration between school and home creates a strong foundation for academic achievement and fosters a

supportive and enriching learning environment for all students. Together, we can empower our children to reach their full potential and prepare them for a successful future.

III. Student Responsibilities

At P.S. 106, we believe that instilling a sense of responsibility in our elementary school students is vital for their academic and personal growth. We encourage our students to embrace the following principles of student responsibility:

Attend School Regularly and Arrive on Time:
We value regular school attendance as it contributes to students' learning and success. We encourage all students to attend school every day and arrive punctually to make the most of their educational opportunities.

Complete Homework and Submit Assignments on Time:
Completing homework and submitting assignments on time is an essential part of the learning process. By taking responsibility for their academic tasks, students develop discipline, time management skills, and a strong work ethic.

Follow School Rules and Be Responsible for Actions:
We expect our students to adhere to the school rules and conduct themselves responsibly both inside and outside the classroom. By making thoughtful decisions and accepting the consequences of their actions, students learn valuable life skills.

Show Respect for Themselves, Others, and Property:
Respect is a fundamental value in our school community. Students are encouraged to show respect for themselves, their peers, teachers, staff, and the school environment. Respecting the property and personal boundaries of others fosters a positive and inclusive learning environment.

Resolve Disagreements or Conflicts Peacefully:
Conflict is a natural part of human interactions. We teach our students to resolve disagreements and conflicts through open communication, empathy, and understanding. Students are encouraged to seek the support of teachers and staff when needed to find peaceful resolutions.

Always Strive to Learn and Do My Best:
We believe that every student has the potential to succeed. Students are encouraged to embrace challenges, seek help when needed, and always strive to learn and improve. Celebrating their efforts, growth, and achievements fosters a growth mindset and a love for lifelong learning.

By promoting student responsibility through consistent reinforcement of these principles, we aim to develop well-rounded individuals who are equipped to navigate challenges, make positive contributions to society, and achieve their fullest potential. We believe that fostering a sense of responsibility in our elementary school students lays a strong foundation for their future success and empowers them to become responsible, respectful, and compassionate members of our school community and beyond.

Title I Program Information

Part 1: Title I Program Type

Title I Requirements and Strengthening Title I Parent Involvement: Under USDOE's Every Student Succeeds Act (ESSA), Title I schools are required to address professional learning and parent and family engagement in the Comprehensive Education Plan (CEP). To strengthen parent leadership in Title I schools, and increase the involvement of all parents of Title I eligible children in improving students' academic outcomes, all Title I schools are required to establish a Title I Parent Advisory Council (PAC) that will serve as the consultative and representative body for all Title I parents in the school to provide voice into the spending of Title I funds.

The SLT is responsible for facilitating consultation with the Title I Parent Advisory Council regarding the joint development of the CEP, Parent and Family Engagement Policy, School Parent Compact (SPC) and the use of the 1% parent involvement set-aside in Title I schools. The Title I Parent Advisory Council (PAC) Chairperson (or alternate) is expected to attend all regular meetings of the School Leadership Team (SLT). Title I parents, as represented by the Title I PAC Chairperson, must be consulted regarding the use of the Title I 1% set-aside for parent and family engagement. The Title I 1% set-aside funding is used to supplement parent and family engagement activities as described in the school's Parent and Family Engagement Policy and must be aligned with student achievement goals as outlined in the CEP. For additional guidance on the Title I Parent Advisory Council (PAC), go to the Protocols and Timeline for Title I Parent and Family Engagement Activities document.

Directions:

- All schools must indicate their Title I status in Part 1.
- All elements of the All Title I Schools section must be completed in Part 2.
- All Targeted Assistance (TA) Schools must also complete the TA Schools Only section in Part 3.
- All Schoolwide Program (SWP) schools must also complete the SWP Schools Only section in Part 4.
- If a required component is addressed elsewhere in this plan, you may refer to the section or Priority where the response can be found.
- For additional information, visit the Title I Program Description (US Department of Education).

Your school's Title I Program

Title I SWP

Part 2: All Title I Schools

High Quality and Ongoing Professional Learning: Please list below the Priority or section(s) that indicate strategies and activities for high quality professional learning for teachers, principals, staff, and paraprofessionals to enable all students to meet state standards.

The Continuous Professional Learning and Development for our school staff is of paramount importance in the successful implementation of instructional strategies, curriculum enhancements, and targeted interventions. The following sections of the CEP highlight the significance of ongoing professional learning to equip our educators with the necessary knowledge and skills to support all students in meeting state academic standards.

Section 3: School-wide Instructional Program

Section 4: Curriculum and Instruction

Section 5: Priority 3 – All students have a high-quality academic experience

Section 6: Multi-Tiered Systems of Support (MTSS) academic support tier 2 or 3

This year, we will place a strong emphasis on continuous professional development in key programs such as HMH Into Reading, Arriba La Lectura, and Illustrative Math. These are aligned with the Chancellor's expectations. Through targeted training, workshops, and resources, we aim to enhance our staff's expertise in these programs, ensuring that they can effectively utilize these instructional materials and strategies to maximize student learning and achievement. By investing in our staff's professional growth, we are committed to providing our students with a high-quality academic experience and supporting their journey towards academic excellence.

Part 4: Schoolwide Program (SWP)

Transition Plans to Assist Preschool Children (Elementary Schools Only): Describe the transition plans used to assist preschool children from early childhood programs to the elementary school program (e.g. aligned curriculum, joint PD & parent involvement activities, sharing of records/information, early intervention services, etc.).

Our transition plans are designed to ensure a smooth and successful transition for preschool children from early childhood programs (3K and PreK) to the elementary school program. The transition process involves a coordinated effort between our school, parents, and early childhood programs to support the continuity of learning and a seamless adjustment to the elementary school environment. The key components of our transition plans include:

Aligned Curriculum: We have aligned our elementary school curriculum with the Creative Curriculum used in our preschool programs. This alignment fosters a sense of familiarity and continuity for the students as they transition to the next grade level, ensuring that they build upon their prior learning experiences.

Joint Professional Development (PD) and Parent Involvement Activities: We conduct joint professional development sessions that involve both preschool and elementary school educators. These sessions facilitate collaboration and mutual understanding between teachers, promoting a shared vision for students' learning and development. Additionally, we encourage parent involvement activities that span across both early childhood and elementary programs, providing parents with opportunities to actively participate in their child's educational journey.

Sharing of Records and Information: We maintain open and continuous communication with early childhood programs to ensure the seamless transfer of important student records and information. This includes academic assessments, developmental milestones, and any individualized support plans, enabling our school to tailor instruction to meet each child's unique needs.

Early Intervention Services: For students who may require additional support, we offer early intervention services in collaboration with early childhood programs. This ensures that children with specific learning needs receive targeted assistance from the beginning of their elementary school experience.

Parent Visits and Information Sessions: We encourage parents to visit our elementary school well in advance of the start of the school year. These visits provide an opportunity for parents and their children to become familiar with the school environment, meet teachers, and explore classrooms. Additionally, we hold information sessions that outline the expectations and routines of the next grade level, helping parents and students prepare for the upcoming transition.

By implementing these transition plans, we aim to create a supportive and inclusive learning environment that nurtures a positive transition for our preschool children as they embark on their elementary school journey. Our commitment to continuity of learning, collaborative partnerships, and open communication ensures that our students experience a smooth and successful transition, setting the foundation for a lifelong love of learning and academic success.

Part 5: "Conceptual" Consolidation of Funds in SWP Schools

Directions: All Schoolwide Program (SWP) schools in NYC are conceptually consolidating their Federal, State, and Local funds, even though the Galaxy system reports the allocations in separate accounting codes1. To be eligible for the flexibility consolidation of Federal funds, a Schoolwide Program school must identify in its Schoolwide plan (CEP) which programs are included in its consolidation and the amount each program contributes to the consolidated Schoolwide pool. Additionally, the school plan must document that it has met the intent and purposes of each program whose funds are consolidated2. **On the chart below**, indicate which Federal, State, and/or local Tax Levy program funds that are consolidated in your school's Schoolwide Program, the amount each program contributes to the consolidated Schoolwide pool, and verification that the school has met the intent and purposes of each program whose funds are consolidated. For the last two columns of this table: Place an (X) in Column A below to verify that the school has met the intent and purposes of each program whose funds are consolidated. Indicate in Column B, the Priority or section that references where a related program activity has been described in this plan.

Program Name	Fund Source (i.e. Federal, State or Local)	Funding Amount: Indicate the amount contributed to Schoolwide pool. (Refer to Galaxy for school allocation amounts)	Column A Verify with an (X)	Column B Section/Priority Reference(s)
Title I, Part A (Basic)	Federal	363,477	X	
Title I SWP STH	Federal	107,697	X	
Title IIA, Supplemental	Federal	93,351	X	Reduce Class Size
Title III, LEP	Federal	LEP 14,993	X	
Title III, Immigrant	Federal			
Tax Levy (Fair Student Funding)	Local	3,155,686	X	
			X	

Explanation/Background

1. Explanation/Background:

Title I Schoolwide Program schools are expected to use the flexibility available to them to integrate services and programs with the aim of enhancing the entire educational program and helping all students reach proficient and advanced levels of achievement. In addition to coordinating and integrating services, Schoolwide Program schools may combine most Federal, State and local funds to provide those services. By consolidating funds from Federal, State, and local sources, a Schoolwide Program school can address its needs using all its available resources. This gives a school more flexibility in how it uses available resources to meet the identified needs of all its students.

Consolidating funds in a Schoolwide Program means that a school treats the funds it is consolidating like they are a single "pool" of funds. In other words, the funds from the contributing programs in the school lose their individual identity and the school has one flexible pool of funds. The school uses funds from this consolidated Schoolwide pool to support any activity of the Schoolwide Program without regard to which program contributed the specific funds used for a particular activity – so long as the use of funds meets the intent and purposes of the programs from which the funds originate. To consolidate funding in a Schoolwide Program, the school does not literally need to combine funds in a single account or pool with its own accounting code. Rather, the word "pool" is used conceptually to convey that a Schoolwide Program school has the use of all consolidated funds available to it for the dedicated function of operating a Schoolwide Program without regard to the identity of those funds.

Consolidating Federal funds in a Schoolwide Program has the following additional advantages:

- Consolidating Federal funds eases the requirements for accounting for funds from each specific program separately, because a Schoolwide school is not required to distinguish among funds received from different sources when accounting for their use.
- A school that consolidates Federal funds in its Schoolwide Program is not required to meet most of the statutory and regulatory requirements of the specific Federal programs included in the consolidation (e.g., semi-annual time and effort reporting for Title I). However, the school must ensure that it meets the intent and purposes of the Federal programs included in the consolidation so that the needs of the intended beneficiaries are met.

