Comprehensive Educational Plan Outline

Table of Contents

Main Sections (Customized Based on School Accountability Status):

- Section 1: Overview of Comprehensive Education Planning
- Section 2: School Information
- Section 3: CEP SLT/Stakeholder Signature Page
- Section 4: School Summary
- Section 5: Priority 1 – All students learn to read well
- Section 5: Priority 2 – All students are physically and emotionally safe
- Section 5: Priority 3 – All students have a high-quality academic experience
- Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security
- Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools
- Section 5: Attendance/Chronic Absenteeism
- Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities
- Section 6: Multi-Tiered Systems of Support (MTSS)
- Section 7: Parent and Family Engagement Policy and School-Parent Compact
- Submission Assurances
- Language Allocation Policy Outline
- Part I: School ML/ELL Profile
- Part II: Bilingual Programs
- Part III: ML/ELL Programming
- Part IV: Data Analysis
- Part V: ML/ELL Instruction
- Part VI: Family Partnership
- Part VII: Additional Information
- Part VIII: ELL Identification Attestation and Principal Certification
- Part IX: LAP Assurances
- LTI Overview and Part A: Designation of a LAC
- Part B: Parents' Preferred Languages
- Part C: Parent Communications and Engagement
- Part D: Staff Awareness

- Part E: Parental Notification
- Part F: Monitoring
- Title III Outline
- Part A: School Information
- Part B: Direct Instruction Supplemental Program Information
- Part C: Professional Development
- Part D: Family Engagement Activities
- Part E: Budget

Appendices (Reflecting Additional Requirements for Specific Groups of Schools):

F

Section 1: Overview of Comprehensive Education Planning

Overview of Comprehensive Education Planning

Comprehensive Education Planning (CEP) is a structured, data-driven process that guides schools in assessing their needs, identifying areas for growth, setting strategic goals and implementing targeted actions to improve student outcomes. Collaboratively developed by the School Leadership Team (SLT) in accordance with the requirements of Chancellor's Regulation A-655, the CEP meets New York State Education Department (NYSED) requirements under the Every Student Succeeds Act (ESSA) and aligns with NYC Public Schools' (NYCPS) system-wide priorities. By engaging all stakeholders—school leaders, teachers, families, students and community members—schools can create a data-informed, equity-focused roadmap for student success and continuous improvement.

Schools should focus their CEP on the five system-wide priorities below, connecting their planning to the data discussions and conversations with stakeholders held as part of the school's needs assessment:

- Priority 1: All students learn to read well
- Priority 2: All students are physically and emotionally safe
- Priority 3: All students have a high-quality academic experience
- Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security
- Priority 5: All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

The Education Planning Process

The CEP follows an equity-driven, continuous improvement cycle, rooted in the system-wide priorities. This begins with a comprehensive needs assessment of the school's most current data to identify priority needs and root causes. Next, the SLT establishes **s**pecific, **m**easurable, **a**ttainable, **r**elevant, and **t**imely—SMART goal(s) aligned to each priority and determines targets to measure progress toward meeting the annual goals.

The SLT and instructional leaders define key evidence-based key strategies, professional learning activities and parent, family and community empowerment efforts. They monitor the implementation of those strategies and activities and track progress through measurable targets. Then, the SLT aligns the school-based budget with human and instructional resources to support action plans.

As schools set goals, develop key strategies, and plan action steps, they provide opportunities for all children to meet NYSED's proficient and advanced levels of student academic achievement. These include evidence based instructional strategies that address the educational needs of historically underserved populations and tackle structural inequities. Schools indicate how the plan addresses the needs of Multilingual/English Language Learners (ML/ELL) through development of the school's Language Allocation Policy (LAP) & Title III Application (if applicable) and the Language Translation and Interpretation (LTI) Plan, that are required as part of the CEP. Schools also address the needs of Students with Disabilities (SWD) through the High Quality Inclusive & Accessible Learning for Students with Disabilities section of the plan. SLTs also develop a plan to improve attendance and reduce chronic absenteeism.

Guidance on Conducting a Comprehensive Needs Assessment

Directions: Conduct a comprehensive needs assessment for each Priority. The information below provides guidance for reviewing and analyzing student and school performance trends to uncover root causes for low student achievement.

1. Review Multiple Data Sources: Use the most current and available information including, but not limited to, the following sources of formative and summative data, as applicable:

- Qualitative and quantitative data, including enrollment and class size trends
- 2024-25 ESSA Accountability Data
- Instructional Leadership Framework (ILF), Supportive Environment Framework (SEF) Inventories, and NYC School Survey results
- Quality Review Reports, NYSED and NYCPS CSI or A/TSI Support Visits, Receivership Quarterly Reports, and Diagnostic Tool for School and District Effectiveness Framework (DTSDE)
- NYC School Quality Guide, Insight, New Visions, NWEA MAP and/or other formative assessment data, IEP Review Survey Data, Progress on IEP Goals Data, Program (SESIS-STARS Linkage) Reports, Mandated (Related) Services Reports, and NYCPS Tools for Understanding Your Data for student subgroup information

2. Analyze Data Trend(s) to Identify Areas of Strength and Need: Identify data trends by grade, cohort, and content area(s) to surface gaps and inequities. Compare data sets to identify instructional and school practices that are impacting student performance. Guiding questions to consider:

- What does the data reveal about improving and declining student performance trends within grades, cohorts, and student subgroups?
- What inequities are evident between highest and lowest performing student subgroups? Which subgroup(s) scored at Level 1 based on NYSED ESSA accountability indicators?
- What does the data suggest regarding the effectiveness (or ineffectiveness) of current school programs, practices, and/or strategies/initiatives? What areas may need to be strengthened?
- Are there any differences in student performance between program delivery models for ML/ELL and SWD? (e.g., for special education: special class, ICT, SETSS, related services only; for ML/ELL: Transitional Bilingual Education (TBE) vs. Dual Language, etc.)
- How does delivery of instruction factor into data trends? What are the implications for teacher quality and professional learning?
- What inequities in special education referral and school disciplinary practices (e.g. suspensions, removals) are evident between student subgroups with IEPs?

3. Identify Root Cause(s): After analyzing the data, engage in a process for uncovering root causes or contributing factors for low student and school performance. Develop theories or hypotheses to explain

why these needs exist and why your school is getting its current outcomes. Root causes could be related to gaps and inequities in areas such as curriculum & instruction, school systems & structures, student support services, school climate & safety, and family & community engagement. Focus on the causes, rather than the symptoms. Use the 5 Whys Method or other methods for identifying root causes. Consider the questions below:

- What theories or hypotheses explain the current student and school outcomes?
- Are there root causes specific to certain subgroups, grades, cohorts, or content area(s)?

Additional resources and supports are available below.

- Use this CEP Needs Assessment Worksheet to help your SLT and stakeholders identify appropriate data sources, data trends, root causes and priority needs.
- For guidance and best practices on engaging stakeholders in a comprehensive needs assessment and root cause analysis, see this deck.
- A current list of all CEP/Title I resources can be found on the iPlan Portal Public Resources Page.

Section 2: School Information

School Information

School Name:

P643X

District Borough Number (DBN):

75X643

Grades Served:

K, 1, 2, 3, 4, 5

School Address:

639 St. Ann's Avenue Bronx NY 10455 / 2075 Webster Avenue Bronx, NY 10457/ 628 Tinton Avenue Bronx NY 10455

Section 3: CEP SLT/Stakeholder Signature Page

School Leadership Team (SLT) Signature Page

All School Leadership Team (SLT) members are expected to sign this page to confirm their participation in the development of this Comprehensive Education Plan (CEP) and that they have been consulted regarding the alignment of the school-based budget to support this school's educational program, which includes annual goals and action plans, Multi-Tiered Systems of Support (MTSS), the Parent and Family Engagement Policy (PFEP) and the School-Parent Compact (SPC). The SLT must include an equal number of parents and staff and have a minimum of 10 and a maximum of 17 members, in accordance with Chancellor's Regulation A-655. The SLT also serves as the Core Community Engagement Team (CET) for Receivership Schools. Additional information and resources are available on the School Leadership Team Resources page. Under the Federal Every Student Succeeds Act (ESSA), NYS Education Law and Commissioner's Regulations, stakeholder participation in the development of the CEP must include multiple constituencies who represent the school community. Note: Stakeholders participating in the development of the CEP who are not listed on the SLT page sign the section below entitled Additional Stakeholder Participation on CEP Development.

Directions: List the names of each SLT member in the first column on the chart below.

- Specify the position and constituent group represented, e.g., parent-PTA, staff-UFT, student. Note: Two student minimum required for high schools; SED requires Middle Schools identified for the CSI/ATSI/TSI support model to have student representation.
- Community Based Organization (CBO), and any position held by the team member. Core mandatory SLT members are indicated by an asterisk*. Note: The Core SLT members also serve as the CET for Receivership schools.
- SLT members should review this document and sign in the Signature If an SLT member does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of SLT member indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.
- Schools may modify their SLT bylaws as needed to address additional school and/or ESSA requirements for stakeholder engagement.

SLT Member Name	Position and Constituent Group Represented	Signature
Merrin Palish	*Principal or Designee	
Shirley Vargas-Acosta	*United Federation of Teachers (UFT) Chapter Leader or Designee	
Crystal Marcano	*Parents' Association (PA)/ Parent-Teacher Association (PTA) President or Designated Co-President	
Dashaun Walls	Parent	
Nicole Curiel	Parent	
Brittni Davis	Parent	
Radhaysa Brea	Parent	
Jennifer Johnson	Staff	
Christina Zarba	Staff	
Rachel Horowitz	Staff	

Additional Stakeholder Signature Page

Directions: Stakeholders participating in the development of the CEP who are not listed on the SLT page may sign below. Additional stakeholders may include, but not be limited to, school and district leaders, school staff, parents/families/guardians, students, community organizations, additional Core Community Engagement Team (CET) members (if applicable), members of the School Implementation Team (SIT), and/or school-based staff development committee that serves as the Instructional Leadership Team (ILT) tasked to improve instructional practice across the school. Go to NYSED's guidance on Assembling Your Team to learn more.

- List the names of additional stakeholders in the first column on the chart below.
- Specify the individual's position and constituent group represented.
- Stakeholders should review this document and sign in the Signature column. If the stakeholder does not wish to sign this plan, the member must check the box under the column "Opt Out of Signing, if applicable" and may provide the principal with a written explanation in lieu of a signature, which must be maintained on file at the school and uploaded in iPlan with the original SLT signature page. Note: Signature of the additional stakeholders indicates participation in the development of the CEP, not approval.
- The original signed copy, along with any written/electronic communications pertaining to this page, is to remain on file in the principal's office and be made available upon written request.

Section 4: School Summary

Accountability Status

Accountability Status: **LSI**

School Summary

Directions: Complete this CEP Summary to serve as the "at-a-glance" narrative that provides contextual information about your school's unique characteristics. This summary and the entire Comprehensive Education Plan (CEP) should be shared with your school community. Please note that this summary and the CEP will be made available to the public through the iPlan Portal, an online space where school stakeholders can go to collaborate in the development of the school's education plans.

Provide your school's mission statement:

Mission
At P643X, our mission is to build a school community where literacy and communication form the foundation of each student's educational journey and lifelong success. Guided by the 5 C's—Community, Consistency, Communication, Choice, and Change—we create collaborative learning environments grounded in specially designed instruction, positive behavior supports, and standards-based experiences, ensuring that all students and families feel understood and supported. Through meaningful instruction in foundational literacy and functional communication, we help students gain the independence to thrive in school, at home, and in the community. These skills enable them to express their ideas, engage in dialogue, share information, acquire knowledge, and better understand the world around them.

Vision
We envision a future where every P643X student is a confident reader, effective communicator, and critical thinker—prepared to participate fully in their world. Literacy is more than reading and writing; it is the gateway to independence, self-expression, and lifelong learning. Guided by the 5 C's, our classrooms will be places where students work with meaningful, standards-based texts, apply communication skills across settings, and receive instruction tailored to their strengths and needs. Through strong partnerships among staff, families, and the community, we will empower all students to comprehend, create, and connect, preparing them for success well beyond their time at P643X.

Develop a narrative summary that includes contextual information about your school's community and its unique/important characteristics and partnerships:

Include demographic information about your school's student population.

P643X is a second-year District 75 school proudly serving students across three sites in the Bronx, New York. Two of our sites are located in District 7, and our newest addition, P643X@161, is located in District 9. The school originally opened in September 2024 with 15 classes and has now grown to serve 35 classes across the three campuses with the integration of 19 new classrooms at P643X@161 in the 2025–2026 school year.

We serve a diverse student population of 228 students, all of whom receive special education services. Our

students are diagnosed with autism, intellectual disabilities, and other health impairments (OHI). Approximately 25% are English Language Learners (ELLs), and 100% of our students are economically disadvantaged. Demographically, 56.14% identify as Hispanic, 36.4% as Black, 2.63% as White, 3.07% as Asian, 0.44% as Native Hawaiian, and 1.32% as multi-racial. There are 76.32% male and 23.68% female students.

P643X is a student-centered school grounded in differentiated instruction, functional communication development, and daily living skills, ensuring that each child is supported in accessing the curriculum at their individual level. We prioritize inclusive practices and align instruction to individualized education programs (IEPs), while building a nurturing environment through our 5 core values: Community, Consistency, Change, Choice and Communication.

Our school also benefits from meaningful partnerships and enrichment opportunities. In our founding year, we partnered with the Alvin Ailey American Dance Theater through the Arts for MLLs and SWDs grant, providing students with rich, culturally relevant experiences in movement and expression. We hope to continue this partnership in the upcoming year. We also provide a full range of related services, and offer specialized cluster instruction in physical education, science, music, and art. In 2025–2026, we are launching a Title III Saturday Academy to provide additional support to multilingual learners and their families.

As a growing and vibrant school community, P643X remains committed to serving the whole child through inclusive education, meaningful partnerships, and family engagement.

Briefly summarize the key initiatives your school will implement this school year.

For the 2025–2026 school year, P643X will implement several key initiatives to strengthen teaching and learning while continuing to build a supportive, inclusive school community. We are expanding on our foundational year by deepening implementation of core curricula across all classes, including HMH Into Reading, Fundations, WebABLLS, and Illustrative Mathematics. Instructional coaches will continue to support staff with behavior strategies, instructional routines, and classroom systems.

We will focus on developing students' functional communication and daily living skills to promote greater independence and curriculum access. A key initiative will be identifying and implementing individualized functional communication systems for students. With the addition of P643X@161, we will assess the needs of students in that program and develop tailored supports for their success.

We are also excited to launch a Title III Saturday Program to support multilingual learners and are working to increase parent engagement through consistent communication and community events. If reawarded the Arts for MLLs and SWDs grant, we will continue our dynamic partnership with Alvin Ailey American Dance Theater to integrate the arts into instruction.

Our work will be guided by the 5 C's of P643X: Community, Consistency, Communication, Choice, and Change. This school year, we will strengthen inclusive practices through targeted professional development in differentiated instruction and behavior supports. We will foster a strong school community through expanded family engagement events, increased opportunities for student choice in learning, and student-led activities that reflect our shared values. To promote positive change, we are deepening our use of data-driven instruction and Individualized Education Program (IEP) goals to guide instruction and measure progress. We are also enhancing our language access and translation services to ensure all families are informed, supported, and empowered.

What are the primary digital and/or print curricula/programs used for ELA and Math:

Indicate the content area, grade band and any adaptations made.

