Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement
- Part D: Staff Awareness

- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P255Q

District Borough Number (DBN):

75Q255

Grades Served:

K - 12

School Address:

158-40 76th Road, Flushing 11366

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Meghan Kozak	Principal or Designee*	
Samantha Jackson	United Federation of Teachers (UFT) Chapter Leader or Designee*	
Nicole Kwok-Nieves	Parents' Association (PA)/Parent-Teach Association (PTA) President or Designated Co-President*	
	District Council 37 (DC 37) Representative (staff), if applicable	
	Title I Parent Advisory Council Chairperson (or alternate)	
	Student Representative (Required for middle and high schools)	
	Student Representative (Required for middle and high schools)	
	CBO Representative, if applicable	
Teuta Velovic	Elected Parent	
Maria Zarate	Elected Parent	
Sue Athanasakis	Elected Parent	
Jonathan Durand	Elected Parent	
Colleen McLeer	Elected UFT	
Kimberly Klein	Elected UFT	
Jennifer Foxe	Elected UFT	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

P255Q's Mission Statement:

Our mission at P255Q is to empower students with autism and other developmental disabilities to achieve independence and an improved quality of life through individualized, evidence-based instruction. We follow both NYC Public Schools and District 75 curricular guidance, including NYC Reads and NYC Solves initiatives, while using formative and summative assessments to drive instruction and provide tiered interventions based on individual student needs. Our staff collaborate as a professional learning community by analyzing data, engaging in targeted professional development, and implementing best practices such as Structured Teaching, tenants of Applied Behavior Analysis and positive behavior supports. We aim to enrich the connection between school, home, and community by equipping all families with tools and training to extend student learning and skill development acquired in school across all environments.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P255Q's VISION

Our school is a reflective learning community where we need to continually evaluate the teaching process and its impact on student outcomes. P255Q provides a collaborative environment that integrates academics, technology, the arts, and best practices for students with Autism Spectrum Disorders. We believe each student learns best when provided with an instructional program that balances functional rigor and academic rigor. Family engagement and support begins with frequent and ongoing communication and school consists of collaboration between school, home and the community.

The student population at P255Q consists of learners whose primary diagnosis is autism spectrum disorder. All students that attend P255Q have an Individualized Educational Plan (IEP). Based upon the needs of our students, we believe that they learn best from utilizing best practices of Applied Behavior Analysis (ABA) and the TEACCH methodology (Treatment and Education of Autistic and related Communication and Handicapped Children). Our school's instructional focus is Providing Multiple Pathways to Learning. Our student population has difficulty comprehending grade level content due to their diverse learning needs and cognitive abilities. A multi-sensory and differentiated approach to instruction is evident across our eight sites. Each student's learning style is assessed and teachers demonstrate knowledge of each learner individually to engage them during one to one instruction and small group activities. The impact of individualizing and assessing for each learner allows teachers and related service providers to provide Specially Designed Instruction (SDI) throughout the school day. Our students display core deficits in the areas of communication, social skills and behavior thus individual assessment results drive

instruction for each learner. Our school strives to balance both academic and functional rigor for each student based upon their individual needs. High levels of differentiation are necessary to provide entry points into lessons and materials based upon individual needs. Academic and Personal Behaviors such as persistence, engagement, and self-regulation are essential to academic readiness and social emotional learning for our population of students.

Currently our enrollment is at 596 students. We are a District 75 program for students with moderate to severe disabilities. We have nine site locations and the vast majority of our students follow alternate assessments standards. We have established partnerships with QSAC, NYS OPWDD-supports our Family Network Grant and are seeking out additional partnerships with other organizations that specialize in special education.

Briefly summarize the key initiatives your school will implement this school year.

Literacy Vision Plan
Related Service Collaborations
Grant Writing/Grant Supports to obtain funding for the school
Intervisitations
Promoting Student Independence/MIS

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
Edmark Reading Program	K-12	Print Curriculum/Program	
HMH- Into Reading	K-5- 8:1:1	Print Curriculum/Program	
Attainment Early Numeracy	K-2	Print Curriculum/Program	
ReadtopiaGo	K-2- 6:1:1	Online Curriculum/Program	
Readtopia	3-5- 6:1:1 6-12- 6:1:1/8:1:1	Online Curriculum/Program	
Lexia	K-12	Digital	
Fundations	K-8	Print Currciulum/Program	
Attainment Skills Builder	3-8	Print Currciulum/Program

Heggerty	K-5/ 8:1:1	Print Currciulum/Program	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 ABLLS Assessment, Acadience and P255Q Literacy Profile Data K-2 students present with varied emerging foundational literacy skills with a baseline of 18% from the beginning of the year ABLLS assessment	K-2 students present with varied emerging foundational literacy skills Individualized skill sets related to foundational skills identified through ABLLs assessment as well as new curriculums such as Readtopia and ReadtopiaGO (6:1:1) and HMH (8:1:1)	In order to achieve a 6% increase in ABLLs score for K-2 students, students will work on literacy skills aligned IEP goals, literacy curriculum (ReadtopiaGO or HMH), and foundational literacy skill (Fundations and/or Heggerty)
at a baseline average of 34% from beginning of the year SANDI assessment 2024-2025 SANDI	3-5 students are performing at below grade level in reading comprehension skills Individualized sets of skills related to reading comprehension	In order to achieve a 6% increase in SANDI score for 3-5 students, students will work on literacy skills aligned IEP goals, literacy

Assessment, MAP Growth & P255Q Literacy Profile Data	identified through both SANDI and MAP assessments.	curriculum (Readtopia or HMH), and foundational literacy skill (Fundations and/or Heggerty)
from a baseline average of 34% based on information from beginning of the year SANDI assessment 2024-2025 SANDI Assessment, MAP Growth & P255Q Literacy Profile Data	6-12 students need to work on prevocational skills to promote student independence Real-world application skills identified through SANDI	In order to achieve a 6% increase in SANDI score for 6-12 students, students will work on literacy skills aligned IEP goals, literacy curriculum (Readtopia), and foundational literacy skill (Fundations and/or Heggerty)

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	ABLLS reading subtest scores baseline 18% and SANDI reading average of 34%	By June 2026, all P255Q students will demonstrate progress in literacy skills through a 6% increase in reading subtest scores as measured by ABLLS Sections: B (Visual Performance), C (Receptive Language), D (Motor Imitation), G (Labeling), & R (Reading) and SANDI Section: Reading; by supporting staff through professional development on literacy curriculums and developing individualized IEP goals stemming from assessments.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Summative assessments and P255Q Literacy Profile

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Continued support from Teaching Lab to support teachers who utilizing HMH.
Monday Professional Development focused on reading curriculums.
Monthly PLC focused on reading curriculums with collaboration with speech therapist.
Daily instructional literacy block
Individualized IEP goals stemming from ABLLS and SANDI assessments worked on in 1:1 setting and during literacy instruction

Root Cause Addressed:

K-2 Students need to work on foundational prerequisite skills identified through ABLLs
Different curriculums and programs used to address teaching of comprehension skills identified through SANDI assessment
Individualized need for each students based off of summative assessments.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Students individualized reading goals will be pulled directly from specific ABLL's sections and SANDI Reading and in turn will be focused on during ELA literacy block as well as 1:1 and center-based learning
Continued trainings in reading curriculums during Monday PD's, Election Day, through Inter-visitations, and continued support from the teaching lab (HMH): HMH, Readtopia & Readtopia, Fundations & Lexia

Speech Collaborations during PLC and P255Q Literacy Block
Monthly common planning for teachers for explicit literacy instruction

Key Strategy 2 (Optional):

NA

Root Cause Addressed:

NA

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
NA

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Literacy assessments will be conducted through ABLLS, SANDI, Acadience and MAP 3 times a year (BOY, MOY & EOY) and data analyzed. Student specific instructional programs will be analyzed via online goal progress monitoring; teachers will update the goal 2x a month to monitor progress. Curriculums including HMH, ReadtopiaGo and Readtopia will continue.