2. The intent and purposes of the Federal programs indicated on the chart above (Part 4c of this section) are as follows:

- **Title I, Part A – Schoolwide Programs:** To upgrade the entire educational program in the school in order to improve the academic achievement of all students, particularly the lowest-achieving students. This includes provision of services for Students in Temporary Housing (STH).
- **Title I 1003(a), School Improvement: Comprehensive Support and Improvement (CSI), Additional Targeted Support and Improvement (ATSI) and Targeted Support and Improvement (TSI) Funding:**

Support implementation of school improvement plans that aims to improve instruction and address the identified needs

Title II, Part A: Supplementary funding to improve student academic achievement by reducing class size in grades K, 1, 2, and 3, with an emphasis on grades with an average register greater than 20. If space is not available to form additional classes, funds may support push-in teacher(s) to supplement the instructional program. For schools that choose to reduce class size, priority must be given to reducing class size in general education settings and must demonstrate the following:

- Reduce class sizes to 15-18 students or fewer (including the use of co-teaching and floating teachers that bring the student to teacher ratio to one teacher per 15-18 students);
- Be accompanied by a rigorous curriculum, effective teachers, and a sustained, job-embedded professional development plan.

- **Title III, Part A:** To help ensure that children with limited English proficiency become proficient in English, develop high academic attainment in English, and meet the same challenging State academic content and achievement standards in the core academic subjects that all other children are expected to meet. Another purpose of this program is to increase the capacity of schools to establish, implement and sustain high-quality language instruction programs and English language development programs that assist schools in effectively teaching students with limited English proficiency. Title III, Part A is also designed to promote the participation of parents and communities of limited English proficient children in English language instruction programs.
- **Title III Immigrant**: Supplementary and enhanced services to immigrant students, in the areas of English language acquisition and content area achievement. Immigrant children and youth are defined as individuals who are aged 3 through 21, have not been attending school in any one or more states for more than three (3) full academic years, and were not born in any state. "State" means the 50 states of the United States, the District of Columbia, and the Commonwealth of Puerto Rico. Children born to U.S. citizens abroad, the U.S. Virgin Islands, or any other U.S. territory that is not D.C. or Puerto Rico are to be considered immigrants.
- **Title IV, Part A**: Title IV funds are for schools that are among those with the greatest needs, have the highest numbers of students from low-income families, are identified for CS, ATSI or TSI, or are identified as persistently dangerous public schools. Allowable uses of funds under well-rounded education, safety and health, and educational technology include direct services for students, professional development for teachers and administrators, and supplemental educational resources. School allocations have been provided for well-rounded education, social emotional learning, cultural responsiveness awareness, professional development to support implementation of technology and blended learning environments, and community coordinators in schools with high rates of students in temporary housing

- Students in Temporary Housing (STH): Schools must describe their use of Title I STH funds in their consolidated application.

Important Note: The following funds may not be consolidated:

- **Title I Parent Involvement Set-aside:** Title I, Part A funds must support parent involvement activities and programs. Chancellor's Regulation A-655 requires School Leadership Teams to consult with Title I parent representatives regarding the Title I program and the use of these funds. Parent involvement activities funded through Title I must be included in the Parent and Family Engagement Policy and aligned with student achievement goals in the school comprehensive educational plan.
- **IDEA:** To ensure that all children with disabilities have available to them a free appropriate public education designed to meet their individual needs.
- **Grant funds awarded via a competitive process:** These funds must be used for the purposes specified by the Grantor, as described in the school's approved grant application.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Magaly Moncayo
Assistant Principal (Where Applicable)*	Nicole Lewis
English as a New Language (ENL) Teacher*	Williana Colon
Teacher (if school has a bilingual program must be a bilingual teacher)*	Andreina Garcia
Parent/Guardian*	Araceli Ixcot
Teacher	Marlene Ramos
Parent Coordinator	Marisol Diaz
School Counselor	Miriam Golombeck
Related-Service Provider	Jessica Estevez
Other (Name and Title)	
Other (Name and Title)	

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

3

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

2

Number of teachers who hold both content area/common branch and ESOL certification:

4

Number of ESOL certified teachers with a bilingual extension:

1

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

7

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

1

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

3

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

301

Total number and percentage (%) of current ELLs:

111 (36.88%)

Total number and percentage (%) of former ELLs:

11 (3.65%)

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

91 (81.3%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

21 (18.8%)

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0 (0.0%)

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

1 (0.9%)

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

26 (23.2%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE	SC	Spanish		1	1	1	.5	.5	.5								4.5
TBE																	0
TBE																	0
DLBE	GE	English/Spanish		1	1	1	1	1	1								6
DLBE																	0
DLBE																	0
				total: 2	total: 2	total: 2	total: 1.5	total: 1.5	total: 1.5	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

In our school, instruction for Multilingual Learners/English Language Learners (MLs/ELLs) is delivered through various programs, each designed to address students' English proficiency levels and promote language development. Here is a breakdown of how instruction is delivered in the different programs:

1. Stand-Alone English as New Language (ENL):
- Stand-Alone instruction is implemented as a pull-out model, where students receive dedicated English language development instruction.
- The amount of Stand-Alone instruction is based on the student's English proficiency level.
- Entering students receive 1 unit of study per week (180 minutes) in Stand-Alone.
- Emergent students receive 0.5 units of study (90 minutes) in Stand-Alone, with an additional 0.5 units of flexible time.
- Transitioning students receive 0.5 units of study in Stand-Alone as flexible time.

Integrated ENL:

During the integrated ENL instructional time, students engage in core content areas delivered in English Language Arts (ELA). These ELA lessons include home language supports and appropriate scaffolding techniques implemented by a certified ENL content teacher or a dually certified teacher. Additionally, students receive content instruction in the subjects of Social Studies and Science.

Integrated ENL:
- In the Integrated ENL program, students receive instruction in both core content areas and English language development.
- Entering and emergent level students receive 1 unit of study in ENL/ELA per week, equivalent to 180 minutes.
- Transitional level students receive 0.5 units of study in ENL/ELA, amounting to 90 minutes per week.
- Expanding level students receive 1 unit of study in ENL/ELA per week, totaling 180 minutes.
- Commanding level students continue to receive 0.5 units of study in integrated ENL/ELA per week for an additional two years. This instruction is provided during small group sessions within the classroom.

Former ELLs receive their ENL instruction through alternative pathway, through ELA.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

At P.S. 106, we offer Transitional Bilingual Education (TBE) program for grades for grades K-5 in our Bilingual Self-Contained classes.

Transitional Bilingual Program:
- In the Transitional Bilingual Program, students who share a common home language, such as Spanish, are grouped heterogeneously.
- The program is flexible and responsive to students with varying English proficiency levels who are fluent in their native language.
- Initial content and literacy instruction are delivered in students' native language, paired with systematic and sequential ENL instruction.
- The amount of instruction in English gradually increases until students can successfully participate in English-only classrooms.
- The language allocation in this program is 60% native language and 40% English.
- Stand-Alone ENL, integrated ENL, and two periods of math in the native language, as well as Social Studies and Science, are provided in this program.

By offering the Transitional Bilingual Education program, we strive to provide a comprehensive bilingual education experience for our students. These programs not only support their language development but also foster cultural understanding and academic achievement in a diverse and inclusive environment.

Dual Language Bilingual Education (DLBE):

Dual Language Bilingual Education (DLBE) Program (Grades K-5)
P.S. 106 also offers a two-way Dual Language program that includes native English speakers and English Language Learners (ELLs) who speak Spanish. In this program, instruction is delivered in both English and Spanish by one or more teachers who are proficient in both languages. The school follows a 50% English and 50% Spanish language allocation model for instruction. Students in the DLBE program are grouped heterogeneously, allowing for a diverse learning environment. Instruction is differentiated to meet the specific needs of ELLs, ensuring they receive the mandated minutes of instruction based on their proficiency level. The DLBE program follows a 1-day alternating day model, where students alternate between instruction in English and Spanish on a daily basis.

Dual Language Program:
- In the Dual Language Program, classes are grouped heterogeneously and consist of native English speakers and native speakers of the target language.
- Instructional time is divided equally between the target language and English.
- Instruction is delivered in all content areas, and the ratio of instruction in the target language to English remains consistent.
- Students follow a day-alternating day model, spending 50% of their time studying in the target language and 50% in English.
- Teachers differentiate instruction to meet the required English proficiency minutes for each student level.

By offering the Dual Language Bilingual Education program, we strive to provide a comprehensive bilingual education experience for our students. These programs not only support their language development but also foster cultural understanding and academic achievement in a diverse and inclusive environment.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

The instructional time at our school is aligned with the units of study specified in Chancellor's Regulation (CR) 154. Here's how the instructional time is allocated for different proficiency levels:

1. Emergent Students:
- In ENL Stand-Alone, emergent students receive 1 unit of study, equivalent to 180 minutes per week.
- They also receive 0.5 units of study in Stand-Alone (90 minutes) and 0.5 units of Stand-Alone with flexibility.
- Additionally, emergent students receive 1 unit of study in integrated ENL/ELA, totaling 180 minutes per week.

2. Transitioning Students:
- Transitioning students receive 0.5 units of study in ENL/ELA (90 minutes) and 0.5 units of study in Stand-Alone (flexibility).

3. Expanding Students:
- Expanding students receive 1 unit of study in ENL/ELA, amounting to 180 minutes per week.

4. Commanding Students:
- Commanding students receive 0.5 units of study per week in integrated ENL/ELA.

In the Dual Language program, both the home language and English are utilized equally. Students in this program receive instruction in both languages, with a balanced language allocation. On the other hand, in the Transitional Bilingual program, as students improve their English proficiency, more time is allocated to learning in English, gradually reducing the amount of instruction in their home language.

The ENL teacher provides services to English Language Learners (ELLs) who are part of monolingual classes. Stand-Alone instruction is conducted as pull-out, where students receive targeted ENL instruction outside of their regular classroom. Integrated ENL instruction, on the other hand, is delivered through a push-in model, where the ENL teacher collaborates with the classroom teacher to provide support within the regular classroom setting.

By implementing these instructional approaches, we aim to provide tailored language support and maximize learning opportunities for our ELL students at different proficiency levels, promoting their language development and academic success.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

1. Stand Alone
- Entering 180 minutes
-Emergent 90 minutes and 90 minutes Flexibility
-Transitioning 90 minutes Flexibility

2. Integrated ENL/ELA
-Entering 180 minutes
-Emergent 180 minutes
-Transitioning 90 minutes
-Expanding 180 minutes
-Commanding 90 minutes

3. Home Language

-Entering 1 unit HLA
Emergent 1 unit HLA
Transitionin 1 unit HLA
Expanding 1 unit HLA

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

Our Dual language program aims to offer our students the opportunity to become bilingual, biliterate, and bicultural while improving student academic ability in two languages (English and Spanish).

Currently, we have a 2-way Dual-Language model. Instruction is designed to include both languages through a 50:50 language allocation model (50% of instructional time is conducted in English and 50% is conducted in Spanish). The goal is to provide a balanced and equitable learning experience in both languages. The language of instruction is delivered on alternating days.

In the Two-Way Dual Language program, emergent literacy is taught in a sequential manner. Students receive strong literacy development instruction in their native language (Spanish) as well as in their second language (English). Teachers ensure that systematic and explicit instruction is provided in both languages to support students' language acquisition and literacy skills. They create a language-rich environment that offers ample opportunities for students to practice and engage with both languages. Additionally, teachers highlight cognates (words that are similar in both languages) and help students make connections between English and Spanish, facilitating their language development and cross-linguistic understanding.

b. In which language(s) is each core content area taught?