Content Area (Indicate ELA and Math Only)	Grade Band	Digital and/or Print Curricula/Program	Adaptations
ELA	Kindergarten-Grade 2	HMH into Reading, Fundations, Readtopia Go	
Math	Kindergarten-Grade 2	Illustrative Mathematics, Envisions	
ELA	3-5	HMH into Reading, Fundations, Readtopia	
Math	3-5	Envisions	

Section 5: Priority 1 – All students learn to read well

Priority 1 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
76% of 643x students displayed 20% growth from baseline on the Adapted Fundation Assessment (2024-2025). Majority of early learners did not show growth from baseline assessment	Early learners were not provided with adequate support to access the phonics curriculum. Early learners were in need of functional communication systems/training	Functional communication systems for early learners, additional support regarding prerequisite skills for early learners, improve student engagement/in-seat behavior through behavior support systems and/or reinforcement
In June 2025, the average score for section Q in ABLLS was 2.82 boxes (17% of skills) for 643X students (117 students).	See above	See above (function communication systems, improvement with behavior management, additional work on prerequisite skills)

100% of students on a standardized track met the STO's of our literacy goal (and well above) for the 2025 school year.	The goal may not have been challenging enough for our advanced classes as they have a higher rate of learning than our early learners	Ensure that the literacy goal spans up to a 2nd grade Fundations level to challenge all learners
In June 2025, the average score for section G in ABLLS was 3.59 boxes (8% of skills) for 643X students	Majority of learners struggle with expressive language	Intensive Teaching, Functional communication training, error correction procedure
In June 2025, the average score for section C in ABLLS was 13 boxes (17% of skills) for 643X students	Majority of learners struggle with receptive language	See above

Priority 1

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for literacy outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Literacy

- Implement the strategies outlined in NYC Reads, including foundational phonics curriculum for grades K-2
- Implement dyslexia screening, professional learning, and program pilots (as applicable)
- Support literacy development through the integration of culturally responsive-sustaining texts and content

Priority 1 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	baseline	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 10% Increase, from baseline on the Fundations Placement Assessment .
Students with Disabilities (SWD)	8% of skills	By June, 2026, literacy for Students with Disabilities (SWD) will improve, as measured by a 4% increase Increase, from 8% of skills to 12%, of percentage of G skills from ABLLS-R on the Section G ABLLS-R results.
Students with Disabilities (SWD)	Baseline	By June, 2026, literacy for Students with Disabilities (SWD) participating in Standardized Assessment will improve, as measured by a 5% increase from baseline on the MAP Growth Assessment.

Priority 1 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 1 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Step by Step Visual Scaffolds to break down the Fundations Teaching Protocols
Teachers received full Fundations curriculum sets with the decodable texts
Teachers received full classroom libraries from Scholastic and Mosaic
Teachers all have pre-scheduled literacy blocks in their classroom inclusive of a specific Fundations periods
Teachers have common planning pre-scheduled weekly in their programs
Purchase of Fundations Digital FunHub
Teachers will receive functional communication training
All students will have a way to functionally communicate
Teachers will be trained in error correction procedure and direct instruction

Root Cause Addressed:

-Students require functional communication systems & training
-Students require additional supports/scaffolds to access curriculum due to lack of prerequisite skills
-Students require additional behavior support for increased engagement and on-task behavior during academic periods

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
D75 coaching supports from literacy coach

Teachers receive in house coaching supports from full time 643X literacy coach
Teachers were sent to Full Day Wilson Fundation's Trainings and various district PD's throughout the year
Staff will be utilizing professional learning communities to analyze data to inform instruction/pacing
Teachers will be sent for intervisitations to see specific best practices throughout 643X
Teachers will receive training on functional communication training. All students will have an appropriate communication system / way to communicate
Teachers will receive training and support in error correction procedure and direct instruction
Increase use of technology in the classroom for students such as use of Waggle and Lexia for targeted students
Teachers will participate in common planning (lead by instructional coaches)
Paraprofessionals will participate in PD during Monday Extended Day schedule

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

-Adapted Fundations Assessment/Placement for students who require additional support
-Fundations Placement Exam
-Pre Assessments from each Fundations Unit
-Post Assessments from each Fundations Unit
- Suggested Fundations Pacing Calendar
- Common planning embedded in teacher schedules
- Fundations Training attendance
- Professional Development attendance and topics including afterschool professional learning opportunities
- Common Planning documentation via Outlook Notebook
- Teacher weekly Priorities from the literacy coach
-Data collection grid for Fundations Placement Assessment

Priority 1 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
		Fundations Family Facing Unit letters (home support) in English and Spanish	
		Signing Students and families up for NYC library cards with NYC Public Library	NYC Public Library
		Monthly Saturday Events	Multiple

Priority 1 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Literacy coach, teacher substitutes to allow classroom teachers to attend trainings

Instructional Resources

Full Fundations curriculum kits for every teacher and classroom , classroom libraries, and decodeable texts, Fundations Digital FunHub, Lexia, Waggle

Schedule Adjustments

block scheduling for literacy periods, and pre-determined common planning periods outlined in teacher schedules, Extended day on Monday for PD for teachers & paras

Other Resources Needed

D75 literacy coaching and any additional training provided from Wilson.

Section 5: Priority 2 – All students are physically and emotionally safe

Priority 2 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
The EOY ABLLS-R Section A data (June,2025) indicated that students (113) had an average of 10.53 in this section which equates to a 56% average on Section A across all students.	Some students made growth where other students made less progress. Students need to have a high mastery of a skillset in order to progress.	Decrease the number of students who have a score of 0% and increase the overall percentage by 15%.

Priority 2

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for physical and emotional safety** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for Physical and Emotional Safety

- Develop safety infrastructure and systems, including staff training, collaboration with external partners, and implementation of safety and security best practices
- Expand social emotional and mental health supports via restorative justice, Project Pivot, screeners, and other district or school-based initiatives (as applicable)
- Expand implementation of physical and mental wellness supports, including Physical and Health Education that meets NYSED requirements and related initiatives
- Improve supports and outcomes for socially vulnerable student populations (Students in Temporary Housing, Students in Foster Care)

Priority 2 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	56%	By June, 2026, physical and mental wellness for Students with Disabilities (SWD) will improve, as measured by a 10% increase overall when students engage in 3-4 simple demands to access reinforcement with a teacher, as per the ABLLS-R Section A.

Priority 2 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 2 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Differentiated and individualized daily routines and structured activities directly correlated to all major subjects and curricula, offered based on the NYS Common Core Standards that support receptive and expressive communication for all students.

Root Cause Addressed:

Students require more opportunities to speak and listen using their preferred mode of communication, specifically referring to comprehension and collaboration.

Students require more opportunities to speak and listen using their preferred mode of communication, specifically referring to presentation of knowledge and ideas.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Create differentiated and individualized daily routines and structured activities directly correlated to all major subjects and curricula, offered based on NYS Common Core Standards that support receptive and expressive communication for all students.
Ensure teachers are monitoring for progress and effectiveness of instructional interventions that support comprehension, collaboration, and presentation of knowledge and ideas in order to develop individualized next steps.
Quarterly surveys for teachers inquiring about effectiveness of delivered strategies and provide support based on

feedback provided in surveys.
Create opportunities for family engagement in school events and materials sent home with students to increase engagement for the entire school community.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Professional Development offerings in September/November 2024 and support through teacher collaboration and from administrators as needed.

Teacher surveys assess effectiveness of instructional interventions

Analysis of ABLLS-R section A data for BOY, MOY and EOY to determine student progress related to receptive and expressive communication for all students

Priority 2 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/13/2025	06/26/2026	Family events held monthly to help families learn how to support their child's communication skills using their preferred method of communication	P643X staff and school community

Priority 2 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Licensed BCBA coach on staff

Instructional Resources

ABLLS -R assessment with follow up coaching for goal-selection/ instructional progam implementation

Schedule Adjustments

ABA-VB rotation blocks embedded in teacher's schedules

Other Resources Needed

reinforcement selection in teacher's classrooms

Section 5: Priority 3 – All students have a high-quality academic experience

Priority 3 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
In SY 2024-2025, all students were assessed in Section R (Math) of the ABLLS-R. The average number of skills for all students was 0.86 (3% average) in the BOY and 2.59 at the EOY (9% average).	A diagnosis of developmental disabilities often correlates with scattered skills. For some of our students, this is their first time in a school environment and they need to learn the structure and routines. Some students have understanding of basic numbers and shapes but lack the 1:1 correlation skills and require visual and tactile supports to be taught concrete concepts.	Decrease the number of students who scored of 0% and increase the overall percentage by 6%.

Priority 3

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for high-quality academics** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Academics

- Strengthen mathematics instruction, including via screener administration and Multi-Tiered Systems of Support (MTSS)
- Embed culturally responsive-sustaining texts and content (e.g., Hidden Voices, Black Studies Curriculum, etc.) in history, literature, and arts curricula to deepen civic engagement, enhance understanding of diverse cultures and provide relevant and affirming interventions in literacy development
- Ensure multilingual language learners (MLLs) are served and progressing in appropriate settings; expand bilingual programming and professional learning for educators who support MLLs
- Ensure students with disabilities are served and progressing in the least restrictive and most appropriate settings; improve delivery of mandated services and expand specialized programs
- Ensure that Students in Temporary Housing (STH) and Students in Foster Care access opportunities to receive tutoring and are purposefully engaged in new programs developed in the school
- Elevate health and physical education and activities for a reimagined and engaged student academic experience promoting social, emotional, and physical wellness and wellbeing
- Ensure teachers attend Physical Education and Health Education professional learning in order to provide quality instruction to be able to support and address the physical, mental, social, and emotional needs of the whole child in a safe and supportive learning environment
- Strengthen Early Childhood Education program utilization, quality, and ability to serve all students
- Elevate arts and civics for a reimagined and more engaged student academic experience
- Increase school staff diversity and retention
- Create new programs/schools in response to community need; expand high quality seats

Priority 3 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	12%	643X will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, the WebABLLS Section R Average Score will Increase by 6% from 12% to 18%, for Students with Disabilities (SWD), as measured by WebABLLS Section R (Math).
All Students	1%	643X will address Priority 3: All students have a high-quality academic experience with the following SMART Goal: By June, 2026, Students with Disabilities (SWD) will increase their MAP Growth Math assessment by 4% from 1% (baseline) to 5%, as measured by MAP Growth Results.

Priority 3 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Priority 3 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

- Scheduled Common Planning with embedded professional learning
- Creation of a packing guide/ Unit plan for teachers to follow/ implement
- Use of math manipulatives and AAC devices to support expressive and receptive communication/language
- Use of school-based coaches to support math instruction

Root Cause Addressed:

Students lacking foundational skills - This will be addressed by using Illustrative Math, an approved curriculum by the
DOE that addresses early learner math skills

Students may struggle to understand the language presented in math skills - this will be addressed by students participating in direct language instruction (ex: intensive teaching, vocabulary instruction during HMH into reading, etc.)

AAC devices will be provided to classroom and cluster teachers to support expressive and receptive communication/language

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Teachers will work with coaches to analyze data to inform instruction, pacing and lesson planning

Students will work in small groups with the use of visuals and manipulatives
Directions and word problems will be broken down for students as needed (with use of visual check-lists)
Stations will be set up where students rotate in small groups to teach new skills and reinforce/address specific skills deficits

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

WEBABLLS-R Data will be collected 3x per year (BOY, MOY, EOY).

Curriculum assessments will be used to monitor progress (pre and post assessments).

Curriculum assessments will be used during implementation progress checks.

Teachers are met with both in groups and individually supported by school-wide coaches/ Assistant Principal- dates posted in P643X
weekly newsletter.

After school PD sessions are held monthly and teachers/paraprofessionals attend to learn about topics such as implementation of ABLLS, manding, skill streaming, etc.

Baseline ABLLS student data is taken and used to create intensive teaching (IT) goals which support skill development.

Priority 3 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/13/2025	06/26/2026	Parents will be invited in for parent engagement. Parents will be able to participate in hands-on math games and activities and learn how to integrate math skills into home activities.	P643X staff including Instructional coaches

Priority 3 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Instructional Coaches, PDs

Instructional Resources

Teachers must be provided with curriculum and appropriate manipulatives

Schedule Adjustments

Other Resources Needed

Promethean boards in each classroom/ Digital access to online curriculum/ interactive IM games

Section 5: Priority 4 – All students graduate college and career ready and have a strong plan and pathway to economic security

Priority 4 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
In 2024-2025, all students were assessed in Section F (requesting) of the ABLLS-R. The average number of skills for all students was 4.03/29.	A diagnosis of developmental disabilities often correlates with a core deficit in communication deficits.	Students with developmental disabilities need to establish a functional communication in order to function independently in the community and eventually establish a pathway to economic security.

Fall 2025 Data Section F data Fall 2025 4.54 which equates to 16%		

Priority 4

Directions: After conducting a comprehensive needs assessment by analyzing school data trends, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas for **college and career readiness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for College and Career Readiness

- Expand career pathways and work-based learning, opportunities for early college credit and industry credentials, and college/career advising and awareness, including via the Career Readiness Modern Youth Apprenticeship and FutureReadyNYC (as applicable)
- Schools serving students in early childhood, elementary, and middle school settings should consider how they expose students to and prepare them for advanced (Regents-level) coursework, Specialized High School Admission Test (SHSAT) preparation, college awareness, career studies, etc.
- Integrate historical and contemporary contributions of culturally diverse professionals, scholars, and entrepreneurs into career readiness programs, ensuring students see diverse pathways to success
- Incorporate lessons on wealth-building strategies, cooperative economics, and financial independence to equip students with tools for long-term economic security
- Ensure the implementation of specialized support programs tailored for Students in Temporary Housing and/or Foster Care, addressing their unique educational needs and challenges

Priority 4 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	16%	P643X will address Priority 4: All students graduate college and career ready and have a strong plan and pathway to economic security with the following SMART Goal: By June, 2026, the average F score for all students will increase by 9% from 16% to 25% as measured by Average Student Score in Section F of ABLLS-R.

Priority 4 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Priority 4 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Teachers will receive targeted Professional Development monthly in order to increase requesting skills in students.

Root Cause Addressed:

Teachers require training and increased knowledge on how to best improve functional communication in students with developmental disabilities.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Step 1: Provide all staff training on functional communication
Step 2: Establish a functional communication system for all students
Step 3: Provide targeted professional development on how to teach a variety of functional communication systems

Key Strategy 2 (Optional):

Teachers will receive modeling/support on data collection for requesting skills from school-based coaches and BCBA

Root Cause Addressed:

Teachers need to learn how to progress monitor to lead to meaningful communication instruction and analyze data to form next steps.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Step 1: Provide professional development on progress monitoring
Step 2: Coaches will model progress monitoring with students
Step 3: Coaches will provide feedback on teacher instruction and progress monitoring
Step 4: Coaches will check for understanding and correct implementation
Step 5: Coaches and teachers will analyze data collection

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

-A functional communication checklist will be given to all students
- Manding Data will be collected for all students
-Monthly check-ins with staff to monitor progress
-Section F scores will be monitored in November, February and June

Priority 4 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/01/2025	06/01/2026	Family training on establishing functional communication in the home	Julie Germino, BCBA

Priority 4 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Julie Germino, BCBA

Instructional Resources

Materials for communication systems and data collection

Schedule Adjustments

Professional Development and in classroom modeling and coaching

Other Resources Needed

Section 5: Priority 5 – All districts and schools are more inclusive and responsive for parents and families, including having more families choose NYC Public Schools

Priority 5 Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
In June 2024 we had about 50% of parents attend family events.		

Priority 5

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal for this Priority informed by the identified priority needs and the relevant systemwide focus areas **for parent, family, community and system responsiveness** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Focus Areas for System Responsiveness to Parents, Families and Communities

- Engage more deeply with families to understand their needs and plan new, high-quality programs
- Build community trust and bolster engagement, including via improved language access and increased family engagement and participation
- Implement the newly updated NYCPS School Wellness Policy, which provides a framework for all members of the school community, including families and students, to come together and assess and coordinate wellness efforts for their community
- Implement and lead strategies that support community involvement and increase Minority and Women Owned Business Enterprises (MWBE) utilization

Priority 5 SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Parents of Students with Disabilities (SWD)	11.6% (26 families out of 224 at November Family event)	P643X will address Priority 5: All districts and schools are more inclusive and responsive for Parents of Students with Disabilities (SWD) with the following SMART Goal: By June, 2026, the percentage of parents/families attending school based events/Parent workshops will Increase by 19% from 11.6% (26 families out of 224 at November Family event) to 30% as measured by Parent attendance log at school events.