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Literacy themed parent engagements, homework aligned to student IEP goals and literacy curriculums, daily parent communication, parent-teacher conferences and classroom visits	School Team - teachers, related service providers, administration, and Families

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Literacy Team (school coaches, partnership with HMH Teaching Lab)

Instructional Resources

HMH, ReadtopiaGo, Readtopia, Fundations, Lexia, Individualized IEP goals, Edmark

Schedule Adjustments

Literacy block has been shifted to the morning to support achieving this goal. With 1:1/AIS instruction occurring in the afternoon

Other Resources Needed

NA

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
SANDI Section: Social Emotional/Behavioral as of November 2025 32% & ABLLs Section N: Follow Classroom Routines as of November 2025: 25%	Teacher training/understanding of the importance of structured teaching implementation	Classroom environments should have limited distractions and only the visual and curriculum resources students are currently utilizing to support P255Q Instructional Objectives so that all learners are able to effectively manage and navigate their educational spaces.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	SANDI Section: Social Emotional/Behavioral as of November 2024 32% & ABLLs Section N: Follow Classroom Routines as of November 2024: 25%	By June 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a 3% Increase in SANDI Section: Social Emotional/Behavioral from 32% to 35% & a 3% increase in ABLLs Section N: Follow Classroom Routines from 25% to 28%. This will be supposed through the use of the of the structured teaching classroom guide.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Partnerships and professional developments with the Office of Autism's Instructional Coach.
PD Mondays focused on structured teaching
Strategically planned classroom intervisitation

Root Cause Addressed:

Classroom environments should have limited distractions and only the visual and curriculum resources students are currently utilizing to support P255Q Instructional Objectives so that all learners are able to effectively manage and navigate their educational spaces.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Structured Teaching PD's on Monday professional development focused on classroom routines and social/emotional skills.
Partnership with office of autism coach
In school support for school based coaches. with a focus on creating classroom routines and social.emotional skills
Inter-visitations to promotes exemplar classroom routines.

Key Strategy 2 (Optional):

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
2024-2025 Advance Ratings in Section 1A Demonstrating Knowledge of Content and Pedagogy from the 2024-2025 SY baseline data 3.1	Teachers needs ongoing training on newer curriculums such as ReadtopiaGo, Readtopia and HMH as well as going professional learnings in fundations which will support lesson planning and development. Strategically utilizing Monday PD's and follow up PLC time in training on lesson planning, center based instruction and explicit instruction.	Demonstrating Knowledge of Content and Pedagogy

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	3.1	By June 2026, the increased scores in section 1A Demonstrating Knowledge of Content and Pedagogy will Increase by .2% from 3.1 to 3.3, for Students with Disabilities (SWD), as measured by 2024-2025 Advance Ratings section 1A from the 2024-2025 SY through the use of professional learnings with a focus on planning and preparation.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
23% (SANDI) / ABLLs Section B 31% & ABLLs Section R 13%	Varying math levels and skills across alternate assessment class data. Students have not had access to a curriculum that goes across grade bands and is aligned to standard skills	Math curricula differentiated for all student needs

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	SANDI 23%, ABLLs Section B 31% & R 13%	By June 2026, the increase in summative assessment scores for Students with Disabilities (SWD) will increase by 2% in SANDI Math and ABLLS sections B (visual performance) and R (Math) by providing support and trainings on math curriculums to staff as well as developing individualized IEP goals stemming from assessments.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). 37% of parents completed the	Parents and families do not fully recognize the importance of the survey and the difference that responses can make Parents noted to school staff	Increase parent voice

school survey for the 25-26 school year.	that the survey has many questions and questions can be repetitive and/or not applicable to our student population	and parent experience within P255Q

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of Students with Disabilities (SWD)	37%	By June 2026, the percentage of parents/families completing the school survey will increase by 3% from 37% to 40% as measured by NYC School Survey Results by providing parents with reminders and the opportunity to complete the survey during spring engagements and parent teacher conferences.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Providing parents with information about the school survey prior to it being sent home. Once surveys are sent home, providing parents with reminders via REMIND APP, social media posts and flyers.
Providing time during in person family activities to complete the school survey.

Root Cause Addressed:

Parents not have the technology to complete the school survey. The school survey is long and often times not applicable to the population of our students.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers will remind parents at parent teacher conference and routine daily outerach (e.g parent engagement time)
Parent Coordinator will provide updates and reminders
Assist families with technology issues by providing families time during spring engagements and parent teacher conferences to fill out the school survey.

Key Strategy 2 (Optional):

NA

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
RISA data from June 2025 is 87%	Transportation, illnesses, family vacations Staff can communicate with families about the importance of consistent attendance in school. Site coordinator and parent coordinator can support parents with transportation related issues.	Increase student attendance

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	87%	By June 2026, the Site's daily student attendance for Students with Disabilities (SWD) will increase by 3%, from 87% to 90%, as measured by the Insight school wide attendance data by supporting families with NYSCA and sharing attendance protocols routinely throughout the year.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
Office of assessment and accountability (OAA)- May 2025	dedicated staff may not have had adequate time to input updates in our system and administration accountability	IEP Development and Fidelity of Implementation

	to make sure that the information is updated in SESIS.	
Summarized information from IEP Reviews shows 11% of our students have vocational assessments uploaded to the Special Education Student Information System (SESIS) as of June 2025.	dedicated staff may not have had adequate time to input updates in our system	Transition Planning and Compliance
The Special Education Student Information System (SESIS) indicates that 100% of our students have IEPs.	We are a District 75 school that specializes in supporting Students with Disabilities (SWDs)	Referral Process and Equity
Summarized information from IEP review shows that 77 amount of students with an FBA/BIP have a IEP goal related to behavior	IEP review teams need further training in implementation of FBA and BIPs	Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	63%	By June 2026, Progress Reporting on SESIS updates for annual goals will increase by 12% from 63% to 75% through the support of Monday Professional Learnings, support from Special Education Coordinator and IEP tracking updates.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Monday PD's related to SESIS and IEP updates.
Site check ins with Special Education Coordinator to support with teachers with SESIS.
SESIS guide availability for all staff
Support from school based coaches
Spot checks of IEPs to track updates

Root Cause Addressed:

Dedicated staff may not have had adequate time to input updates in our system and administration accountability to make sure that the information is updated in SESIS.
Monday professional developments related sesis and IEP updated to support teachers.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Sending out SESIS guide in the beginning of the year to all staff for support.
Monday PD in October related to SESIS & Updates.
IEP's are updated 4x per year. Detailed instructions will be sent out on how to complete instructions.
SESIS liaison will continue to inform of SESIS updates and monitor reports of information related to SESIS updated and relay information to staff.