In the Two-Way Dual Language program at P.S. 106, each core content area is taught in both English and the target language, which is Spanish. This language allocation remains consistent from Kindergarten to 5th grade.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

In our transitional bilingual education programs, the core content areas that are taught bilingually vary based on students' proficiency levels. In the dual language program, which includes students proficient in NYSESLAT scores (expanding and commanding levels), the core content areas taught bilingually are English Language Arts, Math, Social Studies, and Science. This means that instruction in these subjects is provided in both English and the students' home language.

By providing bilingual instruction in these core content areas, the school aims to ensure that students have access to the curriculum in both languages, promoting their academic growth and language development in both English and their home language.

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Newcomers

81.3% are newcomers.

Newcomers have a very specific and unique social-emotional, linguistics and instructional needs.
First, newcomers are provided with instruction focused on providing opportunities to engage in discipline- specific practices, such as scaffolds, cross-linguistic connections, translanguaging, and SEL activities to integrate with the new culture. Activities, are designed to build conceptual understanding and language competence. Teachers design learning opportunities that integrate reading, writing, listening and speaking.

The instruction aims to leverage ELL's home language, cultural assets and prior knowledge. ELL's home language and culture are regarded as assets and are used by the teachers in bridging prior knowledge to new knowledge, and in making content meaningful and comprehensible.

Also to ensure we are providing effective instruction to newcomers; teachers provide instruction aligned to the Next Generation Standards. We provide supports of emerging language when students engage in these activities in particular the implementation of QTEL protocols.

Additionally, teachers will use diagnostic tools and formative assessments practices to measure student's content knowledge, academic language competence in English and native language to determine interventions and supports.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

0.9%

SIFE students face specific challenges related to particularities of their schooling experience. To address the needs of SIFE students need to engage in rigorous, challenging through effective strategies and practices. To differentiate the instructions SIFE students need to be exposed to:

* Asset- based teaching and learning approaches - The students will engage in culturally responsive teaching. The school will administer assessment in native language to identify the skills they already possess. Based on results, teachers can consider target interventions and at classroom level can incorporate native language supports.
* Classroom teacher will engage with ENL teacher and service providers in continuous conversations and monitor the process such and targeted supports.
* Interdisciplinary curriculum to help students connect new learning to new information. Teachers will use theme aligned essential questions, cross curricular or interdisciplinary themes, vocabulary and SEL competencies to support the students.
* Highly structured instructional strategies- Teachers will use strategies that emphasize routines and task repetition in different context. to reduce the cognitive load.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

0%

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

3.6%

Our school provides formal ELLs two years of additional services and testing accommodations. Students receive.5 units of study and its equivalent to the 90 minutes of Integrated ENL/ELA. Students are programmed in Alternate Pathways.

Former ELLs receive instructional supports such as Academic Interventions (AIS) if required based on progress monitoring.

The school has in place opportunities for communication between the ENL teacher and the mainstreaming teacher. Teachers and ENL teachers collaborate in:

1) Create a language-rich environment by providing access to books, reference materials, learning charts, and student work.
2) Provide targeted vocabulary support and teach cognates to enhance language acquisition.
3) Strategically group students within diverse classrooms to foster leadership, collaboration, and additional support opportunities.
4) Continue to support multicultural awareness through carefully selected reading materials, cultural activities, and celebrations that nurture and maintain students' first language (L1).

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

There are three key at risk indicators which might adversely affect ELLs at our school are:
1- there are 91(81.3%) of students that are Newcomers.
2- there are 68 (60.7%) of students that are in Temporary Housing.
3- there are 50 (44.6%) of students did not demonstrate sufficient ELP Progress during the Spring 2024 NYSESLAT.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

The key at risk indicators which might adversely affect former ELLs at our school are:
1- 45.5% (5) of former ELLs scored level 1 or 2 on the ELA.
2- 36.4% (4) of former ELLs scored level 1 or 2 on the Math.
3. Newcomers that are below grade level in native language (Renaissance)

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The largest representation of ELLs home language at our school is Spanish with 111 students.
Currently, the school provides AIS in home language to support ELLs which is based on the results of the Rennaissance Star-Spanish demonstrated that they were not proficient in their native language. The AIS services are provided by a Bilingual Special Education Certified teacher

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

The racial and ethnic classification of ELLs at our school are:

Non-Hispanic ELLs (1)- White
Hispanic ELLs (111)- 33- White, 30-Black, 45-American Indian or Alaskan Native, 3-Native Hawaiian or Other Pacific Islander.

ELLs are actively included in school planning by:

1) Prioritizing their intellectual growth and development.
2) Creating school environments where students can affirm and celebrate their cultures of origin while also developing fluency in other cultures. For example, during morning announcements, students are encouraged to use their home language to share news with the school community.
3) Designing learning experiences that teach students to identify, analyze, and solve real-world problems. The curriculum immerses students in literacy from diverse parts of the world.
4) Implementing culturally relevant curriculum that incorporates multiple perspectives. Bulletin boards and displays showcase diversity and multicultural work to raise awareness and appreciation of different cultures.
5) Incorporating programs such as Panorama Reading through the Lens of Science, exposing students to global competencies, and Panorama Reading through the Lens of Social Studies, which integrates civics, history, geography, and economics from diverse regions around the world.

6) Ensuring the school and classroom libraries include collections that support culturally responsive and sustaining education (CR-SE).

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

In 2022-2023 there was 4 students who tested out, compared to 2023-2024 where we had 7 students tested out.

7 students met progress by exiting ELL status.
11 students met annual progress target.
2 students met safe harbor cumulative growth.
50 students did not meet progress, which is one of the at-risk indicators which might adversely affect our ELLs.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

When looking at the results of the NYSESLAT from 2023 and 2024 we can see growth in all the modalities.

2023 NYSESLAT- 6 students showed strength in the Reading modality and 2024 NYSESLAT- 3 students showed strength in the Reading modality.
2023 NYSESLAT- 1 students showed strength in the Writing modality and 2024 NYSESLAT- 4 students showed strength in the Writing modality.
2023 NYSESLAT- 4 students showed strength in the Listening modality and 2024 NYSESLAT- 11 students showed strength in the Reading modality.
2023 NYSESLAT- 15 students showed strength in the Speaking modality and 2024 NYSESLAT- 16 students showed strength in the Reading modality.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

School year 2023- 2024, 37 ELLs took the ELA assessment. We observe a relationship between English proficiency and ELA scores

29 students scored 1 in the ELA :
- 4 students were Entering,
-11 Emerging (Students with high dependence on
supports and structures to advance academic language skills and has not yet met the linguistics demands necessary to demonstrate English proficiency.
- 5 students were transitioning (students showing more independence in advance academic language skills but has not yet meet the linguistic demands necessary to demonstrate English language proficiency in a variety of academic settings.
- 9 were Expanding students

6 students scored 2 in the ELA:
- 4 students were Expanding
- 2 students were Commanding

1 student scored 3 in the ELA:
-1 student was Commanding

1 student scored 4 in the ELA:
-1 student was Commanding
There is a correlation between English proficiency and ELA scores.

School year 2023- 2024 43 ELL students took the Math State Test (Students have the option to take the assessment in Spanish)

19 students scored 1 Math score- 5 students scored were Entering, 10 Emerging, 1 Transitioning, 3 expanding, 0 commanding
18 students scored 2- 6 students scored were Emerging, 4 Transitioning, 6 Expanding and 2 Commanding
6 students scored 3- 4 students scored were Expanding and 2 Commanding.
Risk factors that impact Math results: Math assessment include problem solving exercised that required on grade reading levels.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

20 students with individualized plan took the NYSESLAT.

6 students proficiency level is Entering
8 proficiency level is Emerging
5 proficiency level is Transitioning
1 proficiency level is Expanding
None of the students with Special education classification have a Commanding proficiency level nor did they exit the program.

SIFE students

We have 1 SIFE student with Entering as English proficiency level.
Factors that impacted the results of SIFE and IEP
* Students reading below grade level
*Students with difficulties processing information which affect the ability to think, speak, read, write and spell.
* High number of students with IEP goals specify difficulties following directions, formulating questions, retaining information, expressing complete thoughts and remaining task- oriented.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

ChatGPT said:
Here is a polished and cohesive version of your statement:

Supporting English Language Learners Through High-Quality Instructional Practices

At P.S. 106, we are committed to ensuring that English Language Learners (ELLs) receive a high-quality academic experience that promotes deep, meaningful learning. To achieve this, we implement several key strategies designed to support both language development and academic achievement:

Ongoing Assessment of Instructional Effectiveness:
We regularly assess instructional practices to evaluate their effectiveness and identify areas for improvement. This includes a combination of classroom observations, formative assessments, and summative assessments that provide actionable data to inform teaching.

Differentiated Instruction to Meet Diverse Needs:
Our teachers employ differentiated instructional strategies to address the varied learning styles and proficiency levels of ELL students. This includes flexible student grouping, the use of varied instructional materials, and tailored assessments aligned with content objectives. Lessons are designed to be engaging, incorporating academic praise, constructive feedback, and opportunities for students to apply their learning in new contexts and demonstrate mastery through diverse assignments.

Response to Intervention (RTI):
We implement RTI practices to systematically monitor student progress and adjust instruction to meet evolving needs. This data-driven approach ensures timely interventions for students who require additional academic support.

Individualized Supports Within Tier 1 Instruction:
As part of our Tier 1 instruction, we provide targeted interventions and accommodations to address the unique needs of our ELL population. These supports are embedded into daily instruction to promote equitable access to the curriculum and maximize learning outcomes.

Through these comprehensive strategies, P.S. 106 fosters an inclusive and supportive learning environment where ELLs are empowered to thrive academically and develop the skills needed for long-term success.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

Instructional Leadership and Equity-Driven Support for English Language Learners

At P.S. 106, our school's leadership team is deeply committed to ensuring that English Language Learners (ELLs) have equitable access to high-quality core instruction and curriculum. This work is guided by our Instructional Leadership Team (ILT), a strategic body composed of representatives from each grade level and student subgroup.

The ILT follows a systematic, problem-solving approach to align instructional practices with the diverse academic and linguistic needs of our student population. Our overarching goal is to promote consistency, coherence, and instructional excellence across grades and programs.

The leadership team includes educators from a variety of programmatic backgrounds, including Dual Language, Transitional Bilingual Education (TBE), and TBE Special Education. Together, they establish the conditions necessary for effective English as a New Language (ENL) instruction and ensure that equity remains central to all decision-making processes. Using an equity lens, the ILT evaluates relationships, systems, and structures to inform culturally responsive leadership and instructional practices.

The team collaboratively develops a shared instructional vision focused on the academic success of all students, grounded in state regulations such as CR Part 154 and best practices in ESL instruction. They work closely with teachers to select, implement, monitor, and refine instructional strategies to support English learners, ensuring alignment with the school's Comprehensive Education Plan (CEP).

Key strategies implemented by the ILT include:

Collaborative Structures: Establishing common planning time, professional learning communities (PLCs), and data-driven meetings to analyze student work and outcomes.

Peer Observations: Promoting a culture of shared responsibility through peer observations that highlight effective practices and foster professional dialogue.

Professional Learning: Identifying and supporting highly effective teachers through targeted professional development that strengthens both instructional practice and teacher leadership.