Priority 5 Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Enter a Measurement Tool:

Parent attendance log at school events

Priority 5 Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Creation of Parent Association to strengthen parent engagement

Newly hired Parent coordinator to prepare workshops and events for families

98% goal for NYCSA account creation for new intakes across all sites

Communication to parents/families by OPEROO, backpacked letters, phone calls, etc.

Root Cause Addressed:

Newly established school- Founding year

Creation of Parent Association

Potential barriers to coming to school events

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Communication with parent association to generate buzz about upcoming events
Share information on the school's website consistently and ensure that the website is accessible

NYCSA creation codes shared with families- (Parent coordinator will follow up to support parents as need)
Communication to parents/families by OPEROO, backpacked letters, phone calls, etc.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Communication/collaboration with Parent association

PA president, secretary, and other roles have been voted on and finalized.

The school website is updated regularly to add updated information for families and students.

Our Parent Coordinator will work with new families to get them signed up for NYCSA and OPEROO.

We will continue to backpack/Operoo NYCSA creation codes so parents can sign their students up.

Priority 5 Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
09/04/2025	06/26/2026	Share information via Operoo, school website, and consistent parent outreach via preferred method of communication.	
10/03/2025	06/26/2026	Monthly newsletters and communication with the Parent Coordinator.	

Priority 5 Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Parent Coordinator

Instructional Resources

Schedule Adjustments

Other Resources Needed

Budget for technology (Operoo system), website, and parent events

Section 5: Attendance/Chronic Absenteeism

Attendance/Chronic Absenteeism Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs
Over the 2024-2025 School year, the schoolwide average attendance percentage was 84%. As of June 2025, data from Insight indicates that 61% of our students were noted as Chronically absent.	This was our first year and there were many bussing issues and student health issues that impacted students. Due to the long resolution time, these students missed 10% or more of school.	Review current students who are on the Chronically absent list and support them to ensure that they have greater attendance in the 2025-26 SY.

Attendance/Chronic Absenteeism

Directions: After conducting a comprehensive needs assessment by analyzing the school data, exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop at least one outcome-focused SMART goal aligned to our systemwide focus on improving attendance and **reducing chronic absenteeism**.

Systemwide Focus Area for Attendance/Chronic Absenteeism: Develop and implement strengthened practices to improve attendance, combat chronic absenteeism and center equity. Note: For ESSA accountability purposes, NYSED will replace the Chronic Absenteeism indicator with the Attendance indicator, beginning in the 2025-26 school year. Learn more about the new Attendance indicator by reviewing this Fact Sheet.

Attendance/Chronic Absenteeism SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	84	By June, 2026, the Overall Attendance Percentage of Students with Disabilities (SWD) will increase by 5%, from 84% to 89%, as measured by the Insight Attendance percentage by month report.

Attendance/Chronic Absenteeism Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

Attendance/Chronic Absenteeism Action Plan

Directions: Identify the key strategy and progressive action steps your school will take to address the specific priority needs and root causes identified for this goal(s). More than one strategy can be indicated if multiple and/or differentiated needs for this priority have been identified.

- Key strategies should be key levers for success and may represent something that is new to the school.
- Action steps to operationalize key strategies should focus on new activities or initiatives and/or modifications to current initiatives (e.g., expanded to reach a wider audience or refined for greater impact on students).

Note: Routine activities your school does every year should not be included.

Key Strategy 1 (Required):

Ongoing monitoring of ATS and implementation of ILOGs and ensuring parent communication when a student is absent.

Bussing coordinator to coordinate with OPT liaison to ensure students have ridership

Bi-weekly attendance team meetings regarding chronically absent students, along with updates regarding all students
who are/ on track to becoming chronically absent

Use of the Parent Coordinator/ Family worker to support with parent concerns/issues with bussing and other factors that can lead to student absence.

Use of an Attendance Teacher to support students in returning to school after absences

Ensure that all parents create and have access to NYCSA

Root Cause Addressed:

Need for an attendance teacher (Attendance teacher being added in Fall 2025), Absences due to delays in bussing going into effect for new intakes, excessive route time, absences from bussing staff (Driver and Matron), and this past school year was our founding school year.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Ensure that as many students as possible had bussing is in place in ATS over the summer so that bussing will be in effect immediately in September. Provide transportation support to families as needed.
Establish attendance teams at each site comprised of Asst. Principal, school aides, parent coordinator, bussing coordinator, and school counselors to review daily attendance. Representatives of the attendance team at both sites meet bi-weekly to review attendance percentages for prior two weeks, and address any outstanding issues. Both sites have direct contact with the attendance coordinator for immediate questions/ for more intensive follow up as needed.
Daily outreach to families and recording results of the outreach on the Attendance Intervention Outreach Log and Chronic Absence Tracker.
Provide ongoing positive reinforcement for students who have attendance over 90%; provide incentives to classes/students with the highest attendance percentages at each site (e.g., pizza party, fun Friday, etc.)
Students with the highest absenteeism rate have been identified and specific staff are to contact high need students- with the support of a temporary attendance teacher that was acquired mid-year.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

- Use of Insight/ Creation of a Microsoft form spreadsheet to note students who are chronically absent.

- Implementation of Attendance Teams page

- Bi-weekly Meetings with agenda to ensure that all needs are addressed

- Designate staff to complete outreach to high need students to best support the student/family in addressing attendance concerns.

- Monthly attendance awards for students with 90% or higher attendance

Attendance/Chronic Absenteeism Family and Community Engagement

Family and Community Engagement

Directions: Indicate the strategies/activities that will be implemented to support and engage families (including foster and birth parents) and community collaboration in the implementation of this action plan.

Start Date	End Date	Strategies to Support Family & Community Engagement	Partners/CBOs Leveraged
10/13/2025	06/26/2026	Review NYC DOE attendance policies at Open House events in the fall, as well as at fall parent teacher conferences and on the school website throughout the school year.	Attendance teacher to address/ support specific students
09/04/2025	06/26/2026	Daily outreach to families and recording results of the outreach in I-LOG and Chronic Absence Tracker.	School aides, parent coordinator, attendance teacher

Attendance/Chronic Absenteeism Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Human Resources

Bi-weekly meetnig of Attendance team across all sites consisting of key stakeholders (attendance teacher, school aides, parent coordinator, family worker, guidance counselors, secretary's, Assistant principal) to address specific students who need attendance support and how to follow up

Instructional Resources

N/A

Schedule Adjustments

Attendance teacher may conduct home visits before or after school hours

Other Resources Needed

Use of funds to support students for positive attendance events/ monthly attendance awards, funding for Attendance teacher

Section 5: High Quality Inclusive & Accessible Learning for Students with Disabilities

High Quality Inclusive & Accessible Learning for Students with Disabilities Data Trends, Root Causes and Priority Needs

Priority Needs and Root Causes

Directions: After conducting your comprehensive needs assessment for this Priority use the chart below to:

- **Summarize the data trends (gaps in student and school performance) for each priority. Use the most current data available and cite the data sources and years.**
- **Identify the root causes (and/or contributing factors, theories, hypotheses) that explain the current student and school outcomes.**
- **Indicate the high leverage priority needs determined by your school that, if resolved, will advance equity and result in measurable, positive impact on student outcomes.**

Guiding Questions:
1. Data Trends: What did you see as you analyzed data trends? Cite data sources and years, including those available from NYCPS and NYSED.
2. Root Causes: What do you believe are the reasons within the school's control that are leading to these outcomes?
3. Priority Needs: What are the most important needs identified after completing your needs assessment?

1. Data Trend(s) (Cite Data Source & Year)	2. Root Cause(s)	3. Priority Needs (NYCPS Systemwide Needs for all schools noted below.)
For the 2024-25 school year, P643X had 87.5% compliance by IEP due date	Teachers not meeting compliance deadlines because they held the meeting too close to the compliance date	IEP Development and Fidelity of Implementation
		Transition Planning and Compliance

		Referral Process and Equity
		Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities

Directions: After conducting a comprehensive needs assessment by analyzing school data trends including IEP Review Surveys; exploring your school vision/values/aspirations, and listening to students to surface priority needs and identify root causes, develop outcome-focused SMART goals for identified priority need(s) and the relevant systemwide focus areas for **High Quality Inclusive & Accessible Learning for Students with Disabilities** outlined below. Use the SMART Goal builder in iPlan for support in developing your goal.

Systemwide Focus Areas for High Quality Inclusive and Accessible Learning for Students with Disabilities:

- IEP Development and Implementation
- Transition Planning and Compliance
- Referral Process and Equity
- Equity in School Discipline

High Quality Inclusive & Accessible Learning for Students with Disabilities SMART Goal(s)

Target Population	Baseline Data	SMART Goal
Students with Disabilities (SWD)	87.5%	By June, 2026, to strengthen the quality and implementation of IEPs for Students with Disabilities (SWD), P643X will improve the number of IEPs completed by their compliance date by a 12.5% Increase, from 87.5% to 97% IEPs finalized by their compliance date, as measured by the Annual Reviews Overdue Spreadsheet in the P643X Data folder.

High Quality Inclusive & Accessible Learning for Students with Disabilities Progress Measures and Targets

Directions: It is expected that progress monitoring, based on interim outcome data, occurs at three progress monitoring periods during the school year. Identify what your school would expect to see at the end of each period to know if you are on track to reach the identified goal(s). The progress monitoring targets can be a percentage or a number and should reflect a sufficient improvement in outcomes to meet the goal. Note that all schools are required to enter results in the Progress Reporting Tool (PRT) on the iPlan Portal.

High Quality Inclusive & Accessible Learning for Students with Disabilities Action Plan

Key Strategy 1 (Required):

Special Education teachers and special education coordinator review all teacher caseloads and monitor compliance date. Meeting time with special education teachers to support IEP writing and reviewing IEP's. Individual caseload spreadsheets, per class, created to help maintain compliance dates. Special education teachers are provided with professional development to support assessing students and IEP writing. School IEP template and IEP one pager created to support IEP writing as per SOPM guidelines. School based instructional coaches support teachers to ensure their student assessments are completed on time. Scheduling IEP meetings well before the date of compliance in order to ensure adequate time for reviews/revisions/finalization before compliance date. Family outreach to ensure that parents are available for meeting dates/times; be flexible with families and ensure to hold meetings at times that work for them during the school day. Ensure special education teachers receive extra periods, when possible, to support IEP writing and compliance.

Root Cause Addressed:

Teachers not meeting compliance deadlines because they held the meeting too close to the compliance date.

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps
Review all teacher caseloads and monitor compliance dates; Individual caseload spreadsheets created to help maintain compliance deadlines.
Professional Developments on assessments and IEP writing; including District run PD on IEP writing; School IEP template and one pager created and shared to support IEP writing.
Scheduling IEP meetings well before the date of compliance in order to ensure adequate time for reviews/revisions/finalization. Parent outreach to ensure families are able to attend IEP meetings prior to compliance date.
School based instructional coaches support teachers to ensure their student assessments are completed on time; trainings provided to ensure accuracy of data collection.
Extra periods provided to teachers, when possible, to support IEP writing.

Key Strategy 2 (Optional):

Root Cause Addressed:

Action Steps:

Indicate what your school will do specifically to implement each strategy to achieve this annual goal. Include both student-facing activities and professional learning for staff. Be sure to indicate how action steps will be introduced and rolled out.

Action Steps

Implementation Monitoring: Indicate your primary structures to progress monitor implementation of key strategies and action steps. Include specific data/evidence you will collect and use to determine progress and impact on instruction, student learning, and achievement.

Note: Implementation Progress Checks will be conducted in the Progress Reporting Tool (PRT) in the iPlan Portal for the 2025-26 school year.

Use individual caseload spreadsheets to monitor compliance; this spreadsheet includes date of notice of IEP, date of meeting, date of ready for review, date of finalization to show when each step is completed. Use Annual Reviews Overdue spreadsheet to monitor compliance.

High Quality Inclusive & Accessible Learning for Students with Disabilities Family and Community Engagement

Family and Community Engagement

Directions: Indicate the multi-tiered supports (strategies & activities) that will be implemented to support and engage families (including foster parents, birth parents, and families with limited English proficiency) and plans for community collaboration in the implementation of this action plan, surrounding the four priority needs. Include:

1) a description of the school's supports and processes for students with disabilities;
2) a coherent mechanism is implemented for updating families on their child's progress towards measurable annual and post-secondary transition goals;
3) a procedure to ensure families are involved during decision-making for IEP development and implementation.

Start Date	End Date	Multi-tiered Supports to Engage Family & Community	Partners/CBOs Leveraged
09/04/2025	06/25/2026	Parent outreach to families to ensure they are available for planned meeting dates and times; be flexible with families and ensure to hold meetings at times that work for them during the school day.	special education teachers, parent coordinator, special education coordinator

High Quality Inclusive & Accessible Learning for Students with Disabilities Budget and Resources

Budget and Resources

Directions: Indicate available and anticipated resources that will be leveraged to achieve this annual goal and implement this action plan, including human resources, instructional resources (e.g., curricula, programs), schedule adjustments, other. Use N/A if not applicable and/or indicate other resource needs.

Schools are encouraged to think critically and strategically when considering resources that can support progress towards CEP goals for students with IEPs. This includes utilizing Title I funding for at-risk speech and/or counseling services, all-staff training in supporting students with autism, sensory materials, summer institute geared at the development of executive functioning skills, and/or inclusion coaching support. Schools may also consider utilizing Title II funds to reduce the ratio of students with IEPs to typically developing peers in ICT classes.

Human Resources:

special education teachers, School Based Instuctional Coaches, special education coodinator, parent coordinator, School Based Support Team (SBST), school psychologist, related services providers

Instructional Resources

IEP Guide, IEP one pager, Professional Development, School wide/Class caseload compliance lists

Schedule Adjustments

Extra periods to work on IEP, when possible

Other Resources Needed

When necessary, district level professional development sessions will be provided

Section 6: Multi-Tiered Systems of Support (MTSS)

Academic Support

NYCPS Multi-Tiered Systems of Support (MTSS) align with NYSED guidelines for providing Academic Intervention Services (AIS) to students who have not yet met state standards or are considered to be at-risk of not meeting state standards. The Multi-tiered Systems of Support (MTSS) framework, organizes **supports** into three tiers:

Tier 1 provides schoolwide, high-quality programming for all students, including SWDs;

Tier 2 offers data informed small-group interventions for at-promise students; and

Tier 3 delivers intensive, individualized support for students with persistent needs.

This facilitates the strategic planning and necessary resource alignment to ensure their school community appropriately and adequately serves all students well, in partnership with students and families.

MTSS identifies the academic support services to be provided and ensures that students receive Response to Intervention (RtI) and Positive Behavioral Interventions and Support (PBIS) strategies as needed. See NYSED's memo to view the criteria for determining AIS services. The Supportive Environment Framework (SEF) offers a wide range of evidence-based Tier 2 and Tier 3 interventions and supports for student social-emotional, behavioral, physical and mental wellness, with particular attention to the unique needs of students in Temporary Housing and/or Foster Care, who may face additional challenges related to school stability, trauma and access to educational resources. A culturally responsive-sustaining approach to intervention embeds culturally relevant texts and historical narratives into literacy and social studies interventions, ensuring students receive the support that reflects their identities and lived experiences, increasing engagement and achievement.