Key Strategy 2 (Optional):

NA

Root Cause Addressed:

NA

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

NA

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Monthly emails from OAA to identify the number of IEP goals being updated.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/27/2025	Families are updated on student progress daily and at time of IEP and Parent teacher conferences.	Teachers

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Direct Instruction All tiers	All students have IEP's	Principles of Applied Behavioral Analysis, Structured Teaching	One to one and Specially Designed Instruction	During the school day	Yes, Tablets, AAC devices, Promethean Board, touch screen lenovo desktops

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
All tiers Behavior Support Plans Social Skills Plans	One to one paraprofessional for behavior support	Positive Behavior Supports	Across all 6:1:1 and 8:1:1 environments	Throughout the school day and student arrivals/dismissals (transportation)	No

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

P255Q will support parents and family members of Title I students by:
• providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
• providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
• fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
• providing assistance to parents in understanding City, State and Federal standards and assessments;
• sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
• providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

• Teacher outreach to families via REMIND app, during weekly parent engagement time, during parent teacher conferences

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Daily communication with families via REMIND APP.
Parent trainings
Parent teacher conferences and IEP meetings

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

For the 2025-2026 schools year P255Q has observed an increase in the number of students living in temporary housing. Our P255Q connections team is aware of each case and working with caregivers and utilizing our family network grant to support all students.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

Students in foster care work with counseling staff who are trained in TCIS and at risk counseling as needed. School staff is trained in the principals of TCIS as well as regular consultation.

Regular contact with agency, case workers and foster parents.

School has meetings as need to discuss additional supports required.

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support

provided to this population?

For the 2025-2026 schools year P255Q has observed an increase in the number of students living in foster care. Our P255Q connections team is aware of each case and working with caregivers and utilizing our family network grant to support all students.

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

Students in foster care work with counseling staff who are trained in TCIS and at risk counseling as needed. School staff is trained in the principals of TCIS as well as regular consultation.

School has meetings as need to discuss additional supports required.

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school’s Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. P255Q, in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P255Q will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support services; and technology training to build parents' capacity to help their children at home;

- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, Learning Environment Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P255Q, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Meghan Kozak
Assistant Principal (Where Applicable)*	Michael DiAngelo/Vanessa Graham
English as a New Language (ENL) Teacher*	Laurence Fitzpatrick
Teacher (if school has a bilingual program must be a bilingual teacher)*	Rosalynn Luna
Parent/Guardian*	Nicole Kwok
Teacher	Cris Caridad
Parent Coordinator	Elizabeth Durand
School Counselor	Kiara Delrosario
Related-Service Provider	Inez Cruz
Coach	Jennifer Bieniek
Coach	Alyson Shapiro

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

5

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

0

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

1

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

600

Total number and percentage (%) of current ELLs:

238 - 39.7%

Total number and percentage (%) of former ELLs:

4 - 0.7%

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

158 - 66.4%

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

61 - 25.6%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

19 0 8.0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0 - 0.0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

236 - 99.2%

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Self-contained 6:1:1 Bilingual Spanish	Special Class	2024	.33	.33	.34											1.00
DLBE																	0
DLBE																	0
				total: 0.33	total: 0.33	total: 0.34	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

Stand-alone English as a New Language (ENL) instruction is delivered in English to small homogeneous groups of students. These groups are created in order to build build basic vocabulary, literacy and communication skills needed for success in core content areas. Students are ungraded and blocked.

Classes are organized based on staffing ratios (e.g., 8:1:1, and 6:1:1) as mandated in the students' IEPs and with attention to chronological grade bands (e.g., K-2, 3-5, and 6-8). Students are grouped based on age ranges, ratios, and level of learners. ENL teachers pull them out to separate locations for stand-alone instruction and also push into classrooms for small group instruction. Instructional groups are generally homogenous.

Integrated ENL:

Students are placed within the mandated staffing ratios (e.g., 8:1:1, and 6:1:1) according to their IEP's, with attention to their chronological grade bands (e.g., K-2, 3-5, and 6-8), when delivered instruction in their classroom. Groupings are usually heterogeneous.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

During the 2025-2026 school year, our school does not have a TBE program.

Dual Language Bilingual Education (DLBE):

There is currently a 6:1:1 special class that is taught by a bilingual special education teacher who provides all content instruction in both English and Spanish, including ENL and HLA.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

To ensure the mandated maximum number of instructional minutes are provided , ELLs are grouped within classes to maximize group size.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

ENL, ELA, and HLA are delivered daily during literacy blocks. ELA is provided by a special education teacher, ENL by an ENL teacher, except in the bilingual class, where all three (ELA, ENL and HLA) are provided by the BSE teacher.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

We have a one-way DLBE class in which all the students are ELLs, some of whom have a BSE recommendation on their IEP. Due to the DLBE being a self-contained class, the students remain with each other throughout the day, except during lunch and Adapted Physical Education (APE) when they are integrated with non-ELLs; they are integrated for 25% of the day.

b. In which language(s) is each core content area taught?

Math and Science are taught in Spanish.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

The percentage of Newcomer ELLs is 158 students, which is 66.4%.
P255Q utilizes a variety of best practices. Firstly, the Picture Word Inductive Model (PWIM) by using the words to write sentences, the pictures utilized are drawings and cartoons, use repetition and Total Physical Response TPR. Instructors give commands to students in the target language with body movements, and students respond with whole- body actions. Secondly, Readtopia, ReadtopiaGo and Lexia are being used to reach out to newcomers. Thirdly, Language Experience support(LEA) watching and responding to videos, games,and projects with many opportunities for students to work collaboratively. Next, our school supports students by offering a variety of resources that are easily accessible through the school's website: https://p255q.org. P255Q takes pride in connecting with parents. Our ML/ELL team is working tirelessly to keep making connections and supporting students and families. Additionally ELLs are Emotionally supported with the use of the SEL (Social Emotional Learning) curriculum offered as well as counseling services if that is considered necessary and appropriate based on the students' IEP. Furthermore, Newcomer ELLs have access to culturally diverse and accessible curriculum and resources: Amplify Science, Passport Social Studies, Edmark, Reading A-Z, Unique, Fundations, and Attainment Math products that are tailored to the needs of ELLs. The ML/ELL team continuously supports classroom and cluster teachers more specifically on vocabulary, grammar and syntax. Moreover, literary texts are read to students by the teachers or with the use of an immersive reader, AAC (Augmentative Alternative Communication) devices, or Audio Interface devices etc. P255Q is a Thinking Map school. Thinking Maps are utilized by all teachers for instructing all subjects.