School Culture and Climate: Setting goals and implementing practices that foster an inclusive school environment, responsive to the cultural and linguistic diversity of our students and staff.

Instructional Tools: Utilizing assessment tools such as iReady and Estrellita to inform instruction and monitor student progress, with a schoolwide emphasis on vocabulary development as a key component of our instructional focus.

Through these coordinated efforts, the Instructional Leadership Team ensures that all English Language Learners at P.S. 106 receive the high-quality, equitable education they deserve, while building a culture of excellence, inclusion, and continuous improvement.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the

Next Generation Learning Standards.

Core content is delivered in each program model, emphasizing language allocation, instructional approaches, and alignment with Next Generation Learning Standards:

Two-Way Dual Language
In our Two-Way Dual Language program, the goal is to provide grade-level content in both English and Spanish, guided by the Next Generation Learning Standards. Core academic instruction is delivered bilingually, with a balanced language allocation of 50%-50% across all grade levels (K-5). This ensures that students receive instruction in both languages throughout their educational experience.

Language allocation is 50%-50% throughout all grade levels (K-5). Bilingual core content is provided with instruction in both languages. Effective ELA curriculum is designed to allow students to develop full and productive literacy skills and knowledge in their first language. The curriculum is designed to allow our students to develop full literacy skills. Instructional approaches focus in components of reading, phonological awareness and phonics instruction in English and Spanish. Instruction is scaffolded to support students learning both languages. Writing instruction includes strategy development in both languages by using the writing process, RADD, RAFT and thinking Maps to develop organizational skills.

In the transitional bilingual program instruction in core academics subjects as math and science is offered in the student's native language. Language arts (ELA) and Social Studies in integrated in ENL instruction. The curriculum allows the students to develop full and productive proficiencies in English. Instruction promotes equal status of the native language and English but aligns with the vision of bilingualism and multiculturalism. Incorporates language and content Next Generation Standards for both native language and English.

Curriculums Used:
ELA - HMH Into English and Arriba la Lectura
Math - Illustrative Math
Social Studies - National Geographic's Panorama
Science - National Geographic's Panorama

By implementing these structured approaches, our school supports diverse learners in achieving proficiency and academic success across multiple languages while meeting rigorous educational standards.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

For students with Individualized Education Programs (IEPs), our instructional strategies focus on integrating basic skill development with higher-order thinking and problem-solving abilities. Teachers utilize curriculum resources such as HMH and Arriba la Lectura to support advanced skills in comprehension, reasoning, and composition.

Linguistic and Academic Scaffolds: Teachers provide scaffolds tailored to each student's individualized plan, ensuring rigorous instruction that meets their linguistic and academic needs.

Interventions in Both Languages: In transitional bilingual (TB) self-contained settings, interventions are conducted in

both languages using programs like Foundations and Estrellita. These interventions support students in reviewing previously learned concepts and developing organizational skills through tools like Thinking Maps.

Connecting Curriculum Across Content Areas: Teachers help students connect concepts learned in different subjects, fostering holistic understanding and application of knowledge across the curriculum.

Multimodal Instruction: Instruction includes multiple modes of input to accommodate diverse learning styles and preferences, ensuring students have varied opportunities to engage with content beyond verbal input.

Technology Integration: Technology is integrated to supplement learning and address individual areas of difficulty. Teachers use readability websites and leveled materials like I-Ready to provide accessible content aligned with students' instructional levels.

By implementing these strategies and utilizing targeted materials, our teachers create inclusive learning environments that support MLs/ELLs with IEPs in accessing grade-level academic content and accelerating their English language development effectively. This approach ensures that all students receive tailored support to achieve their educational goals.

b. SIFE

To identify SIFE (Students with Interrupted Formal Education), we use the NYS Literacy SIFE screener. This screening is conducted for new students entering grades 3-5.

In order to support students who have experienced interruptions in their formal education, we have enhanced our sheltered instruction. This involves modifying English language instruction to make the subject matter more understandable for students with limited vocabulary. To achieve this, our teachers are implementing various strategies:

1. Visual Aids: Teachers are using more visuals to help students grasp the content.
2. Collaborative Learning: Encouraging students to work together to enhance their understanding.
3. Demonstrations: Providing clear demonstrations to illustrate key concepts.
4. Explicit Instruction: Teachers are delivering explicit instruction in the five essential pillars of learning: phonemic awareness, phonics, fluency, vocabulary, and comprehension.

To further support our students, we are also offering interventions in their native language. This includes the use of programs such as Lunitas, Escalera, and Escencias Spanish Intervention. These programs are designed to assist students with their phonics, reading, and writing skills while providing support in their native language.

c. Newcomers

The data used to track progress, monitor, and inform instruction in our classrooms encompasses various sources and strategies. To ensure effective language development and instruction, teachers are employing several approaches:

1. Cross-linguistic Connections: Classroom teachers are making efforts to connect concepts and vocabulary across languages, promoting metalinguistic awareness among students.
2. Translanguaging Opportunities: Teachers are purposefully planning for opportunities where students can use their native language skills to enhance their understanding and language development.
3. Building Vocabulary and Language Skills: Teachers are focused on building vocabulary and strengthening the use of both receptive and expressive language through various strategies.
• Choral Reading: Students engage in group reading activities to improve fluency and comprehension.

• Wait Time: Teachers allow students sufficient time to process and respond to questions or prompts.
• Visual Representations: The use of visual aids and representations aids in better understanding and retention of concepts.
4. Utilizing Programs: Teachers have access to programs like Arriba La Lectura, Panorama Estudios Sociales, Panorama Ciencia, and Estrellita. These programs enhance phonics instruction and provide support in the students' native language.
5. Peer Learning: Newcomers are encouraged to learn from their peers, and students themselves are considered valuable resources in helping one another.
6. Scaffolding: Teachers implement various scaffolding techniques such as modeling, bridging, contextualization, schema building, text representation, and developing metacognition to support students' language development.
7. Assessment Tools: To track progress, teachers use the IReady assessment and Rennaissance STAR Spanish assessment, which offers valuable insights into students' performance. Additionally, core curriculum quizzes and assessments are utilized to measure learning outcomes and guide further instruction.

By employing these data sources and instructional strategies, our goal is to create a comprehensive and effective approach to language development and instruction, ensuring that our students receive the support and resources they need to succeed.

d. Long Term ELLs

Long term ELLs need opportunities to develop high- level reading, speaking and writing skills. Literacy is the key for language acquisition. To master a language student, need to be able to engage in conversations with peers; they must also be able to comprehend complex text and effectively express ideas through writing. For former ELLs teachers provide vocabulary support. Frontload new and key terms for a lesson with vocabulary lists to build background knowledge, provide audio support for students to pre read a text (Listening modality) Listening to fluent and expressive audio gives students who are developing bilingual fluency and an entry point into complex text. QTEL practices gallery walks, 4 corners and Socratic seminars support students' development in the four modalities listening, speaking, reading and writing. Teachers provide frequent writing opportunities; Students will produce Short constructed responses weekly across subject areas using the RADD strategy. Students will write extended writing, teachers will provide support using thinking maps, the writing process, sentence frames. Students will produce evidence – based claims in each core subject. Teachers will provide feedback. In order to help students at all levels of language acquisition is essential to provide them with literacy support to practice and refine the skills across curriculum. Writing lessons include definitions and parts of the speech for Tier 2 (cross content) and Tier 3 (content specific) words. During lessons teachers will provide a topic overview to help students build background knowledge. Teachers will help students organize their thinking and develop conceptual understanding to facilitate comprehension using interactive graphic organizers. (Thinking Maps).

Long-Term ELLs = 0%

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

School has SIT and PPT team that discuss students individualized plans and which instructional practices and interventions benefits the students. In the first phase administrators provide supports for team members by assist in identifying team members, teachers provide academic and behavioral information, information about individual supports, curriculum requirements, specialized instructional strategies and grouping configurations. In the second phase the team provide specific steps, information and examples where they assess needs of students individual needs, prepare models of support to be discussed with team members. In the third phase team, members including classroom teachers decide supports, interventions. Flexibility give students opportunities to work in groups and

encourage peer interactions. Also, encourage use of student's home language to build comprehension, deep understanding, build confidence and opportunities to express themselves.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

We leverage student's home language in our TB, DL and ENL by removing basic barriers for student's everyday tasks, building opportunities for content using home language and offering choice around how to demonstrate mastery from task and language perspective.

To assess home language, we use
* Renaissance Star Spanish.
* Estrellita program assessments
*Unit assessments from Arriba la lectura
*Teachers observations
* Rubrics and Performance criteria
* Written assignments (Short Constructed responses and Extended writing)
* Students work
* Iready Math in Spanish

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

N/A

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

The scope and sequence for the school professional development is to strength core instruction, best practices and supports for ENL population. Some of the professional development will be gear to curriculum design involves from writing learning and language goals, planning activities, reading, lesson to better shape lessons deliver effective learning outcome, progress monitor to ensure students meet and exceed standards. In addition, teachers will engage in walkthroughs as a way to gauge and strength core instruction. Teachers will work during vertical meetings 2 times a

month during common preps. Also , teachers in the bilingual department will have once a month a grade meeting K-2 and 3_5. Each group will have a team leader that will turn key. Once a month all teachers will participate in a school faculty conference to have PL together as information sharing sessions led by administrators.

Collaborative Planning - Administrators, Instructional Leadership Team and ENL Teacher develop professional development plans based on observations and teacher feedback.

Customized PD - Use diverse data sources (Advance data, feedback, and teacher requests) to identify target areas for professional improvement. The data is used to determine professional development plans. PD may be specific to needs, discipline, and grade levels.

Professional learning incorporates strategies to address all students. PD includes QTEL strategies, promoting Academic Discourse, Writing strategies, Advanced Literacy, and Scaffolds for ELLs. During professional Development and vertical meetings, teachers collaborate and share best practices to ensure that English Language learners receive high, adequate, and rigorous instruction.
The ENL teacher attends professional development opportunities led by the District 32 and Department of Multilingual Learners. The information is shared within the bilingual department meetings.

The teachers in the TB and DI language programs are provided with a common preparation time. The ENL teacher meets with grade team leaders once a month and conducts grade meetings/vertical meetings to analyze data and identify trends.

On Mondays, staff partakes in staff development opportunities led by the administrative staff. Assistant Principal, Ms. Lewis who holds an ESL license, shares with staff members best practices and strategies to meet the mandates in CR-Part 154 for the ELLs in the monolingual classes. The monolingual teachers and the bilingual department teachers collaborate to support our MLLs and ELLs.

The school psychologist and social worker provide Social Emotional and professional development. Teachers also have opportunities to participate in District 32 PD offereings.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Teachers at P.S. 106 actively participate in professional development opportunities offered by District 32, both in person and remotely. District 32 learning opportunities are regularly shared with staff, and scheduling adjustments are made as needed to support teacher participation.

In addition, all teachers engage in weekly professional development sessions held on Mondays as part of our schoolwide learning community.