Use the charts below and a Multi-Tiered System of Support (MTSS) to match academic, social/emotional, behavioral and instructional resources with student needs to provide targeted support for all learners, especially at-risk students who experience difficulty meeting state standards, including those living in Temporary Housing and/or residing in Foster Care placements. Indicate specialized materials, technology-based tools and/or extra instruction, including Expanded Learning Time that supplement school-wide systems & supports and/or classroom level supports. Ensure that interventions address the unique social-emotional, behavioral and academic challenges faced by culturally and linguistically diverse students, as well as those impacted by housing instability and child welfare system involvement.

Directions: Complete the chart and identify Tier 2 or 3 MTSS Academic supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Academic Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
Tier 2	Students not progressing 20% on post-unit assessments in Fundations	Lexia Print Outs	Small-group	during school	No
Tier 2	Students not showing 20% progress from pre to post assessments for Illustrative Math Curriculum	STERN Math Materials	small group	during school	No
Tier 3	ABLLS-R	Mixed VB	1:1	During the school day	No
Tier 2	Students struggling with phonemic awareness skills based on HMH and Fundations Data (consistently scoring below 50% on assessments in selected areas)	Heggerty	Small-Group	during school	No
Tier 2	Students not progressing 20% on post-unit assessments in Fundations OR students not showing progress with HMH Assessments from baseline scores	Waggle	Small-group	during school	Yes
Tier 3	Students that do not have a functional communication system	PECS or AAC	1:1	During School	Yes

Student Social/Emotional Support

Directions: Complete the chart and identify Tier 2 or 3 MTSS Student Social/Emotional supports. Any Tier 2/3 interventions should be in addition to the foundational work being done at Tier 1.

Student Social/Emotional Support Indicate Tier 2 or 3	Criteria for Determining Service	Program Type or Strategy	Service Delivery Model (Small group, one-to-one, tutoring, etc.)	When is Service Provided? (Before, during or after school)	Technology-Based Tool (Indicate Yes or No)
tier 3	teacher observations, behavior data, counseling reports	Individual behavior Management Systems	one-to-one	during school	no
Tier 2	teacher observations, behavior data	Social Emotional Learning (ReThink)	small group	during school	yes

Family and Community Engagement Around MTSS

Describe how the school's essential components of MTSS are shared with families.

Teachers and related services providers will communicate essential components of MTSS with families via Remind. Additionally, classroom newsletters will be sent home indicated any additional support a child is receiving. We also offer parent training monthly, where the supports will be reviewed with families.

Describe how families receive updates on the progress of their child(ren) who receive Tier 2 targeted, or Tier 3 intensive interventions.

Progress will be shared via Remind and/or phone calls. Teachers will track data on a Google Document created by school-based coaches.

Describe how families are involved during decision making regarding the progress of students receiving Tier 3 intensive intervention.

Interventions are discussed with families during parent teacher conferences and IEP meetings. Famileis are contacted frequently throughout the year if a plan needs to be revised.

Students in Temporary Housing (STH) Support

As included in your school's Office of School and Youth Development Consolidated Plan-STH Section and in accordance with the federal McKinney-Vento Homeless Assistance Act and Chancellor's Regulation A-780, schools must identify, serve, and report on students living in temporary housing (STH). All Title I and non-Title I schools receive a Title I allocation for STH students. The Students in Temporary Housing (STH) website provides guidance on STH pupils and how these funds can be used to meet their needs, as well as restrictions. For more information on acceptable uses of the mandated Title I, Part A set-aside to support your STH population, please refer to the Title I STH Funds Toolkit.

Identify the number of Students in Temporary Housing who are currently attending your school and provide a breakdown of their temporary housing status. Since the number of STH children can change regularly, schools must carefully track this number to determine whether there has been an increase in need.

Number of students in temporary housing who are:

- Doubled up (with friends or relatives because they cannot find or afford housing):
- Living in a shelter or transitional shelter:
- Living in a hotel/motel:
- Other

*Note: In keeping with established practices regarding personally identifiable information, use the letter "s" to identify a number less than five (5).

12 students total as of June 2025, which is a decrease of 2 from 14 students in September 2024.

7- Shelter
S- Doubled up
S-Other Temporary living situation

After a careful analysis of historical demographic, attendance and achievement data for your STH population, what trends do you notice, and how can these trends inform the services and support provided for this population?

The majority of our STH students do attend school daily. Our average percentage of student attendance for this subgroup is 88% with most students being in the mid to high 90's. P643X has bi-weekly attendance team meetings. One student who was flagged as a need was followed up with by the attendance teacher and there was an improvement in attendance.

Describe the services you are planning to provide to the STH population. How were those services selected to best meet students' needs? How will you (or did you) utilize the STH Title I Survey to select services aligned to need?

Ensuring transportation (bussing) is available/ timely/ monitored.
Providing school-supplies as needed (ex: backpacks, markers, glue, books, toiletries/supplies, snacks, etc.)
Connecting parents with community supports, including the attendance teacher and parent coordinator to support in services/activities outside of the school day.
Bringing families into the school to engage in parent events with students/ Parent trainings.

Prioritizing Students in Foster Care

As included in your school's Office of School and Youth Development Consolidated Plan-Child Child Abuse and Neglect Intervention and Prevention School Plan and in accordance with the federal Education Law 3244 – Education of Children in Foster Care (Effective 2018) establishes the rights of students placed, or moved, in foster care to:

- Continue attending school of origin if determined to be in their best interest, or, if not, attend school near foster care placement,
- Immediate enrollment, and
- Transportation, if necessary to attend school of origin

Please respond to the questions below.

How many students in foster care are currently enrolled at your school? Provide a detailed breakdown of the social-emotional and academic supports available to them.

As of June 2025, P643X has no students in Foster Care.

What targeted supports are in place for students in foster care, including those newly transitioning into the foster care system? How does your school ensure these students receive the necessary interventions to promote stability and success?

N/A

After analyzing historical demographic, attendance, and achievement data for students in foster care, what trends have emerged? How can these insights be used to improve the services and support provided to this population?

N/A

What specific strategies does your school implement to ensure students in foster care, particularly those in transitional grades, receive targeted Social-Emotional Learning (SEL) support? How do these strategies help address academic and behavioral challenges?

N/A

Section 7: Parent and Family Engagement Policy and School-Parent Compact

Parent and Family Engagement Policy

Directions: The Parent and Family Engagement Policy should describe how your school will plan and implement effective parent and family engagement activities and/or strategies to improve student academic achievement and school performance. The School-Parent Compact (SPC) is a component of the Parent and Family Engagement Policy (PFEP) that outlines how parents, the entire school staff, and students will share this responsibility.

The activities and/or strategies included in your school's Parent and Family Engagement Policy should align with current Comprehensive Education Plan (CEP) goals for improving student achievement and should be developed or updated with input and feedback from parent leaders and the Parent Coordinator. In addition, if the school community will be engaged in central parent engagement initiatives, such as Parent Academy, which will provide training for school communities to help strengthen family-school partnerships, please be sure to include these activities in the school's policy.

In Title I schools, the Title I Parent Advisory Council (PAC) represents the Title I parent community in supporting parent and family engagement. The Title I PAC Chairperson will serve in a consultative role with the SLT representing the school's Title I parents. Schools are encouraged to use the sample Parent and Family Engagement and SPC templates below (which meet federal Title I parent and family engagement requirements) as guidance for updating the school's current policy.

Parent and Family Engagement Policy

Educational research shows a positive correlation between effective parental engagement and student achievement. The overall aim of this policy is to develop a parent and family engagement policy that will establish expectations and objectives for meaningful parent and family engagement in the school community. [School Name], in compliance with Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is responsible for creating and implementing a parent and family engagement policy to strengthen the connection and support of student achievement between the school and the families. The school's policy is designed to keep parents informed by actively involving them in planning and decision-making in support of the education of their children. Parents are encouraged to actively participate on the School Leadership Team, Parent Association (or Parent-Teacher Association), and Title I Parent Advisory Council as trained volunteers and welcomed members of the school community.

Support for Parents and Family Members of Title I Students

P643X will support parents and family members of Title I students by:
- providing materials and training to help parents work with their children to improve their achievement level, e.g., literacy, math and use of technology;
- providing parents with the information and training needed to effectively become involved in planning and decision making in support of the education of their children;
- fostering a caring and effective home-school partnership to ensure that parents can effectively support and monitor their child's progress;
- providing assistance to parents in understanding City, State and Federal standards and assessments;
- sharing information about school and parent related programs, meetings and other activities in a format, and in languages that parents can understand;
- providing professional learning opportunities for school staff with the assistance of parents to improve outreach, communication skills and cultural competency in order to build stronger ties between parents and other members of the school community;

Parental Involvement and School Quality

The school's Parent and Family Engagement Policy was designed based upon a careful assessment of the needs of all parents/guardians, including parents/guardians of Multilingual Learners/English Language Learners (ML/ELL), and students with disabilities. The school community, with the meaningful involvement of parents and family members, will conduct an annual evaluation of the content and effectiveness of this parent and family engagement policy with Title I parents to improve the academic quality of the school. The findings of the evaluation through school surveys and feedback forms will be used to design strategies to more effectively meet the needs of parents and family members and enhance the school's Title I program. This information will be maintained by the school.

In developing the Title I Parent and Family Engagement Policy, parents of Title I participating students, parent members of the school's Parent Association (or Parent-Teacher Association), as well as parent members of the School Leadership Team, were consulted on the proposed Title I Parent and Family Engagement Policy and asked to survey their members for additional input. To increase and improve parent involvement and school quality, the school will:
- actively involve and engage parents and family members in the planning, review and evaluation of the effectiveness of the school's Title I program as outlined in the School Comprehensive Education Plan, including the implementation of the school's Title I Parent and Family Engagement Policy and School-Parent Compact;
- engage all parents in discussion and decisions regarding the required Title I, 1% set-aside funds, which are allocated directly to the school to supplement parent and family engagement activities, including family literacy and parenting skills;
- ensure that the Title I funds allocated for parent and family engagement are utilized to implement activities and strategies as described in the school's Parent and Family Engagement Policy and the School-Parent Compact;
- support school-level committees that include parents who are members of the School Leadership Team, the Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council. This includes providing technical support and ongoing professional learning, especially in developing leadership skills;
- maintain a Parent Coordinator (or a dedicated staff person) to serve as a liaison between the school and families. The Parent Coordinator or a dedicated staff person will provide parent workshops based on the assessed needs of the parents of children who attend the school and will work to ensure that the school environment is welcoming and inviting to all parents. The Parent Coordinator will also maintain a log of events and activities planned for parents each month and file a report with the central office.;
- conduct parent workshops with topics that may include: parenting skills, understanding educational accountability grade-level curriculum and assessment expectations; literacy, accessing community and support

services; and technology training to build parents' capacity to help their children at home;
- provide opportunities for parents to help them understand the accountability system, e.g., ESSA/State accountability system, student proficiency levels, Annual School Report Card, School Quality Report, Quality Review Report, NYC School Survey Report;
- host the required Annual Title I Parent Meeting each school year to advise parents of children participating in the Title I program about the school's Title I funded program(s), their right to be involved in the program and the parent and family engagement requirements under Title I, Part A, Section 1116 and other applicable sections under ESSA;
- schedule additional parent meetings, e.g., quarterly meetings, with flexible times, such as meetings in the morning or evening, to share information about the school's educational program and other initiatives of the Chancellor and allow parents to provide suggestions;
- translate all critical school documents and provide interpretation during meetings and events as needed.

Encouraging School-Level Parental Involvement

The school will further encourage school-level parent and family engagement by:
- hosting educational family events/activities during Parent-Teacher Conferences and throughout the school year;
- encouraging meaningful parent participation on School Leadership Teams, Parent Association (or Parent-Teacher Association) and Title I Parent Advisory Council;
- supporting or hosting Family Day events;
- establishing a Parent Resource Center/Area or lending library; instructional materials for parents;
- encouraging more parents to become trained school volunteers;
- providing written and verbal progress reports that are periodically given to keep parents informed of their children's progress;
- developing and distributing a school newsletter or web publication designed to keep parents informed about school activities and student progress;
- providing school planners/folders for regular written communication between /teacher and the home in a format, and to the extent practicable in the languages that parents can understand.

School-Parent Compact (SPC)

School-Parent Compact (SPC)

P643X, in compliance with the Section 1116 of Title I, Part A of the Every Student Succeeds Act (ESSA), is implementing a School-Parent Compact to strengthen the connection and support of student achievement between the school and the families. Staff and parents of students participating in activities and programs funded by Title I, agree that this Compact outlines how parents, the entire school staff and students will share responsibility for improved academic achievement and the means by which a school-parent partnership will be developed to ensure that all children achieve State Standards on assessments.

I. School Responsibilities: High Quality CurriculumI. School Responsibilities: High Quality Curriculum

Provide high quality curriculum and instruction consistent with State Standards to enable participating children to meet the State's Standards and Assessments by:

- using academic learning time efficiently;
- respecting cultural, racial and ethnic differences;
- implementing a curriculum aligned to the State Learning Standards;
- offering high quality instruction in all content areas;
- providing instruction by highly qualified teachers and when this does not occur, notifying parents as required by the Every Student Succeeds Act (ESSA);

I. School Responsibilities: Supporting Home-School Relationships

Support home-school relationships and improve communication by:

- conducting parent-teacher conferences each semester during which the individual child's achievement will be discussed as well as how this Compact is related;
- convening an Annual Title I Parent Meeting each school year for parents and family members of students participating in the Title I program to inform them of the school's Title I status and funded programs and their right to be involved;
- arranging additional meetings at other flexible times, e.g., morning, evening and providing (if necessary and funds are available) transportation or child care for those parents who cannot attend a regular meeting;
- respecting the rights of limited English proficient families to receive translated documents and interpretation services in order to ensure participation in the child's education;
- providing information related to school and parent programs, meetings and other activities is sent to parents of participating children in a format and to the extent practicable in a language that parents can understand;
- involving parents in the planning process to review, evaluate and improve the existing Title I programs, Parent and Family Engagement Policy and this Compact;
- providing parents with timely information regarding performance profiles and individual student assessment results for each child and other pertinent individual school information;
- ensuring that the Parent and Family Engagement Policy and School-Parent Compact are distributed and discussed with parents each year;

I. School Responsibilities: Providing Parents Reasonable Access to Staff

Provide parents reasonable access to staff by:
- ensuring that staff will have access to interpretation services in order to effectively communicate with limited English speaking parents;
- notifying parents of the procedures to arrange an appointment with their child's teacher or other school staff member;
- arranging opportunities for parents to receive training to volunteer and participate in their child's class, and to observe classroom activities;
- planning activities for parents during the school year, e.g., Parent-Teacher Conferences;

I. School Responsibilities: Providing General Support to Parents

Provide general support to parents by:
- creating a safe, supportive and effective learning community for students and a welcoming respectful environment for parents, and guardians;
- assisting parents in understanding academic achievement standards and assessments and how to monitor their child's progress by providing professional learning opportunities (times will be scheduled so that the majority of parents can attend);
- sharing and communicating best practices for effective communication, collaboration and partnering with all members of the school community;
- supporting parental involvement activities as requested by parents and family members;
- ensuring that the Title I funds allocated for parent involvement are utilized to implement activities as described in this Compact and the Parent and Family Engagement Policy;
- advising parents of their right to file a complaint under the Department's General Complaint Procedures and consistent with the Title I requirement for Every Student Succeeds Act (ESSA) and Title I programs;

II. Parent/Guardian Responsibilities

- monitor my child's attendance and ensure that my child arrives to school on time as well as follow the appropriate procedures to inform the school when my child is absent;
- ensure that my child comes to school rested by setting a schedule for bedtime based on the needs of my child and his/her age;
- check and assist my child in completing homework tasks, when necessary;
- read to my child and/or discuss what my child is reading each day (for a minimum of 15 minutes);
- set limits to the amount of time my child watches television or plays video games;
- promote positive use of extracurricular time such as, extended day learning opportunities, clubs, team sports and/or quality family time;
- encourage my child to follow school rules and regulations and discuss this Compact with my child;
- volunteer in my child's school or assist from my home as time permits;
- participate, as appropriate, in the decisions relating to my child's education;
- communicate with my child's teacher about educational needs and stay informed about their education by prompting reading and responding to all notices received from the school or district;
- respond to surveys, feedback forms and notices when requested;
- become involved in the development, implementation, evaluation and revision to the Parent and Family Engagement Policy and this Compact;
- participate in or request training offered by the school, district, central and/or State Education Department to learn more about teaching and learning strategies whenever possible;
- take part in the school's Parent Association or Parent-Teacher Association or serve to the extent possible on

advisory groups, e.g., Title I Parent Advisory Council, School or District Leadership Teams;

- share responsibility for the improved academic achievement of my child;

III. Student Responsibilities

- attend school regularly and arrive on time;
- complete my homework and submit all assignments on time;
- follow the school rules and be responsible for my actions;
- show respect for myself, other people and property;
- try to resolve disagreements or conflicts peacefully;
- always try my best to learn.