All ML/ELL instructional staff use their knowledge of multicultural curricula for instructional support such as Icebreaker, modeling the instructions by “introducing students to common classroom expressions accompanied by a visual can reinforce routines and give students the opportunity to practice the target language” (N. Ramsaran,08/05/22). To support newcomer ELLs and their families, our school fosters a welcoming and culturally responsive environment by displaying multilingual signage, using students' home languages to support learning, and creating parent engagement

programs
with flexible event times and locations. Effective communication involves understanding families' preferred methods, providing translation tools, and connecting families with bilingual staff. For students, strategies include using peer support, providing opportunities for choice and collaboration, and addressing social-emotional needs, while families can support learning at home by maintaining the home language and engaging with their child's school. To illustrate high level
behavioral support using predictable classroom routines to help students feel safe. Instructing students how to collaborate and encourage their peers giving a thumbs-up or high five.
Empower students to make requests and communicate their needs using Communication Books and AAC devices. Students are requested to use choral repetition, wait time and visual representation to facilitate English language retention.
(Larry Ferlazzo - February 23, 2021 "Thirteen Instructional Strategies for Supporting ELL Newcomers" ; Nirmala Ramsaran-August 5, 2022 : 4 Effective Strategies for Supporting Newcomer English Learners).

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

PS255Q has no SIFE students present at this time.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

The percentage of Long Term ELL students (receiving more than 7 years service) is 8%. Developing ELLs (4-6 years service) comprise 25.6% of our ELL population. PS255Q Utilizes a variety of best practices. Developing ELLs (receiving 4-6 years service) have access and support to culturally diverse and accessible curriculum and resources. Classroom approaches interactive read-alouds, vocabulary practice, and the use of metacognitive reading strategies (e.g., thinking aloud, modeling). P255Q is a Thinking Maps school based on research graphic organizers amplifying students' ability to respond using visuals and words to enhance their vocabulary awareness, modeling and comprehension. Developing P255Q has "designed and delivered instruction that is culturally and linguistically appropriate for all diverse learners' Individualized Education Programs (IEP). The ML/ELL teams in collaboration with classroom and cluster teachers develop scaffolded curricula that are diverse and culturally responsive that builds on schemata that students are familiar with and pivoting to creating linguistic correlations with the world around them. Furthermore, the ML/ELL offers visual, multimedia, technology and Thinking Maps support, accessible, equal,equitable and multiple pathways that students can engage before, during and after instruction. "Supporting Multilingual Learners/Long-Term English Language Learners in New York State '' NYSED. Middle school and HighSchool LTELs are engaged in increased independence, career training and transitioning to high school .The ML/ELL team continuously supports classroom and cluster teachers more specifically on vocabulary, grammar and syntax for all ELL students. Curricula and other resources that P255Q has to offer are Amplify Science, Passport SocialStudies,Amplify Math, Edmark, Reading A-Z Reading curricula : Readopia, Readotopia Go (for 6:1:1 students), HMH (for 8:1:1 students Elementary, Middle School, High School), Fundations for letter recognition, writing and sight/vocabulary word development (K-8). Thinking Maps are utilized by all teachers for instructing all subjects.The curricula and resources offered are age appropriate, for example, the students use pictures and texts that are geared to their interests and preferences.

Detailed explanation of Core Curricula used daily in classrooms

Readtopia and Readopia Go
Readtopia and Readopia Go are “cloud-based curriculum serving students grades 3 through adult, supporting varied learning needs including autism, intellectual disabilities, and developmental differences. Perfect for self-contained and inclusive classrooms, transition programs, and adult learning centers. Readtopia’s thematic units deliver proven results through daily routines using evidence-based literacy instruction that transform reading skills into measurable reading comprehension, and functional reading achievement.”

HMH Core curriculum
“HMH core curriculum, assessment, and professional development are presented on one platform for a streamlined experience. Embedded K–12 learning tools engage students...Students benefit from high-interest, relevant texts that have undergone a rigorous review for quality.”

Fundations
“Fundations’ multimodal approach to reading, spelling, and handwriting makes learning to read fun for students and teachers. It lays the groundwork for lifelong literacy through a proven approach to Structured Literacy that is aligned with the science of reading.”

Firstly, during the incorporation of core curricula ELL students are encouraged to explore and discuss with peers using their AAC devices. Secondly, vocabulary cards are utilized and in some cases modified texts , techniques and presentation may be provided as an option. Thirdly, the students are offered many opportunities to produce writing students' work which includes Thinking Maps, Sentence Starters and predictable texts when applicable. Lastly, the students use a print rich classroom environment which includes labels for object, anchor chart and word/vocabulary walls.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

We have 5 former ELLs.
P255Q provides 90 weekly minutes of ELL services to former ELLs for a period of 2 years based on State and City guidelines and mandates. All former ELLs are fully served.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

All of our ELLs are at-risk across all subgroups according to ELL Data Analysis Tool for 75Q255. 66.4% of the ELL's at our school did not demonstrate sufficient ELP progress according to Spring 2024 NYSESLAT results. ELLs are disproportionately at risk for poor academic outcomes and are more likely than non-ELLs to be classified as having specific learning disabilities and speech/language impairment. However, in our case, all/most of our school population consists of students with learning disabilities/Language Impairments or are diagnosed with Autism Spectrum Disorder. Therefore, it is extremely hard for our student population to test out.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

ELLs are disproportionately at risk for poor academic outcomes and are more likely than non-ELs to be classified as having specific learning disabilities and speech/language impairment. However, in our case, our school population consists of students with learning disabilities/Language Impairments or are diagnosed with Autism Spectrum Disorder. Therefore, it is extremely hard for our student population to test out of the NYSESLAT.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

At our school, the majority of English Language Learners (ELLs) speak Spanish as their home language as they comprise of 147 students out of 238 total ELLs. The Top 10 language representations at P255Q are Spanish, Chinese, Bengali, Nepali, Tibetan, Arabic, Albanian, Korean, Pilipino, Portuguese, and Polish. 11 of our students out of a total of 238 total students, speak other languages according to ELL Data Analysis Tool-Spring 2025. To support communication and learning that values and respects these home languages, we have bilingual and multilingual staff who assist in engaging with families. For students, communication is facilitated through the use of communication books and assistive devices. Additionally, we also make use of over-the-phone interpretation services and parent communication apps that feature built-in translation tools to ensure clear and consistent communication.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