Attendance records, agendas, and related materials from all professional development activities are maintained in the Bilingual Department, Room 211.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Grades K- 2 Acadience Grades 3- 5 I Ready Math I Ready K- 5- The data is used to identify struggling learners. Students below 1 grade below or more are considered significantly at risk. The students need additional diagnostics assessments to identify skill gaps and plan targeted interventions. As the year, goes on teachers will monitor students who have significant drops in percentile across assessment periods. This will indicates the student is not making adequate growth compared to the norm sample, and it suggests that more information is needed. The easiest spots to look at the data is with reading fluency and comprehension. The fluency screener data includes Phonics and phonemic awareness oral reading fluency, number of errors and accuracy. We will begin using Renaissance Star a scientifically based research program. The screening will provide valid reliable data in English and Spanish, is brief to administer, provide a percentile rank that compares the student's results to a nationally representative group and percentile benchmarks in narrowly defined skills phonemic awareness and comprehension.

Acadience (English and Spanish).

Adaptive research based reading software program. It is s compatible with tired model of instruction and is designed to be use for 20 to 30 minutes per lesson. The program is intended to be used twice per week for students reading on level or above; three to four times a week for students who are at Risk- or English Learners, and five times a week for students in special education settings.

The data generated is specific to each student. The data is used to form small groups, one-to-conferences, and tailored instruction.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

We offer interventions for at-risk students in grades K-5, using a variety of programs. In grades K-2, we implement the Sounds Partners program as a pull-out intervention, which focuses on phonics.

For students with foundational skills below their grade level in their native language, we provide interventions in their native language. Specifically, in grades 2 and 3, we use the Lunitas program, while grades 4-5 benefit from the Escaleras and Esencias programs.

Additionally, we have a pull-out bilingual AIS (Academic Intervention Services) program available for students who require extra support.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Instructional team (administrator, instructional coach, classrom teachers) use data from multiple assessments to plan instruction and meet the needs of the students. The team use a variety of assessments as formative, summative and diagnostics and screeners
Screeners- I Ready, Acadians and Renascence
Formative Assessments- Unit assessments
Summative- State assessments

After initial screening the team meet and make instructional decisions including materials, resources and grouping. Based on data the team decide if interventions will be provided in English or Spanish.

The team has a system in place to monitor students' progress between tears and make adjustments to the groups.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Formative assessments administered at P.S. 106 are Baseline assessments. For school year 2025-2026, we will begin using Renaissance Star Spanish Assessment. The data collected by formative assessments provide insights into what we can teach in whole group instruction; allow teachers to see what students already know and the standards that are target. The assessments provide accurate data for Flexible grouping keep students engage in learning. Also, give opportunities for teachers to modify instruction. For example, formative assessment gives opportunities for teachers to do standards check in and assess prior knowledge, be intentional about planning questions and creating and sequencing text-dependent questions to support English language learners.

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

We use Estrellita and Star Renaissance to appropriately assess students in our Transitional Bilingual (TB), Dual Language (DL), and English as a New Language (ENL) programs. Additionally, English-speaking students in the DL program are assessed to monitor and measure their Spanish language acquisition.

Grades K-2
Estrellitas (Spanish) - Fountas and Pinnell (English)
Assesses decoding, word recognition, sight words, spelling sounds, and sound symbols.

Grades 3-5
Assess comprehension, proficiency, and reading levels.
Wilson and Escaleras

Grades K-5
i-Ready (English and Spanish)

Math unit assessments.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

We use the NYSESLAT to measure English proficiency in listening, speaking, reading, and writing for ELL students in grades K–5. Additionally, the ELA state assessment evaluates reading and writing competencies for students in grades 3–5, while the math state test is administered to students in grades 3–5. ELL students have the option to take assessments in their native language when available.

Data from summative assessments help us identify patterns in students' responses, which informs the development of curriculum maps and lesson plans. This information also supports teachers in evaluating, adjusting, and differentiating instruction to meet diverse student needs.

The school uses assessment data to set academic goals, create targeted action plans for improvement, and document student growth and achievement. Summative assessments serve as a critical tool to monitor progress, guide strategic lesson development, and organize instructional groups tailored to students' strengths and areas for growth within each classroom.

Summative Assessments used to evaluate the effectiveness of our ELLs and MELLs programs :

Standardized New York State
*English Language Arts
*Math
*Science
*NYSESLAT
*NYSITELL

The data collected is compared and aligned to the learning goals and Next Generation Standards. Students who are not meeting goals are provided with small group instruction as well as interventions. Students are invited to participate in the Title III enrichment program.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

NYSESLAT Testing Procedures at P.S. 106

Before Testing:
Testing materials are securely stored prior to administration. Teachers responsible for administering the speaking portion receive professional development (PD) from the ENL teacher, Ms. Colon. The speaking assessment is conducted individually by qualified staff, including Ms. Colon (ENL teacher), Ms. Maria Decandia (Bilingual Speech Therapist), and Ms. Jessica Estevez (Bilingual Speech Therapist), during the time frame designated by the state.

Differentiated Learning (DL), Transitional Bilingual (TB) teachers, and speech therapists participate in PD sessions led by the ENL teacher, covering testing protocols and administration guidance. Additionally, all teachers receive access to online resources and official state guidelines.

For the Listening, Reading, and Writing components, DL and TB teachers also receive PD sessions from the ENL teacher, reviewing NYSESLAT administration policies and protocols. Teachers are provided with access to relevant resources, student accommodations, and proctoring assignments to prepare thoroughly.

During Testing:
Assessments are administered over a three-day period on designated dates. Each day, testing materials are collected and secured immediately upon completion. Makeup sessions are scheduled for students who are absent during regular testing days. Classroom teachers in DL and TB programs administer the Listening, Reading, and Writing sections, while the designated team of certified teachers (ENL teacher and bilingual speech therapists) administers the speaking portion. Each testing session is supported by proctors to ensure smooth administration.

Testing accommodations are provided as outlined in students' Individualized Education Programs (IEPs) or 504 plans. All testing materials are kept in secure locations to prevent irregularities. During testing periods, teachers strictly adhere to proficiency minute requirements in compliance with CR Part 154.

After Testing:
A scoring team is formed, selected by the ENL teacher, composed of qualified staff who do not score their own students' Speaking or Writing responses. This team participates in norming sessions organized by the ENL teacher, grouped by grade bands. Scoring sessions are held on-site from 2:30 p.m. to 4:30 p.m., after which materials are carefully packed and returned.

Additional Information:

The NYSESLAT is administered to all identified ELL students, as indicated in the RLAT report.

Students in grades 1–5 use one test booklet for Speaking and three separate booklets for Listening, Reading, and Writing. Kindergarten students complete one booklet per modality.

Only certified teachers administer all sections of the test.

Prior to testing, the ENL teacher provides training during Bilingual Department vertical meetings, covering all protocols and procedures. The pupil secretary collaborates with the ENL teacher to prepare answer sheets and organize materials.

The ENL teacher conducts a parent orientation meeting to explain the assessment's purpose, testing dates, administration procedures, and protocols.

Stand-alone and integrated ENL/ELA instruction is delivered based on students' language proficiency levels. Former ELLs are placed in monolingual classes, and the ENL teacher provides ongoing support and resources to general education teachers, especially during testing periods.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

At P.S. 106, we collect data from the RLAT and SESIS systems to ensure that students with individualized programs receive the 504 accommodations outlined in their plans. The ENL teachers create an accommodations spreadsheet that organizes students by class, including student names, assigned proctors, and specific accommodations.

If a classroom teacher is not administering the assessment, a meeting is scheduled between the special education teacher and the proctor to review the student's accommodations in detail. Proctors who work with students requiring specific supports, such as assistive technology or scribes, receive appropriate training to effectively implement these accommodations.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Parent Orientation for Families of English Language Learners (ELLs)

P.S. 106 hosts an annual Parent Orientation Meeting in October to welcome and inform families of newly enrolled English Language Learners (ELLs). To ensure accessibility, the school offers two separate sessions—one in English and one in Spanish.

During the orientation, the ENL Coordinator provides an overview of the programs available to ELL students at P.S. 106. Parents are given the opportunity to ask questions, engage in discussions, and view an ELL Parent Orientation video in their preferred language.

In addition, parents receive brochures containing key information about the school's programs and services. The orientation also allows families to meet with administrators, service providers, and other staff members to establish supportive connections.

All informational materials and documents are made available in families' preferred languages. At the conclusion of the session, staff members are on hand to assist parents in completing the Parent Agreement Form. Attendance is recorded on a sign-in sheet and maintained for school records.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

Annual Meetings for Families of English Language Learners (ELLs)

At the beginning of the school year, teachers at P.S. 106 are informed about the expectations and procedures for conducting Annual Meetings for families of English Language Learners (ELLs).

The ENL Coordinator provides teachers of ELL students with a resource link that includes important documents, such as the Parents' Bill of Rights for English Language Learners, which must be shared during the Annual Meetings.

Teachers are reminded that these meetings are to be held individually and separately from Parent-Teacher Conferences. They are scheduled during the designated Parent Engagement time.

During each Annual Meeting, teachers are responsible for taking attendance for school records. They also provide families with essential information about the NYSESLAT assessment, as well as the services and programs their children are entitled to receive.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Ensuring Language Access for All Families

To ensure that all families at P.S. 106 have meaningful access to information in their preferred language, the school implements the following strategies:

Bilingual Staff Support: We highlight school-based staff members who speak multiple languages, allowing families to connect with personnel who can communicate in their preferred language.

Multilingual Resources: We provide school materials and important communications in families' preferred languages, including translated documents and notices.

Bilingual Library Programs: Our school library hosts family nights featuring bilingual read-aloud sessions in English and Spanish. In addition, the library offers a diverse collection of literature in English, Spanish, and Arabic.

Library Newsletter: The school librarian publishes a Library Newsletter to keep parents informed about available resources, upcoming events, and tips to support learning at home.

School Website: The school website offers accessible information for families, including translated resources and updates on school programs.

Translation Services: We utilize the NYC Department of Education's Translation and Interpretation Unit to provide professional language support during meetings, events, and communications.

ClassDojo: Teachers and staff use ClassDojo to communicate with families, offering translation features that ensure messages are accessible in the family's preferred language.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Empowering Bilingual Families at P.S. 106

At P.S. 106, we are committed to empowering our bilingual families by providing meaningful support and access to resources that strengthen the home-school connection.

A representative from Catholic Charities, Ms. Elaine Garcia, is available on-site to assist families. During initial intake meetings, if parents express that they are facing challenges, school staff refer them to Ms. Garcia. She meets with families to identify areas of need and connects them with appropriate community agencies and support services.

To further support our bilingual community:

ESL Classes for Adults: We offer afternoon ESL classes for parents and guardians to help them improve their English language skills and increase their engagement in their children's education.

Parent Participation in School Events: We actively promote and encourage parental involvement during school-wide events and initiatives.

Family Read-Aloud Nights: The school hosts monthly Family Read-Aloud Nights in the library on Friday evenings. These events foster a love of reading and provide an opportunity for families to engage in literacy activities together.

Parent Workshops on Student Progress: The ENL teacher and Instructional Coach collaborate to lead professional development sessions for parents, helping them understand student progress reports and support their children's academic success at home.