Submission Assurances

Submission Assurances

- ☐ The Comprehensive Education Plan (CEP) has been developed in consultation with parents, school staff, and others in accordance with the requirements of Shared-Decision Making (CR 100.11) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
- ☐ As part of the root cause analysis process, the school reviewed inequities, including resource inequities within the school, and investigated areas of low performance to identify strategies to address inequities within the school and promote improved student outcomes.
- ☐ The CEP School Leadership Team (SLT)/Stakeholder Signature Page will be printed, scanned, and submitted with the signatures of those that participated in the development of the CEP. DocuSign may also be used to secure electronic signatures for the CEP SLT/Stakeholder Signature Page. If the school was unable to obtain a signature of an individual that participated in the development of the CEP, the school has written “Addendum Attached” and provided supplemental documentation to explain why the school was unable to obtain the individual’s signature.
- ☐ The CEP will be implemented no later than the beginning of the first day of regular student attendance.
- ☐ Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Language Allocation Policy Outline

Language Allocation Policy Outline

2025-26 Language Allocation Policy (LAP)

This submission form supports schools with organizing a well-conceived school-based Language Allocation Policy (LAP) that describes high quality programs for Multilingual Learners/English Language Learners (MLs/ELLs). This is an annual plan of how your school will support the linguistic and academic needs of MLs/ELLs and must be completed yearly. The Language Allocation Policy (LAP) is a part of schools' Comprehensive Education Plan (CEP).

This is a living document. Any school-wide changes involving the instruction of MLs/ELLs, such as the addition or expansion of a Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE) program, should be updated in this form.

Agenda, minutes of LAP meetings, and LAP team members' attendance at meetings should be kept readily available on file in the school with all other ML/ELL critical documents. When preparing your school's submission, provide extended responses in the available spaces.

For additional information, refer to the NYC DOE Policy and Reference Guide for MLs/ELLs. For additional support with ML/ELL policy, please reach out to your respective ML/ELL Director or ELL Compliance Performance Specialist; for support with ML/ELL instruction, please contact your ML/ELL Services Administrator.

Part I: School ML/ELL Profile

This section should reflect the school's demographics for the 2025-26 school year. If completing before the 2025-26 school year begins, questions should be based on the anticipated population served by the school.

A. Language Allocation Policy Team Composition

The members of the school's LAP team are listed below. A school's LAP team must consist of at least one: principal, assistant principal (where applicable), an English as a New Language (ENL) teacher, an additional teacher (bilingual teacher if the school has a bilingual program or a teacher from a content area other than bilingual education or ENL) and a parent/guardian.

Required LAP team members are denoted with an asterisk (*) below. Please do not leave any fields blank. If a role is not represented on the LAP team, include "N/A" below.

Member Title	Name
Principal*	Merrin Palish
Assistant Principal (Where Applicable)*	Michael Funk
English as a New Language (ENL) Teacher*	Aaron Jackson
Teacher (if school has a bilingual program must be a bilingual teacher)*	Amarilis Arevalo
Parent/Guardian*	Rafael Rodriguez
Instructional Coach	Amanda Palmieri
Parent Coordinator	Meleny Hernandez

B. Teacher Qualifications

Please review all certifications for all staff members at your school, and indicate the number of certified staff for each category.

1. English to Speakers of Other Languages (ESOL) Certified Teacher

Number of ESOL certified teachers currently teaching ENL:

2

Number of teachers currently teaching a stand-alone ENL class who hold both a common branch license and ESOL certification [applicable to grades K–6]:

0

Number of certified ESOL teachers not currently teaching ENL:

0

Number of teachers who hold both content area/common branch and ESOL certification:

2

Number of ESOL certified teachers with a bilingual extension:

0

2. Certified Teachers with a Bilingual Extension

Number of certified teachers with a bilingual extension currently teaching in a bilingual program:

1

Number of certified teachers with a bilingual extension not currently teaching in a bilingual program:

0

Number of teachers certified to teach students with disabilities that also have a bilingual extension:

1

3. Language Other than English (LOTE)/World Language Certified Teachers:

Total number of teachers with LOTE certification:

0

Total number of teachers with LOTE certification providing World Language instruction:

0

Total number of teachers with LOTE certification providing Home Language Arts (HLA) to students in bilingual programs:

0

C. Student Demographics

Please review the student demographics at your school and complete the number and percentage for each category.

Total number of students (excluding pre-K):

116

Total number and percentage (%) of current ELLs:

36 (31%)

Total number and percentage (%) of former ELLs:

0

Total number and percentage (%) of ELLs who are Newcomers (0-3 years of service):

36 (31%)

Total number and percentage (%) of ELLs who are Developing ELLs (4-6 years of service):

0%

Total number and percentage (%) of ELLs who are Long-Term ELLs (7 or more years of service):

0%

Total number and percentage (%) of ELLs who are Students with Inconsistent/Interrupted Formal Education (SIFE):

0%

Total number and percentage (%) of ELLs with an Individualized Education Program (IEP):

36 (31%)

Part II: Bilingual Programs

Does your school have a bilingual program (Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)?

Yes

Provide the number of classrooms for each bilingual program, by grade, at your school for the 2025-26 school year. If submitted before the 2025-26 school year begins, this should be the anticipated number of classrooms based on anticipated enrollment. Each language and program model--Transitional Bilingual Education (TBE) or Dual Language Bilingual Education (DLBE)--is considered a separate program. In the second column, please indicate if the program is General Education (GE), Integrated Co-Teaching (ICT) special education, Special Class (SC), or Mixed-Group Class (MGC) special education. If a classroom bridges two grades, list as 0.5 classrooms for both grades.
Please include the total number of classrooms for each bilingual program in the last column.

	Program Type	Language	School Yr Opened	k	1	2	3	4	5	6	7	8	9	10	11	12	Totals
TBE																	0
TBE																	0
TBE																	0
DLBE	Special Class	Spanish	2025-2026		1												1
DLBE																	0
DLBE																	0
				total: 0	total: 1	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	total: 0	

Part III: ML/ELL Programming

Please refer to New York State **Commissioner's Regulation (CR) Part 154 Units of Study Tables** as you describe academic programming for MLs/ELLs at your school below. Please do not leave any fields blank and indicate "N/A" for any fields that are not applicable.

Describe your English as a New Language (ENL), and if applicable Dual Language Bilingual Education (DLBE), and Transitional Bilingual Education (TBE) programs. For each program, include:

- How stand-alone ENL is implemented as per CR Part 154
- How integrated ENL is implemented as per CR Part 154
- How students are grouped (e.g., block [class travels together as a group], ungraded [all students regardless of grade are in one class], heterogeneous [mixed proficiency levels], homogenous [proficiency level is the same in one class]).

a. English as a New Language (ENL)
Stand-alone ENL:

All students in 75X643 have an IEP and are in self-contained special classes. Students are grouped in their classes by ELL status. This allows ENL teachers to provide stand-alone ENL to entire classes since most students in the class are ELL's. This period is built into the students' daily schedules as entire classes are either filled with ELLs or do not have any.

Integrated ENL:

All students in 75X643 have an IEP and are in self-contained special classes. Students are grouped in their classes by ELL status. This allows ENL teachers to provide integrated ENL to entire classes since most students in the class are ELL's. ENL teachers push into special classes and co-teach with special education teachers during the ELA block each day.

b. Bilingual Education (If applicable)
Transitional Bilingual Education (TBE):

We do not have a TBE program at this time.

Dual Language Bilingual Education (DLBE):

We have one one-way Spanish DLBE class. It is a self-contained special class taught by a special education teacher with a bilingual extension in Spanish. This bilingual special education (BSE) teacher provides stand-alone ENL, integrated ENL, Home Language Arts and bilingual content area instruction to the students in this class. All of the students in the class are ELLs and have a home language of Spanish.

2. How does your school ensure the mandated number of instructional minutes are provided according to students' English language proficiency levels in each program model?

By grouping students in their special classes by ELL status, it allows ENL teachers to maximize their groupings and schedules to provide the requisite number of minutes to each student. All the students in our school are at the Entering or Emerging level of proficiency, making it easier to streamline schedules for classes, rather than individual students. For the classes filled with ELLs, stand-alone and integrated ENL is built into their daily schedule.

3. How are ENL, English Language Arts (ELA) and if applicable, Home Language Arts (HLA) instructional minutes delivered in each program model?

Stand-alone and Integrated ENL are built into students' daily schedules and provided by an ENL teacher. During stand-alone instruction, the ENL teacher teaches the entire class as students are grouped by ELL status. During integrated ENL/ELA, the ENL teacher co-teaches with the special education classroom teacher. Additional ELA minutes beyond the integrated ENL period are provided by the special education classroom teacher.

HLA is provided by the BSE classroom teacher, who also provides ENL to the students in the DLBE class. Curriculum and ELA material includes: Rigby Readers in Spanish classroom library and Just Right Readers which are foundational literacy phonics books (classroom library in Spanish). Aprendo Leyendo, a Spanish reading program will be introduced in the DLBE class in the 2025-26 school year. This curriculum is a foundational reading program that incorporates reading, spelling, and handwriting using multisensory techniques.

Concerning ReadtopiaGo, books are available in Spanish. Teachers integrate adapted books into instruction. Visuals and manipulatives support our ENL students.

4. For schools with Dual Language Bilingual Education (DLBE) programs:

a. Which Dual Language Bilingual Education model is implemented? Explain how much of the instructional day (percentage) English proficient students and ELLs are integrated.

The DLBE class is a one-way class. All the students in the class are Spanish-speaking ELLs. The language allocation is approximately 70:30 (predominantly Spanish), and instruction takes place in both languages during each school day.

b. In which language(s) is each core content area taught?

ELA is taught in English and HLA is taught in Spanish. Math, science and social studies are taught in both English and Spanish, depending on the day.

5. For schools with Transitional Bilingual Education (TBE) programs:

a. Which core content areas are taught bilingually?

N/A

Part IV: Data Analysis

Data Analysis

After reviewing and analyzing school demographic and assessment data, answer the following questions. The ELL Data Analysis Tool (EDAT) provided by the Office of Multilingual Learners can assist with identifying these data points.

For additional information, refer to Data Analysis Professional Learning Module and ELL Data Analysis Tool (EDAT) Professional Learning Module.

1. What is the composition of the ELL subgroups at your school?
What percentage of ELLs are Newcomers? How does effective instruction for Newcomers differ from those provided to Developing or Long-Term ELLs?

Newcomers make up the majority of our school's ELL population. 643X is acquiring a new site, 161 (formerly of 17x). At this site, we anticipate serving 15 students who are considered developing ELLs. The focus of instruction for our newcomers in K-2 is on developing emergent literacy and communication skills. The Fundations curriculum provides Newcomers intensive research-based phonics instruction. Classroom and ENL teachers also use Readatopia Go, a comprehensive early literacy curriculum for emergent learners aligned with the Science of Reading. Additionally, ENL teachers assists students in accessing the curriculum by helping students activate and build background knowledge, teaching vocabulary explicitly and providing culturally responsive instruction. Developing ELLs will also have access to Sora, a vast digital library that emphasizes diversity and Culturally Responsive-Sustaining Education (CR-SE). Sora is particularly beneficial for our MLs/ELLs because books are available in 10 languages, including English, Spanish, French, and Chinese, with some books available in over 20 languages.

What percentage of ELLs are Students with Inconsistent/Interrupted Formal Education (SIFE)? How do you differentiate effective instruction for SIFE?

Currently, no Students with Inconsistent/Interrupted Formal Education (SIFE) are enrolled at P643X.

What percentage of ELLs are Long-Term ELLs? How does effective instruction for Long-Term ELLs differ from instruction designed for Developing ELLs?

643X is a K-5 school therefore no ELLs is expected to become Long-Term ELLs.

What percentage of students are former ELLs? How is your school providing mandated instruction to former ELLs?

Currently, no former ELLs are enrolled at P643X.

2. Examine all at-risk levels that might adversely affect ELLs at your school. What trends do you notice about the at-risk levels of ELLs at your school?

A current analysis of at-risk indicators for ELLs at 643X indicates that we have 5 students in temporary housing and 30 ELLs who are newcomers. The newcomer status of ELLs at 643X is a result of the student population being majority kindergarten (now 1st grade) and curriculum and programming as outlined in section 1 of Data Analysis has been specifically designed to target newcomer ELLs with intensive research-based curriculum and dedicated ENL teachers. In addition all students have been provided with access to technology (DOE IPads) to enable uninterrupted access to and participation in learning regardless of their housing status. Regular attendance is essential for our at-risk population of ELLs and at 643X we have attendance teams at each site comprised of Asst. Principal, school aides, parent coordinator, bussing coordinator, and school counselors to assist all students including those most at risk of absenteeism in maintaining consistent attendance. 643X has 36 Newcomers (0–3 years of service), representing 100.0%. We had 1 ELL who is not fully programmed in STARS for ENL with an appropriately certified teacher.

3. Examine all at-risk levels that might adversely affect former ELLs at your school. What trends do you notice about the at-risk levels of former ELLs at your school?

No former ELLs are enrolled in our school.

4. What are the home languages of ELLs with the largest representation at your school? What staff, structures, and processes does your school have to support communication and learning that values these home languages?

The Home Language Identification Survey (HLIS) for the 36 MLLs/ELLs currently enrolled at 643X reveals that the first four major home languages are Spanish (26, 72%), Bengali (3, 8%), Arabic (2, 5%), and Fulani (2, 5%). All classes where our MLLs/ELLs are placed and the DLBE classroom have Spanish speaking paraprofessionals assisting students as needed. School notices are sent home in both English and the parents' preferred languages, such as Arabic, Bengali, and Spanish. Translation and/or interpretation services are
also provided by the school's translation and interpretation team when parents are invited to attend meetings and/or school-wide events, such as holiday celebrations and Family Fun Days.

5. What are the racial and ethnic classifications of ELLs at your school? How are ELLs being included in planning and delivery of Culturally Responsive and Sustaining Education (CR-SE)?

27% of our Non-Hispanic ELLs' families identify as Asian, 45% as Black and 27% as White. 68% of our Hispanic ELLs' families identify as White, 16% as Black, 8% as Indian or Alaskan Native, 4% as Multiracial and 4% as Native Hawaiian or Pacific Islander. At 643X we value all expressions of diversity (e.g., race, social class, gender, language, sexual orientation, nationality, religion, ability) as assets for teaching and learning. We are committed to CR-SE for all students and actively work to get to know our students and their families. We learn about our families during the intake process, regular family outreach and during Saturday family events. We leverage what we learn about our students, their families and the community and incorporate it into our instructional practices.

6. What trends do you notice in reviewing English Language Proficiency (ELP) growth at your school? How many students met ELP sufficient progress? How many students did not meet ELP sufficient progress?

School year 2024-25 is our first year and we only serve kindergarten we do not have data on ELP at this time

7. When you look at the results of the New York State English as a Second Language Achievement Test (NYSESLAT), what stands out? What trends are there for each modality?