ELLs at our school are from various different racial and ethnic backgrounds, which comprises 54.6% of Hispanic ELLs, rest of the 45.3% includes 12.6% of American Indian or Alaskan Natives, 28.6% of Asian, 7.6% Black, 21% of Multicultural, 1.3% of Native Hawaiian or other pacific Islanders and 29% of White. The ML/ELL strives to keep updated as well as inform and collaborate with Teachers
and Paraprofessionals in regards to maintaining knowledge and awareness of cultural perspectives, respect of support while celebrating diversity, equity, equality, differentiation and inclusivity. P255Q continuously evolves and is innovative and creative in utilizing accessible SEL and culturally responsive curriculum to celebrate all cultural identities.
"CulturallyResponsive-Sustaining Education Framework'' NYSED.
“Culture refers to the customs, languages, values, beliefs, and achievements of a group of people. Students’ culture and lived experiences that influence how they understand and make sense of the world or themselves are an integral part of who they are as learners. As Emily Style, the former founding co-director of the National SEED Project (Seeking Educational Equity and Diversity), once wrote, “Half the curriculum walks in the door with the students.” According to Geneva Gay’s research in 2000 five essential components of culturally responsive teaching 1. strong knowledge base about cultural diversity. 2. Culturally relevant curricula. 3.High expectations for all students. Teachers should help students achieve academic success while still validating their cultural identities.4.An appreciation for different communication styles. 5. The use of multicultural instructional examples.
“What Is Culturally Responsive Teaching?” Madeline Will and Ileana Najaro April 18, 2022

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

According to NYSESLAT Spring 2024 results overview, ELP Progress for students with sufficient Exam Results chart shows that 95.2% of our students did not have sufficient exam results in English language proficiency. 1.2 % of our students met progress by exiting ELL status, 3.0% of our students met annual progress target. 0.6% of our students met safe harbor cumulative growth. The ELL students are mostly on emerging level due to the developmental diagnosis of autism that prevents them from performing at grade level.

According to Melor Md Yunus and Helmi Norman, “learners with Autism commonly demonstrate difficulties in responding and initiating social interactions. They usually struggle to provide responses and interact with other people. Due to their cognitive disabilities, most learners with Autism struggle to acquire new vocabulary. Additionally, learning for children with Autism is a scaffolded challenging process and in early childhood their cognitive disability disallows them from engaging in rigorous learning activities since their diagnosis hinders great stives. (Melor Md Yunus and Helmi Norman “English As Secondary Language Learning and Autism Spectrum Disorder: The Obstacles in Teaching and Learning the Language” 6/24/2021). P255Q is utilizing curricula that focuses on vocabulary enrichment that are very valuable for all students including our ELLs.

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

After examining the NYSESLAT result of the 2024, there are 238 ELL students in our school, 197 students have taken the exam, the students’ proficiency levels are: Entering:147- 74.6%, Emerging : 41-20.8%, Transitioning:4 -2.0%, Expanding: 3-1.5%

P255Q is a District 75 school serving students with disabilities more specifically with Autism Spectrum disorders. Many of the students are non-verbal, using picture symbols and augmented communication that is not permitted during NYSESLAT examination unless it is specifically placed under testing accommodations.

When looking at the NYSESLAT per modality current trends we notice that our ELL students struggle mostly in Speaking and Writing due to the limitation associated with autism struggle to talk/communicate without their use of picture symbols and augmented communication and in aptitude inf fine motor skills and cognitive ability to complete the writing tasks.

8. What is the relationship between students’ performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

Grade 3, 4, 6 and 7 ELA and Math, Grade 5 and 8 ELA, Math, Secondary-Level ELA, Math, with scores that on average meet basic { P } criteria.

Note that NYSESLAT is a standardized exit test that allows testing accommodations that our school follows, however our students cannot meet Exit level performance.

According to the comparison of Spring 2024 ELA Exam results and Spring 2024 NYSESLAT results for ELLs, 100%

of our students who took the ELA exam showed expanding level of English language proficiency. For Math 3-8 and Spring 2024 NYSESLAT comparison, 100% of our students showed expanding level of English Language Proficiency. Our

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

The ELL students are the subgroup of the student body population of 600 active students and the current ELLs are 238 according to EDAT Spring 2025". All of Our student body is composed exclusively of students with IEPs. We have no SIFE students at
this time.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

All of our High School students participate in NYSAA. They articulate to an 18-21 year old program when they age our of our program.

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

0 students have post secondary plans in STARS or ATS. All 11-12th grade students have their postsecondary plan documented in SESIS.

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

Our school's ILT utilizes evidenced-based practices such as Applied Behavior Analysis and Structured Teaching to enhance ELL student outcomes. We also use specially designed instruction to ensure that MLs/ELLs students can meaningfully access, participate and progress in the curriculum provided. 1:1 instruction is used to target IEP goals. We utilize HMH for our K-5 8:1:1 classes, ReadtopiaGO for our K-2 6:1:1 classes and Readtopia for 3-12 6:1:1 and 6-12 8:1:1. In addition to these programs teachers are also using Fundations for phonics and Thinking Maps to support with writing.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The school's leadership team orders curriculum and does staff development through the vendors, district professional development, and school coaches, AP's, and lead teachers. Our school's ILT utilizes evidenced-based practices such as Applied Behavior Analysis and Structured Teaching to enhance ELL student outcomes. We also use specially designed instruction to ensure that MLs/ELLs students can meaningfully access, participate and progress in the curriculum provided. We utilize include HMH for our K-5 8:1:1 classes, ReadtopiaGO for our K-2 6:1:1 classes and Readtopia for 3-12 6:1:1 and 6-12 8:1:1. In addition to these programs teachers are also using Fundations for phonics and Thinking Maps to support with writing.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

ENL teachers collaborate with special education teachers to provide content-area instruction that is aligned to NGLS.

Core Content is delivered through visuals, hands-on activities, and project-based learning. Teachers differentiate based on student's readiness skills. Students have communication devices and boards to allow them the opportunity

to participate using their preferred method of communication.

Bilingual class is taught in Spanish and English.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.

a. ELLs with IEPs

1:1 instruction, center-based teaching, structured teaching (TEACCH), literacy/phonics based supports/instruction, adapted math, science, and social studies. Applied Behavior Analysis is used as a teaching tool and also serves as a means to target students mal-adaptive behavior.

b. SIFE

(Students with Interrupted Service) follow the protocol of the newcomer's program and adhere to the process of new students. Parent interview, program selection and required minutes are given.
Our school ensures a safe, welcoming, and culturally responsive environment for SIFE students . SIFE students may have experienced trauma, family separation, or significant stress, so their social and emotional needs must be addressed before they can fully engage in school. Build relationships. Teachers and other professionals get to know their SIFE students personally and learn about their backgrounds, experiences, and cultures to build trust. They acknowledge and respect their identity specifically by paying attention to correctly pronounce each student's name, and displaying flags or other culturally relevant items in the classroom to help students feel seen and valued.
Since SIFE students may be unfamiliar with U.S. school procedures, staff clearly teaches them routines like following a schedule, using school supplies, and interacting with classmates. Most importantly, our school connects with families on daily basis. They Partner with community organizations and utilize family liaisons to provide support for students and their families beyond the classroom.

c. Newcomers

Instruction for newcomers is oriented around basic grade-level vocabulary and English-language development. This will allow newcomers to access grade-level curricular content. Our staff uses visuals, gestures, and real objects to clarify new vocabulary, and allow students to use their native languages for understanding through translanguaging. Our school focuses on building positive relationships, provide clear routines, and structure collaborative activities to foster confidence and belonging, while also informing families about available resources and support.

d. Long Term ELLs

For our school long-term ELL (7+) receiving services; our certified ENL teachers consult with students' classroom teachers and related service providers to assess student performance in the four modalities of English Language Learning: listening, speaking, reading, and writing. The long term focus is on providing students with resources and training in their list restrictive environment to promote independent living skills, post-secondary school. Also, long term goals include preparation for college, career and civic readiness.