Through these initiatives, P.S. 106 aims to create an inclusive and supportive environment where bilingual families feel valued, informed, and empowered to actively participate in their child's education.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

The school encourages active parent participation in the School Leadership Team (SLT). Parents are also informed of available positions within the Parent-Teacher Association (PTA) and are invited to get involved in leadership and decision-making roles within the school community.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Family Engagement and Community Partnerships at P.S. 106

At P.S. 106, we are dedicated to engaging and empowering families by leveraging key partnerships and resources that address the diverse needs of our school community. The following supports are utilized to strengthen family connections and ensure equitable access to information and services:

InfoHub: Provides resources and partnership opportunities to support families of Multilingual Learners.

Family Brochures: Distribute accessible, easy-to-understand brochures with important school and community information.

Bill of Rights for Parents of English Language Learners: Shared with families to ensure they understand their rights and the services available to their children.

Language Access Resources: Offer tools and support to help families receive information in their preferred language.

Translation and Interpretation Unit: Used to provide professional translation and interpretation services during meetings, events, and communications.

Immigration Support Resources: Provide information to families in need of immigration-related guidance or services.

Catholic Charities: Refer families to Ms. Elaine Garcia, our on-site Catholic Charities representative, who connects them with appropriate community agencies based on individual family needs.

Through these partnerships and resources, P.S. 106 aims to create a welcoming and inclusive environment where all families feel supported, informed, and empowered to take an active role in their child's education.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

All information pertaining to the supports our MLs/ELLs are included in this report.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Our school's identification team is composed of certified staff trained in culturally competency, language development and proficient in the home language (Spanish) of the student.

Team Members:
Assistant Principal
ENL teacher
Bilingual IEP Teacher

The members of the identification team are Ms. Williana Colon (ENL teacher), Ms. Wanda Gonzalez (Assistant principal), Ms. Andreina Garcia (DL teacher) and Ms. Jessica Estevez (Bilingual Speech therapist).

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Ms. Garcia the pupil secretary begin the registration process and guide parents to different resources in the community. Ms. Williana Colon conduct the initial intake process and provide information about programs offered, assessments and school resources for ELL population. Ms. Golombeck with the support of the bilingual teachers provide orientations for students in the 5th grade.

Newly enrolled students and their families are greeted and welcomed by the Principal. A tour of the school building is offered when time permits.

The ENL teacher, TB teachers, DL teachers, Language Access Coordinator, Parent Coordinator and Bilingual IEP

teacher collaborate to create a welcome kit for our newly enrolled students. The kit includes Parent Handbook, teachers information, school information, attendance policies, bussing information, school website, school calendar, supply list, programs information (Wonders, Maravillas, Estrellita, Fundations). The information is available digitally. Our school has a large number of newcomers that are admitted in he middle or end of the year. We ensure students receive resources and supplies such backpacks, school supplies, coats and food if needed.

The structures followed for intake and identification of ELL in place in our school are the following
1. Determine the students enrollment status- The school pupil secretary Ms. N Garcia determine student enrollment status during registration and informed the ENL teacher.
2. A qualified personal administer the Home Language Identification Survey. The ENL teacher create a program card with the times qualified staff members are available to complete the home language. The staff members that administer the home language survey are Ms. Williana Colon (ENL teacher), Ms. Wanda Gonzalez (Assistant principal grades K-2), Ms. Andreina Garcia (DL teacher with a bilingual extension) and Ms. Jessica Estevez (bilingual speech therapist) Once the home language is completed the original is placed in the student cumulative file, update the student home language in ATS an update the HILS field with a Y on the BIOU screen.
3. Determine the NYSITELL eligibility and administer the to eligible students by interviewing the student in English and Spanish. The parent should be present during the interview. If the student has an IEP and is in kindergarten the language proficiency team must convene to determine NYSESTELL administration. The LPT members are Ms. N. Lewis (Assistant Principal grades 3-5), Ms. Jessica Estevez (Bilingual speech therapist), Ms. H. Chevalier (Special Education Coordinator) and Ms. Williana Colon (ENL teacher)
If the student is eligible administer NYSITELL. The staff members with qualifications to administer the NYSITELL are Ms. Williana Colon, Ms. Wanda Gonzalez, Ms. A. Garcia and Ms. J. Estevez
4. Send entitlement letter or non entitlement letter to parents in language pf preference. Teacher will keep a copy in the students cumulative file. ENL teacher will keep a copy of the documents.
5. Administer the Spanish lab- Staff members with qualifications to administer the NYSESTEL
are Ms. W. Colon, Ms. W. Gonzalez. Ms. A. Garcia and Ms. J. Estevez.
6. Identification of SIFE status for students in grades 3-5 by using the oral interview questionnaire, literacy SIFE screener and the writing screener. The SIFE identification is done by Ms. W. Colon
7. Parent Agreement program and program placement and parent orientation. Ms. W. Colon will host the parents orientation with the collaboration of the parent coordinator Ms. Marisol Diaz. During the orientation parents will meet school administrators, service providers
8. Placement into ENL program
*The ELL identification process is completed within 10 school days (20 with students with IEP).
*Students who have not been enrolled in the NYS school public system for more than 2 years must be re-admitted.
*Determine if student was registered in a New York State public School.
*Home Language Identification Survey is administered.
*Pre-K students who are enrolling in Kindergarten the following school year can be administer the HLIS to determine the HL codes. *Students whose HL is not English may be administer the NYSTELL after June 1.
*Determination of eligibility of NYSITELL. If the student is ineligible to take the NYSITELL the ELL identification process terminates.
*The eligibility of students with special needs is based on the assessment of the LPT team.
*Parent notification letter regarding entitlement and non-entitlement or a continuation letter are sent.
*Administer the LAP to all new entrants whose HLIS indicate a home language of Spanish.
*Identification of SIFE students. If there is a indication that a student has had an interrupted schooling in students grades 3 to 9 the ENL teacher will conduct the NYSED oral interview questionnaire, the multilingual Literacy screener and the writing screener.
*Complete the parent agreement and program placement.
*Parents are informed of all three program models.
*Schedule Parent Orientation
*Provide Parent Survey Agreement (in parents preferred language)
*Parents indicate the program of choice. The parents will return the document completed and signed within five school days. If the parent does not return the document within the five days, the student remains in the bilingual program. The responses need to be recorded in the ELPC within 20 school days of enrollment.

*The student is placed in the program of choice and receives schedule that must include the minimum number of minutes of English as a second language. The ENL teacher will keep a copy of the documents. Classroom teachers will archive the original forms in the student's cumulative records.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.
We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they

attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Annette	Rivera-Dejesus	DC 37 Para More Than 20 Hrs	12/05/2024	

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards

If Other was selected, describe the resource here:

N/A

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	1	0.27%	2	0.56%	1	1
GUYANESE CREOLE (GUYANESE/ENGLISH-BASED)	1	0.27%	1	0.28%	1	1
ENGLISH	146	39.89%	141	39.61%	50	50
SPANISH	218	59.56%	211	59.27%	37	37
(AMERICAN) SIGN LANGUAGE	0	0.00%	1	0.28%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
School Letters/Flyers	These documents are shared in parents preferred languages (mostly spanish and arabic). All letters and flyers are translated on an as-needed basis, ensuring timely communication in parents' preferred languages.
Class Dojo	translate all classroom announcements and messages into parents preferred language
IEPs	Documents related to special education services, including Individualized Education Programs (IEPs), are translated to ensure parents are fully informed about their child's educational plan.
Parent Handbook	Translated at the start of each school year into Spanish.
School Calendars	Distributed monthly, detailing important dates, holidays, and events. Ensured for all extracurricular activities and field trips to facilitate parental consent and understanding.
Report Cards	are translated and shared online (portal) and in physical form.
Website	Website has the capability to translate in a number of languages. It also has visually impaired capabilities.
Permission Slips	Ensured for all extracurricular activities and field trips to facilitate parental consent and understanding.

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent-Teacher Conferences	Regularly scheduled meetings between parents and teachers to discuss student progress, behavior, and other important topics. Interpretation Plans: Translators are provided in the parent's preferred language to ensure clear communication.
IEP Meetings	Individualized Education Program (IEP) meetings for students receiving special education services, where educational goals and plans are discussed. Interpretation Plans: Translators are scheduled in advance, or phone translators are acquired to accommodate parents who need translations in their preferred language.
School Performances and Events	Events such as school plays, concerts, and other performances where parents are invited to attend. Interpretation Plans: Translators are present to provide interpretation, ensuring parents understand announcements and any spoken content during the events.
Open House and Back-to-School Nights	Events where parents can meet teachers, tour the school, and learn about the school's programs and policies. Interpretation Plans: Translators are available to assist parents, providing interpretation in their preferred languages to ensure they receive all relevant information.
Parent Workshops and Information Sessions	Workshops and sessions on various topics, such as literacy, math, and social-emotional learning. Interpretation Plans: Translators are provided to ensure parents can fully participate and understand the content being presented.
School Governance Meetings (e.g., PTA, School Leadership Team)	Meetings involving parent-teacher associations and school leadership teams to discuss school policies, planning, and other governance issues. Interpretation Plans: Translators are present to facilitate communication and ensure that parents can actively participate in the discussions.
Disciplinary Meetings	Meetings to address behavioral issues, discuss consequences, and develop behavior intervention plans. Interpretation Plans: Translators are provided to ensure that parents understand the issues and can contribute to developing effective solutions.
Parent-Principal Meetings	Scheduled meetings where parents can discuss concerns, provide feedback, and engage in dialogue with the school principal. Interpretation Plans: Translators are available upon request to ensure parents can communicate effectively with the principal.

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

Automatic Messaging System:
Our automatic messaging system enables parents to select their preferred language for receiving emergency notifications.

Languages Supported:
The system supports multiple languages, ensuring messages are delivered in each parent's preferred language.

Class Dojo:
We use Class Dojo to communicate with parents, leveraging its built-in translation features. Messages sent through Class Dojo are automatically translated into the parent's preferred language.

Parent Coordinator:
Role: Our Parent Coordinator is fluent in Spanish, the preferred language of the majority of our parent community besides English.
Communication: They facilitate communication through direct phone calls or in-person meetings to address student-specific emergencies.

Bilingual Staff:

Languages: We have staff members who speak Spanish and Arabic.
Support: These bilingual staff members assist in communicating with parents in their preferred language.

Phone Translation Services:
We provide access to on-demand phone translation services to support communication in various languages not covered by our bilingual staff or Parent Coordinator.

The parent can communicate with the Parent Coordinator:
Our parent coordinator speaks Spanish, which is the majority of our parent community's preferred language other than English.
Communication: Direct phone calls or in-person meetings to communicate with parents who may have an emergency.

Bilingual Staff:
Languages: We have staff members who speak Spanish and Arabic.
These staff members are available to assist in communicating with parents in their preferred language.

Phone Translation Services:
Access to on-demand phone translation services to assist with communication in various languages. Used when parents speak languages that are not covered by our bilingual staff or parent coordinator.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

Professional Development Sessions:
At the start of the school year and as needed throughout, we conduct professional development sessions focused on Chancellor's Regulation A-663. These sessions cover the regulation's goals, the importance of language access, and detailed guidance on utilizing available resources effectively.

Designated Language Access Coordinator (LAC):
The LAC oversees language access compliance and serves as the primary point of contact for staff regarding language access concerns. Responsibilities include conducting staff training on language access policies and resources, as well as communicating updates and reminders about compliance requirements.