At the time of the writing of this LAP we are still awaiting results for our 2024-25 NYSESLAT testing.

8. What is the relationship between students' performance on the NYSESLAT and other state assessments such as the ELA assessment, the Math assessment, and the Regents exams?

At the time of the writing of this LAP we are still awaiting results for our 2024-25 NYSESLAT testing. Our students were in Kindergarten and 1st grade last year so did not participate the NYS ELA or Math assessments.

9. What are trends reflected in the NYSESLAT results of ELL subgroups such as ELLs with IEPs and SIFE? What do you think is impacting the results for these subgroups?

At the time of the writing of this LAP we are still awaiting results for our 2024-25 NYSESLAT testing. Our school does not currently have SIFE students.

10. (For grades 9-12 only) Please review your data in the Insight Tool and STARS to answer the following questions:
a. How many ELLs are on-track towards graduation?

N/A

b. How many ELLs in grades 11-12 have a documented postsecondary plan in STARS or ATS?

N/A

c. What targeted strategies and interventions are in place to support ELLs who are currently off-track to graduate in four years?

N/A

d. What specific strategies, engaging approaches, and interventions are implemented to support and retain students who are not on track to graduate within four years, ensuring they remain enrolled and are guided towards a successful graduation in the future?

N/A

Part V: ML/ELL Instruction

Tier 1: Core Instruction

For additional information, refer to ML/ELL Instruction Professional Learning Module.

Tier 1 Core Instruction

1. How does your school provide ELLs with a high-quality academic experience that leads to deeper learning?

At 643X, we firmly believe that literacy stands as the cornerstone of educational, career, and lifelong success. By providing our students with rich literacy instruction centered around foundational literacy skills and functional communication, it is our hope that they will become as independent as possible within their school, homes, and community.

Our primary objective is to help our teachers foster a deep understanding and proficiency in the science of reading, analyzation of data, and the implementation of evidence-based instructional techniques. This will be done by using an interdisciplinary approach to tailor instruction to each student's unique needs. We are dedicated to ensuring that every student has accessible educational opportunities, enabling active participation in the learning process to enhance overall outcomes that lead to deeper learning. We have clustered our ELL students by language to develop deeper learning. Additionally, speech and language therapists will work in collaboration with classroom teams by providing push in services to students that lead to deeper learning of foundational concepts.

643x students are placed on appropriate curriculum pathways with access to high-quality instruction based on schoolwide assessment data derived from ABLLS-R.

643X is the recipient of the Diversity Grant which we are partnering with Ailey Arts in Education. This will provide additional enrichment and high quality academic experience for our students.

Technology is embedded into instruction for students including the use of digital curriculums where every classroom has a Promethean board. All of our classrooms are equipped with iPads.

Additionally, 643X focuses on functional communication training. This includes PECS (picture exchange system) and AAC.

2. How does your school's leadership team ensure ELLs have access to core instruction/curriculum?

The students at X643 have a diverse range of cognitive and linguistic delays, regardless of ELL status. We take into consideration a multitude of factors when finding appropriate access points for our students.

Our school uses a variety of research-based core curricula, including HMH Into Reading, Readtopia Go, Fundations, Illustrative Math, and Amplify Science. We make strategic decisions about which curriculum we use with our diverse population of students. For our students in more inclusive environments, we use curricula that are intended for general education students and we make appropriate adaptations and utilize scaffolds to ensure the content is accessible to them. This is included, but not limited to, adapting text, incorporating visual supports and prompts, using multimodal methods of representation and allowing students to use their preferred mode of communication. For our students who are in more specialized programs, we use curricula that is designed for such populations, which allows for access to the content, despite their cognitive delays. If and when needed, teachers incorporate additional scaffolds, such as the ones mentioned above, to support students' access. All students follow a curriculum aligned with the Science of Reading. This includes direct phonics instruction through Fundations.

3. Describe how core content is delivered in each program model. Specify language, and the instructional approaches and methods to foster language development and meet the demands of the Next Generation Learning Standards.

All students at X643 are in self-contained special classes. Content area instruction is provided by the special education classroom teacher. In most cases, this is in English, with the exception of our bilingual special education class, in which the bilingual special education teacher provides instruction in Spanish and English for each content area. Teachers utilize standards-based curriculum, providing students access to grade-level content despite their diverse cognitive needs. Due to the wide range of readiness levels of the students, teachers incorporate instructional strategies that foster language development and communication, such as Total Physical Response, Think-Pair-Share, Turn and Talk, and sentence starters.

4. What instructional strategies and grade-level materials, including technology, do teachers of MLs/ELLs use to provide access to grade level academic content areas and accelerate English language development? Include core content area and language materials with consideration to specific ELL subgroups.
a. ELLs with IEPs

All students at X643 have an IEP. To facilitate language and communication development, ELL students receive ENL instruction in both standalone and integrated settings. In addition to grade-level curricular materials that are used throughout the school day, teachers utilize additional supports to support students' access to content material. Classrooms are equipped with Promethean boards, which are used strategically during instruction to provide visual supports, increasing access and engagement. Classrooms libraries are age-appropriate, accessible and diverse. Students engage with manipulatives that support conceptual understanding.

To support vocabulary and language development, teachers use sentence starters, graphic organizers, realia and a variety of visual supports. Peer-to-peer interactions and communication is facilitated throughout the school day as the majority of our students have language delays to some degree. Augmentative communication devices are utilized for students with limited to minimal verbal abilities.

Spanish curriculums and resources include Aprendo Leyendo, Rigby Readers, and Sora.

b. SIFE

There are no SIFE students.

c. Newcomers

The majority of 643X ELL's are newcomers.

To facilitate language and communication development, ELL students receive ENL instruction in both standalone and integrated settings. In addition to grade-level curricular materials that are used throughout the school day, teachers utilize additional supports to support students' access to content material. Classrooms are equipped with Promethean boards, which are used strategically during instruction to provide visual supports, increasing access and engagement. Classrooms libraries are age-appropriate, accessible and diverse. Students engage with manipulatives that support conceptual understanding.

To support vocabulary and language development, teachers use sentence starters, graphic organizers, realia and a variety of visual supports. Peer-to-peer interactions and communication is facilitated throughout the school day as the majority of our students have language delays to some degree. Augmentative communication devices are utilized for students with limited to minimal verbal abilities.

d. Long Term ELLs

There are no long term ELLs at 643X

5. What supports does your school provide to ELLs with IEPs to achieve their IEP goals and attain English language proficiency within the least restrictive environment?

All students at X643 have an IEP. Students are evaluated annually to determine the most appropriate setting for them. Each student's IEP recommends the supports necessary to support their success within the least restrictive environment that is appropriate for them. Academic IEP goals are targeted during small-group instruction in the classroom and reinforced throughout content instruction. Related service IEP goals (speech and language therapy, occupational therapy, physical therapy) are targeted within the classroom during push-in sessions to greatest extent possible. Although at times, students may be pulled out for therapies, those goals are also targeted and skills are reinforced across school settings.

A MRE/LRE protocol was developed with the school data team to ensure students are placed in appropriate settings while also following a school-wide tracking system.

6. How is home language assessed in each program model (DLBE, TBE, and ENL)?

In the DLBE class, students' home language is assessed by the bilingual special education teacher during Home Language Arts and Spanish content instruction. Curriculum-based assessments, teacher-made assessments, and checks for understanding provide the teacher with data regarding students' Spanish language development that is used to inform instructional planning. Spanish speaking students in all program models take the Spanish LAB-R during the identification process.

7. (For grades 6-12 only) What language electives are offered to MLs/ELLs? How is your school preparing MLs/ELLs to obtain the New York State Seal of Biliteracy?

N/A

8. Describe systems and structures for supporting co-teaching and collaboration among teachers for all ELL program models available at your school (e.g. integrated co-teaching, Dual Language Bilingual Education teacher partnerships, etc.).

The two ENL teachers' schedules are built into the school-wide coverage scheduling, allowing for common planning time with classroom teachers. ELLs are clustered in classes so that the number of classroom teachers that ENL teachers must co-plan with is minimal, which further supports efficient and maximized collaboration.

9. Describe how your overall, annual professional learning plan ensures that all staff – including administrators, teachers and -non-pedagogical staff – incorporates learning specifically related to the academic and social emotional needs of MLs/ELLs. Professional learning topics might include co-teaching strategies, or integrating language and content instruction.

643X utilizes school-based Instructional Coaches, Teaching Lab Coach, and Coach Consultants to support teachers in best literacy practices through inter-visitations and weekly/monthly professional development. 100% of teachers will be supported by our instructional coaches including our ENL teachers. 643X will use Fundations, Readtopia, HMH Into Reading, and Illustrative Math to build cross-content and disciplinary literacy.

643X will embed literacy practices throughout the school day. Some of these practices include:

-Use of visual schedules

-Individualized communication systems for students

-Instructional scaffolds to assist students in accessing curriculum. This may include the use of graphic organizers and/or visual checklists

- Science and Social Studies cluster teachers will be given access to literacy curriculums to help lesson plan and support their instruction

-Arts for SWDs and ELL students grant partnership program will be focused on student social emotional needs incorporating mindfulness and movement.

--Shared reading, interactive writing, and Read-Alouds will be literacy practices used across content areas by teachers

-Functional communication training

10. Describe your school's professional development plan in order to meet the mandated Continuing Teacher and Leader Education (CTLE) ELL specific hours for certification renewal as per CR Part 154 (15% of total hours for all certified faculty [holders of professional certificates in the classroom teaching service, educational leadership service and level III teaching assistant certificate holders] and 50% of total hours for bilingual education/ENL teachers receive ELL-specific professional development).

- ENL teachers are provided with training and access to literacy curriculums to provide high-quality integrated ENL instruction with the classroom teacher

-643X will create a professional development calendar around literacy

- Weekly teacher priorities will be emailed to all staff via Principal's Newsletter

- Coaches are scheduled to provide direct supports at both school locations in each classroom

-Partnership with Teaching Lab to support HMH Into Reading rollout at 643X

-Coaching and consultation visits from outside agencies and providers such as All Points ABA.

- ENL teachers participate in districtwide professional development and professional development provided by the Division of Multilingual Learners in order to meet the mandated CTLE requirement.

Assessment

SCREENERS

11. Which screening assessments (e.g.iReady, MAP Growth, Acadience, or STAR Reading) does your school use to guide instructional planning for your ELLs?

WebABLLs will be utilized 3 times a year as the screener assessment for all 643X students inclusive of ELLs. We will use this assessment to determine various curriculum pathways based on student assessment data.

12. For all grades, list and describe your targeted intervention programs for ELLs in ELA, Math, and other core content areas (specify ELL subgroups targeted). Include the language(s) in which the intervention services are offered.

Students are placed in targeted intervention groups utilizing the core curriculum by making appropriate adaptations and modifications to meet students instructional needs based on our assessment data. We are utilizing highly specialized curriculum programs that offer interventions embedded in the curriculum. Additionally, students are provided with therapy to help them gain access to the curriculum in accordance with their IEPs.

13. For all grades, describe how your school uses data to guide instruction for ELLs within a Multi-Tiered System of Supports (MTSS). Refer to the Instructional Leadership Tool for MLs and ELLs and MTSS Guide for MLs and ELLs to help in the development and implementation of your school's plan for MLs/ELLs.

Our school is a District 75 program that serves students with significant cognitive, physical and emotional delays. Every student has an IEP based on their specific academic, social and emotional needs and readiness levels. Student performance data is used to guide daily instructional planning, as well as IEP development, and to determine the supports most appropriate for each student. This includes, but is not limited to, daily instructional support, small group planning, as well as IEP service recommendations and IEP goal planning. This applies to all students, including MLs/ELLs.

MTSS supports include: Lexia, Heggerty, STERN Math, Waggle & functional communication training through PECS

FORMATIVE

14. Which formative assessments (e.g. NYC performance Tasks, ELL Periodic Assessment, HLA Assessment, DRA, teacher-created assessments, etc.) are used to inform and drive instruction?

Curriculum embedded formative assessments . Probe data during Verbal Behavior rotations (Intensive Teaching)

15. How do you ensure that MLs/ELLs are appropriately evaluated in their home languages throughout the year?

ELLs who are in the DLBE programmed are evaluated in their home language daily by the bilingual special education teacher. ELLs in monolingual classes are evaluated and supported by the diverse and multilingual staff that makes up X643. Throughout the school organization are multilingual teachers, paraprofessionals and therapists who informally evaluate students in their home language. Additionally, students receive annual bilingual evaluations during the IEP development process.

SUMMATIVE

16. Which summative assessments (e.g. NYSESLAT, ELA, Math, Regents, etc.) are used to evaluate the effectiveness of your ML/ELL programs and how does it inform instructional design and curricular decisions? (Refer to the ELL Data Analysis Tool).

NYSESLAT and WebABLLS. All of our ELLs are Kindergarteners. The first time they participated in the NYSESLAT was Spring 2025. We will be analysing NYSESLAT Data in Fall 2025 to provide differentiated instruction to our ELLs.

17. What is your NYSESLAT administration plan? How does your school ensure that all ELLs are tested with the NYSESLAT annually? Include the titles of the staff that will administer and score the assessment. Please describe your plan to ensure that all ELLs and former ELLs continue to receive mandated instruction during the testing period.

ELLs are clustered in classes to the greatest extent possible. Because of this, classroom teachers will be able to support the ENL teachers with NYSESLAT administration. The listening, reading and writing sections will be administered in groups by the classroom teachers. For the speaking section, the ENL teachers' schedules will be adjusted to allow them to test each other's students in accordance with testing and scoring policies. This approach will minimize interruptions to service.

18. How does your school ensure that current and former ELLs receive necessary accommodations for state assessments, including the Specialized High School Admissions Test (SHSAT) if applicable?

Our teachers with standardized assessment students will receive targeted professional development provided by instructional school-based coaches to review the various IEP accommodations that can be added for ELL students. The instructional coaches will serve as district reps at IEP meetings to ensure that students are receiving all necessary accommodations on IEPs and that families are in agreement with the supports. These accommodations will carry into the classroom.

Part VI: Family Partnership

Family Partnership

Required Meetings Under CR Part 154

Describe your schools' plan to ensure families of ELLs are provided with the required meetings specified below as per CR Part 154. Include:

- Topics discussed during these meetings
- How your school ensures families receive necessary translation/interpretation supports to meaningfully engage in the meetings
- How your school schedules these meetings to facilitate attendance, and how your school maintains evidence of these meetings as required per the NYC DOE Policy and Reference Guide for MLs/ELLs.

a. ELL Program Orientation to inform parents/guardians of newly identified ELLs of ELL program options, including the program goals and requirements for all three ML/ELL program models: Dual Language Bilingual Education, Transitional Bilingual Education and English as a New Language regardless of whether the school currently has either type of bilingual program and provide a high-quality orientation section on the Next Generation Learning Standards, assessments, and school expectations for English Language Learners.

Parents are informed of program options available to them during the Kindergarten IEP process at CSE. Students' IEP recommendations are based on the academic and social needs of the student, not the availability of programs at schools.
Parents/guardians of ELLs are informed of all three ELL program models at the parent orientation as part of the intake process.

b. Annual Individual Meeting to discuss goals of the program, language development progress, language proficiency assessment results, and language development needs in all content areas. Note: this meeting is separate from and does not include the mandated ELL program orientation meeting and DOE-scheduled parent-teacher conferences.

ENL teachers meet with parents of ELLs at least once a year to discuss their student's progress in language acquisition. These meetings are in addition to regularly scheduled parent-teacher conferences, but may include IEP conferences. ENL teachers keep documentation of meetings in the school's ELL Folder of Critical Documents.

Parent outreach will also take place during Contractual Remote Parent Engagement.