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

P255Q utilizes the Structured Teaching Model as the instructional routine of all classes. This model by design sets the classrooms up for small group instruction, independent workstations and 1:1 trial teaching. This balanced approach provides teachers with a platform for a variety of instructional approaches. As Best Practice in our school an extensive assessment process takes place in September. Targeted instructional programs are selected after this process to meet all ELL students' needs. Edmark and Reading A-Z (English/Spanish version), Fundations, and Readtopia are used to target ELA instruction. Math Attainment Program is used for Targeted math instruction as well as Eden Curriculum programs (math) are selected to address targeted math instruction. Student's Social Emotional Learning is monitored and targeted through the ReThink Ed Program. Students get opportunities that allow for collaboration and mainstreaming within an LRE in the classroom and in the community on field trips or during travel training.

Our school develops schedules for our teachers to collaborate with specialized pedagogies to provide the support the students need to meet their goals with supporting instruction in their classrooms.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

At P255Q, Home language in DLBE, TBE, and ENL programs is assessed through a Home Language Questionnaire (HLQ), an informal interview with a qualified professional, and the New York State Identification Test for English Language Learners (NYSITELL). The HLQ identifies if a language other than English is spoken at home, the interview provides context, and the NYSITELL measures English proficiency to determine if a student is an English Language Learner (ELL) and qualifies for support services or bilingual programs.
Five ENL teachers throughout ten cites determine the eligibility of ELL status.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

P255Q students are exempt from the LOTE requirement as per their IEPs and are not offered language electives.

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

ENL teachers push into classrooms and collaborate with classroom teachers. Common planning time is also utilized.

Co-teaching and collaboration are supported among ENL teachers and classroom teachers through weekly updates from the school based coaches which provide school wide curriculum. We also have a shared drive with curriculum materials accessible to our ENL and Bilingual teachers.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the

academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

Our professional learning is done through the ReThink Ed platform. They have an SEL Training Series. This course provides training on the development of social-emotional skills to promote the well-being and success of students and adult learners. Aside from their training program we also use their SEL resources and many SEL Lessons that come with videos and activities. Our school coach, lead teachers, and assistant principals also lead professional learning sessions through the use of PLC. This upcoming September our school will also have professional learning every Monday, after the students are dismissed.

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

Each school must provide professional development to all teachers and administrators that specifically addresses the needs of English language learners. A minimum of fifteen percent (15%) of the required professional development hours for all teachers prescribed by CR Part 80 must be dedicated to language acquisition, including a focus on best practices for co-teaching strategies and integrating language and content instruction for English language learners. For all bilingual and English as a new language teachers, a minimum of fifty percent (50%) of the required professional development hours must be dedicated to language acquisition in alignment with core content area instruction, including a focus on best practices for co-teaching strategies and integrating language and content instruction for English language learners. The ENL team as well as the entirety of P255Q will attend workshops offered by District 75 and DELLS regarding ELLs. The ENL team is required to submit Agendas as records of Professional Development that maintain each respective teacher's permanent record.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

Our 8:1:1 K-2 students are assessed with Acadience for Reading and MAP Growth for Math. Our 3-5, 6-8 and 9-10 students are assessed using the screener MAP Growth for Reading and Math.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

P255Q offers the following Intervention programs: Edmark, Fundations, 1:1 Instructional Programs and Teacher Made 1:1 Instructional Program, Lexia, HMH, Readtopia, and Readtopia Go. Intervention services are provided in English.

In addition, our school provides related services as interventions based on IEP mandates. These services include physical therapy, occupational therapy, speech therapy, and counseling, vision and hearing services.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Discrete trial instruction data drives instruction on specific students IEP goals and objectives. Our school's data team has also created data sheets to be used during instruction. During PLC, teachers discuss data practices and analyze student progress.

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

We use the following formative assessments to inform and drive instruction:

ELL Periodic Assesment

Teacher-created assessments
Lexia
NYSAA
Web-ablls
SANDI

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

The teachers will continuously assess the students during instruction in their language to check for understanding. Alternate placement paraprofessionals and certified Bilingual service providers support the native language instructional assessments. Teaching directives are translated to ensure student understanding and to assess language dominance as well as student progress in their native language. Students are immersed in English language instruction.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

As a District 75 School, the NYSESLAT data is not a clear reflection of what our students are capable of doing. Instead, we use NYSSA to inform instruction. Our small group of standardized students take the state exams in ELA, Math, and Science.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

Our ENL teachers train other licensed pedagogues throughout the organization to administer and score NYSESLAT. This year, we have five ENL teachers with TESOL license, who will administer the NYSESLAT. They will be allocated a separate room for them to test all the students individually. All five ENL teachers will provide their schedule for testing. This assistance will allow ENL teachers to continue providing instruction during the testing period.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

NYS Alternate Assessment is done using a collaborative approach. We have a testing coordinator in our school who oversees that all the necessary accommodations are made.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Our five ENL teachers meet with parents at their specific sites to explain the process and complete the parent home language survey, in collaboration with our Parent Coordinator. An orientation for all entering kindergarten students is done by each specific site that discusses curriculum and instructional programs used.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

IEP meetings are held annually for every P255Q student. During this time, ENL teachers will discuss goals and objectives. Pre and post meetings are also held. Over the phone translation is also utilized.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Documents are translated by our school's Parent Coordinator and distributed to Unit Coordinators to distribute. Bilingual staff are also utilized. Translation of IEP's and other evaluations are also done through the NYCPS approved vendors for translation, using the allocation in Galaxy.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

Through a close collaboration between our Parent Coordinator, Parent Connections Team, and PTA. Our PTA creates parent leadership roles and offers diverse opportunities for families to volunteer, serve on advisory boards, and mentor others, even as they learn English.
Parent Connections Team, and PTA host partnership events: Organize various parent-school partnership events and workshops designed to engage families. Empowering families of English Language Learners (ELL) involves creating a welcoming, inclusive school environment that values their home languages and cultures, fostering strong home-school partnerships, and providing clear, accessible communication and resources in their preferred languages. Key strategies that our school uses include holding events, offering translation services, creating parent leadership roles, encouraging at-home reading and study spaces, and recognizing families' strengths and valuable cultural assets.
Our staff determines how families prefer to receive information and communicate with the school. Our school uses the DOE translation services and utilizes bilingual staff for important school documents, meetings, and communication.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

Flyers and phone calls are used to communicate with our families. Our PTA also has bilingual members. The school's SLT is also a way to get such information out.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

Trips within the community are places where our students come to put into practice all the math, language, and social skills they have learned in the classroom and related services.

Gallop NYC is a therapeutic horsemanship program for children with disabilities. Each rider progressively acquires riding skills and measurable improvements in life skills.