Turnkey Training by LAC:
At the beginning of the school year, the LAC provides comprehensive training on Chancellor's Regulation A-663 to all staff members. Throughout the year, refresher sessions and updates on any changes to the regulation or resources are offered. The LAC maintains detailed records of all training sessions and materials shared with staff.

Digital Access:
All relevant resources are readily accessible on the school's intranet and/or shared drive for convenient staff use.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Translated Signage:
*Prominently displayed at school entrances, the main office, and common areas.
*Informs parents of their right to receive information in their preferred language and explains how to request language assistance services.
*Translated into the most common languages spoken by our parent community (e.g., Spanish, Arabic, Creole).

Brochures, Flyers, and Letters:
*Sent home with students, available in the main office, and distributed during parent-teacher conferences and other school events.
*Provide information about language assistance services, including translation and interpretation, with clear instructions on how to request these services.
*Available in multiple languages to ensure accessibility for all Limited English Proficient (LEP) parents.

Parent Engagement Events:

PTA Meetings: Regular meetings where school administration and PTA members discuss various topics, including language assistance services and how parents can access them.

Parent Workshops and Information Sessions: Workshops on educational topics that highlight language assistance services, with presenters offering information in multiple languages and interpreters available.

Class Dojo:

*A messaging app used to communicate with parents.
*Messages are automatically translated into the parent's preferred language.
*Information about language assistance services is regularly shared through this platform.

School Website and Messaging System:

*Used to send important updates and emergency notifications.
*Messages are delivered in parents' preferred languages and include information on how to request language assistance services.

Parent's Guide to Language Access:

*Provided to all parents at the beginning of the school year and available in the main office.
*Contains detailed information about available language assistance services, how to request them, and parents' rights under Chancellor's Regulation A-663.
*Offered in multiple languages.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Monitoring Provision of Language Assistance Services

Mechanisms to Gather Feedback from LEP Parents

Bilingual Surveys:

-Distributed at Parent-Teacher Conferences, sent home with students, and available online.
-Include questions about the quality, accessibility, and effectiveness of language assistance services.
-Provided in the most common languages spoken by our parent community.
-Collected both electronically and in print, with results analyzed to identify areas for improvement.

Parent Coordinator Feedback Sessions:

-Regular meetings between the parent coordinator and LEP parents to discuss their needs and experiences.
-Conducted in parents' preferred languages to ensure clear and effective communication.
-Feedback is documented and shared with school administration for follow-up and action.

Parent-Teacher Association (PTA) Meetings:

-Dedicated time during PTA meetings for LEP parents to provide feedback on language assistance services.
-Interpretation services are provided to ensure all parents can participate and understand the discussion.
-Feedback is recorded in meeting minutes for follow-up.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

Survey Feedback:
Parents appreciated having documents translated but requested more timely delivery.
*Action Taken: We streamlined the translation process by partnering with a professional translation service provider, ensuring documents are translated and distributed promptly.

Parents expressed a need for more interpretation services during informal meetings and events.
*Action Taken: We increased the number of bilingual staff available during school events and ensured interpreters are

present at all key school functions.

Parent Coordinator Feedback Sessions:
Some parents were unaware of the availability of phone translation services.
*Action Taken: We launched an awareness campaign through newsletters, automated phone messages, and posters displayed in common areas to inform parents about phone translation services.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

Conceptually consolidated (skip Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,After School

Total number of ELLs to be served in this program:

75

Grades to be served in this program. Select all that apply.

,1,2,3,4,K,5

Total number of teachers in this program:

5 teachers

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

5

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

0

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**
- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**

- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

* The Title 3 program will take place after school 2 days a week.
*English Language Learners (ELLs) will engage in comprehensive writing instruction to develop their written communication skills. ELL students will engage in activities alligned to their English language academic levels in the content areas of Social Studies and Science. The activities are designed to establish connections to language expectations (i.e., narrative, informative and opinion) with a focus on tiered vocabulary. The students will engage in highly structured activities transitioning from what they learned in the class to independently applying the skills at the end of the lesson. In addition, QTEL (Quality Teaching for English Learners) protocols will be incorporated to strength the development of the 4 modalities (listening, speaking, reading and writing) Activities will provide opportunities for teachers to scaffold academic conversations and academic writing.
*5 groups of instruction
Kinder and 1st grade- Emergent and Entering proficiency level 15 students.
Kinder and 1st grade – Transitioning and expanding English proficiency level 15 students.
2nd and 3rd grades – Emergent and Entering English proficiency level 15 students.
2nd and 3rd grades - Transitioning and Expanding proficiency level 15 students.
4th and 5th grades Entering and Emergent students 15 students.
*Instructions will be delivered by one bilingual education certified teacher per group. A total of 5 teachers. All teachers have bilingual certification. One teacher has an ENL license. One teacher has a Special Education with Bilingual Extension license.
The program will take place 3 times a week Tuesday, Wednesday and Thursday from 2:30 to 4:30
*The program will be supervised by Ms. Nicole Lewis's assistant principal at P. S. 106. The supervisor salary will not be funded by Title 3.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

*Qualitive data analysis- During vertical and grade team meetings. teachers were able to articulate and analyze with District 32 support staff the demographics, subgroups, classroom observations and students work in the Dual Language Bilingual Education (DLBE) and Transitional Bilingual Education (TBE) setting to gain a deeper insight and monitor student's strengths and areas of need, as well as monitor progress. The qualitative data analysis indicated the need to strengthen writing. Providing students with writing instruction aligned to Next Generation Learning Standards (NGLS) and integrating it with phonics, grammar, and tiered vocabulary in
the content areas of Social Studies and Science during the Title III. The program will strength students' academic performance. In addition, by integrating QTEL (Quality Teaching for English Learners) strategies we will provide support to our ELL population in the 4 modalities and develop their English language proficiency. However, using short constructed responses as a quantitative assessment of the writing development indicated writing is an area of need.

*Quantitative data analysis – We used Acadience as the screener for grades K-2 and I Ready for grades 3-5 to monitor phonics and reading. In addition, students in the DLBE and TBE program took the Spanish Renaissance assessment to assess proficiency in students home language. Knowing the proficiency levels of students in home language is a key factor in developing a whole picture of the language acquisition process for our English language learners. We also analyzed the results of the NYSESLAT to pinpoint the areas of strengths and needs in the modalities of listening, speaking, reading and writing.

The data showed that students in the bilingual program attained gains in the areas of listening, speaking and reading. Nerveless, we identified the highest are of need for our ELL population was in writing.
Using state rubrics to score the writing demonstrated students had difficulties finding appropriate vocabulary words or deciphering the genre of the writing task. Students found challenges in organizing ideas, writing variety of sentences, and using English conventions.

The implementation of an instructional program that focuses in writing will help improve performance in the mechanics and development of SCR and ECR.

Data sources
Data obtained from screeners, Spanish Renaissance, and writing scores from SCR and Extended writing. In addition, we used NYSESLAT results and teacher's observations.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

We will service 75 students - 15 students in each of the 5 classes.

Grade levels - Grades K- 5

ELL Subgroups - Emergent, Entering, transitioning and expanding.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Schedule and Duration:

Start October 14, 2025

End February 25, 2026

Total sessions 14 sessions

The schedule for the program will be as follows: Tuesday, Wednesdays and Thursdays from 3:00 p.m. to 5:00 p.m.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction is in English.

Home Language supports
* Teachers will utilize cross linguistics approach to provide supports in native language. In addition, students will be provided with opportunities to access books and reference materials in Spanish, posters with cognates will be posted and students will have allocated time to work together and collaborate.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

In terms of certified teachers, we have:

- 1 teacher with a bilingual extension and ESOL professional license
- 3 teachers with a common branch bilingual extension
- 1 teacher with a special education license and bilingual extension

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

Materials that will be used will be at cost to Title III ELL funds and will not exceed 20% of total allocation. The materials will only be used during Title III ELL program and not during the instructional day.
We are using the writing component The Write Track from Continental company. The materials used will be based on the students' proficiency levels. The program components cover from phonics to grammar.
* Reviewing key vocabulary
*Language skills to add meaning to sentences
*Focus on the rules of English and grammar
*Students will use what they know to build paragraph
* Review the writing process
* Read informational and literary passages

Materials
The write track level A Entering and Emergent ELLs grades 1st and 2nd
The write track level B Transitional and Expanding ELL's grades 1st and 2nd
The write track Level C Entering and Emergent ELLs grades 3rd and 4th.
The write track Level E Emergent Entering ELLs grade 5th
"My Language" Journal Transitional Expanding Ells grade 3rd and 4th

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

Maintain records of ELLs served in the program

*The school will keep digital attendance records.
* Teachers will keep records of the students' progress using quizzes, Short Constructed Responses (SCR) and Extended Constructed Responses (ECR). Teachers will use the NYSESLAT writing rubrics that are aligned to the Next Generation Learning Standards to score writing responses.

*Plan for implementation

Program Goals and Objectives
Goal: Improve English language proficiency among ELL students.
Objective 1: Increase language proficiency by at least one level according to the state language proficiency standards.
Objective 2: Enhance academic performance in core subjects by integrating language support.

After School Program Structure
Will take place Tuesdays and Wednesday 2:30 PM to 4:30 PM.
Duration: The program will run from October 14, 2025 - February 25, 2026.

Staffing: Identify staff members responsible for the program, including teachers and support staff.
Student Identification
Criteria: Use language proficiency assessments to identify students eligible for the program.
Collaboration: Work with ESL Coordinator to ensure accurate identification and placement.

Teacher Recruitment
Posting: A job postings specifying qualifications required, such as ESL certification or experience working with ELL students will be created to reach potential candidates.

Assessment Plan
Beginning Assessment: Implement a pre-assessment at the start of the program to gauge students' initial language proficiency.
End Assessment: Conduct a post-assessment at the end of the program to measure growth and effectiveness.
Ongoing Monitoring: Utilize formative assessments throughout the program to track progress.

Activity Planning
Variety of Activities: Incorporate a range of activities that address the four modalities (listening, speaking, reading, writing). Including the usage of QTEL Strategies such as: Using visuals and Thinking Maps to support comprehension. Encouraging peer interactions to build language skills. Provide culturally relevant materials to engage students.

Social and Academic Integration
Social Activities: Plan team-building exercises and cultural exchange events to foster social connections.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

.
*The teachers in the Title III ELL program will be provided with 2 sessions of professional development.
October 6, 2025 - PD session # 1 Provider Ms. N. Lewis Assistant principal P.S. 106 and Leslie Martines Instructional Coach at P.S. 106
January 26, 2026 - PD Session #2 Provider Ms. Lewis and Ms. Martinez

Activities and topics
Session # 1 - October 6, 2025 (2:30 PM-3:30PM). Teachers participating in the program will unpack the instructional curriculum The Write Track of English learners by Continental to increase teachers' understanding of how to implement the program to maximize instruction and implementation. In addition, providers will go over attendance and progress monitoring.

Session 2 January 26, 2026 (2:30-3:30). During the session teachers will be able to articulate about observations based on data of students' progress. Teachers will summarize student progress and the impact in classrooms integrating screener results.

Professional development training sessions will be conducted after school at no cost to Title 3 funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

The rationale behind the Title III professional development sessions at P.S. 106 is to ensure effective instruction and support for English Language Learners (ELLs) by addressing both instructional practices and the academic language demands they face.