Family Engagement

2. Beyond the mandated meetings and orientations, describe how your school:
a. Ensures families receive all school communications and documents in the language they best understand. How are families able to respond or initiate communications in languages other than English?

Regular communication is sent to parents through Remind/Parent-Square phone application and the school's Operoo platform. Via this application, messages are translated into parents' preferred language. Additionally, multilingual staff are available to translate written messages and serve as interpreters for phone conversations. If needed, over-the-phone interpretation services are used.

b. Develops activities that foster empowerment for families of MLs/ELLs. Include how your school determines the needs of your community.

We plan to host six family events on select Saturdays next school year. These will include workshops for families such as ENL Classes, helping students and families obtain Library Cards, Cool Culture Passes, as well as cooking and financial literacy classes. Translation and interpretation services will be available at these workshops.

c. Ensures families of MLs/ELLs are aware of family leadership opportunities (such as Parent Association (PA), School Leadership Team (SLT), Community Education Council (CEC), etc.)

643X has an active SLT and PA. Parents are offered opportunities in their home language so that they can be active members of the school community. A parent of an ELL is part of the SLT.

3. What culturally and linguistically responsive partnerships do you currently have that support the needs of your school community?

We partner with several organizations in our community to provide resources and opportunities for our students and families. Common Threads is a national nonprofit organization of professionally trained chefs and nutrition educators that works with schools and families to provide access to nutritious food through culinary programs and curricula. They celebrate diversity and inclusiveness by sharing diverse recipes that are reflective of the communities they serve.

IncludeNYC is another organization we partner with that aims to promote positive futures and inclusivity for young people with disabilities in NYC. Their work is grounded in values of teamwork, empathy, accountability, commitment and honesty, and their services and resources are available in multiple languages.

Part VII: Additional Information

Additional Information

Include any additional information that is relevant to your LAP and would further explain and highlight how your school supports MLs/ELLs. This form does not allow graphics and charts to be pasted.

No additional information at this time.

Part VIII: ELL Identification Attestation and Principal Certification

Identification Plan

For additional information, refer to ELL Identification Attestation Professional Learning Module.

1. What are the titles of the members of your ELL identification team? Note: Members of the ELL identification team must be pedagogues.

ENL Teacher, Bilingual Special Education Teacher, Assistant Principal.

2. Describe the structures and process in place for identification of ELLs year-round as required by the NYC DOE Policy & Reference Guide for MLs/ELLs, including your school's identification plan for any incoming students with an Individualized Education Plan (IEP). Include:

- **How your school proactively plans for the ELL identification process so that it does not interrupt the provision of mandated ENL and/or bilingual instruction to current, former and potential ELLs,**
- **Who is responsible for each step of the ELL identification process, and**
- **School's plan for ensuring ELLs and former ELLs will continue to receive mandated instruction.**

ENL teachers' schedules are embedded within the school-wide coverage schedule which is available in the main office. In the event that a parent enters the school to register their student, either the ENL teacher (if available) will administer the HLIS and informal interview or another licensed trained pedagogue (Unit Coordinator, Assistant Principal, Principal) will do this. Subsequent steps, such as LPT meeting and NYSITELL administration will be completed when team members ahve availability in their schedules.

Principal Certification

In accordance with New York State's Commissioner's Regulations Part 154 as outlined and implemented in the NYC DOE Policy and Reference Guide for MLs/ELLs, I, attest that the following ELL identification procedures and activities are adhered to, and staff are trained on the items listed below.

- The ELL Identification Process is completed for each student within 10 school days of enrollment (20 school days for students entering with IEPs).
- Enrollment status of each newly admitted student is determined:
  a. If a student has been in New York State public schools within the past 2 years, our school contacts the previous school to obtain ELL status, relevant assessment scores, and English language proficiency level.
  b. If a student has been outside of New York State public schools for more than 2 years, our school administers the ELL Identification Process as part of reentry.

- The home language of the student is determined by a trained and licensed pedagogue.
  a. The parent completes the Home Language Identification Survey in the parent's preferred language; translation services are provided by a bilingual staff member, the DOE's over-the-phone translation services, or an alternative, high quality translation service.

- An interview with parents and students in English and the home language is conducted. This includes reviewing documents, prior assessments, and academic experience. An assessment of the student's abilities and/or work samples determines the student's literacy and math level in his/her home language.
- Eligibility for the NYSITELL is determined.
  a. If the newly enrolled student is entering with an IEP, the school's Language Proficiency Team (LPT) recommends eligibility to the principal, who obtains final approval from the superintendent.

- Students are administered the NYSITELL, if eligible.
- Notification letters are sent to the parent/guardian in their preferred language.
  a. Parent is notified of their child's ELL status and results of the NYSITELL.

- If the student is identified as an ELL and the student's home language is Spanish, the student is administered the Spanish Language Assessment Battery (LAB).
- Student with Interrupted/Inconsistent Formal Education (SIFE) status is determined using New York State's resources.
- If a student is a newly identified ELL, the parent is invited to the parent orientation meeting.
  a. The parent orientation meeting provides parents/guardians with an explanation of each ELL program model offered in NYC; the parent video describing the three programs is presented (in parent's preferred language); parents/guardians are encouraged to ask questions so that they are

informed about all ELL programs; translation and interpretation services are provided throughout the meeting.

- ELL is placed in the ELL program that the parent selected.
  a. If the bilingual program that the parent selected is not available, the parent is offered a transfer to a school with that bilingual program in accordance with NYC DOE transfer policies.
  b. If the ELL remains in the school, the ELL is placed in English as a New Language and our school keeps track of parent selection so that when minimum thresholds are met, we can open the ELL program of choice.

- Parents are notified that they have 45 days to appeal the ELL status of their child (ELL Re-identification Process).
- If the ELL Re-identification Process is implemented for any student, the principal reviews the decision of any student whose ELL status was changed because of the ELL Re-identification Process within 6 to 12 months.
- Copies of documentation regarding ELL identification, including letters and parent notifications are kept in the students' cumulative files.

Principal Name:

Merrin Palish

Part IX: LAP Assurances

LAP Assurances Page

For additional information, refer to LAP Assurances Professional Learning Module.

Download a blank LAP assurances page.

LTI Overview and Part A: Designation of a LAC

Chancellor's Regulation A-663 establishes procedures for ensuring that Limited-English-Proficient (LEP) parents of students enrolled in the New York City public schools are provide with a meaningful opportunity to participate in and have access to programs and services critical to their child's education. To this end, schools must review and complete the annual LTI Plan to address its language assistance needs consistent with the requirements of this regulation.

The LTI Plan requires information on the following:

- Name of person designated as the Language Access Coordinator (LAC).
- Identification and assessment of LEP parent population.
- Identification of Critical Communications and standing, in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.
- Plan to ensure staff awareness of language access requirements and available resources.
- Provision of notice to parents on the available language assistance services.

Methods for the school to solicit and implement feedback on its provision of language assistance services.

Office of Language Access (OLA) Contact:

- **Contact Information:**
  - **Cunneely Elena, ECunneely@schools.nyc.gov**
  - **Rivera Ricardo, RRivera60@schools.nyc.gov**
  - **Williams Robert. RWilliams32@schools.nyc.gov**

Please do not edit

Robert Williams

Designation of a LAC
Name of person designated and trained as the LAC.
At the start of each school year, each principal is required to designate at least one staff member to serve as the Language Access Coordinator (LAC), responsible for overseeing language assistance services within the school.

We have pre-populated the following information based on our records. Please confirm that the designated staff member(s) are your school's Galaxy-designated LAC(s) and provide the date(s) they attended the OLA Language Access Coordinator Training. Note that this training is in addition to the mandatory asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform. If any information is missing, please provide the requested details.

As a reminder, LACs are internal staff designations and are not meant to serve as the primary point of contact for families regarding language access-related matters. The Parent Coordinator, or another designated staff member, should remain the main contact for families regarding all issues, including language access.

First Name	Last Name	Title	Date attended OLA Language Access Coordinator Professional Learning Opportunity	Confirmed (Y/N)
Meleny	Hernandez	Parent Coordinator	6/13/2025	Y
Michael	Funk	Assistant Principal	9/2024	Y

Part B: Parents' Preferred Languages

Parents' Preferred Languages

Language identification and assessment of parent population.

1. Check the resources your school staff uses to identify parents' preferred languages:

,Part III of the Home Language Identification Survey (HLIS),Automate The System (ATS) reports / Next Generation Student Information System (NGSIS),New York City Schools Account (NYCSA) Student Profile,Student Emergency Contact cards,Surveys conducted by your school

If Other was selected, describe the resource here:

2. We have pre-populated the following information from the Parent's Preferred Language Report (RCPL) in ATS. For the last two columns, please indicate the number of school staff members who are comfortable using their language skills to communicate with parents and regularly assist other staff members and families with translation and/or interpretation. If none, enter "0".

Language (Description within RCPL)	Written Preferred Count	Written Preferred Percentage	Oral Preferred Count	Oral Preferred Percentage	No. of Staff to Help with Written Translation	No. of Staff to Help with Oral Interpretation
BENGALI (BANGLA IN BANGLADESH)	3	2.586%	3	2.586%	0	0
ALBANIAN	1	0.862%	2	1.72&	0	0
ENGLISH	80	68.97%	80	68.97%		
SPANISH	26	22.41%	26	22.41%		
ARABIC	2	1.72%	2	1.72%	0	0
FULANI	2	1.72%	2	1.72%	0	0

HAUSA	1	0.862%	1	.862%	0	0
MOSSI	1	0.862%	1	.862%	0	0

Part C: Parent Communications and Engagement

Parent Communication and Engagement

Identification of written critical communications and in-person meetings throughout the school year that require language assistance services and how the school plans to respond to these needs.

1. List the documents your school typically distributes each year that require translation, along with your plan for translating these documents.

Document Type (e.g. parent flyers, IEPs, etc.)	How do you plan to implement the translation process? Please include procedures and resources to ensure the timely delivery of translated documents to parents.
SESIS Related Documents	SESIS
School-closure notification	In-House Interpretation, Office of Language Access
Back to school / Family Events	In-House Interpretation, Pocket Talks, Parent Coorindator, Office of Language Access
Include NYC Parent Workshops	Include NYC
Teacher/Parent Communication	REMIND Application Translation

2. List the meetings, both in-person and virtual, that your school typically holds with parents throughout the school year, along with your plans for providing interpretation services at those meetings.

Meeting Type (e.g. parent workshops, PTCs)	How do you plan to offer interpretation services? Please outline the procedures and resources in place to ensure timely access to interpretation for parents.
Parent Teacher Conferences	Over-the-phone NYCPS Interpretation Line of multi-lingual staff members
Family Events	Multi-lingual staff members can provide interpretation. Use of Pocket Talks. Parent Coordinator.
IEP Meetings	Over-the-phone NYCPS Translation Line or multi-lingual staff members

3. Describe the resources and processes your school will use to communicate with parents who speak a language other than English during an emergency (e.g., lockdown, fire, student attendance, nurse/hospital visit, etc.), or when a parent needs to contact the school in an emergency, ensuring communication is in their preferred language.

During any emergency situation, our school ensures that communication with parents who speak a language other than English is timely, accurate, and in their preferred language. We utilize the DOE's over-the-phone interpretation service to immediately connect with families in real time. Bilingual staff, where available, also assist in initial outreach. Emergency notifications, such as those related to lockdowns, fires, or urgent medical issues, are translated and sent through our communication platforms (e.g., Operoo, Remind, or DOE messaging tools). In the event a parent contacts the school in an emergency, office staff are trained to initiate interpretation support and respond accordingly. All staff are trained annually on how to access interpretation and translation services, ensuring consistent, accessible communication for all families.

Part D: Staff Awareness

Staff Awareness

Plan to ensure staff awareness of language access requirements and available resources.

1. Describe how your school will ensure that all staff members complete the required asynchronous NYCPS Language Access Training for School-based Staff on the WeLearnNYC learning platform, and are familiar with the Best Practices for When to Provide Translation of Critical Written Communications to Parents and Best Practices for When to Provide Interpretation for Critical Oral Communications with Parents. Additionally, explain how your Galaxy-designated LAC will disseminate future language access resources and updates to all staff members.

All staff are made aware of goals of Chancellor's Regulation A-663 during back-to-school orientation. Furthermore, resources such as over-the-phone interpretation directions, directions for translating IEPs, and parental rights are shared during faculty meetings and via email.

Our school will ensure that all staff members complete the required NYCPS Language Access Training on the WeLearnNYC platform by incorporating it into our beginning-of-year professional development schedule. Completion will be tracked through WeLearnNYC, and reminders will be sent to staff who have not yet fulfilled the requirement. The Language Access Coordinator (LAC) will review training completion data and follow up with individuals as needed to ensure 100% compliance.

In addition, the LAC will facilitate a session at a staff meeting reviewing the Best Practices for Translation of Critical Written Communications and Interpretation of Critical Oral Communications to ensure staff understand their responsibilities and available resources when engaging with families who speak languages other than English.

Throughout the year, the Galaxy-designated LAC will disseminate updated language access materials and DOE guidance via email, staff bulletins, and during monthly faculty meetings. Resources such as interpretation protocols, translation request procedures, and updated regulations will also be available in a shared drive accessible to all staff. This ensures that language access remains an ongoing, embedded priority in our school community.

Part E: Parental Notification

Parental Notification

Provision of notice to parents on the available language assistance services.

1. Describe how your school will inform parents about available language assistance services in their preferred language. Include any of the following:

- **Translated signage**
- **Brochures, flyers, or letters shared with parents**
- **Parent engagement events where language assistance services are highlighted (e.g., PTA meetings, international parents' night, etc.)**
- **Messaging applications**

- Language Access for NYC Public Schools Families brochure

Signage from the Office of Language Access indicating that translation and interpretation services are available is present at each of our school's sites. Ample signage can be found at the entrance of each location, as well as in the main office. Additionally, parents are provided with the Parent's Guide to Language Access. Any written communication, such as letters from the principal, notification of school events, parent engagement, IEP related events, informal messaging via phone applications, and written communication from teachers is provided in families' preferred language.

Part F: Monitoring

Monitoring

Methods for soliciting and implementing feedback on language assistance services.

1. In addition to the feedback received from parents via OLA's Translation & Interpretation Feedback Survey, describe the methods your school will use to gather feedback from parents regarding the language assistance services they receive in their preferred language.

Each year our Language Access Coordinator will survey parents for their feedback on the language services they receive from the school. Based on the feedback provided, adjustment will be made for future communication. Parent coordinator has made outreach phone calls on communication and language access throughout the school year.

Annual School-Led Language Access Survey: Our Language Access Coordinator (LAC) distributes a brief parent survey (available in families' preferred languages) during fall parent-teacher conferences and again in the spring. The survey asks about satisfaction with translated materials, interpretation experiences, and suggestions for improvement.

Informal Feedback at Family Events: During events such as Back to School Night and PTA meetings, families are invited to share feedback verbally or via QR-code surveys with assistance from bilingual staff.

Parent Coordinator Check-Ins: Our Parent Coordinator conducts routine outreach calls and meetings with families, especially those with limited English proficiency, to collect informal feedback on communication and language access.

2. How has your school worked to improve its language assistance services? Share any feedback results and outline your plans for further improvements in the upcoming school year.

SY 24-25 was our first year as a school organization. LAC has received trainings throughout the school year. School leadership team meetings have discussed concerns throughout the school year (and have been addressed as needed).

Our school has taken several steps to strengthen language assistance services to better support our multilingual families. Based on feedback from parent surveys and informal conversations, we learned that families appreciate translated materials but often desire more real-time interpretation, especially during IEP meetings and school events. In response, we've increased our use of the NYCPS over-the-phone interpretation service and prioritized timely translation of critical documents, such as attendance letters, medical notices, and academic reports.

We also designated a staff member in the main office to be the point person for accessing interpretation services and trained all staff on how to request and utilize these supports. The Language Access Coordinator (LAC) has begun sharing monthly tips and reminders about best practices and resources.