Mainstreaming is primarily an opportunity for P255 students to socialize and engage with the general education

students that they co-share the school with.

Pen-pal exchange, where students exchange letters with students with the general education students that they coshare the school with. The student exchange information about themselves and about hobbies they enjoy.

Classroom teachers, ENL teachers, Speech teachers, and school counselors are involved in all programs.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

At P255Q, our primary objective is to have students achieve their maximum independence. In order to succeed, a varied learning environment is provided for our students to develop their skills. Academics, differentiated community experiences, and pre-vocational support provide and assist in developing essential life skills. Our school utilizes evidenced based practices such as Applied Behavior Analysis and Structured Teaching (TEACCH) to enhance individualized student outcomes. Our mission is to ensure that every student transitions from P255Q with the skills essential for effective daily living that result in an improved quality of life.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

Our ELL identification team consists of 5 ENL teachers one AP, our principal, and bilingual clinician.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

Each year, after registration and enrollment, the English as a New Language (ENL) teacher or pedagogue administers a Home Language Identification Survey (HLIS) to the incoming Kindergarten students' parent or guardian to determine their home language.

While administering the survey, for students whose home language is not English, the school must administer a more in-depth in-person interview with the parent or guardian, and student. Students whose home language is other than English, and who have been determined to have English language acquisition needs are given the New York State Identification Test for English Language Learners NYSITELL) to determine whether English as a New Language Services are needed. This test must be administered in person. However, before the test is administered the Language Proficiency Team (LPT) at our district 75 school, that provides highly specialized instructional support for students with multiple disabilities, must review relevant information from the student's record to determine whether the student has been identified as a student with a disability appears to have second language acquisition needs or there is evidence that the student's disability is the determinant factor affecting whether the student could demonstrate proficiency in English.

The LPT team includes AP Vanessa Graham, Unit Coordinator Cristina Caridad, ENL teacher@Site, as well as the parent.
When a transfer student arrives from the New York City Public School System the ENL teacher would check the Special Education Student Information System (SESIS) to see if the Home Language Survey (HLS) was scanned in.

If the survey was found, and the student is an ELL, you do not need to go any further. You just need to add the student to your caseload. If you did not find the HLS, which may or may not automatically make the student an ELL, you will want to check the profile page, and the IEP documents summary page. If a language other than English is listed under “Special Class” on the Summary page of the student's IEP, then the student is mandated bilingual, and that means the student will need an alternate placement paraprofessional, a person who speaks the student's language. However, in reality, the student is requesting to be placed in a bilingual classroom. Since we do not have one, we are doing the next best thing and giving the student someone who speaks his/her language.

Once determined if the student is an ELL, you will need to check Automate the Schools (ATS). In ATS, check the testing history (HISE) to see if the student has or has not yet taken the NYSESLAT or NYSITELL (judging from exam history, he may or may not be an ELL, if blank look at Admission/Discharge in the HISE to determine if a brand new student or a transfer from another school. You can also look at the biographical information (BIOD) for the language code and previous school (you may have to contact the previous school if the home language survey was administered there, and did not transfer to the cumulative folder at your site). If they are new to the school, and they are a first grader and older, and they have not taken the NYSESLAT, based on the RLAT, chances are they are NOT an ELL because they would have been identified already. Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Division of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Meghan Kozak

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Elizabeth	Durand	Parent Coordinator - Annual	02/05/2025	Y
Vanessa	Graham	Special Ed Assistant Principal 12 Month	02/26/2025	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Automate The System (ATS) reports / Next Generation Student Information System (NGSIS)

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
ARABIC	1	0.29%	1	0.29%	0	2
BENGALI (BANGLA IN BANGLADESH)	11	3.14%	10	2.87%	2	11
CHINESE ANY	18	5.14%	12	3.44%	0	3
KOREAN	2	0.57%	3	0.86%	0	0
MOLDAVIAN	0	0.00%	1	0.29%	0	0
MANDARIN	1	0.29%	5	1.43%	0	3
ENGLISH	252	72.00%	252	72.21%	N/A	N/A

PILIPINO (A.K.A. TAGALOG)	1	0.29%	1	0.29%	2	2
PUNJABI (A.K.A. PANJABI)	1	0.29%	1	0.29%	0	1
PORTUGUESE	1	0.29%	1	0.29%	0	0
RUSSIAN	3	0.86%	3	0.86%	0	0
SPANISH	55	15.71%	55	15.76%	6	8
THAI	1	0.29%	1	0.29%	0	0
TIBETAN	2	0.57%	2	0.57%	0	0
URDU	1	0.29%	1	0.29%	1	1

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
Letters/emails/emergency announcements from principal	Translated by bilingual parent coordinator
Parent/Sibling Support Group Invitations	Translated by bilingual parent coordinator
Monthly Parent Calendar	Translated by bilingual parent coordinator
Student Emergency Cards/Health forms/Media Consent/Military Opt-out letters	Available on InfoHub/our schools/language access
SLT letters/emails/announcements	Translated by bilingual parent coordinator
School workshop/training invitations	Translated by bilingual parent coordinator and other bilingual staff
IEP translation	Translated to any language by the Office of Language Access
IEP related documents	Lingualinx Translation and InfoHUB-SESIS Translated Parent Notices
Student progress reports	Translated by bilingual staff

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent/Sibling Support Groups	Interpreted by bilingual parent coordinator and other bilingual staff
Parent Teacher Conferences	Interpreted by bilingual staff or DOE contracted translation services
Workshops/Parent Training	Interpreted by bilingual parent coordinator
IEP Meetings	Interpreted by bilingual staff or DOE contracted translation services
Monthly SLT Meetings	Interpreted by bilingual parent coordinator
Monthly PTA Meetings	Interpreted by bilingual parent coordinator and other bilingual staff
Resource Fair	Interpreted by bilingual parent coordinator and other bilingual staff
Student Specific Meeting (other than PTC/IEP)	Interpreted by bilingual staff and/or parent coordinator if applicable
Town Halls	Interpreted by bilingual parent coordinator and other bilingual staff

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

In case of a school-wide emergency, our parent coordinator will send a message alerting parents of the emergency and next steps via RemindApp (school wide subscription) and email. Additionally, bilingual staff or staff using over the phone interpretation services will inform parents via telephone when available.

In case of a student specific emergency such as attendance or nurse/hospital visit, a bilingual staff member will communicate with parent in their preferred language. Over the phone interpretation will be used if a bilingual staff member is not available.

If a parent has an emergency and needs to contact the school the staff member will connect the parent with staff member who speaks his/her preferred language. If there is not a bilingual staff member who speaks the parents preferred language, the parent will be connected with a DOE vendor that provides over the phone translation.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

P255Q will ensure all staff members complete the required asynchronous NYCPS Language Access Training for School-Based Staff on the WeLearnNYC platform by having them sign a confirmation form in the office.

The Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents documents will be reviewed during the September Orientation meeting.