Qualitative data was gathered through teacher feedback following professional development sessions, as well as from grade team leader turnkeys to administrators and the instructional coach. Teachers also completed surveys identifying areas in which they need further support to better meet the needs of ELLs. Common themes include a need for deeper understanding of scaffolding strategies, integrated language and content instruction, and targeted grouping to differentiate instruction.

Quantitative data was analyzed from multiple sources, including:

Acadience Reading assessments (Grades K–2),
i-Ready diagnostic data (Grades 3–5),
NYSESLAT scores, and
Student performance on both SCR (Short Constructed Response) and ECR (Extended Constructed Response) writing tasks.

This data revealed specific challenges in academic language development and comprehension across grade levels, particularly among ELLs in grades 1–5 and students in the 3rd–5th grade bilingual and self-contained classes. These findings underscore the need for sustained professional development that equips teachers with strategies to address both linguistic and instructional needs, and to effectively group students for targeted language support and differentiated instruction.

Through this professional development, teachers will build their capacity to:

Use data to identify language learning needs
Plan instruction that integrates content and language objectives, and
Deliver high-quality, engaging, and scaffolded instruction for English Language Learners.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All teachers working with English Language Learners (ELLs) under the Title III program at P.S. 106 will receive structured and ongoing professional development designed to strengthen their instructional practice and deepen their understanding of language acquisition and content integration. This includes general education teachers, bilingual and dual language teachers, ENL teachers, special education teachers, and after-school Title III program staff.

The professional learning will focus on:

Supporting implementation of the Write Track curriculum by Continental to enhance English learners' writing and language development.
Building teacher capacity in using formative data (e.g., i-Ready, Acadience, NYSESLAT, and classroom screeners) to guide instruction and monitor student progress.
Developing high-leverage practices for small-group instruction, differentiation, and integrated content-language objectives.
Enhancing teacher confidence in analyzing student work and adjusting instruction to meet the needs of ELLs at various levels of proficiency.

Professional Development Schedule and Focus:

Session 1: October 6, 2025 (2:30–3:30 PM)
Teachers will engage in unpacking the Write Track curriculum for English learners, facilitated by Continental. The session will focus on supporting implementation fidelity, improving writing instruction, and ensuring alignment with student needs. Attendance procedures and systems for progress monitoring will also be reviewed.
Session 2: January 26, 2026 (2:30–3:30 PM)
Teachers will engage in data analysis and reflection. They will examine student progress using various assessment tools and summarize growth and areas for continued support. Teachers will discuss the instructional impact of integrating screener results into classroom practice and explore strategies to further accelerate language and academic development.

Additionally, teachers supporting the Title III after-school program will participate in a required training session prior to the start of the program. This session will orient them to the program structure, expectations, and instructional strategies aligned to the goals of Title III.

This professional development series will be facilitated by Ms. N. Lewis, Assistant Principal, and Ms. Leslie Martinez, Instructional Coach. Sessions are aligned with schoolwide goals and Title III requirements to ensure all ELL students receive equitable, rigorous, and responsive instruction.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Start and end dates/months: Tuesday, October 14, 2025, through April 7, 2025
Number of sessions: 33
Days of the sessions: Tuesdays and Wednesdays
Time and duration - Each session will be conducted from 2:30 - 3:30

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

The program will cover various topics, including:

Session # 1 - Unpacking and planning using Continental Write Track program

Session # 2 - Incorporating strategically QTEL (Quality Learning for English Learners) to lessons

Session # 3 - Progress Monitoring

Session # 4 -Summarizing impact of instruction

The provider of these professional development sessions will be Ms. Nicole Lewis. Assistant principal P.S. 106 and Ms. Leslie Martinez. Instructional Coach P. S. 106.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

Session # 1 Ms. Nicole. Lewis, Assistant Principal P.S. 106 and Ms. Leslie Martines, Instructional Coach P.S. 106
Session # 2 Ms. Nicole. Lewis, Assistant Principal P.S. 106 and Ms. Leslie Martines, Instructional Coach P.S. 106
Session # 3 Ms. Nicole Lewis, Assistant Principal P.S. 106 and Ms. Leslie Martines, Instructional Coach P.S. 106
Session # 4 Ms. Nicole Lewis, Assistant Principal P.S. 106 and Ms. Leslie Martines, Instructional Coach P.S. 106

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

The school will maintain comprehensive documentation of all professional development activities funded under the Title III ELL plan using a secure digital platform. This includes agendas, attendance sheets, sign-in forms, PowerPoint presentations, handouts, and reflective feedback forms. All materials will be clearly labeled and stored in shared digital folders accessible to school administration, the instructional coach, and relevant stakeholders.

Each professional development session funded by Title III will be logged with:

The session title and objective(s)
Date and duration
Names and roles of participating staff
Copies of training materials and presentations
Funding source designation.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Family engagement activities under the Title III ELL program at P.S. 106 are designed to strengthen the home-school connection and empower families of English Language Learners to actively support their children's academic and language development. All activities will be conducted in-house, and Title III funds will not be used for family engagement events.

The following activities are planned:

ESL Adult Classes for Parents:
The school will continue offering English as a Second Language (ESL) classes for parents to support their own language acquisition and to help them better navigate the school system and communicate with staff.

NYSELAT Information Sessions:
In April, the school will host informational sessions in families' preferred languages to explain the purpose of the NYSELAT assessment, how to interpret the results, and how the data is used to guide instruction and support student growth.

Monthly Family Nights:
Held monthly in the school library, these workshops and interactive sessions will be led by Ms. Silverberg, School Librarian, and Ms. C. Alava, Librarian Assistant. Topics will include reading strategies, accessing digital resources, and fostering a love of literacy at home. All workshops will be offered in both English and Spanish.

Monthly Family Workshops coordinated by Marisol Diaz, Parent Coordinator:
Additional workshops on various topics, such as social-emotional learning, academic support at home, and navigating NYCPS resources, will be offered by the Parent Coordinator. These sessions will also be bilingual to ensure accessibility for all families.

All workshops and family activities will be offered at no cost to Title III. They are an essential part of our broader school-based family engagement strategy, focused on supporting and empowering the families of English Language Learners.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Family engagement activities help improve students' achievement. During October parents' orientation provide a platform to understand the different programs offered at school site. Also, during the orientation parents and staff members will have the opportunity to meet with the parents of newcomers and create a foundation for partnership and collaboration.

The orientation will be offered in the morning and the afternoon to provide opportunities for all parents to attend at a preferred time.

Parent involvement, especially for our ELL students, is crucial for academic success and successful language development. With the growing number of immigrant families, our holistic approach to engaging families extends beyond academics to encompass health, education, language development, and parental instruction.

We will empower parents to take an active role by providing workshops in how monitor students' progress reports and specifics of the NYSESLAT administration. During the workshops parents can meet staff, access resources, and familiarize themselves with the school's dynamics. To determine the best times for these events, we will conduct surveys to accommodate the availability of the majority of parents.

In addition, the school library has Family Read aloud once a month in the library

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Below is the schedule for planned Title III family engagement opportunities for the 2025–2026 school year. These sessions are designed to empower families of English Language Learners with tools, resources, and information to support student success at home.

All workshops are scheduled to run from 8:30 AM to 10:00 AM, unless otherwise noted. Sessions will be offered in families' preferred languages whenever possible.

Session 1 – October 8, 2025
Topic: Overview of the Title III After-School Program
Parents will receive an introduction to the goals, schedule, and expectations of the Title III after-school enrichment program. Time will also be allotted for Q&A and introductions to key staff members.

Session 2 – January 7, 2026
Topic: Monitoring Student Progress at Home
This session will guide parents through understanding progress reports, classroom data, and at-home strategies to support language development. A parent survey will be conducted to determine future session times and preferred topics.

Session 3 – April 2026 (exact date TBD)
Topic: Understanding the NYSESLAT Assessment
Parents will learn about the purpose and structure of the NYSESLAT, how to interpret their child's results, and how the data informs instruction and placement.

Ongoing: Monthly Family Read-Aloud Events
Time: Once a month on Fridays, in the school library
These events promote family literacy and community building. The sessions are led by the school librarian and are open to all families, with stories read in English and Spanish.

Total Number of Sessions:
Three structured family workshops
Monthly literacy events (approx. 8 sessions from October to May)

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

The following topics will be addressed in family engagement workshops throughout the school year, aligned with the needs of families of English Language Learners (ELLs):

1. October – Title III After-School Program Orientation
This session will introduce parents to the Title III after-school program. Families will learn about the program's goals, criteria for student selection, curriculum highlights, and the roles of participating staff. The session aims to build parent understanding of how the after-school services support English language development and academic success. Time will be provided to meet the instructors and ask questions.

2. January – Monitoring Student Progress
This session will focus on helping parents understand how to monitor their child's academic and language progress. Parents will be guided through interpreting report cards, progress monitoring data, and other assessments. The workshop will also offer strategies to support learning at home, understand available interventions, and increase parent confidence in advocating for their child's academic needs.

3. April – NYSESLAT Information Session
Parents will be provided with an overview of the NYSESLAT assessment, including its purpose, structure, and how it measures English language development from K–12. The ENL teacher will share key timelines and what families can expect throughout the testing window. Families will receive brochures in their preferred language to support their understanding and participation in this critical process.

4. Monthly – Family Read-Aloud Events
Held once a month in the school library, these events aim to promote a love of reading and strengthen the parent-child connection through literacy. Families will enjoy read-alouds from a diverse collection of books in English, Spanish, and

Arabic. The events are designed to support both intellectual and emotional development while affirming the cultural and linguistic identities of our students.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

Session # 1 Ms. Lewis, Assistant Principal (TESOL) and Bilingual Coordinator to be hired.
Session # 2 Ms. Lewis, Assistant Principal (TESOL) and Bilingual Coordinator to be hired.
Session # 3 Ms. Lewis, Assistant Principal (TESOL) and Bilingual Coordinator to be hired.
Session # 4 Ms. Lewis, Assistant Principal (TESOL) and Bilingual Coordinator to be hired.

Family Read Aloud Ms. Silverberg Librarian and Ms. Alava Assistant Teacher

Monthly Family Workshops coordinated by Marisol Diaz, Parent Coordinator.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

To ensure parents are notified about these activities, in addition to letters and flyers, we will use the following communication channels:
- Class Dojo
- Phone Blast
- School website
_ Parents notification letters
_ Translation Unit

In addition to translation unit, interpreters will be available at parent meetings.

Through these efforts, P.S. 106 aims to foster strong partnerships with parents, empowering them to actively engage in their children's education and contribute to their overall success. All notifications, calls or Dojo will be done in parents preferred language.

All Parent Engagement Workshops, Trainings and Activities offered at no cost to the Tittle III funds.

ENL coordinator will keep a log with parents' attendance to the October parent orientation and May NYSESLAT orientation.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

Schools must maintain evidence of parent engagement/notification regarding Title III programs:

Copies of parent's notification letter will be kept in a compliance binder,
Presentations offered to parents will be kept digitally.
ENL coordinator will keep a log with agendas and attendance records.

All document copies will be archived in parents preferred languages.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

Conceptually consolidated (skip part E Budget below)

Allocation Amount ($):

13,040