In the upcoming school year, we plan to expand our communication platforms to include multilingual messaging tools and host parent workshops in multiple languages. We will continue surveying families annually to gather direct feedback and ensure our practices remain responsive and inclusive. Our goal is to make every family feel informed, respected, and welcomed—regardless of the language they speak.

Title III Outline

Title III Supplemental Program for ELLs for SY 2025-26

REQUIREMENTS

Title III supplemental services for English Language Learners (ELLs) must include the following three components:

- **Direct instruction** activities must be used to support language development, English and home language instruction, high academic achievement in math, and/or high academic achievement in other core academic areas. The Title III supplemental instructional services must be based on student need. These supplemental services should complement core bilingual and ENL services required under CR Part 154. Direct supplemental services should be provided for before school, after school, and Saturday programs. Teachers providing the services must be bilingual education and/or English for Speakers of Other Languages (ESOL) certified teachers.
- High quality **professional development** that is "of sufficient intensity and duration to have a positive and lasting impact on the teachers' performance in classrooms." Professional development activities should be well-planned, ongoing events rather than one-day or short-term workshops and conferences.
- **Parent engagement and supports** must ensure that there are appropriate translation and interpretation services to meet community needs. These are in addition to mandated activities, such as parent orientation during ELL identification process or annual ELL parent meetings.

Note: The Title III ELL program planning ratio is as follows: 60% to direct instruction, 10% to professional development (if funded using Title III ELL funds), 10% to parent engagement (if funded using Title III ELL funds), and 20% to OTPS (if funded using Title III ELL funds).

For more information on Title III requirements, please see the School Allocation Memo or contact your ML/ELL Director or ELL Compliance and Performance Specialist. Any updates or revisions to this plan must be made through the iPlan portal.

Part A: School Information

This school is (select one):

NOT conceptually consolidated (must complete part E Budget below)

Part B: Direct Instruction Supplemental Program Information

The direct instruction component of the program will consist of (select all that apply):

,Saturday Academy

Total number of ELLs to be served in this program:

24

Grades to be served in this program. Select all that apply.

,K,1,2,3,4,5

Total number of teachers in this program:

3

Number of certified bilingual education or ESOL teachers (include teachers that are dually certified with TESOL certification/bilingual extension & common branch/content area certification):

1

Number of content area teachers (i.e., teachers that have common branch/content area licenses only):

2

Title III ELL Summary

Provide a summary of each program funded under Title III ELL for SY 25-26: For each program, describe:

- **When the program takes place (i.e., after school, before school, Saturday academy)**

- **Activities ELLs will engage in and how these activities will enhance instructional opportunities for ELLs**
- **How ELLs will be grouped for instruction and specify the number of student groups. Include total number of student groups and total number of ELLs in each group, for each program**
- **How instruction will be delivered (e.g., team teaching, parallel teaching, etc.)**
- **How the program will be supervised and whether this will be funded by Title III ELL. Please note: If supervision will be funded using Title III ELL funds, you must include the supervisor's regular work day hours and the hours the supervisor will get paid per session.**

This program will take place on Saturdays; 6 times per year once per month during the months of October, November, January, March, April, May for 4 hours each.

English Language Learners (ELLs) with autism can thrive in project-based learning (PBL) experiences centered around the theme of the five senses, as this approach naturally supports communication development, sensory integration, and culturally responsive teaching. Through hands-on, multimodal activities—such as creating sensory bins, exploring foods from diverse cultures, or designing posters that represent how different cultures experience sound or smell—students are encouraged to use authentic language in meaningful contexts. PBL provides built-in flexibility to accommodate sensory needs, allowing students to engage at their own comfort level while exploring real-world concepts. Incorporating visuals, tactile materials, gestures, and multilingual supports ensures that learning is accessible and inclusive. Furthermore, the theme of the five senses offers opportunities for students to share their cultural backgrounds and sensory preferences, promoting both self-expression and cross-cultural understanding.

ELLs will be grouped in a ratio of 12 students to 1 teacher.

Instruction will be delivered in small groups where a teacher and paraprofessionals work together as a collaborative team to provide meaningful instruction to ELLs with the ENL teacher team teaching.

Additional teachers & para's separate from direct instruction will be supporting parental engagement. 1-2.

This program will be supervised by an Assistant Principal and funded by Title III. The supervisor's regular work day hours are Monday to Friday from 8:00 am to 3:30 pm.

Rationale for Title III ELL Funded Programs

Describe the rationale for each Title III ELL funded program. For each program, include:

- **Qualitative and quantitative data analysis that support the need for program, and**
- **Data sources used to justify the need for the program**

Analysis of NYSESLAT data and ABLLS-R indicates that most of our students are at an entering level. The ELL's at 643X have minimal language skills in English and rely heavily on various supports and supplemental programs to to develop academic and functional language skills. These deficits in both academic and functional language indicate a need for additional programming such as Title III to meet their needs.

Students and Grade Levels to be Served

For each Title III ELL funded program, describe the students that will be served. Include:

- **Total number of ELLs for each program,**
- **Grade levels for ELLs in program, and**
- **ELL Subgroups (e.g., Newcomer) and/or proficiency levels (e.g., Entering, Emerging, etc.).**

Total number of ELL's served is 24.
All students will be in 1st grade at the beginning of the program.
All students are Newcomer ELLs and , 2 ELLs are Transitioning, 1 ELL is Emerging, and the rest are Entering.

Schedule and Duration

For each Title III ELL funded program, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of the week the program will be offered, and**
- **Time and duration of sessions.**

Title III program will take place on select Saturdays during the months of October, November, January, March, April, May for 4 hours each from 10:00am to 2:00pm.
Total number of sessions is 6.
Total duration of sessions 4 hours each Saturday for 6 Saturdays.

Language of Instruction

For each Title III ELL funded program, include language of instruction and how home language support is provided.

The language of instruction will be in English. Home language support will be provided through the use of LTI services and the hiring of paraprofessionals who speak the home language of the families.

Number and Types of Certified Teachers

For each Title III ELL funded program, include number and type(s) of certified teachers (e.g., ESOL, bilingual, content area):

3 teachers and 5 paraprofessionals will provide instruction during our Title III funded Family Saturday events, at least one of these teachers will be bilingual or ESOL certified.

Types of Materials

For each Title III ELL funded program, include:

- **Types of materials,**
- **Titles and publishers of main supplemental materials,**
- **Location where purchased materials will be stored, and**
- **Whether materials will be purchased using Title III ELL funds. Please note: If materials are purchased using Title III ELL funds, they cannot exceed 20% of the total allocation.**

We are purchasing games, visuals, realia, art supplies and technology from Title III funds. The main publishers for the supplemental materials is Learning Resources. The materials will be stored at the Main Site of our school.

Theme is Five senses. Items to purchase - Fine motor tools, gel sensory shapes, 7, Megabulk Sensory/Novelty handout assortment, Hurricane Bubble Machine, Active Wobble Chair, Gonge Seesaw Balance, 5 sensitive magnetic mat, 5 senses sticker scene 4, 5 senses puzzle 3, Kinetic Sand, mini cymbals 3, Sensory Discs 3, Tambourines 3, Scooter Boards 6, Happy Hopper Balls 3, Foam Activity Play Set Climbing Equipment 3, Sensory Liquid timer 3, Sensory Balance Stepping Stones 3, Sensory mats 3, Active play gym and recess kit 3, kids trampoline 3, Hope nature band rhythm kit 3, Texture Brushes 1

Implementation Plan and Maintaining Records

- **Describe your school's plan for implementation (e.g. when and how parents/guardians will be notified about the program(s)).**
- **Describe how your school will maintain records of your school's Title III ELL funded program, including evidence of parent notification in their preferred languages, student attendance records, evidence of teacher certifications for teachers supporting the program, record of parent engagement activities, records of professional development activities, purchase orders and invoices to date. For additional information, please refer to the Title III ELL FAQ.**

We will notify parents about the Title III funded family events in September 2025. Reminders will be sent home a week before each Saturday event.
All relevant records will be maintained in a "Title III Binder" at the Main Site.

Part C: Professional Development

Professional Development Summary

Provide a summary of your school's plan for professional development under your Title III ELL program. Please make sure to describe:

- **Professional development to be provided,**
- **Activities that teachers will engage with by topic, and**
- **Whether the professional development provided will be funded by Title III ELL funds. Please note: If PD will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of PD and must not exceed 10% of the total allocation.**

4 professional development sessions will be provided for 1 hour each.
The 4 topics for professional development will:
Introduction to ENL for special education teachers, Sensory integration for multilingual learners, Culturally relevant/supportive behavior management for ELL's, Communication best practices.
Professional development will be funded with Title III funds.

Rationale for Professional Development

Describe the rationale for the professional development to be provided. For each activity, include:

- **Qualitative and quantitative data analysis (e.g., patterns and trends identified) that support the need for the professional development, and**
- **Data sources (e.g., school survey teacher responses, in-house teacher surveys, teacher observation data) used to justify the professional development.**

Data analysis of teacher responses to surveys as well as feedback from administrative observations indicate the need for continued staff development in the following areas; behavior management, communication, and sensory integration in instruction.
Professional Development topics were derived from Surveys of teachers and feedback from administrative observations.

Teachers to Receive Professional Development

Include information on the teachers to receive professional development. Please specify how all teachers working in the Title III ELL program will receive ongoing professional development related to the Title III ELL program.

All of the staff working the Title III program will participate in the professional development trainings. (1) TESOL /BIL Spanish group facilitator, (2) Content Teacher (5) Paraprofessionals (1) Administrator. Professional Development will be provided virtually by school-based coaches and/or the teachers working in the Title III program.

Schedule and Duration

For each Title III ELL professional development activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

4 Sessions for 1 hour each. October - May. Virtual 3:30-4:30 Tuesdays.

Topics to be covered

For each Title III ELL professional development activity, include topics to be covered.

Introduction to ENL for special education teachers, Sensory integration for multilingual learners, Culturally relevant/supportive behavior management for ELL's, Communication best practices.

Name(s) and Title(s) of Provider(s)

For each Title III ELL professional development activity, include name(s) and title(s) of provider(s).

3 teachers, 5 paras & 1 supervisor

Maintaining Records

Describe your school's plan for maintaining documentation (e.g., agendas, attendance sheets) of all professional development provided as part of your Title III ELL plan; please specify which activities were funded by Title III ELL funds.

All documentation for Title III (attendance, agendas etc) will be scored in a Title III Binder.

Part D: Family Engagement Activities

Family Engagement Summary

Provide a summary of your school's family engagement activities under your Title III ELL program. Describe the activities that families of ELLs will engage with by topic. Please make sure to include whether the activities will be funded by Title III ELL funds.
Please note: If family engagement activities will be funded by Title III ELL funds, vendor cost is calculated as part of OTPS and must not exceed 20% of the total allocation; teacher per-session is calculated as part of family engagement and must not exceed 10% of the total allocation.

Family engagement topics will include OPWDD, Reading an IEP, Improving communication in the home, addressing challenging behaviors in the home, developing schedules & transition support in the home, and toileting support. Family engagement will be funded by Title III funds. Refreshments will be provided to families.

Rationale for Family Engagement Activities

Describe the rationale for the family engagement activities to be provided: For each activity, include:

- **Qualitative and quantitative data analysis (e.g., reasons for topics, time activities will be offered), and**
- **Data sources (e.g., parent survey responses, in-house parent surveys, PTA/PA request, etc.) used to justify the need for activities.**

We surveyed our parents to determine the needs of families which informed our PD's.

Schedule and Duration

For each Title III ELL family engagement activity, include:

- **Start and end dates/months,**
- **Total number of sessions,**
- **Days of sessions, and**
- **Time and duration of sessions.**

October - May, Saturdays, 6 sessions. Additional teachers & para's separate from direct instruction will be supporting parental engagement. 1pm-2pm (one hour).

Topics to be Covered

For each Title III ELL family engagement activity, include topics to be covered.

Family engagement topics will include OPWDD, Reading an IEP, Improving communication in the home, addressing challenging behaviors in the home, developing schedules & transition support in the home, and toileting support. Family engagement will be funded by Title III funds.

Name(s) and Title(s) of Provider(s)

For each Title III ELL family engagement activity, include name and title of provider(s) (e.g., vendor, community-based organization, school staff name in charge of facilitating the parent engagement activities described in this section).

2 teacher, 2 paras, 1 guidance counselor

Family Notification of Activities and Translation and Interpretation Supports:

Describe:

- **How families will be notified of Title ELL family engagement activities (e.g., phone calls, emails),**
- **How notification of activities will be translated into parent/guardians' preferred language, and**
- **How interpretation supports will be provided at events.**

Notification: Remind App (translated into guardian's preferred language). Flyers translated in preferred language. School website and Instagram.

Translation: Bilingual staff will support with translation. PocketTalks will also be available for translation if needed.

Maintaining Records

Describe how your school will maintain documentation (e.g. agendas, attendance sheets) of family engagement activities and notifications to families.

All parental engagement documentation will remain in the Title III Binder (agenda, attendance sheets, etc).

Part E: Budget

FOR SCHOOLS NOT CONCEPTUALLY CONSOLIDATED ONLY. Ensure that your Title III ELL budget matches your Title III ELL Plan as described in Parts B, C, and D.

This school is (select one):

NOT conceptually consolidated (must complete part E Budget below)

Allocation Amount ($):

20,000.00

Budget Category	Budgeted Amount	Explanation of expenditures in this category as it relates to the program narrative for this title.
Professional Salaries	$16,148.62	Direct Instruction: 3 teachers 6 sessions x 4 hours x $73.07 = 5,261.04 1 supervisor 6 sessions x 4 hours x $75.57 = $1,813.68 5 paras 6 sessions x 4 hours x $43.07 = $5,168.40 Total $12,243.12 Professional Development: 3 teachers 4 sessions x 1 hour x $73.07 = $876.84 1 supervisor x 4 sessions x 1 hour x $75.57 = $302.28 5 paras x 4 sessions x 1 hour x $43.07 = $861.40 Total $2,040.52 Parent Engagement: 2 teachers 6 sessions x 1 hours x $73.07 = $876.84 2 paras 6 sessions x 1 hour x $43.07 = $516.84 1 Counselor x 6 sessions x 1 hour x $78.55 = $471.30 Total $1,864.98
Sensory Supplies & Materials	$3,601.42	Theme is 5 senses. Items to purchase - Fine motor tools 1x $52.99= $52.99, gel sensory shapes 3x$19.99 = $59.97, Megabulk Sensory/Novelty handout assortment 3x$179.98=$539.94, Hurricane Bubble Machine 3x$30.99= $92.97, Active Wobble Chair 3x$64.99= $194.97, Gonge Seesaw Balance 3x$64.99 = $194.97, 5 sensitive magnetic mat 3x $15.98 = $47.94, 5 senses sticker scene 4x $8.29 = $33.16, 5 senses puzzle 3 x $29.99 = $89.97, Kinetic Sand 3x $67.98 = $203.94, mini cymbals 3 x $9.98 = $29.94, Sensory Discs 3 x $38.99= $116.97, Tambourines 3x$21.99 = $65.97, Scooter Boards 6 piece 3x$124.99 = $374.97, Happy Hopper Balls $42.99×3 = $128.97, Foam Activity Play Set Climbing Equipment 3x$99.99 = $299.97, Sensory Liquid timer $59.99×3= $179.97 Sensory Balance Stepping Stones 3x$43.99=$131.97, Sensory mats 3x$32.99 = $98.97, Active play gym and recess kit 3x$114.99=$344.97, kids trampoline $59.99×3 = $179.97, Hope nature band rhythm kit $40.99 x 3= $122.97, Texture Brushes, $14.99 x1= $14.99

Refreshments	$249.96	Refreshments for families
TOTAL	$20,000