The Galaxy-designated LAC will disseminate future language access resources and updates to all staff members via e-mail and staff meetings.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

A welcome poster provided by the Office of Language Access is displayed outside each site's unit office. Parents receive the Language Access for NYCPS Families brochure, which includes an "I Speak" card they can use to request language assistance when visiting the school.

Parents are informed of their right to access services in their preferred language during school-wide family events, such as our Resource Fair, where the Office of Language Access has a designated area. Language support in families' preferred languages is also available at site-based events.

We use RemindApp, are on social Media, and will begin to use GAMA to stay connected with our families.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

The ENL team will survey parent regarding the Title III Saturday Program.

The Connection's Team will survey limited English-proficient parents who attend parent connections for feedback on translation services during the meetings.

The Connection's Team will survey families who participate in school-wide events (Family Connections, Movie Nights, Gym Nights, Multicultural Winter Wonderland, Autism Acceptance and Resource Fair and The End of Year Parent Get Together) for feedback to on access to their preferred language.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

This year, we aim to enhance our language services by implementing a radio frequency (RF) simultaneous interpretation system to provide real-time interpretation, and by expanding our interpretation team to include additional languages.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Total number of ELLs to be served in this program:

24

Grades to be served in this program. Select all that apply.

,6,7,8

Total number of teachers in this program:

4

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

4

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

For the 2025-2026 school year, 255Q's Title III funds will be used for an in-person STEM-based Saturday morning program.

The program's theme will be English language acquisition based on STEM (Science, Technology, Engineering, and Math) education with a focus on Project Based Learning (PBL). Students will be provided with coding kits that will be used during the program. We will use these coding kits/ to provide hands-on experience while learning through play about sequencing, looping, conditional coding, and cause and effect by placing the new action bricks within the train's track. Each day the students will receive direct instruction on how each action brick creates a specific action allowing for students to test and redesign ways to problem-solve and work together to get their train to its destination. Over the course of the project, teachers will collect videos and pictures of the students working that will be later used to create a movie about their work.

Instruction will be delivered through station teaching. Groups will be heterogeneous.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Participating students were chosen based on their NYSESLAT and SANDI scores, as well as parent and teacher surveys regarding students' needs.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Our program will serve 24 students in grades 6-8. There will be three 8:1:1 instructional groups. The program is open to all ELL subgroups.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

The program is projected to start in January, 2026 and end in May 2026, and will last for 14 Saturday . Sessions will take place on Saturdays from 9:00 to 12:30.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be English.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

Three ENL teachers and three paraprofessionals will provide direct instruction for the entirety of each session. A fourth teacher and paraprofessional will join direct instruction after conducting Family Engagement. This teacher and para will co-teach with the three ENL teachers to provide instruction, and will facilitate parental involvement as they work with their children on their projects for the remainder of the program.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

We will use Title III funds to purchase STEM kits and other hands on materials. We will also purchase six dedicated Title III laptops for use this year and in future years. These will be used in conjunction with the purchased STEM kits, which require computer interface, to provide direct instruction. We will also purchase MetroCards and refreshments for attending parents.

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

All documentation (parent notification, student & staff attendance, lesson plans, etc.) will be kept in our Title III binder in Google Drive.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

Professional development will facilitate staff learning about ENL methodologies, and allows ENL teachers to expand their knowledge of STEM-based education. All staff of the Title III program will attend PD sessions (one AP, four teachers and four paraprofessionals). The four teachers will provide training for the other staff members.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Our choice of PD topics is based on data gathered from previous Title III plans following the same theme. We have incorporated experience from previous programs to design tour PD sessions. We have also considered instructional goals and students' IEP recommendations. Additionally, we have used SANDI and NYSESLAT scores to target areas of student learning, and teachers will develop strategies to address these.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

4 teachers, 4 paraprofessionals, 1 AP

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

Over the course of the program, there will be six professional development workshops. Each one will be 75 minutes long, on select Thursdays from 3:15 p.m.-4:30 p.m. (AP's official hours end at 3:15).

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Topics to be covered include but are not limited to:

- Orientation, attendance, material presentation, program objectives, student engagement, and data
- strategies for working with English Language Learners with disabilities, and the benefits of bilingualism
- strategies for engaging parents in learning process for their children
- Using STEM kits for project-based instruction
- using PBL and STEM instruction to facilitate language acquisition
- Reviewing qualitative and quantitative data to assess the program's success

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

All sessions will be facilitated by our four ENL teachers.

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All documentation (parent notification, student & staff attendance, lesson plans, etc.) will be kept in our Title III binder on Google Drive.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

14 parent-specific workshops will be held during each Saturday session. They will be 2.25 hours in length and will be staffed by one teacher and one paraprofessional. Additionally parents will be invited to participate with their children in the Title III instructional program. They will be given the opportunity to learn alongside the students and offer support to the students as needed during the project assembly. Each lesson will involve the students and the parents and give everyone the chance to collaborate and learn from one another.

Parents will receive written notification of these events via email in English and their home language. Follow-up phone calls will be made as necessary to ensure parents' awareness of events.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

Parent and teacher surveys on family needs are the qualitative informational basis for the schedule and topics of our family engagement component.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**

- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

We will host 14 parent workshops concurrently with Direct Instruction. Each session will be 2.25 hours in length. Sessions will begin in Jan. 2026 and continue through May 2026.

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

The first four sessions will focus on strategies for working with multilingual students with disabilities at home. These will include ENL and special education instructional methodologies, as well as behavior management strategies.

The remaining ten sessions will be used to provide English language instruction to parents. These sessions will focus on task-specific language that parents with limited English proficiency

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

1 teacher & 1 paraprofessional.

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Email, phone calls, Remind app, and letters sent home with students.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All documentation (parent notification, student & staff attendance, lesson plans, etc.) will be kept in our Title III binder.

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

NOT conceptually consolidated (must complete Part E of this document)

Allocation Amount ($):

$37,956.00

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Direct Instruction	$22,807.96	Teachers: 3 x 14 sessions x 3.5 hours x $73.07 = $10,741.29 1 x 14 sessions x 1.25 hours x $73.07 = 1,278.73 Administrator: 1 x 14 days x 3.5 hours x $75.57= $3,702.93 Paras: 3 x 14 days x 3.5 hours x $43.07 = $6,331.29 1 x 14 days x 1.25 hours x $43.07 = $753.73 Total: $22,807.96
Professional Development	$4,050.98	Teachers: 4 x 6 days x 1.25 hours x $73.07 = $2,192.10 Administrator: 1 x 6 days x 1.25 hours $75.57 = $566.78 Paraprofessionals: 4 x 6 days x 1.25 hours x $$43.07 = $1,292.10 Total: $4,050.98
Parental Engagement	$3,658.41	1 Teacher x 2.25 hours x 14 sessions x $73.07 = $2,301.71 1 Paraprofessional 2.25 hours x 14 sessions x $43.07 = $1,356.71 Total: $3,658.42
OTPS	$7,438.64	202 Metrocards x $2.90: $585.80 6 MacBooks x $999.00 = $5,994 STEM Kits: 703.94 Refreshments for parents: $154.90
Other		
TOTAL	$37,956.00
